

protein polyubiquitination

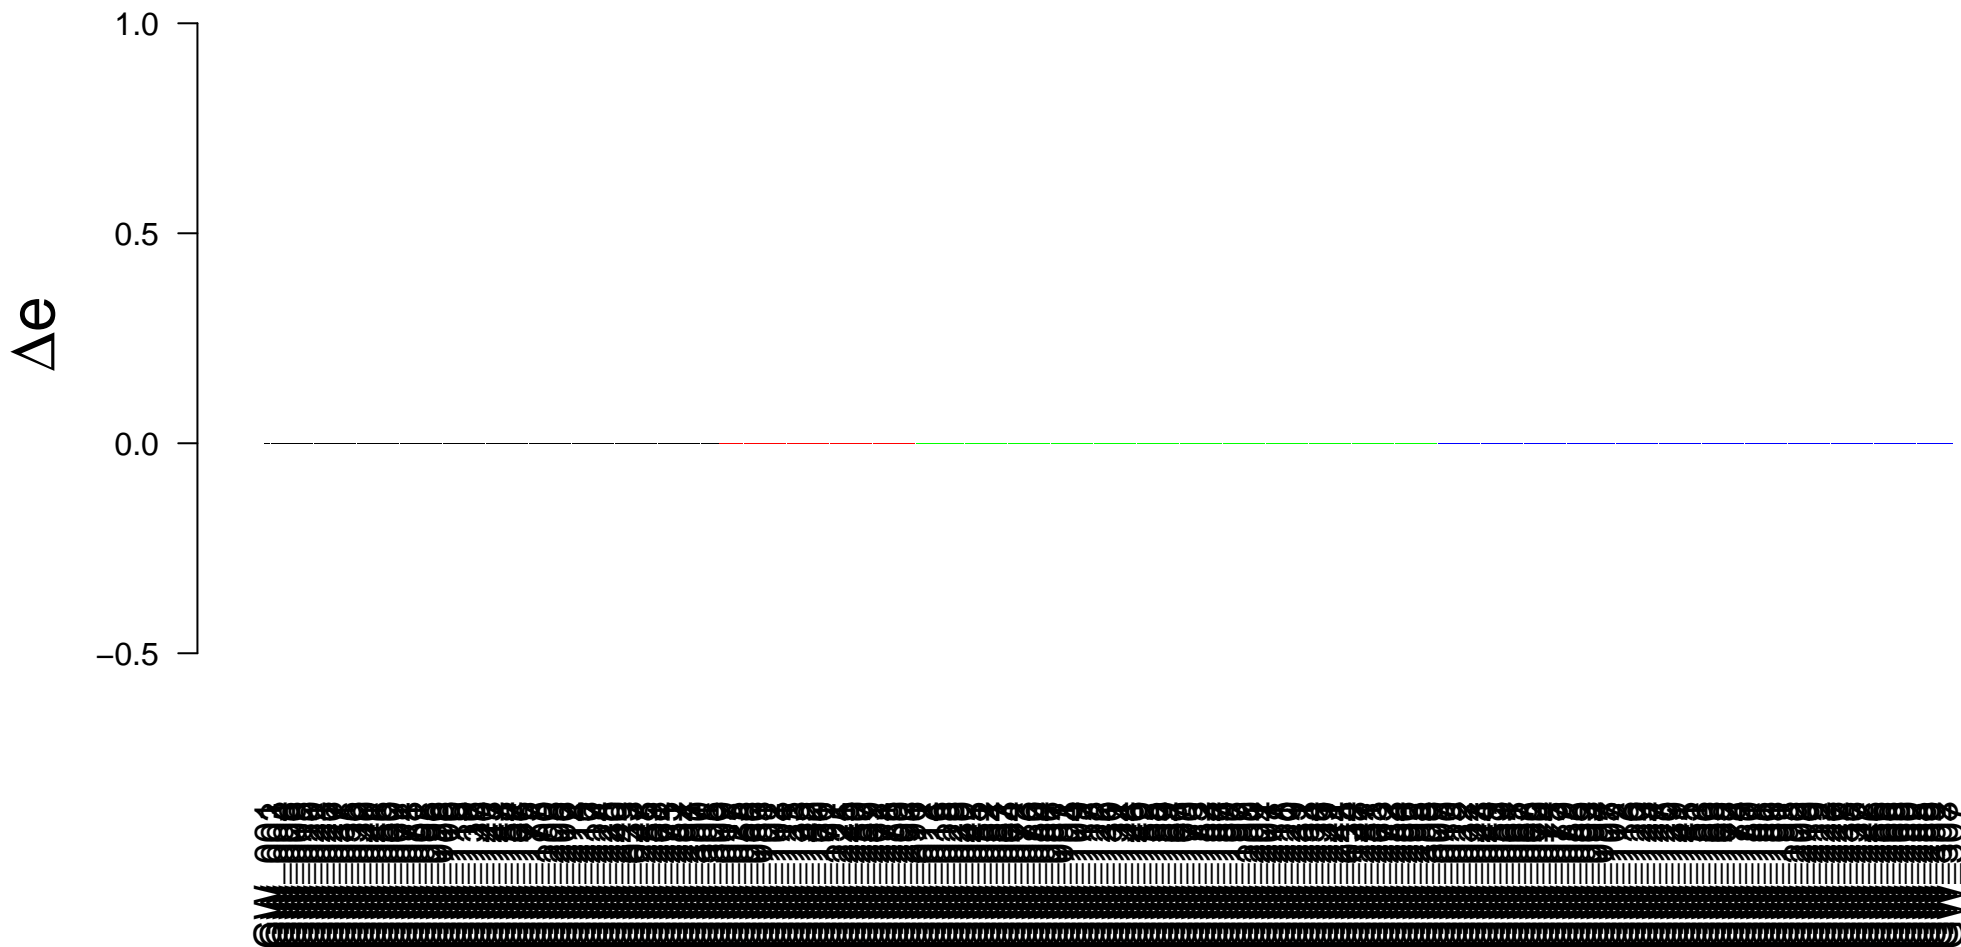

# protein polyubiquitination

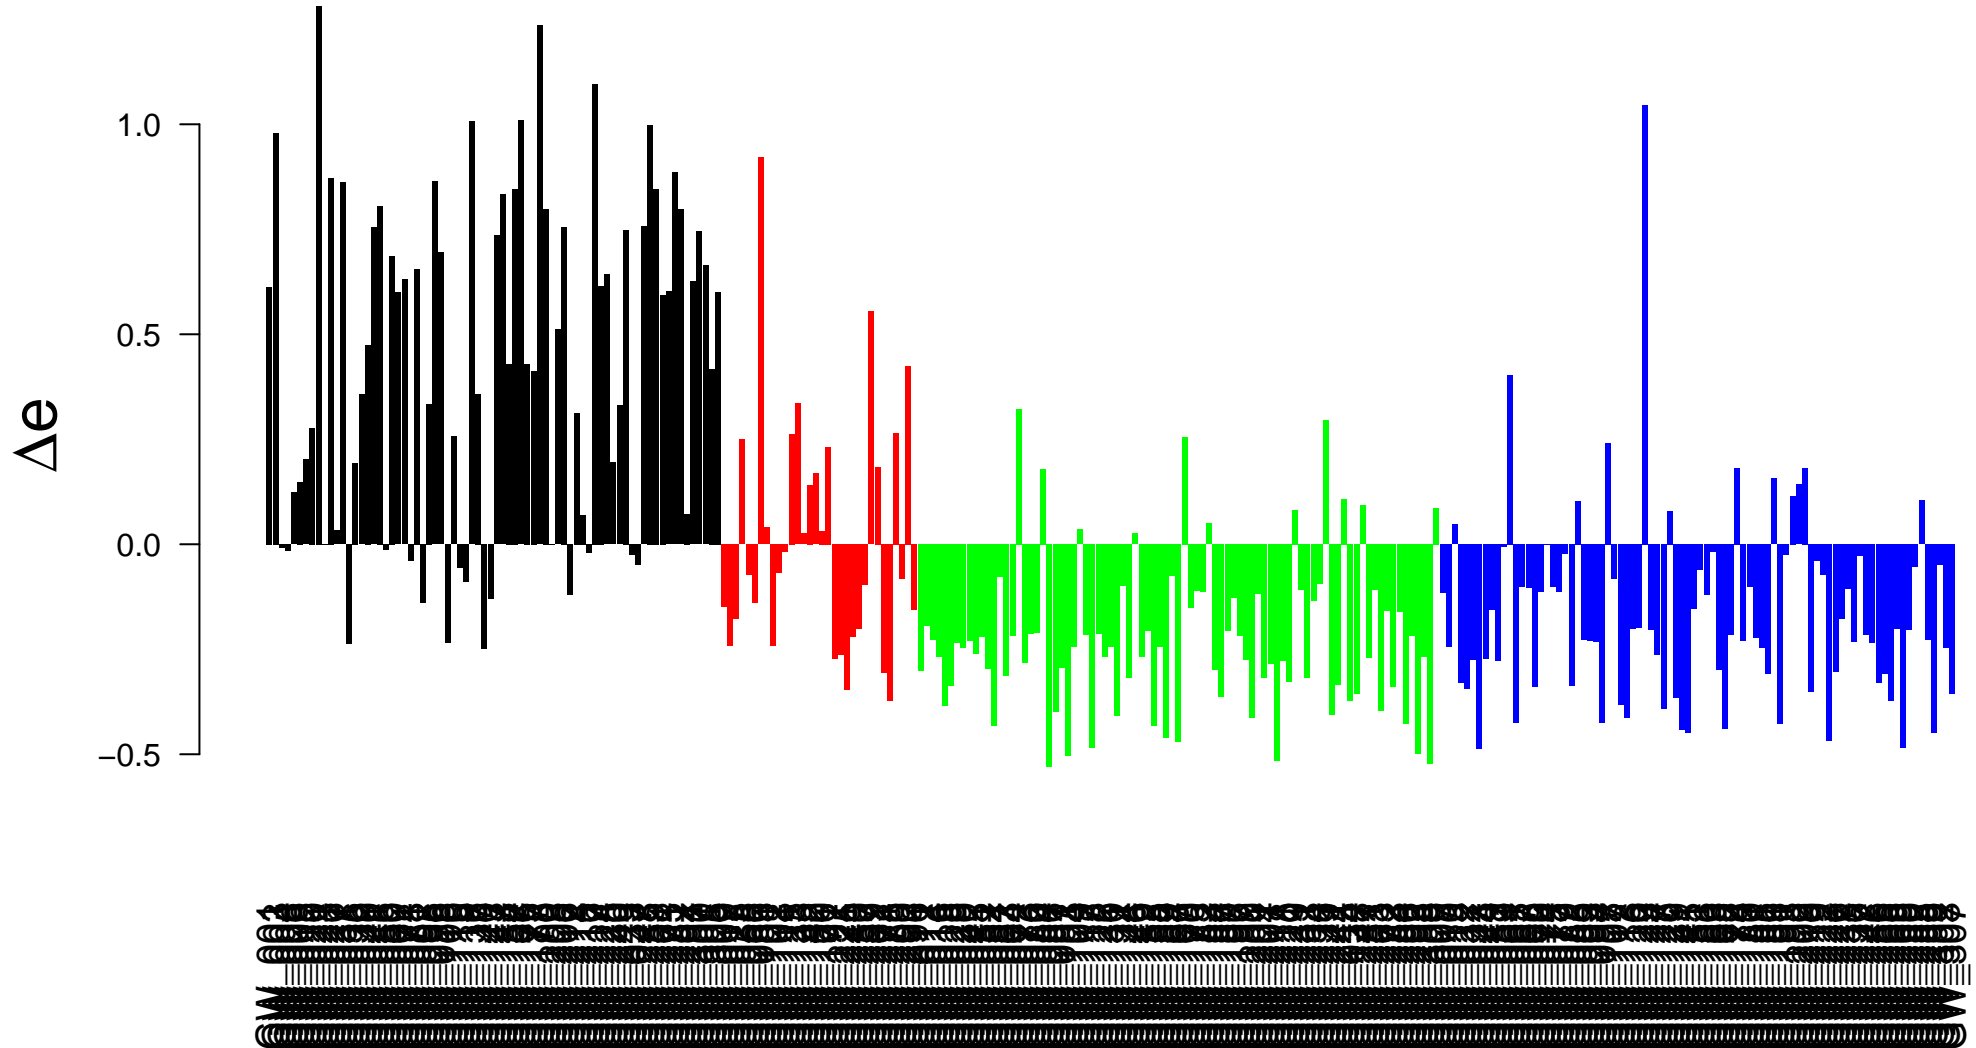

### Enrichment in spots: protein polyubiquitination

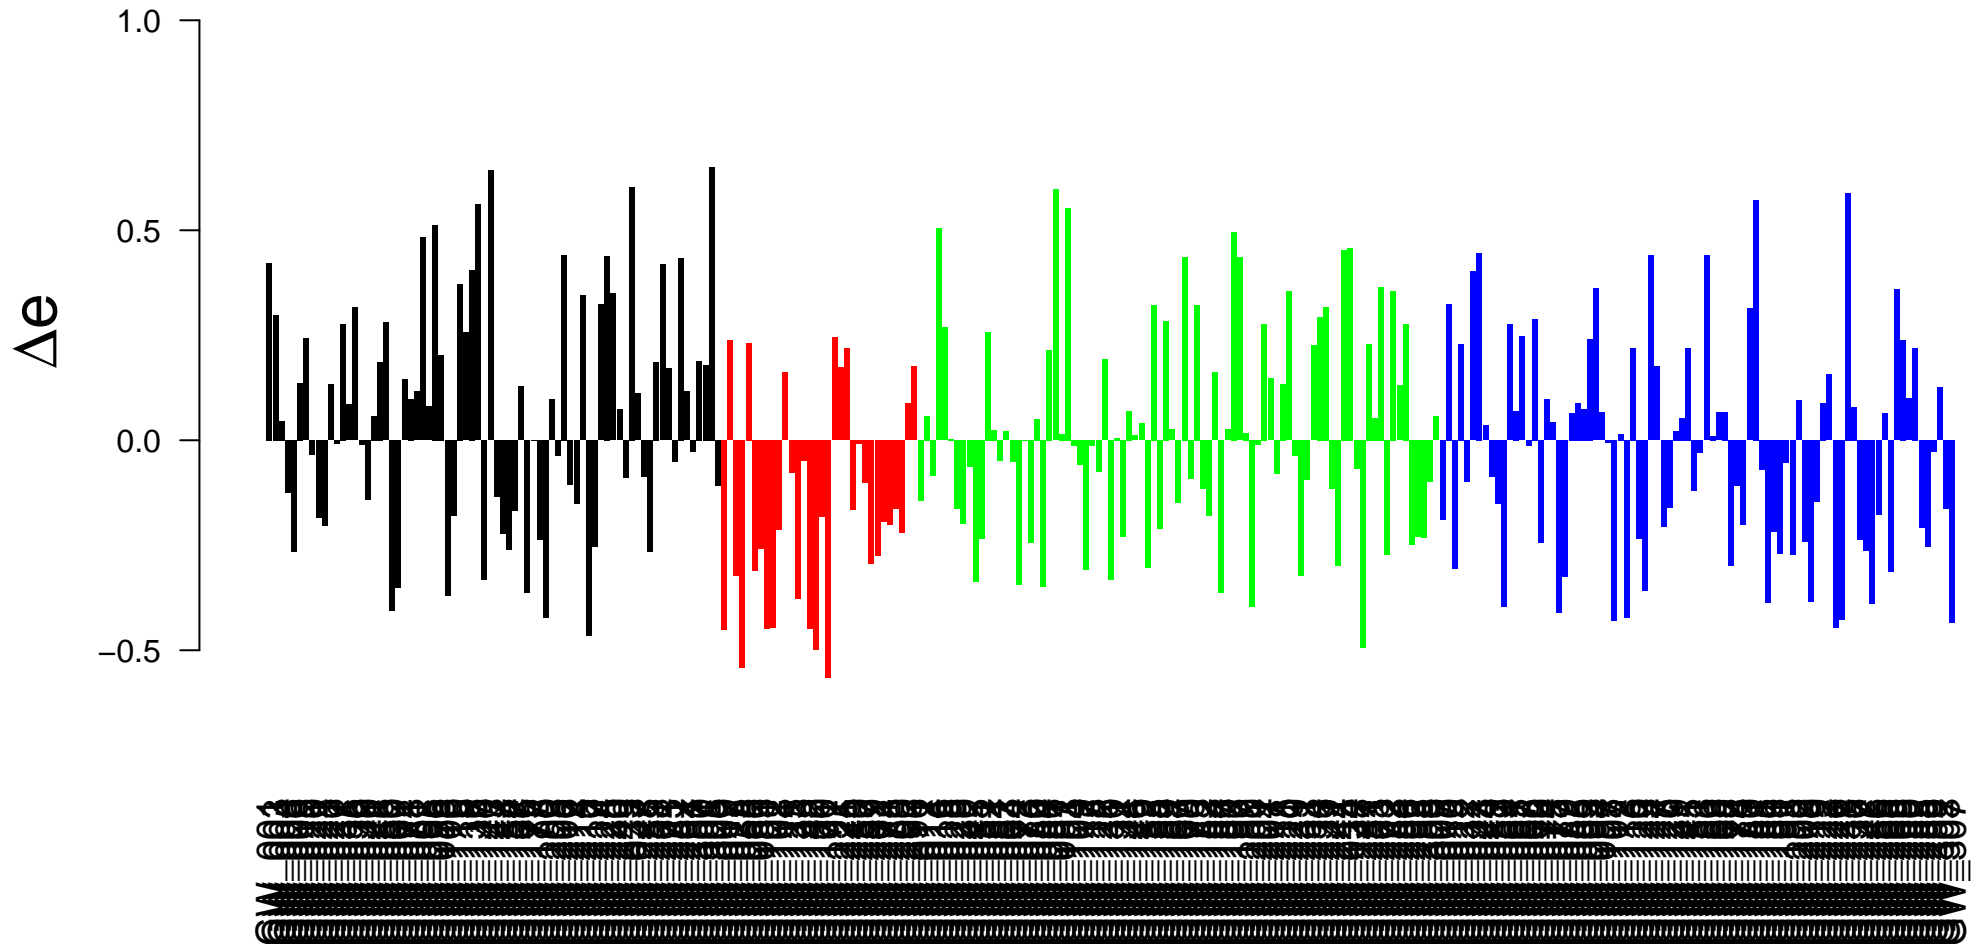

# Expression of protein polyubiquitination in Spot A

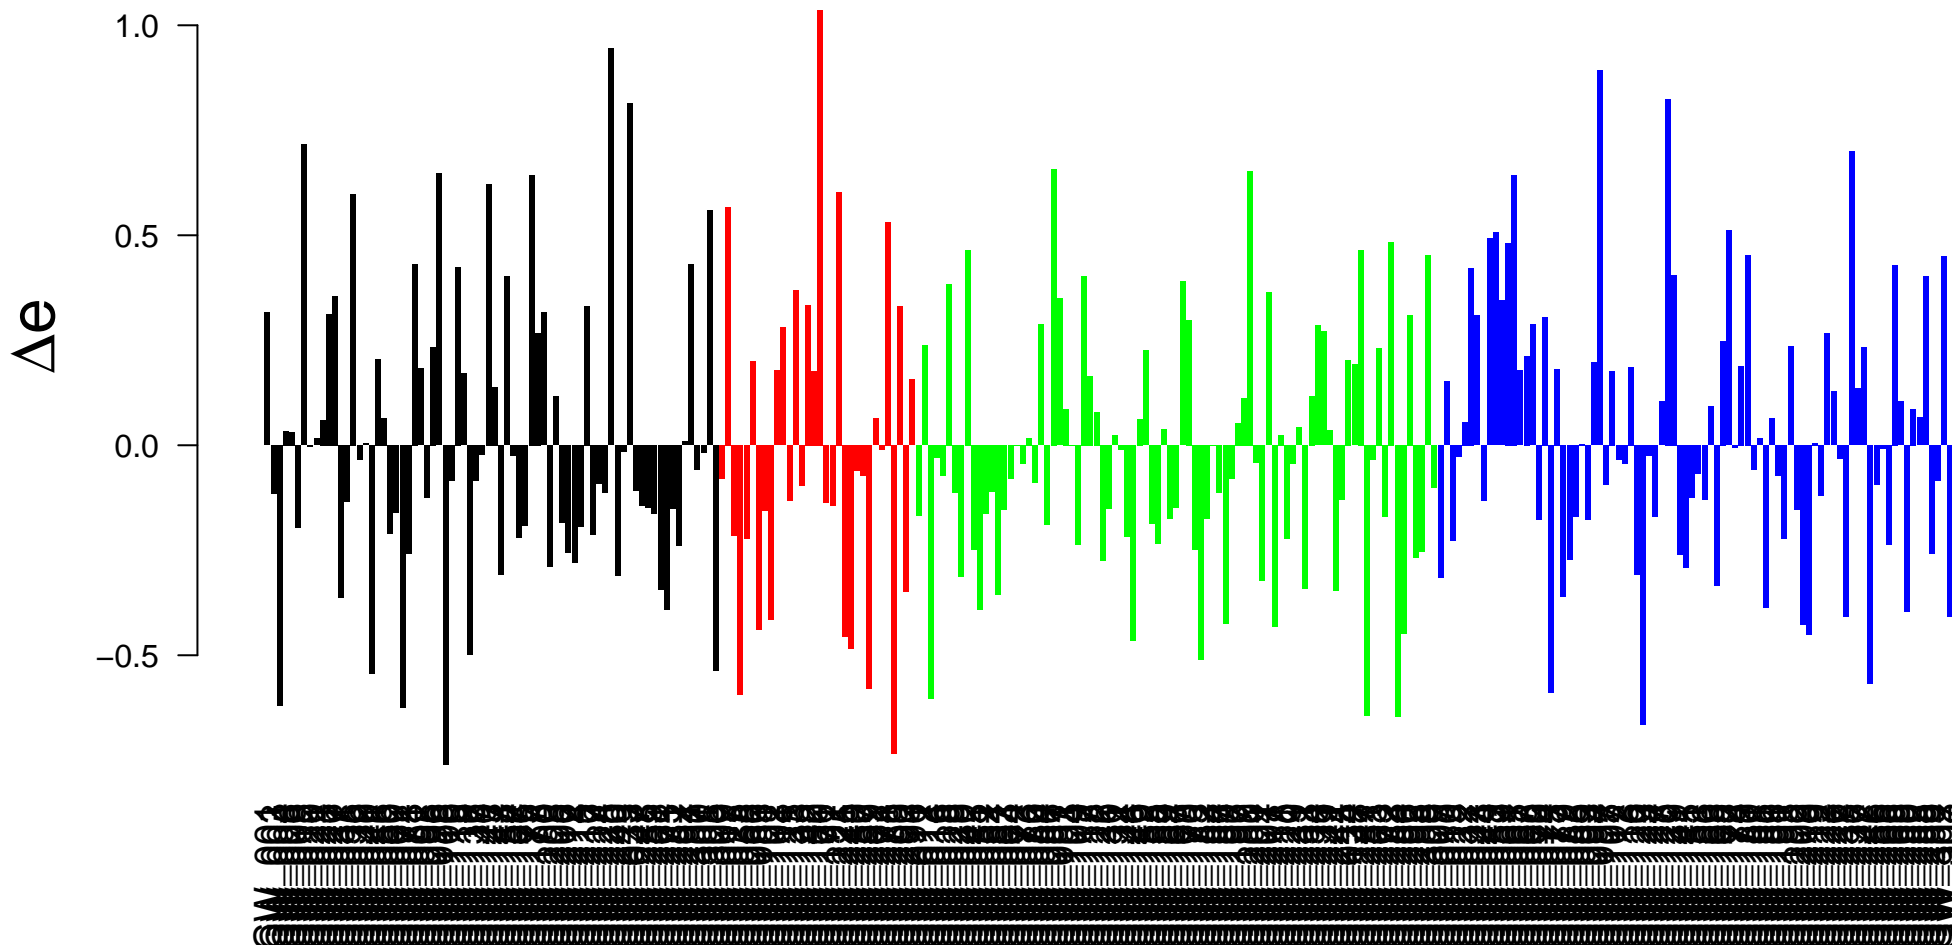

# Expression of protein polyubiquitination in Spot B

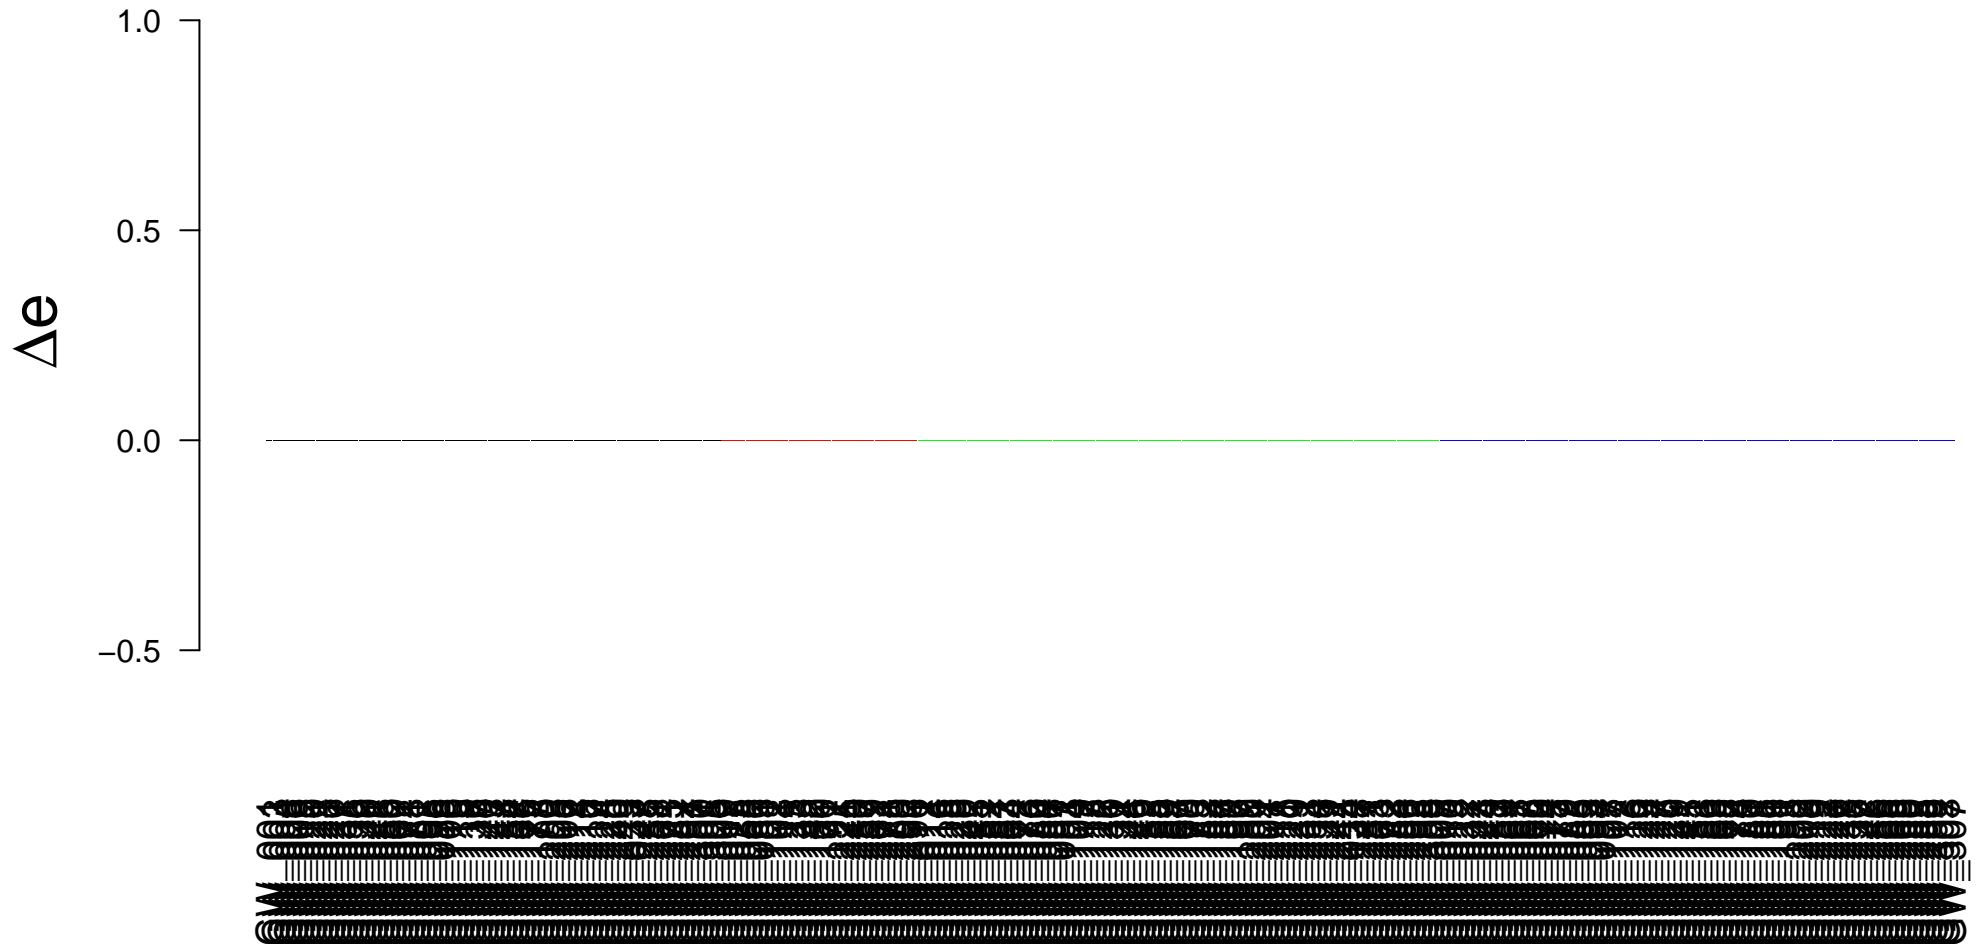

# Expression of protein polyubiquitination in Spot C

# Expression of protein polyubiquitination in Spot D

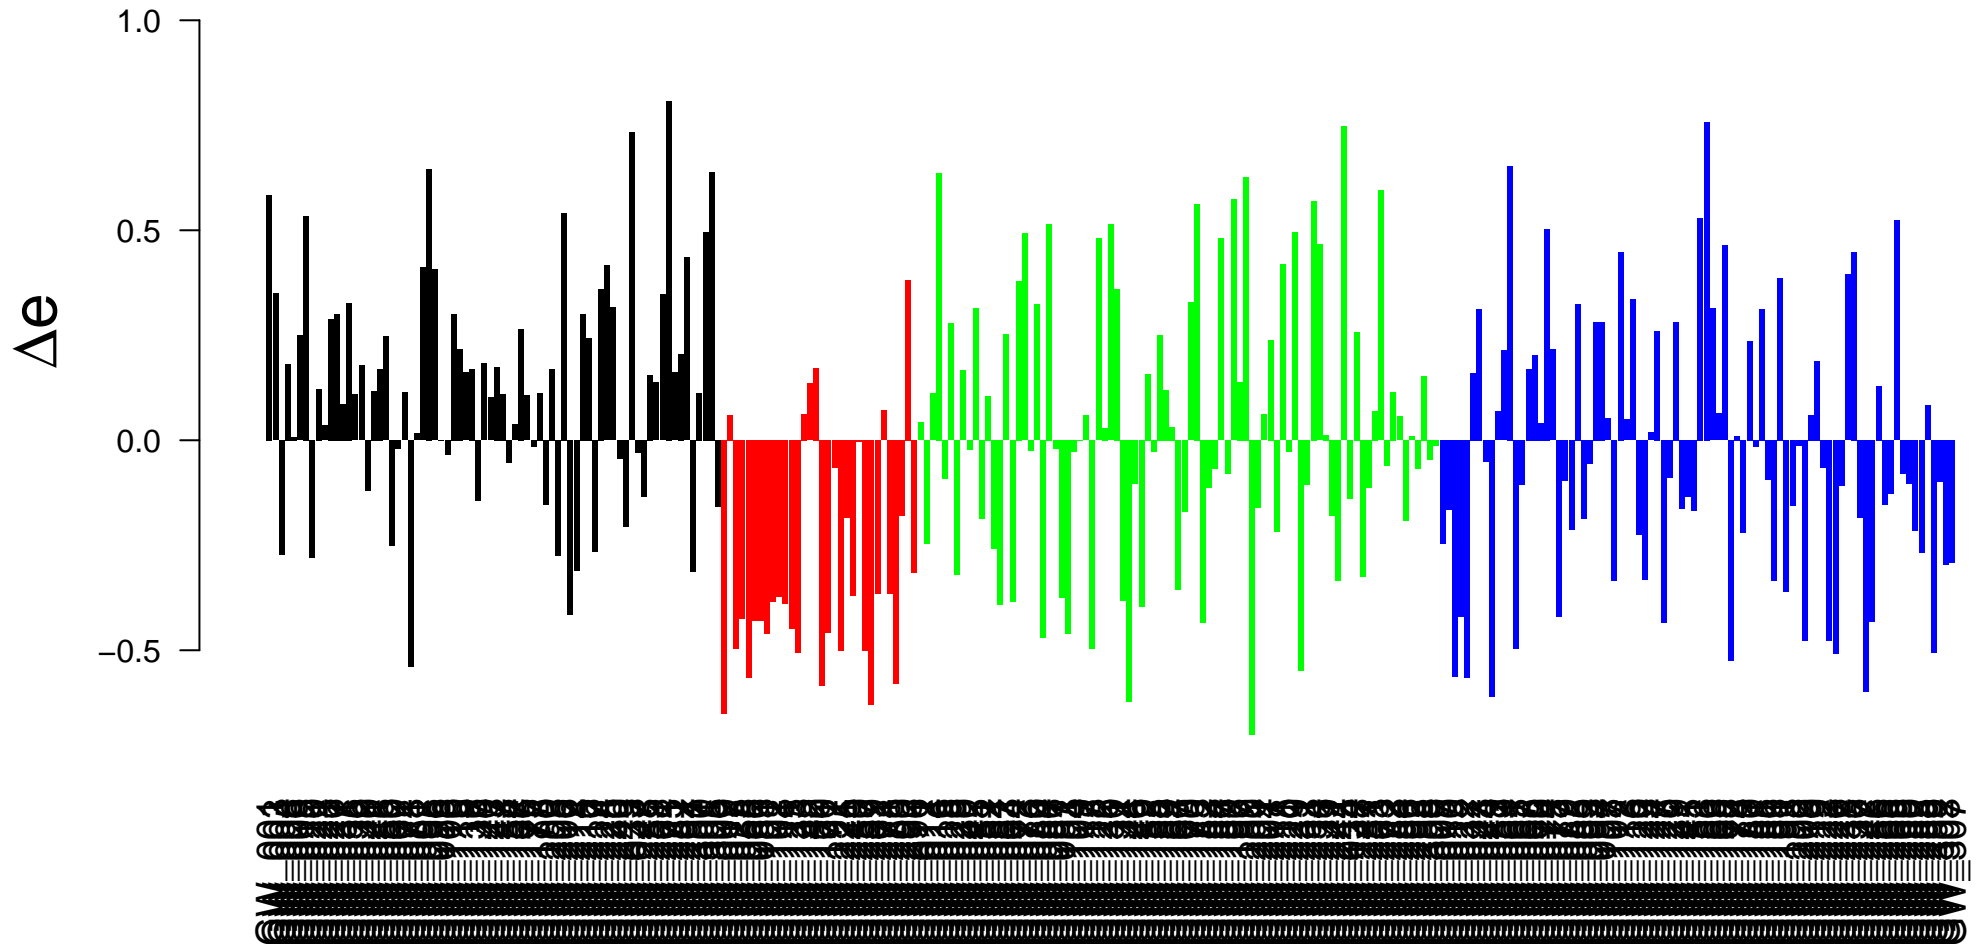

# Expression of protein polyubiquitination in Spot E

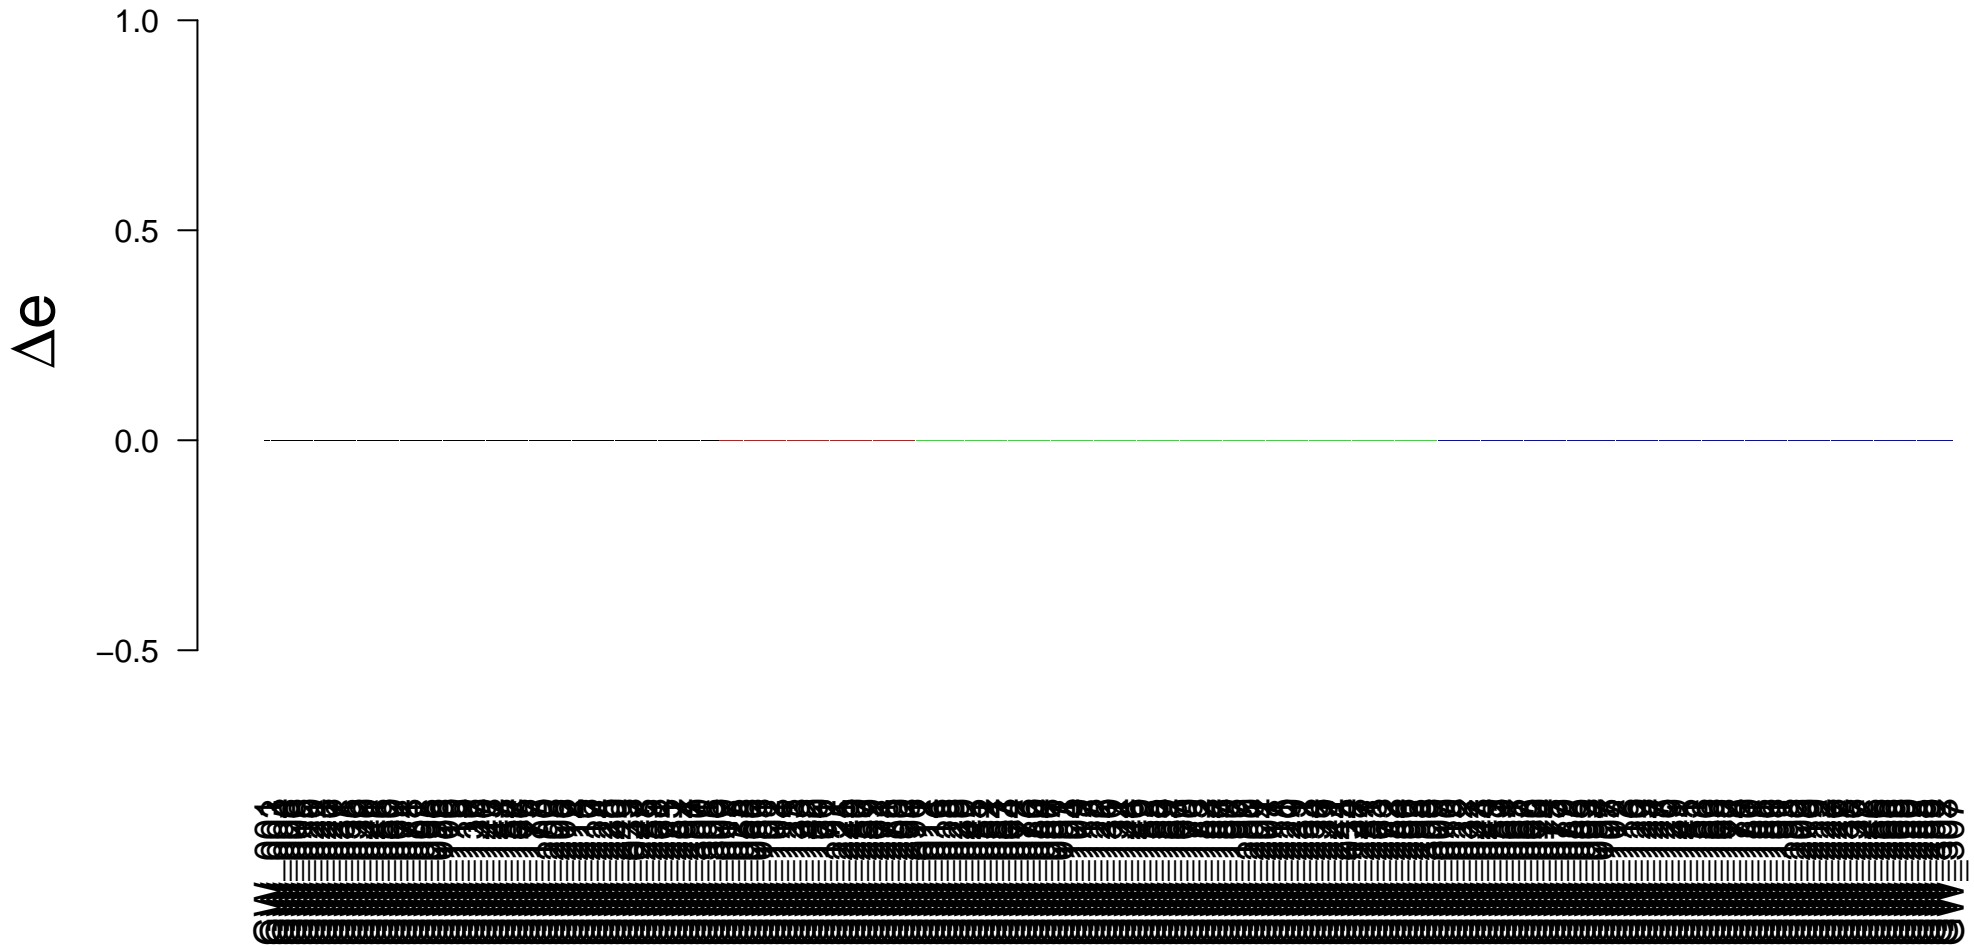

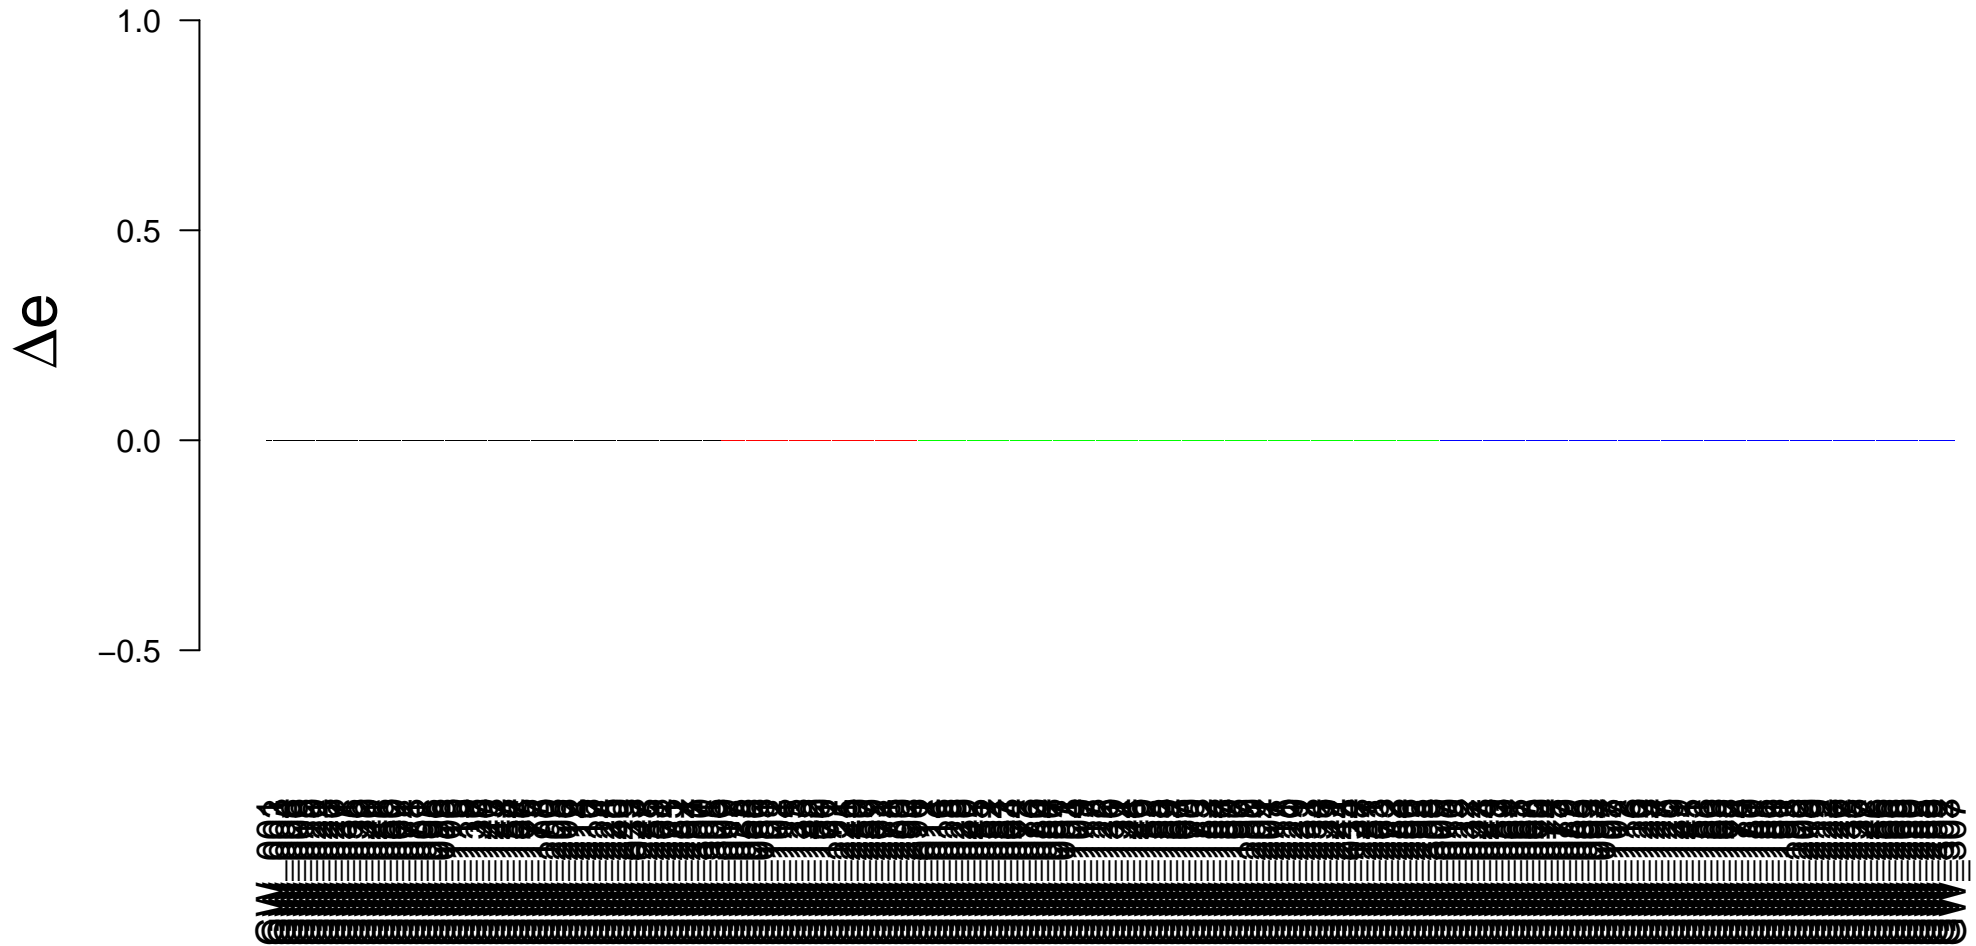

# Expression of protein polyubiquitination in Spot F

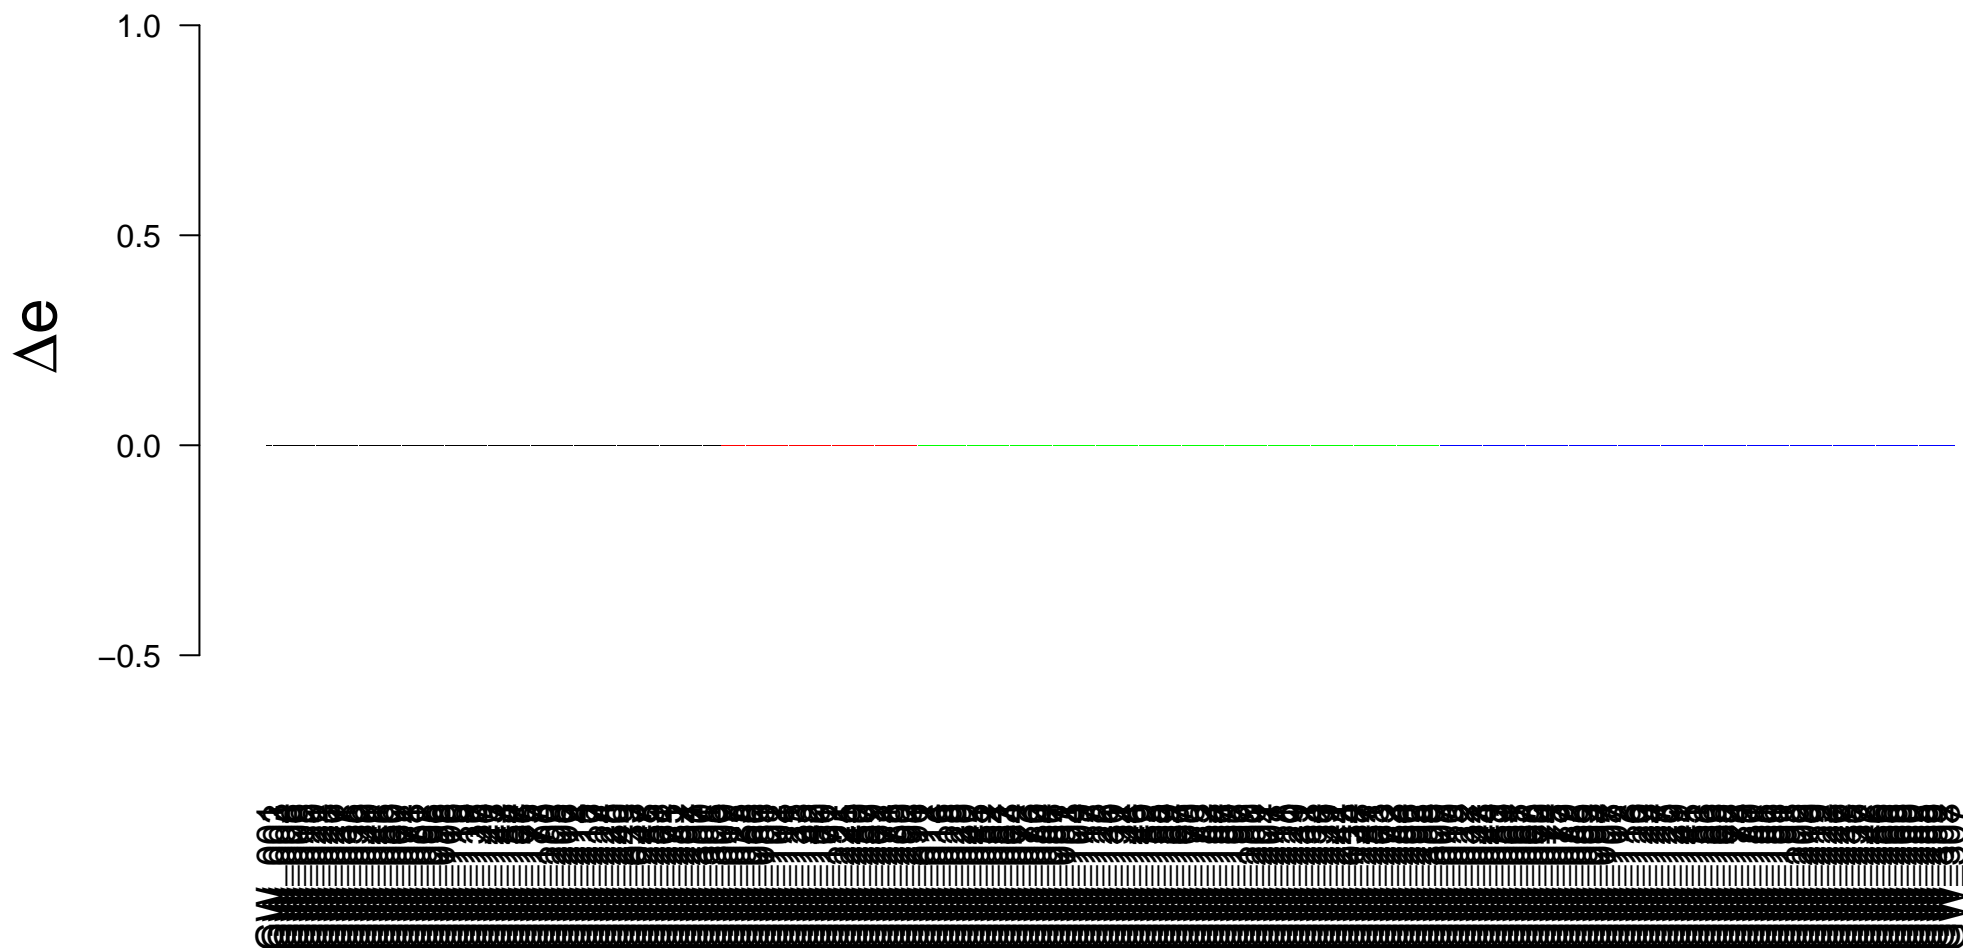

# Expression of protein polyubiquitination in Spot G

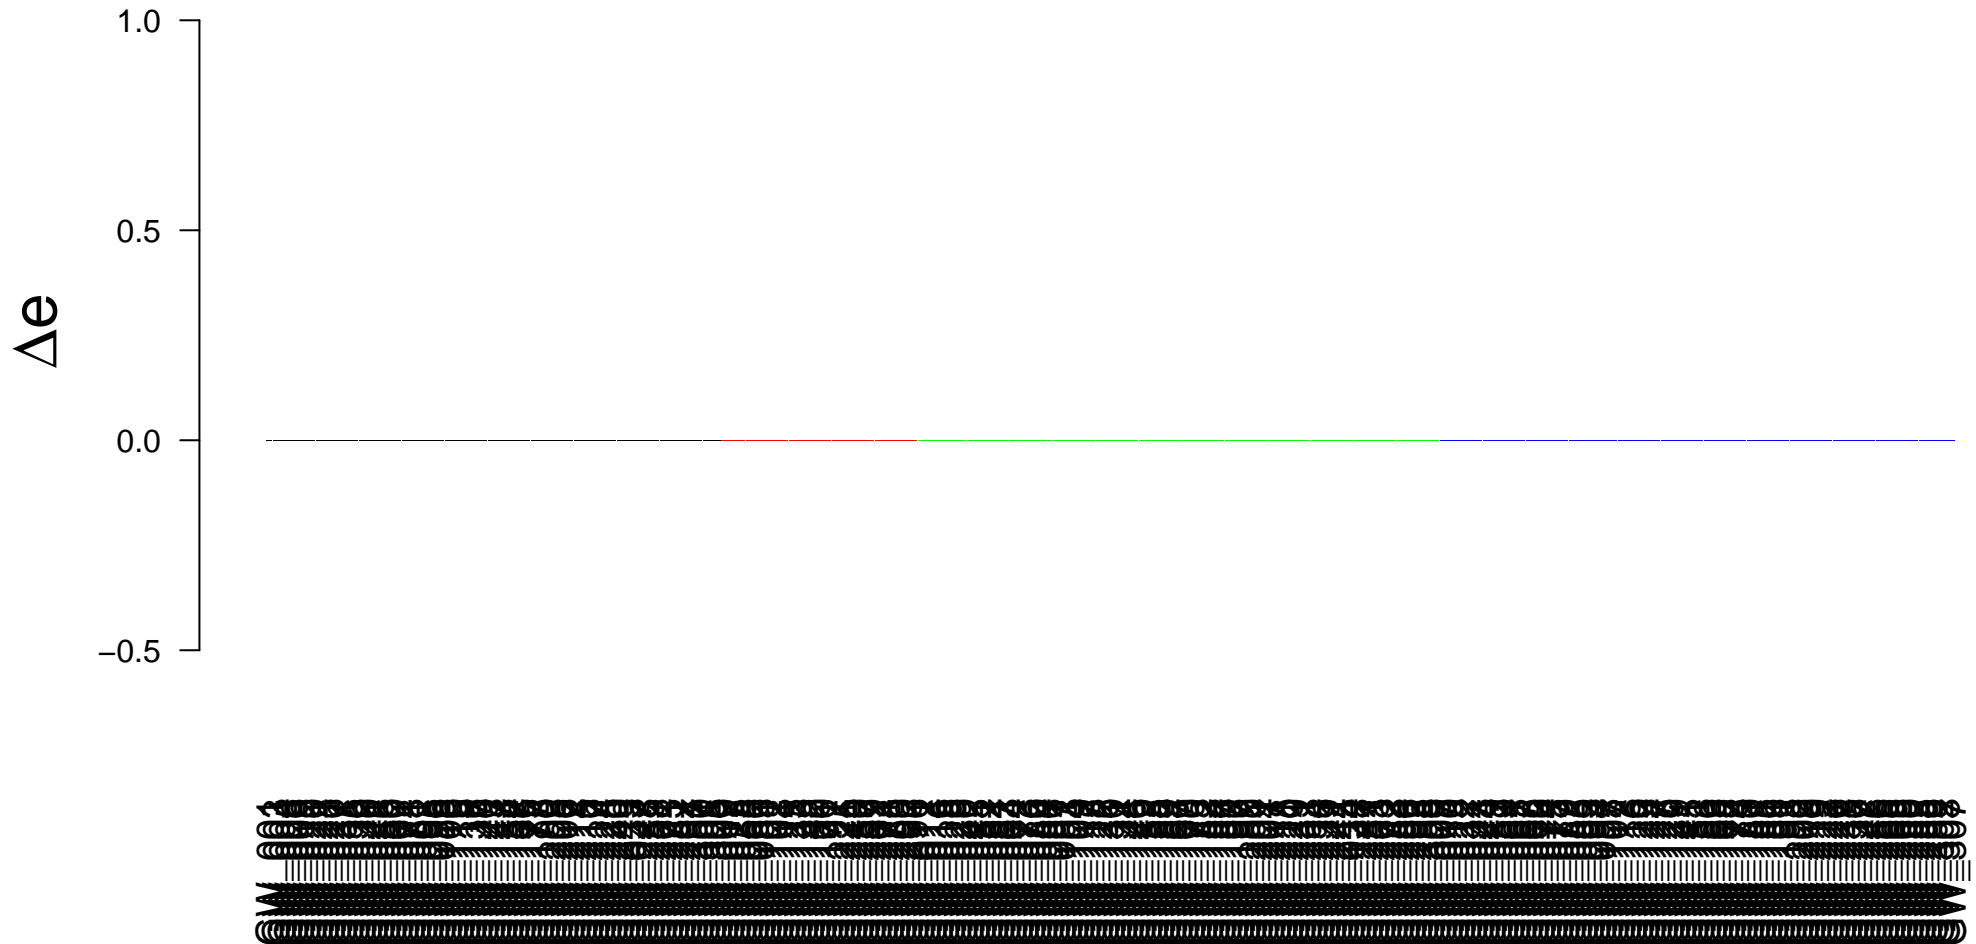

# Expression of protein polyubiquitination in Spot H

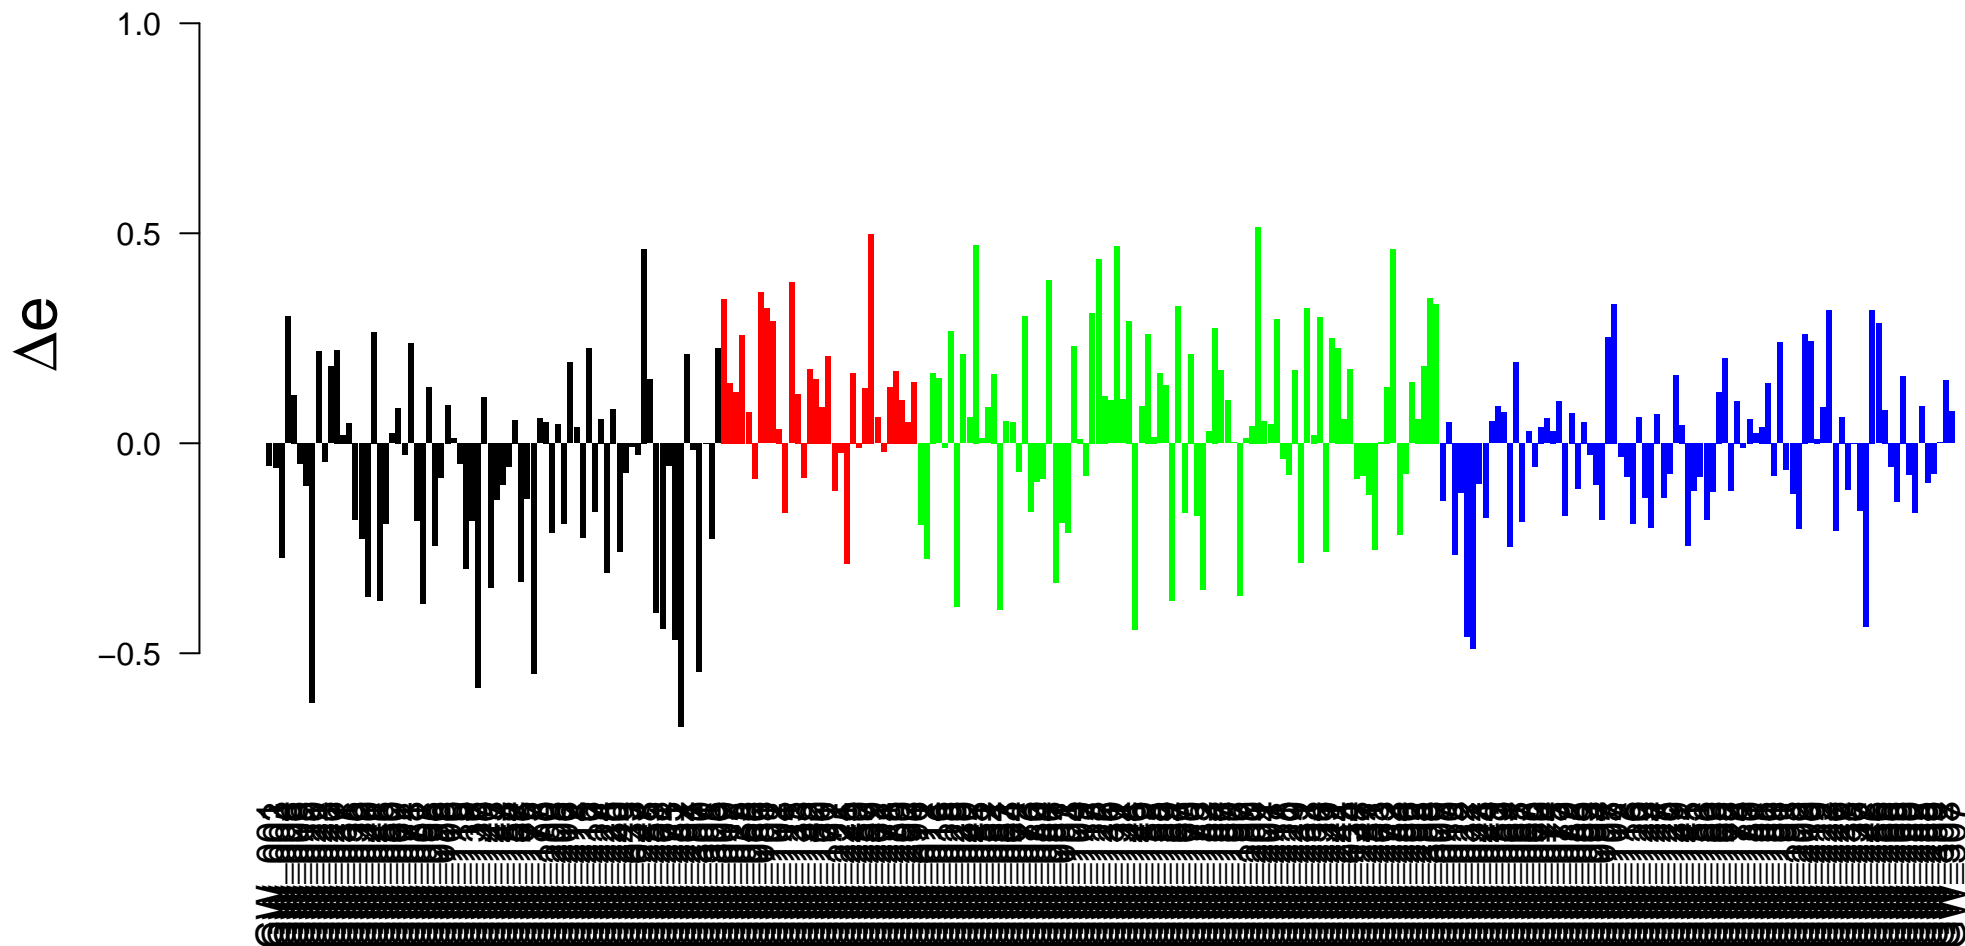

# Expression of protein polyubiquitination in Spot I

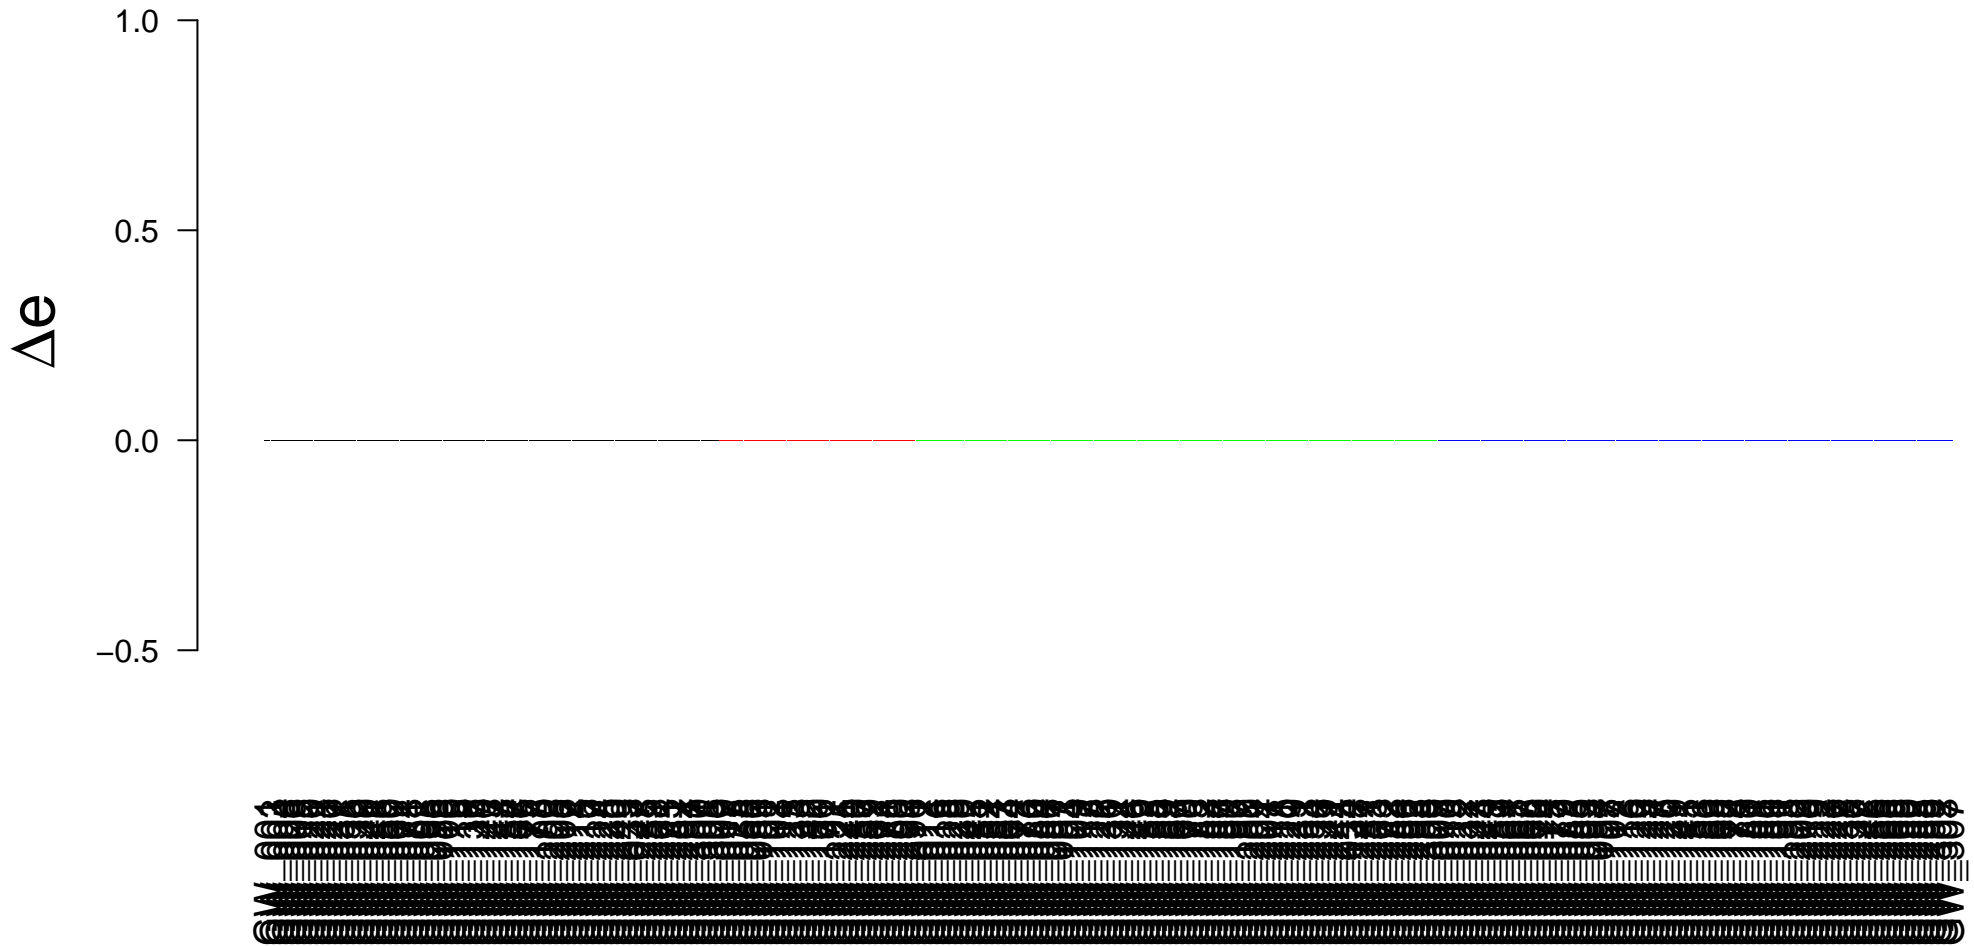

# Expression of protein polyubiquitination in Spot J

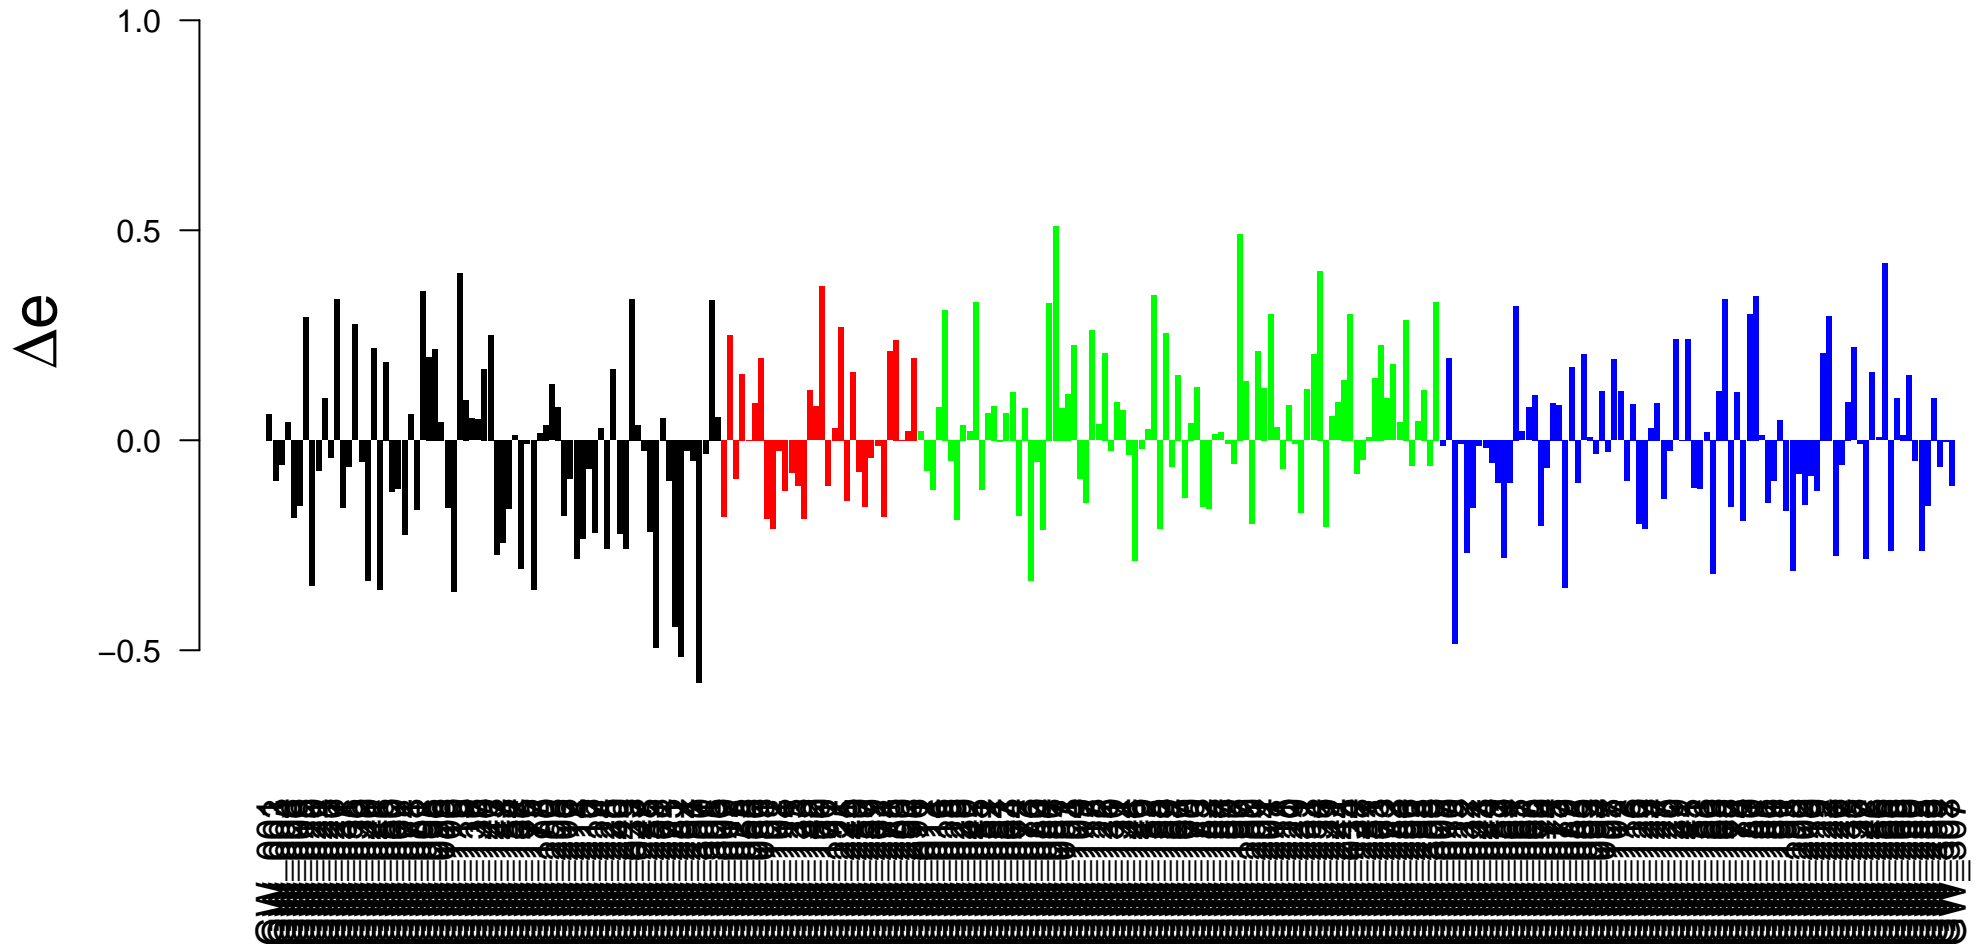

# Expression of protein polyubiquitination in Spot K

# Expression of protein polyubiquitination in Spot L

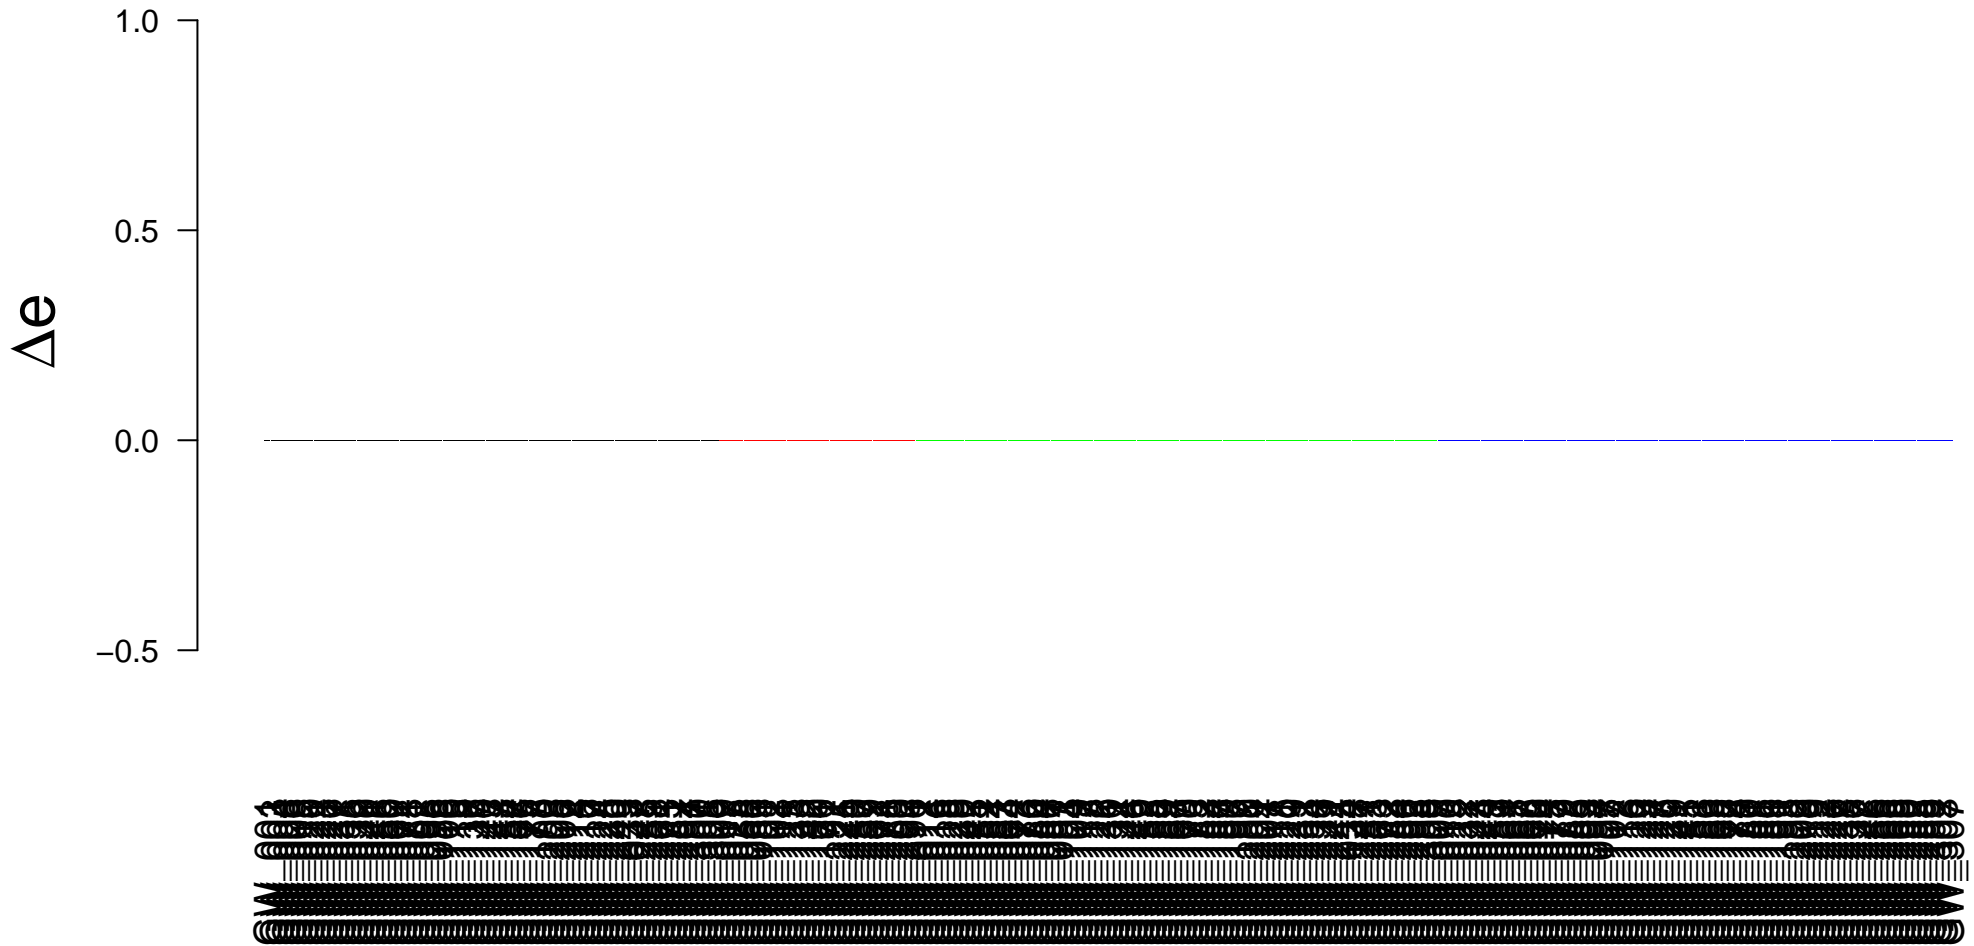

# Expression of protein polyubiquitination in Spot M

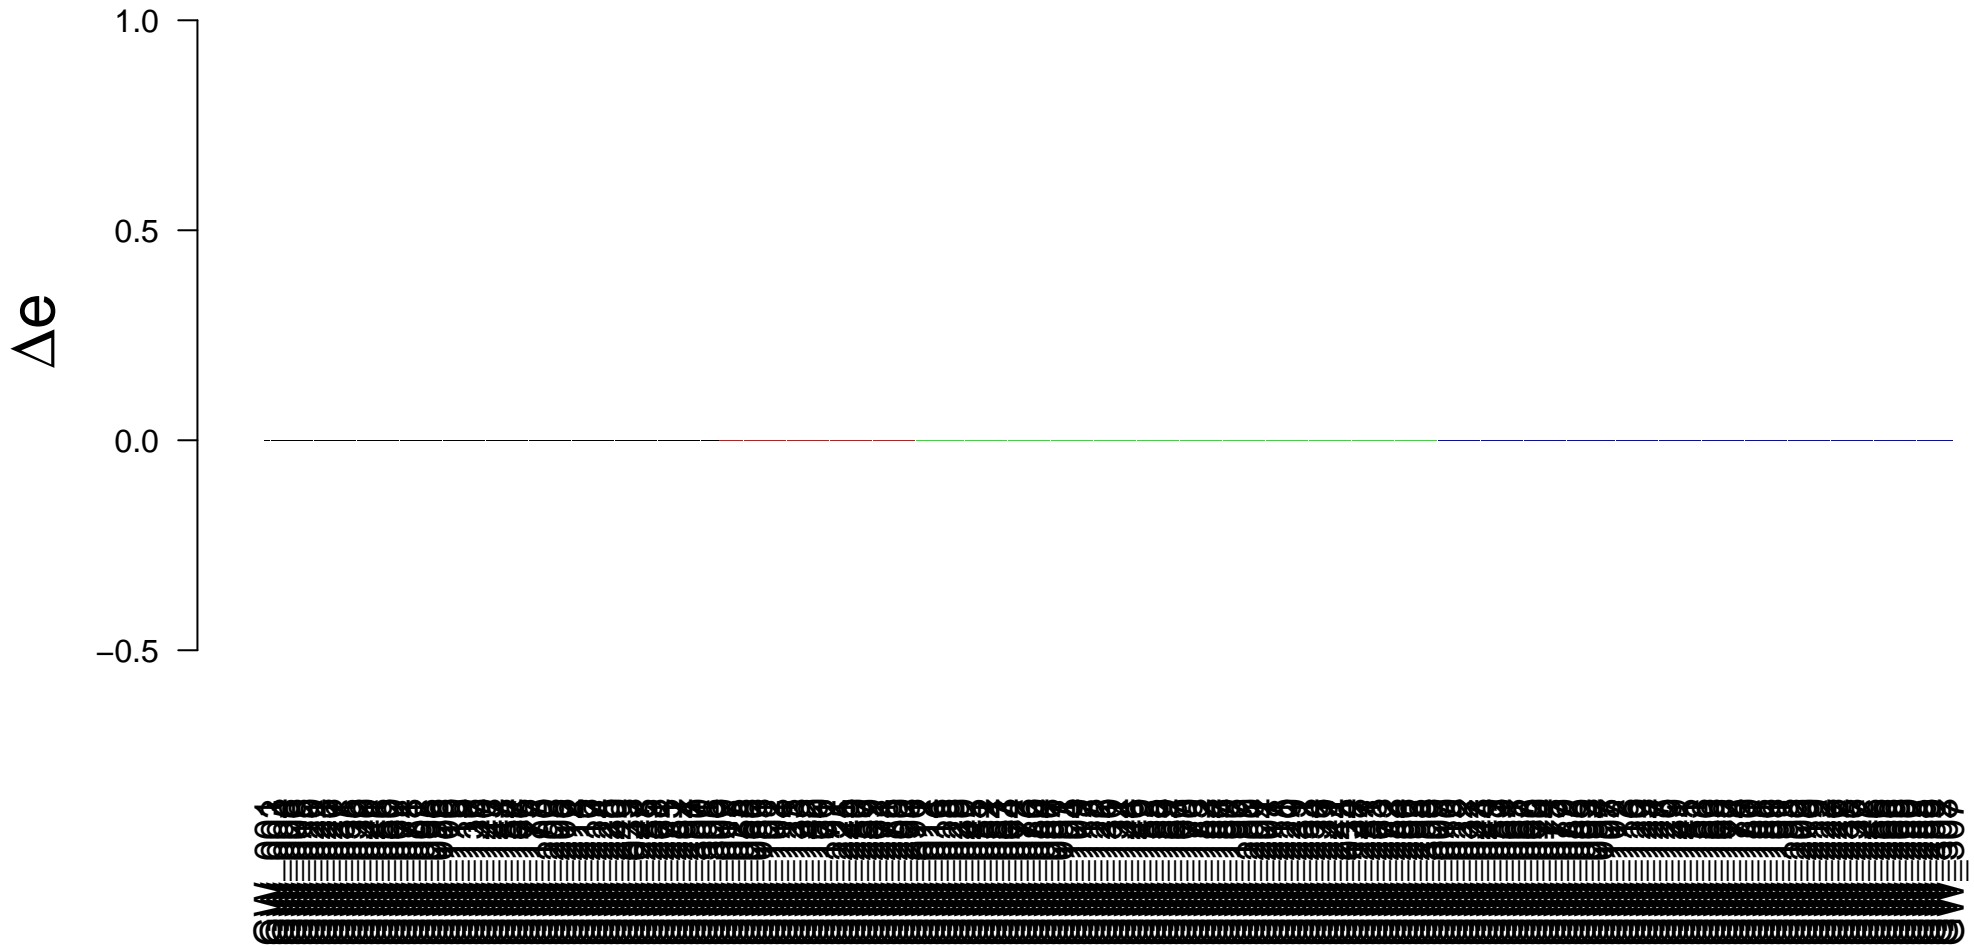

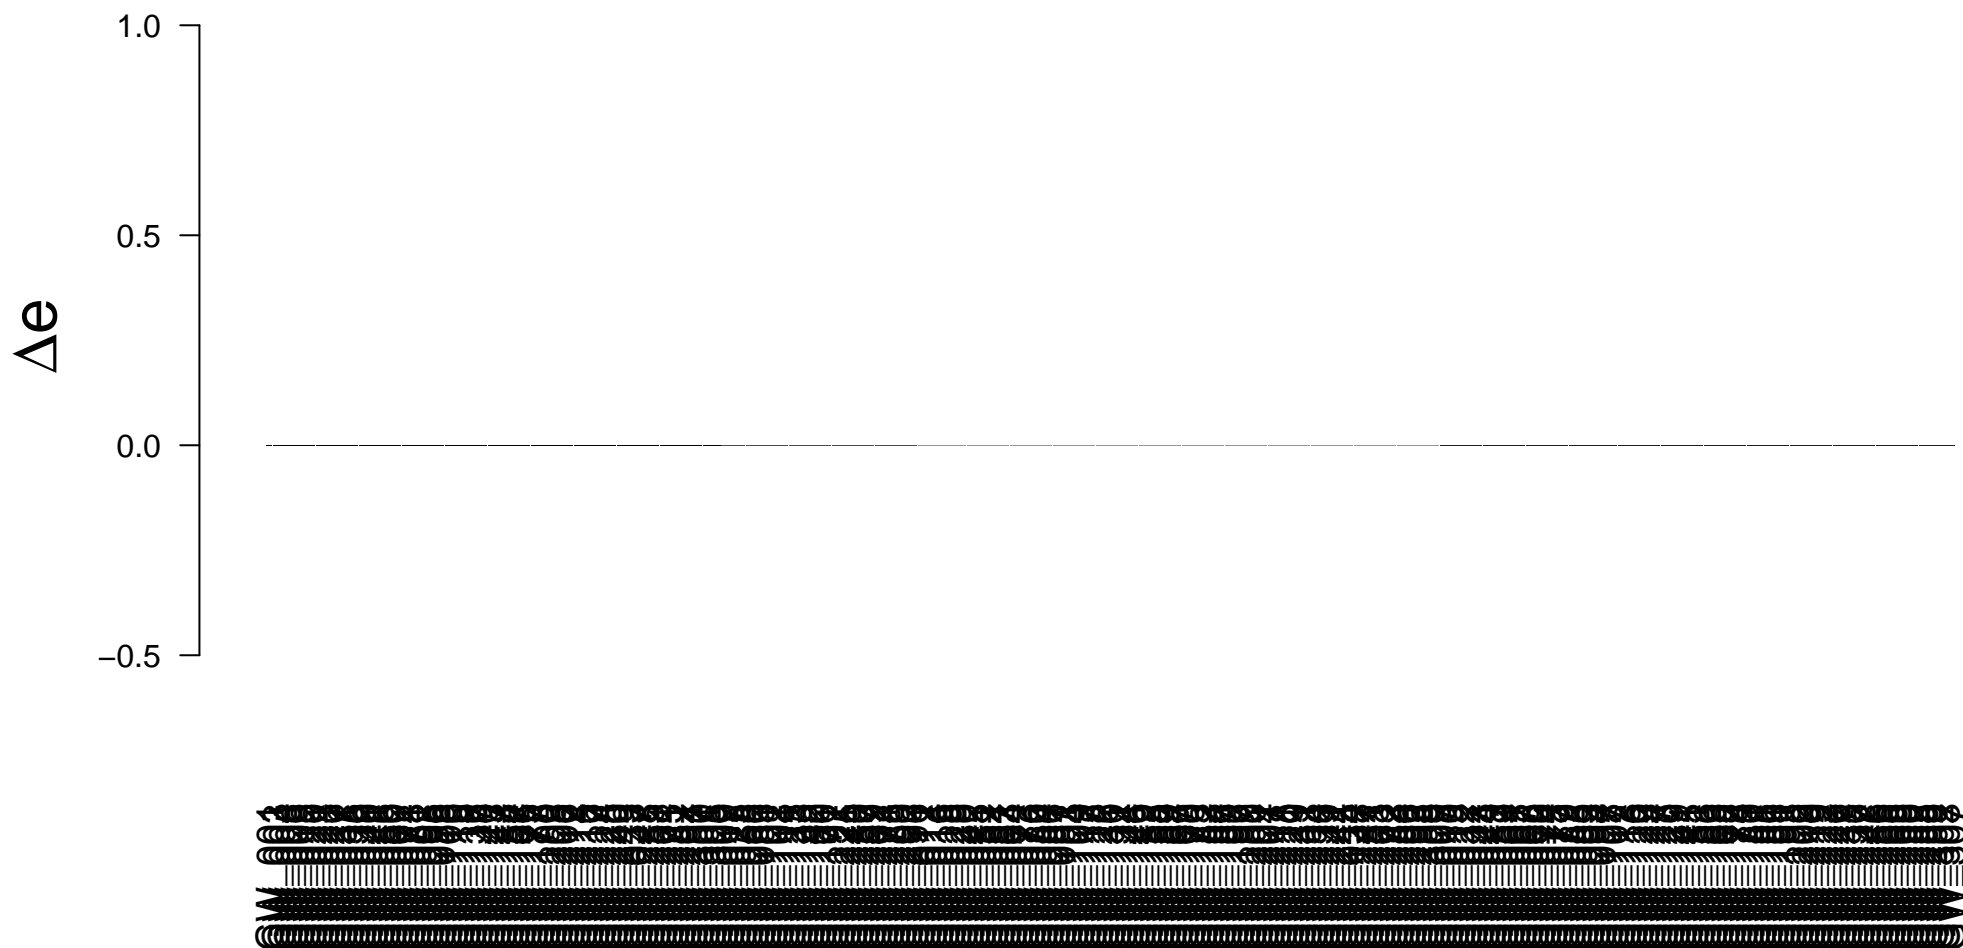

# Expression of protein polyubiquitination in Spot N

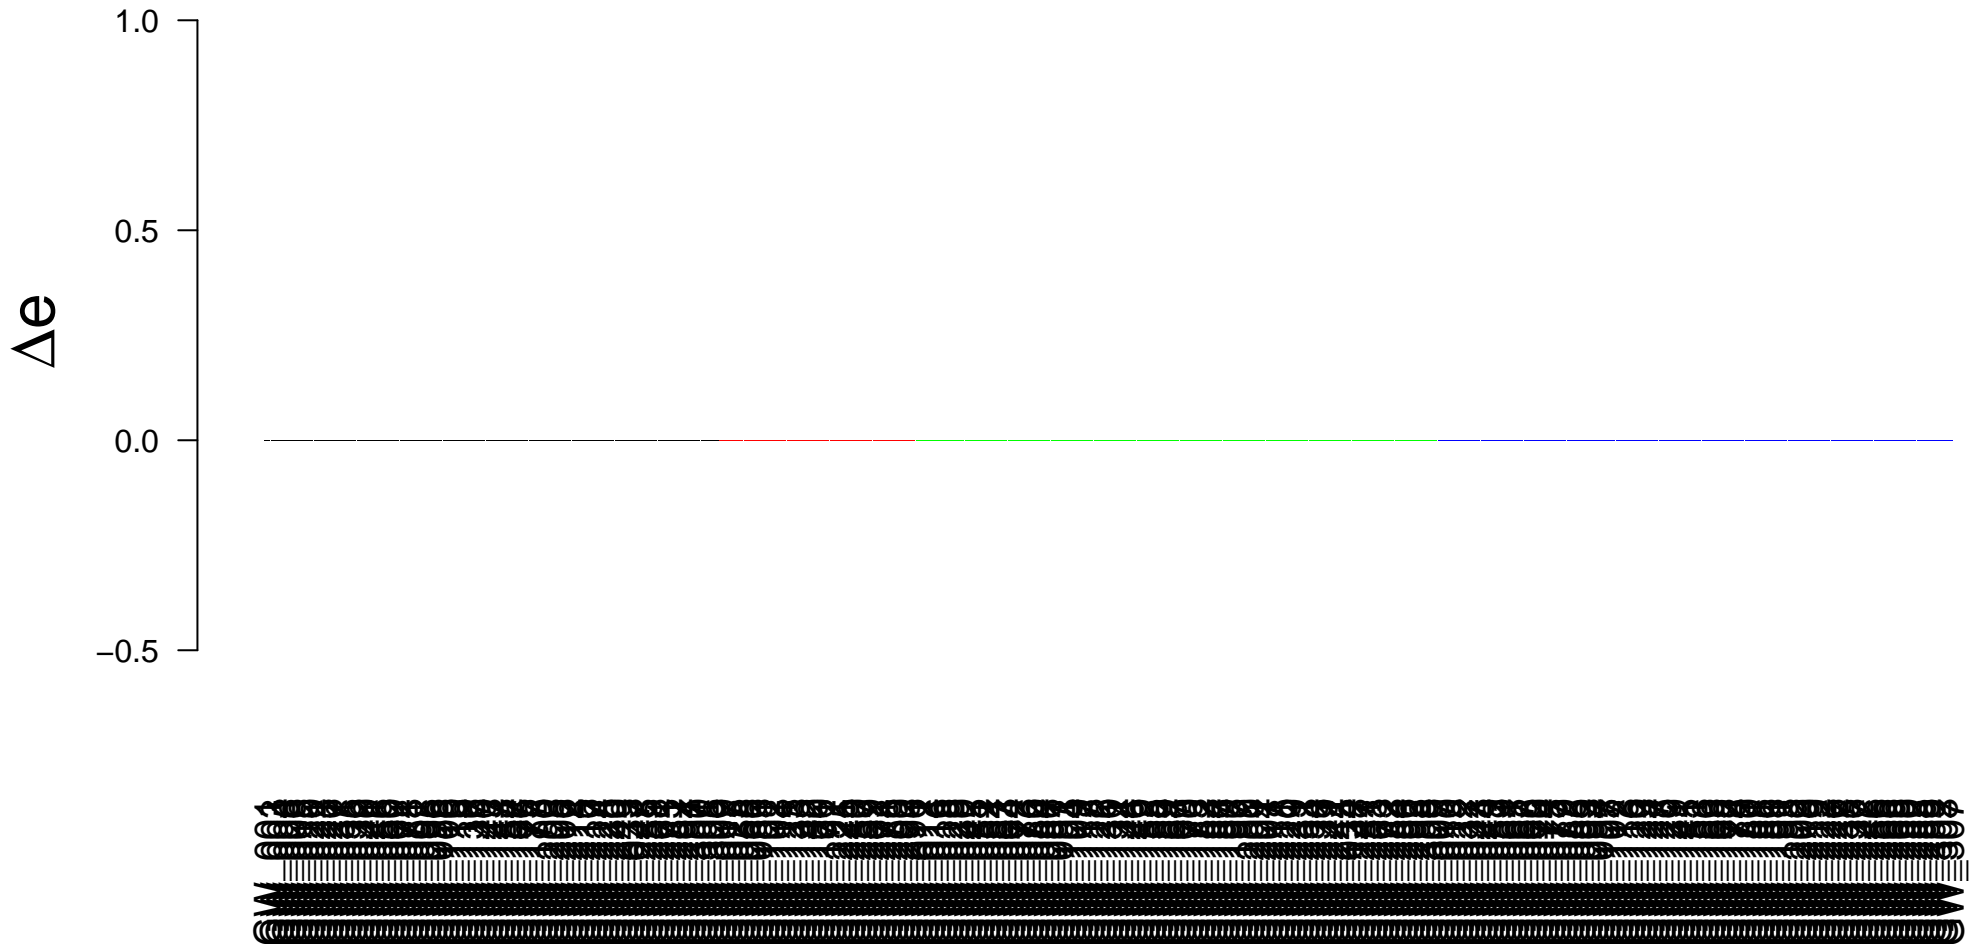

# Expression of protein polyubiquitination in Spot O

# Expression of protein polyubiquitination in Spot P

# Expression of protein polyubiquitination in Spot Q

# Expression of protein polyubiquitination in Spot R
