

receptor signaling complex scaffold activity

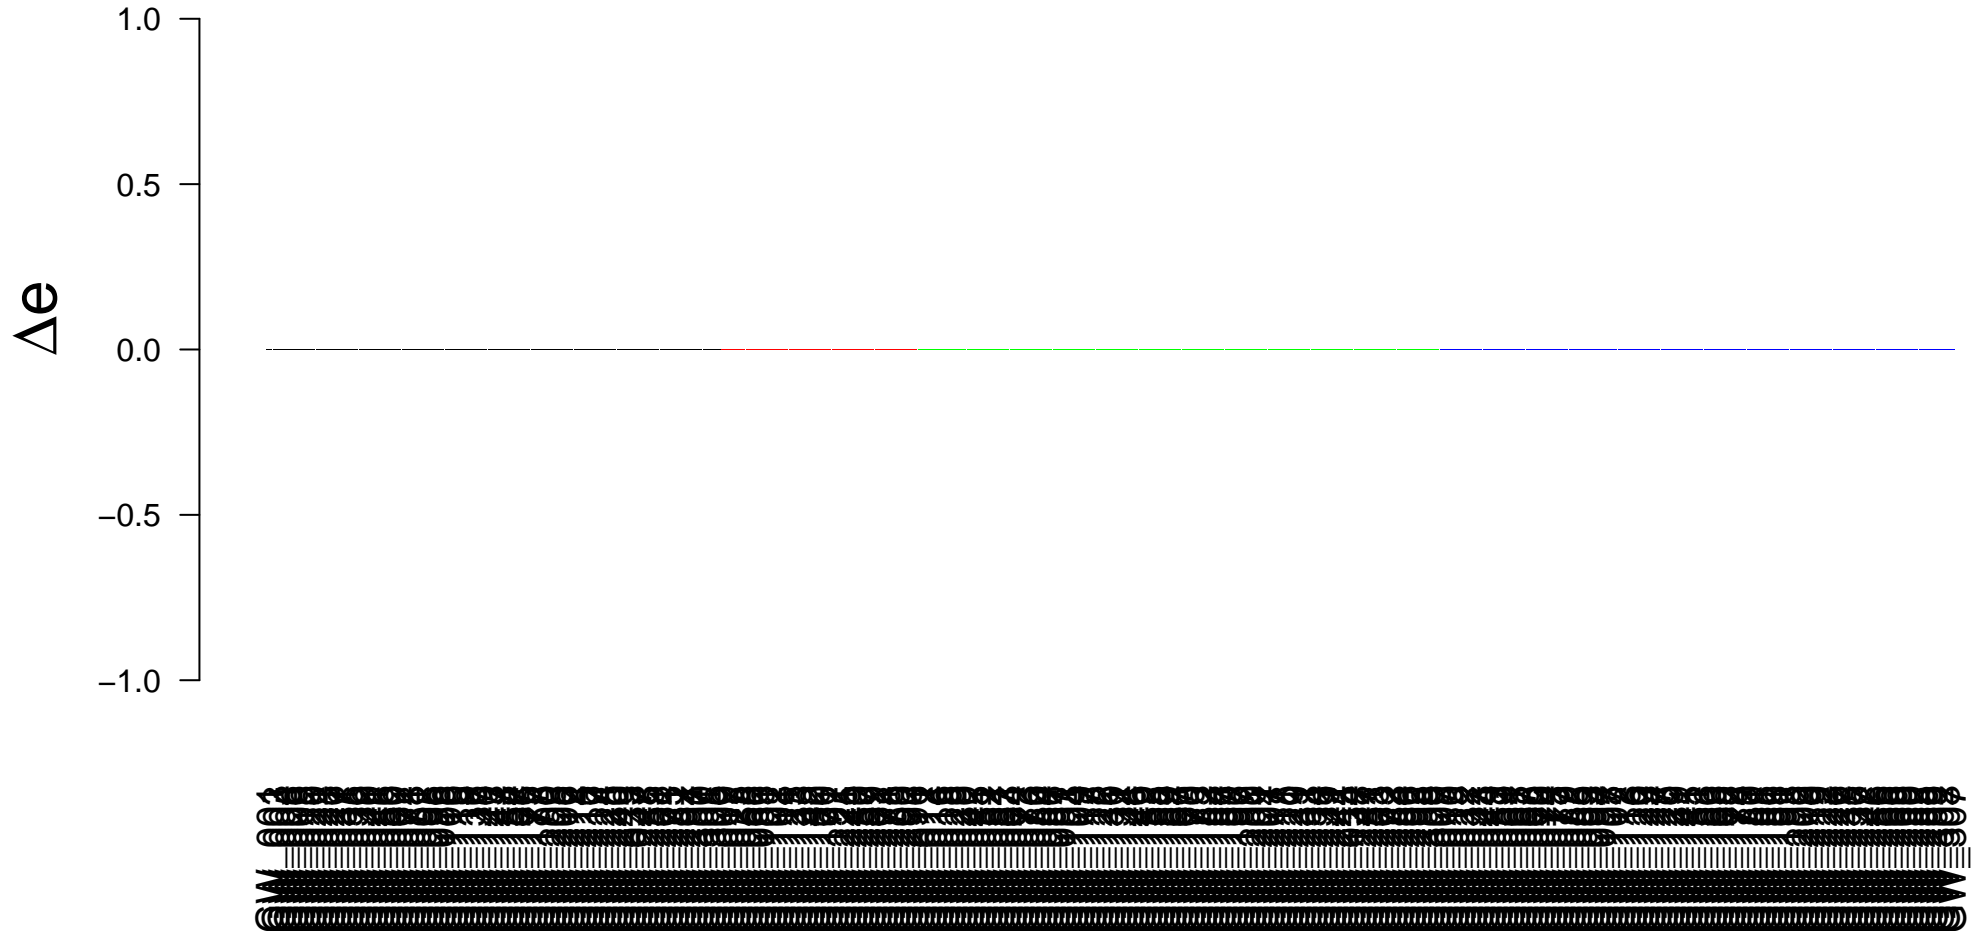

receptor signaling complex scaffold activity

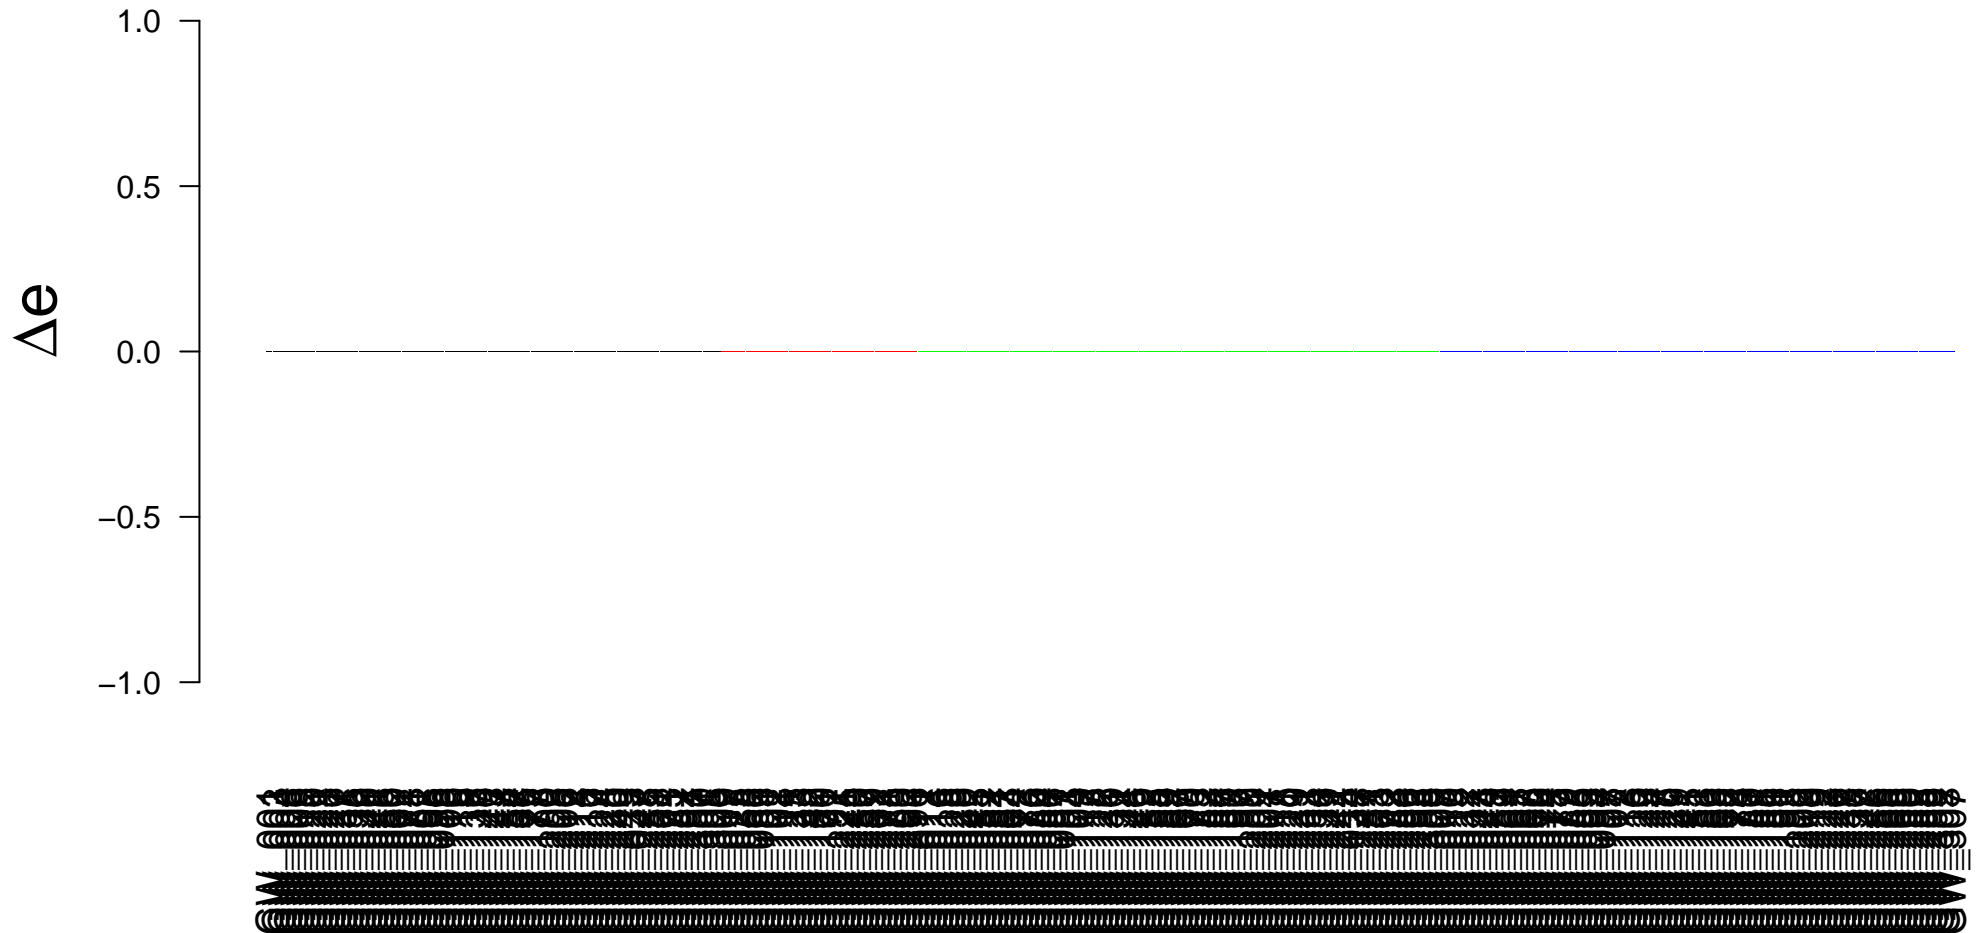

Enrichment in spots: receptor signaling complex scaffold activity

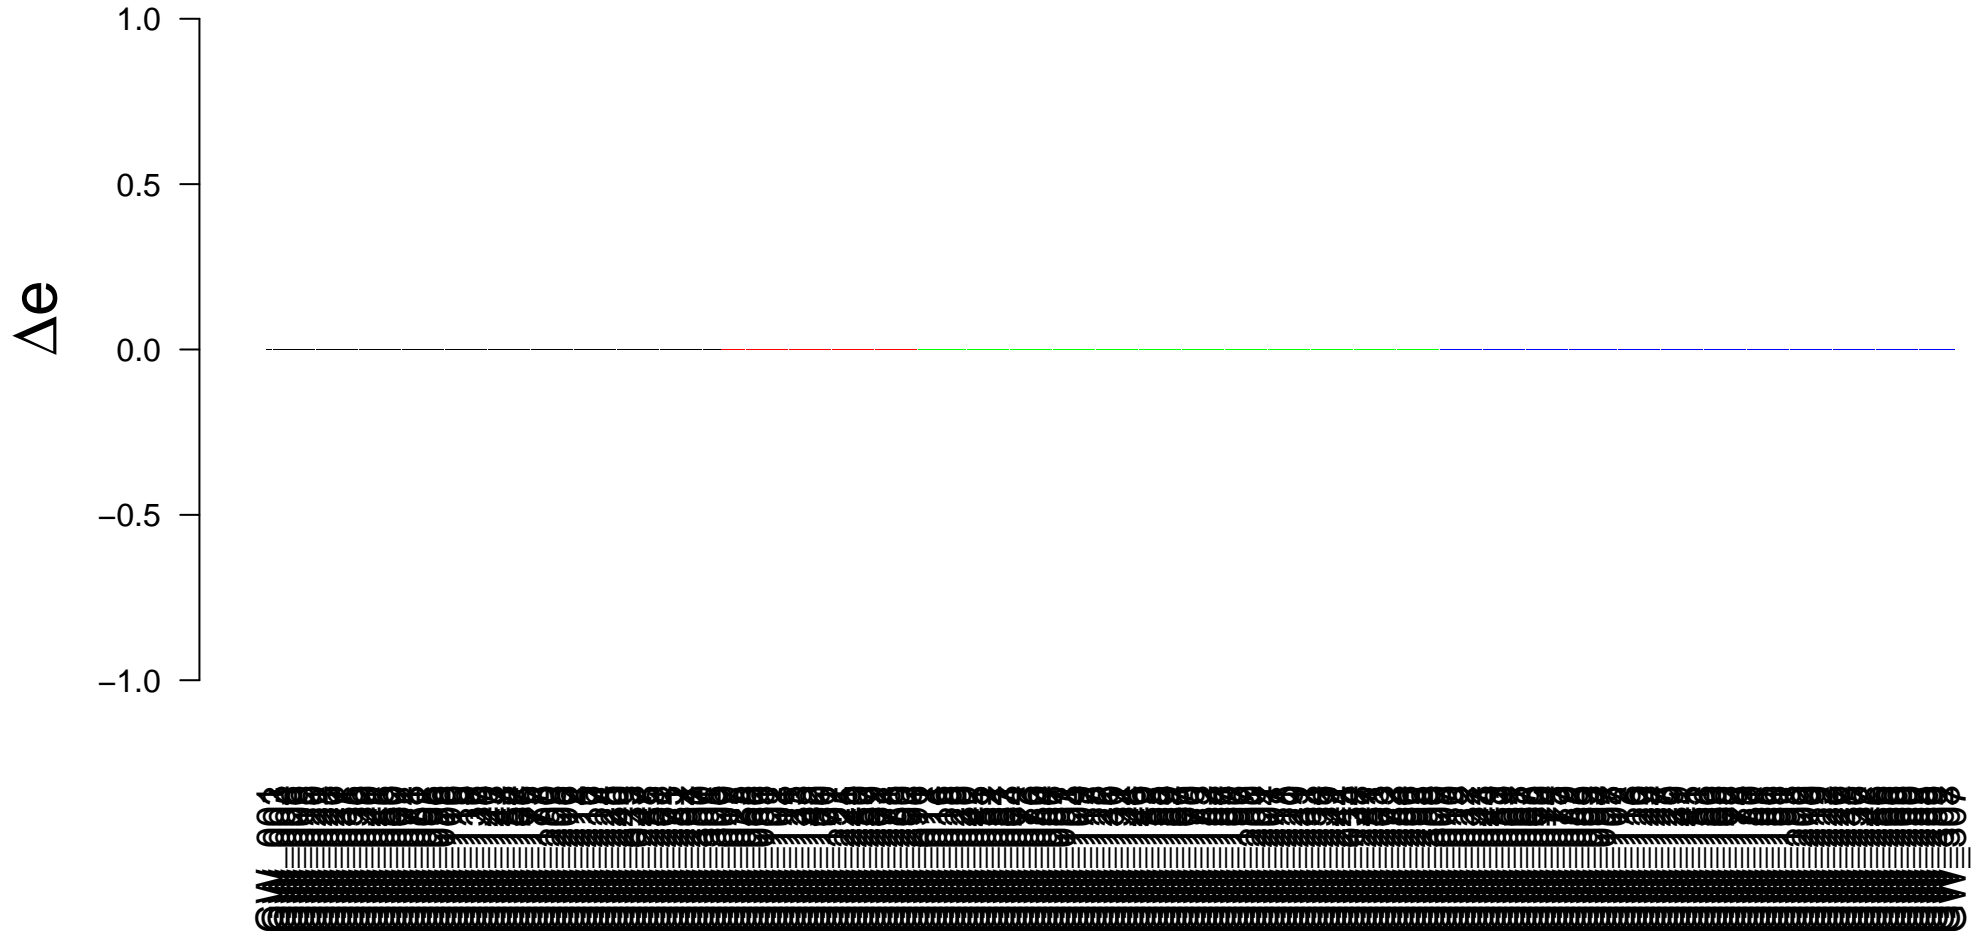

Expression of receptor signaling complex scaffold activity in Spot A

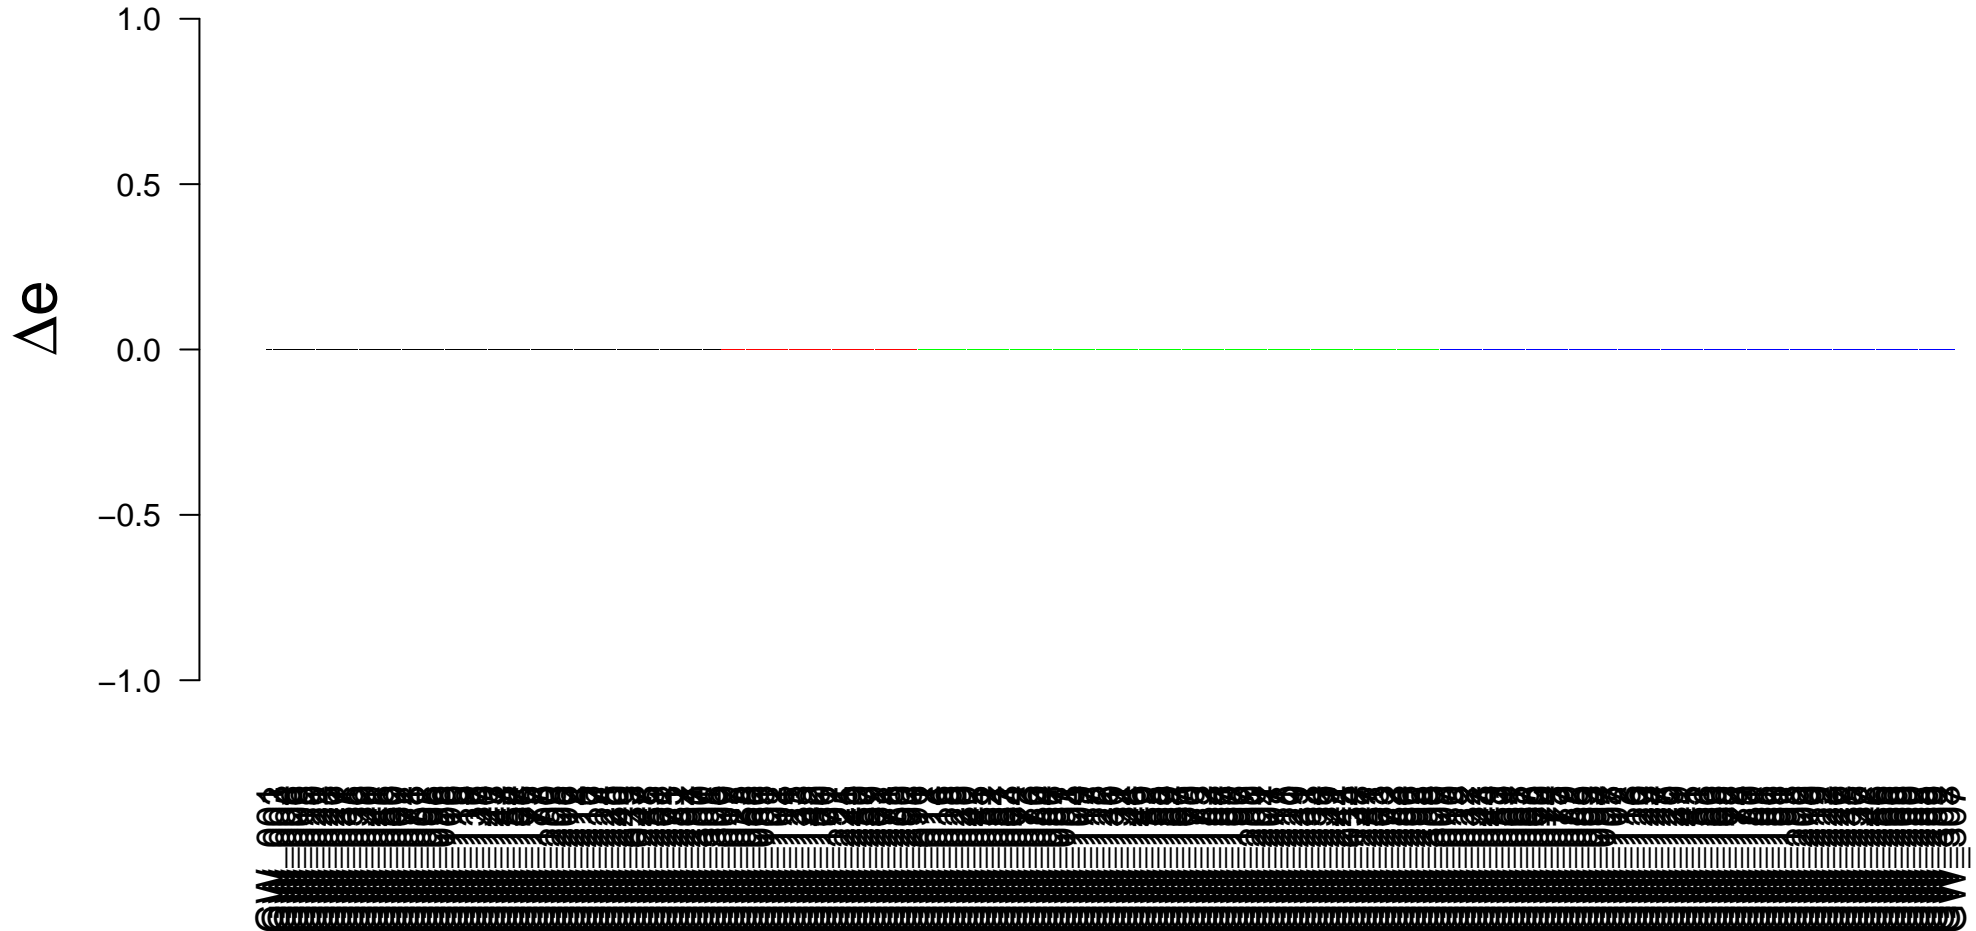

Expression of receptor signaling complex scaffold activity in Spot B

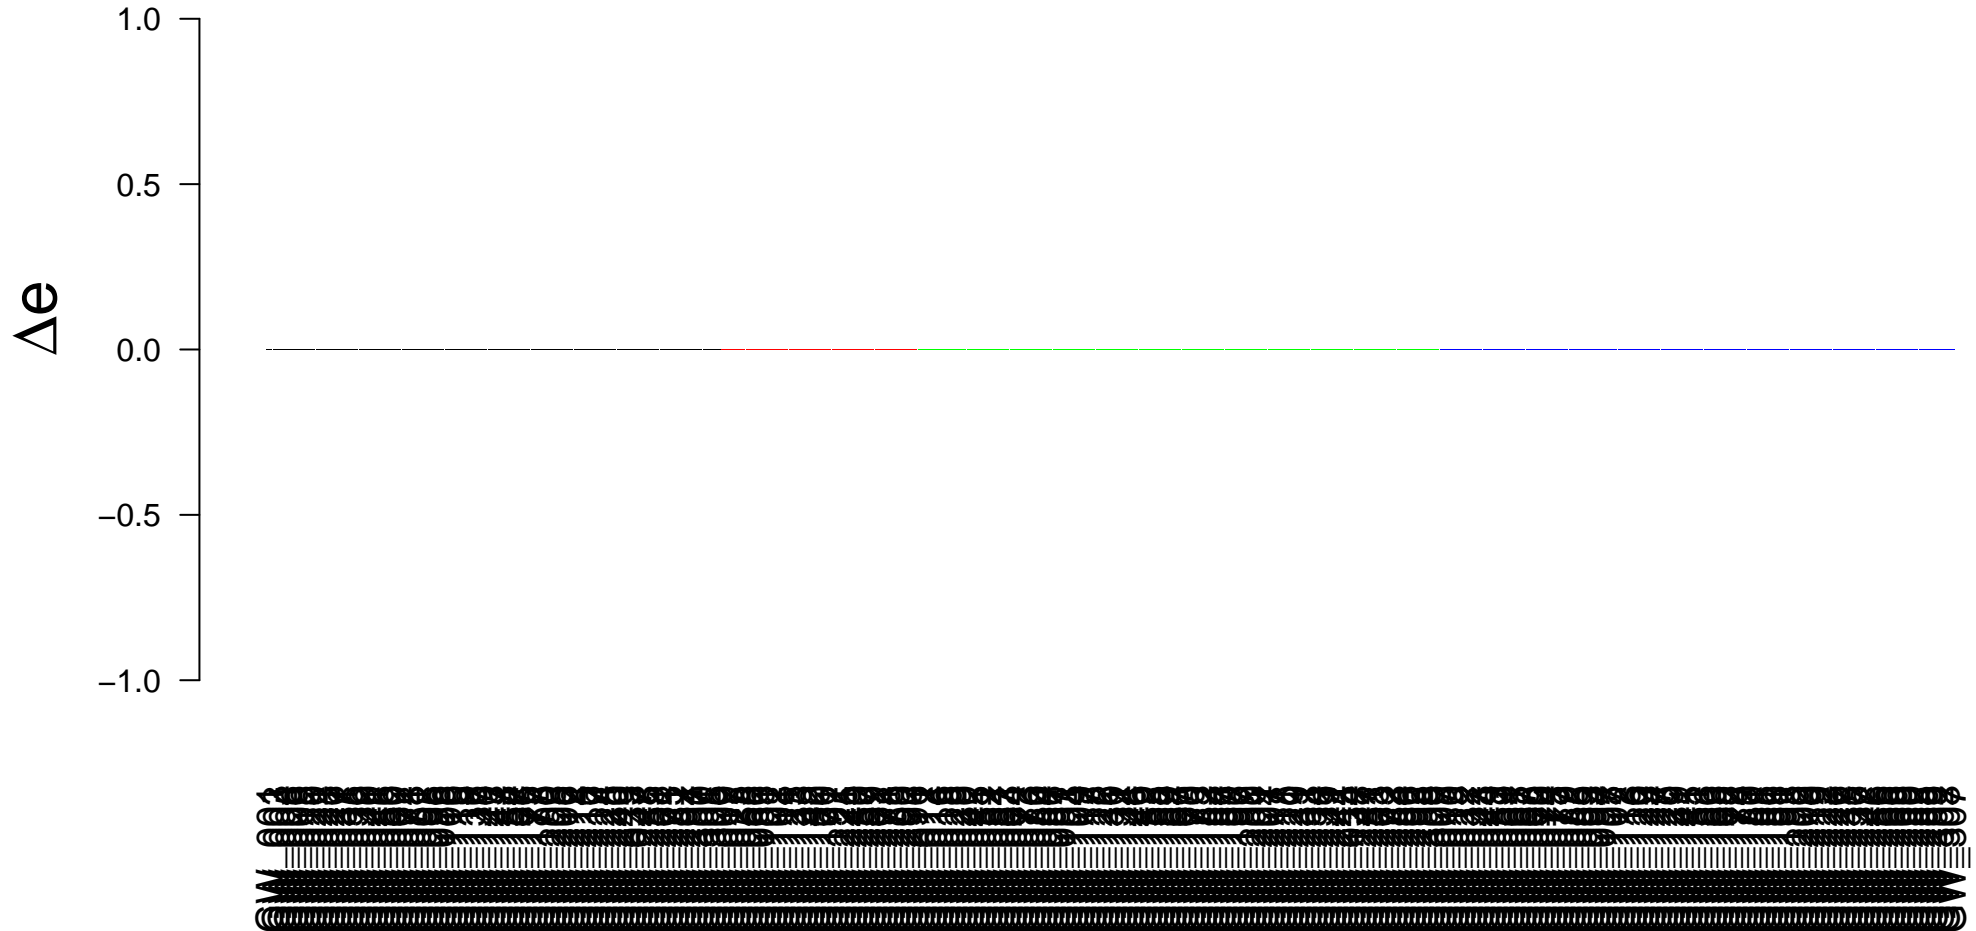

Expression of receptor signaling complex scaffold activity in Spot C

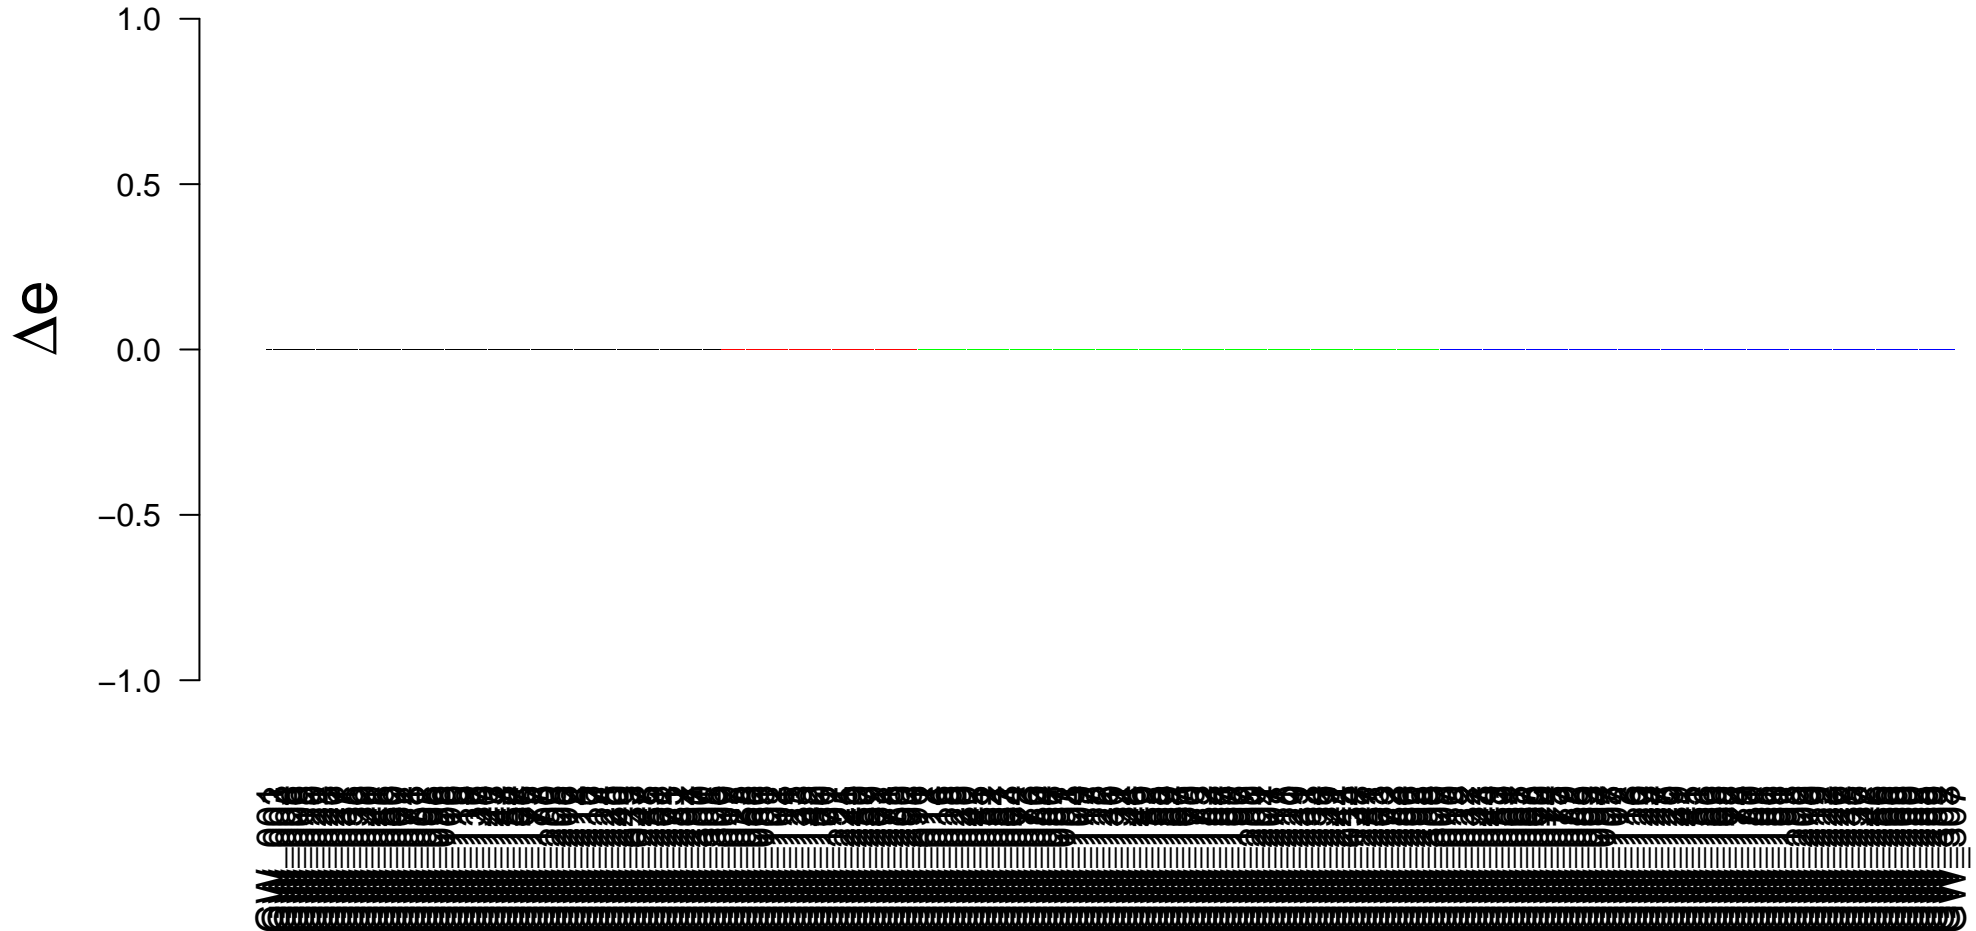

Expression of receptor signaling complex scaffold activity in Spot D

Expression of receptor signaling complex scaffold activity in Spot E

Expression of receptor signaling complex scaffold activity in Spot F

Expression of receptor signaling complex scaffold activity in Spot G
