

protein dimerization activity

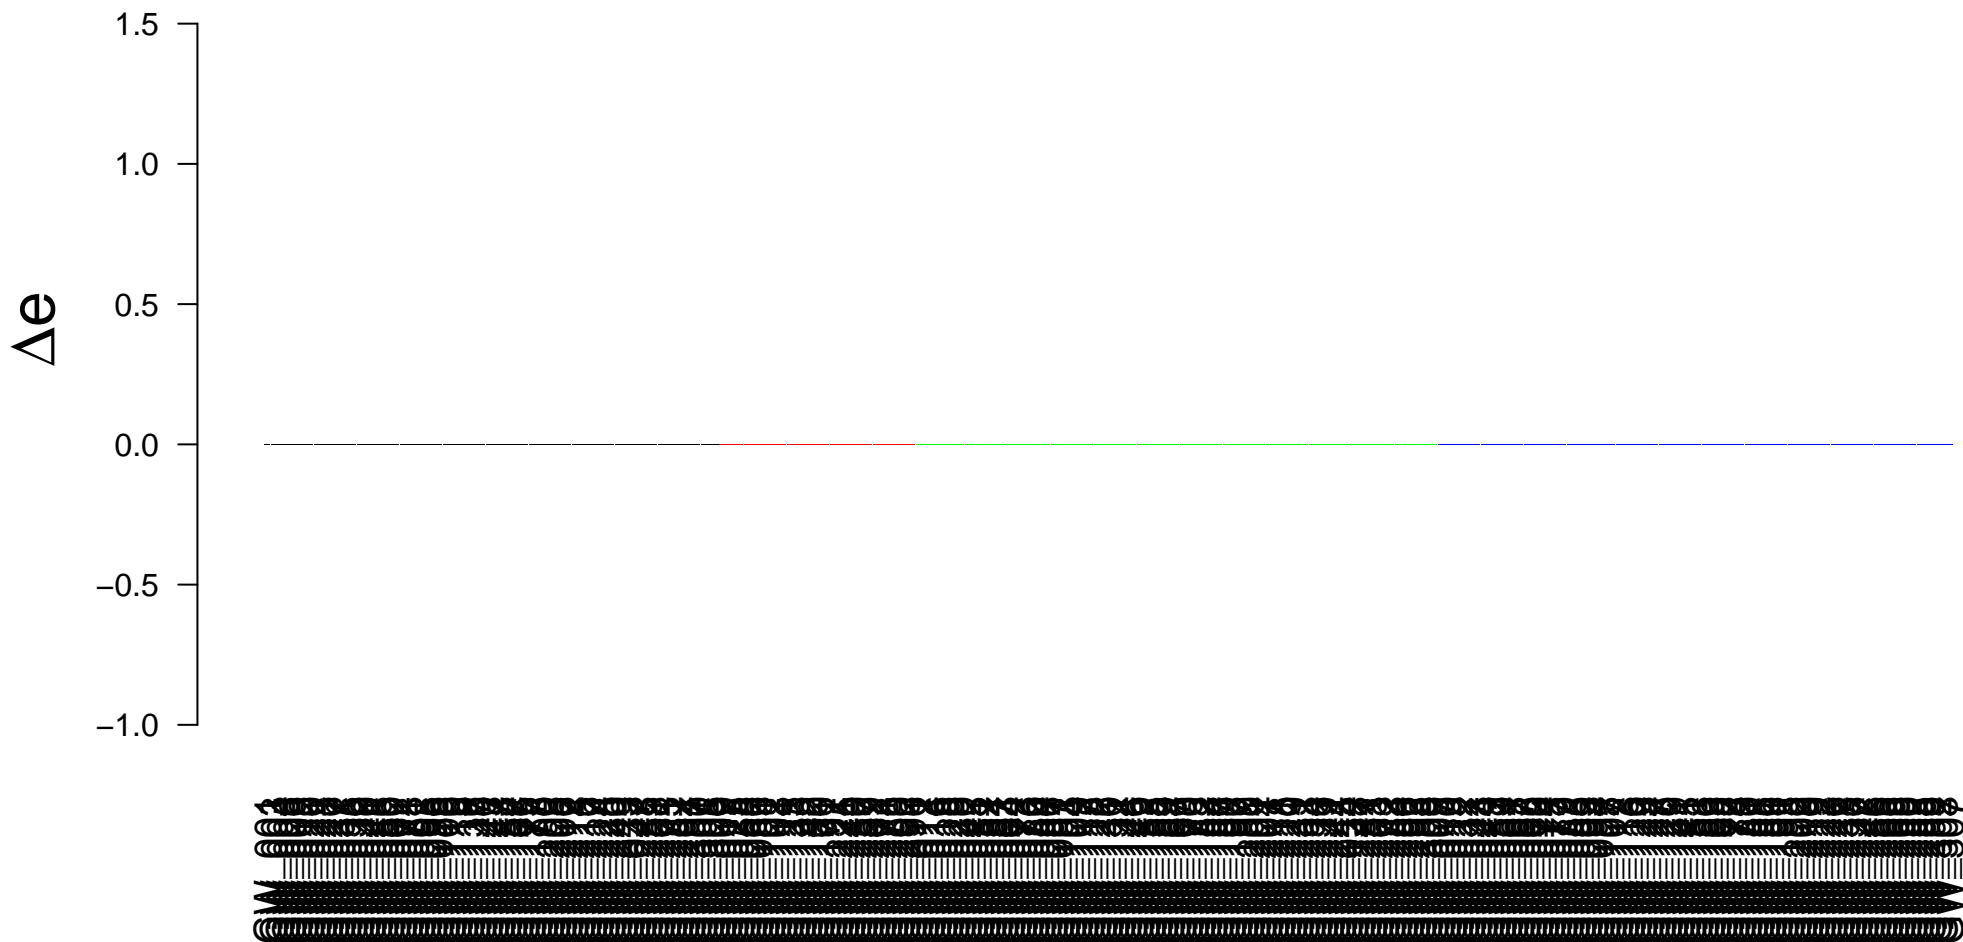

protein dimerization activity

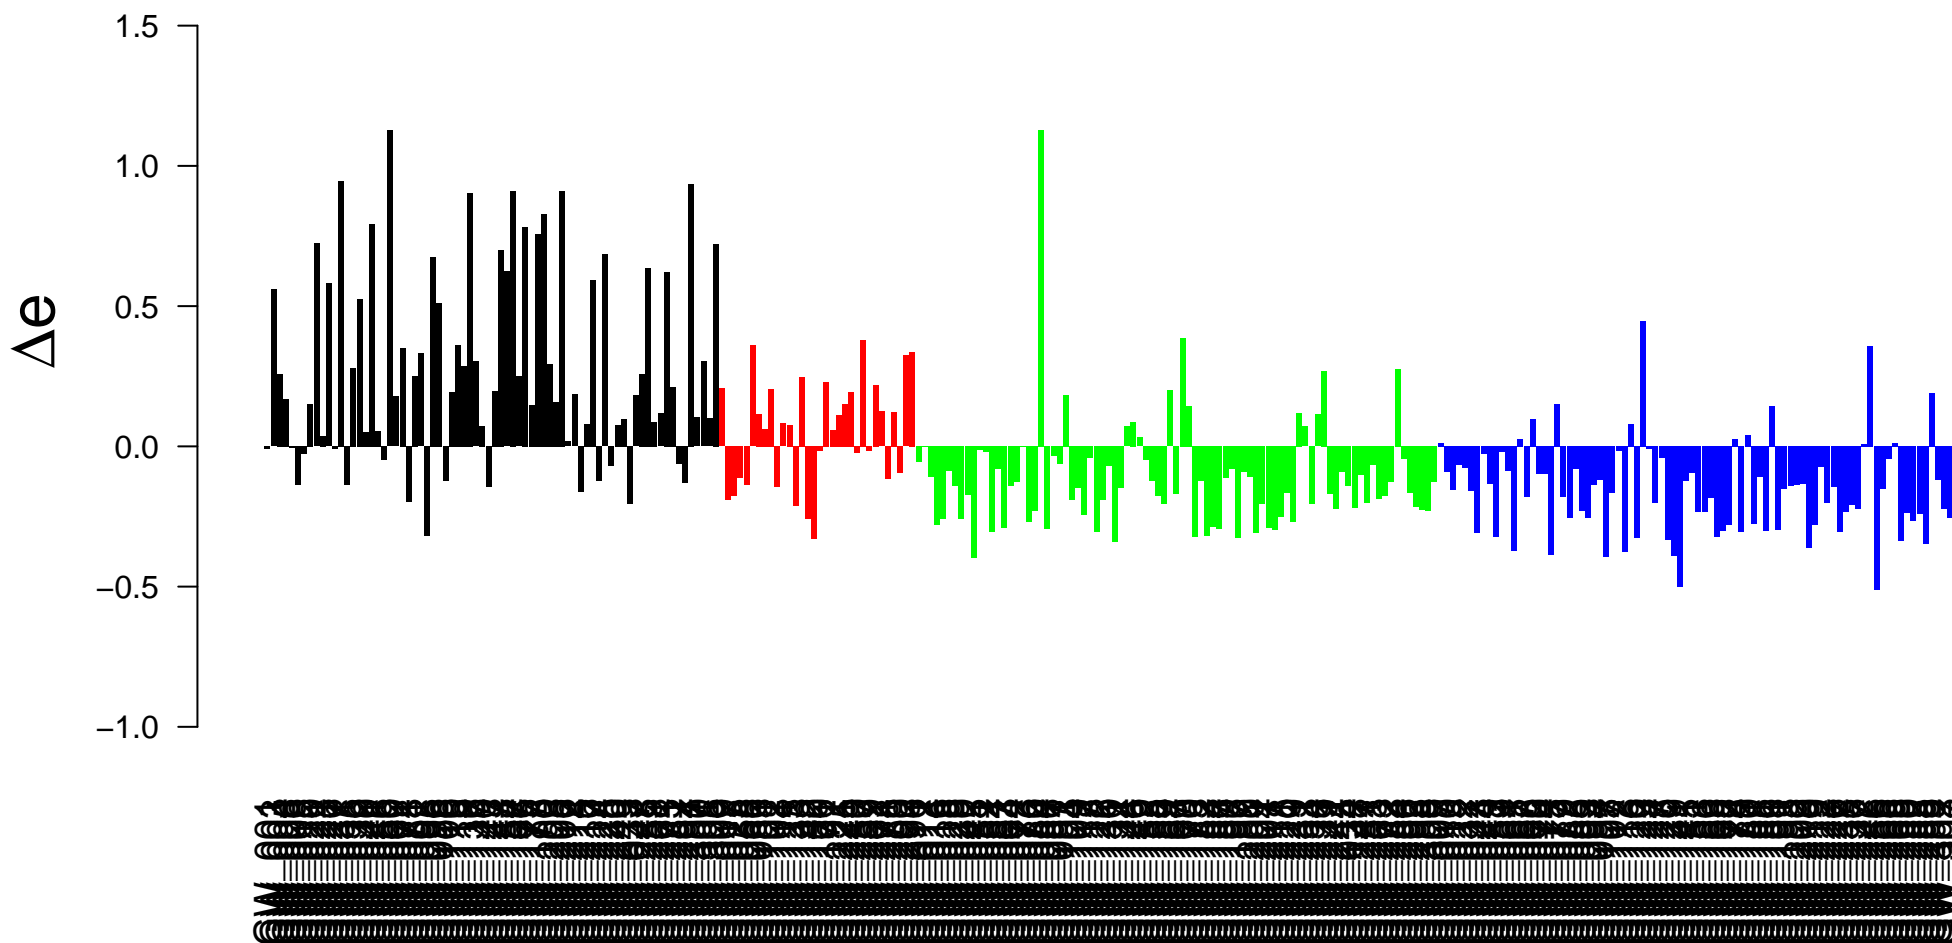

Enrichment in spots: protein dimerization activity

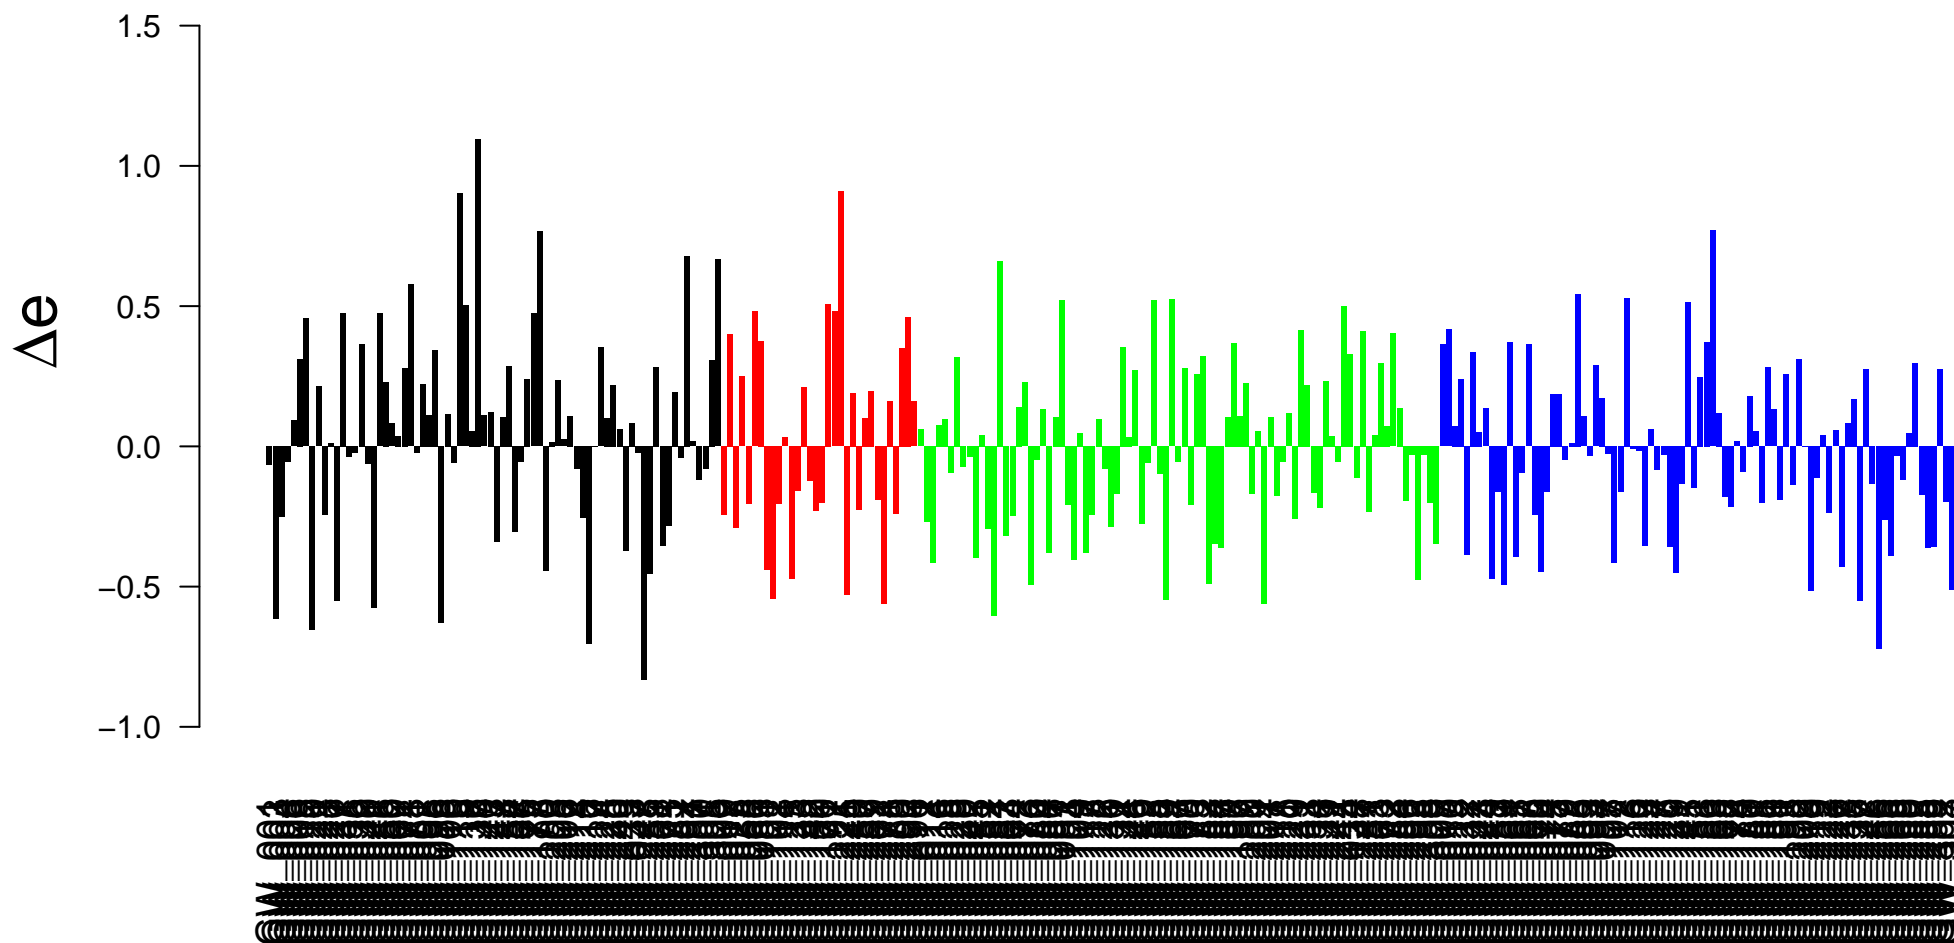

Expression of protein dimerization activity in Spot A

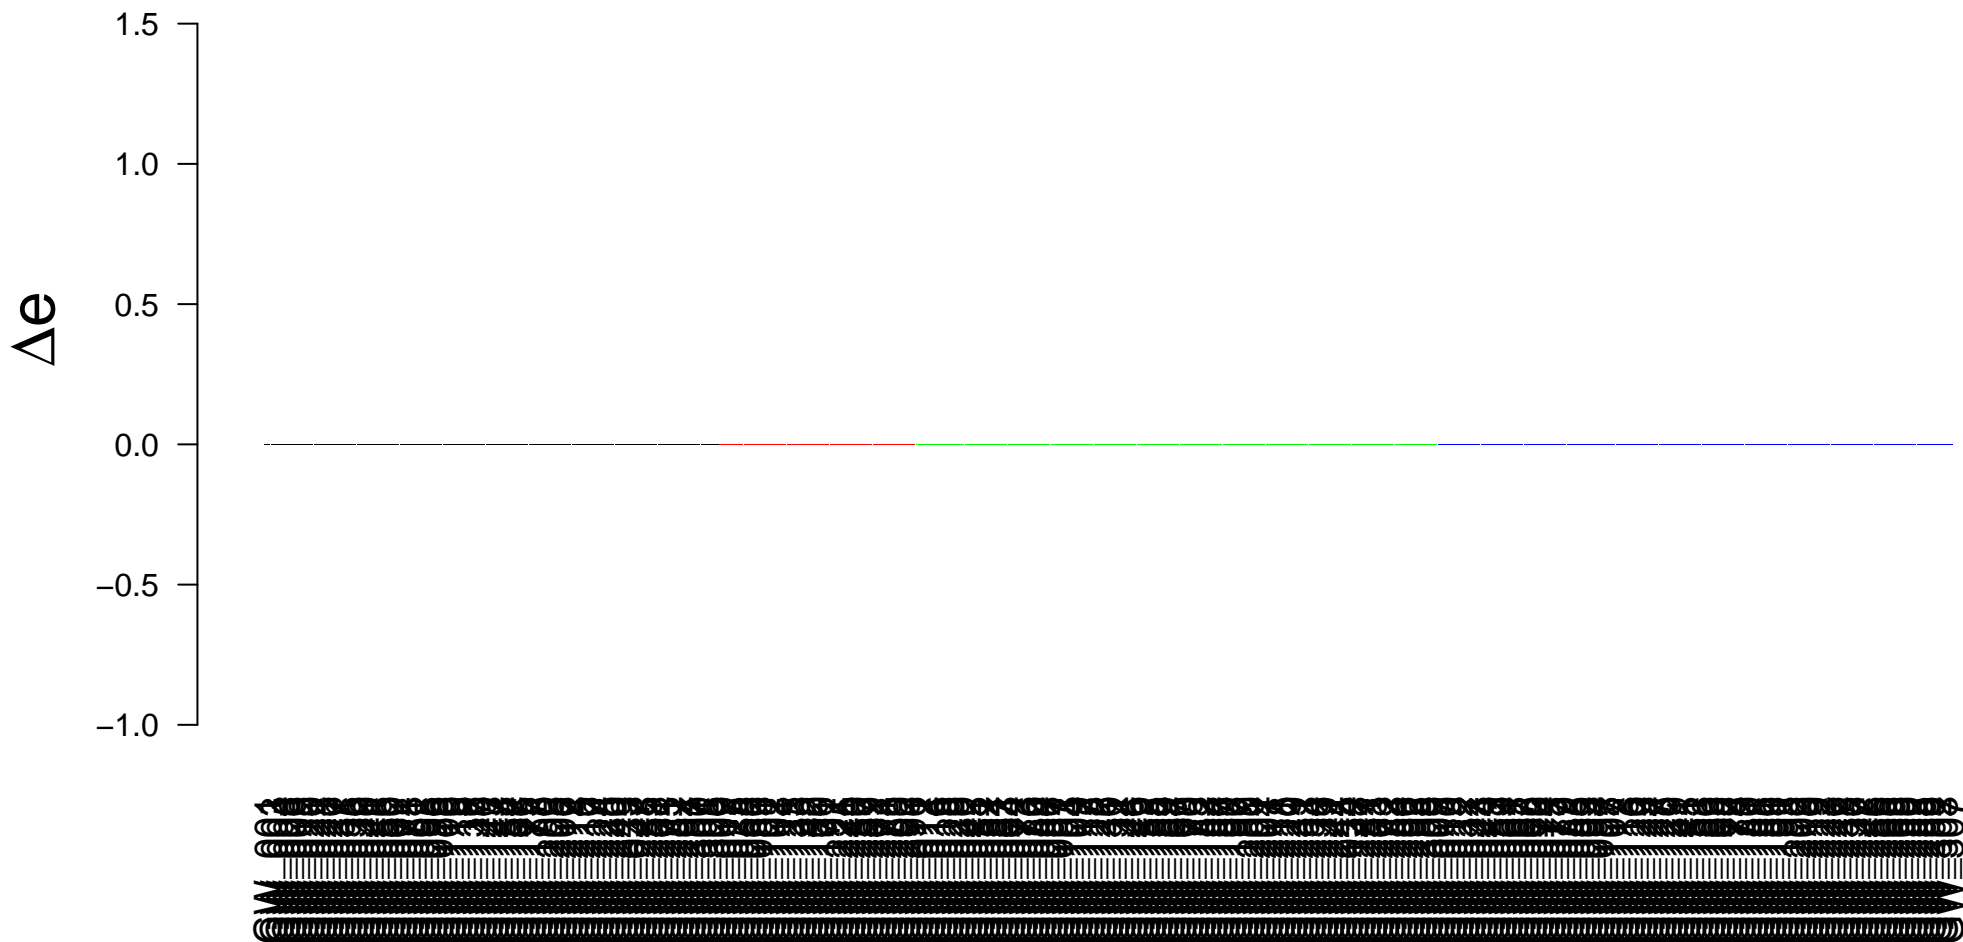

Expression of protein dimerization activity in Spot B

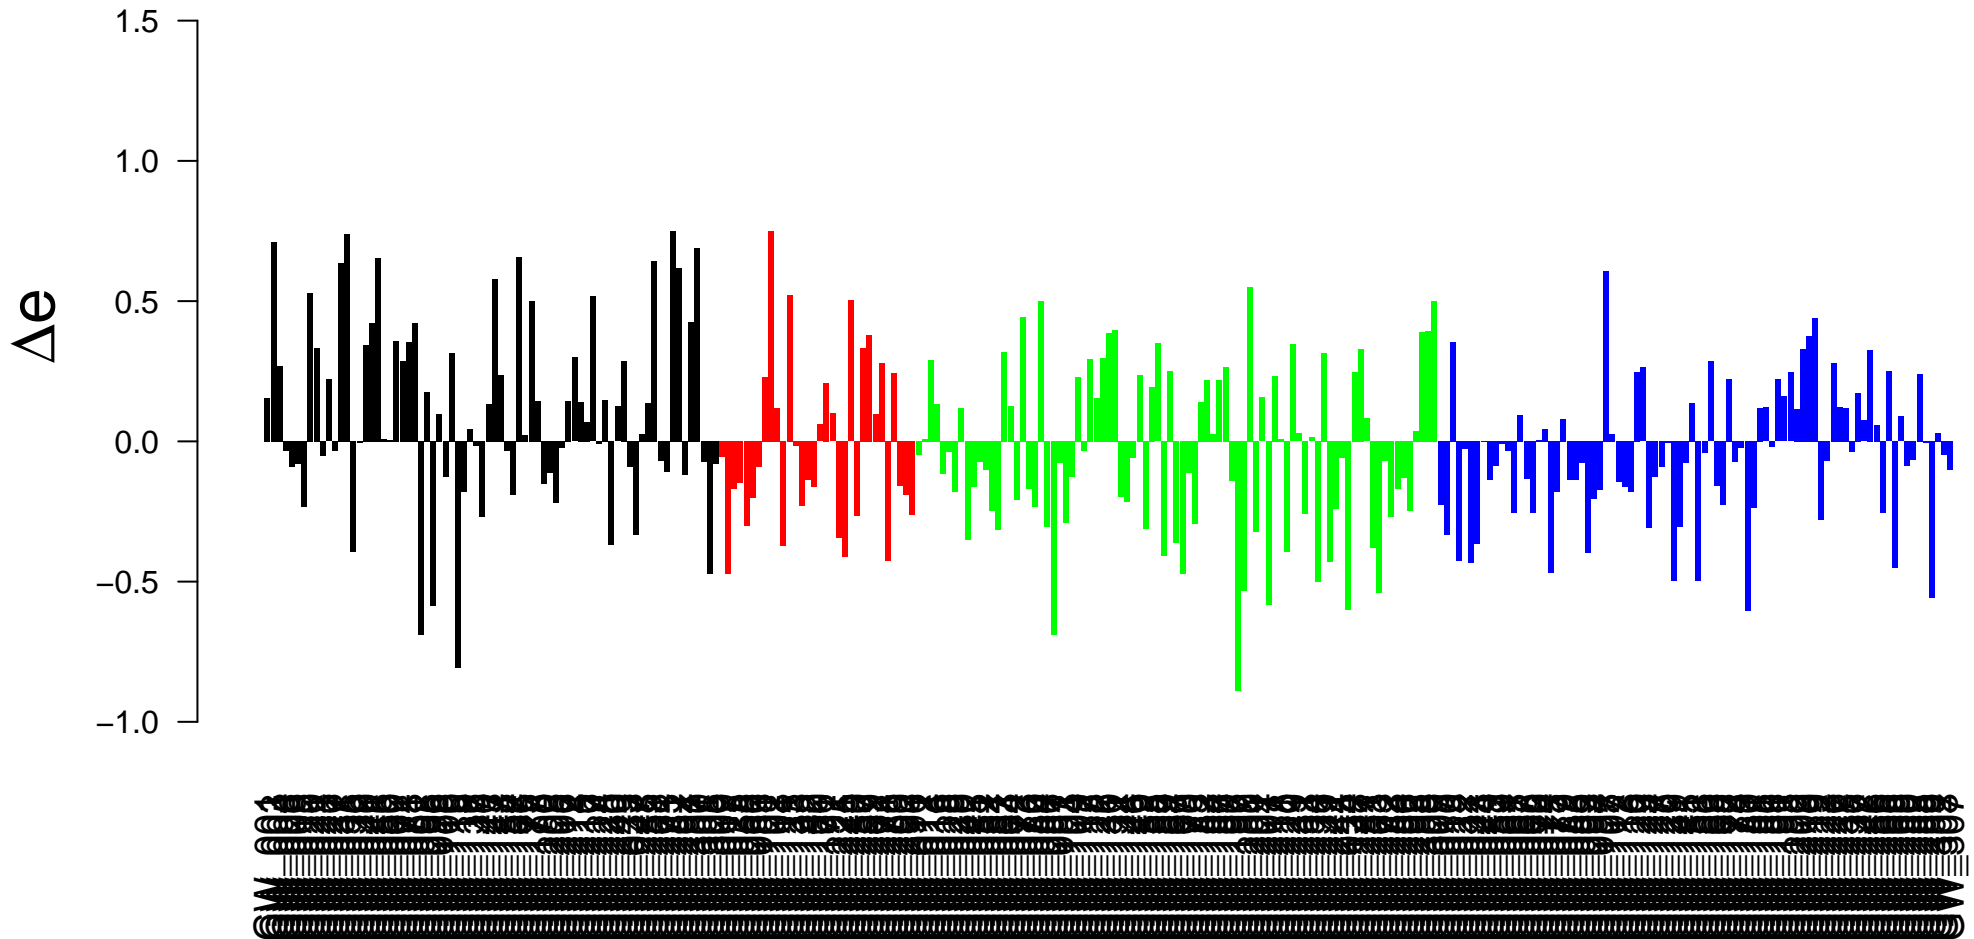

Expression of protein dimerization activity in Spot C

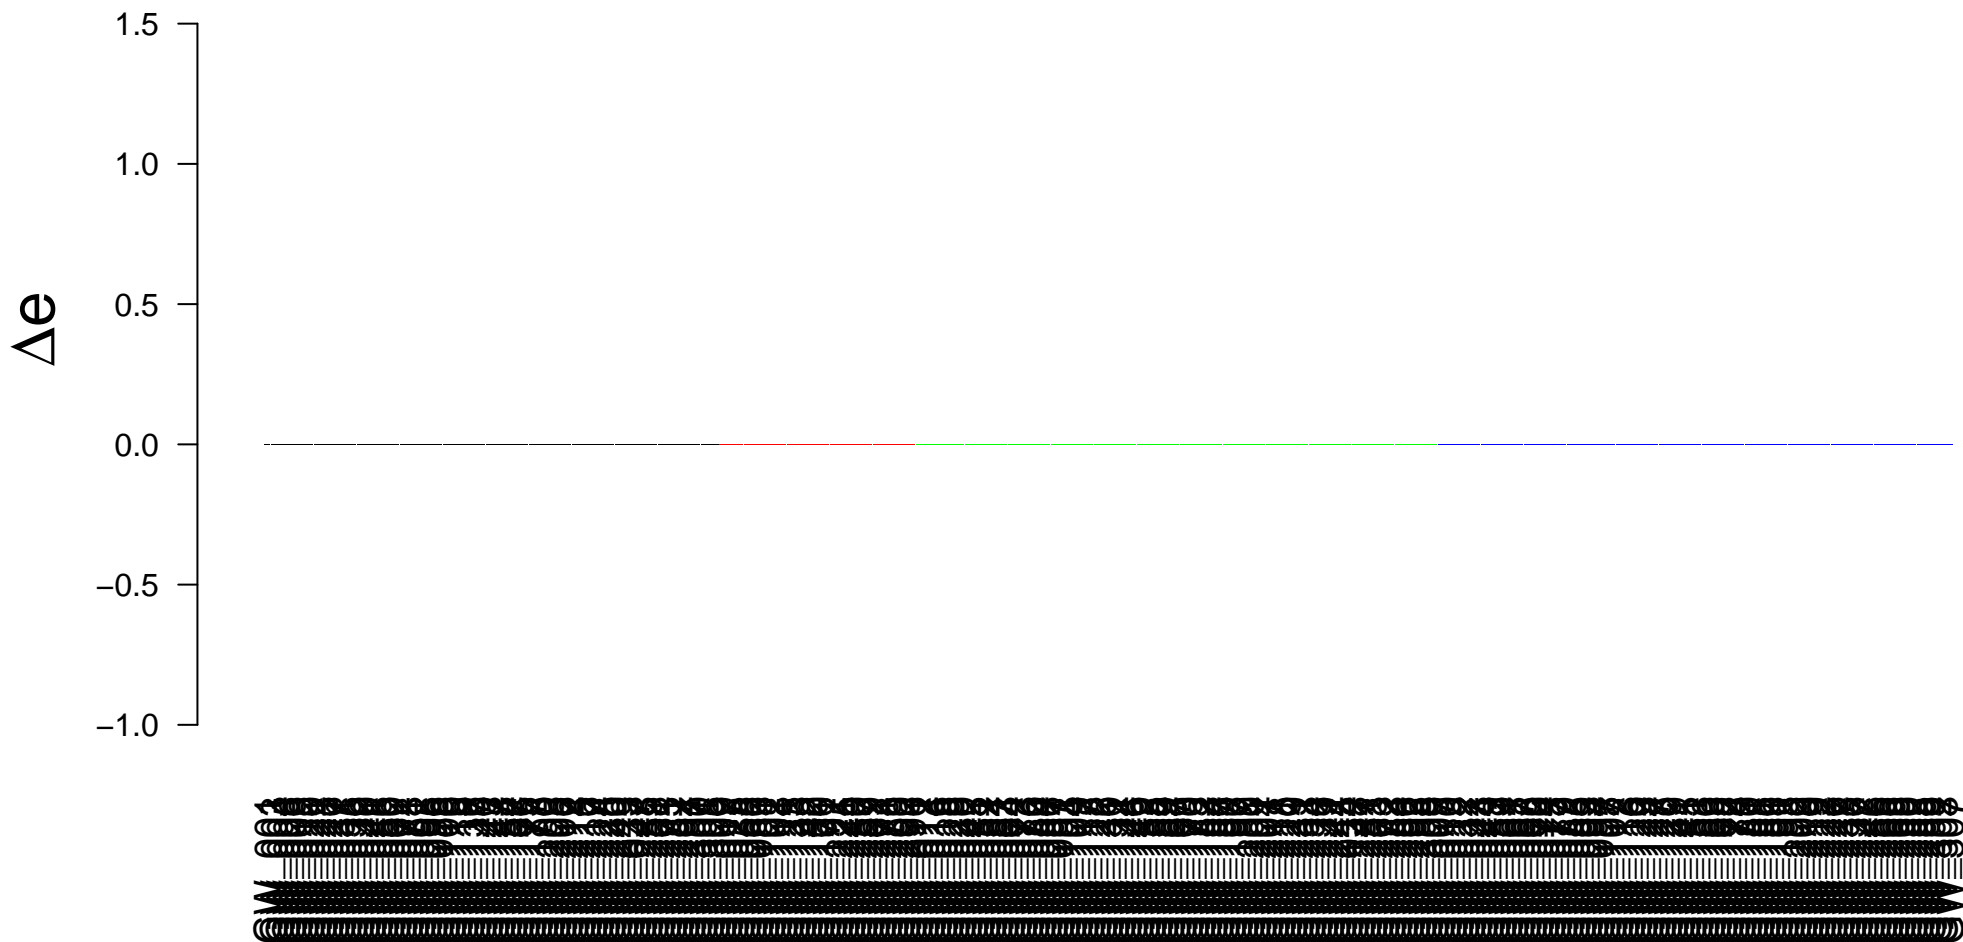

Expression of protein dimerization activity in Spot D

Expression of protein dimerization activity in Spot E

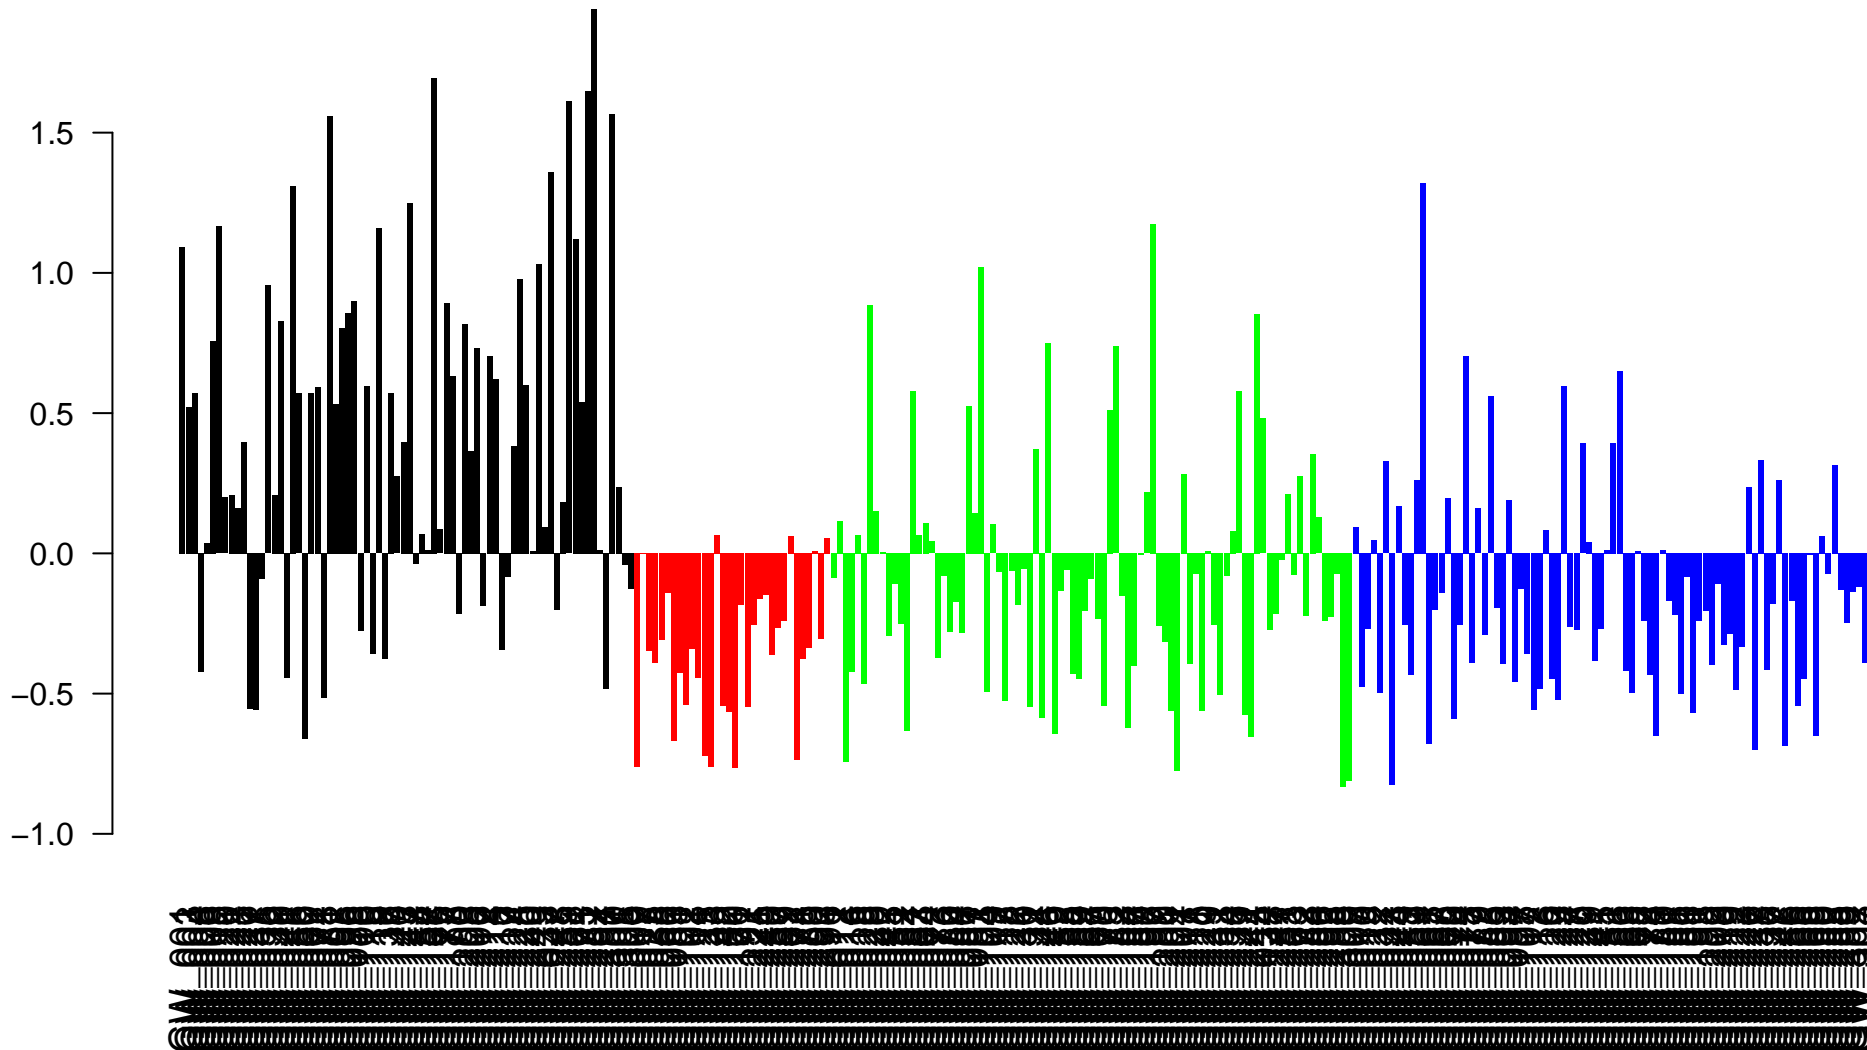

Expression of protein dimerization activity in Spot F

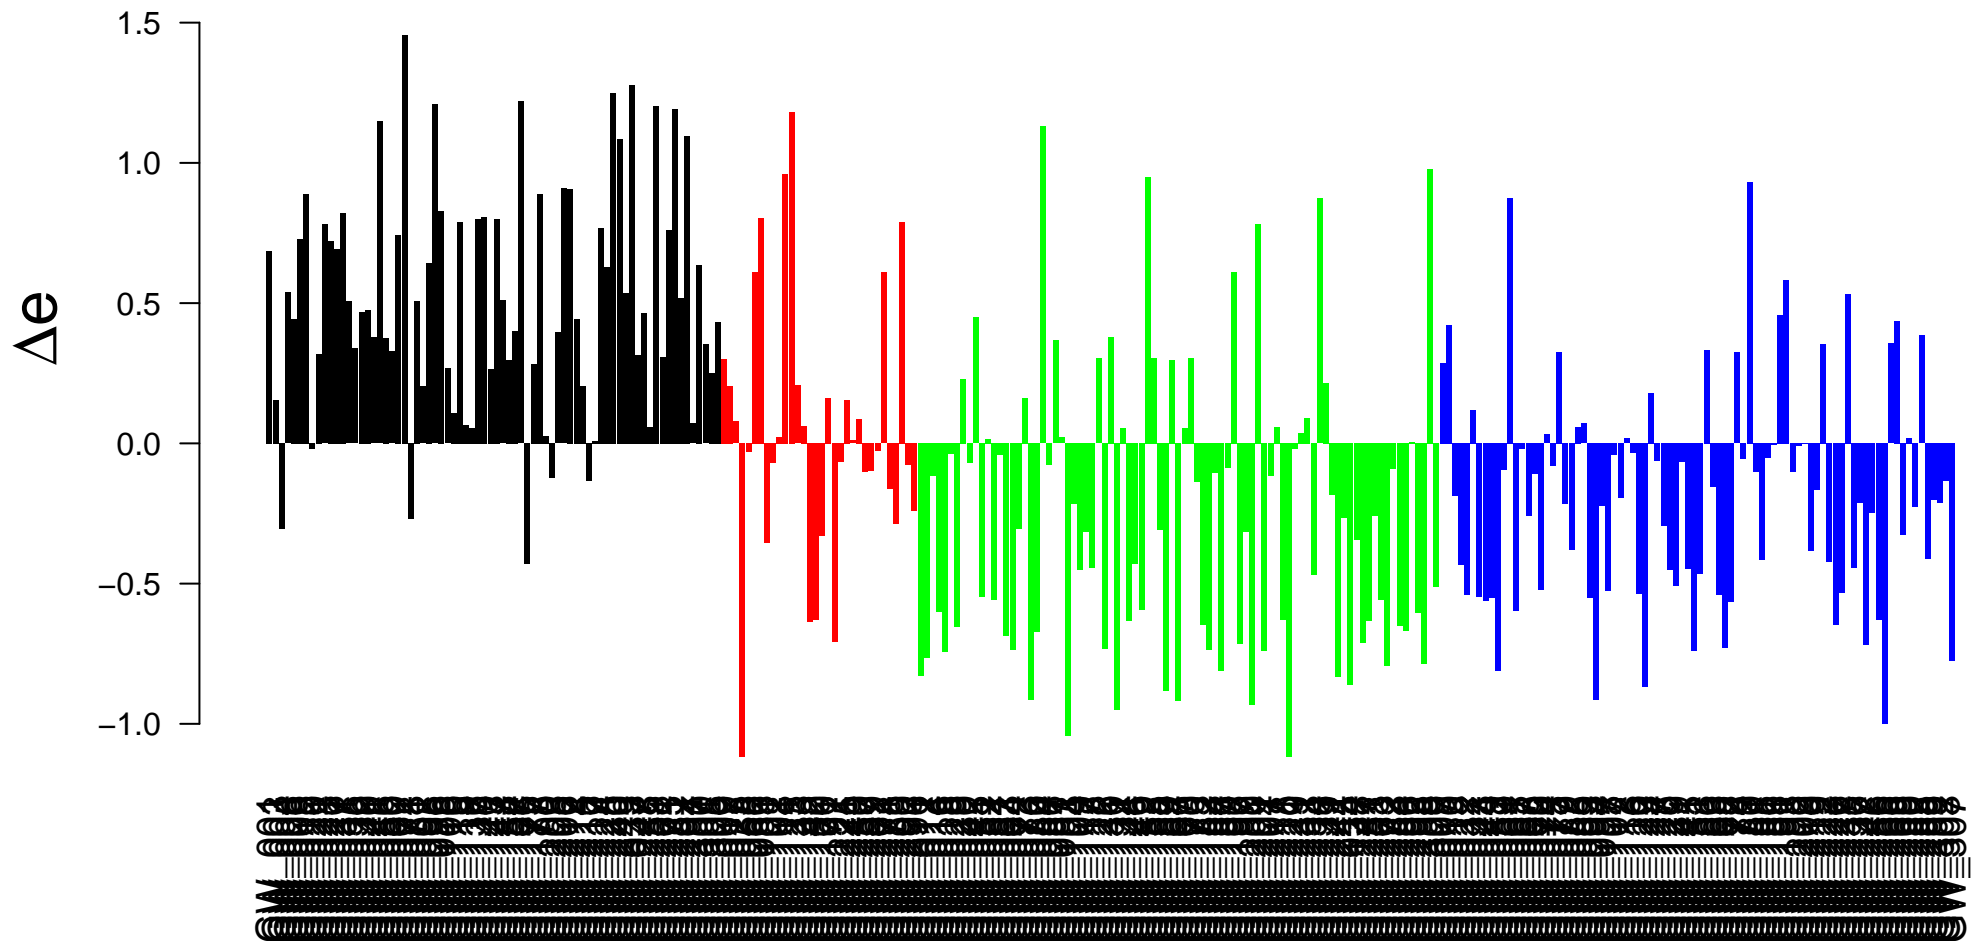

Expression of protein dimerization activity in Spot G

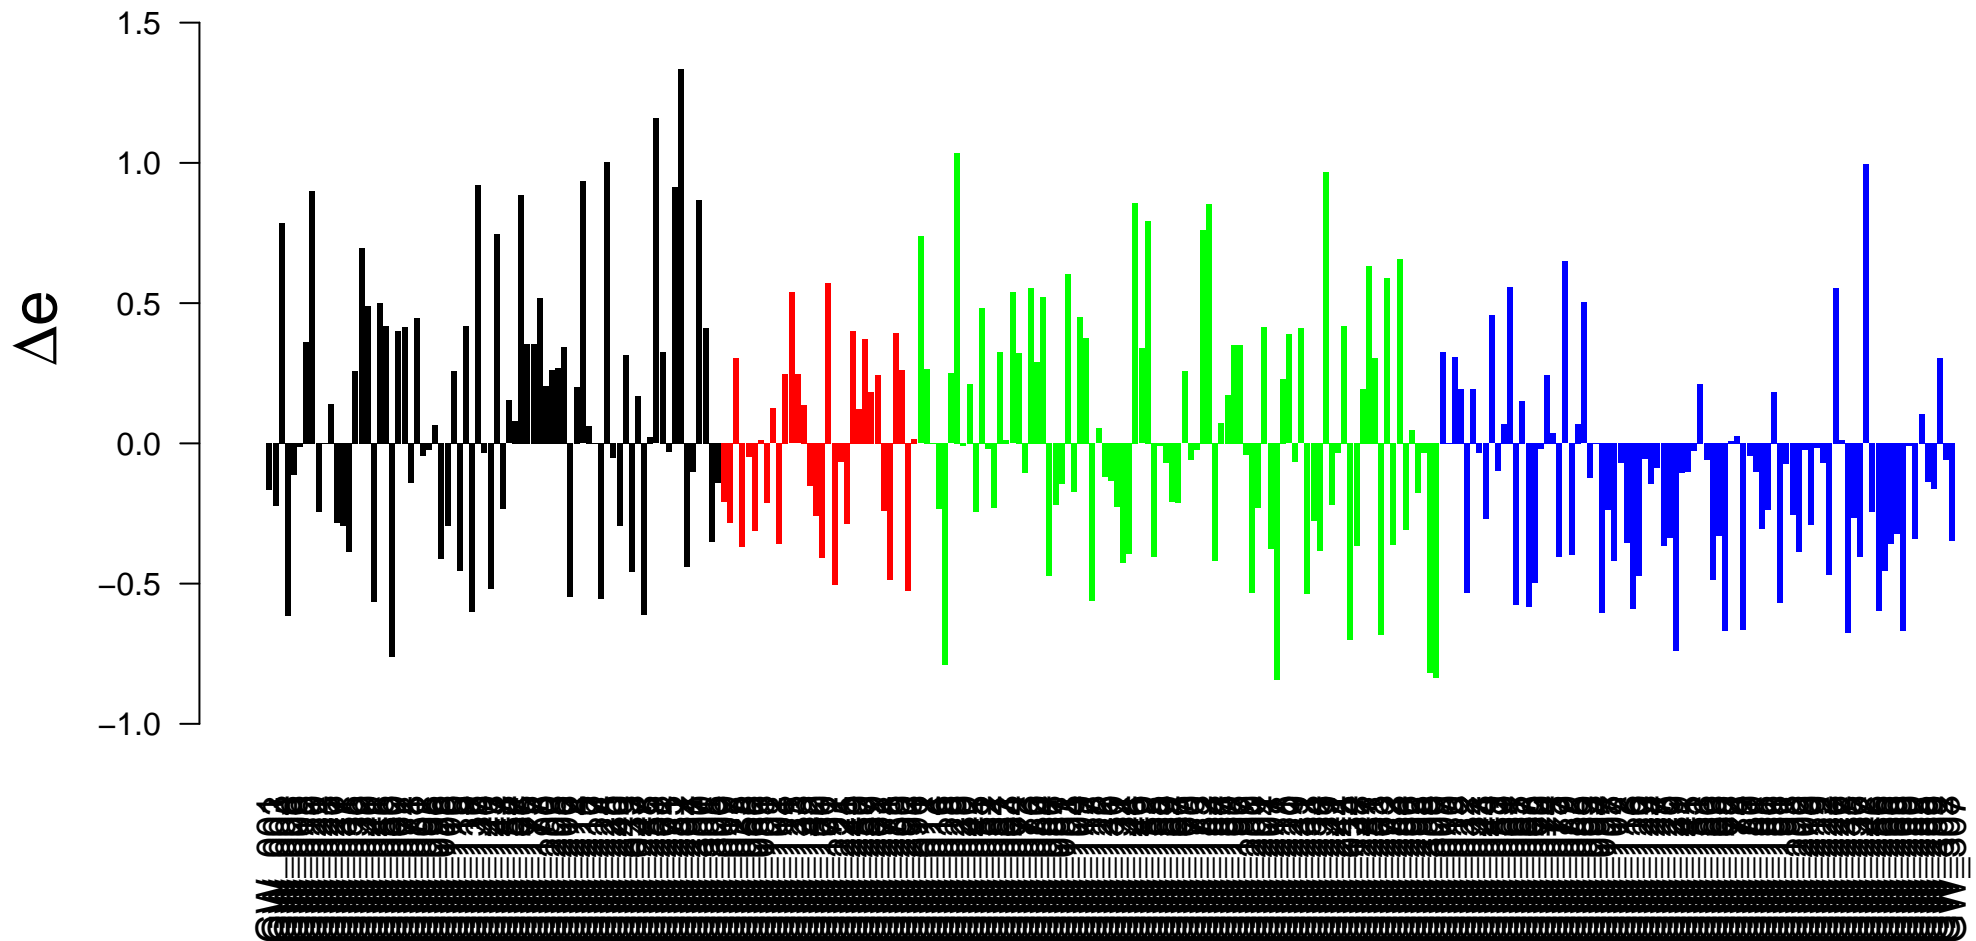

Δe

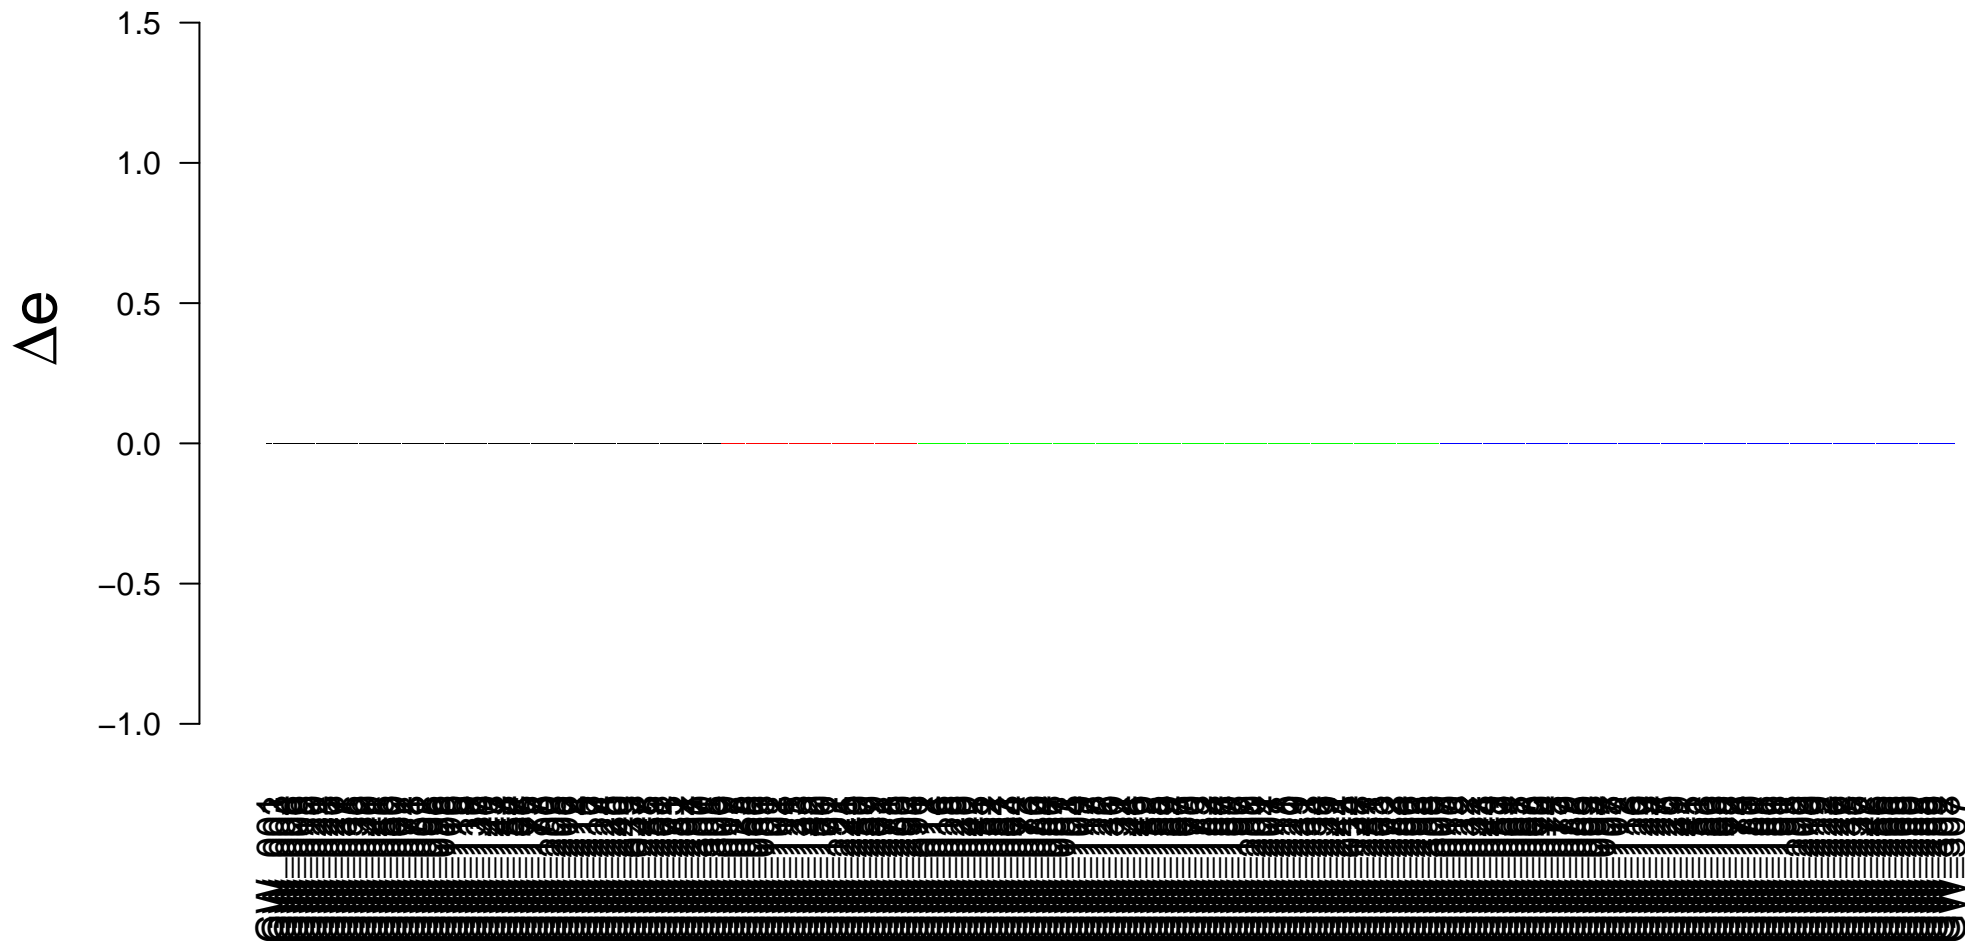

Expression of protein dimerization activity in Spot H

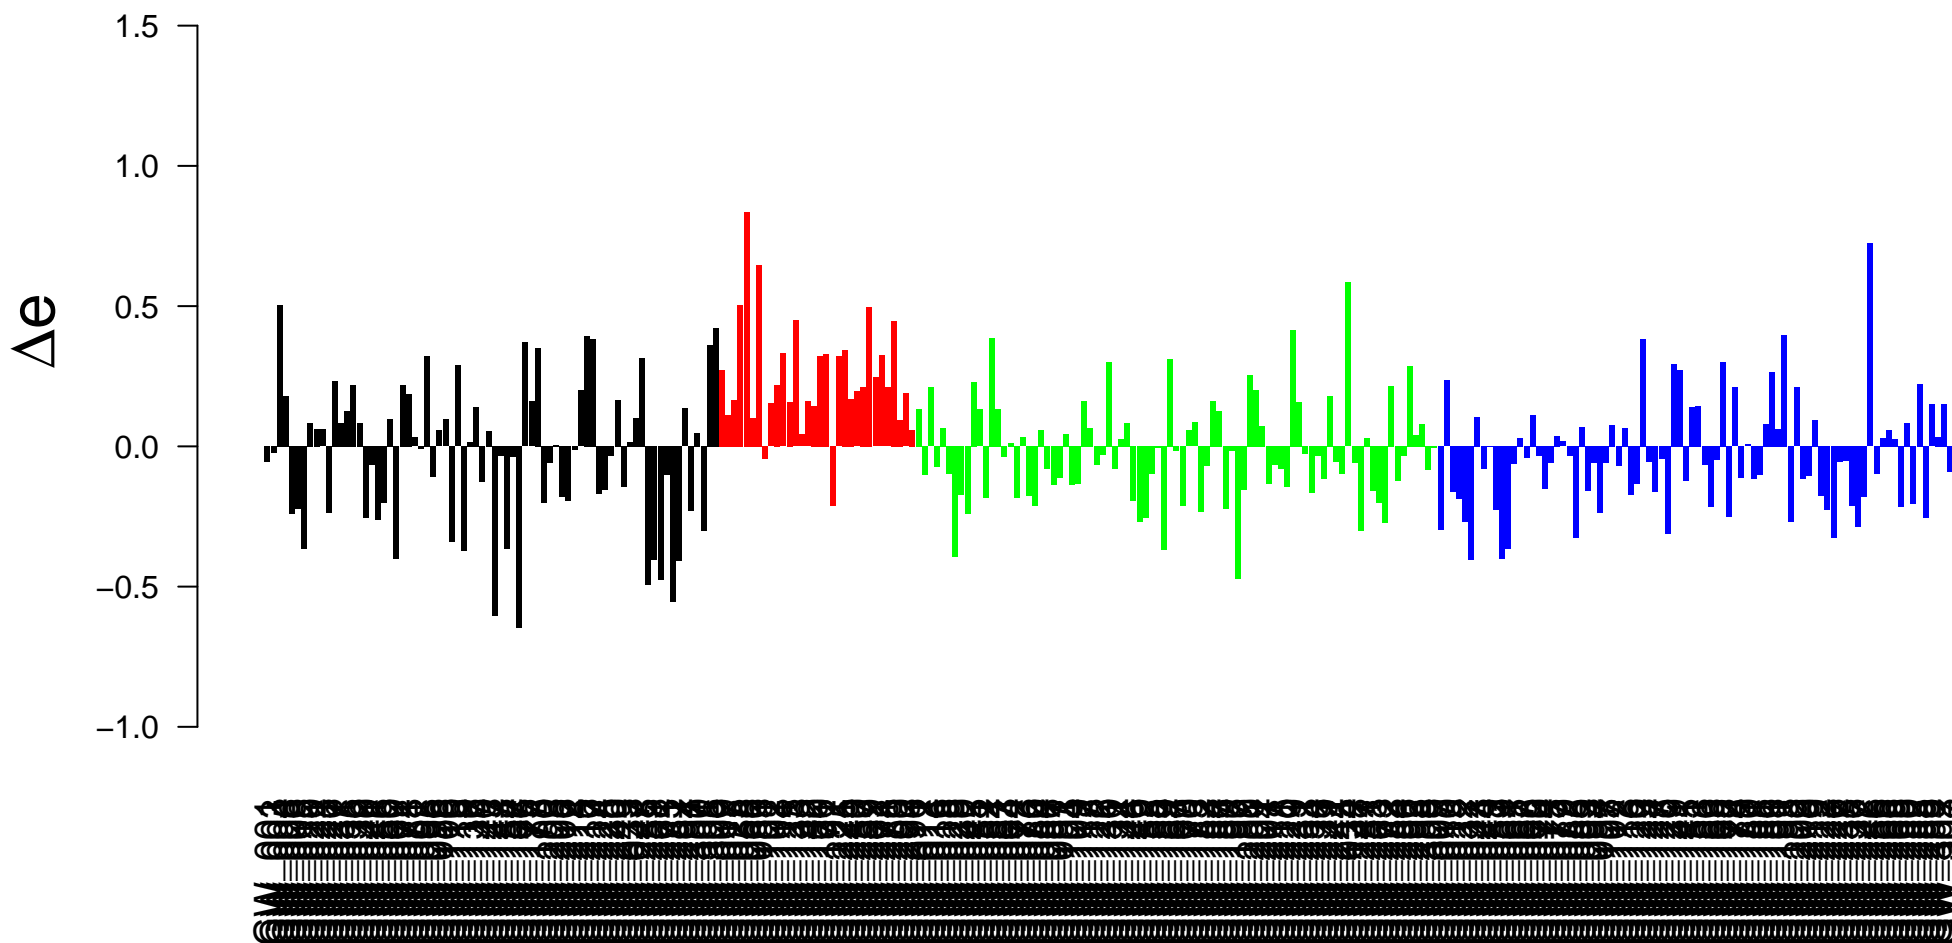

Expression of protein dimerization activity in Spot I

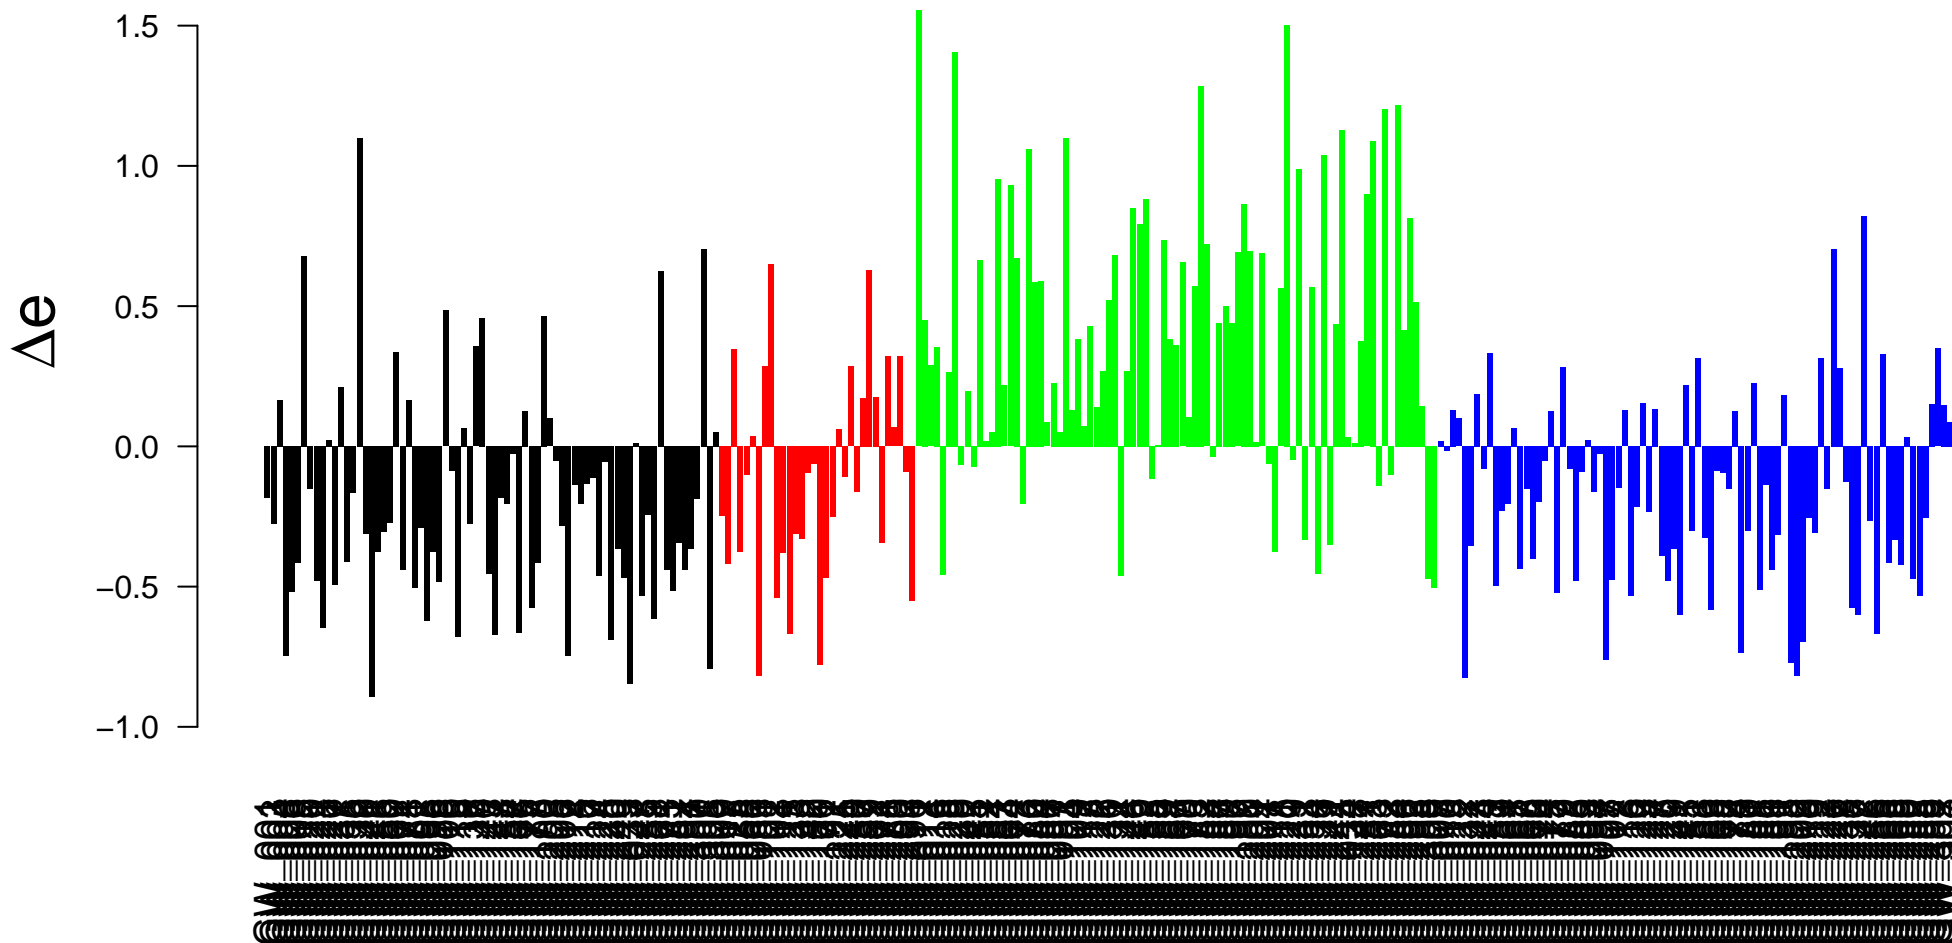

Expression of protein dimerization activity in Spot J

Expression of protein dimerization activity in Spot K

Expression of protein dimerization activity in Spot L

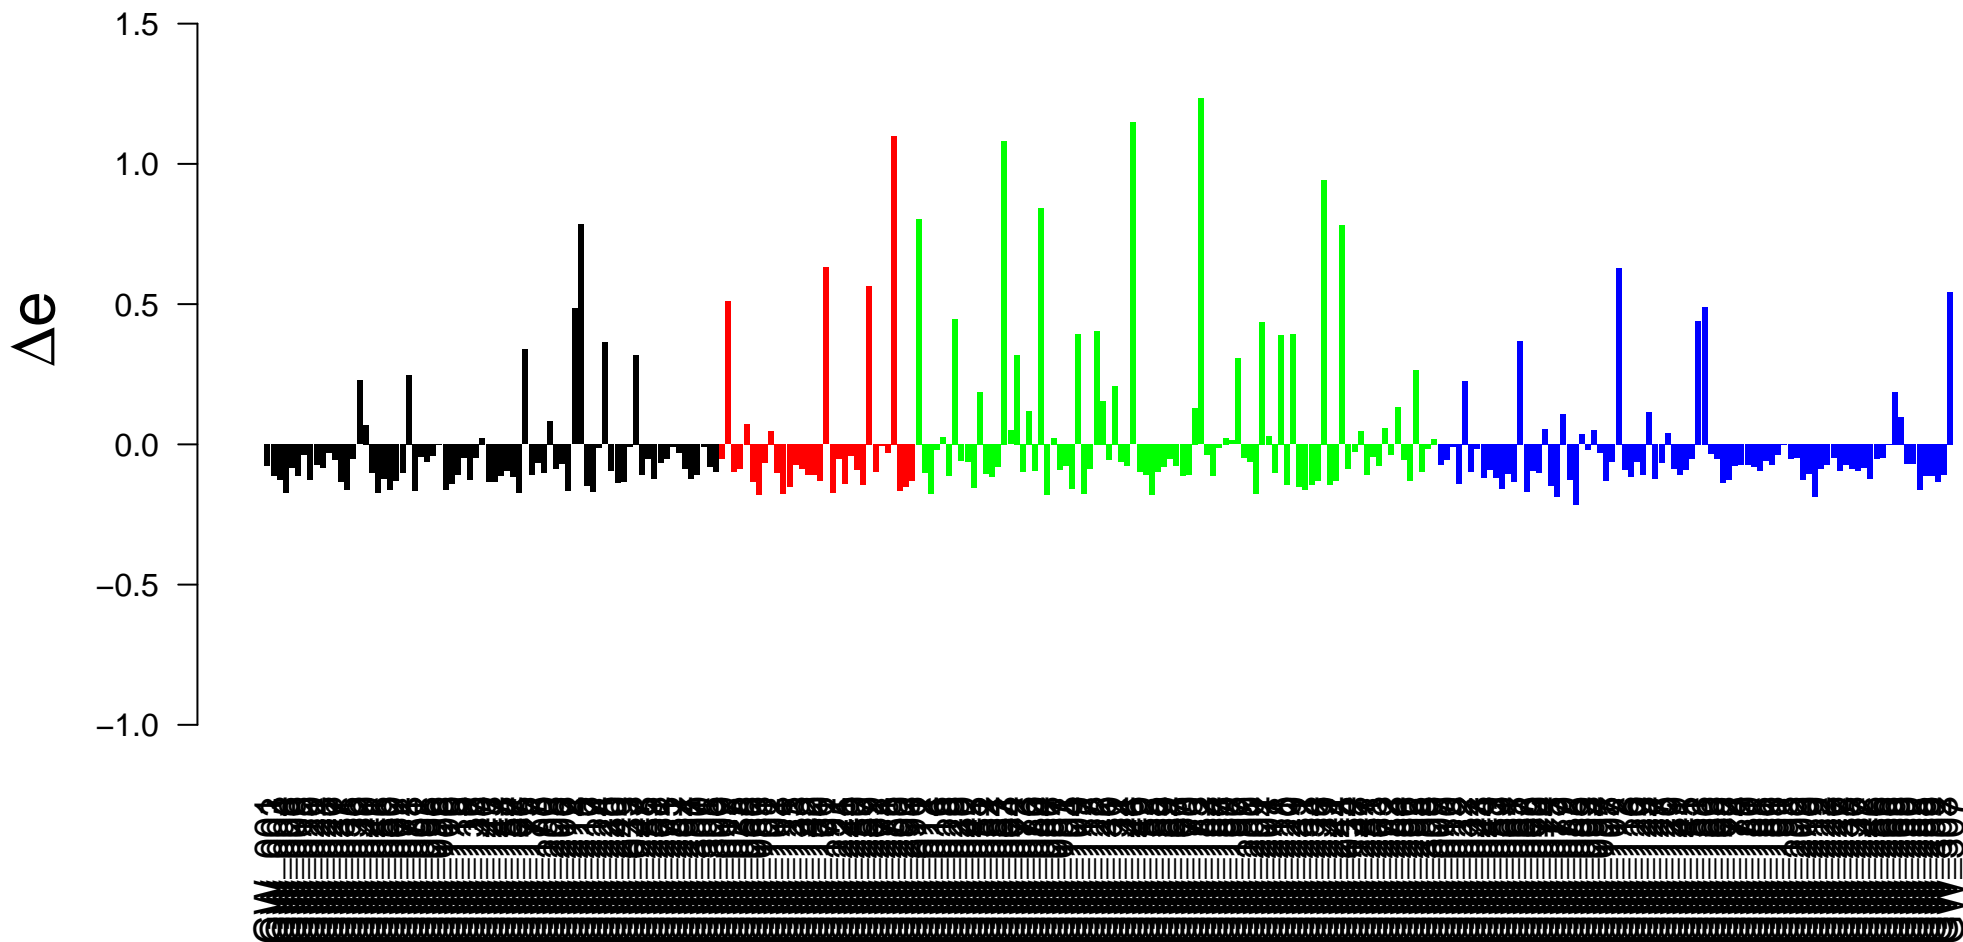

Expression of protein dimerization activity in Spot M
