

regulation of neurotransmitter secretion

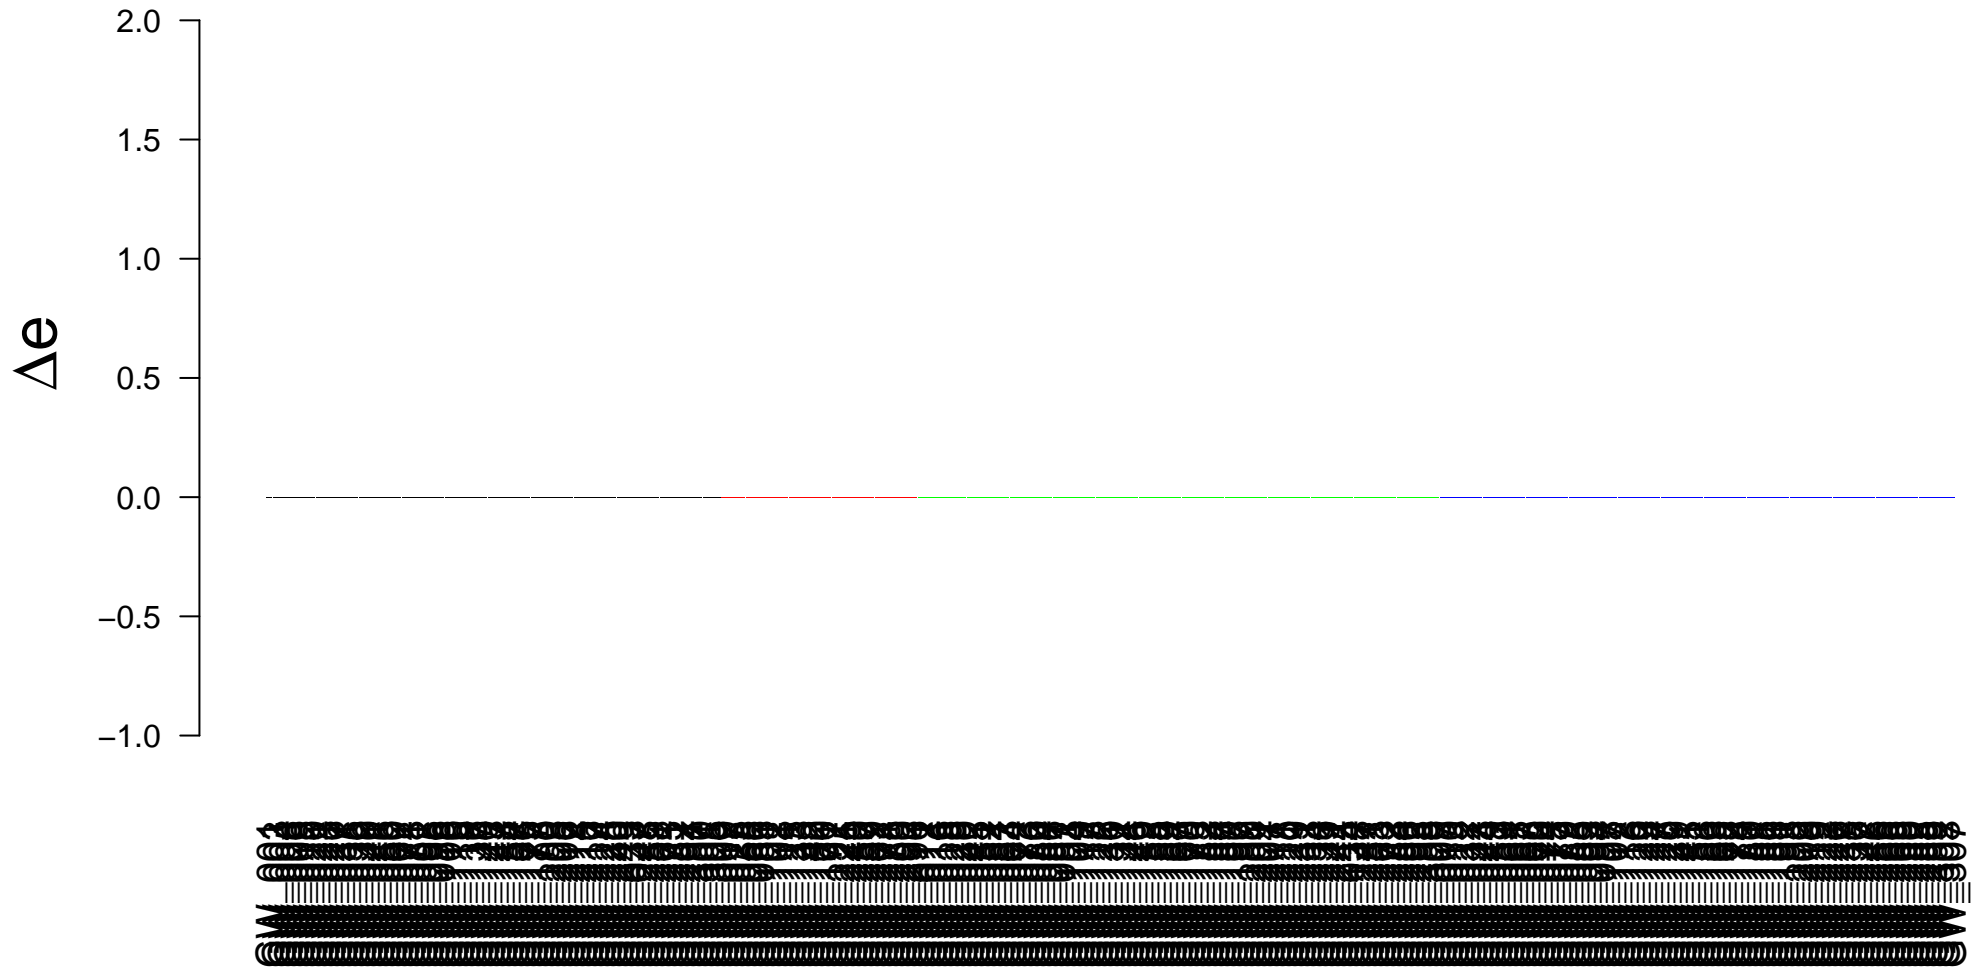

regulation of neurotransmitter secretion

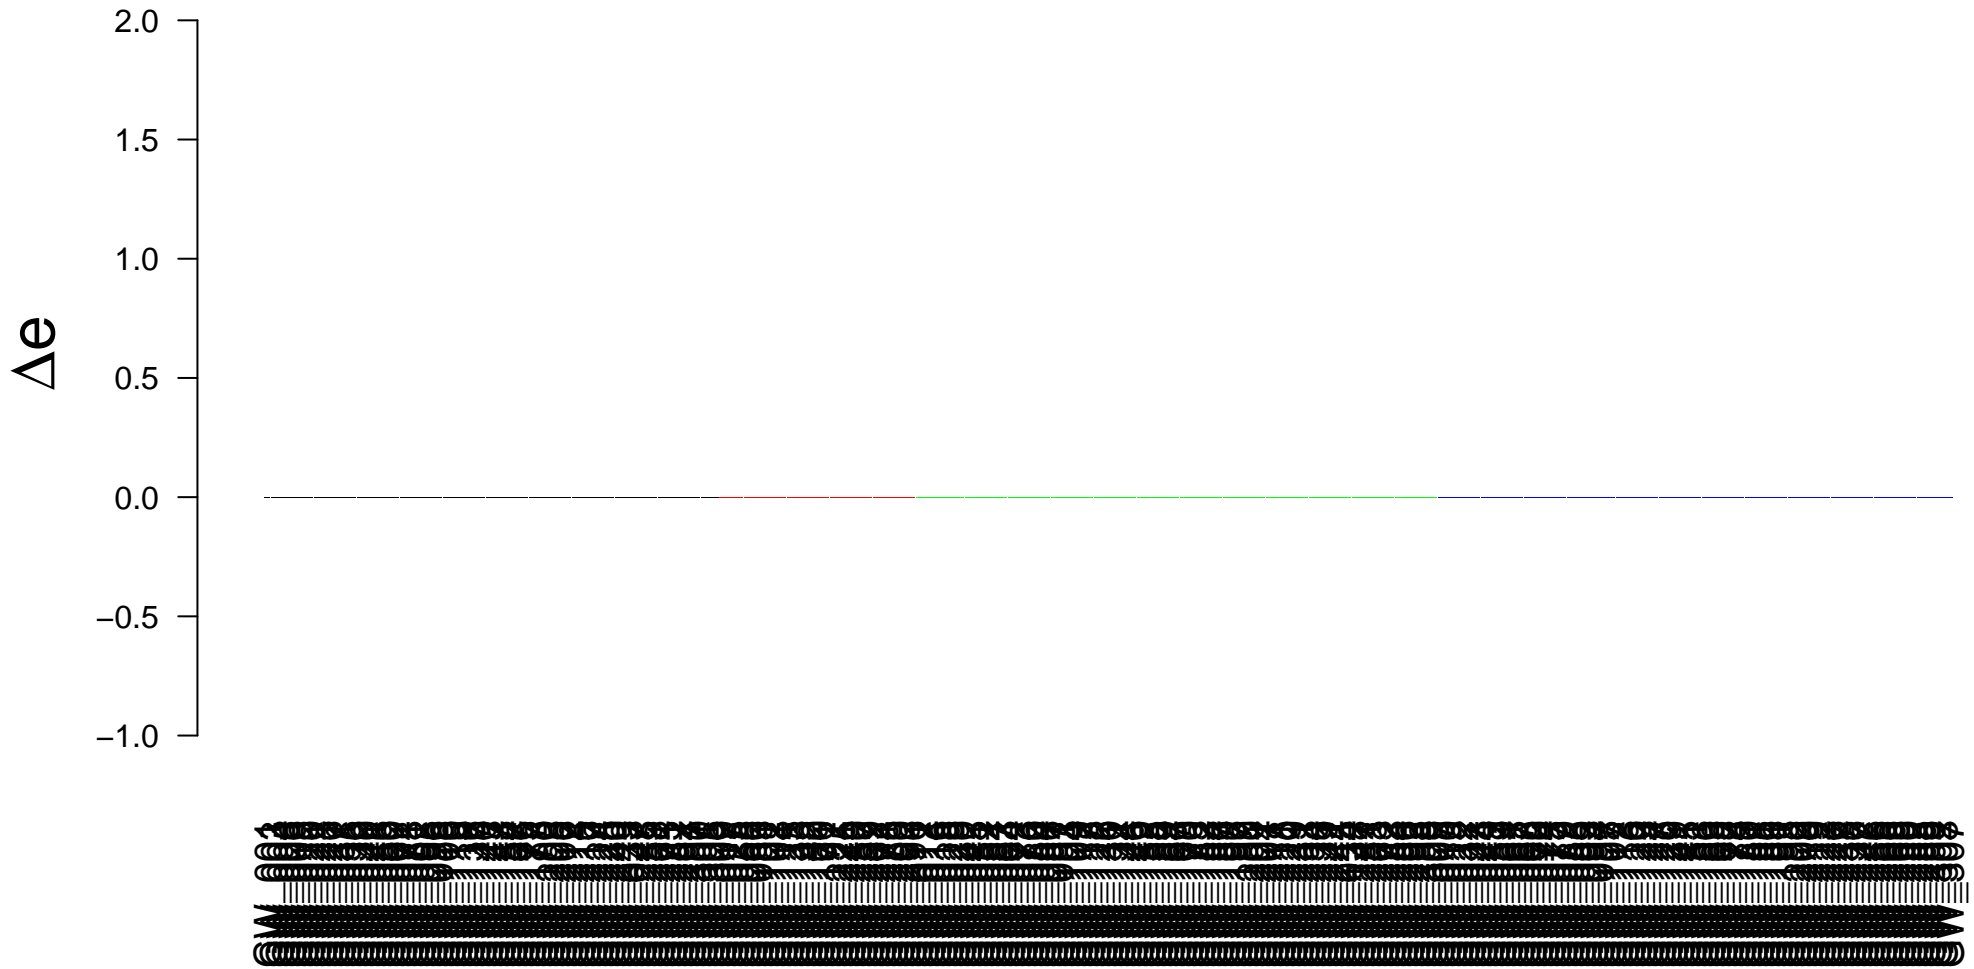

Enrichment in spots: regulation of neurotransmitter secretion

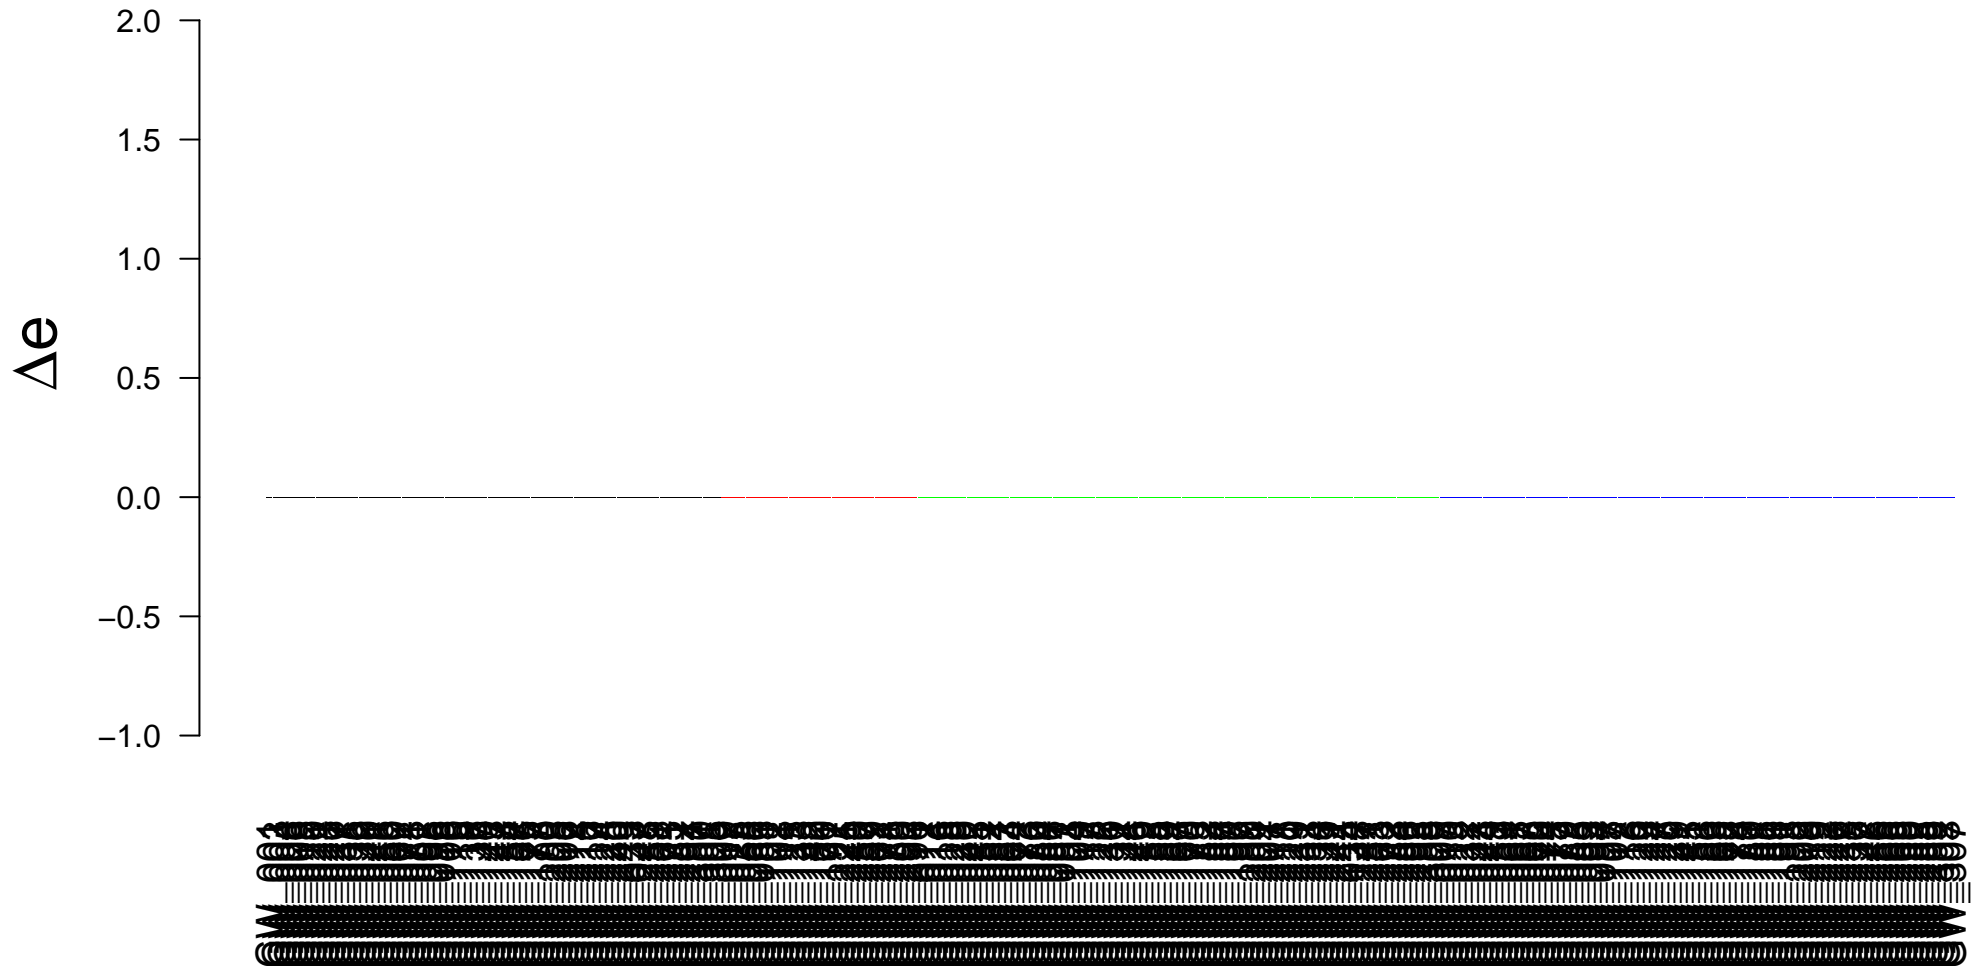

Expression of regulation of neurotransmitter secretion in Spot A

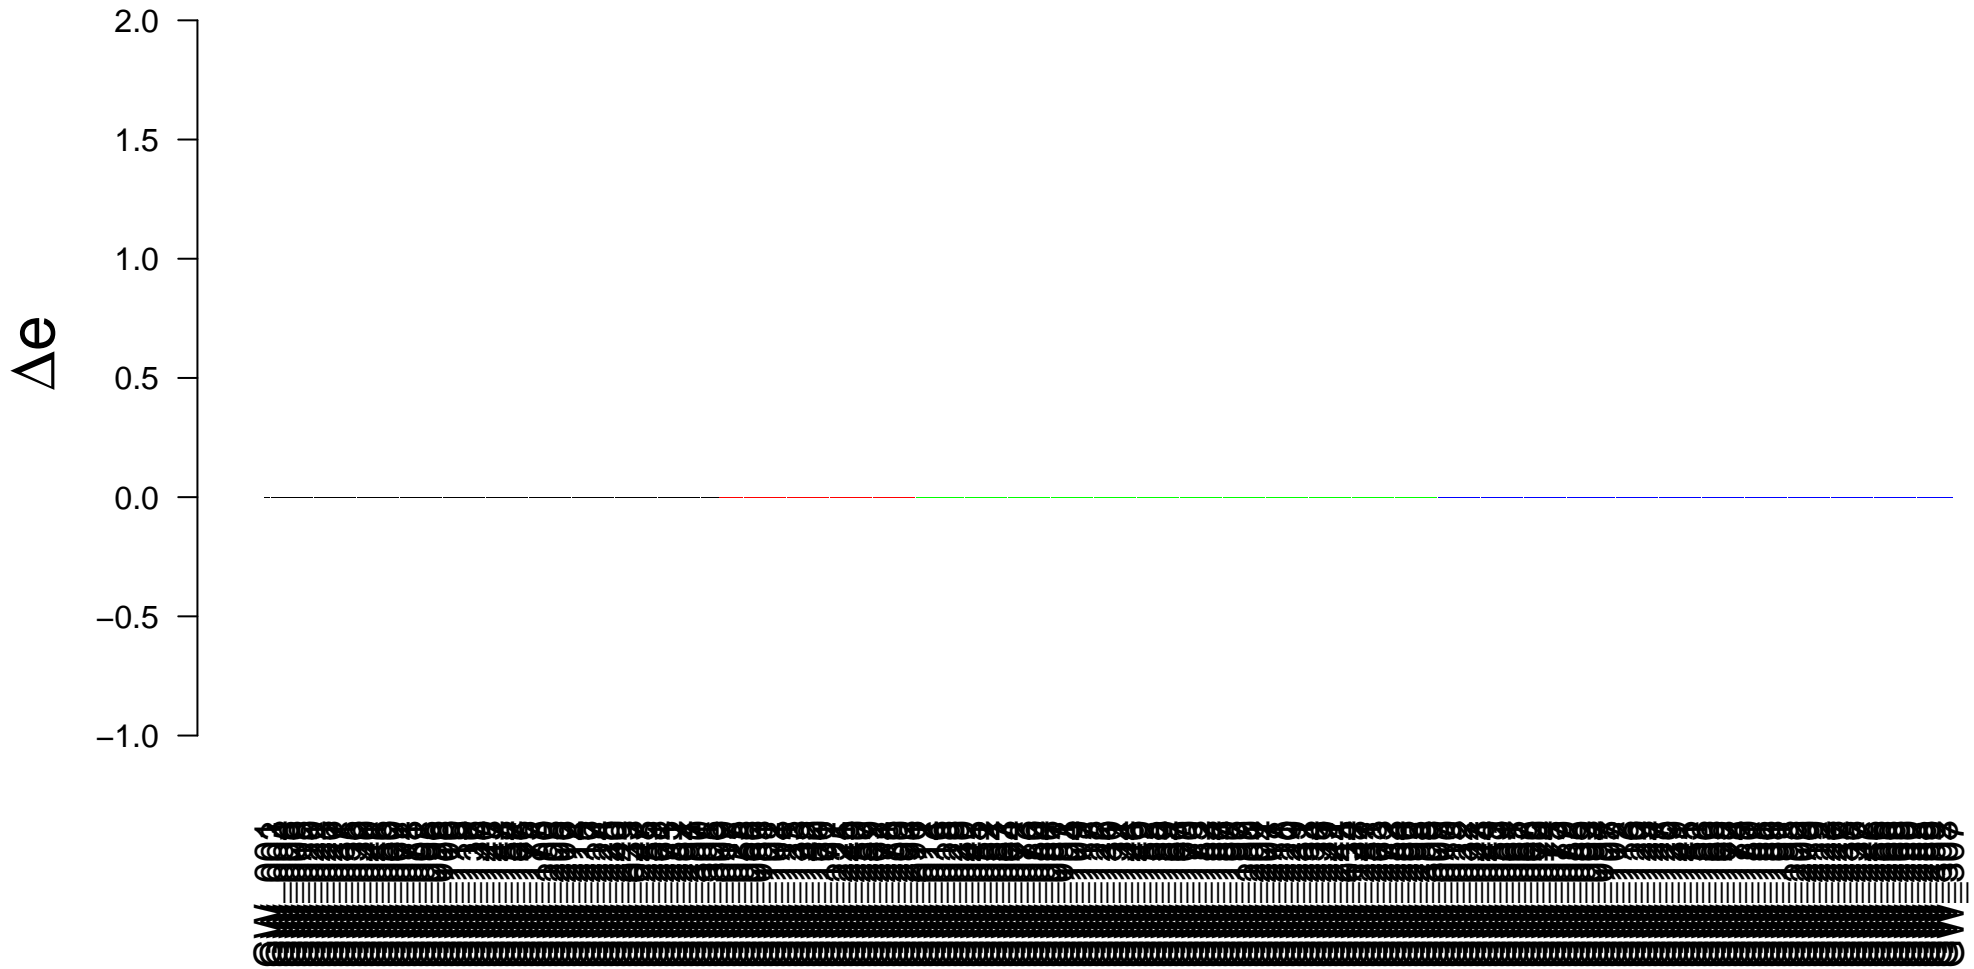

Expression of regulation of neurotransmitter secretion in Spot B

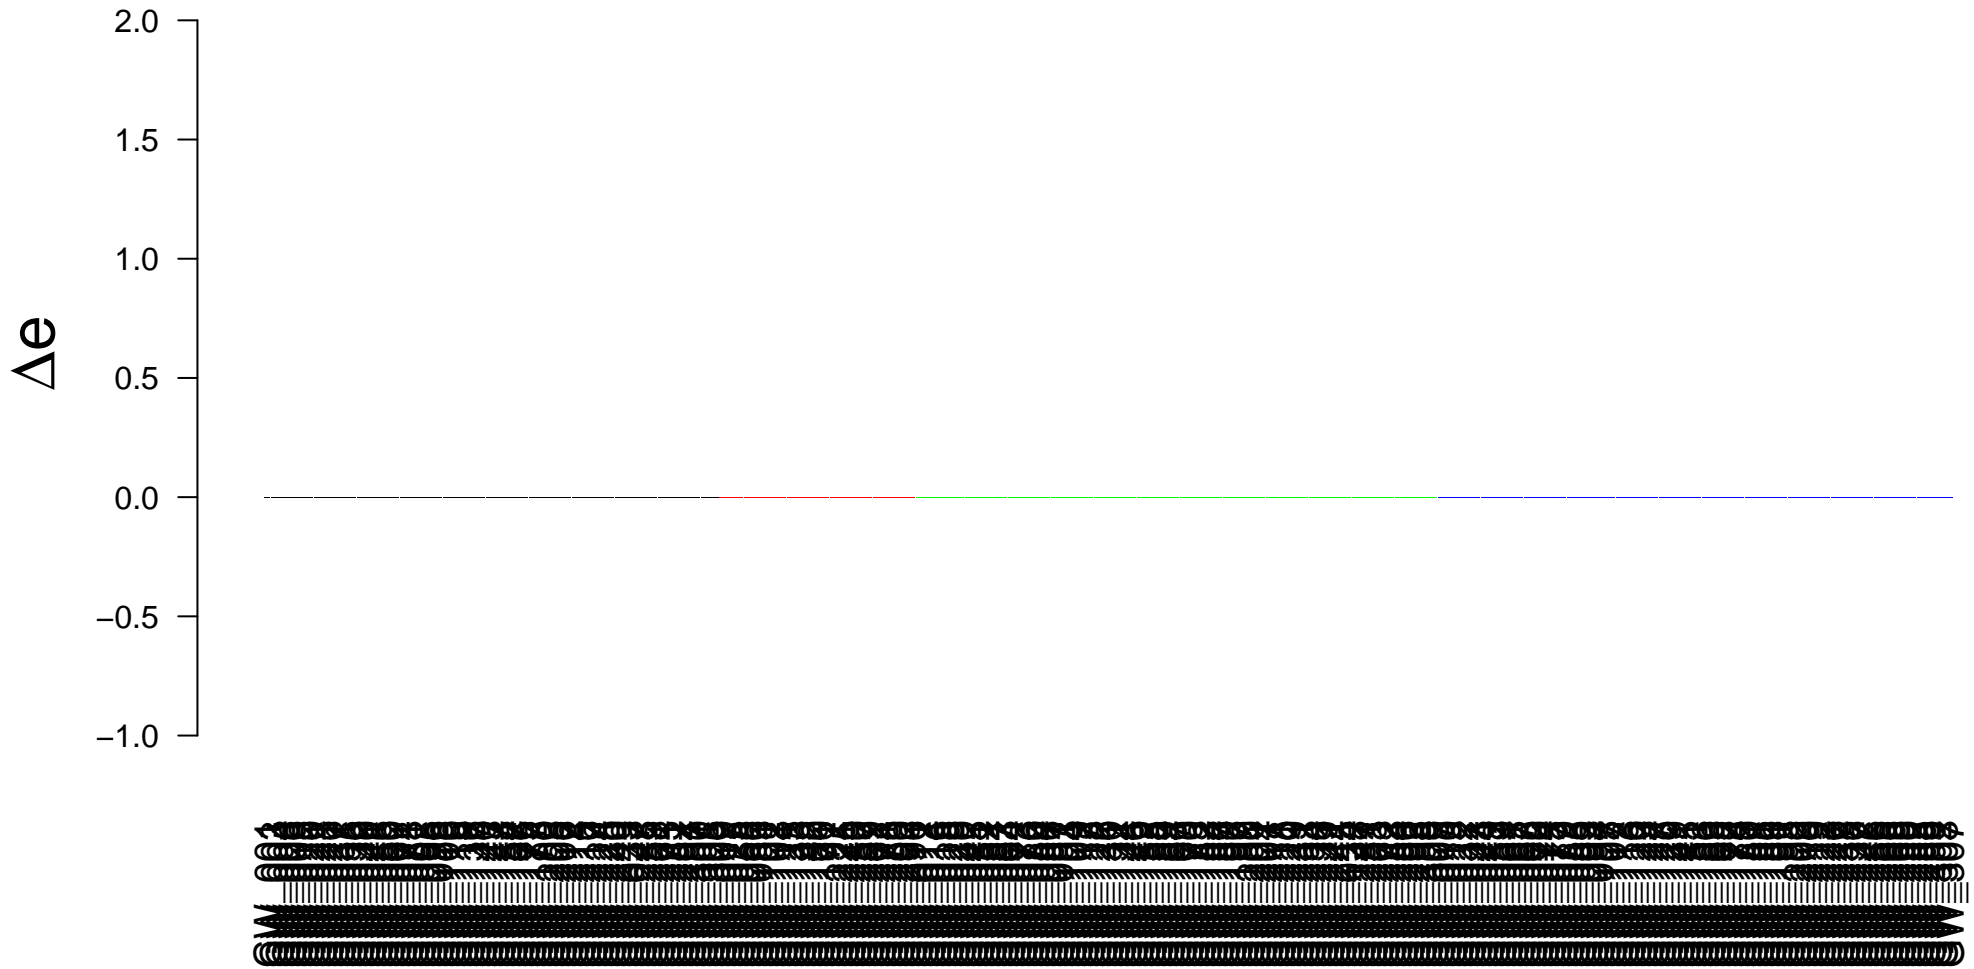

Expression of regulation of neurotransmitter secretion in Spot C

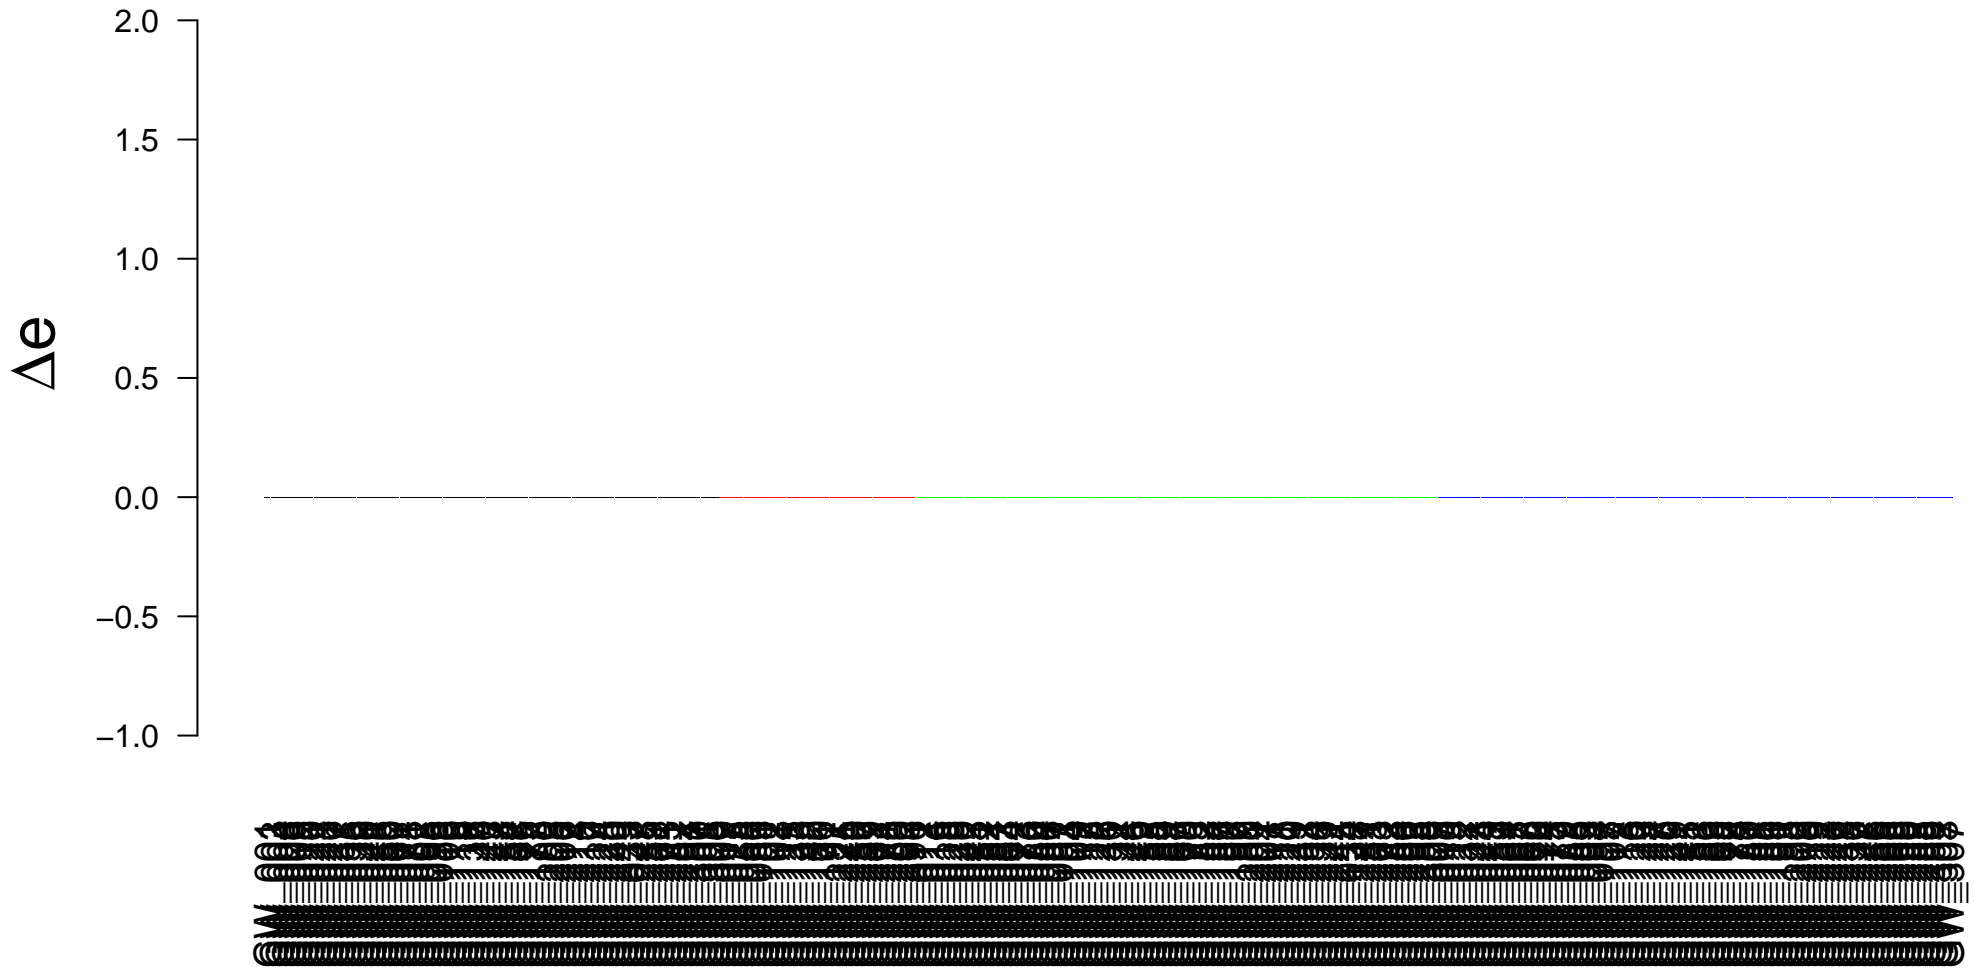

Expression of regulation of neurotransmitter secretion in Spot D

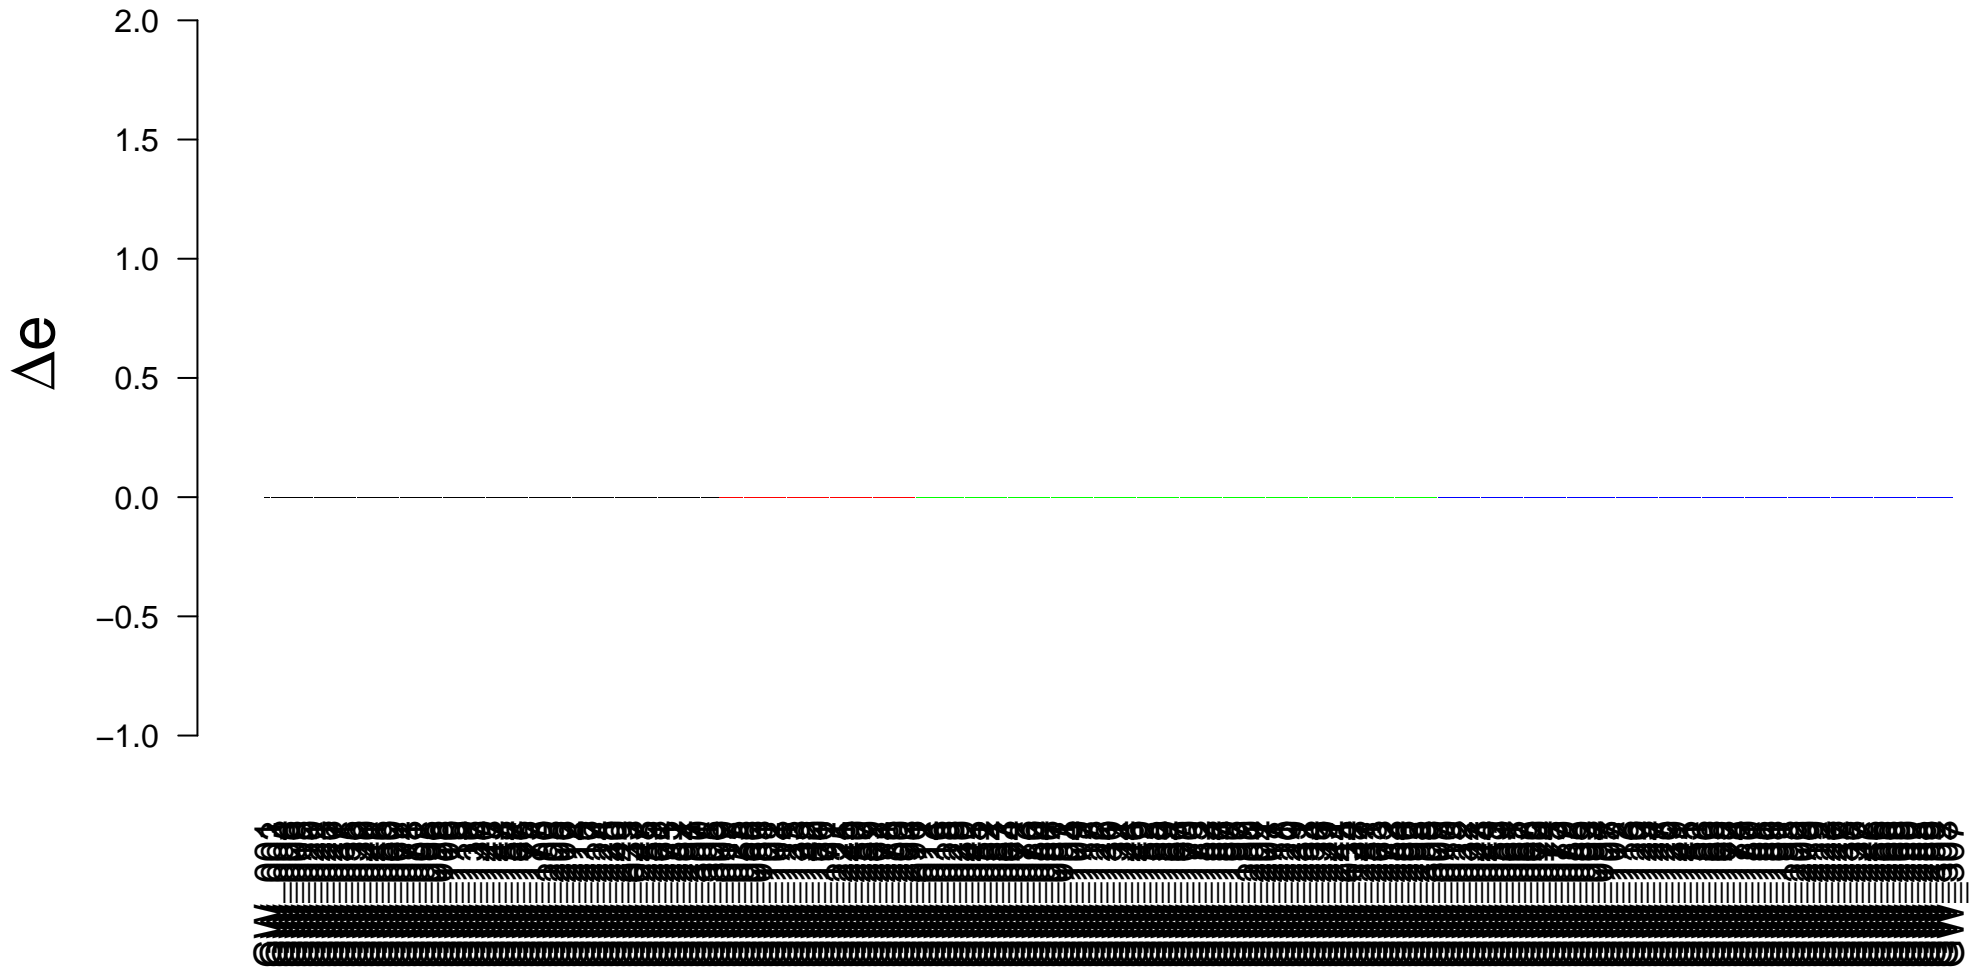

Expression of regulation of neurotransmitter secretion in Spot E

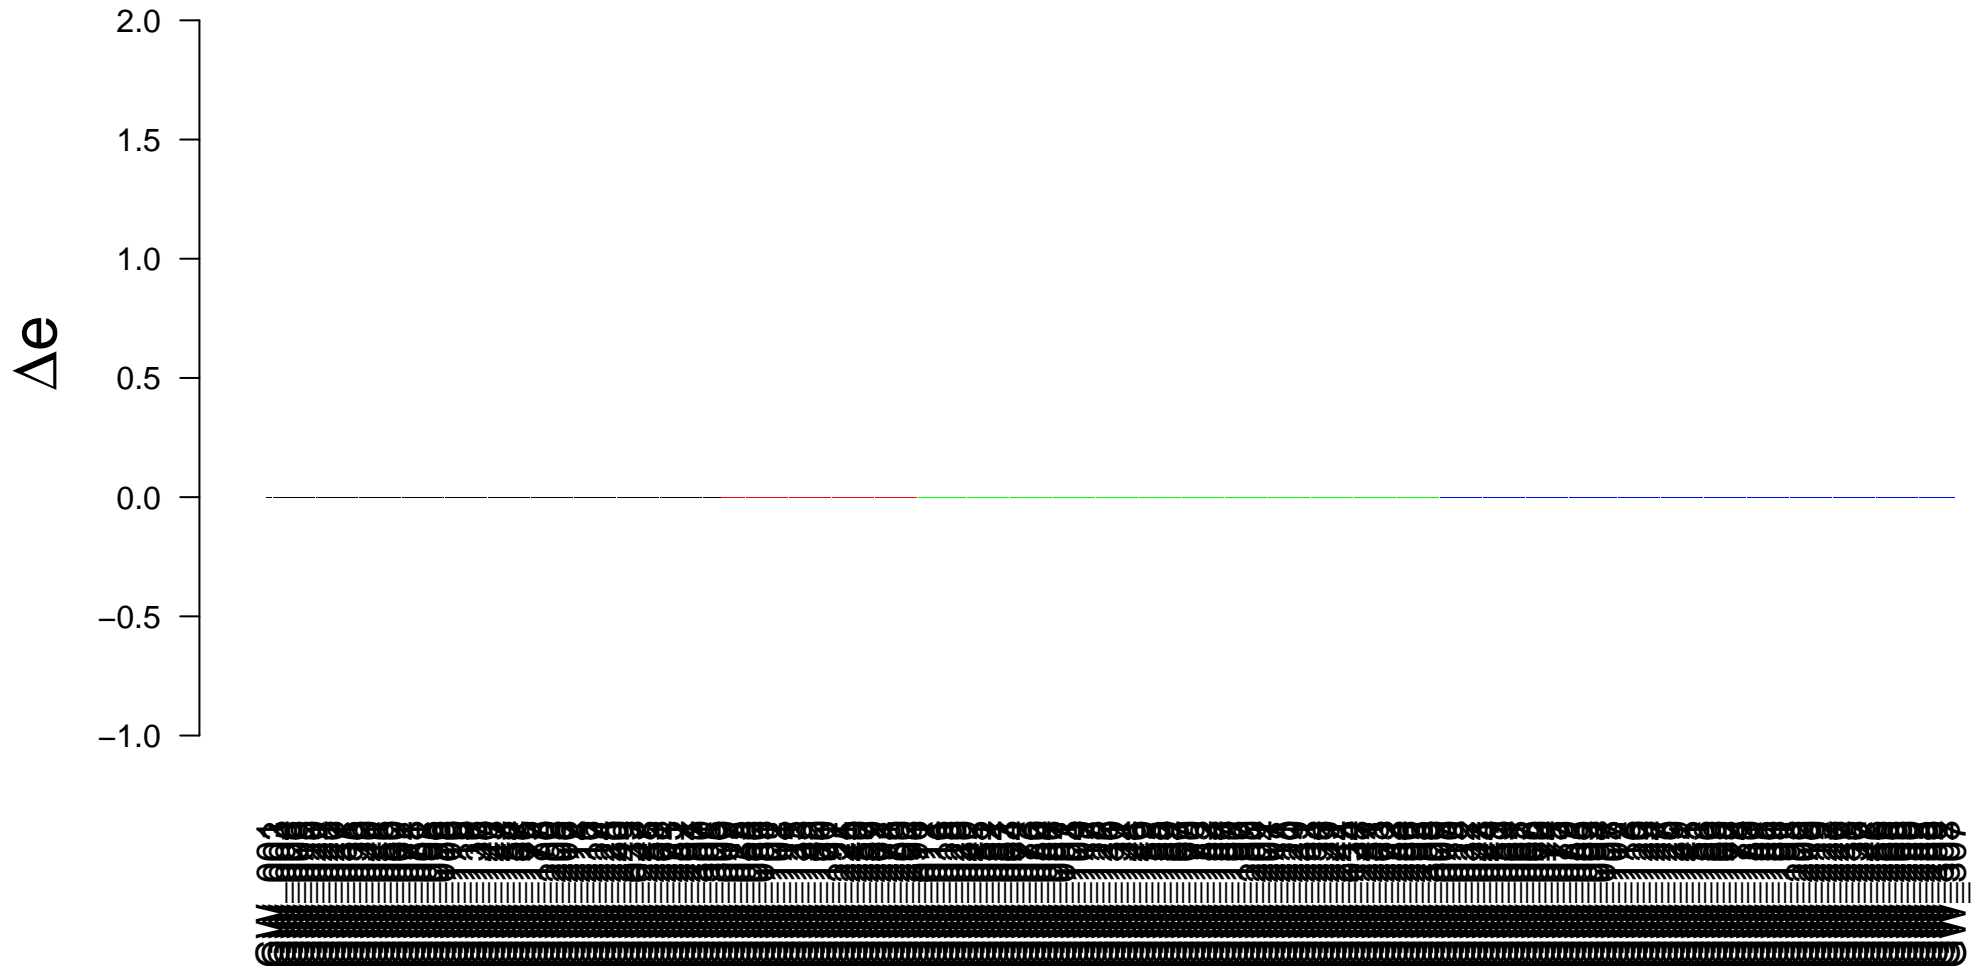

Expression of regulation of neurotransmitter secretion in Spot F

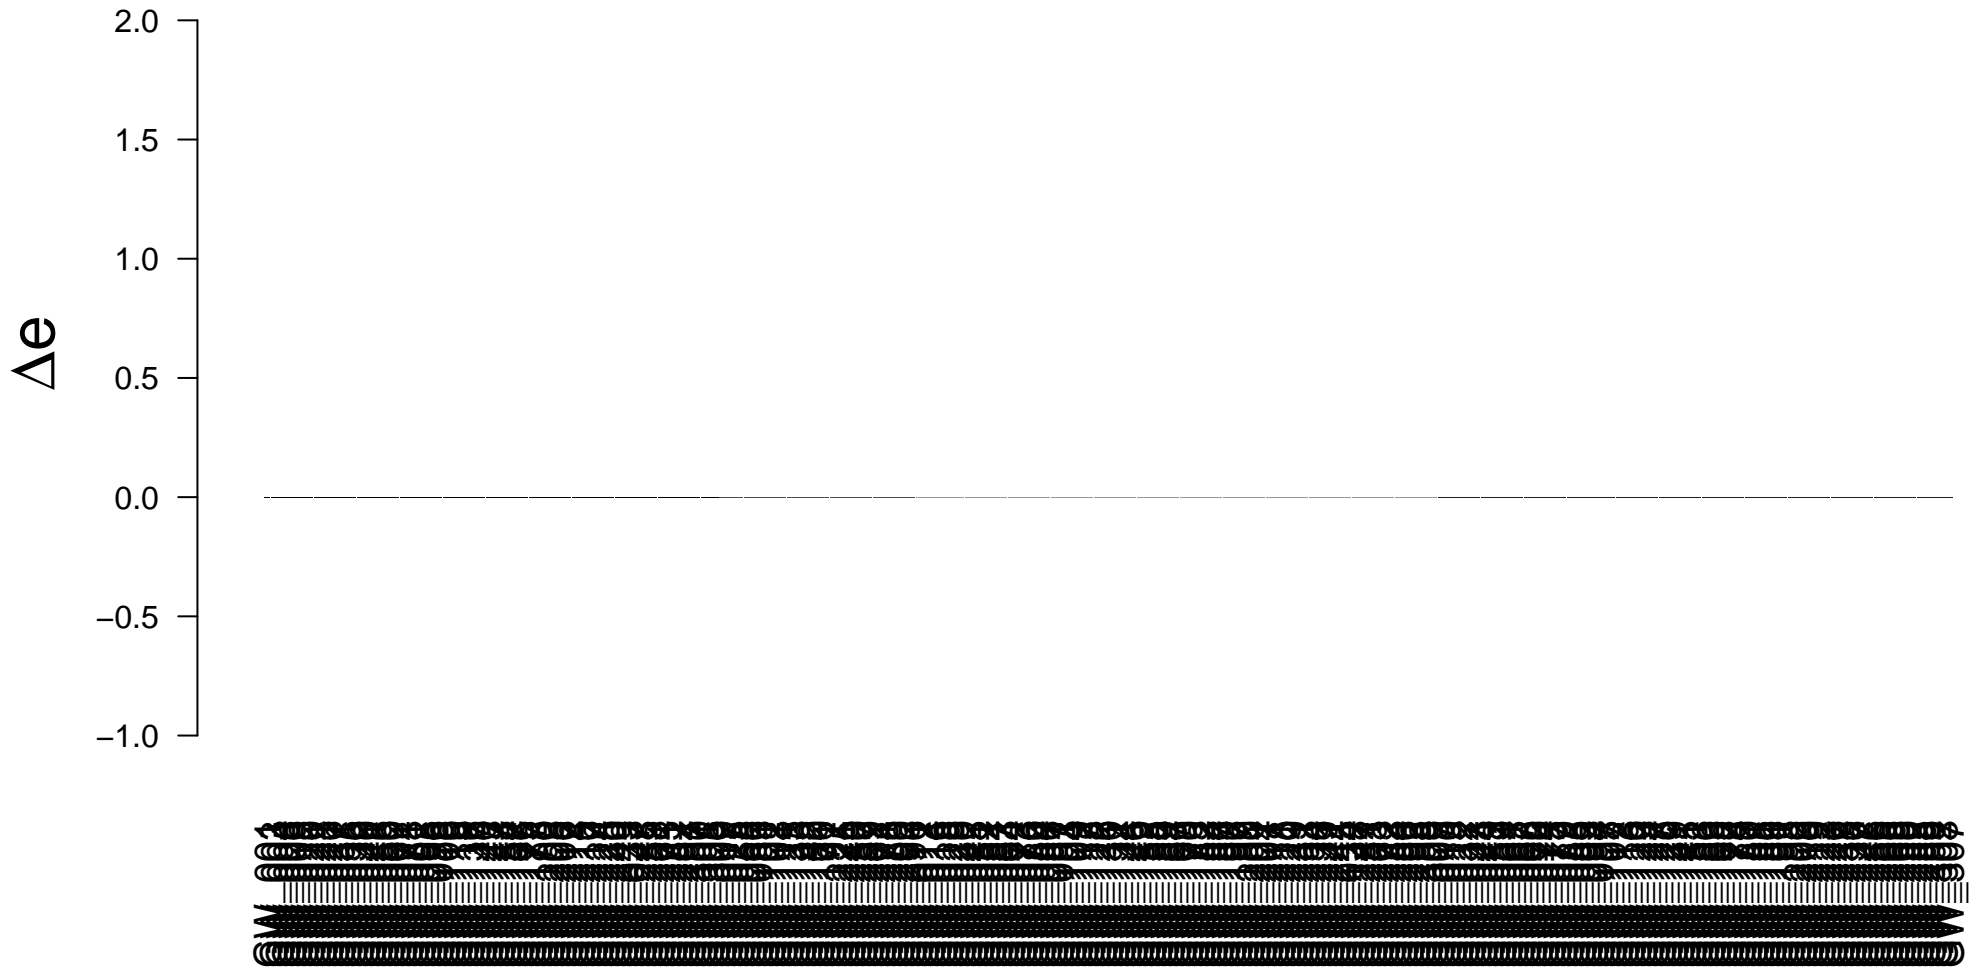

Expression of regulation of neurotransmitter secretion in Spot G

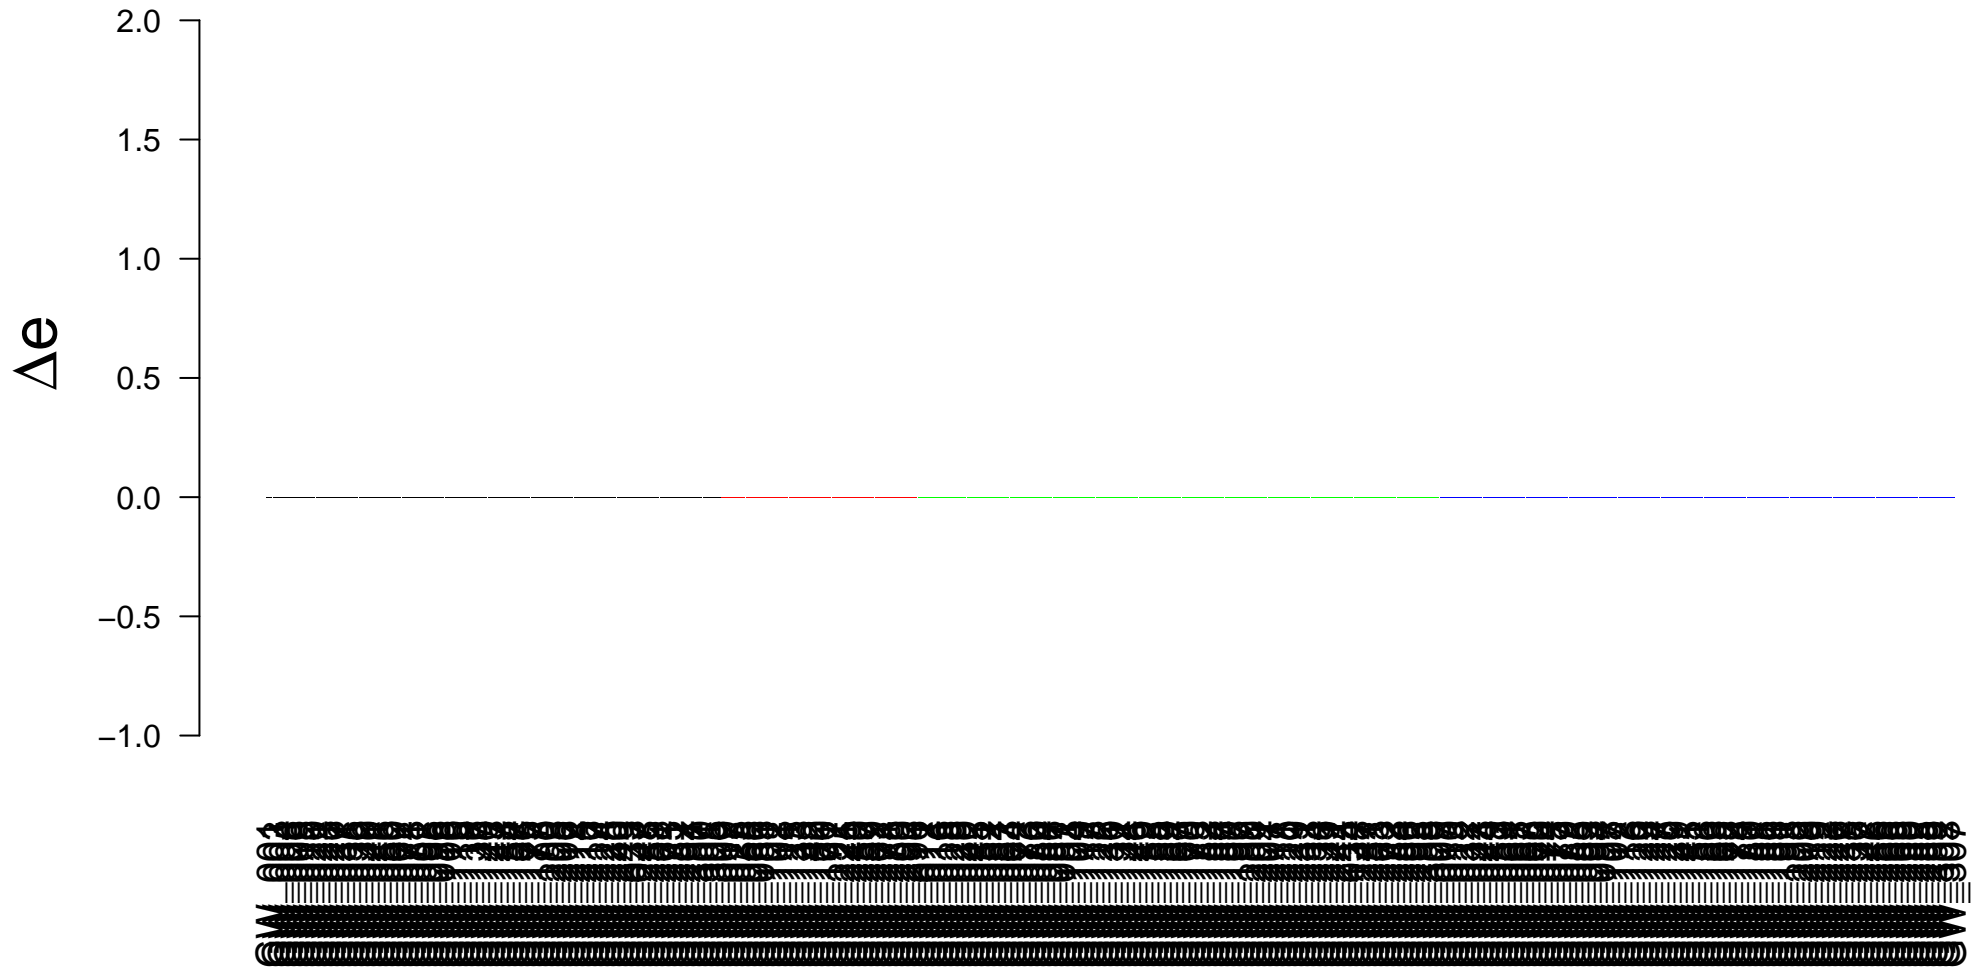

Expression of regulation of neurotransmitter secretion in Spot H

Expression of regulation of neurotransmitter secretion in Spot I

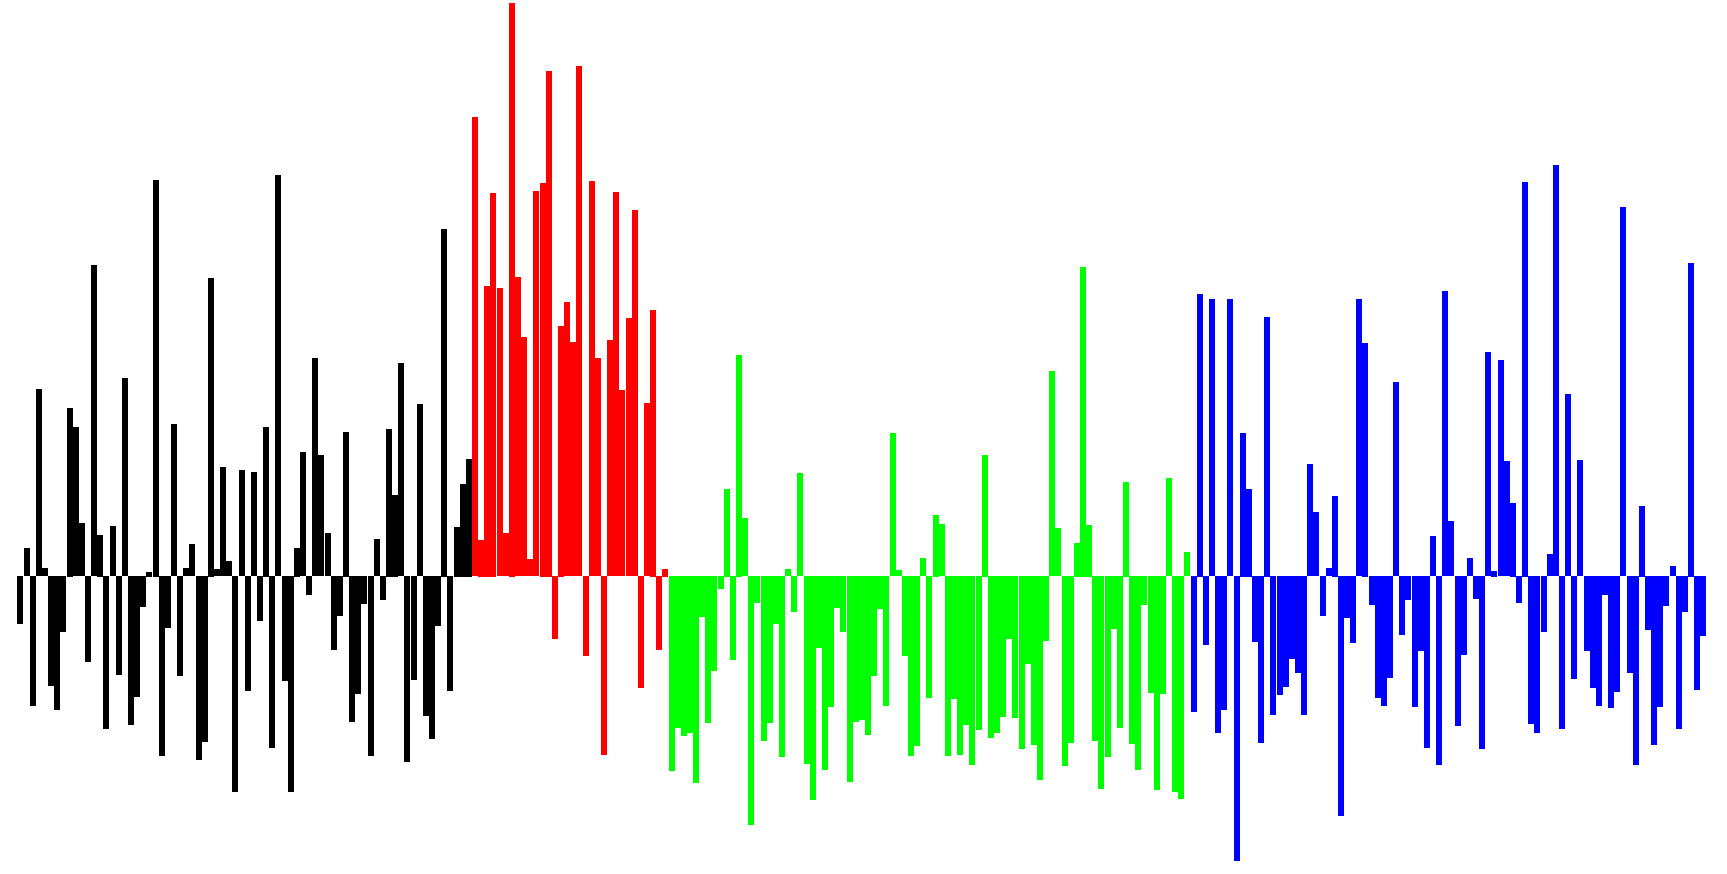

Expression of regulation of neurotransmitter secretion in Spot J

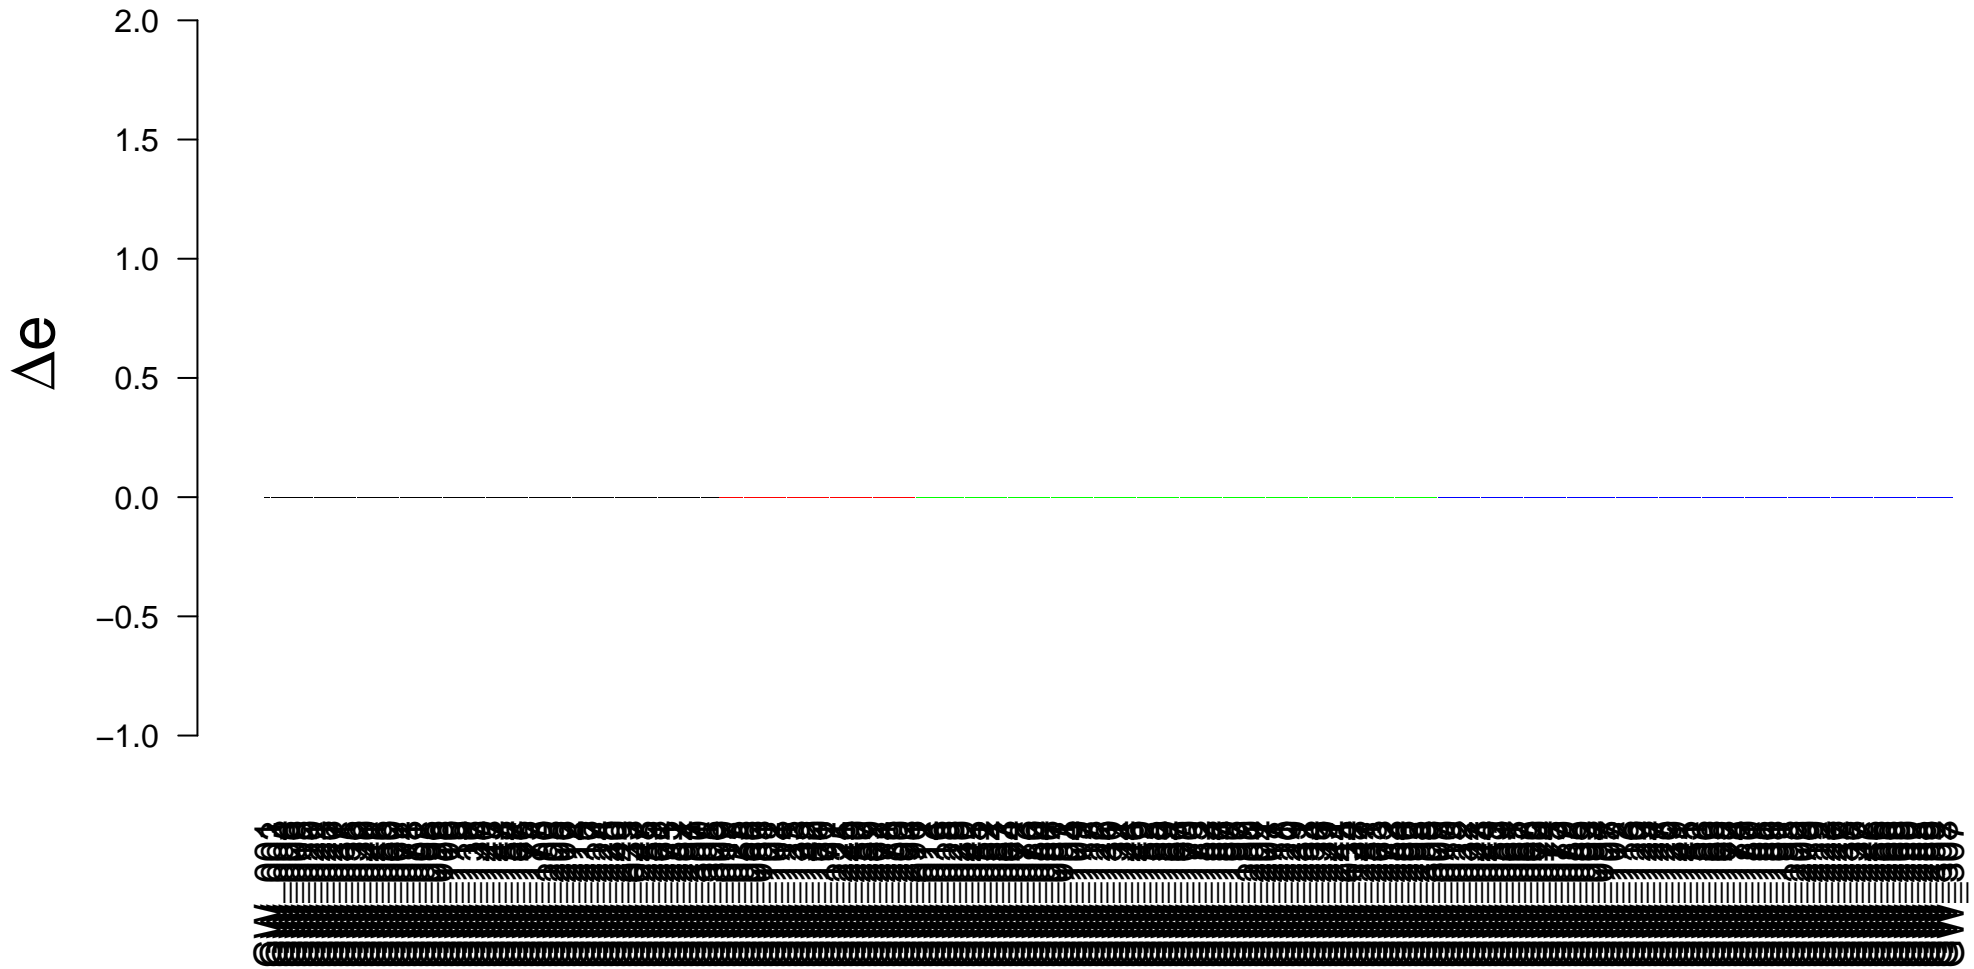

Expression of regulation of neurotransmitter secretion in Spot K
