

receptor-mediated endocytosis

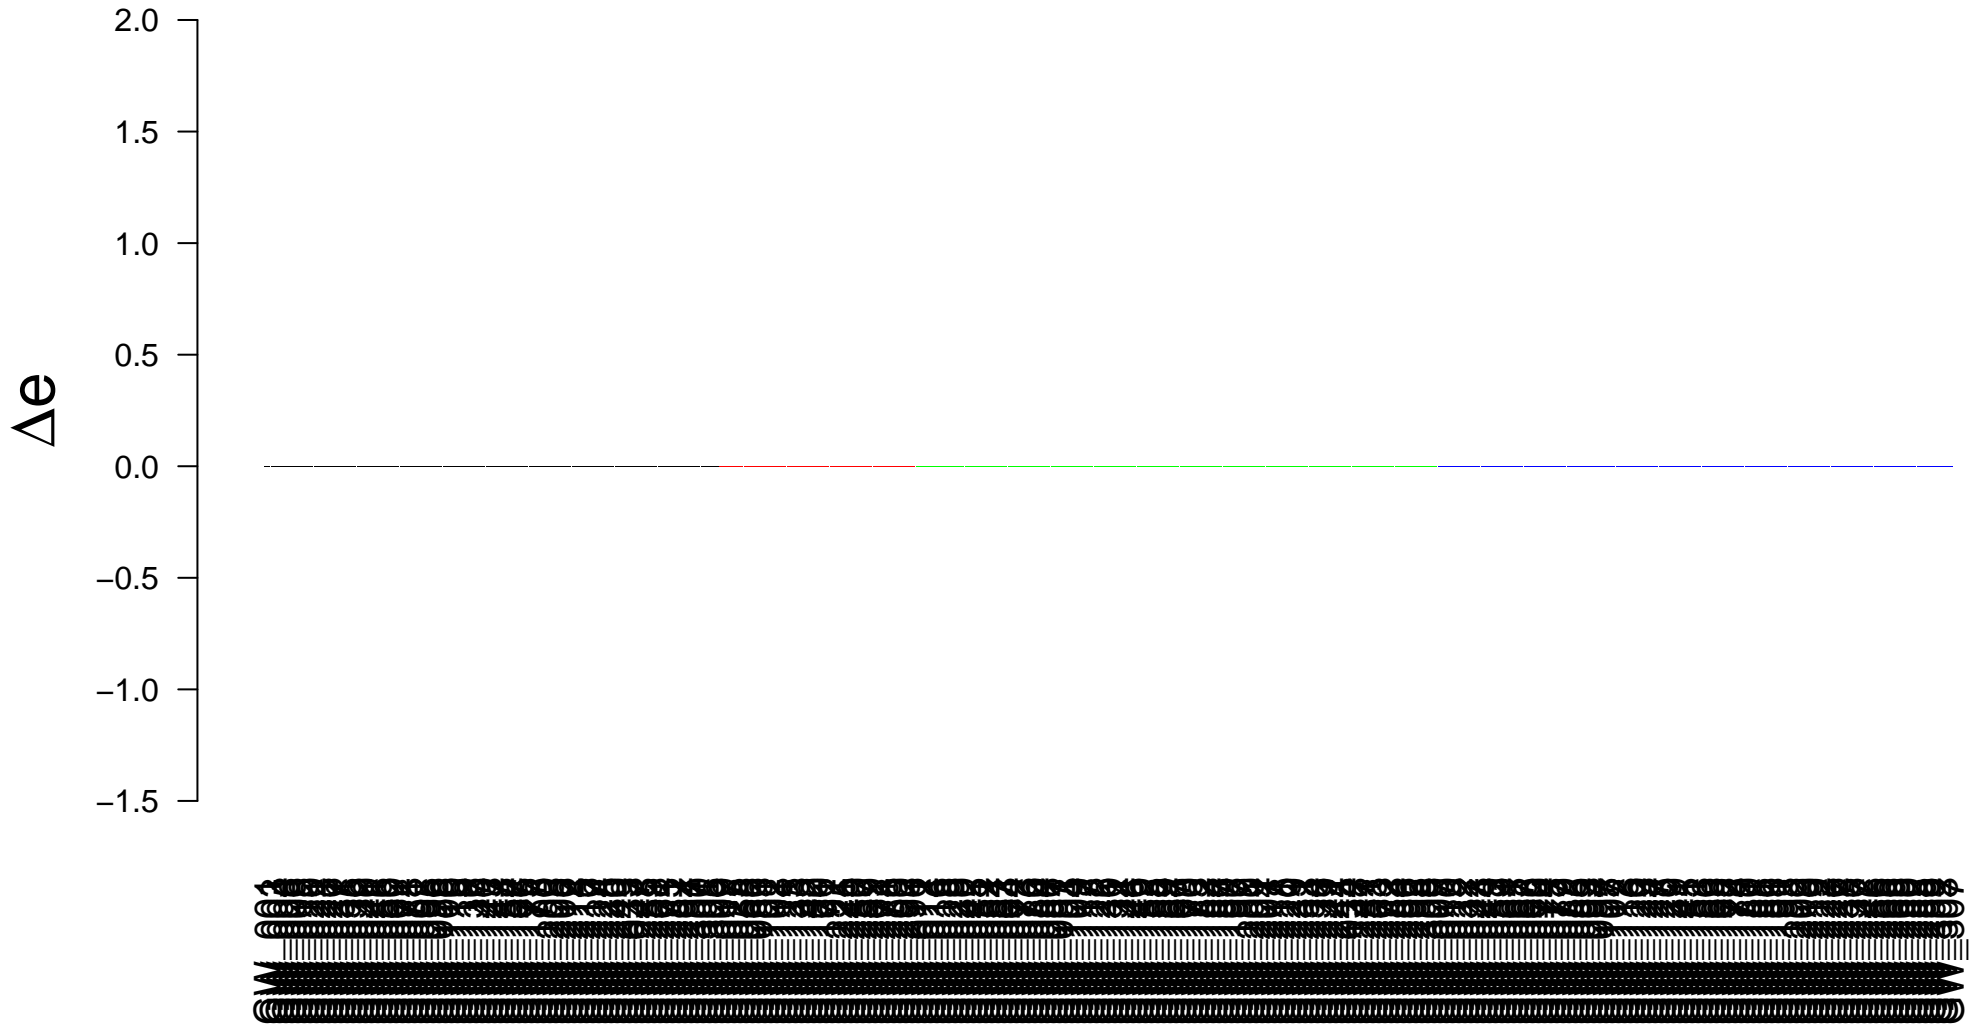

receptor-mediated endocytosis

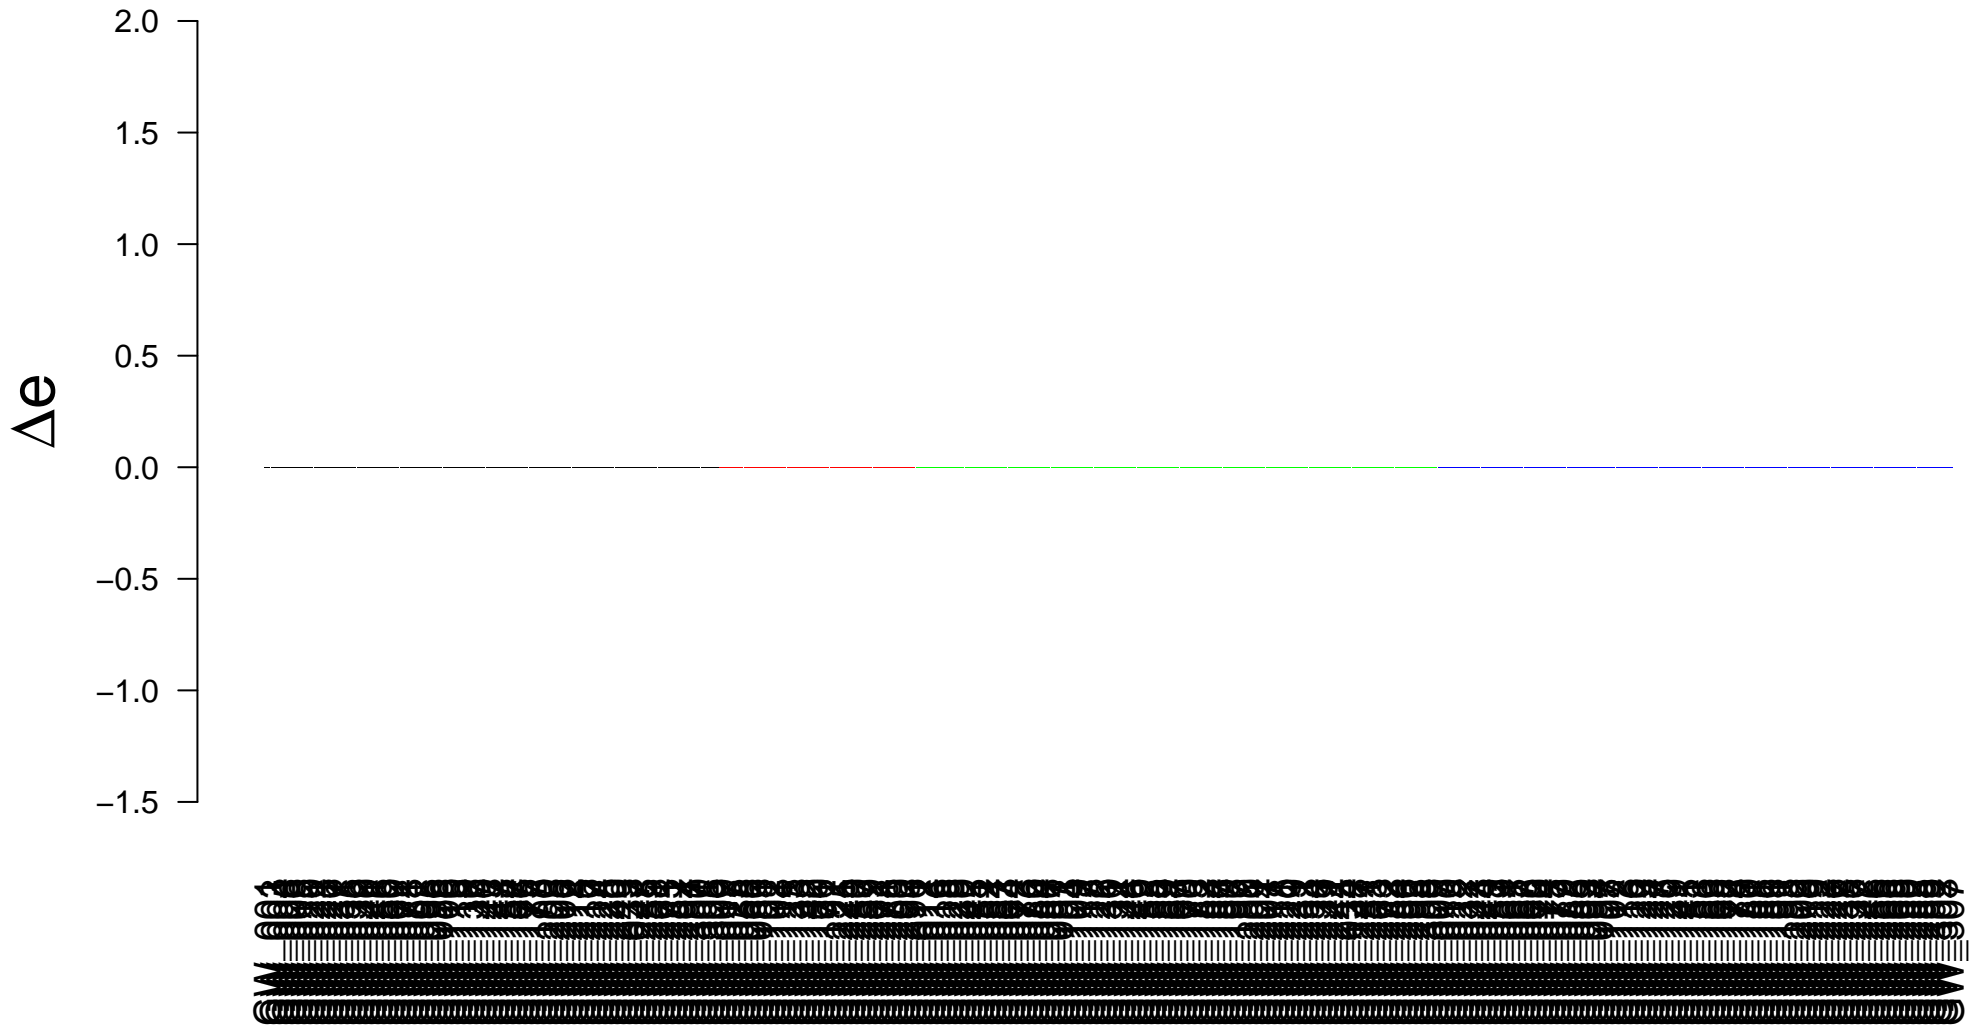

Enrichment in spots: receptor-mediated endocytosis

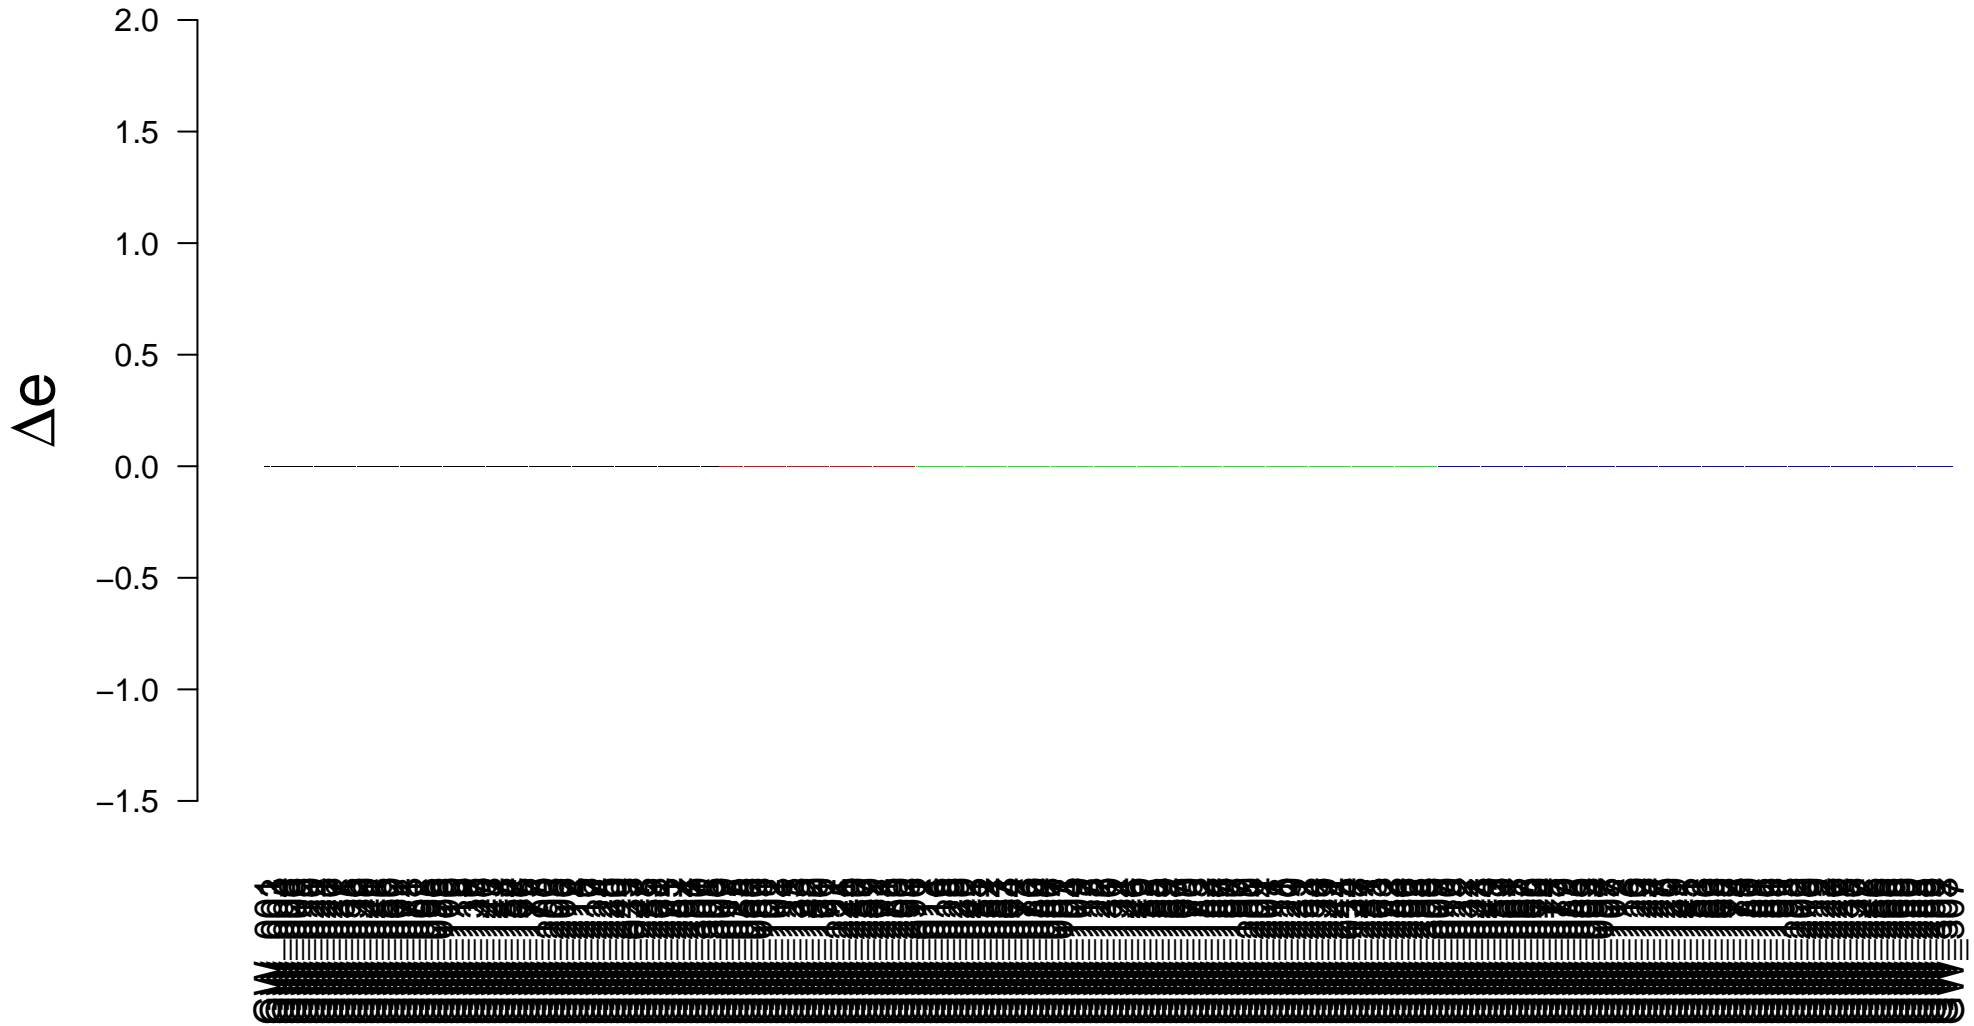

Expression of receptor-mediated endocytosis in Spot A

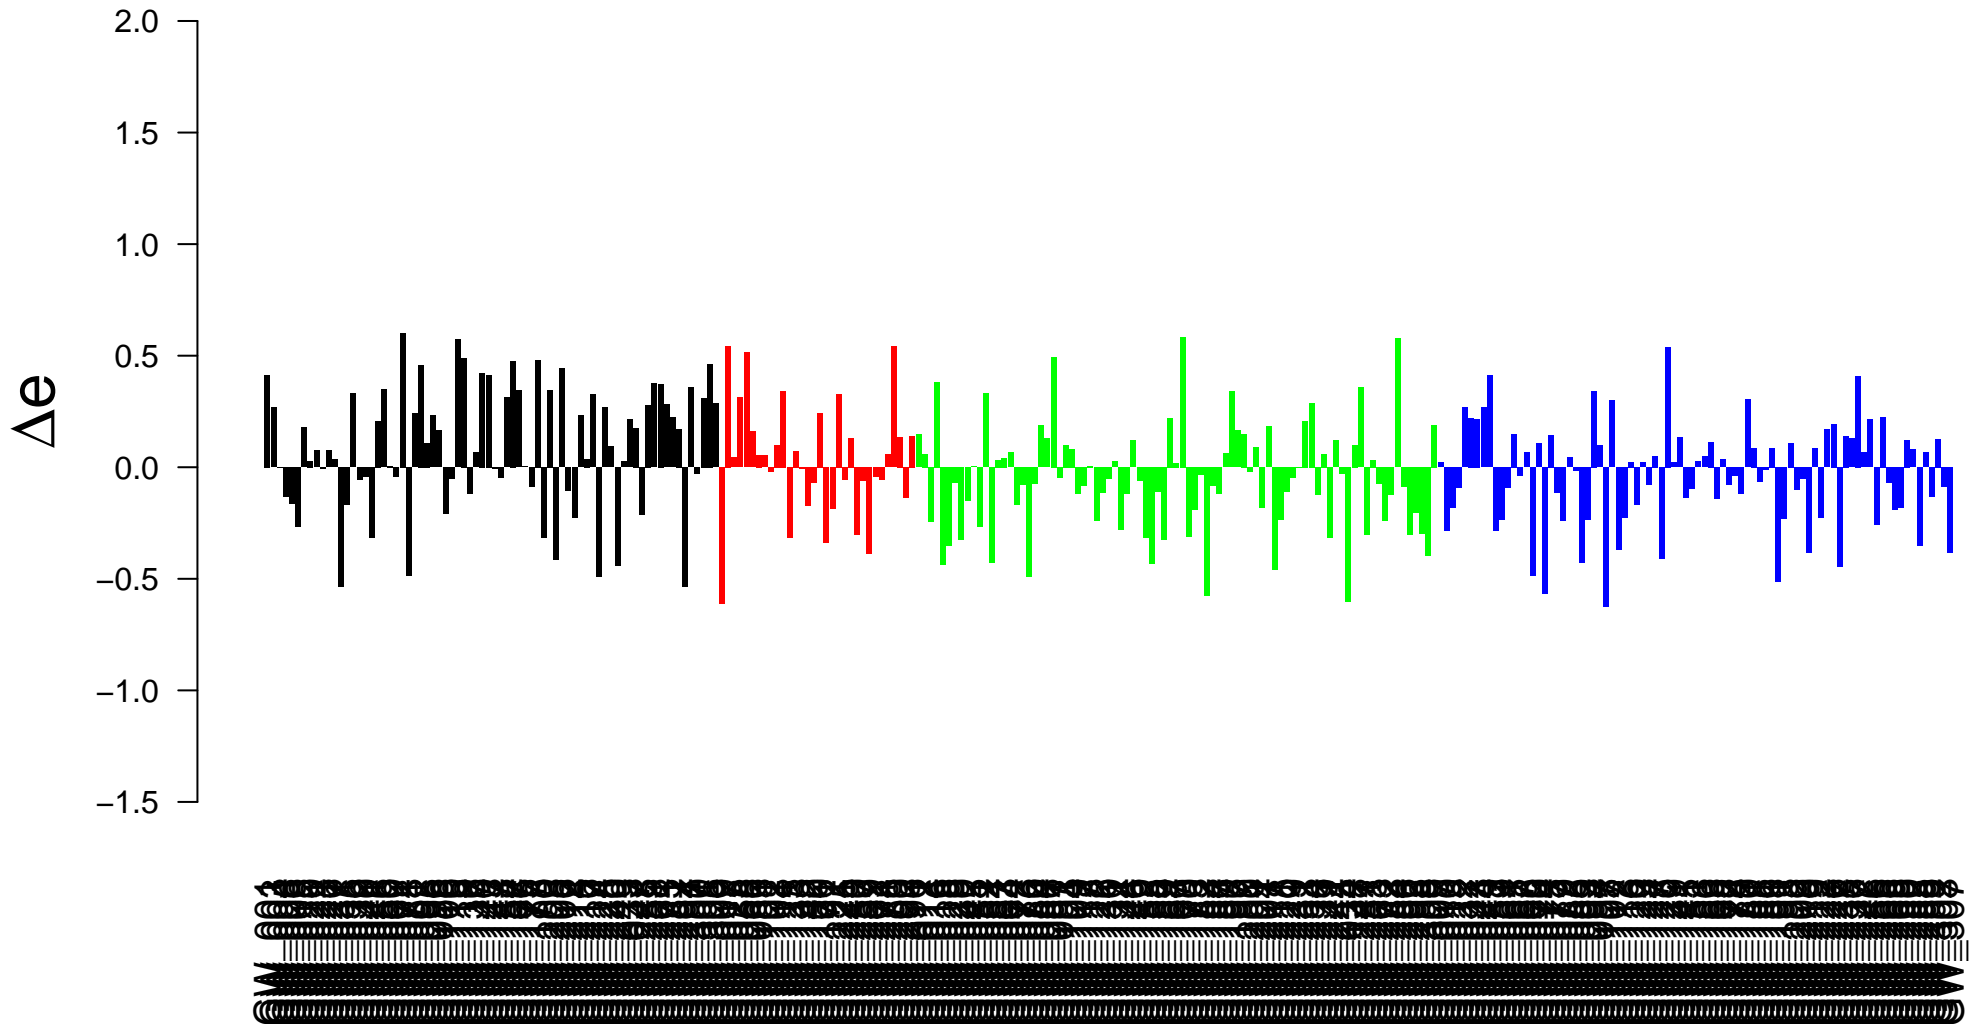

Expression of receptor-mediated endocytosis in Spot B

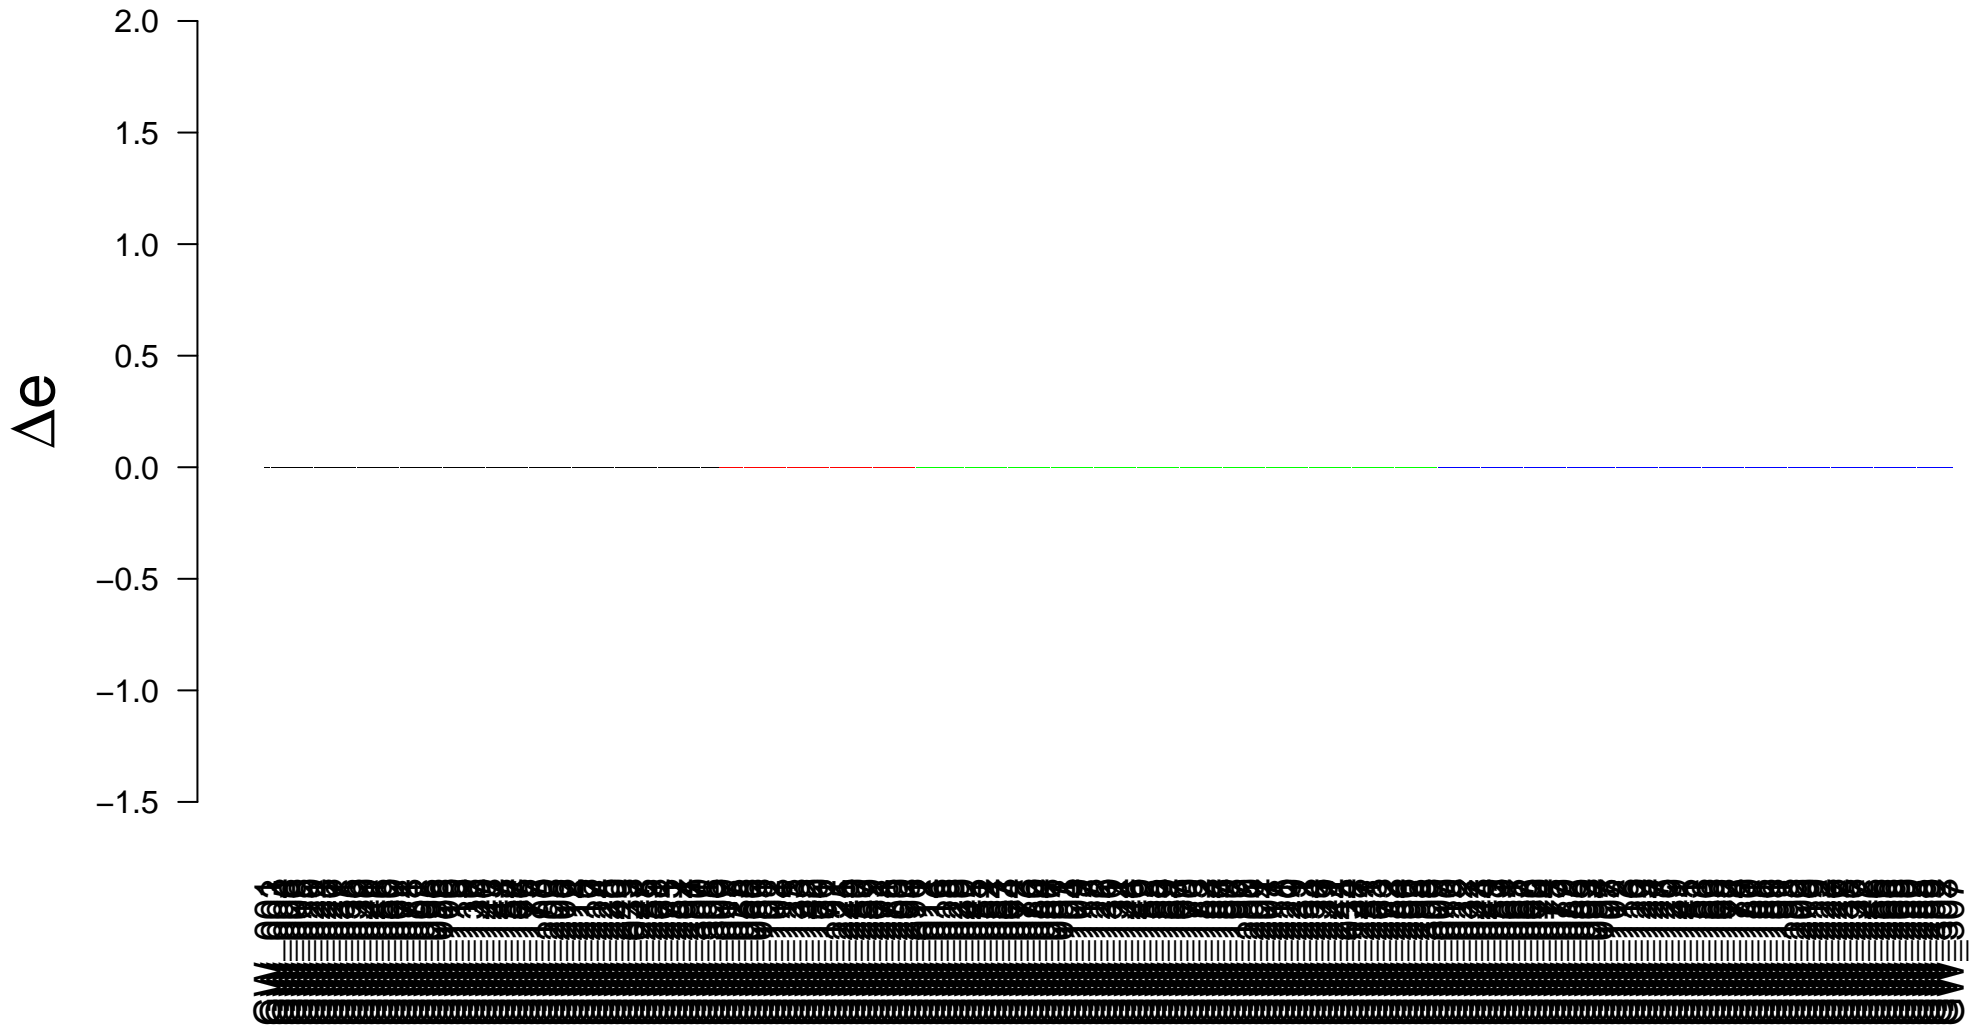

Expression of receptor-mediated endocytosis in Spot C

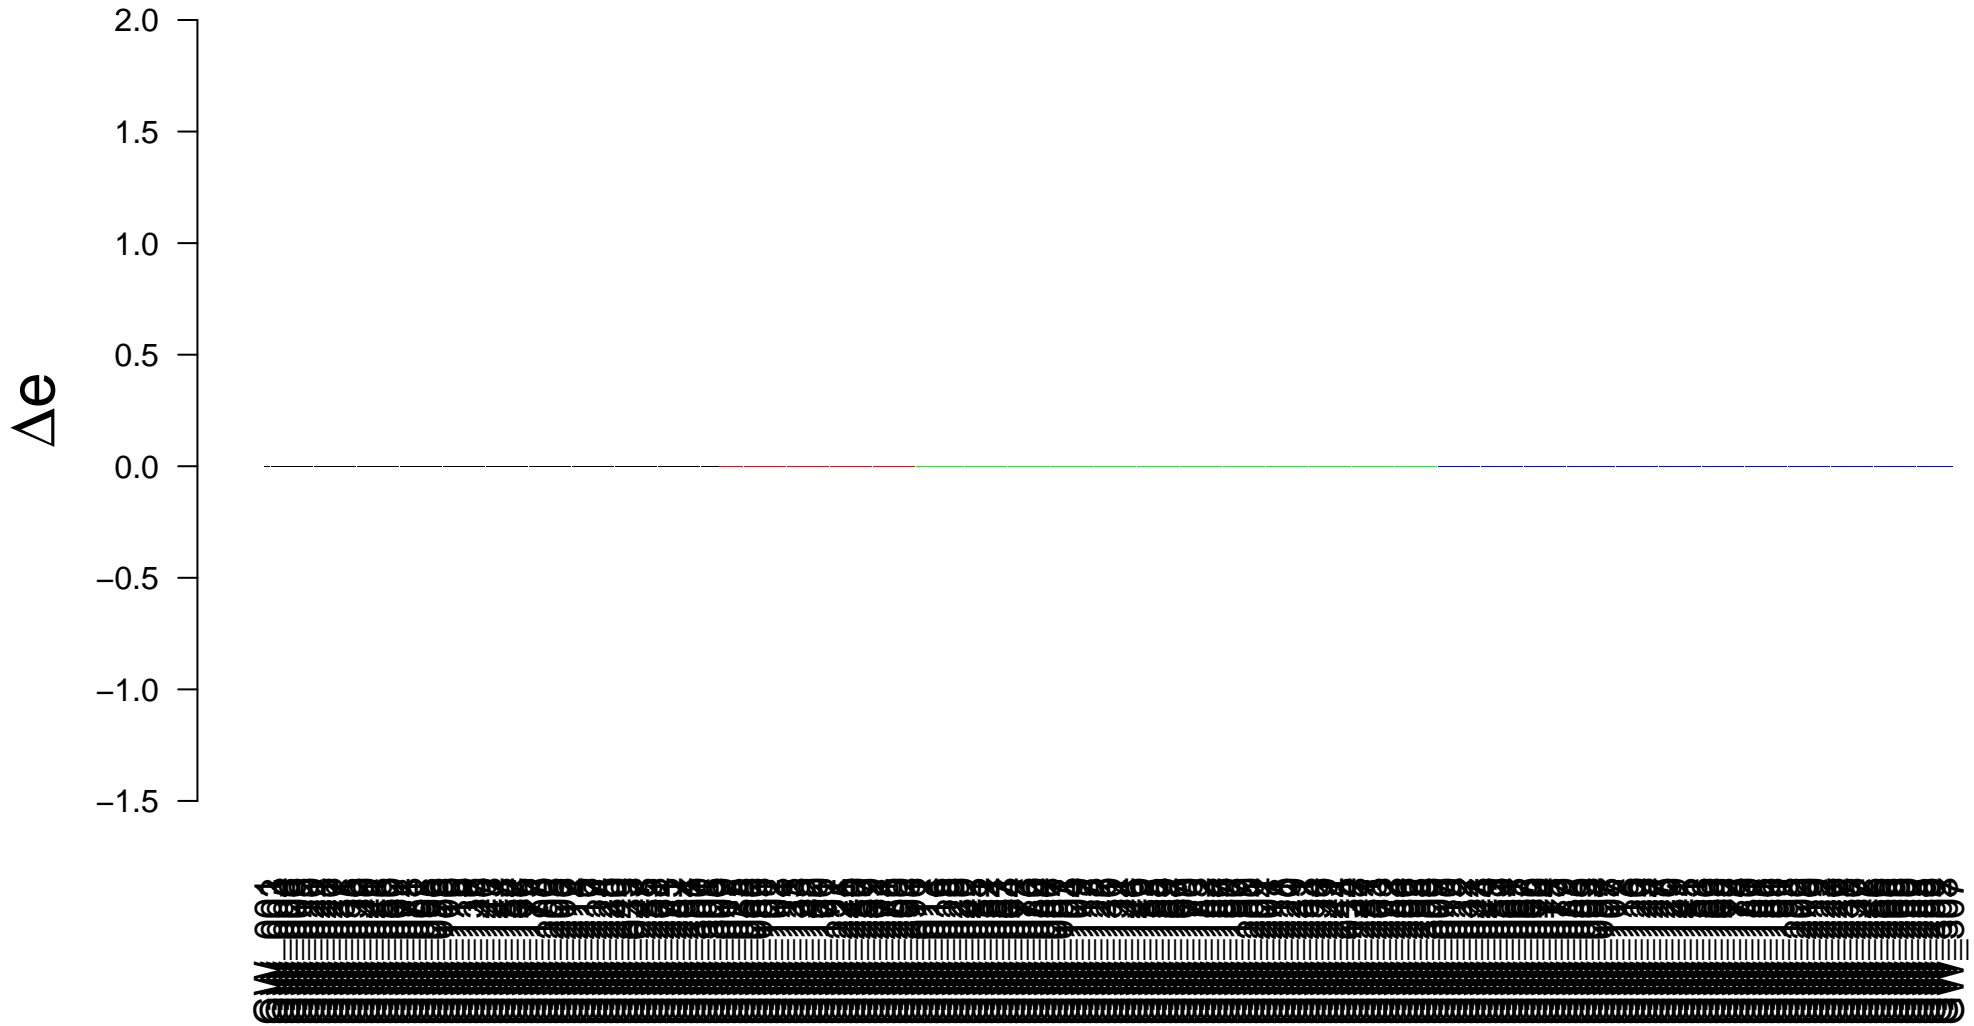

Expression of receptor-mediated endocytosis in Spot D

Expression of receptor-mediated endocytosis in Spot E

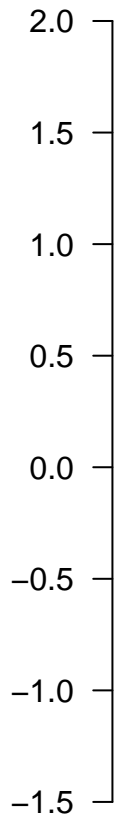

Expression of receptor-mediated endocytosis in Spot F

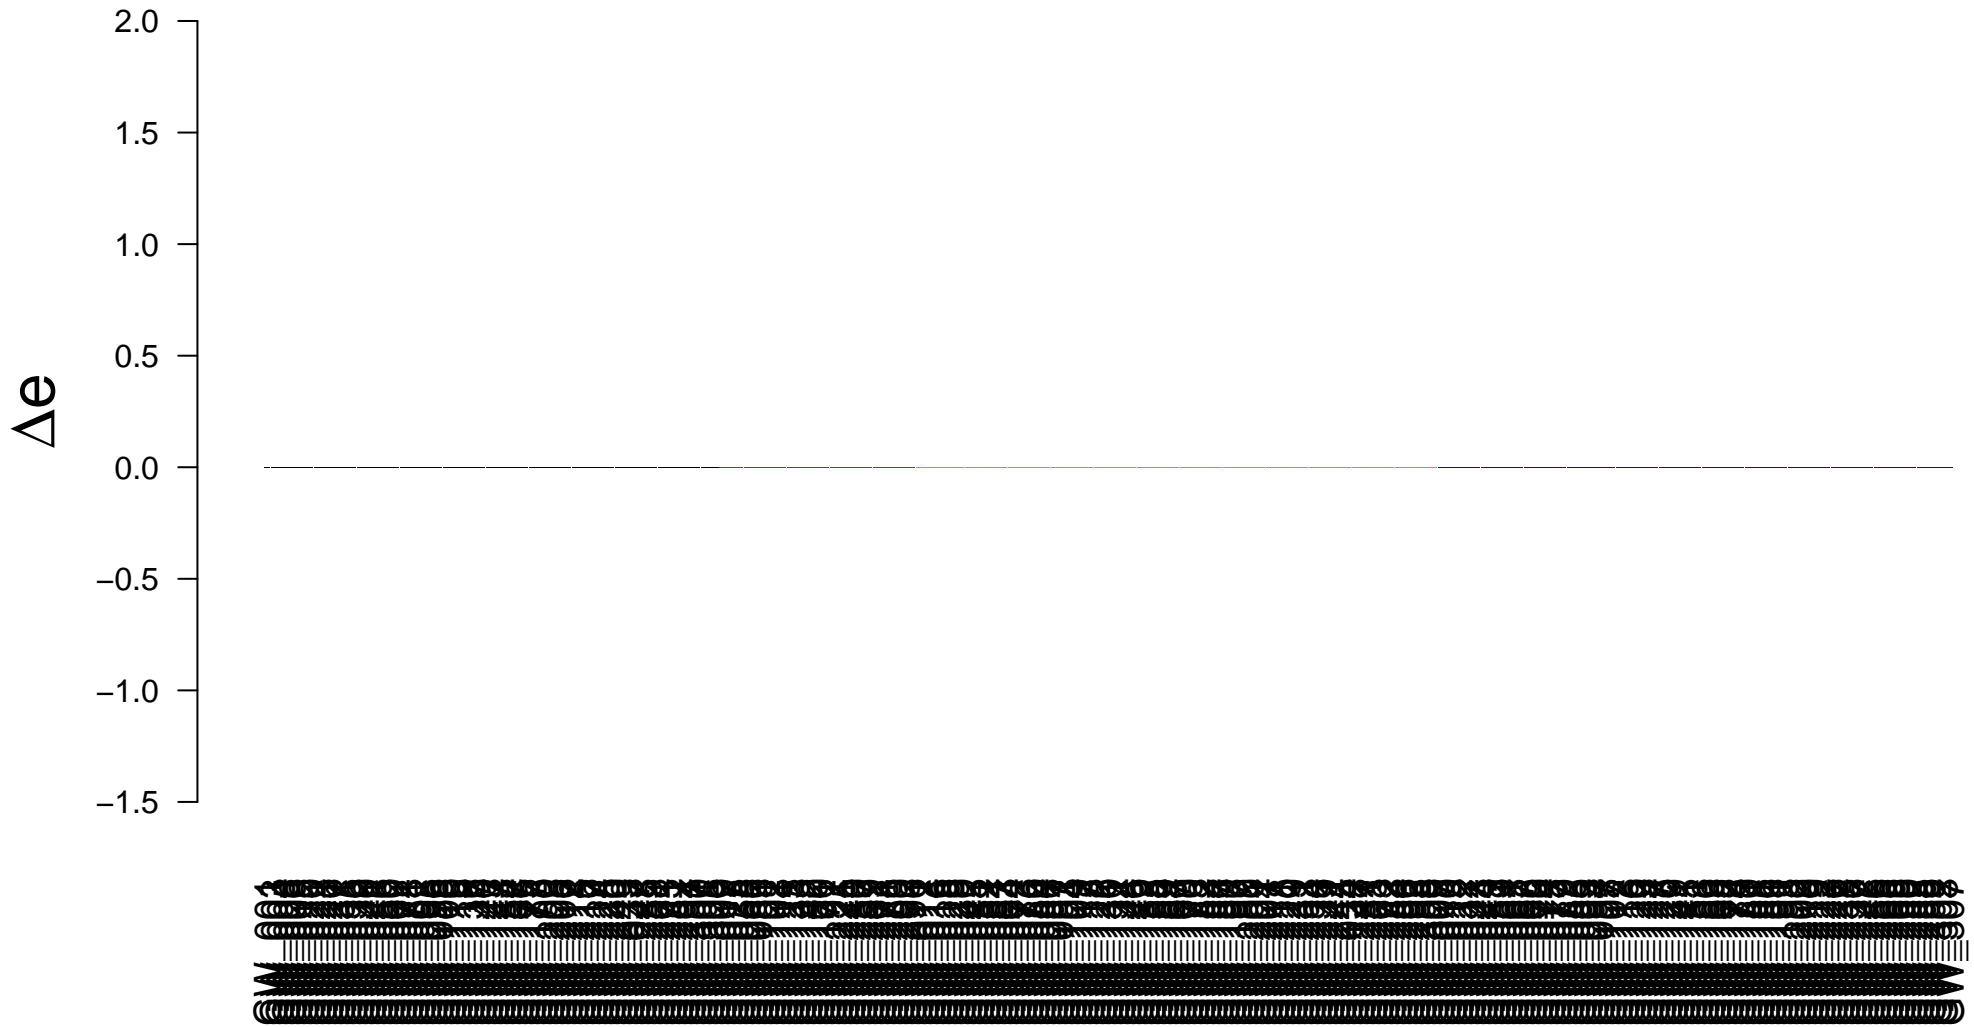

Expression of receptor-mediated endocytosis in Spot G

Δe

Expression of receptor-mediated endocytosis in Spot H

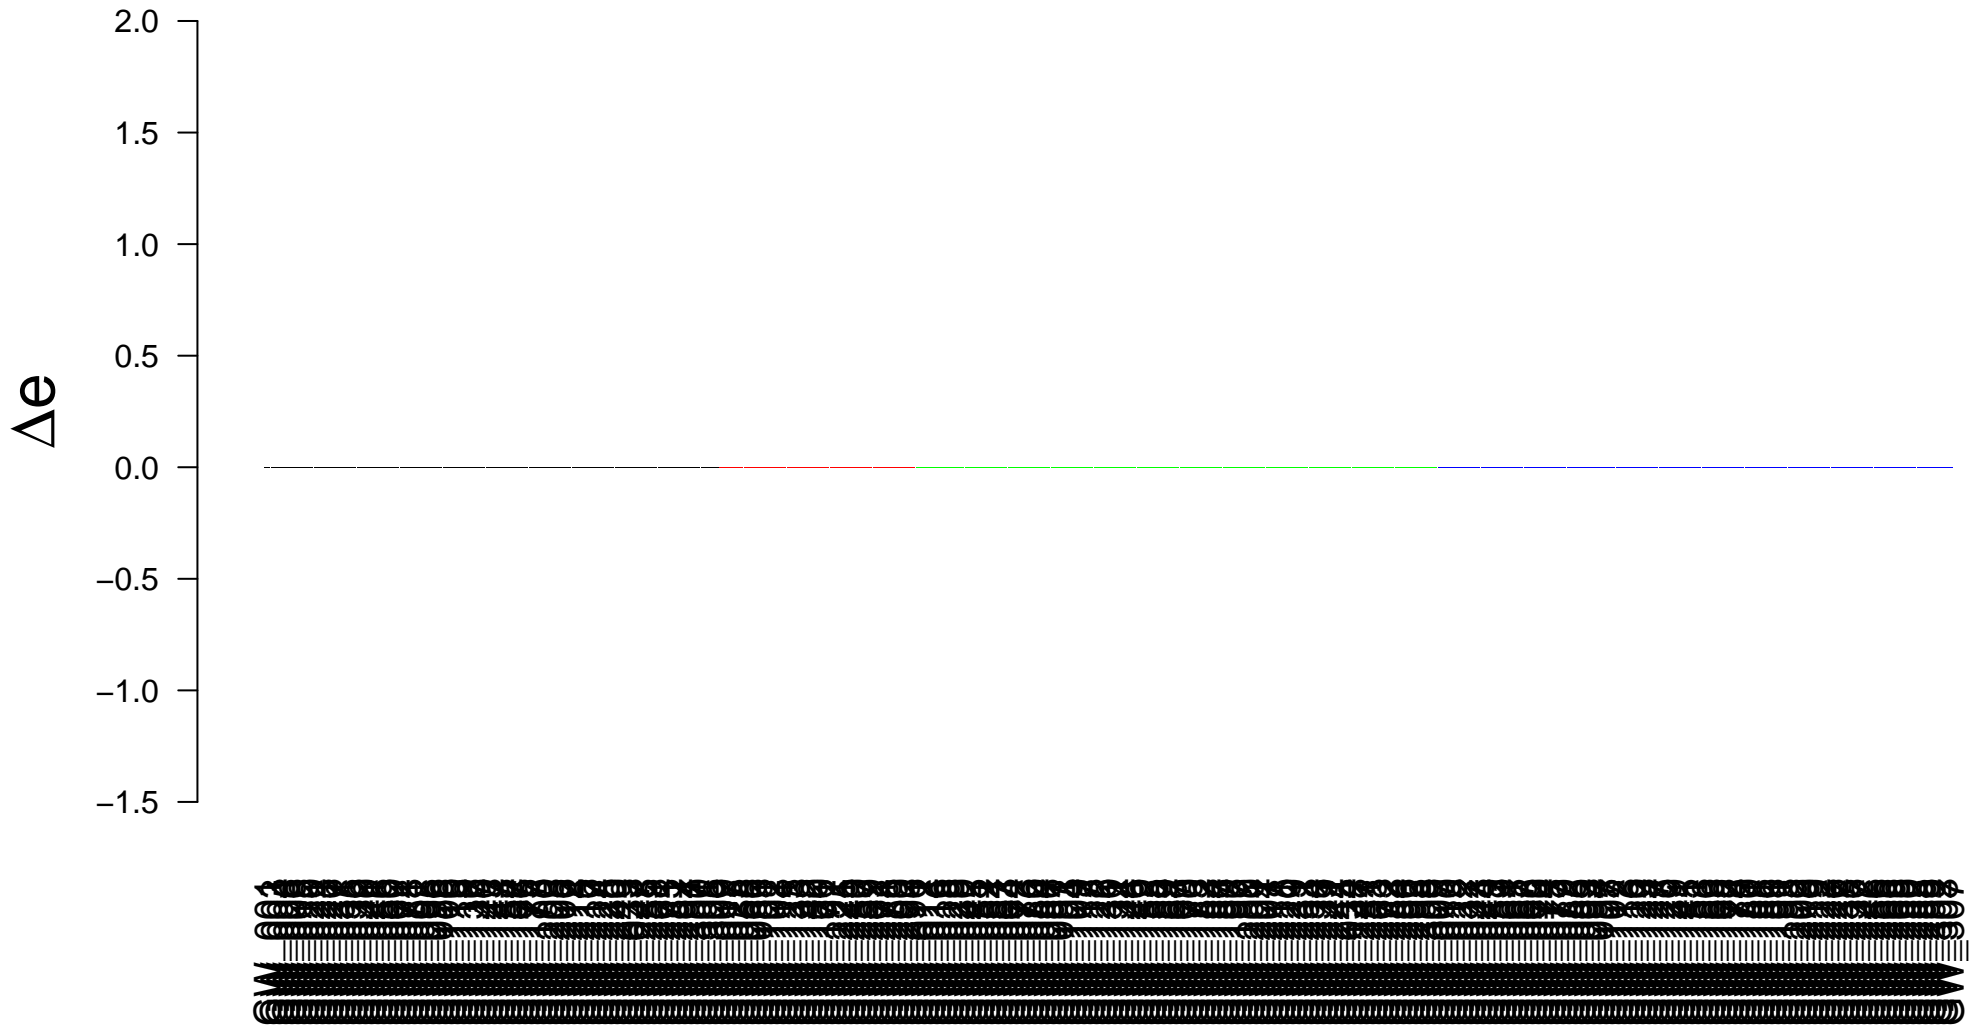

Expression of receptor-mediated endocytosis in Spot I

Expression of receptor-mediated endocytosis in Spot J

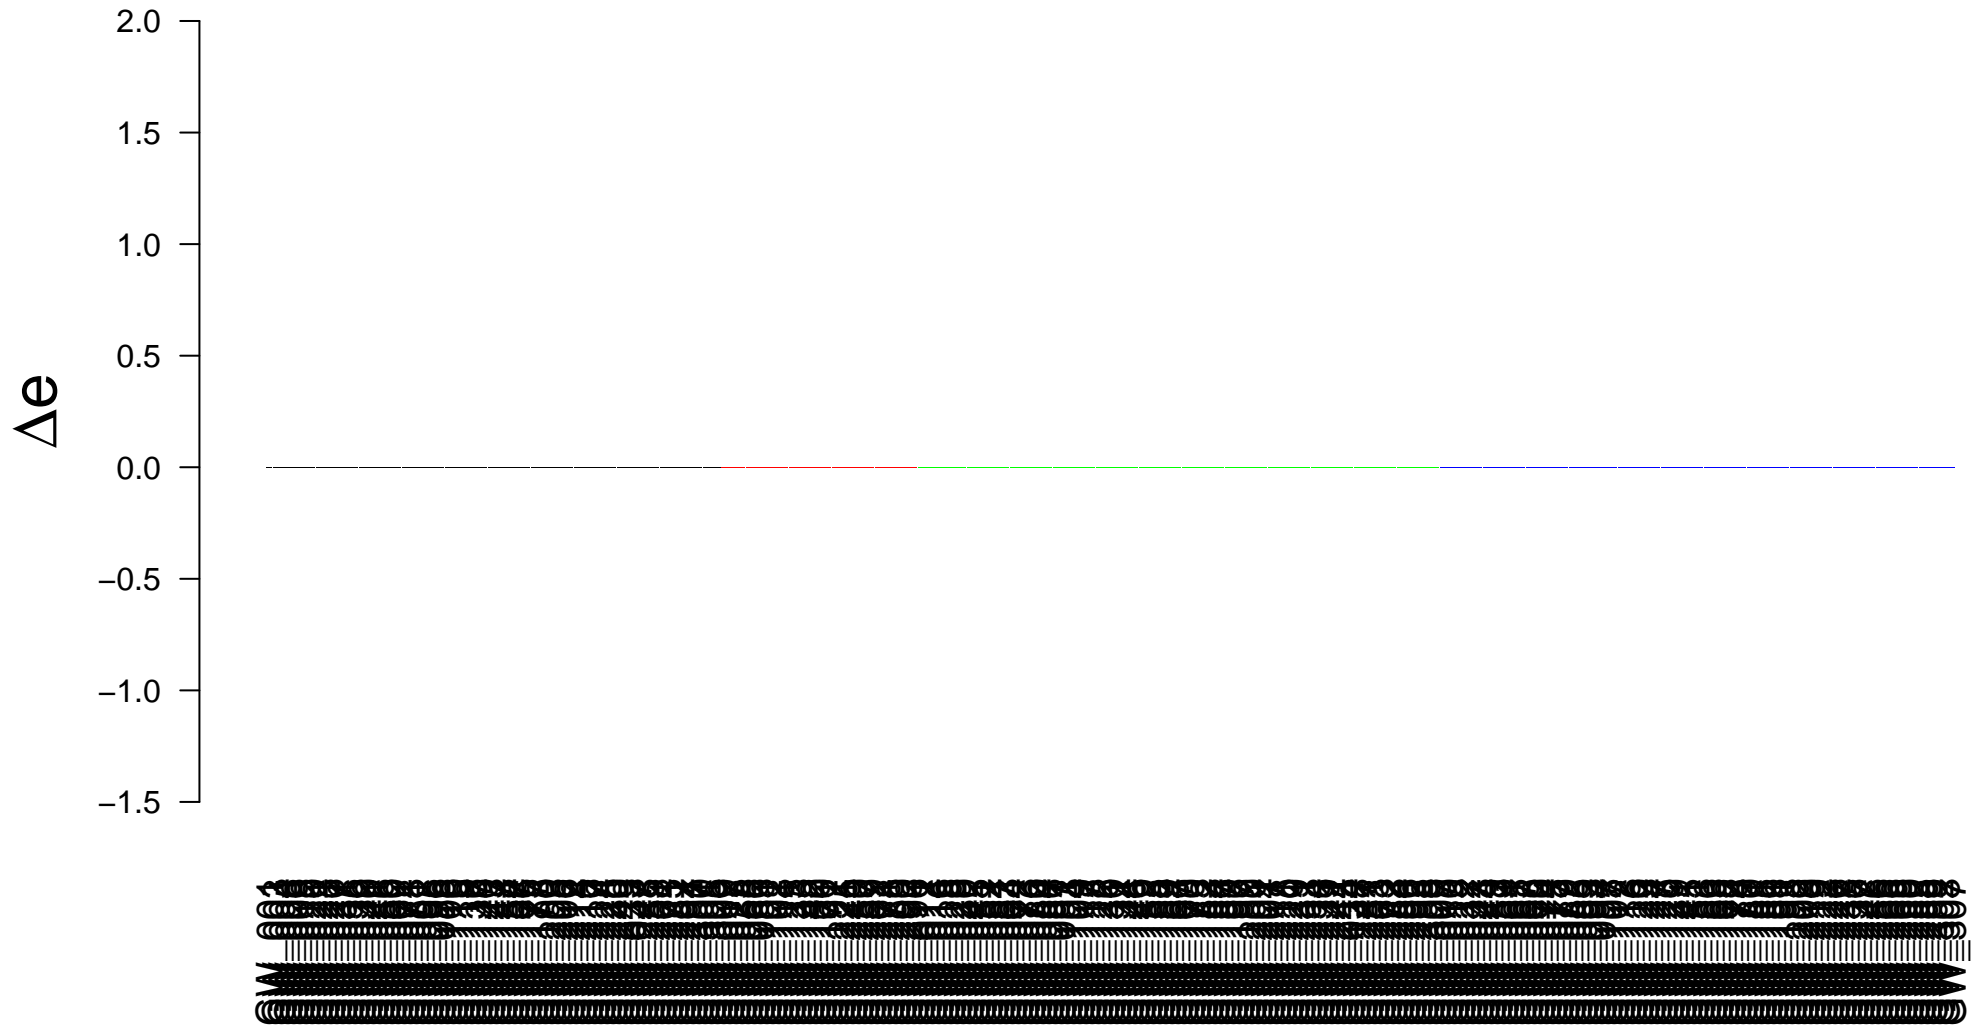

Expression of receptor-mediated endocytosis in Spot K

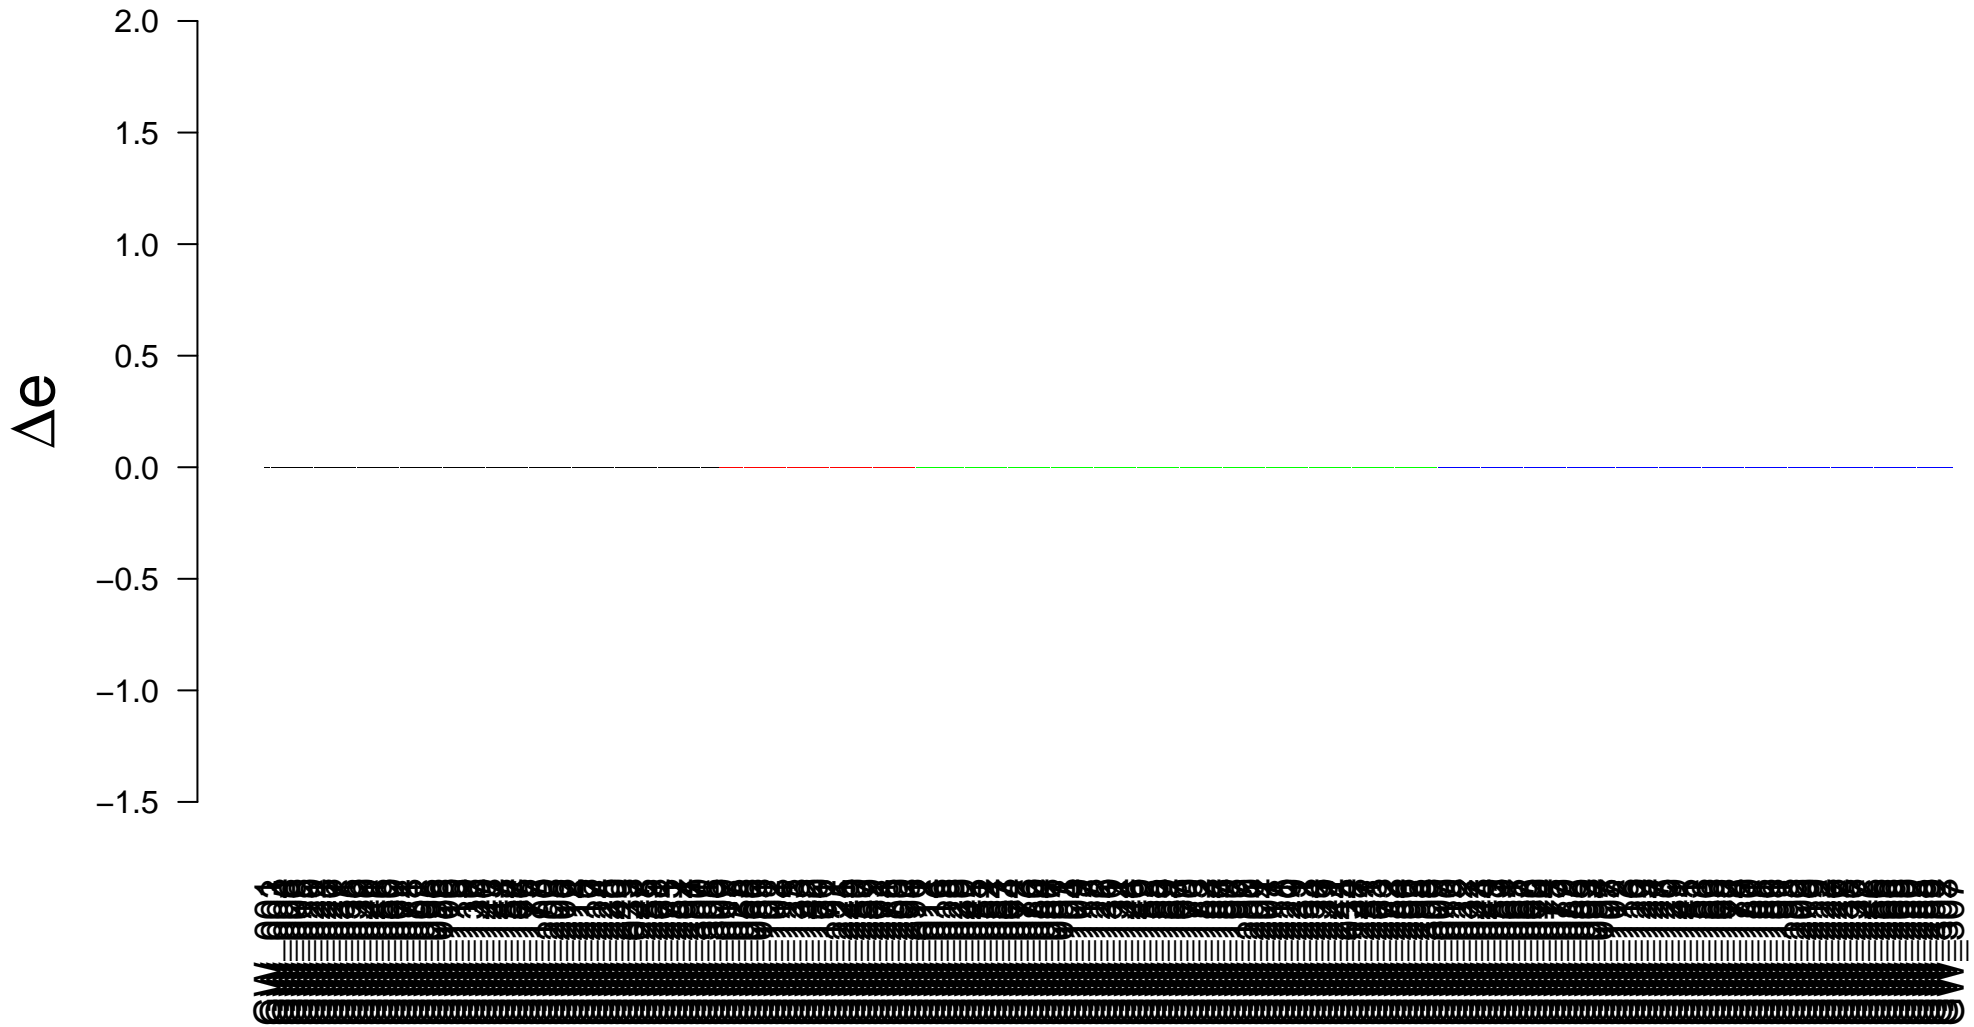

Expression of receptor-mediated endocytosis in Spot L

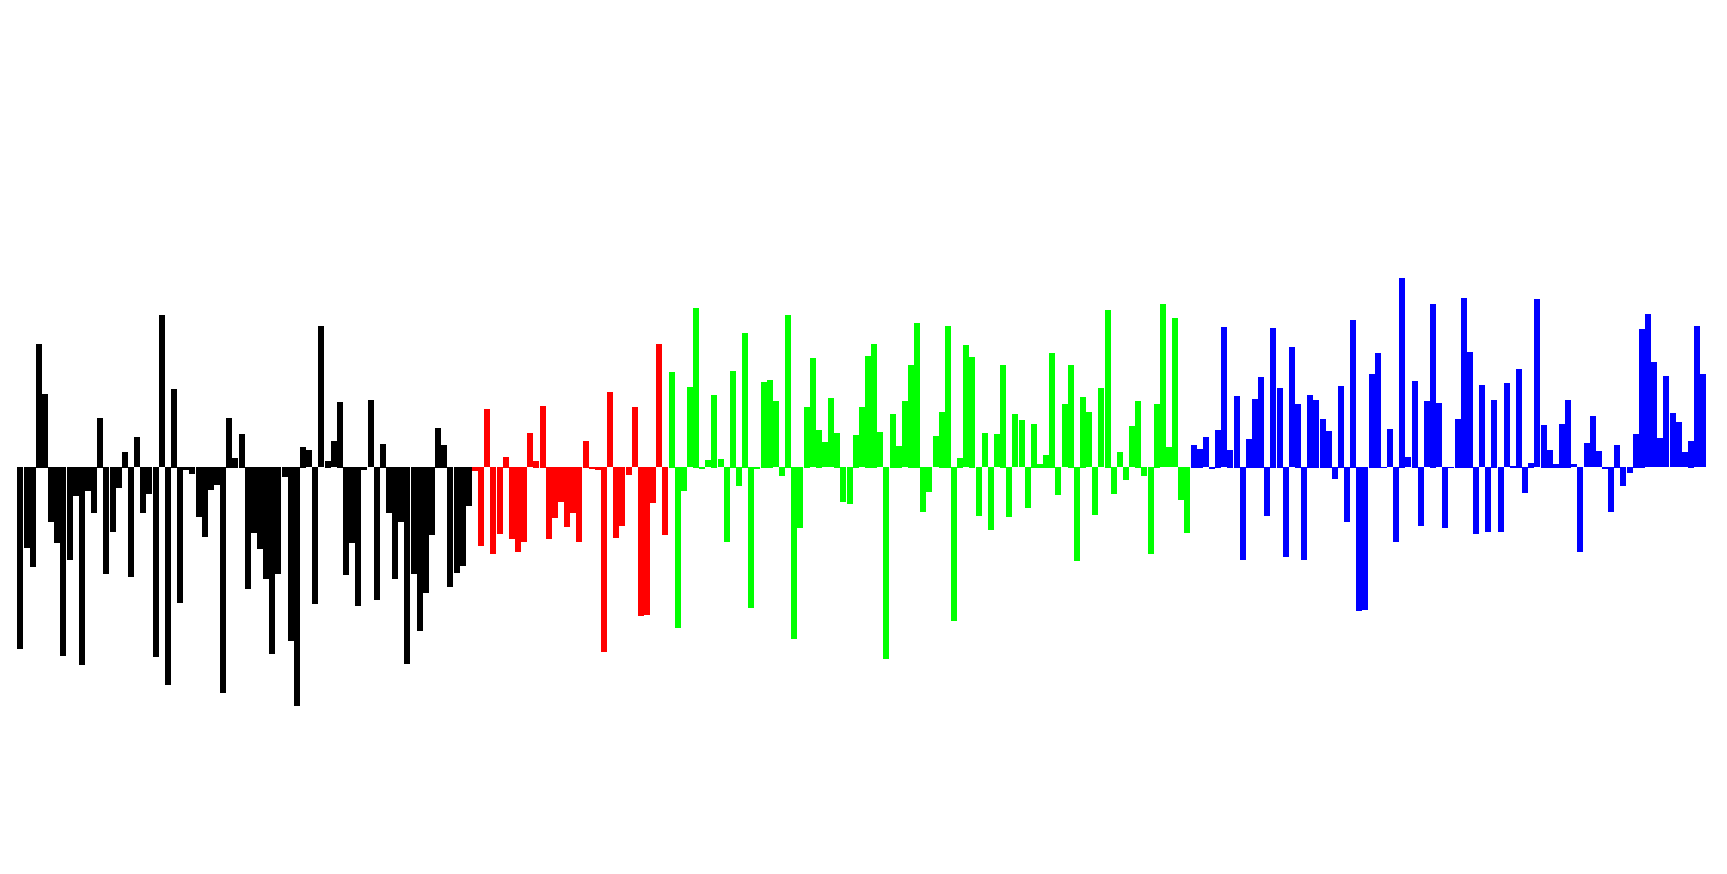

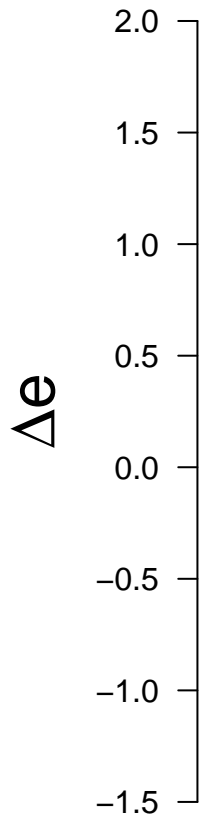

Expression of receptor-mediated endocytosis in Spot M

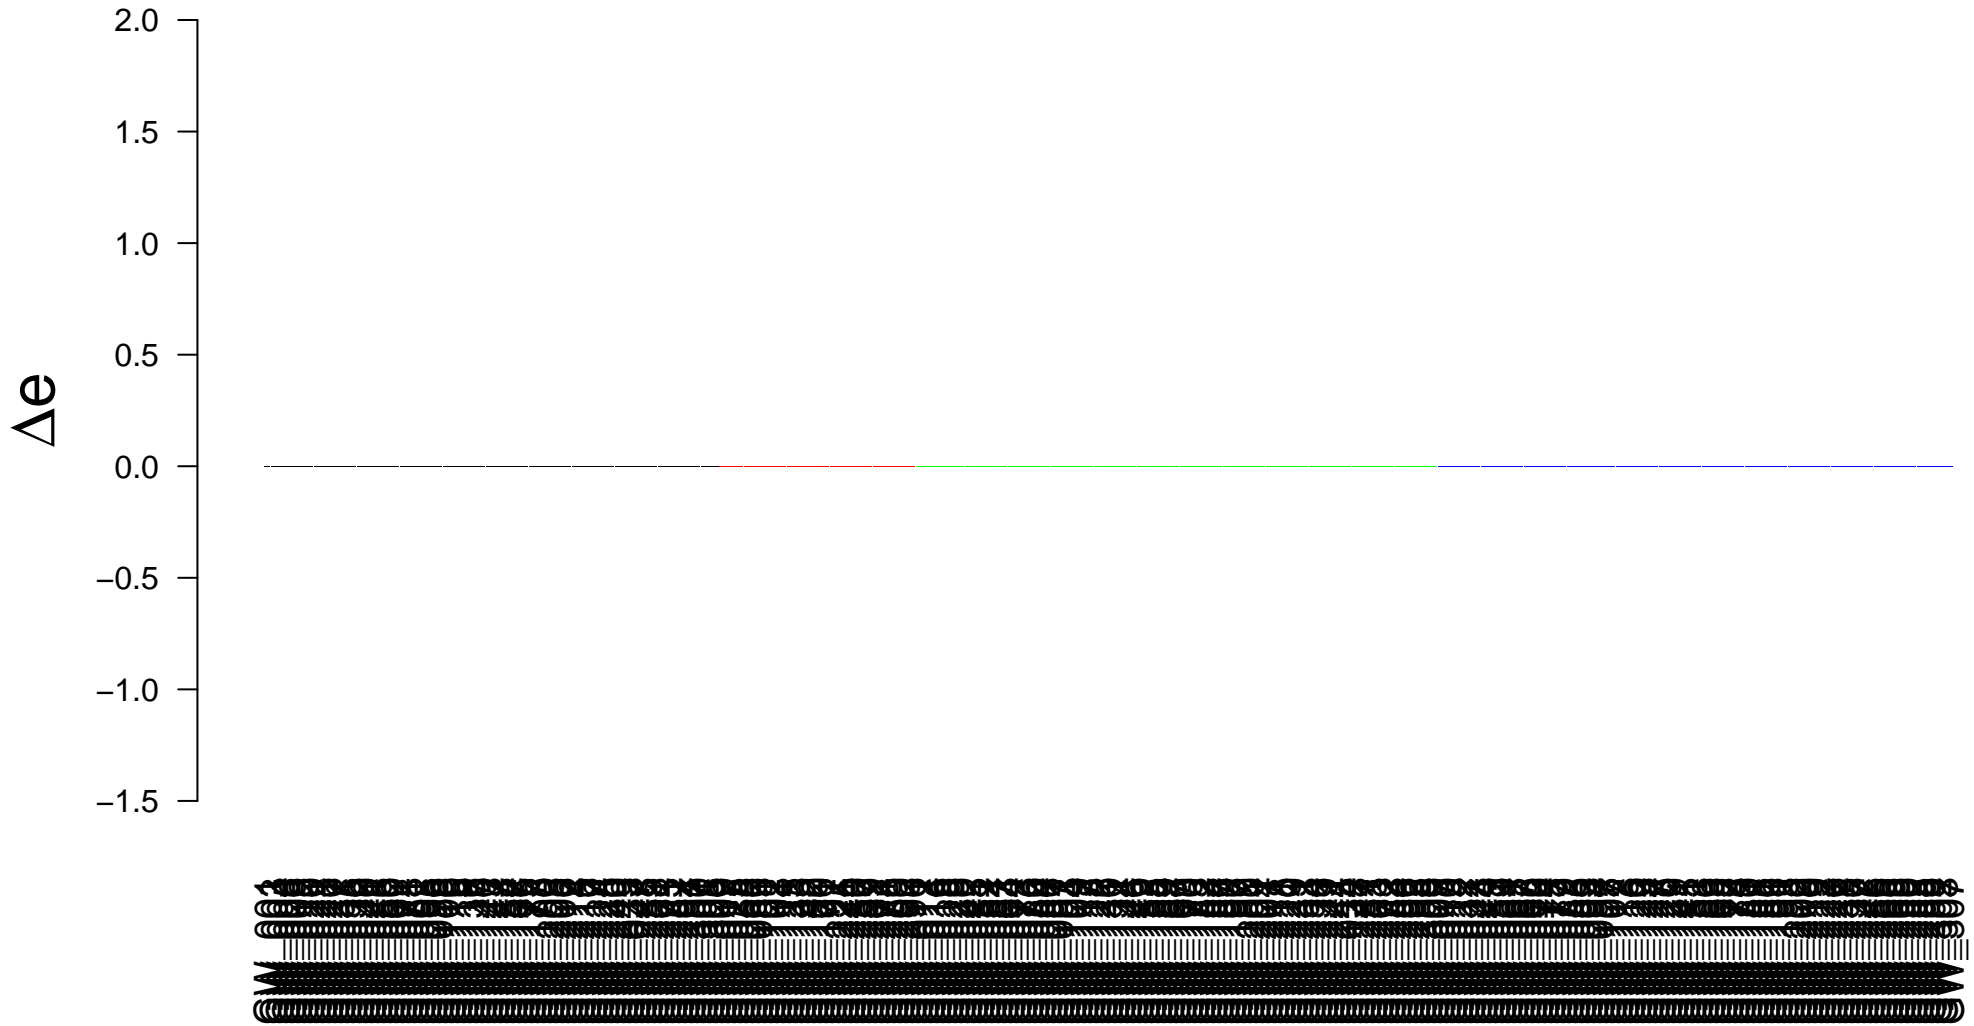

Expression of receptor-mediated endocytosis in Spot N

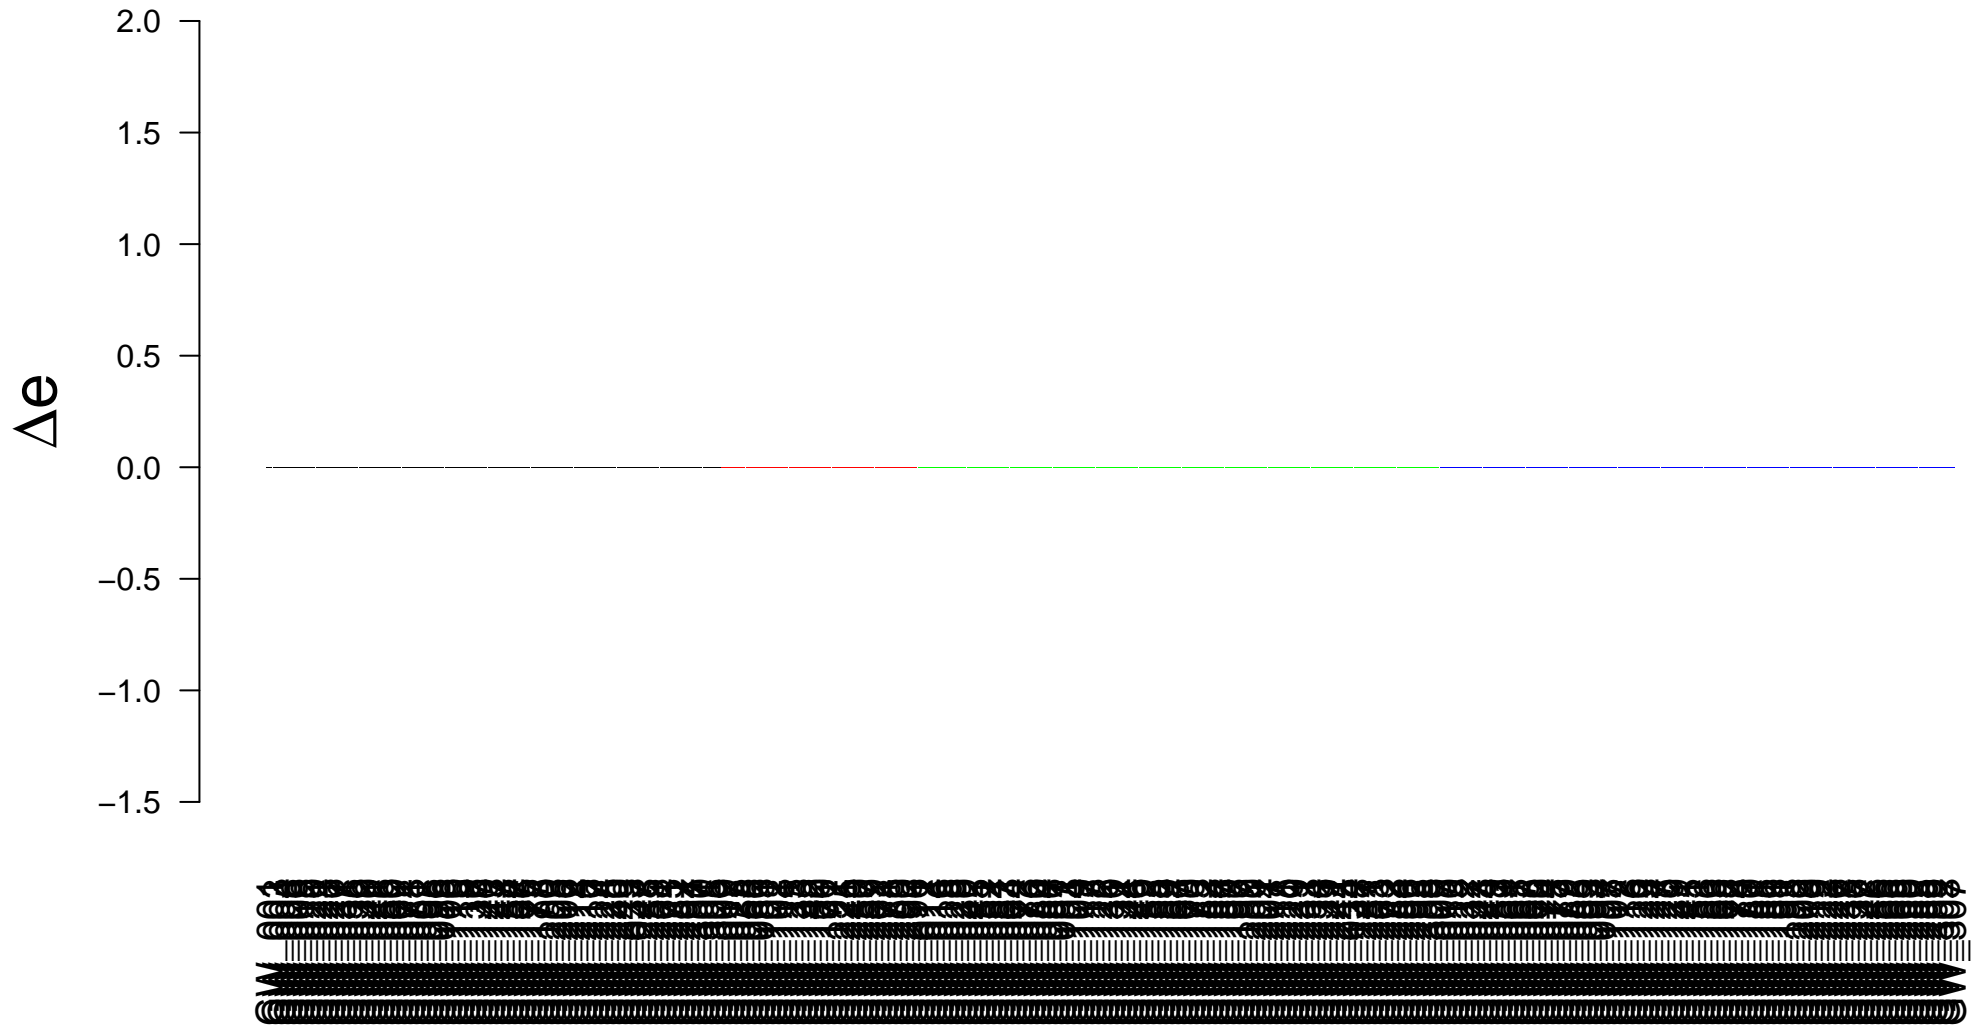

Expression of receptor-mediated endocytosis in Spot O

Expression of receptor-mediated endocytosis in Spot P

Expression of receptor-mediated endocytosis in Spot Q

Expression of receptor-mediated endocytosis in Spot R
