

regulation of sodium ion transport

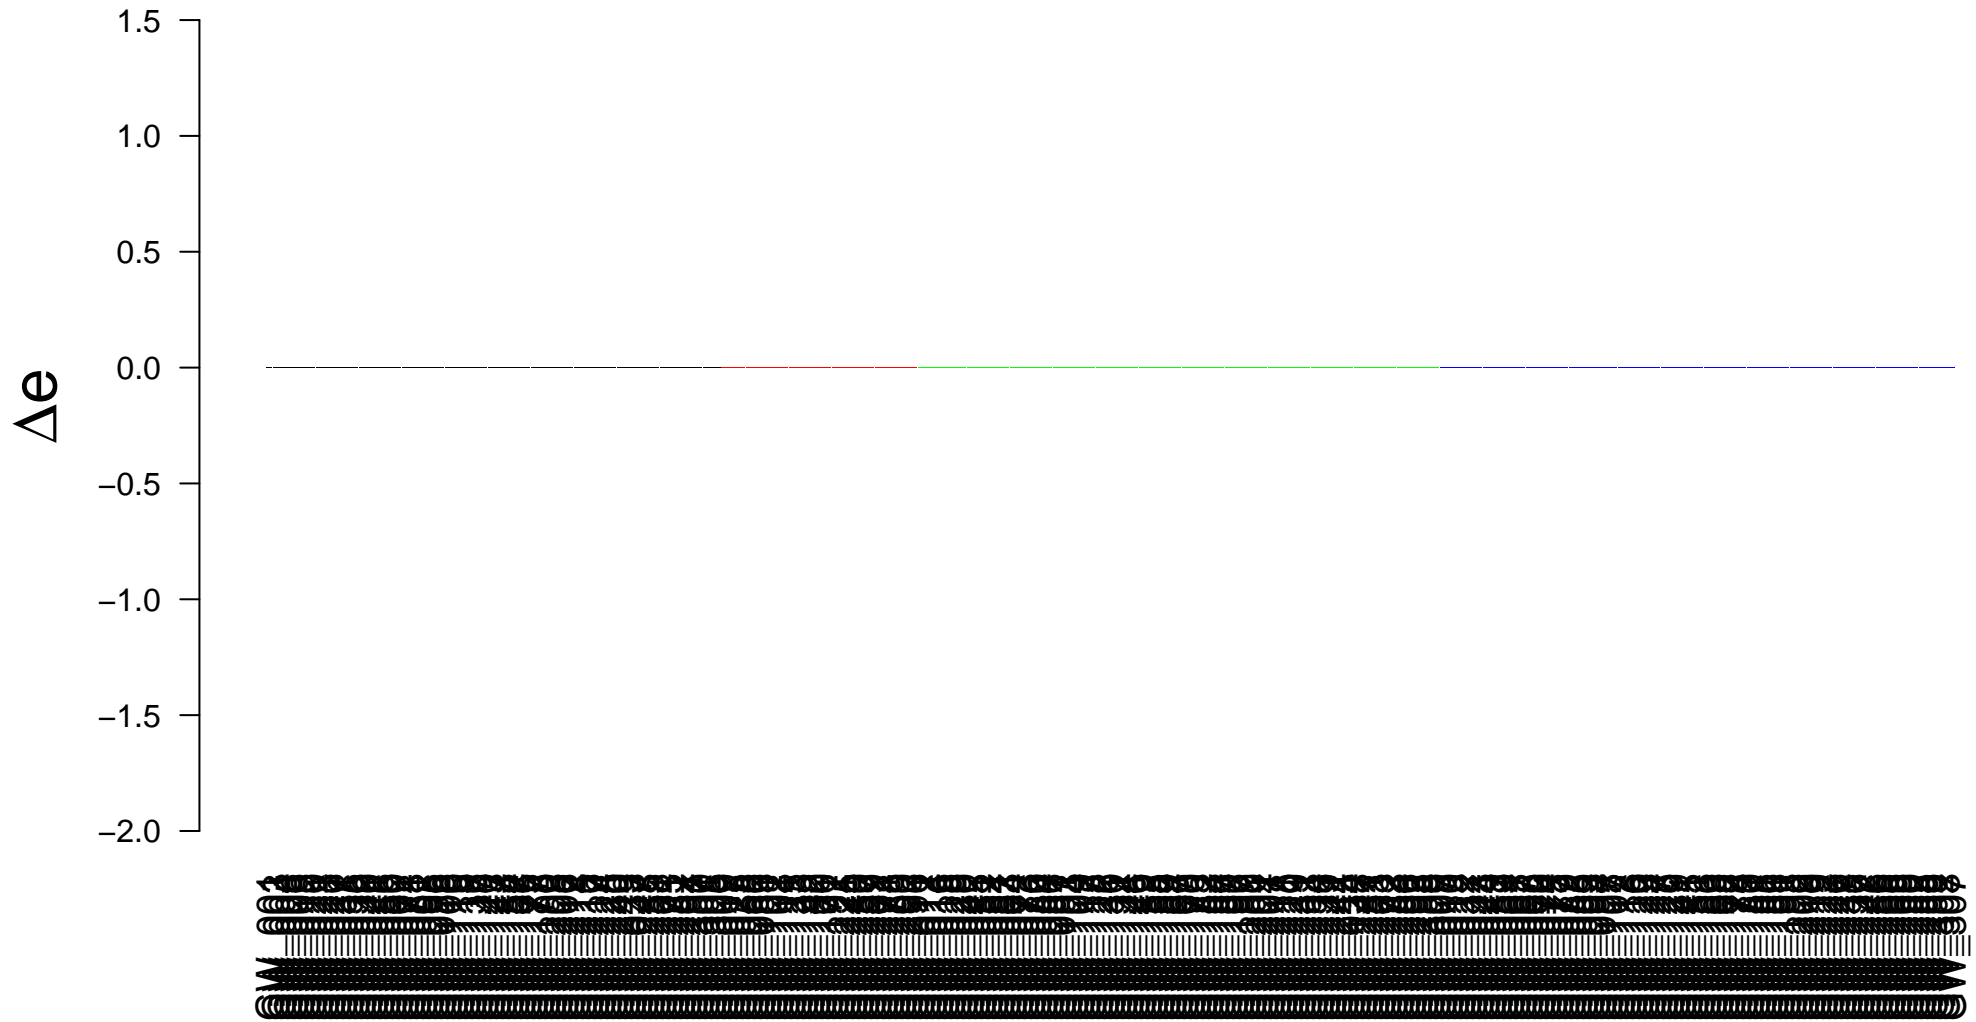

regulation of sodium ion transport

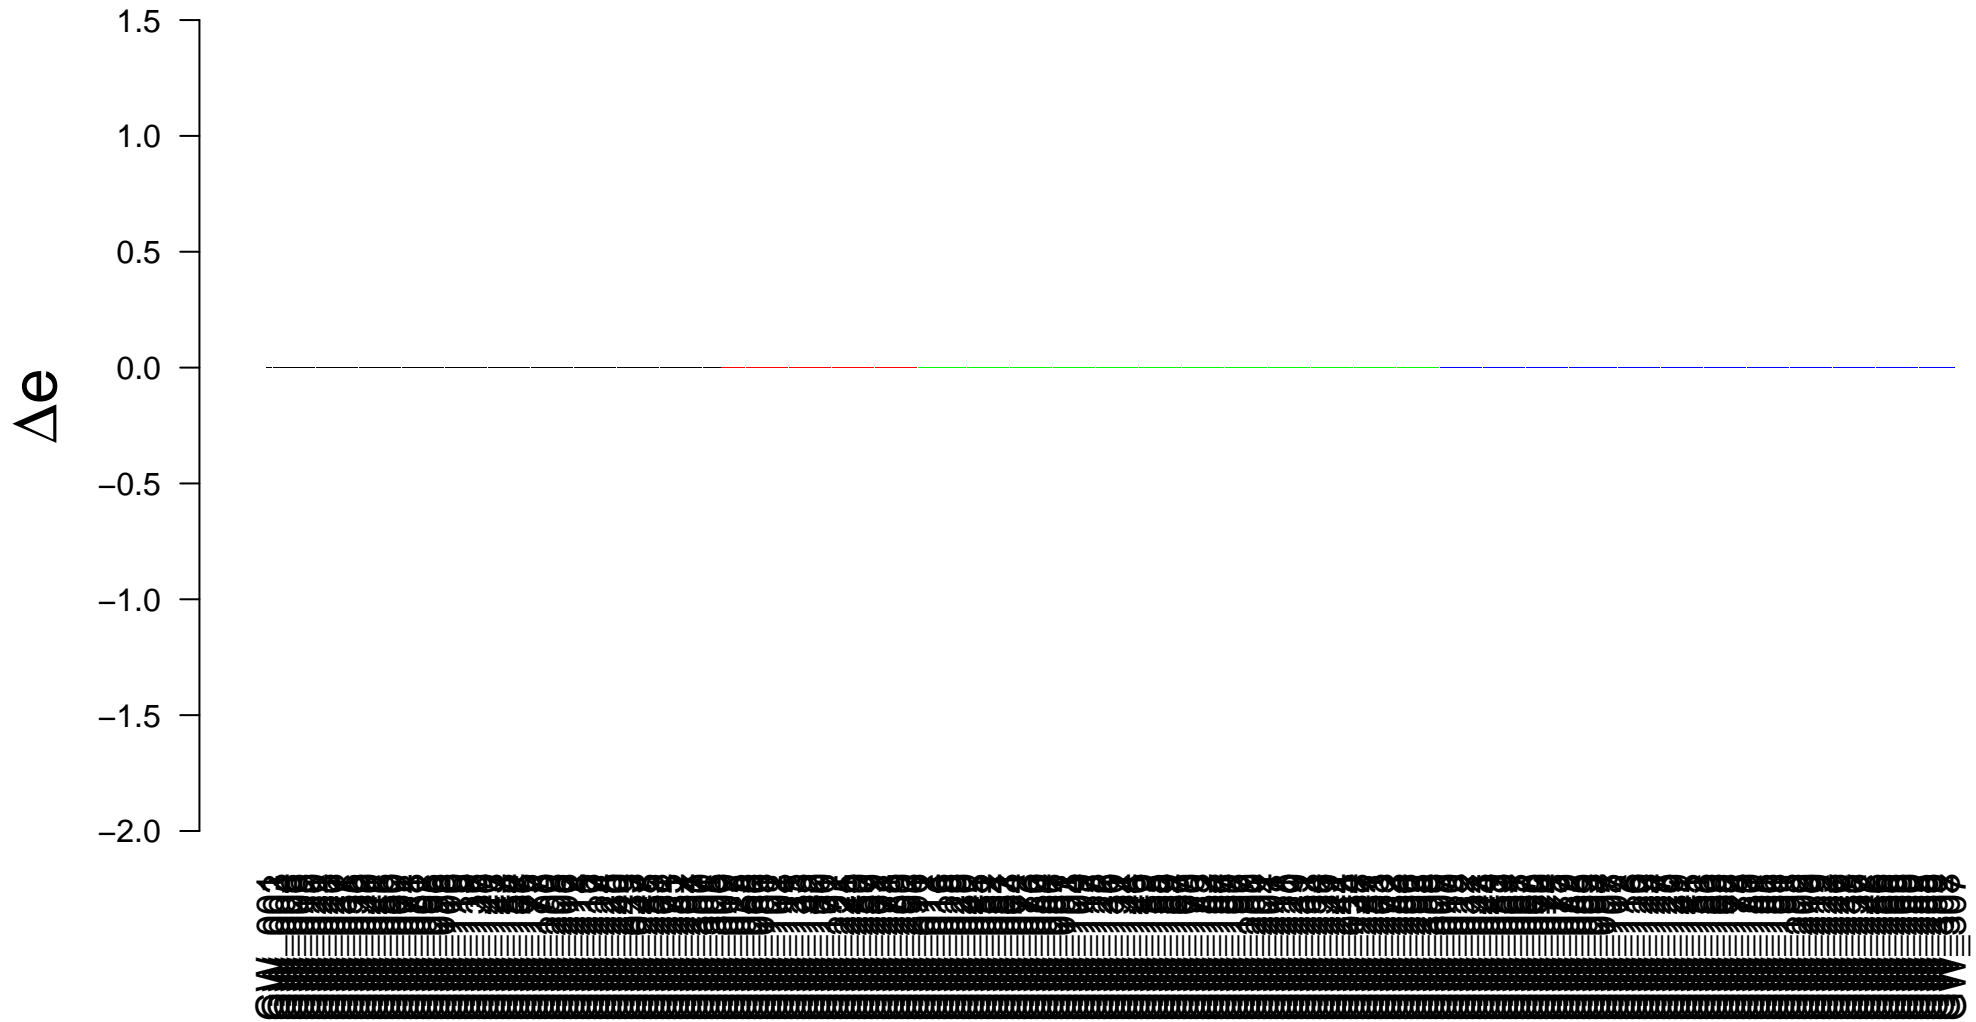

Enrichment in spots: regulation of sodium ion transport

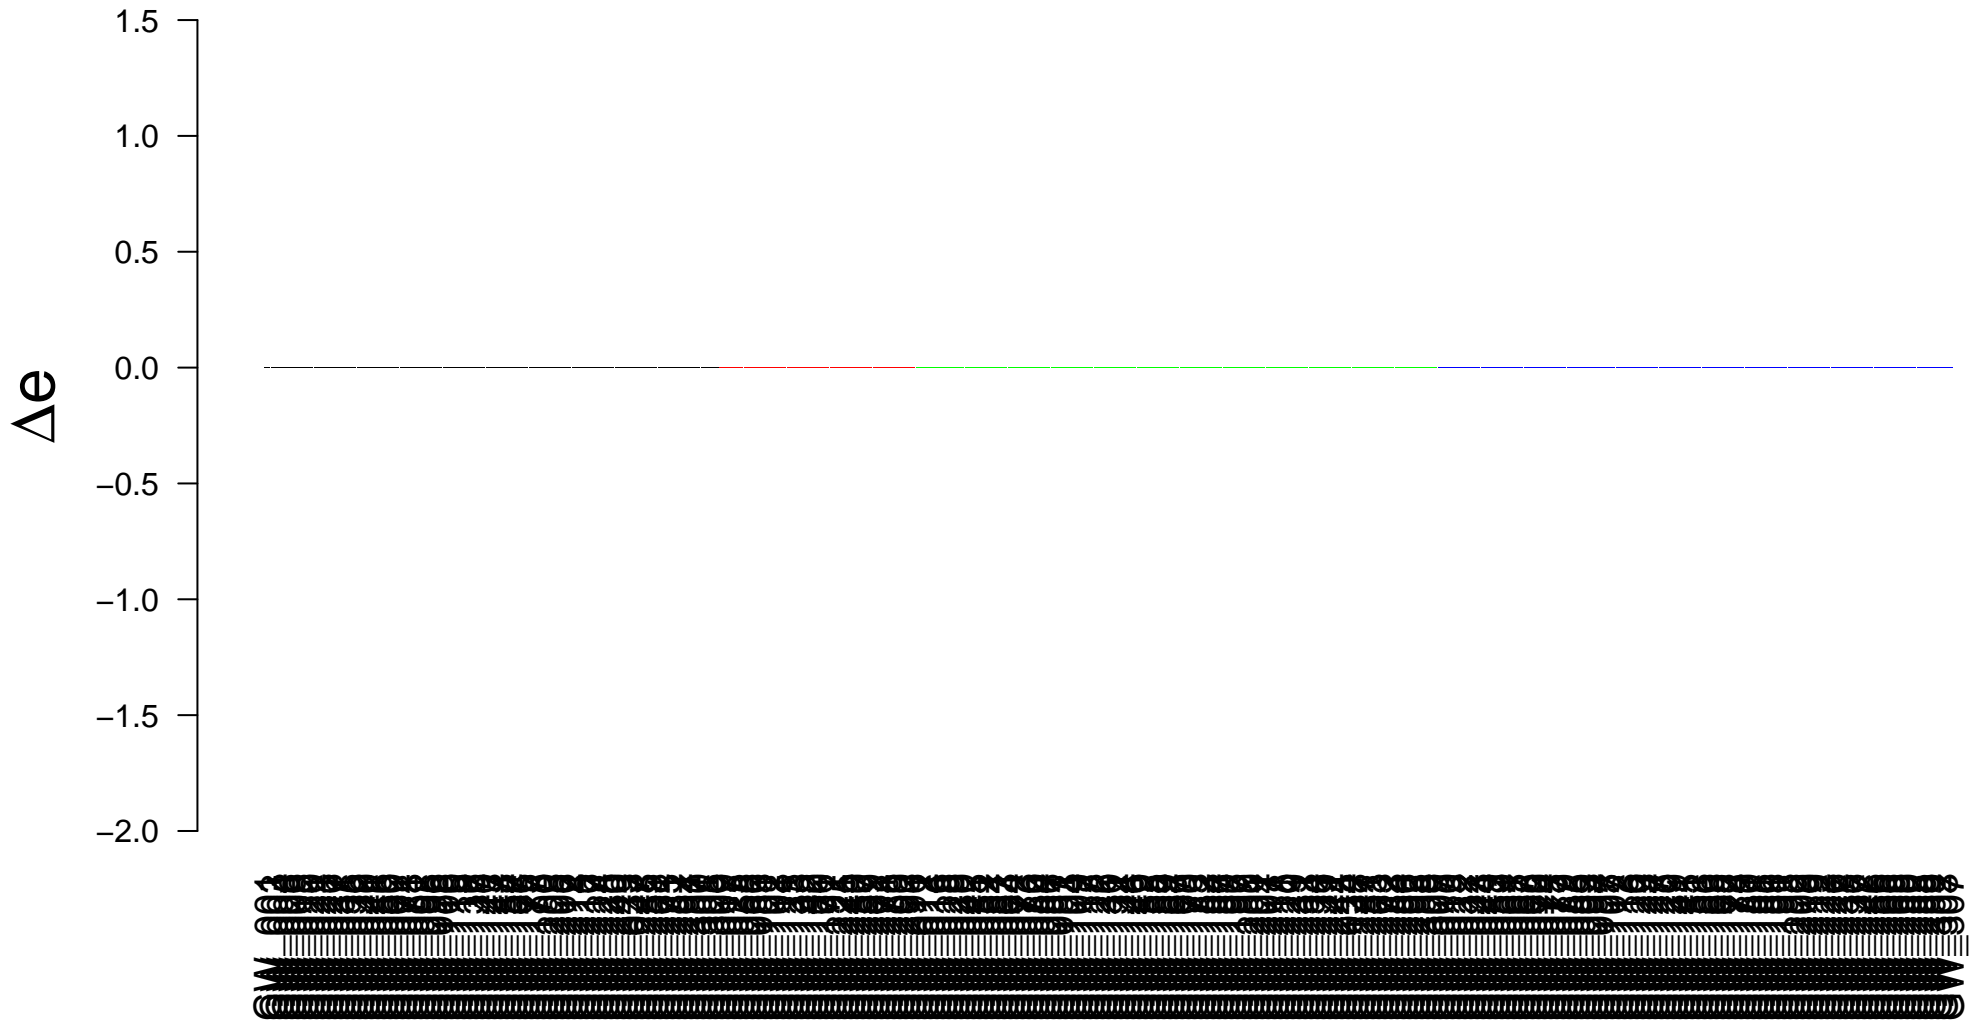

Expression of regulation of sodium ion transport in Spot A

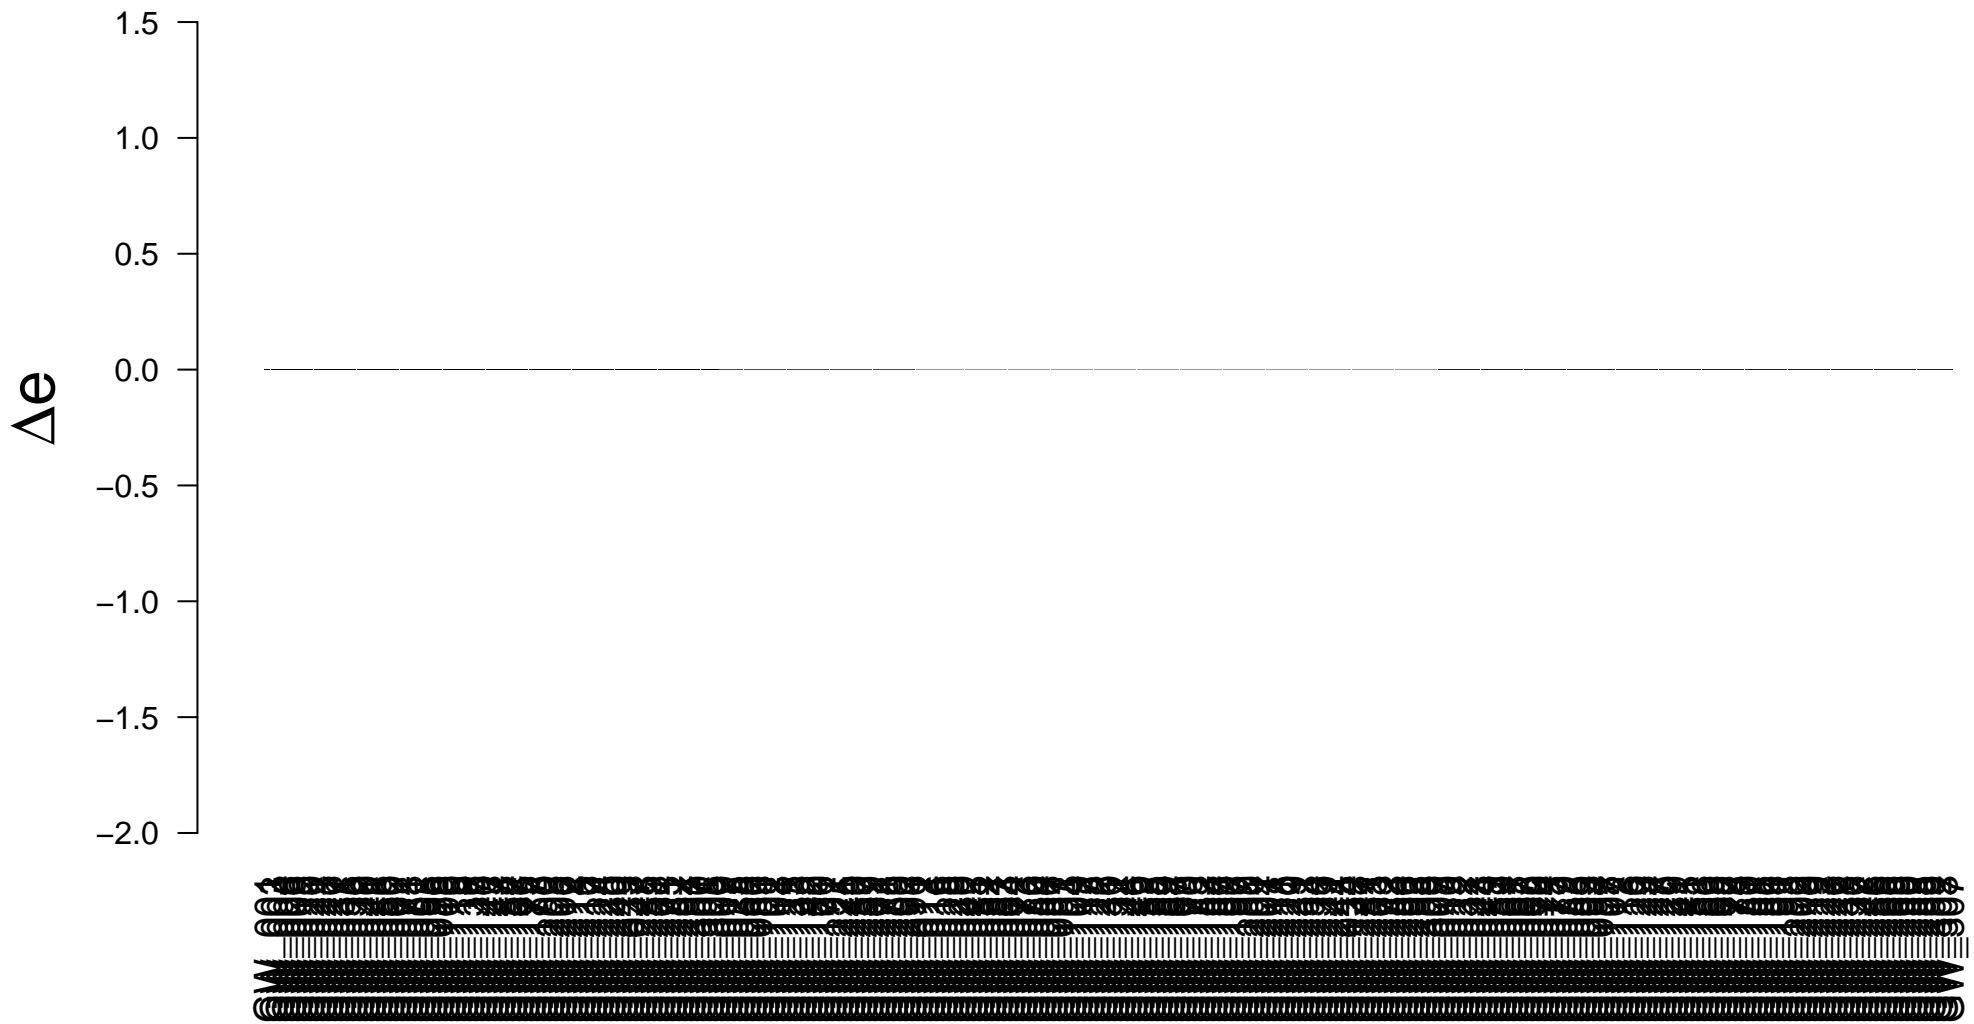

Expression of regulation of sodium ion transport in Spot B

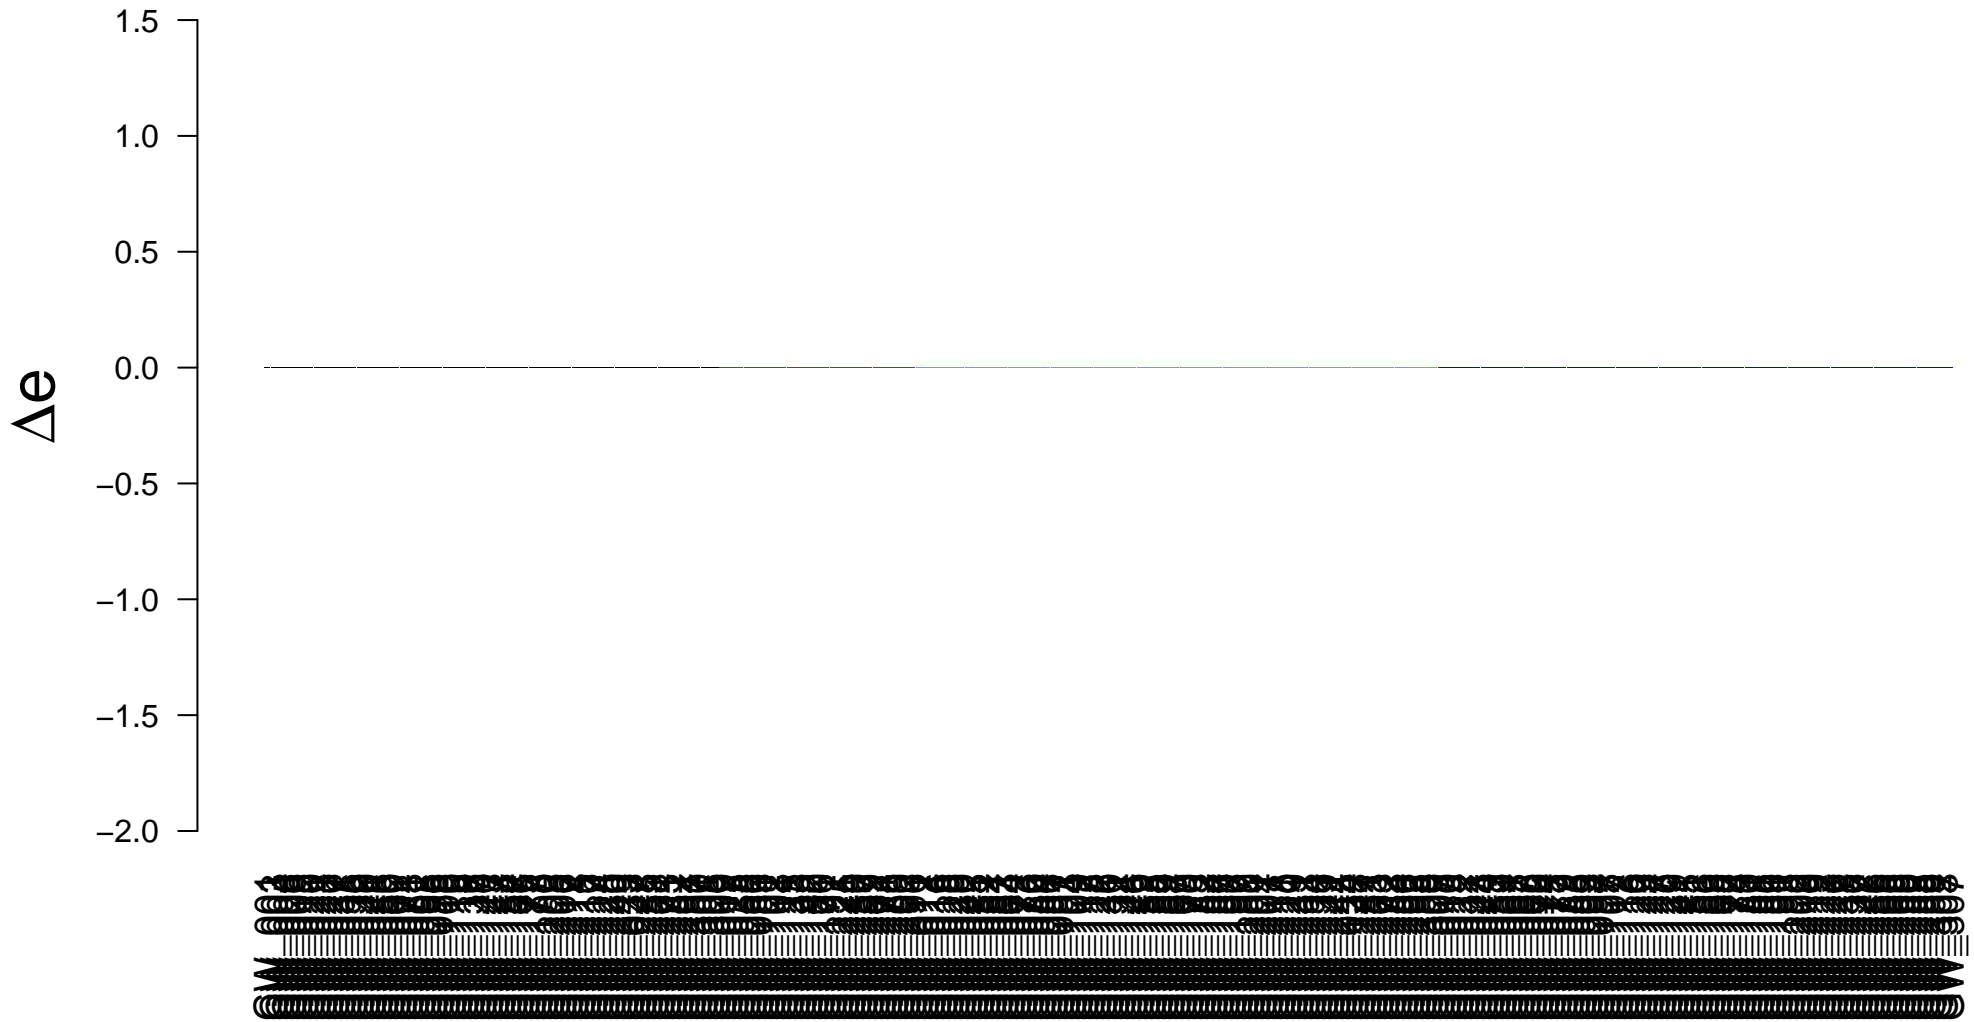

Expression of regulation of sodium ion transport in Spot C

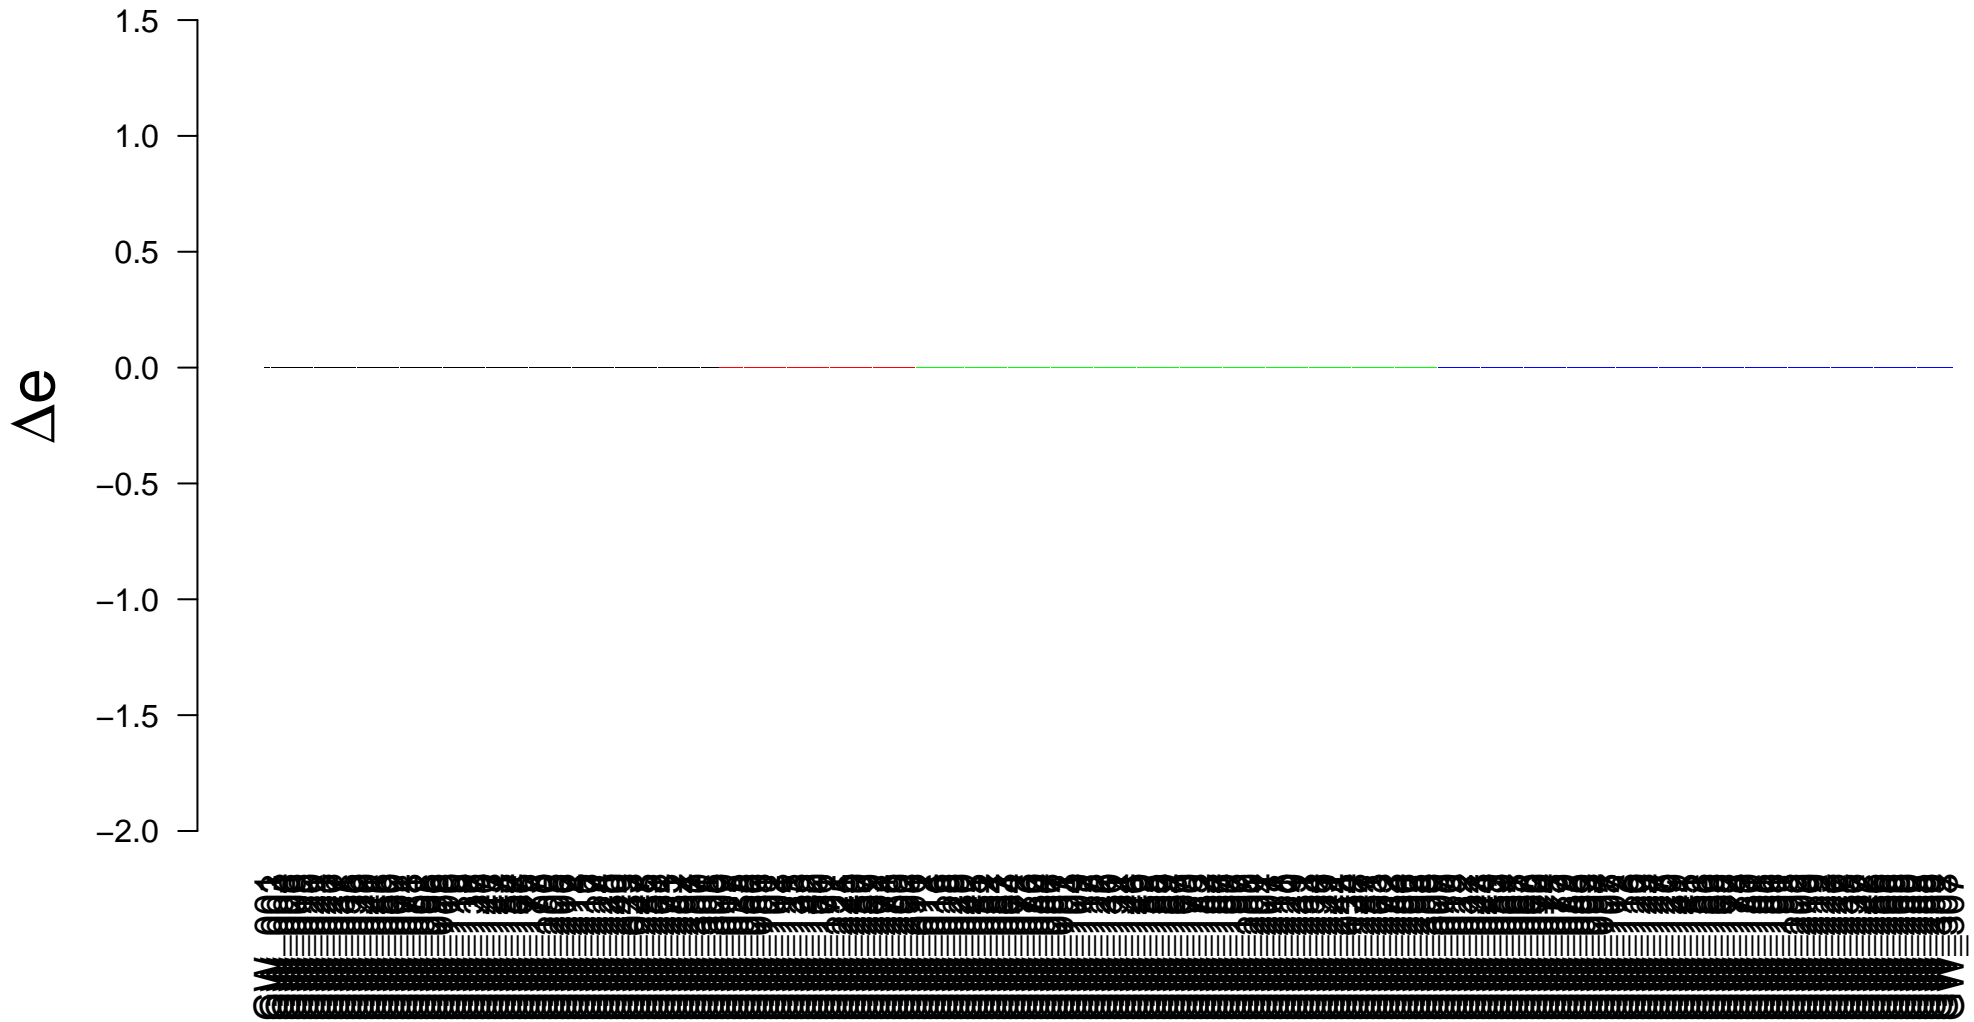

Expression of regulation of sodium ion transport in Spot D

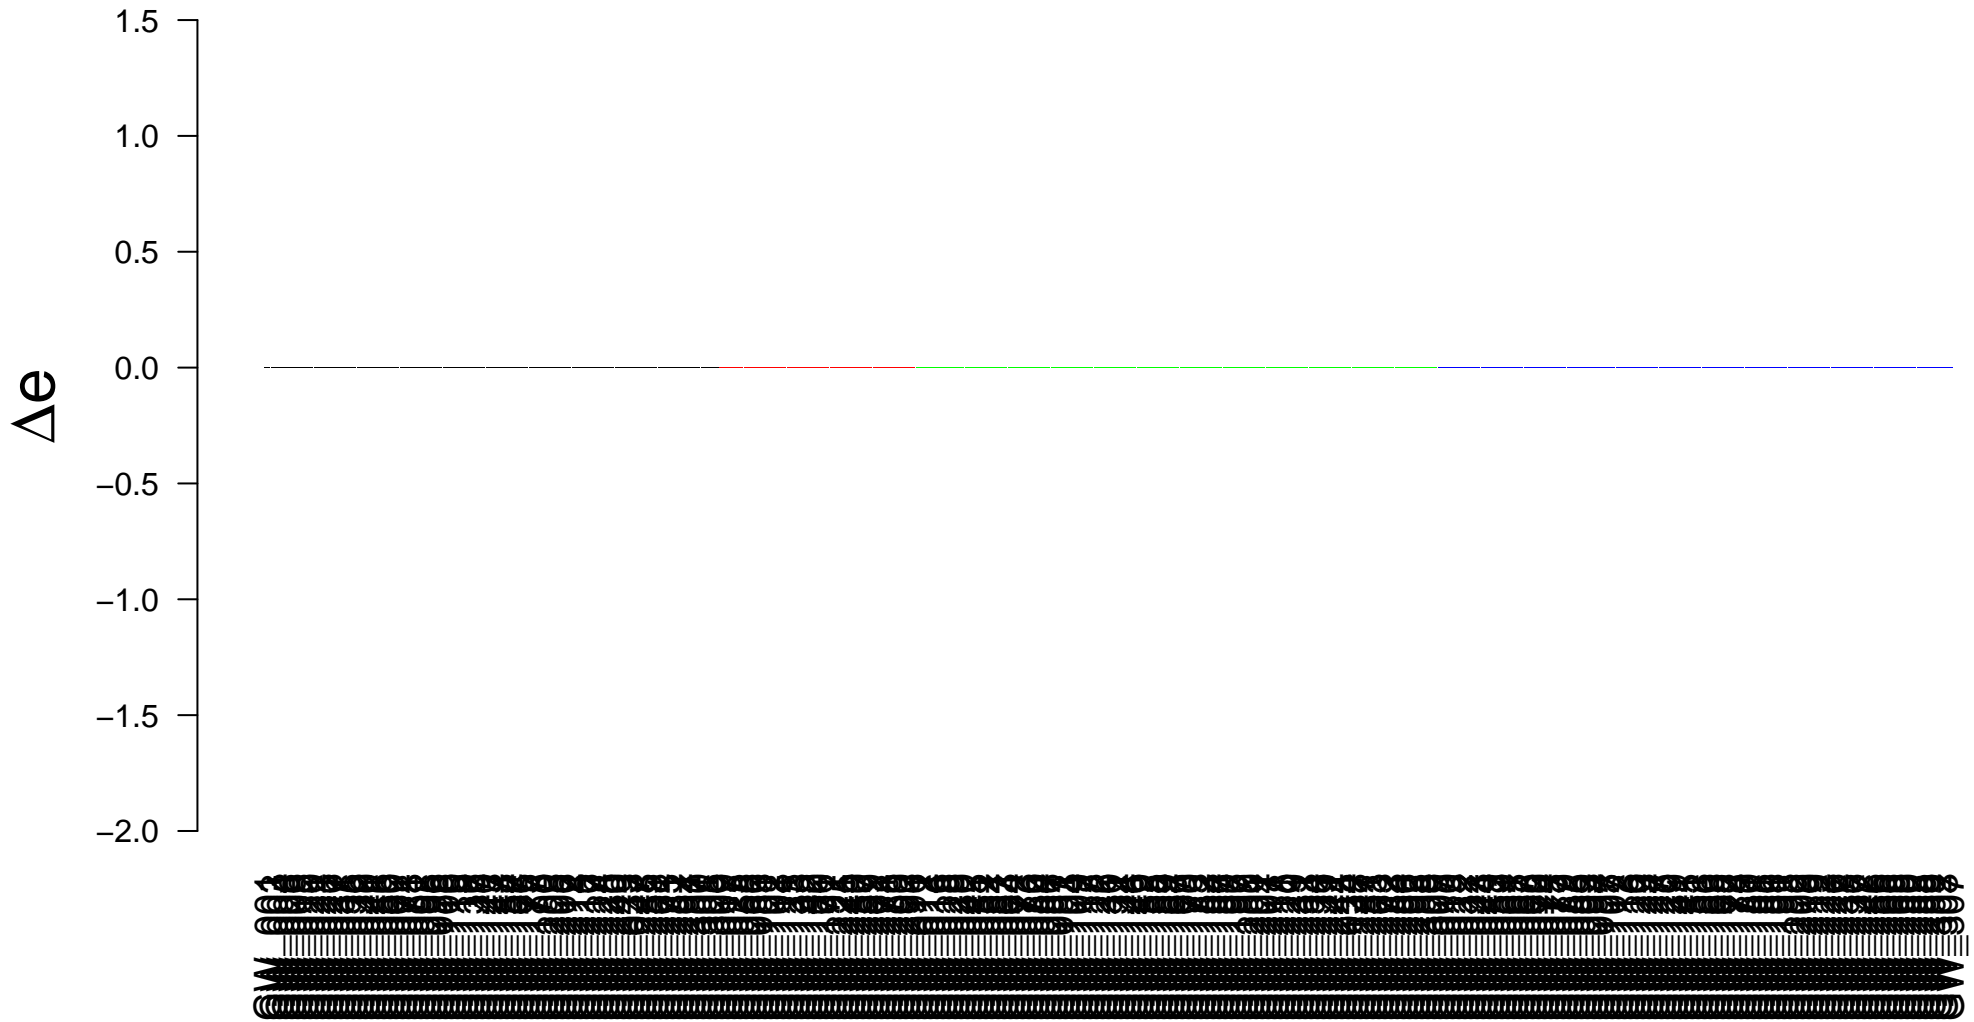

Expression of regulation of sodium ion transport in Spot E

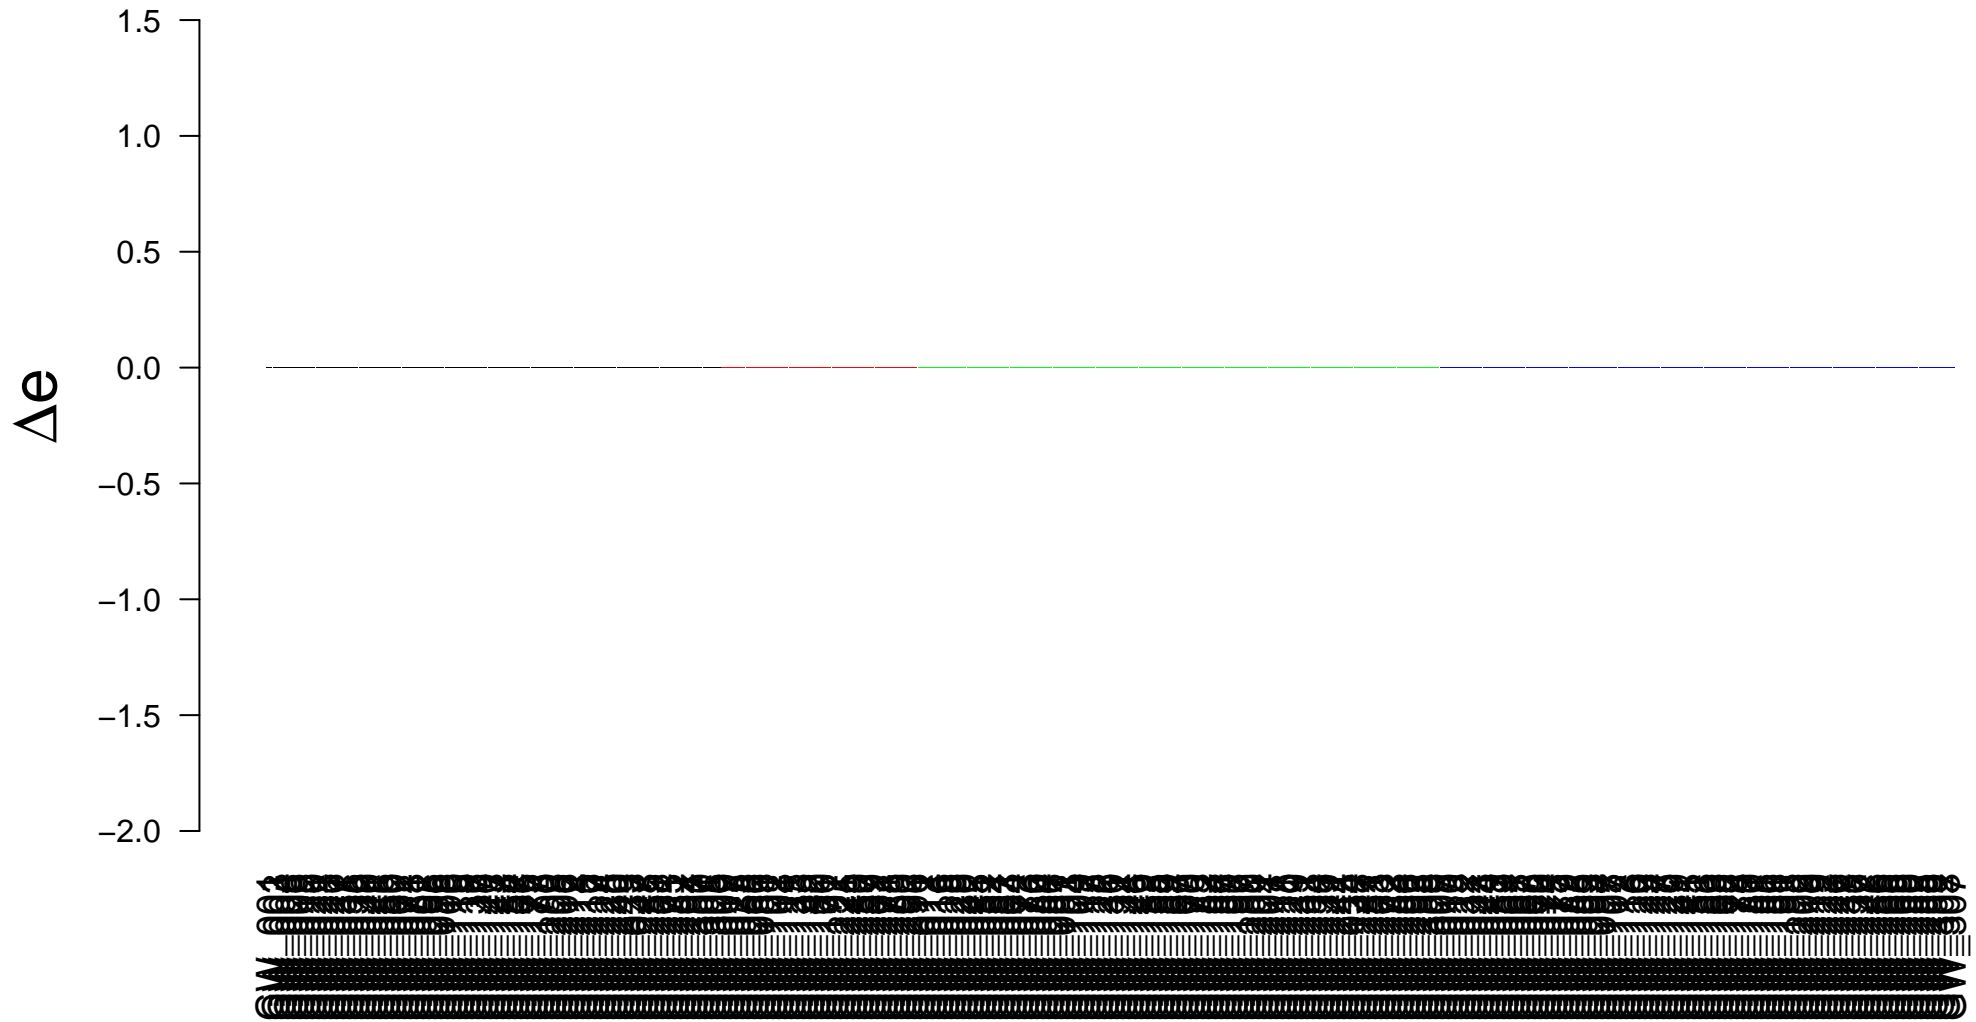

Expression of regulation of sodium ion transport in Spot F

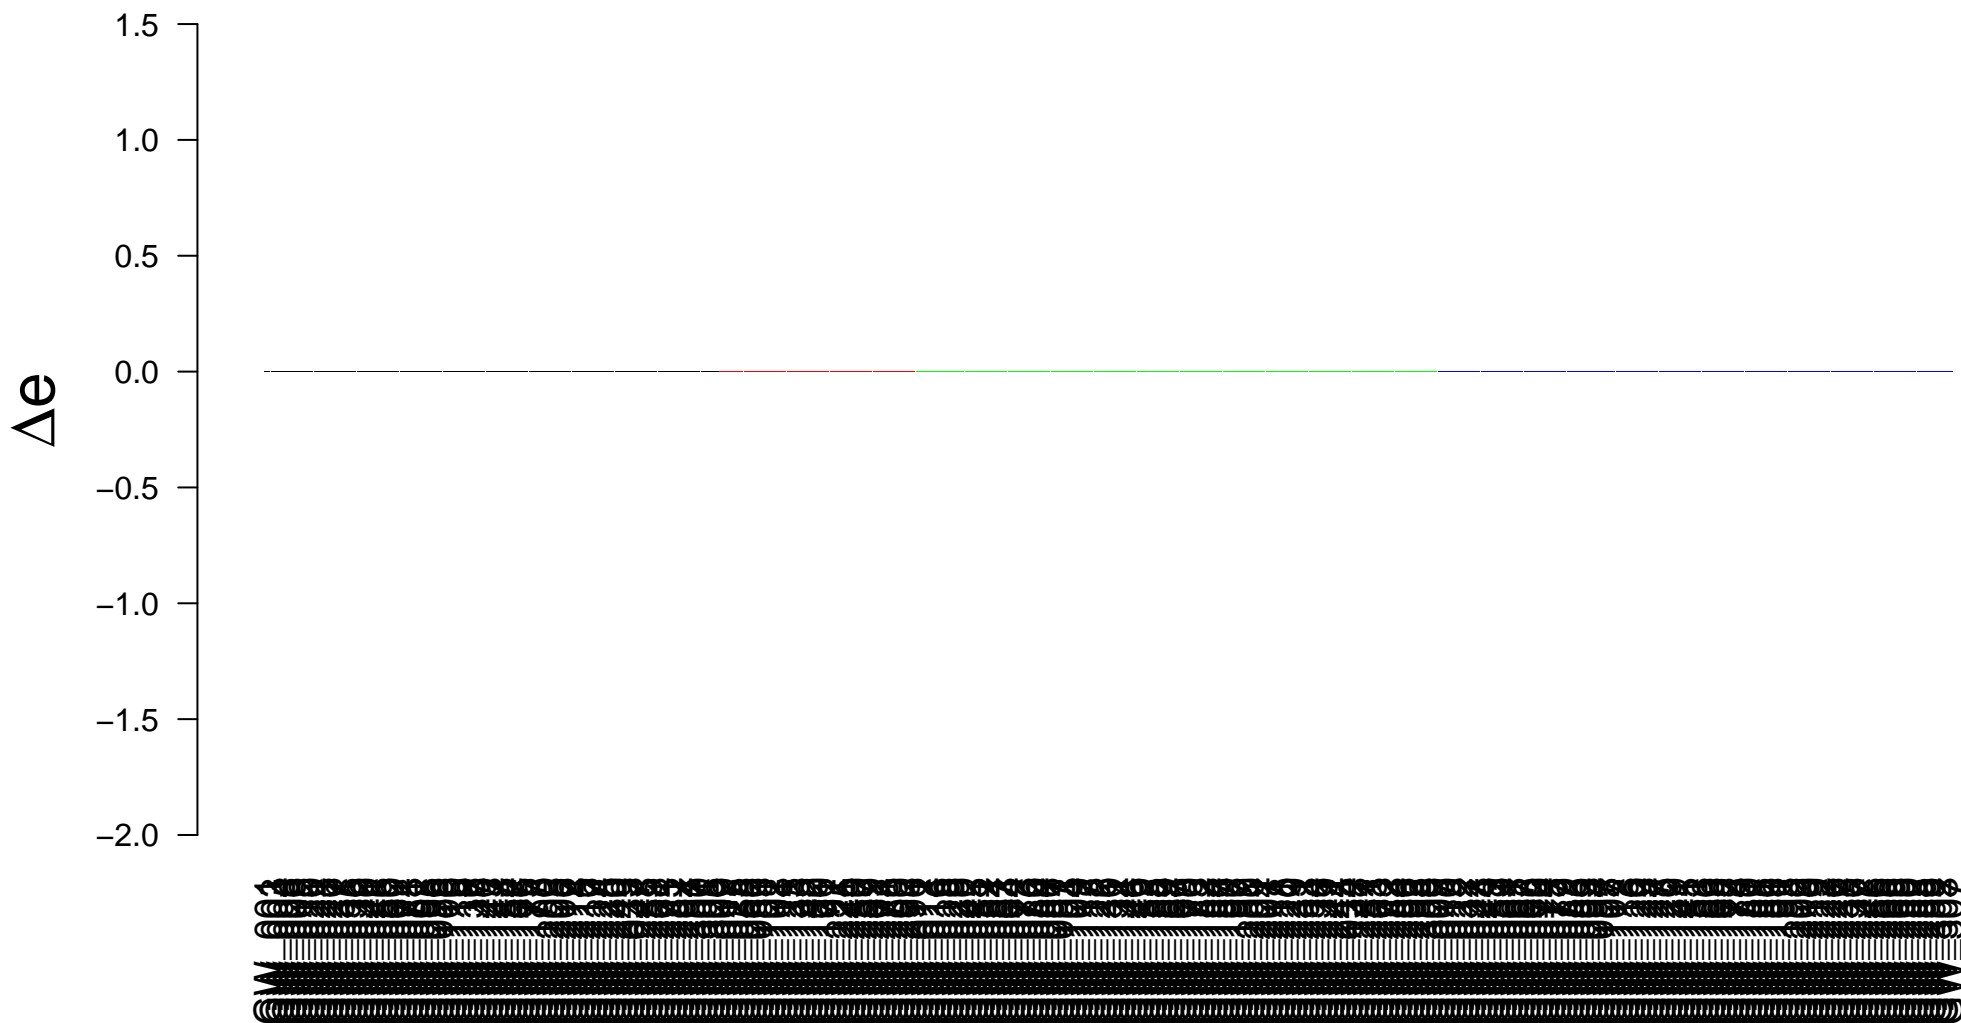

Expression of regulation of sodium ion transport in Spot G

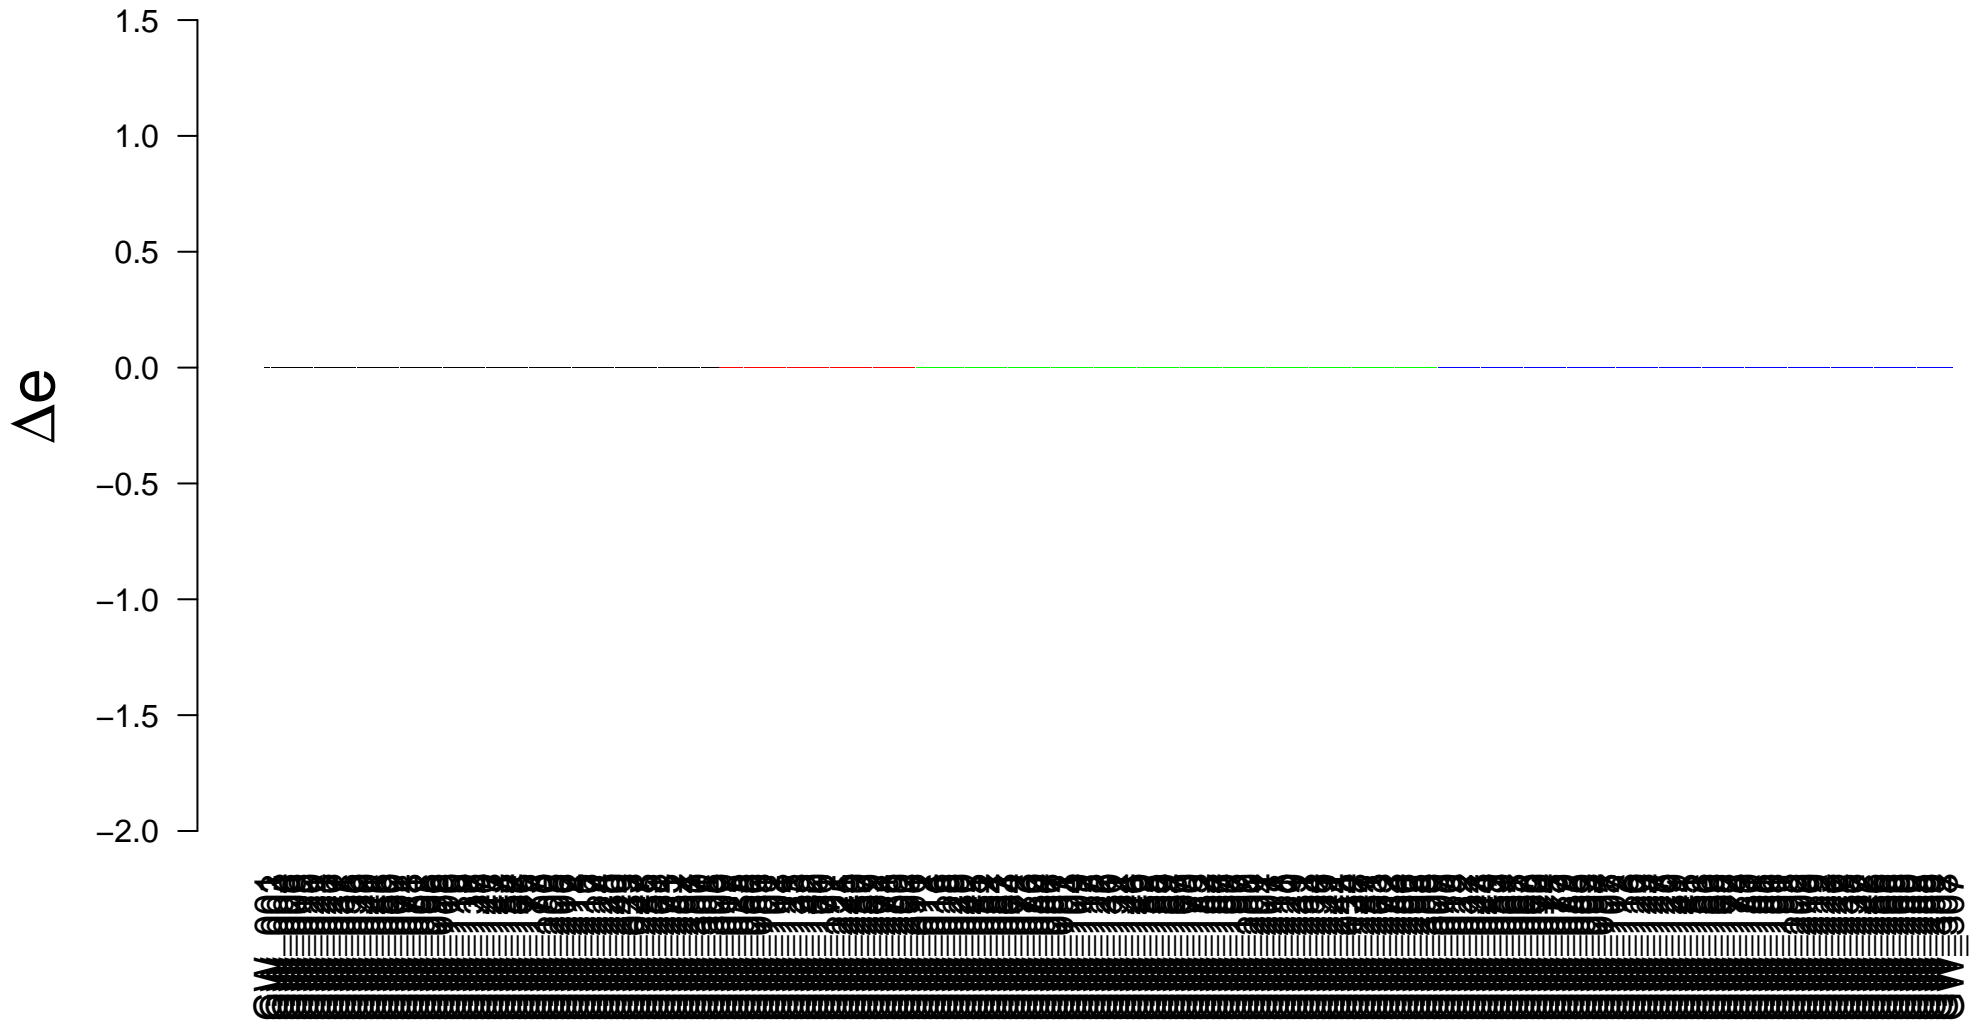

Expression of regulation of sodium ion transport in Spot H

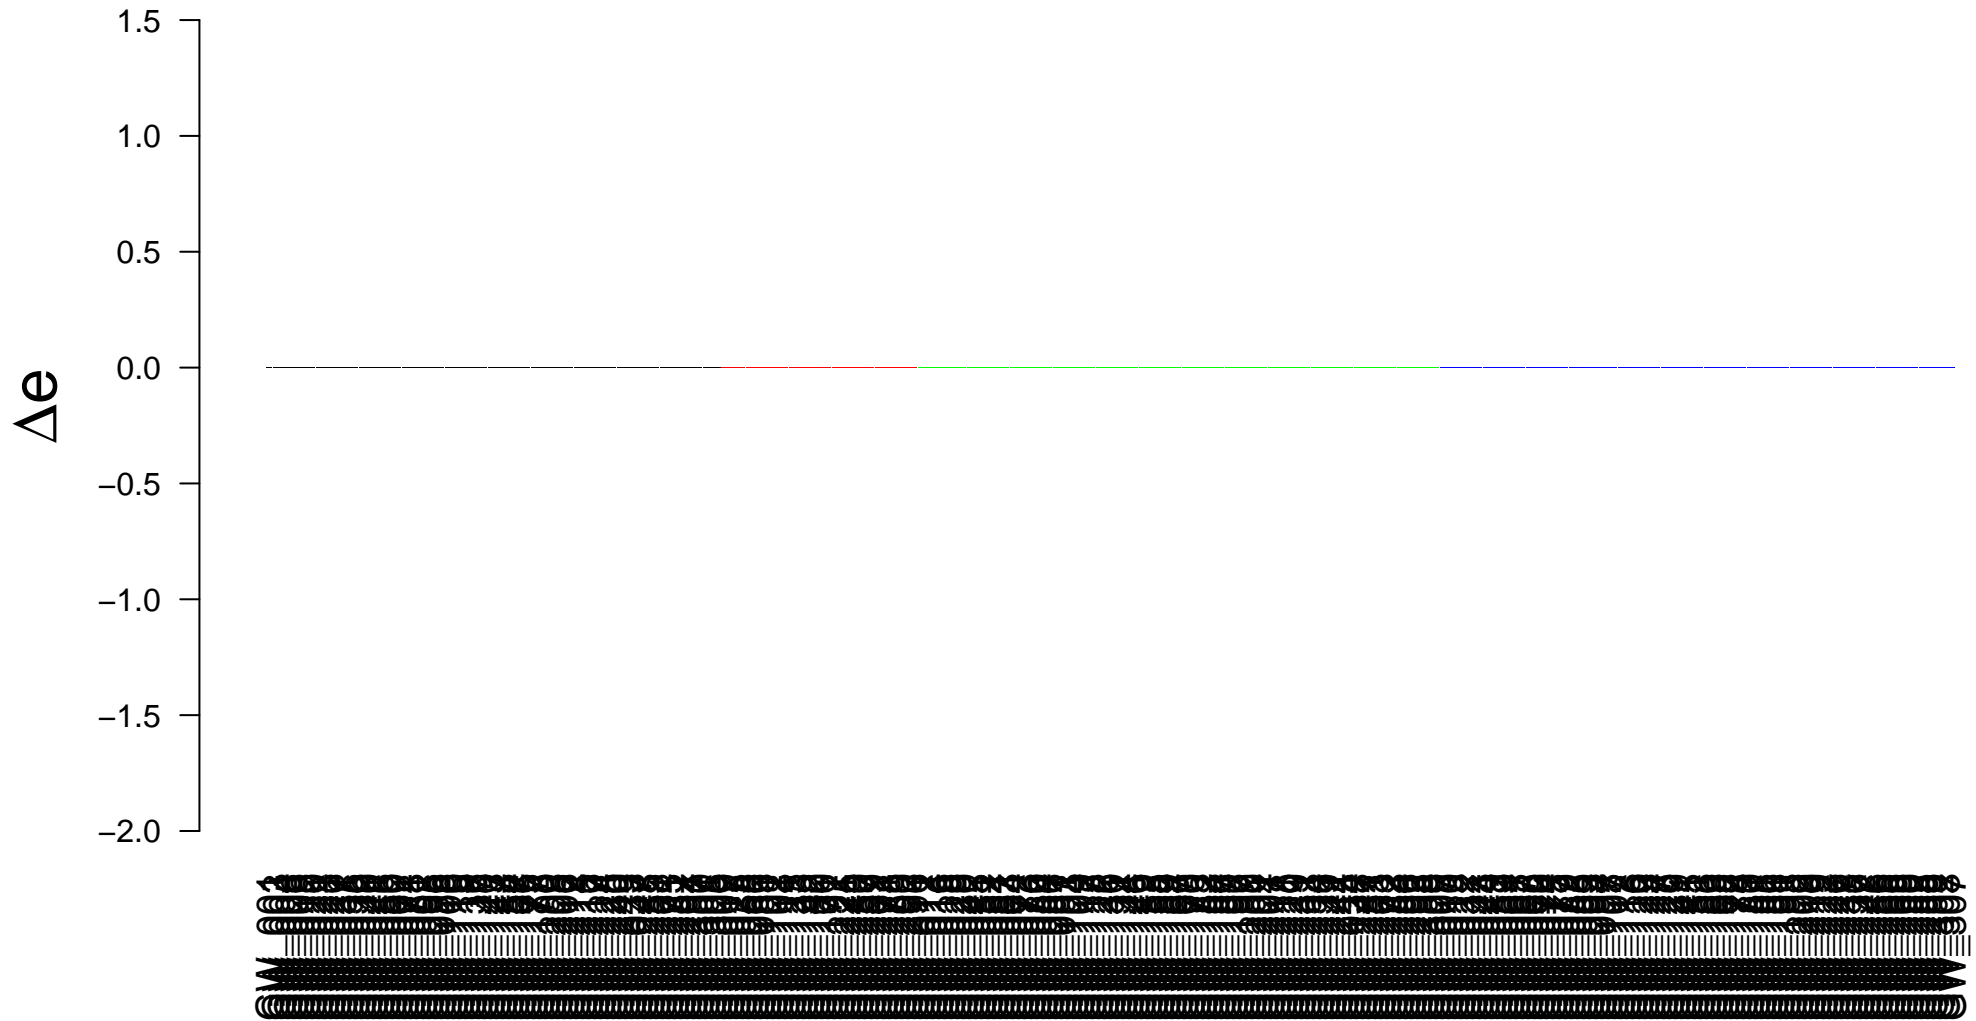

Expression of regulation of sodium ion transport in Spot I

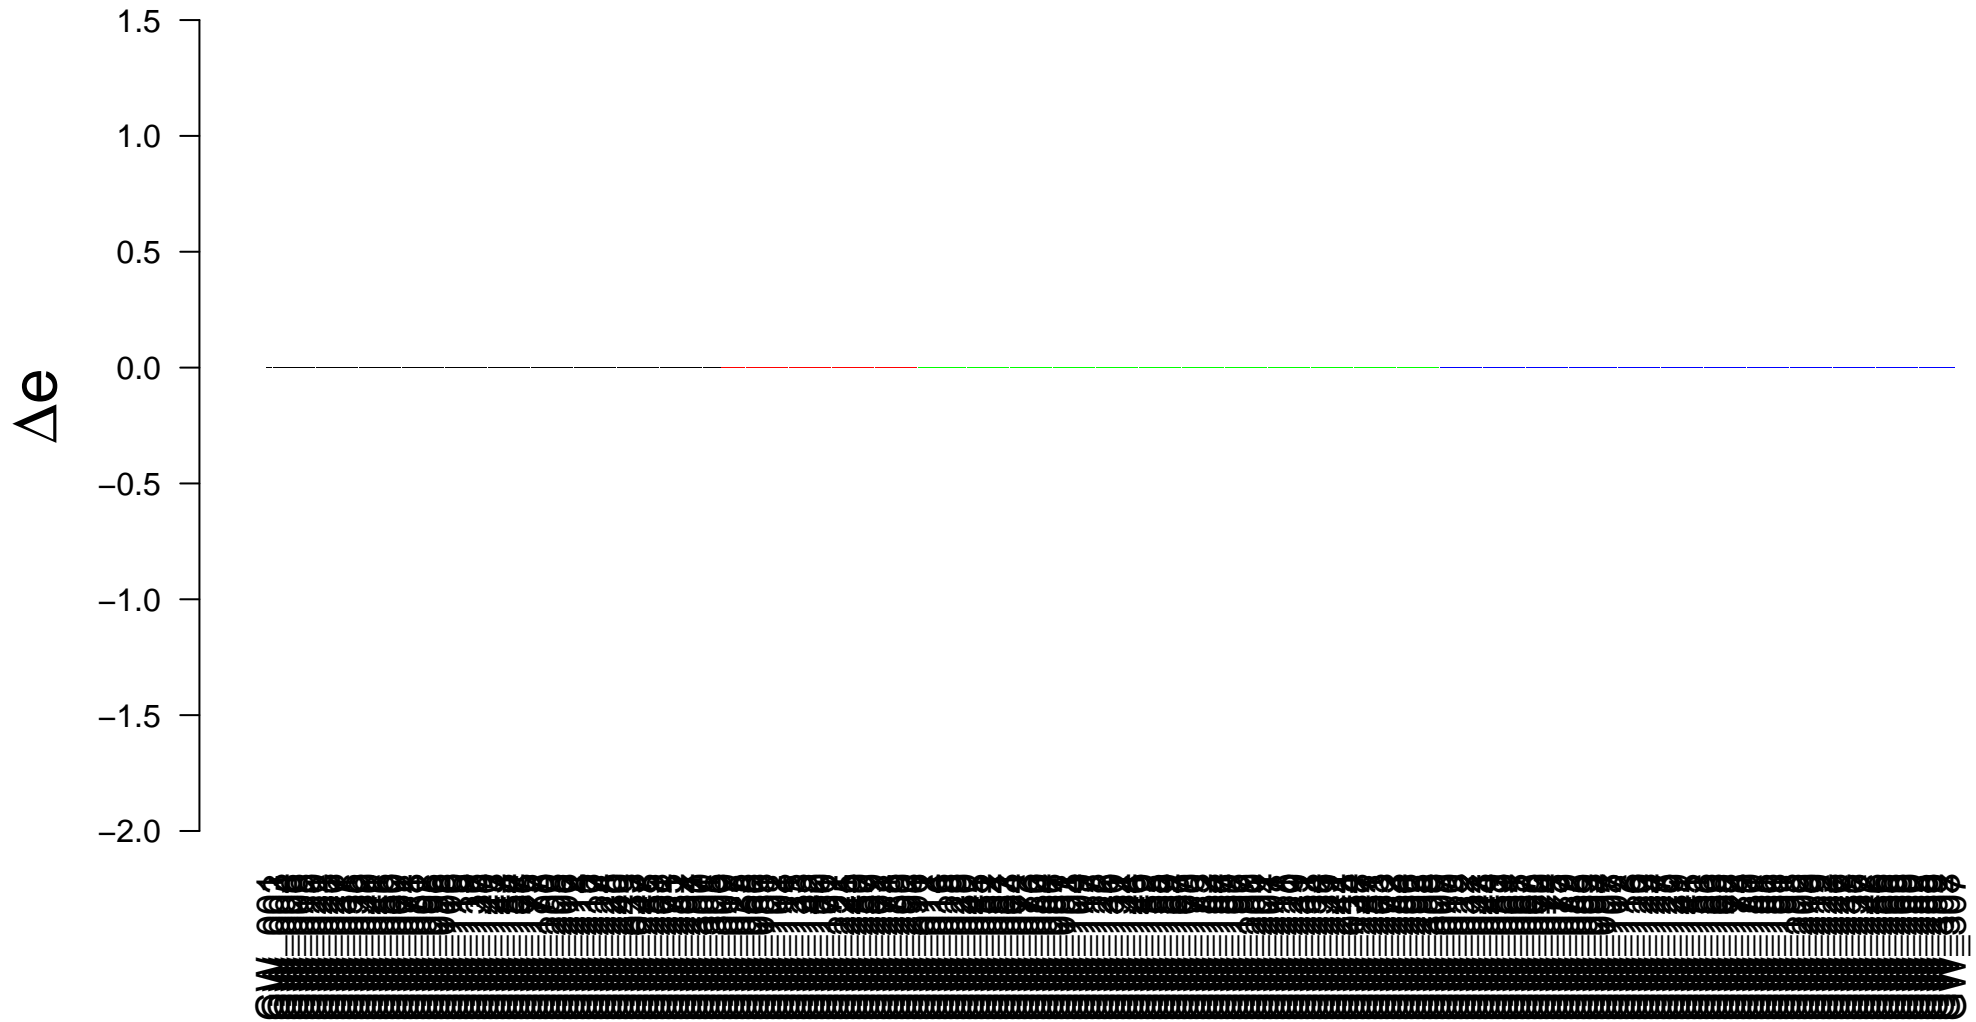

Expression of regulation of sodium ion transport in Spot J

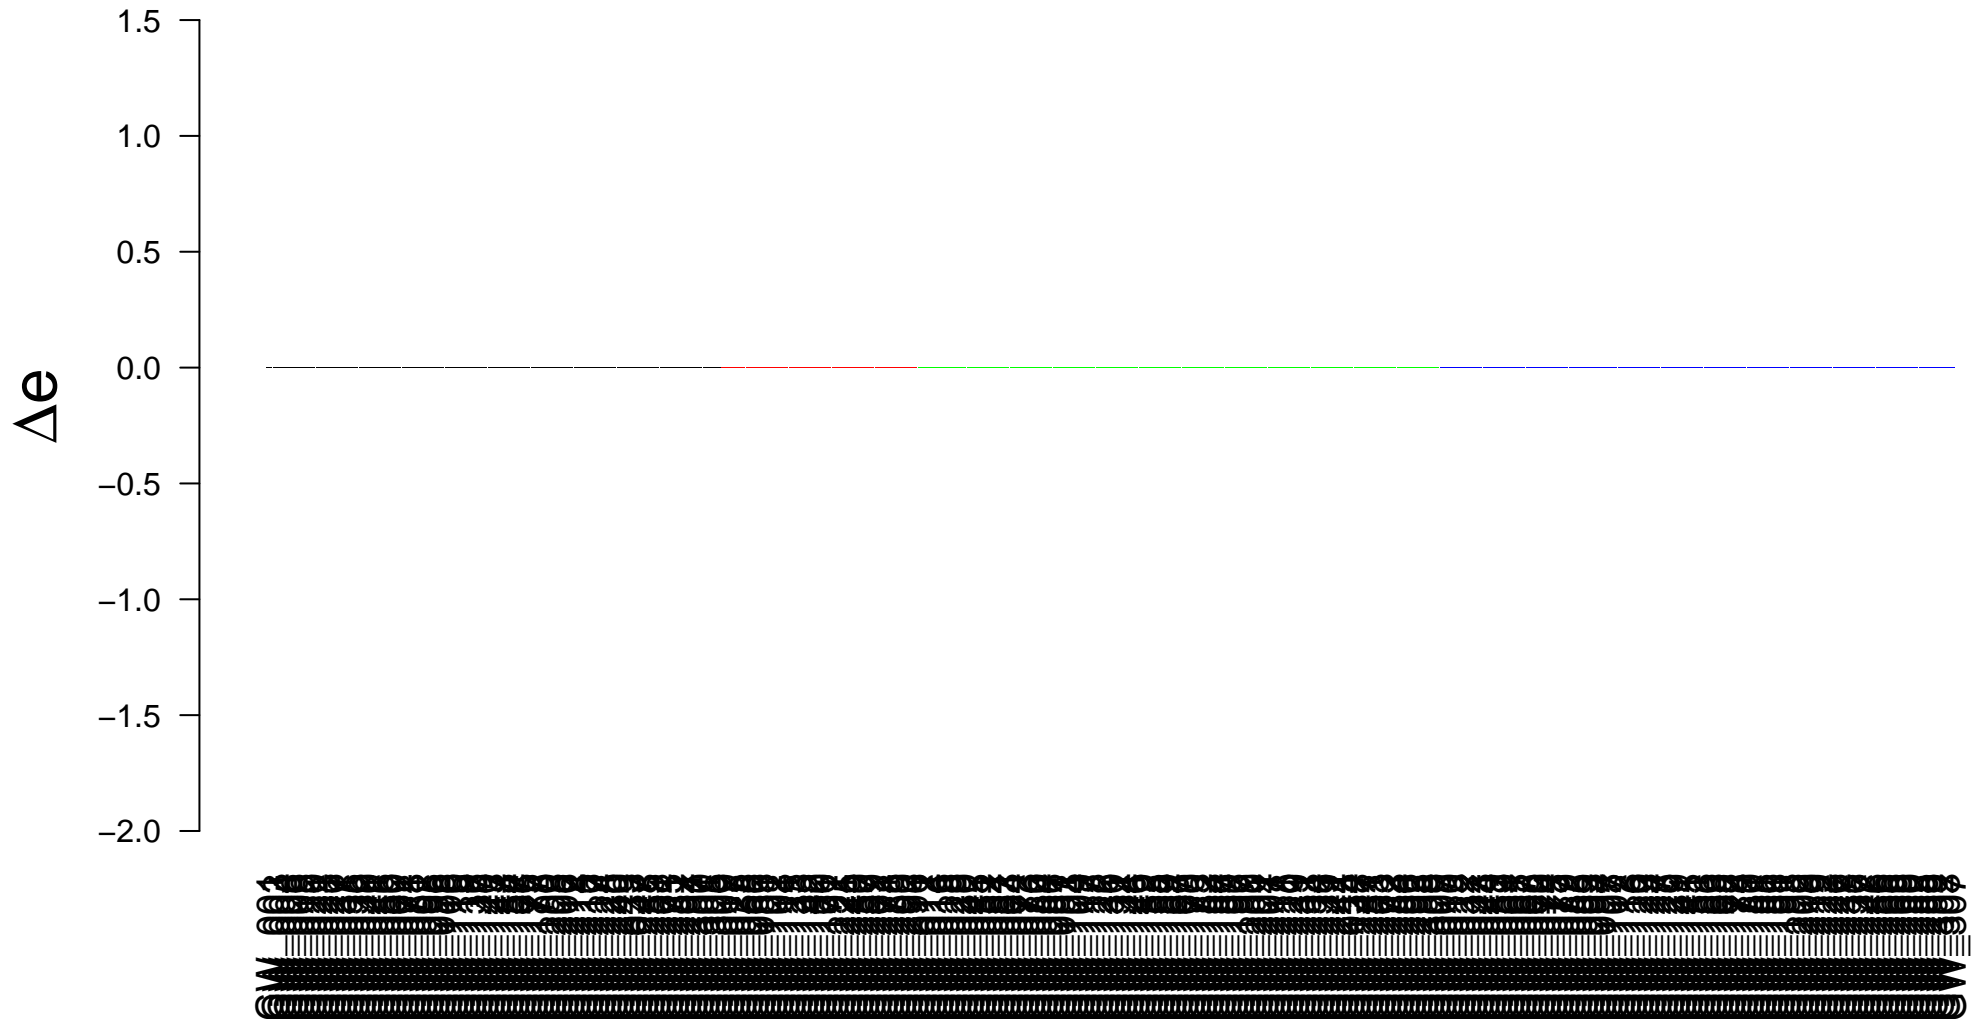

Expression of regulation of sodium ion transport in Spot K

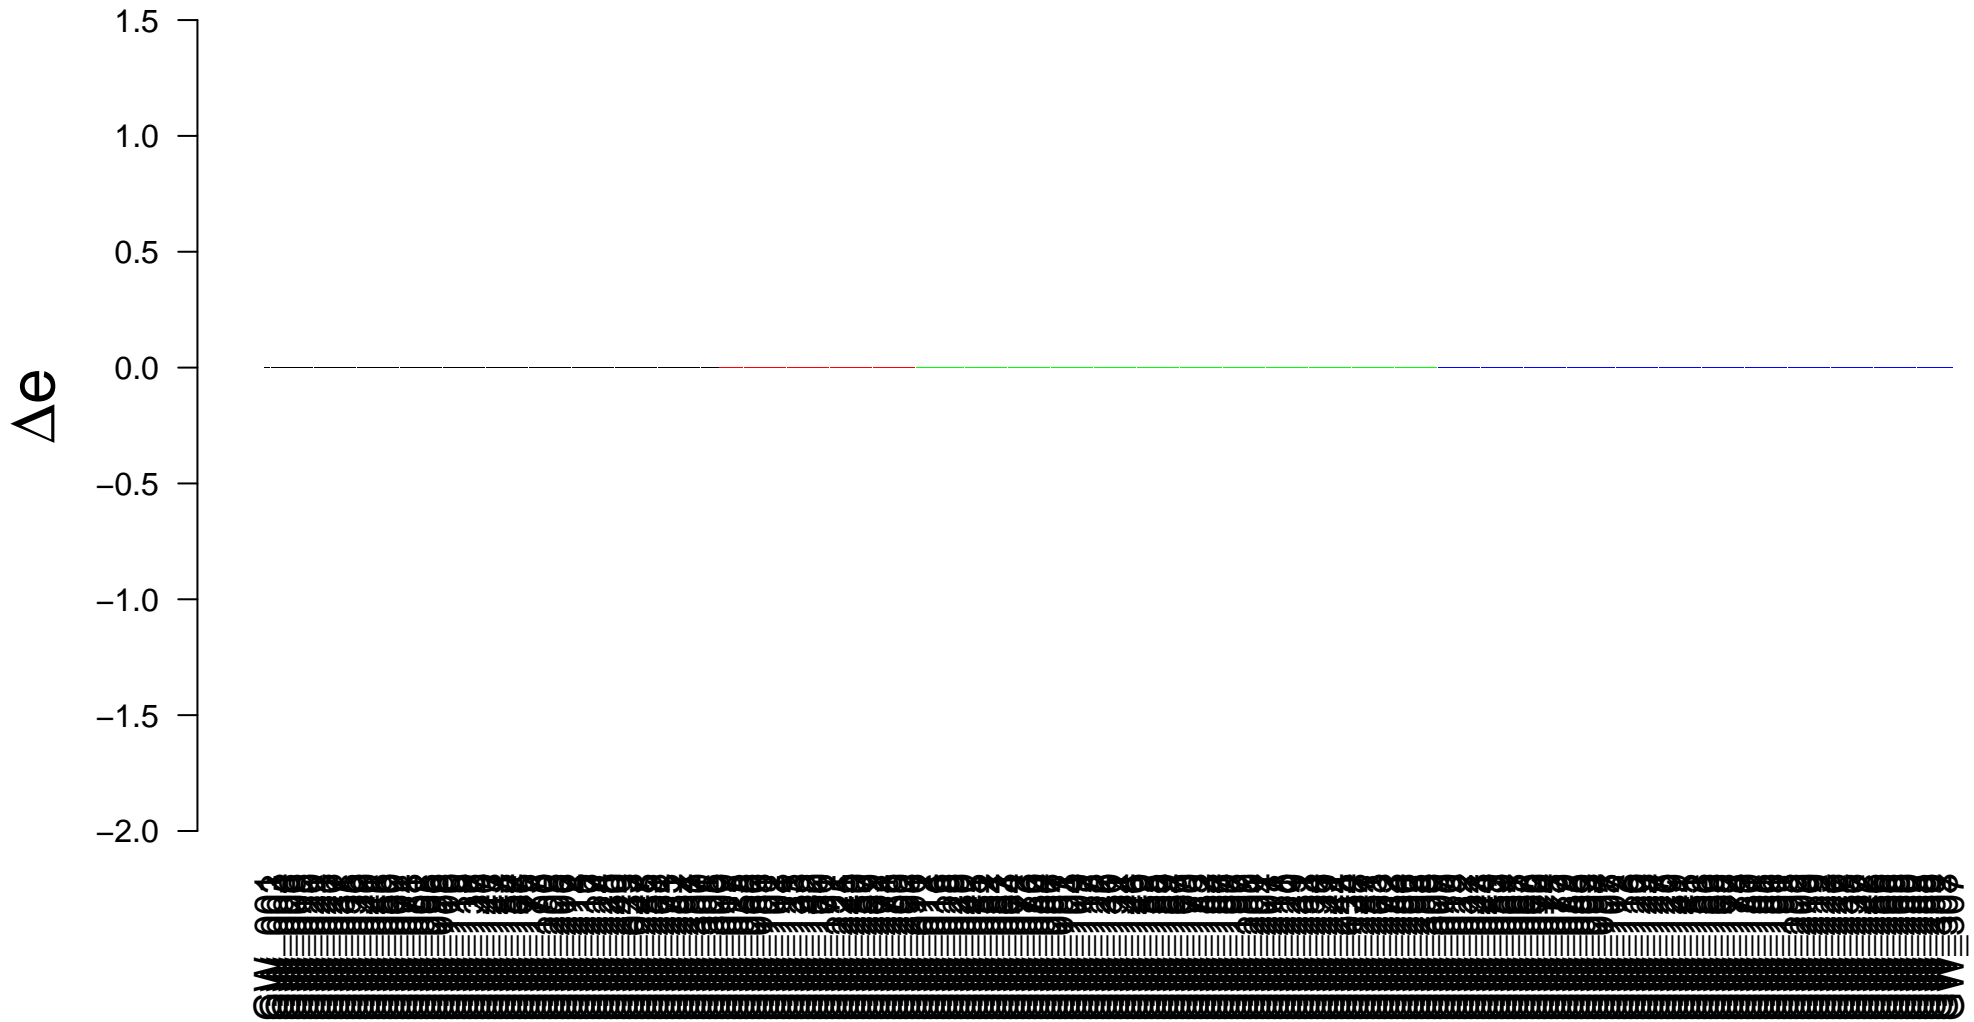

Expression of regulation of sodium ion transport in Spot L

Expression of regulation of sodium ion transport in Spot M

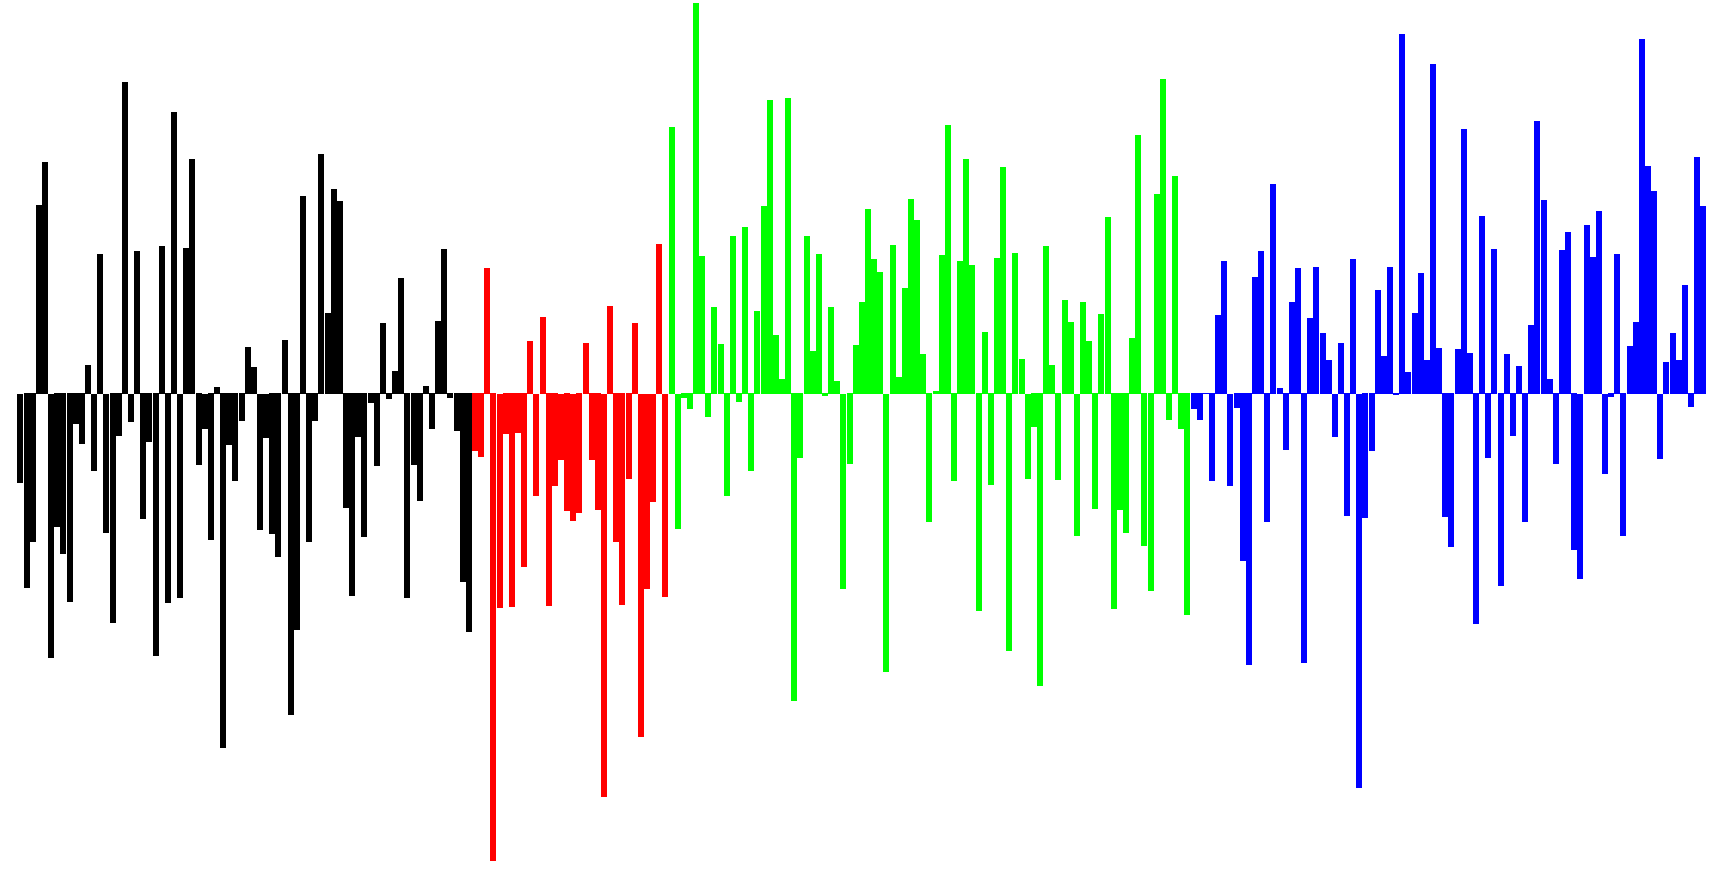

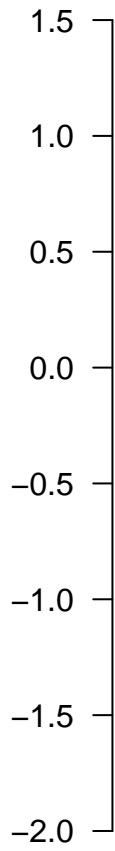

Expression of regulation of sodium ion transport in Spot N

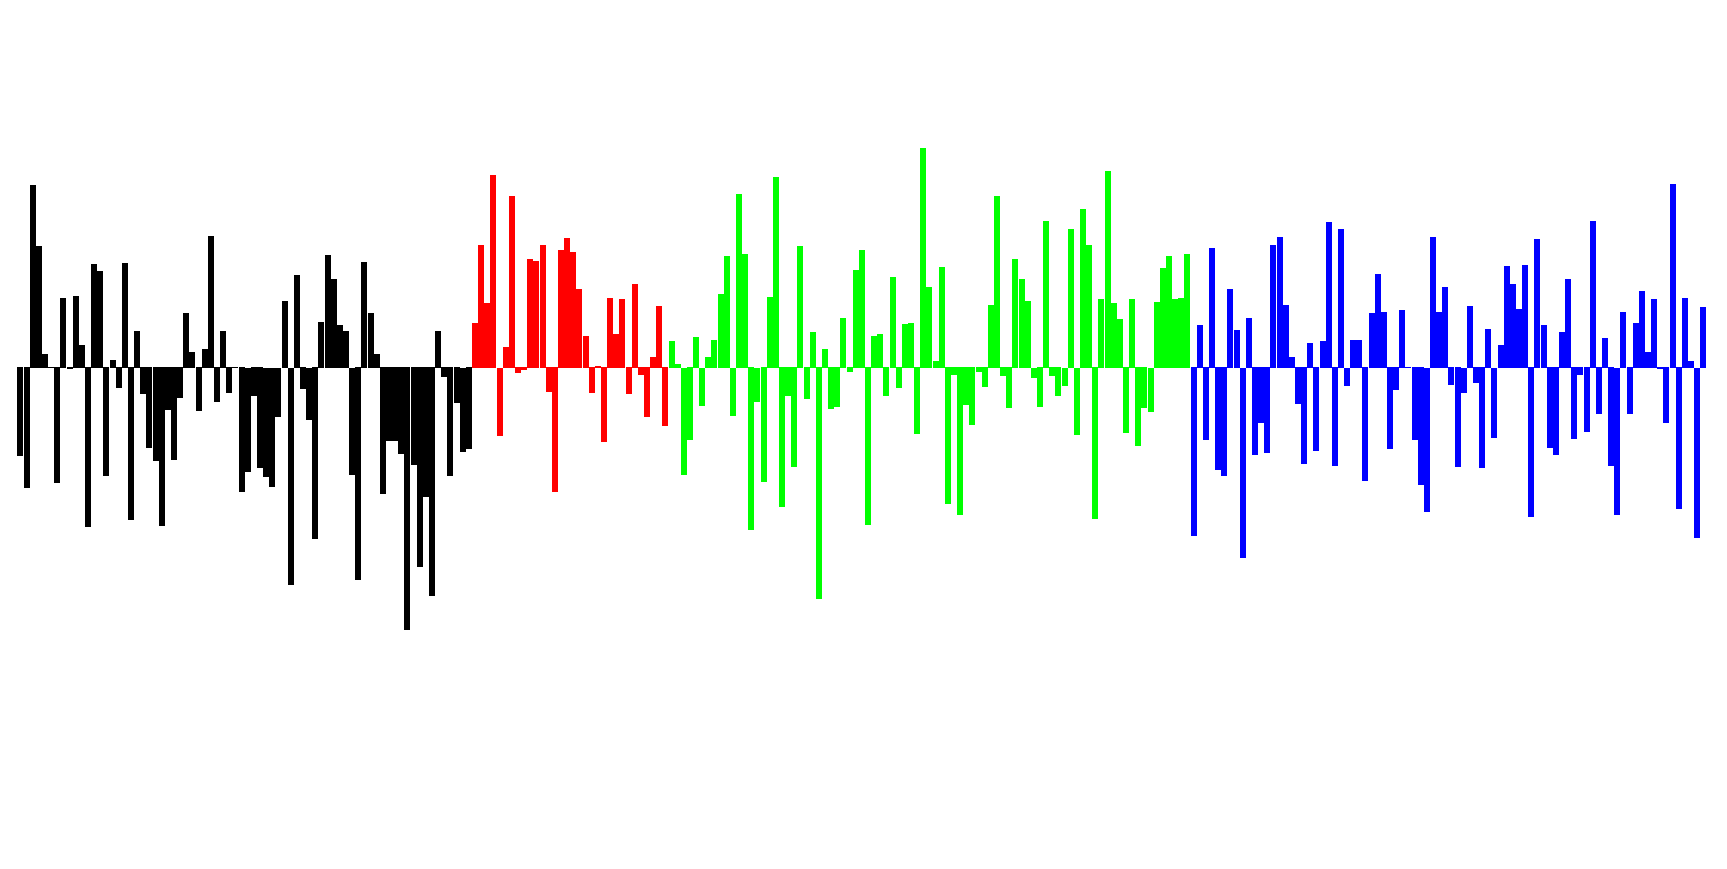

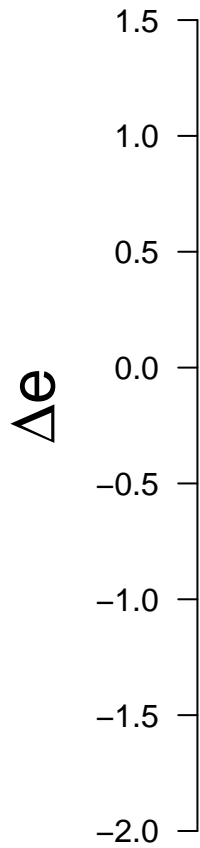

Expression of regulation of sodium ion transport in Spot O

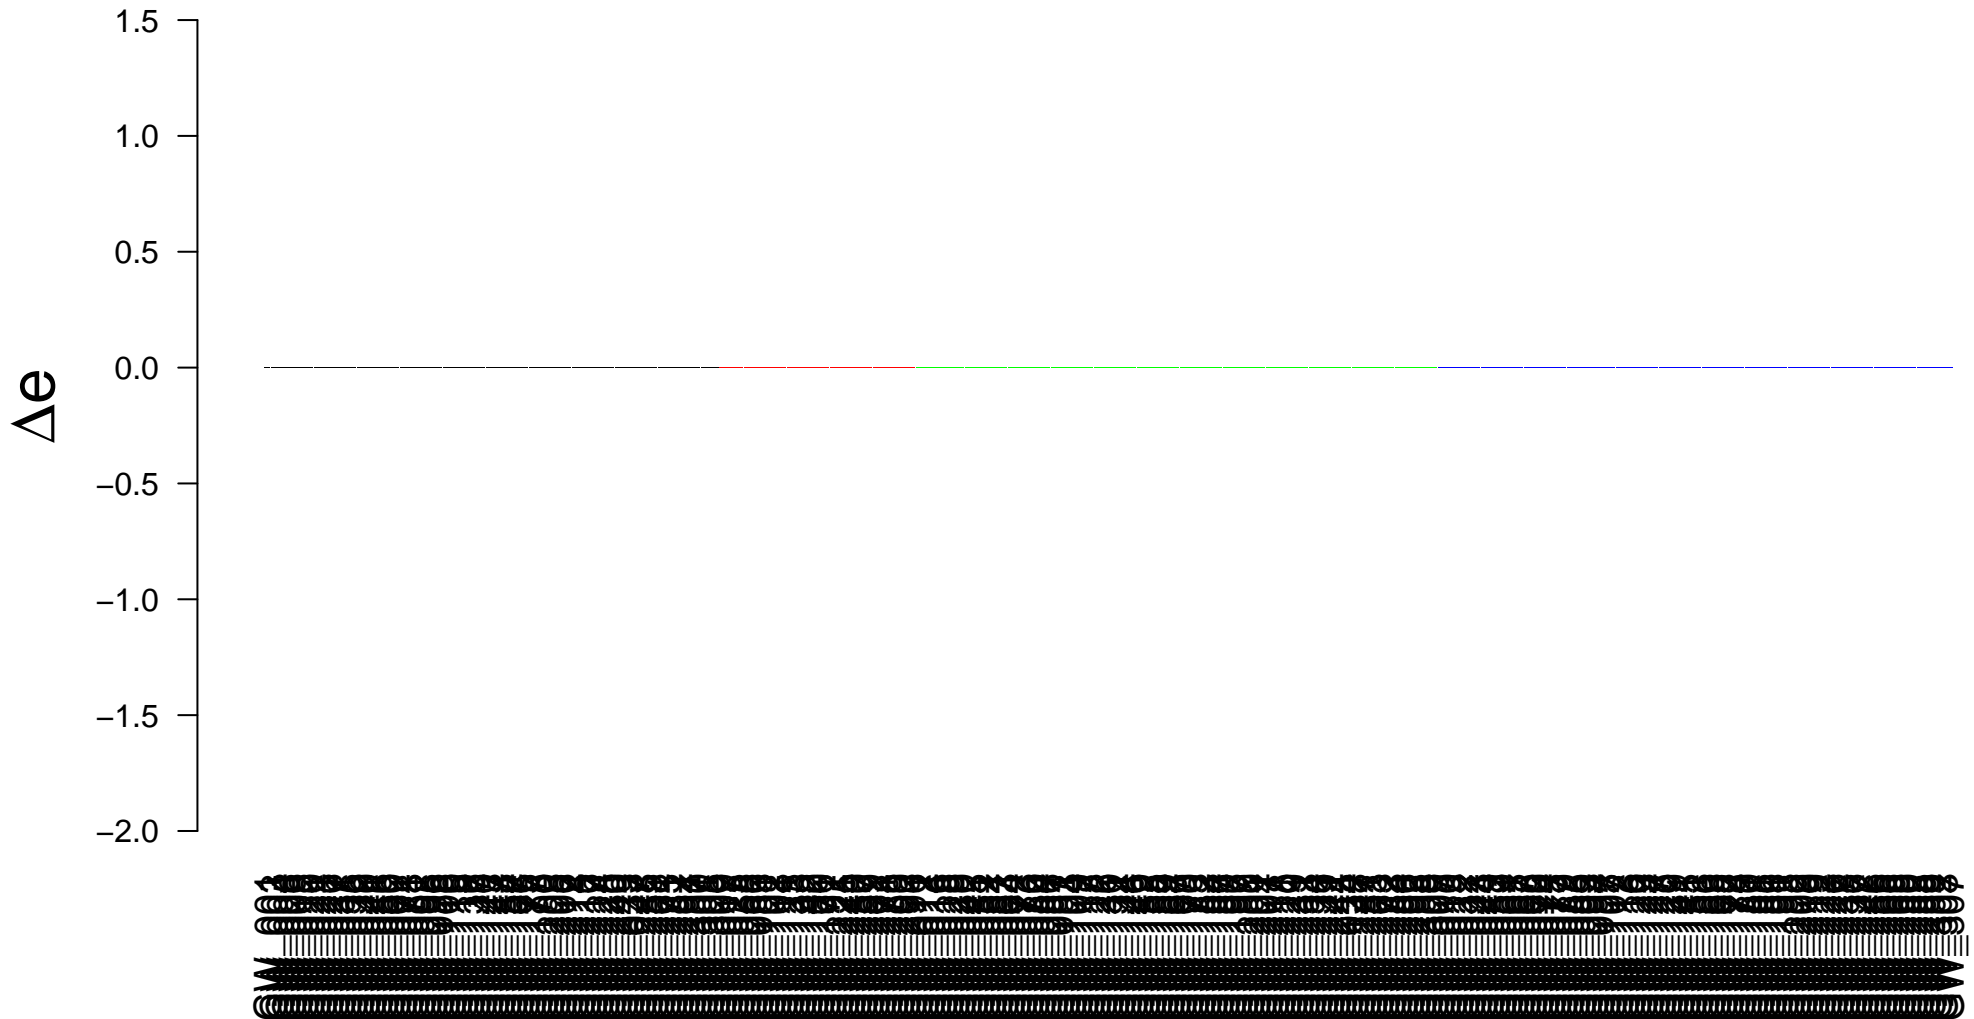

Δe

Expression of regulation of sodium ion transport in Spot P

Expression of regulation of sodium ion transport in Spot Q

Expression of regulation of sodium ion transport in Spot R
