

regulation of ARF GTPase activity

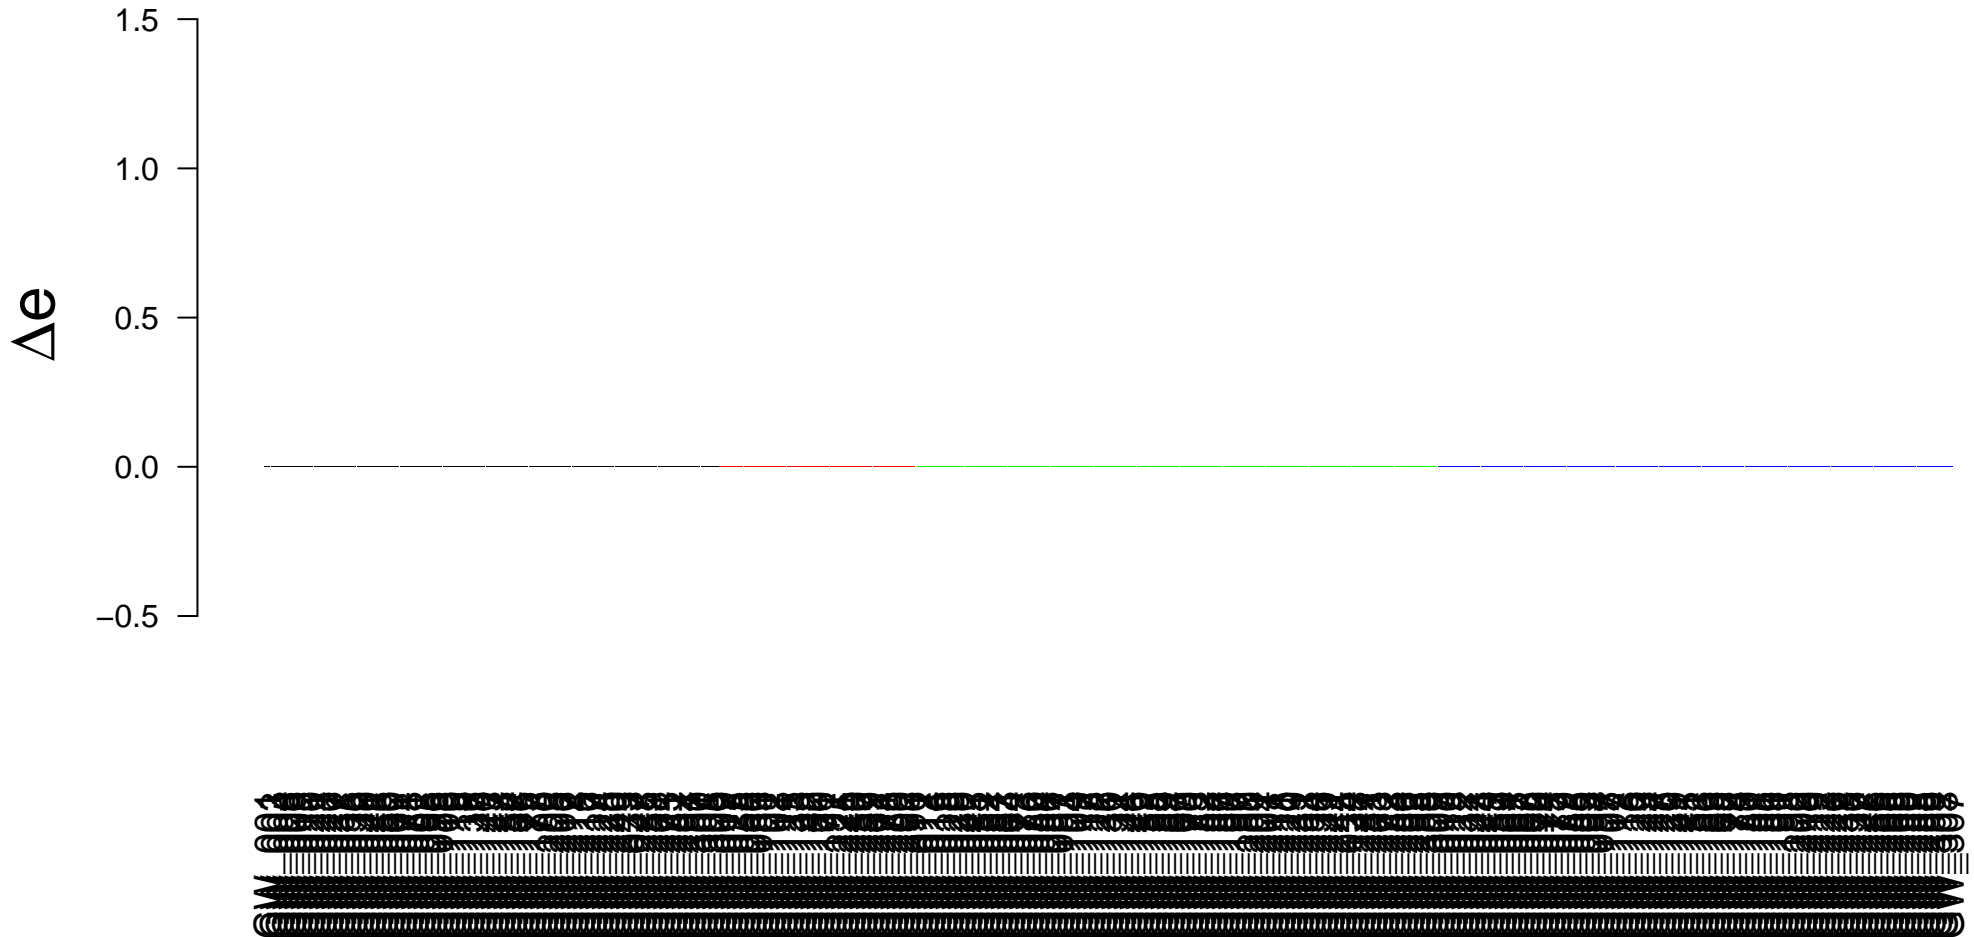

regulation of ARF GTPase activity

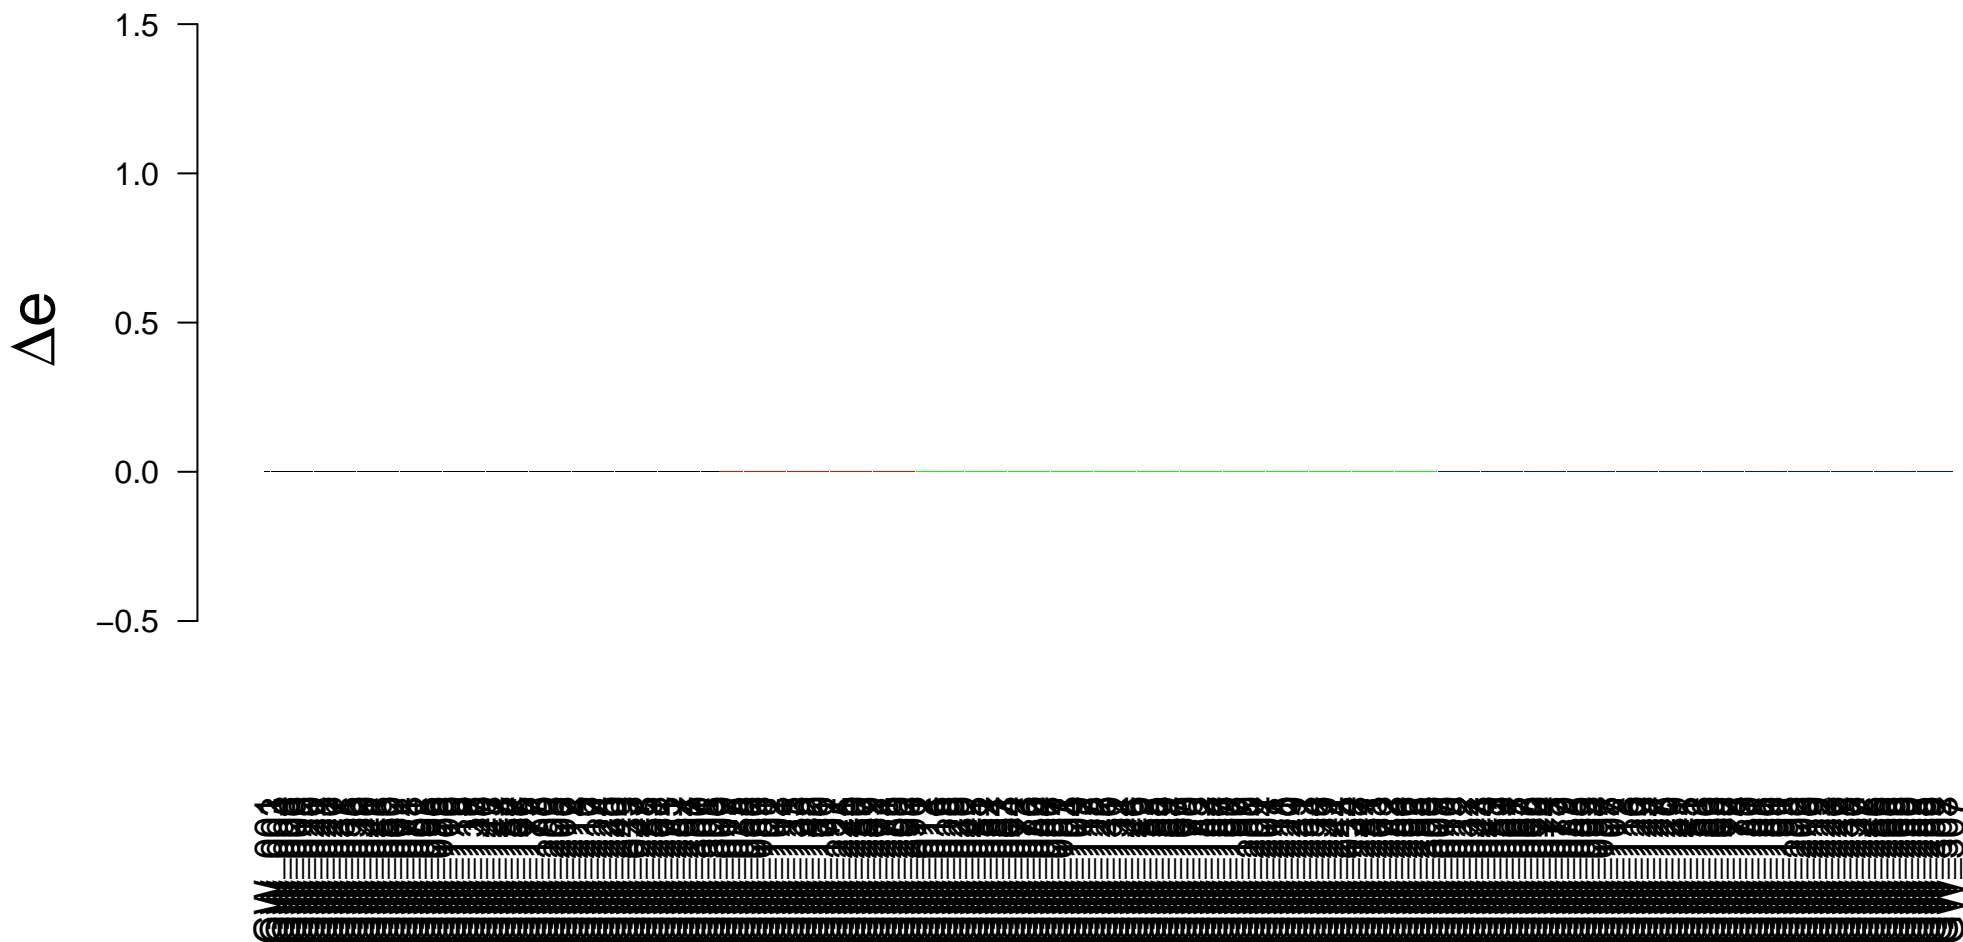

Enrichment in spots: regulation of ARF GTPase activity

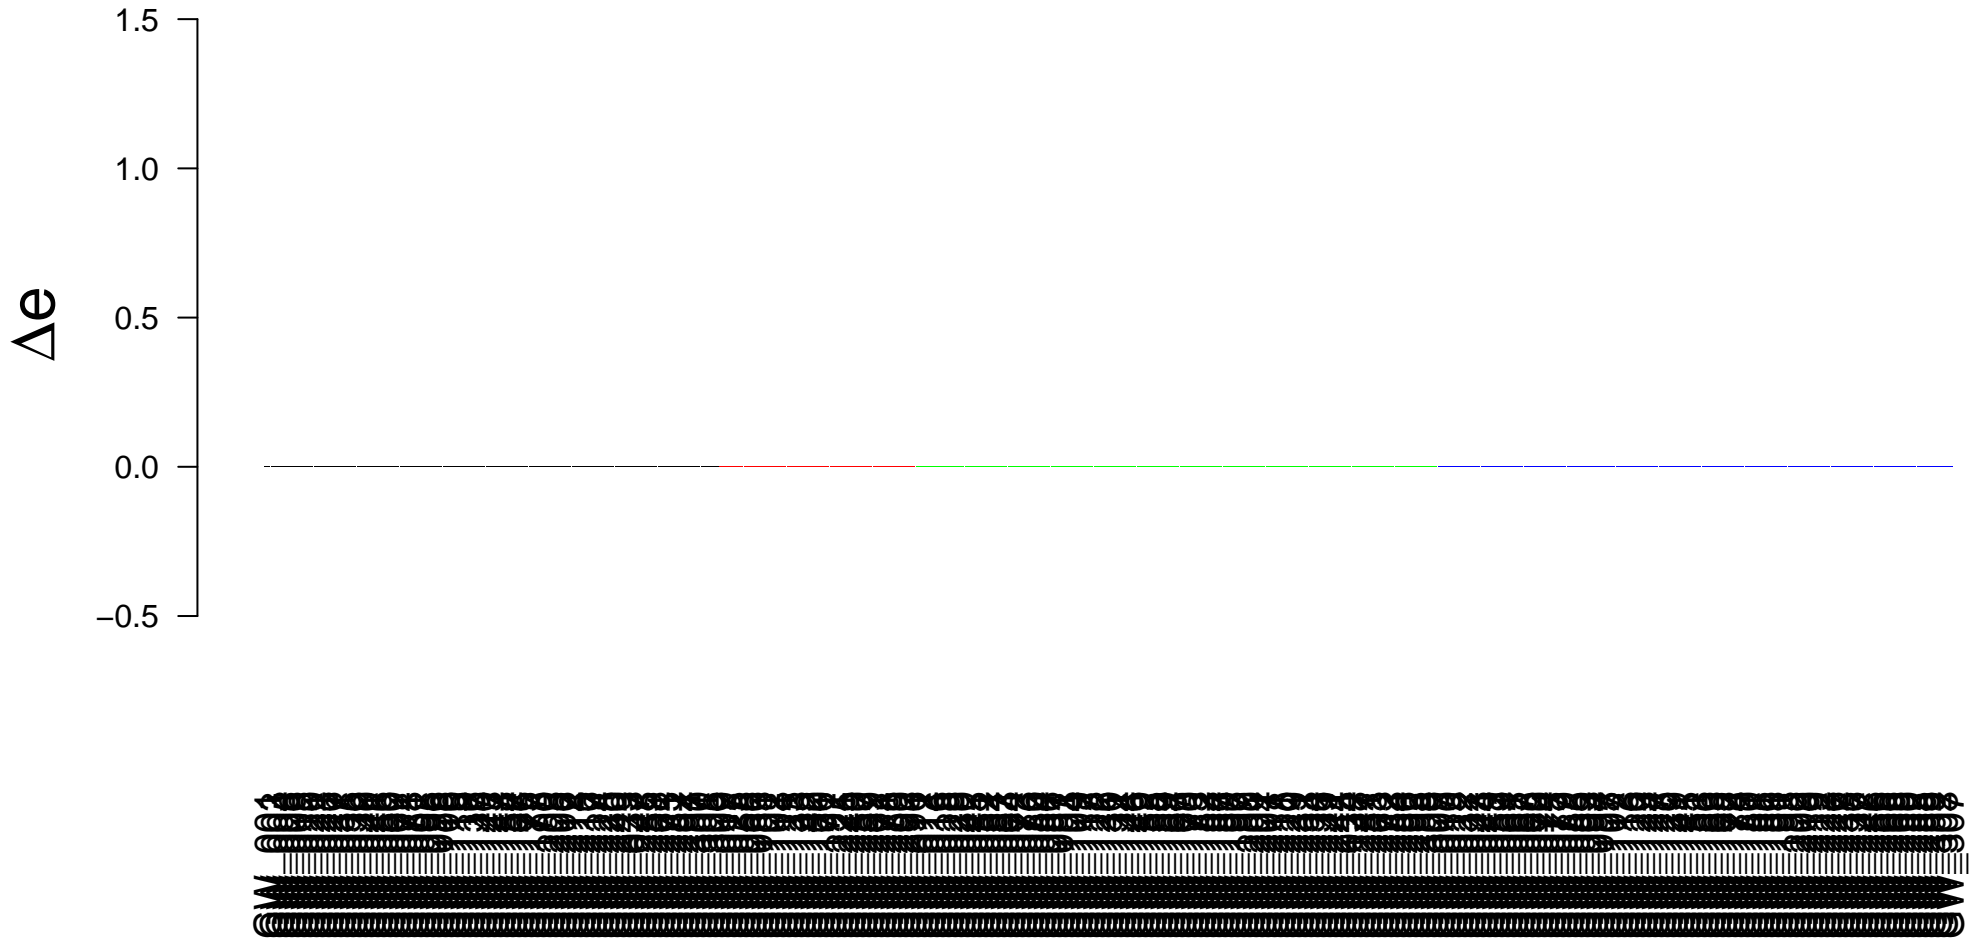

Expression of regulation of ARF GTPase activity in Spot A

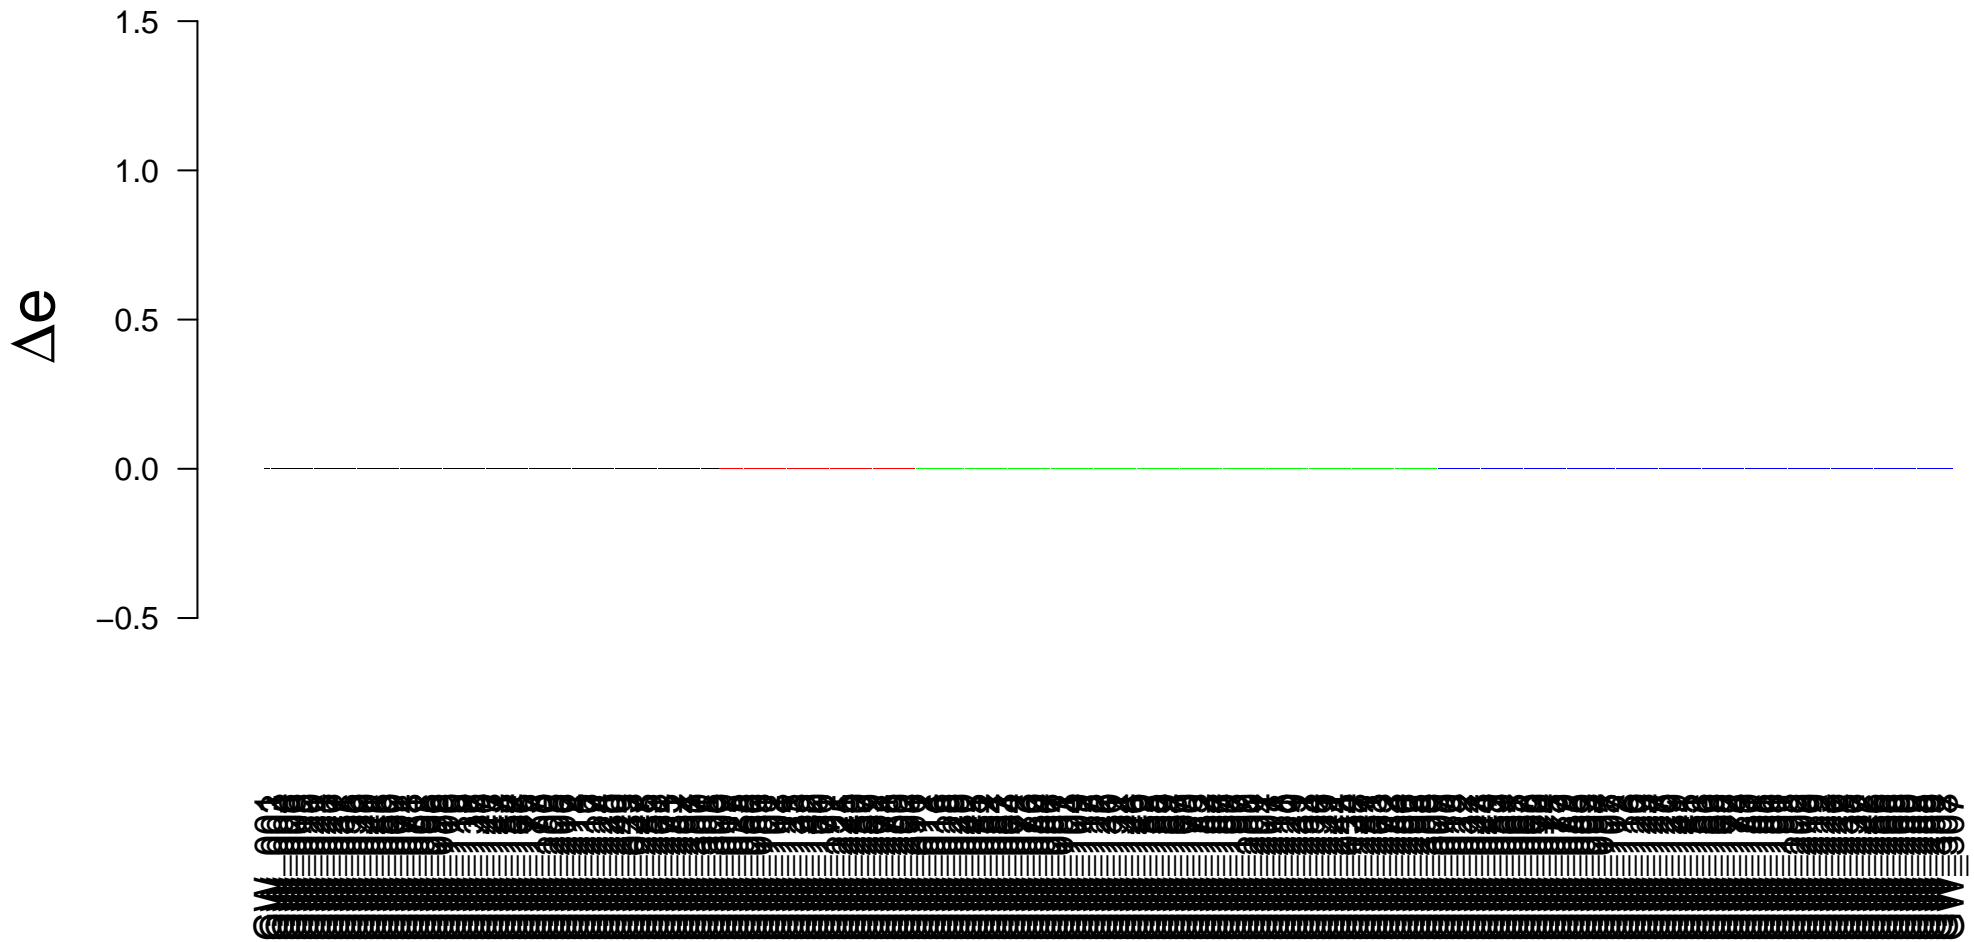

Expression of regulation of ARF GTPase activity in Spot B

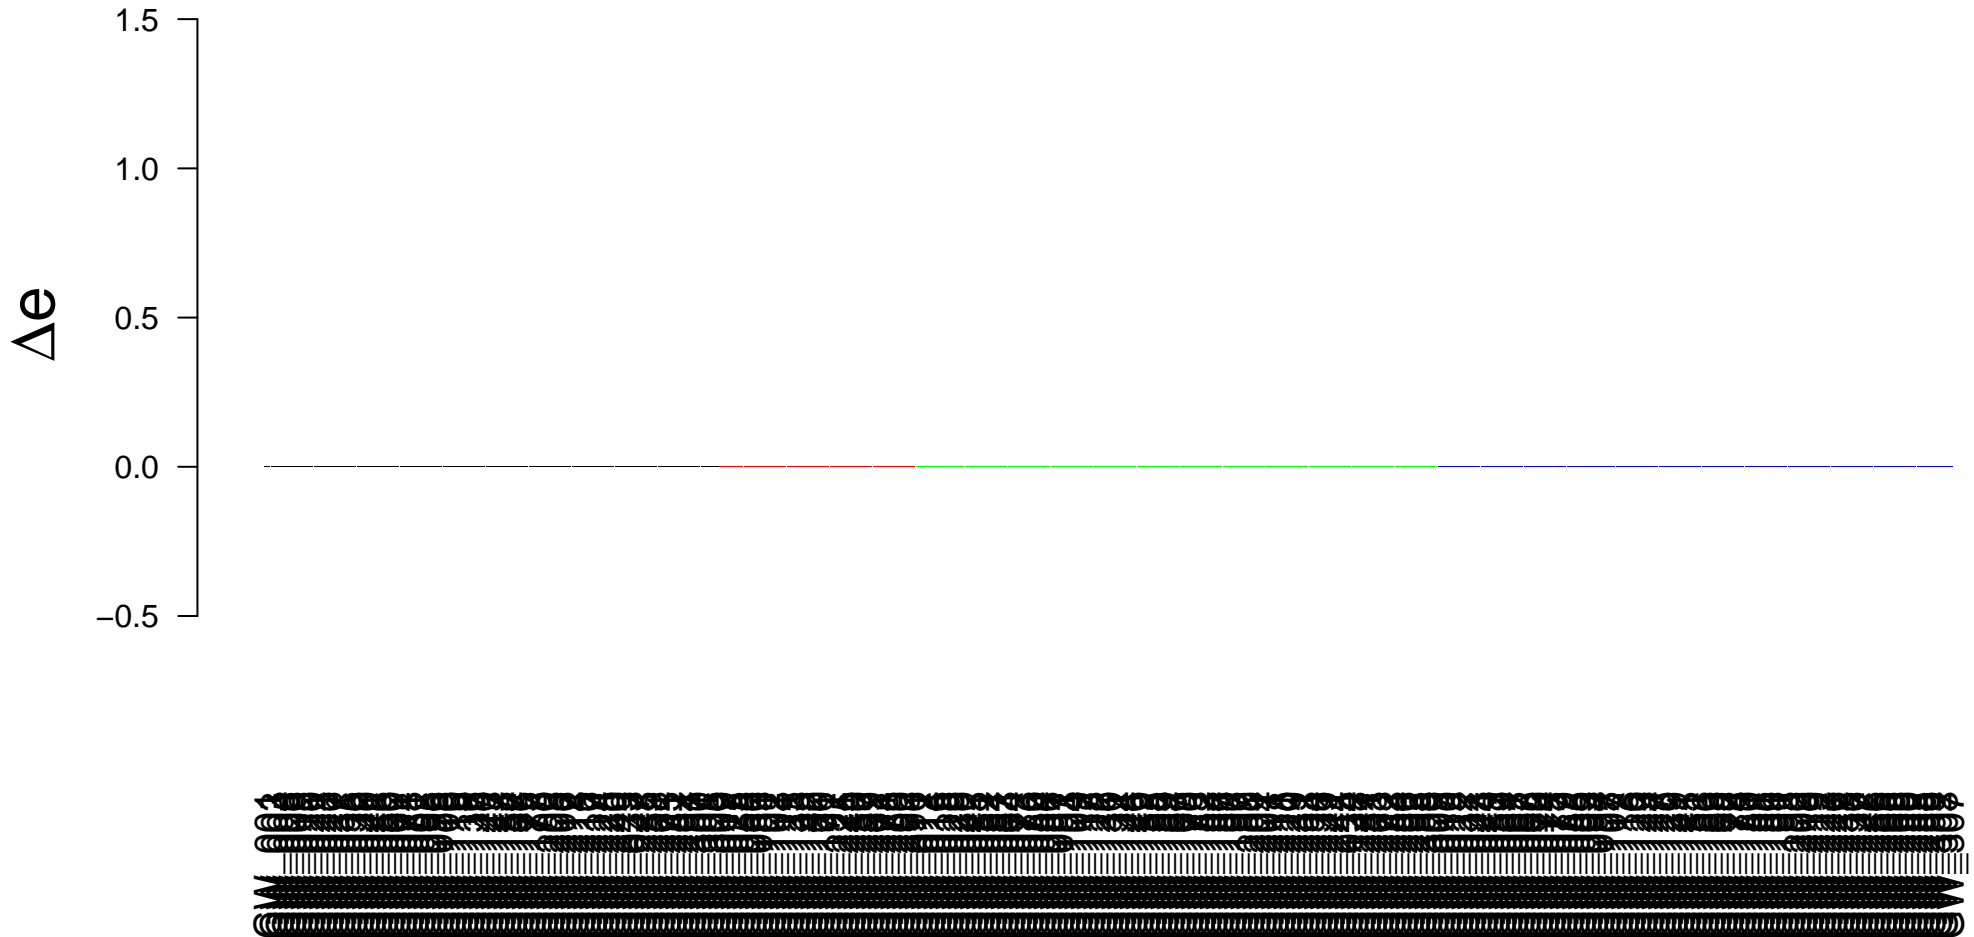

Expression of regulation of ARF GTPase activity in Spot C

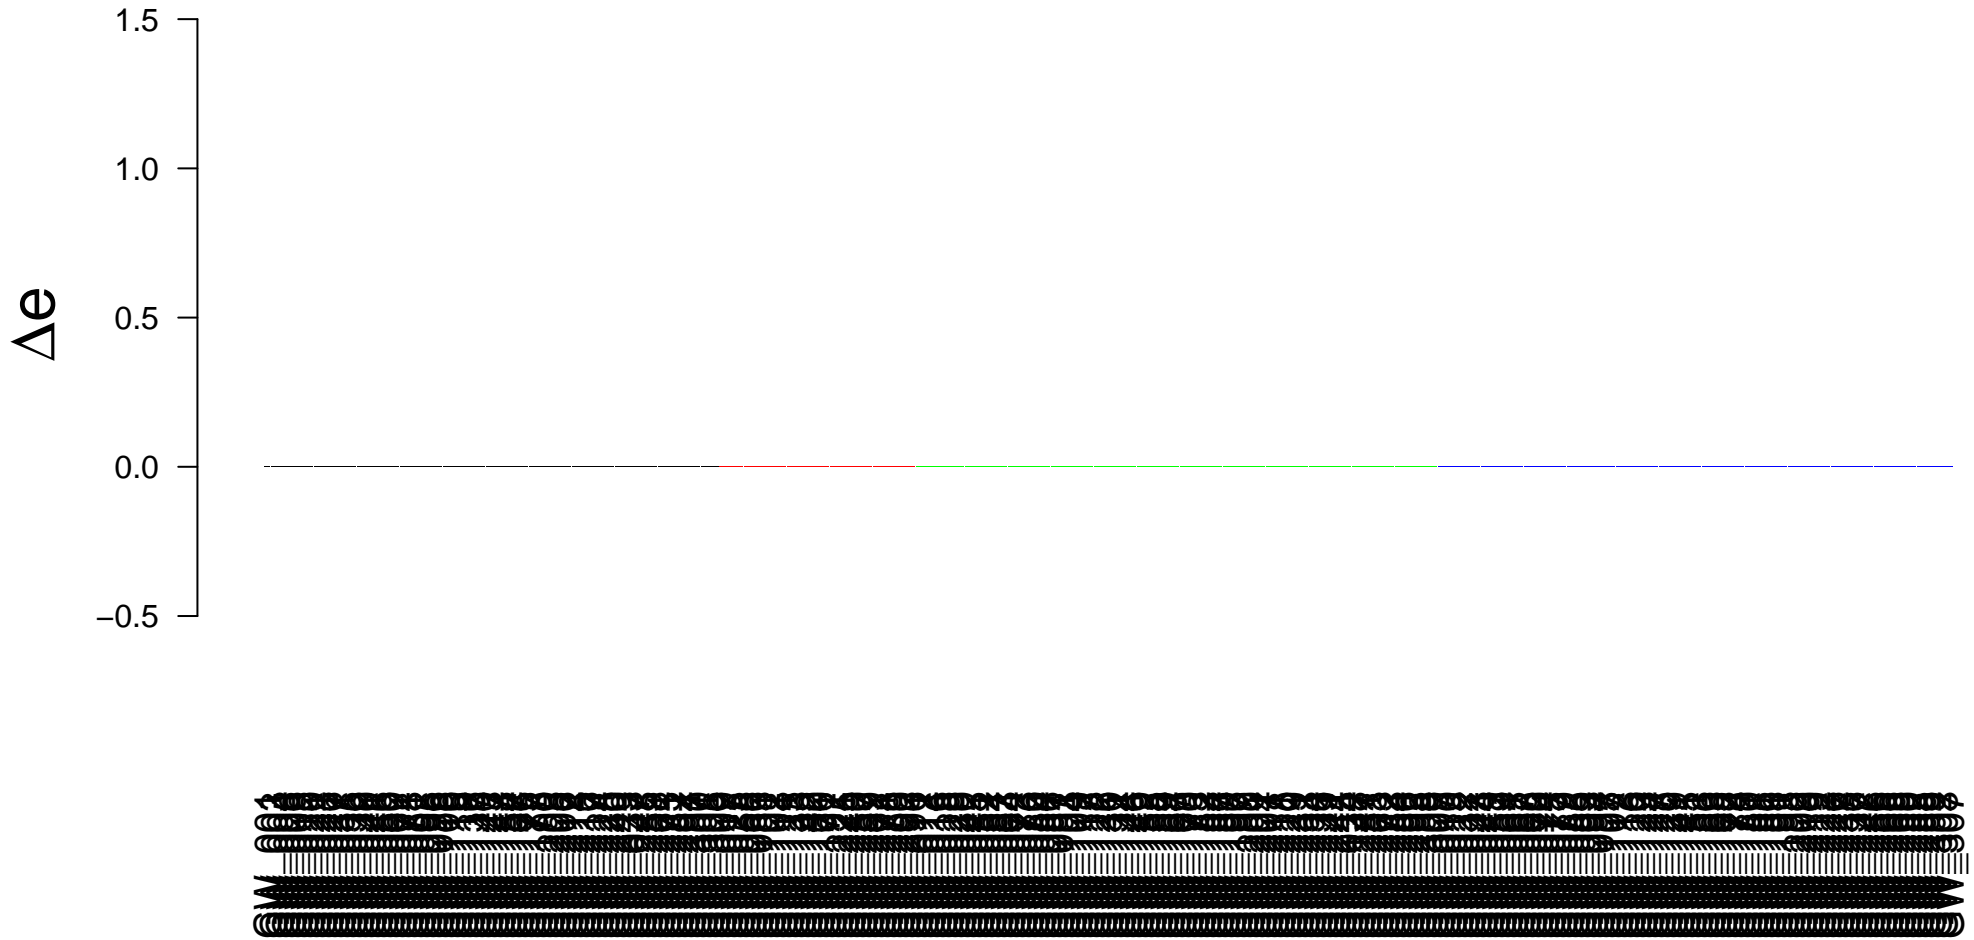

Expression of regulation of ARF GTPase activity in Spot D

Expression of regulation of ARF GTPase activity in Spot E

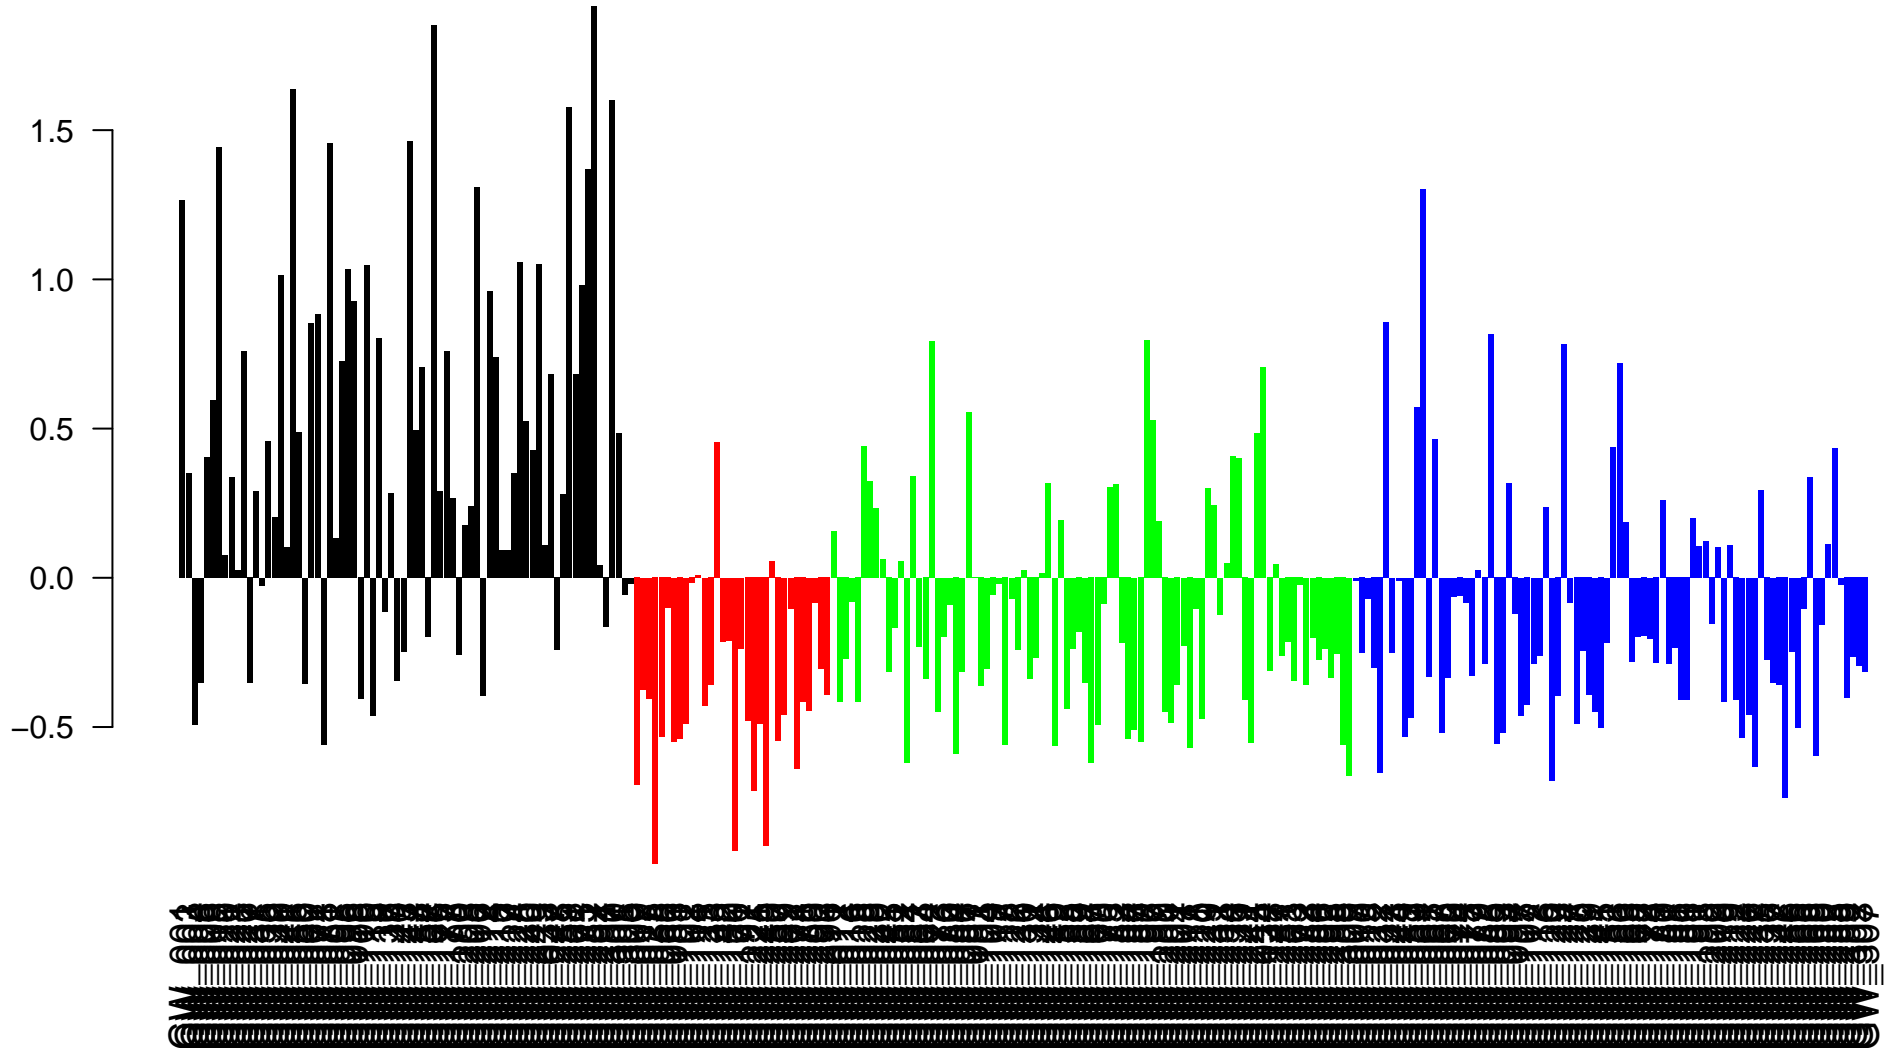

Expression of regulation of ARF GTPase activity in Spot F

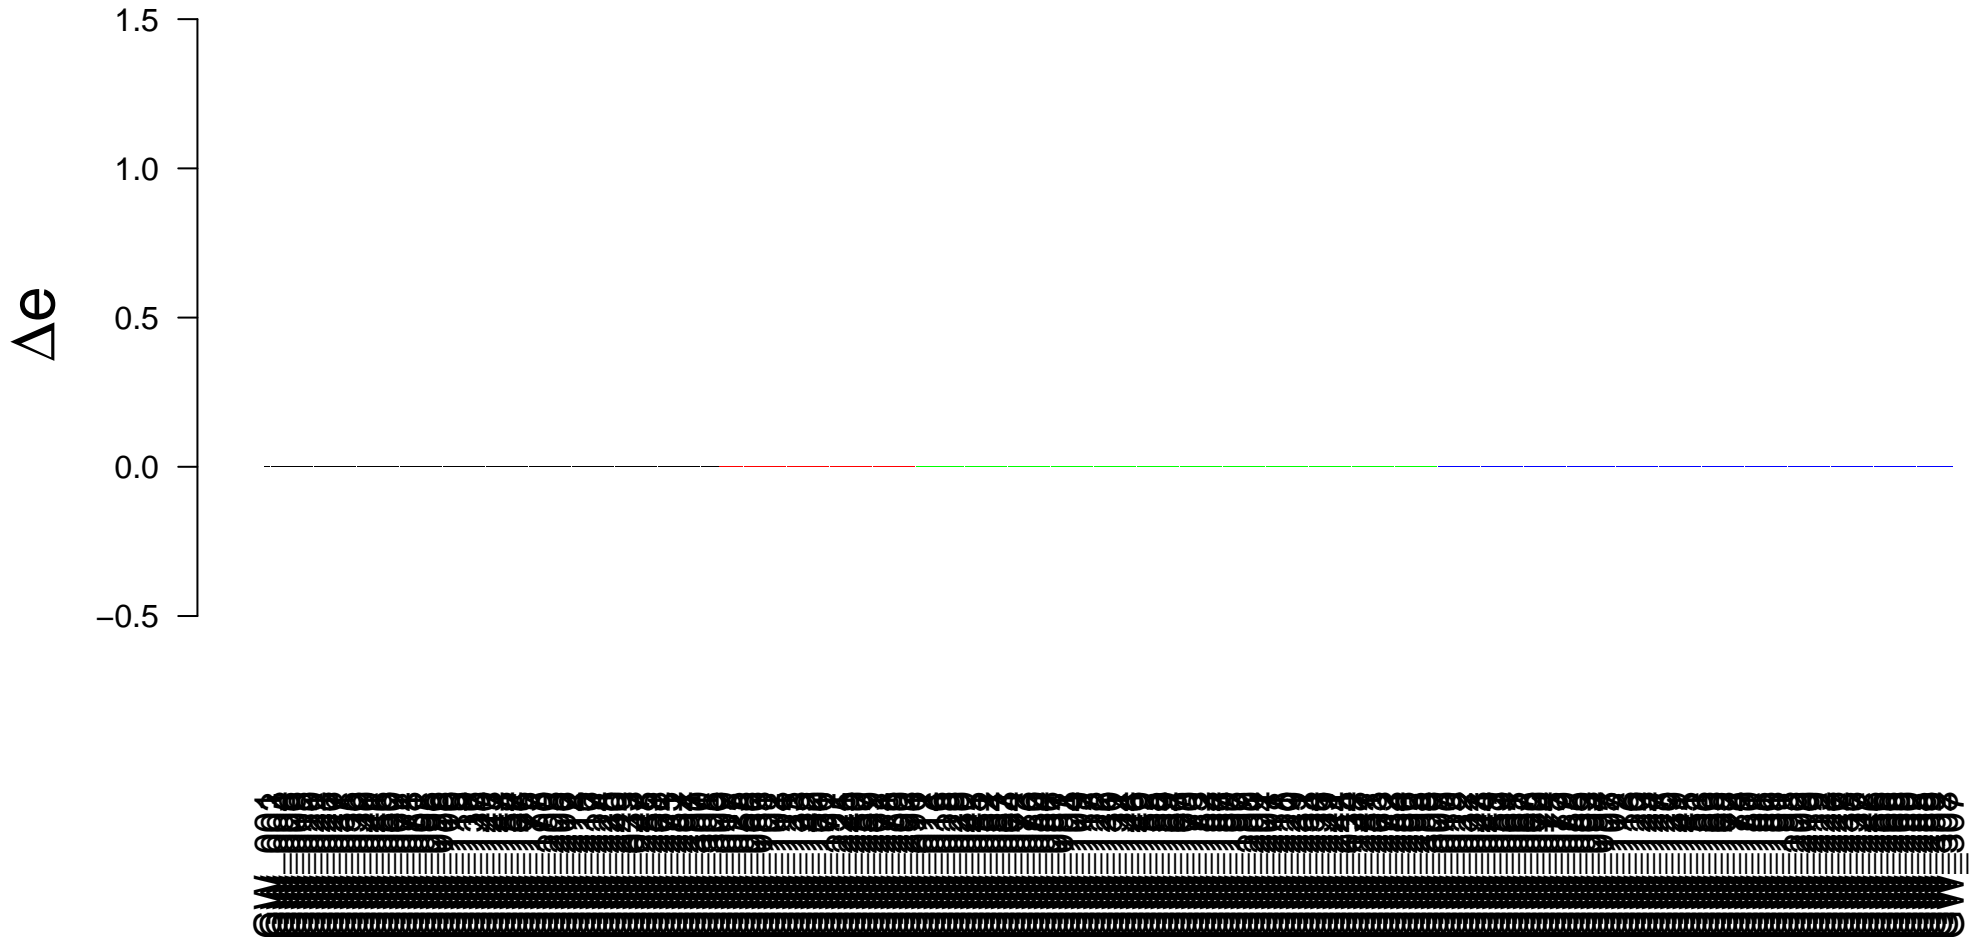

Expression of regulation of ARF GTPase activity in Spot G

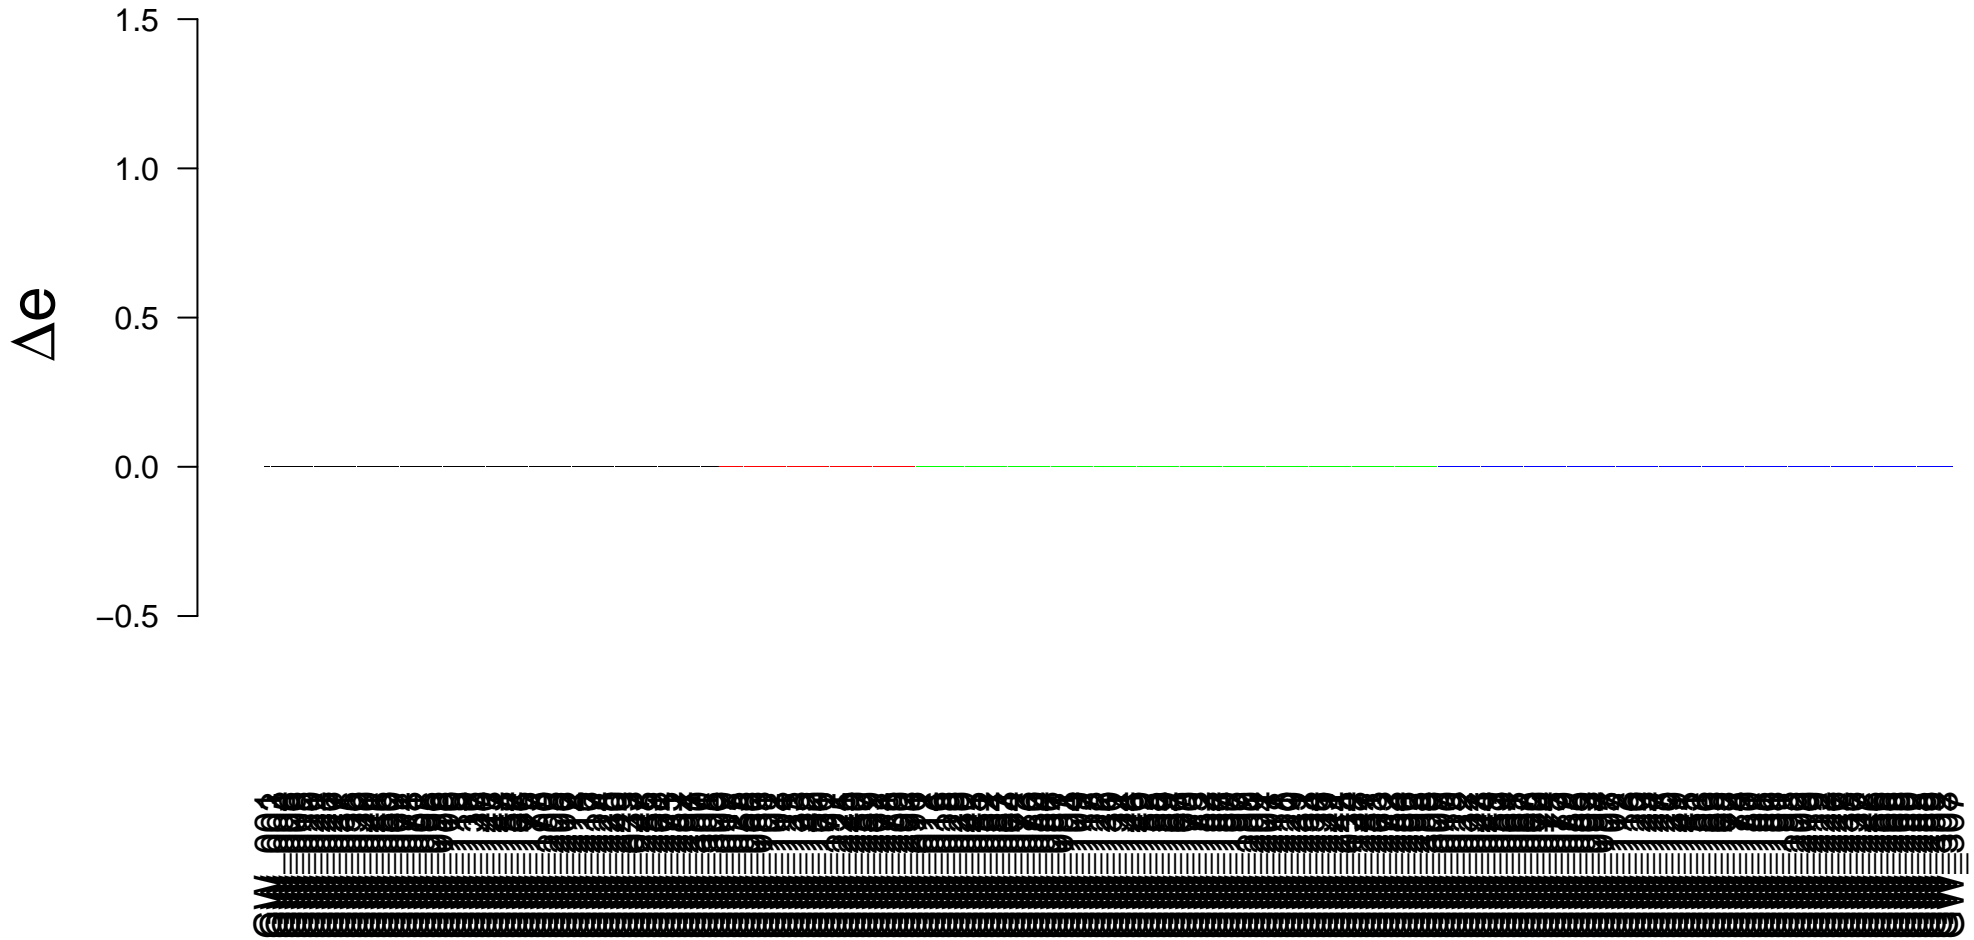

Δe

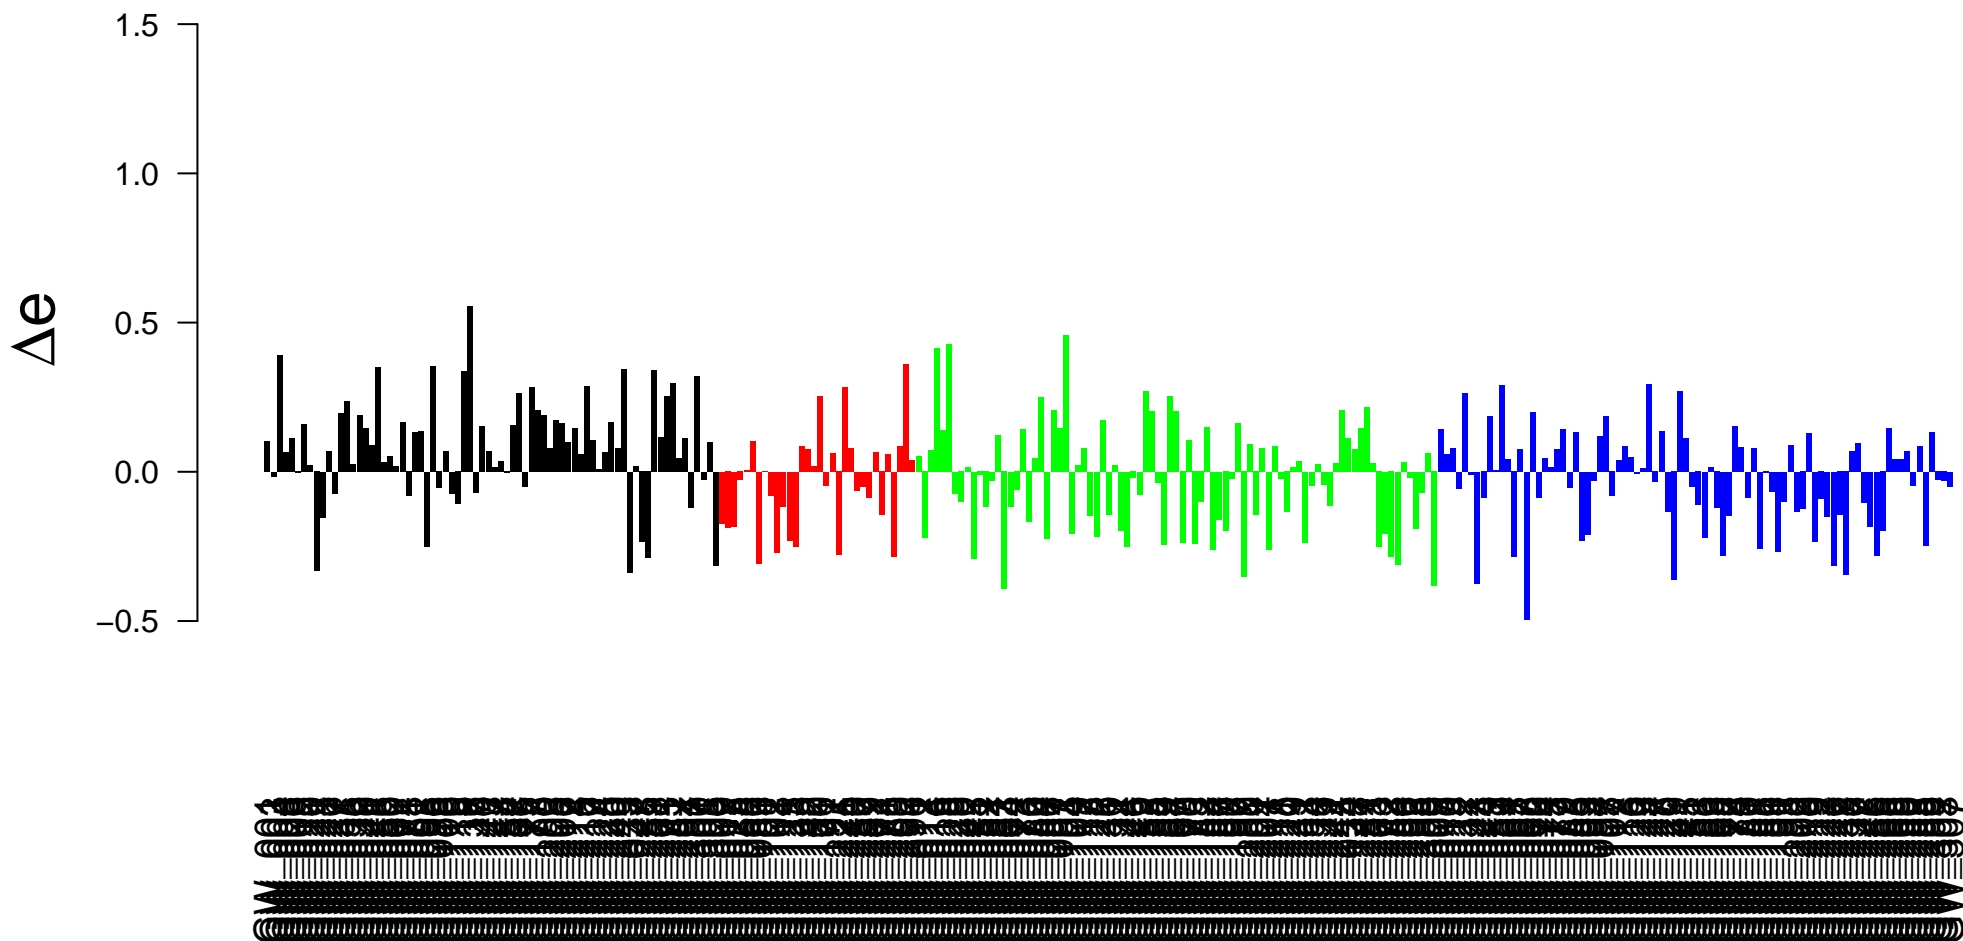

Expression of regulation of ARF GTPase activity in Spot H

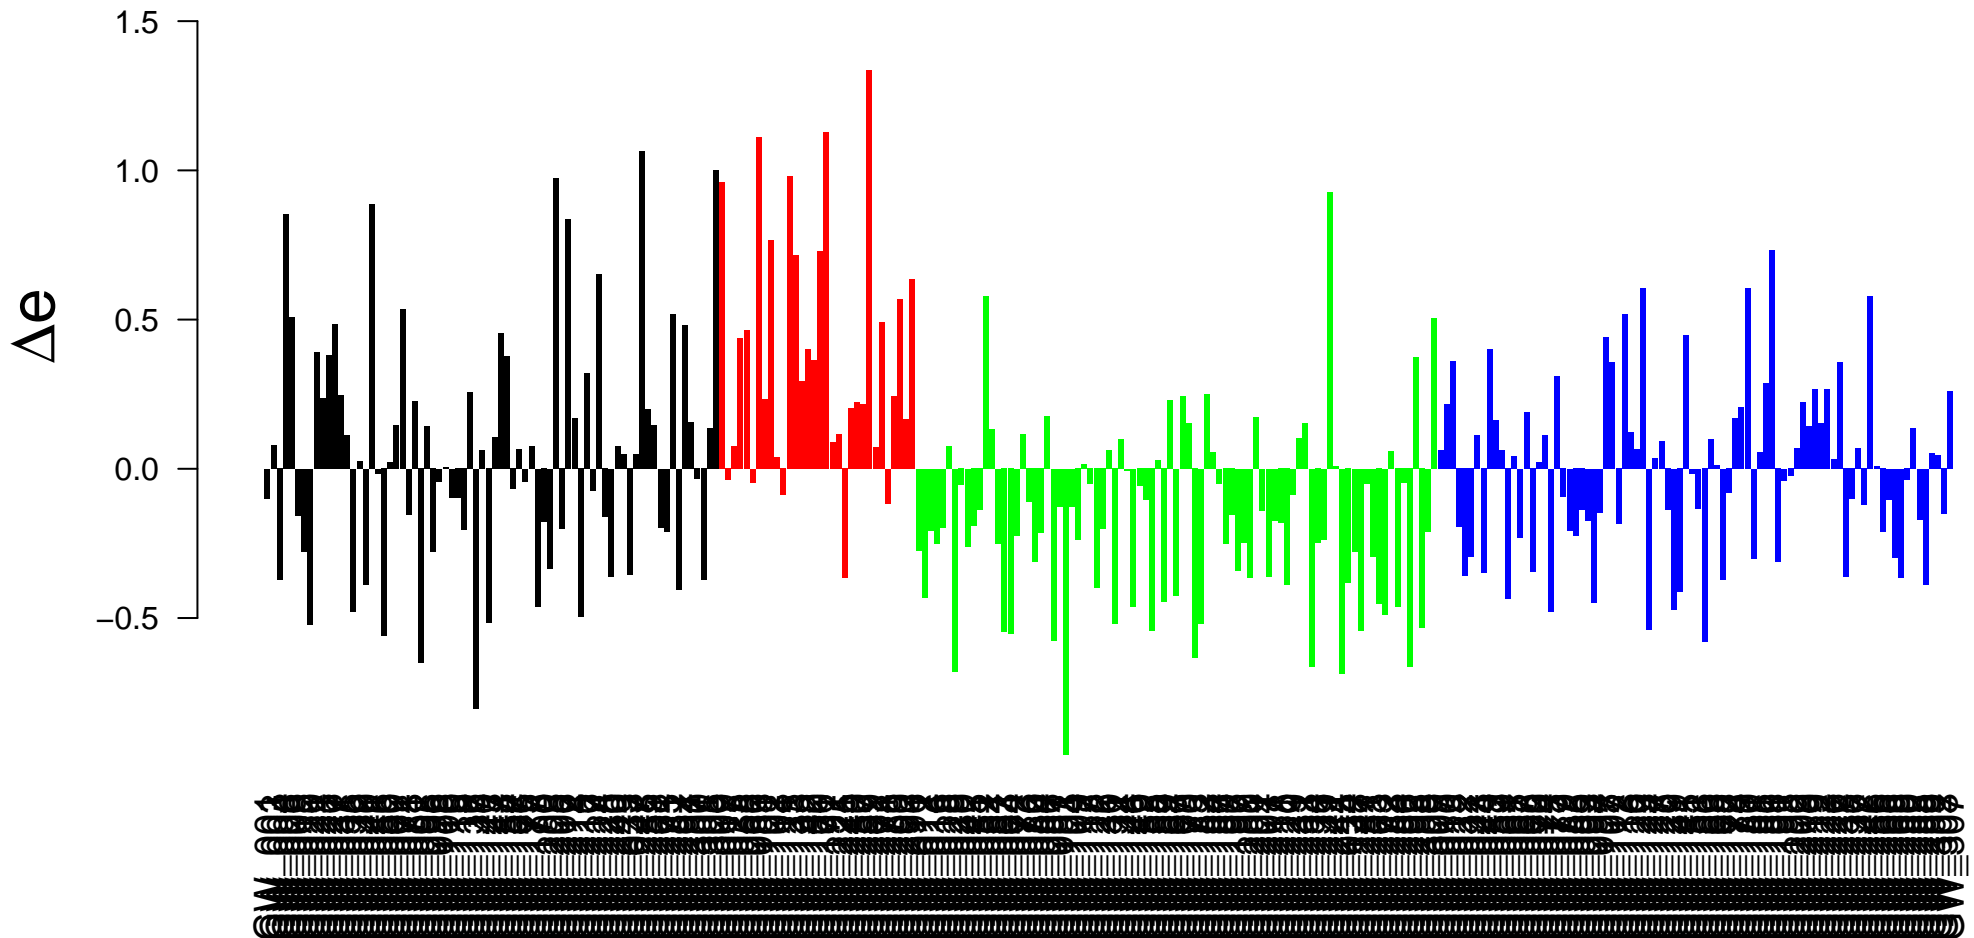

Expression of regulation of ARF GTPase activity in Spot I

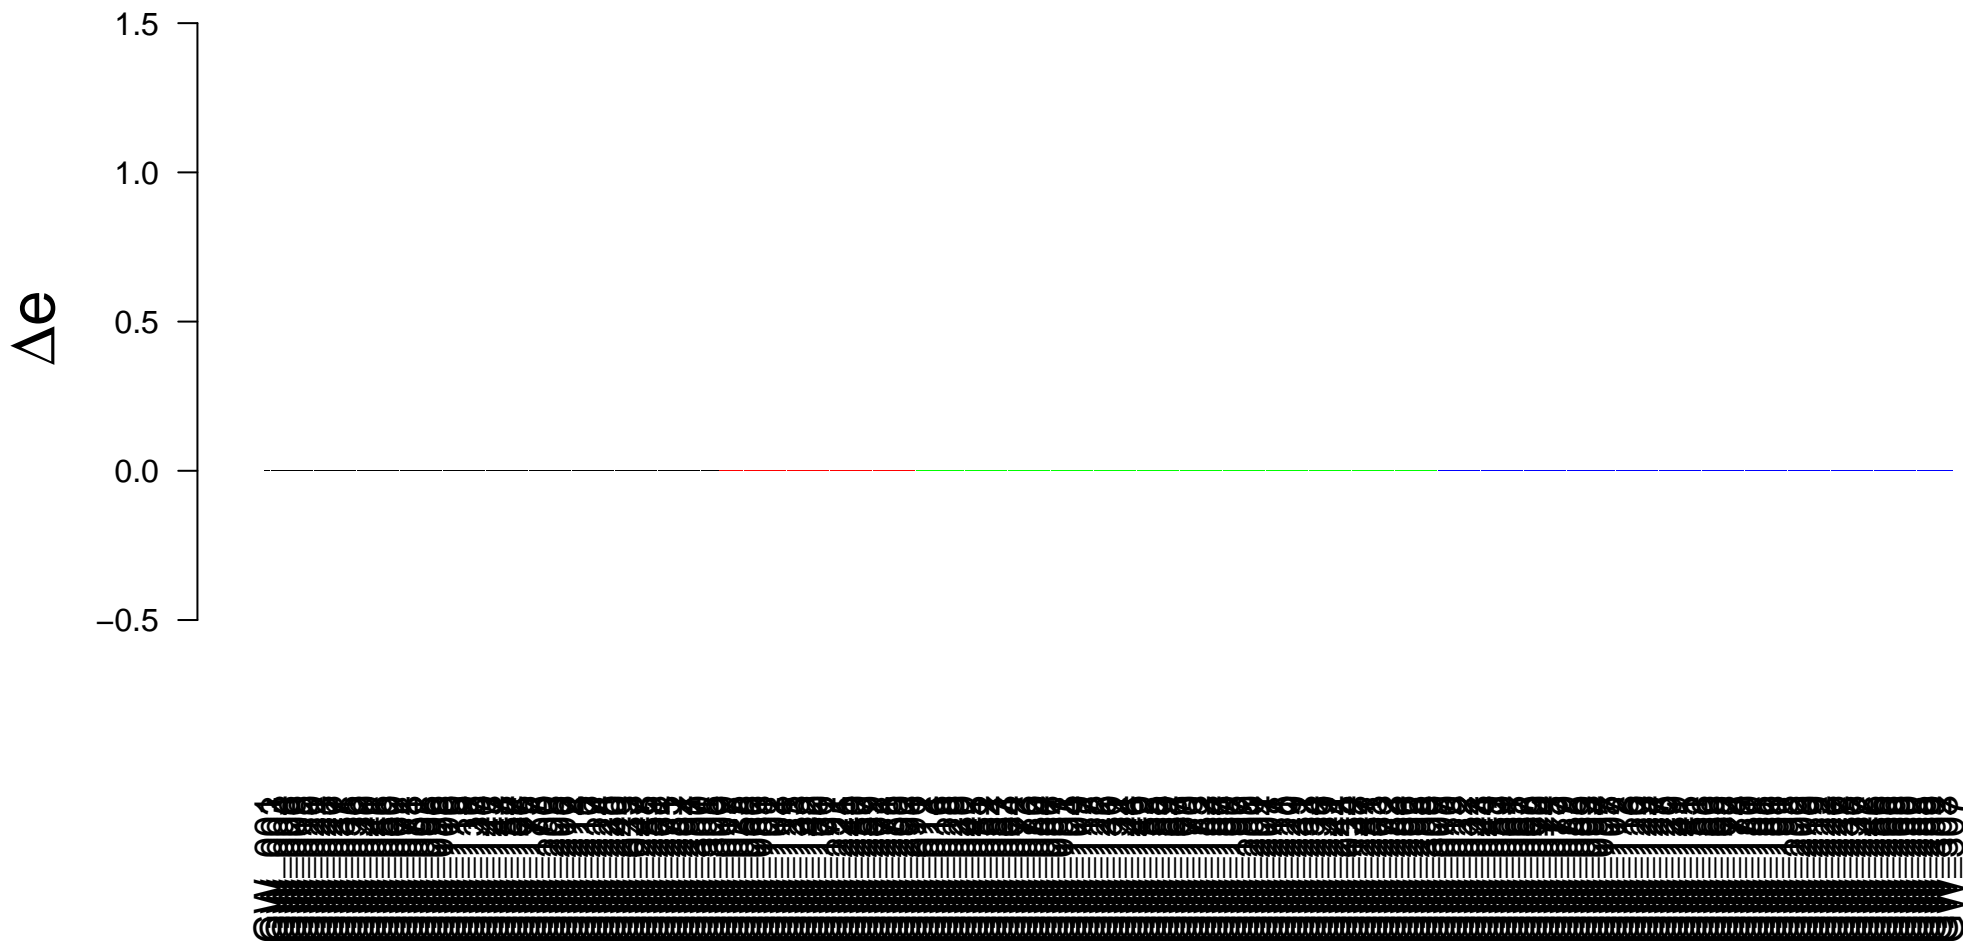

Expression of regulation of ARF GTPase activity in Spot J

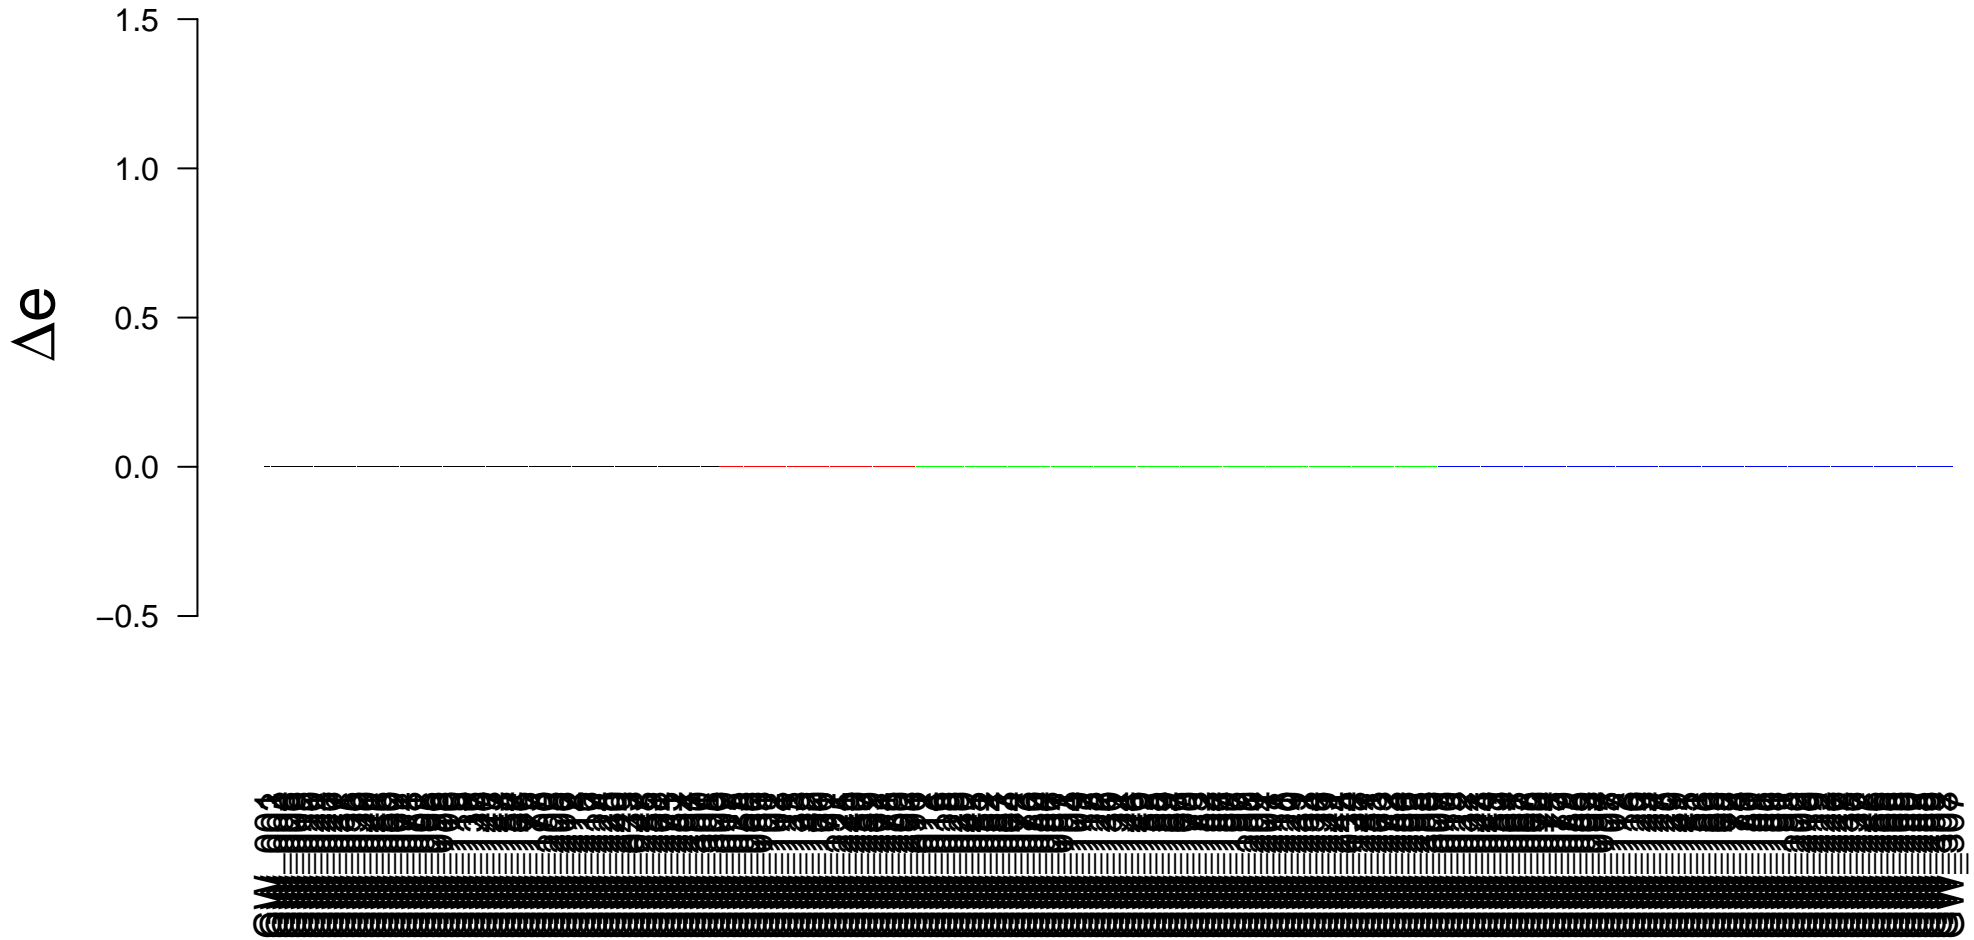

Expression of regulation of ARF GTPase activity in Spot K

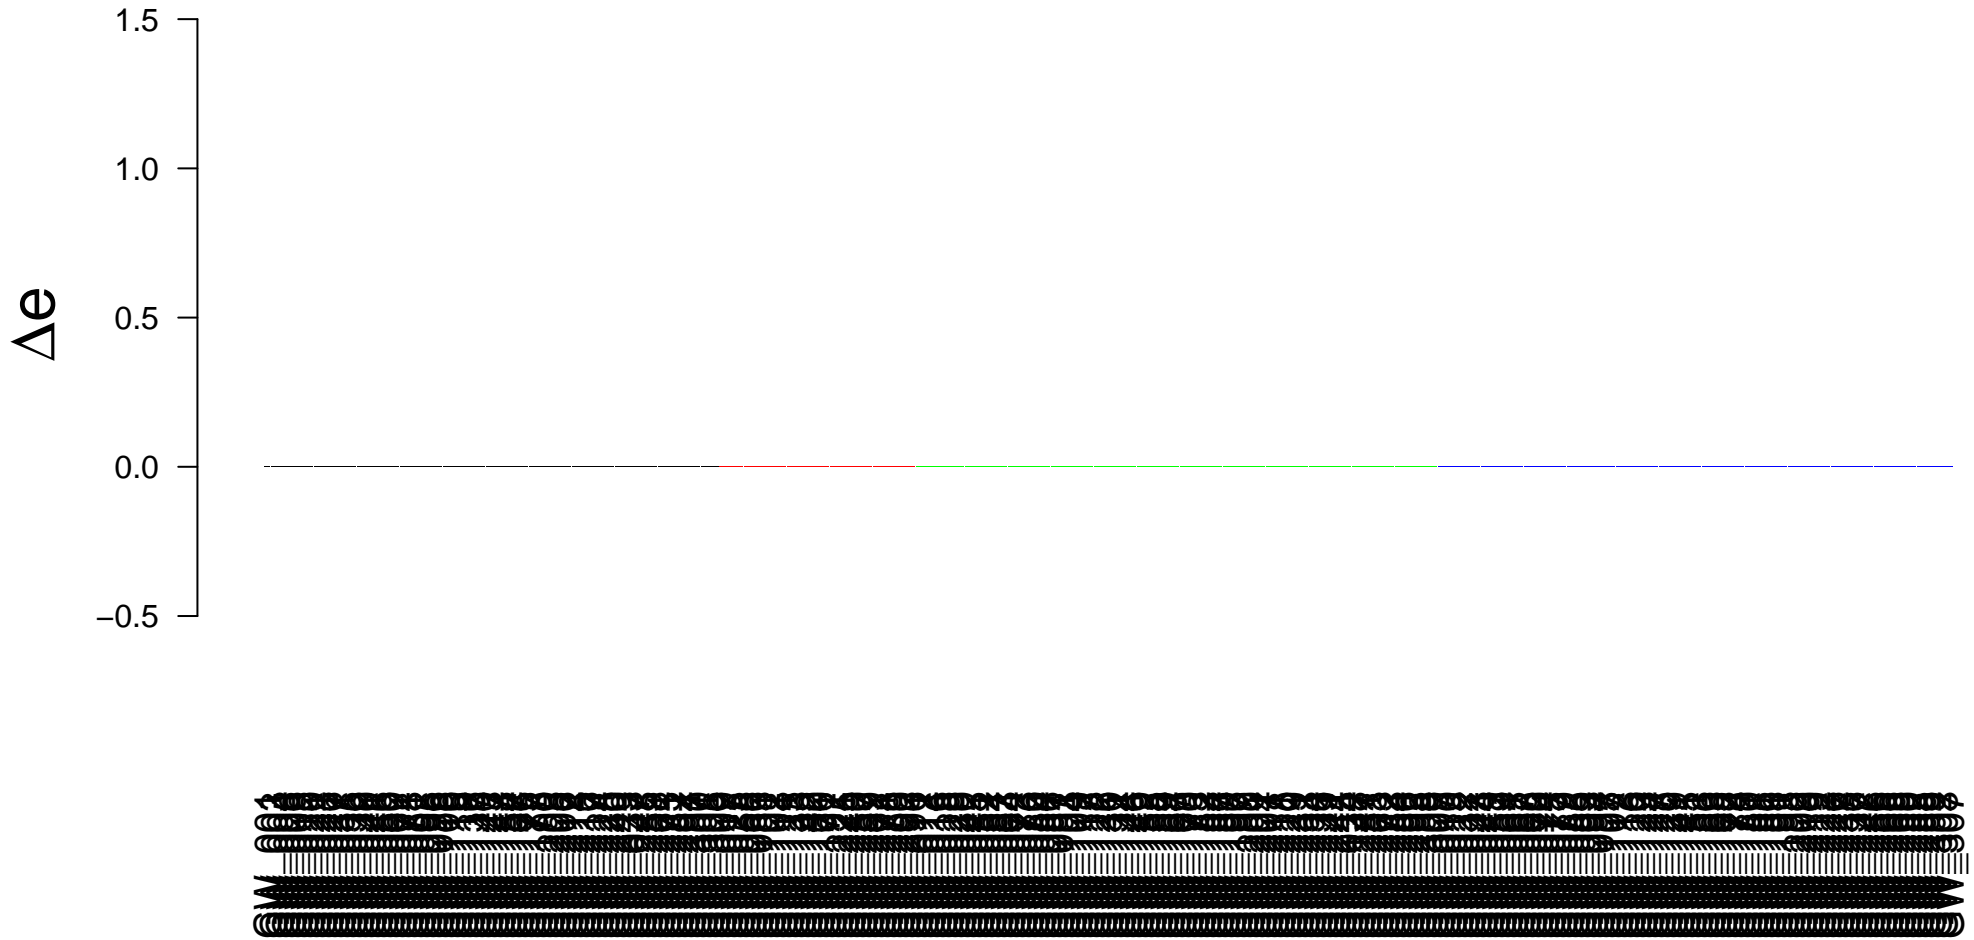

Expression of regulation of ARF GTPase activity in Spot L

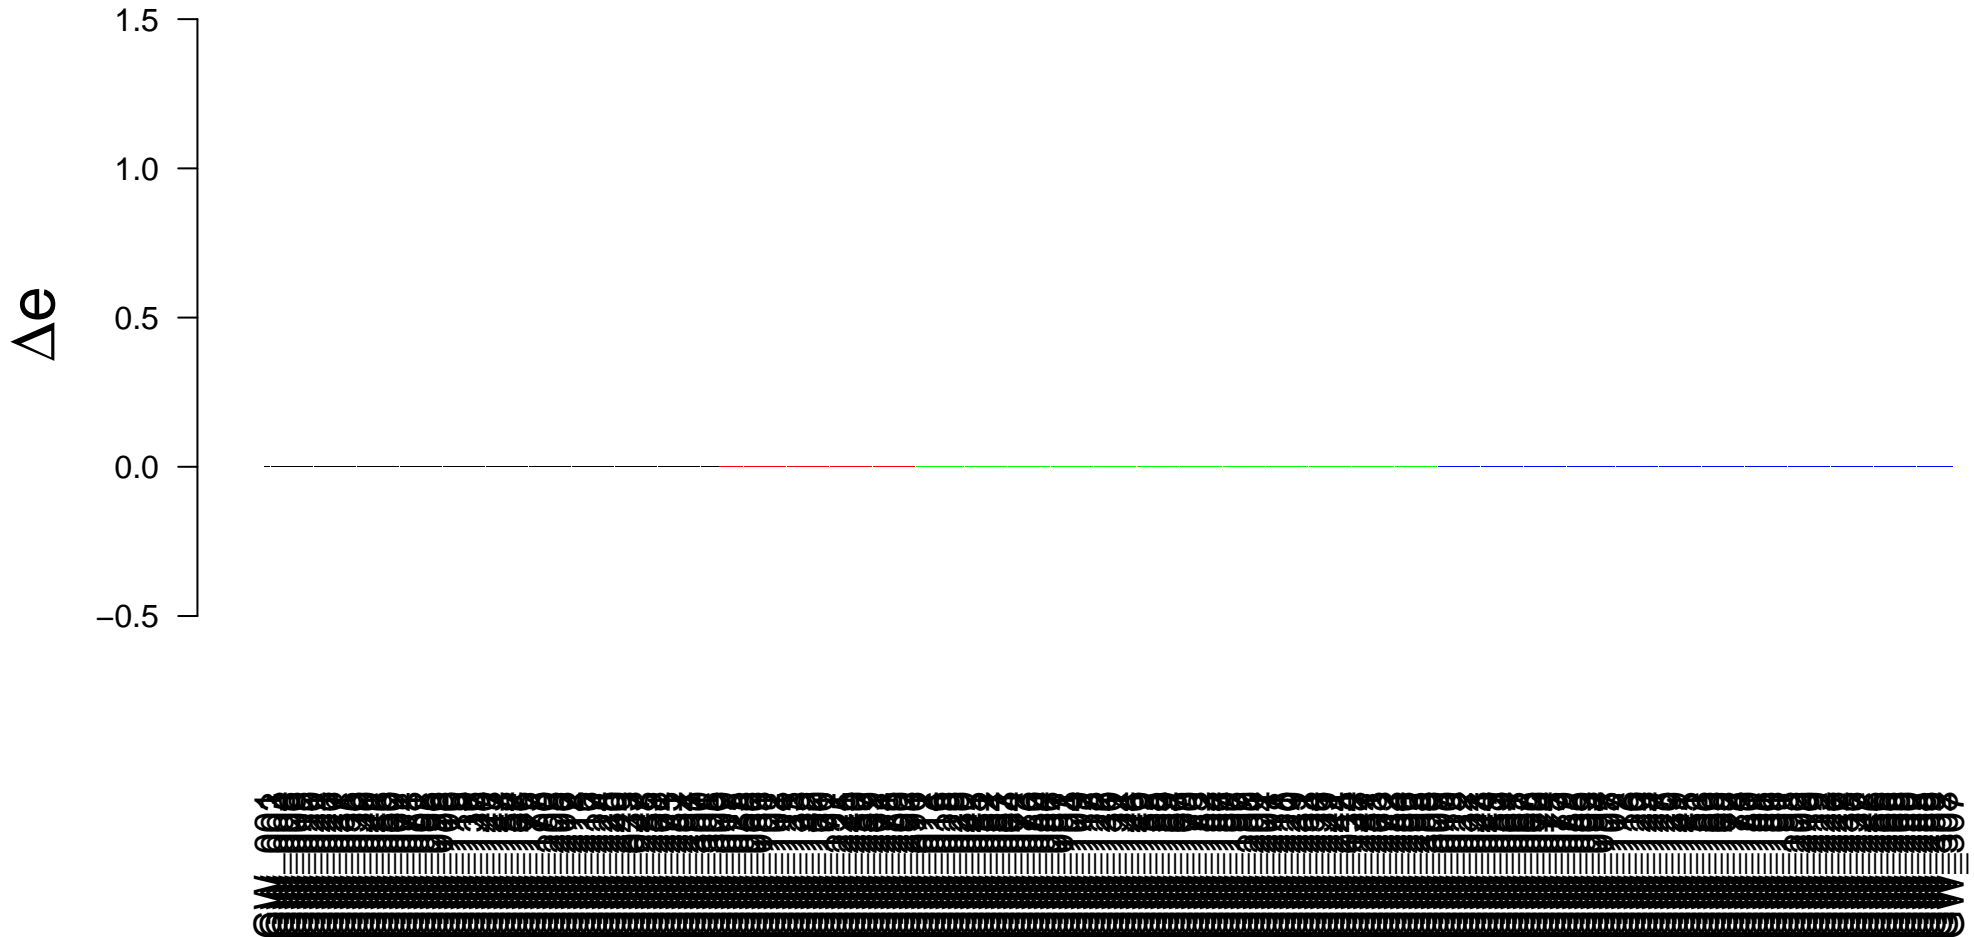

Expression of regulation of ARF GTPase activity in Spot M

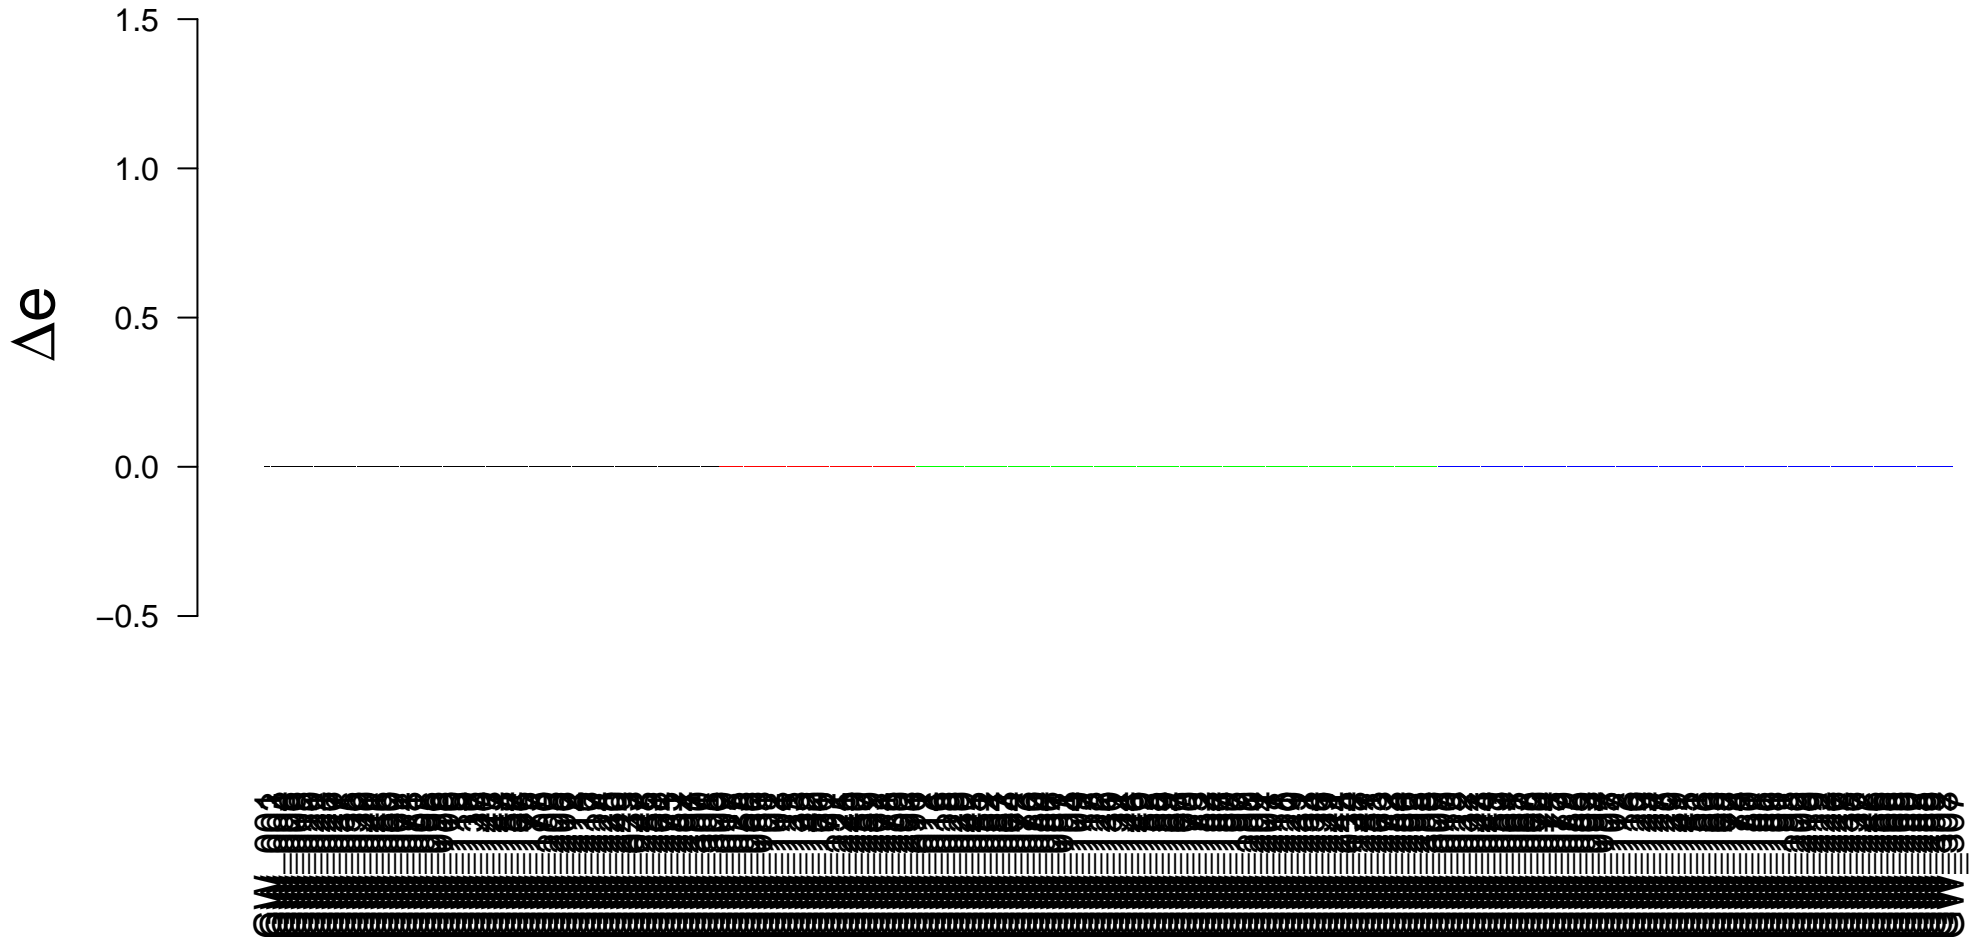

Expression of regulation of ARF GTPase activity in Spot N

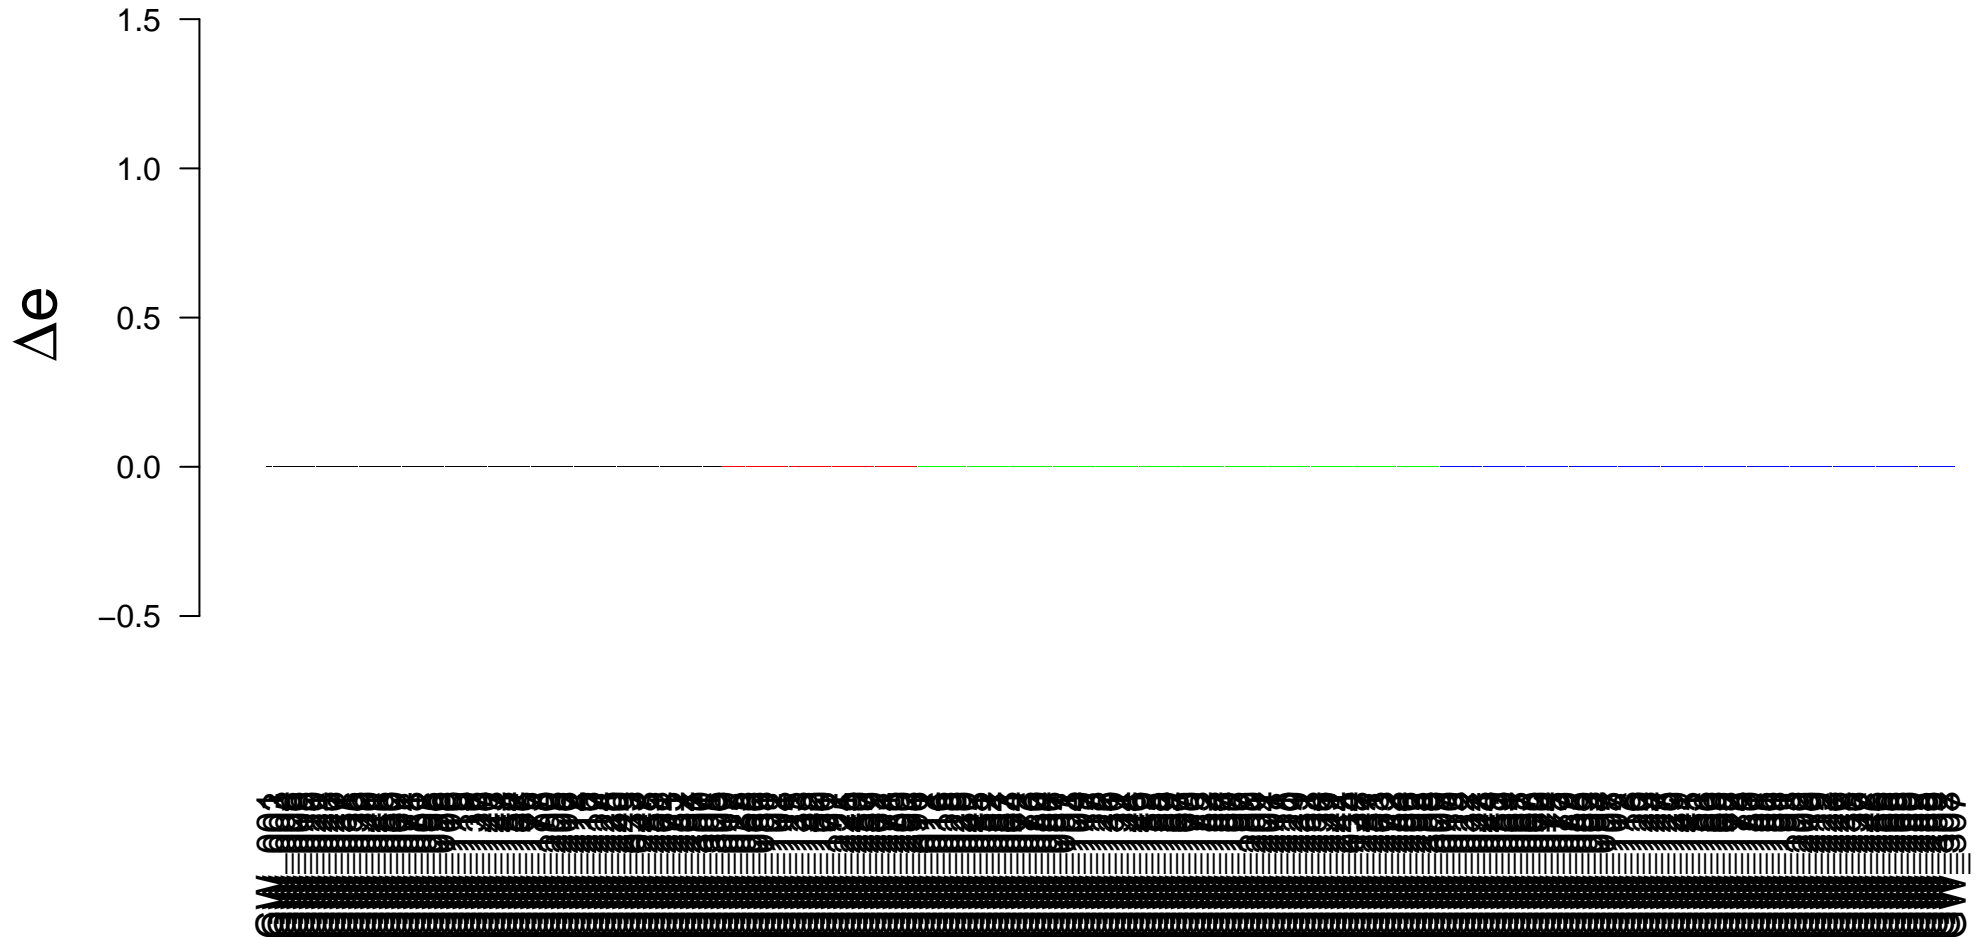

Expression of regulation of ARF GTPase activity in Spot O

Expression of regulation of ARF GTPase activity in Spot P

Expression of regulation of ARF GTPase activity in Spot Q

Expression of regulation of ARF GTPase activity in Spot R
