

reciprocal meiotic recombination

reciprocal meiotic recombination

Enrichment in spots: reciprocal meiotic recombination

Expression of reciprocal meiotic recombination in Spot A

Expression of reciprocal meiotic recombination in Spot B

Expression of reciprocal meiotic recombination in Spot C

Expression of reciprocal meiotic recombination in Spot D

Expression of reciprocal meiotic recombination in Spot E

Expression of reciprocal meiotic recombination in Spot F

Expression of reciprocal meiotic recombination in Spot G

Expression of reciprocal meiotic recombination in Spot H

Expression of reciprocal meiotic recombination in Spot I

Expression of reciprocal meiotic recombination in Spot J

Expression of reciprocal meiotic recombination in Spot K

Expression of reciprocal meiotic recombination in Spot L

Expression of reciprocal meiotic recombination in Spot M

Expression of reciprocal meiotic recombination in Spot N

Expression of reciprocal meiotic recombination in Spot O

Expression of reciprocal meiotic recombination in Spot P

Expression of reciprocal meiotic recombination in Spot Q

Expression of reciprocal meiotic recombination in Spot R
