

# regulation of mitosis

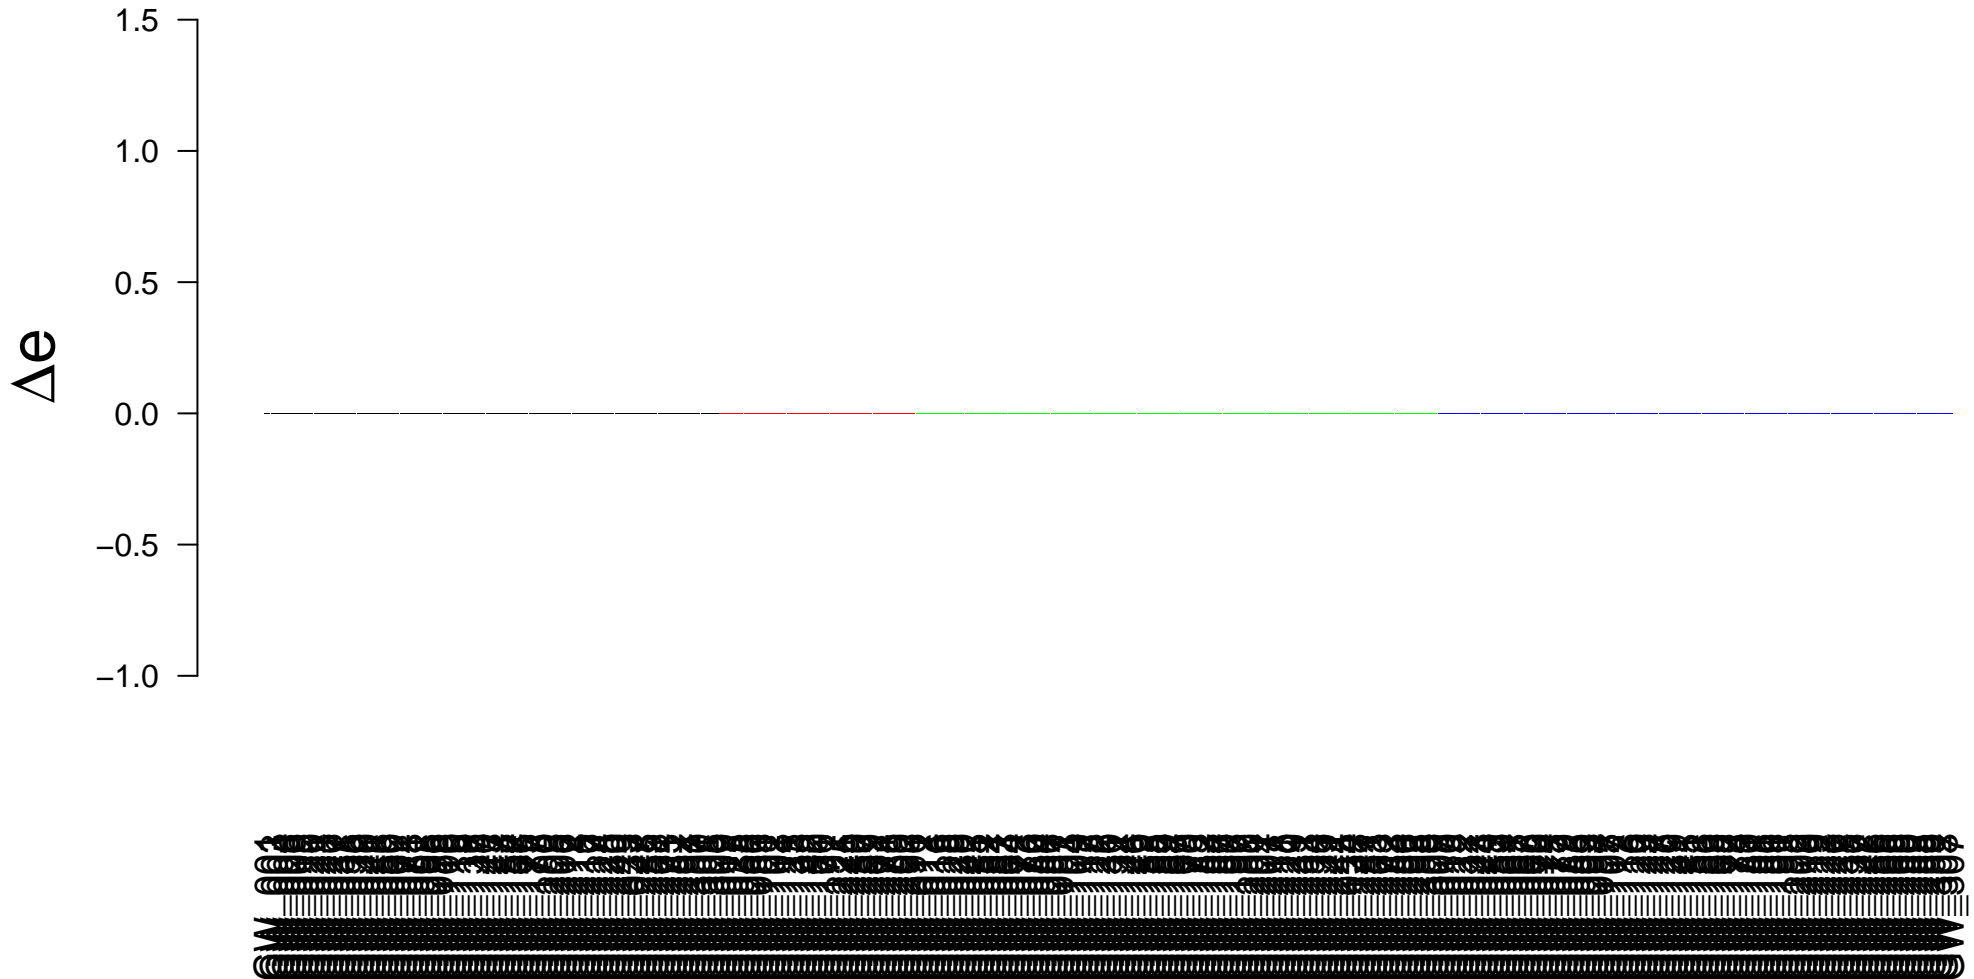

# regulation of mitosis

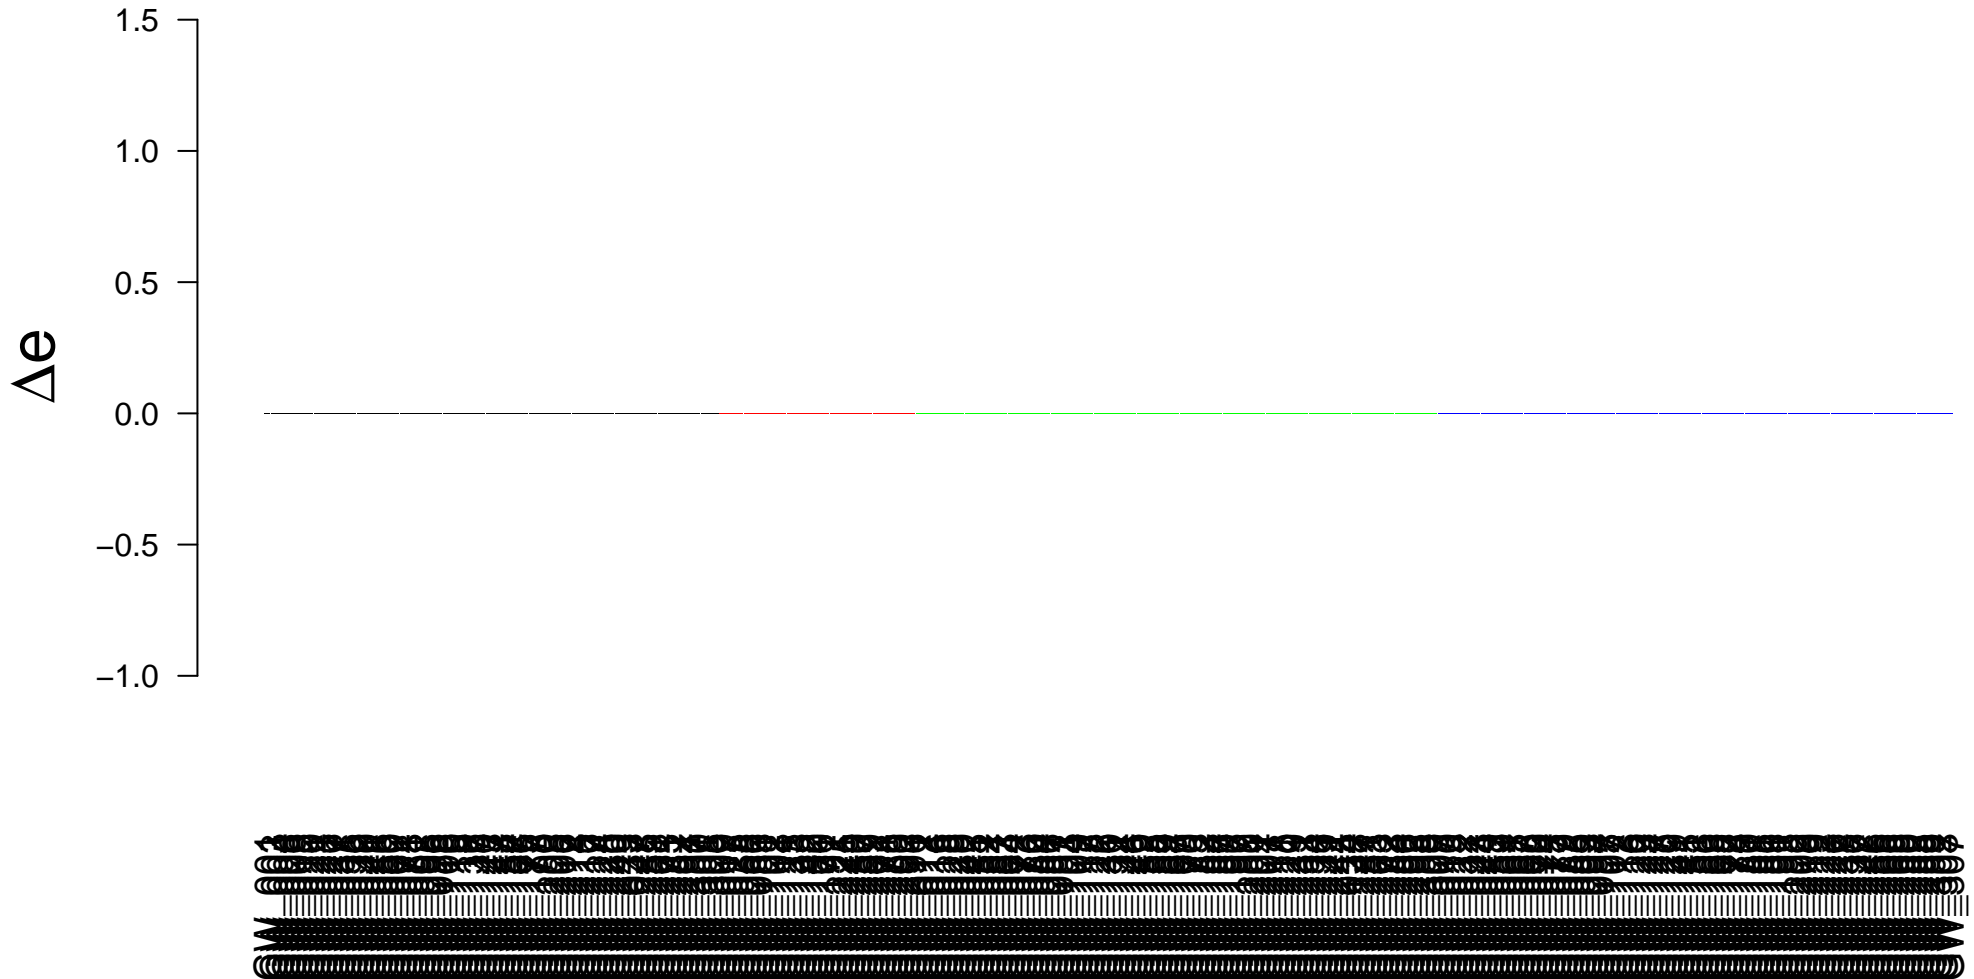

### Enrichment in spots: regulation of mitosis

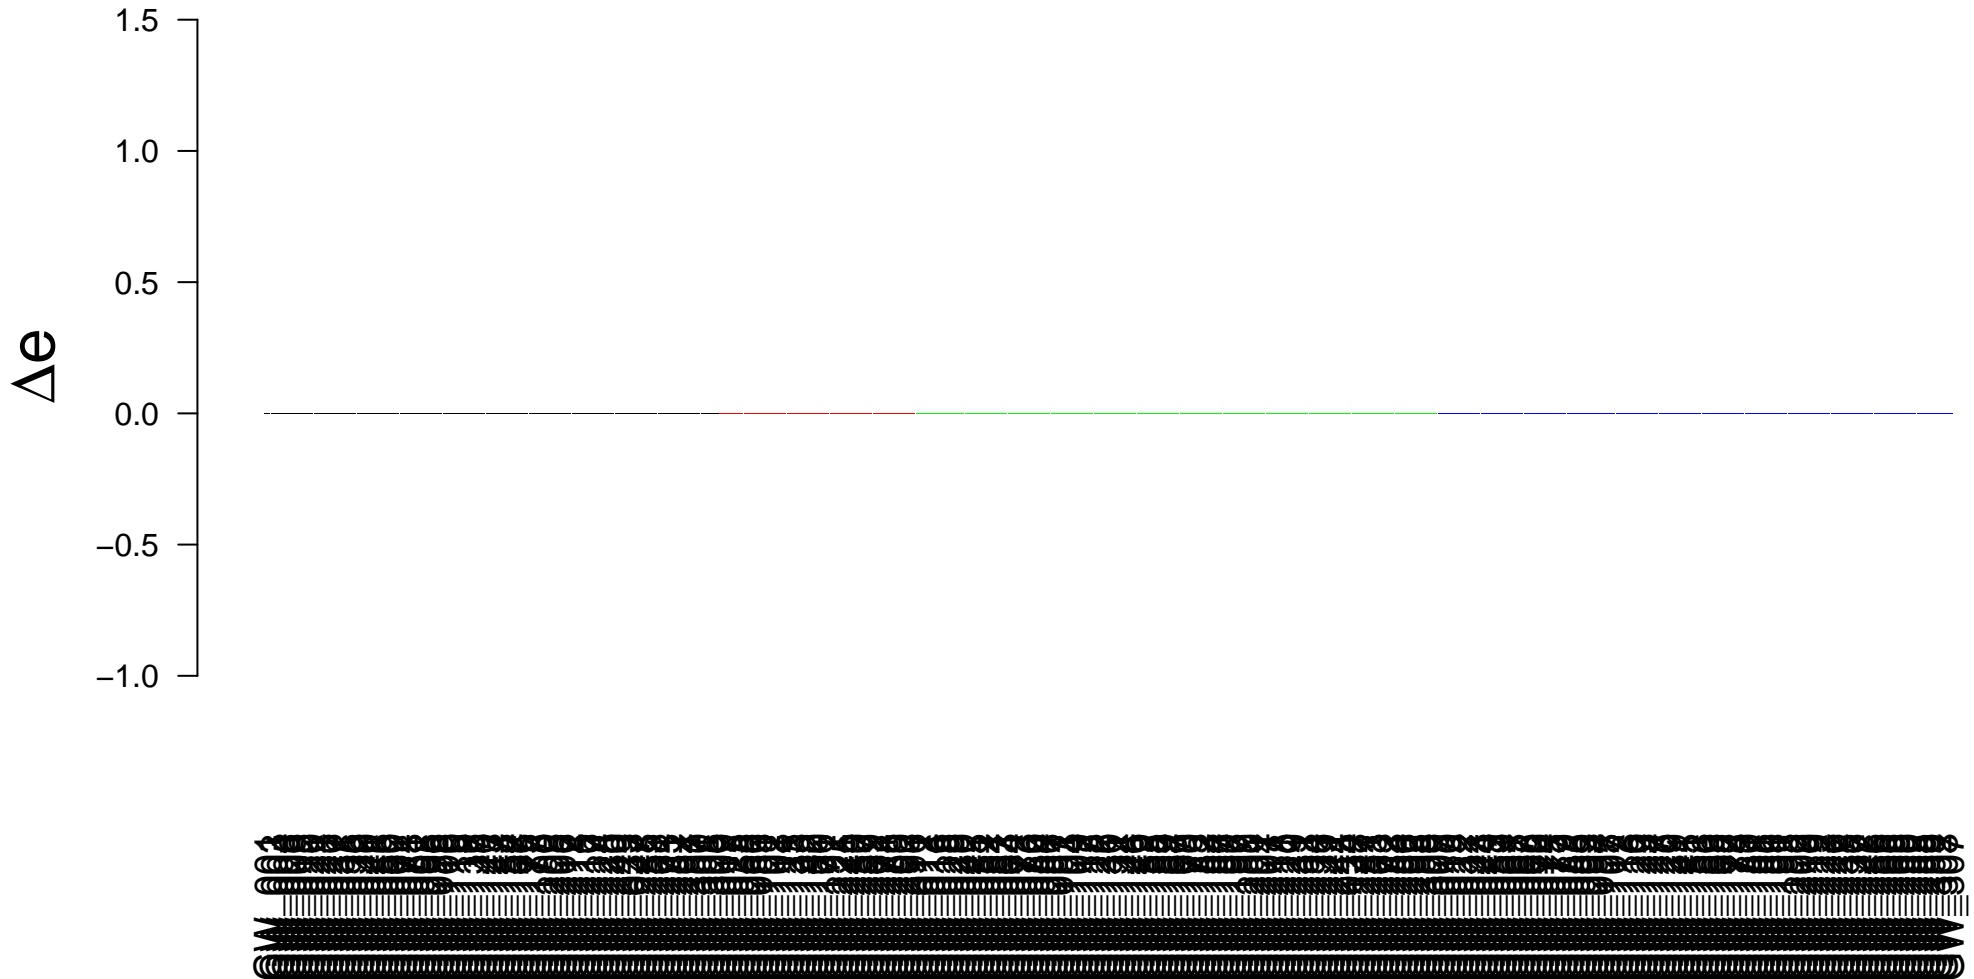

# Expression of regulation of mitosis in Spot A

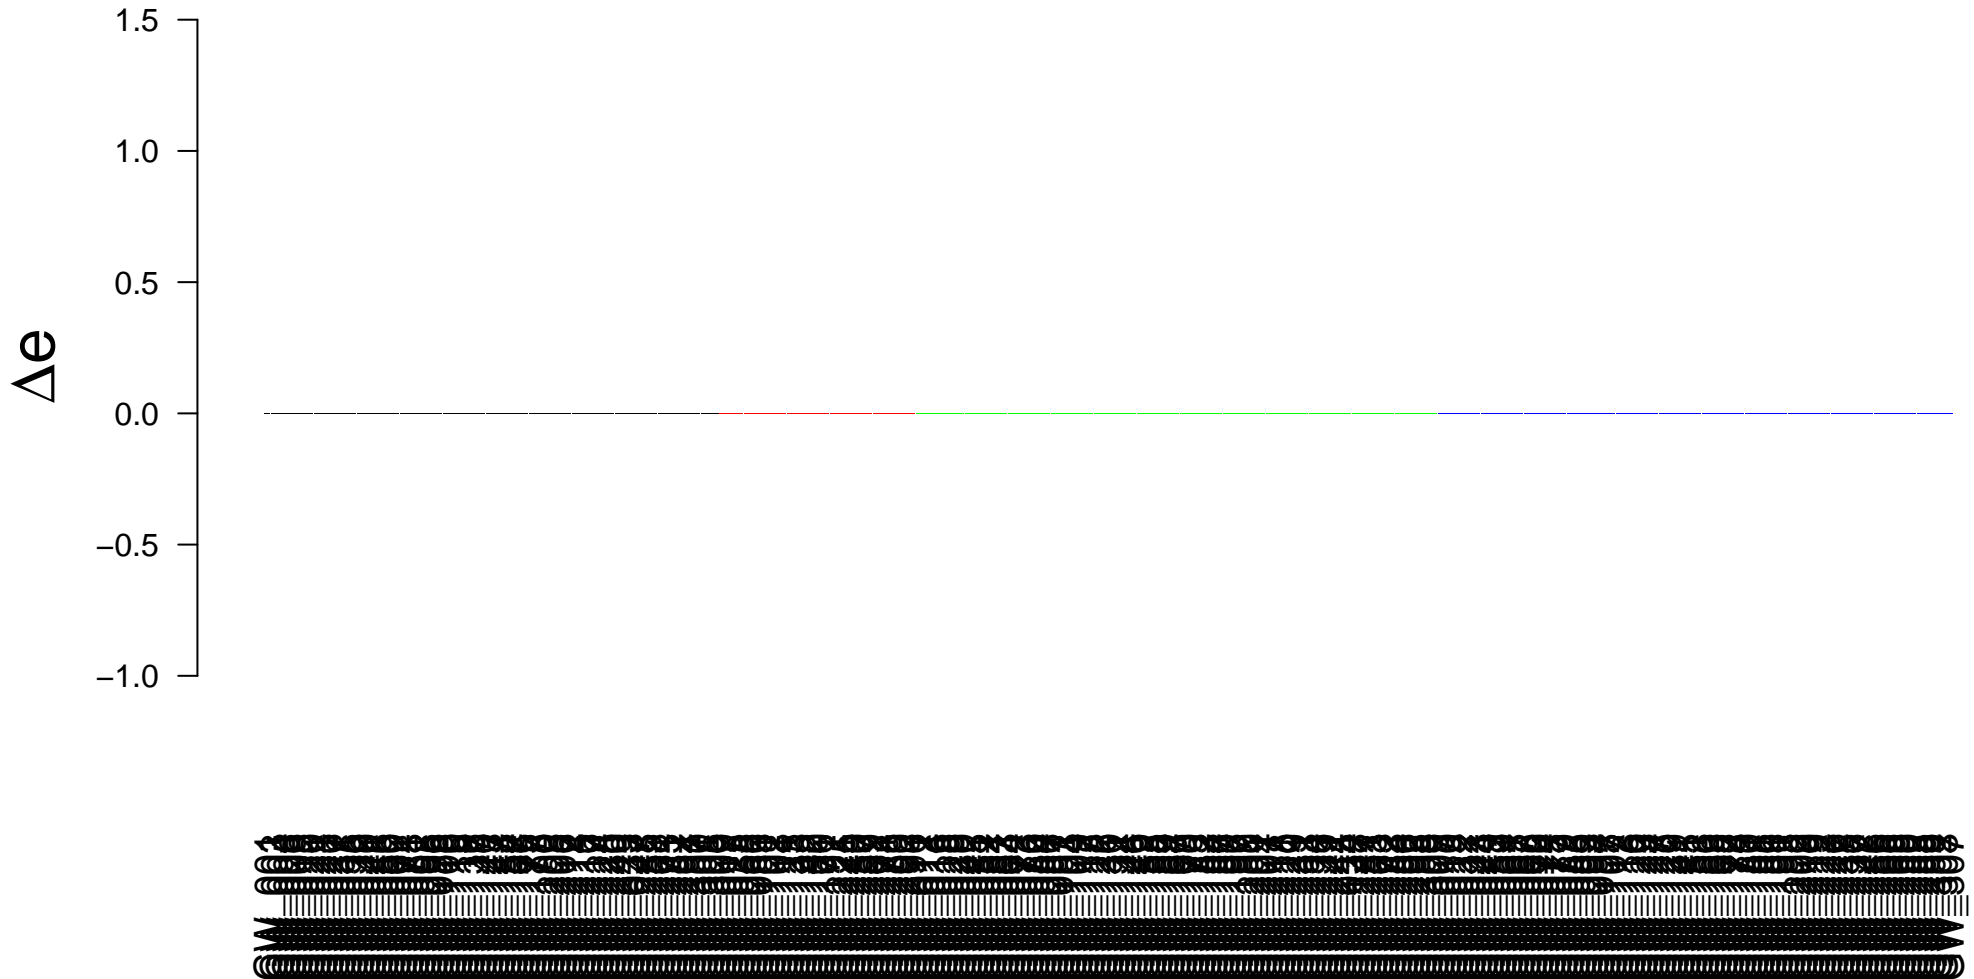

# Expression of regulation of mitosis in Spot B

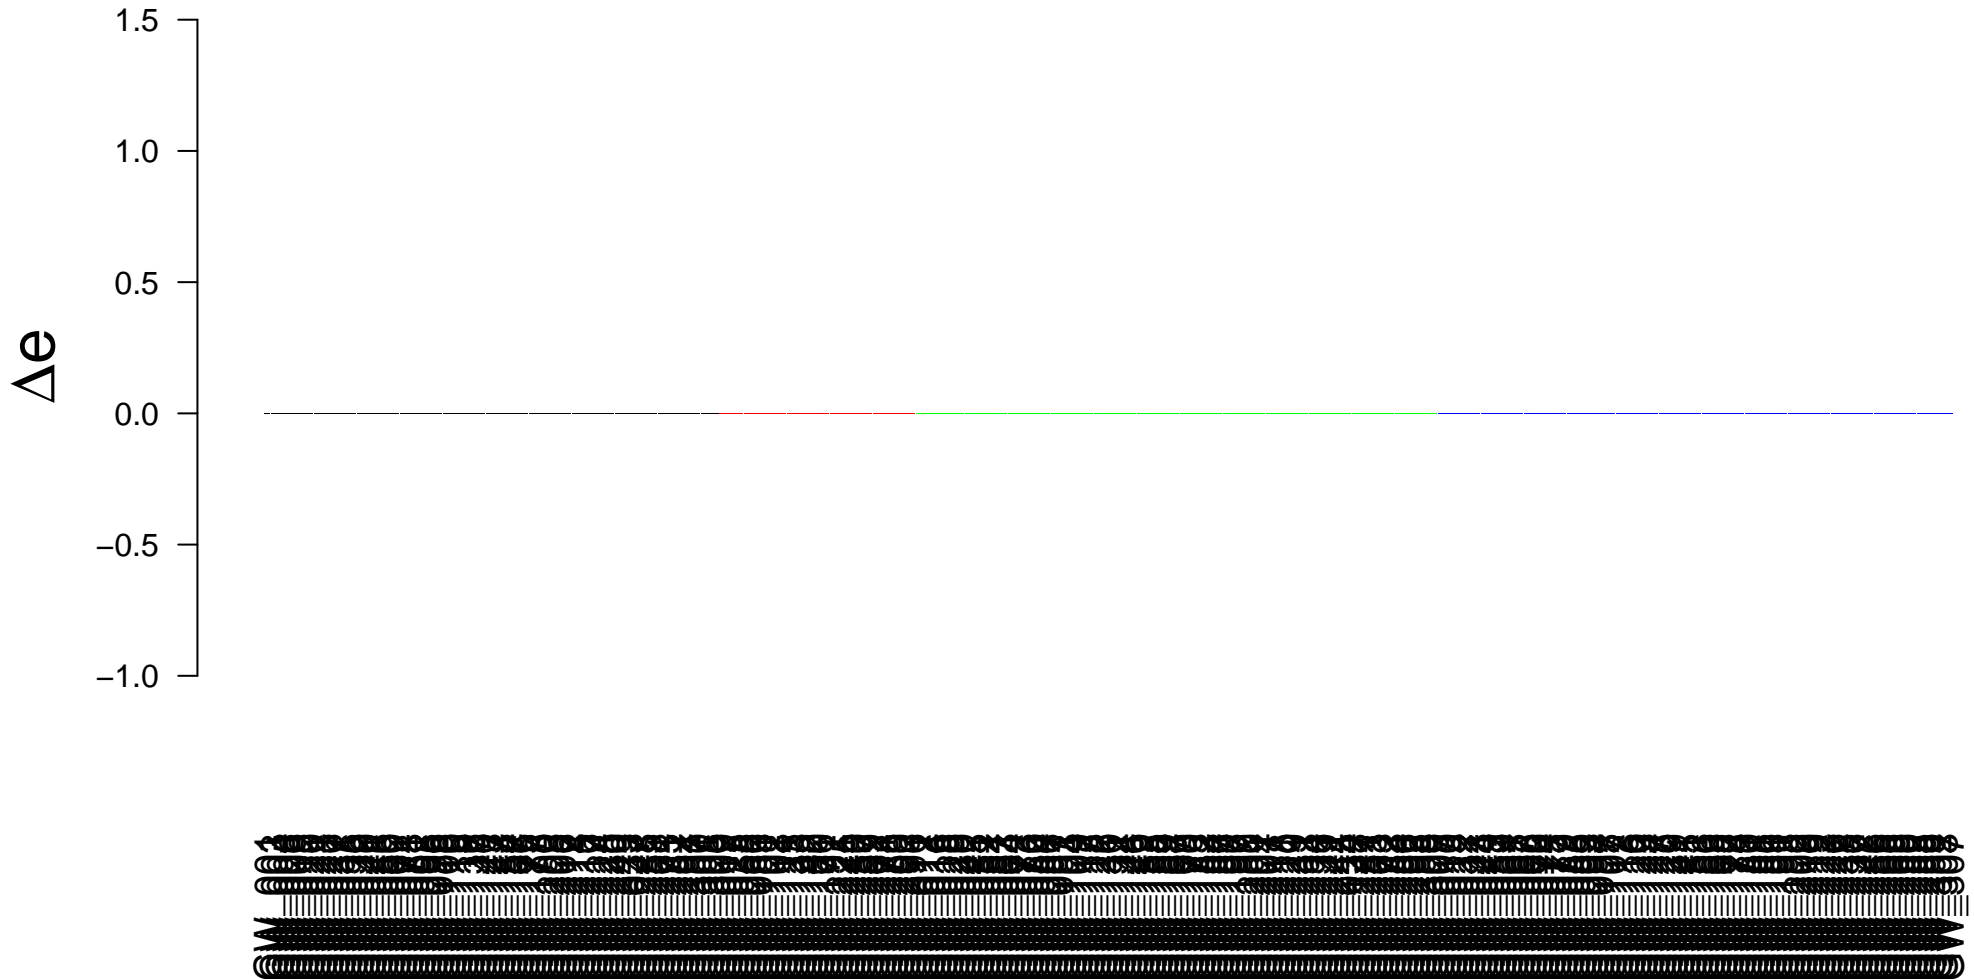

# Expression of regulation of mitosis in Spot C

# Expression of regulation of mitosis in Spot D

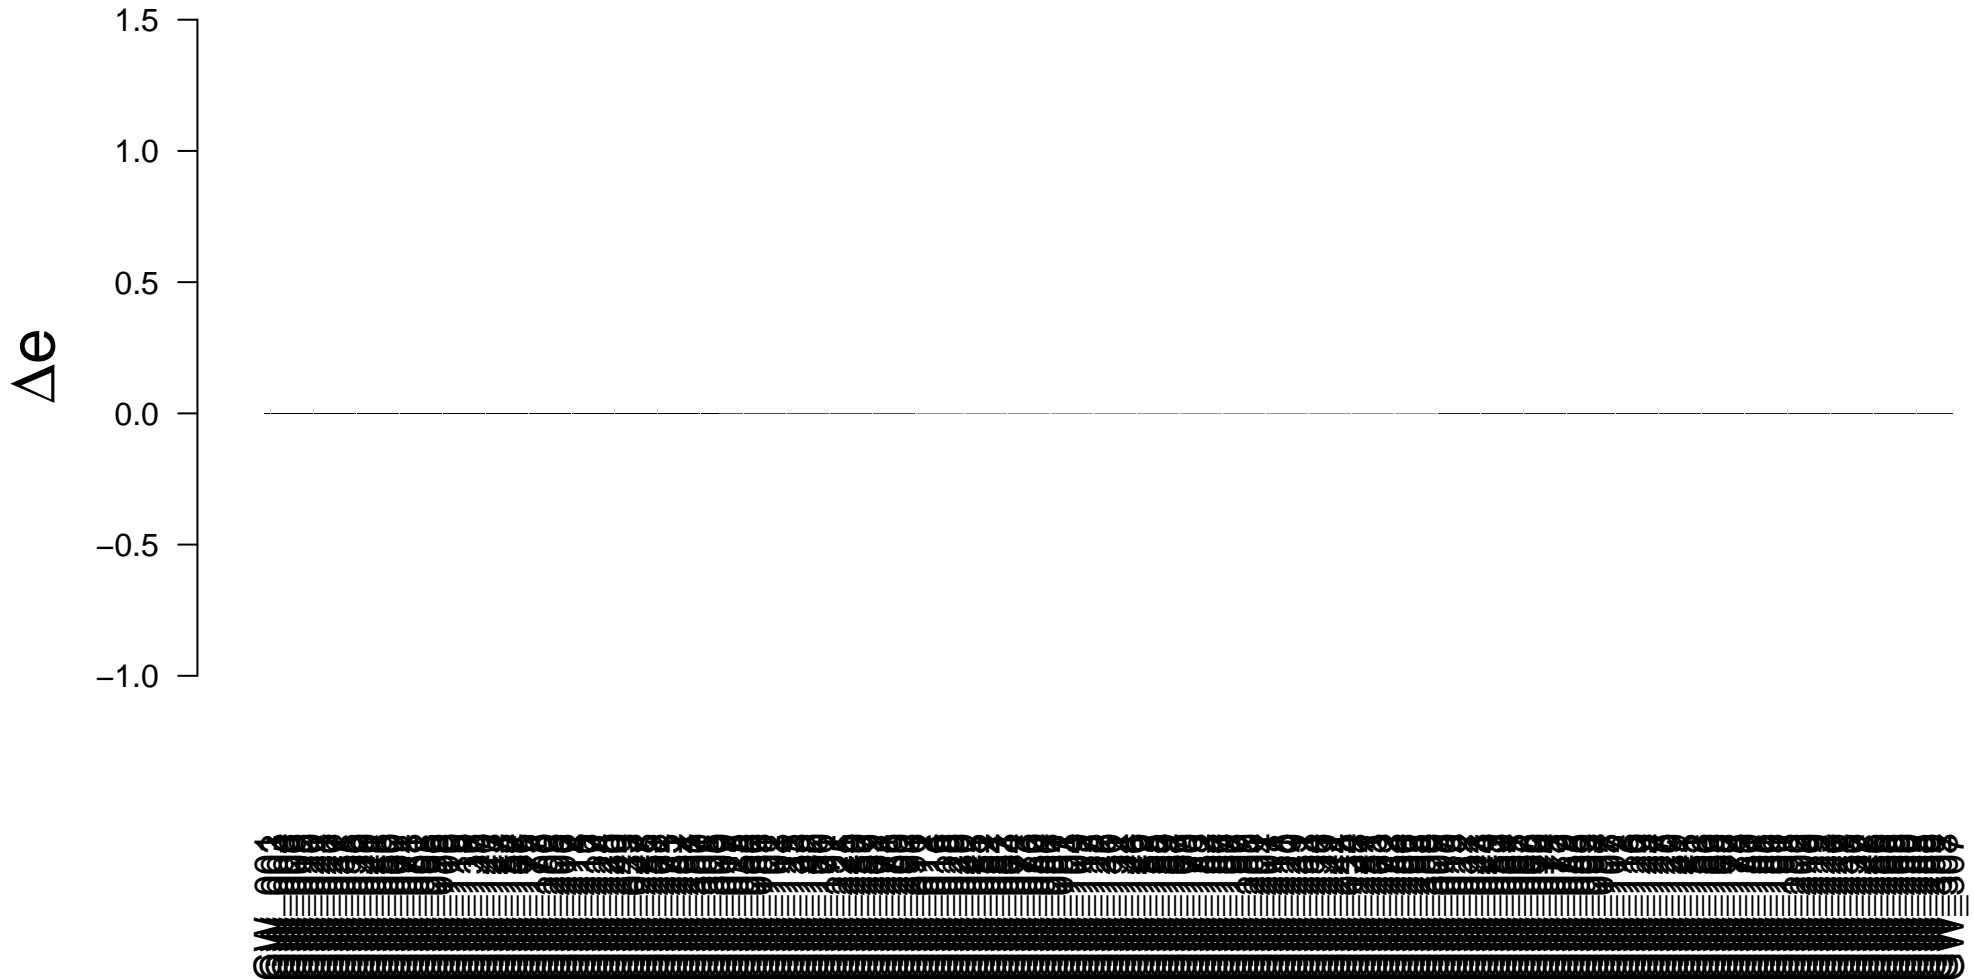

# Expression of regulation of mitosis in Spot E

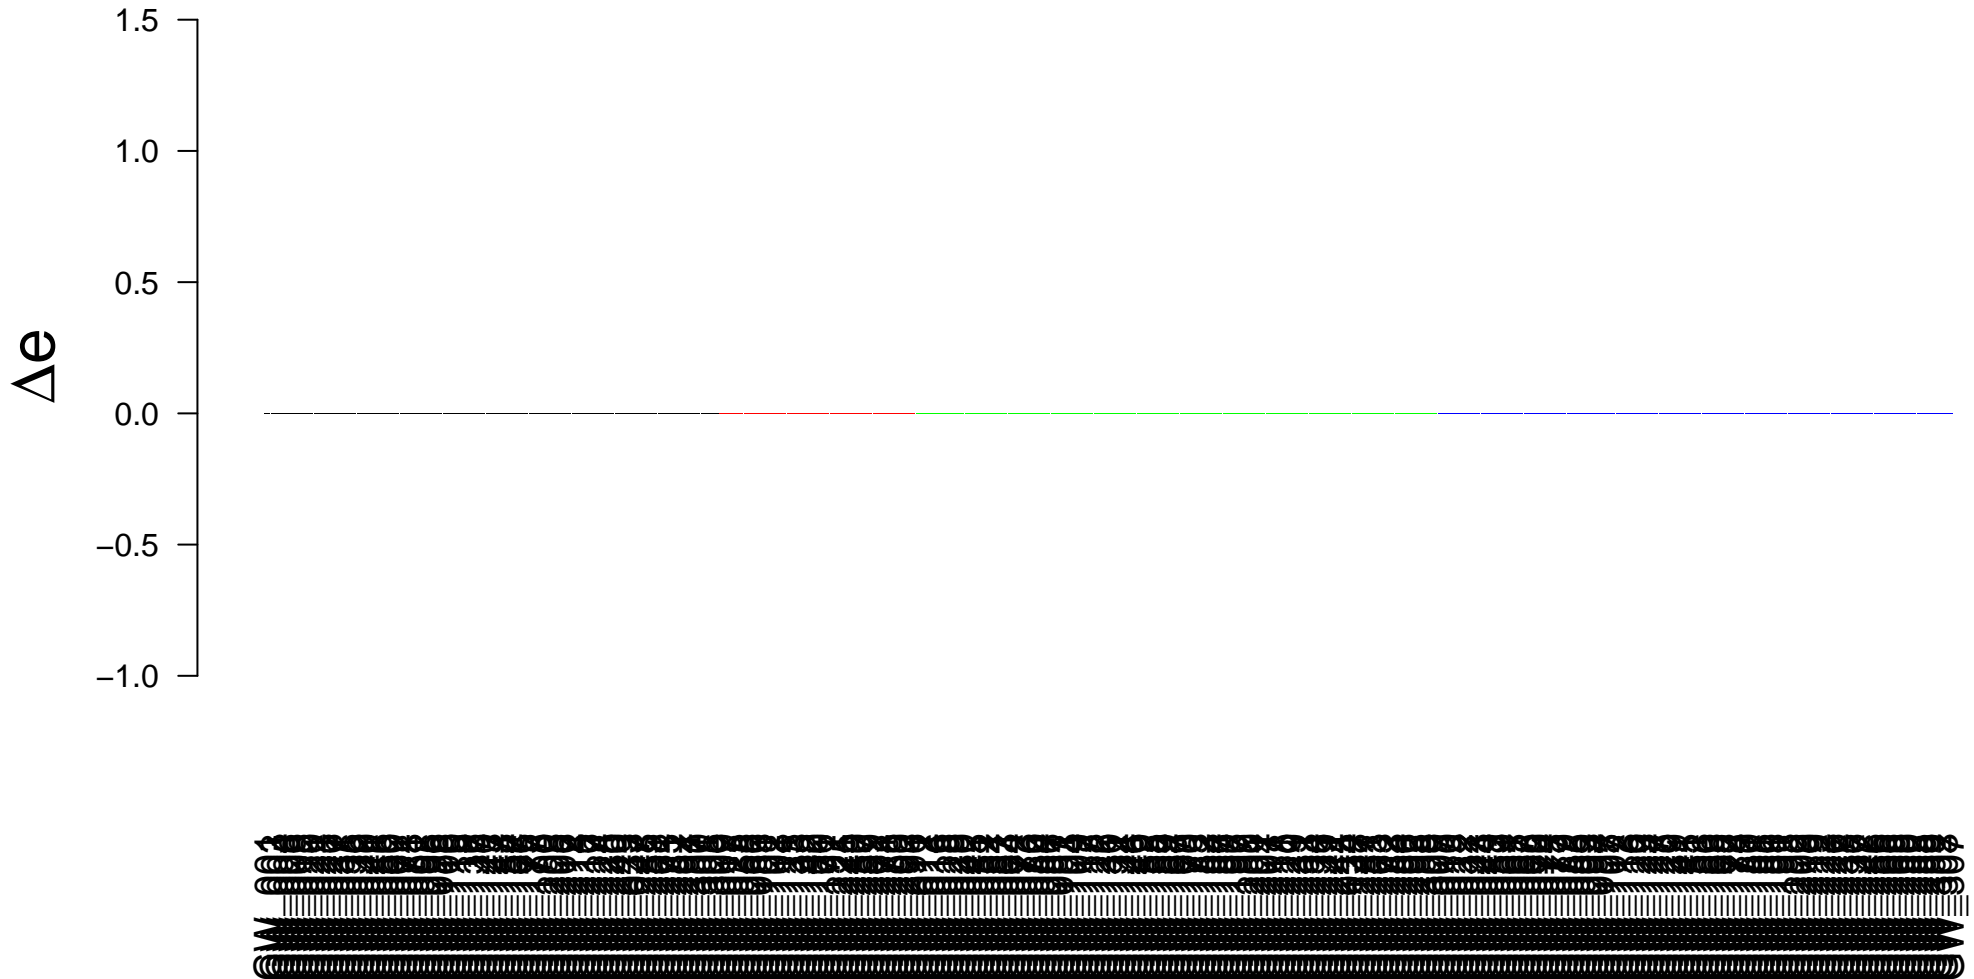

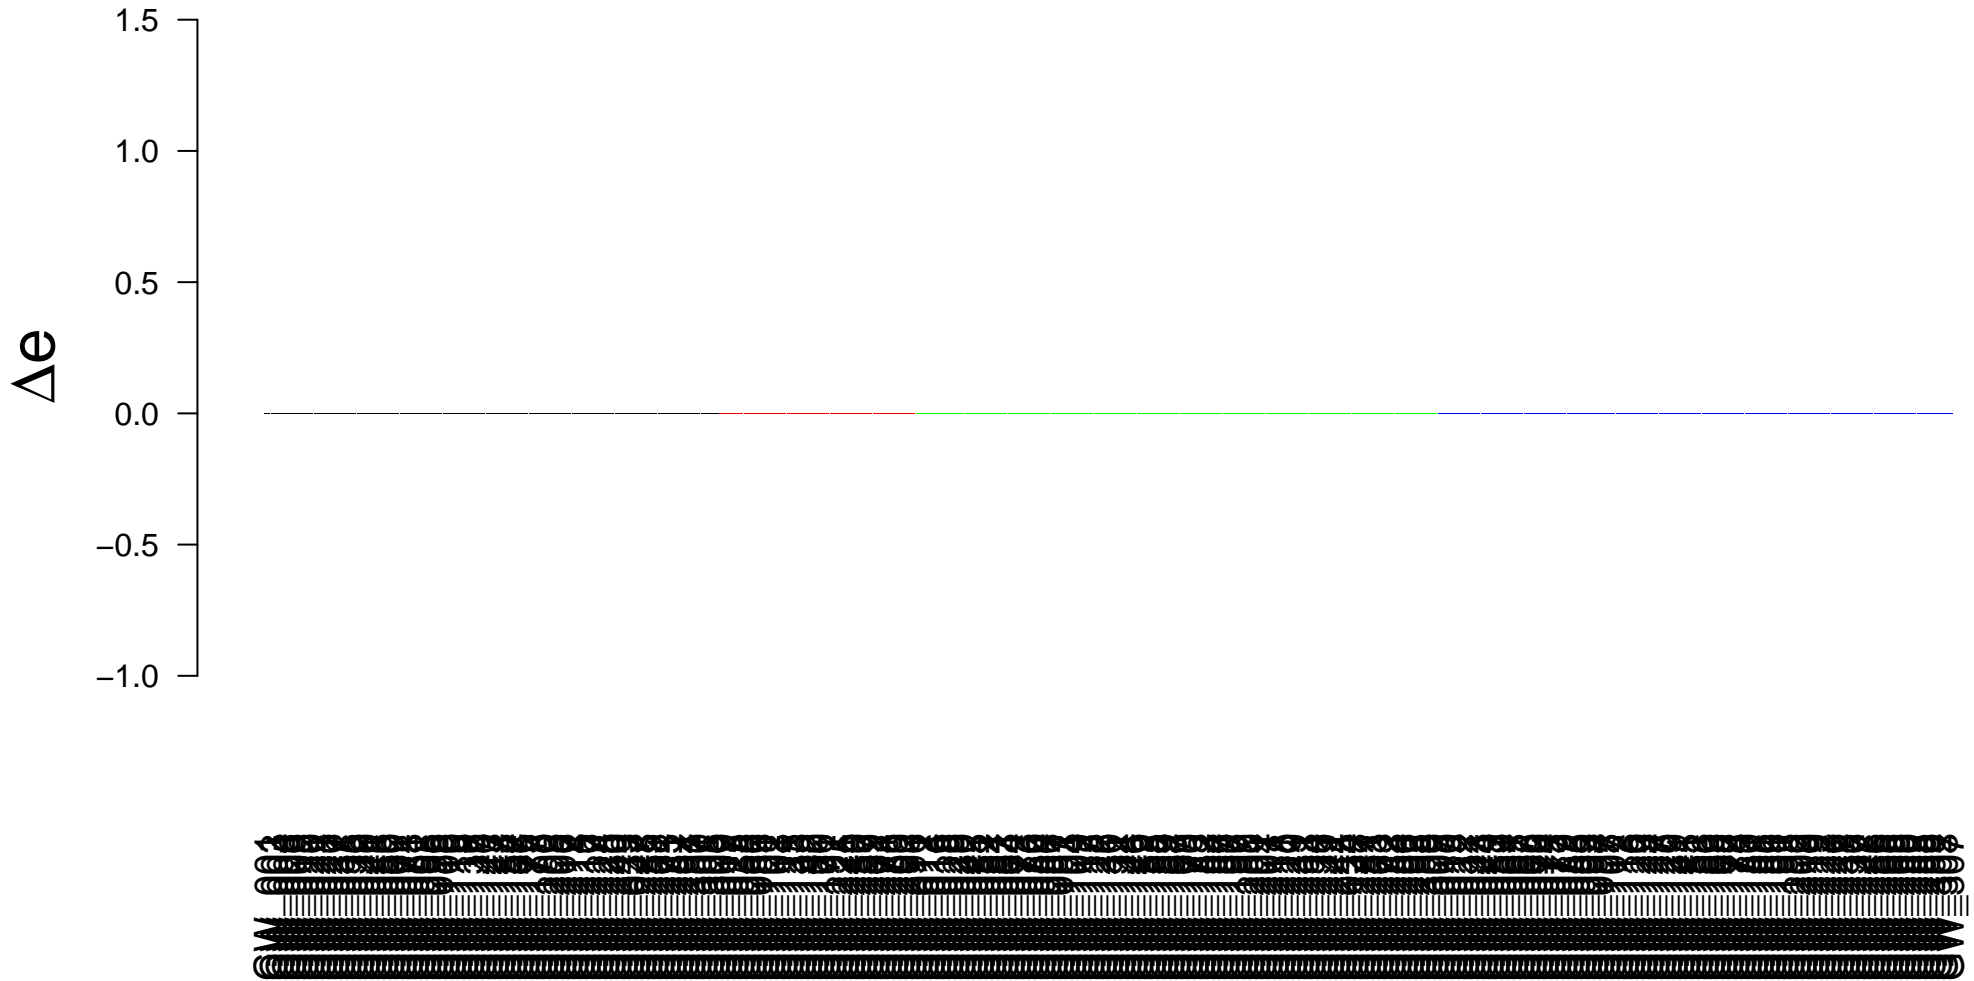

# Expression of regulation of mitosis in Spot F

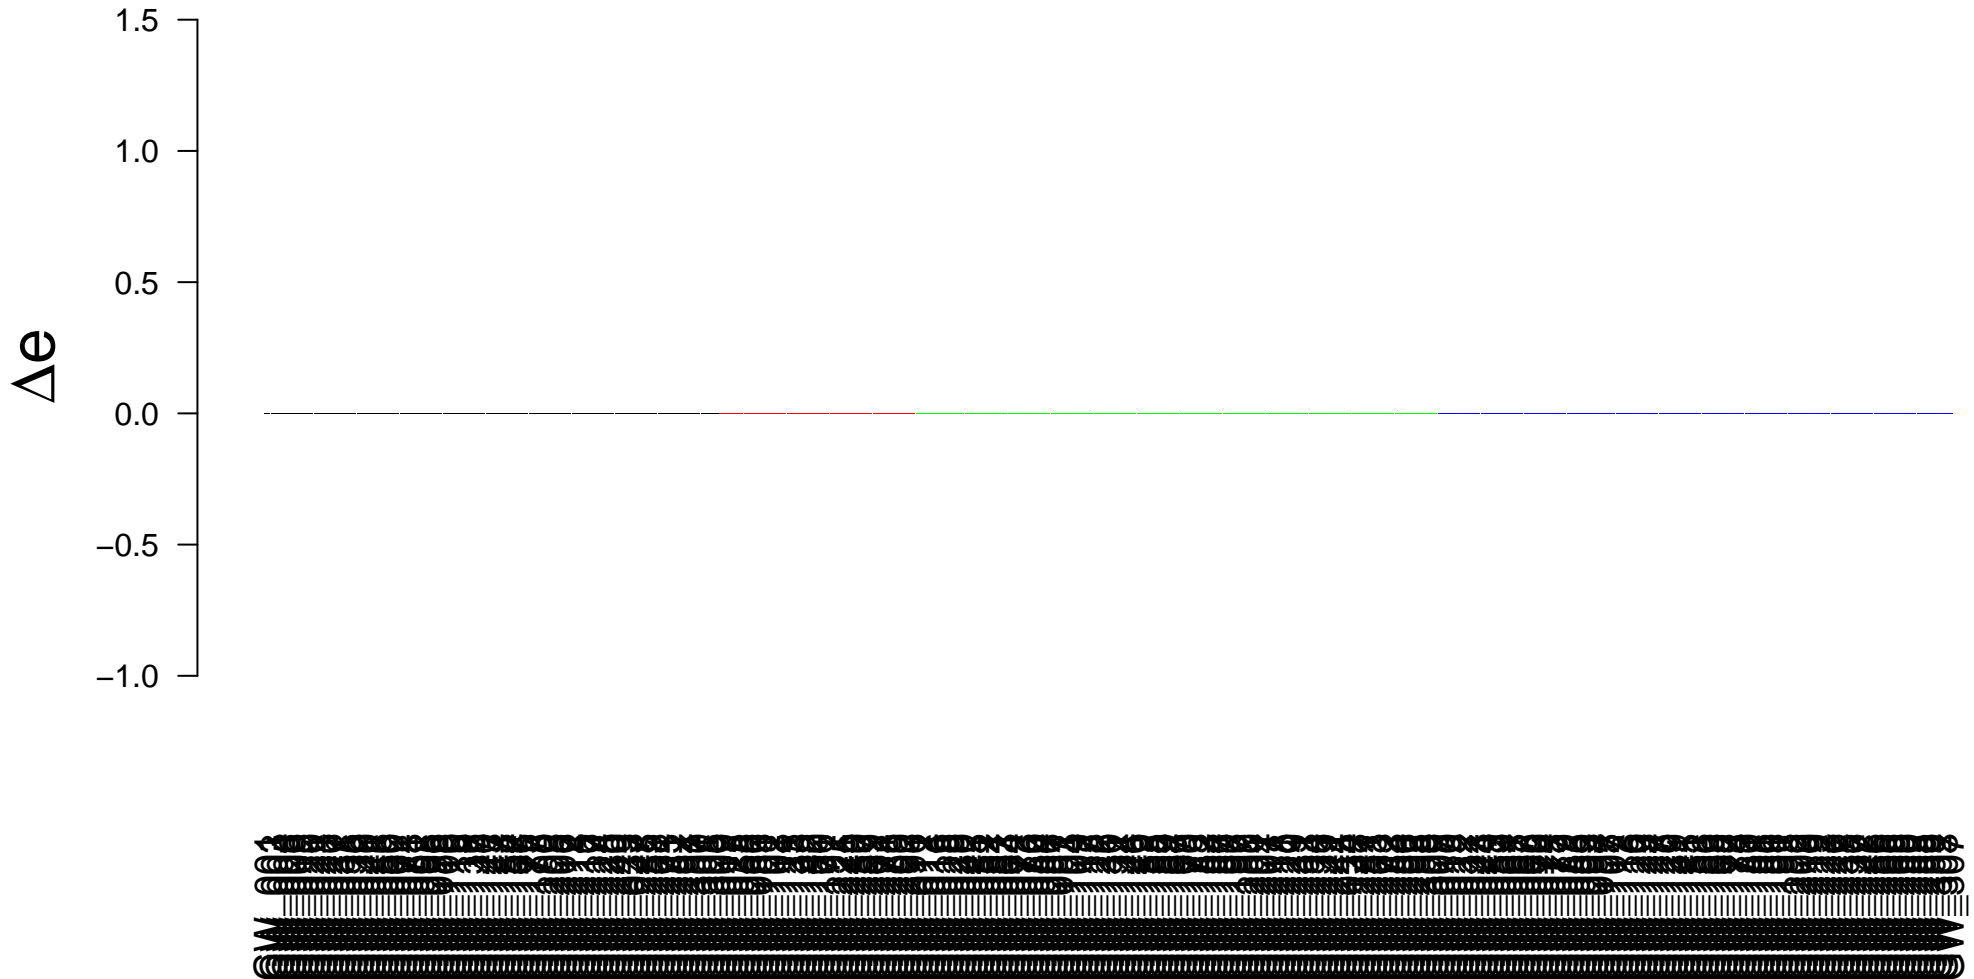

# Expression of regulation of mitosis in Spot G

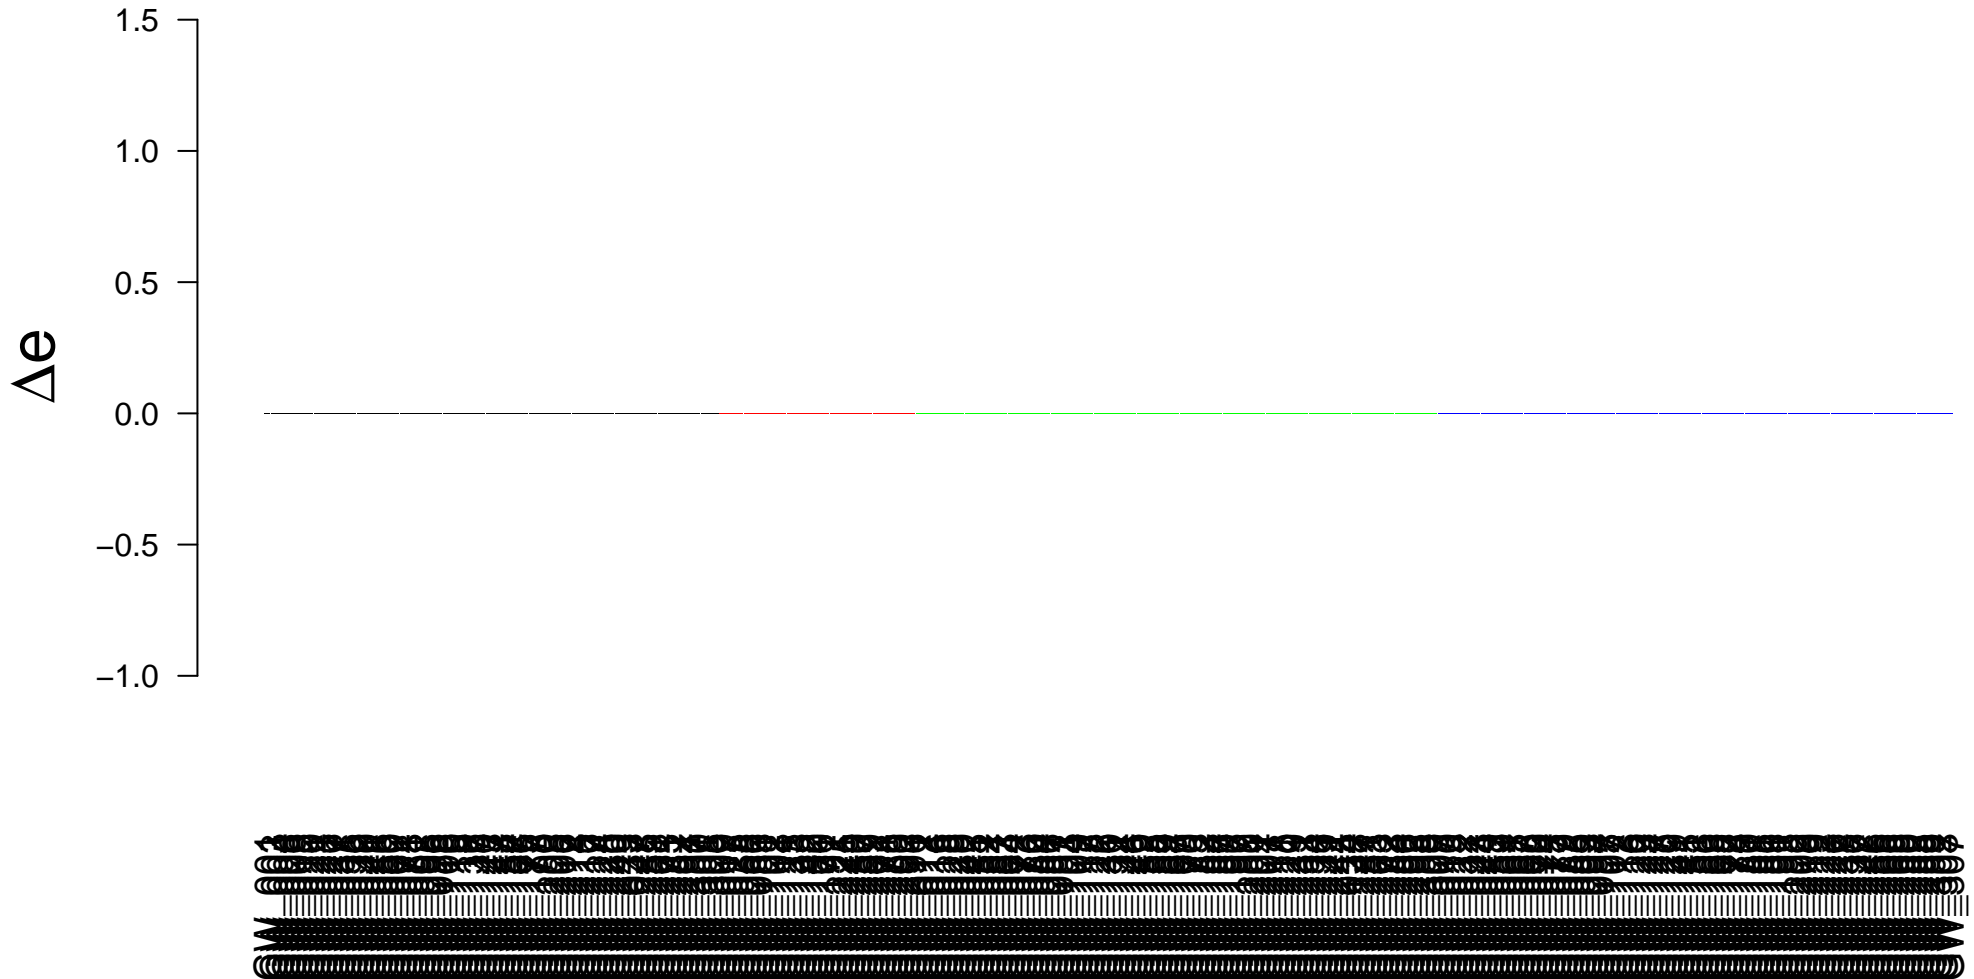

# Expression of regulation of mitosis in Spot H

# Expression of regulation of mitosis in Spot I

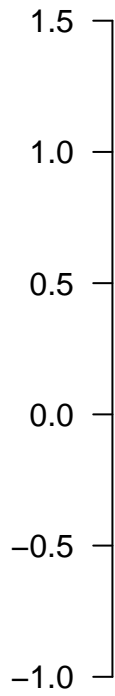

# Expression of regulation of mitosis in Spot J

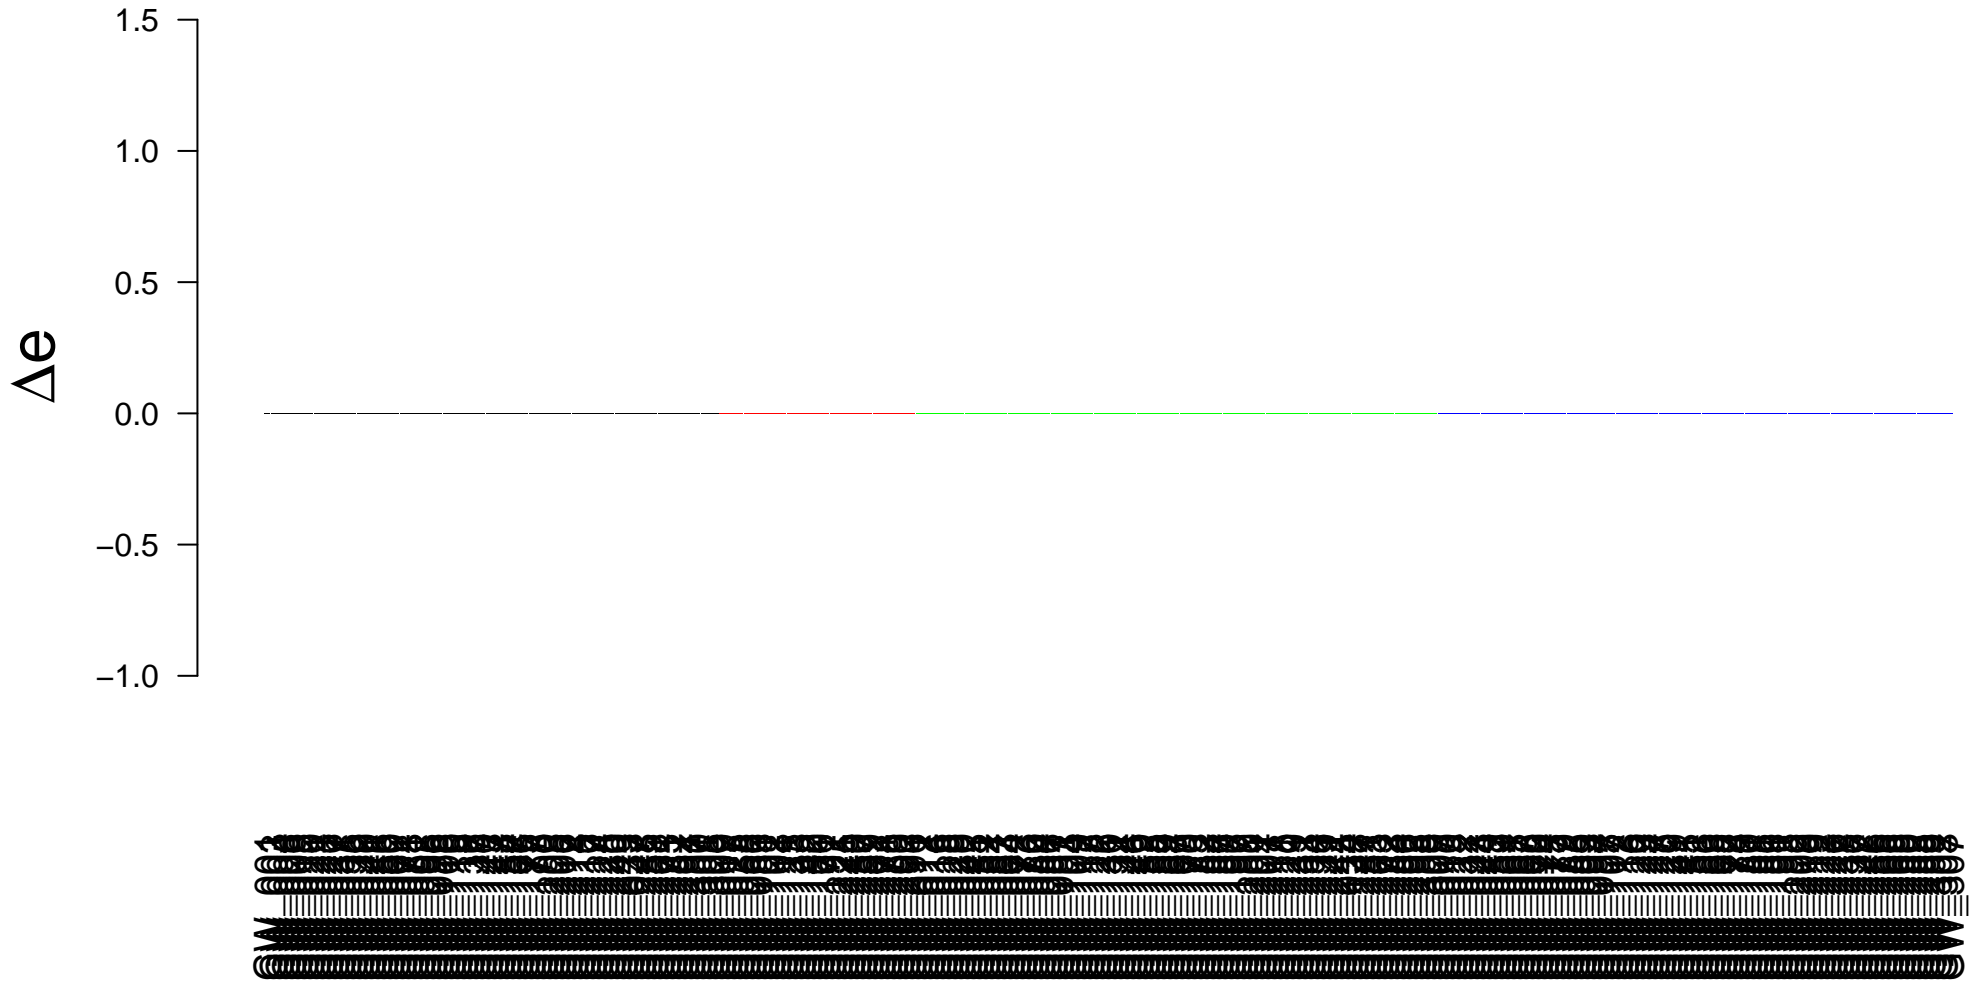

# Expression of regulation of mitosis in Spot K

$\Delta e$

# Expression of regulation of mitosis in Spot L

# Expression of regulation of mitosis in Spot M
