

protein kinase B signaling

protein kinase B signaling

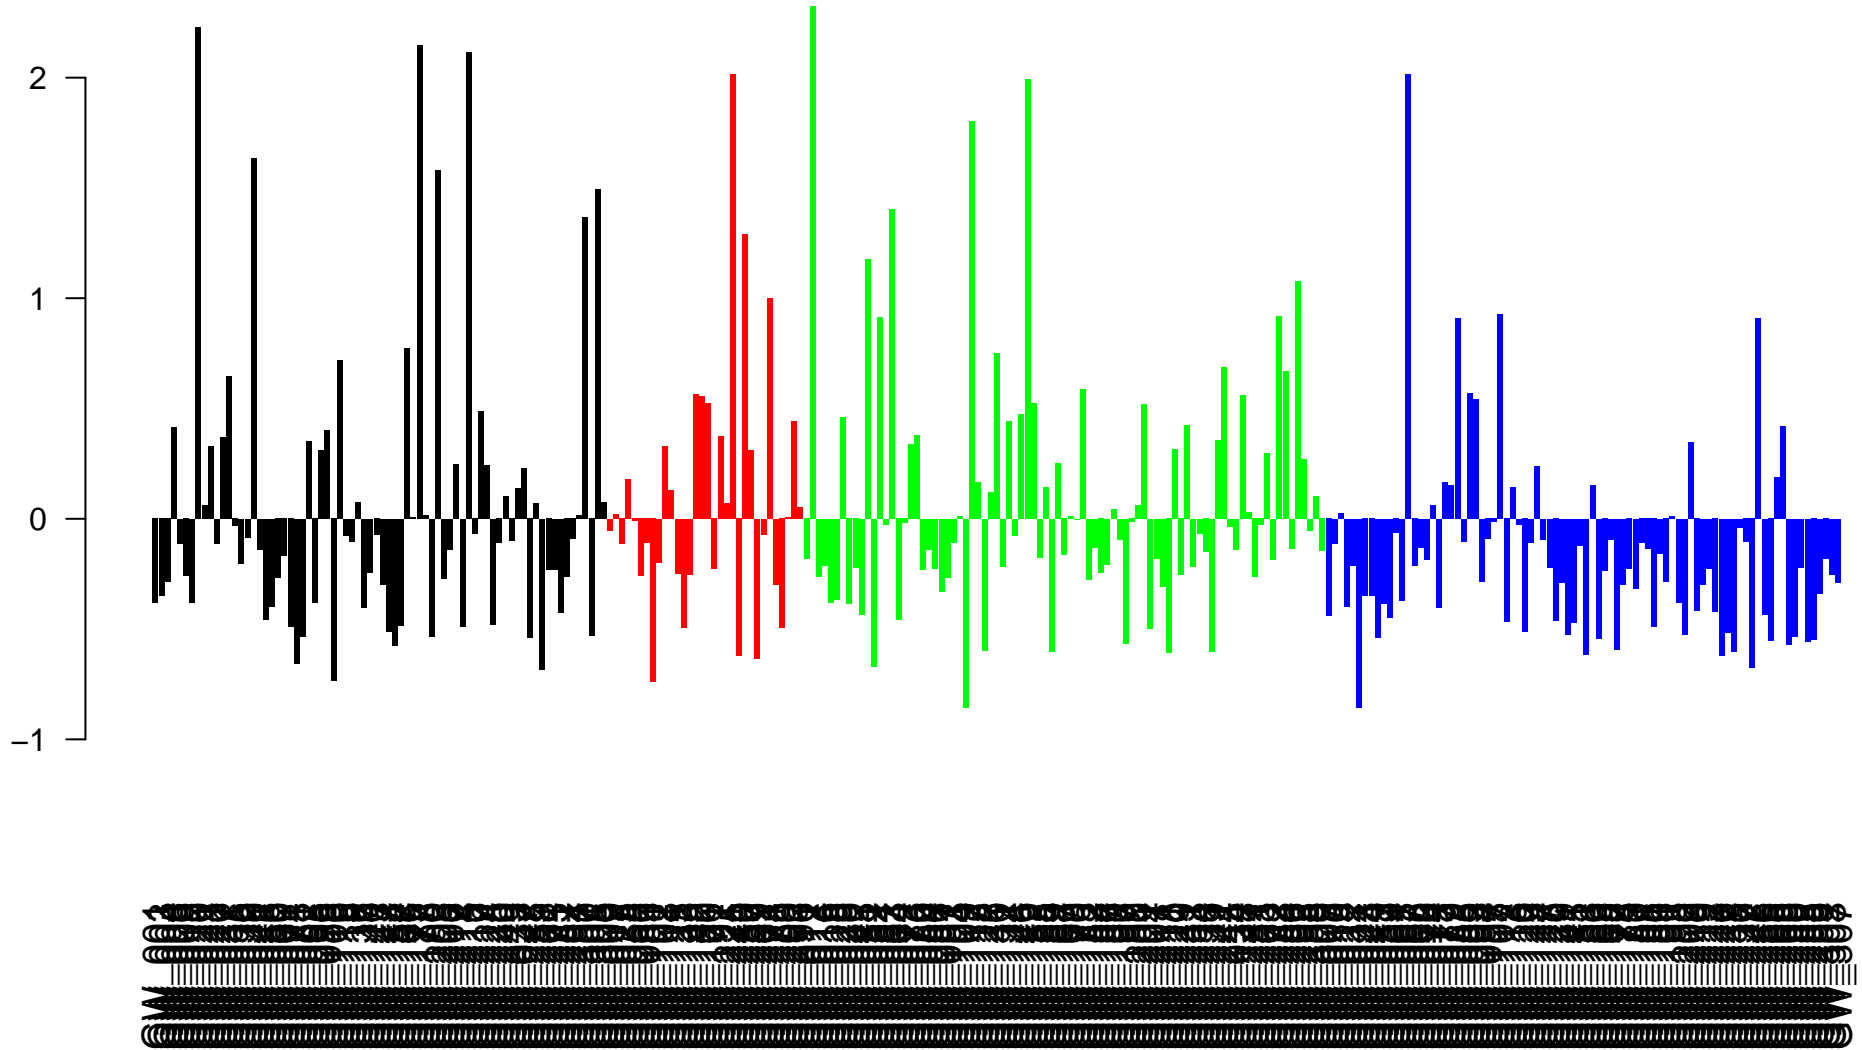

Enrichment in spots: protein kinase B signaling

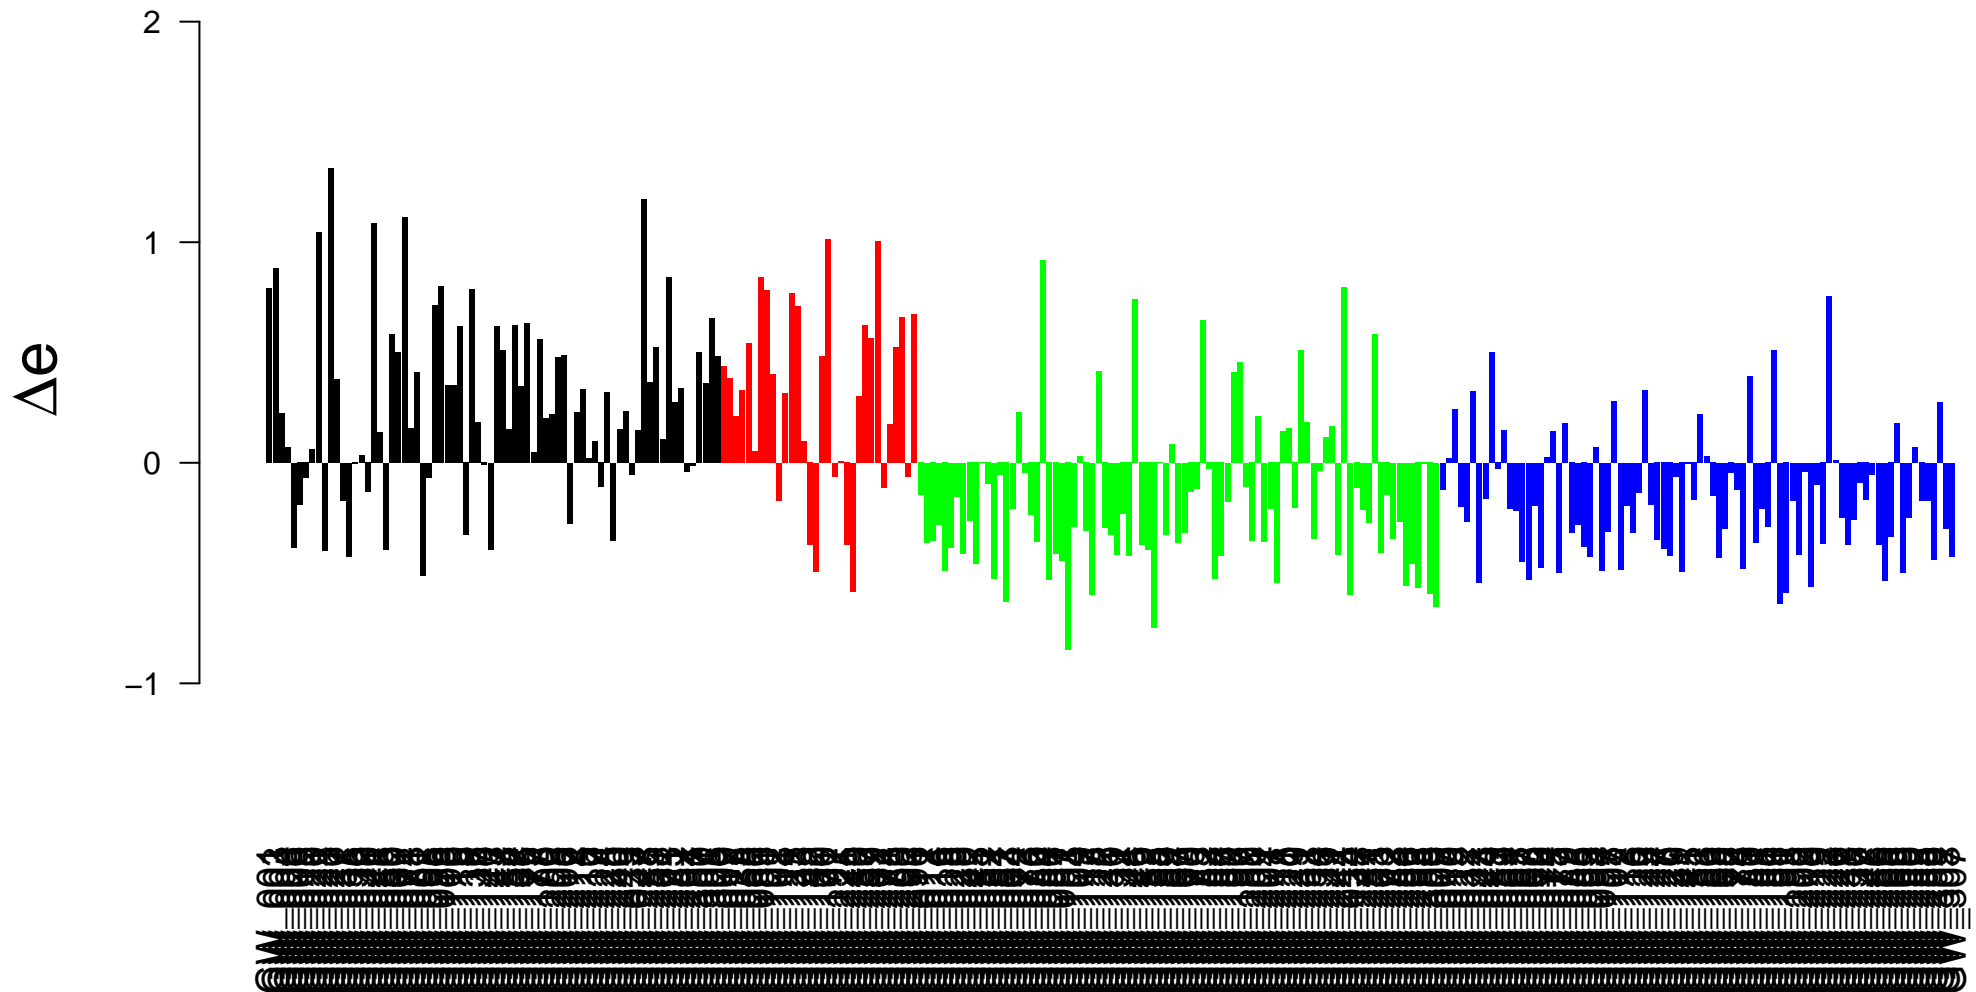

Expression of protein kinase B signaling in Spot A

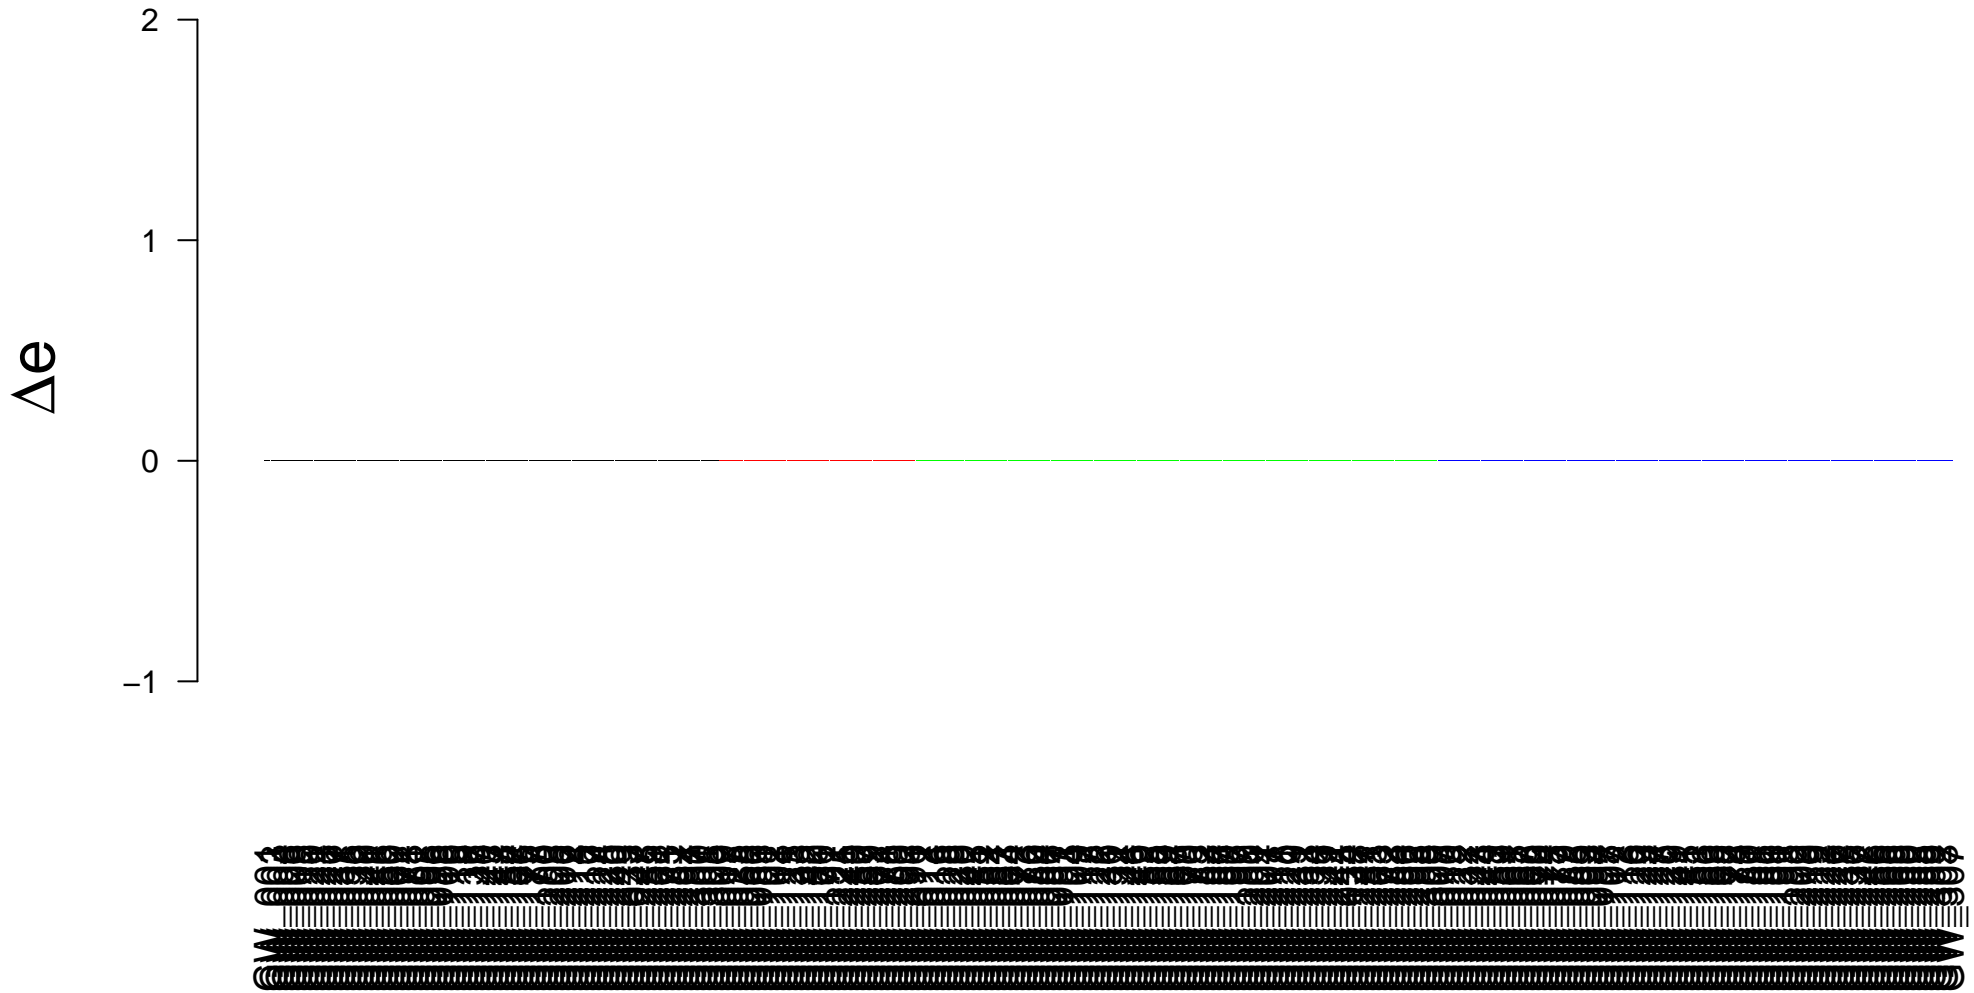

Δe

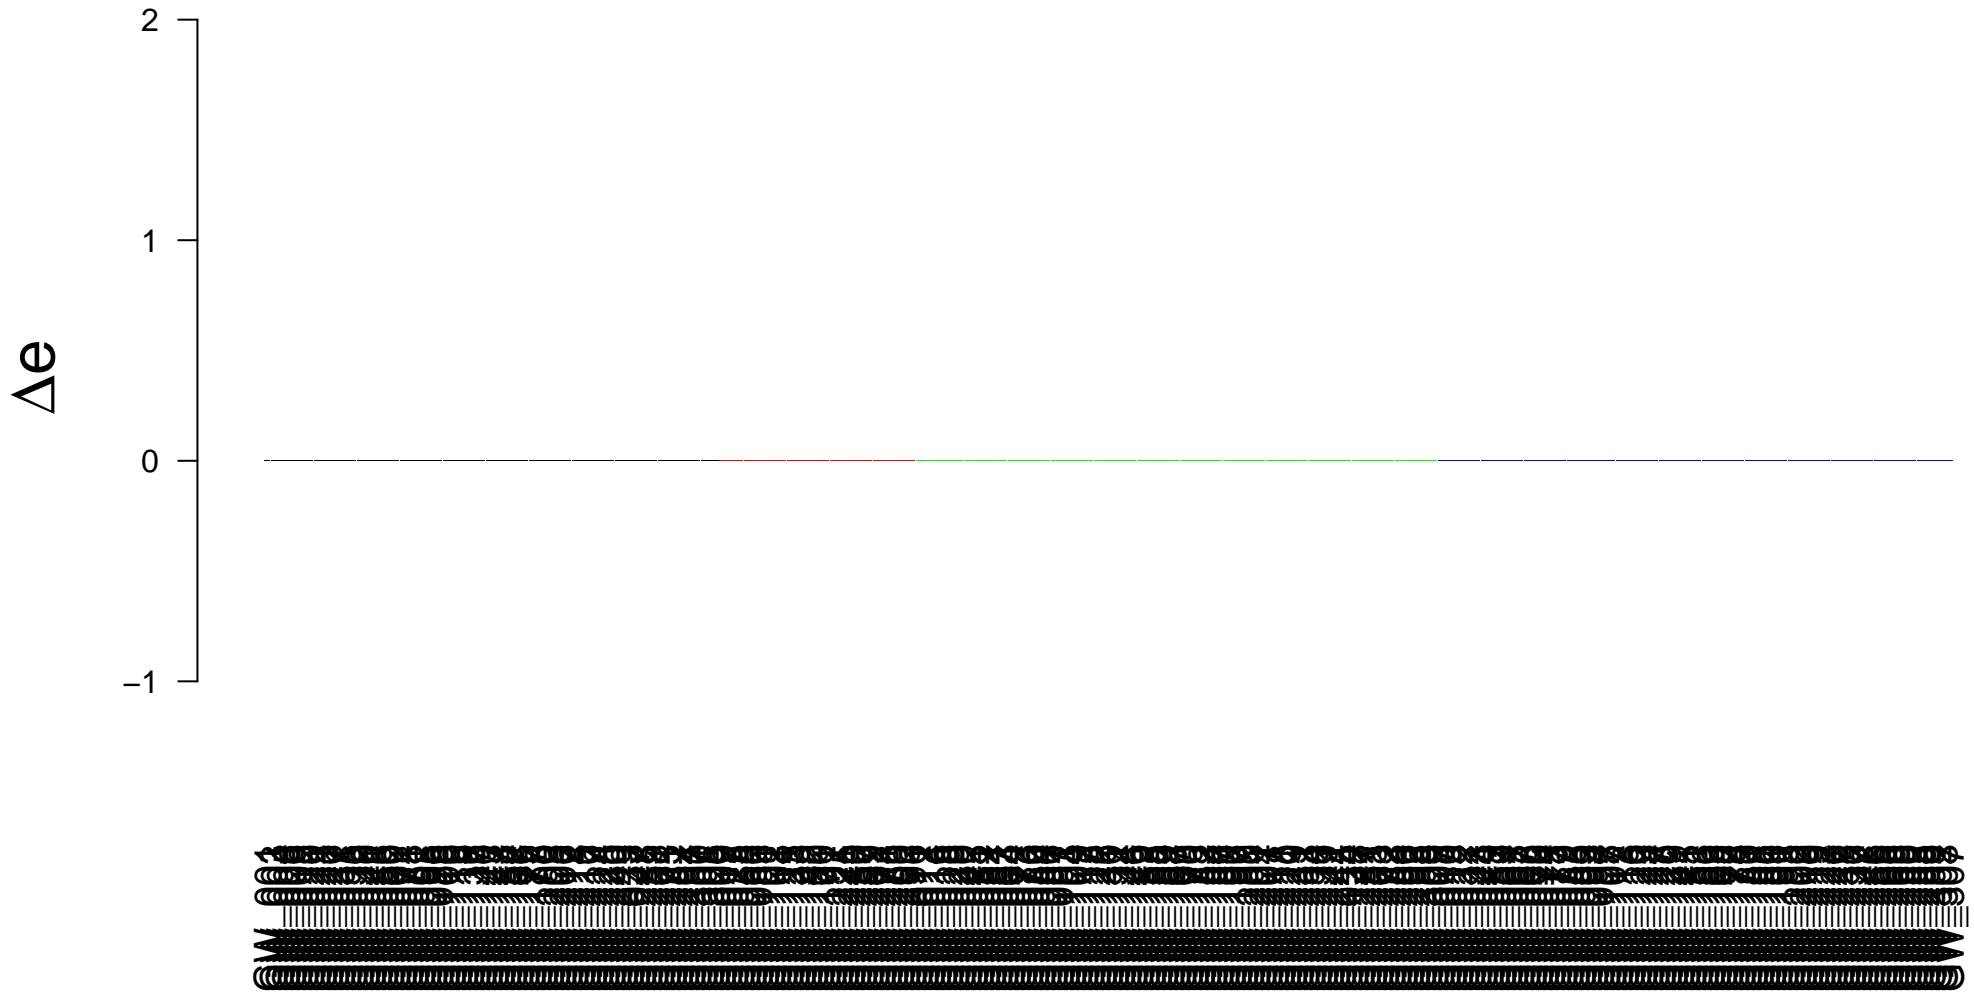

Expression of protein kinase B signaling in Spot B

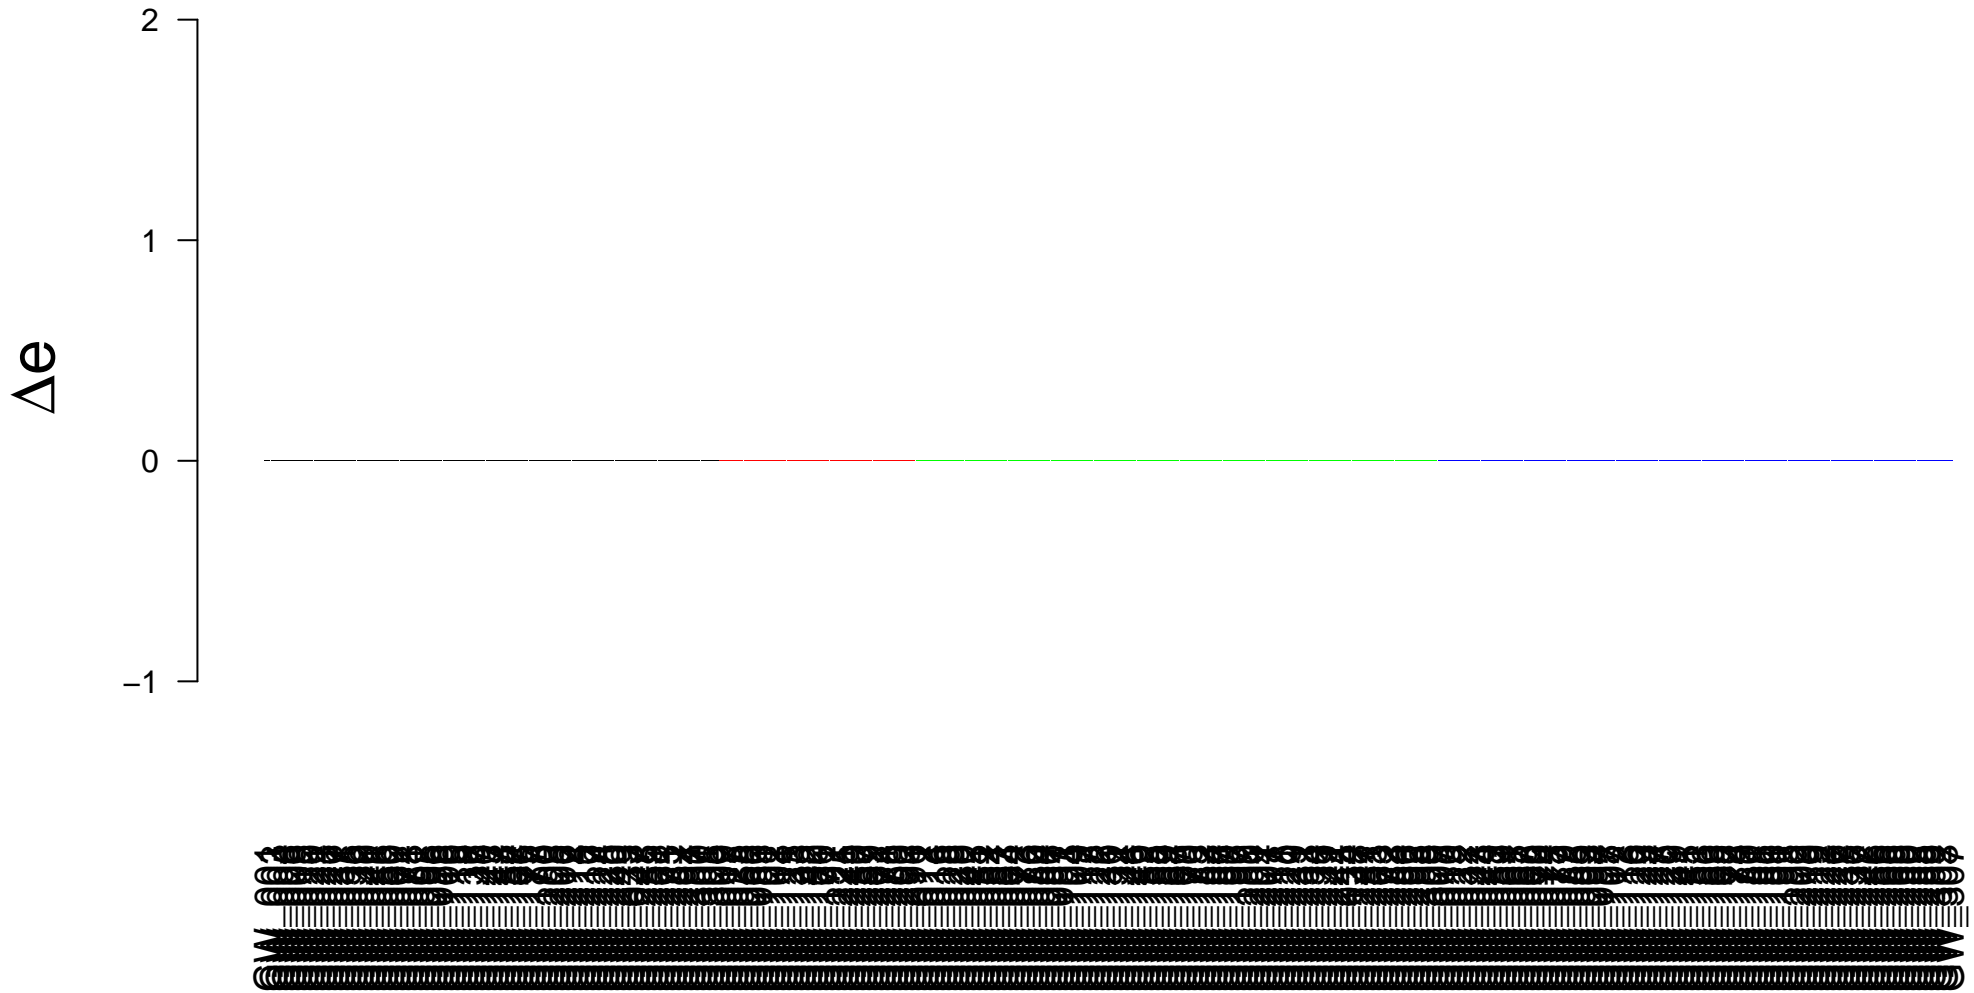

Expression of protein kinase B signaling in Spot C

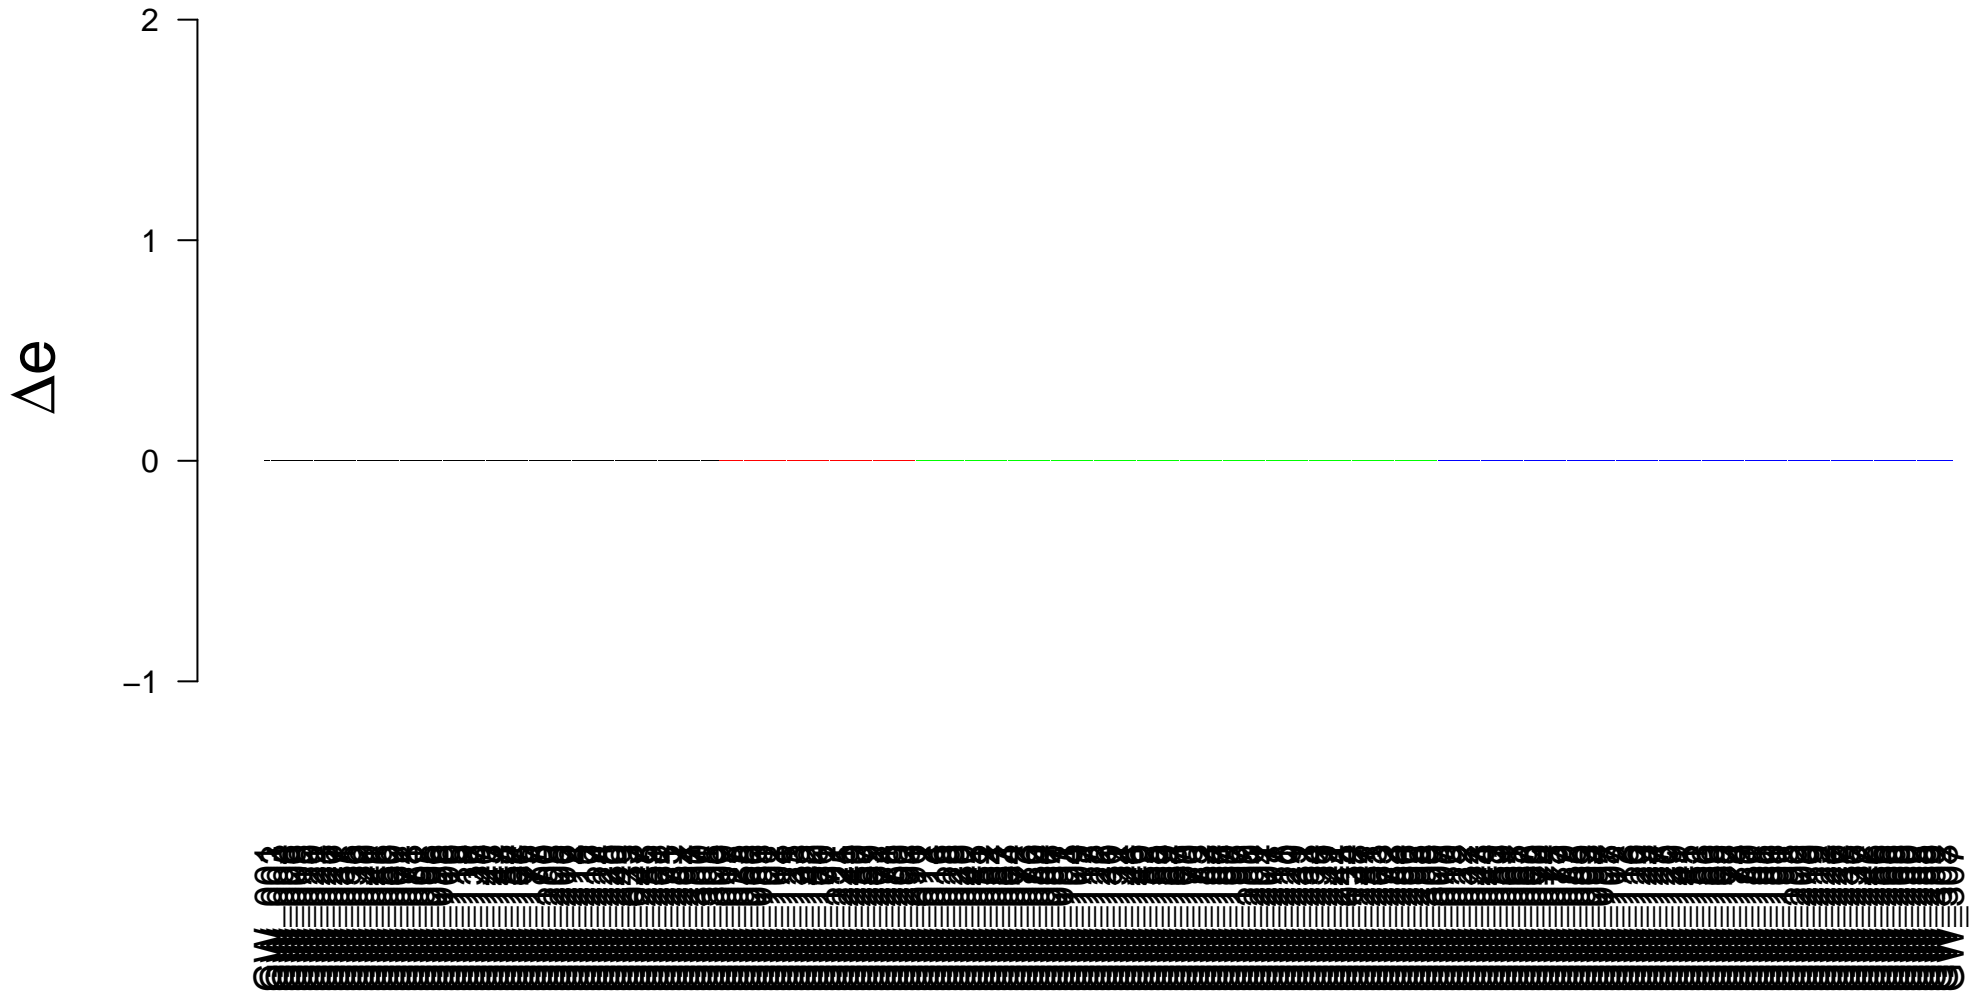

Expression of protein kinase B signaling in Spot D

Expression of protein kinase B signaling in Spot E

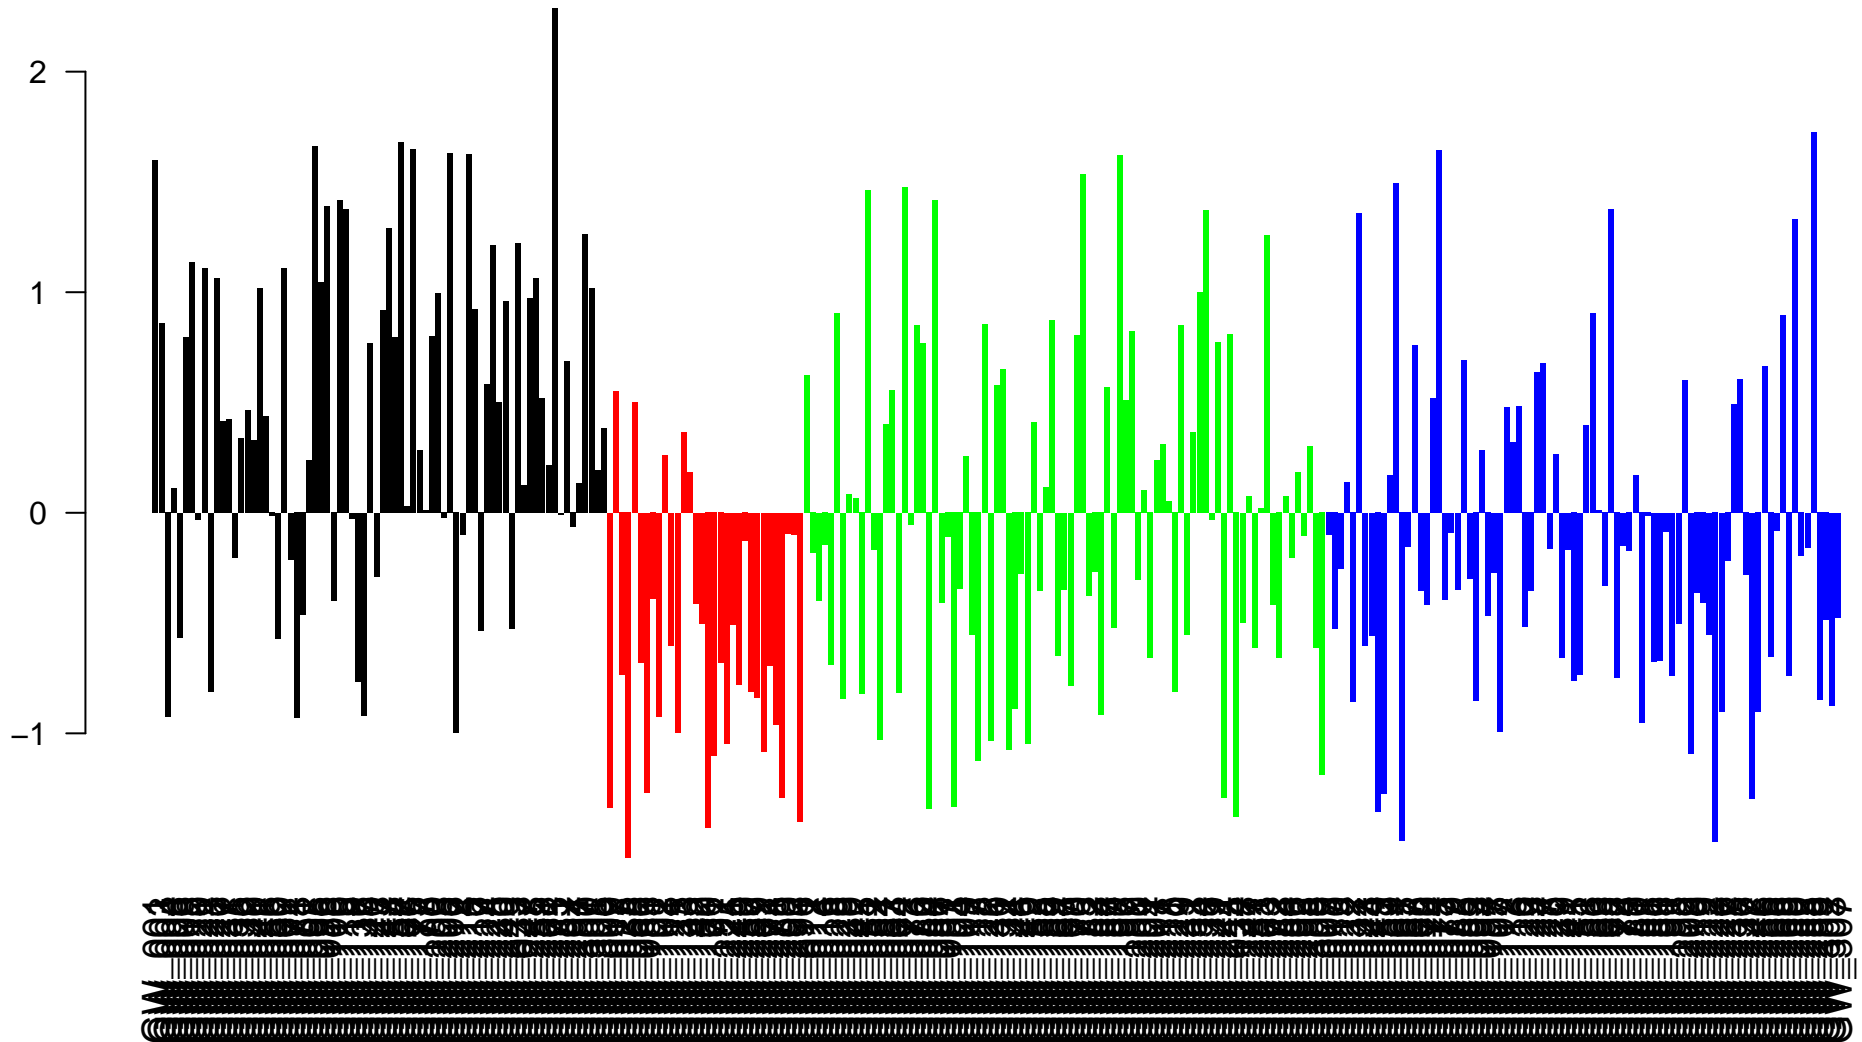

Expression of protein kinase B signaling in Spot F

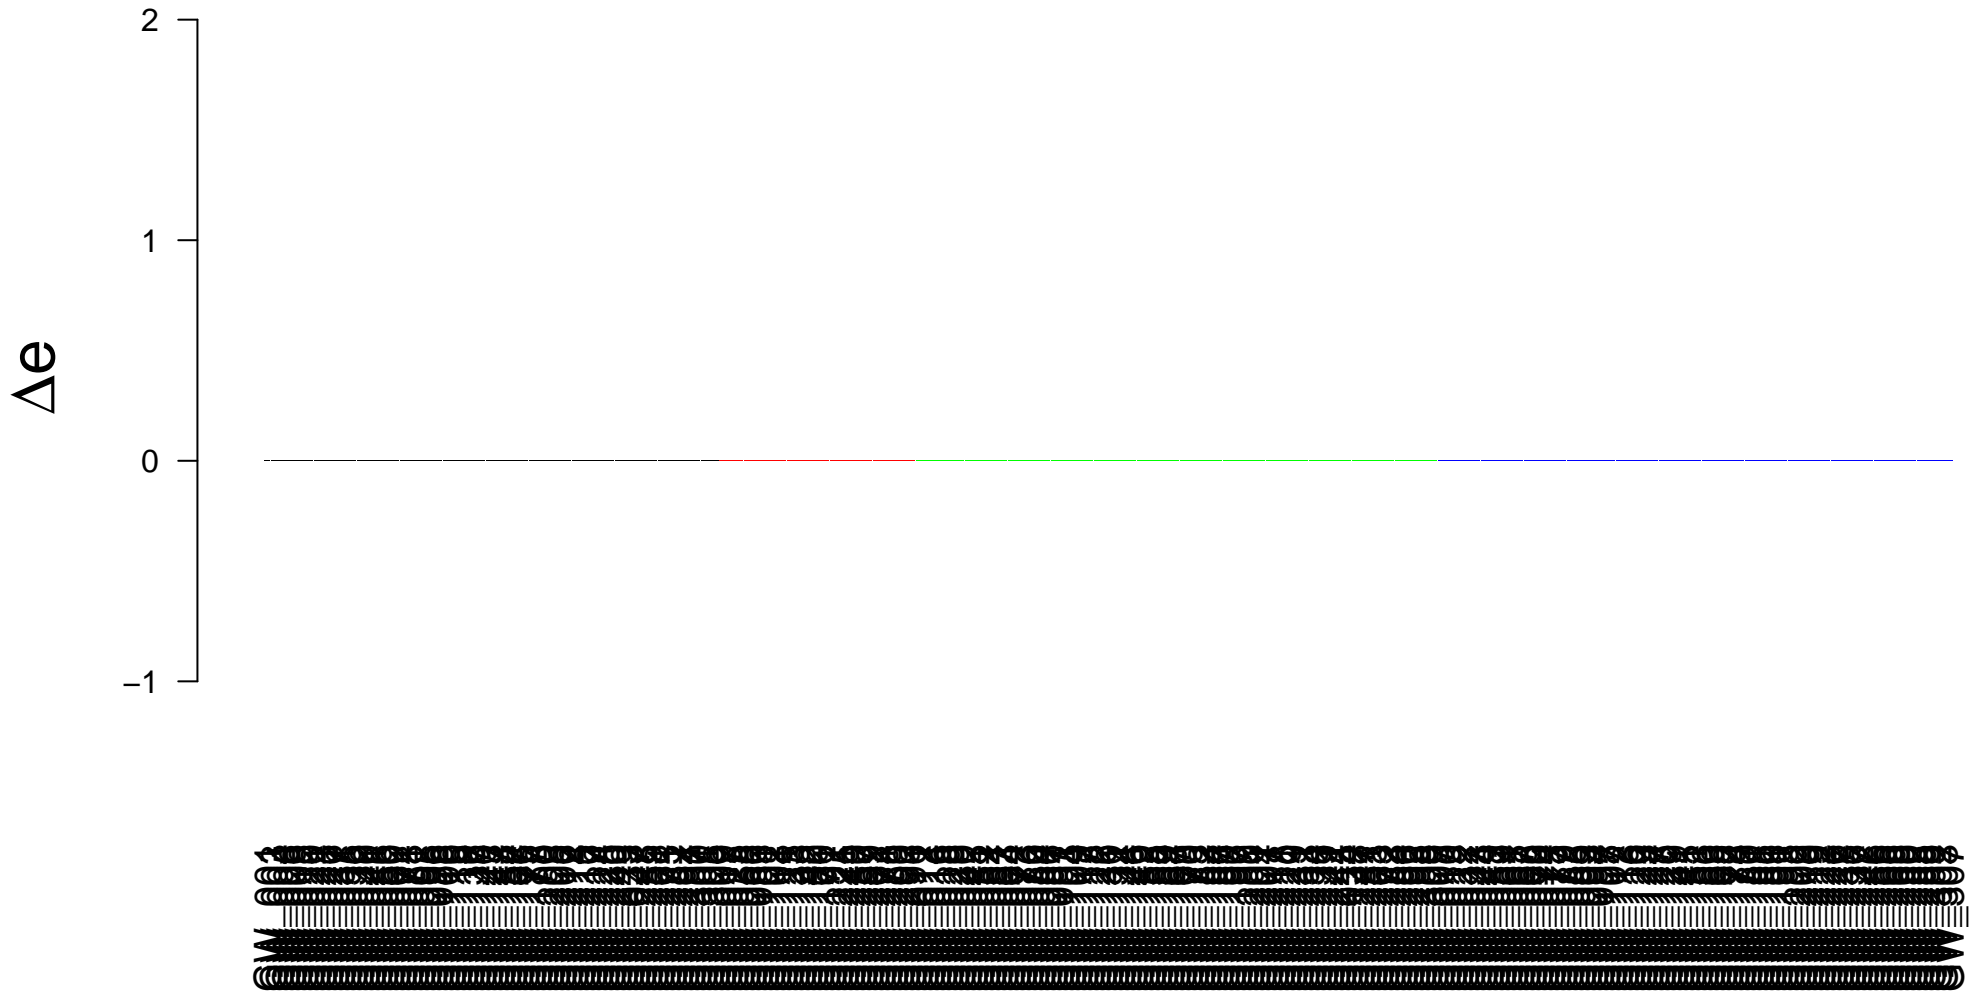

Expression of protein kinase B signaling in Spot G

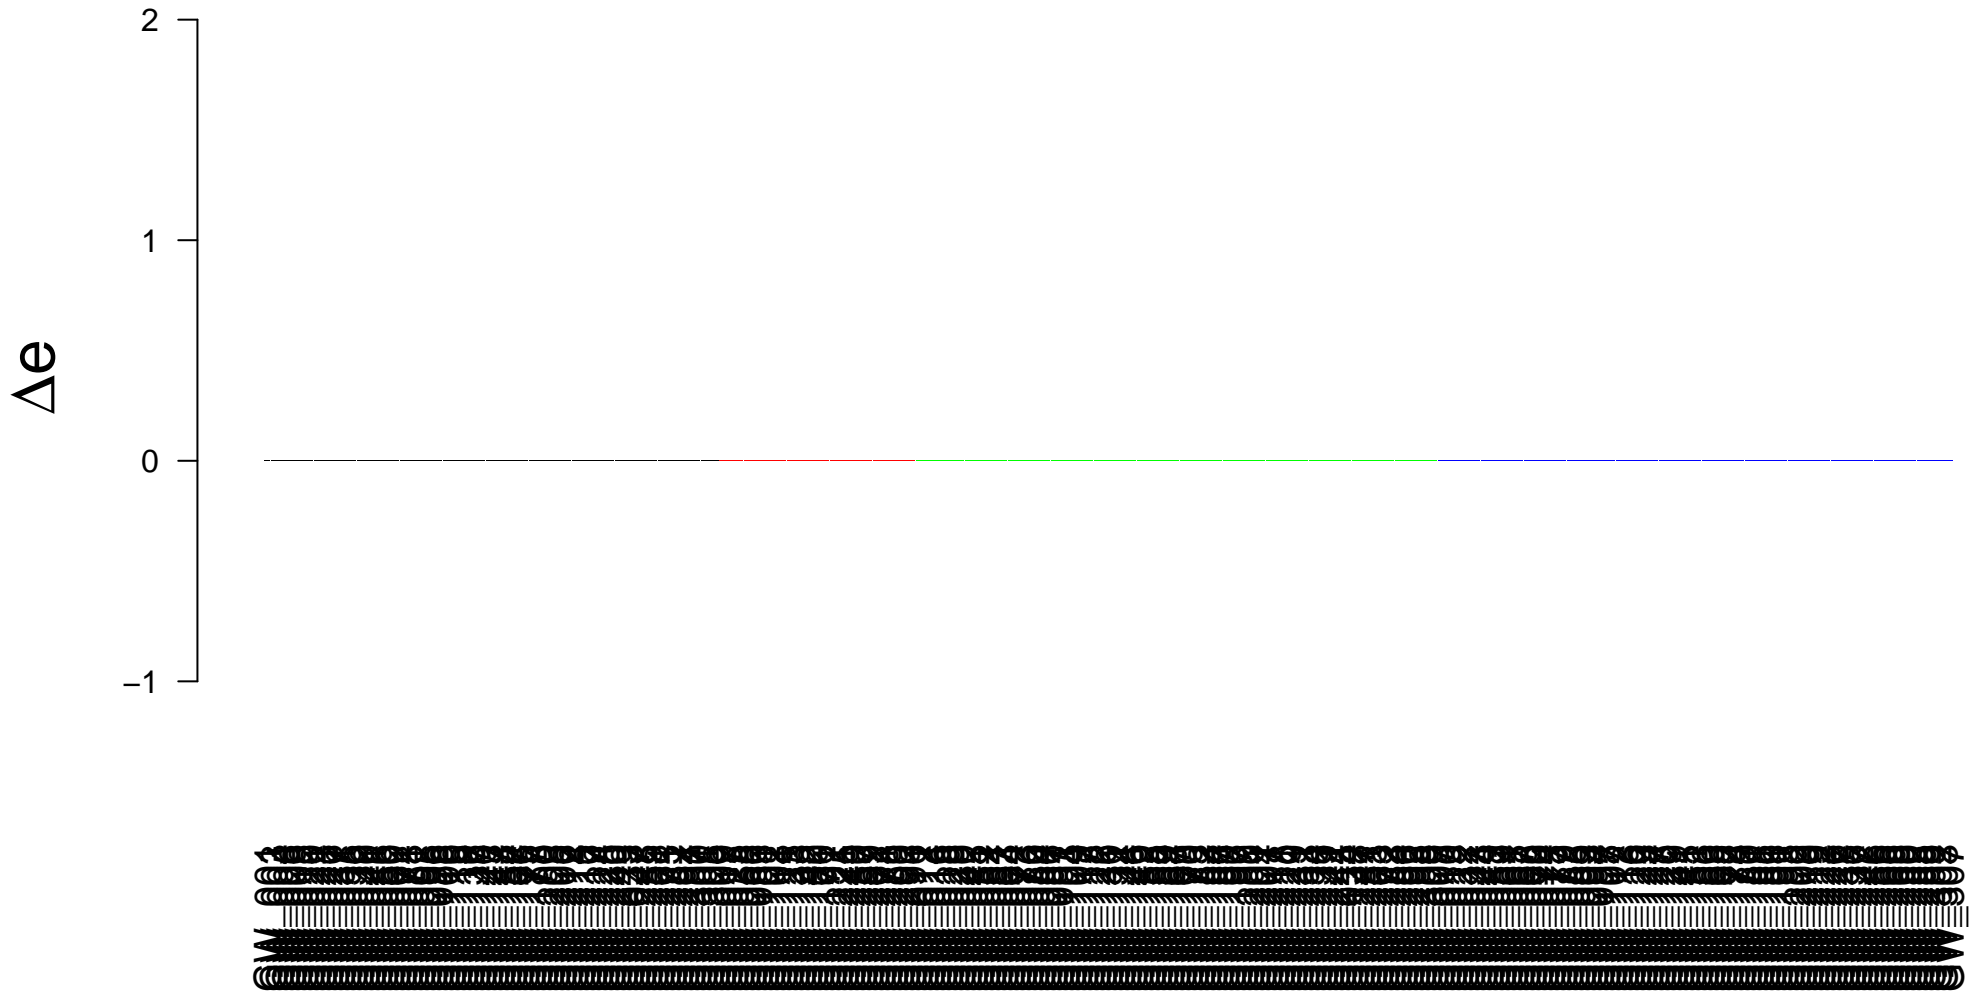

Δe

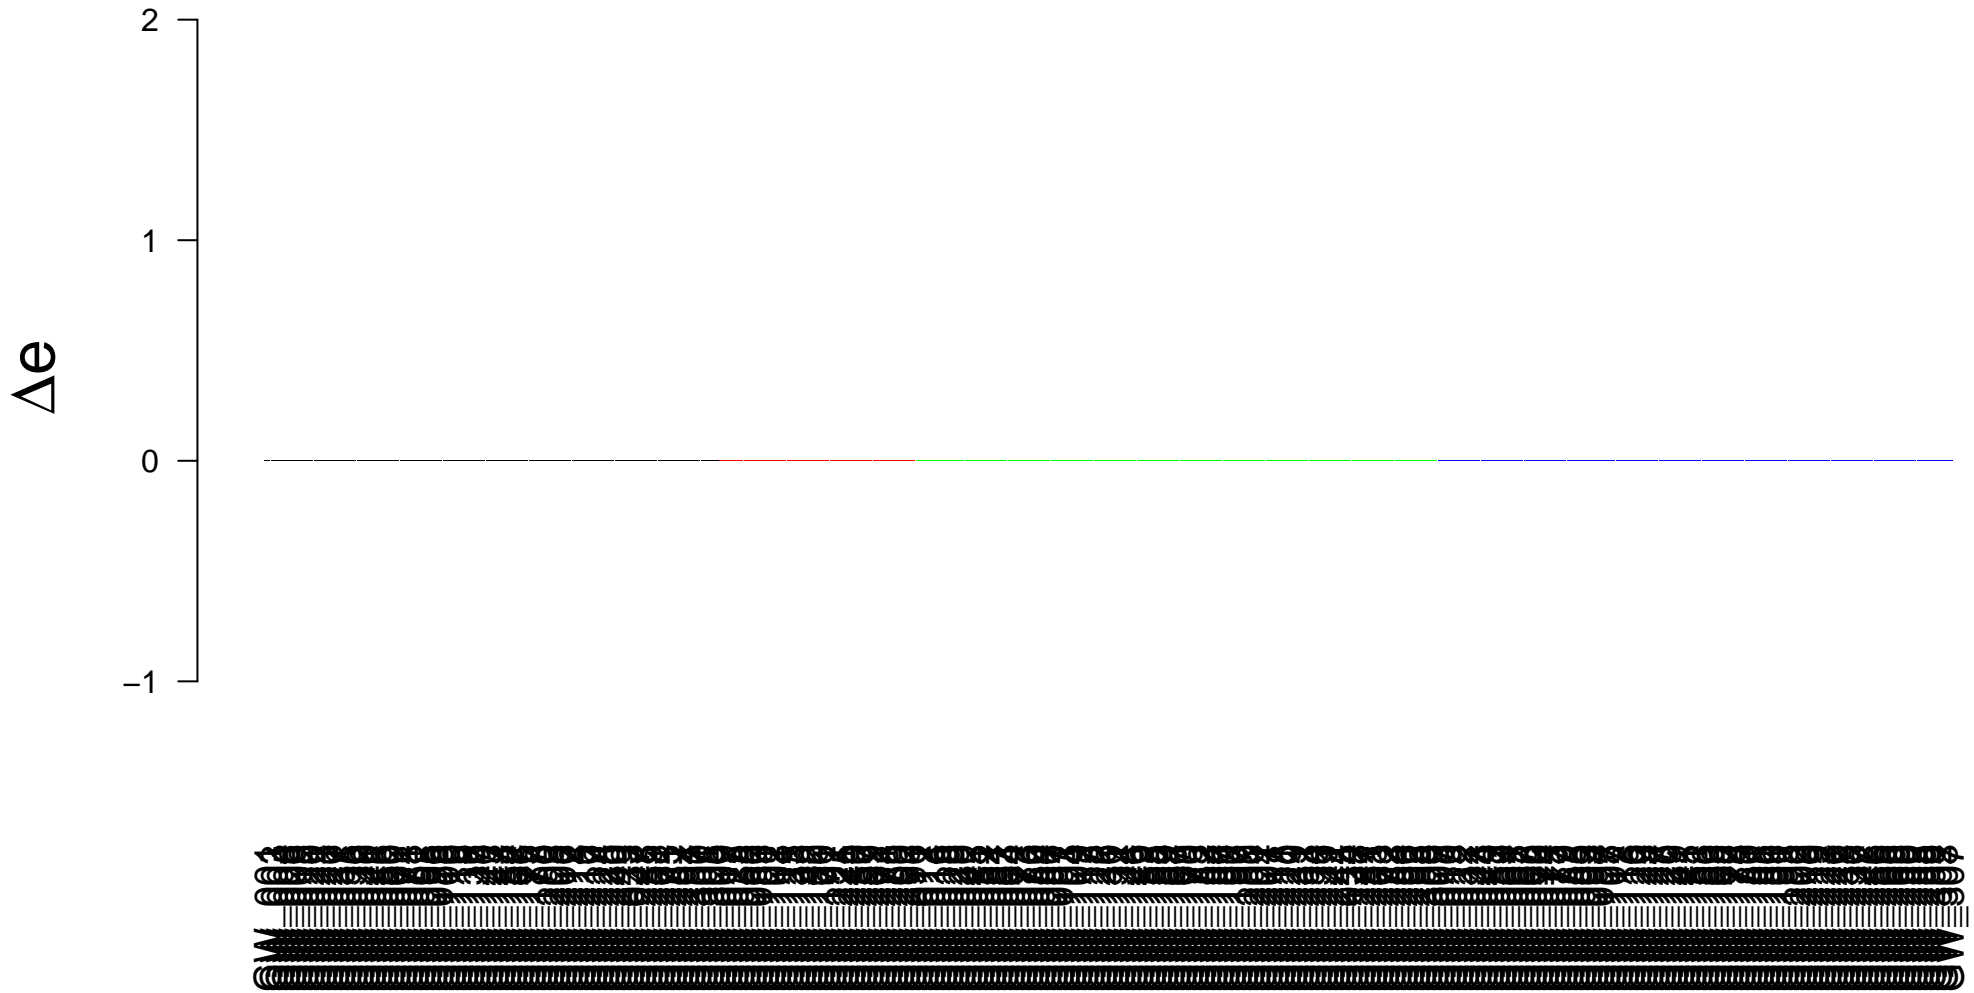

Expression of protein kinase B signaling in Spot H

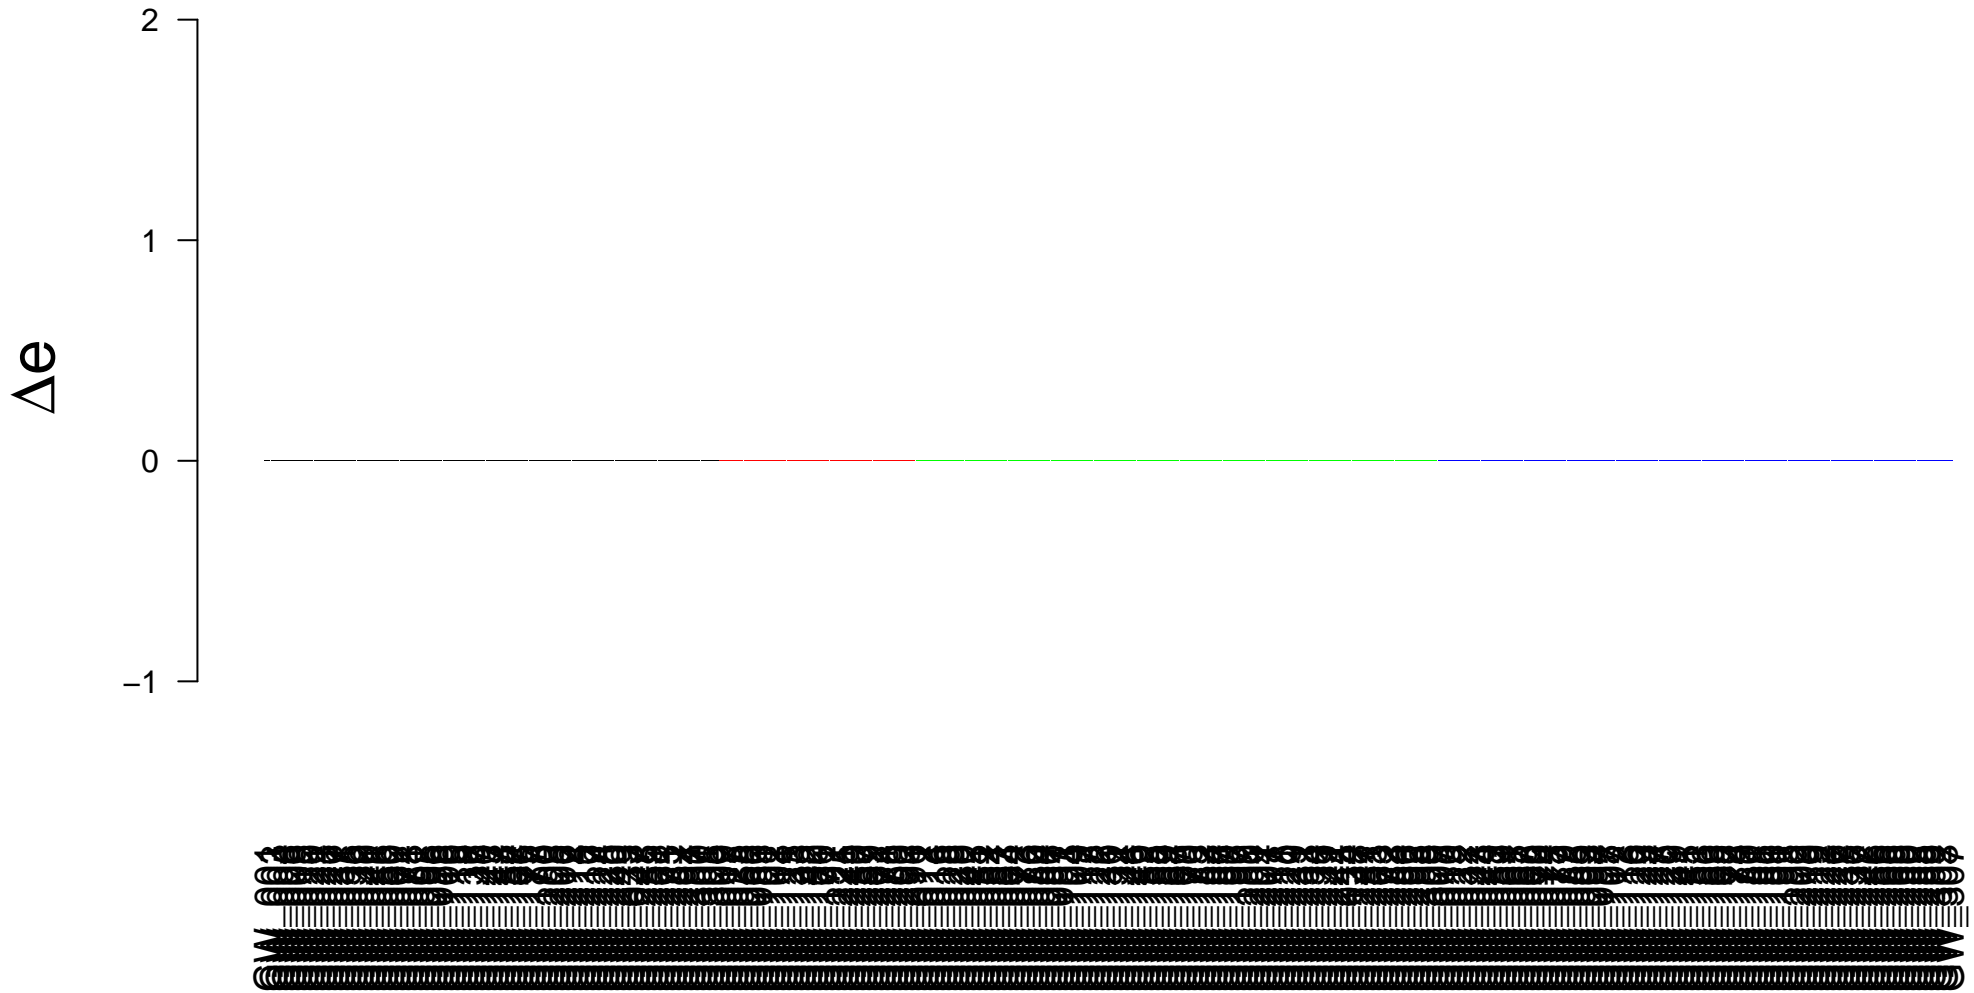

Expression of protein kinase B signaling in Spot I

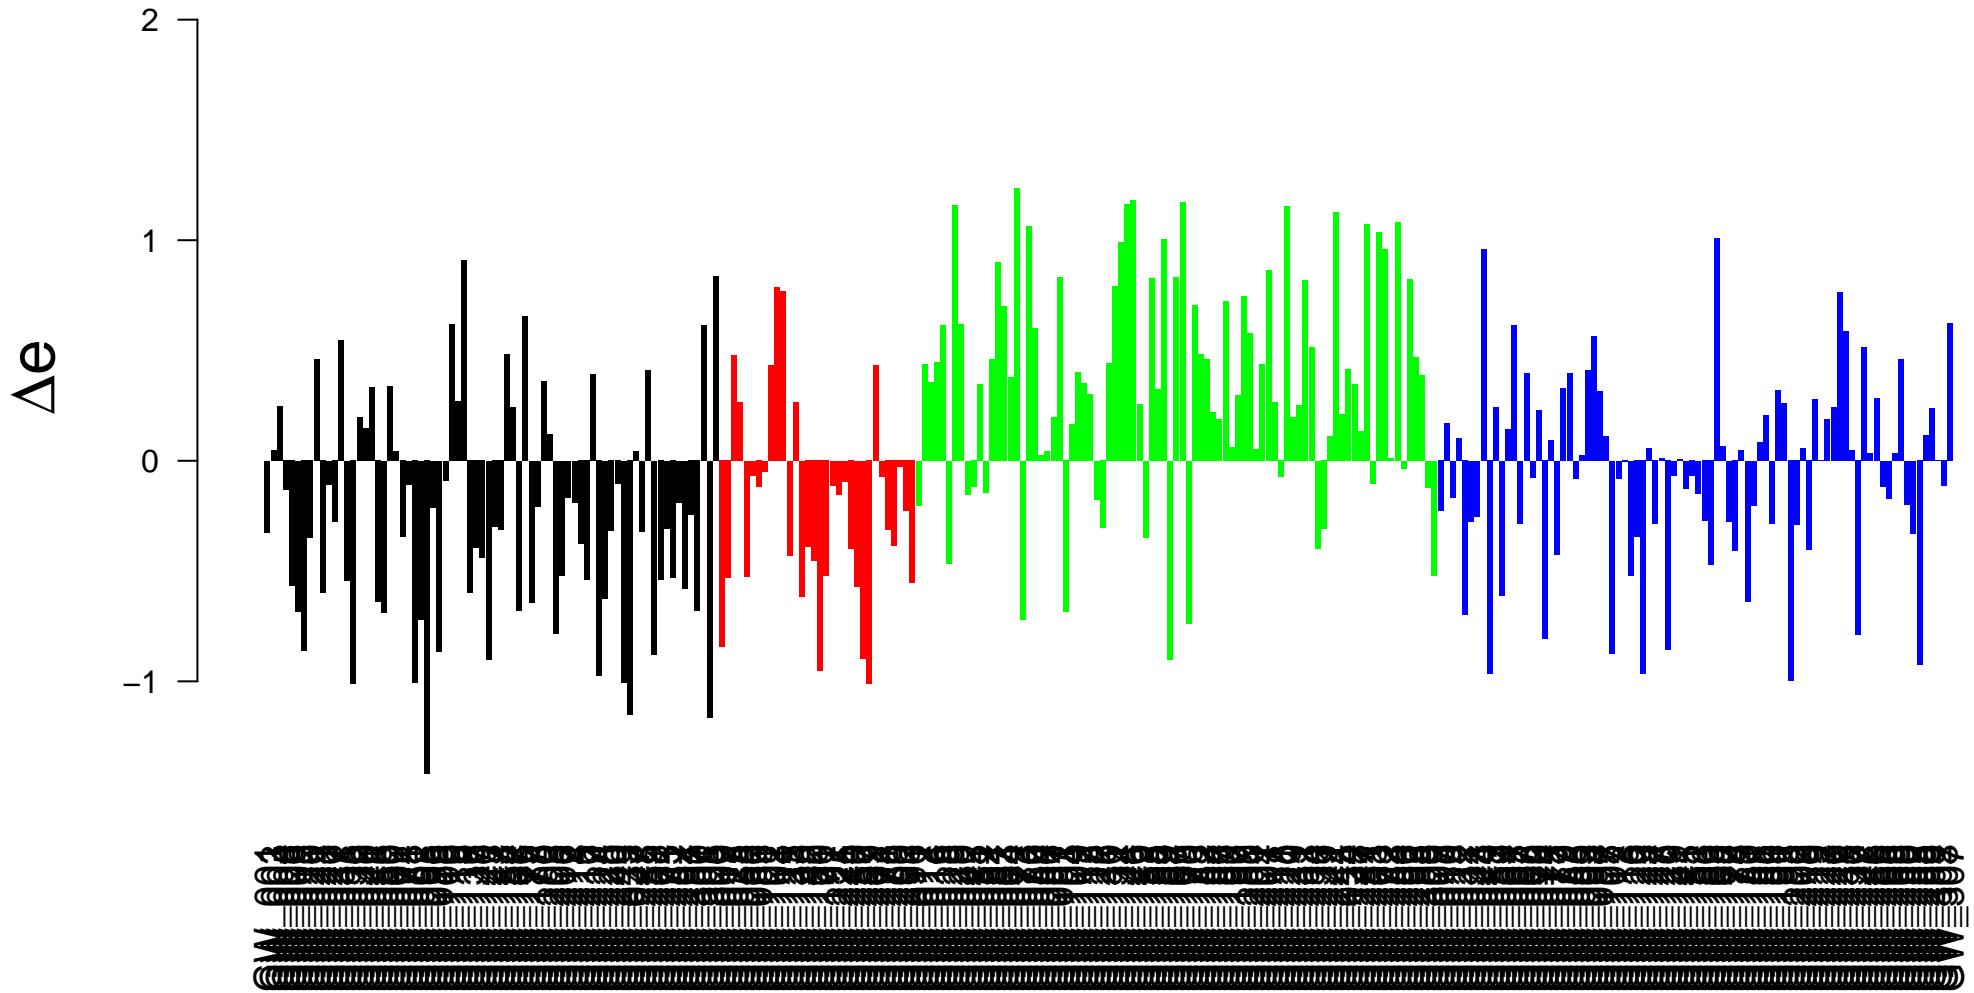

Expression of protein kinase B signaling in Spot J

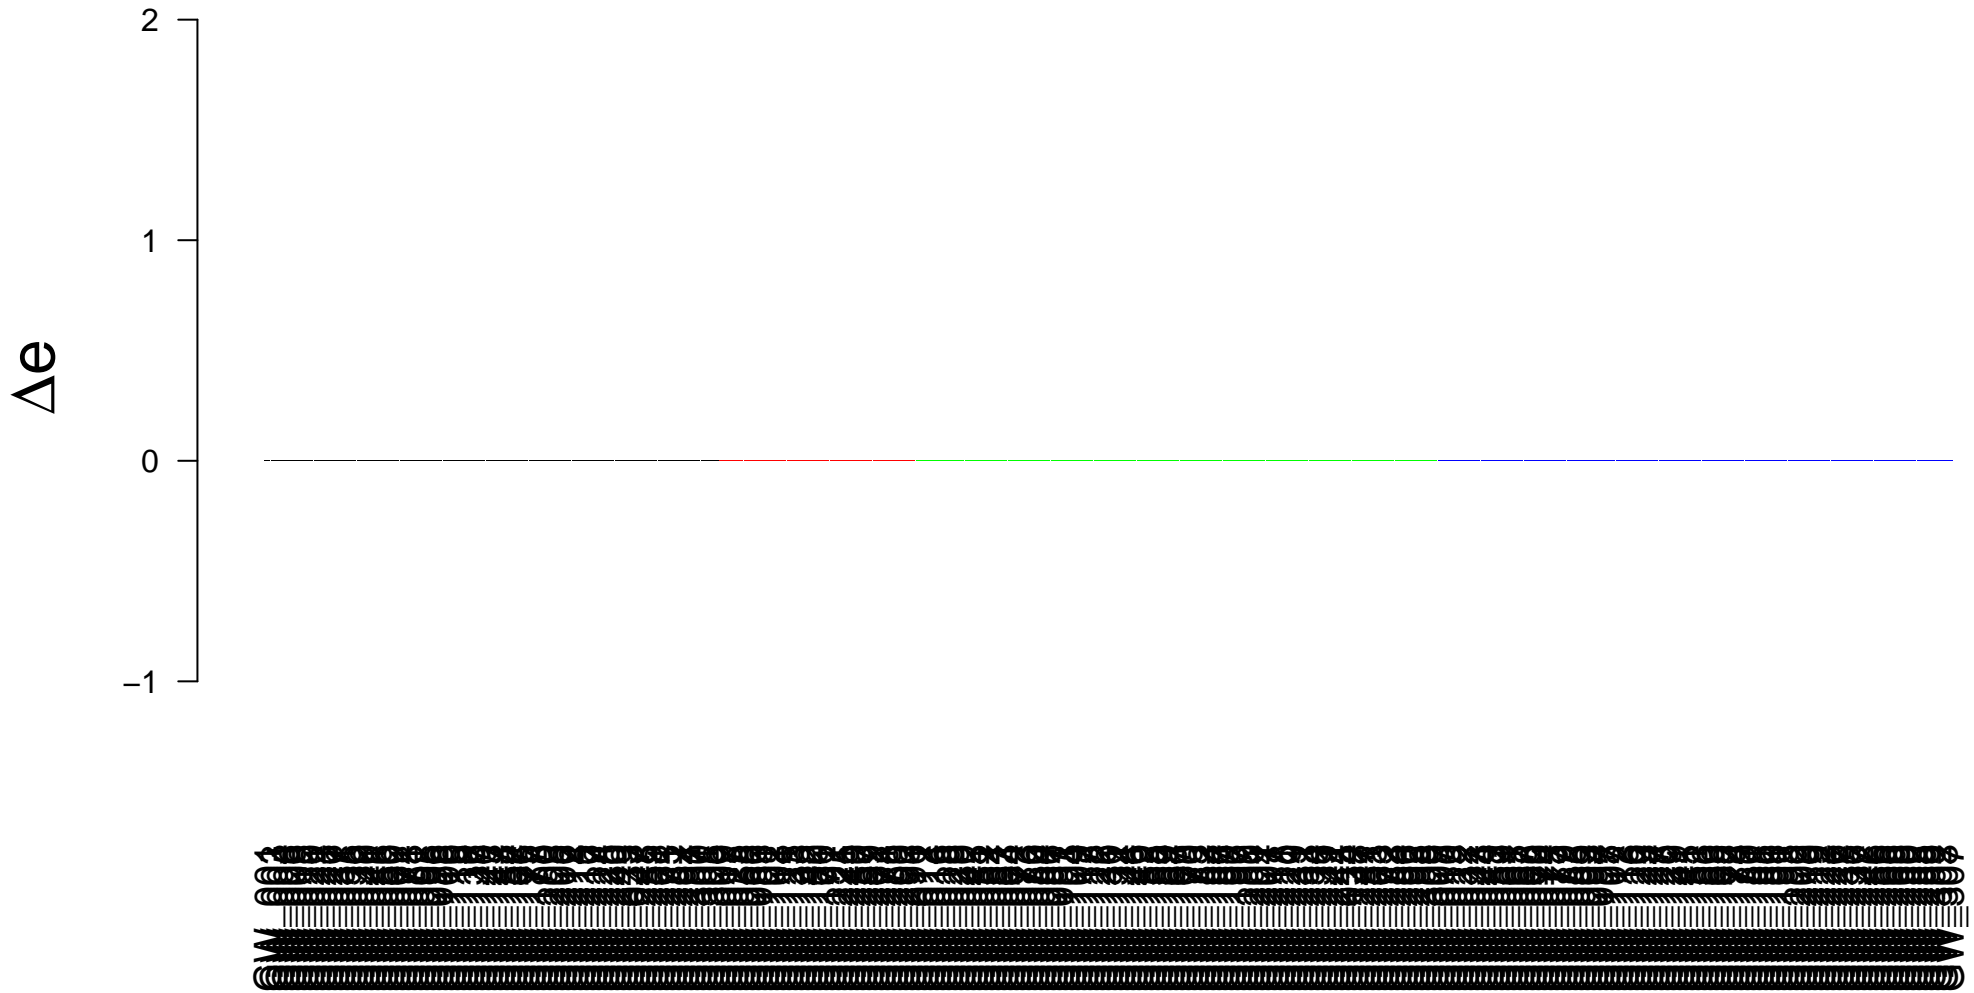

Expression of protein kinase B signaling in Spot K

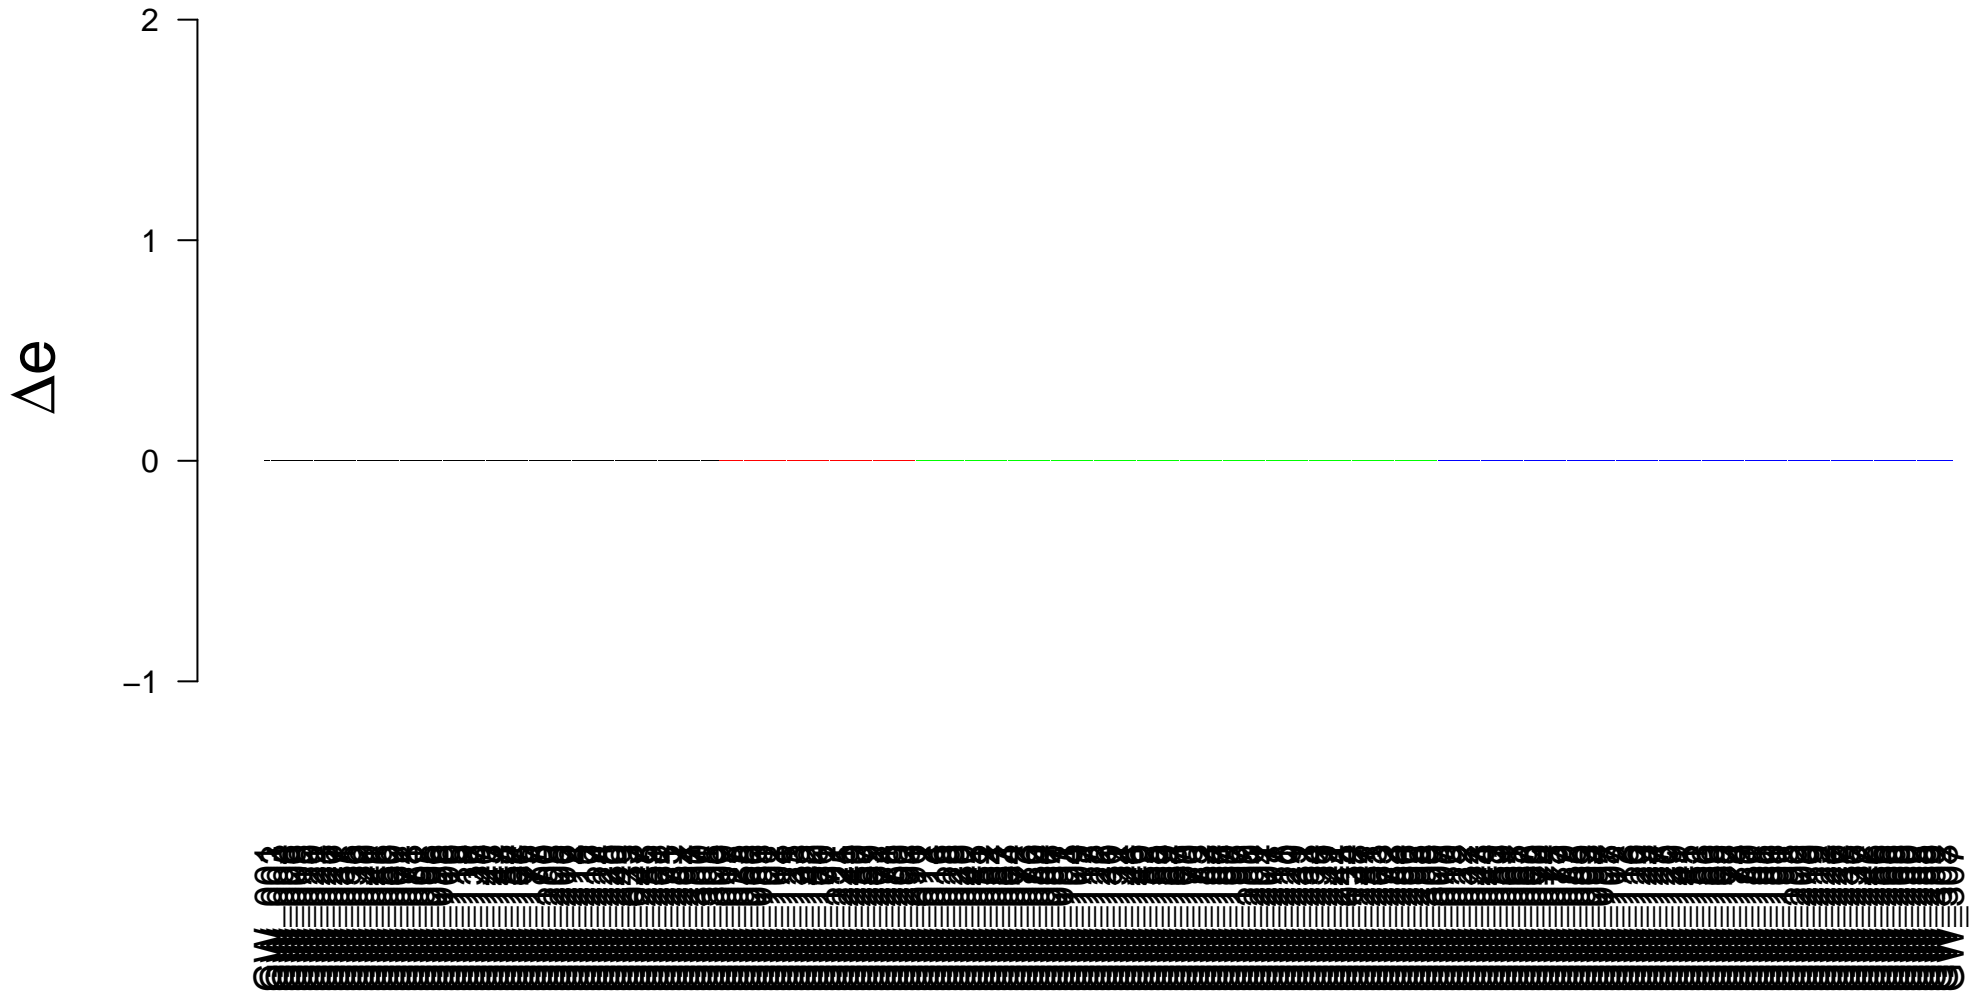

Expression of protein kinase B signaling in Spot L

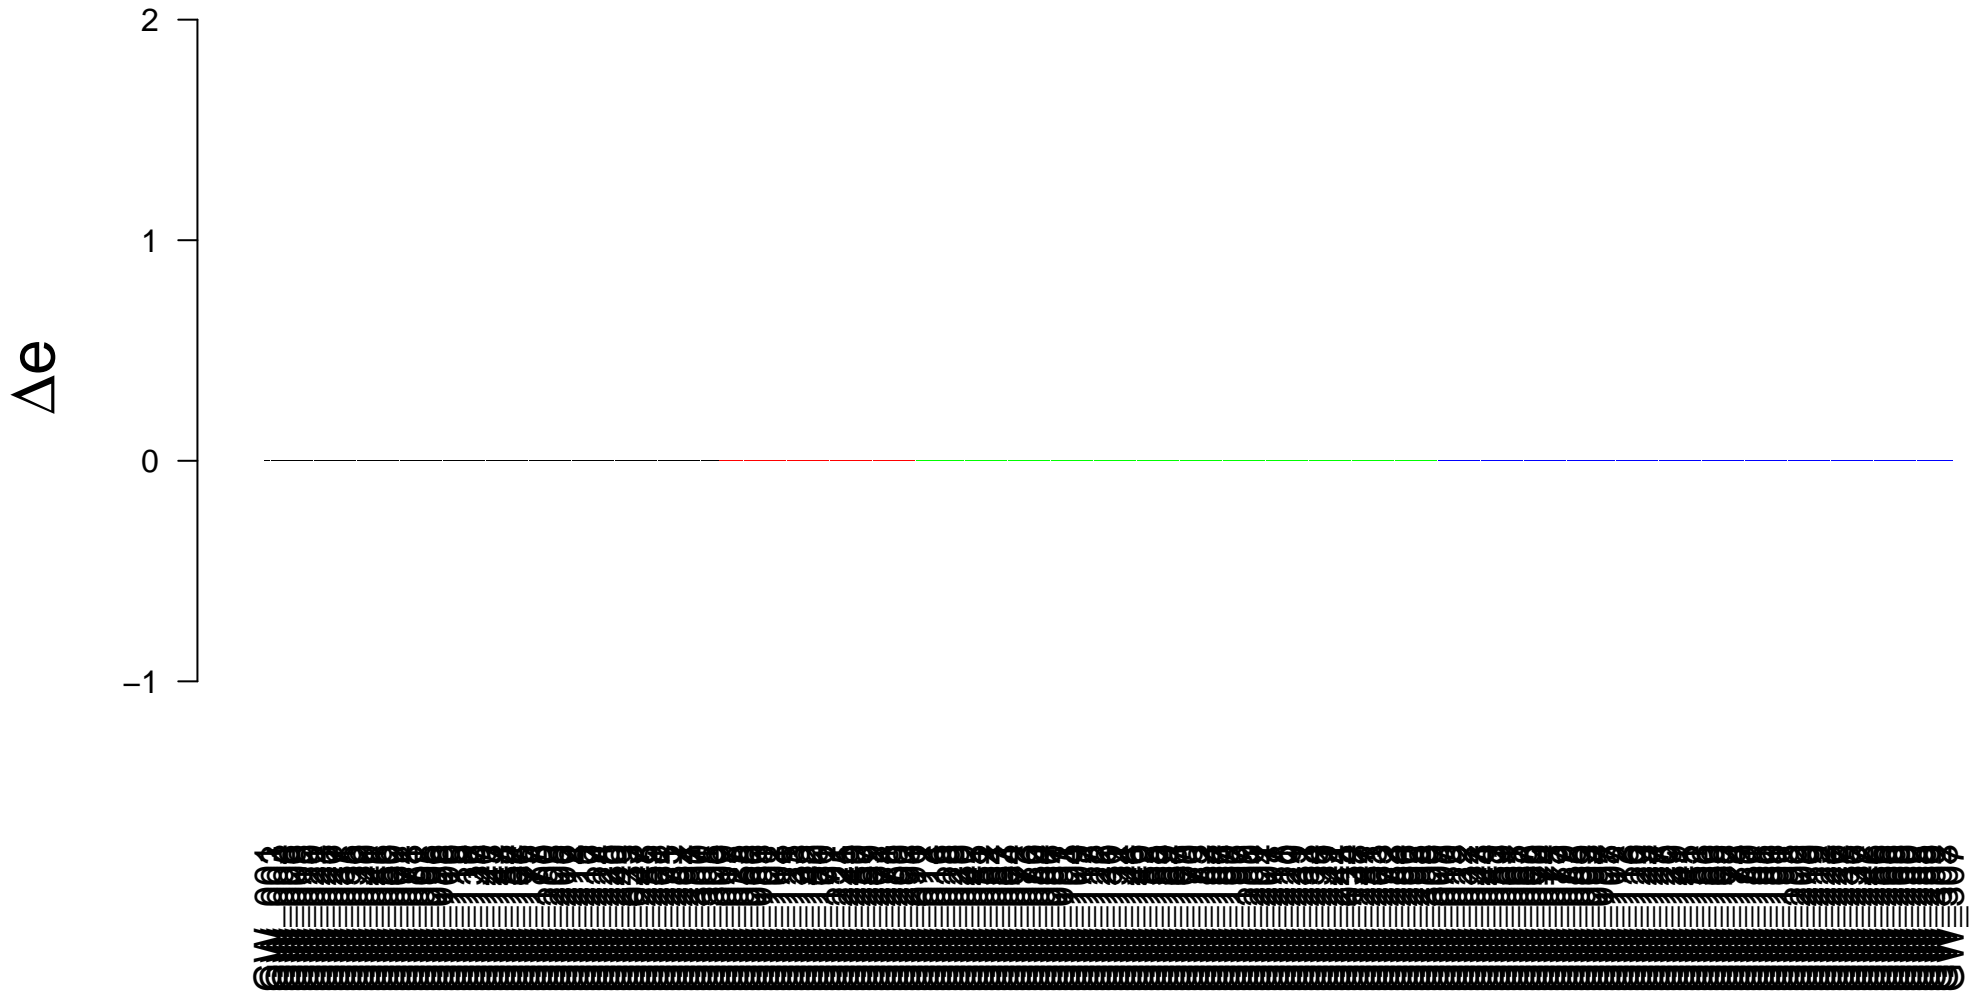

Expression of protein kinase B signaling in Spot M

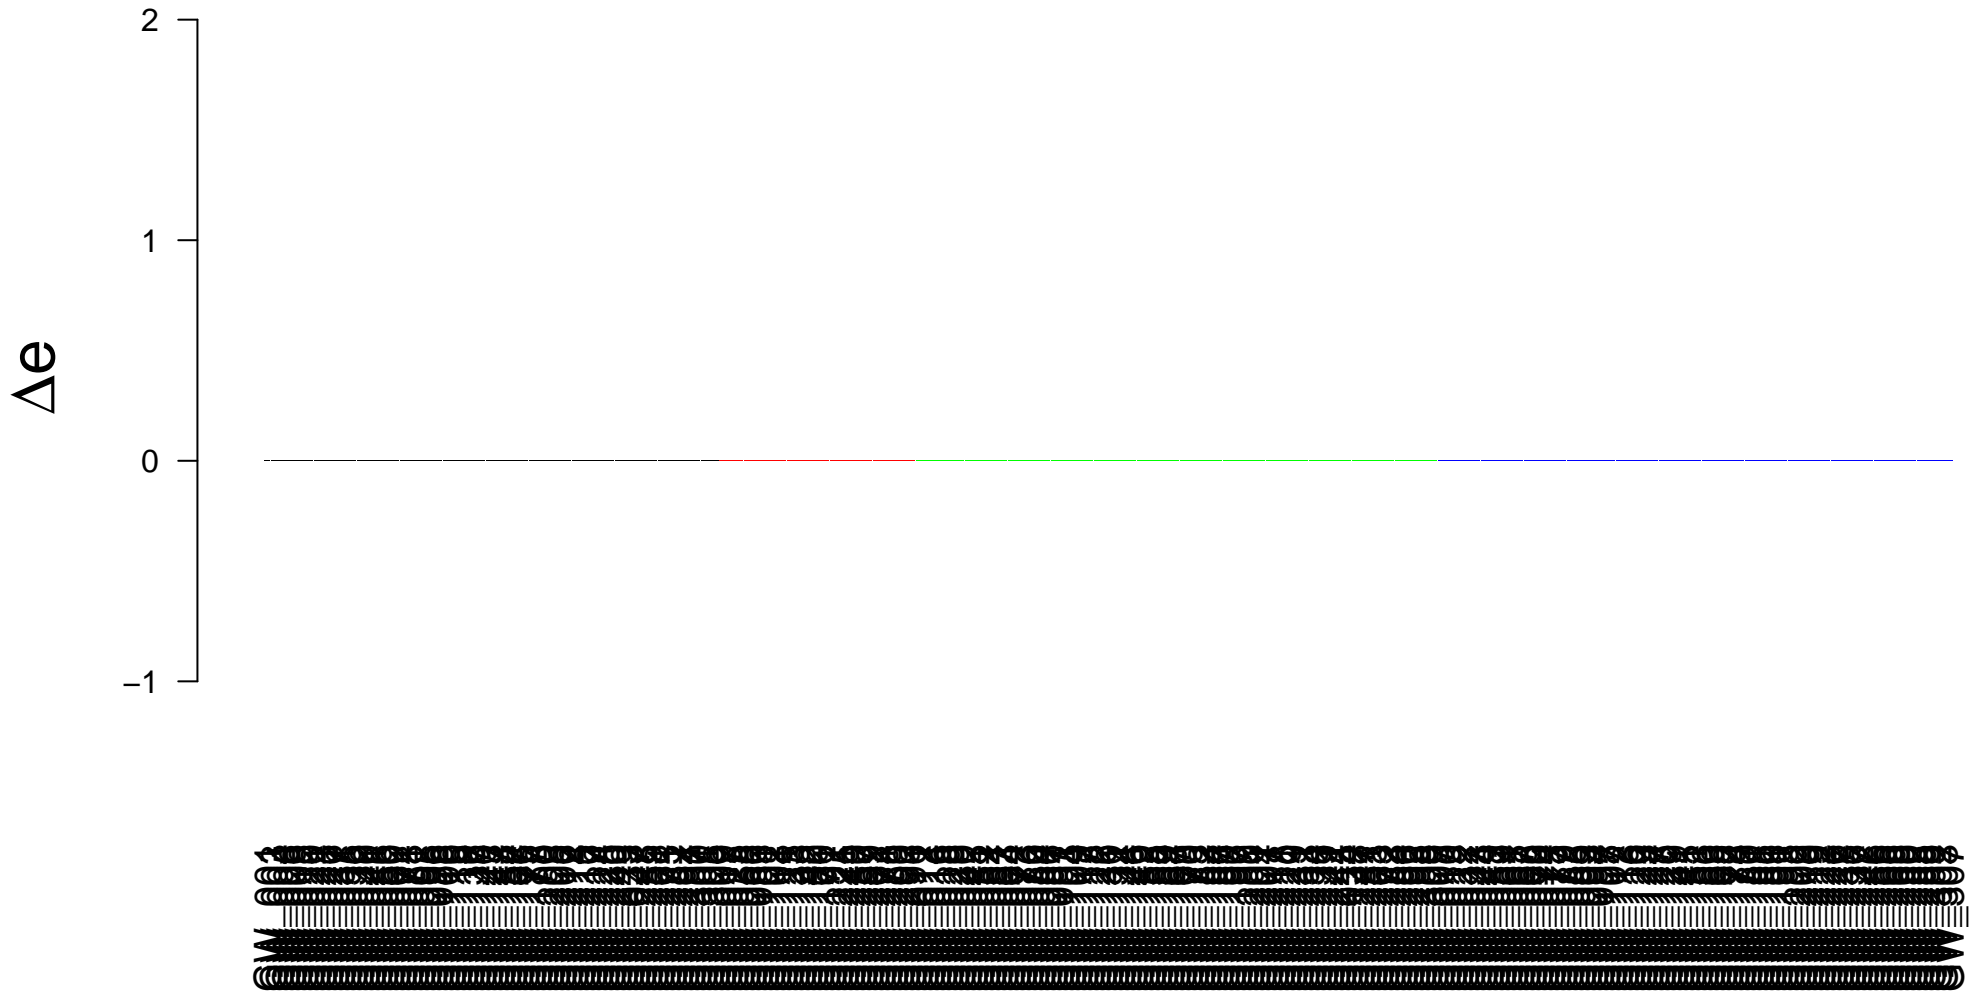

Expression of protein kinase B signaling in Spot N

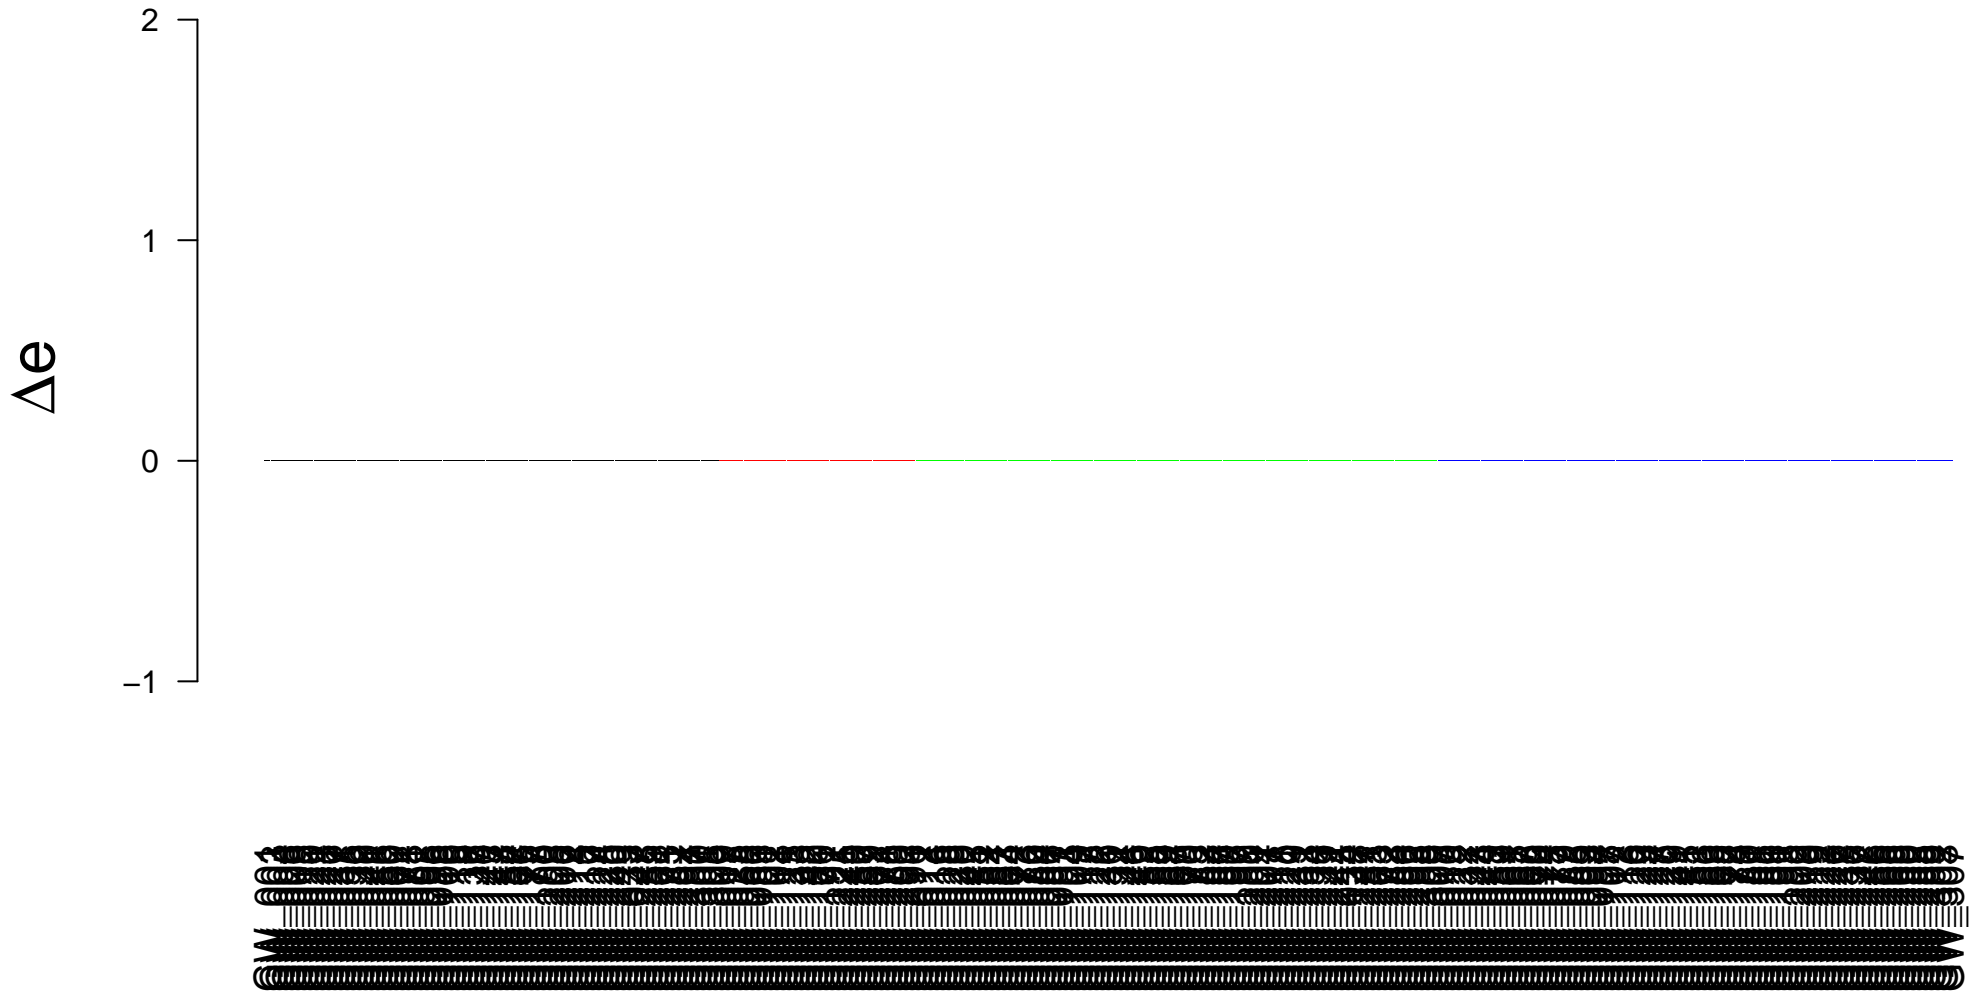

Expression of protein kinase B signaling in Spot O

Expression of protein kinase B signaling in Spot P

Expression of protein kinase B signaling in Spot Q

Expression of protein kinase B signaling in Spot R
