

protein tetramerization

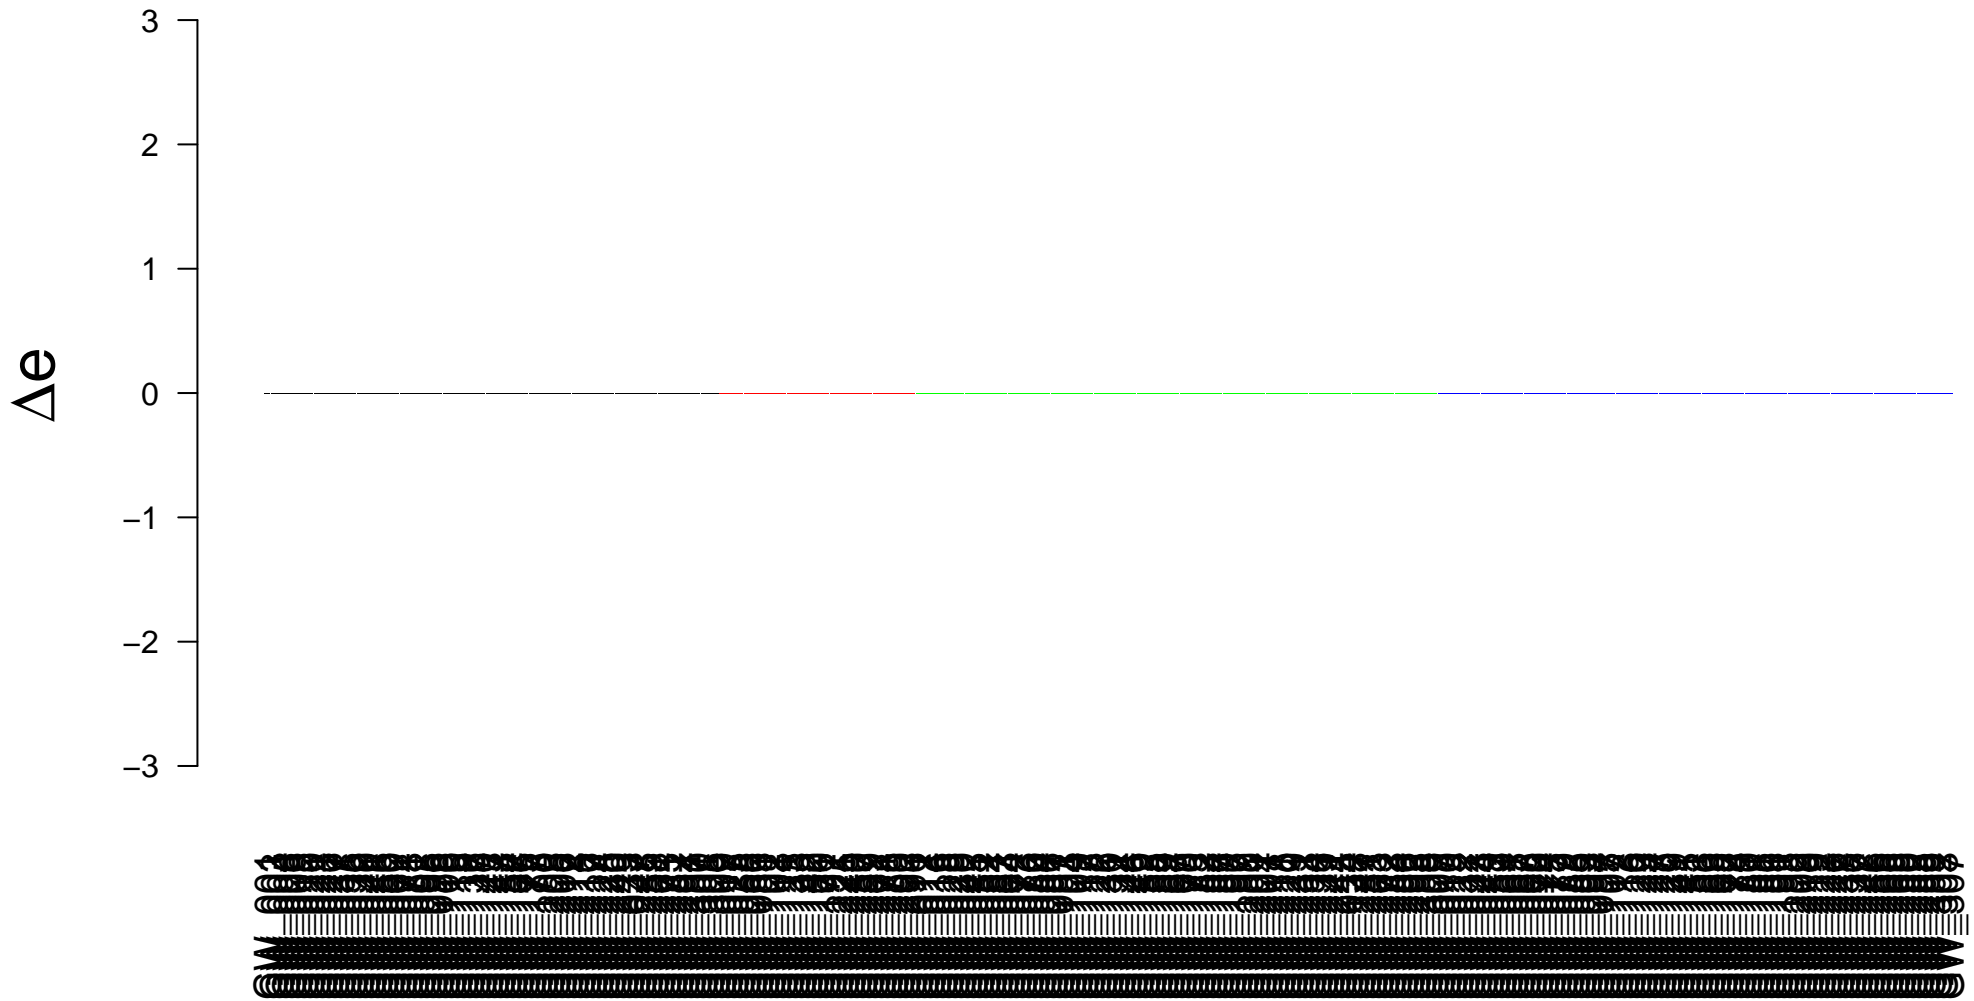

protein tetramerization

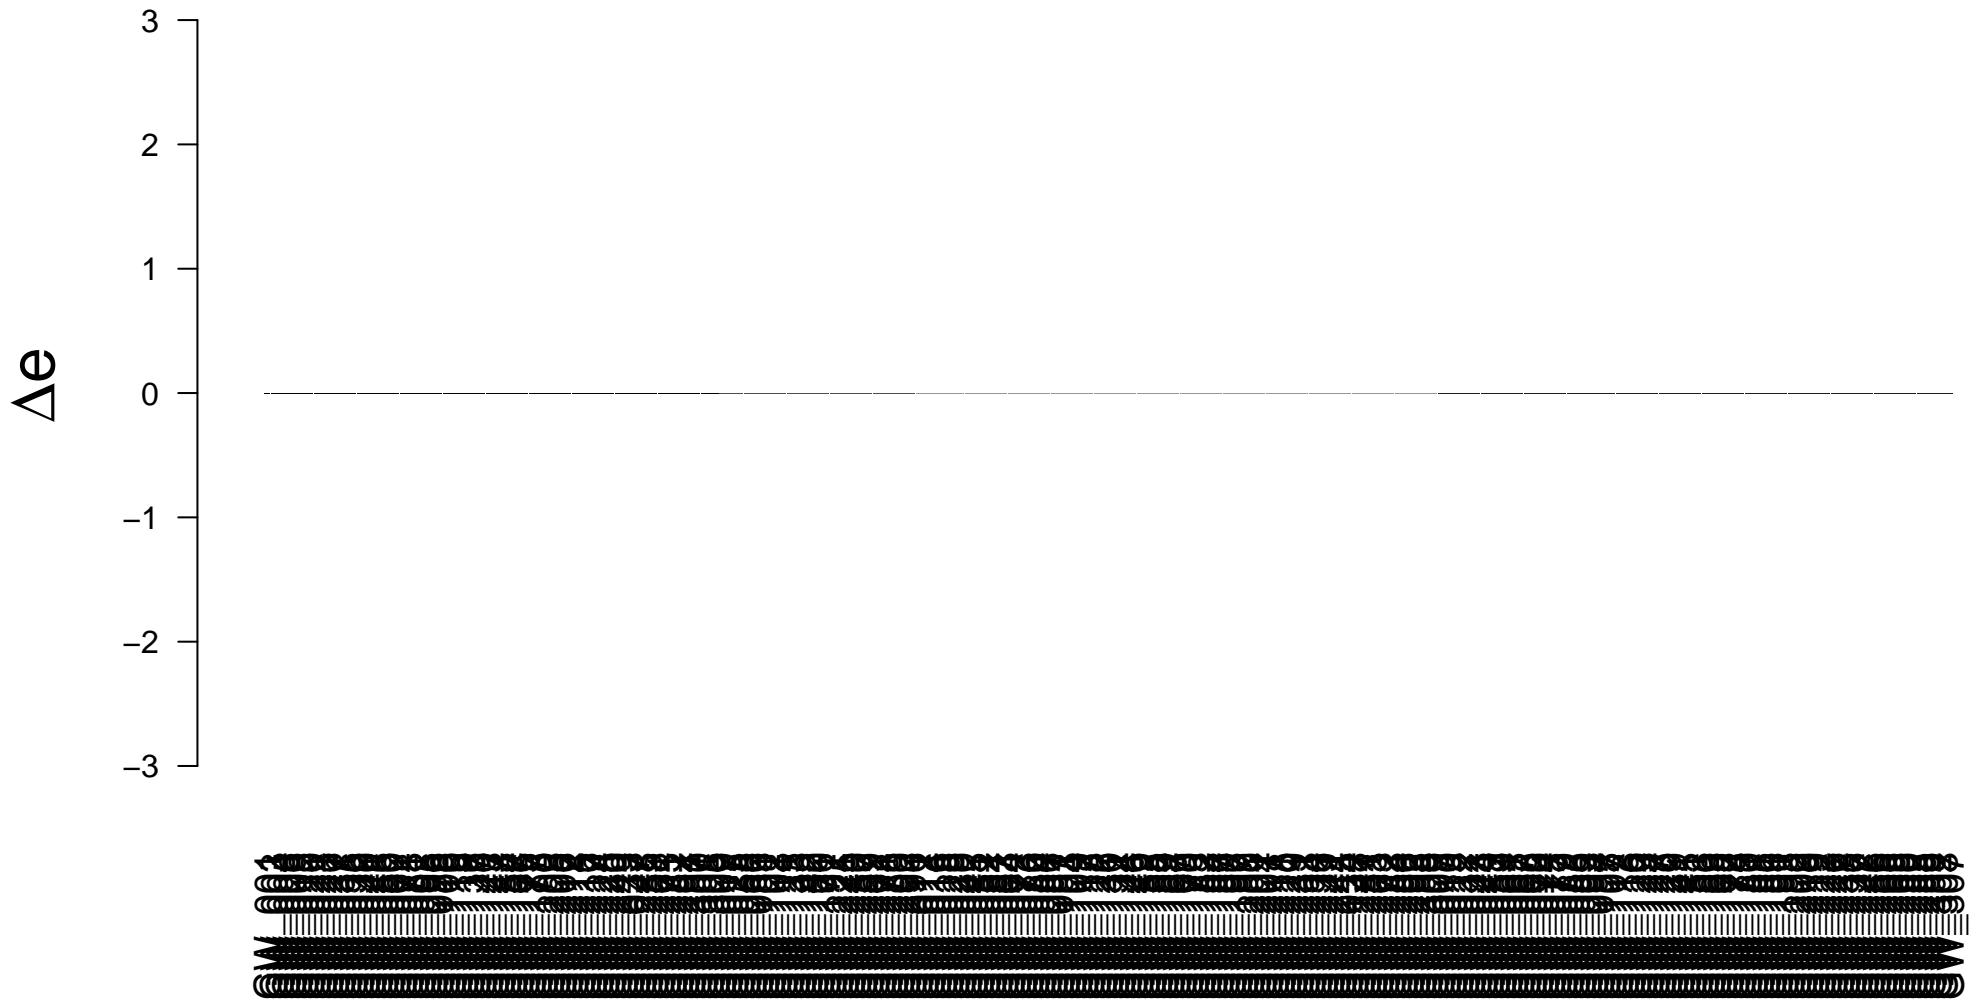

Enrichment in spots: protein tetramerization

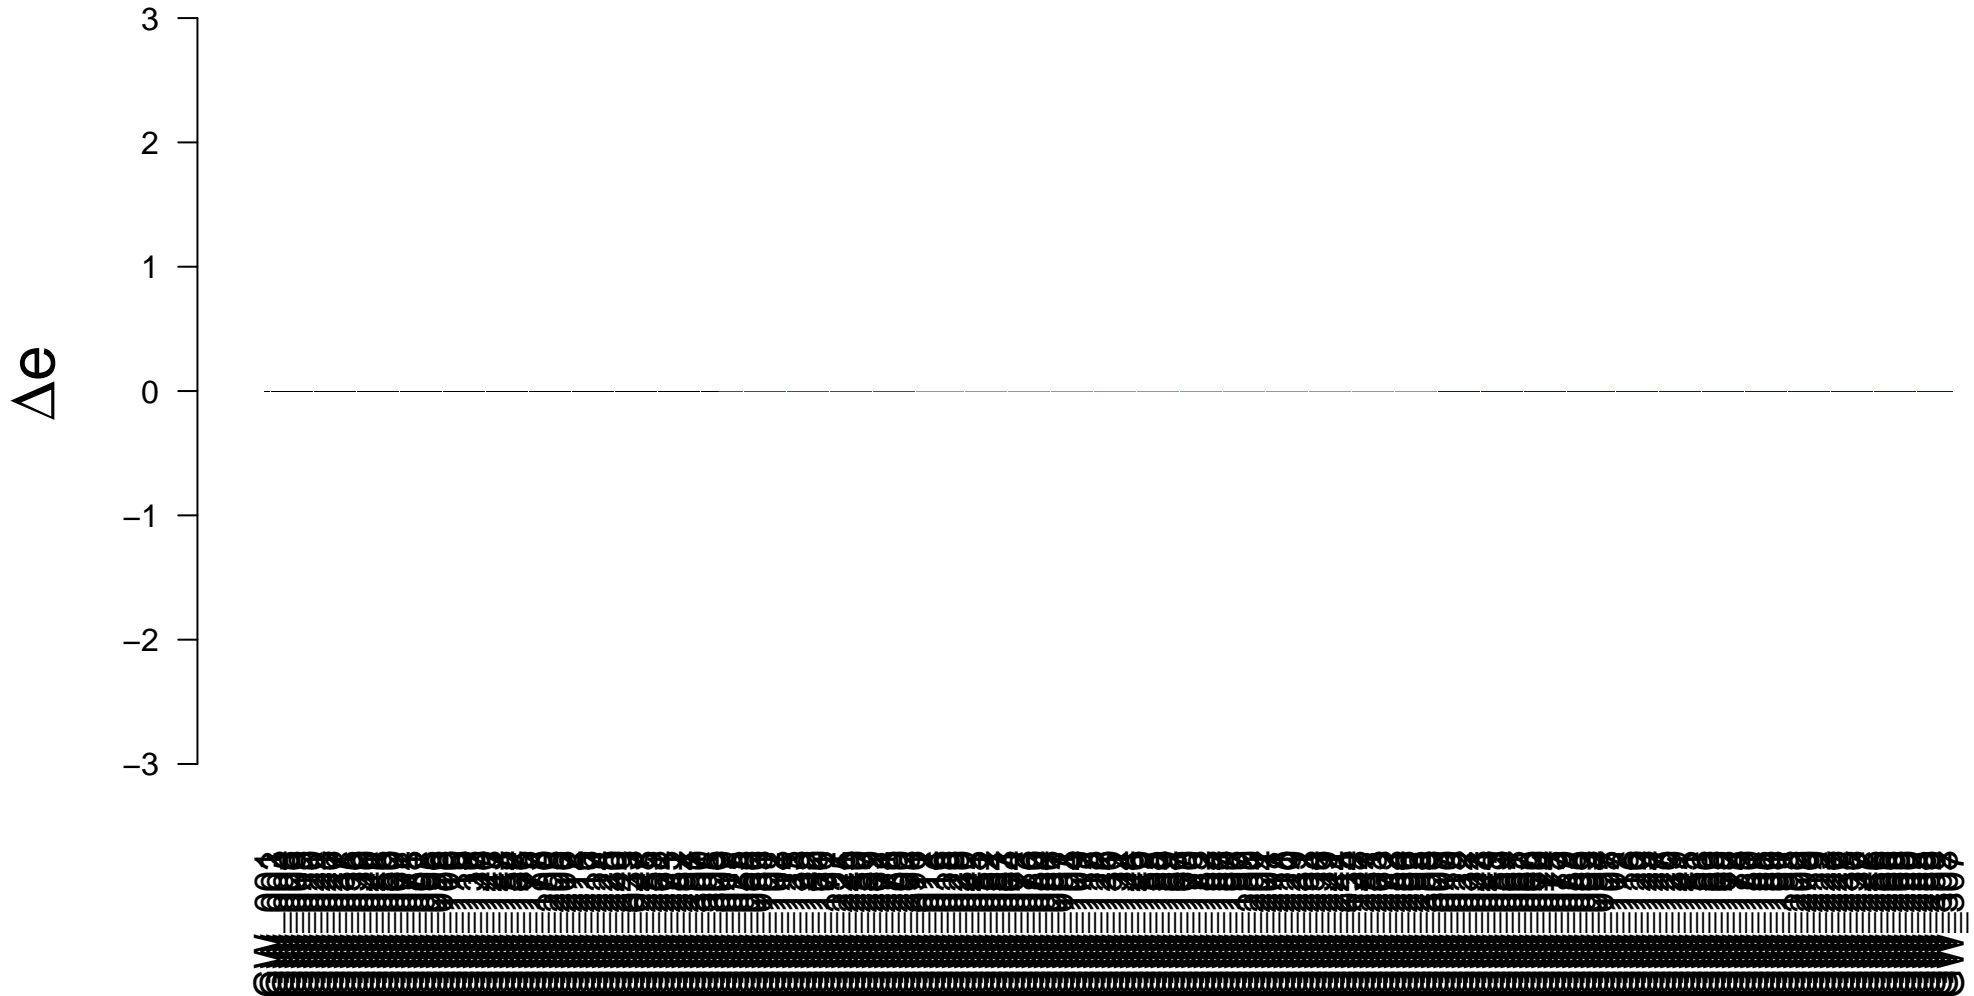

Expression of protein tetramerization in Spot A

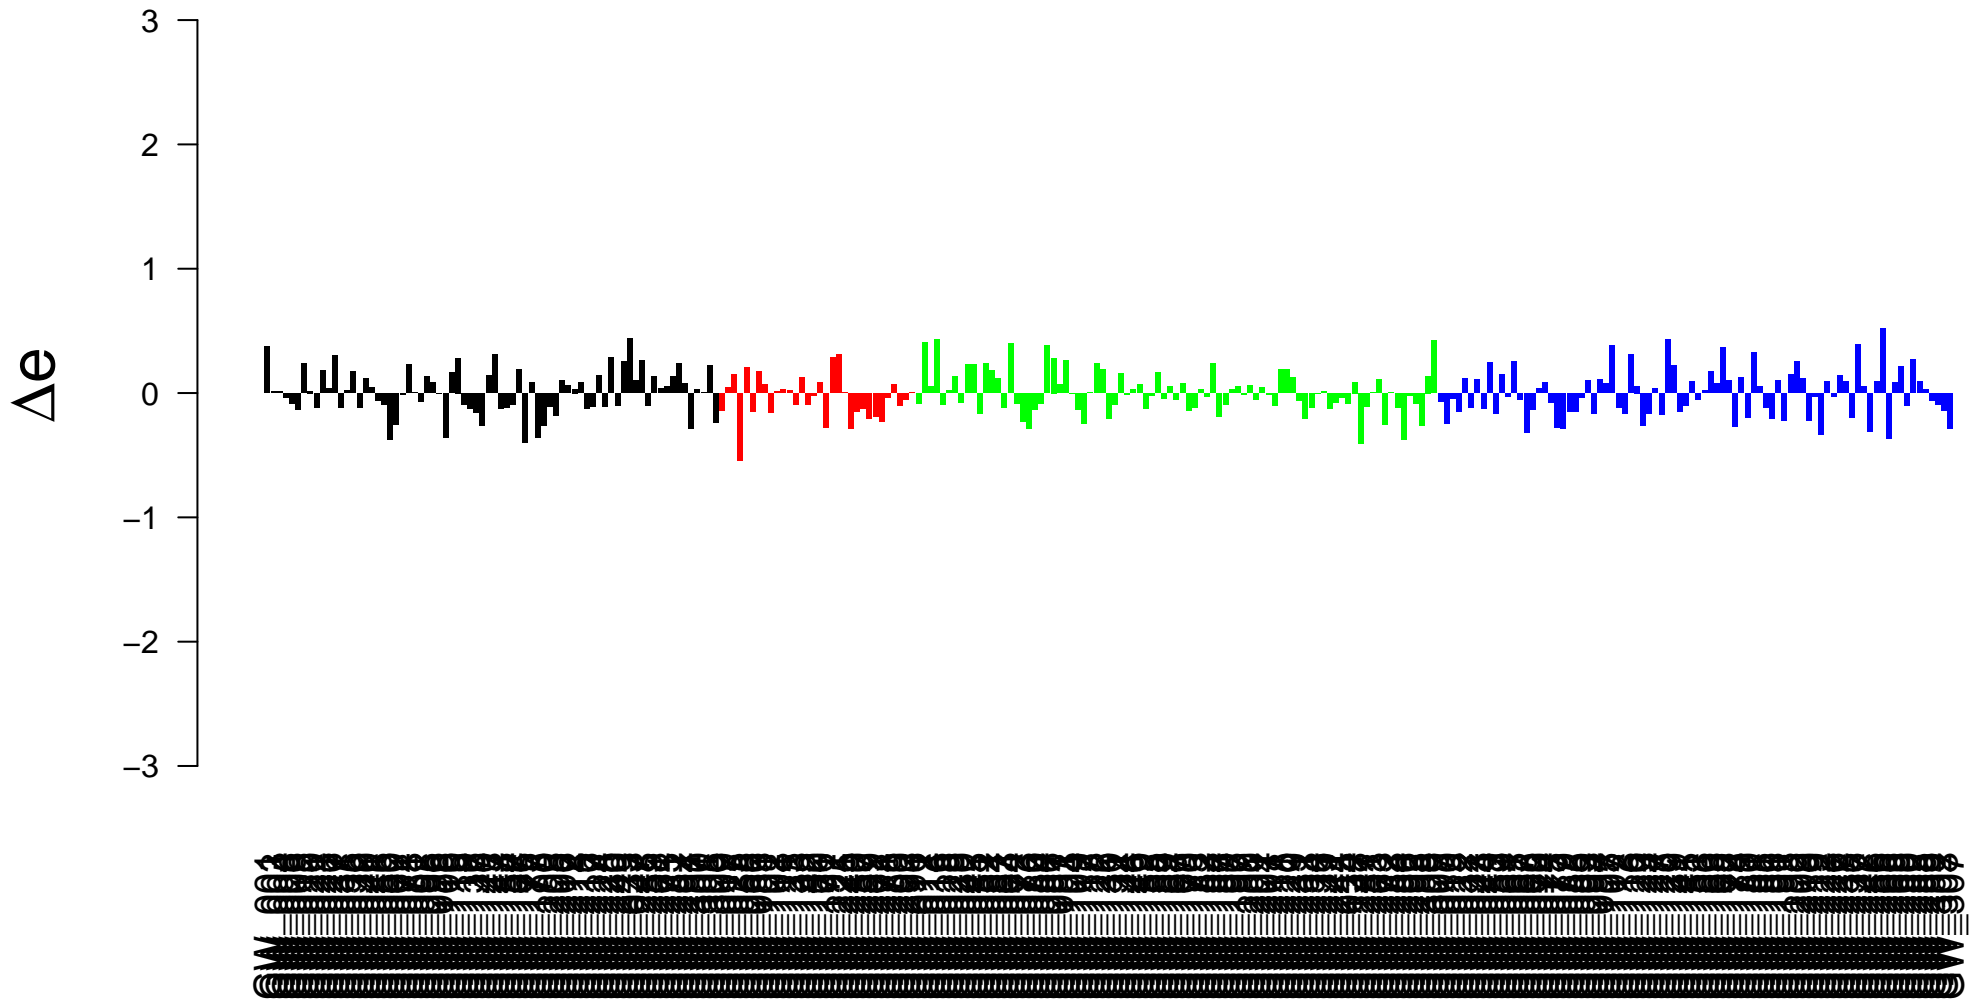

Expression of protein tetramerization in Spot B

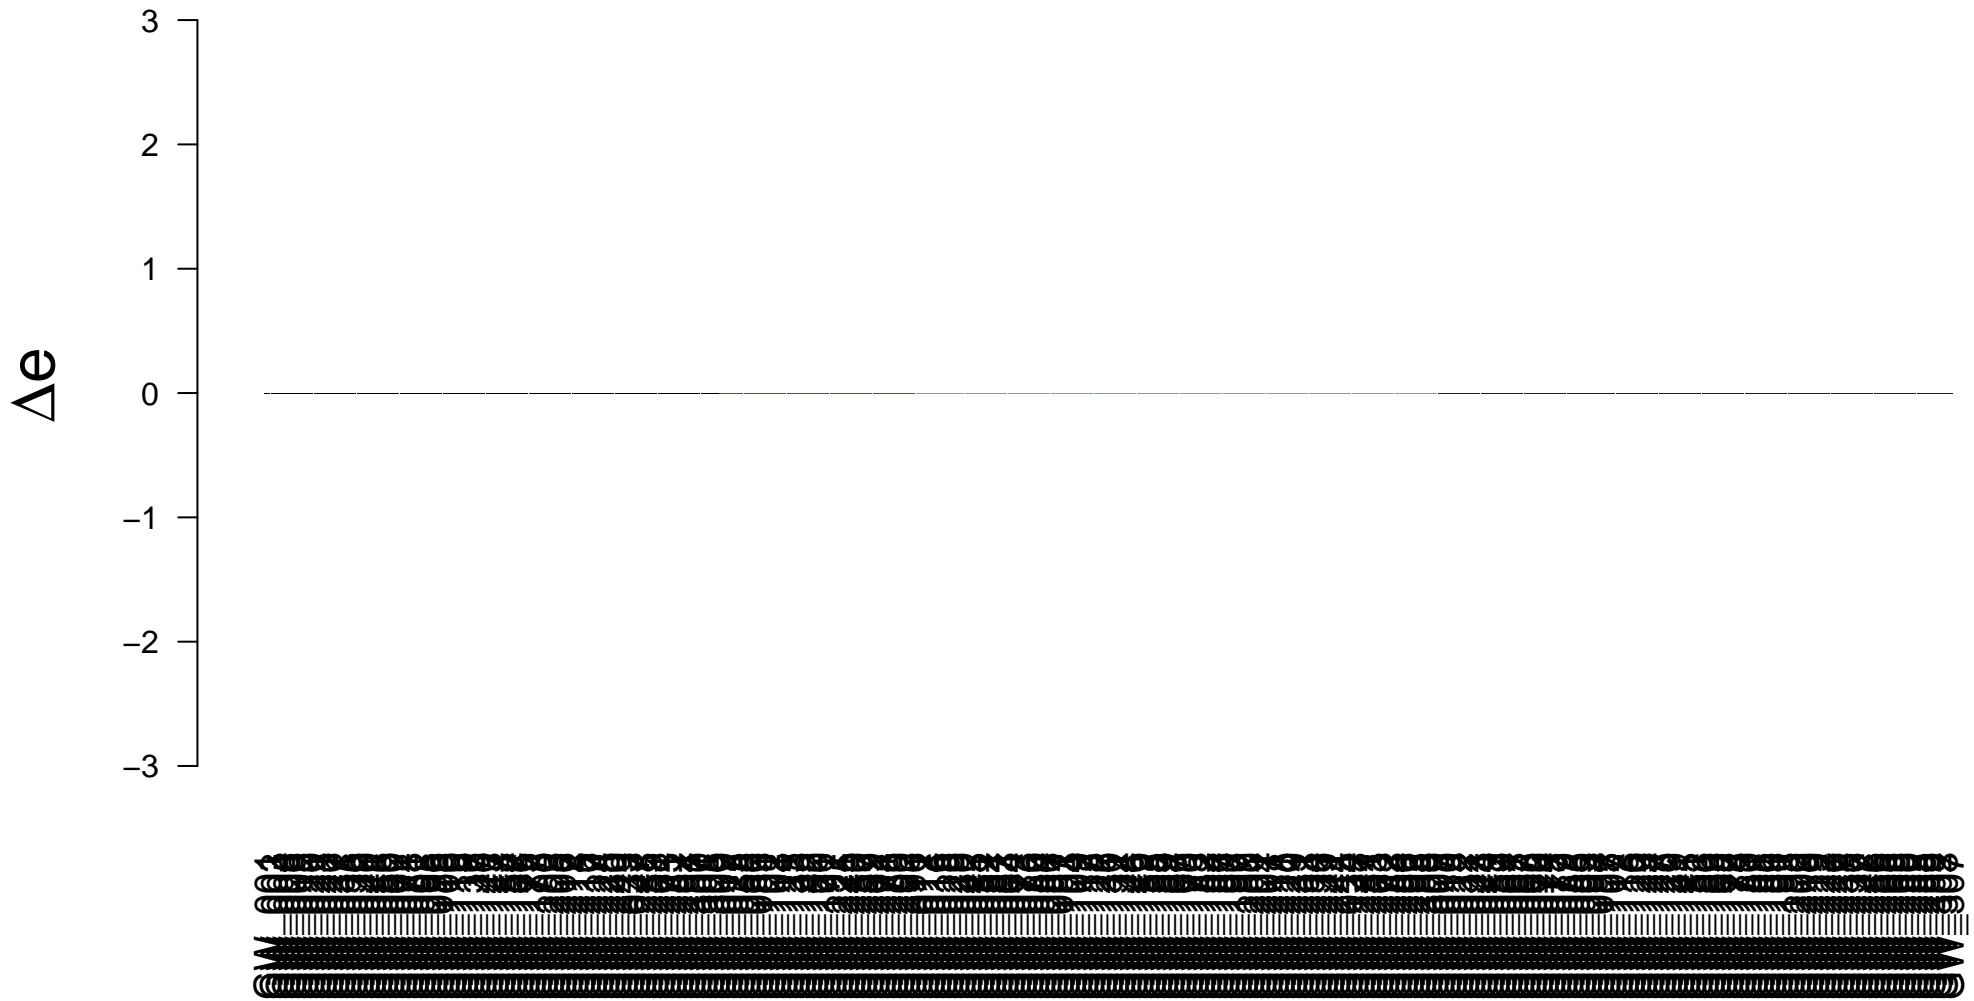

Expression of protein tetramerization in Spot C

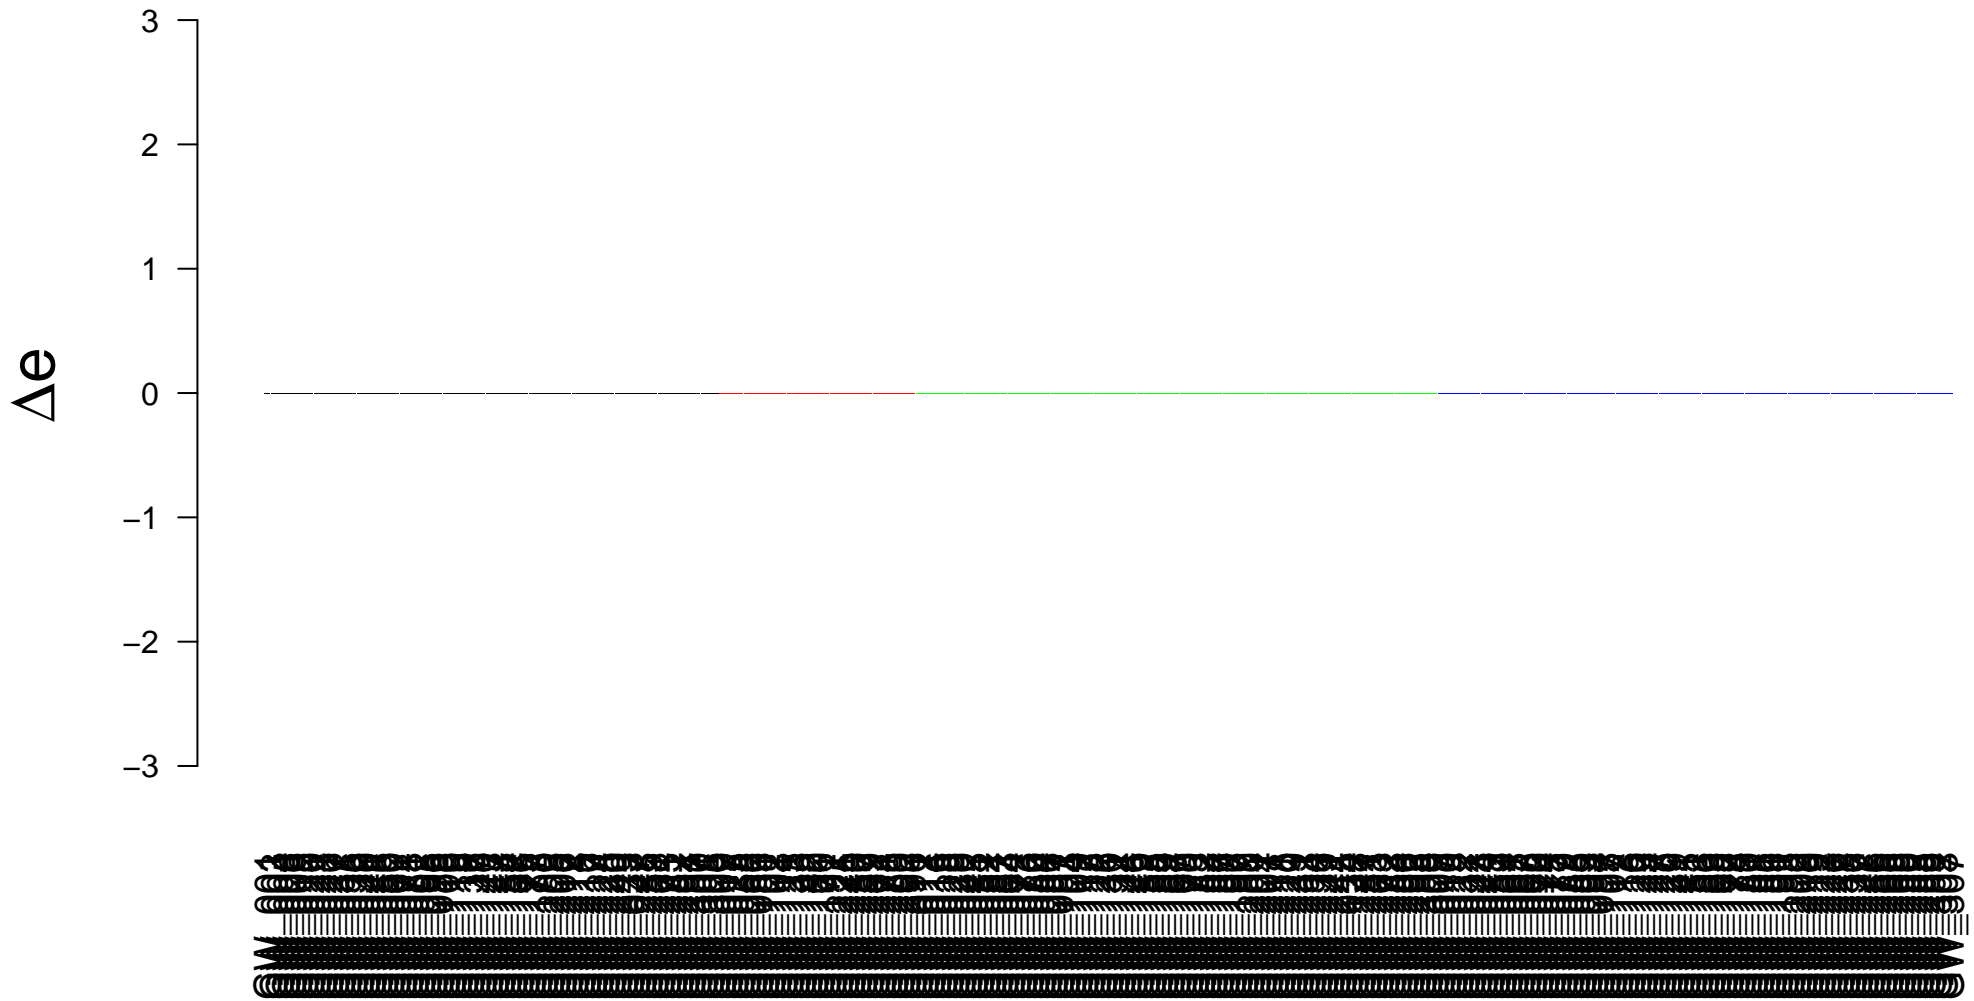

Expression of protein tetramerization in Spot D

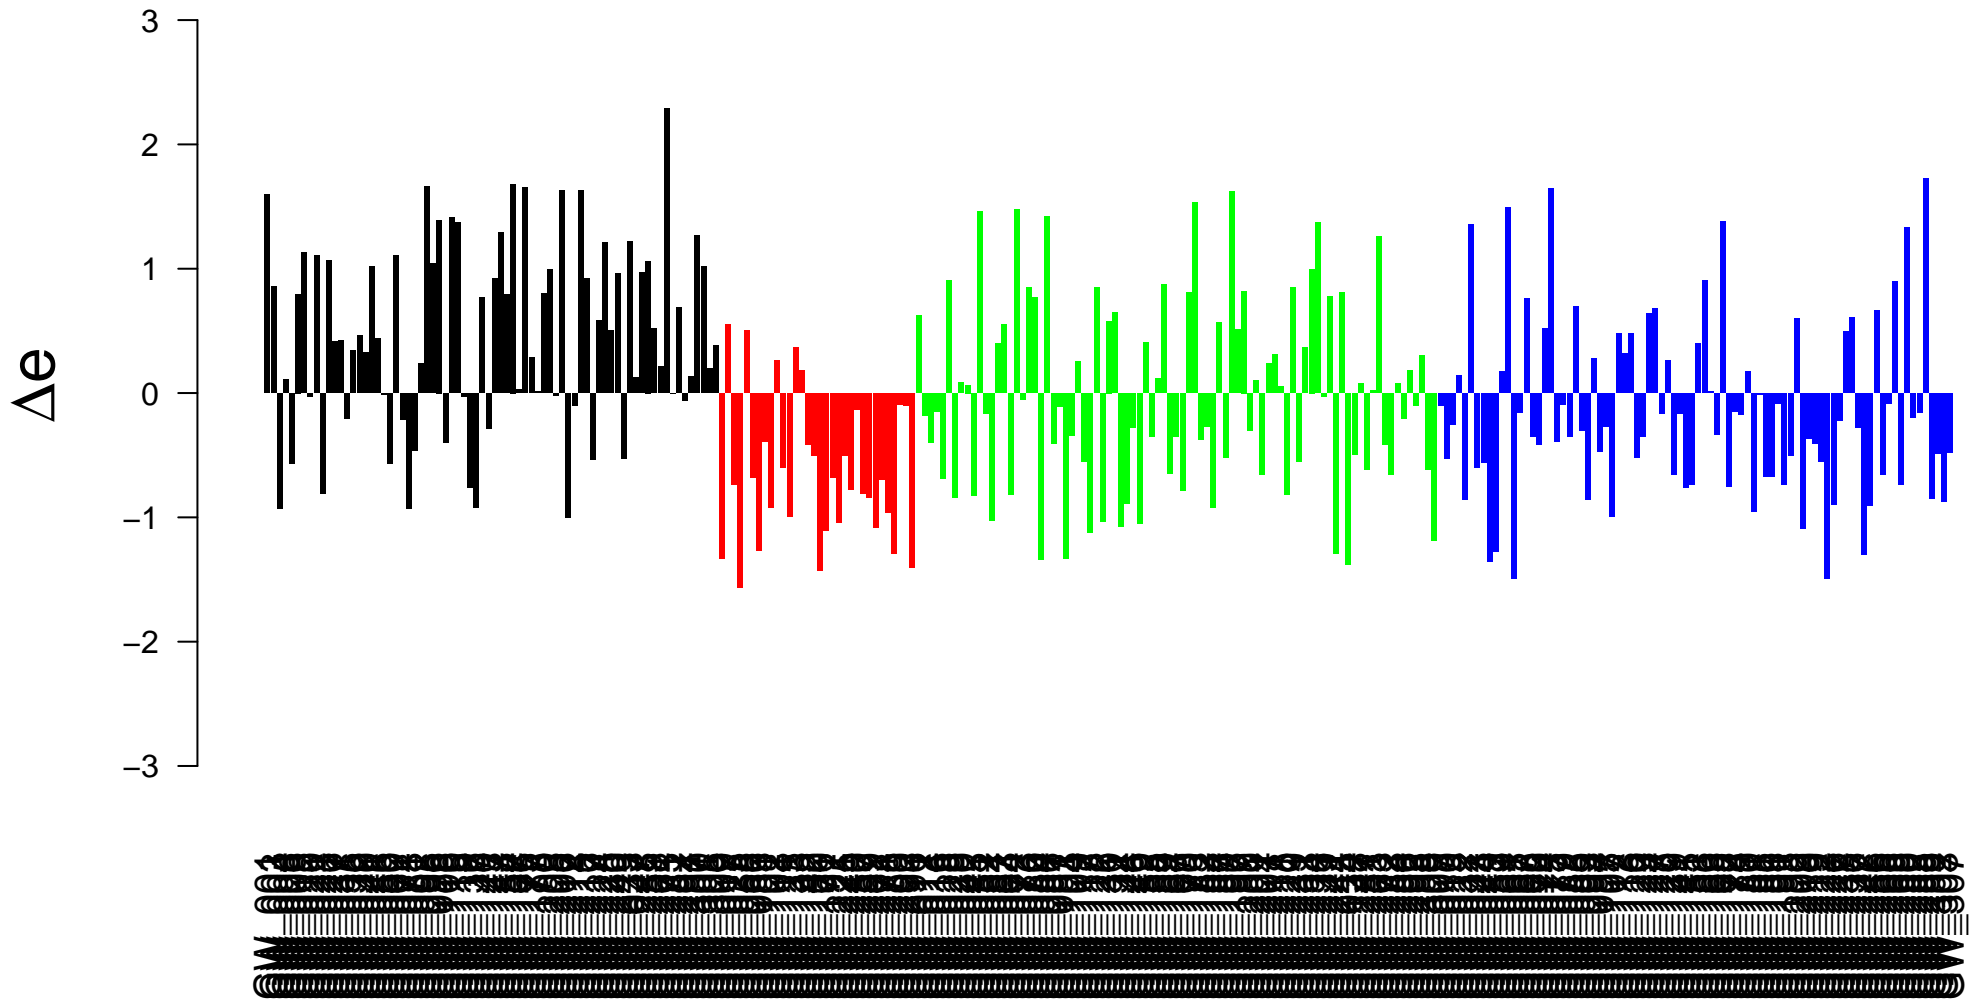

Expression of protein tetramerization in Spot E

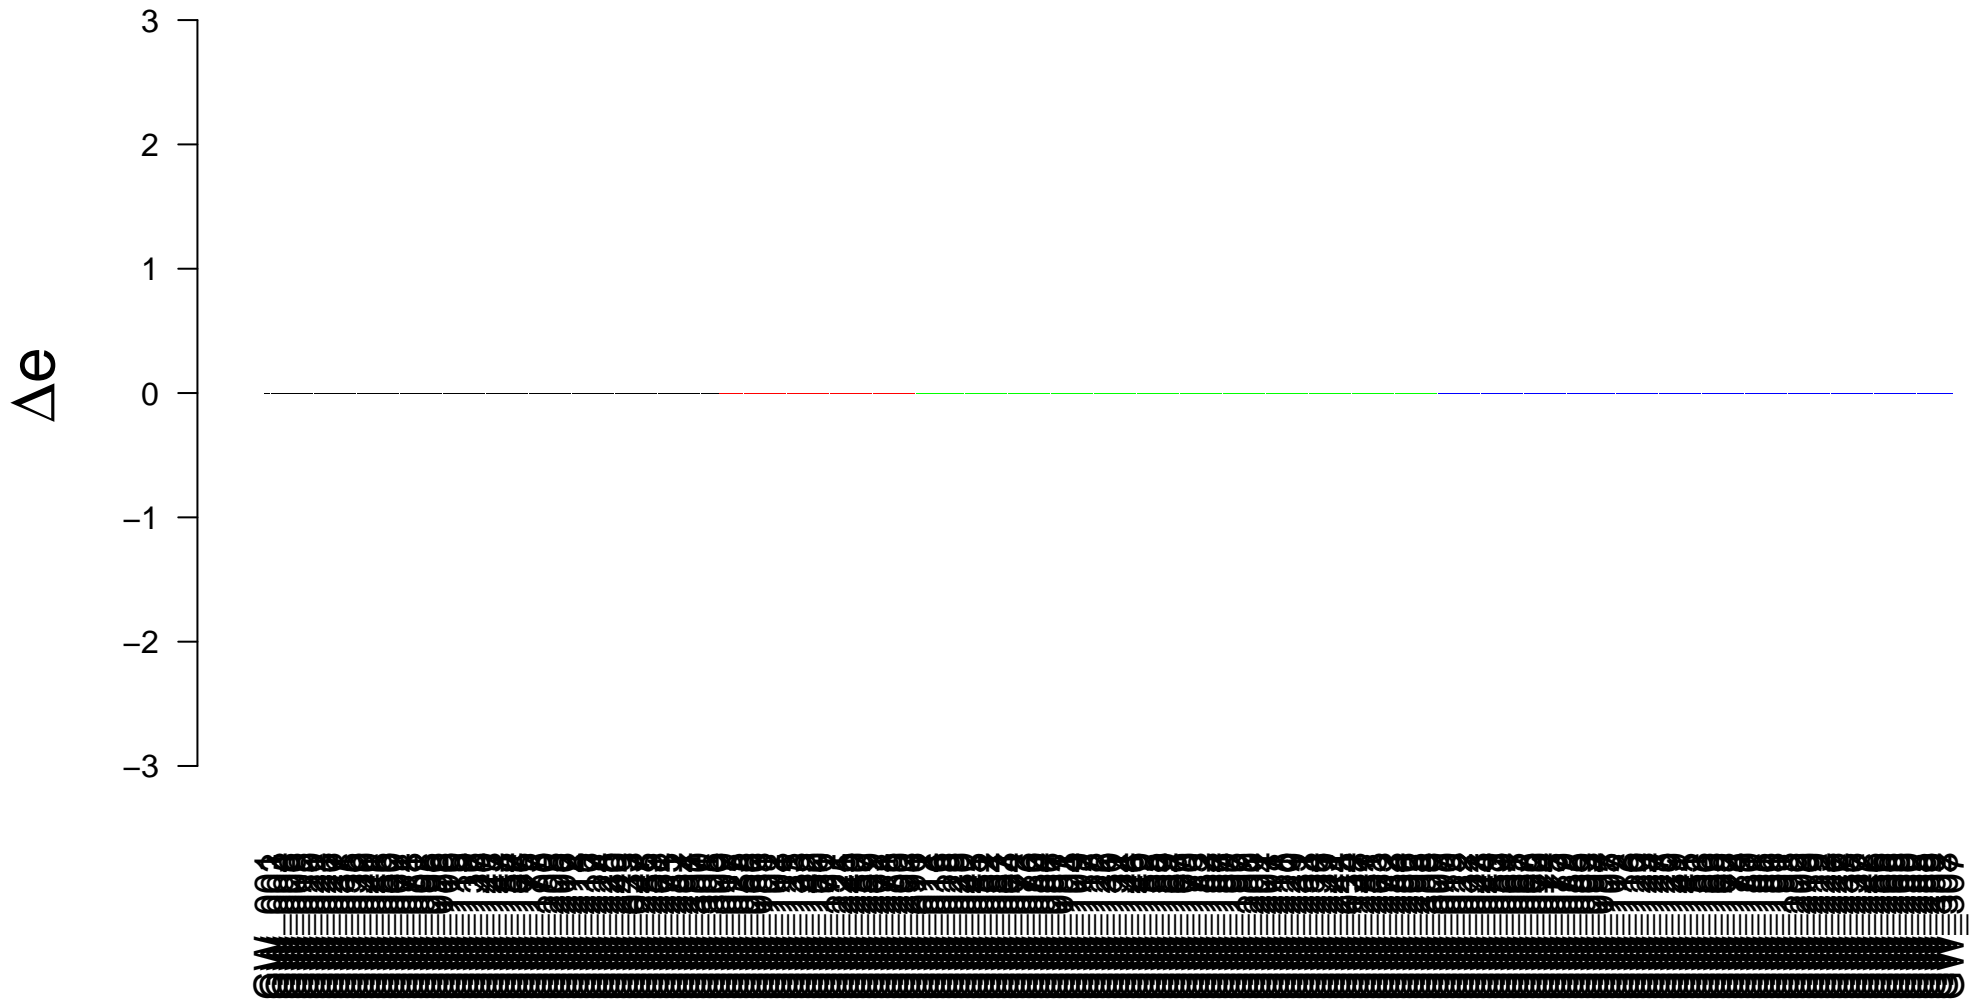

Expression of protein tetramerization in Spot F

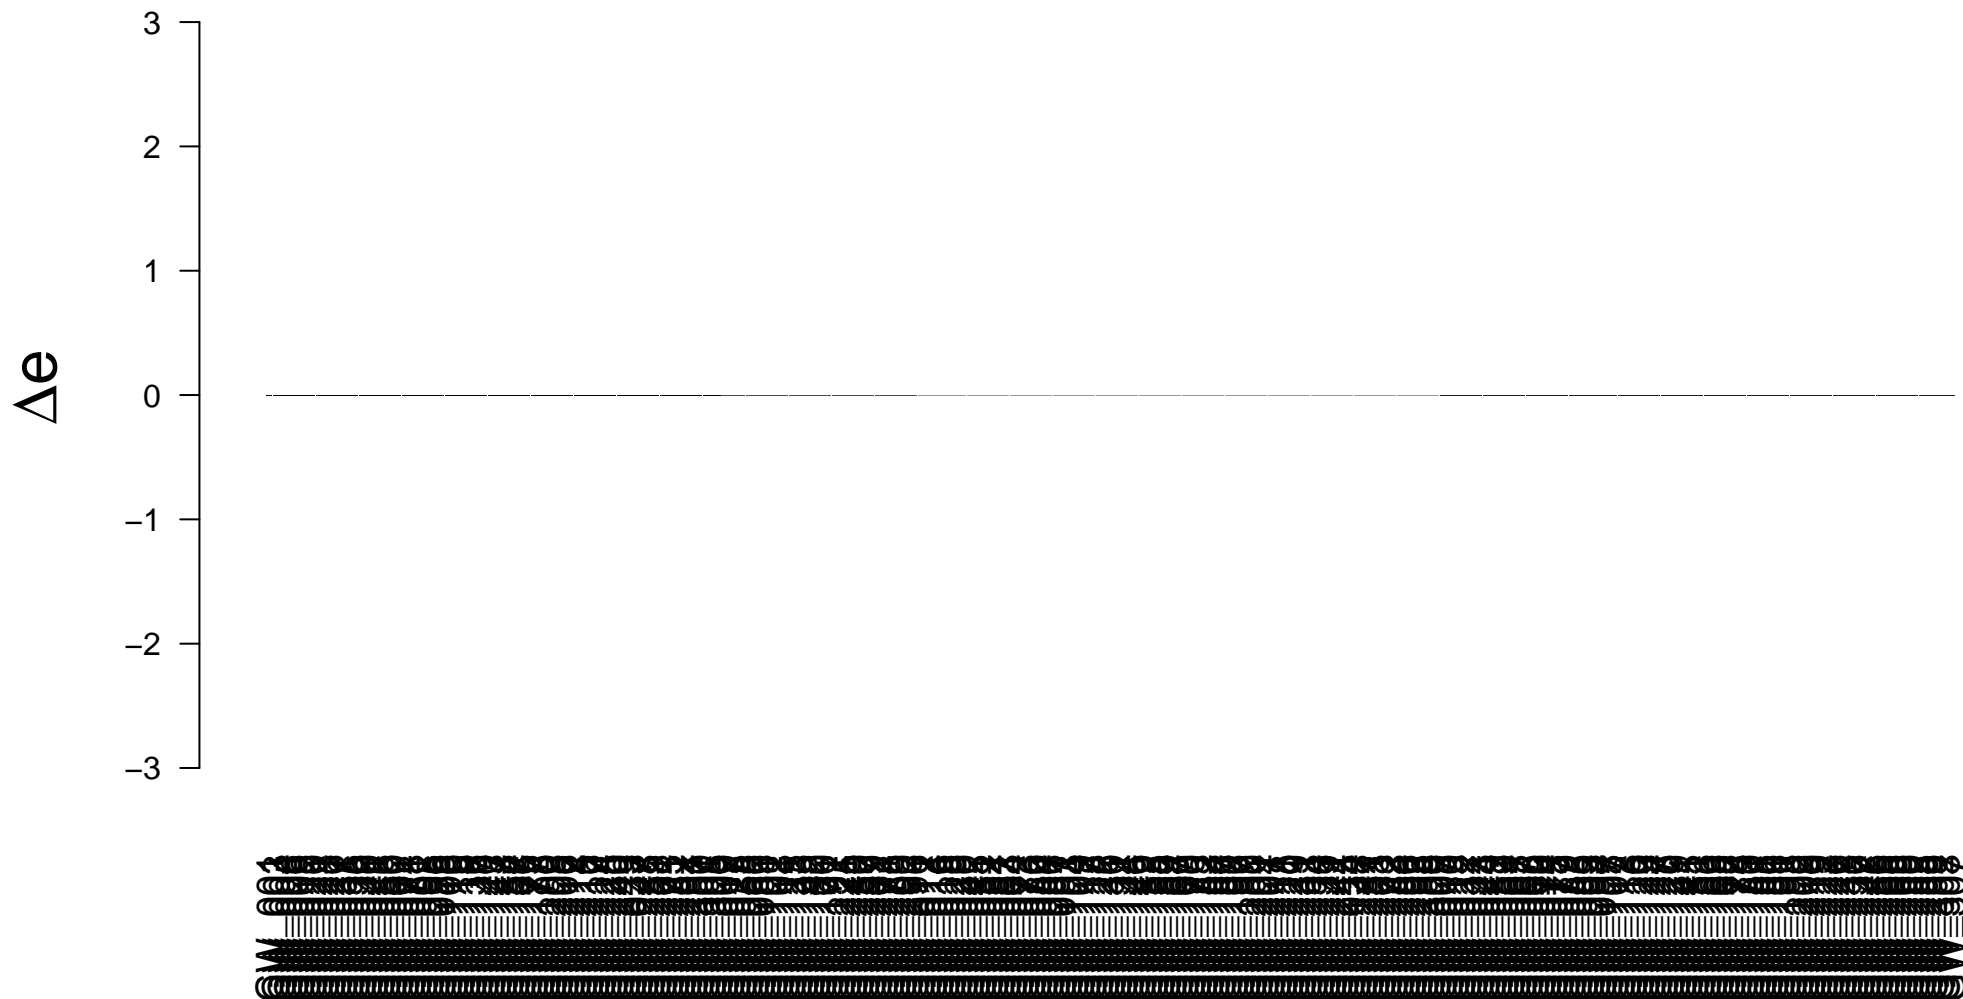

Expression of protein tetramerization in Spot G

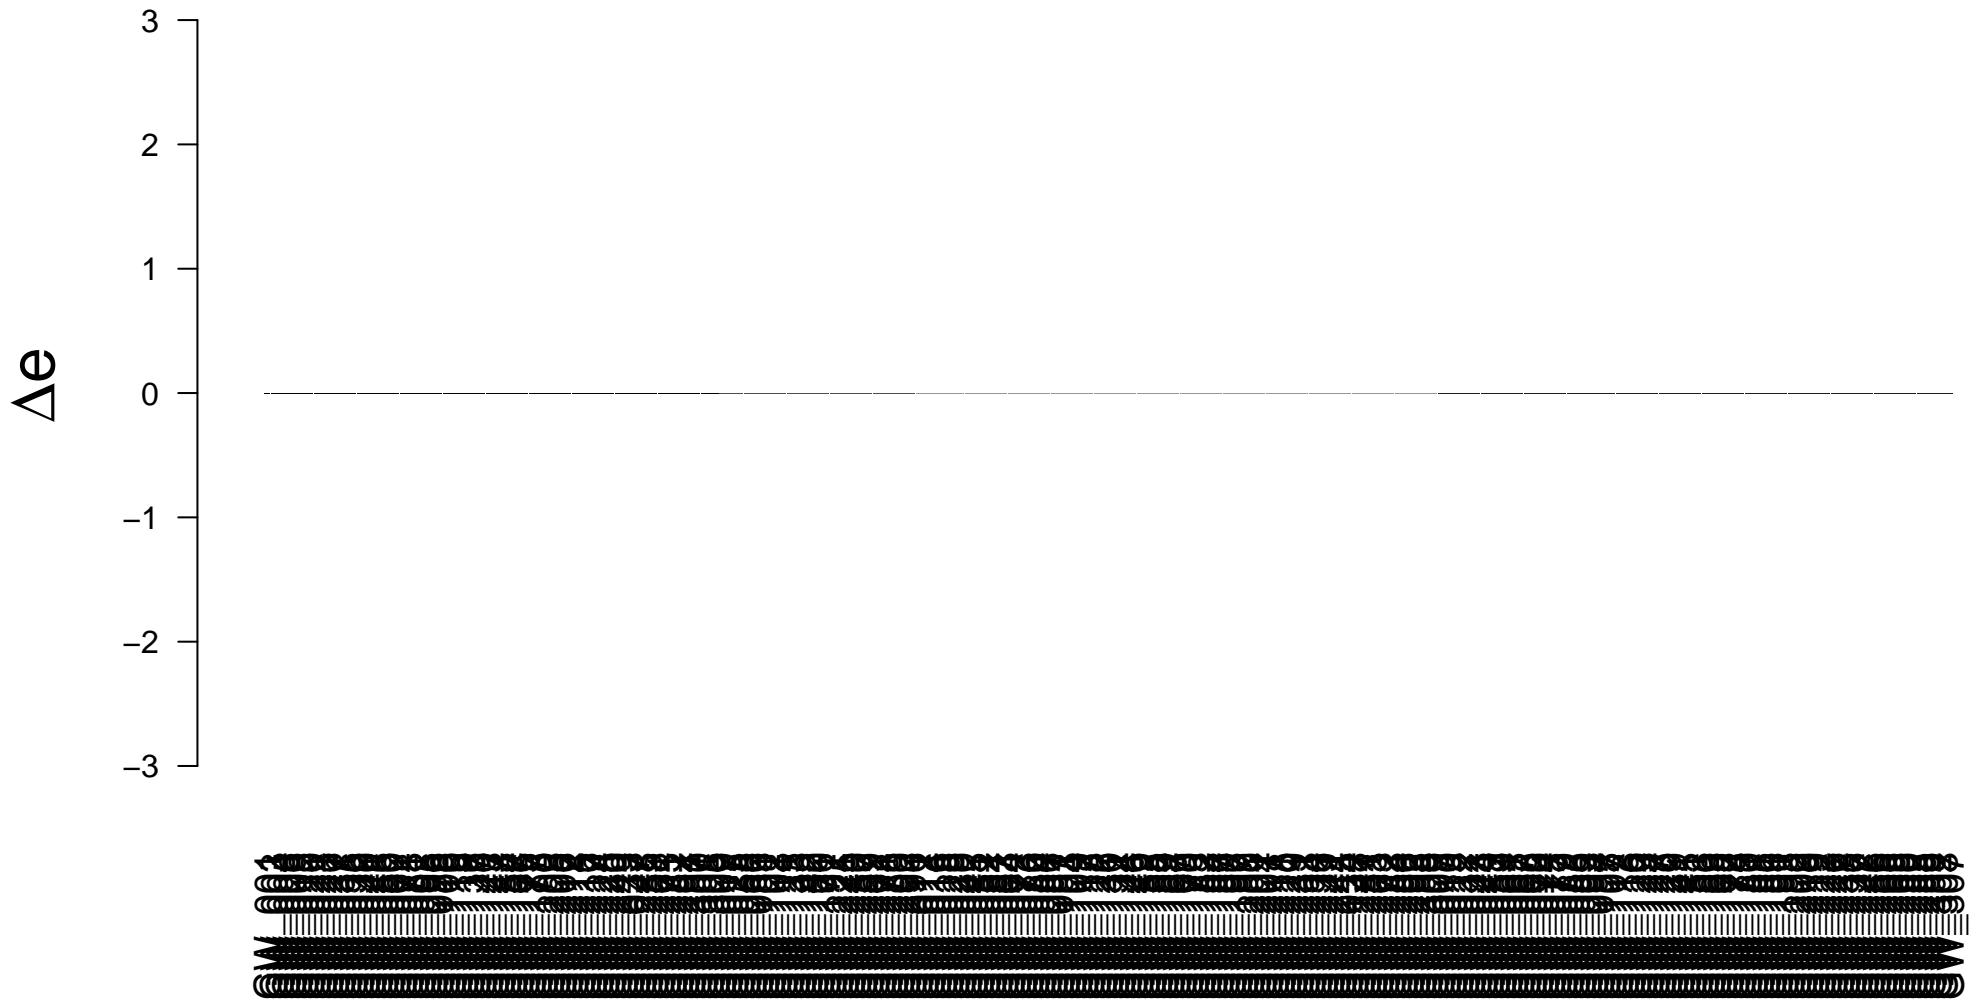

Expression of protein tetramerization in Spot H

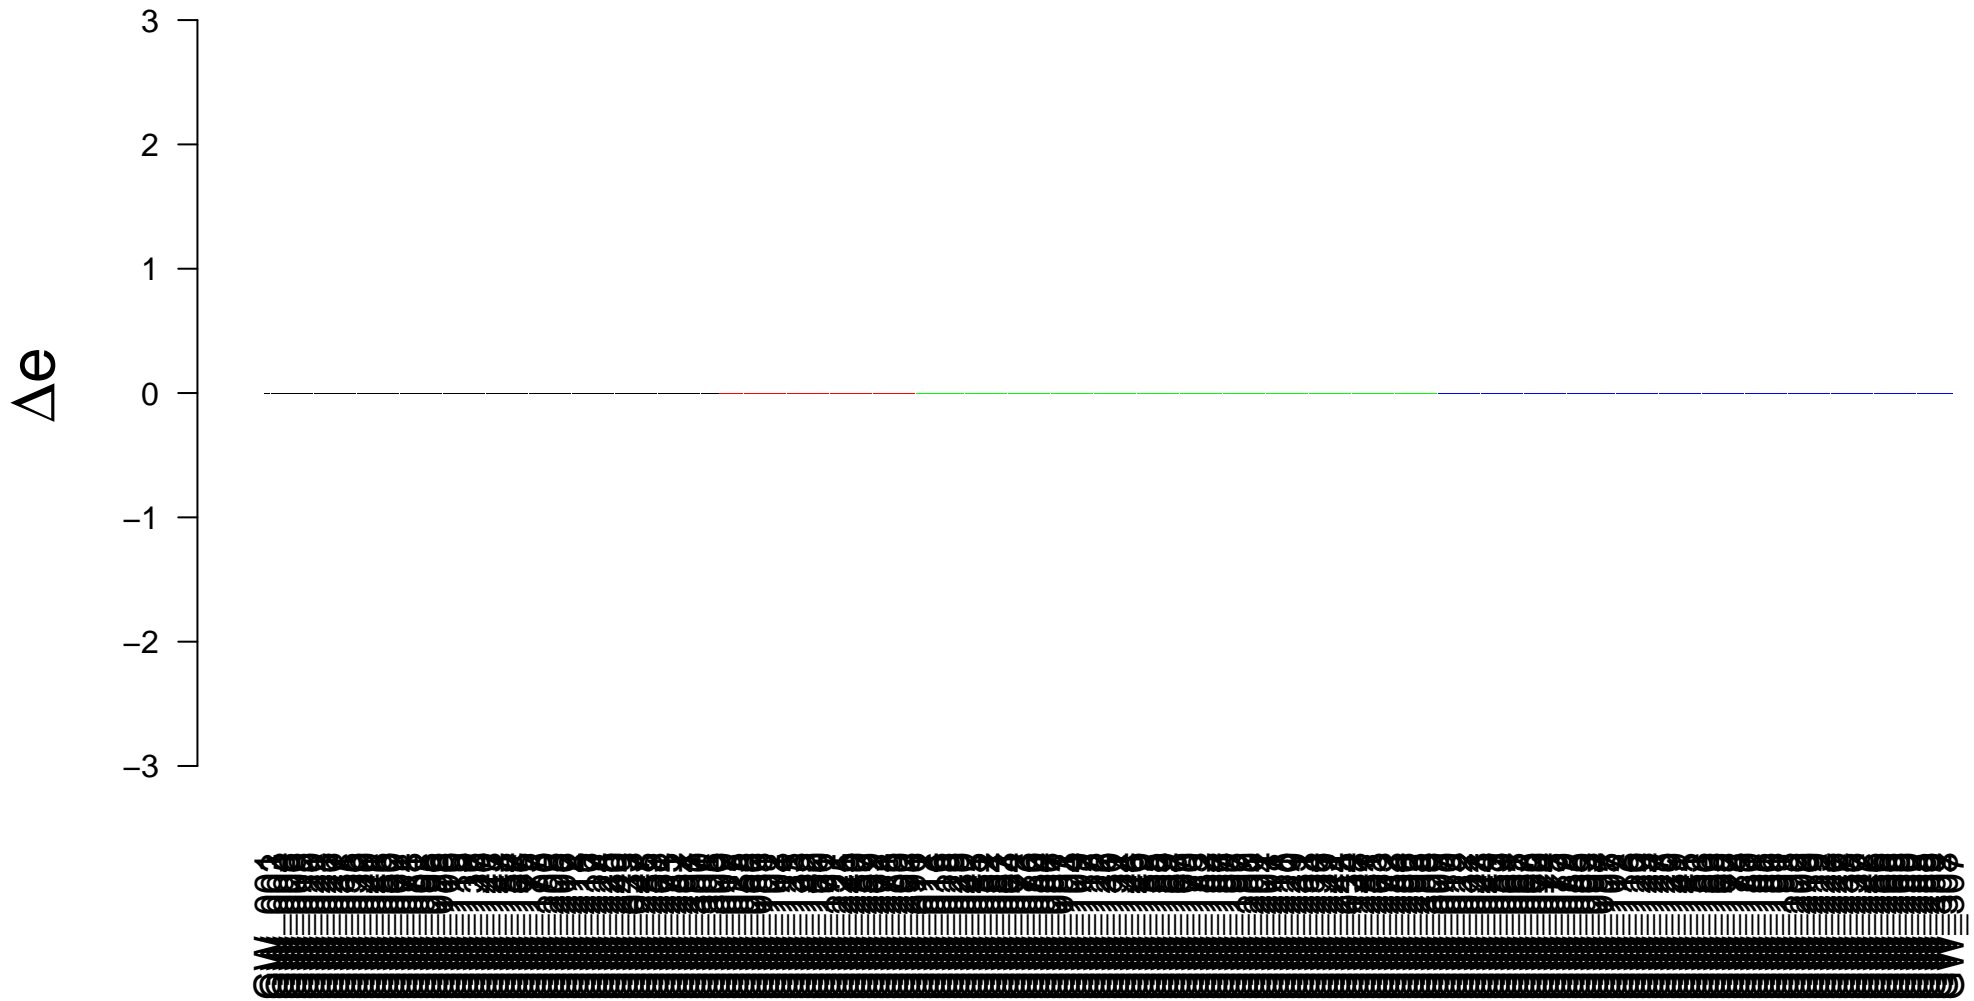

Expression of protein tetramerization in Spot I

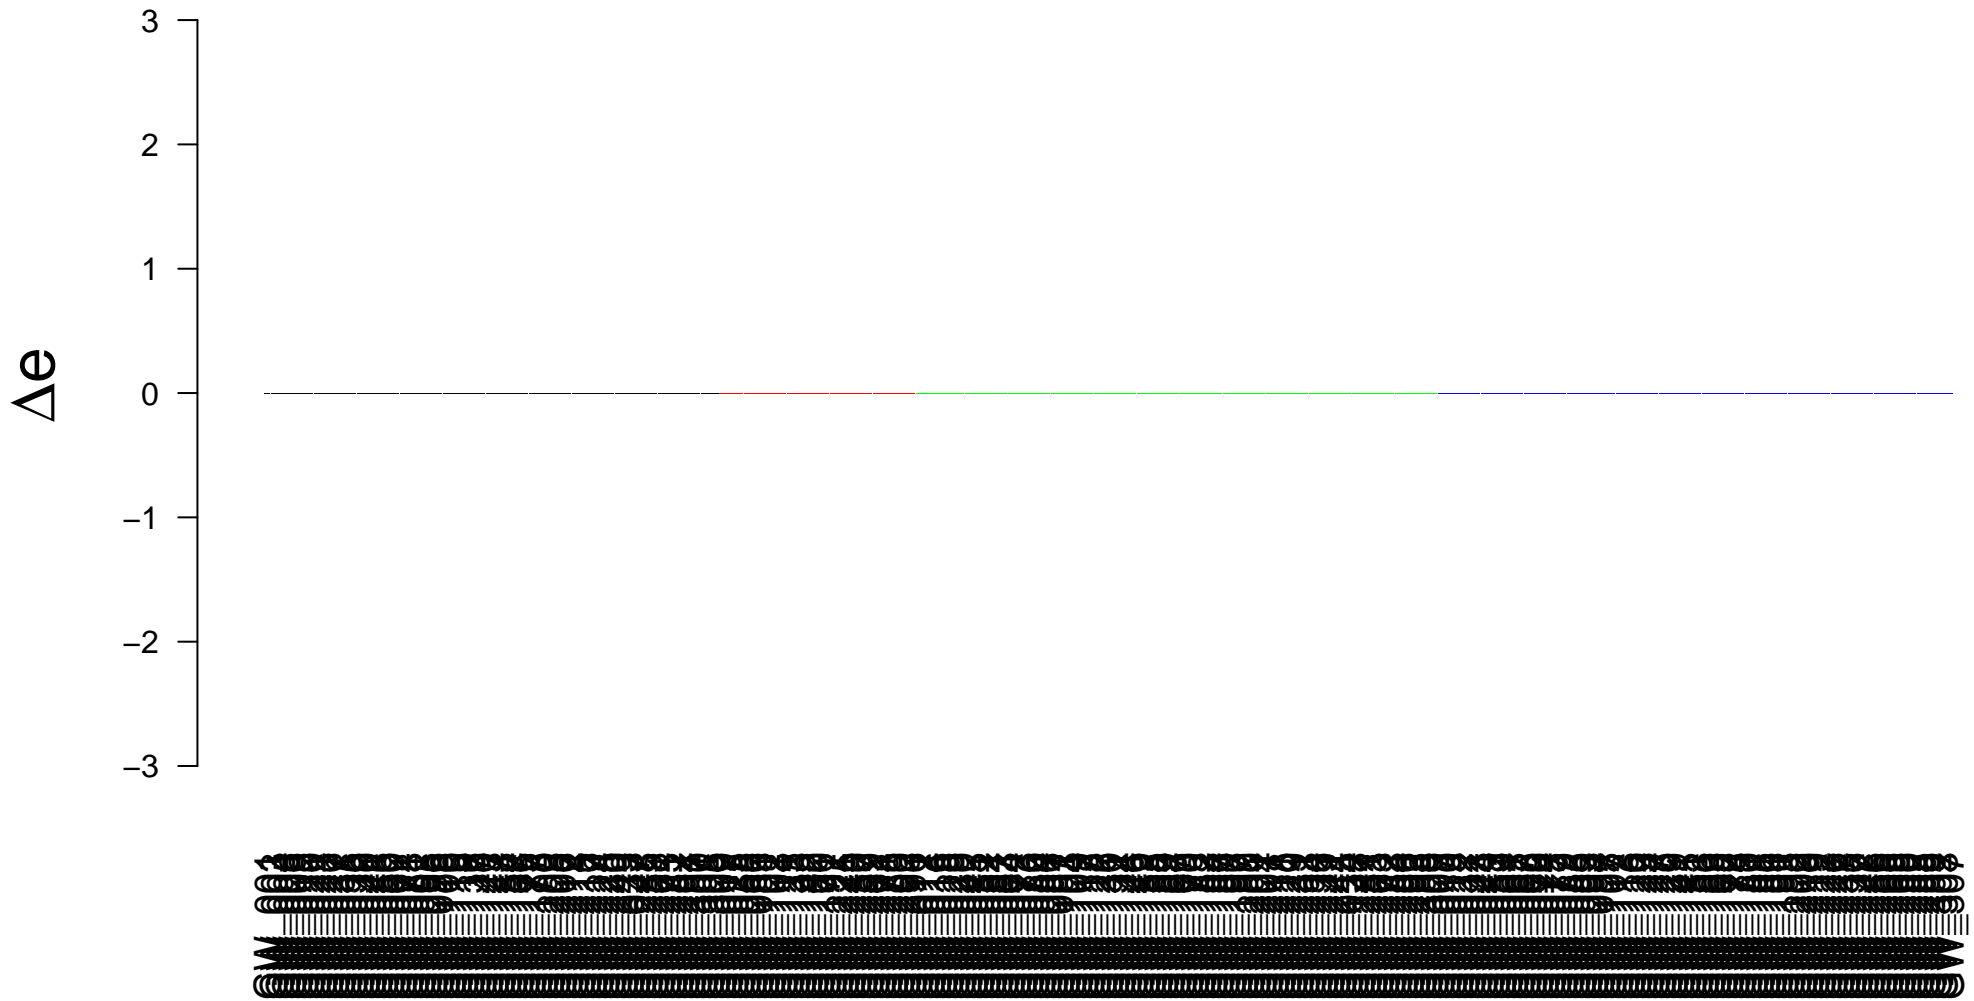

Expression of protein tetramerization in Spot J

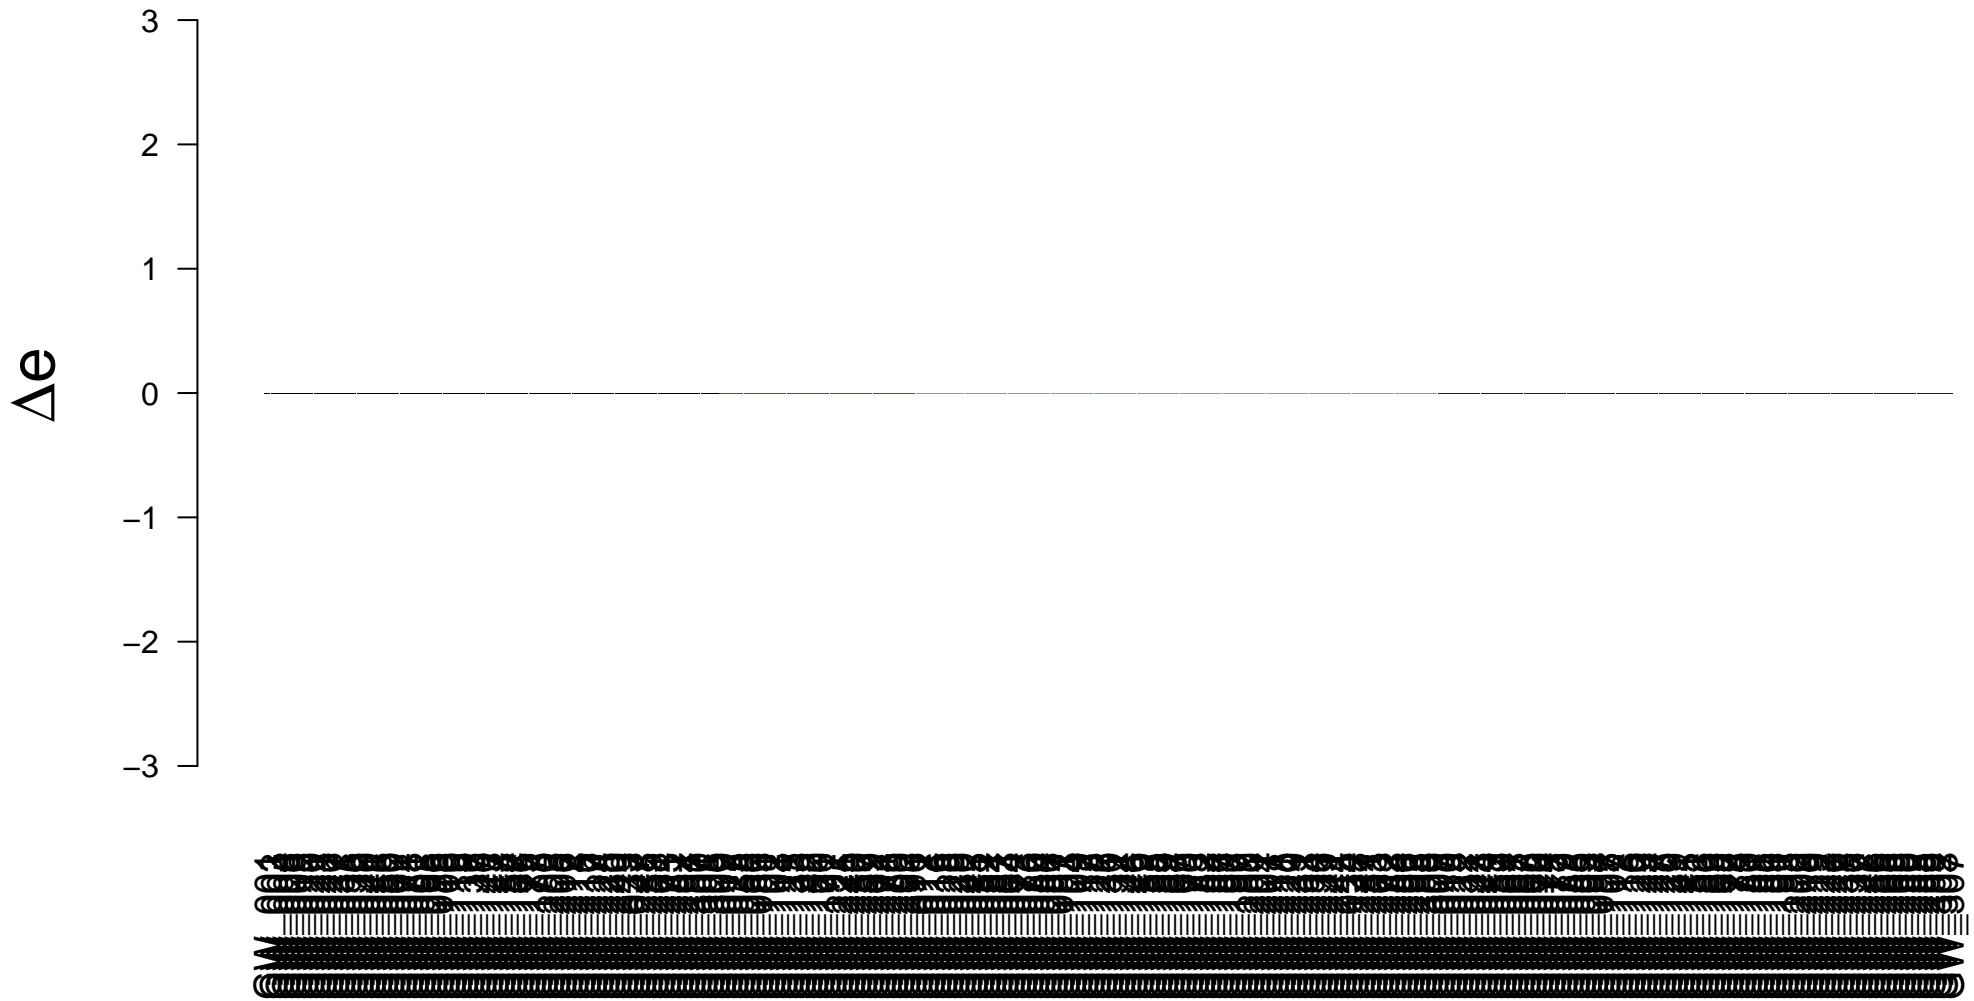

Expression of protein tetramerization in Spot K

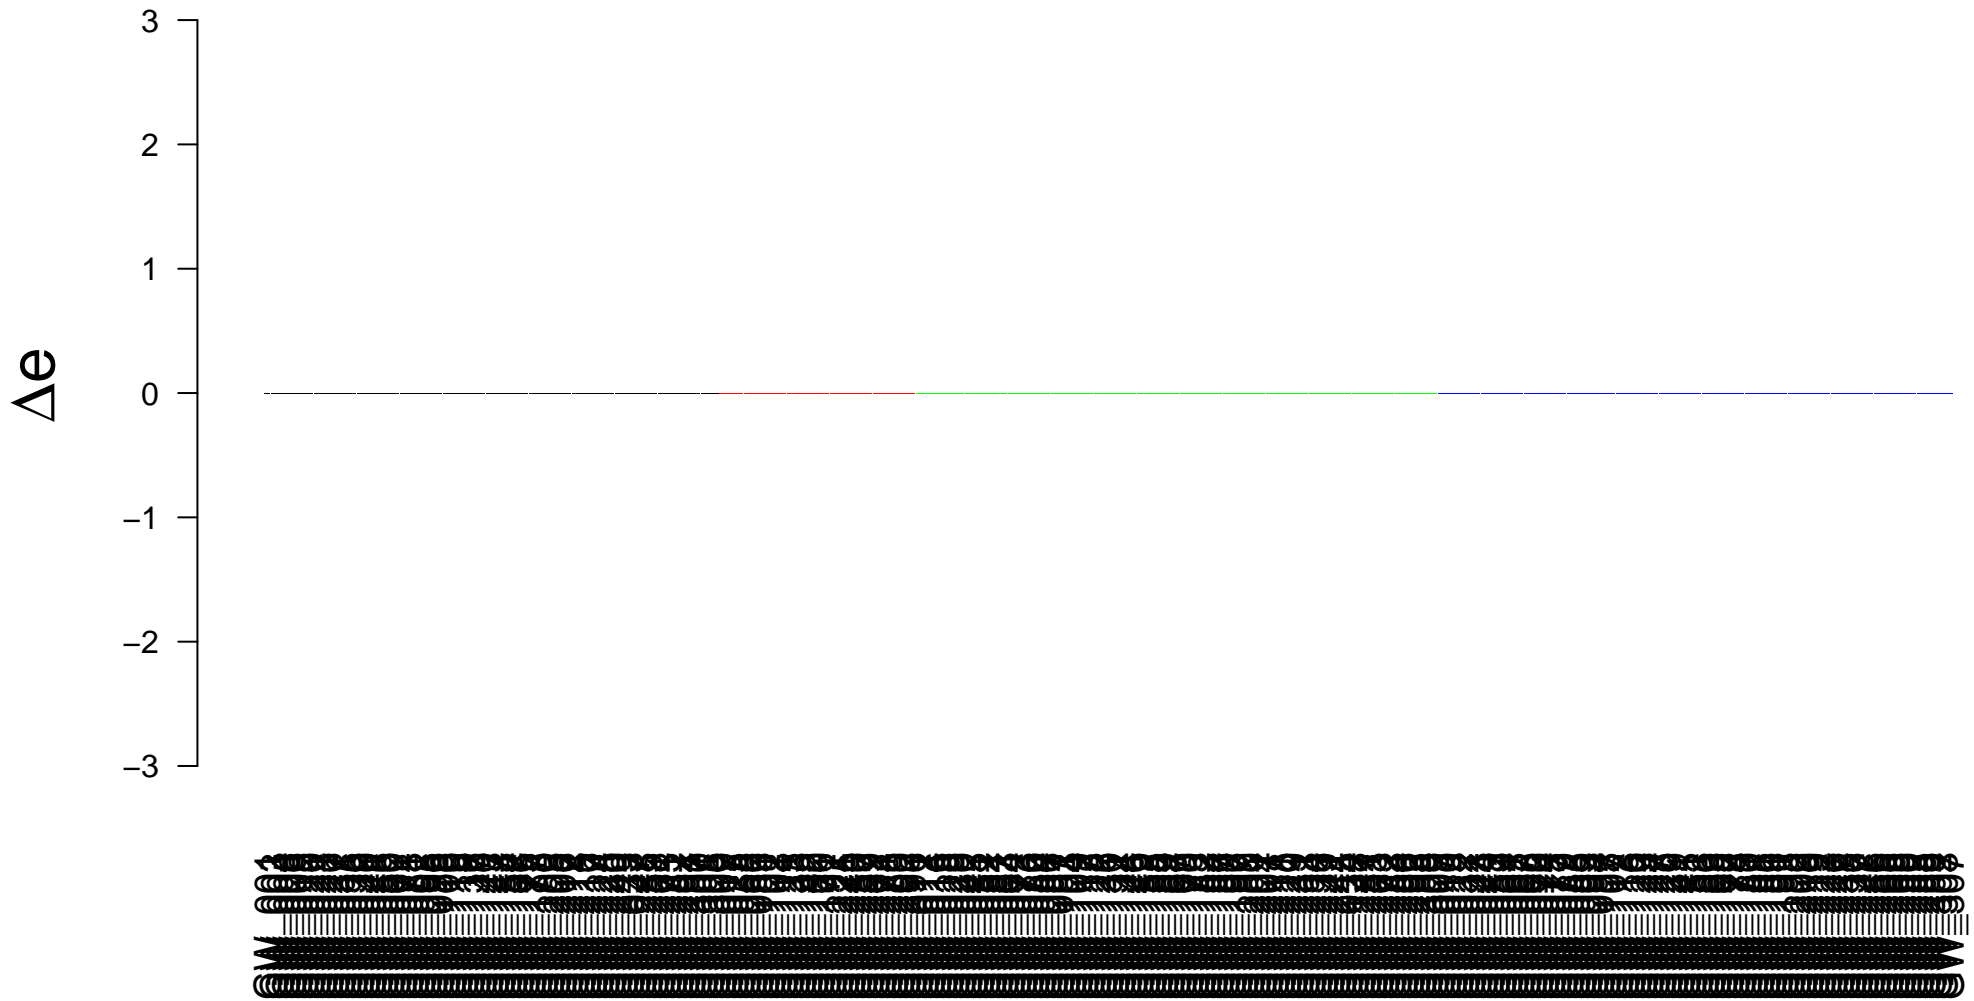

Expression of protein tetramerization in Spot L

Expression of protein tetramerization in Spot M

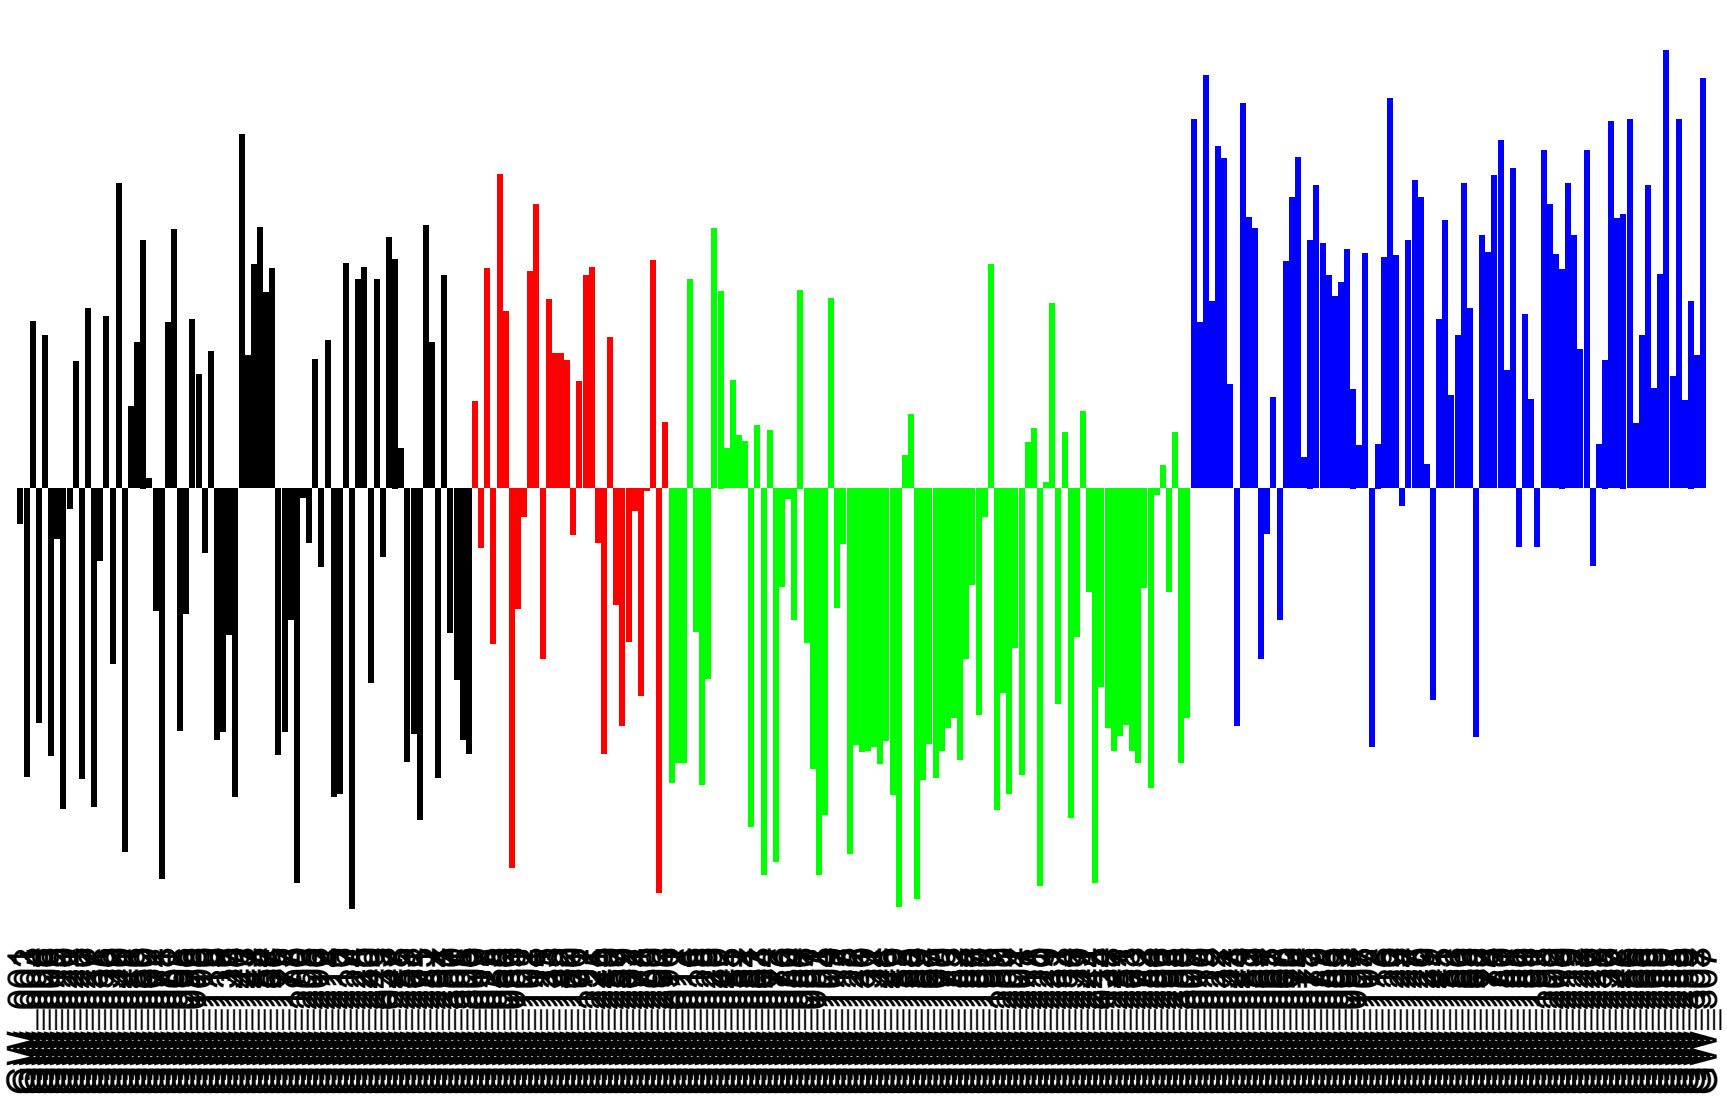

Expression of protein tetramerization in Spot N

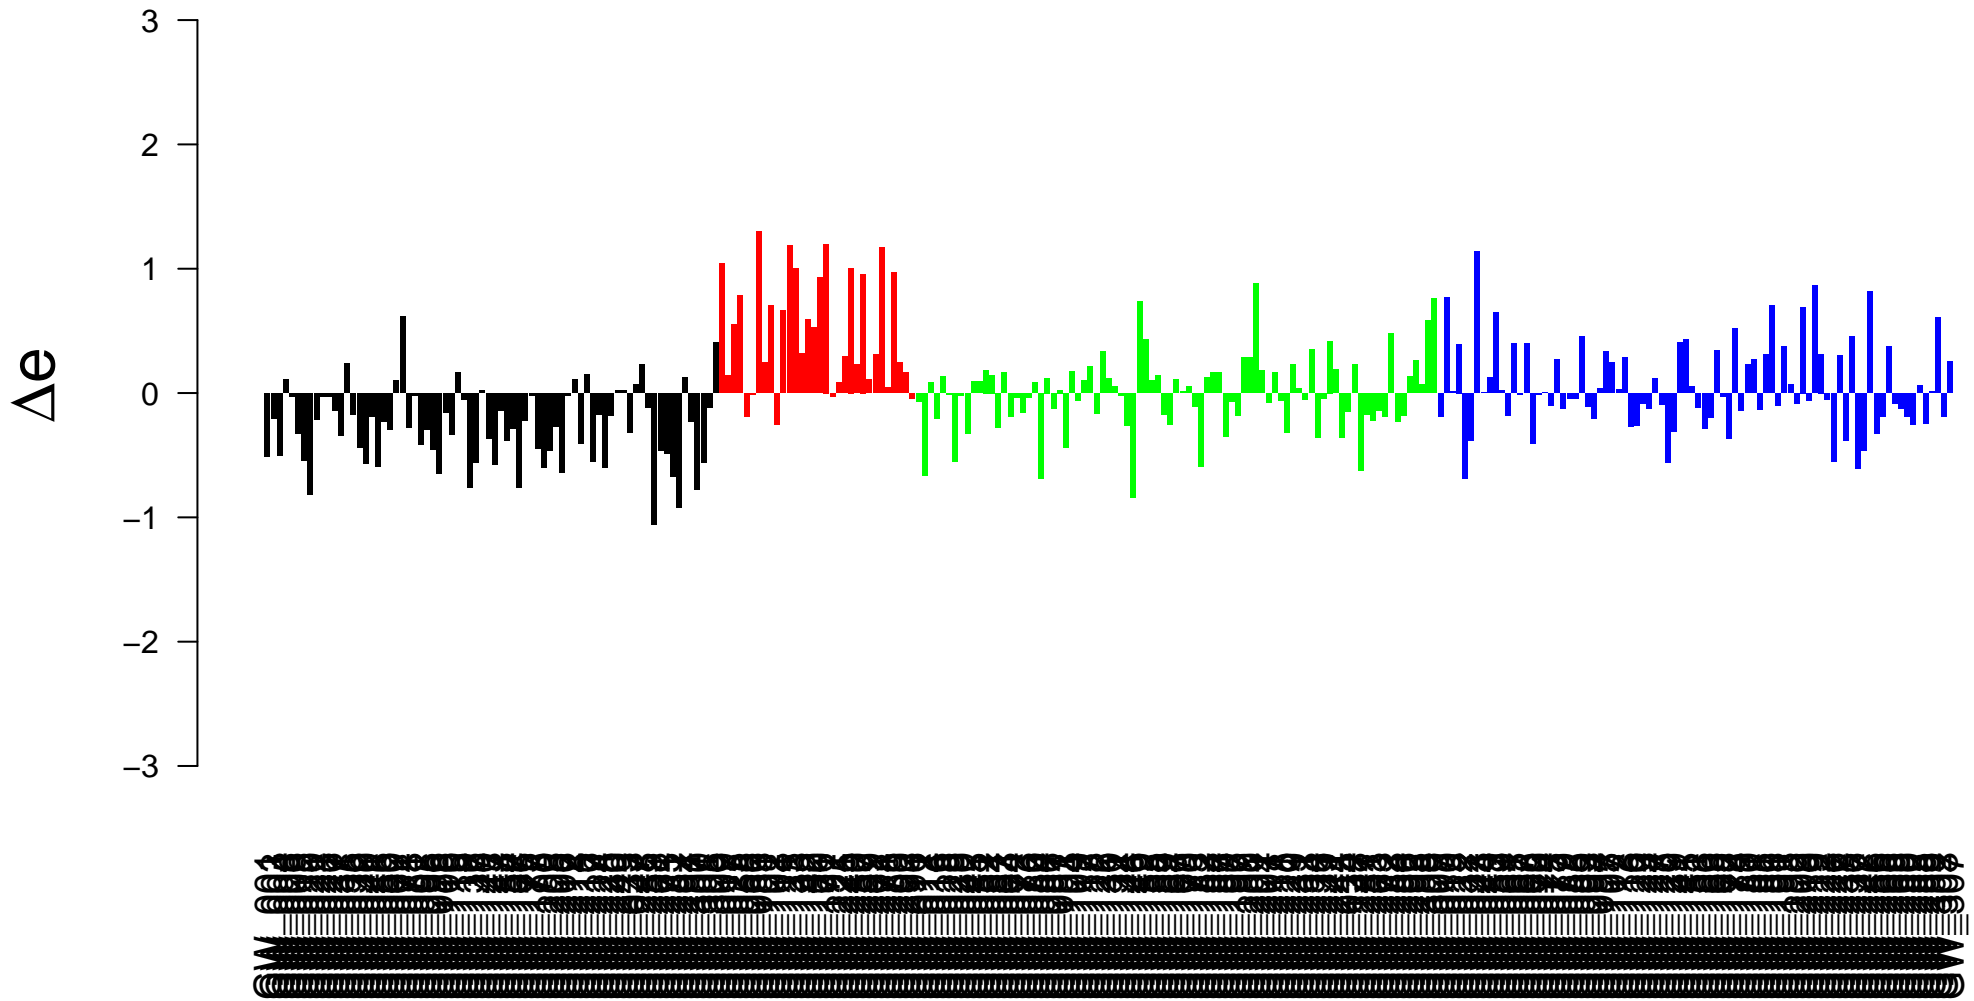

Expression of protein tetramerization in Spot O
