

protein homooligomerization

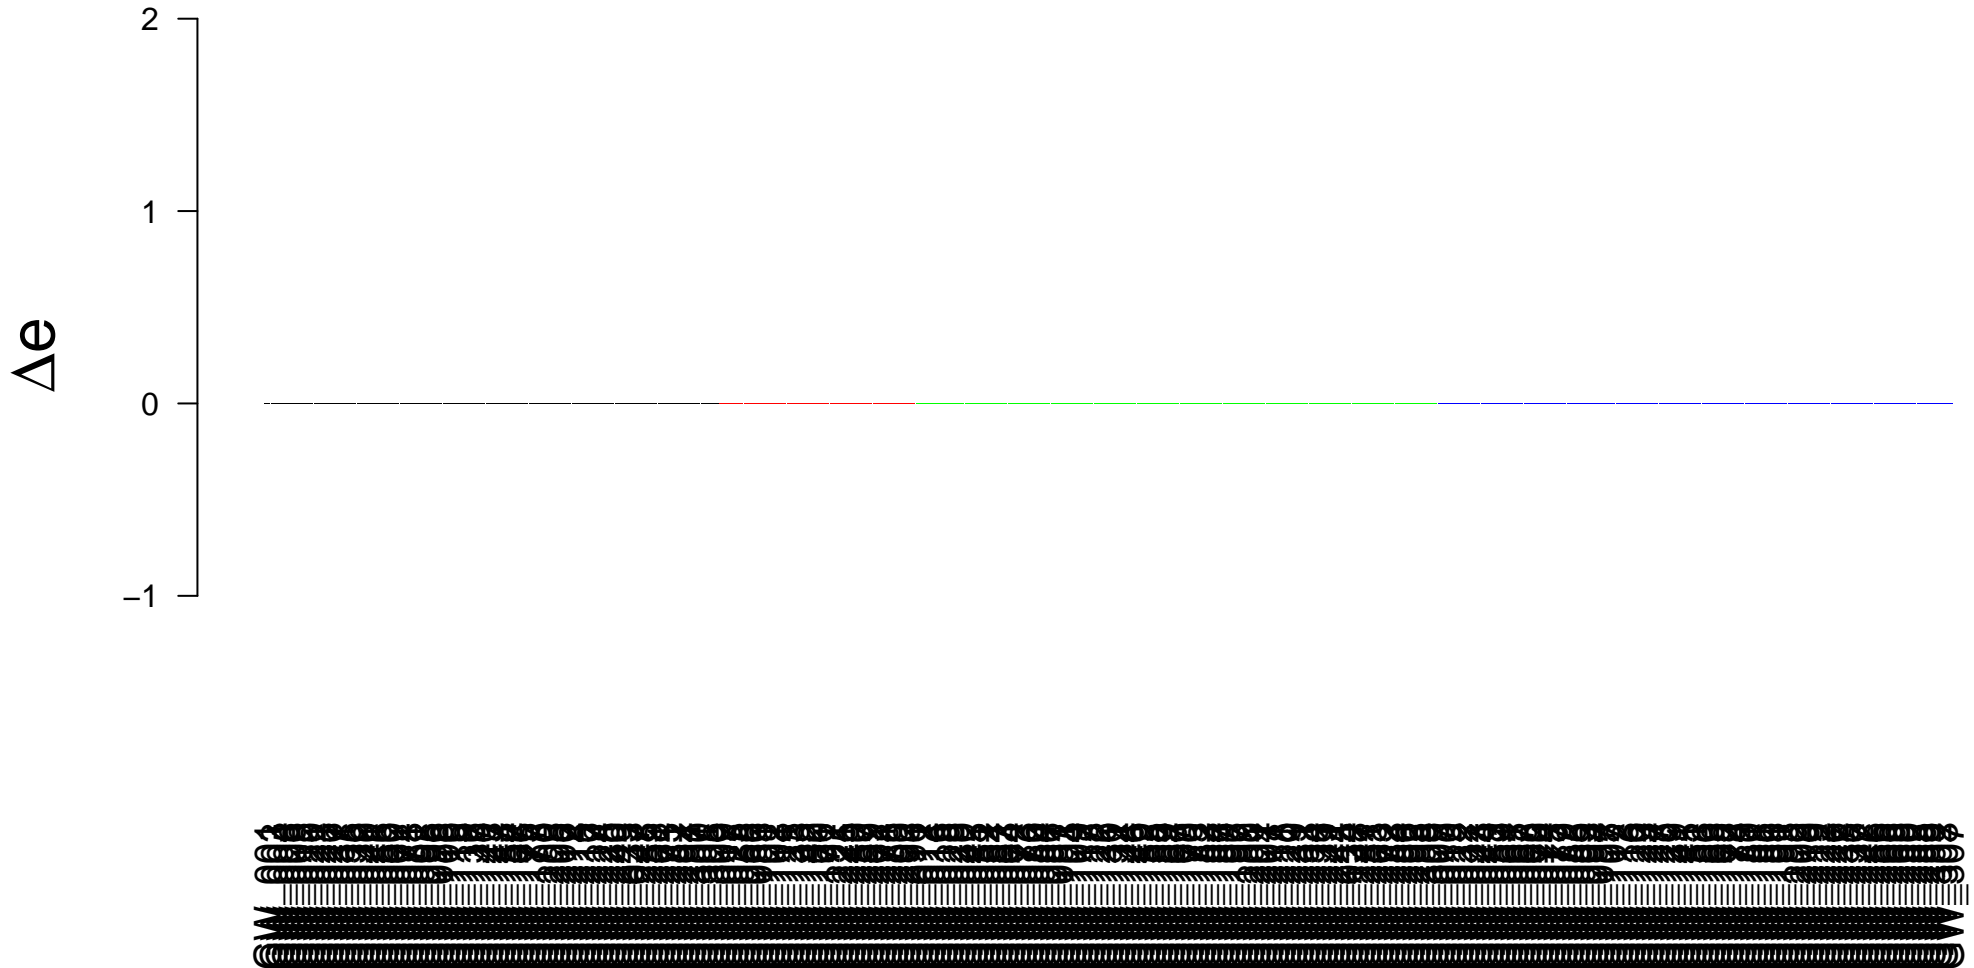

protein homooligomerization

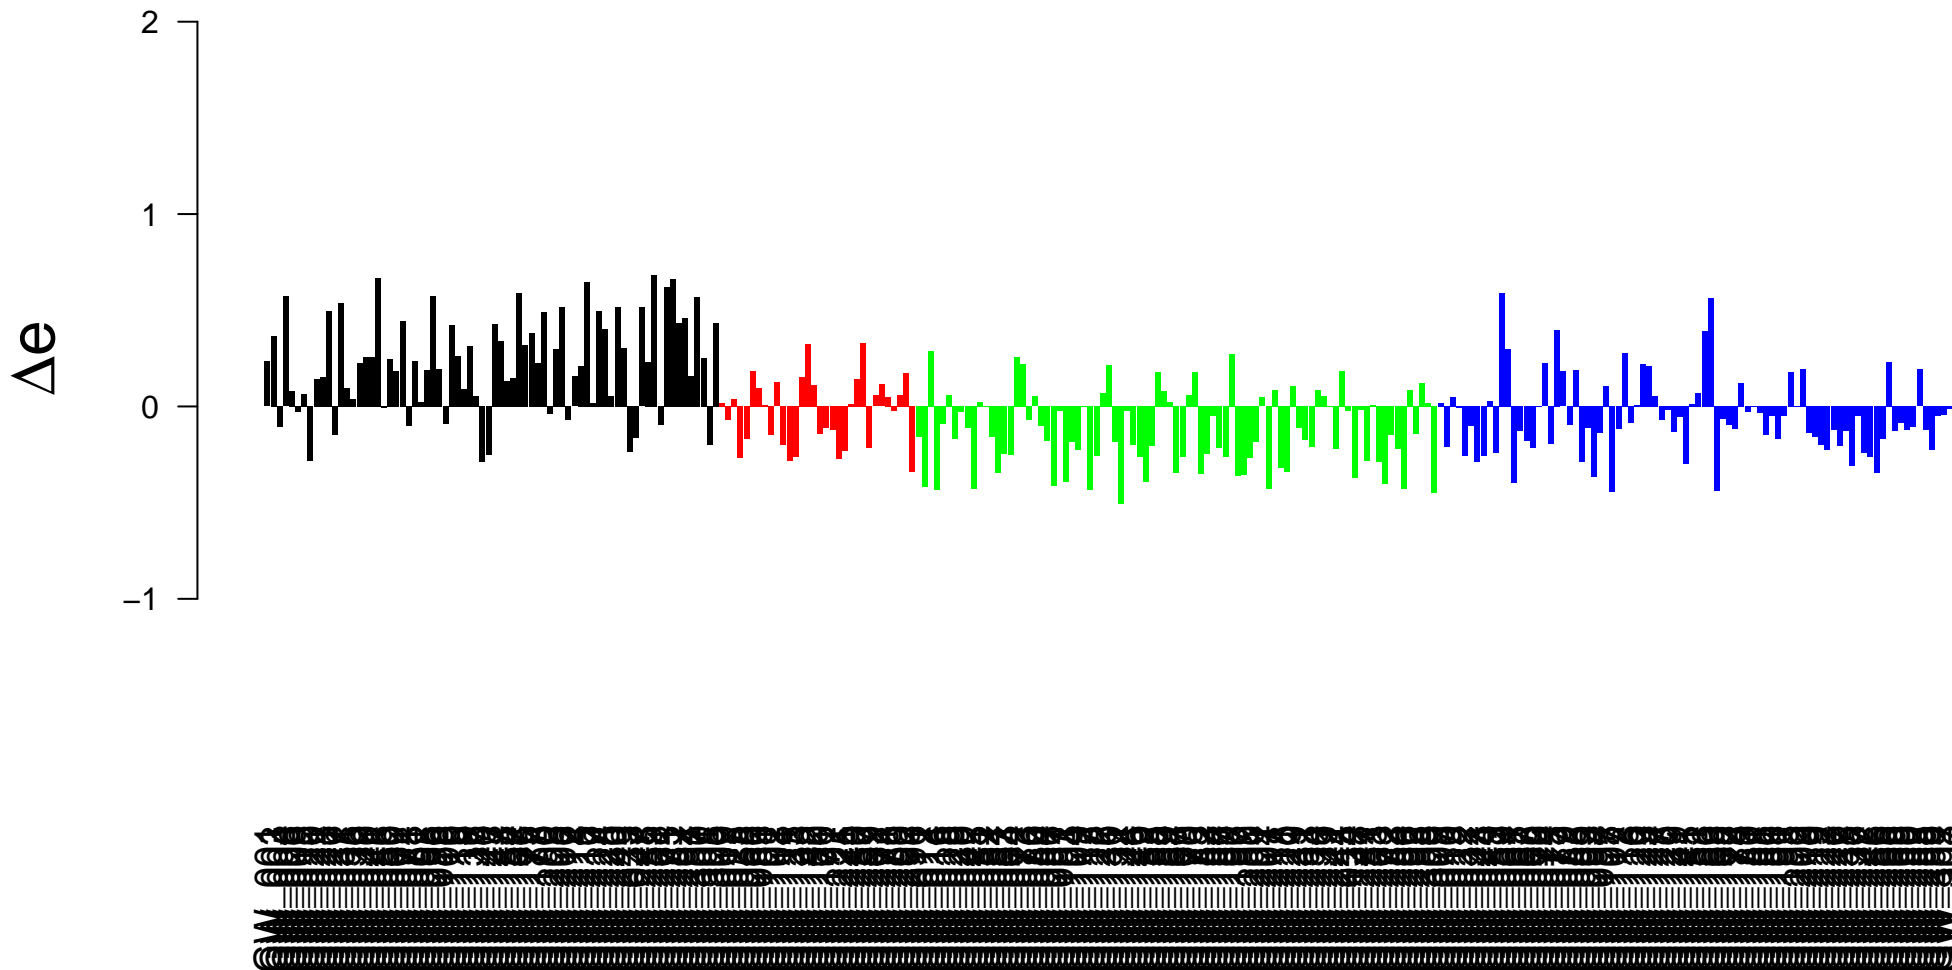

Enrichment in spots: protein homooligomerization

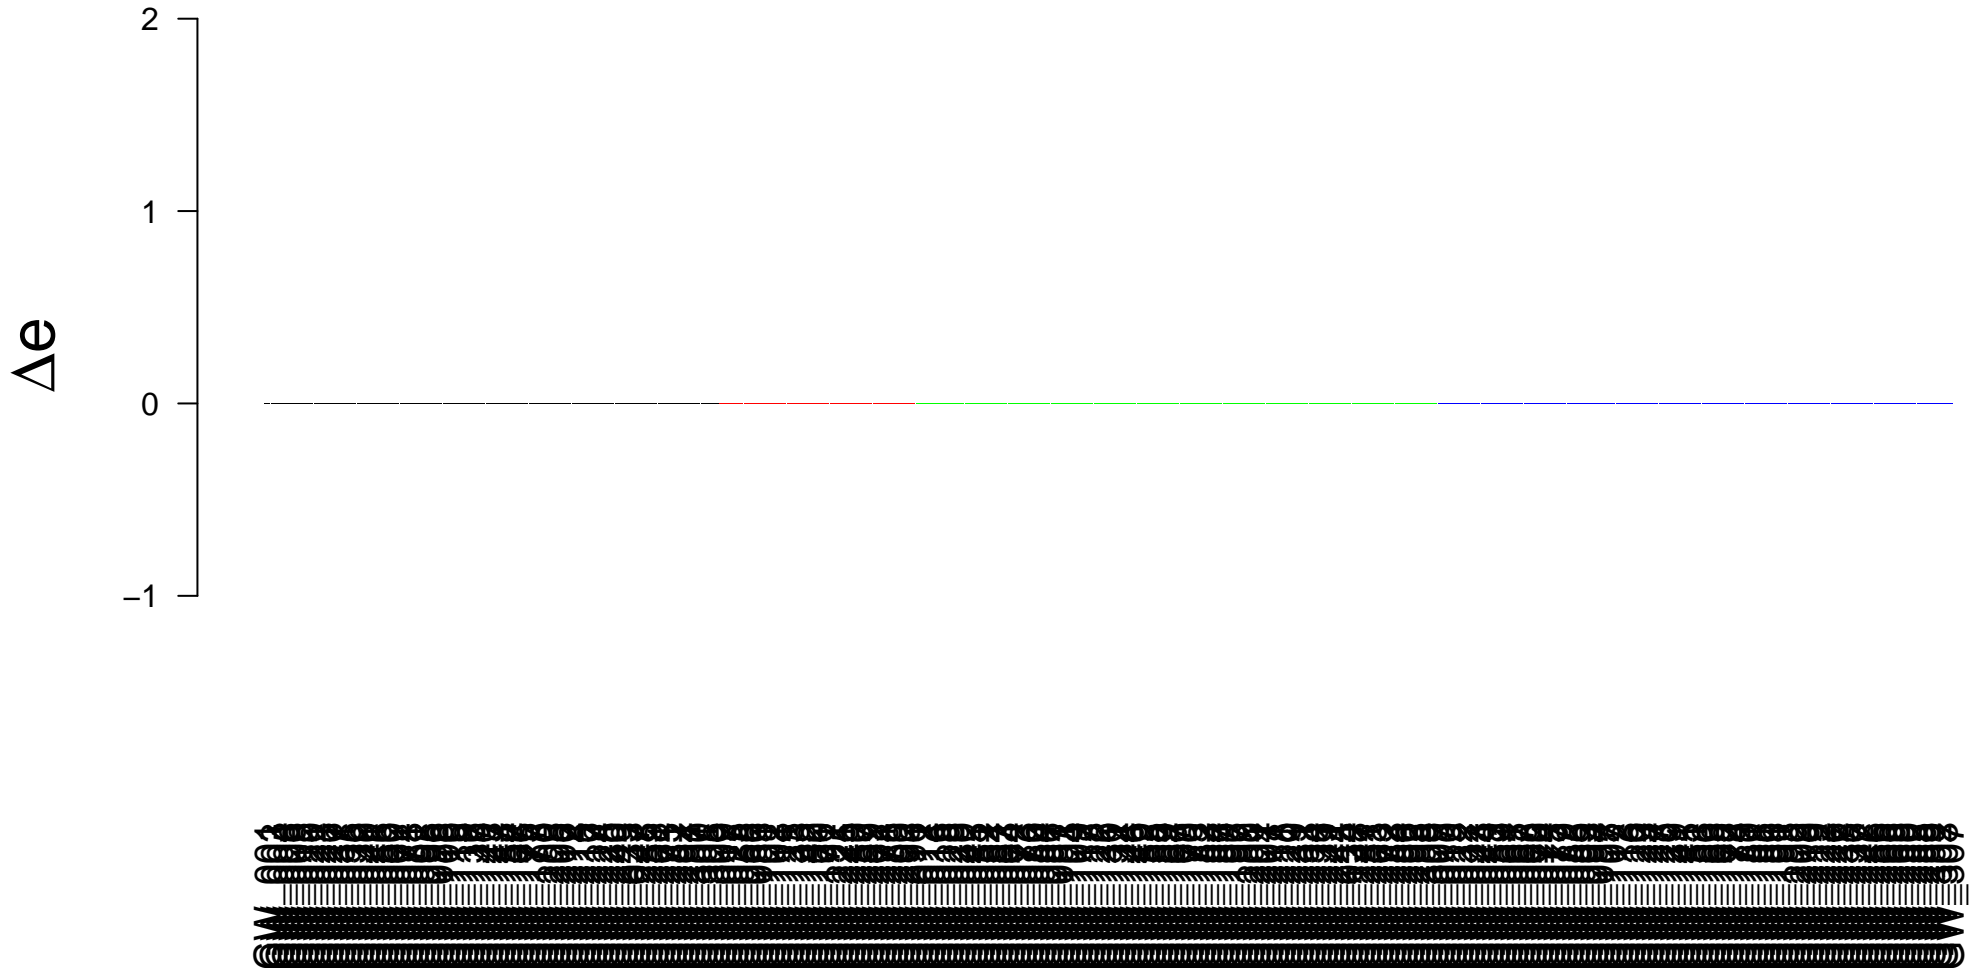

Expression of protein homooligomerization in Spot A

Expression of protein homooligomerization in Spot B

Expression of protein homooligomerization in Spot C

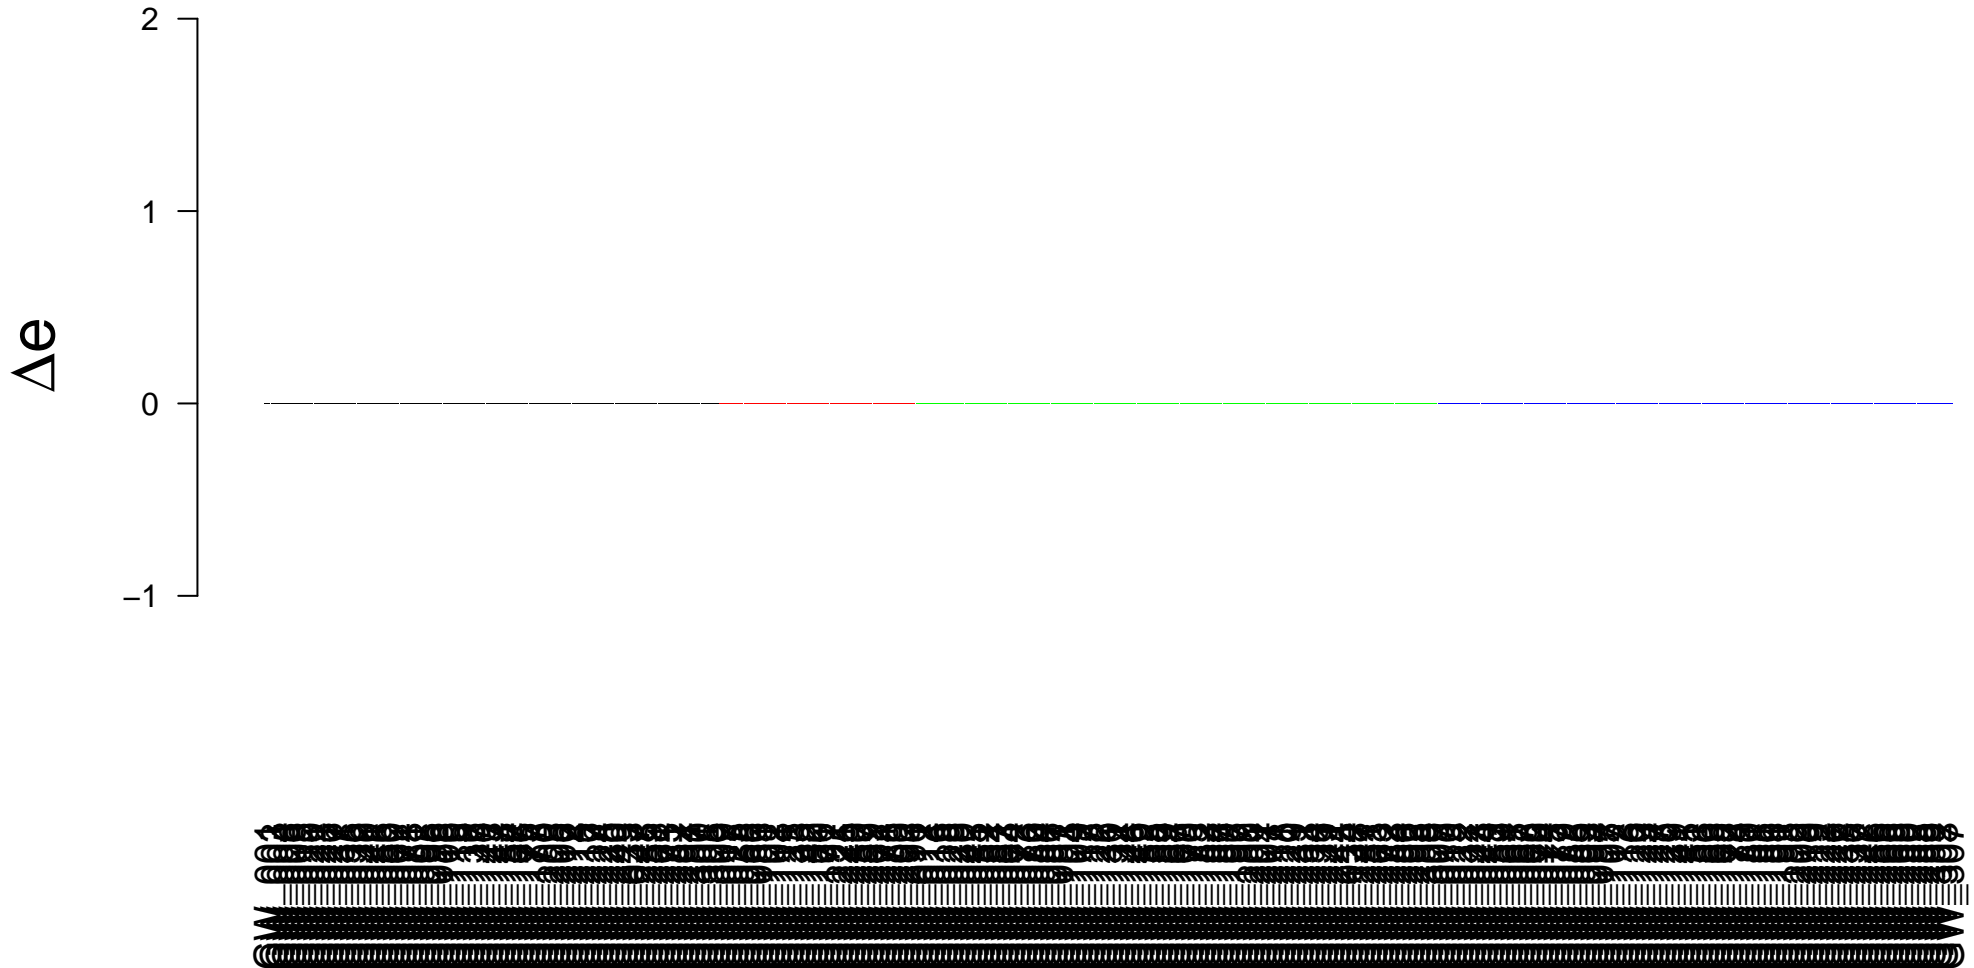

Expression of protein homooligomerization in Spot D

Expression of protein homooligomerization in Spot J

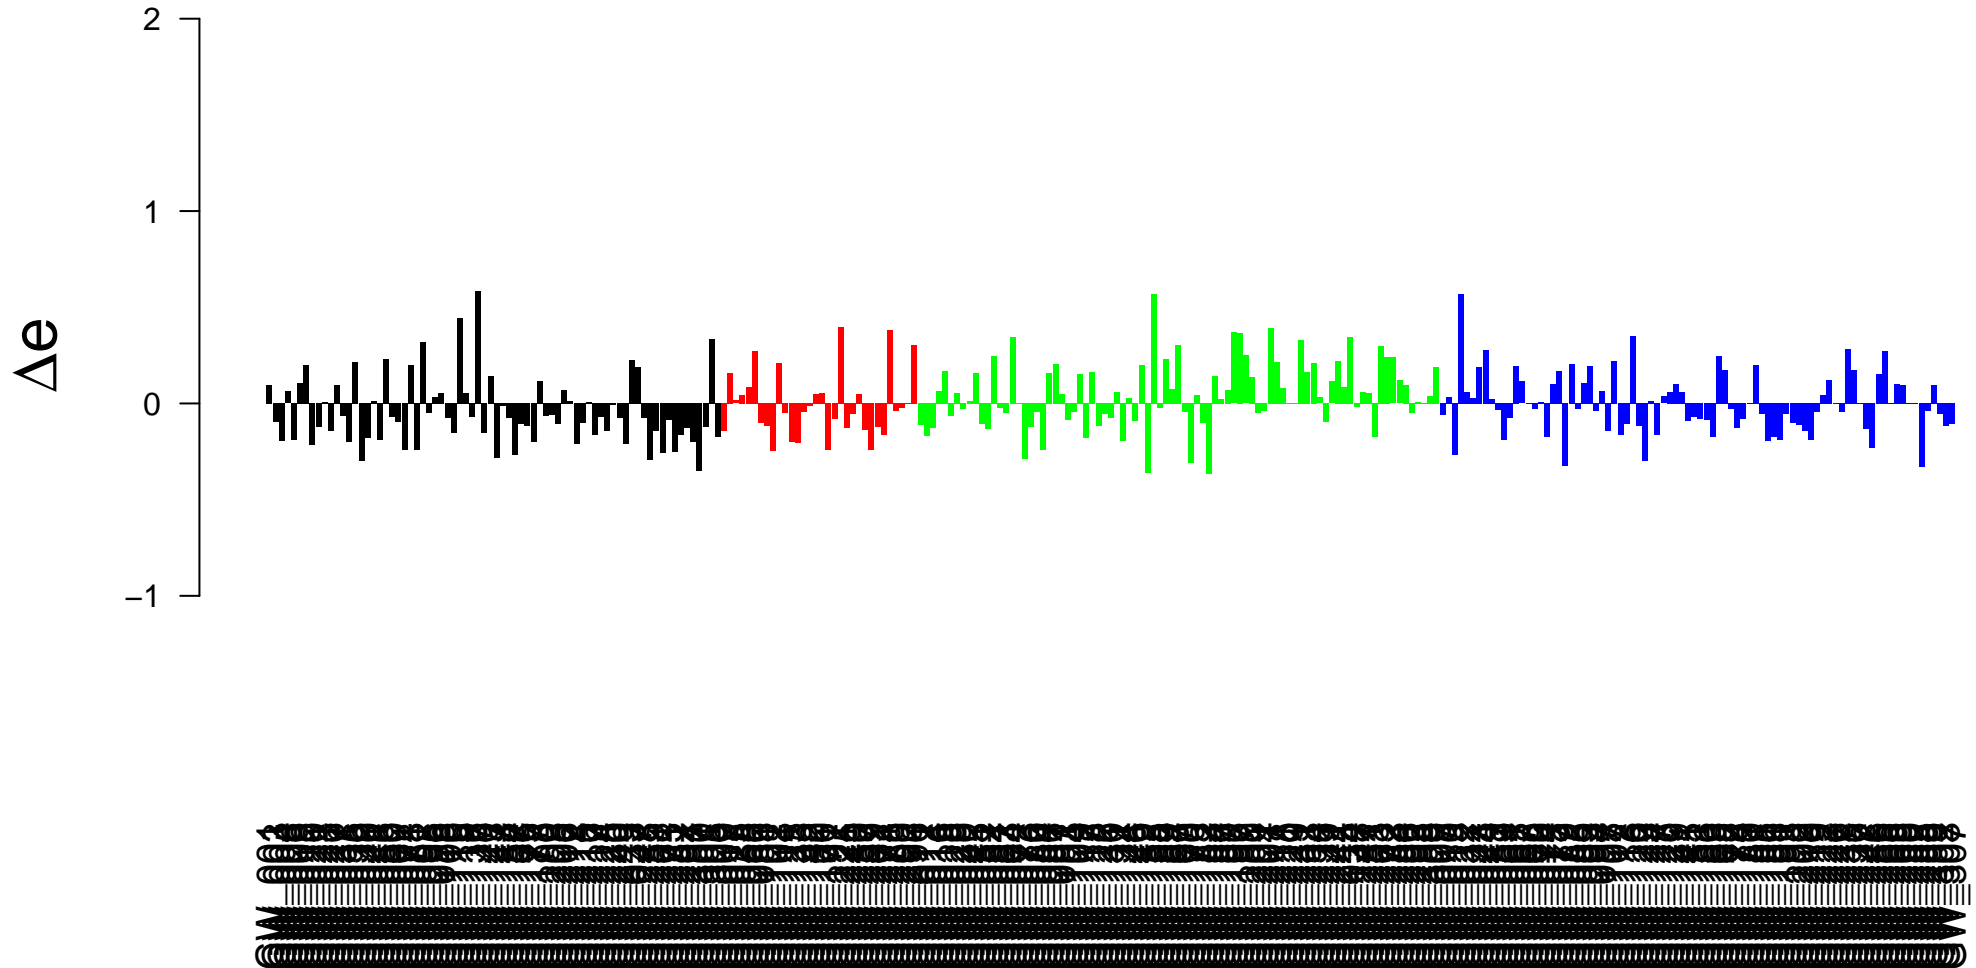

Expression of protein homooligomerization in Spot K

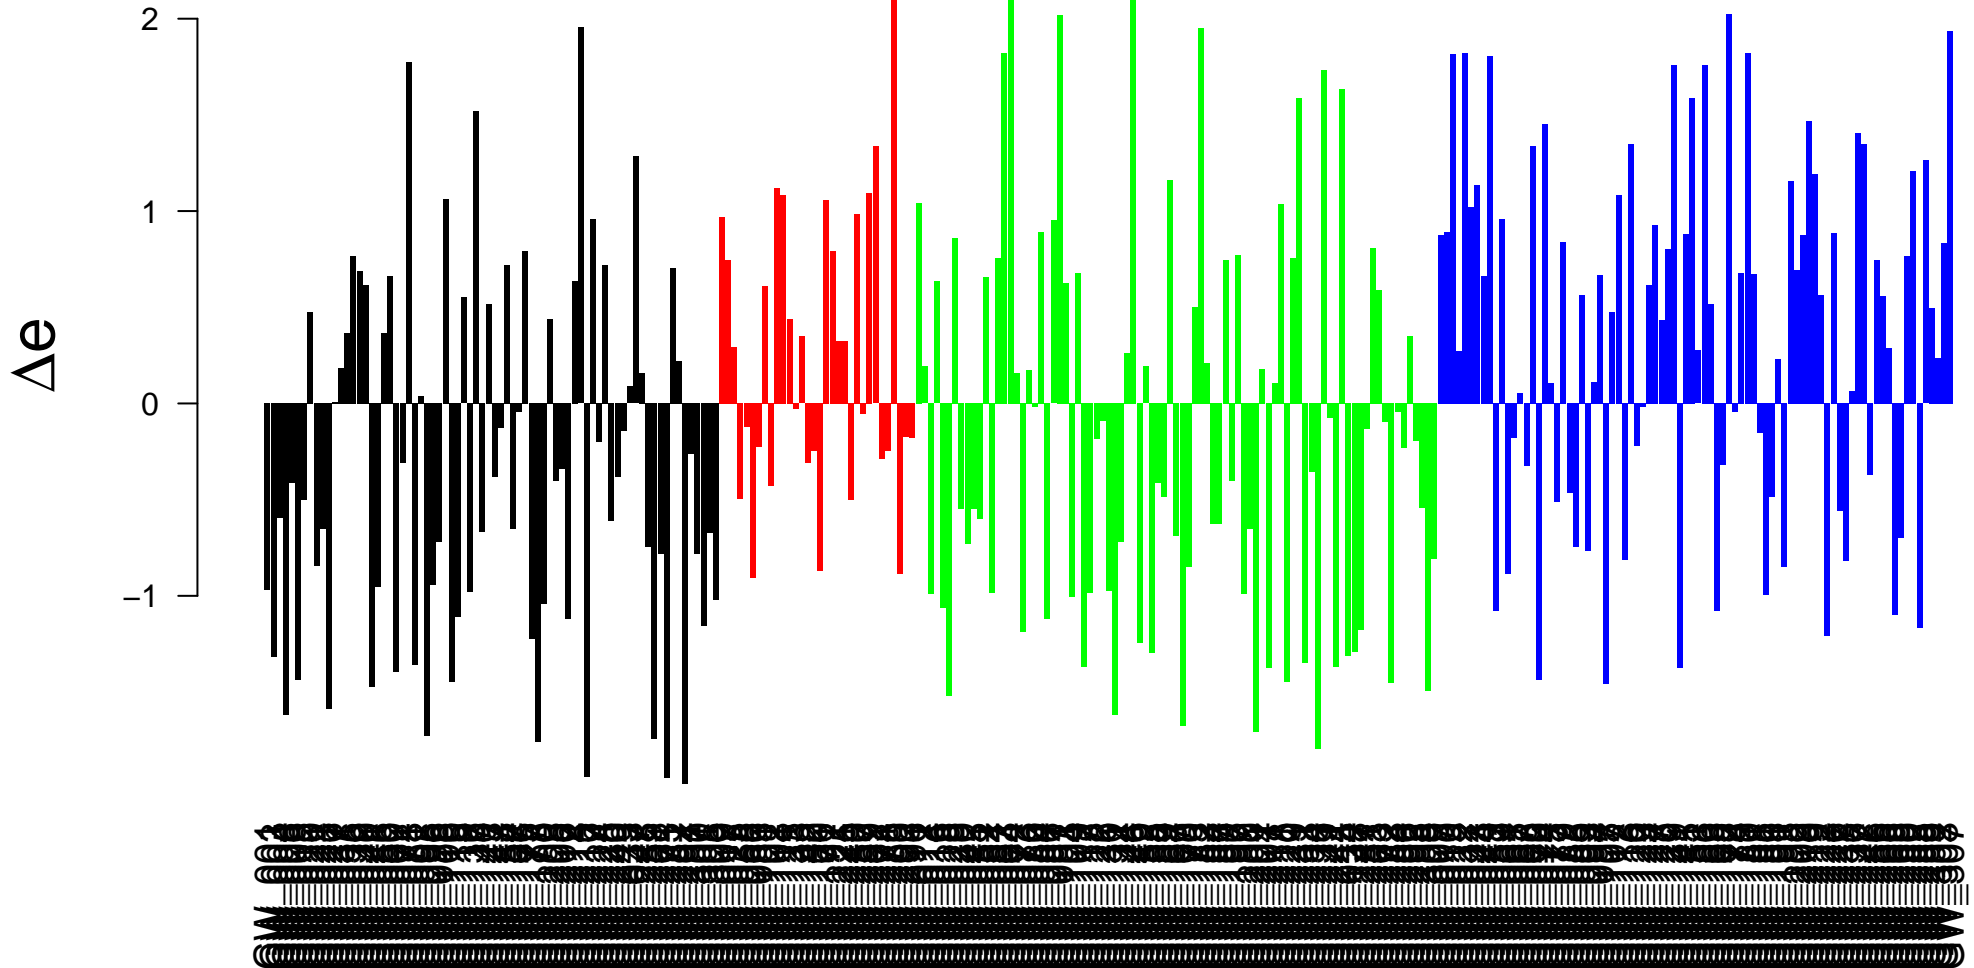

Expression of protein homooligomerization in Spot L

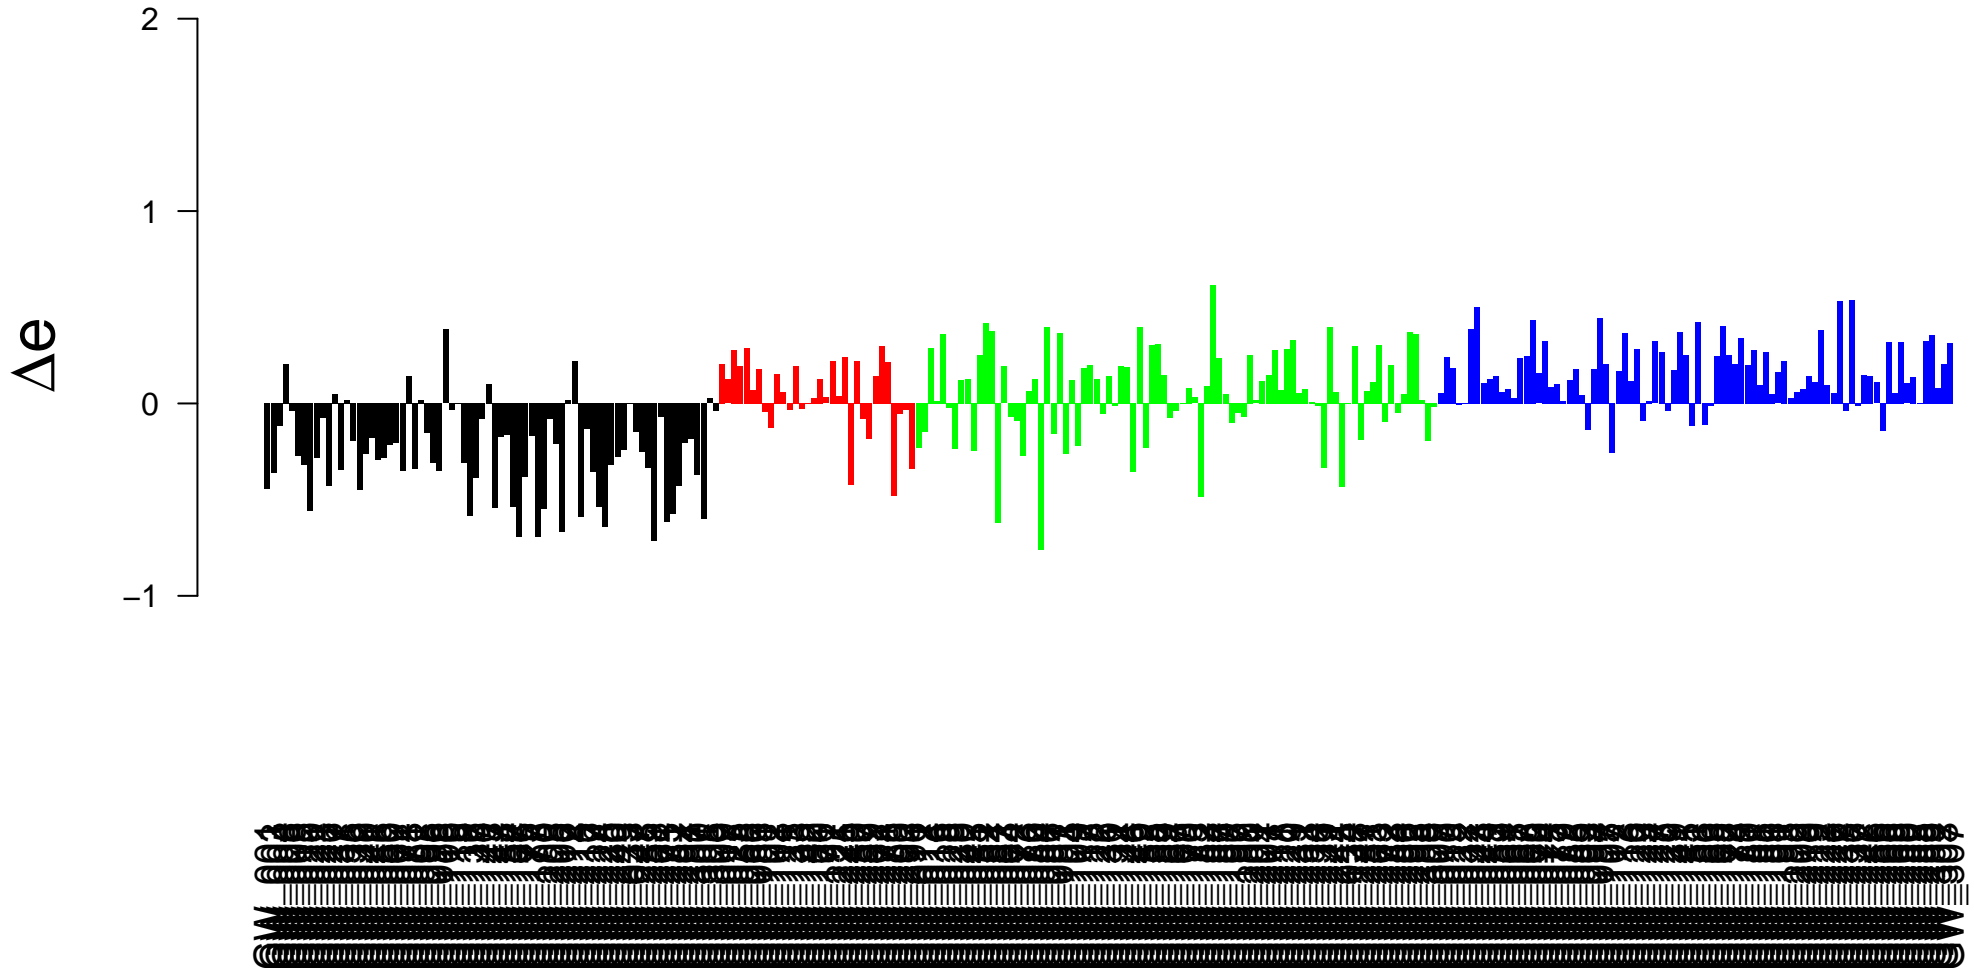

Expression of protein homooligomerization in Spot M

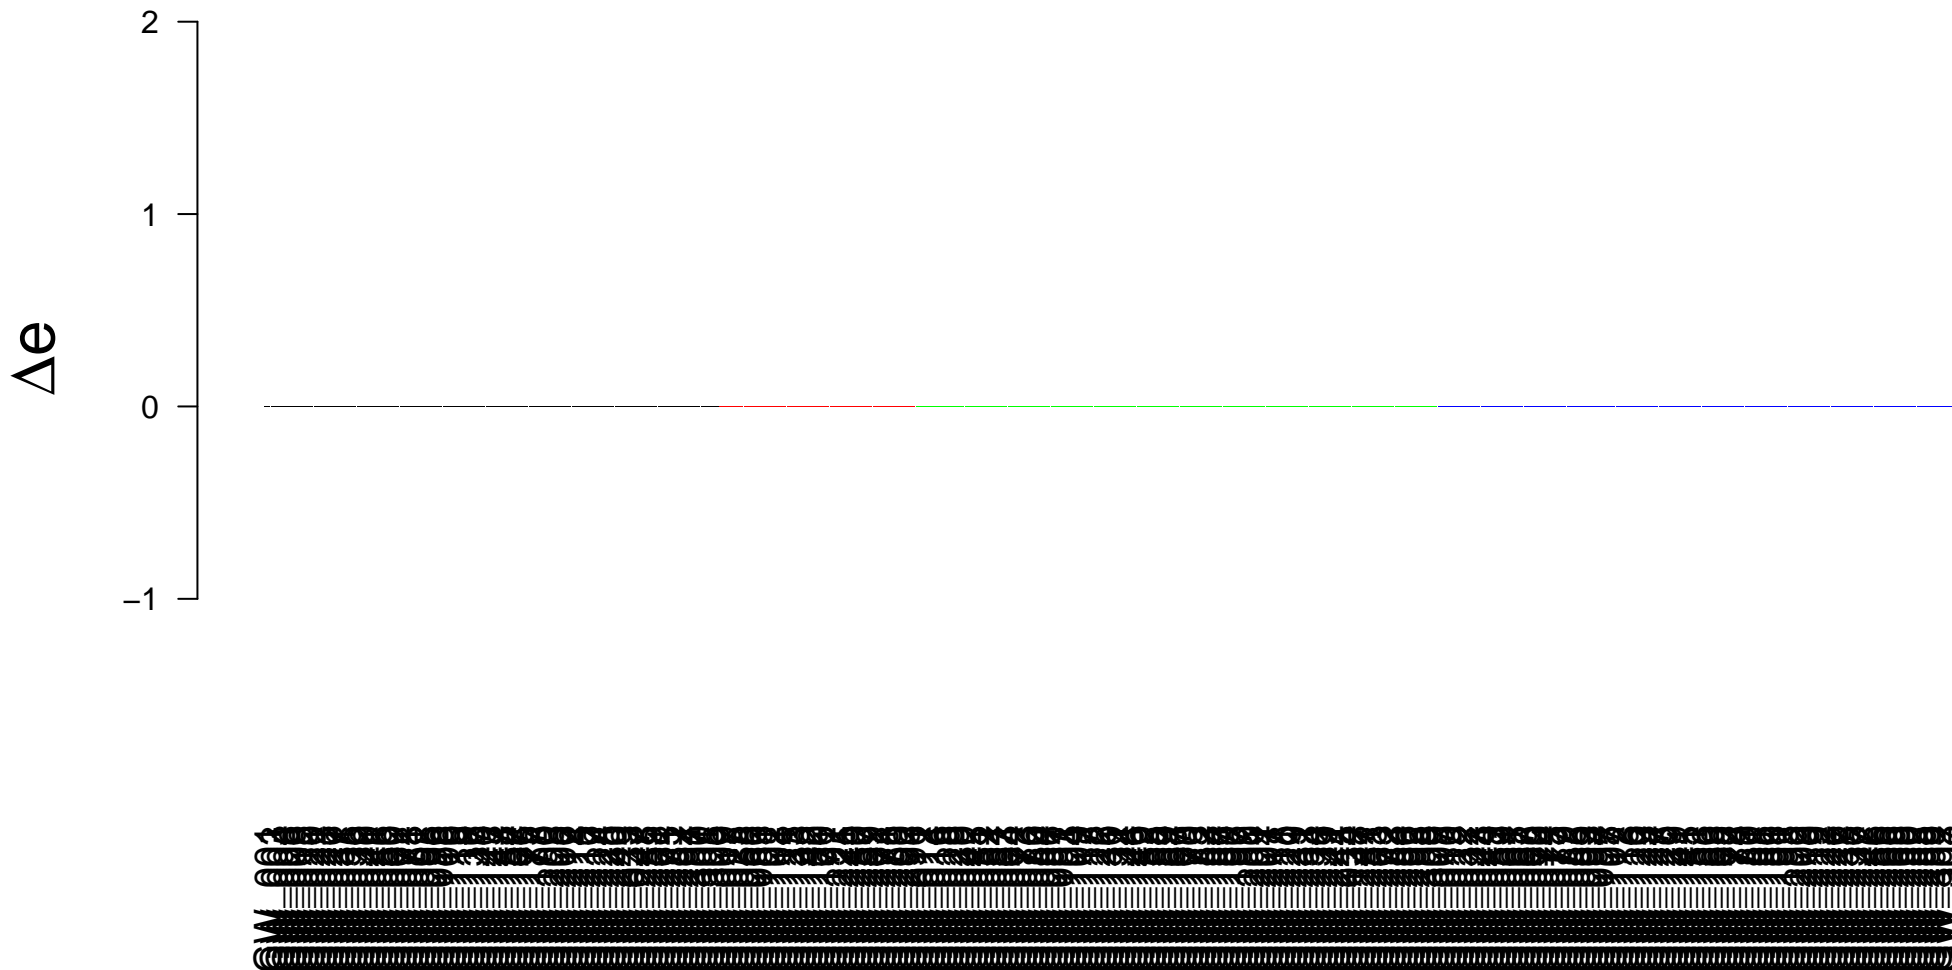

Expression of protein homooligomerization in Spot N

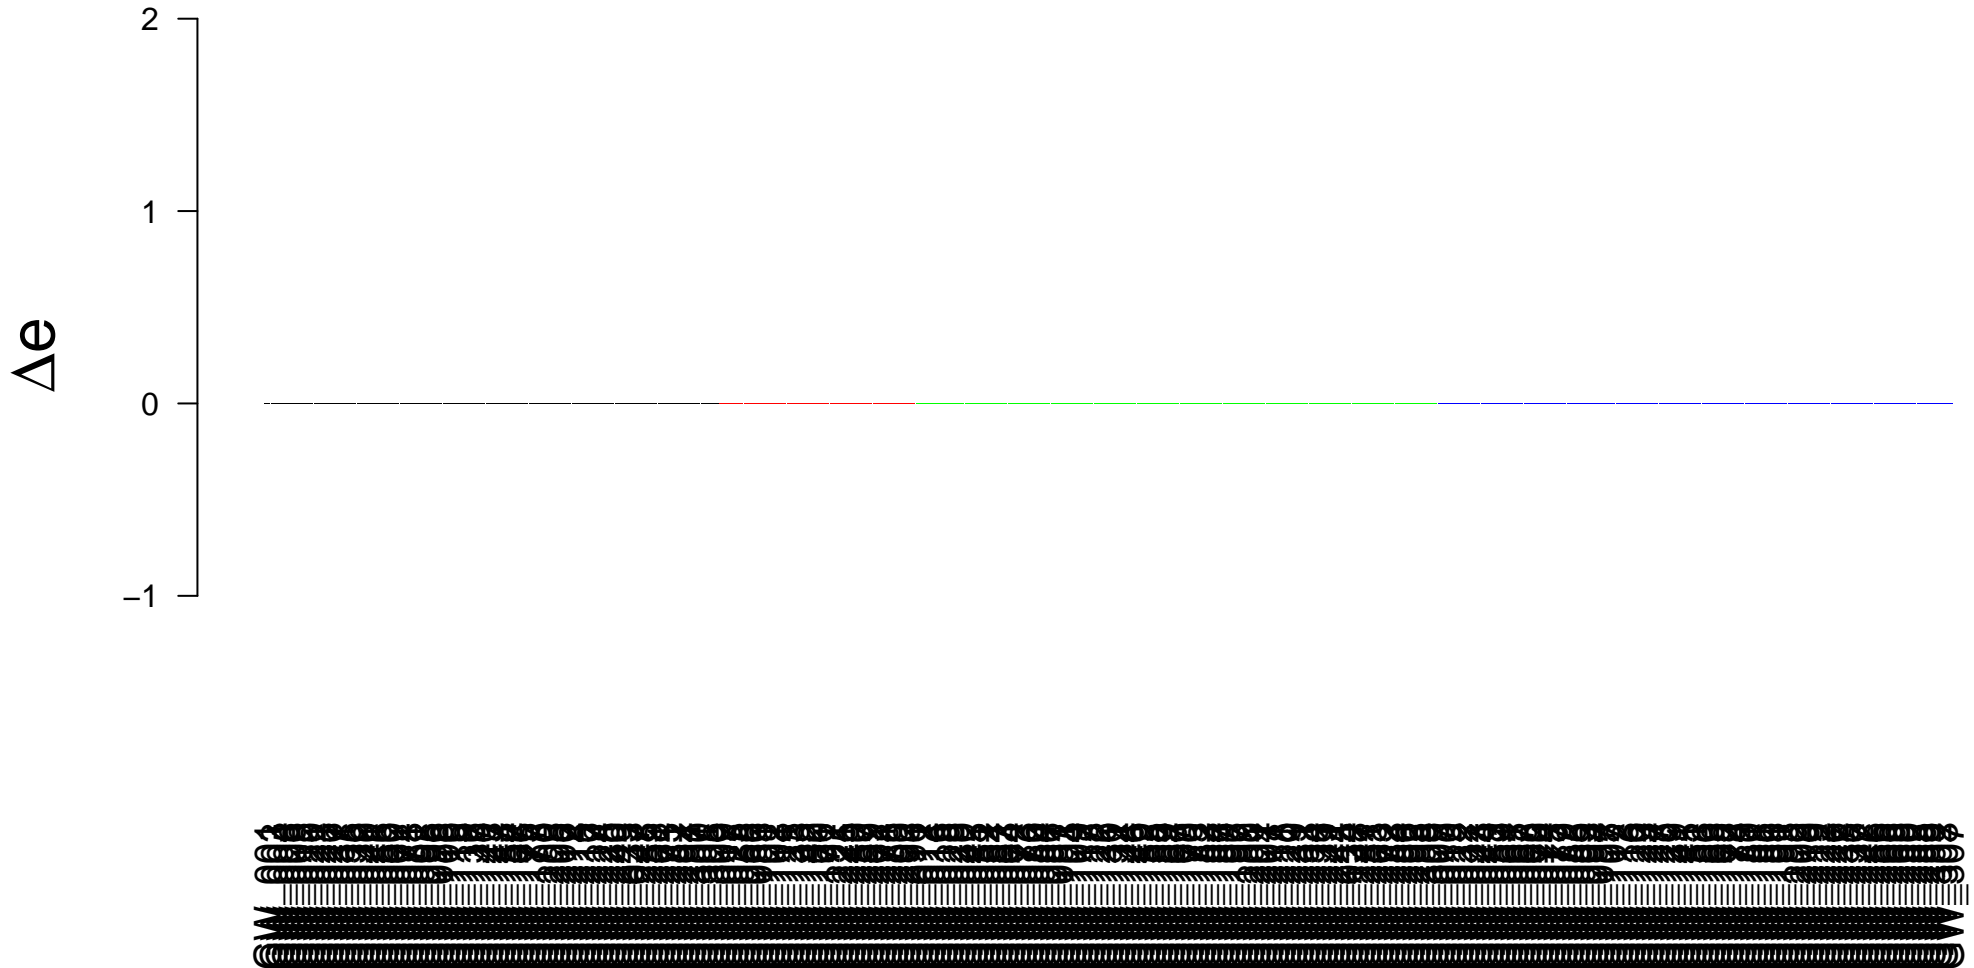

Expression of protein homooligomerization in Spot O

Expression of protein homooligomerization in Spot P

Expression of protein homooligomerization in Spot Q

Expression of protein homooligomerization in Spot R
