

reactive oxygen species metabolic process

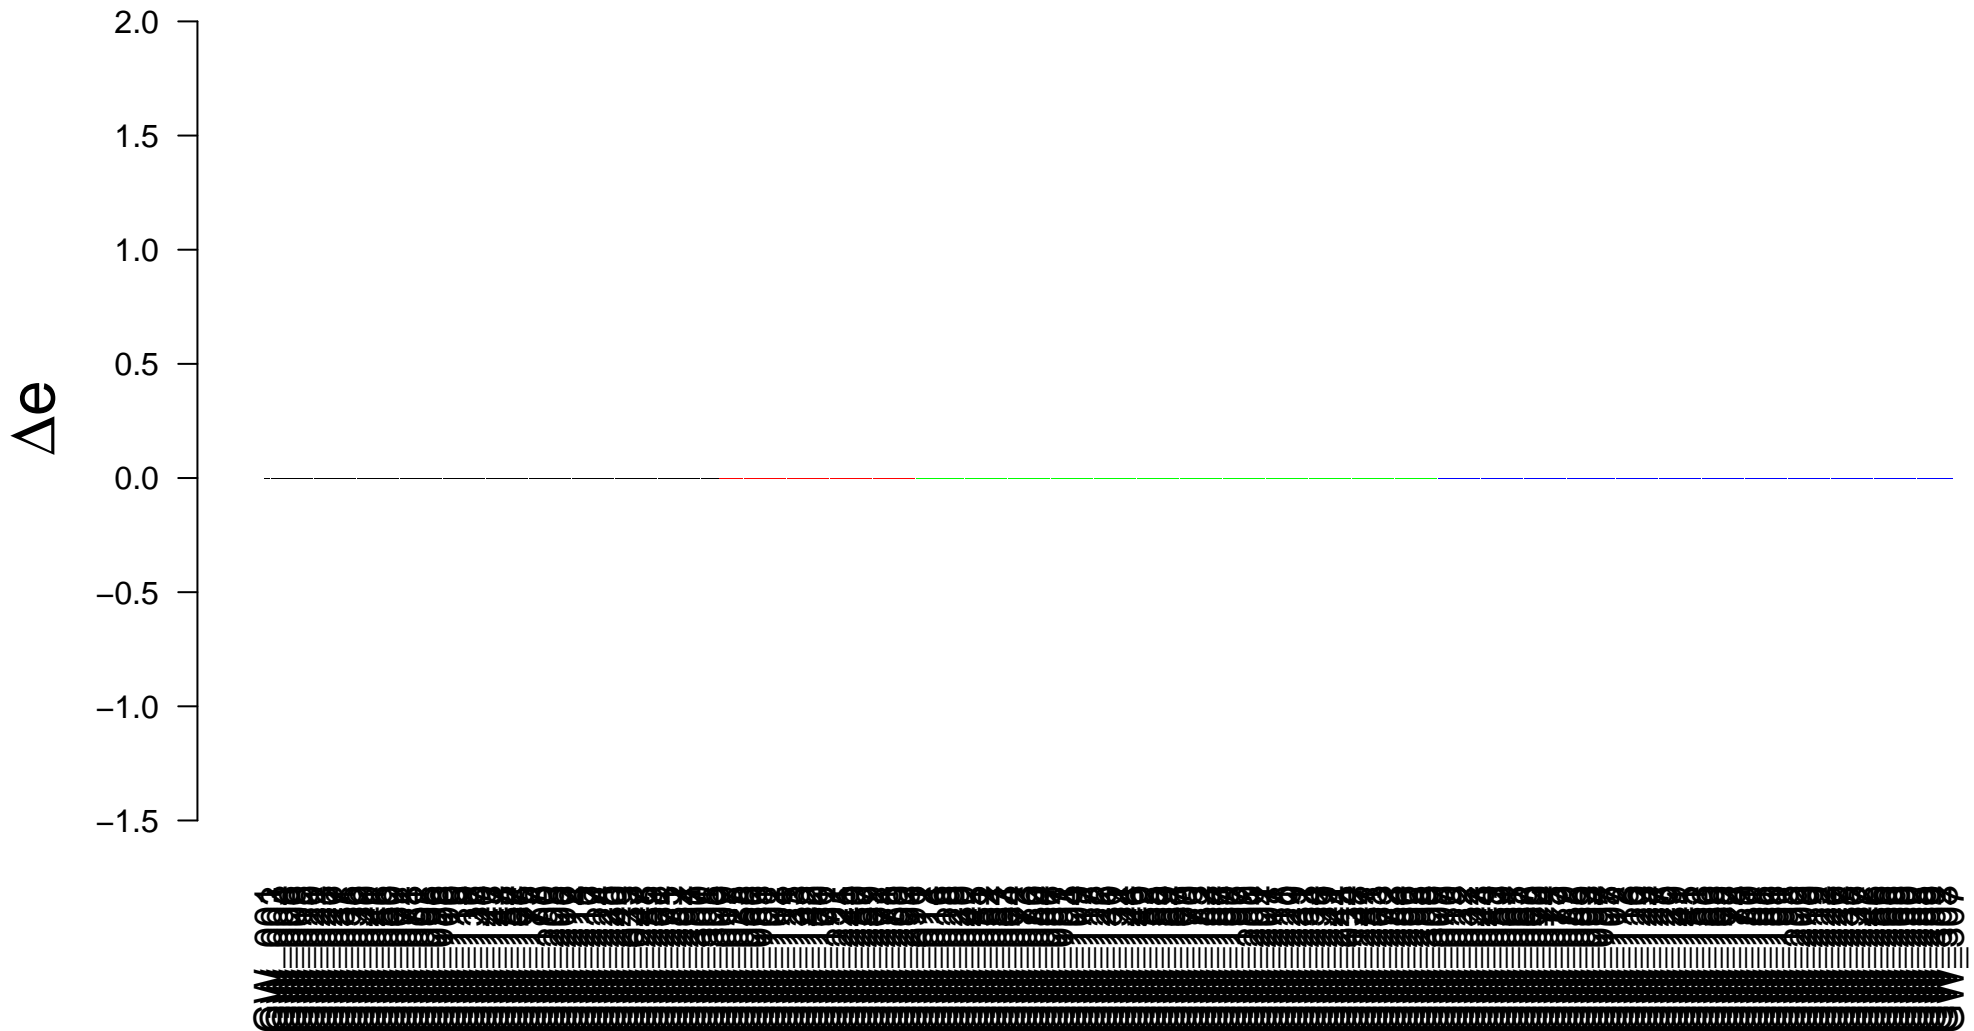

# reactive oxygen species metabolic process

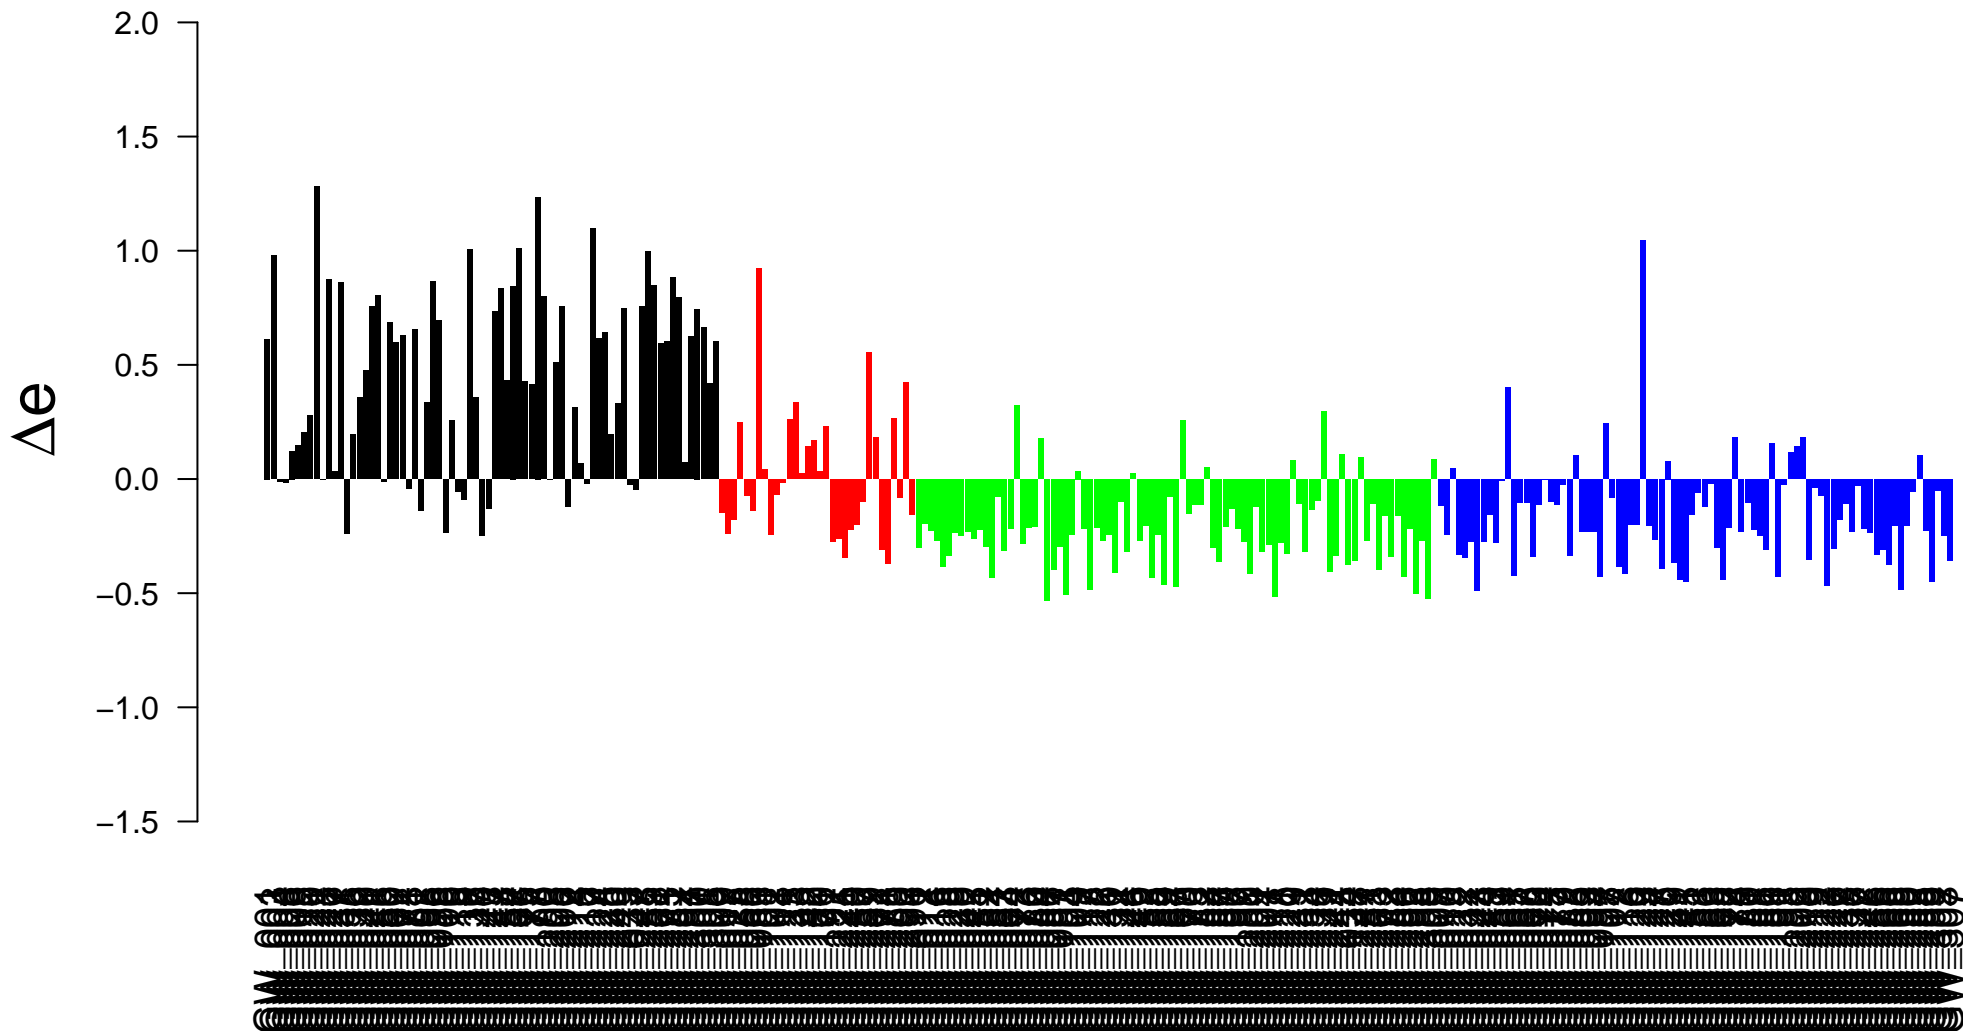

# Enrichment in spots: reactive oxygen species metabolic process

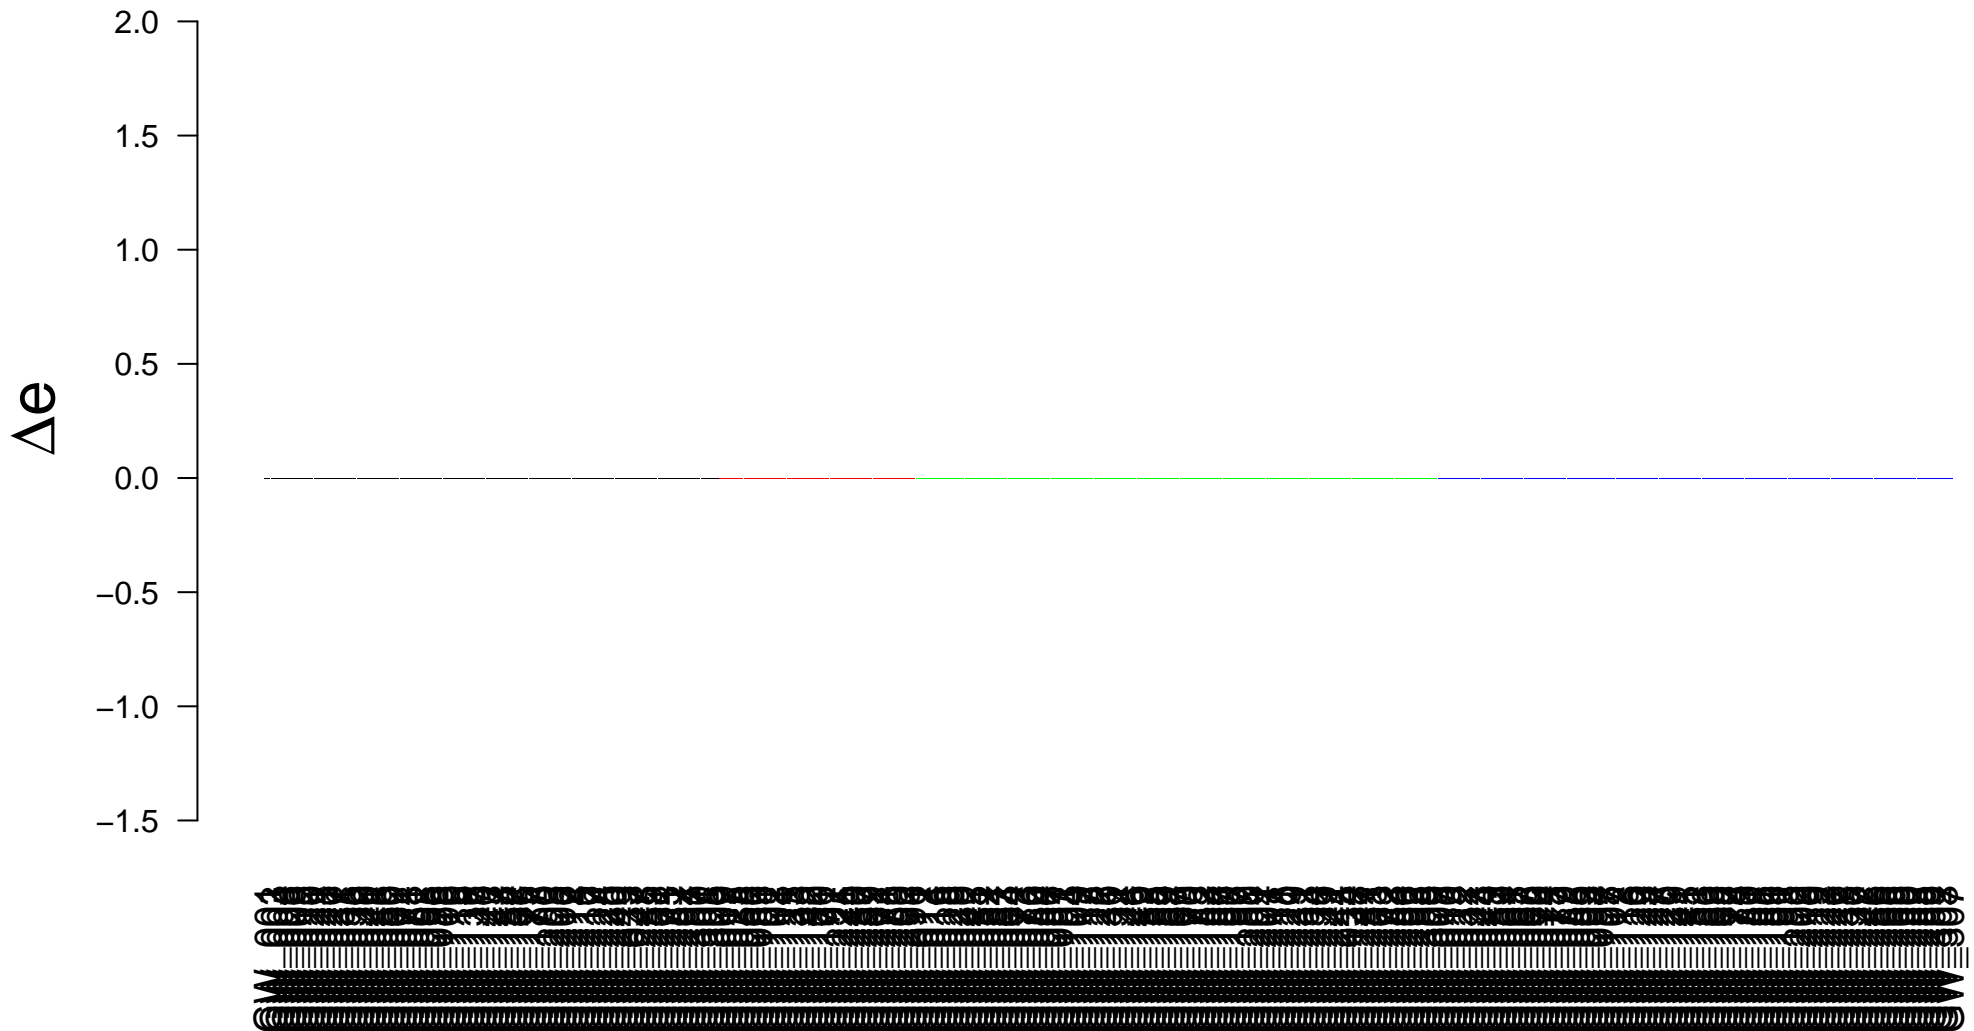

# Expression of reactive oxygen species metabolic process in Spot A

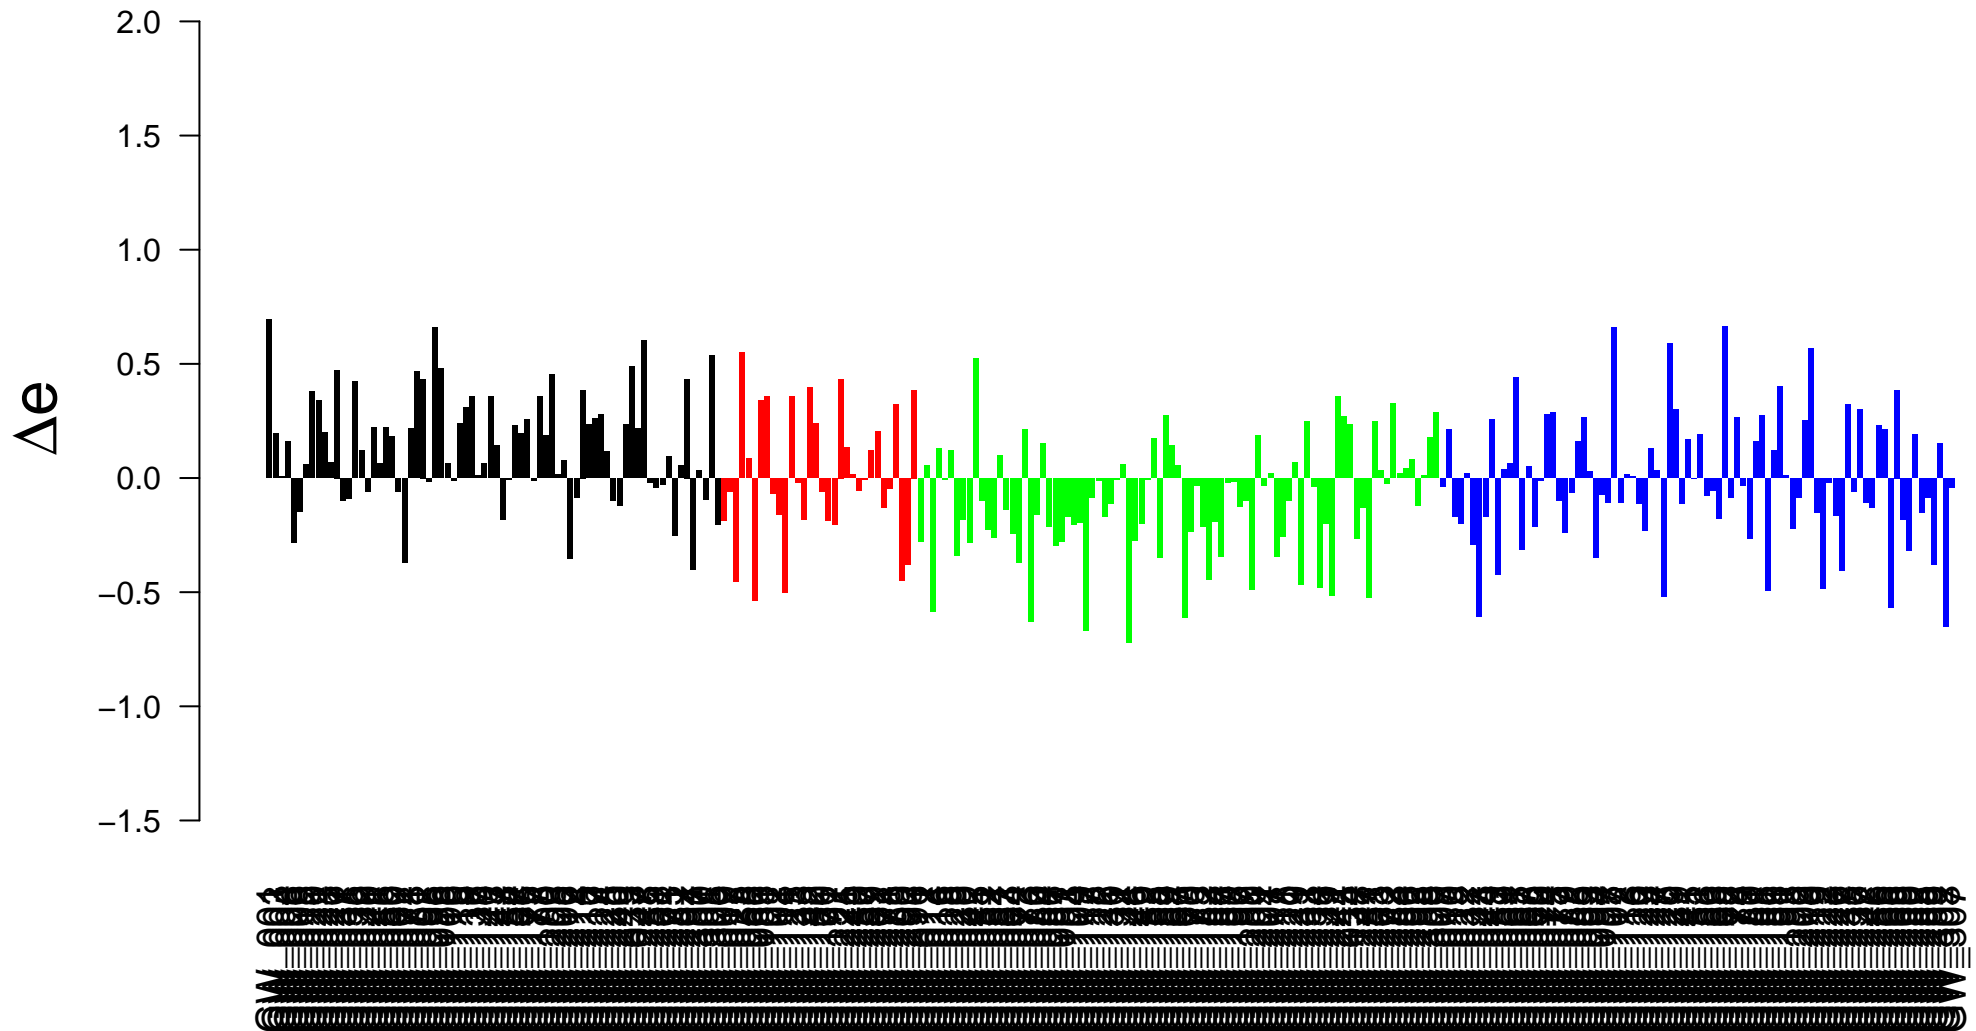

# Expression of reactive oxygen species metabolic process in Spot B

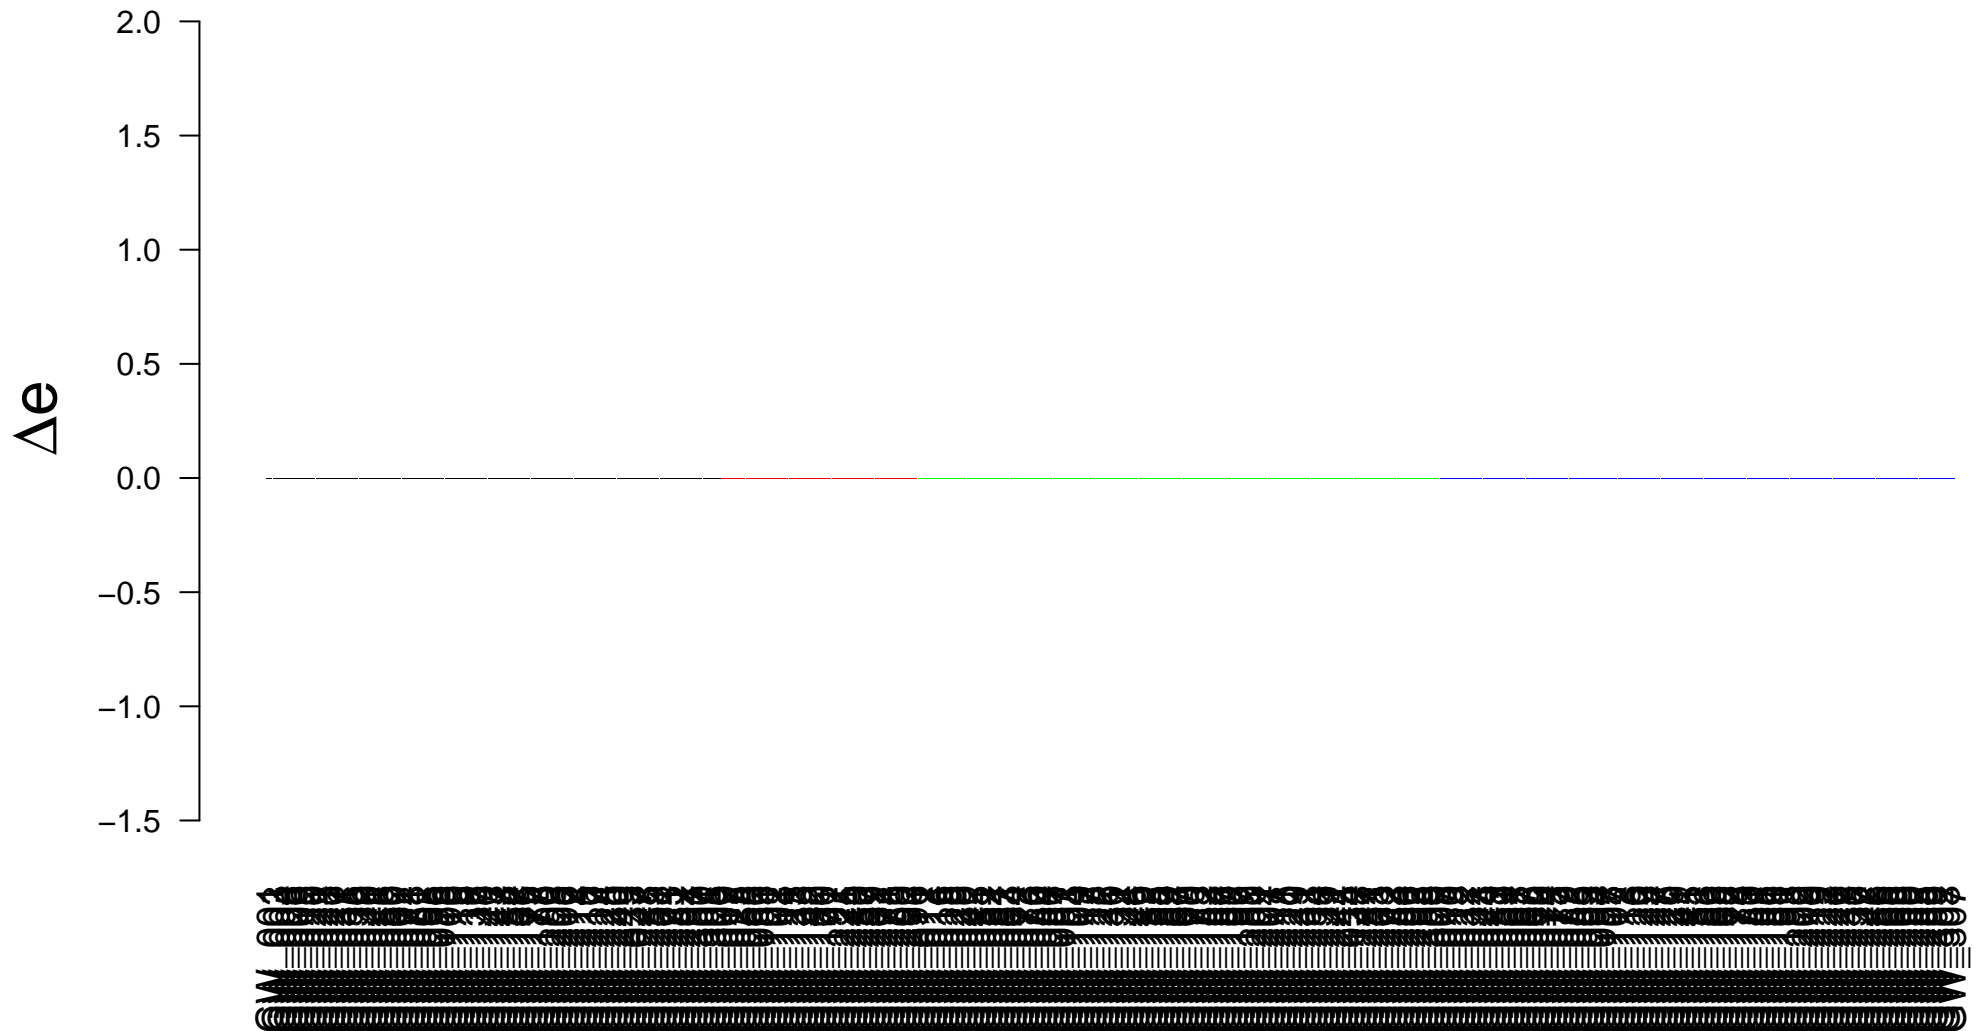

# Expression of reactive oxygen species metabolic process in Spot C

# Expression of reactive oxygen species metabolic process in Spot D

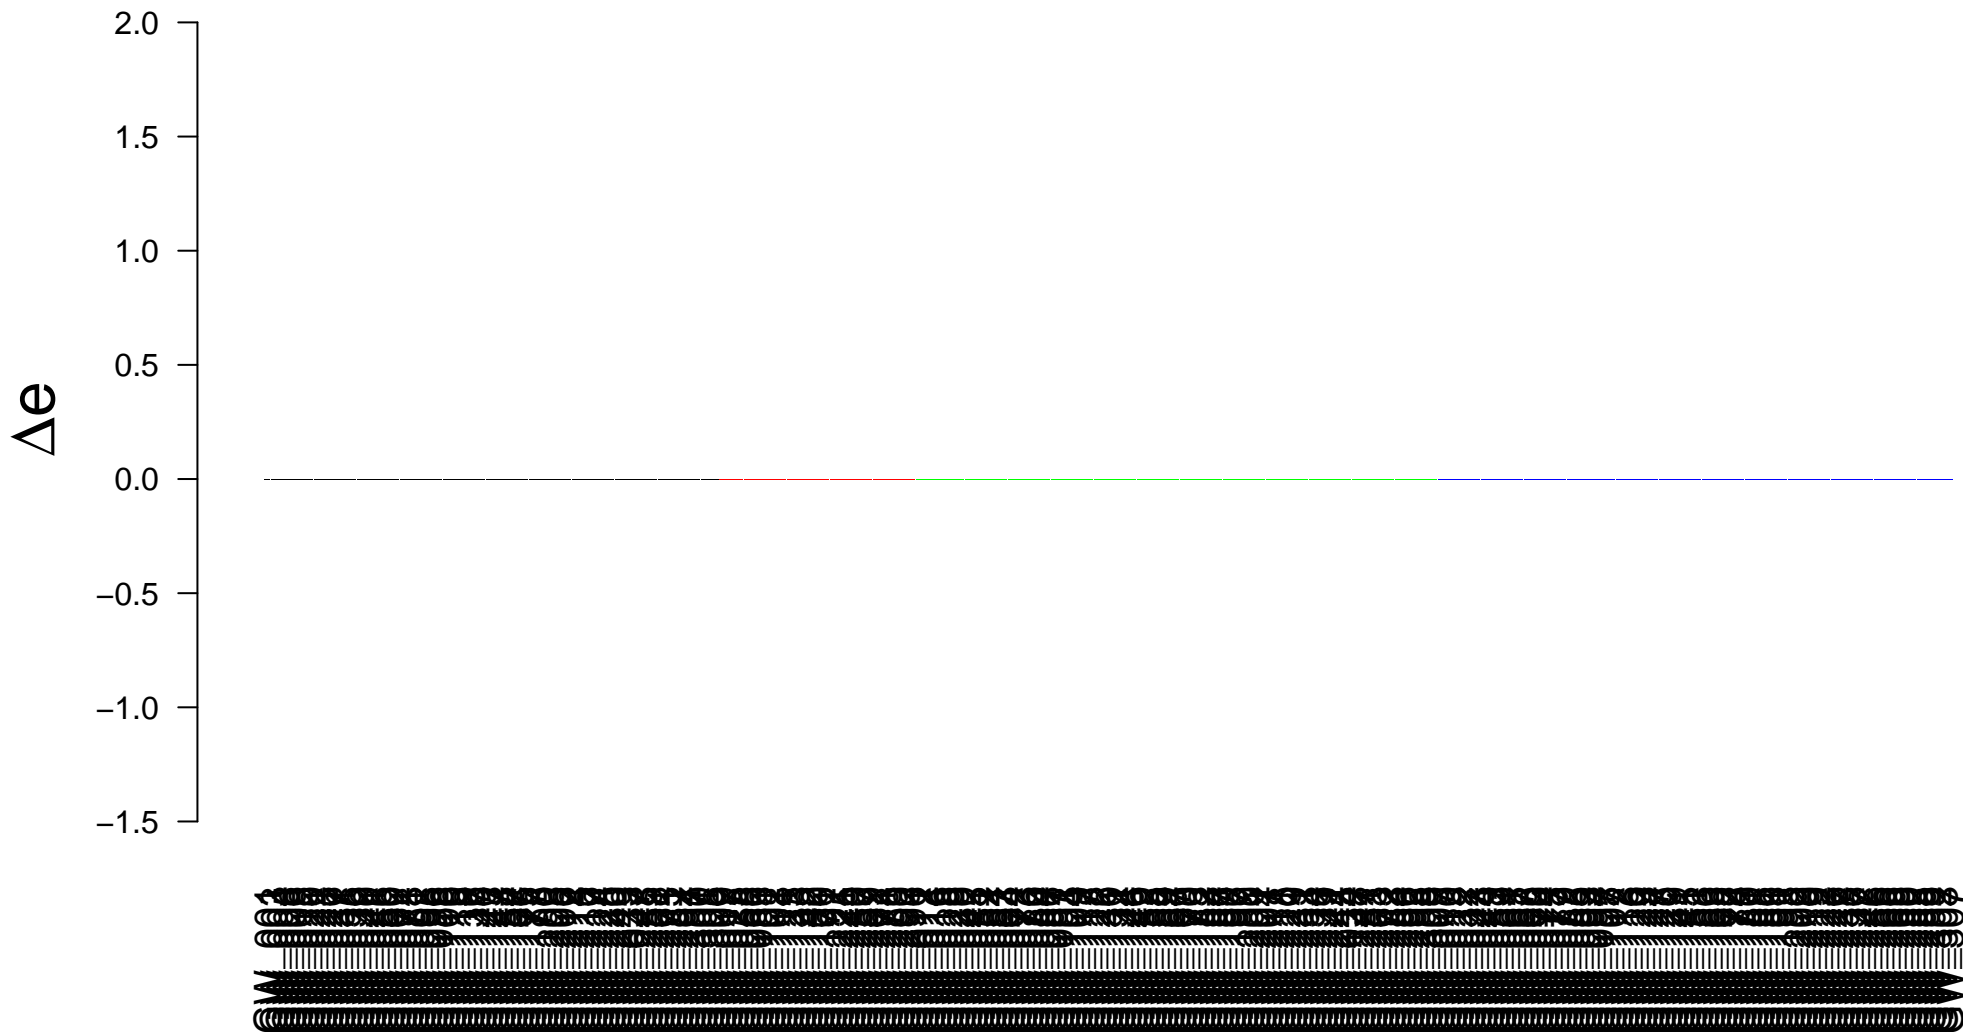

# Expression of reactive oxygen species metabolic process in Spot E

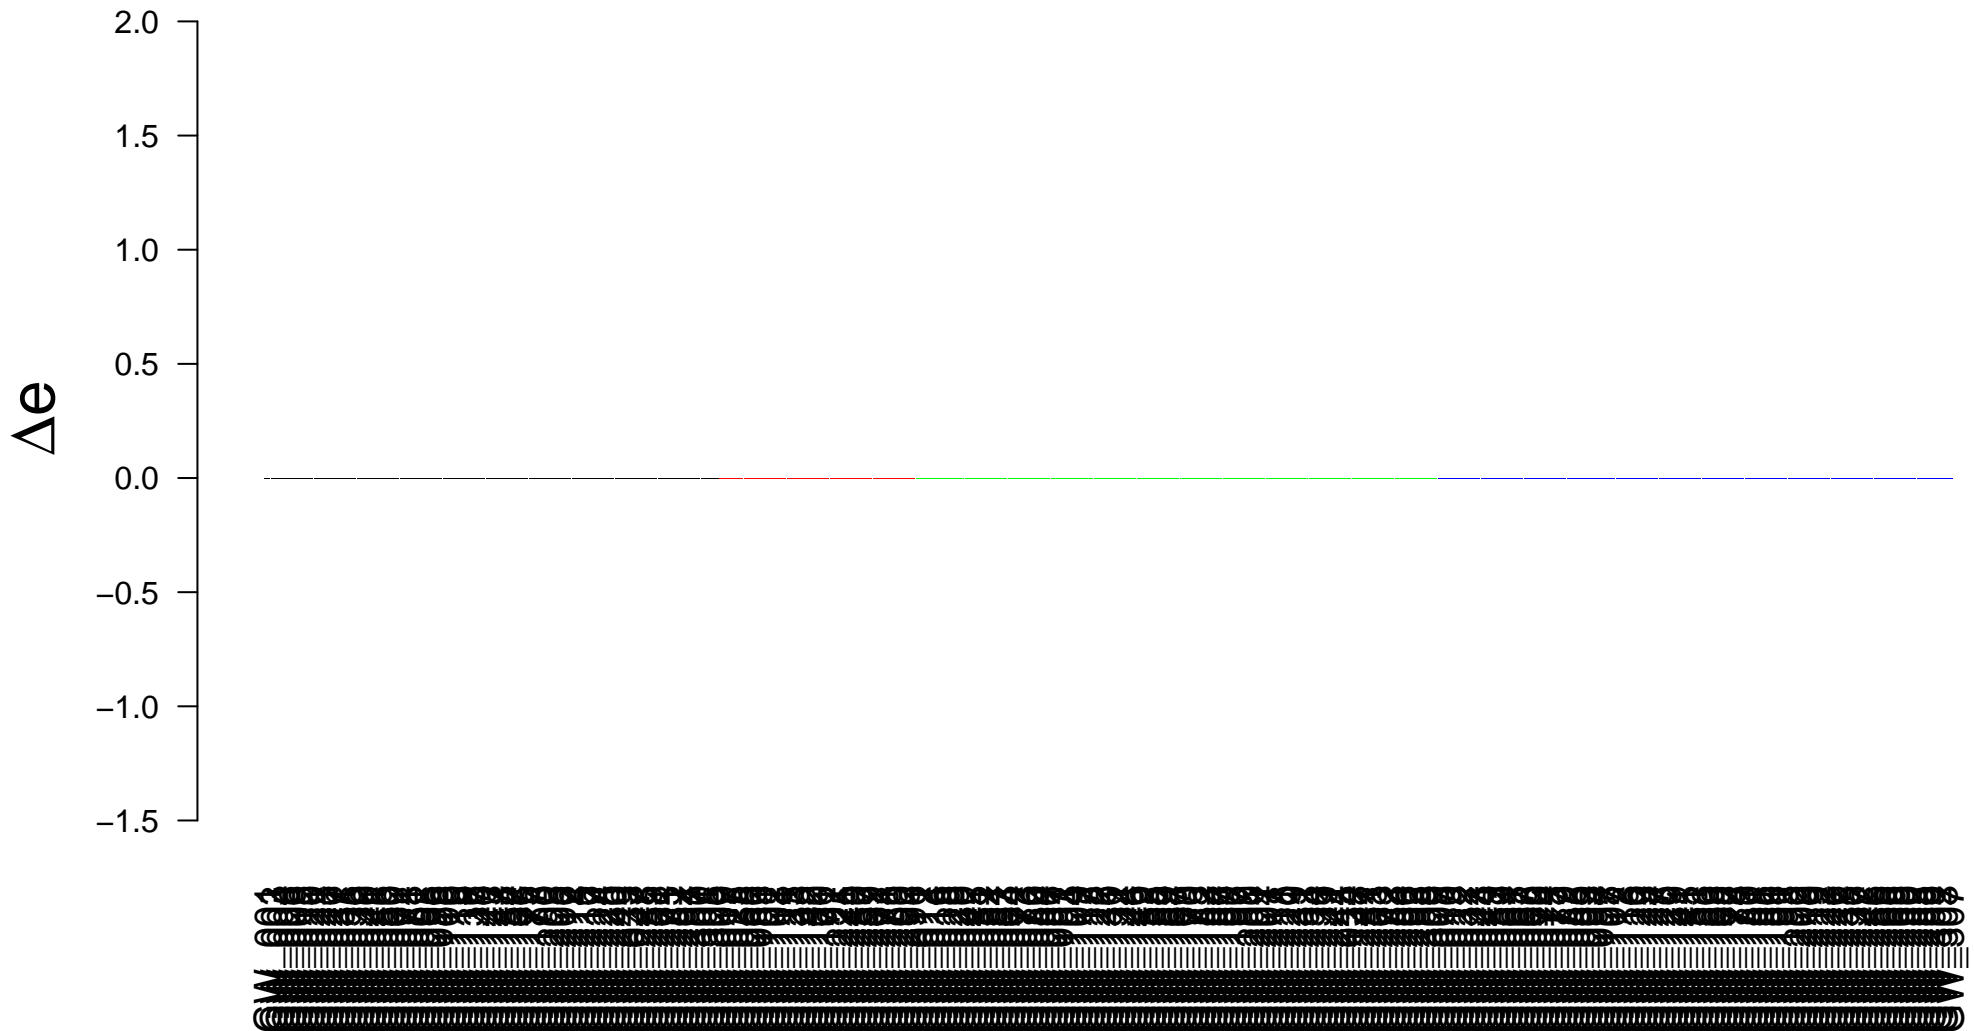

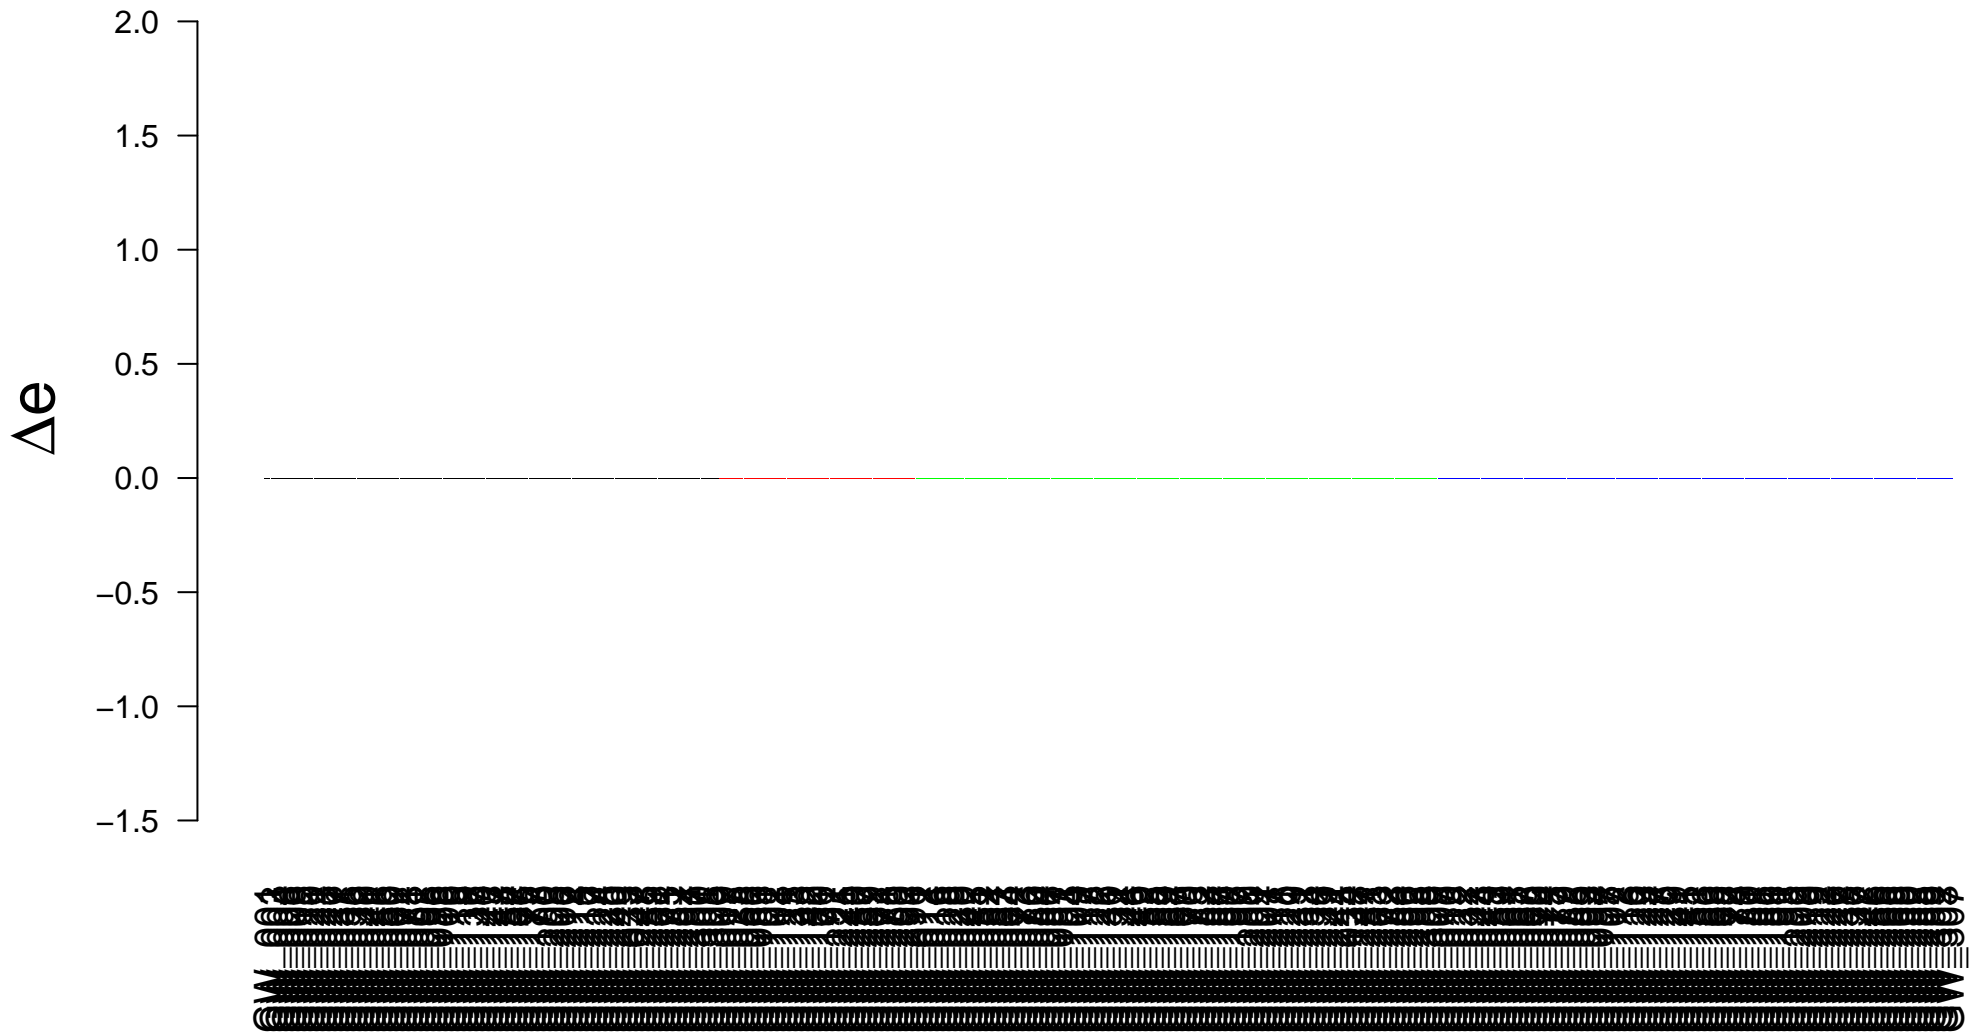

# Expression of reactive oxygen species metabolic process in Spot F

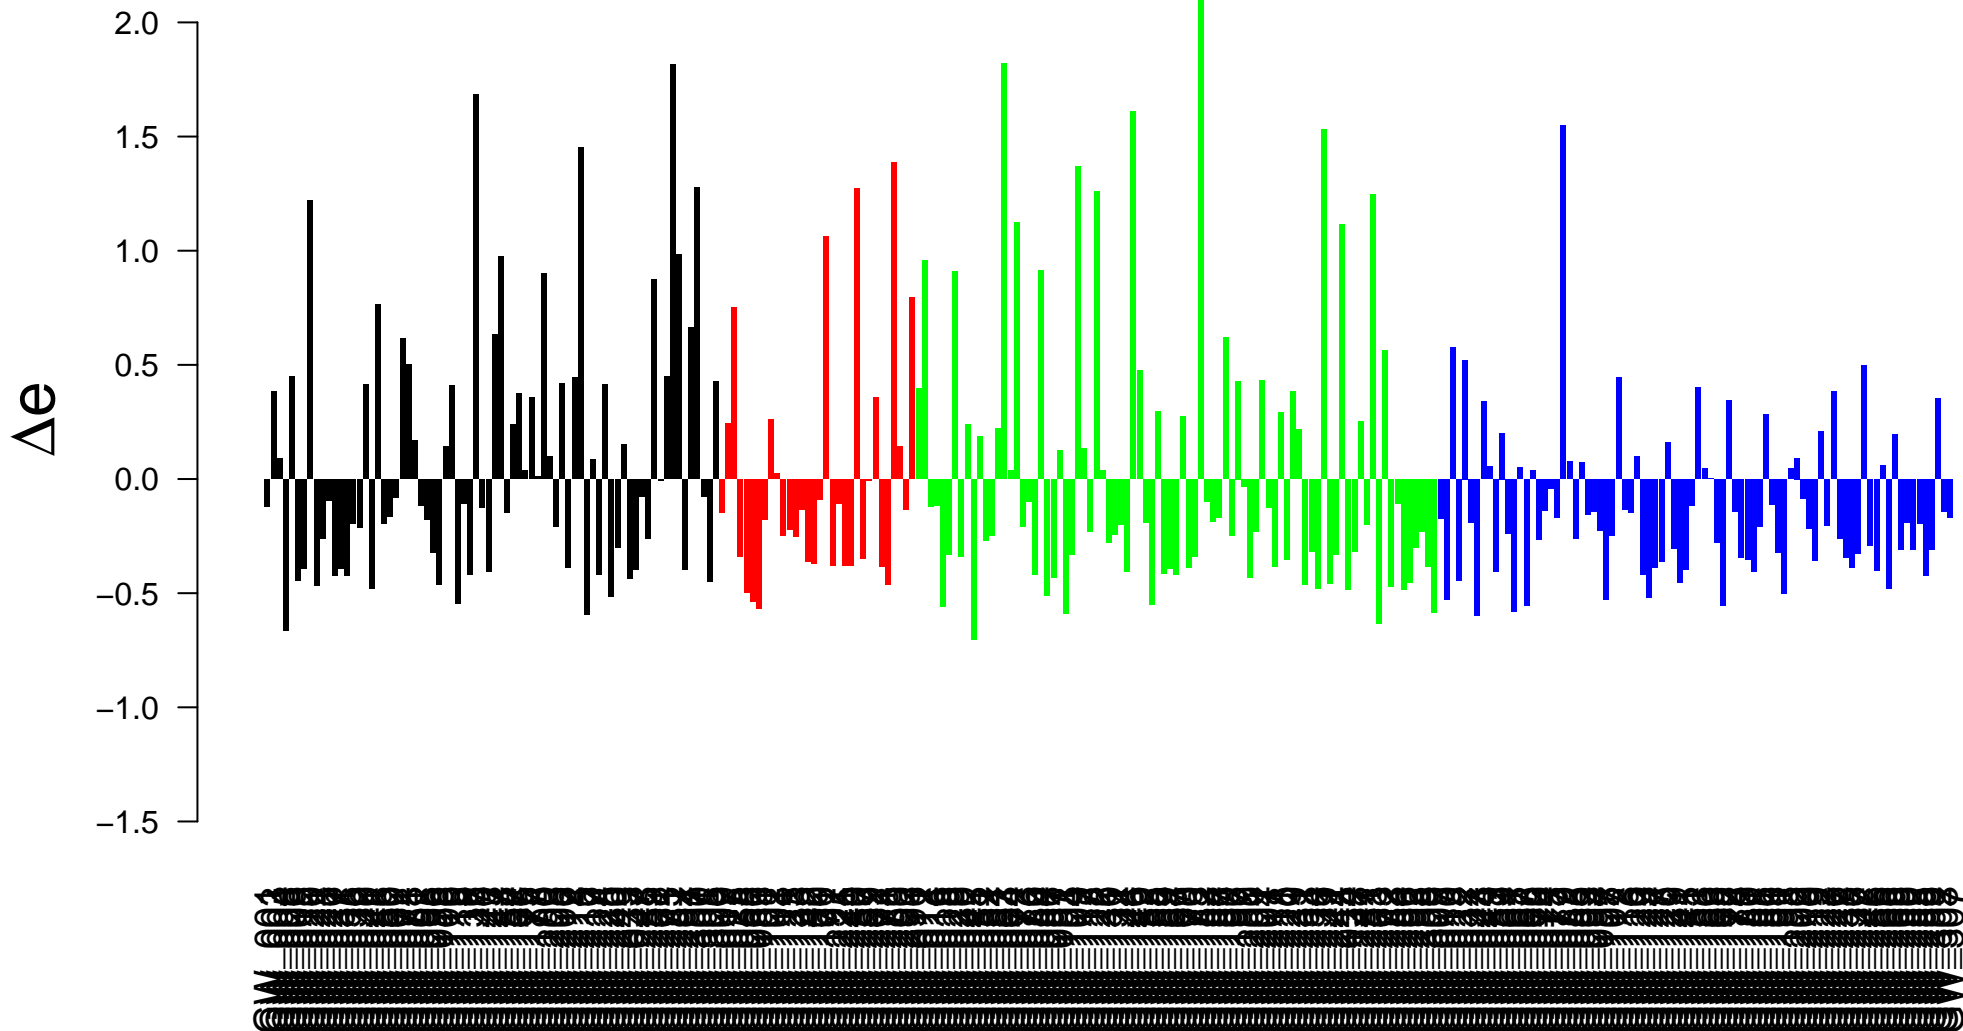

# Expression of reactive oxygen species metabolic process in Spot G

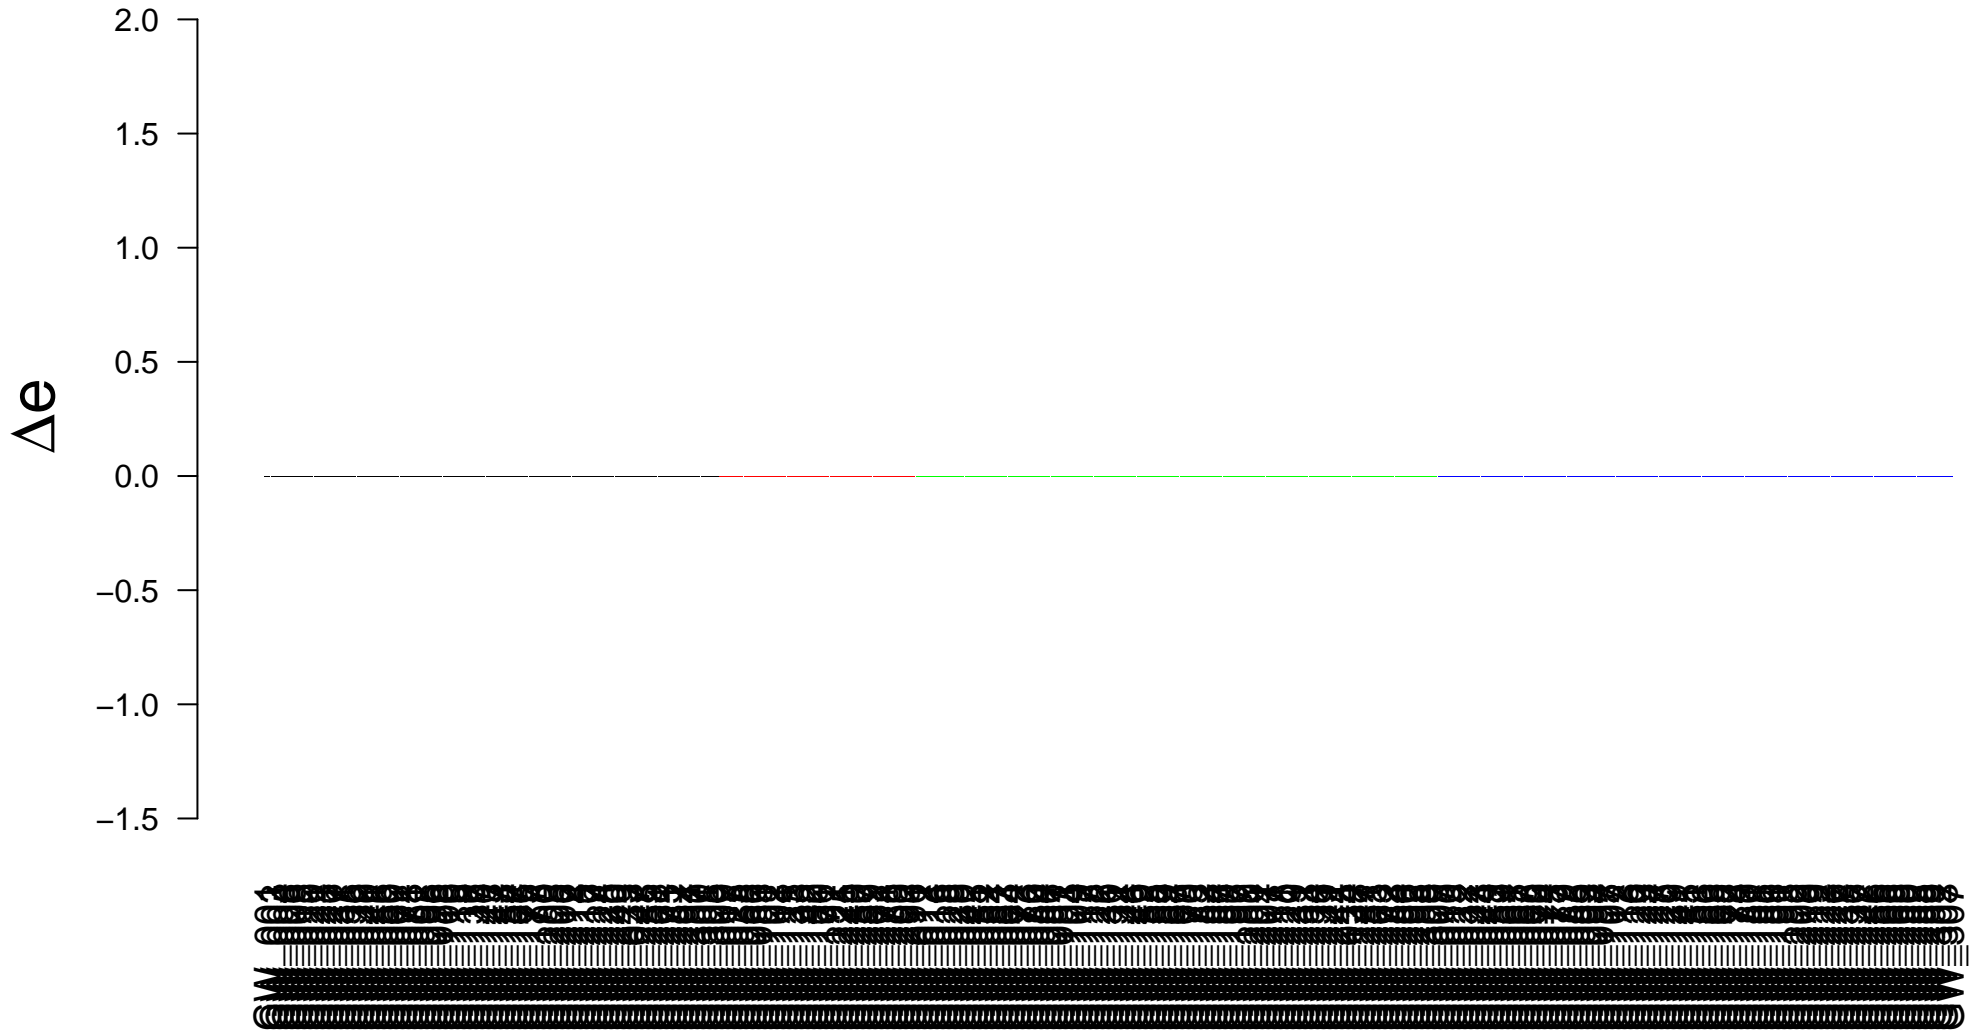

# Expression of reactive oxygen species metabolic process in Spot H

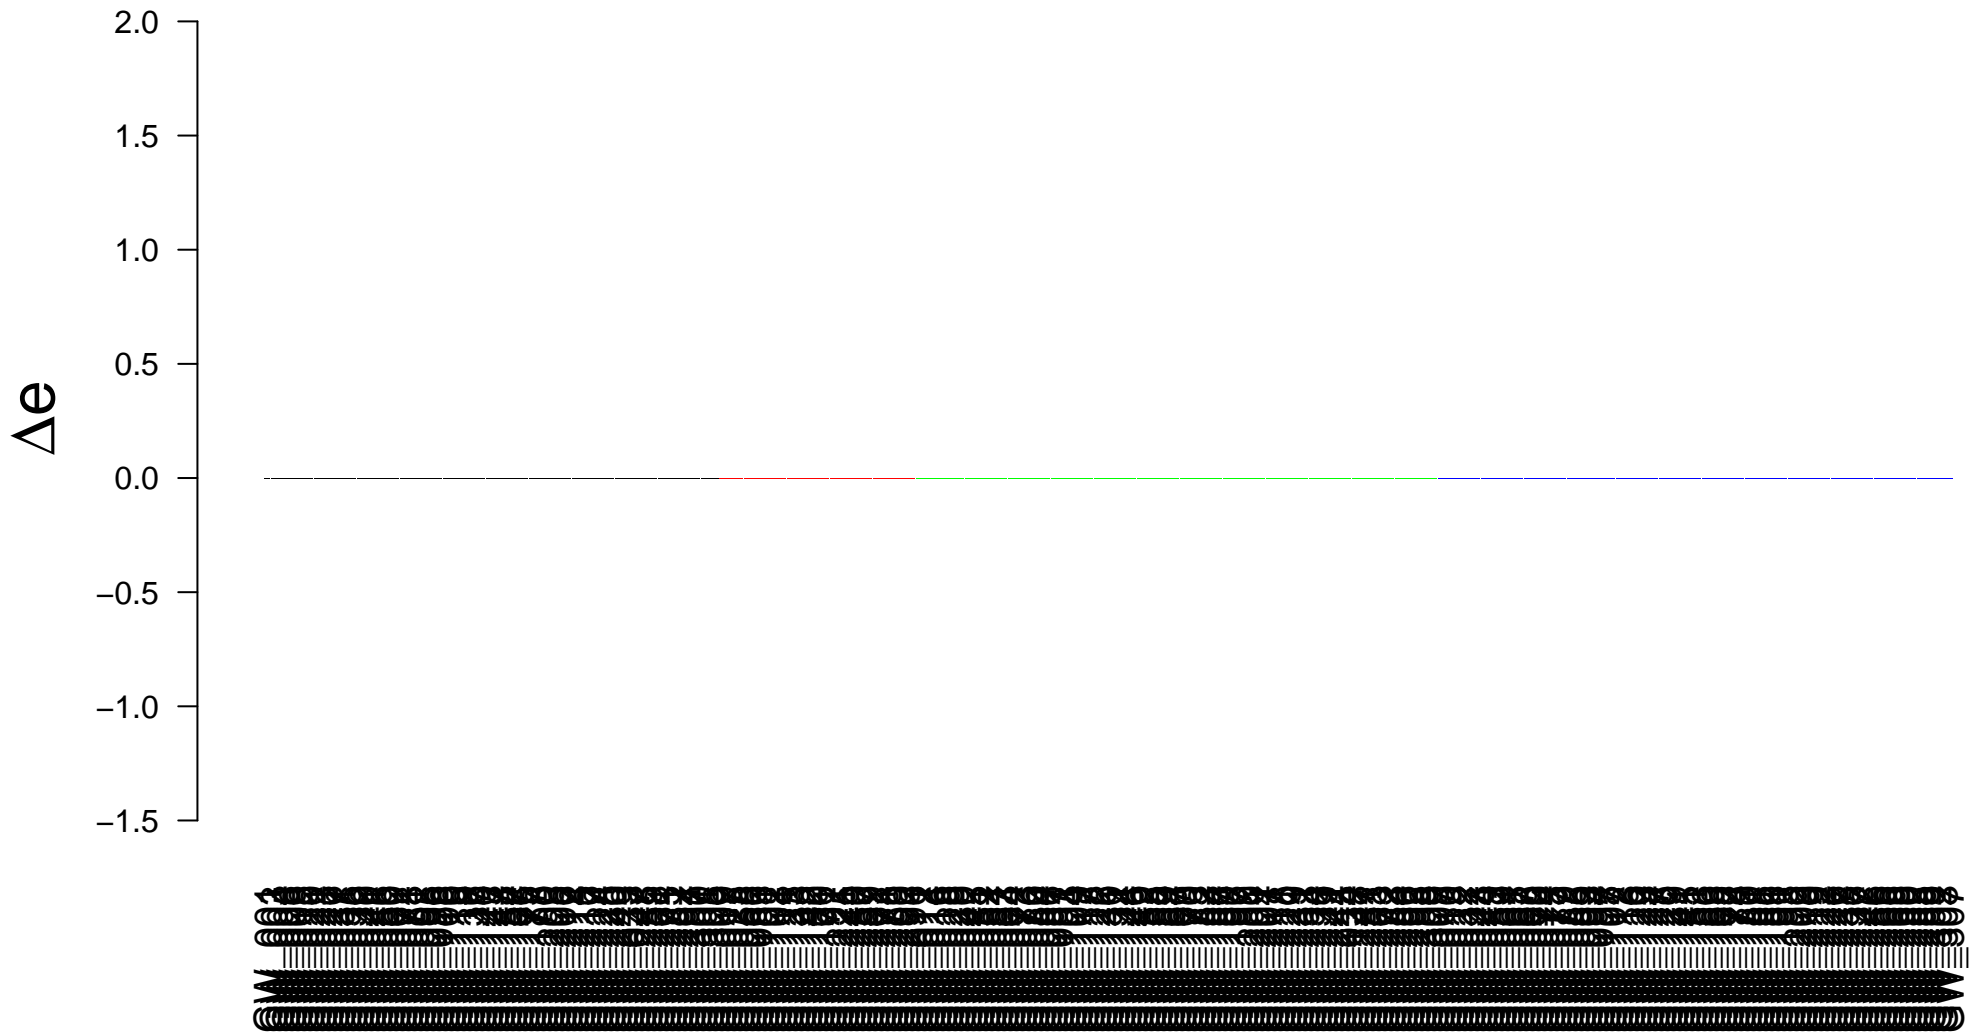

# Expression of reactive oxygen species metabolic process in Spot I

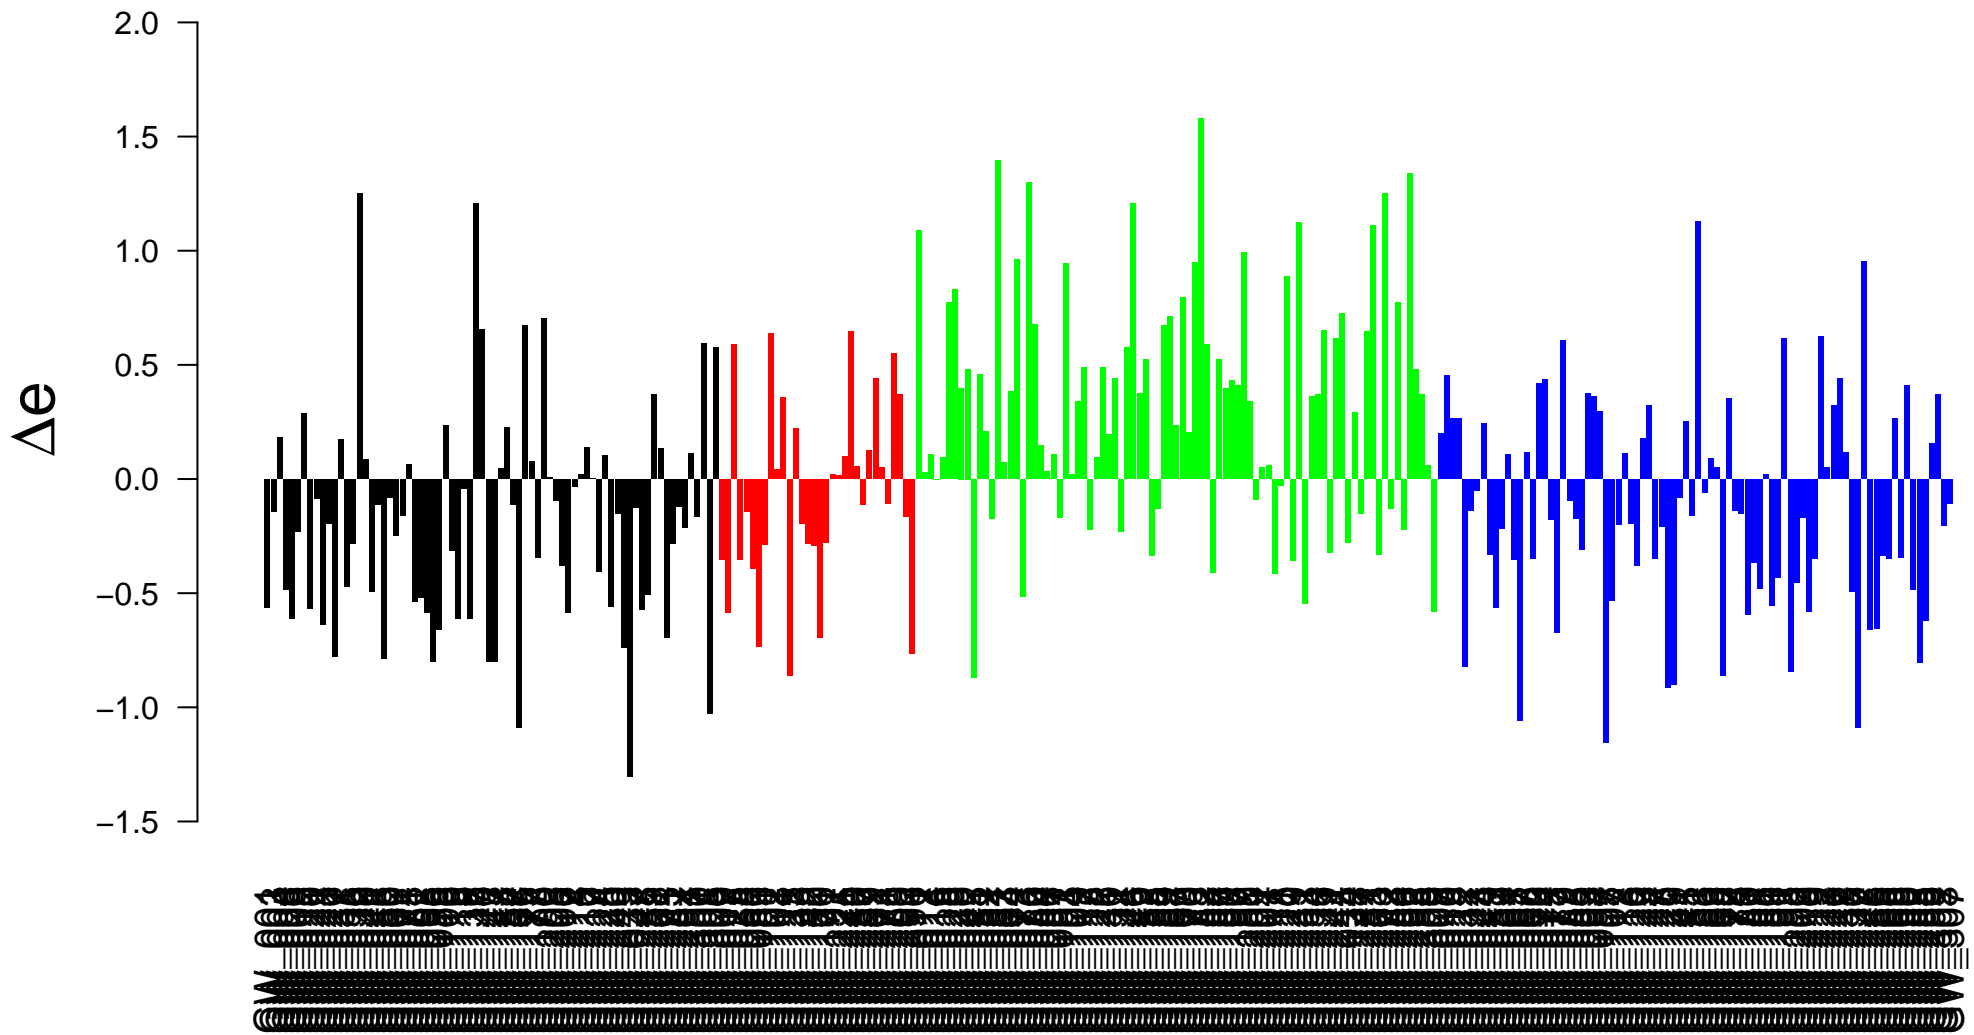

# Expression of reactive oxygen species metabolic process in Spot J

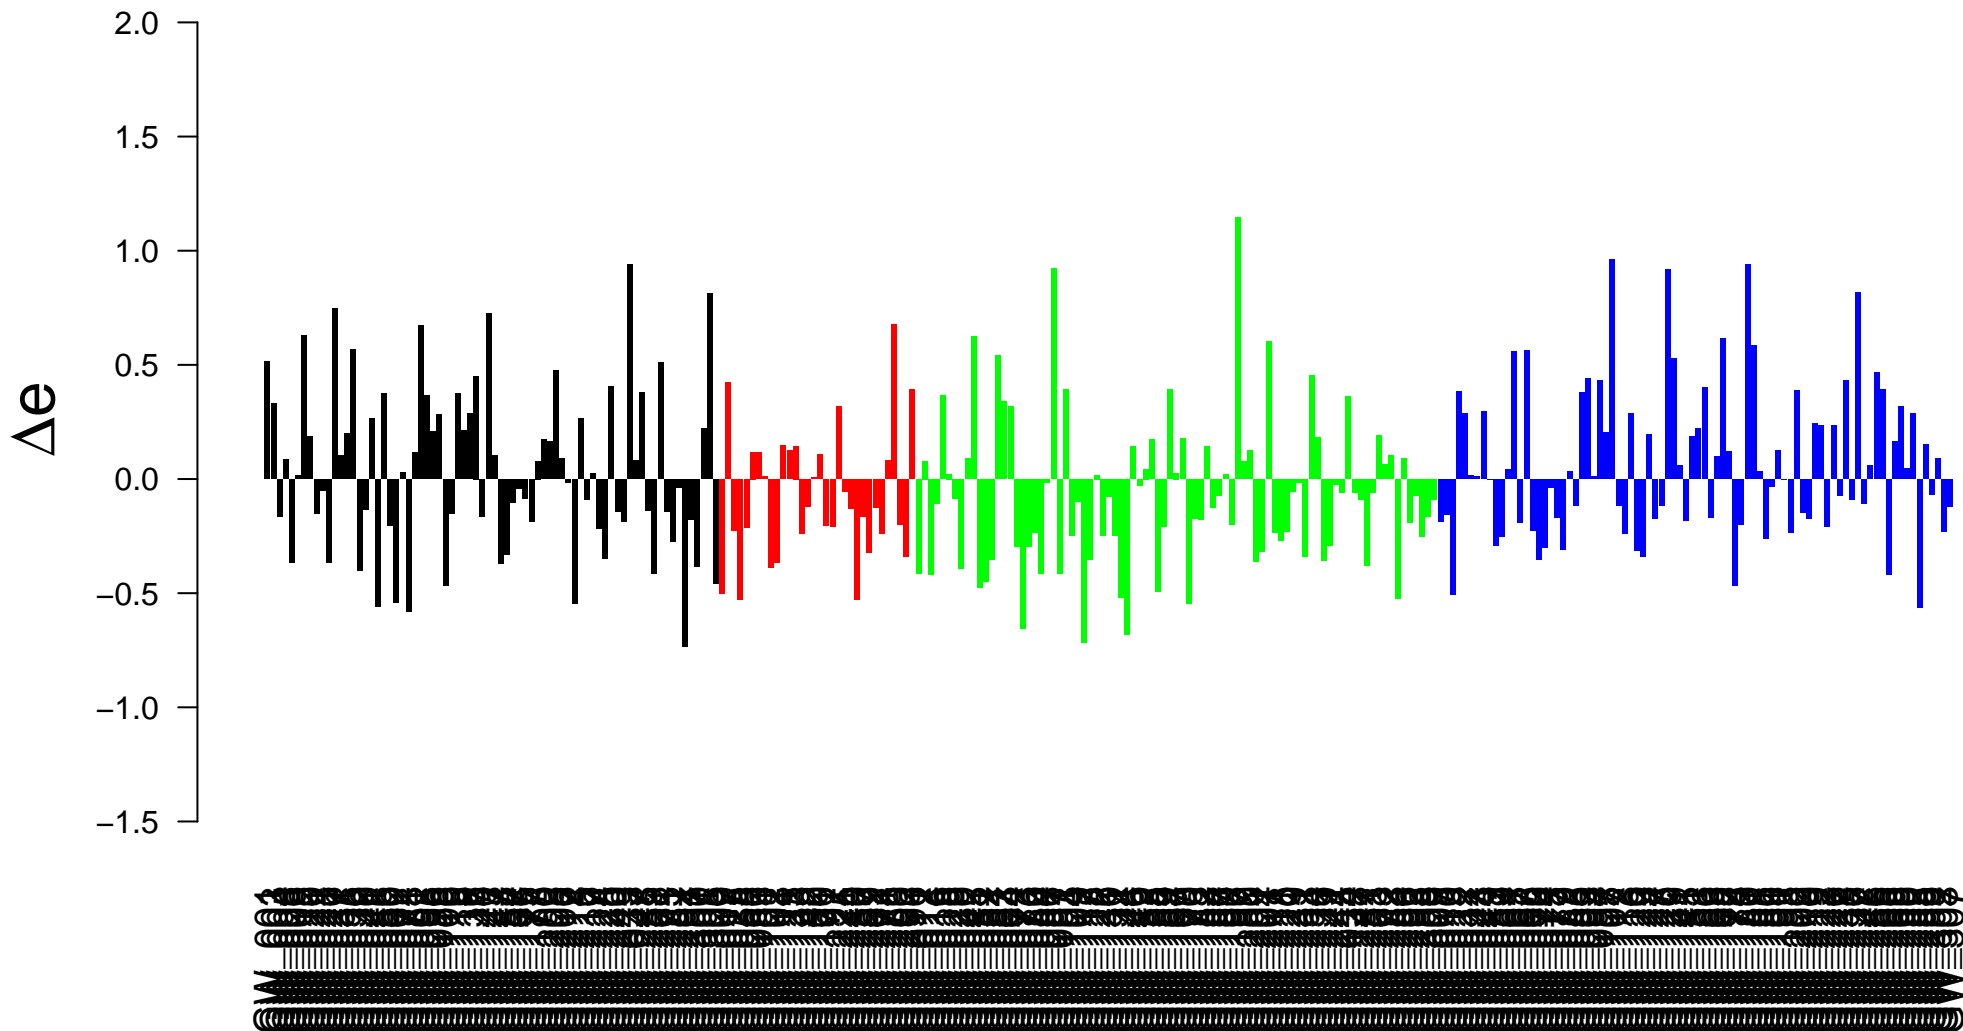

# Expression of reactive oxygen species metabolic process in Spot K

# Expression of reactive oxygen species metabolic process in Spot L

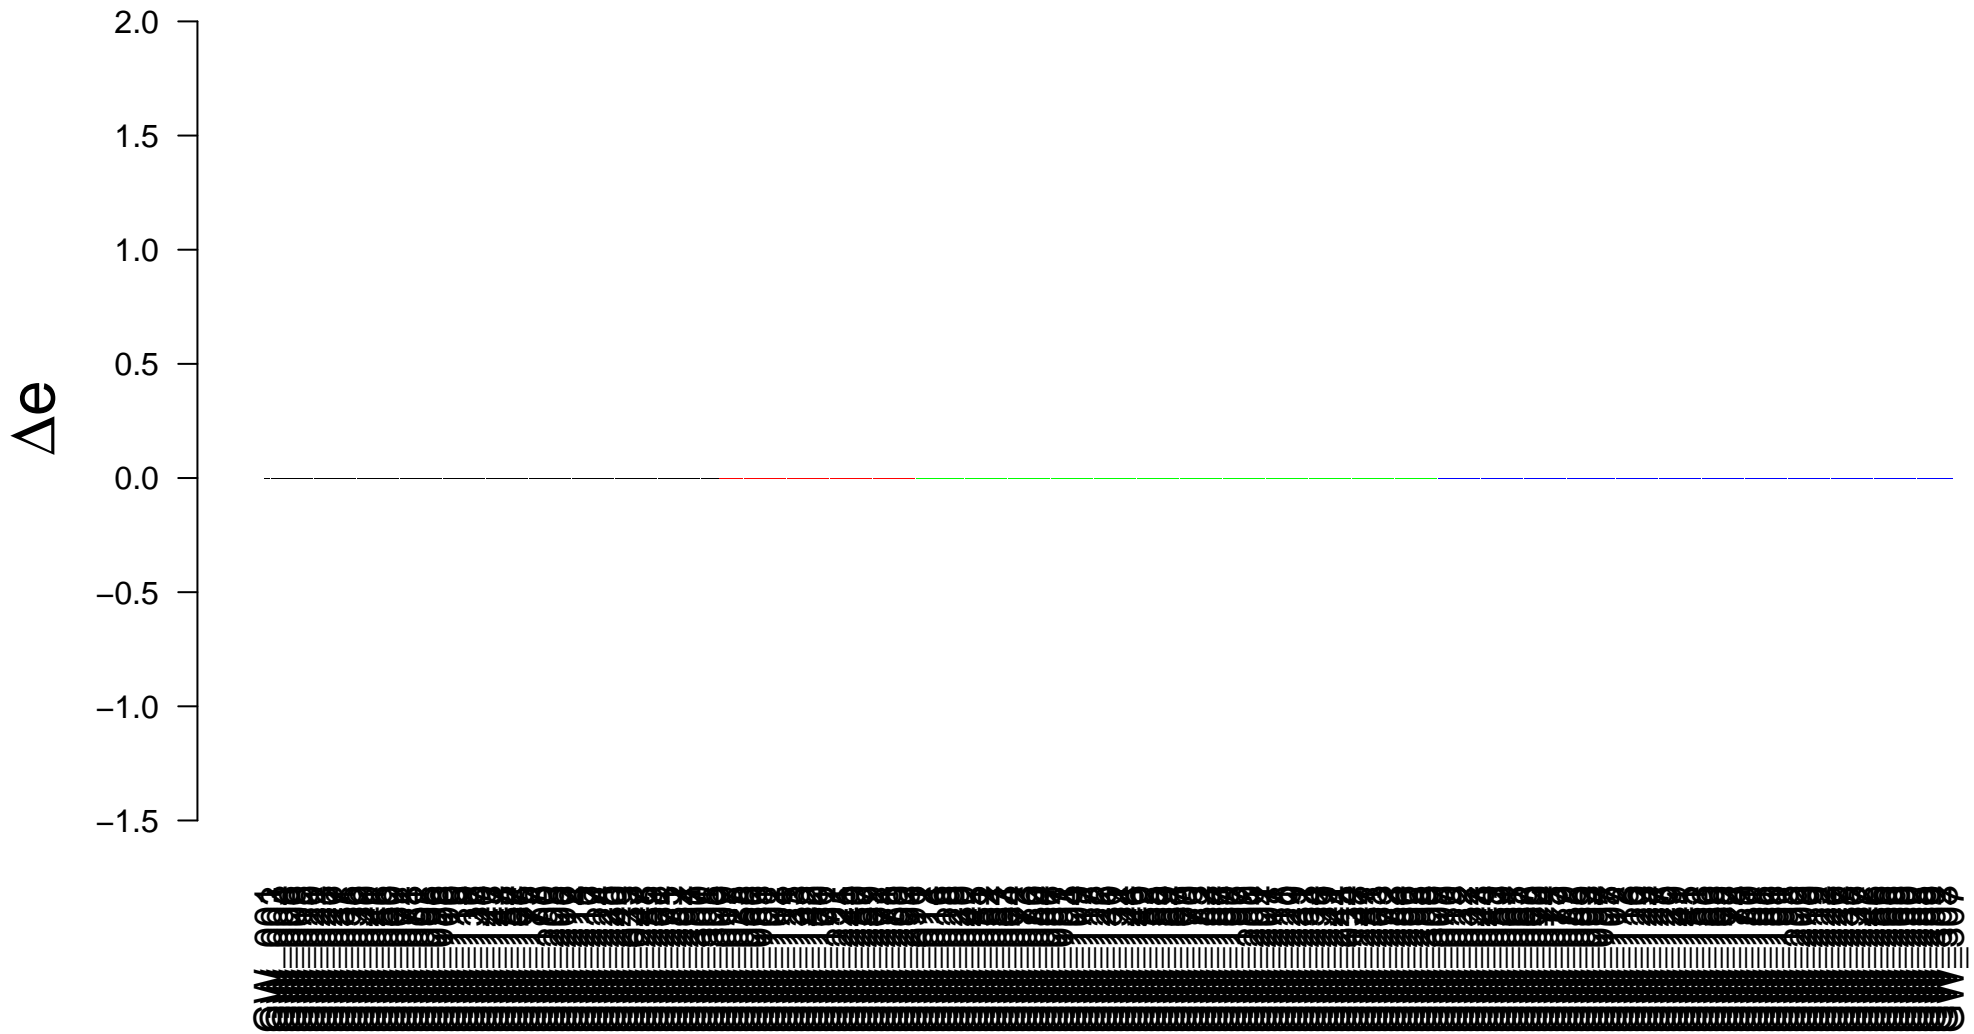

# Expression of reactive oxygen species metabolic process in Spot M

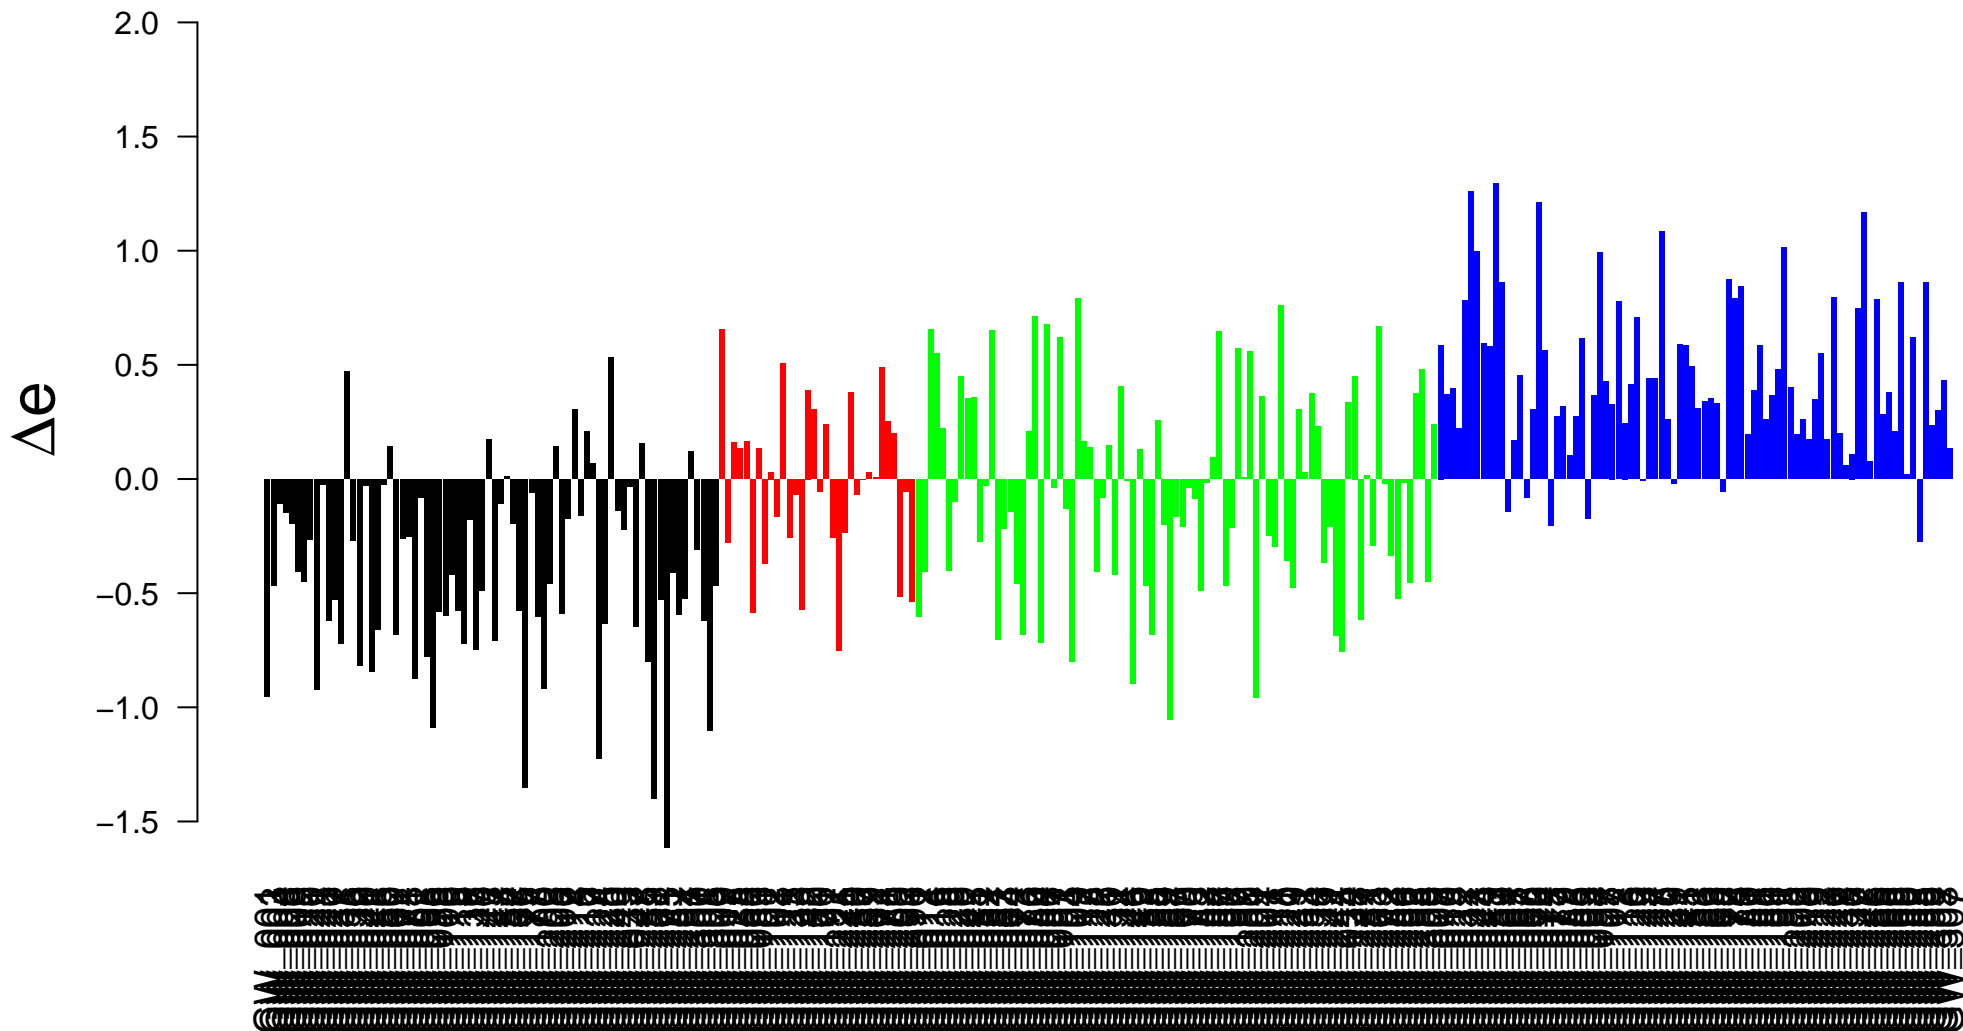

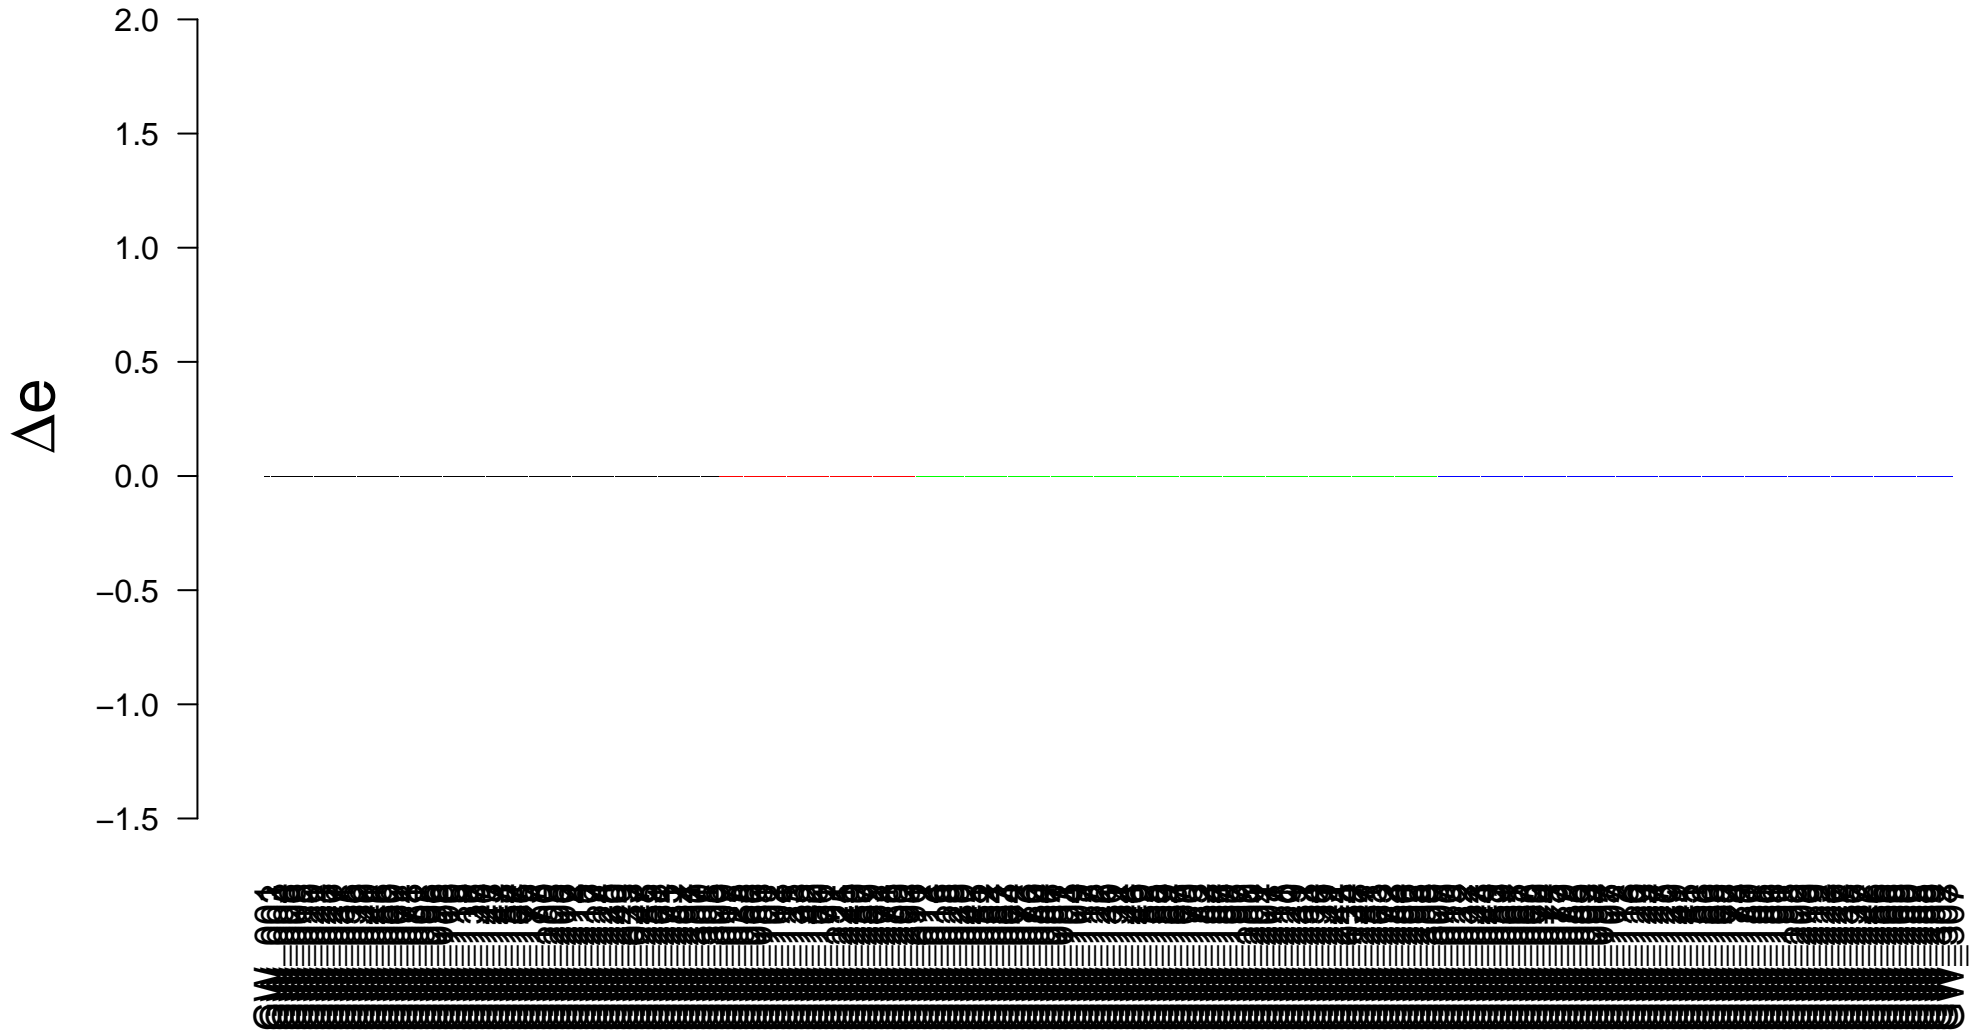

# Expression of reactive oxygen species metabolic process in Spot N

# Expression of reactive oxygen species metabolic process in Spot O

# Expression of reactive oxygen species metabolic process in Spot P

# Expression of reactive oxygen species metabolic process in Spot Q
