

regulation of small GTPase mediated signal transduction

regulation of small GTPase mediated signal transduction

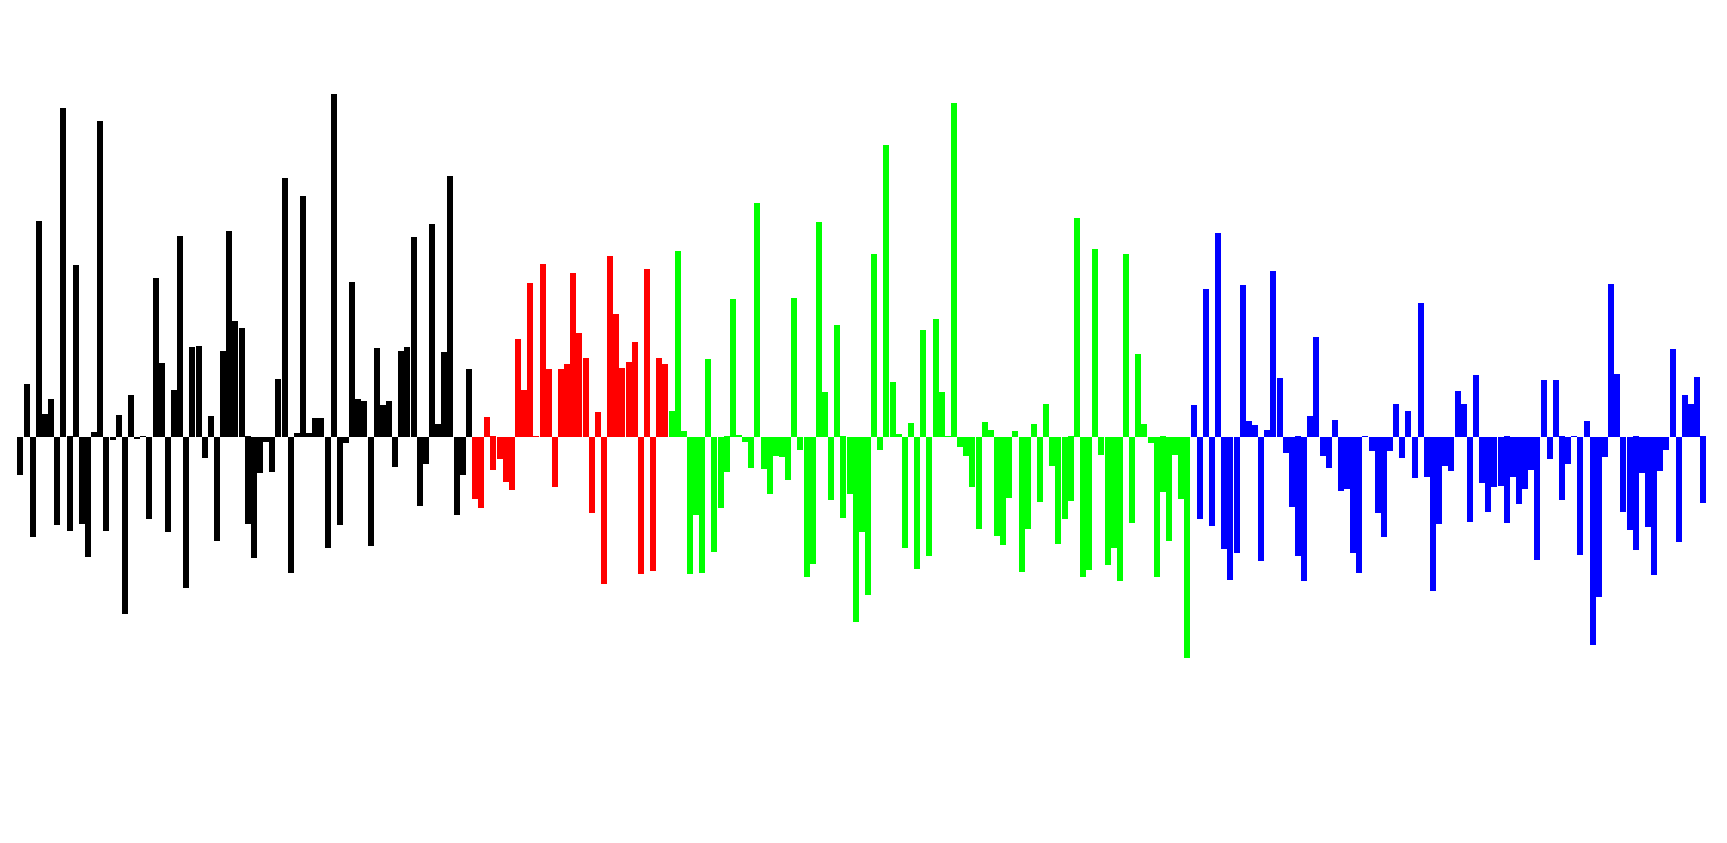

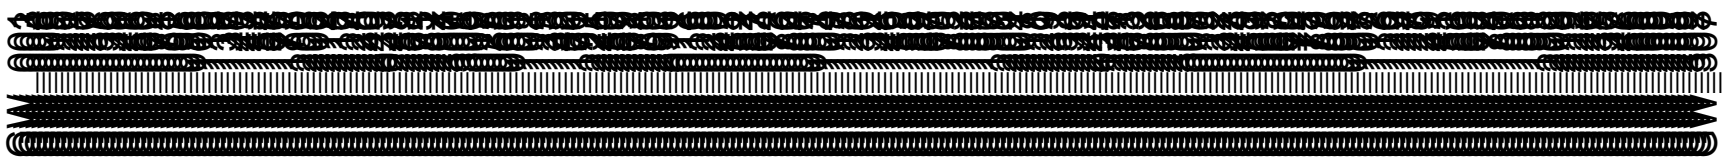

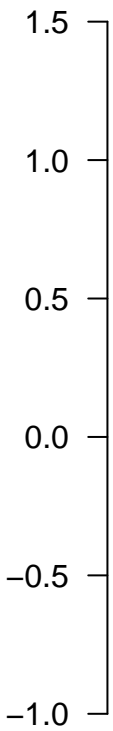

Enrichment in spots: regulation of small GTPase mediated signal transduction

Expression of regulation of small GTPase mediated signal transduction in Spot A

Δe

Expression of regulation of small GTPase mediated signal transduction in Spot B

Expression of regulation of small GTPase mediated signal transduction in Spot F

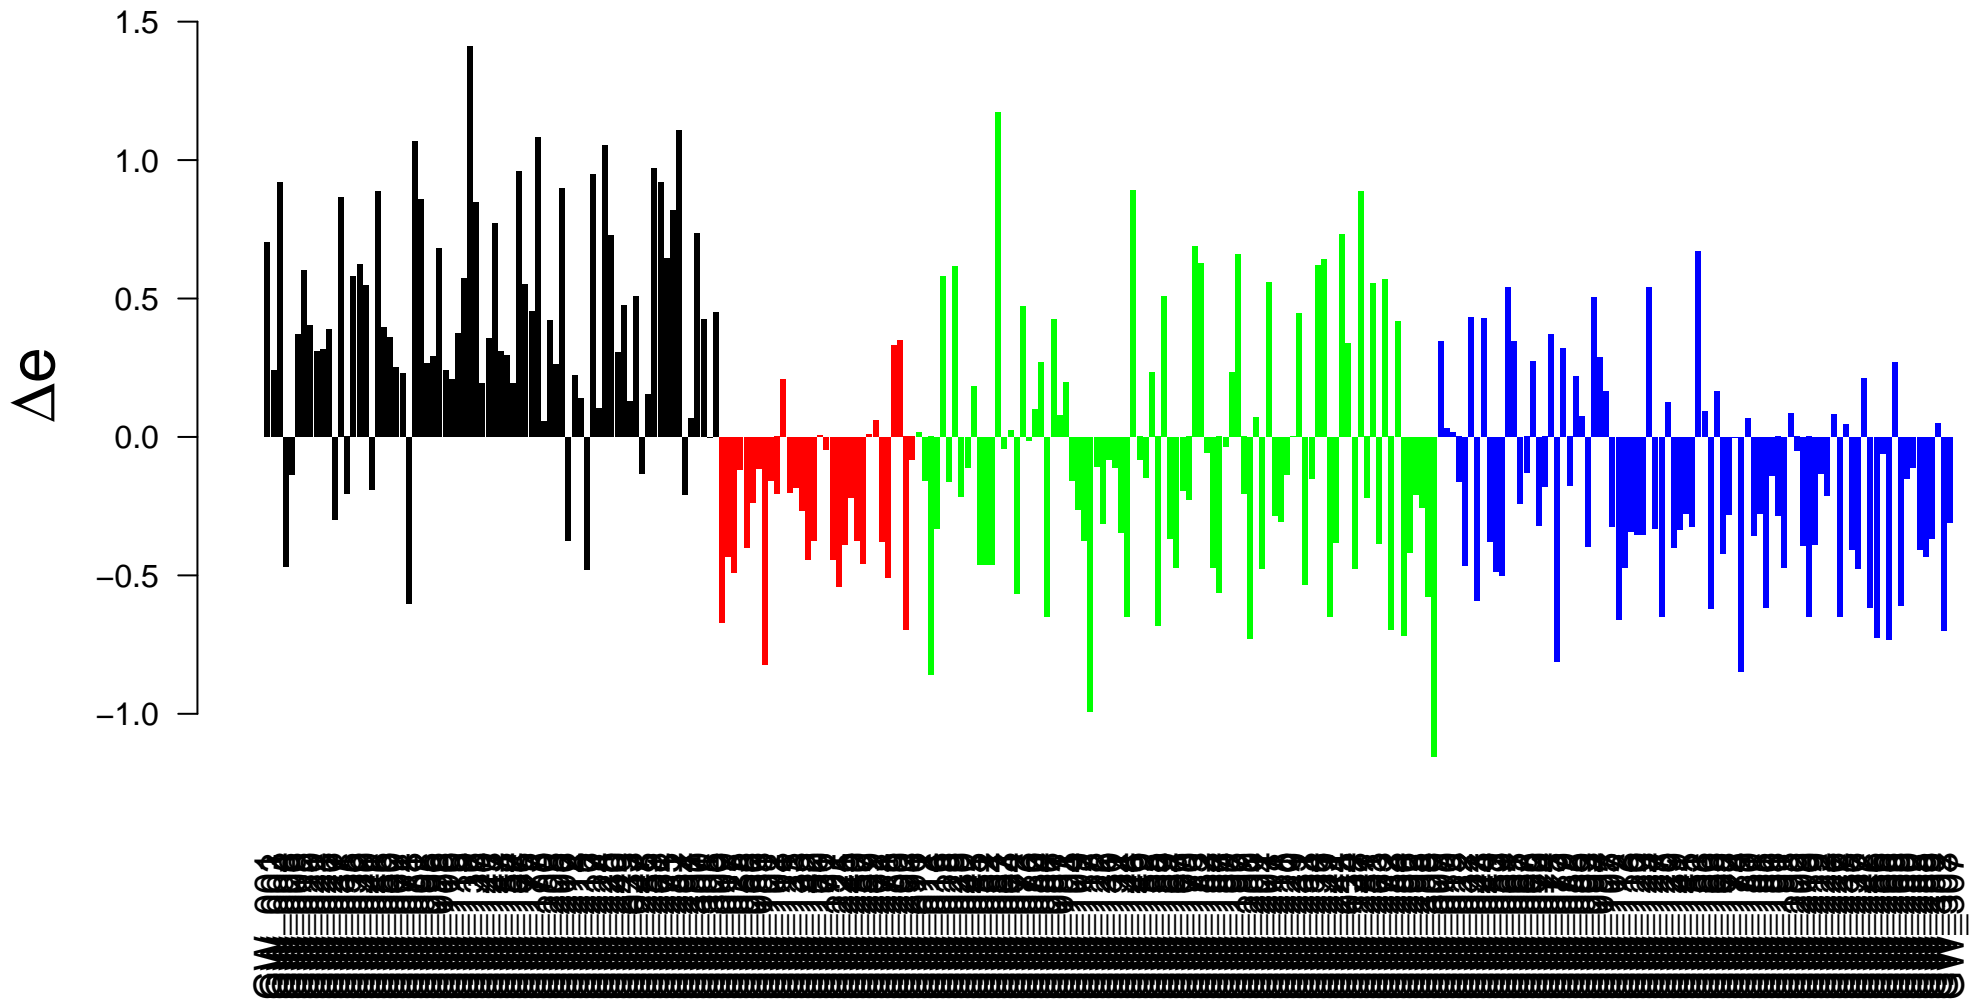

Expression of regulation of small GTPase mediated signal transduction in Spot G

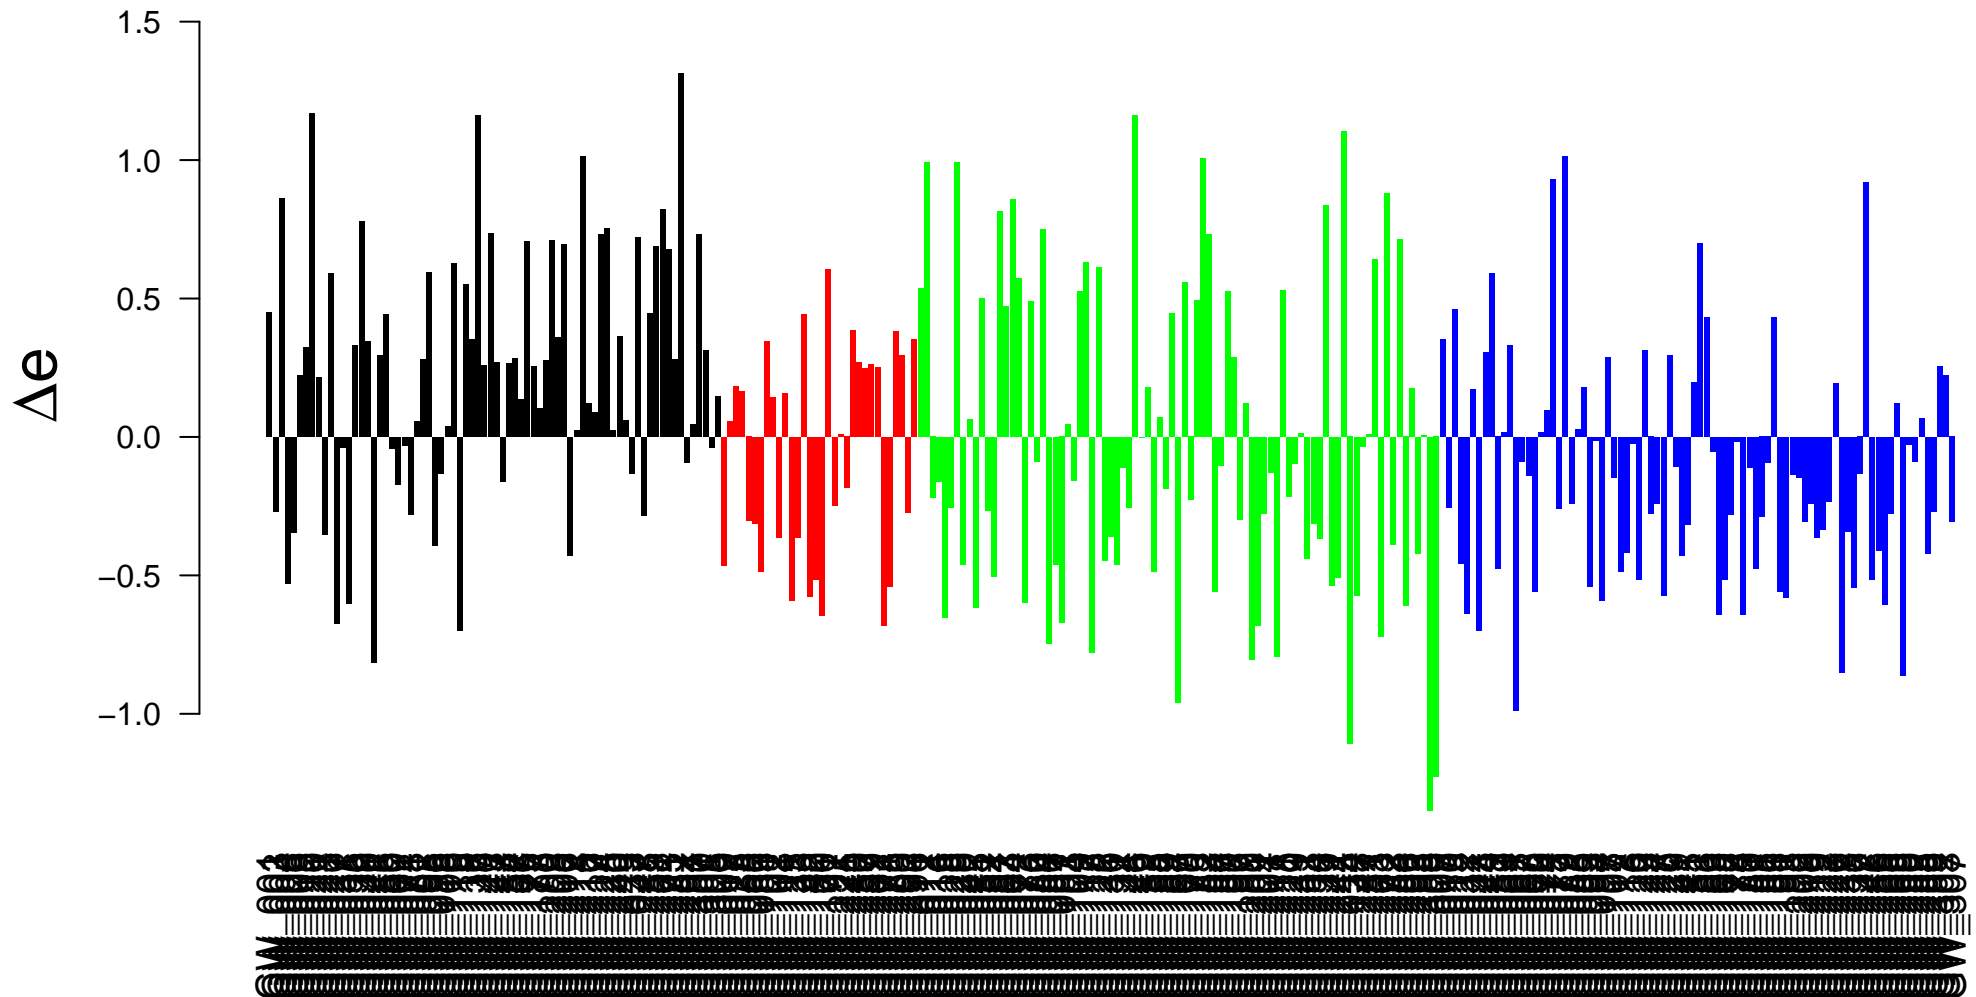

Δe

Expression of regulation of small GTPase mediated signal transduction in Spot H

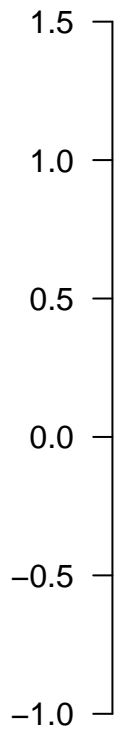

Expression of regulation of small GTPase mediated signal transduction in Spot I

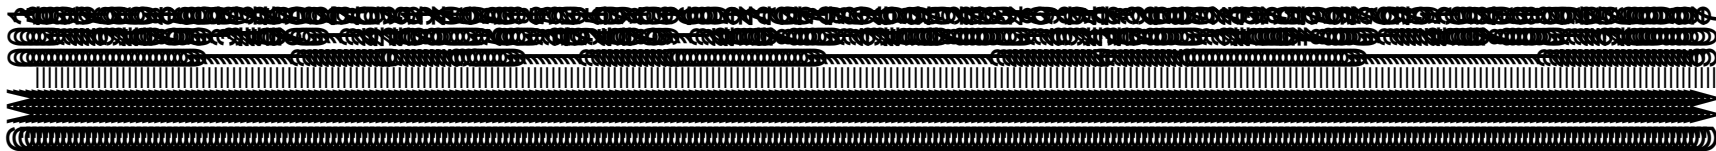

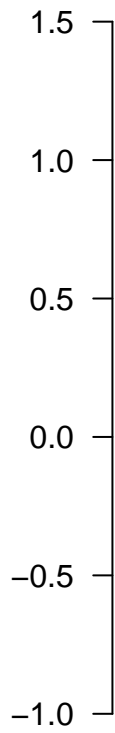

Expression of regulation of small GTPase mediated signal transduction in Spot J

Δe

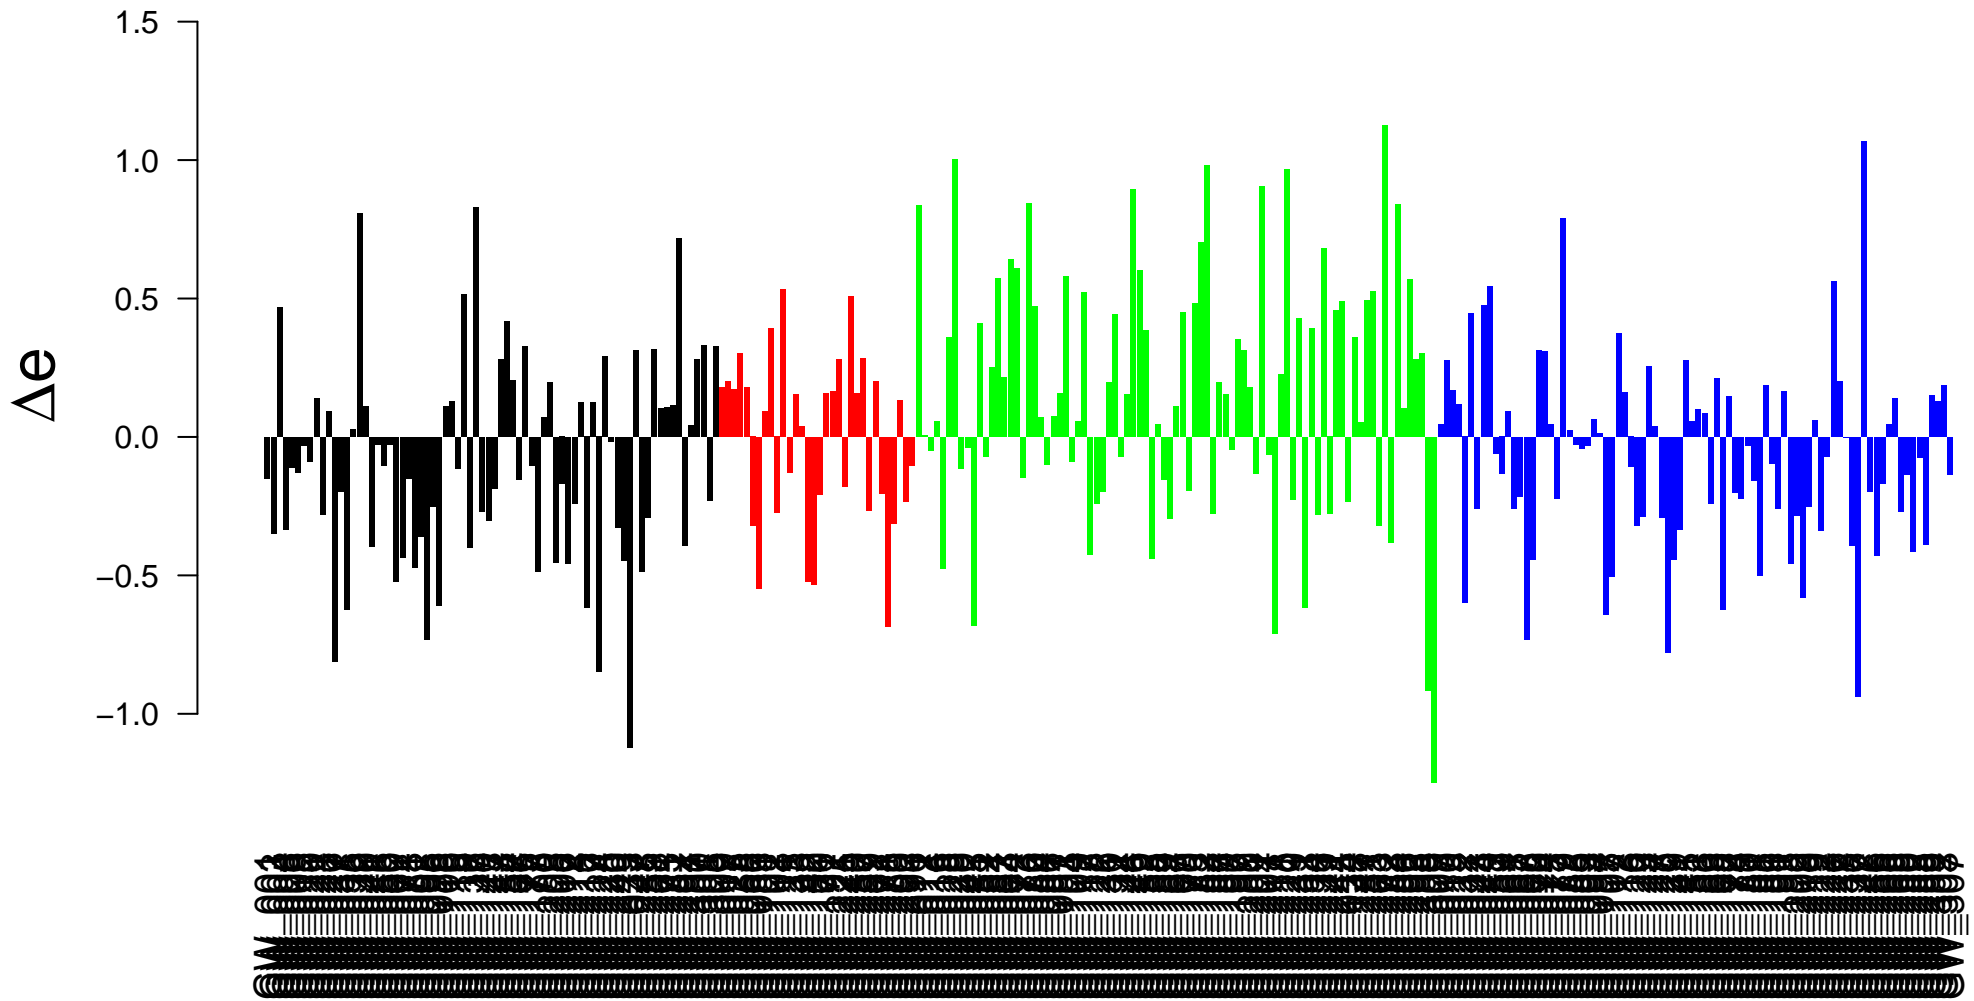

Expression of regulation of small GTPase mediated signal transduction in Spot K

Δe

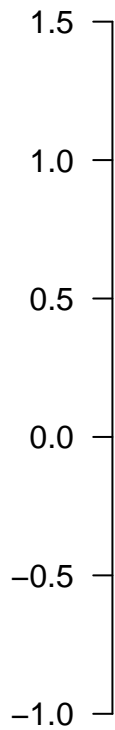

Expression of regulation of small GTPase mediated signal transduction in Spot L

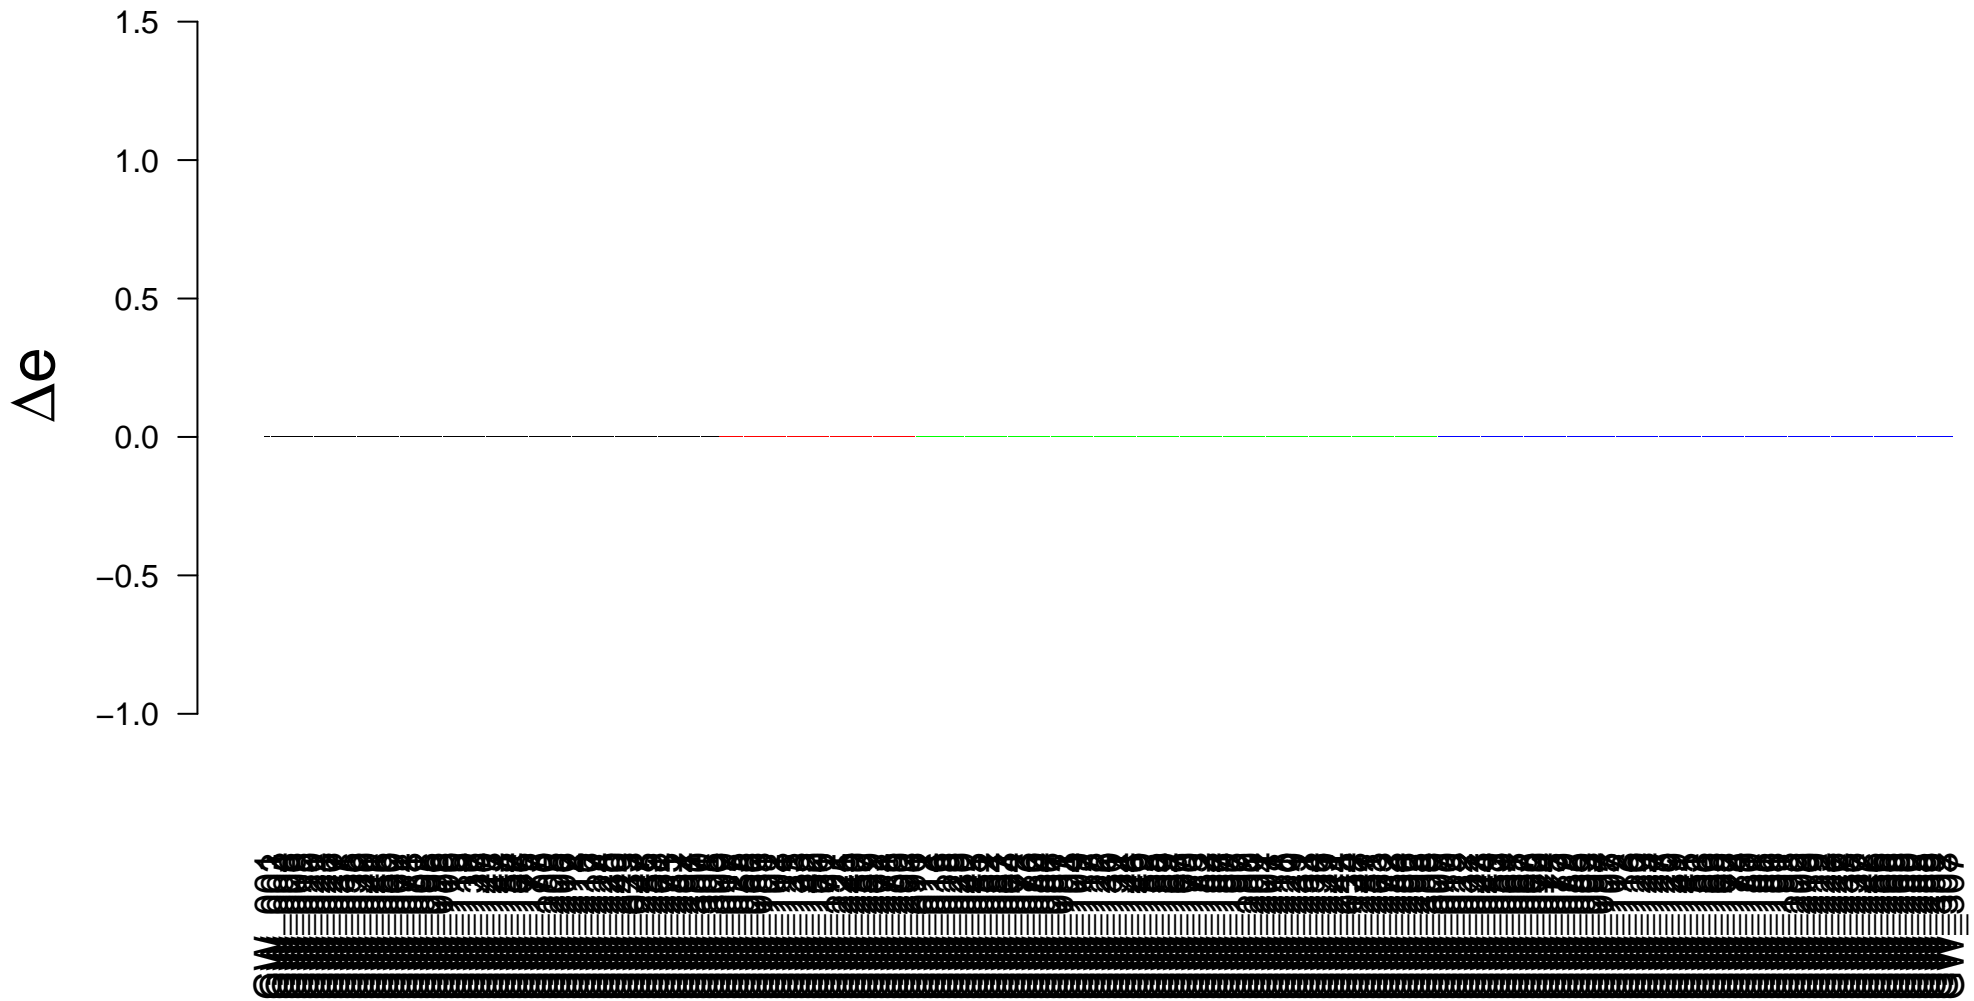

Expression of regulation of small GTPase mediated signal transduction in Spot M

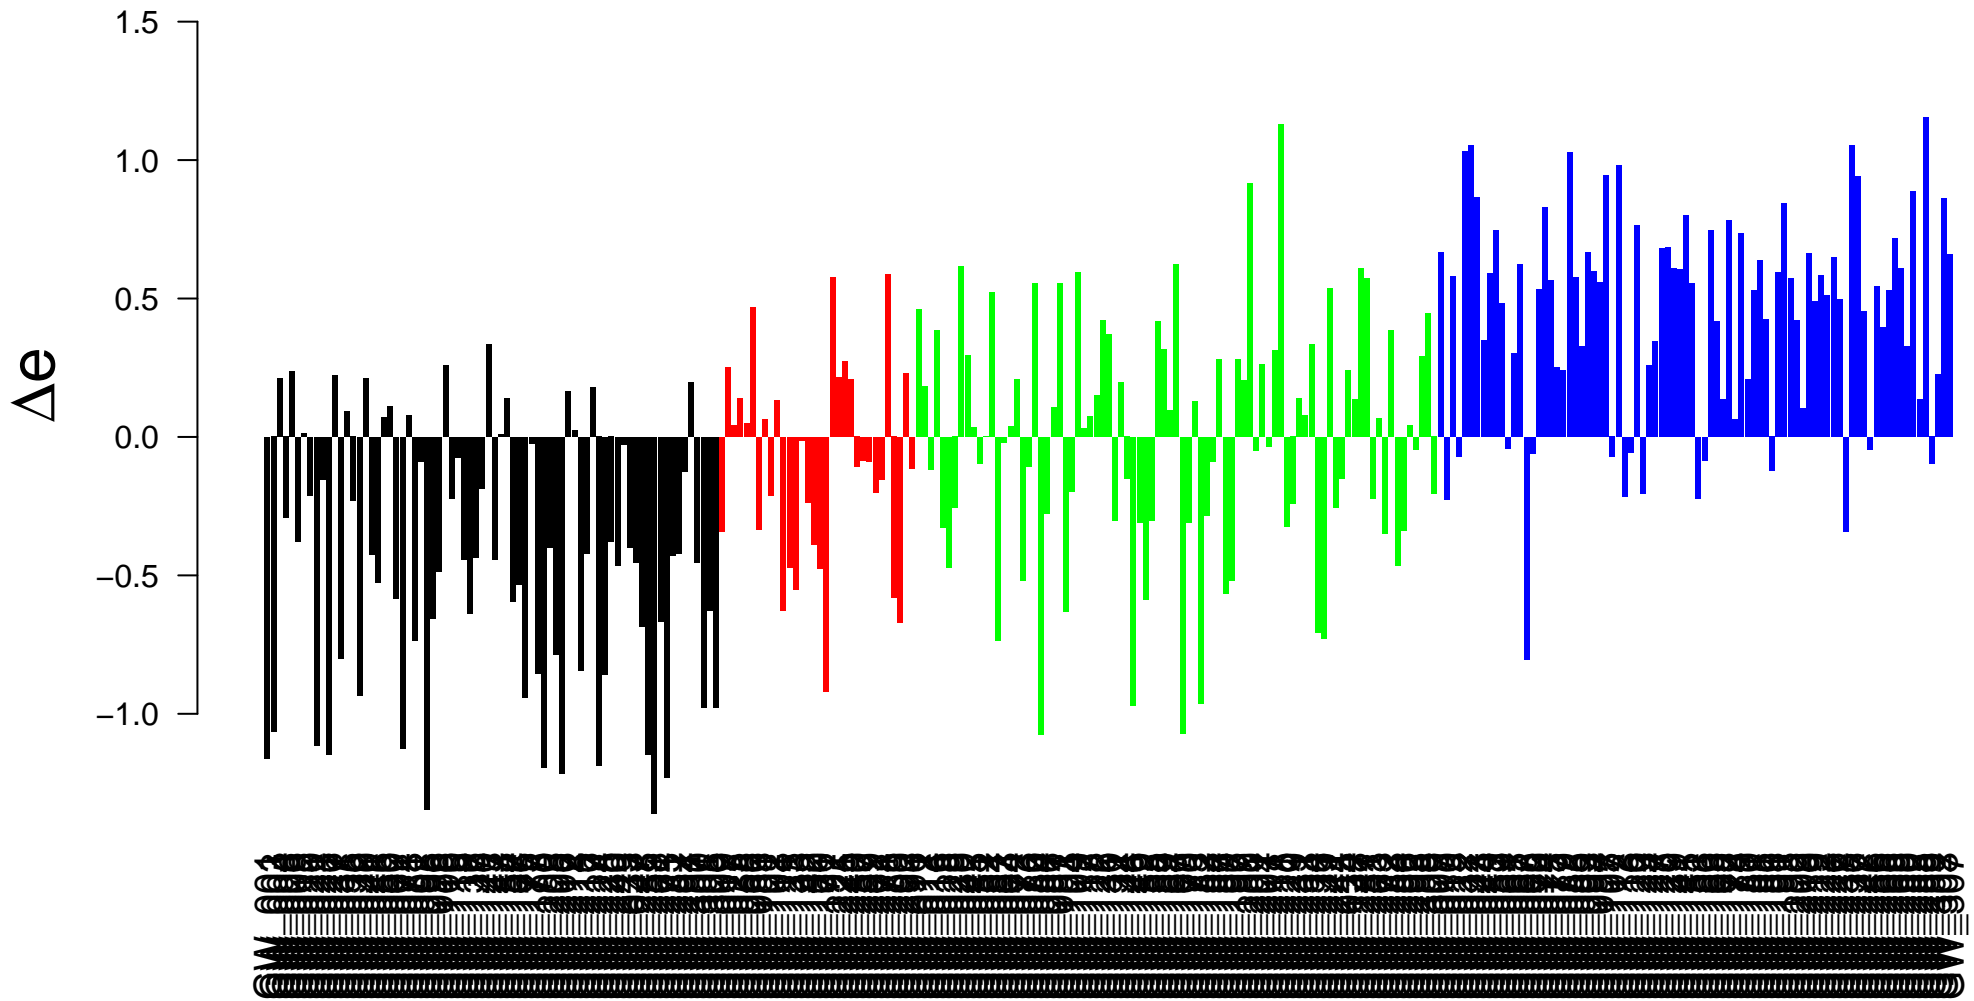

Δe

Expression of regulation of small GTPase mediated signal transduction in Spot N

Expression of regulation of small GTPase mediated signal transduction in Spot O

Expression of regulation of small GTPase mediated signal transduction in Spot P
