

proteinaceous extracellular matrix

proteinaceous extracellular matrix

Enrichment in spots: proteinaceous extracellular matrix

Expression of proteinaceous extracellular matrix in Spot A

Expression of proteinaceous extracellular matrix in Spot B

Expression of proteinaceous extracellular matrix in Spot C

Expression of proteinaceous extracellular matrix in Spot D

Expression of proteinaceous extracellular matrix in Spot E

Expression of proteinaceous extracellular matrix in Spot F

Expression of proteinaceous extracellular matrix in Spot G

Expression of proteinaceous extracellular matrix in Spot H

Expression of proteinaceous extracellular matrix in Spot I

Δe

Expression of proteinaceous extracellular matrix in Spot J

Expression of proteinaceous extracellular matrix in Spot K

Expression of proteinaceous extracellular matrix in Spot L

Expression of proteinaceous extracellular matrix in Spot M
