

# regulation of cell morphogenesis

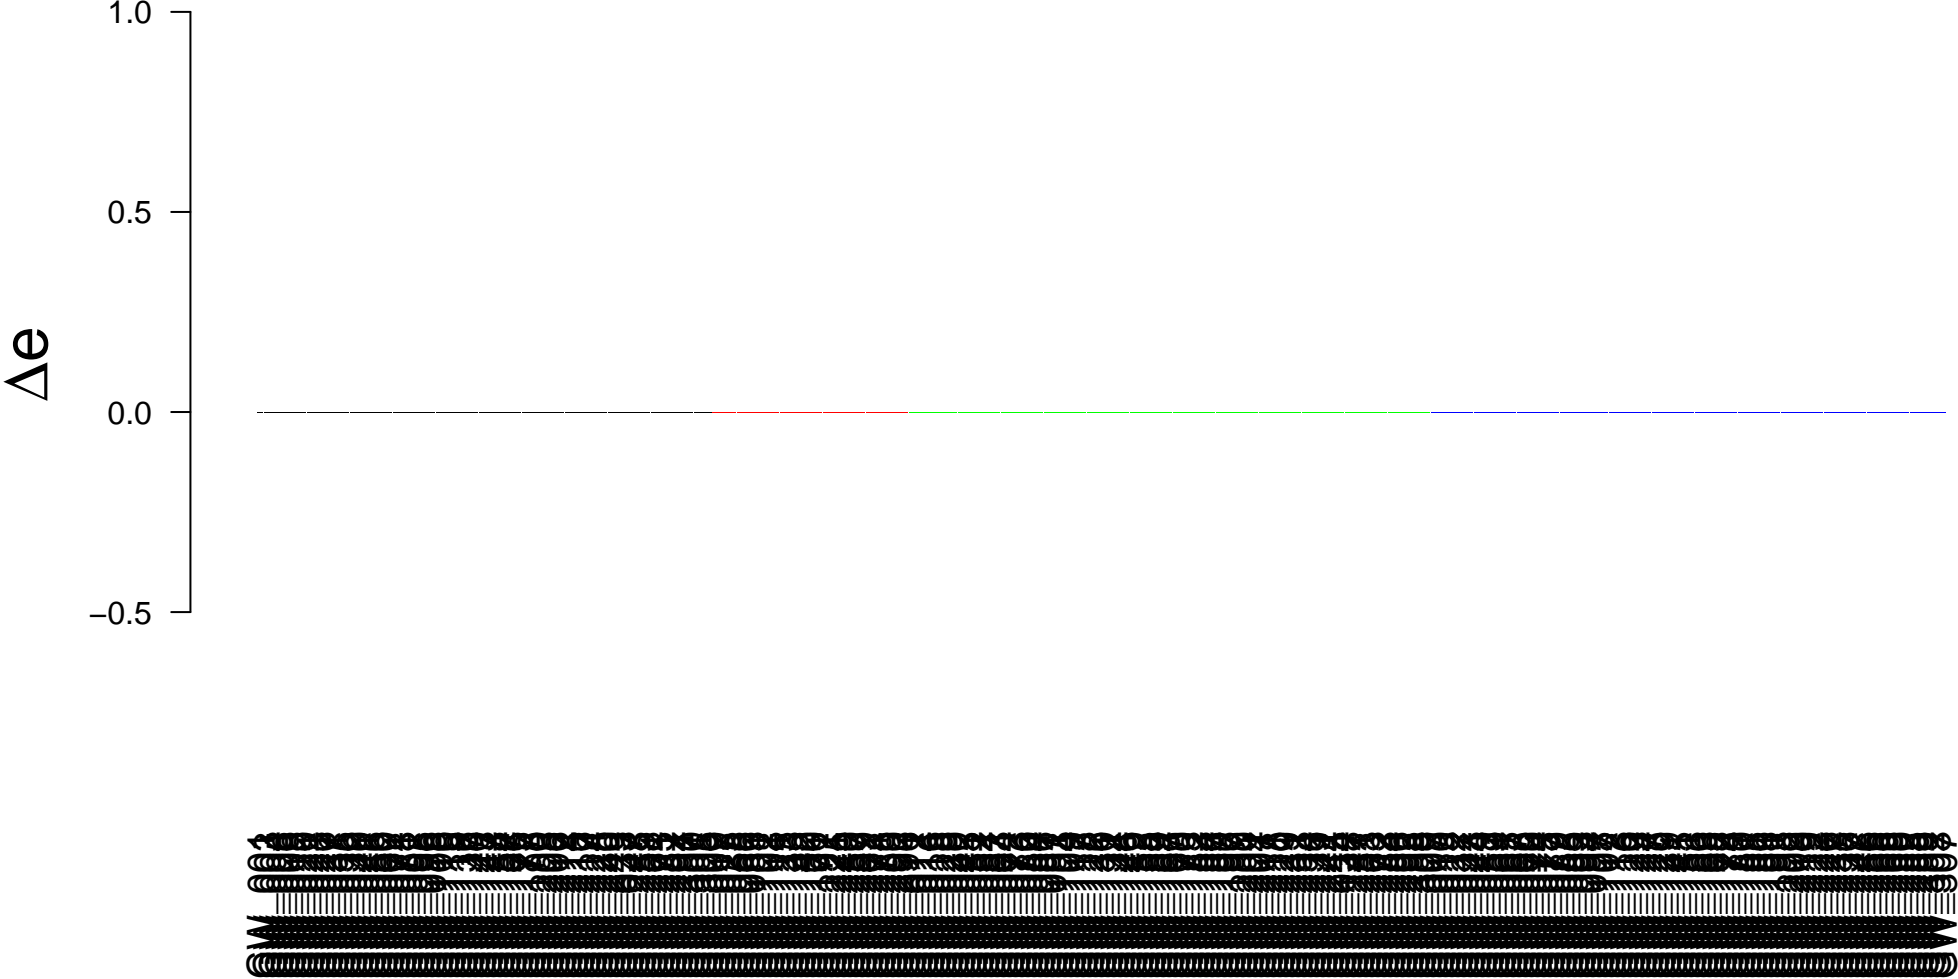

# regulation of cell morphogenesis

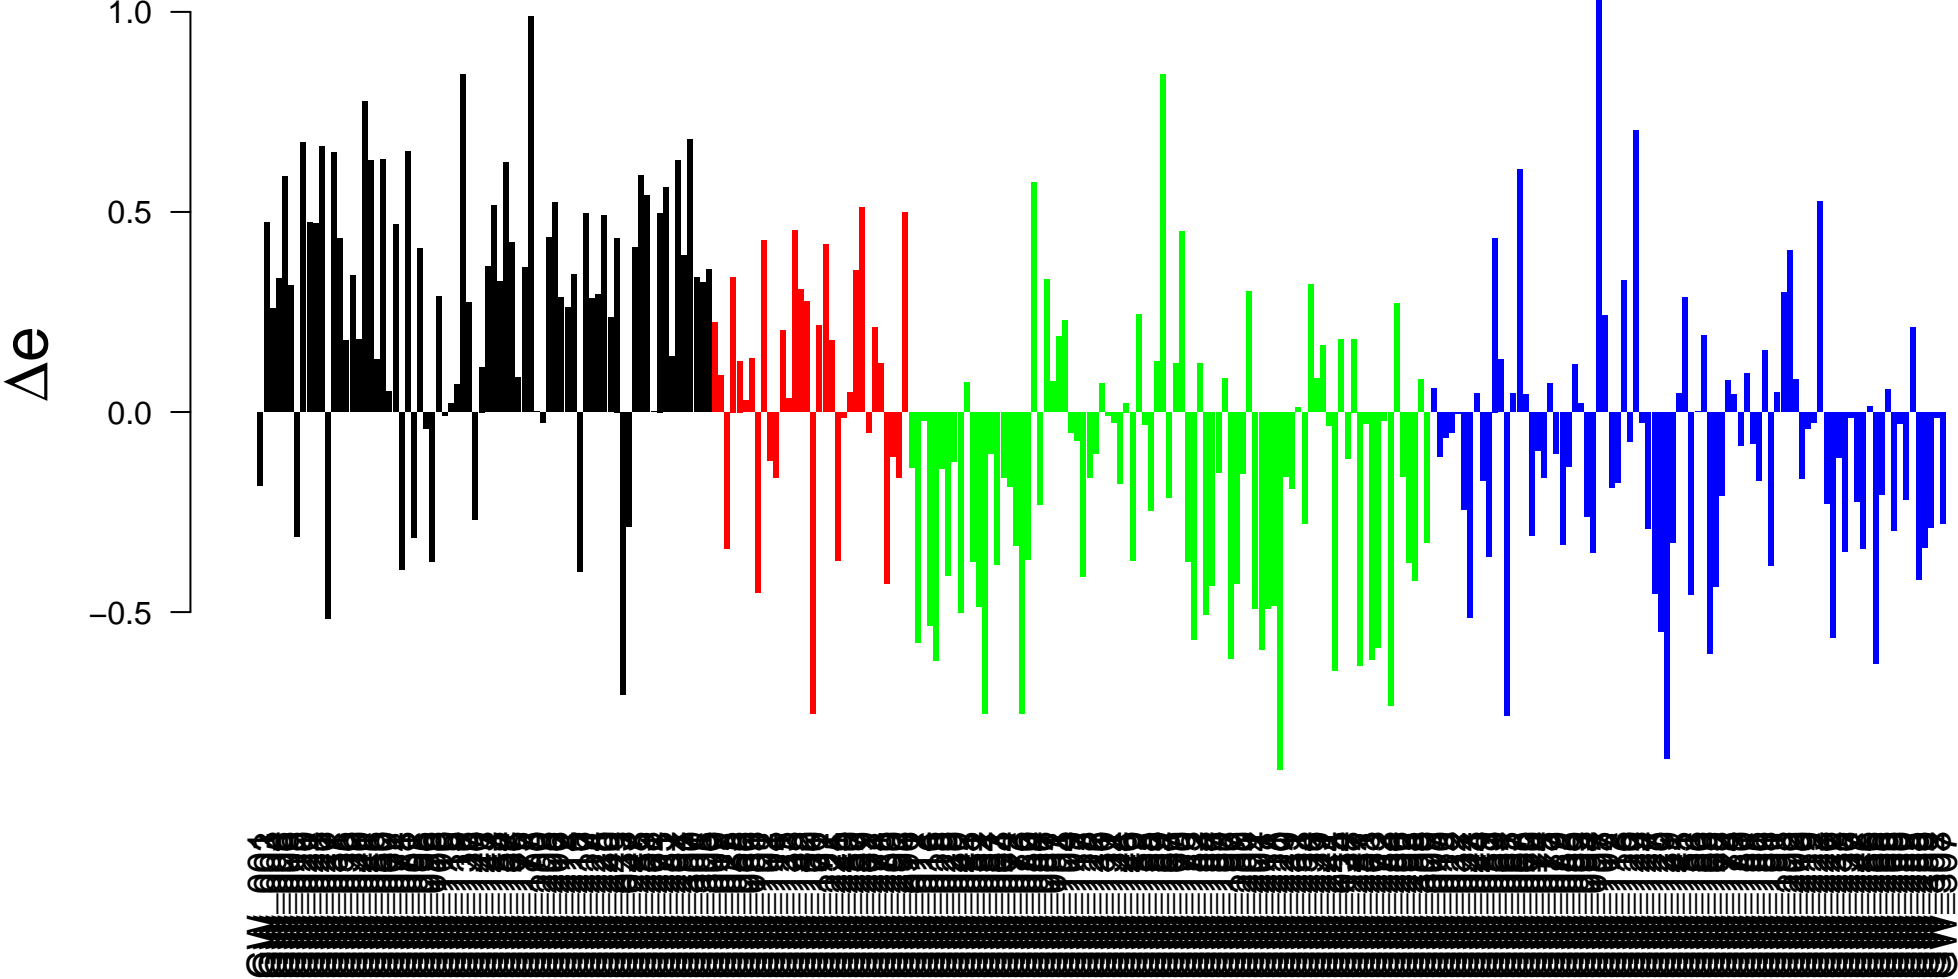

# Enrichment in spots: regulation of cell morphogenesis

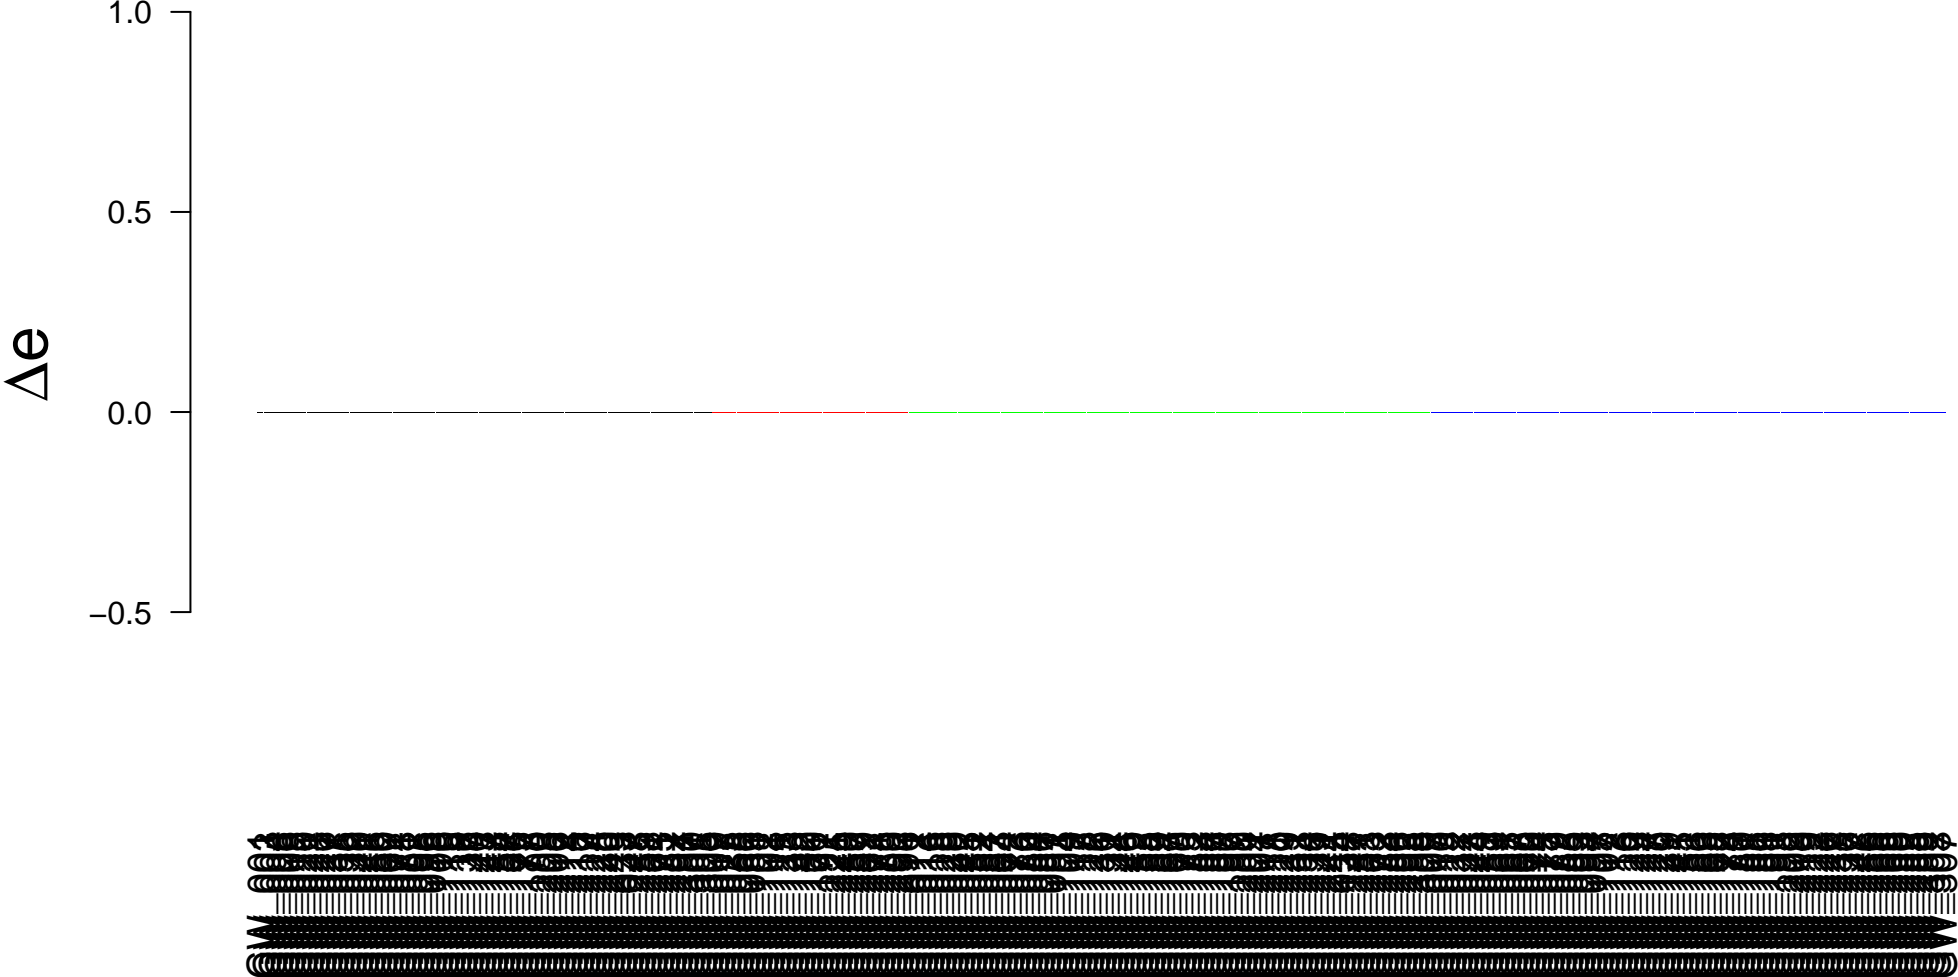

Expression of regulation of cell morphogenesis in Spot A

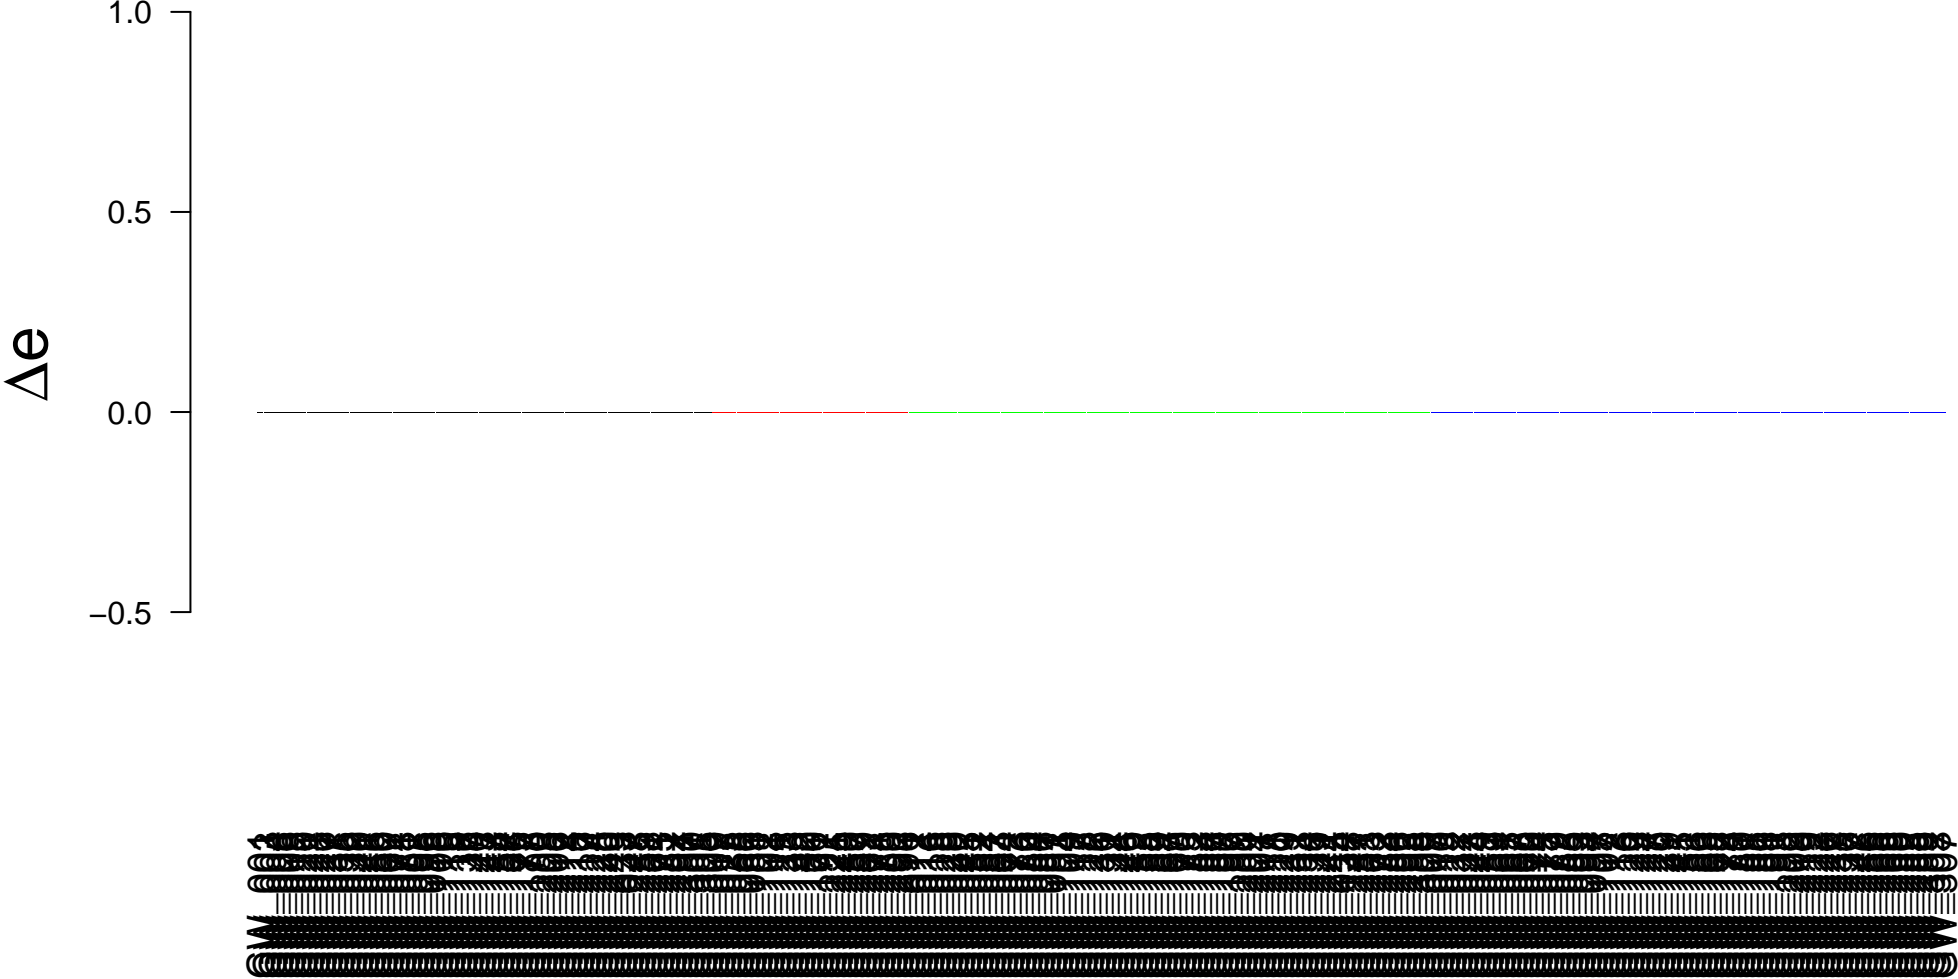

# Expression of regulation of cell morphogenesis in Spot B

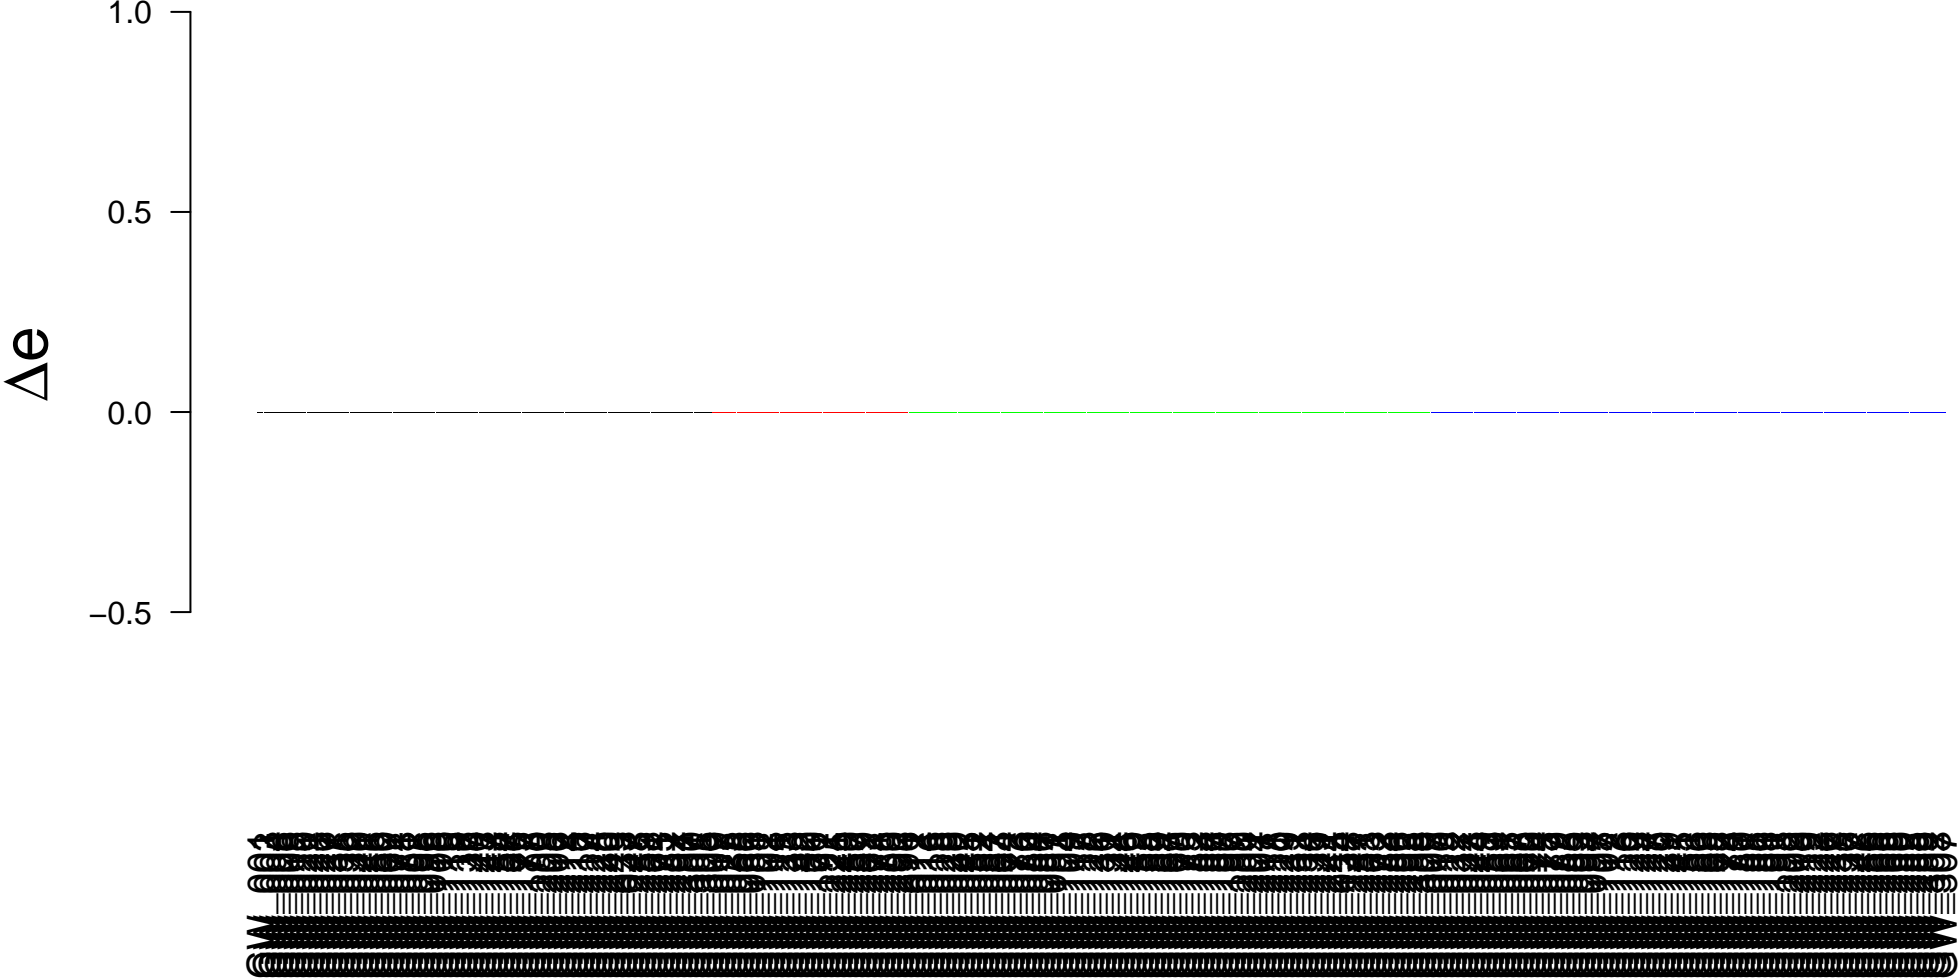

Expression of regulation of cell morphogenesis in Spot C

Expression of regulation of cell morphogenesis in Spot D

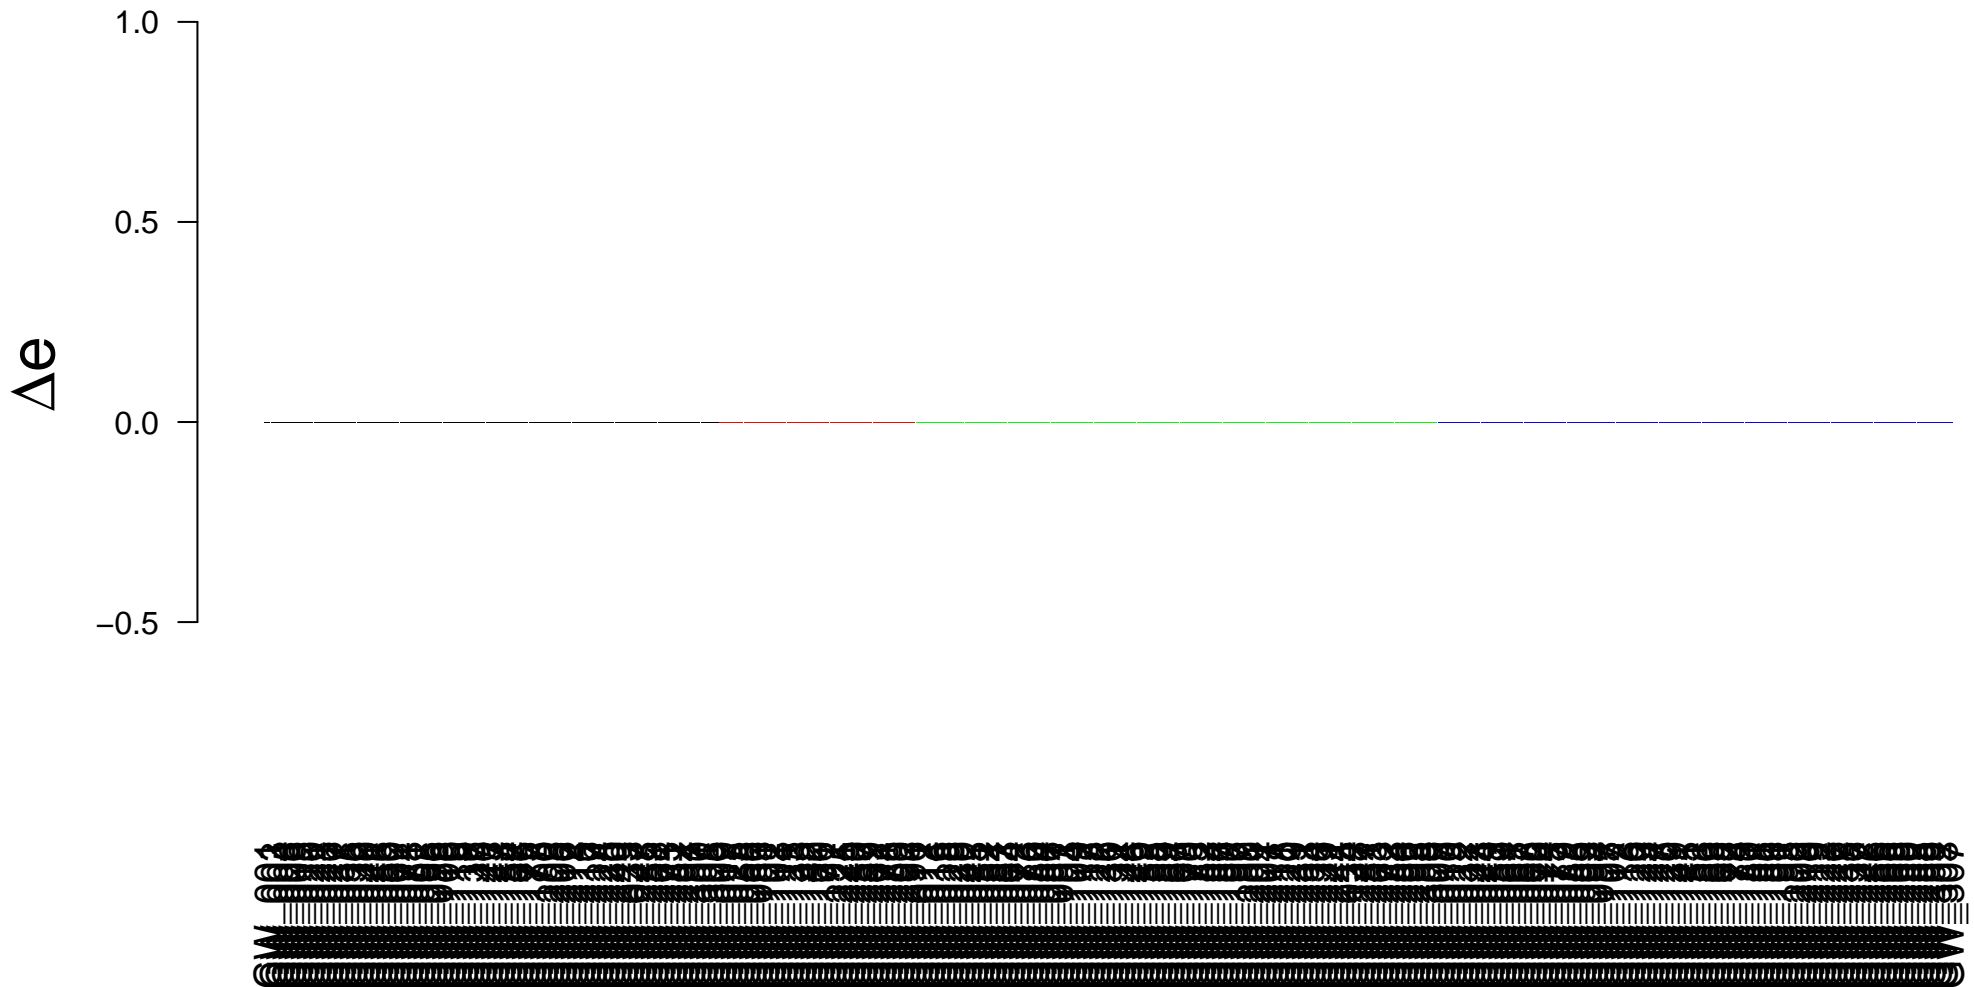

Expression of regulation of cell morphogenesis in Spot E

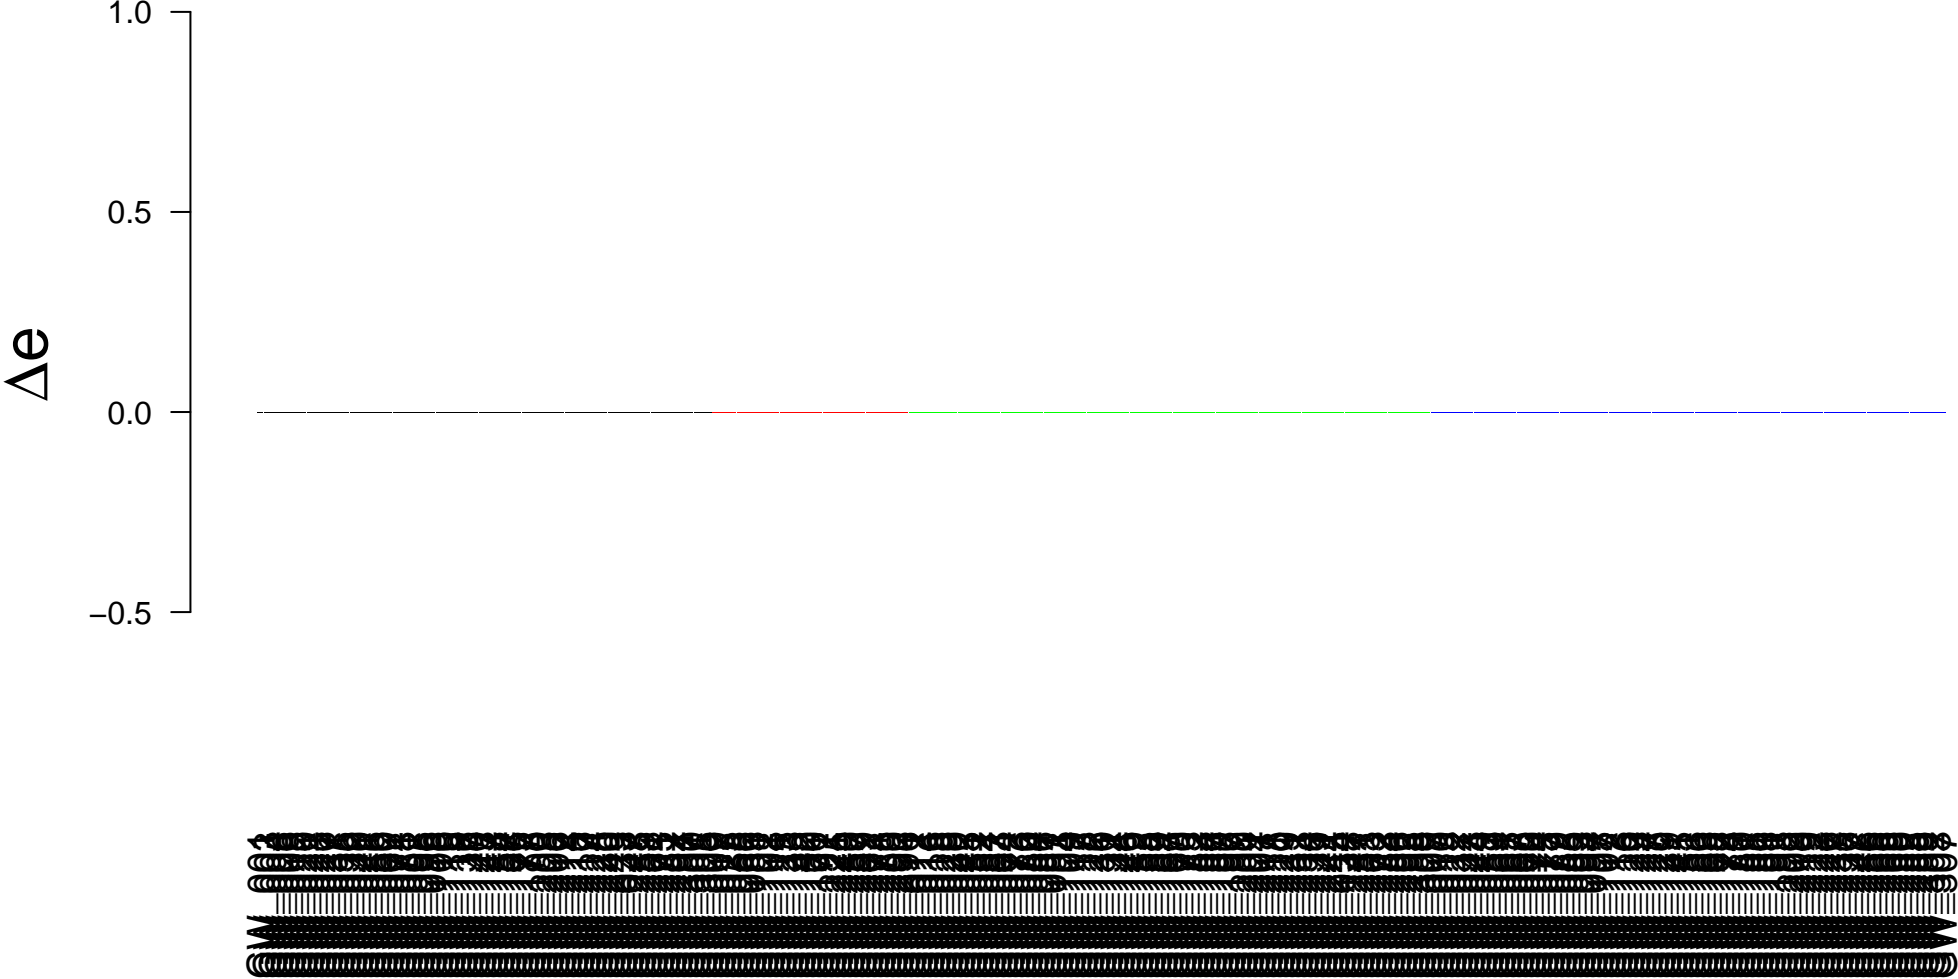

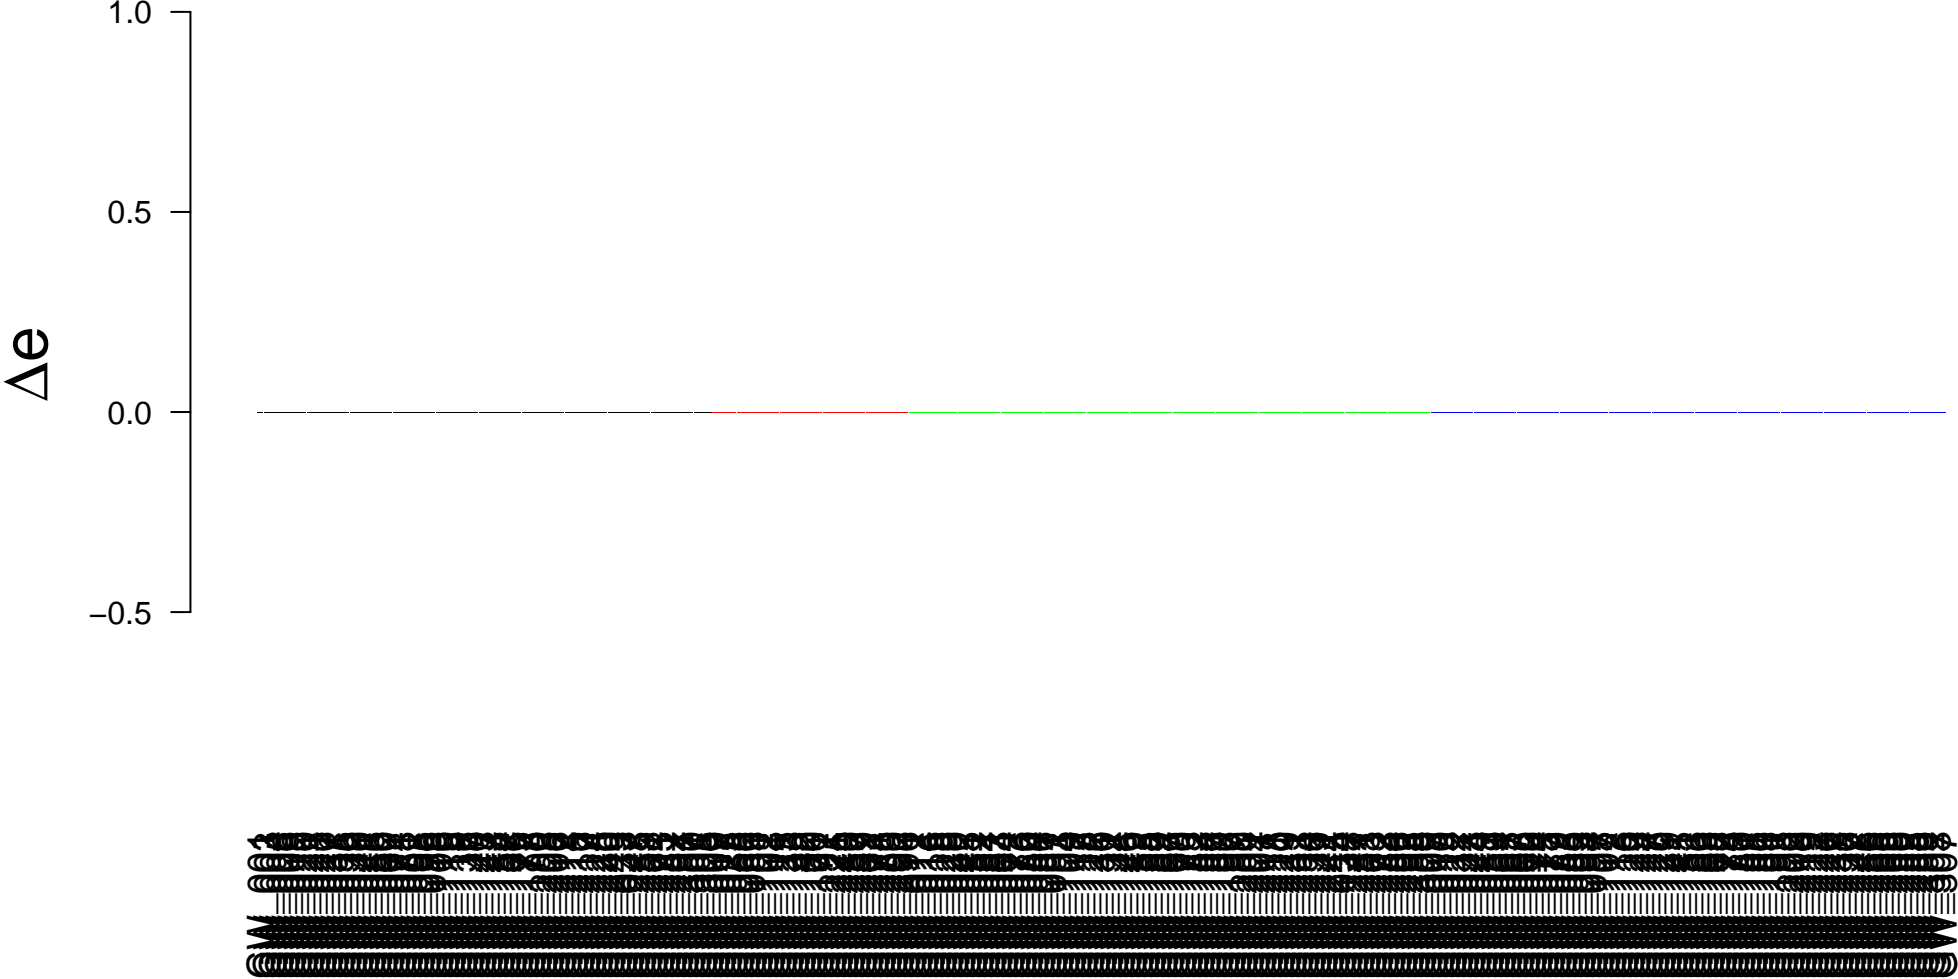

# Expression of regulation of cell morphogenesis in Spot F

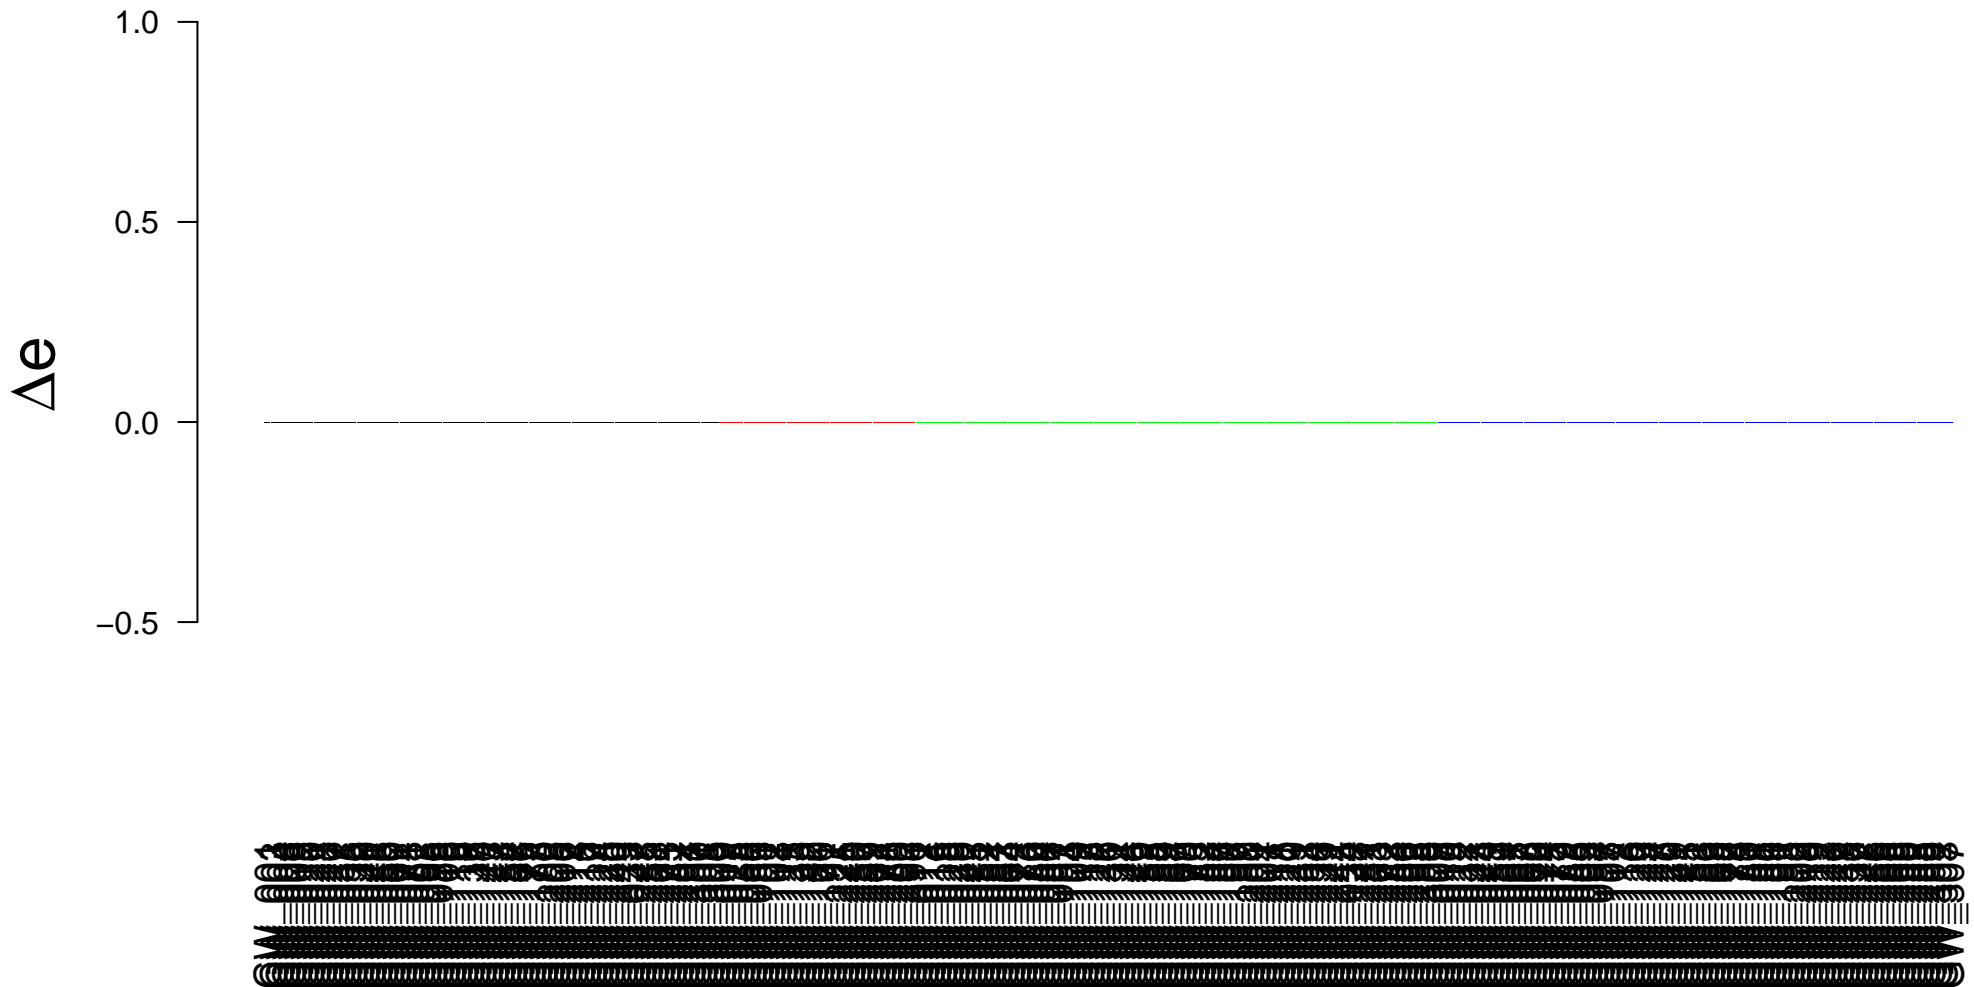

Expression of regulation of cell morphogenesis in Spot G

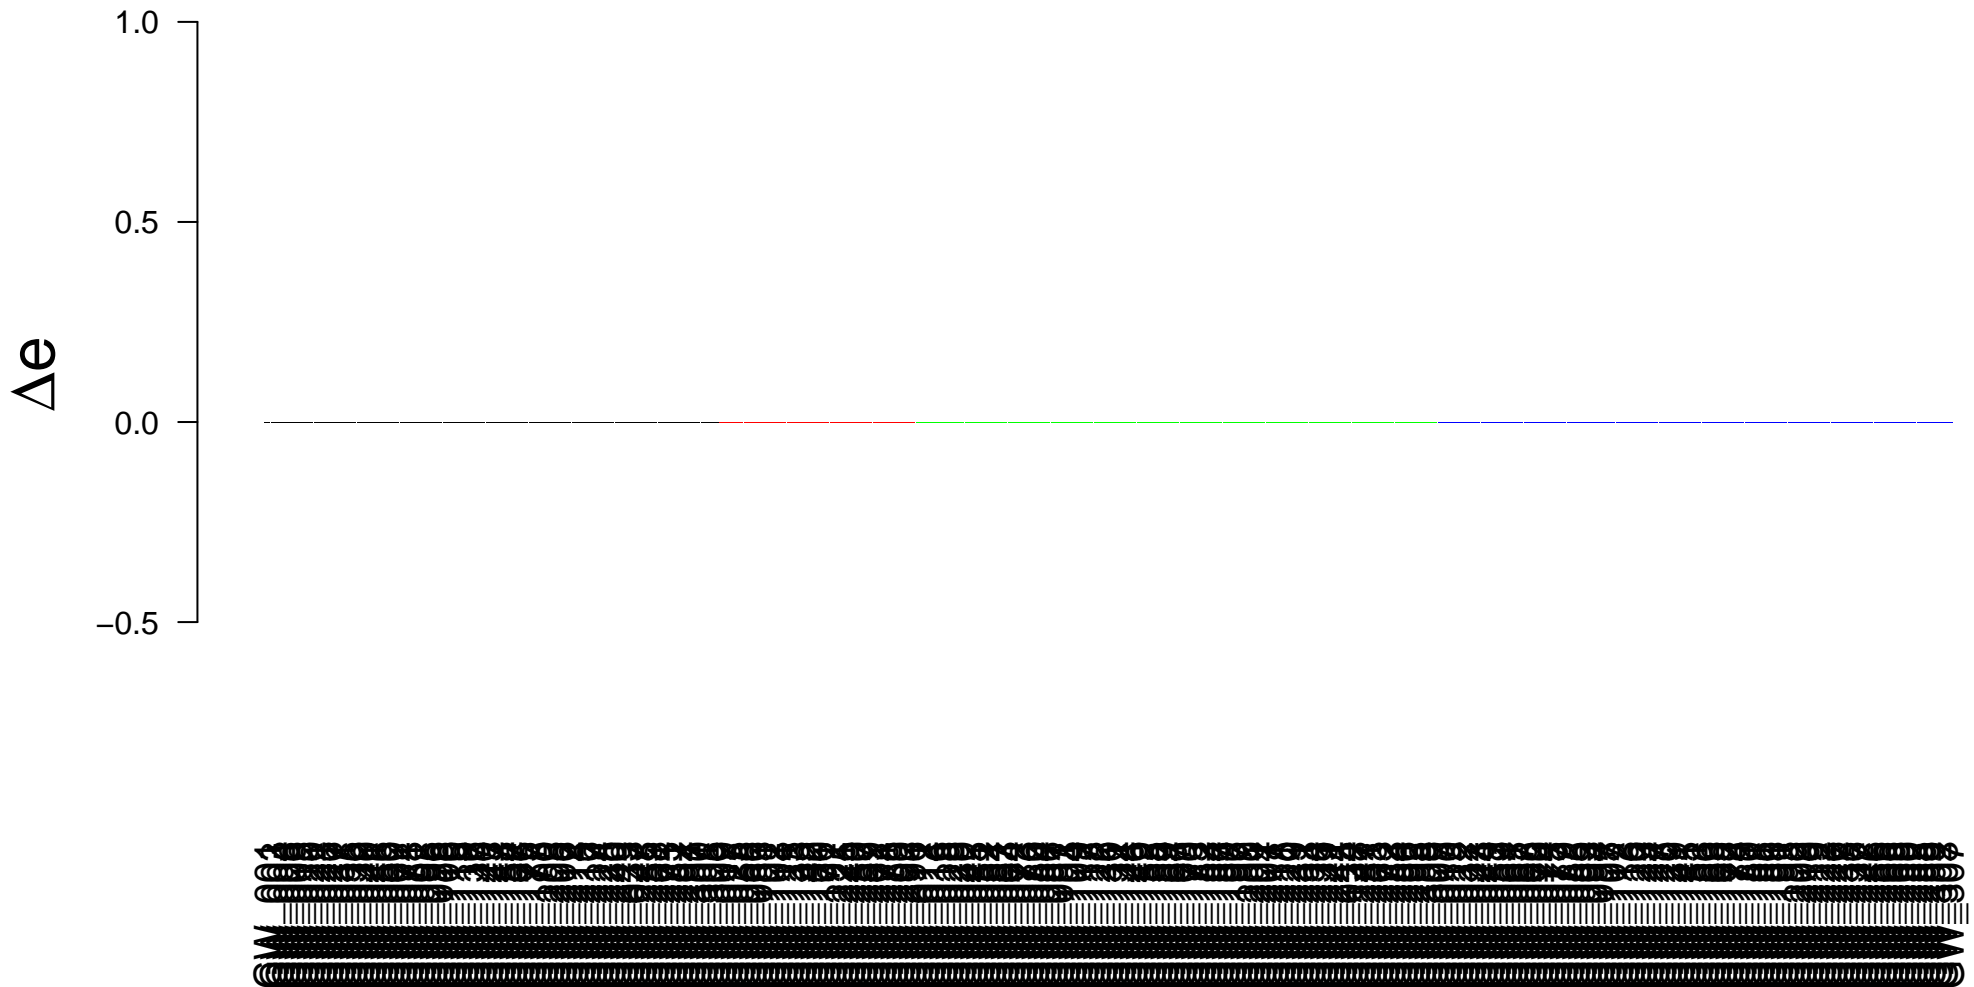

Expression of regulation of cell morphogenesis in Spot H

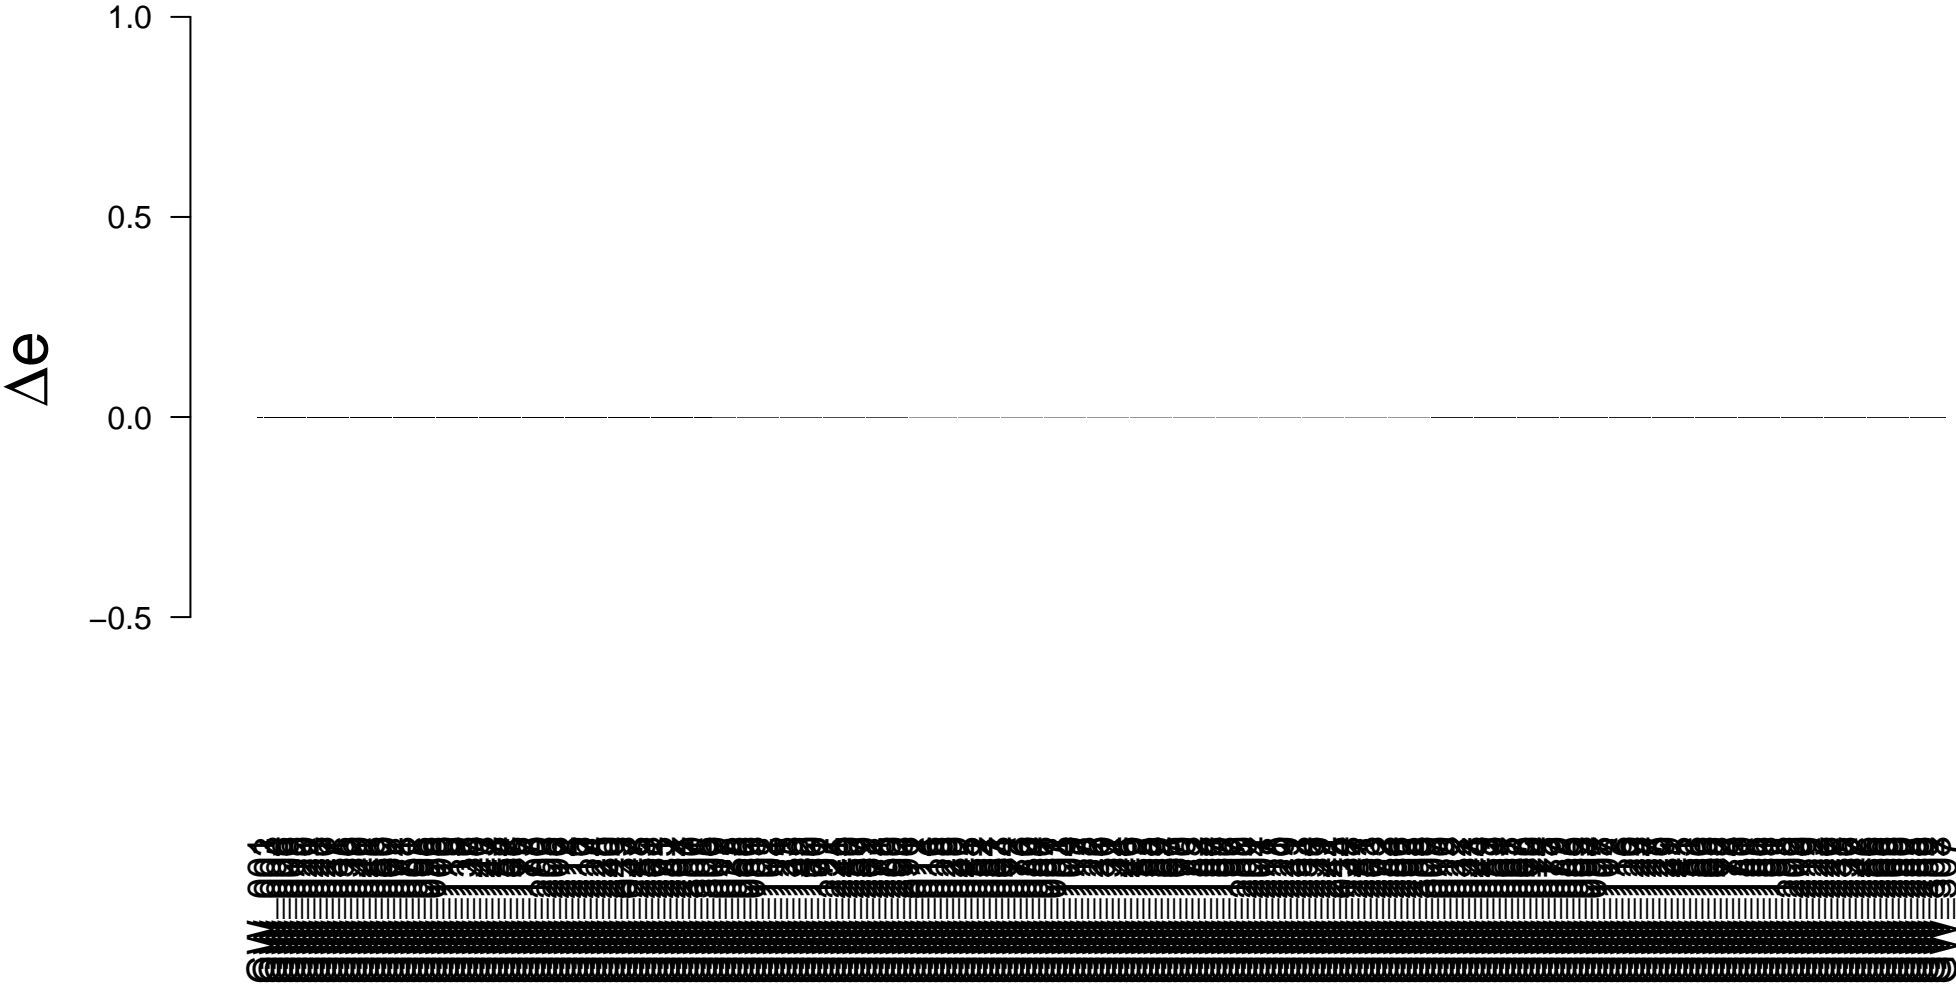

# Expression of regulation of cell morphogenesis in Spot I

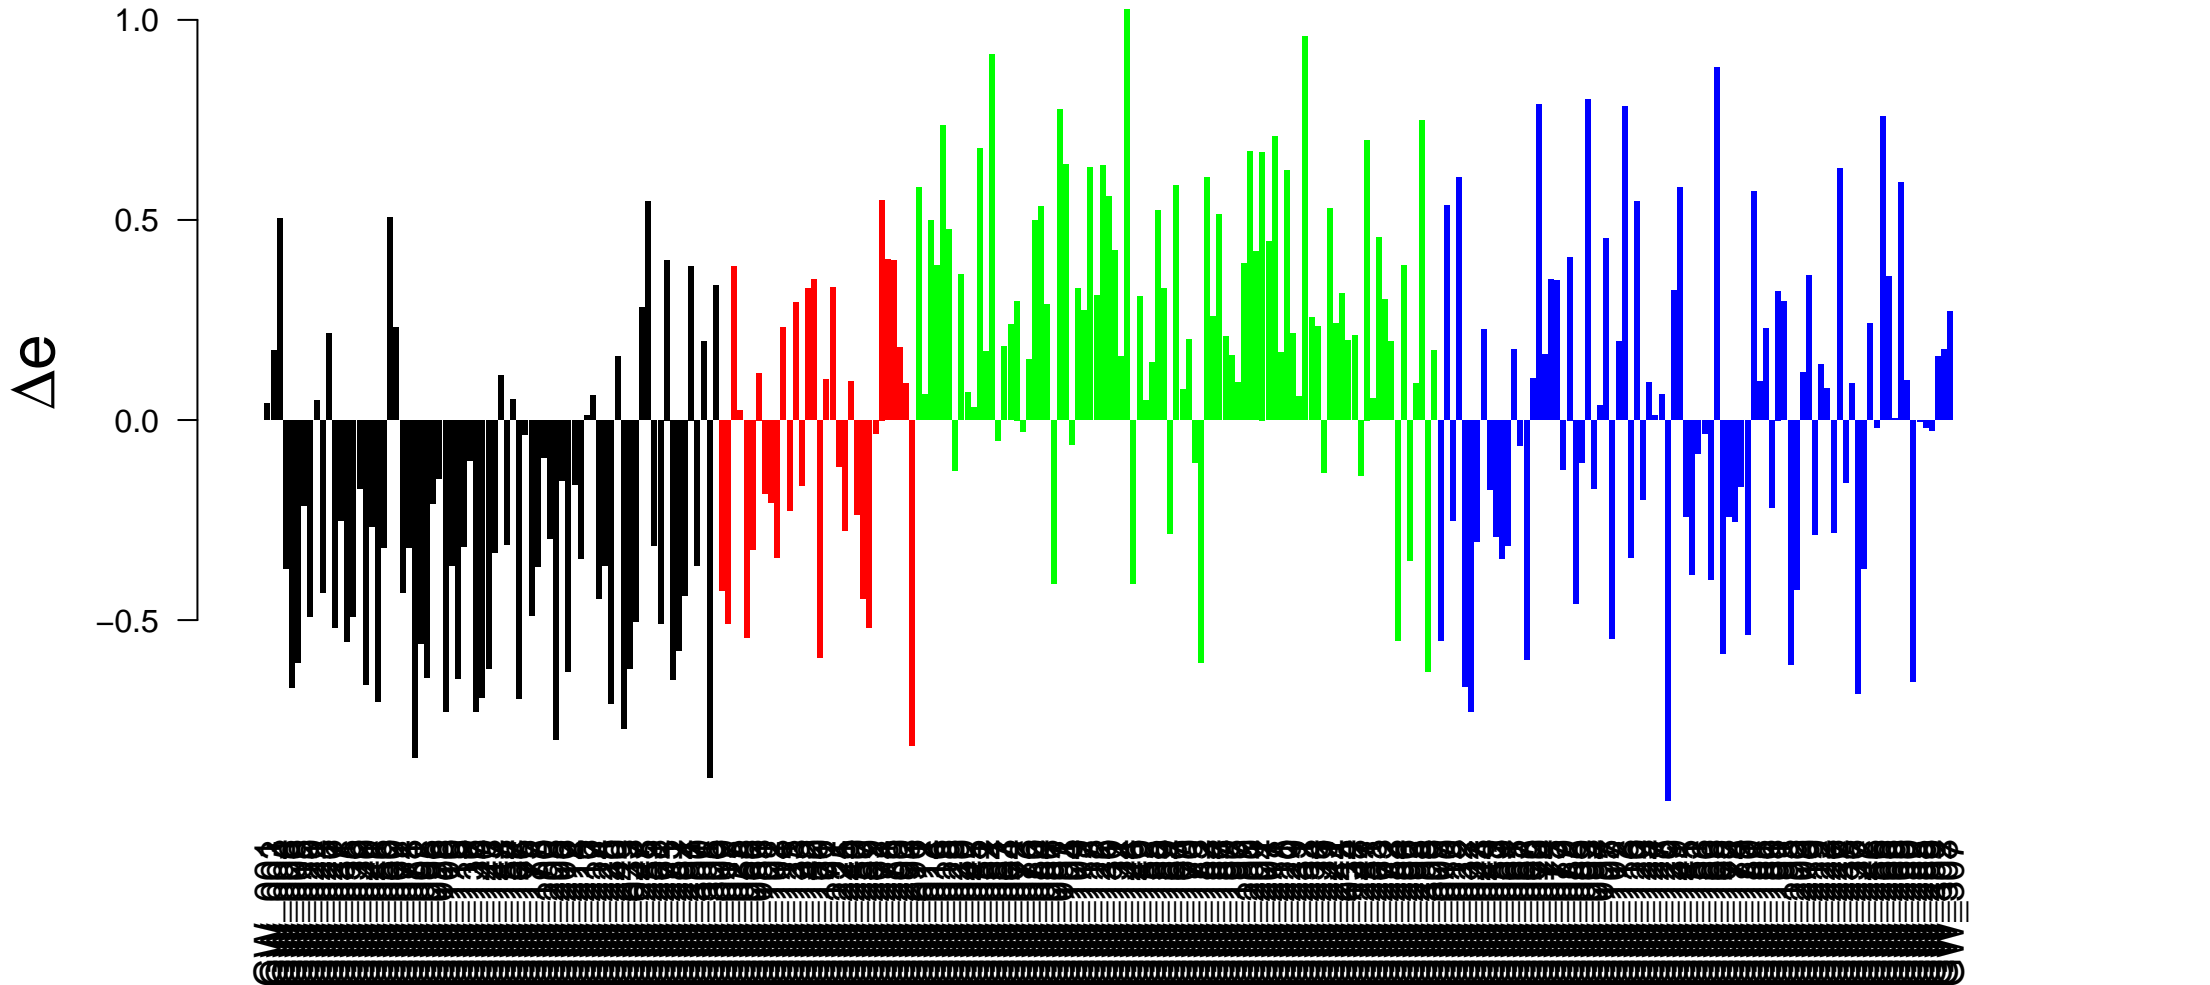

# Expression of regulation of cell morphogenesis in Spot J

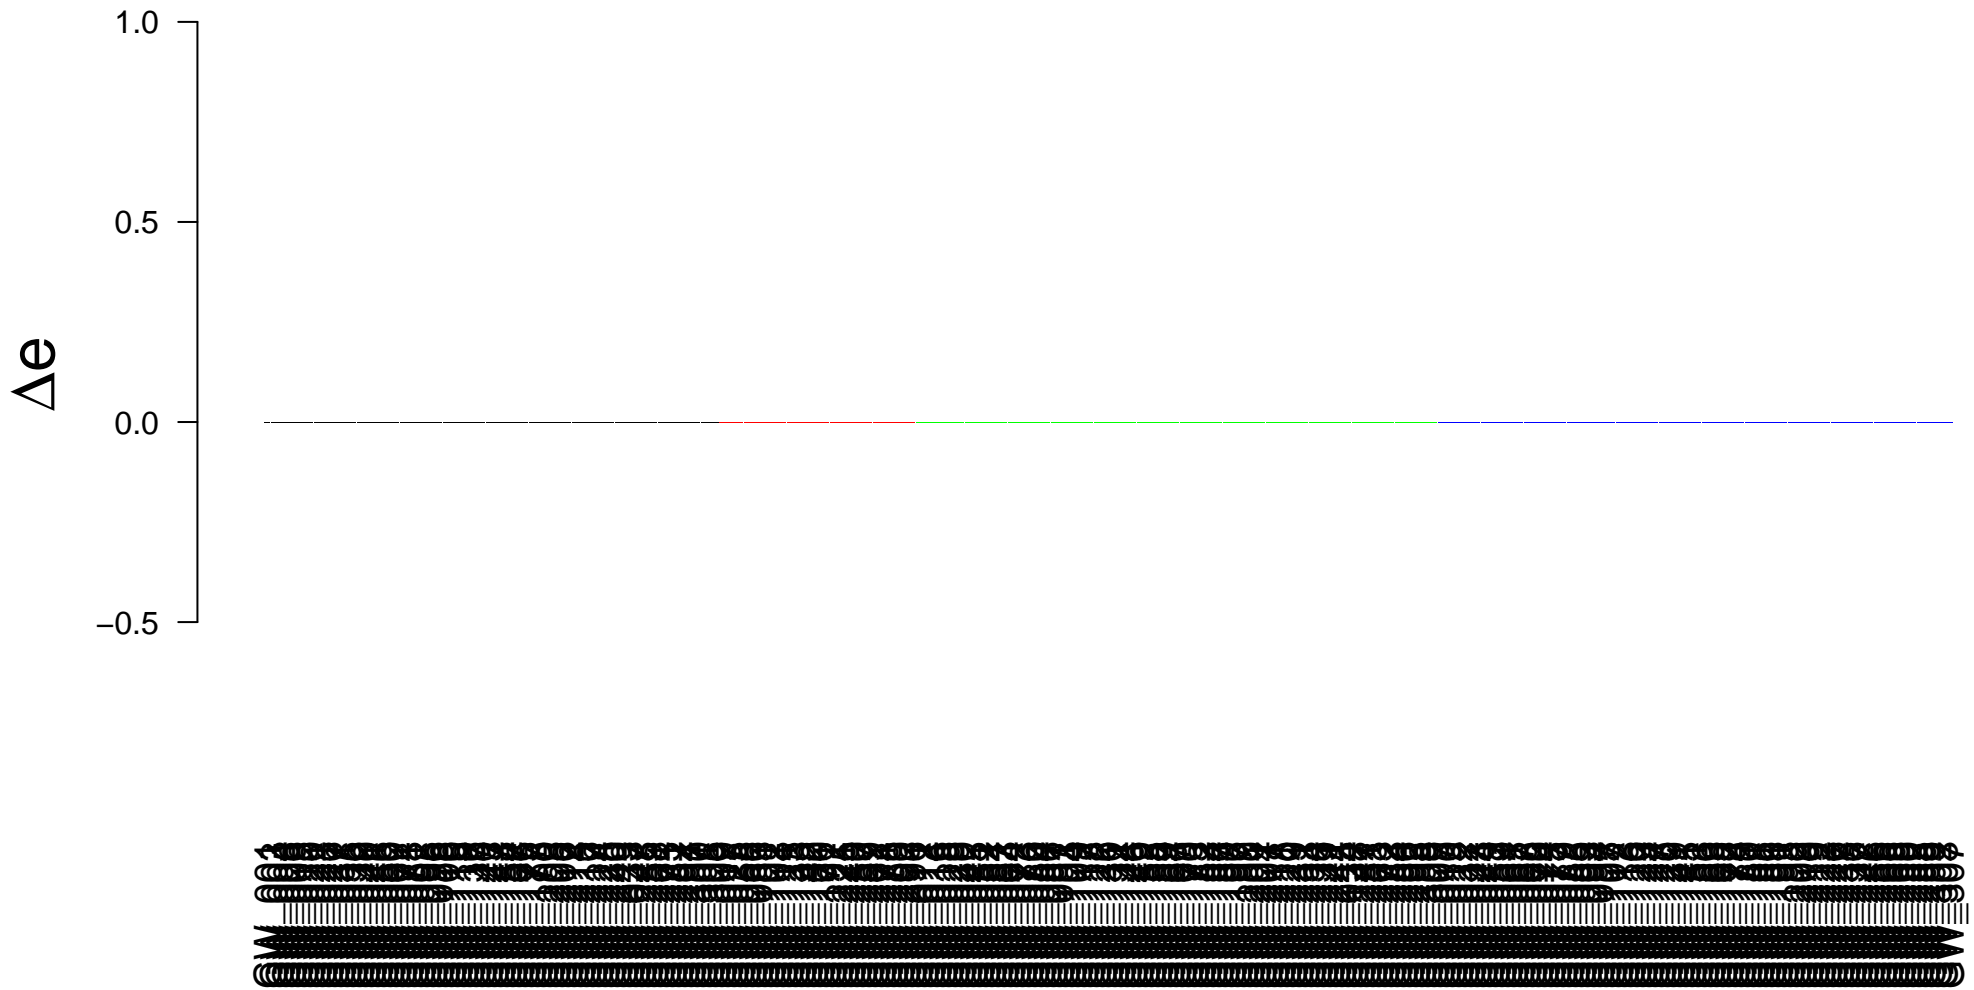

Expression of regulation of cell morphogenesis in Spot K

# Expression of regulation of cell morphogenesis in Spot L

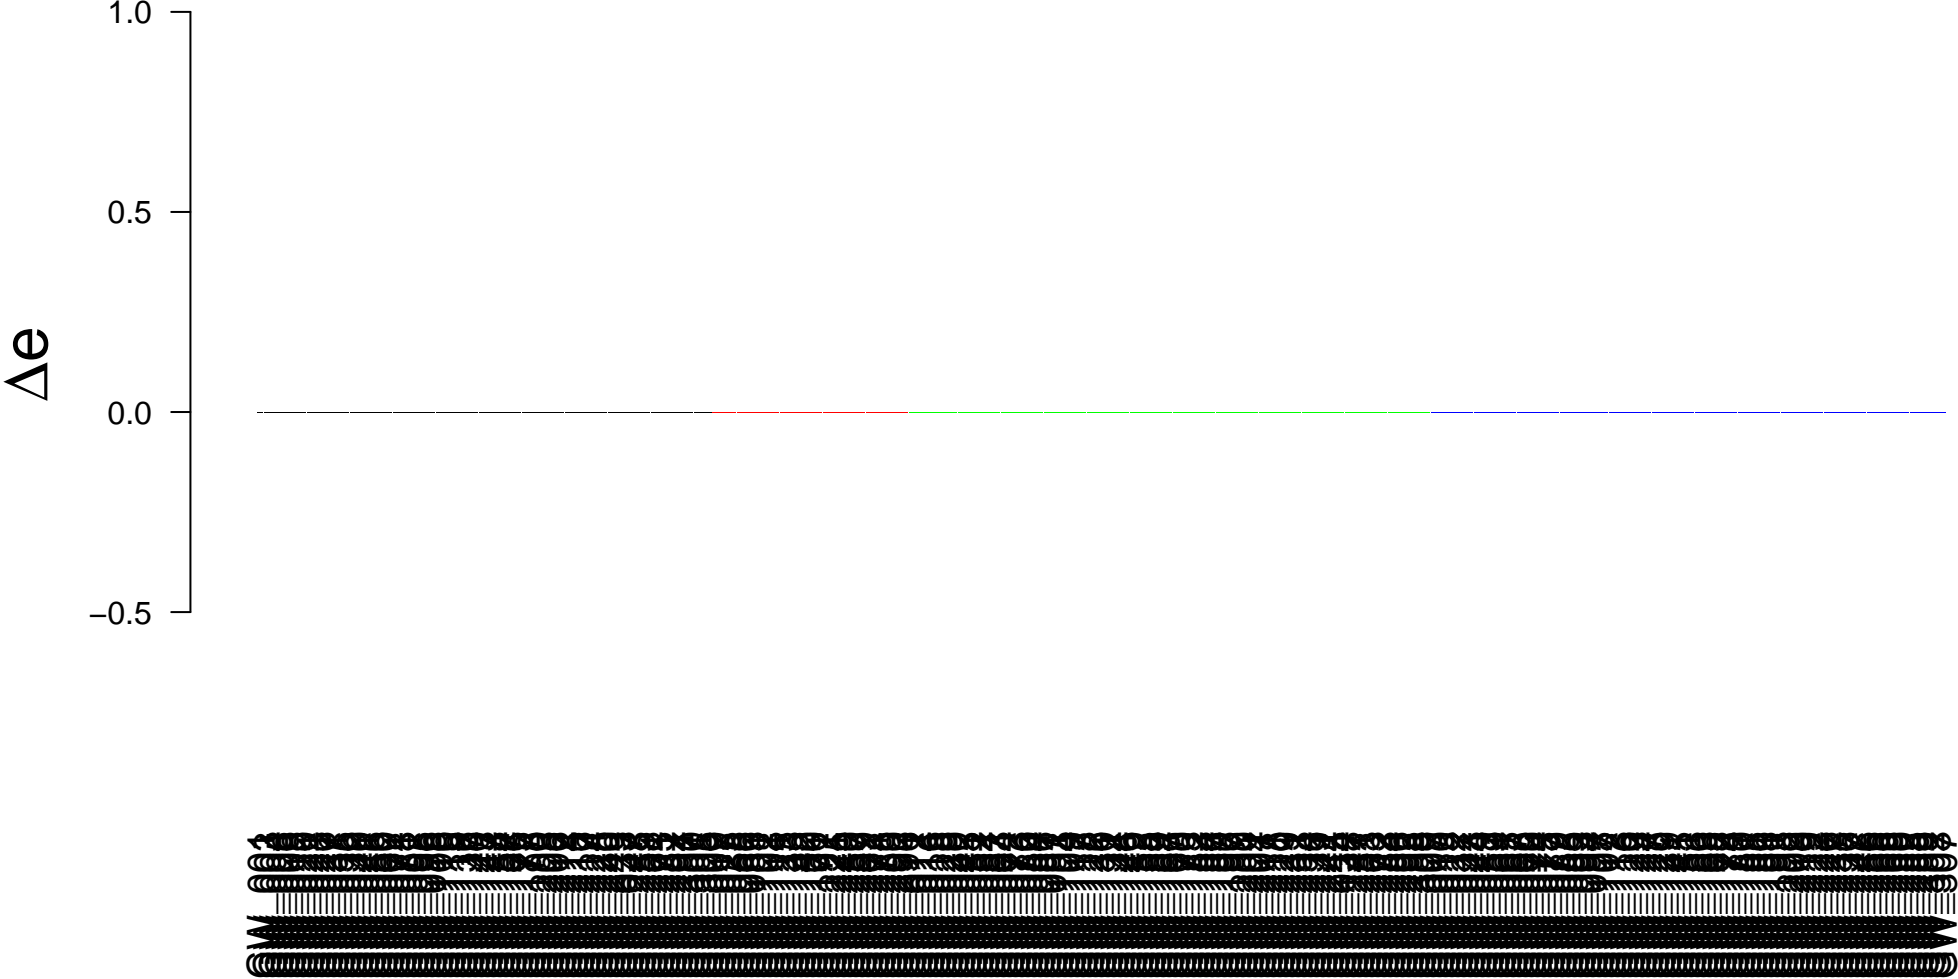

# Expression of regulation of cell morphogenesis in Spot M

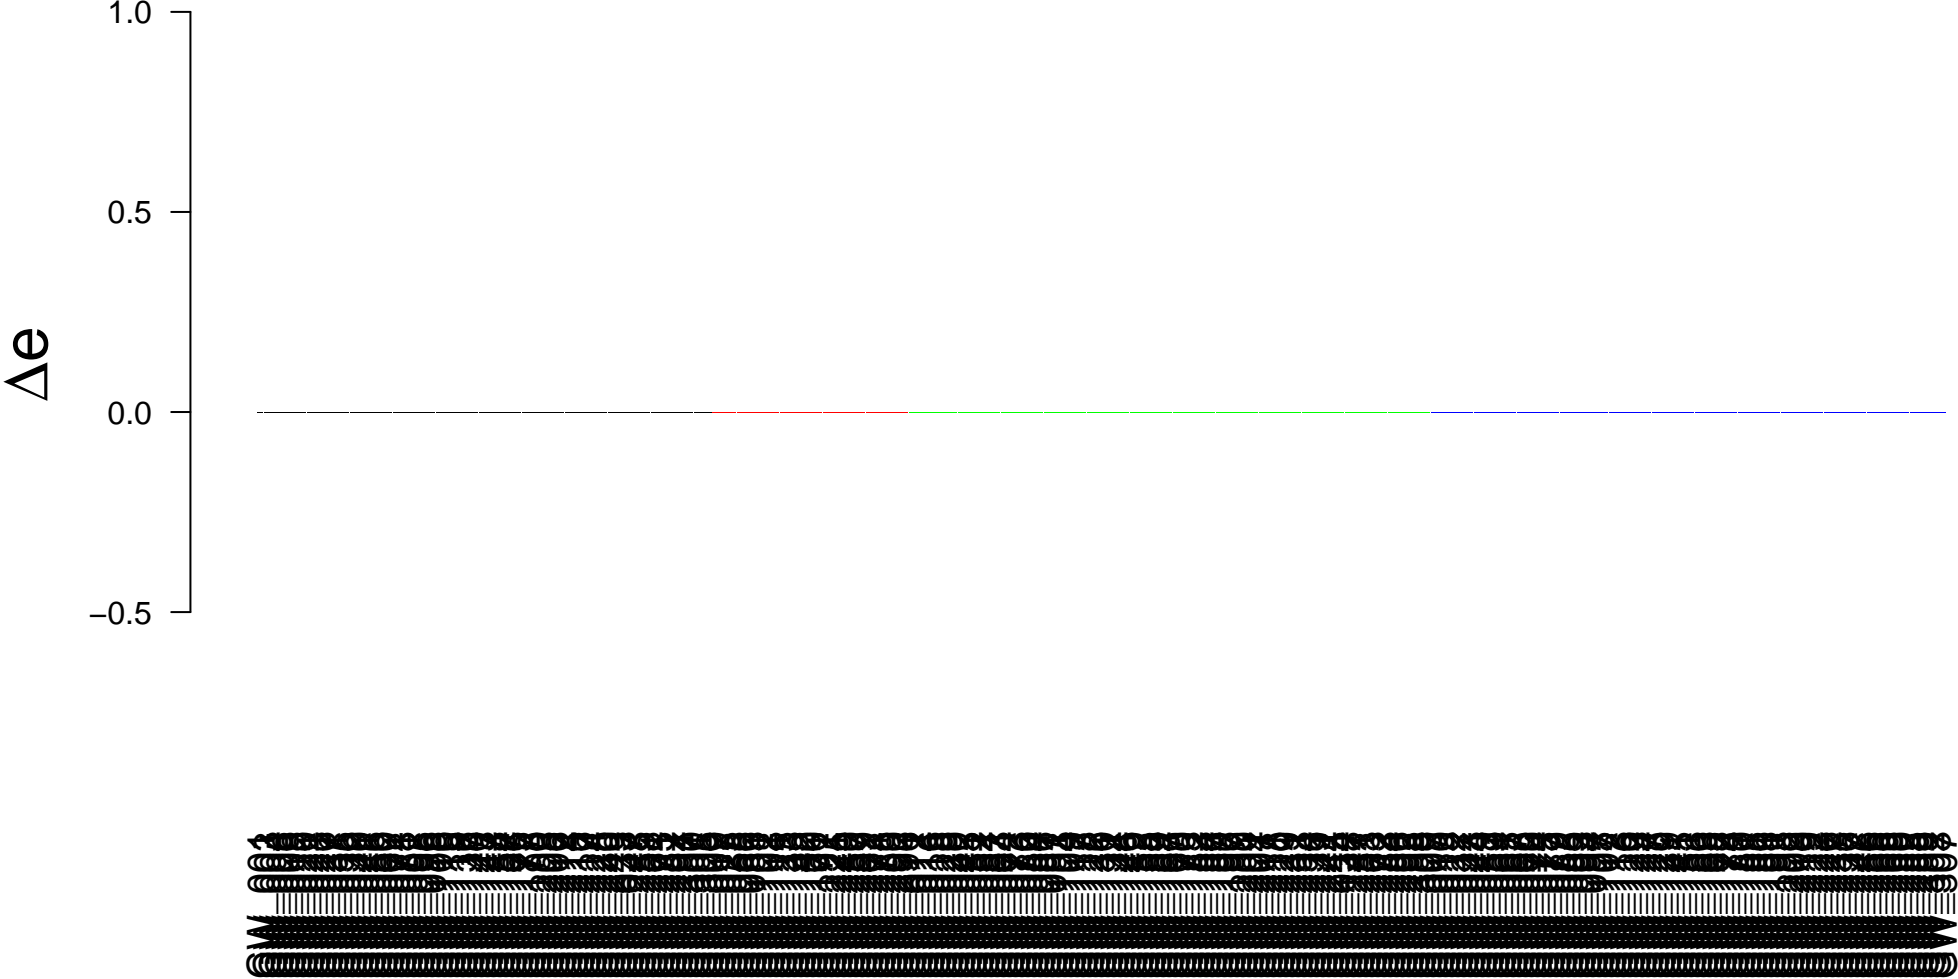

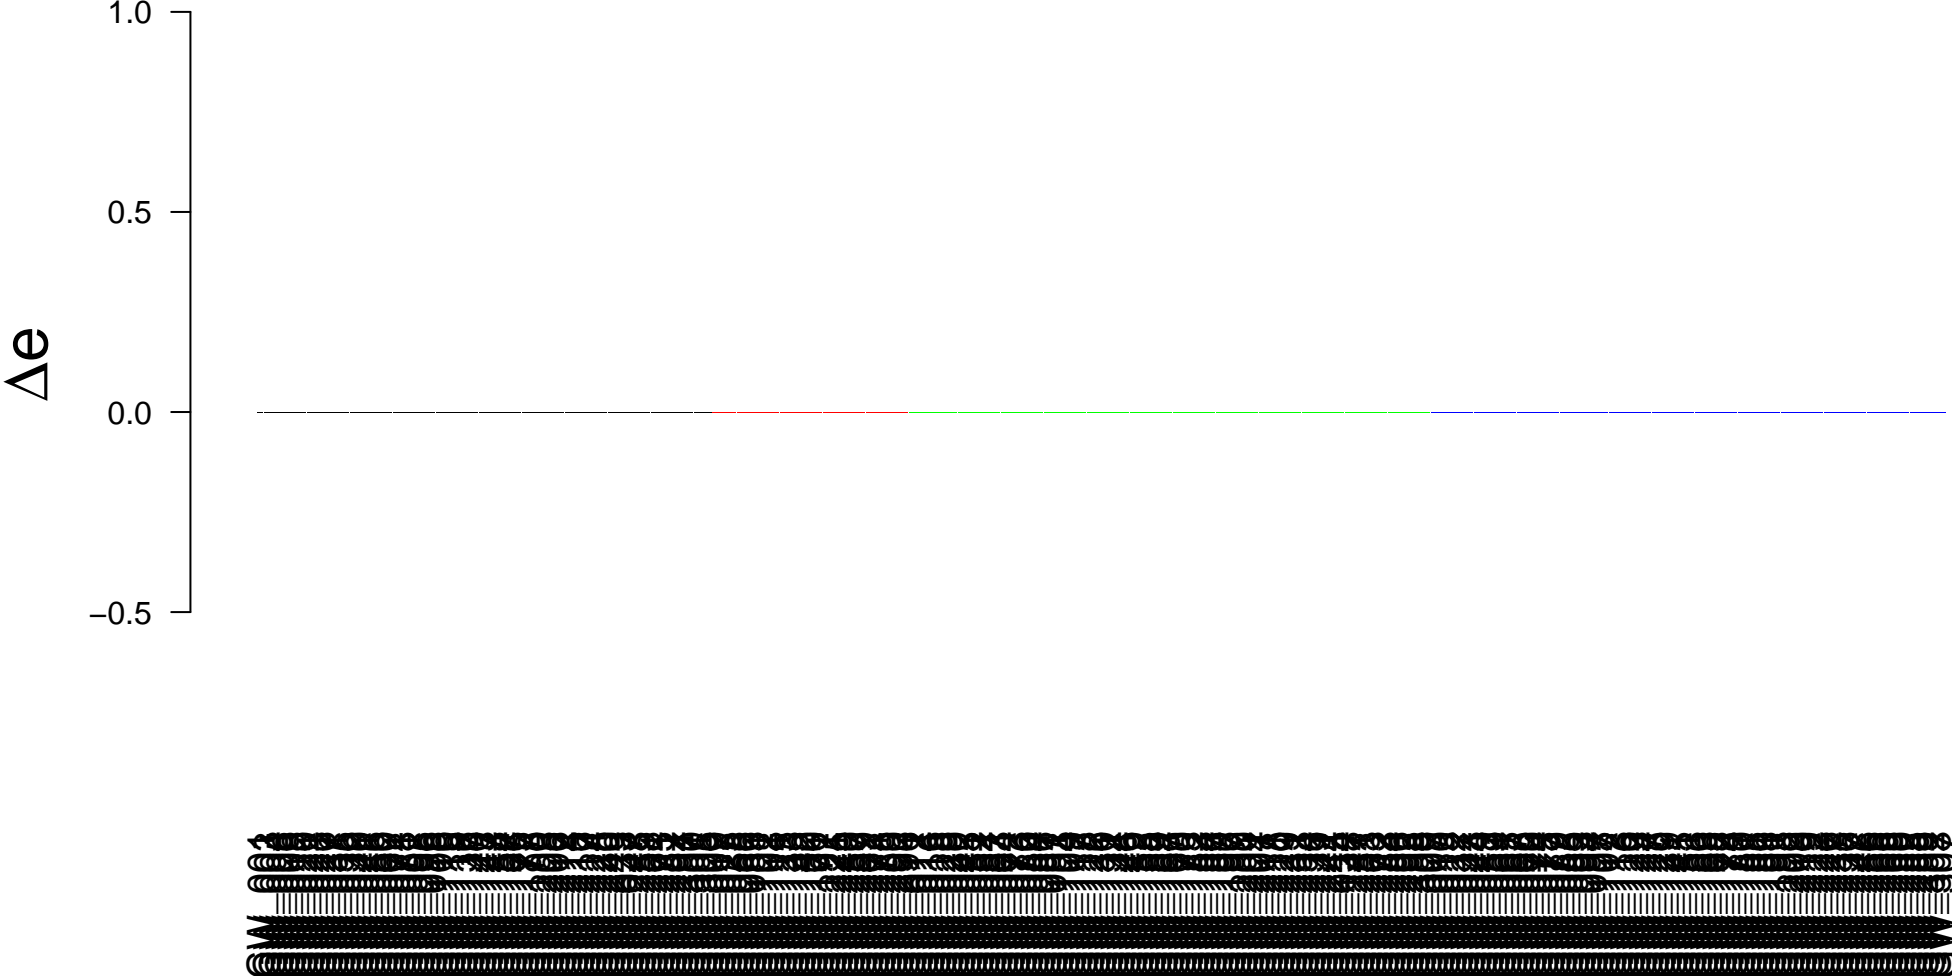

Expression of regulation of cell morphogenesis in Spot N

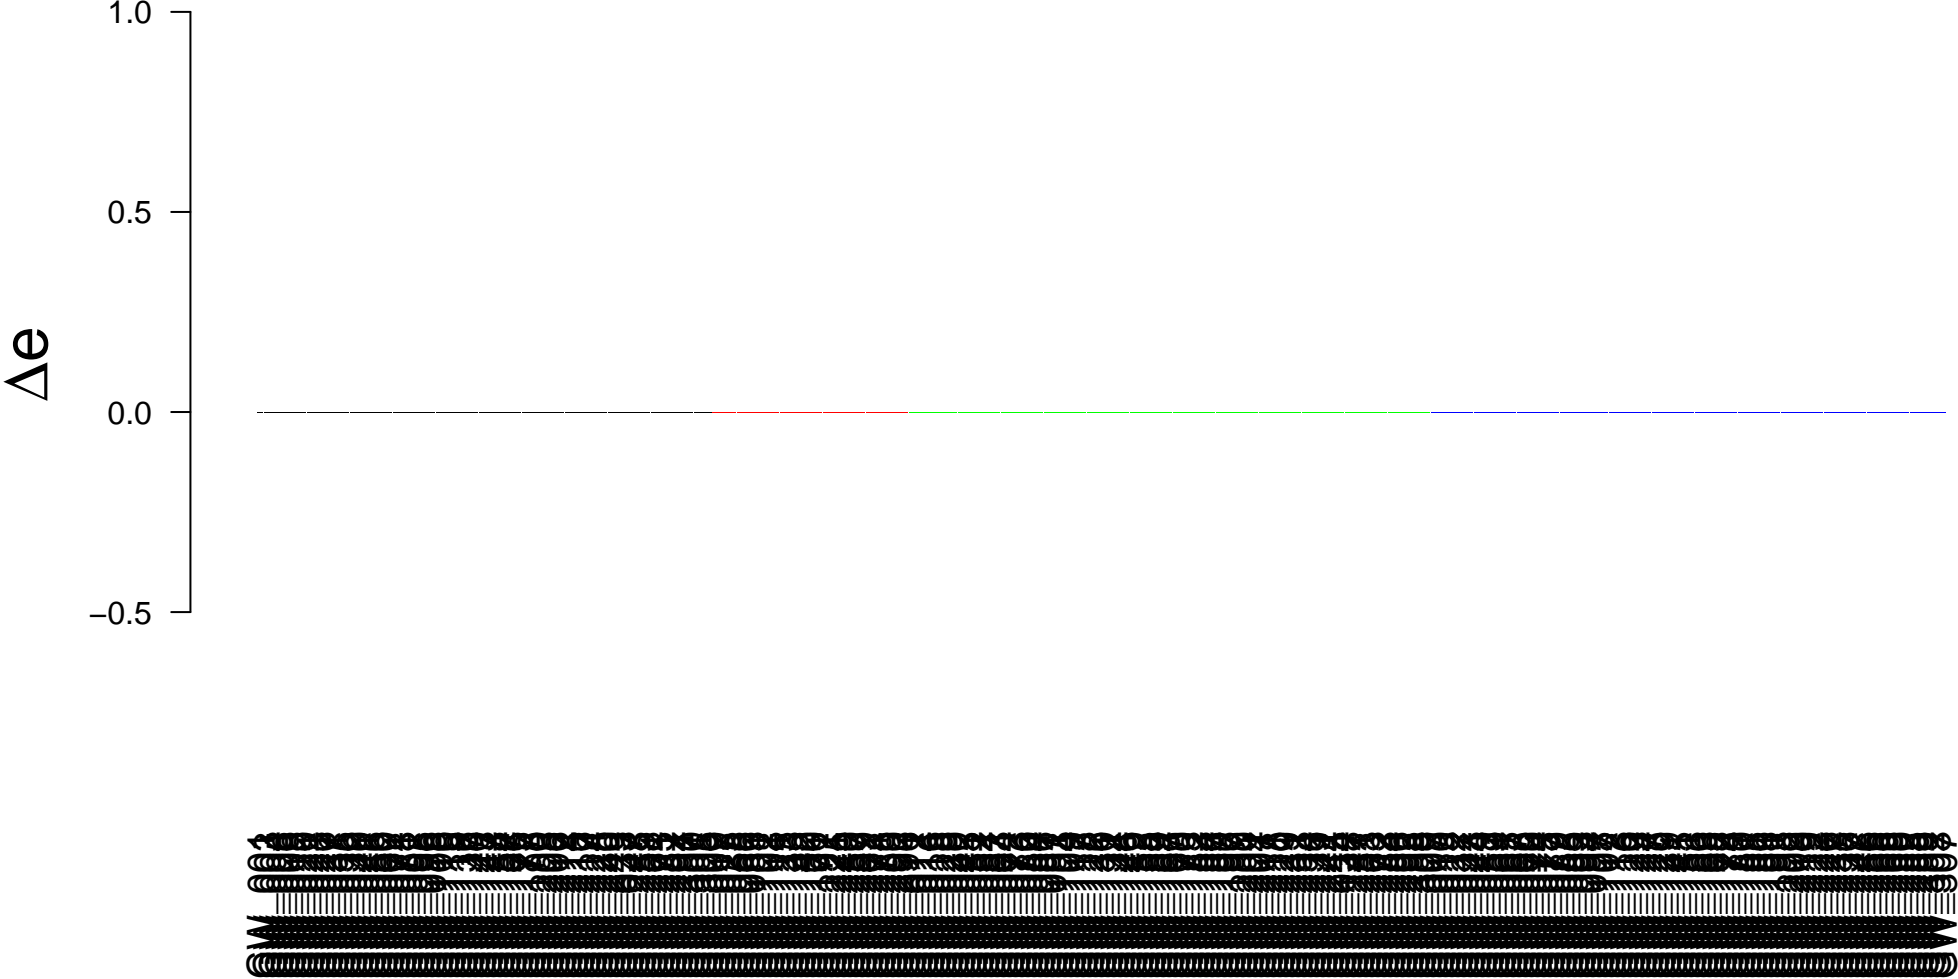

Expression of regulation of cell morphogenesis in Spot O

Expression of regulation of cell morphogenesis in Spot P

Expression of regulation of cell morphogenesis in Spot Q

Expression of regulation of cell morphogenesis in Spot R
