regulation of cytokinesis

Enrichment in spots: regulation of cytokines

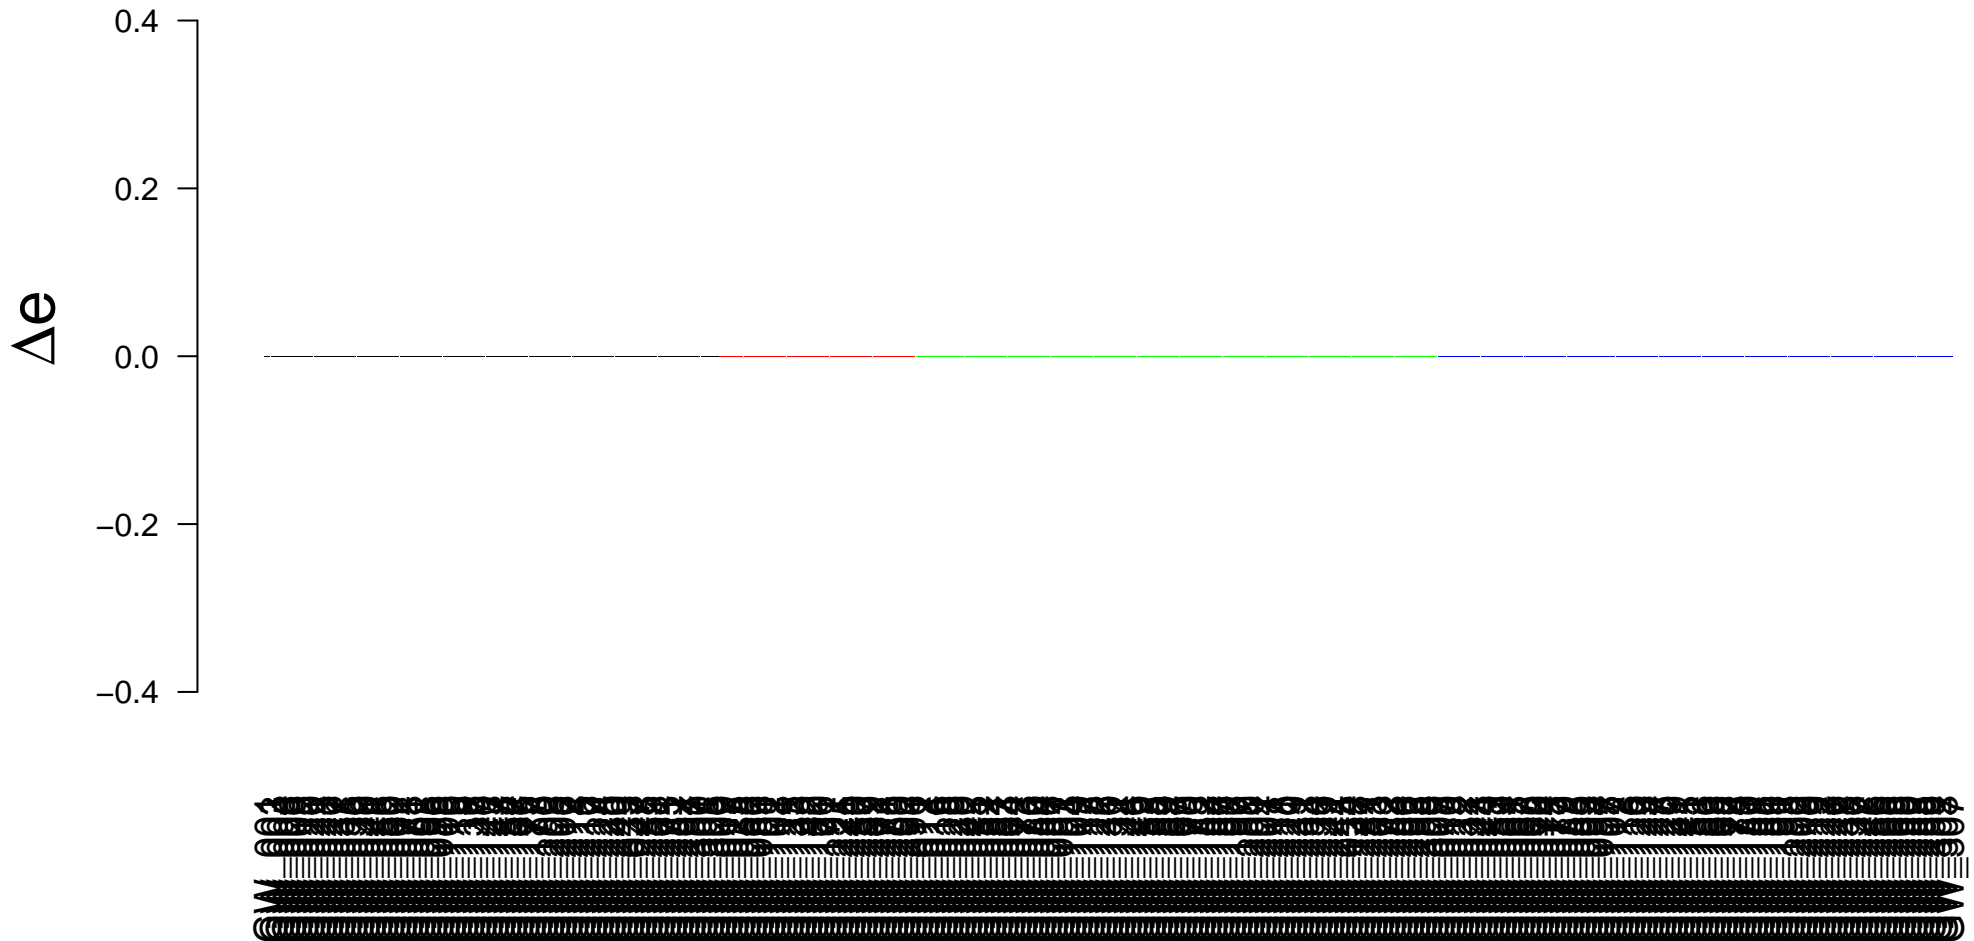

Expression of regulation of cytokinesis in Spot A

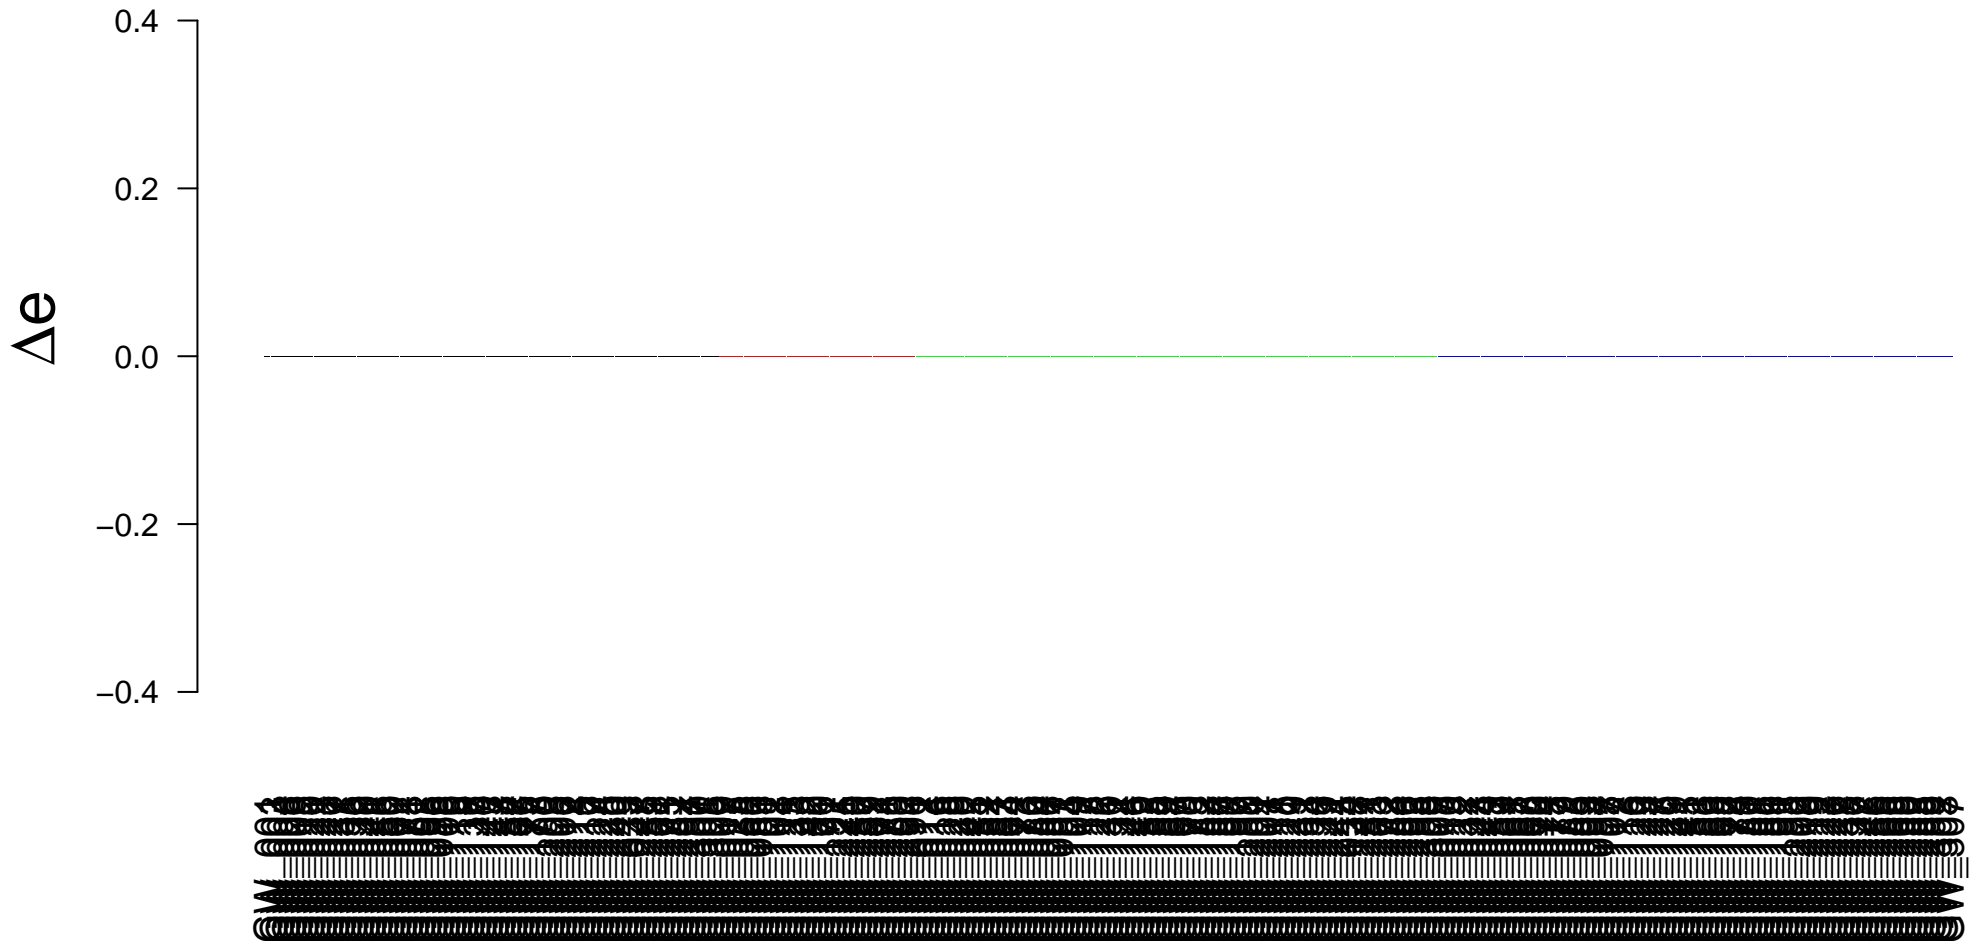

Expression of regulation of cytokinesis in Spot B

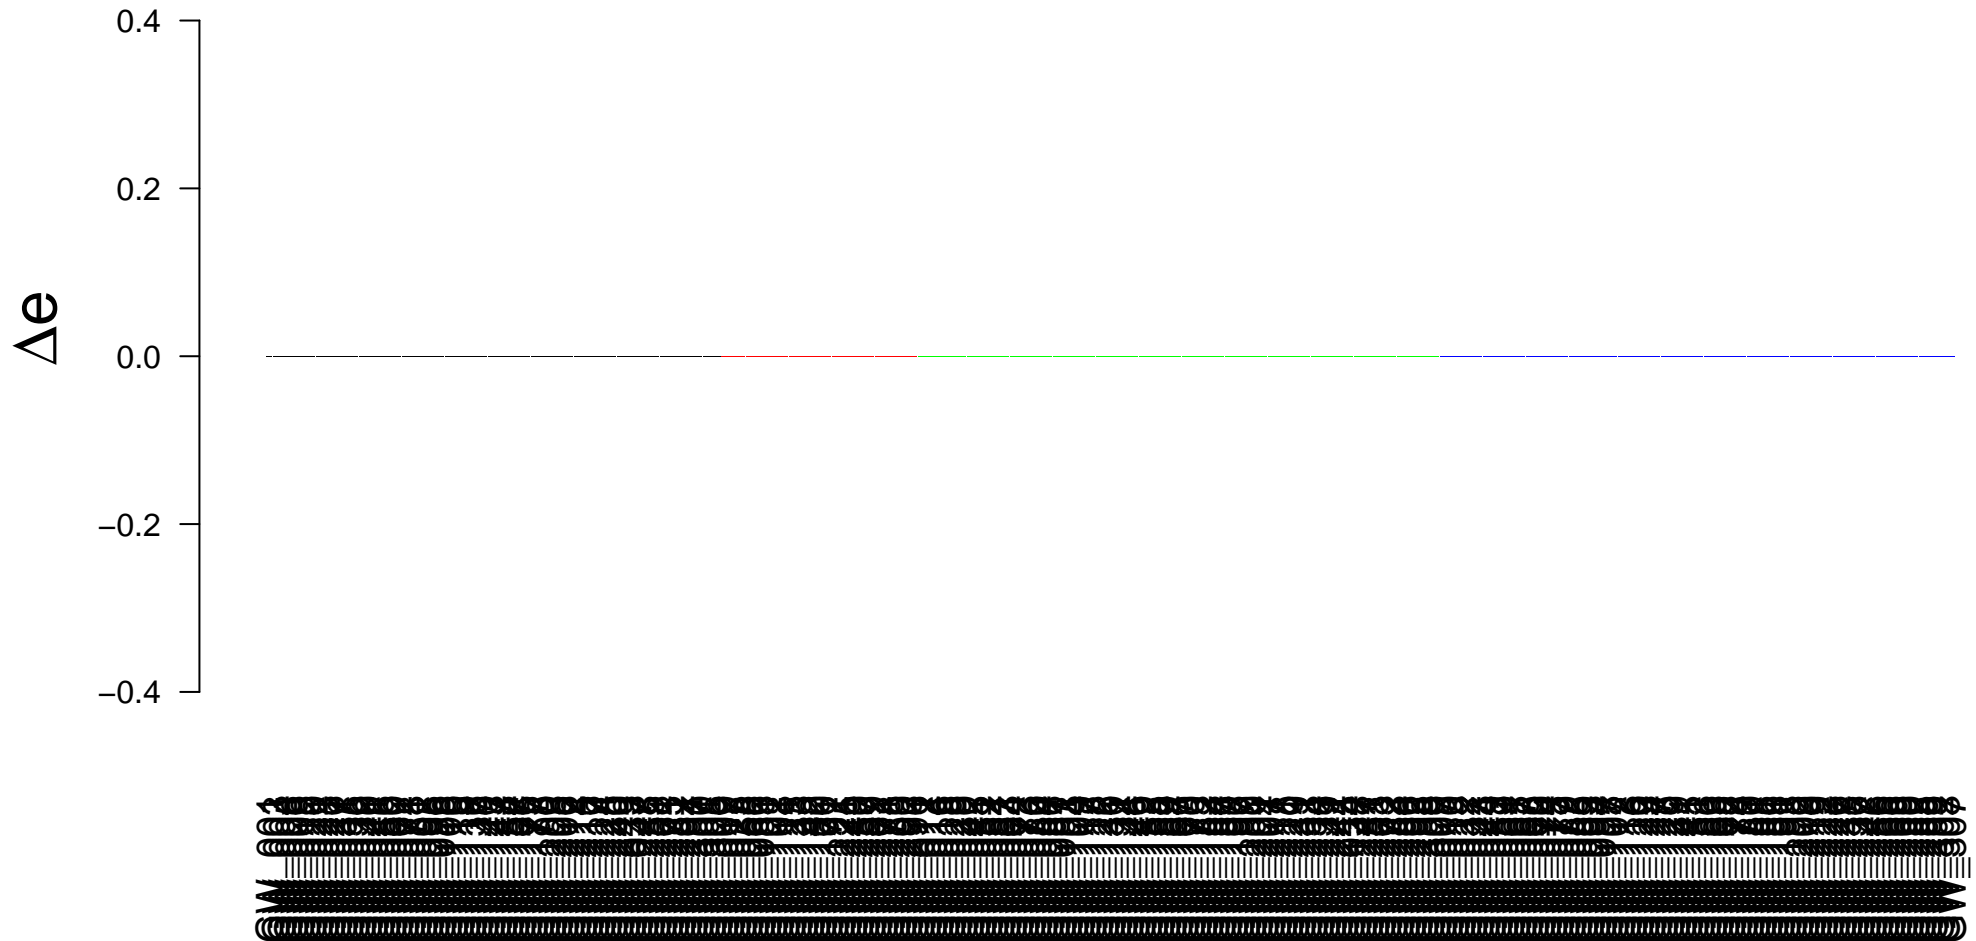

Expression of regulation of cytokinesis in Spot C

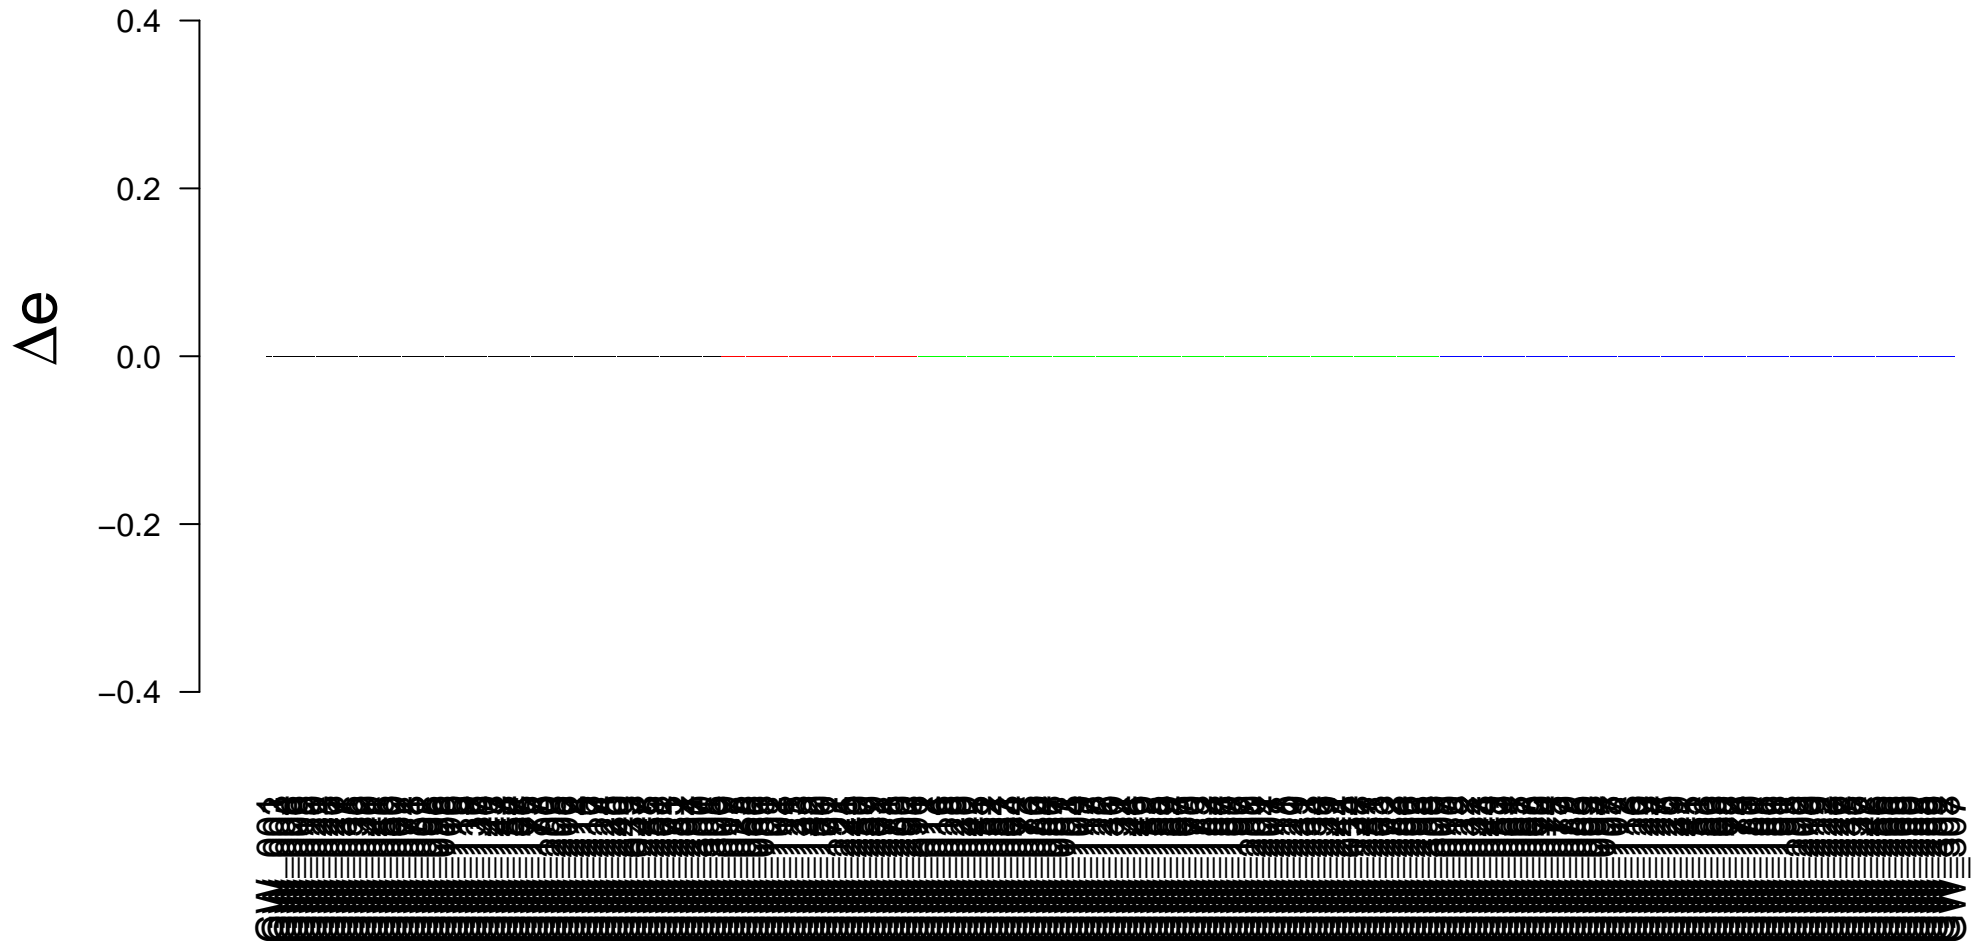

Expression of regulation of cytokinesis in Spot D

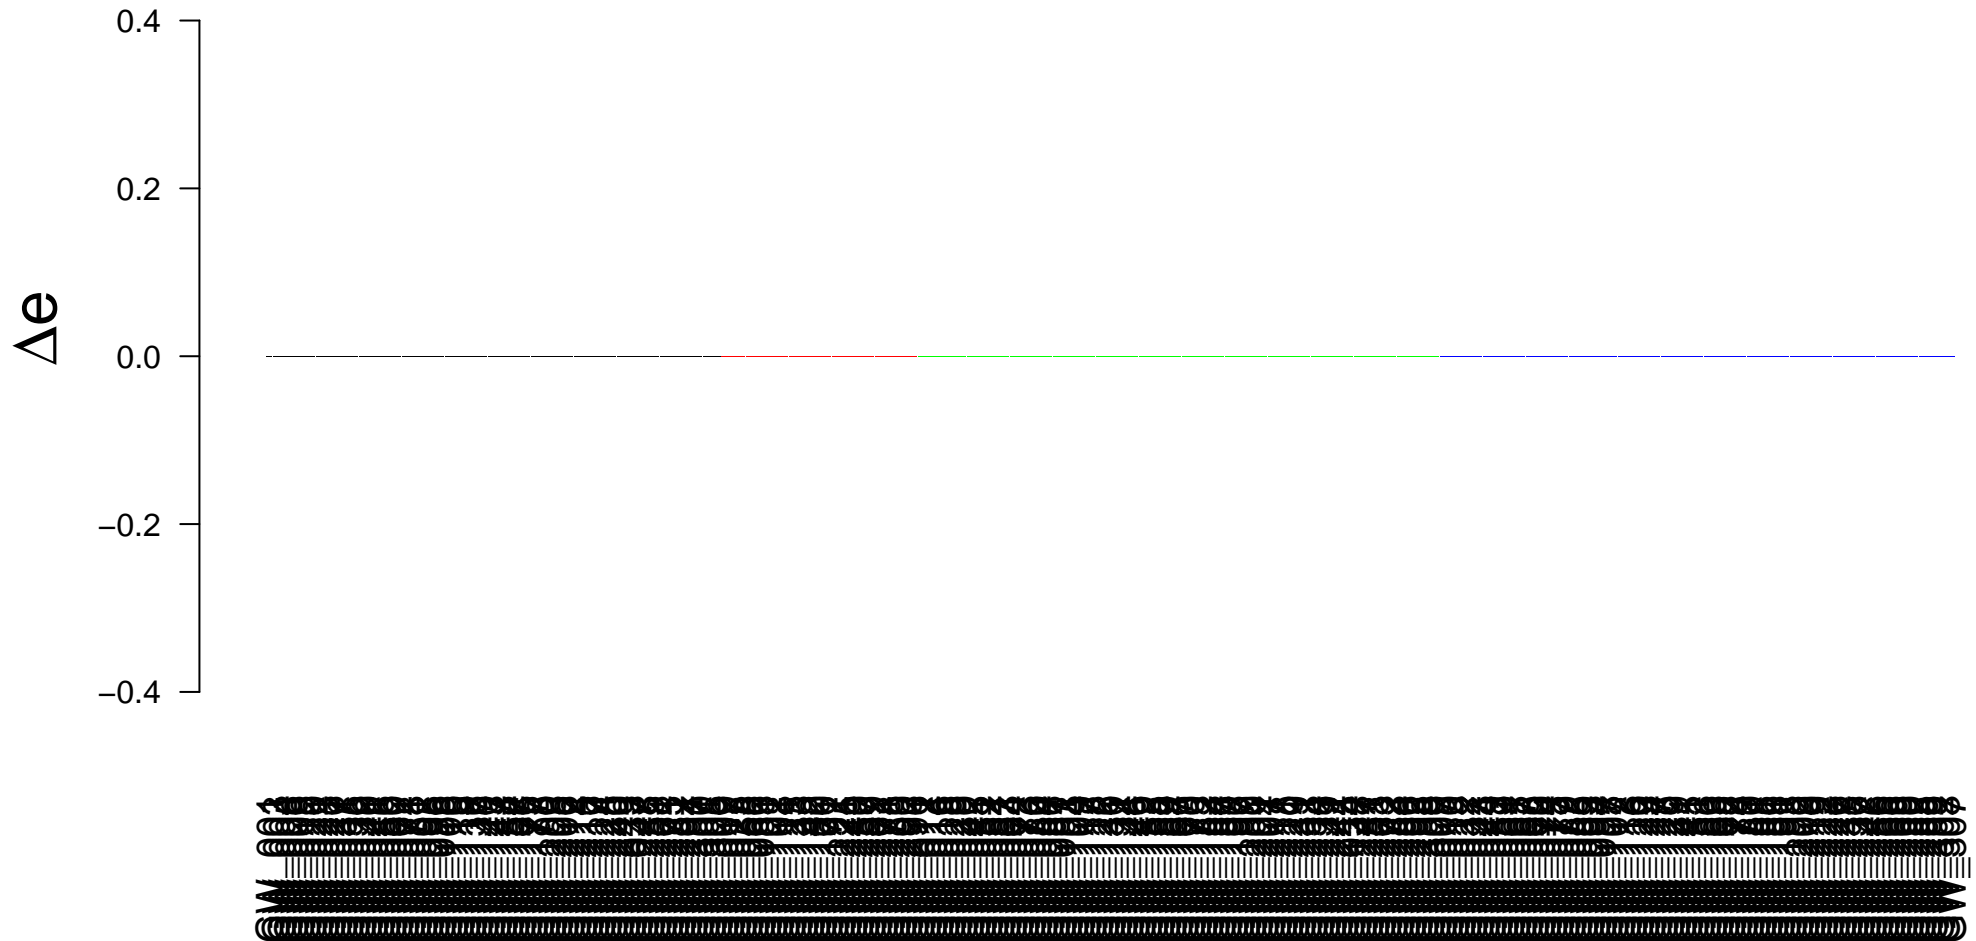

Expression of regulation of cytokinesis in Spot E

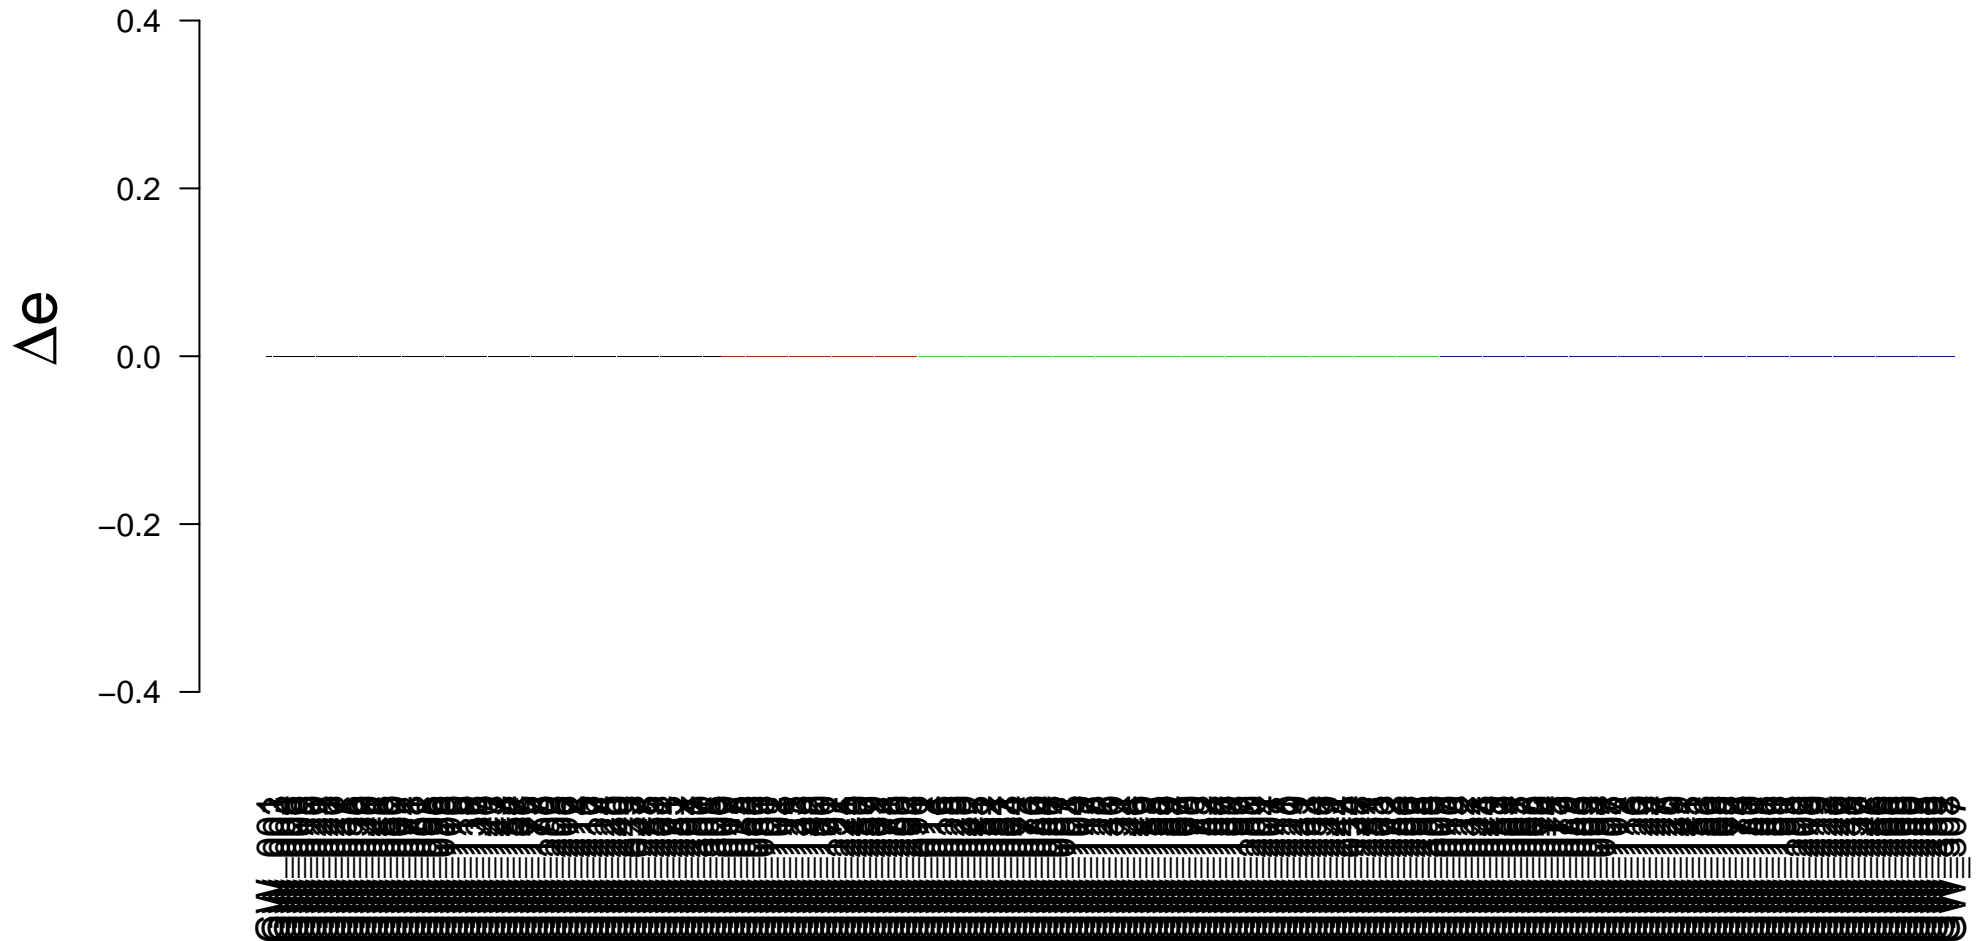

Expression of regulation of cytokinesis in Spot F

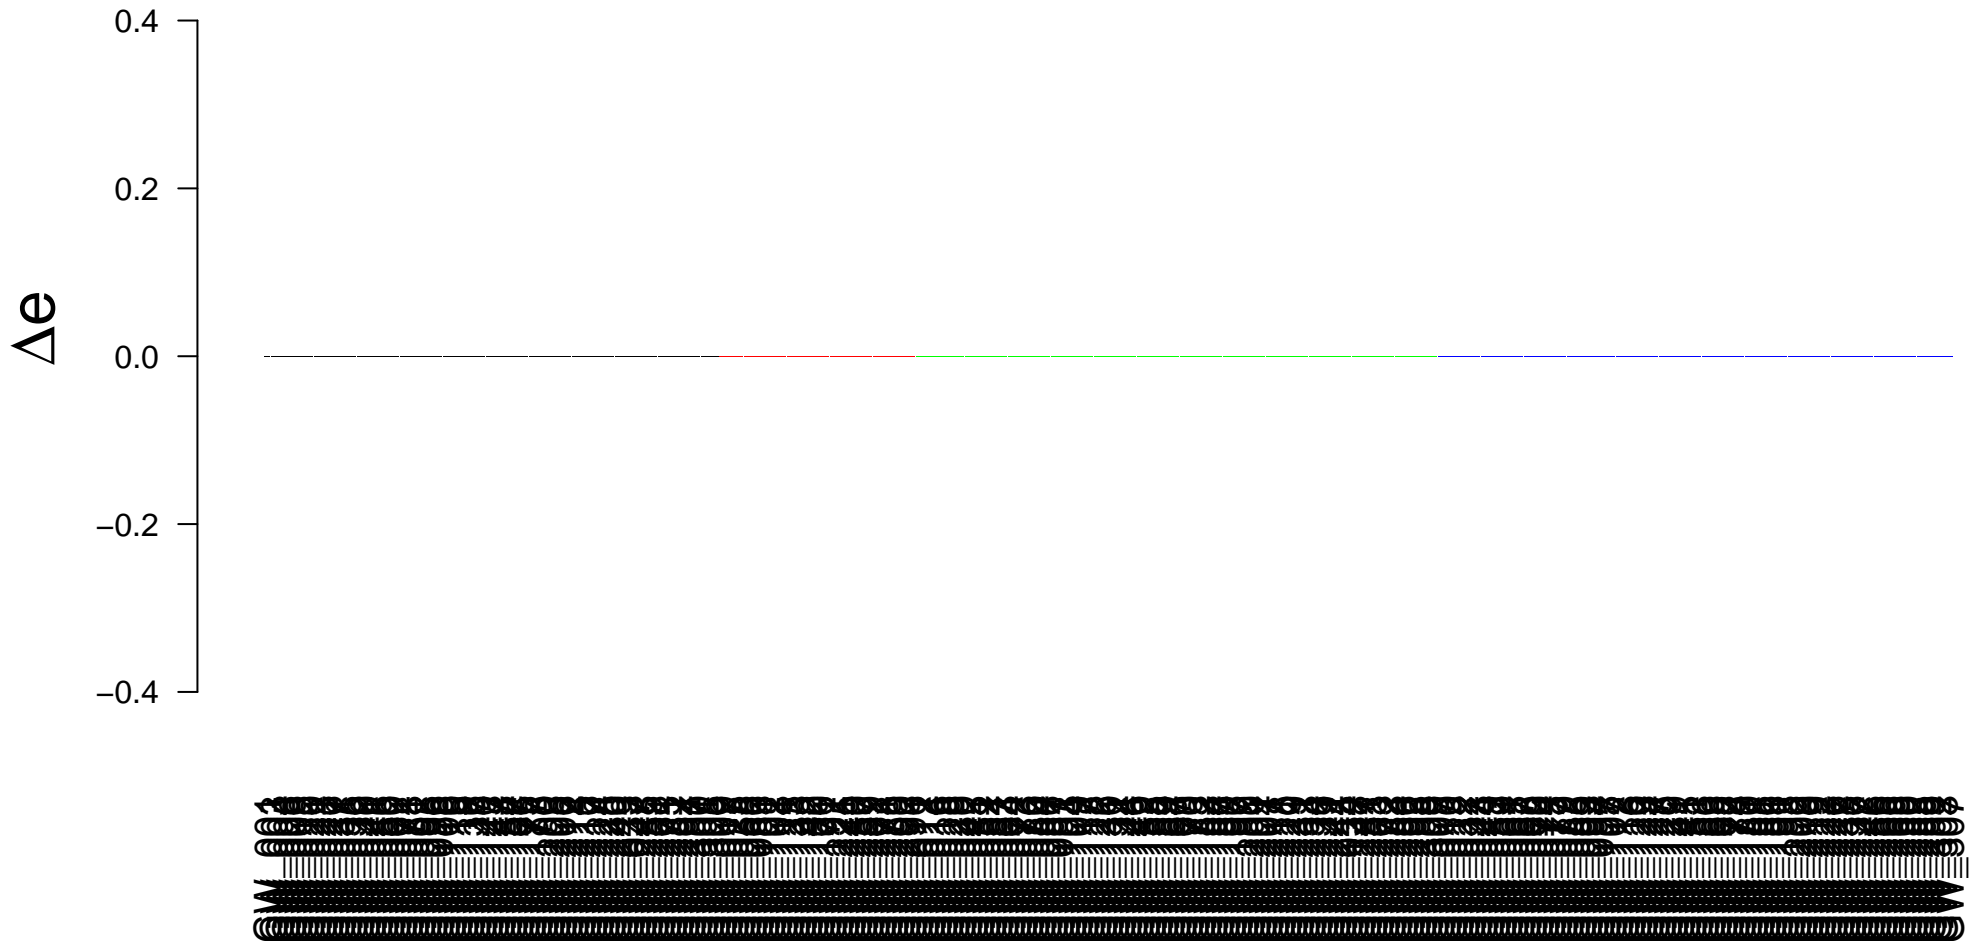

Expression of regulation of cytokinesis in Spot G

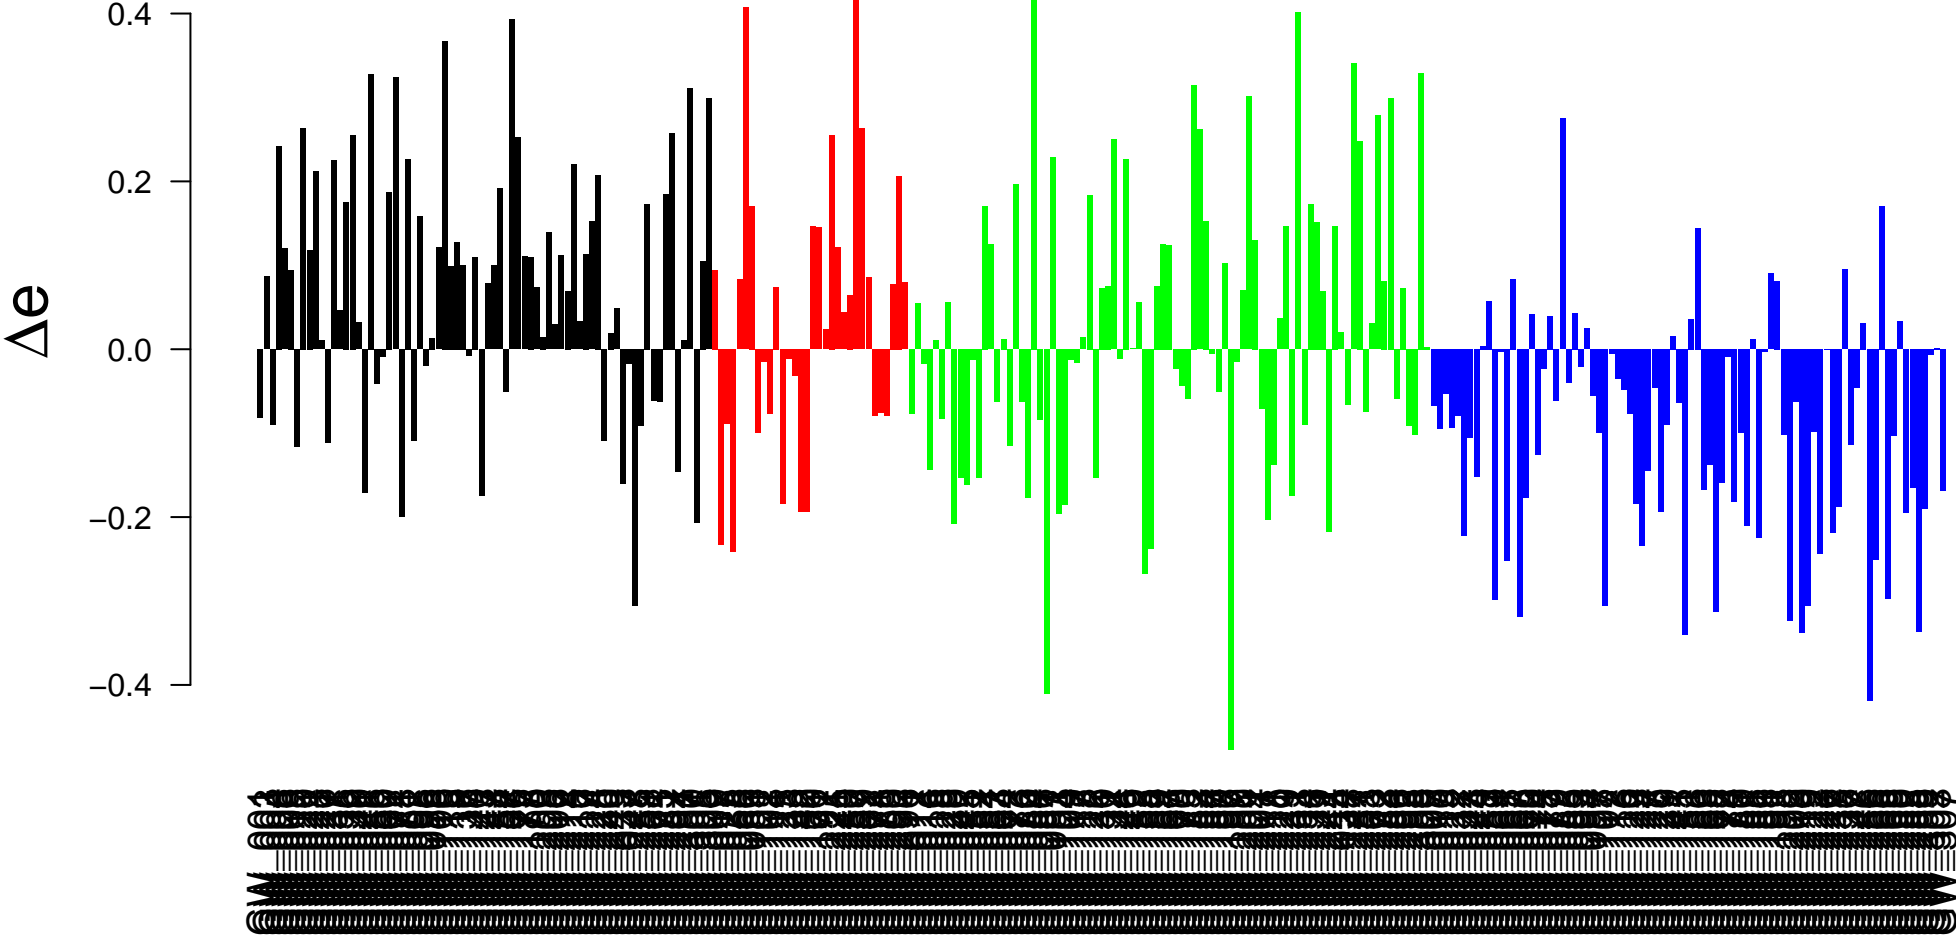

Expression of regulation of cytokinesis in Spot H

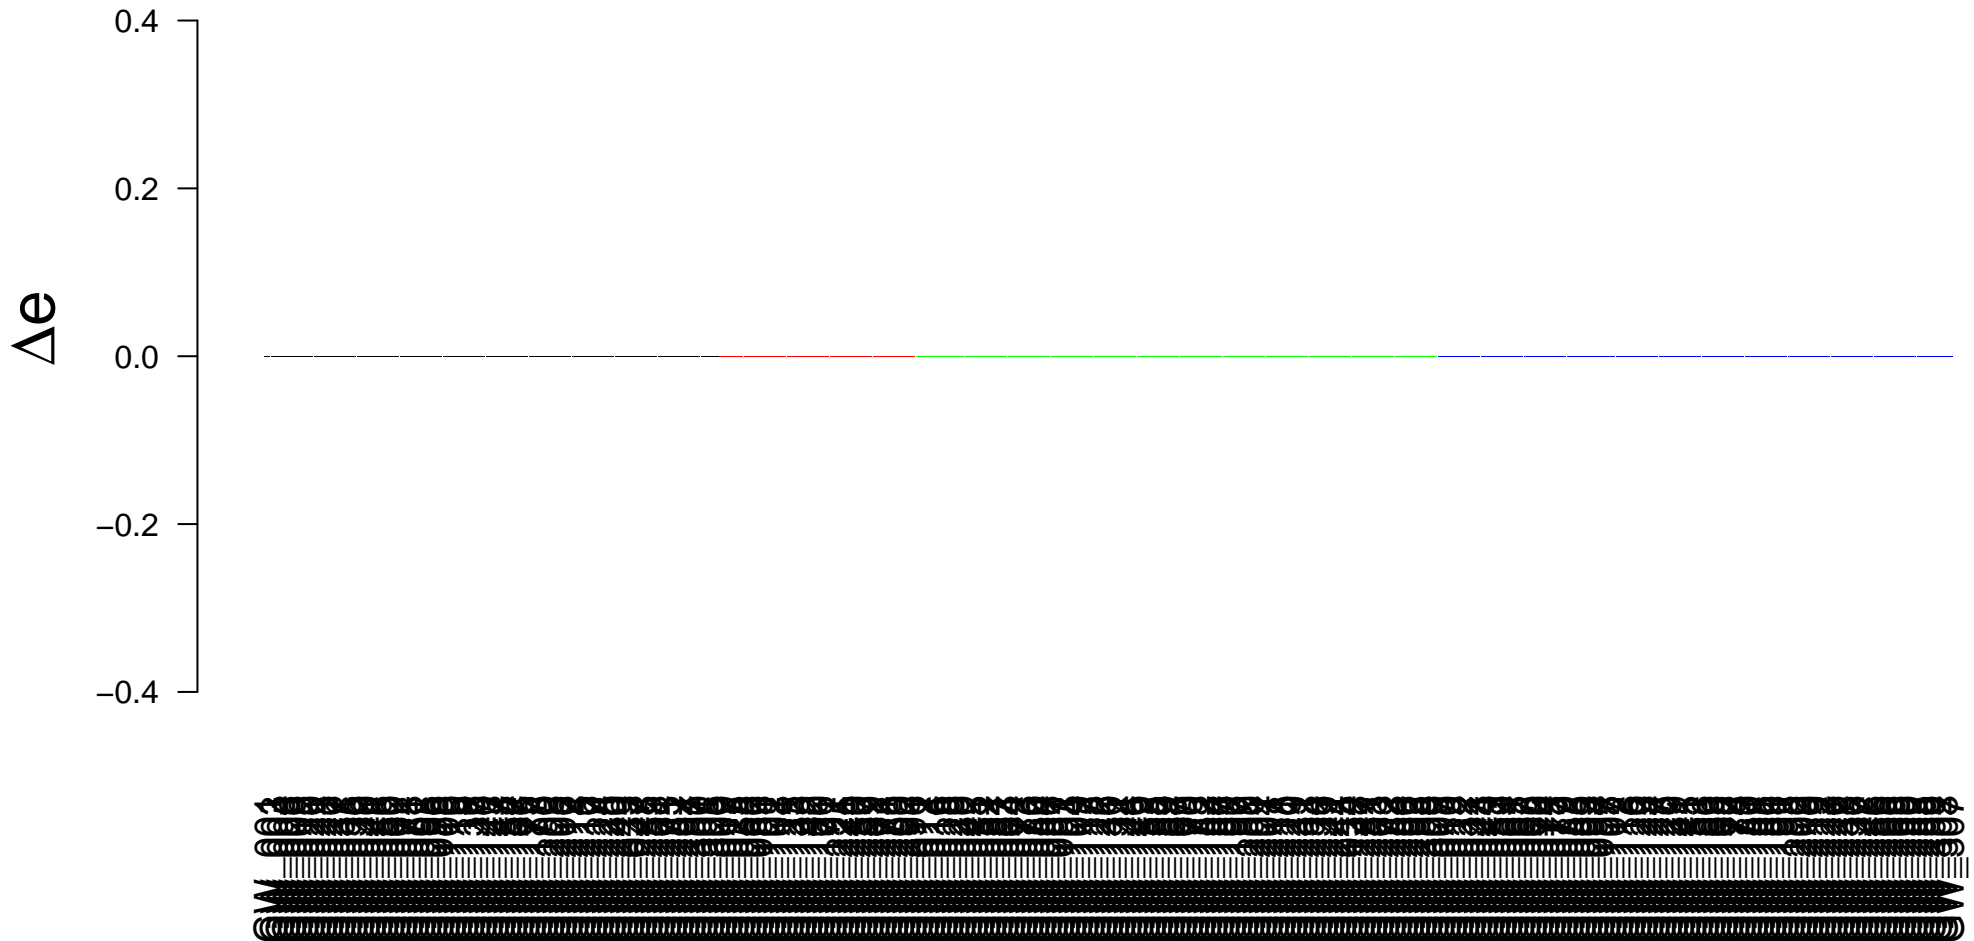

Expression of regulation of cytokinesis in Spot I

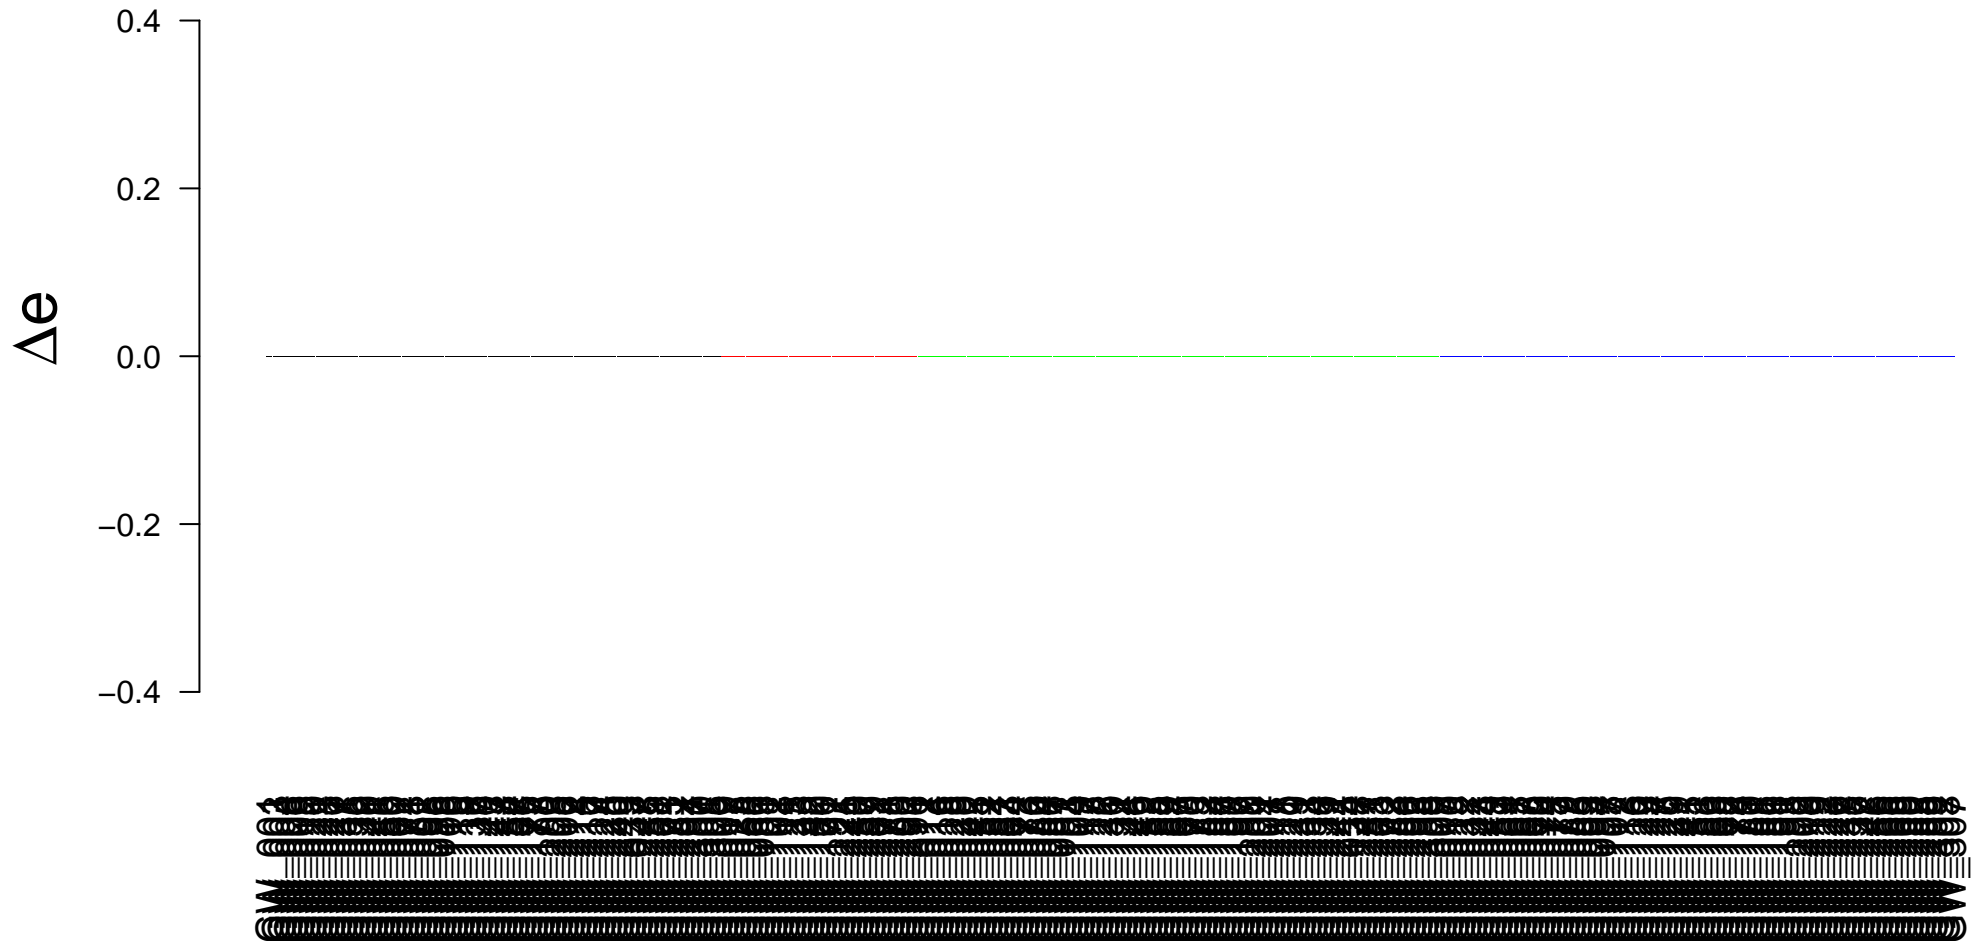

Expression of regulation of cytokinesis in Spot J

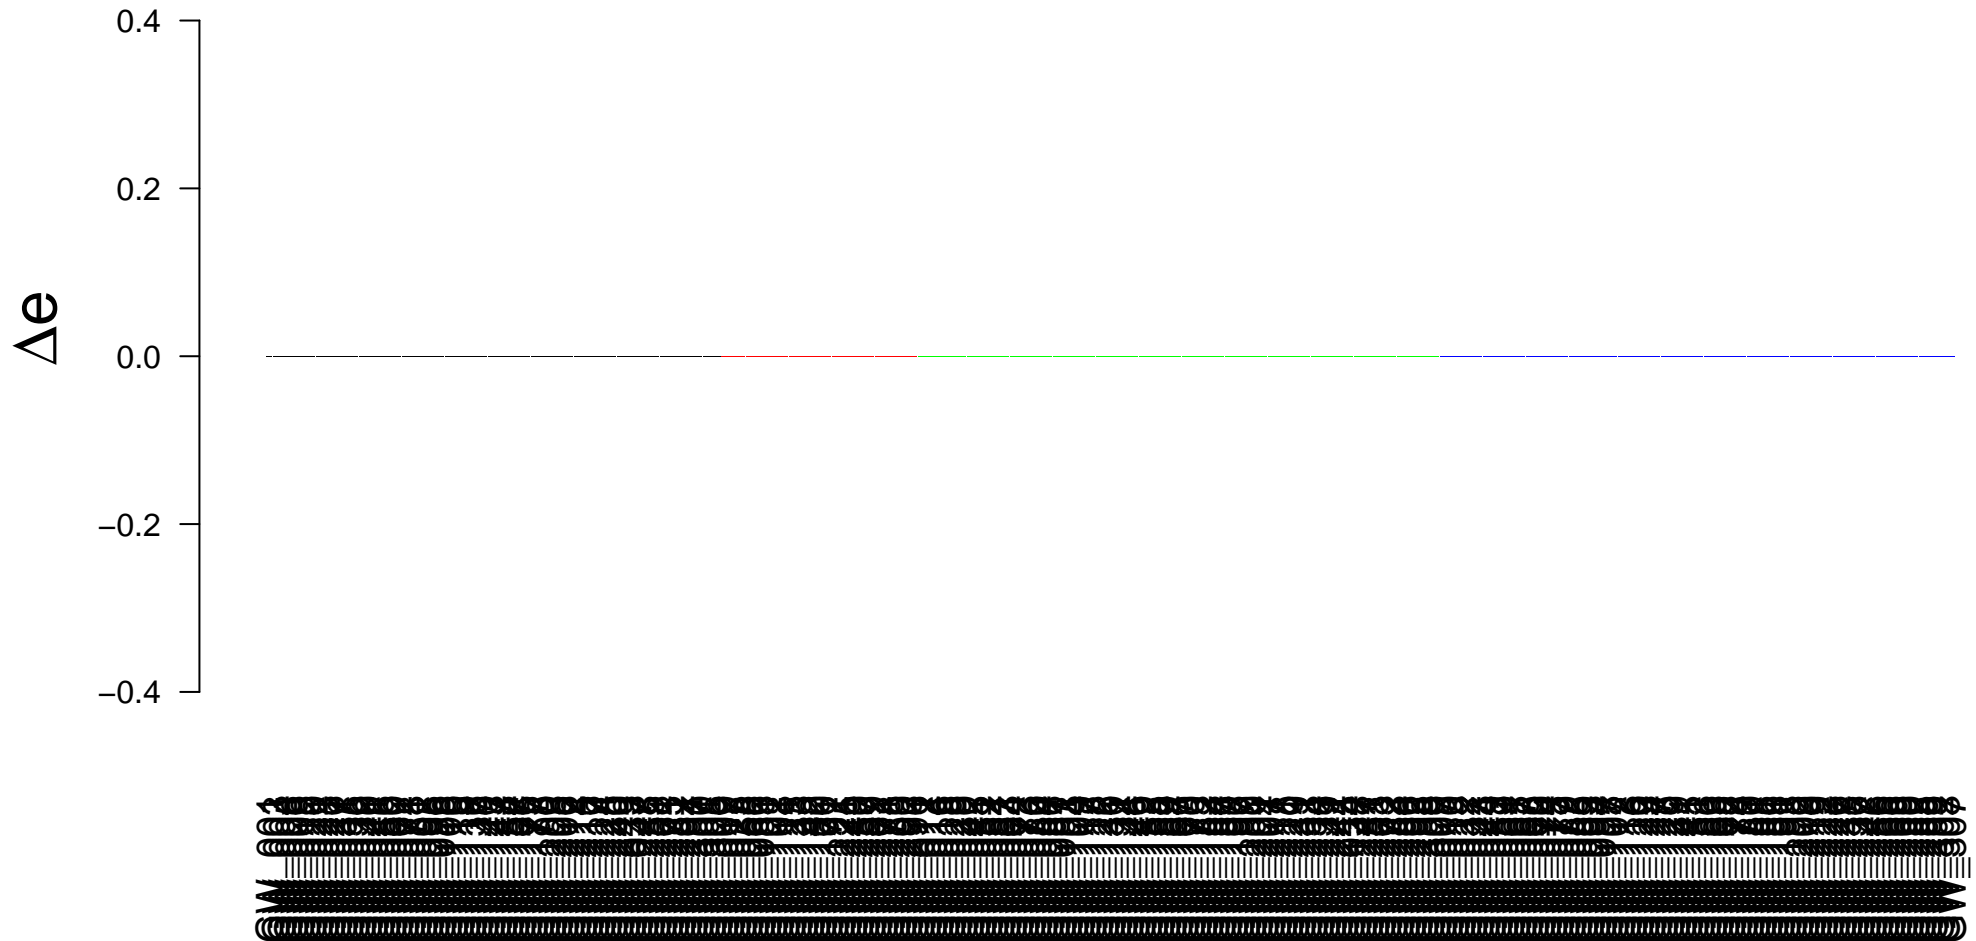

Expression of regulation of cytokinesis in Spot K

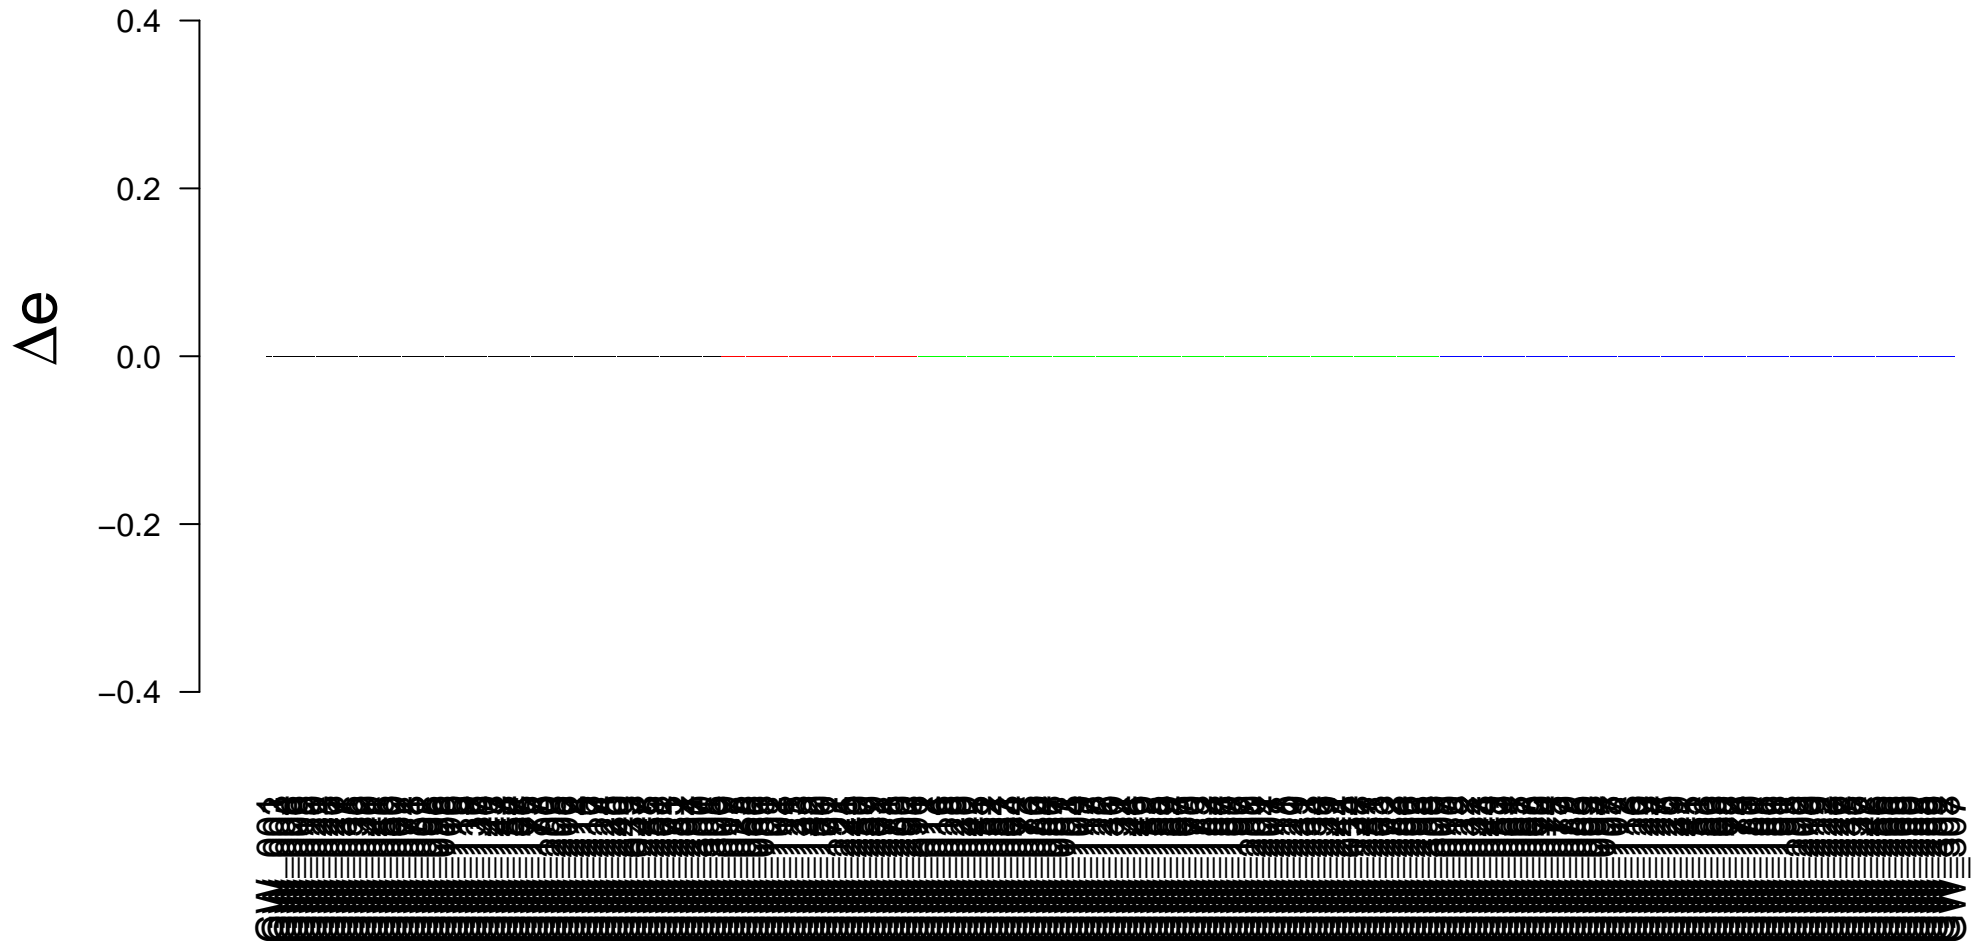

Expression of regulation of cytokinesis in Spot L

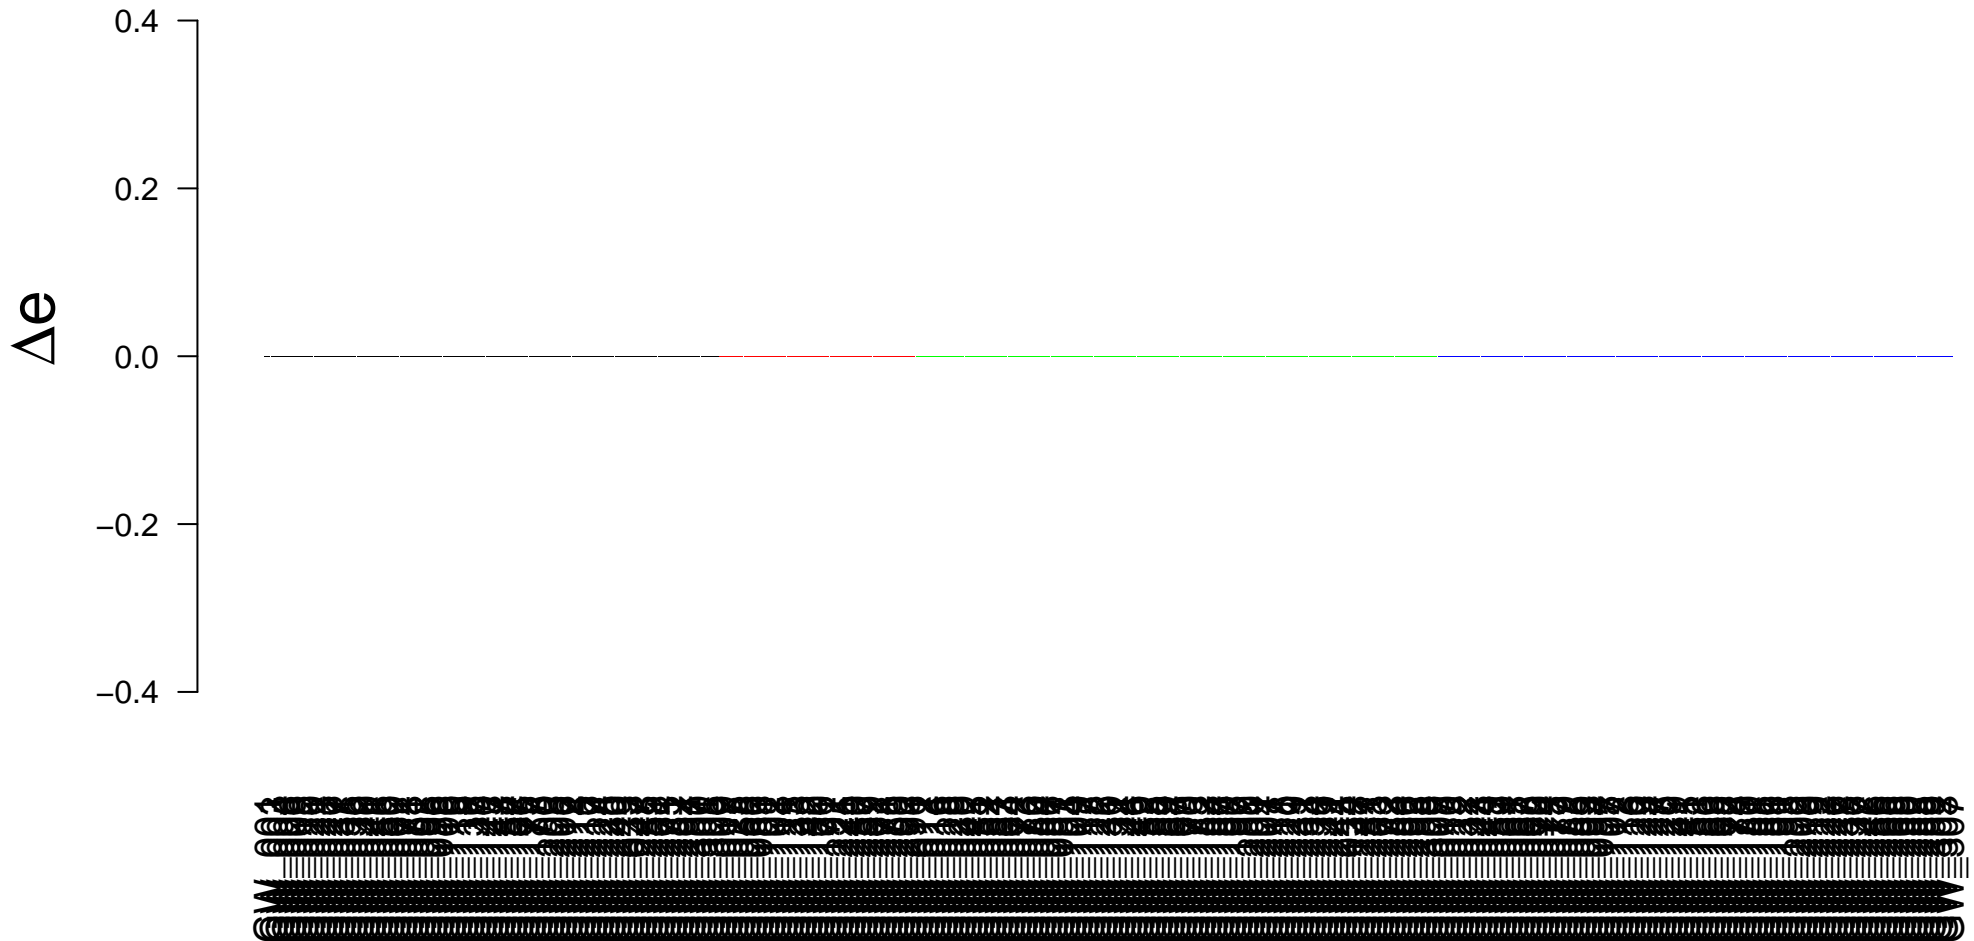

Expression of regulation of cytokinesis in Spot M

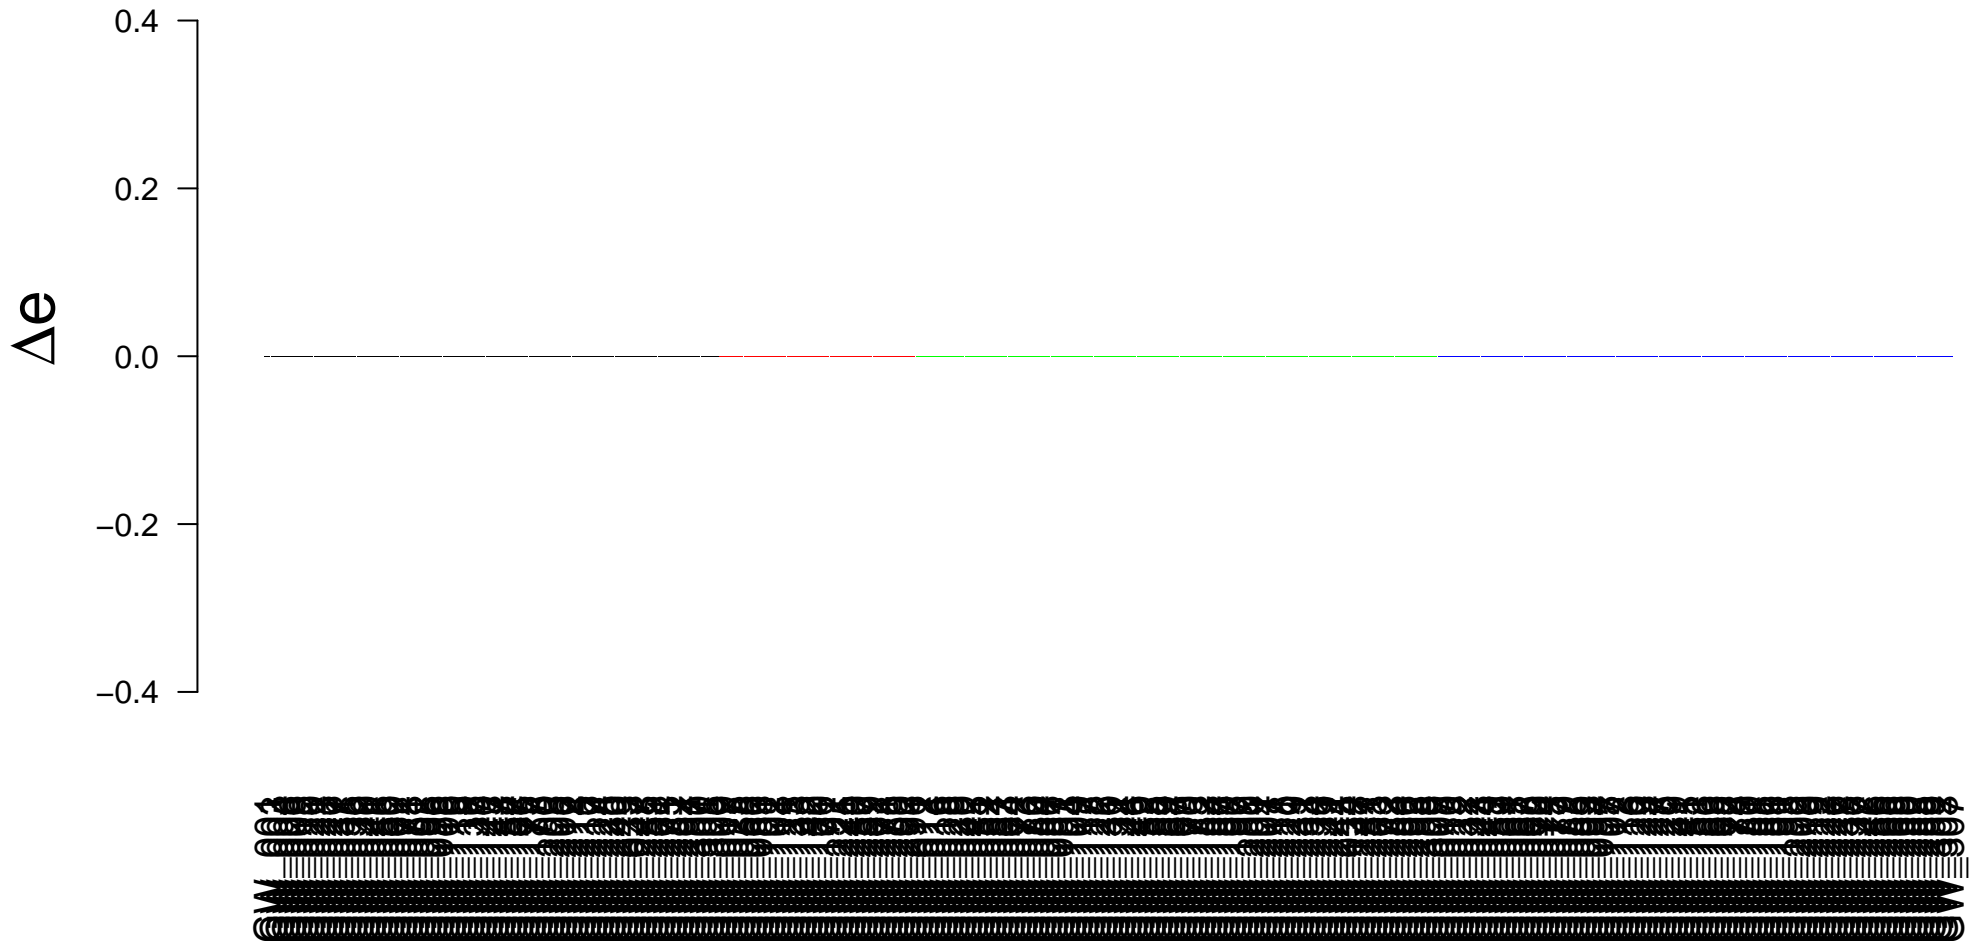

Expression of regulation of cytokinesis in Spot N

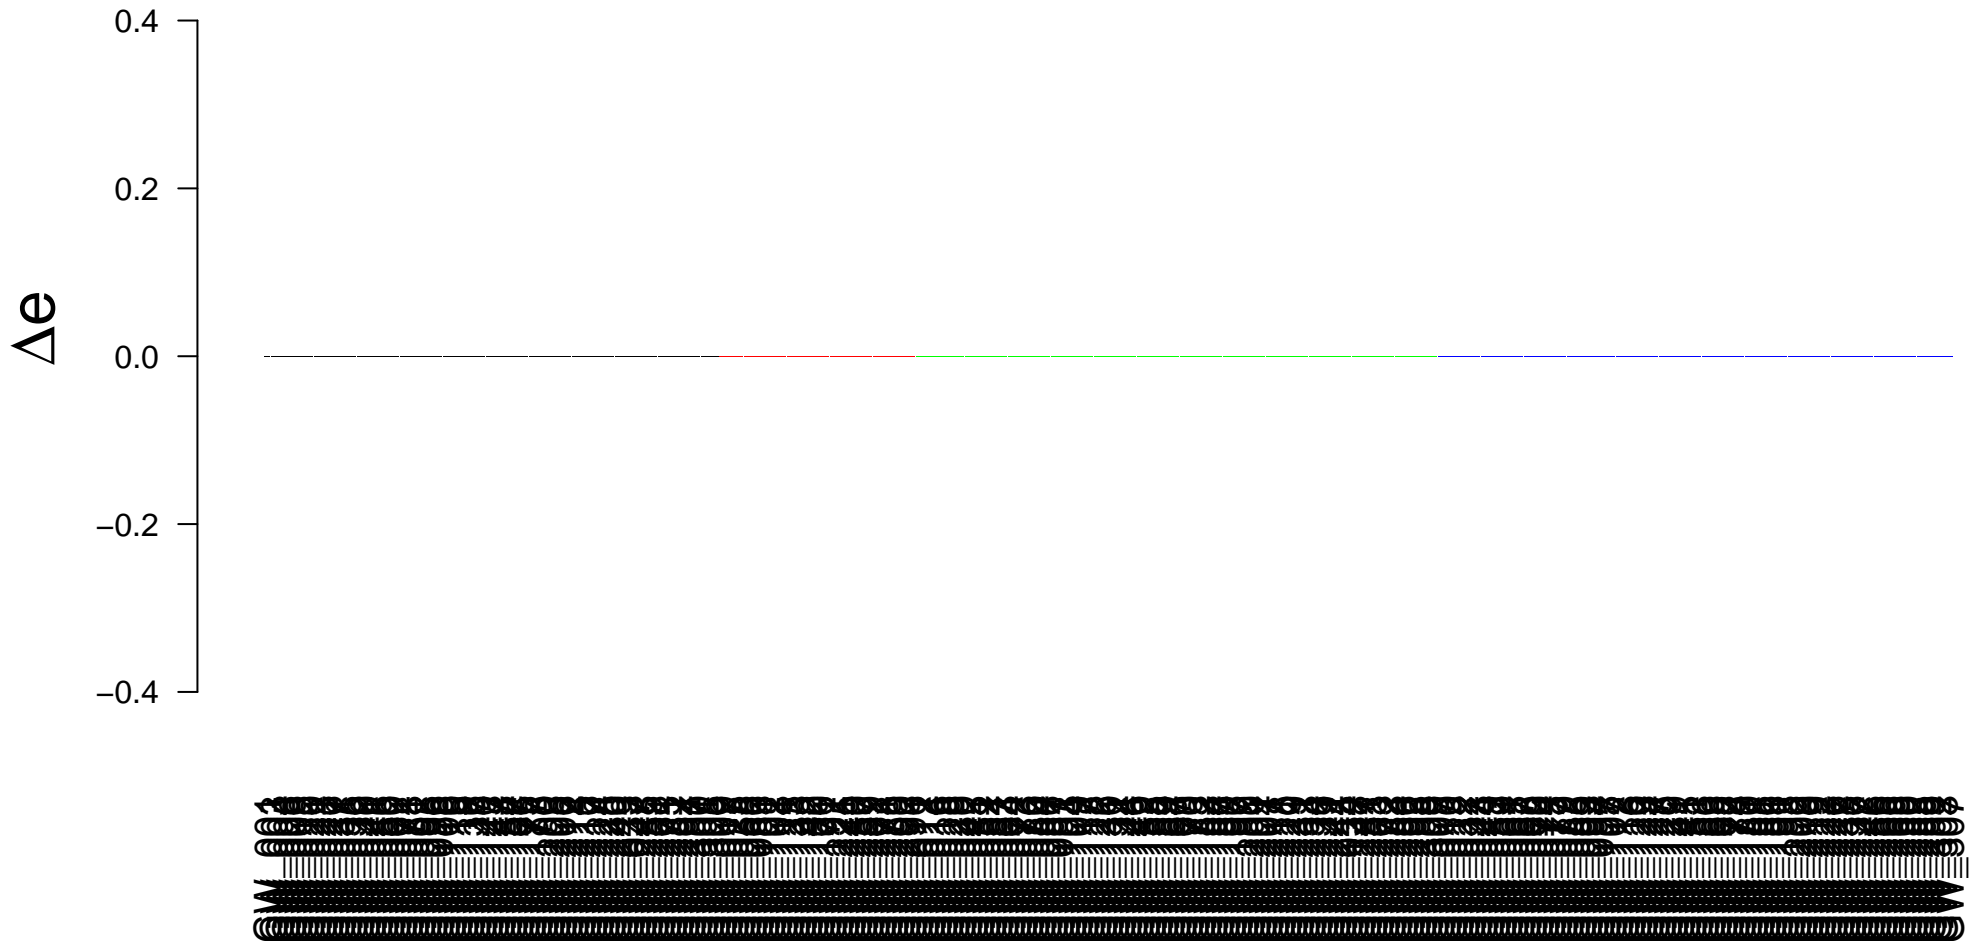

Expression of regulation of cytokinesis in Spot O

Expression of regulation of cytokinesis in Spot P

Expression of regulation of cytokinesis in Spot Q

Expression of regulation of cytokinesis in Spot R
