

protein deacetylation

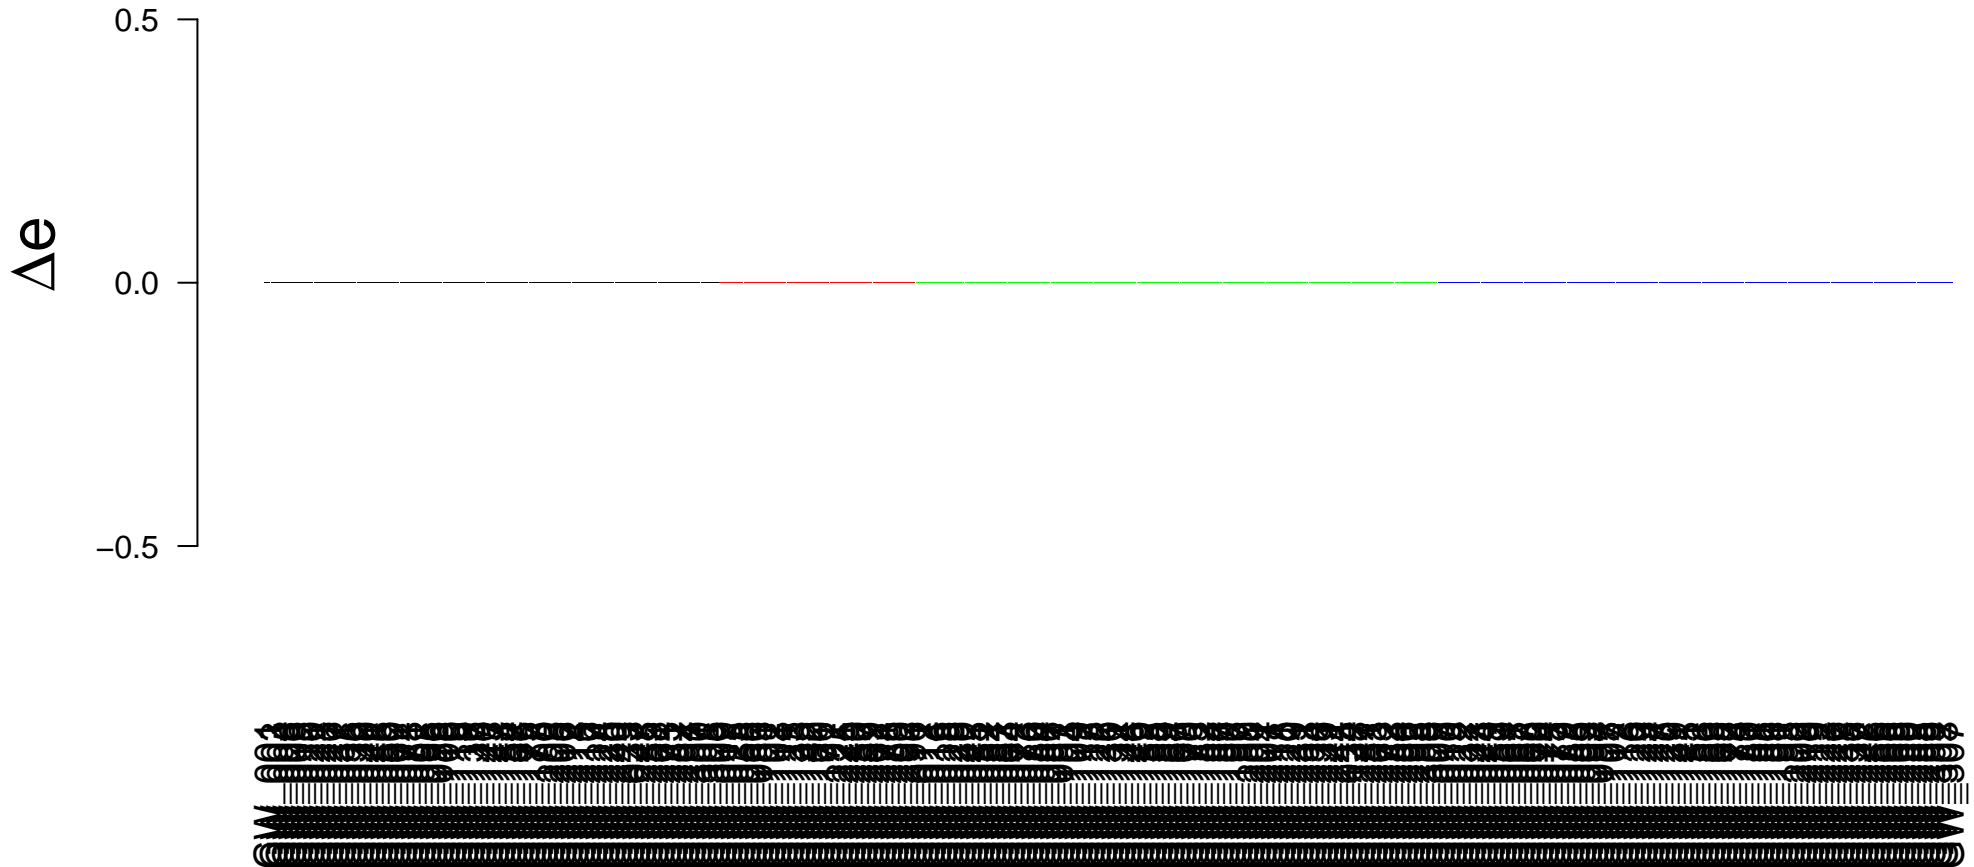

protein deacetylation

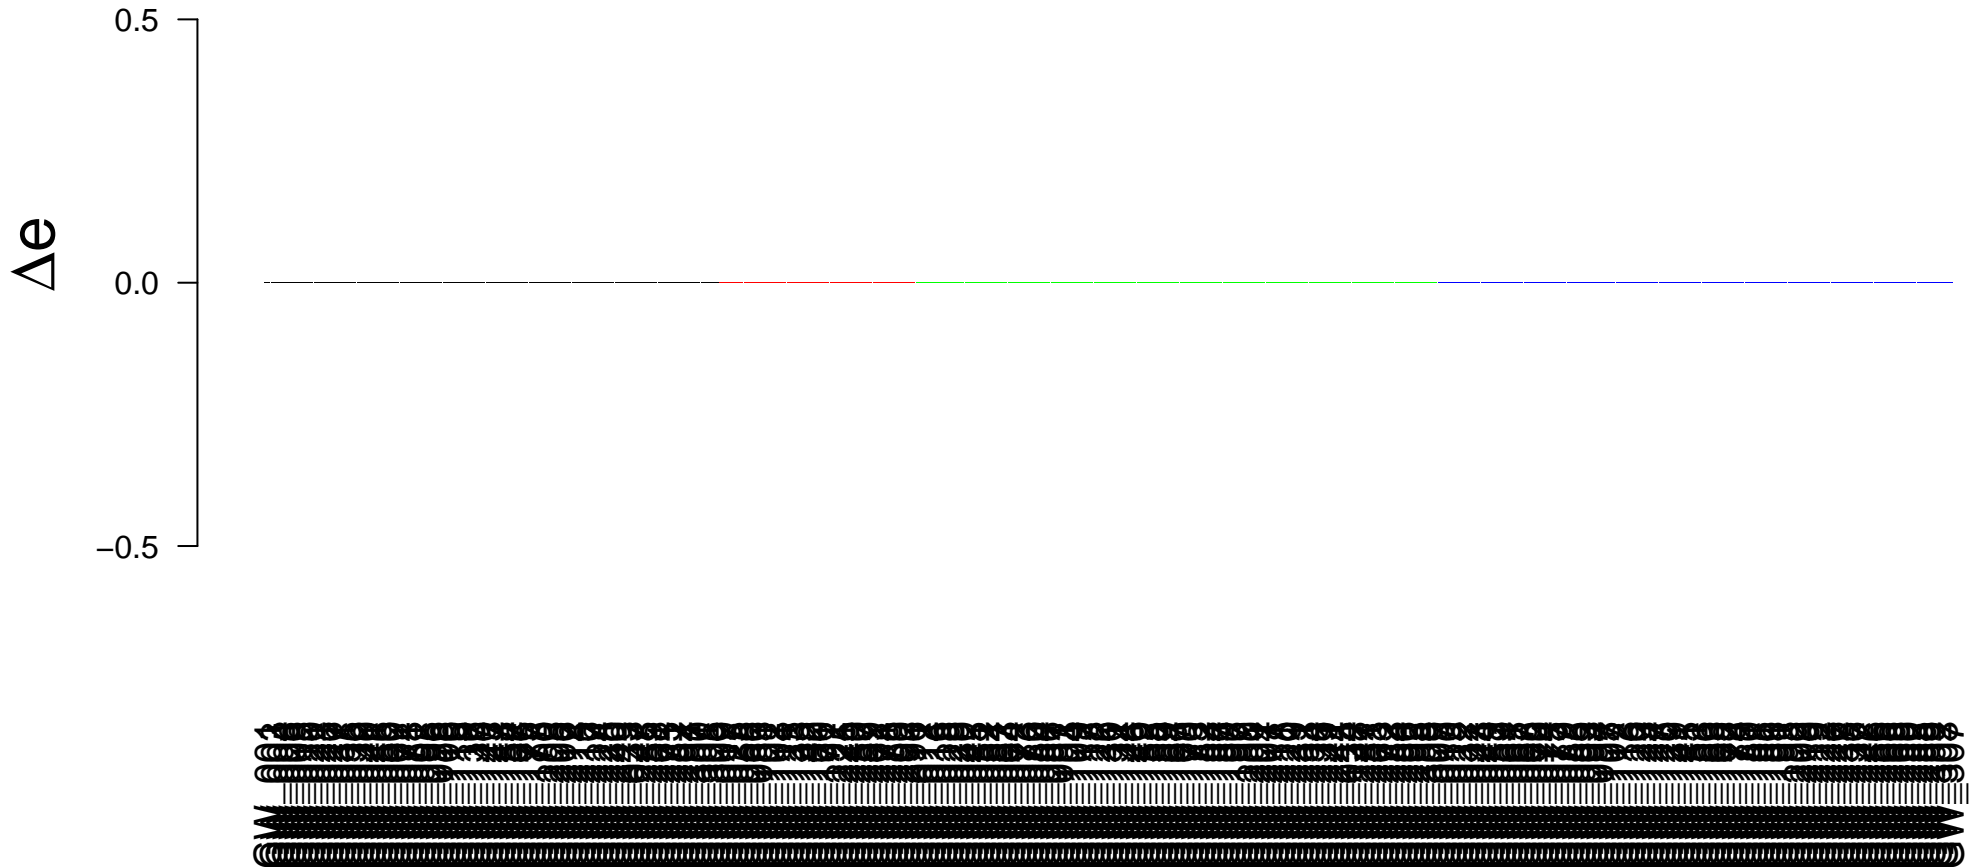

Enrichment in spots: protein deacetylation

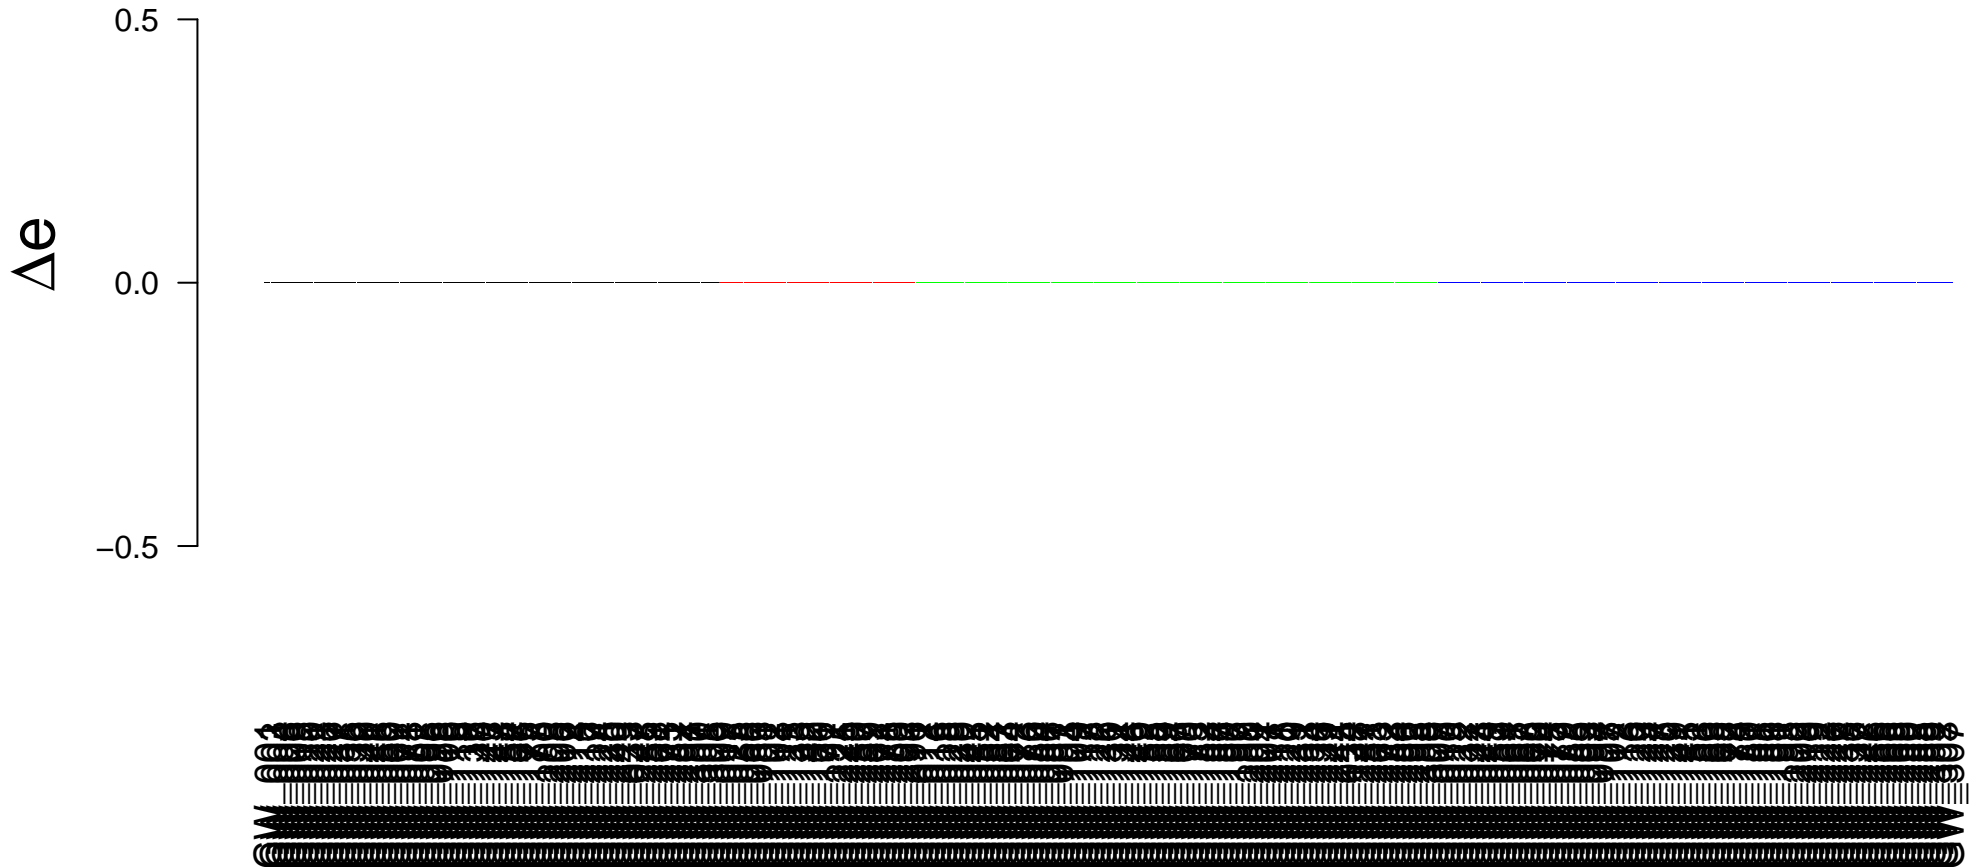

Expression of protein deacetylation in Spot A

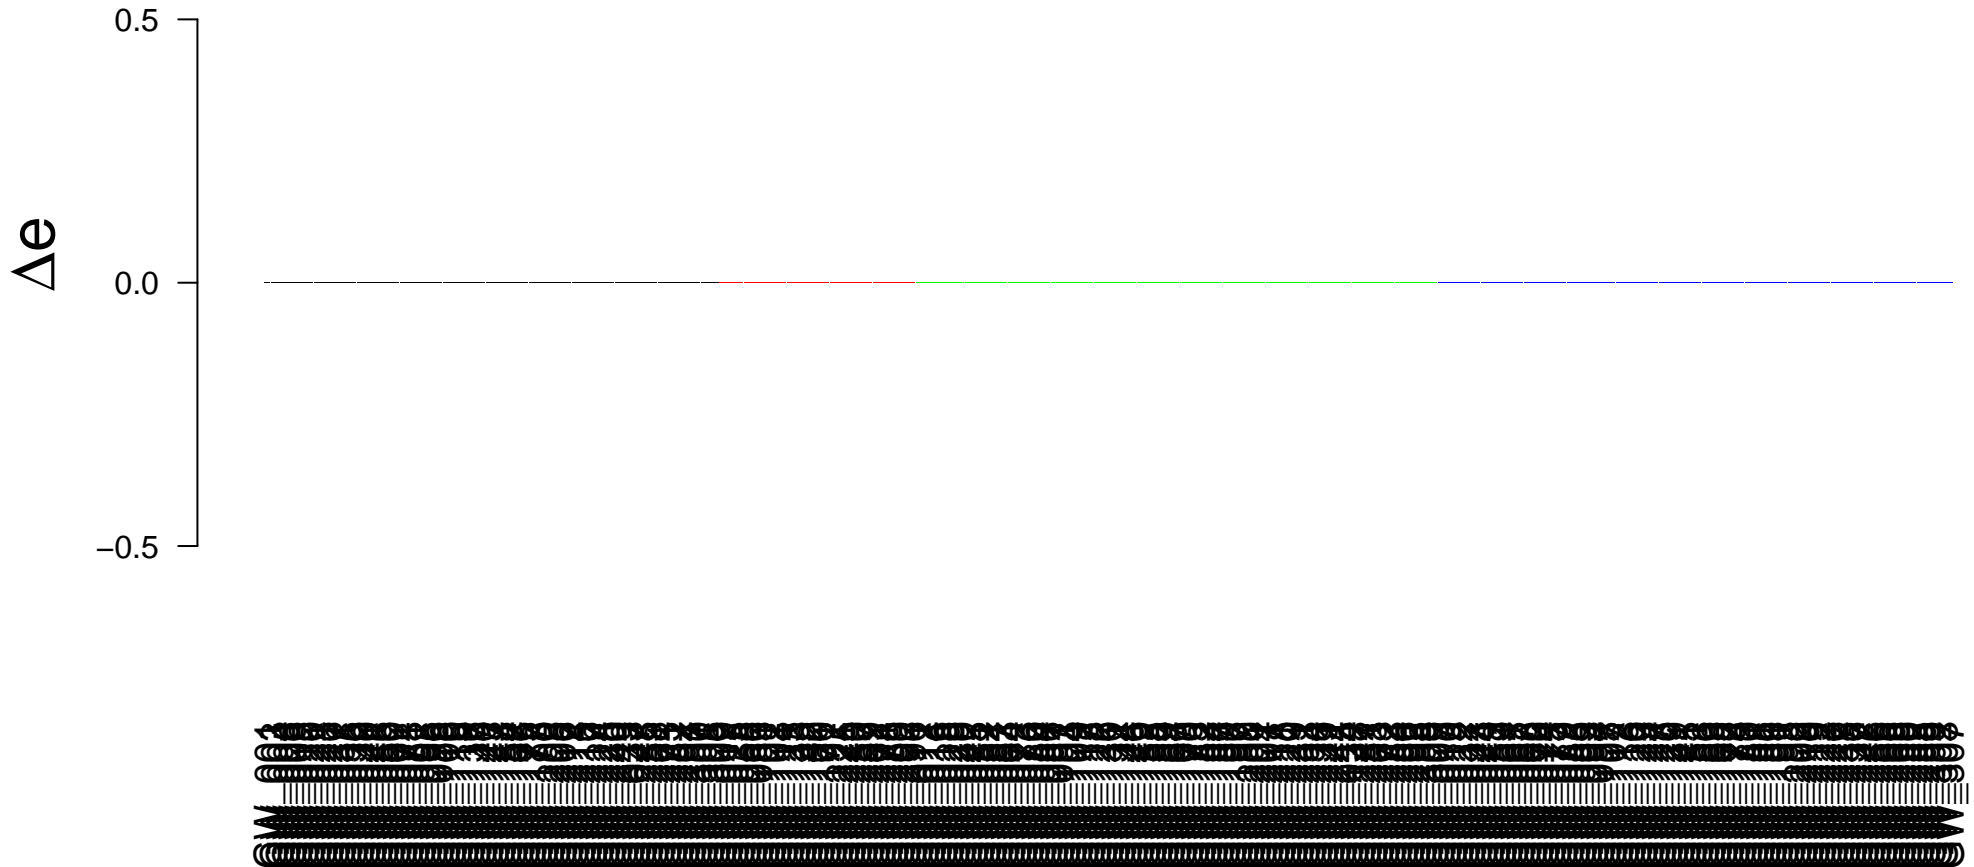

Expression of protein deacetylation in Spot B

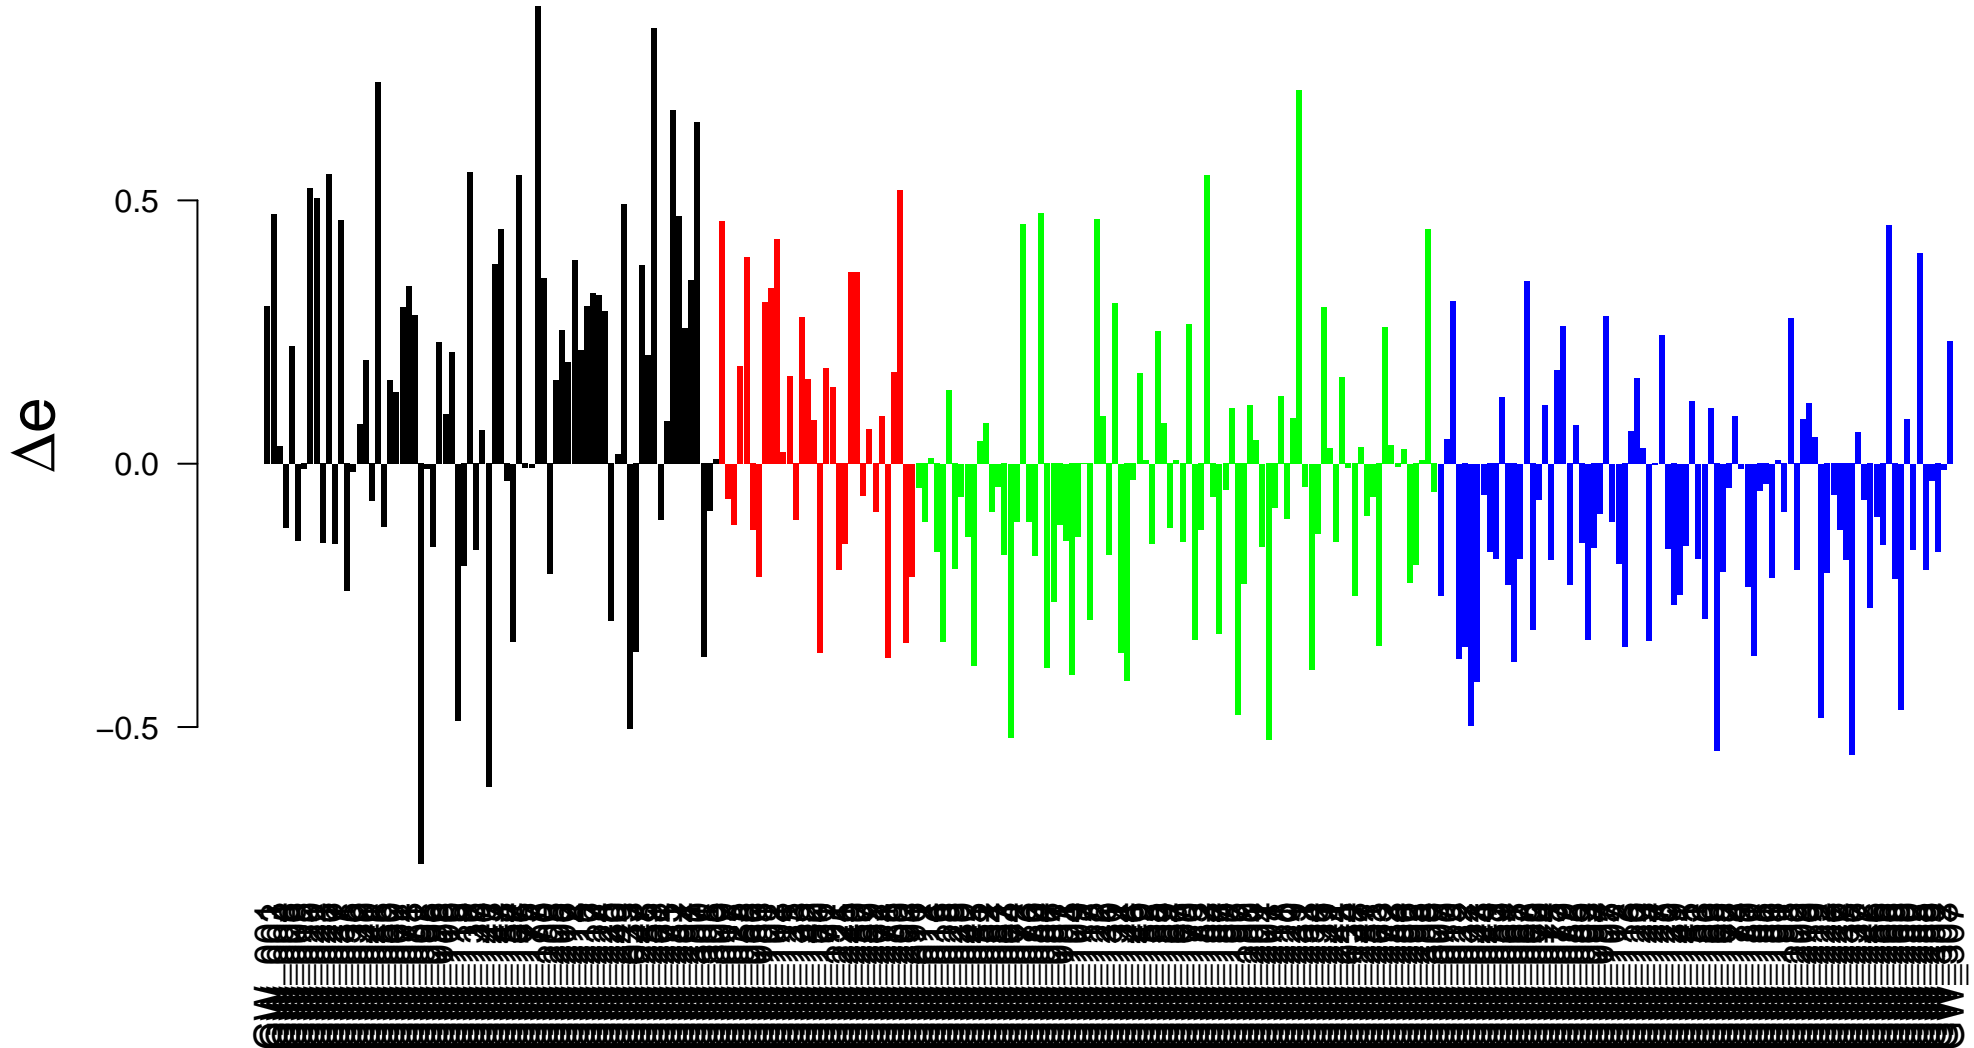

Expression of protein deacetylation in Spot C

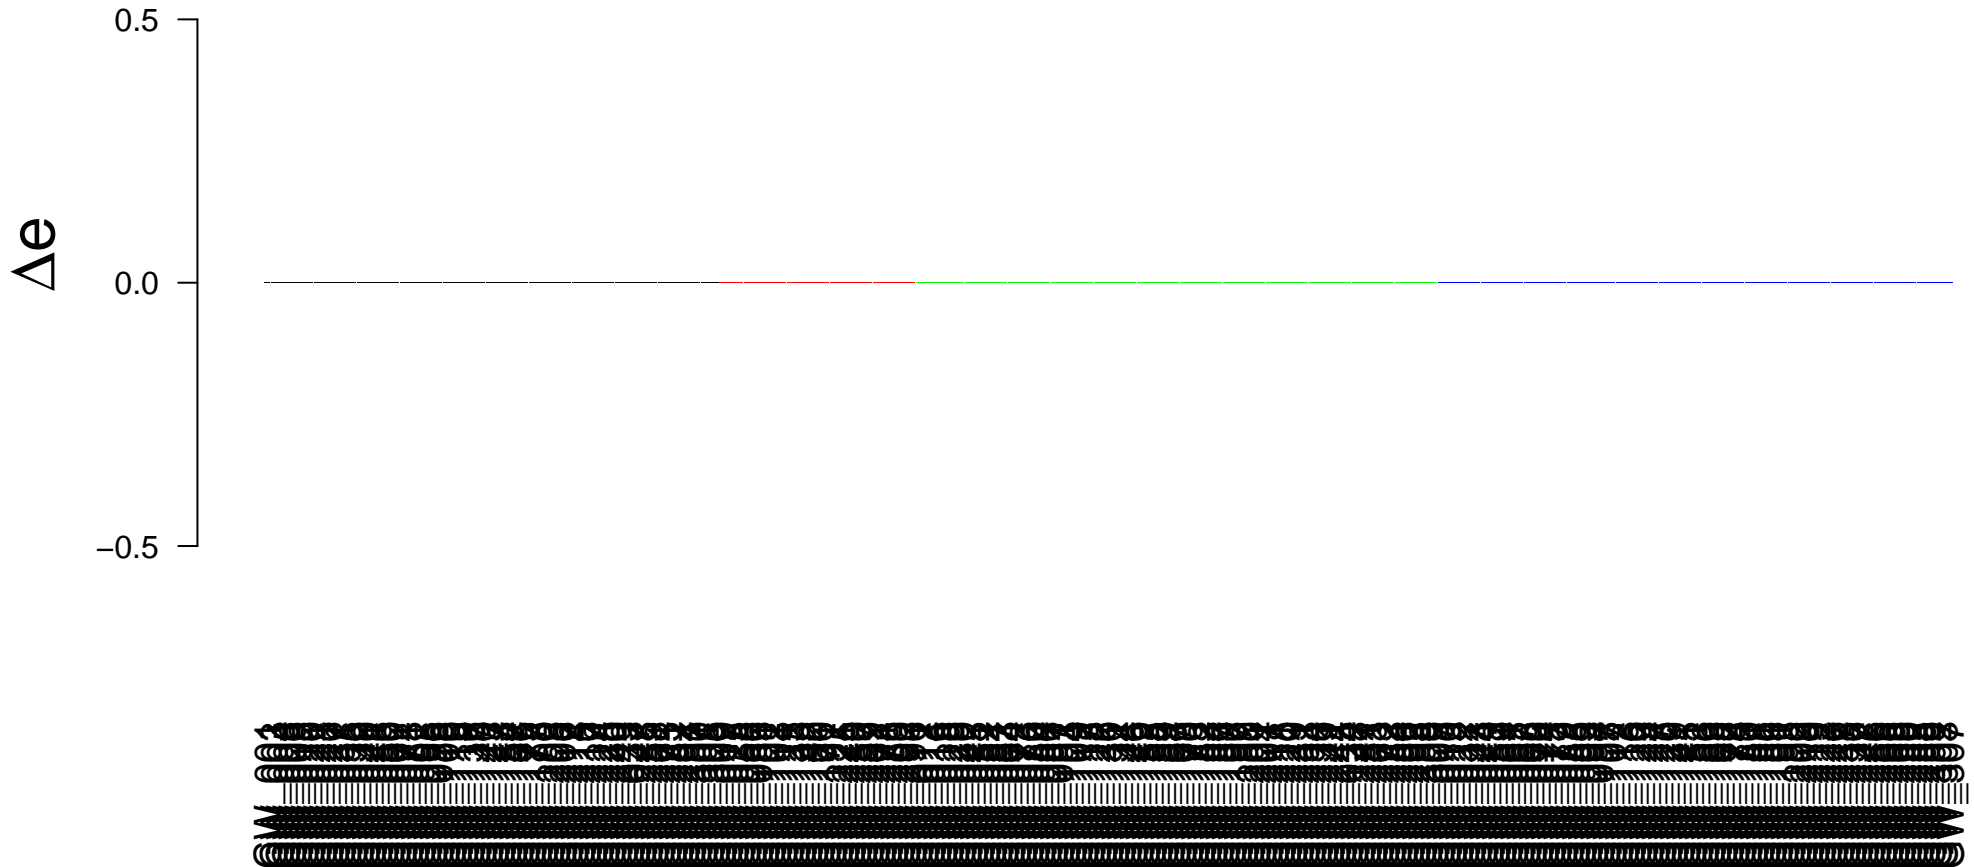

Expression of protein deacetylation in Spot D

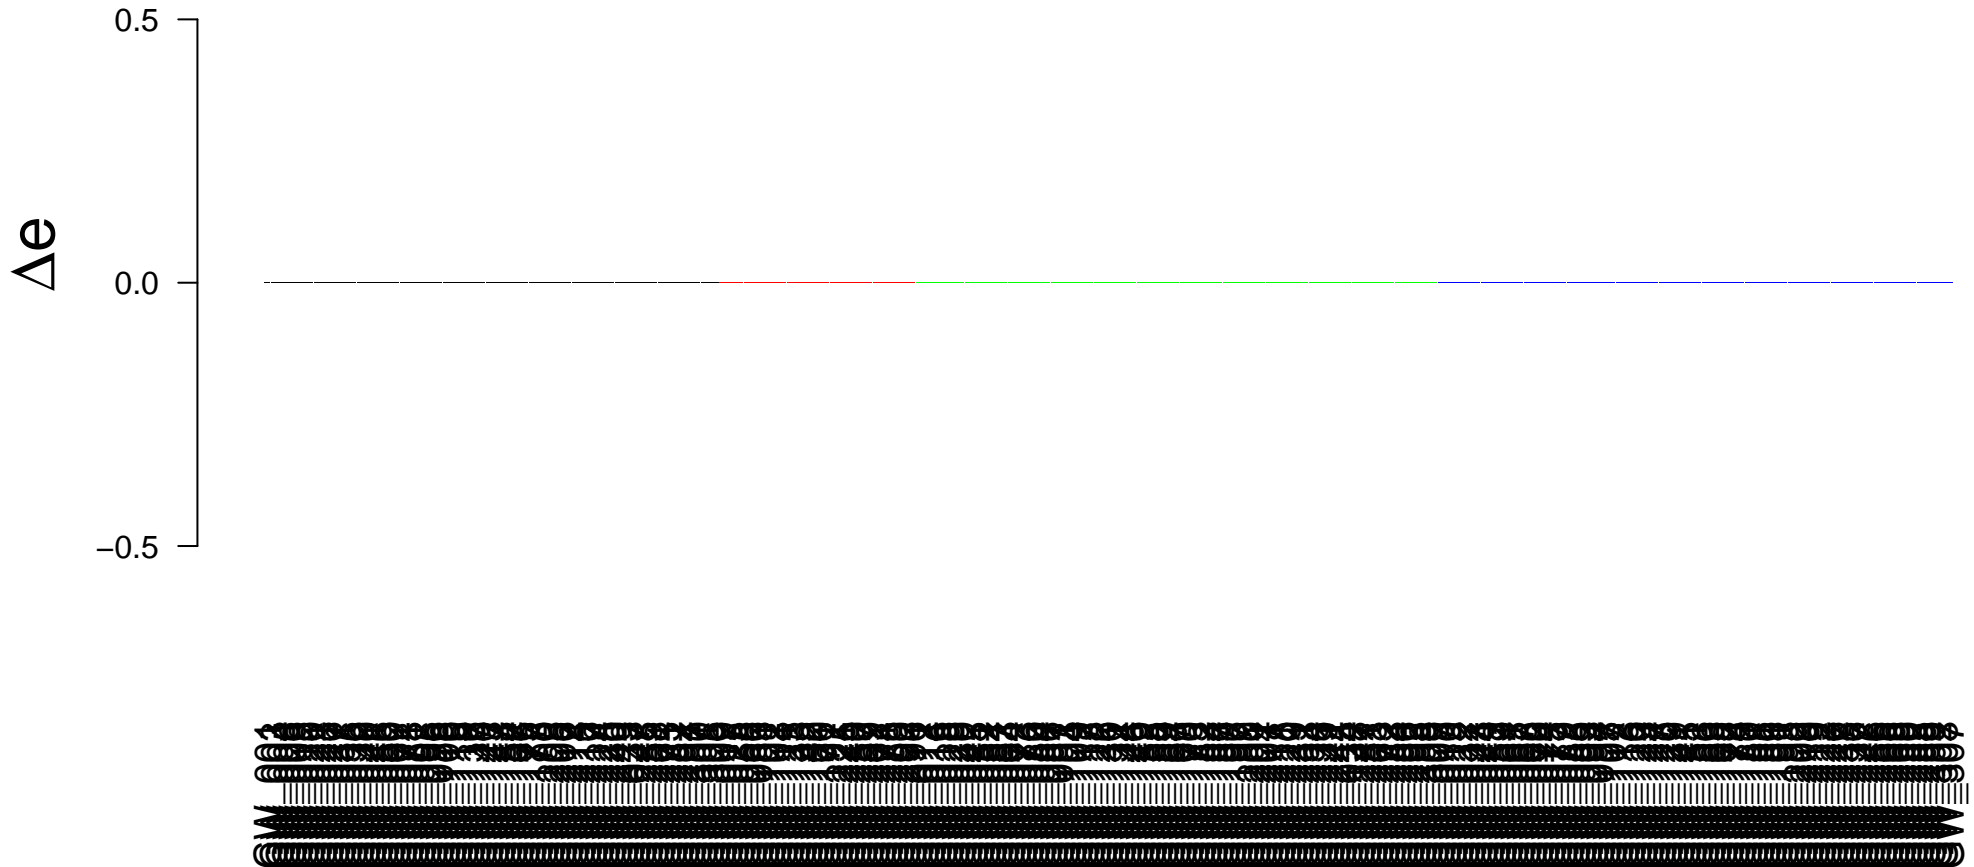

Expression of protein deacetylation in Spot E

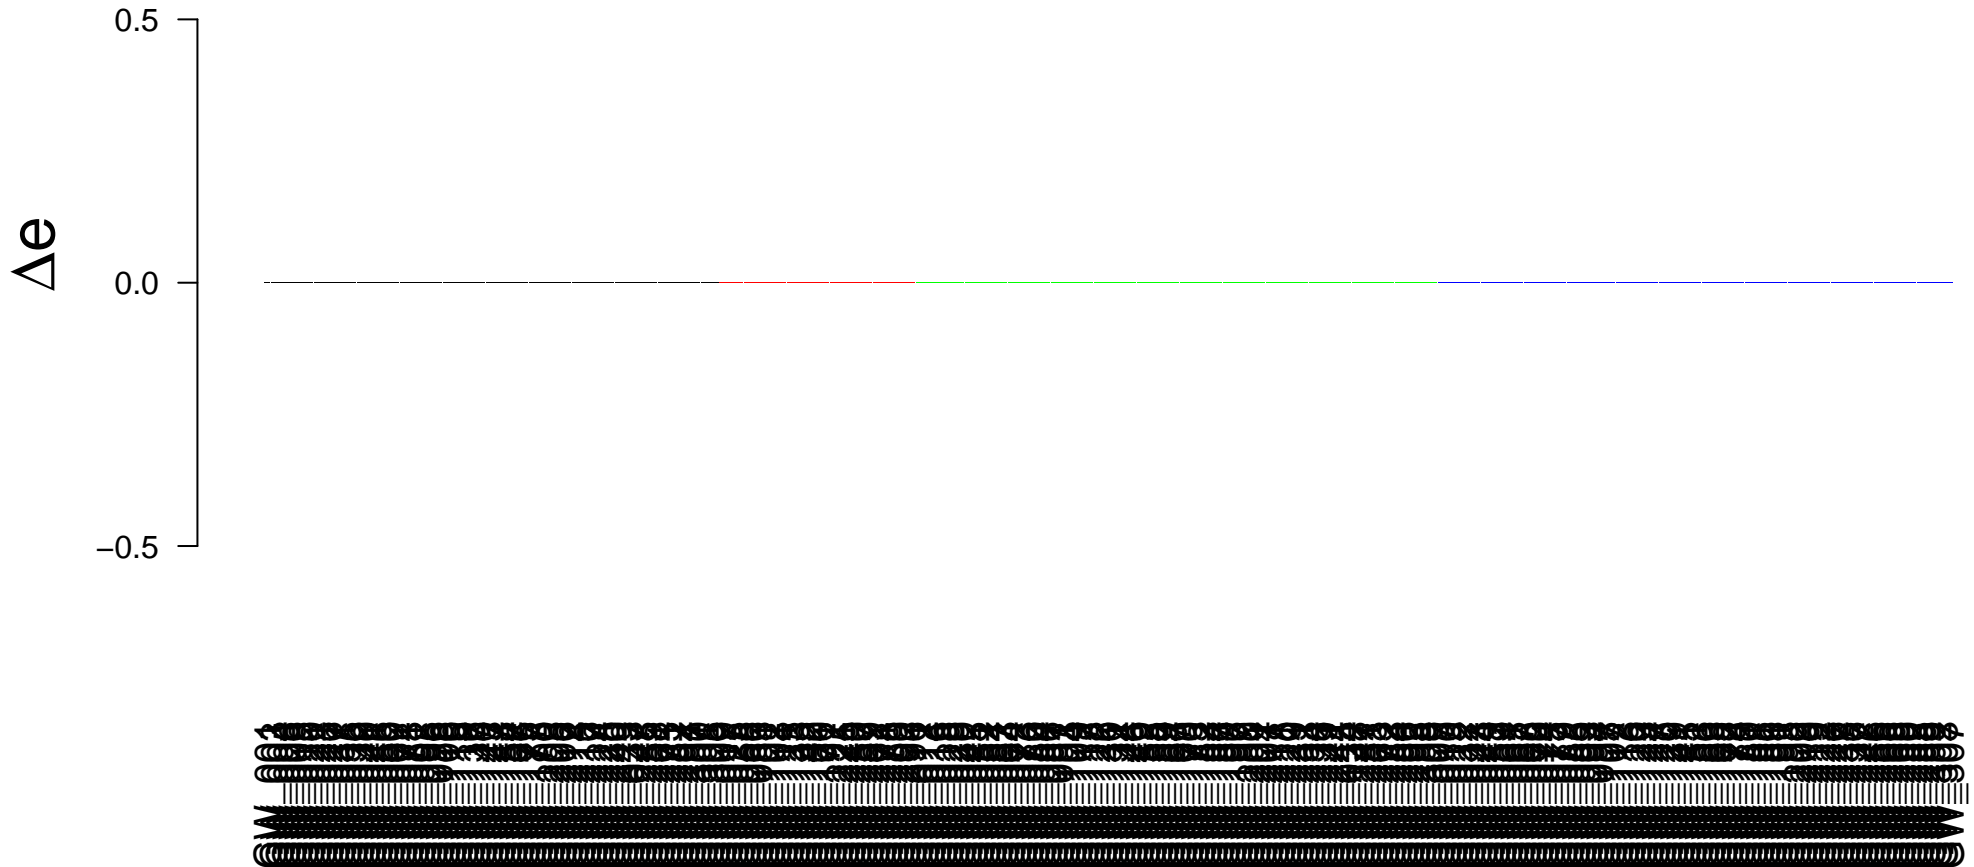

Expression of protein deacetylation in Spot F

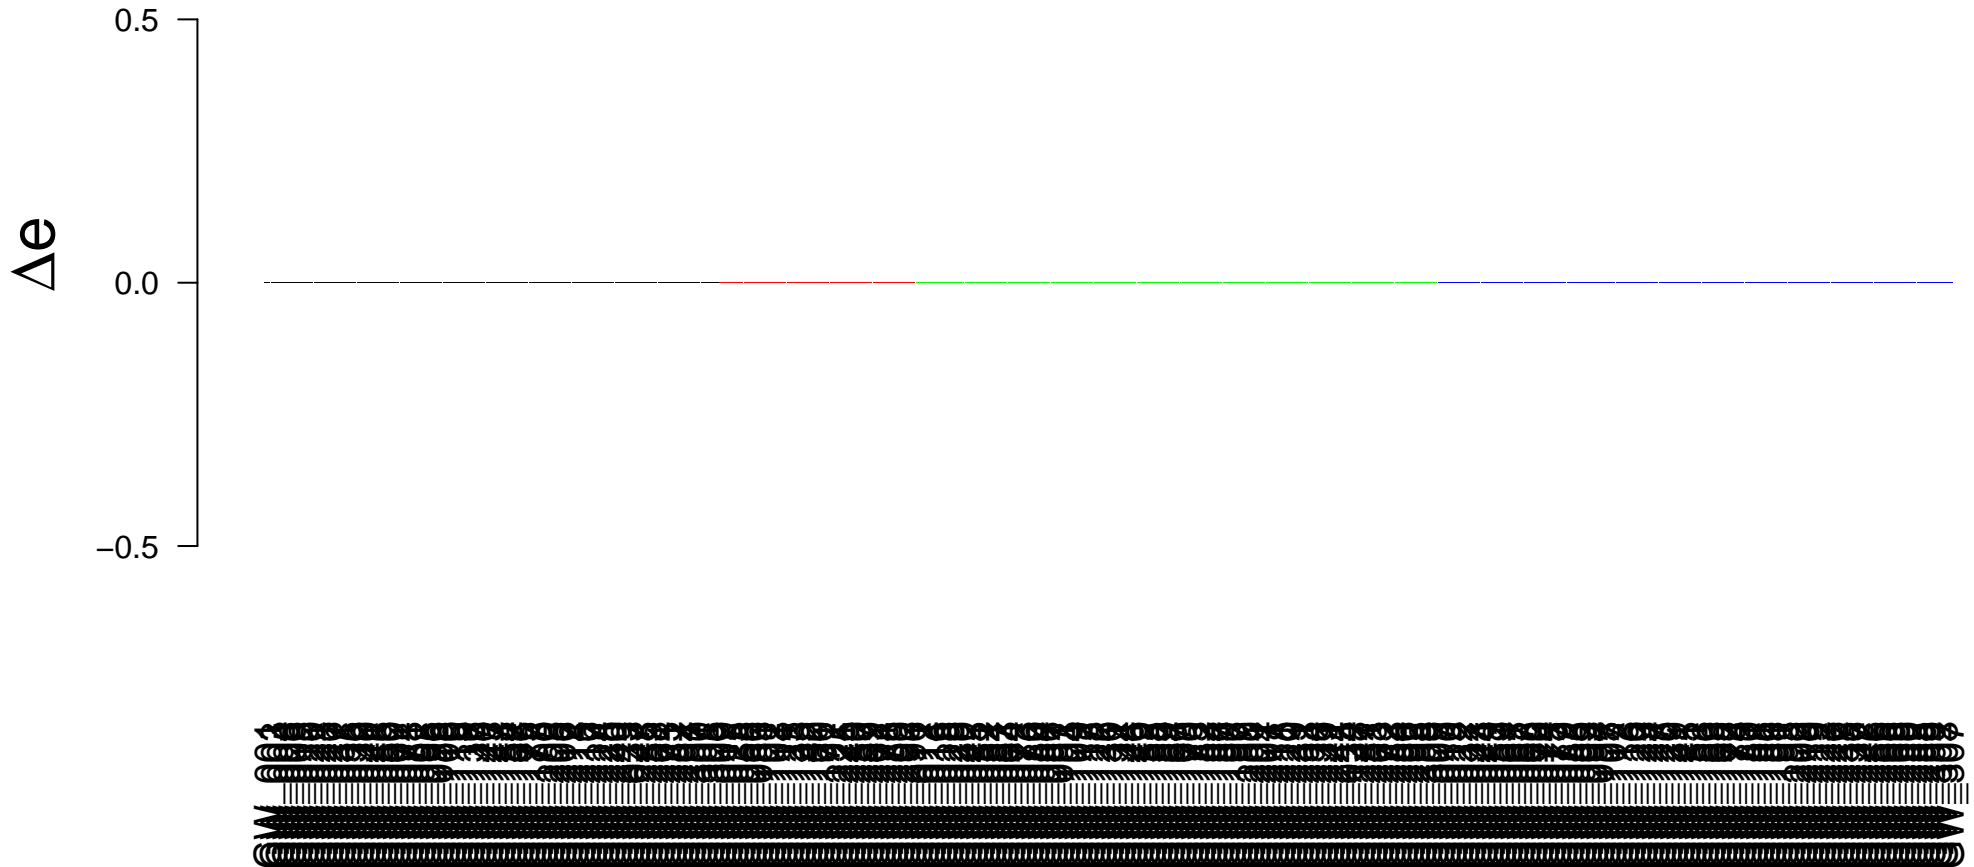

Expression of protein deacetylation in Spot G

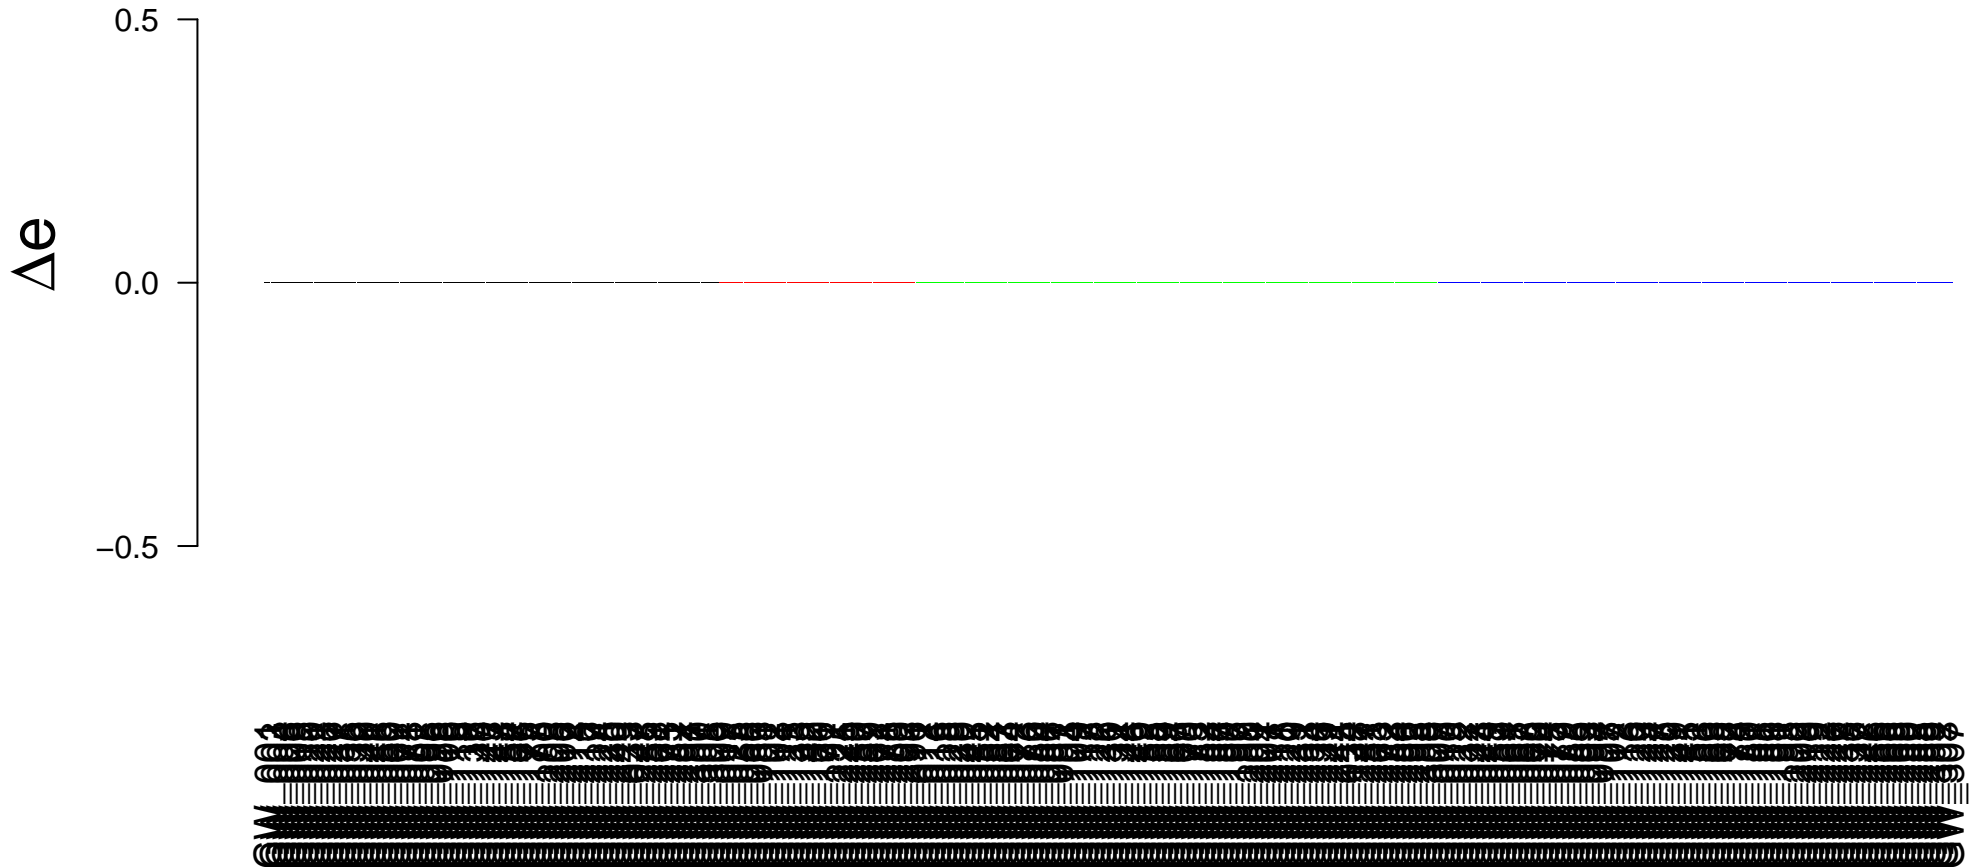

Expression of protein deacetylation in Spot H

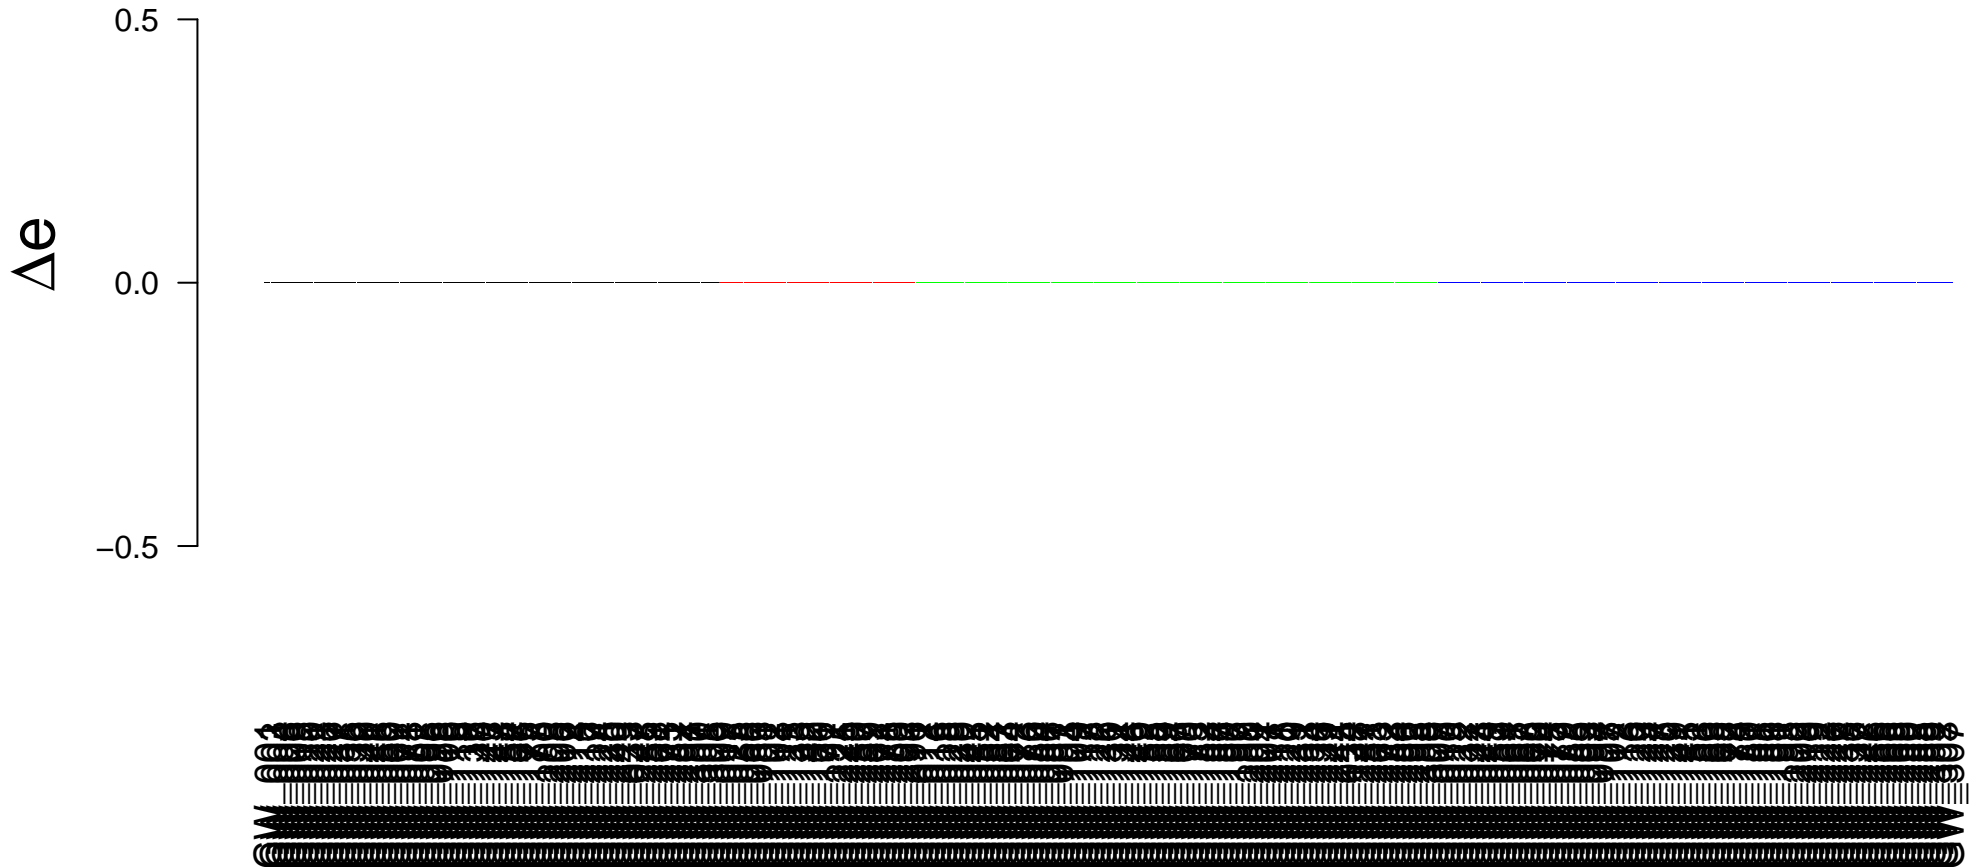

Expression of protein deacetylation in Spot I

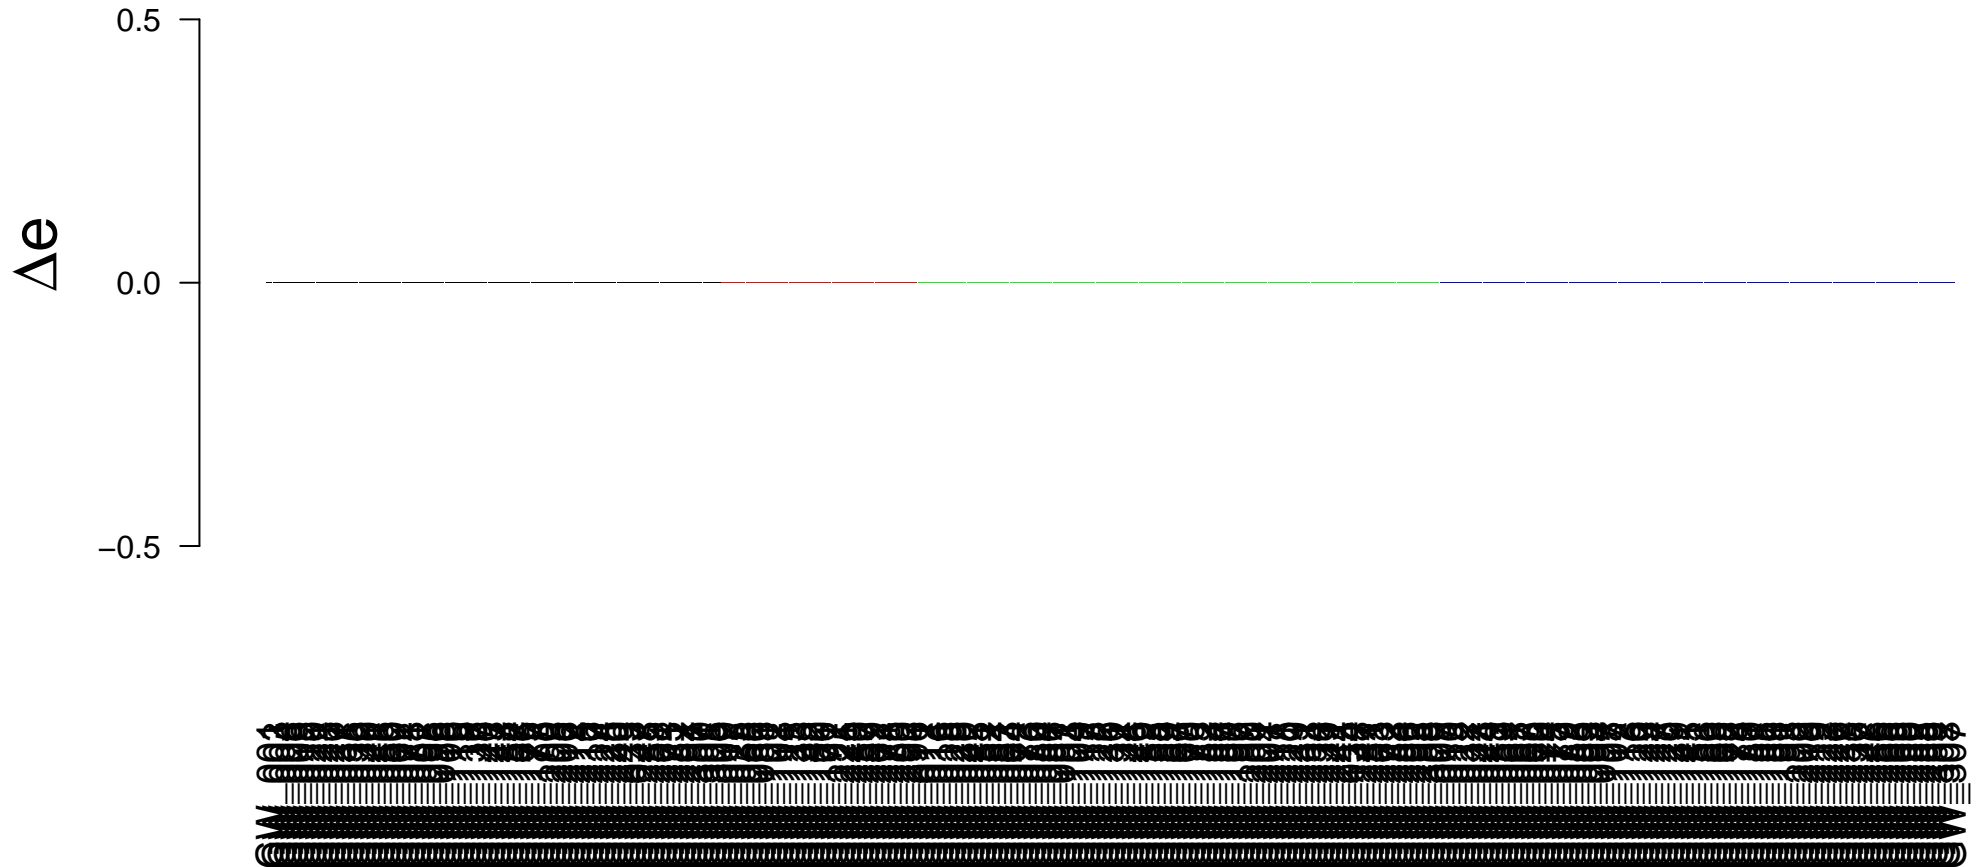

Expression of protein deacetylation in Spot J

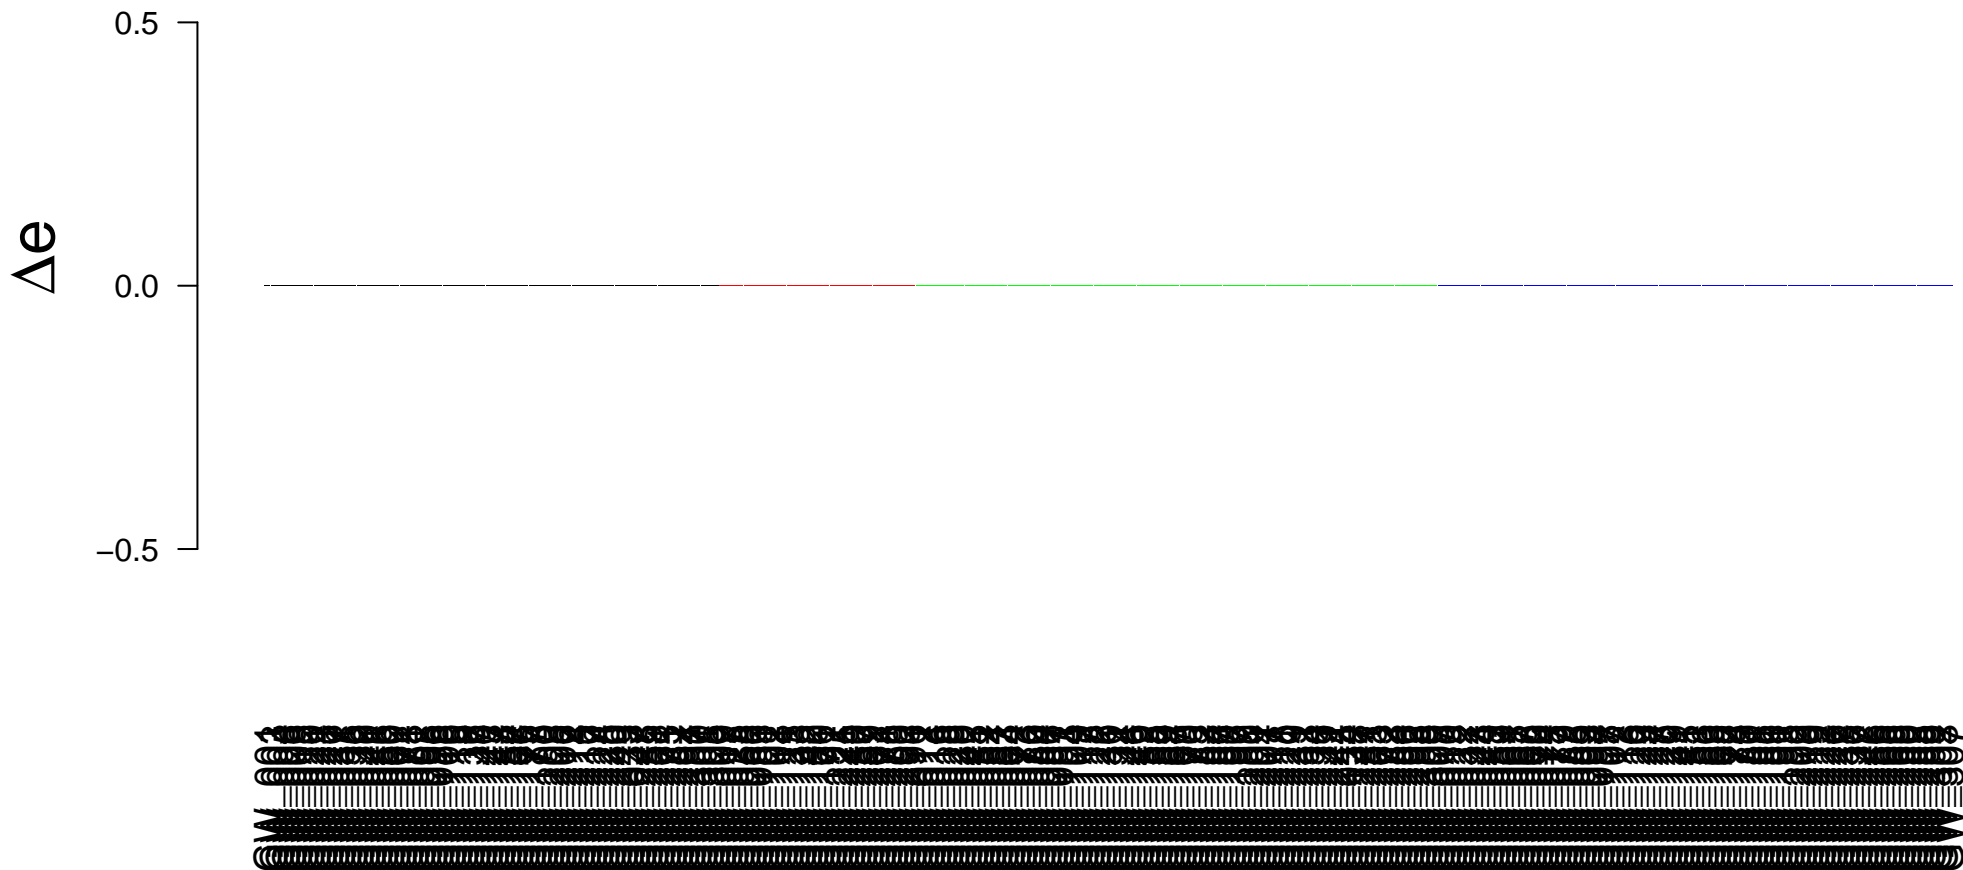

Expression of protein deacetylation in Spot K

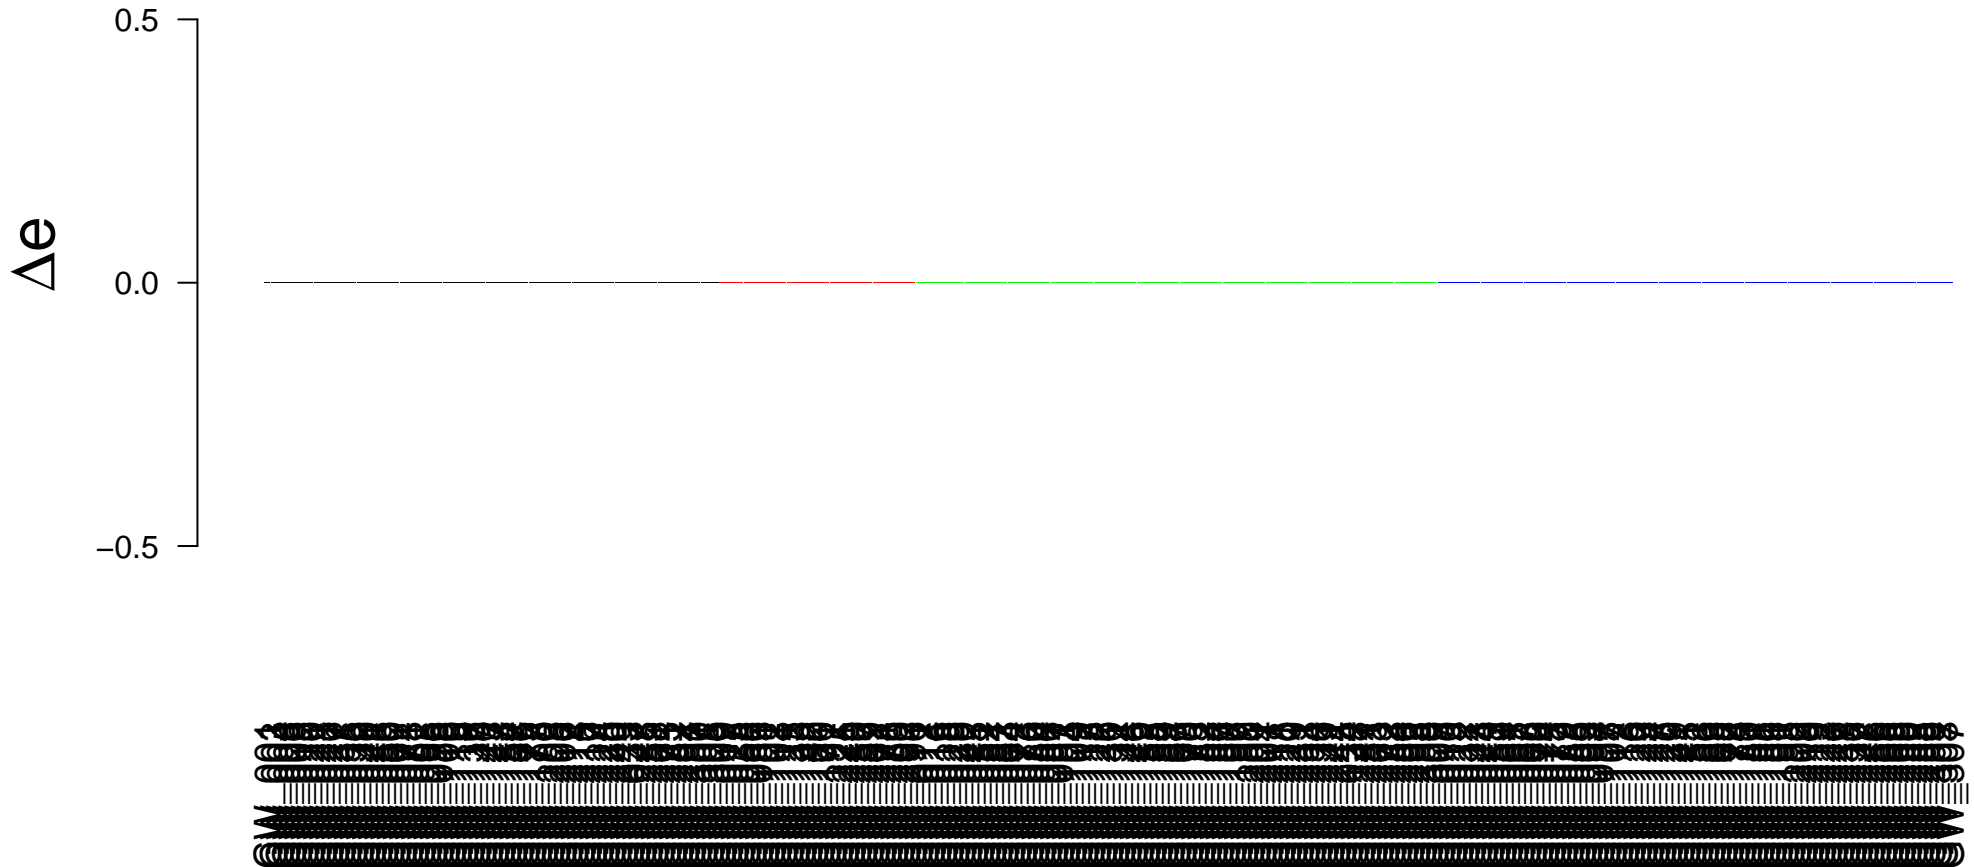

Expression of protein deacetylation in Spot L

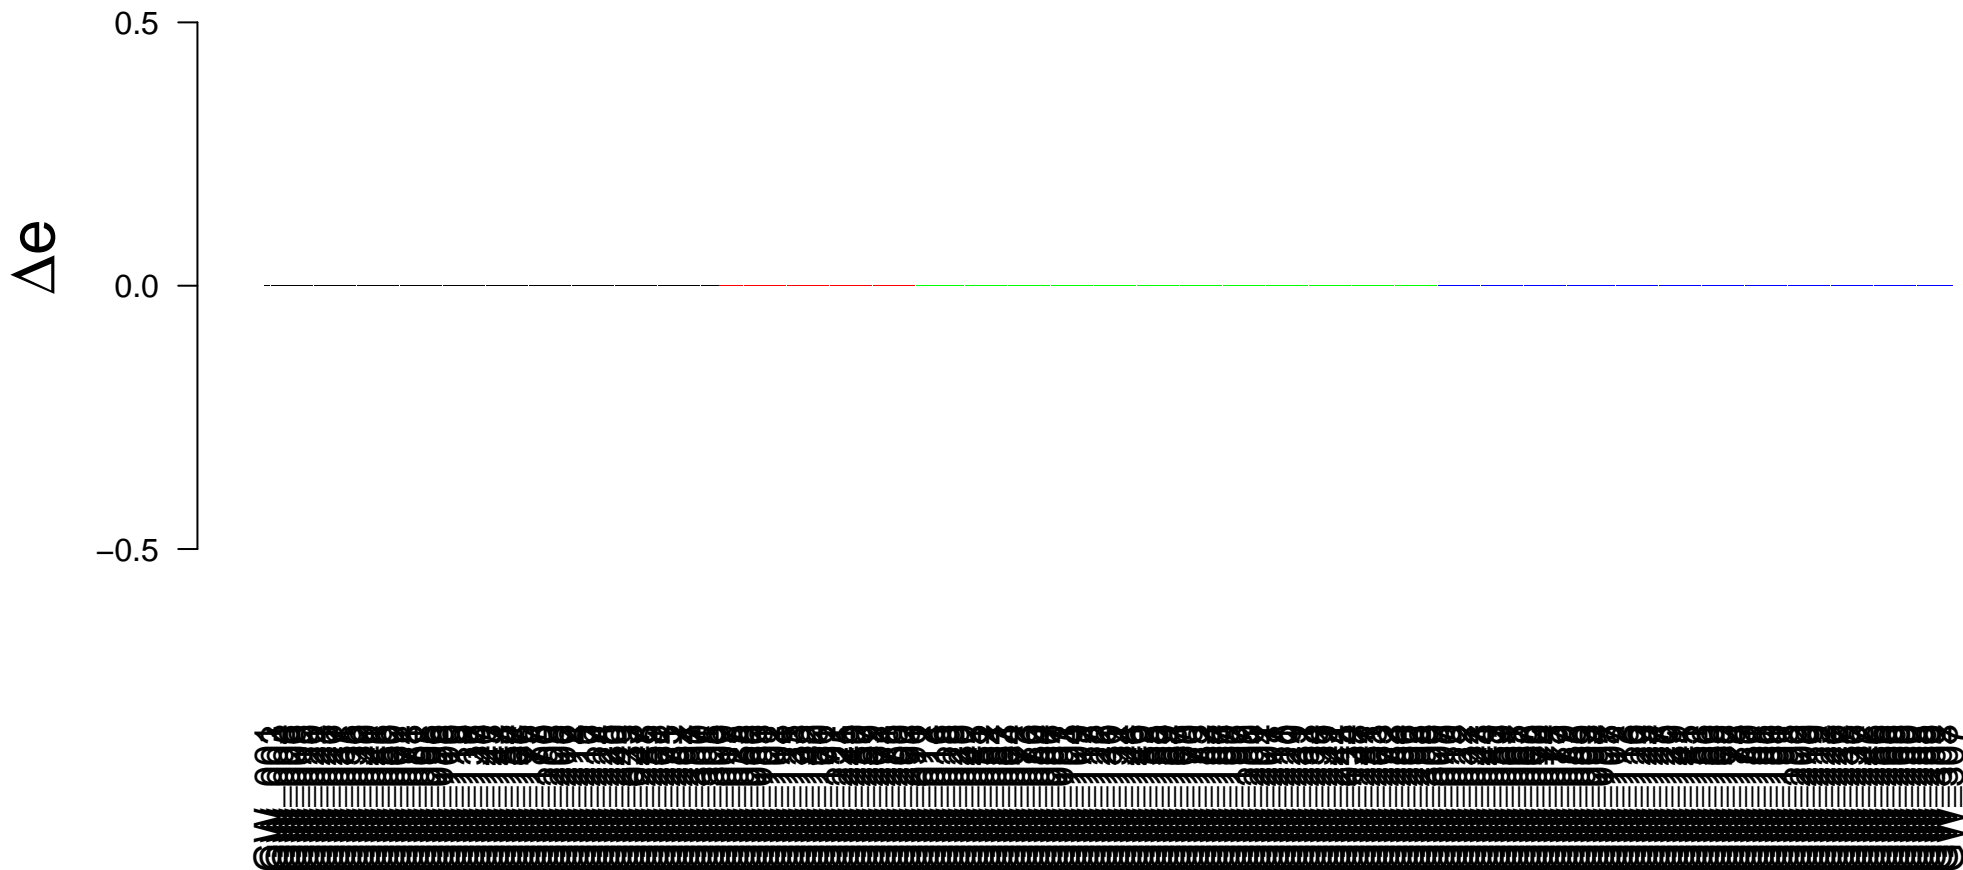

Expression of protein deacetylation in Spot M

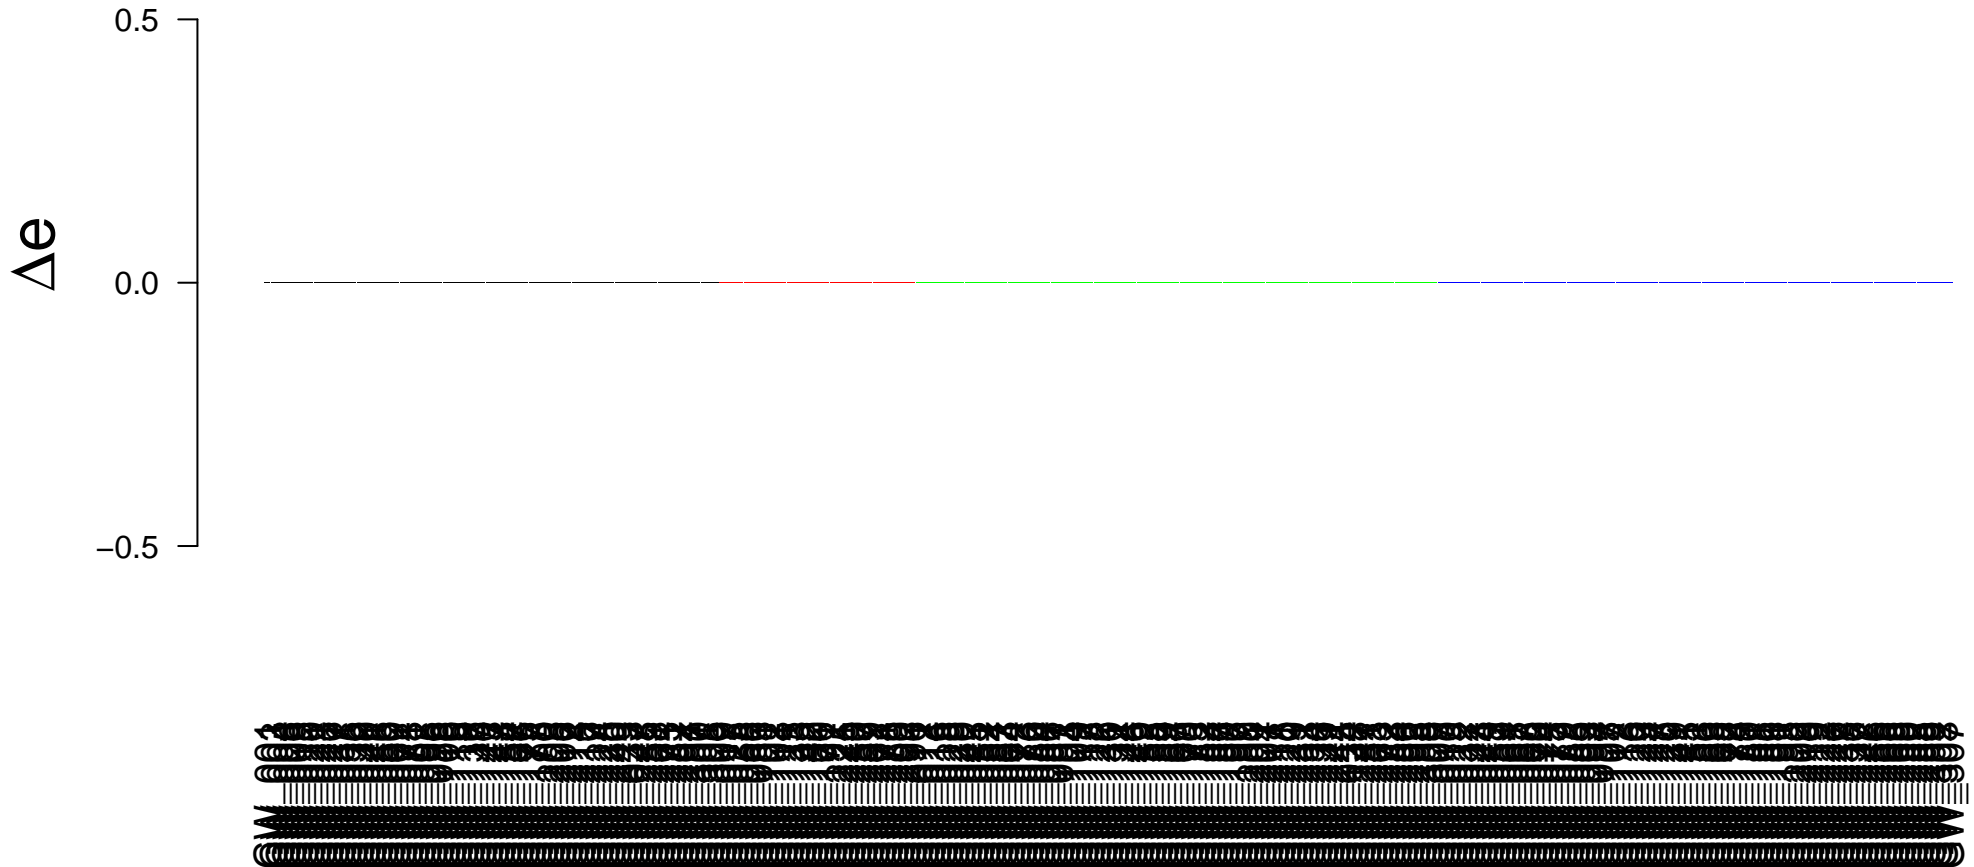

Expression of protein deacetylation in Spot N

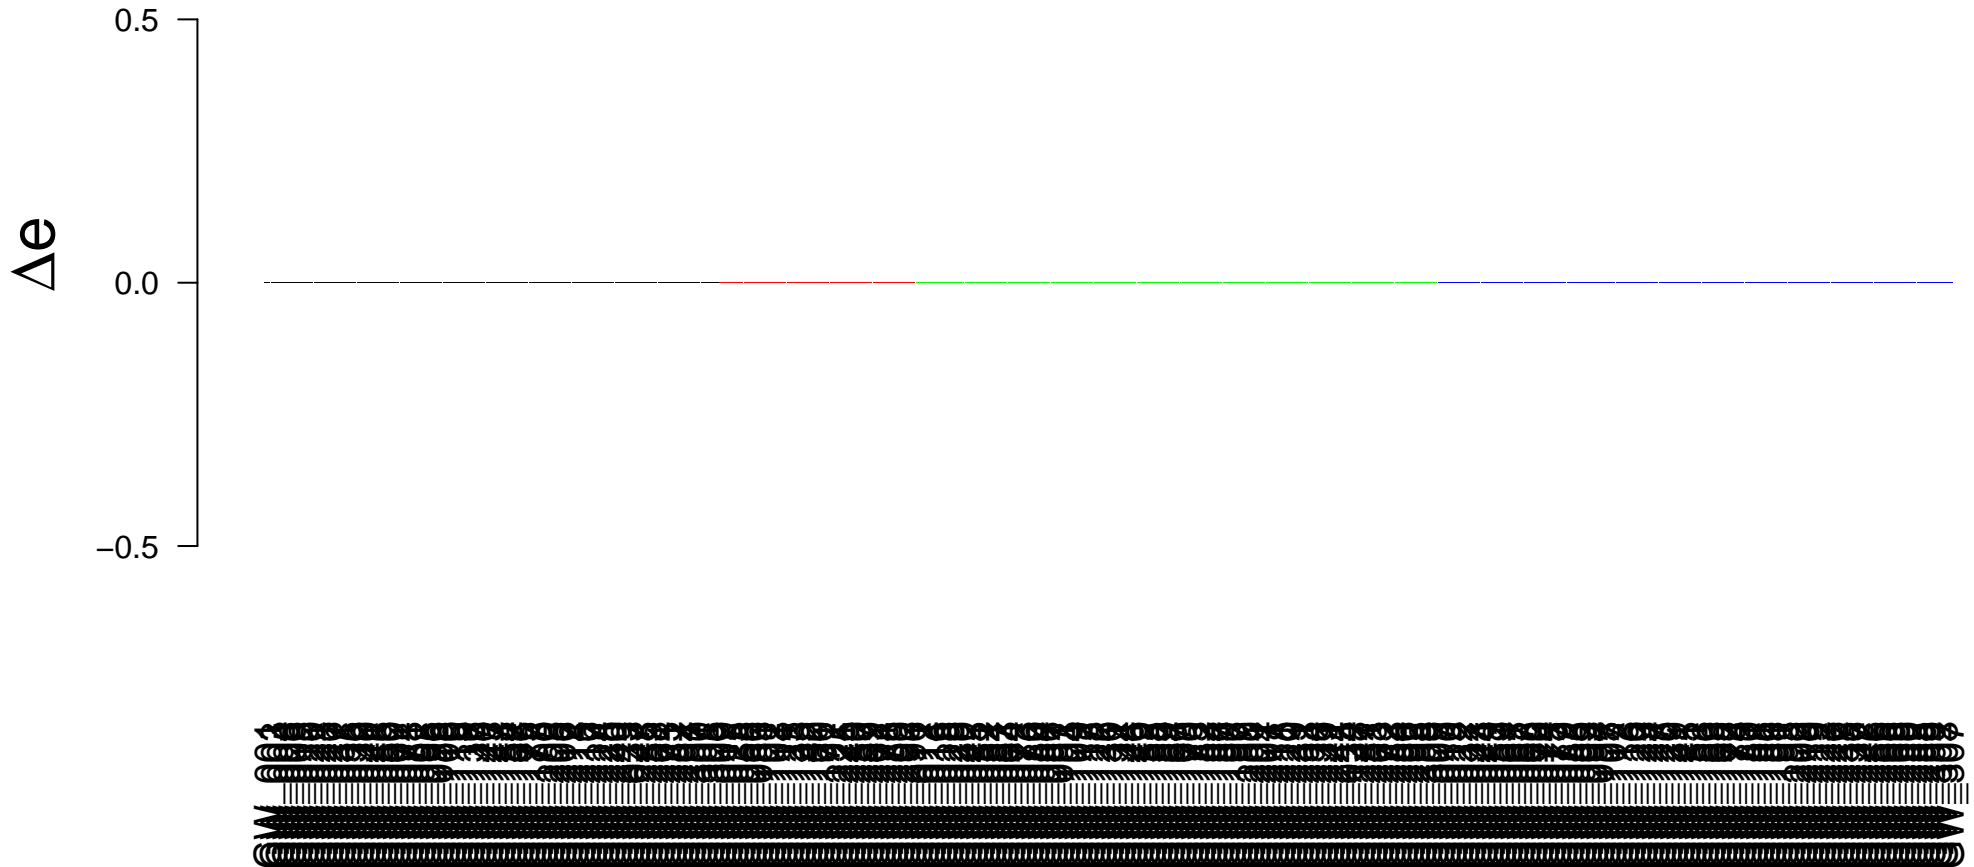

Expression of protein deacetylation in Spot O

Expression of protein deacetylation in Spot P

Expression of protein deacetylation in Spot Q

Expression of protein deacetylation in Spot R
