

receptor complex

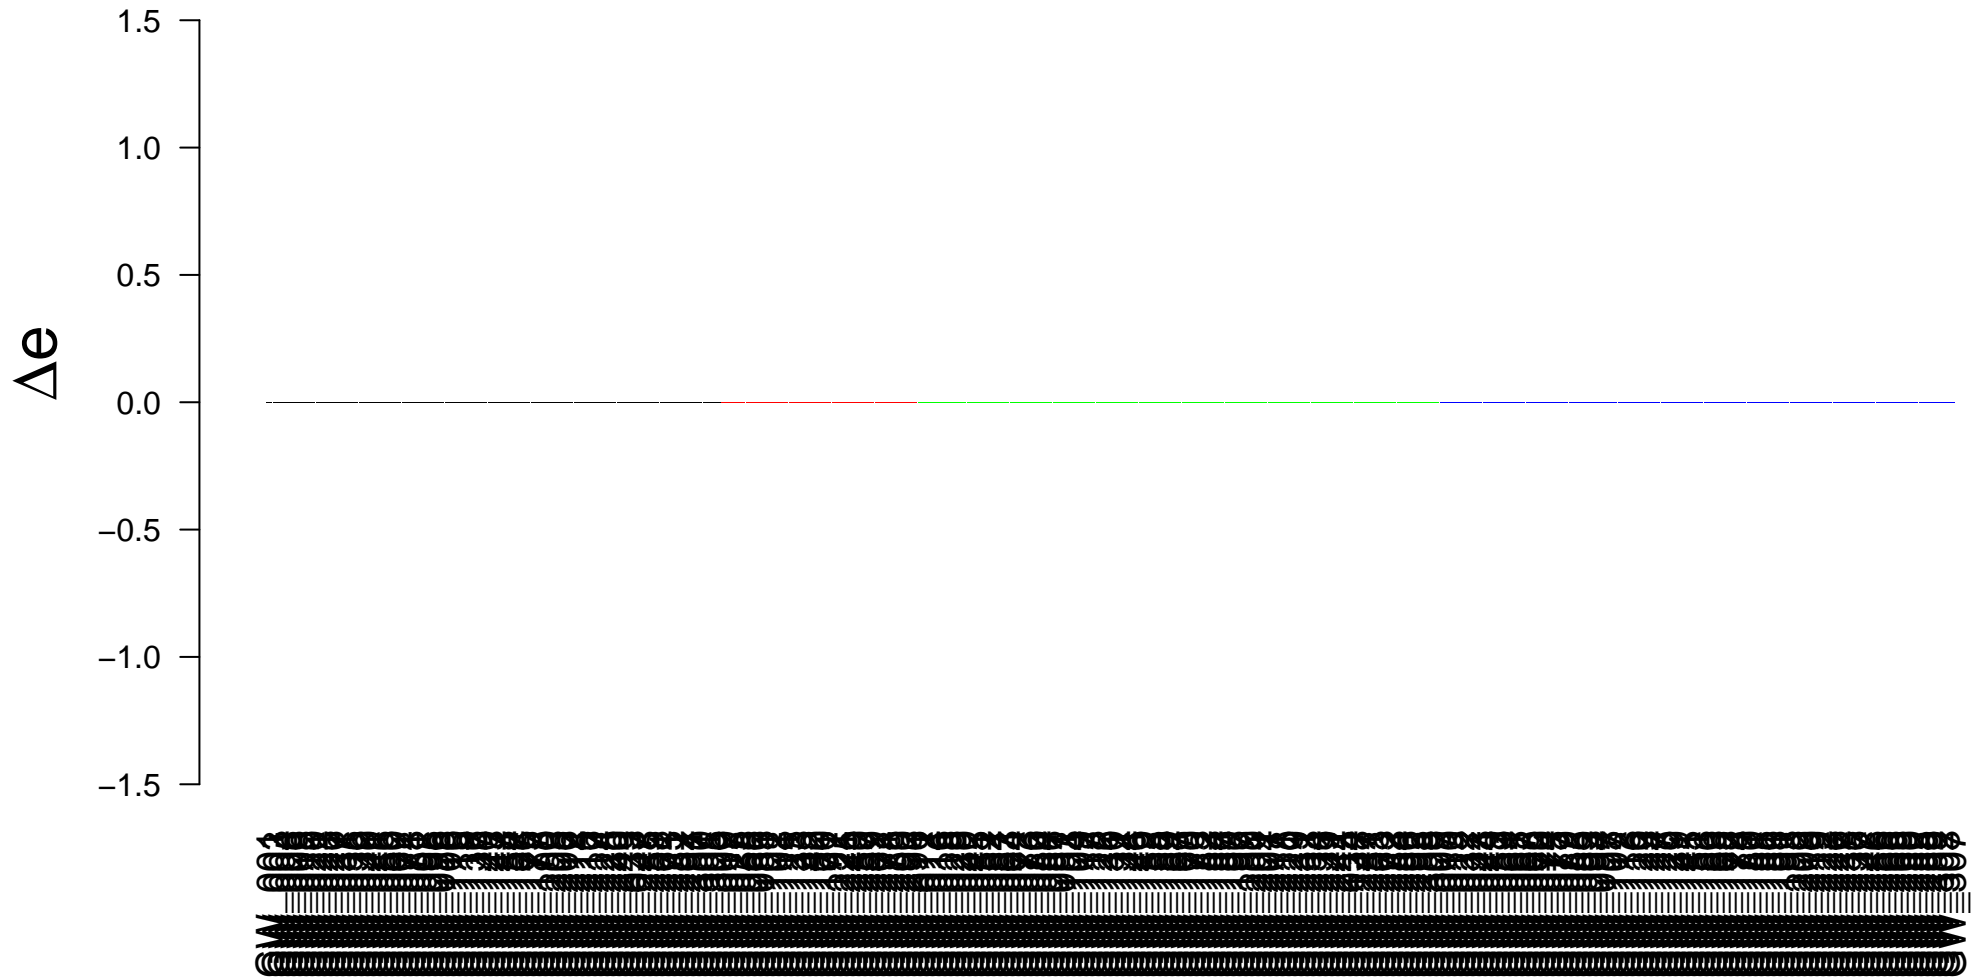

# receptor complex

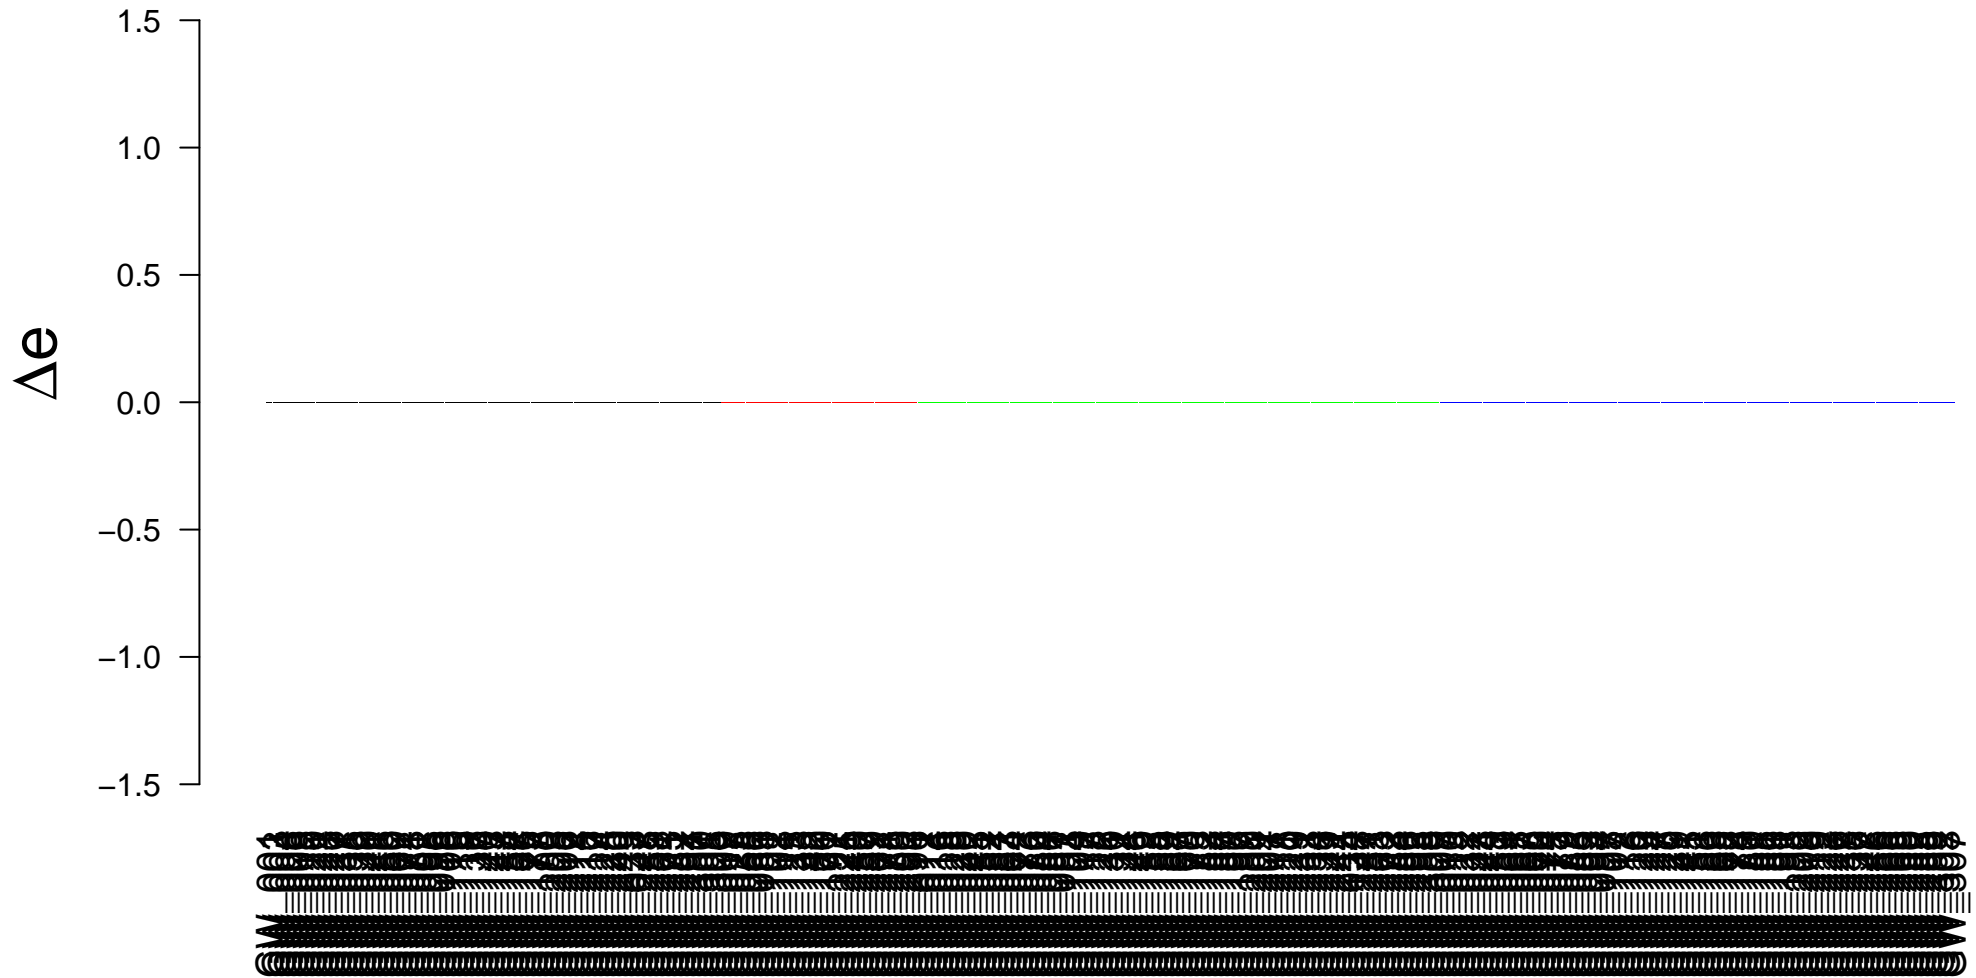

# Enrichment in spots: receptor complex

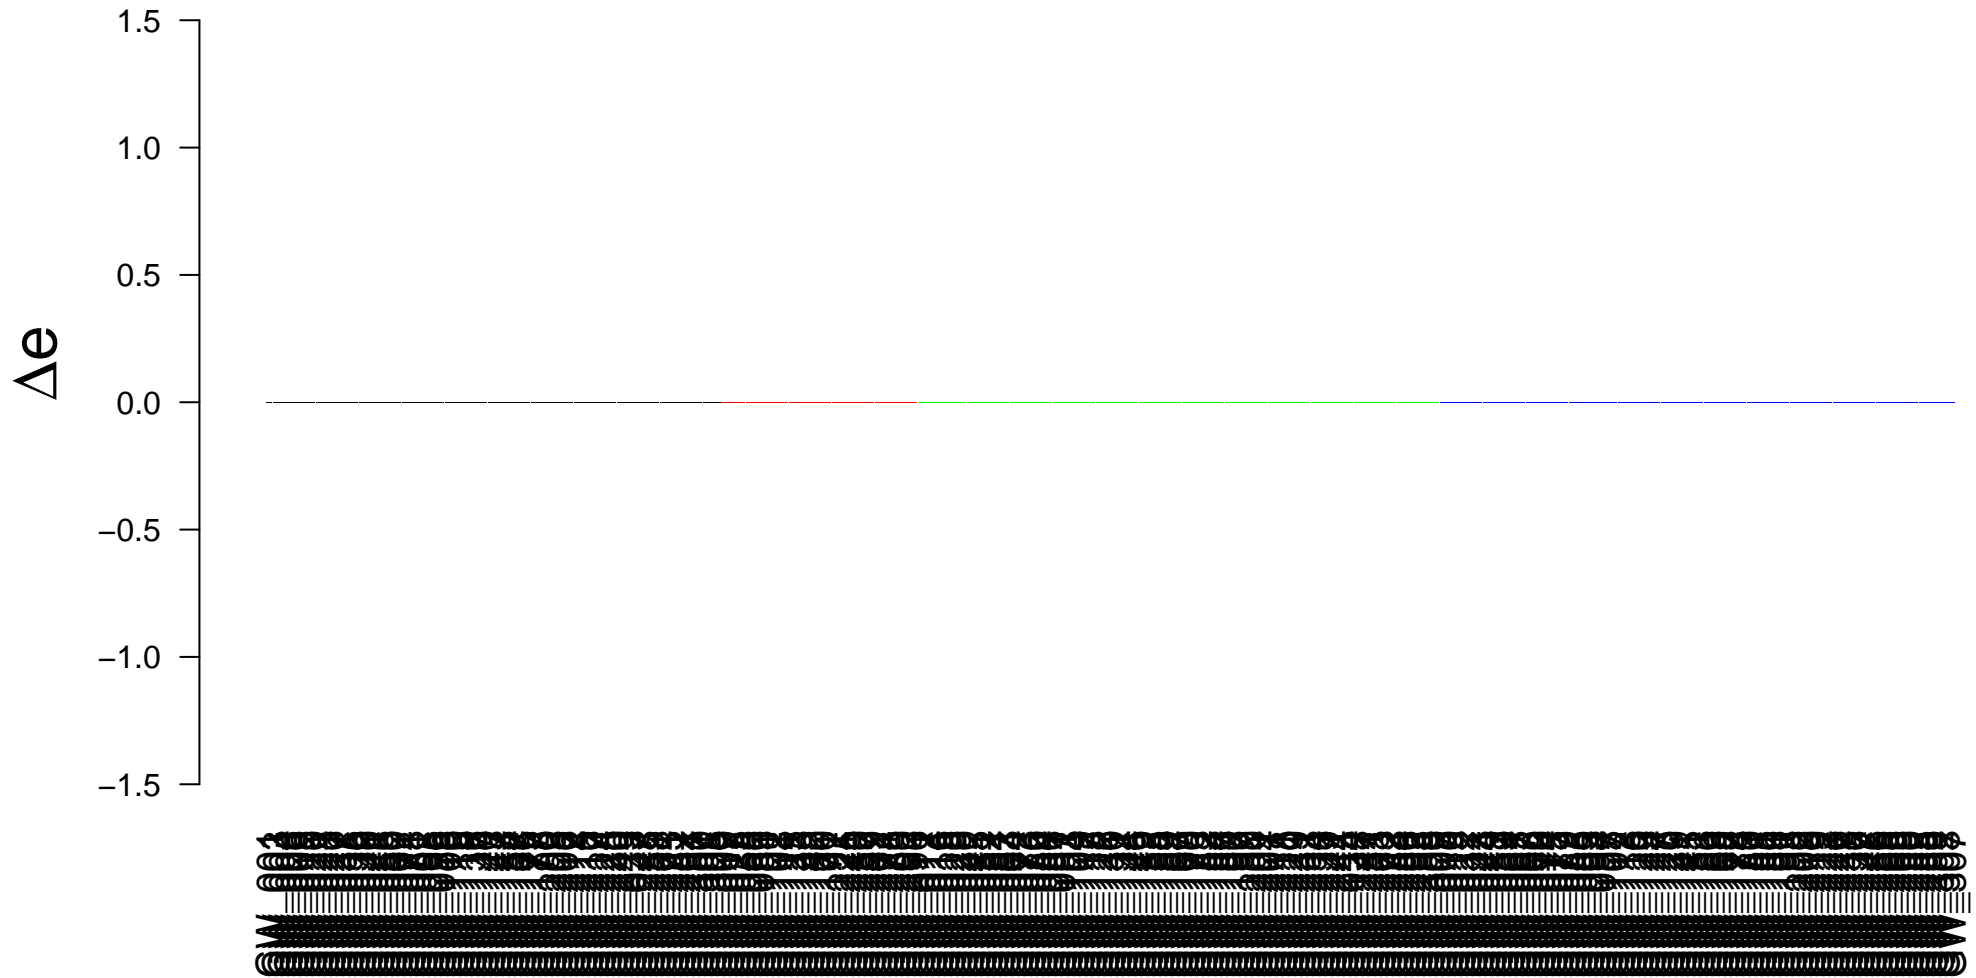

# Expression of receptor complex in Spot A

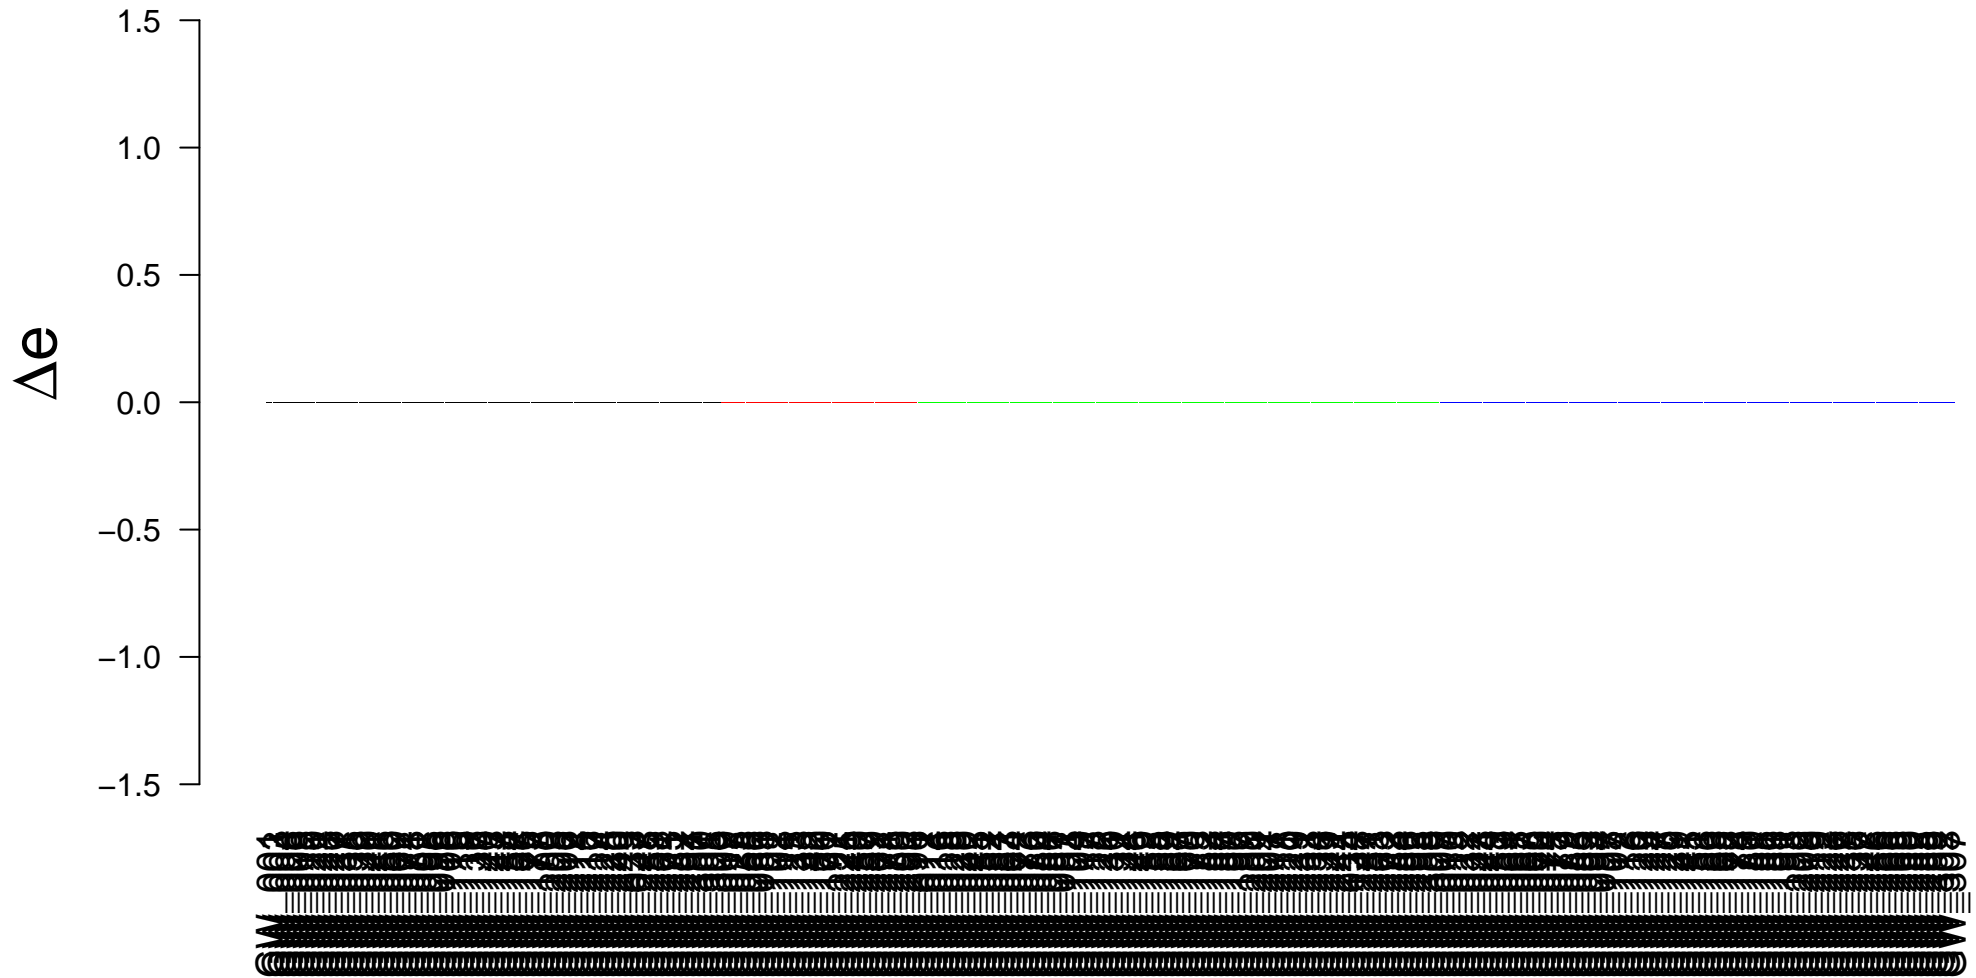

# Expression of receptor complex in Spot B

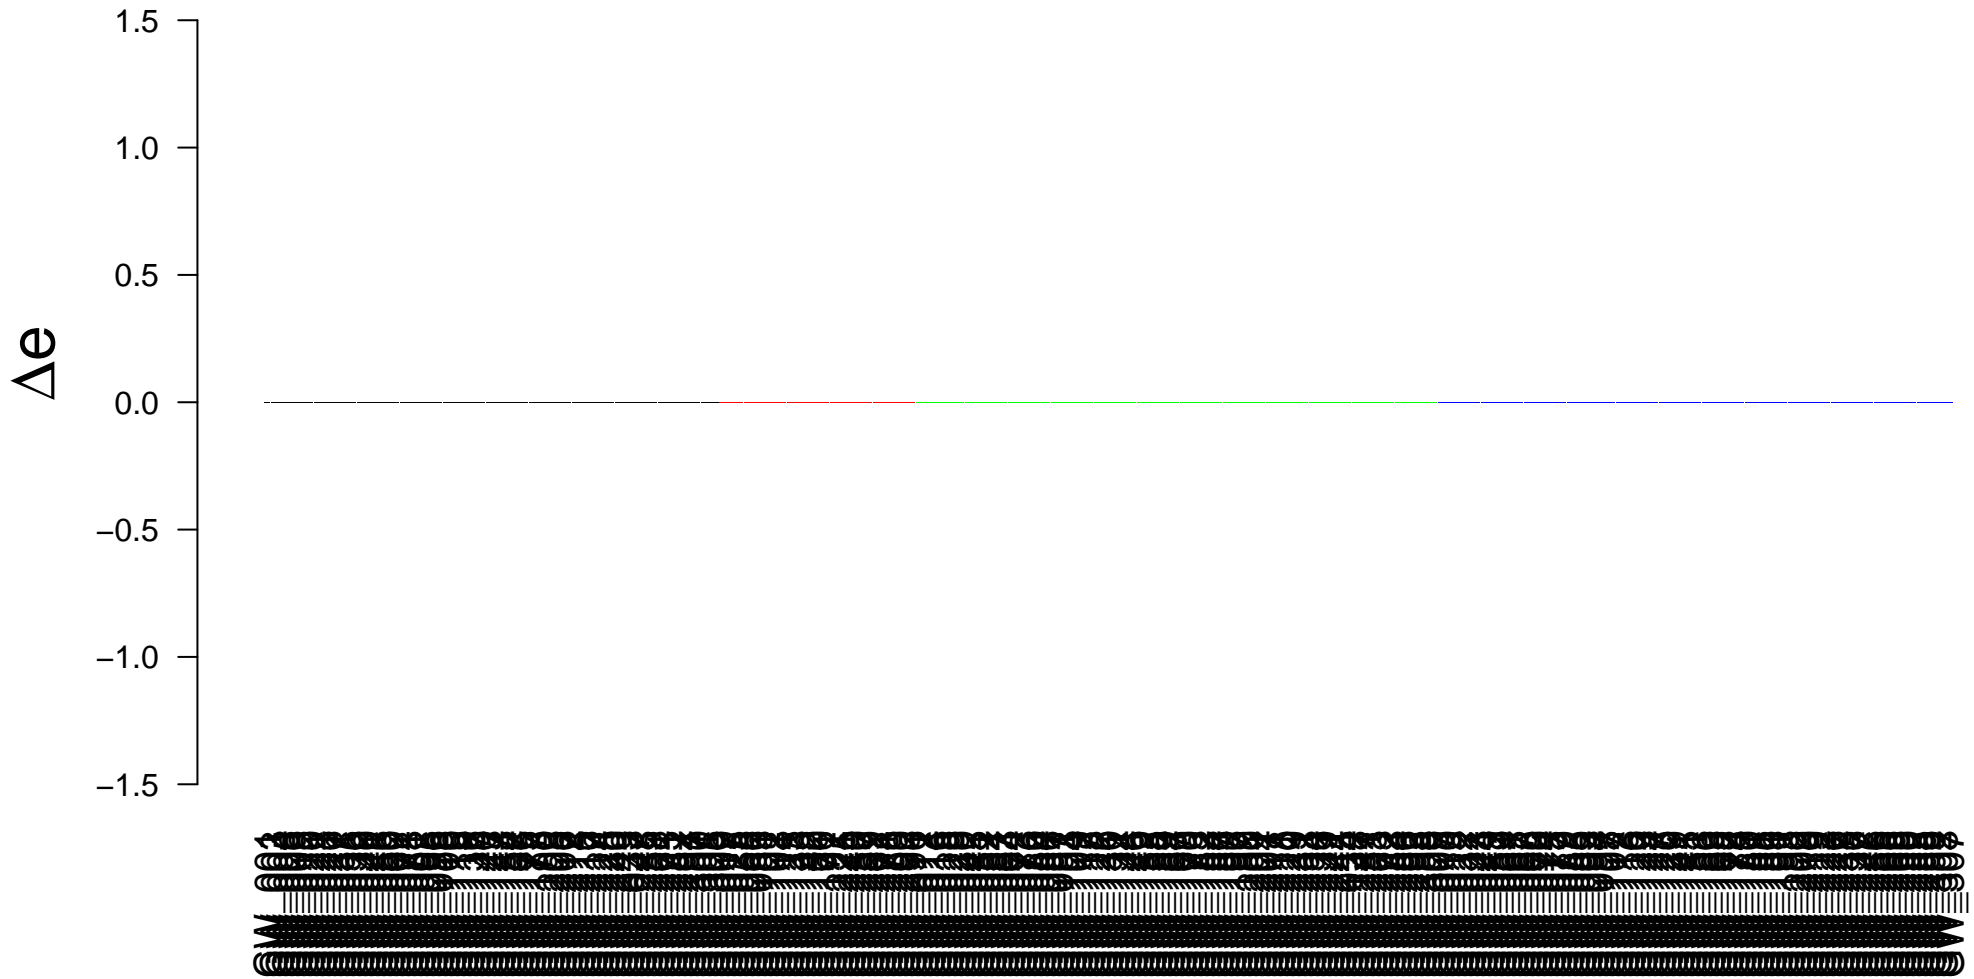

# Expression of receptor complex in Spot C

# Expression of receptor complex in Spot D

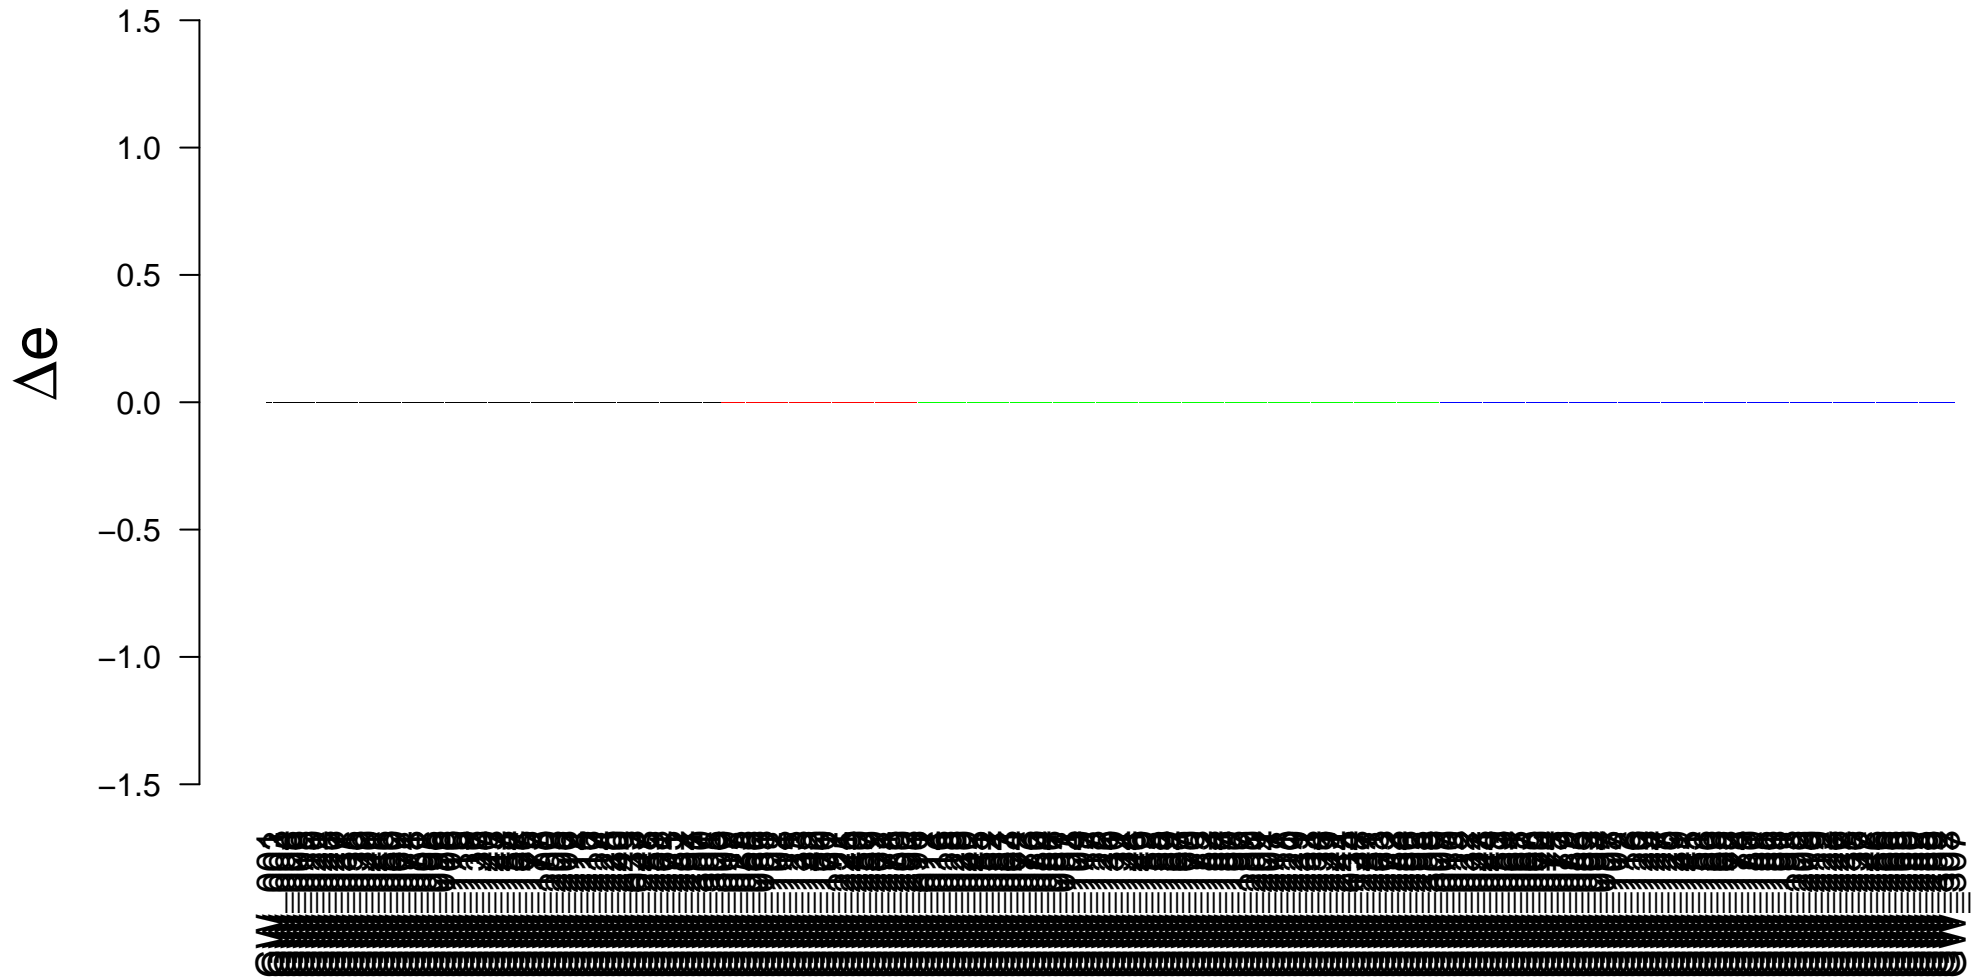

# Expression of receptor complex in Spot E

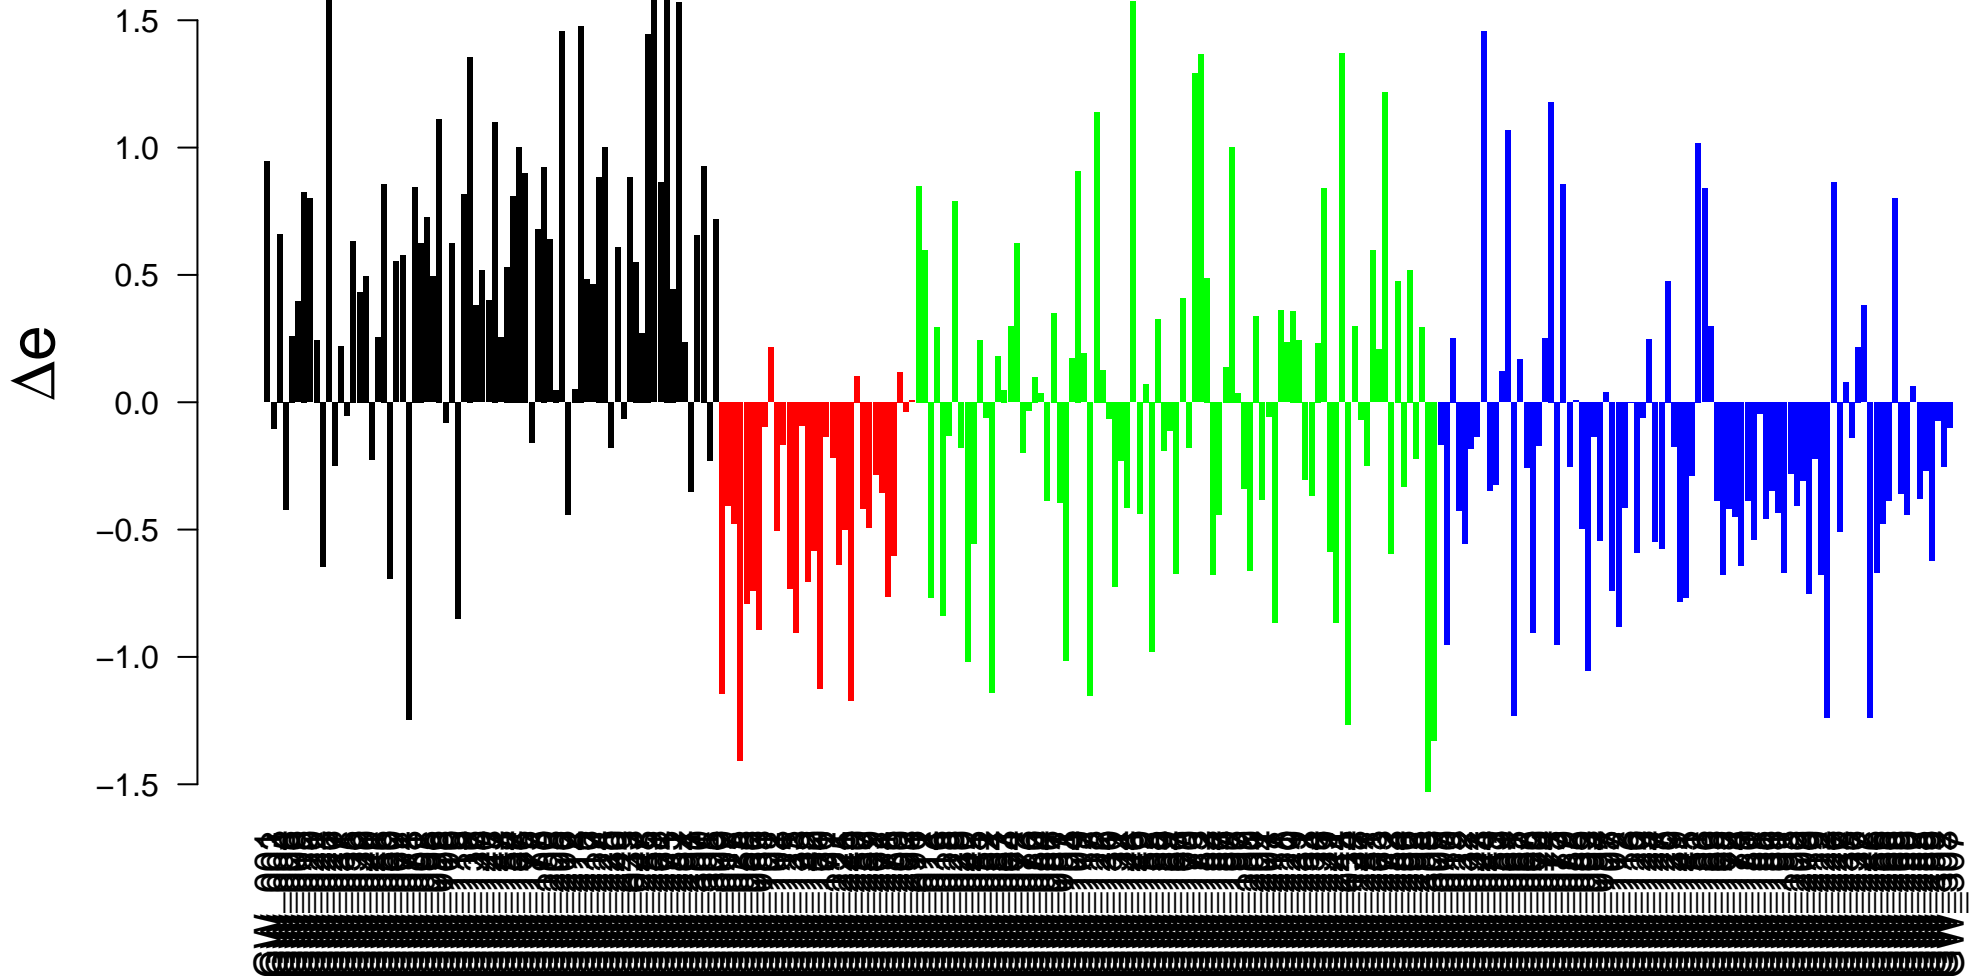

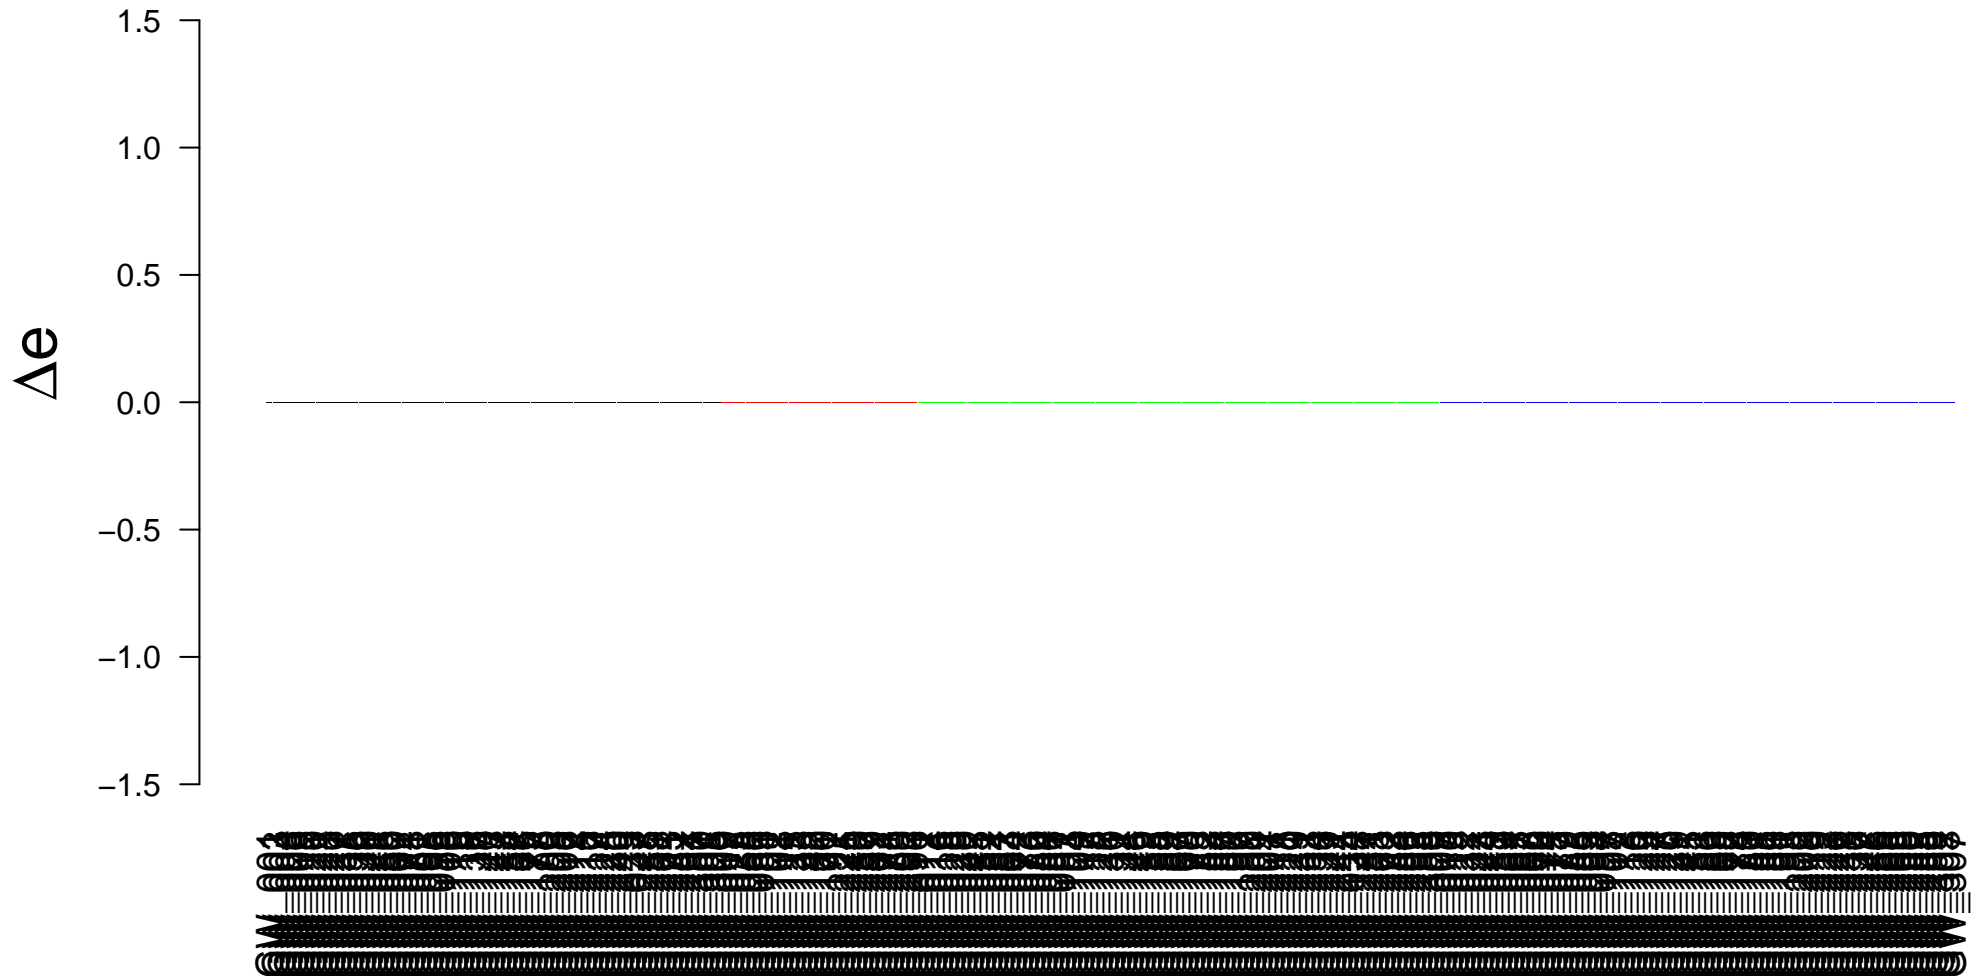

# Expression of receptor complex in Spot F

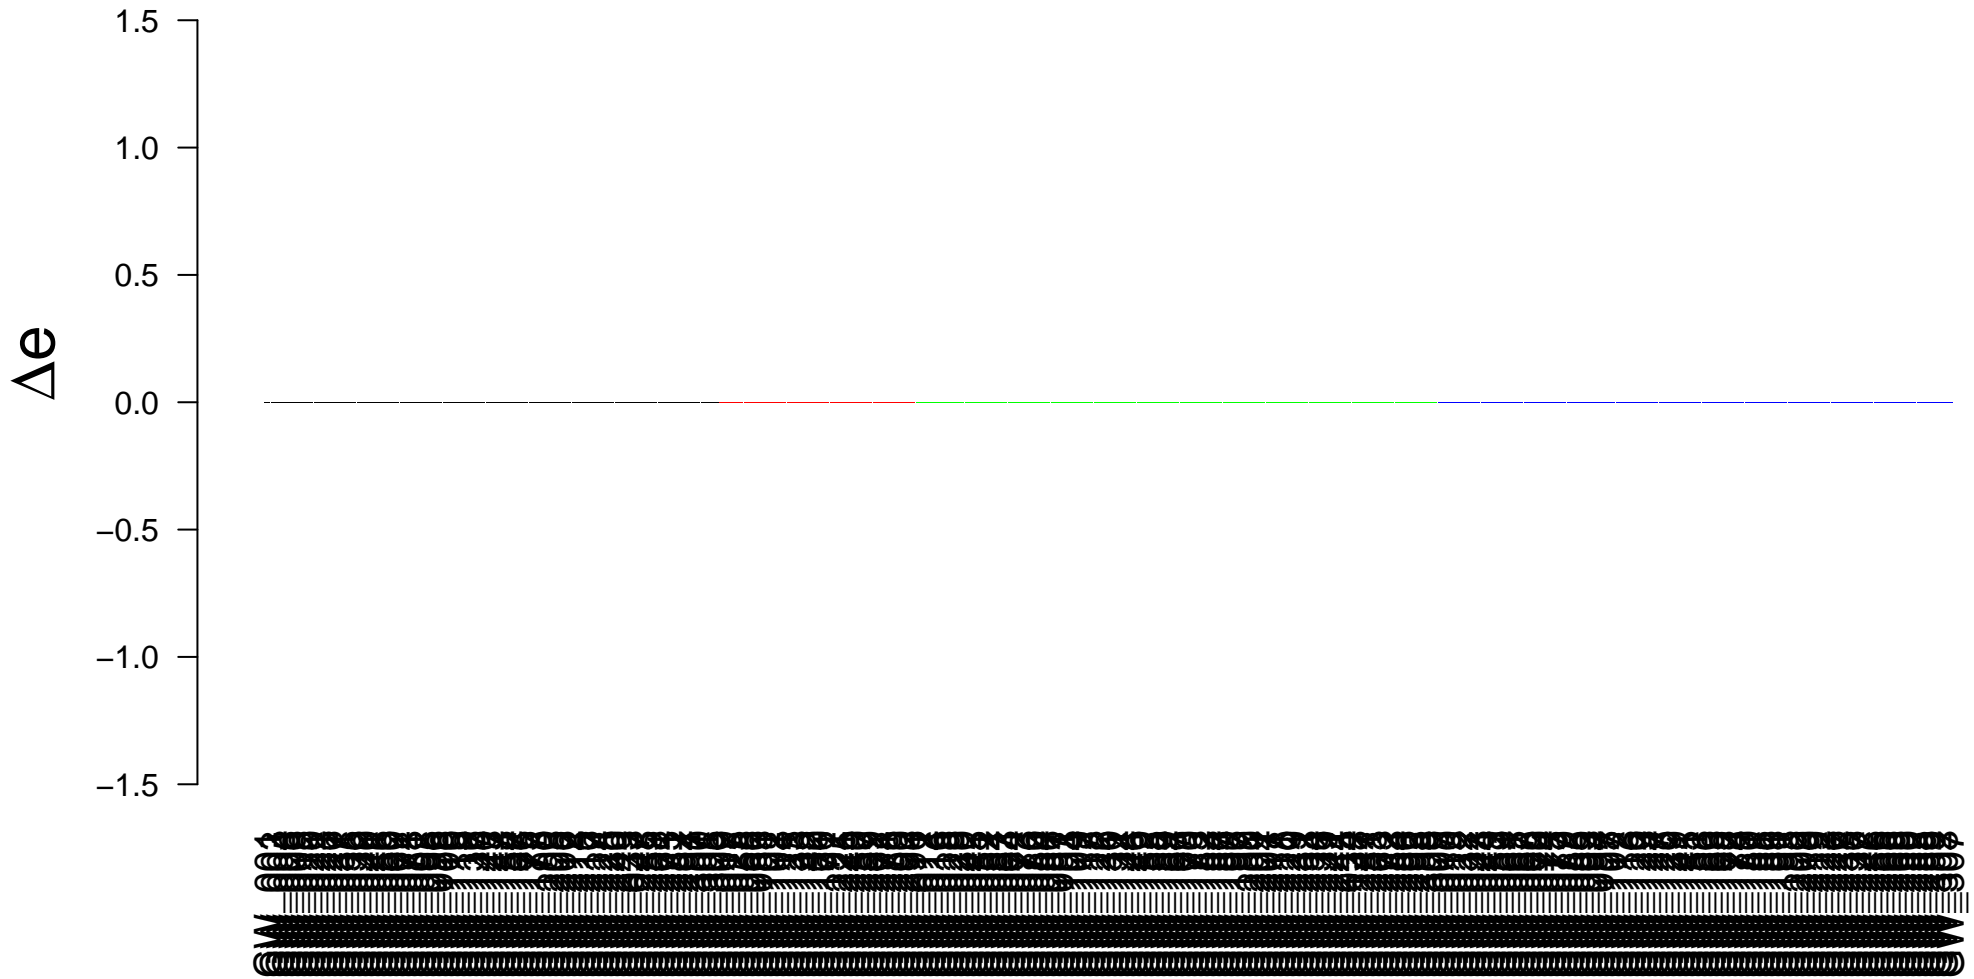

# Expression of receptor complex in Spot G

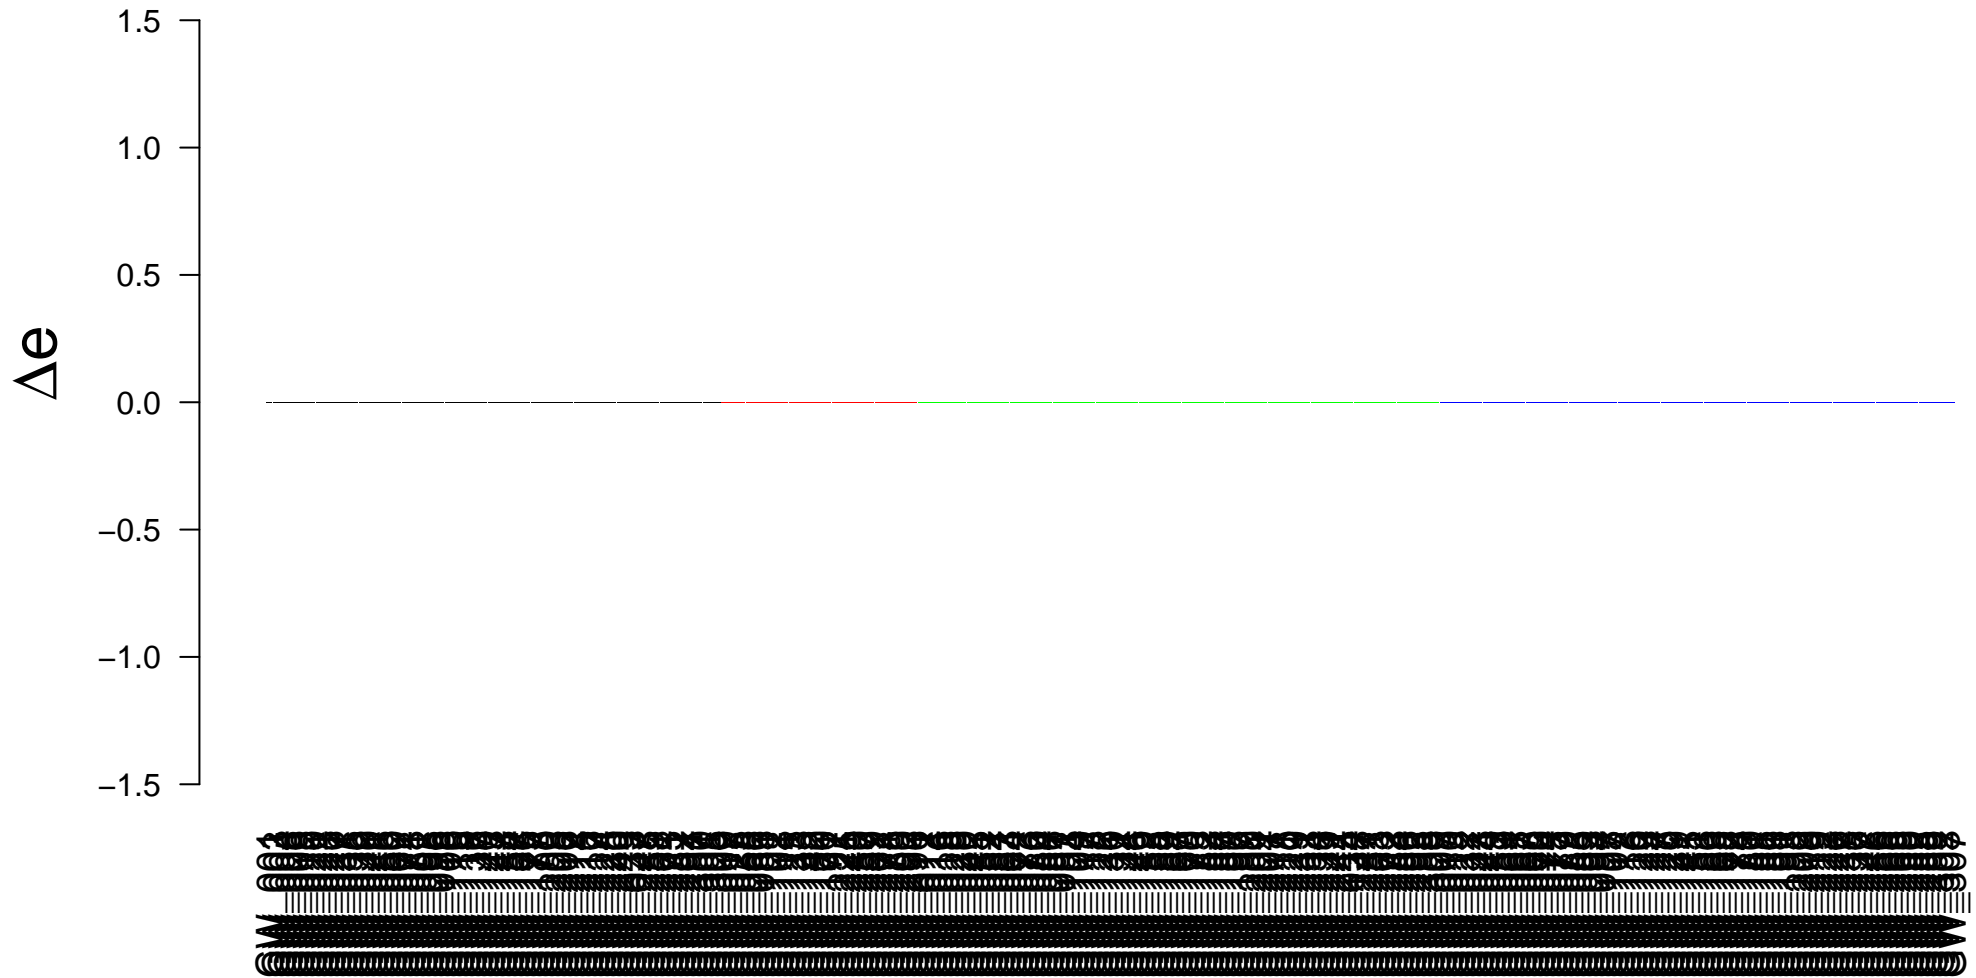

# Expression of receptor complex in Spot H

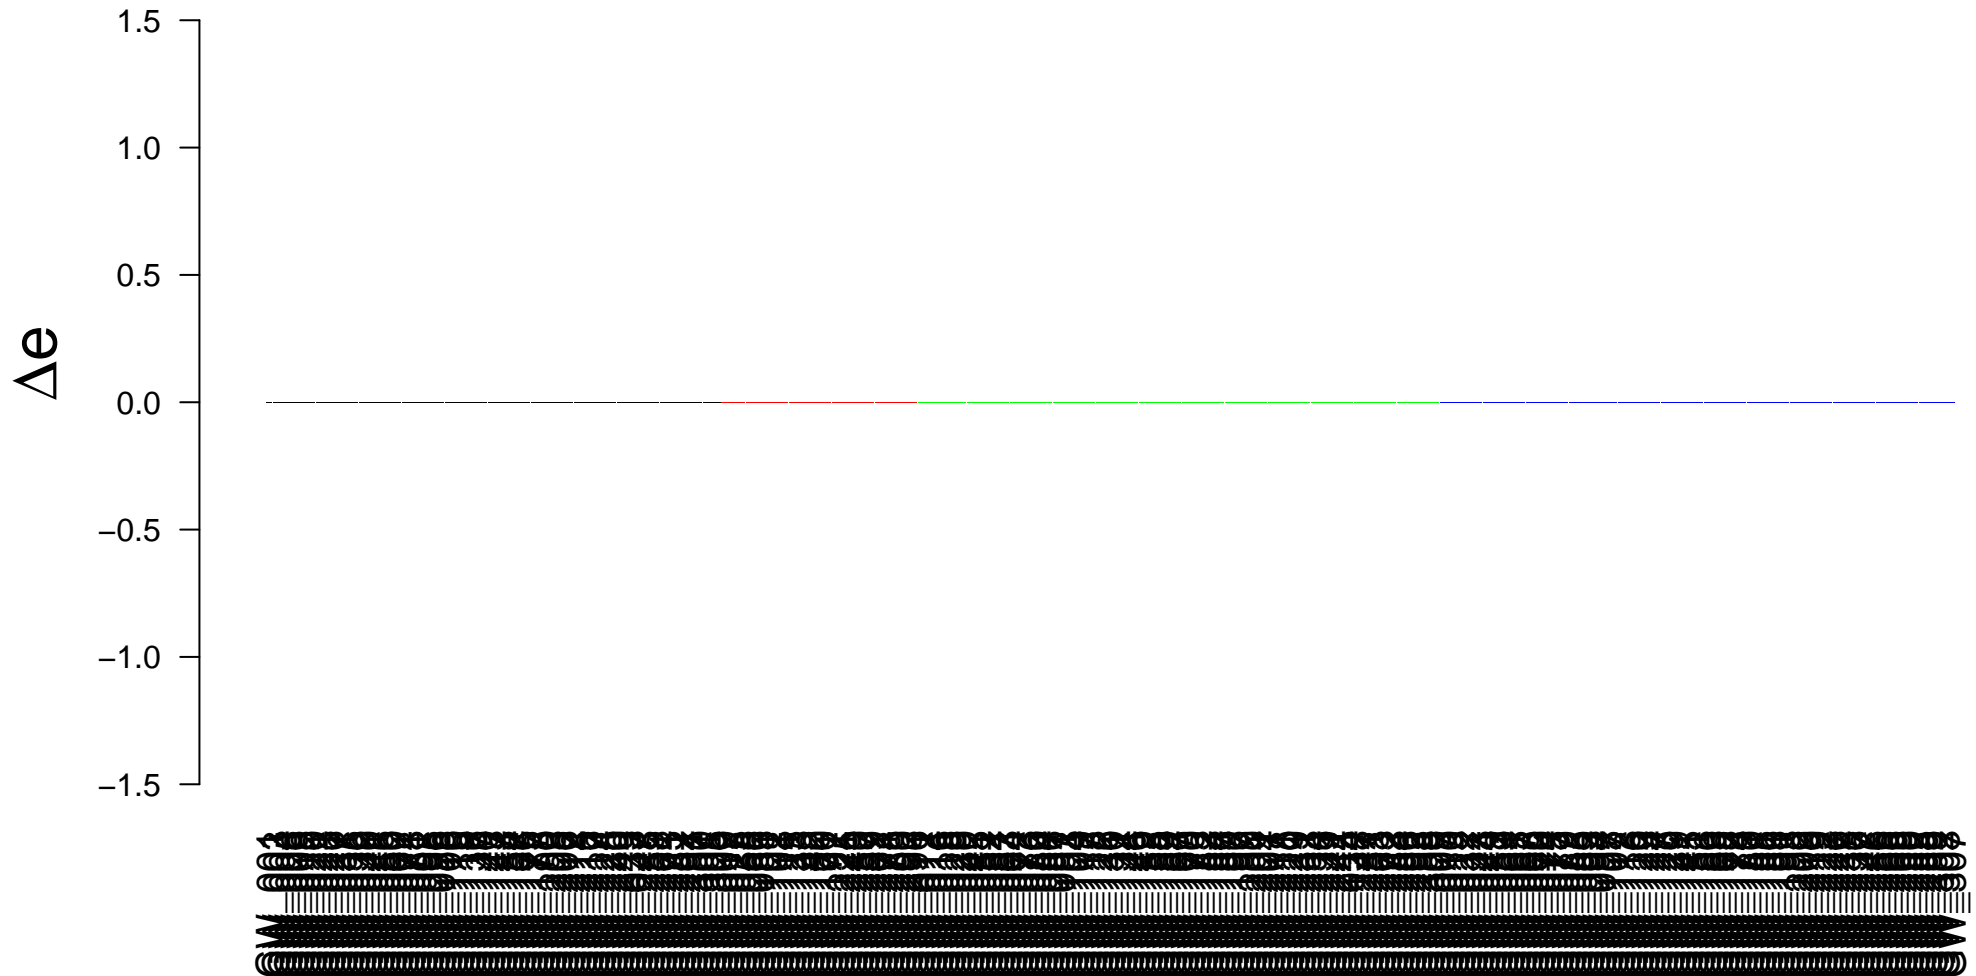

# Expression of receptor complex in Spot I

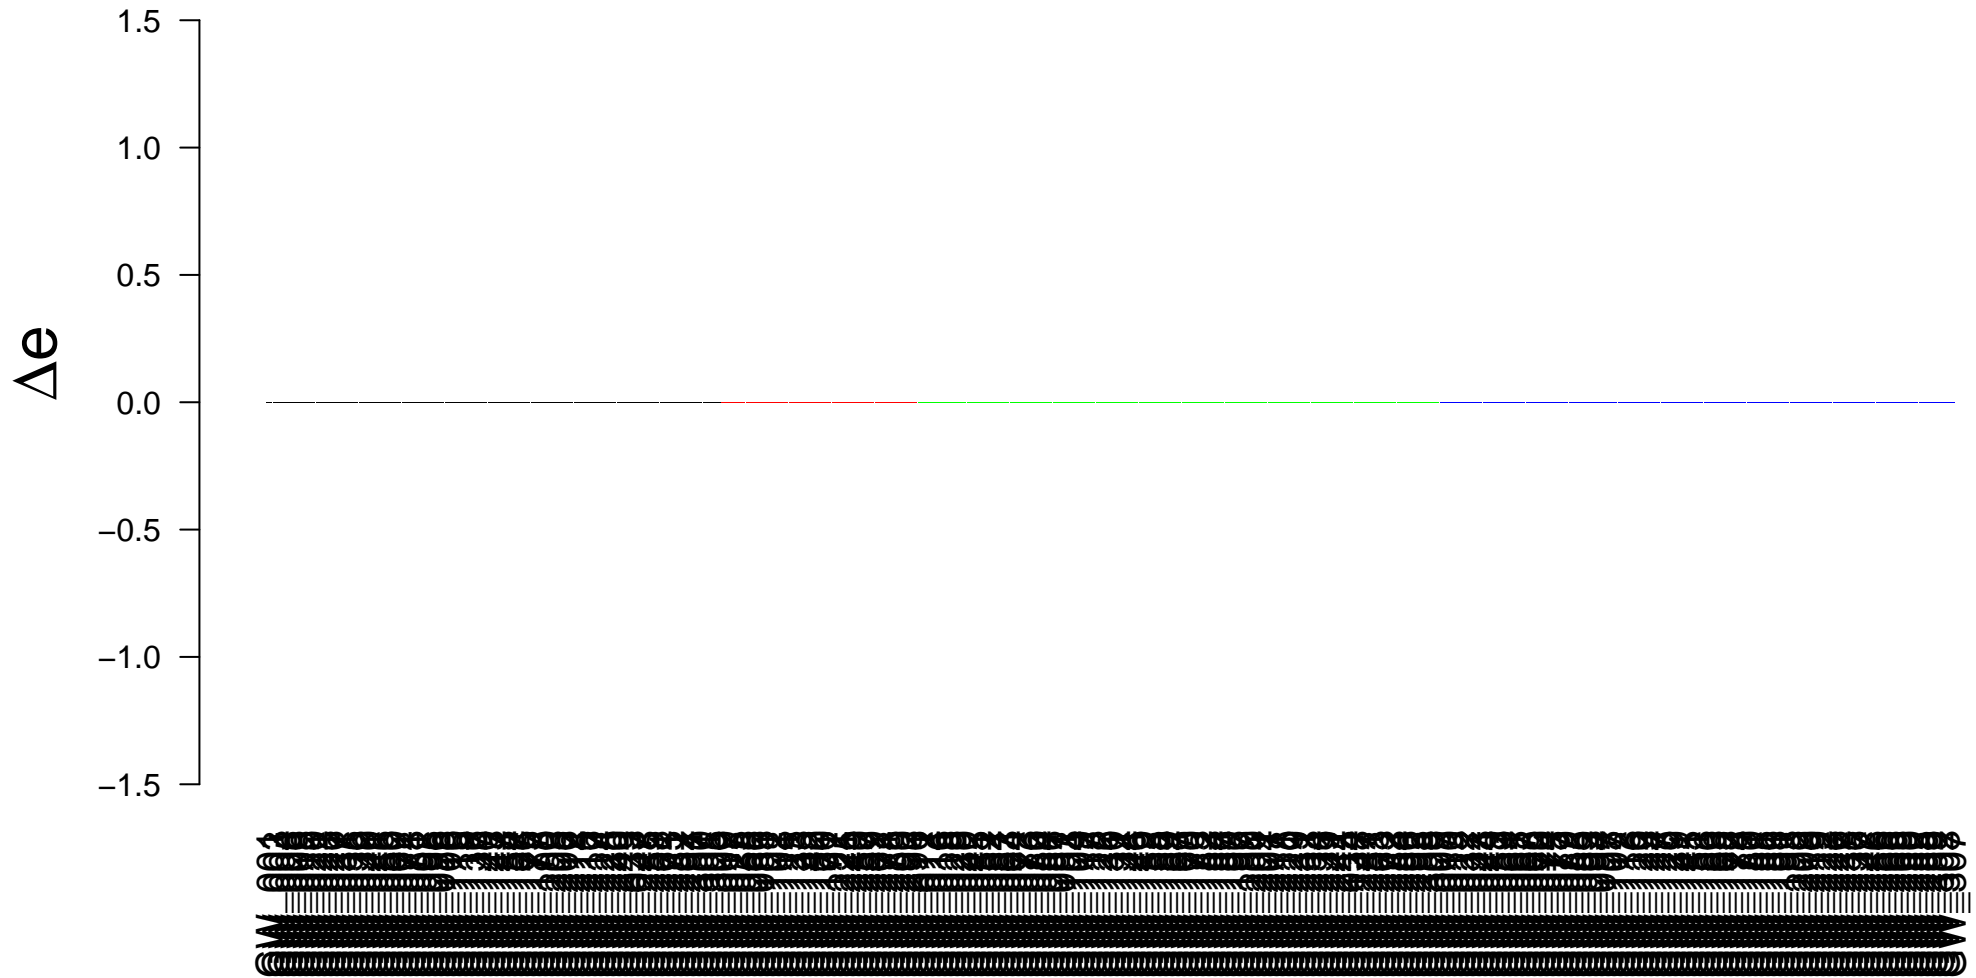

# Expression of receptor complex in Spot J

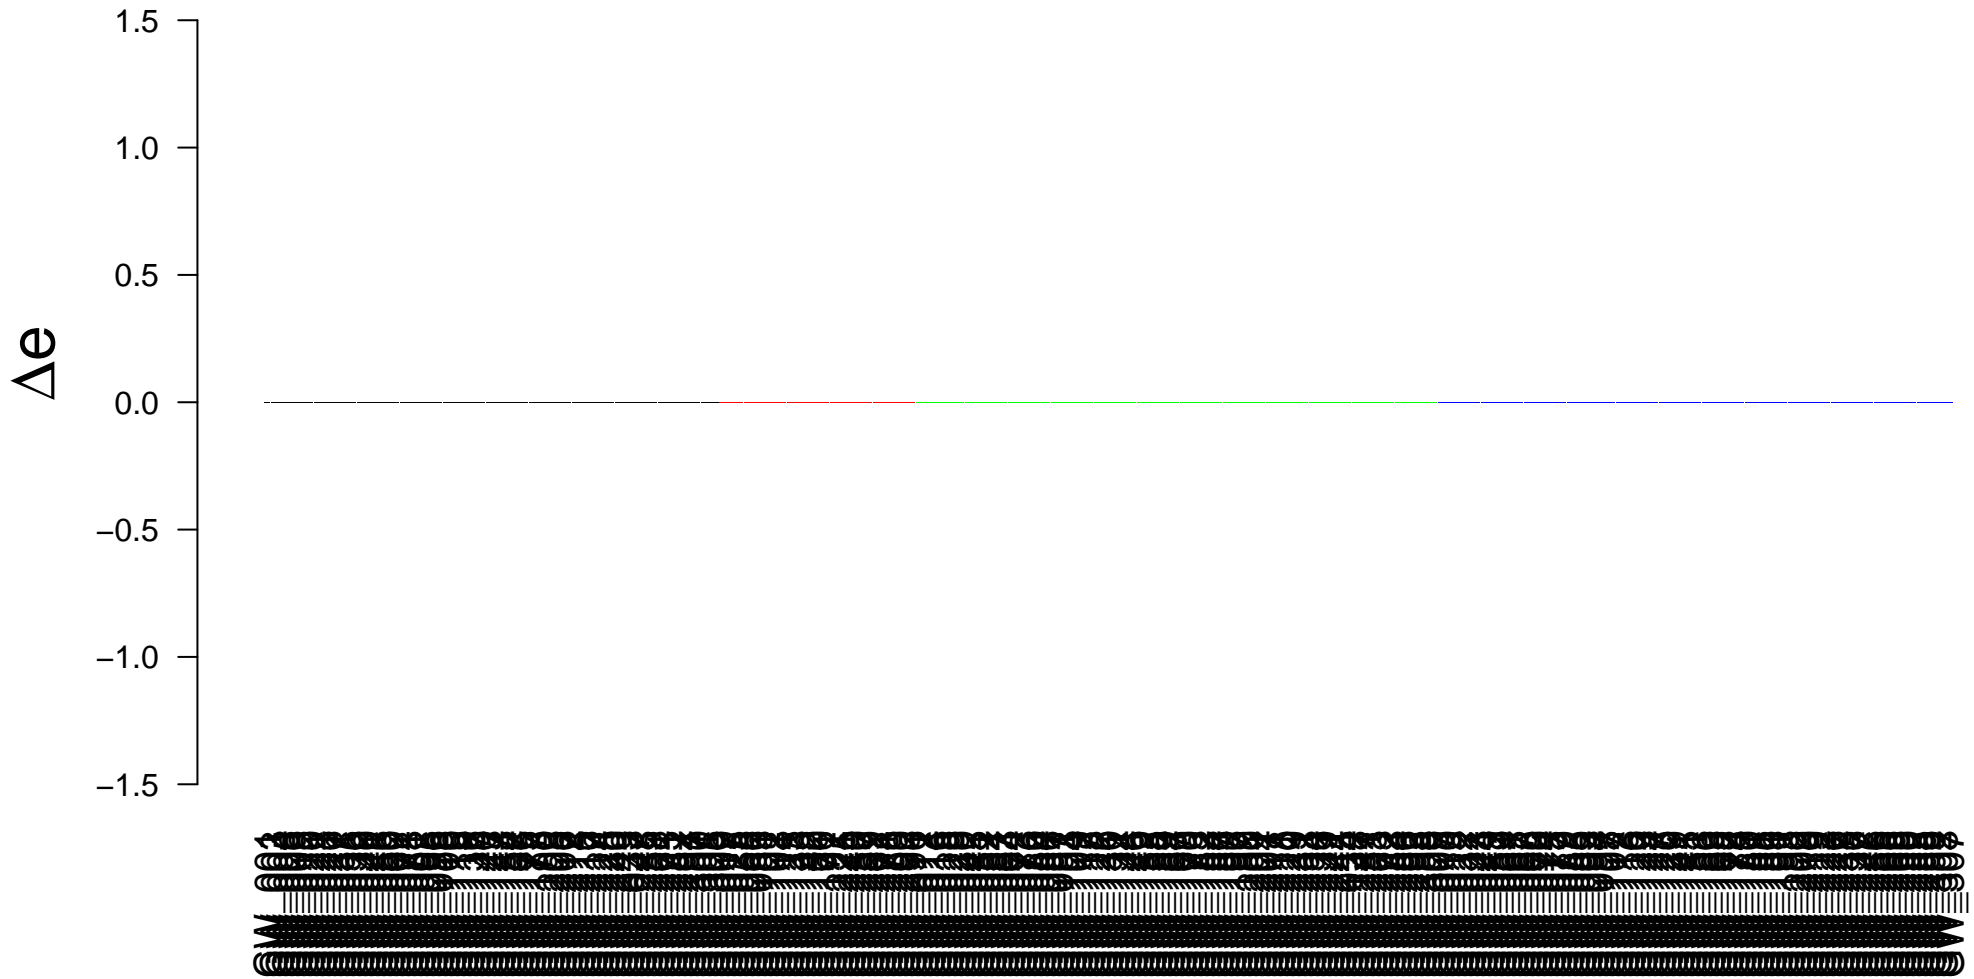

# Expression of receptor complex in Spot K

# Expression of receptor complex in Spot L

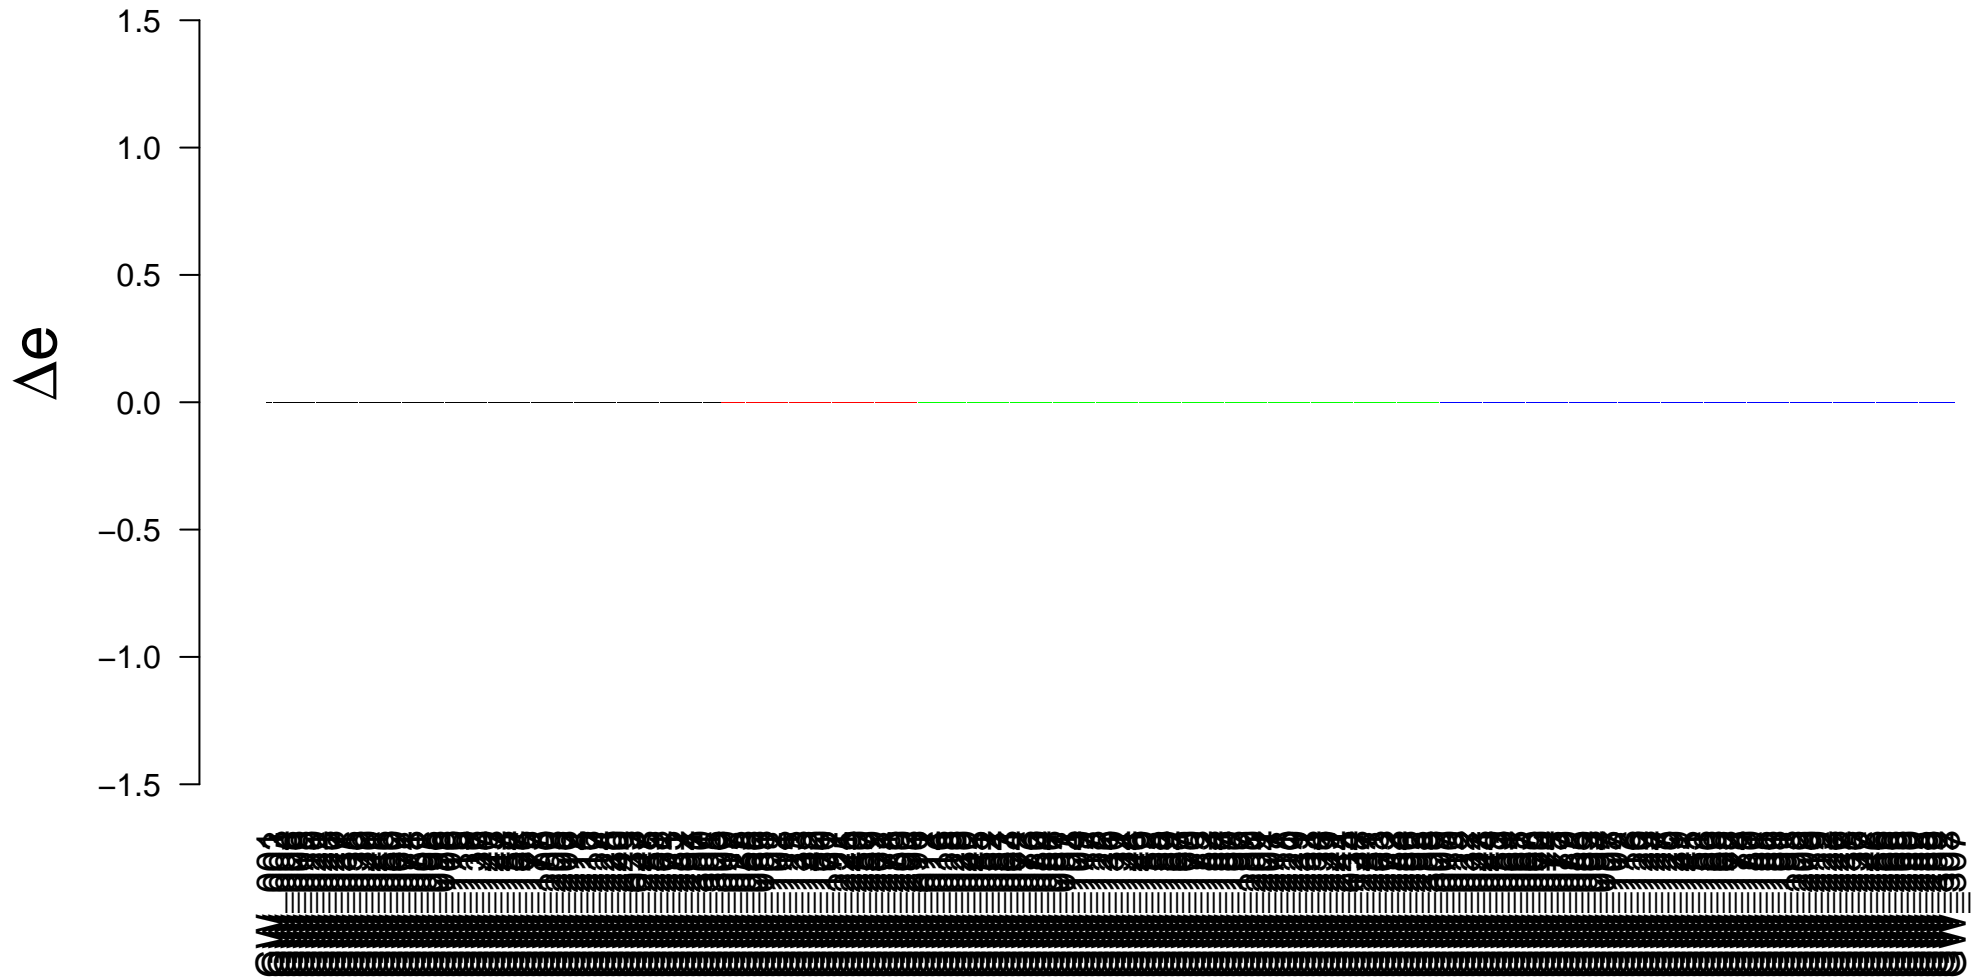

# Expression of receptor complex in Spot M

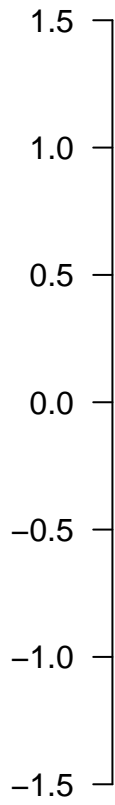

# Expression of receptor complex in Spot N

# Expression of receptor complex in Spot O
