Enrichment in spots: protein binding, bridging

Expression of protein binding, bridging in Spot A

Expression of protein binding, bridging in Spot B

**Expression of protein binding, bridging in Spot C**

Expression of protein binding, bridging in Spot D
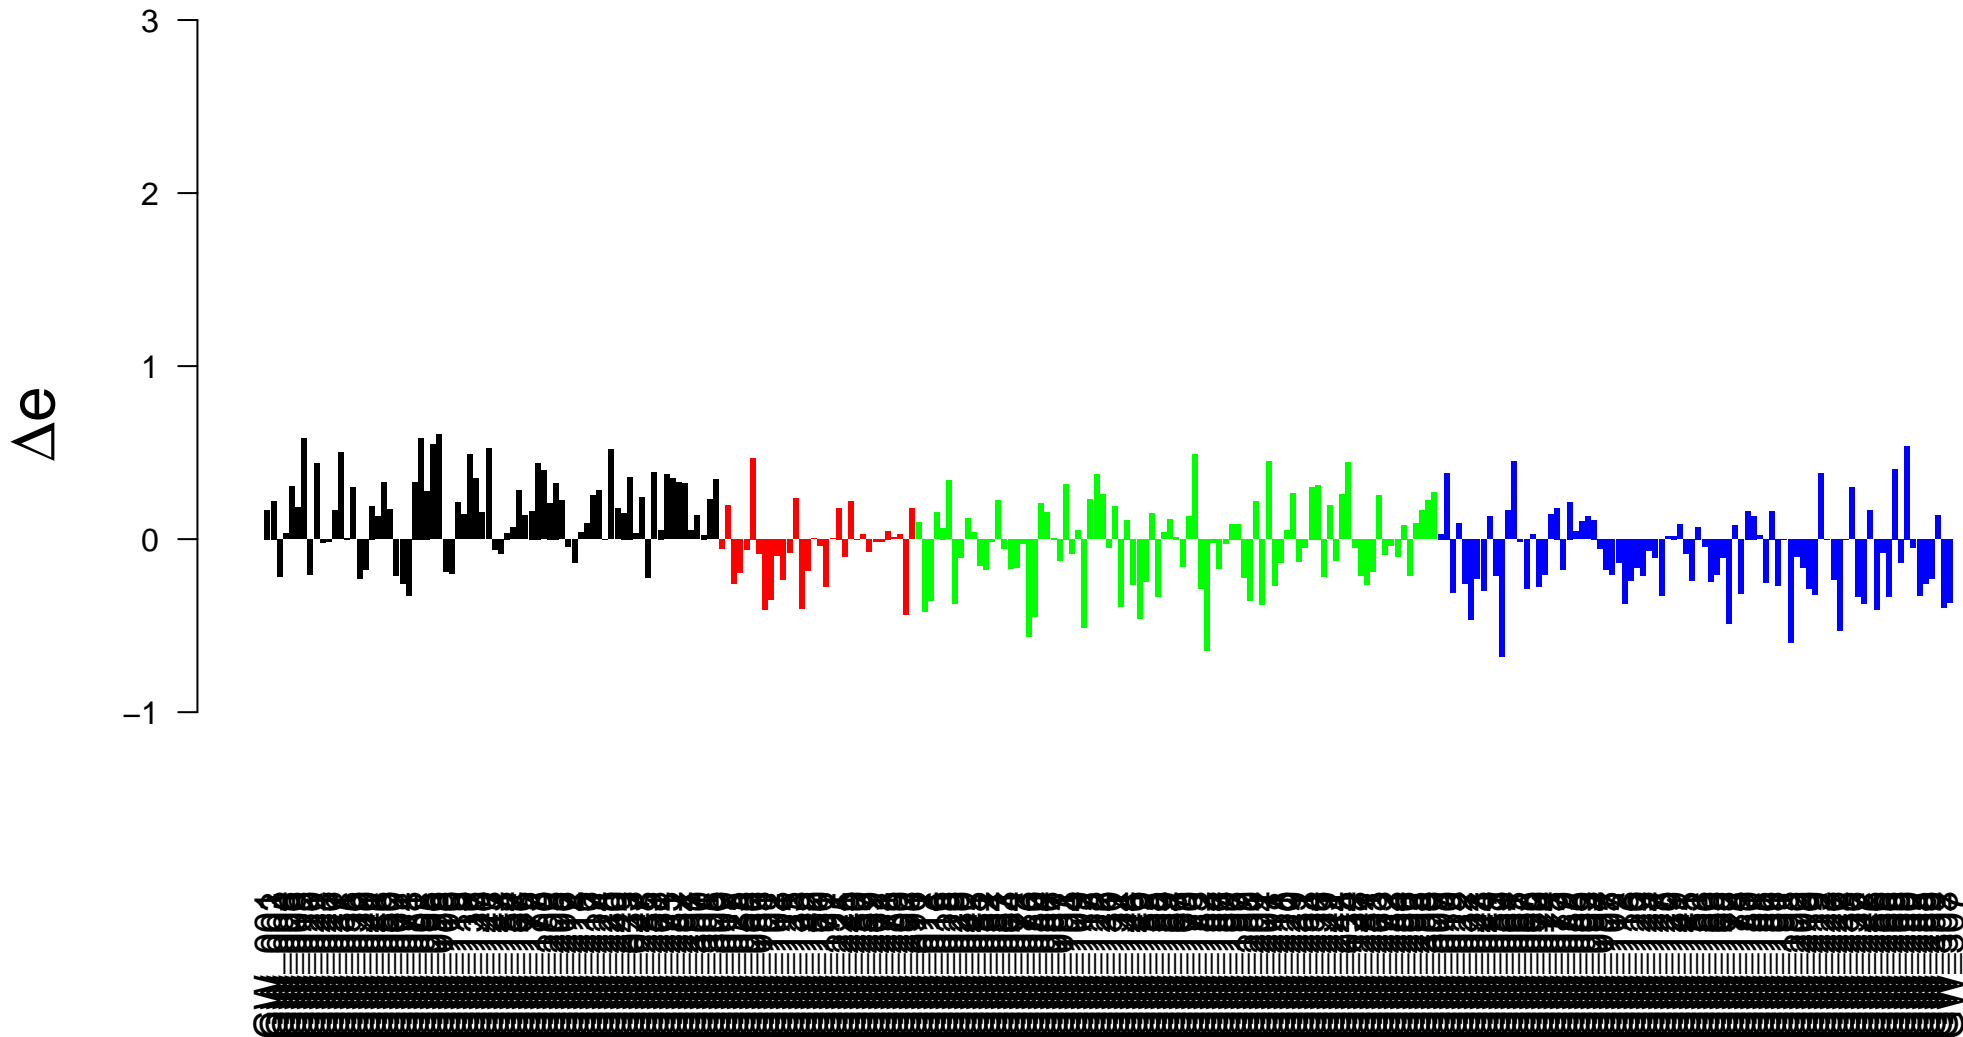

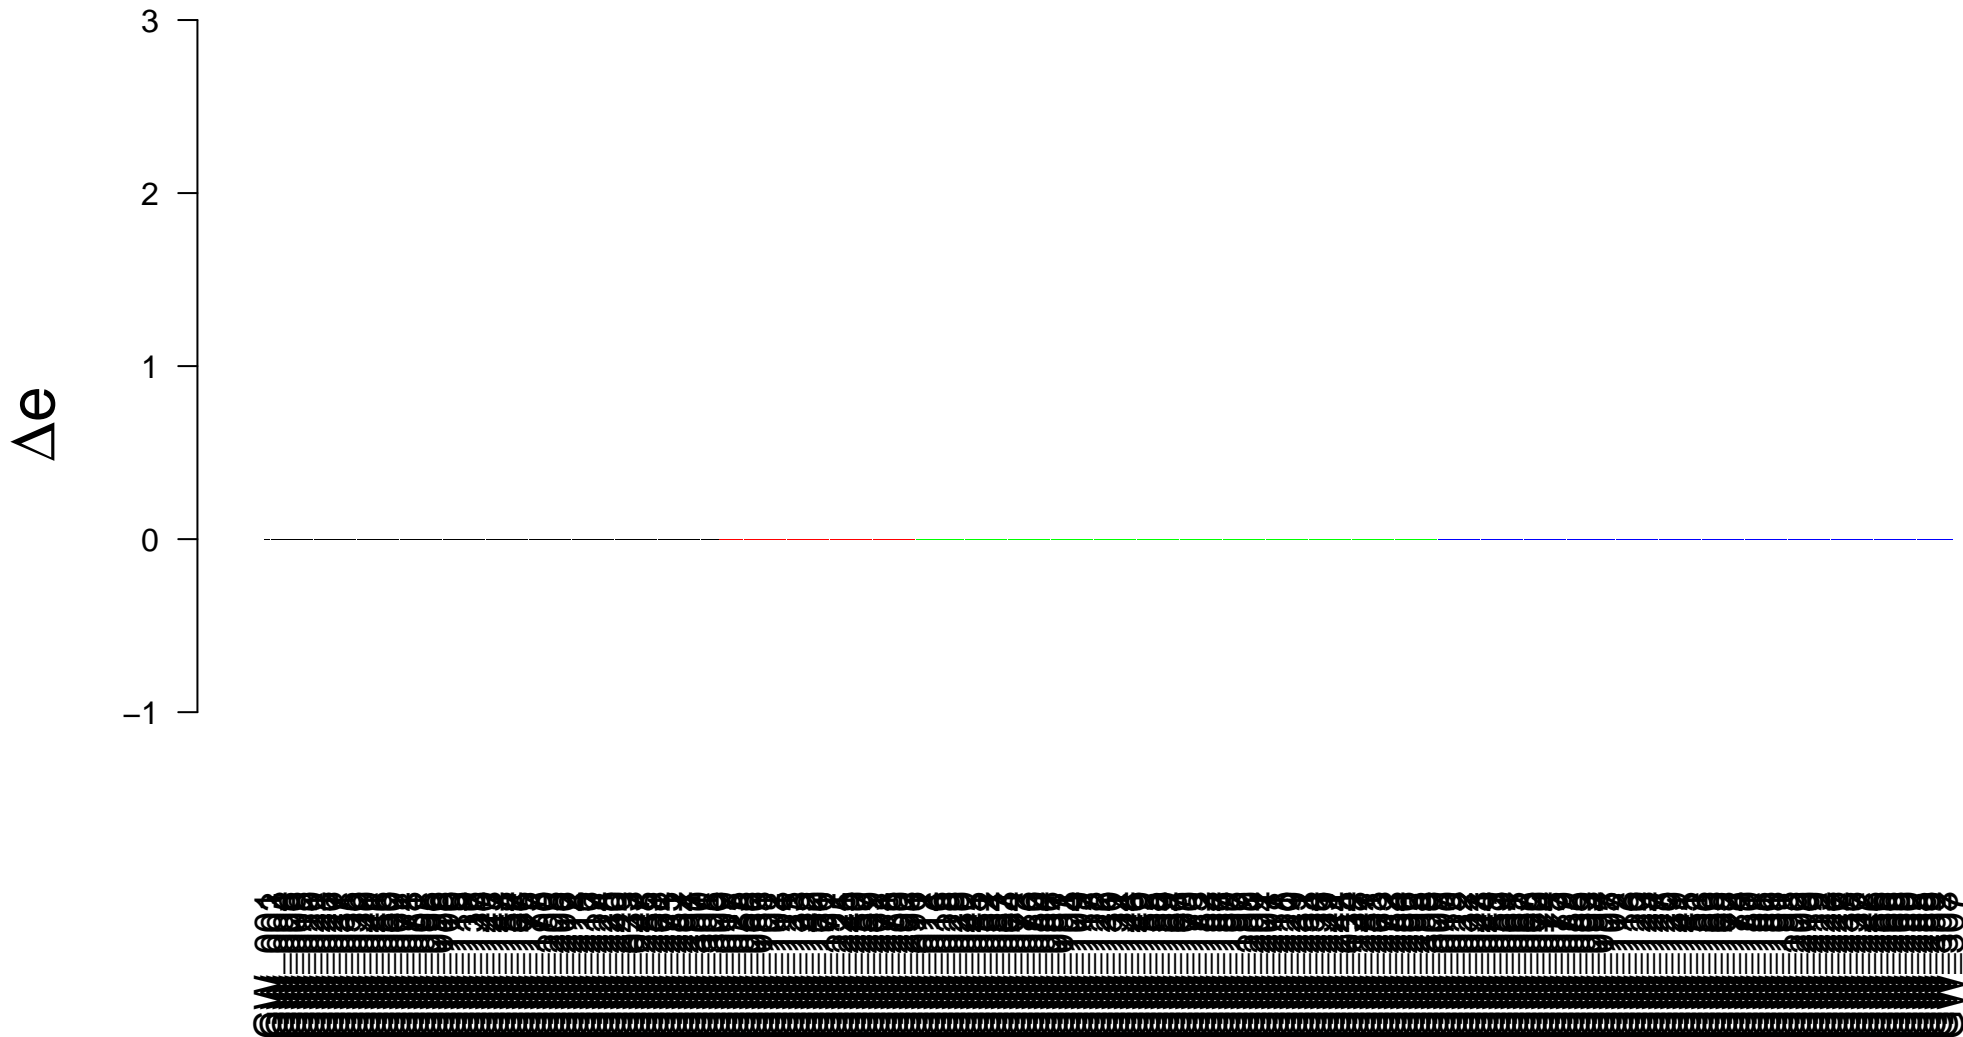

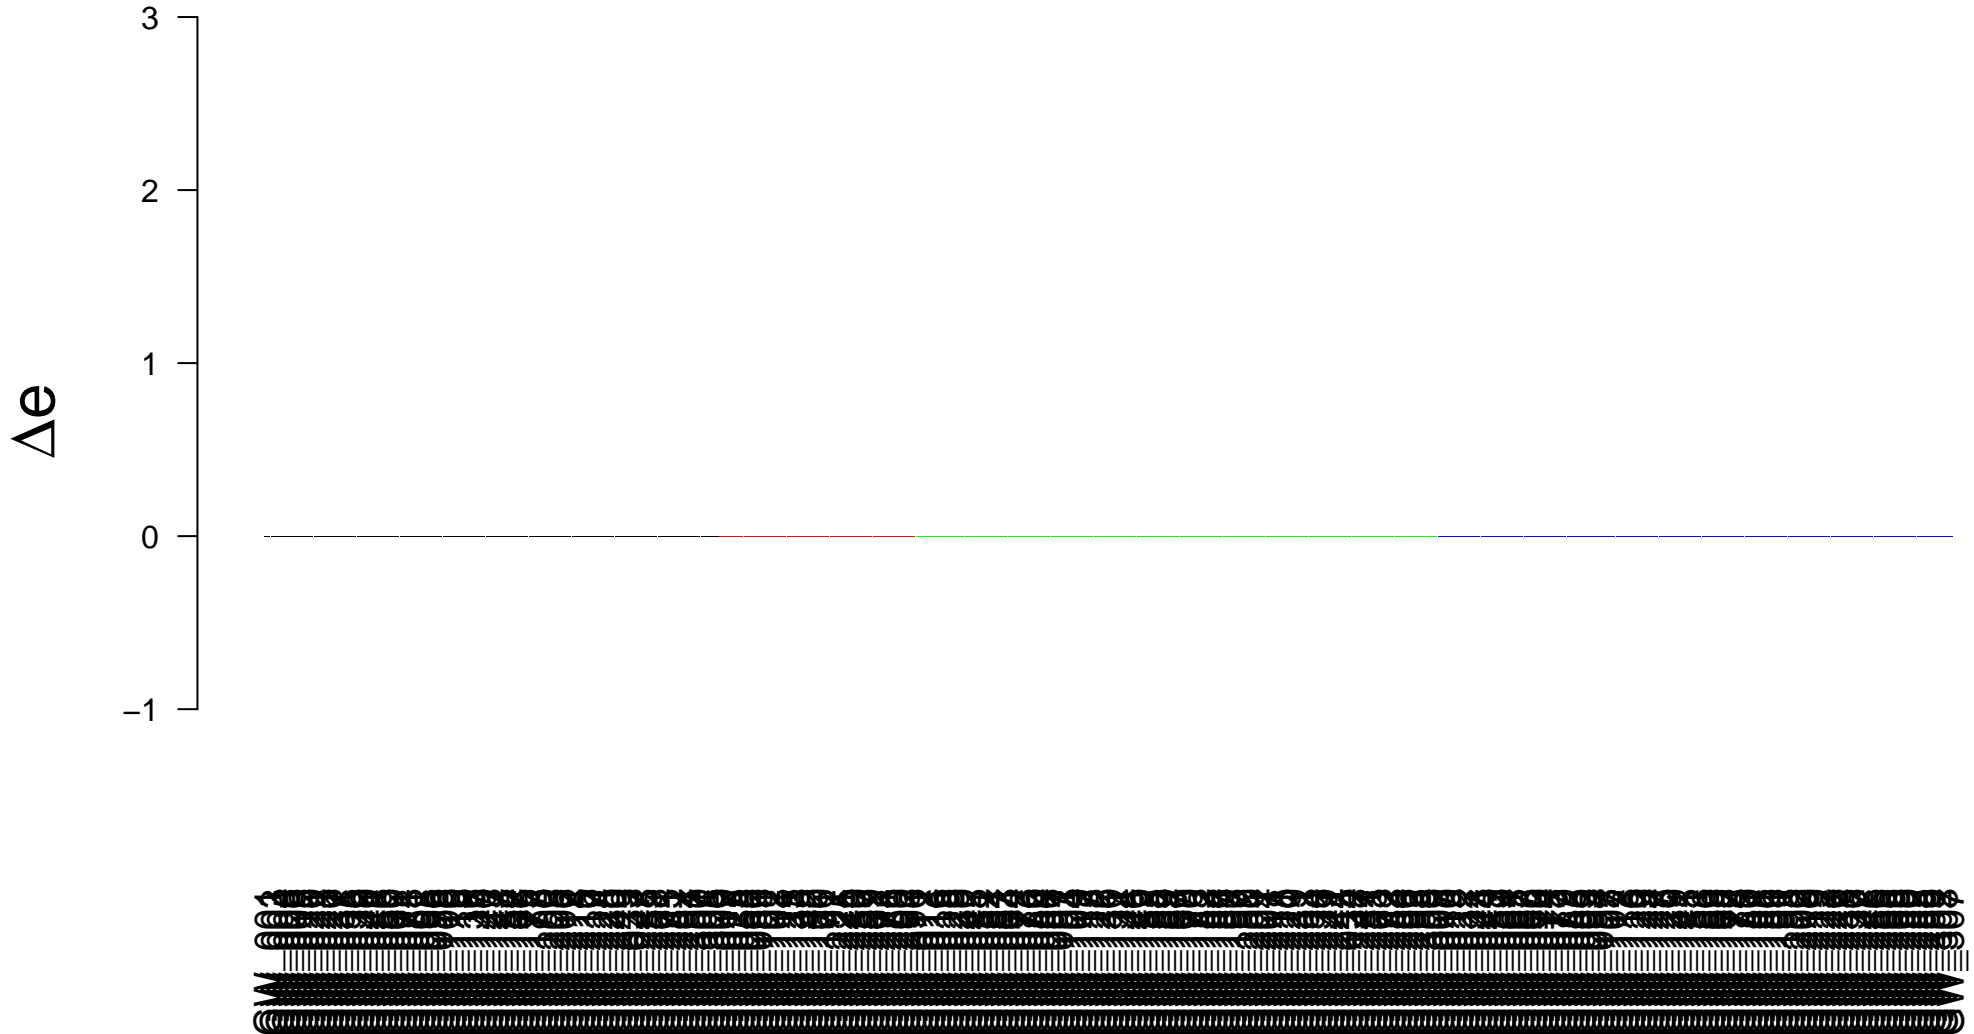

Expression of protein binding, bridging in Spot E
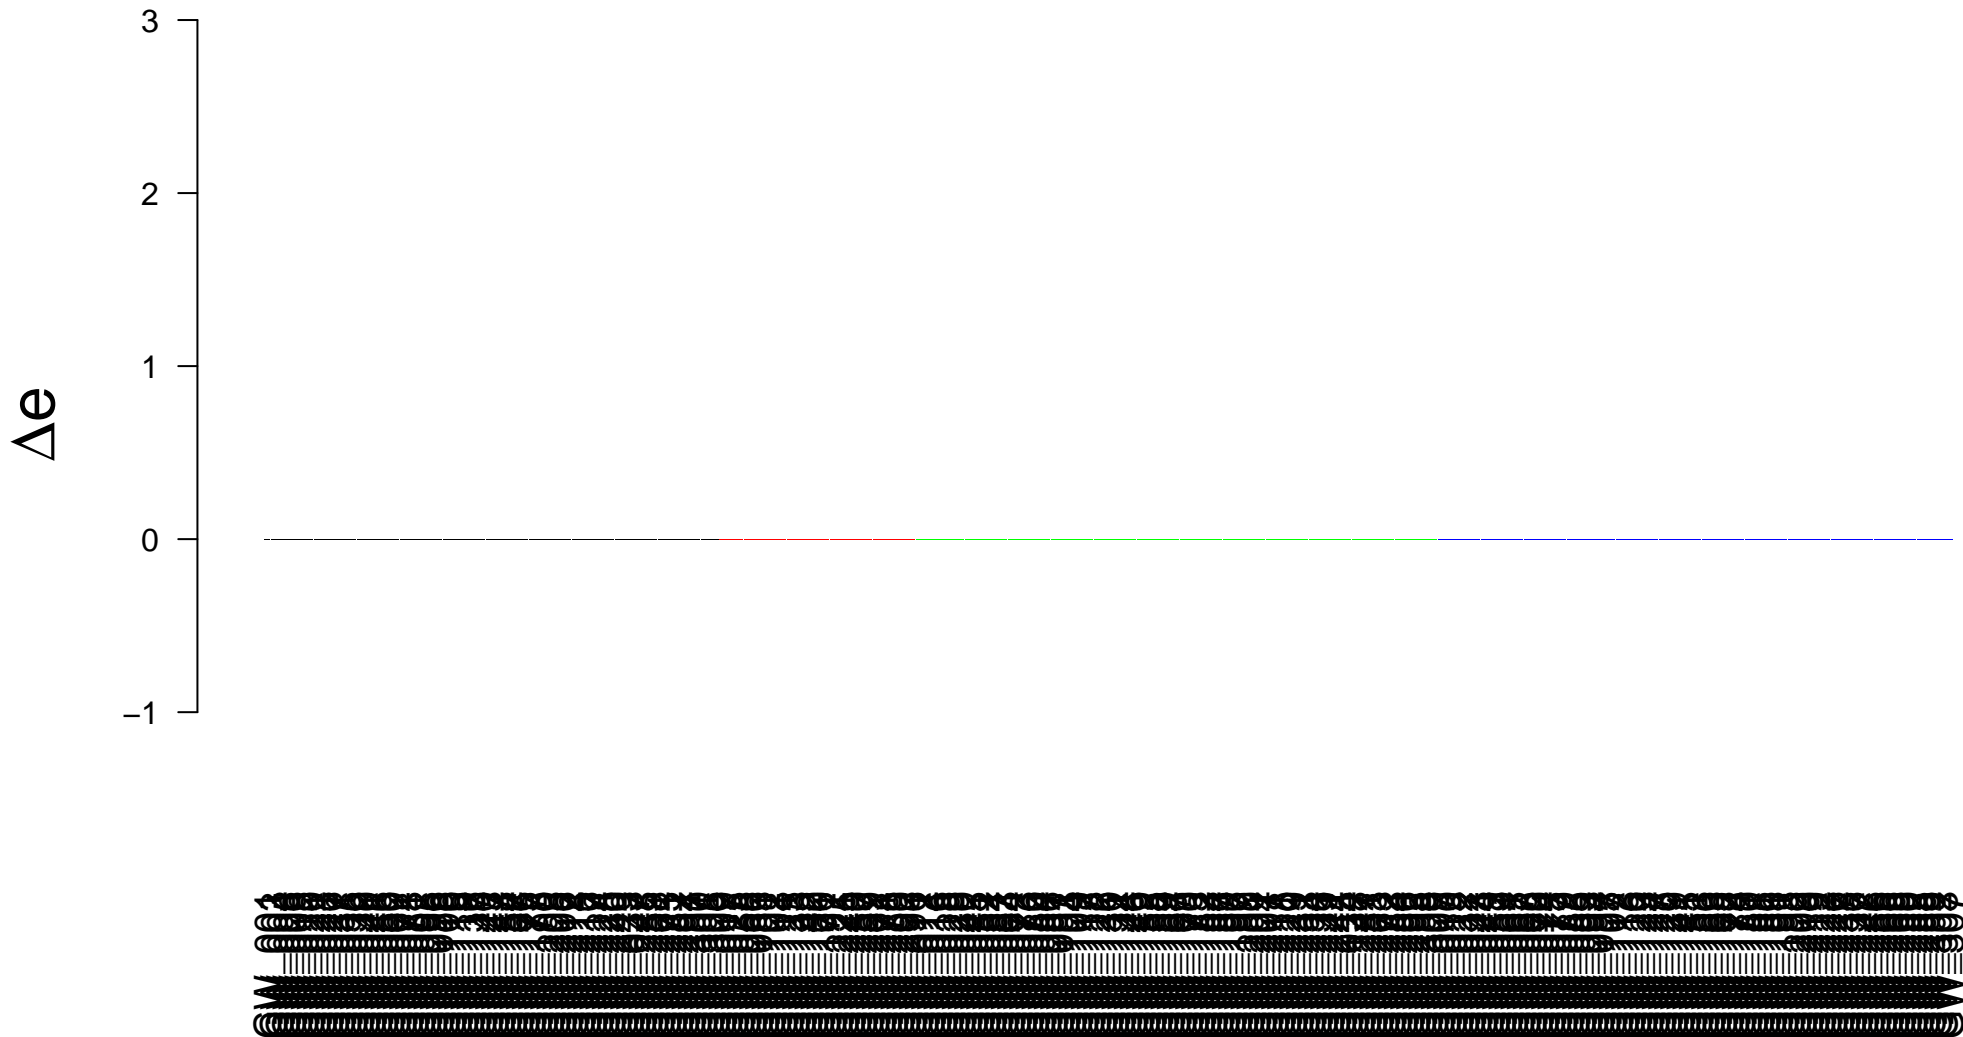

Expression of protein binding, bridging in Spot F

Expression of protein binding, bridging in Spot G

Expression of protein binding, bridging in Spot H
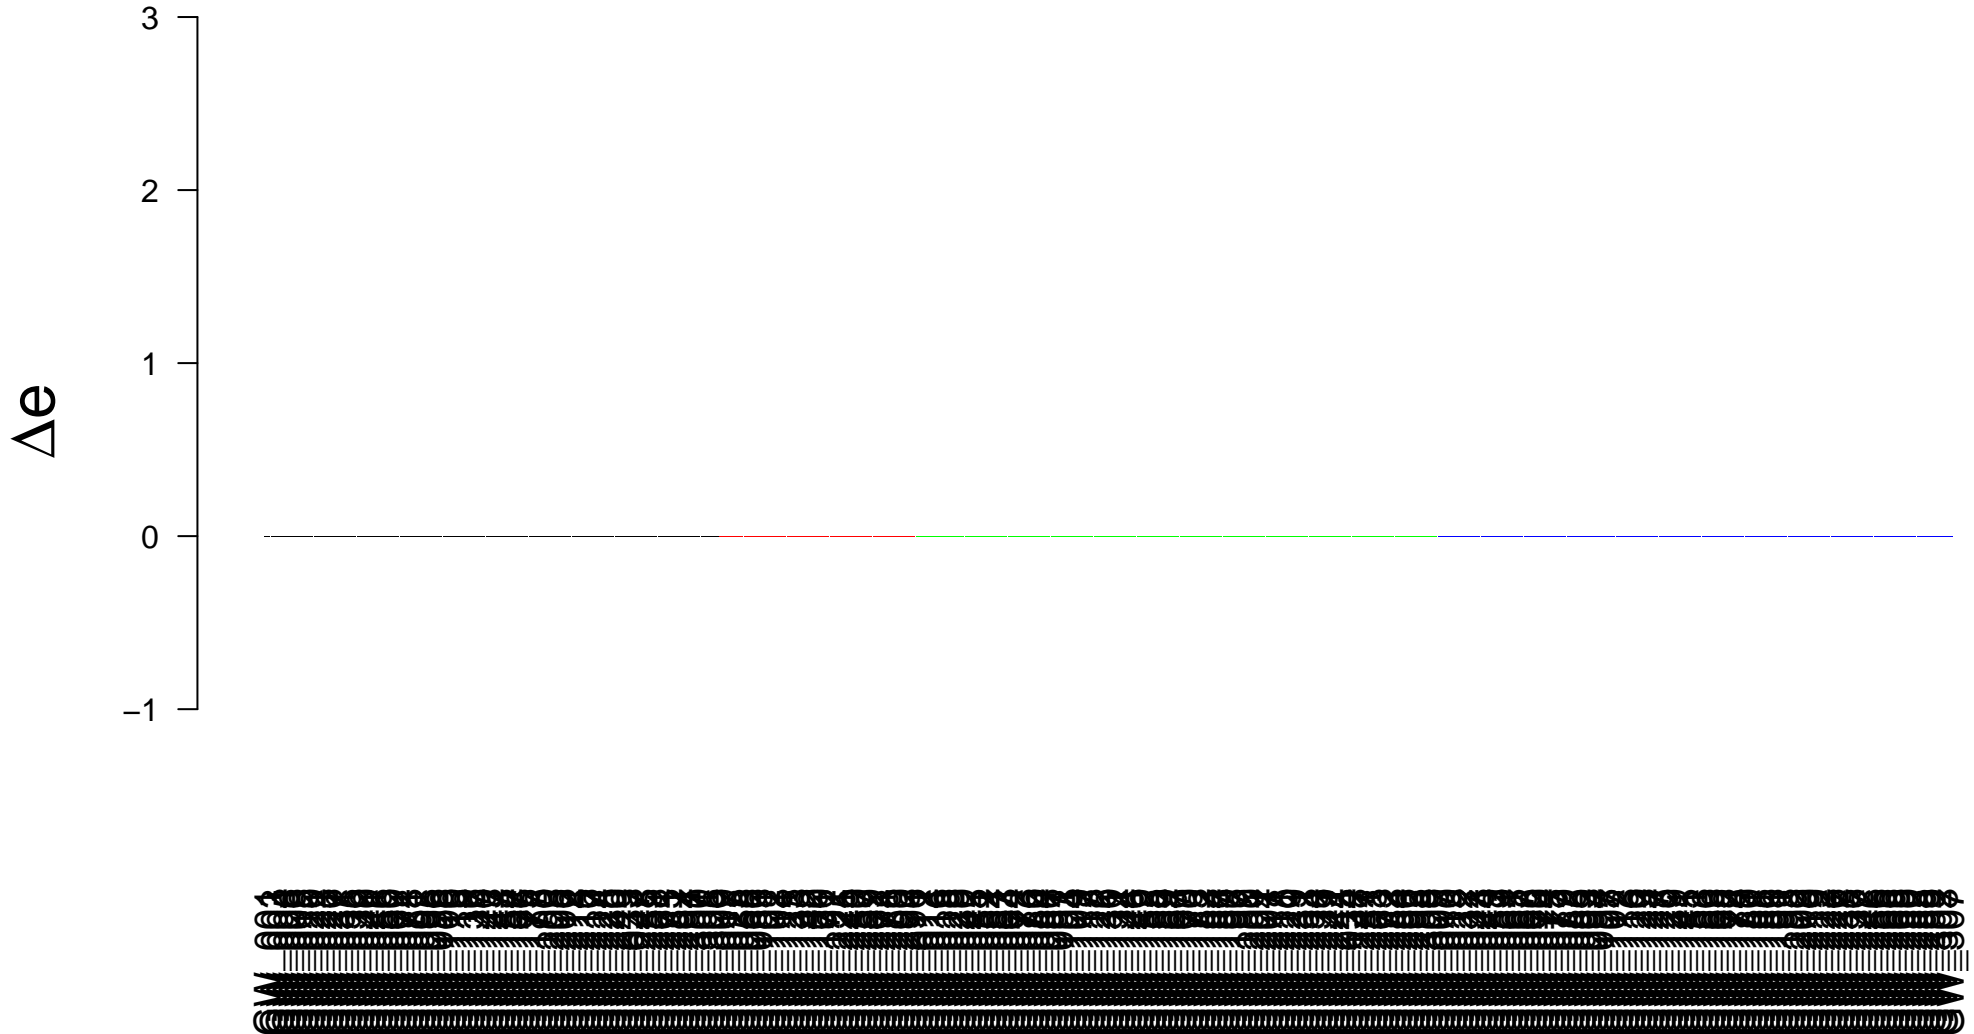

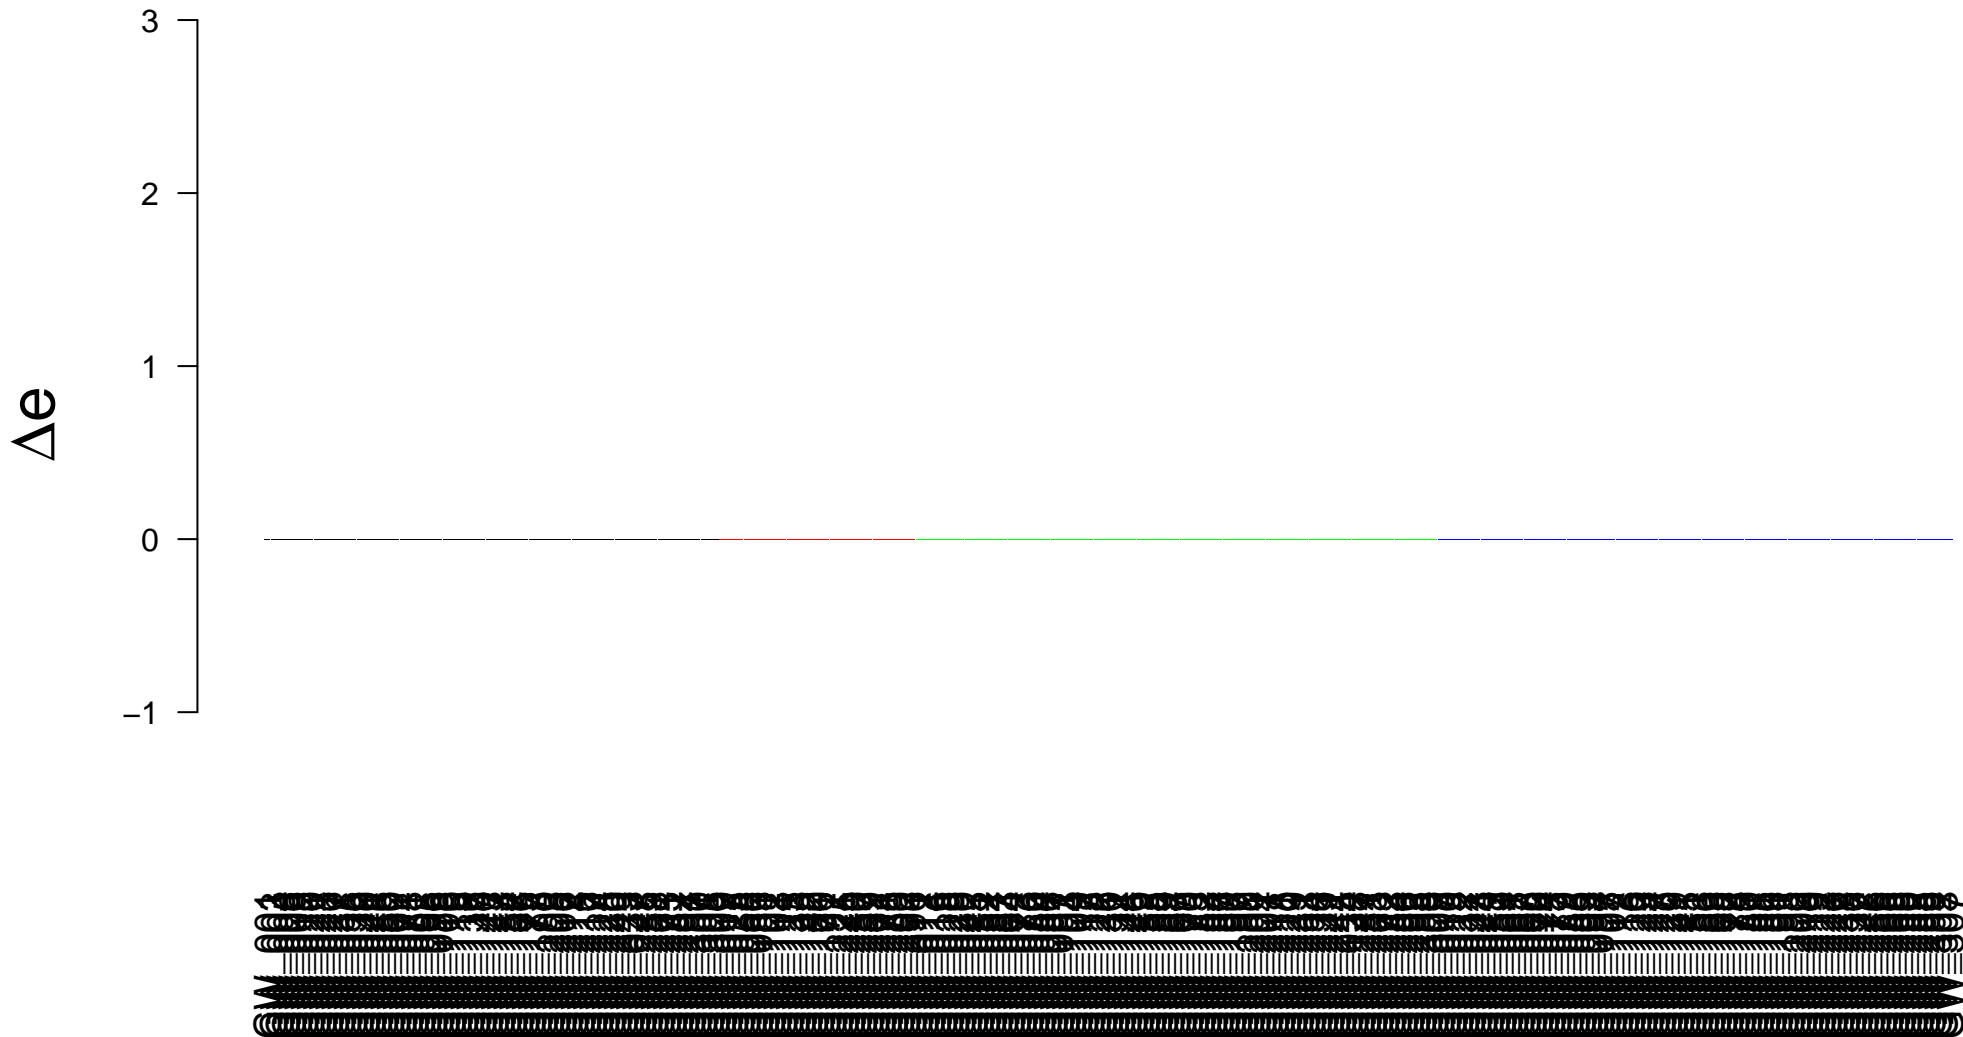

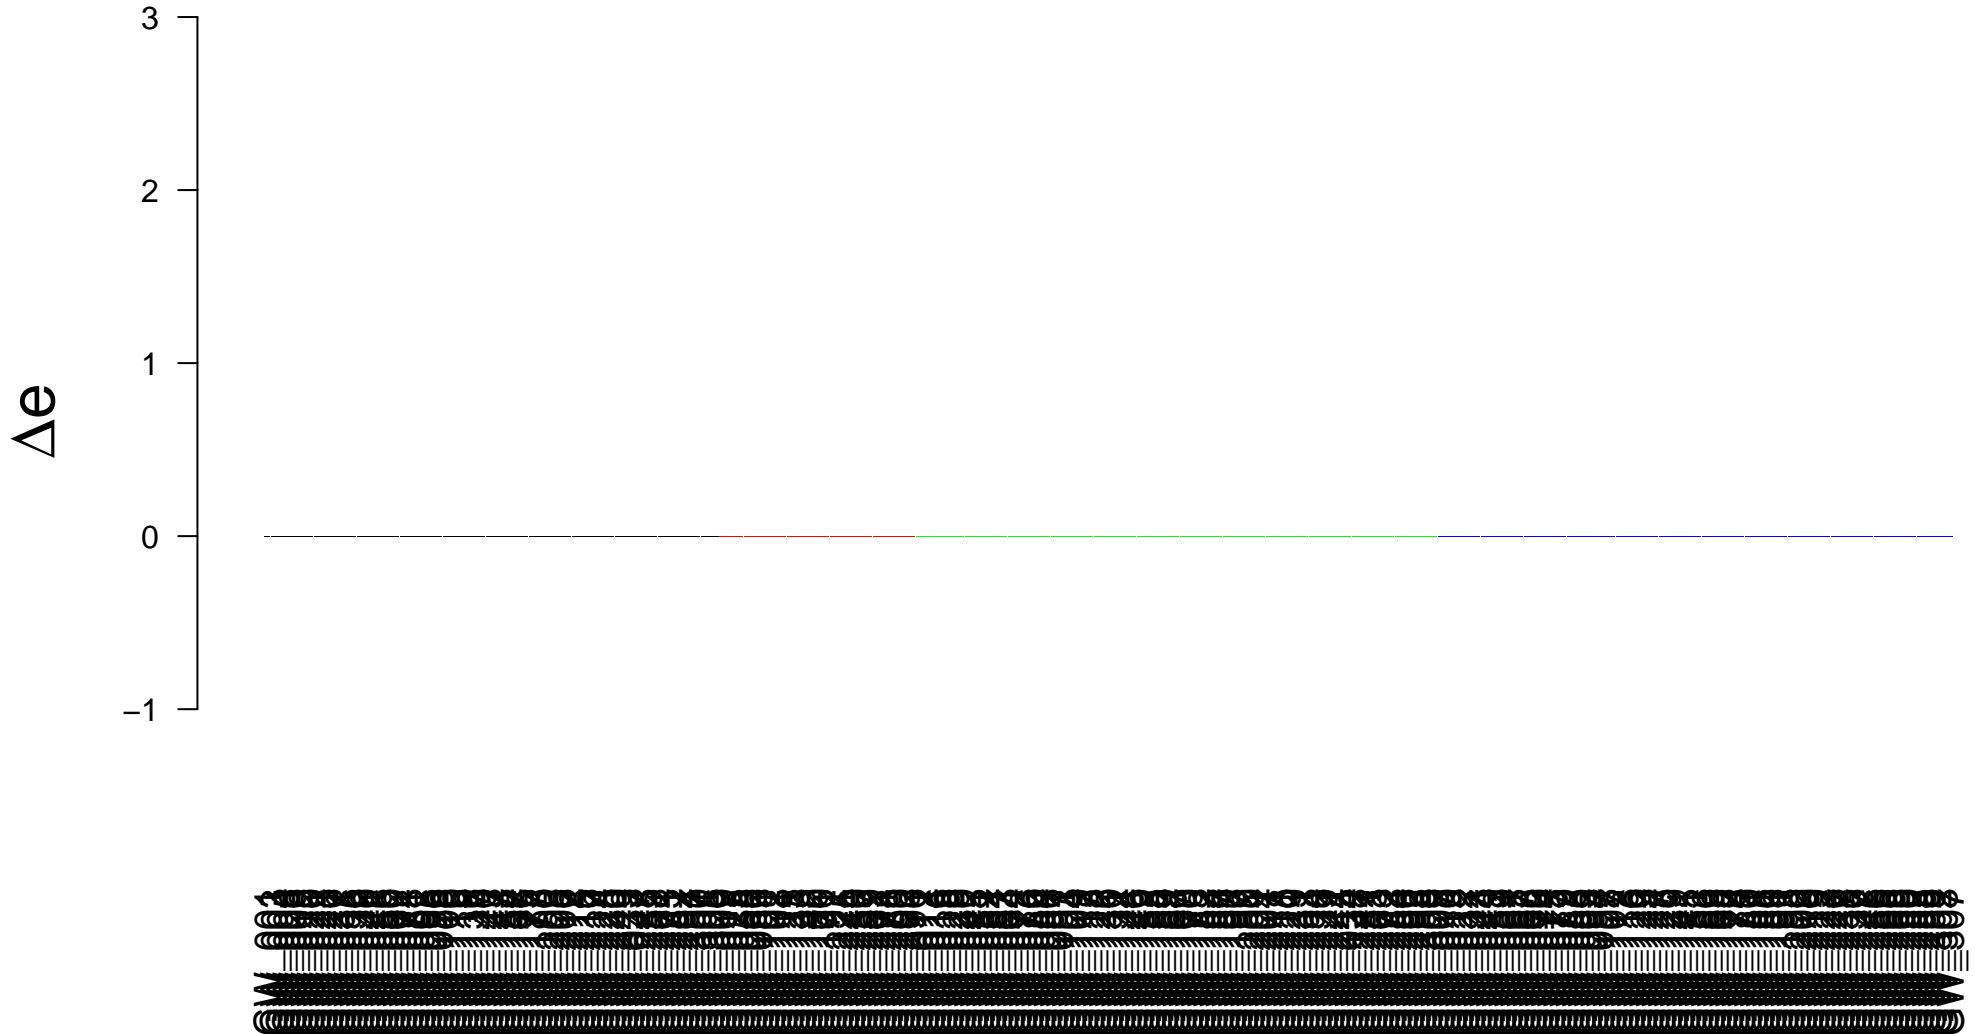

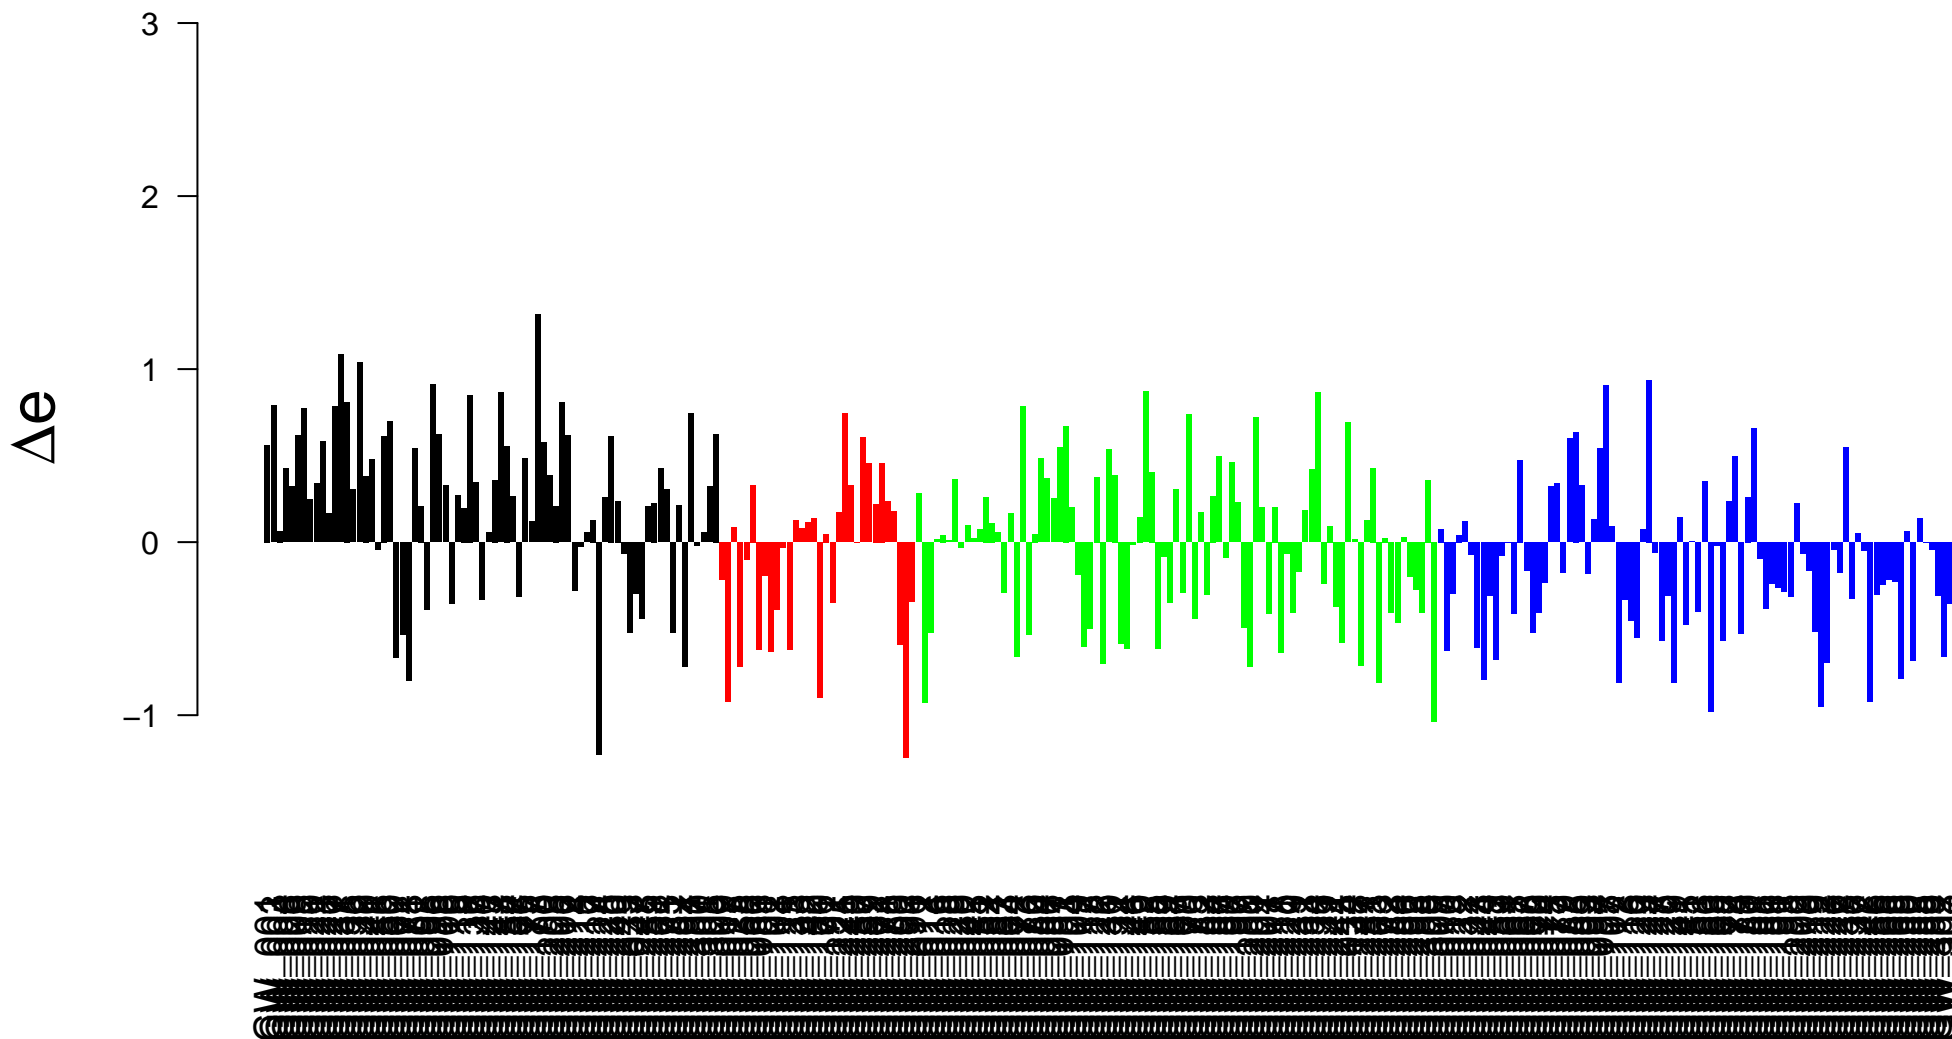

Expression of protein binding, bridging in Spot I

Expression of protein binding, bridging in Spot J

Expression of protein binding, bridging in Spot K

Expression of protein binding, bridging in Spot L

Expression of protein binding, bridging in Spot M

Expression of protein binding, bridging in Spot N

Expression of protein binding, bridging in Spot O

Expression of protein binding, bridging in Spot P
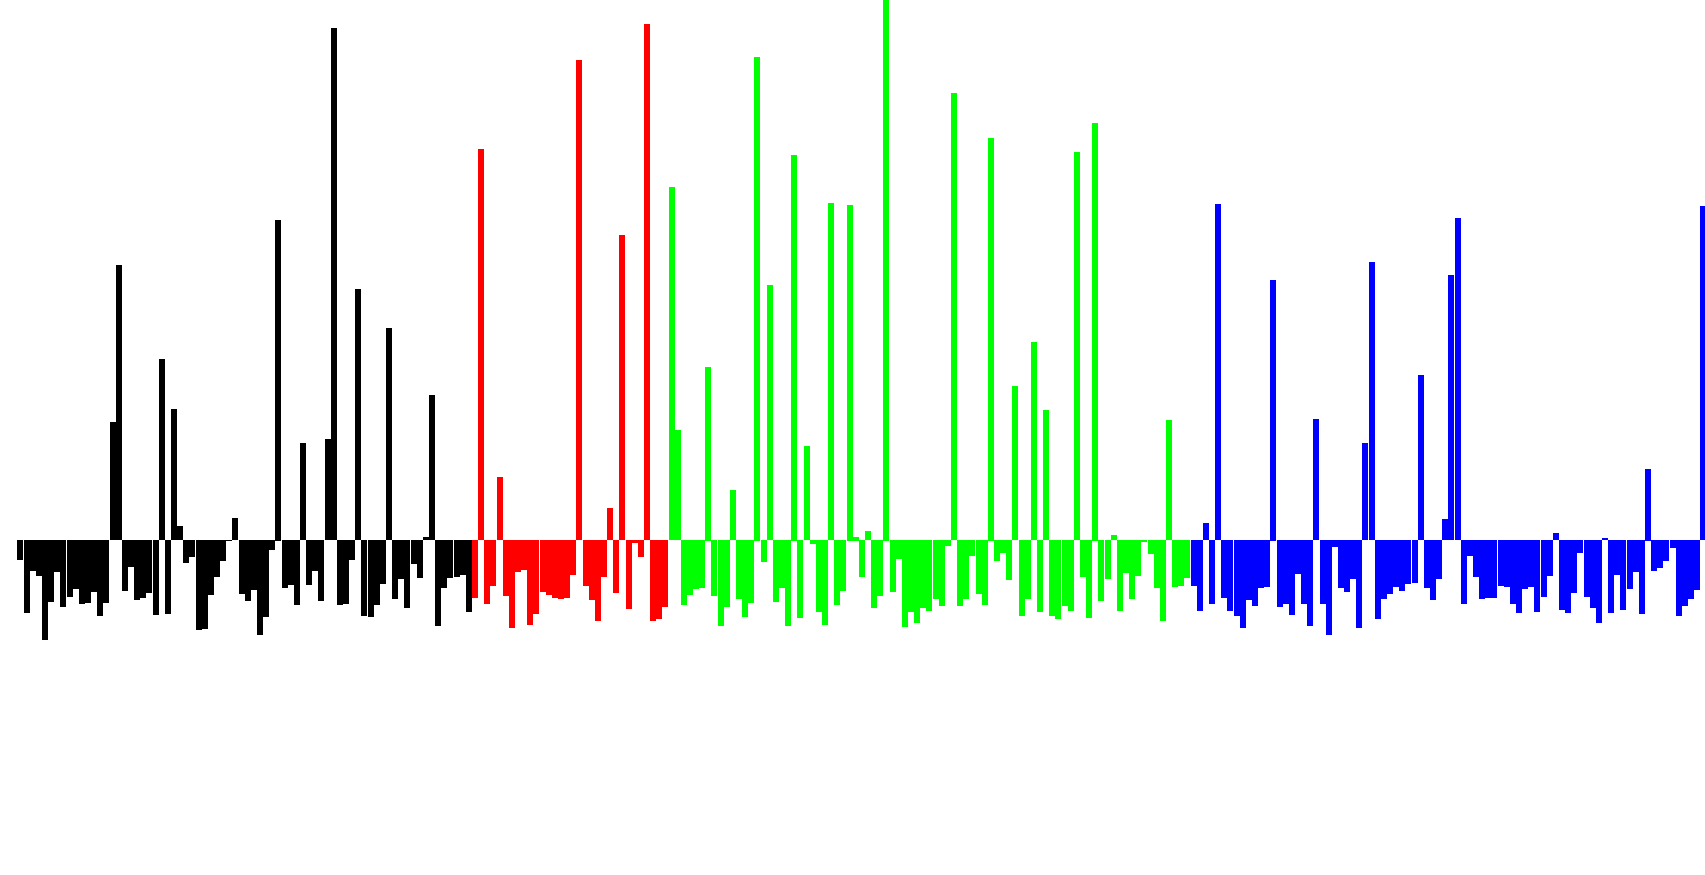

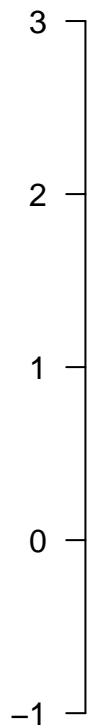

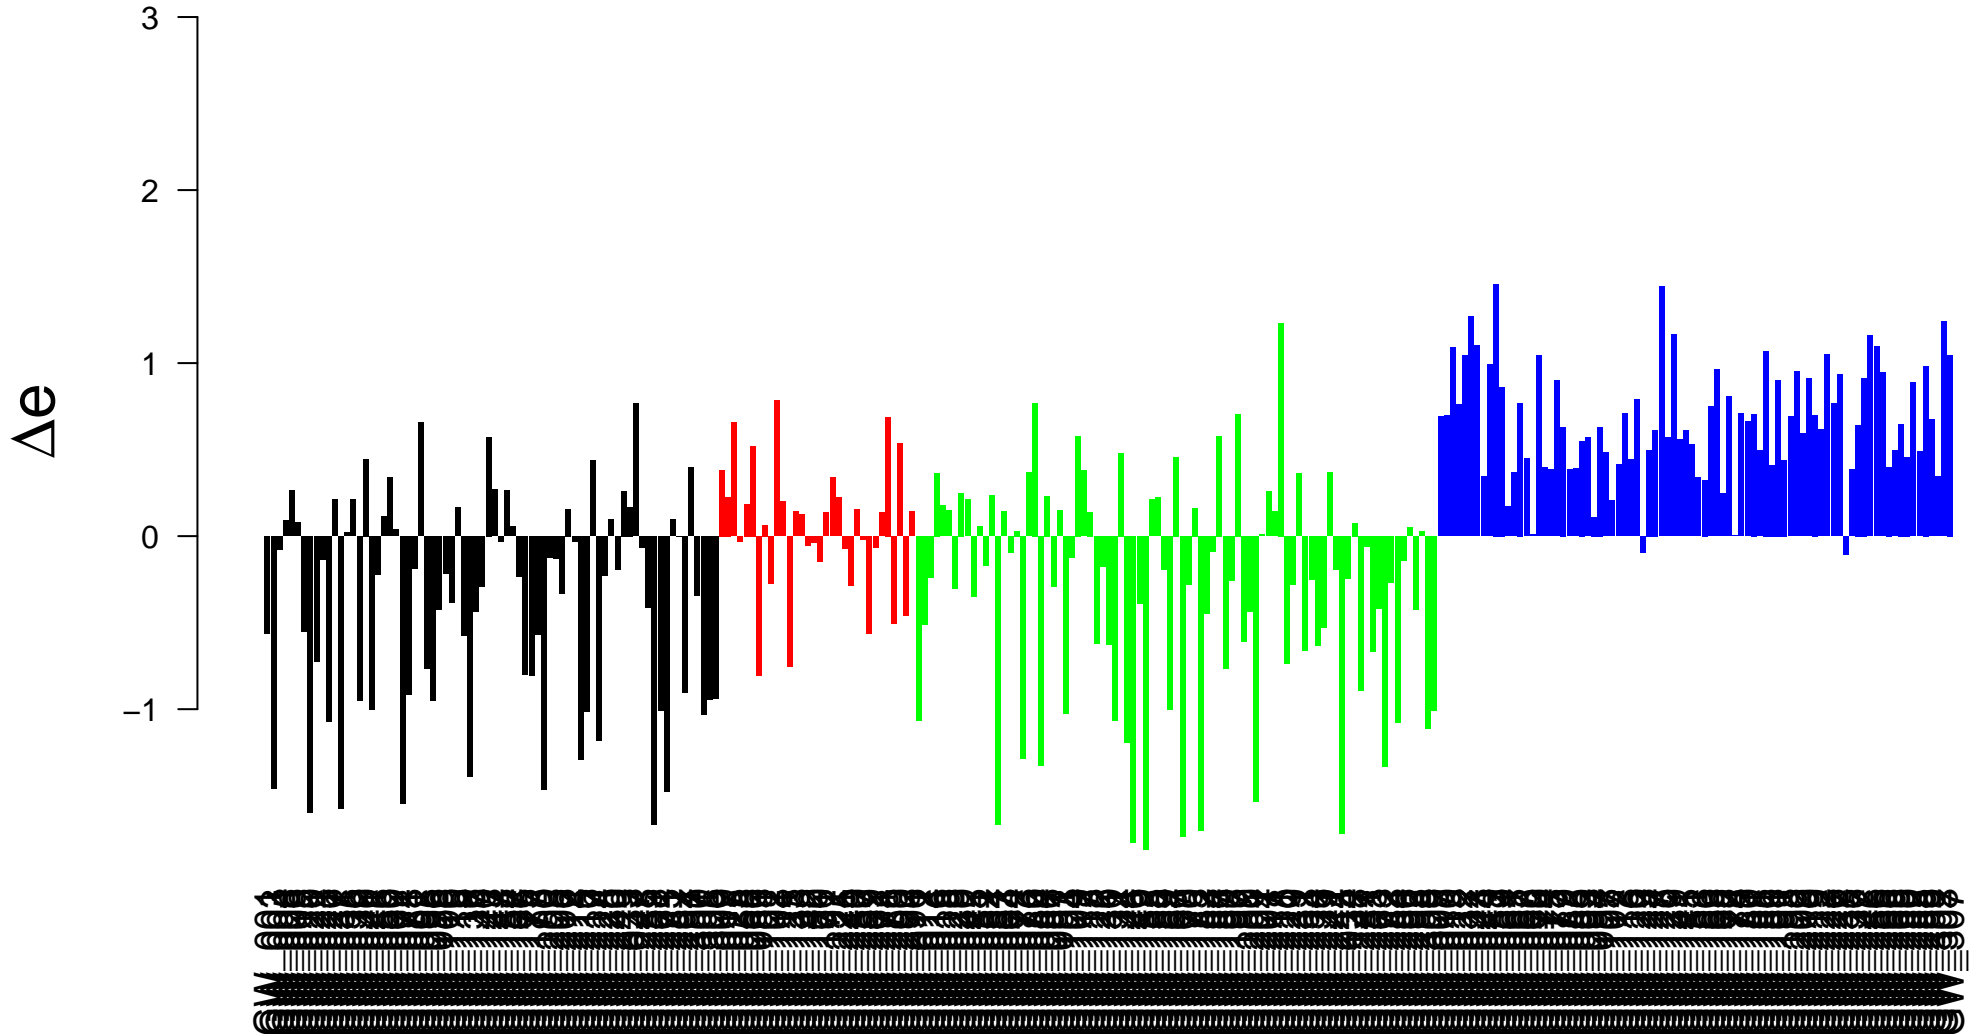

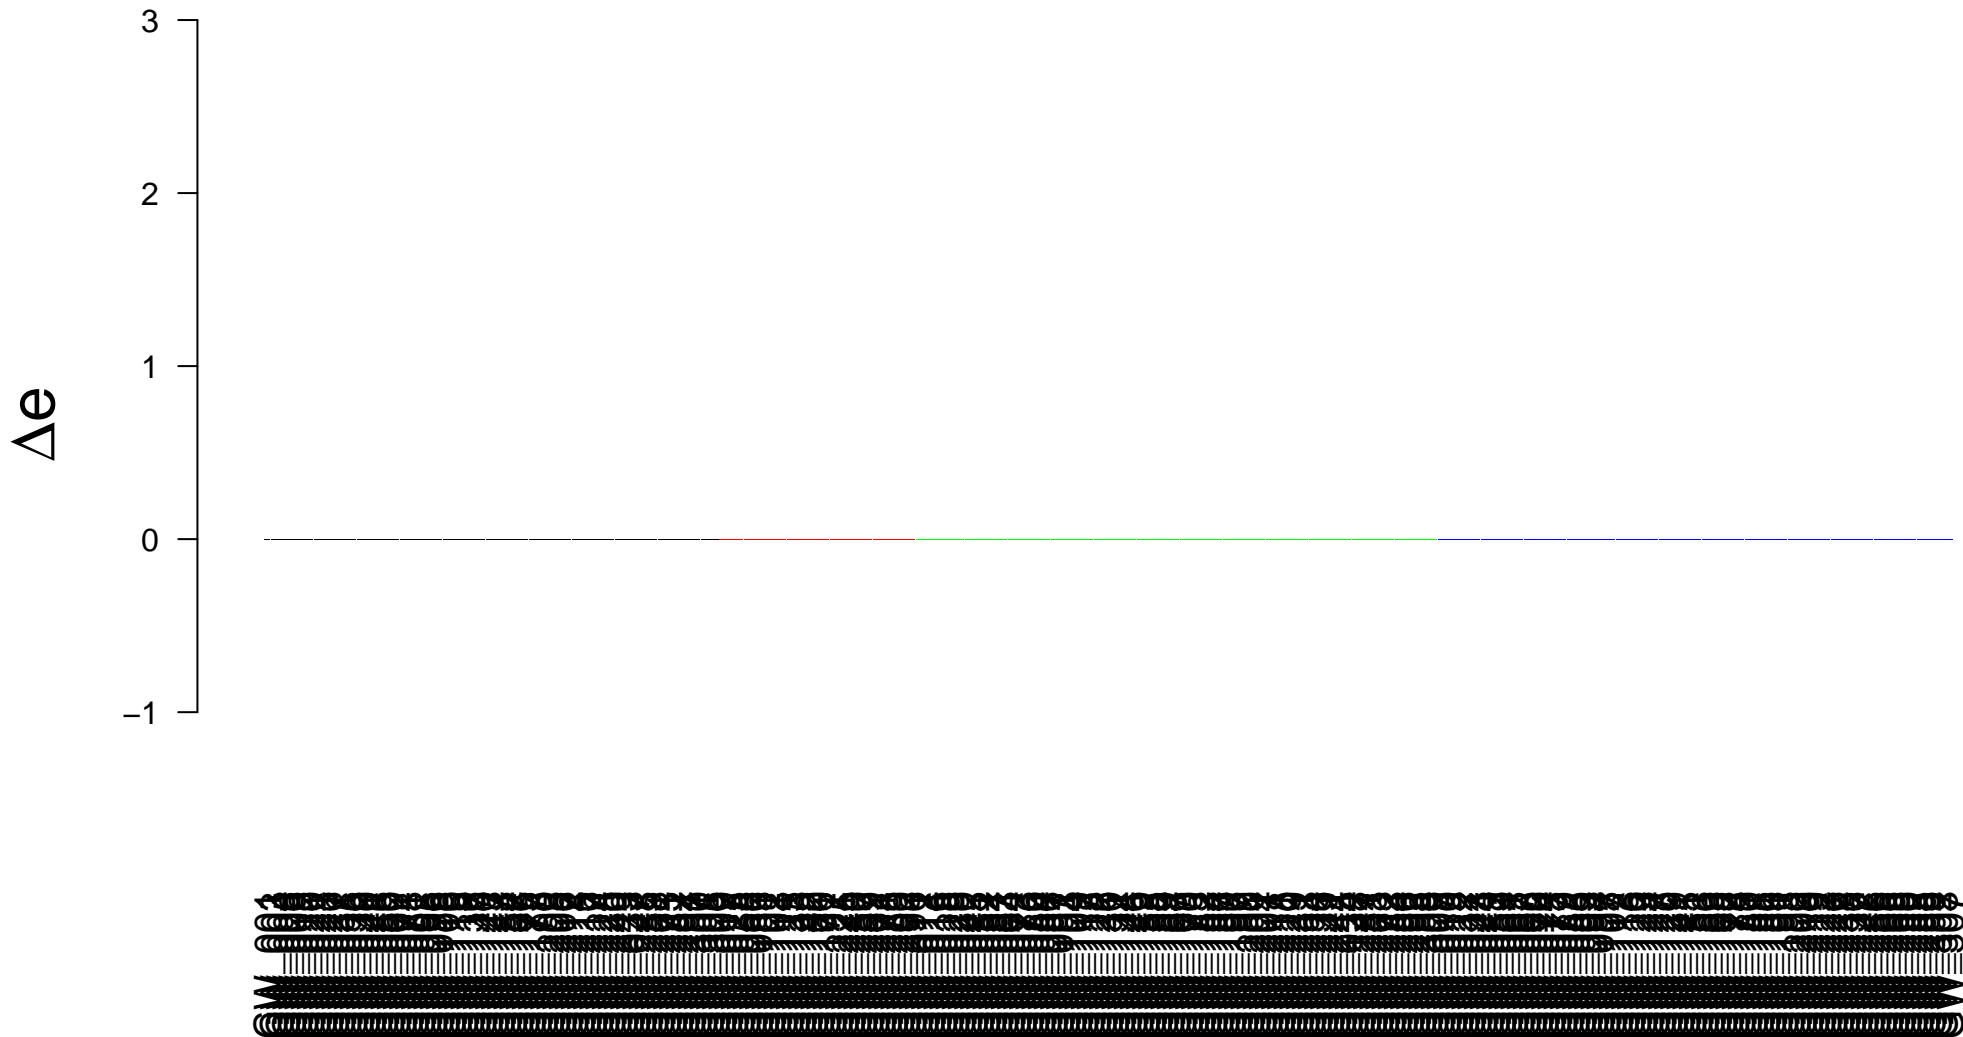

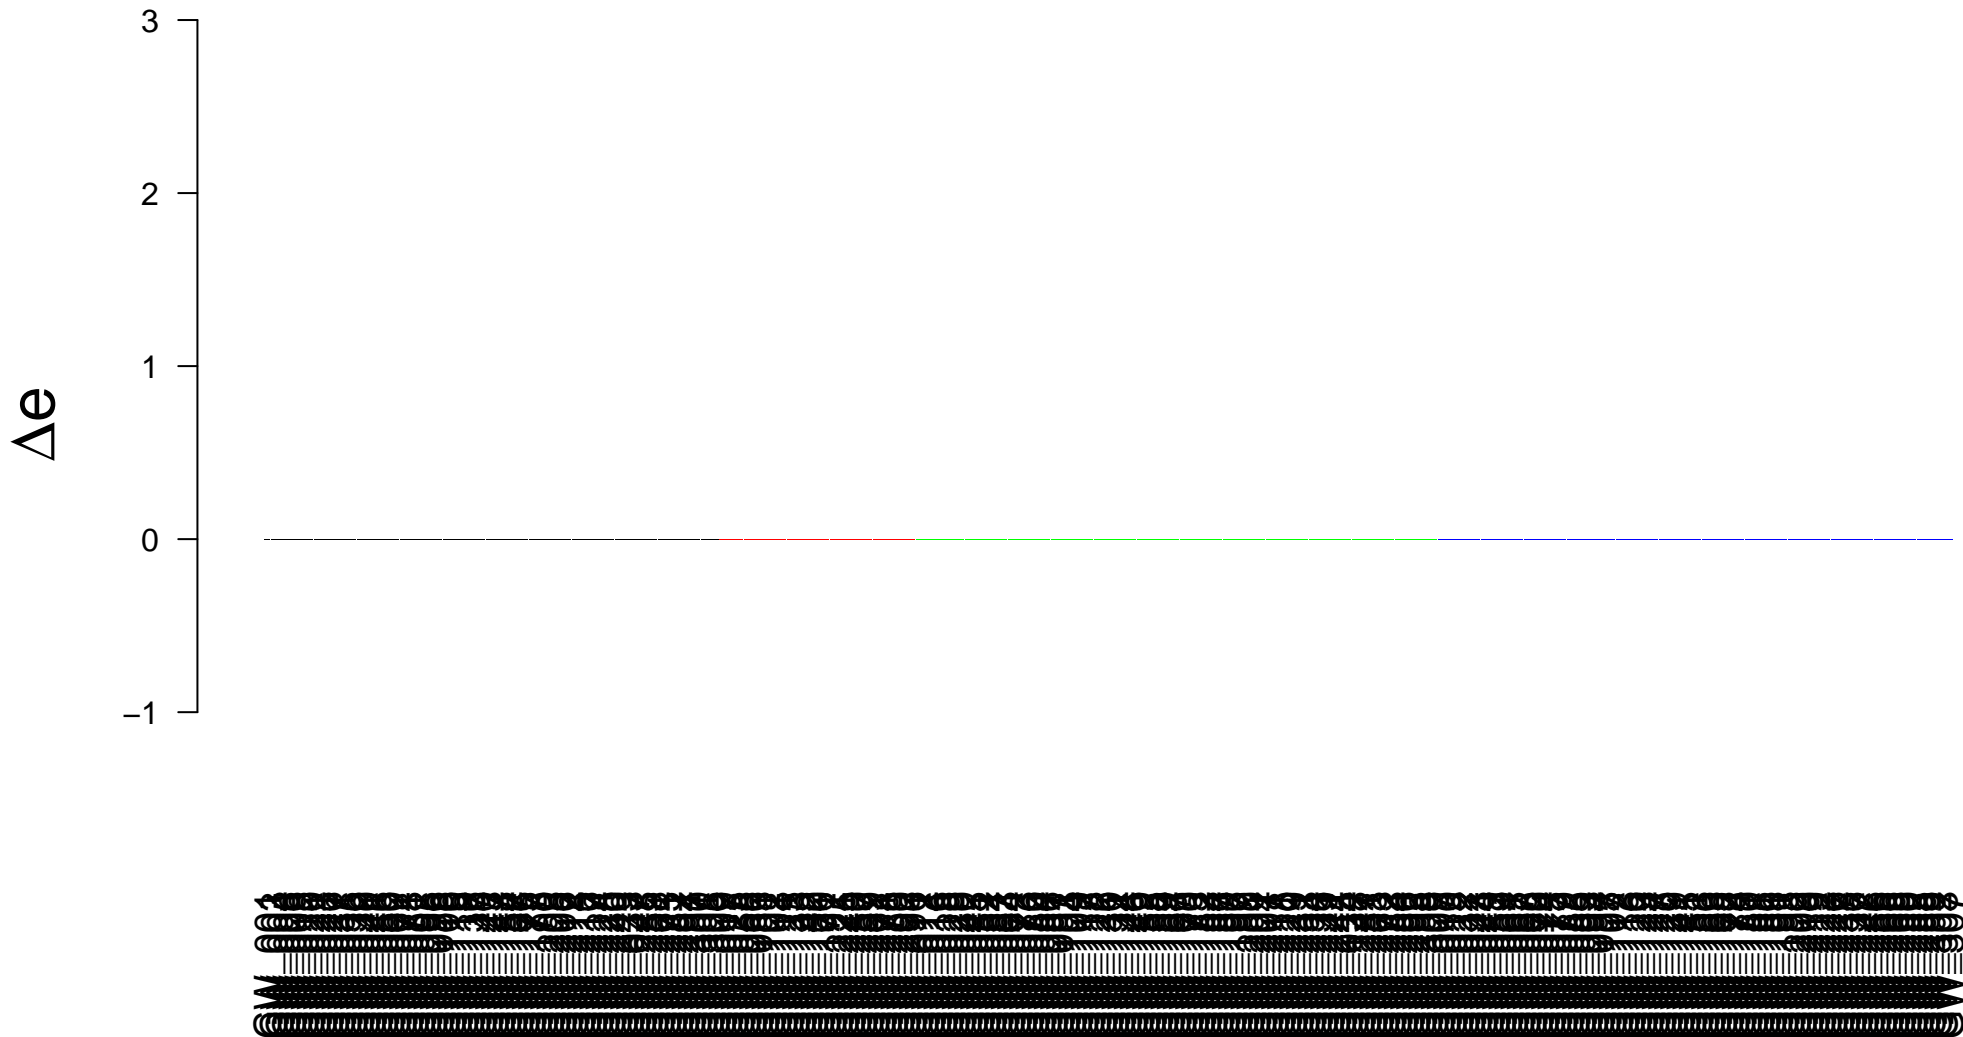

Expression of protein binding, bridging in Spot Q

Expression of protein binding, bridging in Spot R
