

regulation of glucose metabolic process

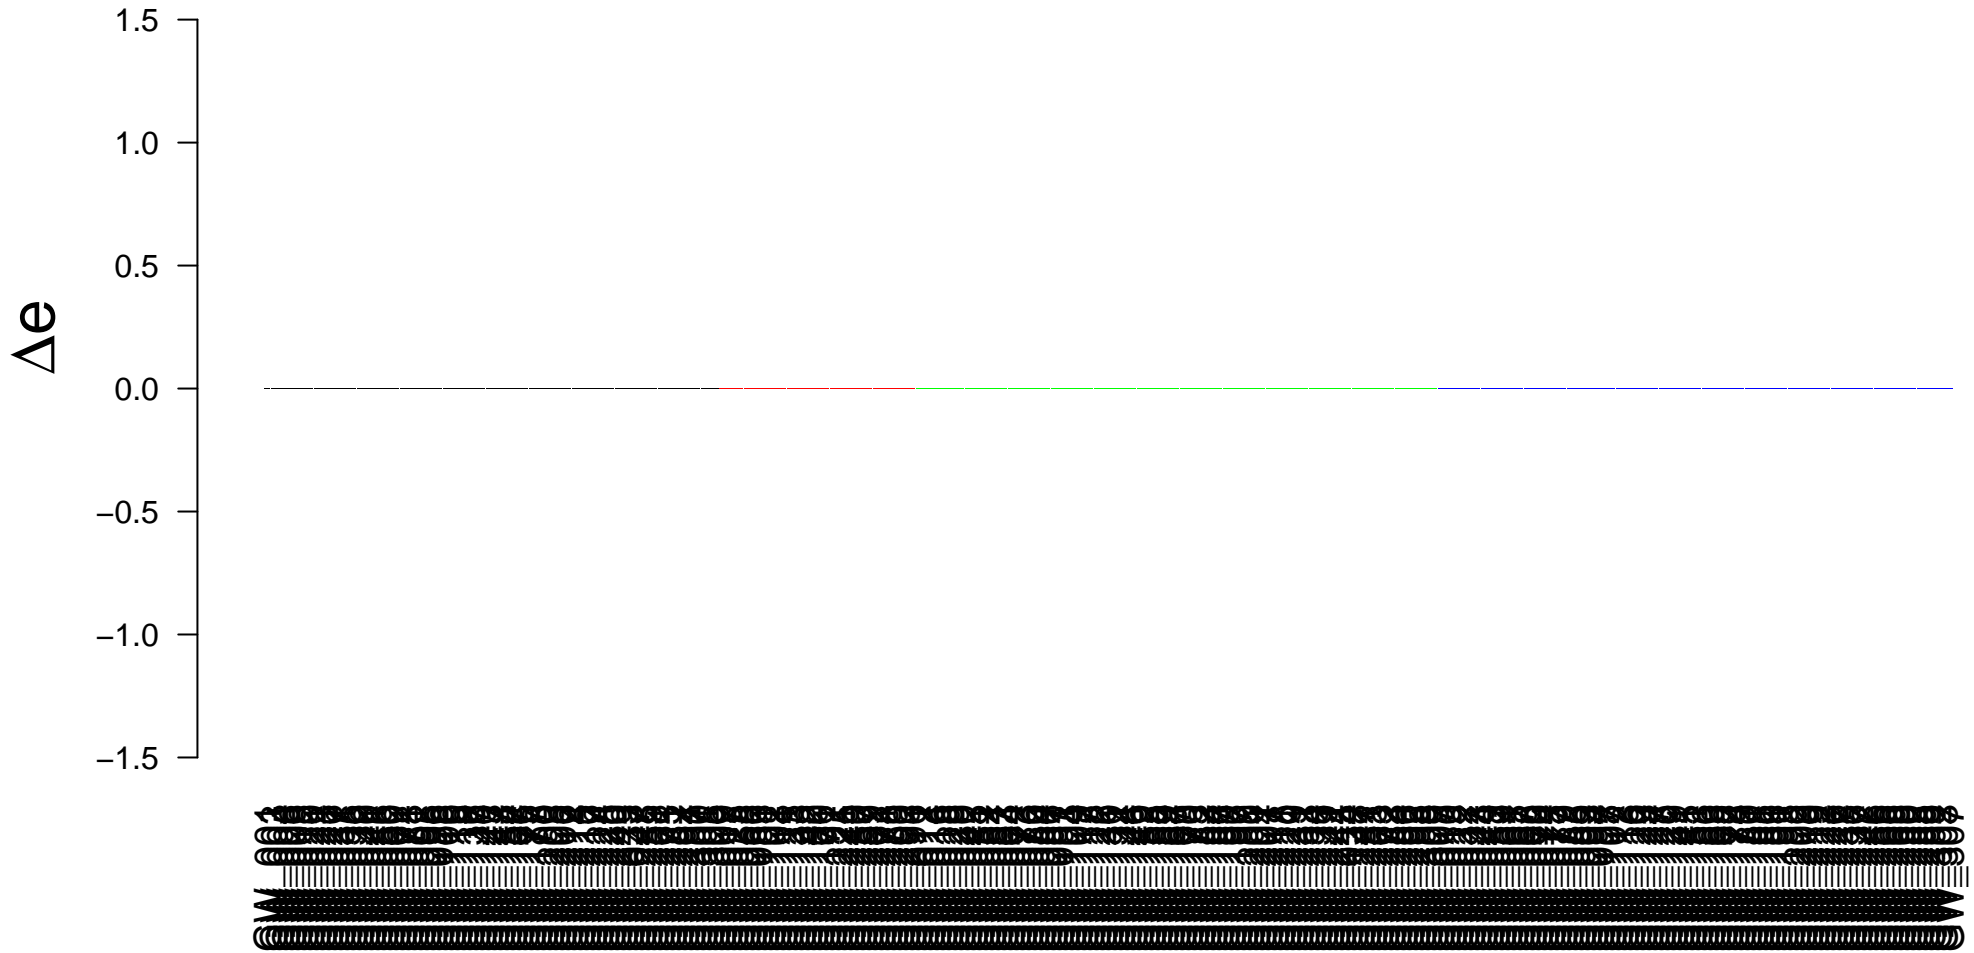

regulation of glucose metabolic process

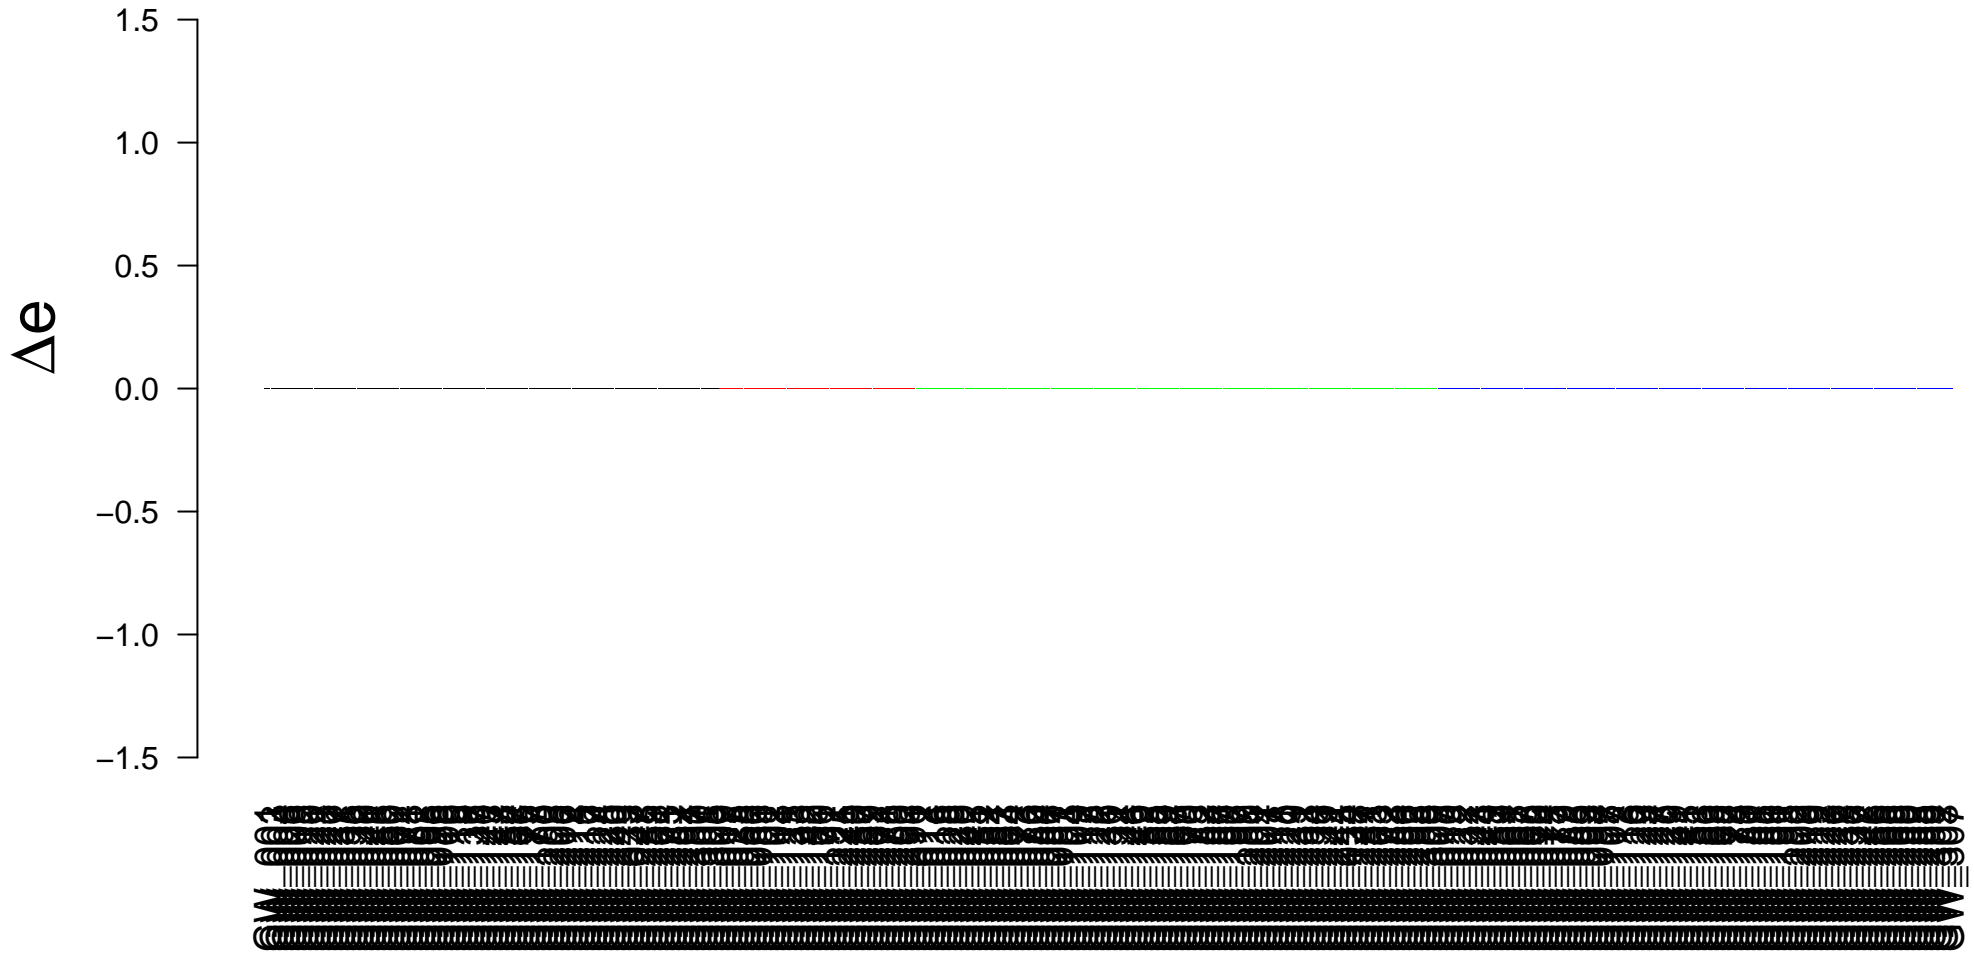

Enrichment in spots: regulation of glucose metabolic process

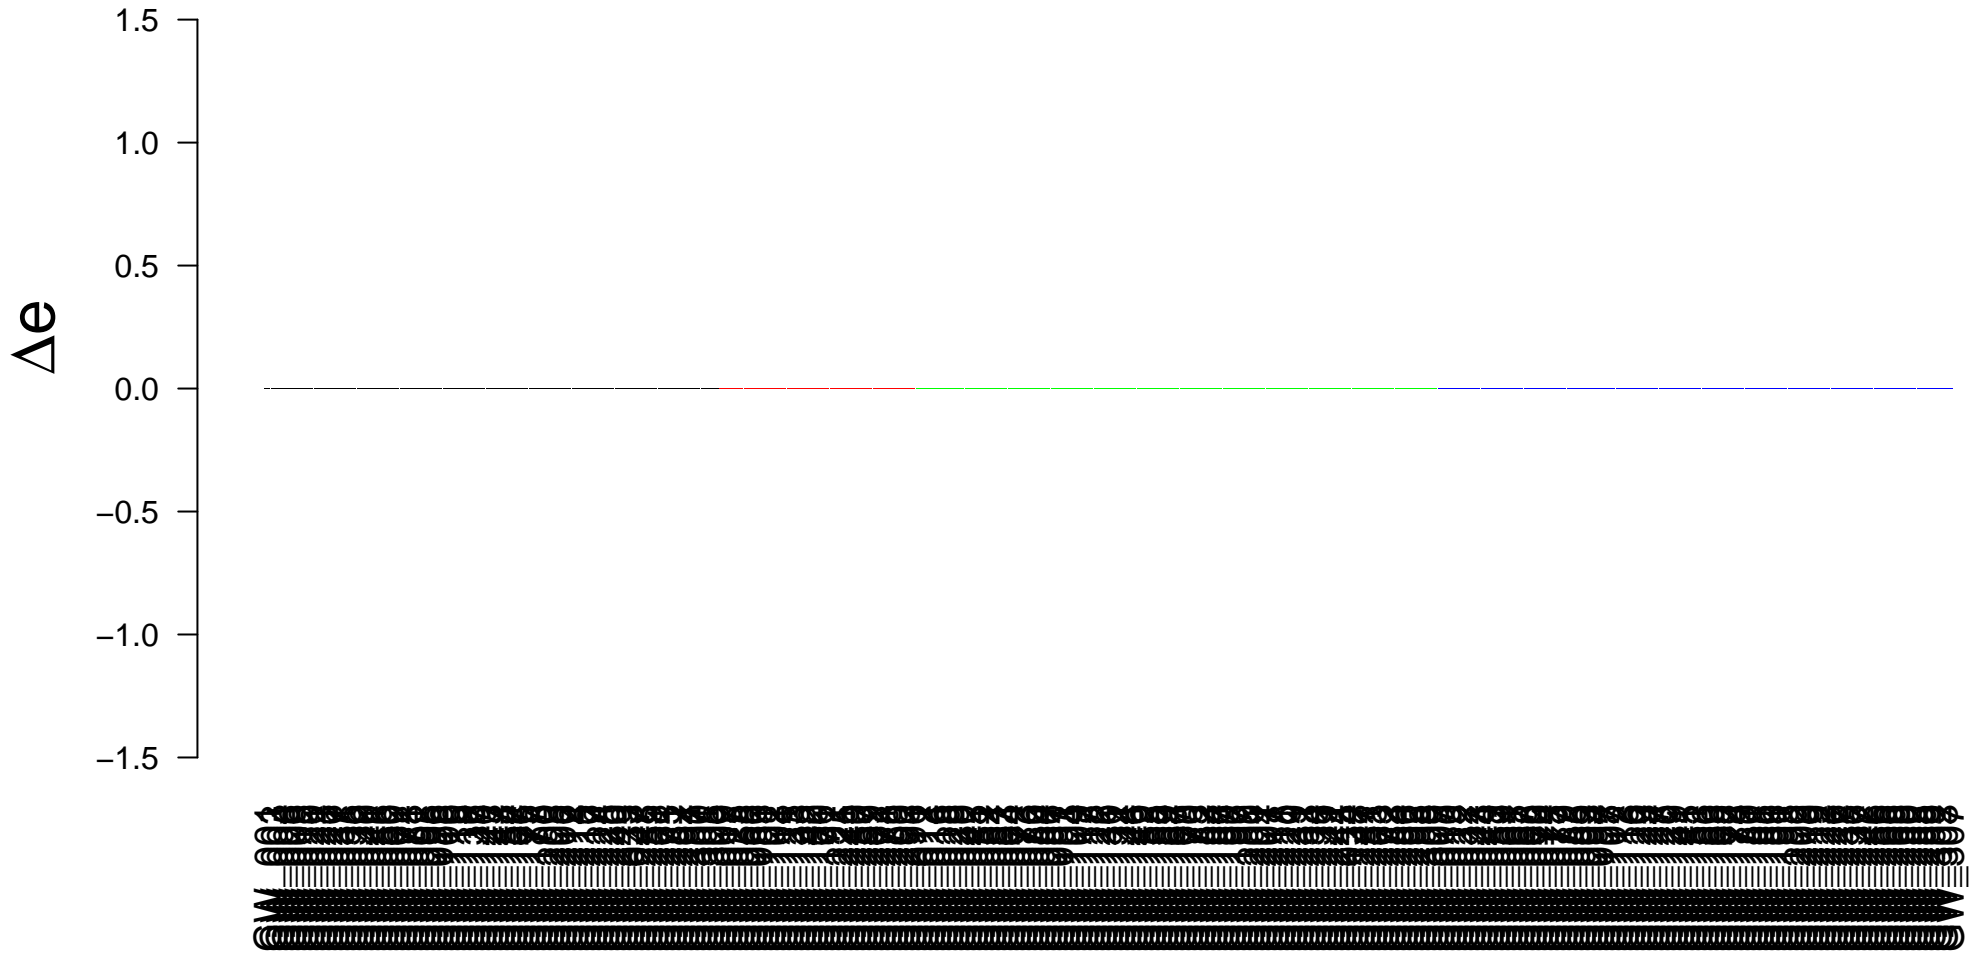

Expression of regulation of glucose metabolic process in Spot A

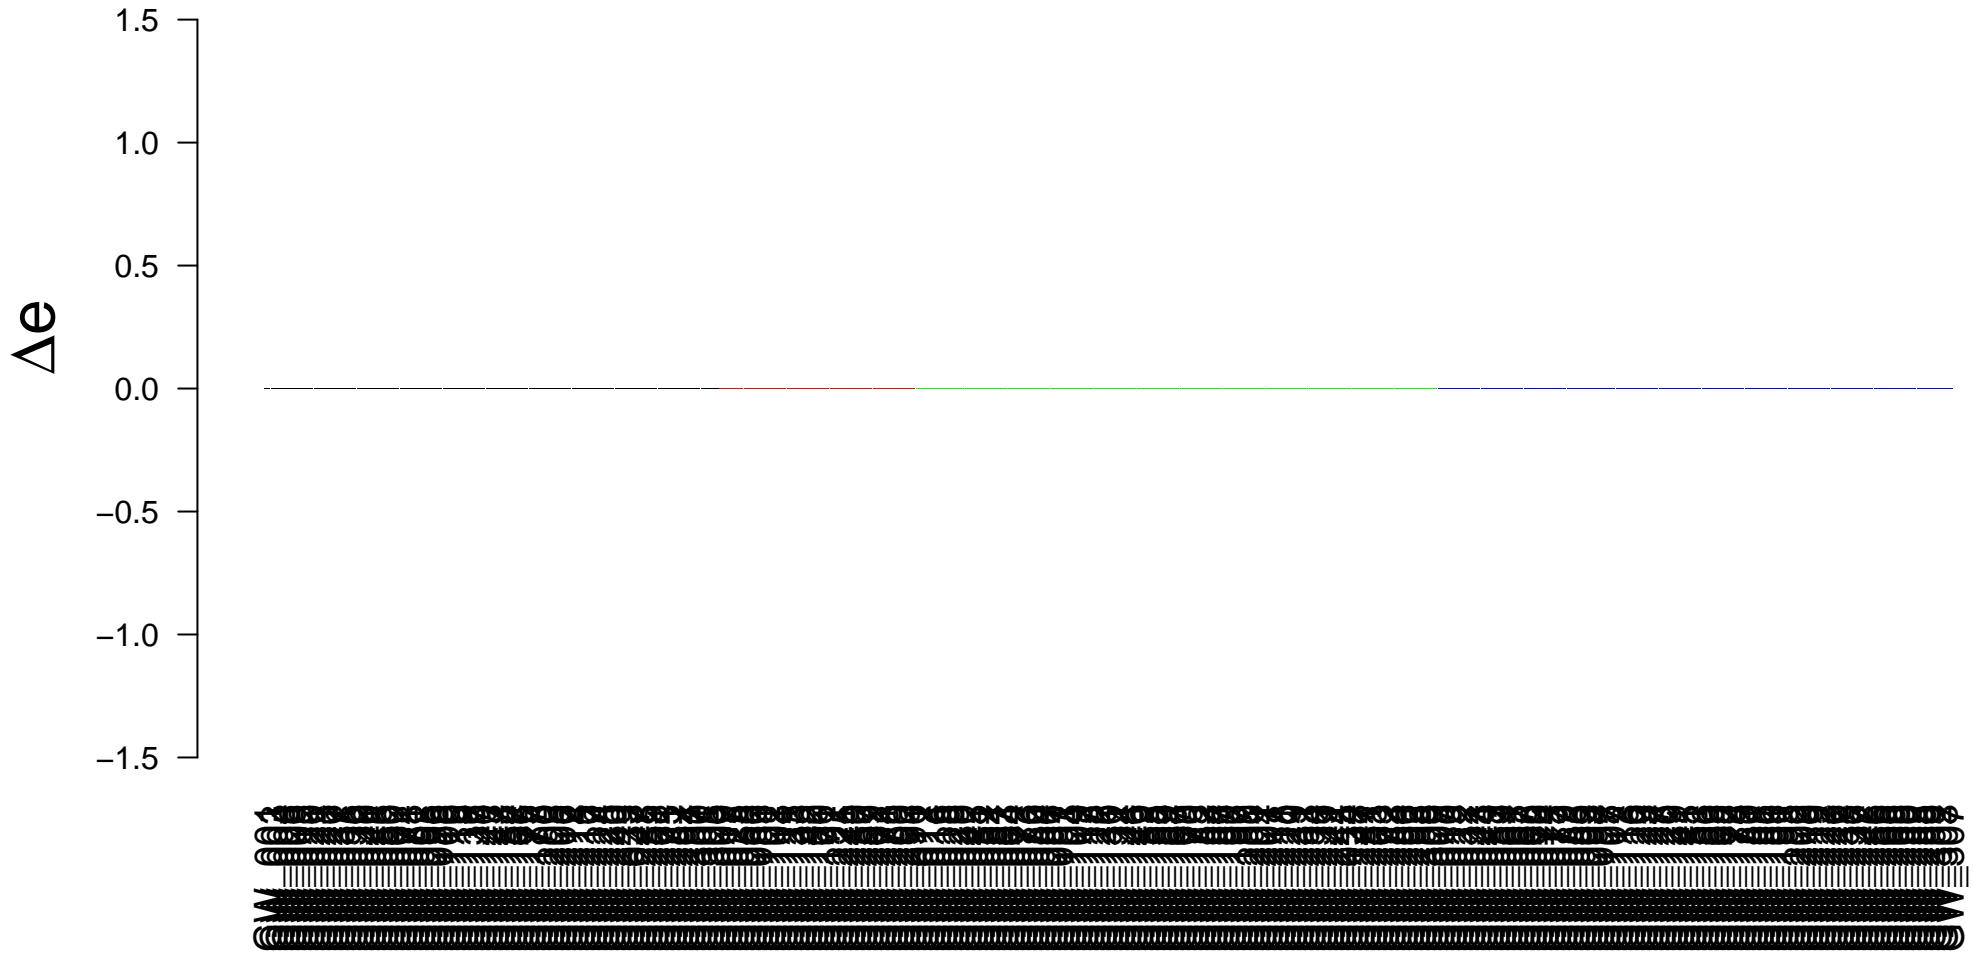

Expression of regulation of glucose metabolic process in Spot B

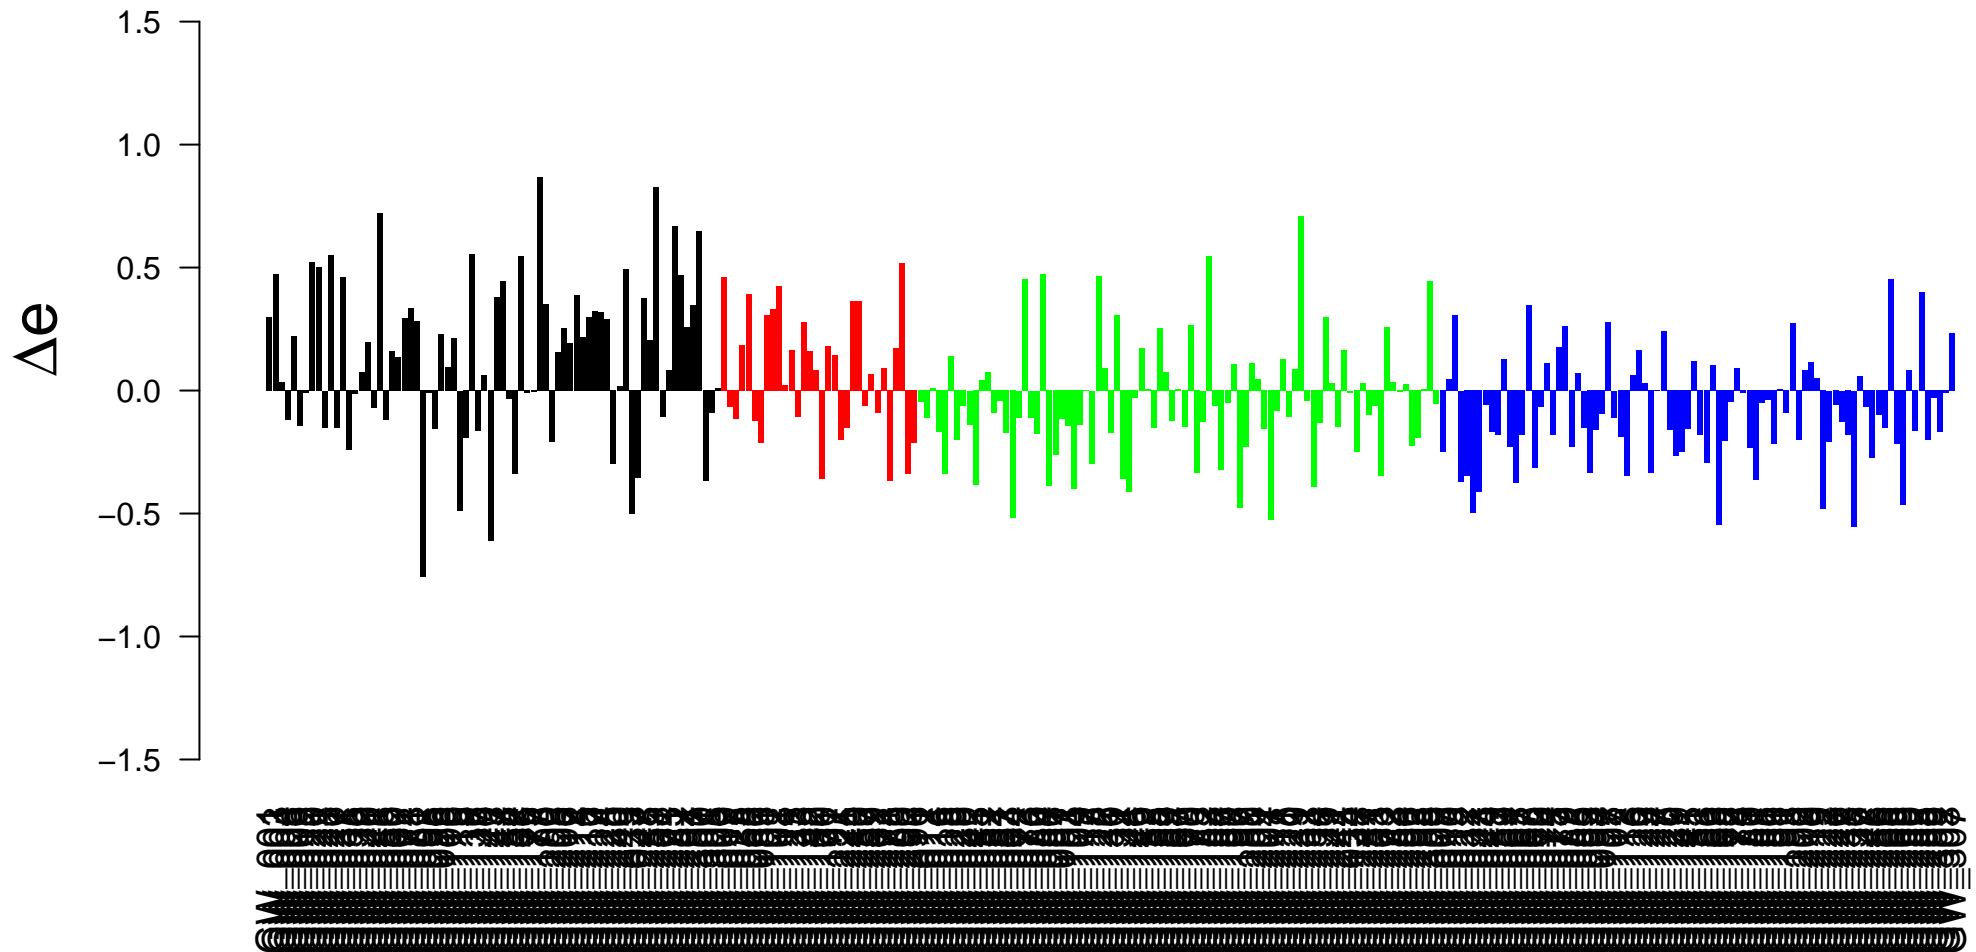

Expression of regulation of glucose metabolic process in Spot C

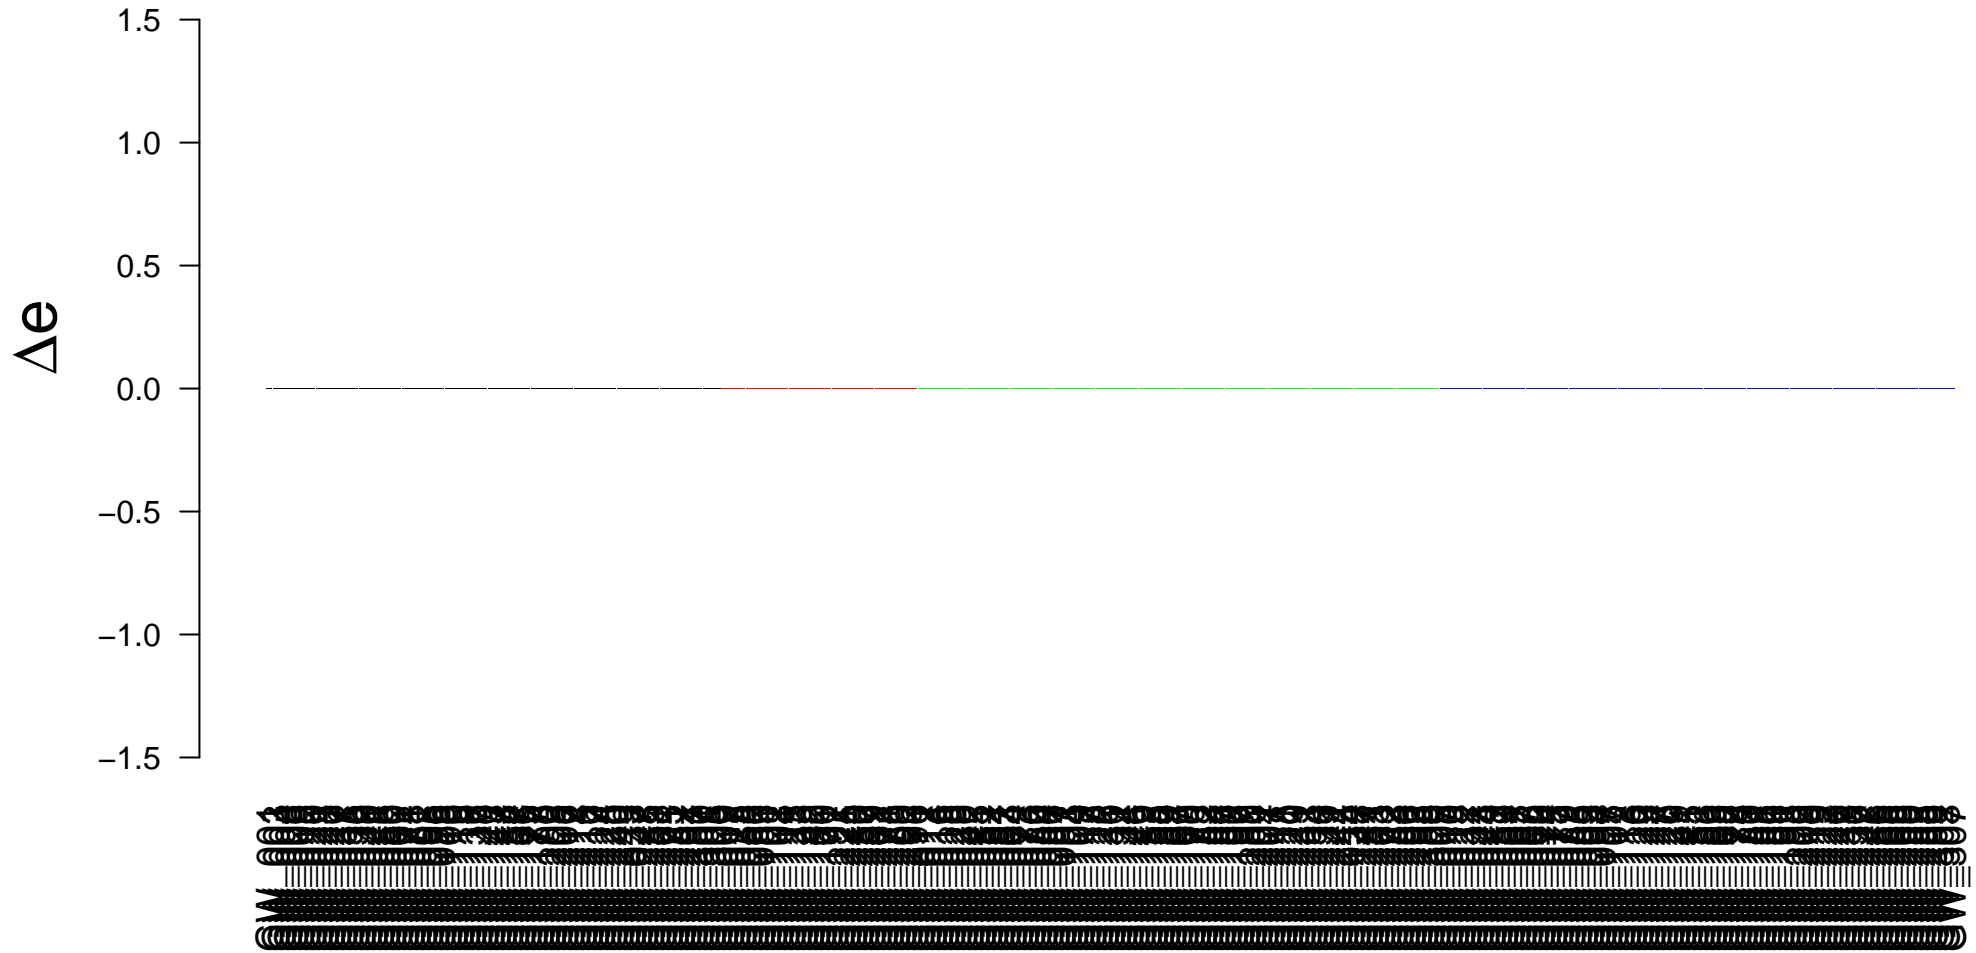

Expression of regulation of glucose metabolic process in Spot D

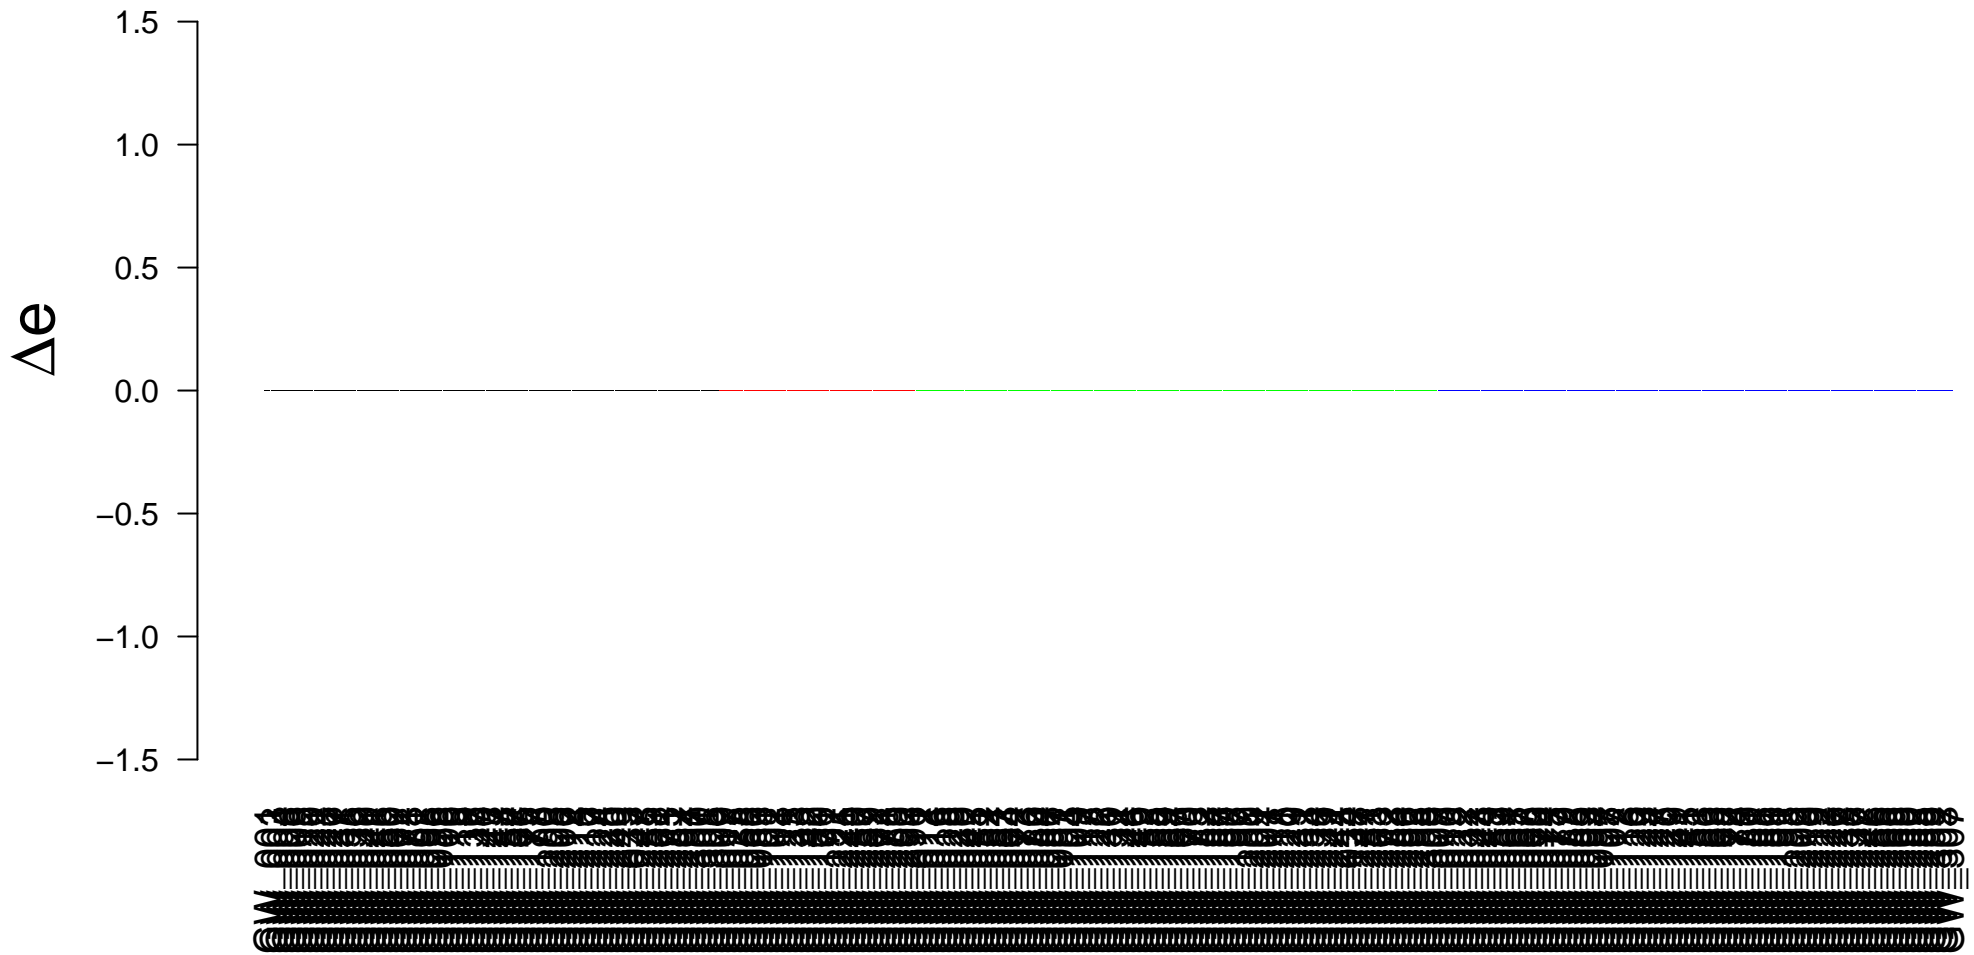

Expression of regulation of glucose metabolic process in Spot E

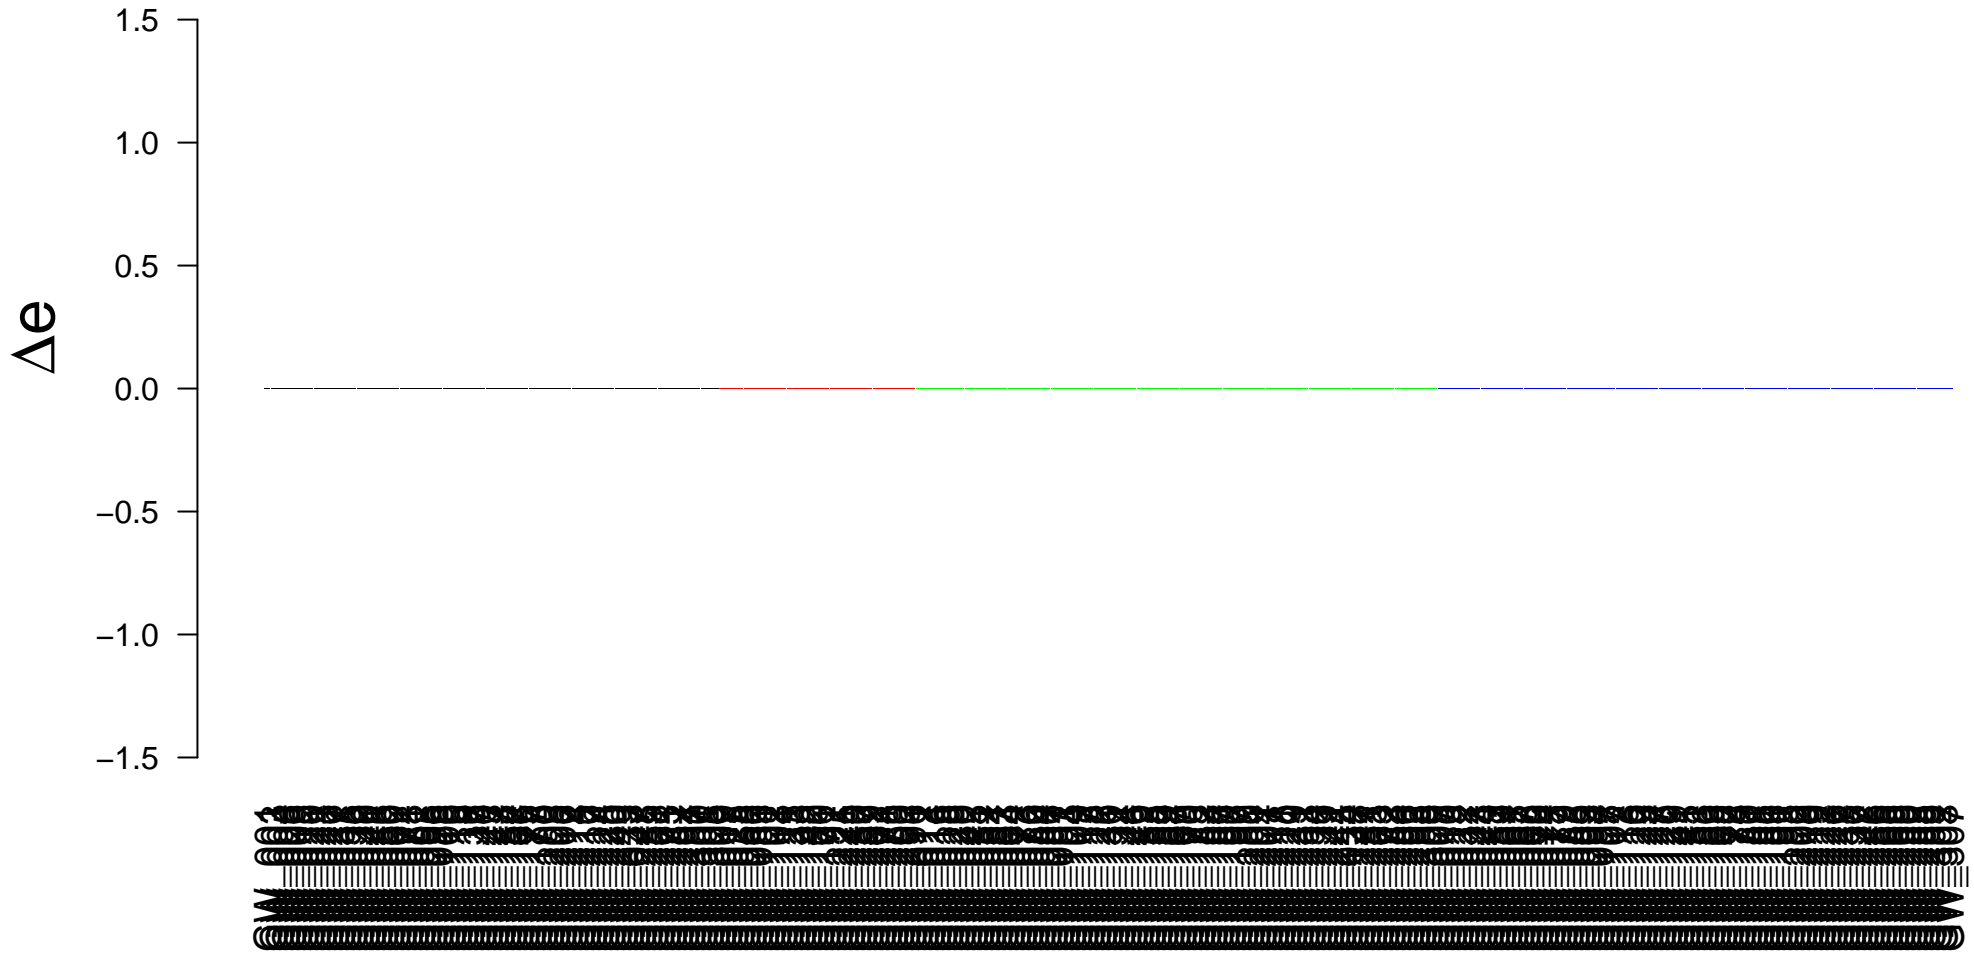

Expression of regulation of glucose metabolic process in Spot F

Expression of regulation of glucose metabolic process in Spot G

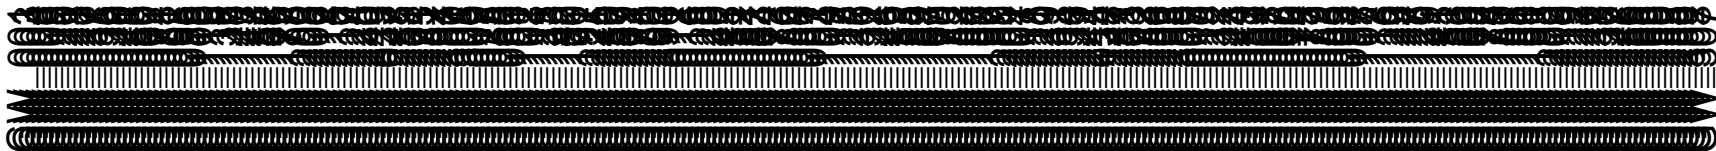

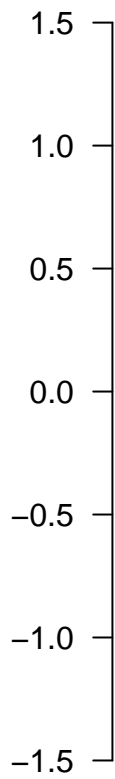

Expression of regulation of glucose metabolic process in Spot H

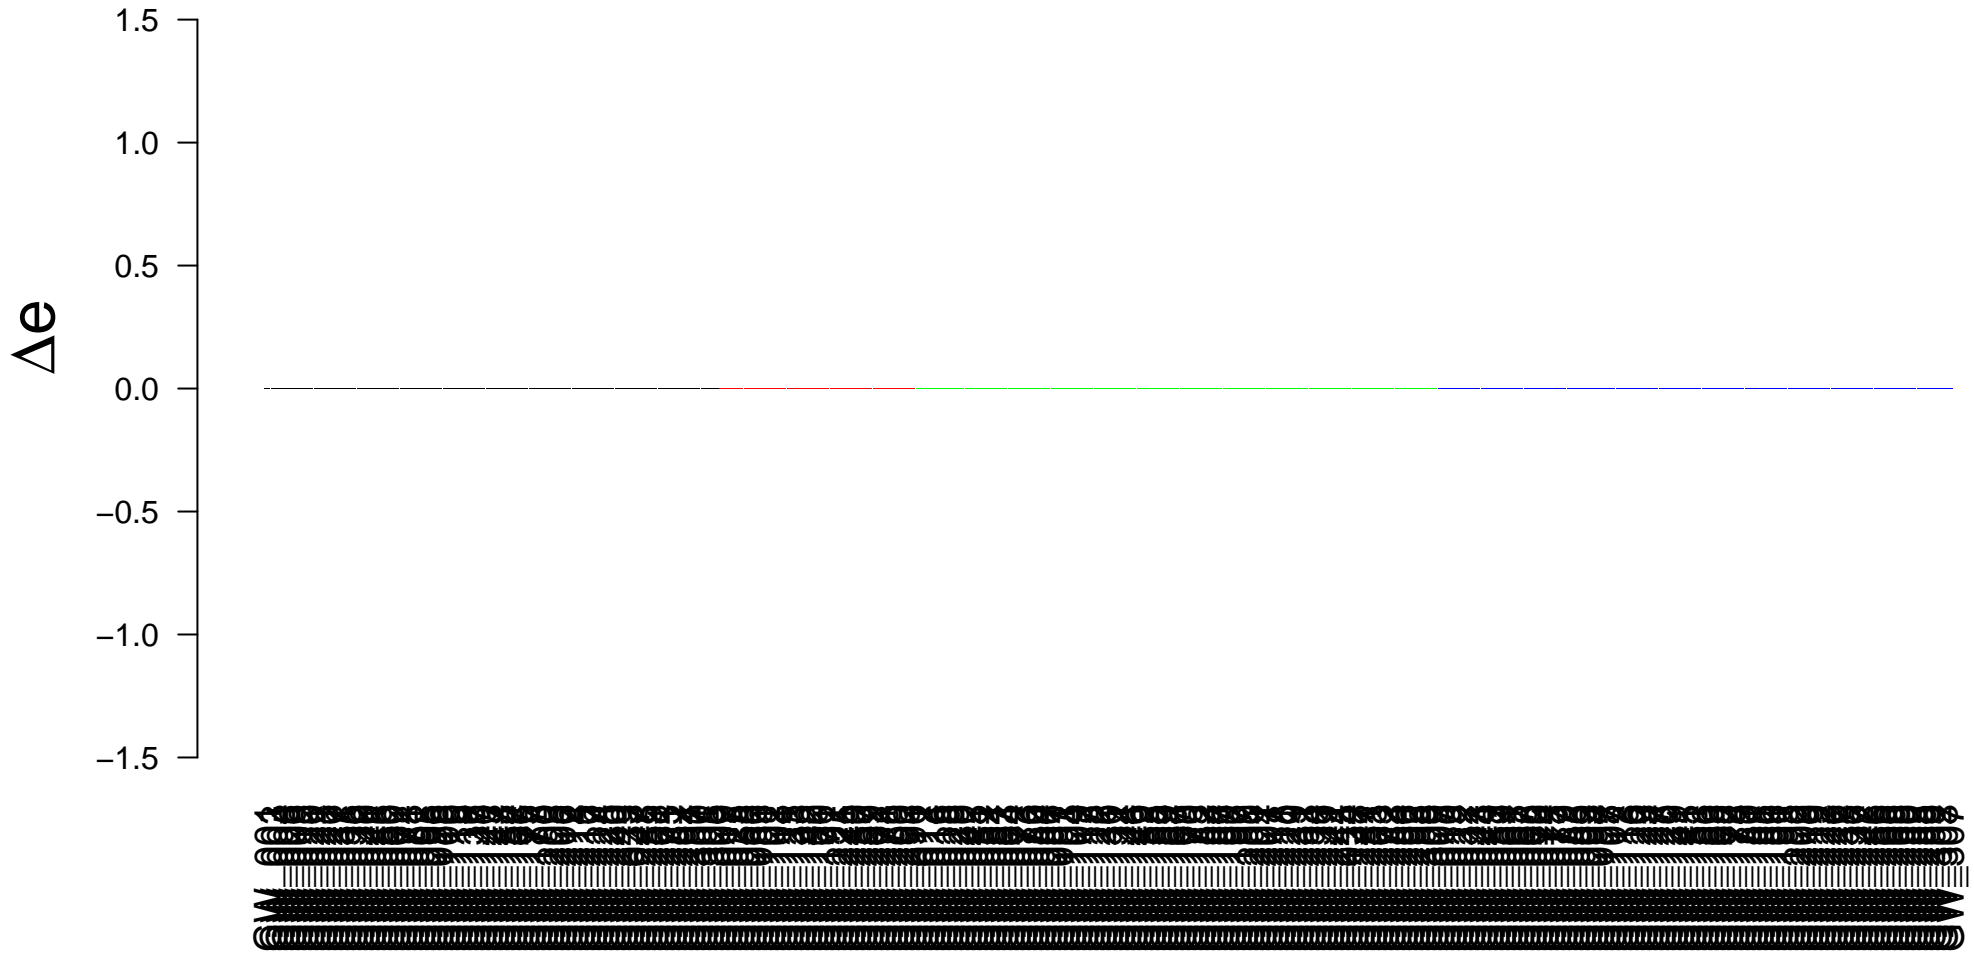

Expression of regulation of glucose metabolic process in Spot I

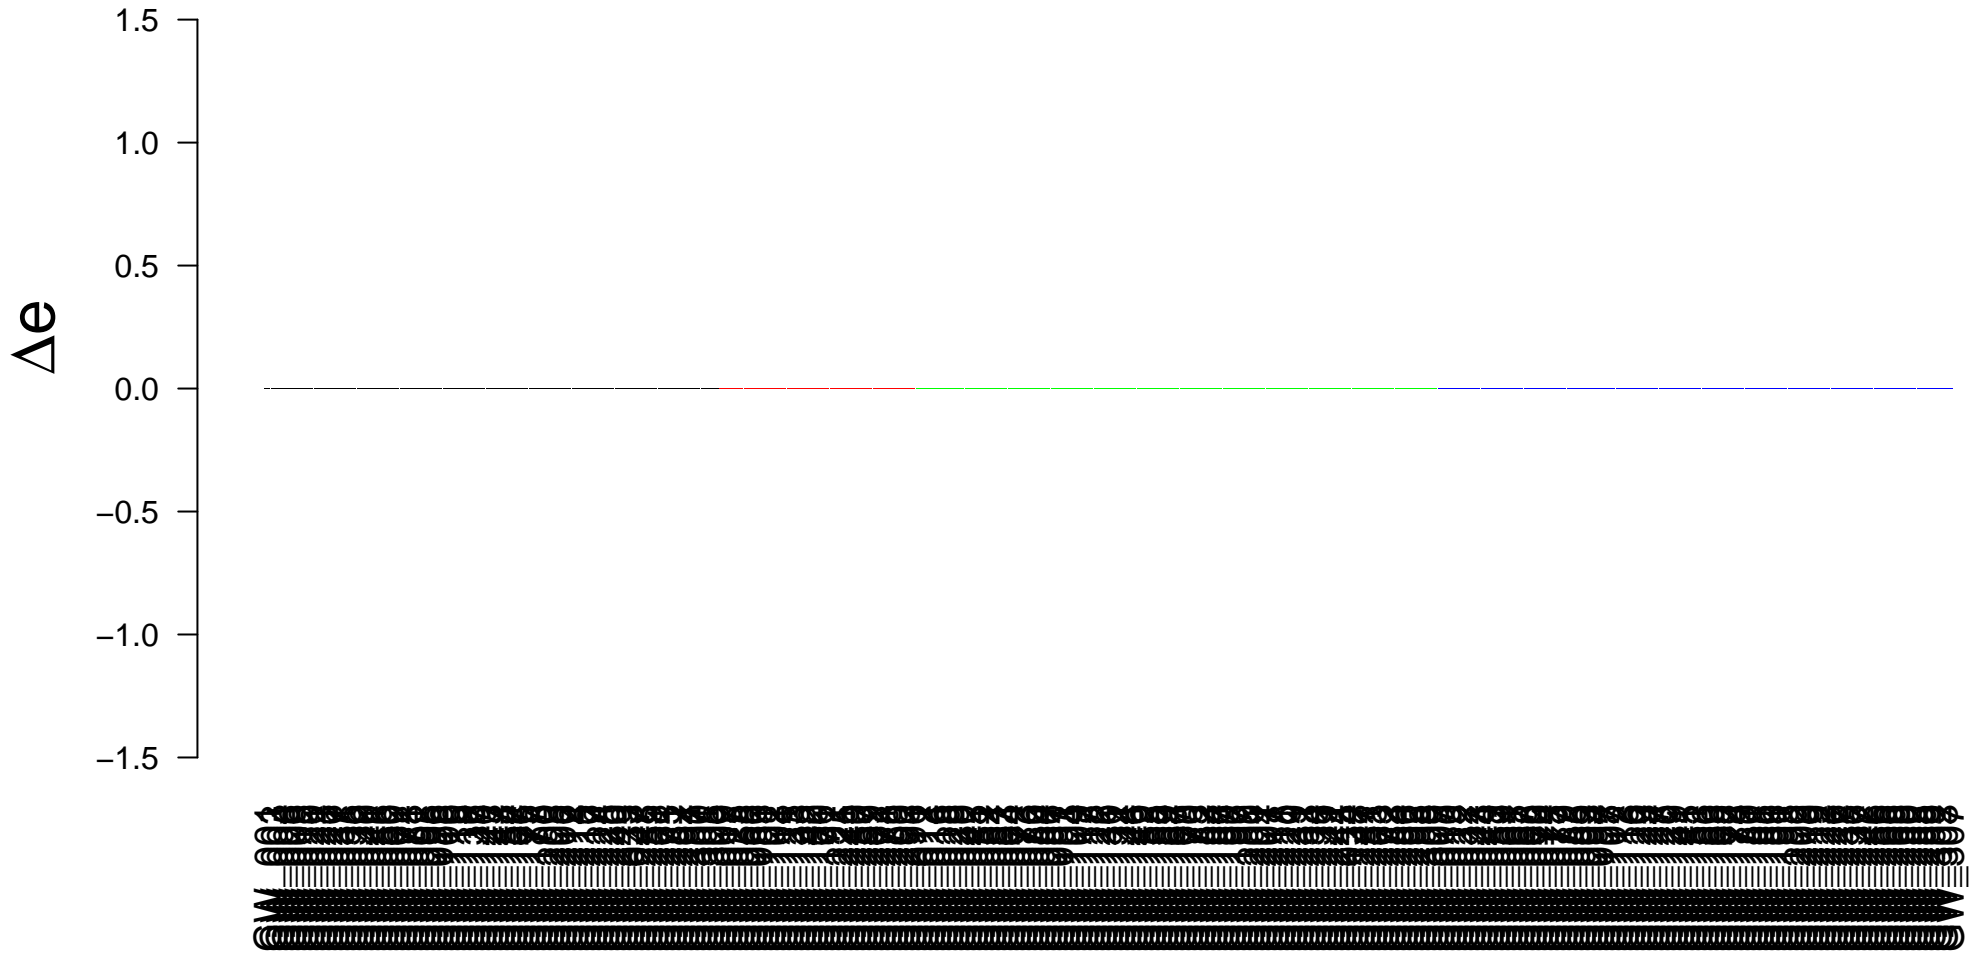

Δe

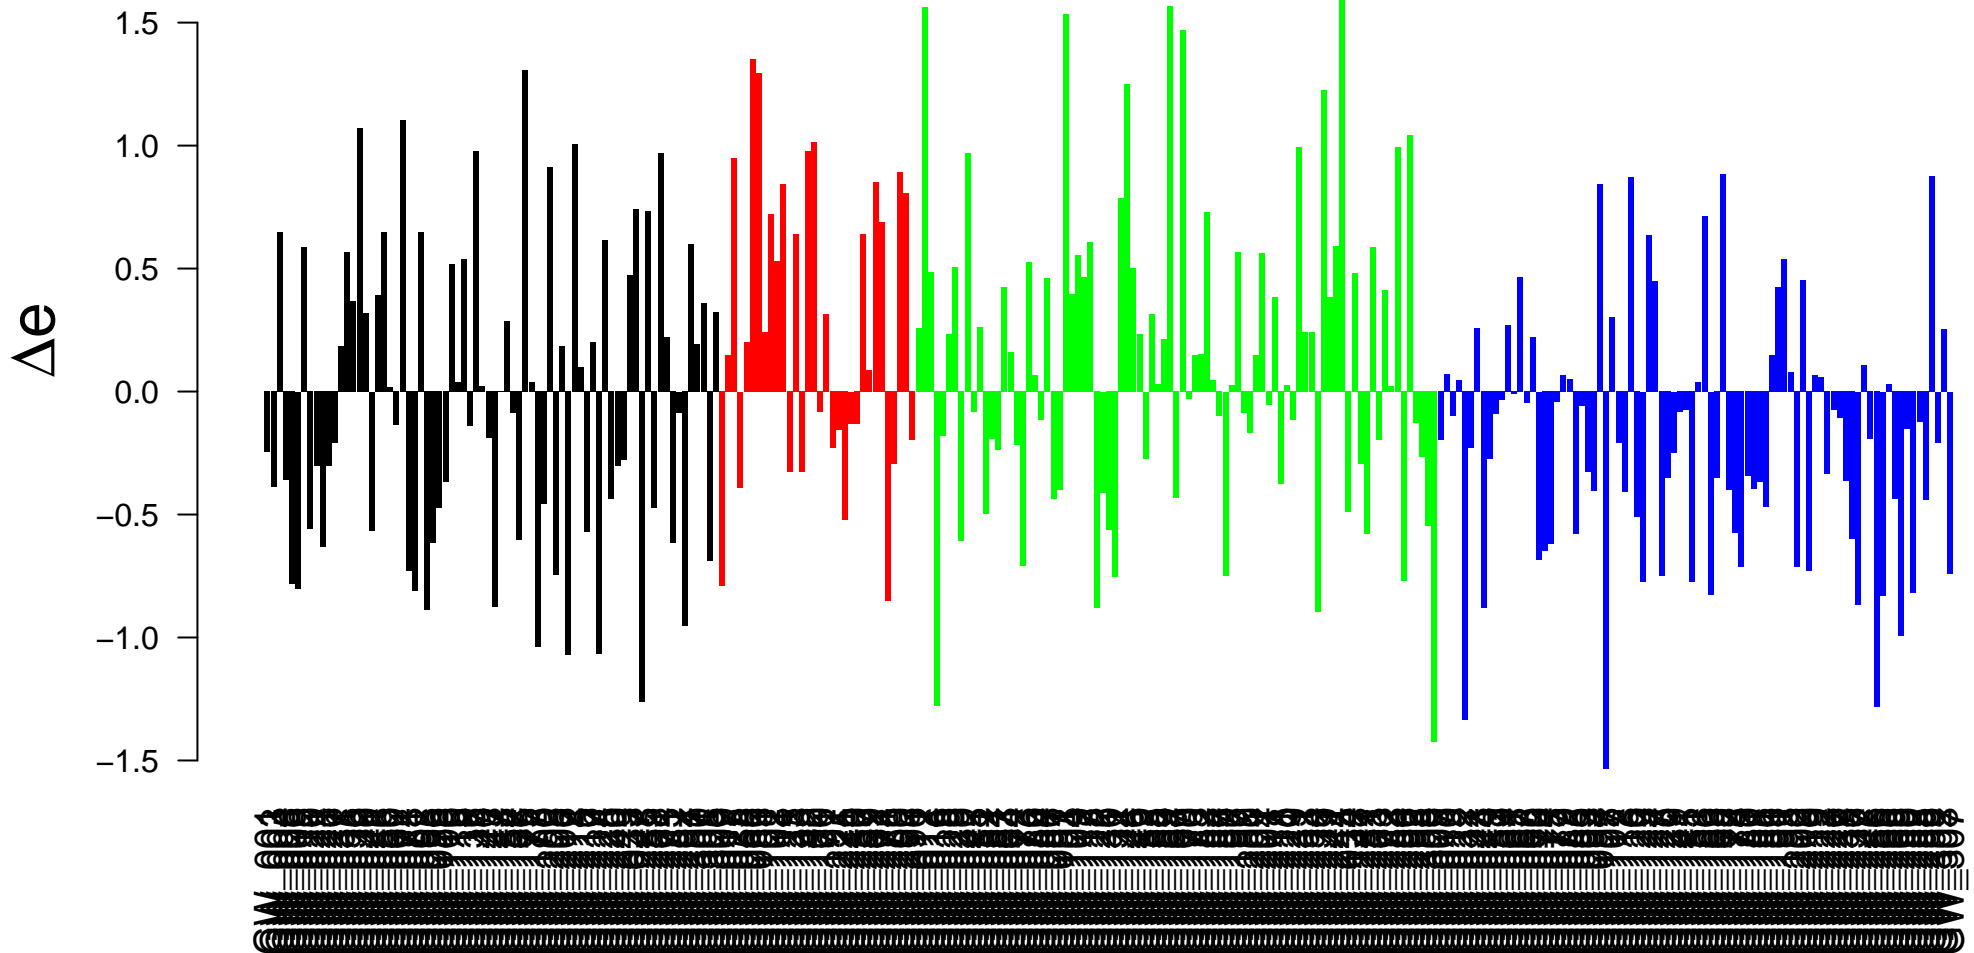

Expression of regulation of glucose metabolic process in Spot J

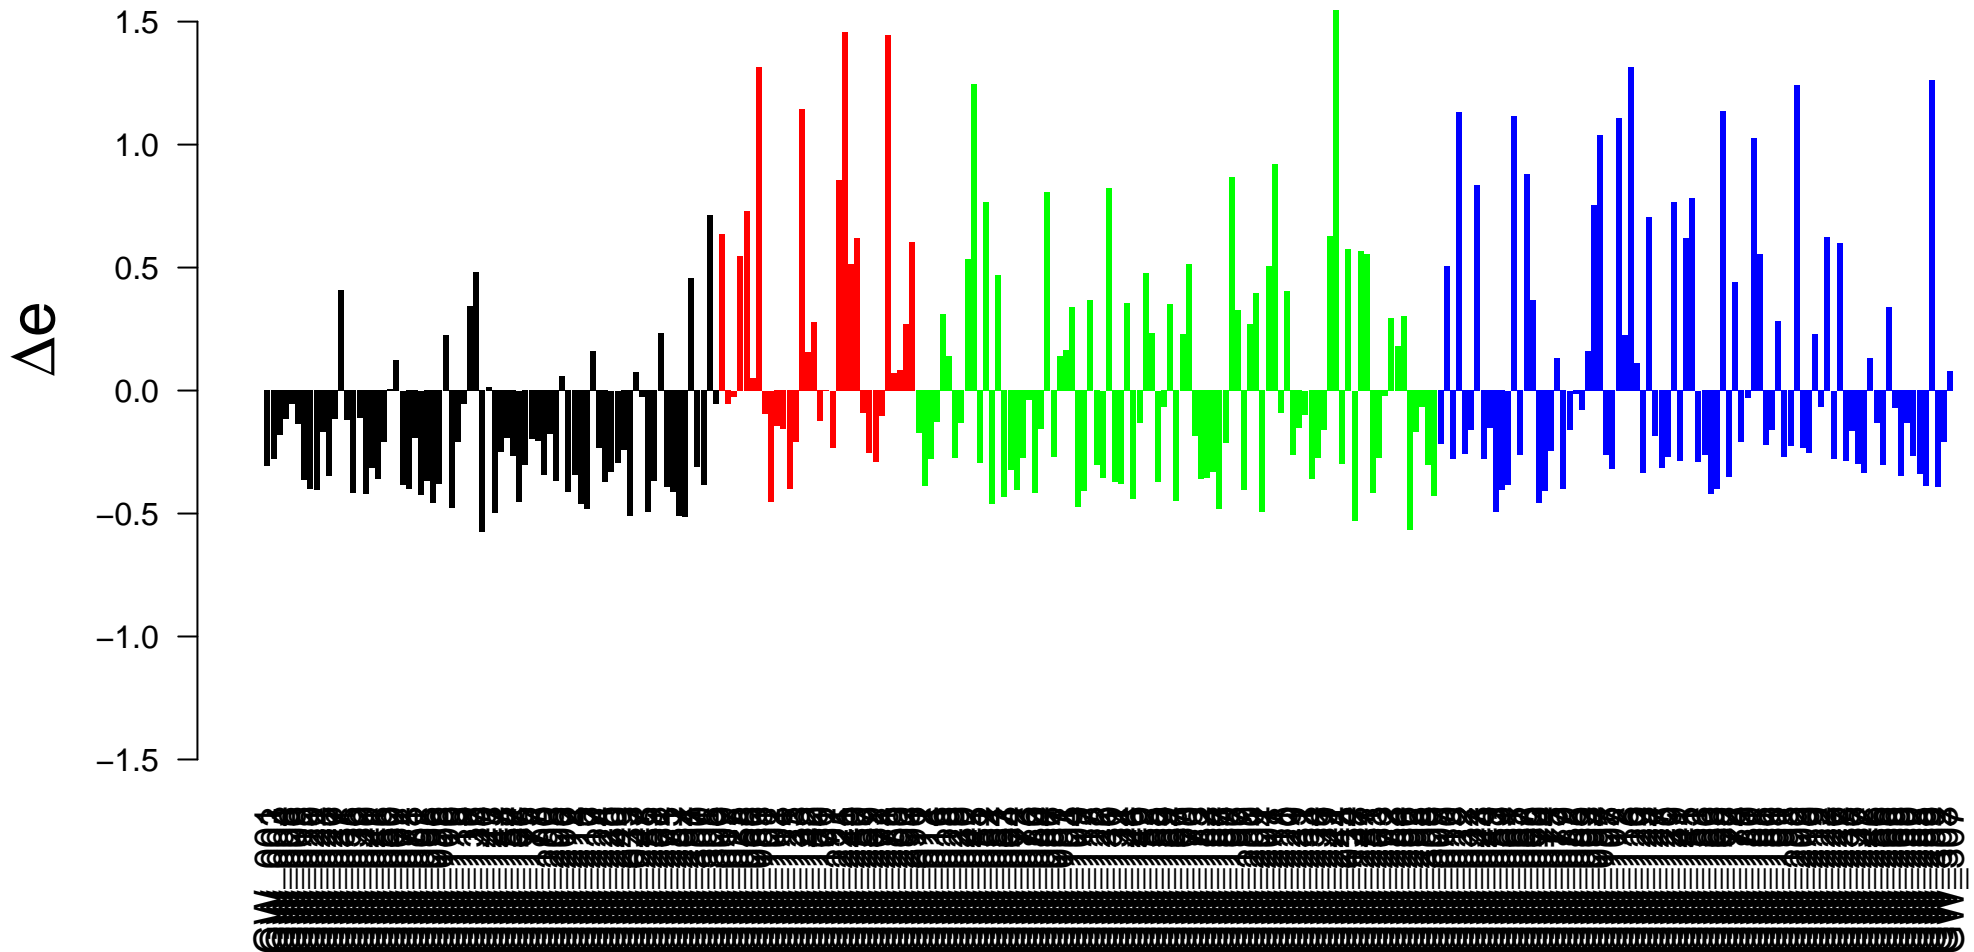

Expression of regulation of glucose metabolic process in Spot K

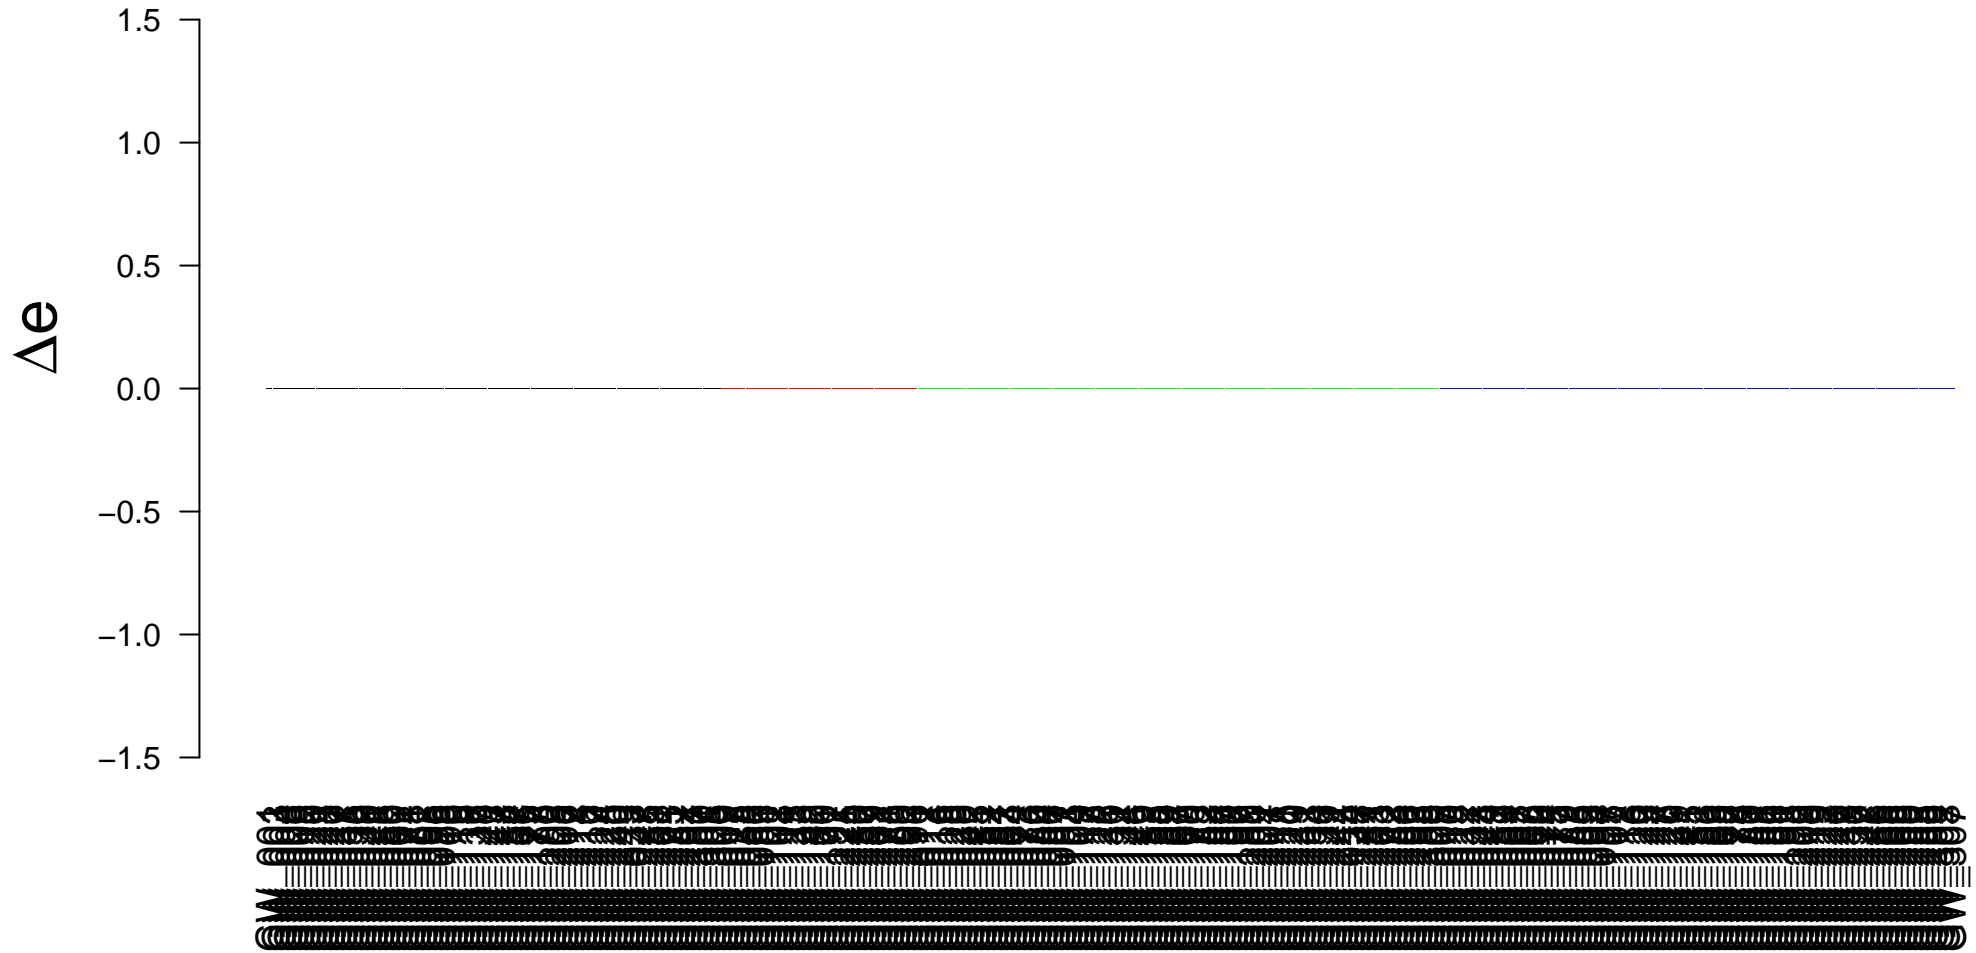

Expression of regulation of glucose metabolic process in Spot L

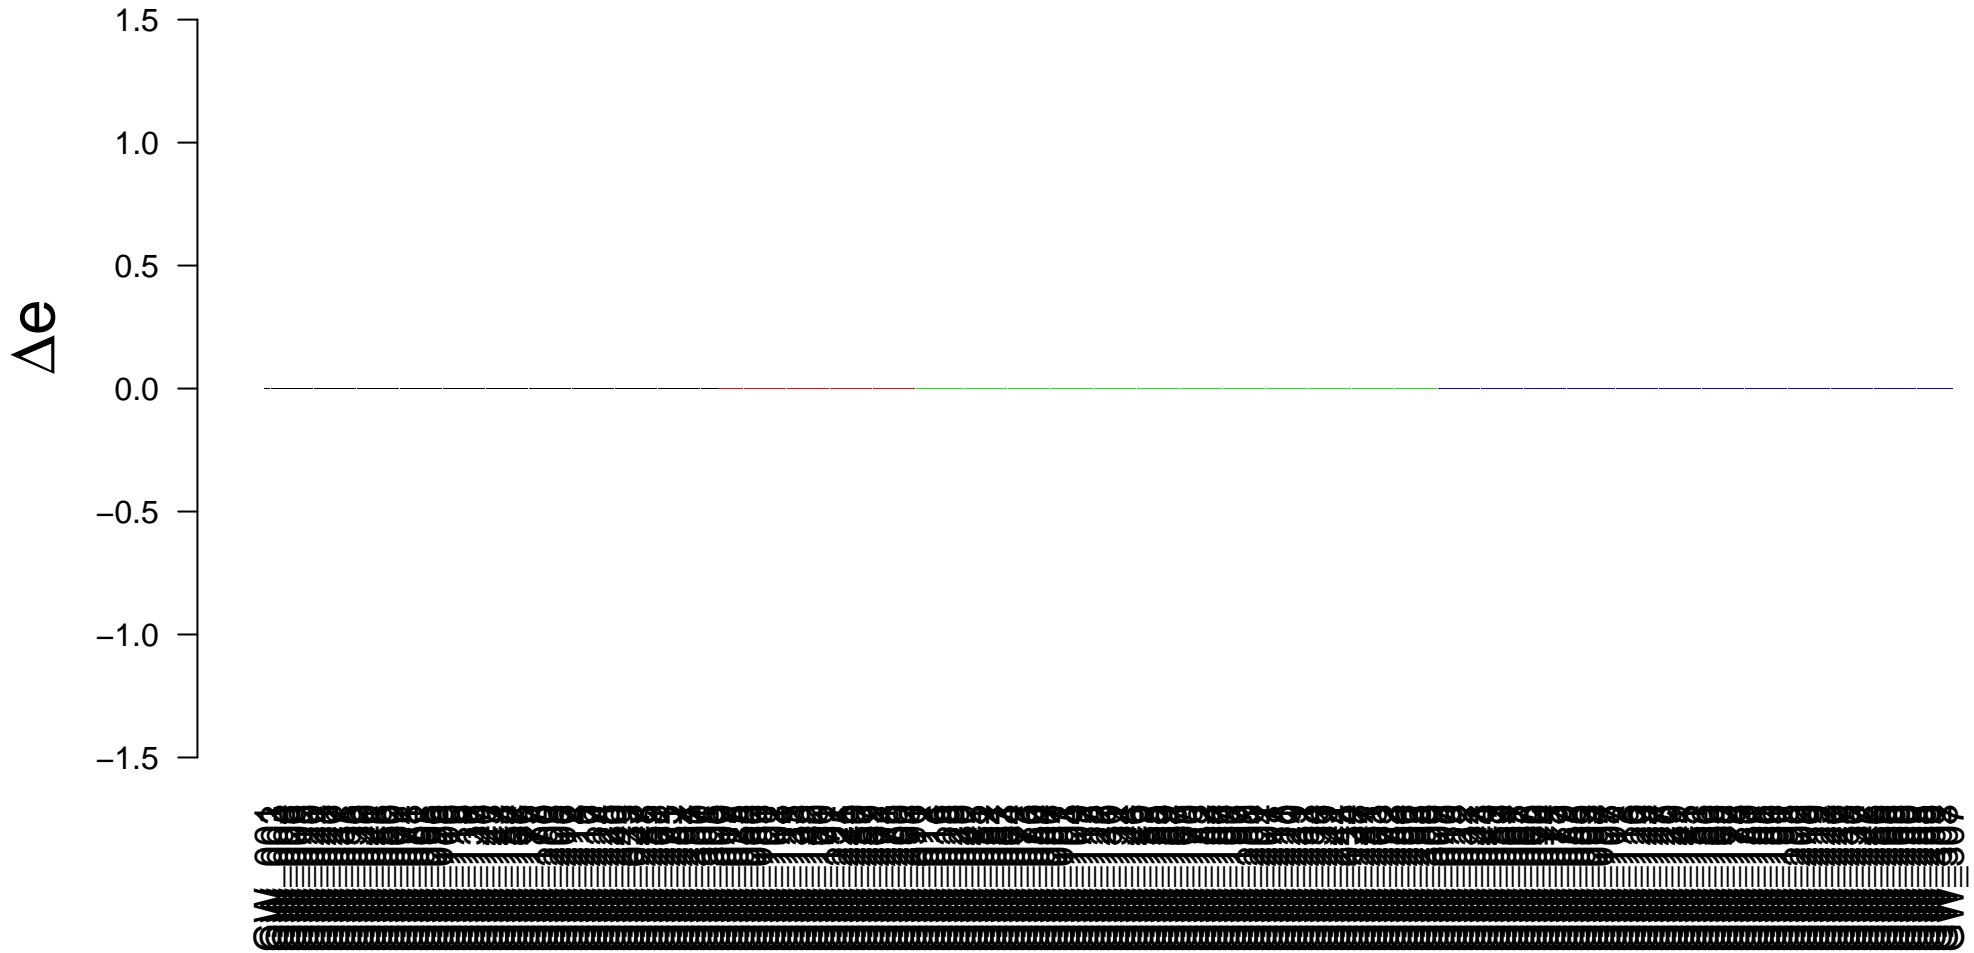

Expression of regulation of glucose metabolic process in Spot M

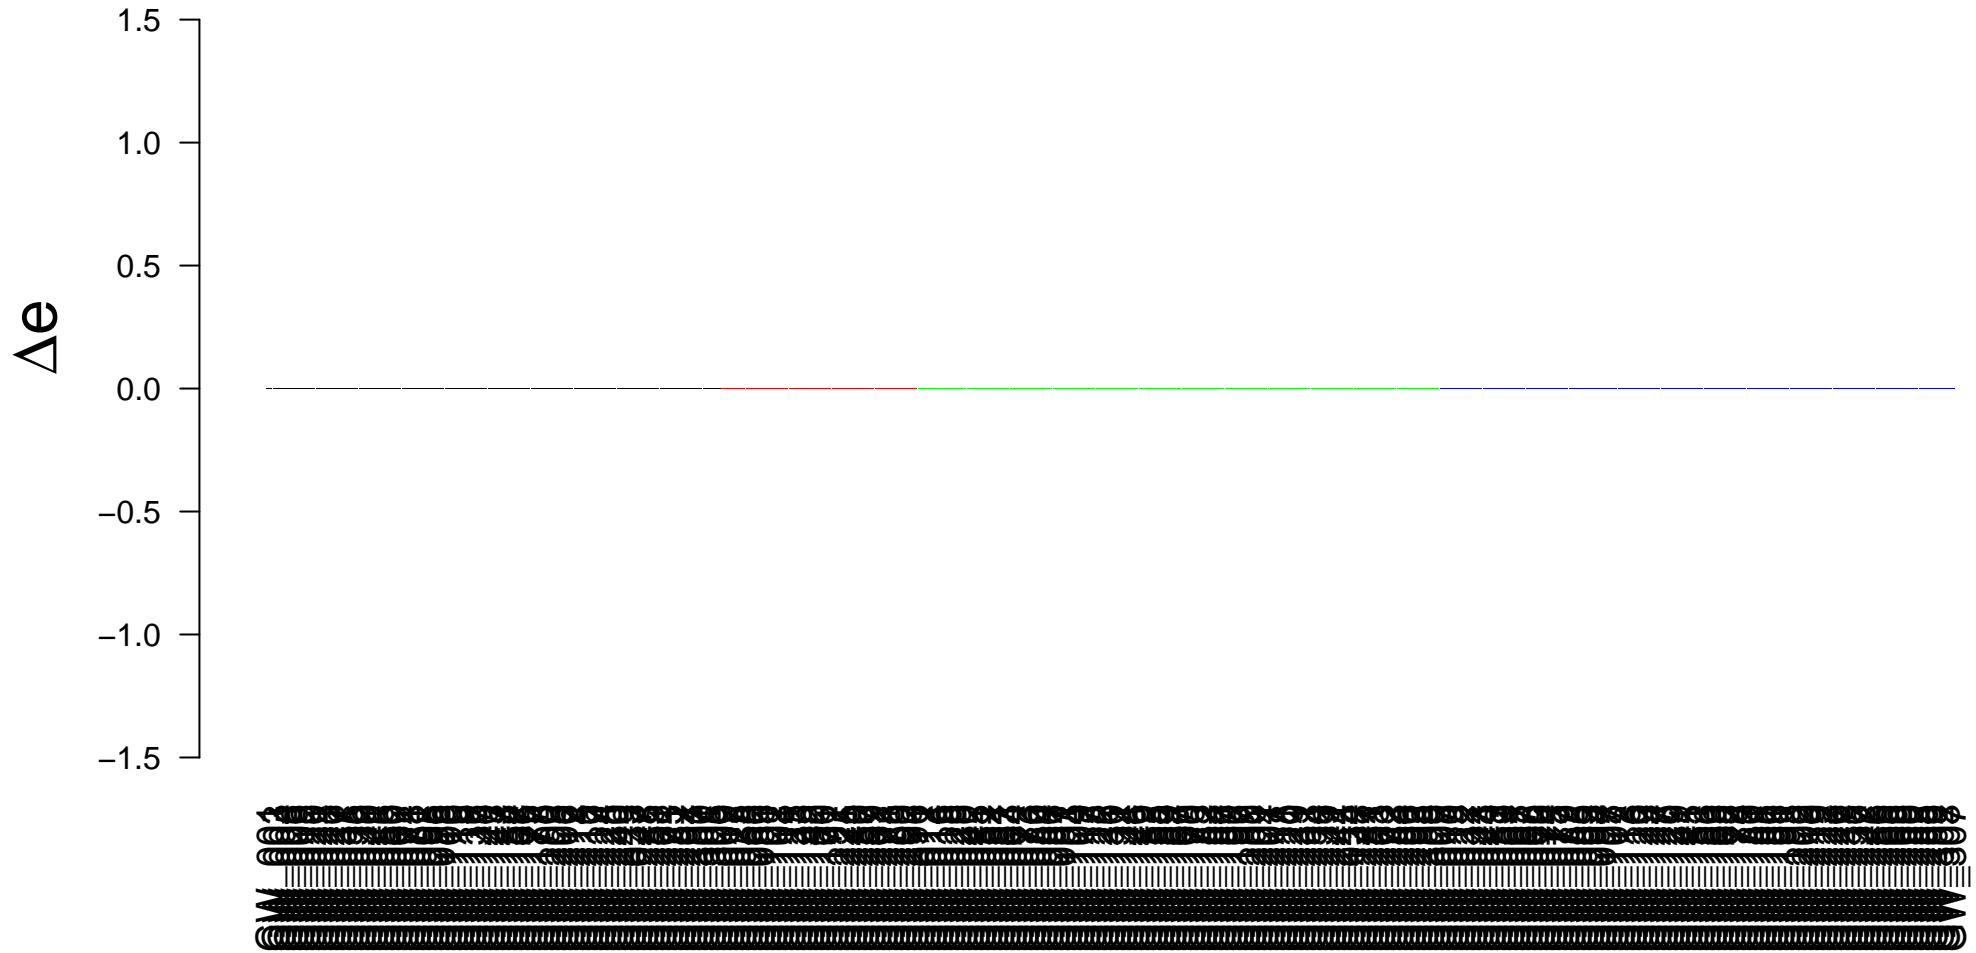

Expression of regulation of glucose metabolic process in Spot N

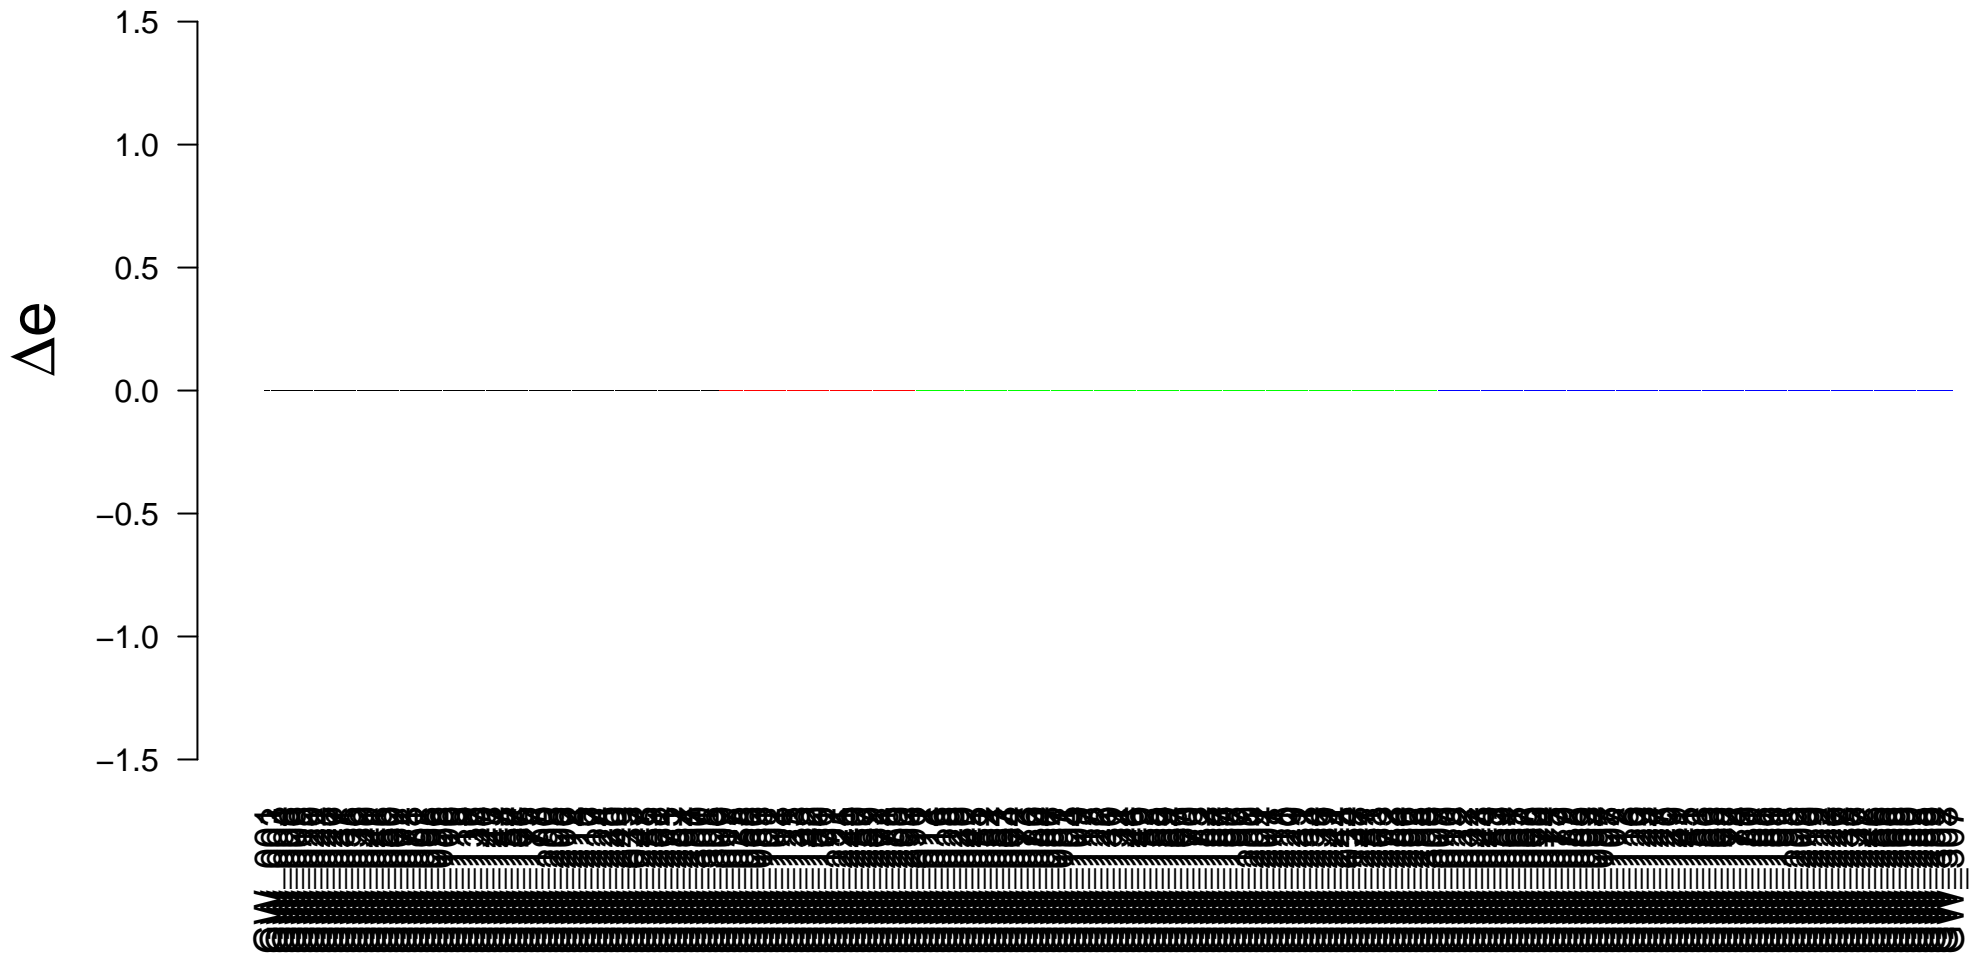

Expression of regulation of glucose metabolic process in Spot O

Expression of regulation of glucose metabolic process in Spot P

Expression of regulation of glucose metabolic process in Spot Q

Expression of regulation of glucose metabolic process in Spot R
