

# regulation of cytokine production

# regulation of cytokine production

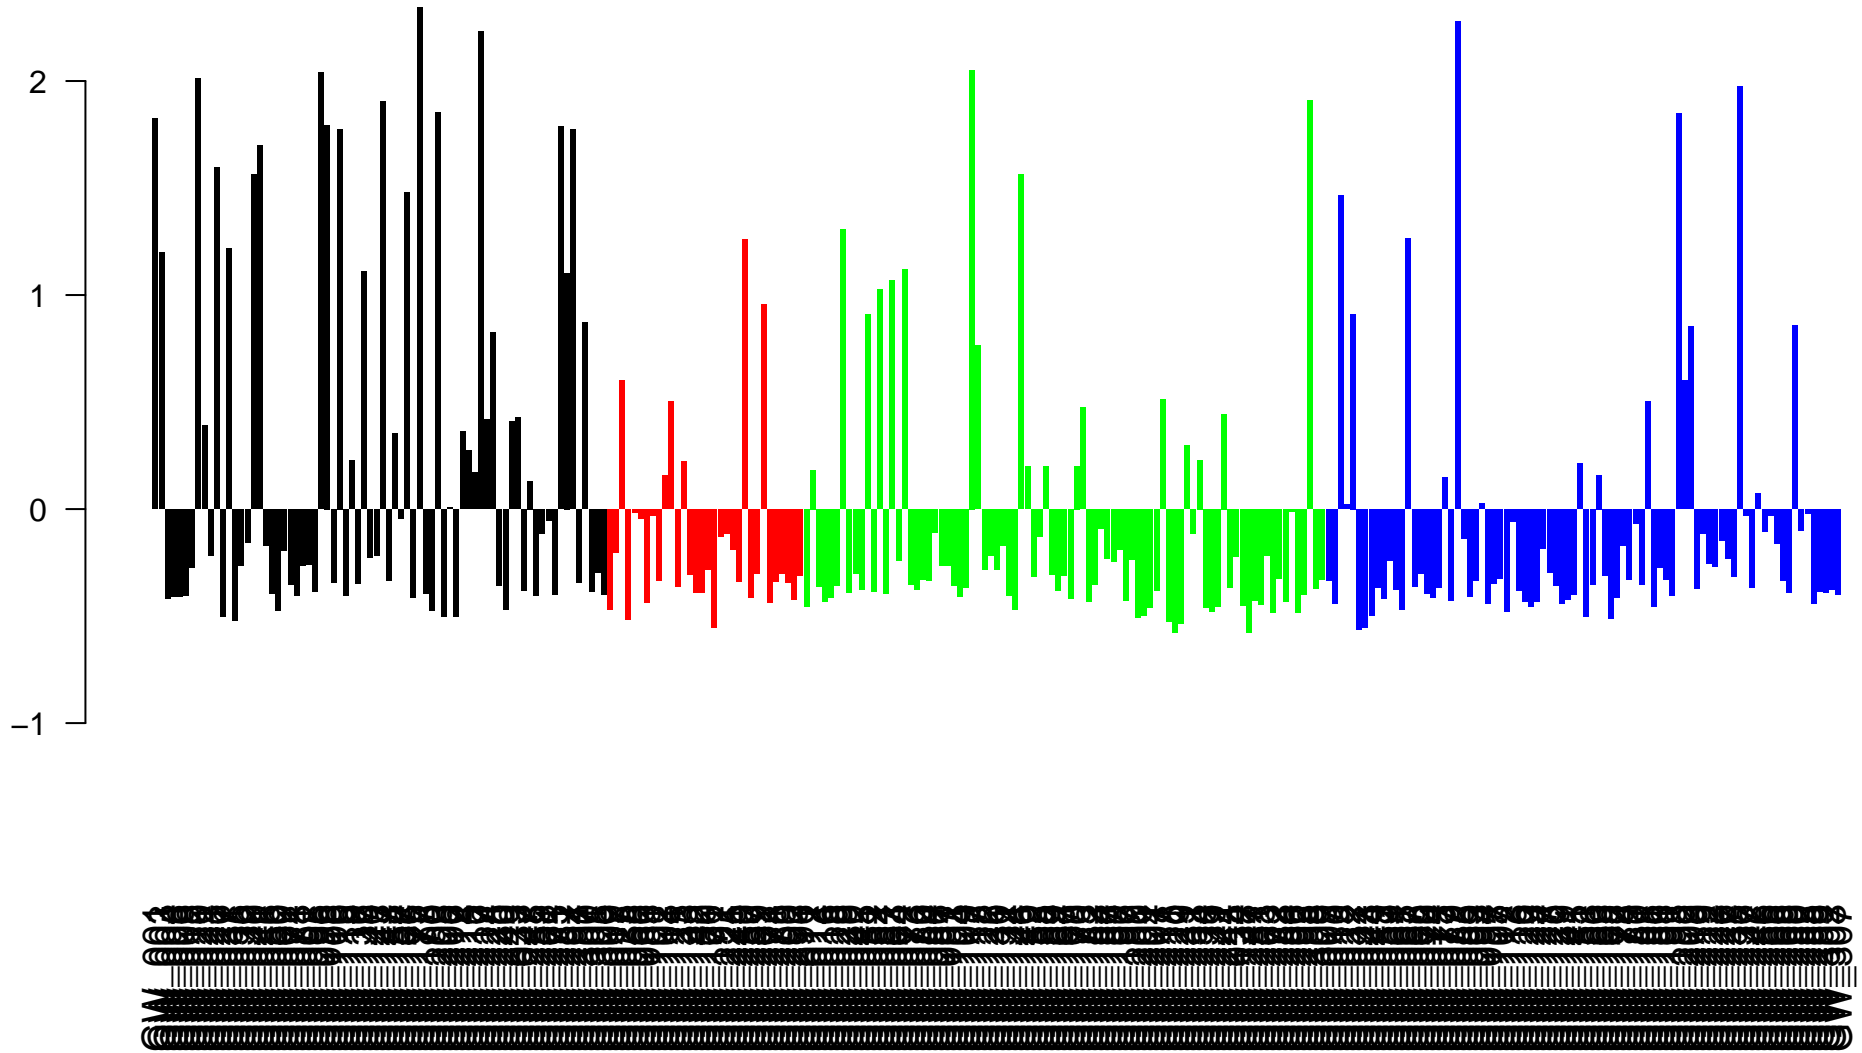

# Enrichment in spots: regulation of cytokine production

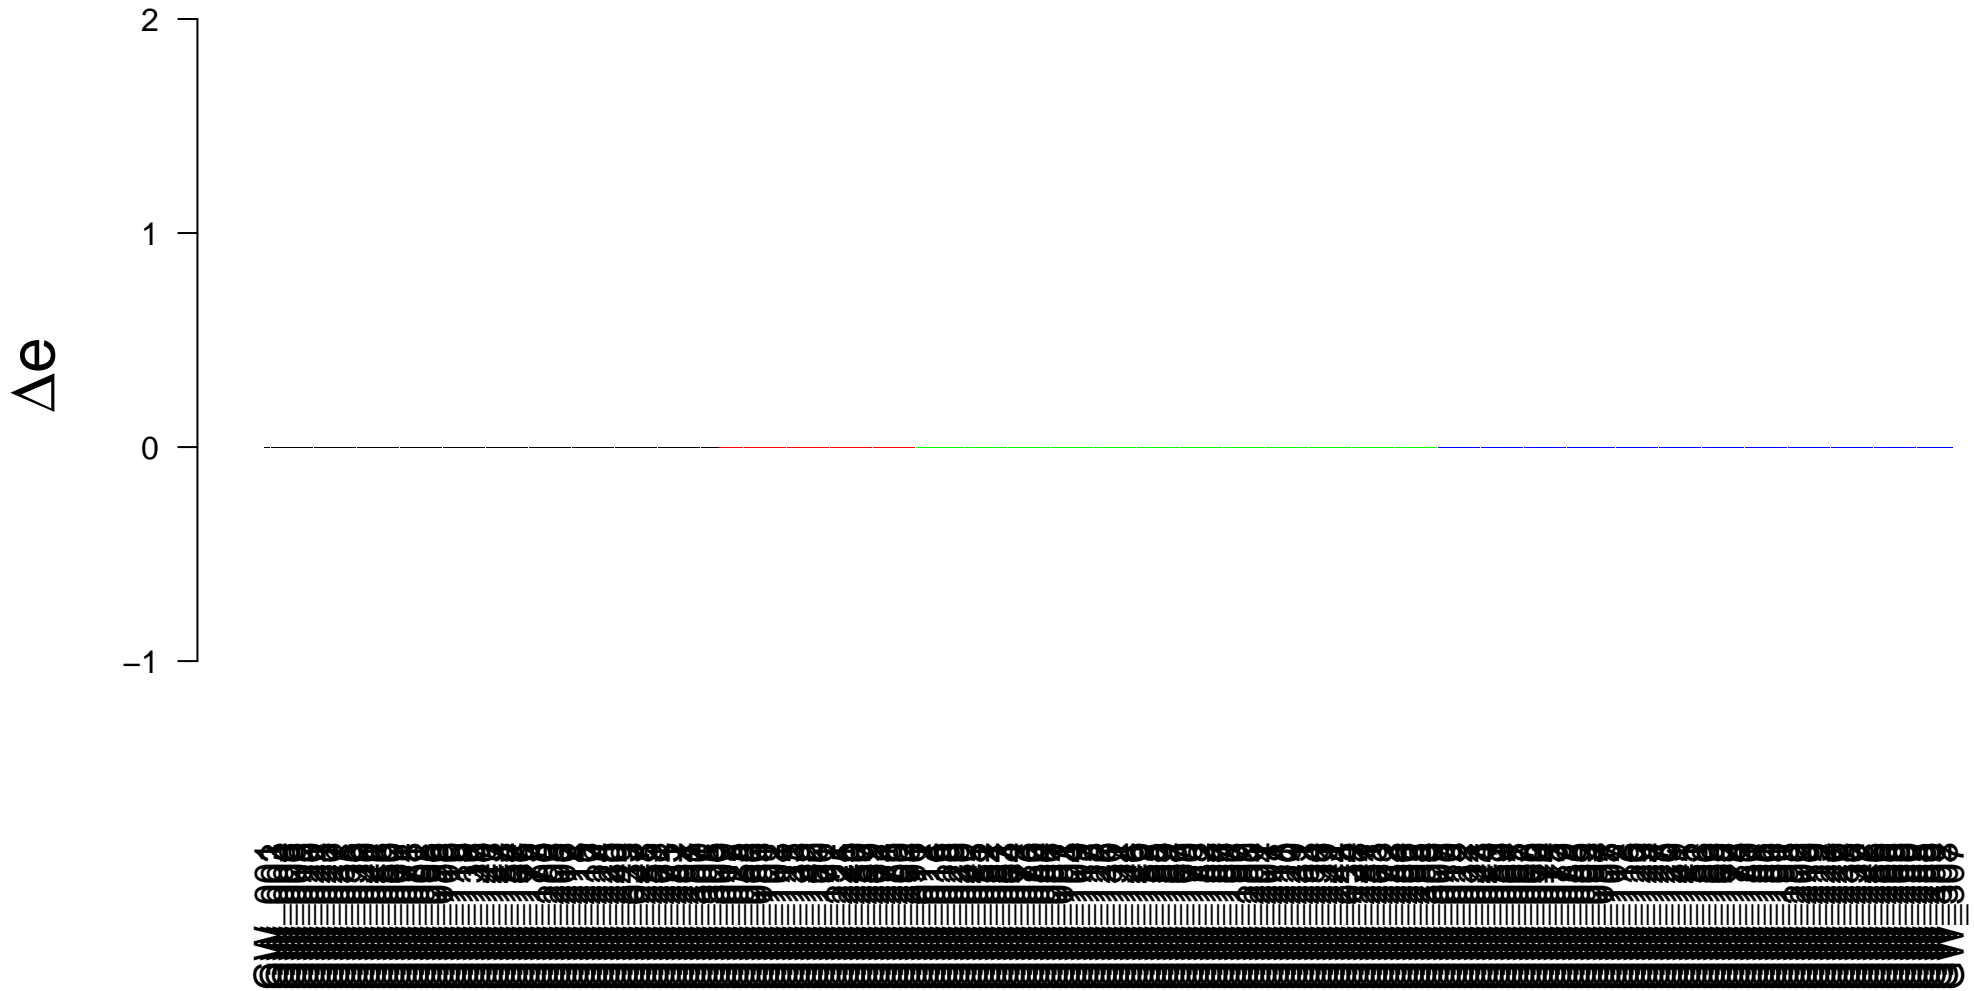

# Expression of regulation of cytokine production in Spot A

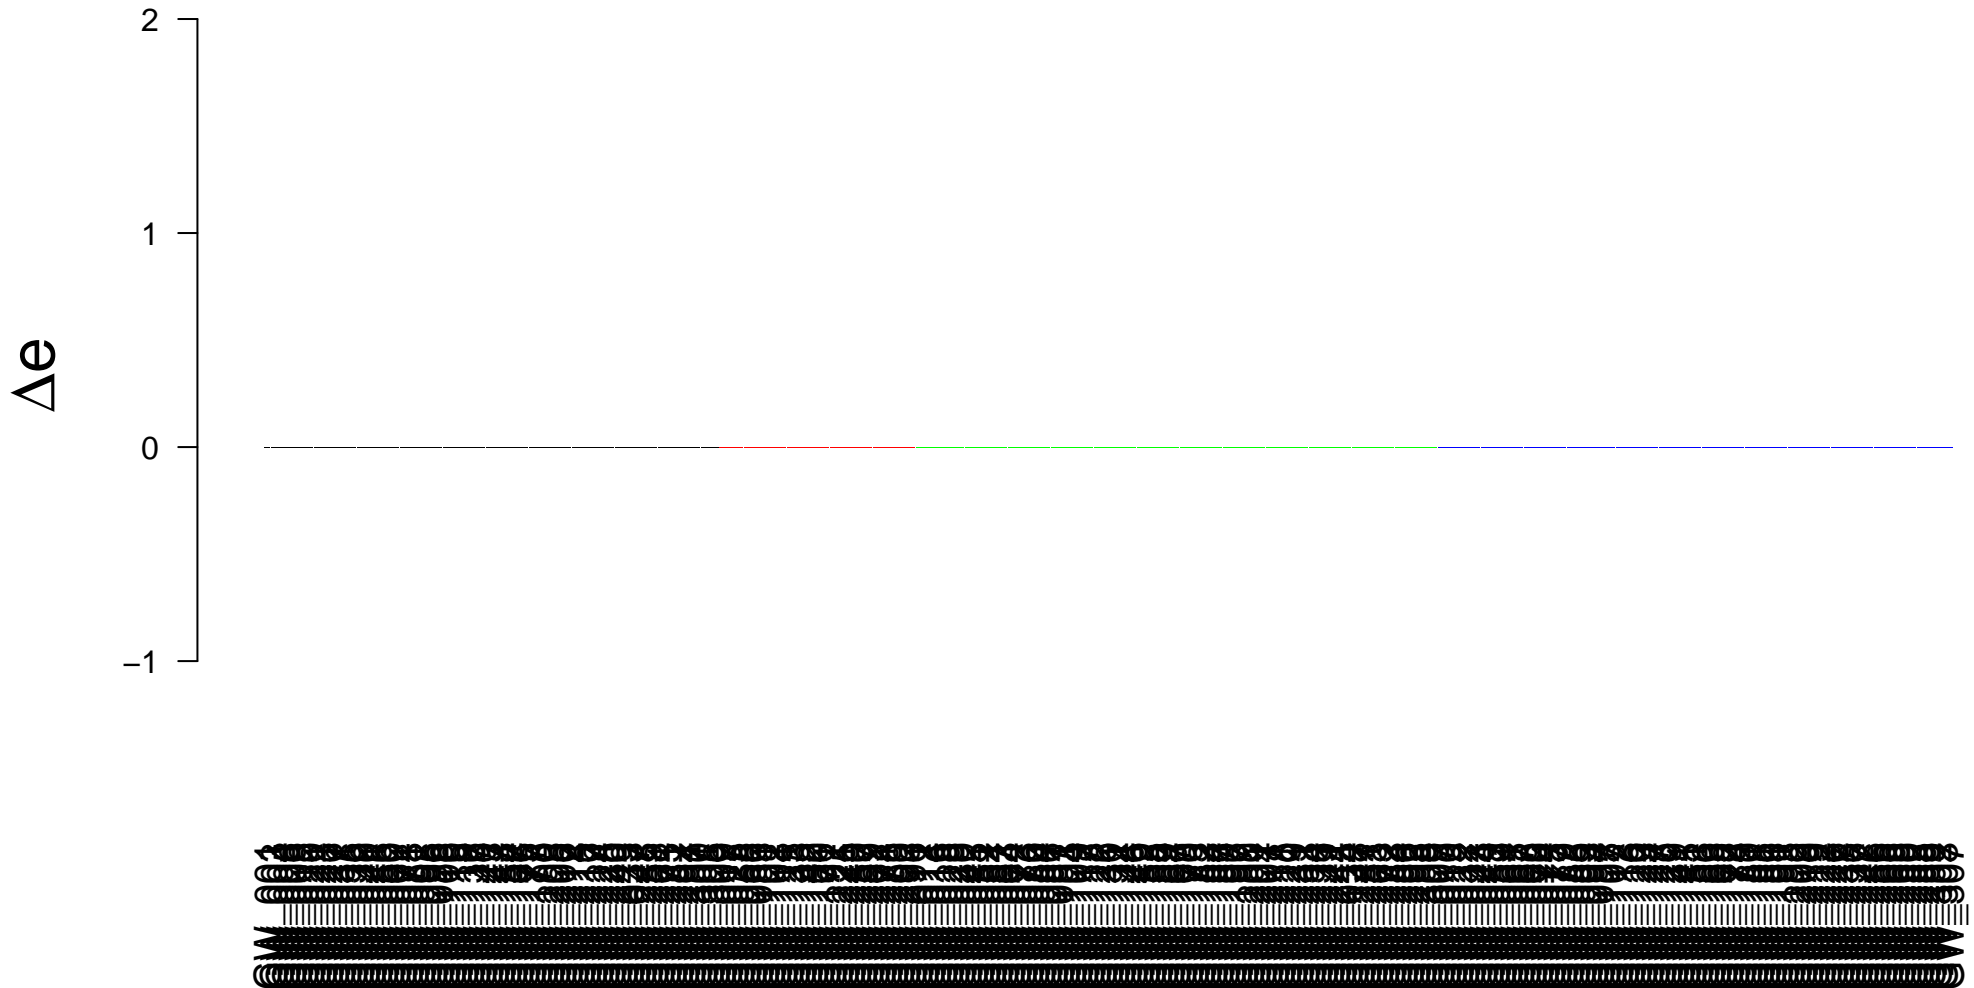

$\Delta e$

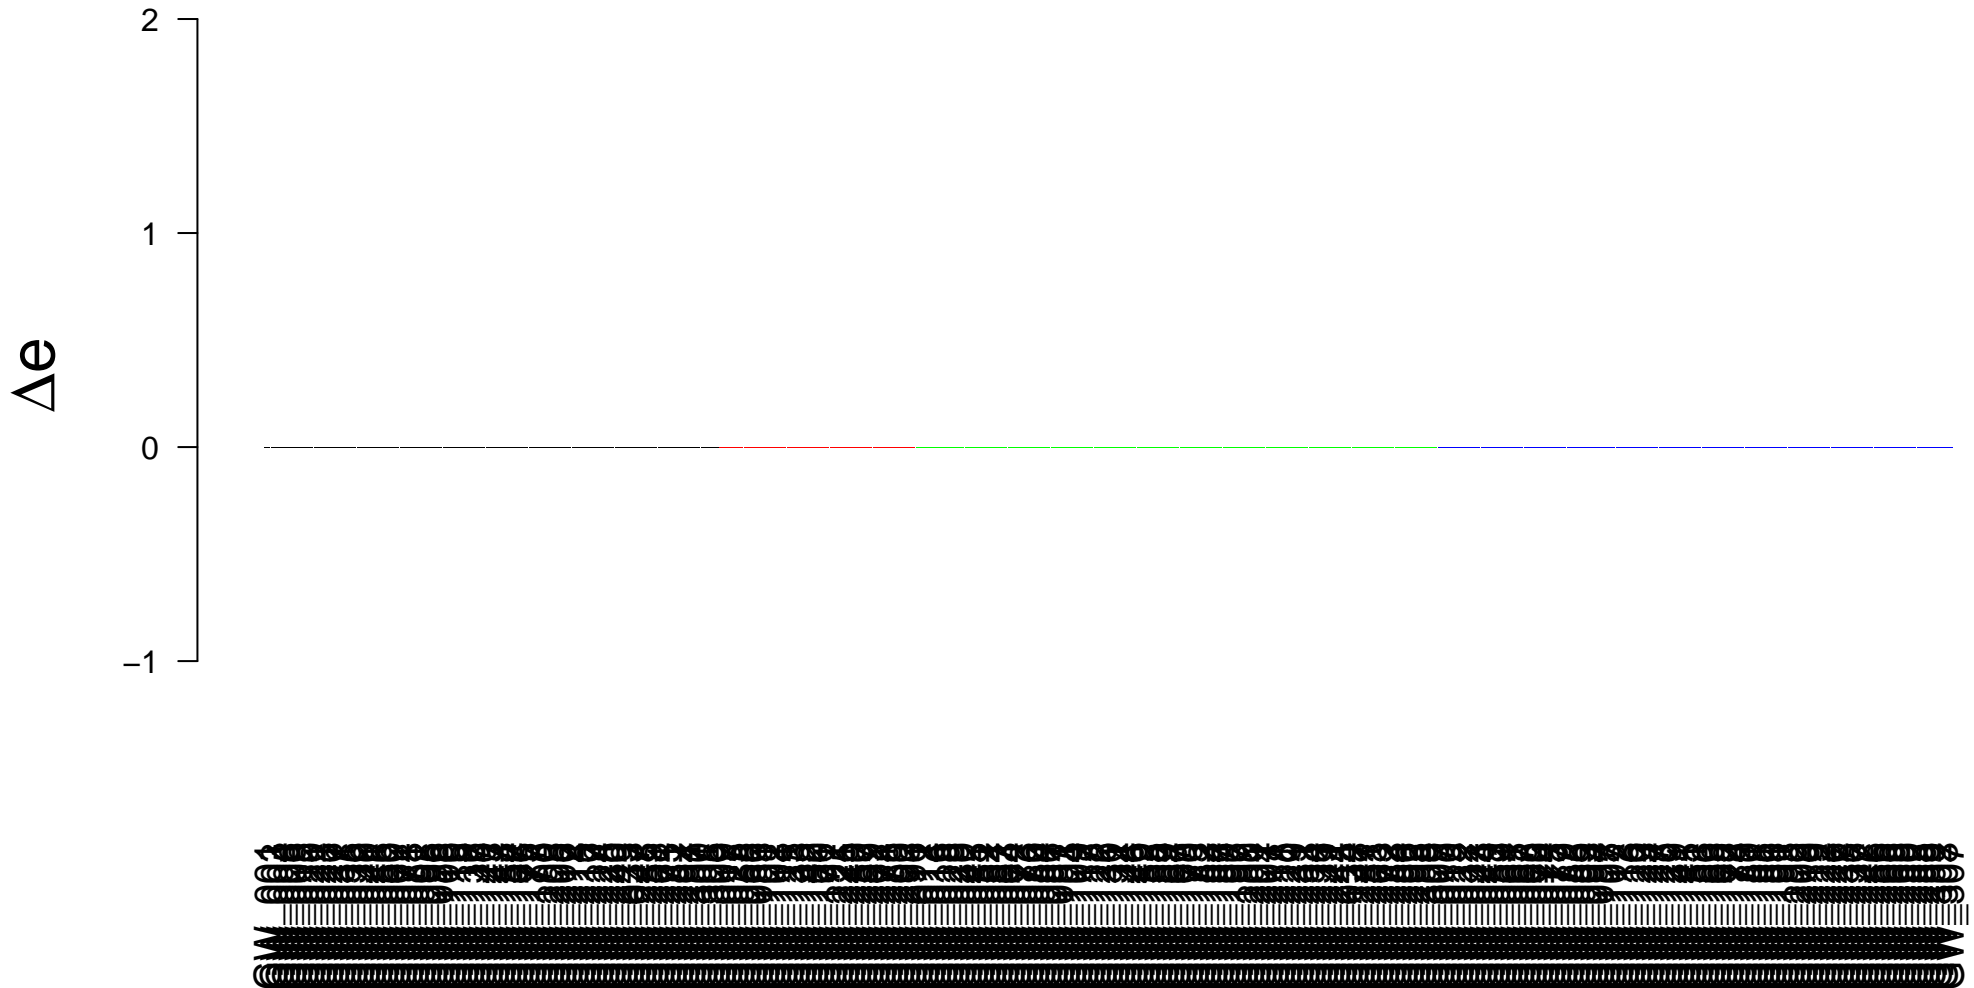

# Expression of regulation of cytokine production in Spot B

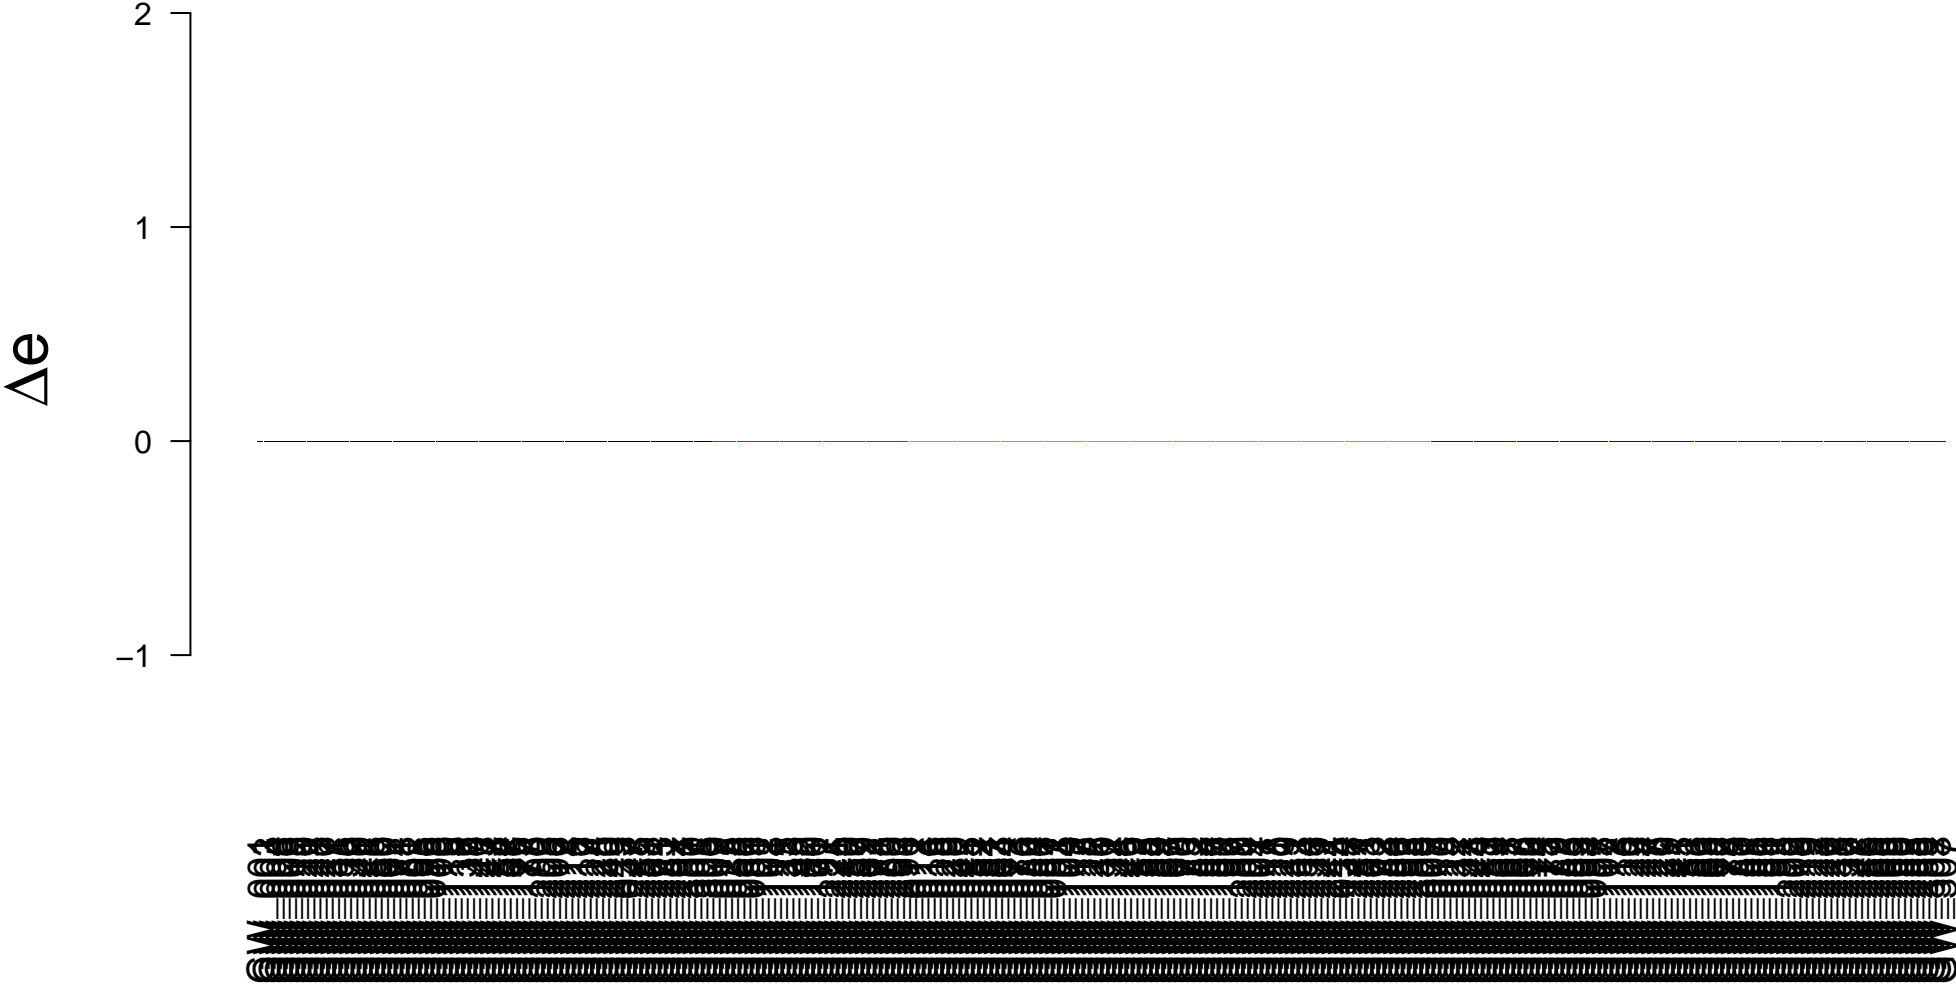

# Expression of regulation of cytokine production in Spot C

# Expression of regulation of cytokine production in Spot D

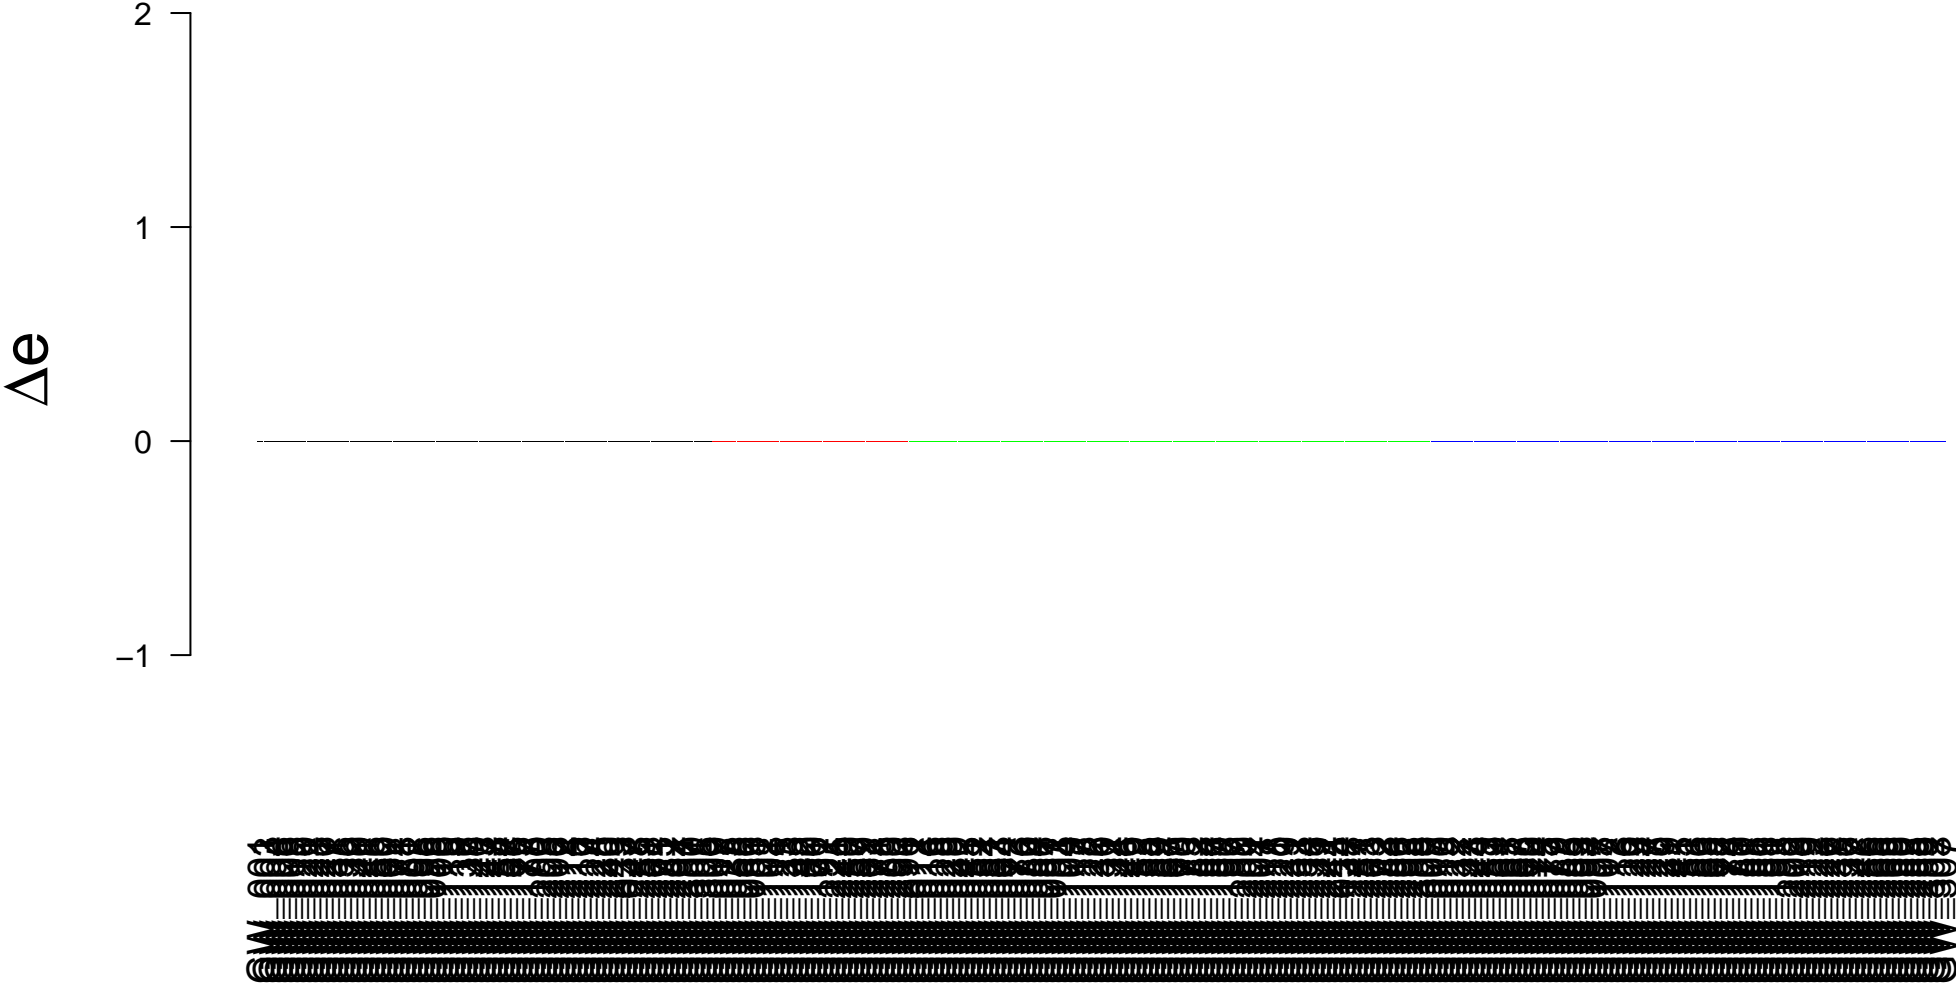

Expression of regulation of cytokine production in Spot E

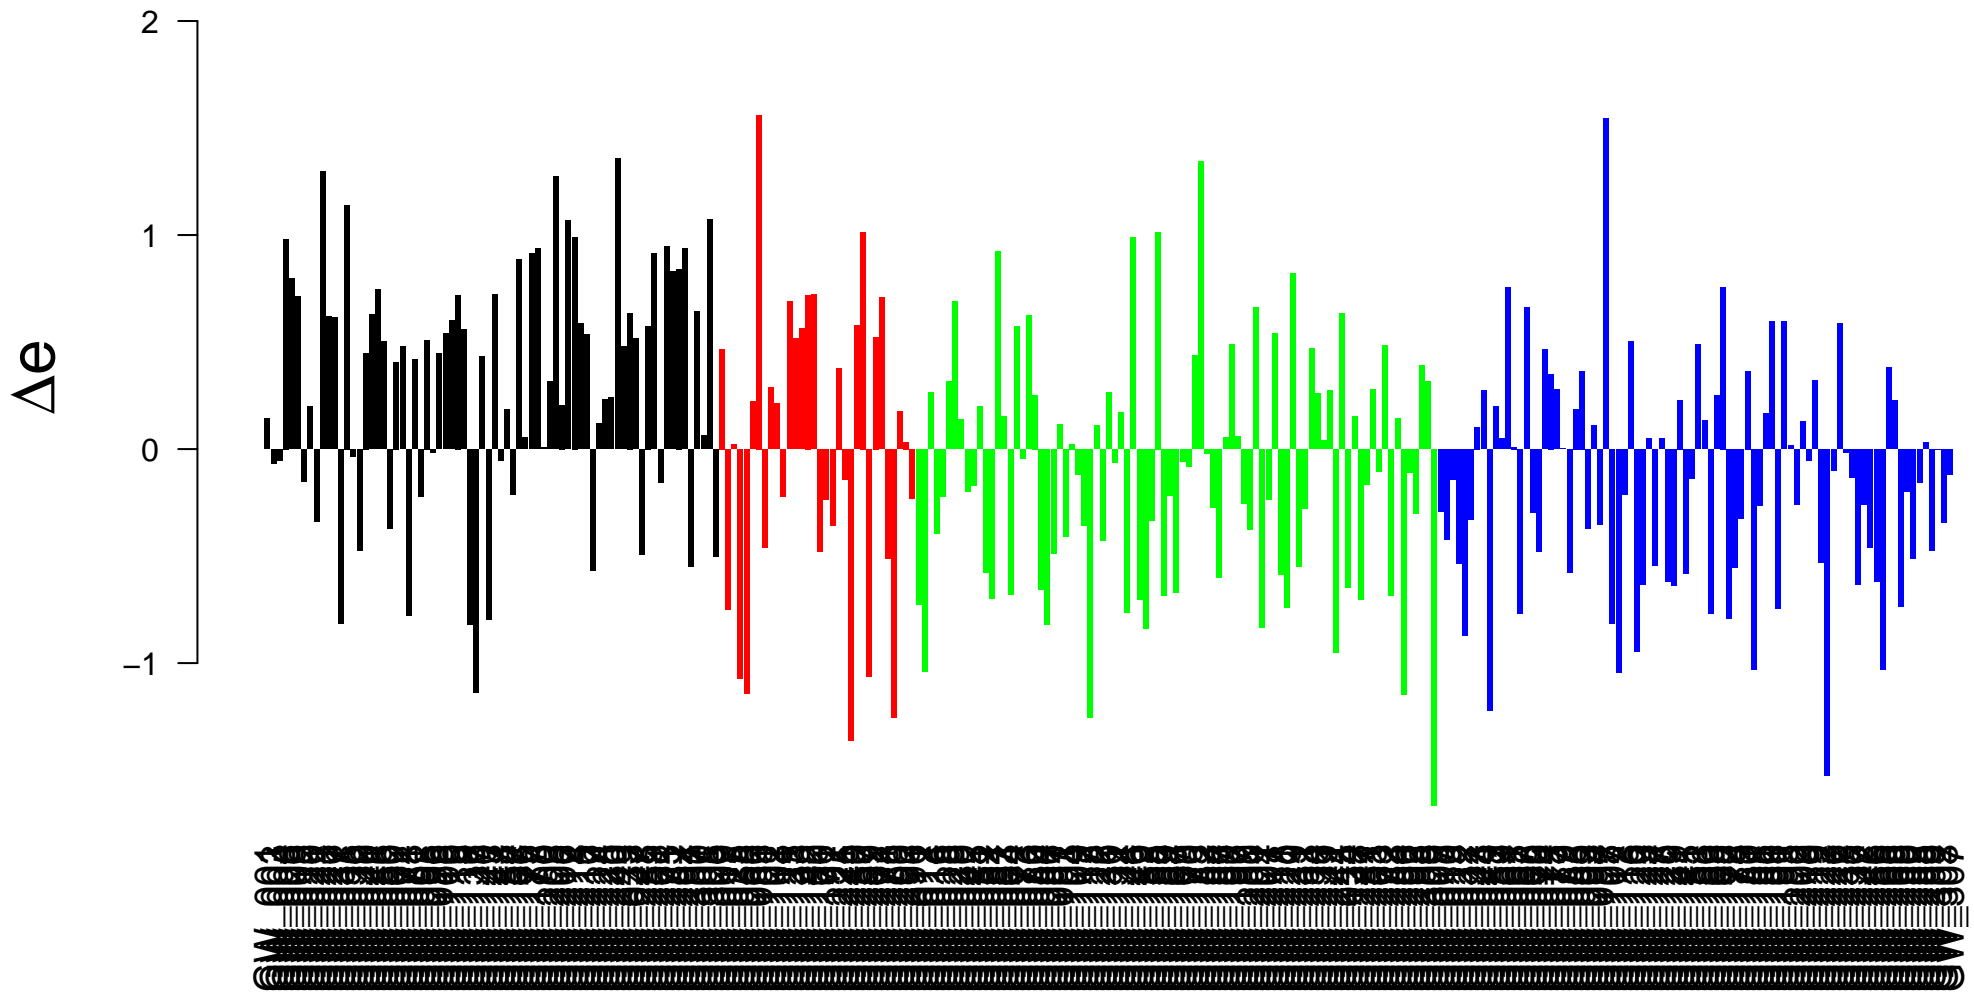

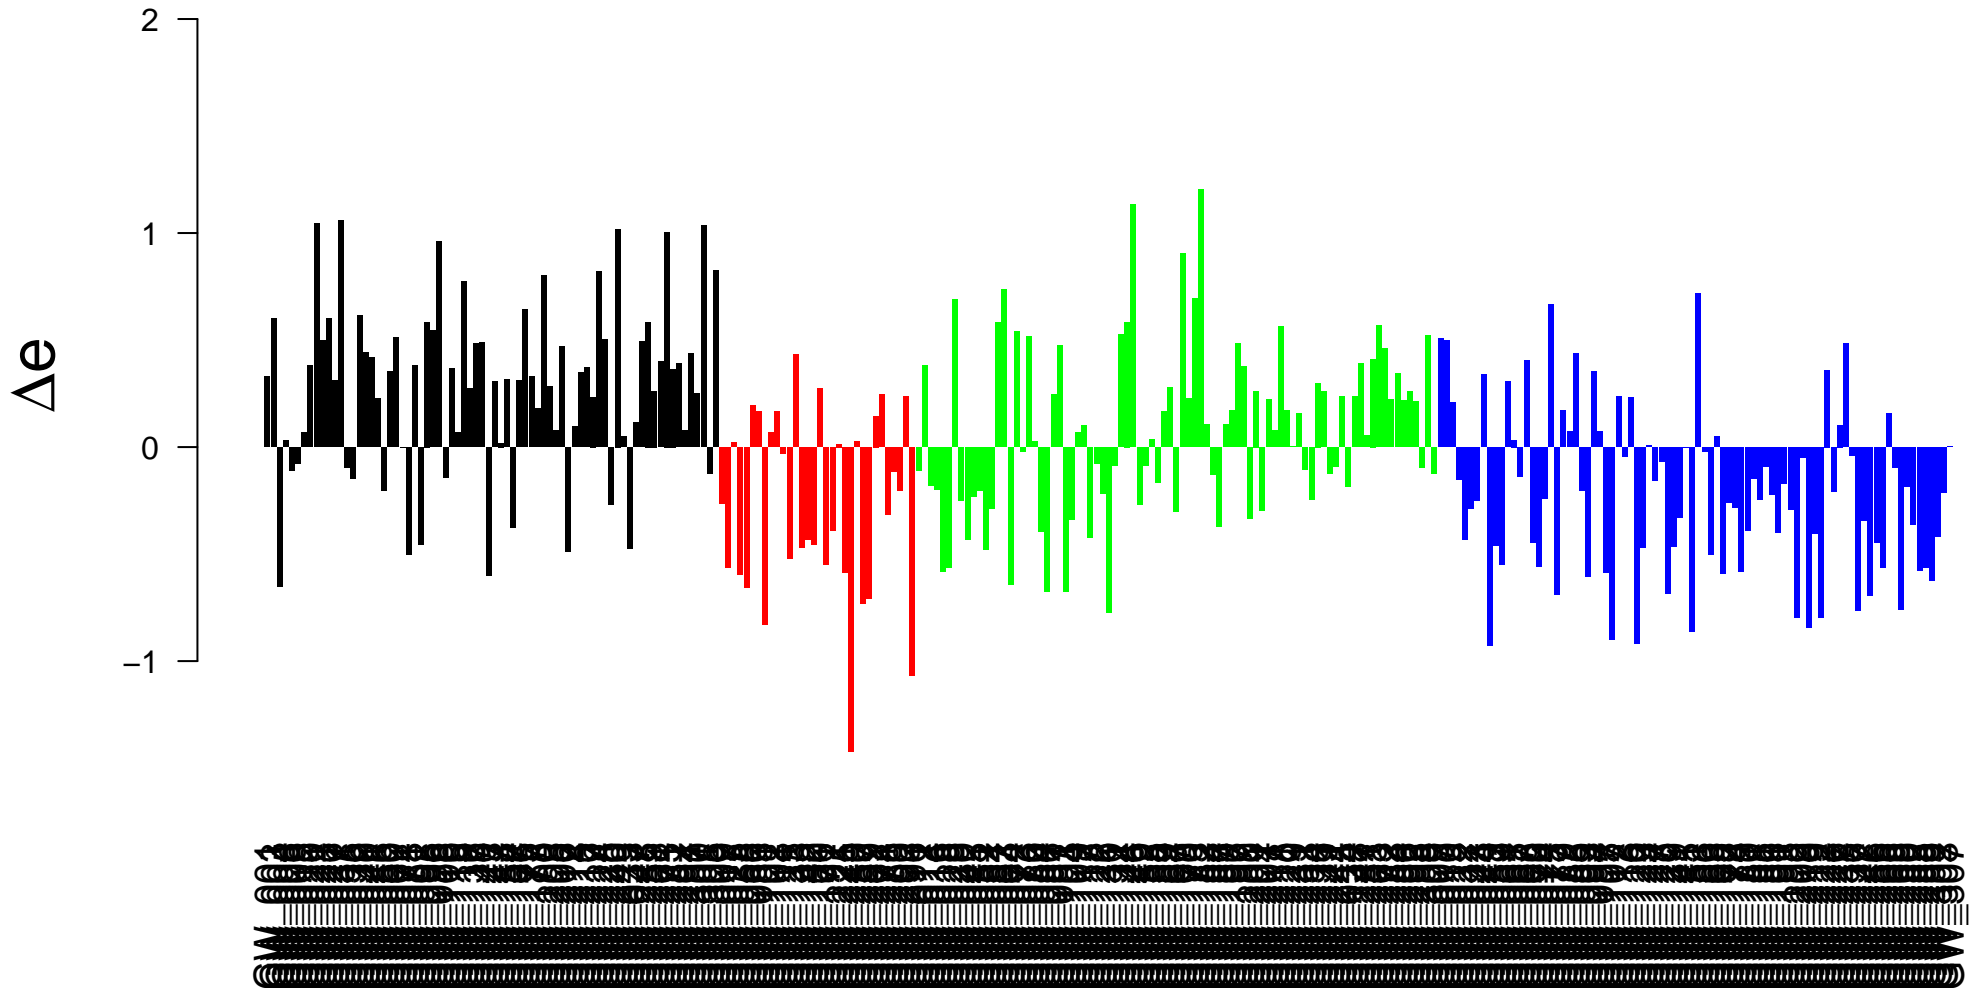

Expression of regulation of cytokine production in Spot F

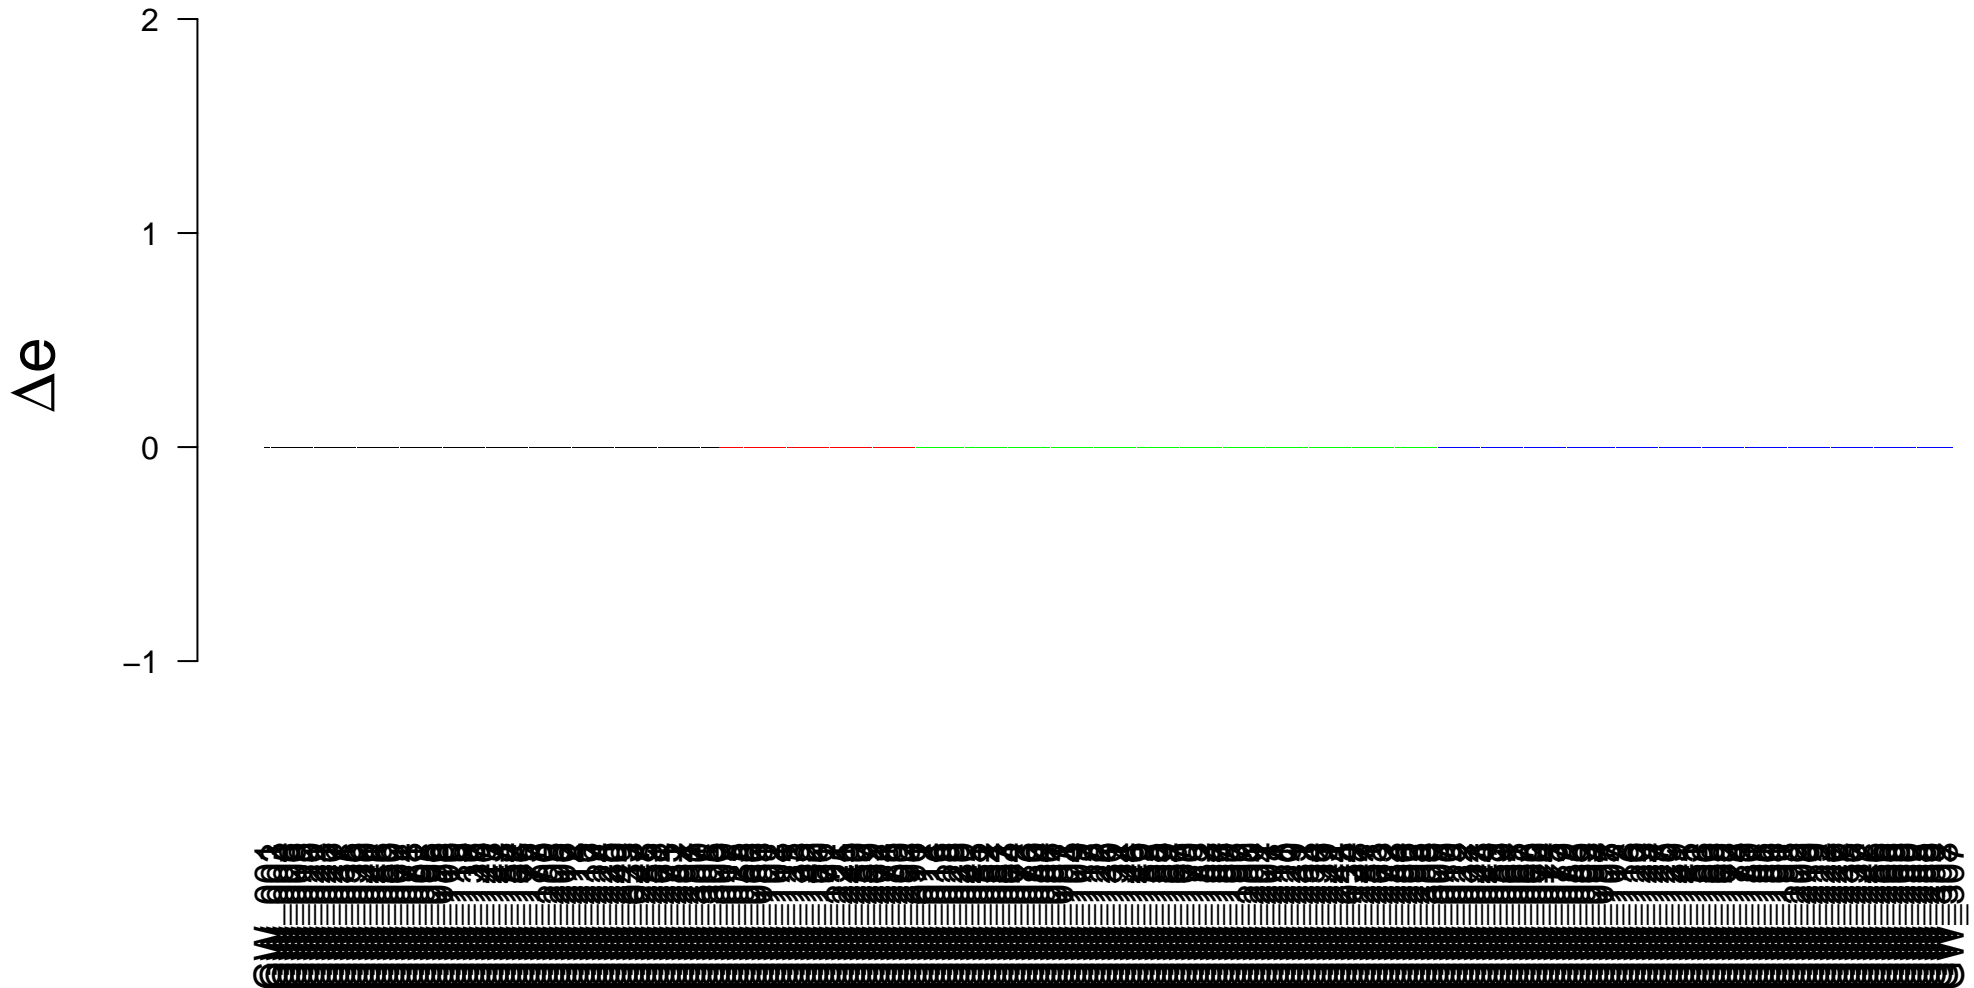

# Expression of regulation of cytokine production in Spot G

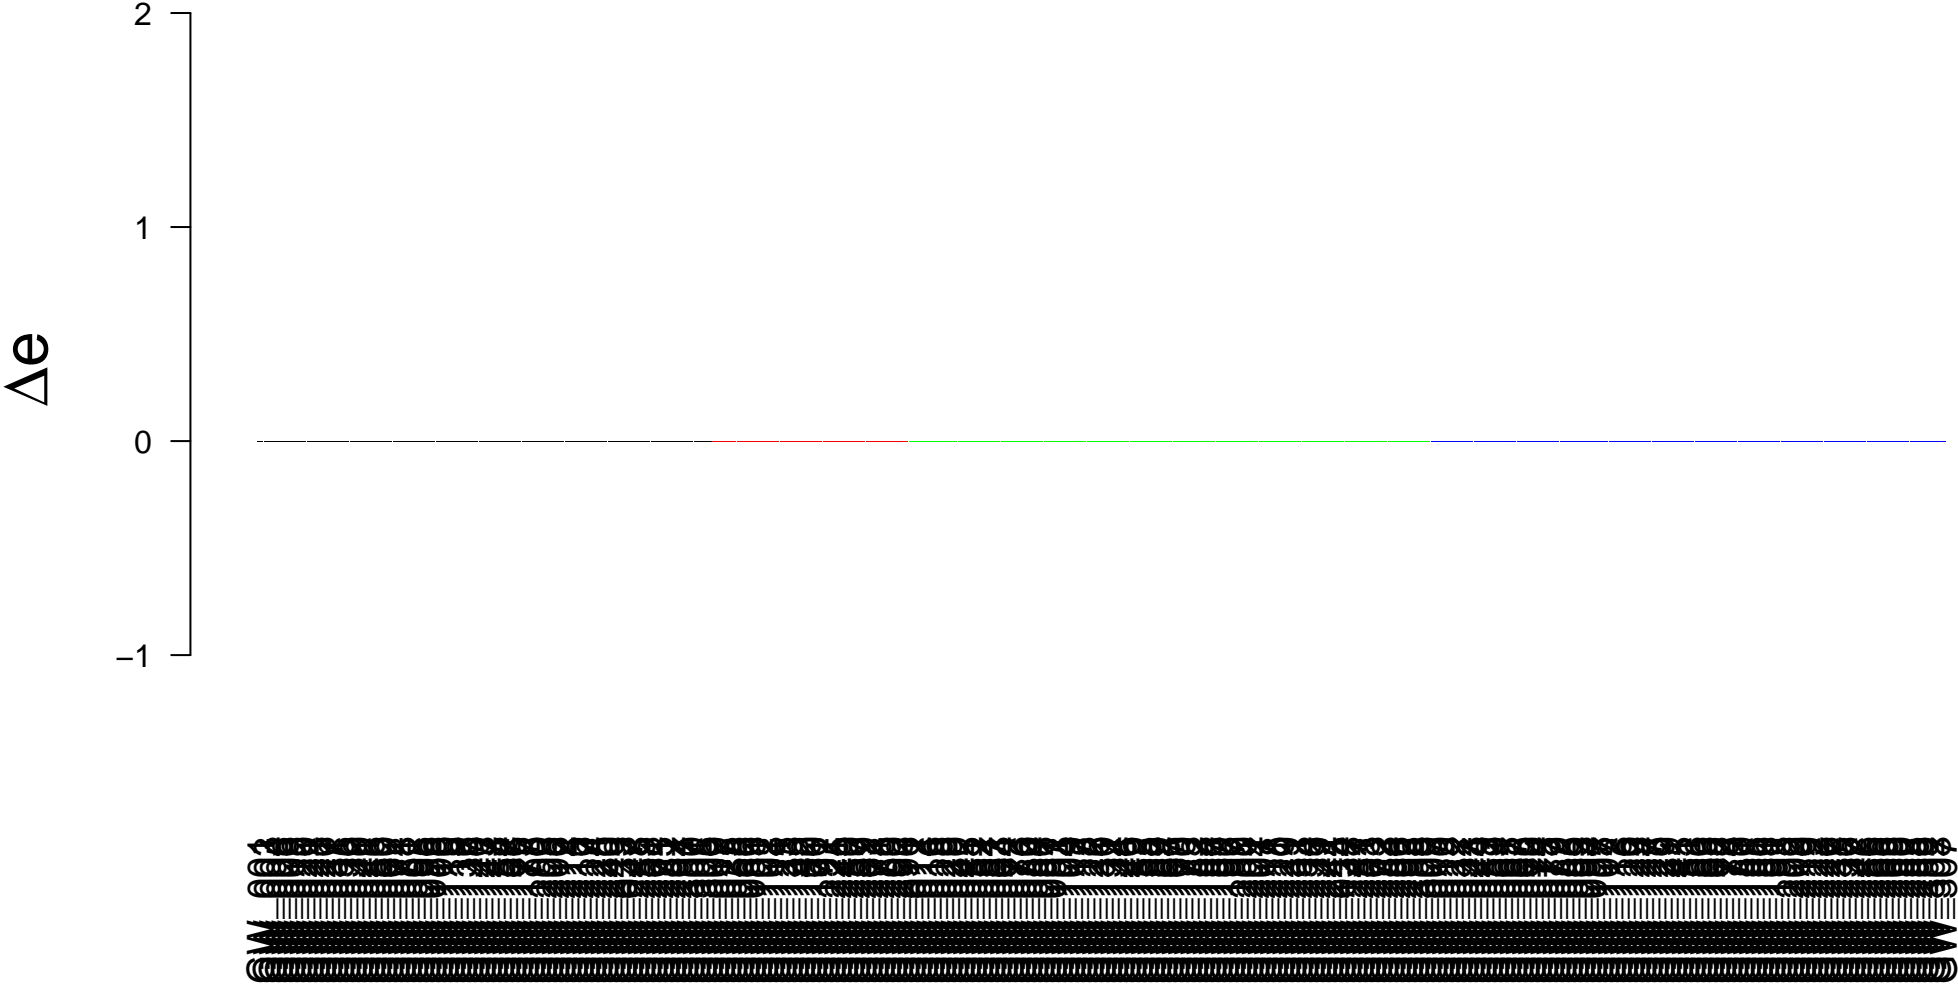

# Expression of regulation of cytokine production in Spot H

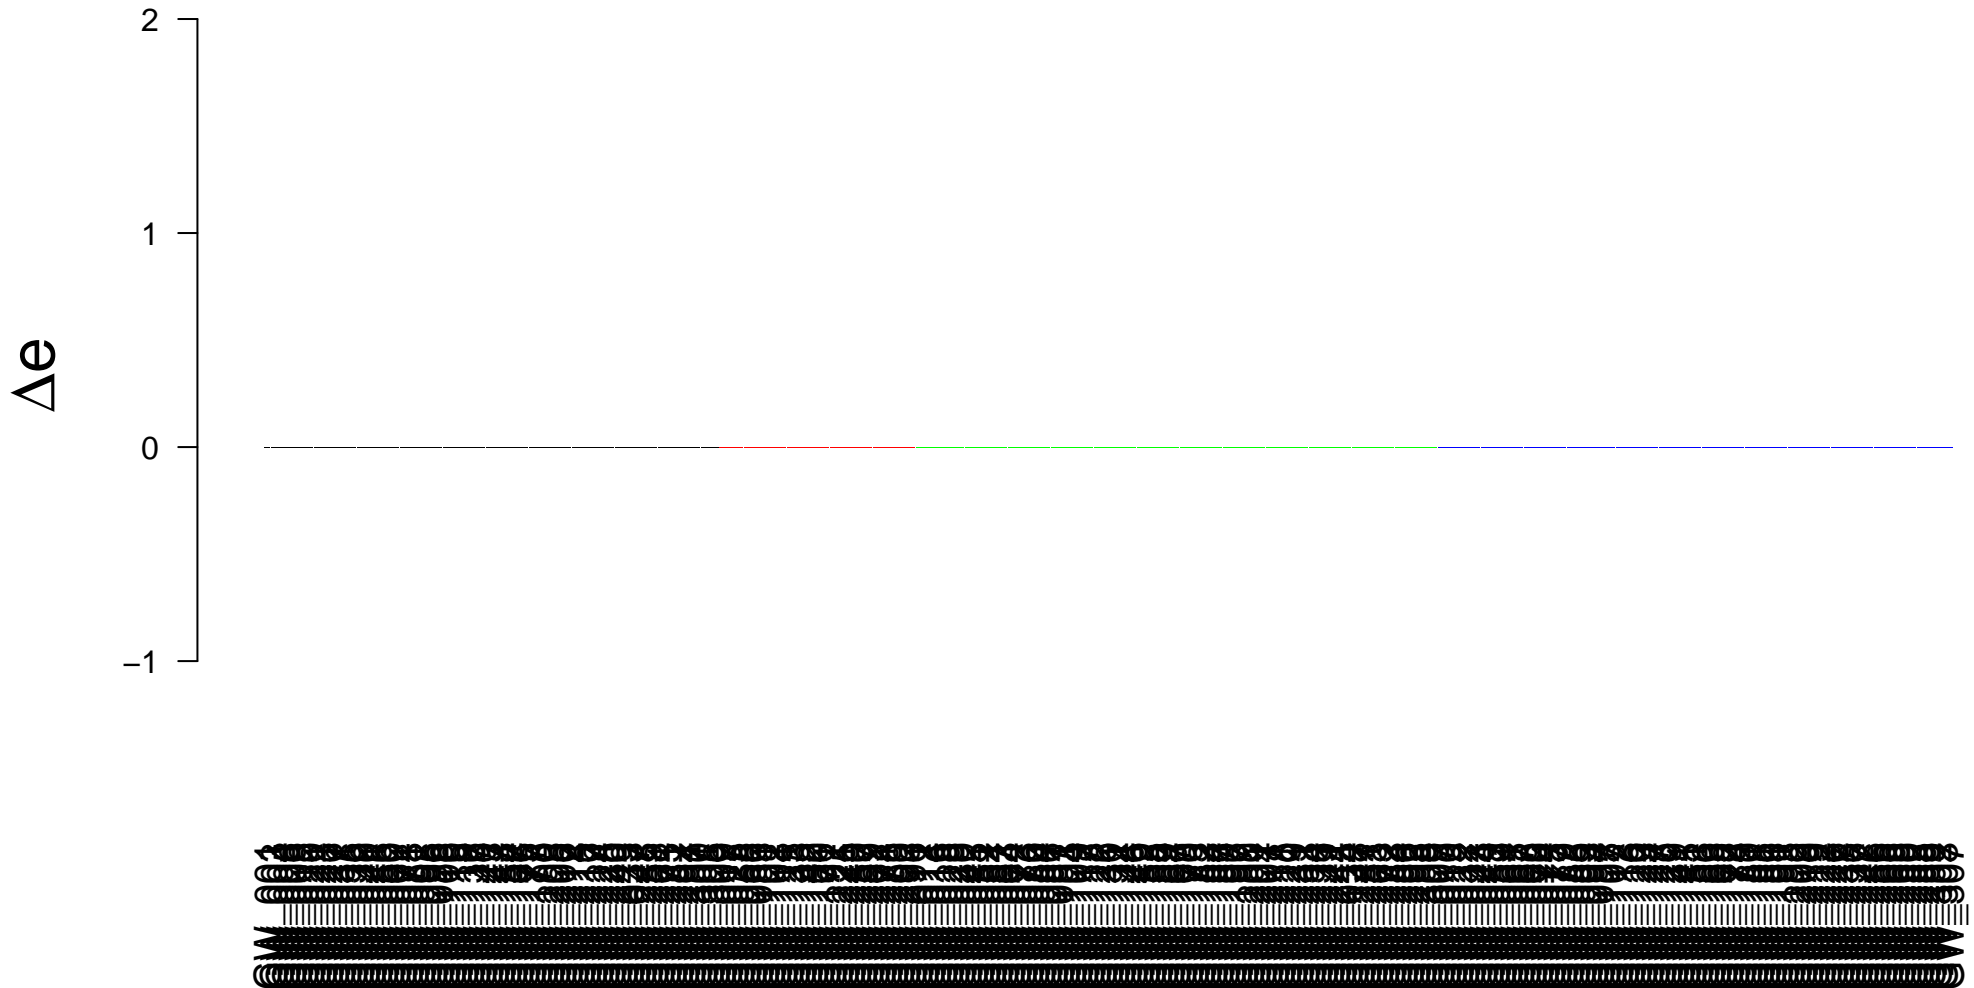

# Expression of regulation of cytokine production in Spot I

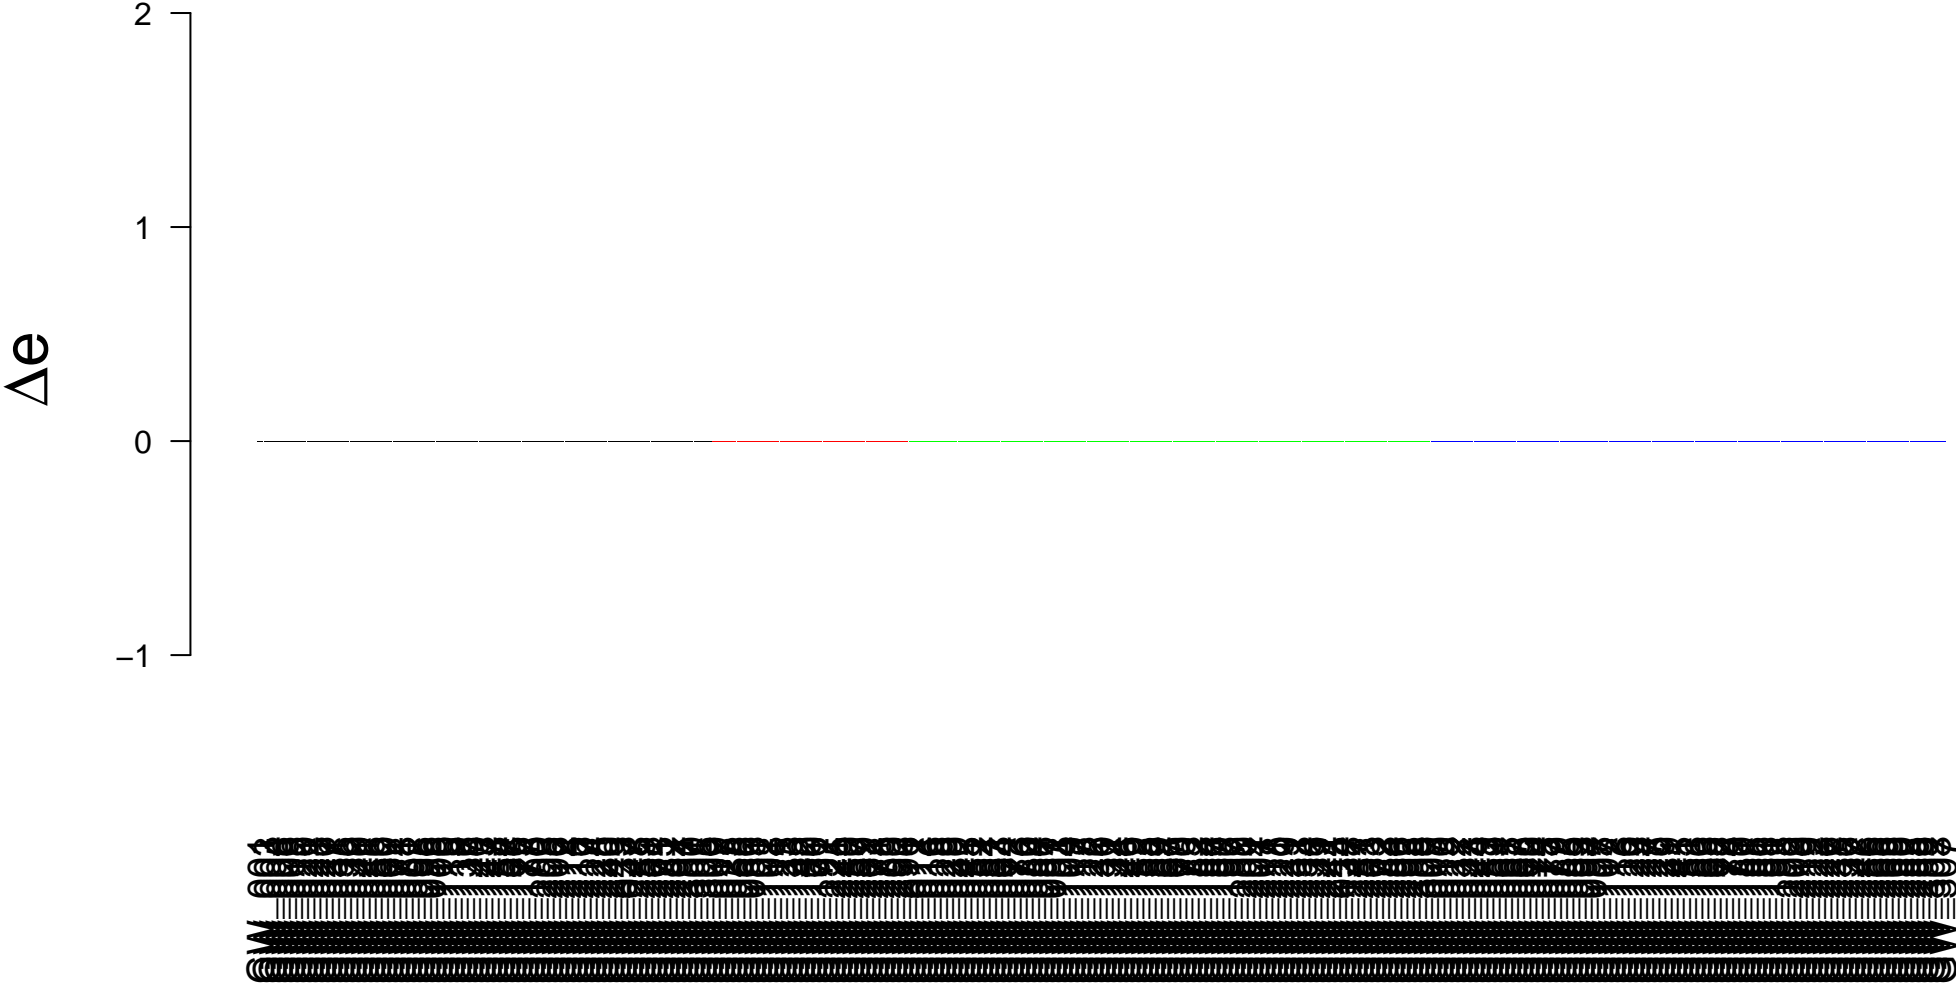

Expression of regulation of cytokine production in Spot J

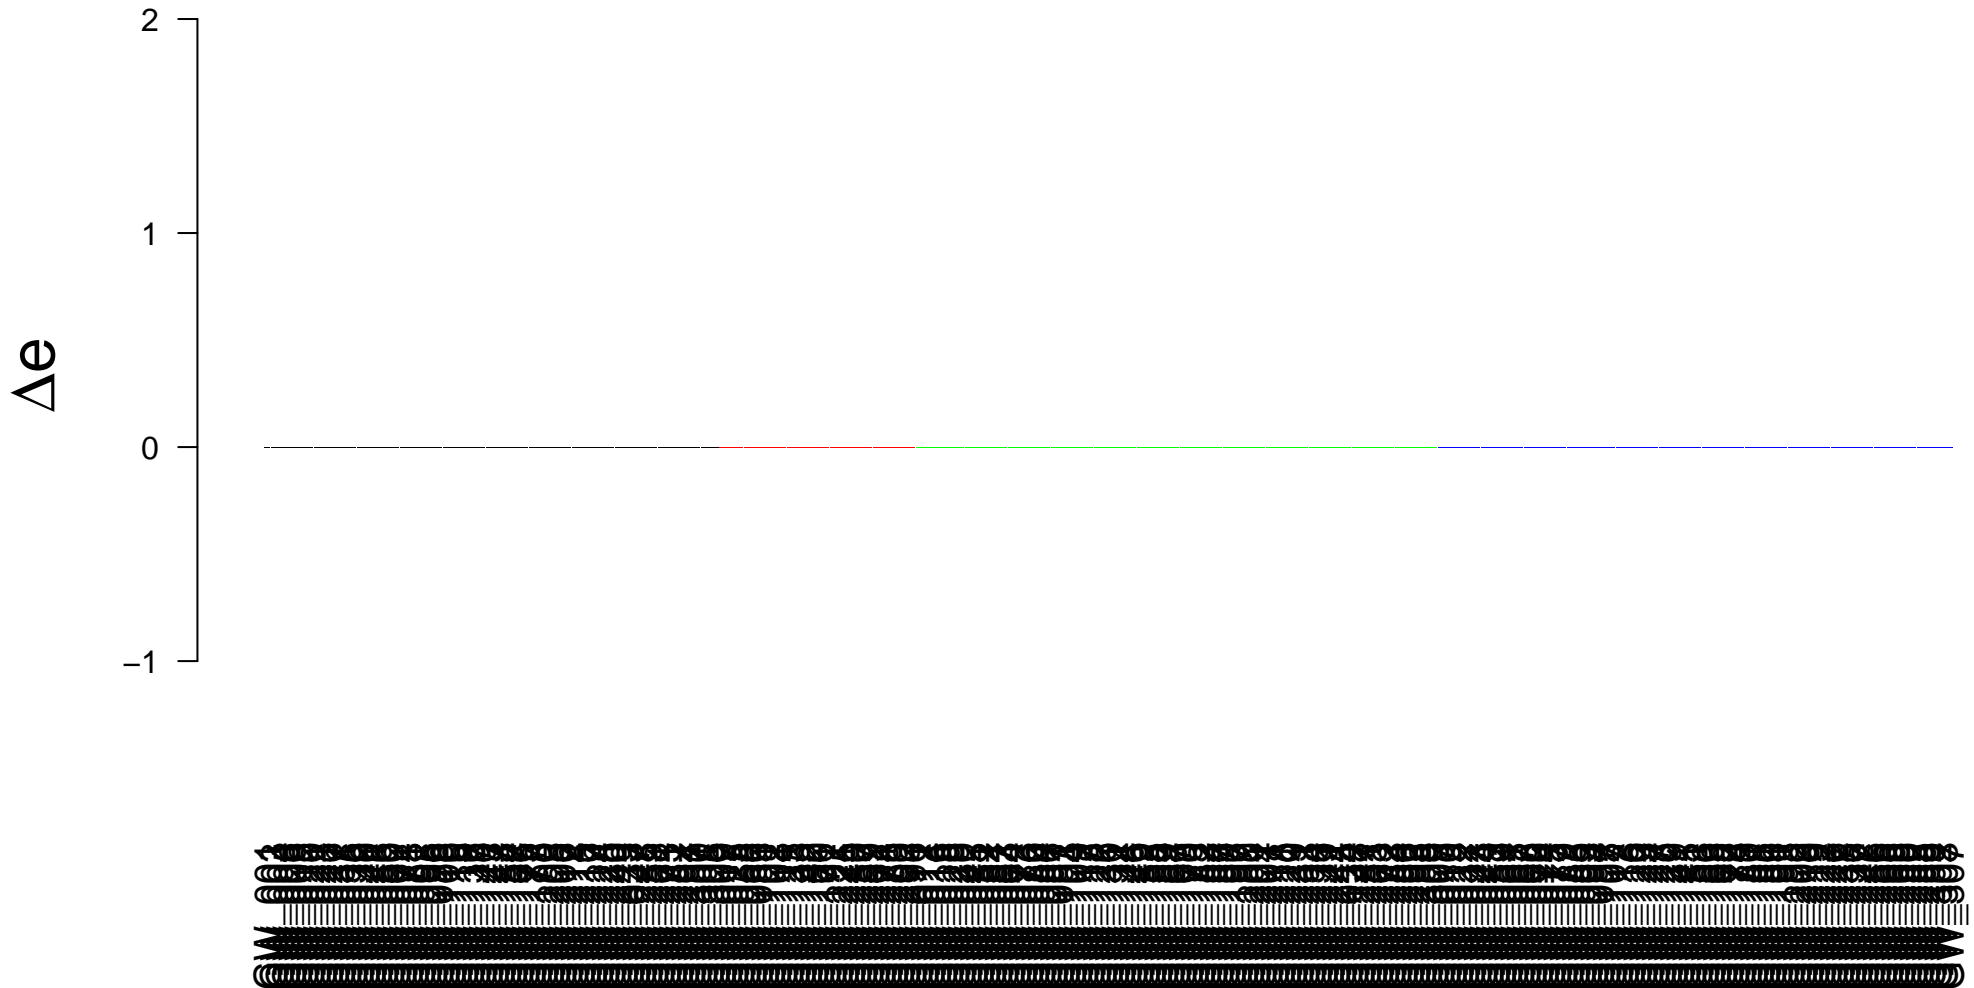

# Expression of regulation of cytokine production in Spot K

Expression of regulation of cytokine production in Spot L

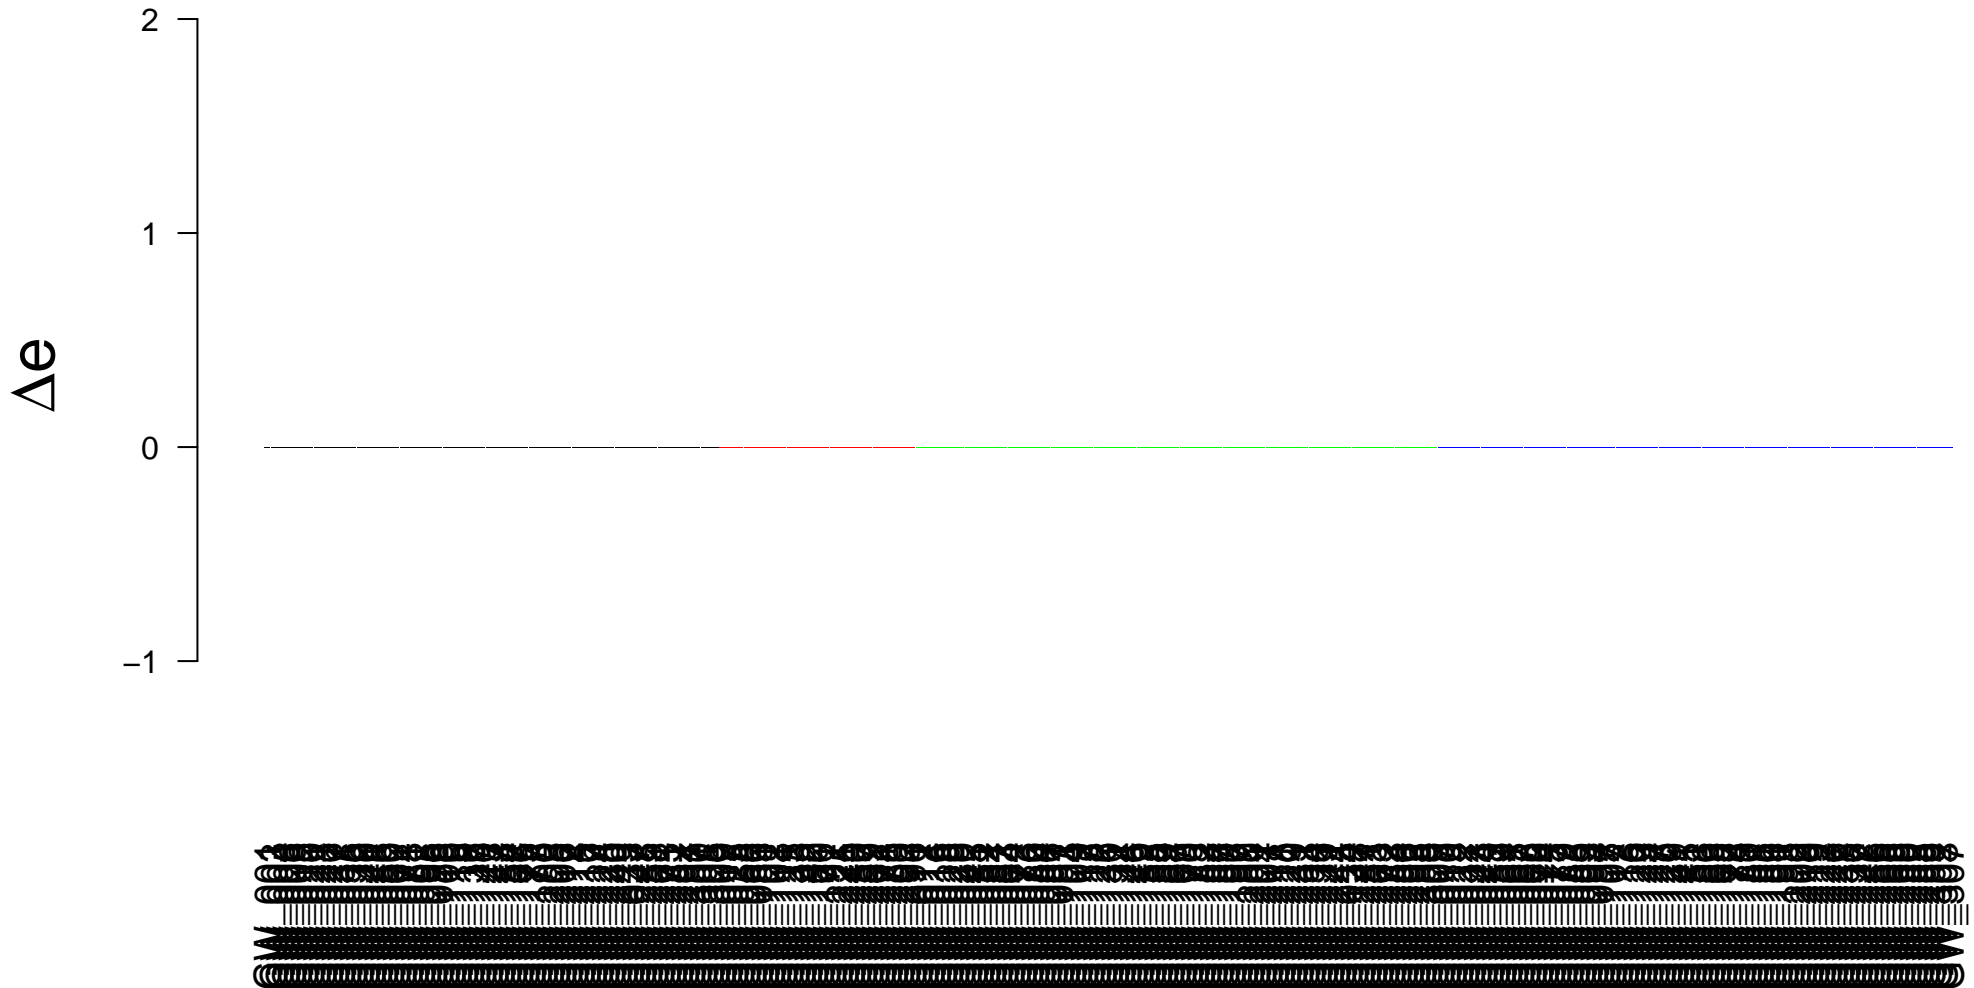

# Expression of regulation of cytokine production in Spot M

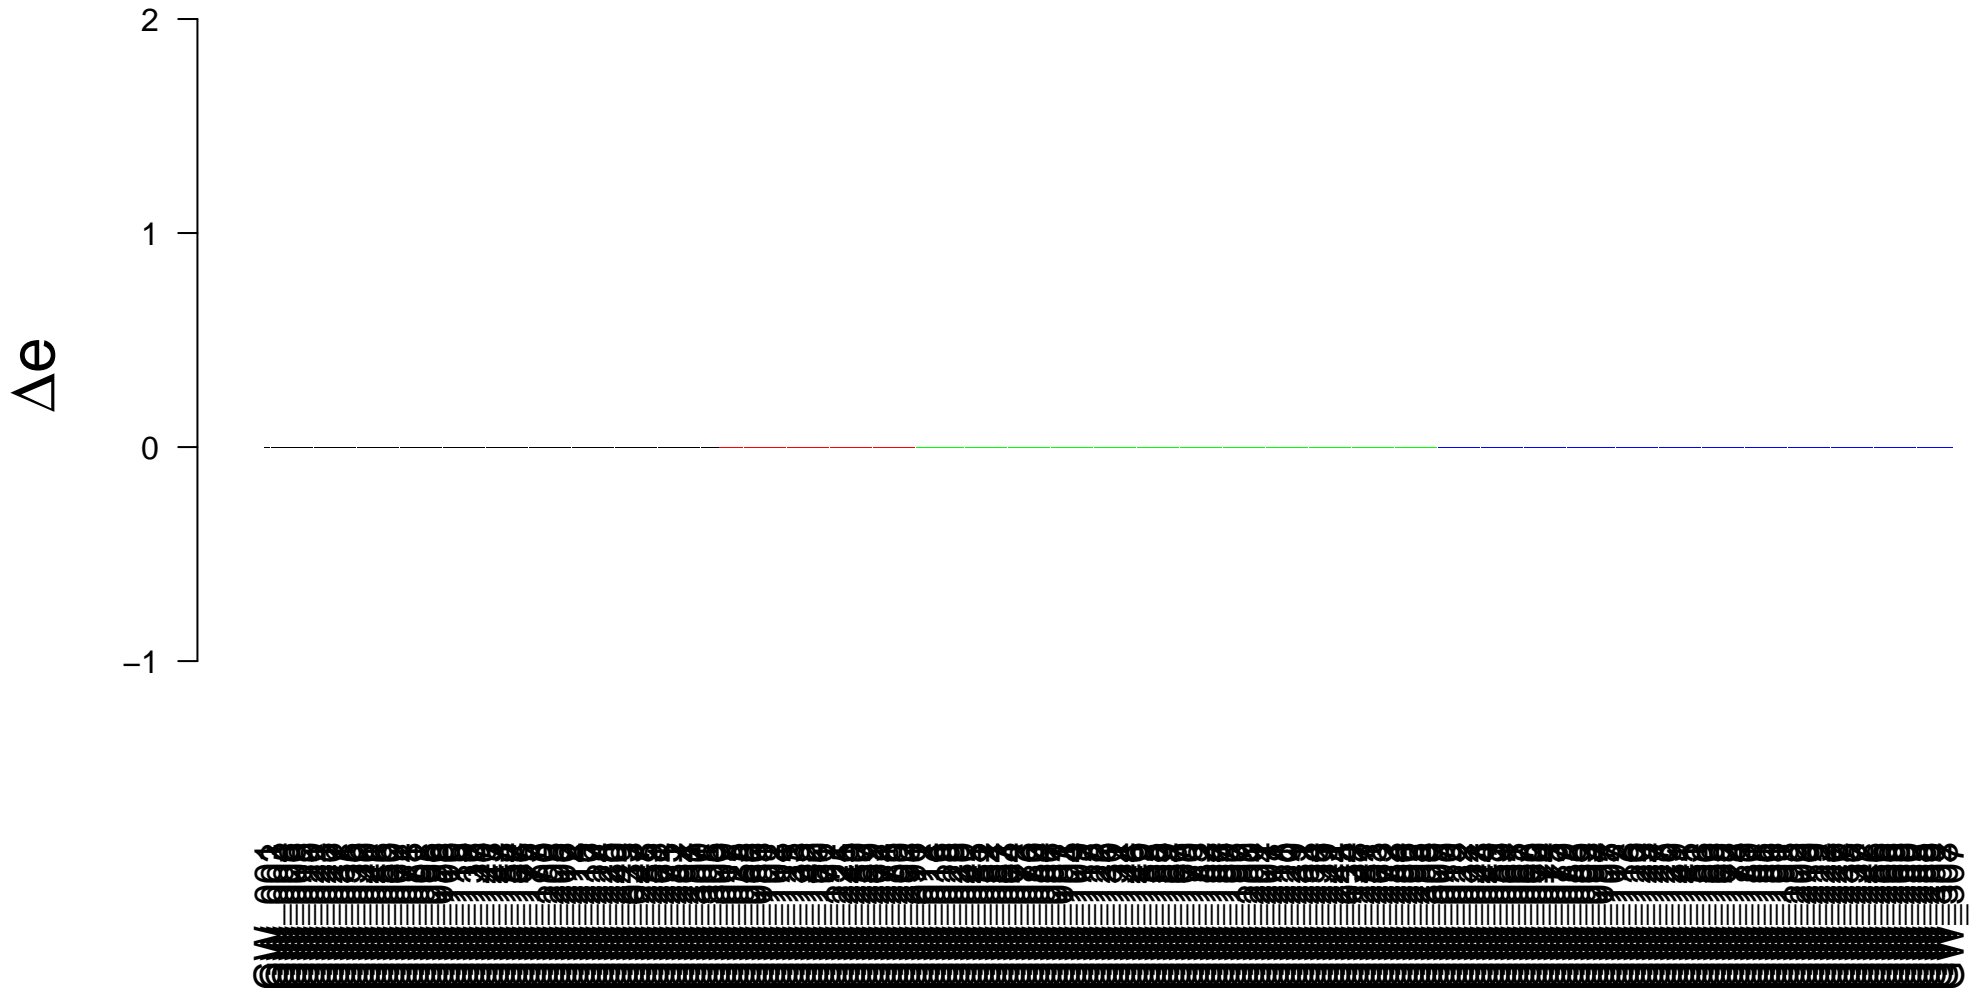

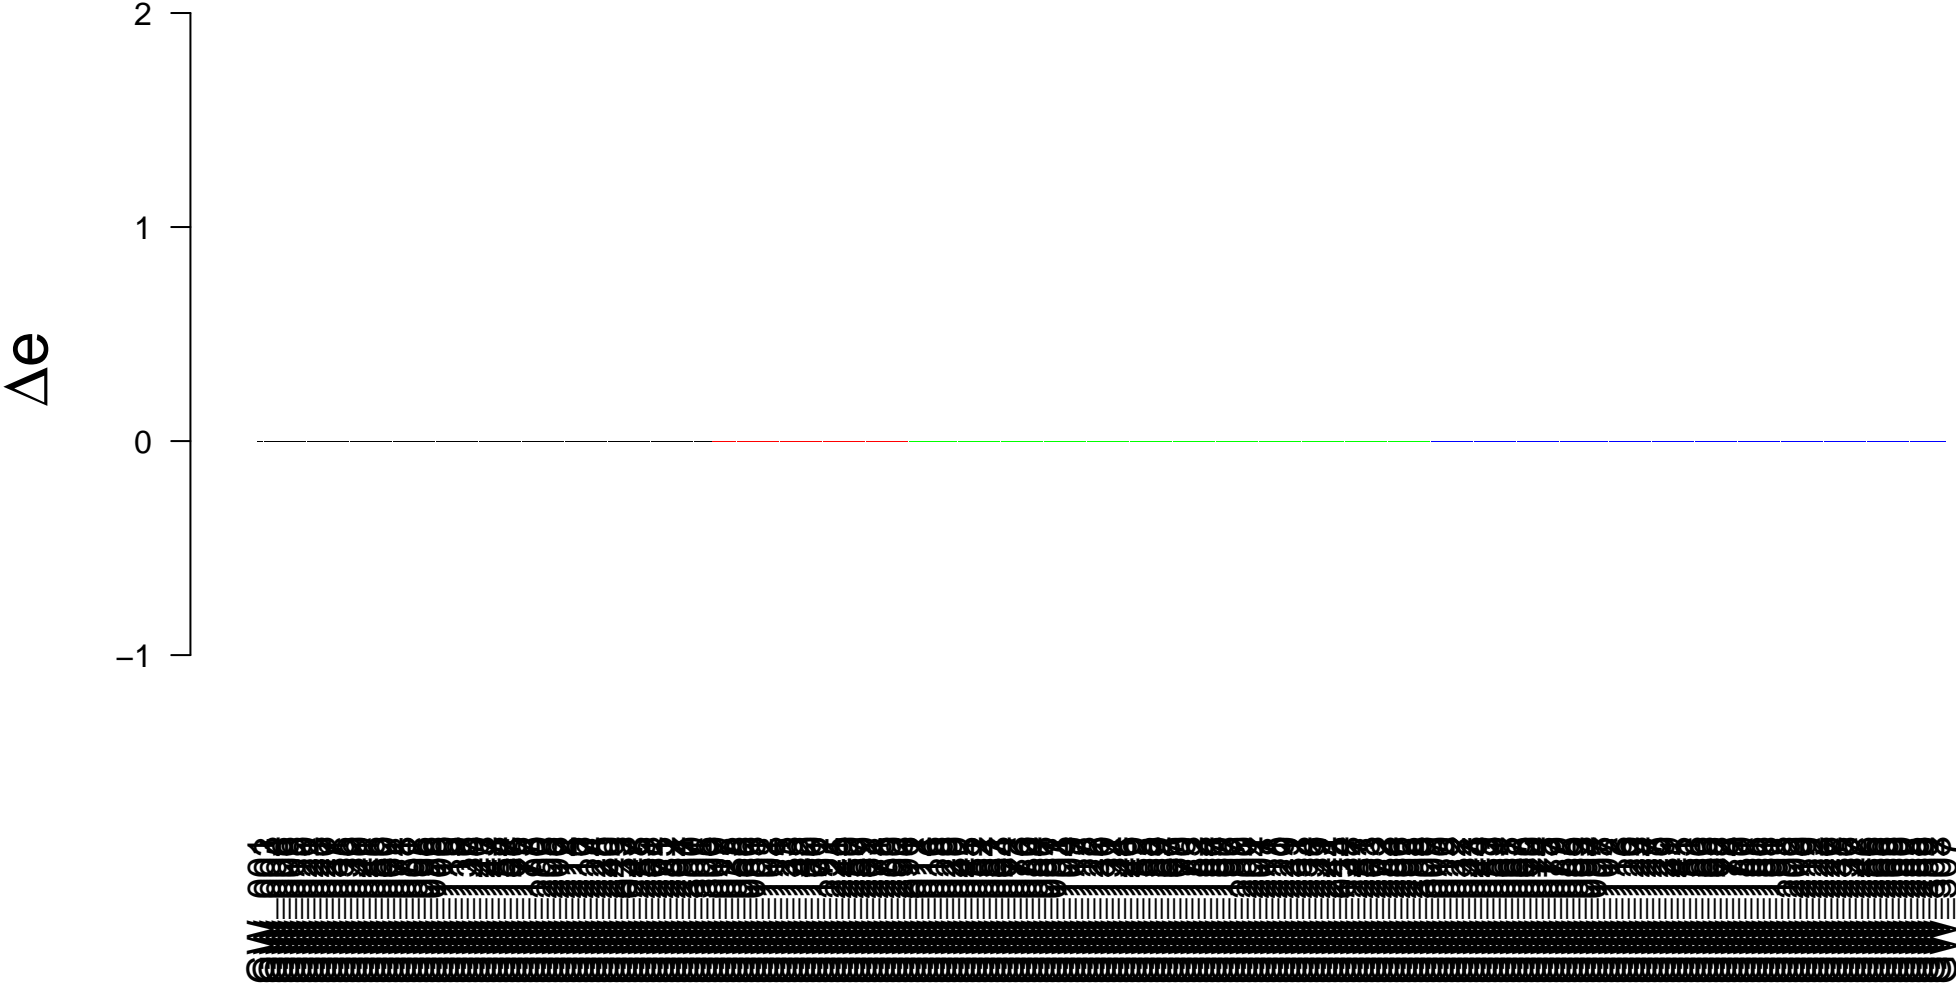

# Expression of regulation of cytokine production in Spot N

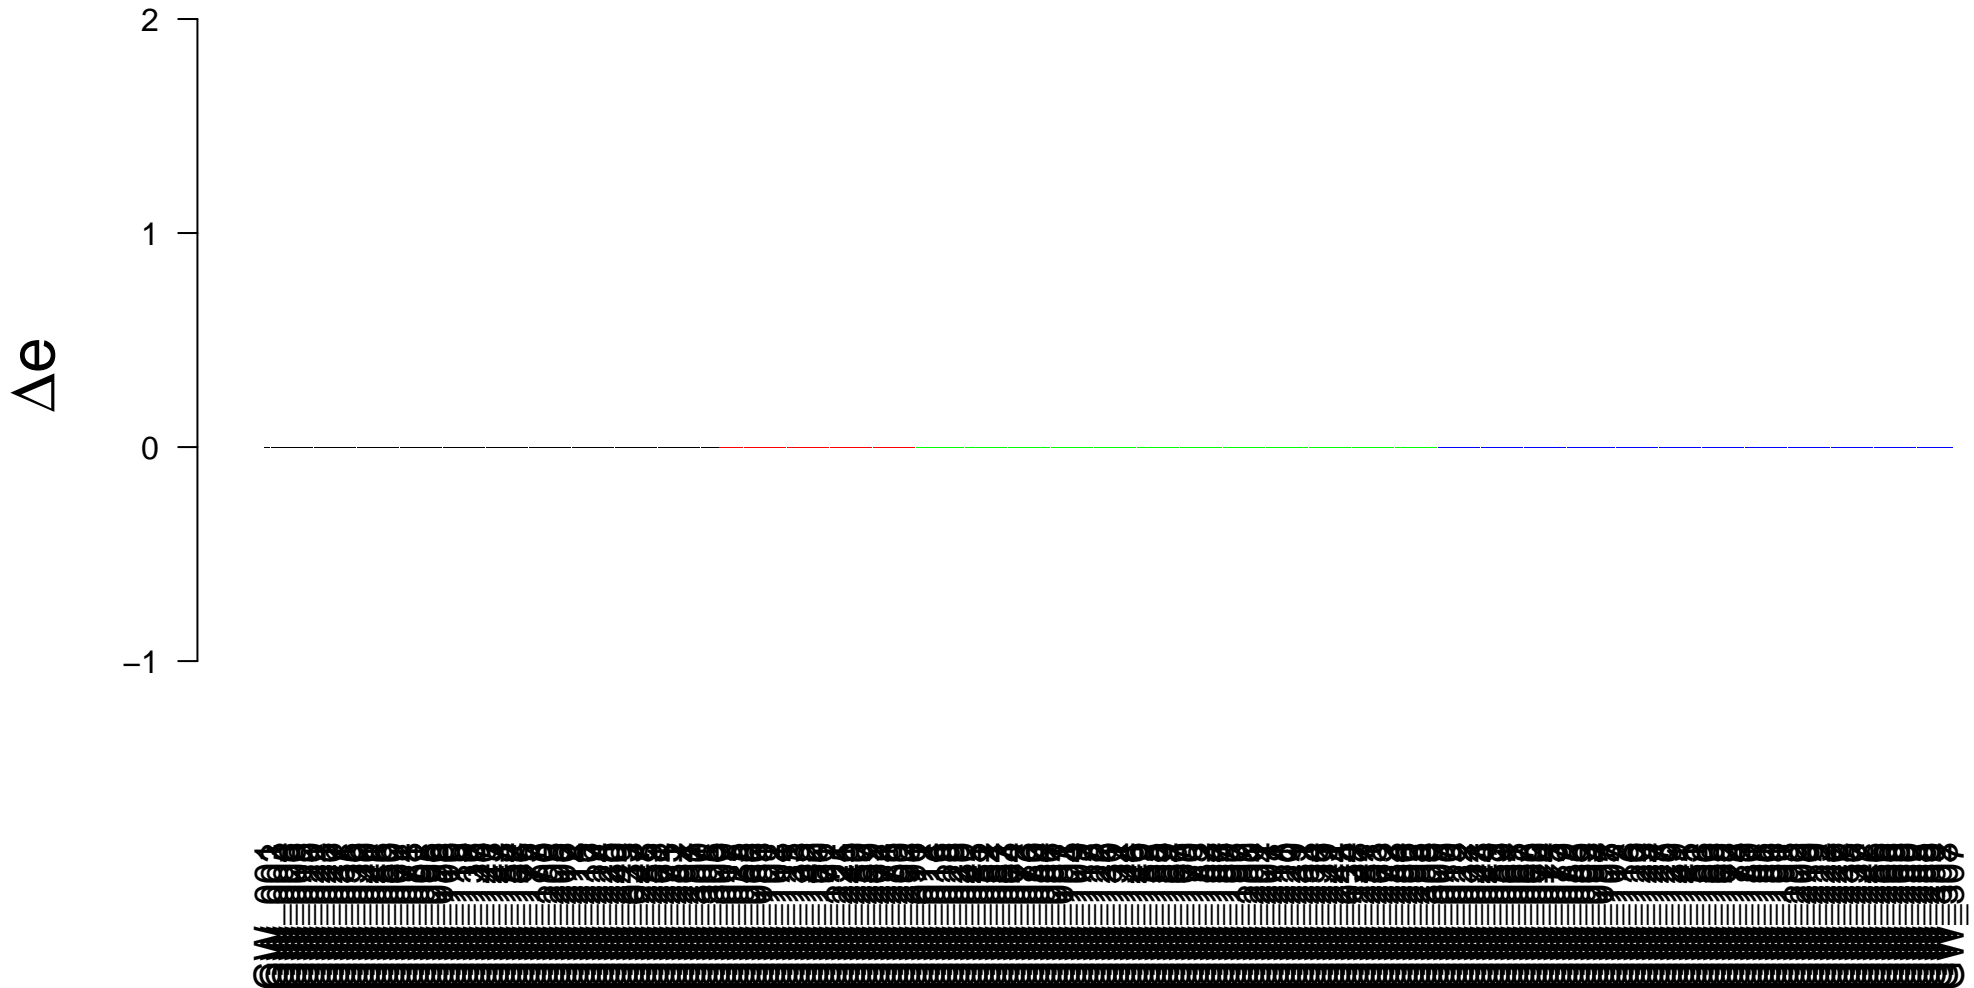

# Expression of regulation of cytokine production in Spot O

Expression of regulation of cytokine production in Spot P

# Expression of regulation of cytokine production in Spot Q

# Expression of regulation of cytokine production in Spot R
