

regulation of cell cycle

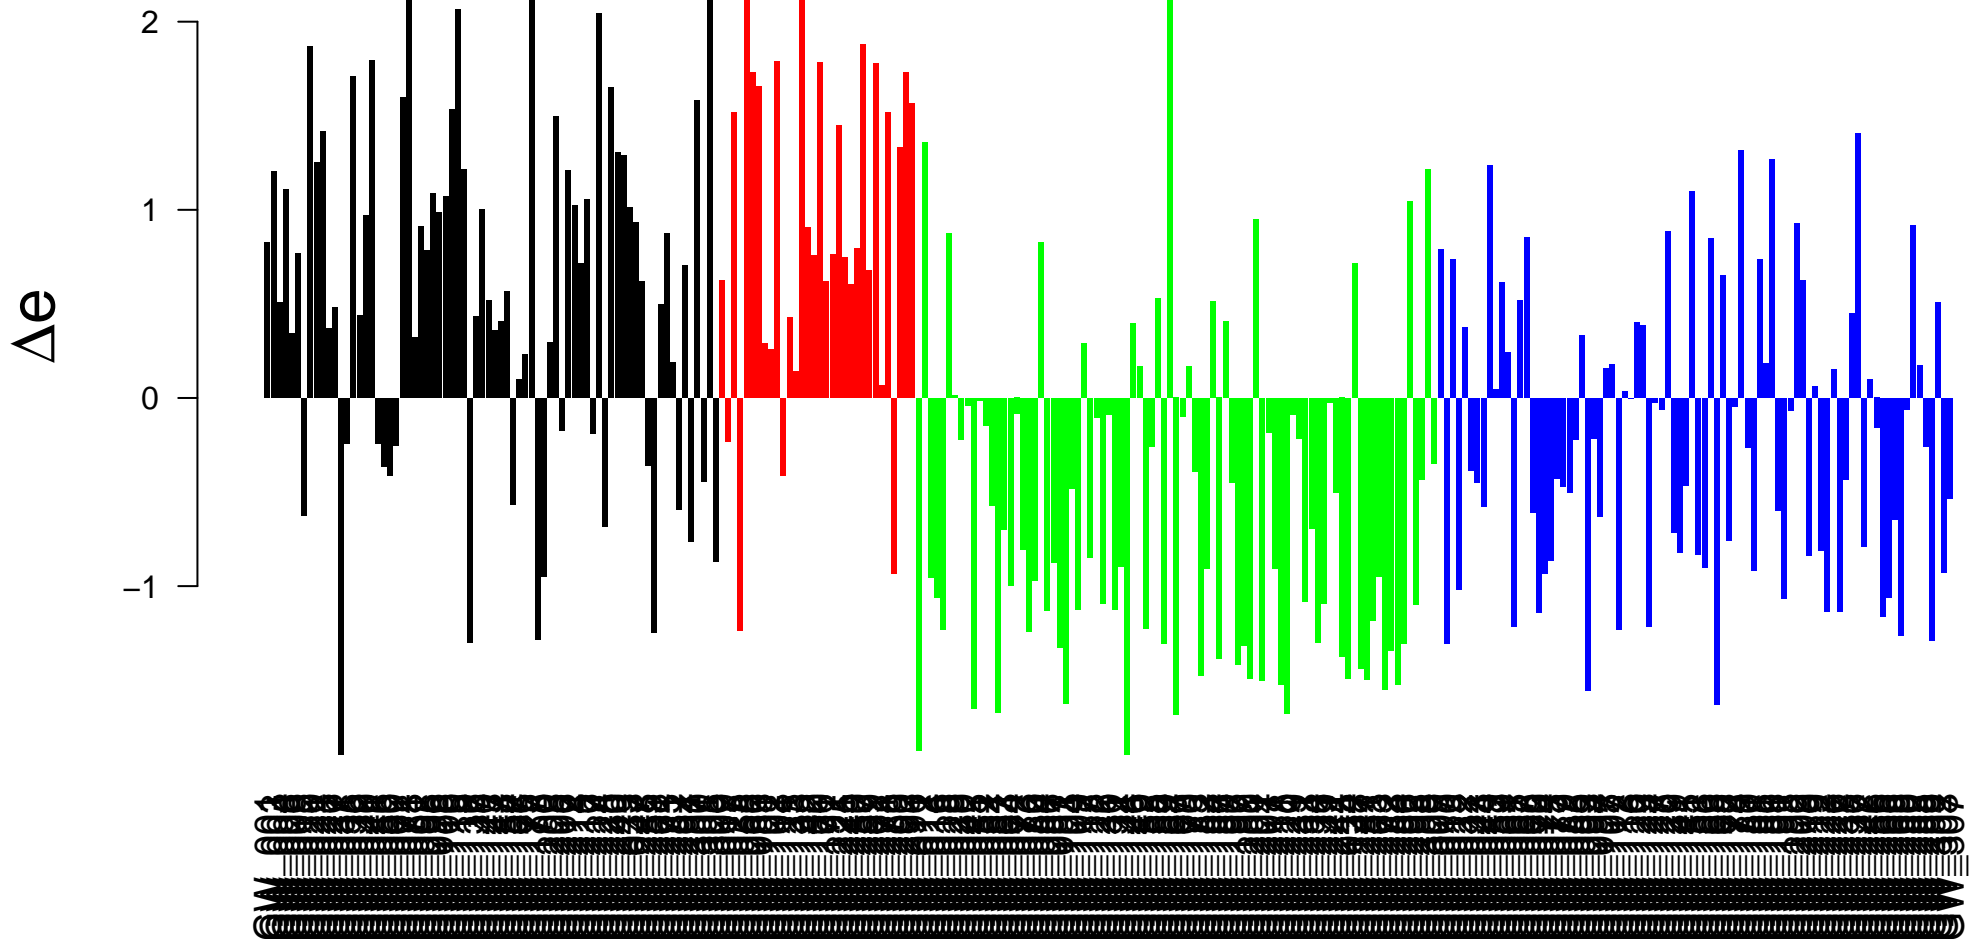

regulation of cell cycle

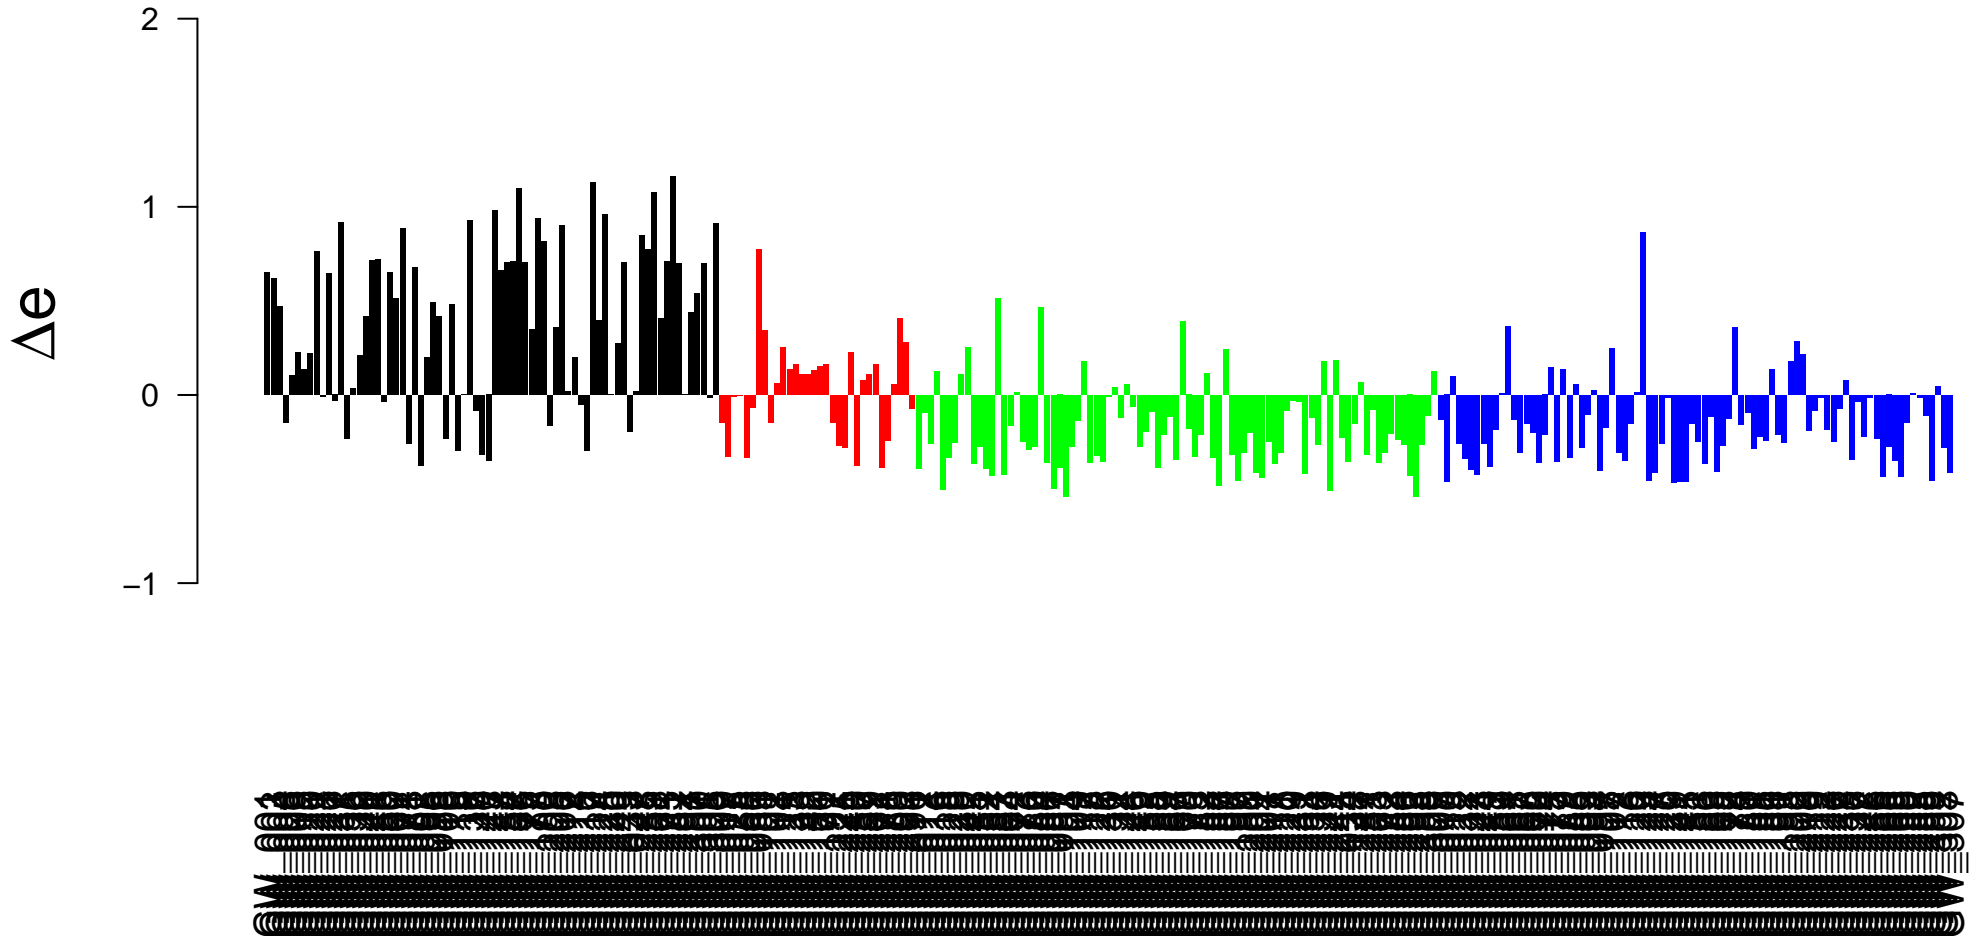

Enrichment in spots: regulation of cell cycle

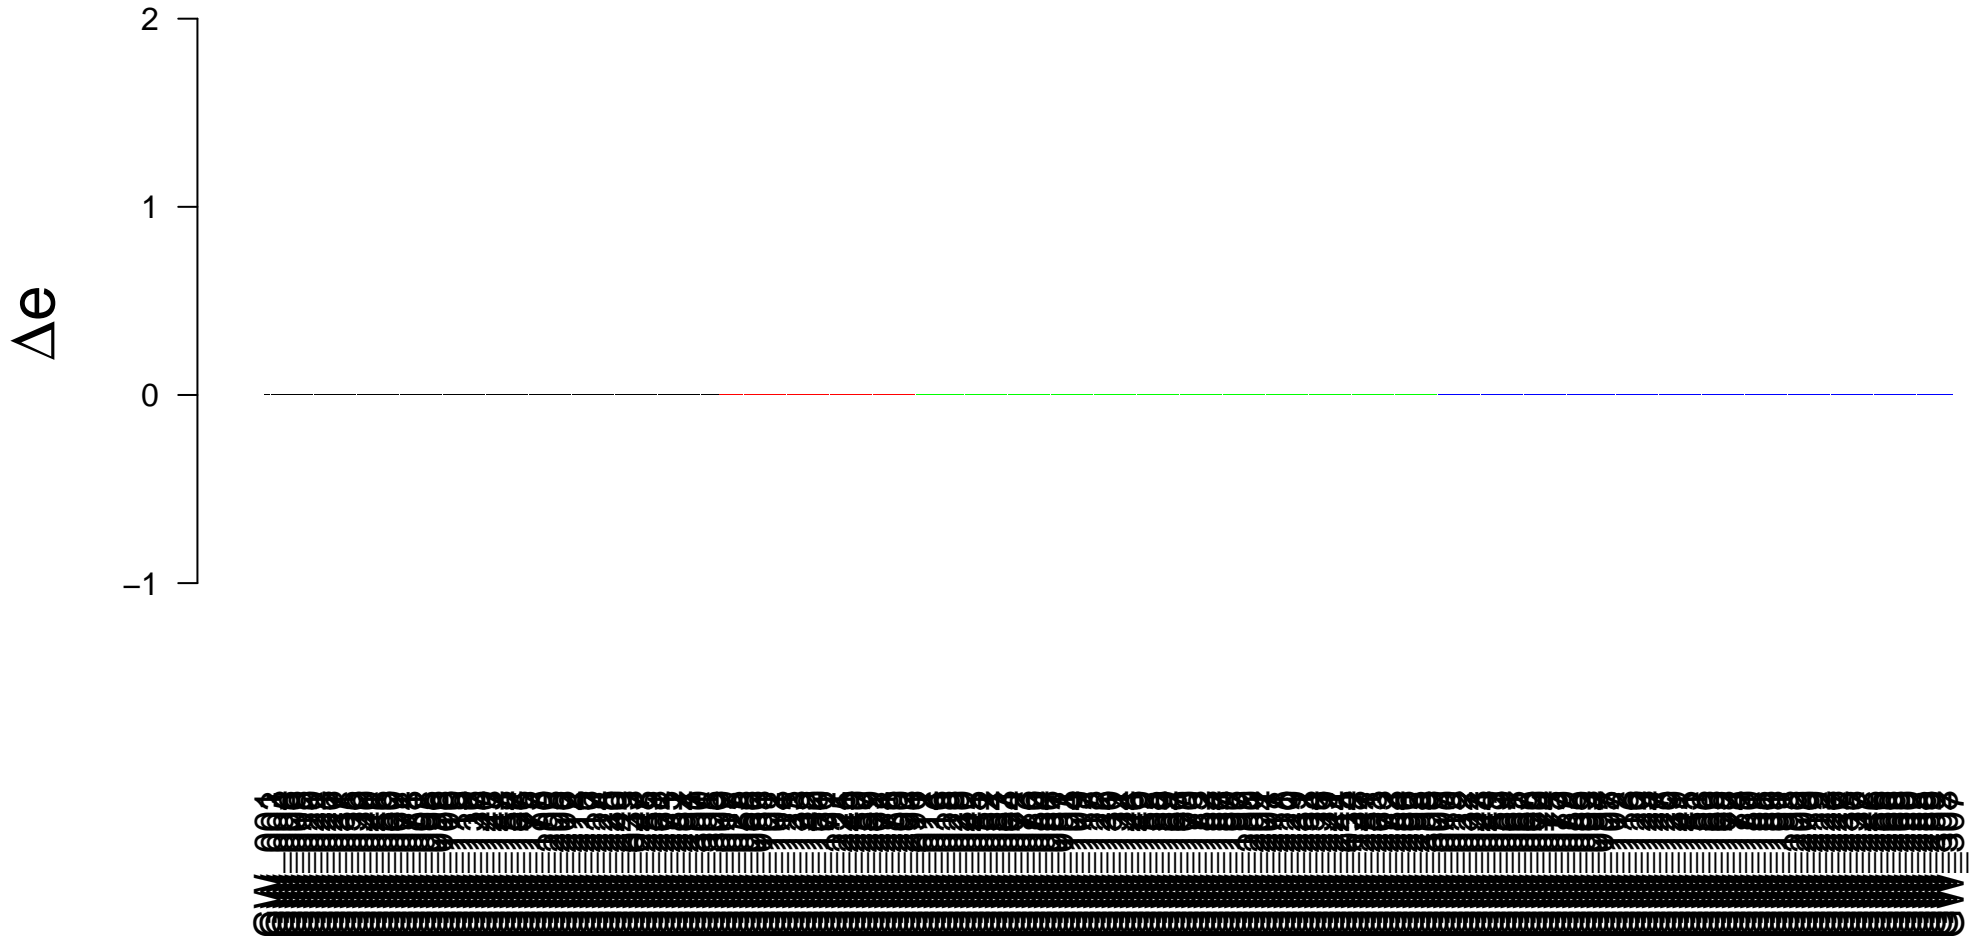

Expression of regulation of cell cycle in Spot A

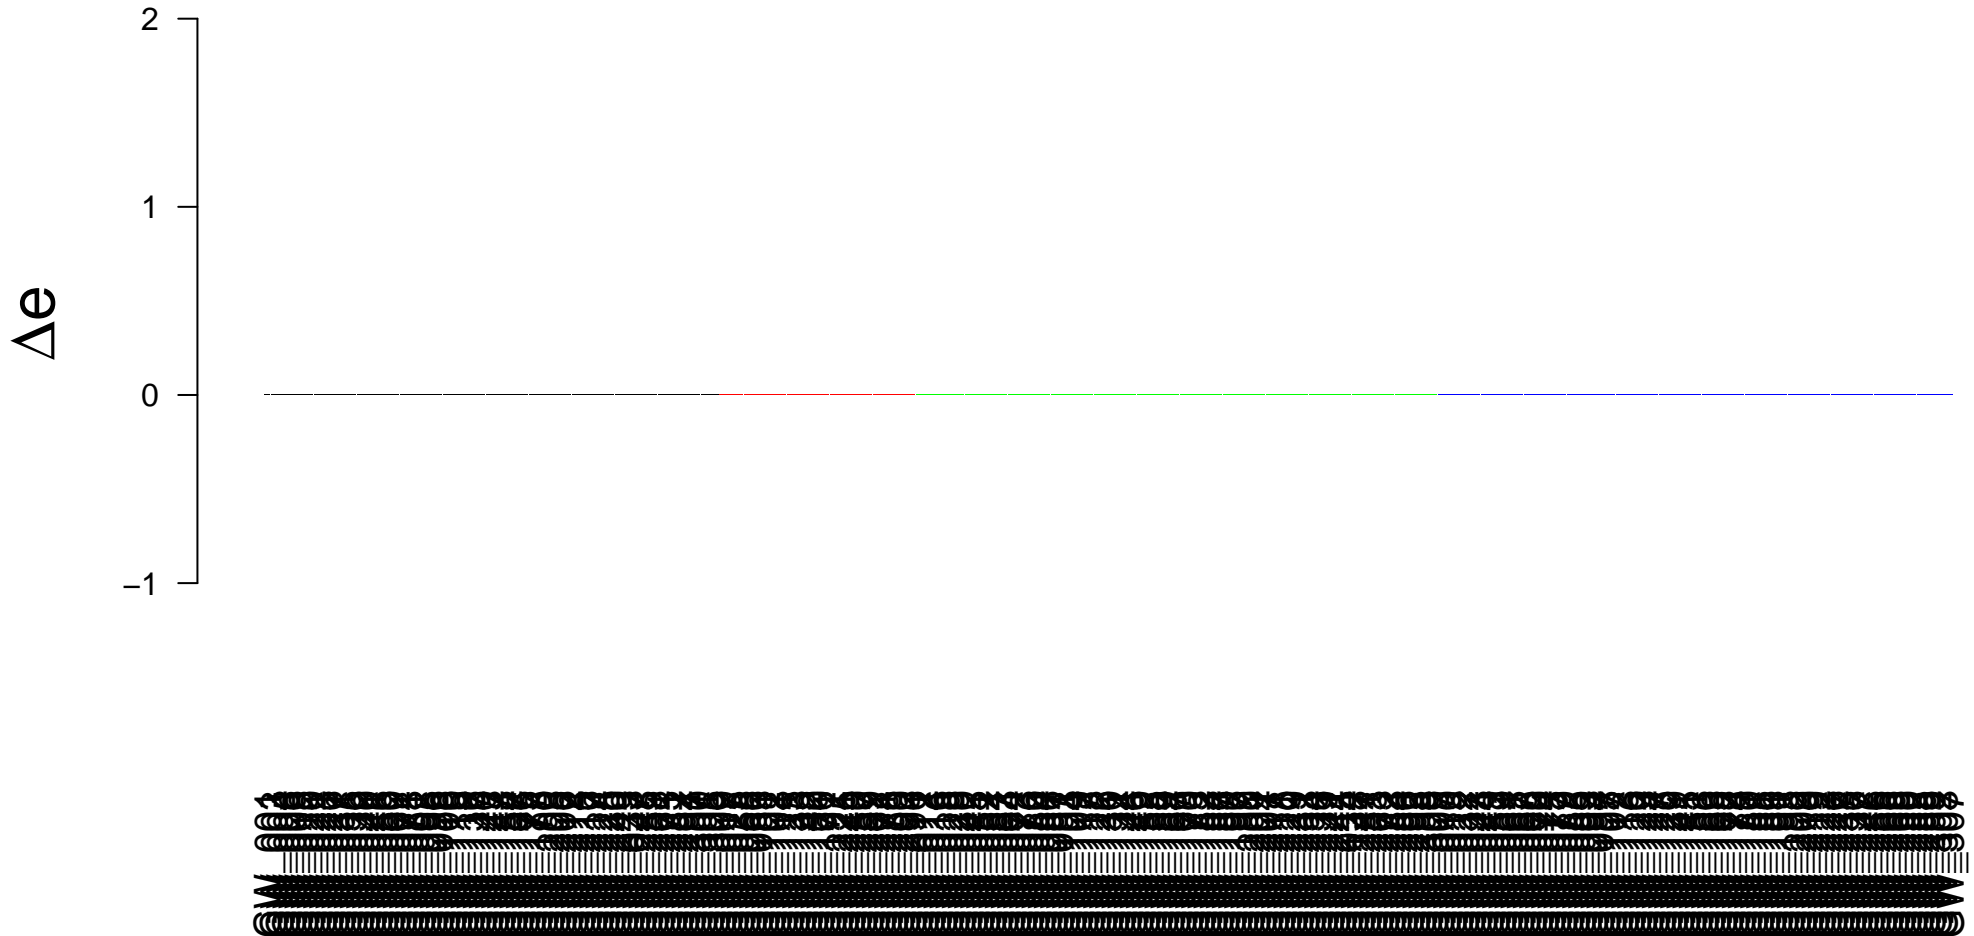

Expression of regulation of cell cycle in Spot B

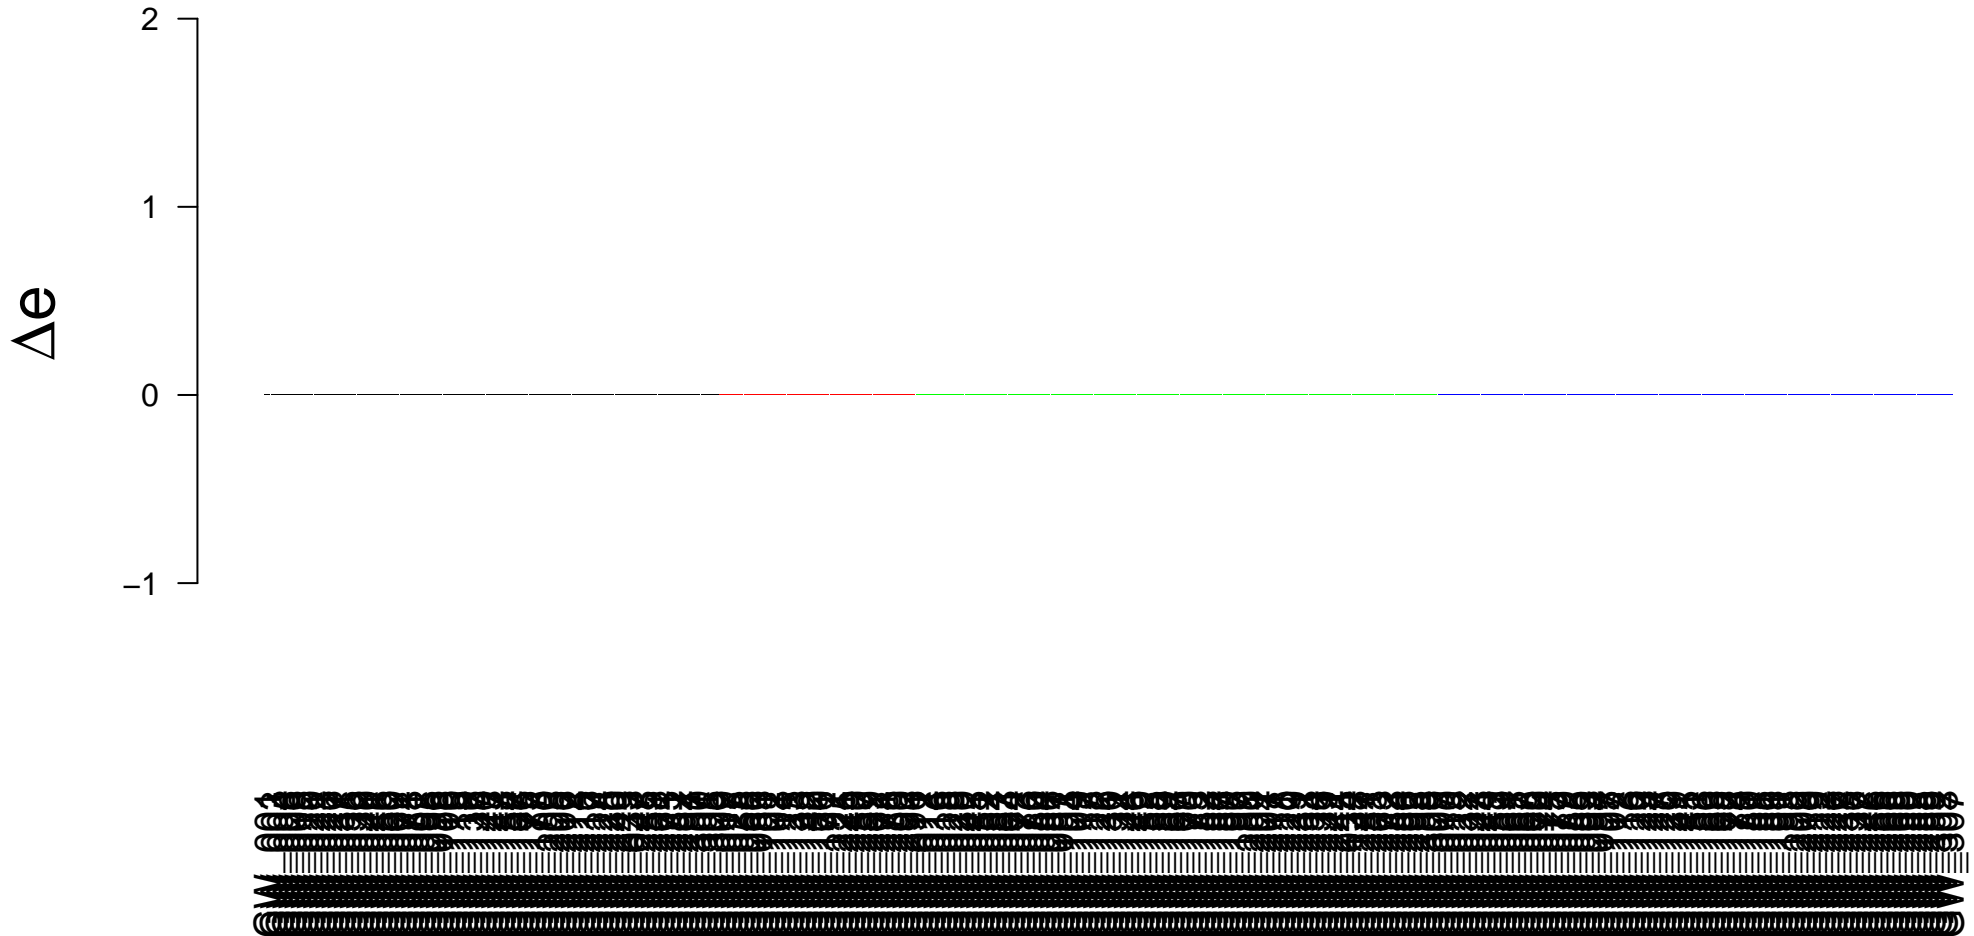

Expression of regulation of cell cycle in Spot C

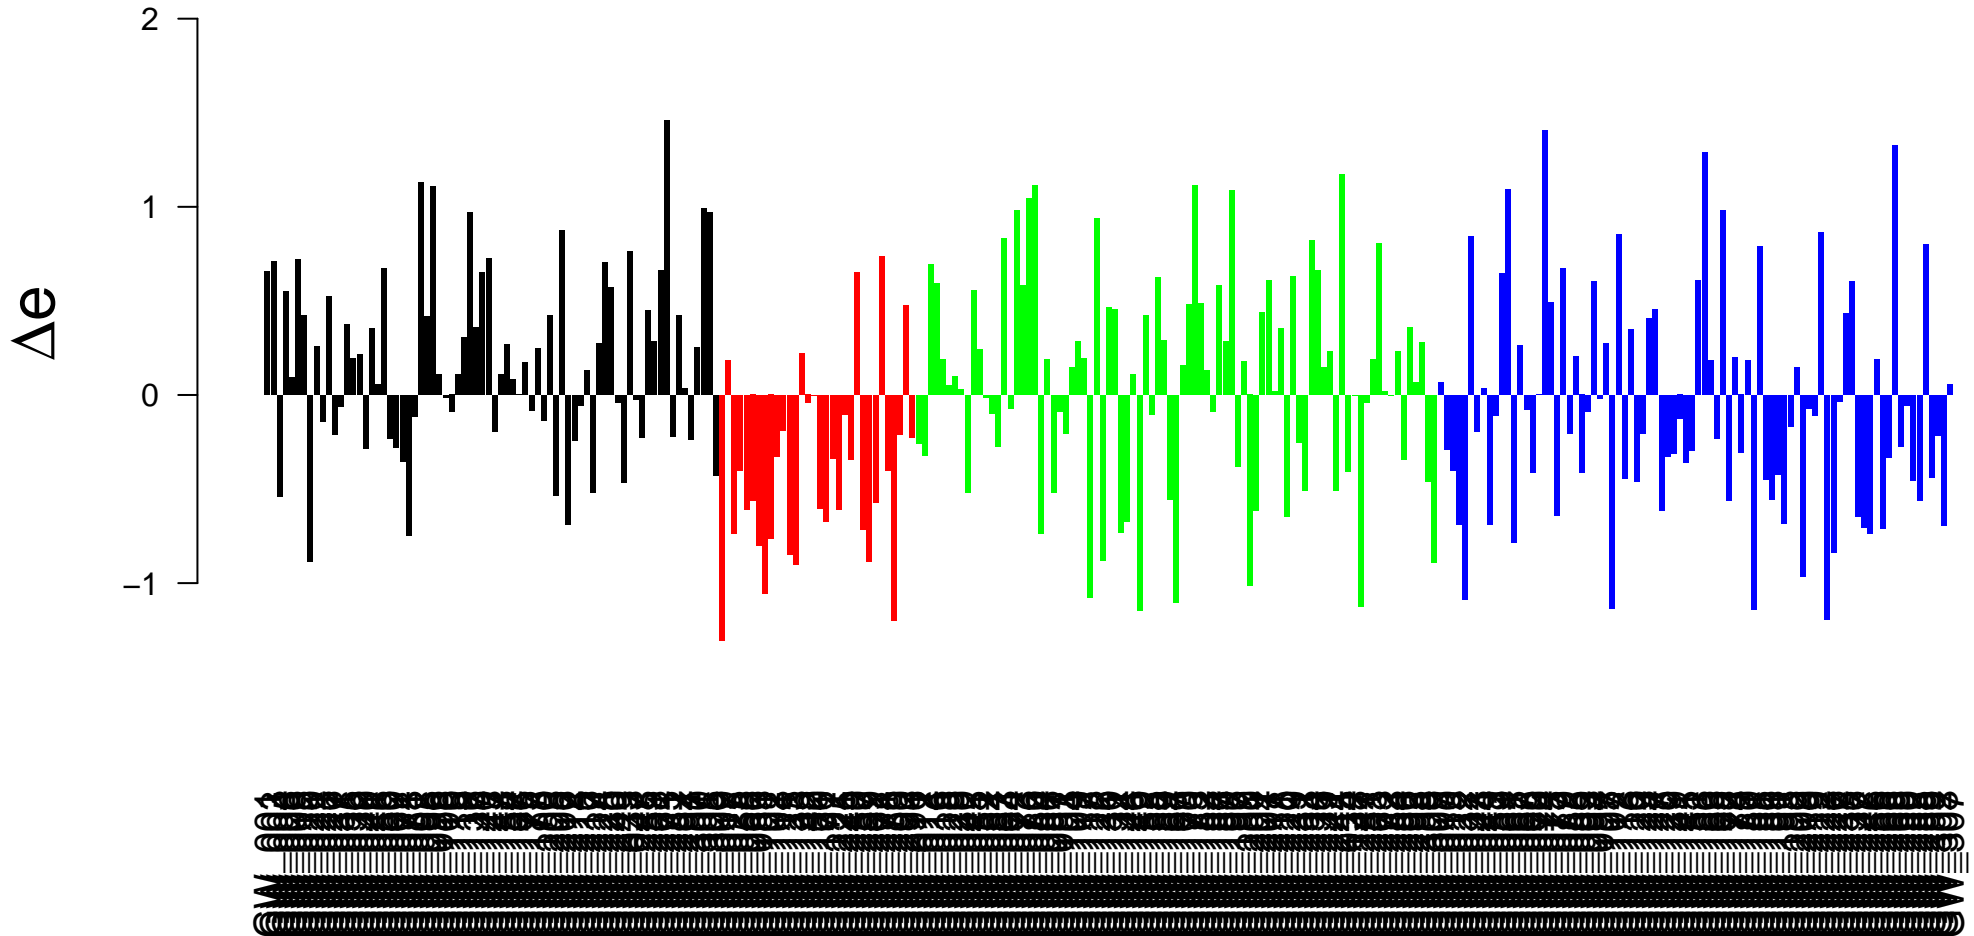

Expression of regulation of cell cycle in Spot D

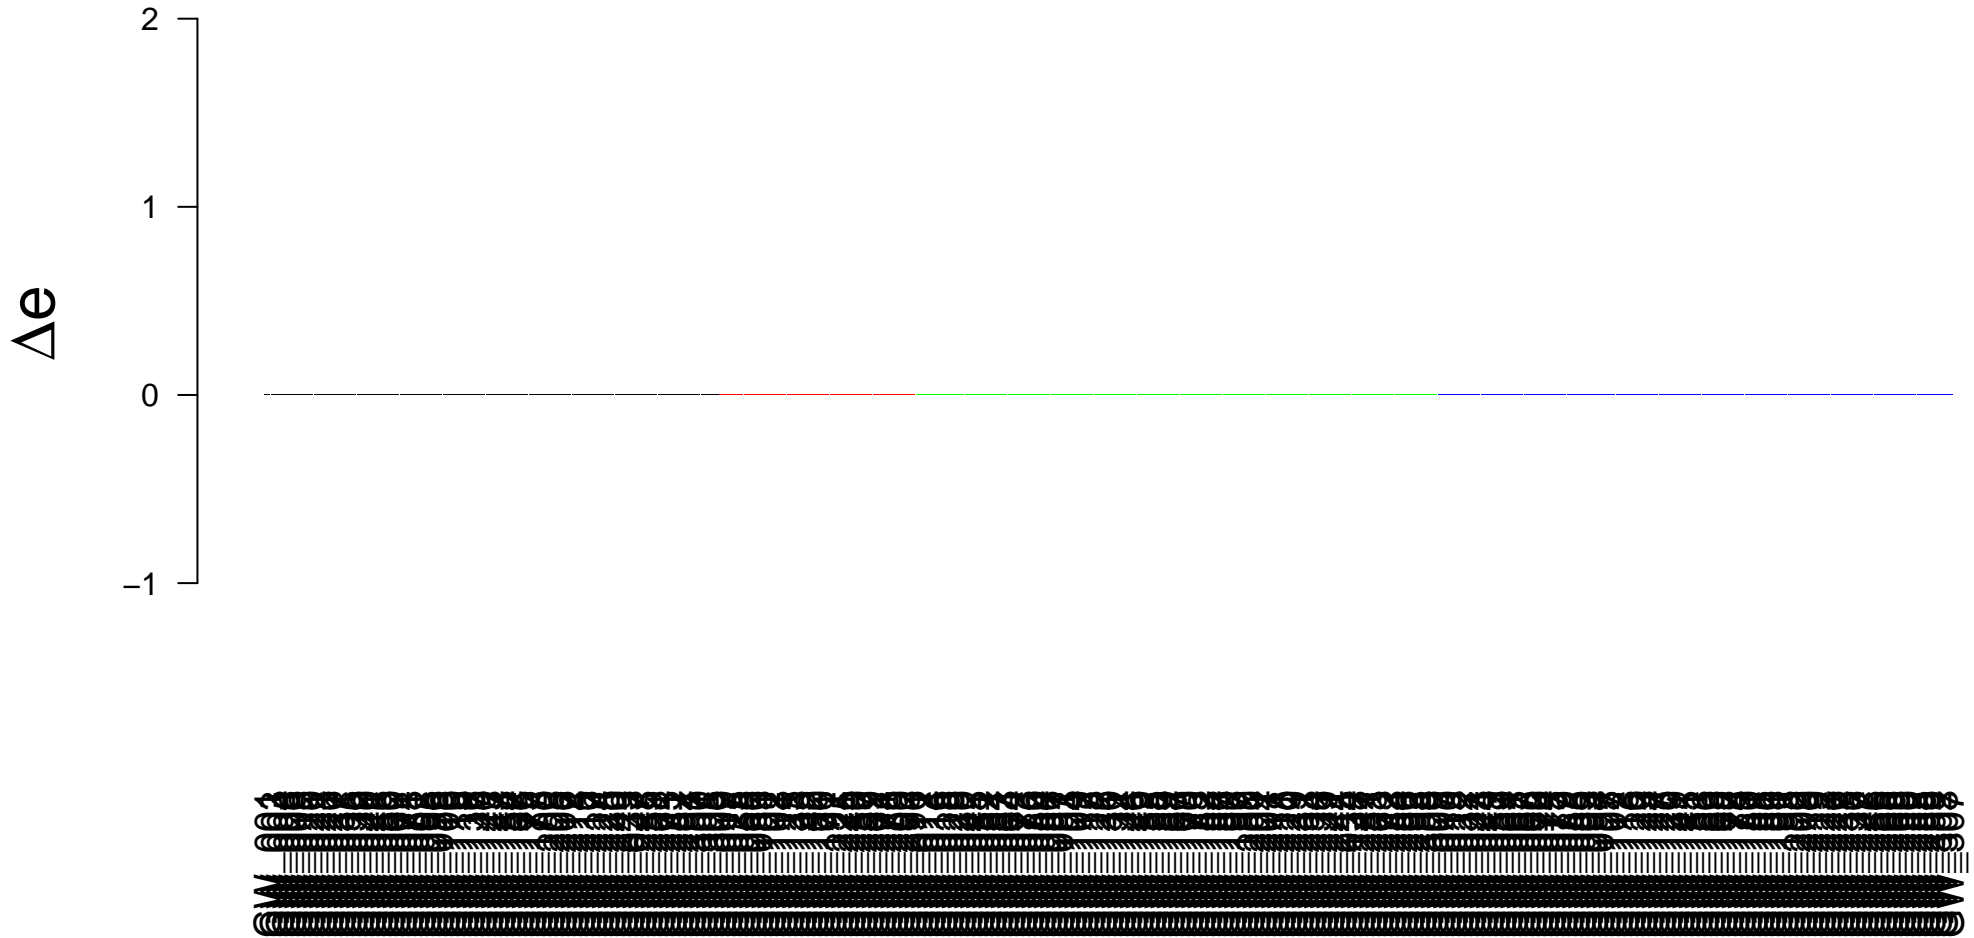

Expression of regulation of cell cycle in Spot E

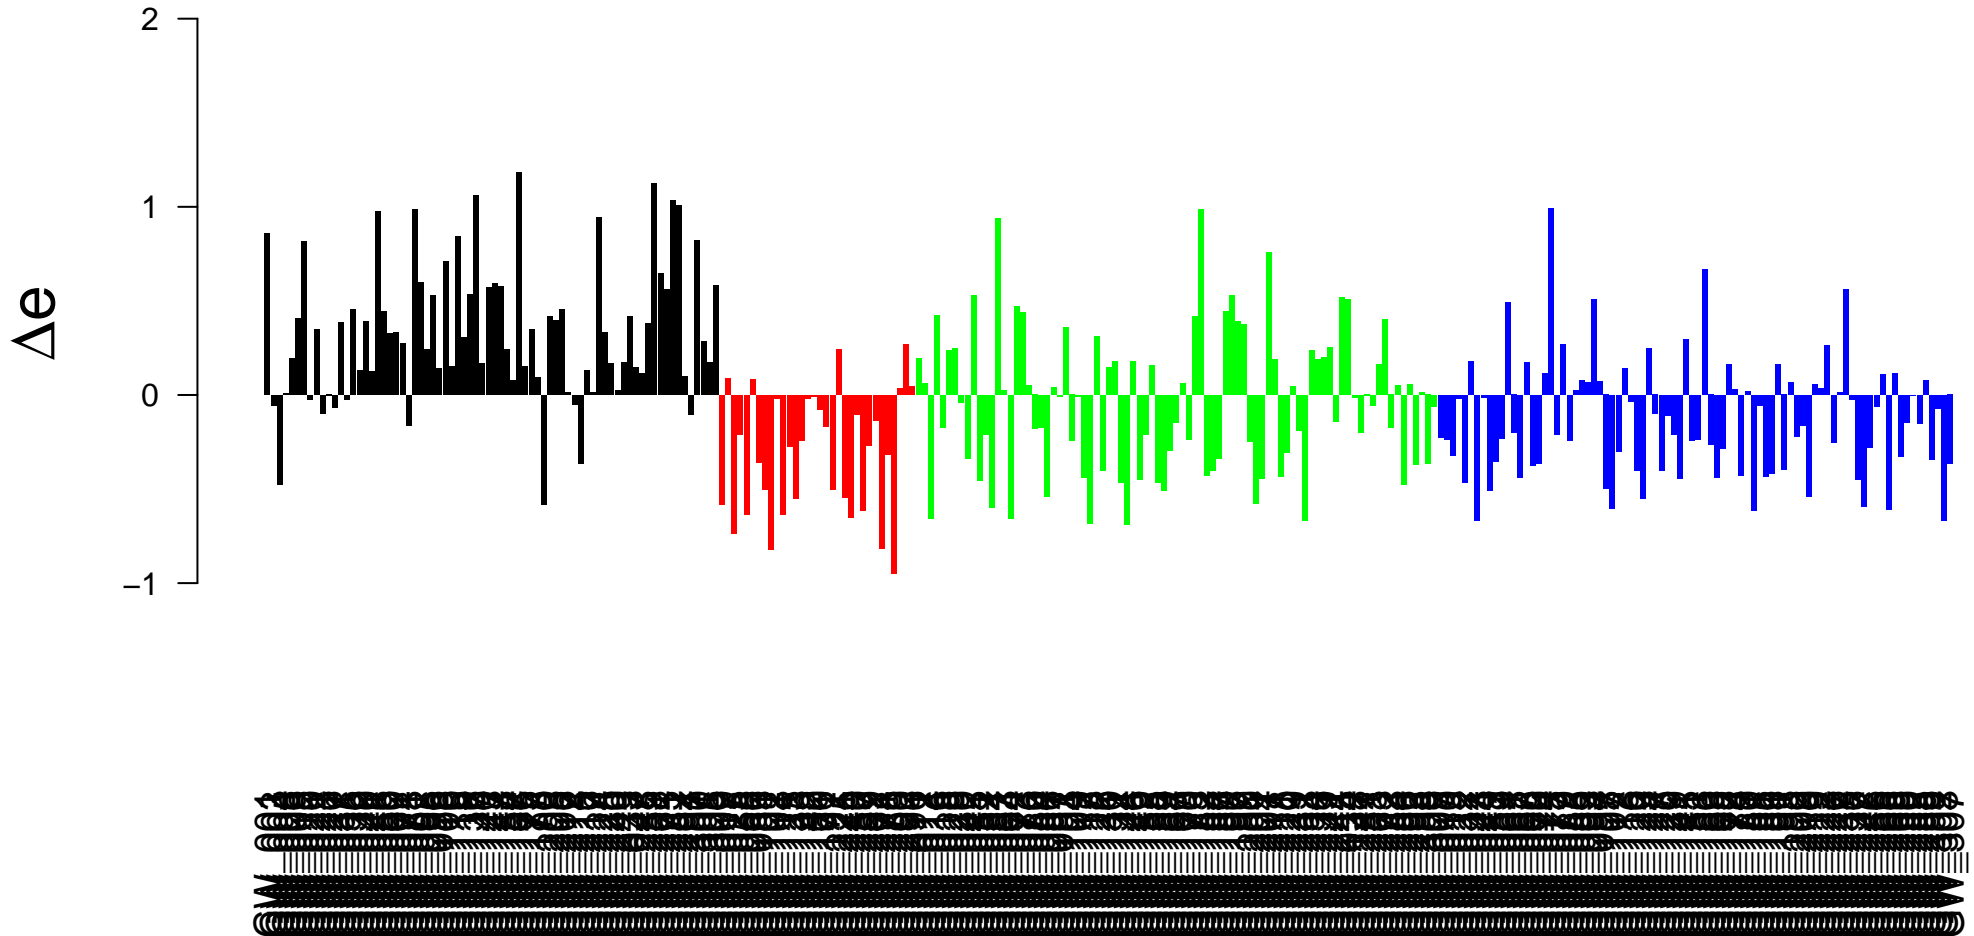

Expression of regulation of cell cycle in Spot F

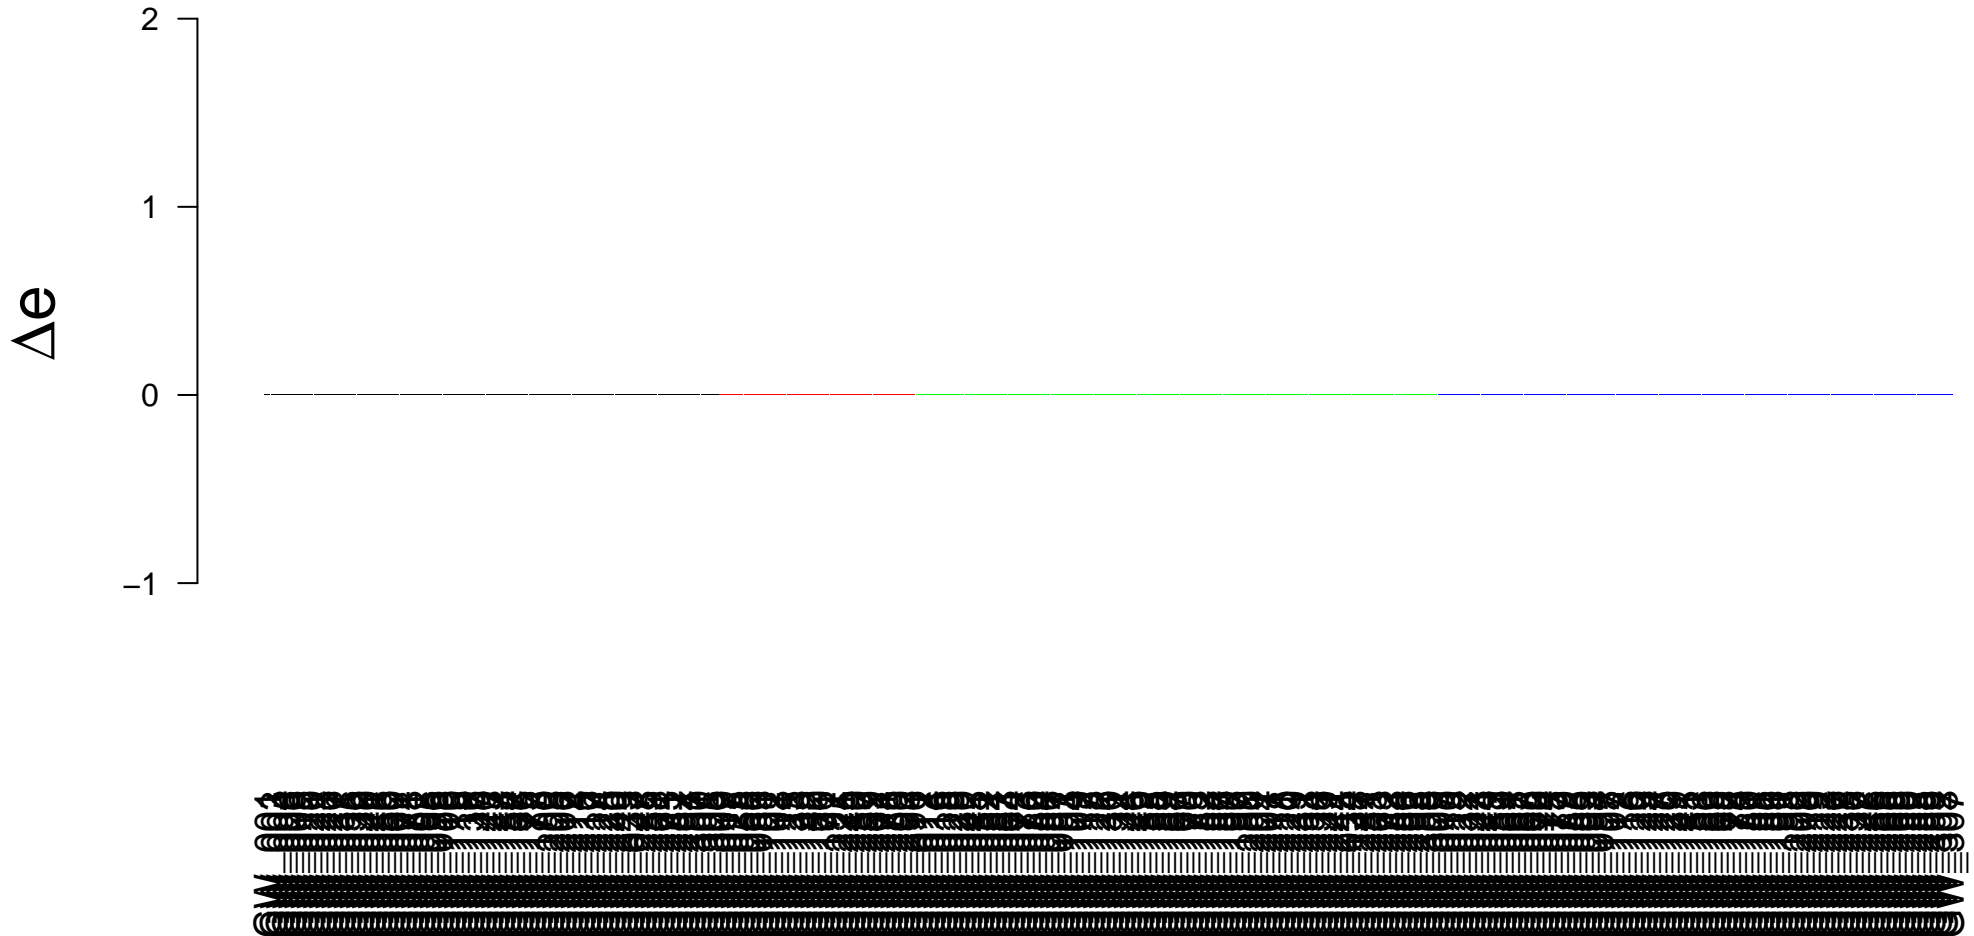

Expression of regulation of cell cycle in Spot G

Expression of regulation of cell cycle in Spot H

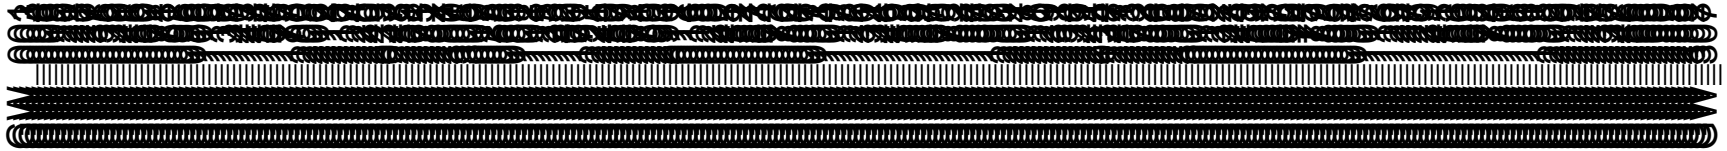

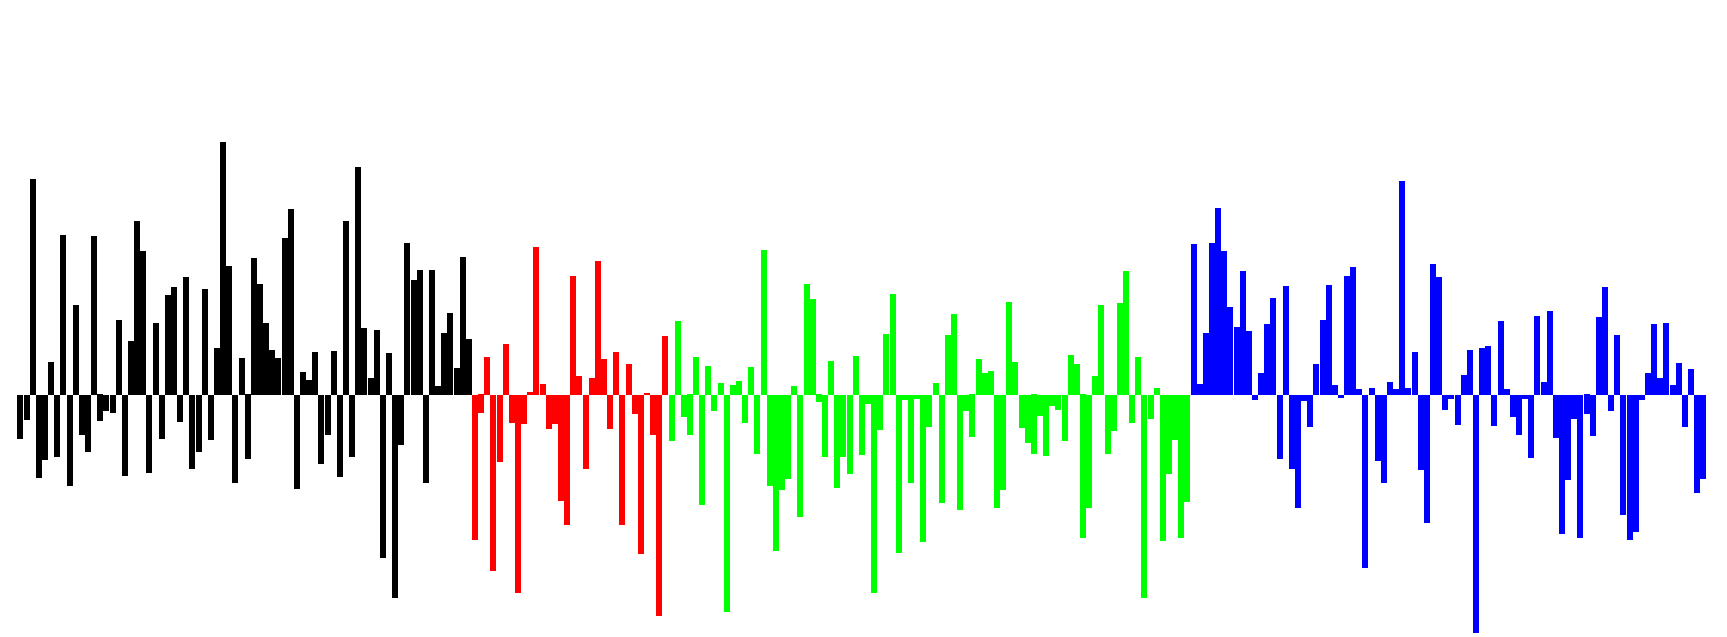

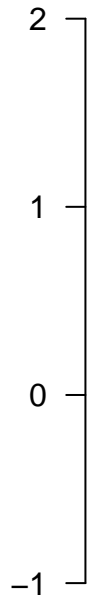

Expression of regulation of cell cycle in Spot I

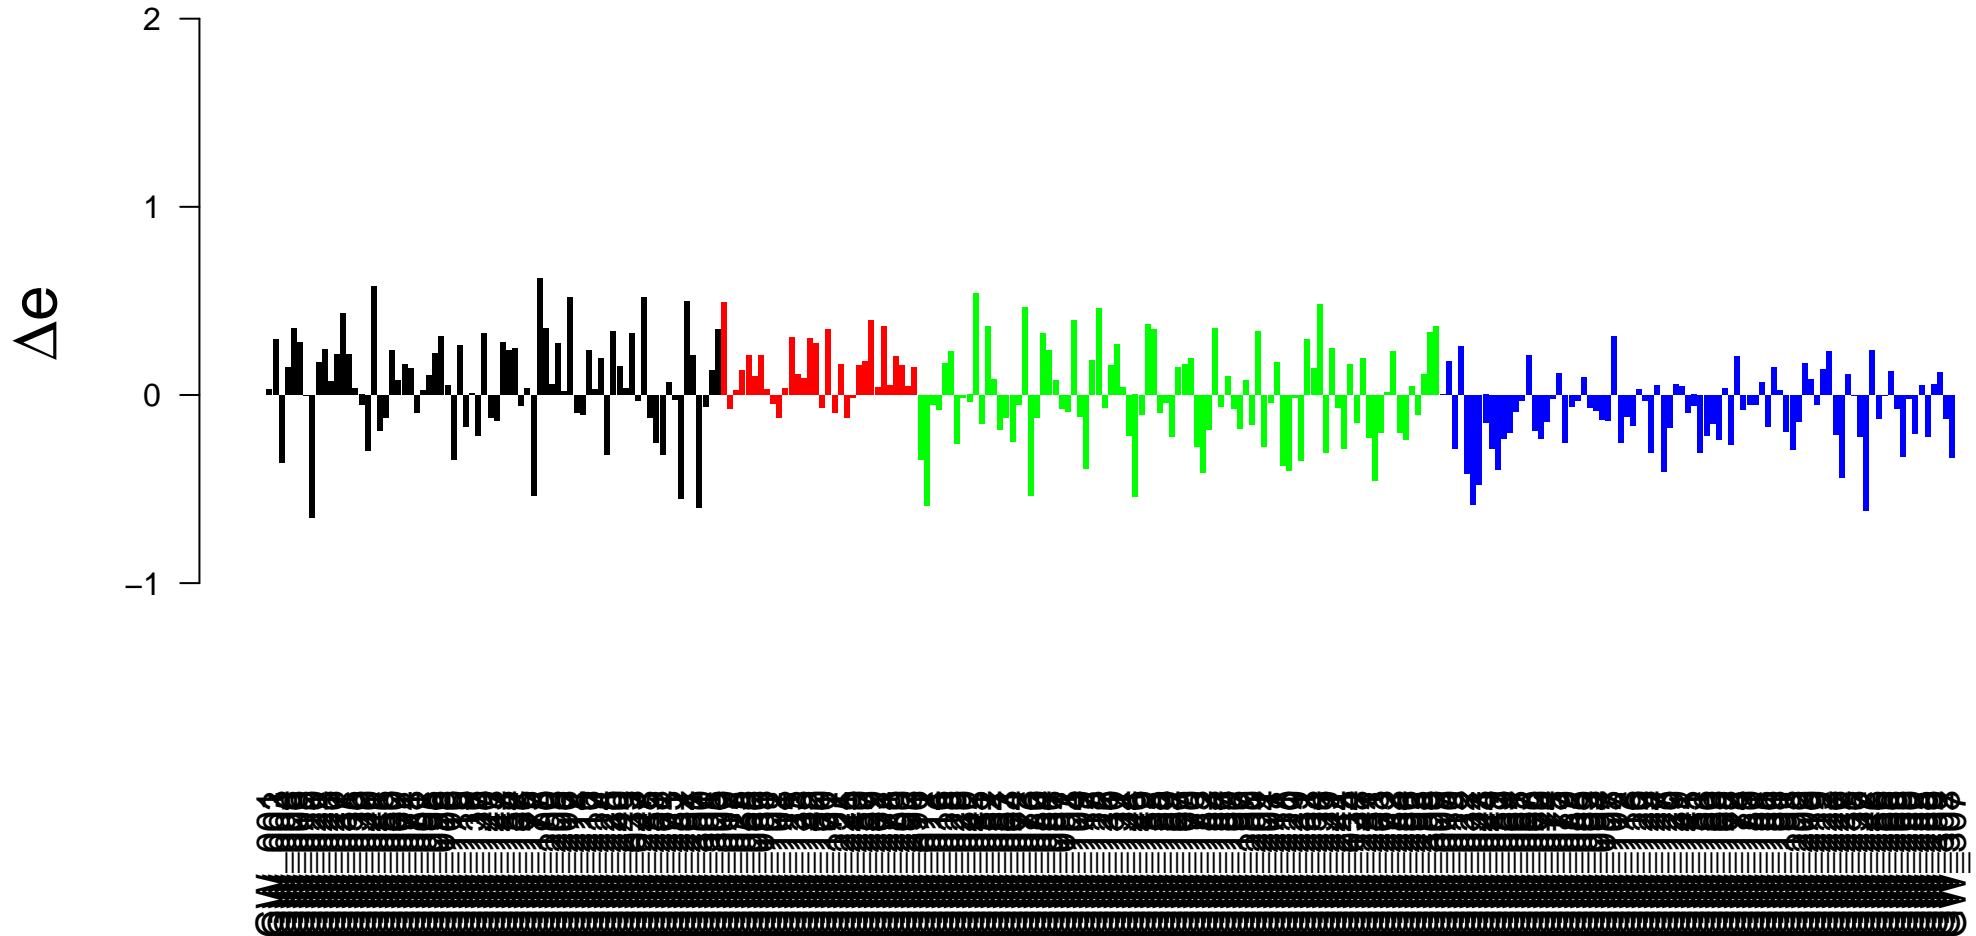

Expression of regulation of cell cycle in Spot J

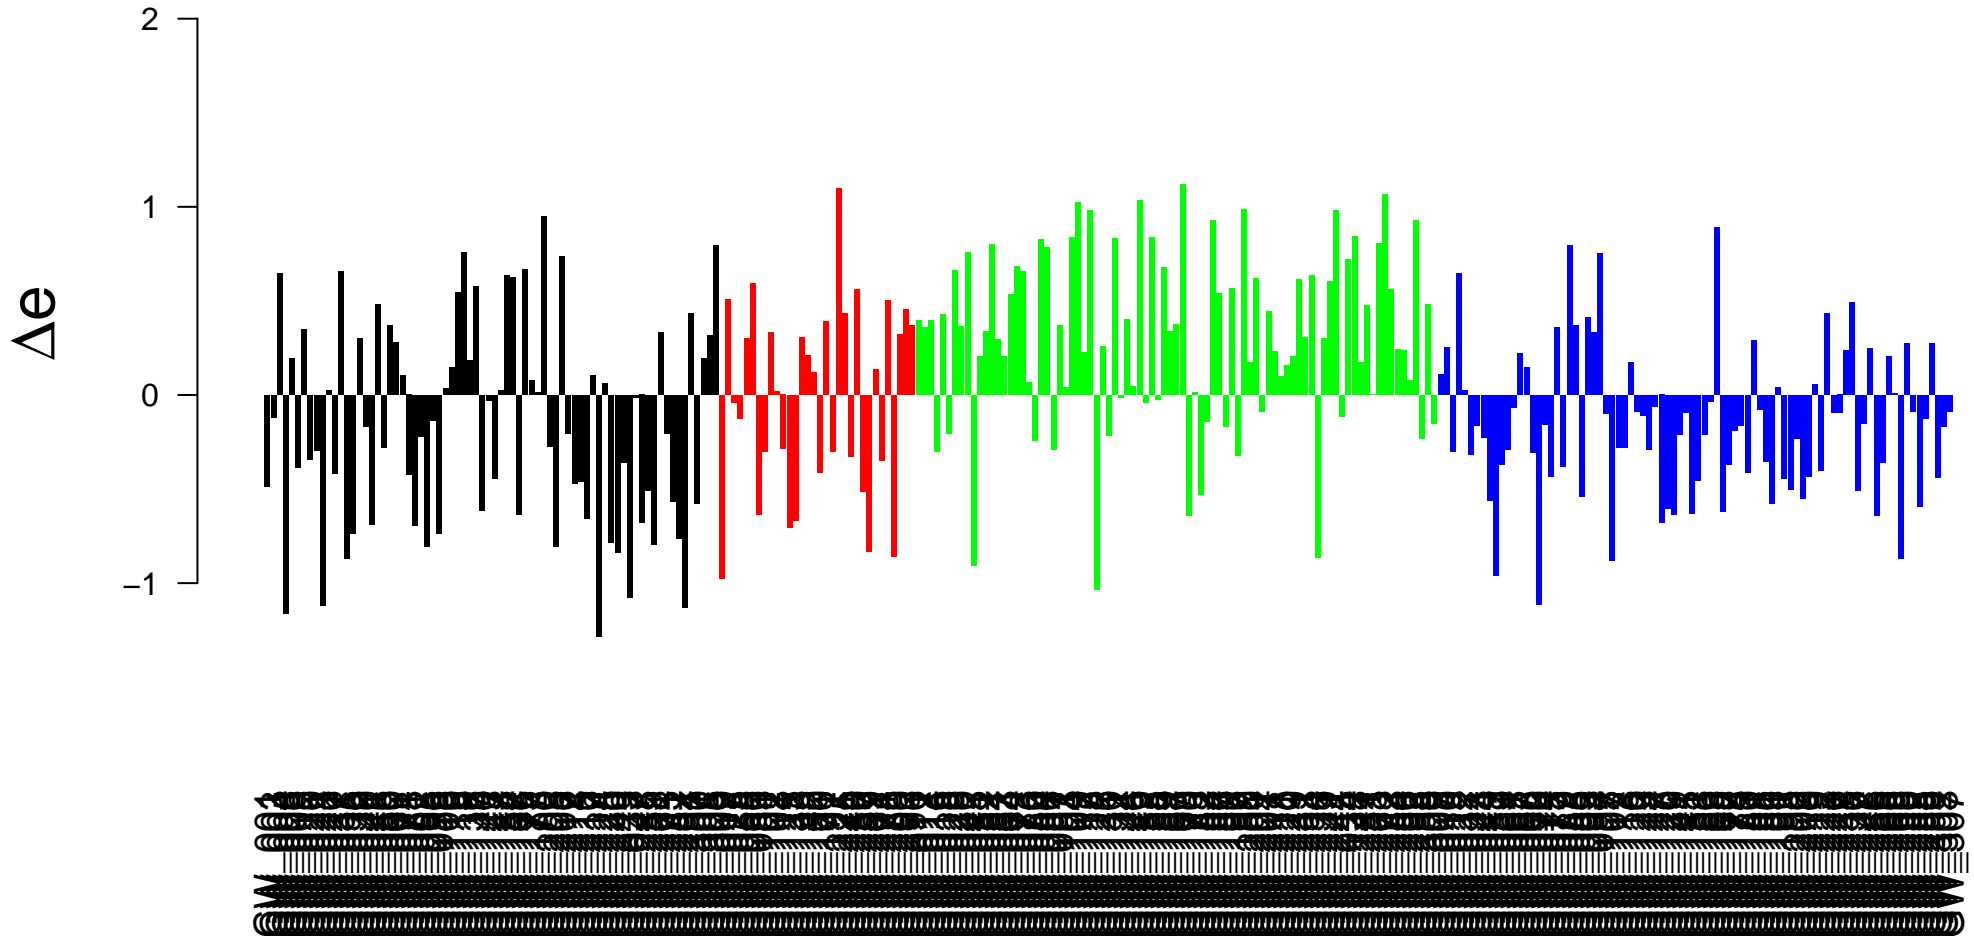

Δe

Expression of regulation of cell cycle in Spot K

Expression of regulation of cell cycle in Spot L

Expression of regulation of cell cycle in Spot M
