

protein glycosylation

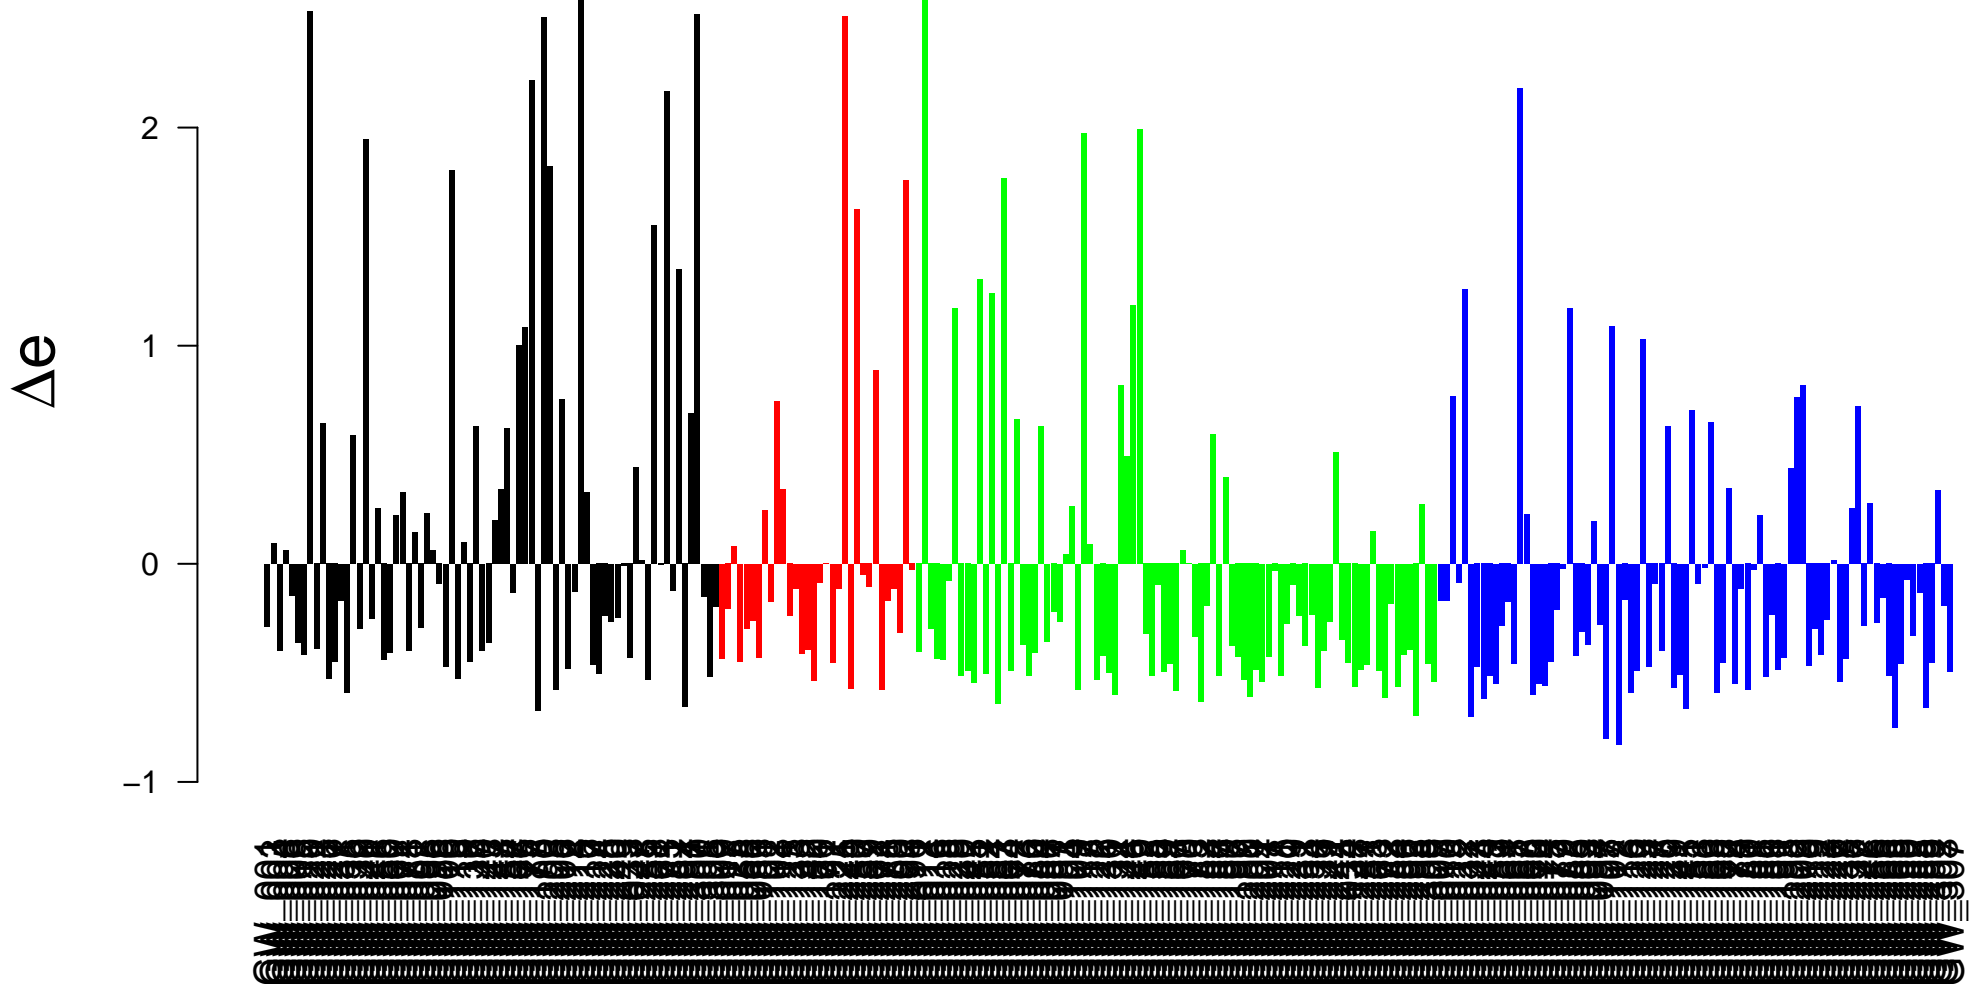

protein glycosylation

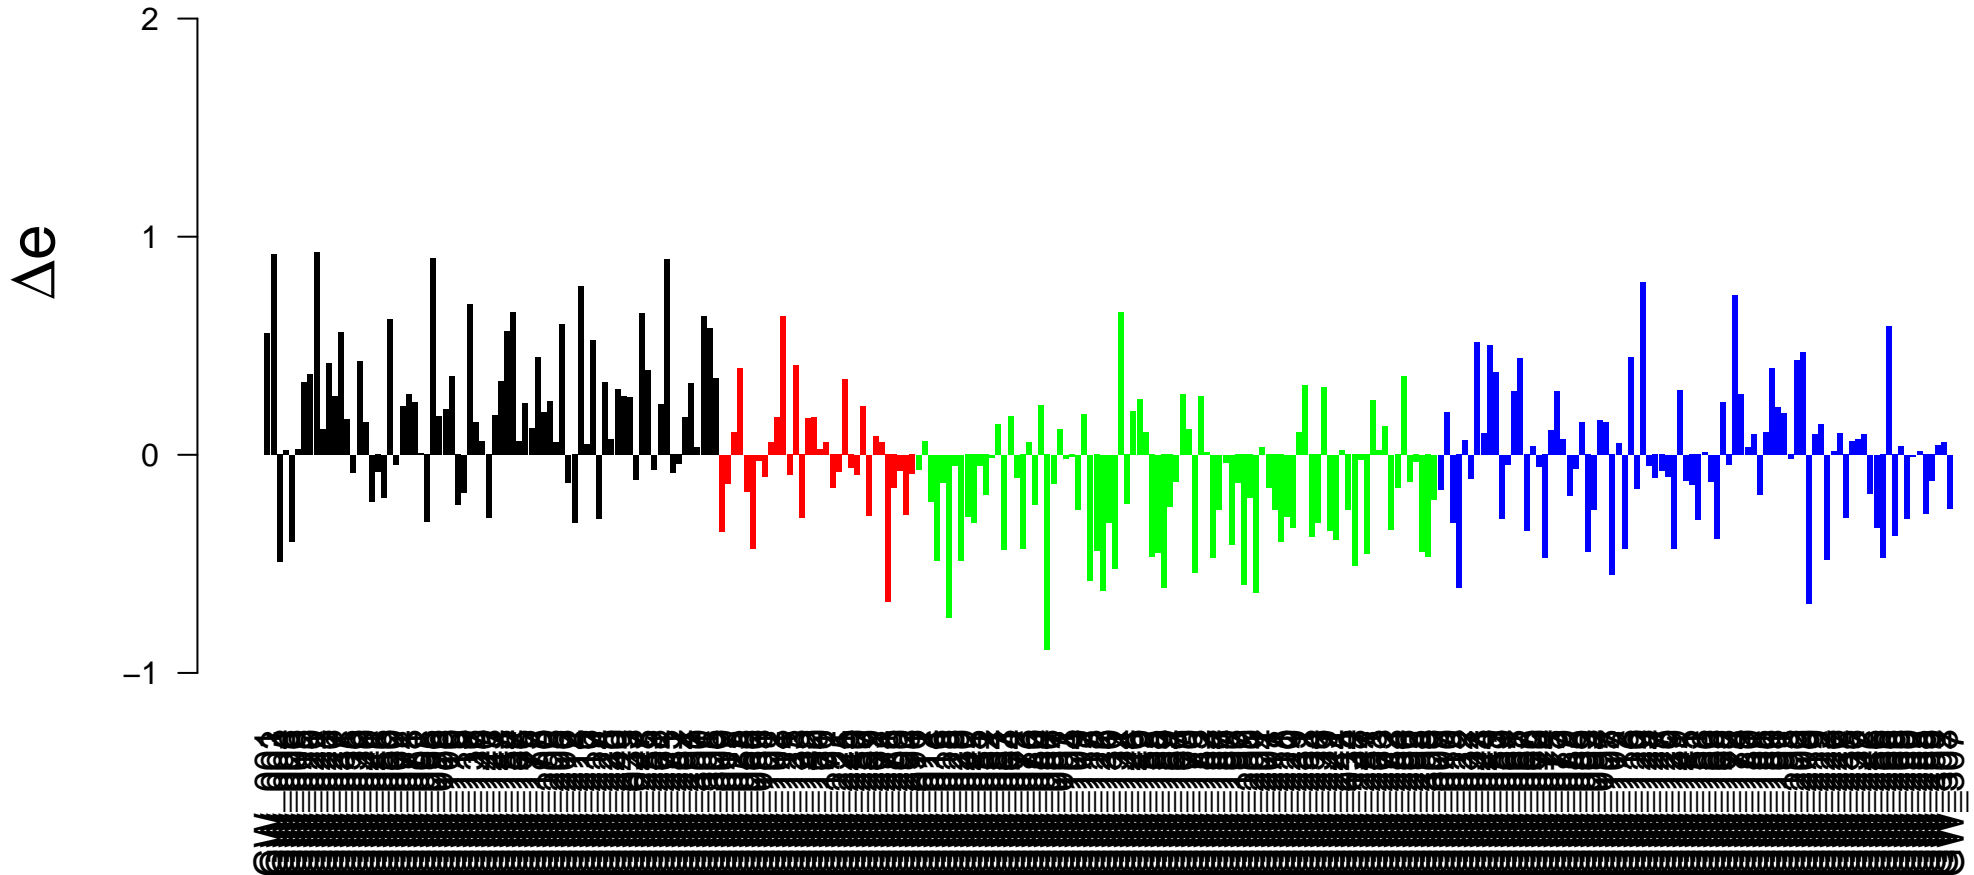

Enrichment in spots: protein glycosylation

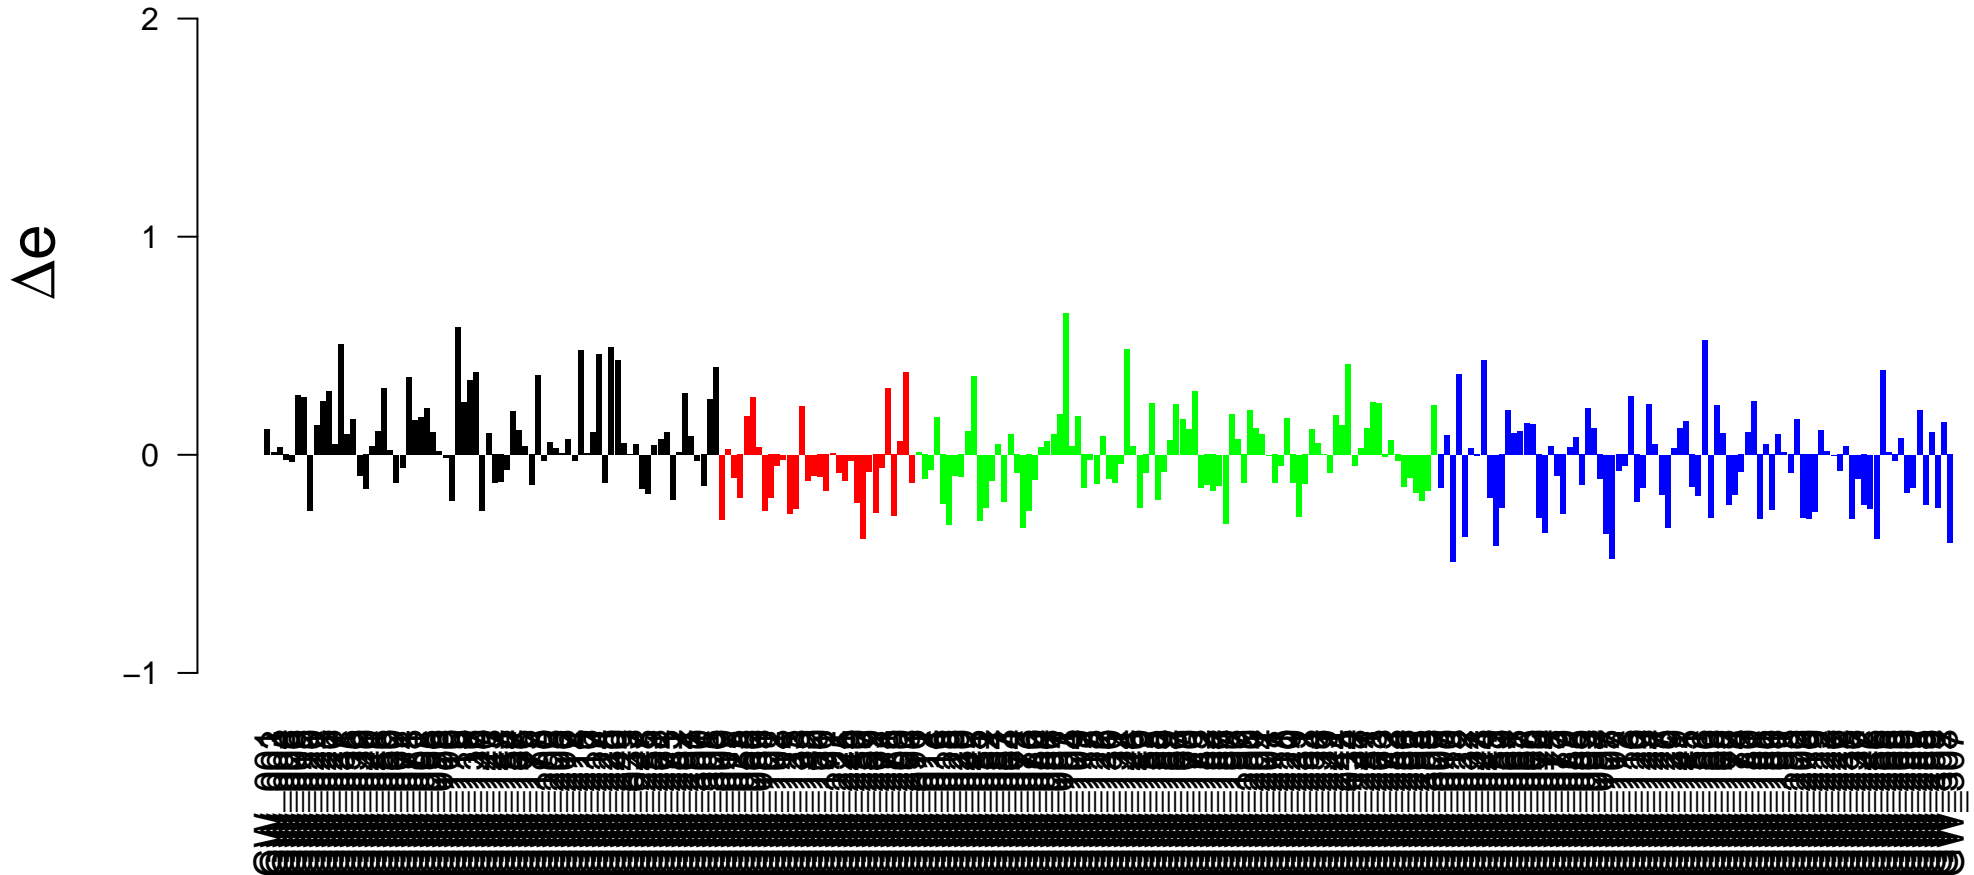

Expression of protein glycosylation in Spot A

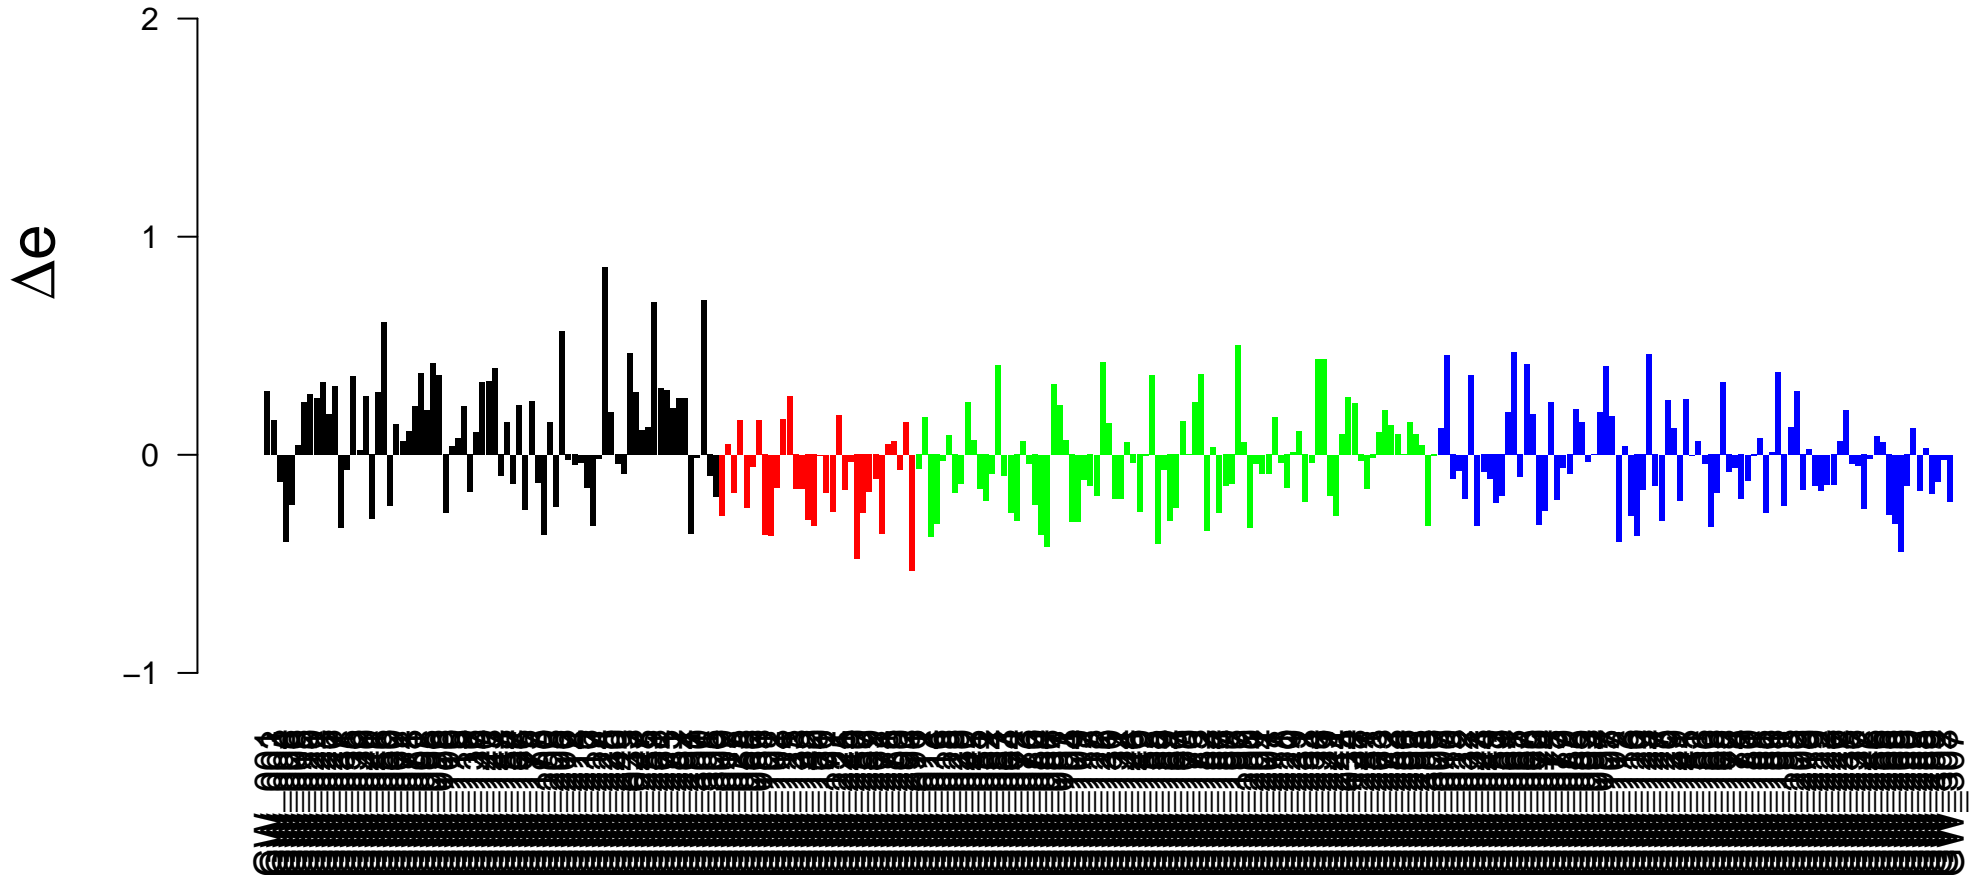

Expression of protein glycosylation in Spot B

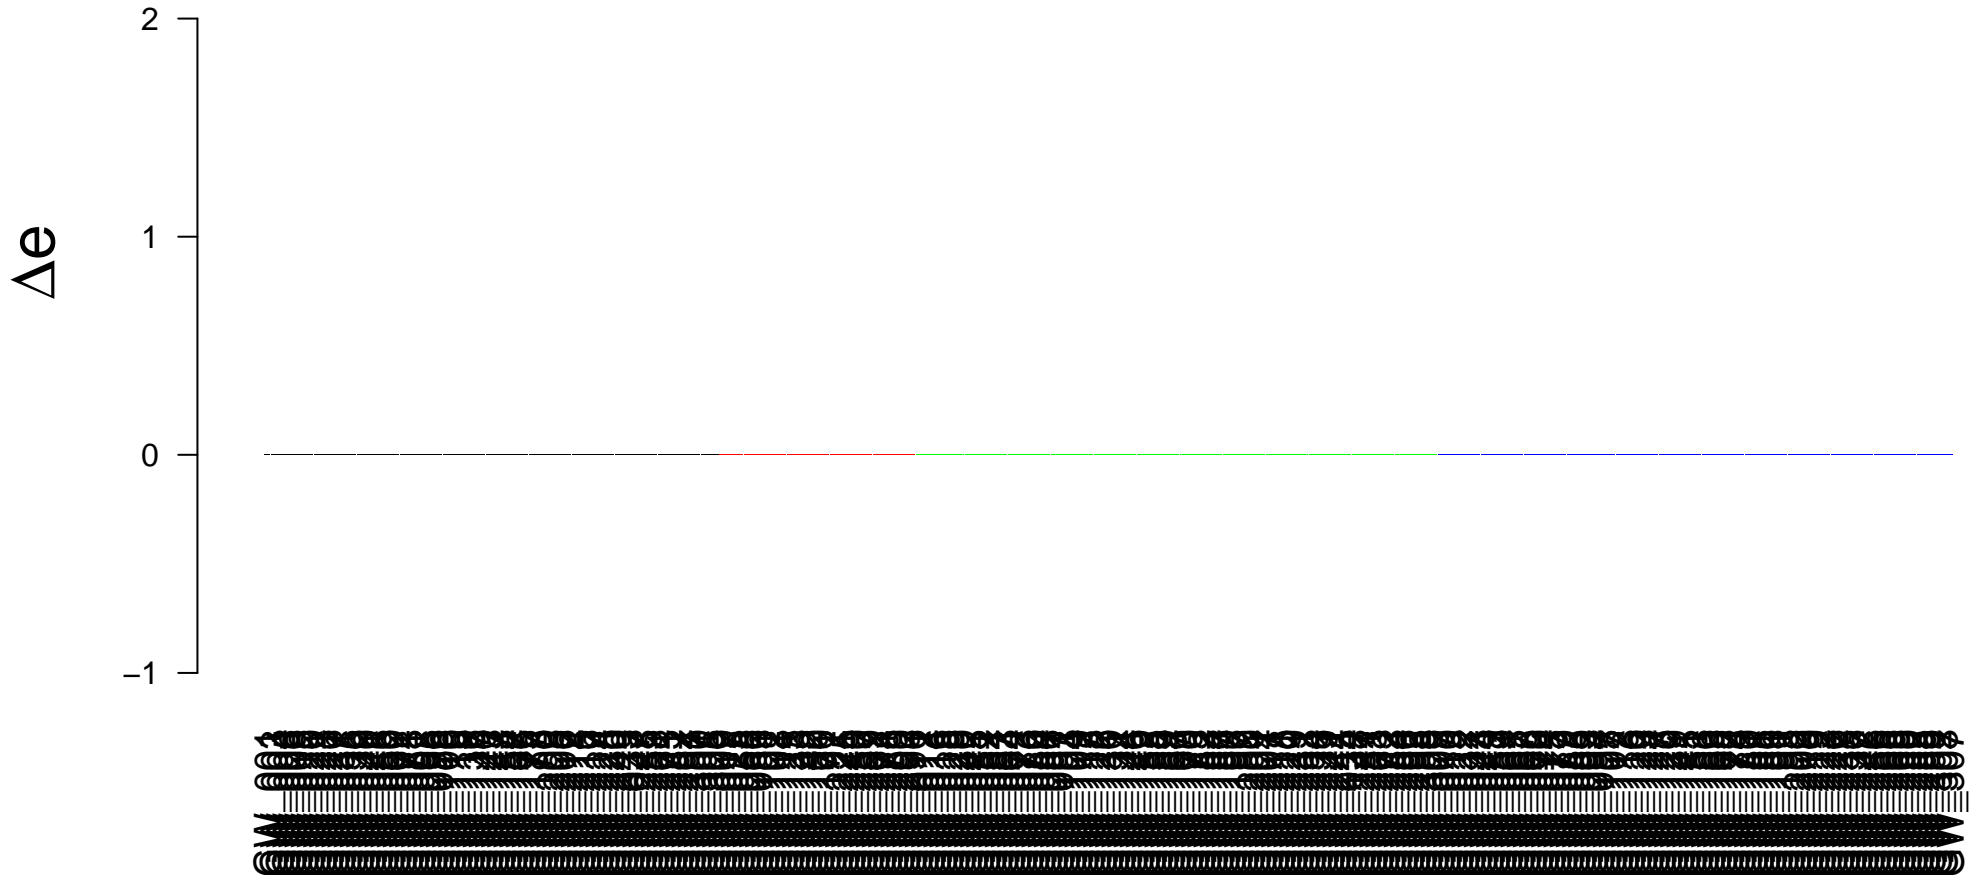

Expression of protein glycosylation in Spot C

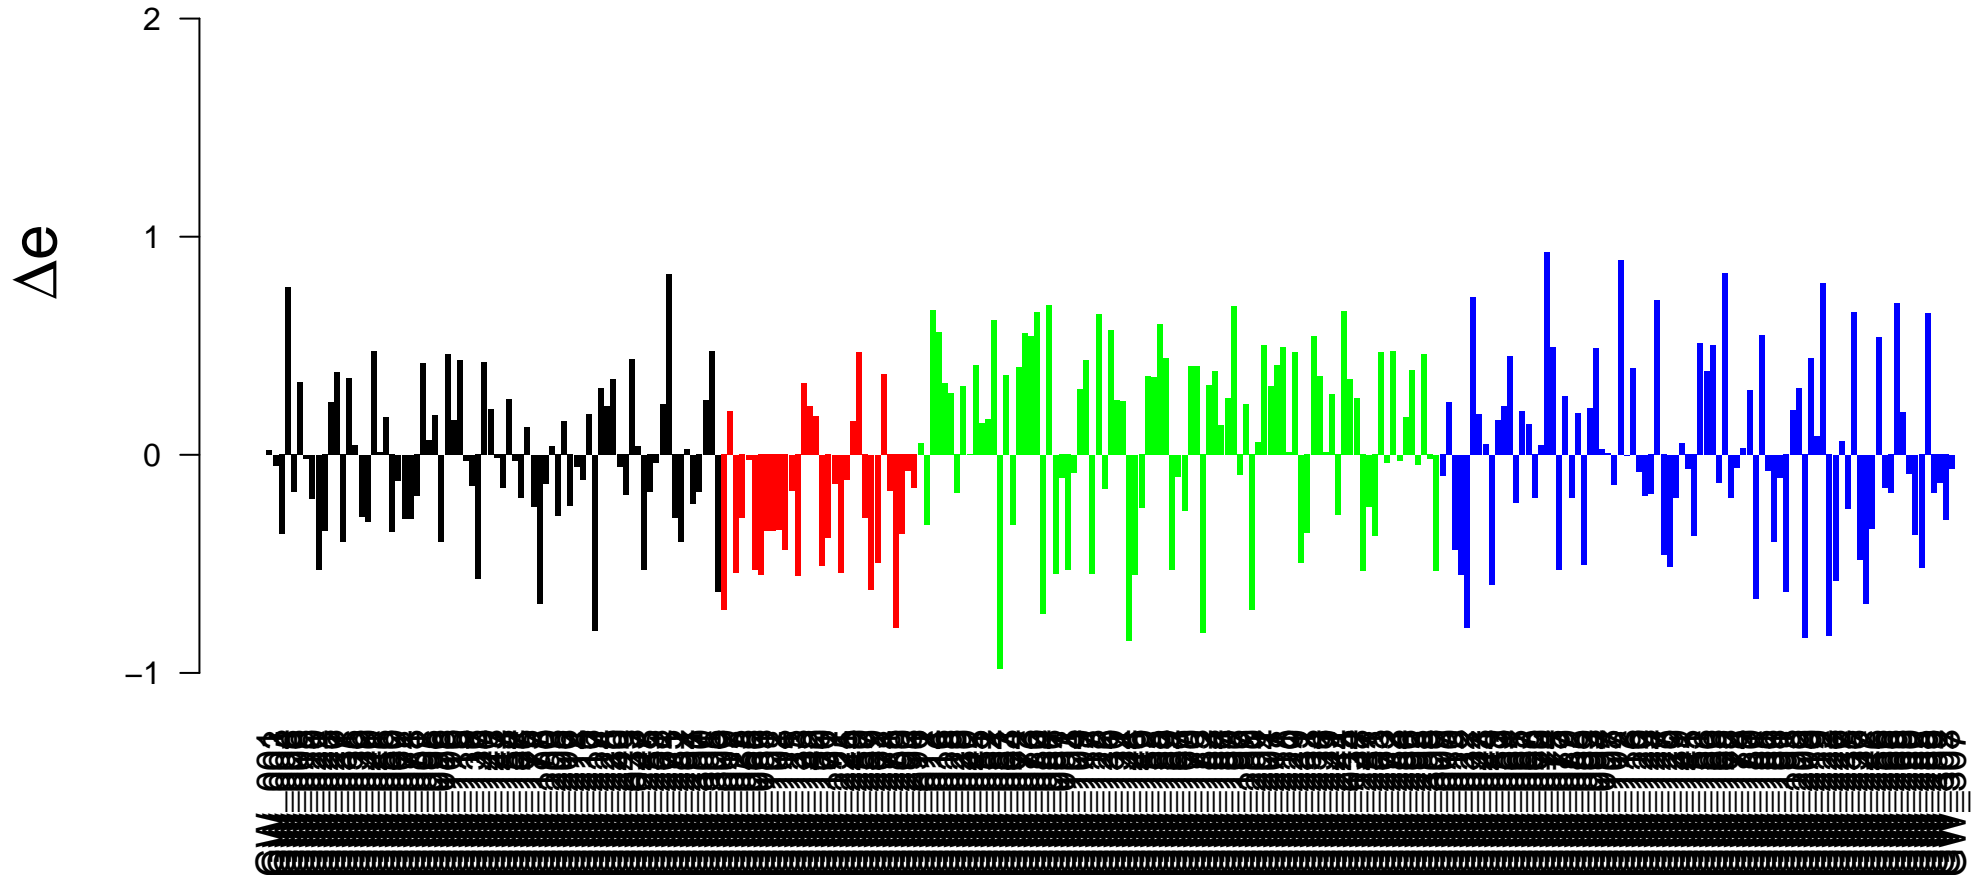

Expression of protein glycosylation in Spot D

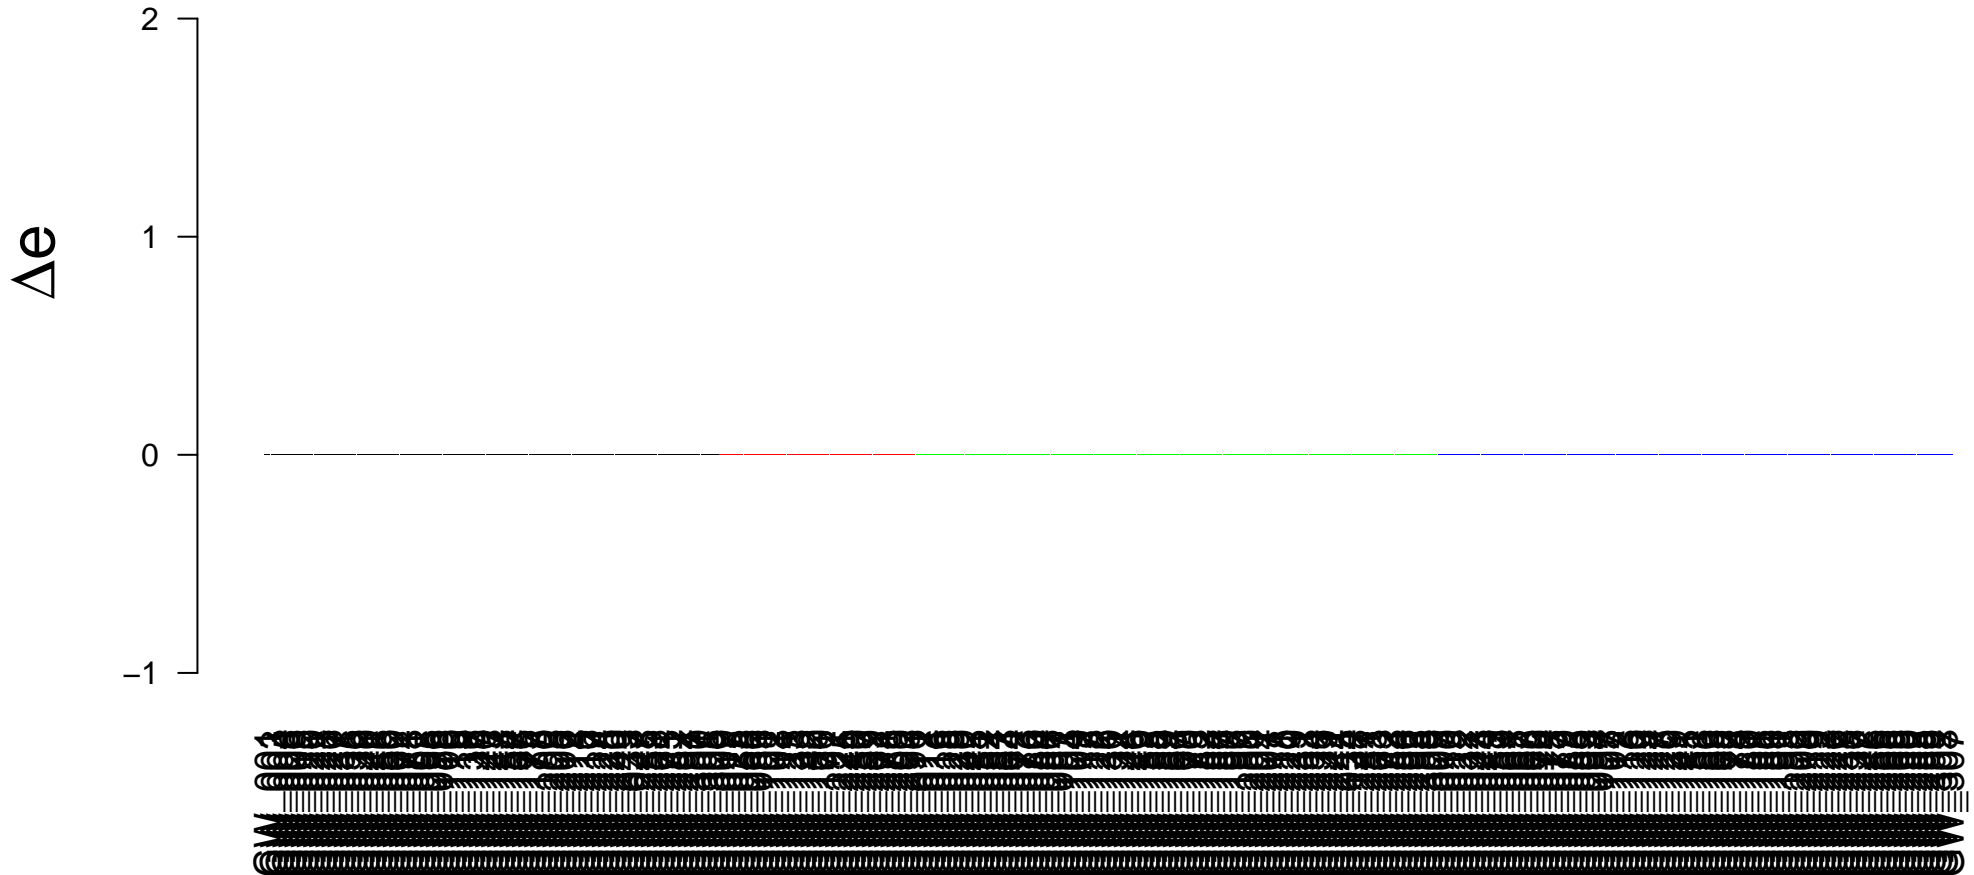

Expression of protein glycosylation in Spot E

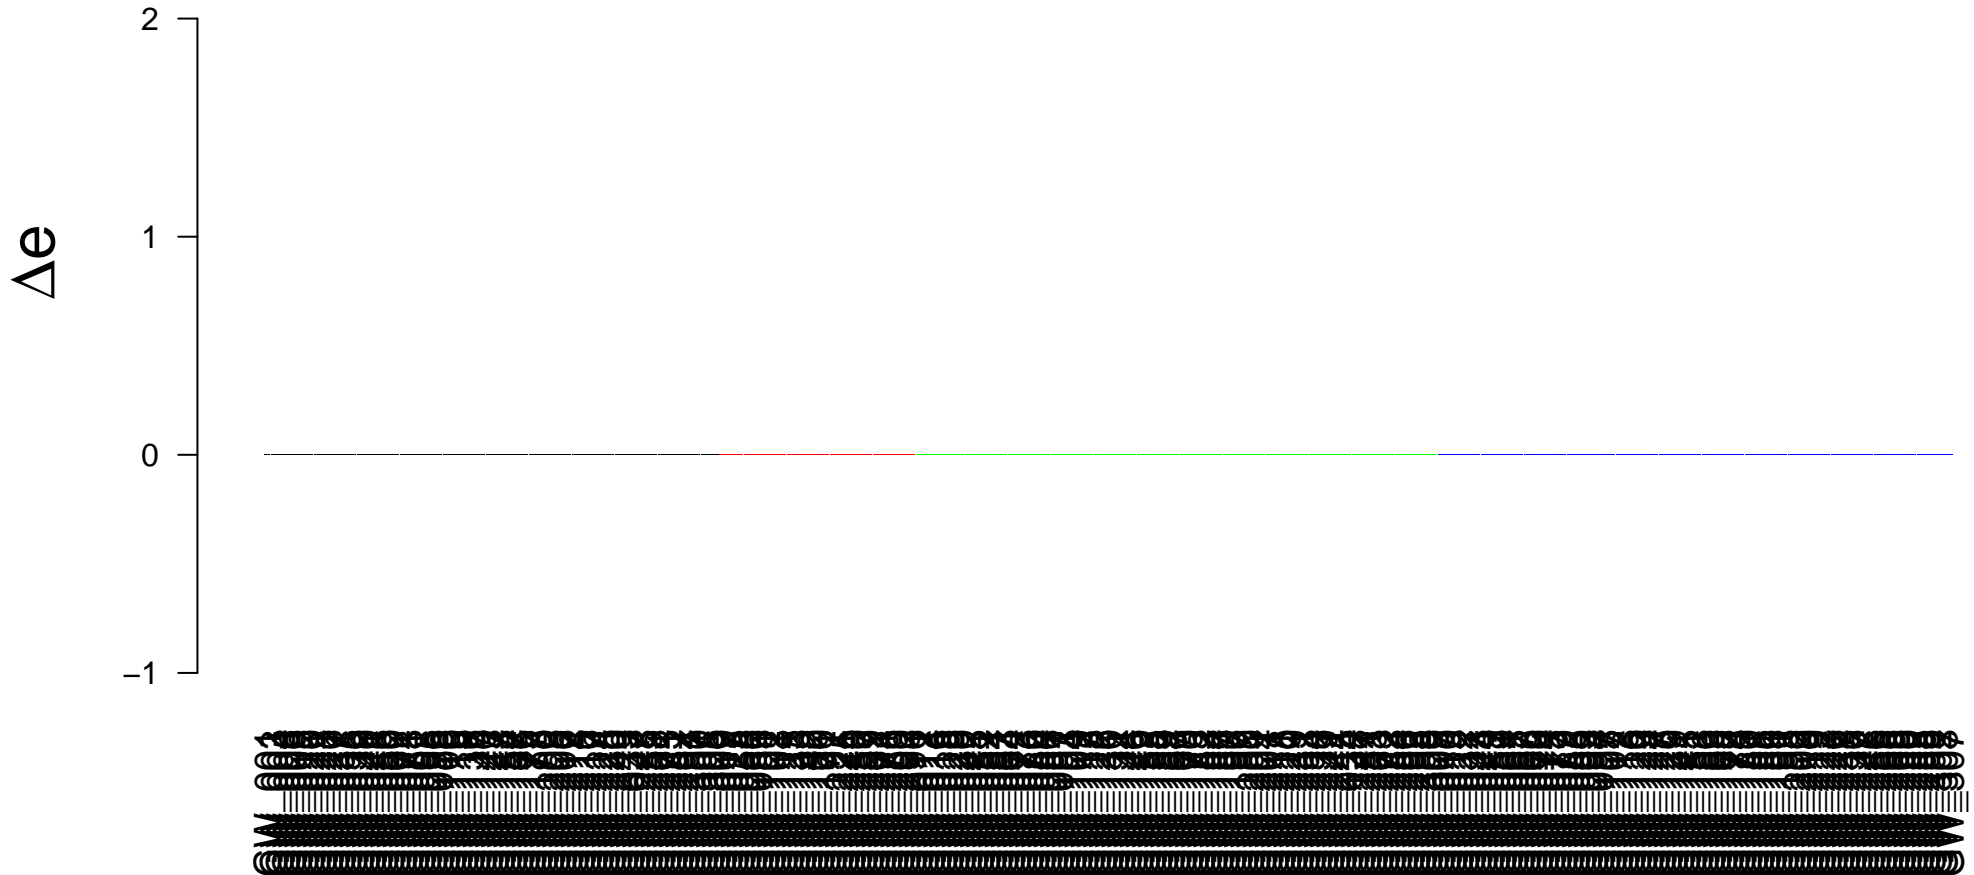

Expression of protein glycosylation in Spot F

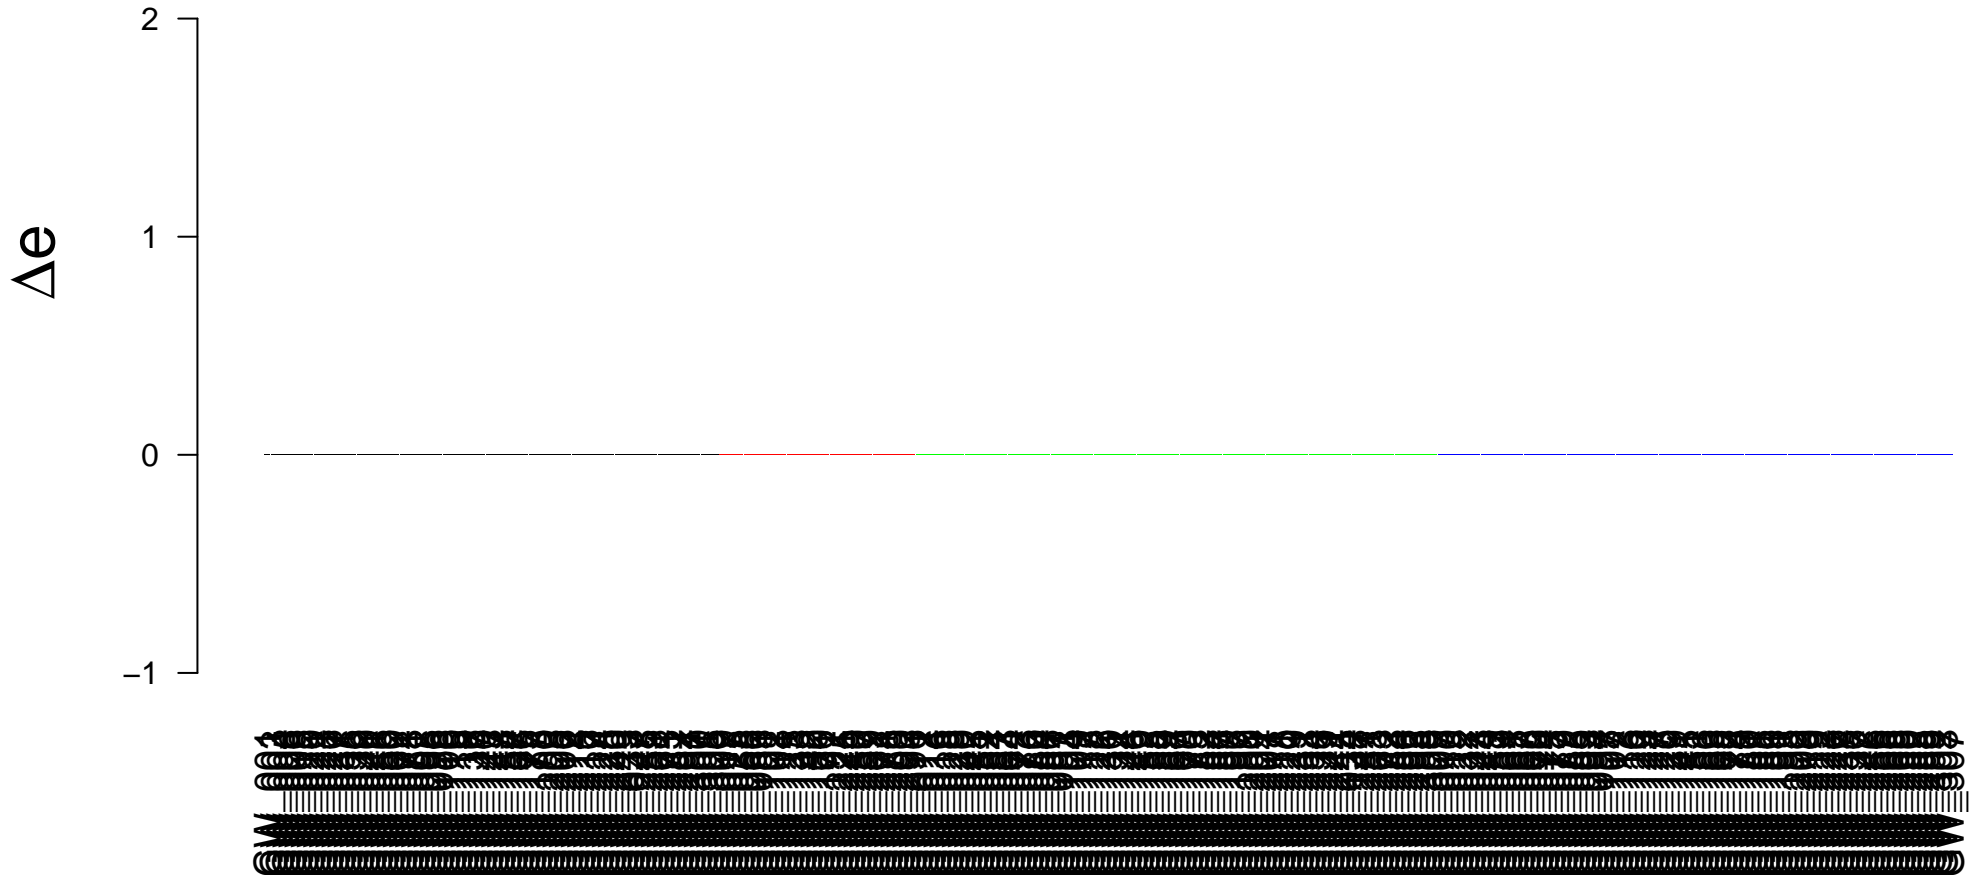

Expression of protein glycosylation in Spot G

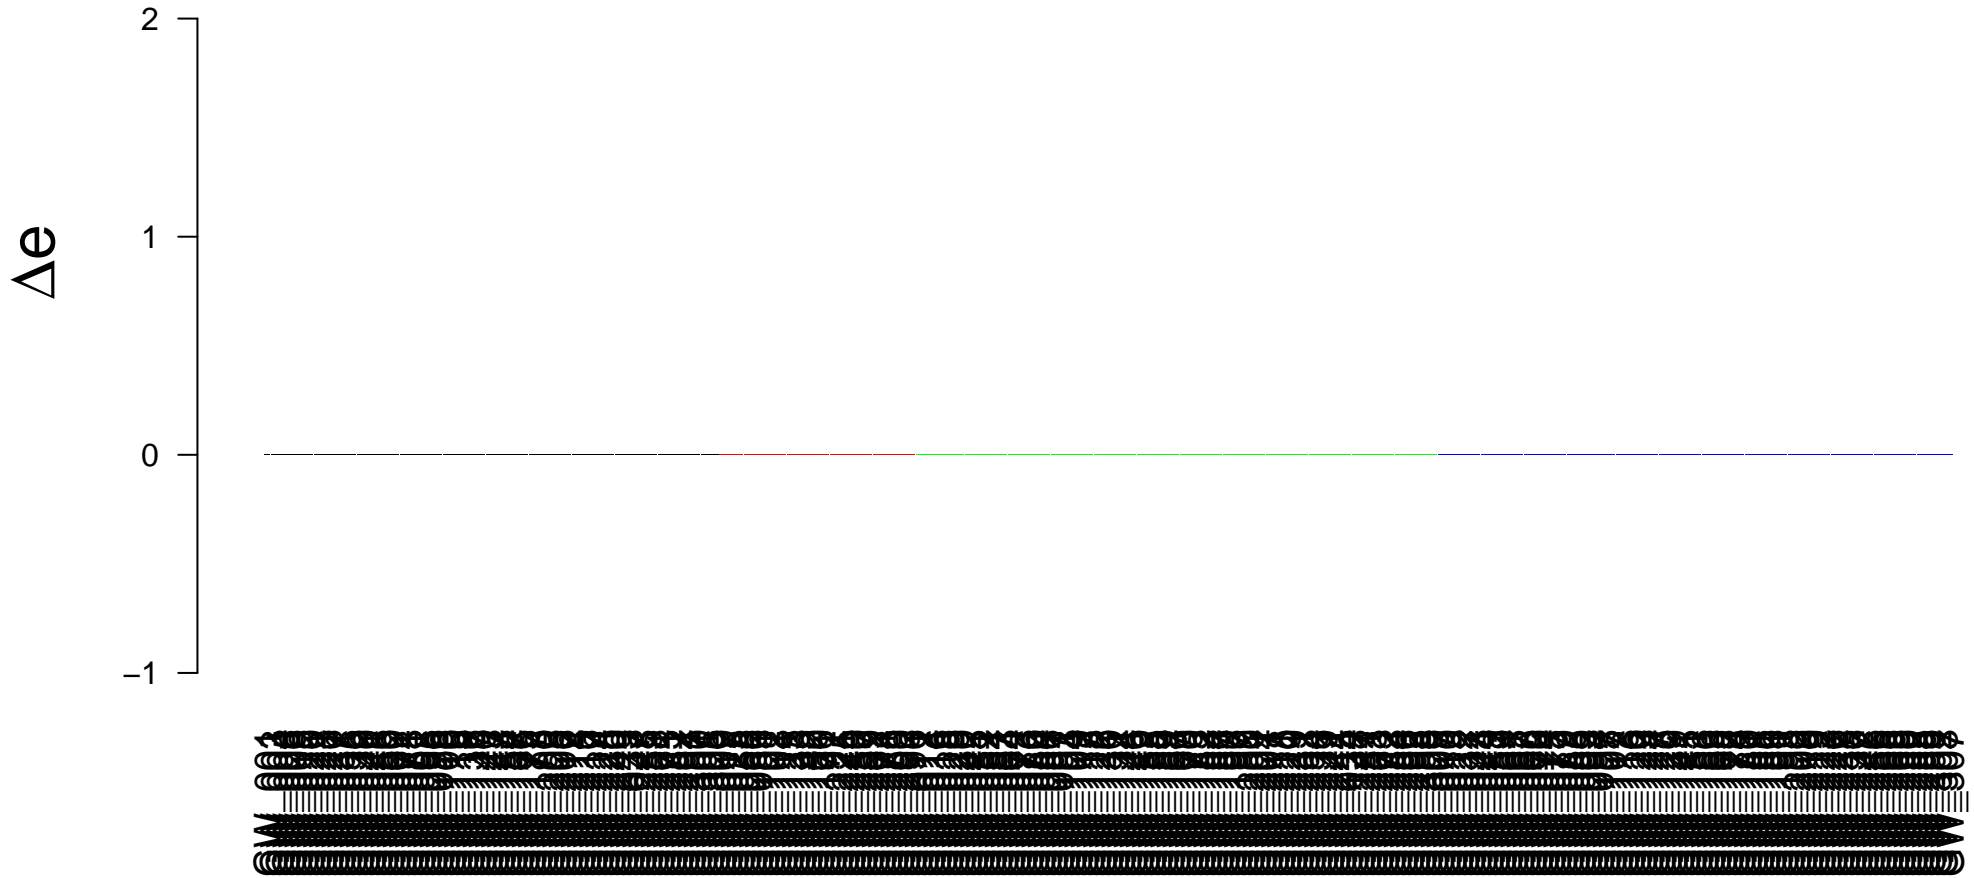

Expression of protein glycosylation in Spot H

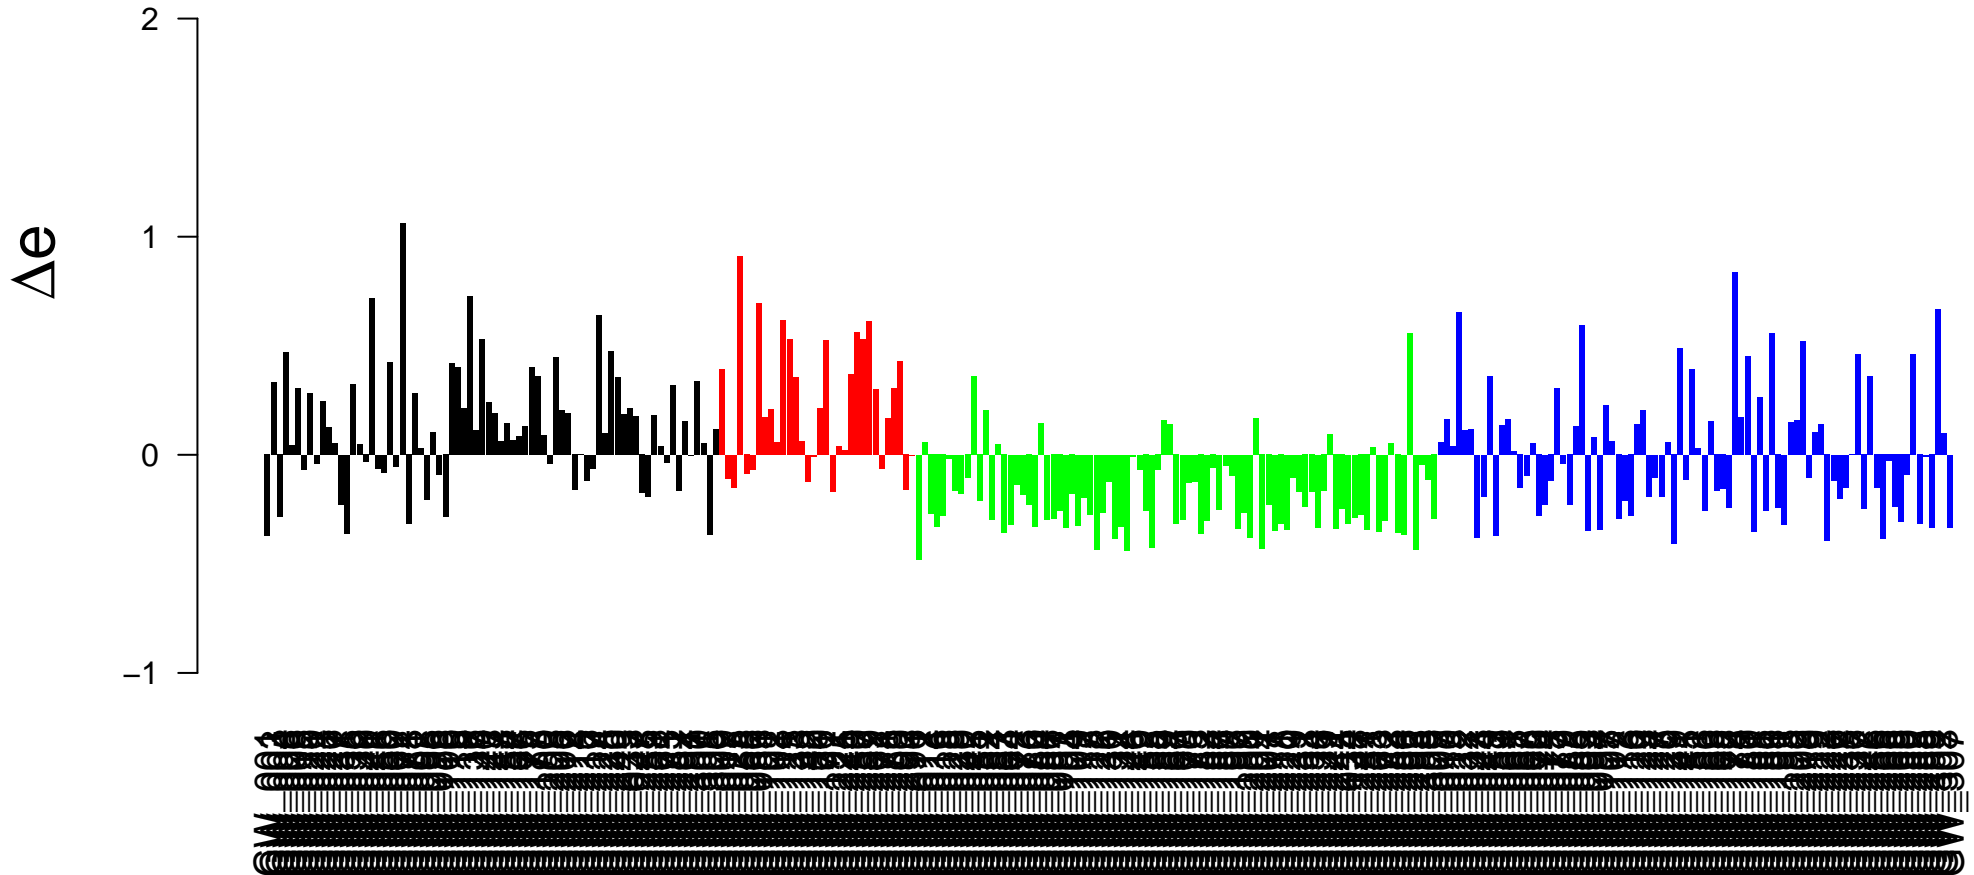

Expression of protein glycosylation in Spot I

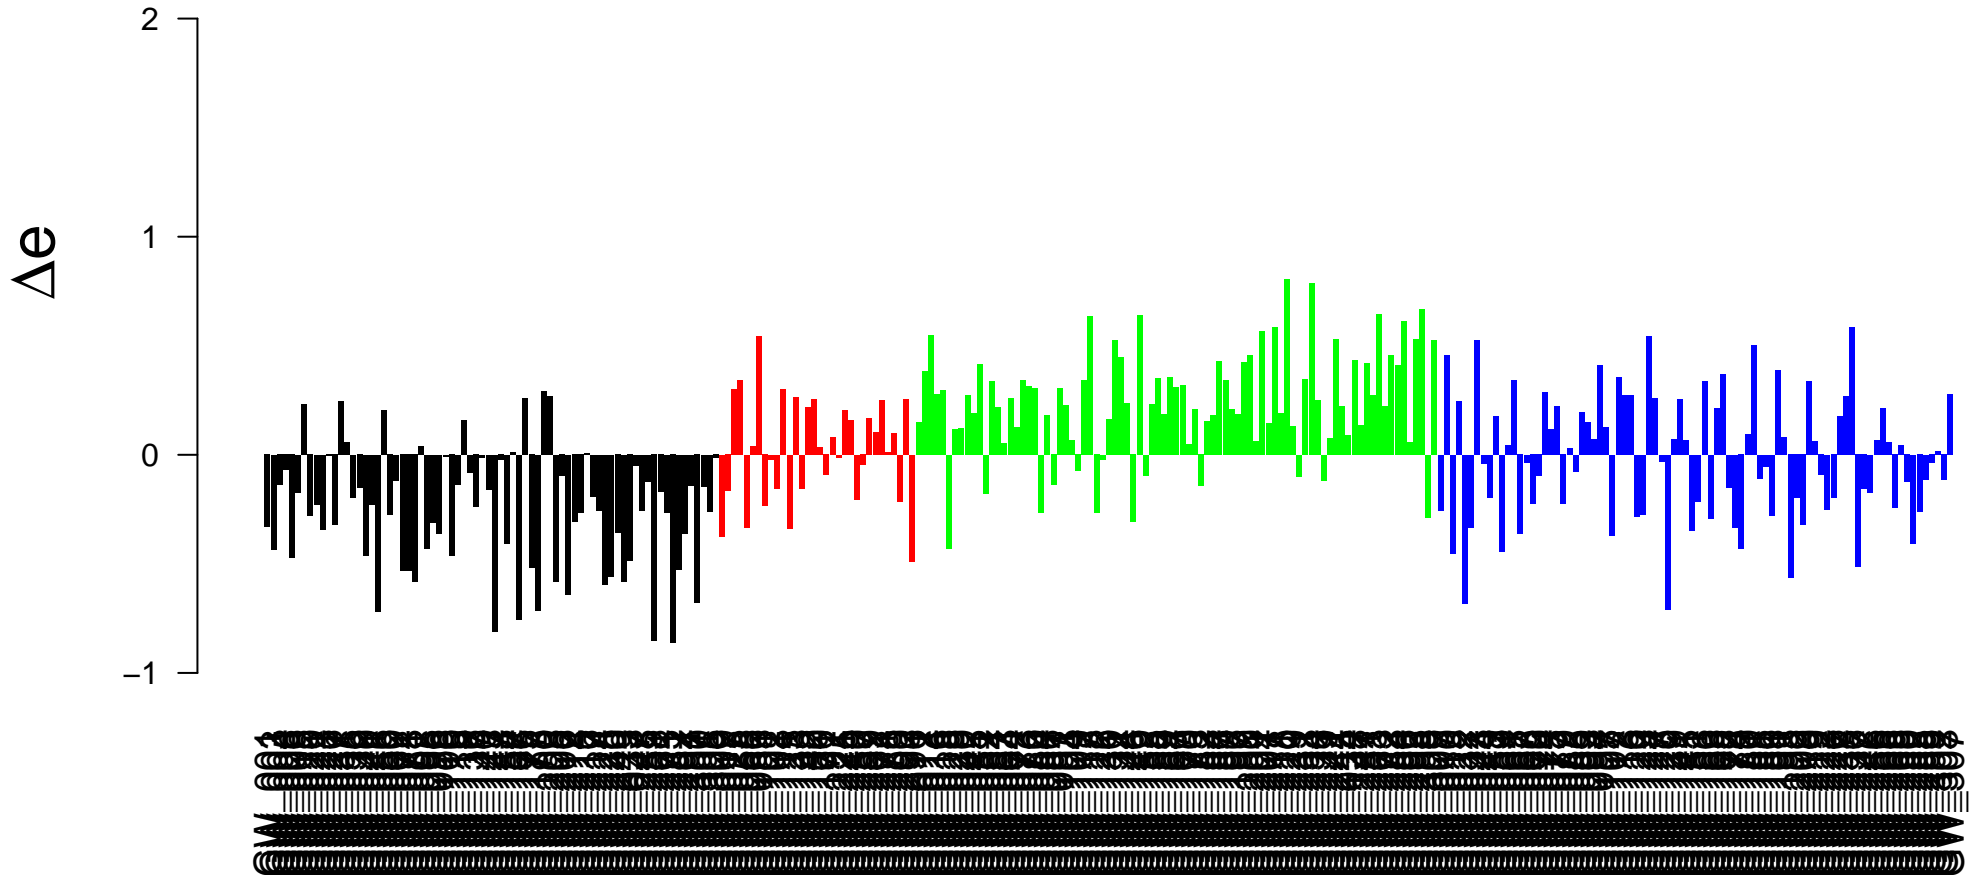

Expression of protein glycosylation in Spot J

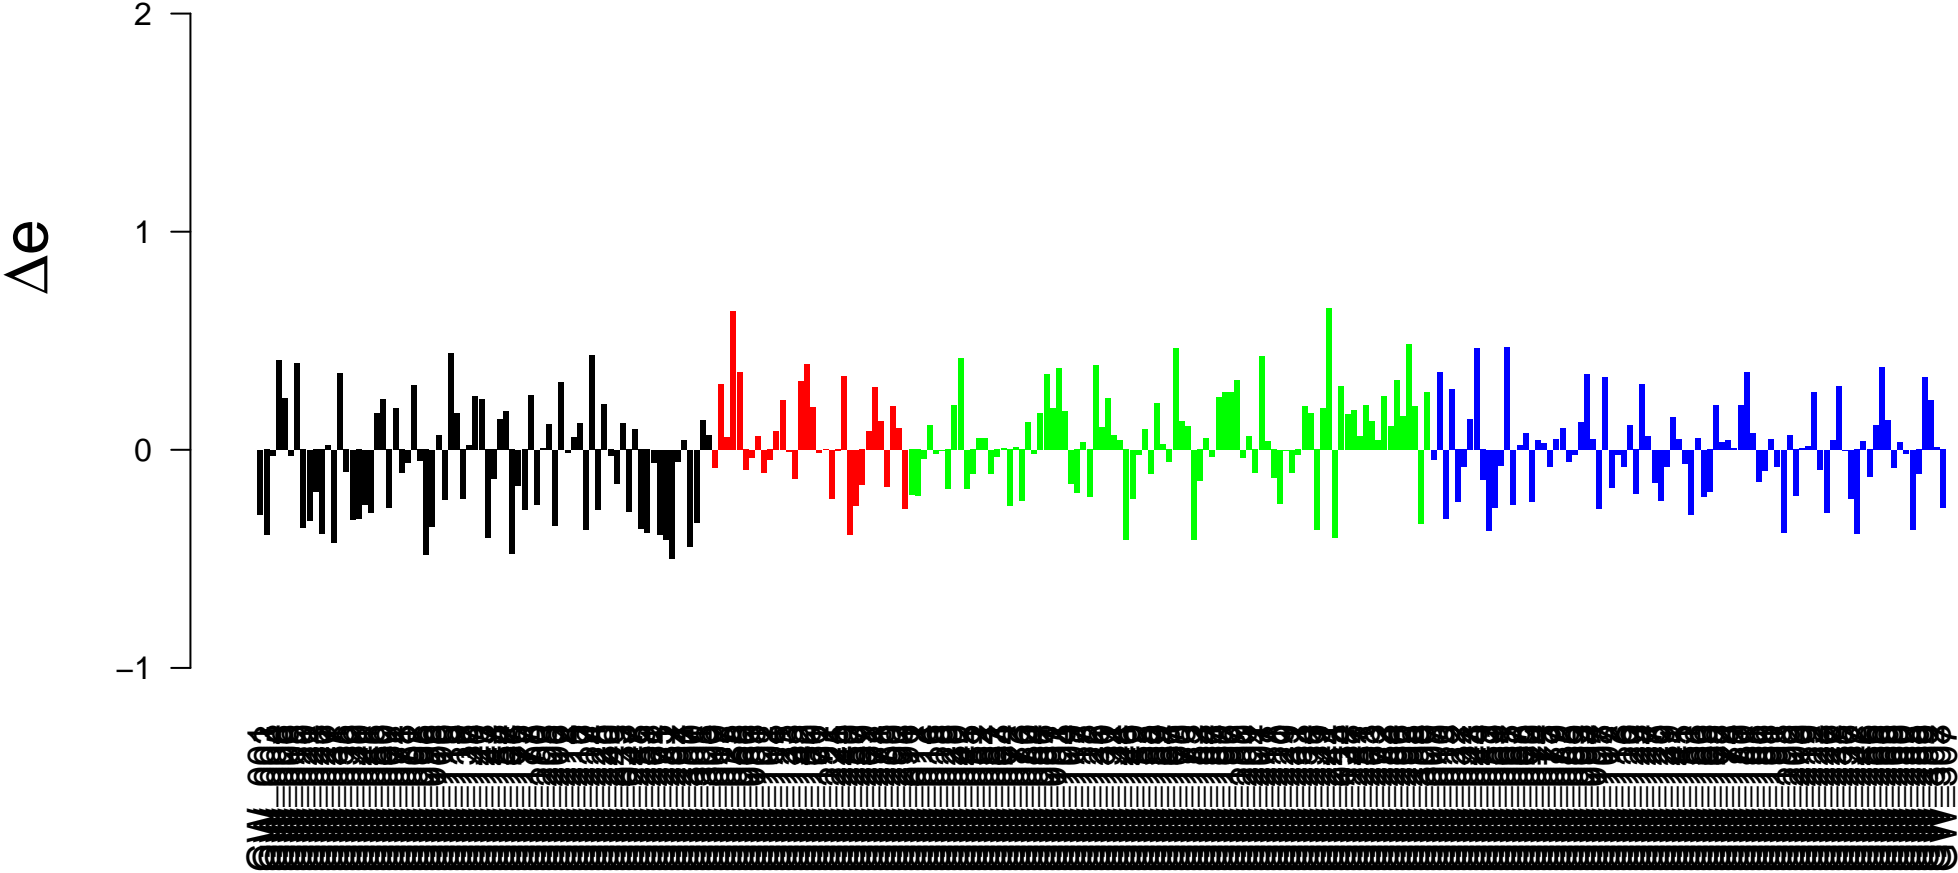

Expression of protein glycosylation in Spot K

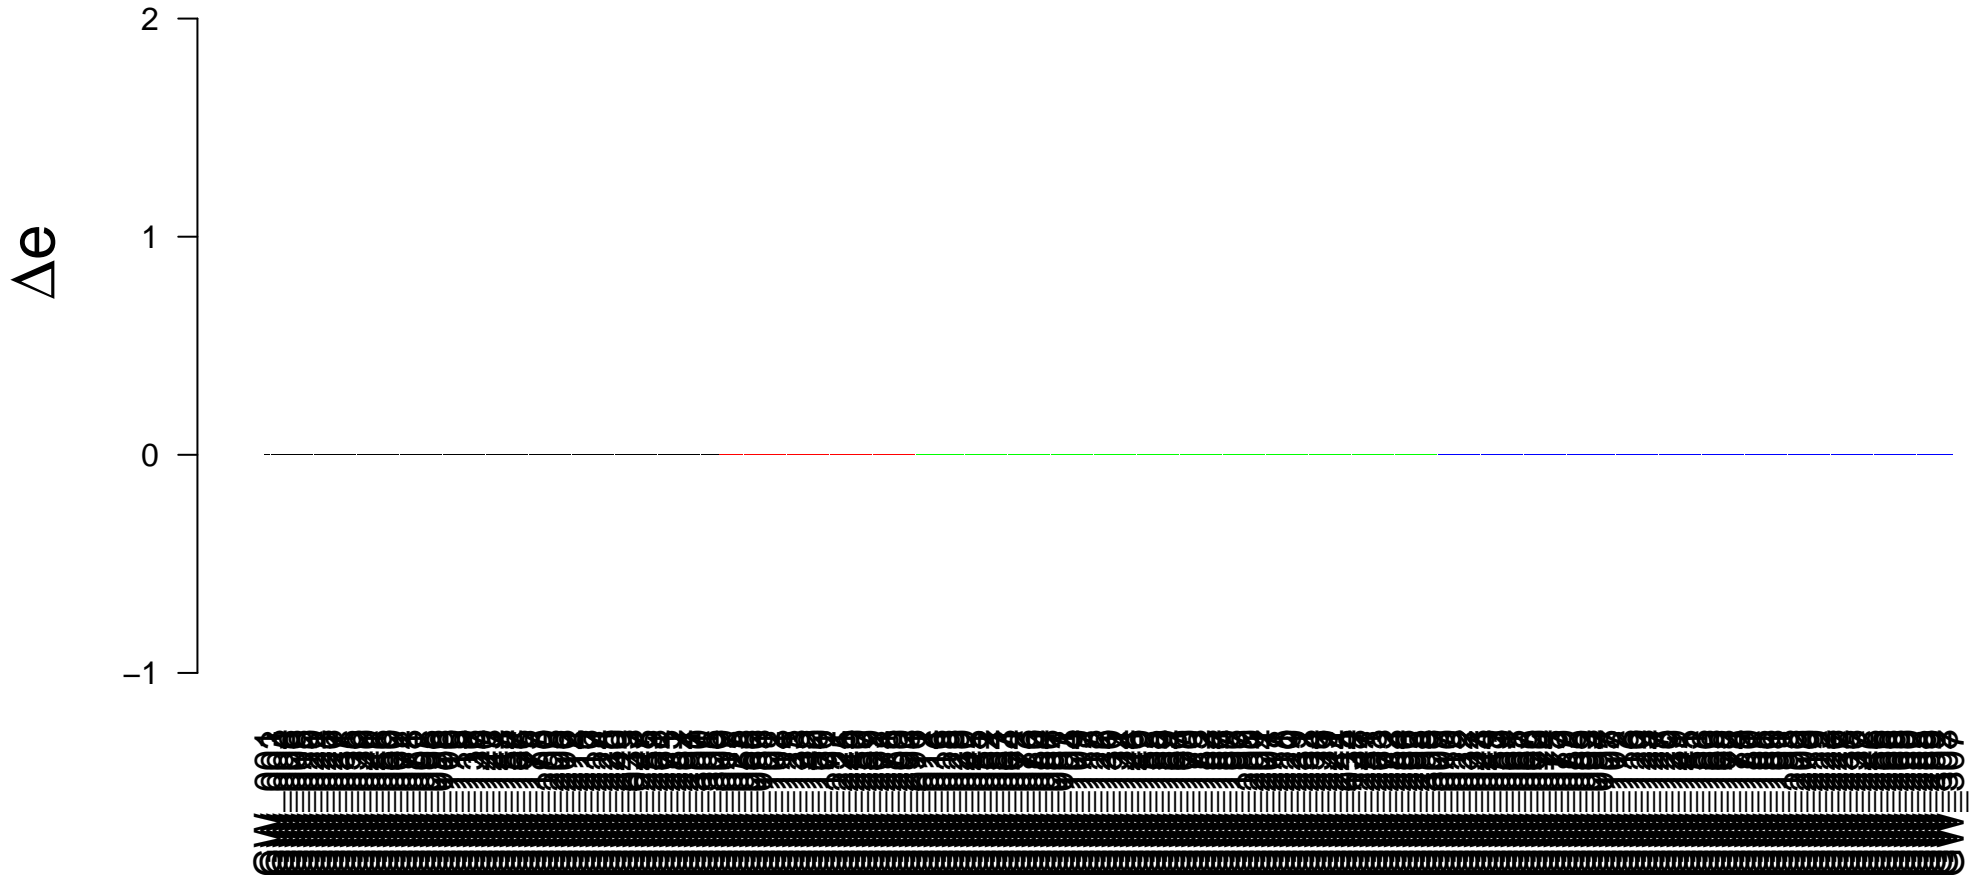

Expression of protein glycosylation in Spot L

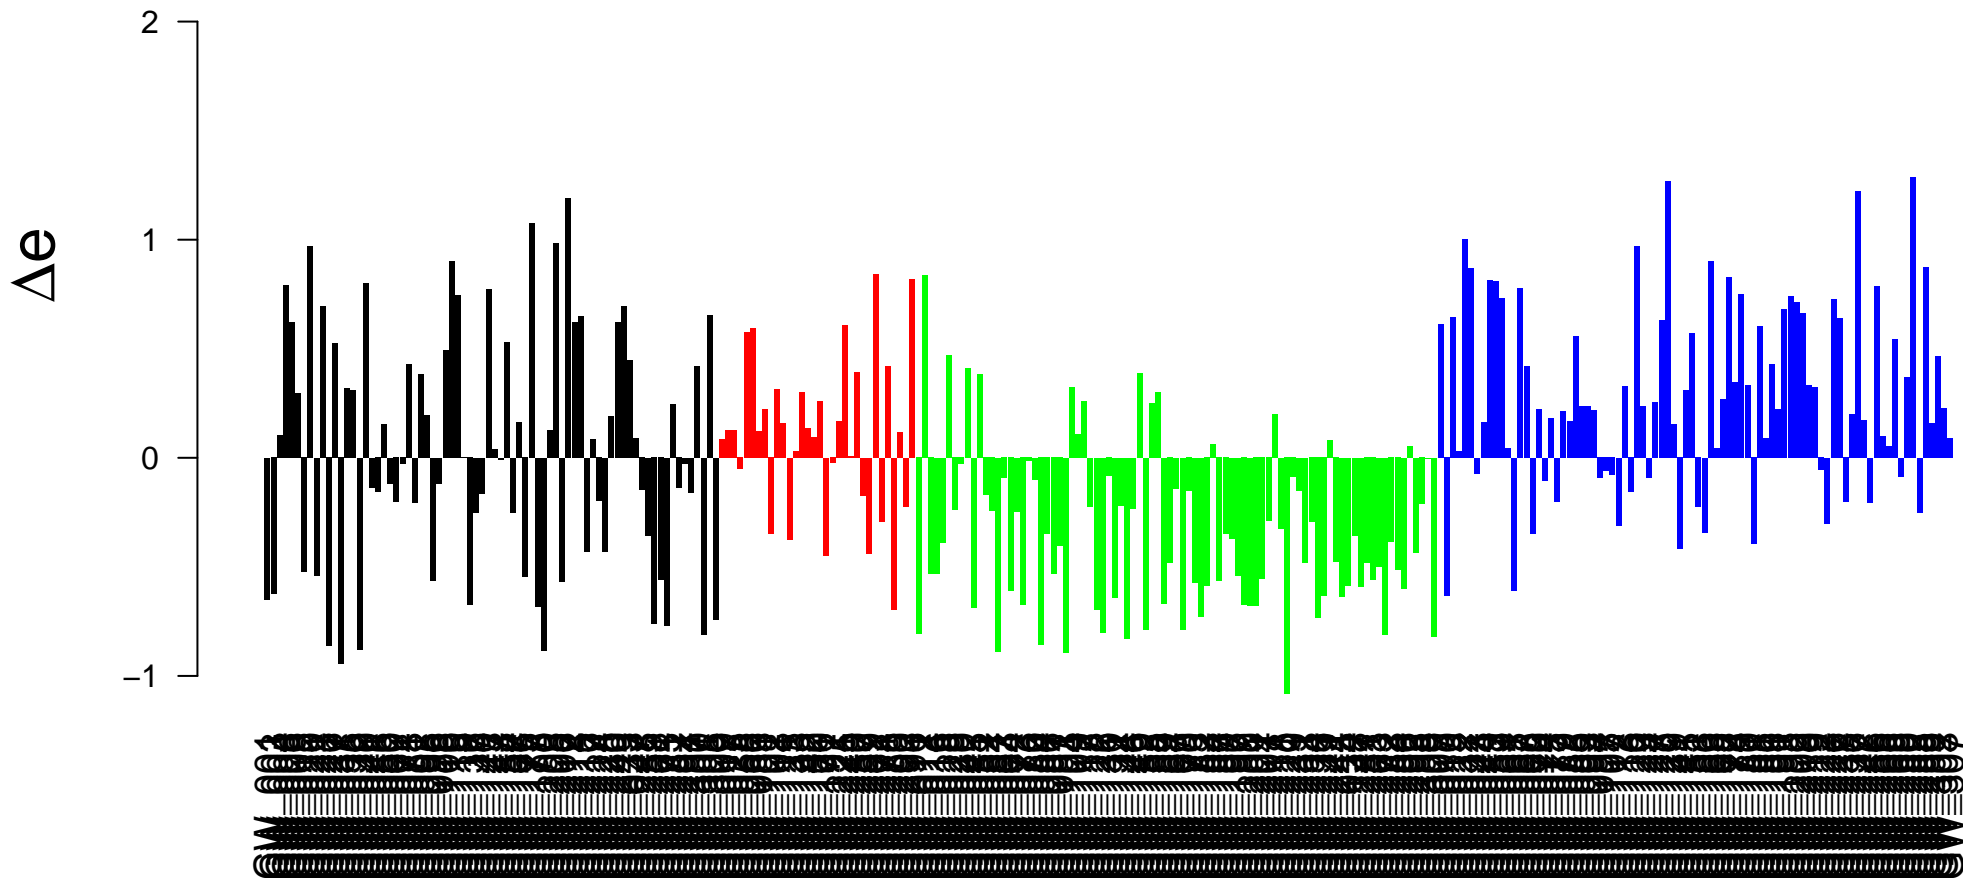

Expression of protein glycosylation in Spot M

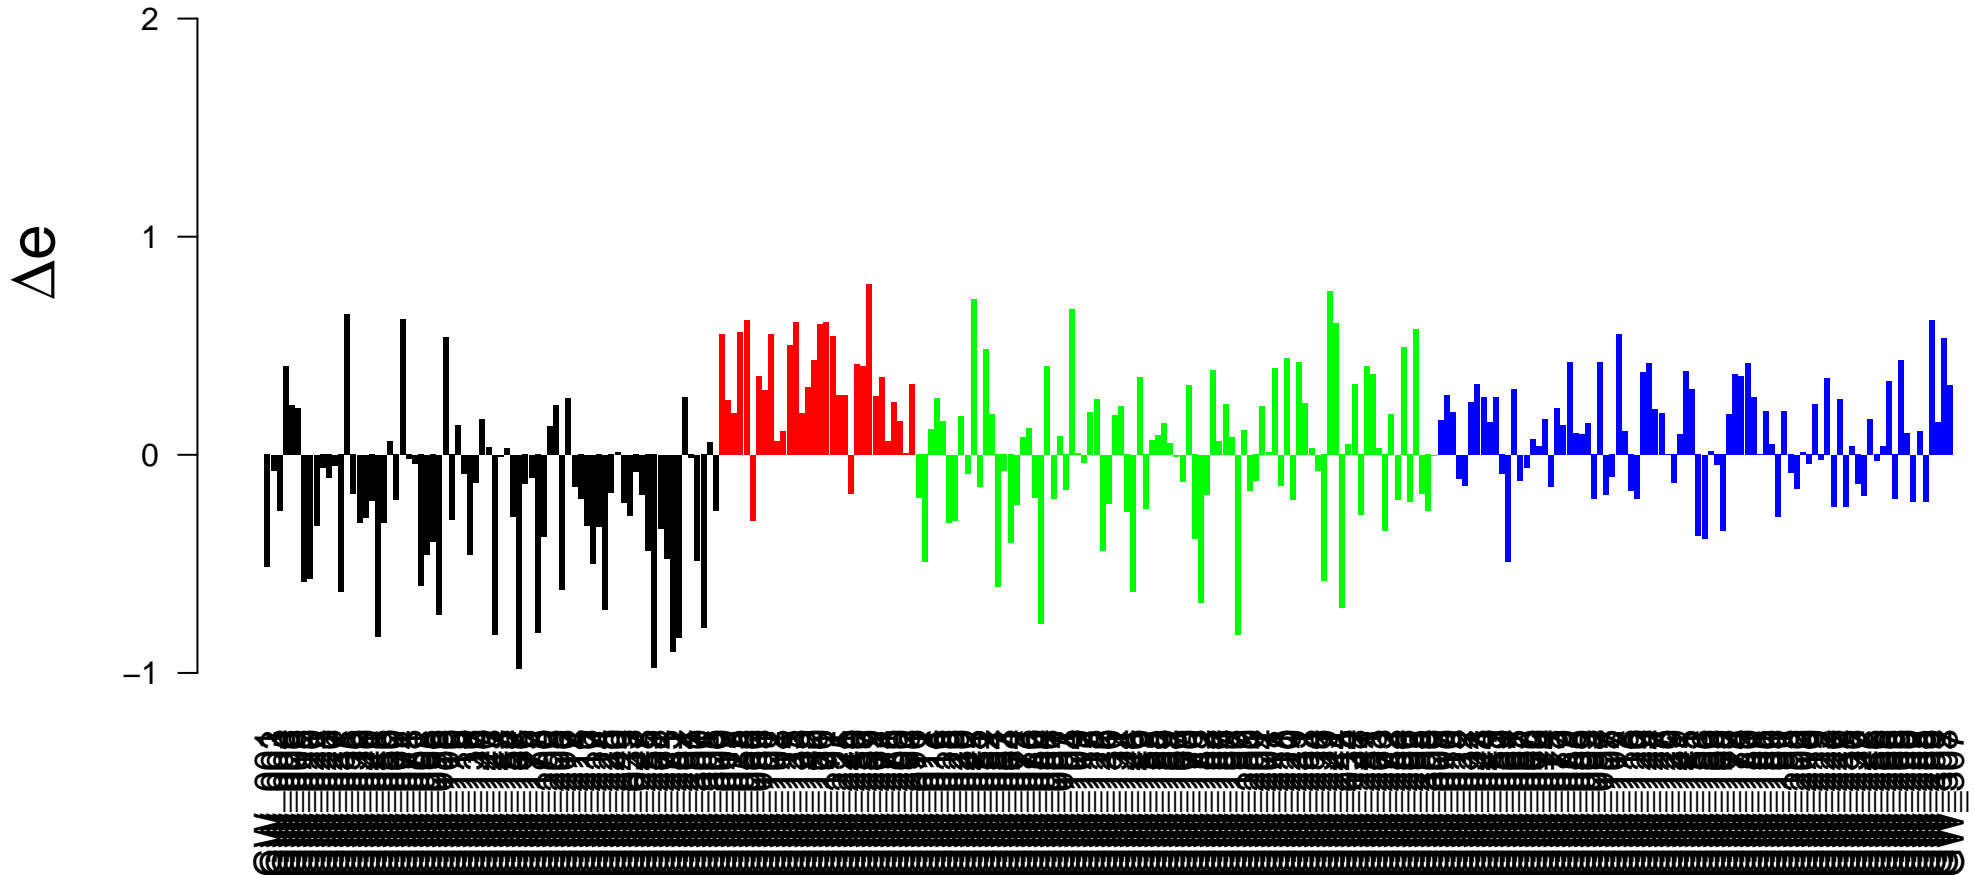

Expression of protein glycosylation in Spot N

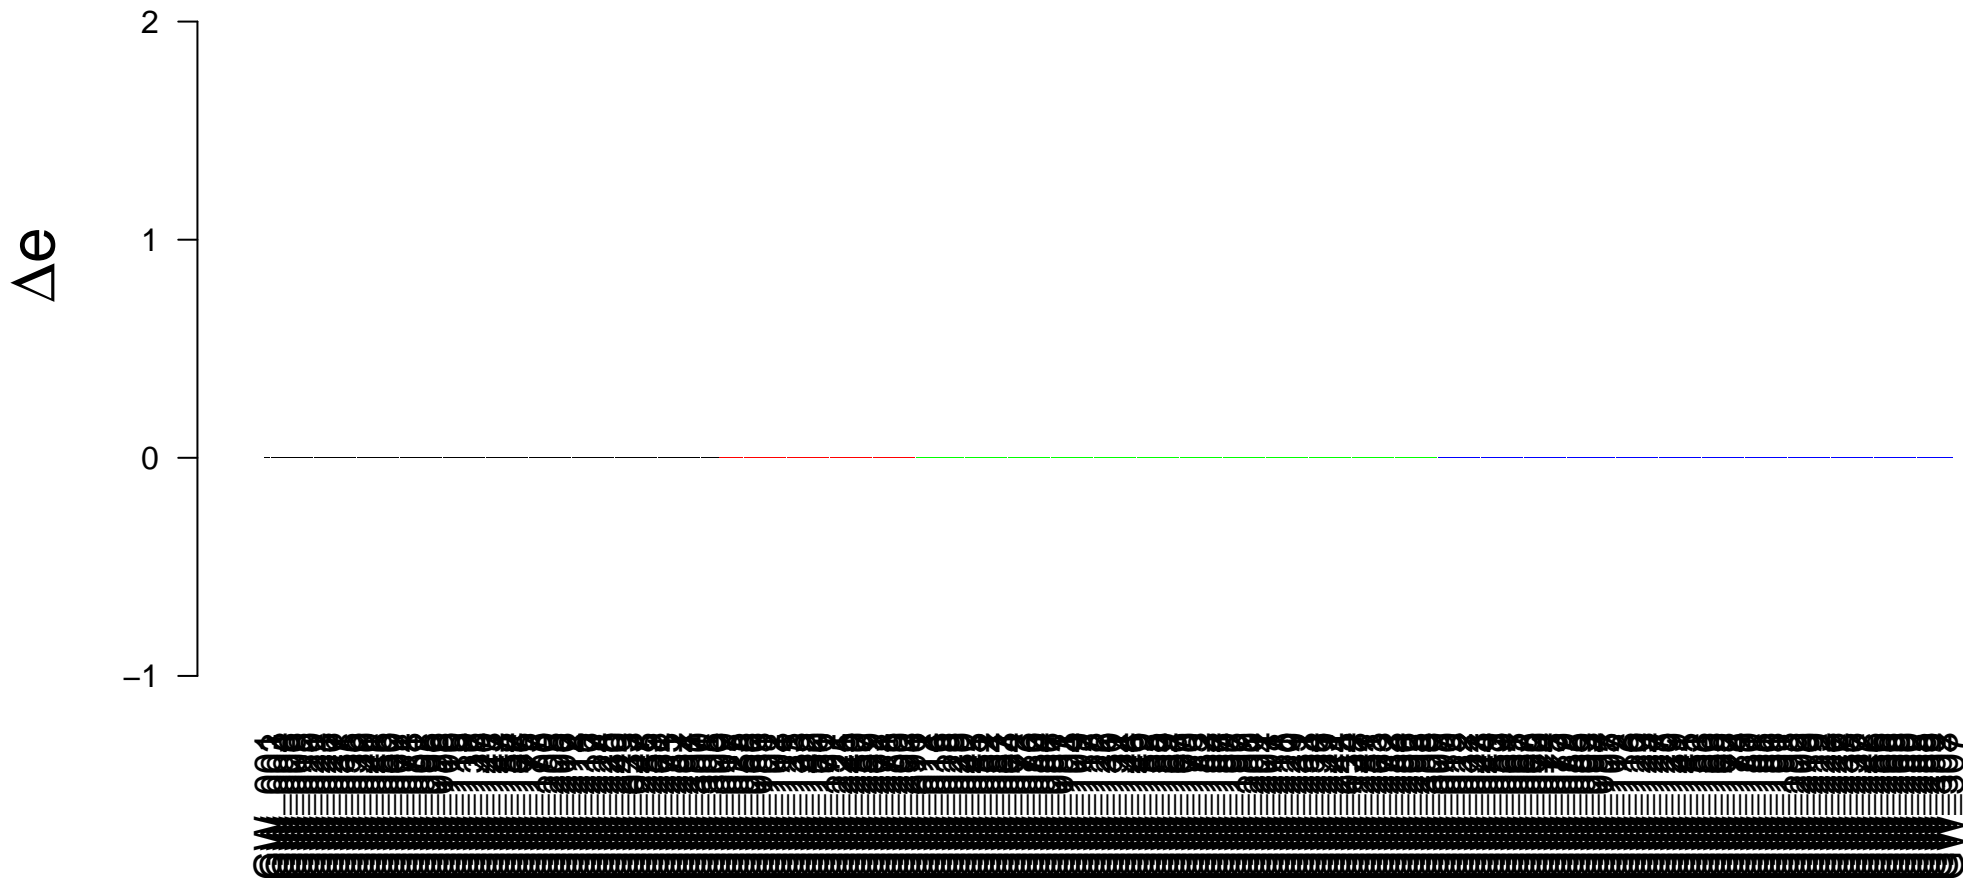

Expression of protein glycosylation in Spot O

Expression of protein glycosylation in Spot P

Expression of protein glycosylation in Spot Q

Expression of protein glycosylation in Spot R
