

proximal/distal pattern formation

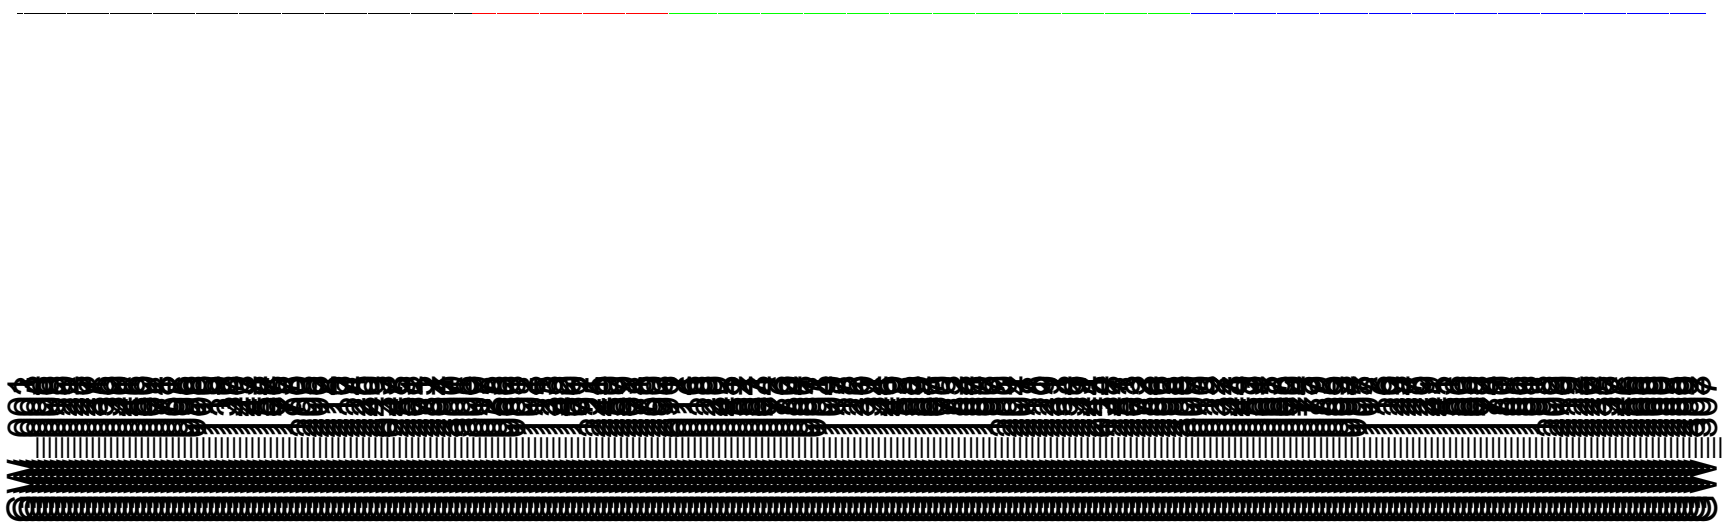

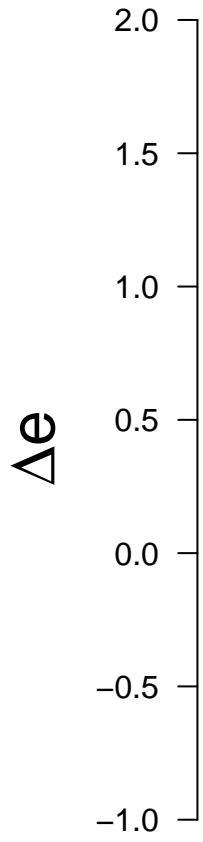

proximal/distal pattern formation

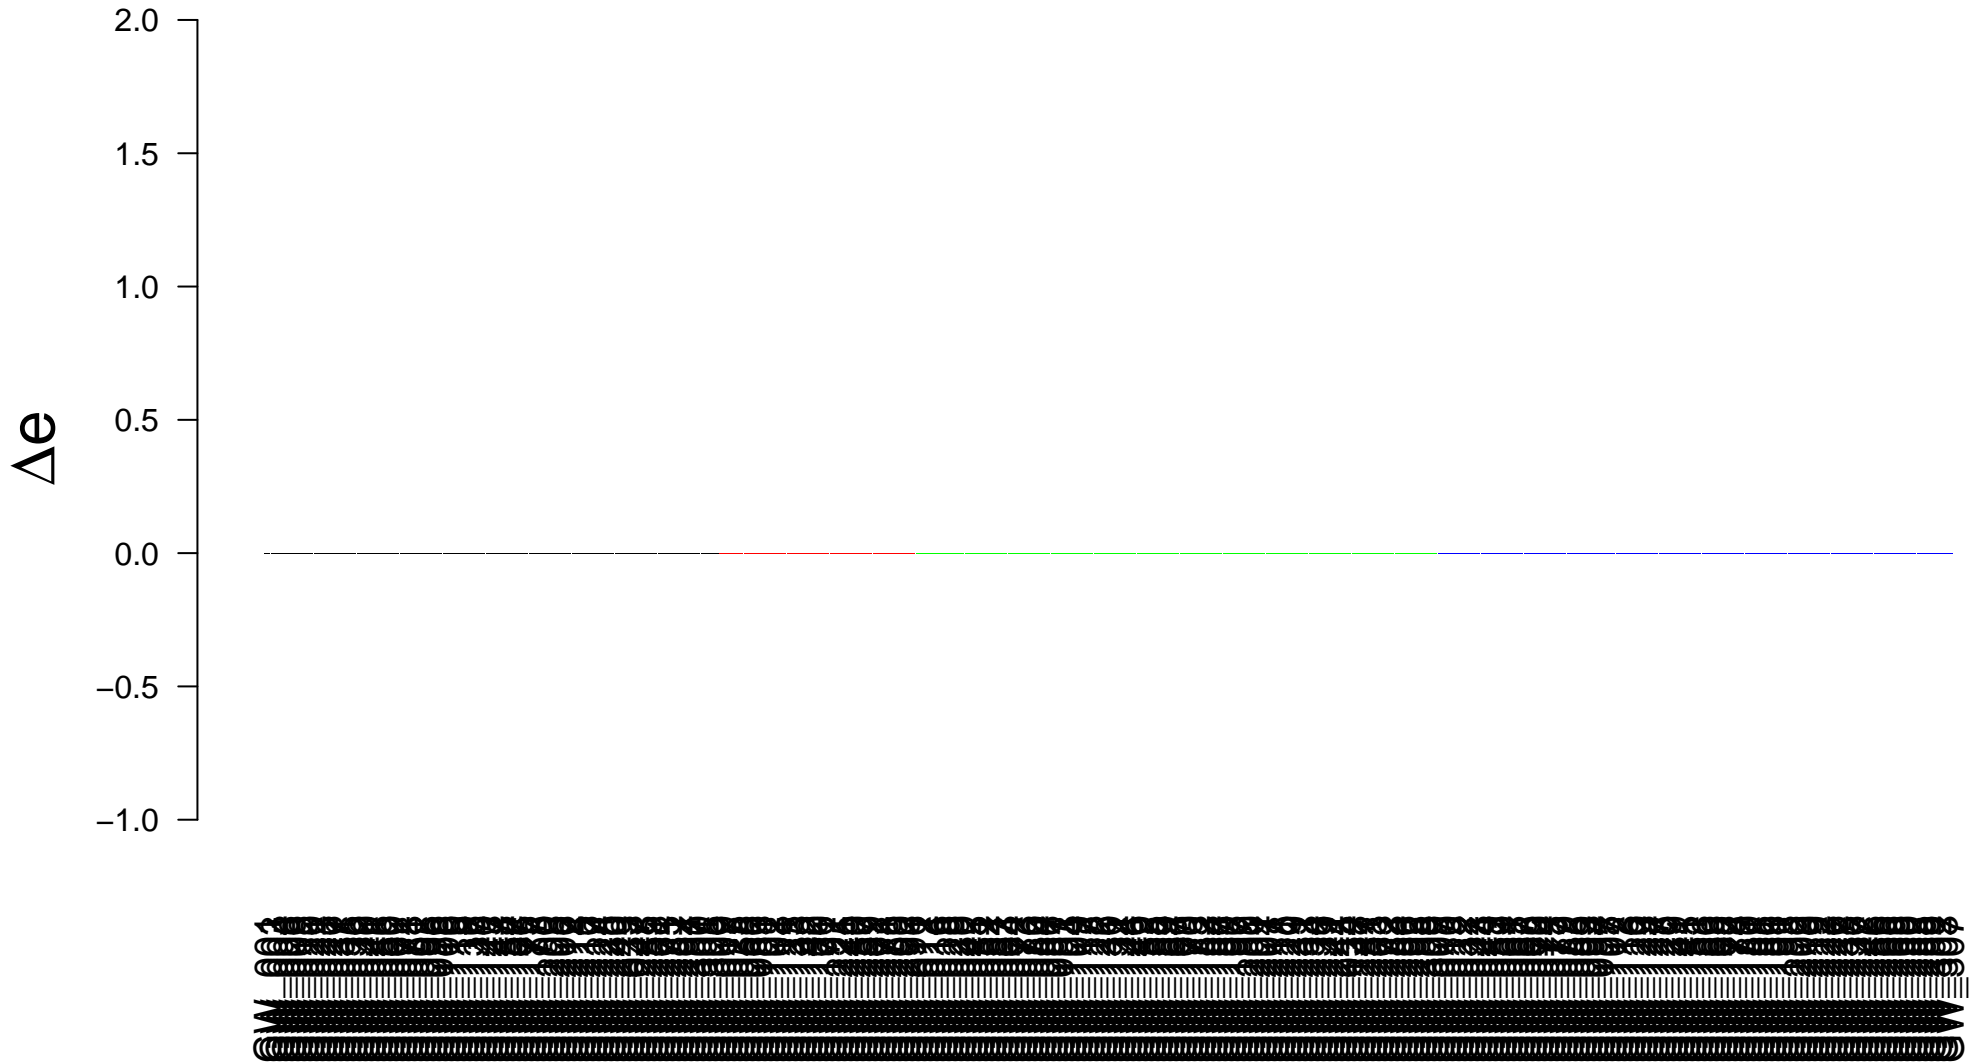

Enrichment in spots: proximal/distal pattern formation

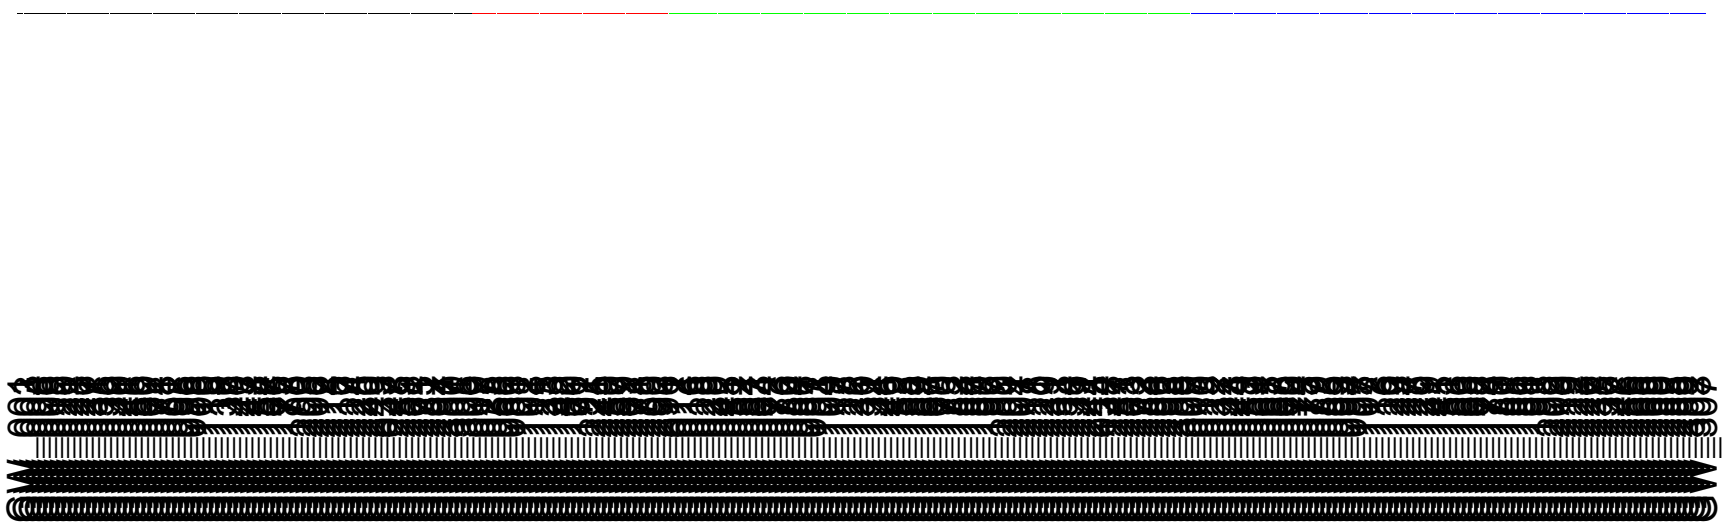

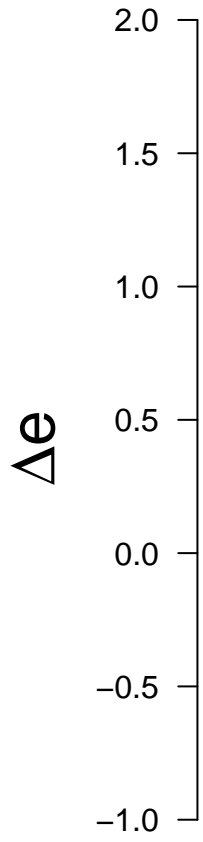

Expression of proximal/distal pattern formation in Spot A

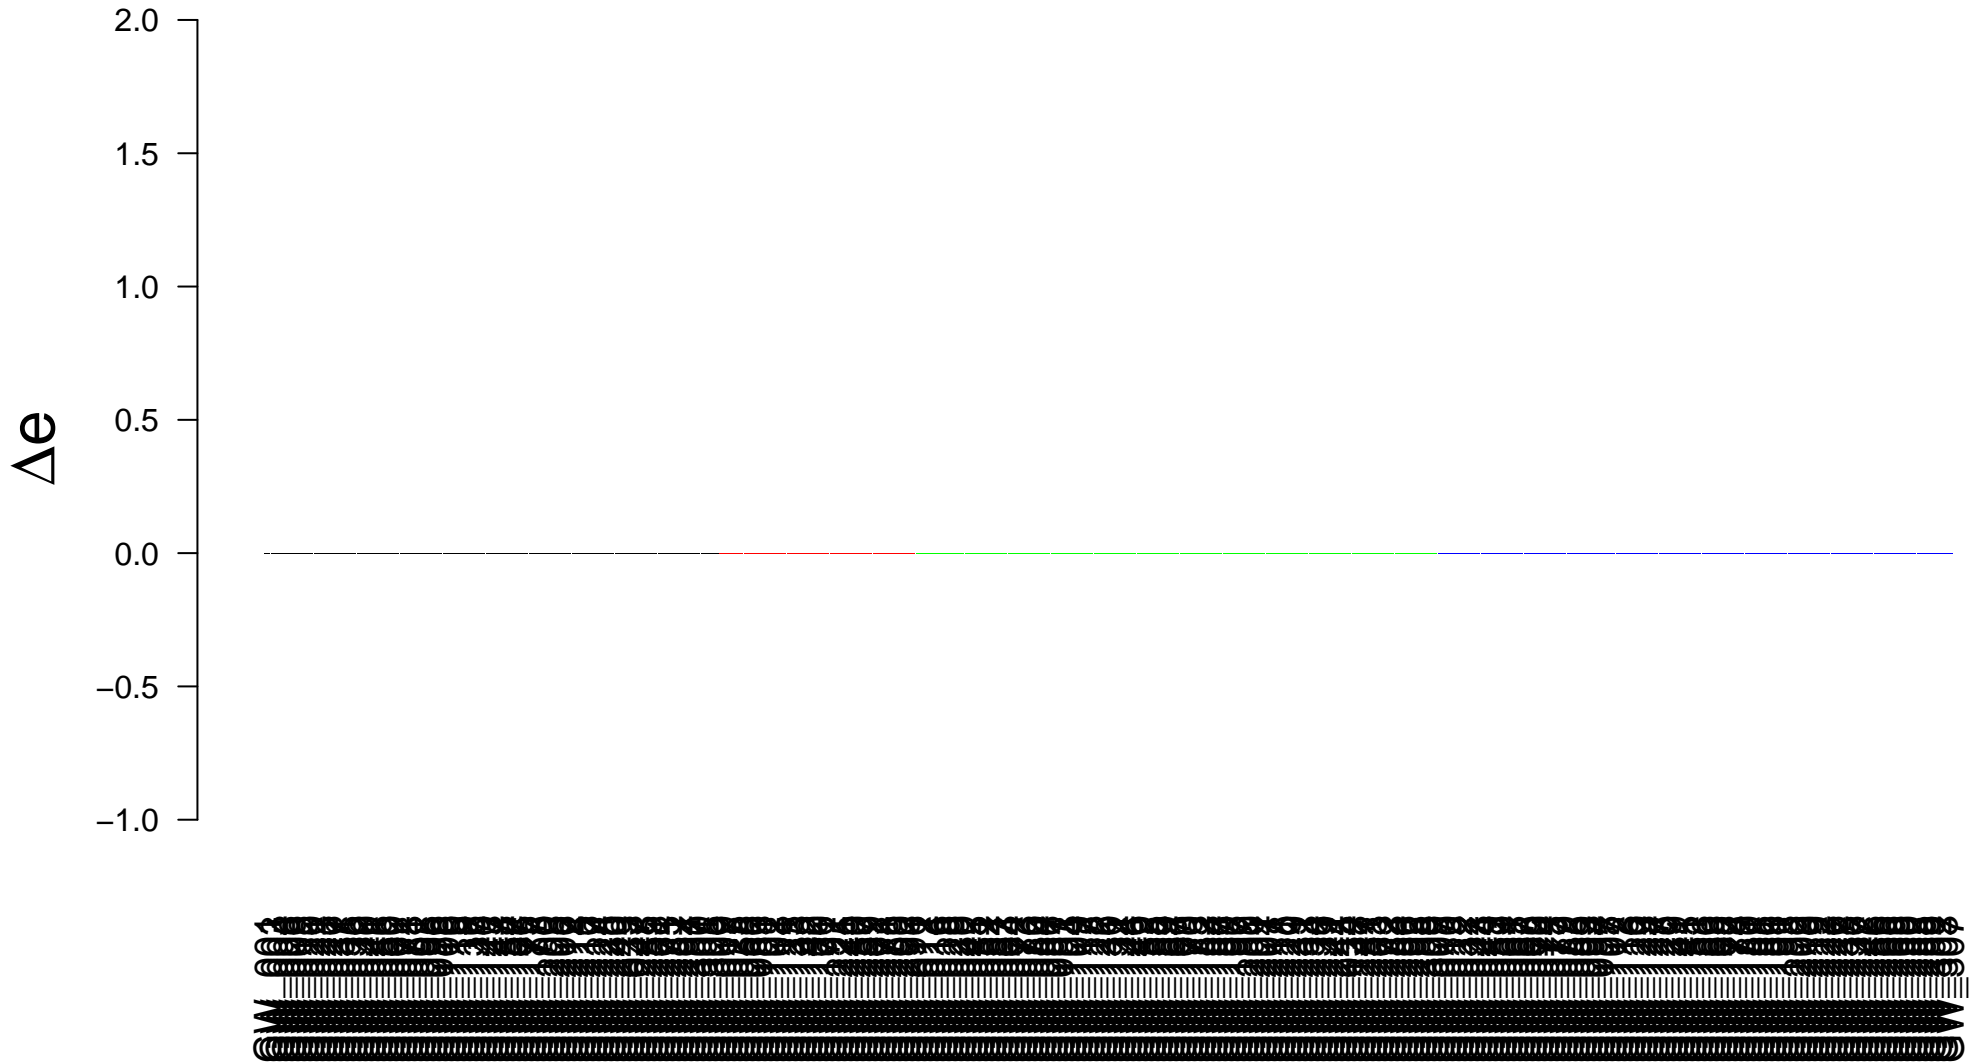

Expression of proximal/distal pattern formation in Spot B

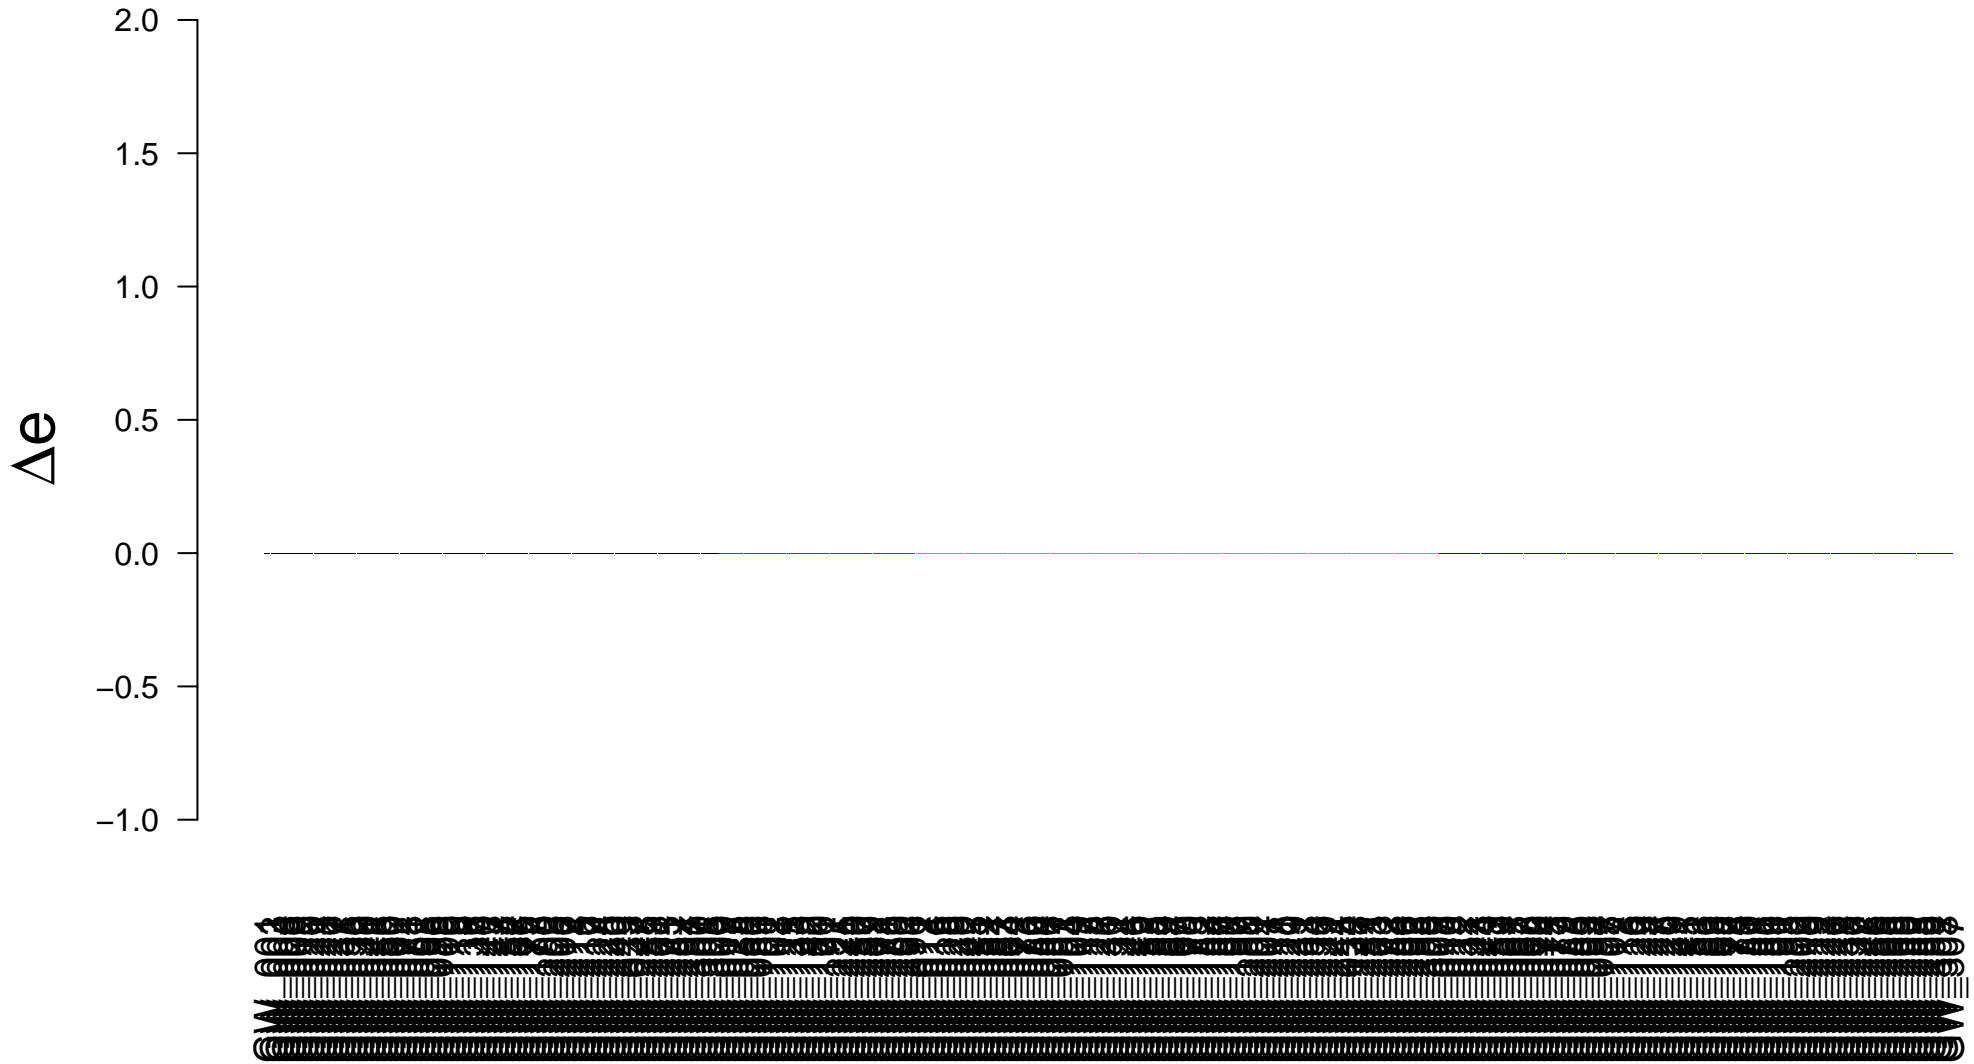

Expression of proximal/distal pattern formation in Spot C

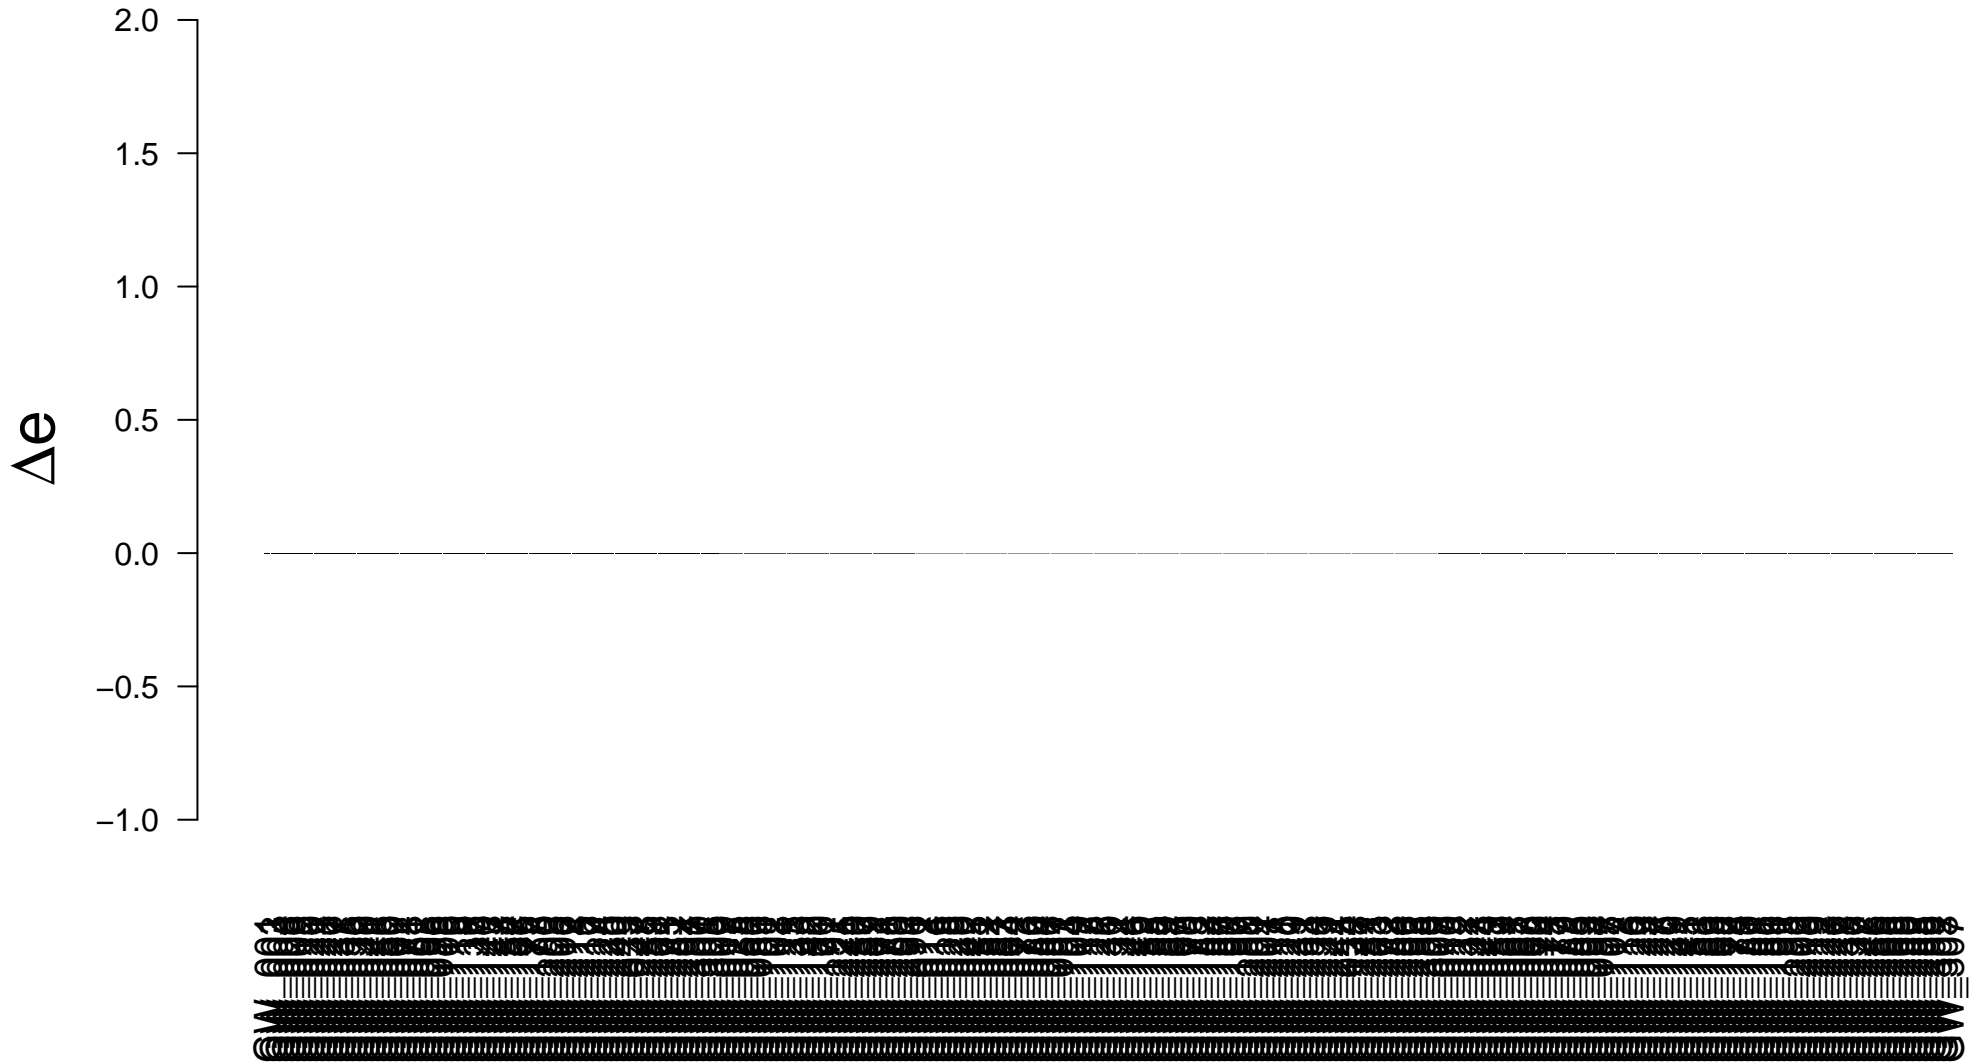

Expression of proximal/distal pattern formation in Spot D

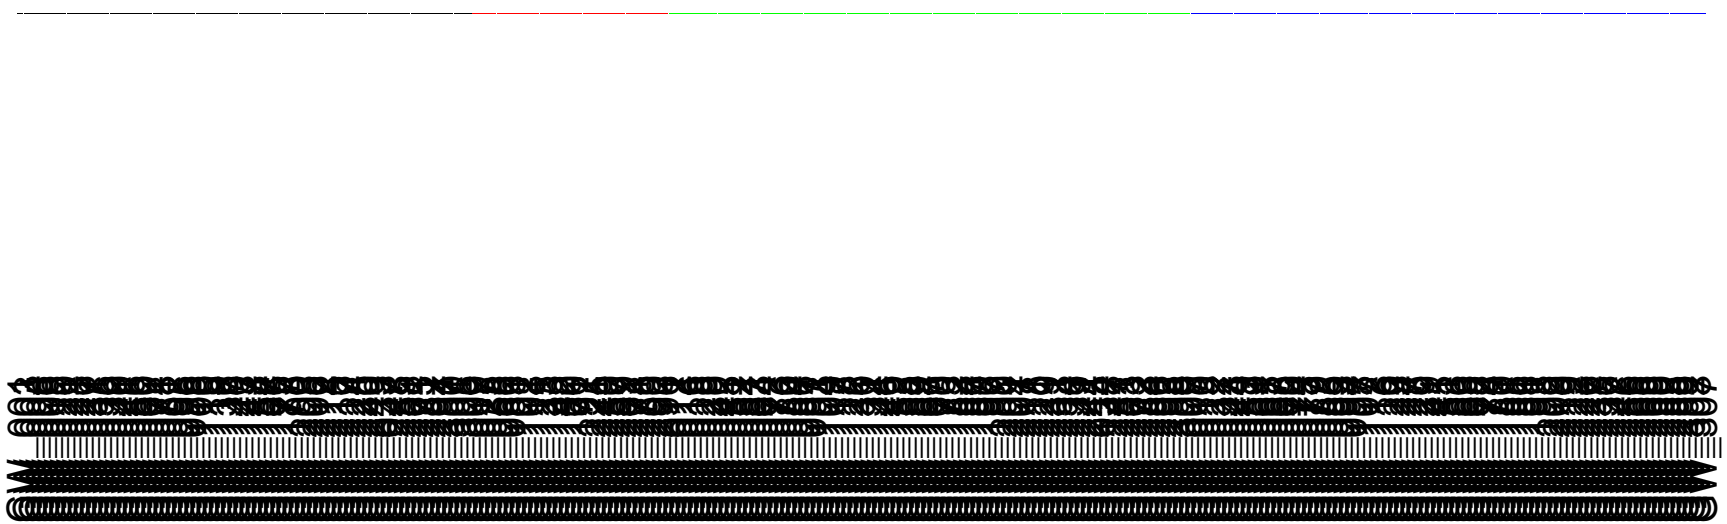

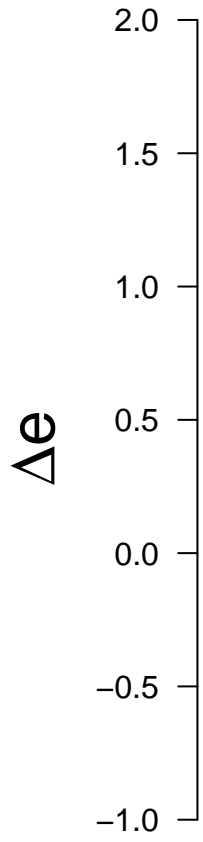

Expression of proximal/distal pattern formation in Spot E

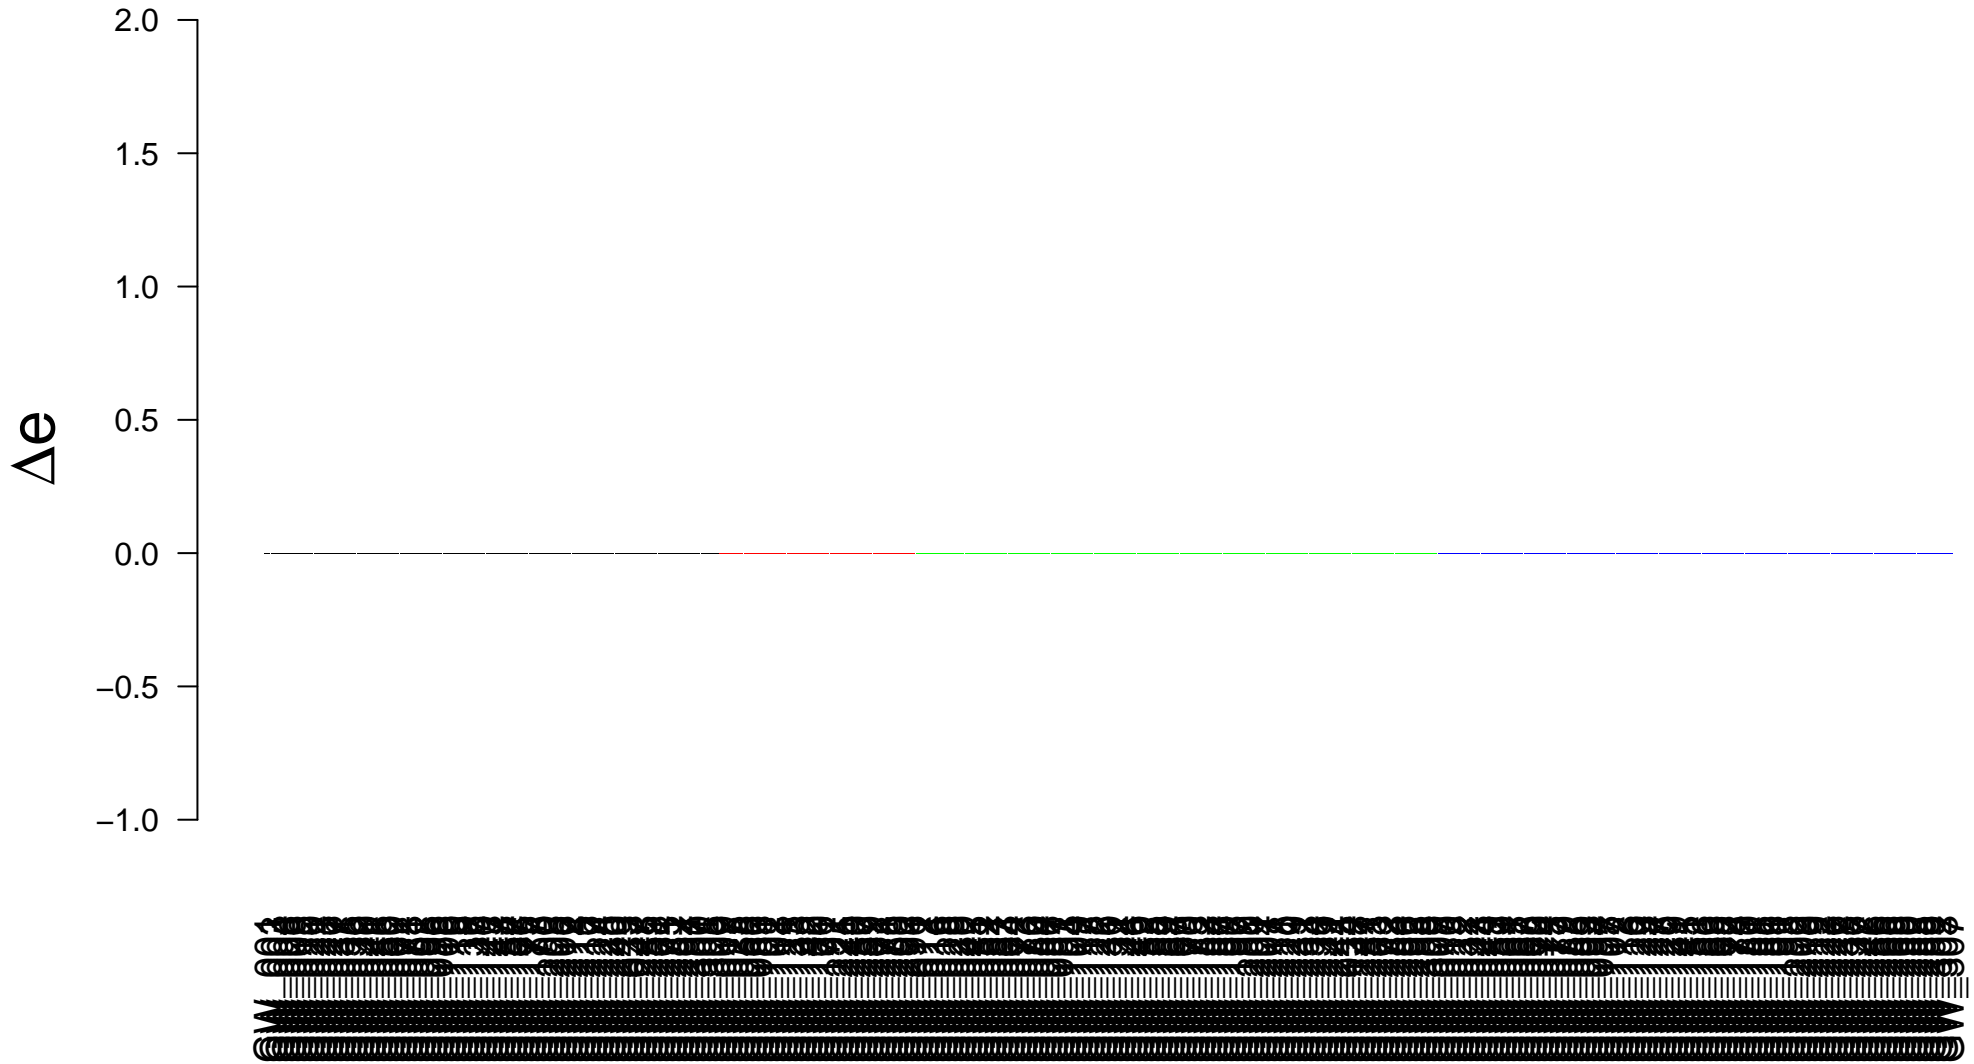

Expression of proximal/distal pattern formation in Spot F

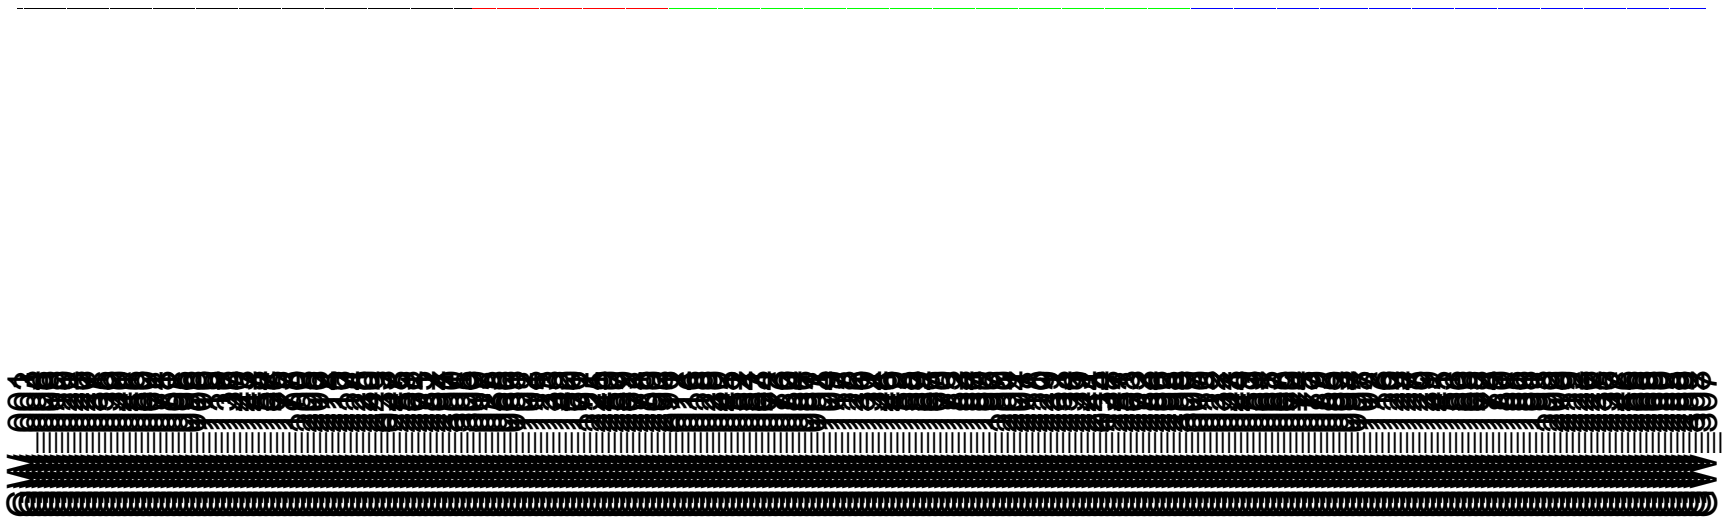

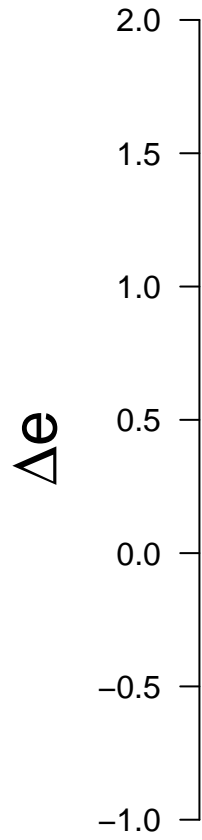

Expression of proximal/distal pattern formation in Spot G

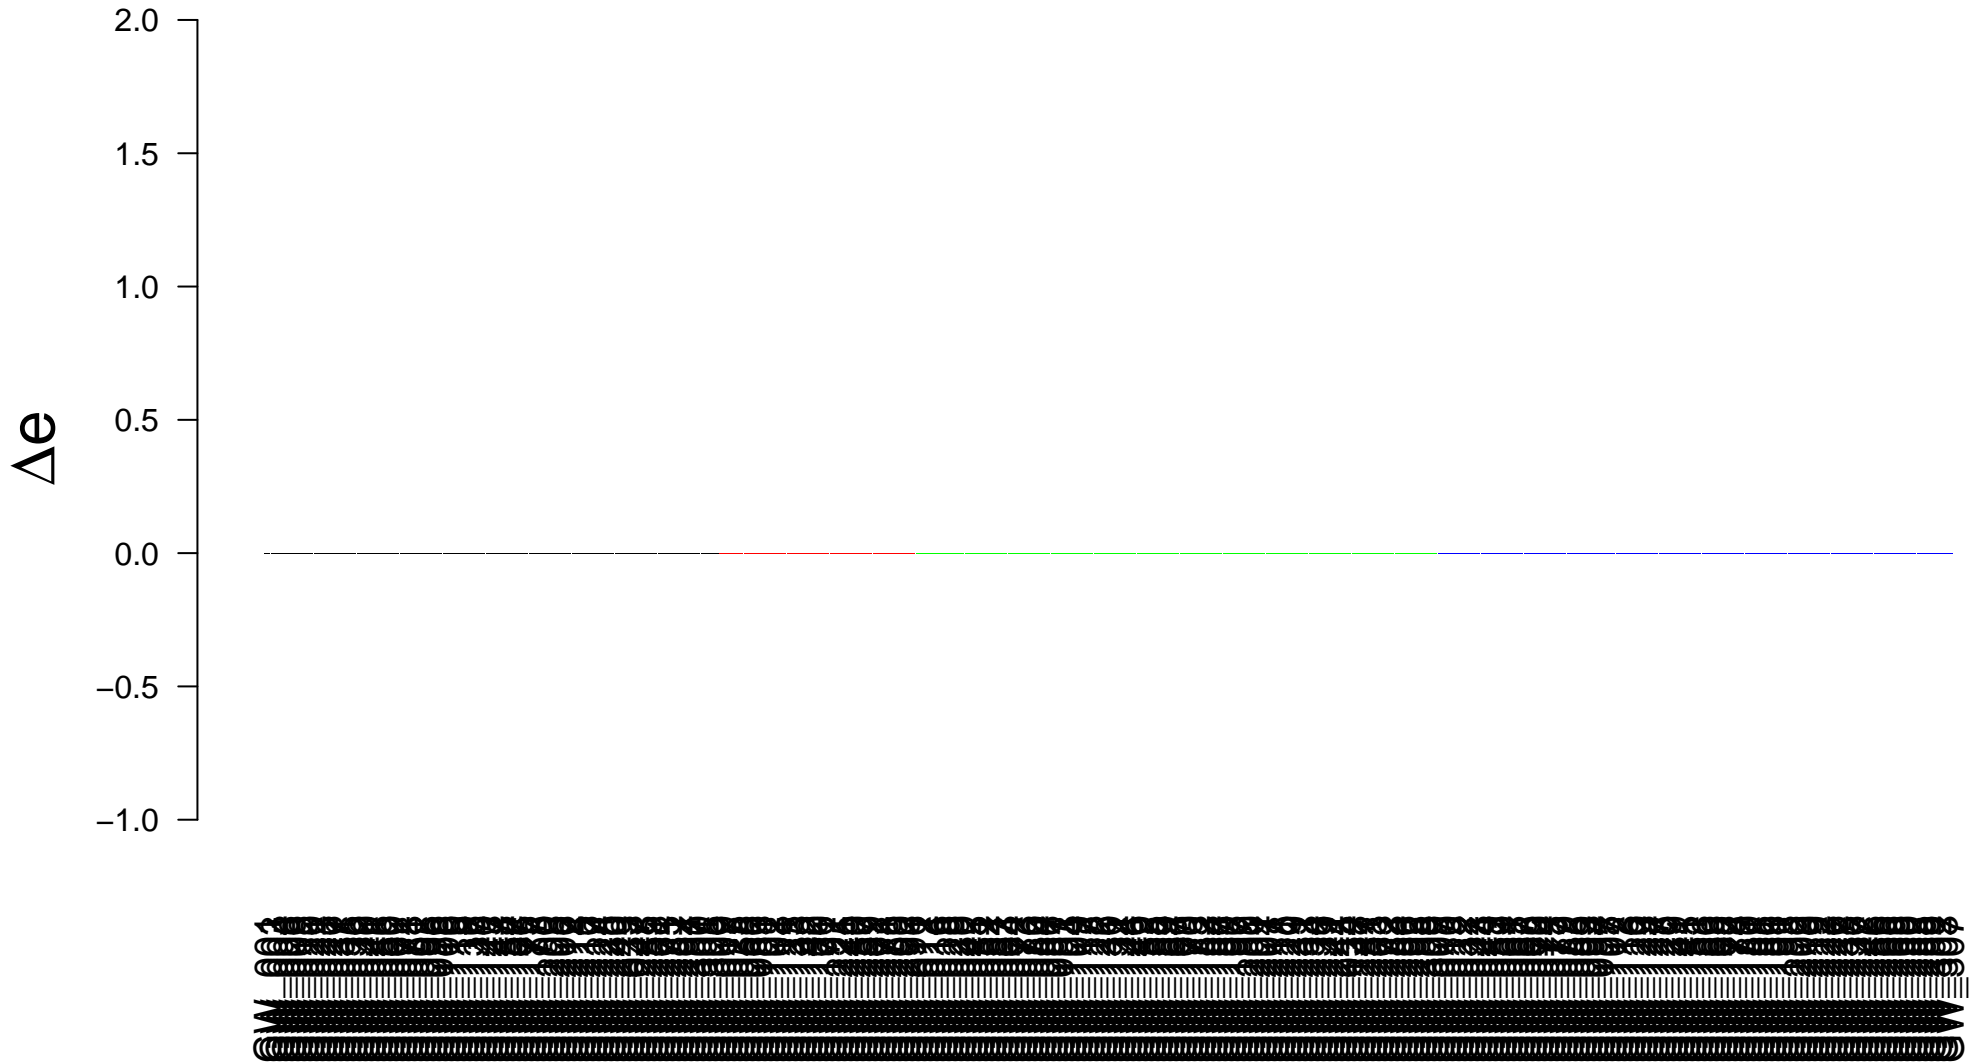

Expression of proximal/distal pattern formation in Spot H

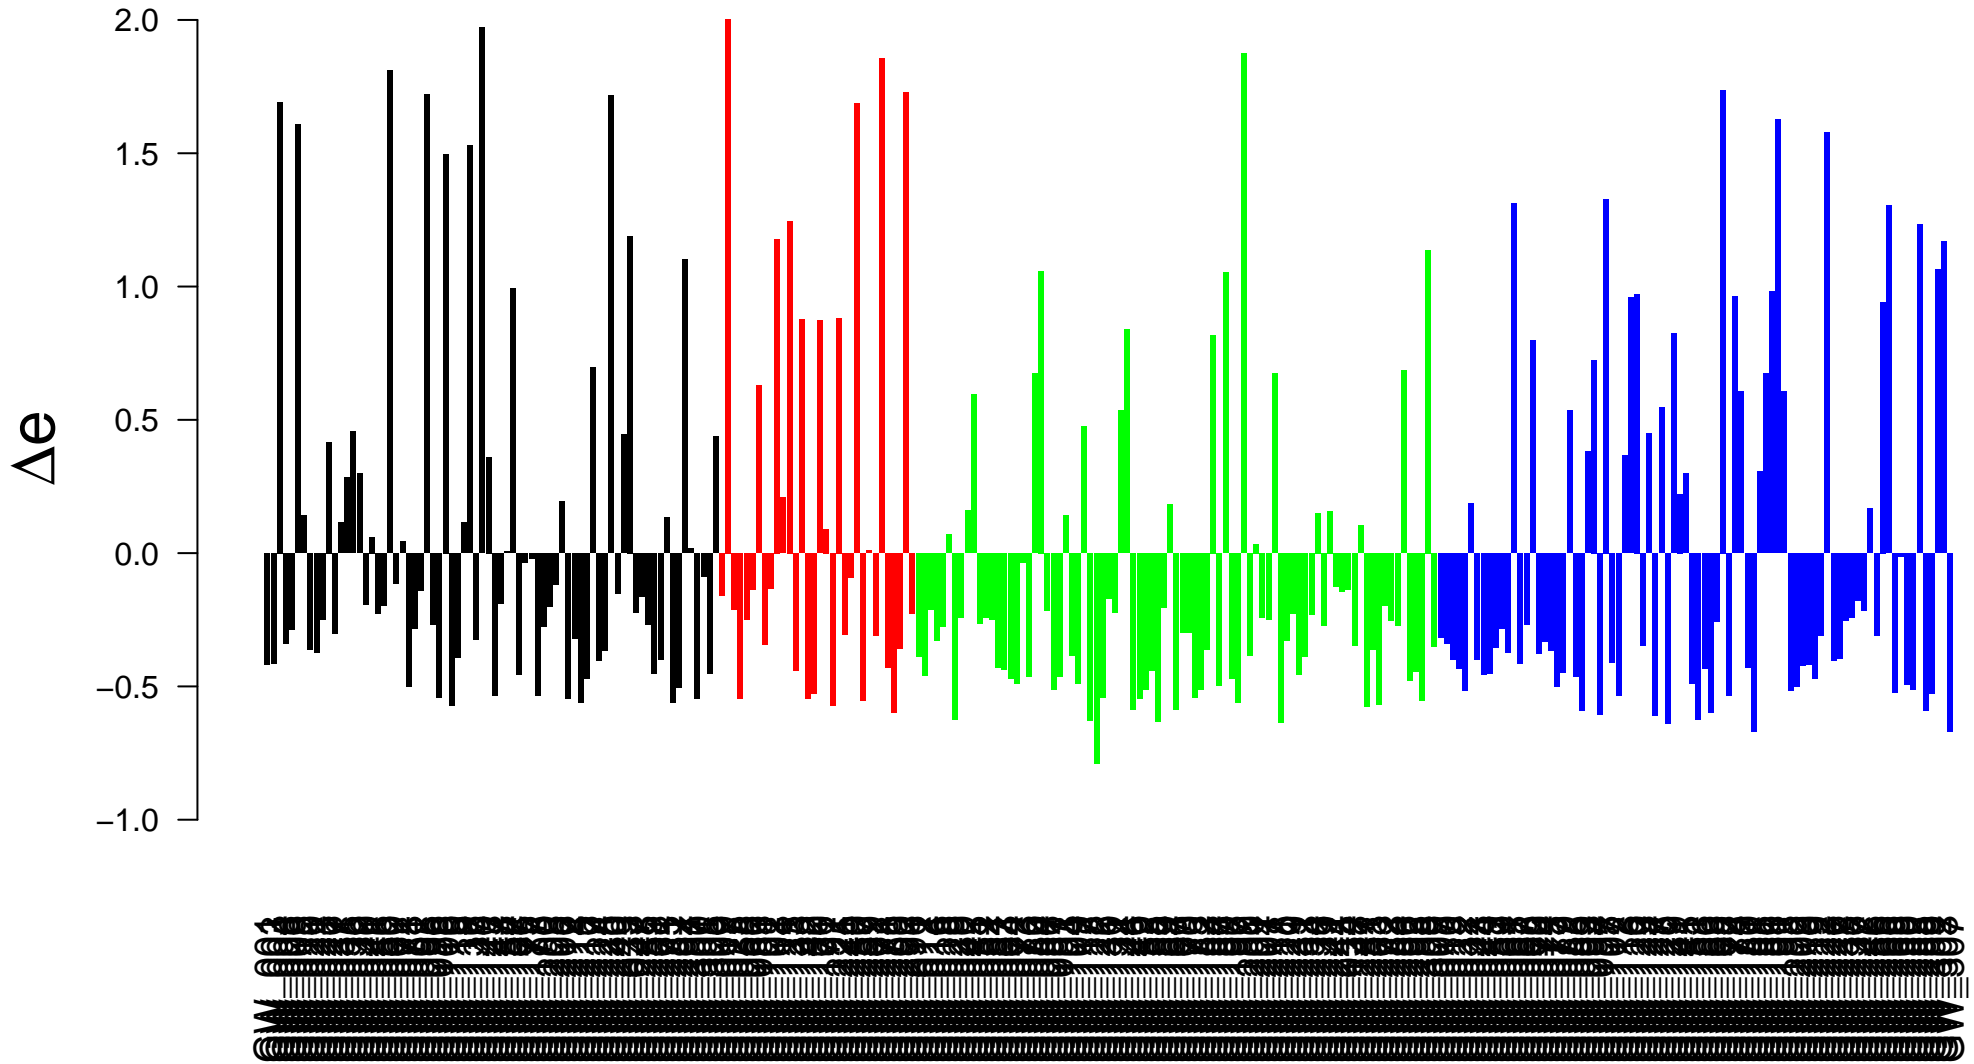

Expression of proximal/distal pattern formation in Spot I

Expression of proximal/distal pattern formation in Spot J

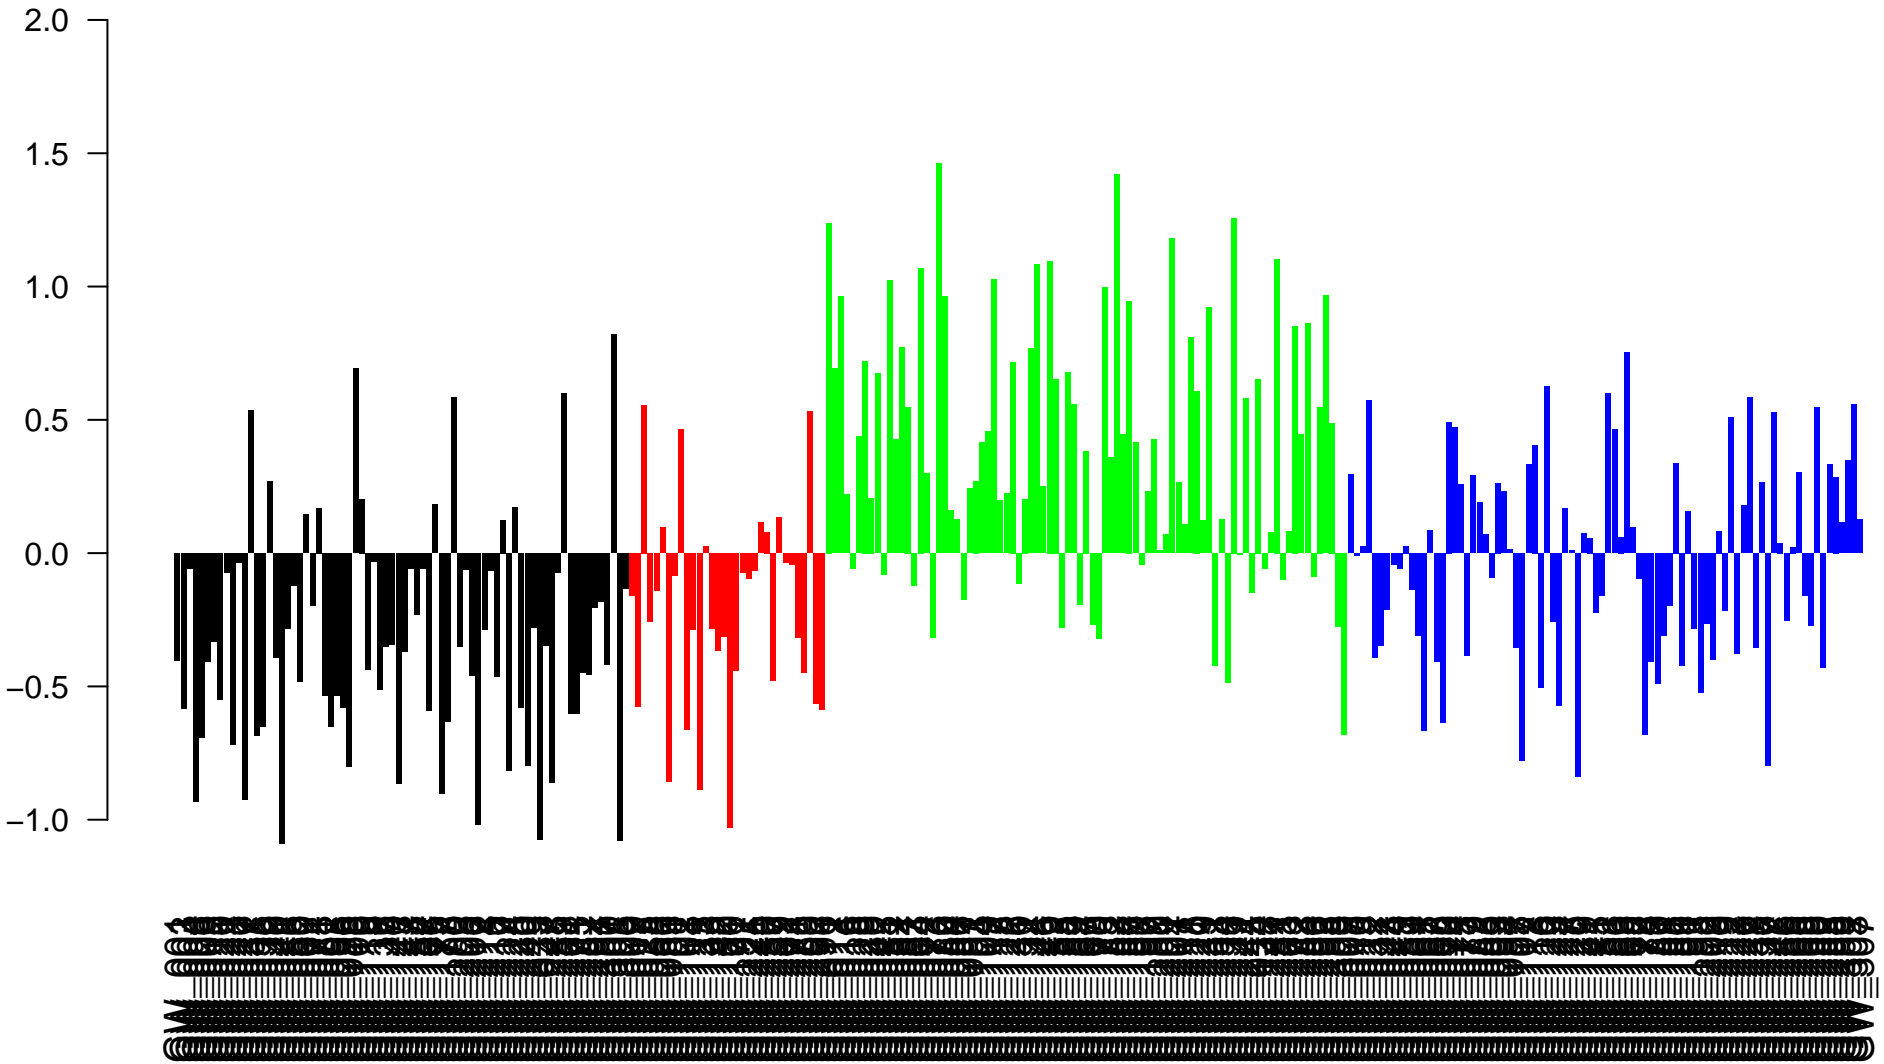

Expression of proximal/distal pattern formation in Spot K

Expression of proximal/distal pattern formation in Spot L

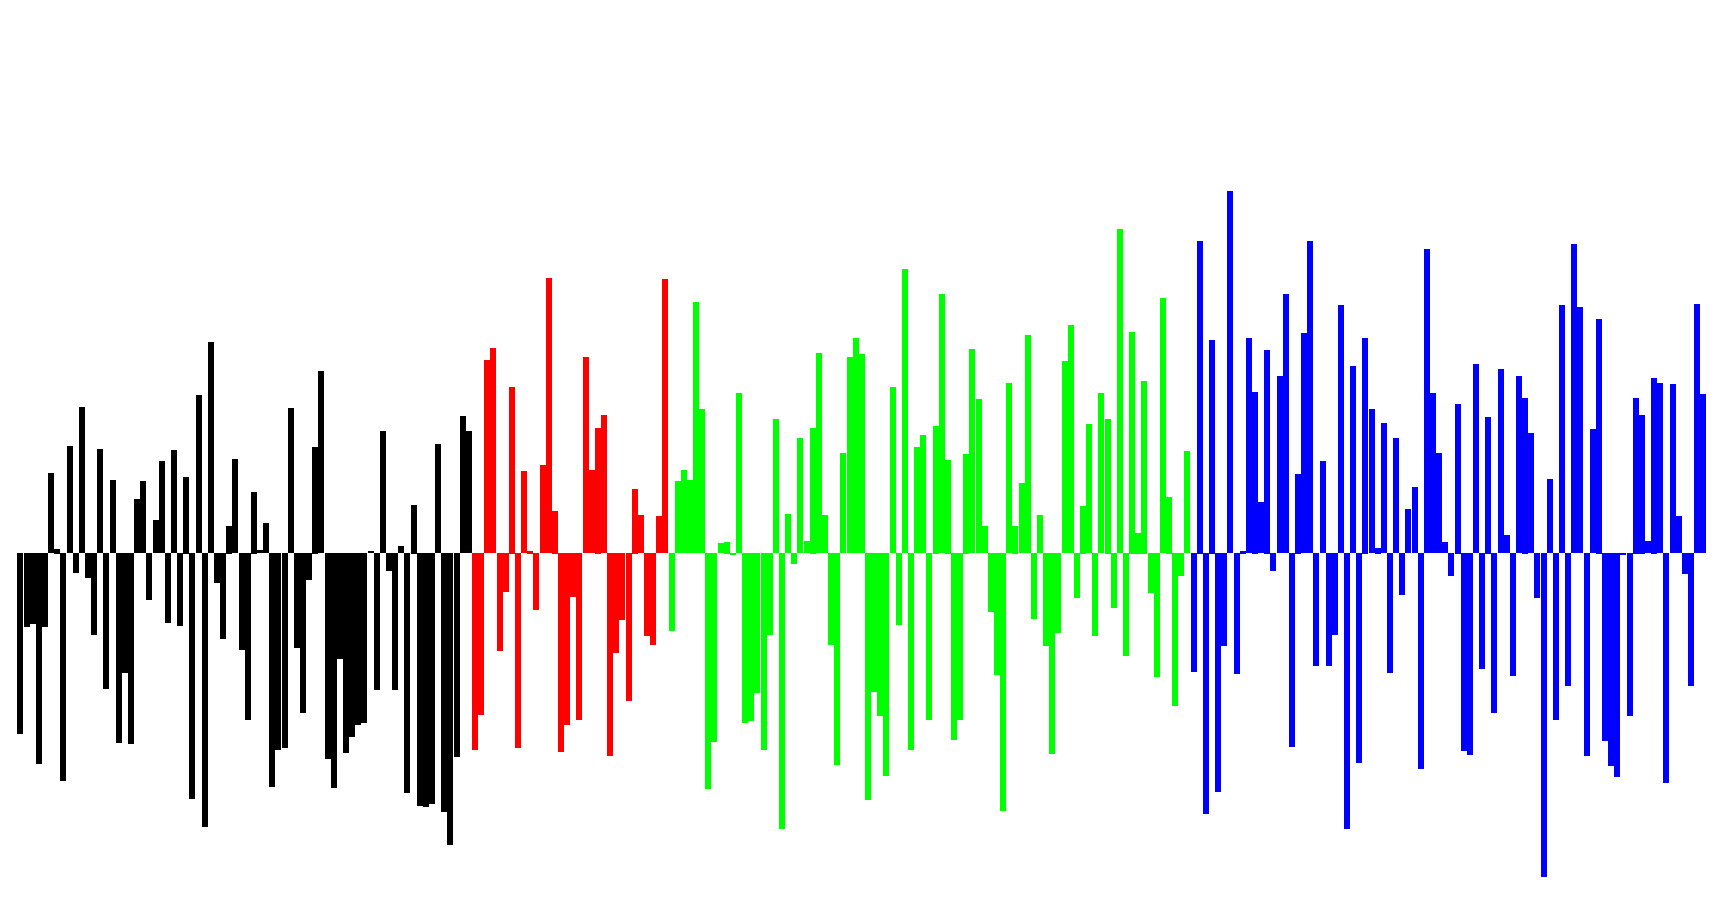

Δe

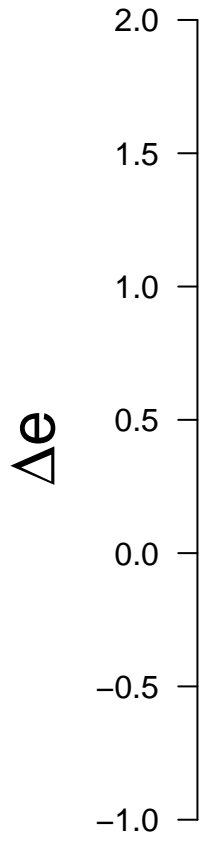

Expression of proximal/distal pattern formation in Spot M
