

regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum

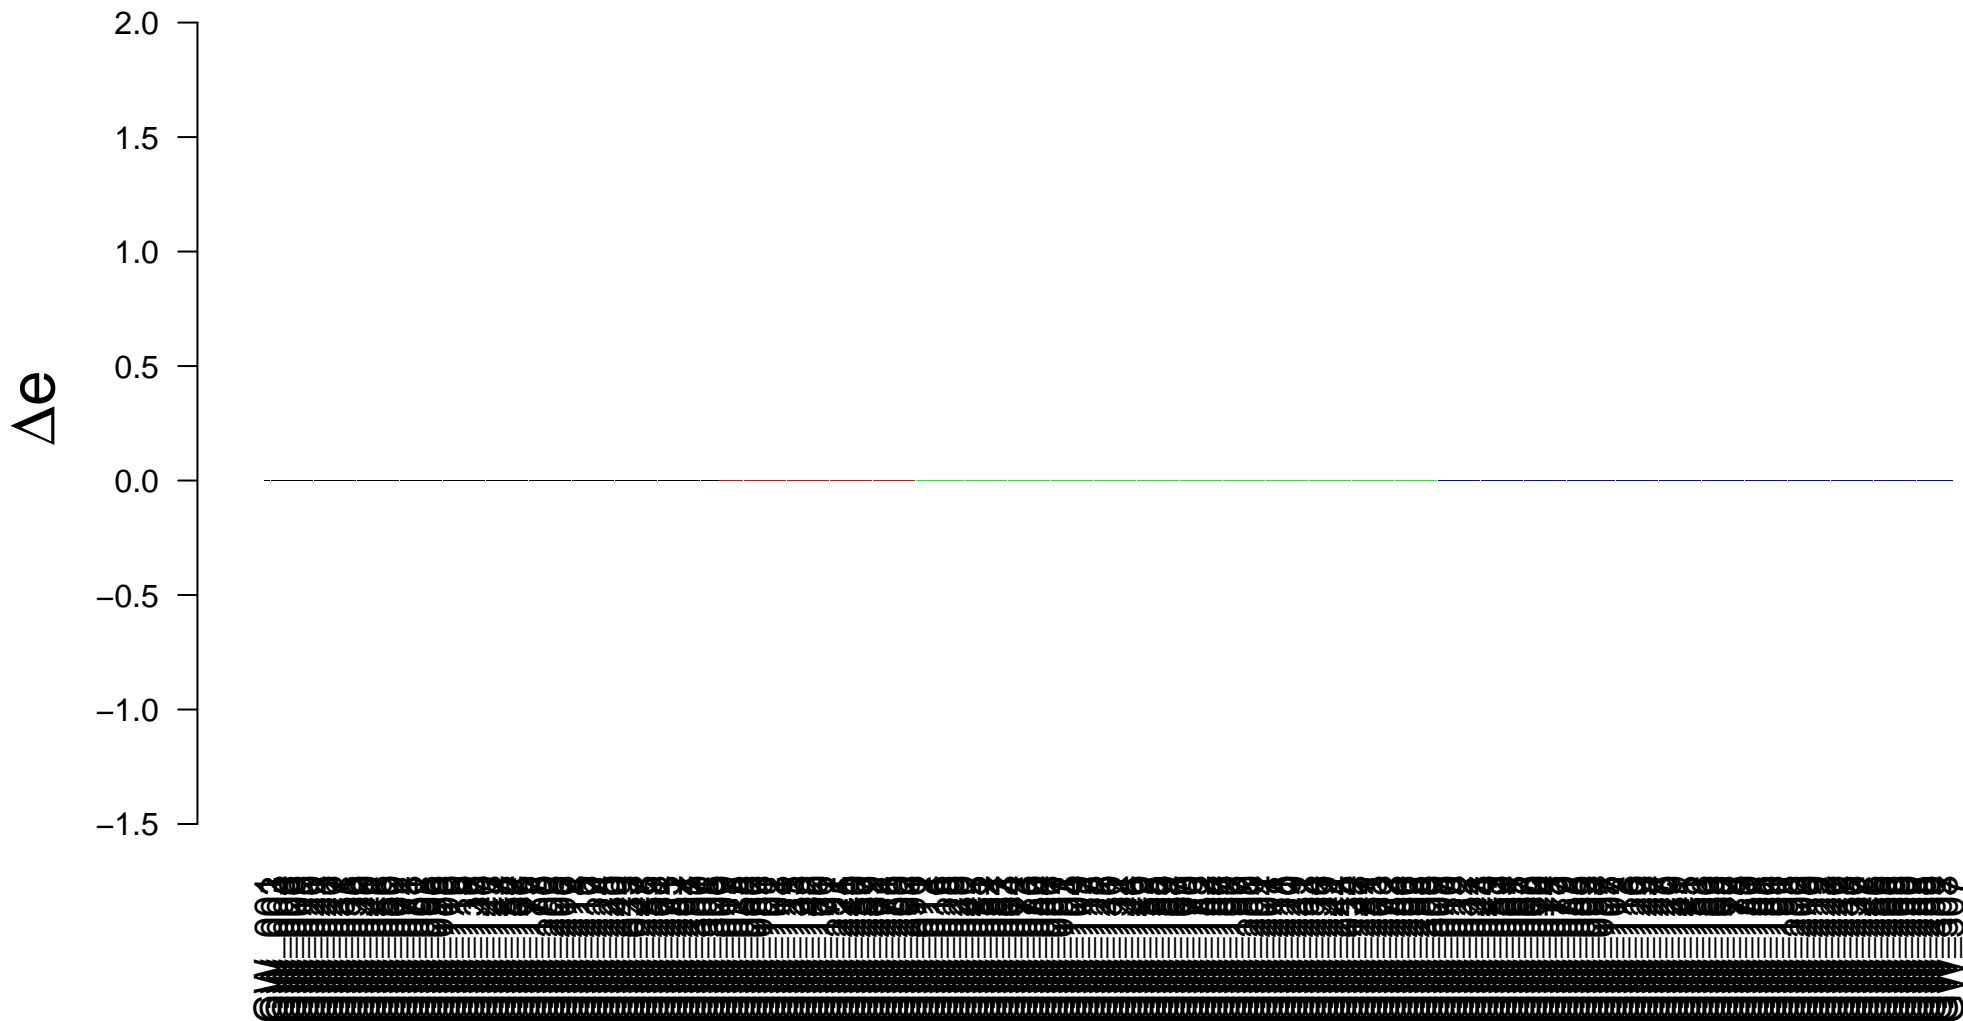

regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum

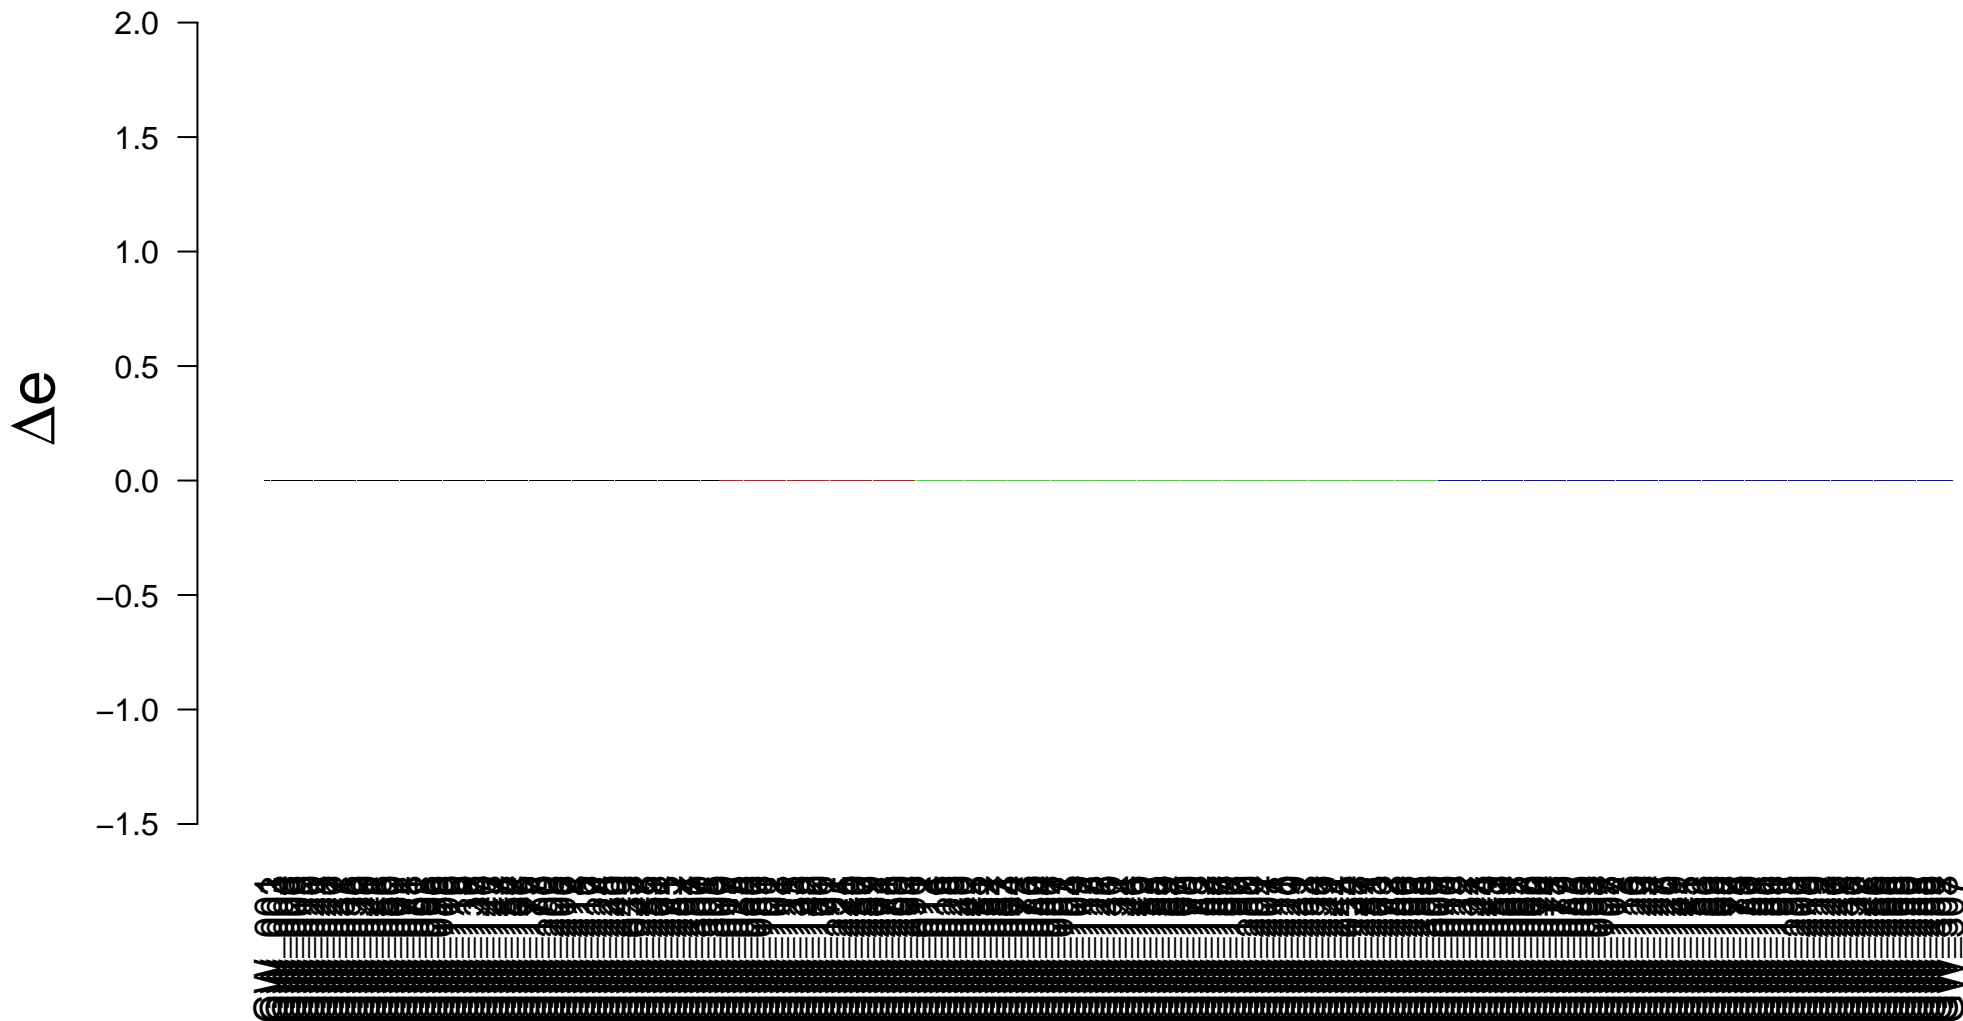

Enrichment in spots: regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum

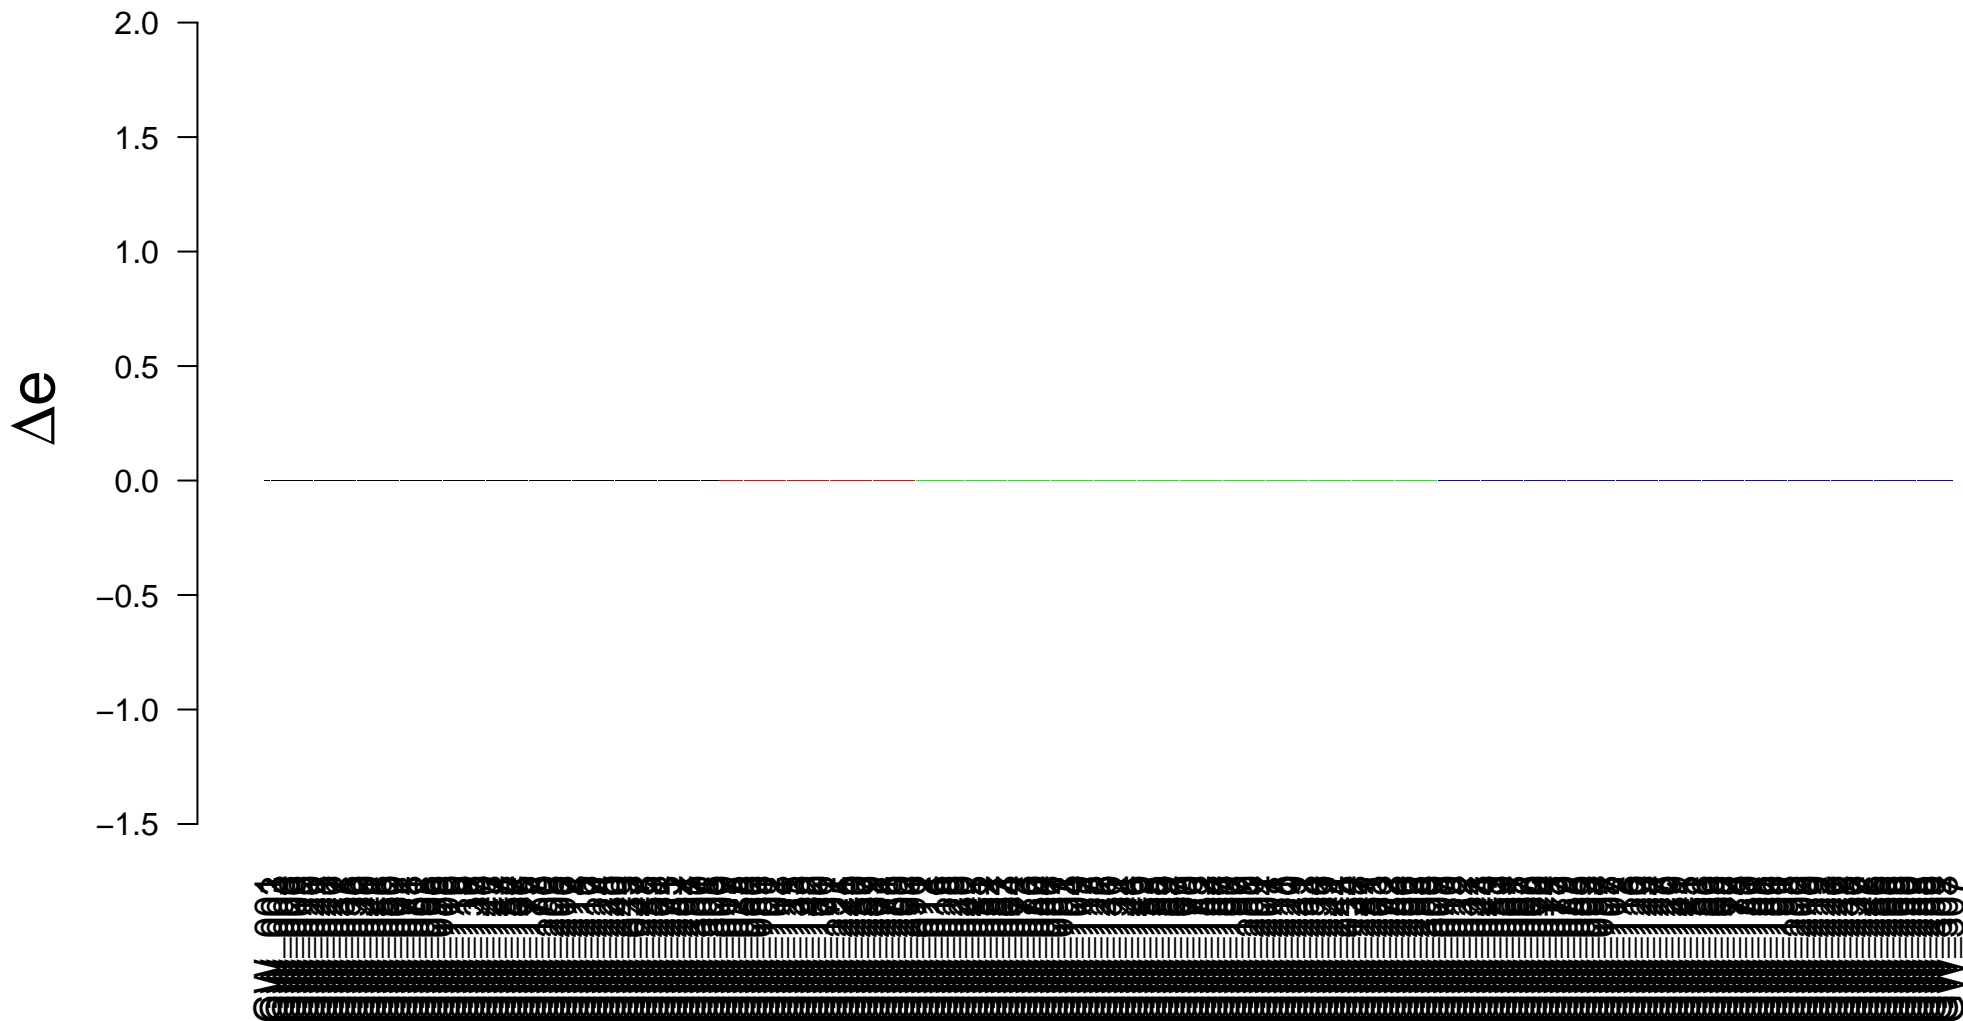

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot A

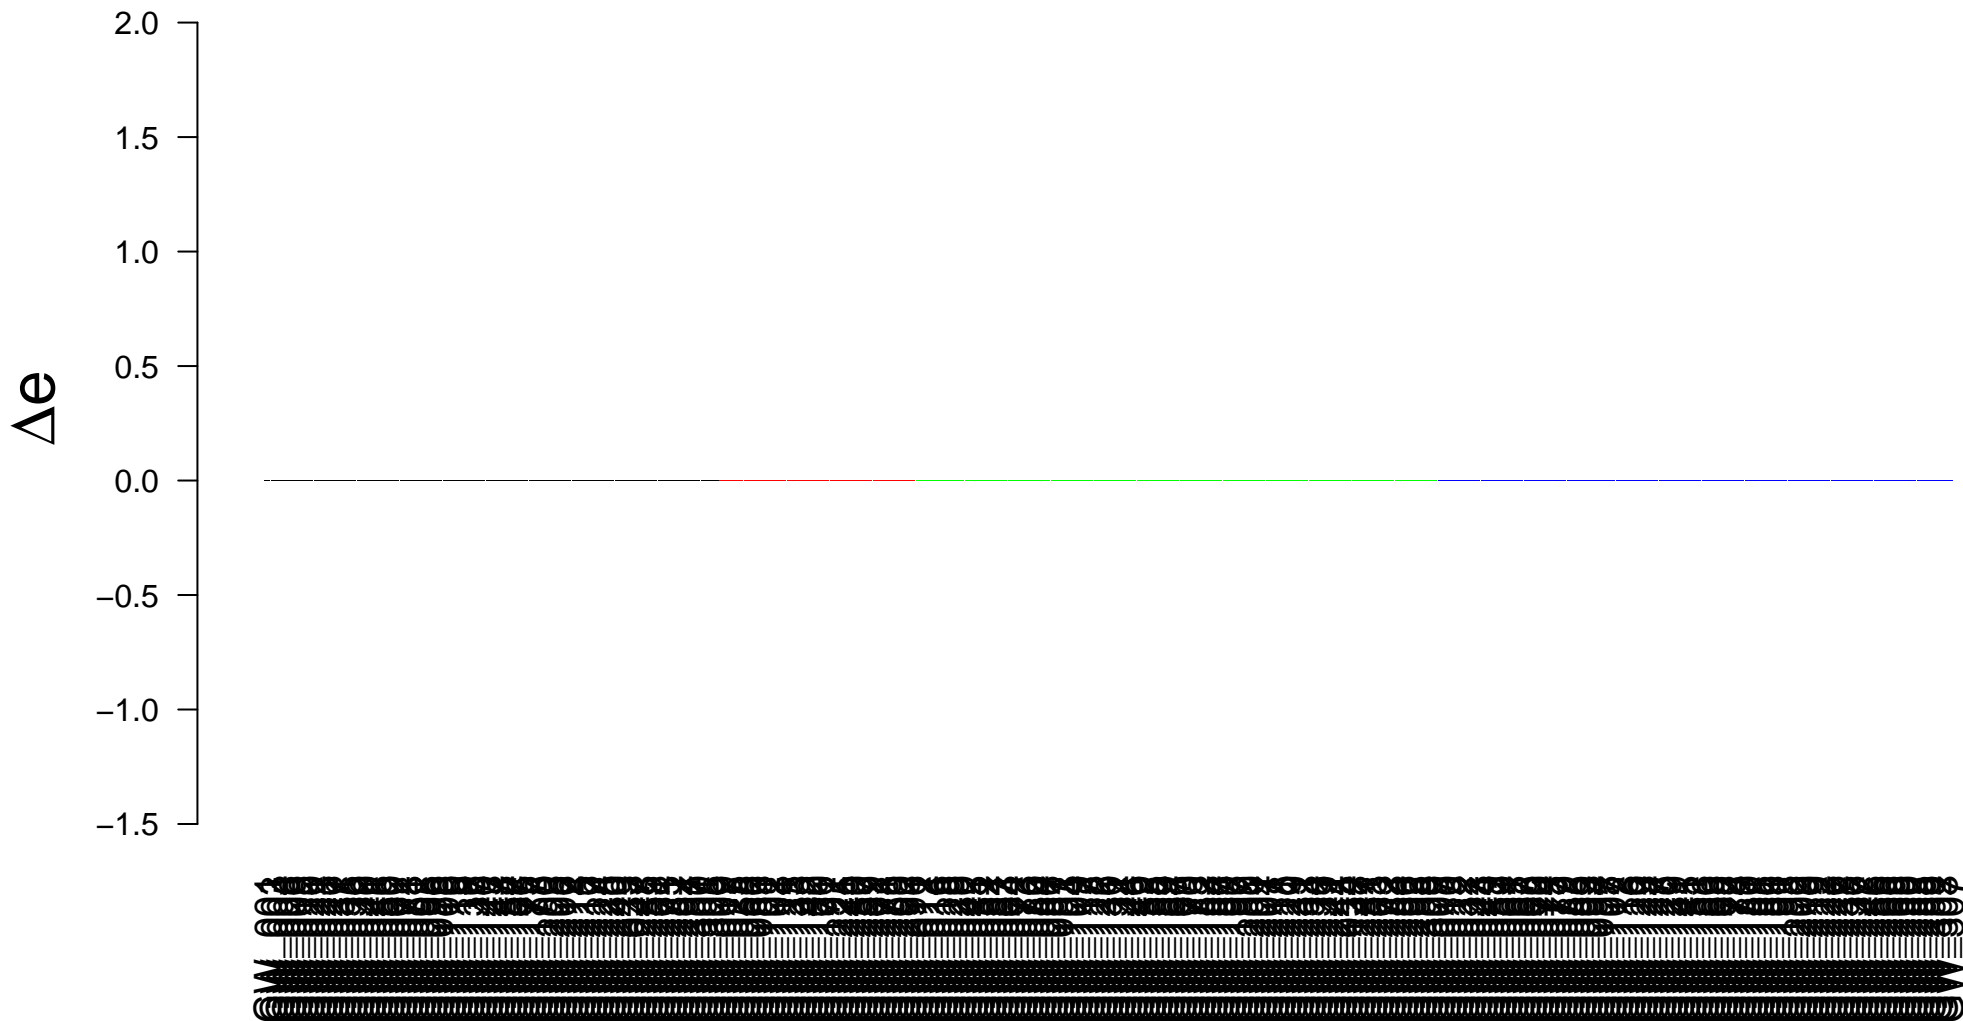

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot B

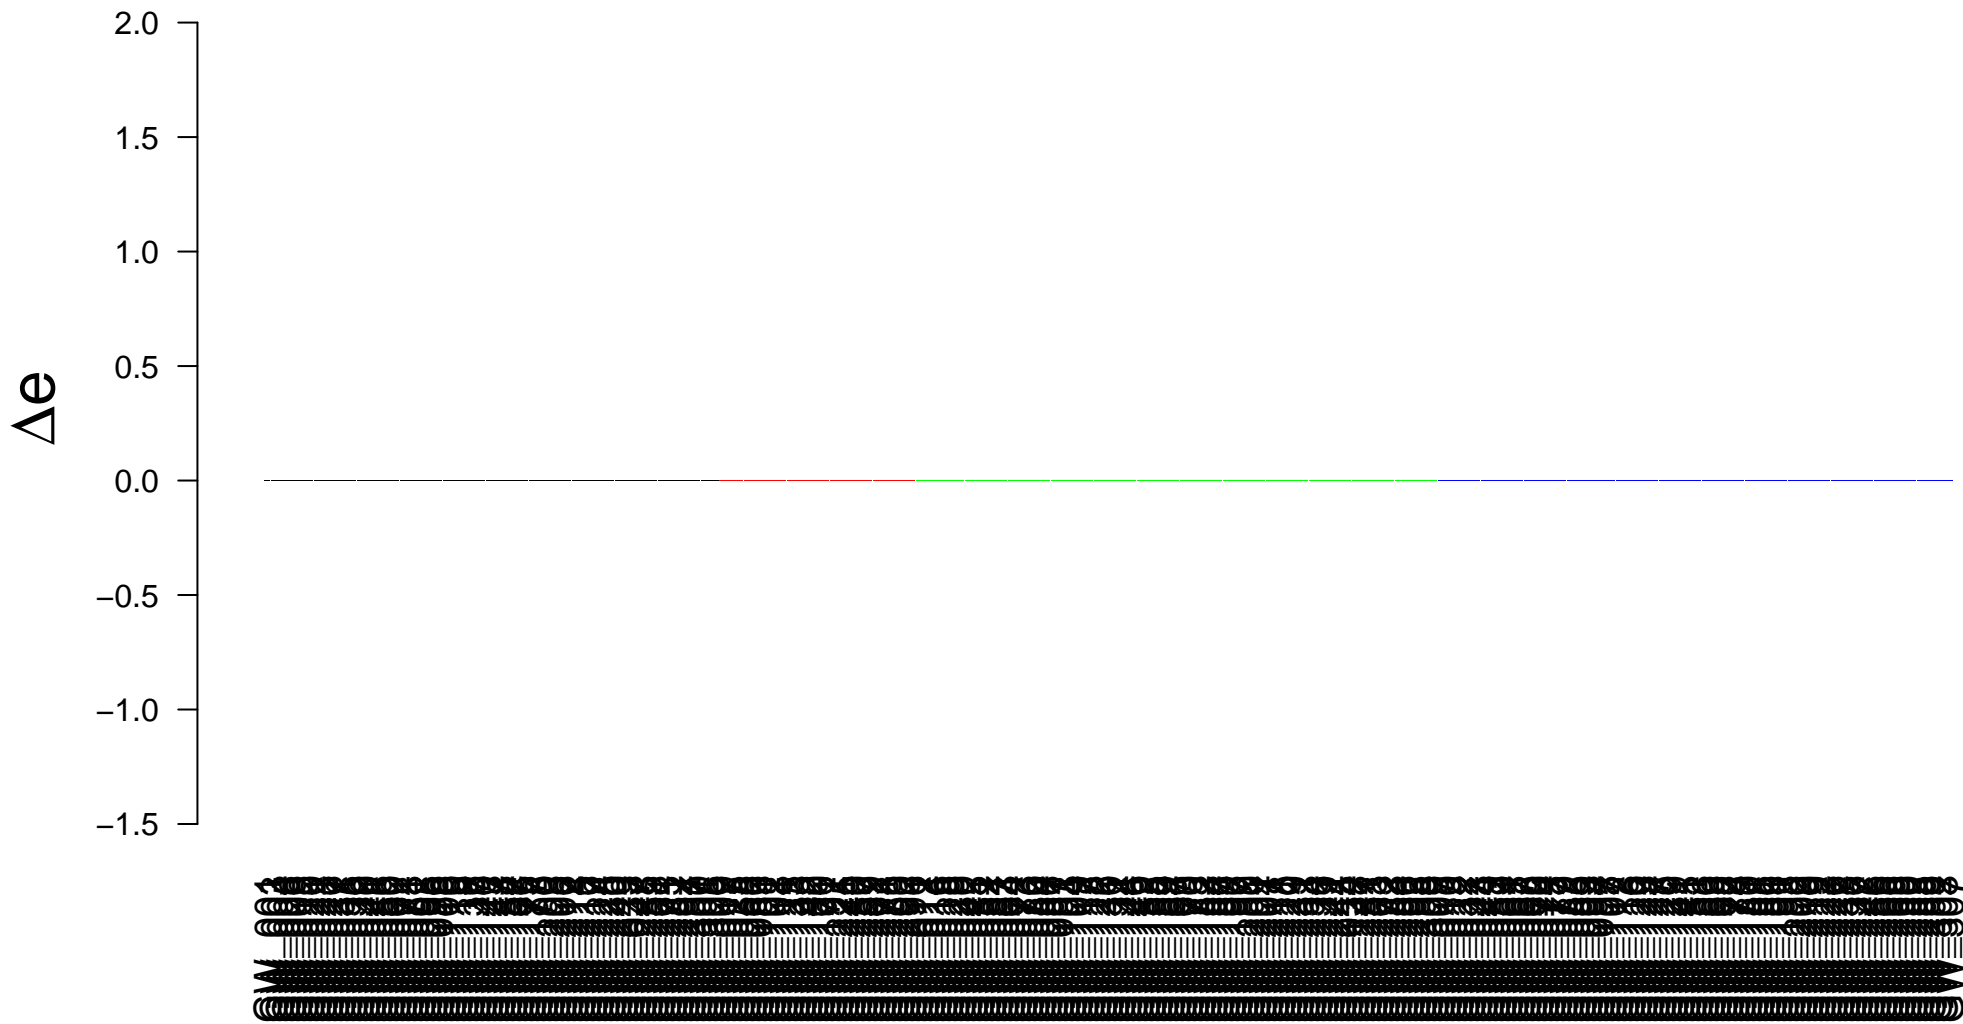

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot C

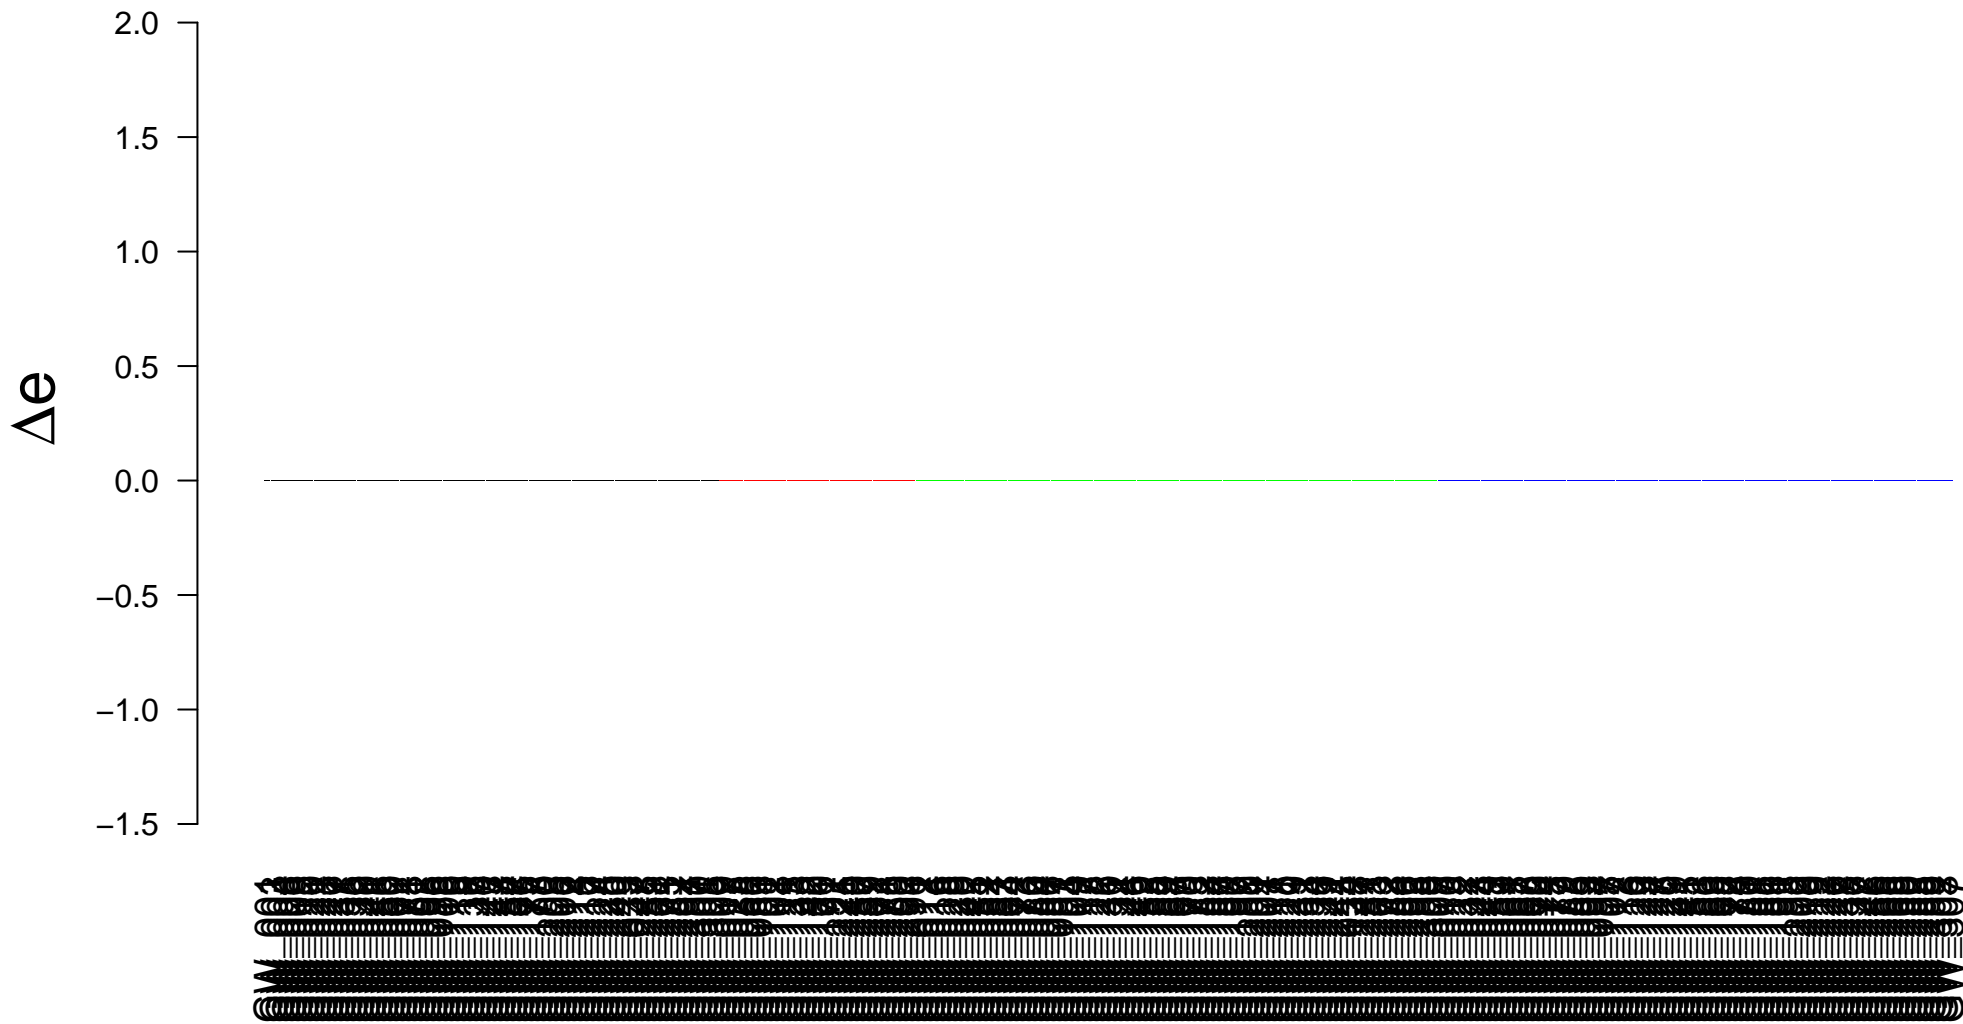

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot D

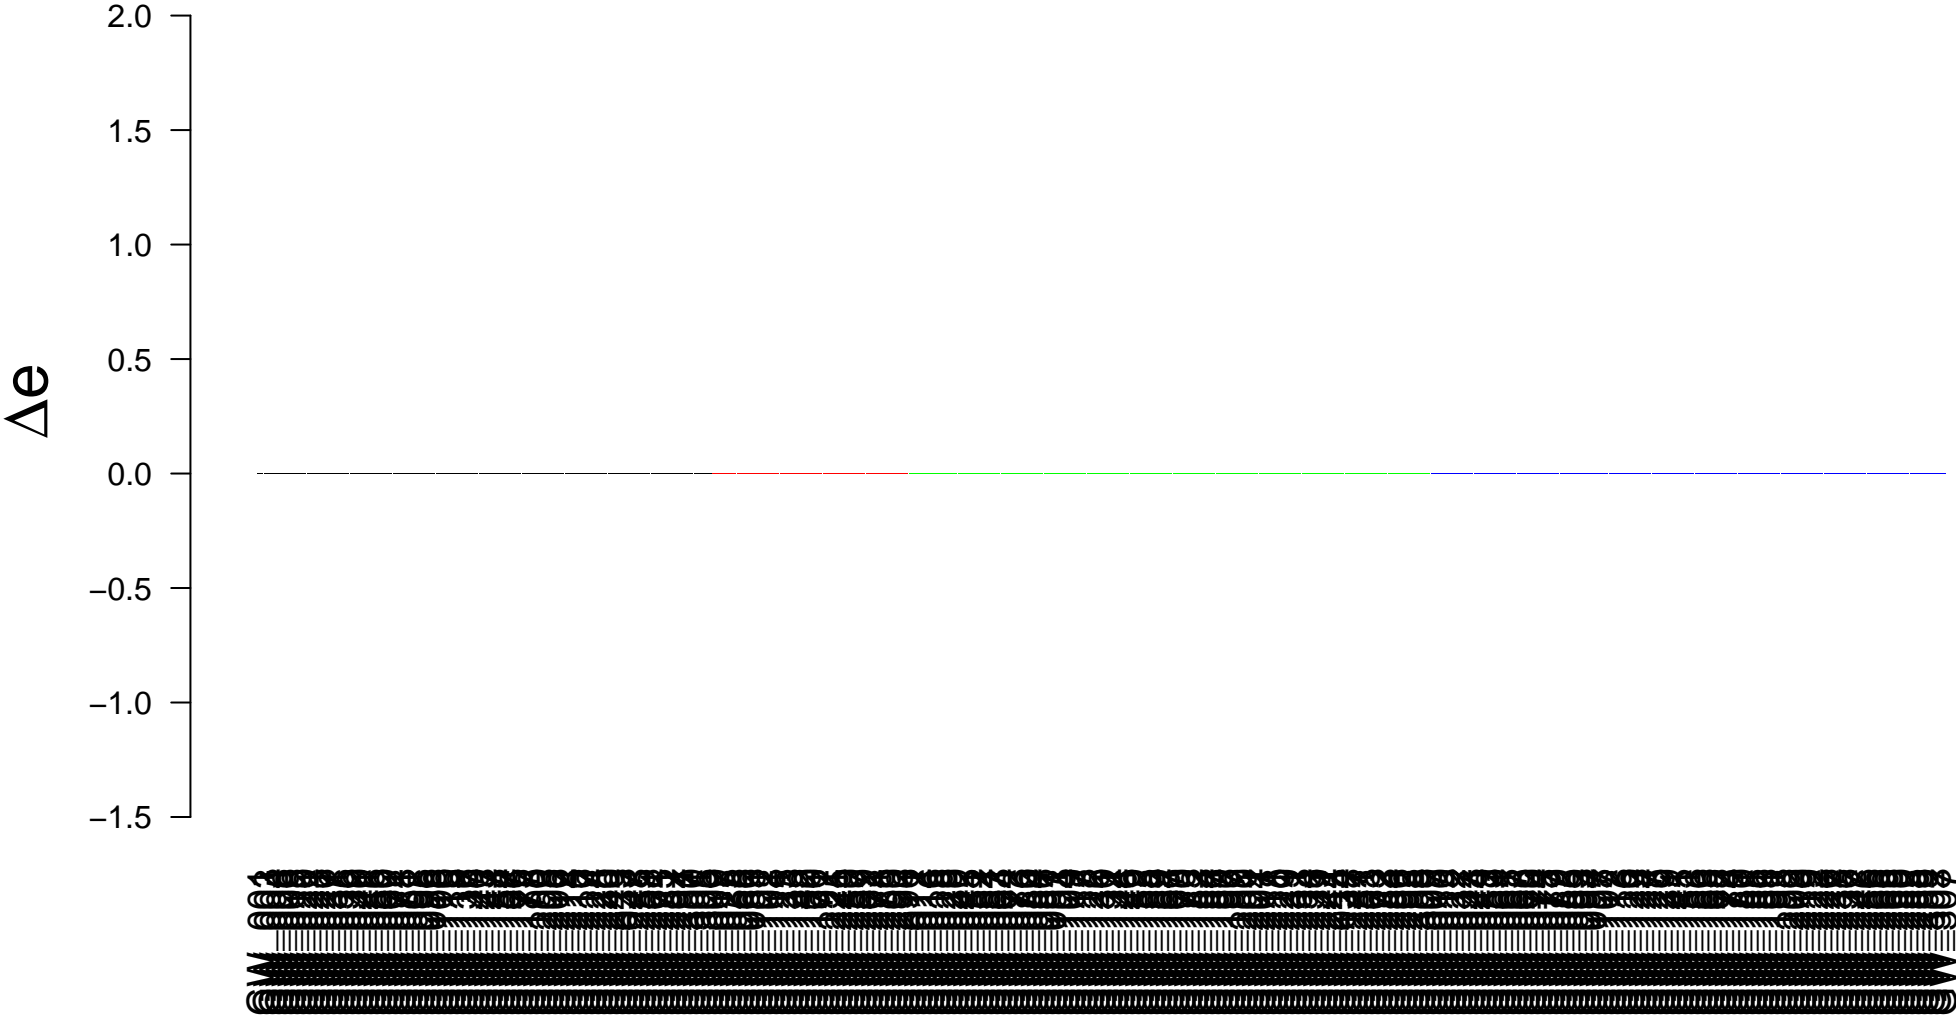

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot E

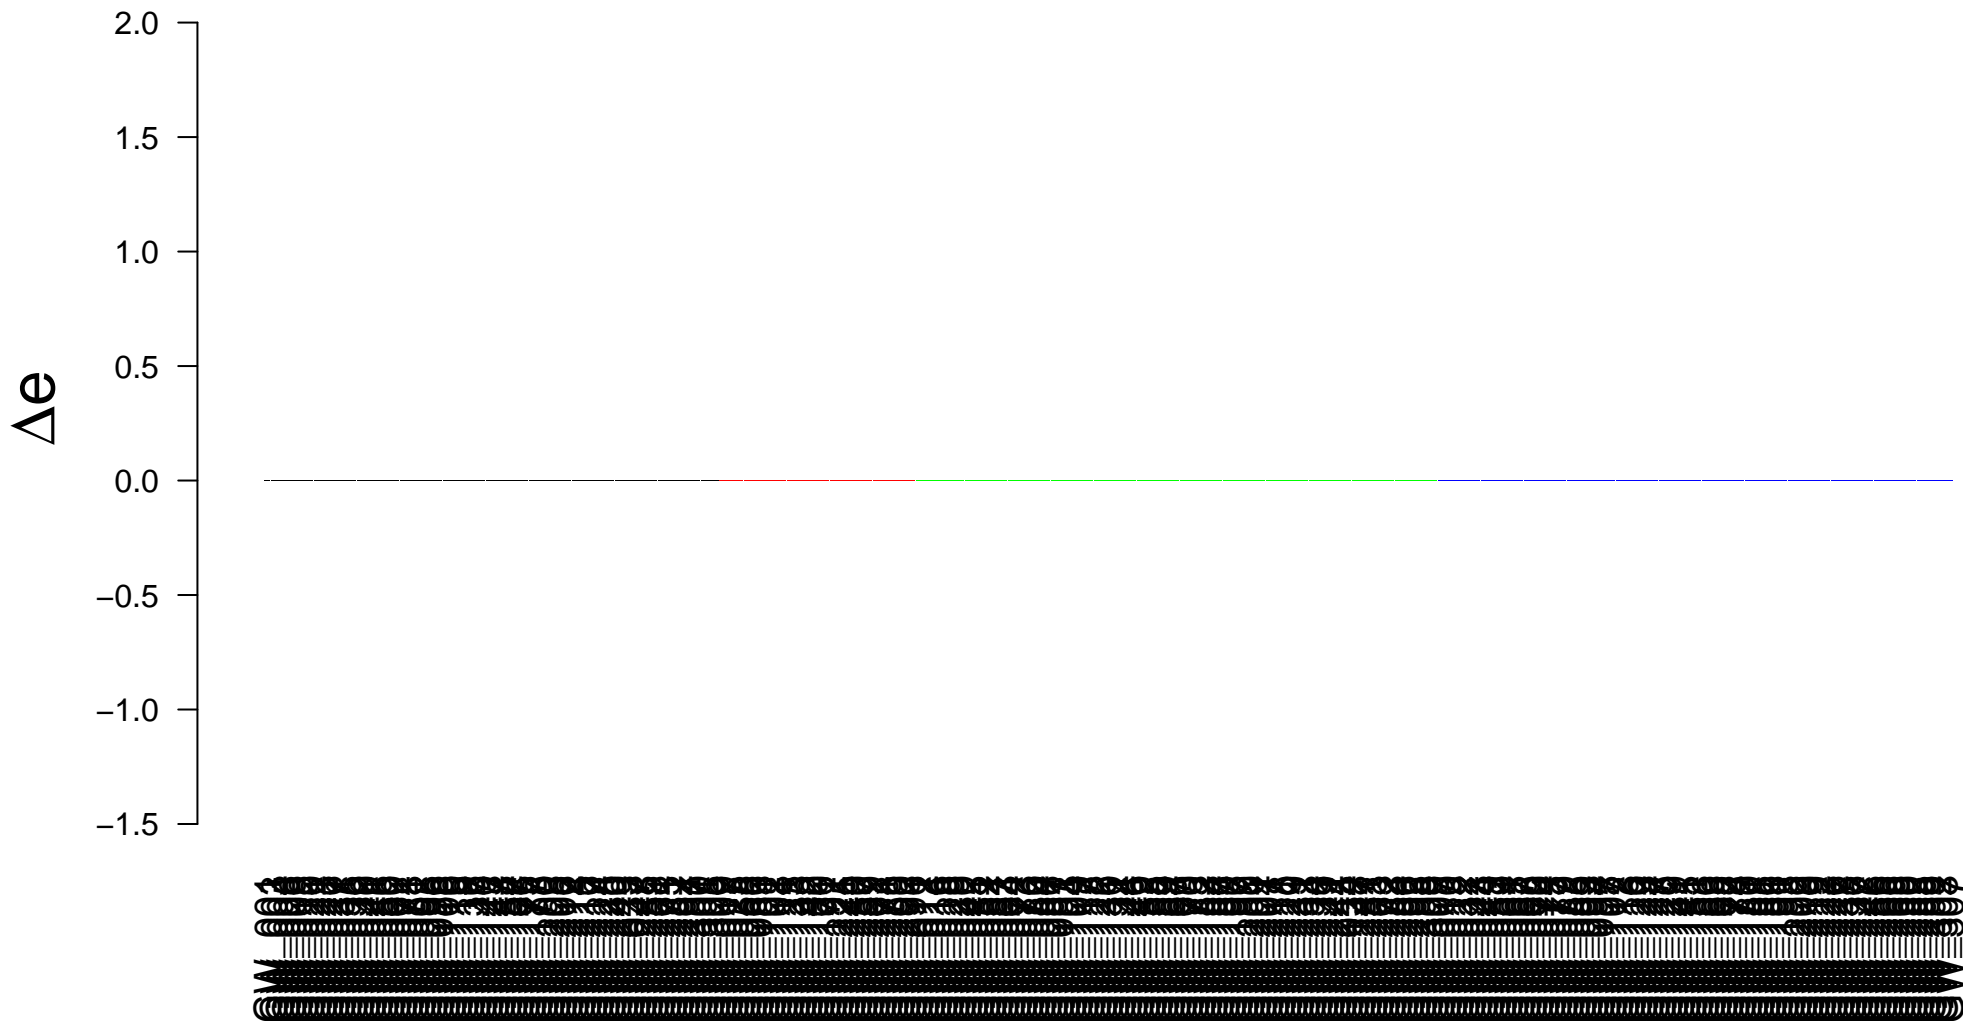

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot F

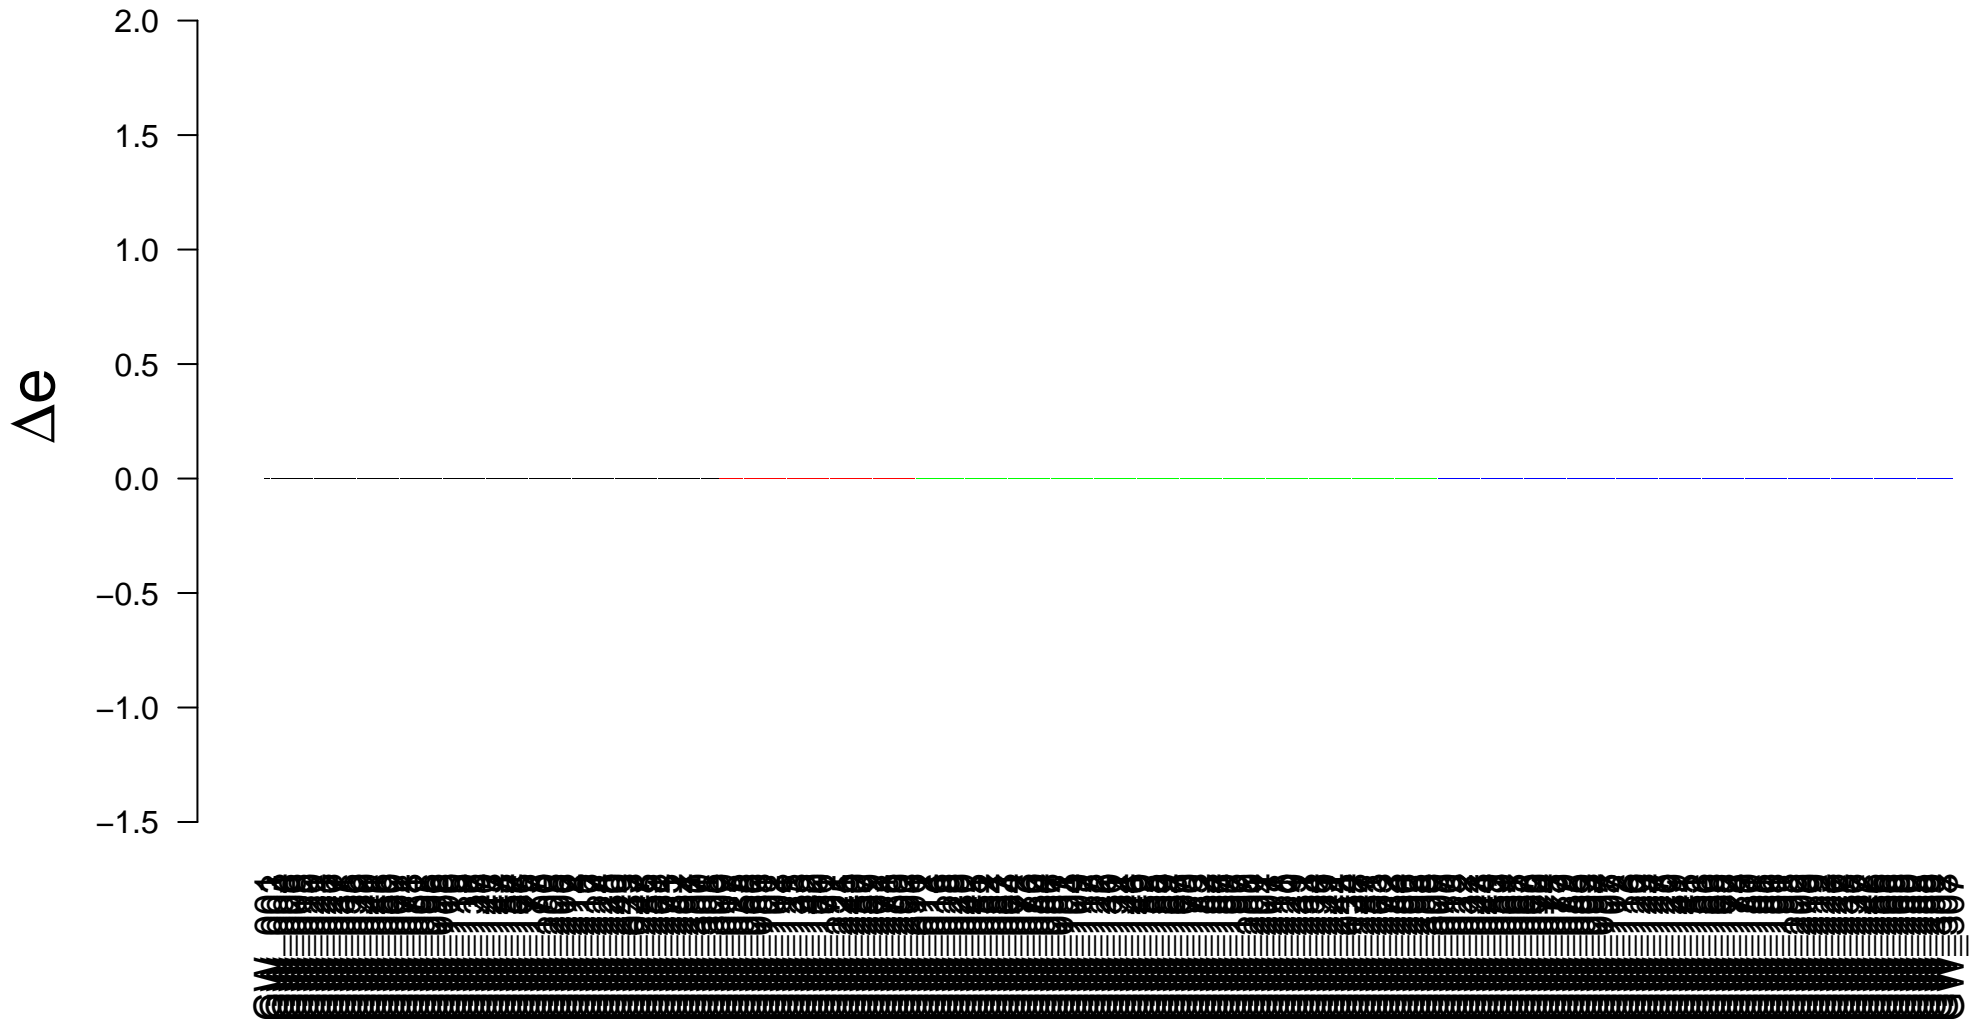

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot G

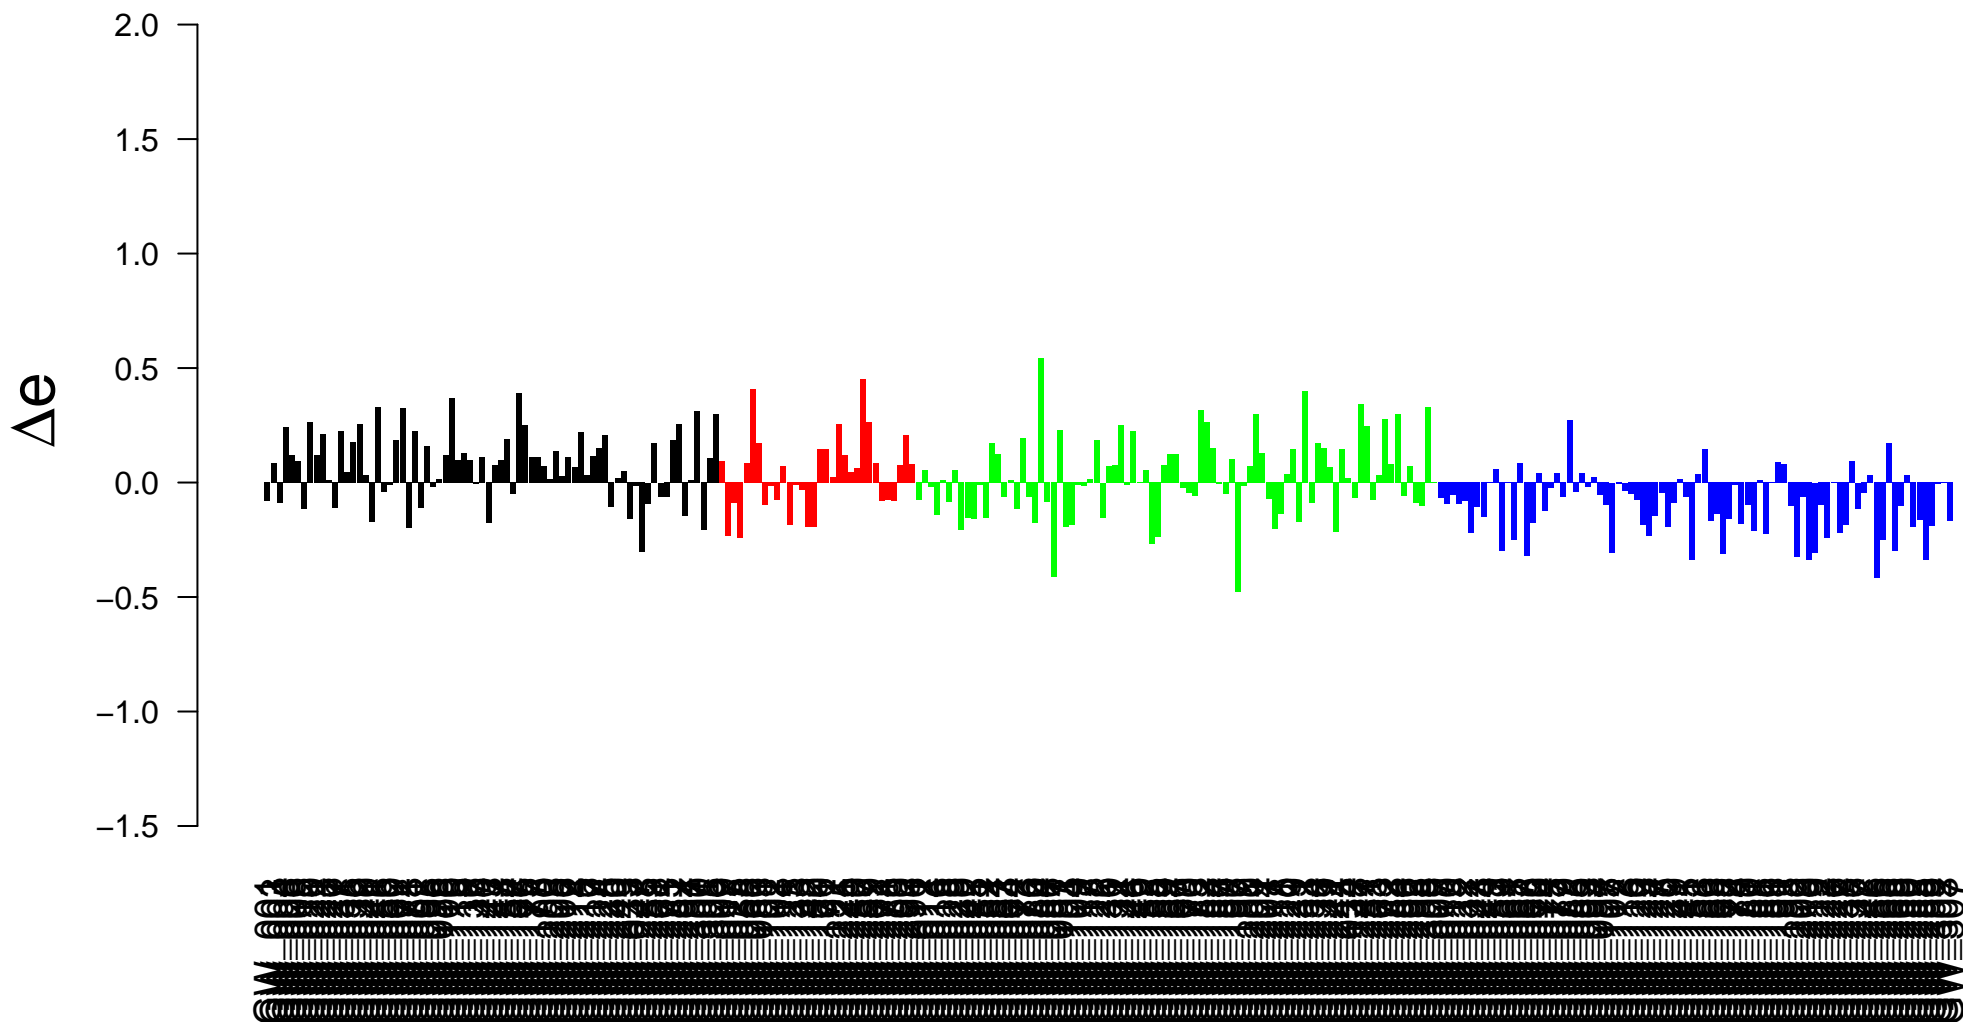

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot H

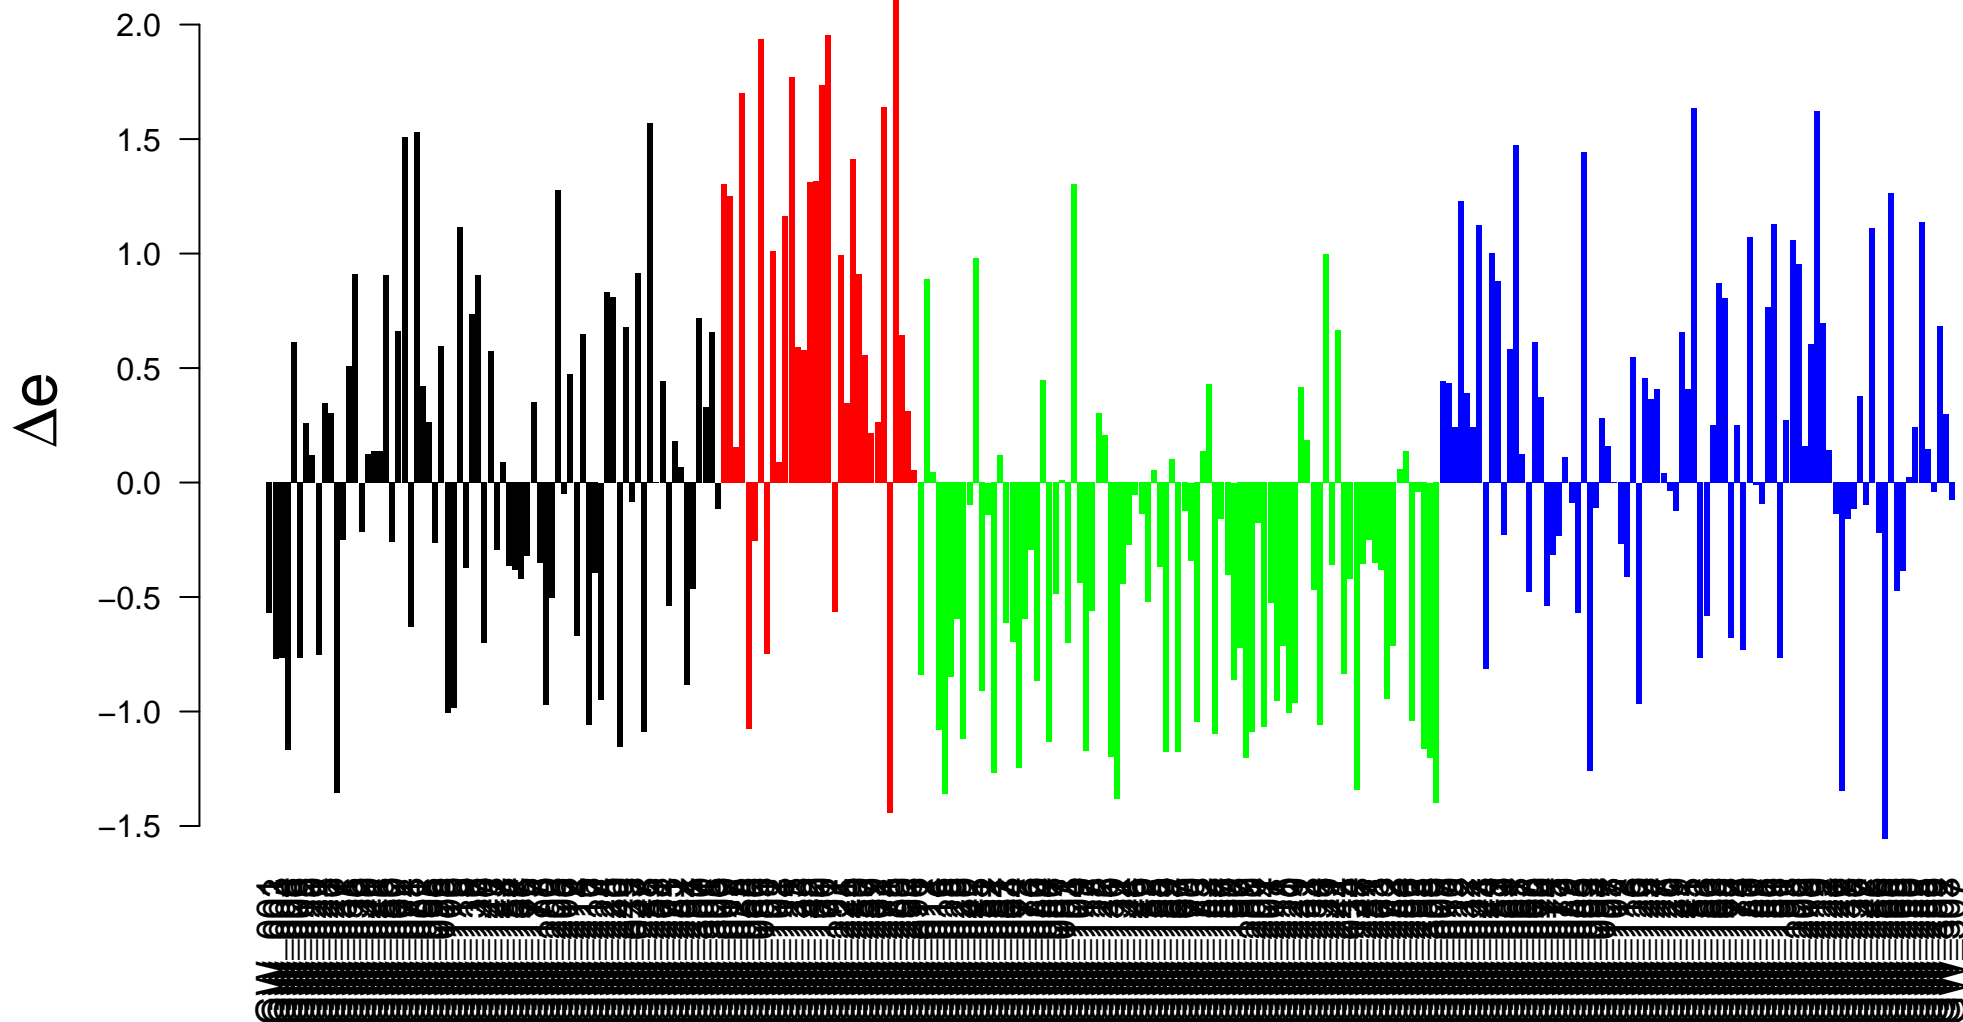

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot I

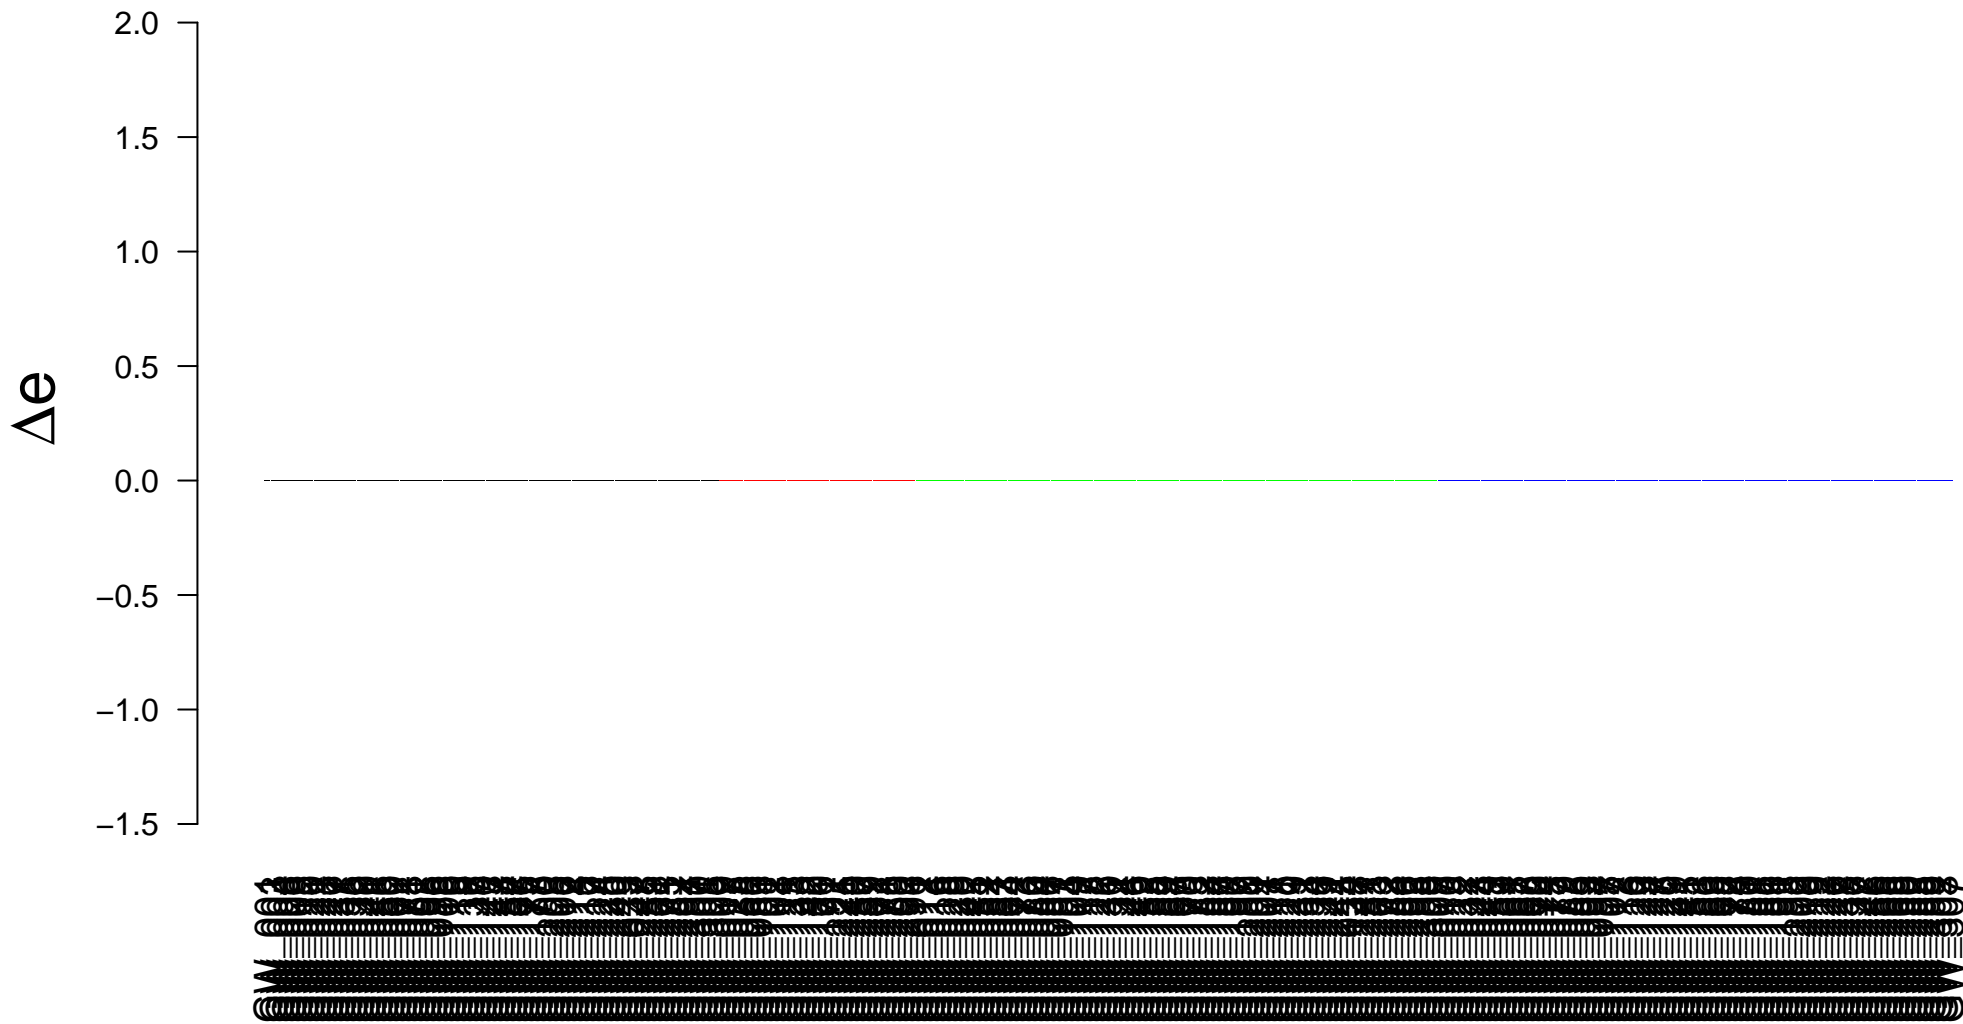

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot J

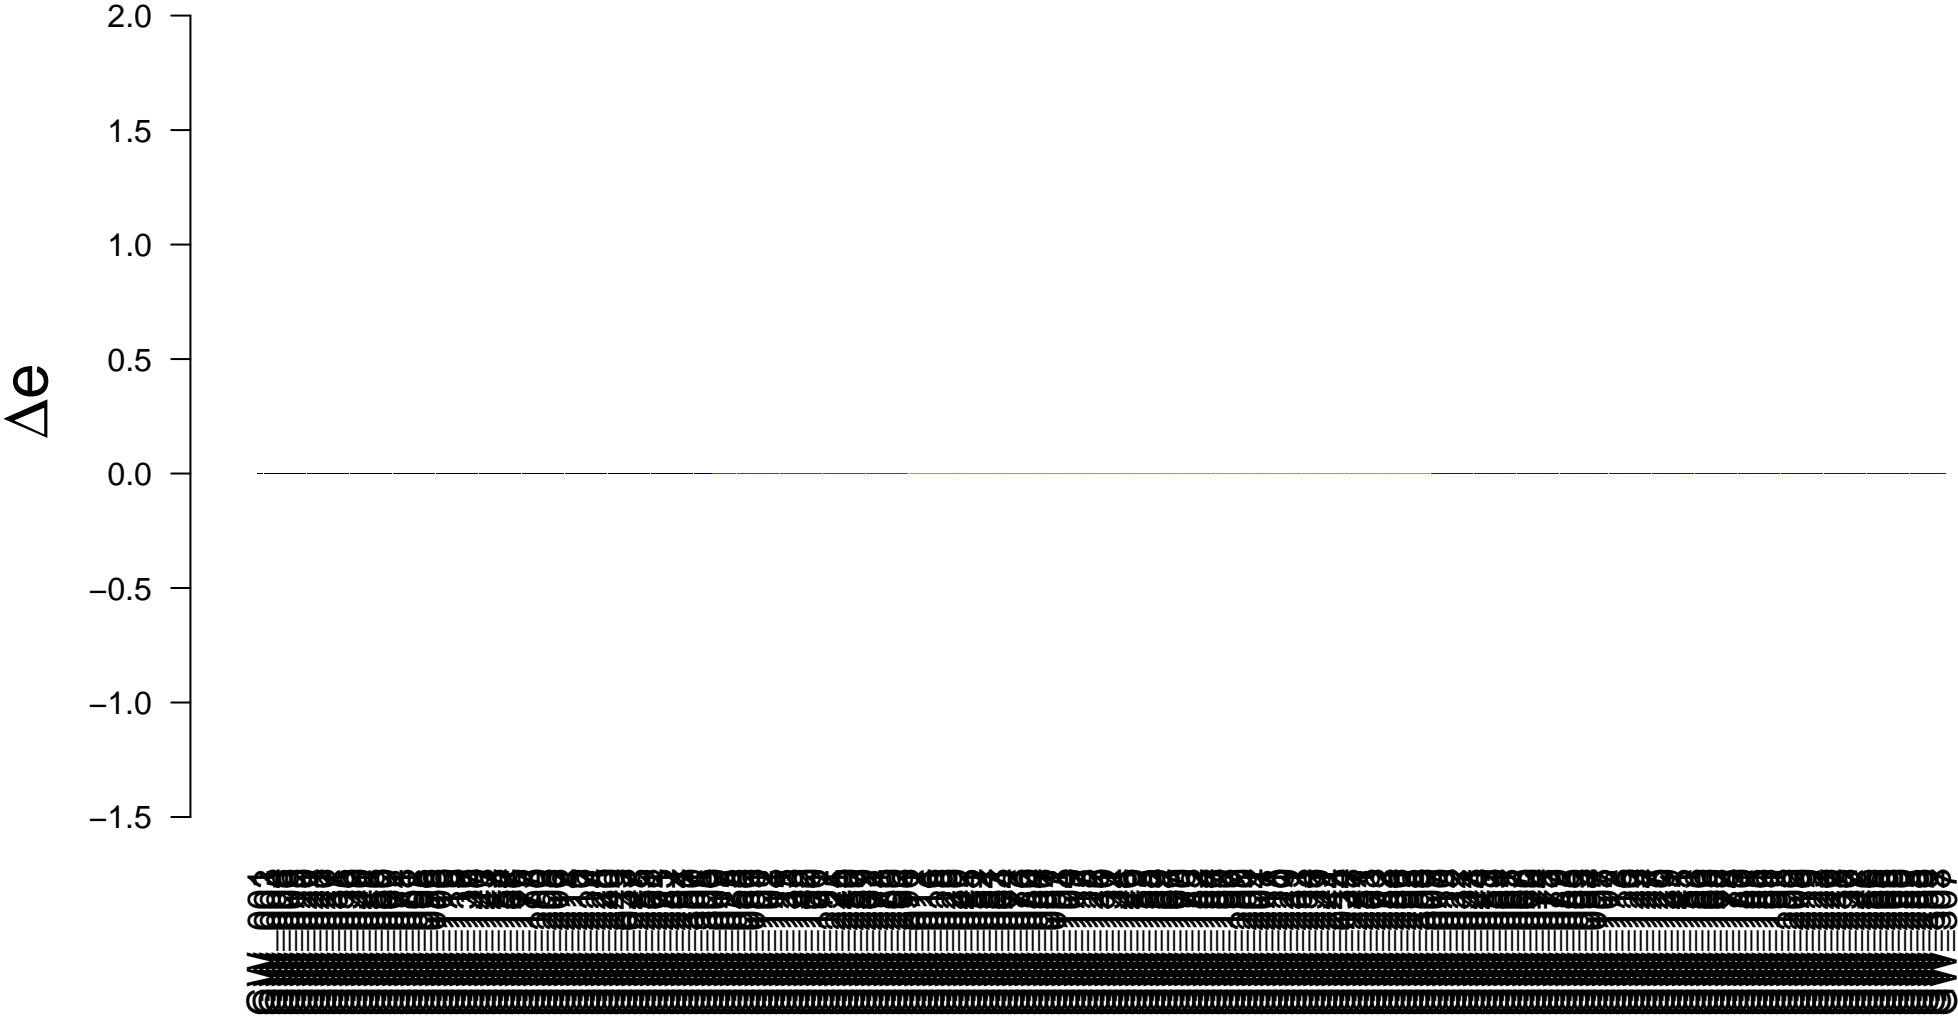

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot K

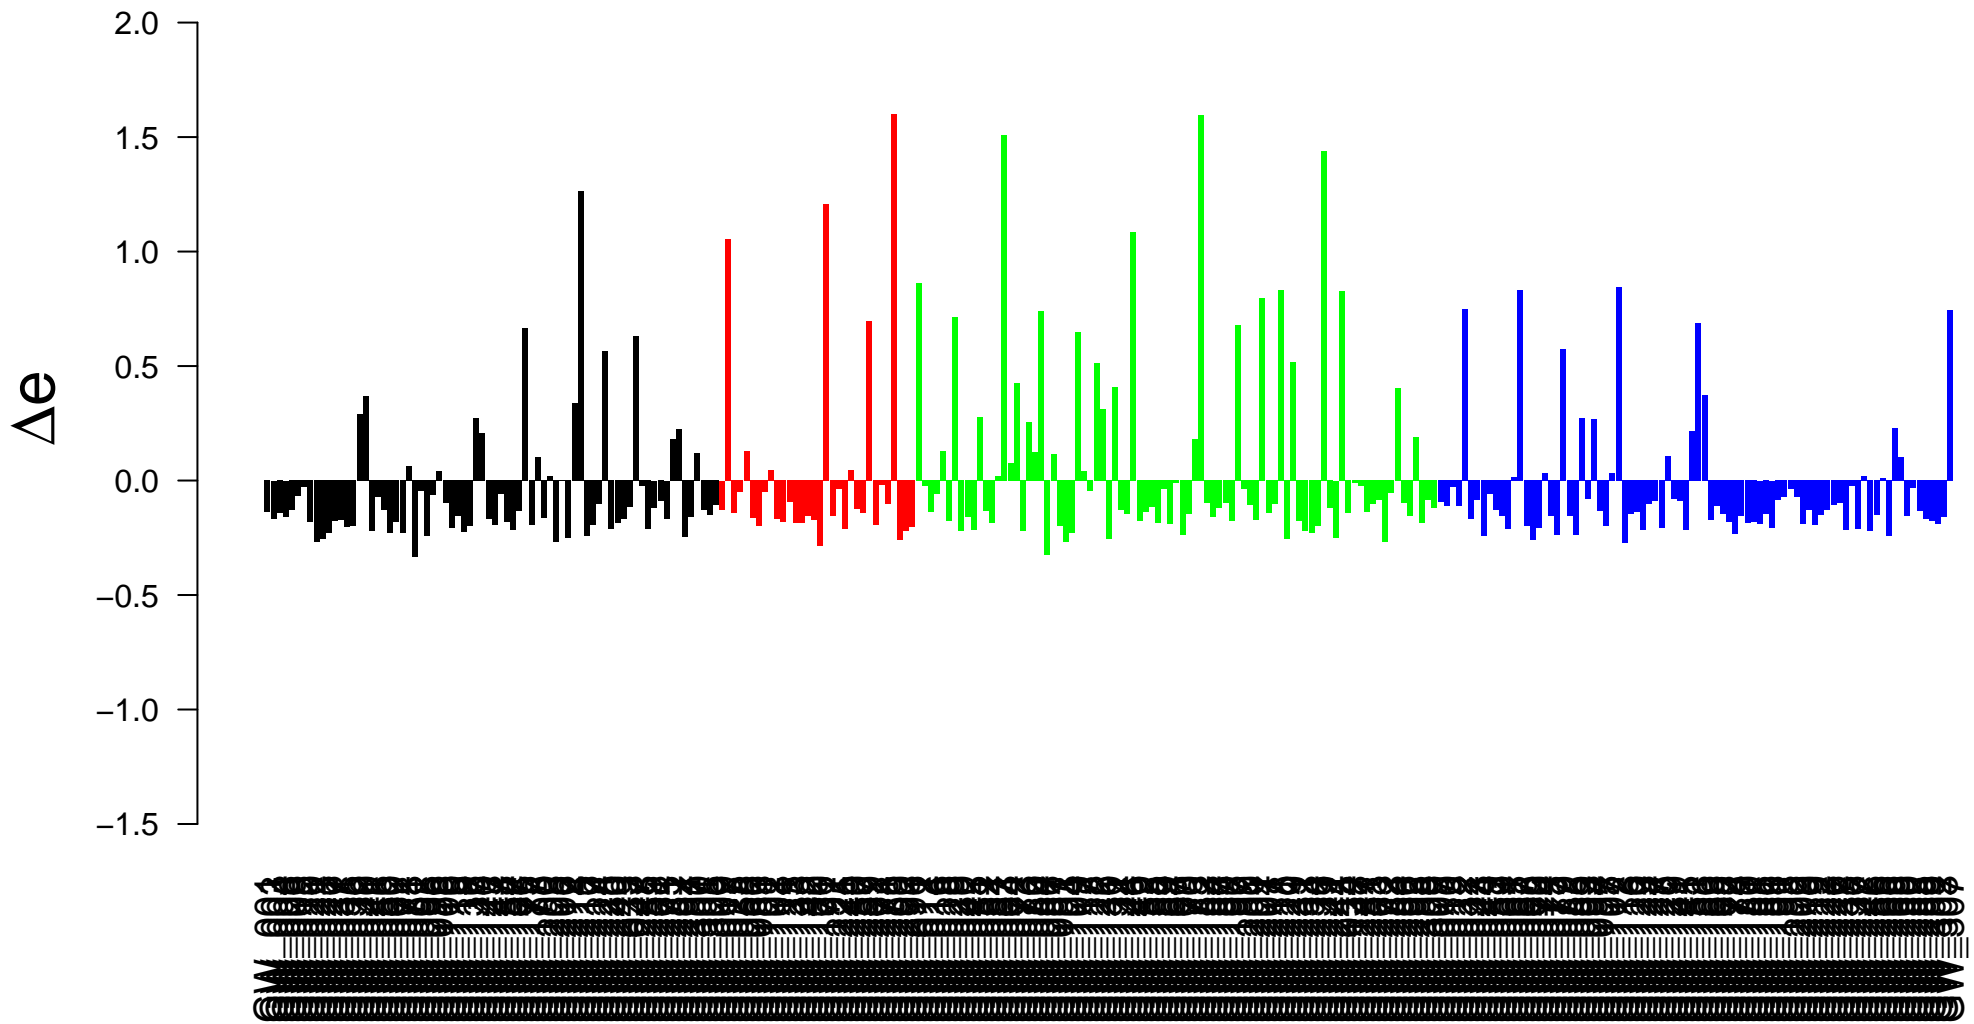

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot L

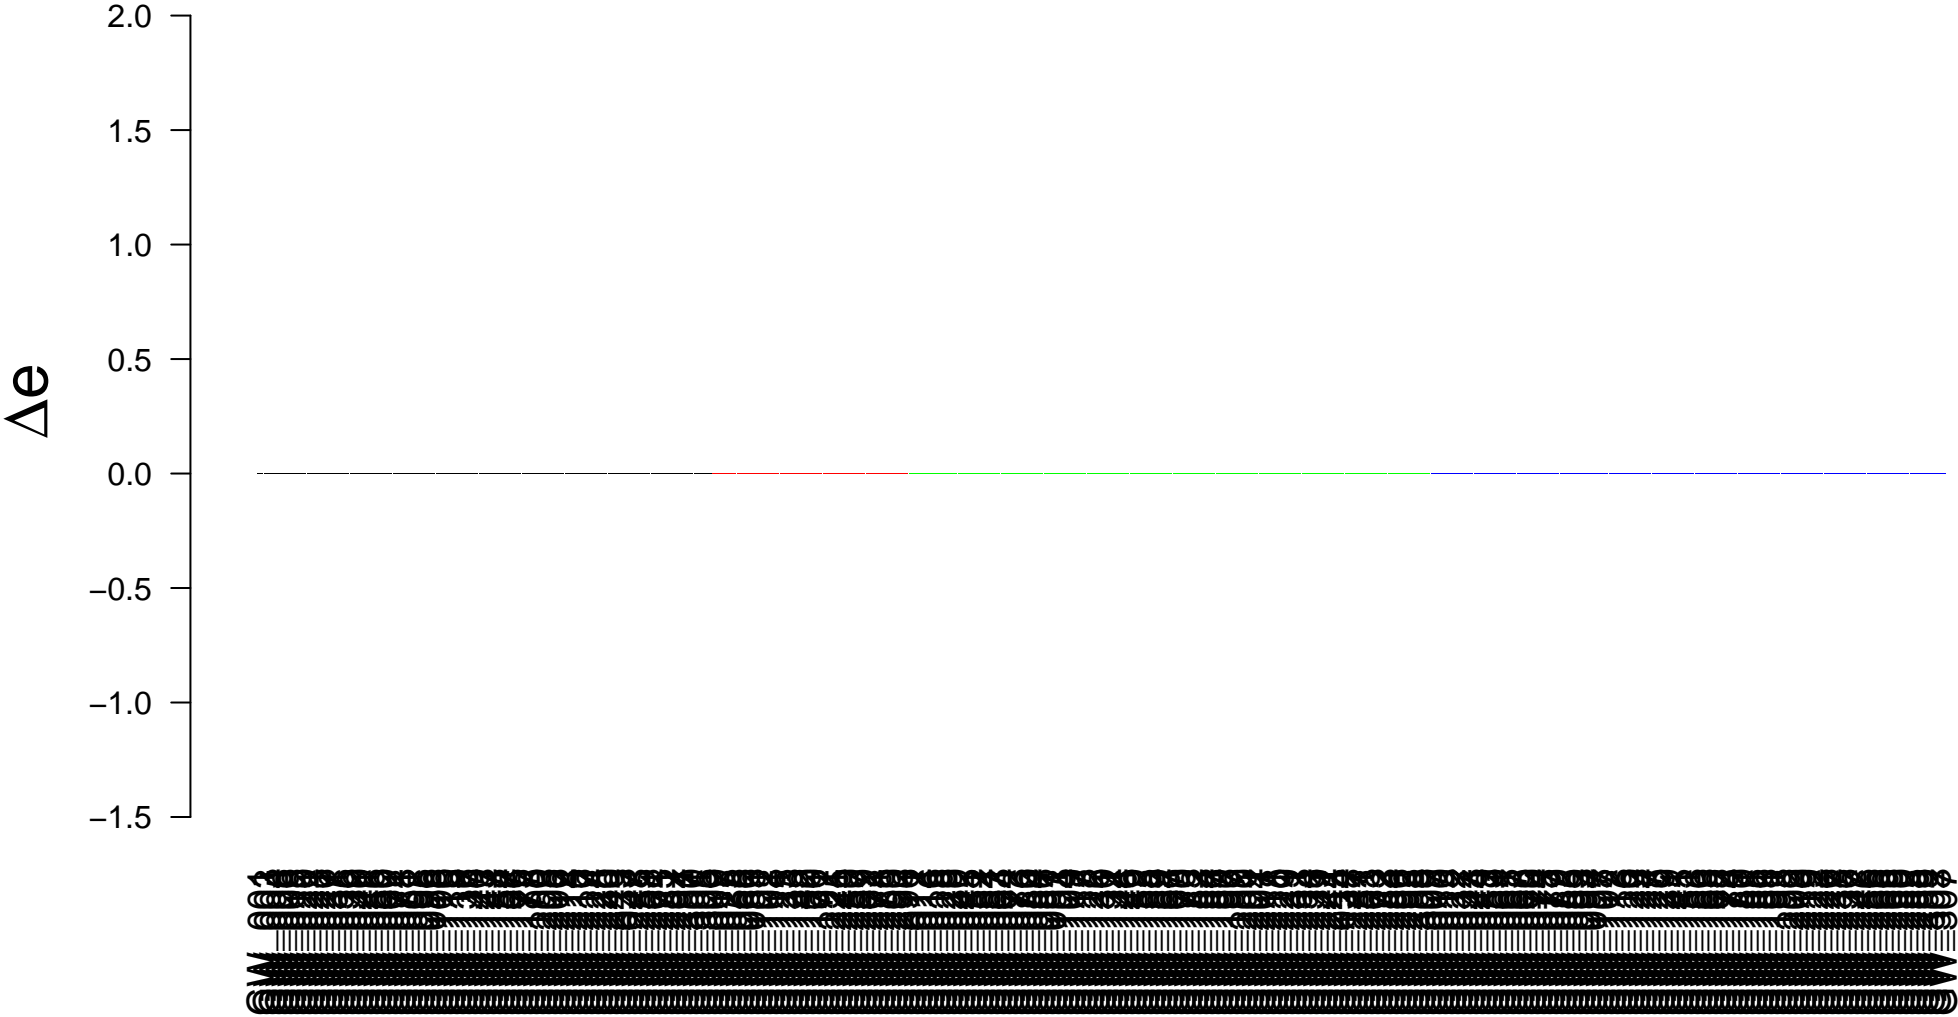

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot M

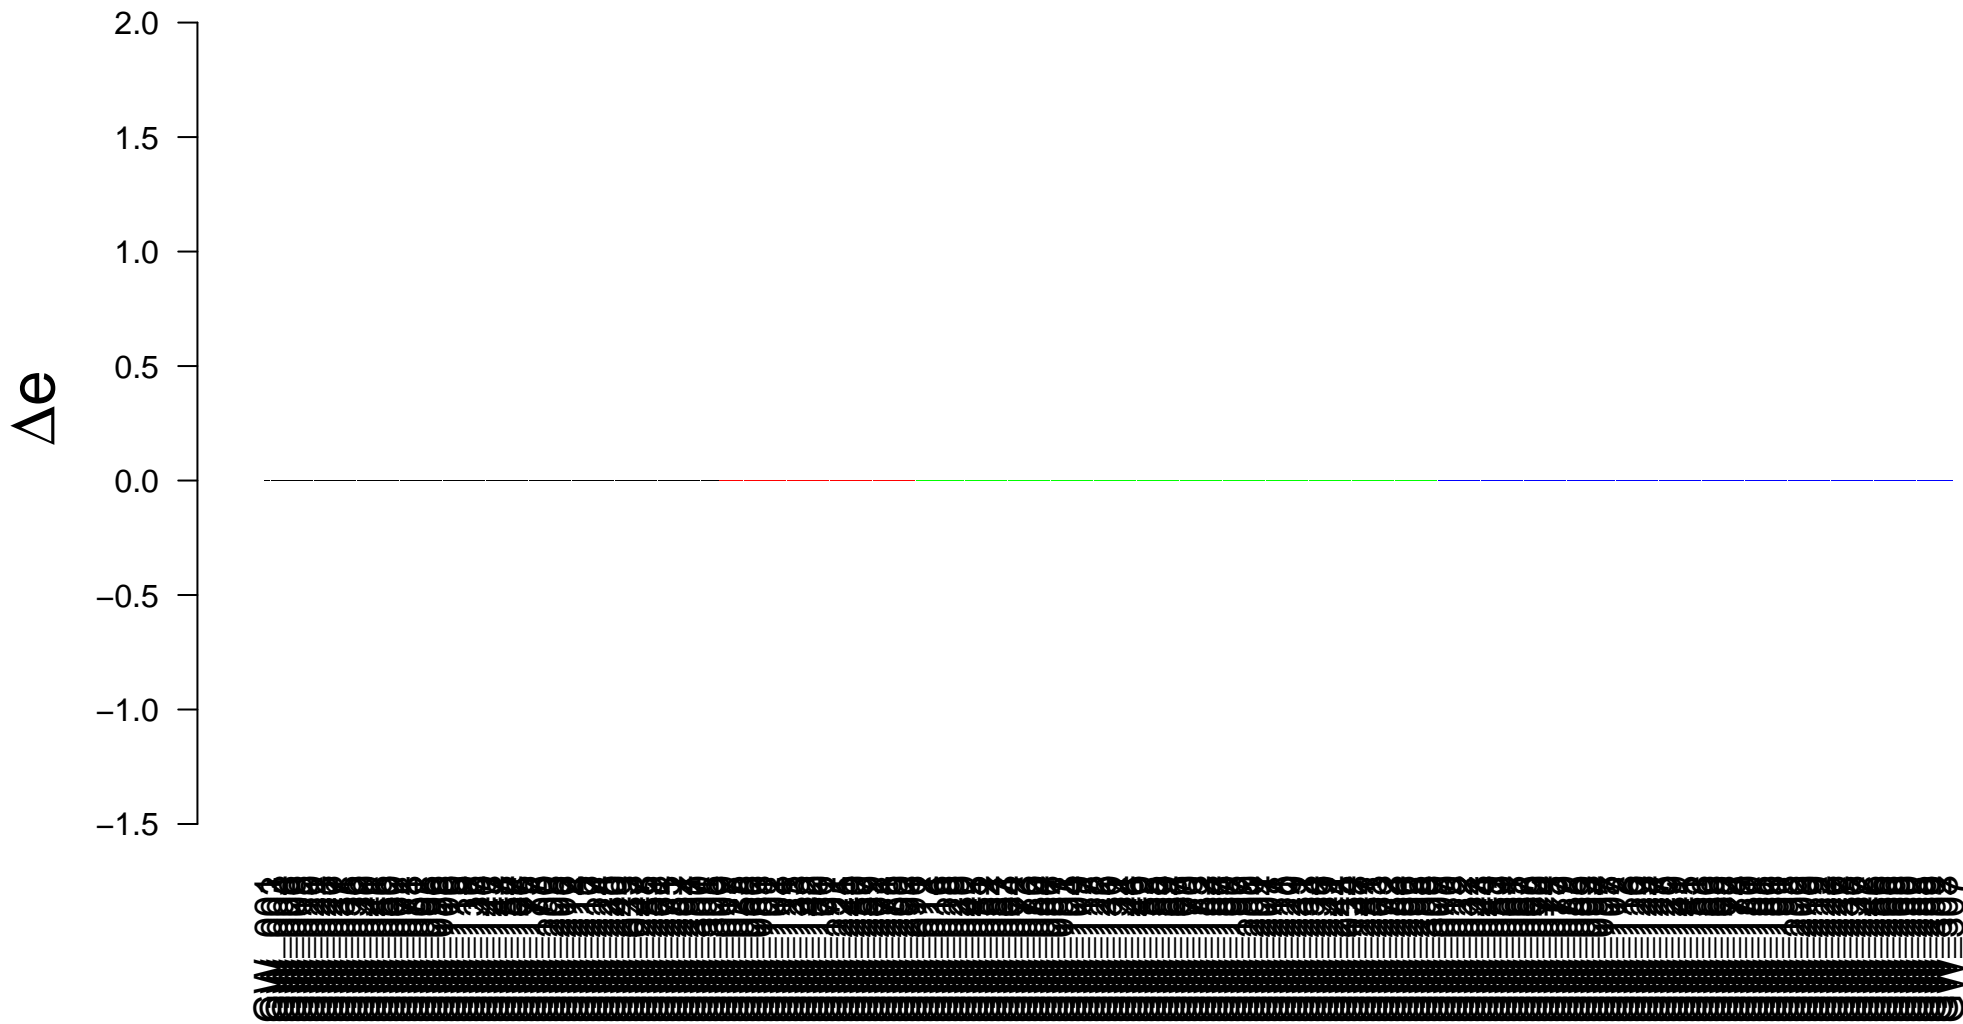

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot N

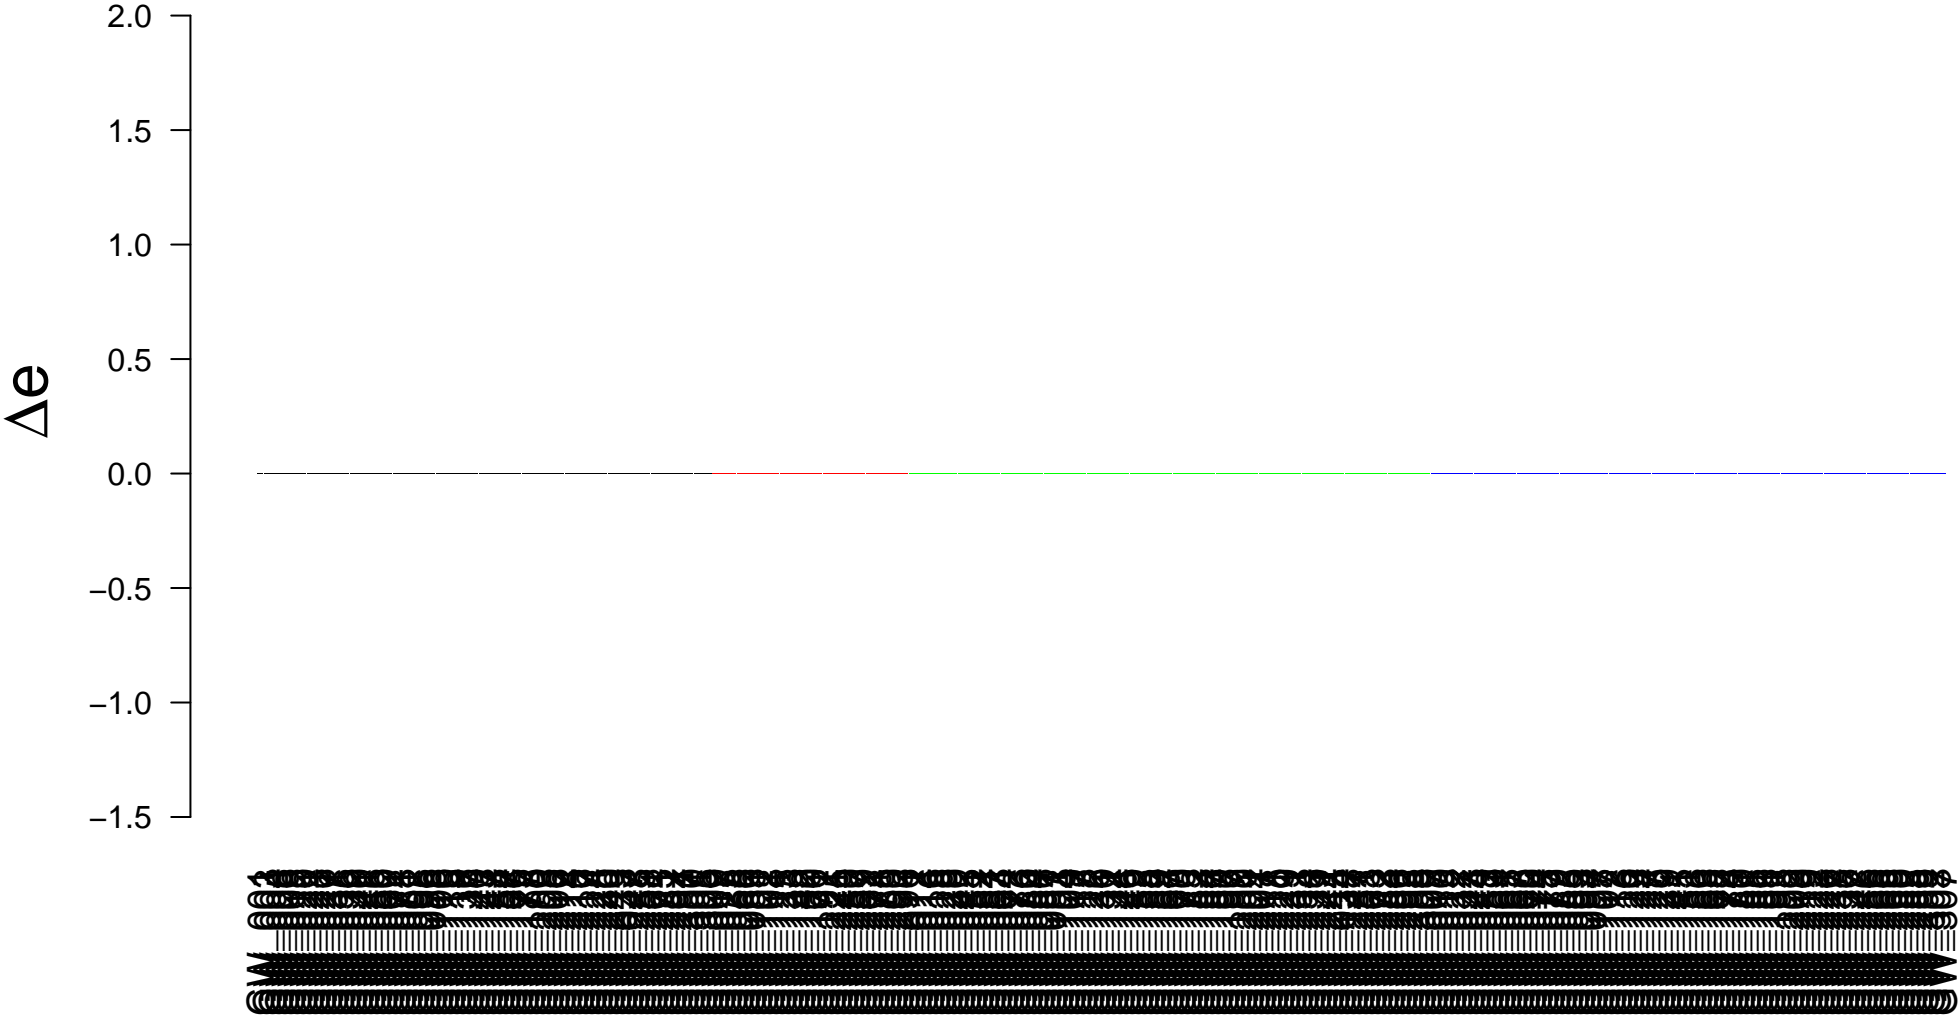

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot O

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot P

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot Q

Expression of regulation of release of sequestered calcium ion into cytosol by sarcoplasmic reticulum in Spot R
