

protein heterooligomerization

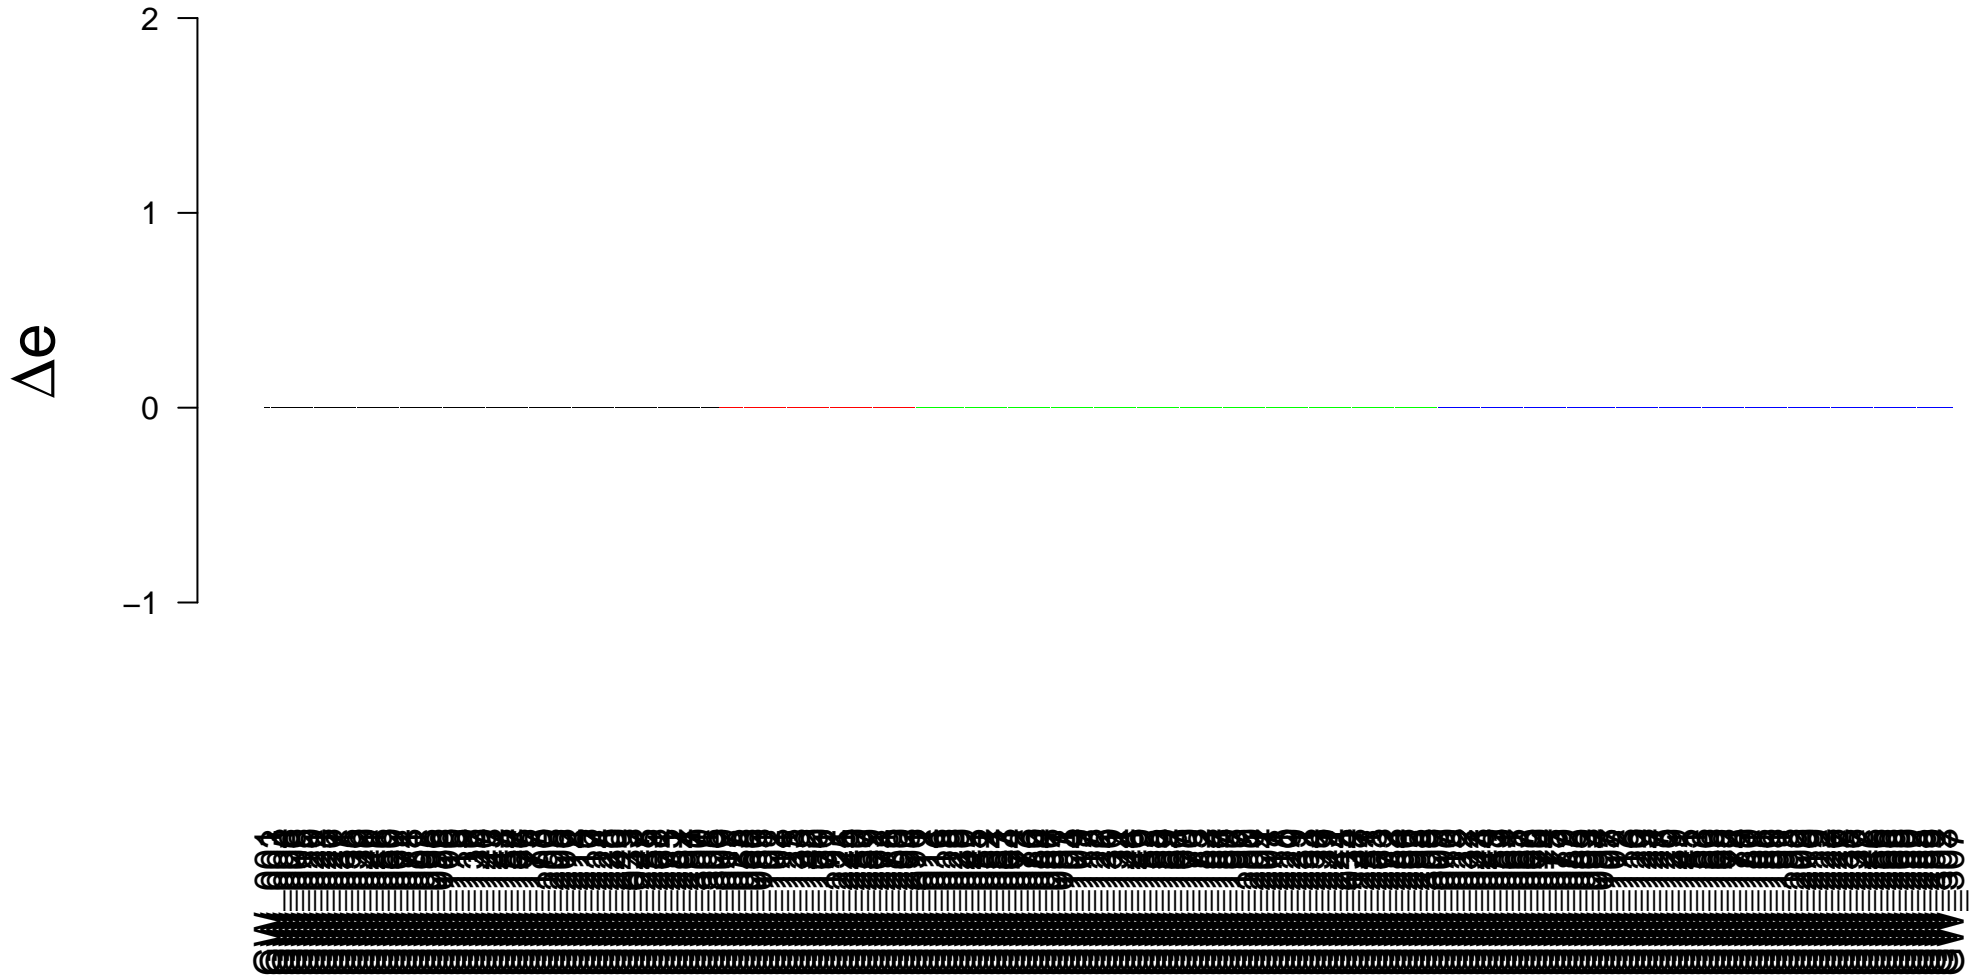

protein heterooligomerization

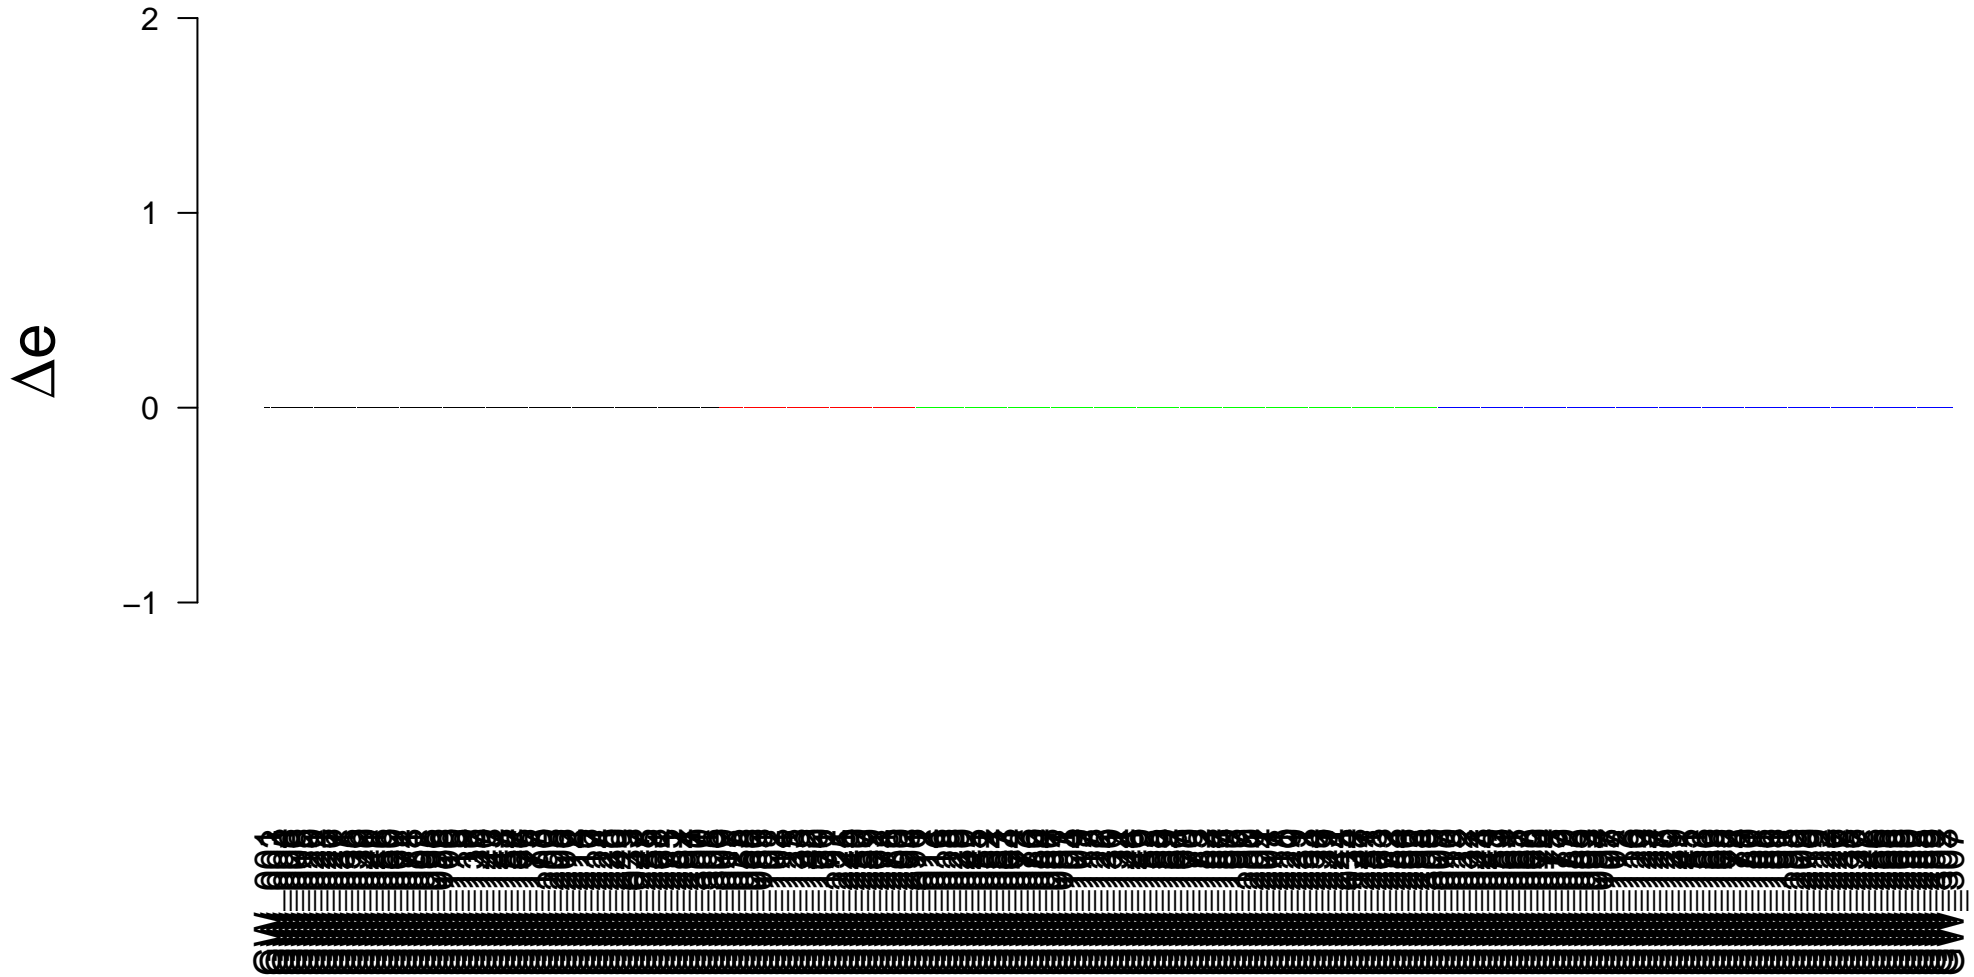

Enrichment in spots: protein heterooligomerization

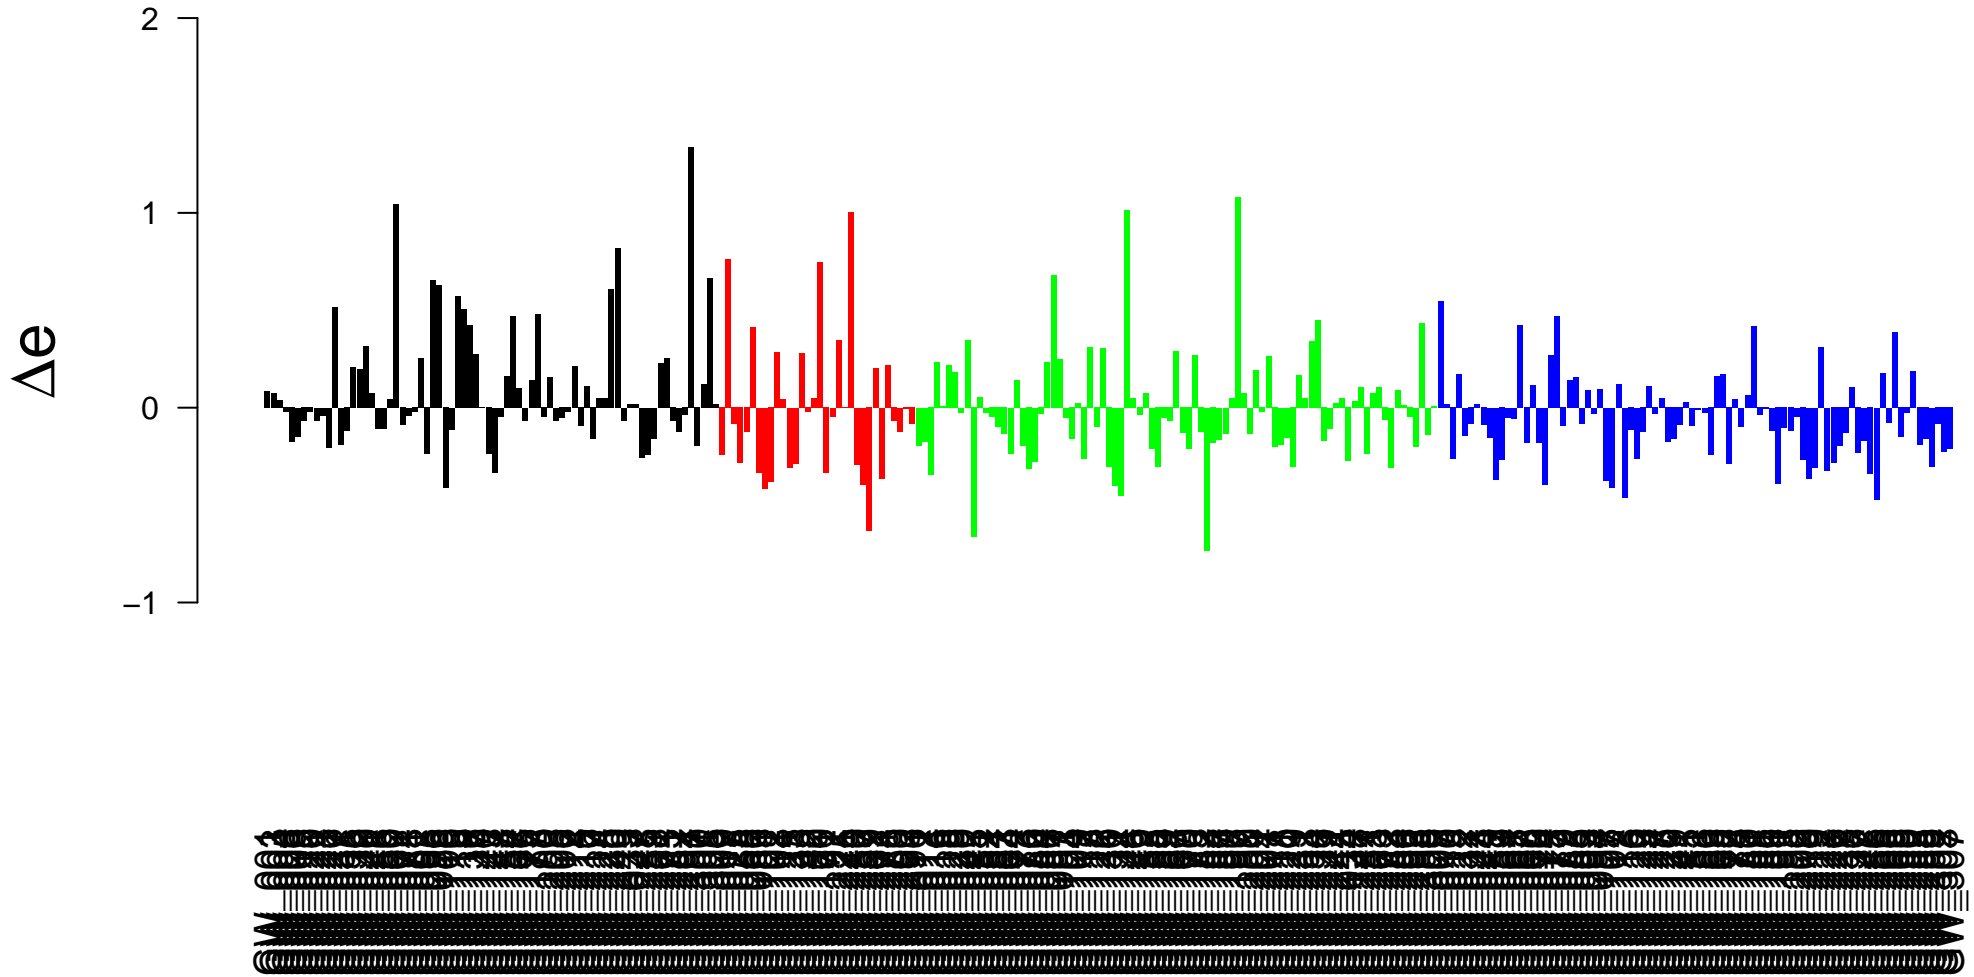

Expression of protein heterooligomerization in Spot A

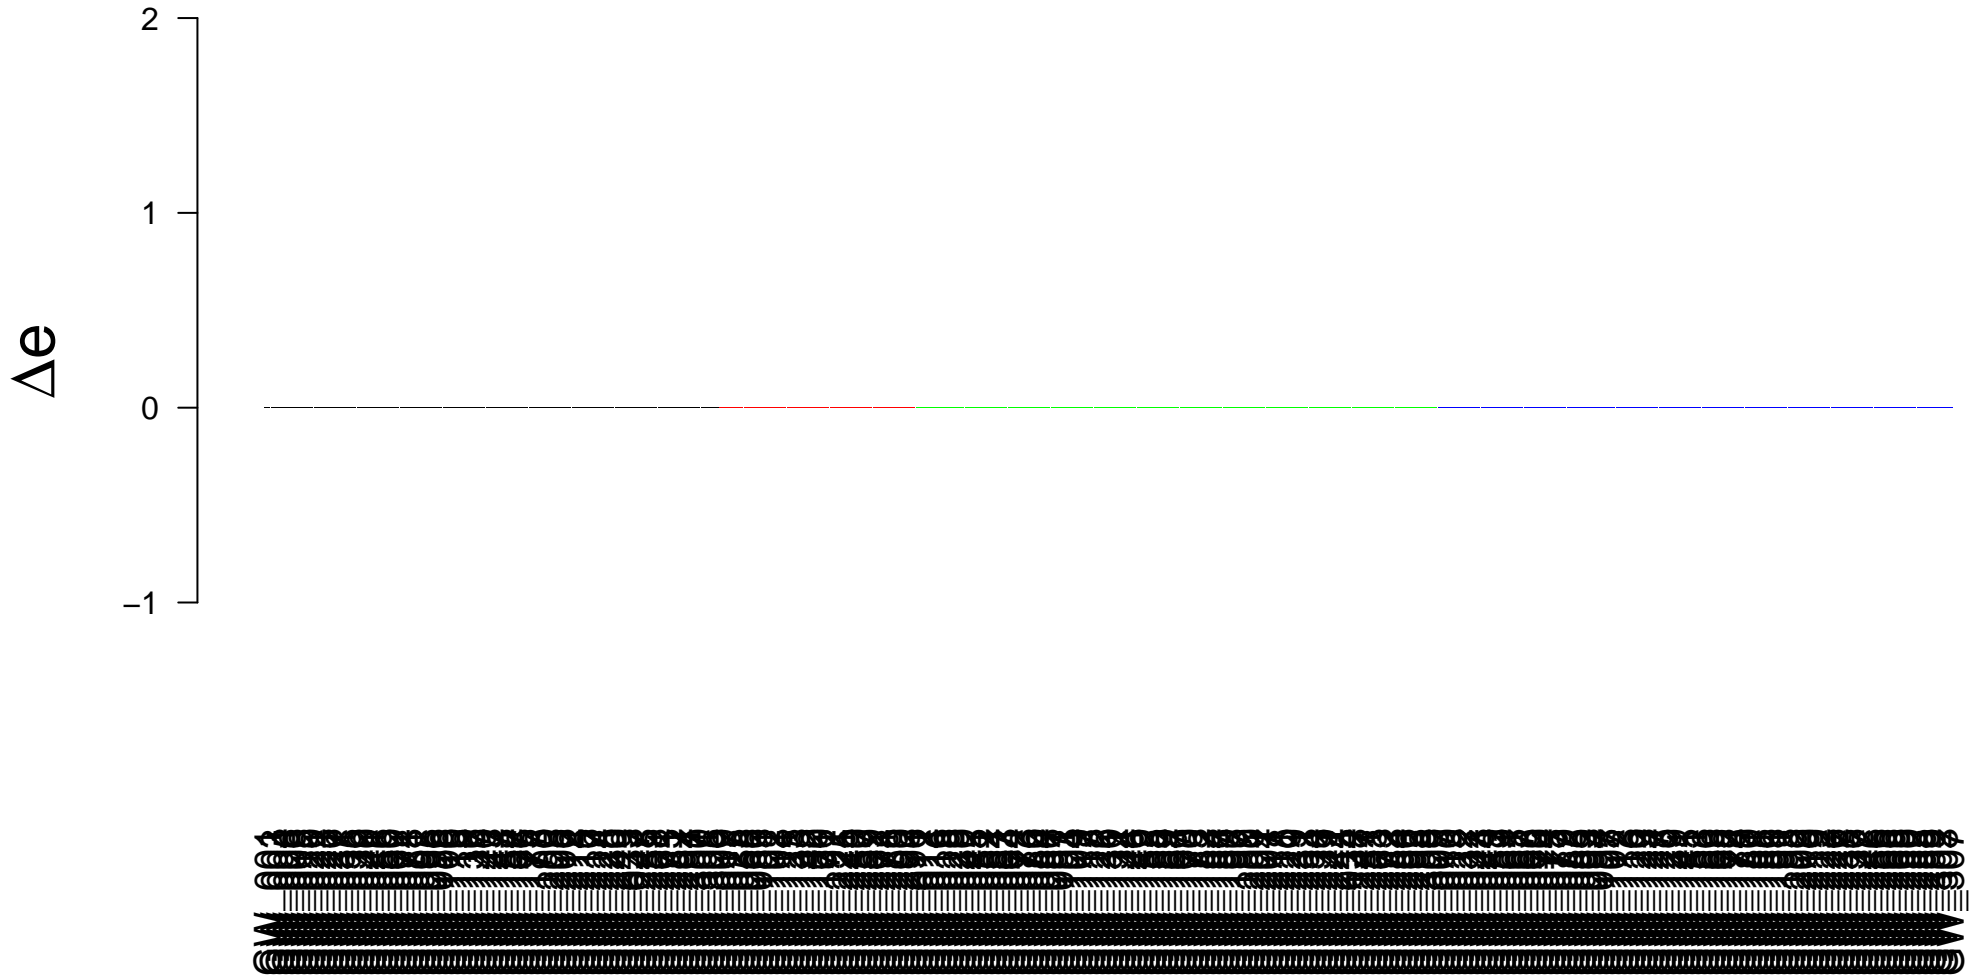

Expression of protein heterooligomerization in Spot B

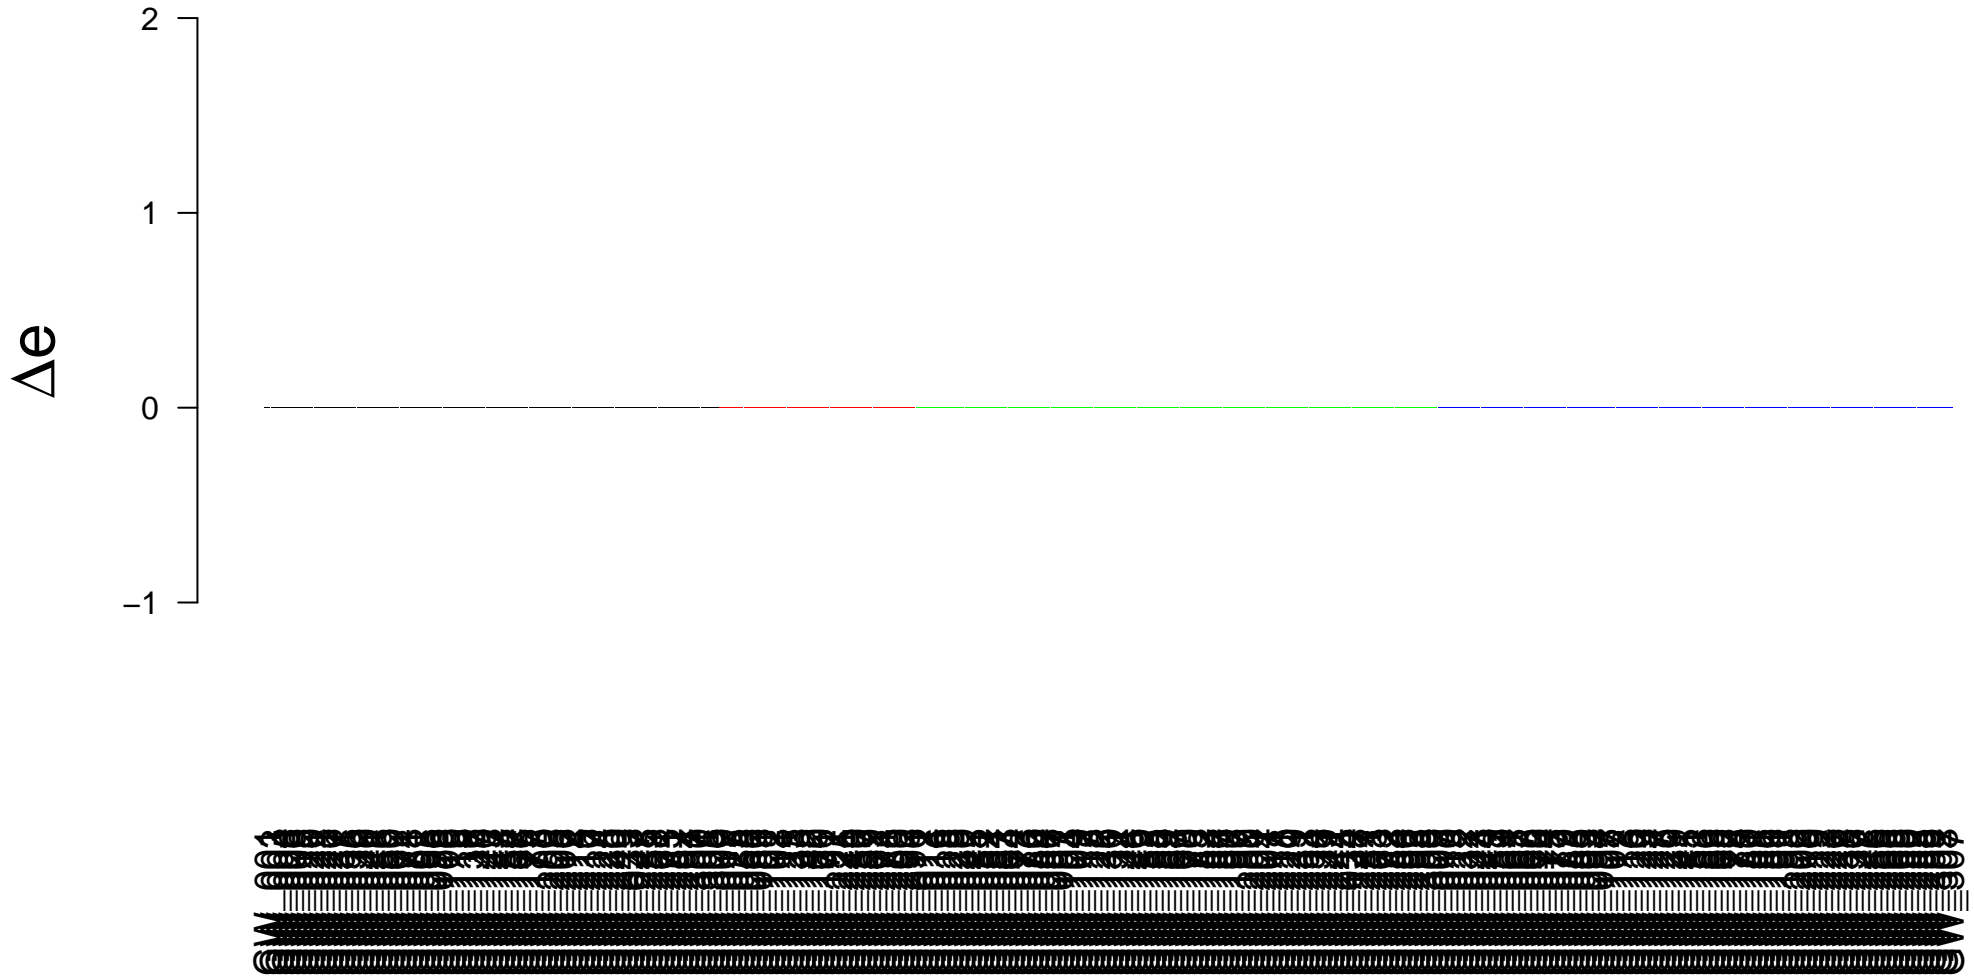

Expression of protein heterooligomerization in Spot C

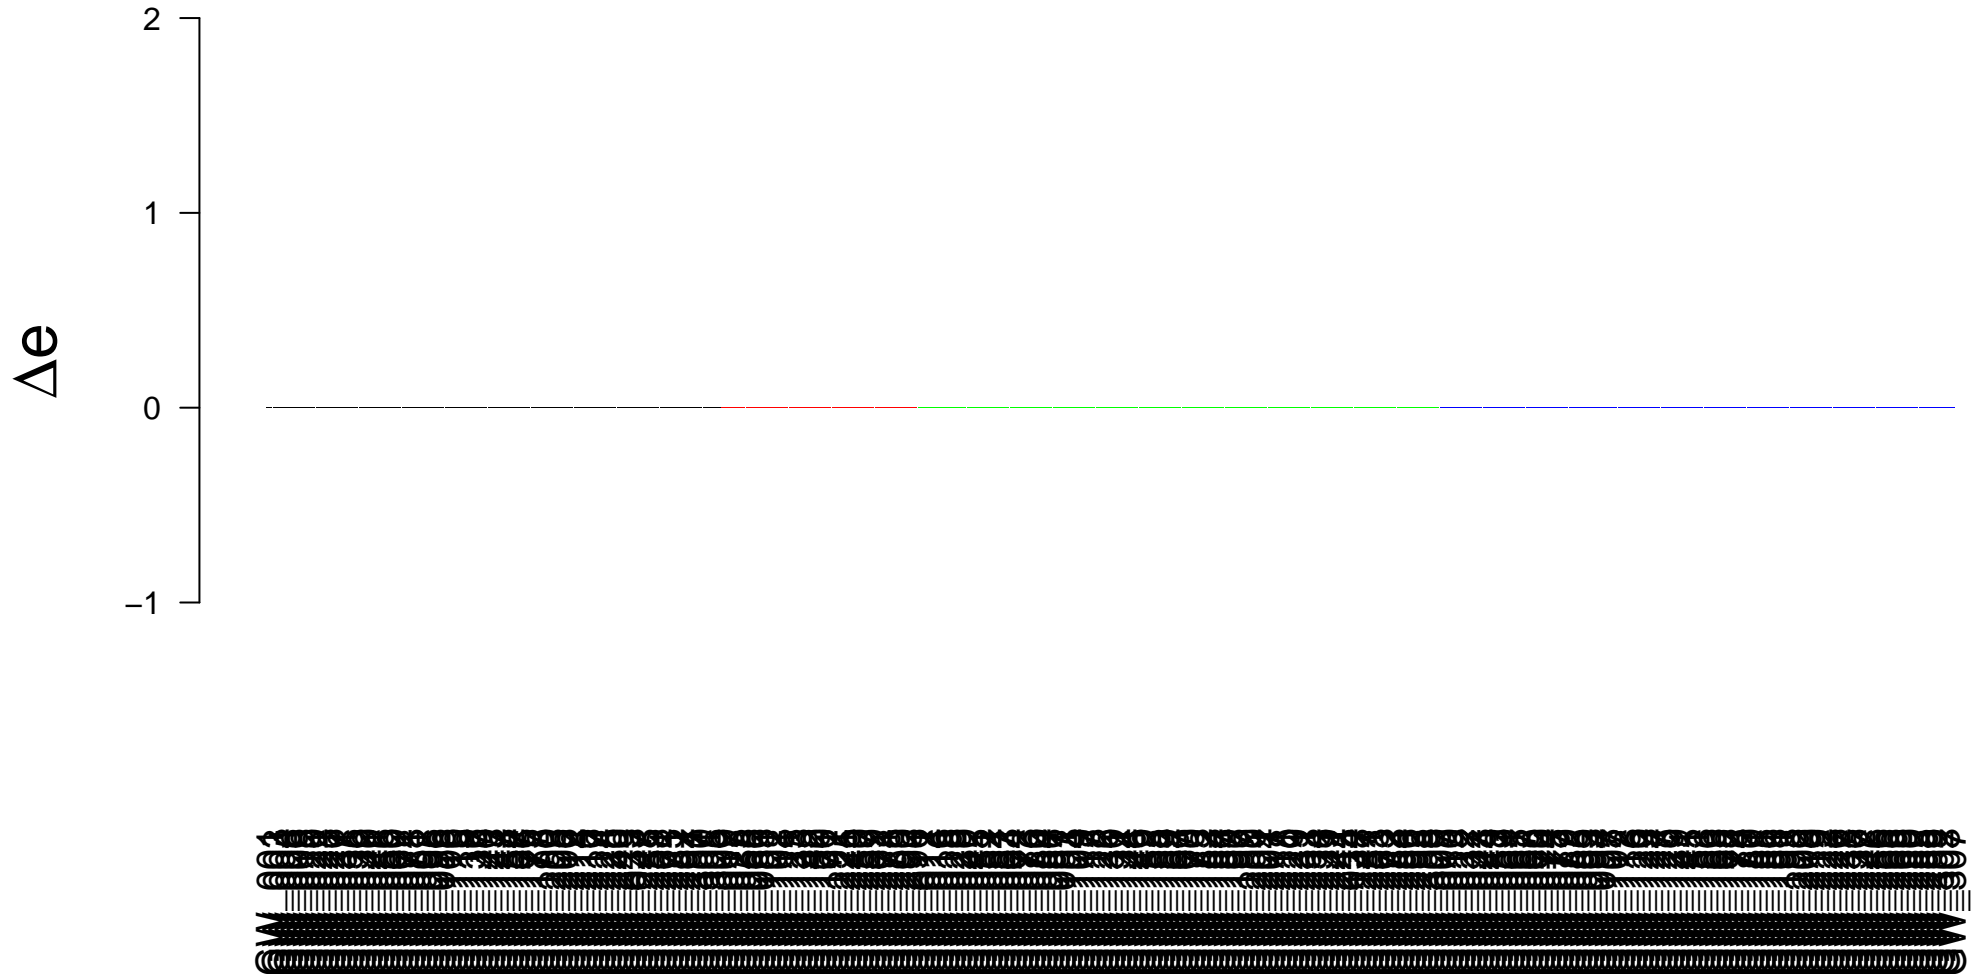

Expression of protein heterooligomerization in Spot D

Expression of protein heterooligomerization in Spot E

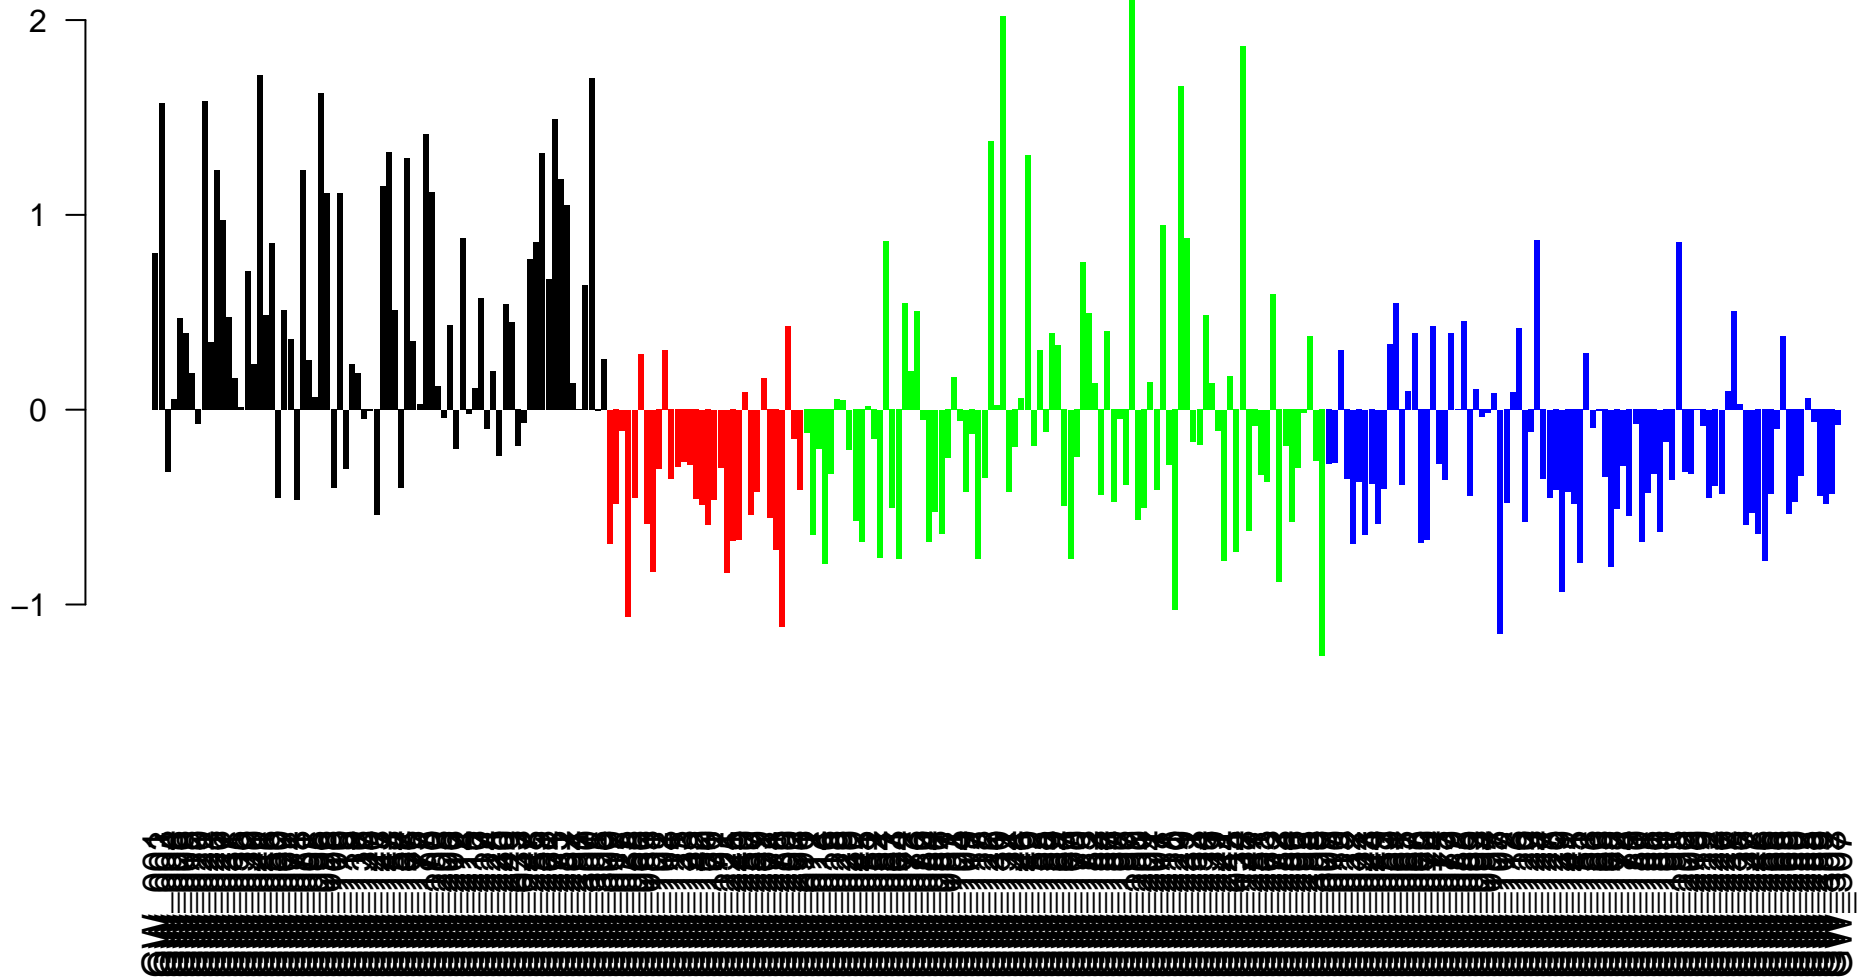

Expression of protein heterooligomerization in Spot F

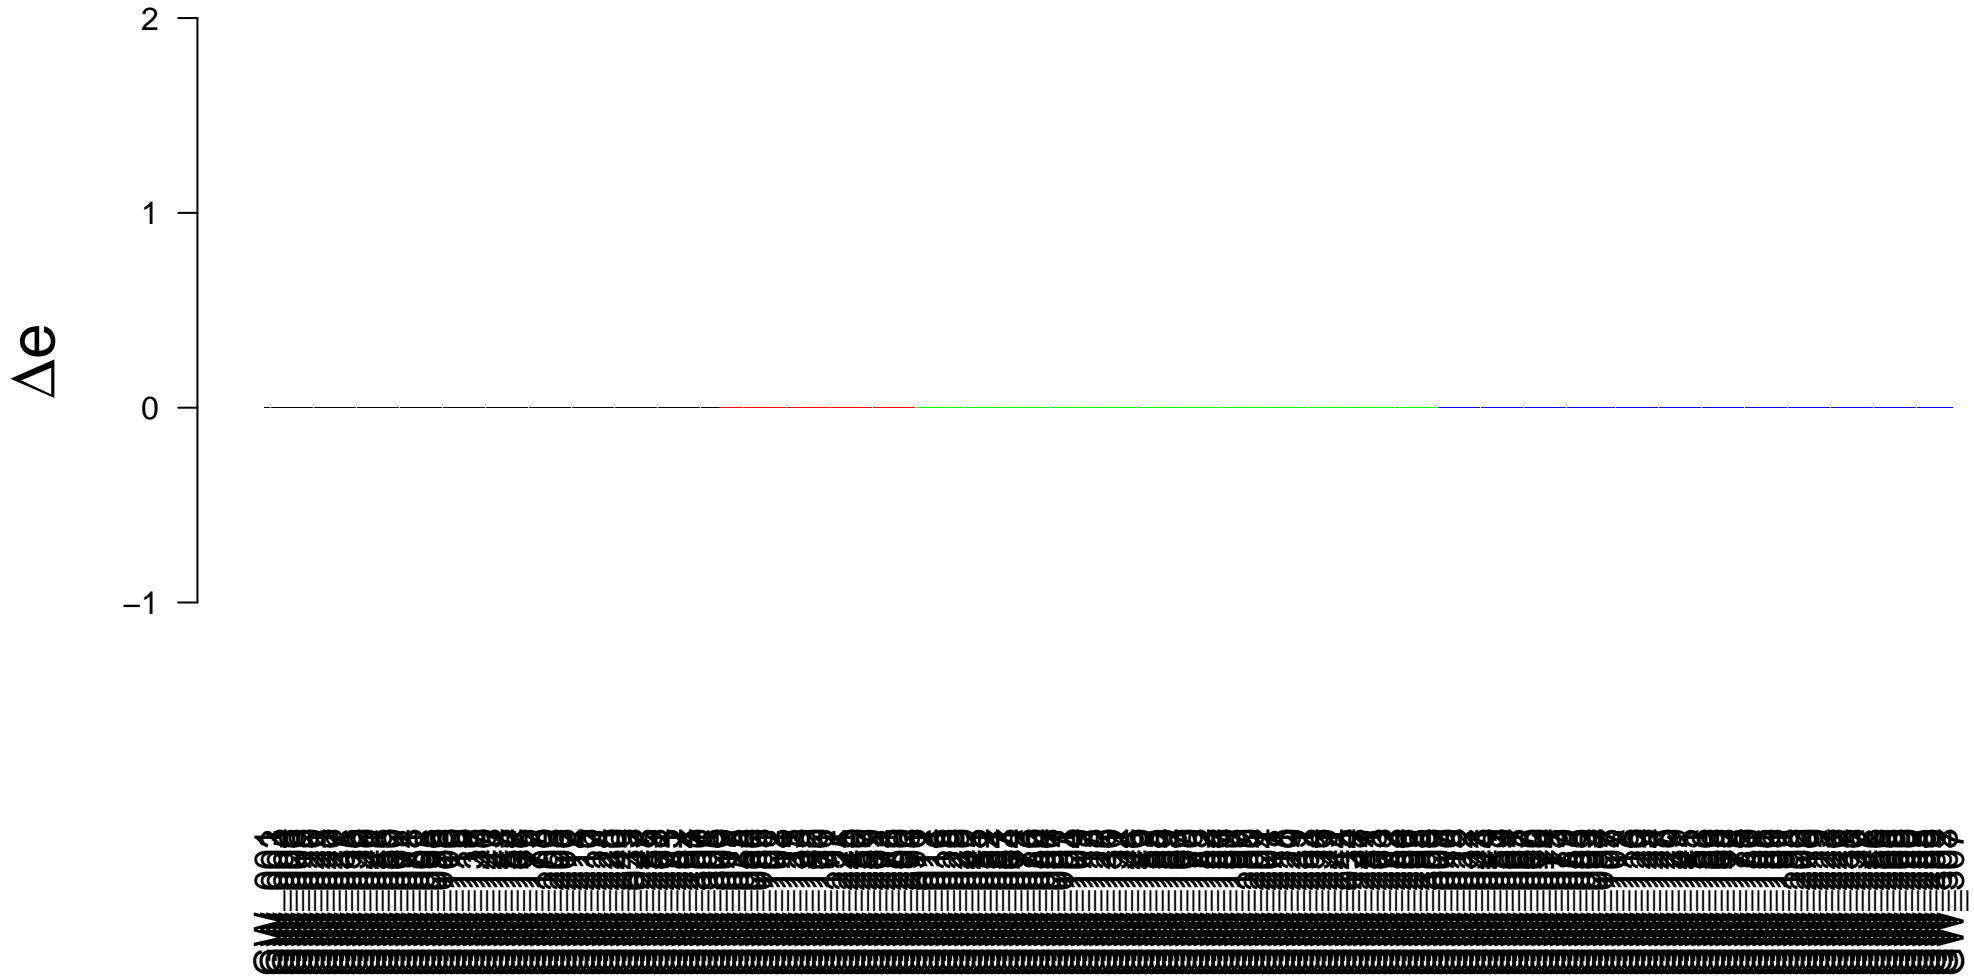

Expression of protein heterooligomerization in Spot G

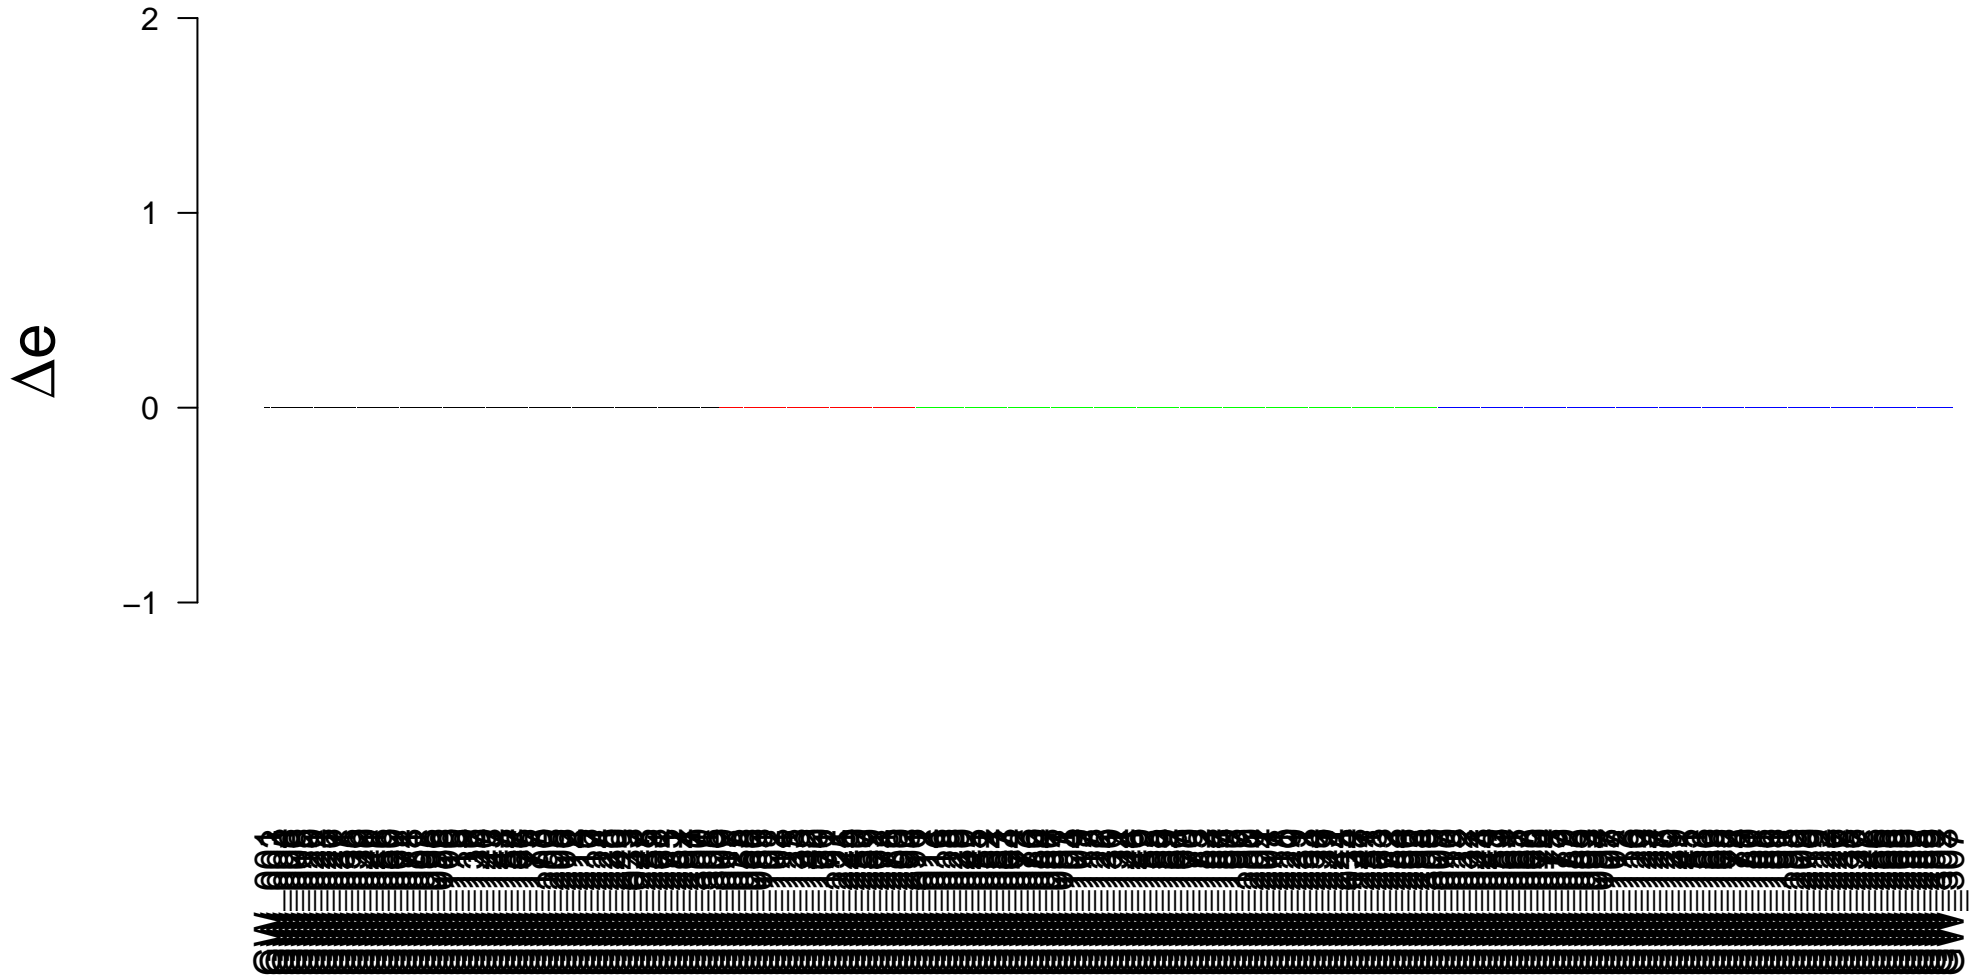

Δe

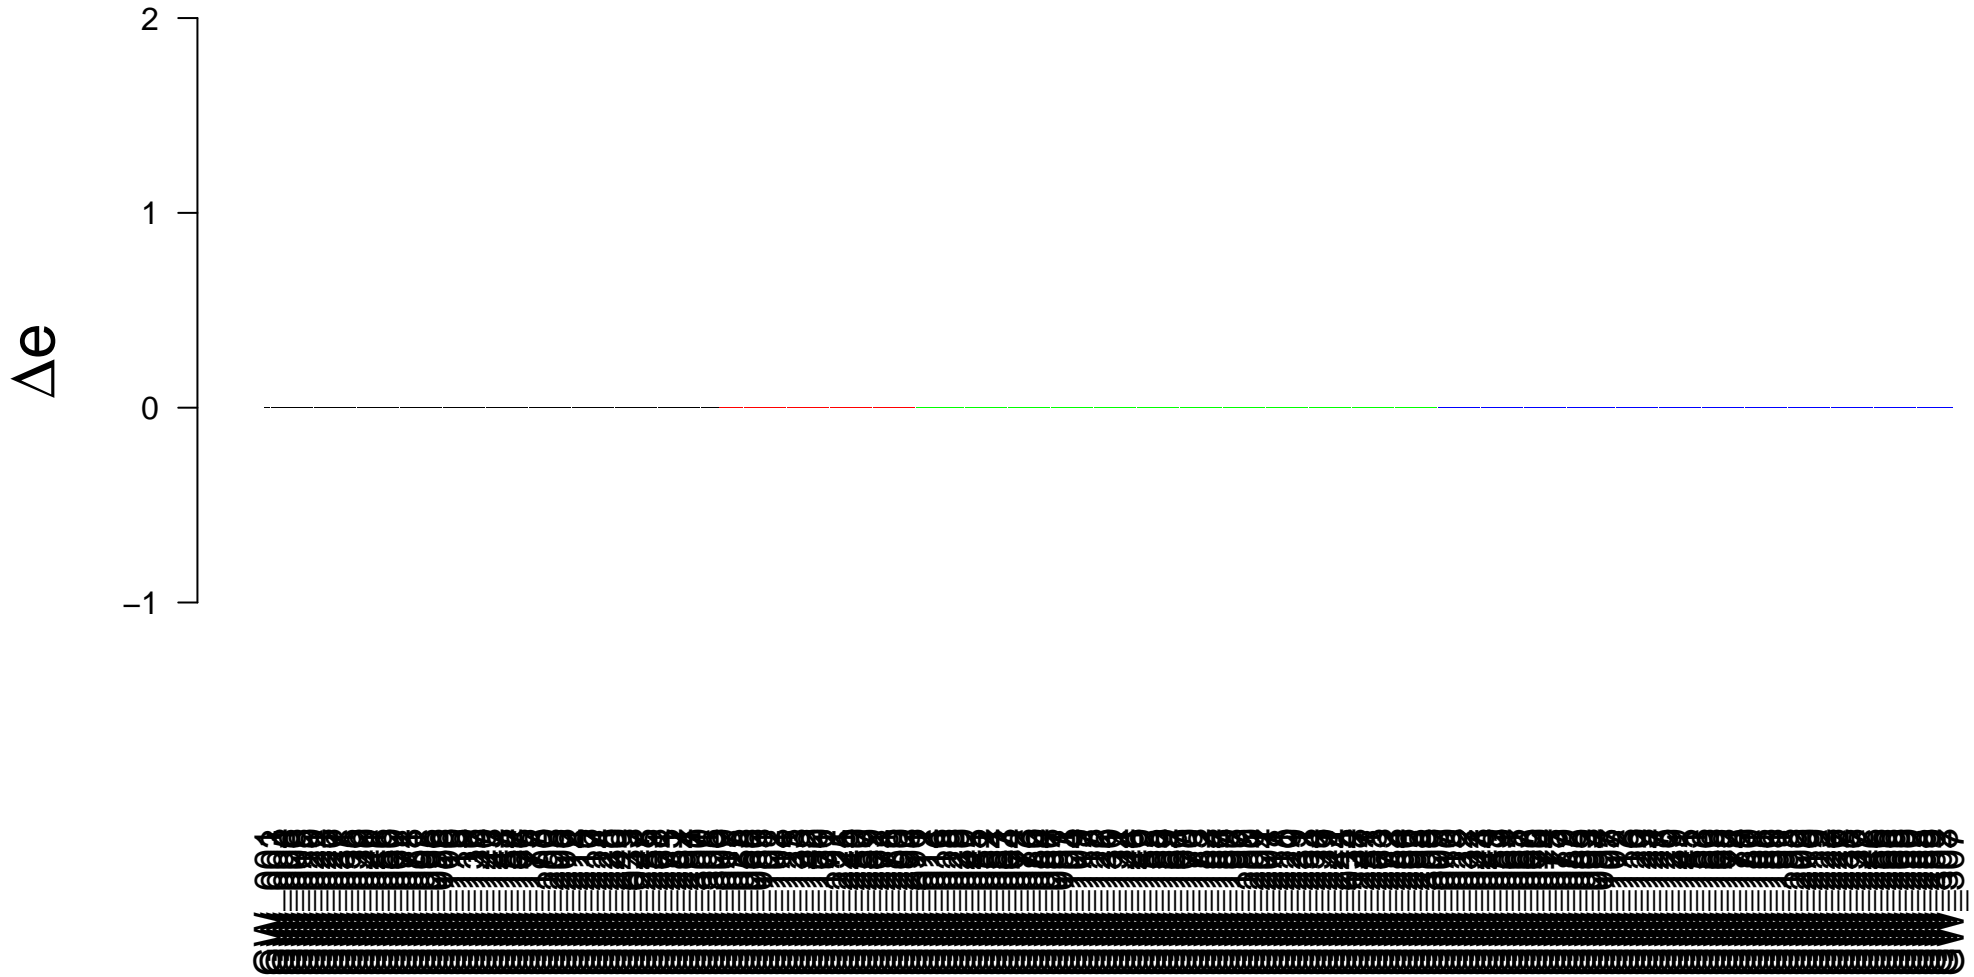

Expression of protein heterooligomerization in Spot H

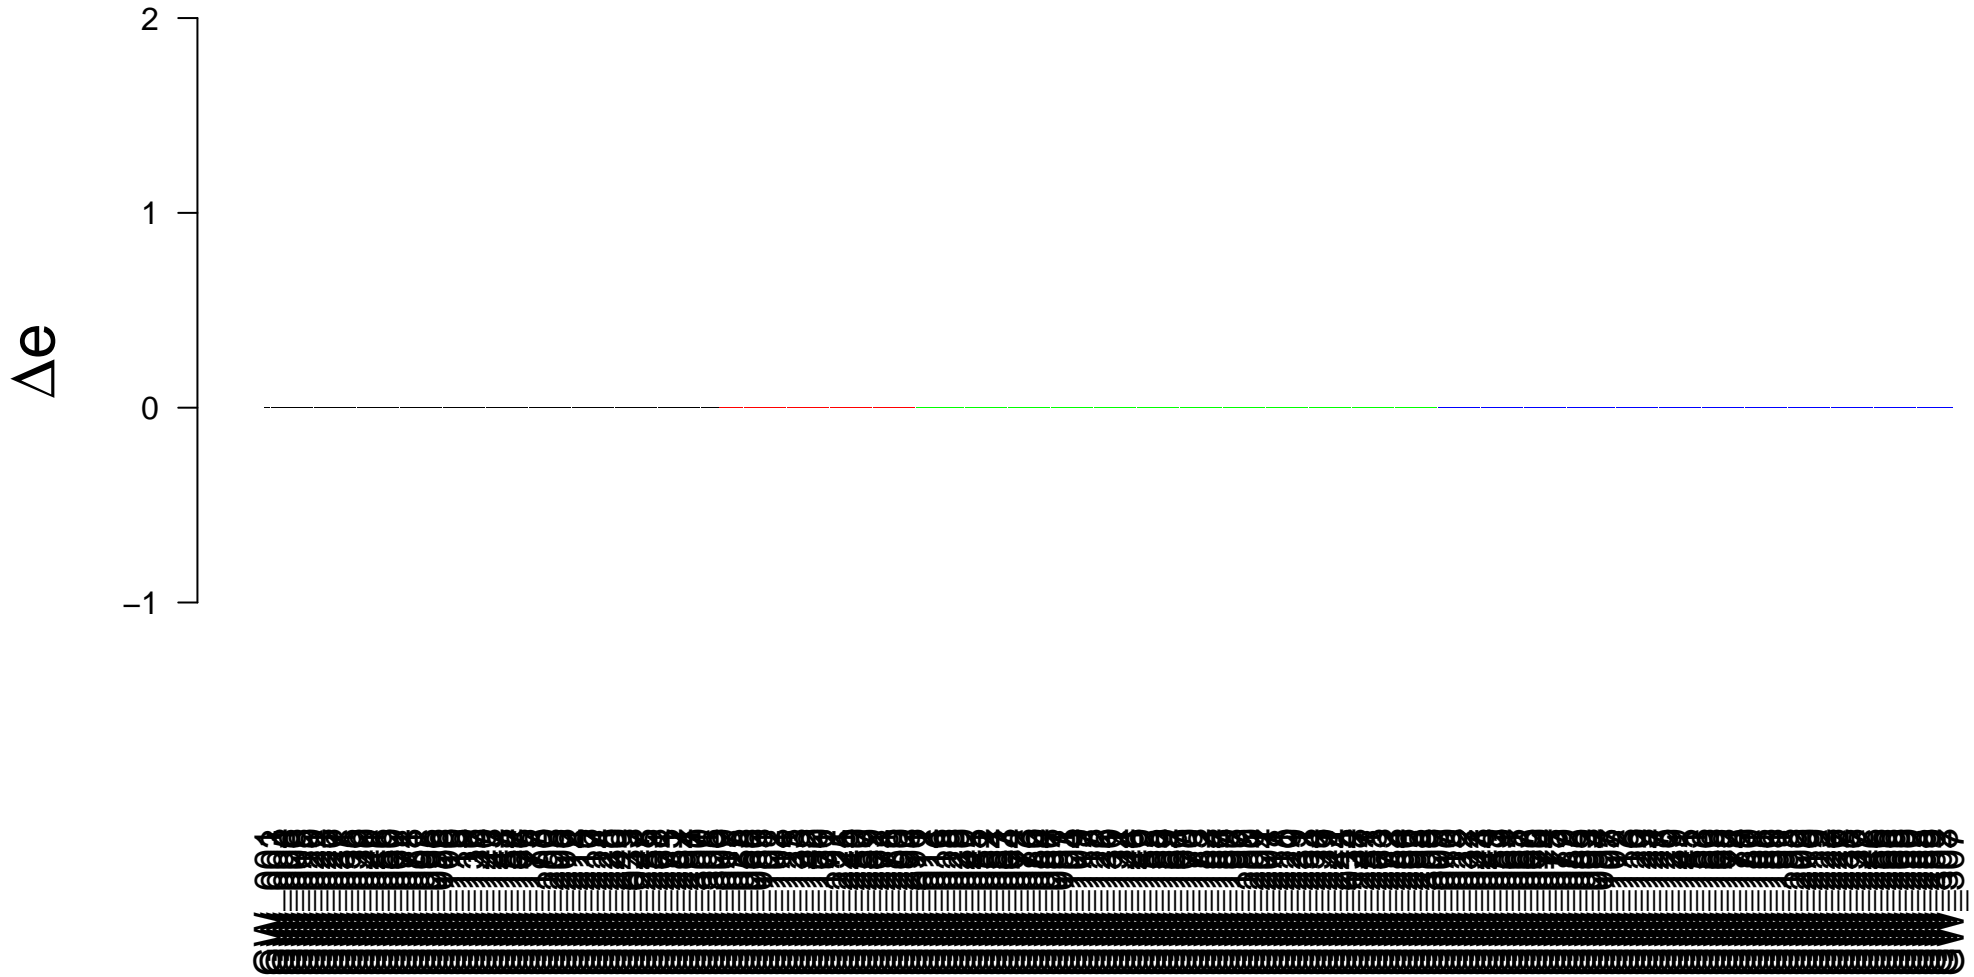

Expression of protein heterooligomerization in Spot I

Expression of protein heterooligomerization in Spot J

Expression of protein heterooligomerization in Spot K

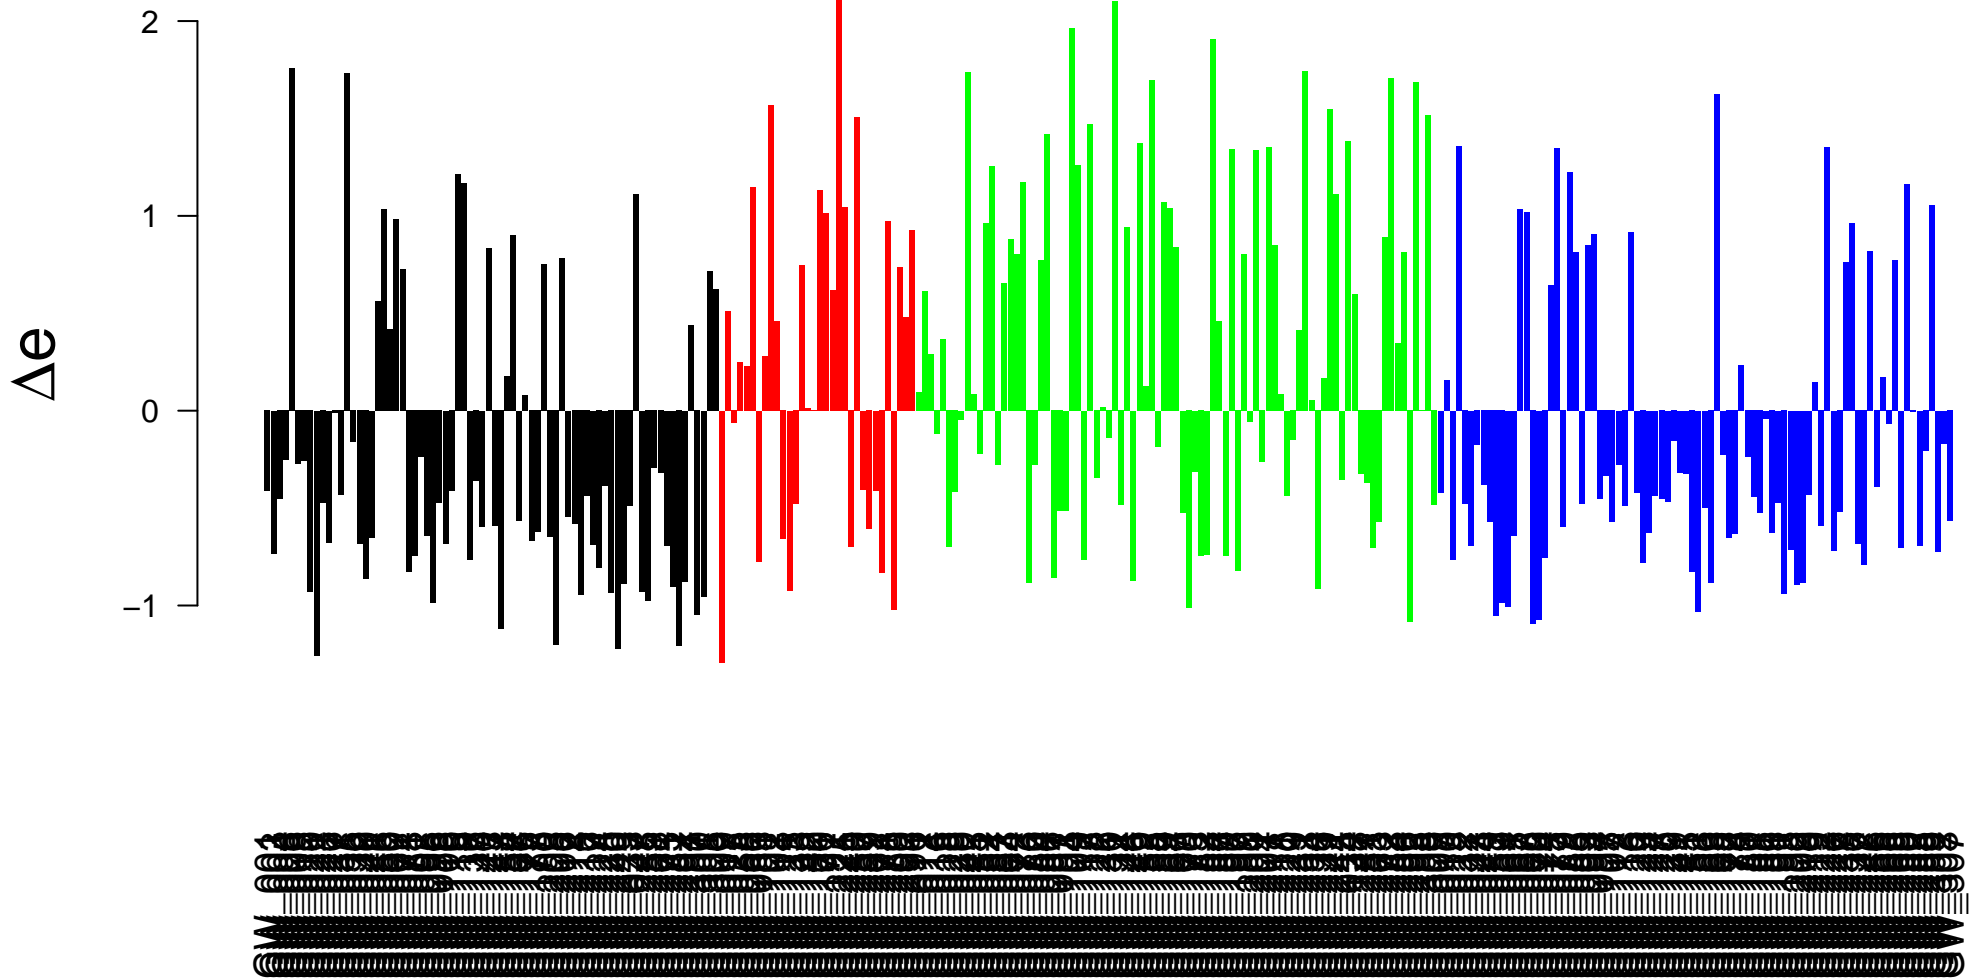

Expression of protein heterooligomerization in Spot L

Expression of protein heterooligomerization in Spot M

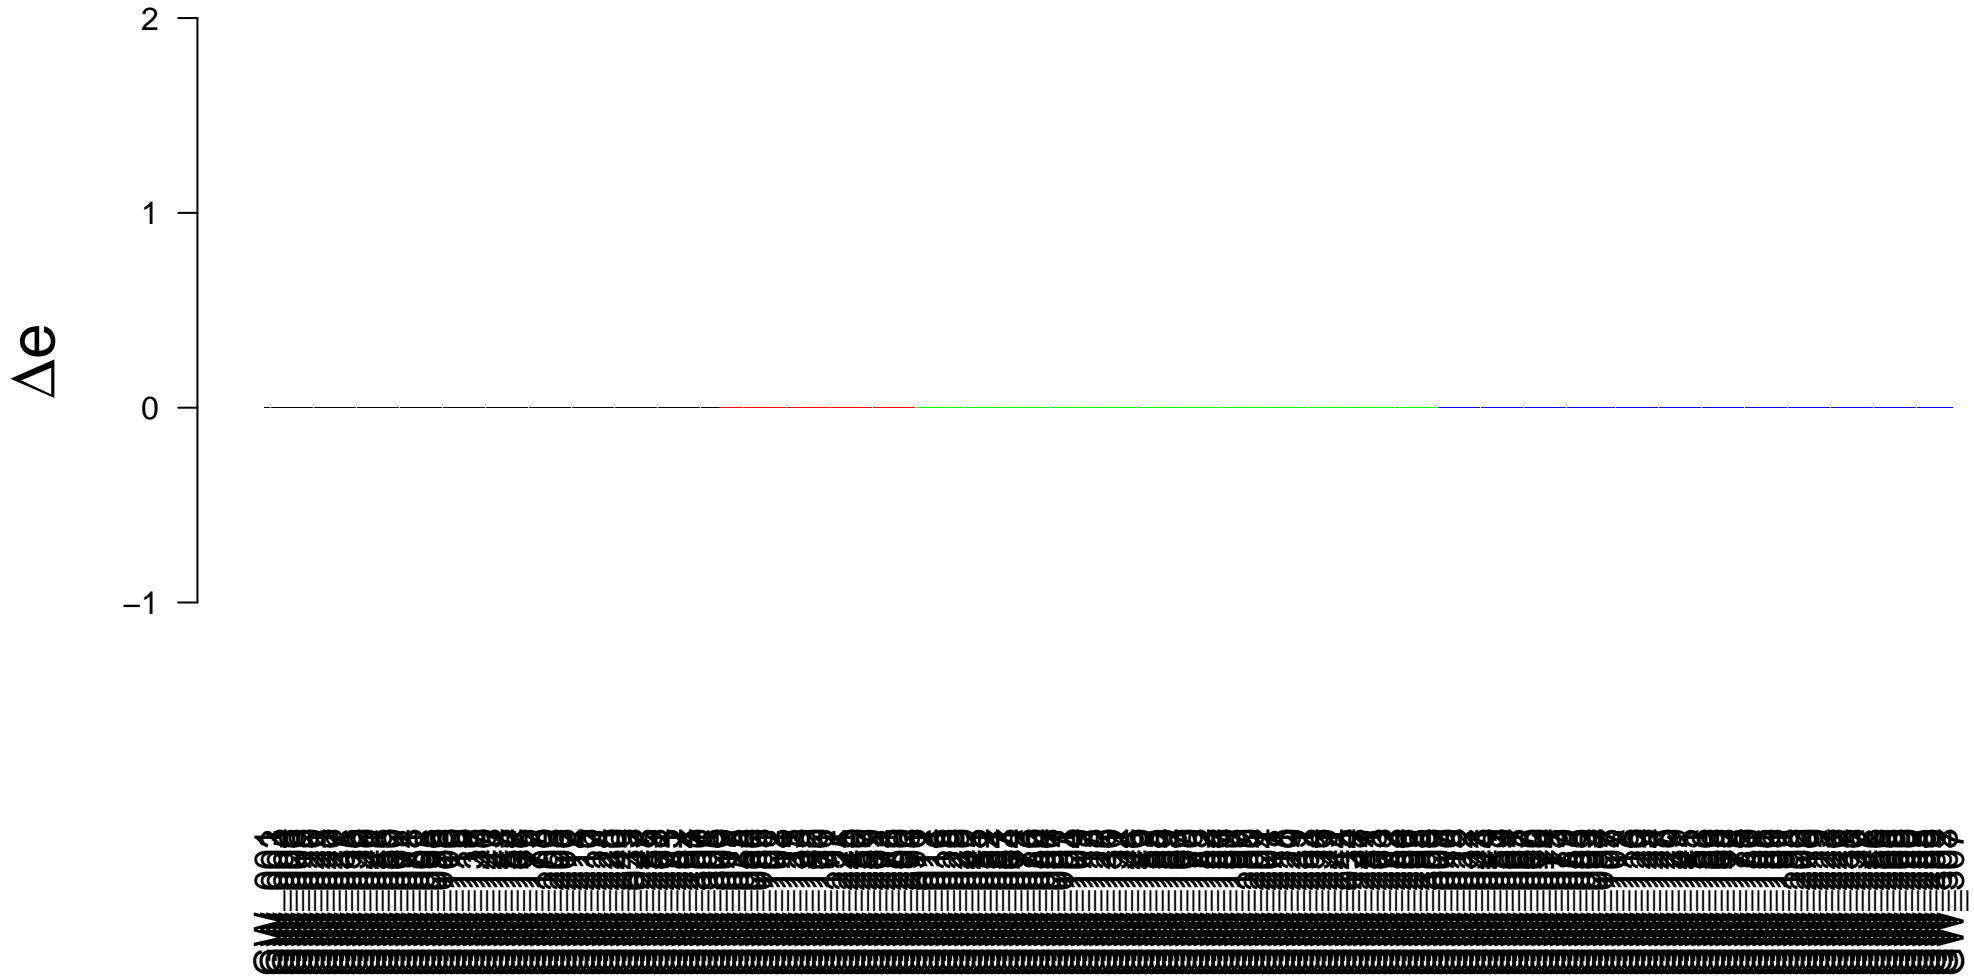

Expression of protein heterooligomerization in Spot N

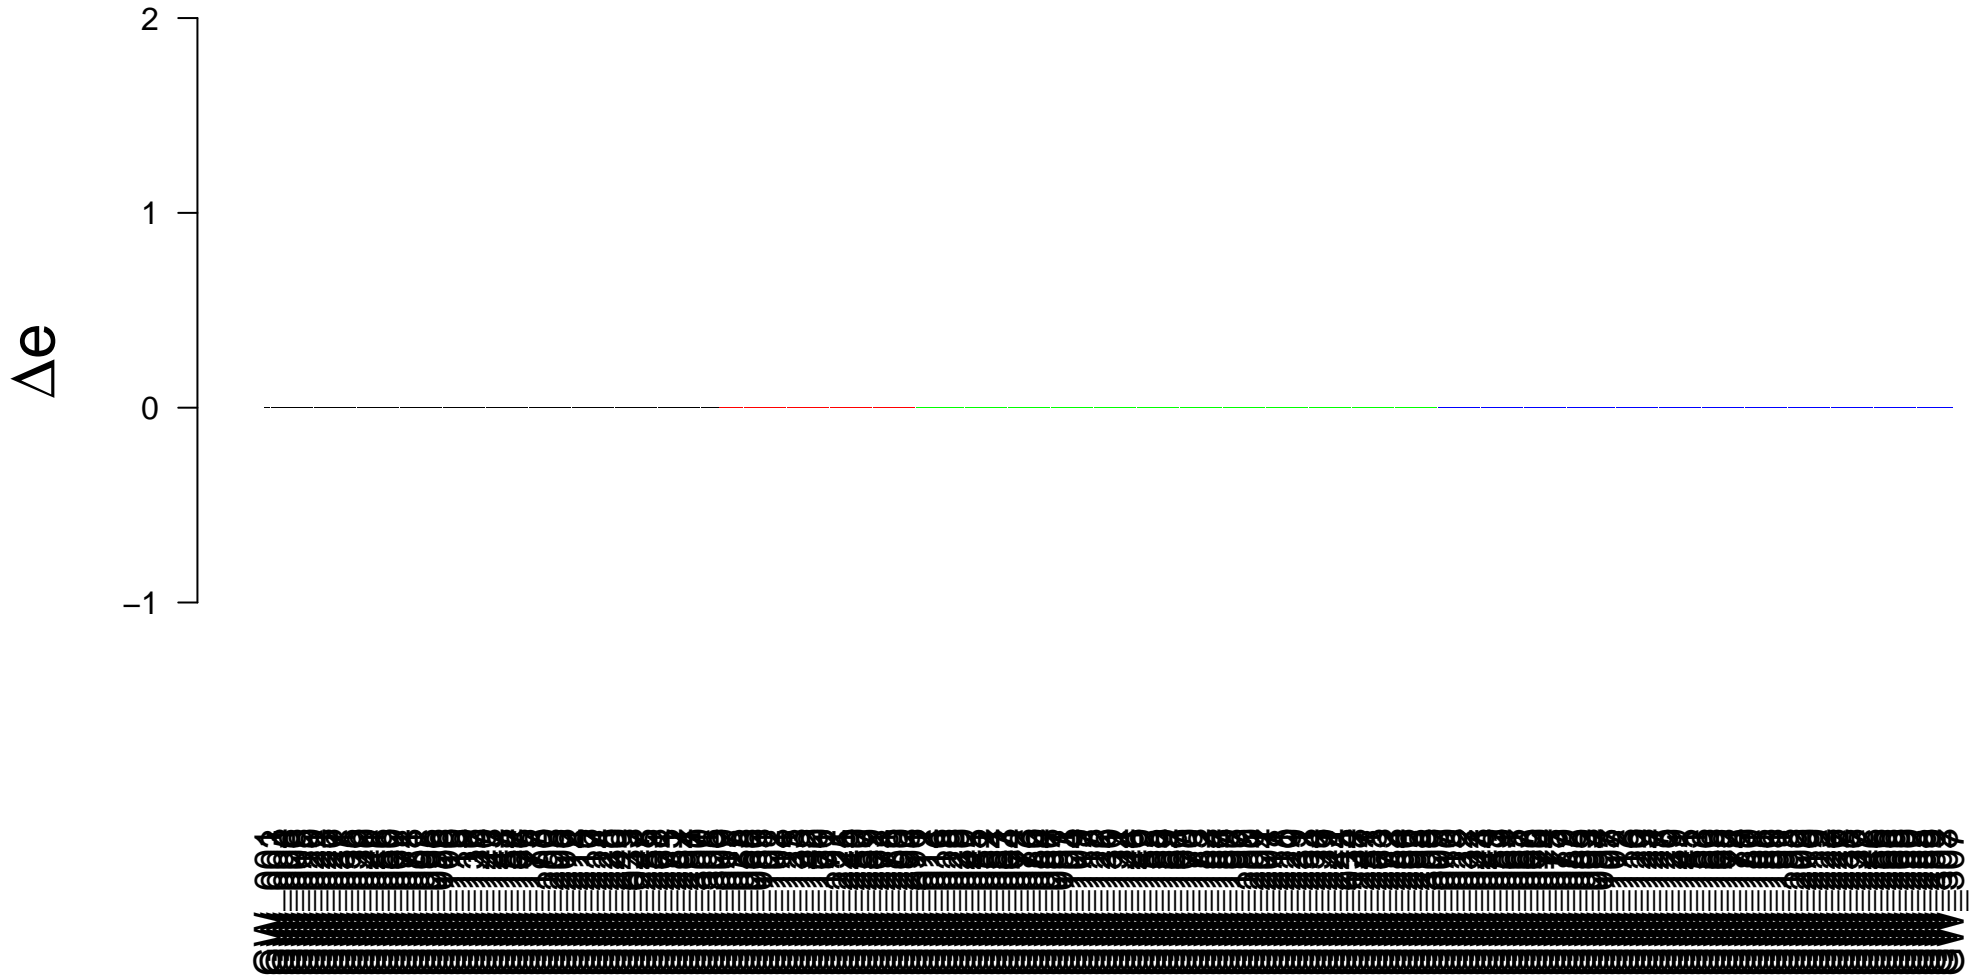

Expression of protein heterooligomerization in Spot O

Expression of protein heterooligomerization in Spot P

Expression of protein heterooligomerization in Spot Q

Expression of protein heterooligomerization in Spot R
