

# regulation of exocytosis

# regulation of exocytosis

# Enrichment in spots: regulation of exocytosis

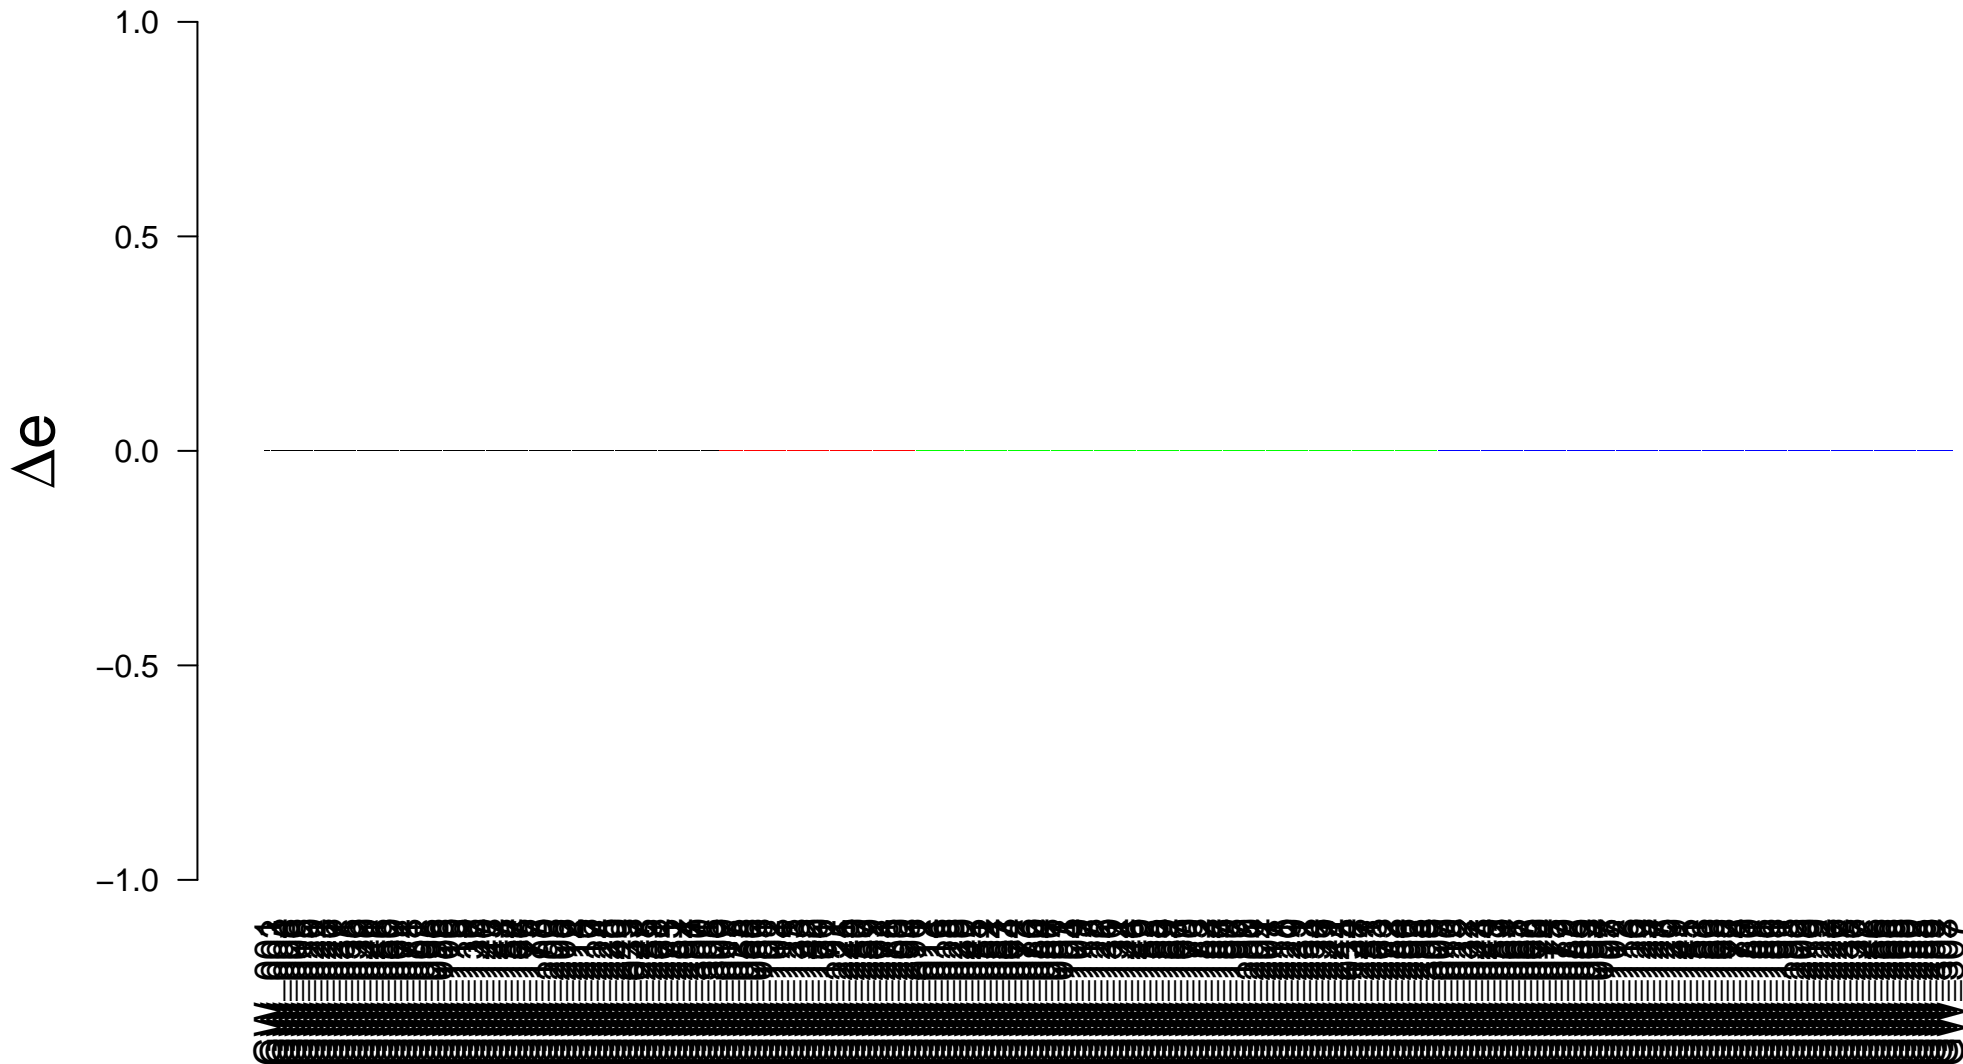

# Expression of regulation of exocytosis in Spot A

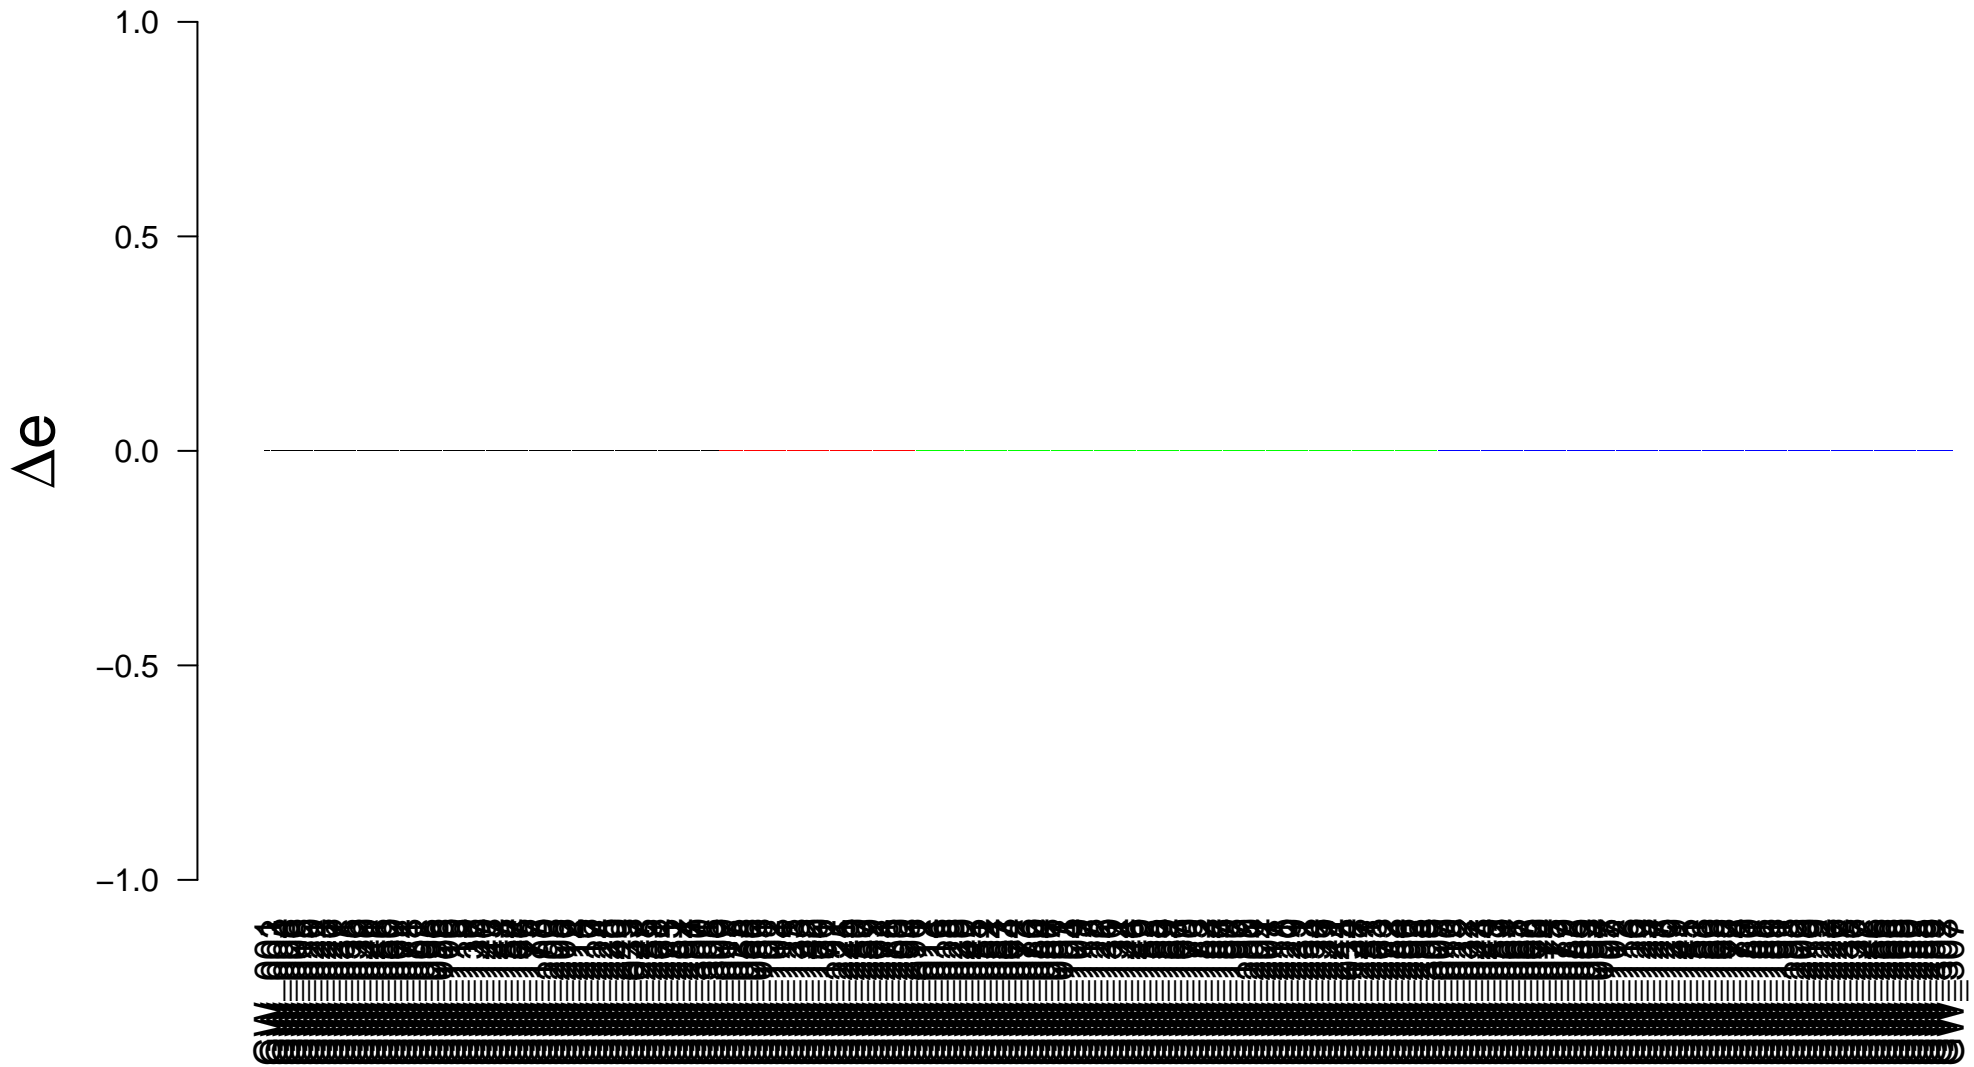

# Expression of regulation of exocytosis in Spot B

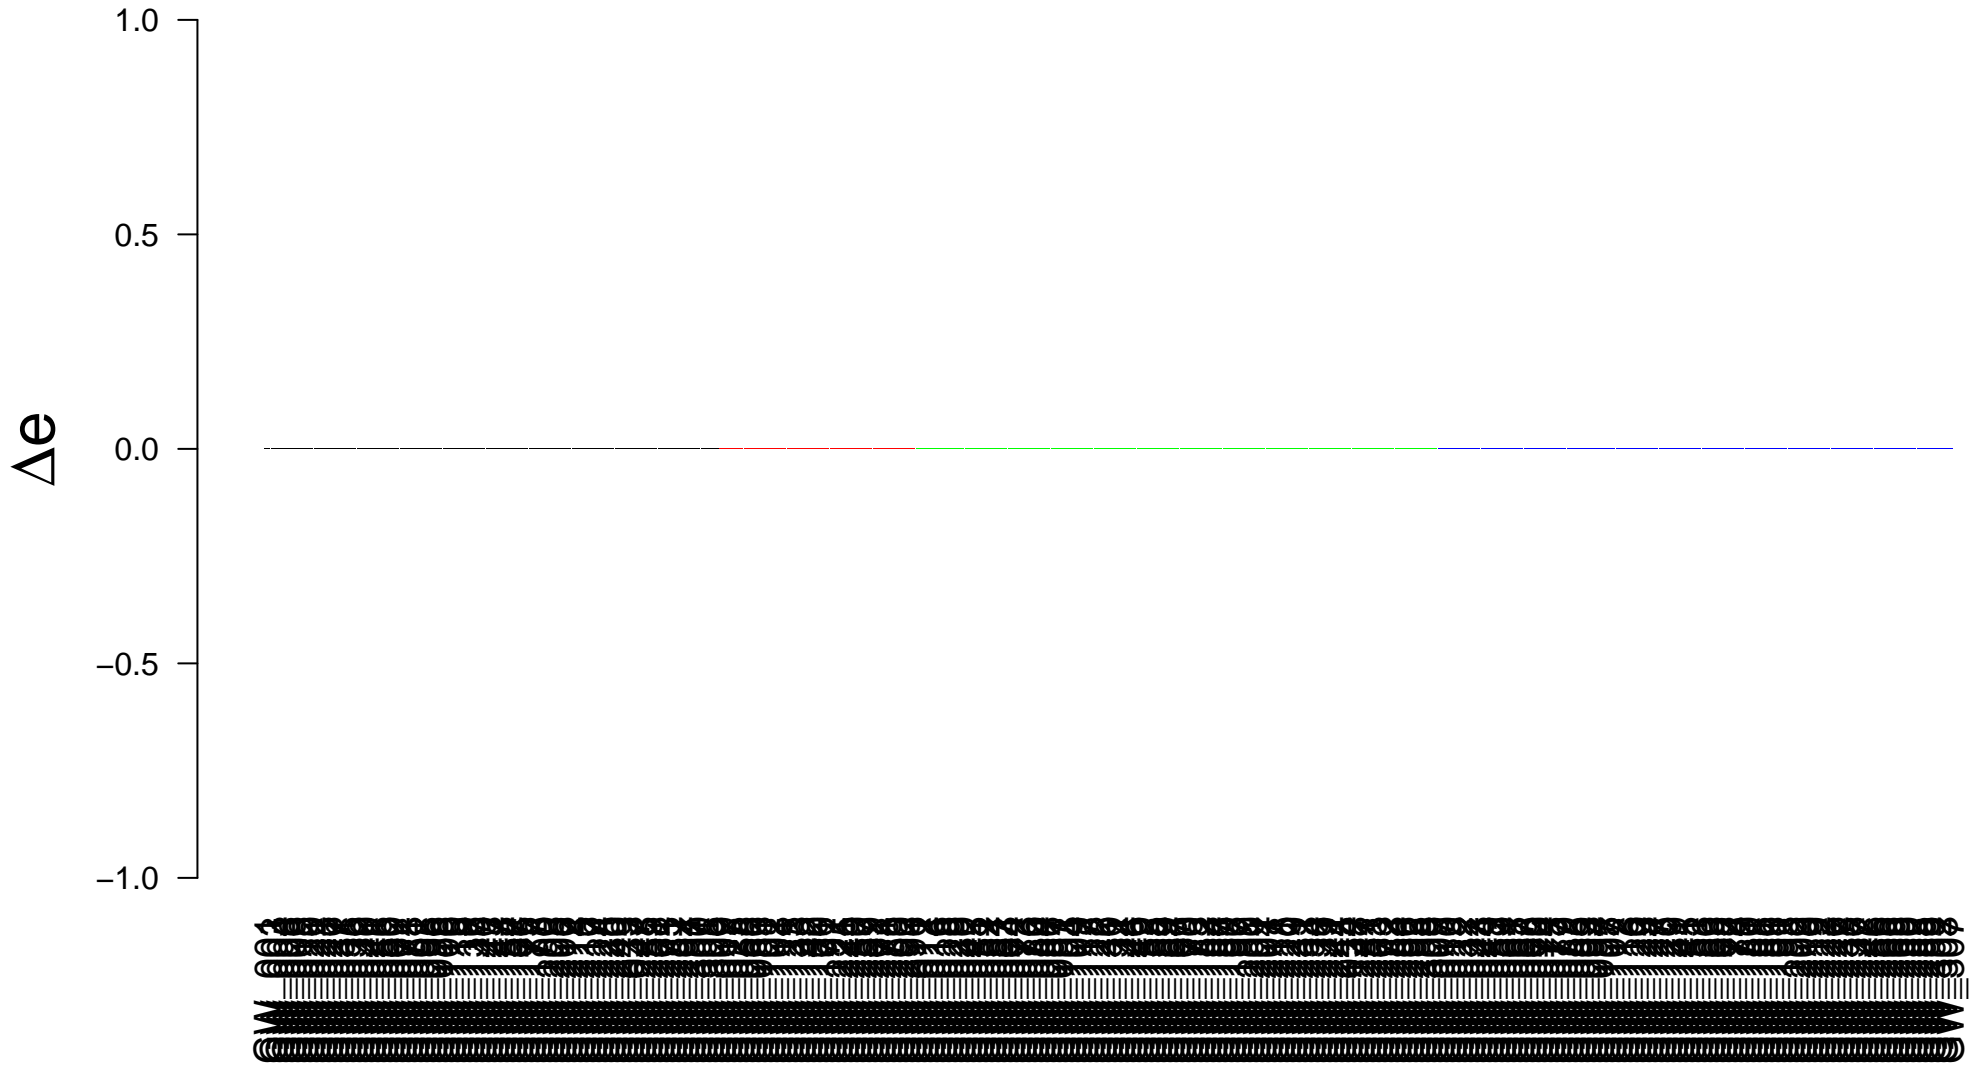

# Expression of regulation of exocytosis in Spot C

# Expression of regulation of exocytosis in Spot D

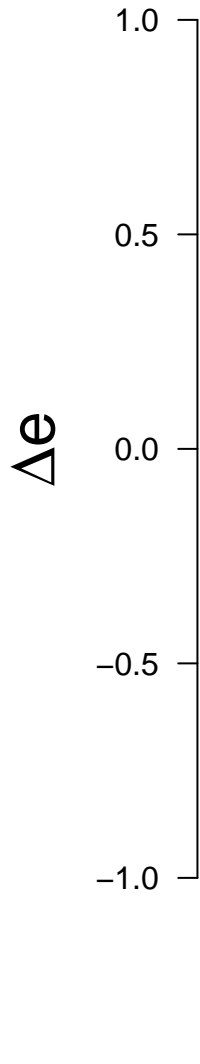

# Expression of regulation of exocytosis in Spot E

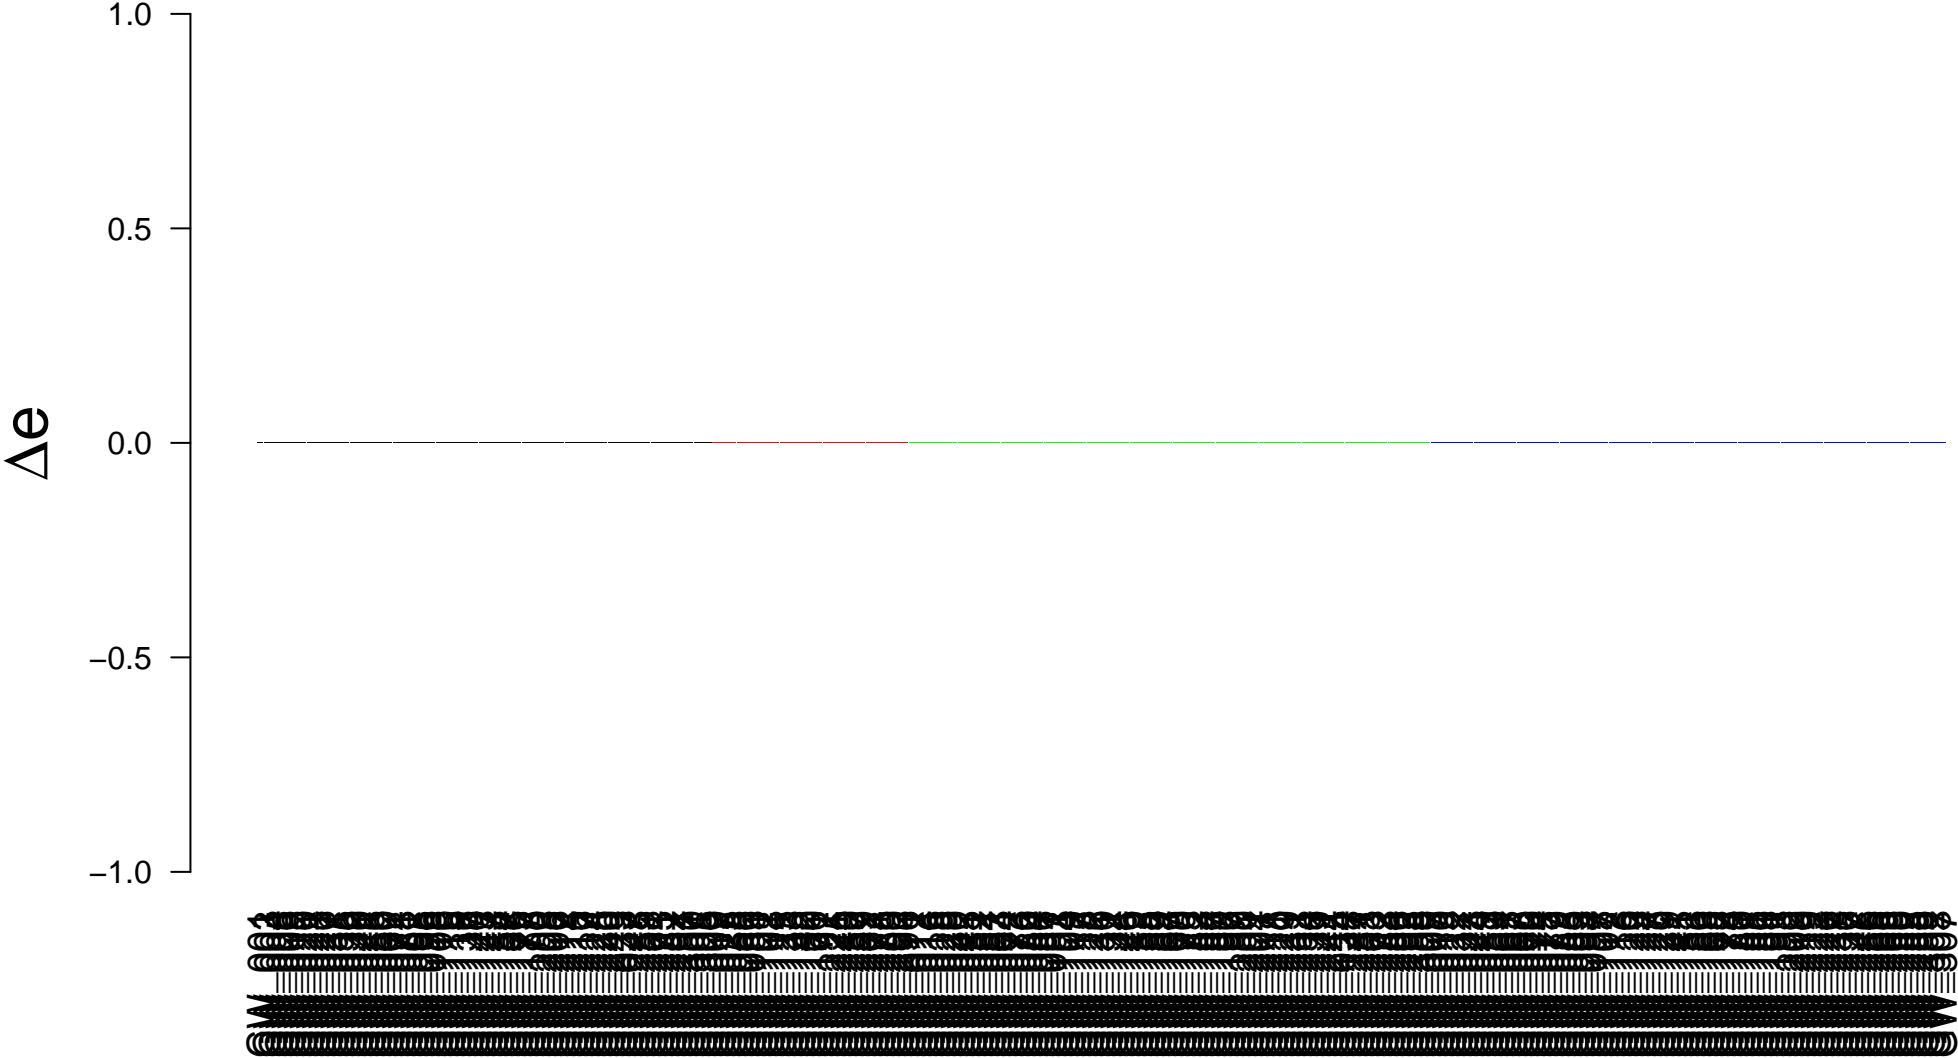

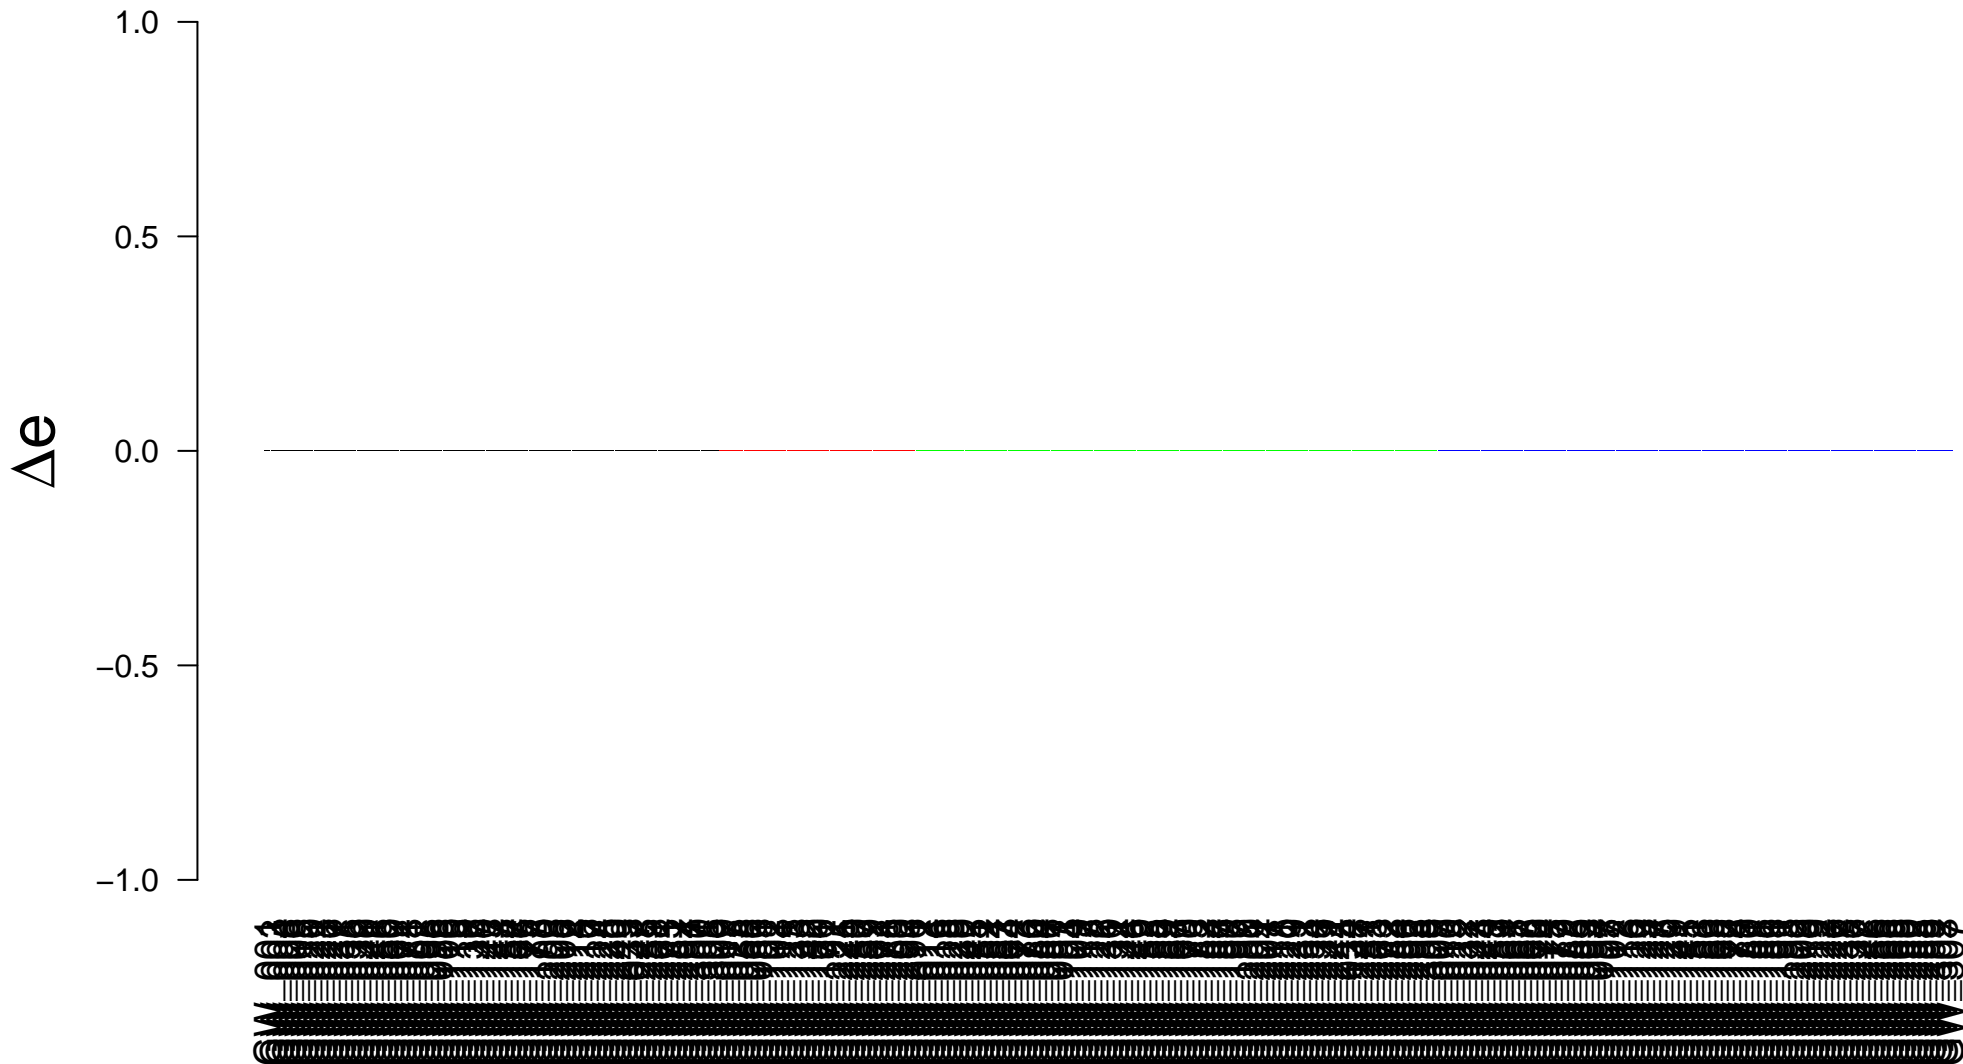

# Expression of regulation of exocytosis in Spot F

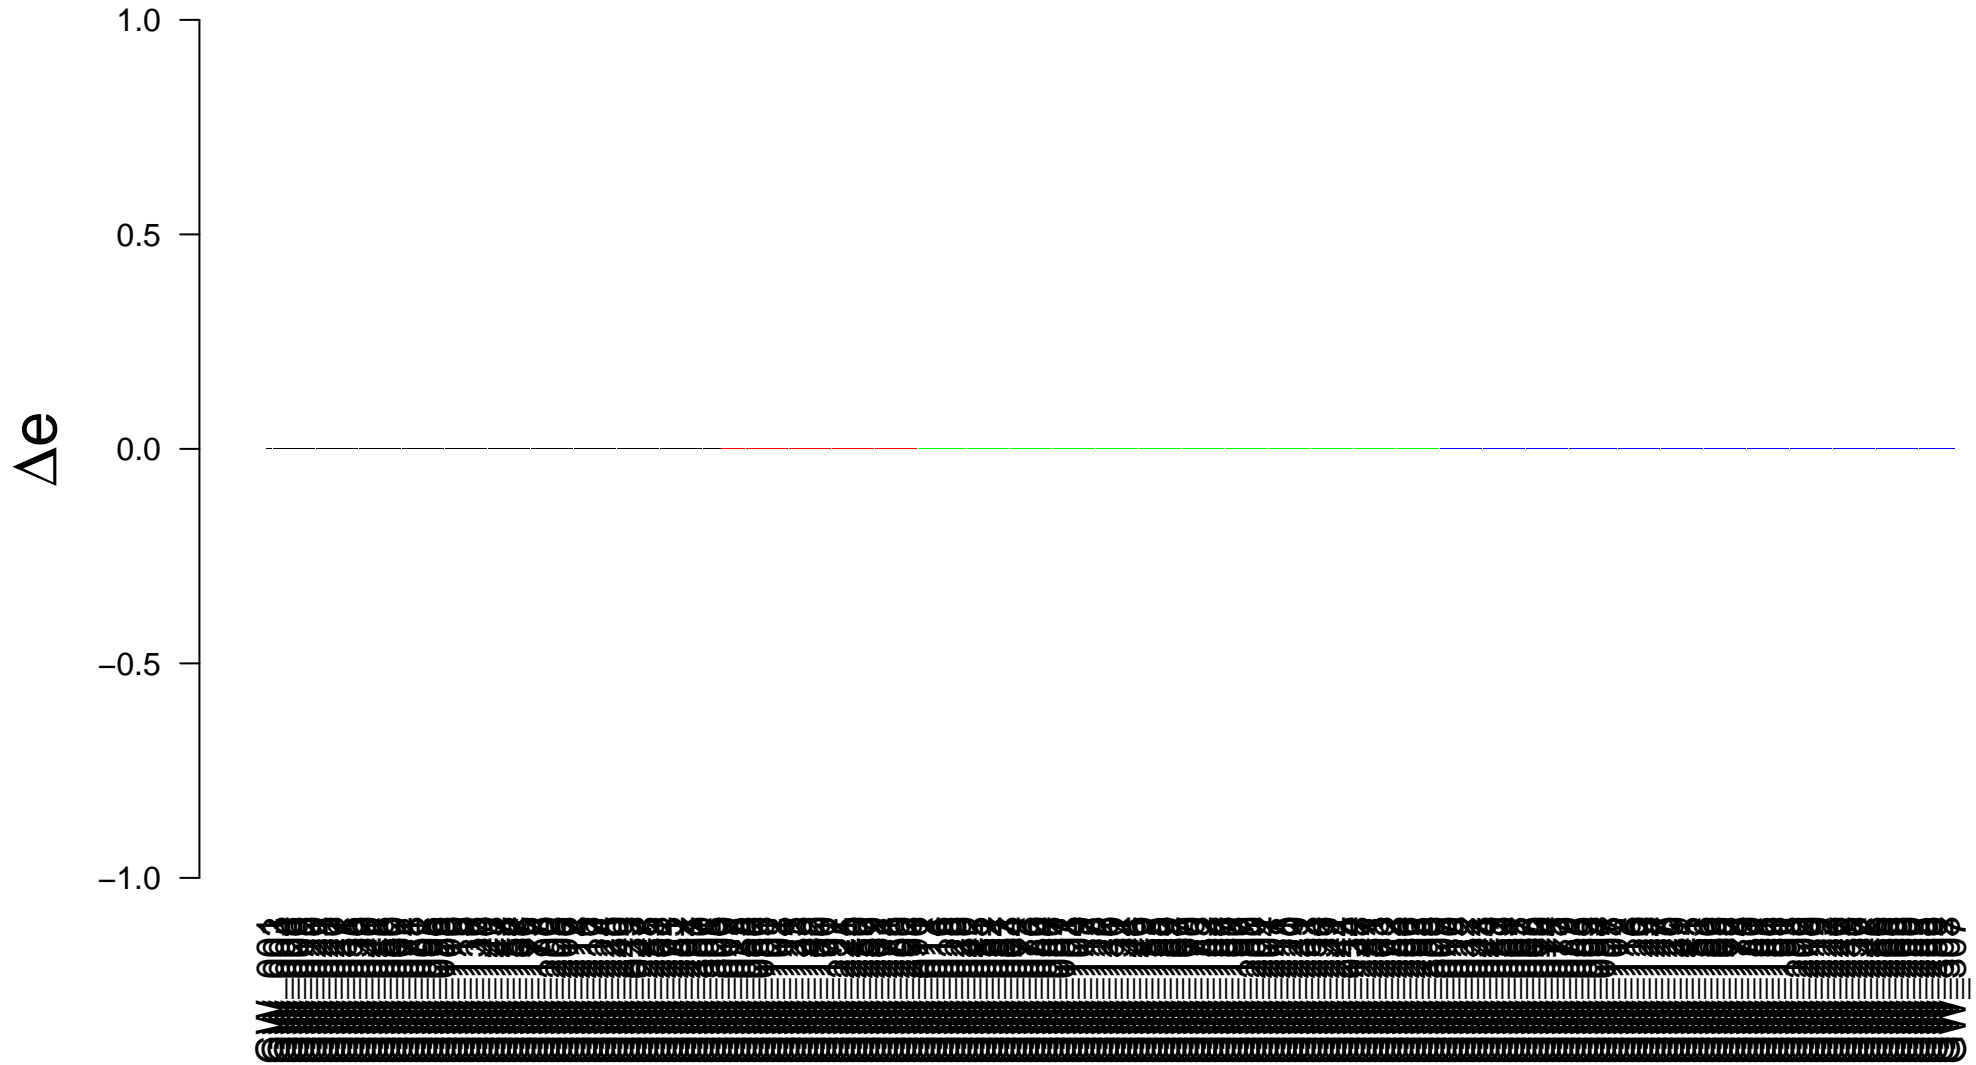

Expression of regulation of exocytosis in Spot G

# Expression of regulation of exocytosis in Spot H

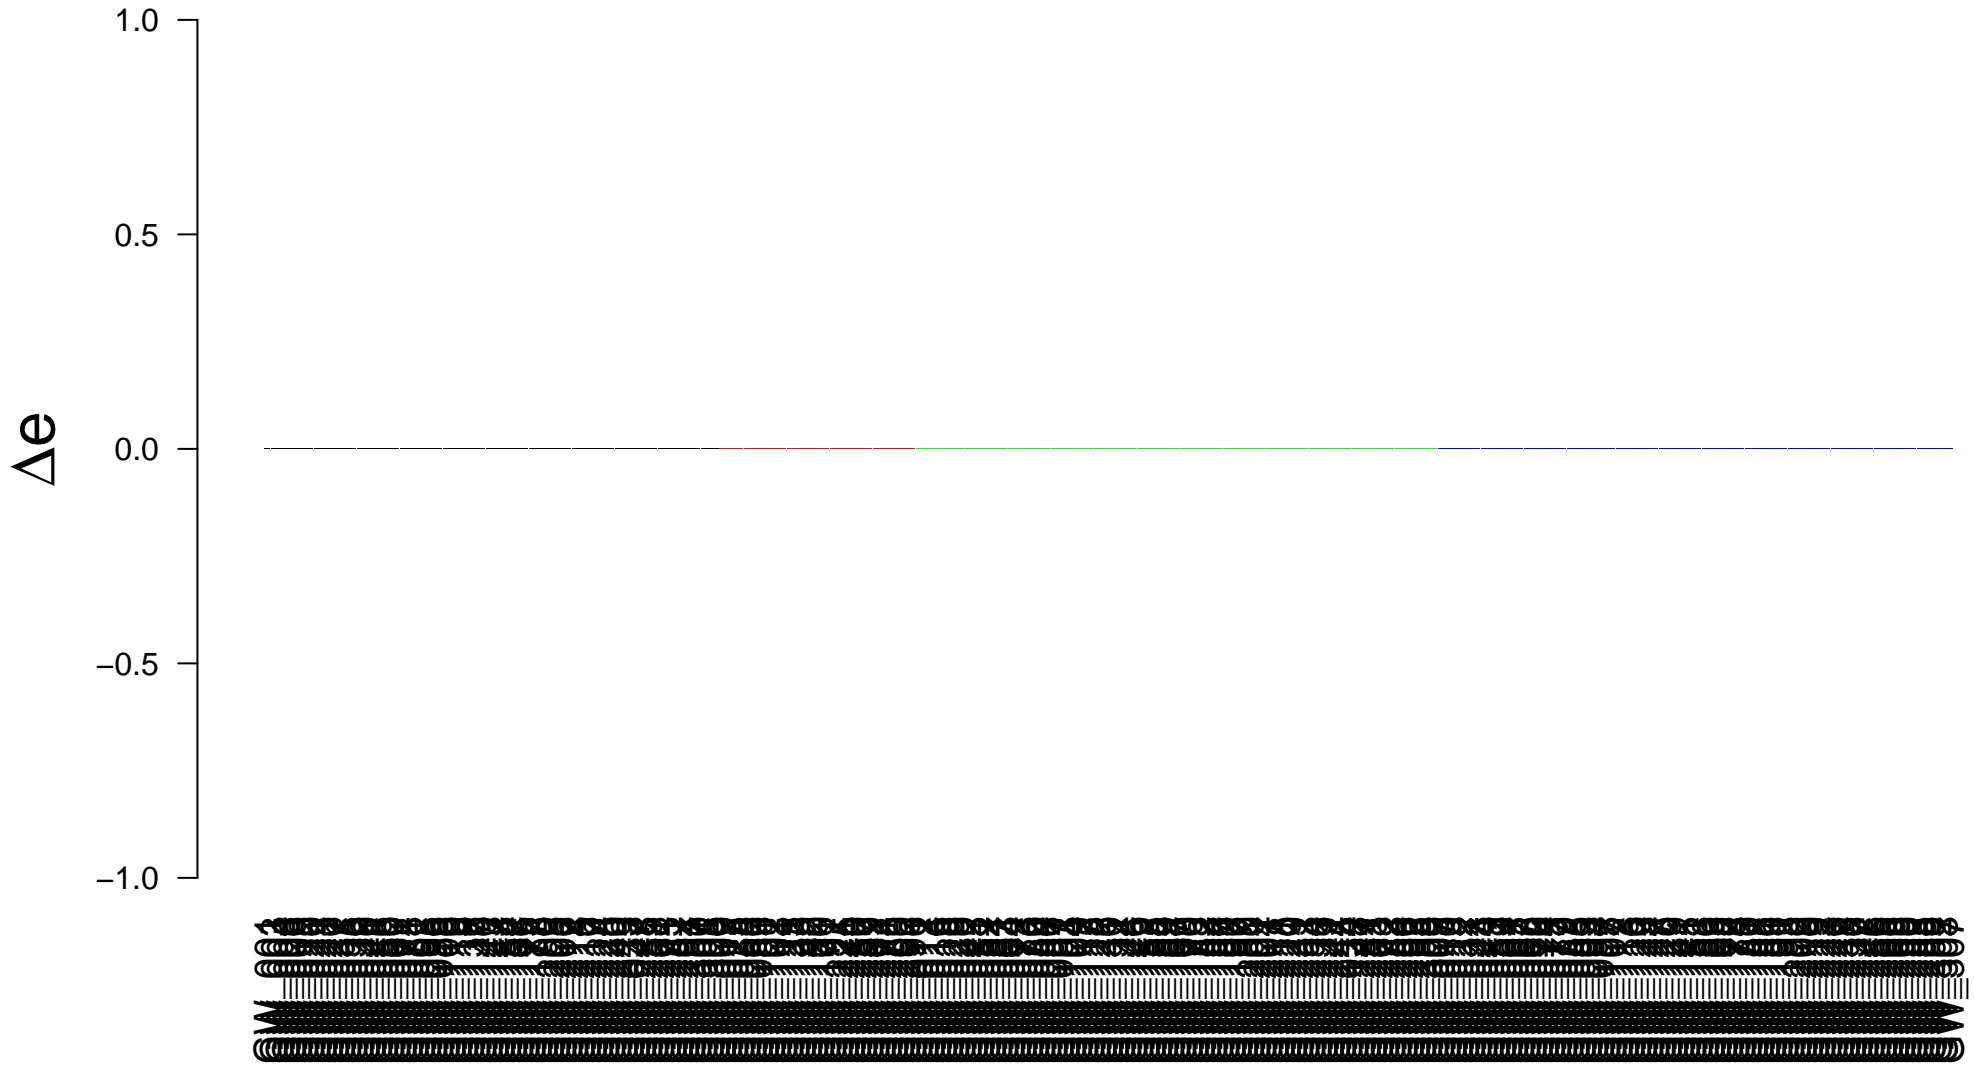

# Expression of regulation of exocytosis in Spot I

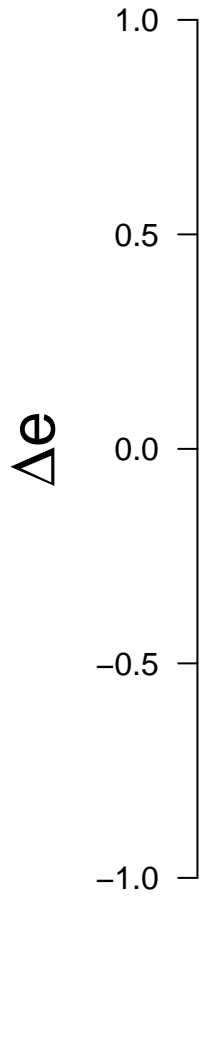

# Expression of regulation of exocytosis in Spot J

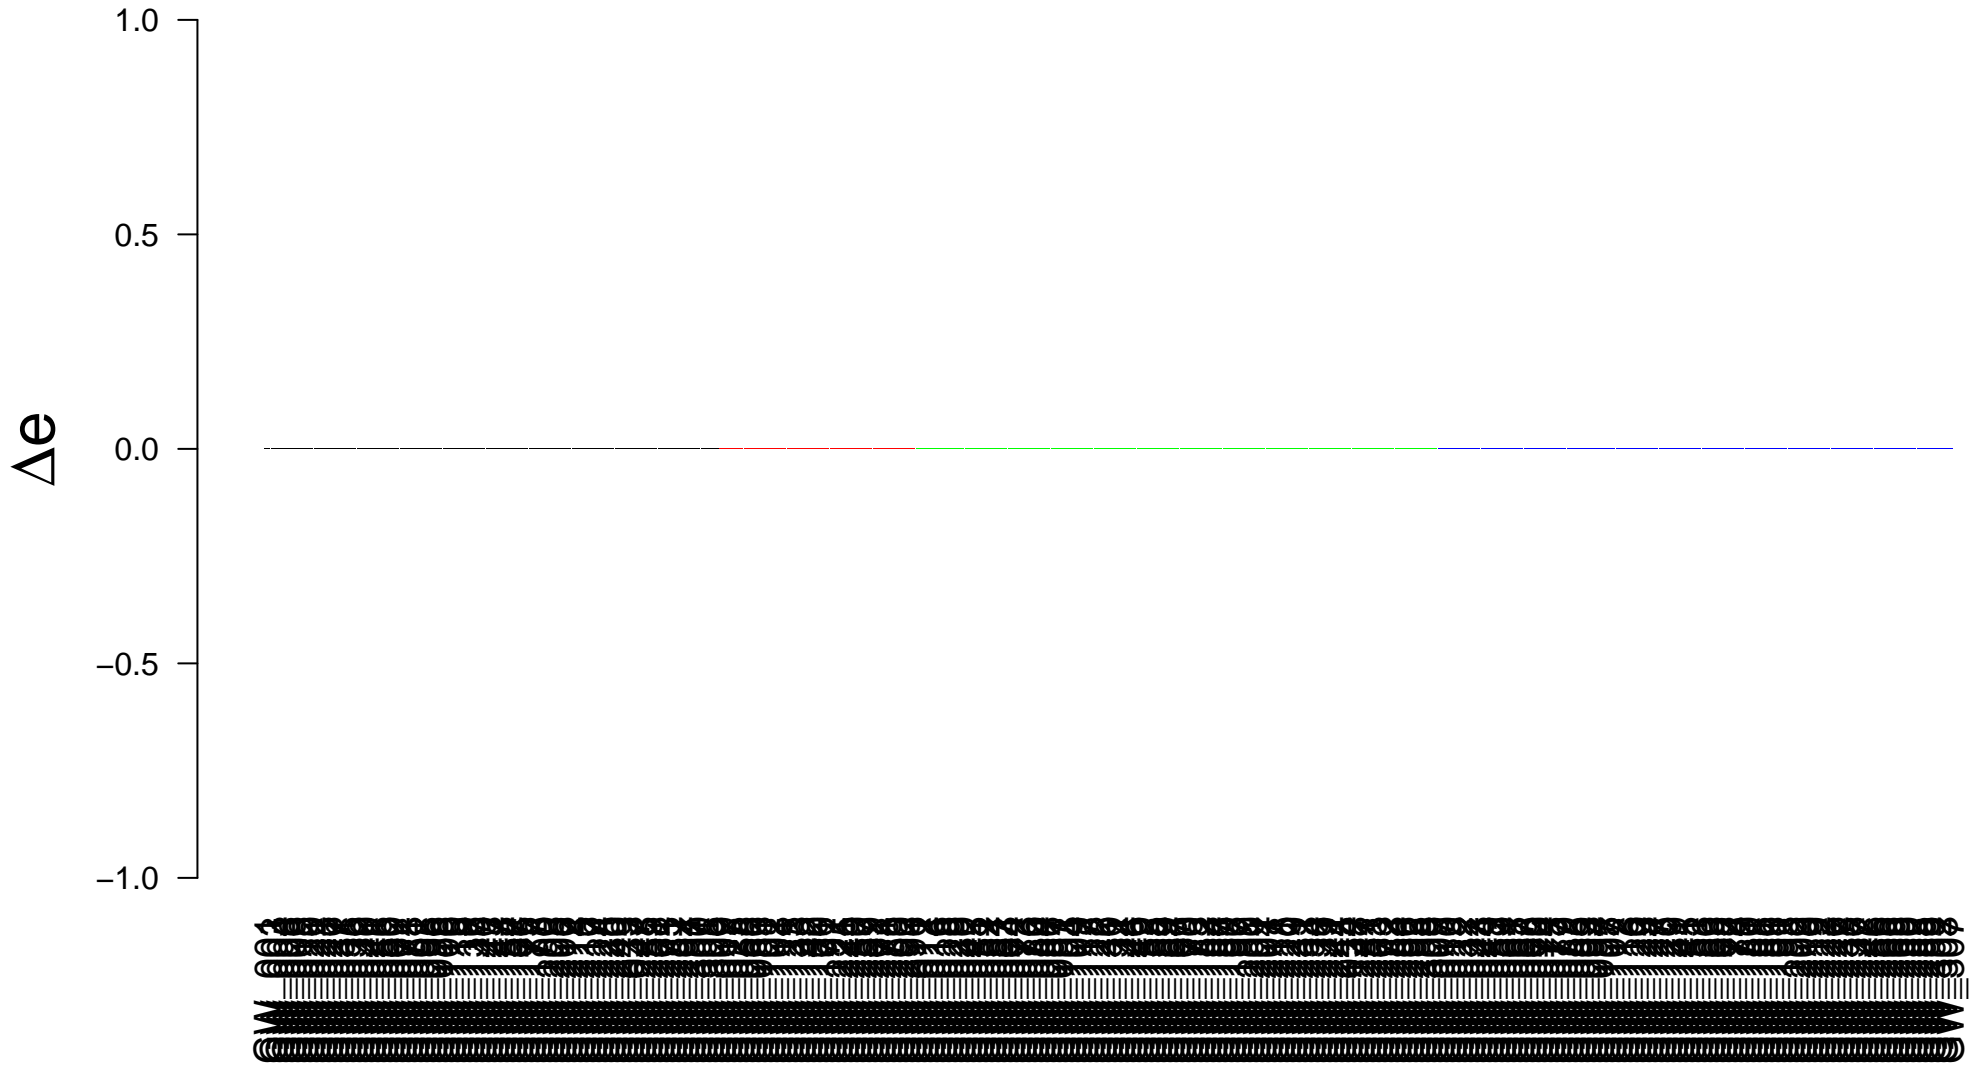

# Expression of regulation of exocytosis in Spot K

# Expression of regulation of exocytosis in Spot L

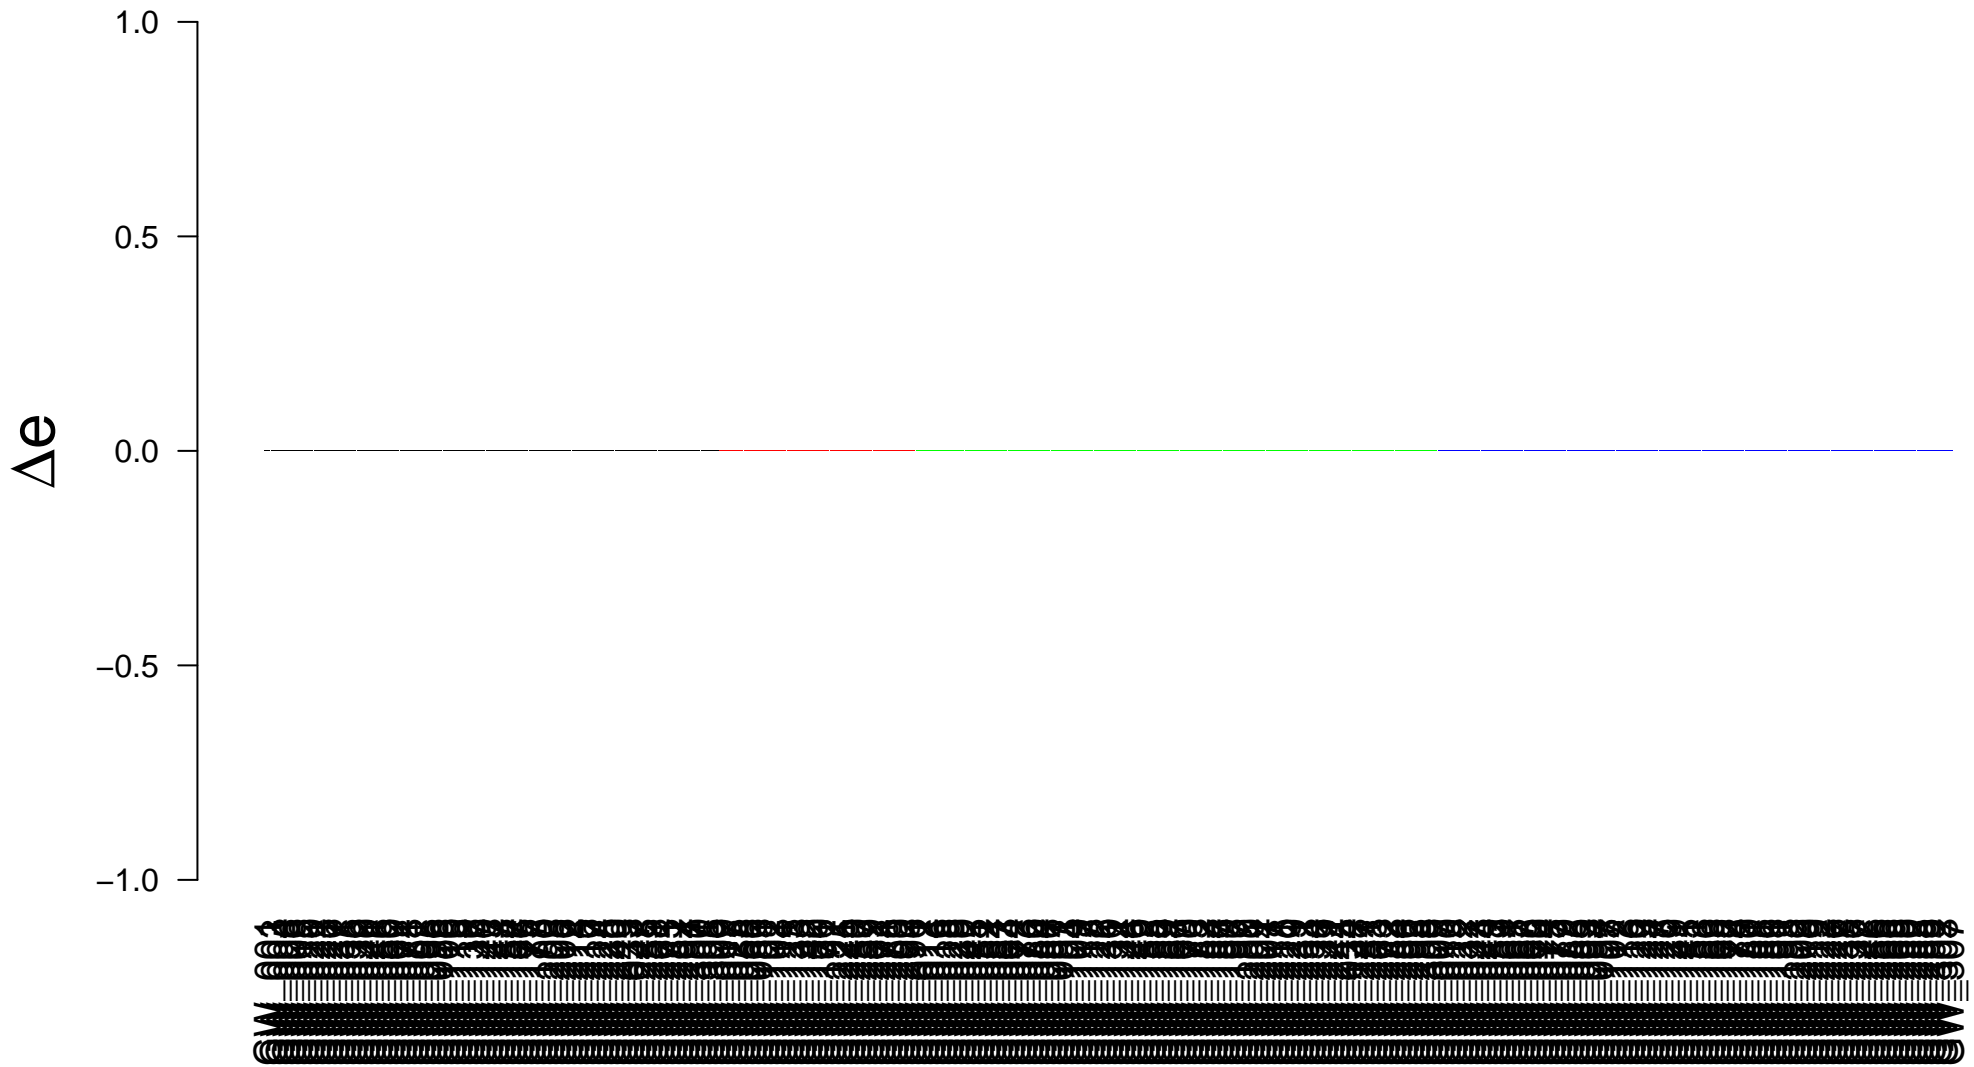

# Expression of regulation of exocytosis in Spot M

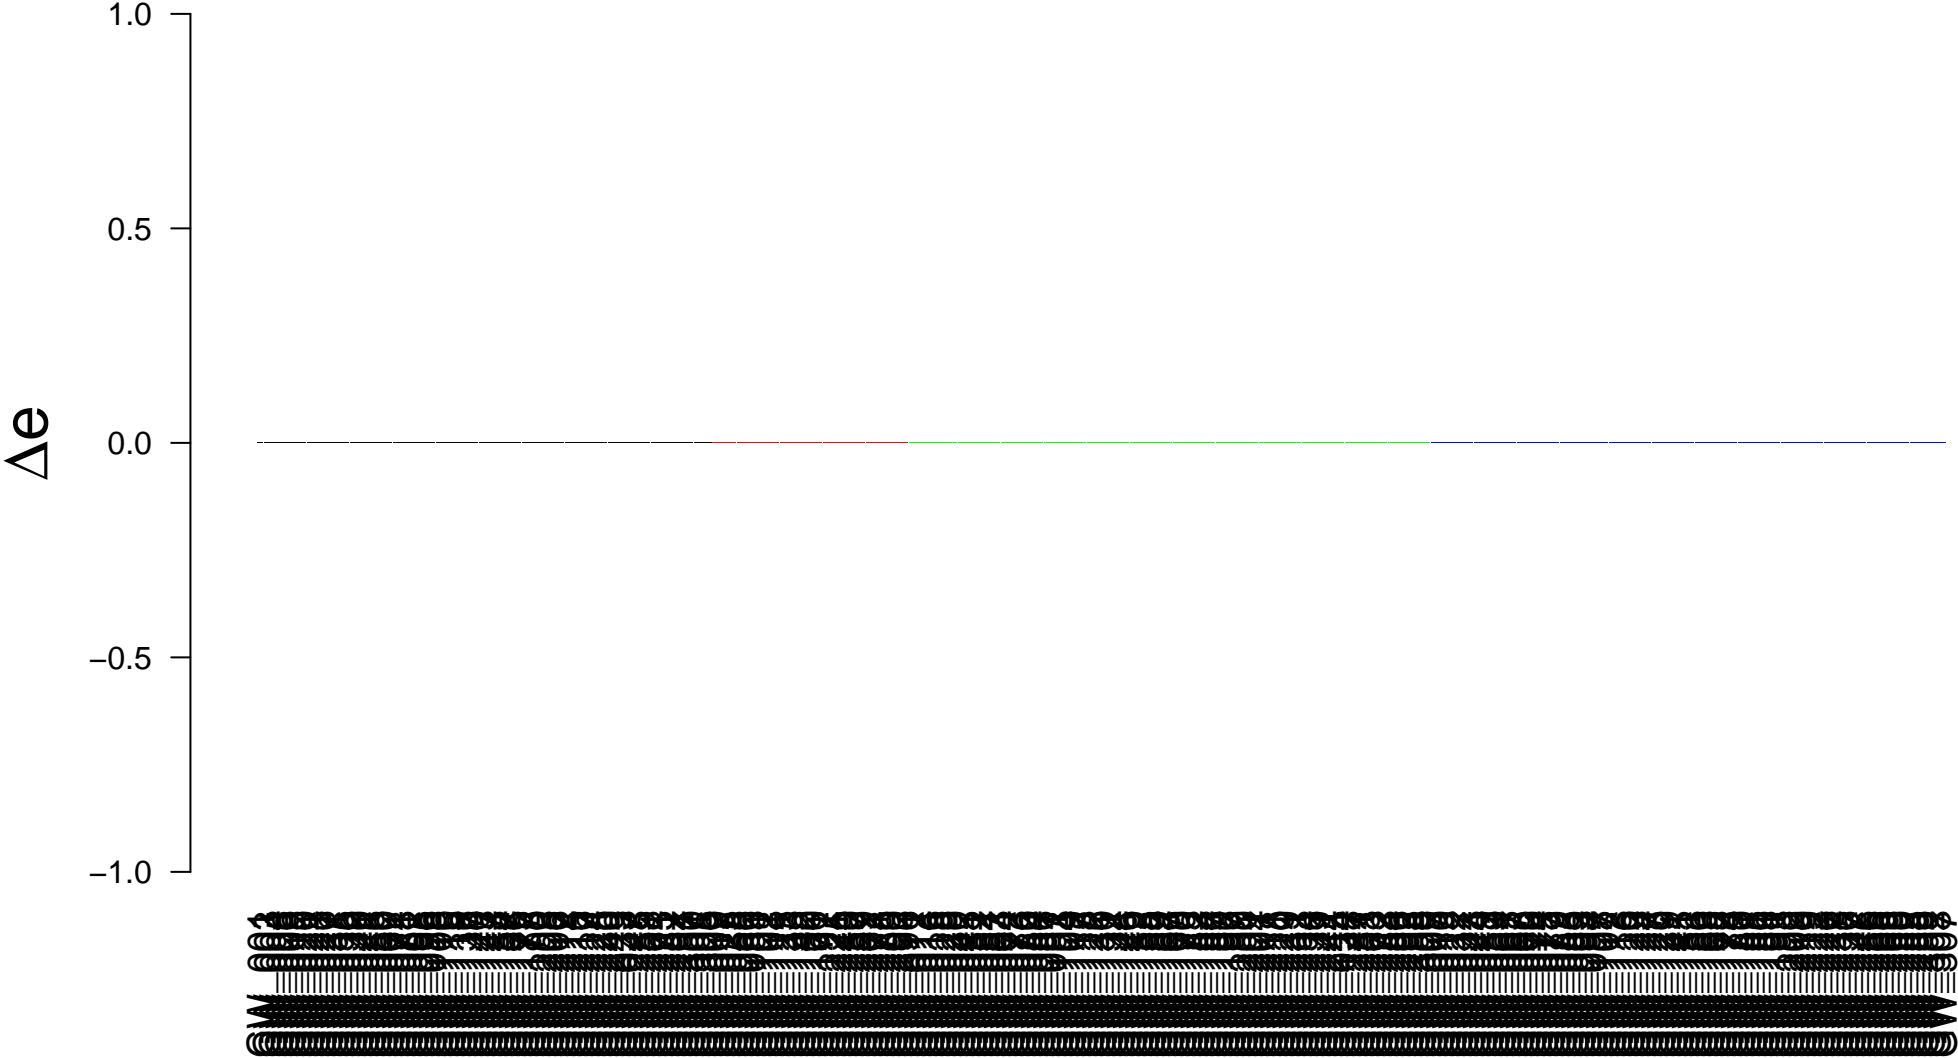

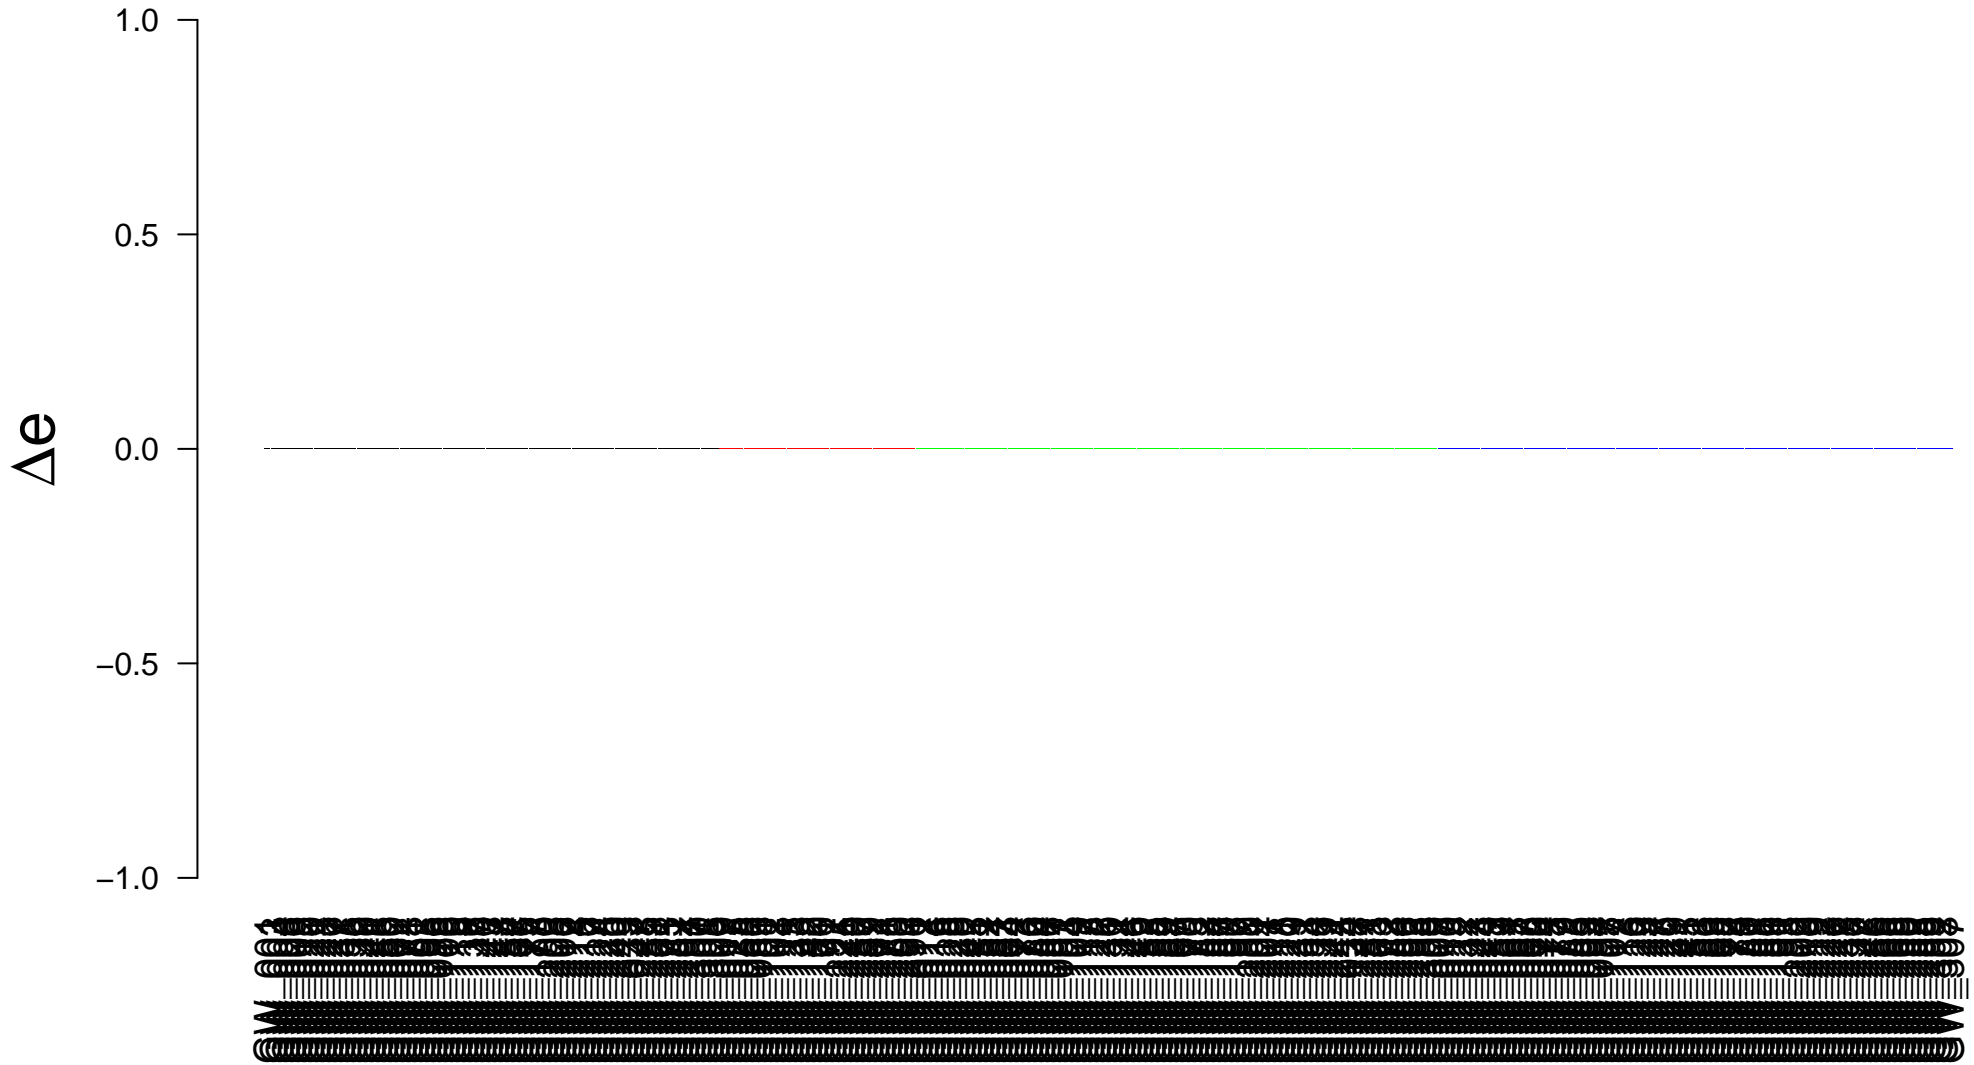

# Expression of regulation of exocytosis in Spot N

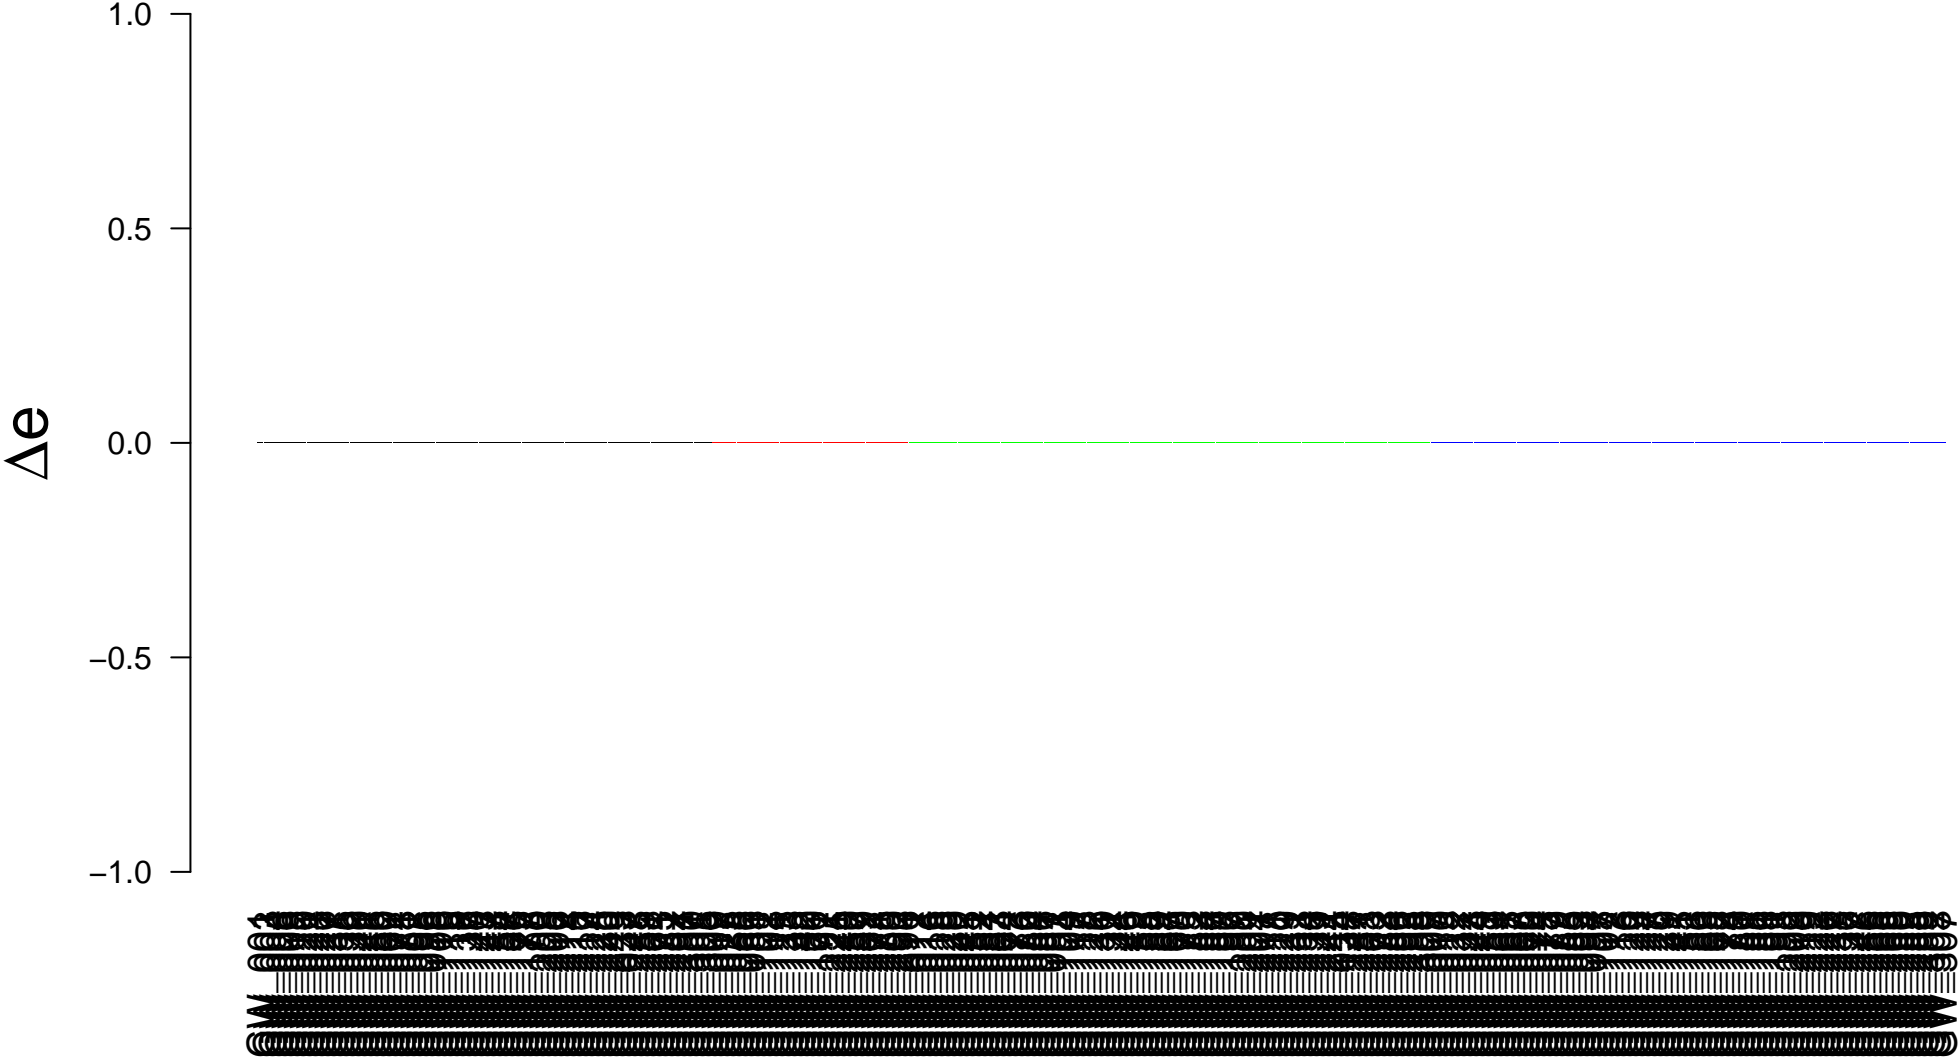

Expression of regulation of exocytosis in Spot O

# Expression of regulation of exocytosis in Spot P

Expression of regulation of exocytosis in Spot Q

# Expression of regulation of exocytosis in Spot R
