

# regulation of heart rate by cardiac conduction

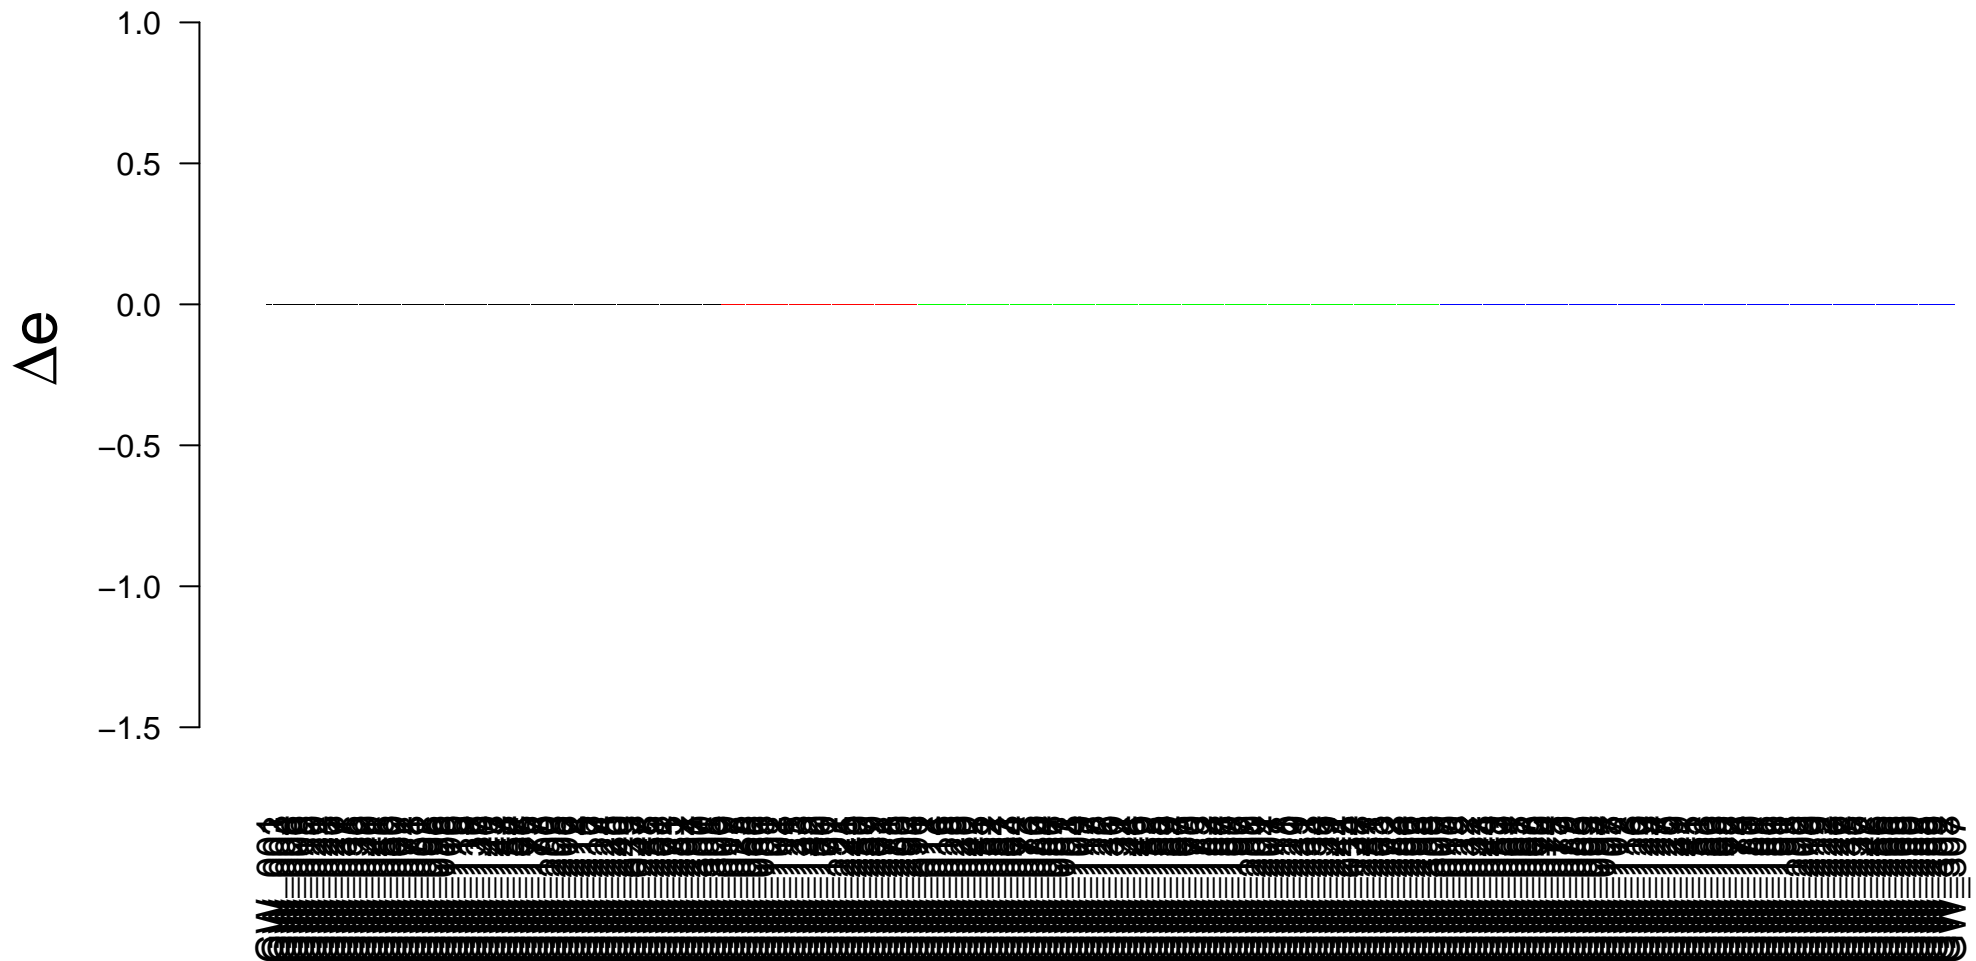

# regulation of heart rate by cardiac conduction

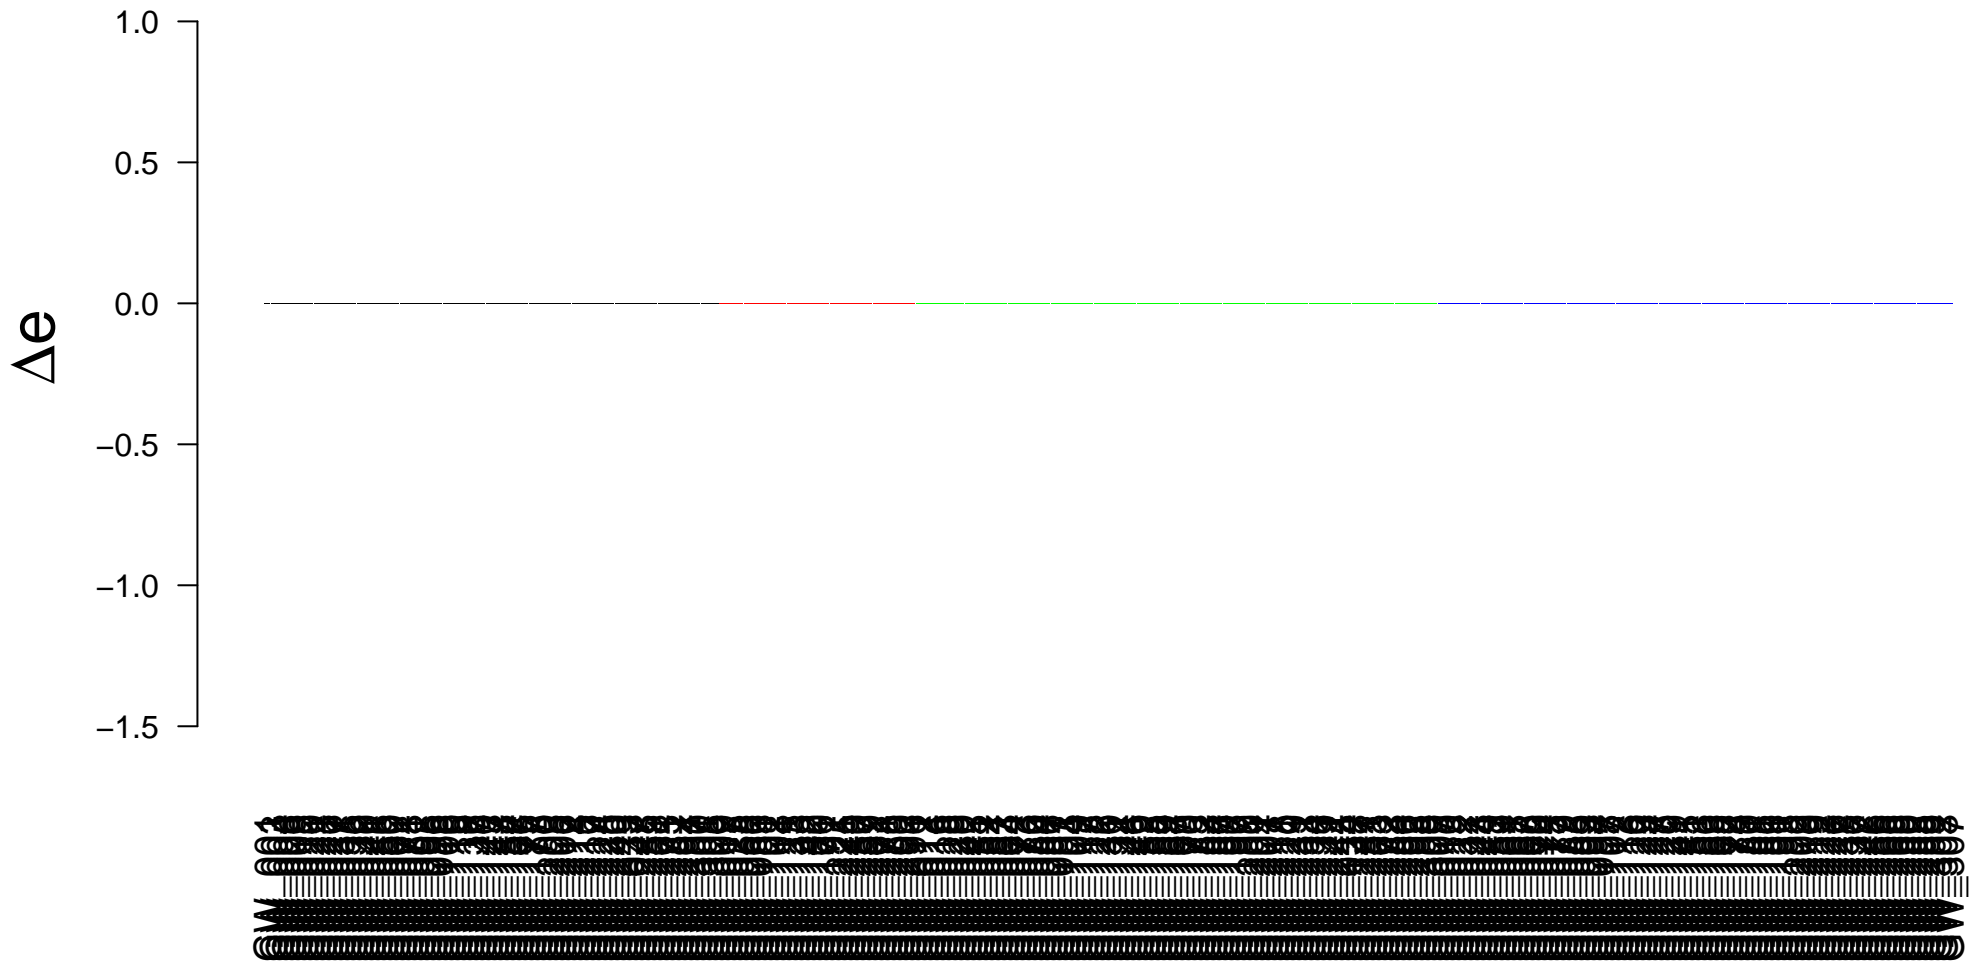

# Enrichment in spots: regulation of heart rate by cardiac conduction

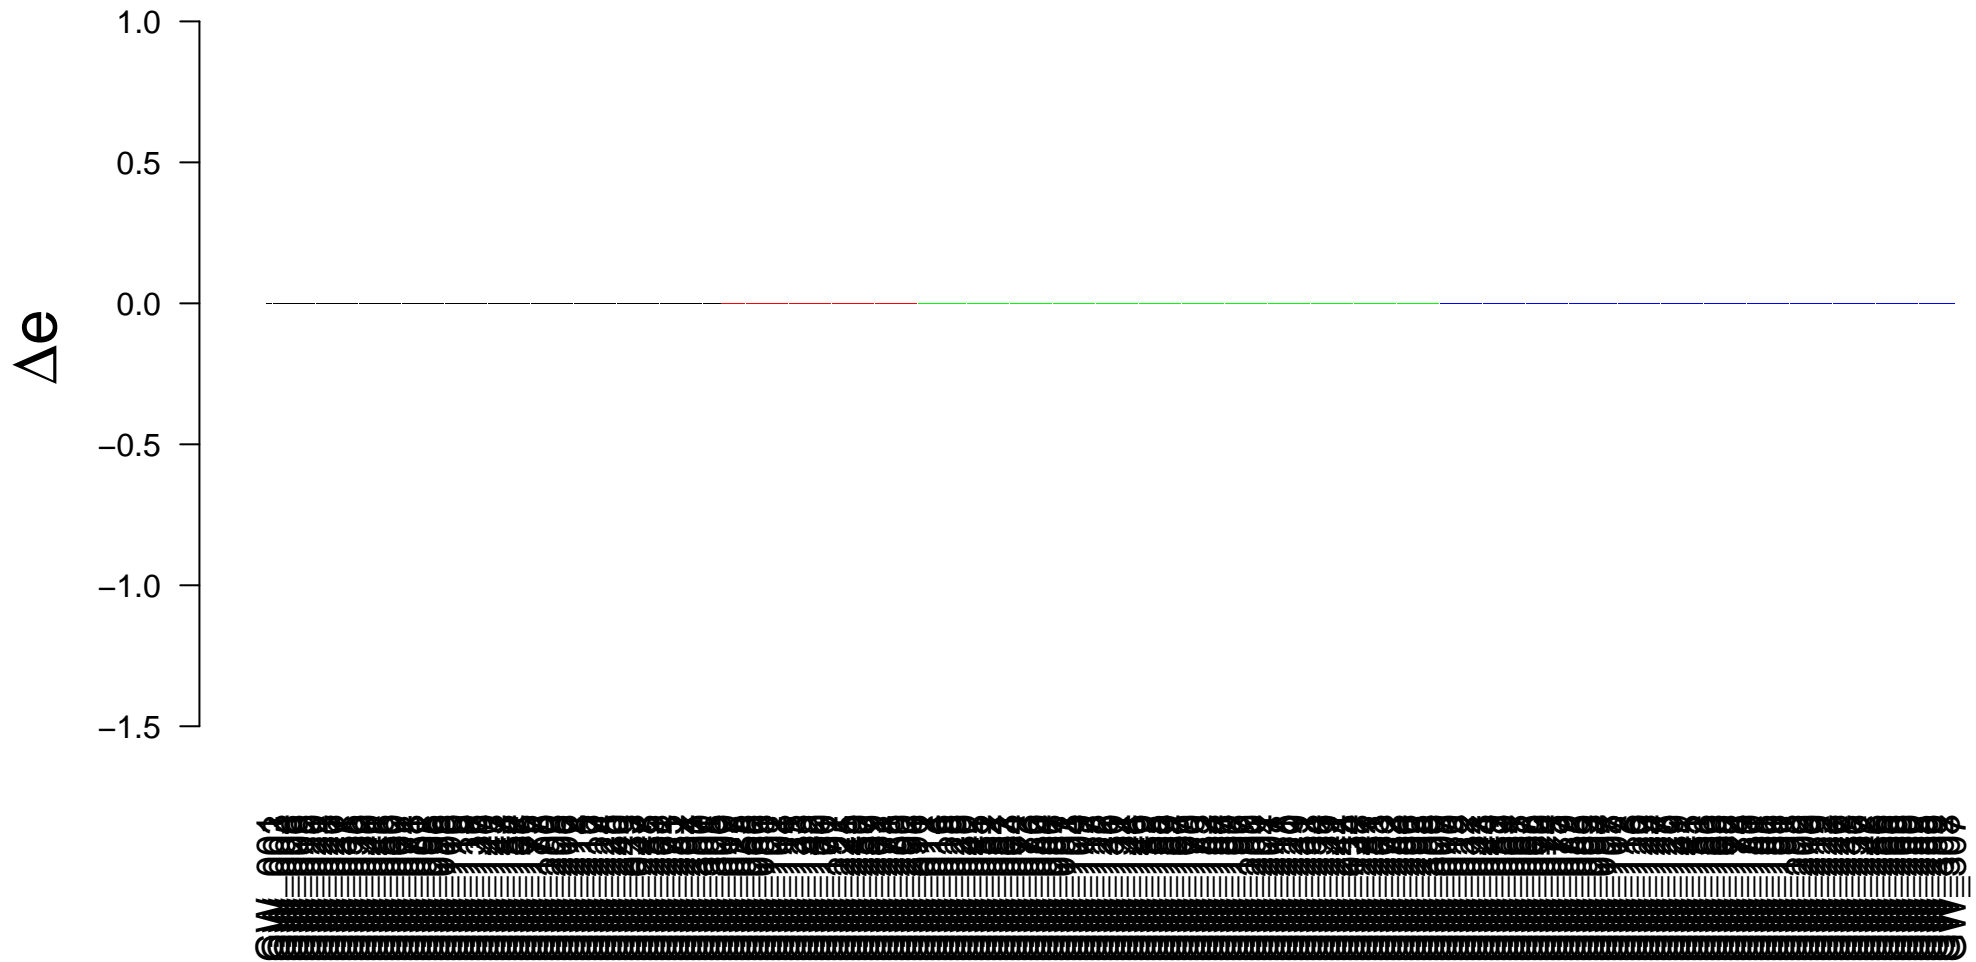

# Expression of regulation of heart rate by cardiac conduction in Spot A

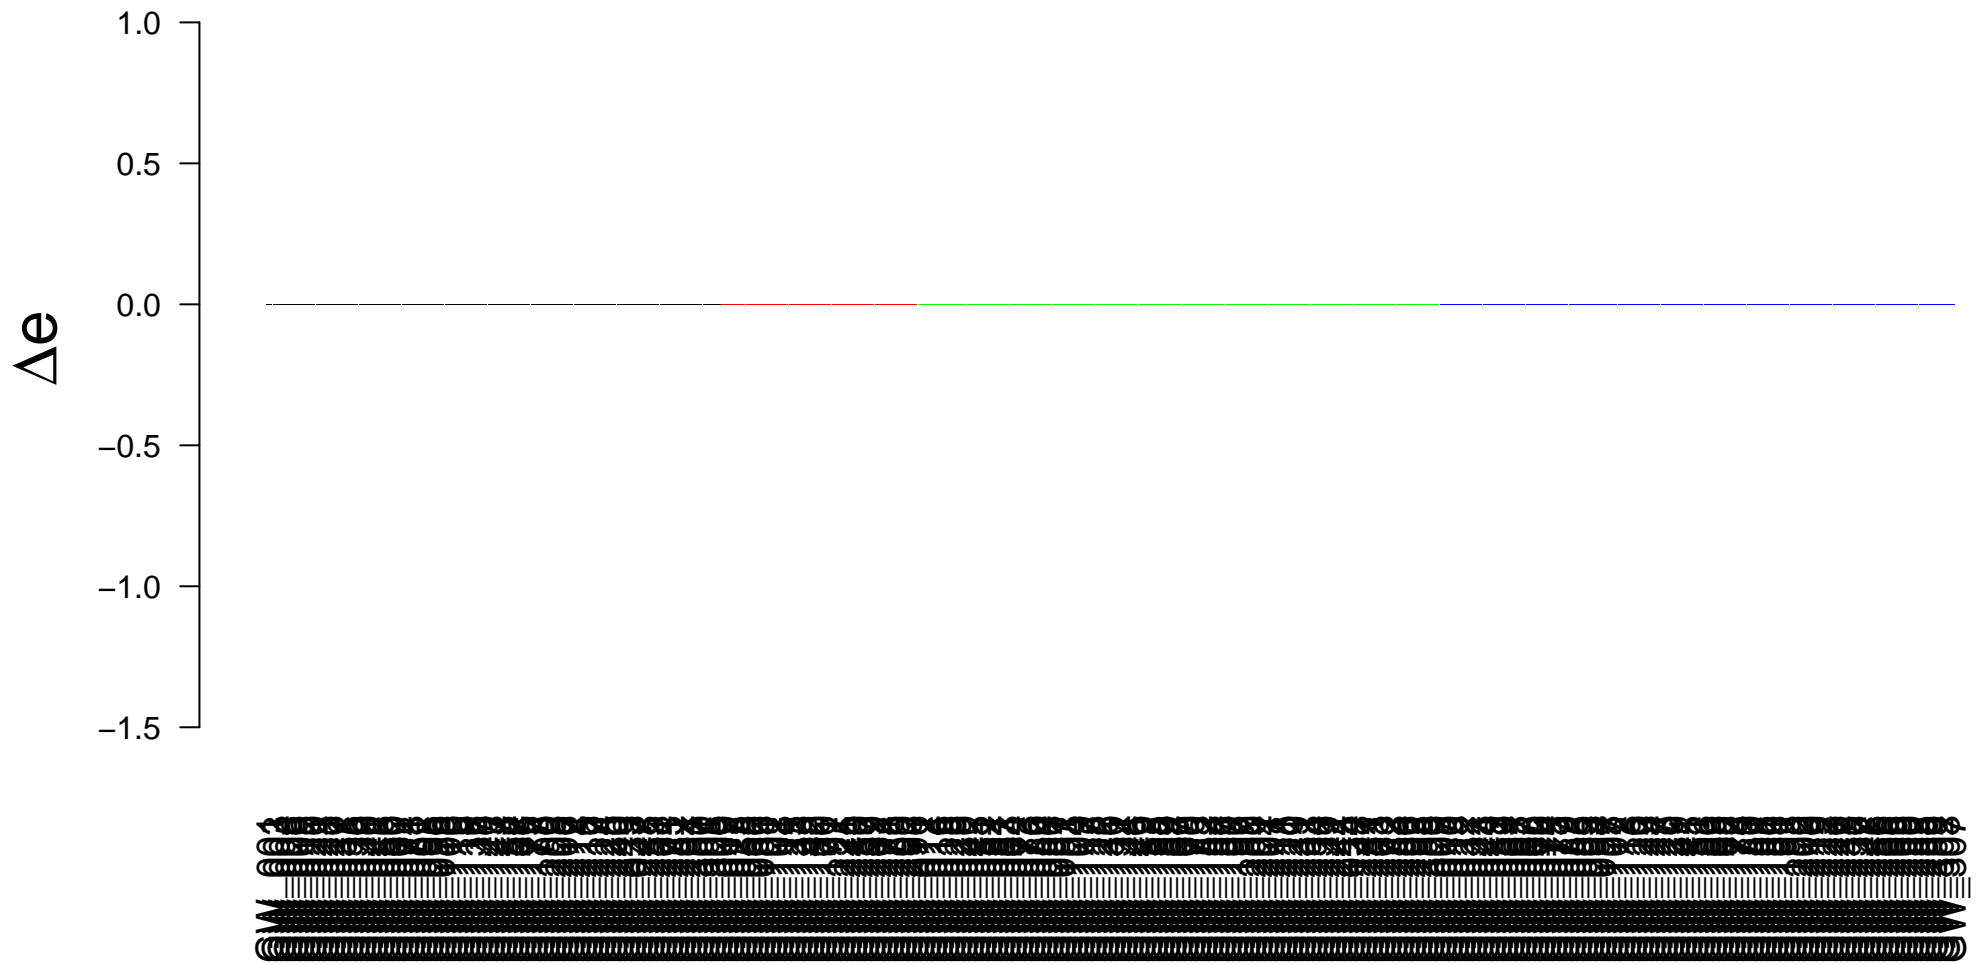

# Expression of regulation of heart rate by cardiac conduction in Spot B

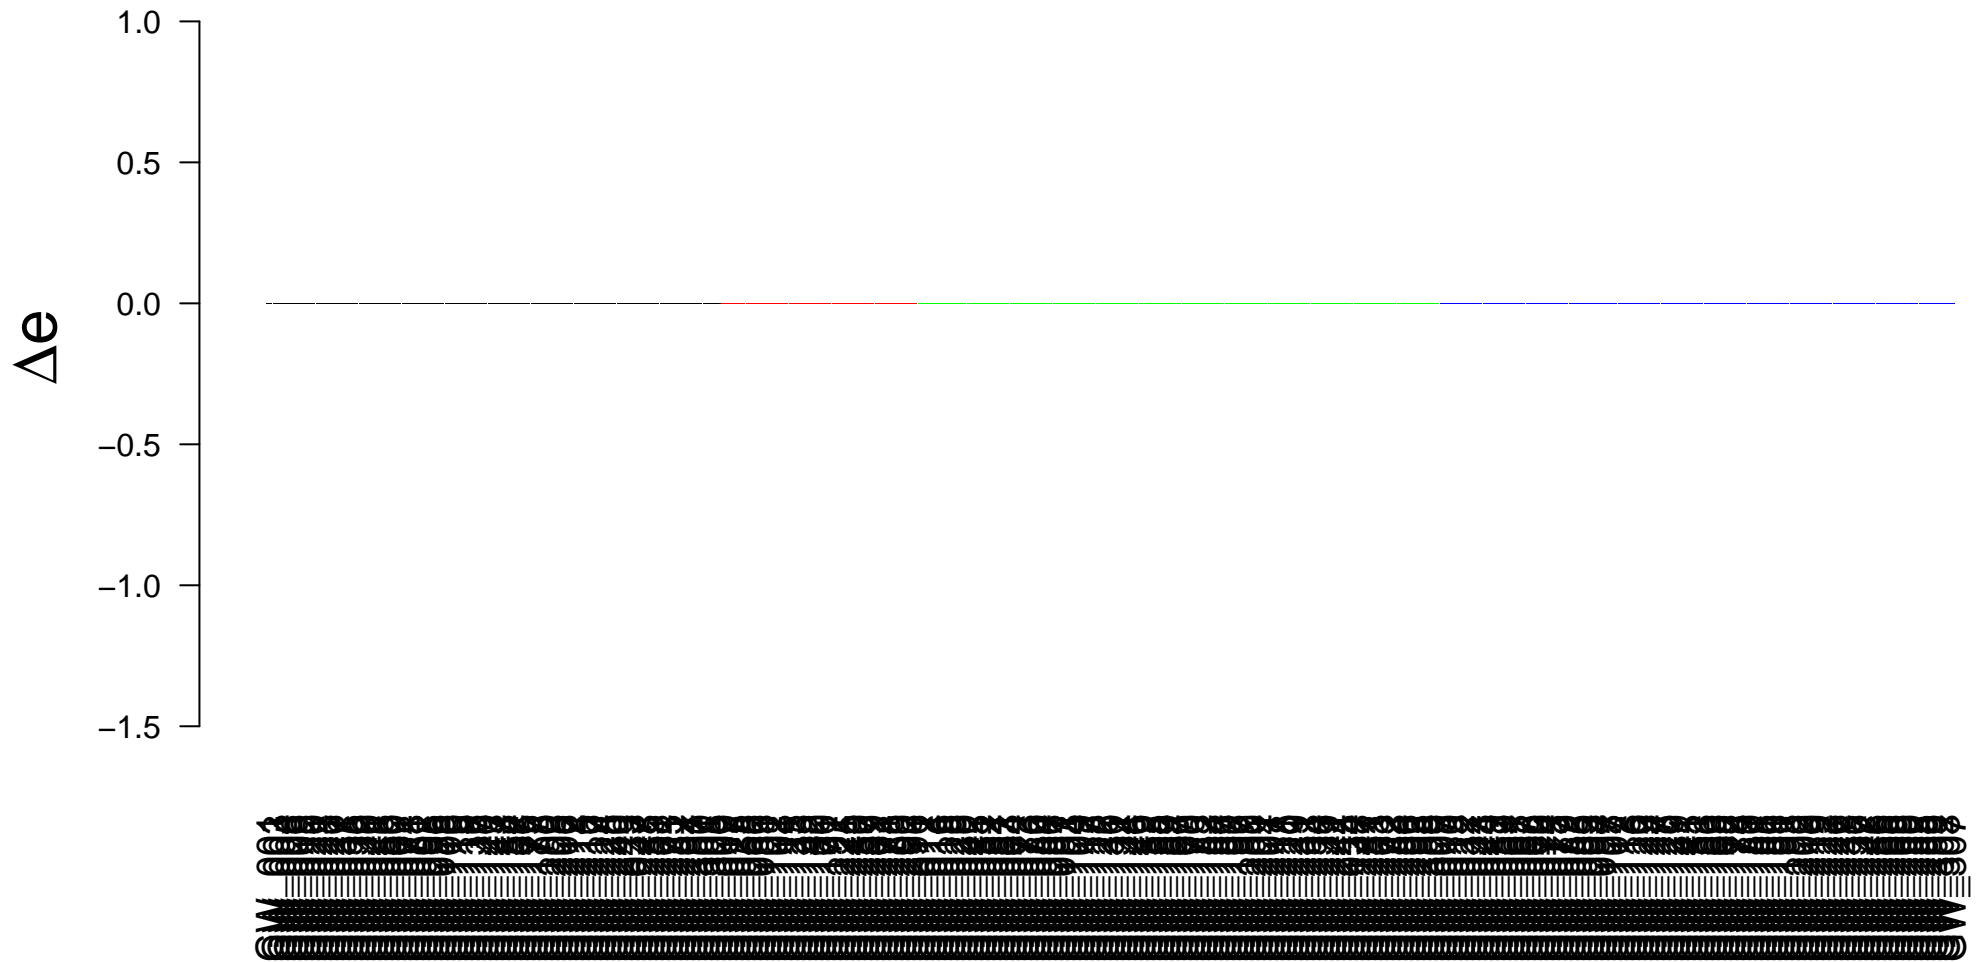

# Expression of regulation of heart rate by cardiac conduction in Spot C

# Expression of regulation of heart rate by cardiac conduction in Spot D

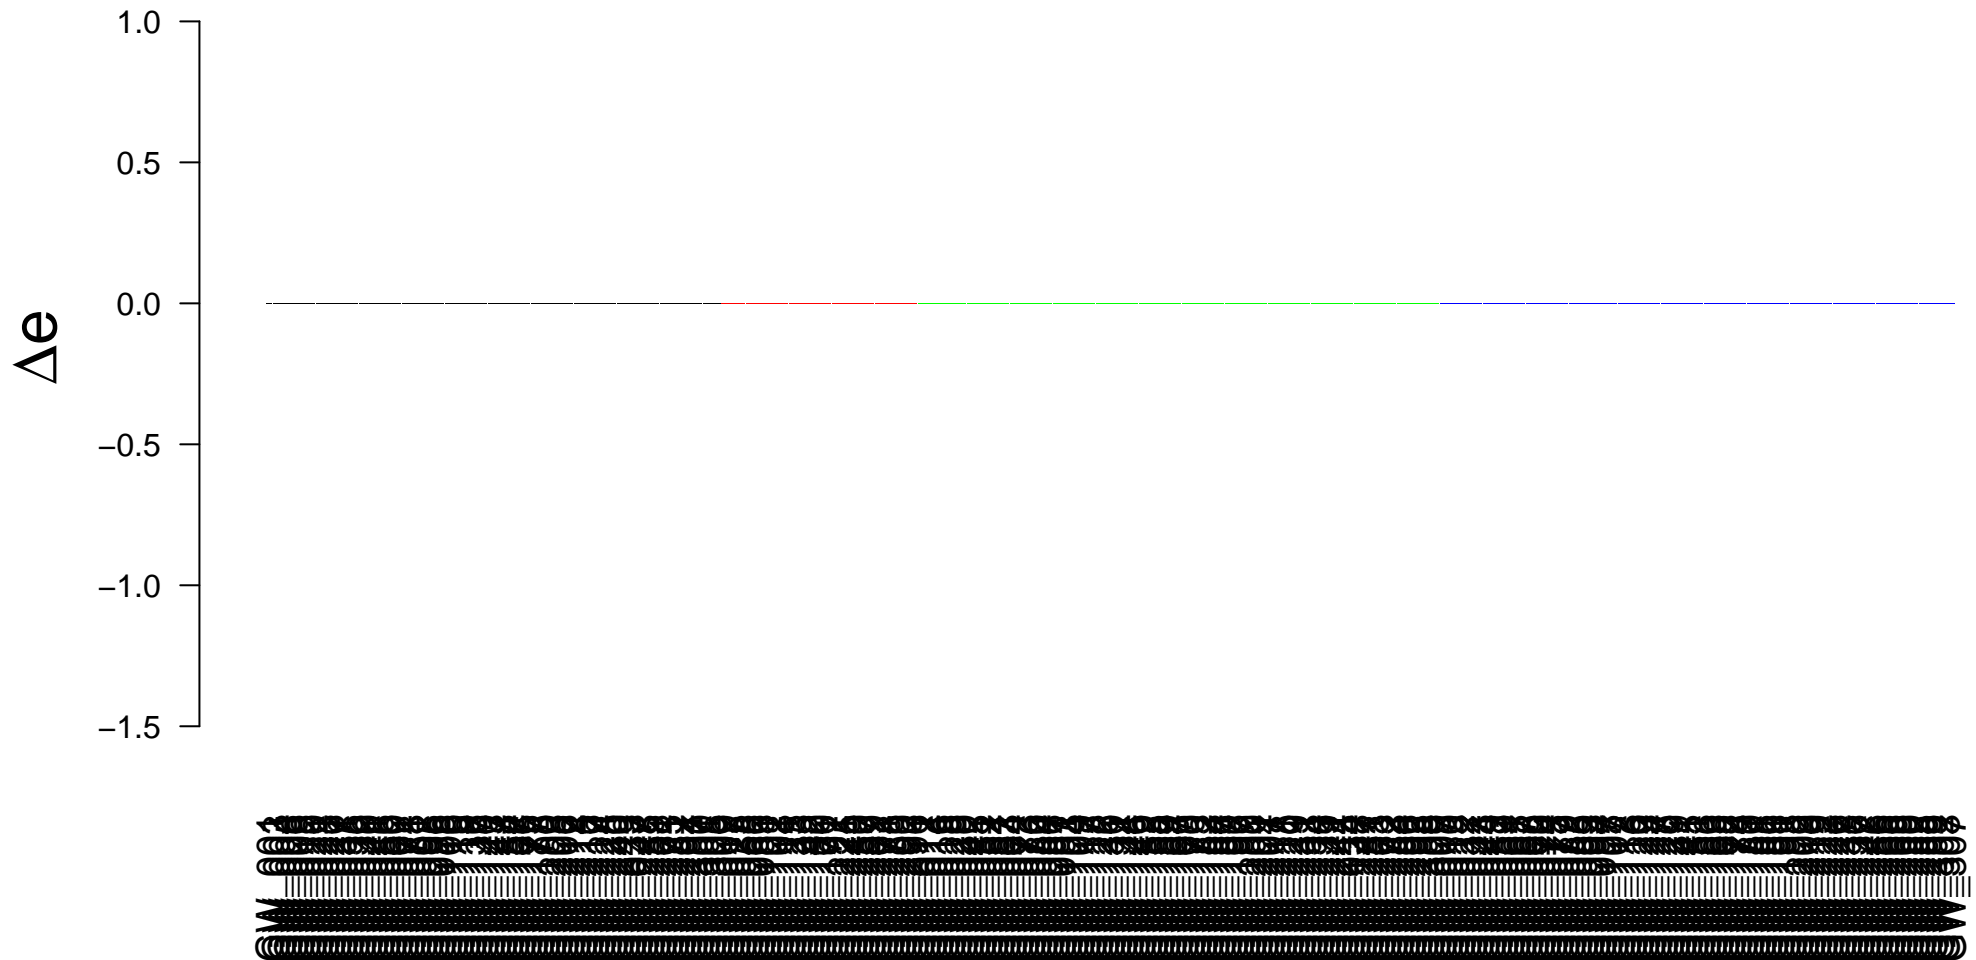

# Expression of regulation of heart rate by cardiac conduction in Spot E

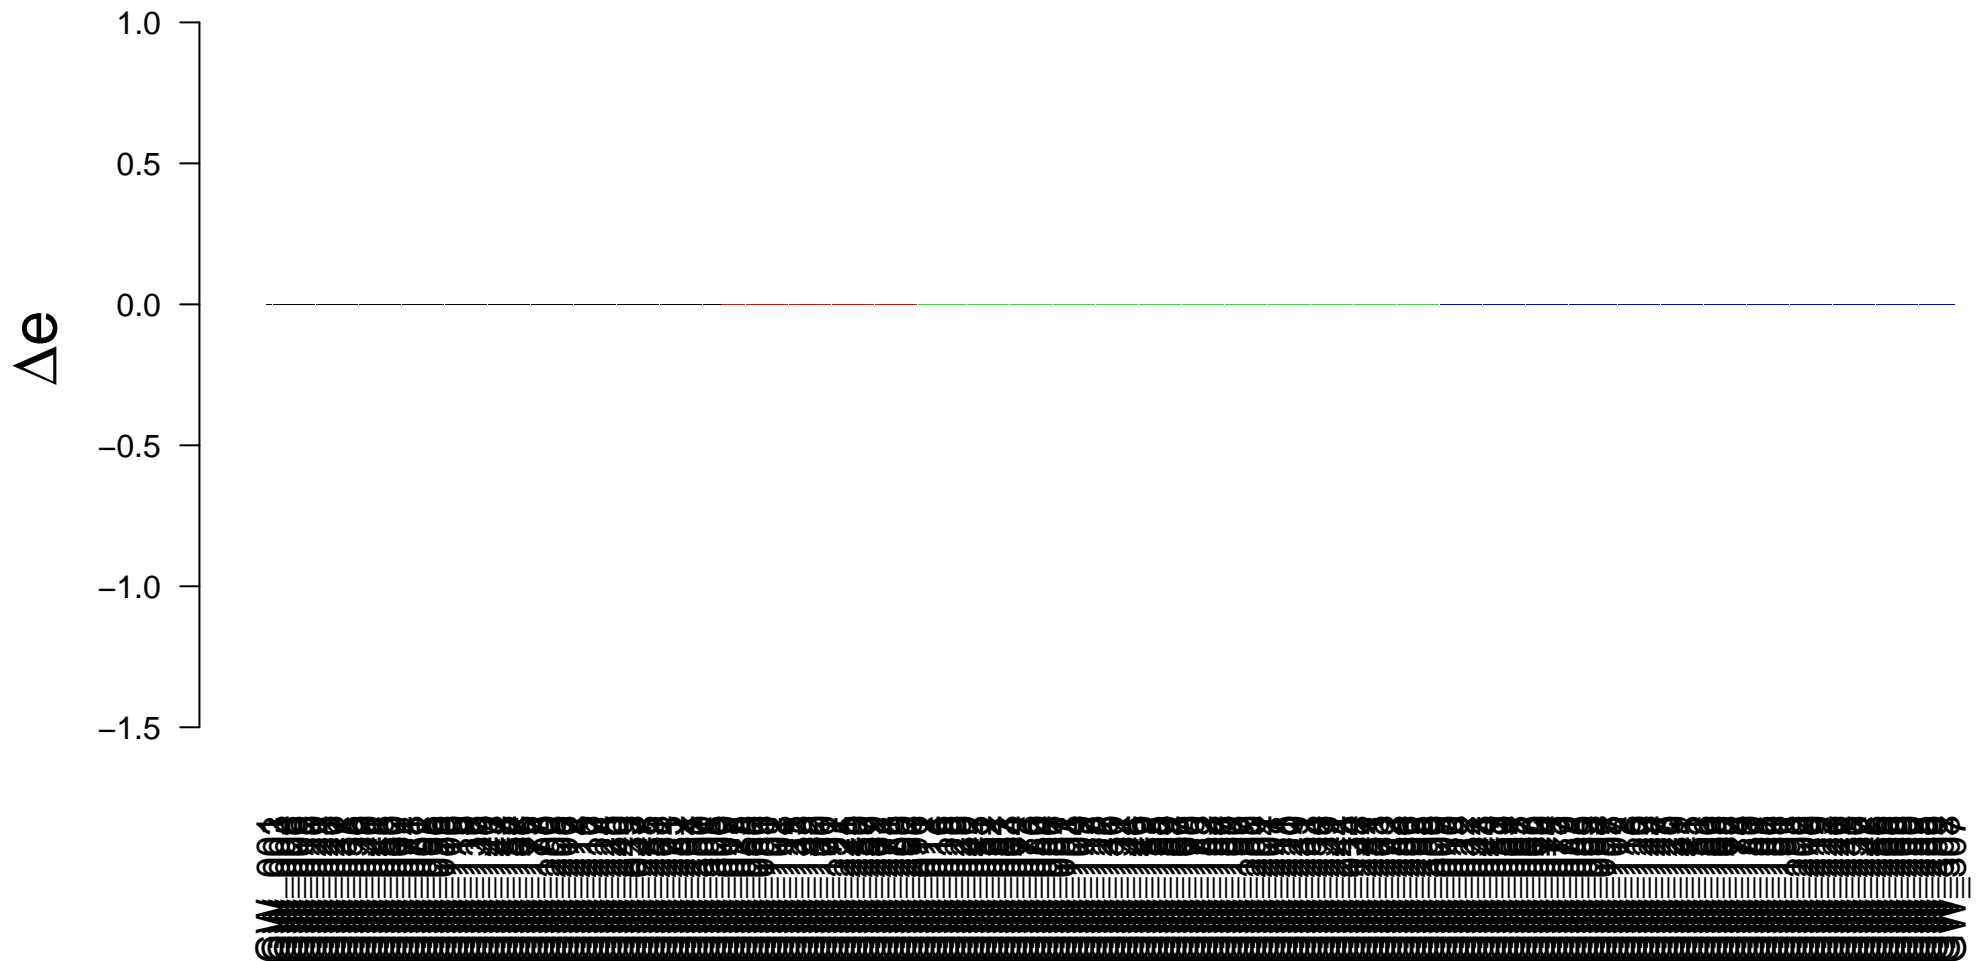

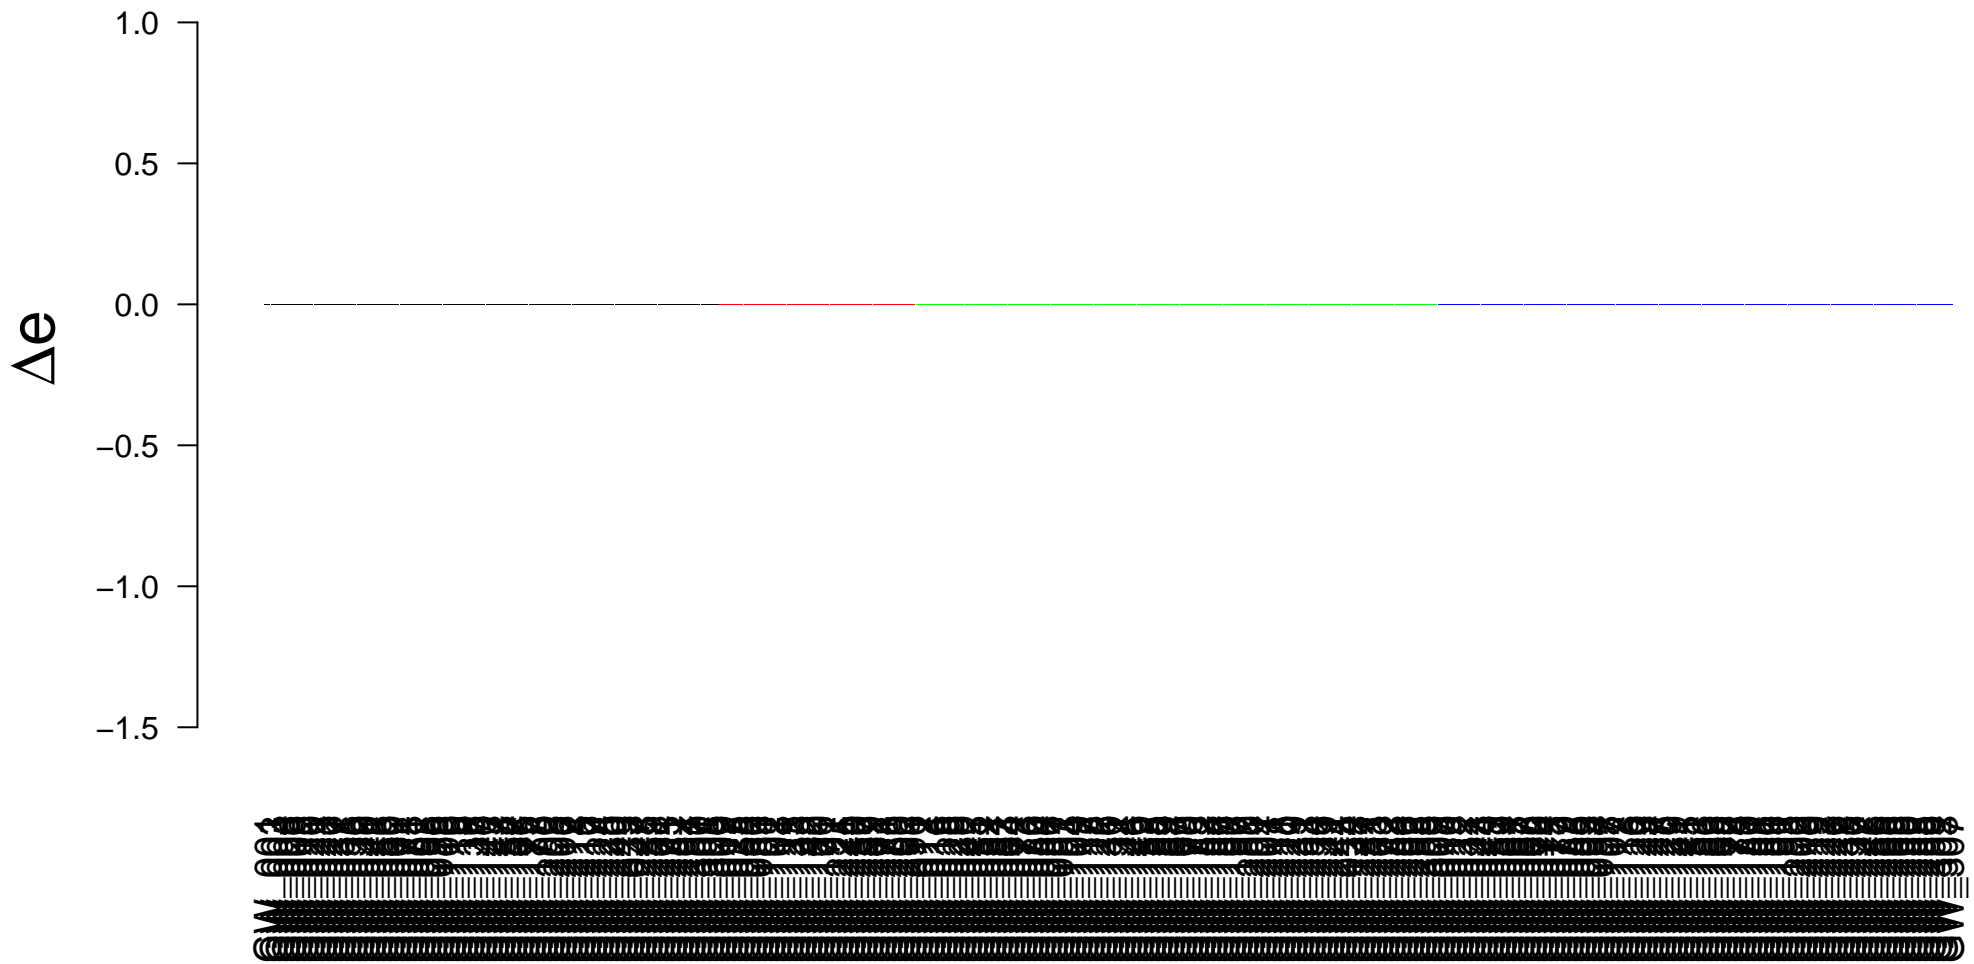

# Expression of regulation of heart rate by cardiac conduction in Spot F

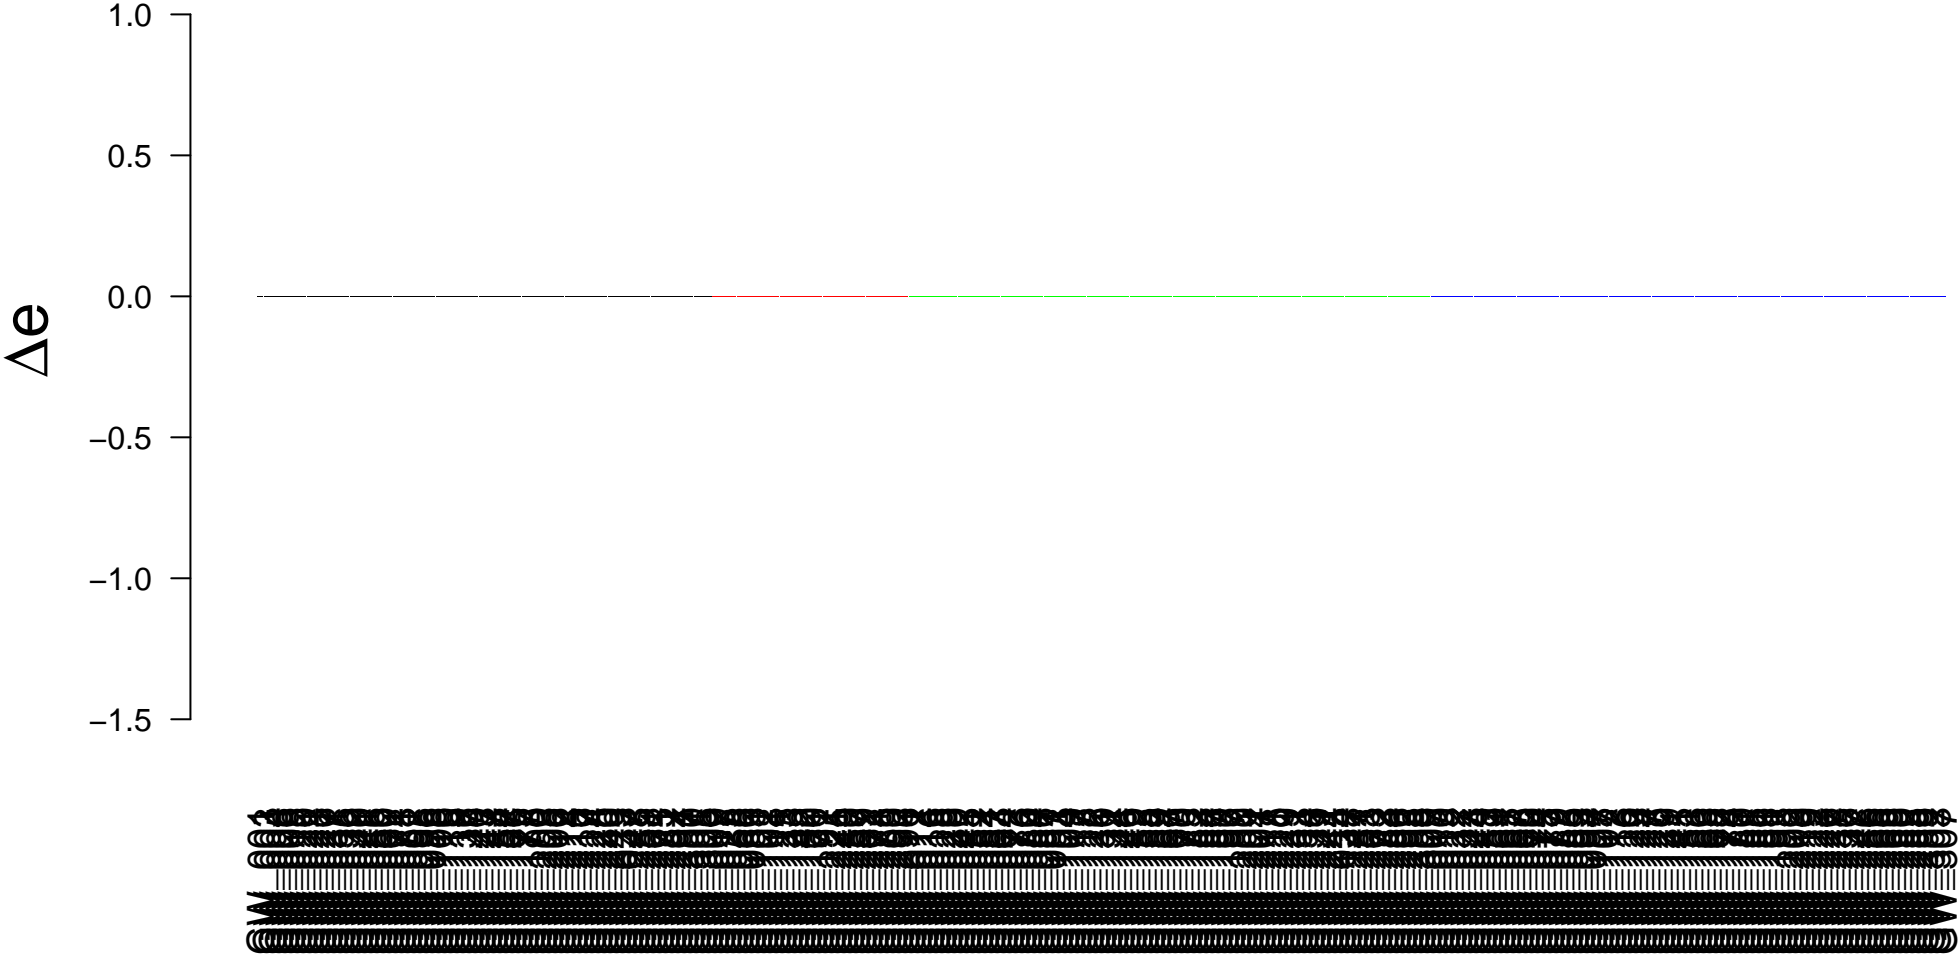

# Expression of regulation of heart rate by cardiac conduction in Spot G

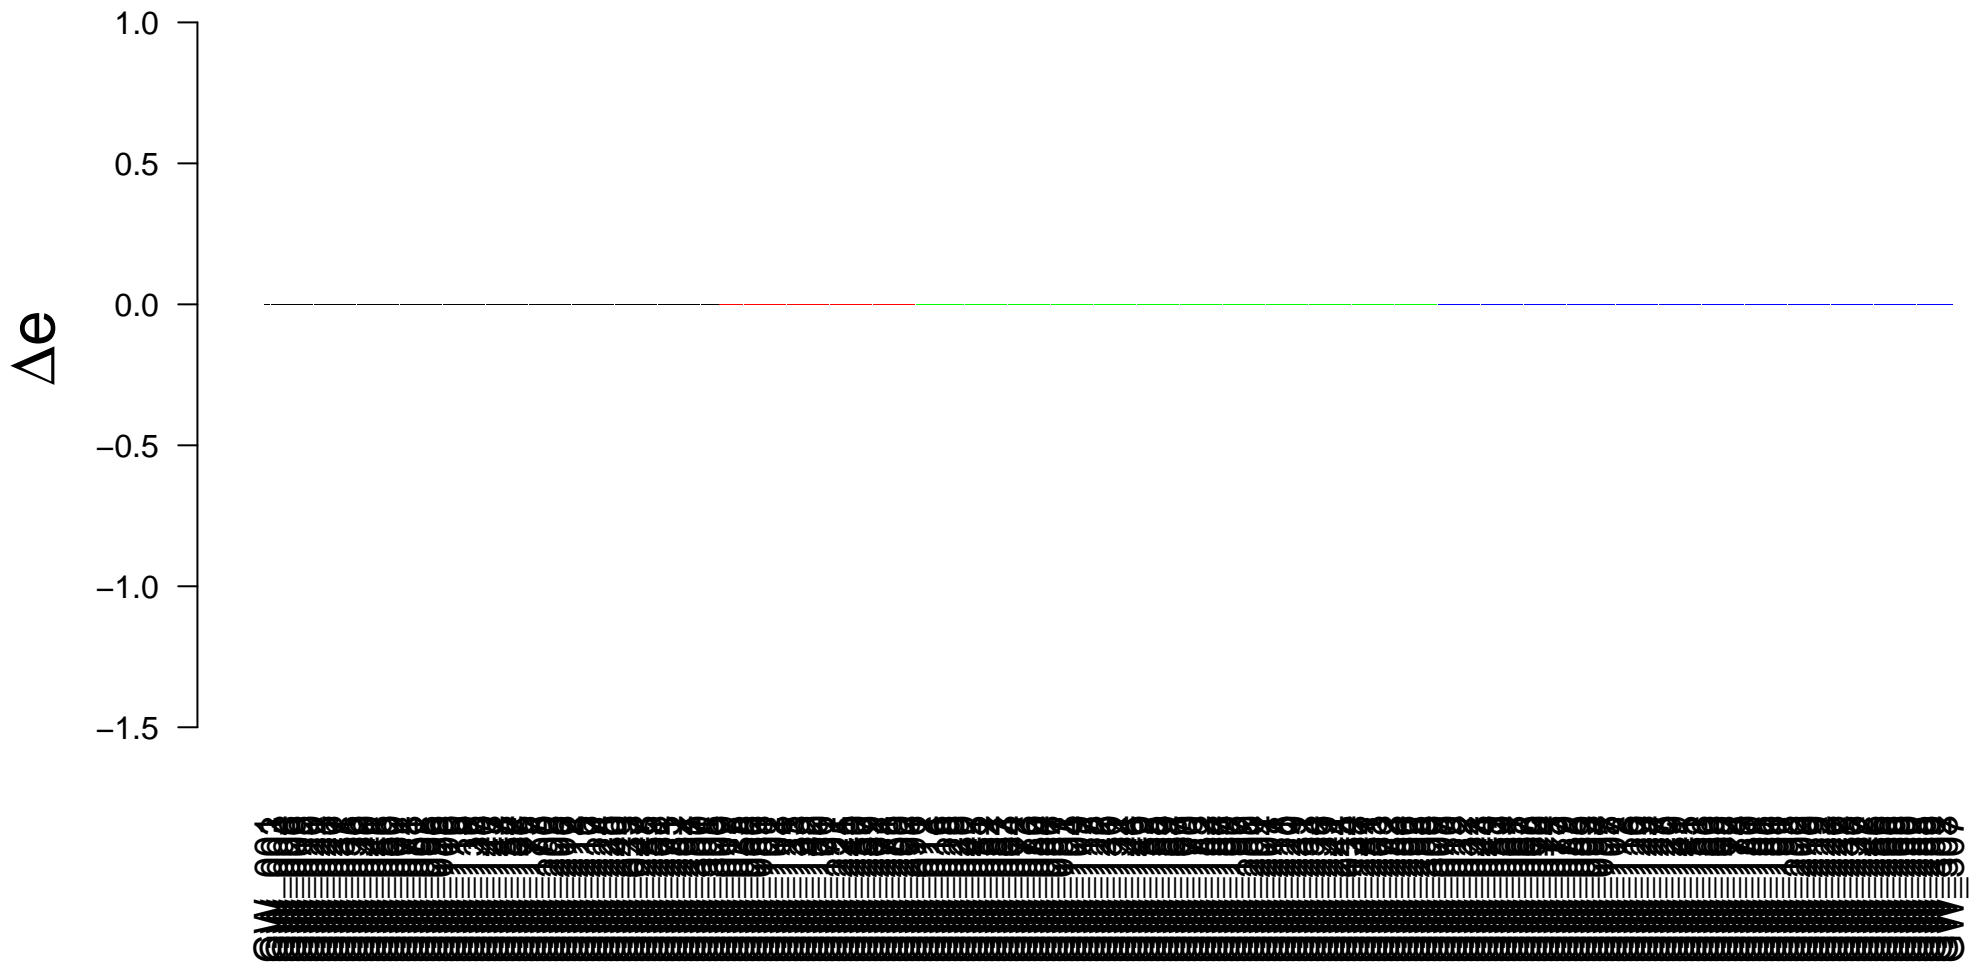

# Expression of regulation of heart rate by cardiac conduction in Spot H

Expression of regulation of heart rate by cardiac conduction in Spot I

# Expression of regulation of heart rate by cardiac conduction in Spot J

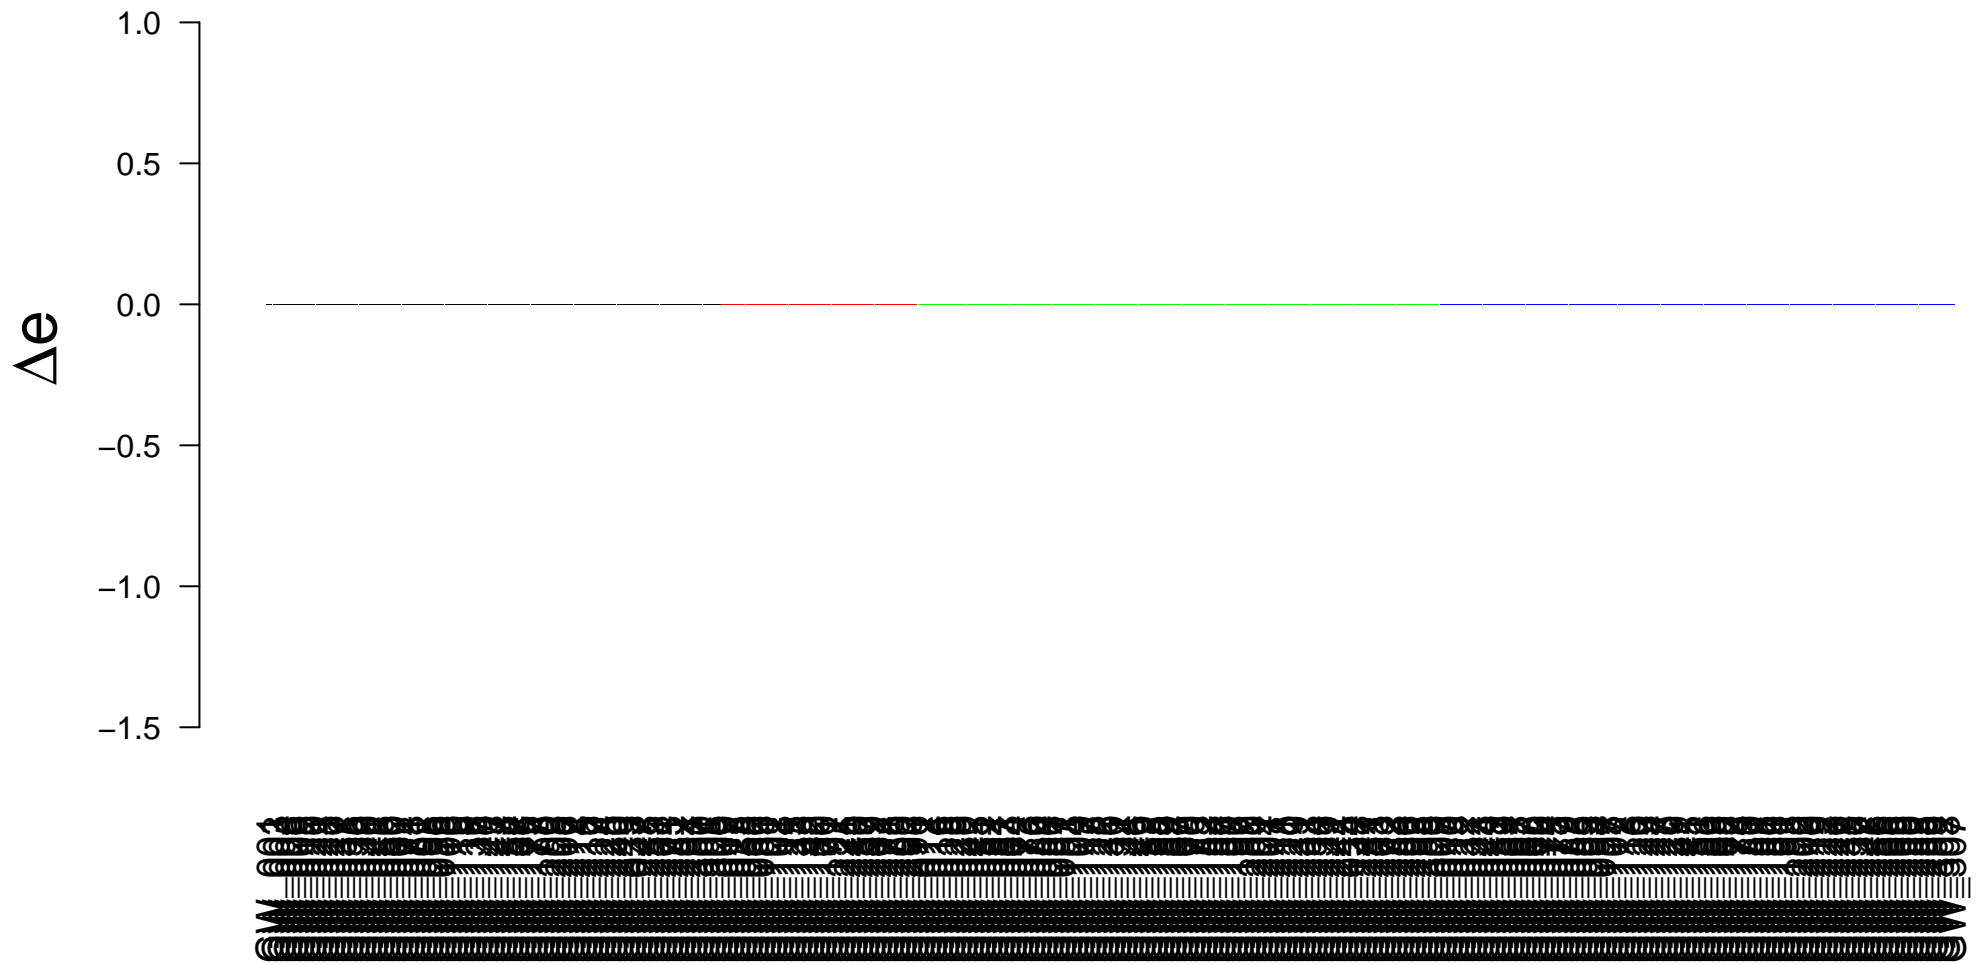

# Expression of regulation of heart rate by cardiac conduction in Spot K
