

protein tyrosine/serine/threonine phosphatase activity

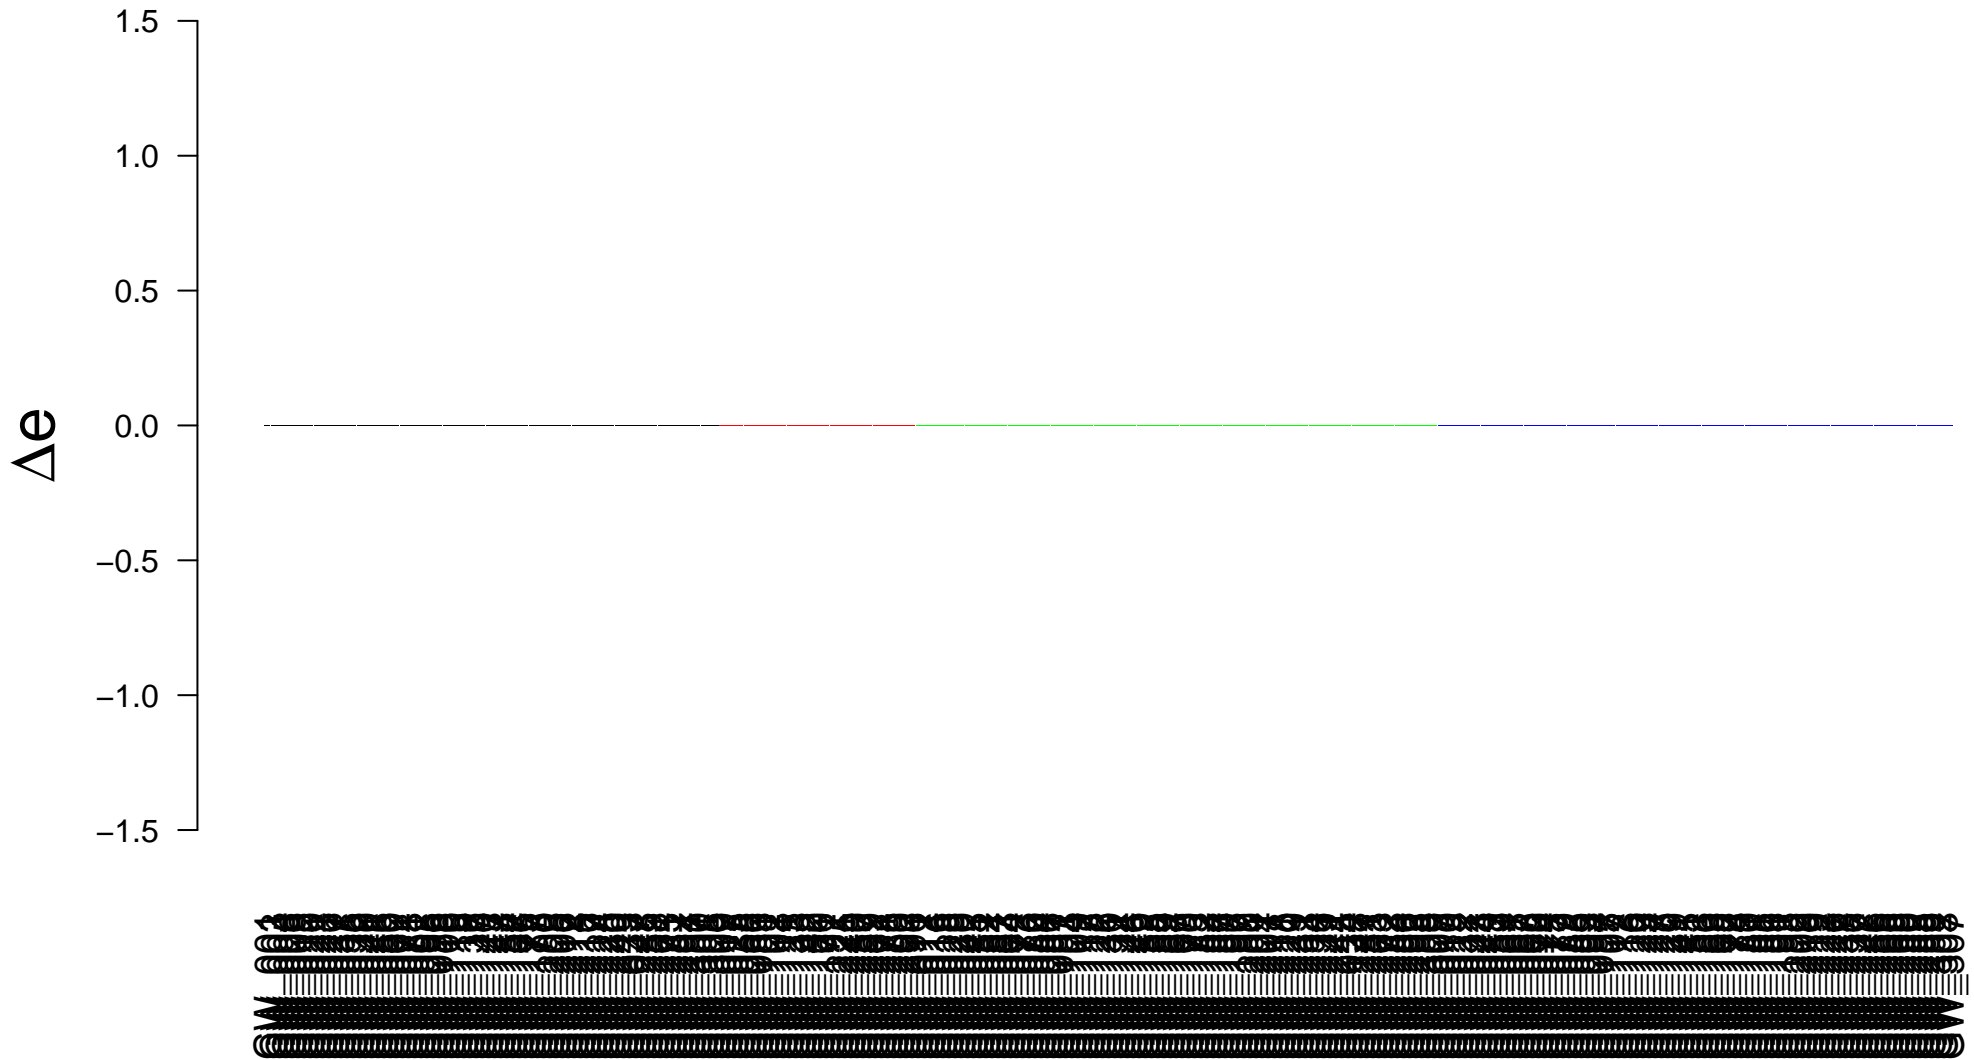

protein tyrosine/serine/threonine phosphatase activity

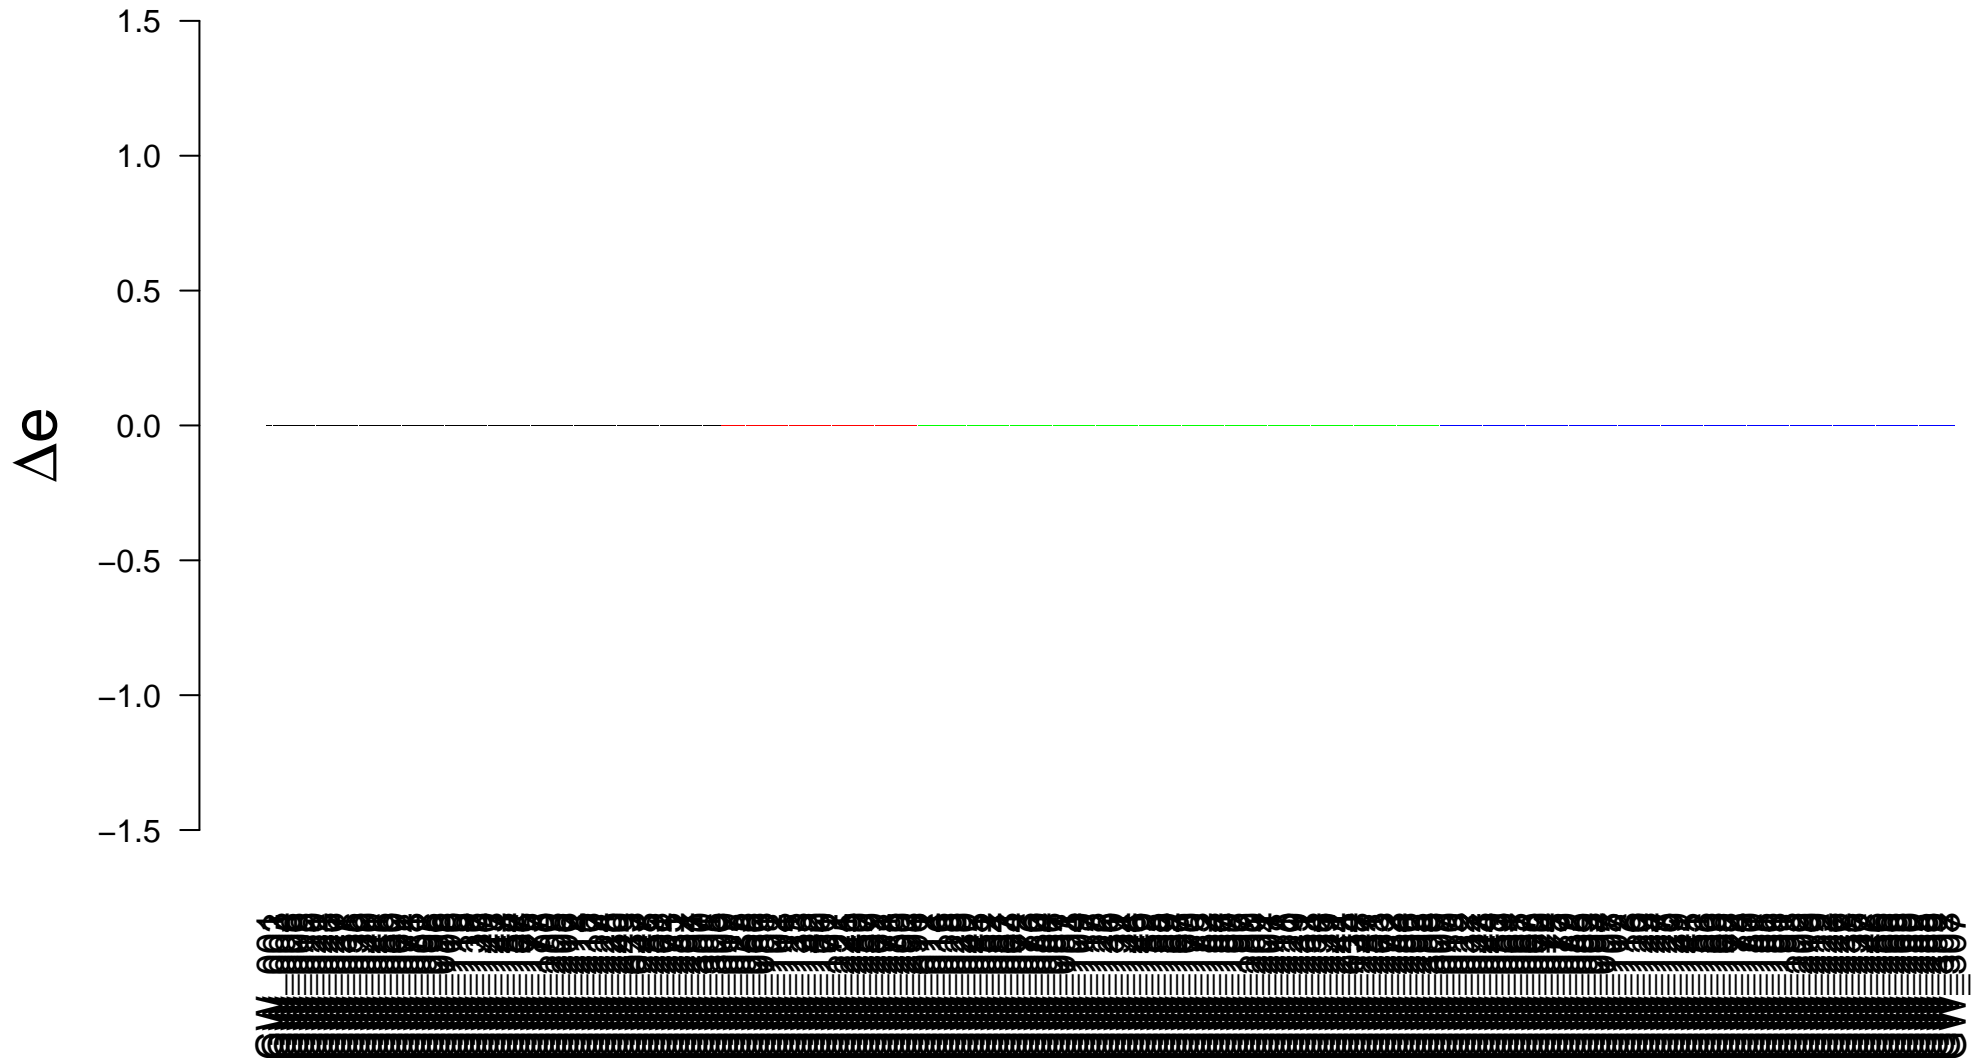

Enrichment in spots: protein tyrosine/serine/threonine phosphatase activity

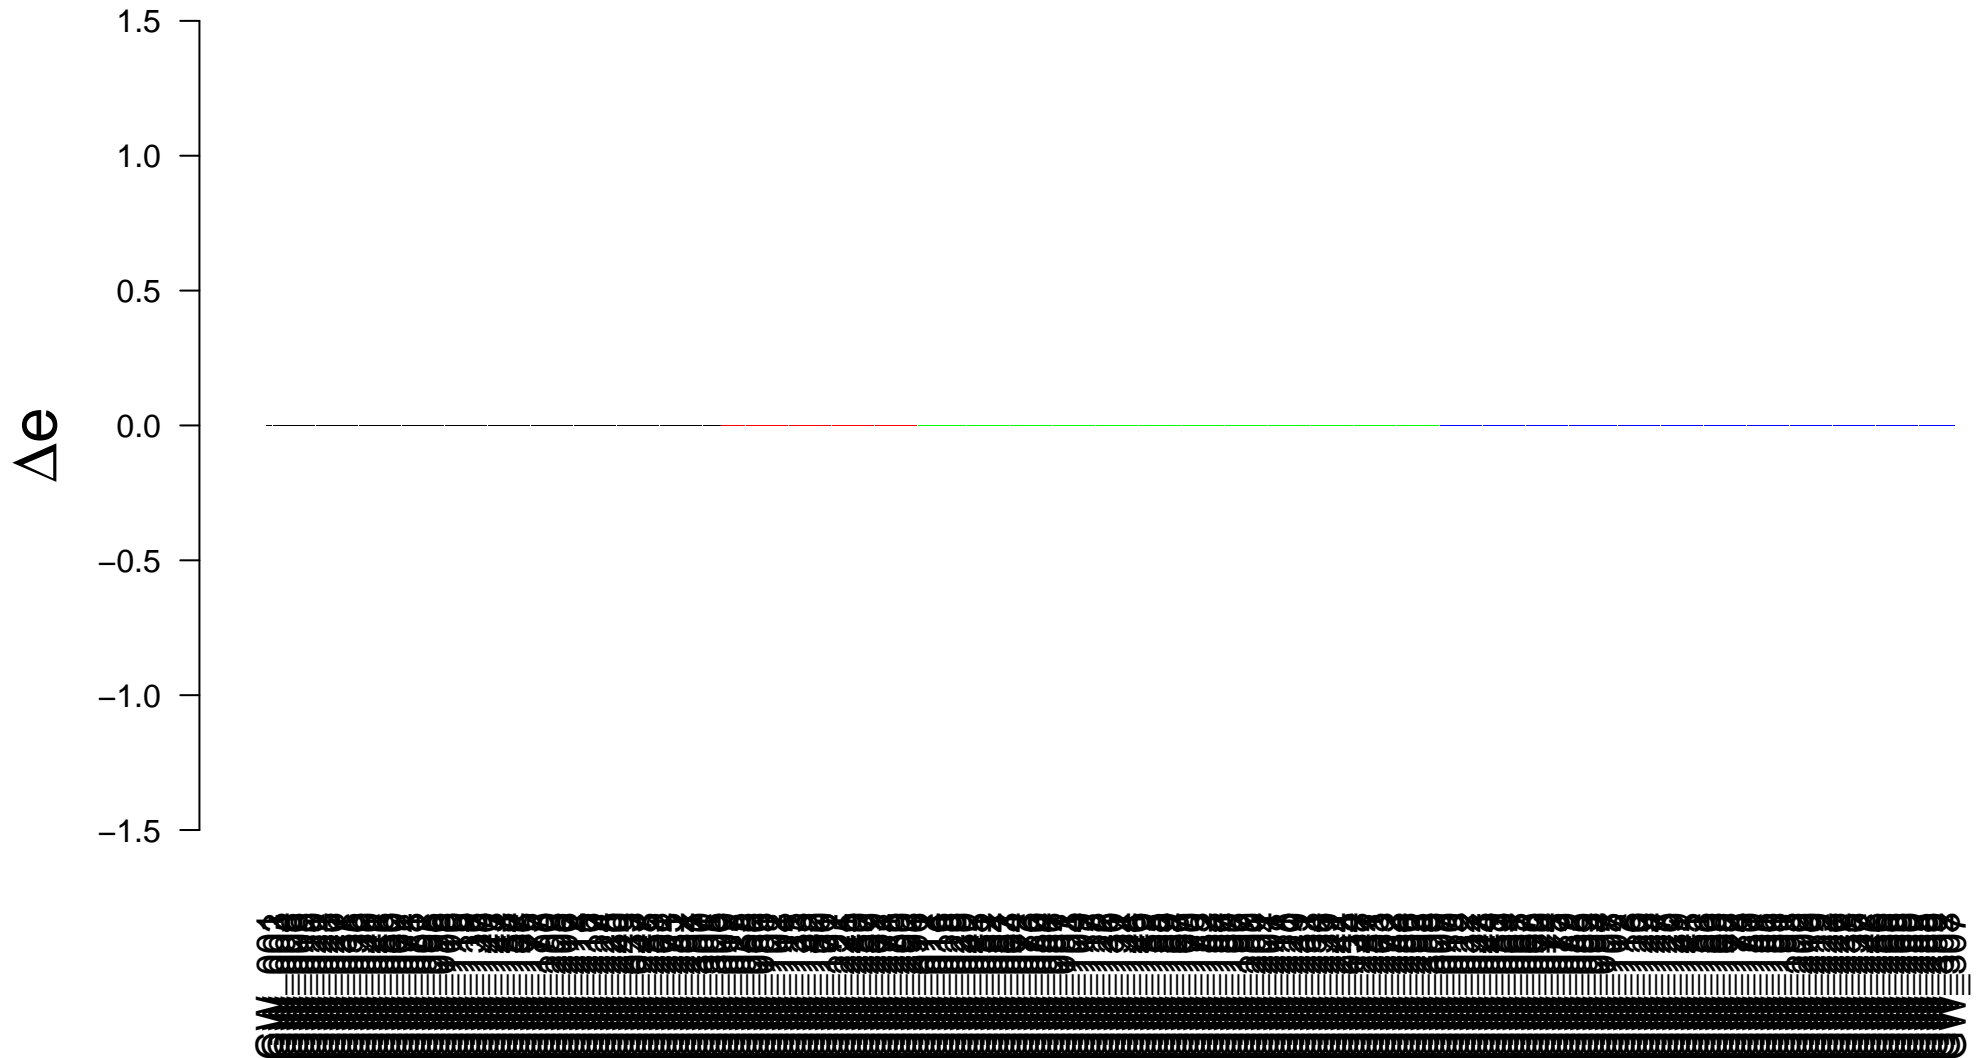

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot A

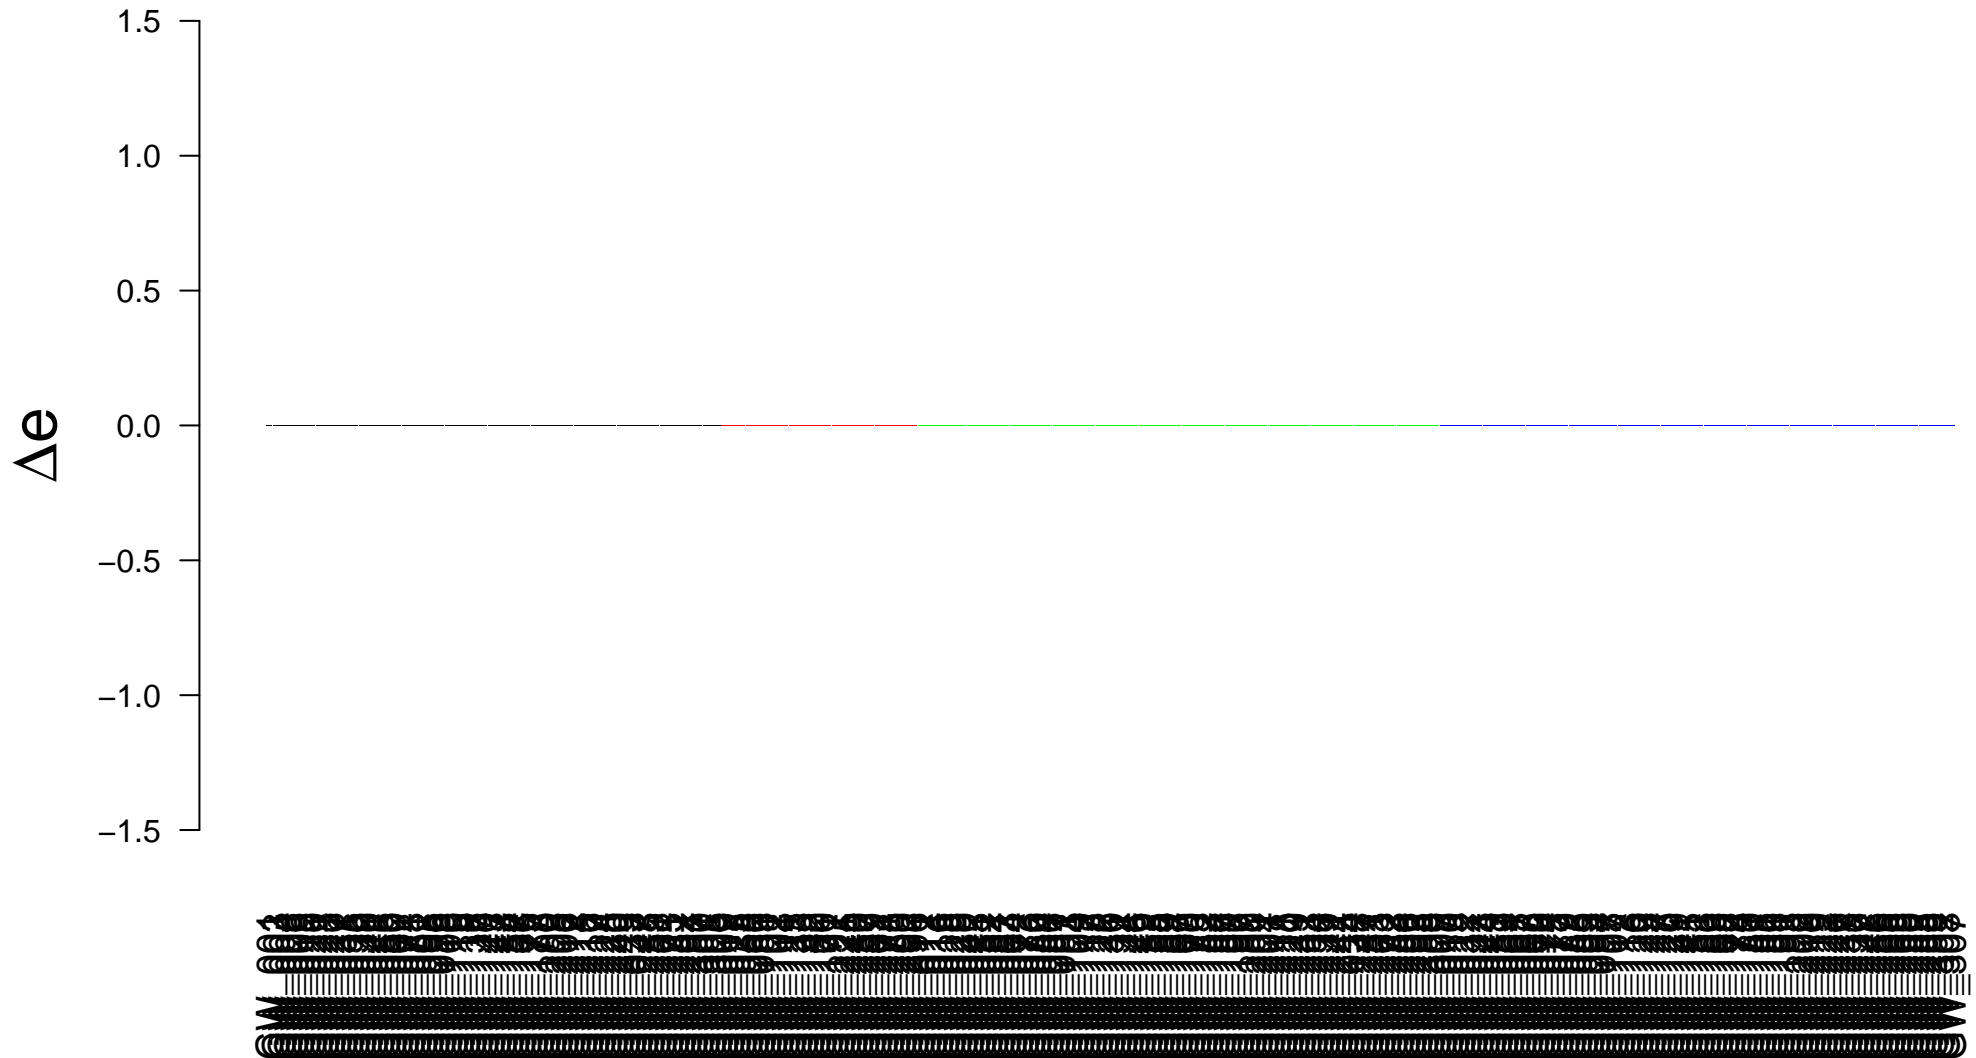

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot B

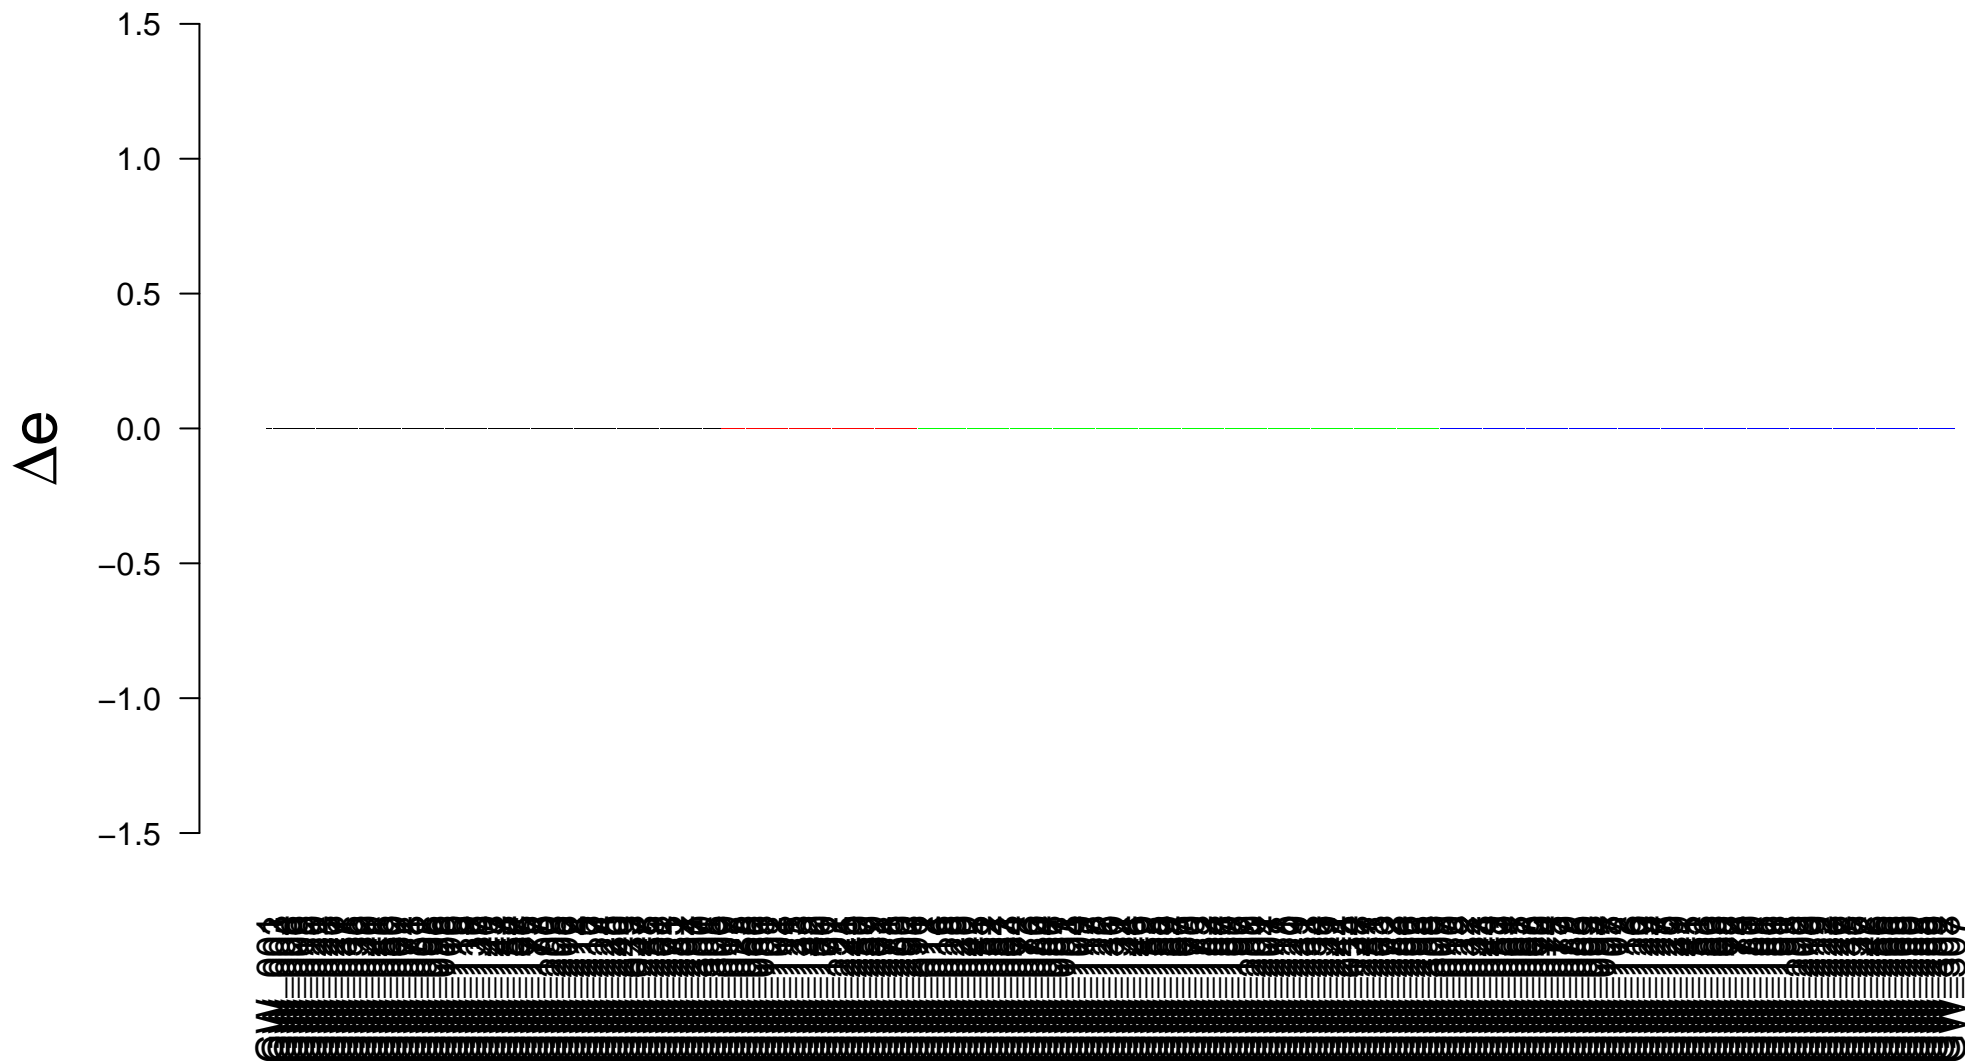

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot C

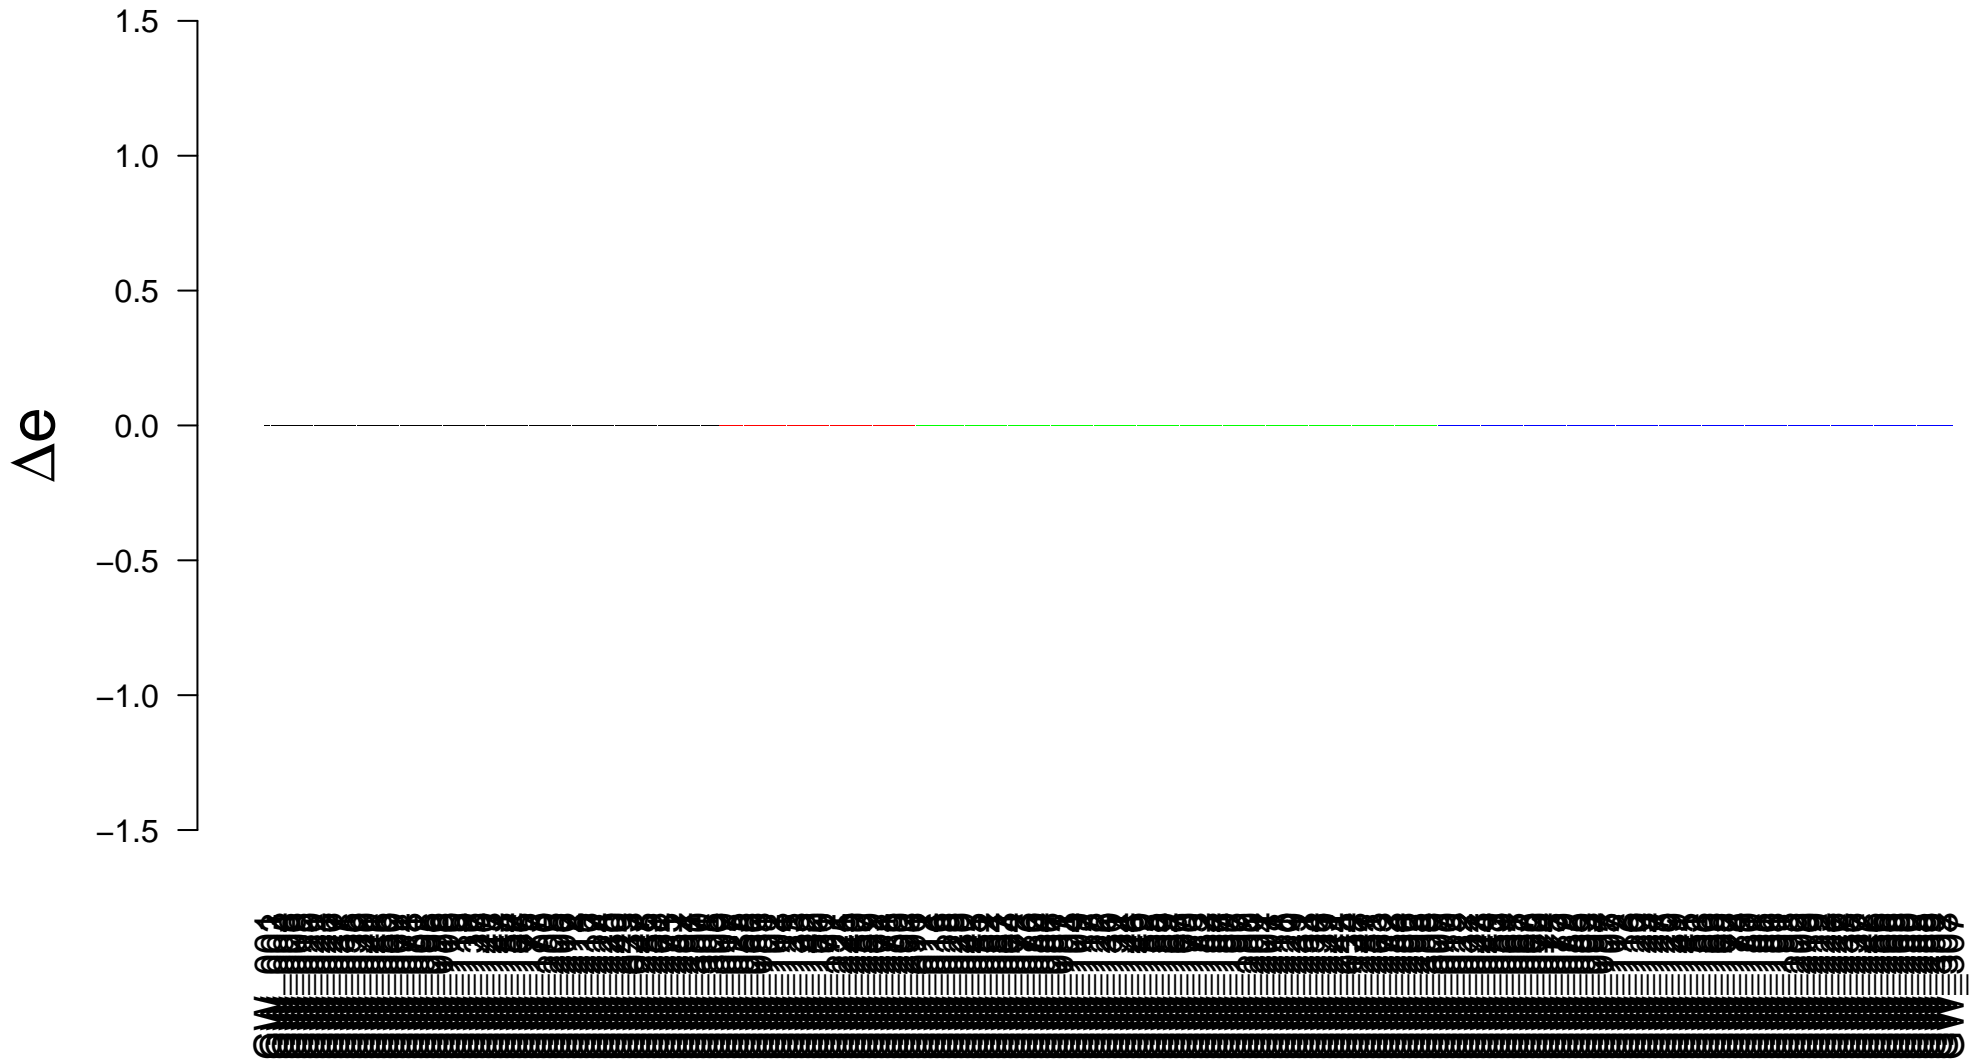

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot D

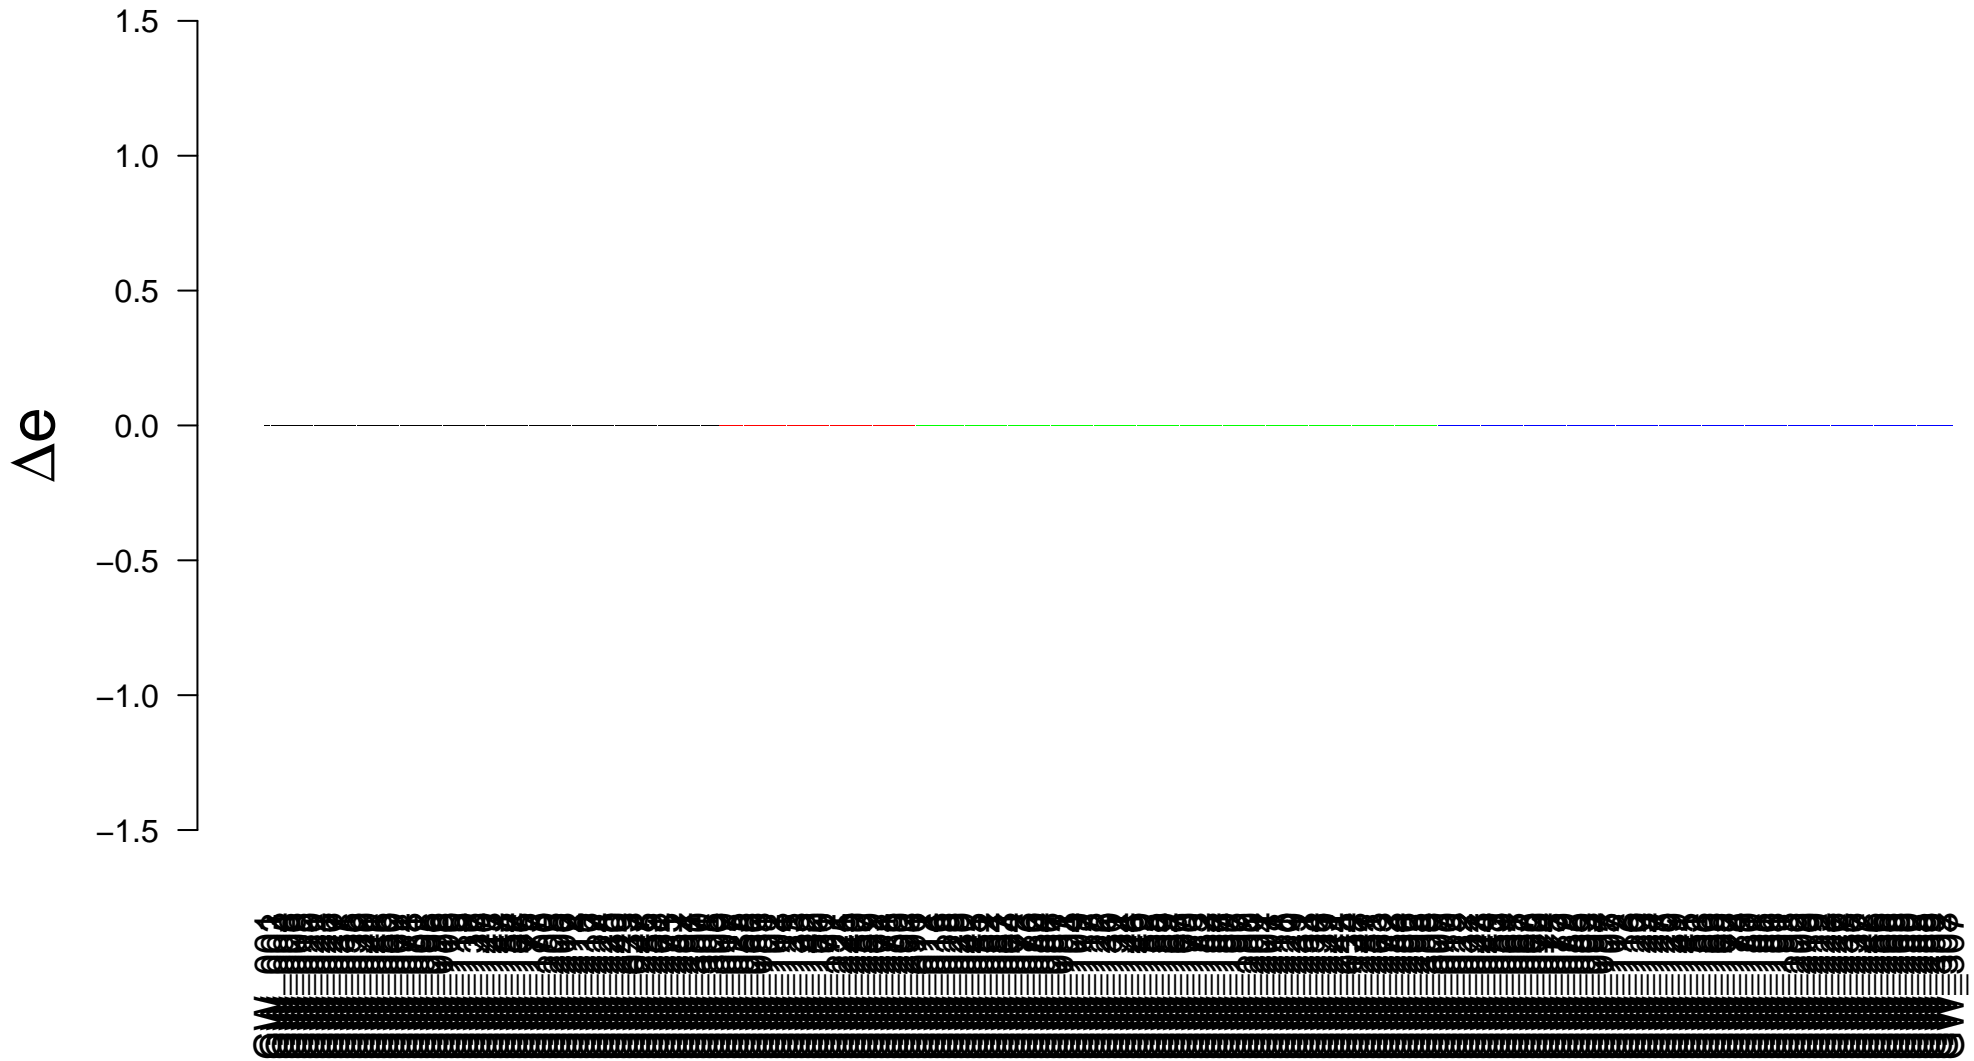

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot E

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot F

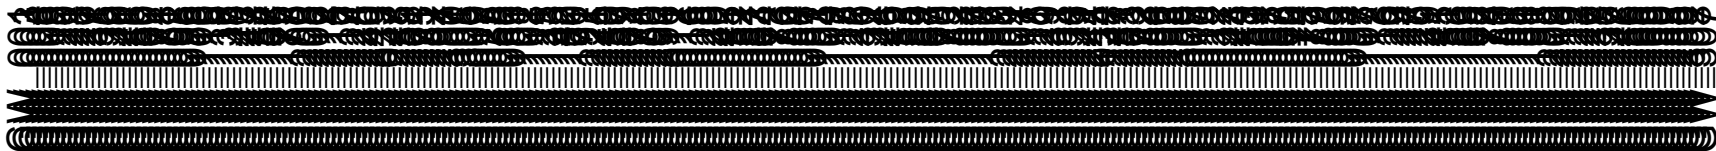

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot G

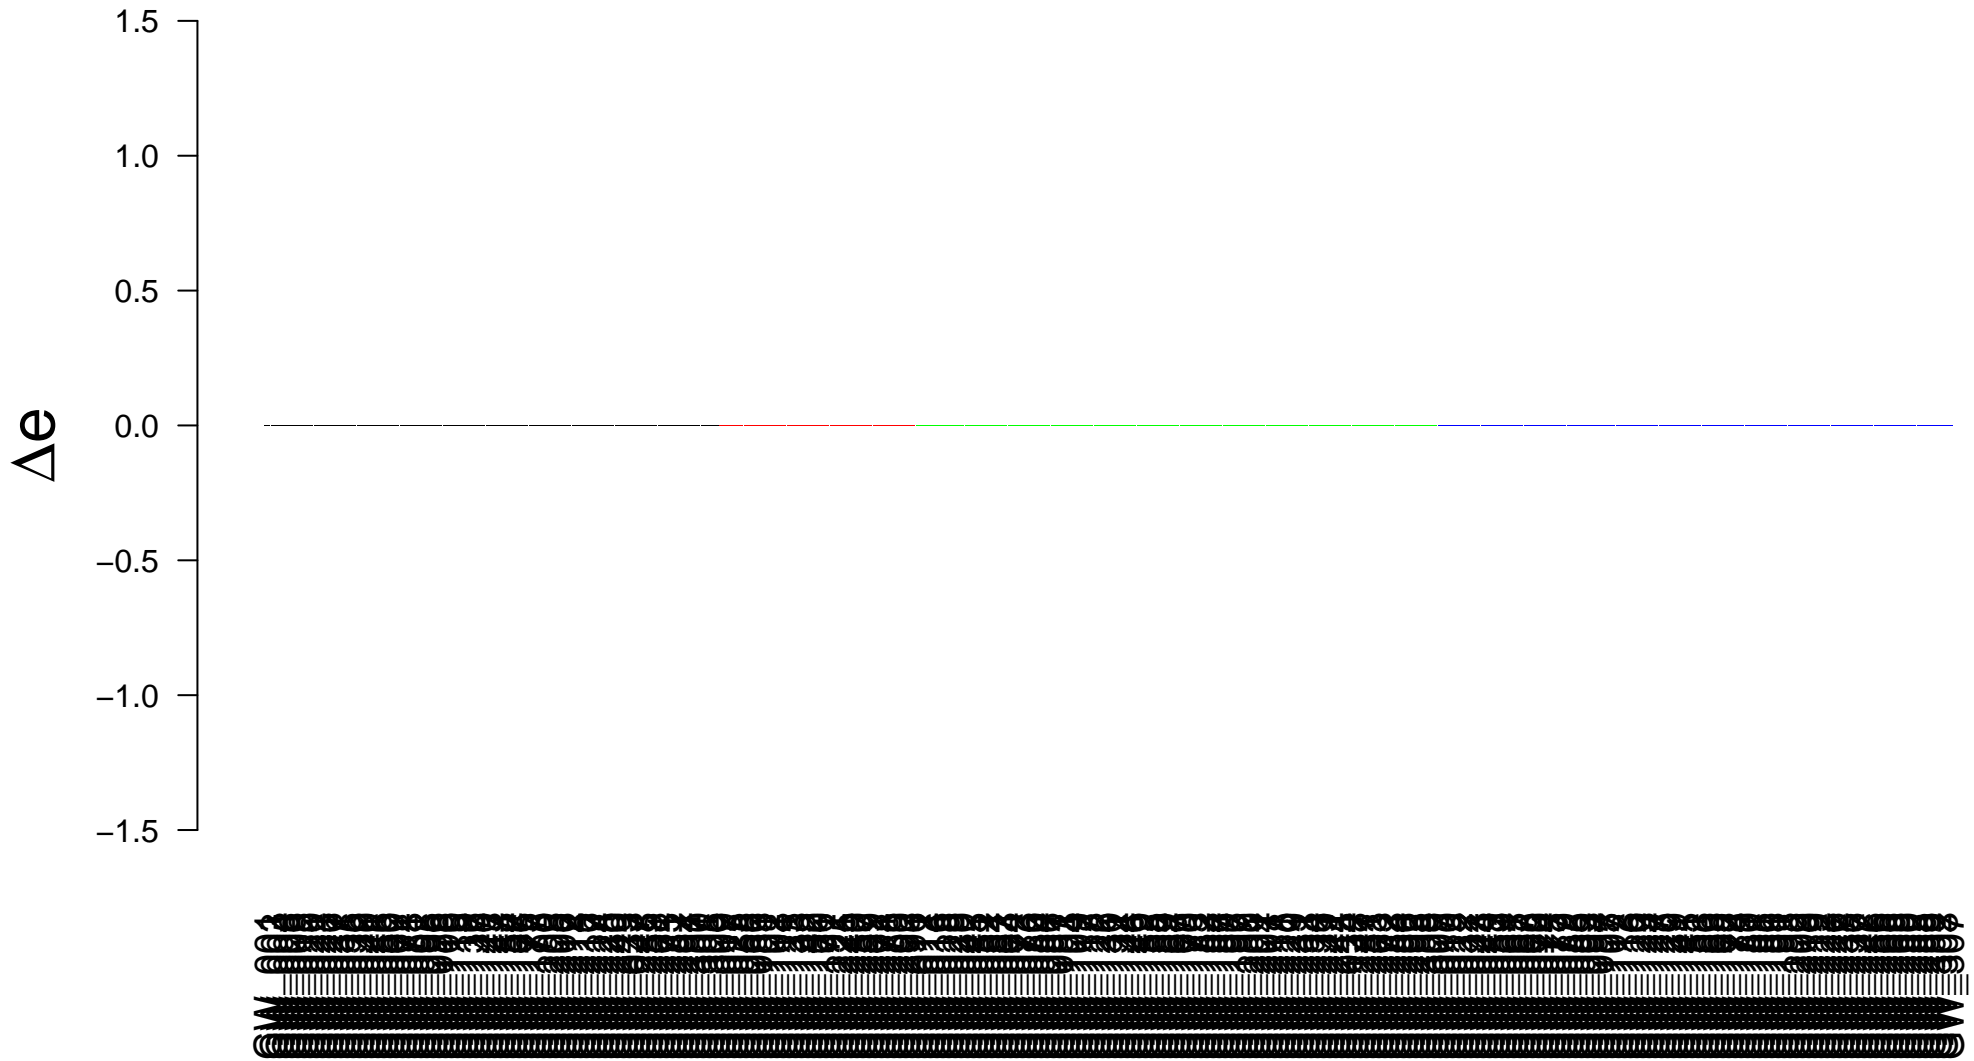

Expression of protein tyrosine/serine/threonine phosphatase activity in Spot H
