

protein N-terminus binding

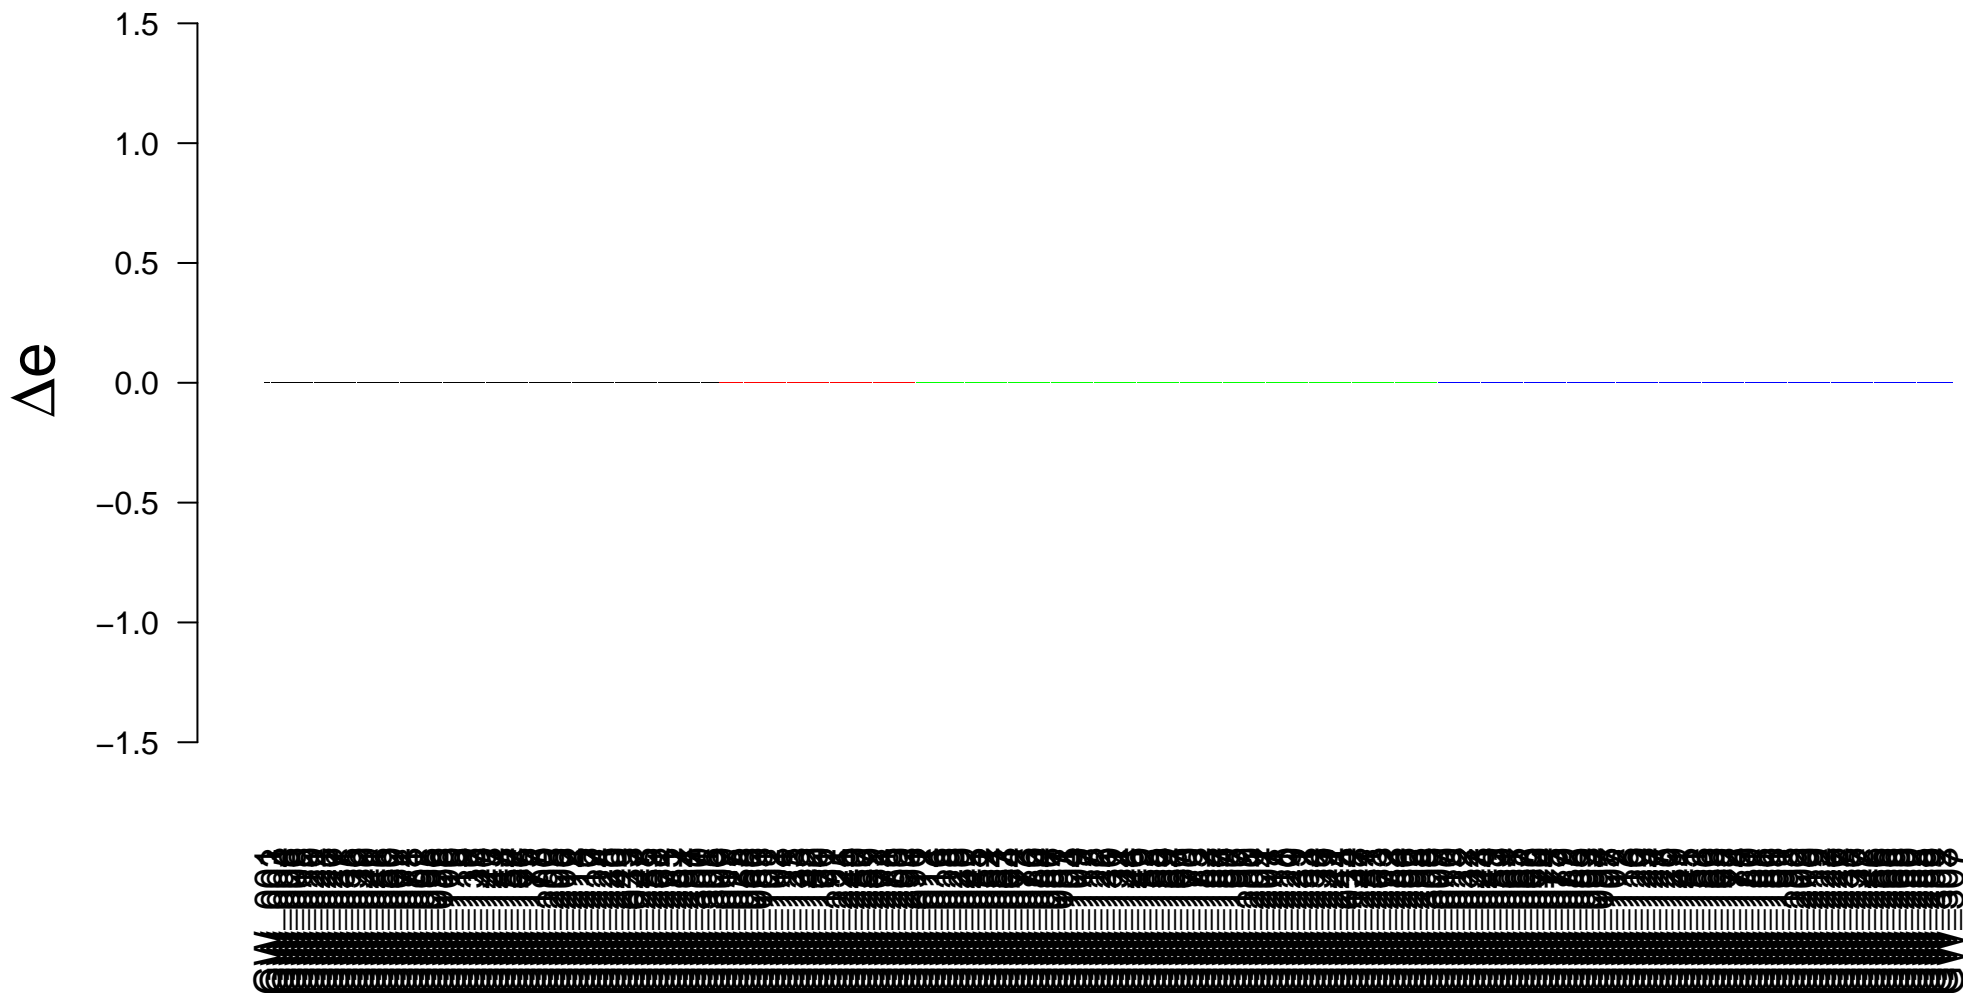

protein N-terminus binding

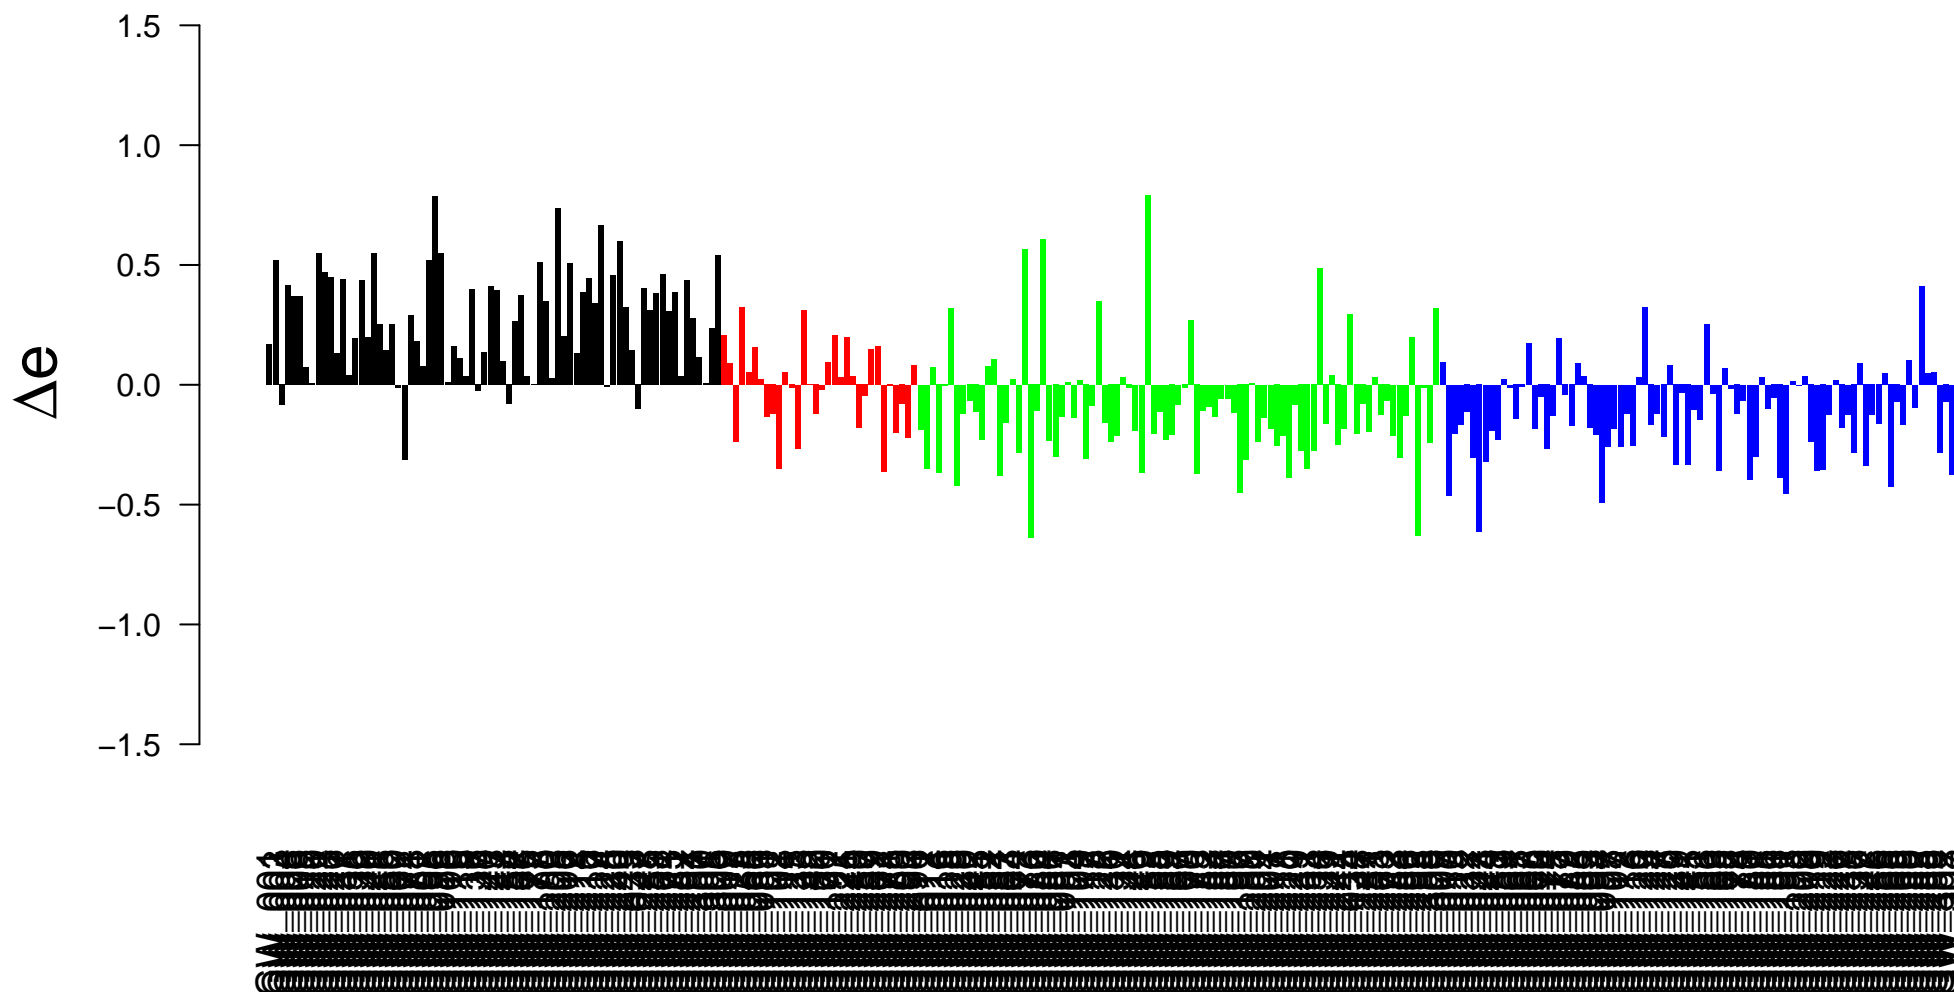

Enrichment in spots: protein N-terminus binding

Expression of protein N-terminus binding in Spot A

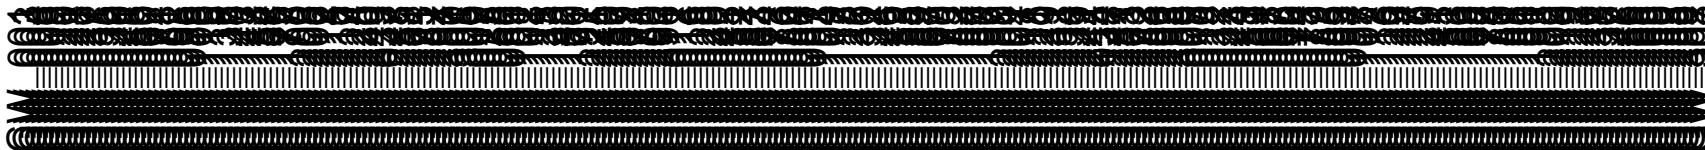

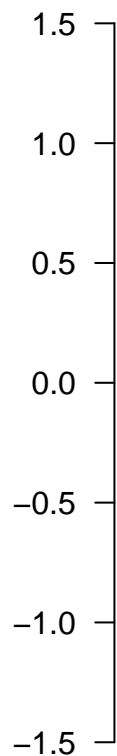

Expression of protein N-terminus binding in Spot B

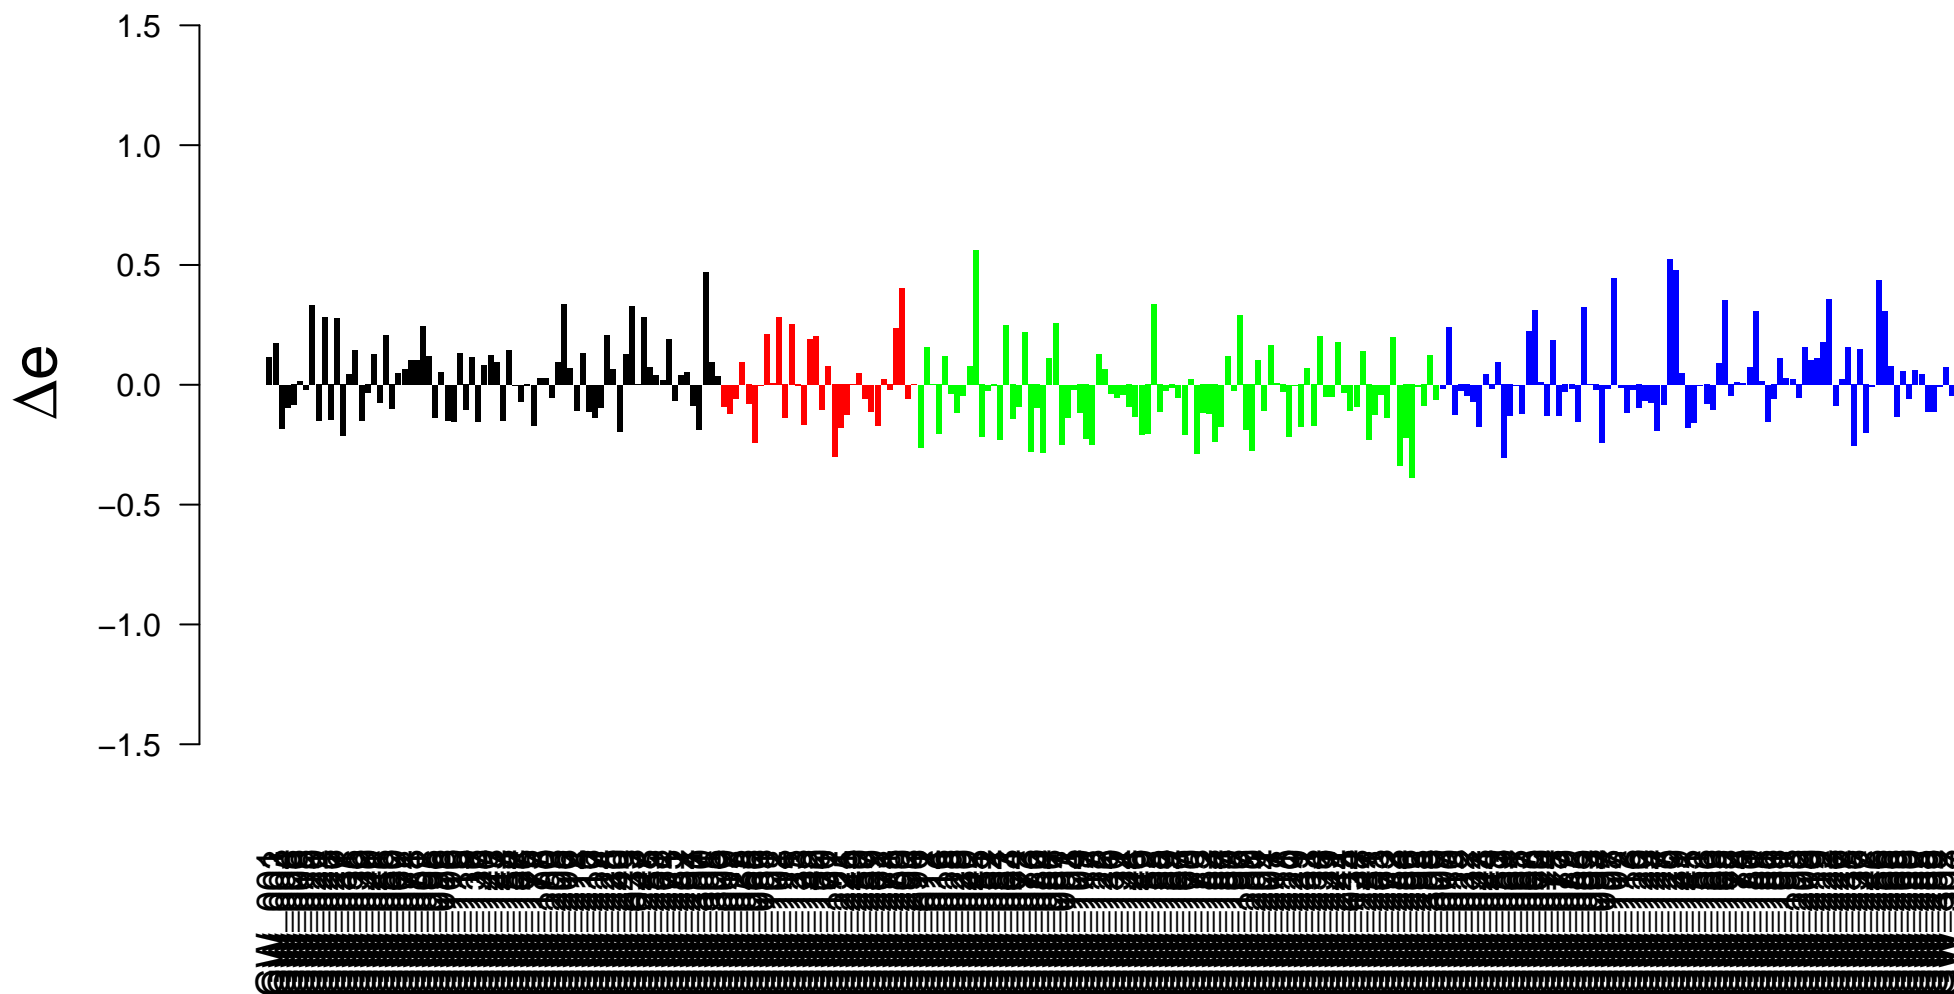

Expression of protein N-terminus binding in Spot C

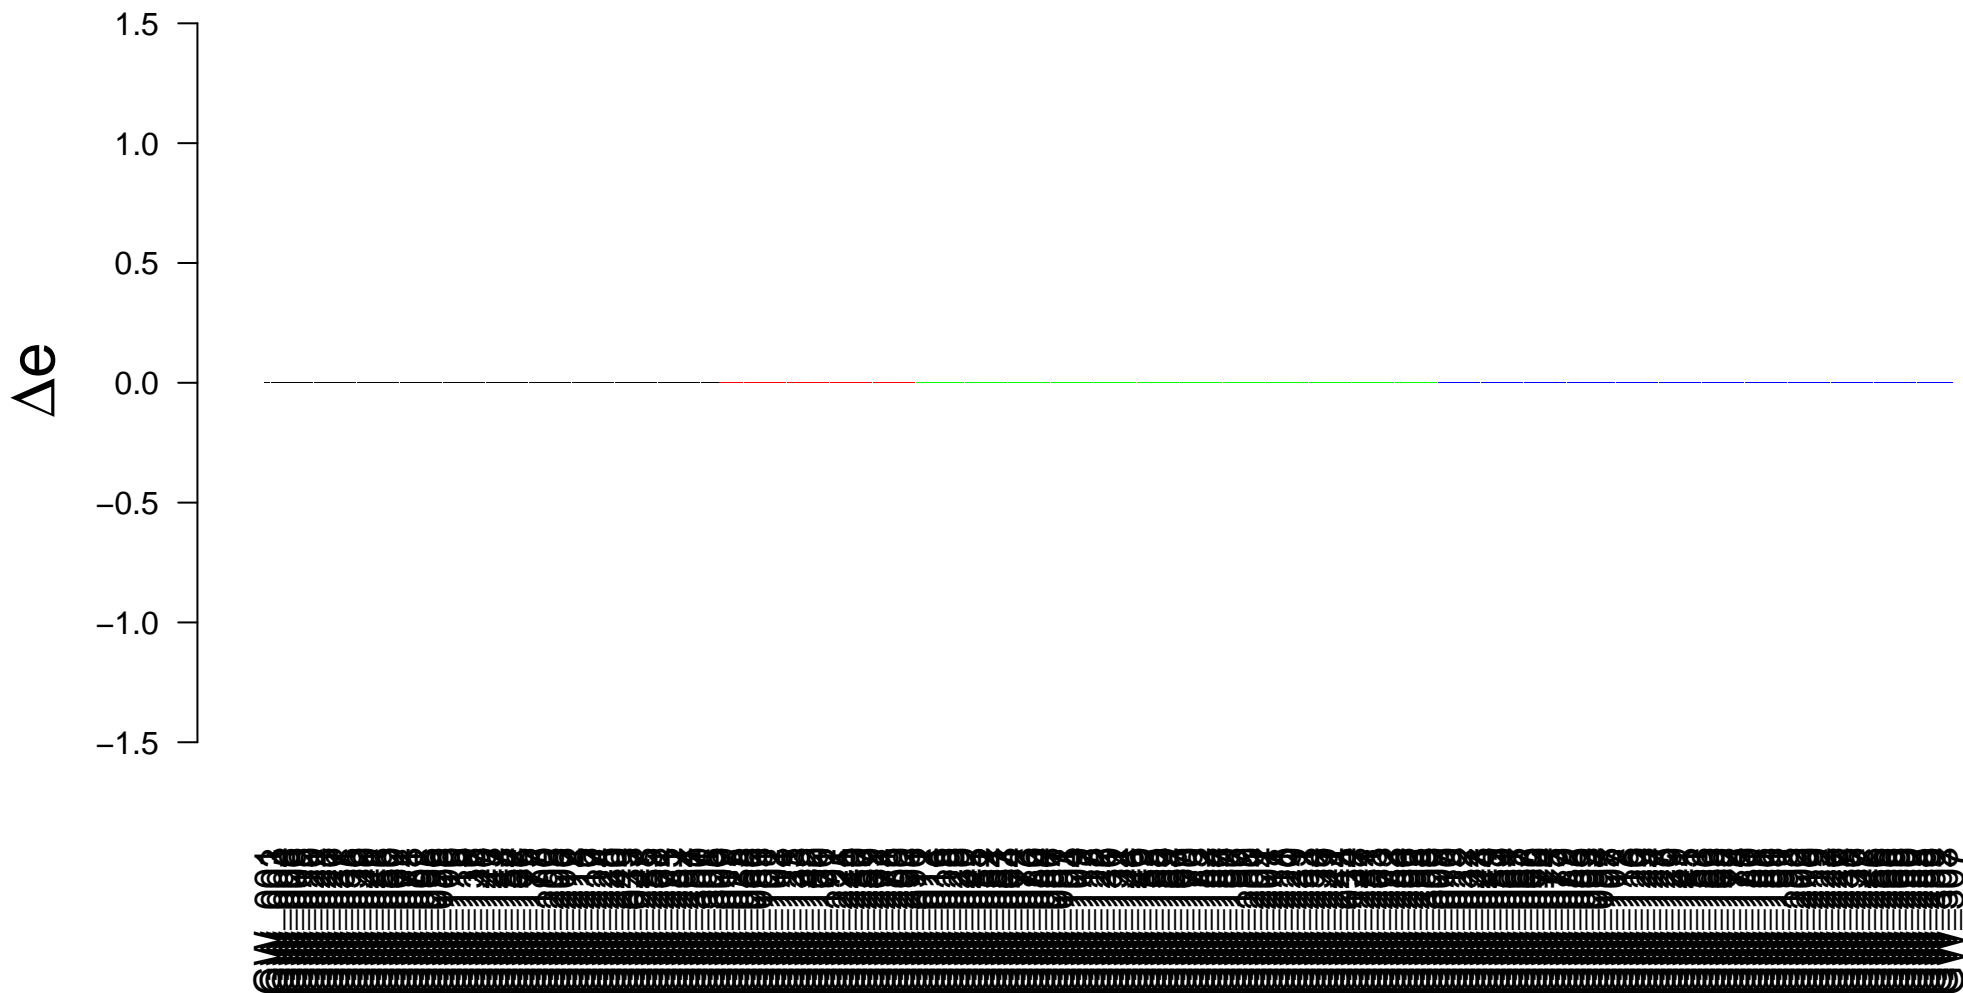

Δe

Expression of protein N-terminus binding in Spot D

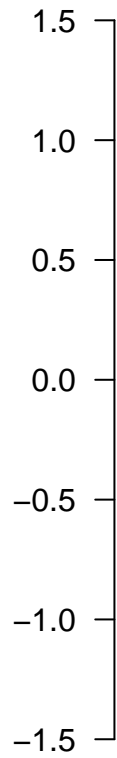

Expression of protein N-terminus binding in Spot E

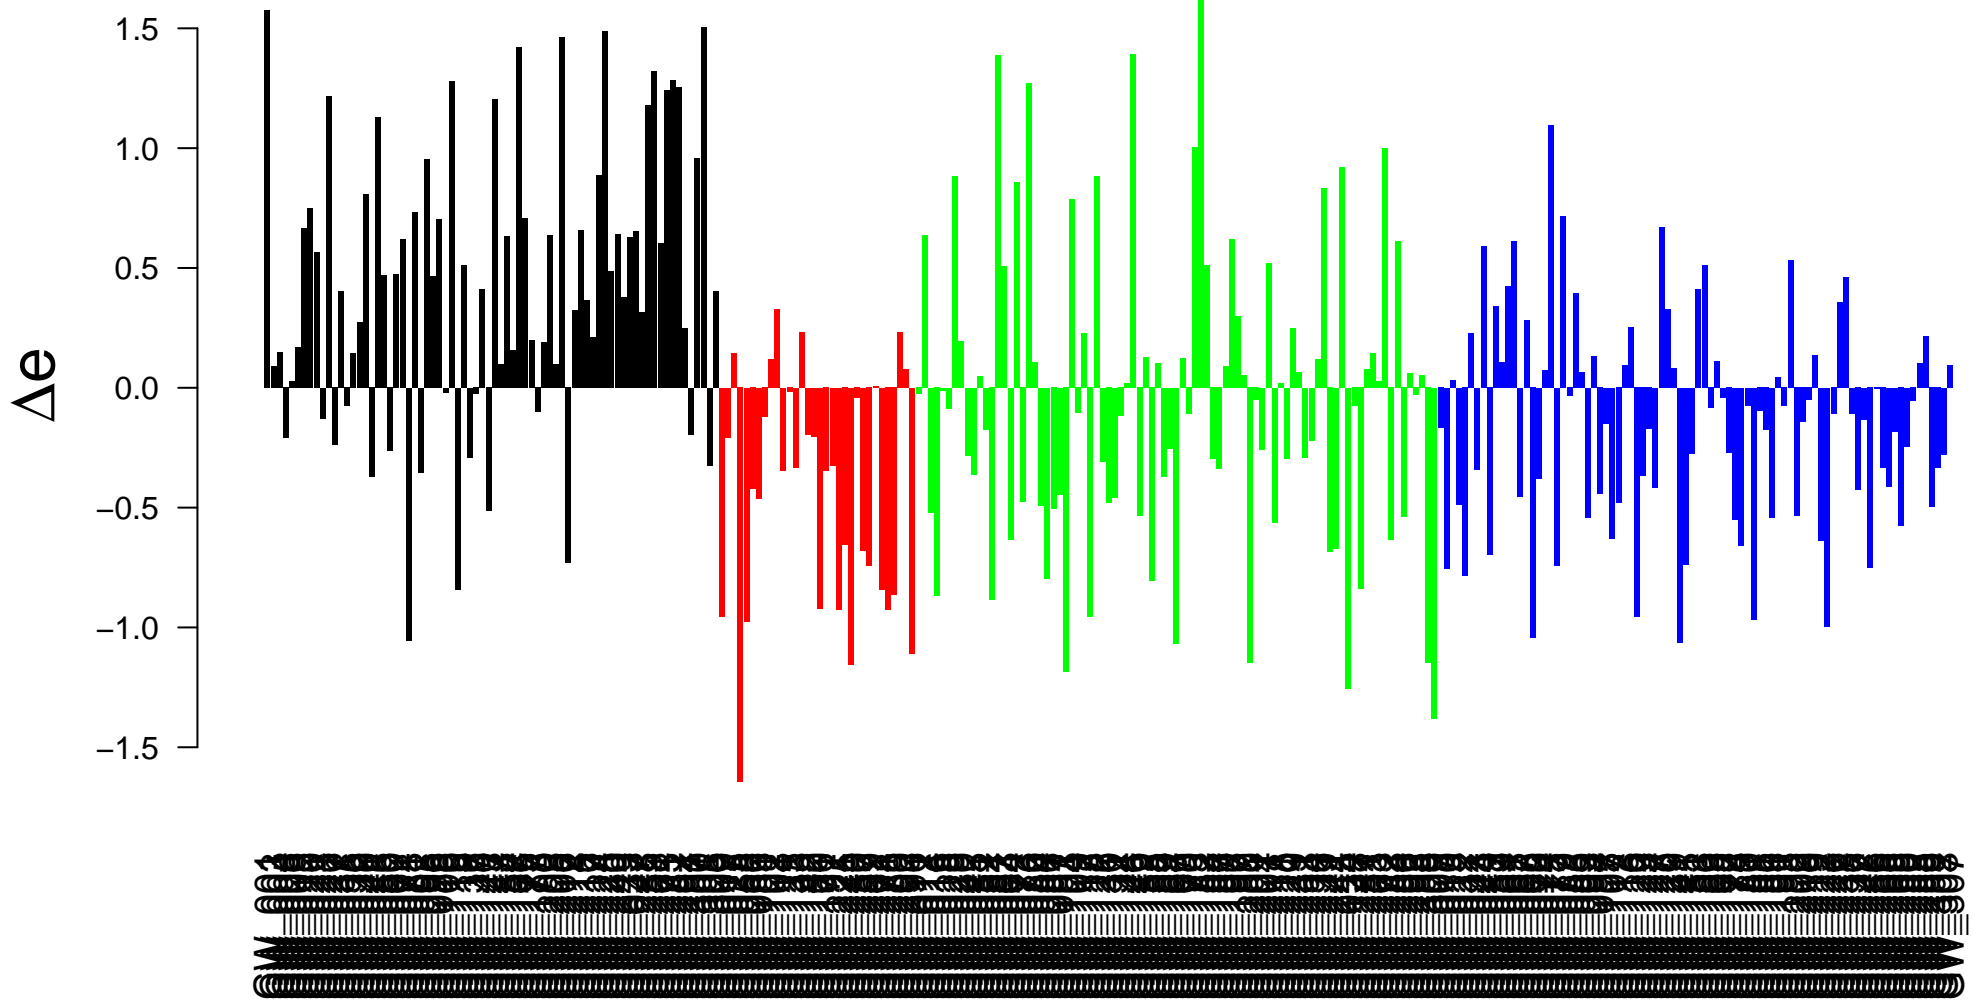

Expression of protein N-terminus binding in Spot F

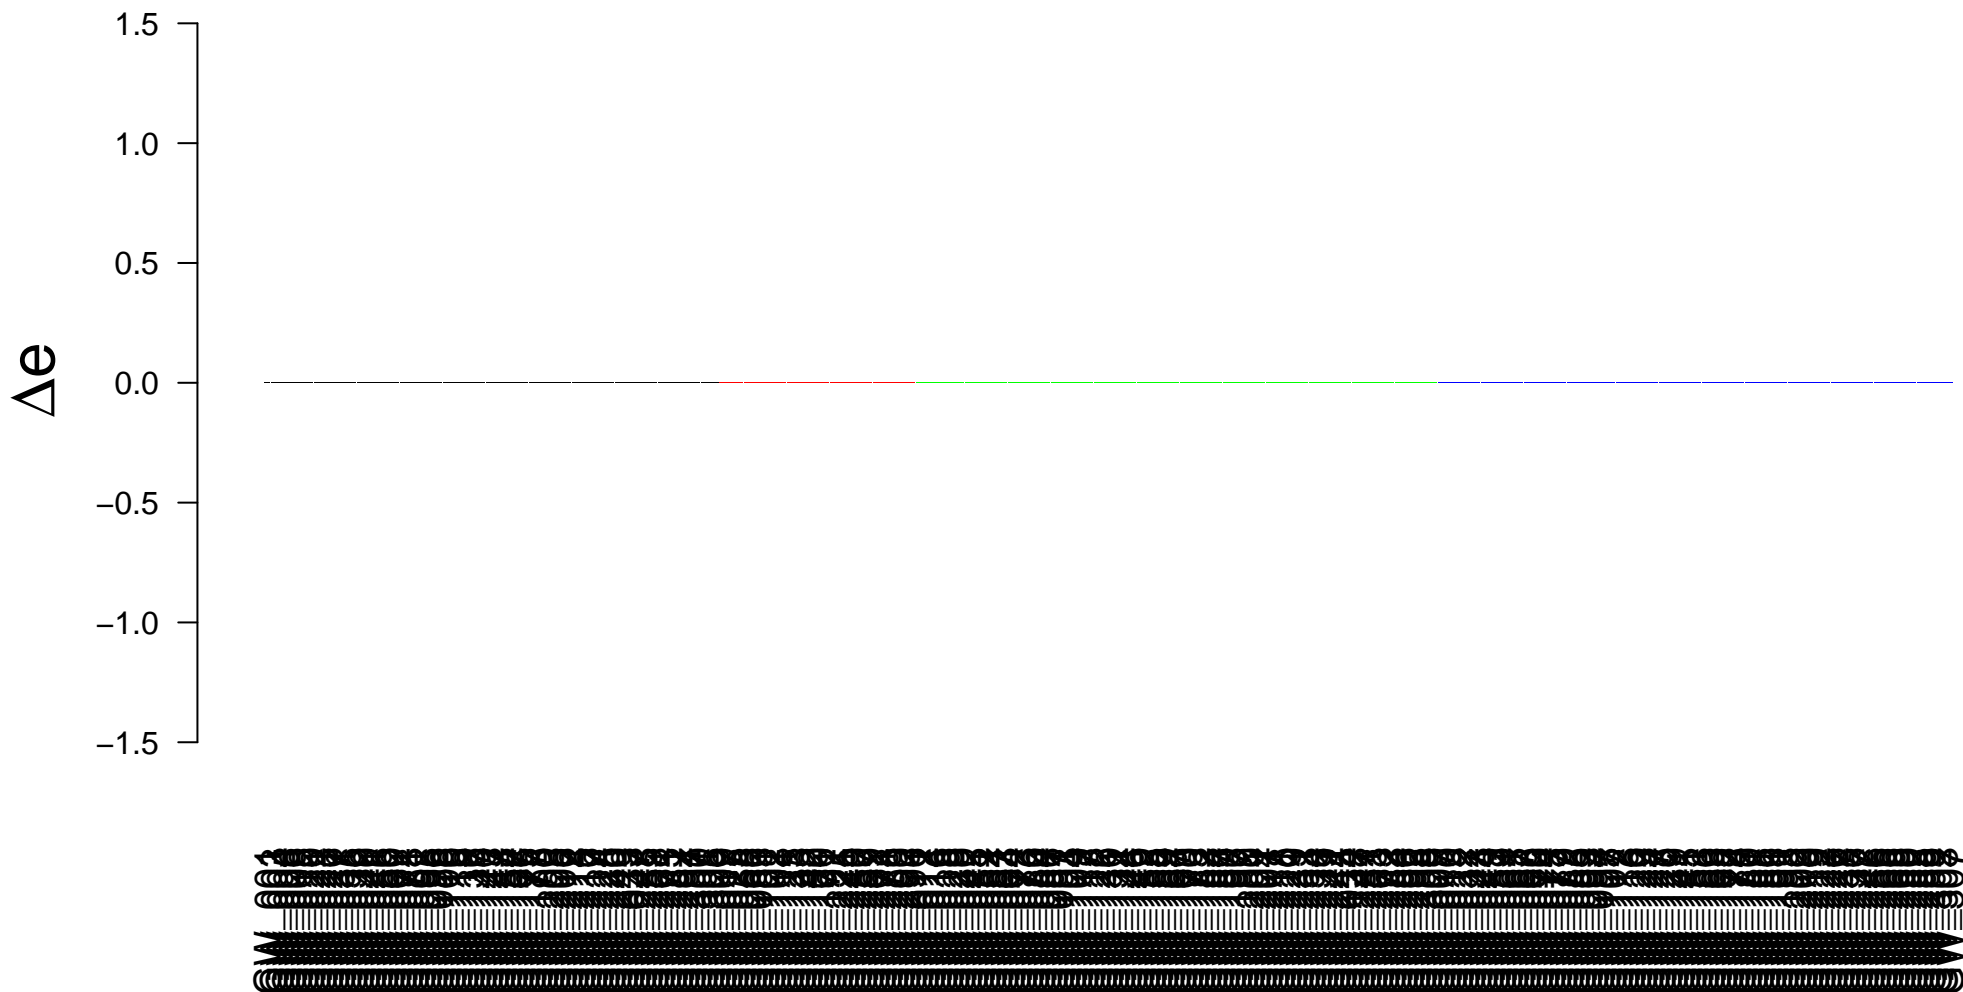

Δe

Expression of protein N-terminus binding in Spot G

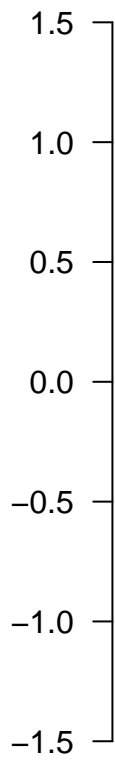

Expression of protein N-terminus binding in Spot H

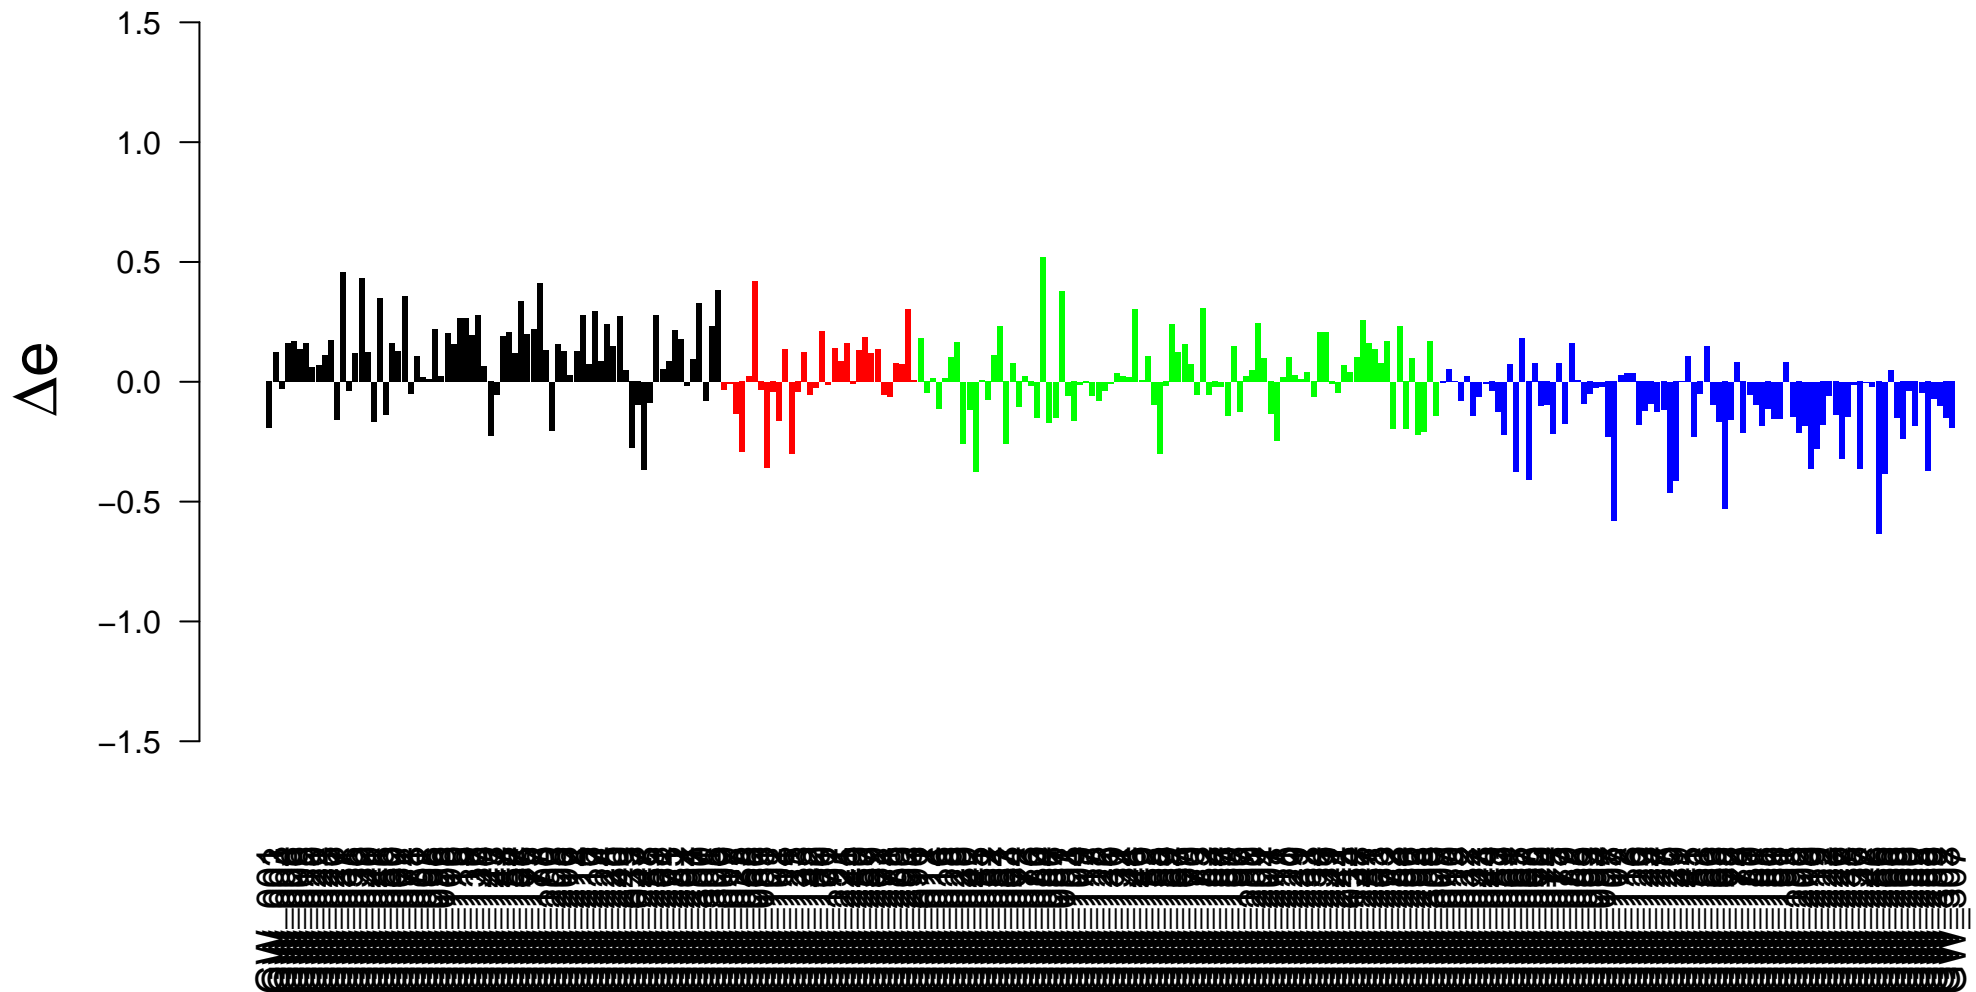

Expression of protein N-terminus binding in Spot I

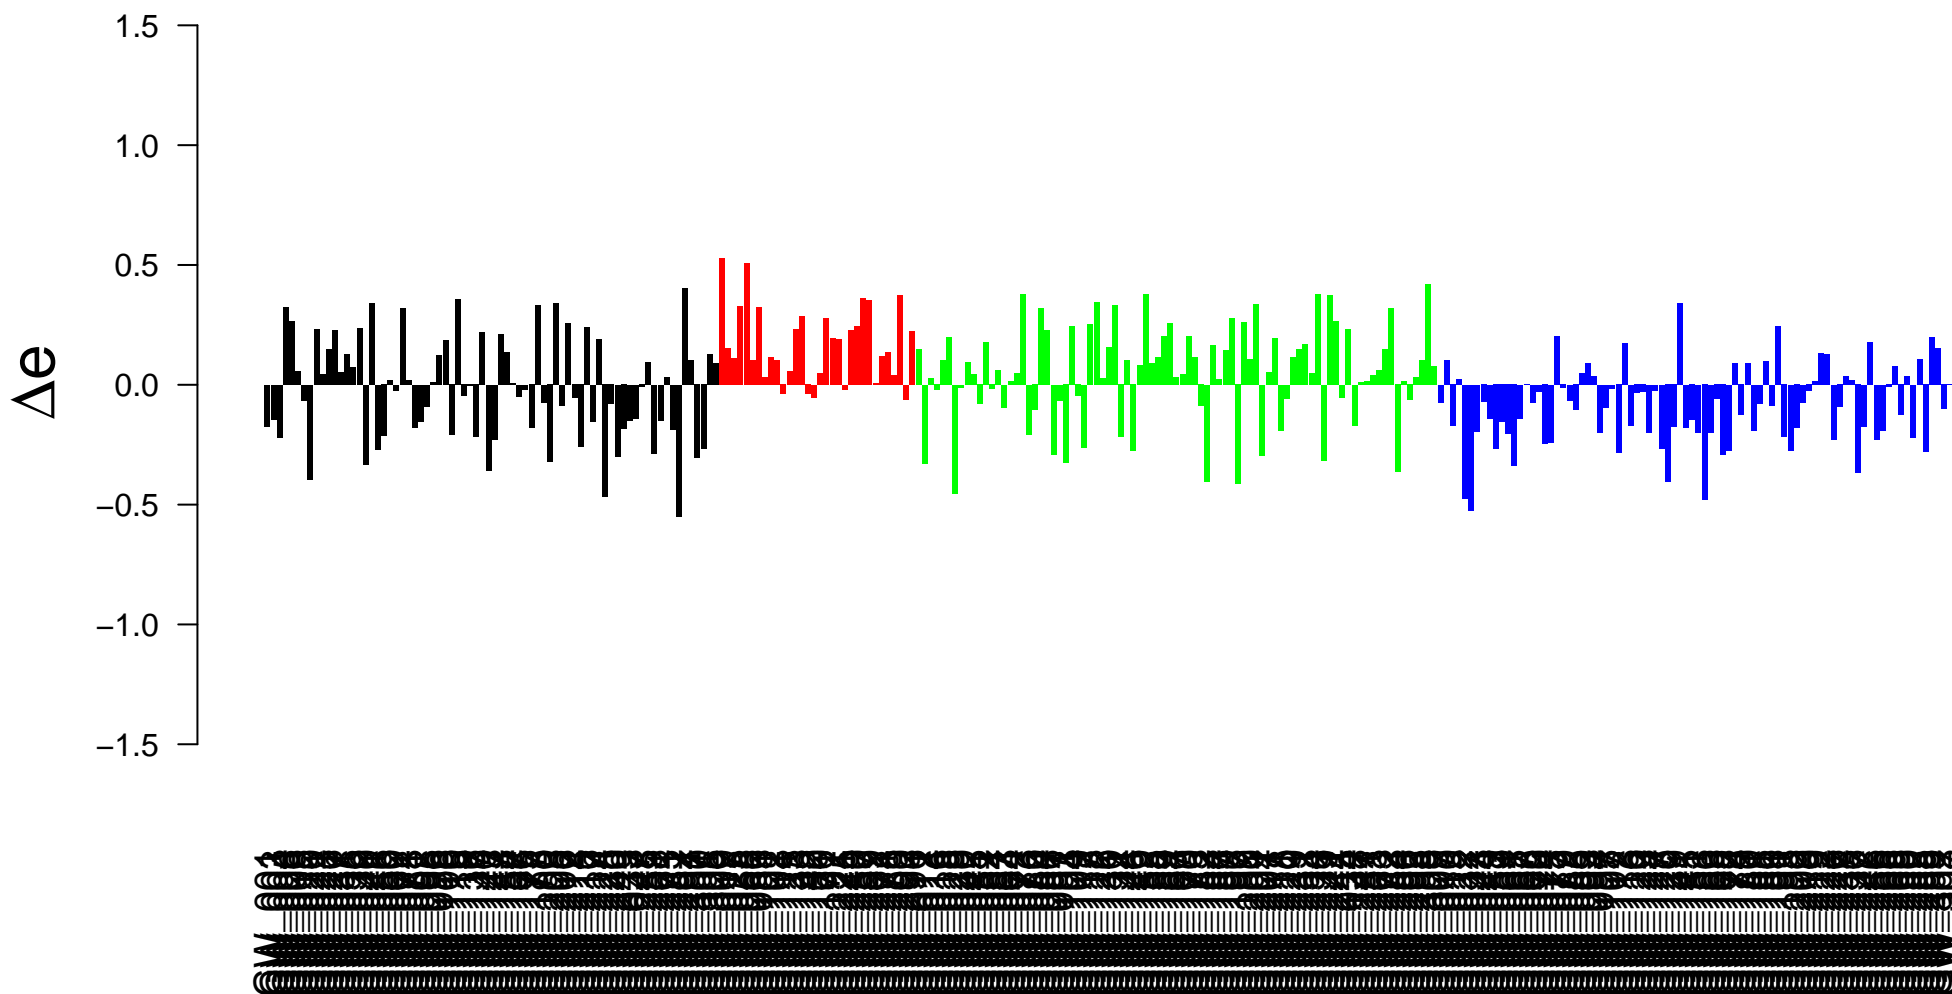

Δe

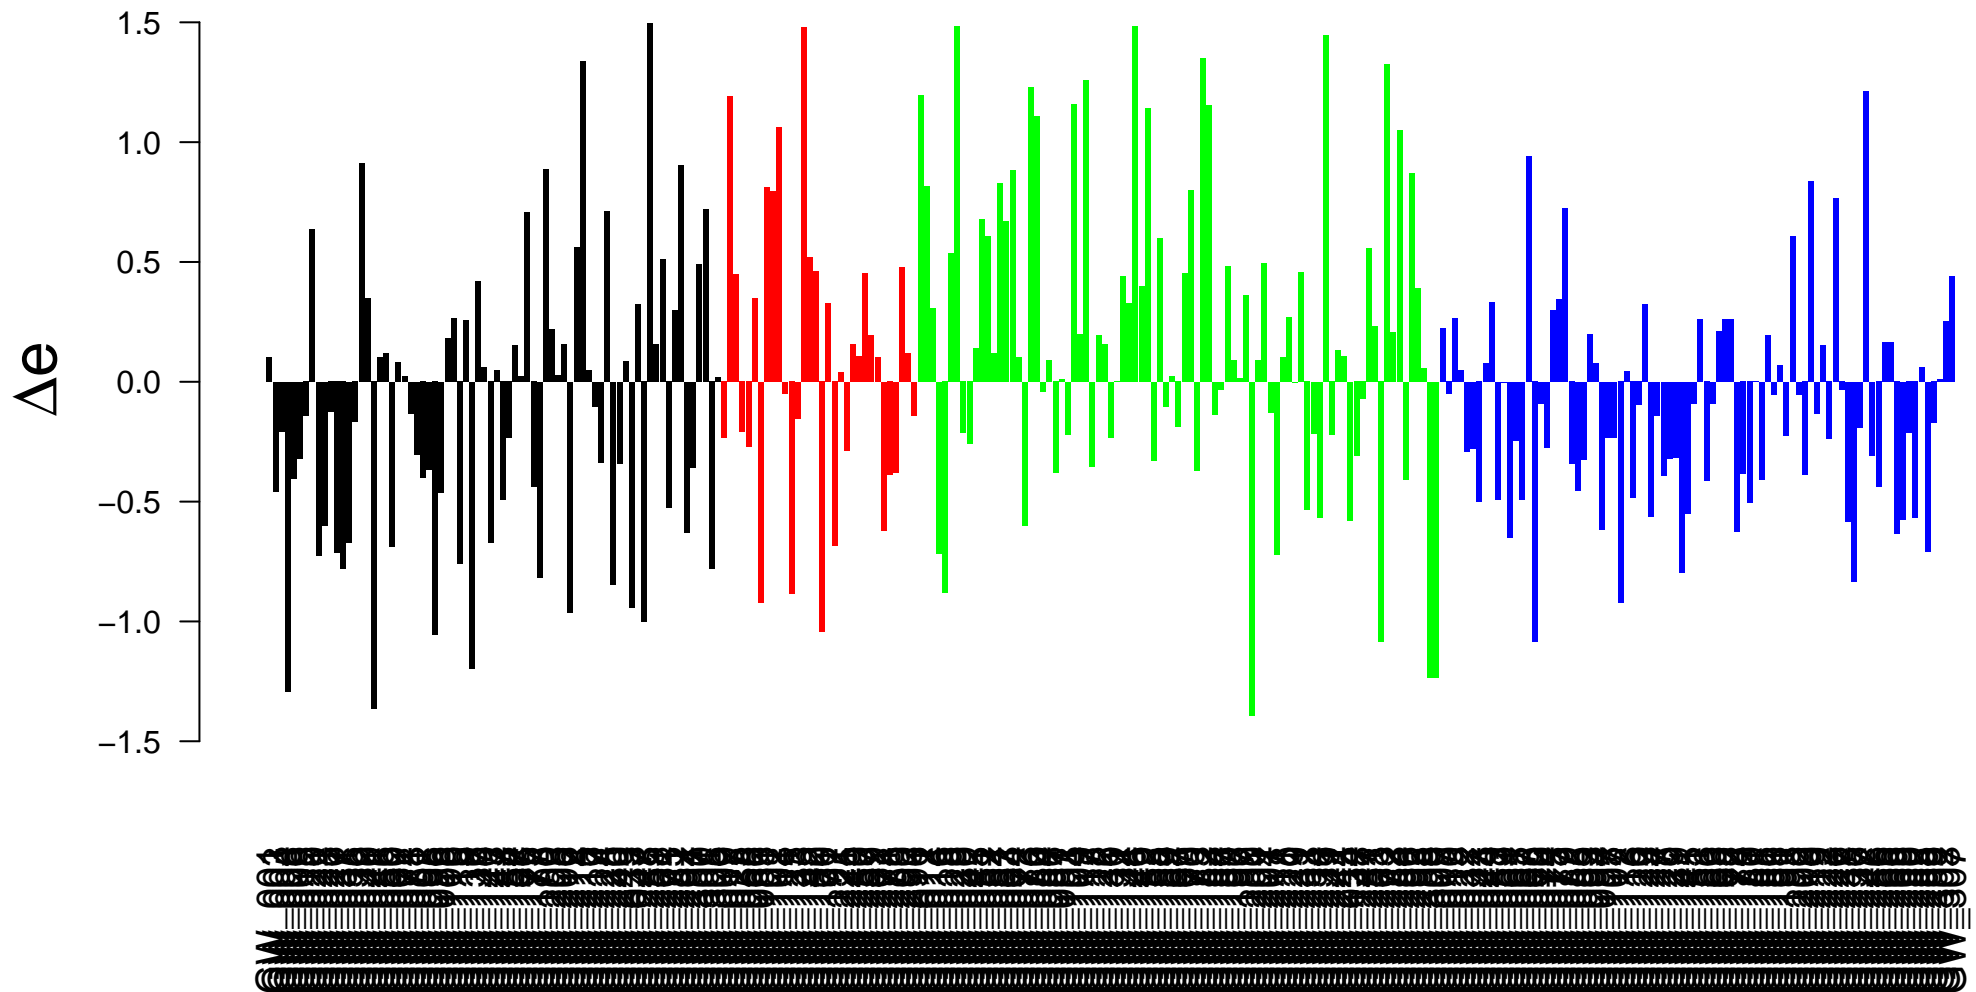

Expression of protein N-terminus binding in Spot J

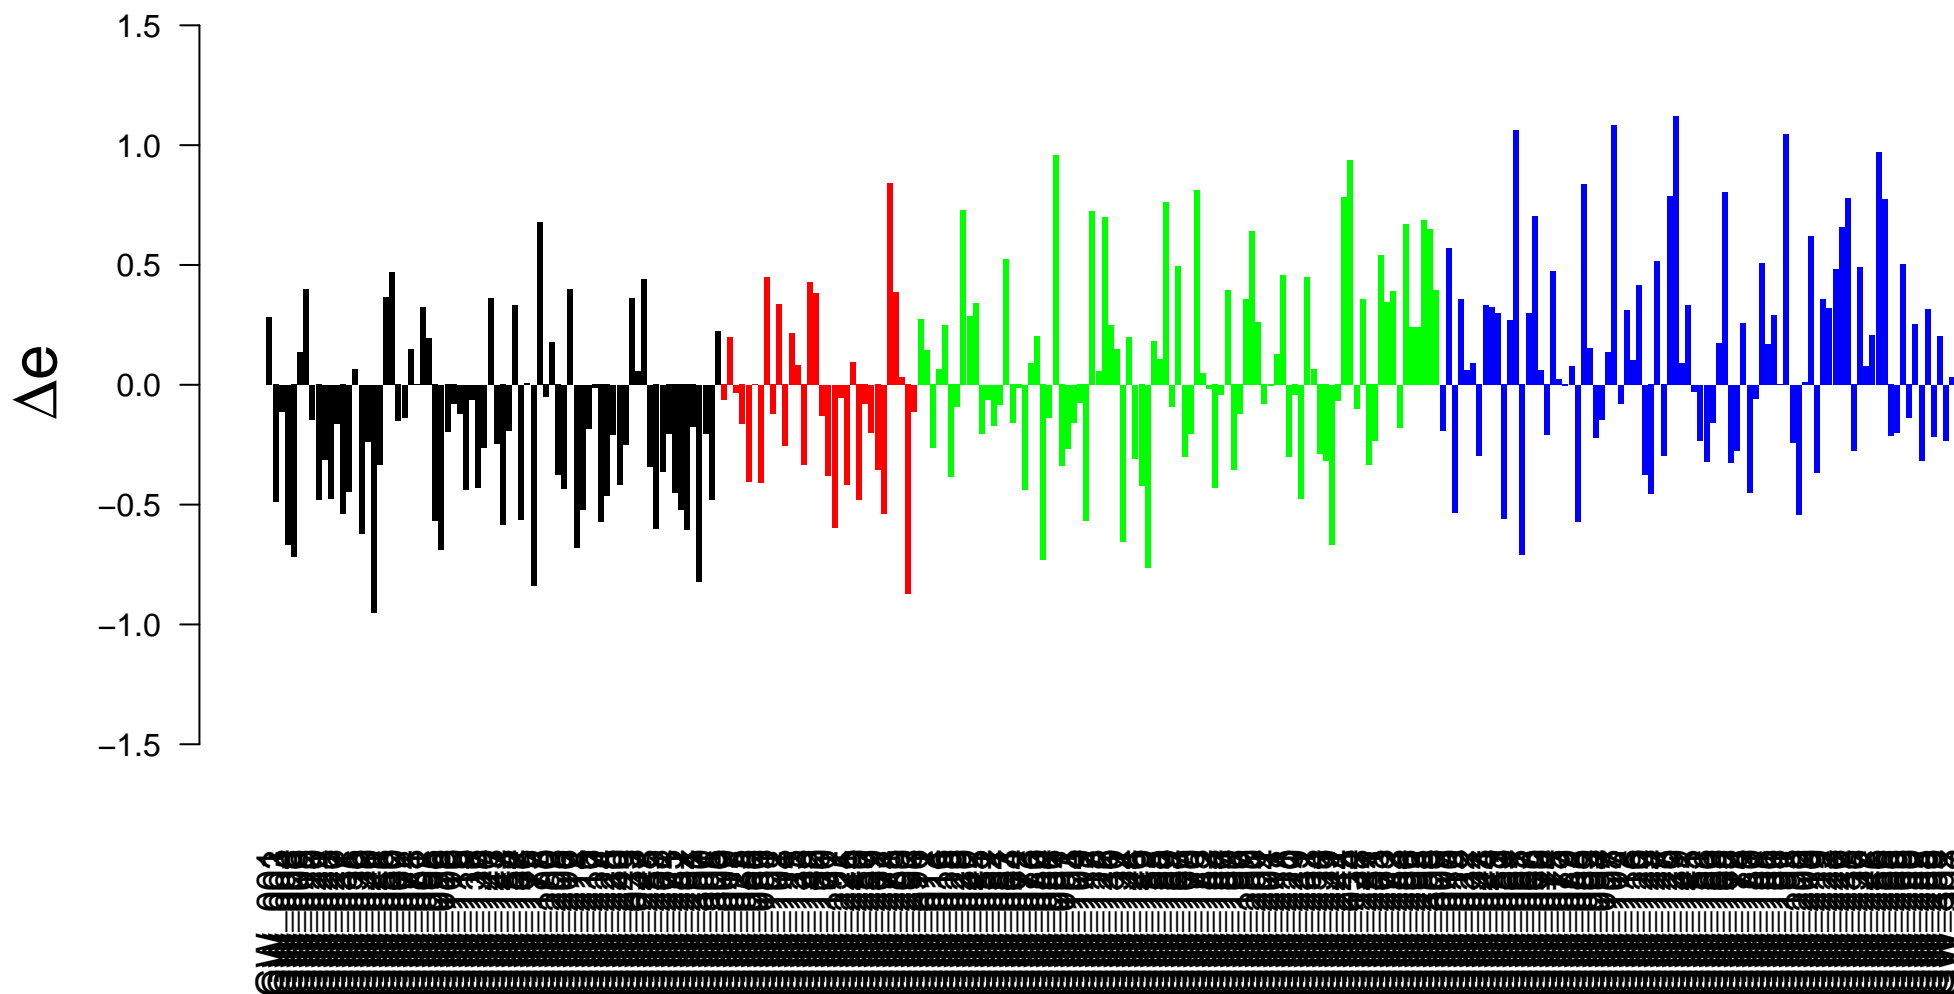

Expression of protein N-terminus binding in Spot K

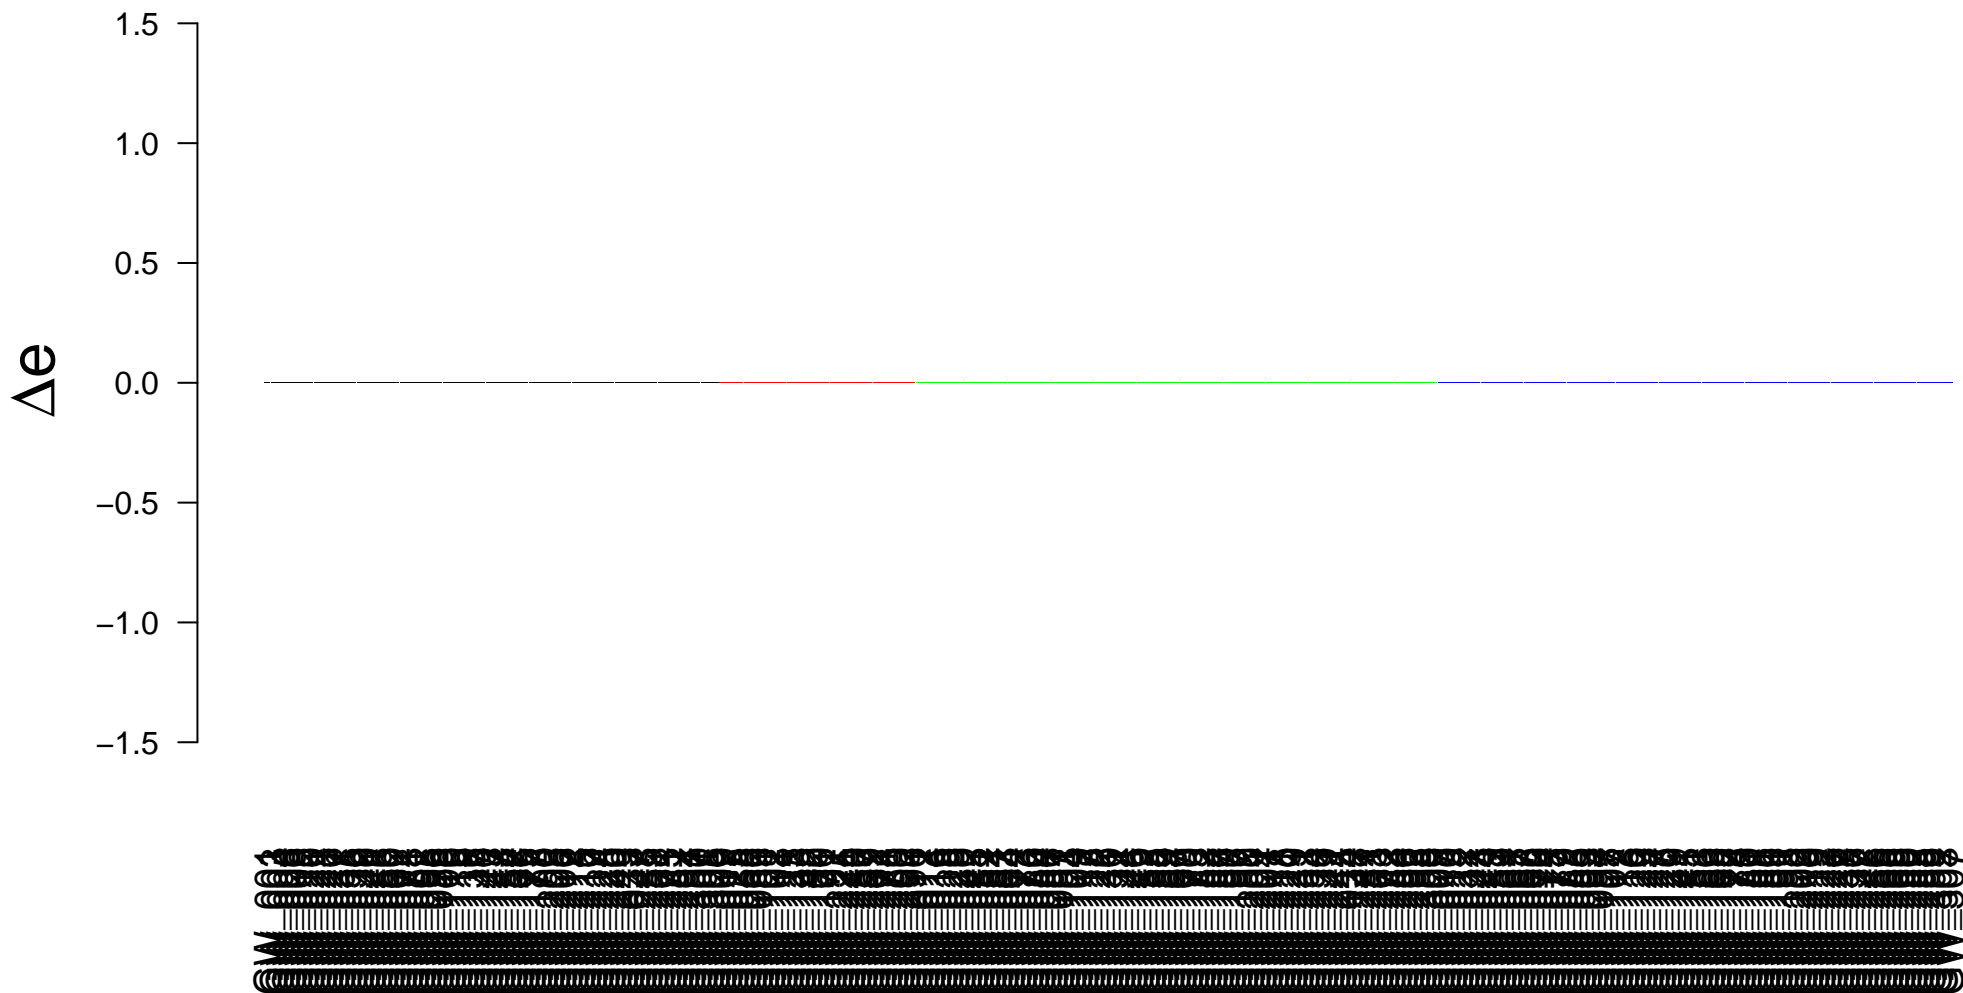

Expression of protein N-terminus binding in Spot L

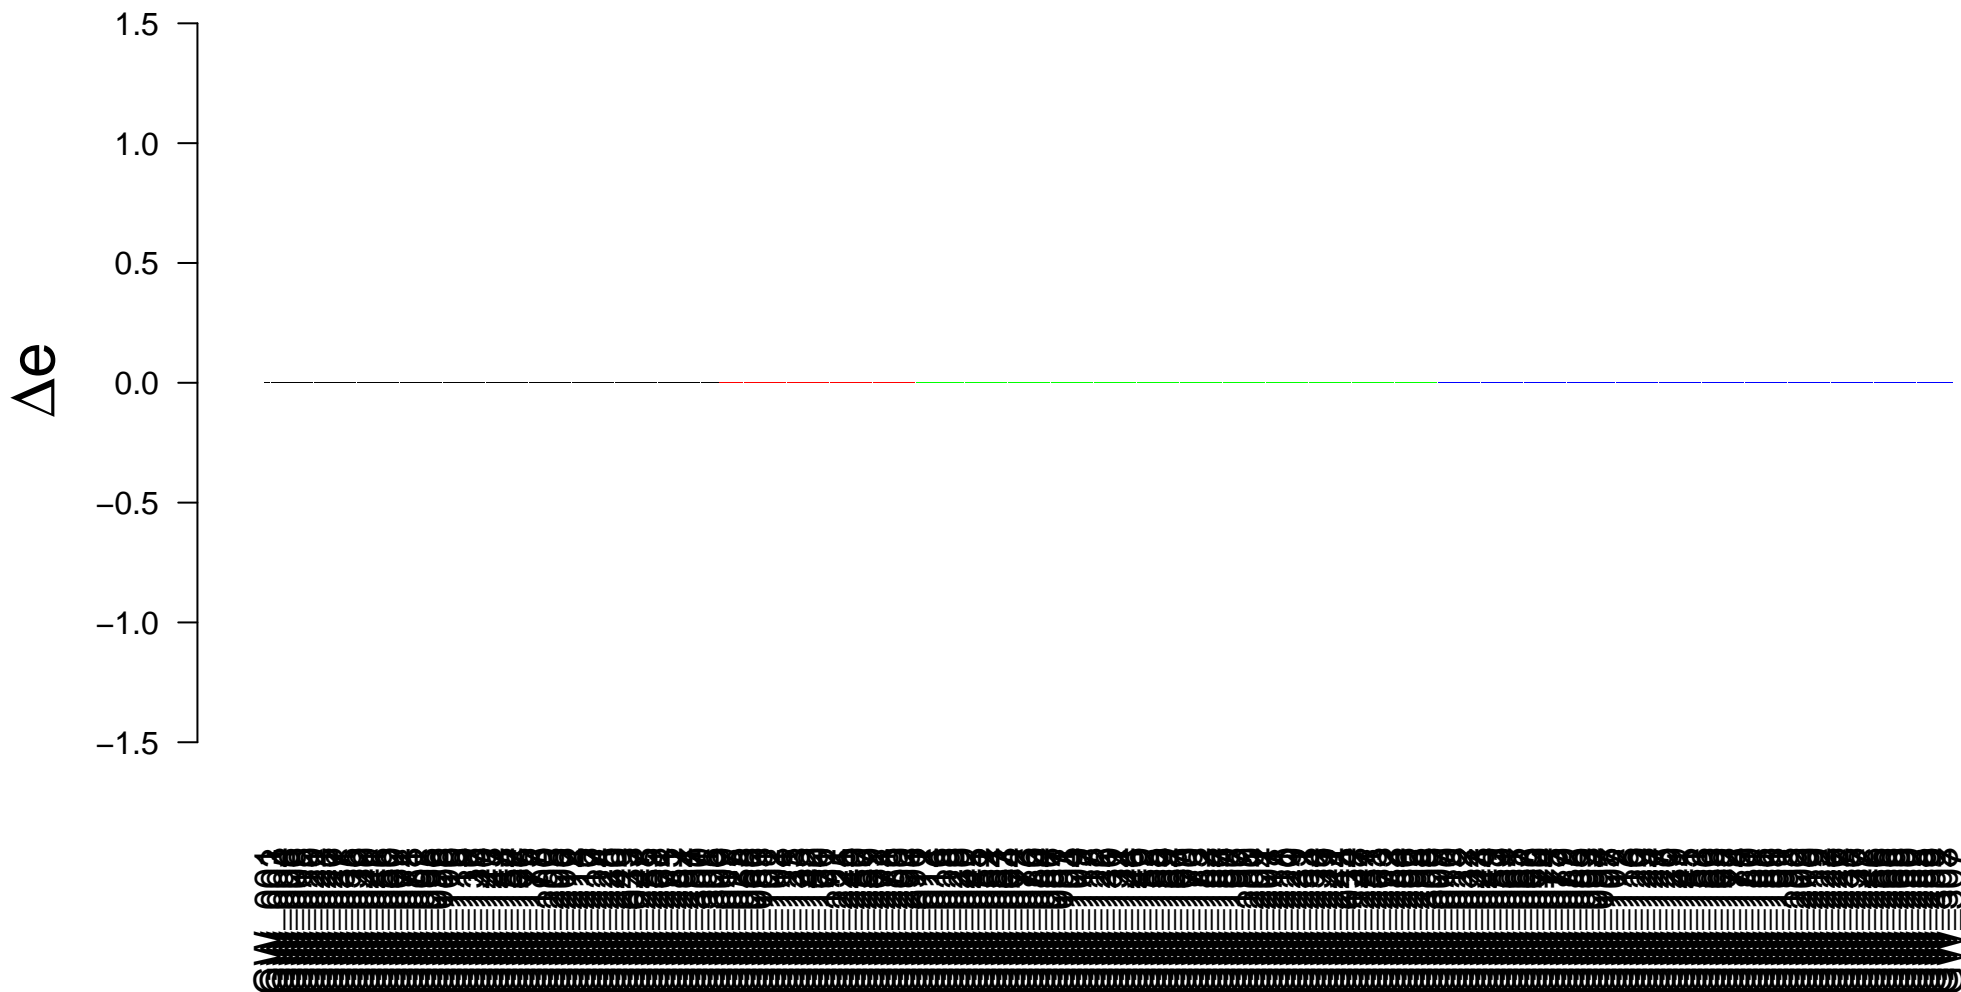

Expression of protein N-terminus binding in Spot M

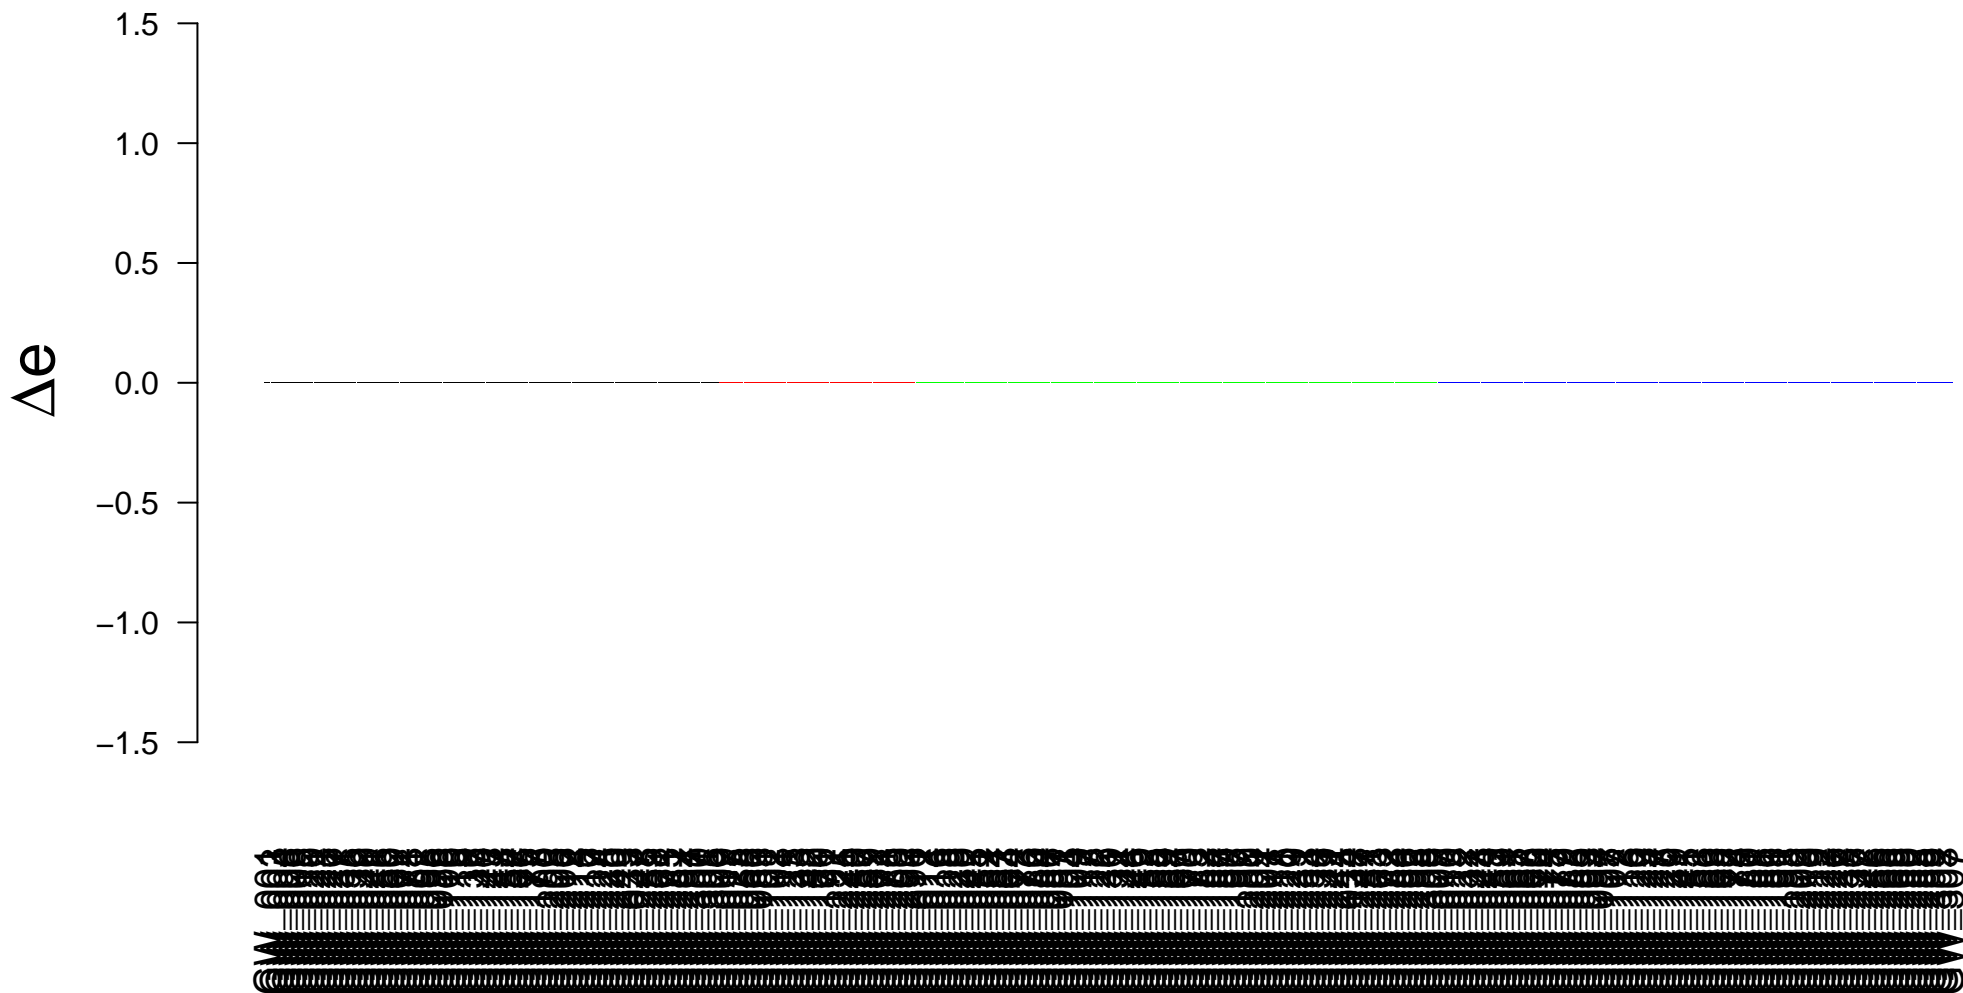

Expression of protein N-terminus binding in Spot N

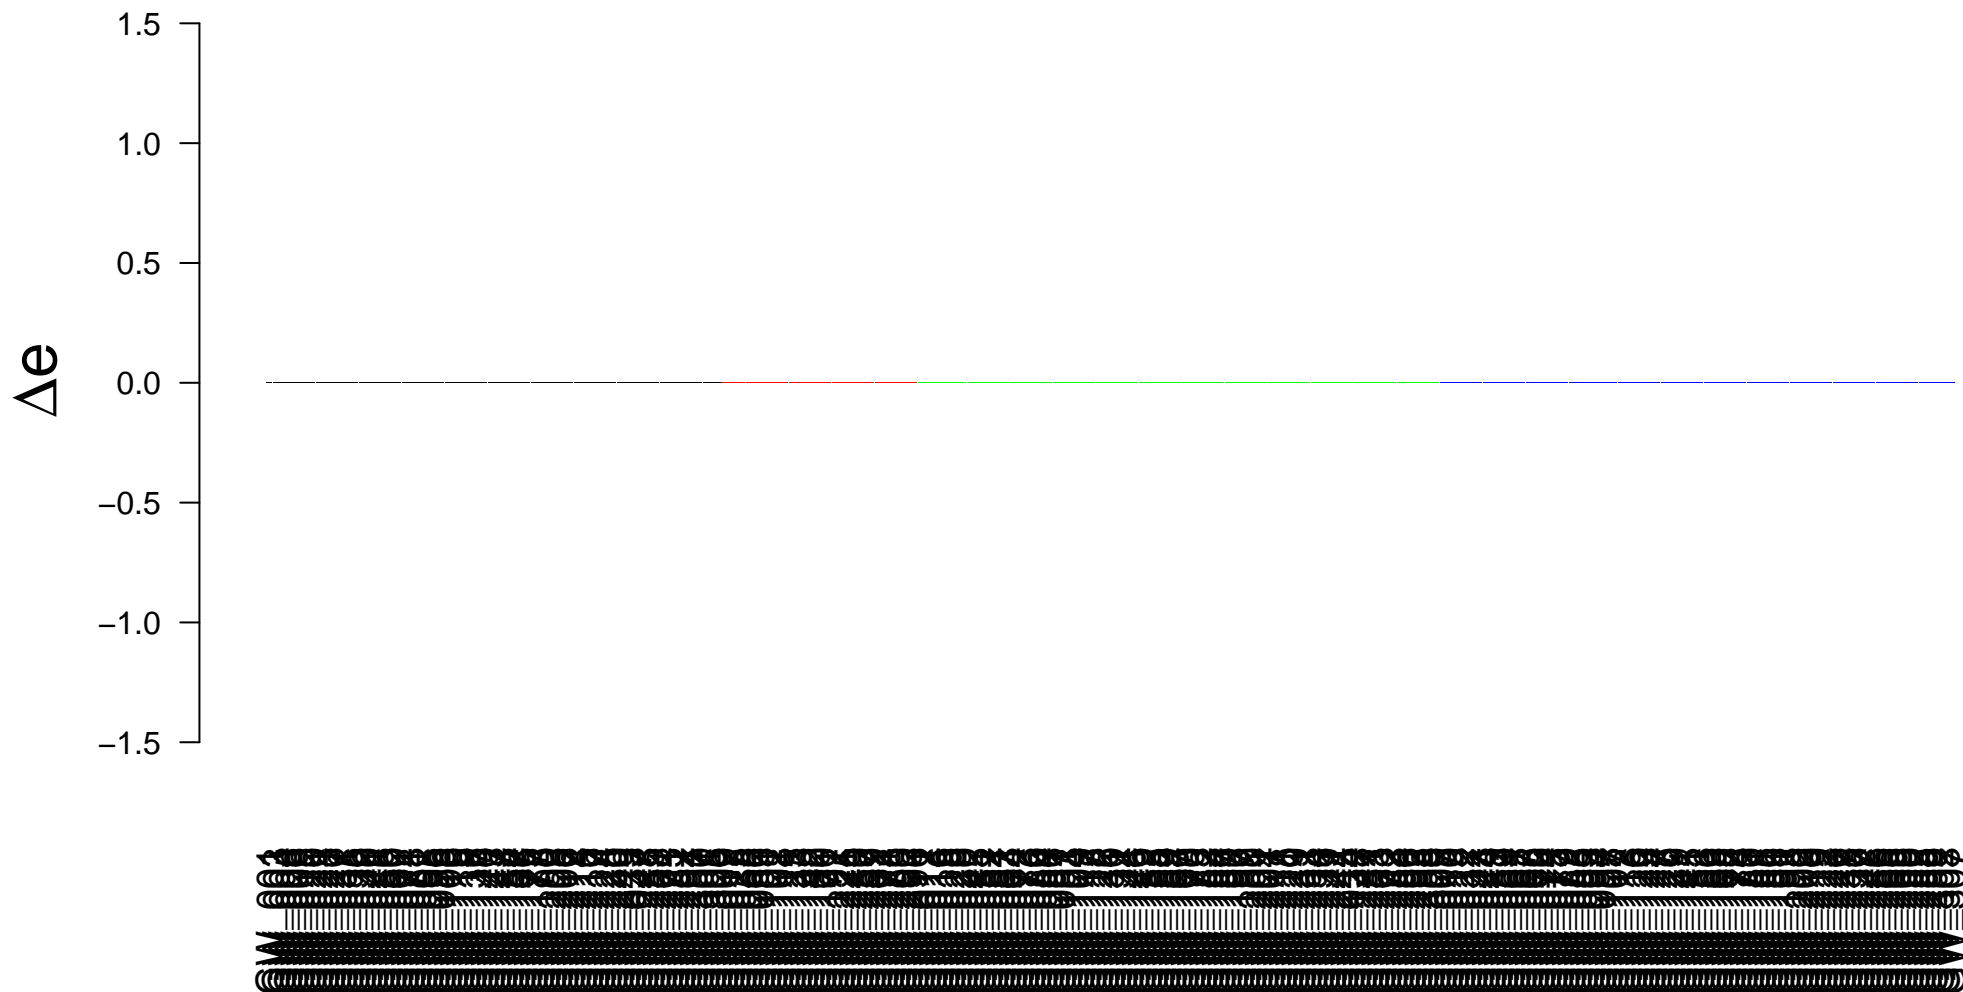

Expression of protein N-terminus binding in Spot O

Expression of protein N-terminus binding in Spot P

Expression of protein N-terminus binding in Spot Q

Expression of protein N-terminus binding in Spot R
