

protein domain specific binding

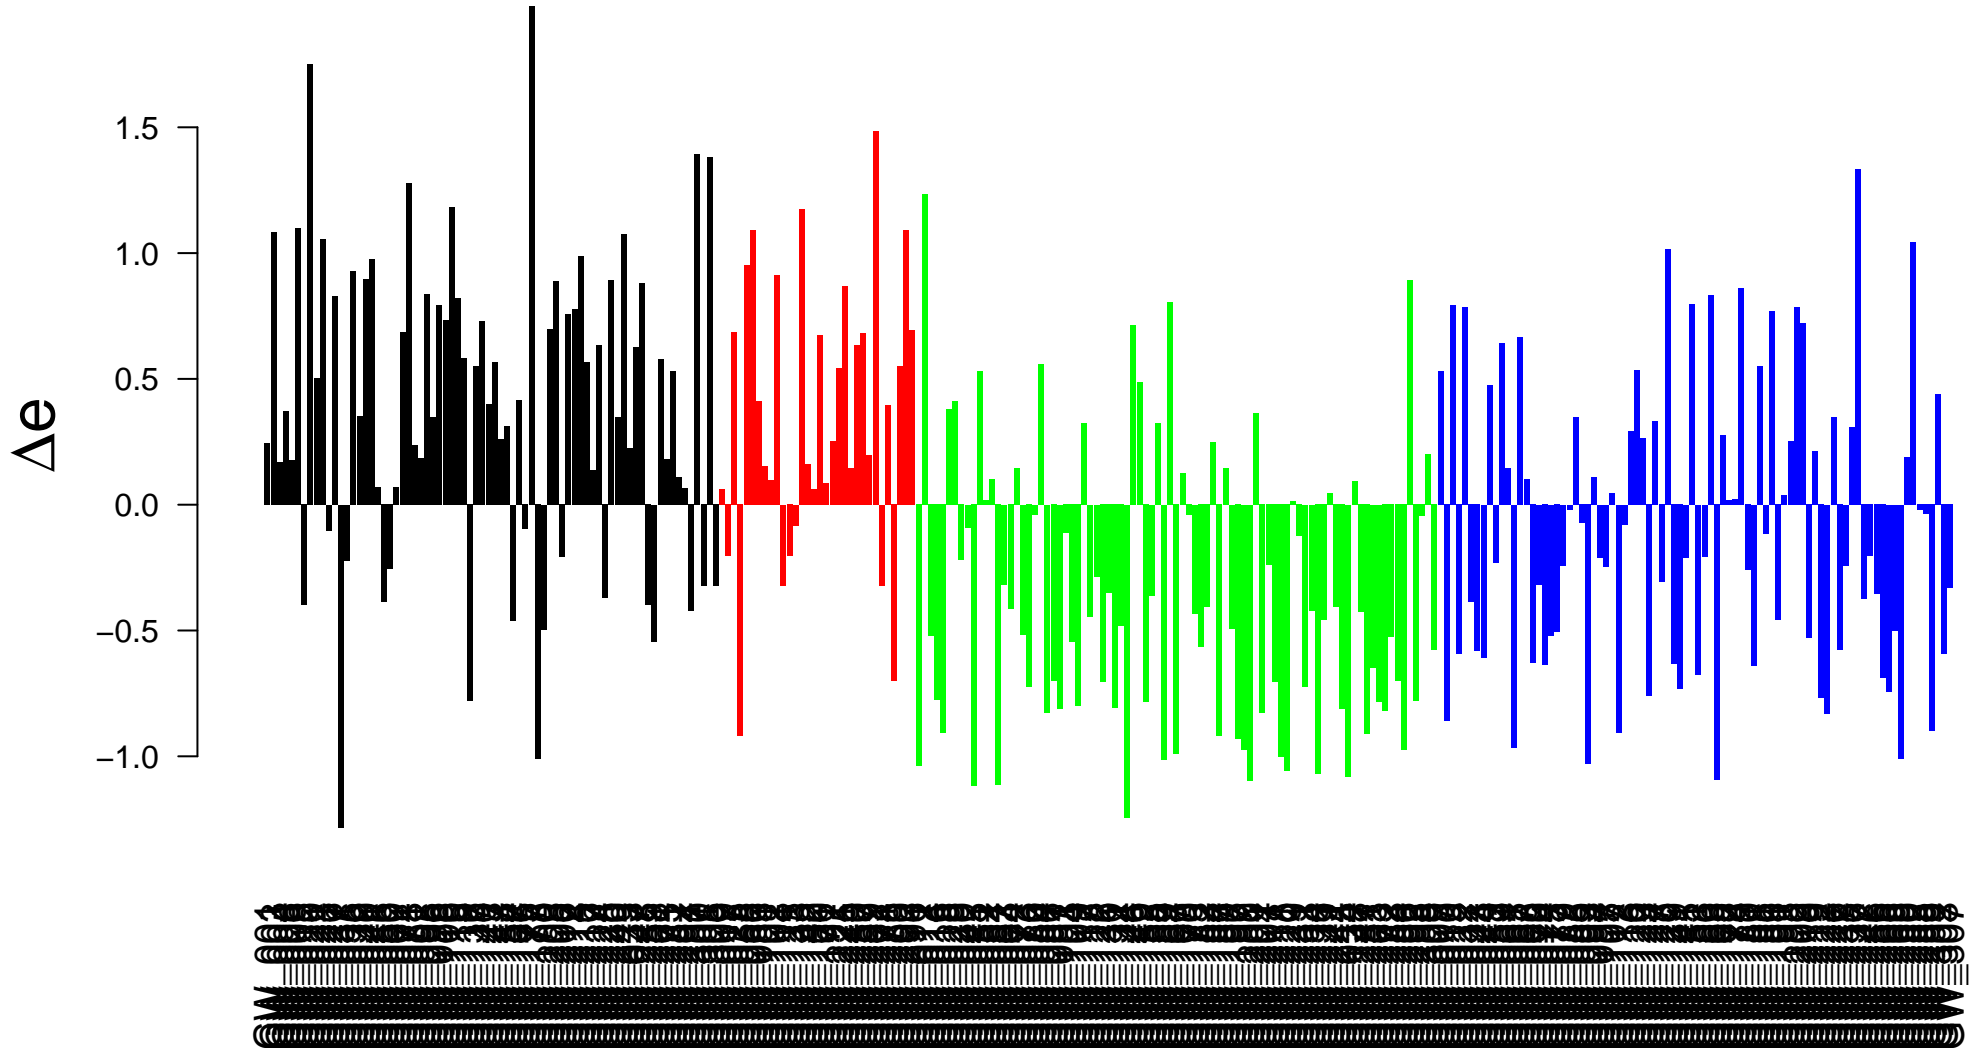

protein domain specific binding

Enrichment in spots: protein domain specific binding

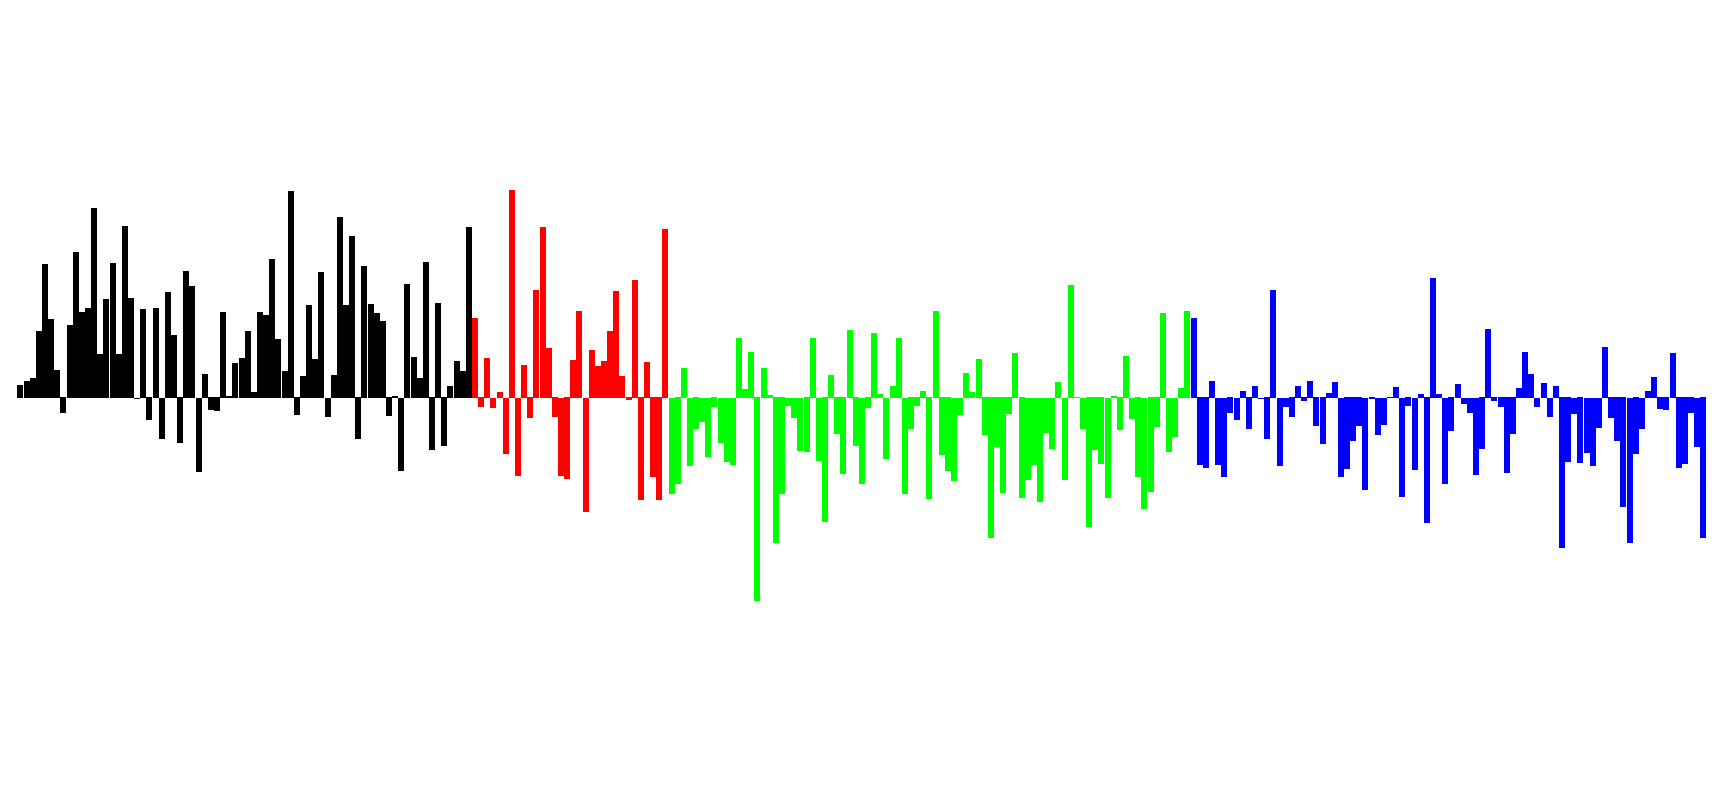

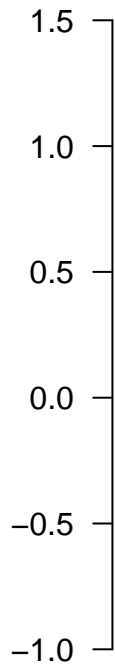

Expression of protein domain specific binding in Spot A

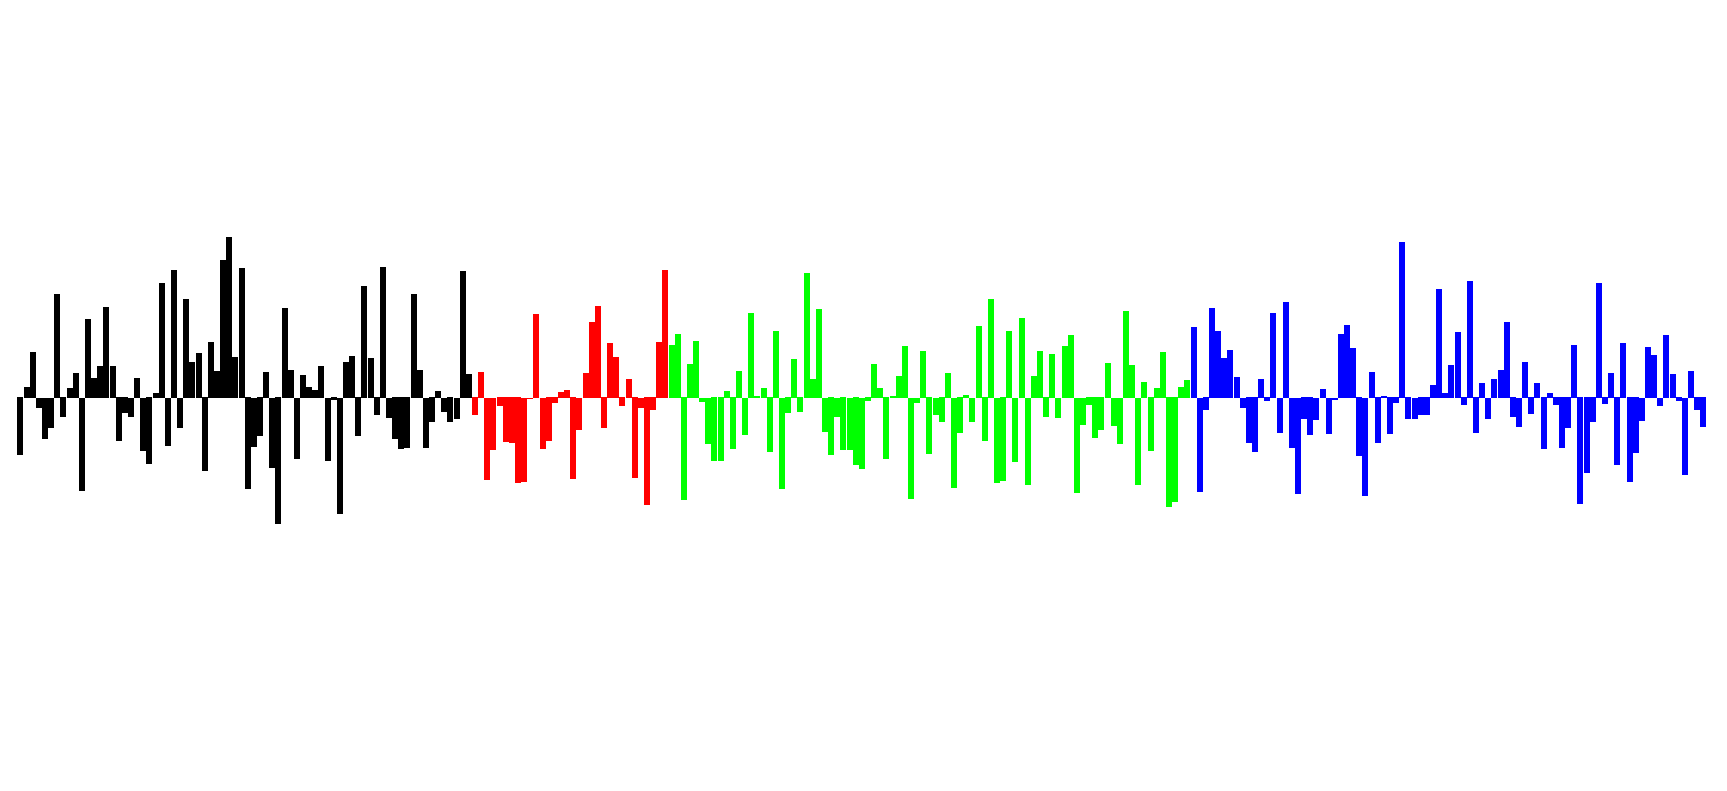

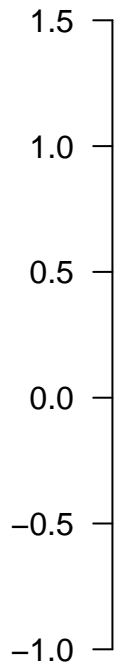

Expression of protein domain specific binding in Spot B

Δe

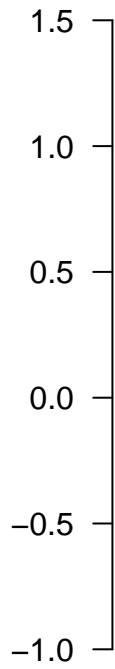

Expression of protein domain specific binding in Spot C

Δe

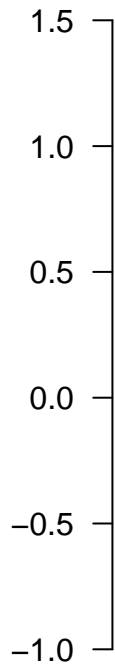

Expression of protein domain specific binding in Spot D

Δe

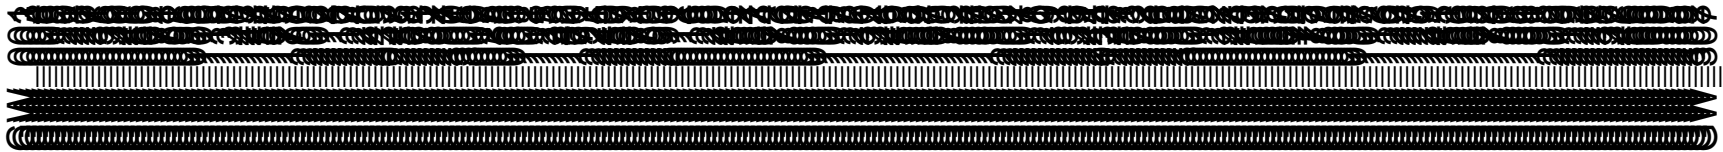

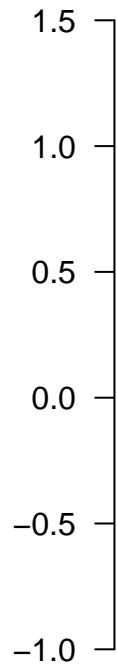

Expression of protein domain specific binding in Spot E

Δe

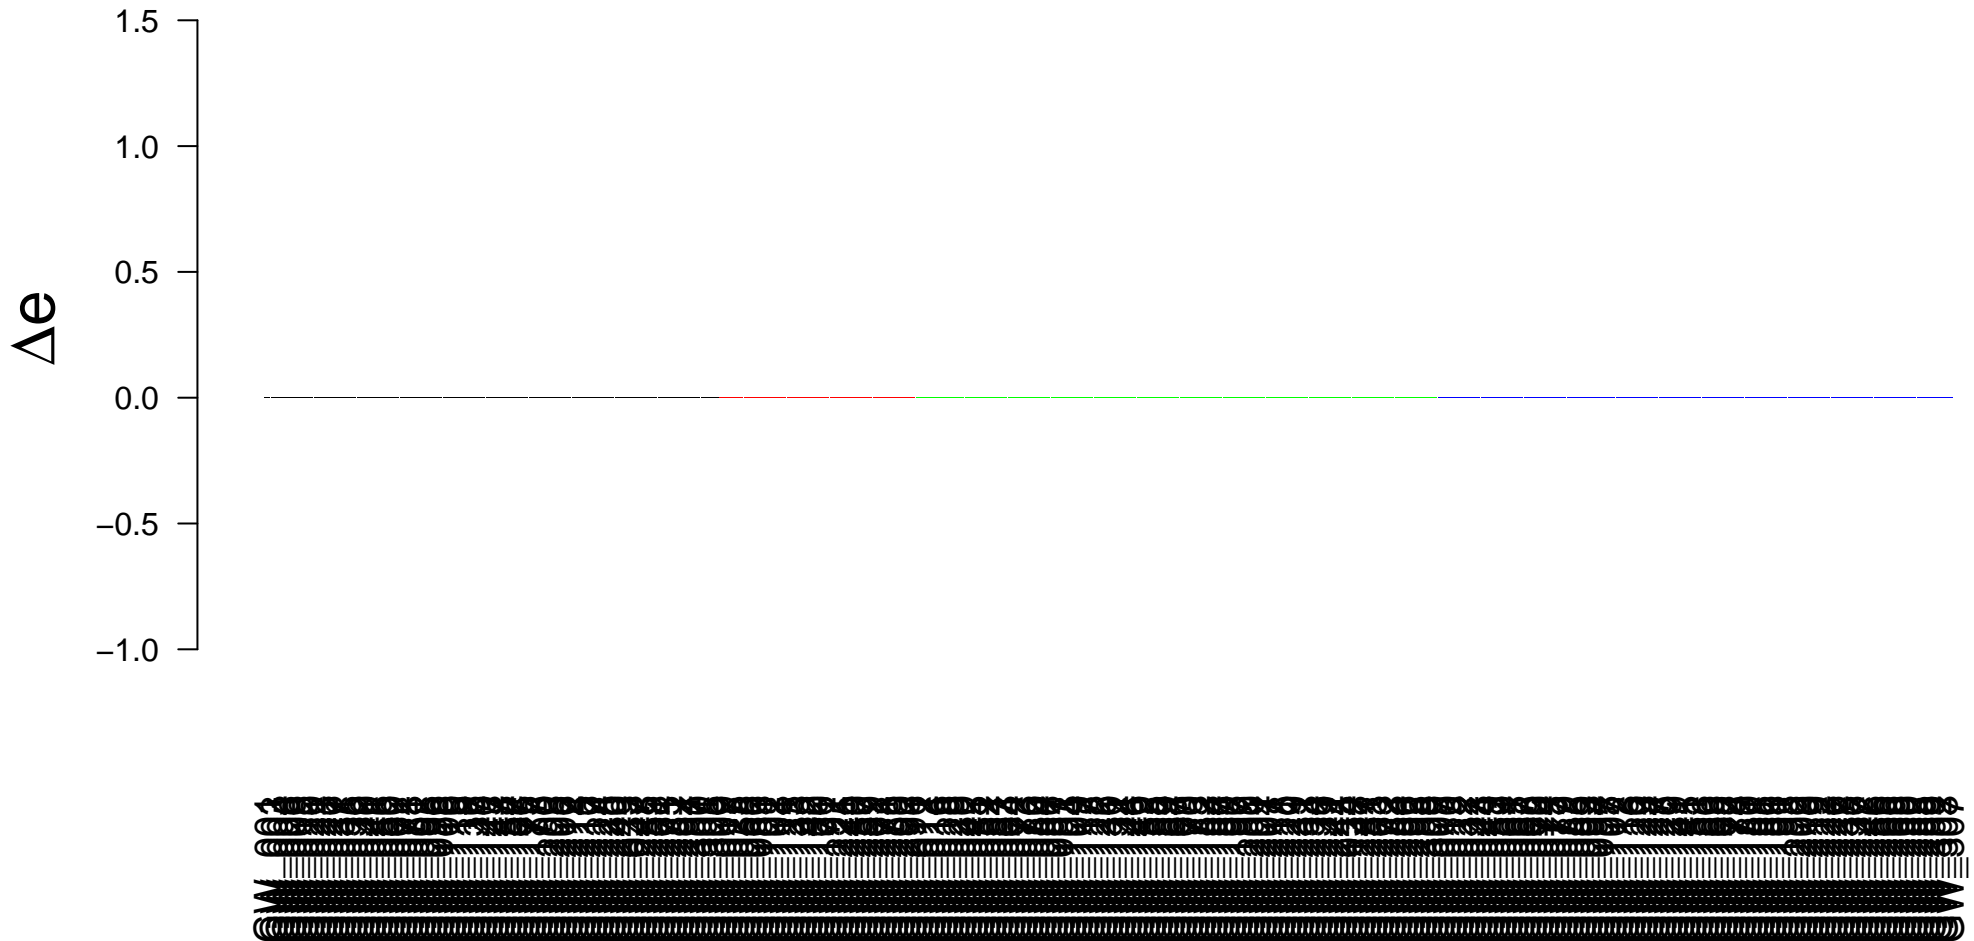

Expression of protein domain specific binding in Spot F

Δe

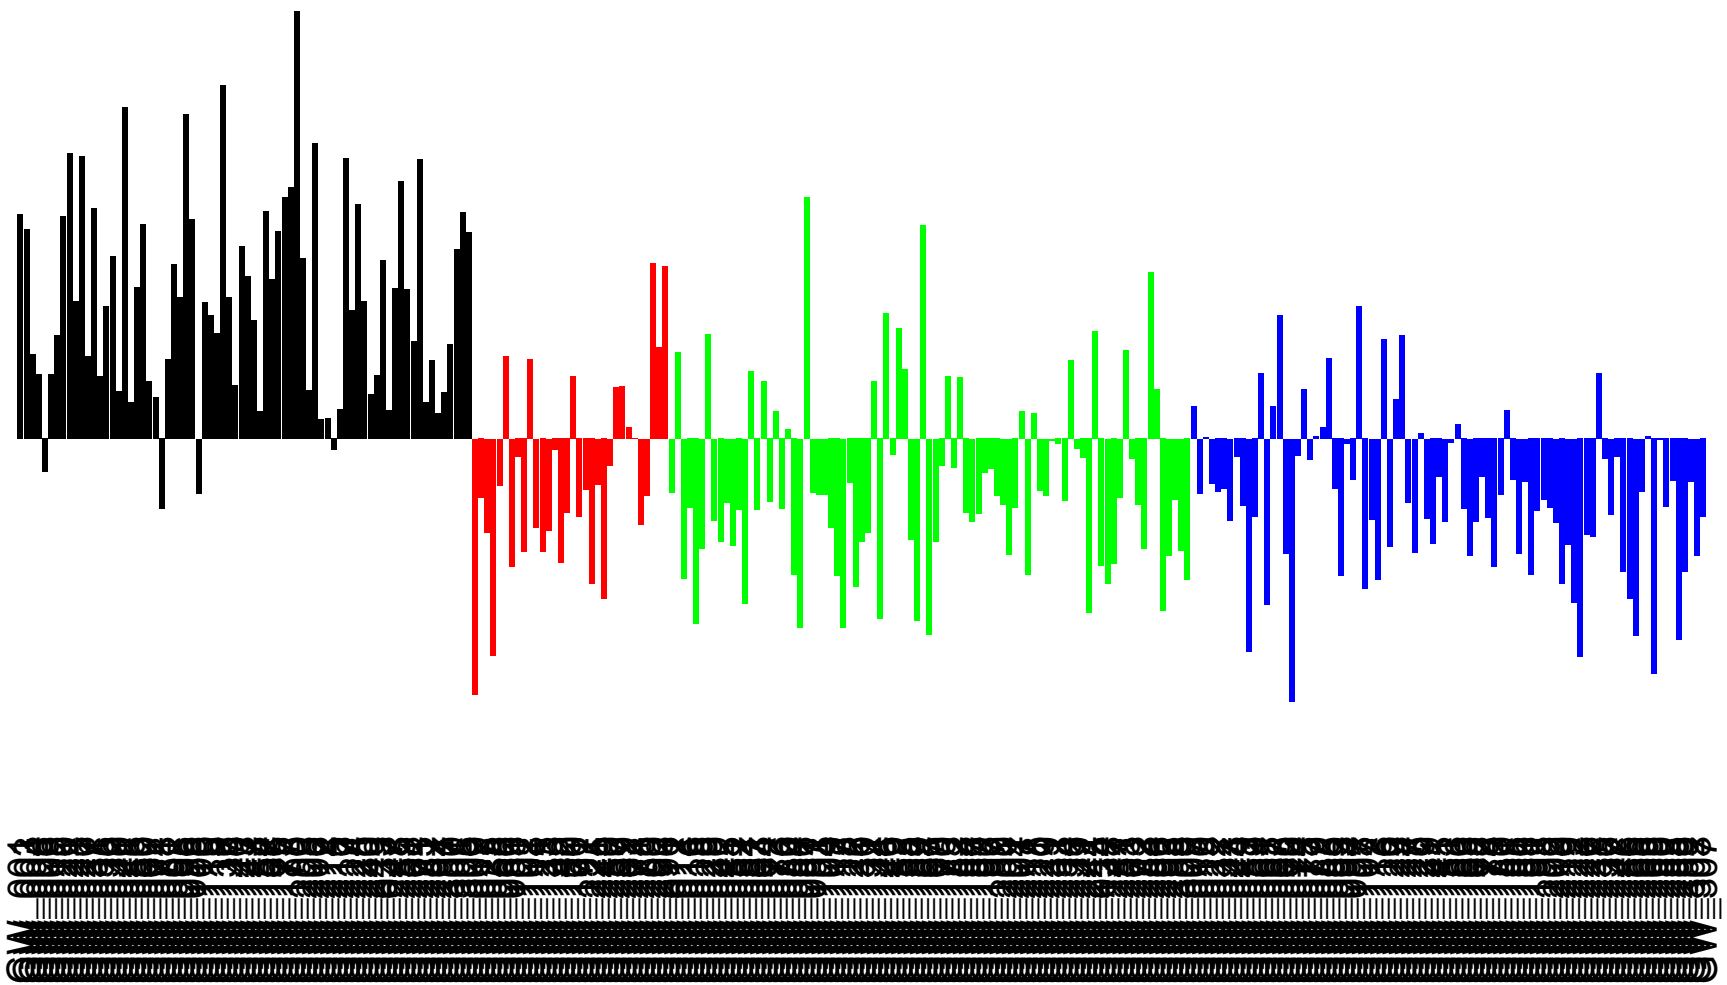

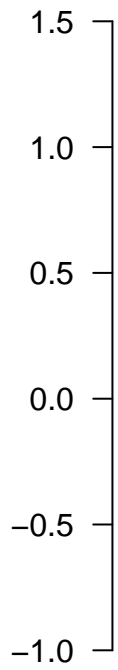

Expression of protein domain specific binding in Spot G

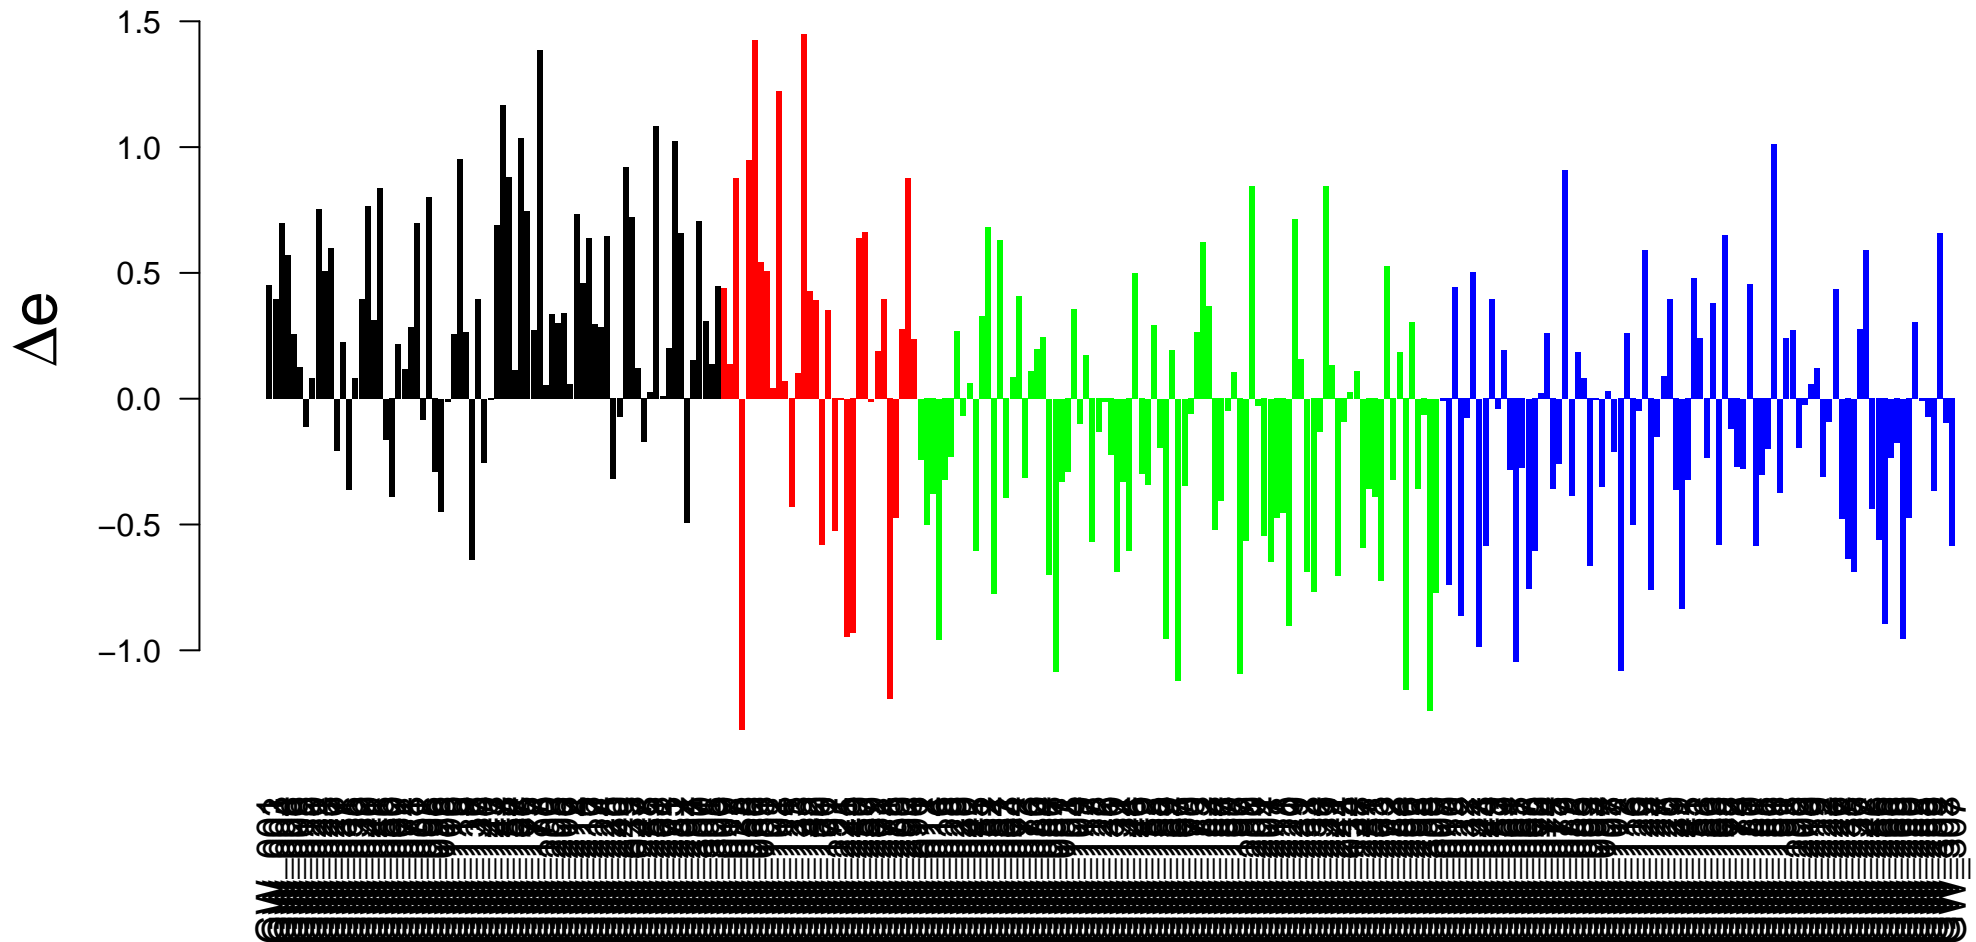

Expression of protein domain specific binding in Spot H

Δe

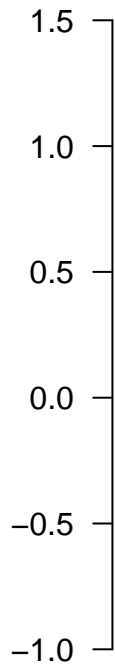

Expression of protein domain specific binding in Spot I

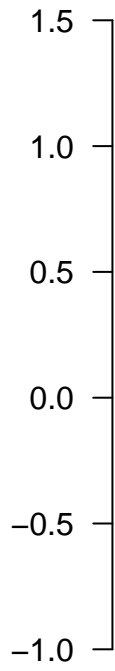

Expression of protein domain specific binding in Spot J

Δe

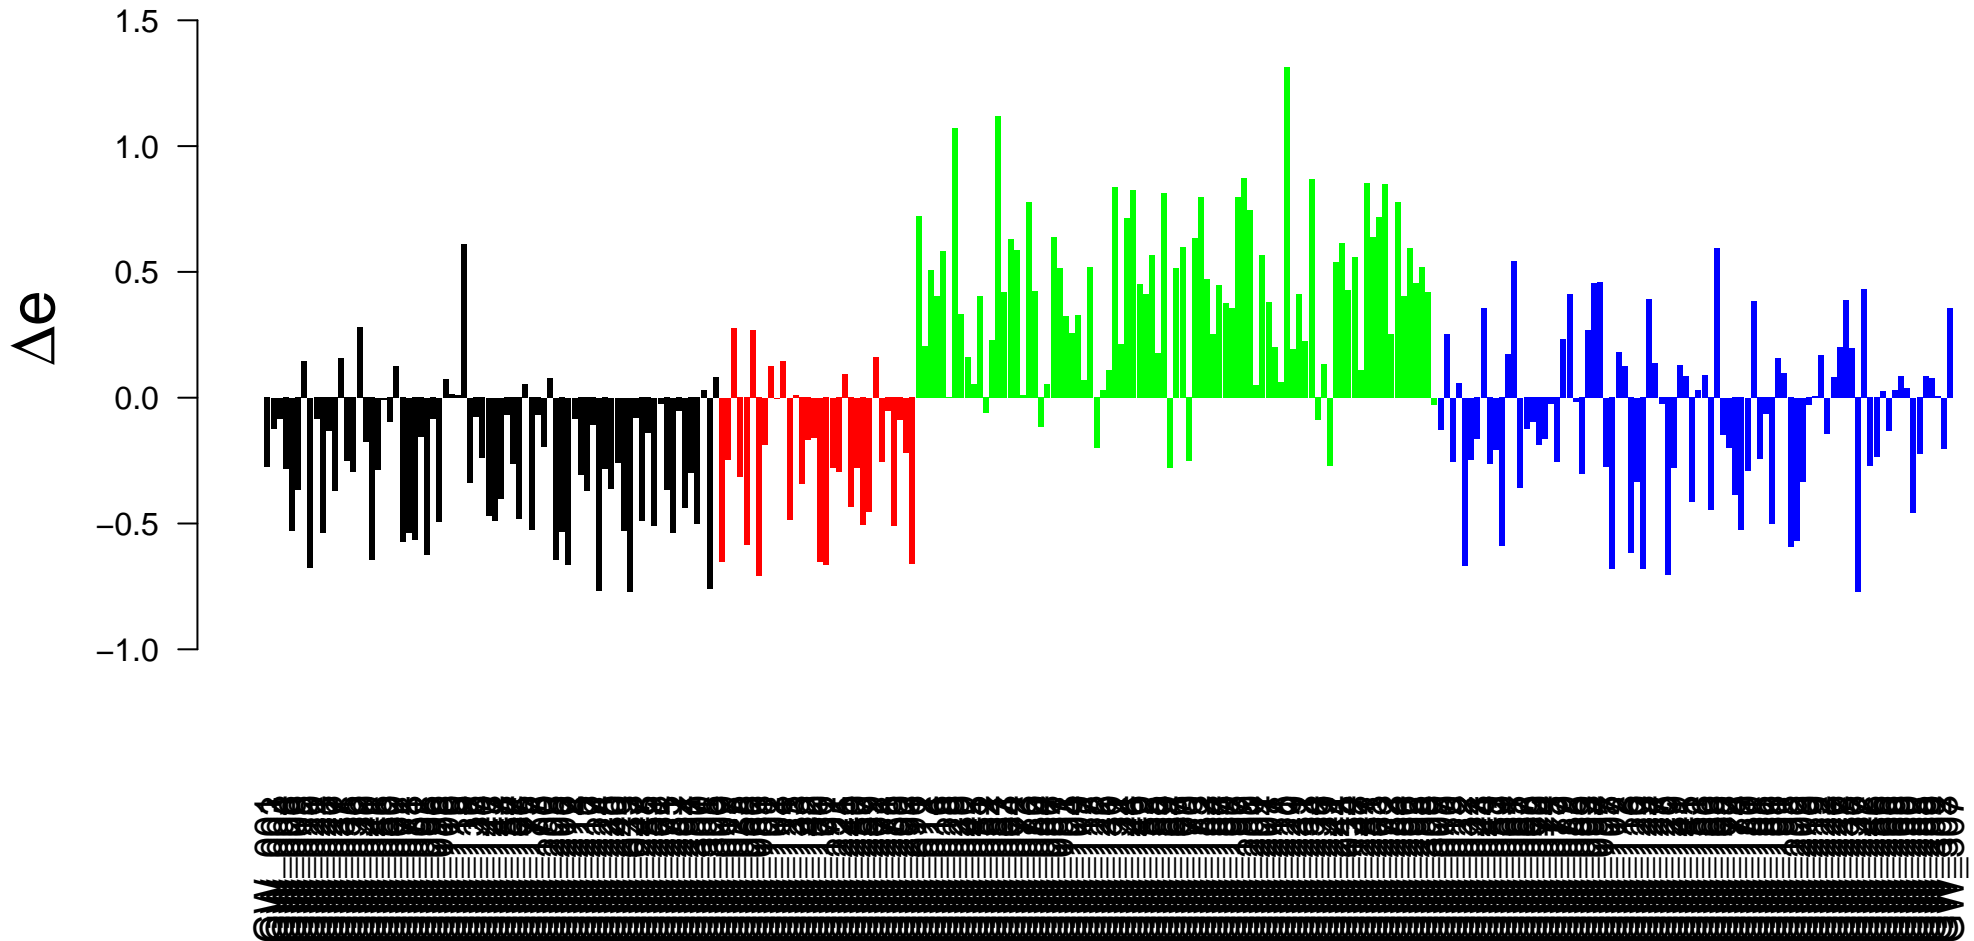

Expression of protein domain specific binding in Spot K

Δe

Expression of protein domain specific binding in Spot L

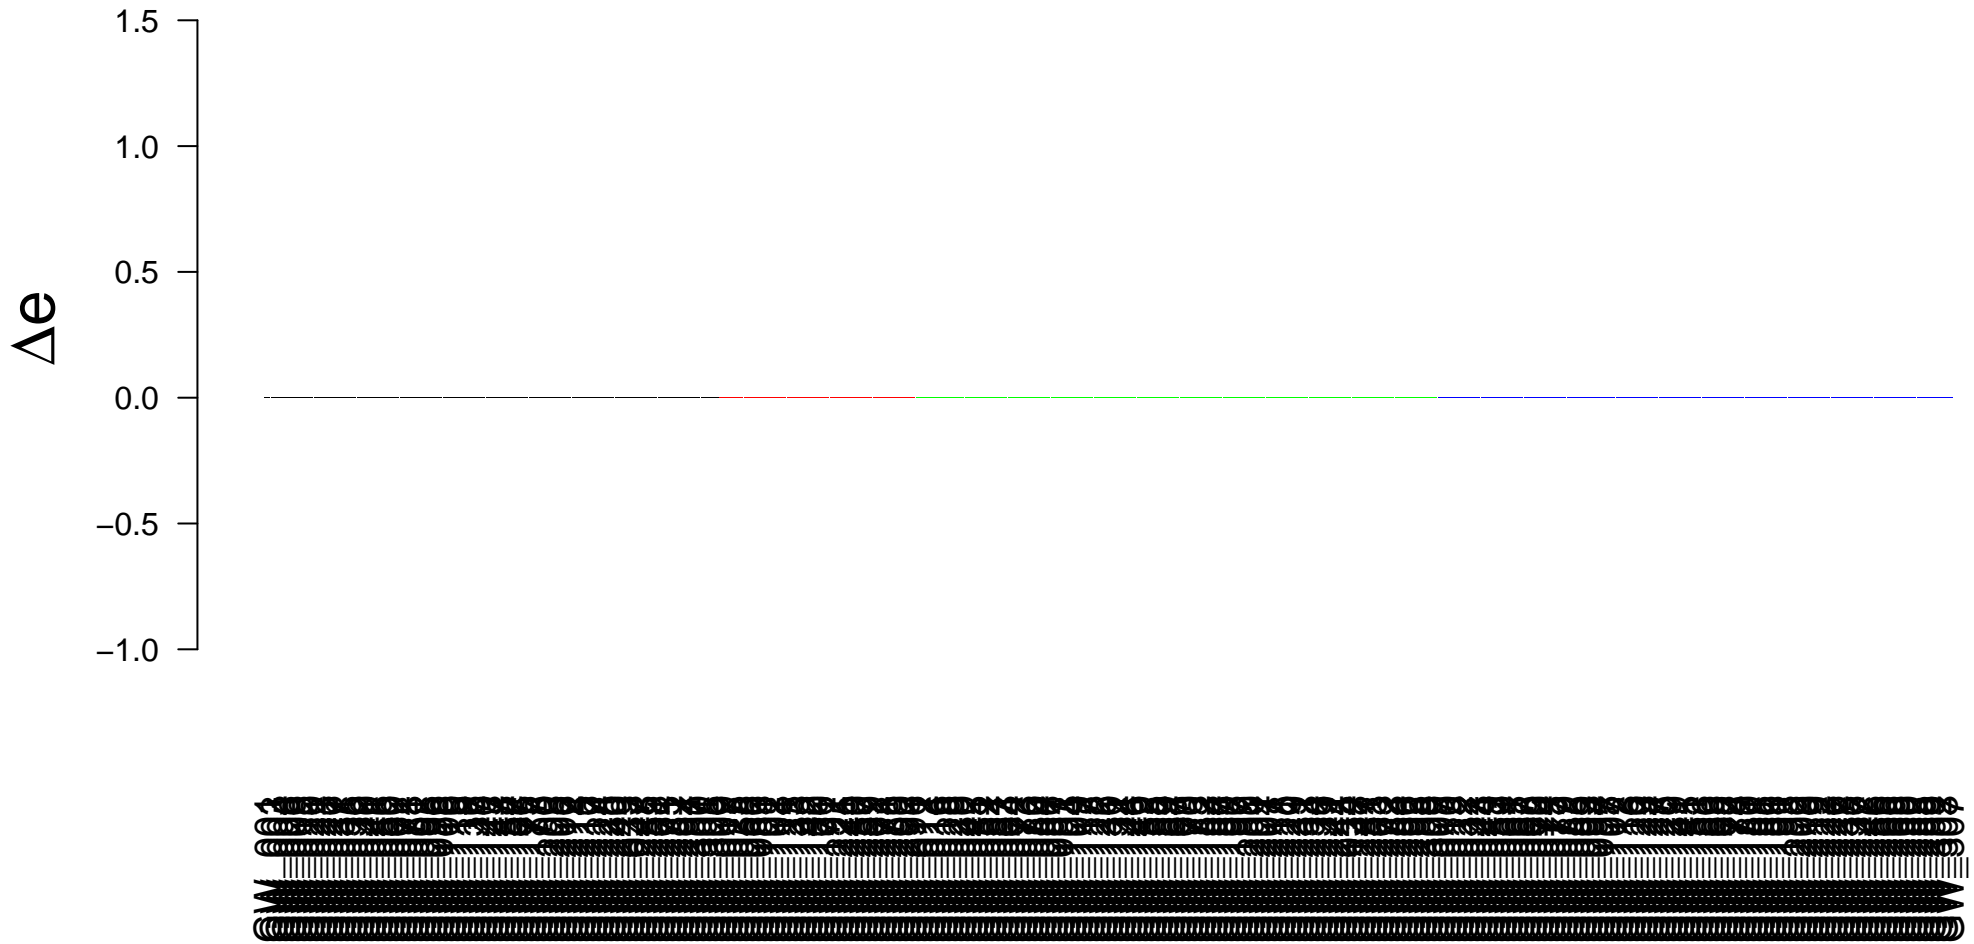

Expression of protein domain specific binding in Spot M

Δe
