

protein complex scaffold

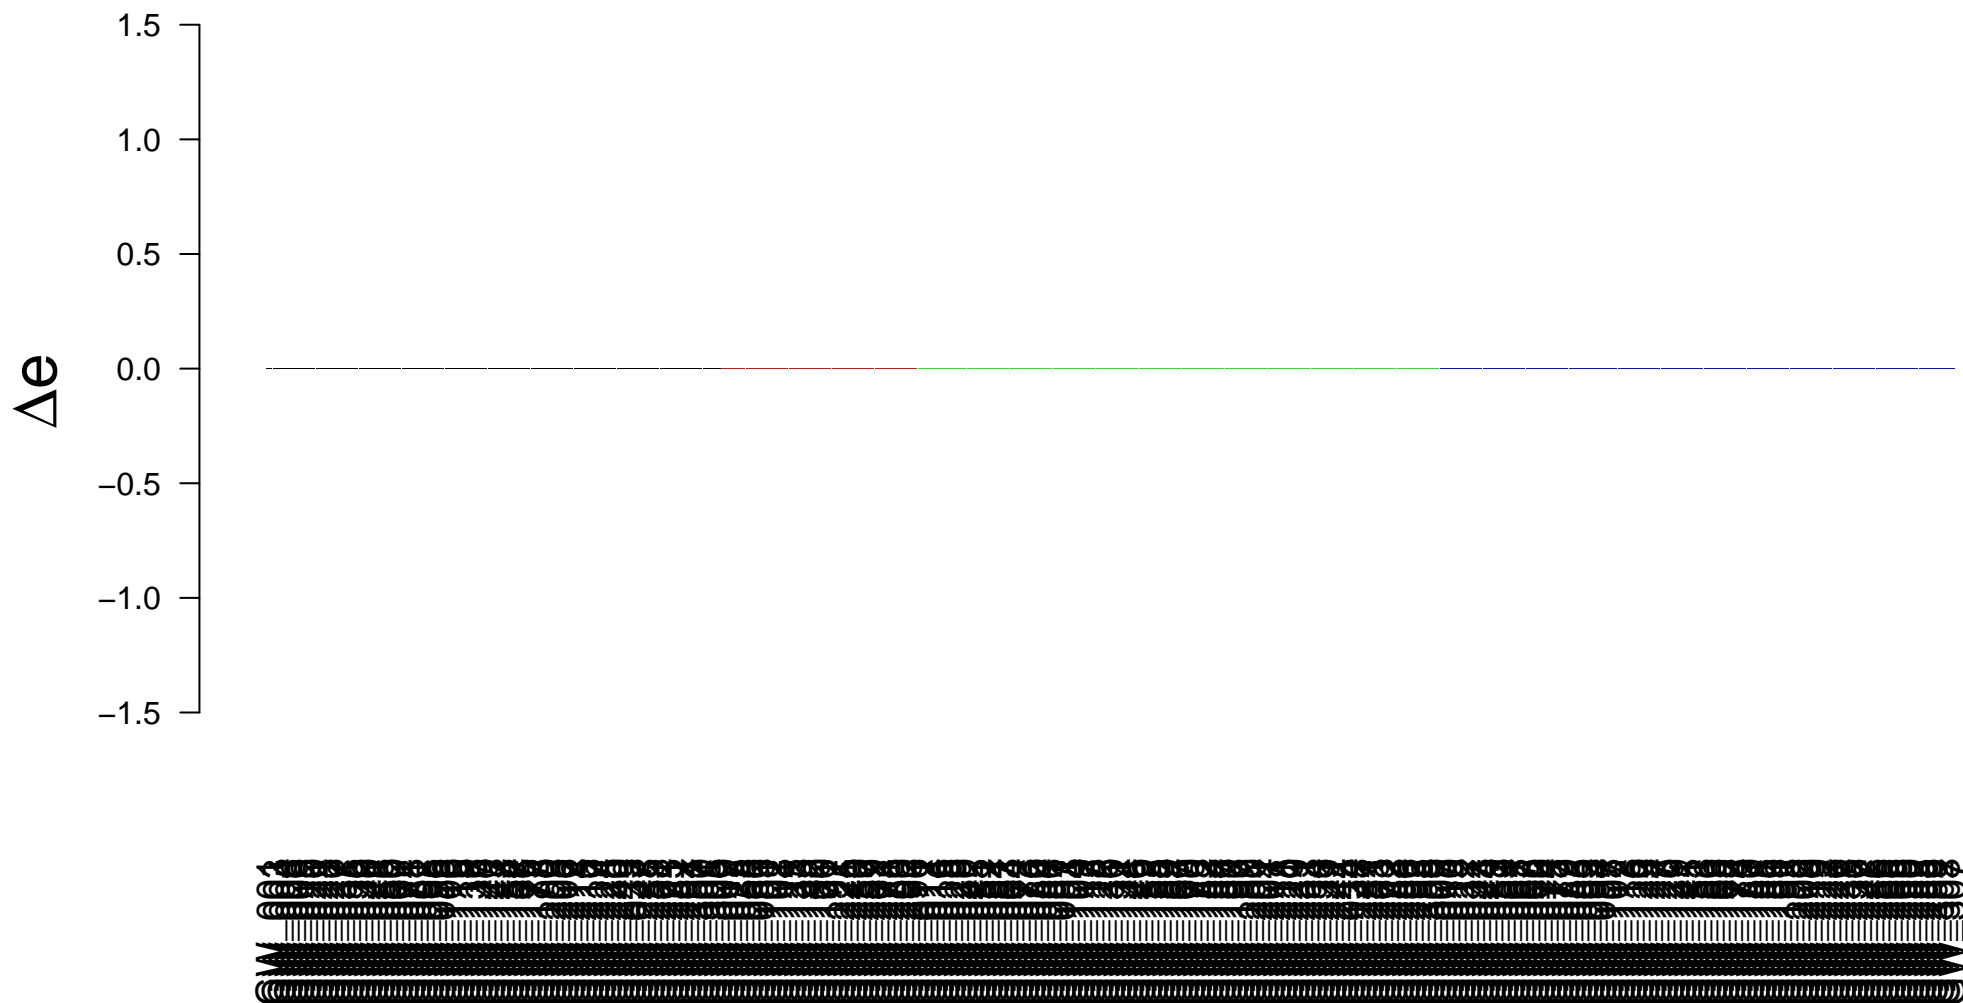

protein complex scaffold

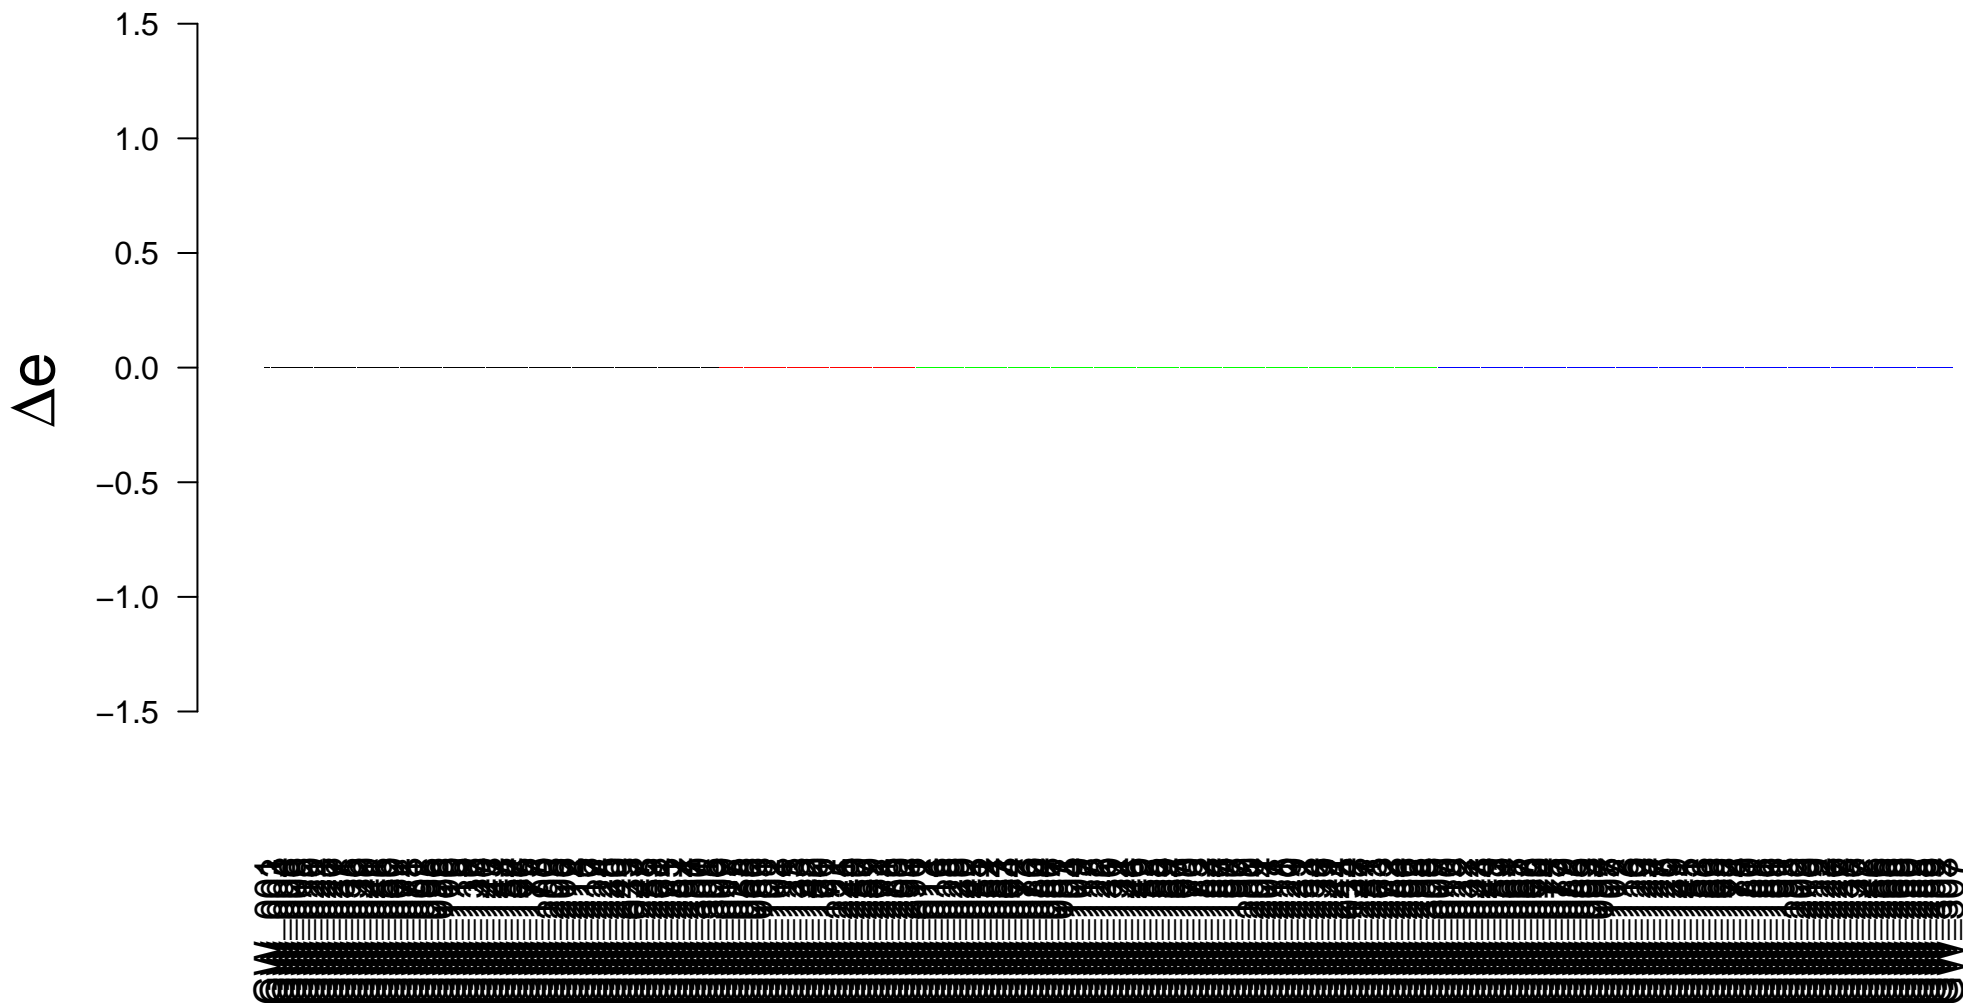

Enrichment in spots: protein complex scaffold

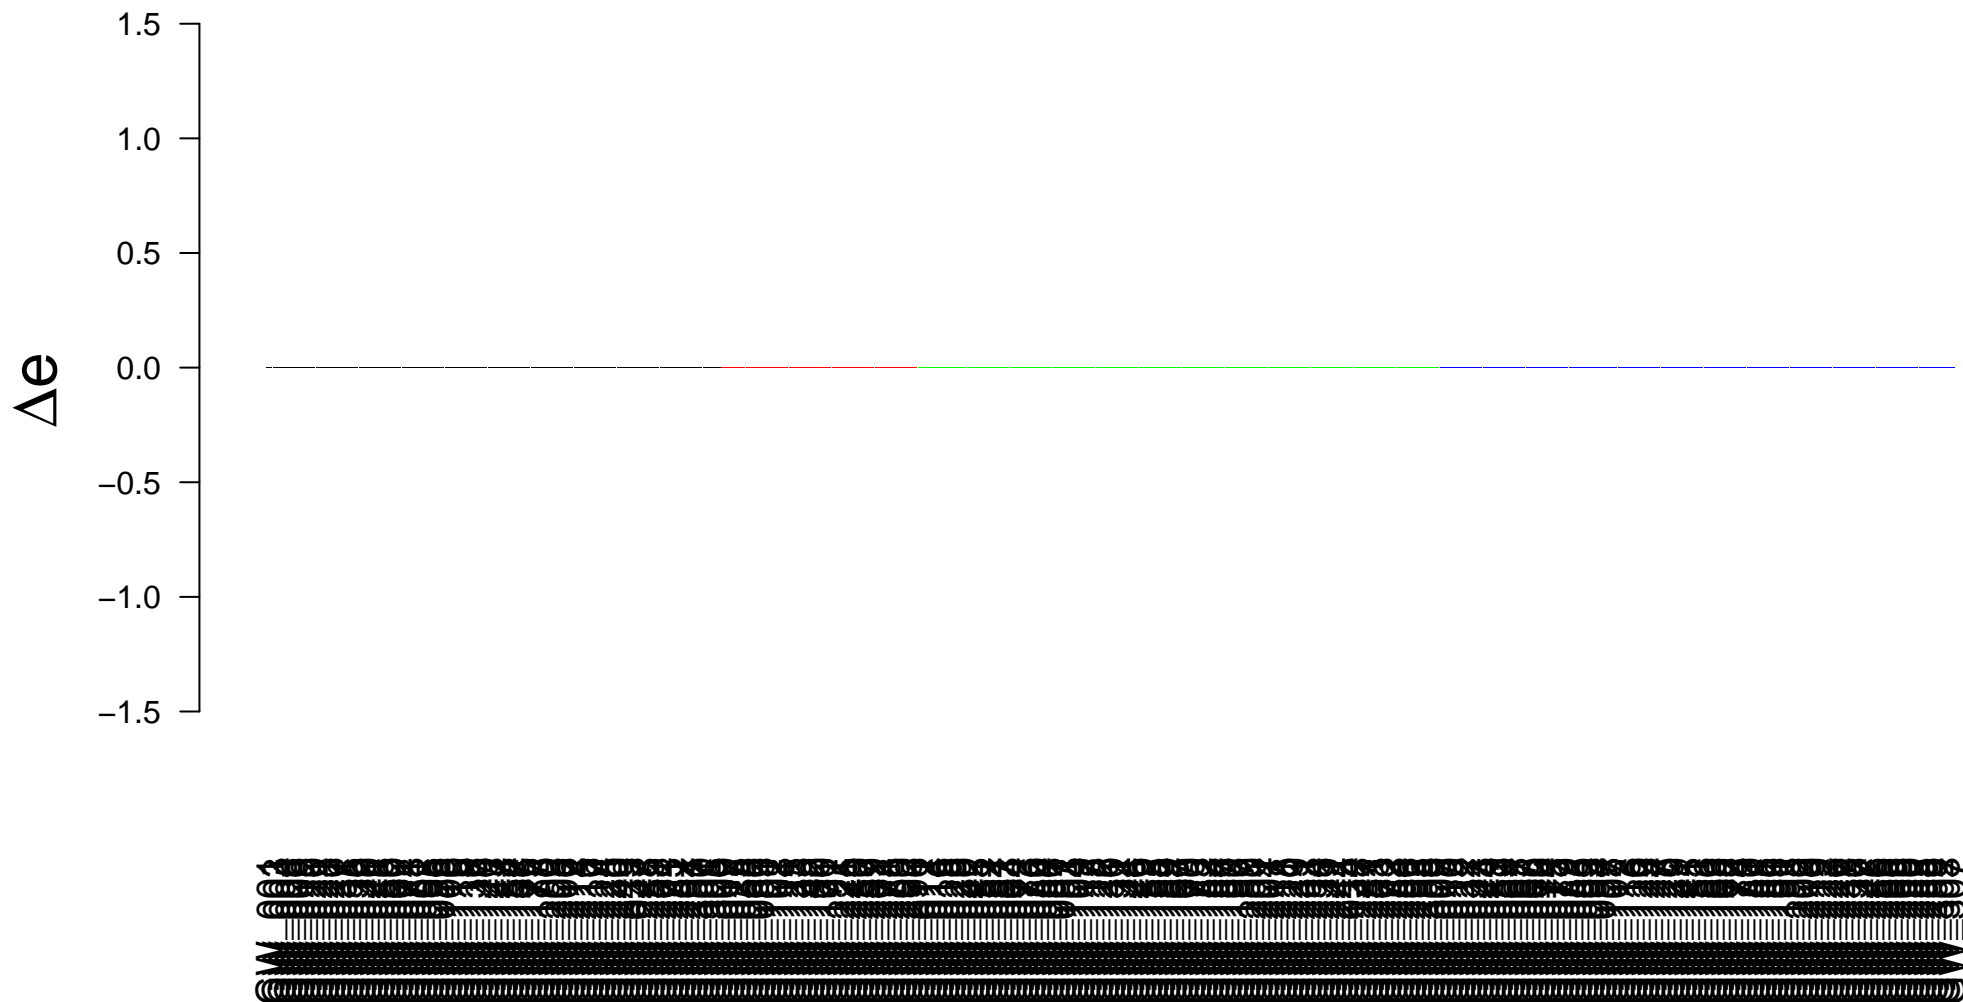

Expression of protein complex scaffold in Spot A

Expression of protein complex scaffold in Spot B

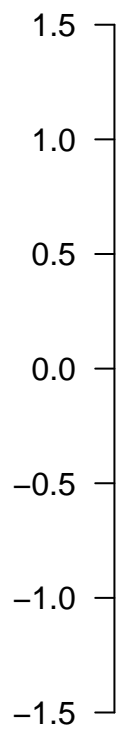

Expression of protein complex scaffold in Spot C

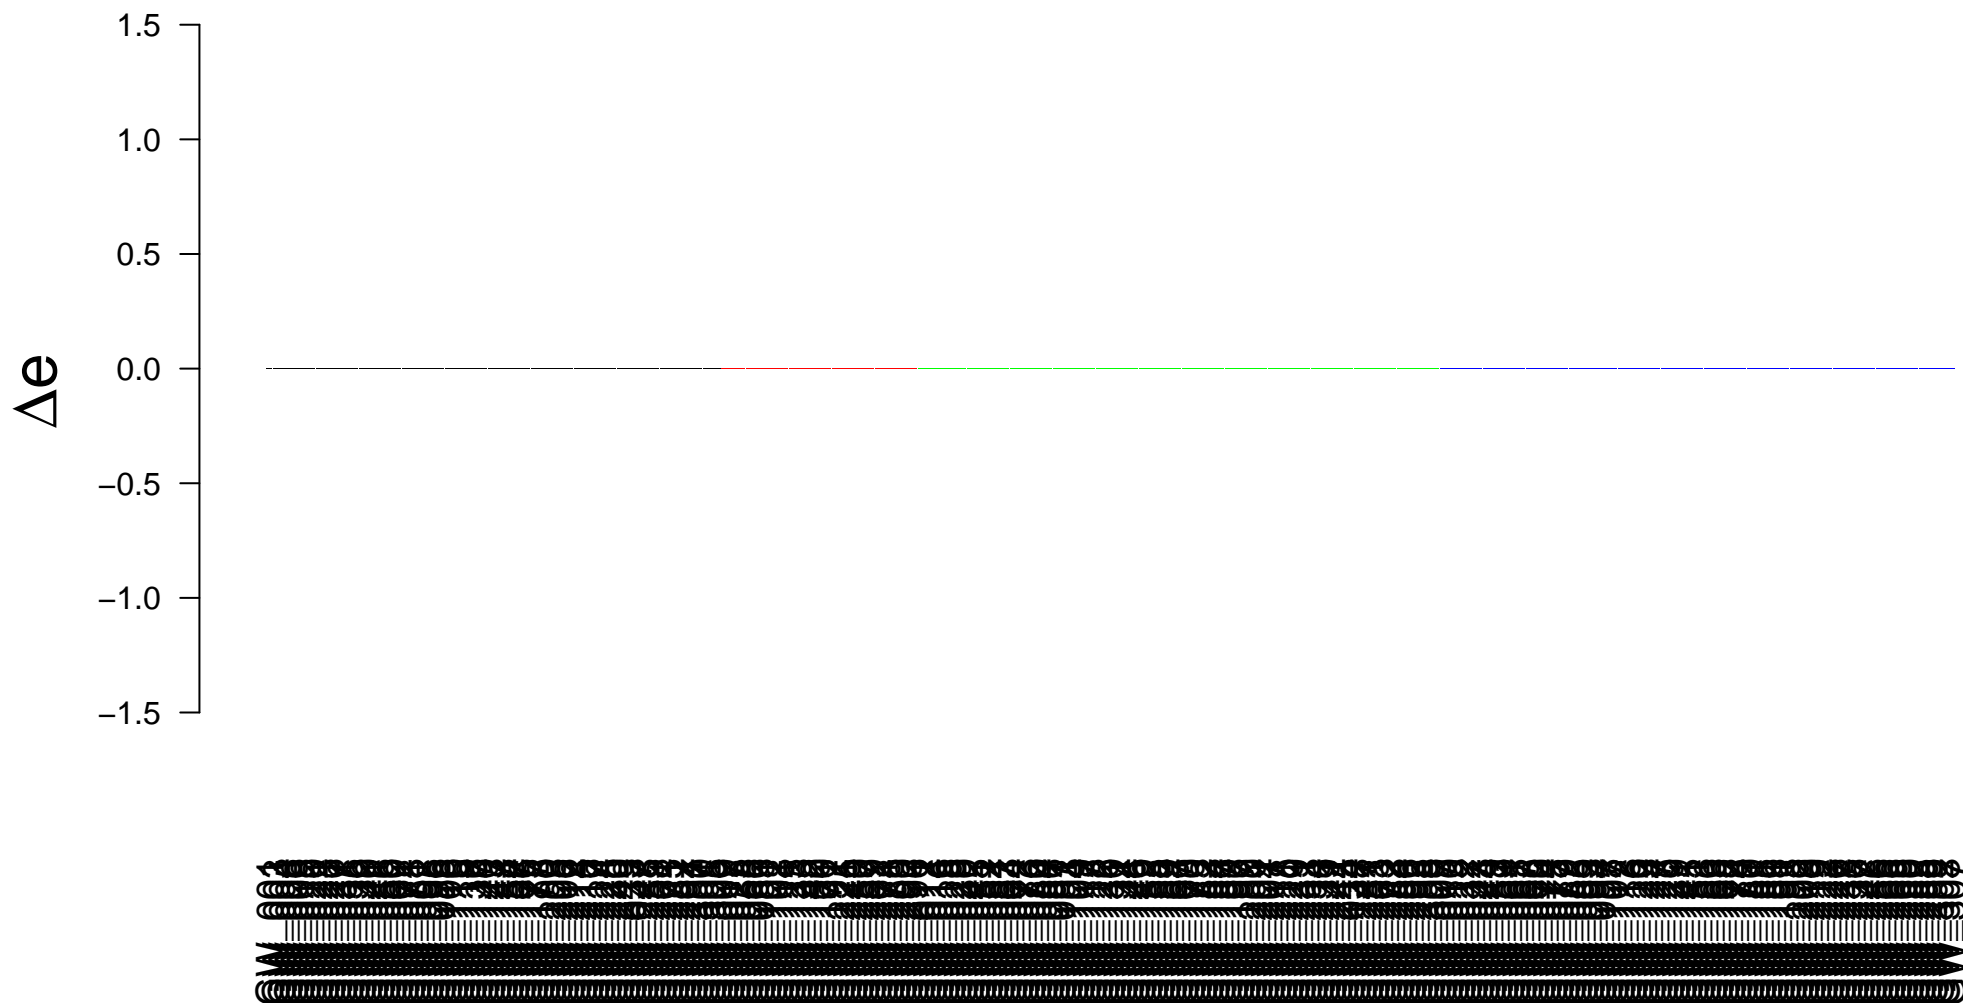

Expression of protein complex scaffold in Spot D

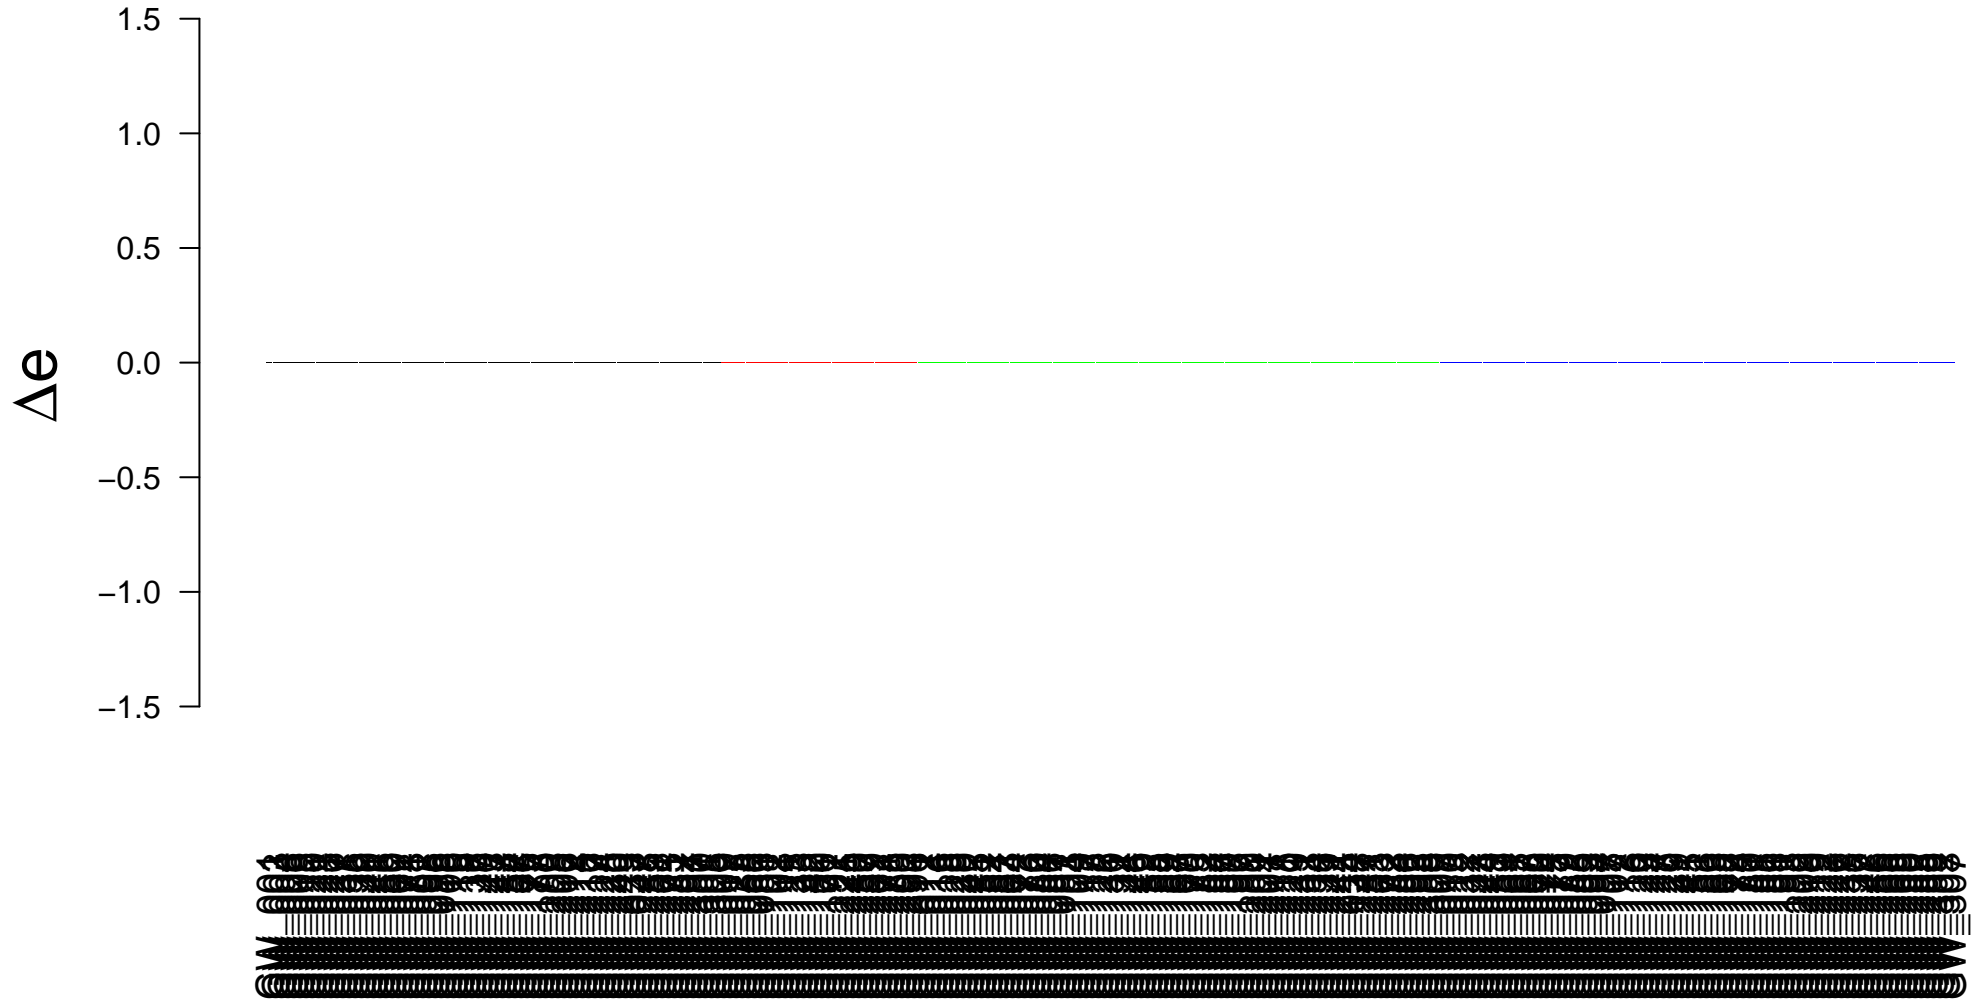

Δe

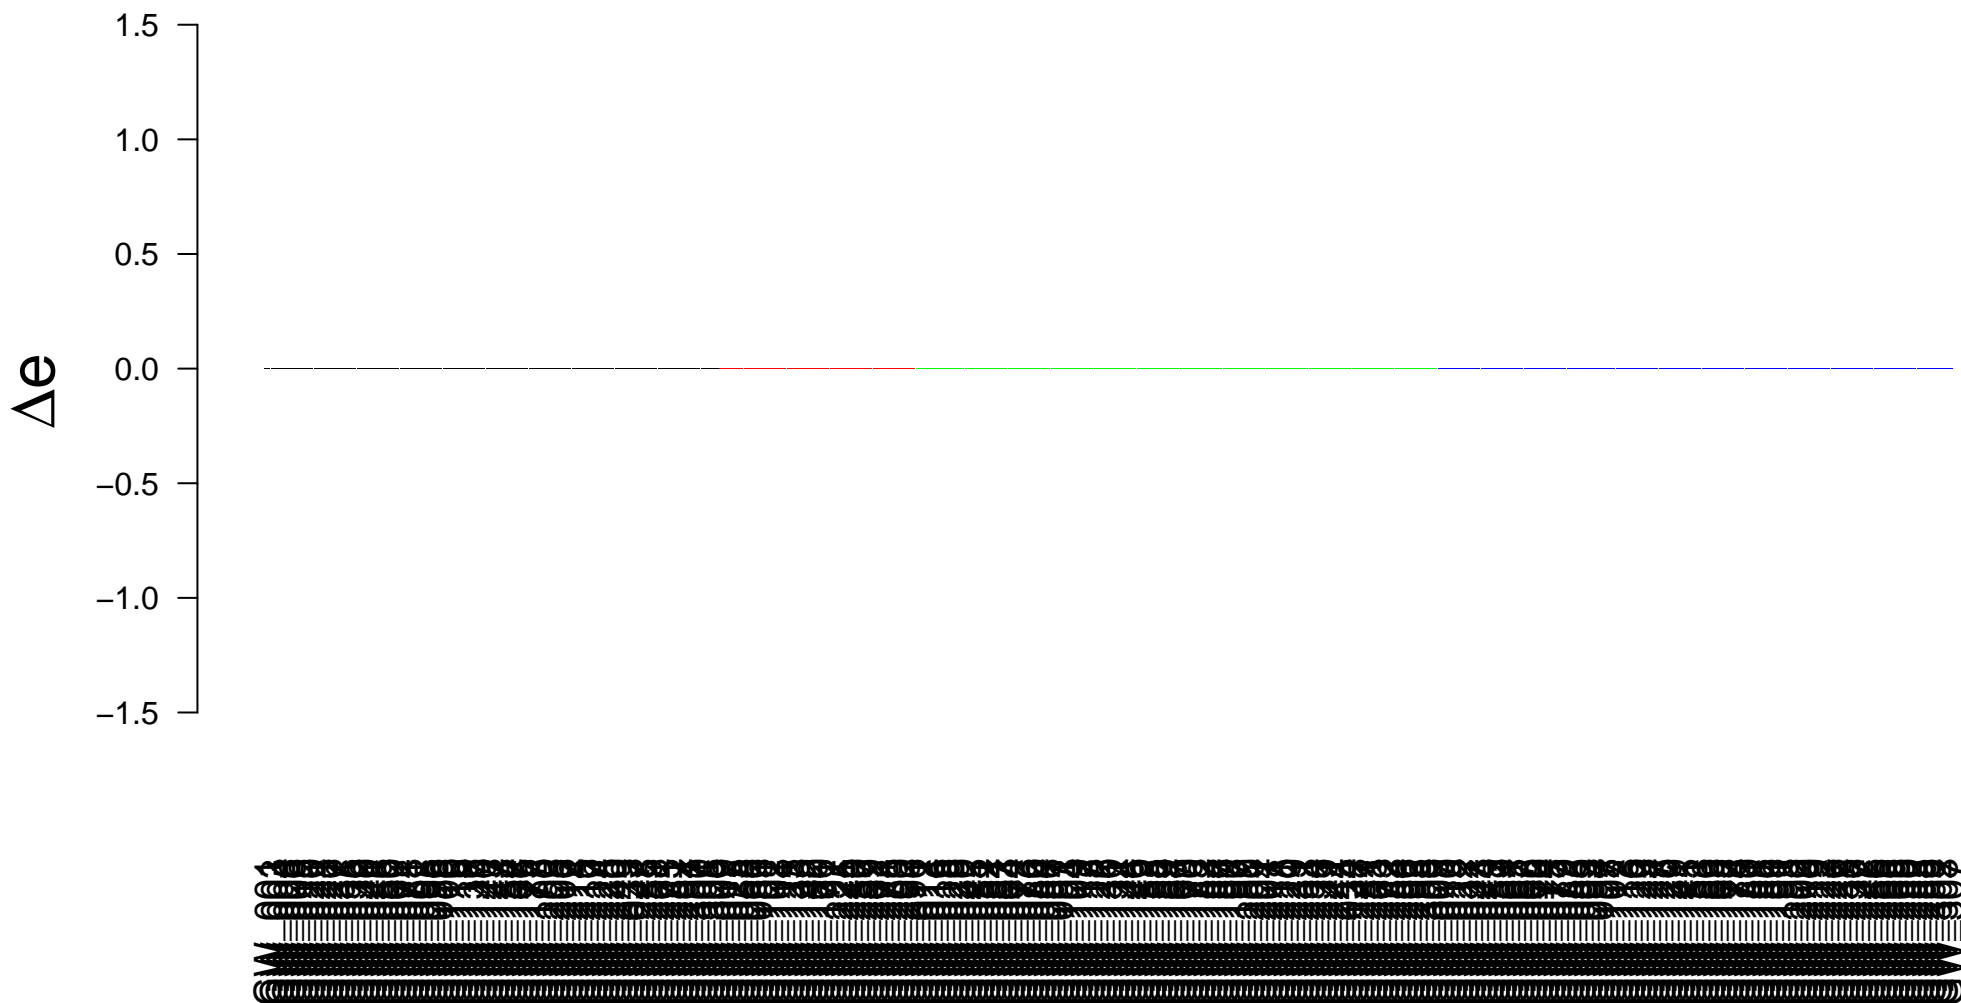

Expression of protein complex scaffold in Spot E

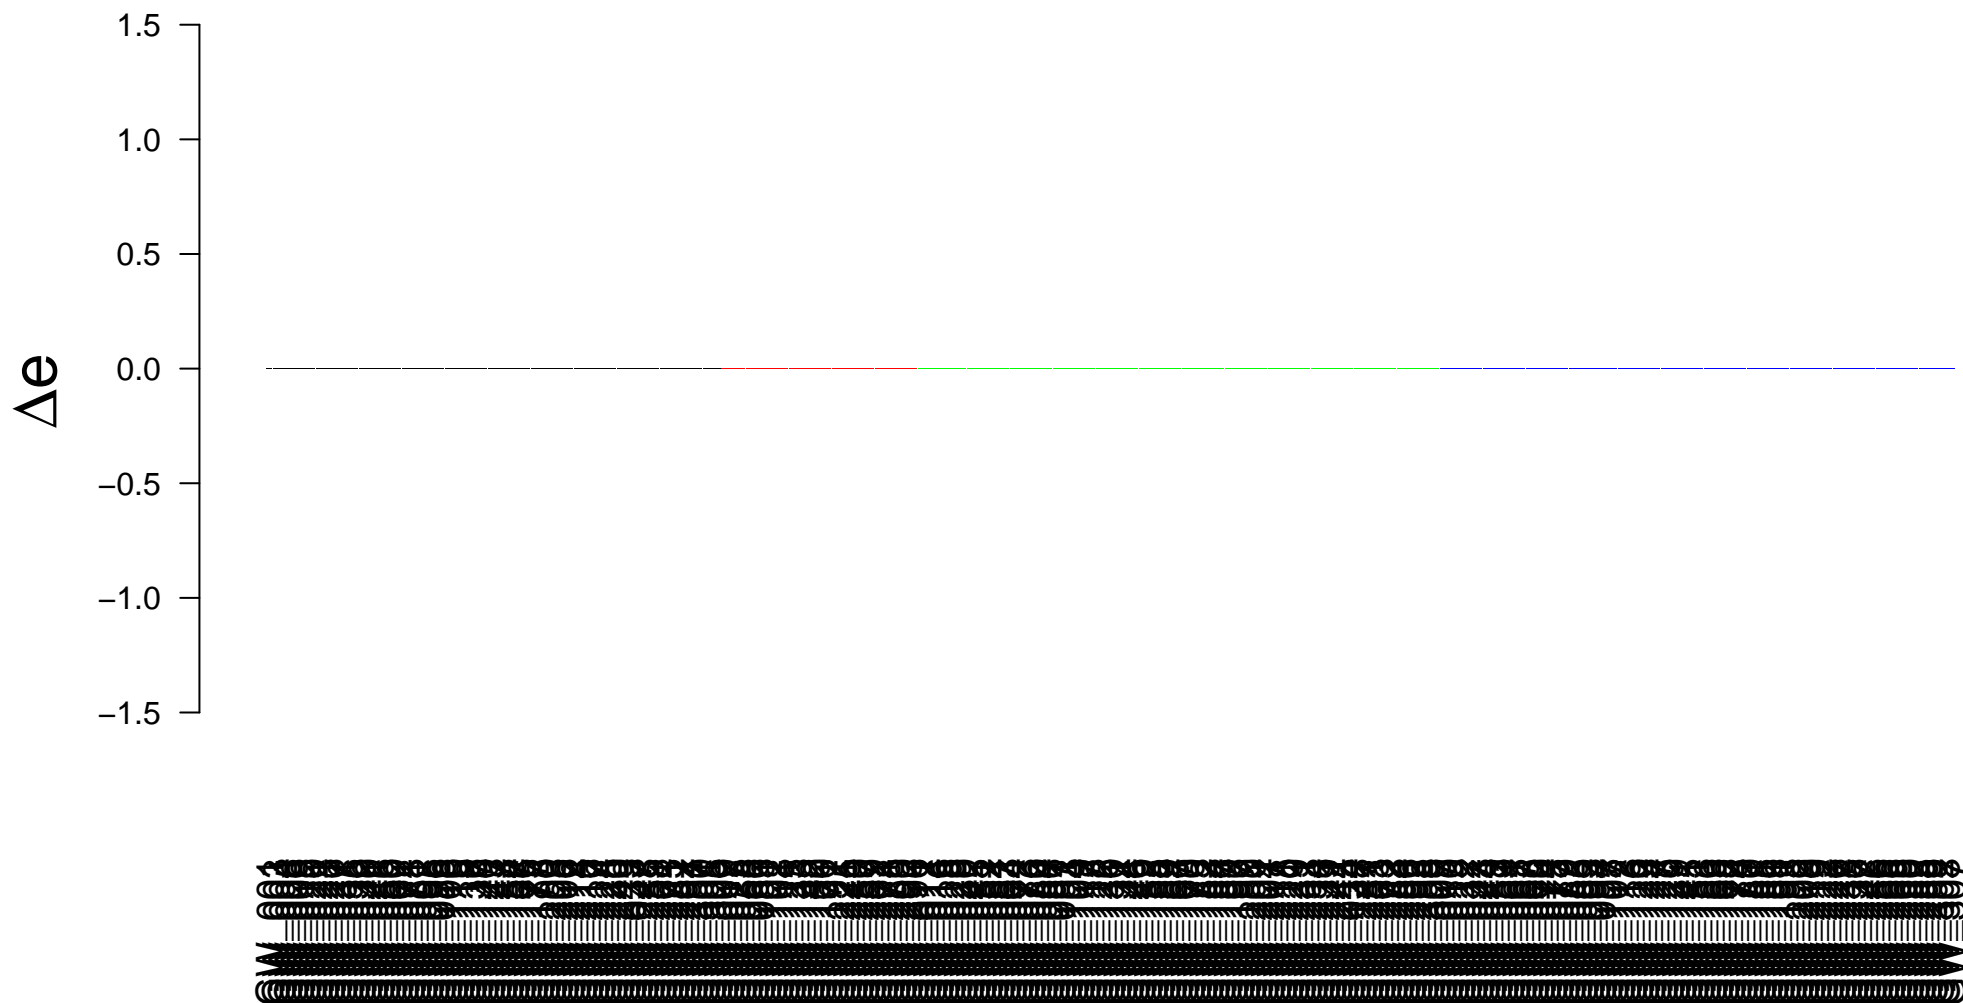

Expression of protein complex scaffold in Spot F

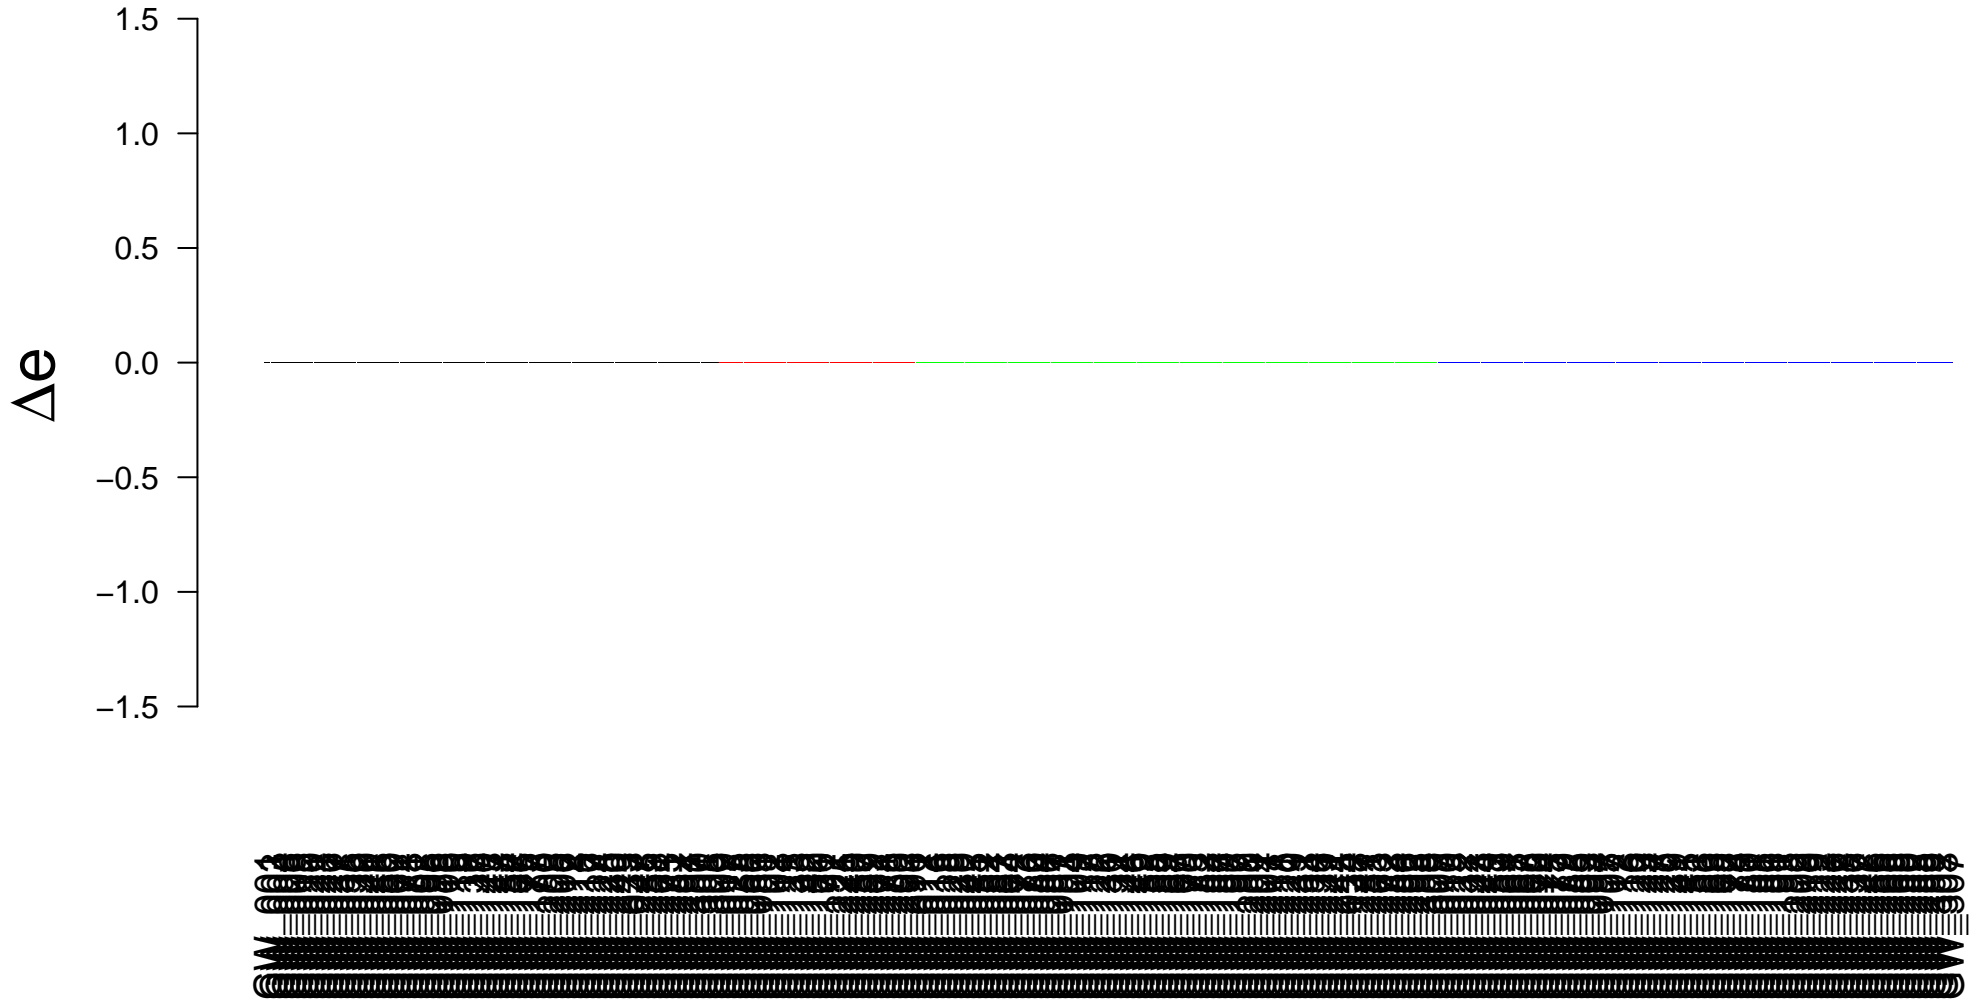

Expression of protein complex scaffold in Spot G

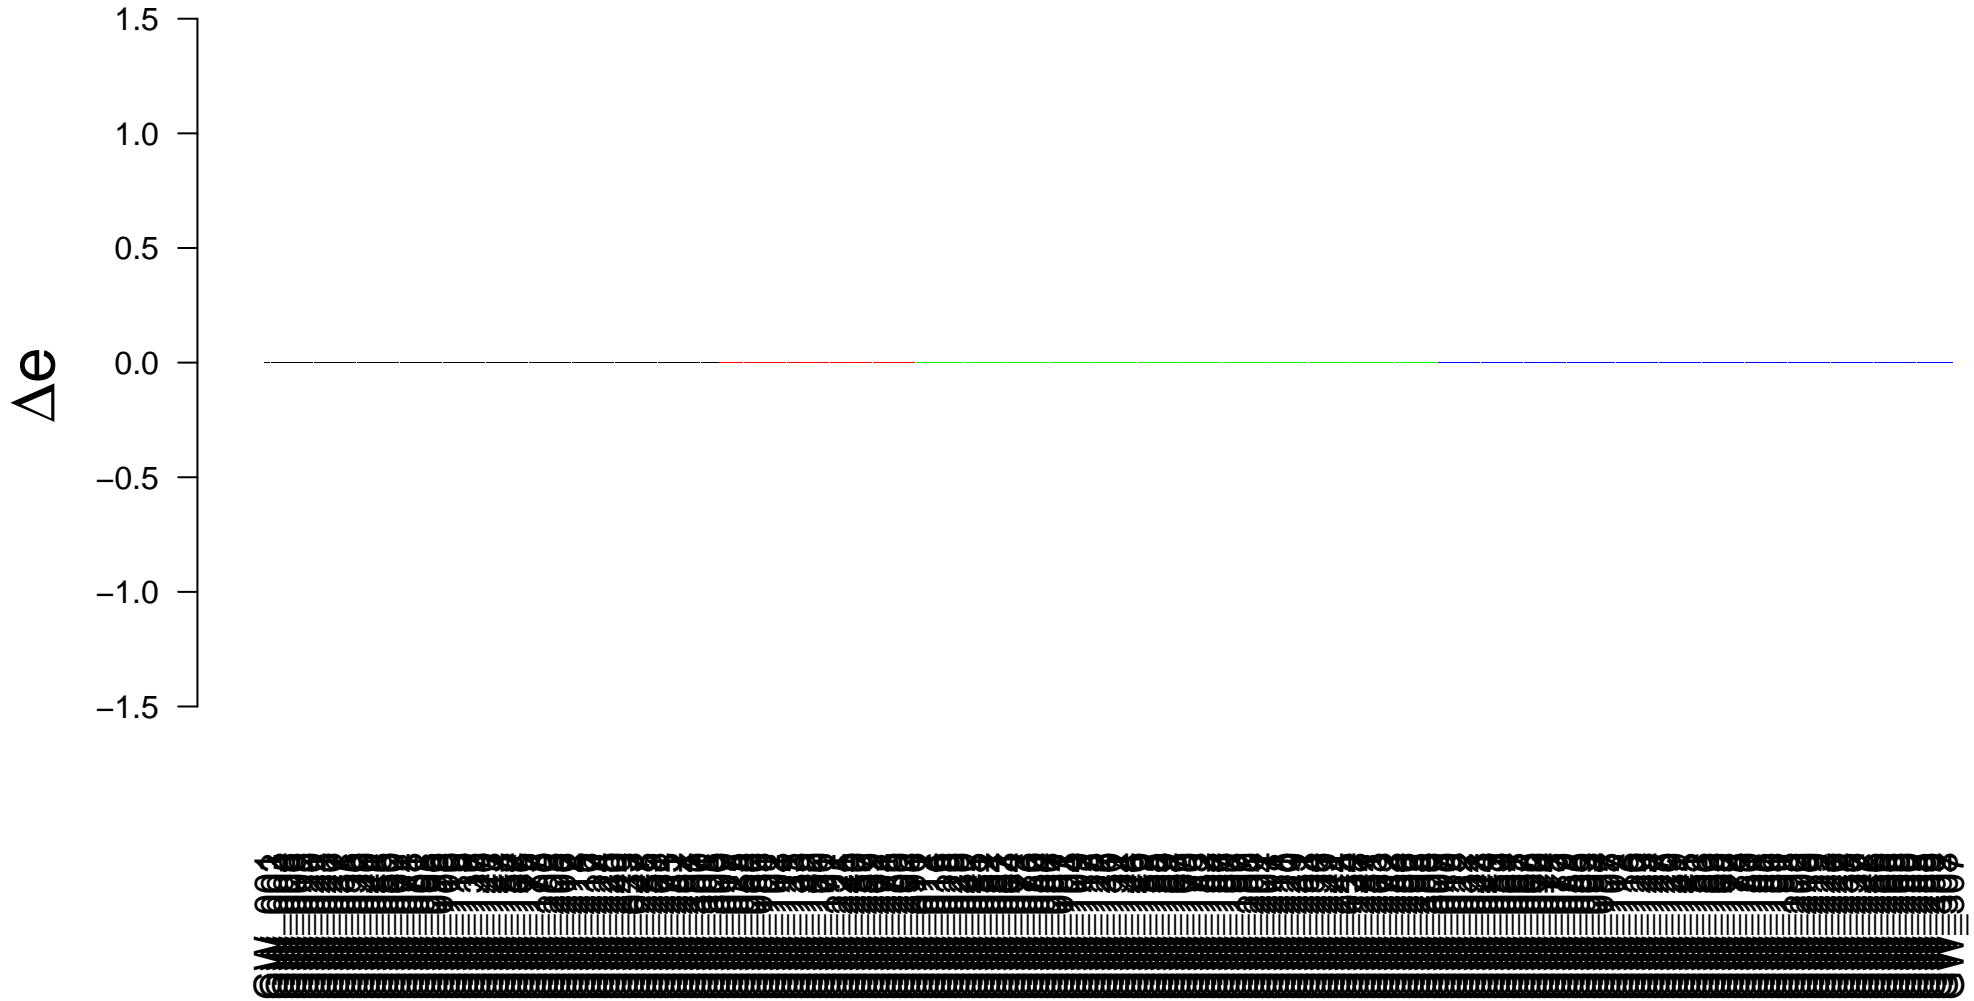

Expression of protein complex scaffold in Spot H

Expression of protein complex scaffold in Spot I

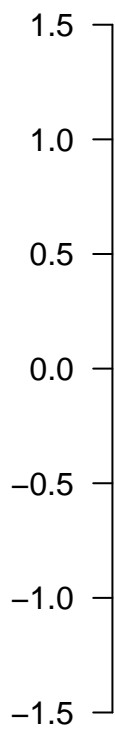

Expression of protein complex scaffold in Spot J

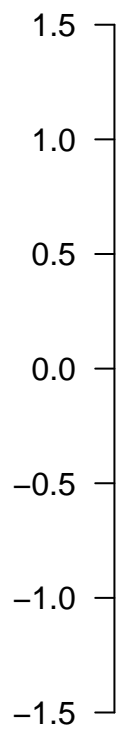

Expression of protein complex scaffold in Spot K

Δe

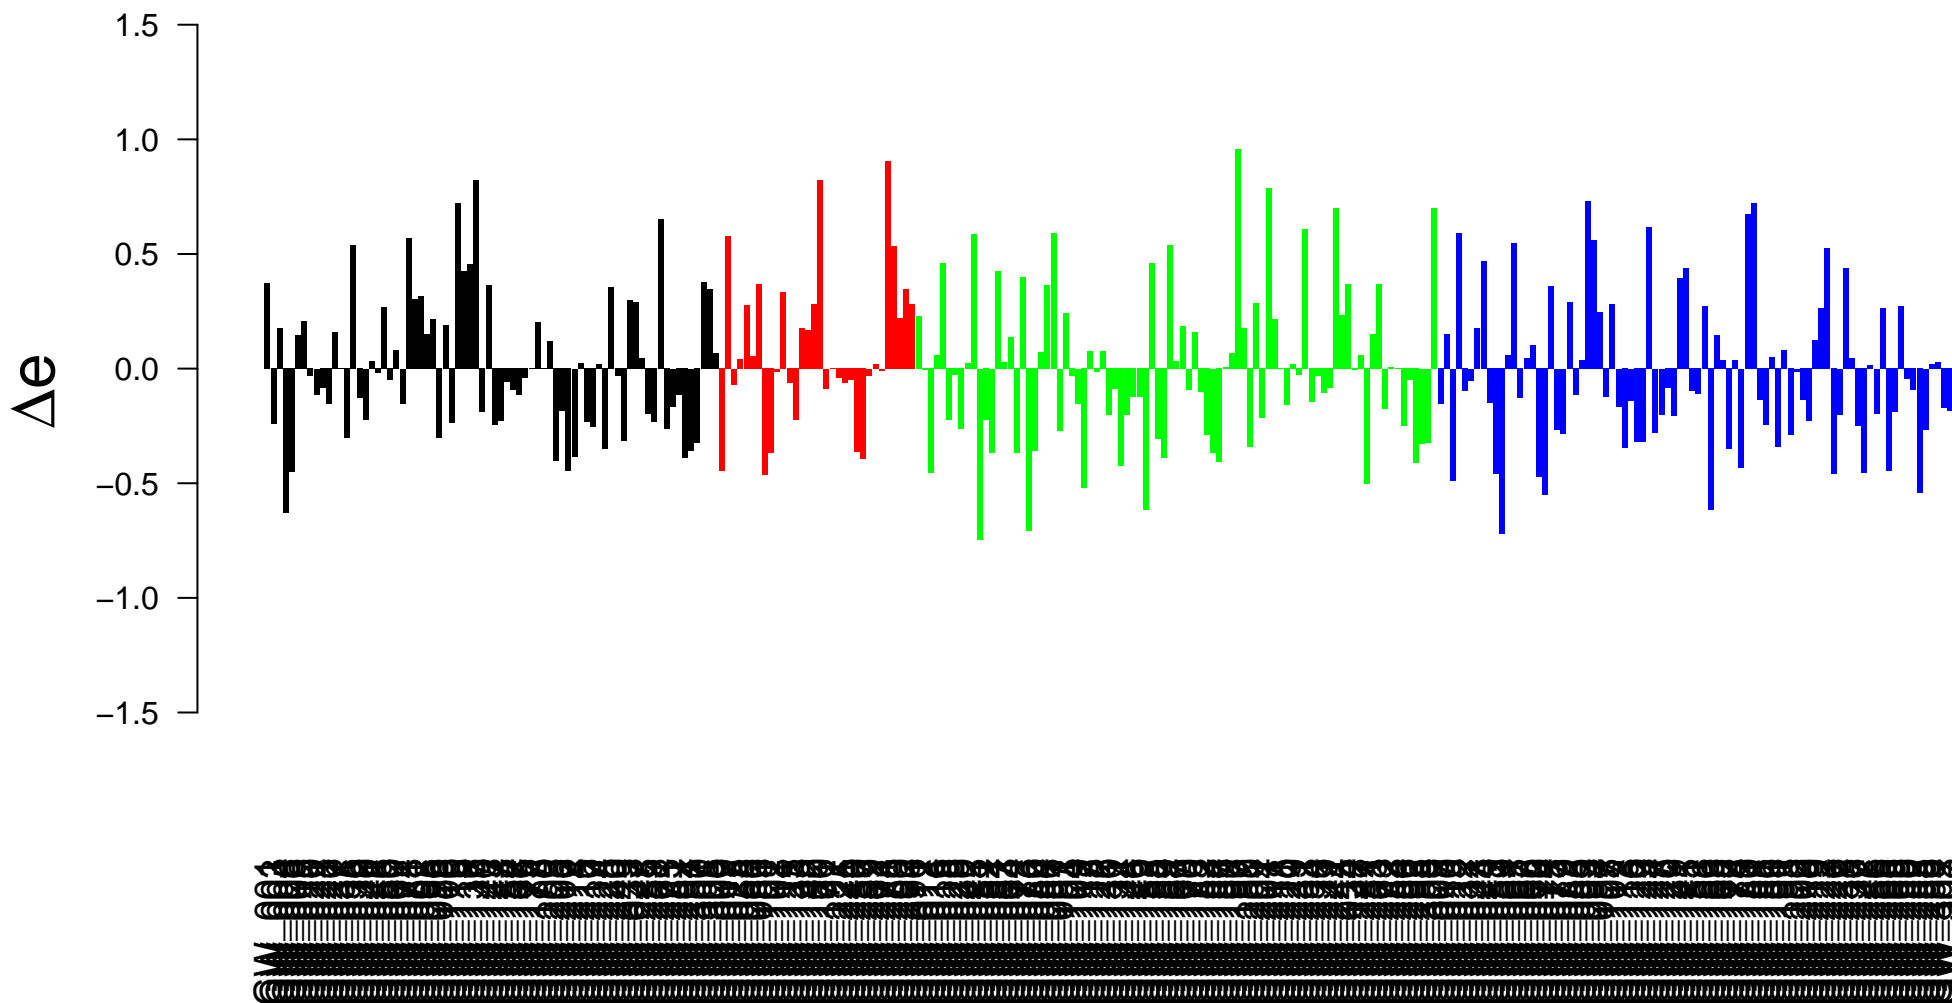

Expression of protein complex scaffold in Spot L

Δe

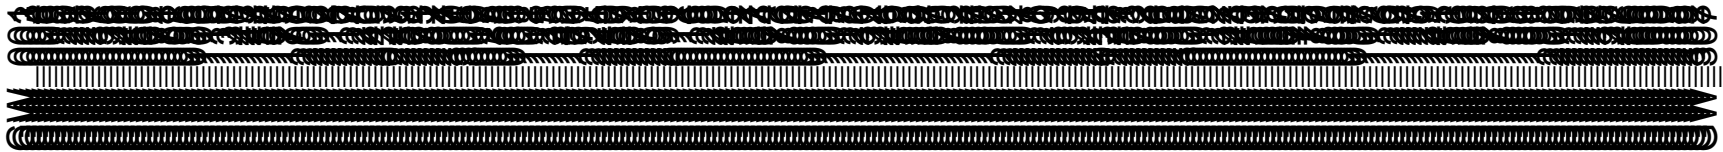

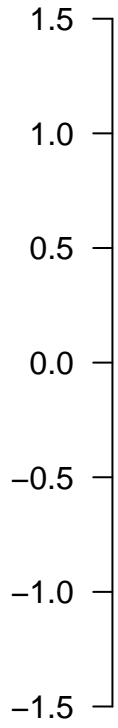

Expression of protein complex scaffold in Spot M

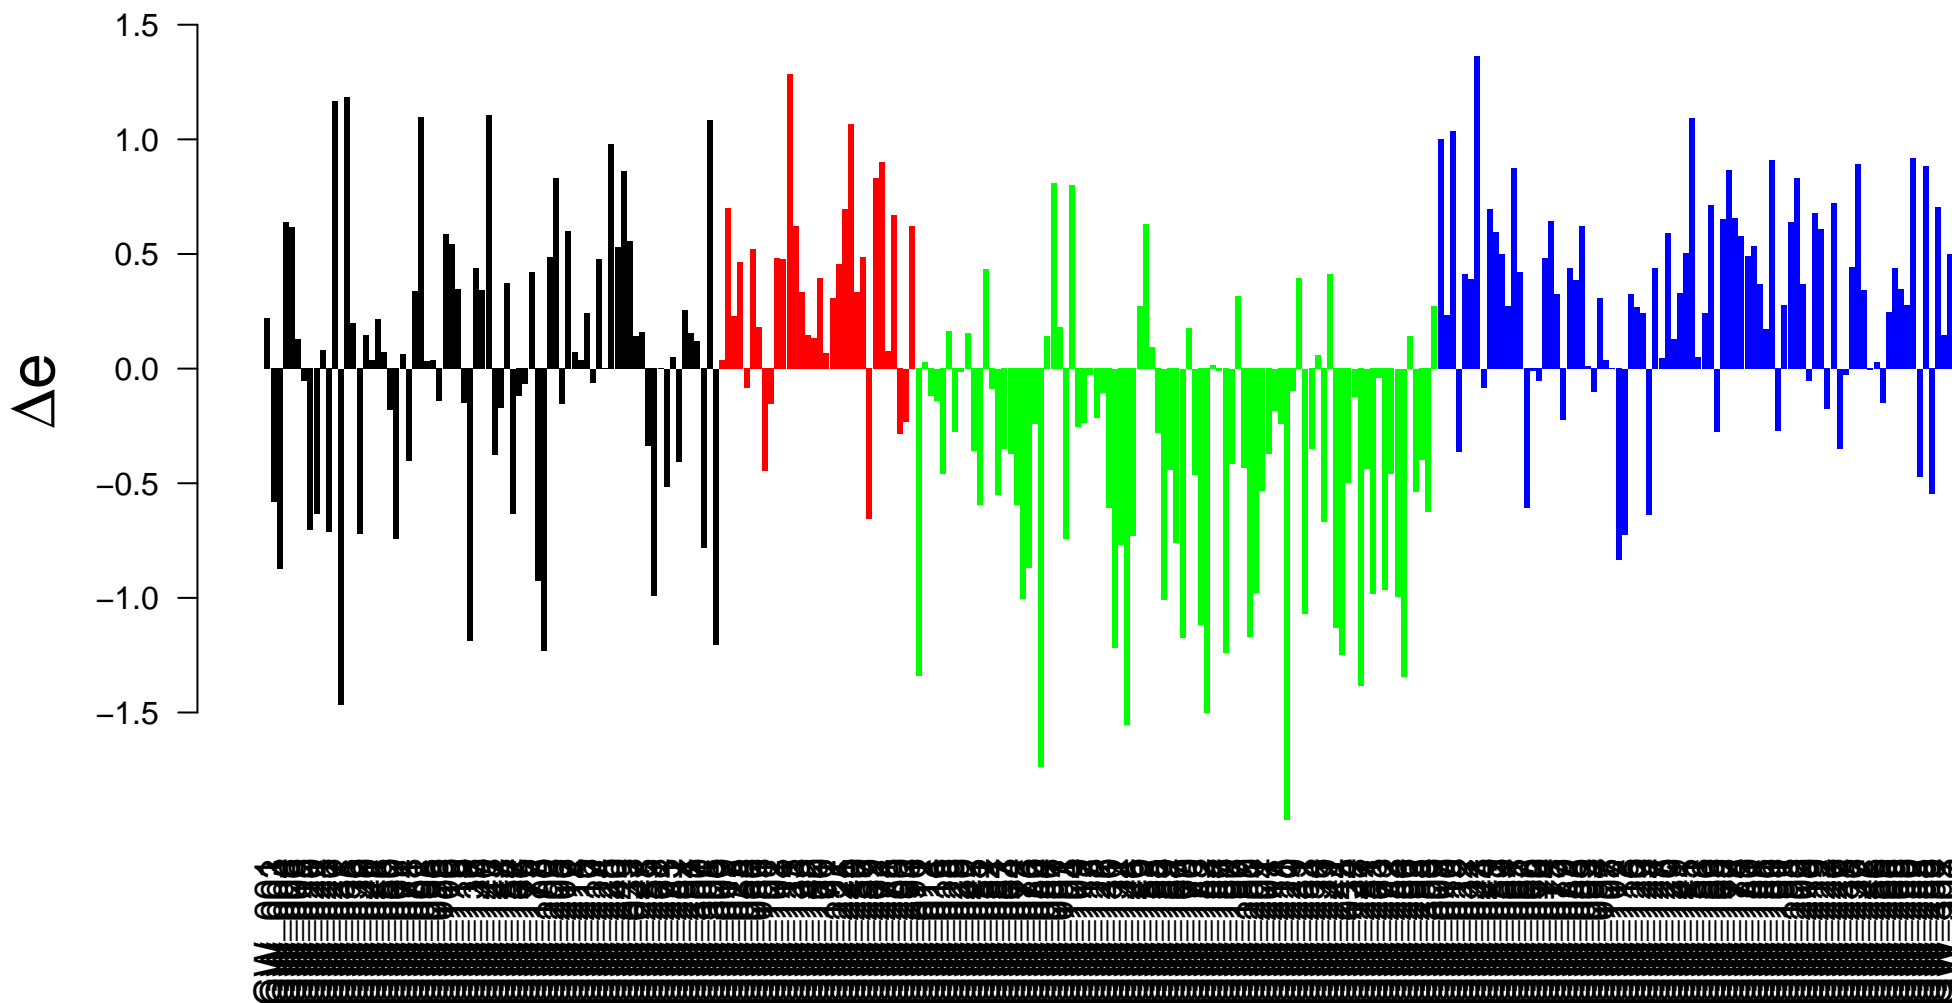

Expression of protein complex scaffold in Spot N

Δe

Expression of protein complex scaffold in Spot O

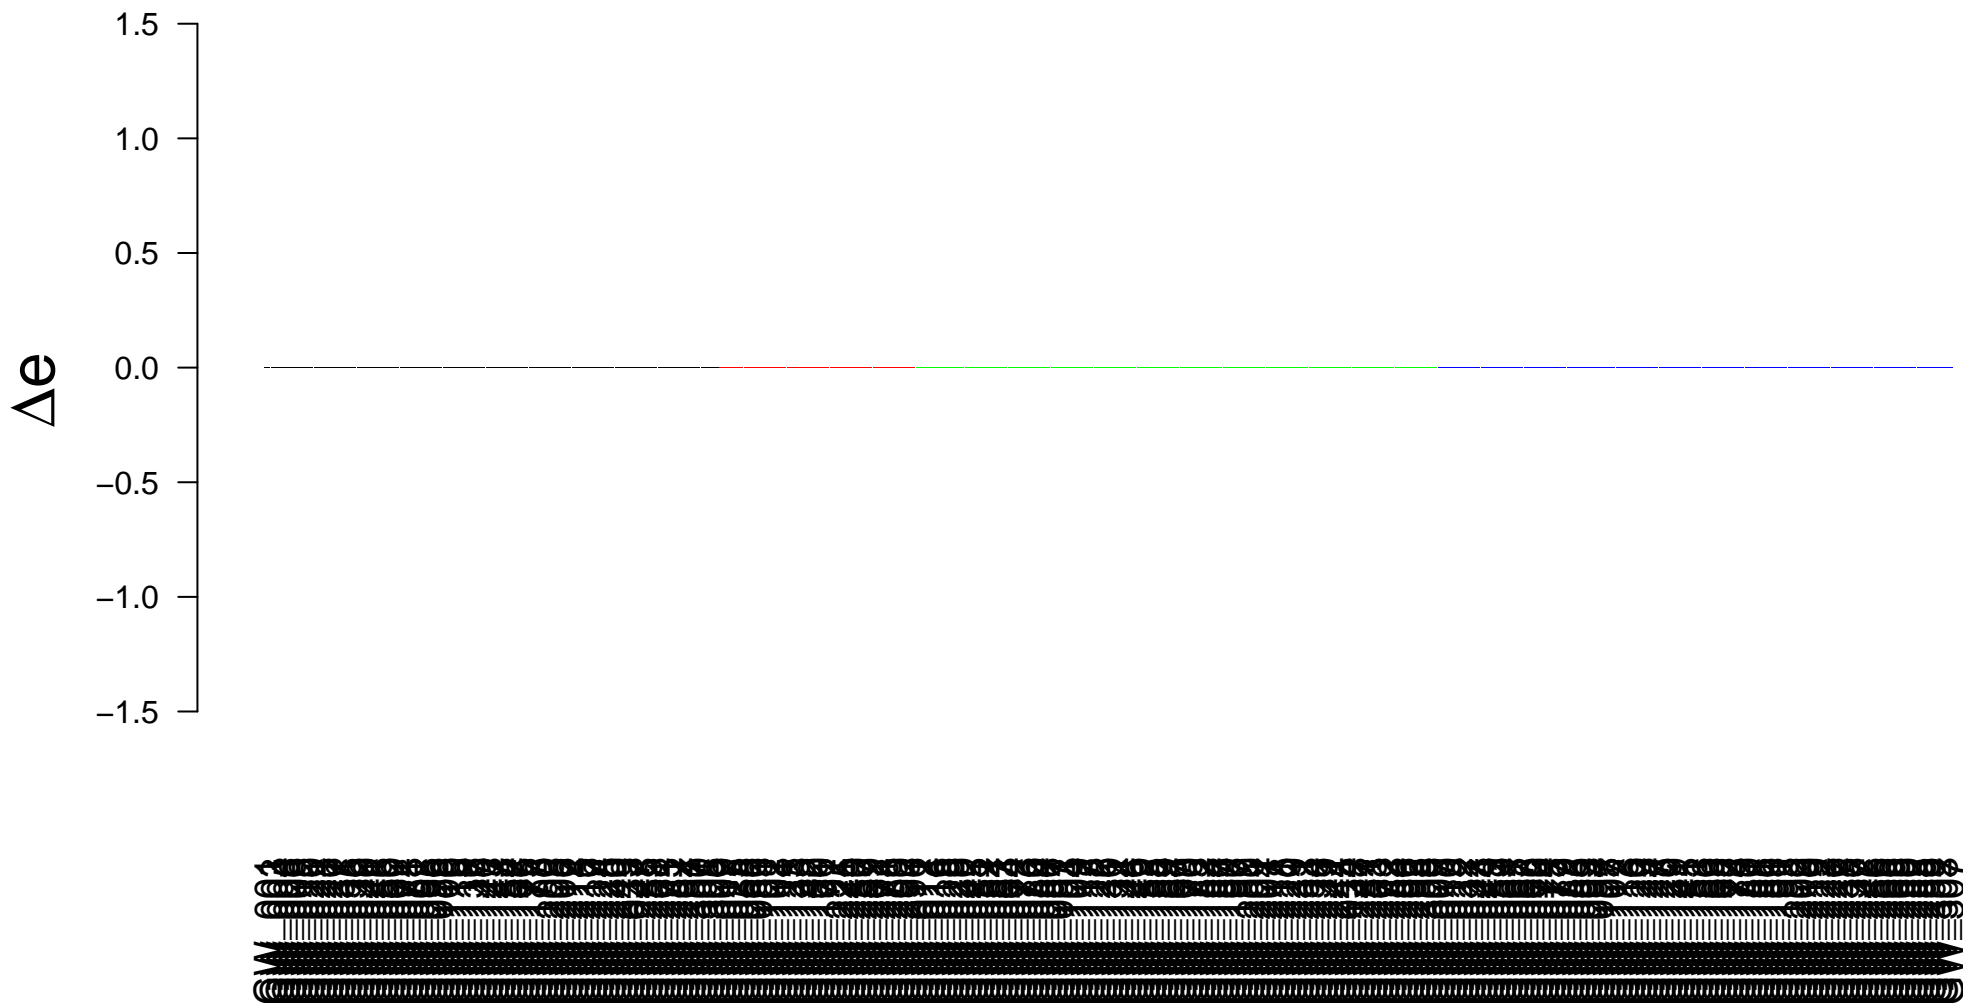

Expression of protein complex scaffold in Spot P
