

purine nucleobase metabolic process

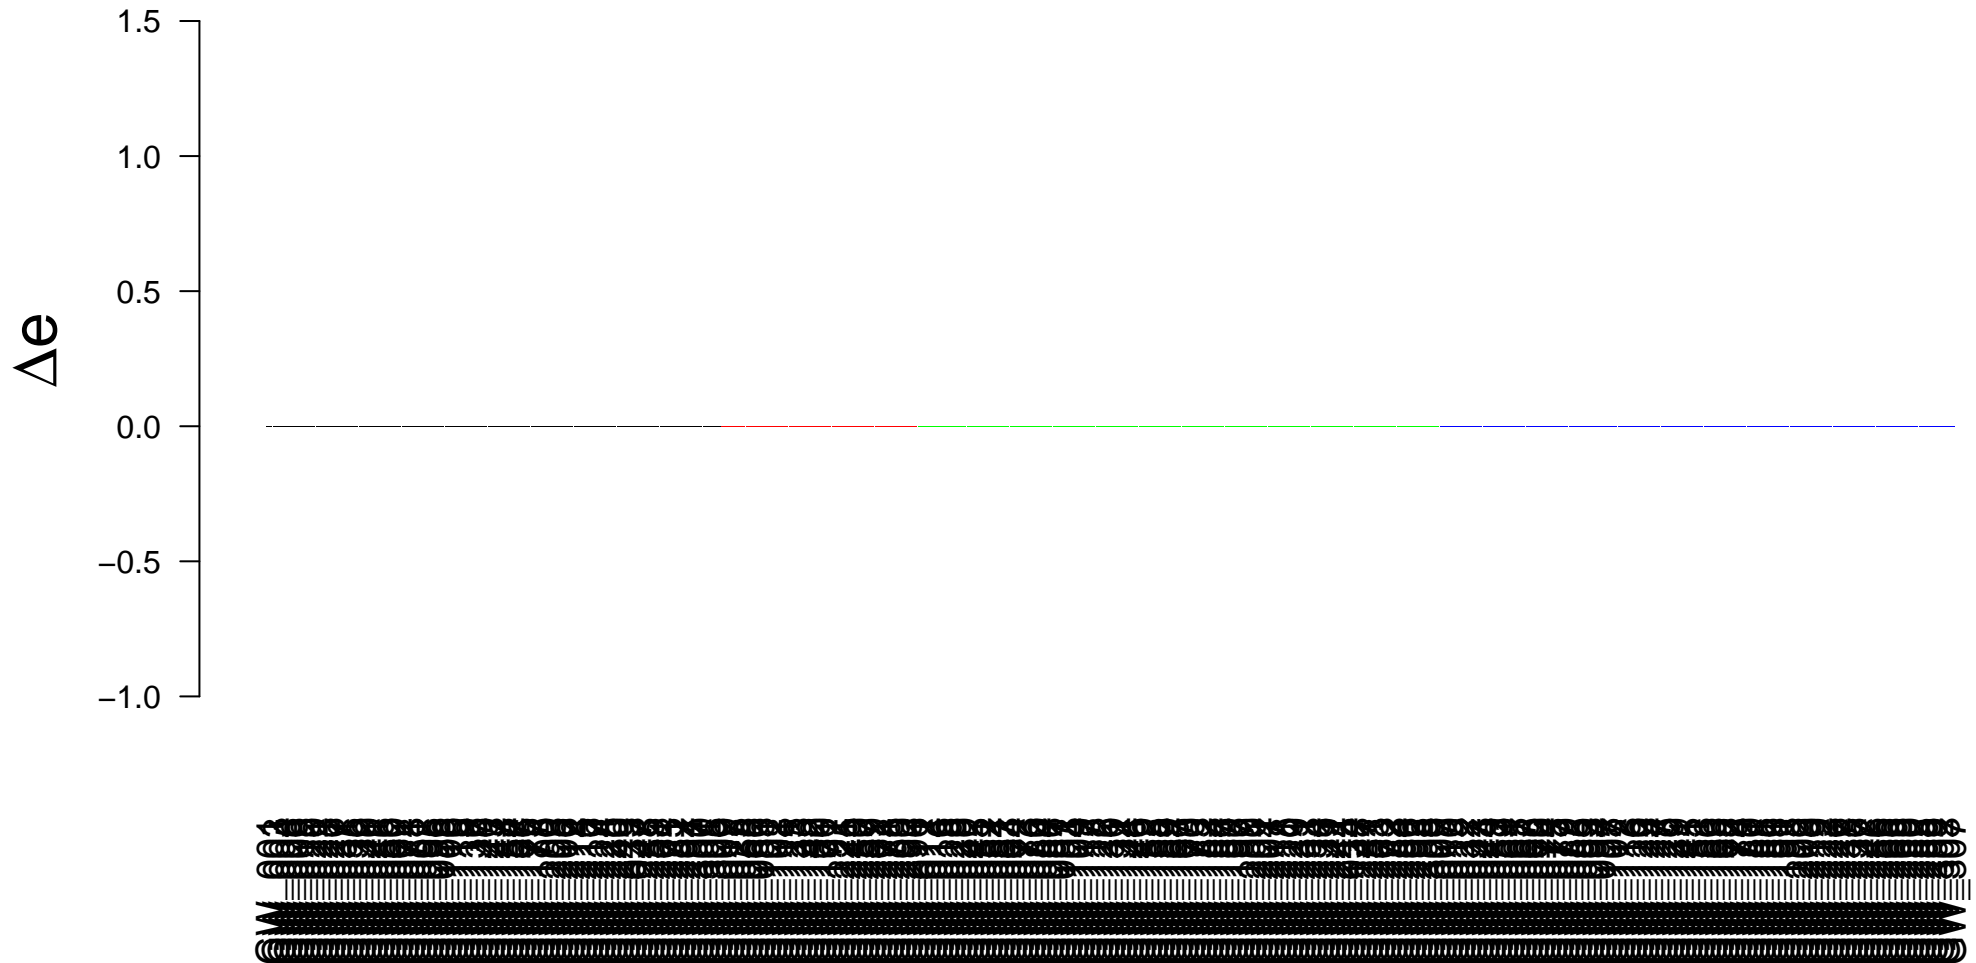

purine nucleobase metabolic process

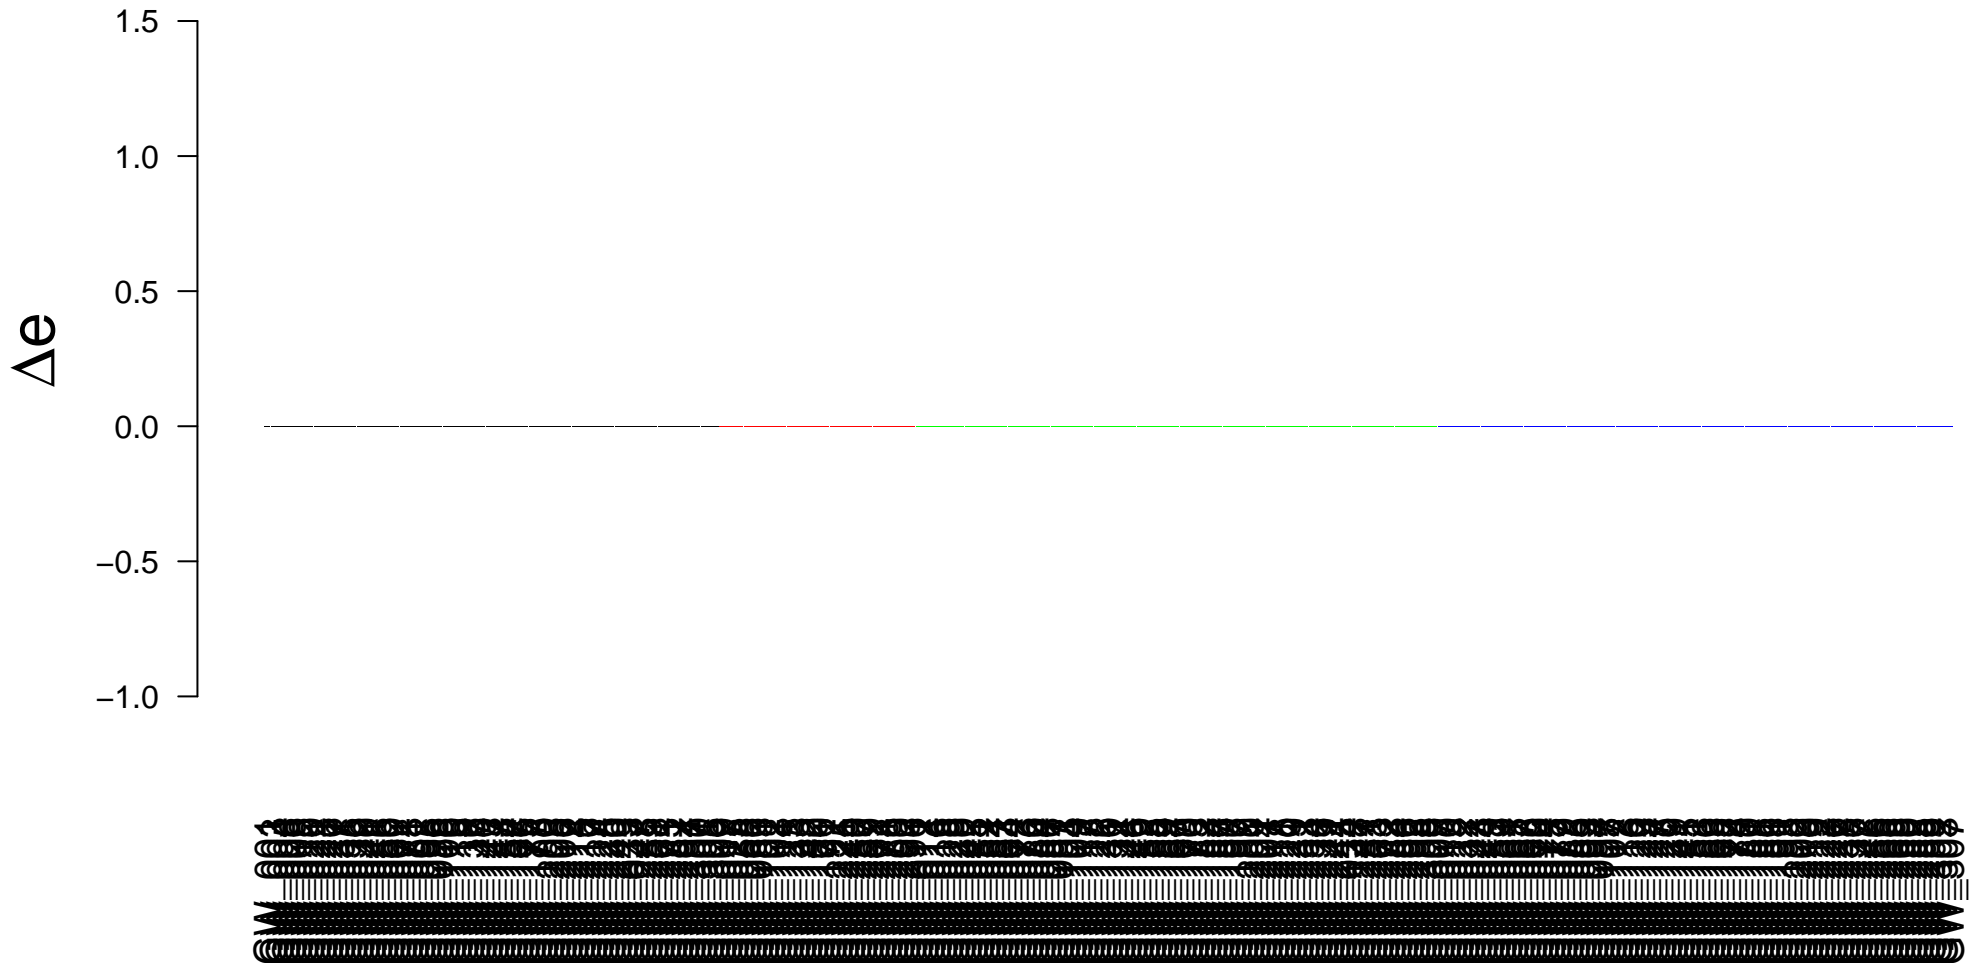

Enrichment in spots: purine nucleobase metabolic process

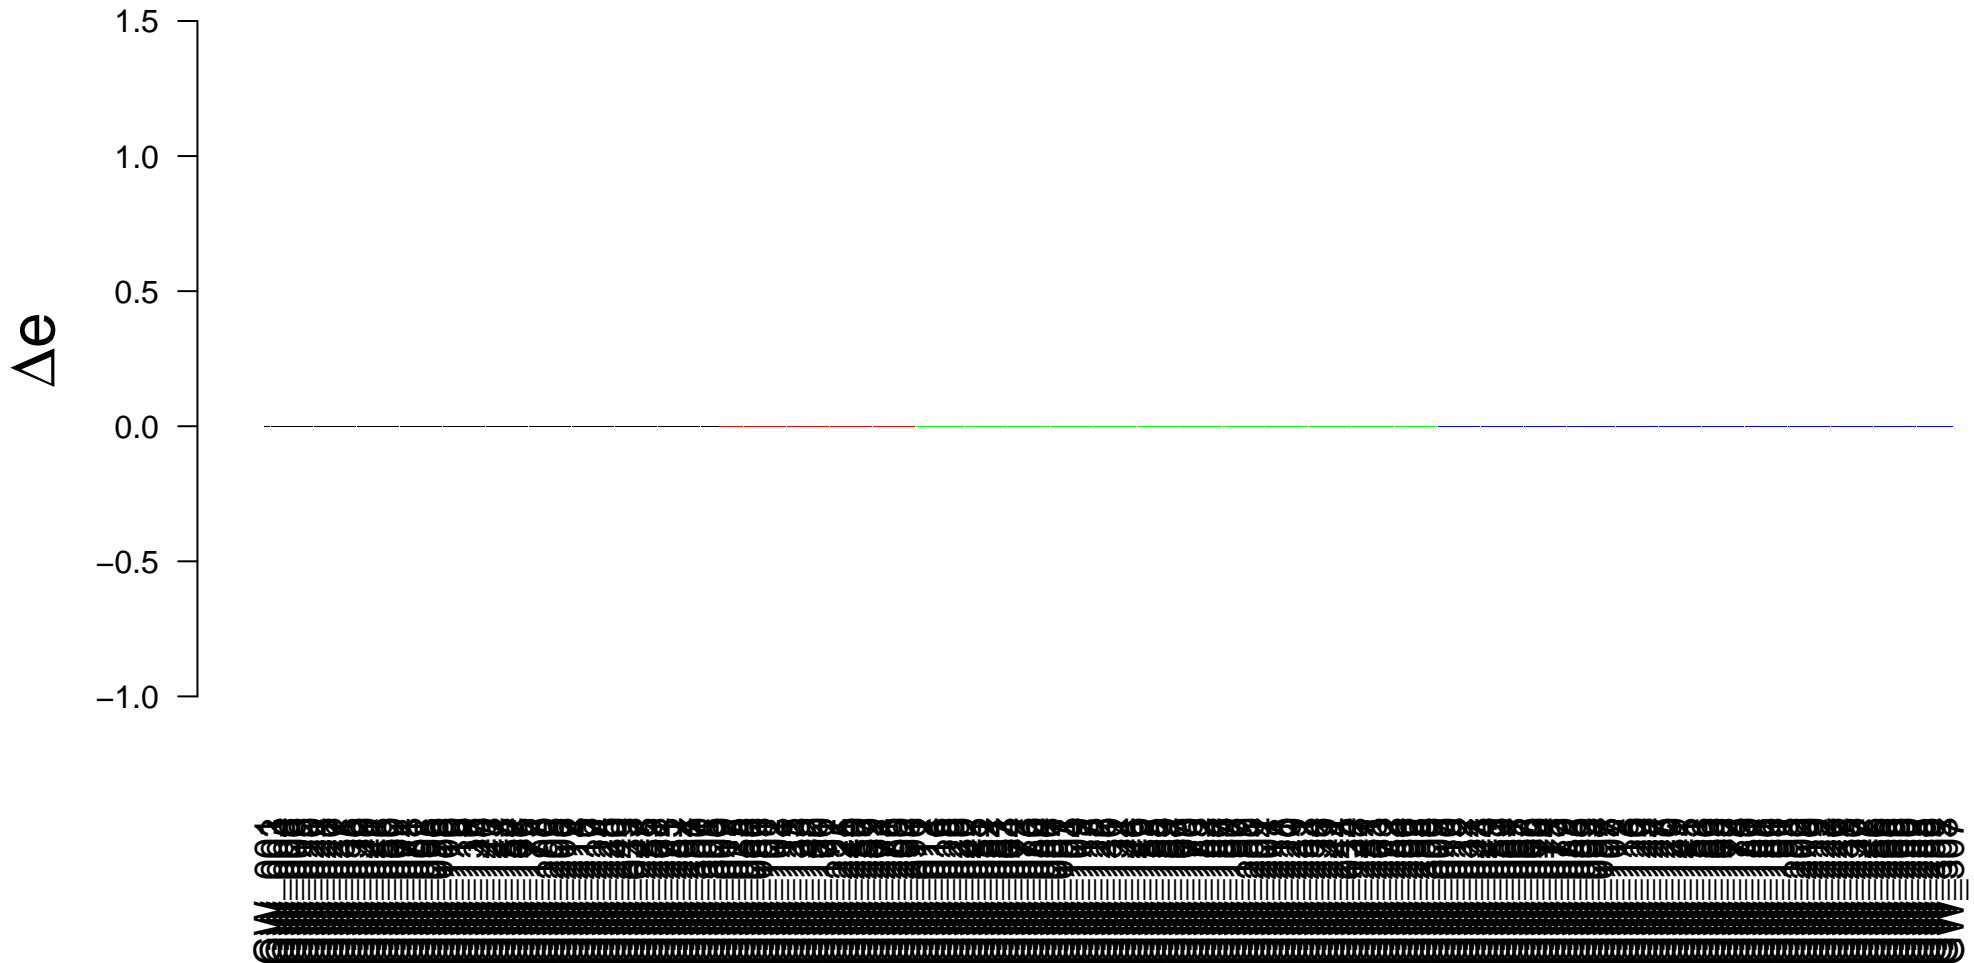

Expression of purine nucleobase metabolic process in Spot A

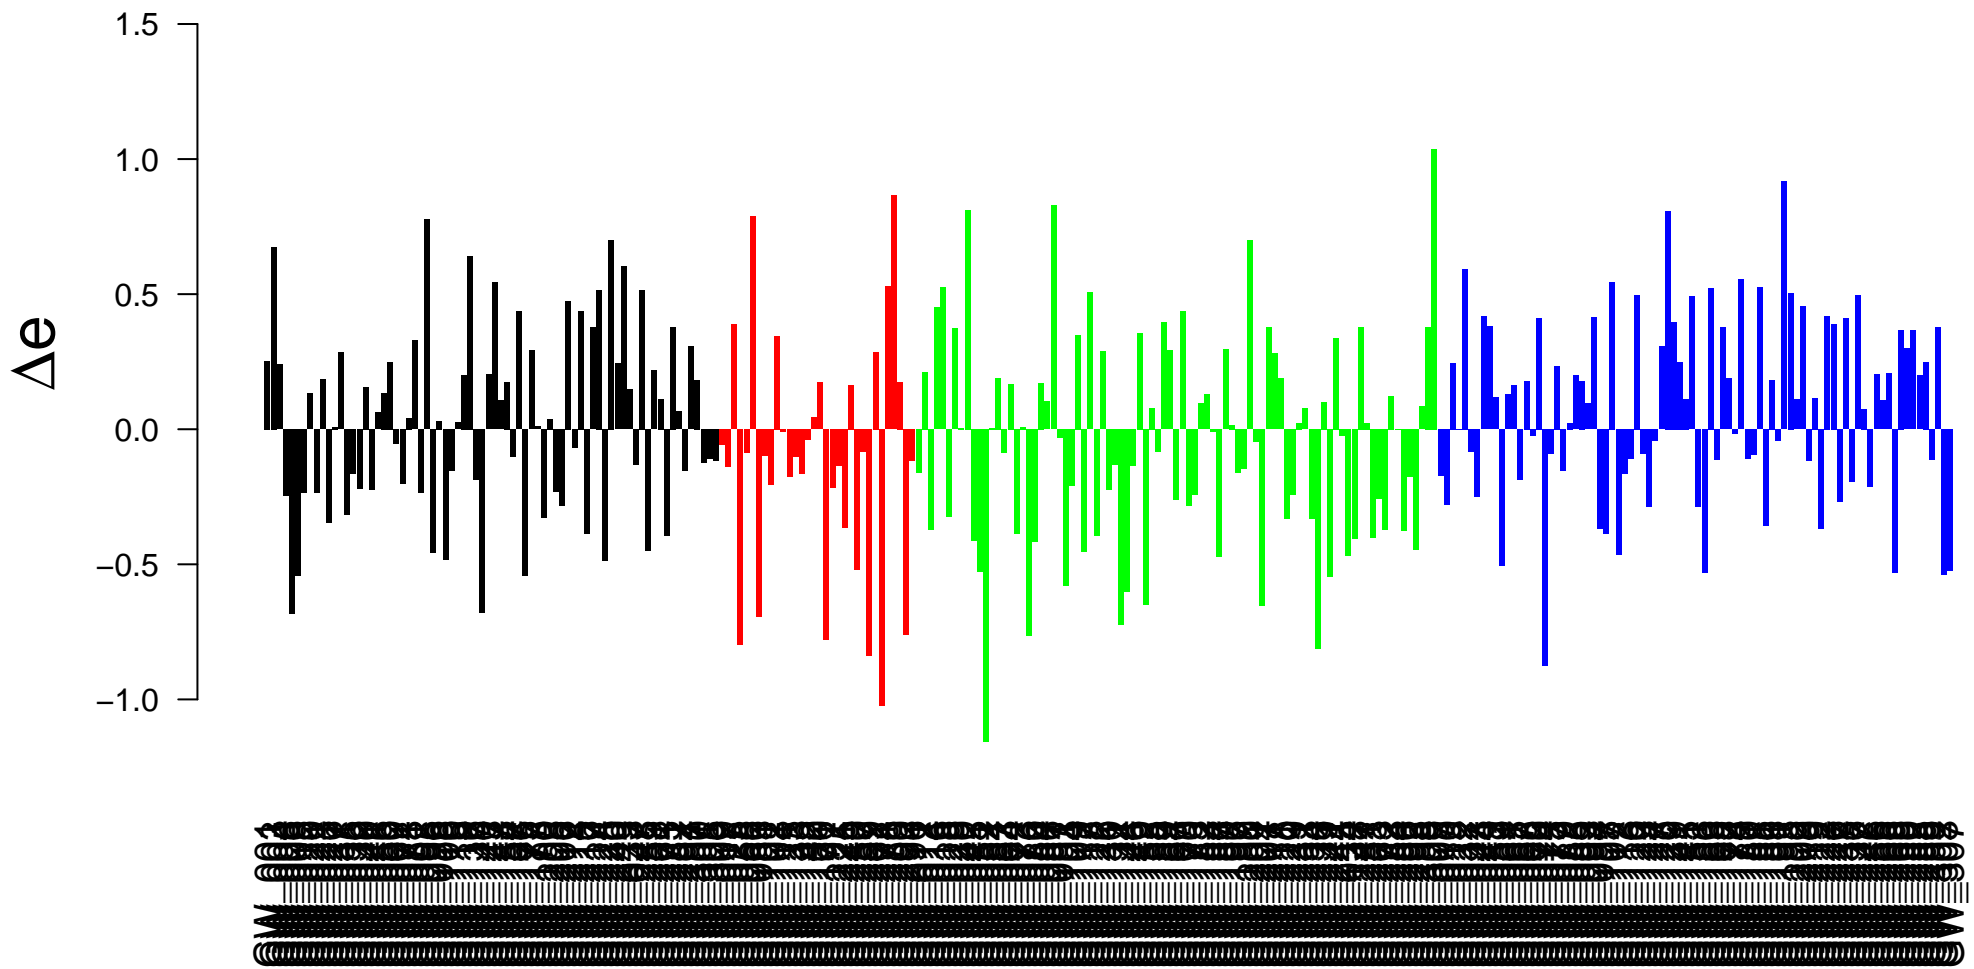

Expression of purine nucleobase metabolic process in Spot B

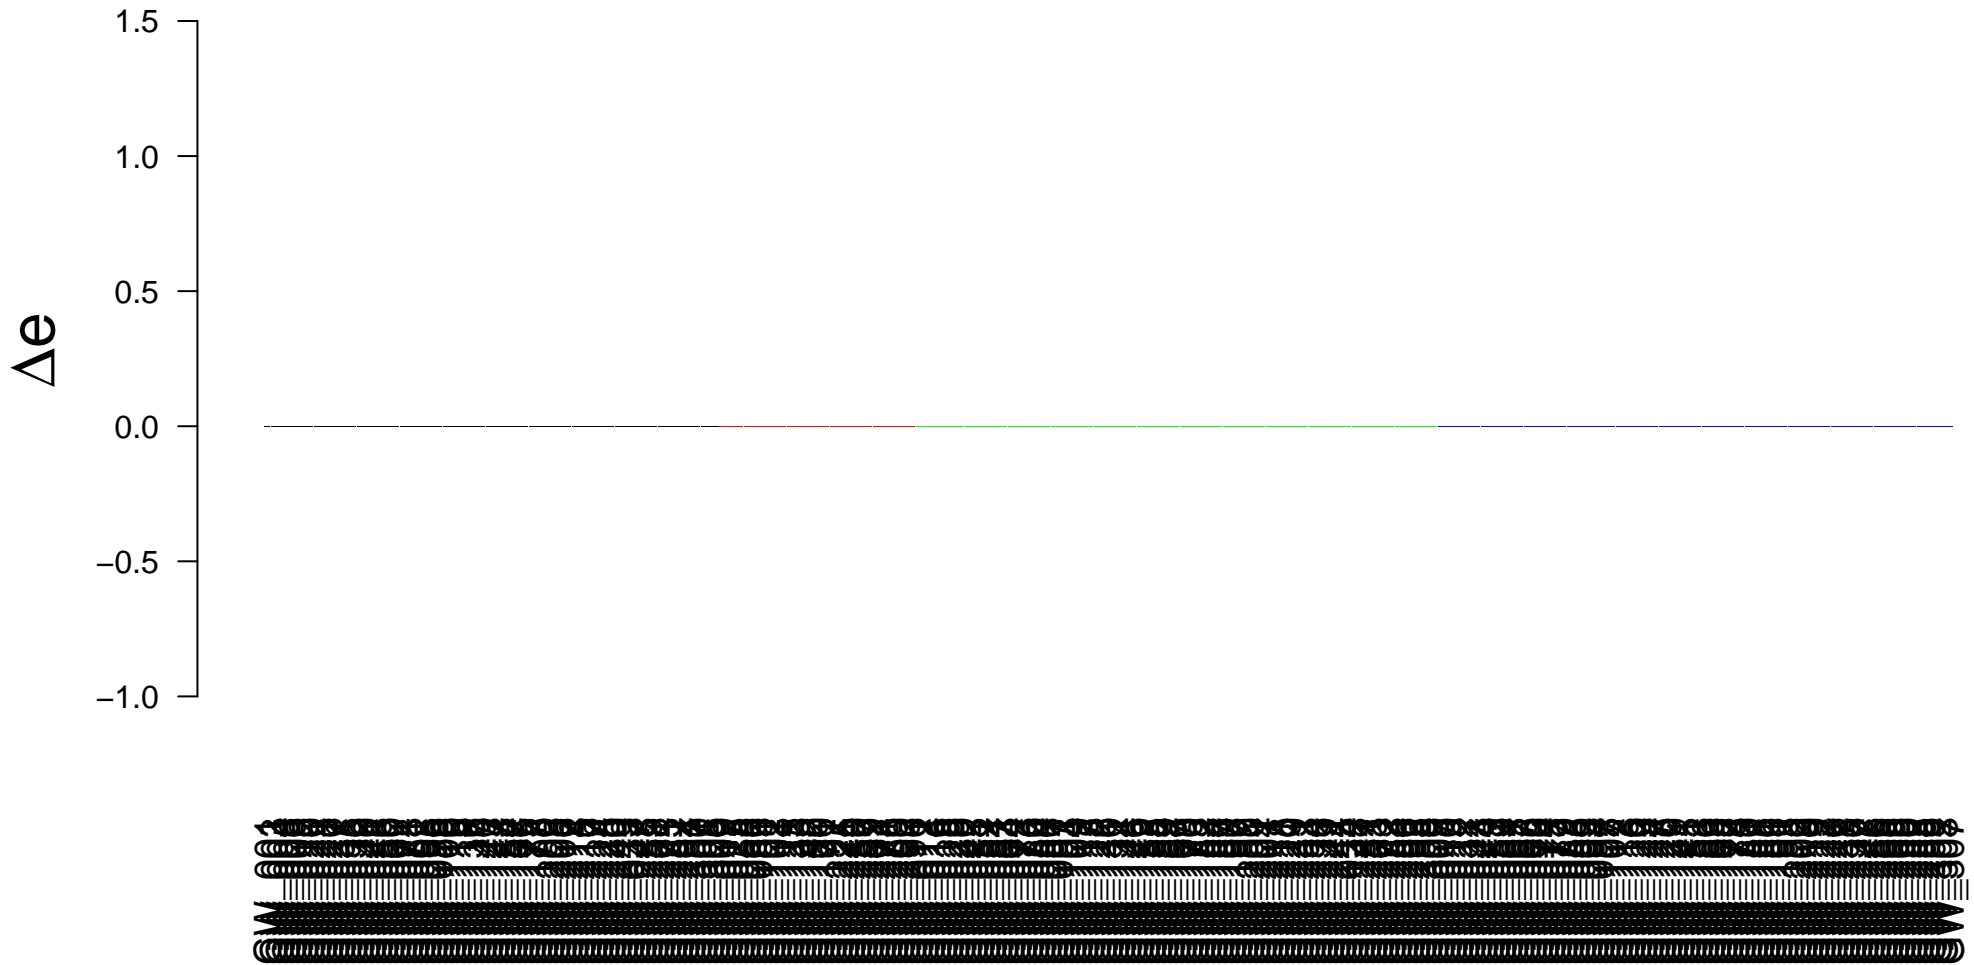

Expression of purine nucleobase metabolic process in Spot C

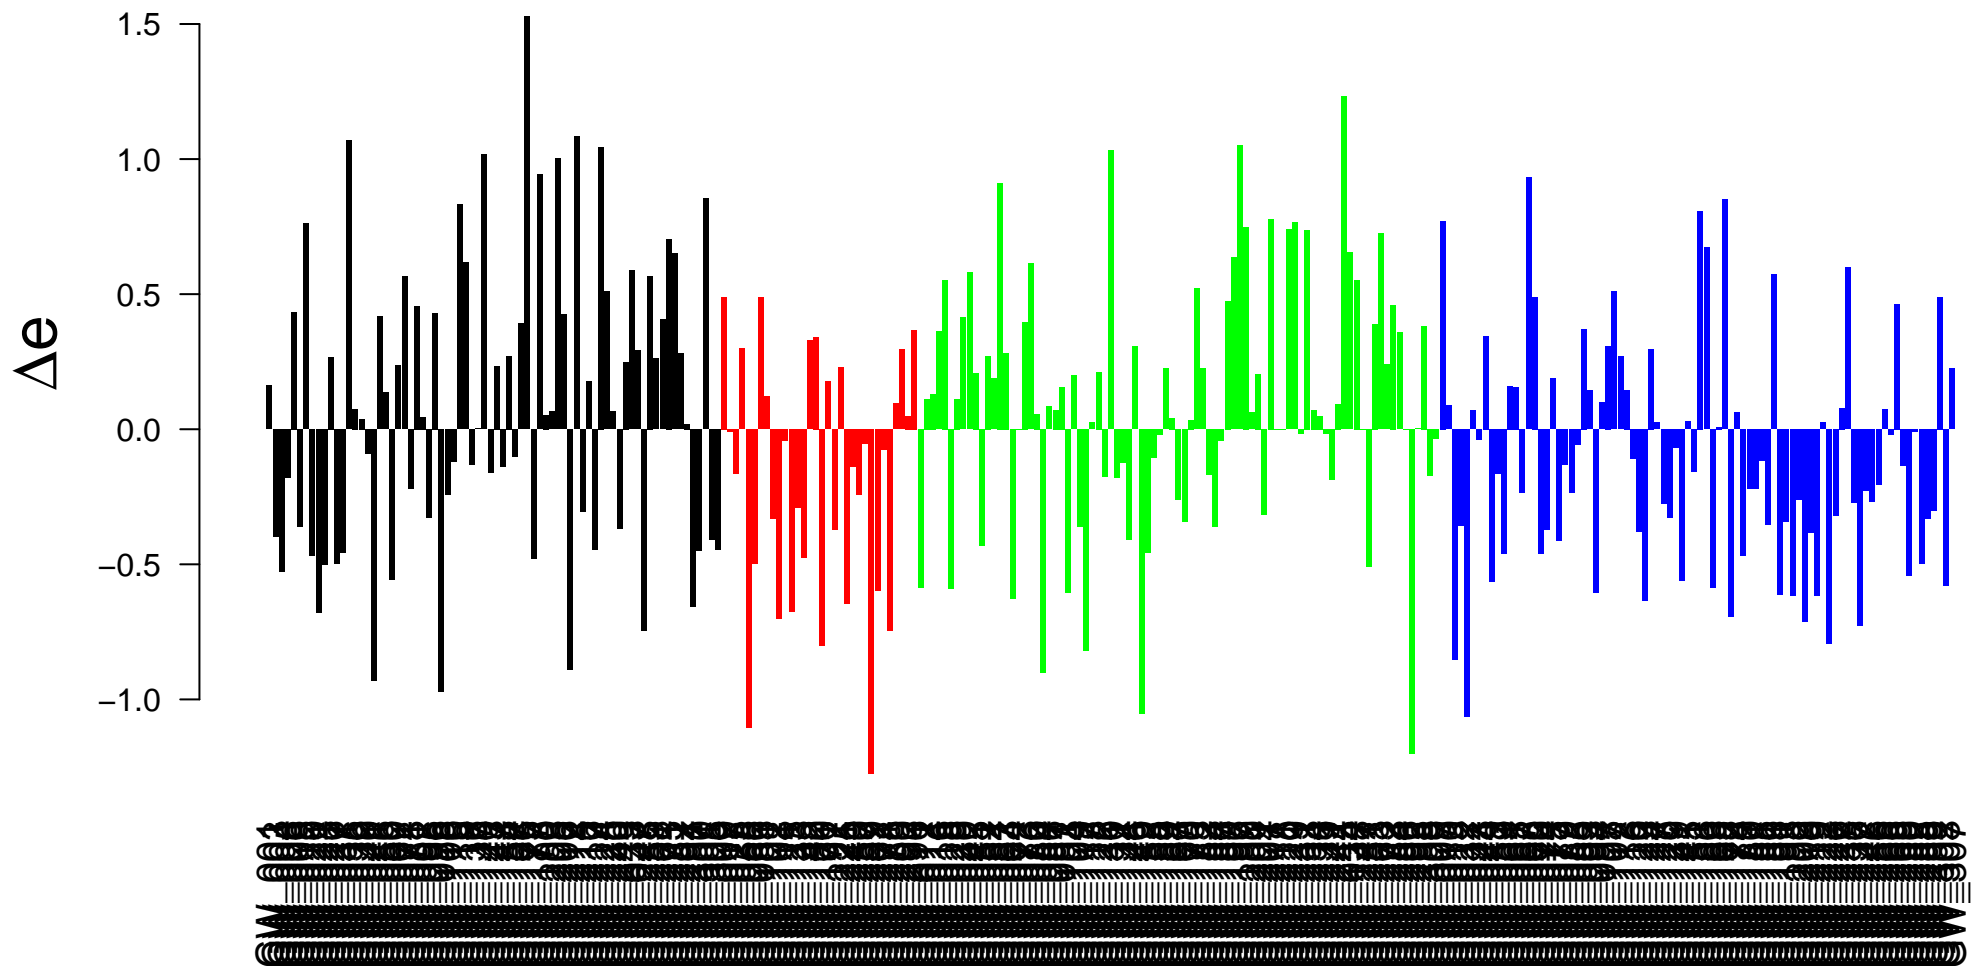

Expression of purine nucleobase metabolic process in Spot D

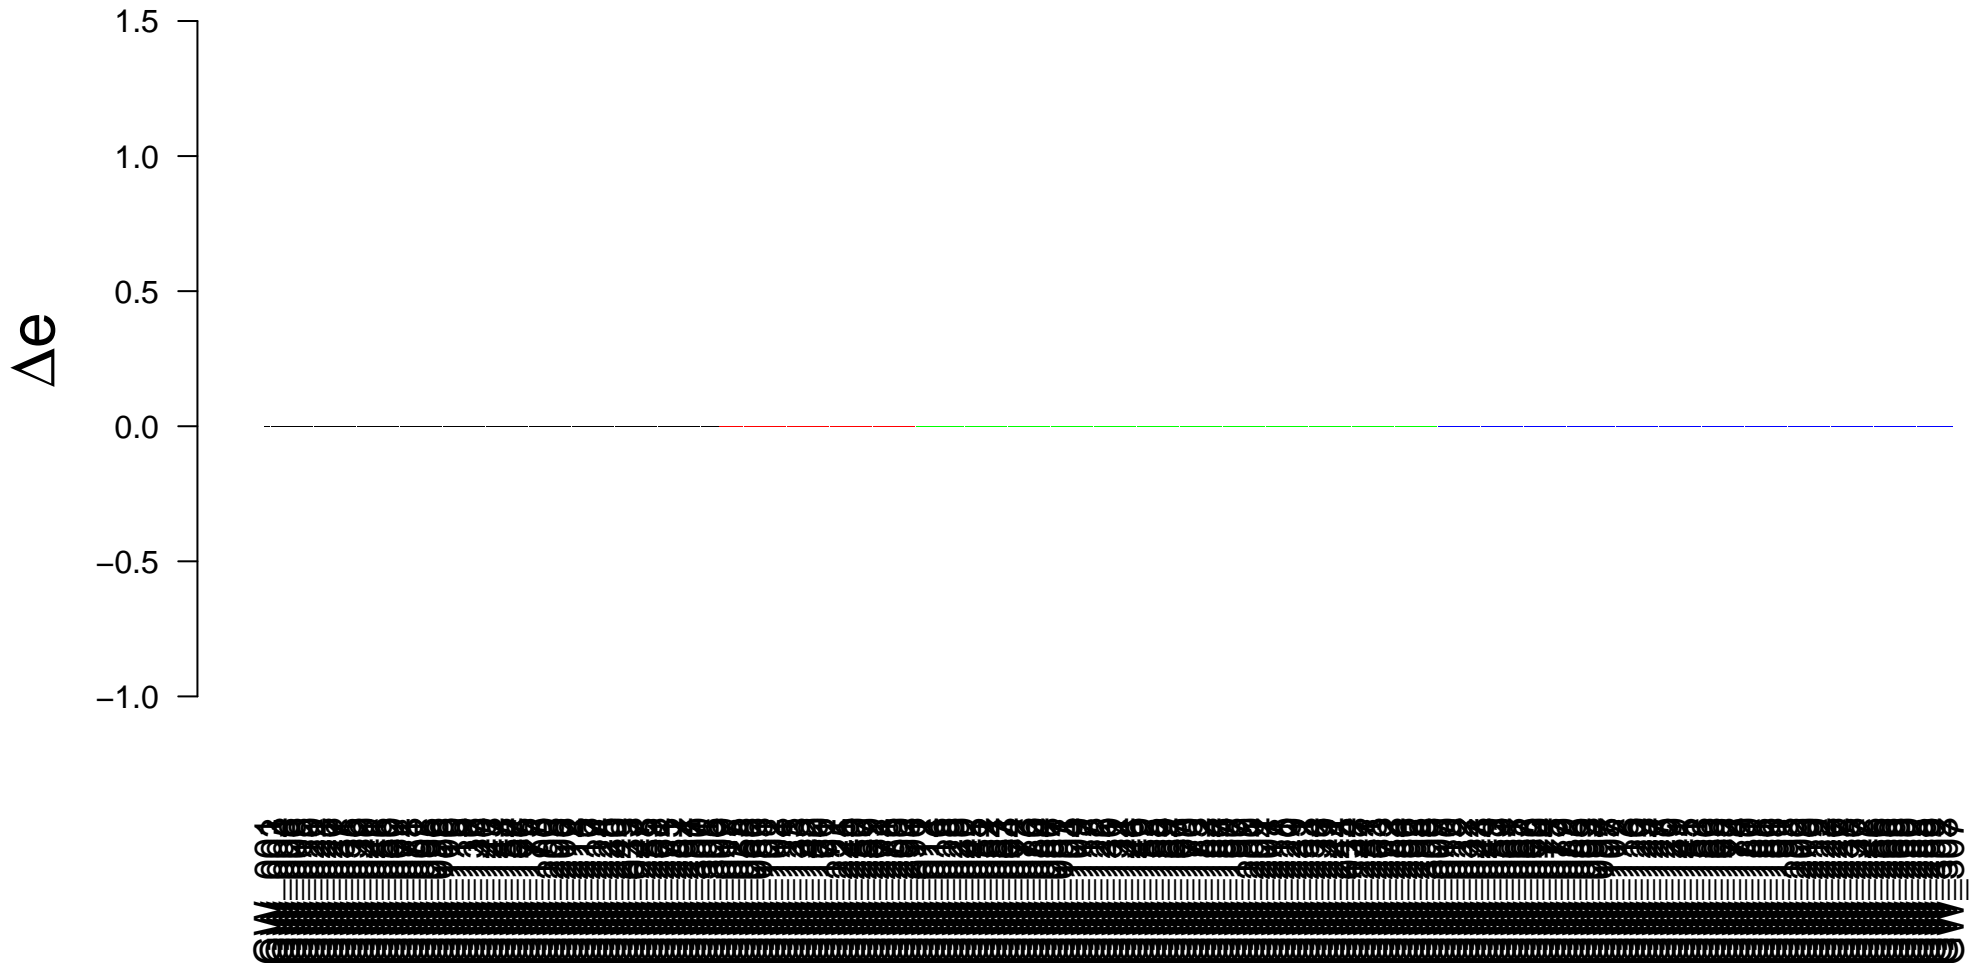

Expression of purine nucleobase metabolic process in Spot E

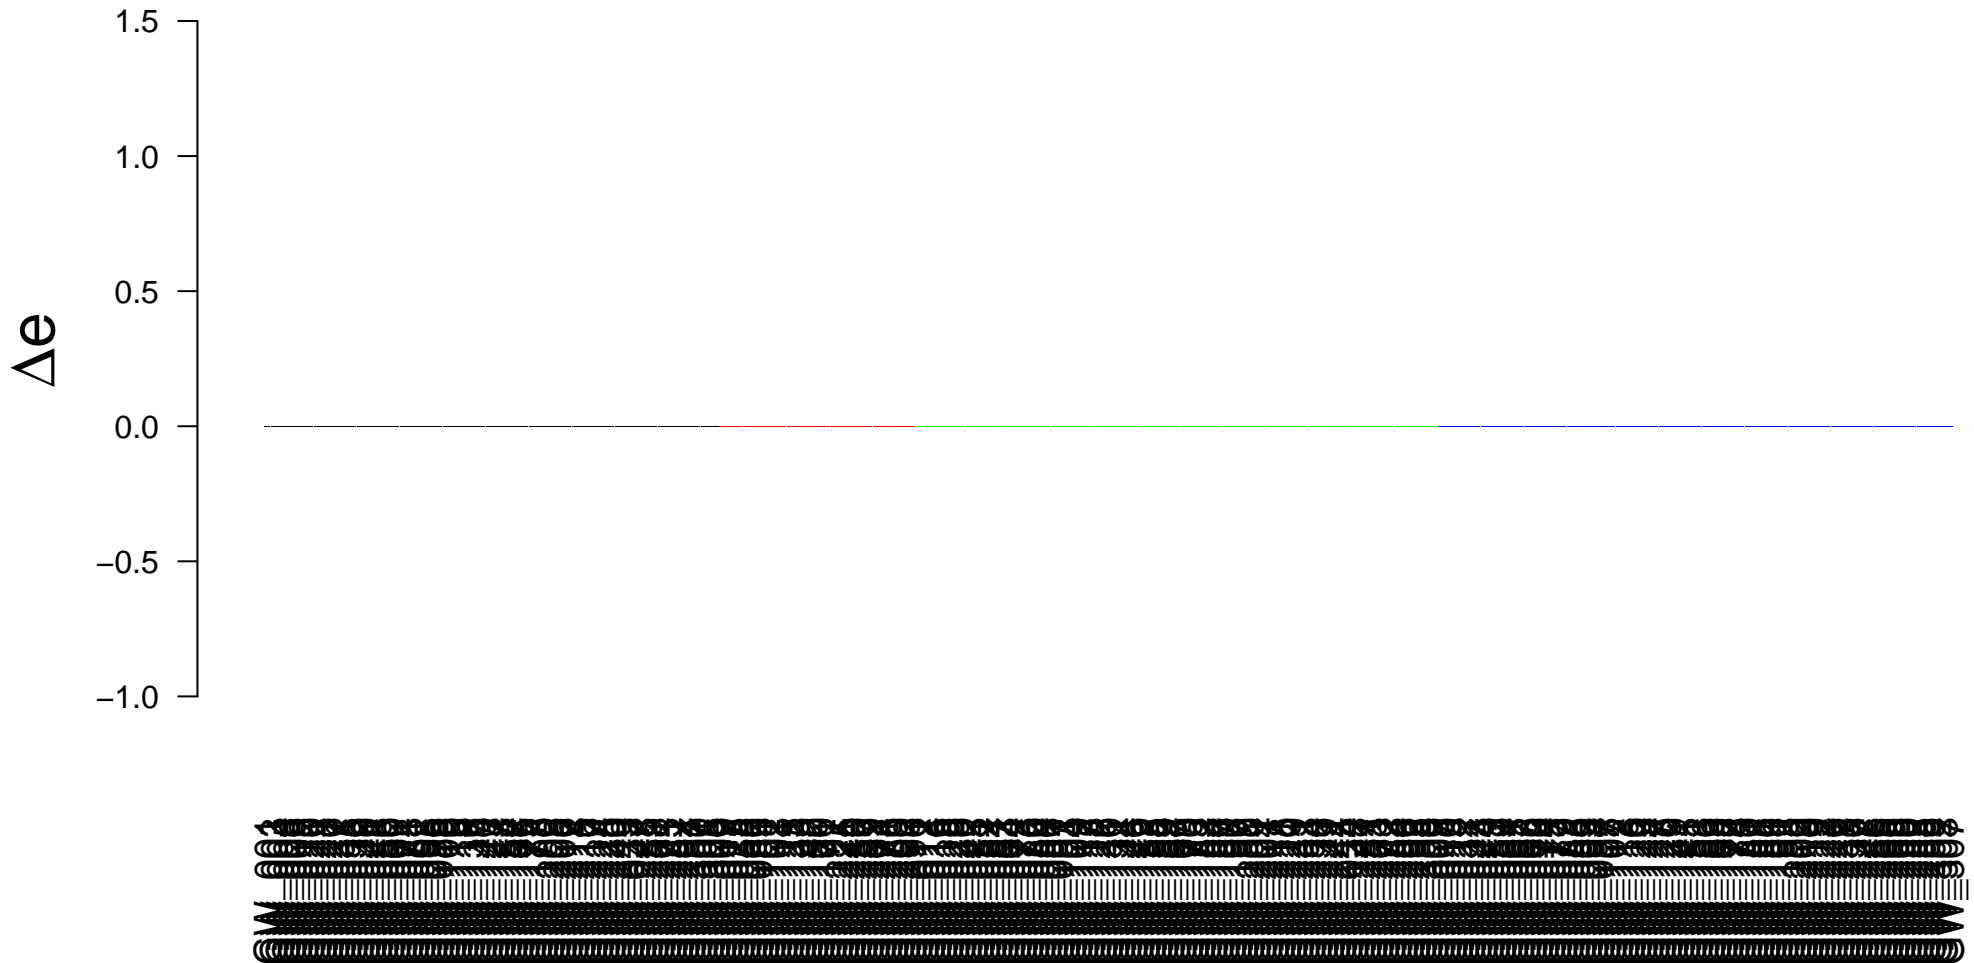

Expression of purine nucleobase metabolic process in Spot F

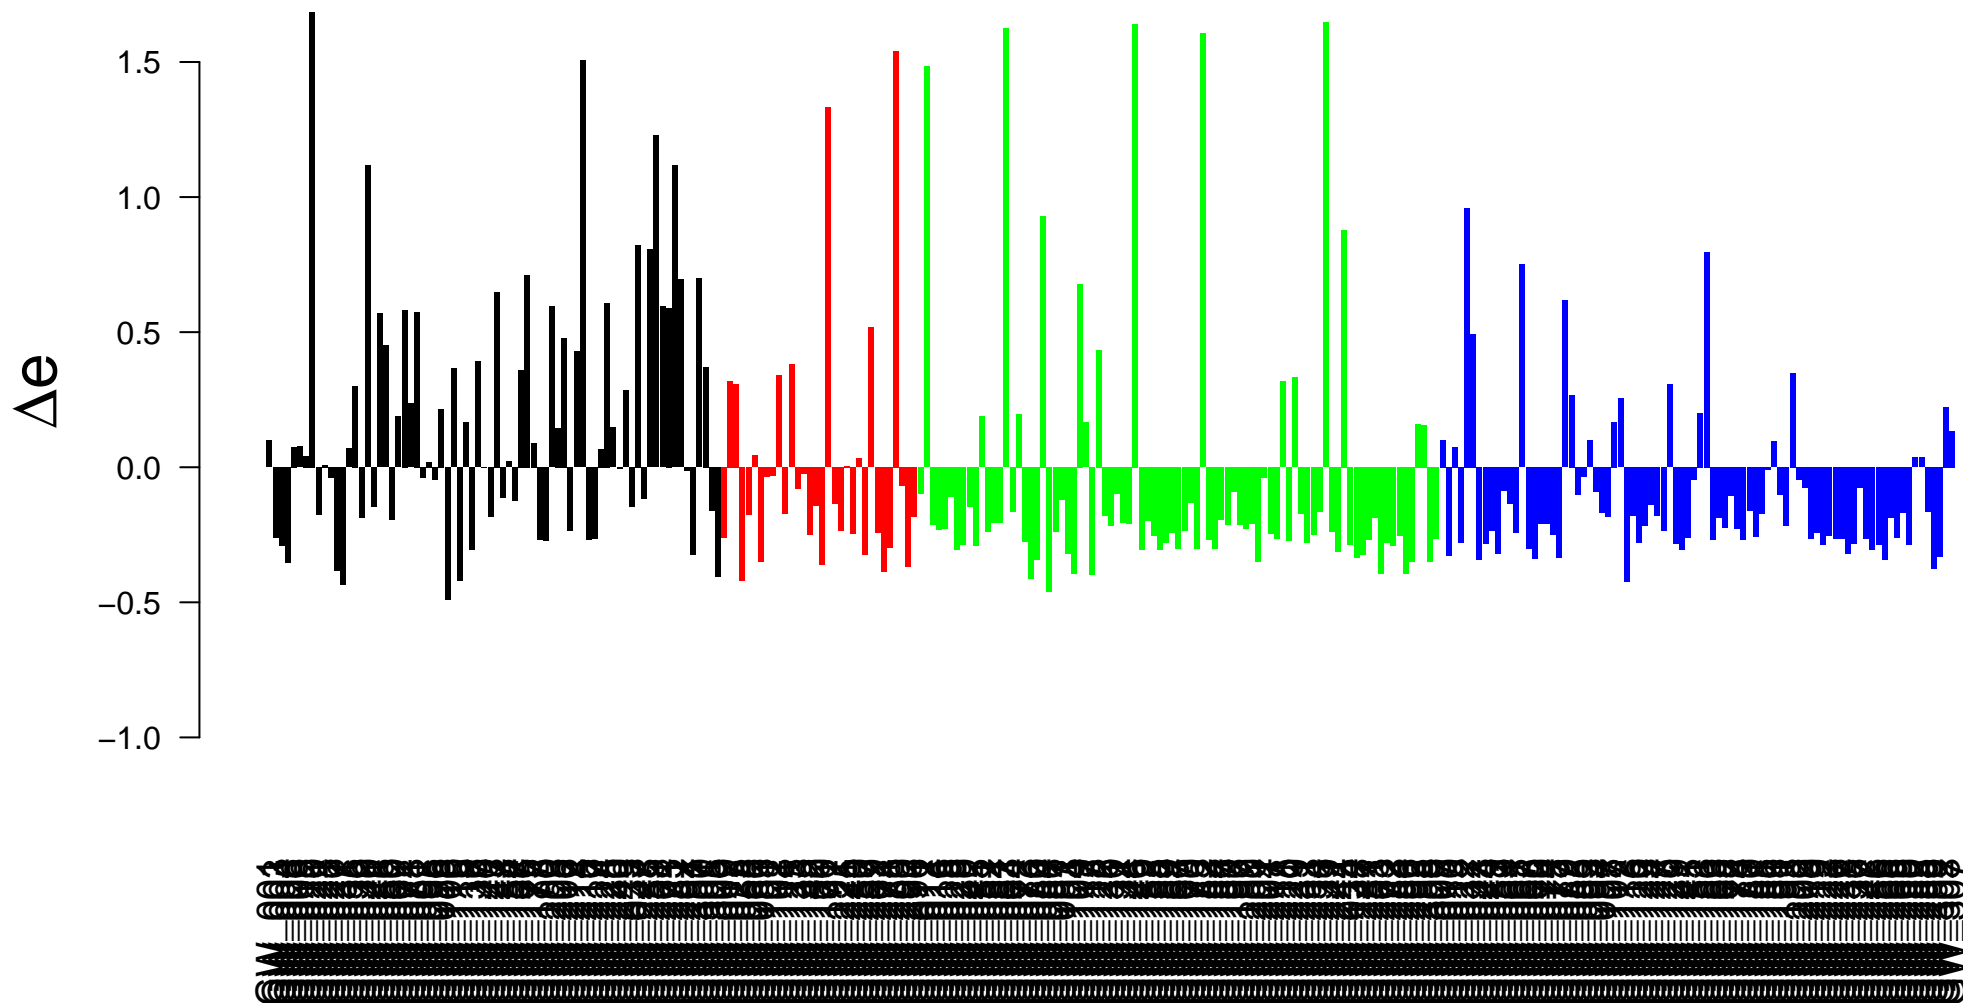

Expression of purine nucleobase metabolic process in Spot G

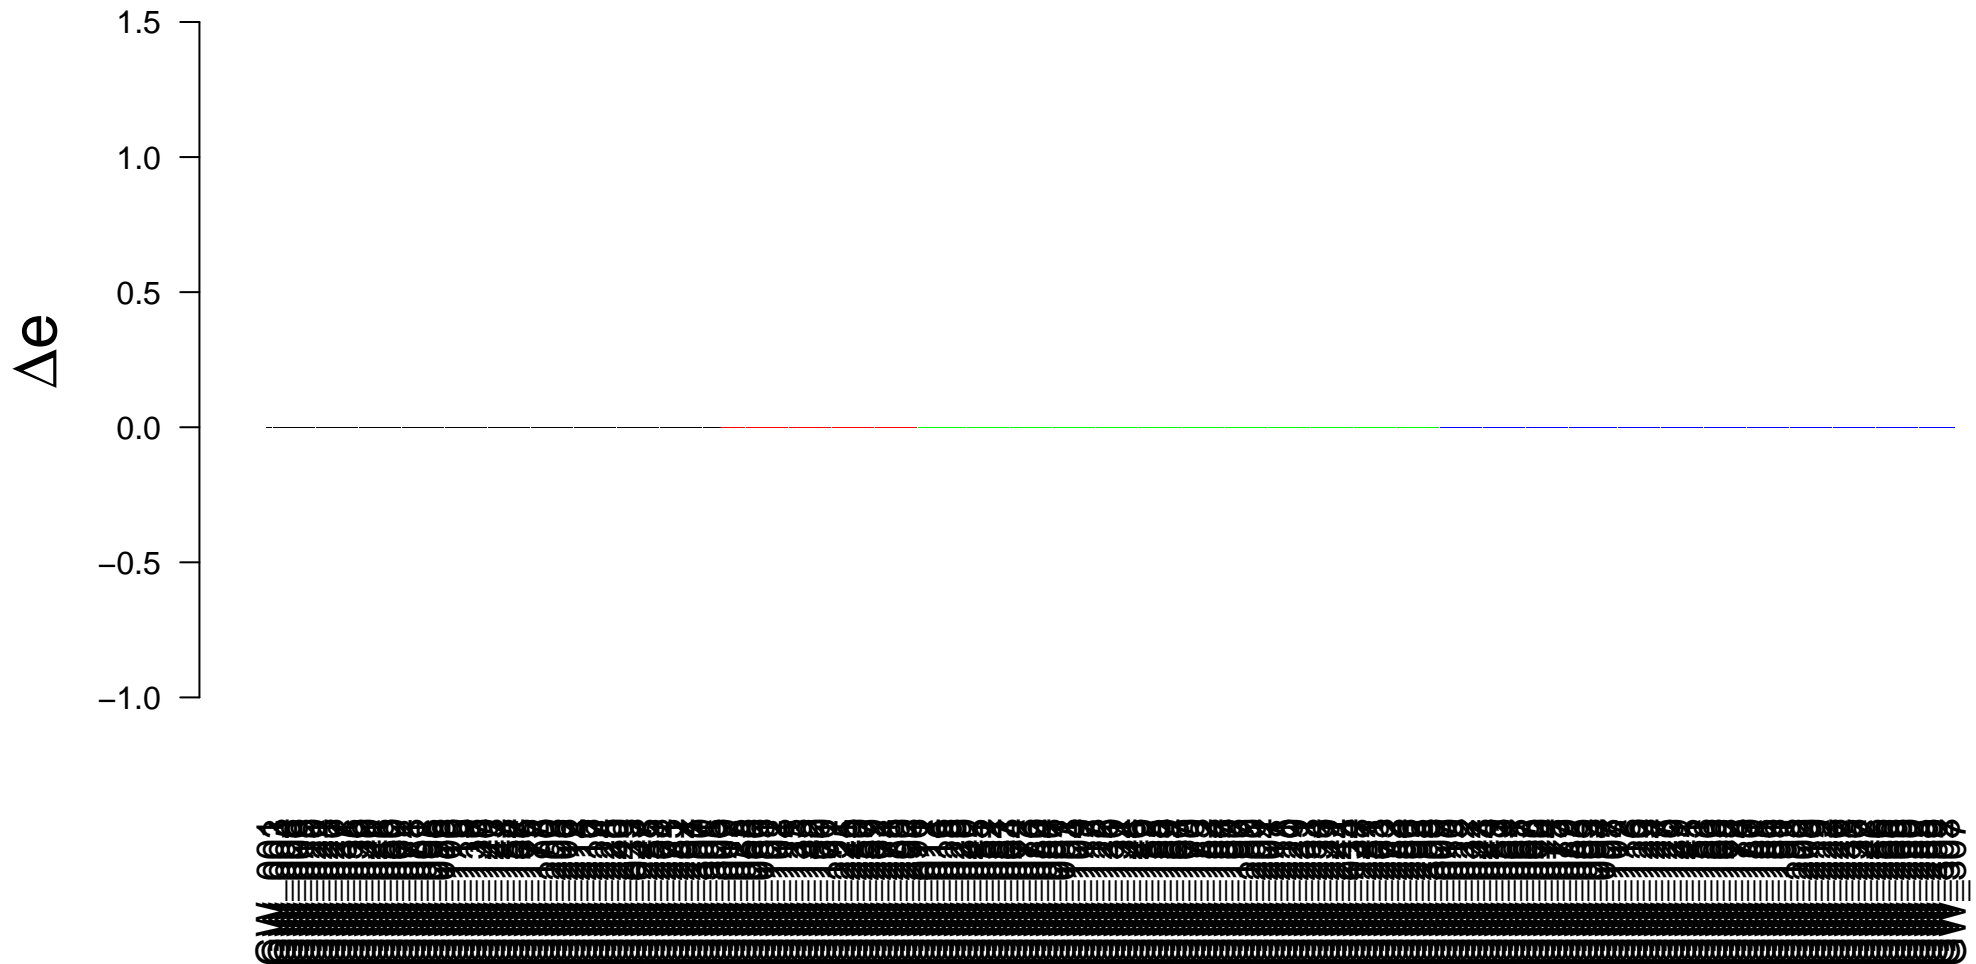

Expression of purine nucleobase metabolic process in Spot H

Expression of purine nucleobase metabolic process in Spot I

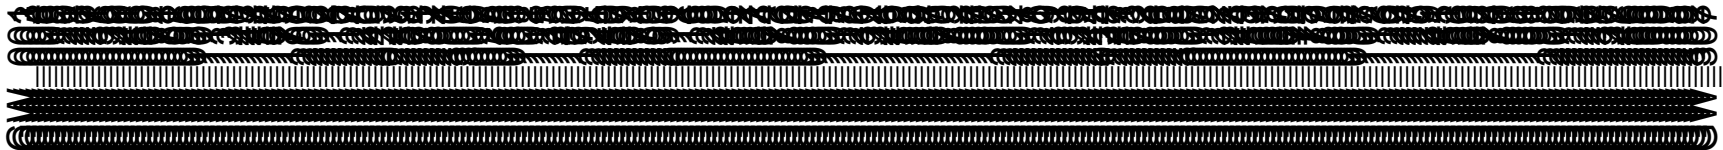

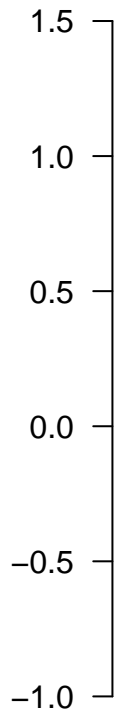

Expression of purine nucleobase metabolic process in Spot J

Expression of purine nucleobase metabolic process in Spot K

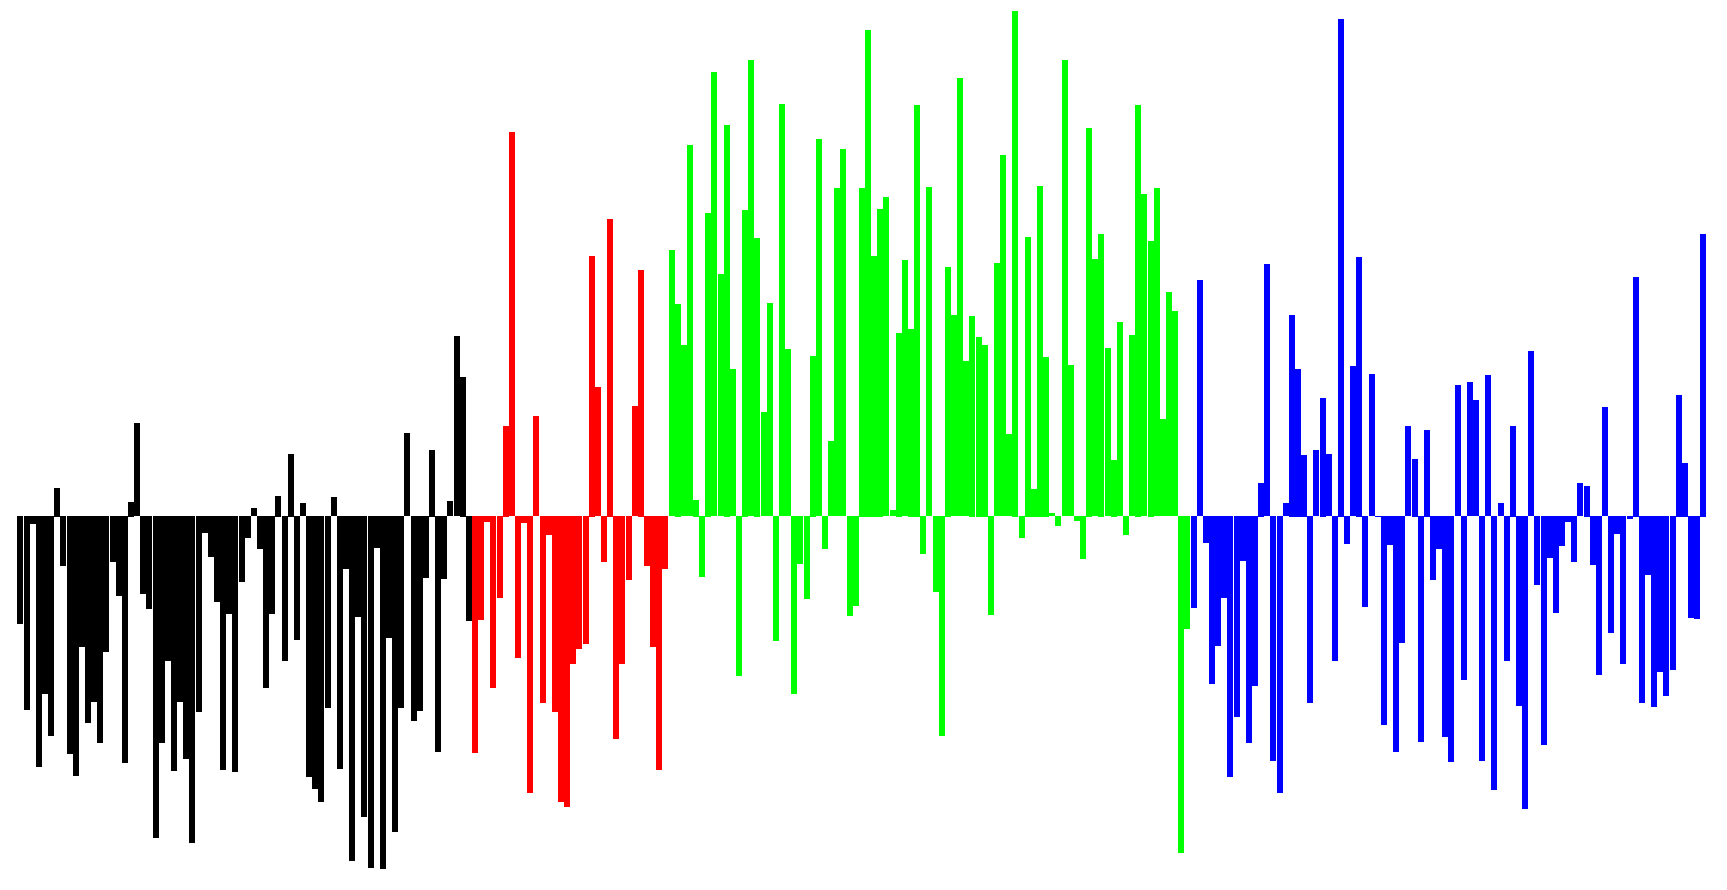

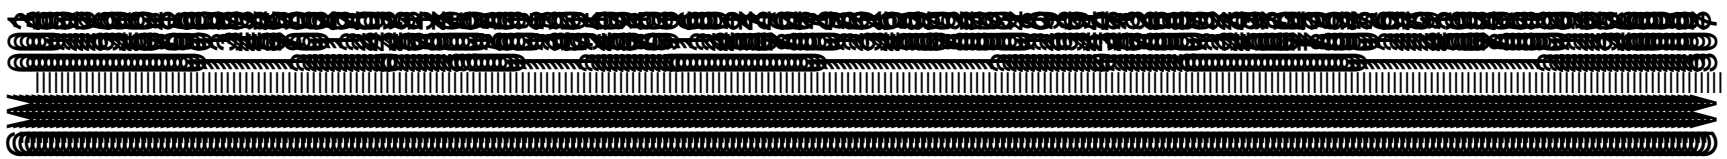

Δe

Expression of purine nucleobase metabolic process in Spot L
