

# regulation of circadian rhythm

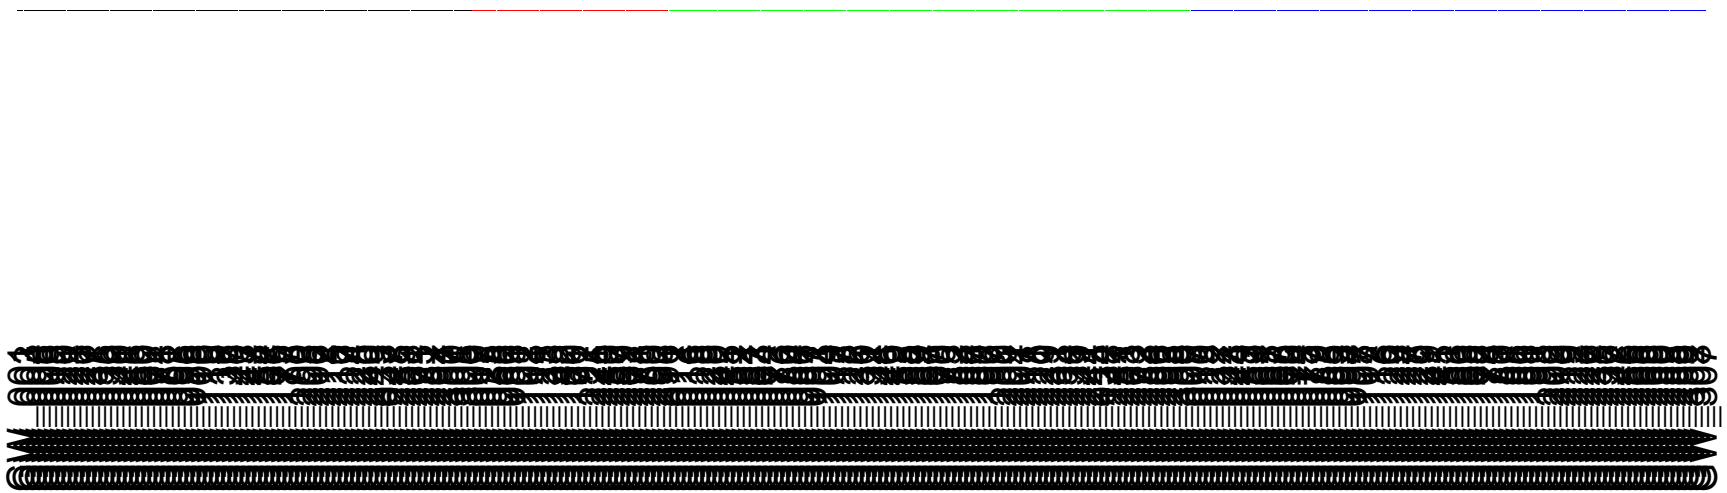

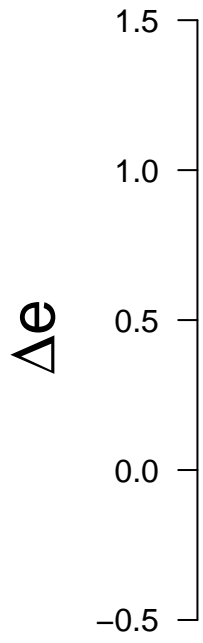

# regulation of circadian rhythm

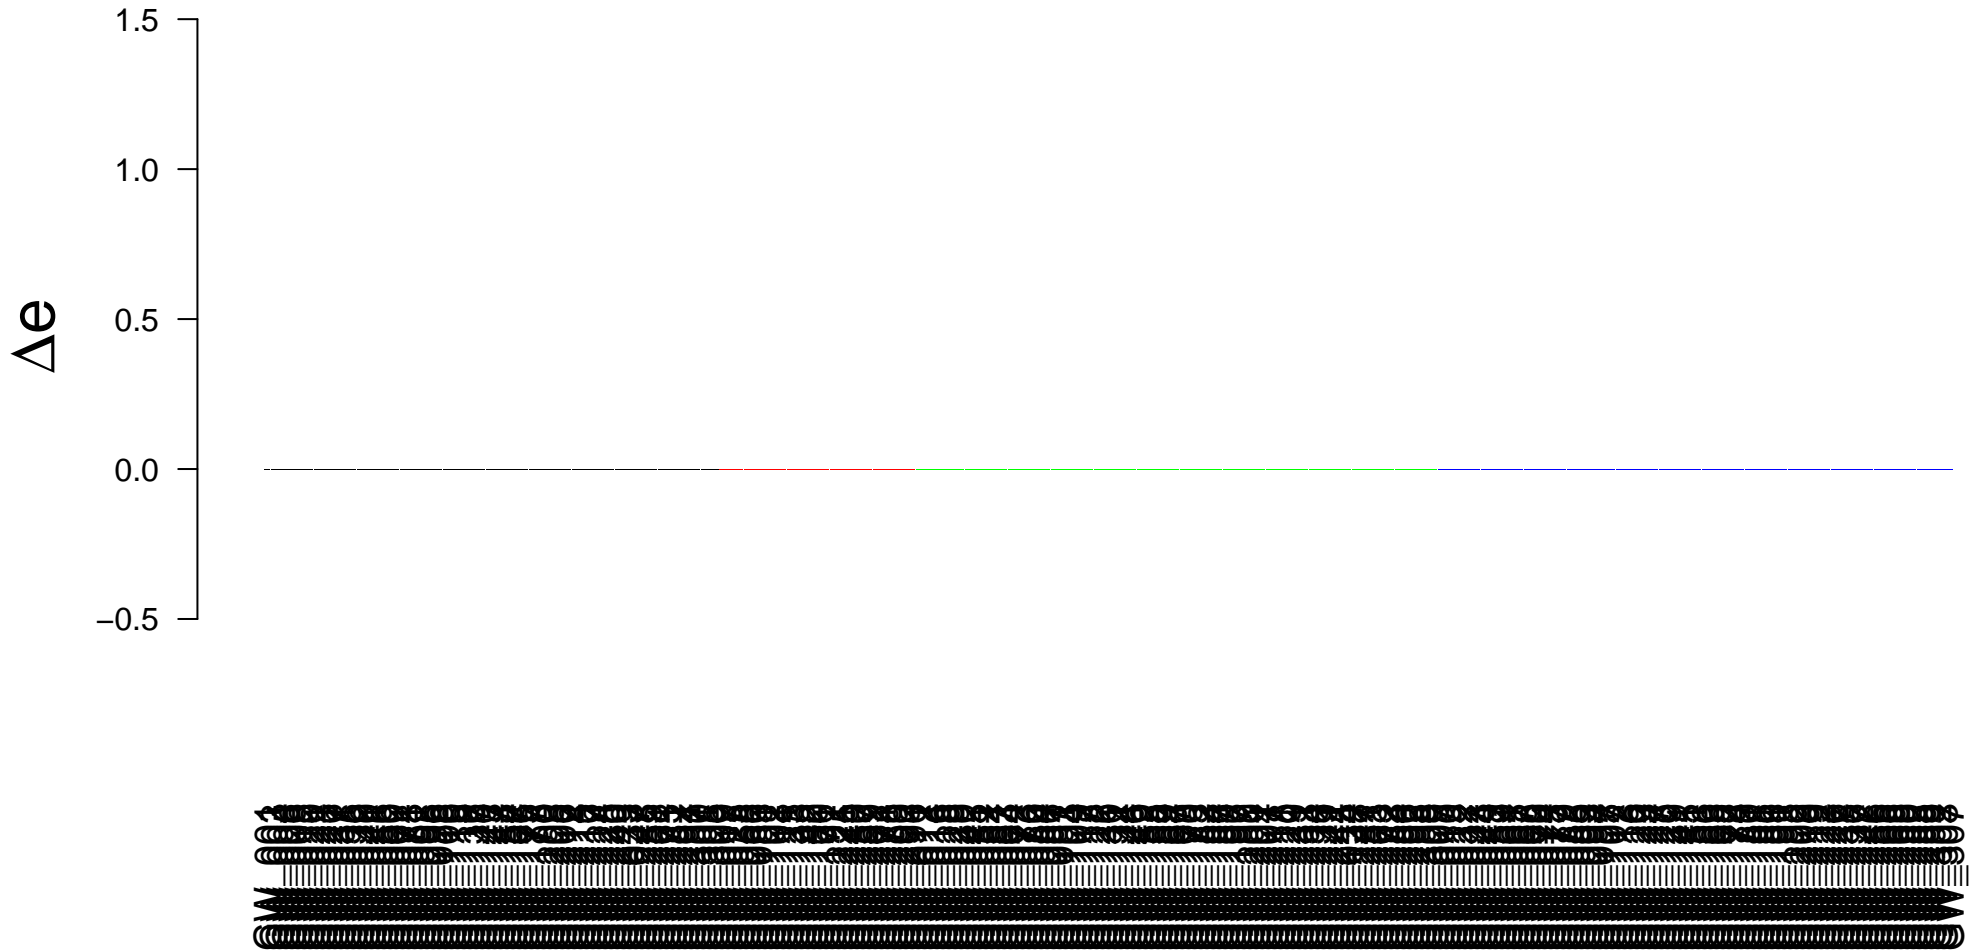

# Enrichment in spots: regulation of circadian rhythm

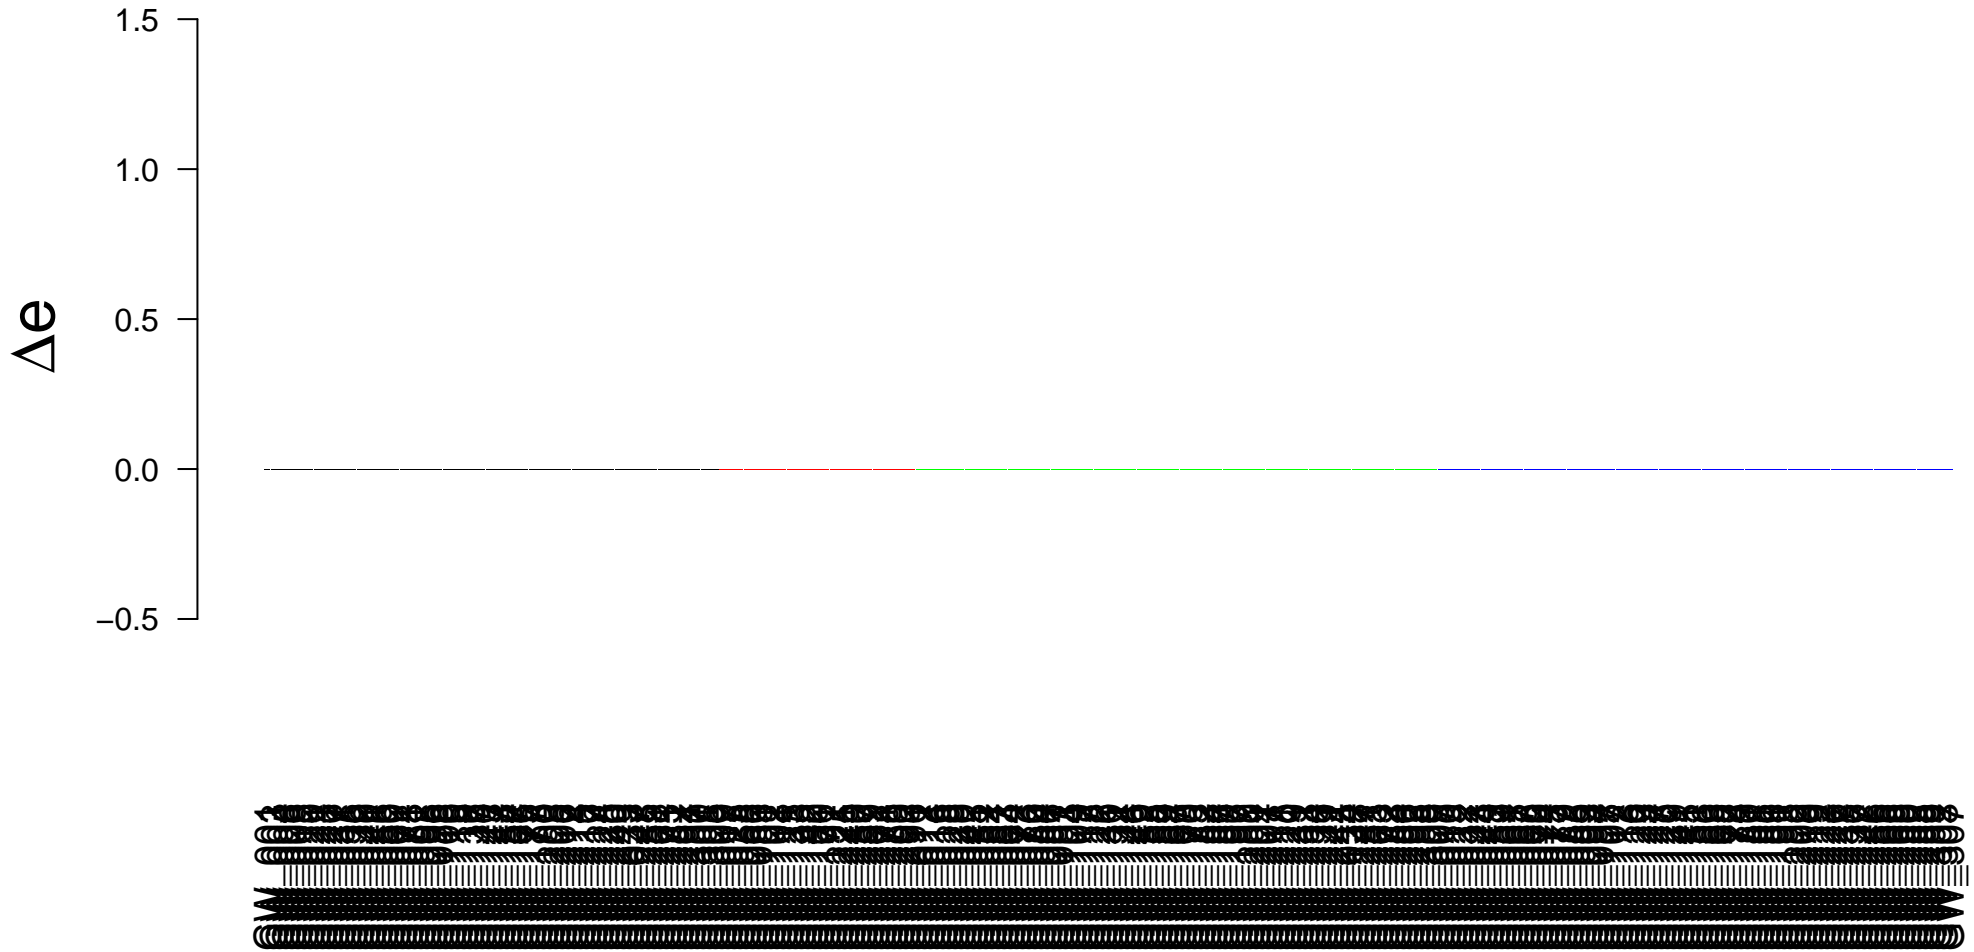

# Expression of regulation of circadian rhythm in Spot A

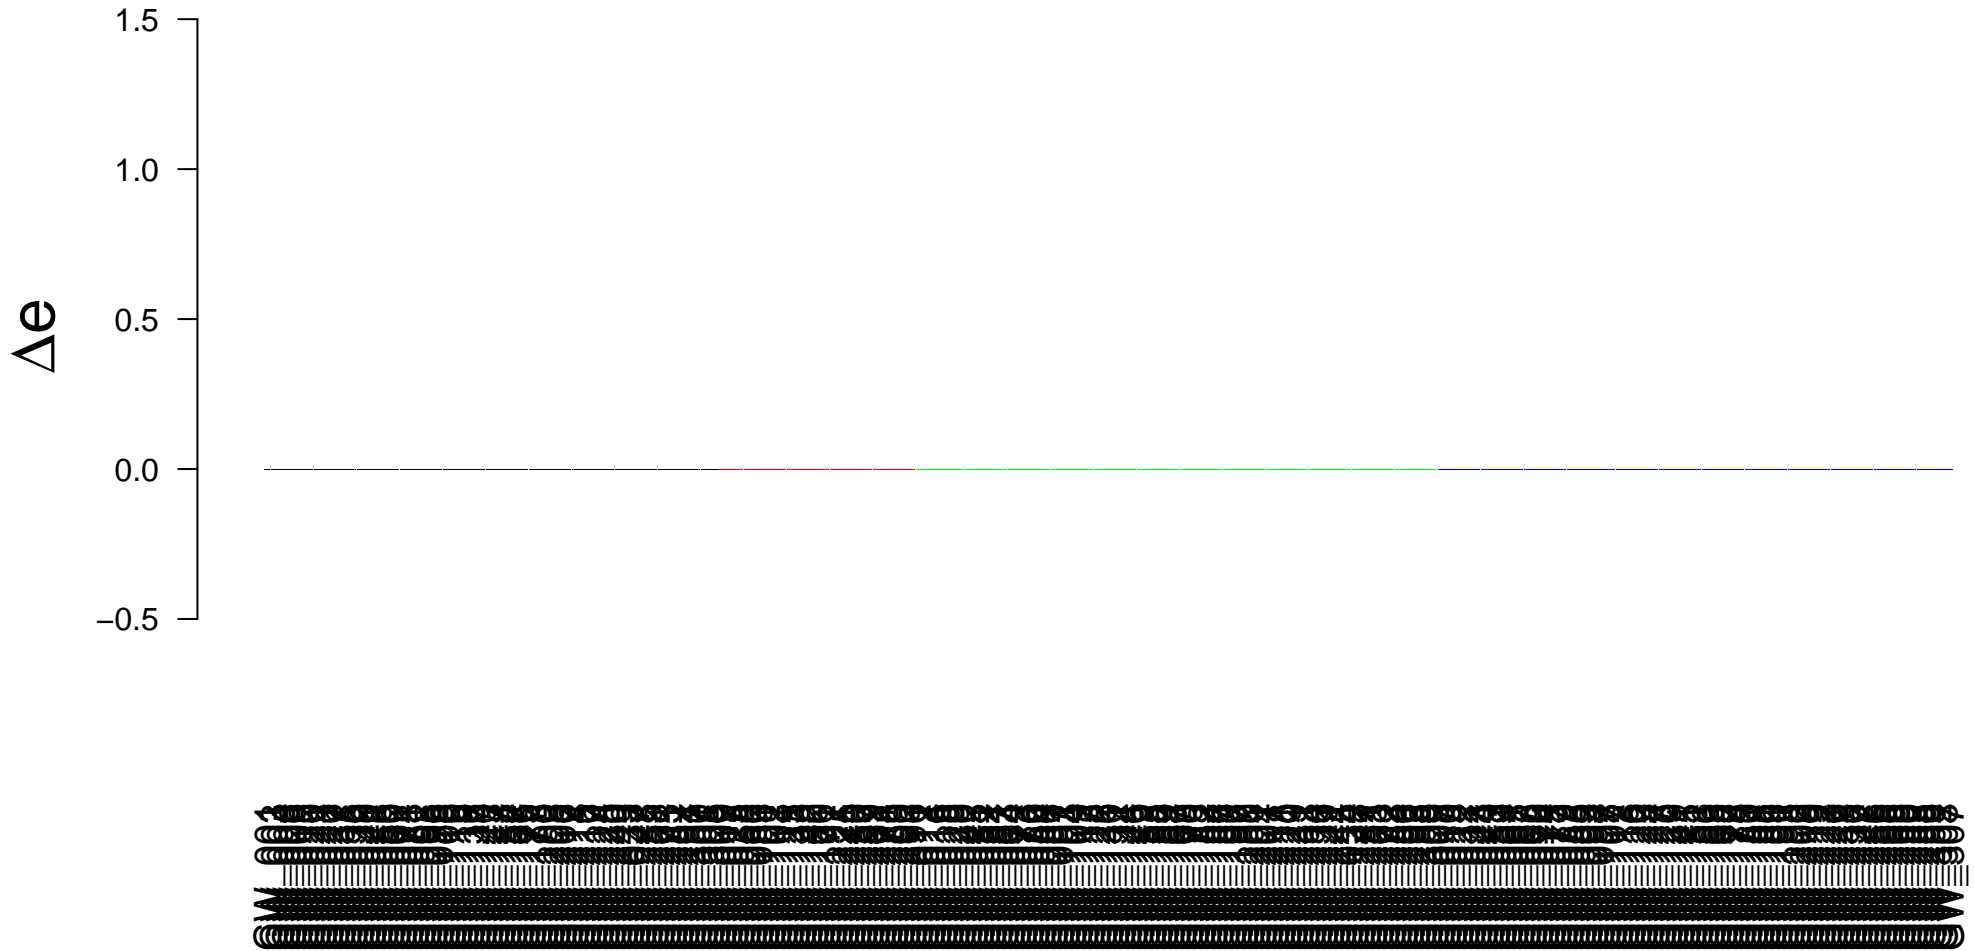

# Expression of regulation of circadian rhythm in Spot B

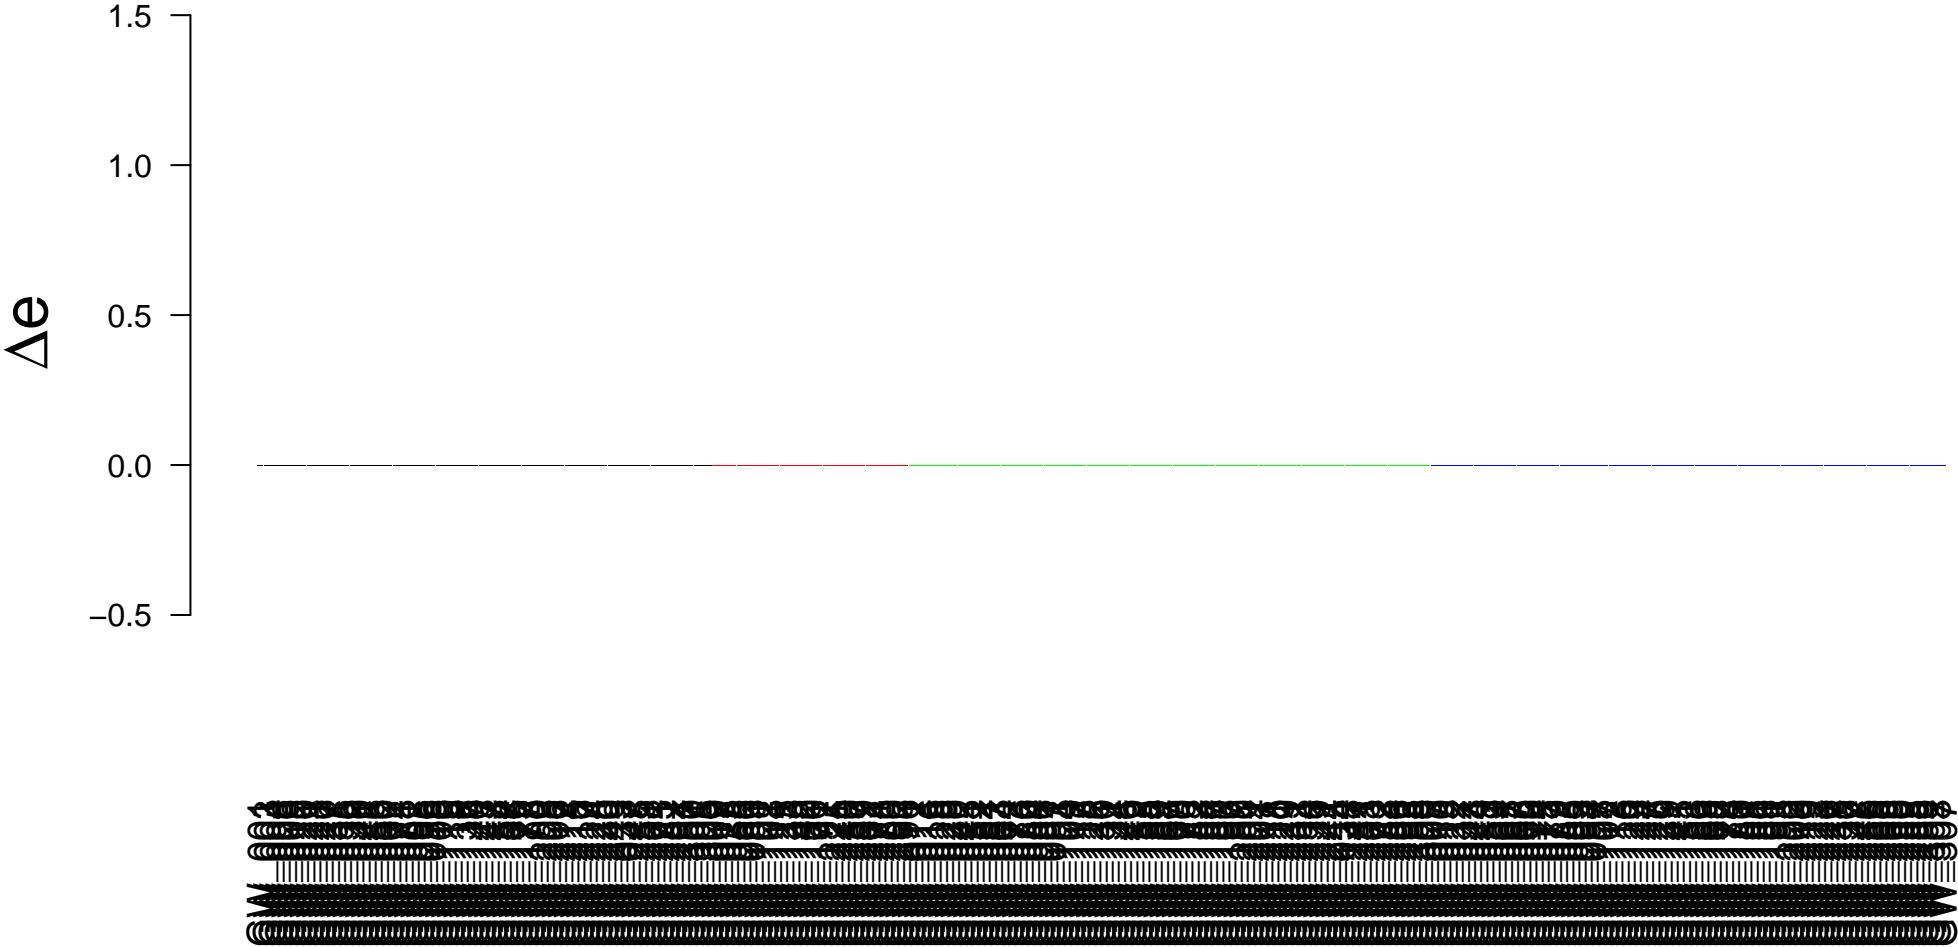

# Expression of regulation of circadian rhythm in Spot C

# Expression of regulation of circadian rhythm in Spot D

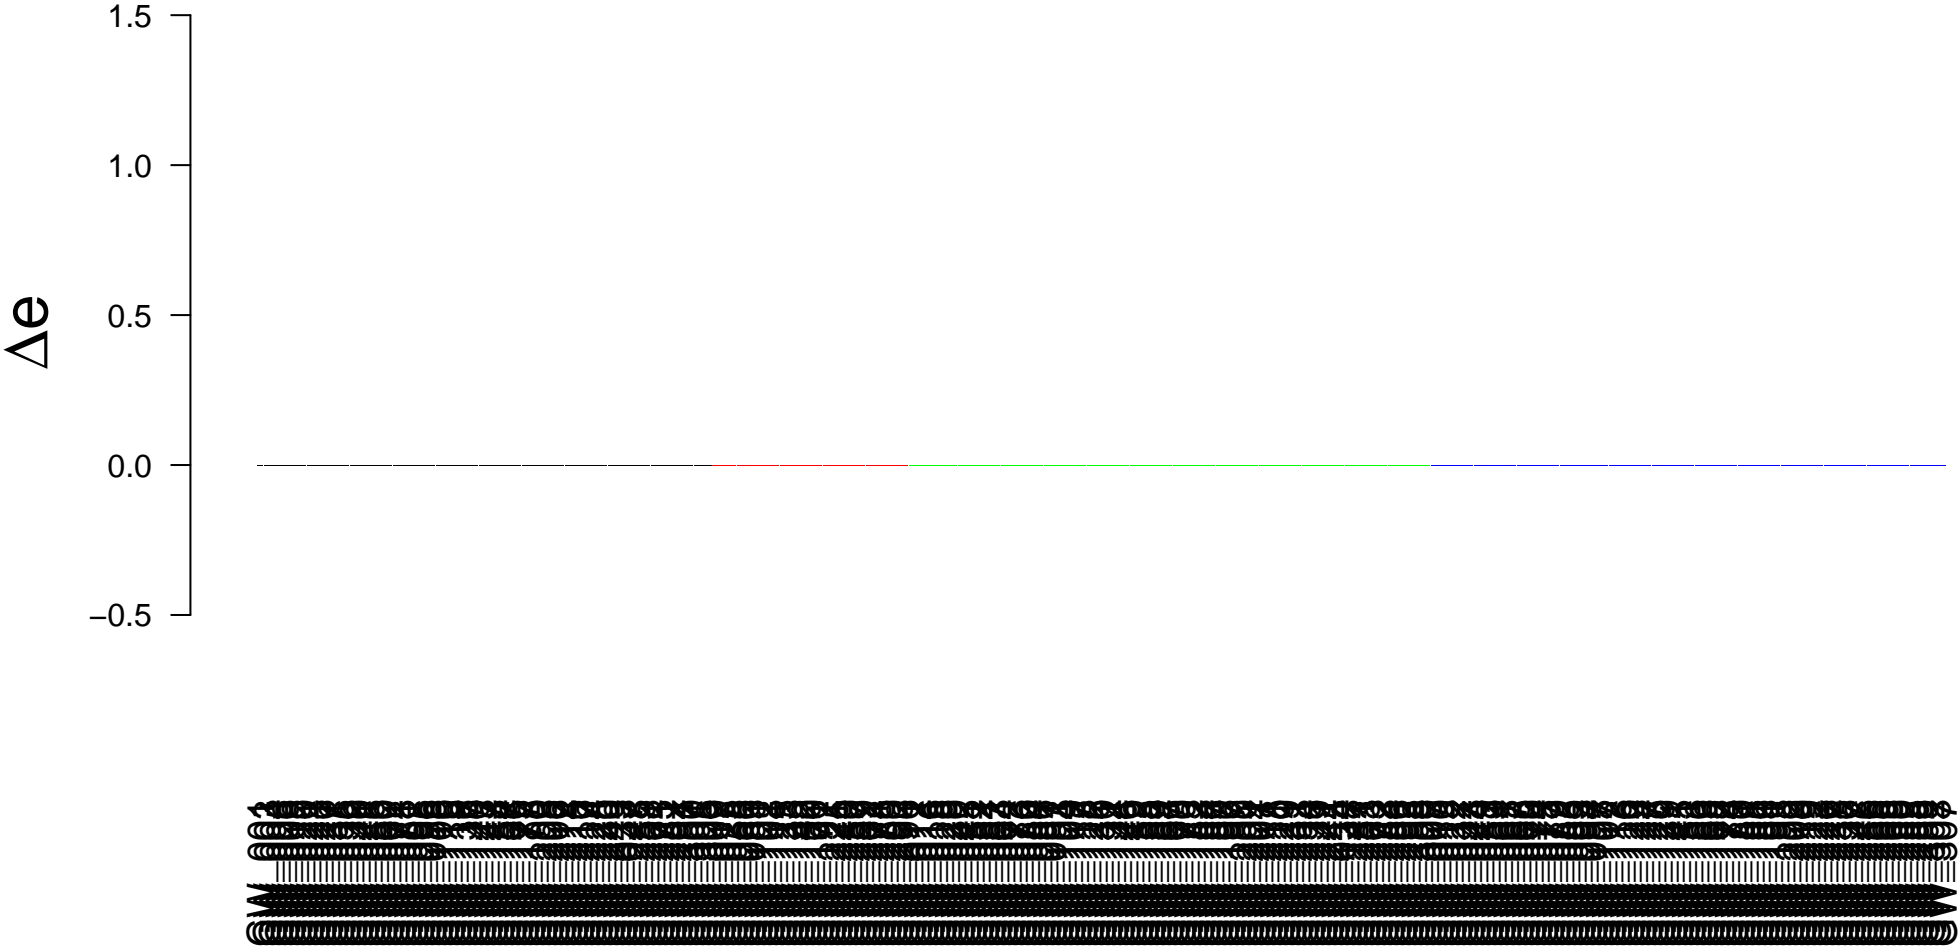

Expression of regulation of circadian rhythm in Spot E

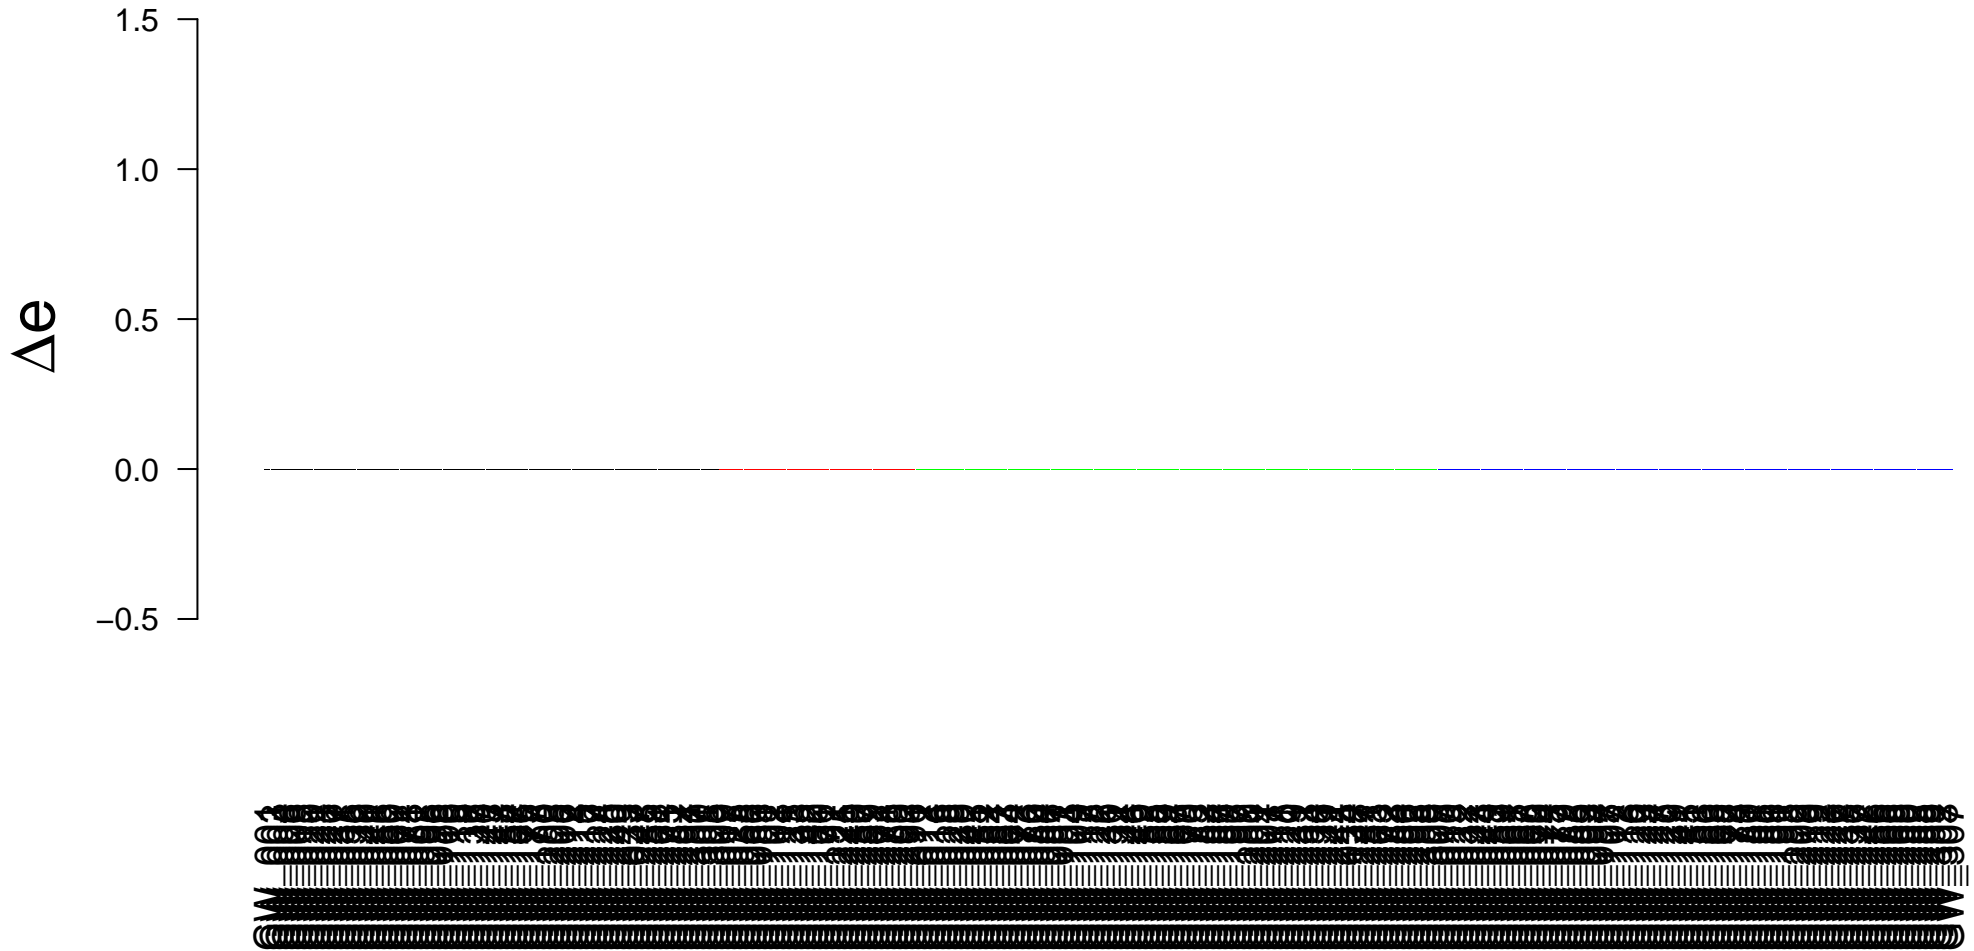

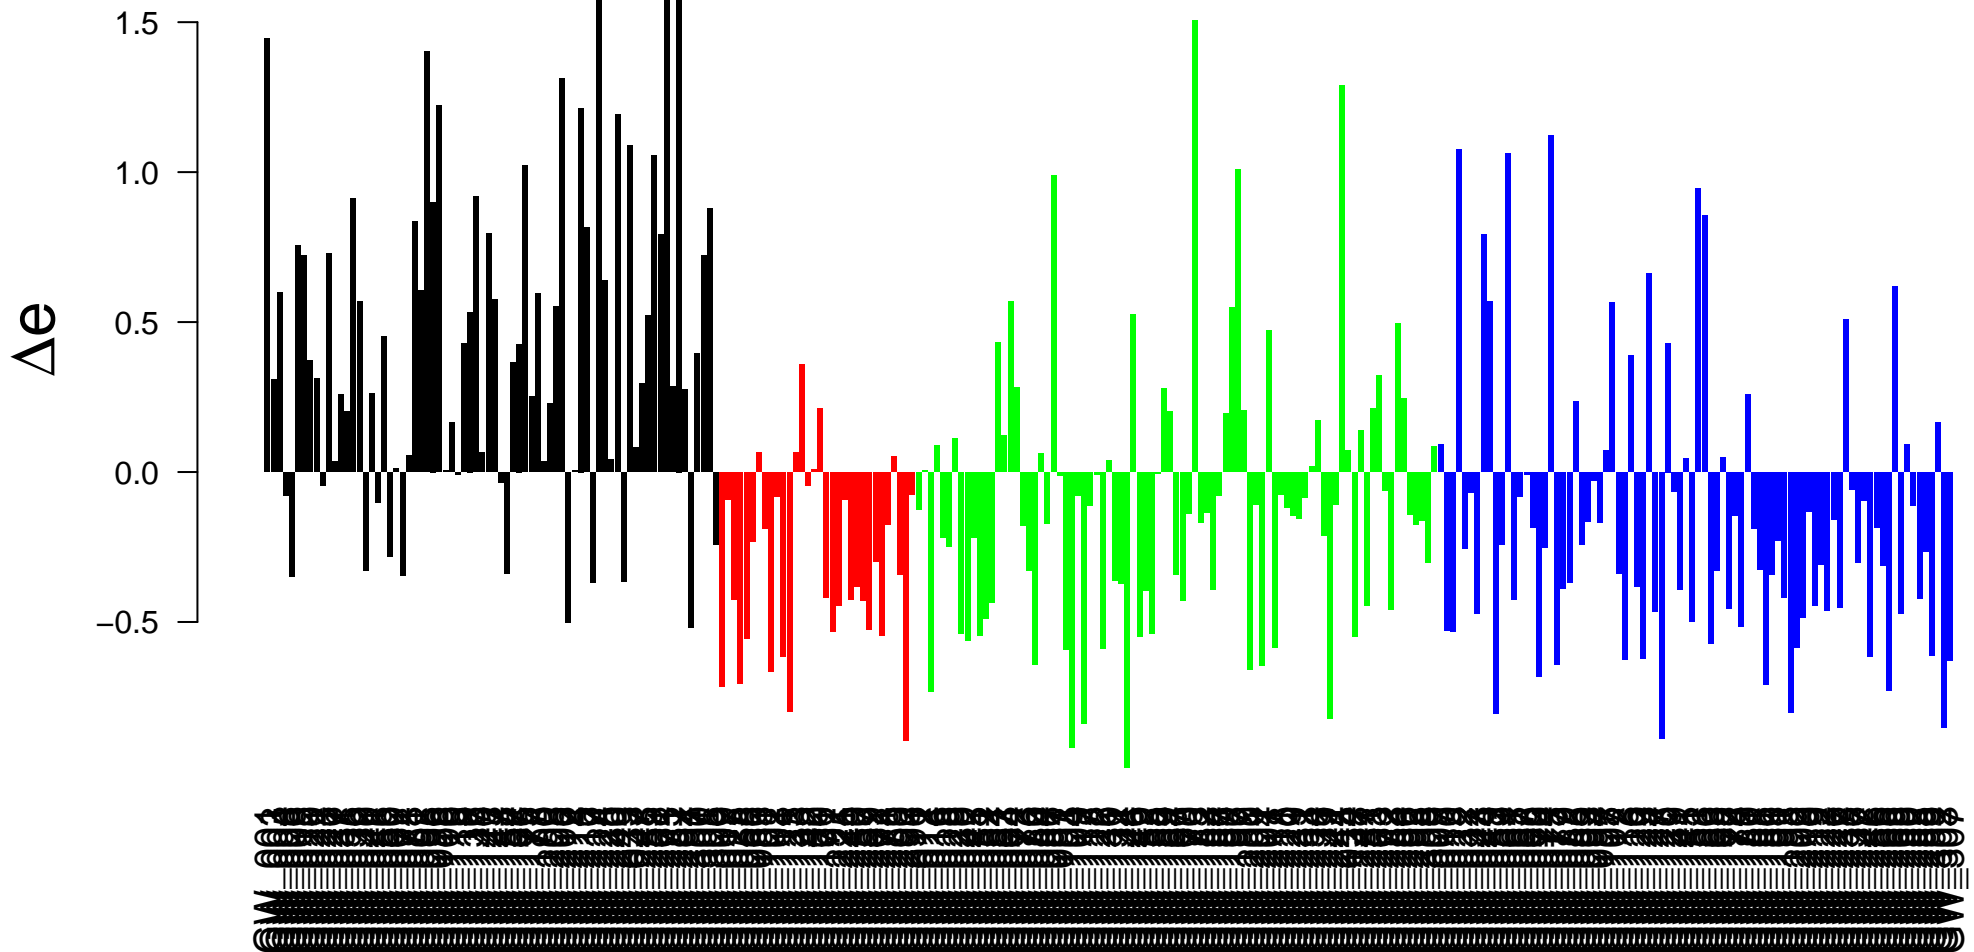

Expression of regulation of circadian rhythm in Spot F

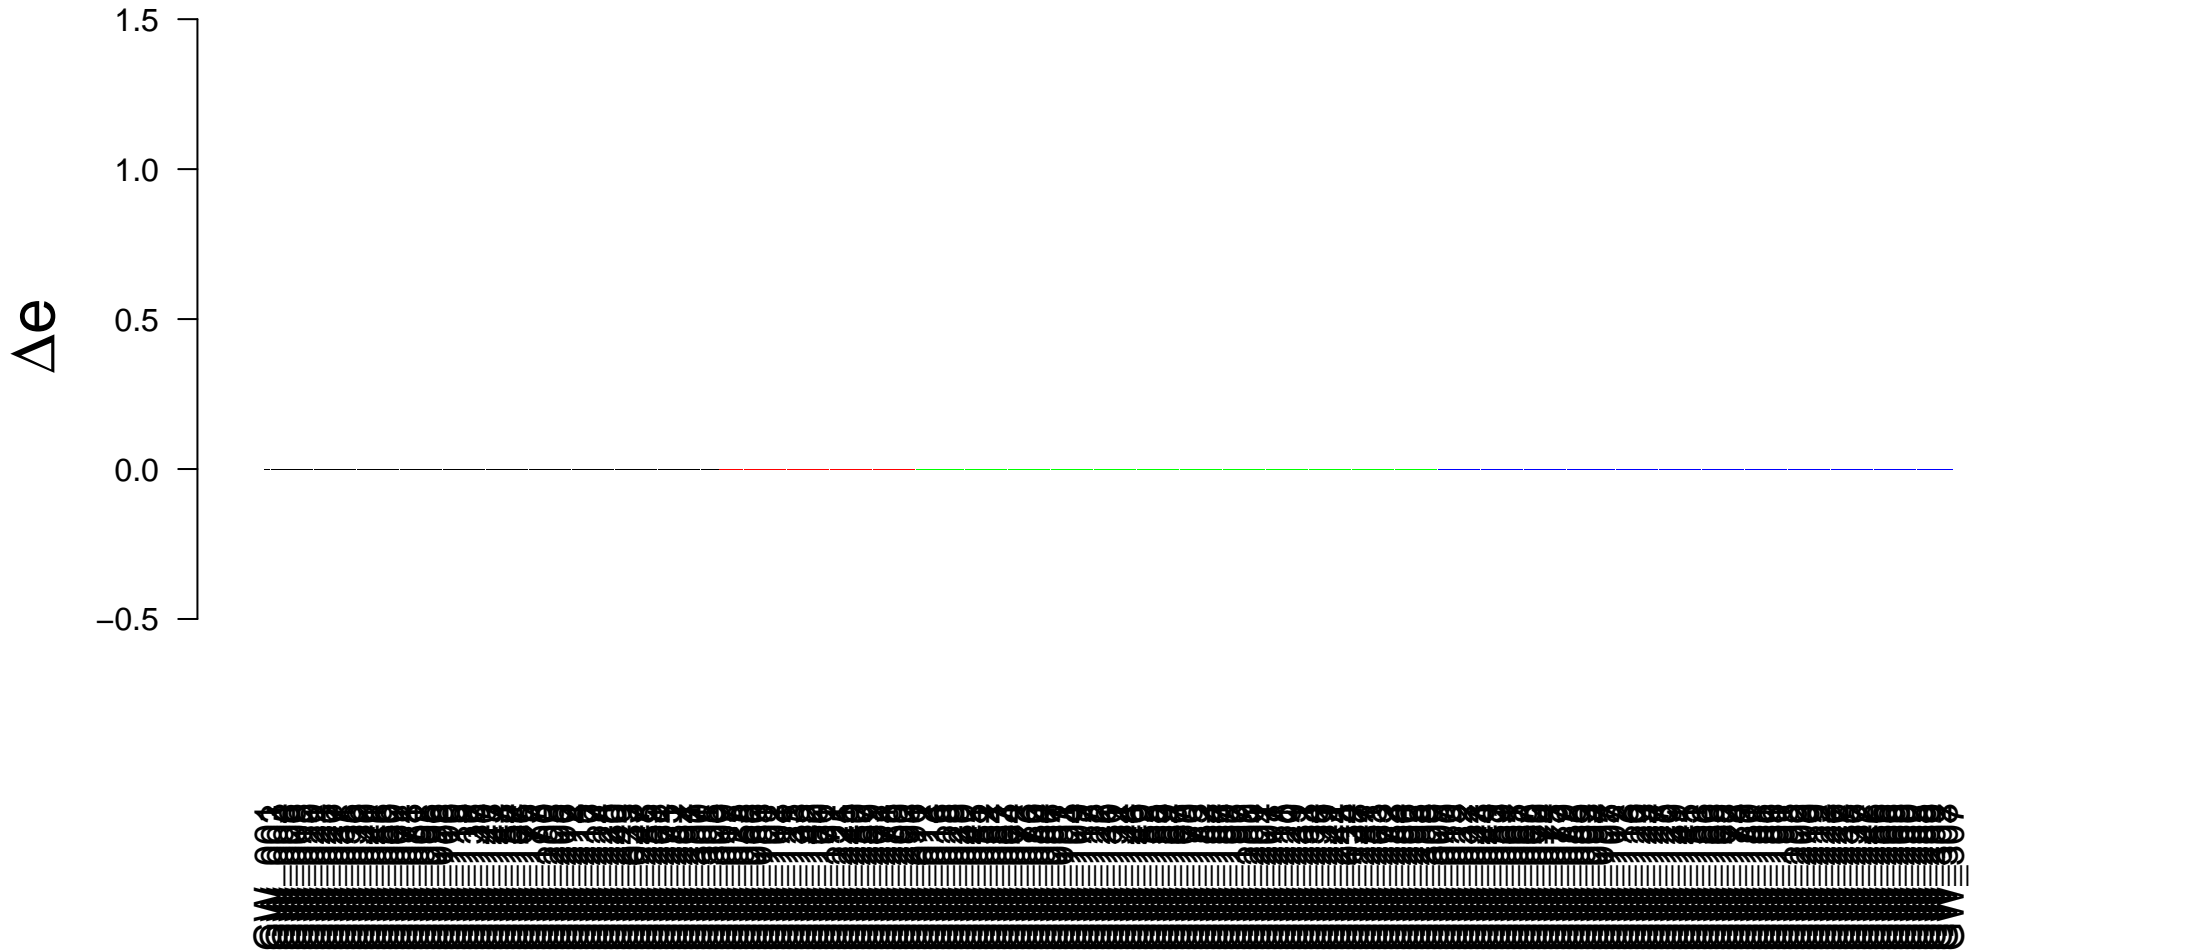

# Expression of regulation of circadian rhythm in Spot G

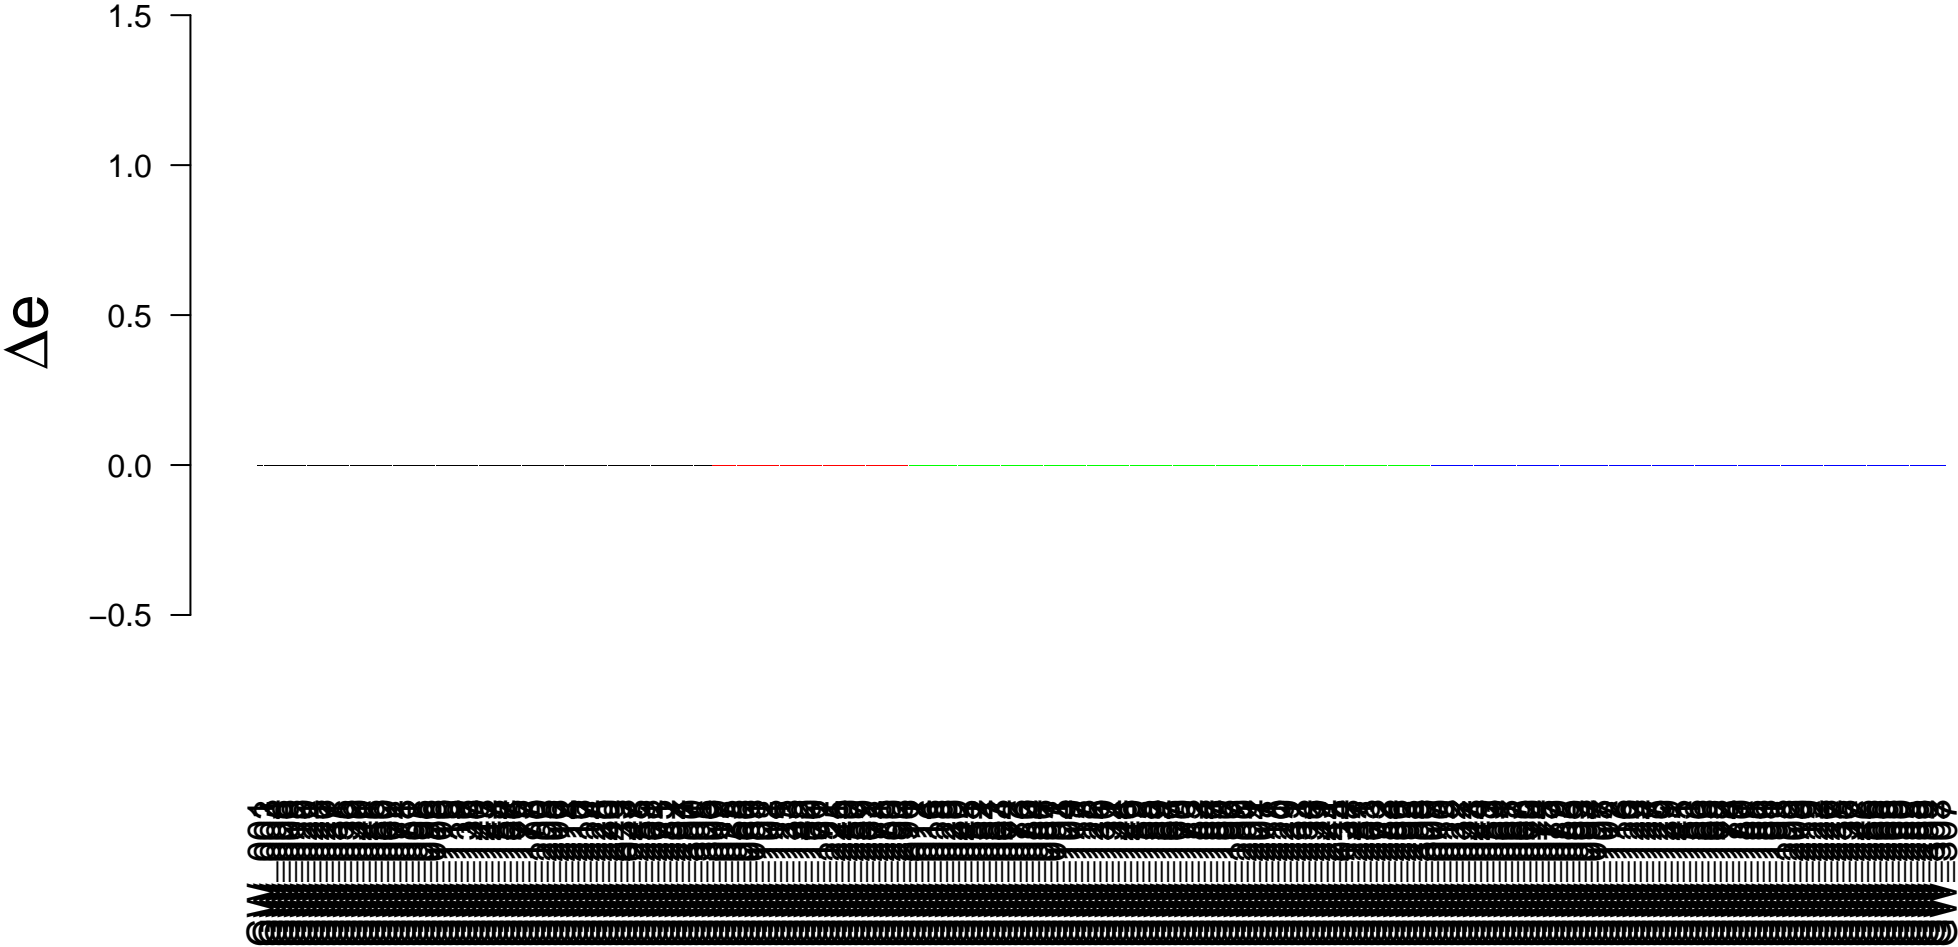

# Expression of regulation of circadian rhythm in Spot H

# Expression of regulation of circadian rhythm in Spot I

Expression of regulation of circadian rhythm in Spot J

# Expression of regulation of circadian rhythm in Spot K
