

# protein polymerization

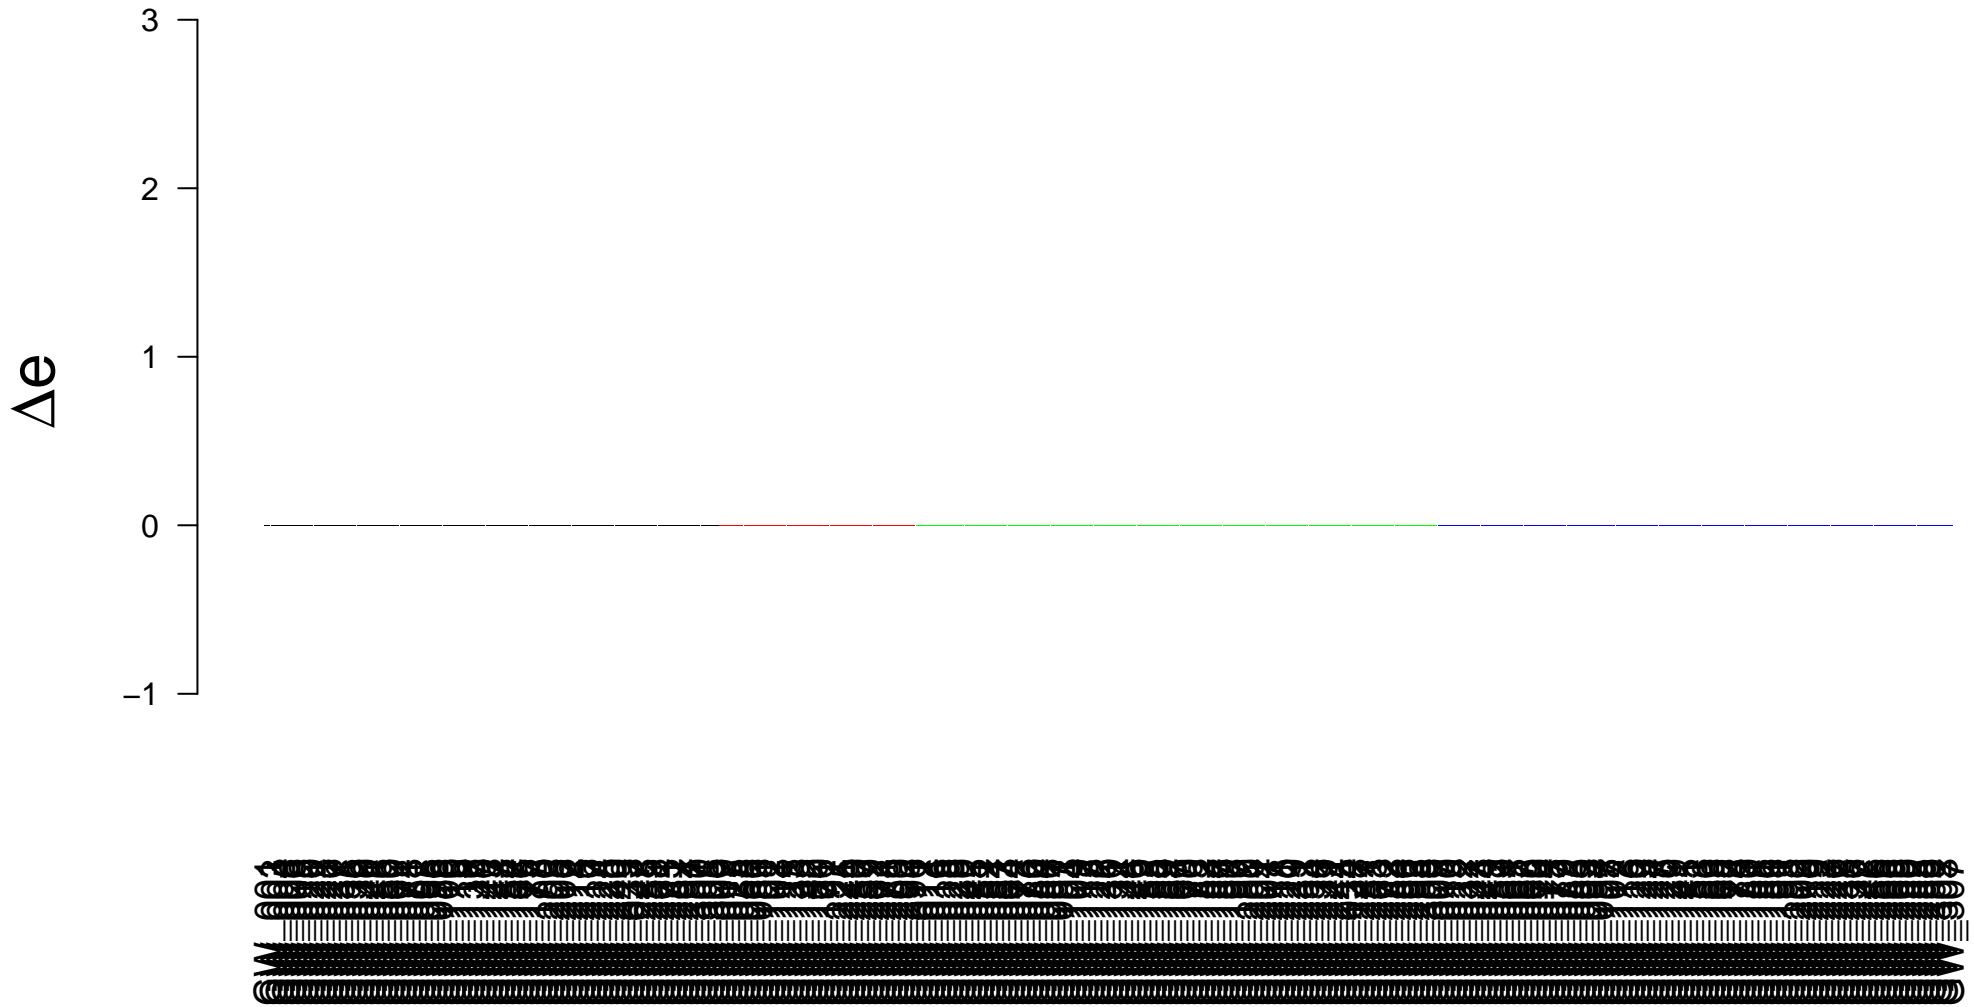

# protein polymerization

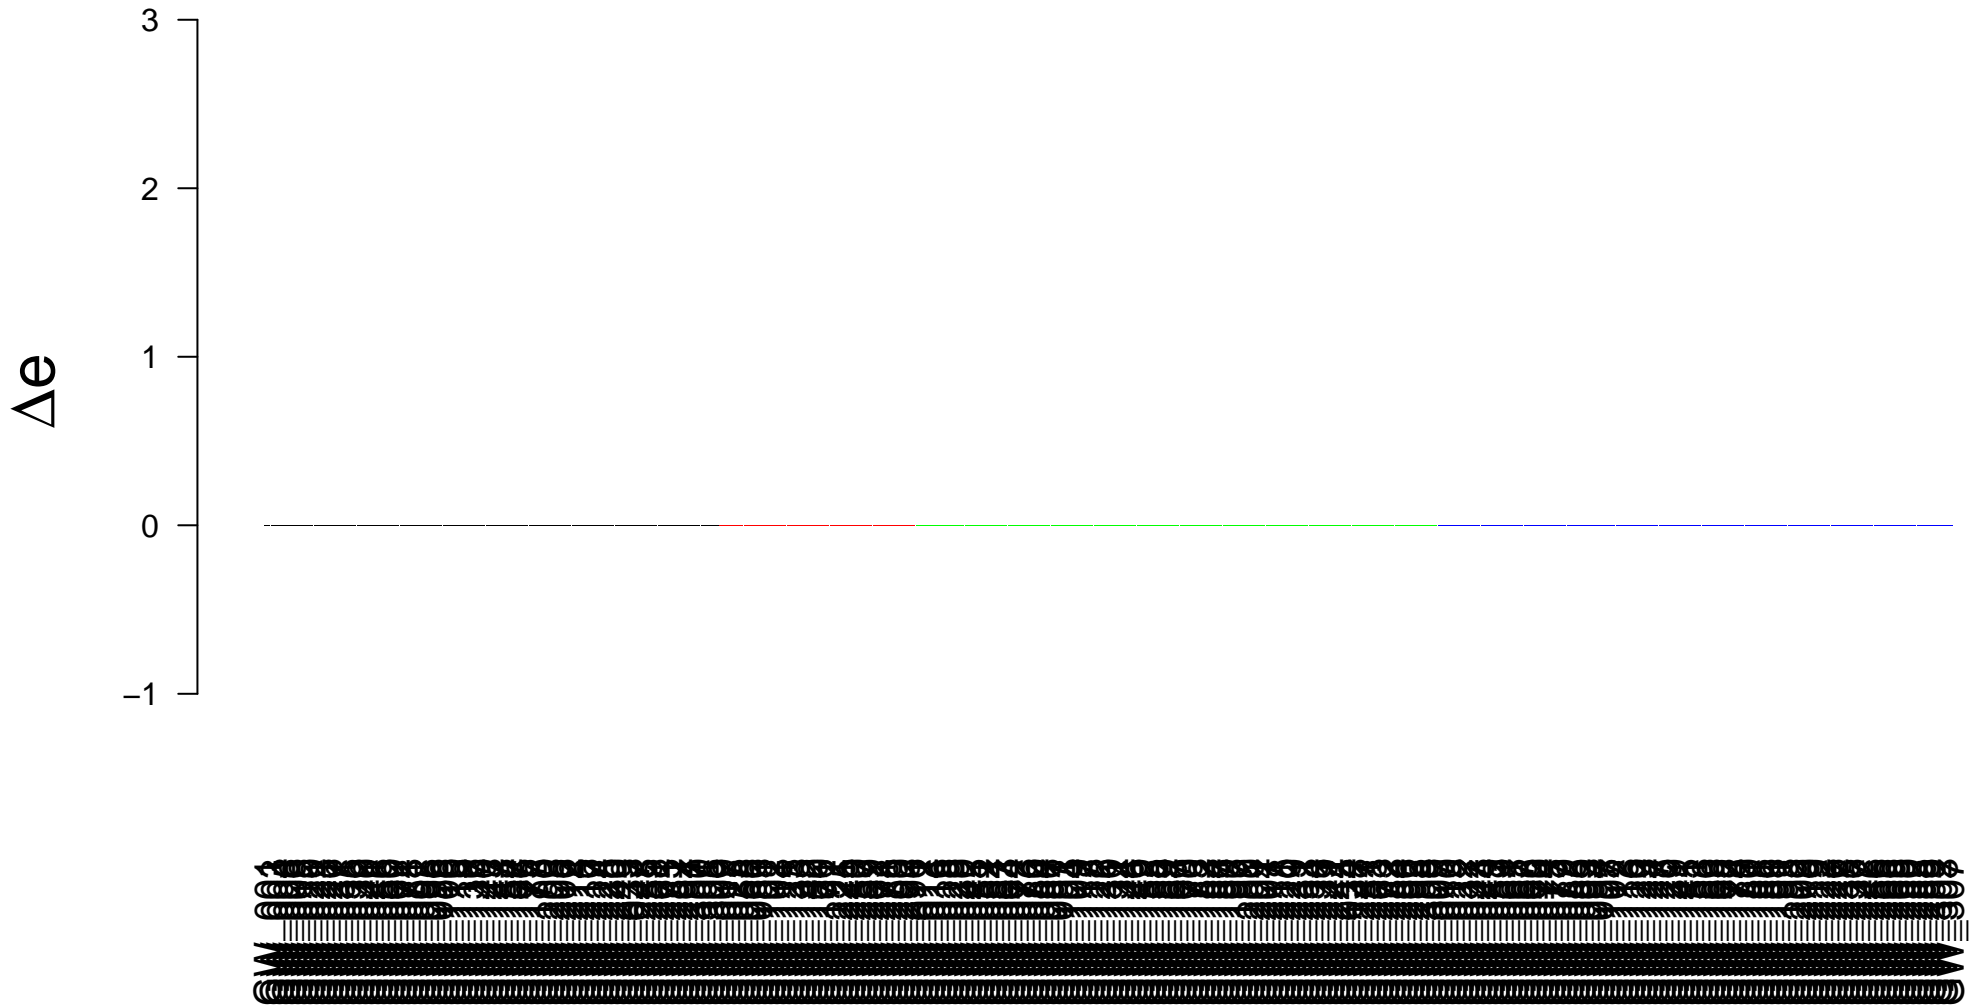

### Enrichment in spots: protein polymerization

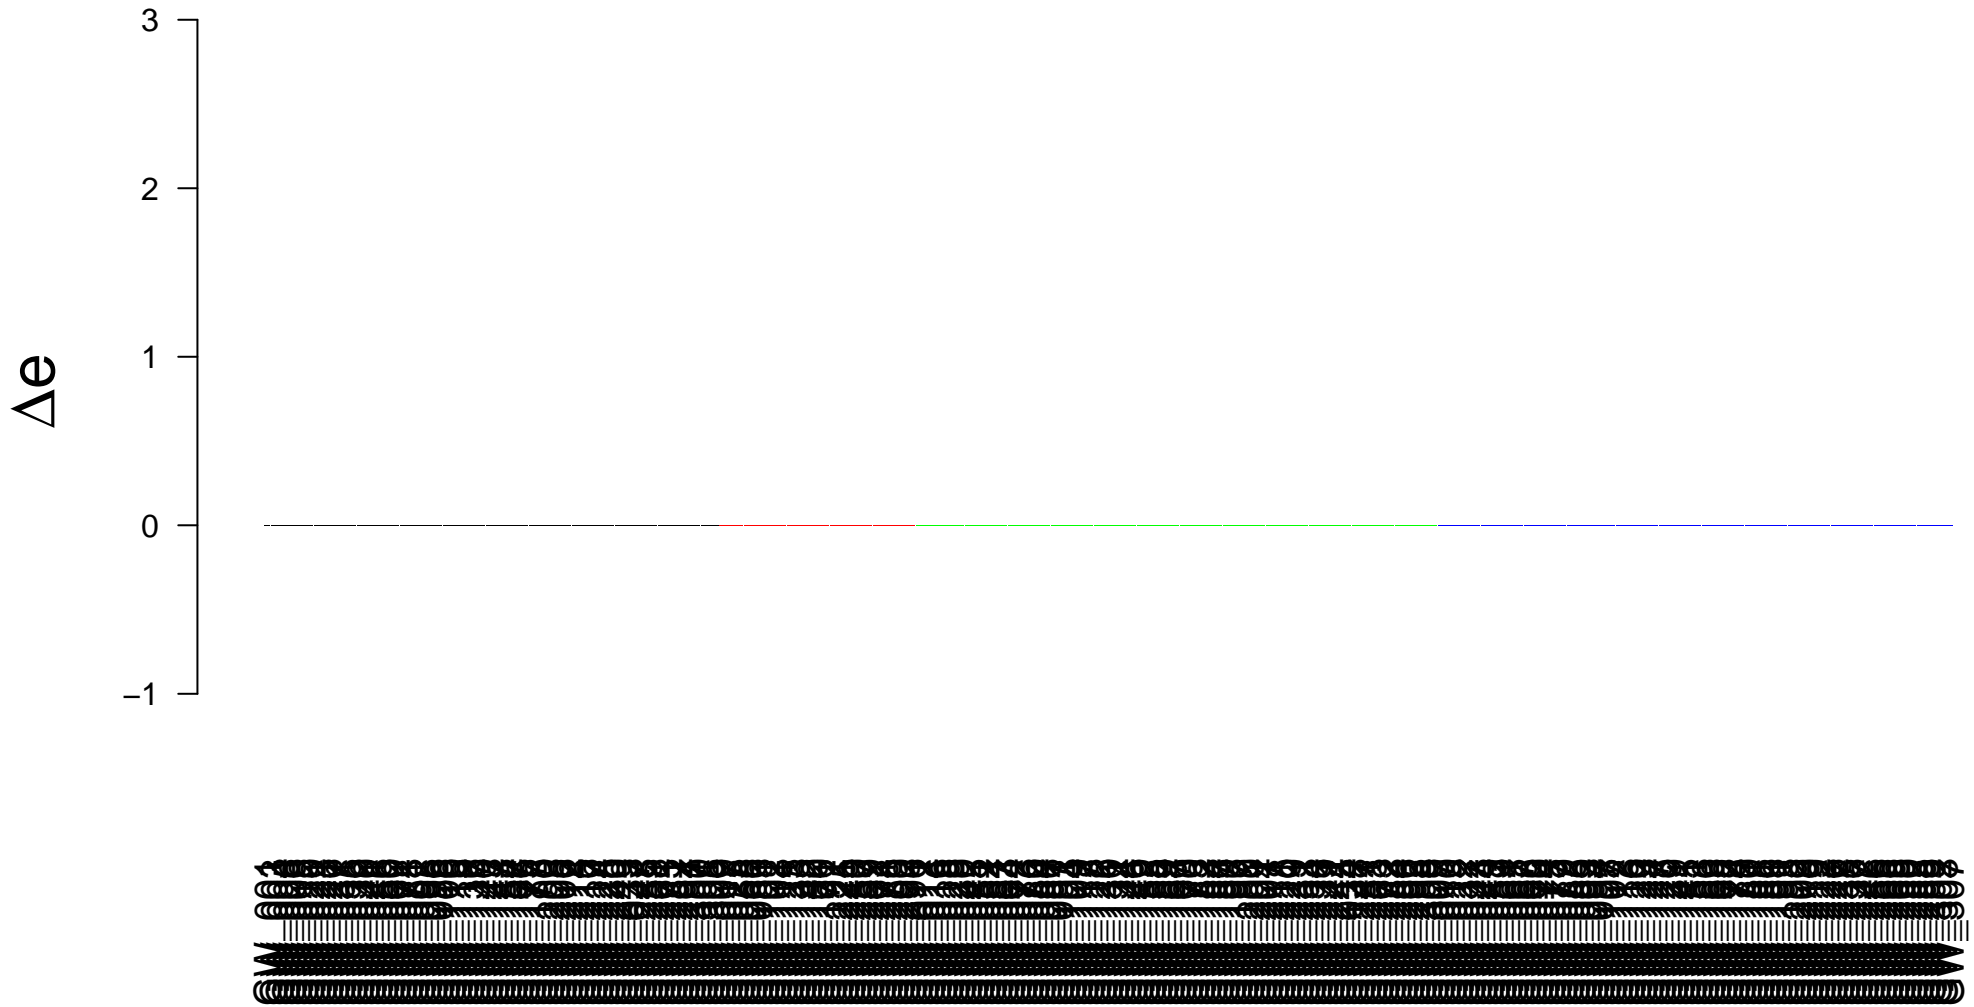

# Expression of protein polymerization in Spot A

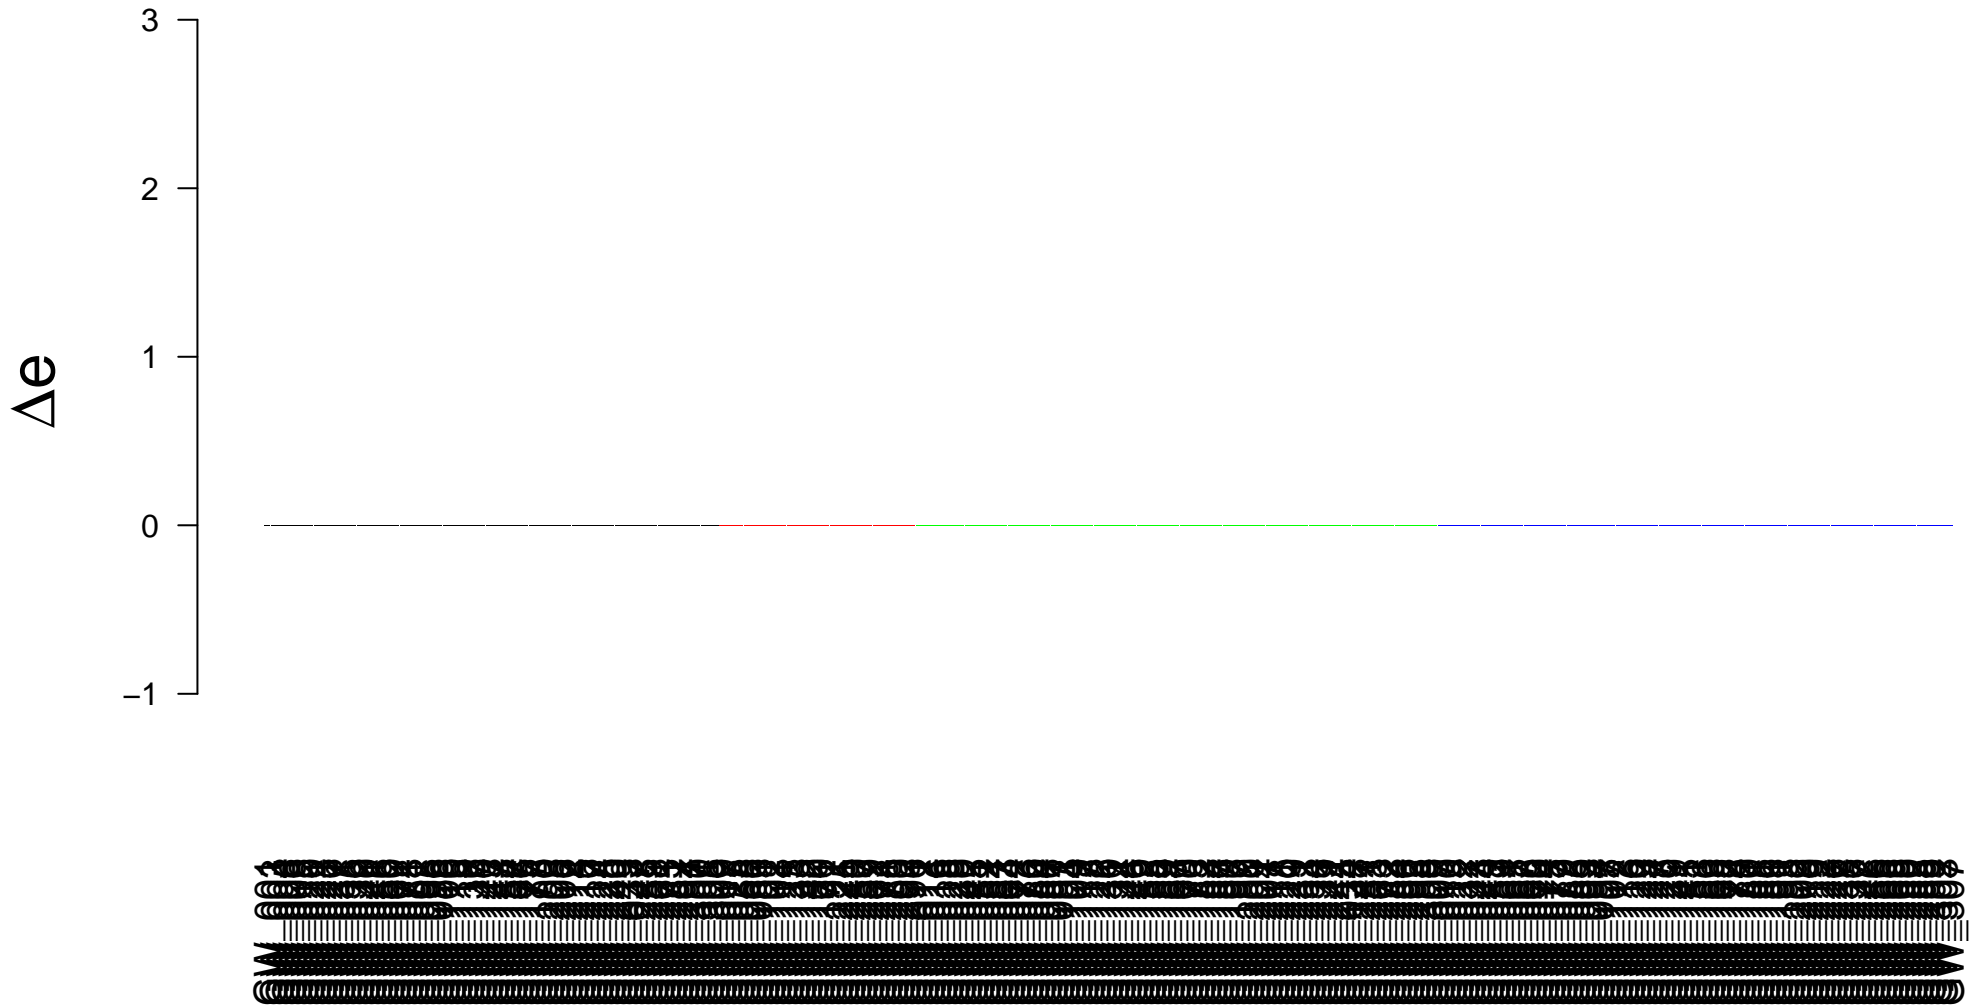

# Expression of protein polymerization in Spot B

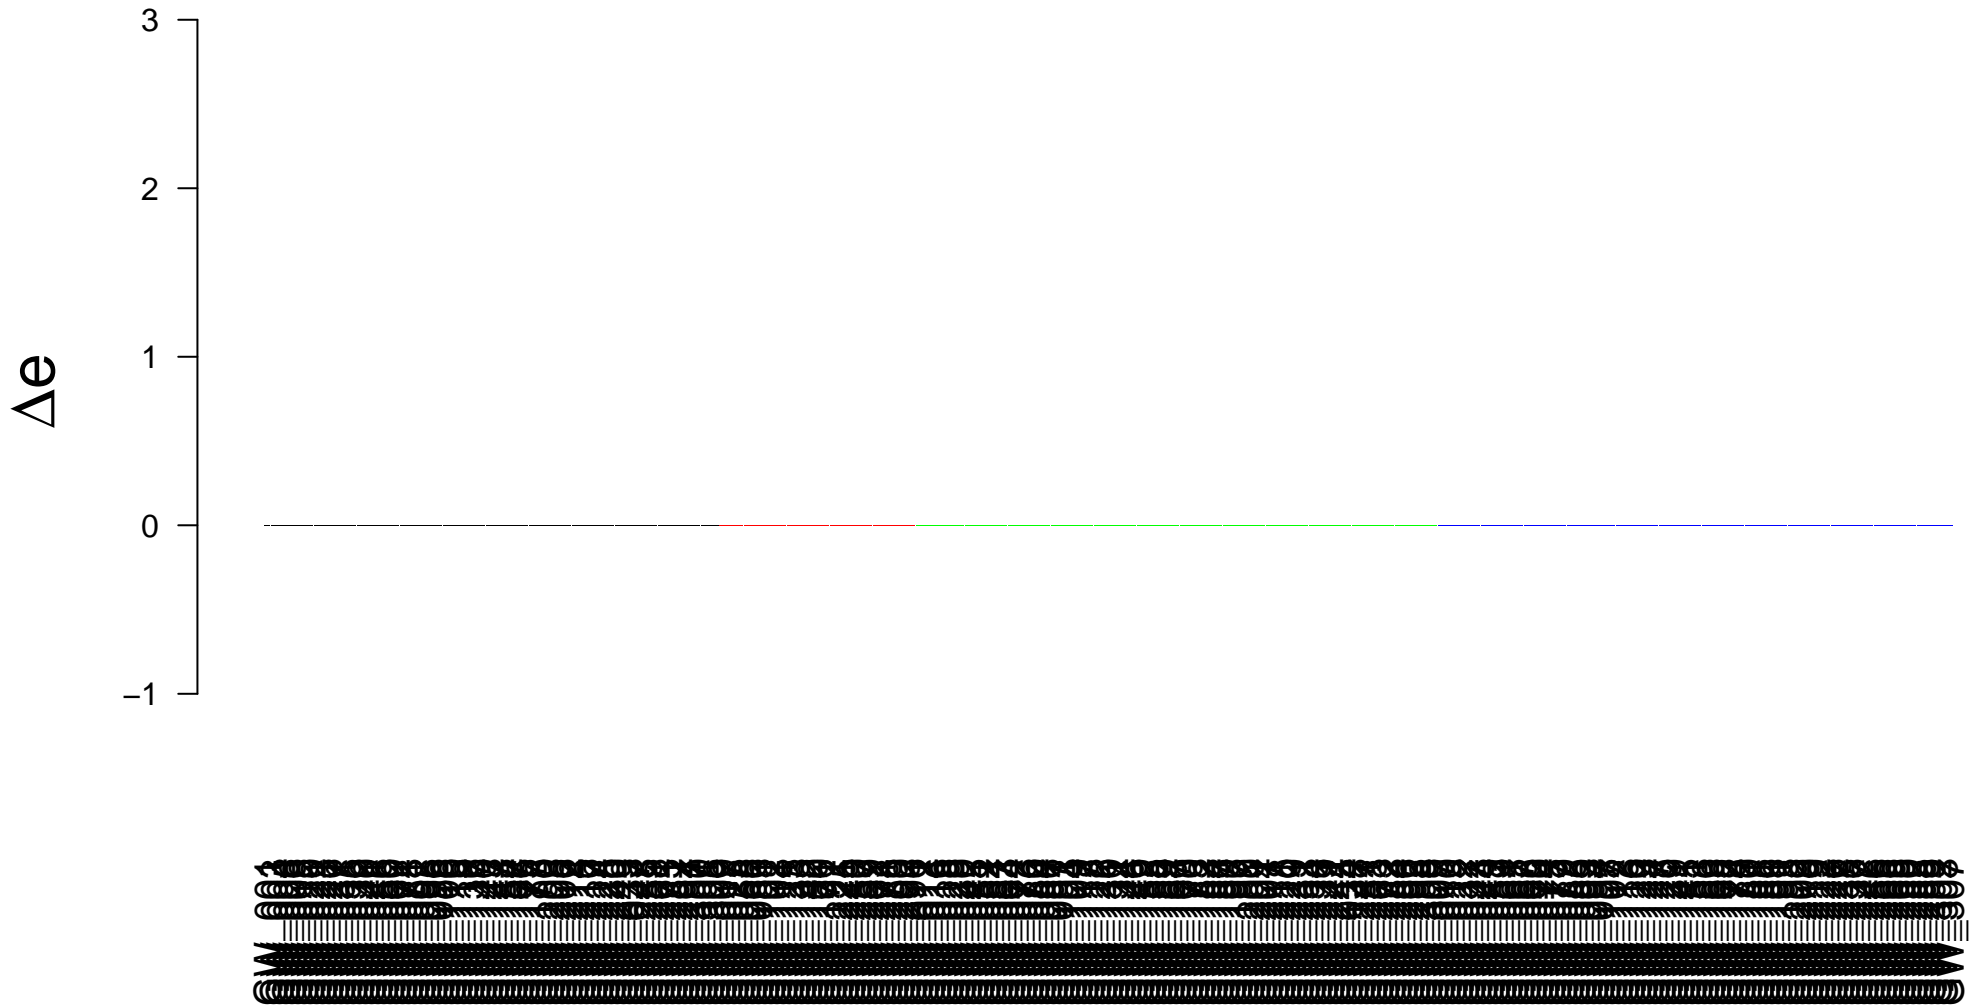

# Expression of protein polymerization in Spot C

# Expression of protein polymerization in Spot D

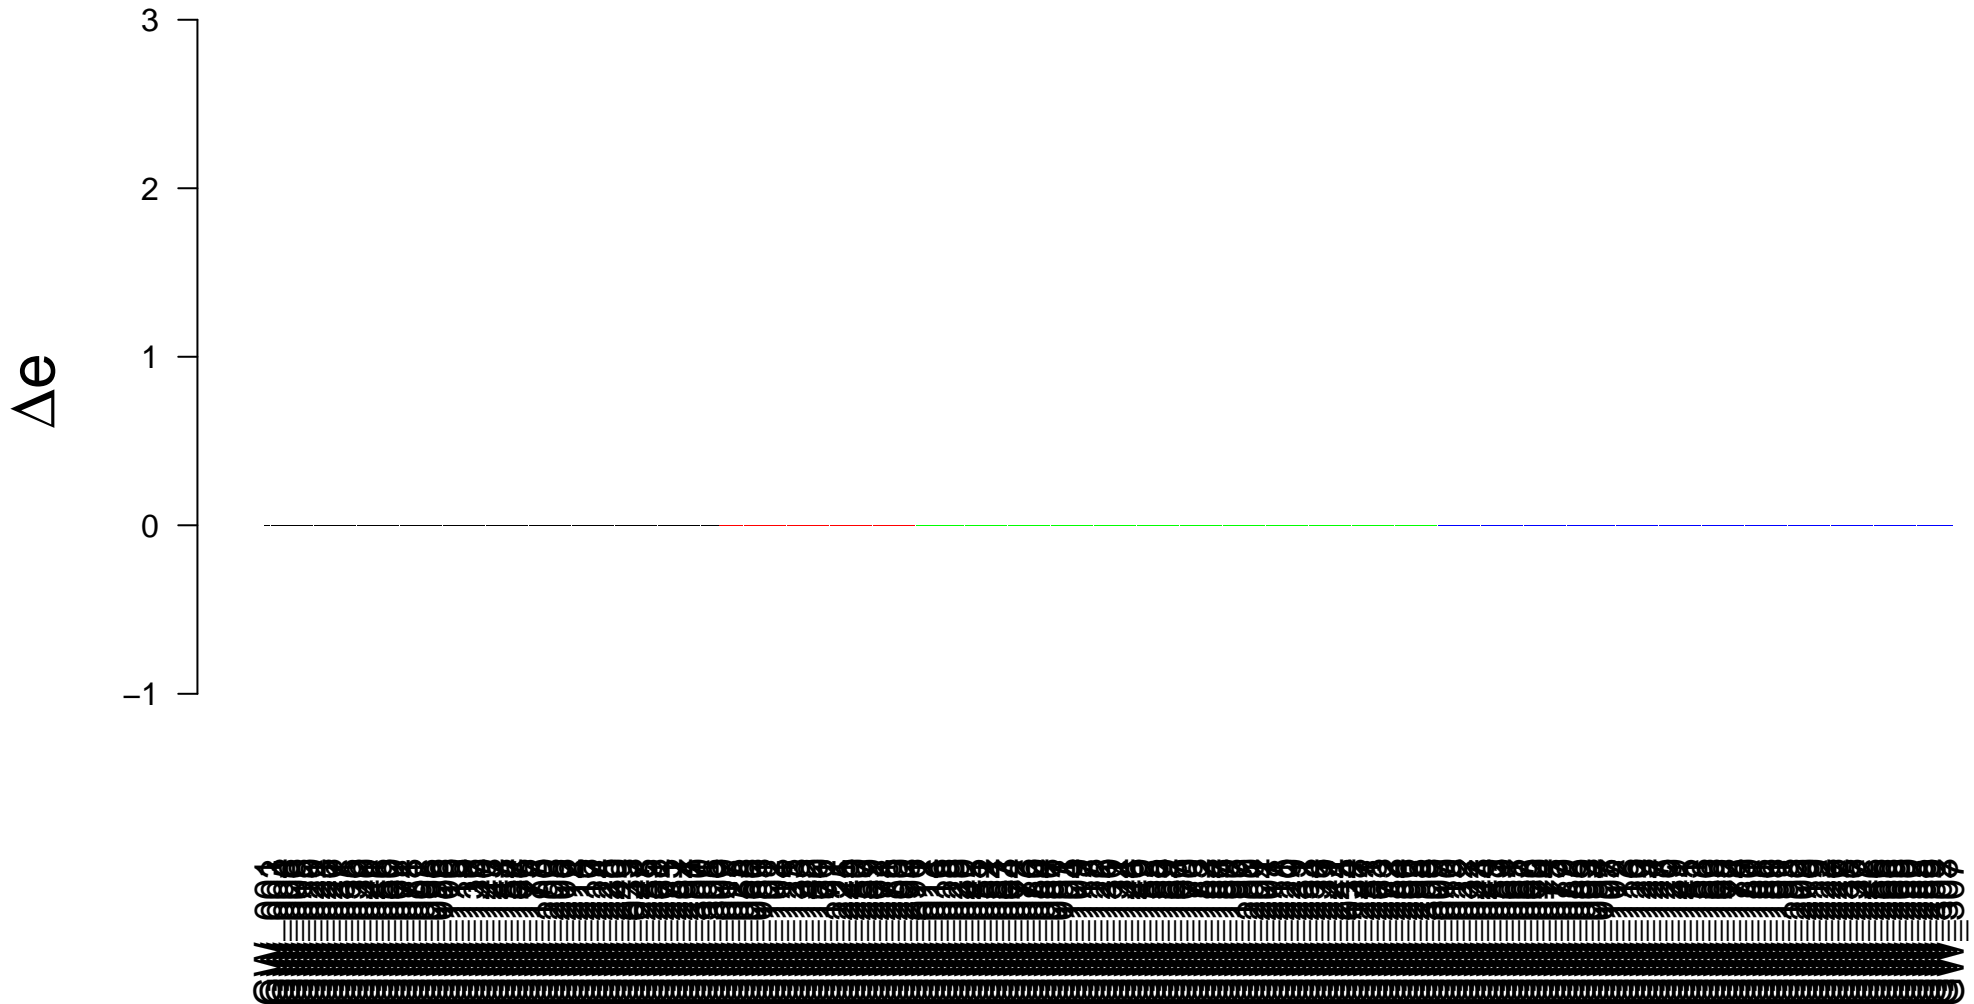

# Expression of protein polymerization in Spot E

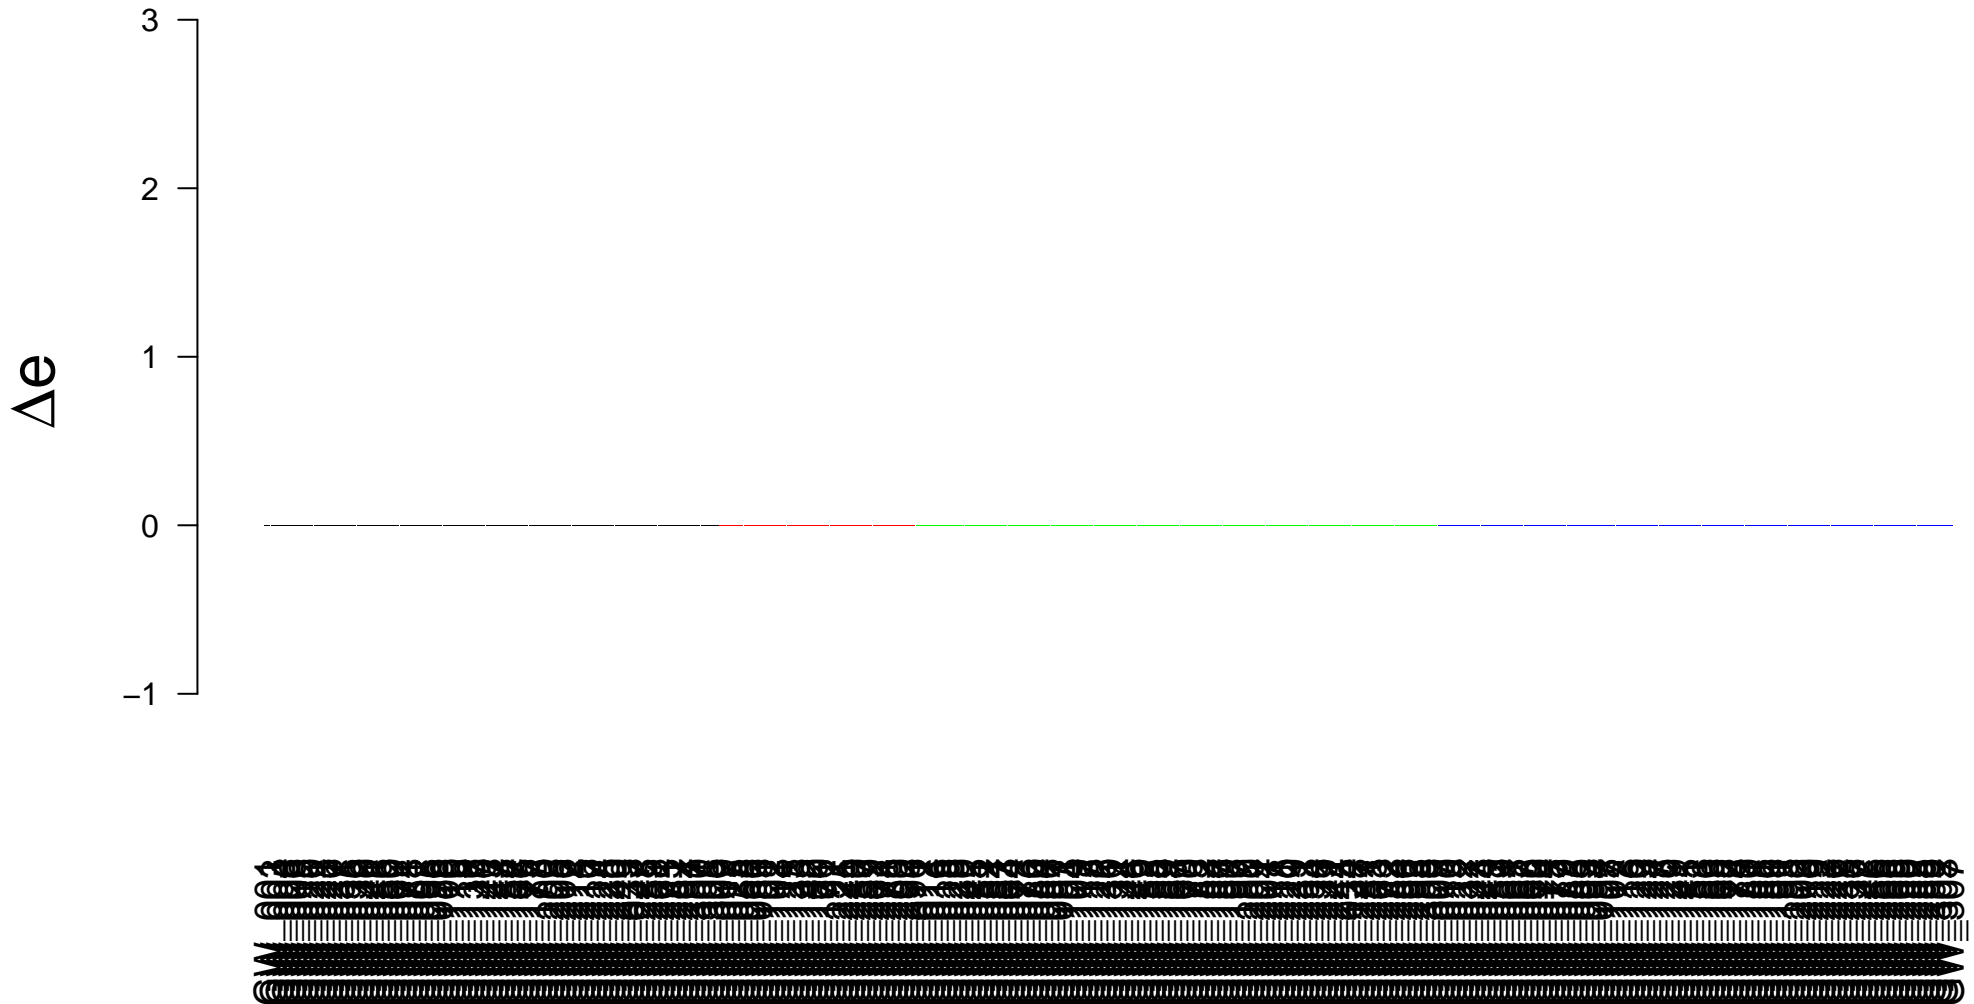

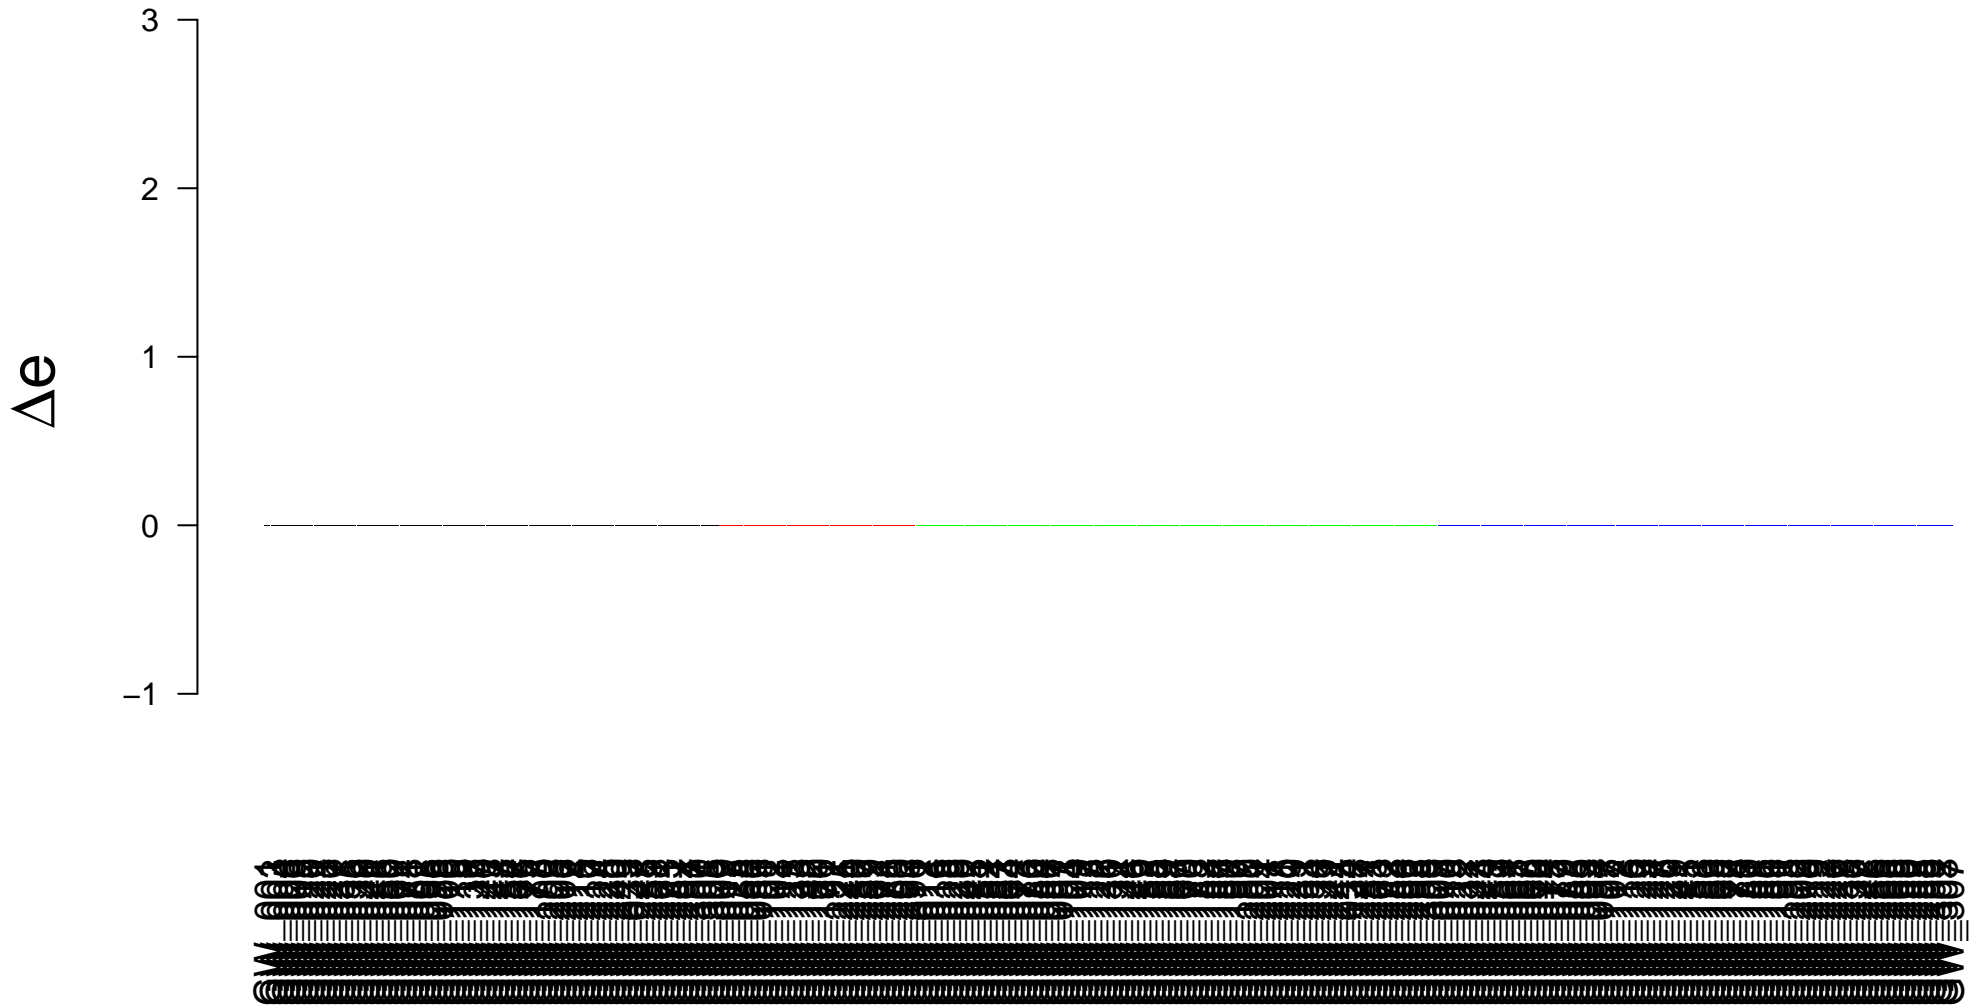

# Expression of protein polymerization in Spot F

# Expression of protein polymerization in Spot G

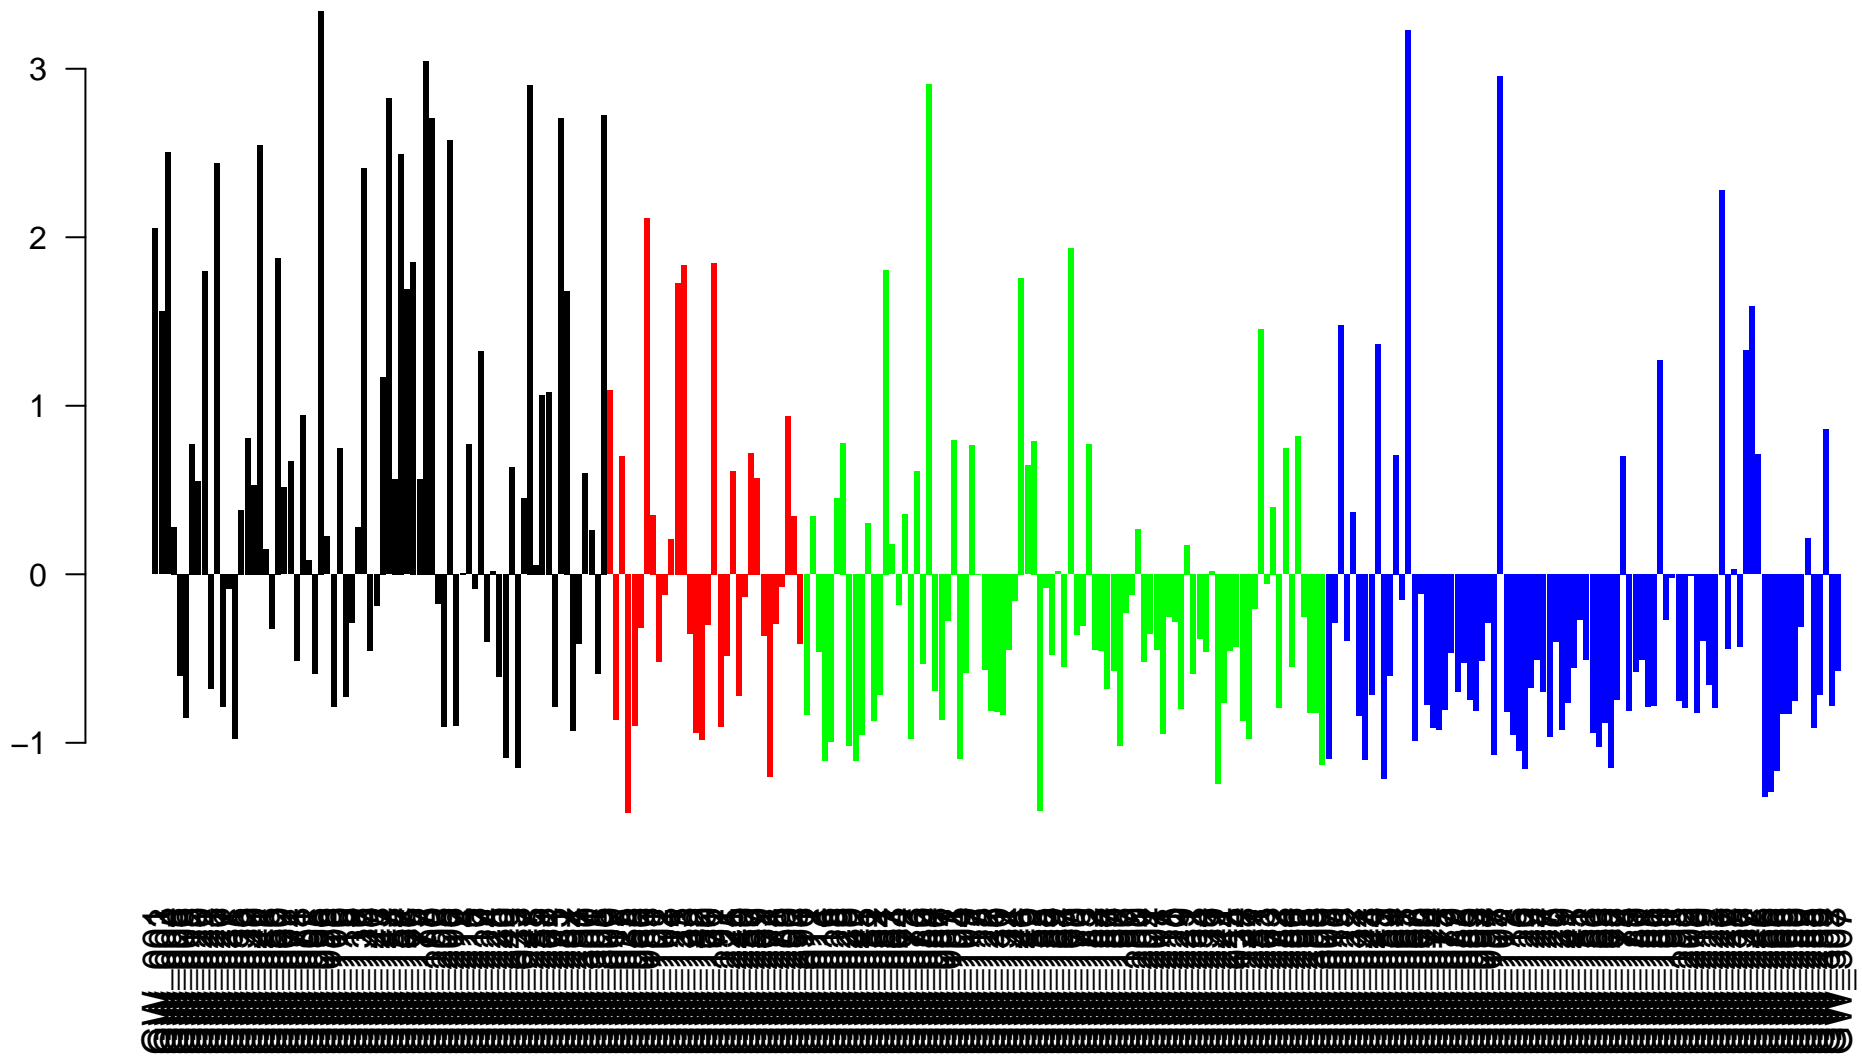

# Expression of protein polymerization in Spot H

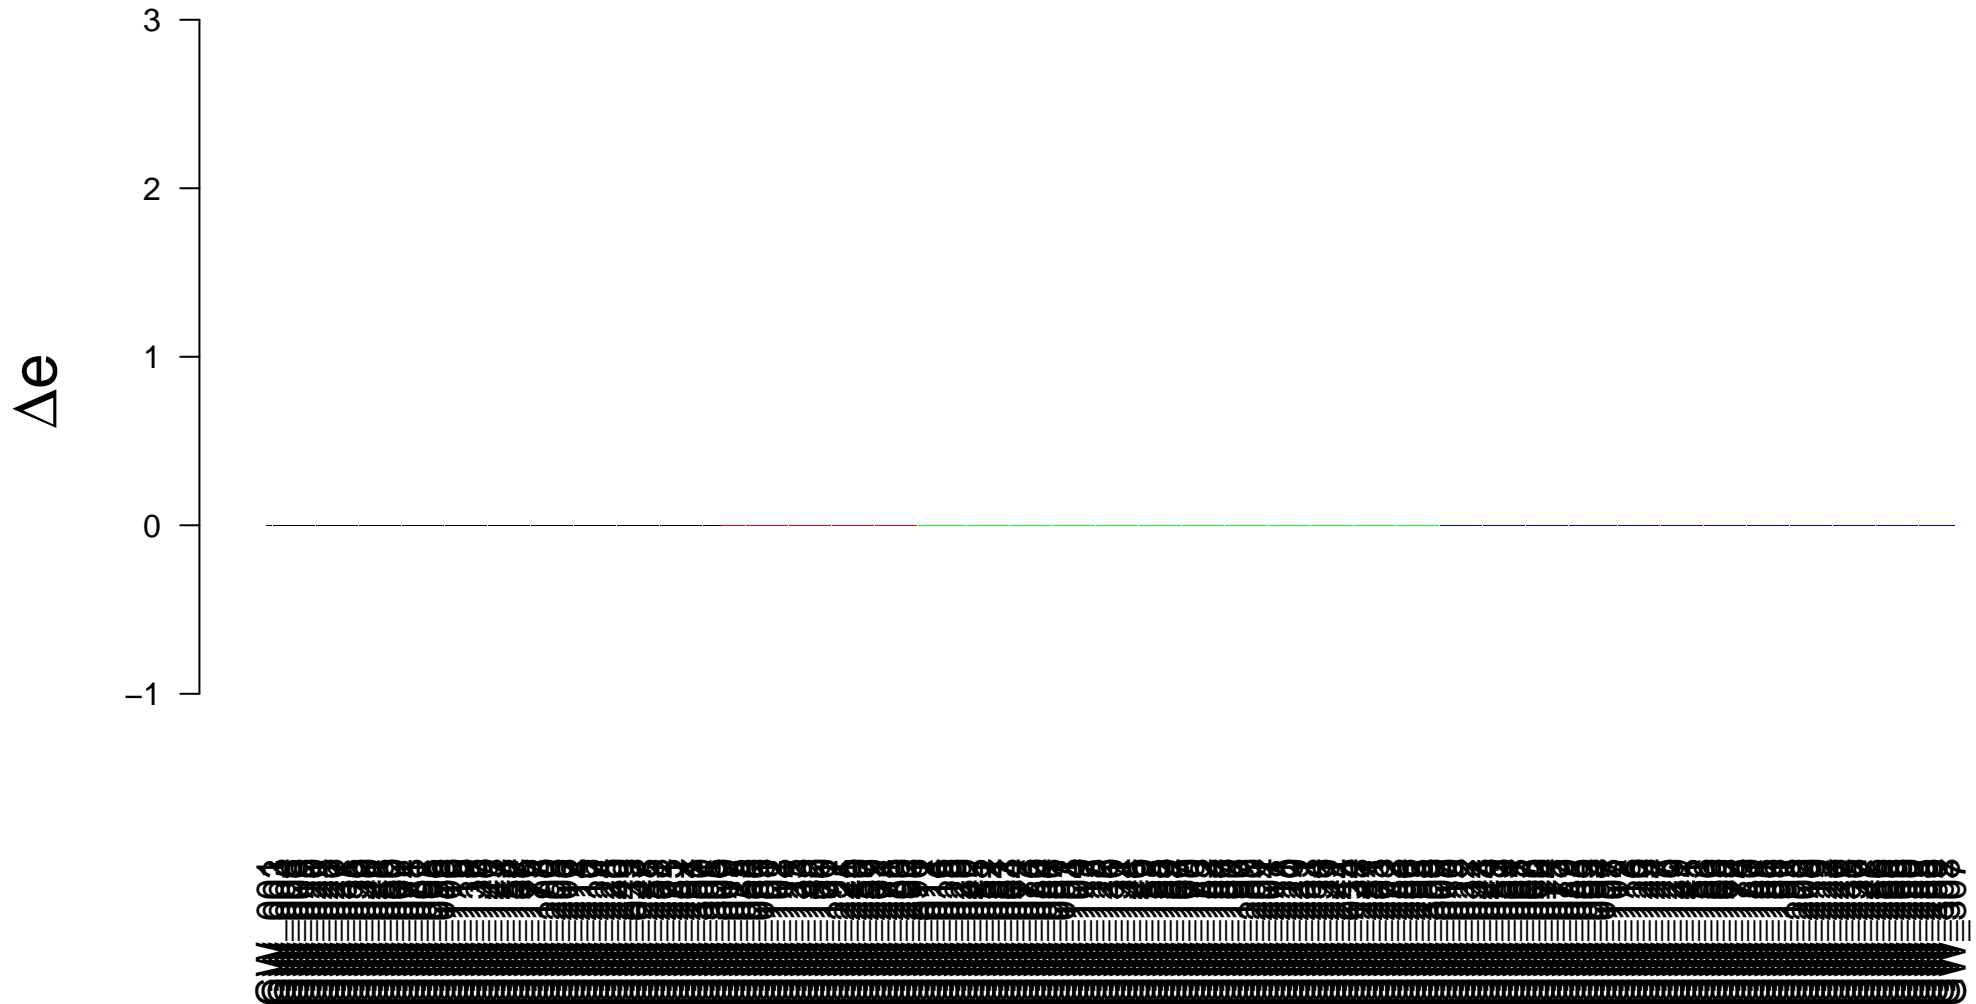

# Expression of protein polymerization in Spot I

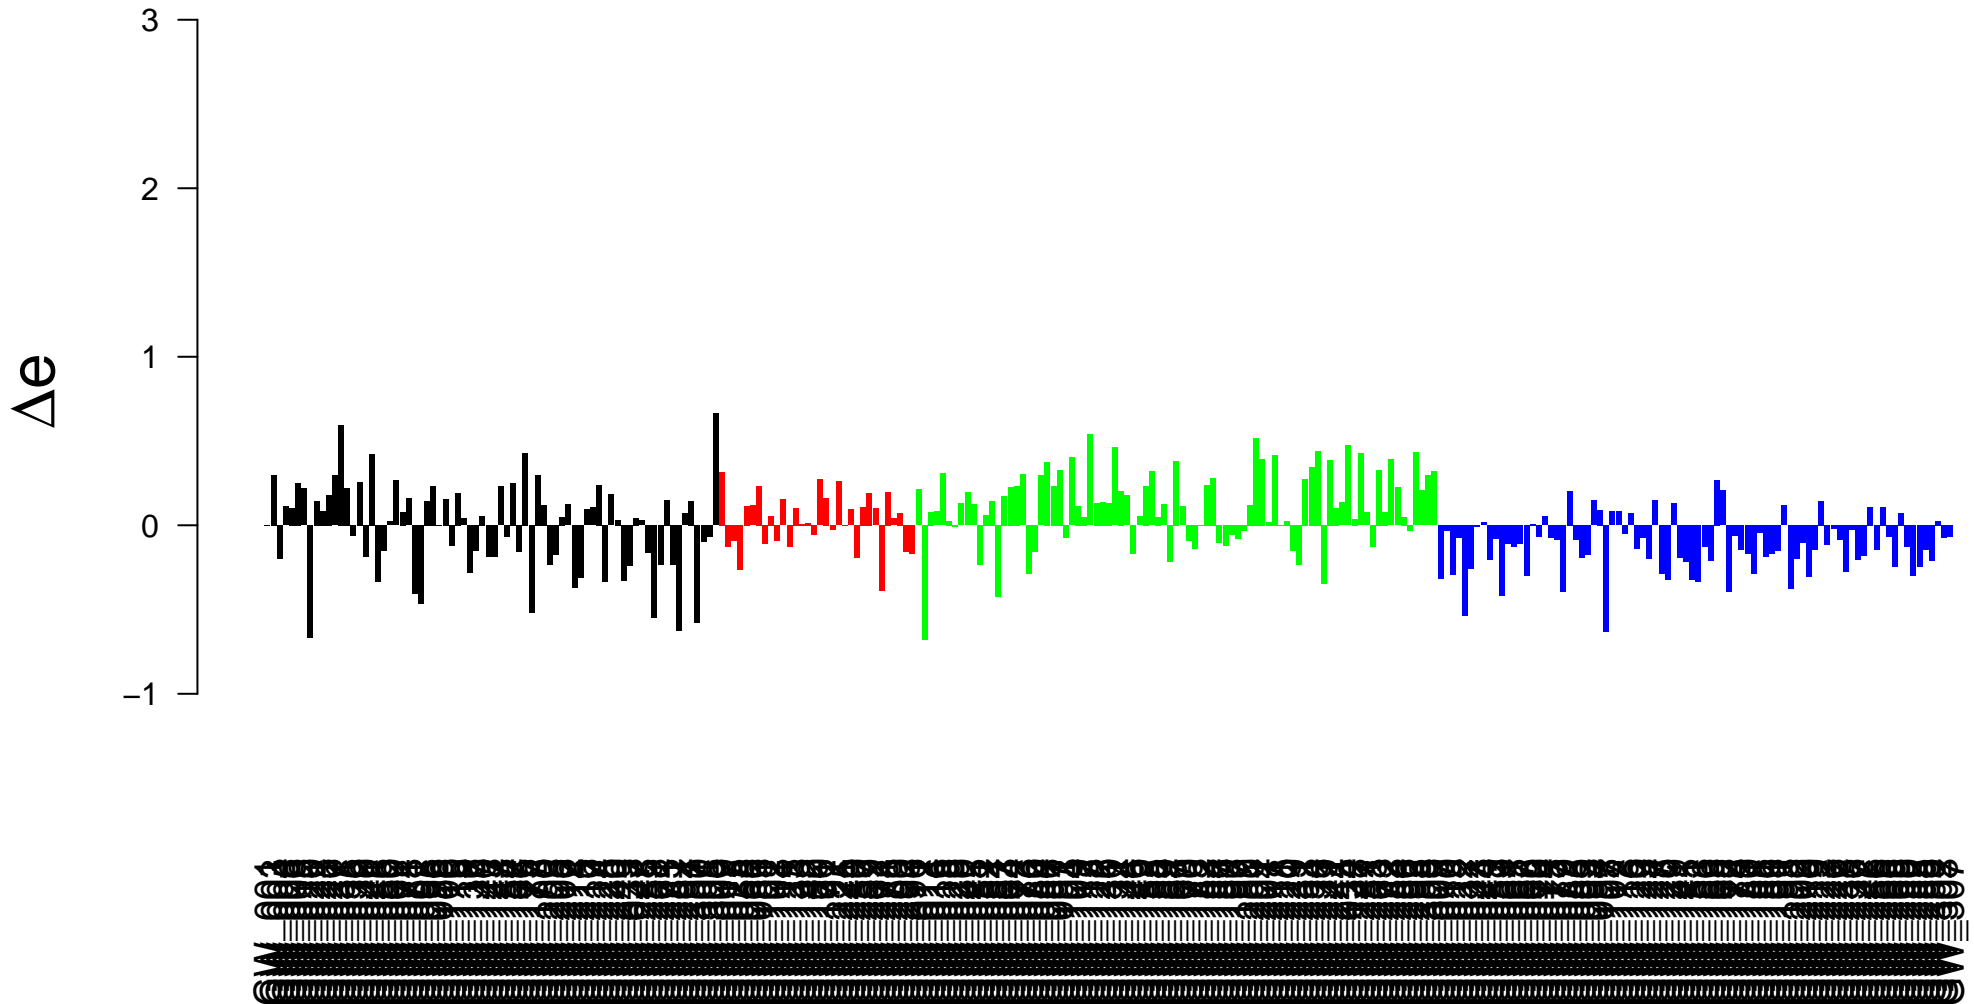

$\Delta e$

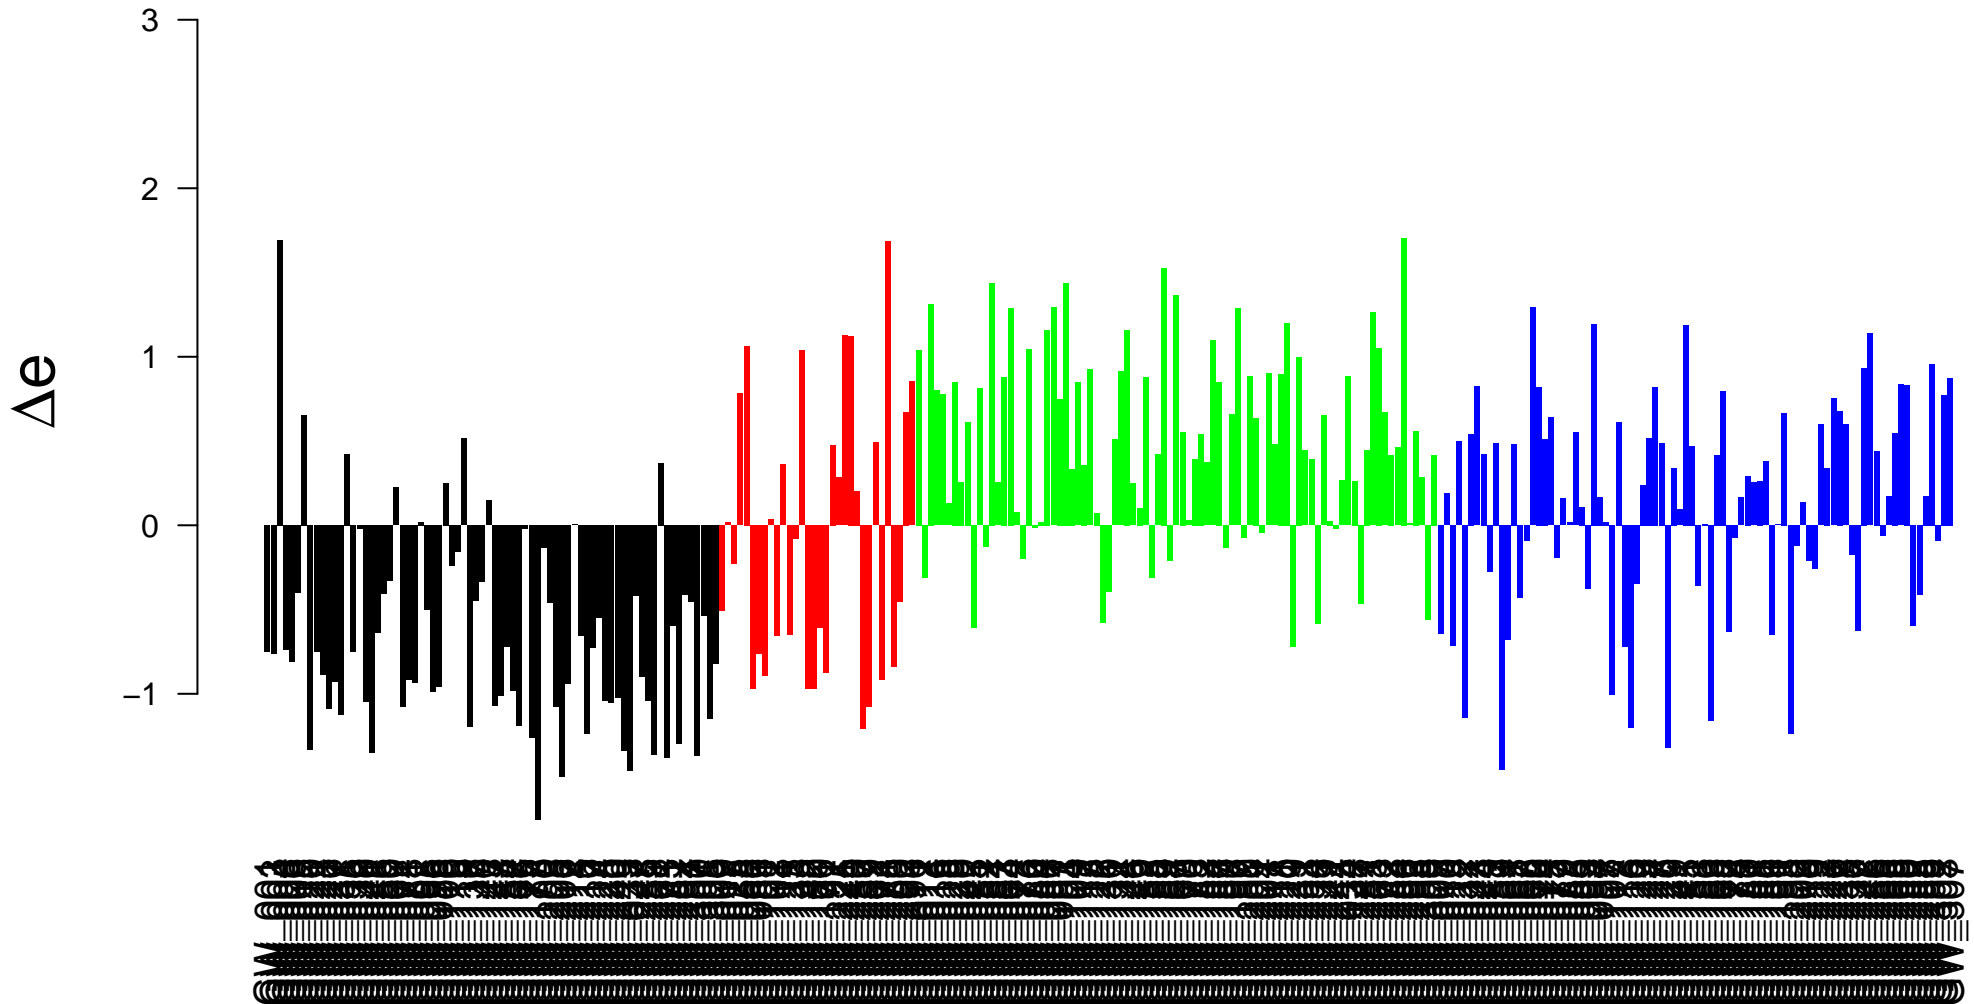

# Expression of protein polymerization in Spot J

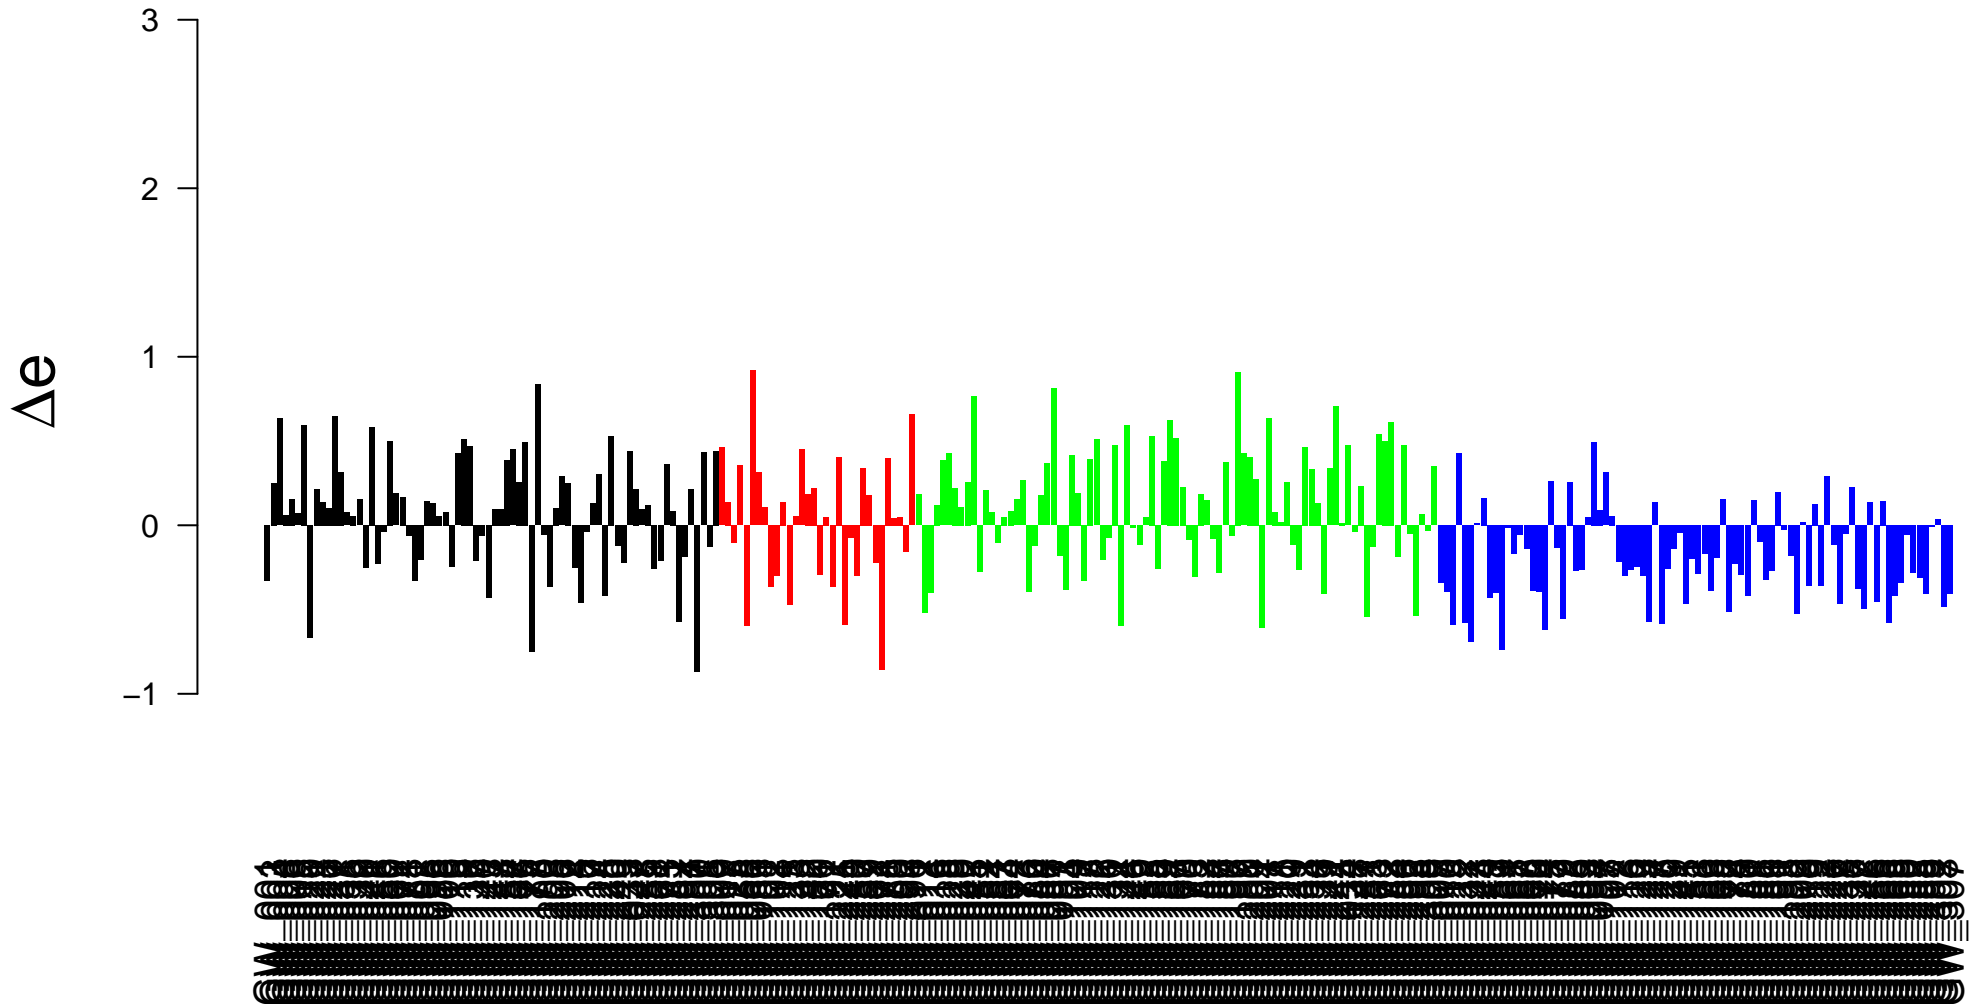

# Expression of protein polymerization in Spot K

# Expression of protein polymerization in Spot L

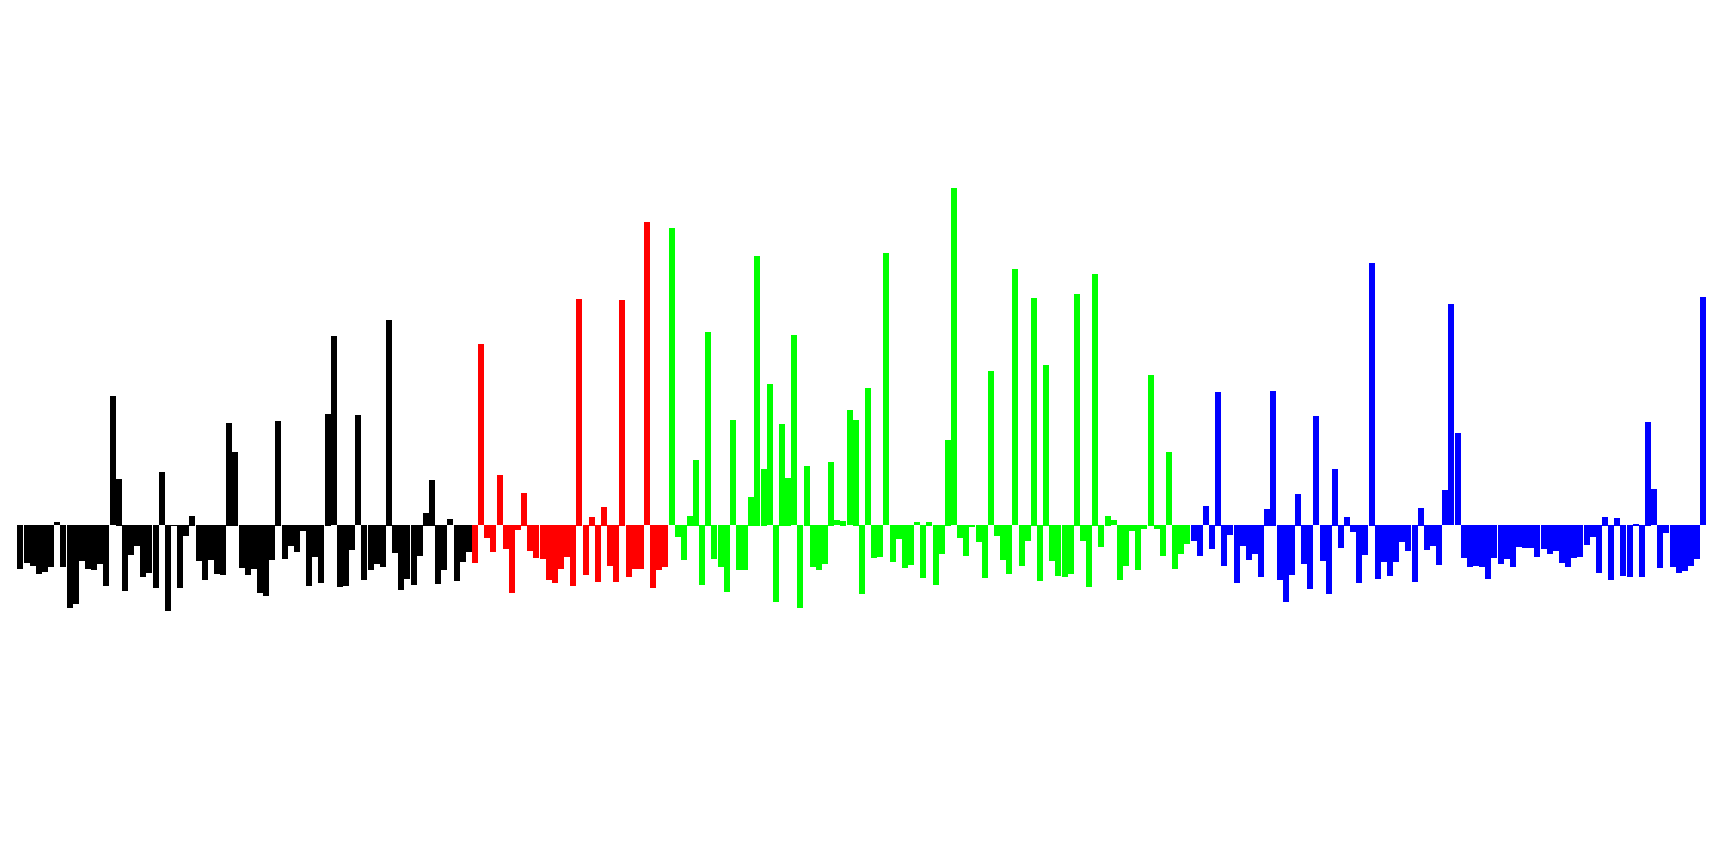

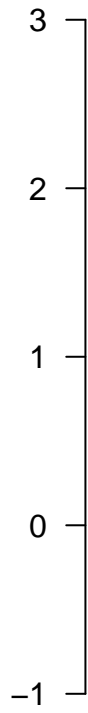

# Expression of protein polymerization in Spot M

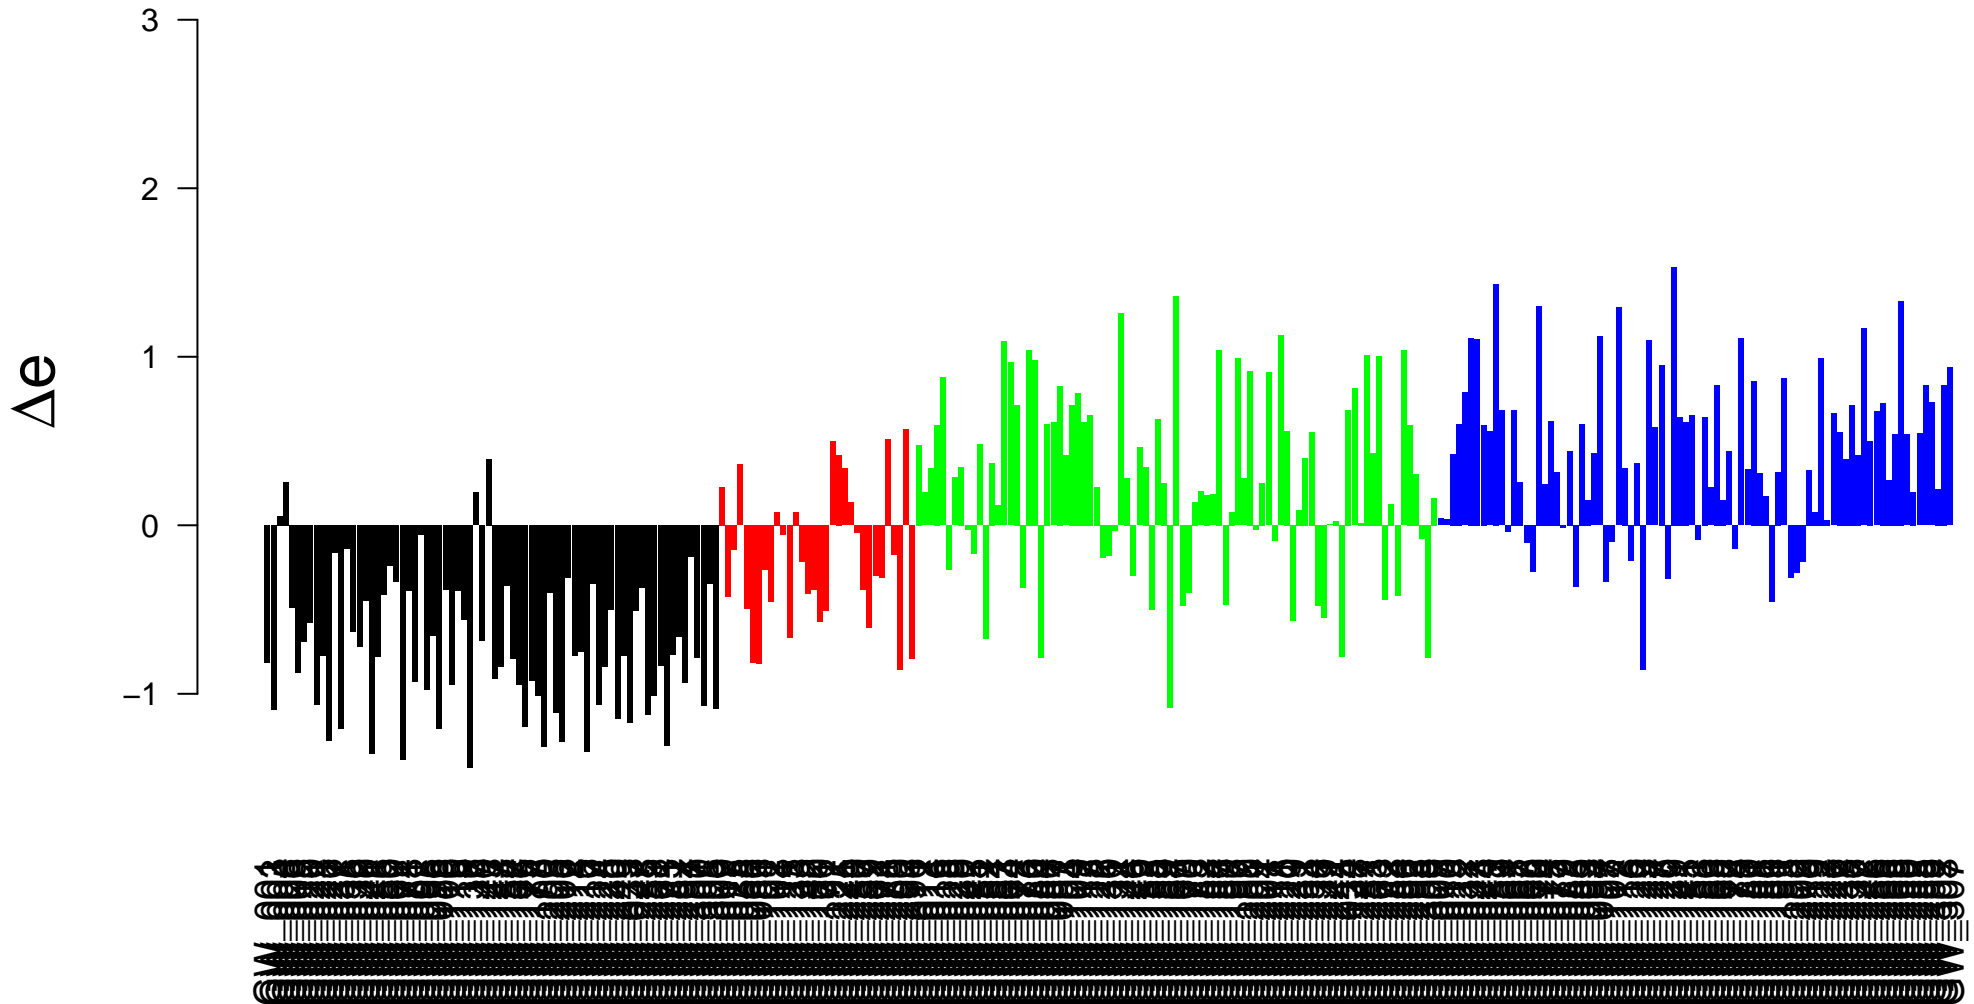

# Expression of protein polymerization in Spot N

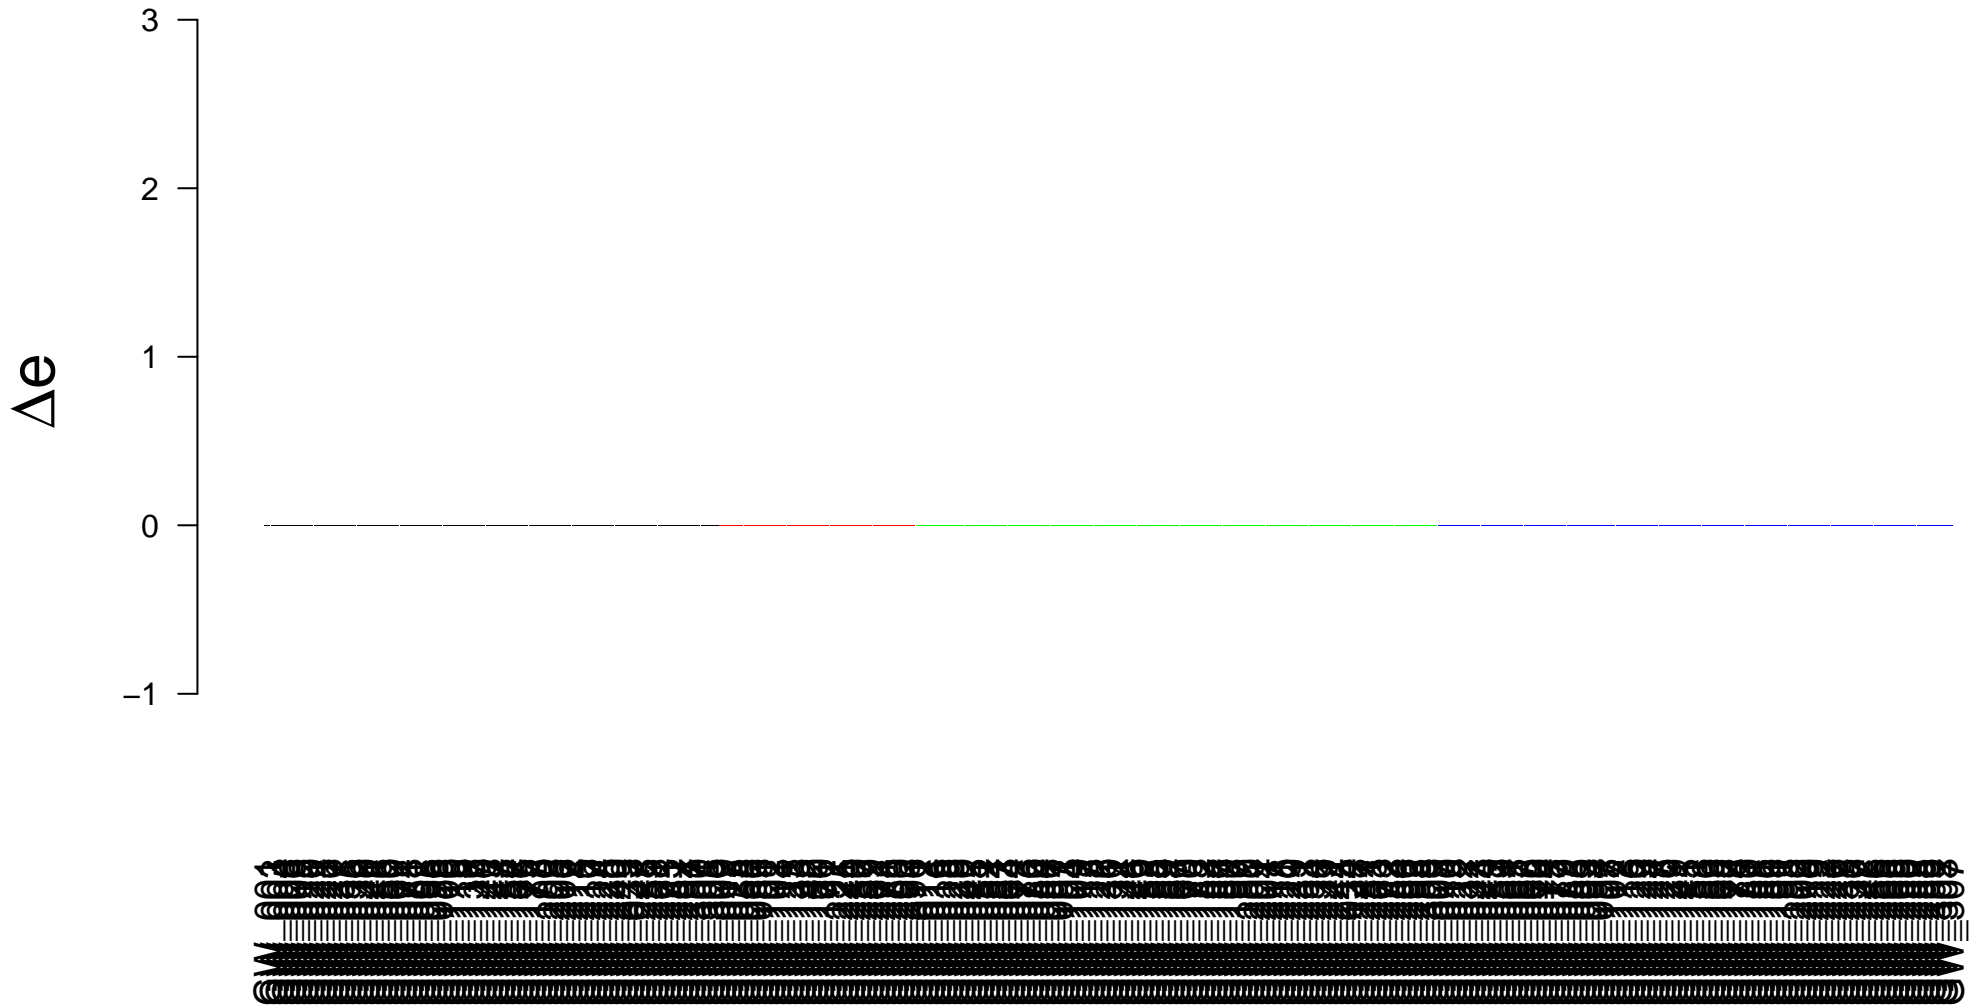

$\Delta e$

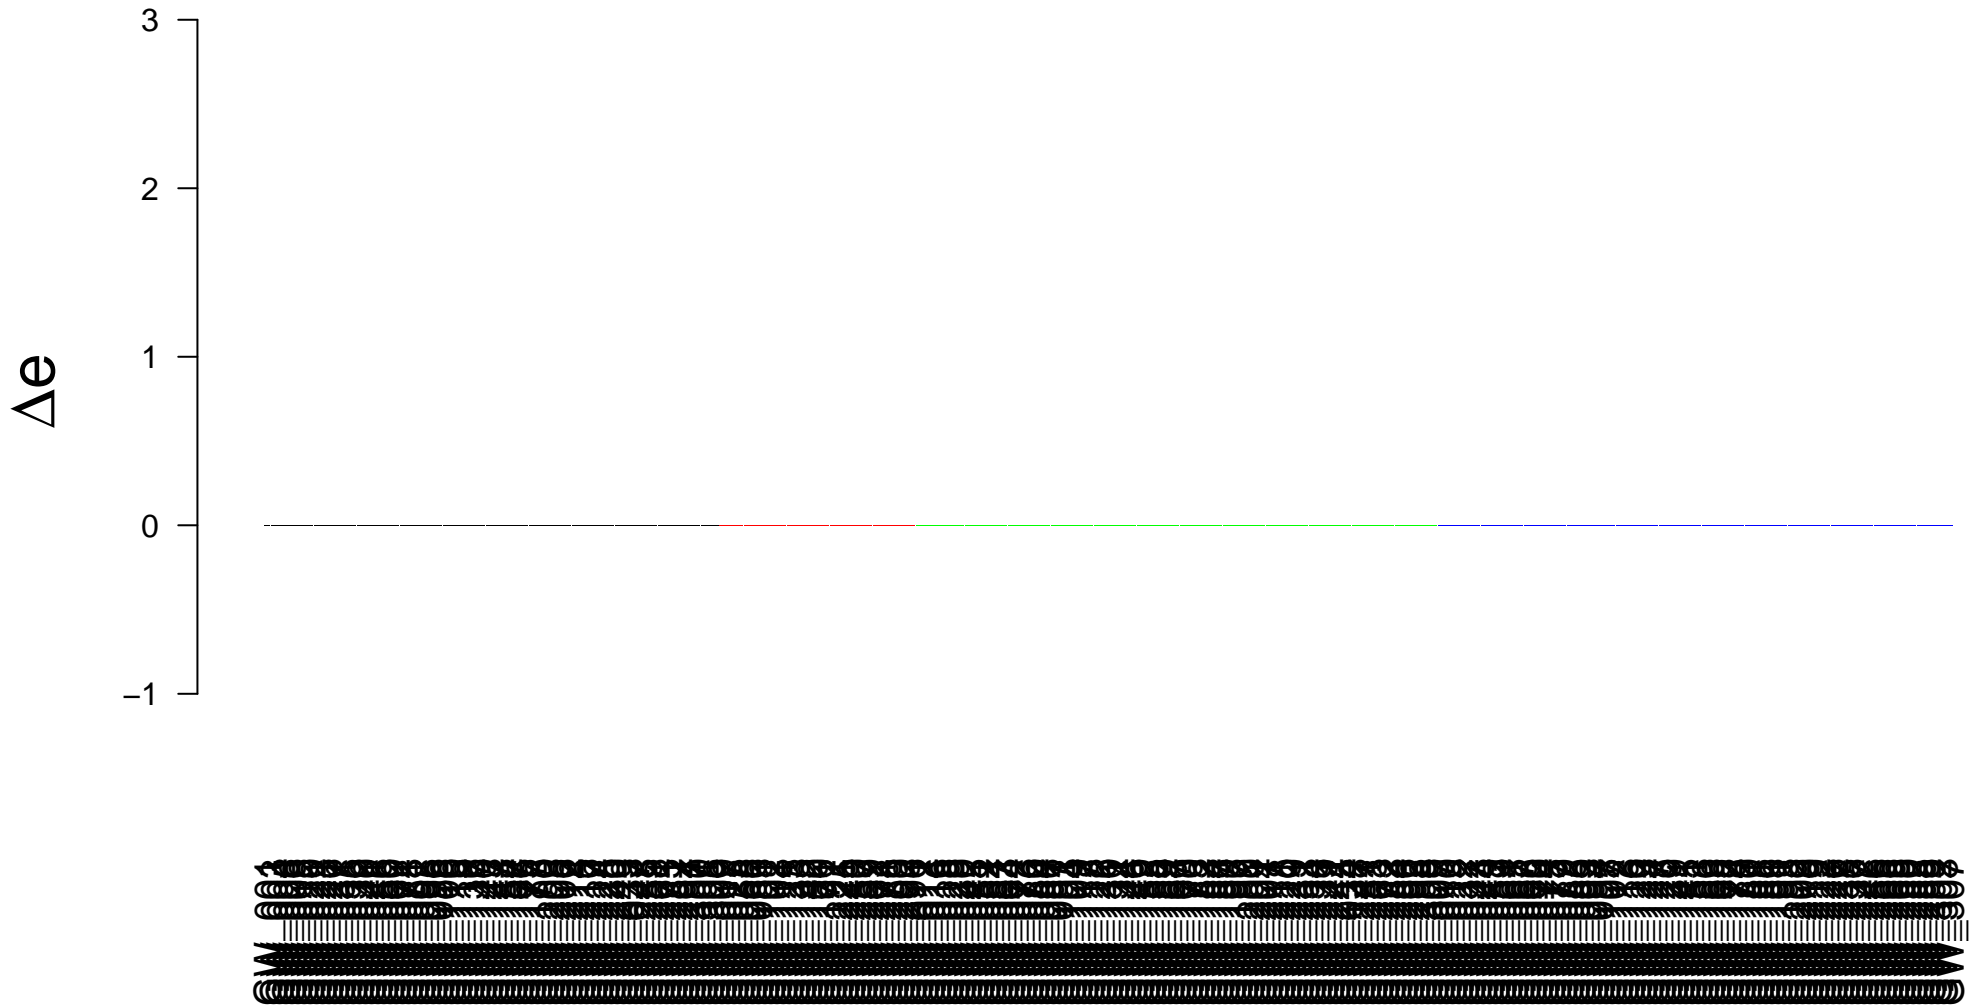

# Expression of protein polymerization in Spot O

# Expression of protein polymerization in Spot P

# Expression of protein polymerization in Spot Q

# Expression of protein polymerization in Spot R
