

protein autophosphorylation

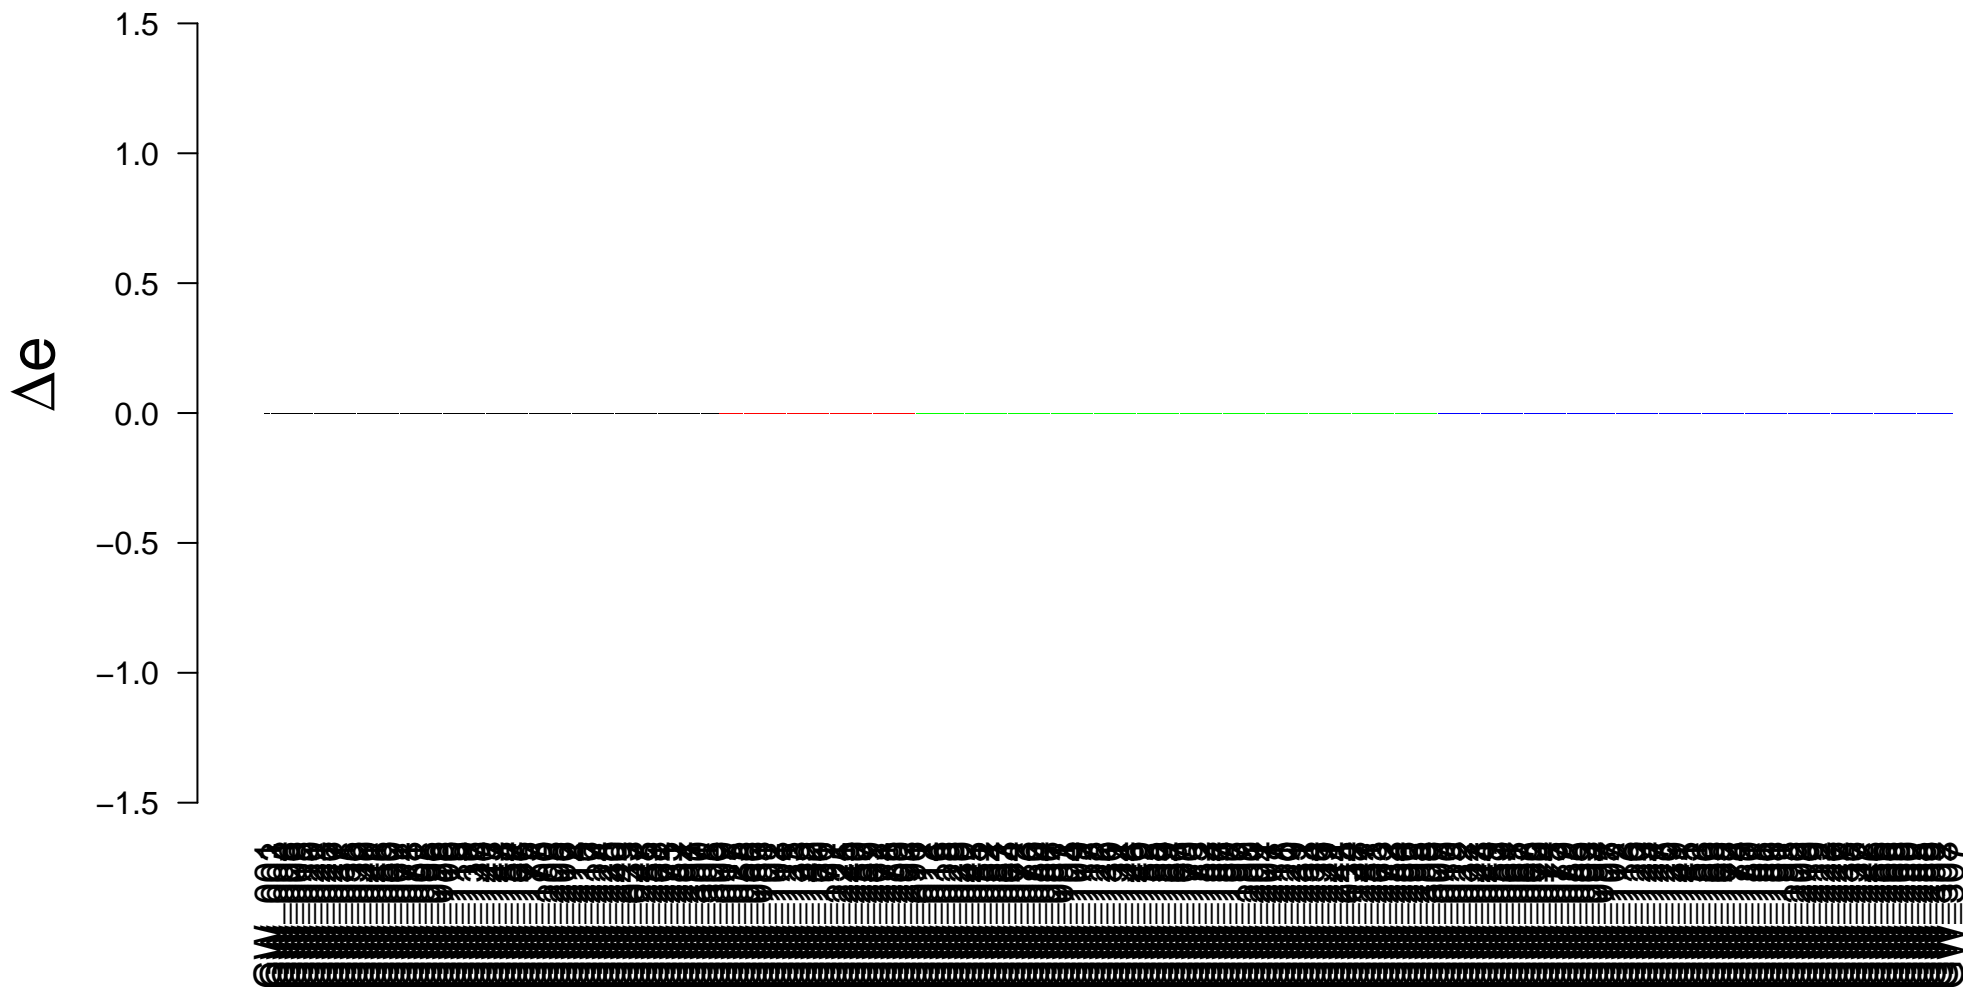

protein autophosphorylation

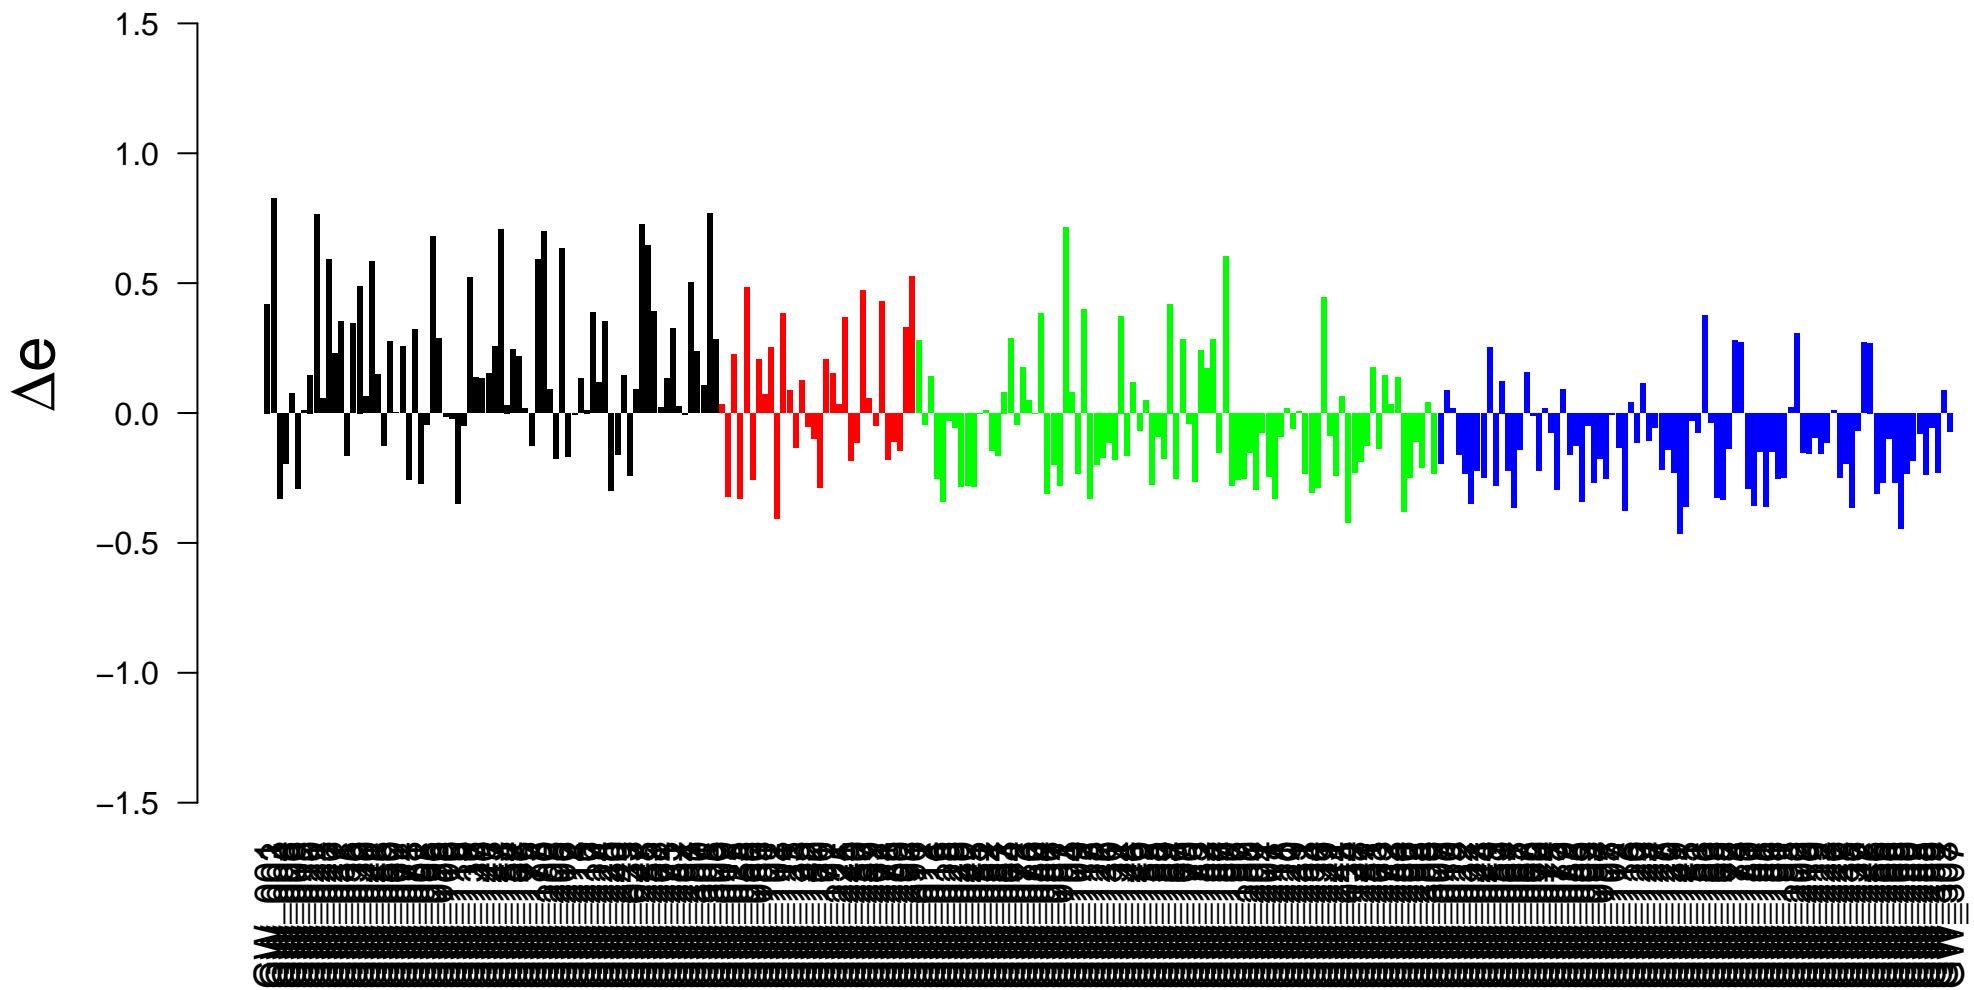

Enrichment in spots: protein autophosphorylation

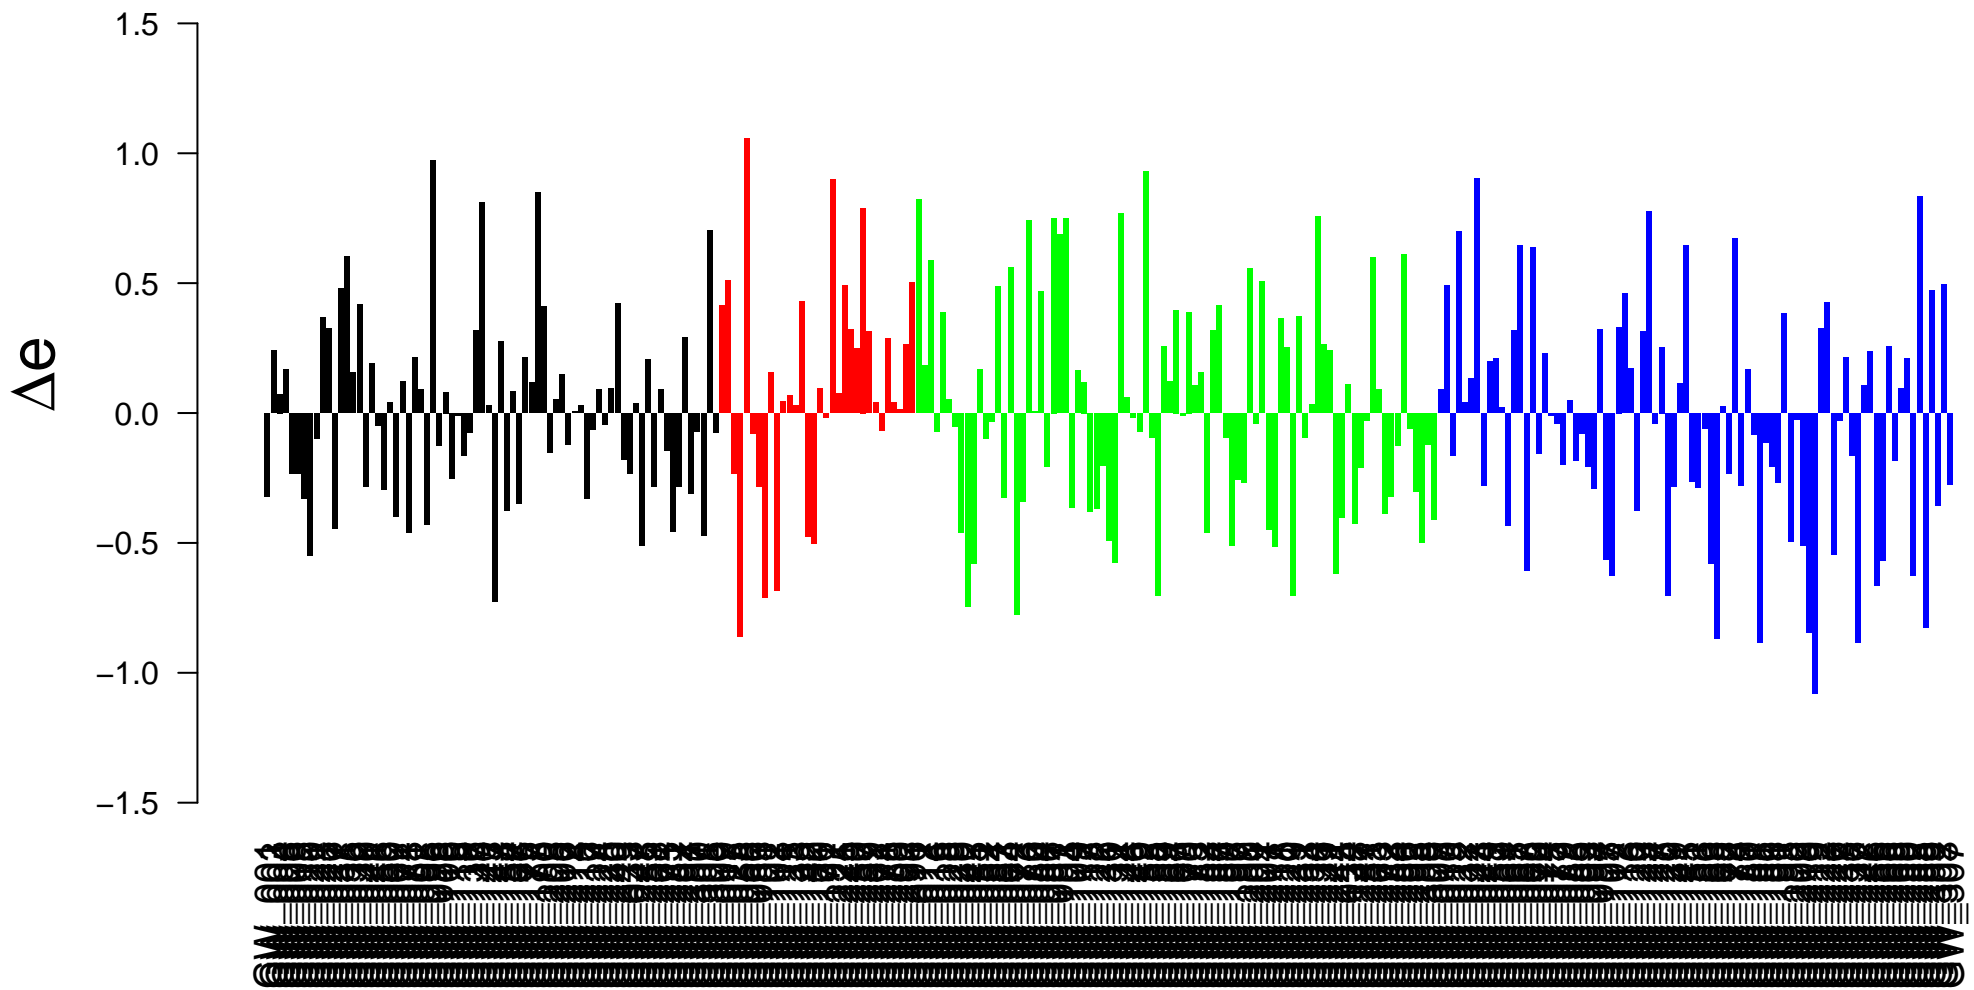

Expression of protein autophosphorylation in Spot A

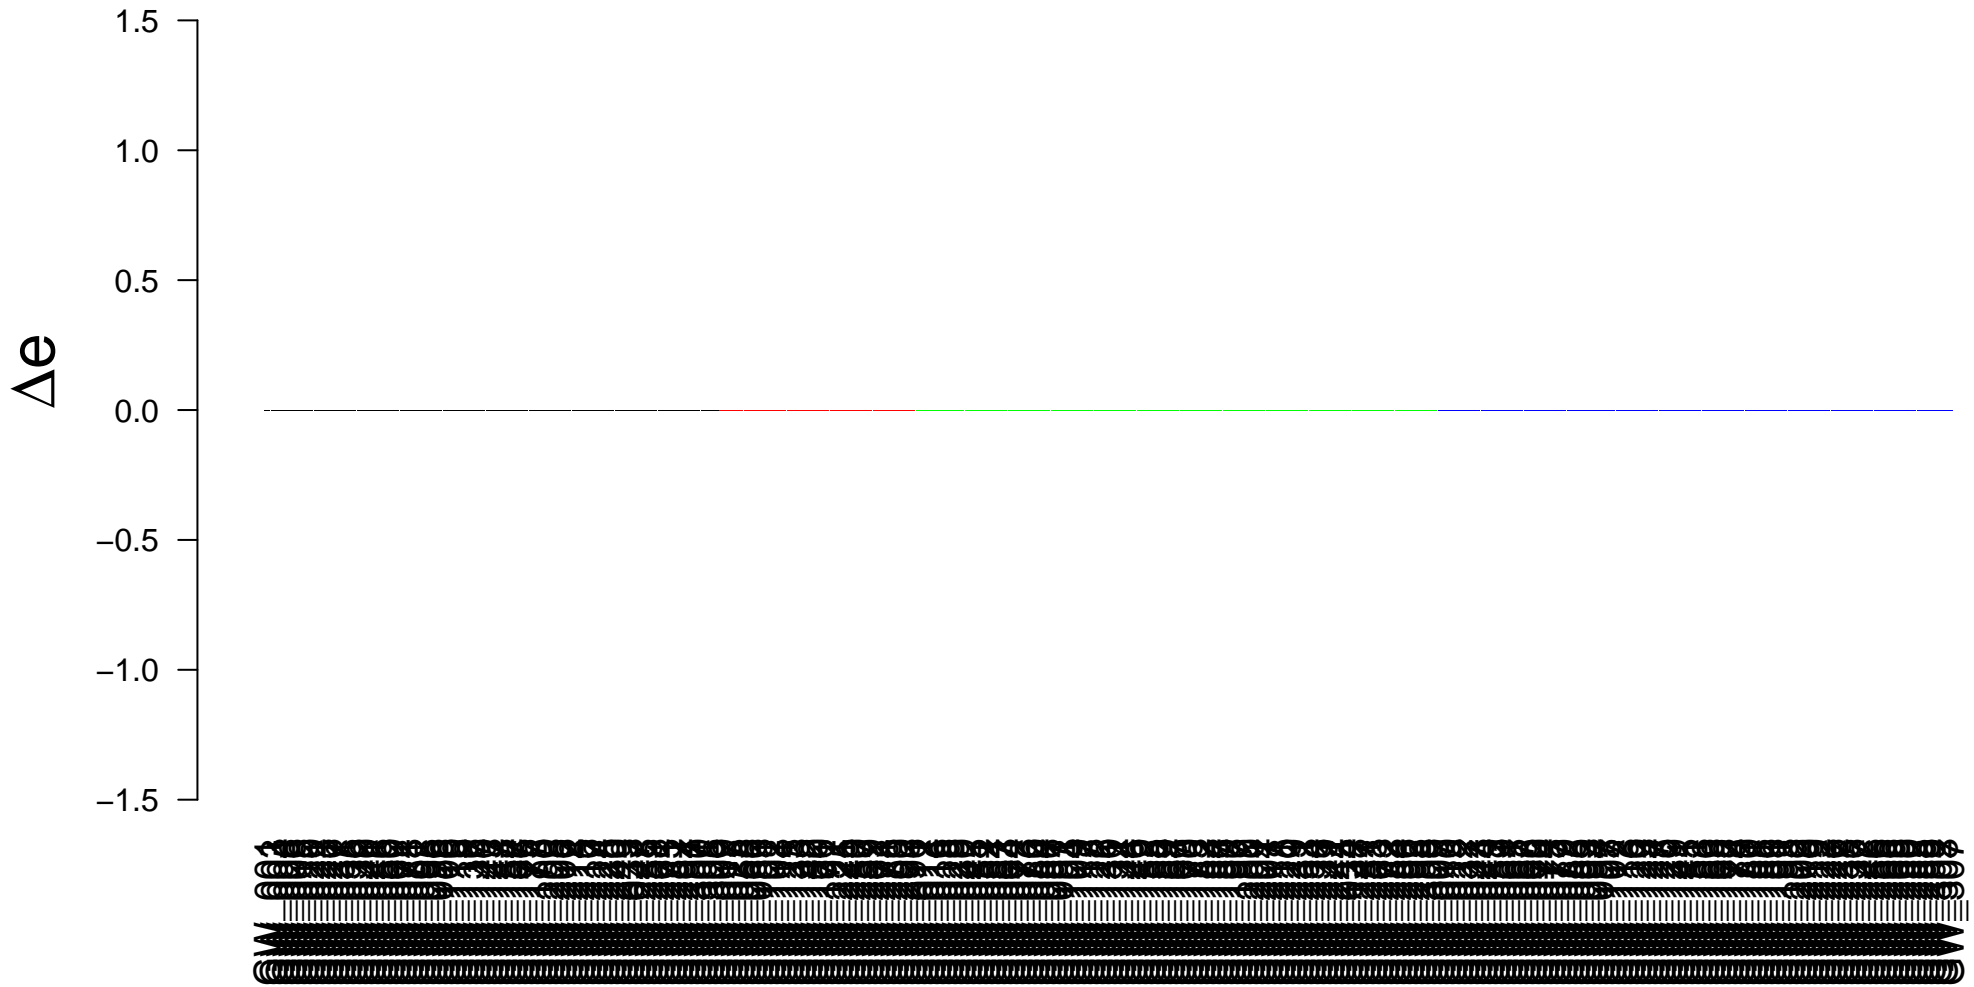

Expression of protein autophosphorylation in Spot B

Expression of protein autophosphorylation in Spot C

Expression of protein autophosphorylation in Spot D

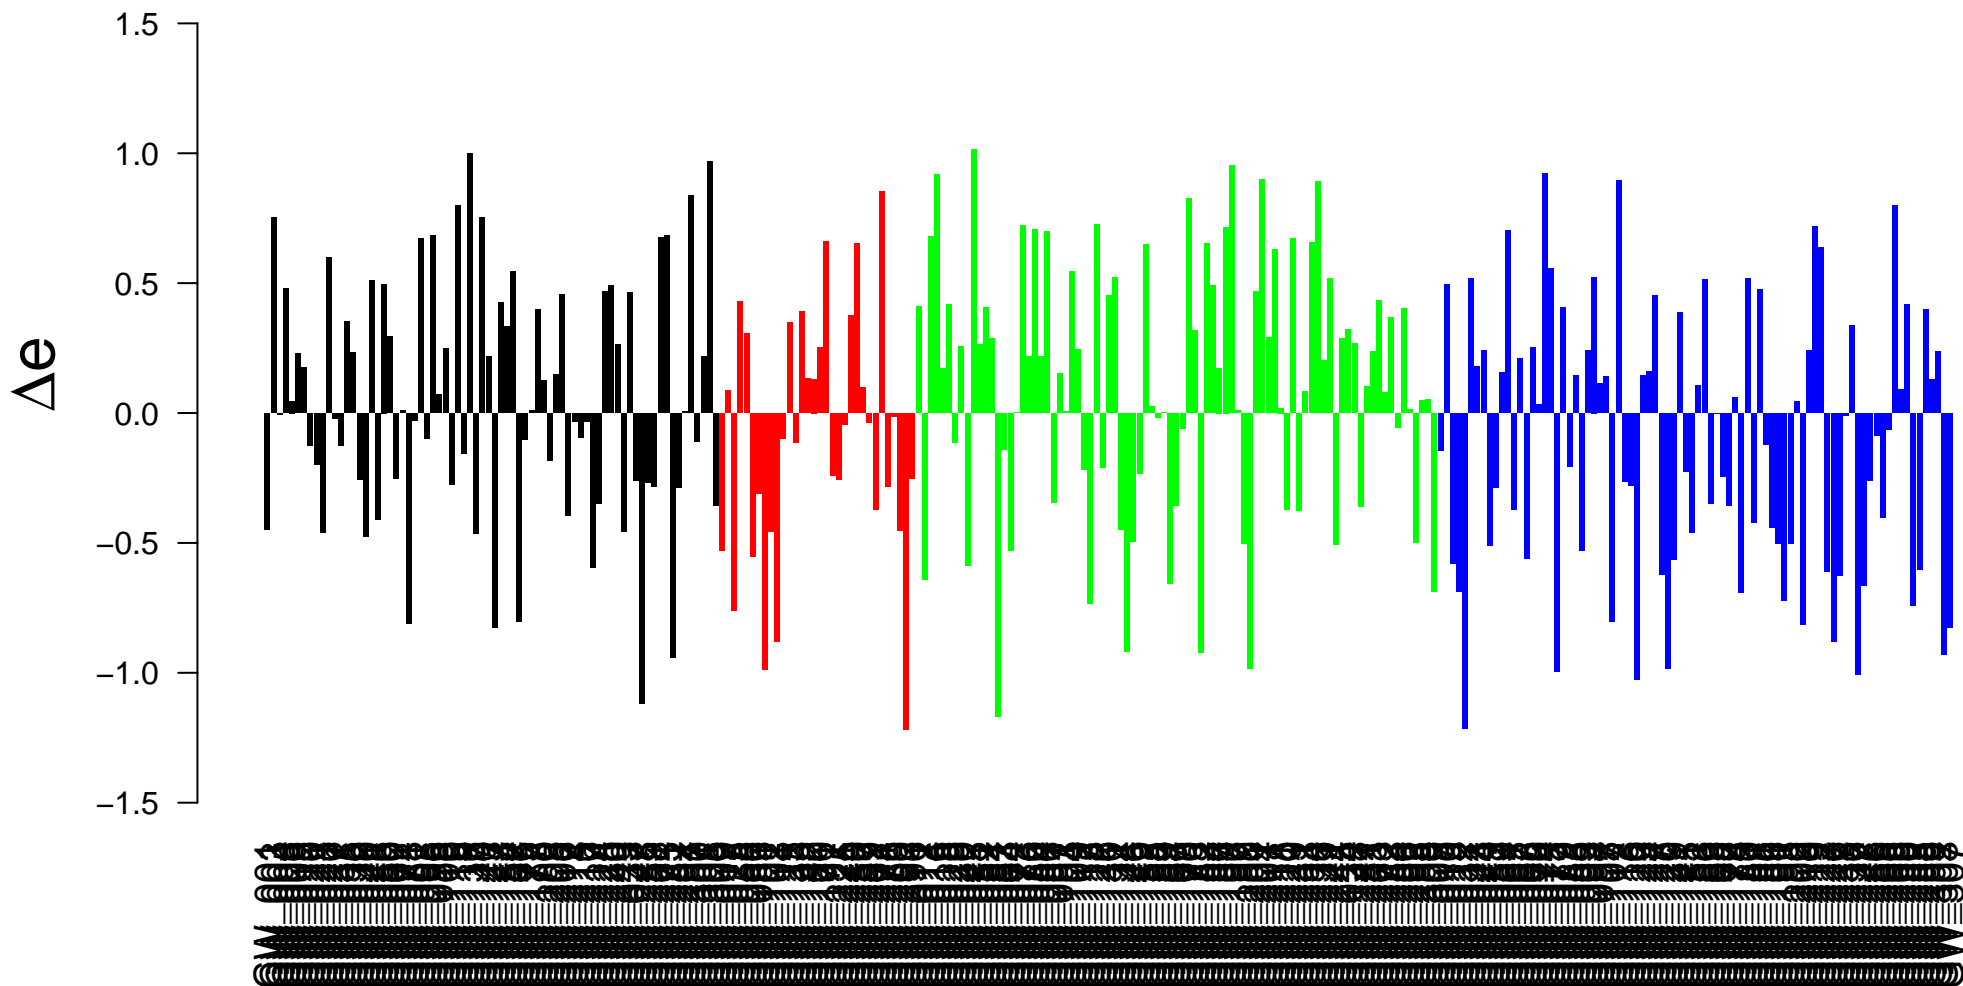

Expression of protein autophosphorylation in Spot E

Expression of protein autophosphorylation in Spot K

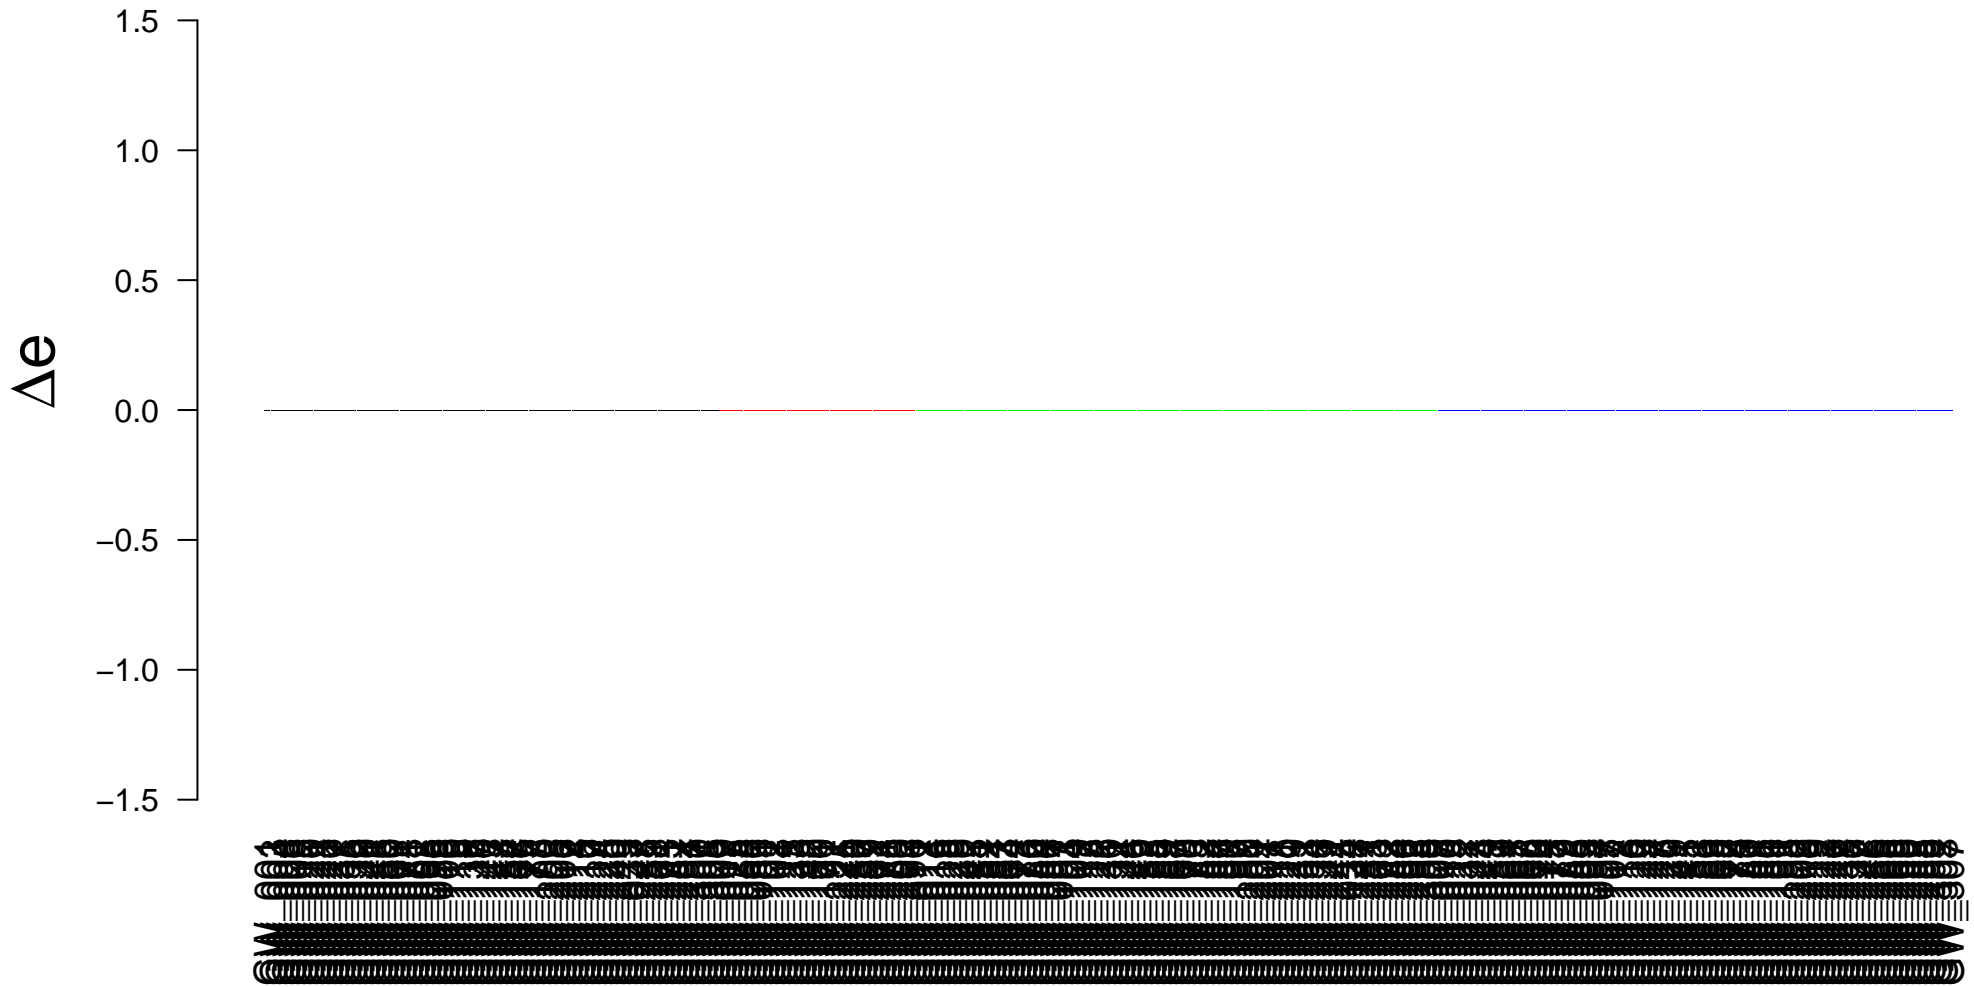

Expression of protein autophosphorylation in Spot L

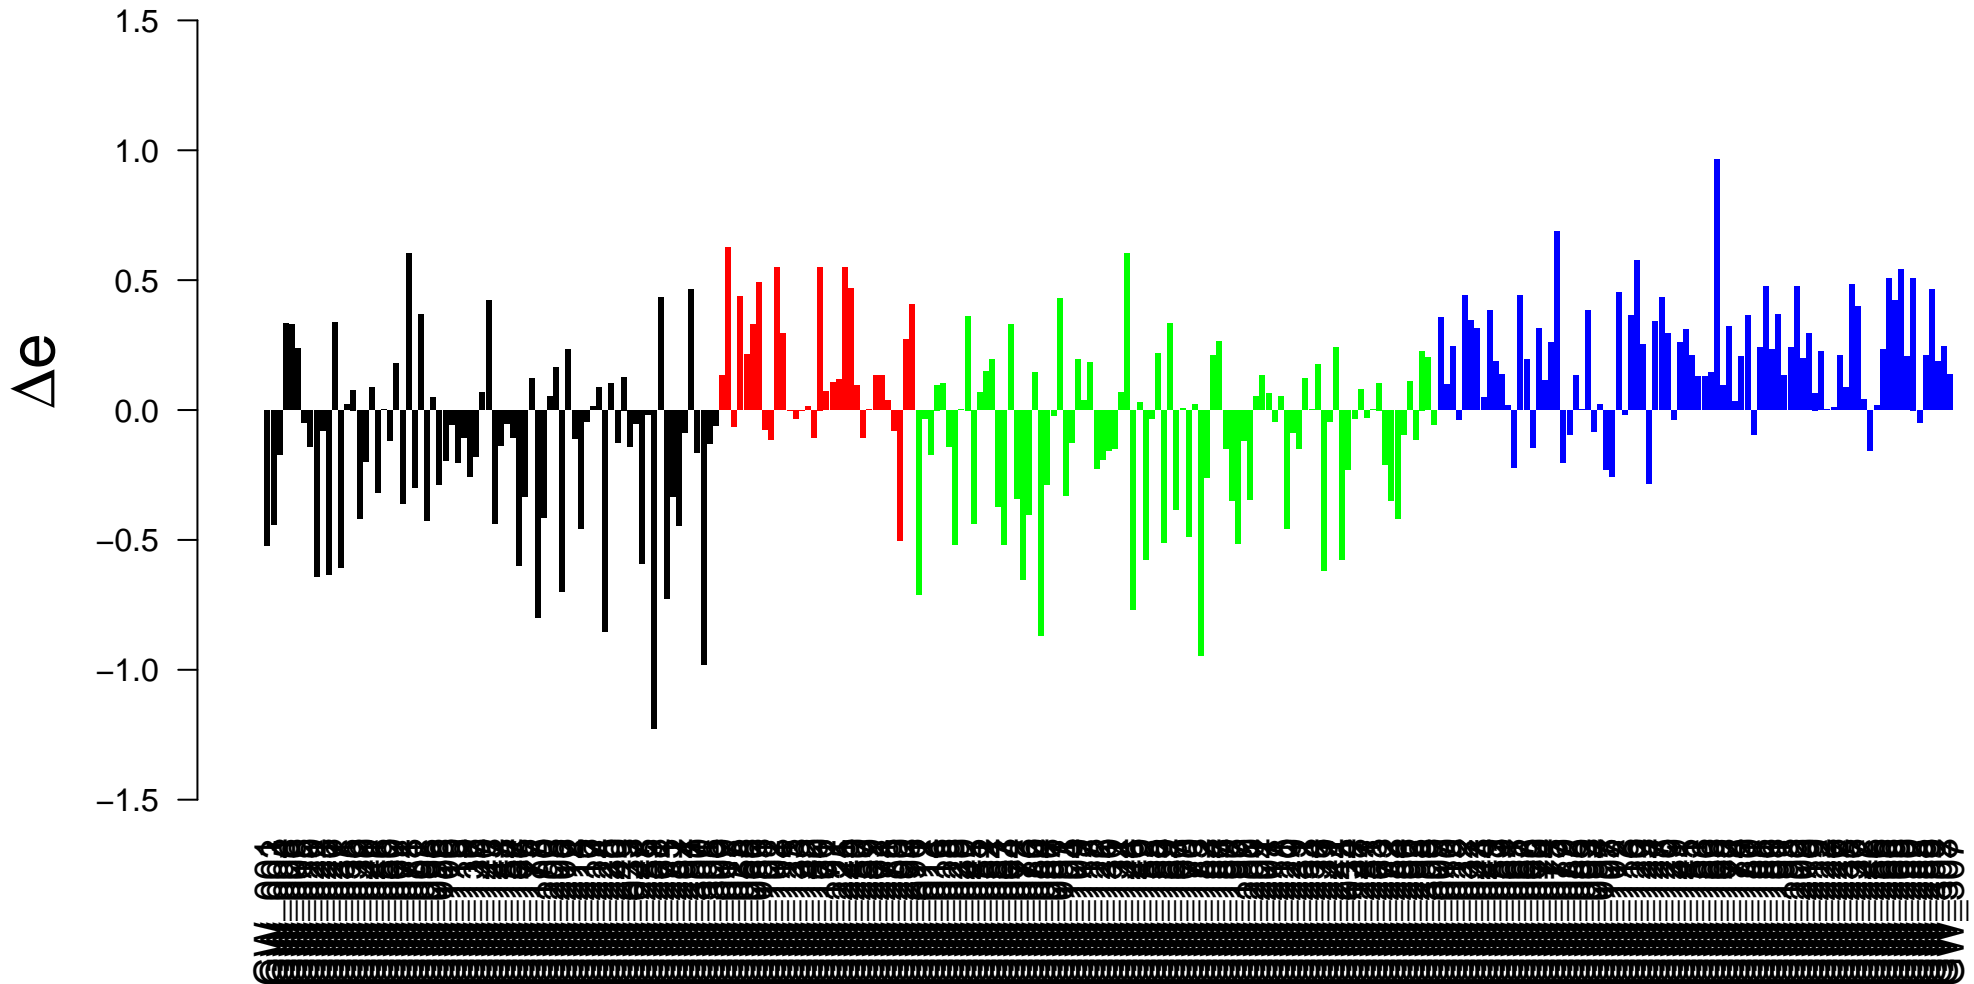

Expression of protein autophosphorylation in Spot M

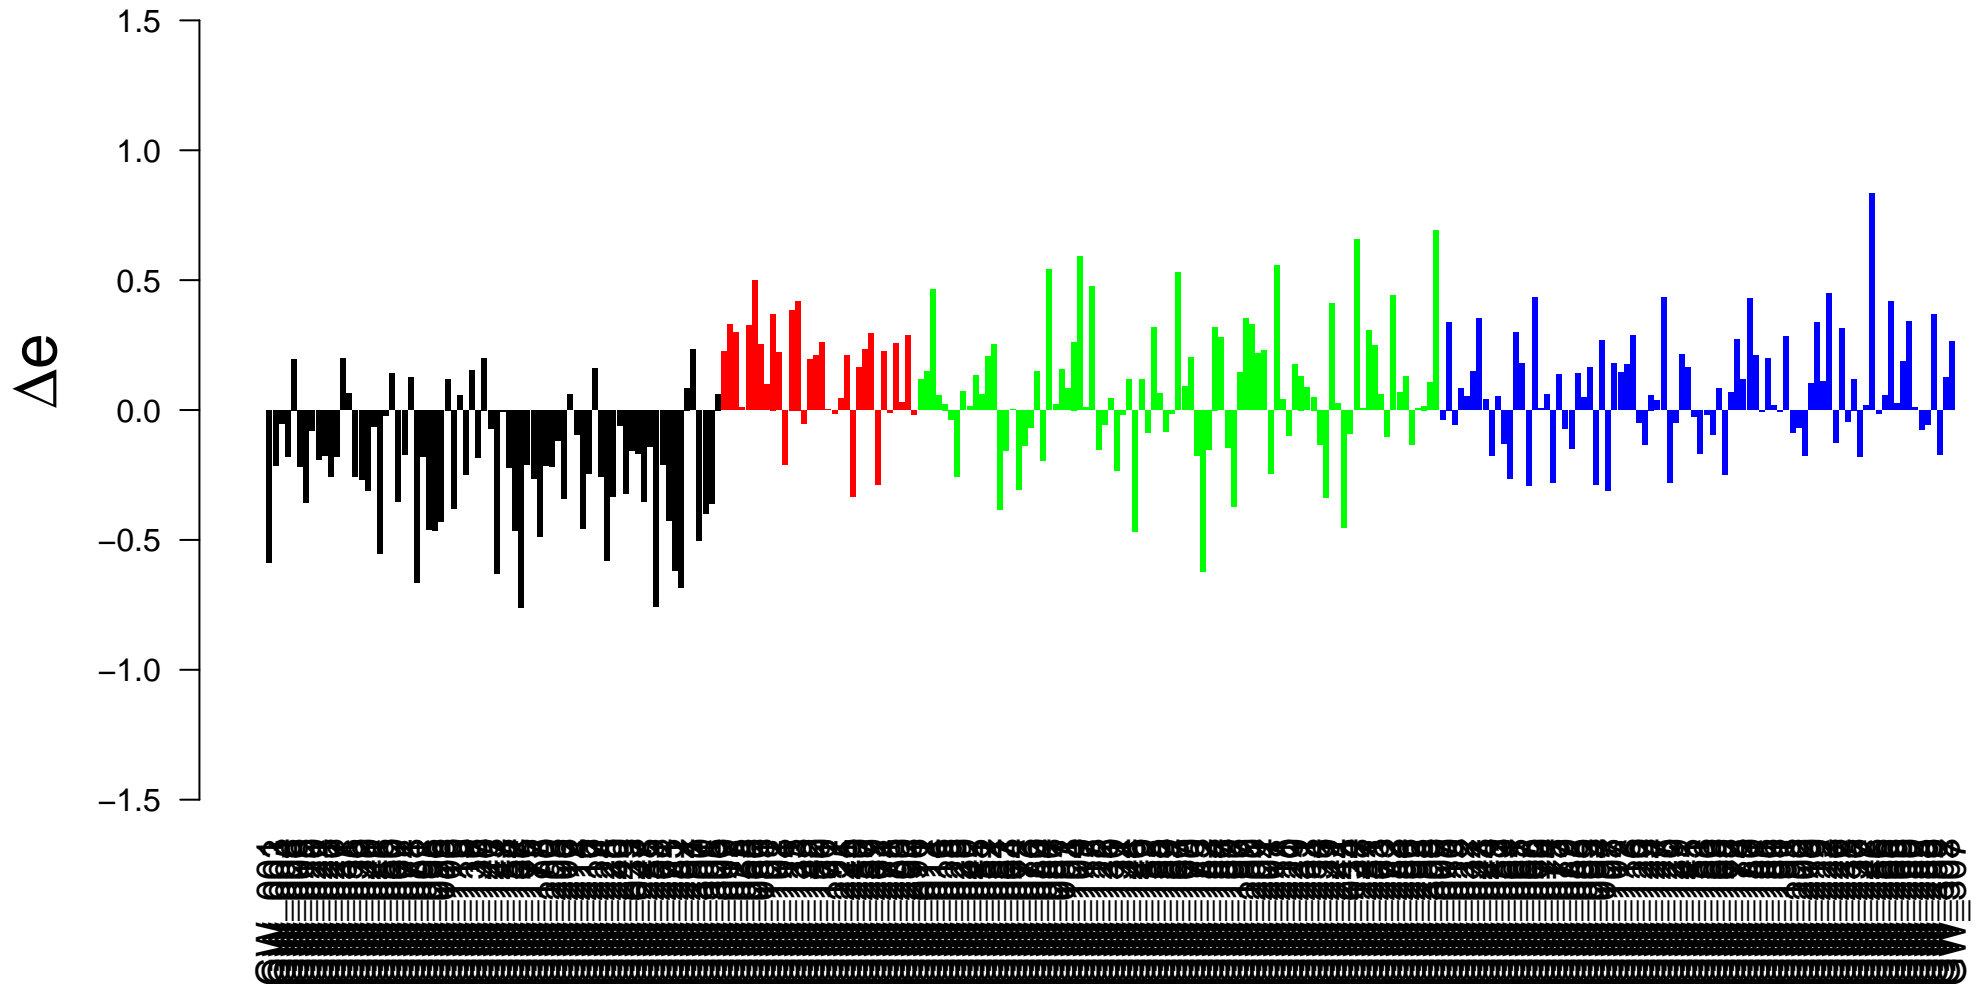

Expression of protein autophosphorylation in Spot N

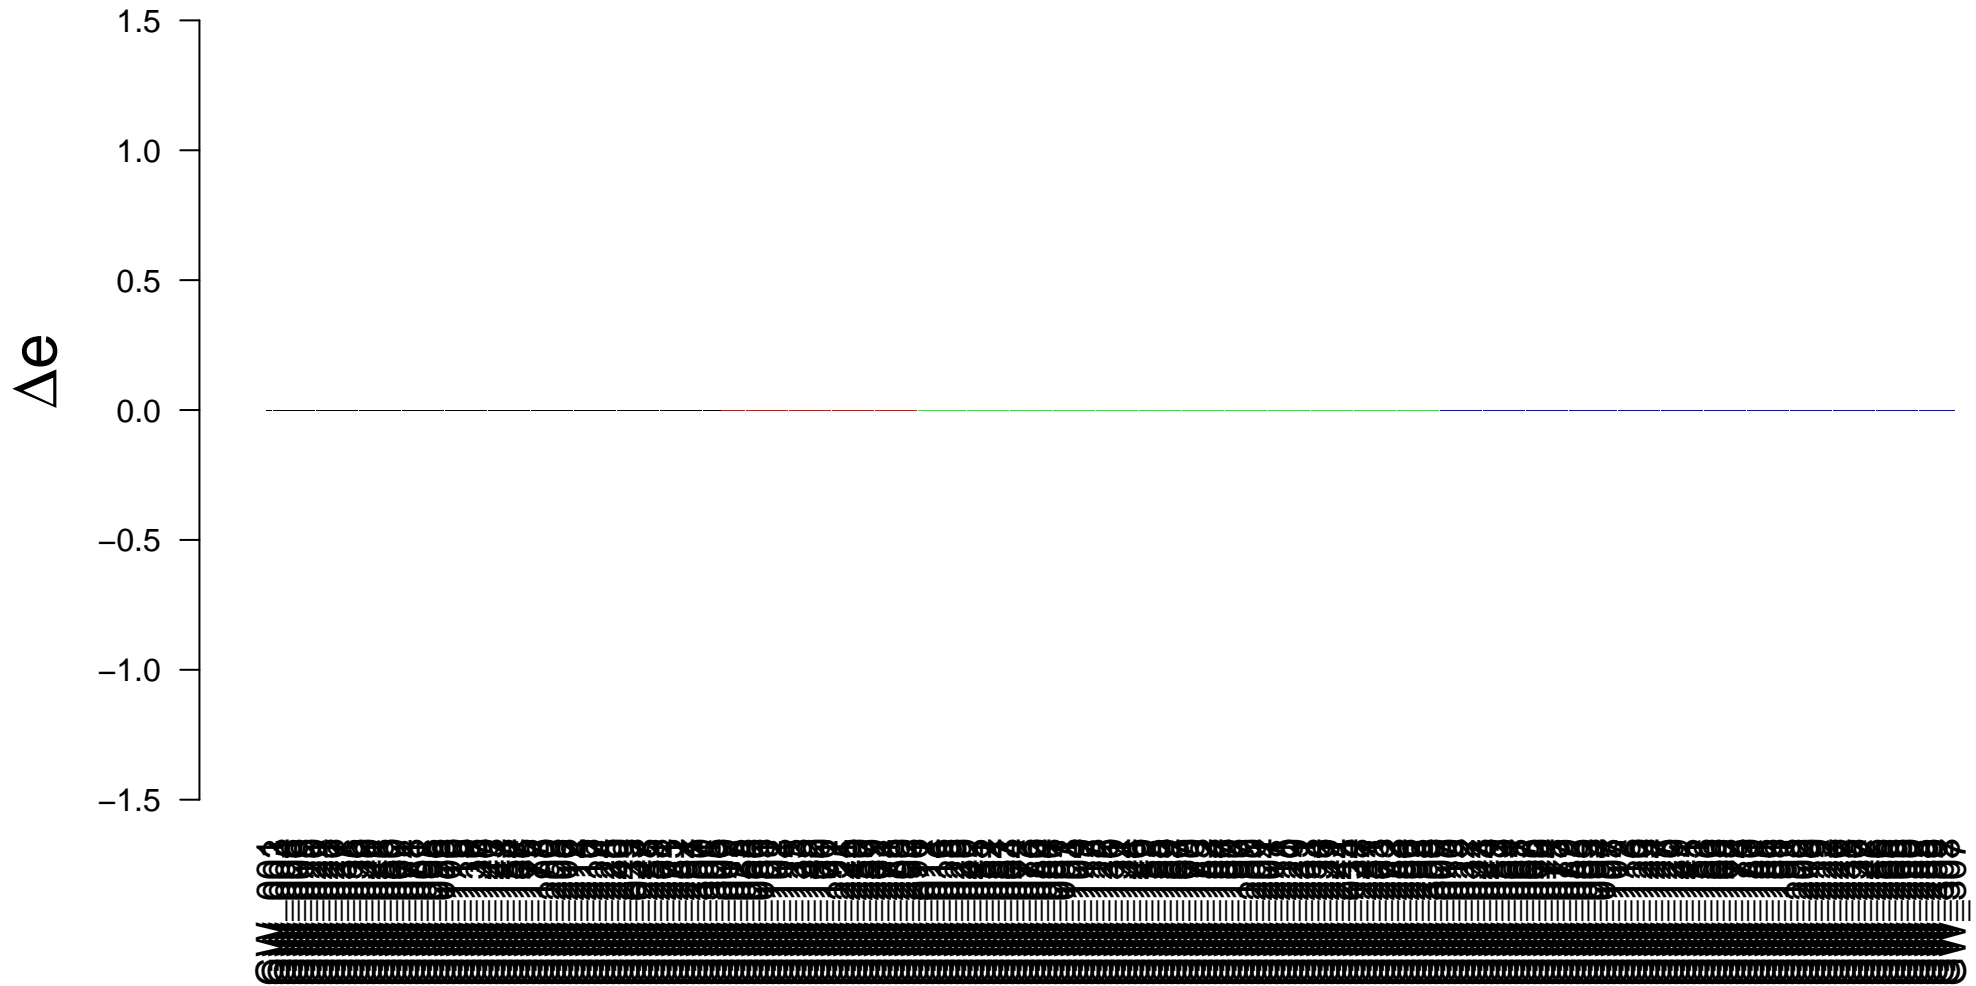

Expression of protein autophosphorylation in Spot O

Expression of protein autophosphorylation in Spot P

Expression of protein autophosphorylation in Spot Q

Expression of protein autophosphorylation in Spot R
