

protein phosphatase type 2A regulator activity

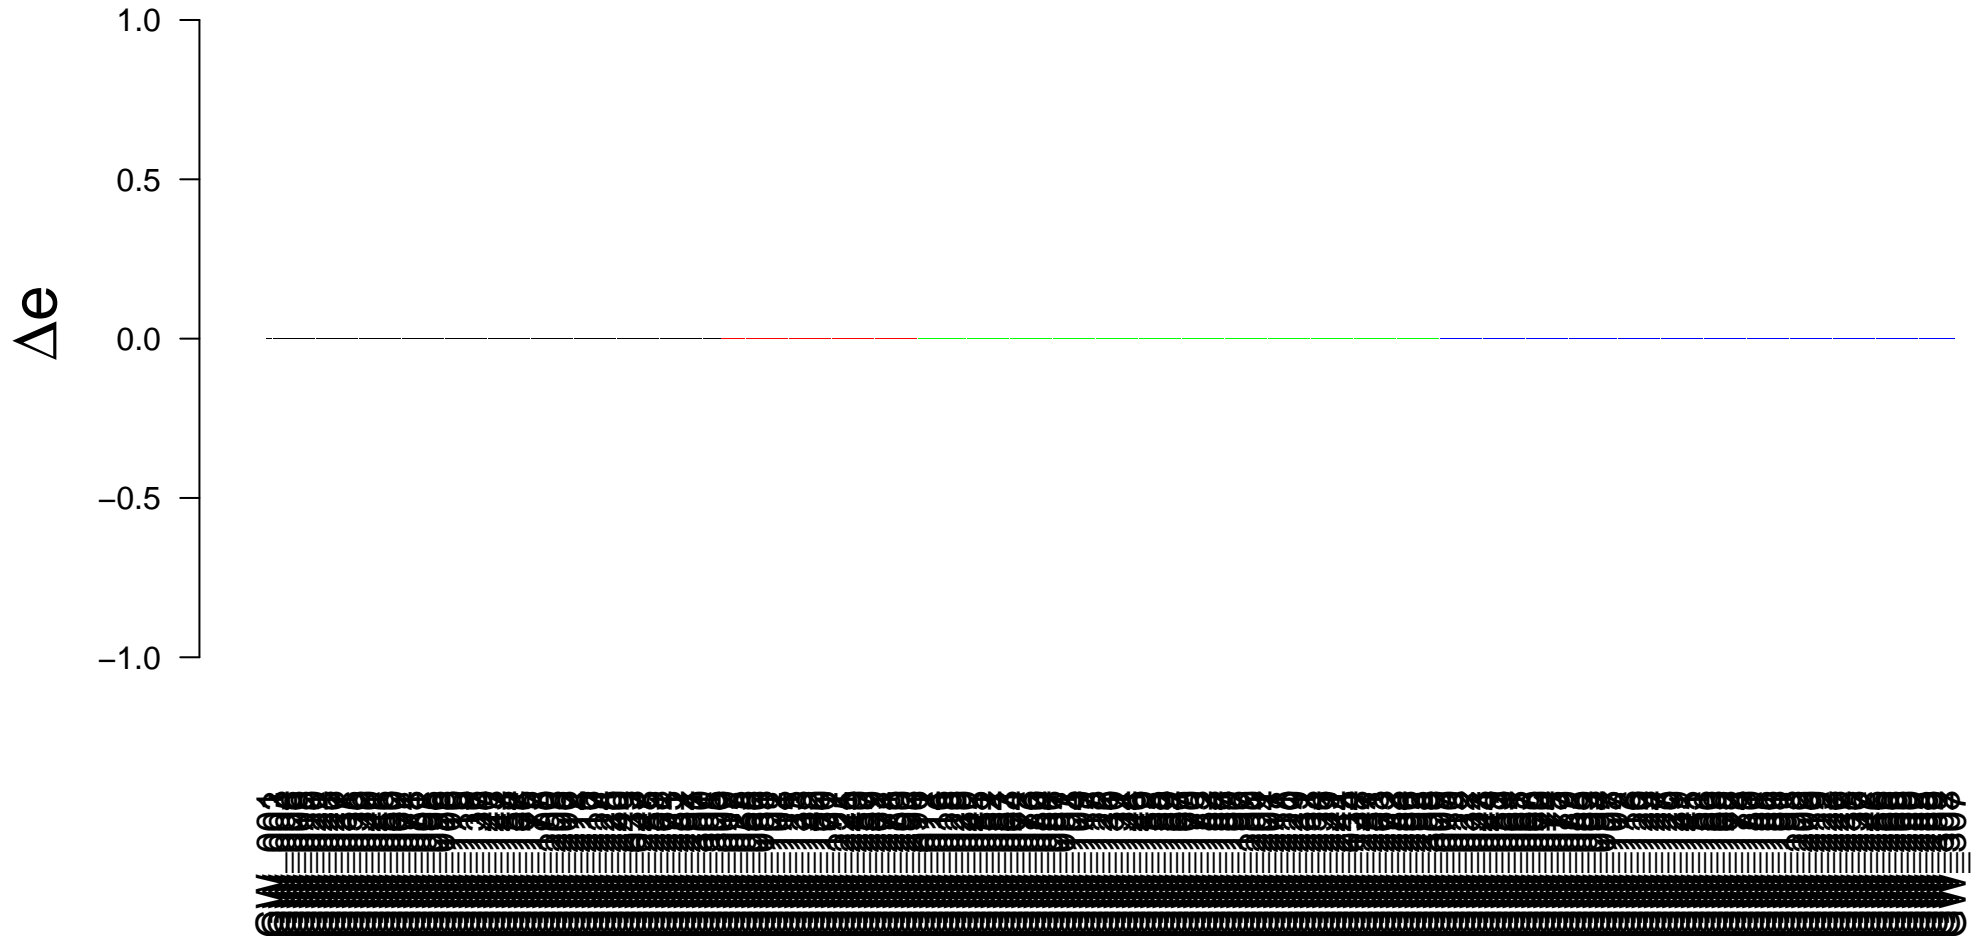

# protein phosphatase type 2A regulator activity

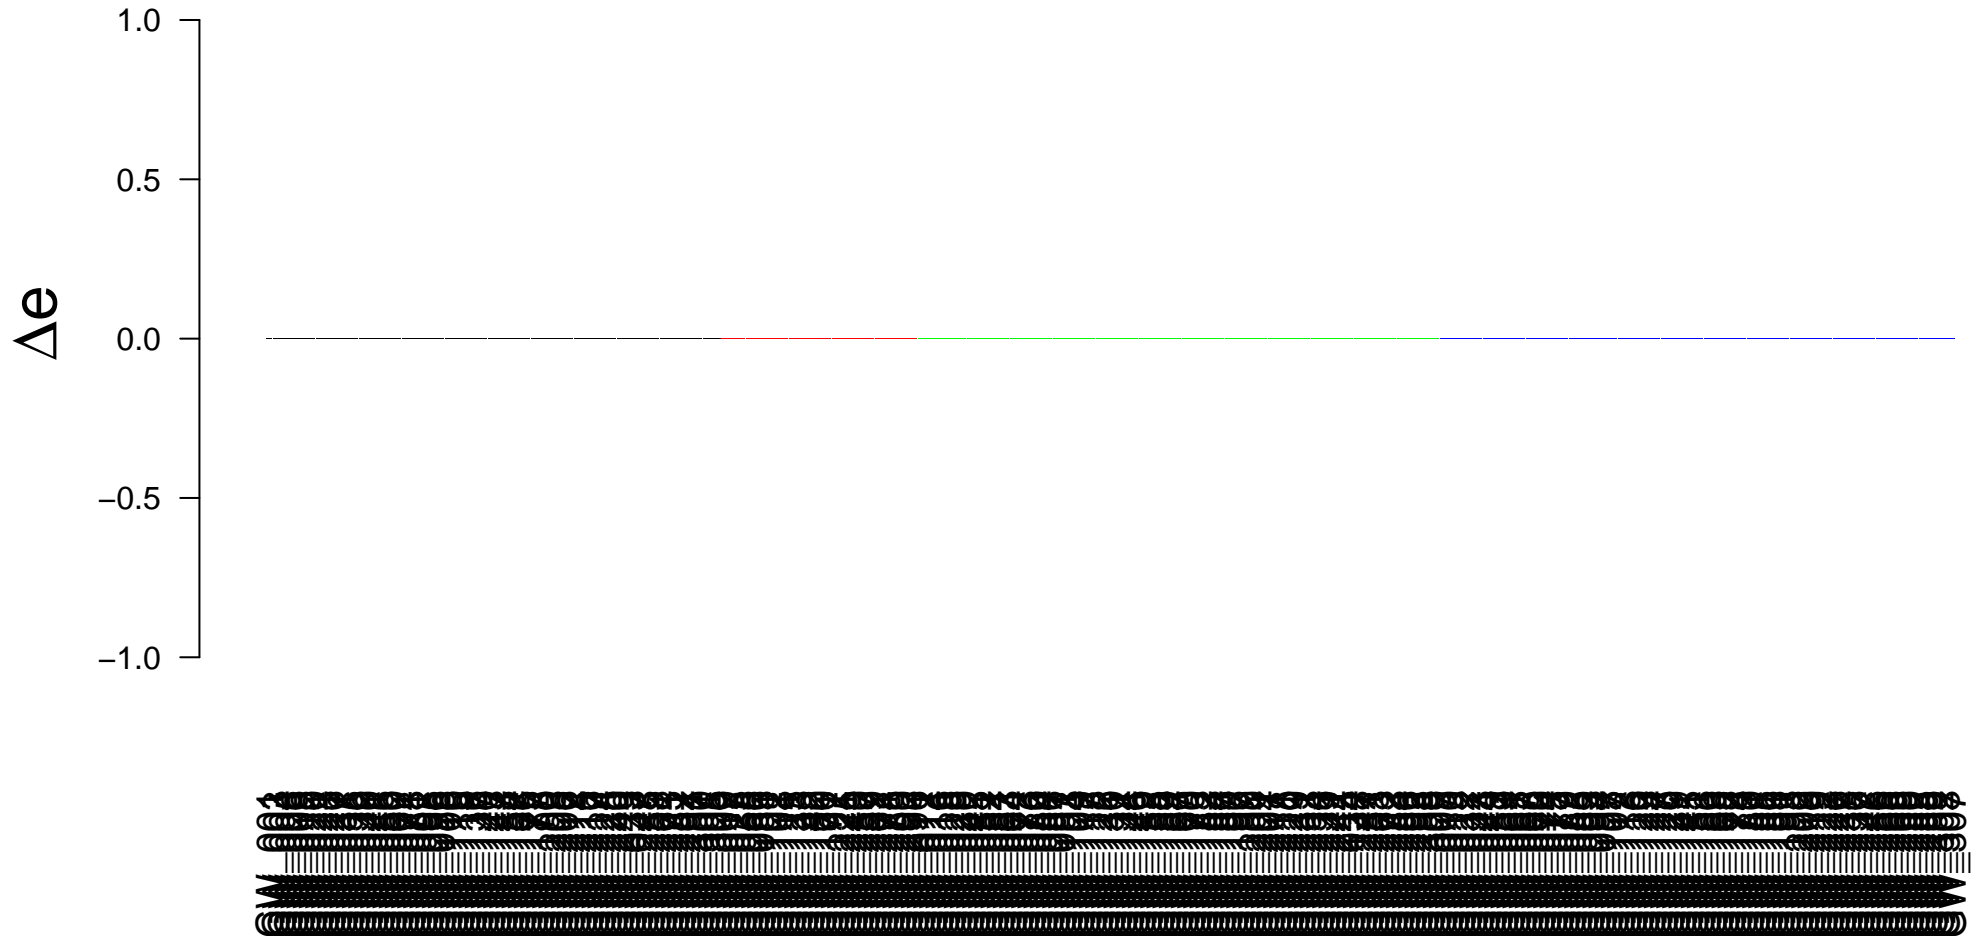

# Enrichment in spots: protein phosphatase type 2A regulator activity

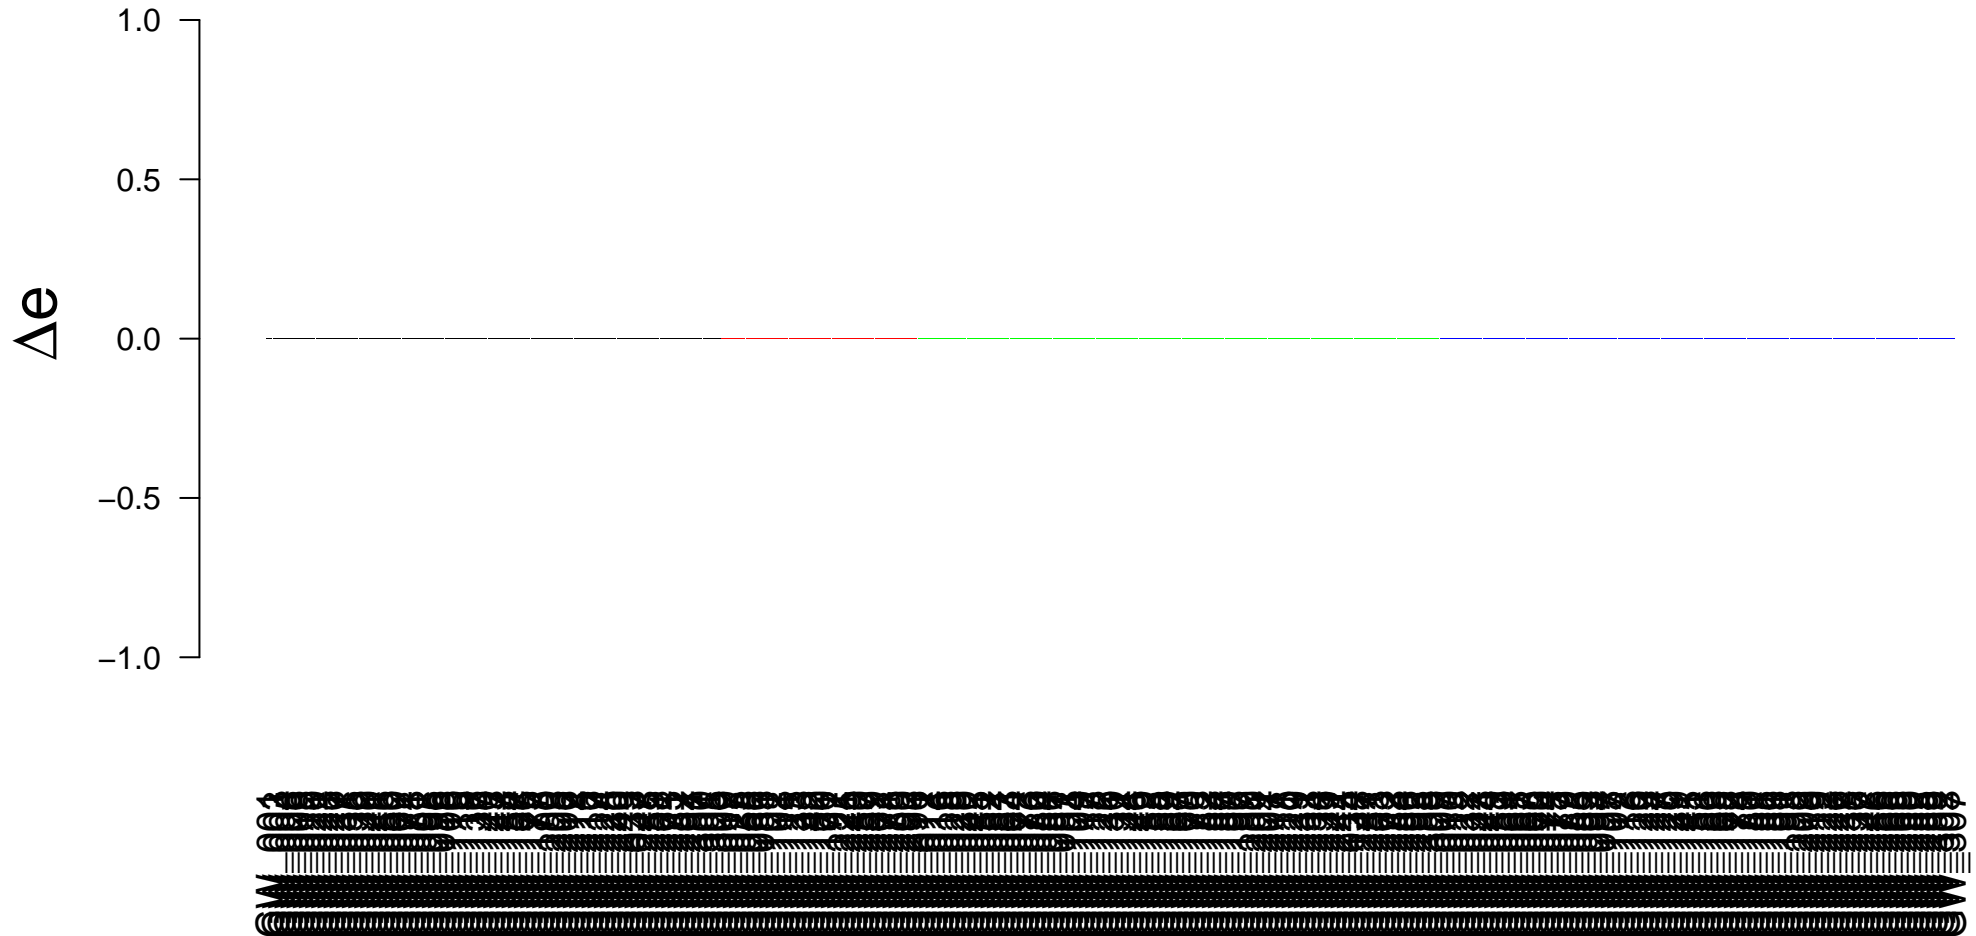

# Expression of protein phosphatase type 2A regulator activity in Spot A

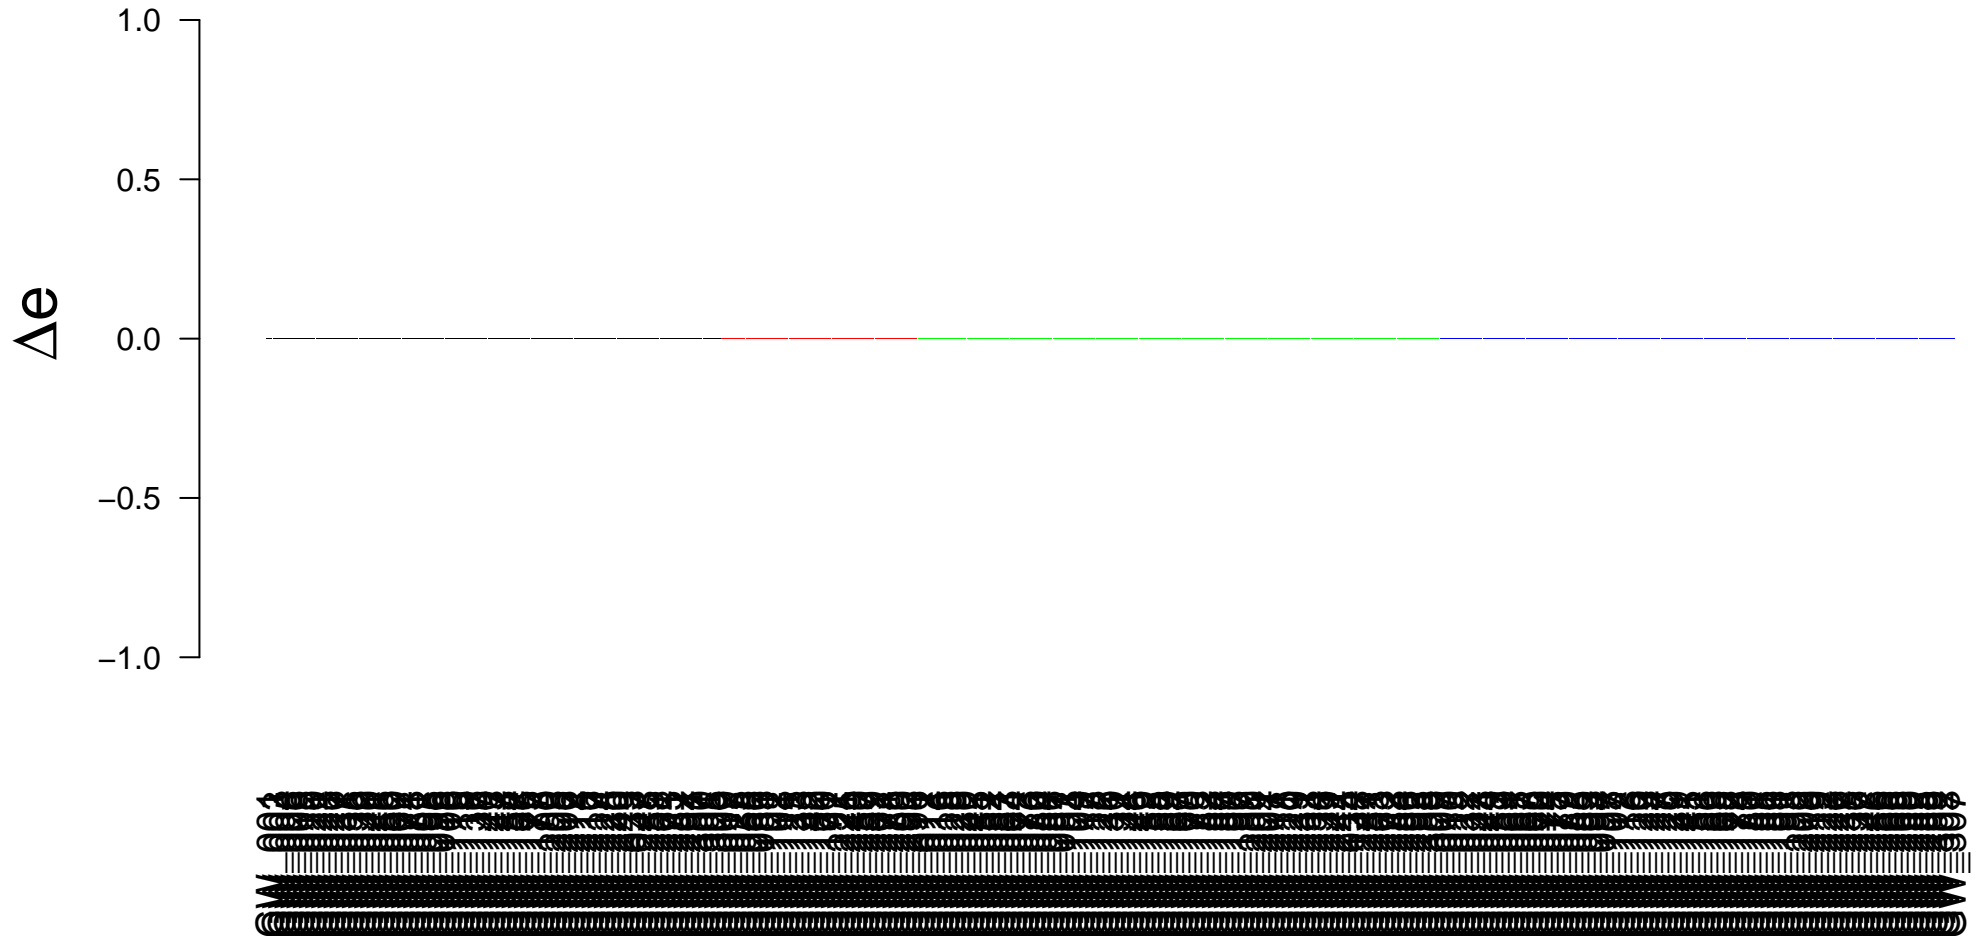

# Expression of protein phosphatase type 2A regulator activity in Spot B

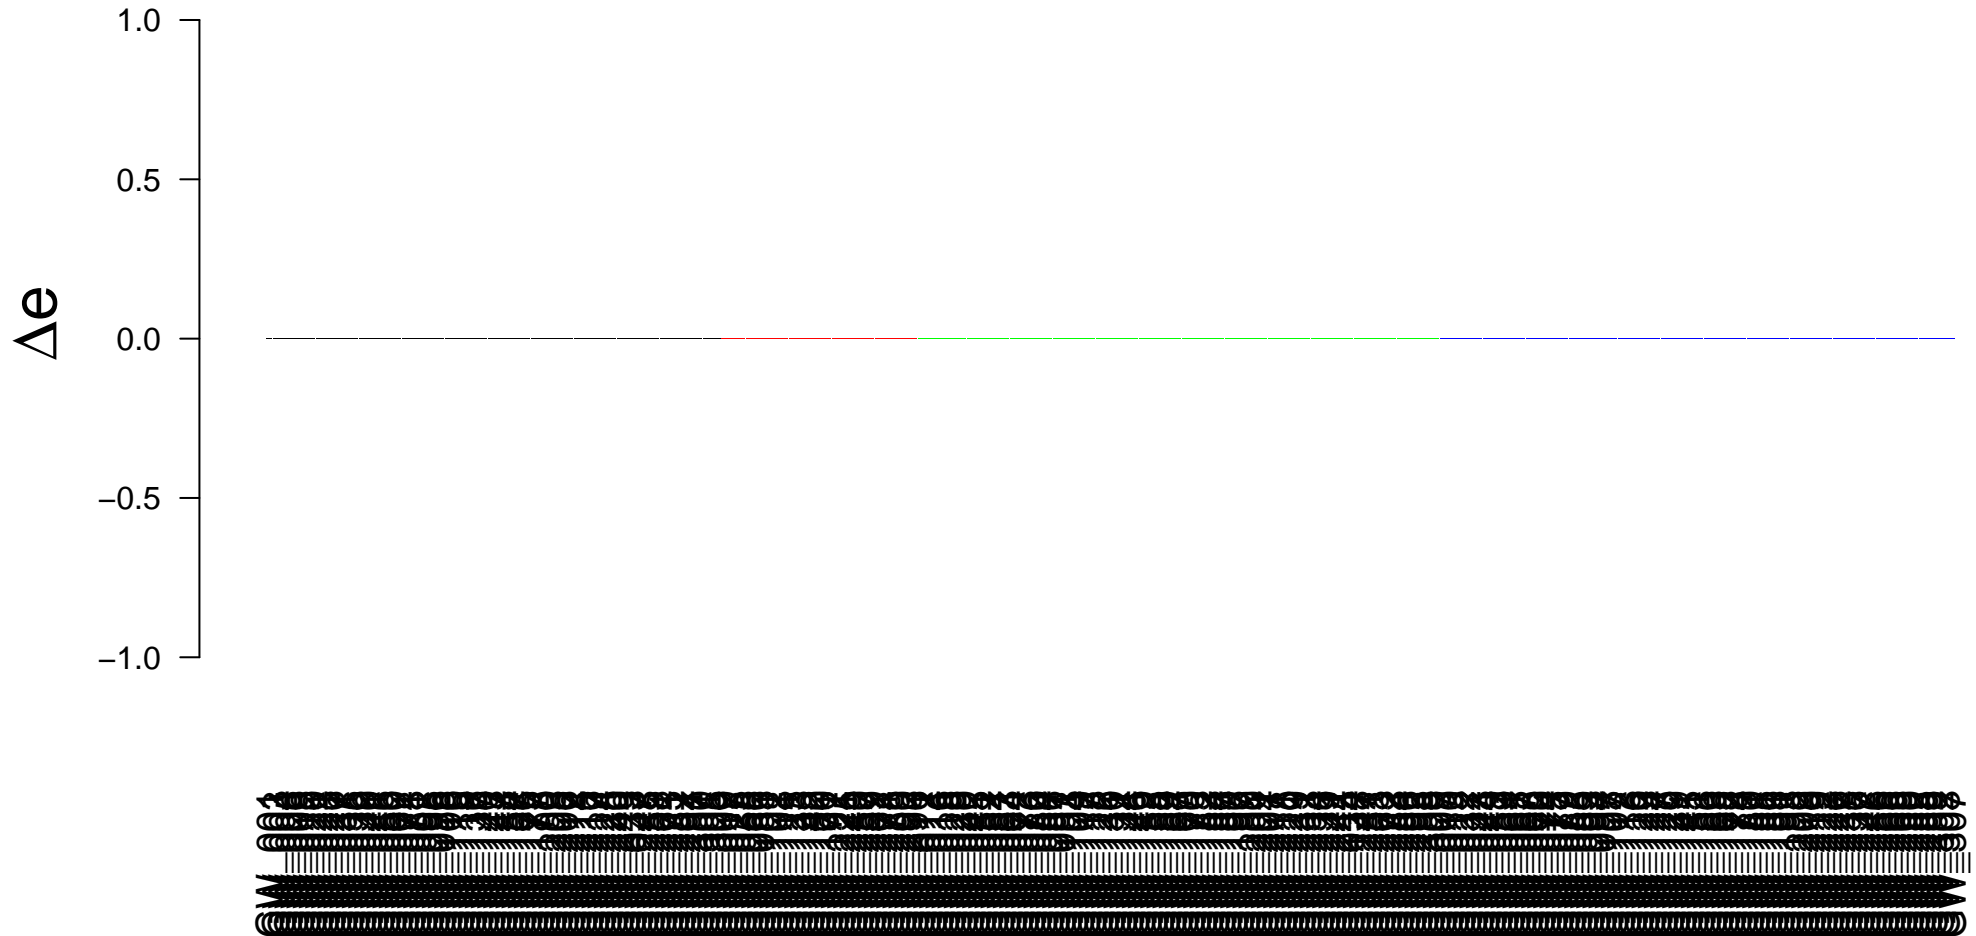

# Expression of protein phosphatase type 2A regulator activity in Spot C

# Expression of protein phosphatase type 2A regulator activity in Spot D

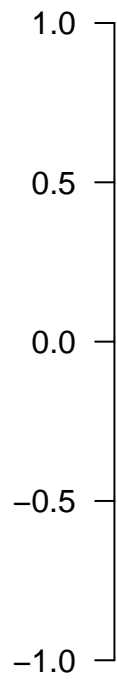

# Expression of protein phosphatase type 2A regulator activity in Spot E

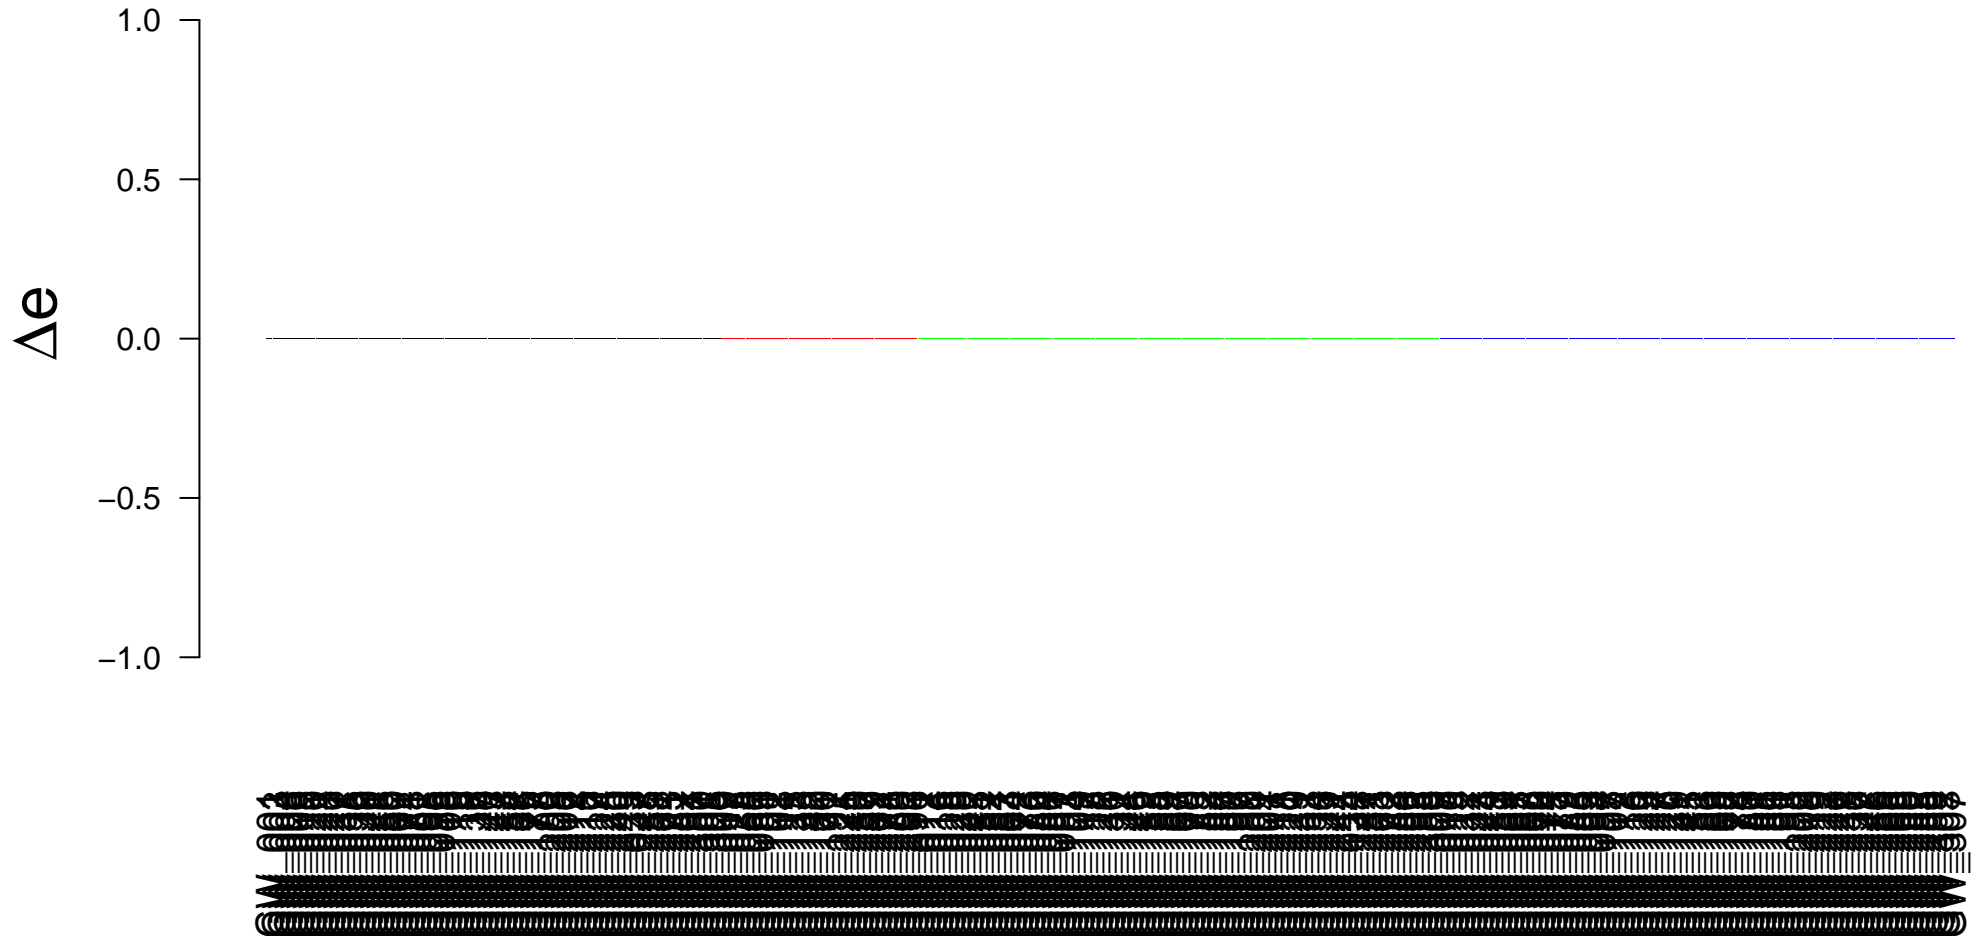

# Expression of protein phosphatase type 2A regulator activity in Spot F

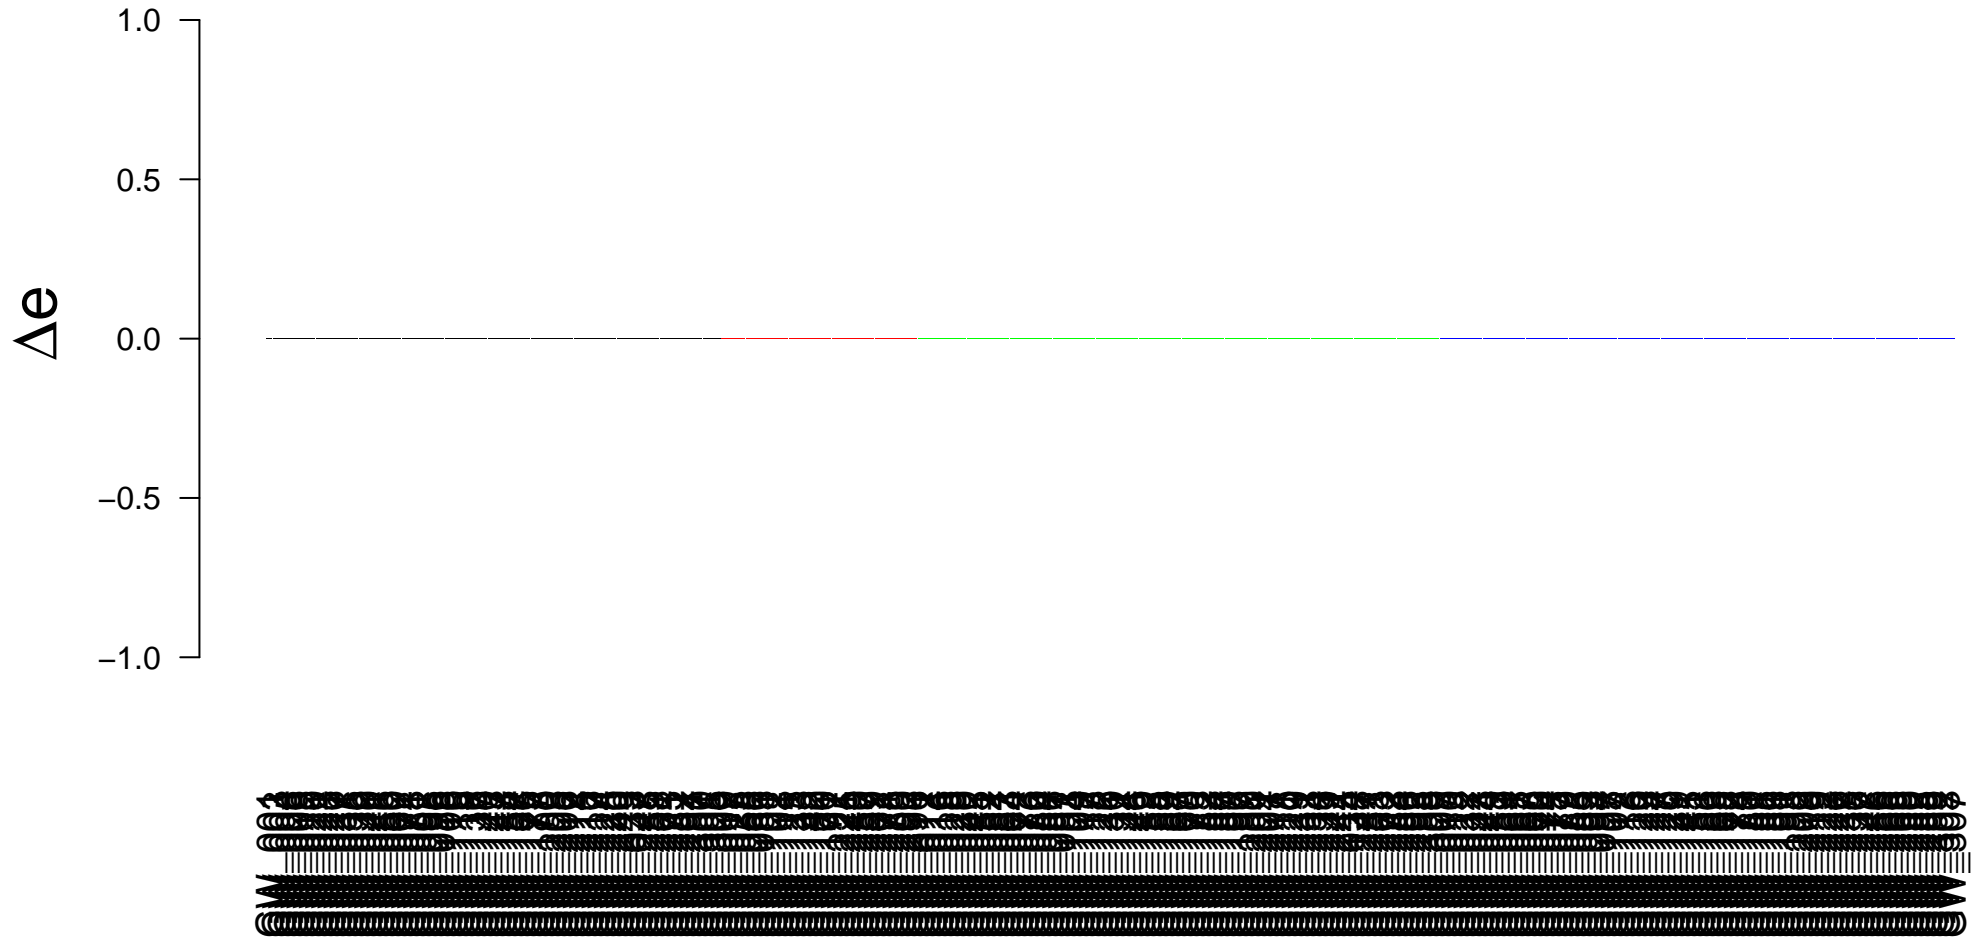

$\Delta e$

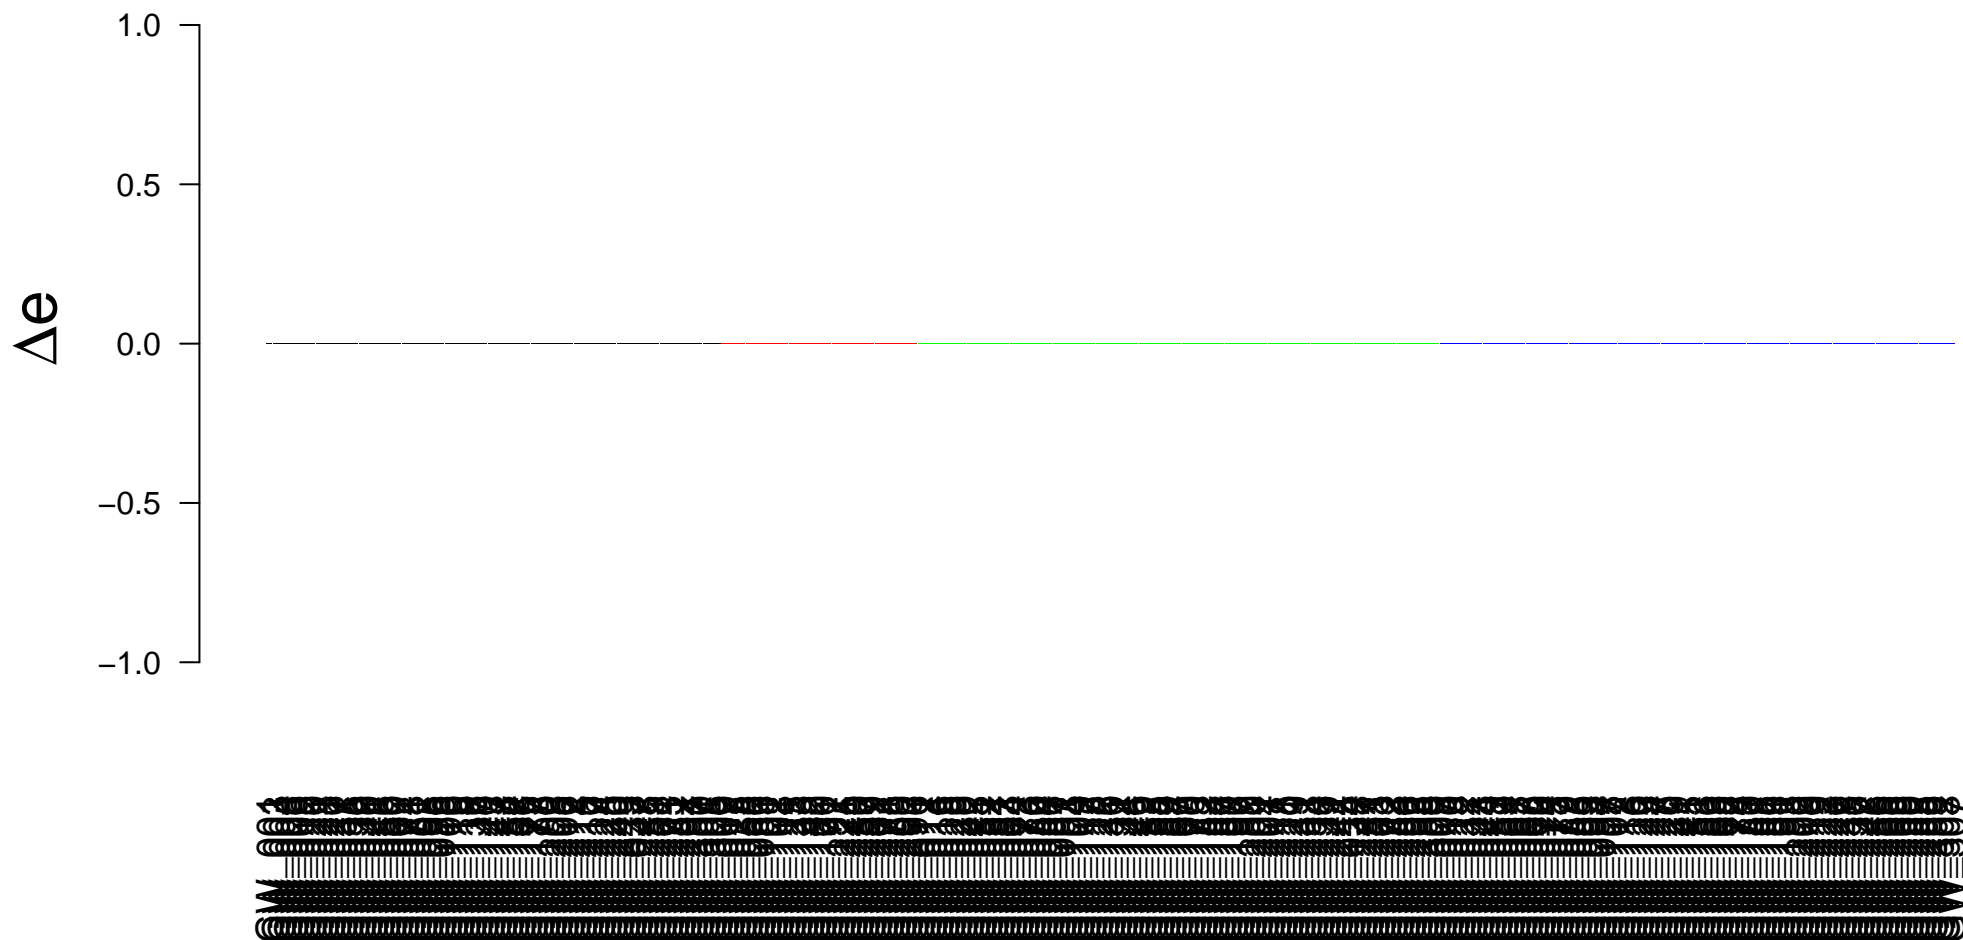

# Expression of protein phosphatase type 2A regulator activity in Spot G

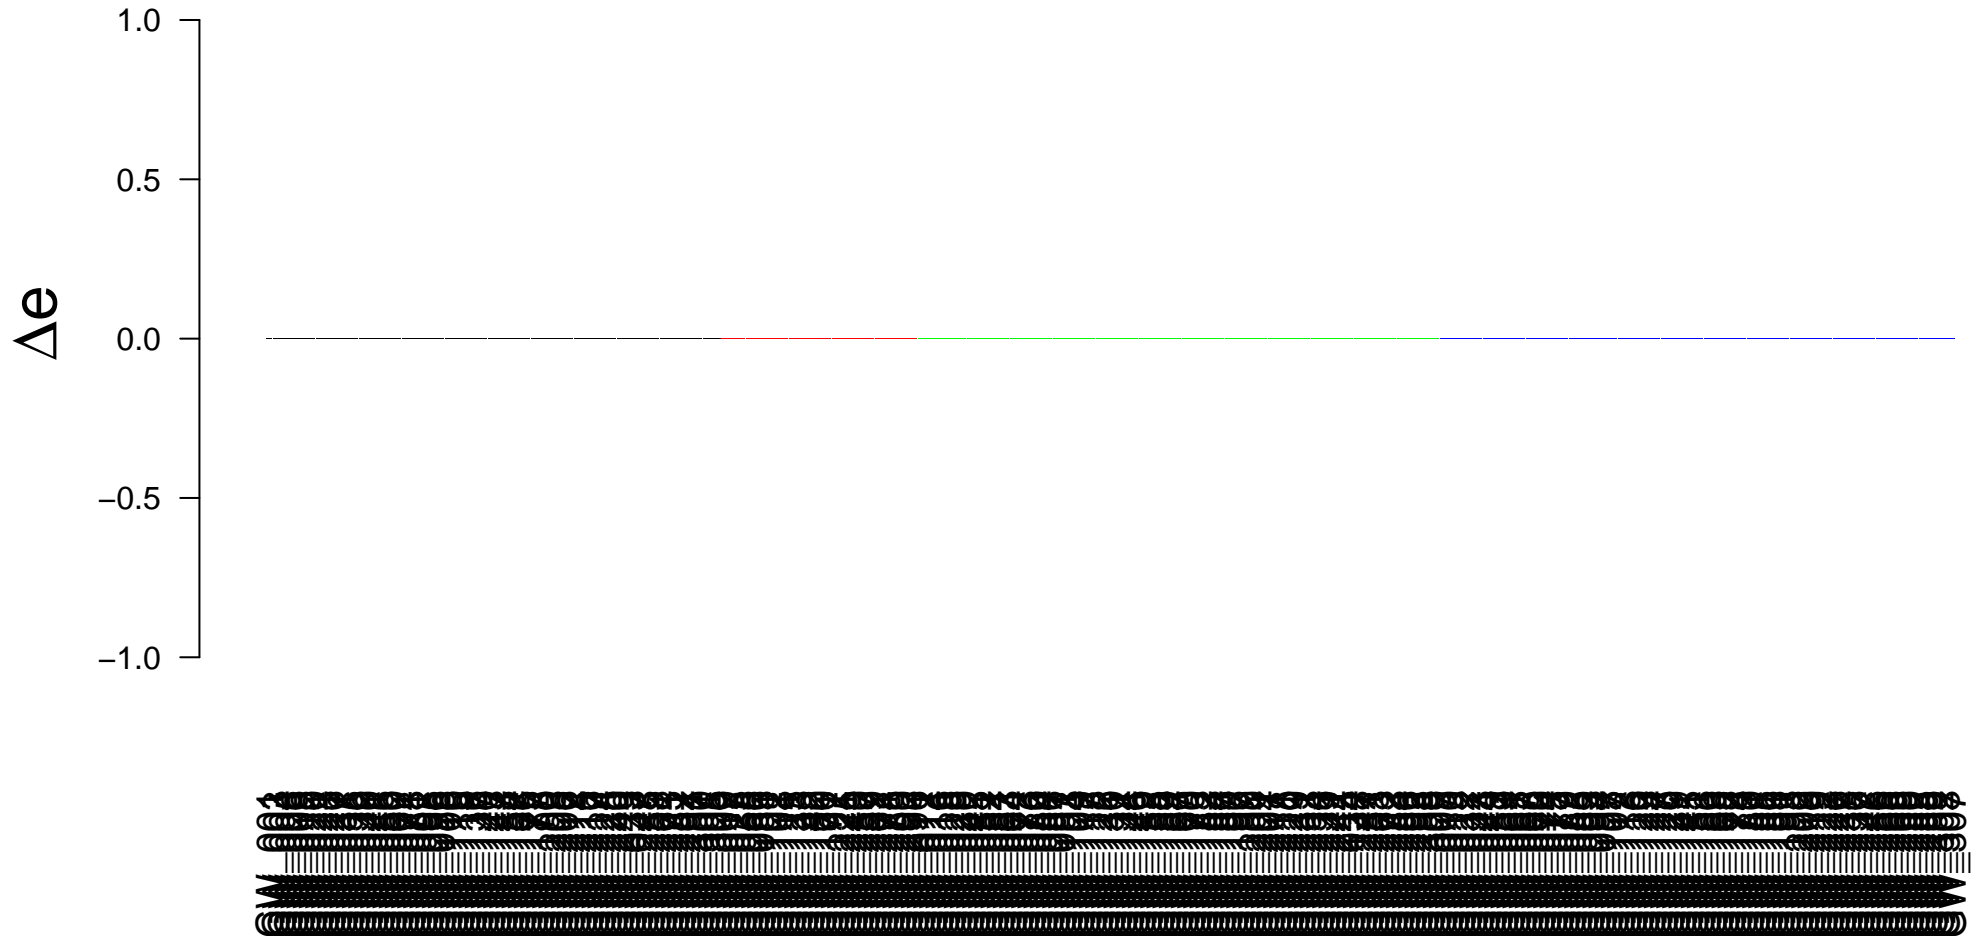

# Expression of protein phosphatase type 2A regulator activity in Spot H

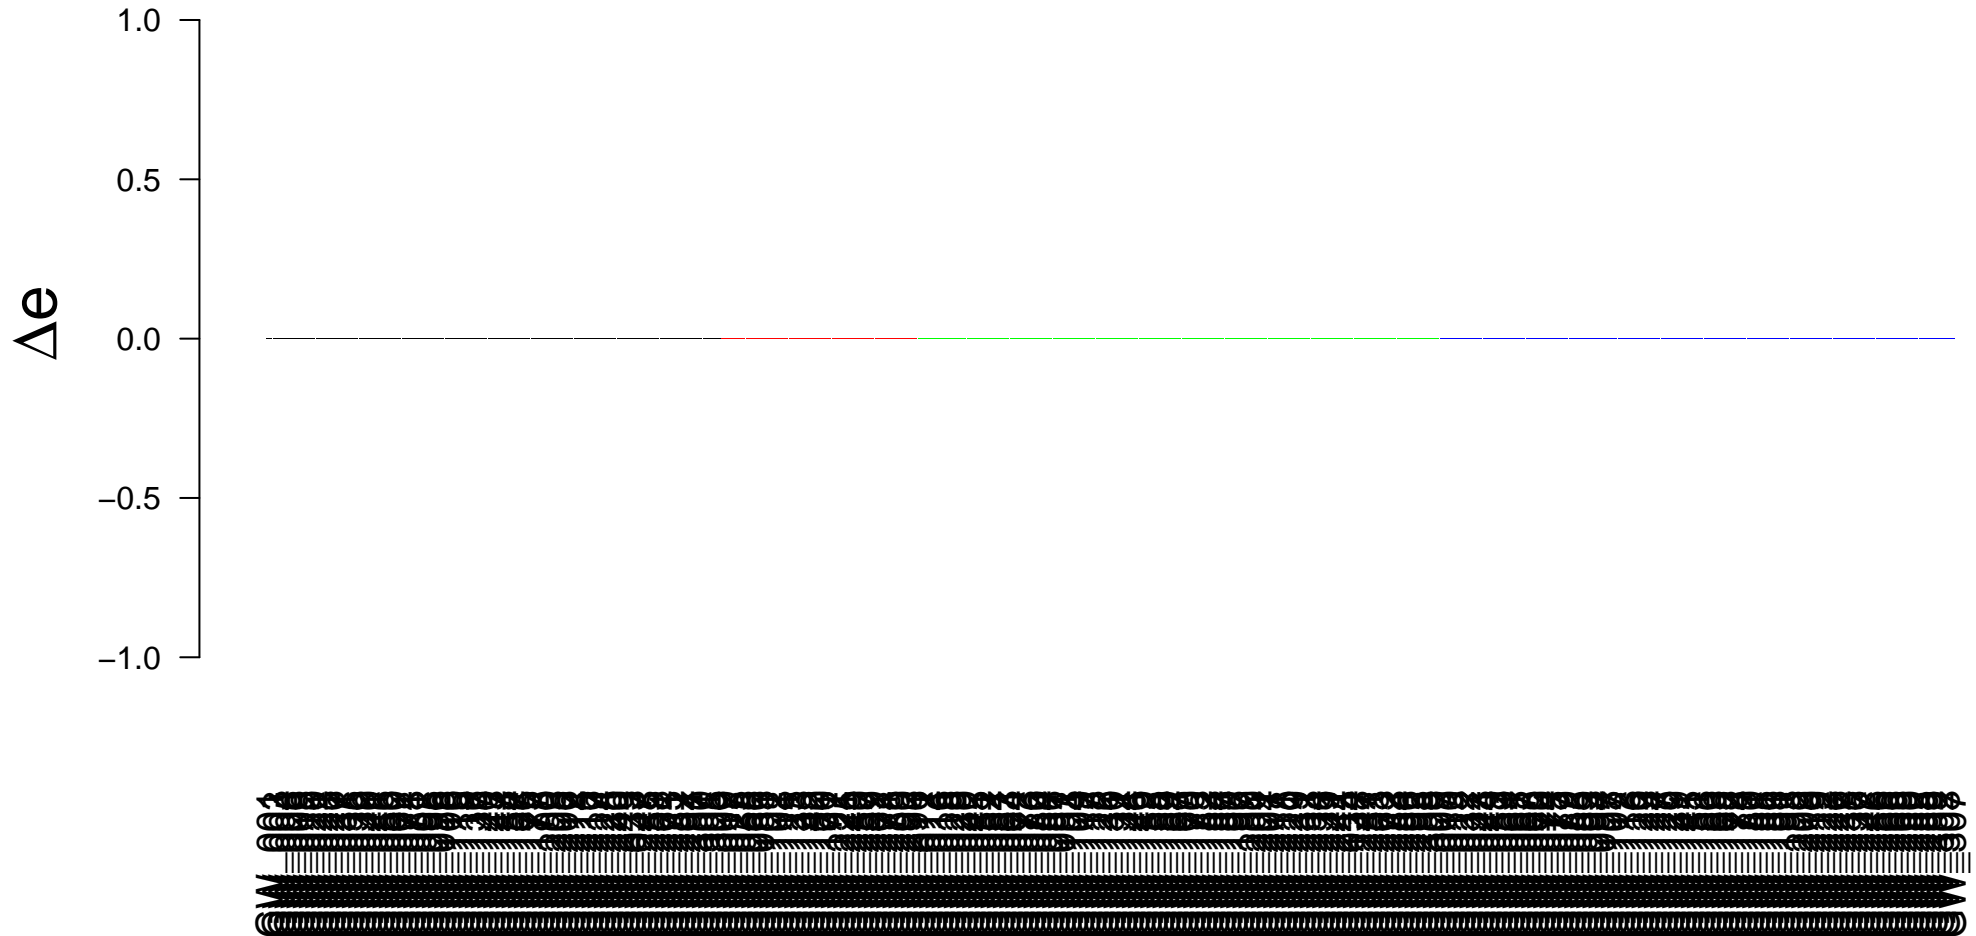

# Expression of protein phosphatase type 2A regulator activity in Spot I

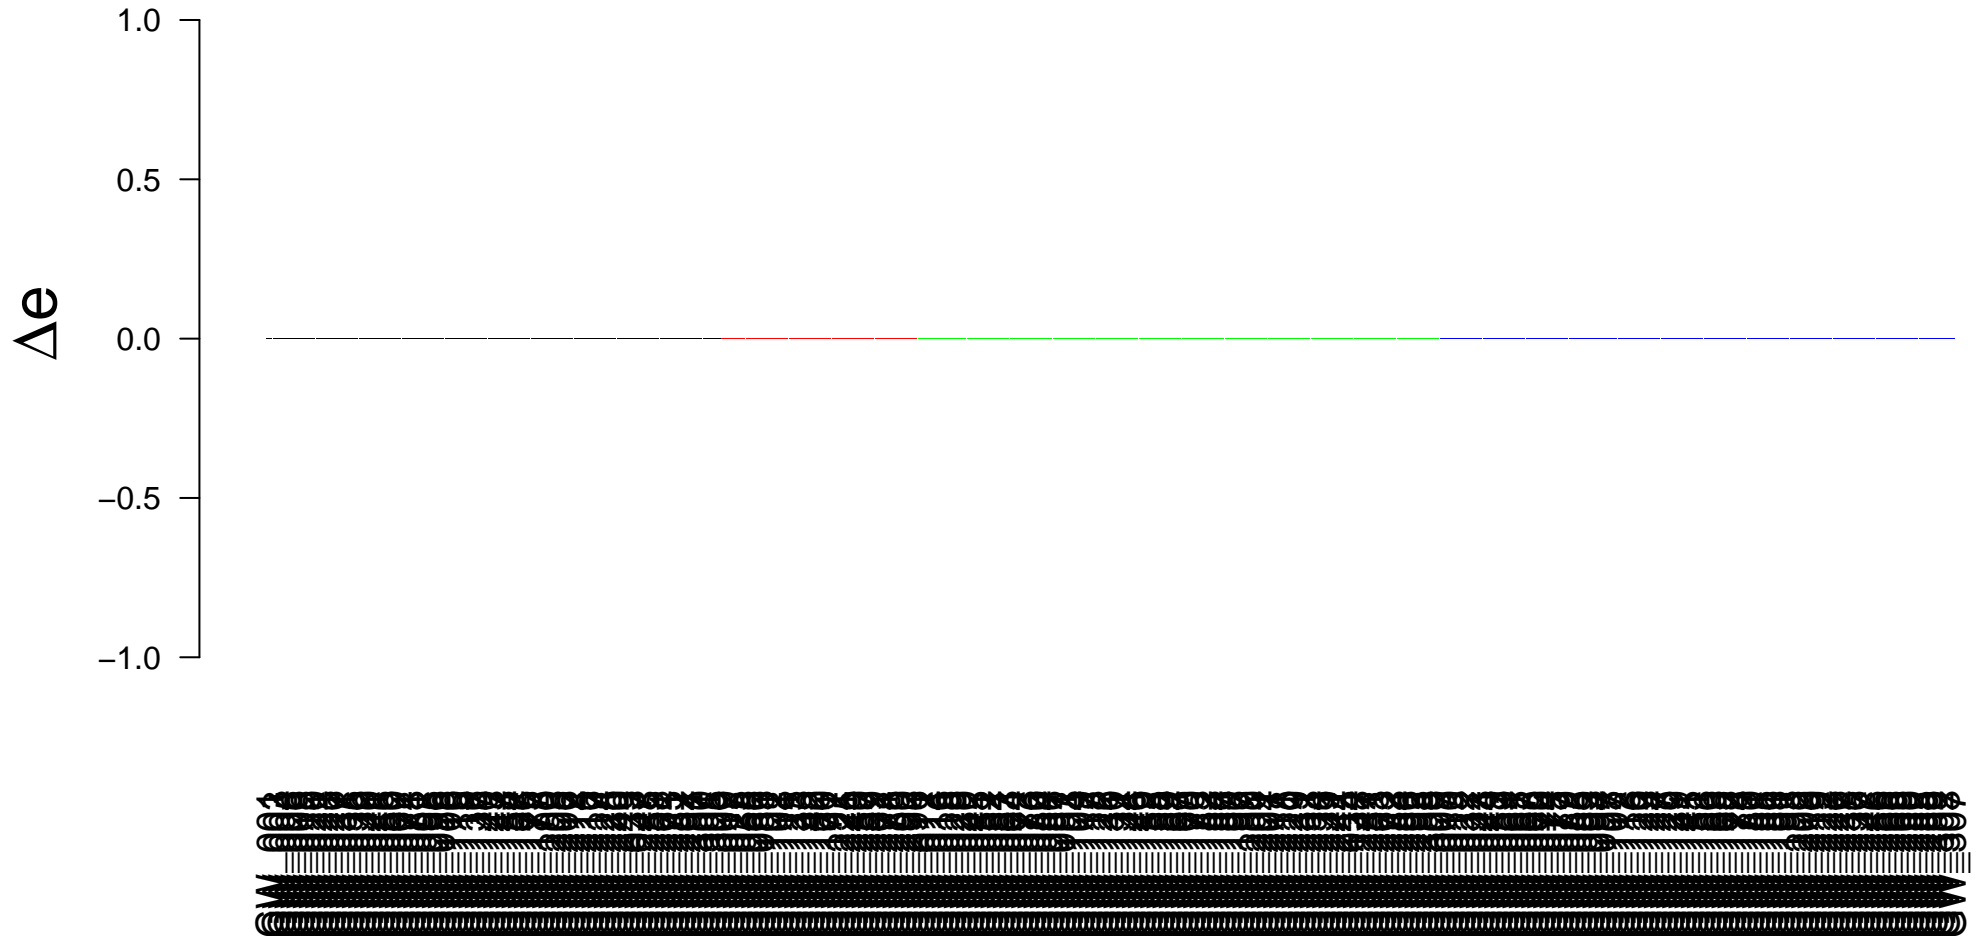

# Expression of protein phosphatase type 2A regulator activity in Spot J

# Expression of protein phosphatase type 2A regulator activity in Spot K

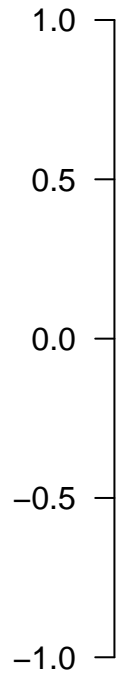

# Expression of protein phosphatase type 2A regulator activity in Spot L

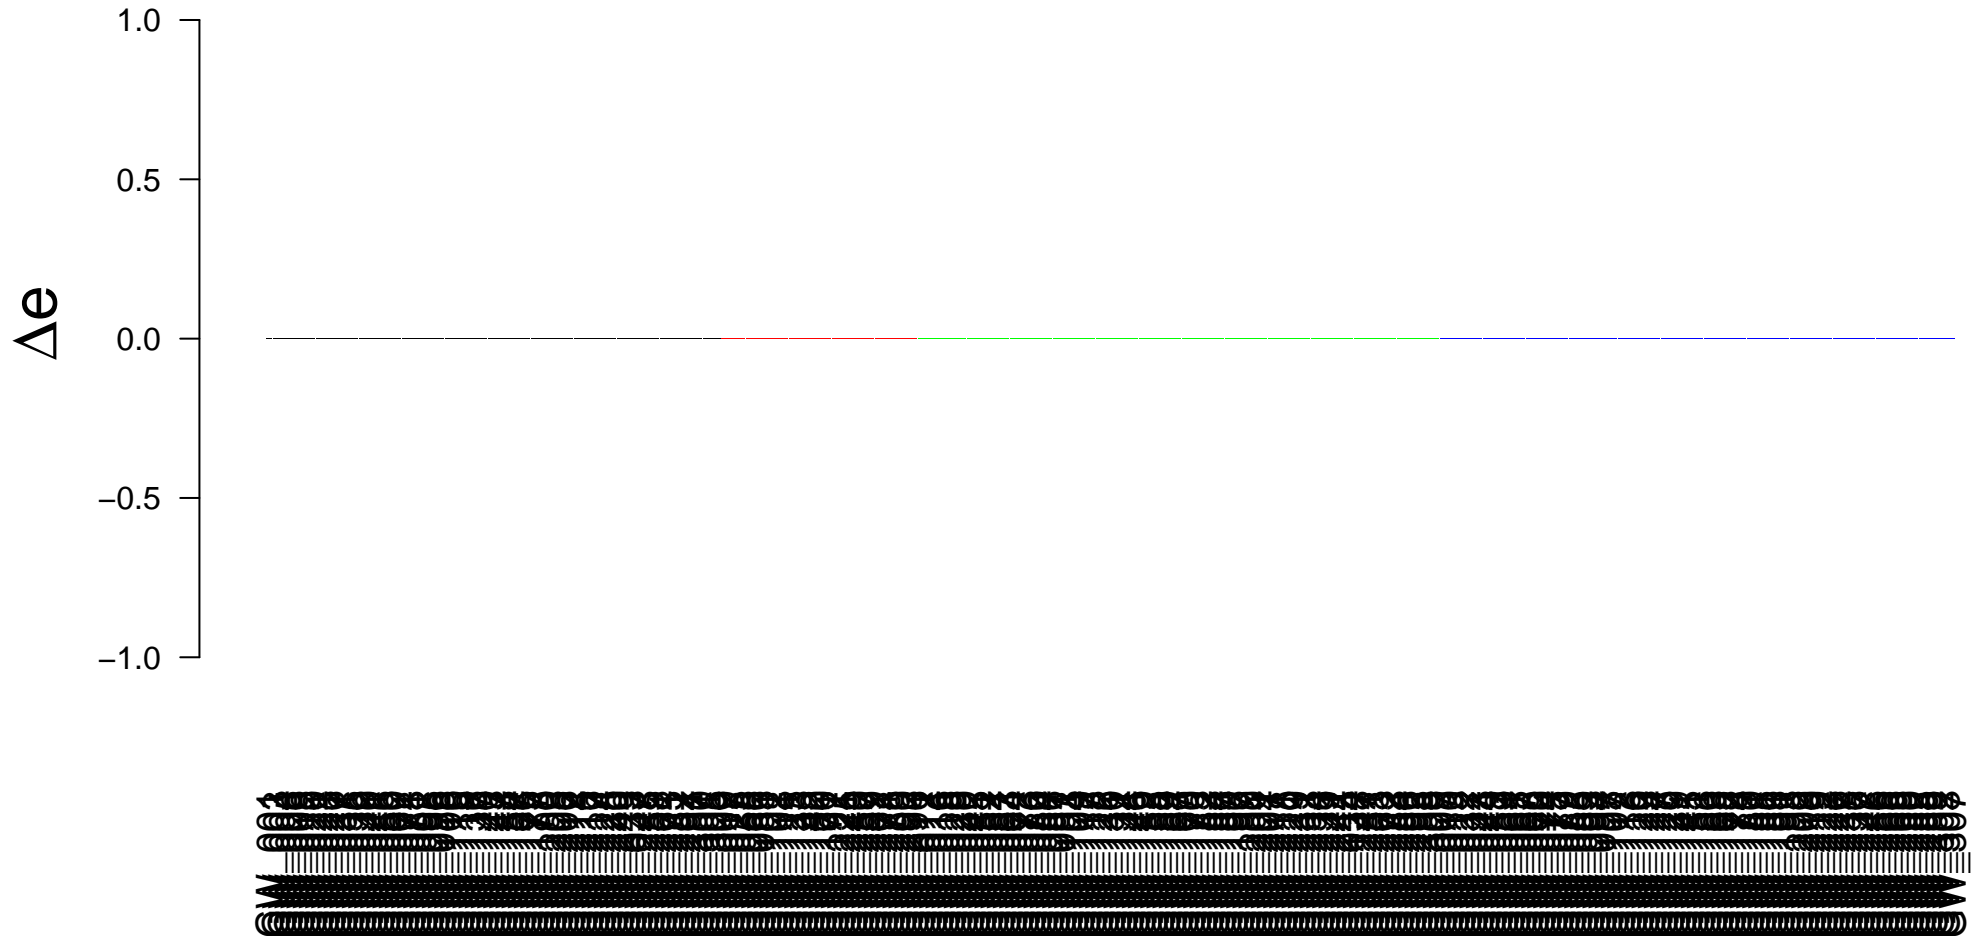

# Expression of protein phosphatase type 2A regulator activity in Spot M

$\Delta e$

# Expression of protein phosphatase type 2A regulator activity in Spot N

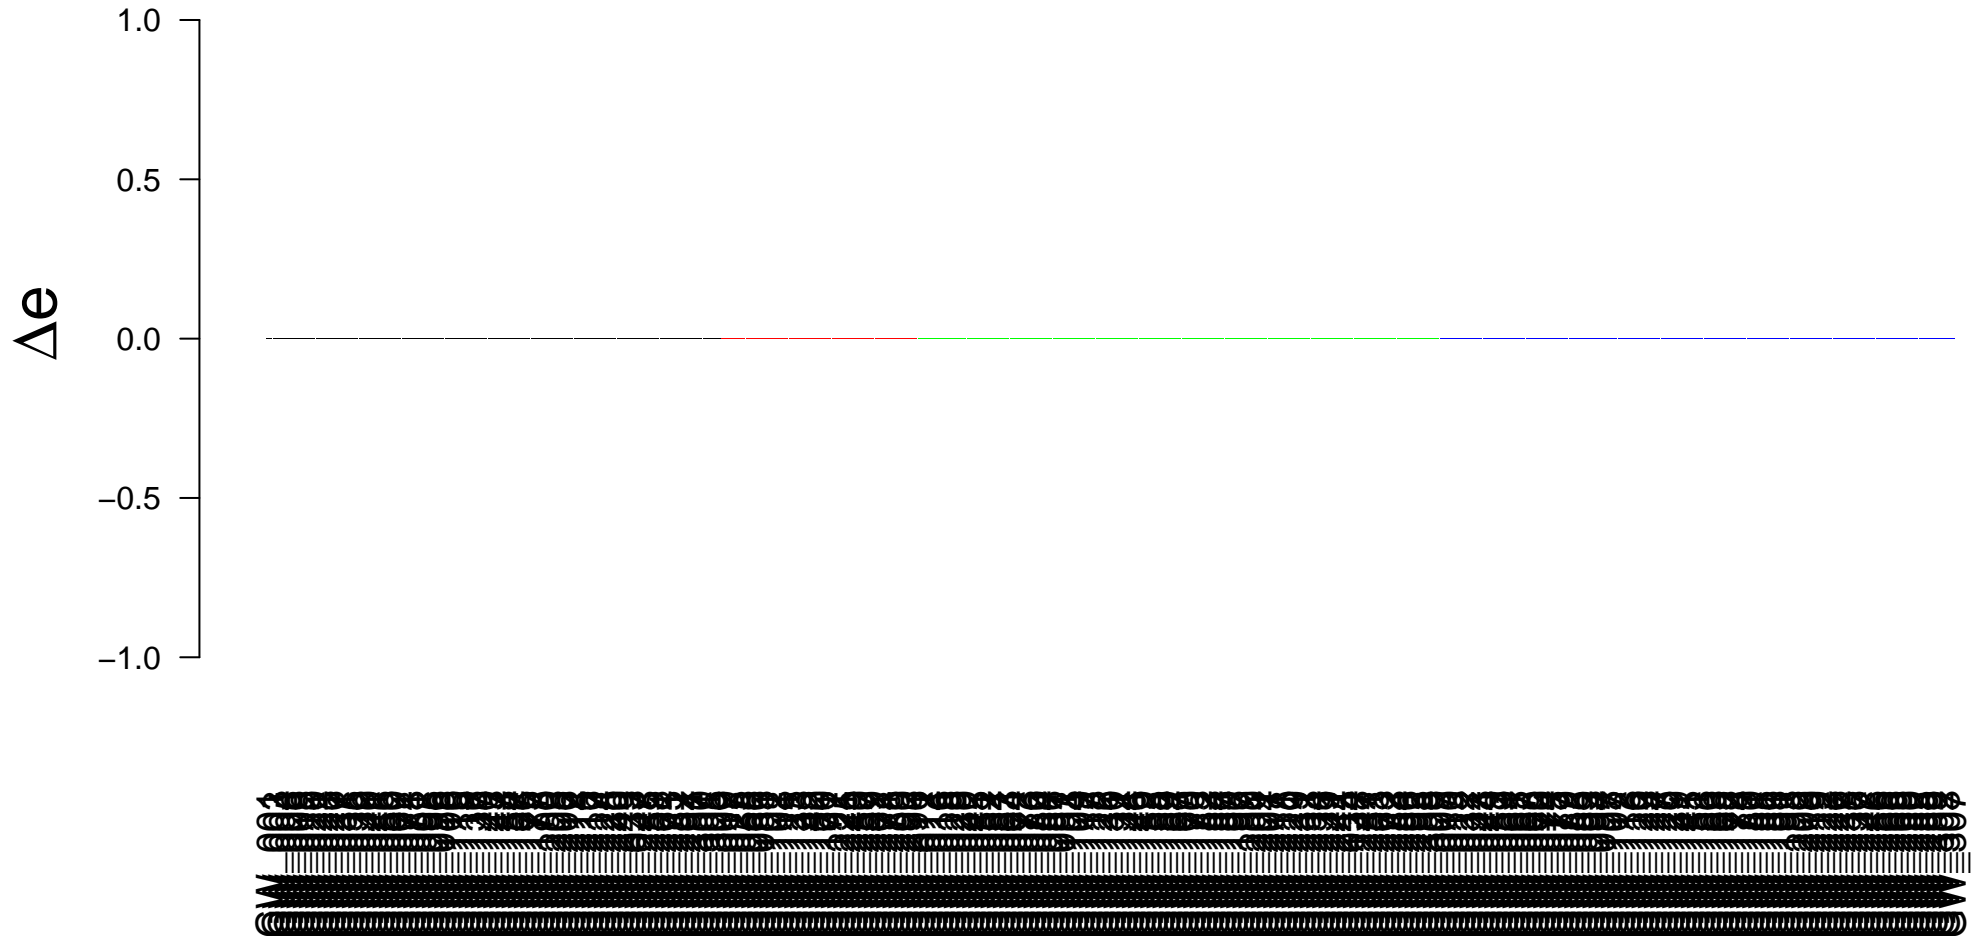

# Expression of protein phosphatase type 2A regulator activity in Spot O
