

regulation of Rac GTPase activity

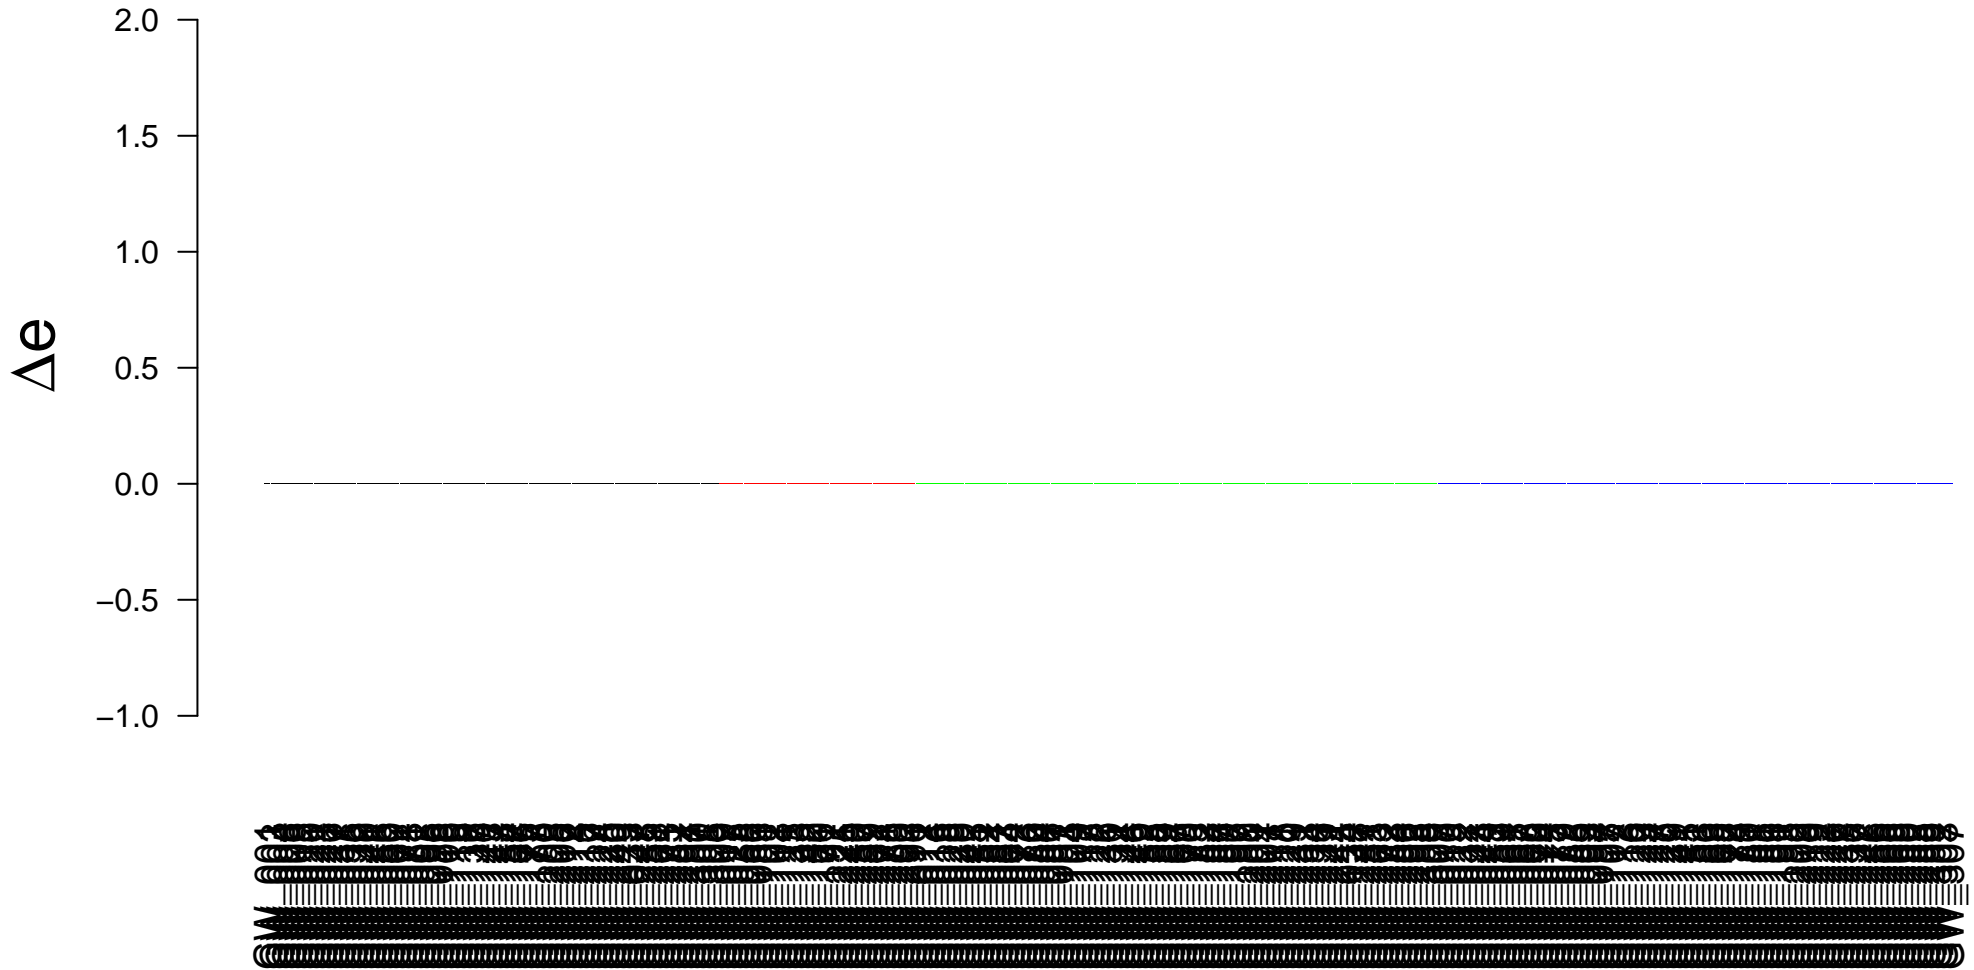

regulation of Rac GTPase activity

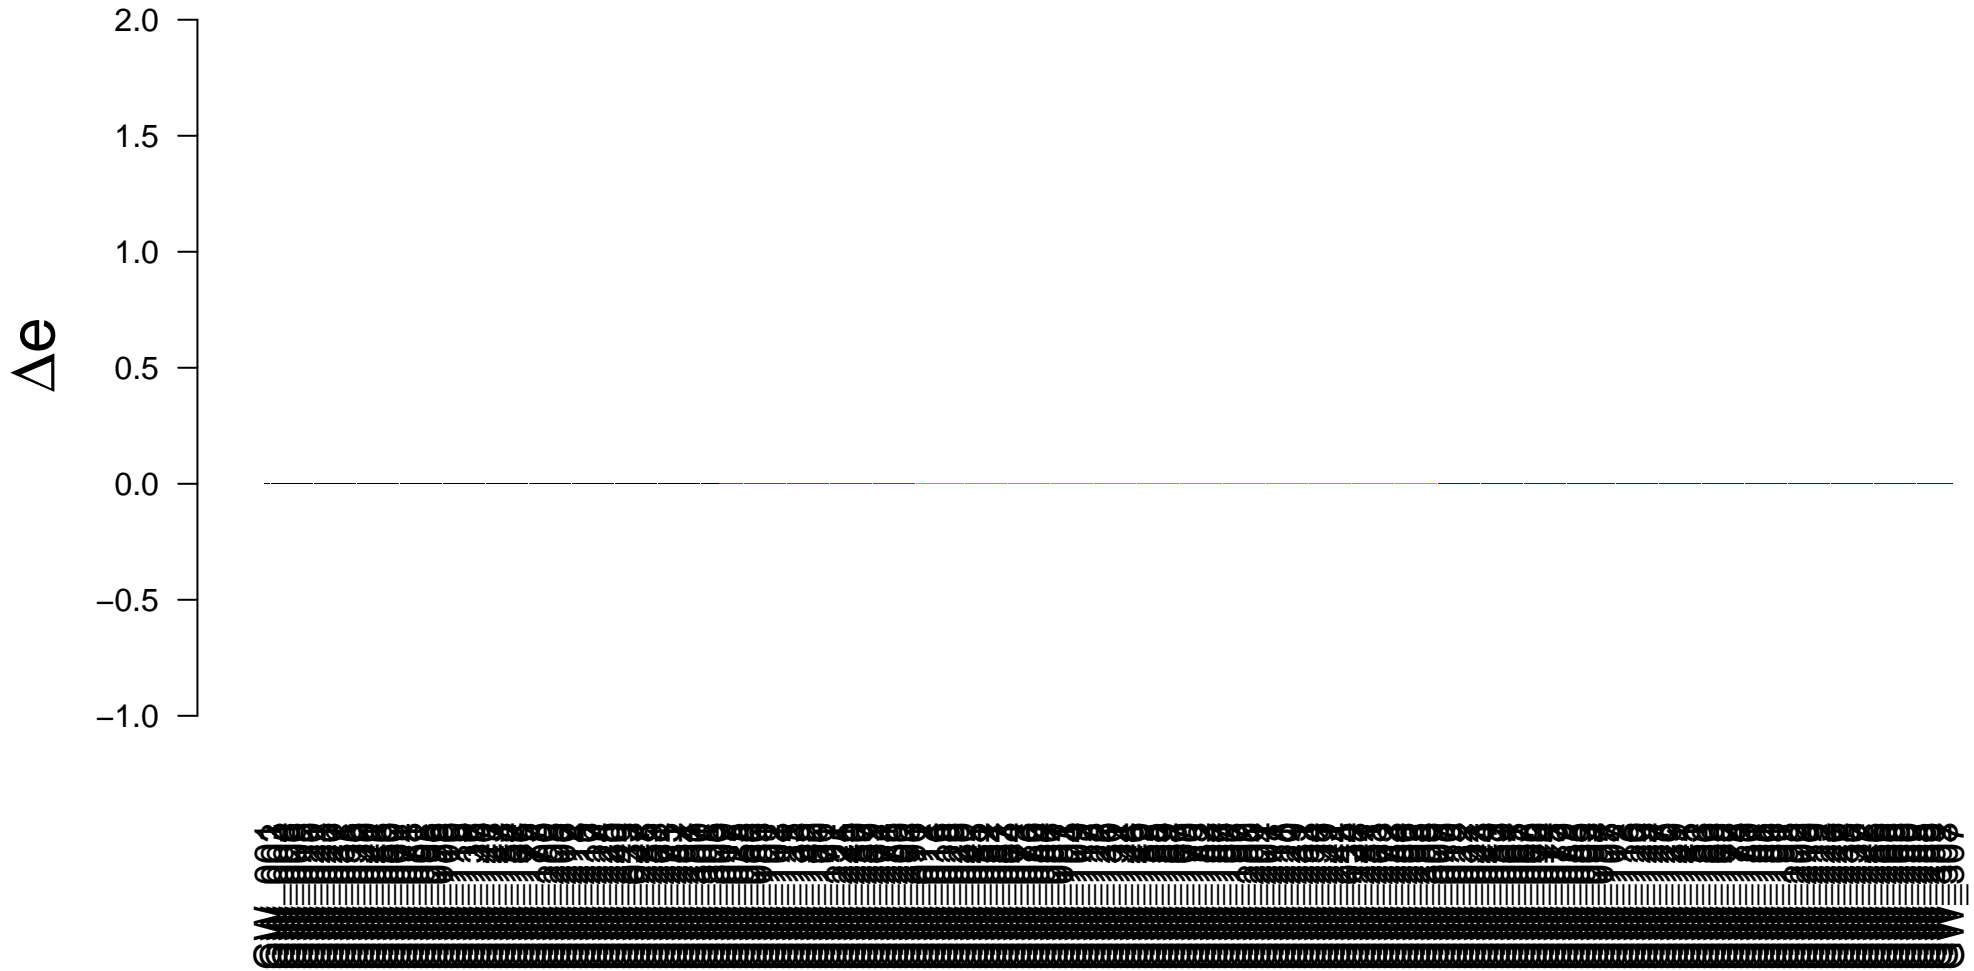

Enrichment in spots: regulation of Rac GTPase activity

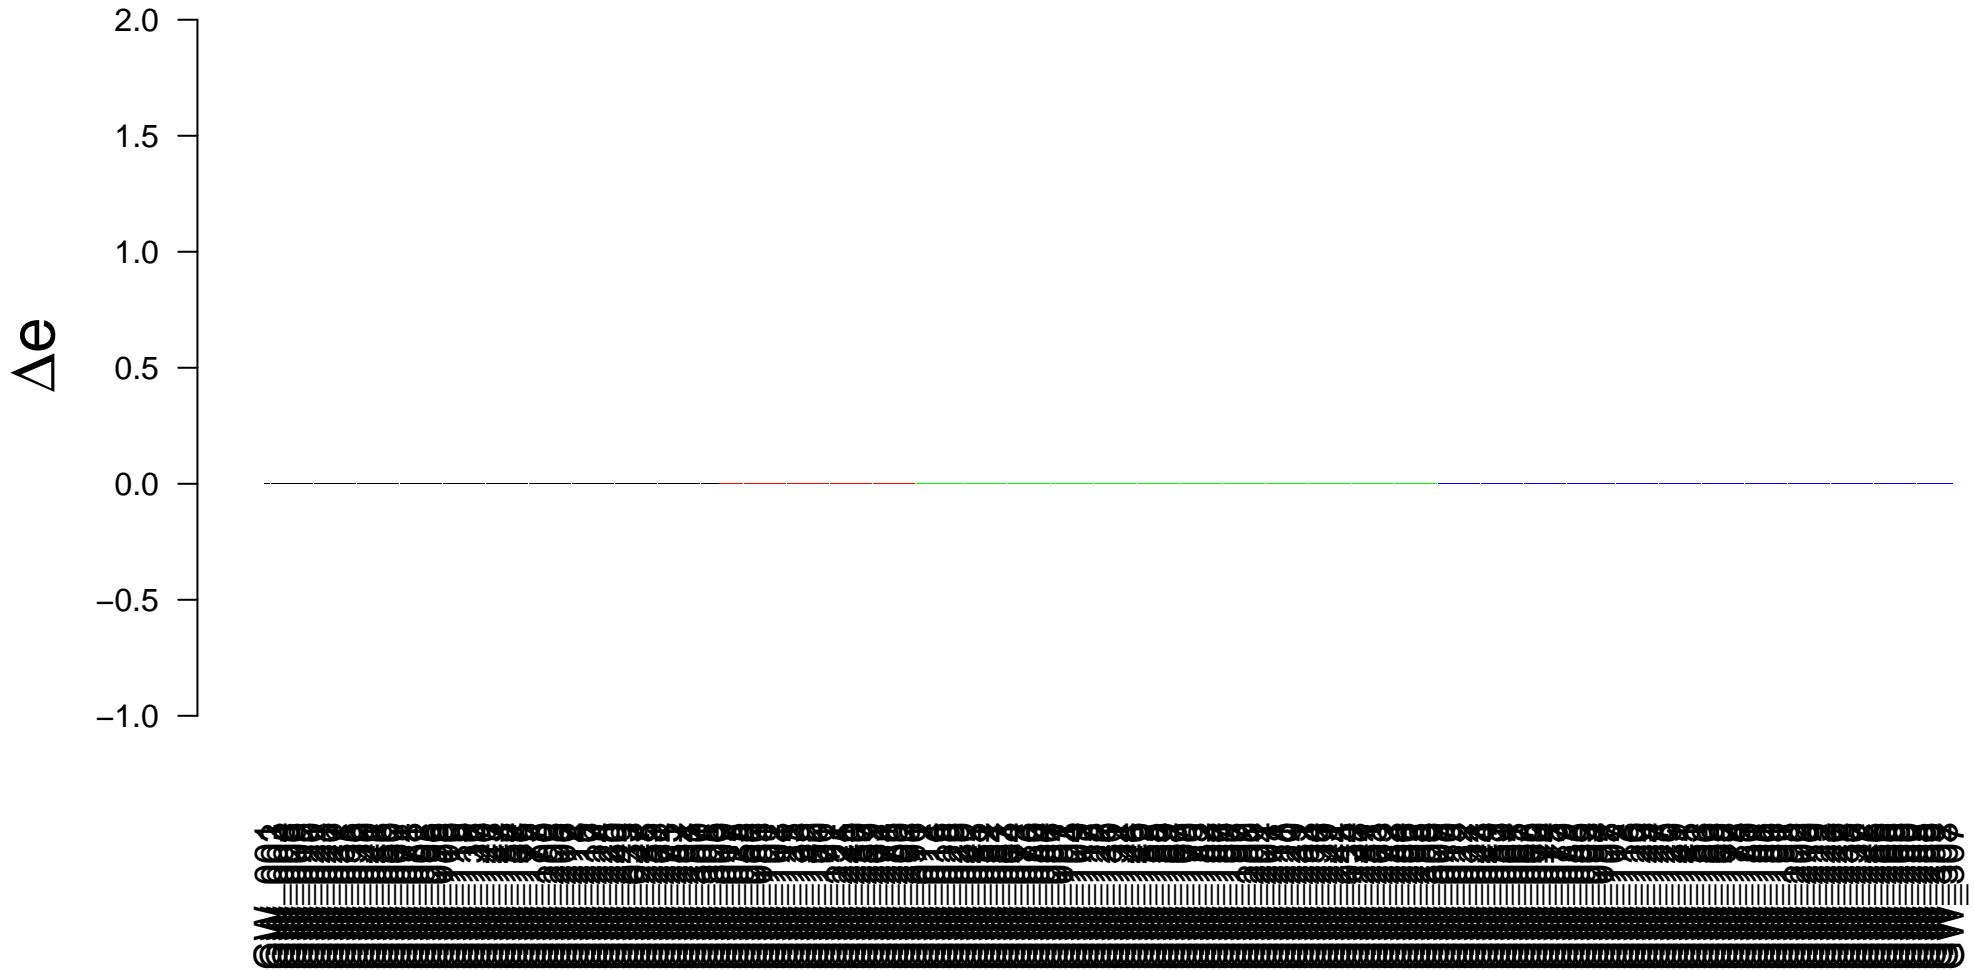

Expression of regulation of Rac GTPase activity in Spot A

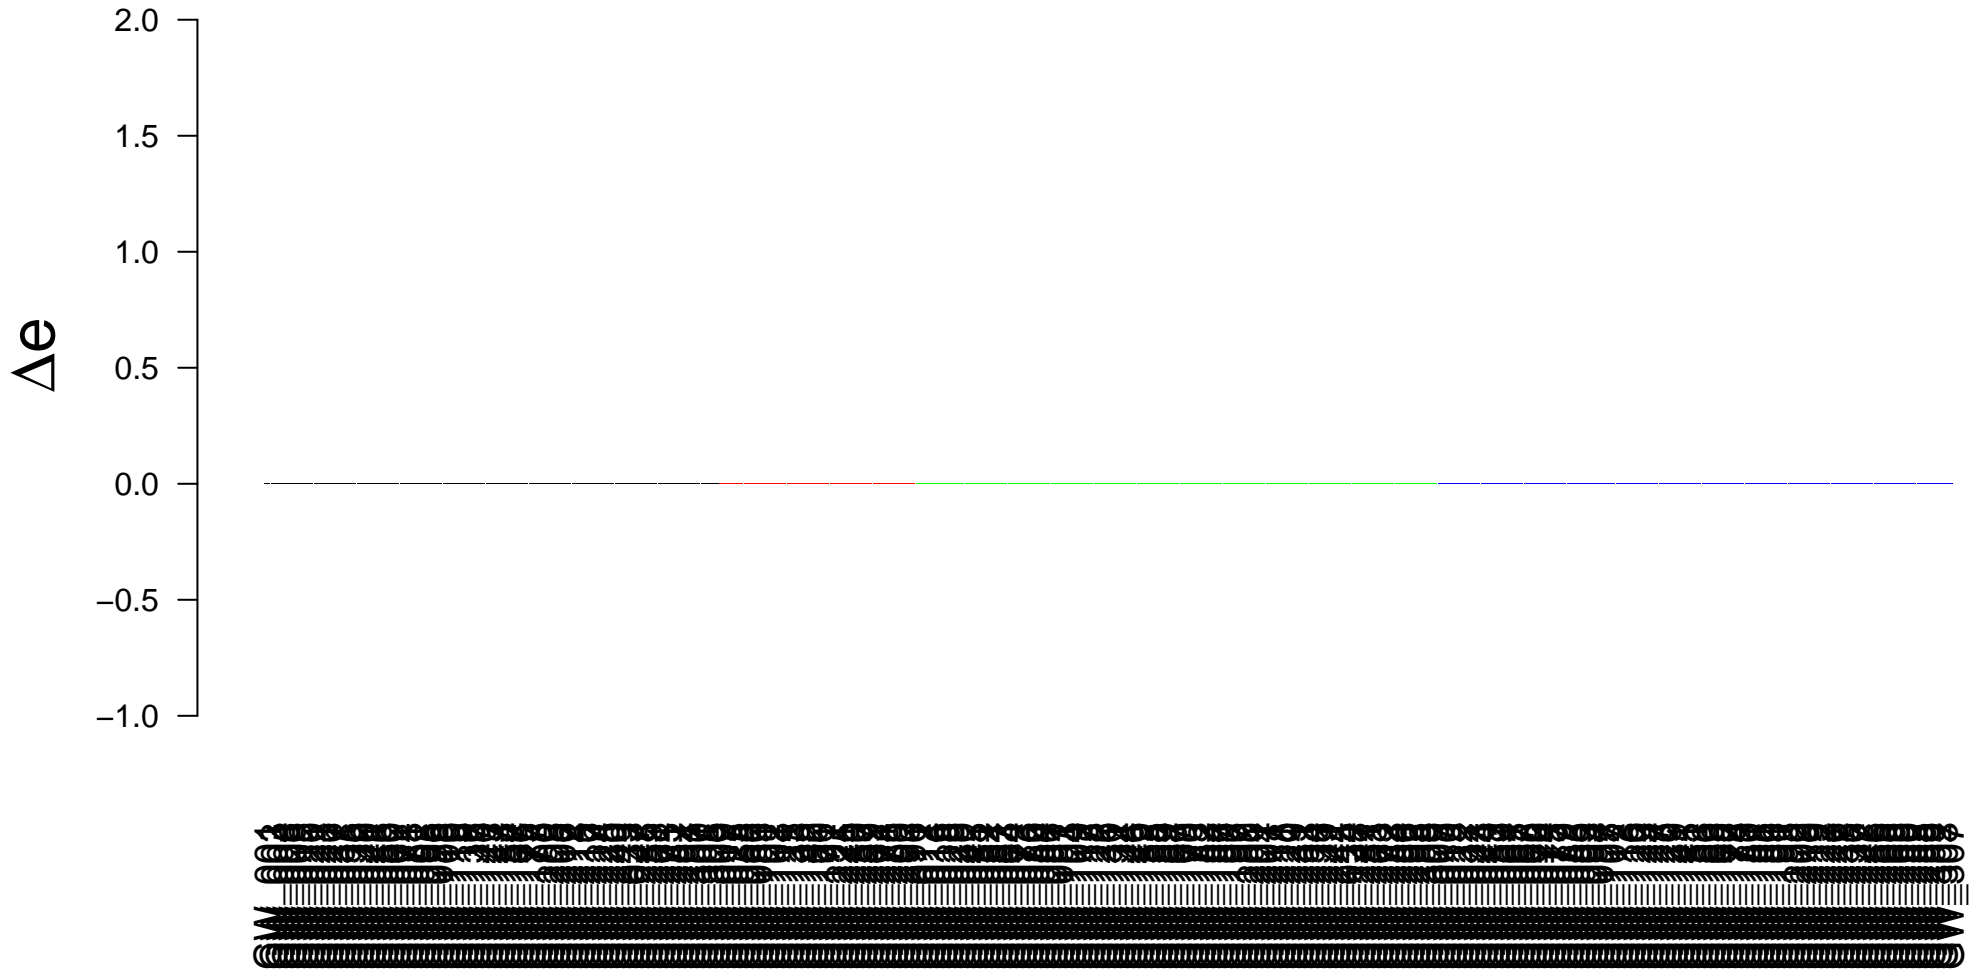

Expression of regulation of Rac GTPase activity in Spot B

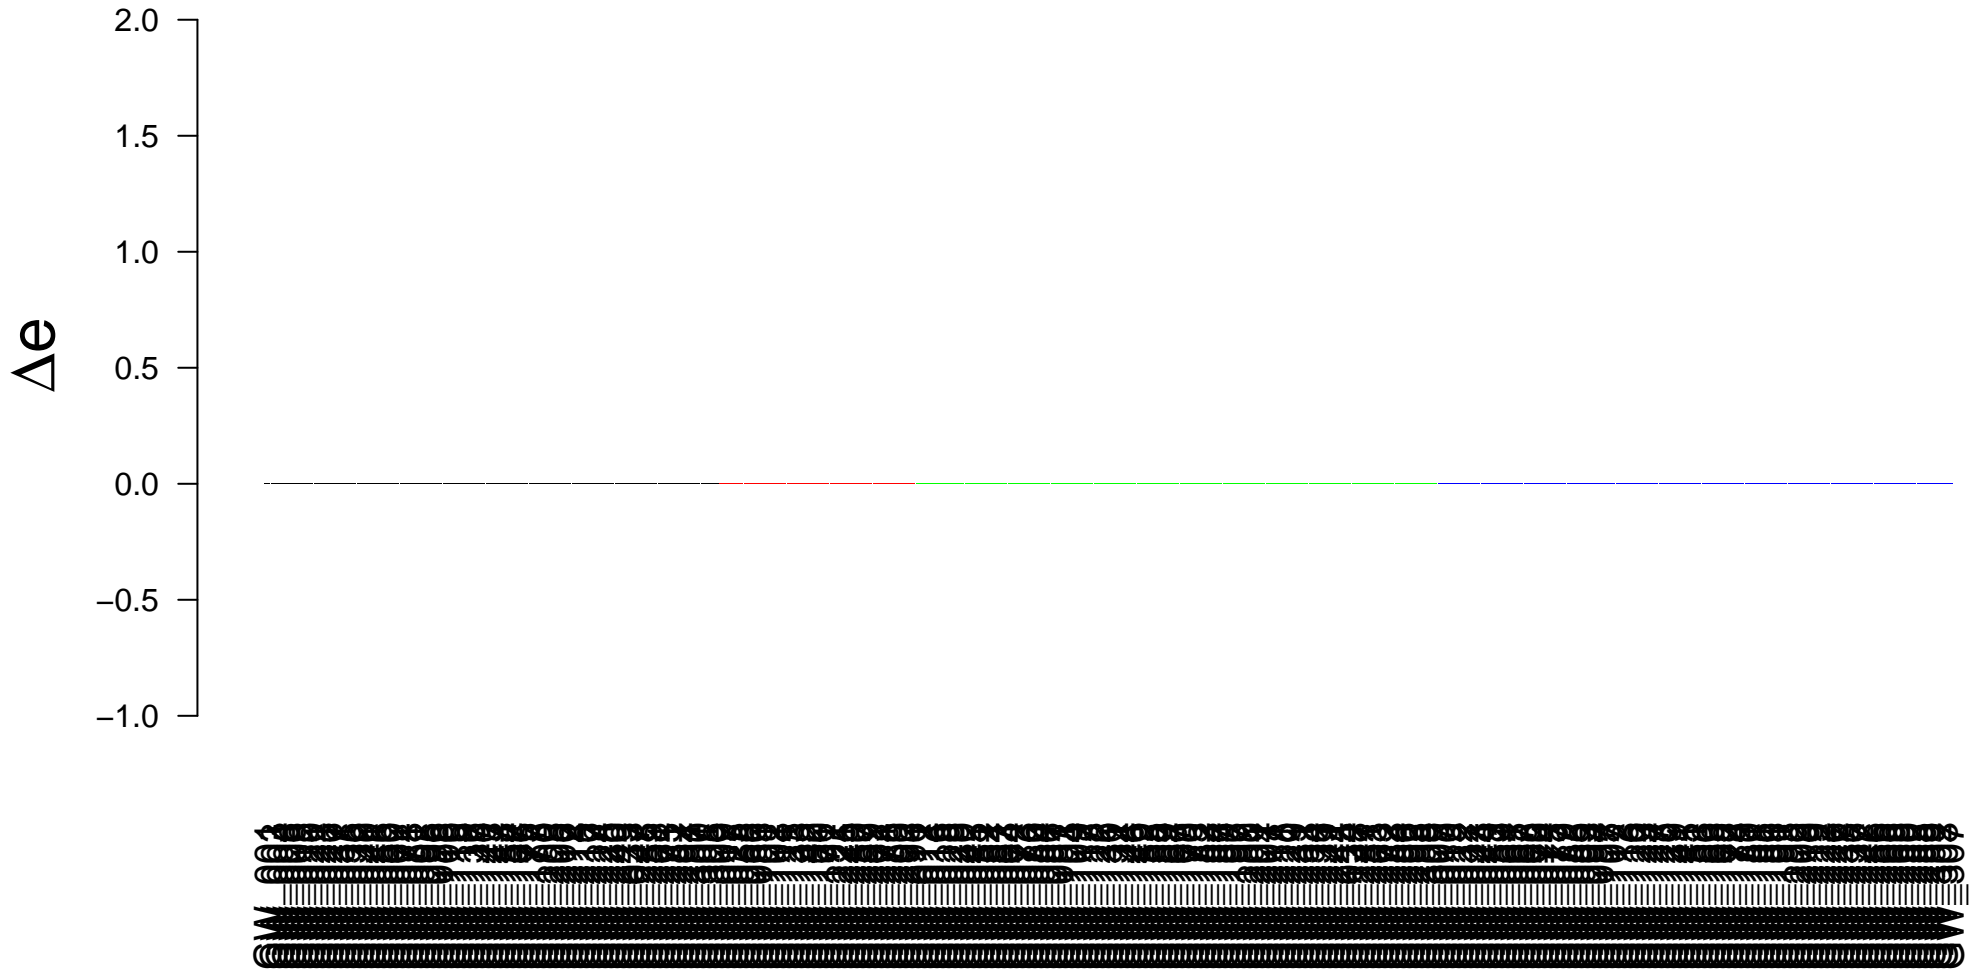

Expression of regulation of Rac GTPase activity in Spot C

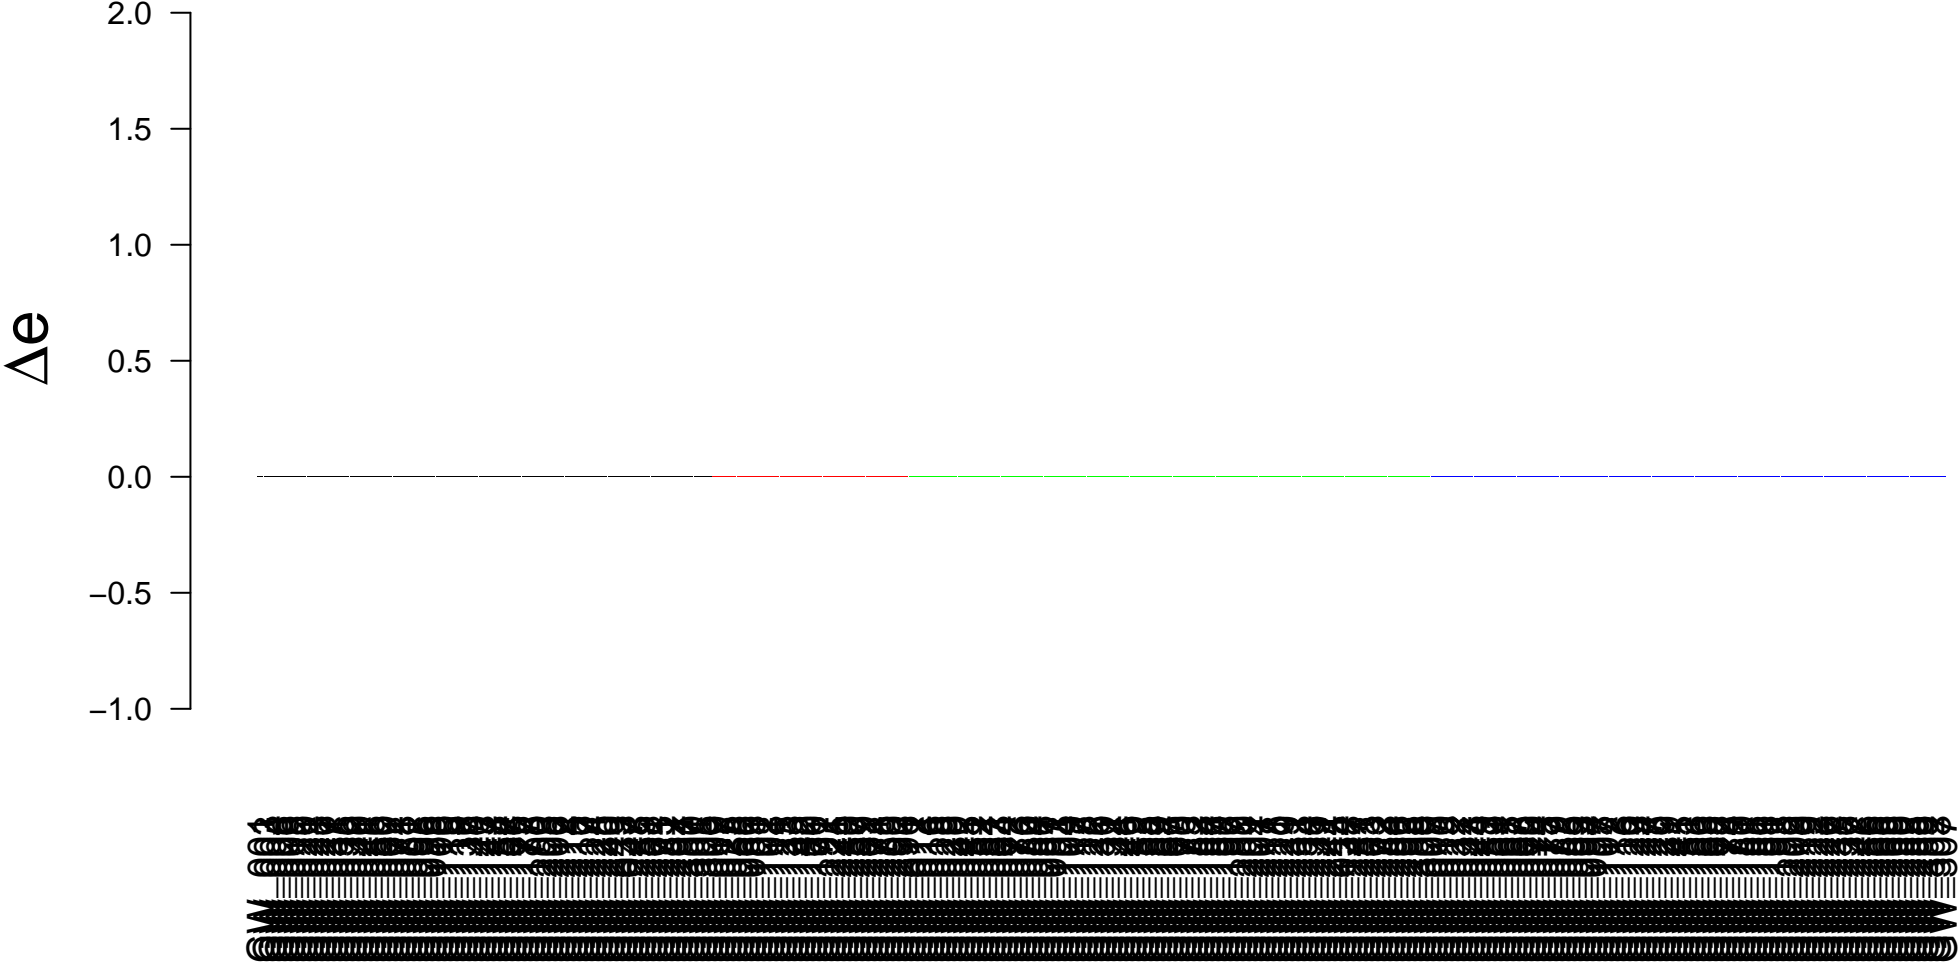

Expression of regulation of Rac GTPase activity in Spot D

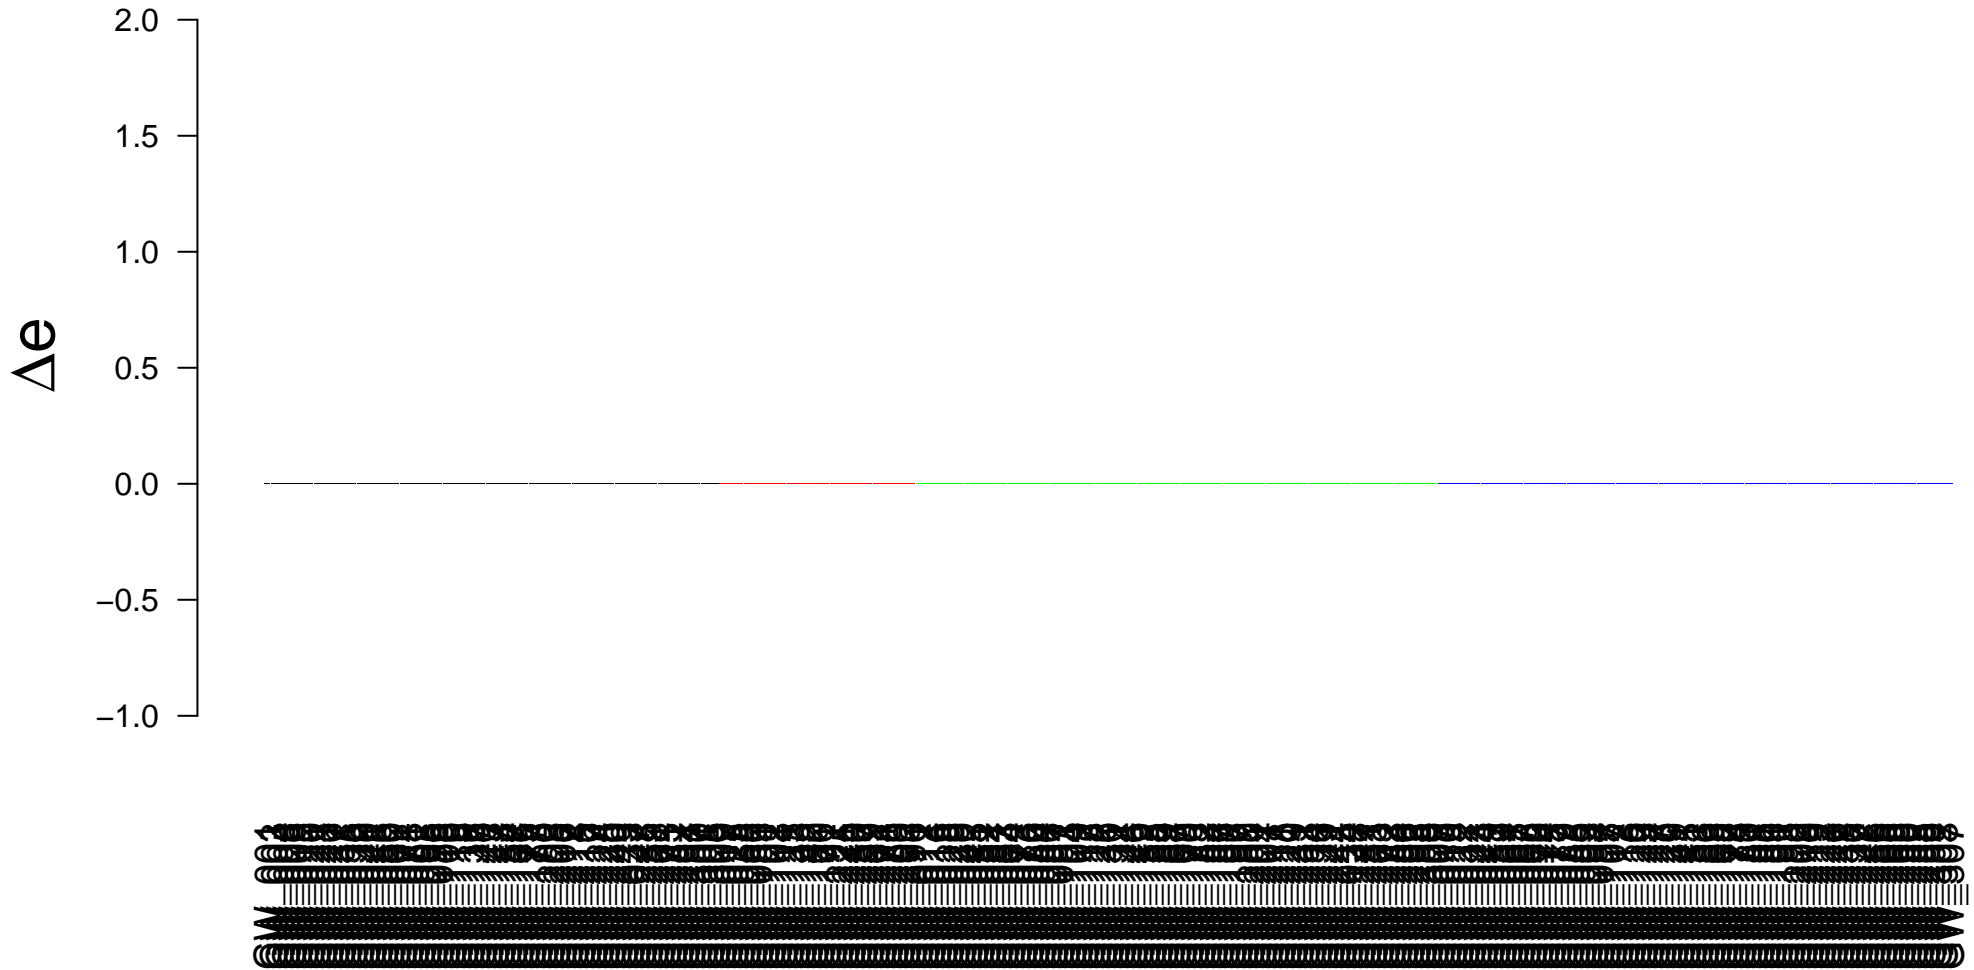

Expression of regulation of Rac GTPase activity in Spot E

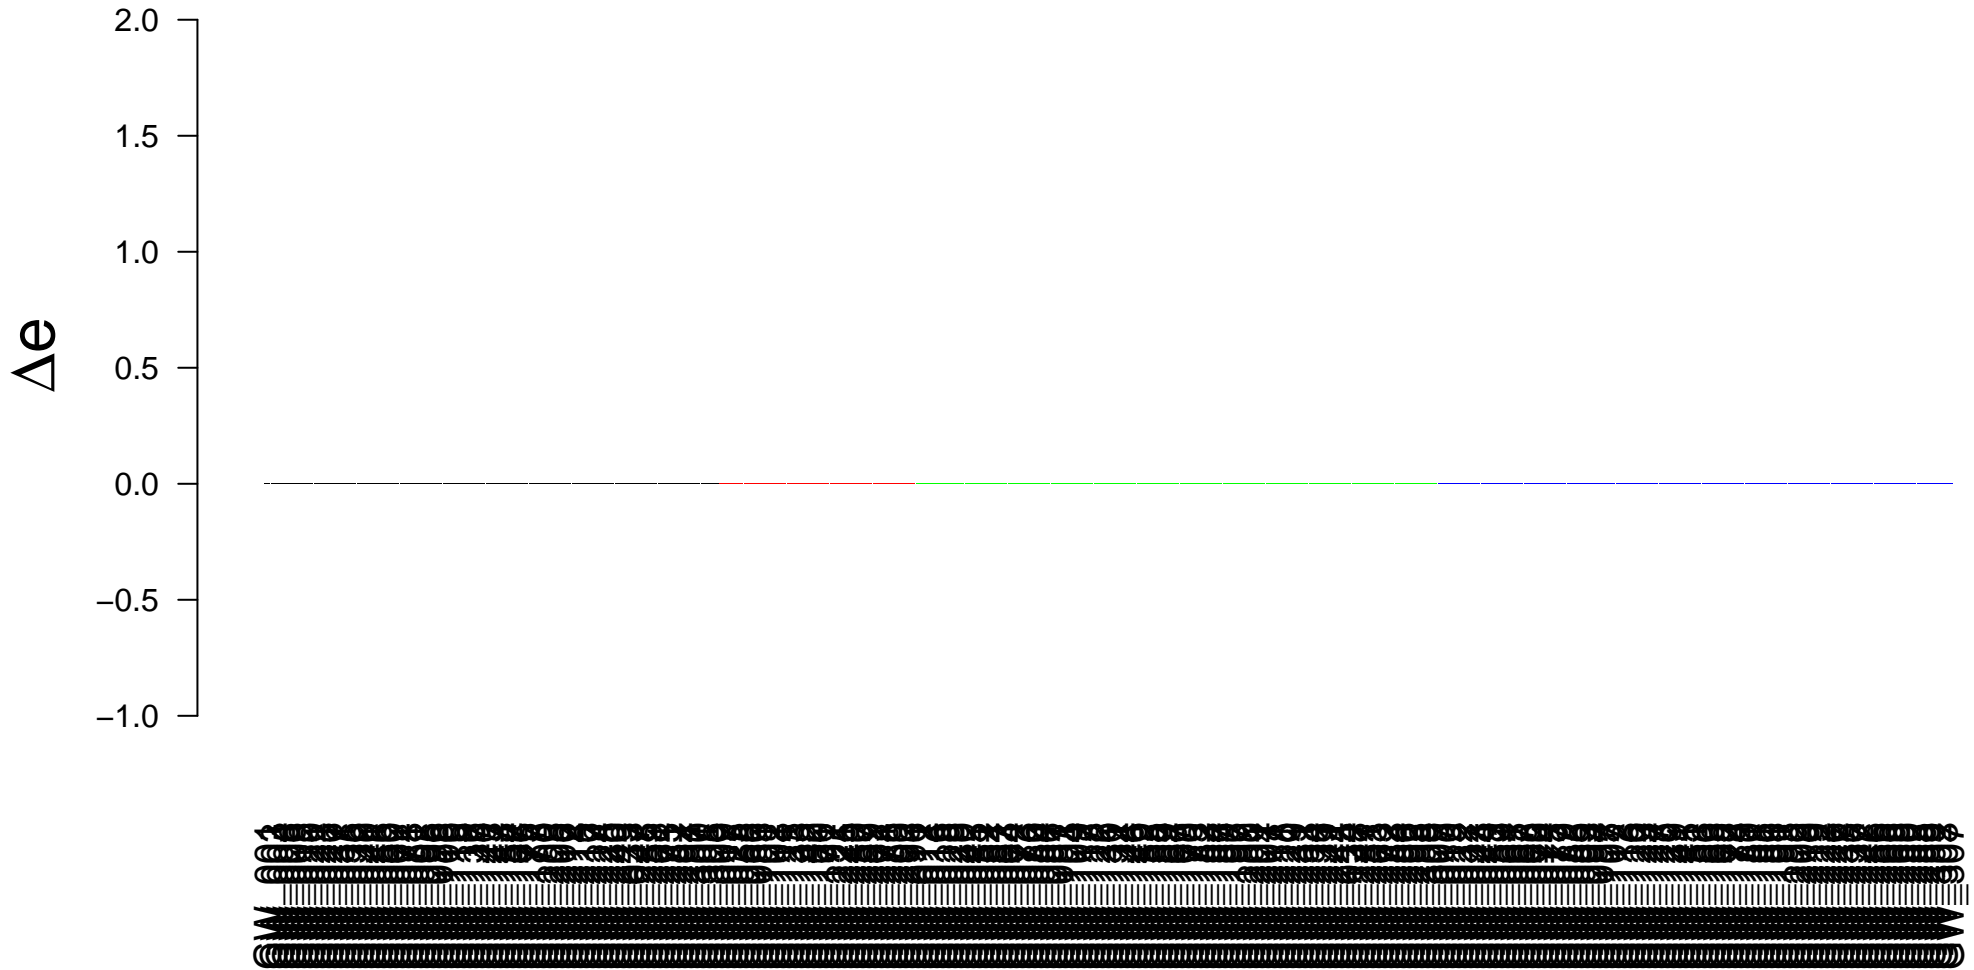

Expression of regulation of Rac GTPase activity in Spot F

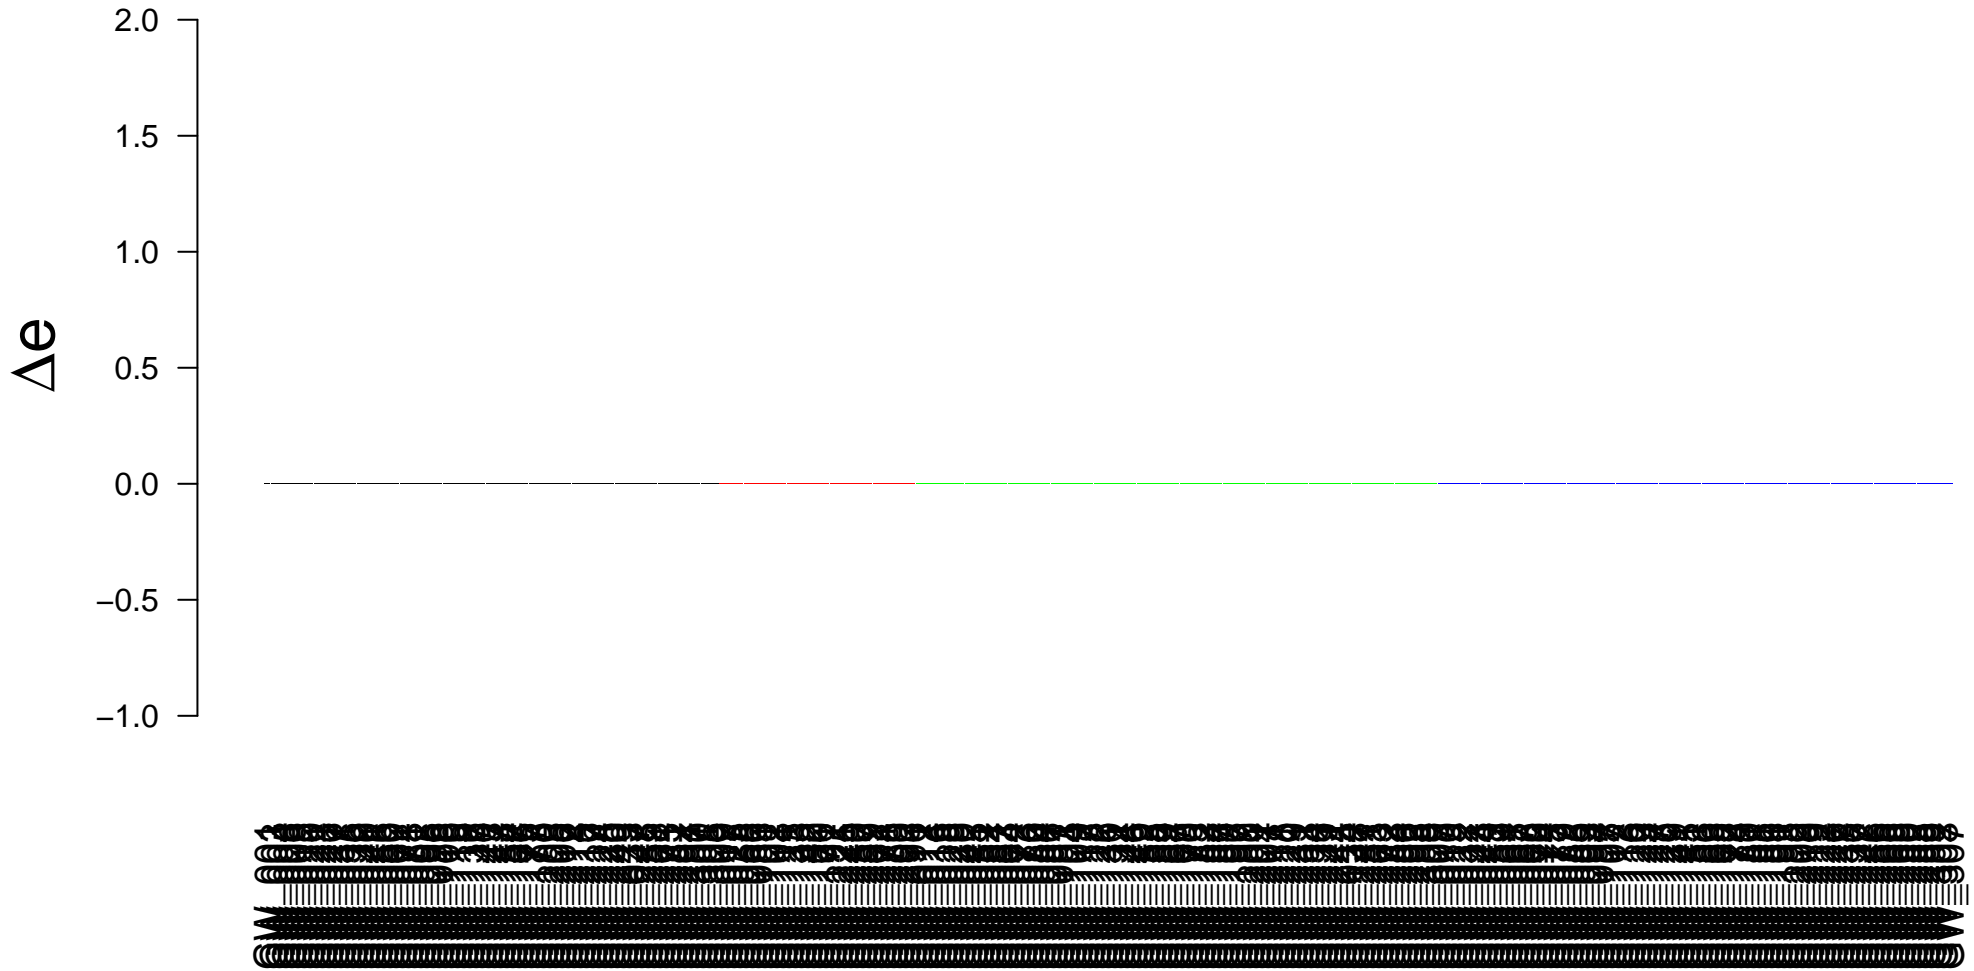

Expression of regulation of Rac GTPase activity in Spot G

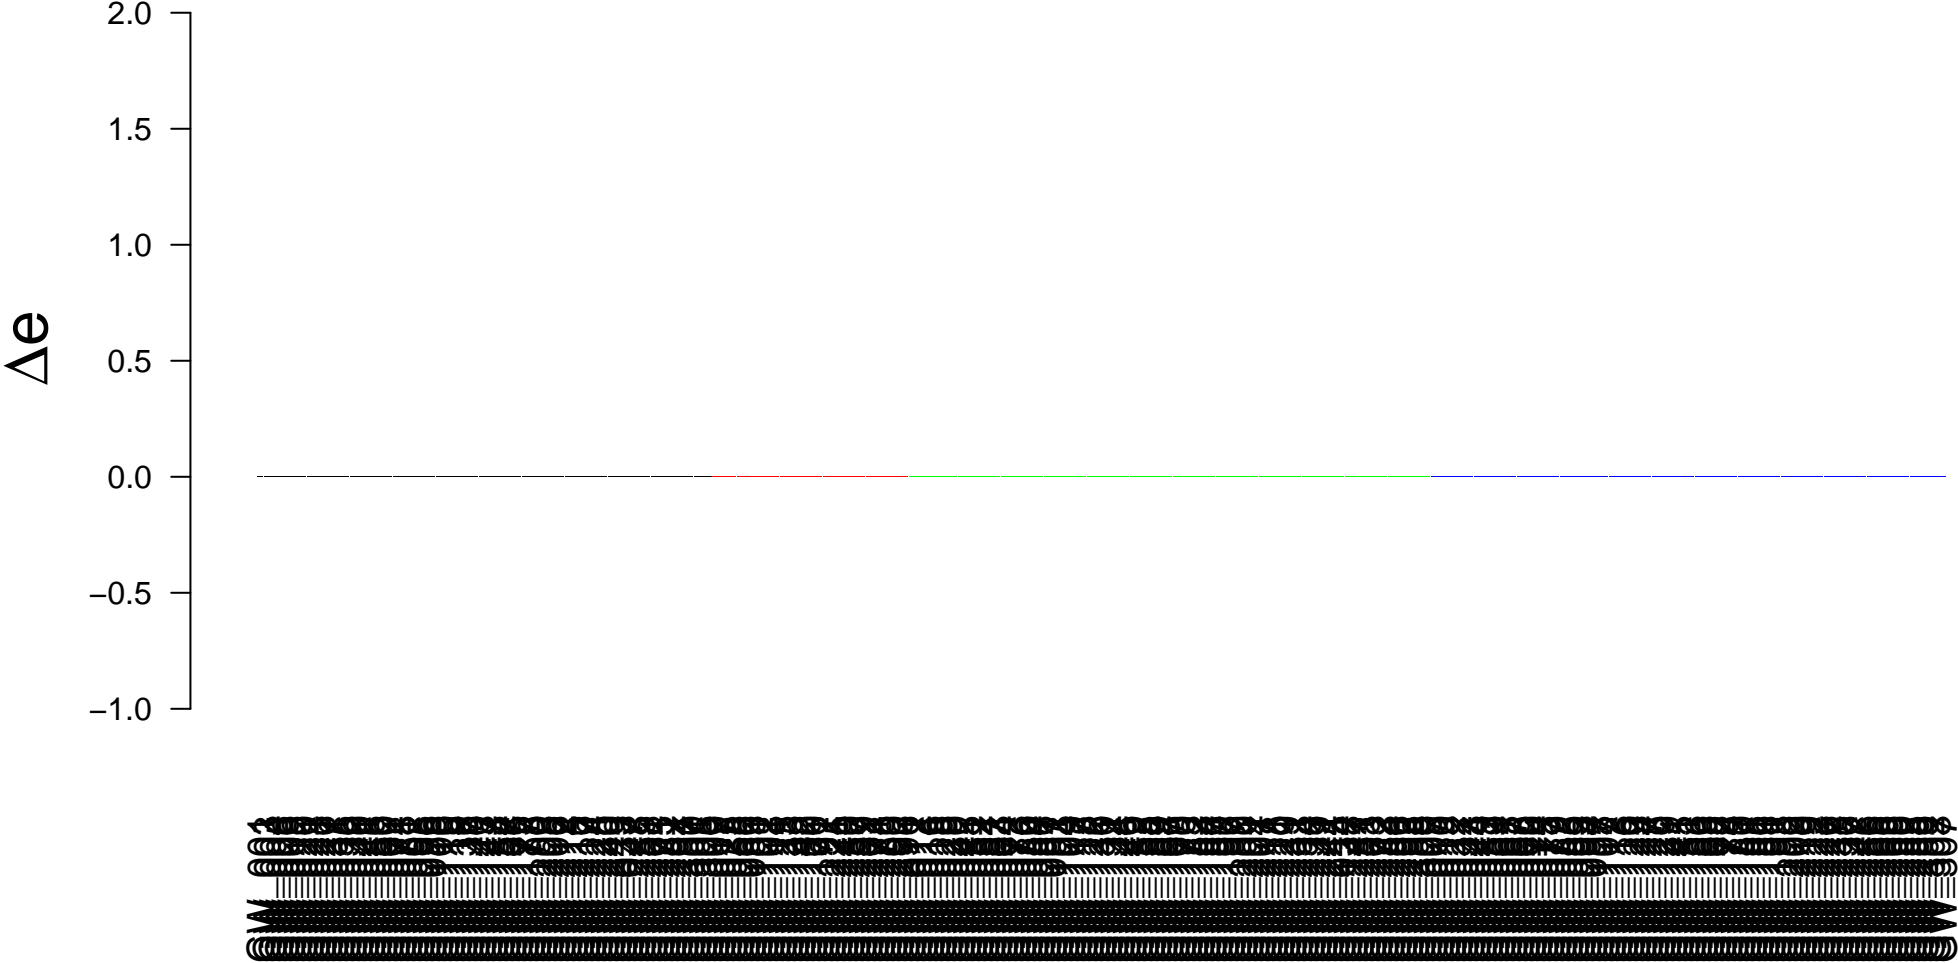

Expression of regulation of Rac GTPase activity in Spot H

Expression of regulation of Rac GTPase activity in Spot I

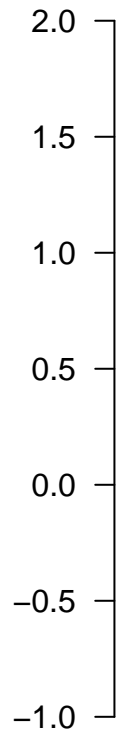

Expression of regulation of Rac GTPase activity in Spot J

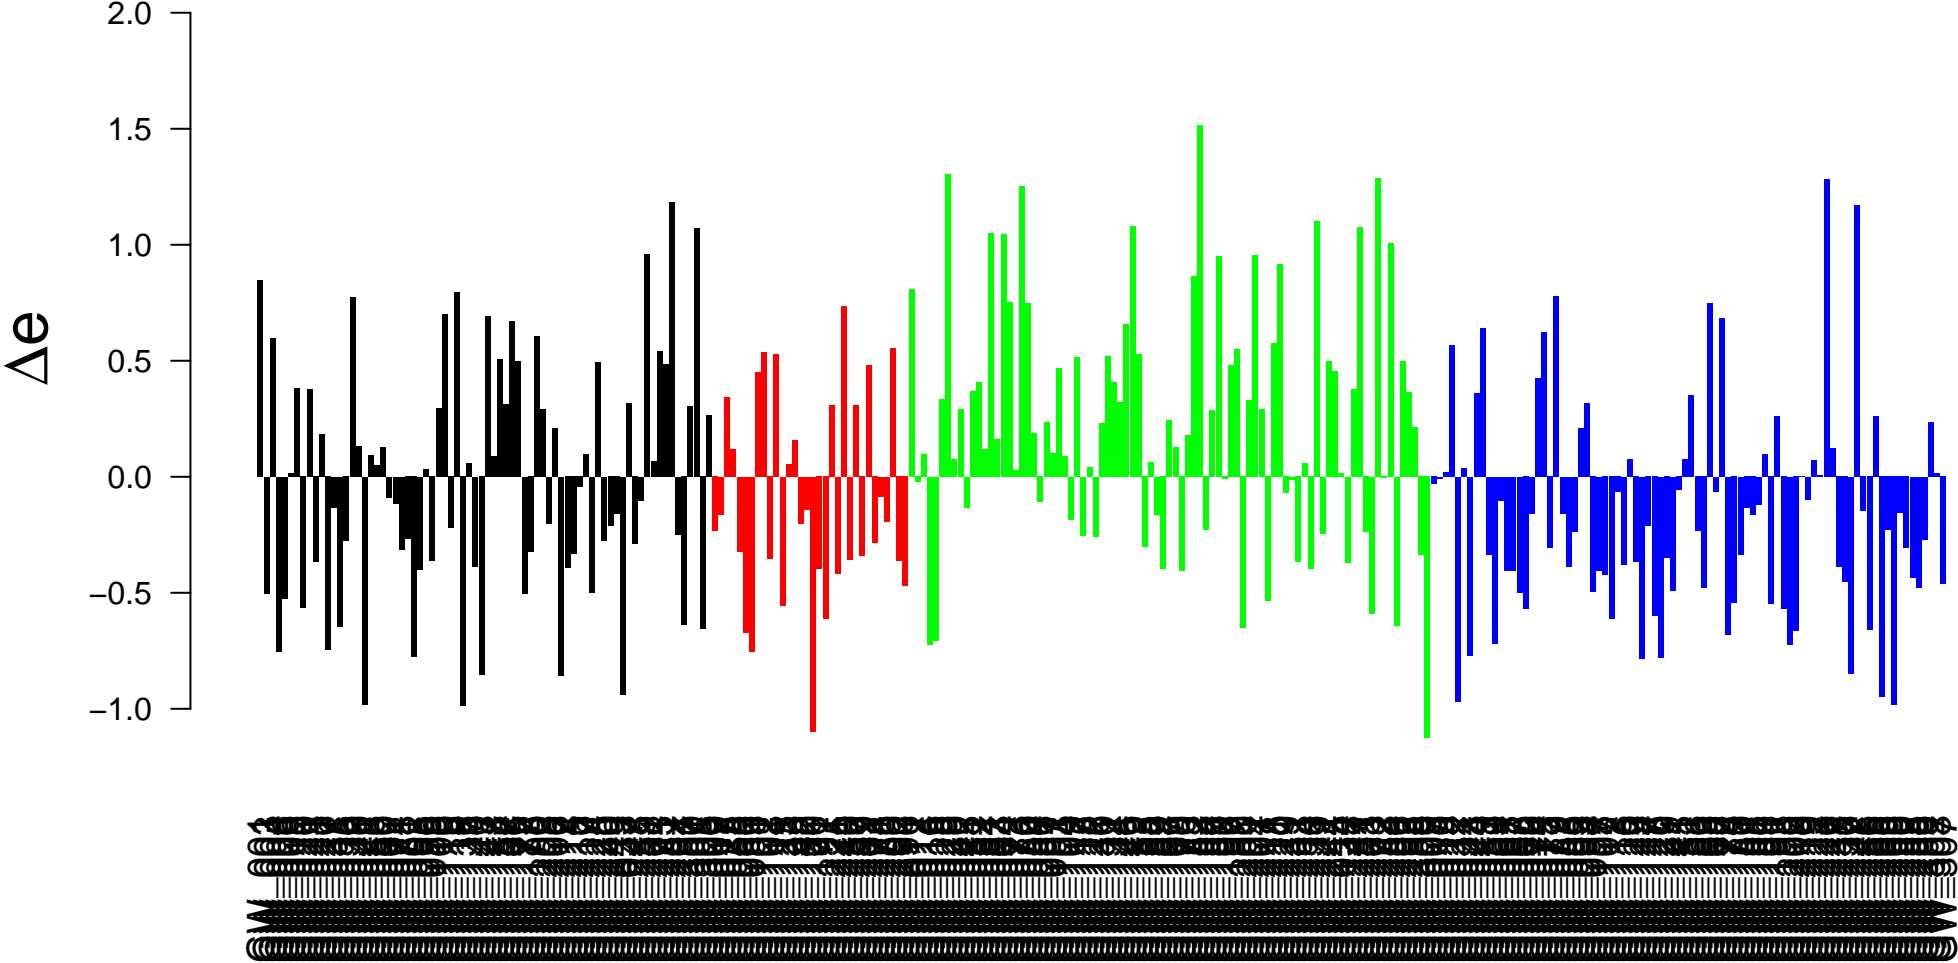

Expression of regulation of Rac GTPase activity in Spot K

Δe

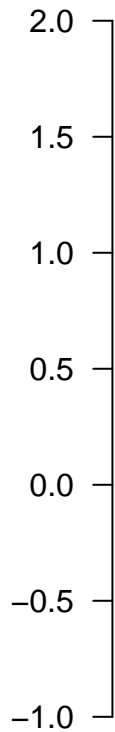

Expression of regulation of Rac GTPase activity in Spot L

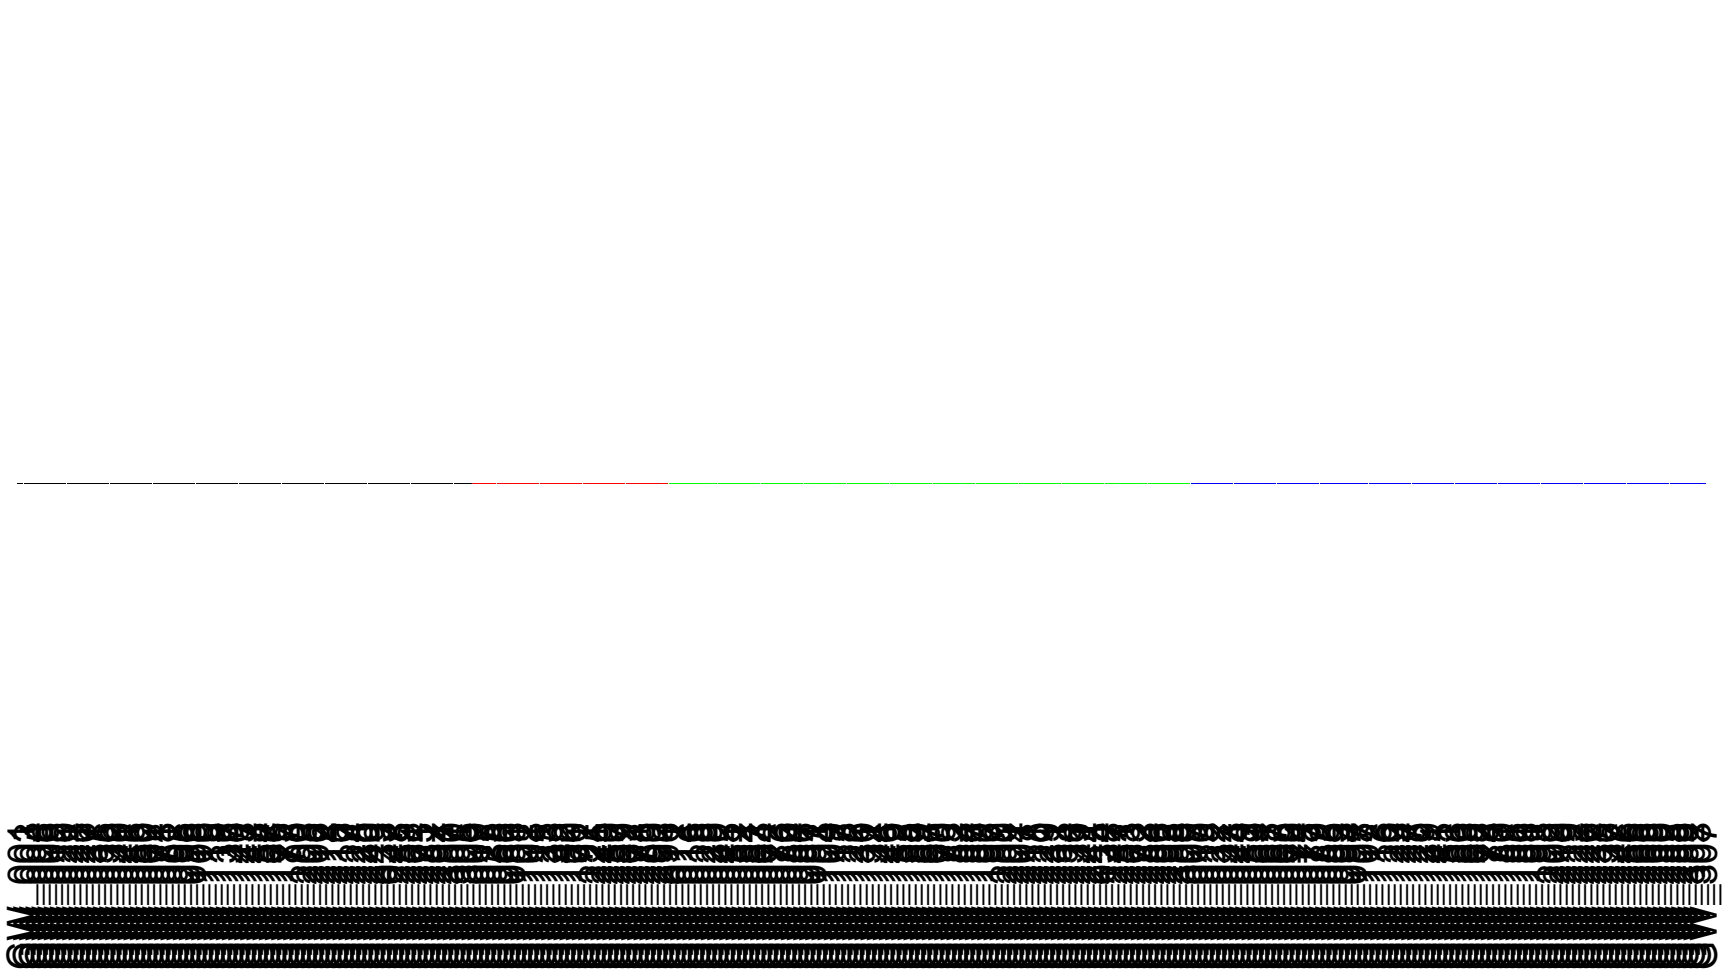

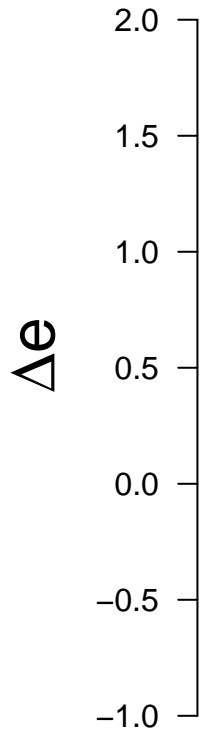

Expression of regulation of Rac GTPase activity in Spot M

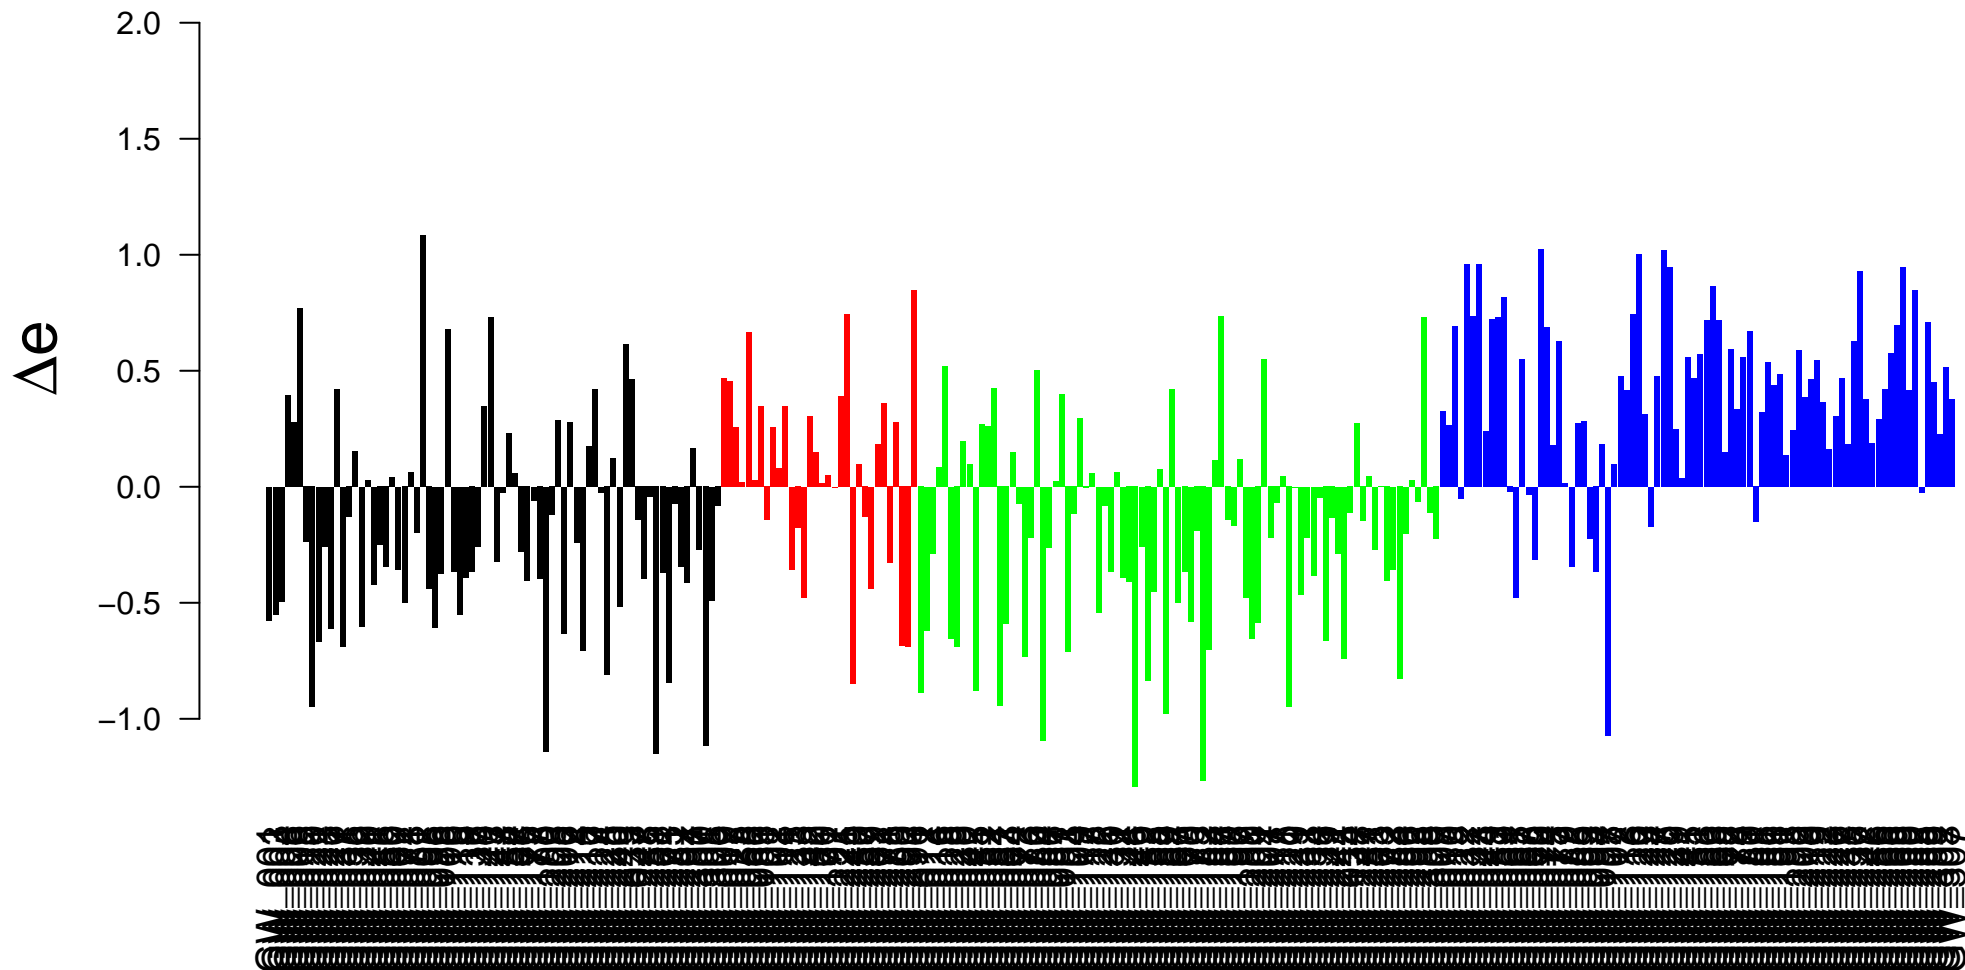

Δe

Expression of regulation of Rac GTPase activity in Spot N

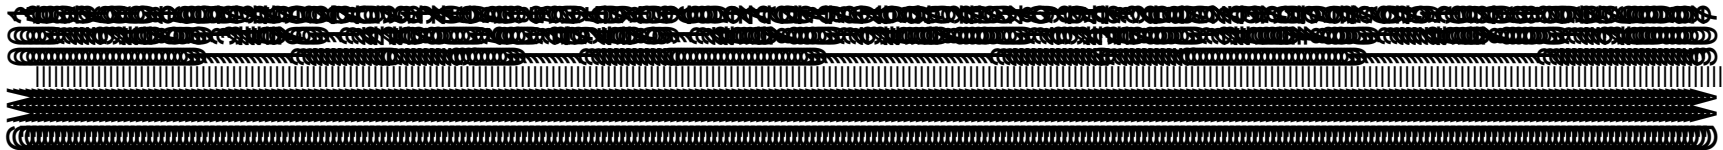

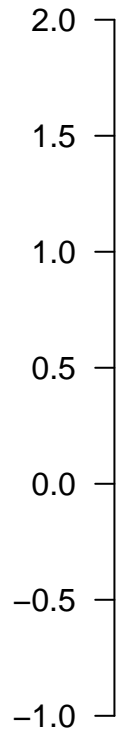

Expression of regulation of Rac GTPase activity in Spot O

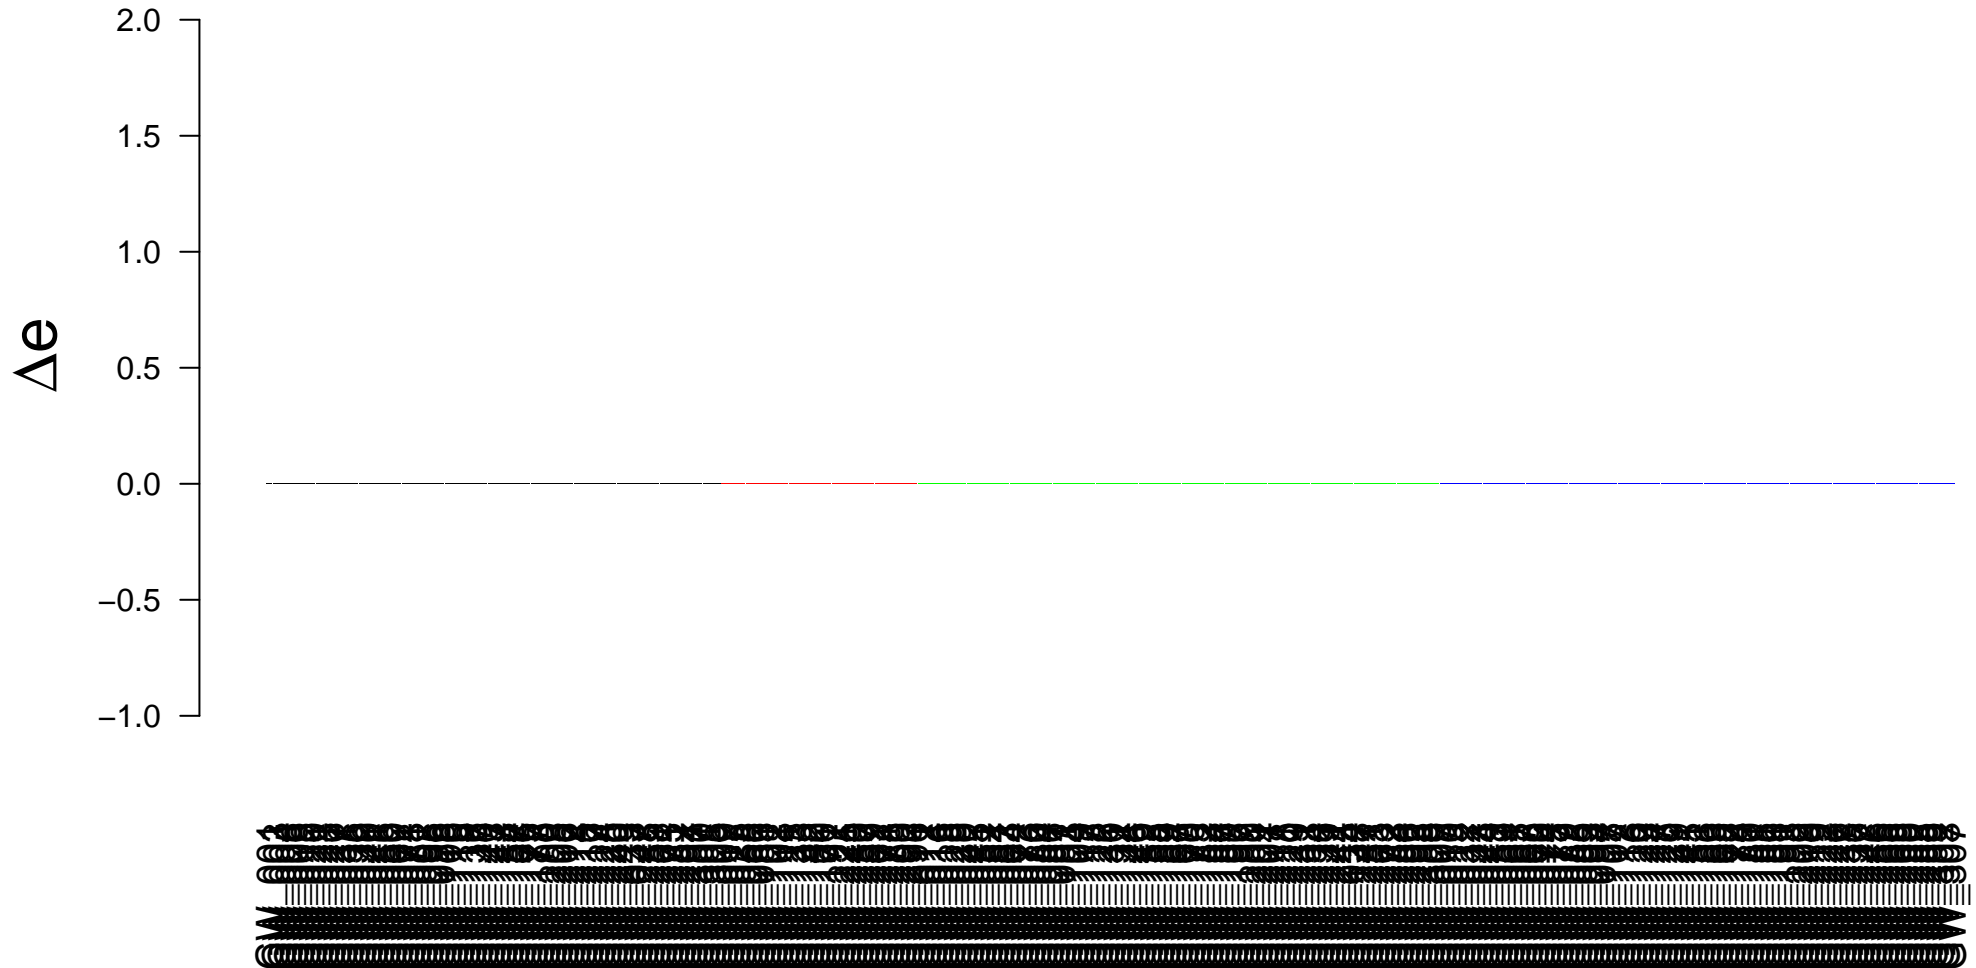

Expression of regulation of Rac GTPase activity in Spot P

Δe

Expression of regulation of Rac GTPase activity in Spot Q

Expression of regulation of Rac GTPase activity in Spot R
