

protein methyltransferase activity

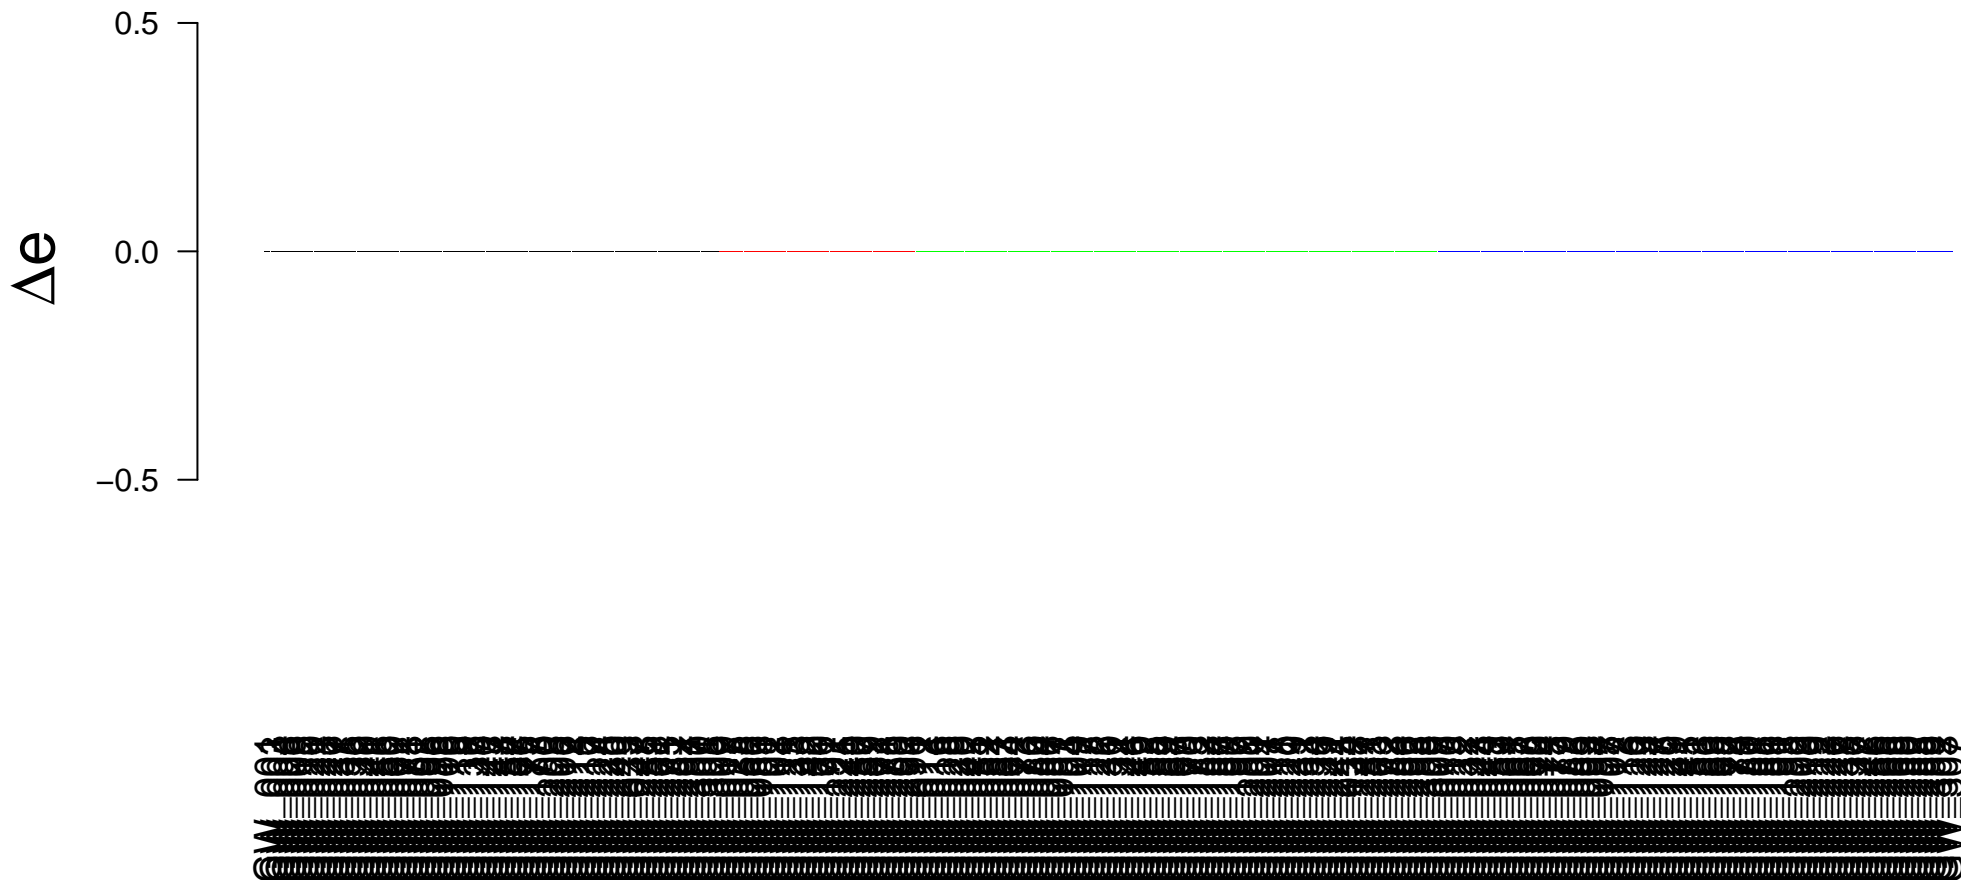

# protein methyltransferase activity

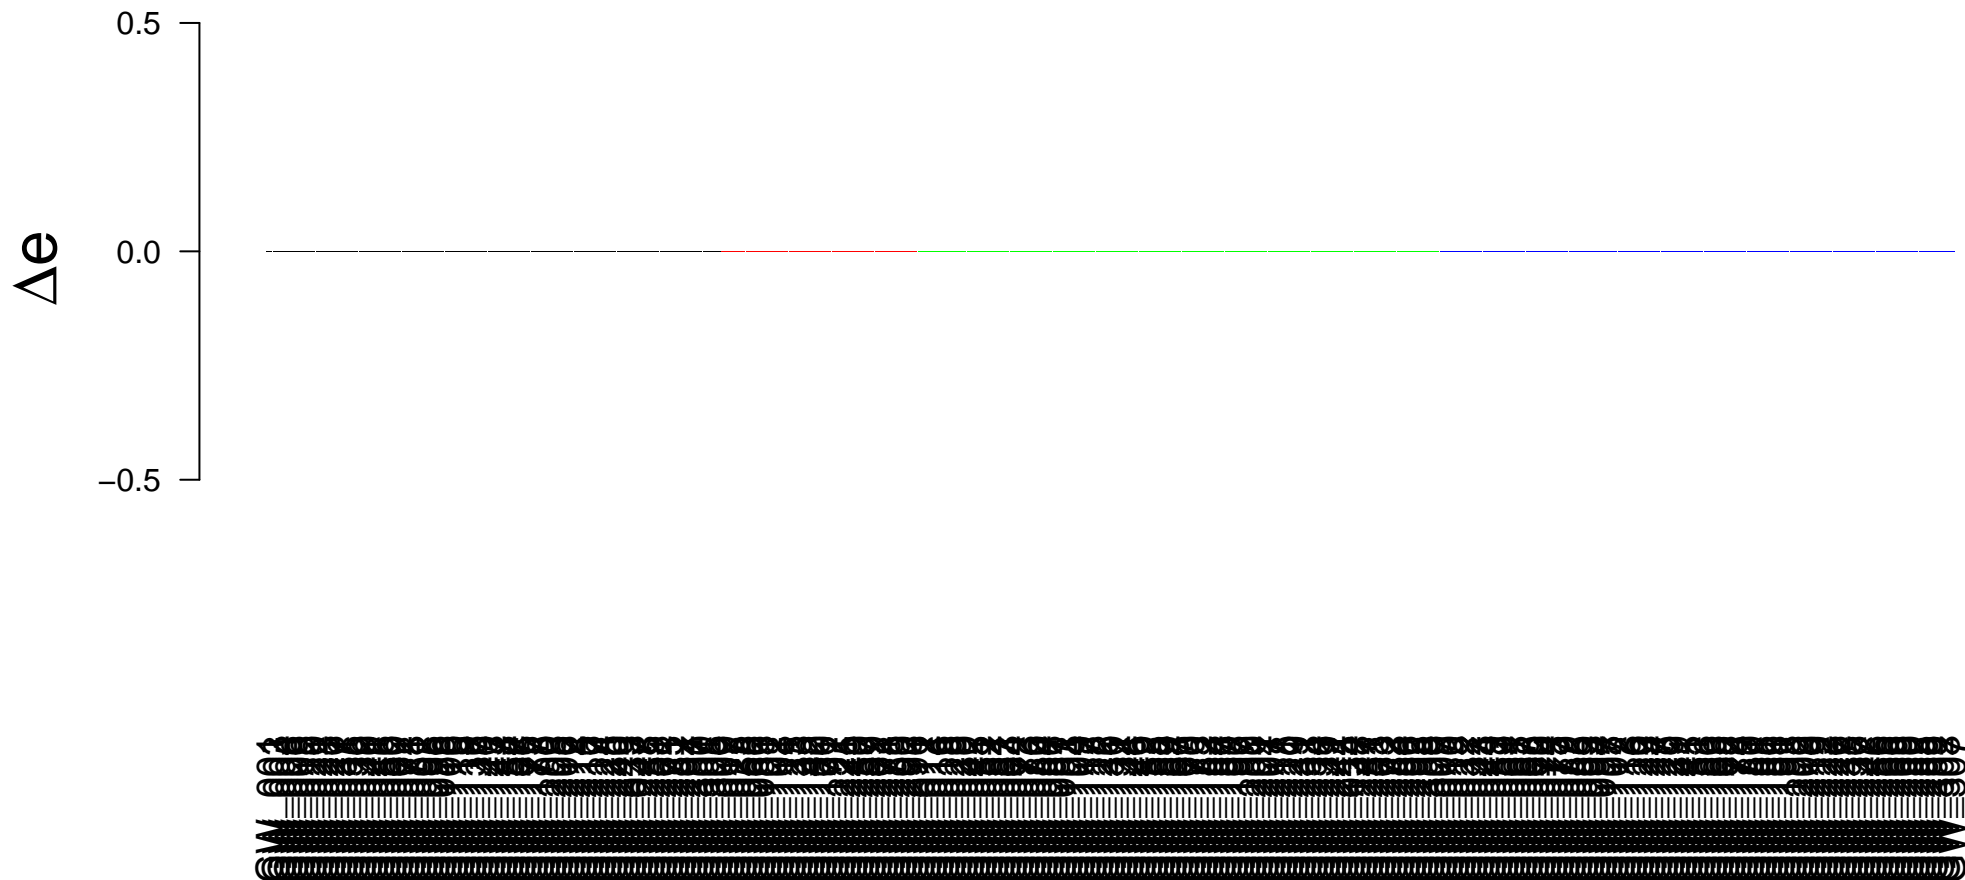

### Enrichment in spots: protein methyltransferase activity

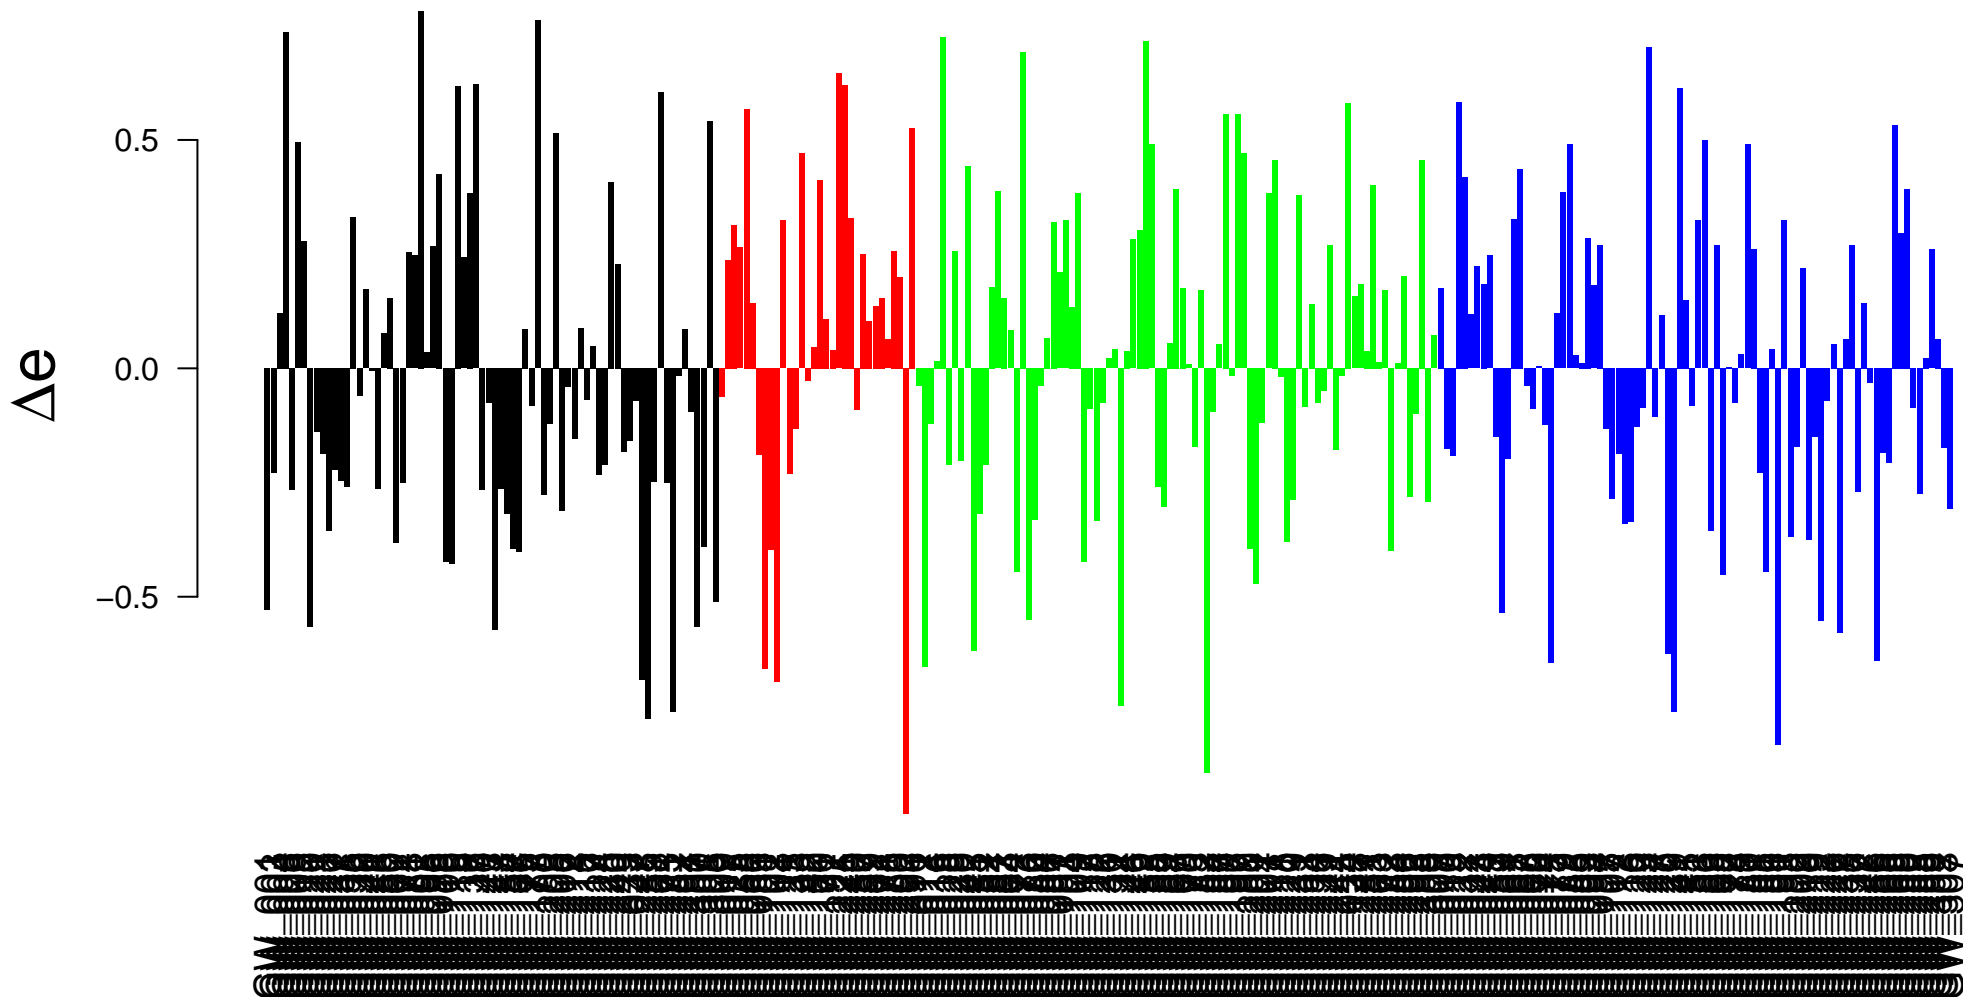

# Expression of protein methyltransferase activity in Spot A

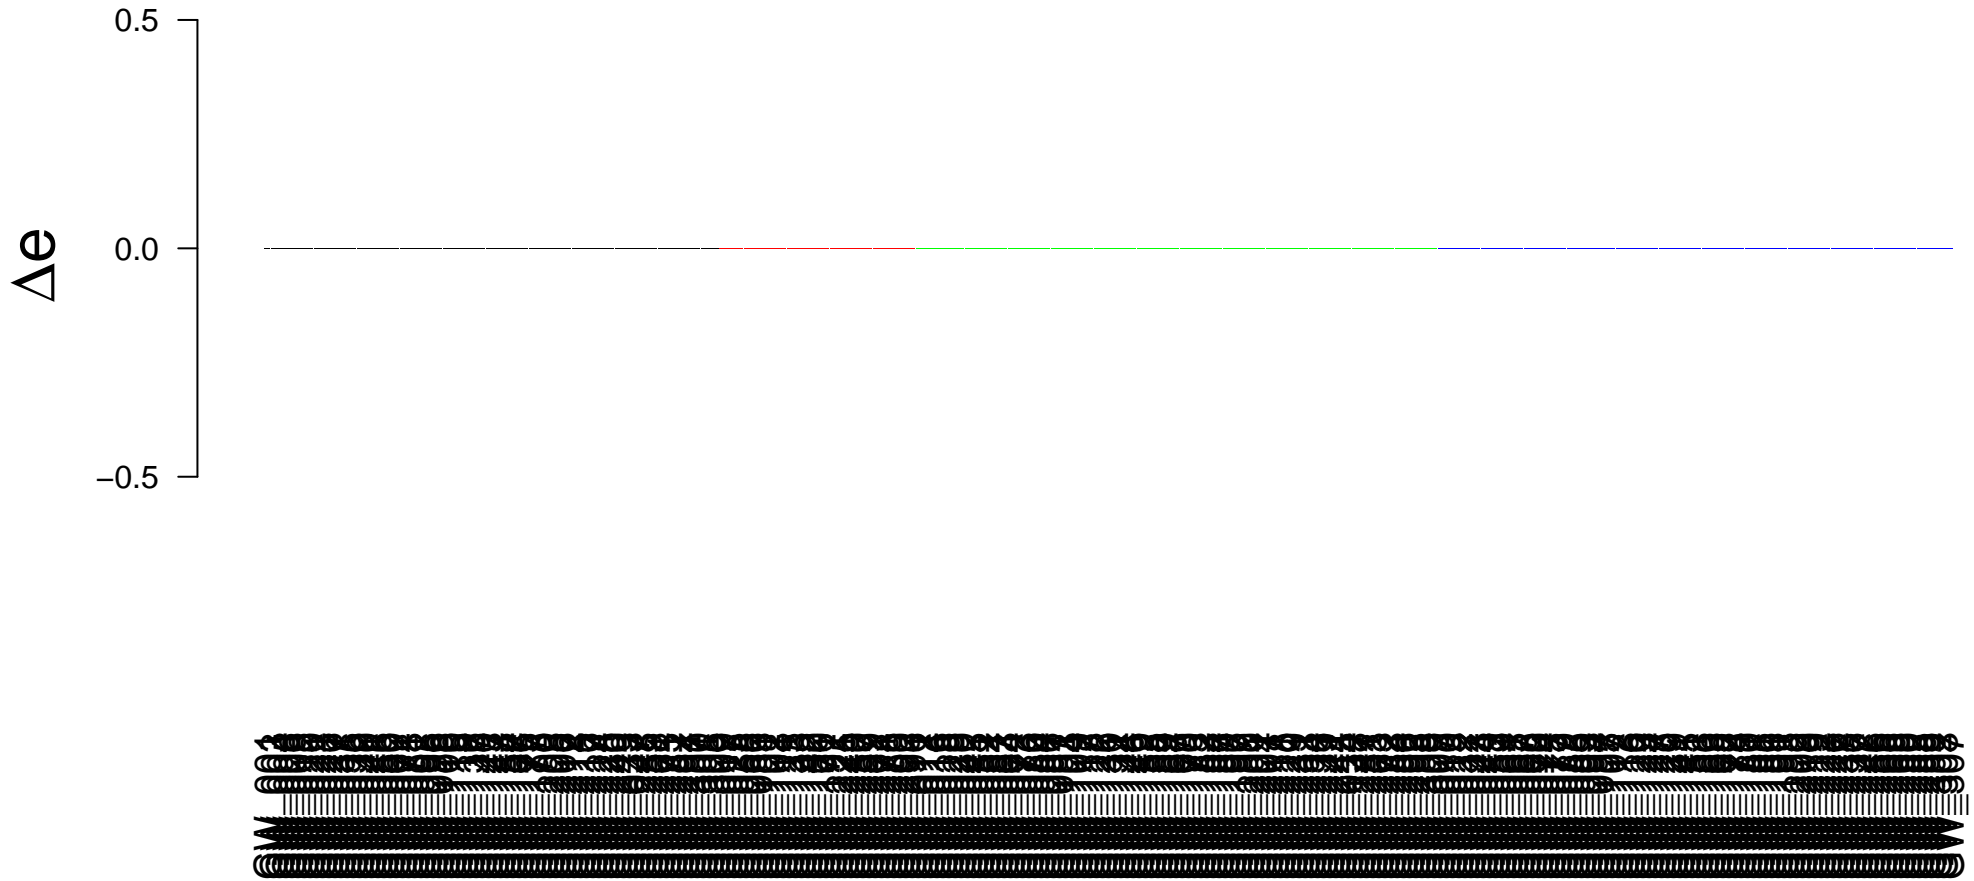

# Expression of protein methyltransferase activity in Spot B

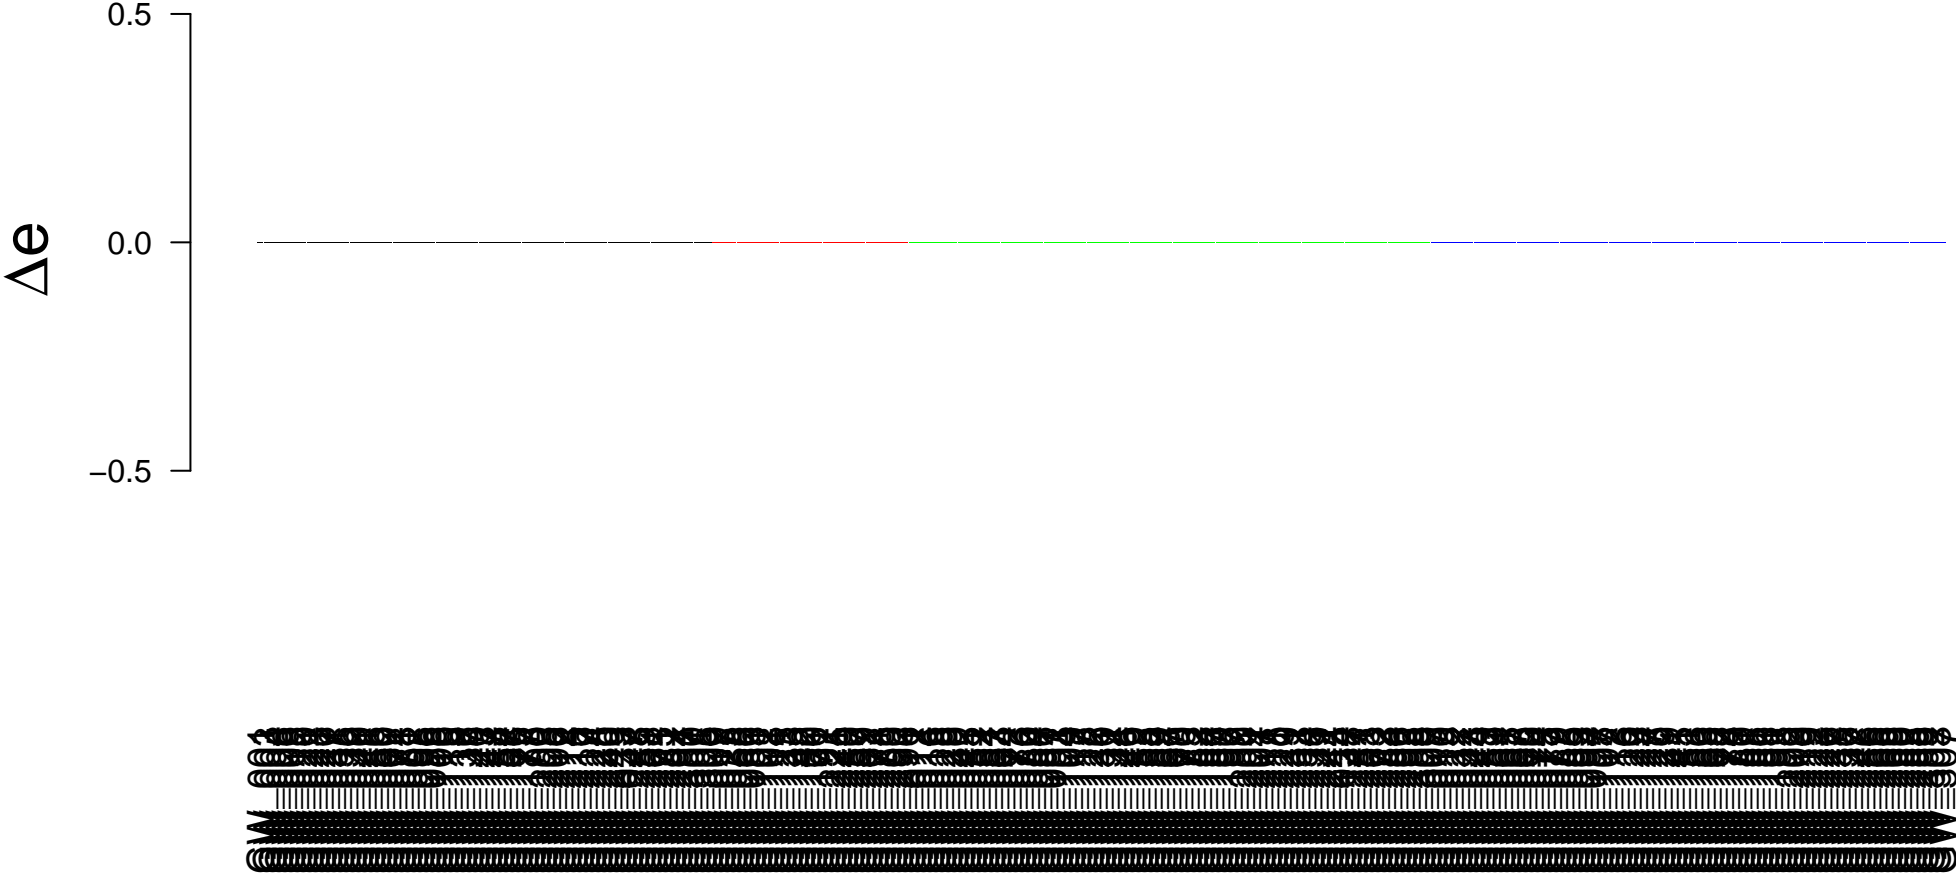

# Expression of protein methyltransferase activity in Spot C

# Expression of protein methyltransferase activity in Spot D

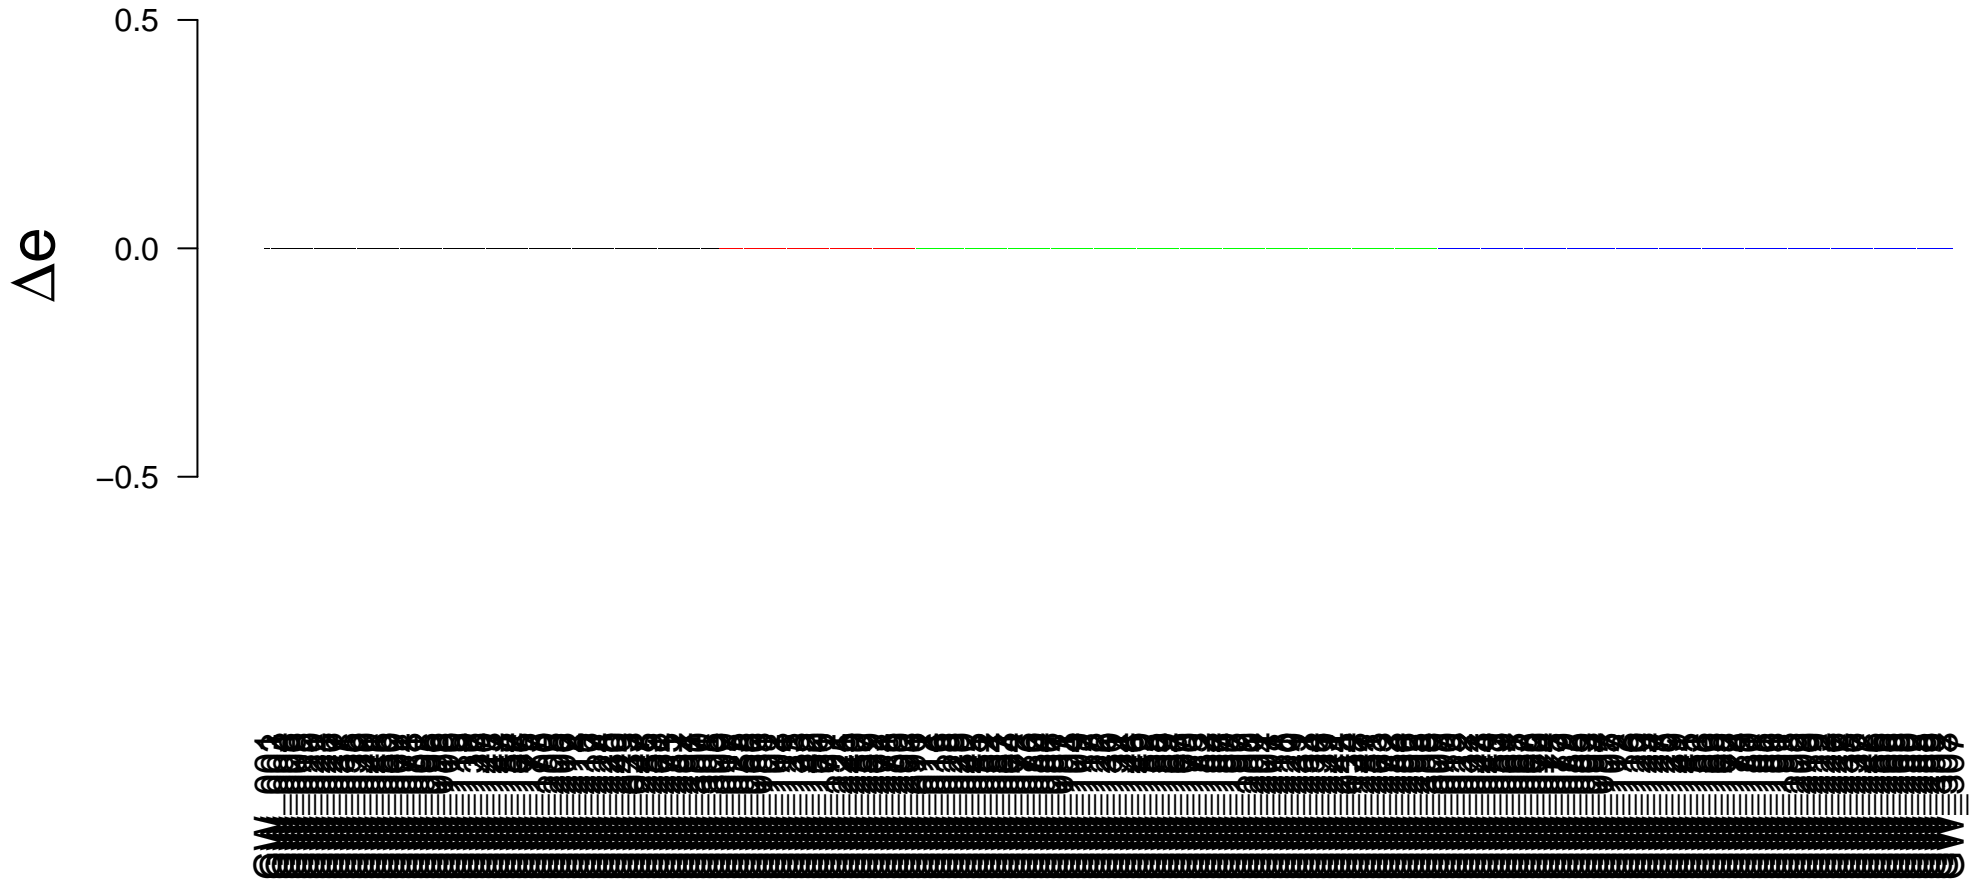

# Expression of protein methyltransferase activity in Spot E

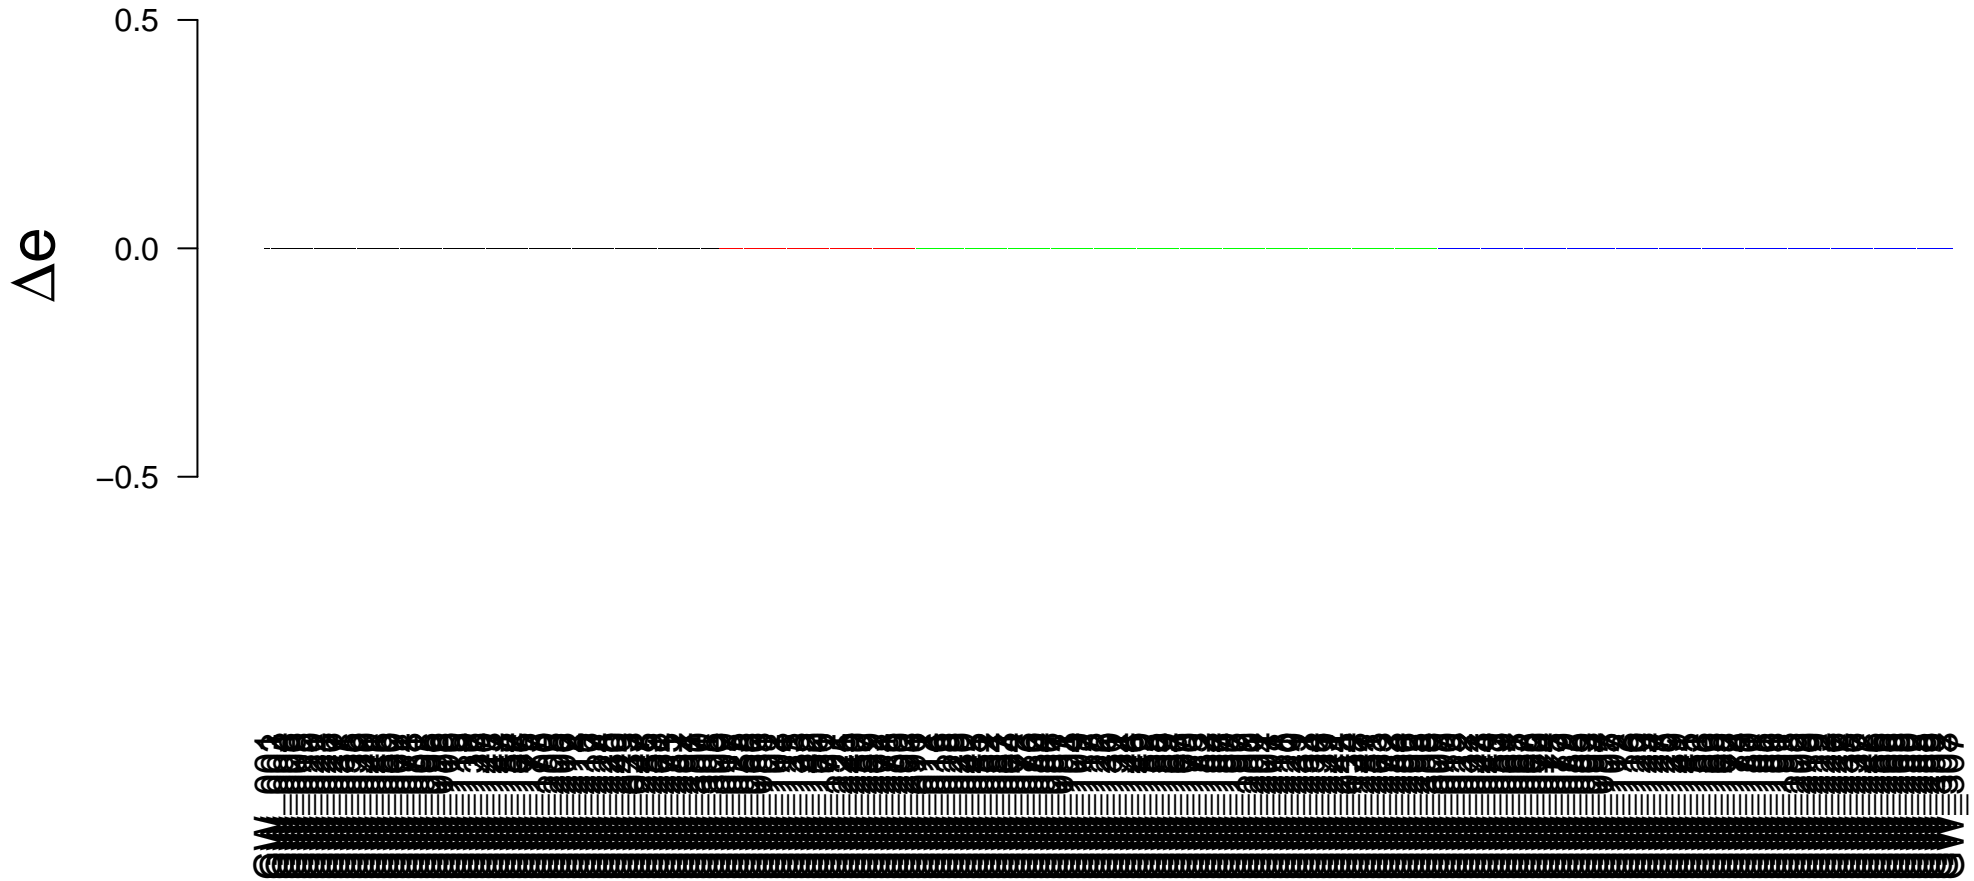

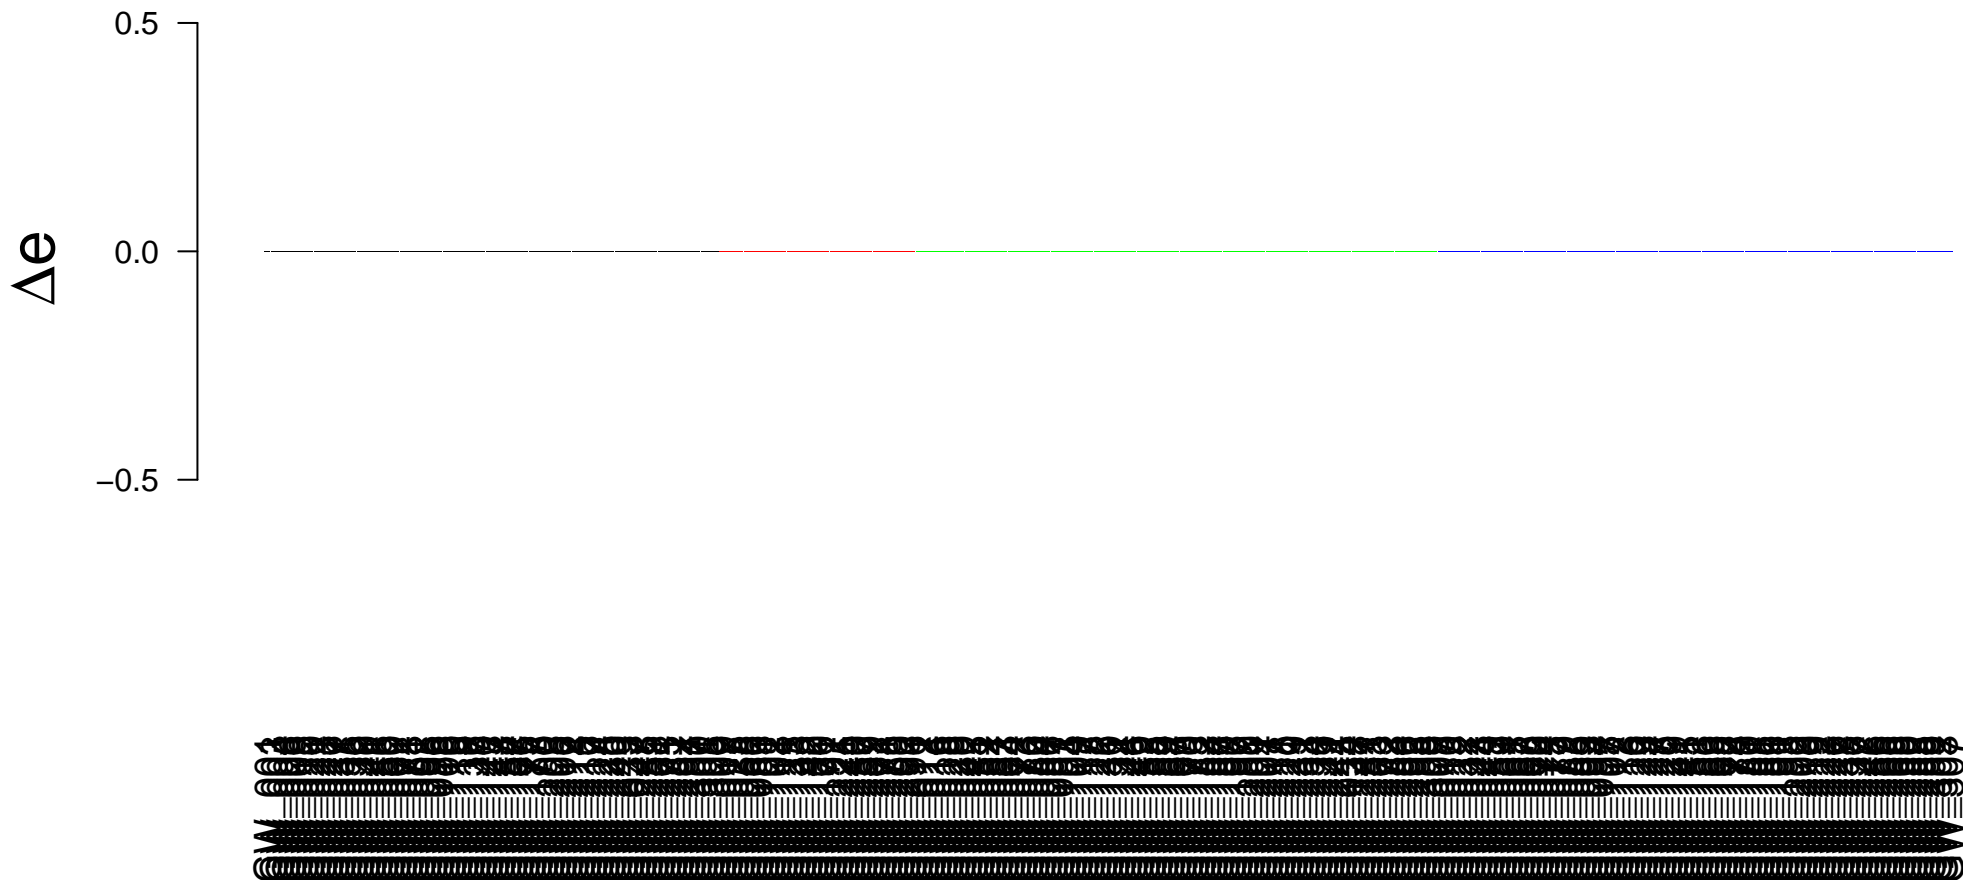

# Expression of protein methyltransferase activity in Spot F

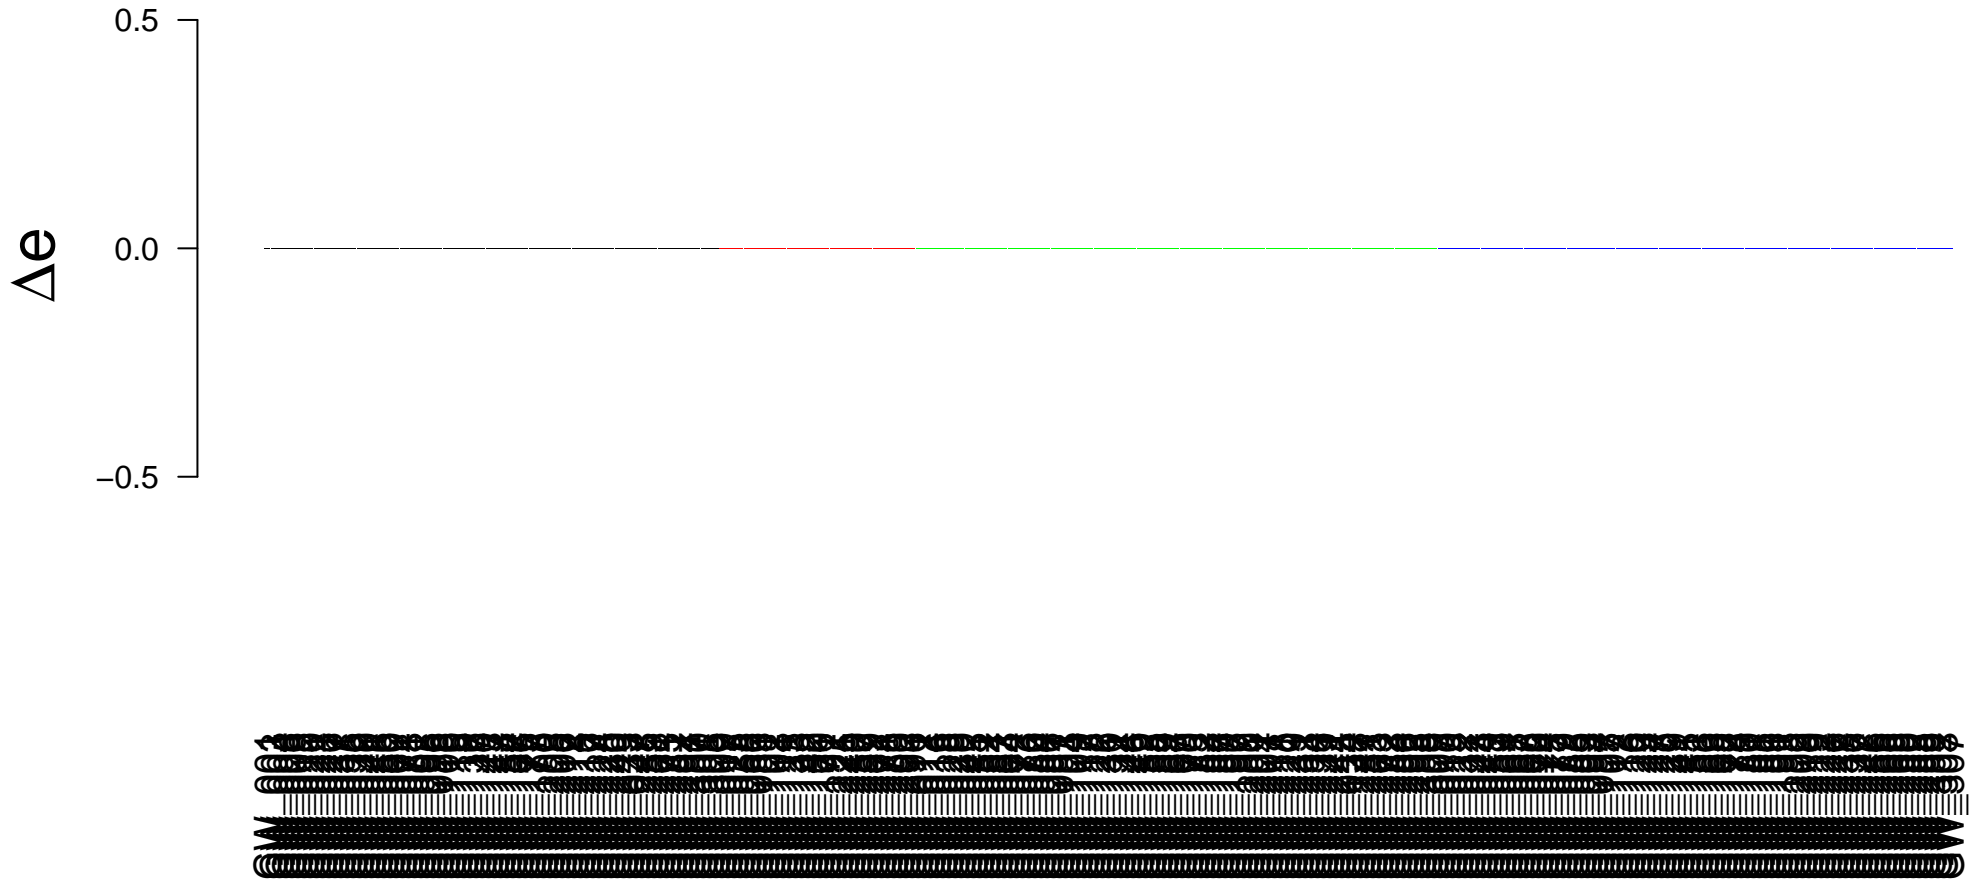

# Expression of protein methyltransferase activity in Spot G

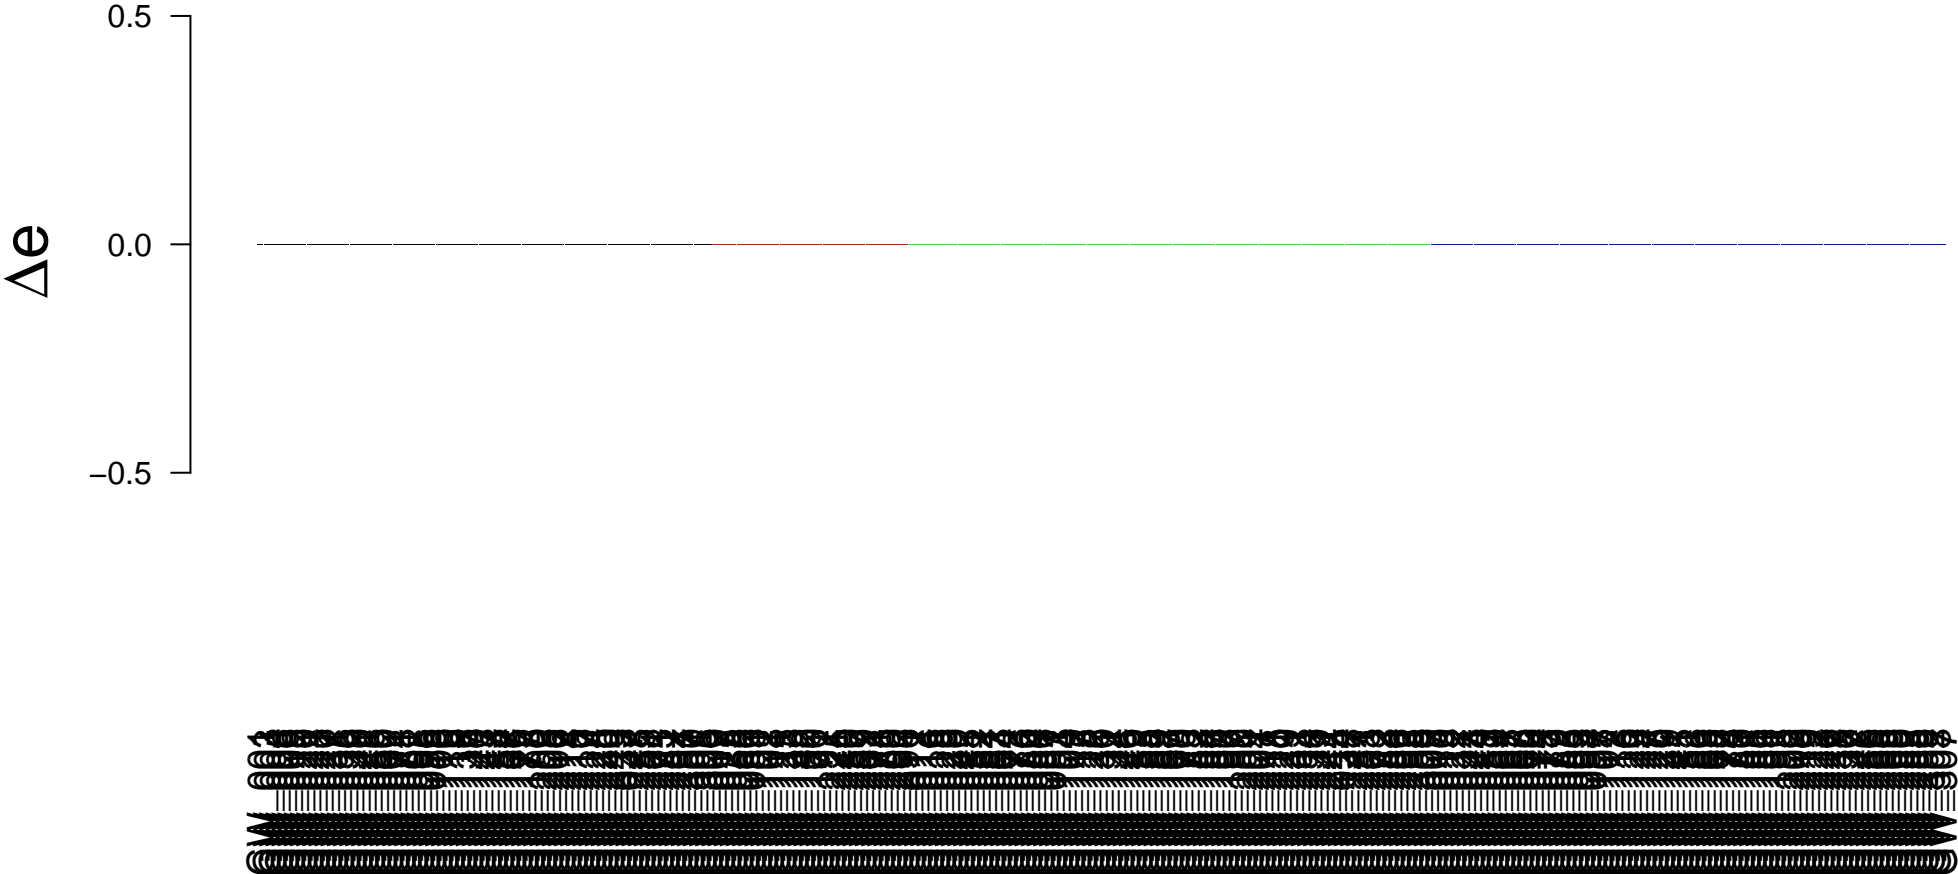

# Expression of protein methyltransferase activity in Spot H

# Expression of protein methyltransferase activity in Spot I

Expression of protein methyltransferase activity in Spot J

# Expression of protein methyltransferase activity in Spot K
