

# regulation of cell size

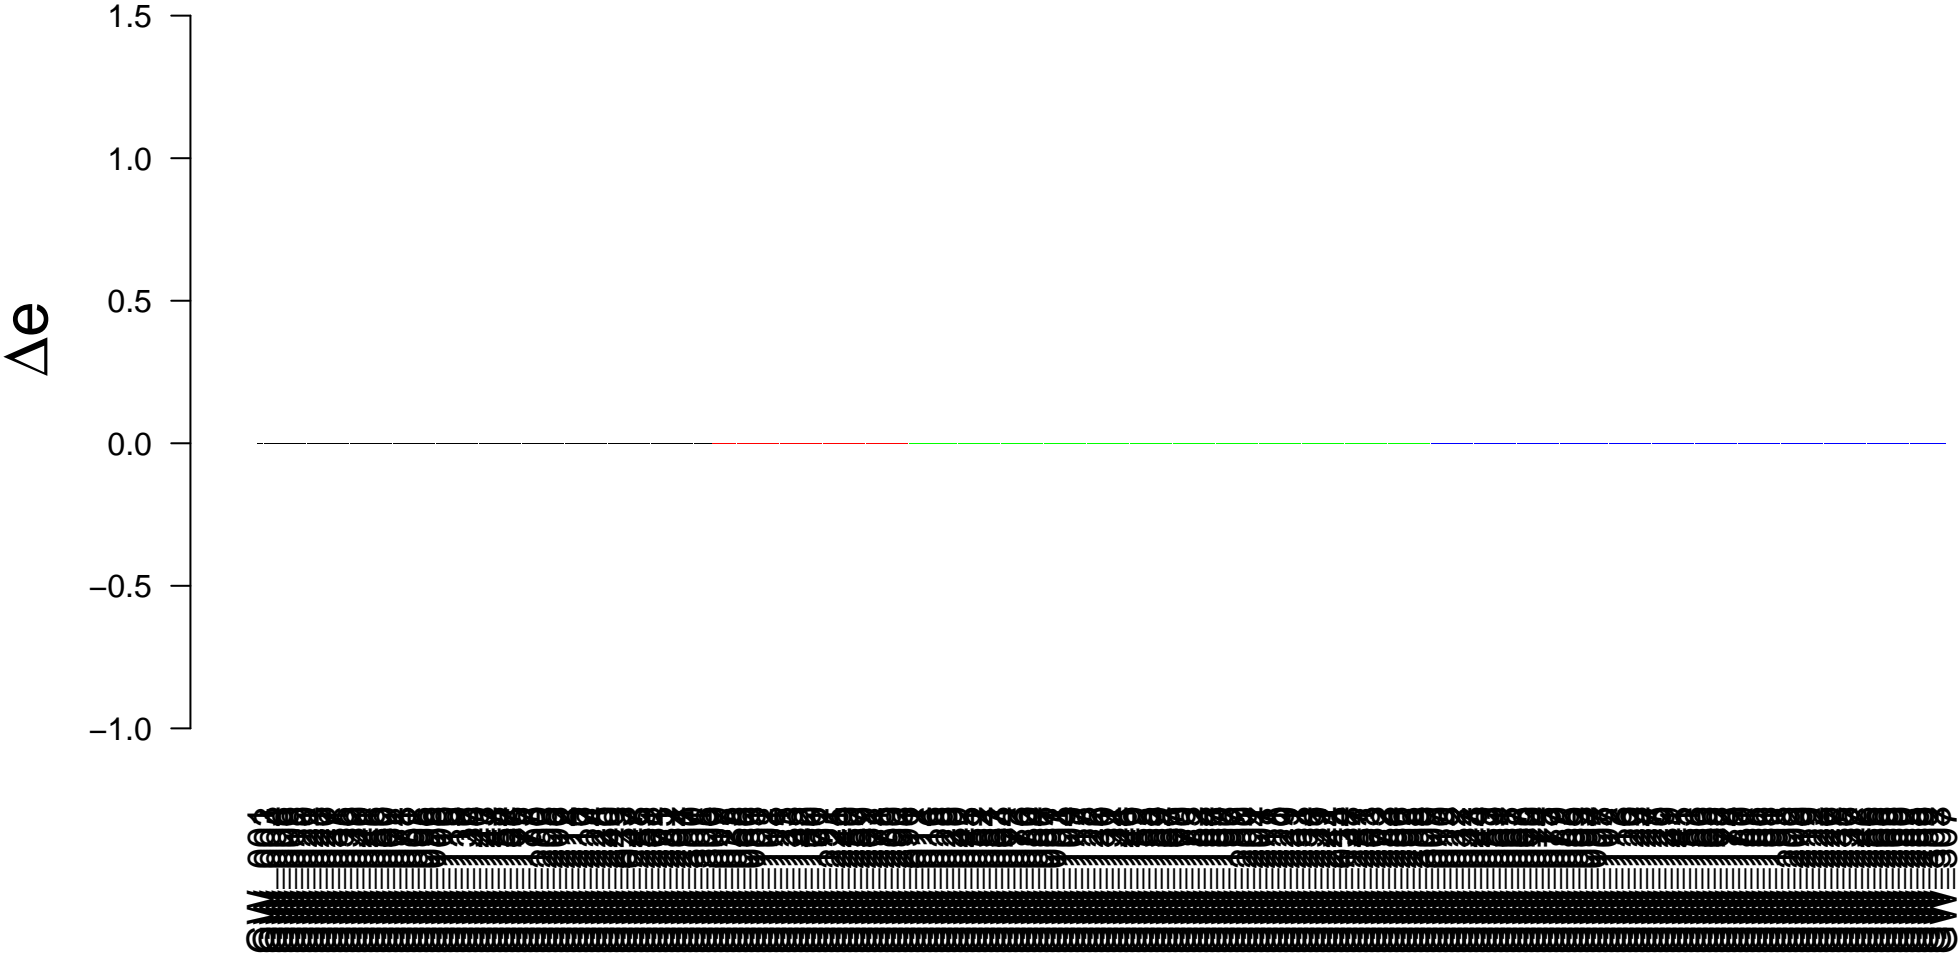

# regulation of cell size

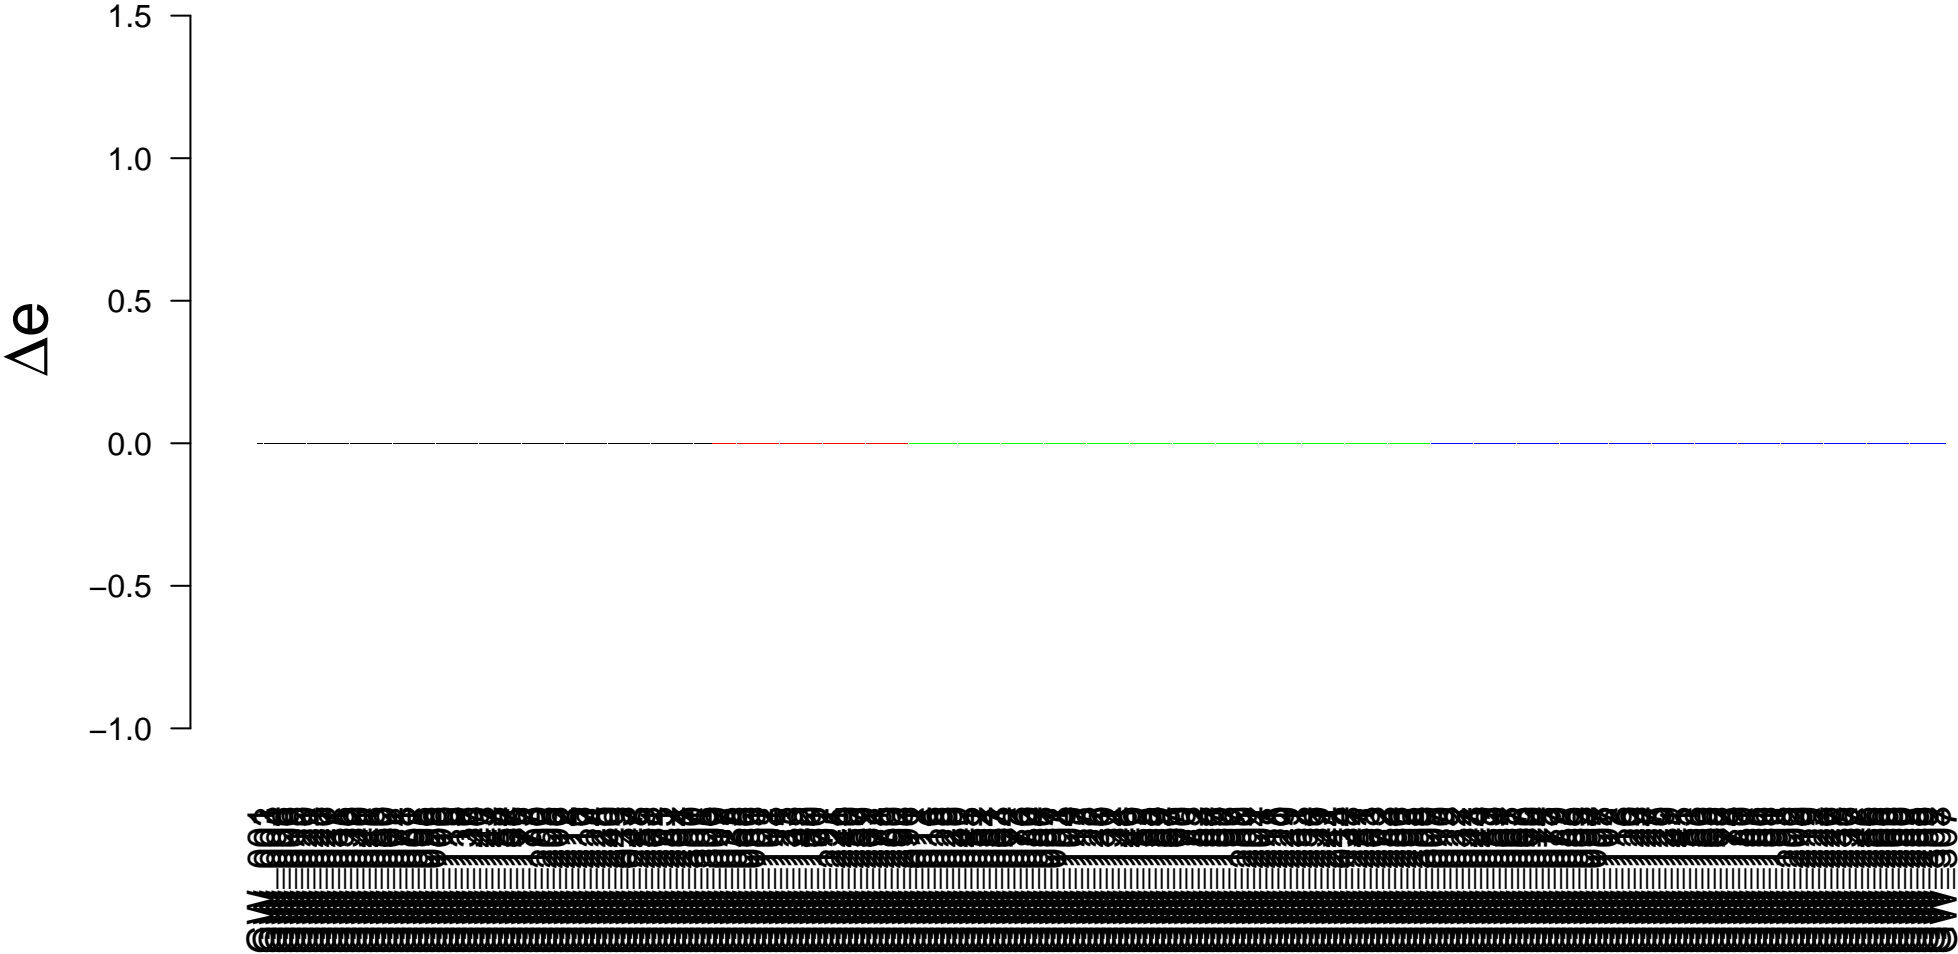

### Enrichment in spots: regulation of cell size

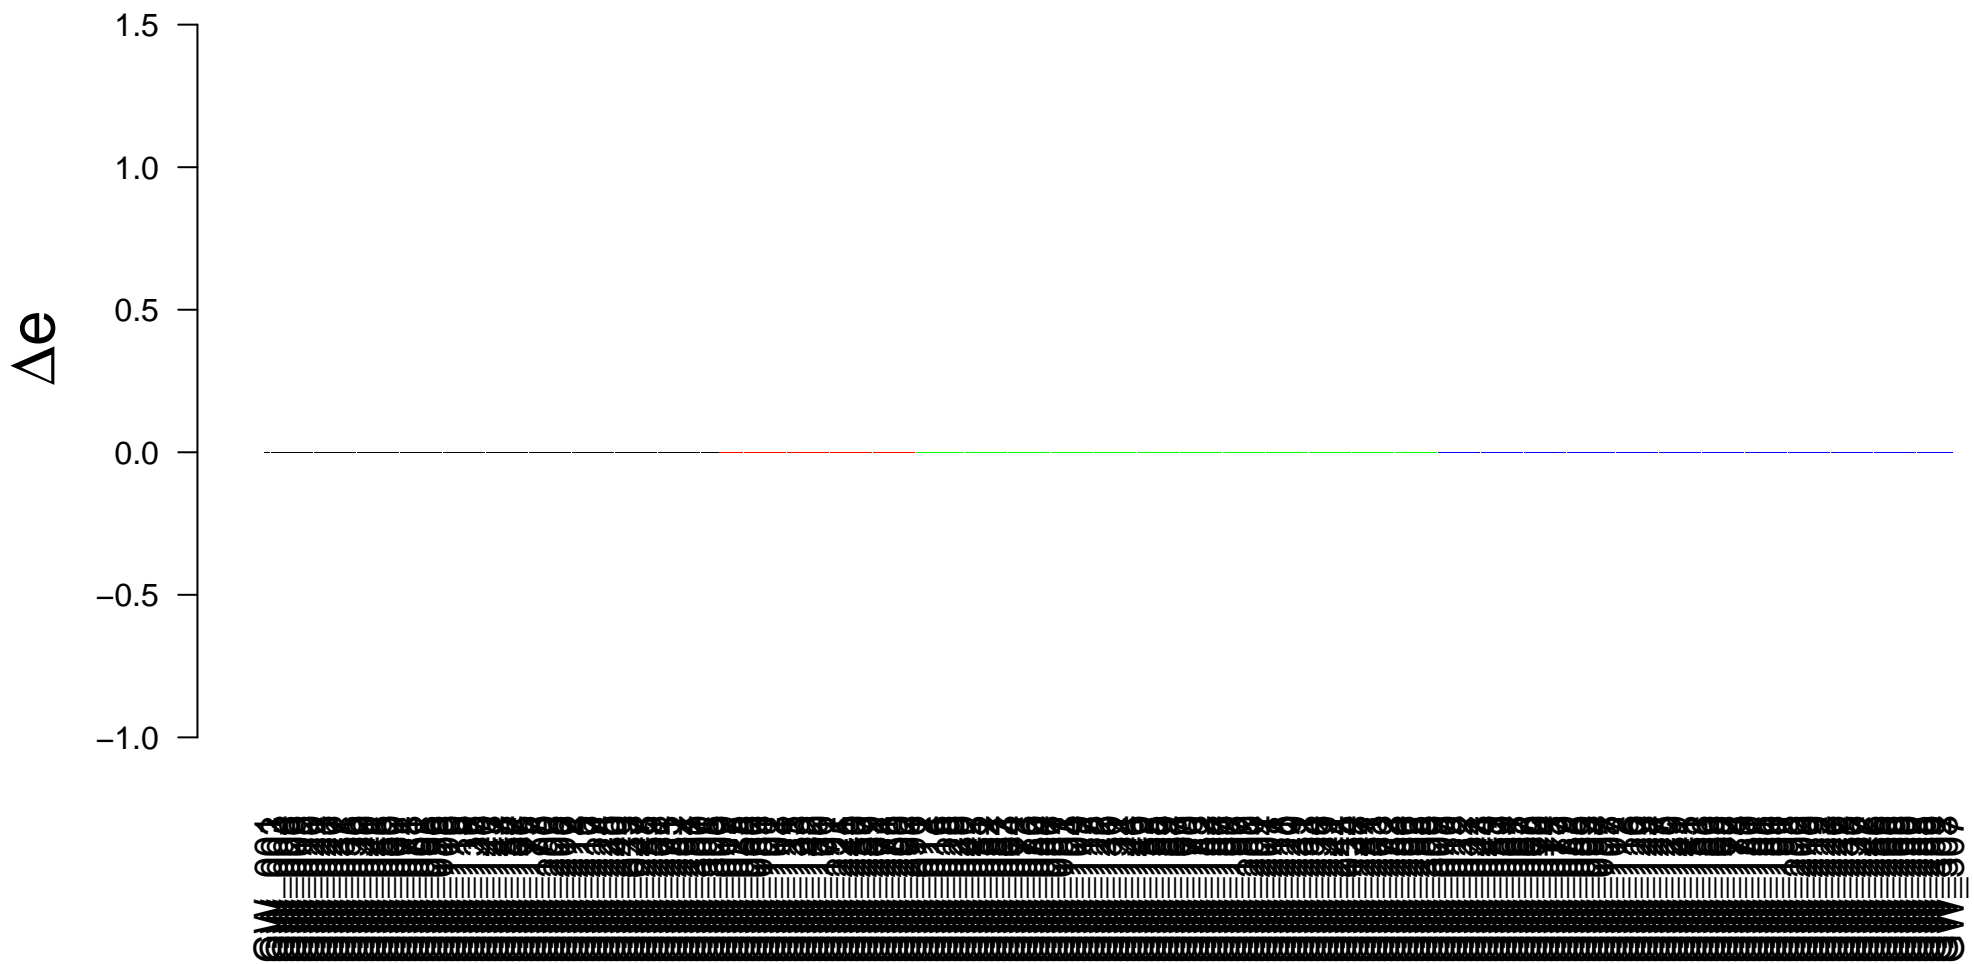

Expression of regulation of cell size in Spot A

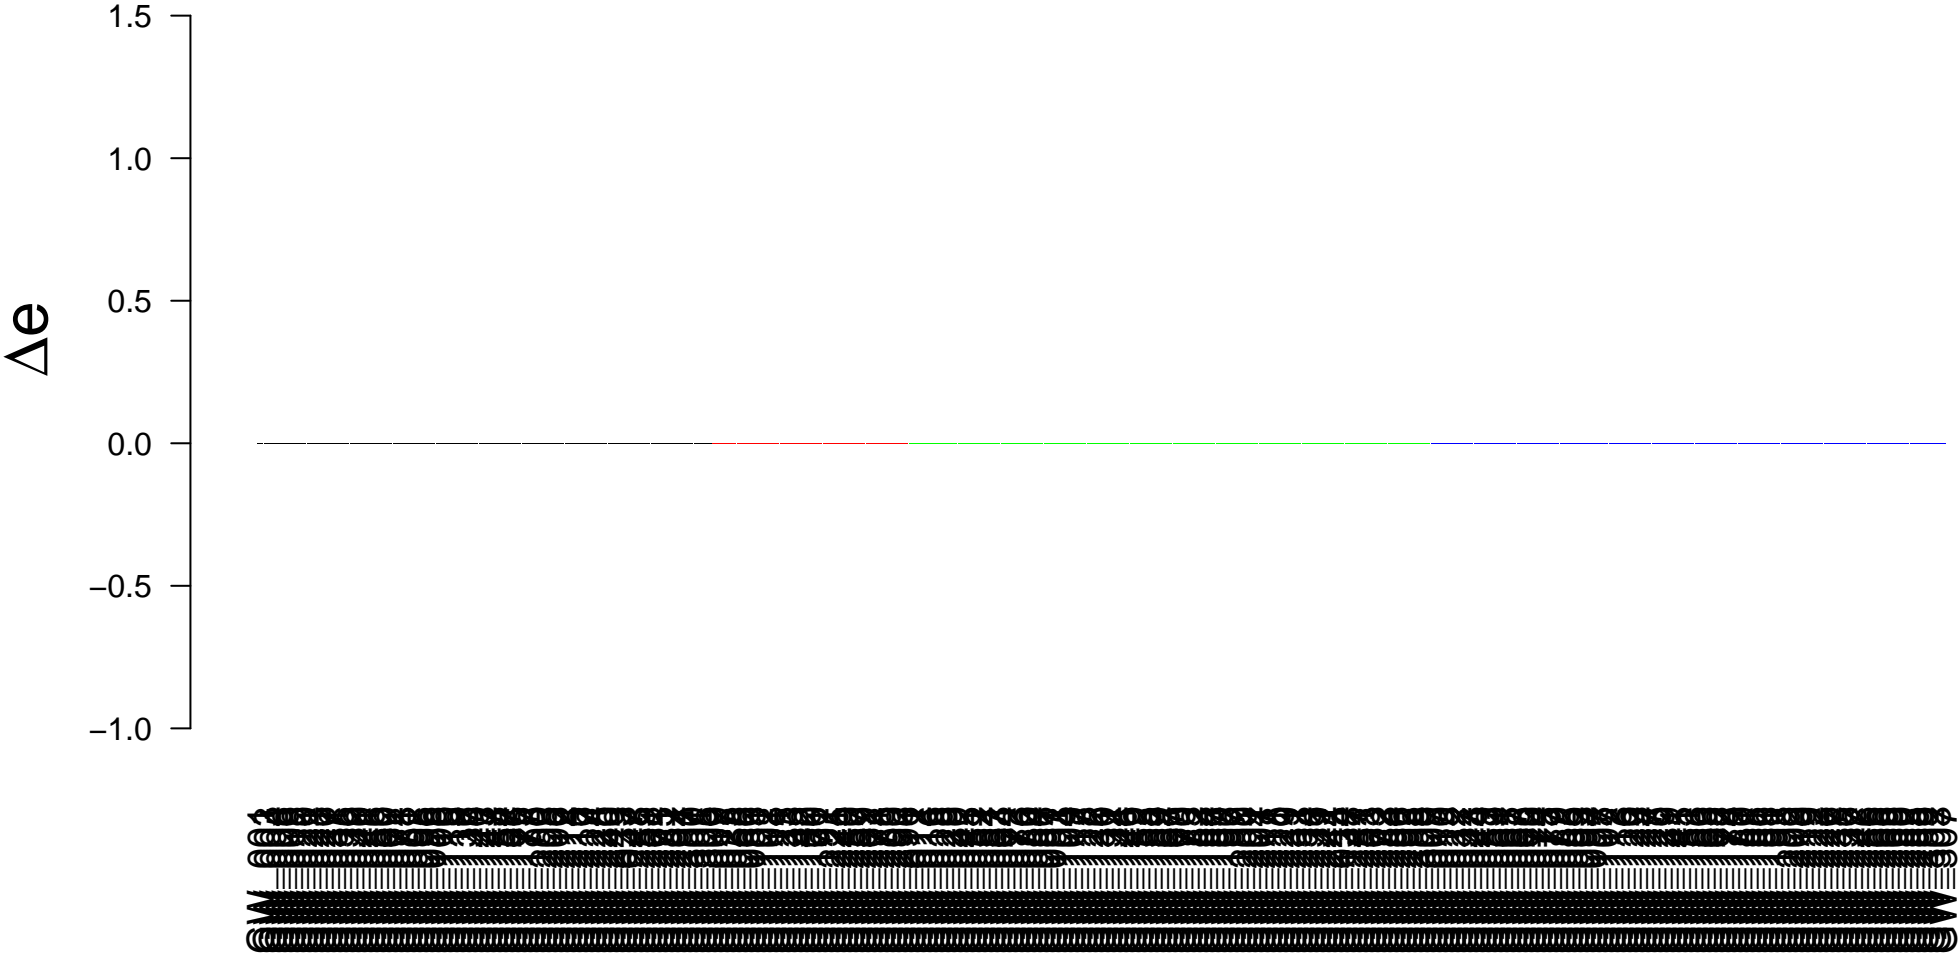

Expression of regulation of cell size in Spot B

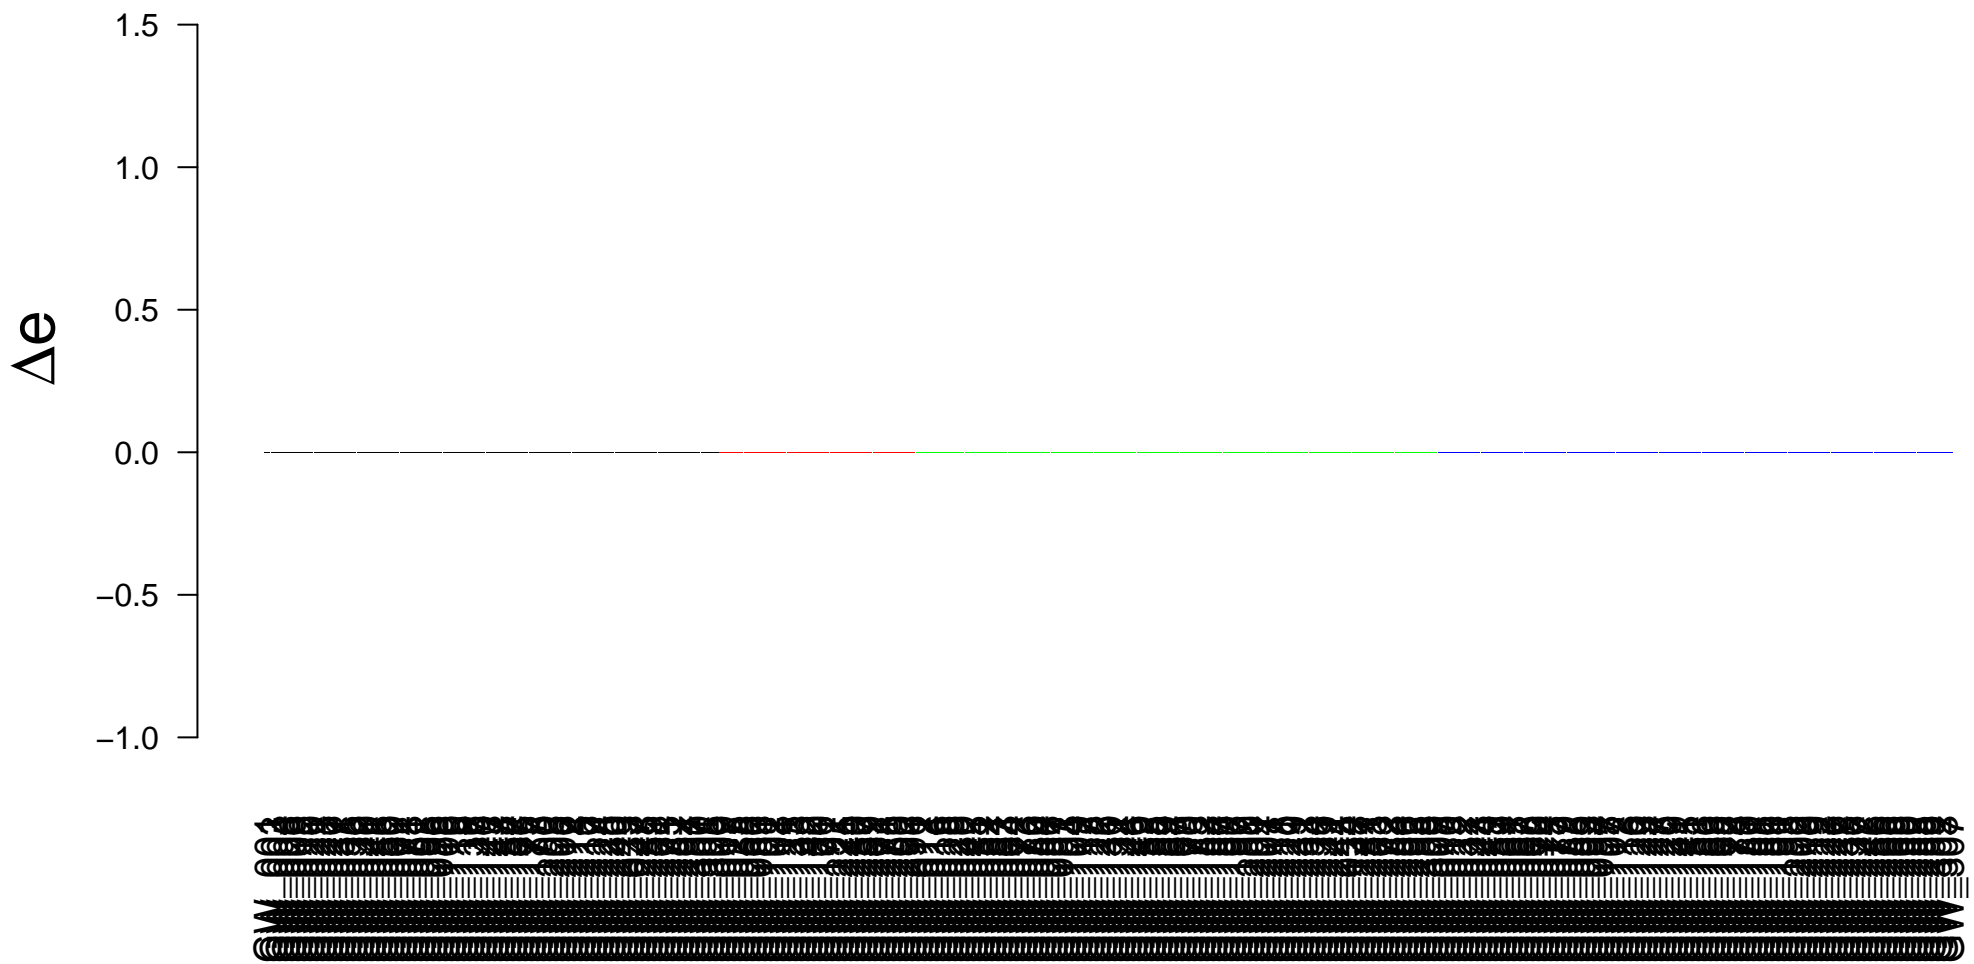

# Expression of regulation of cell size in Spot C

Expression of regulation of cell size in Spot D

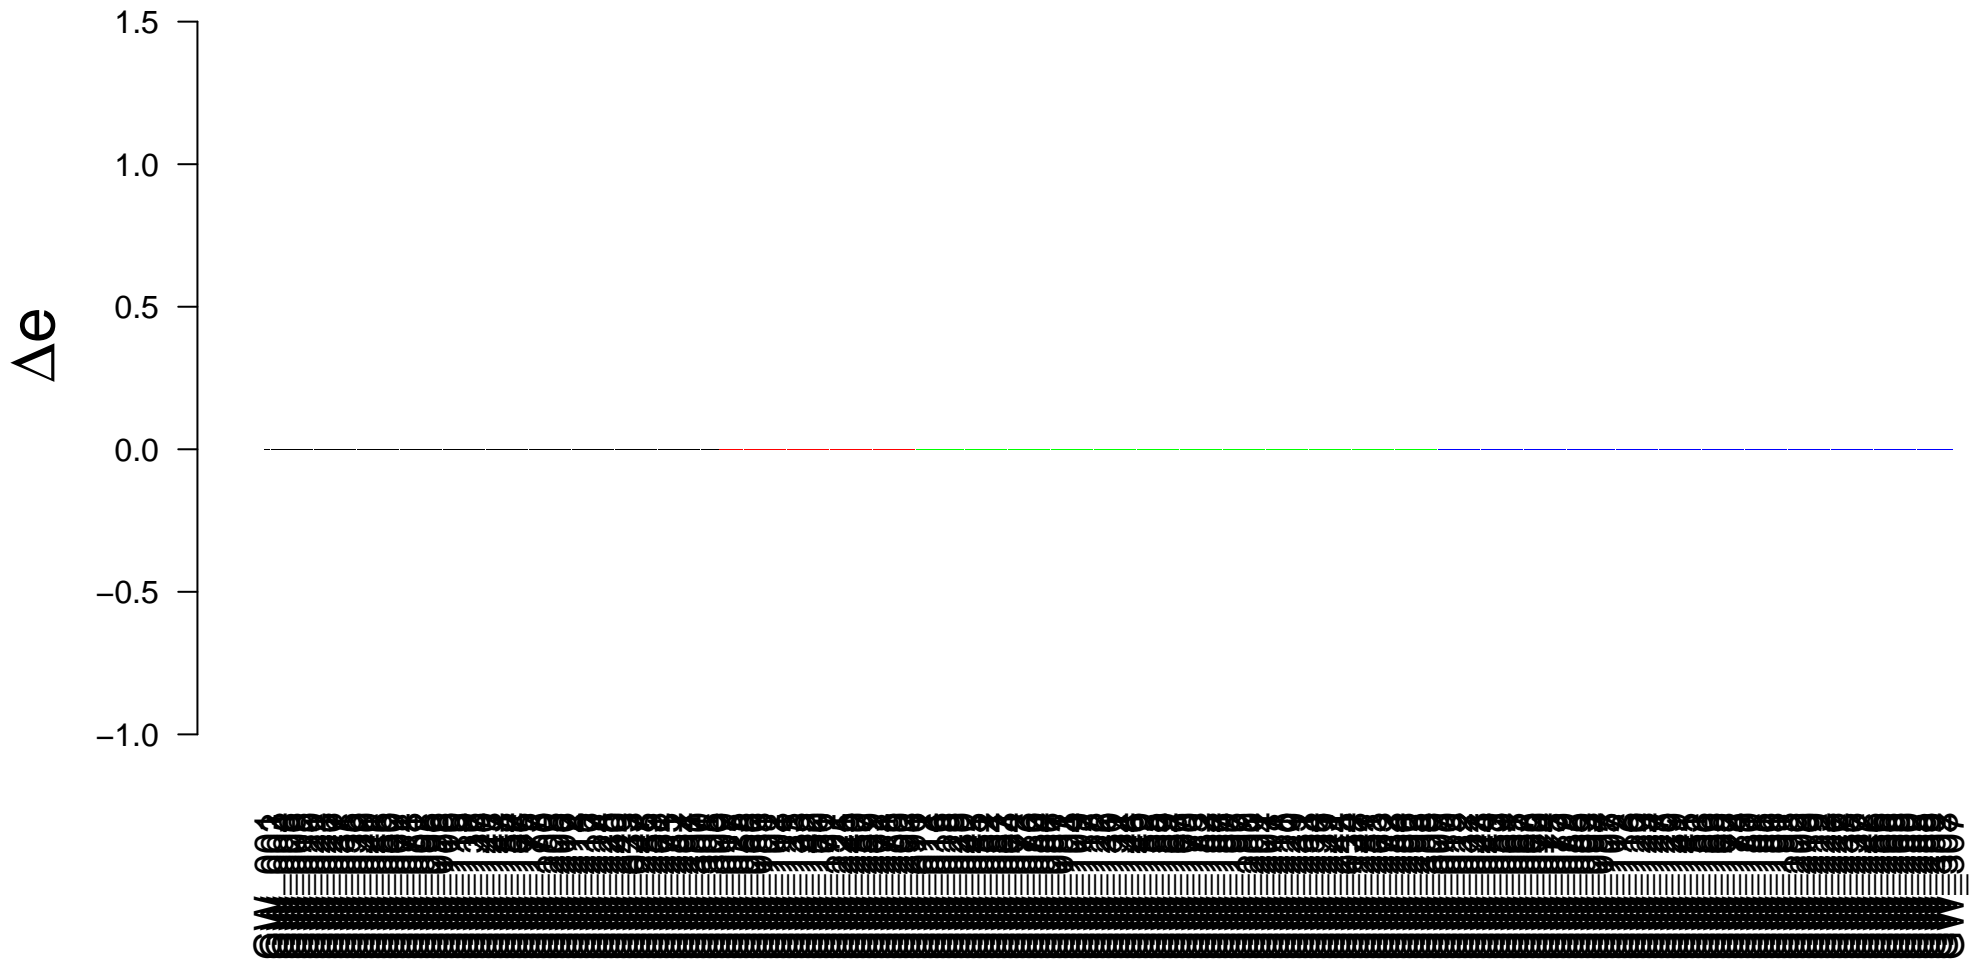

# Expression of regulation of cell size in Spot E

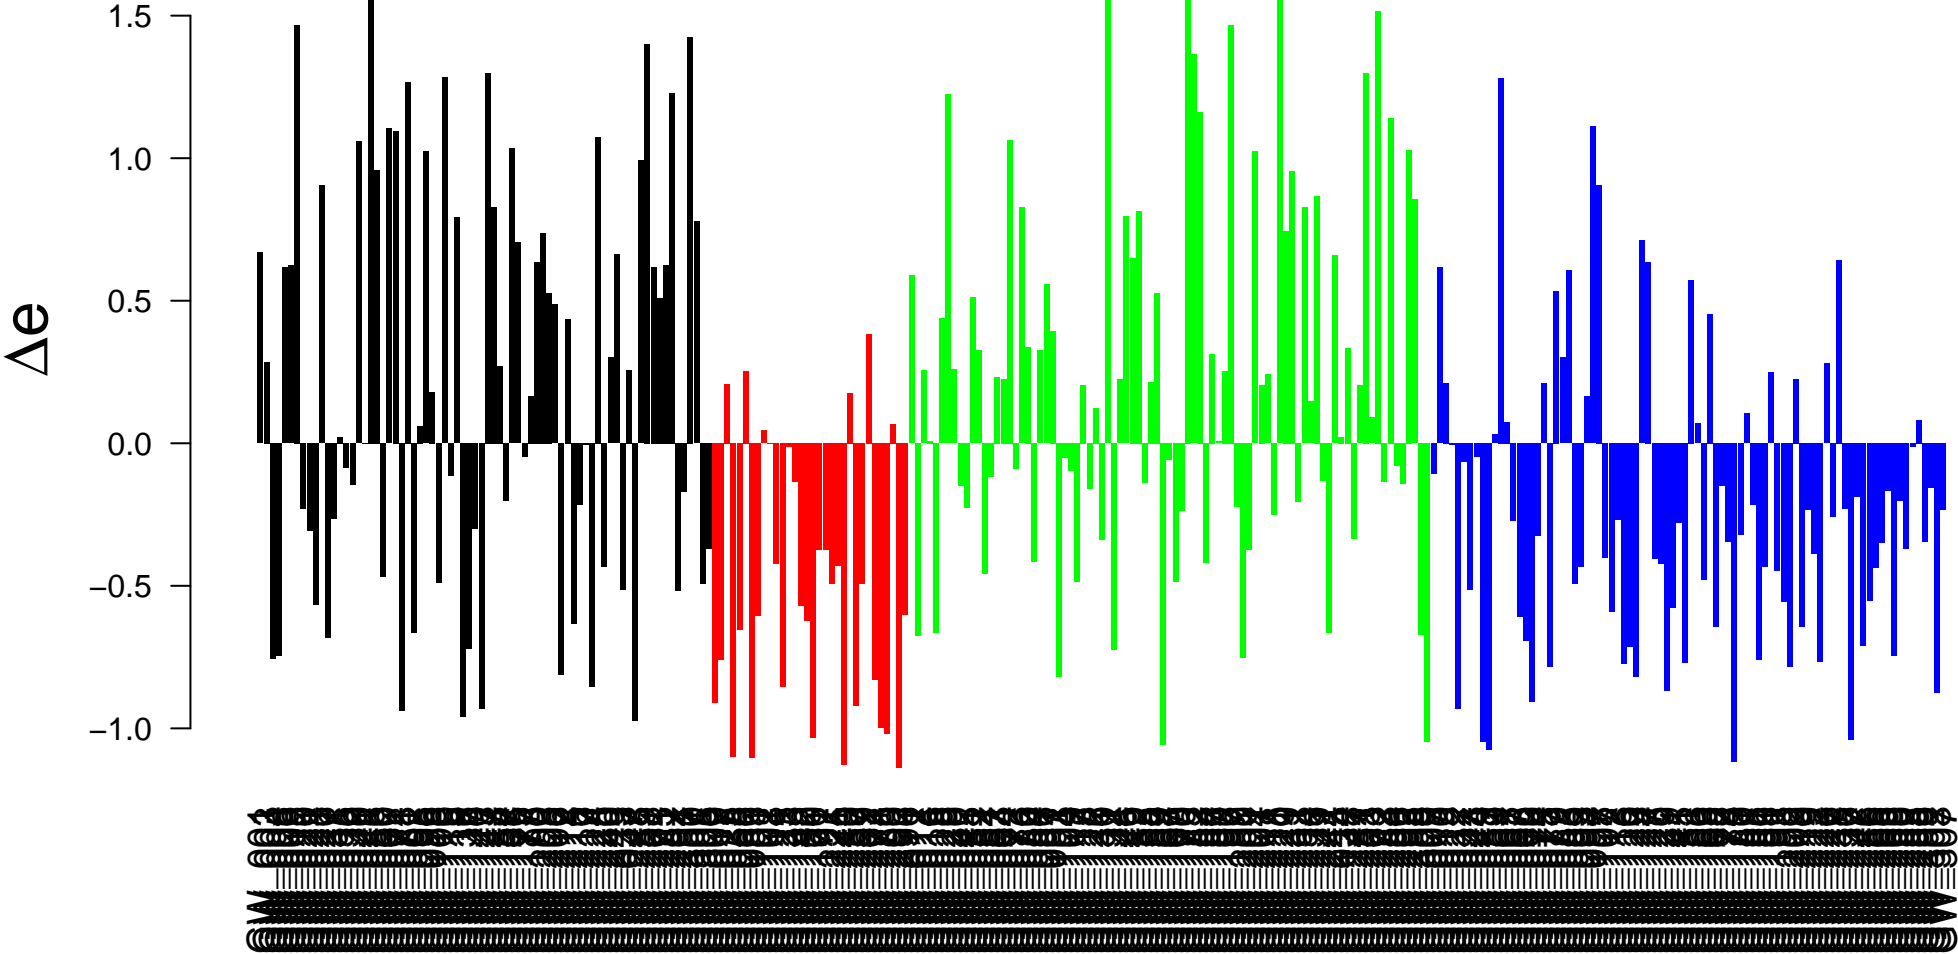

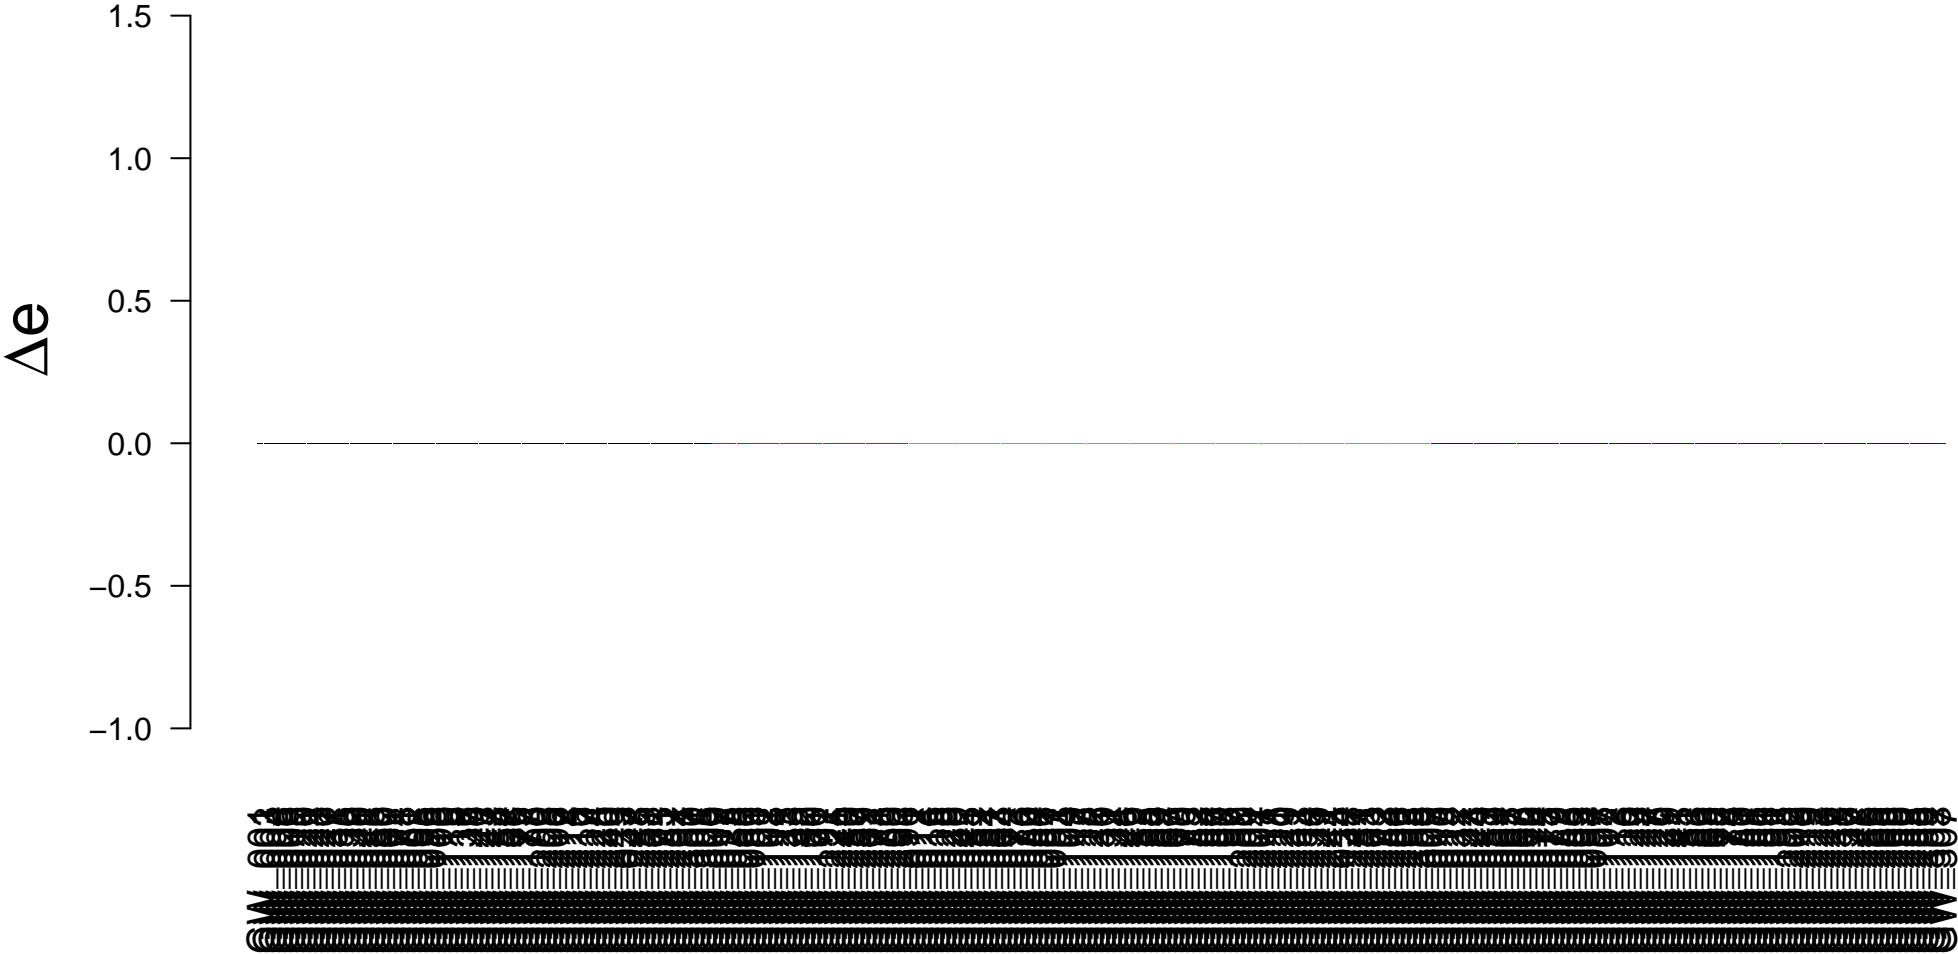

# Expression of regulation of cell size in Spot F

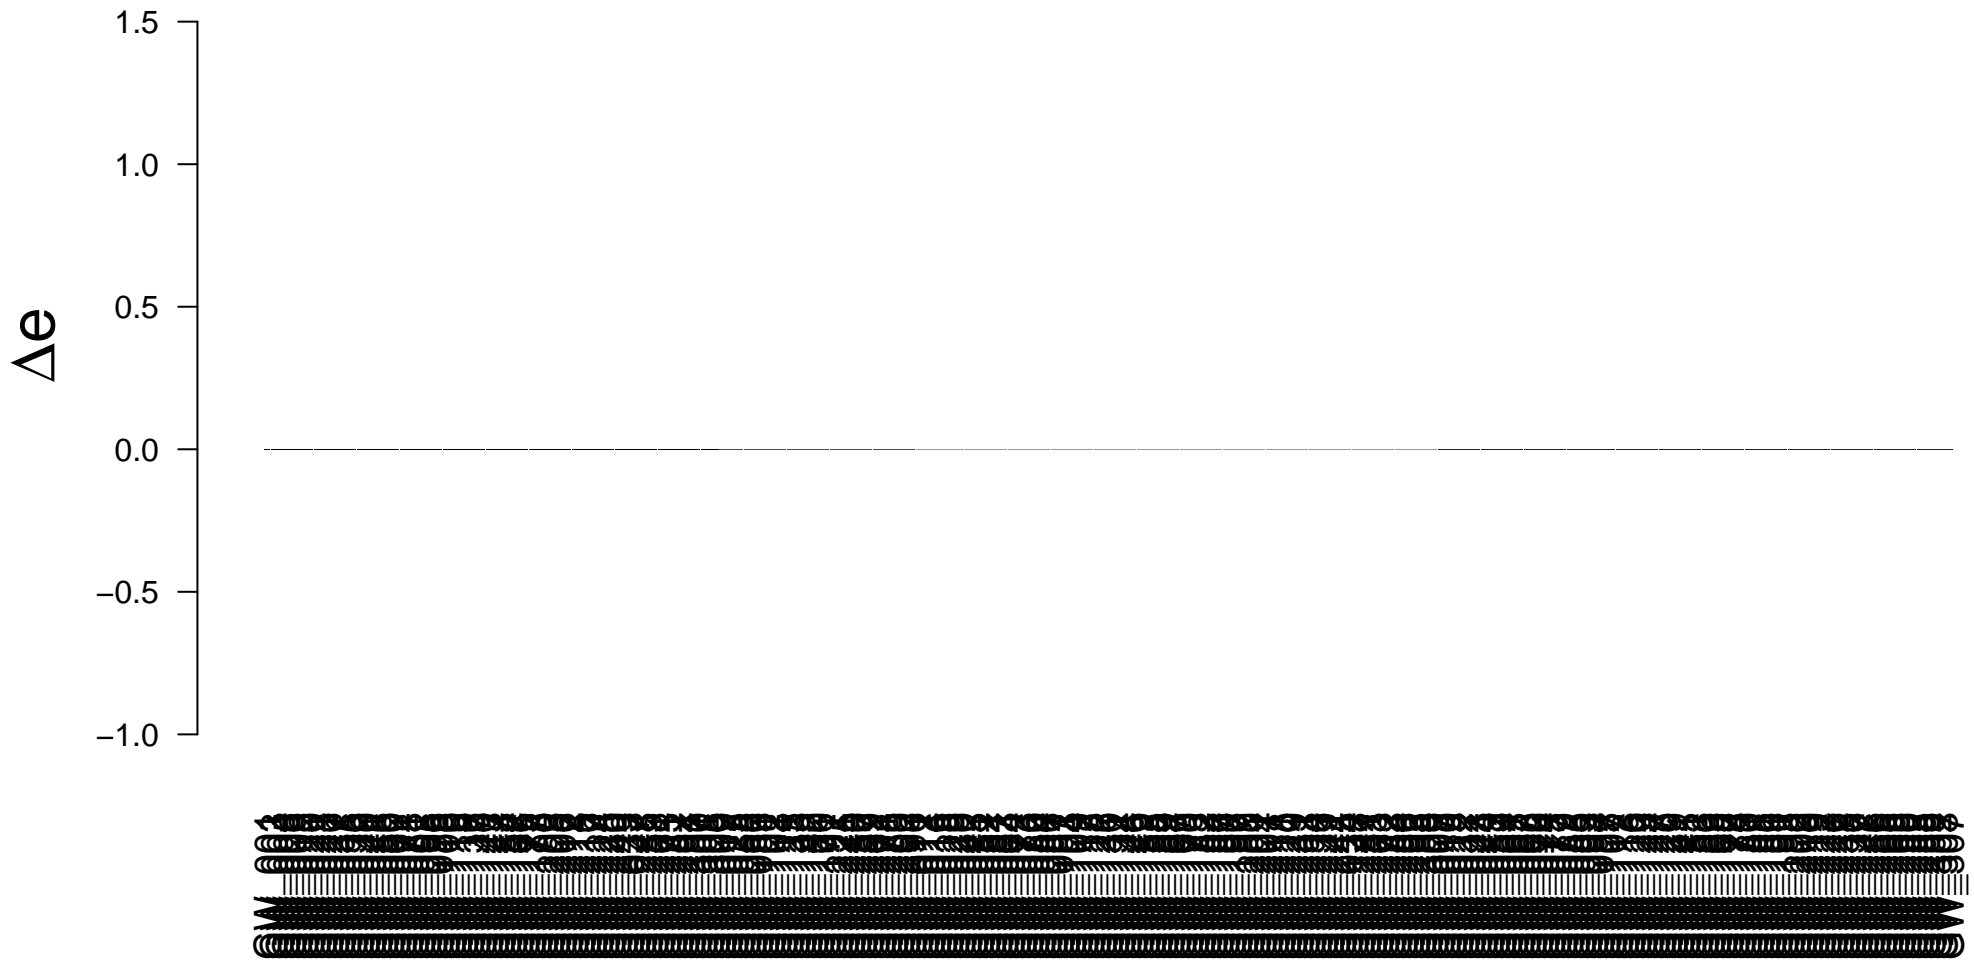

Expression of regulation of cell size in Spot G

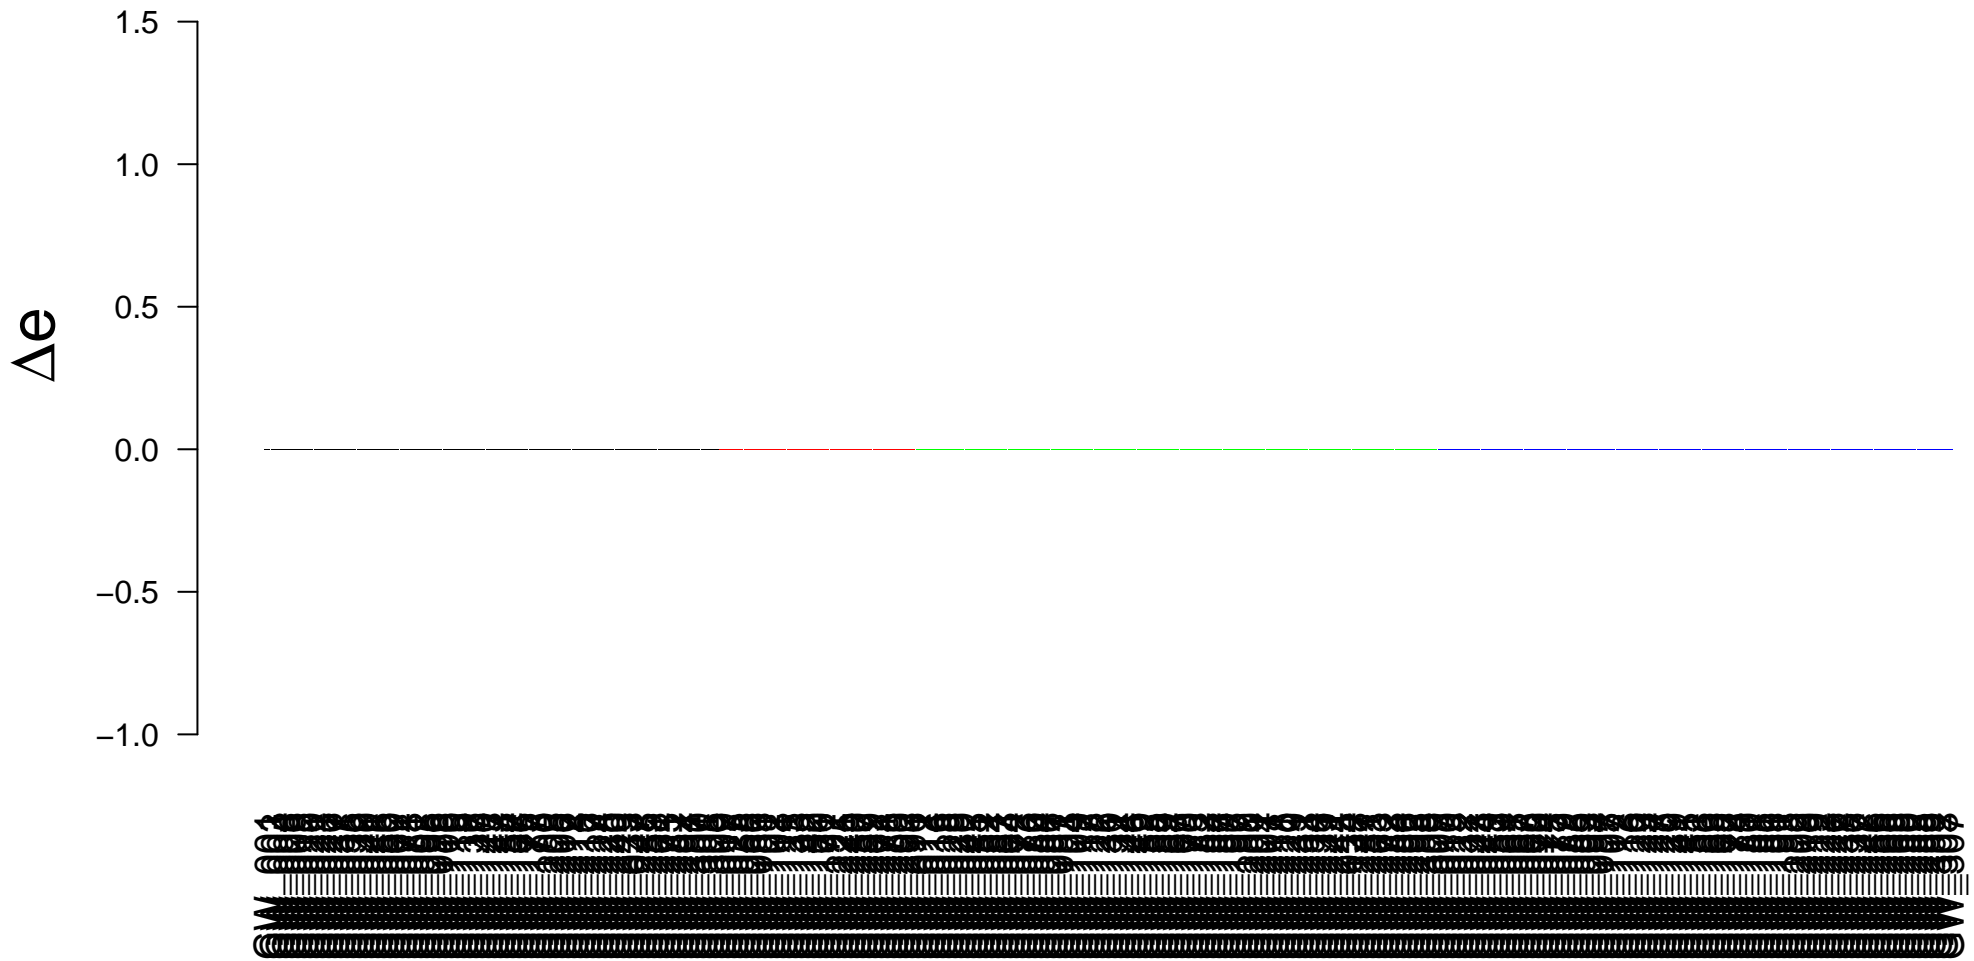

Expression of regulation of cell size in Spot H

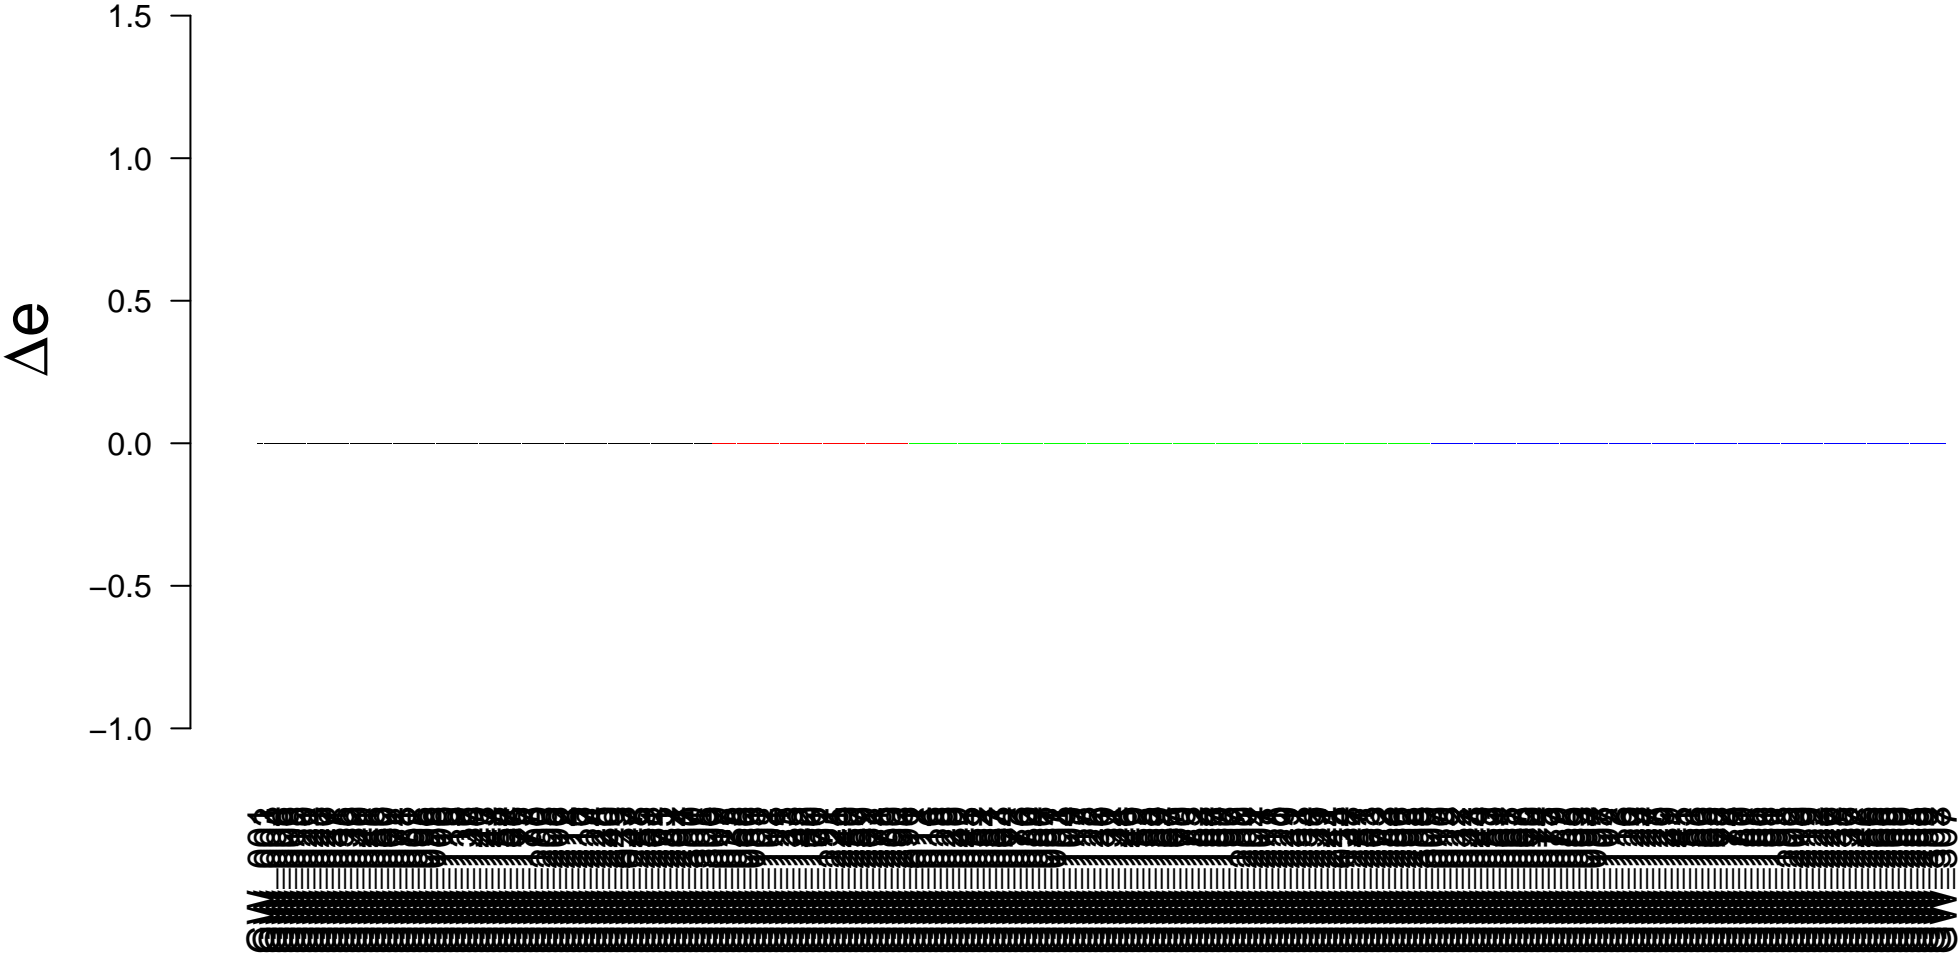

# Expression of regulation of cell size in Spot I

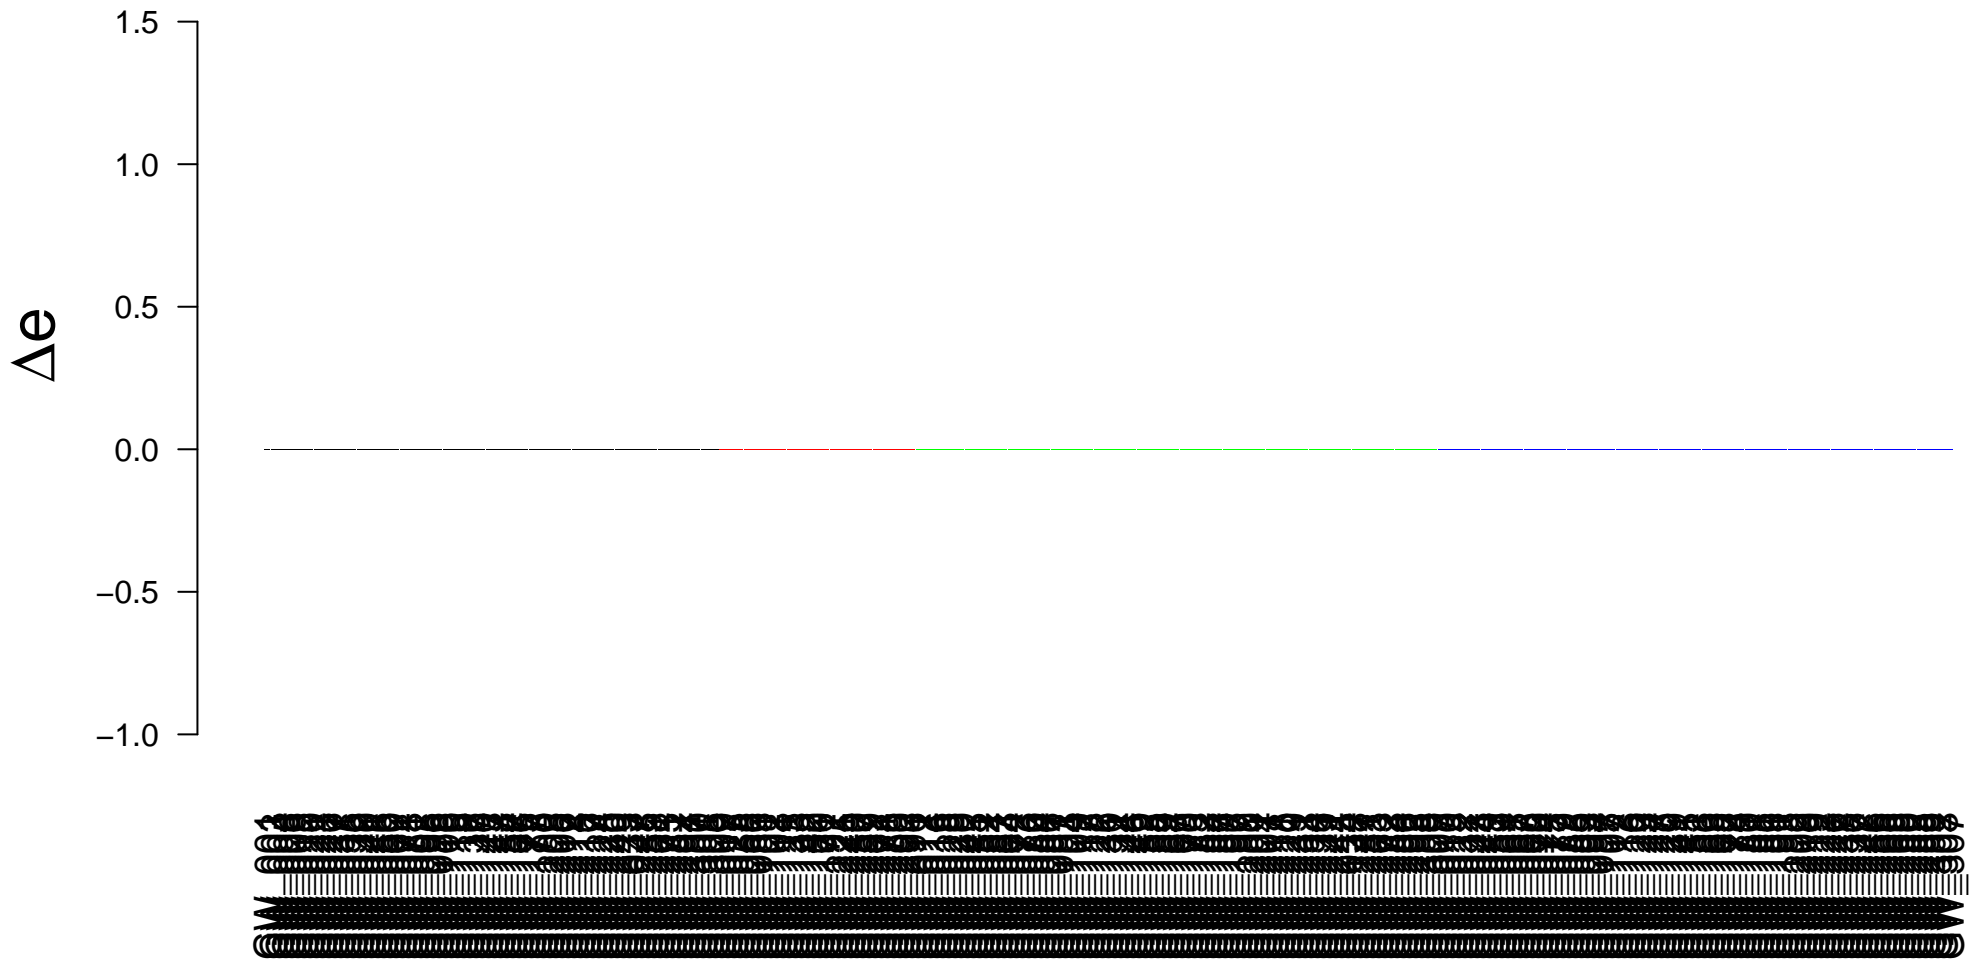

# Expression of regulation of cell size in Spot J

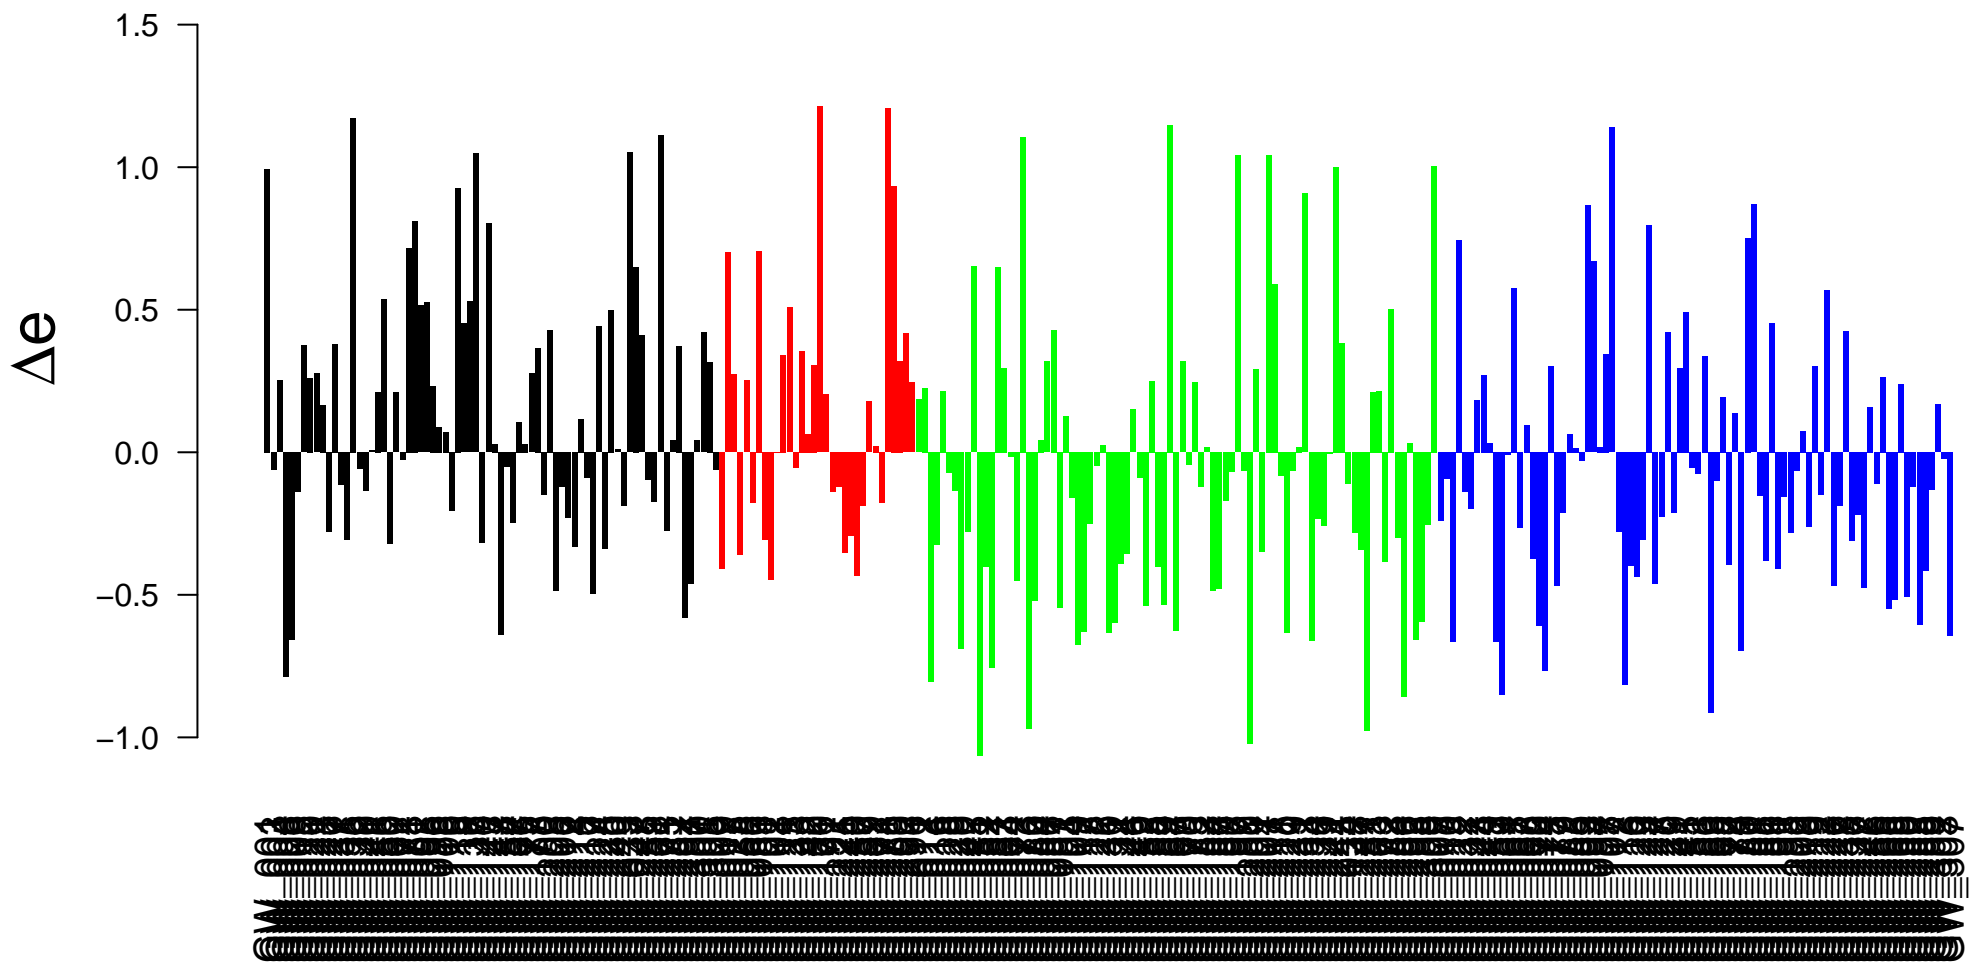

Expression of regulation of cell size in Spot K

# Expression of regulation of cell size in Spot L

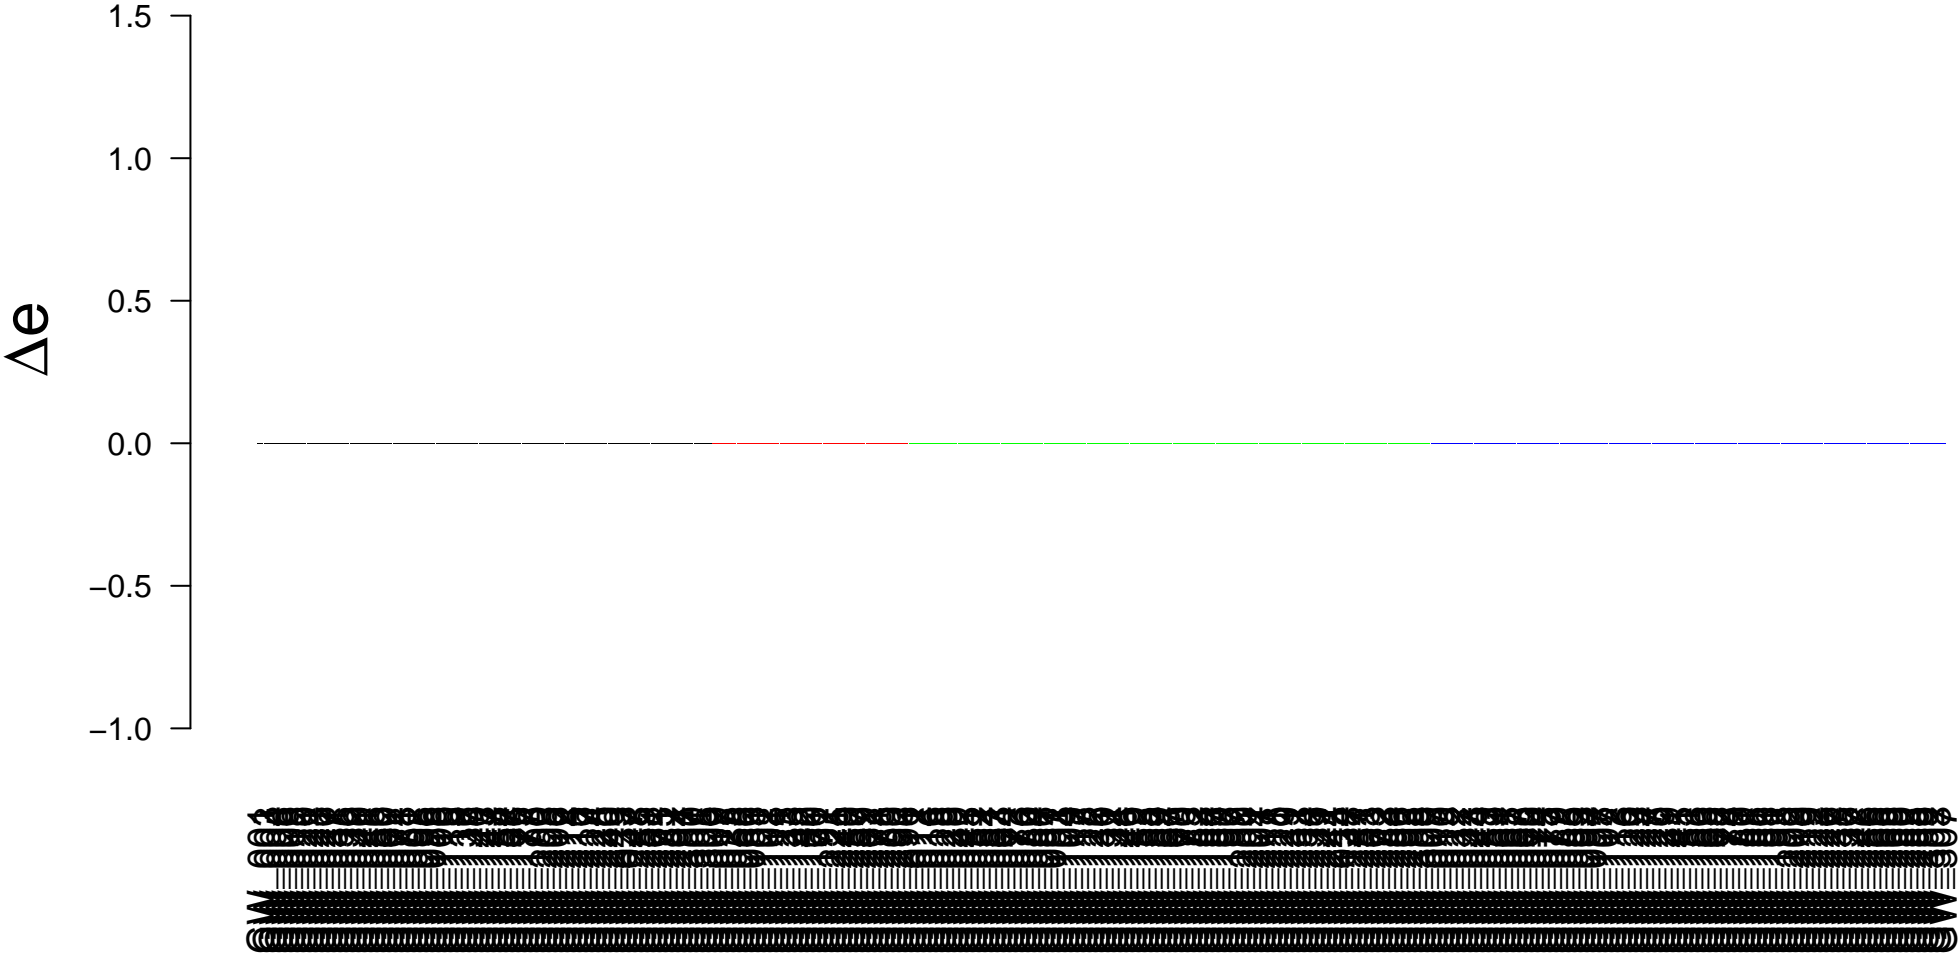

# Expression of regulation of cell size in Spot M

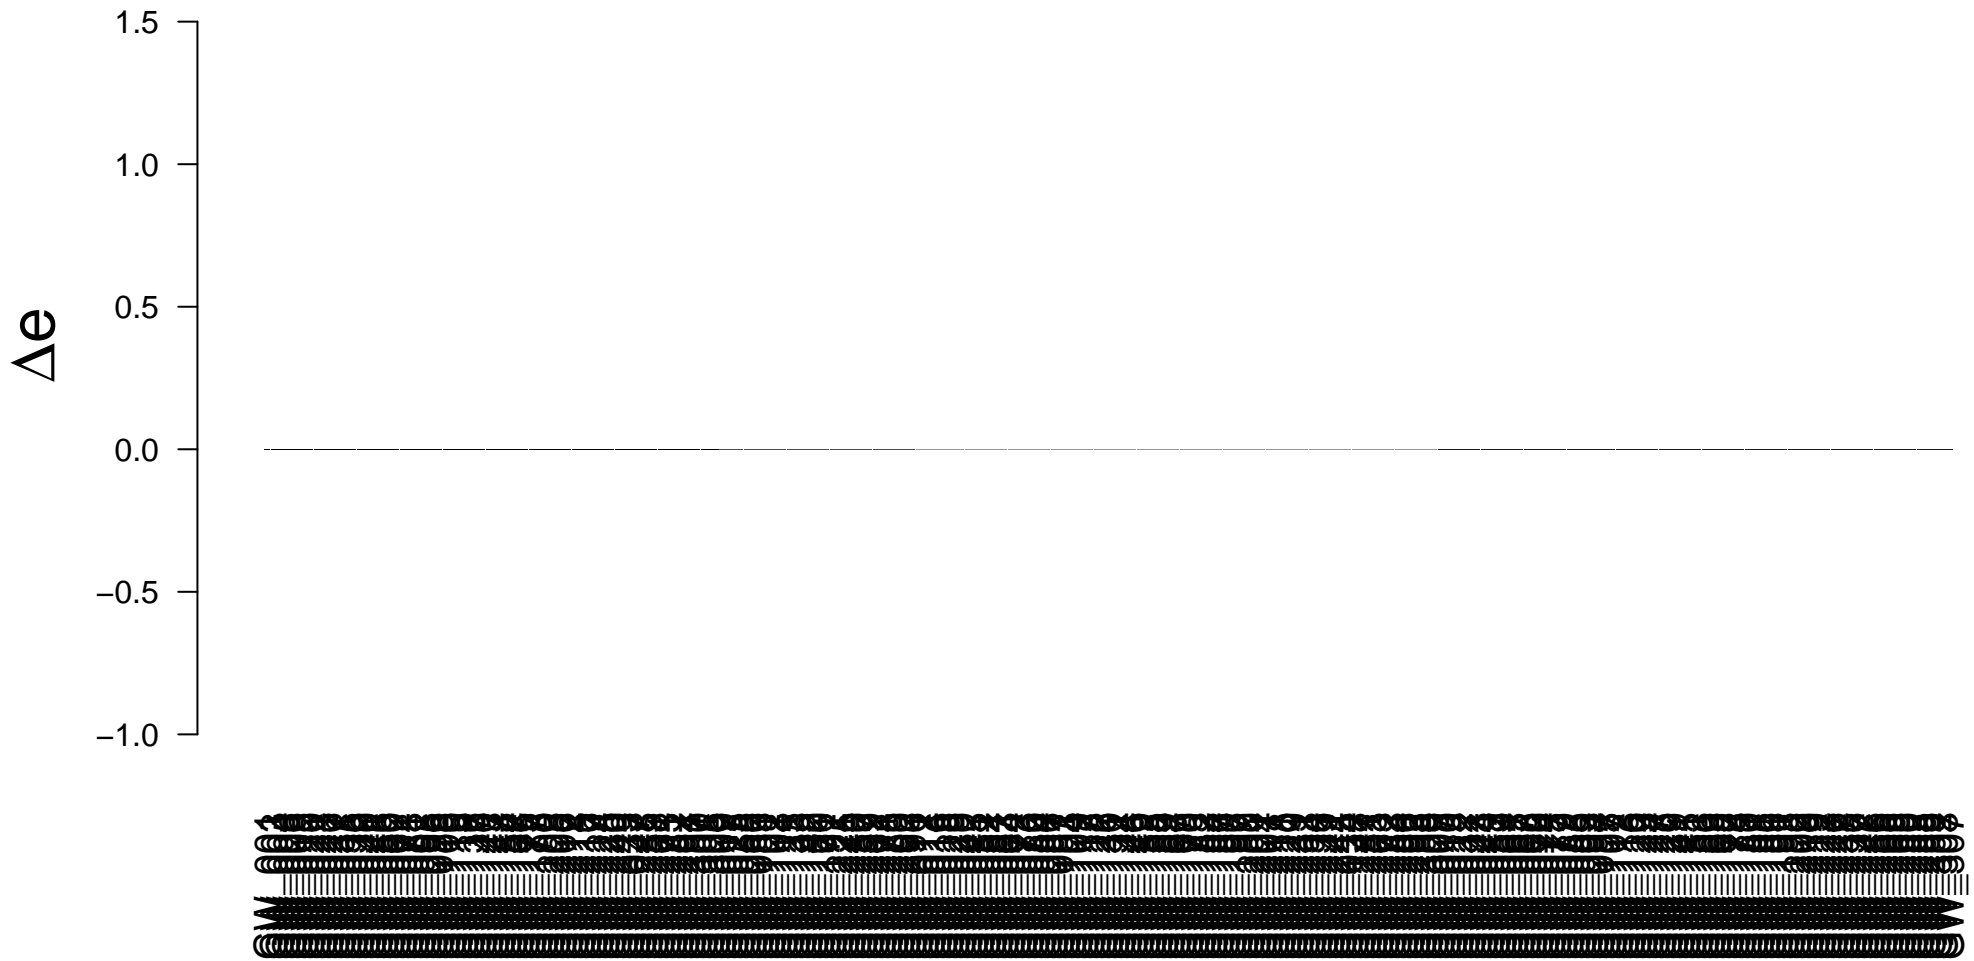

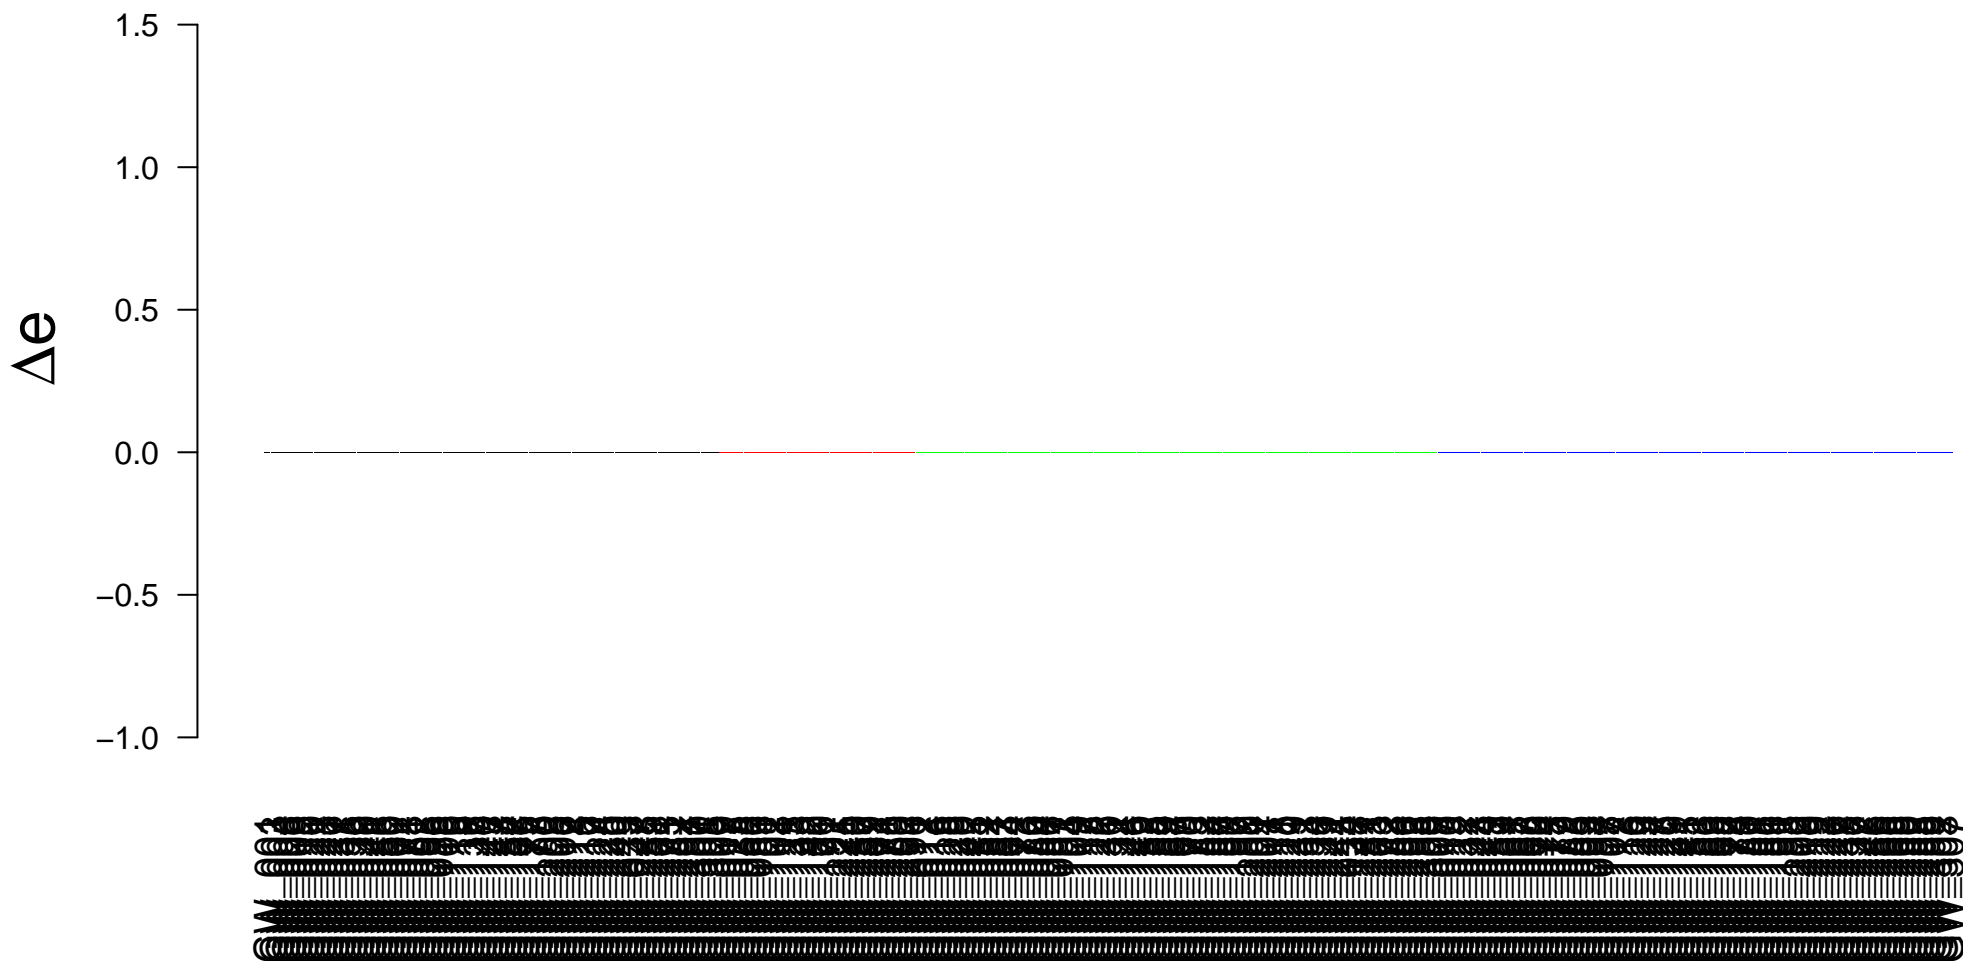

Expression of regulation of cell size in Spot N

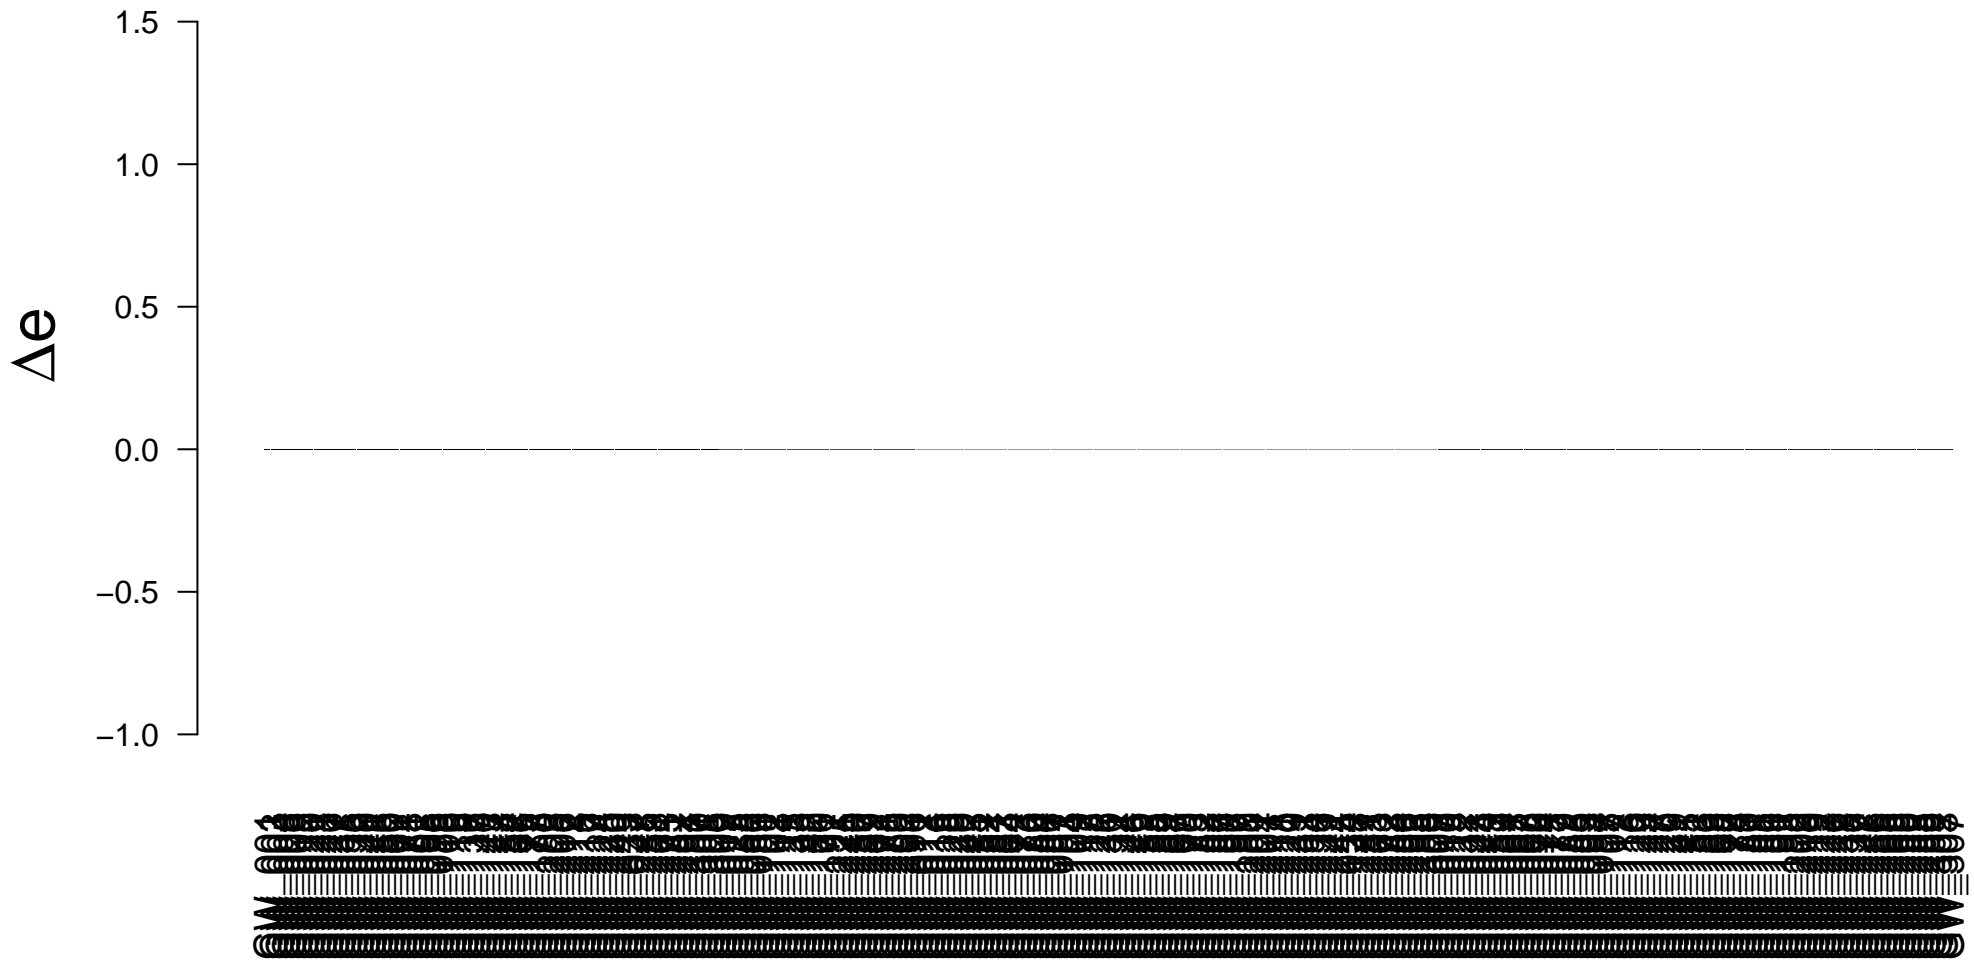

# Expression of regulation of cell size in Spot O

# Expression of regulation of cell size in Spot P

# Expression of regulation of cell size in Spot Q

# Expression of regulation of cell size in Spot R
