

regulation of synaptic plasticity

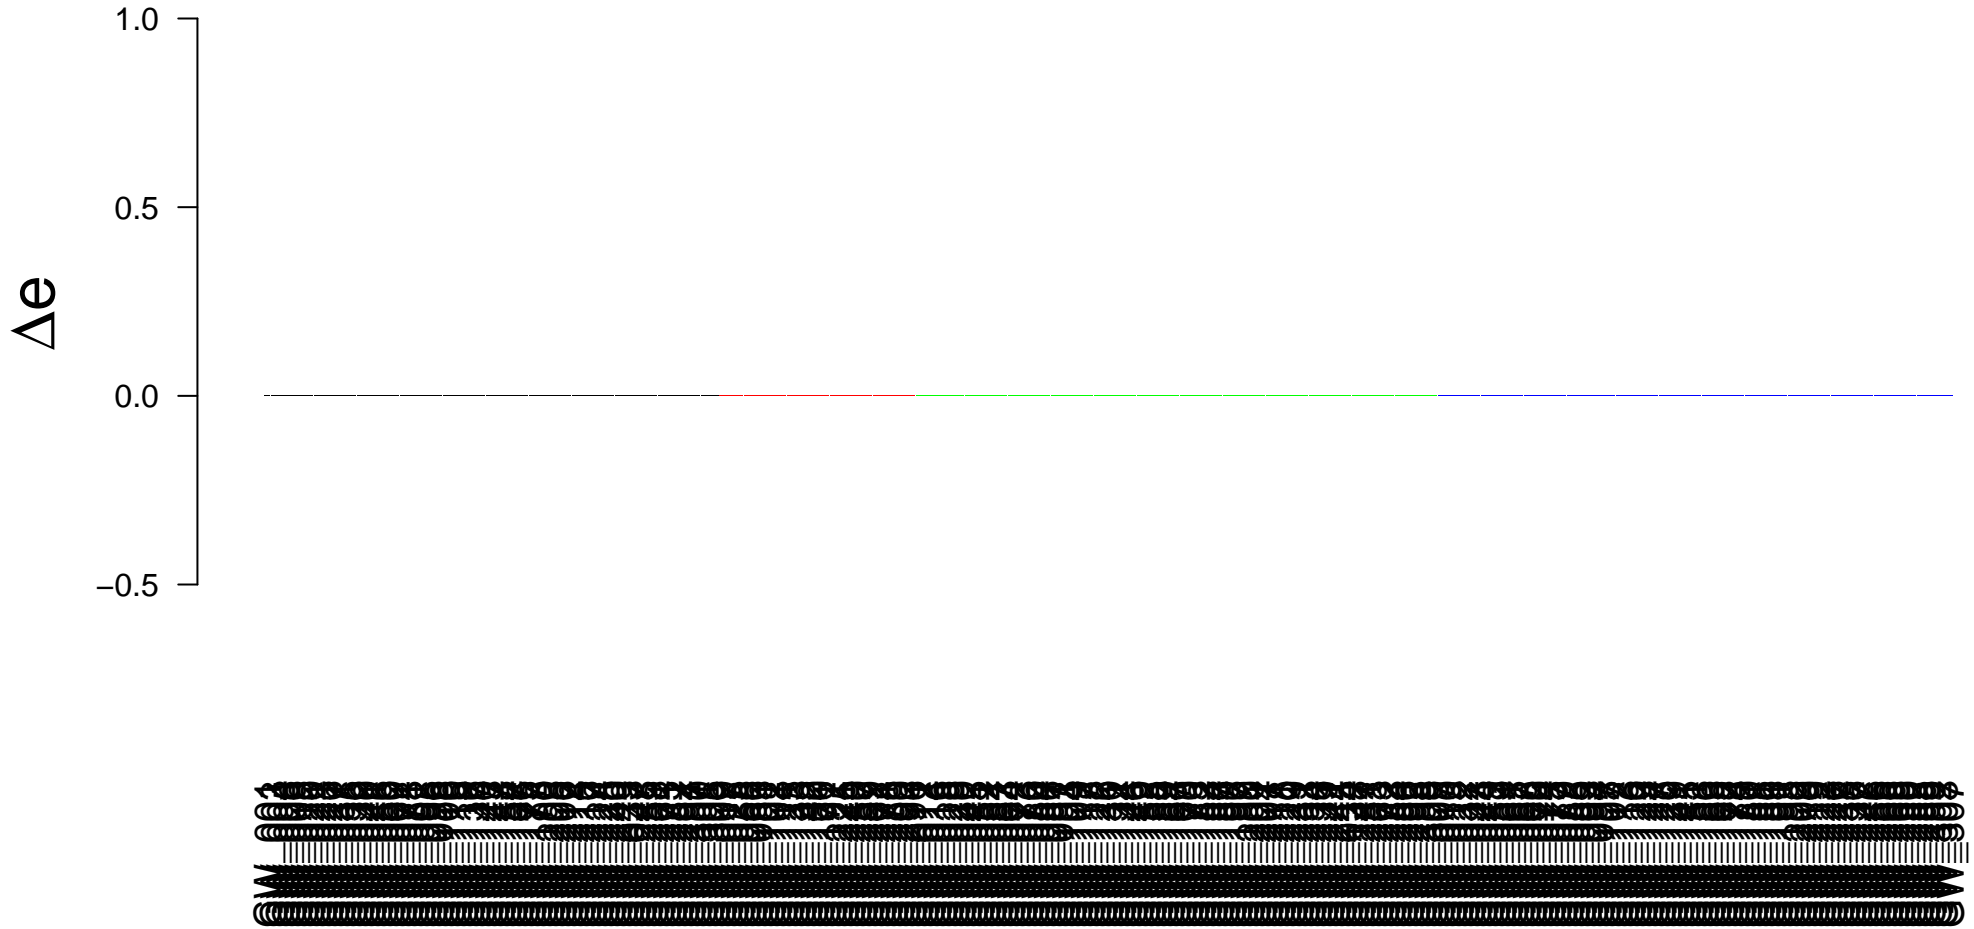

regulation of synaptic plasticity

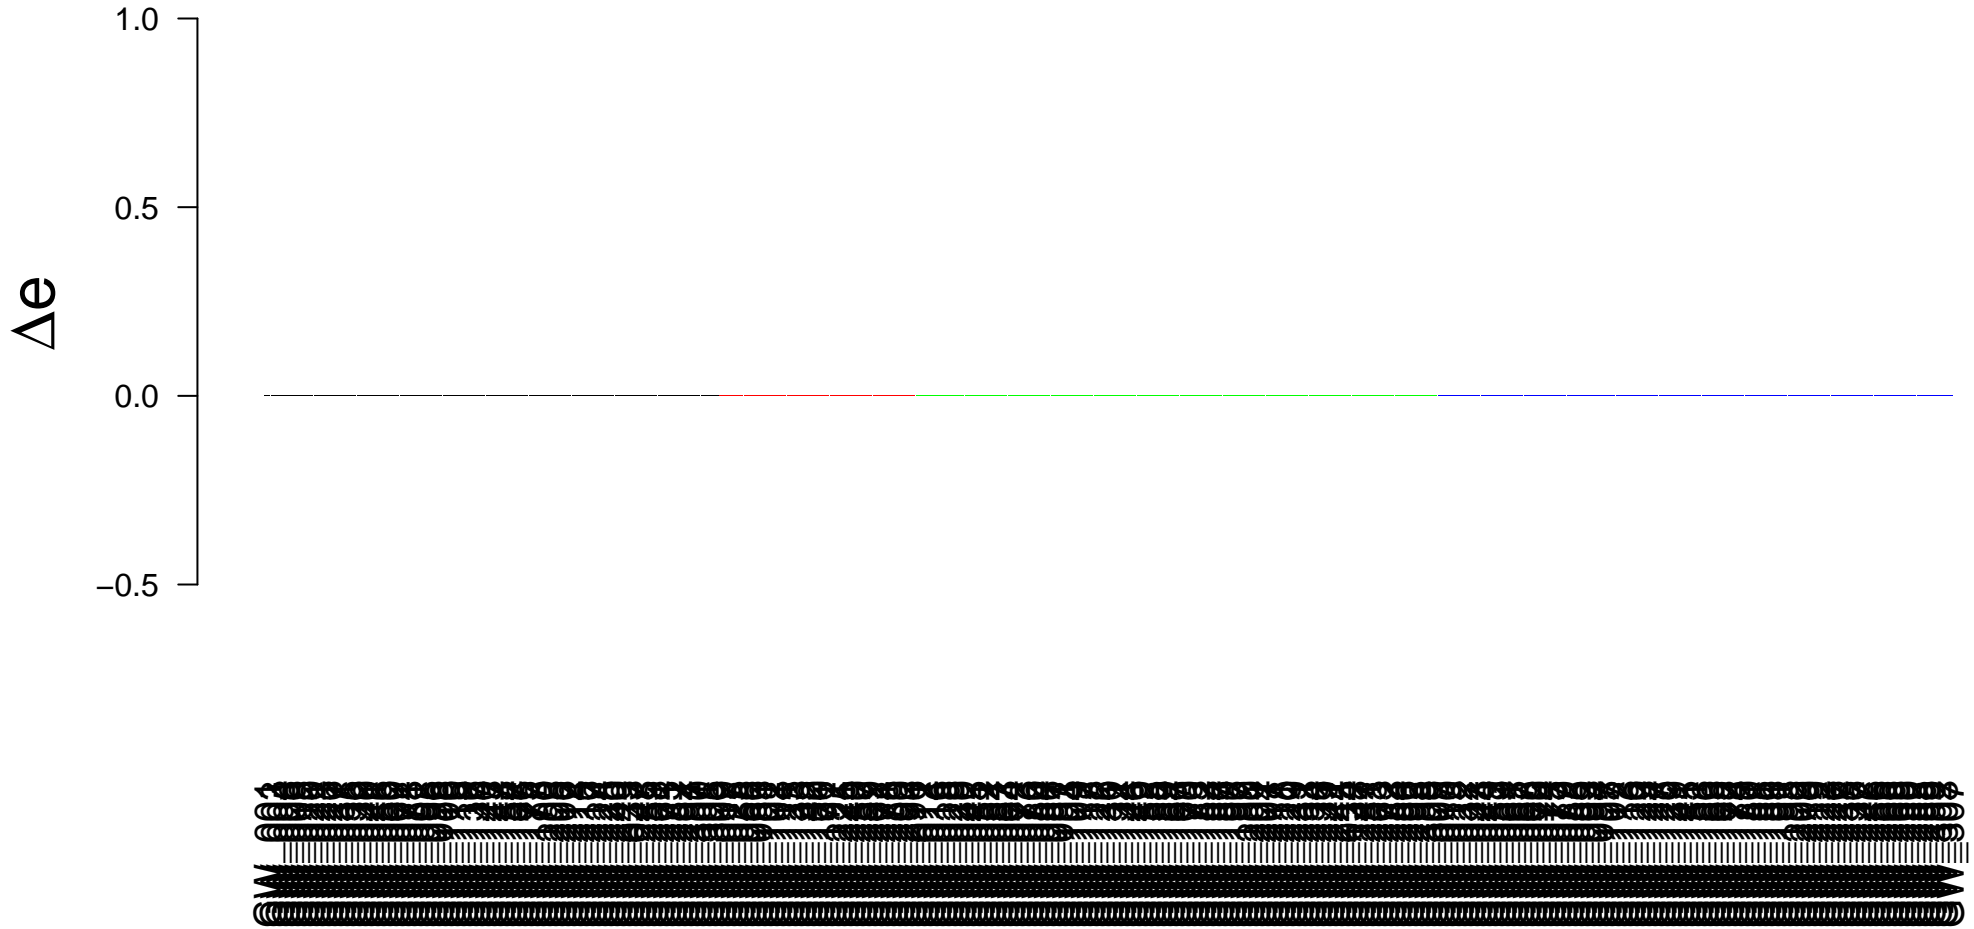

Enrichment in spots: regulation of synaptic plasticity

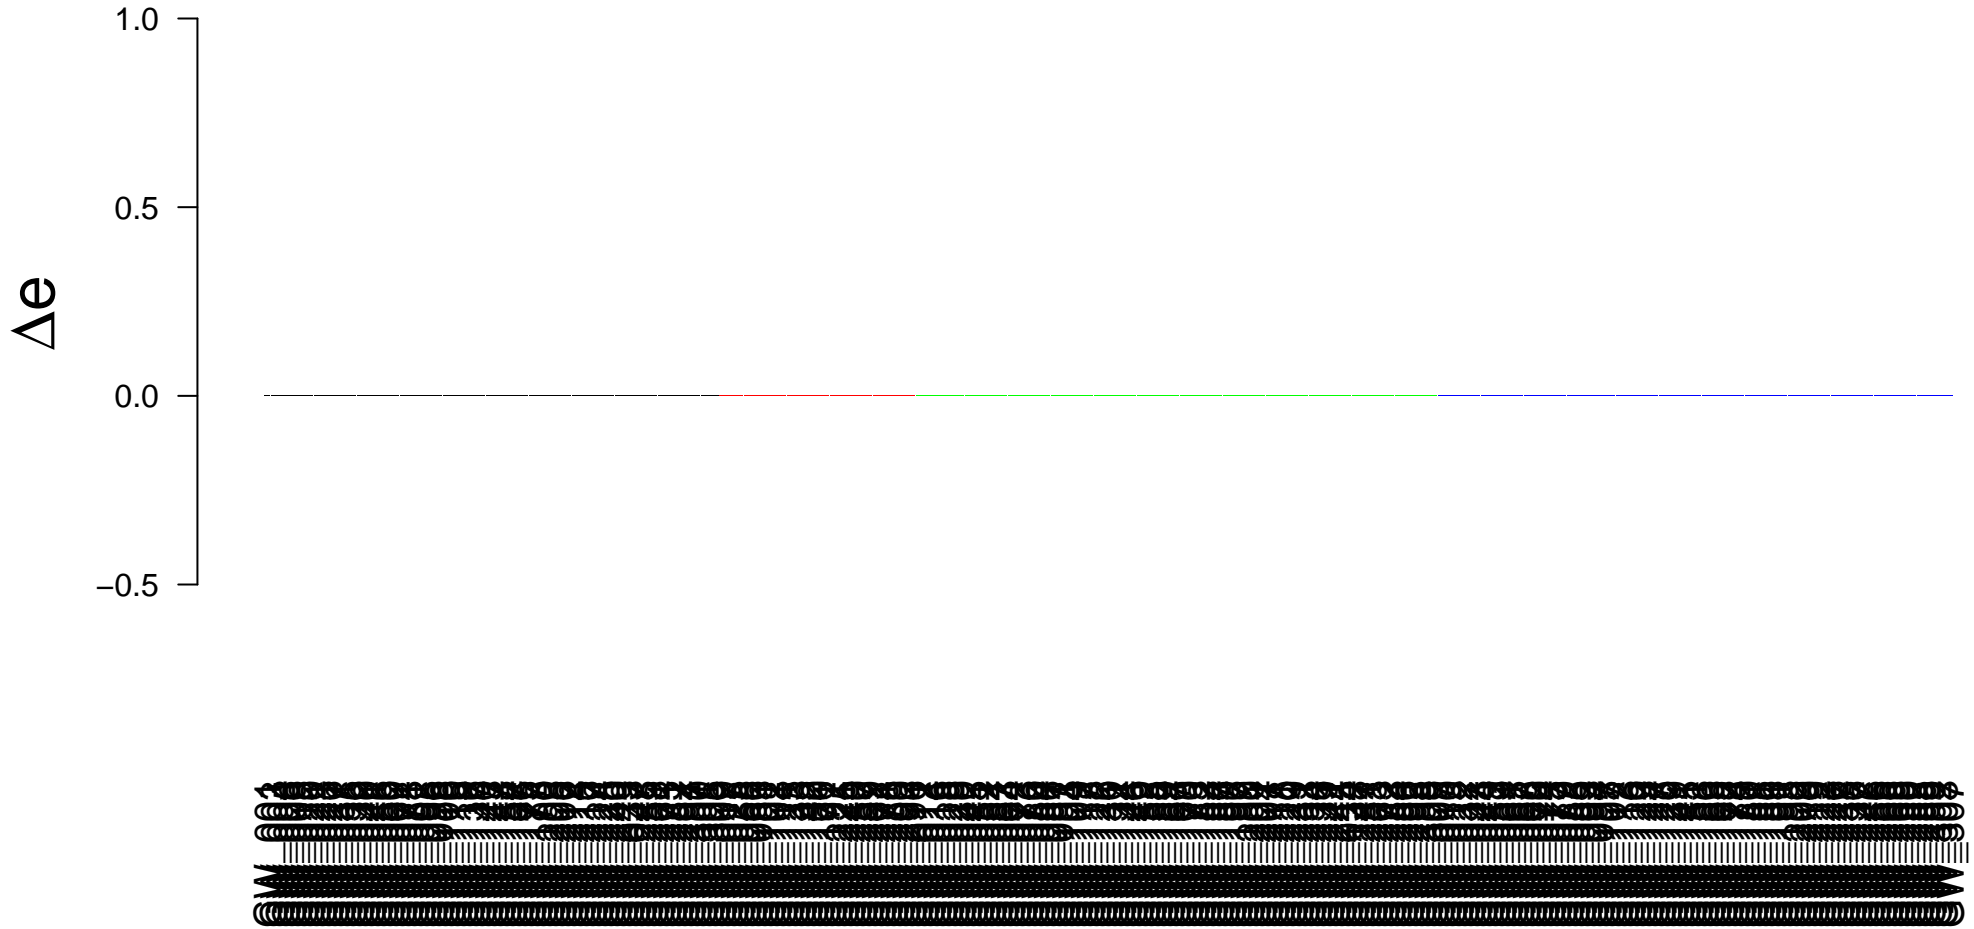

Expression of regulation of synaptic plasticity in Spot A

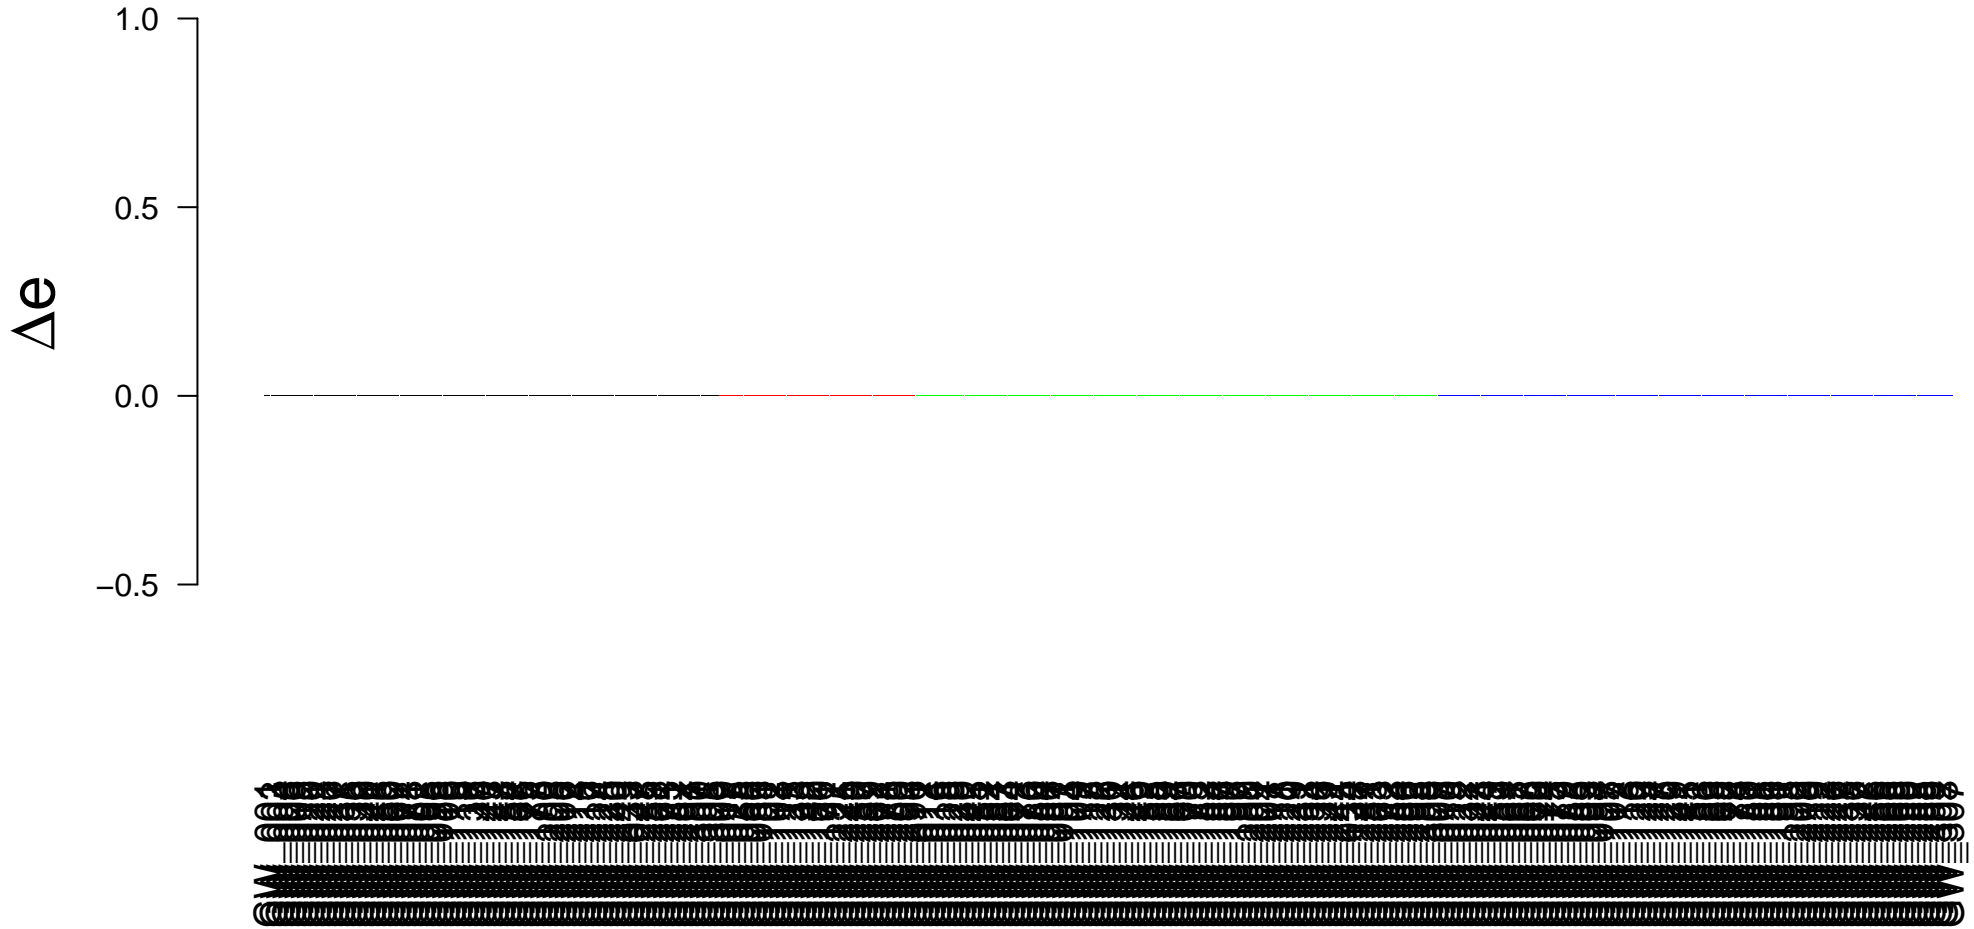

Expression of regulation of synaptic plasticity in Spot B

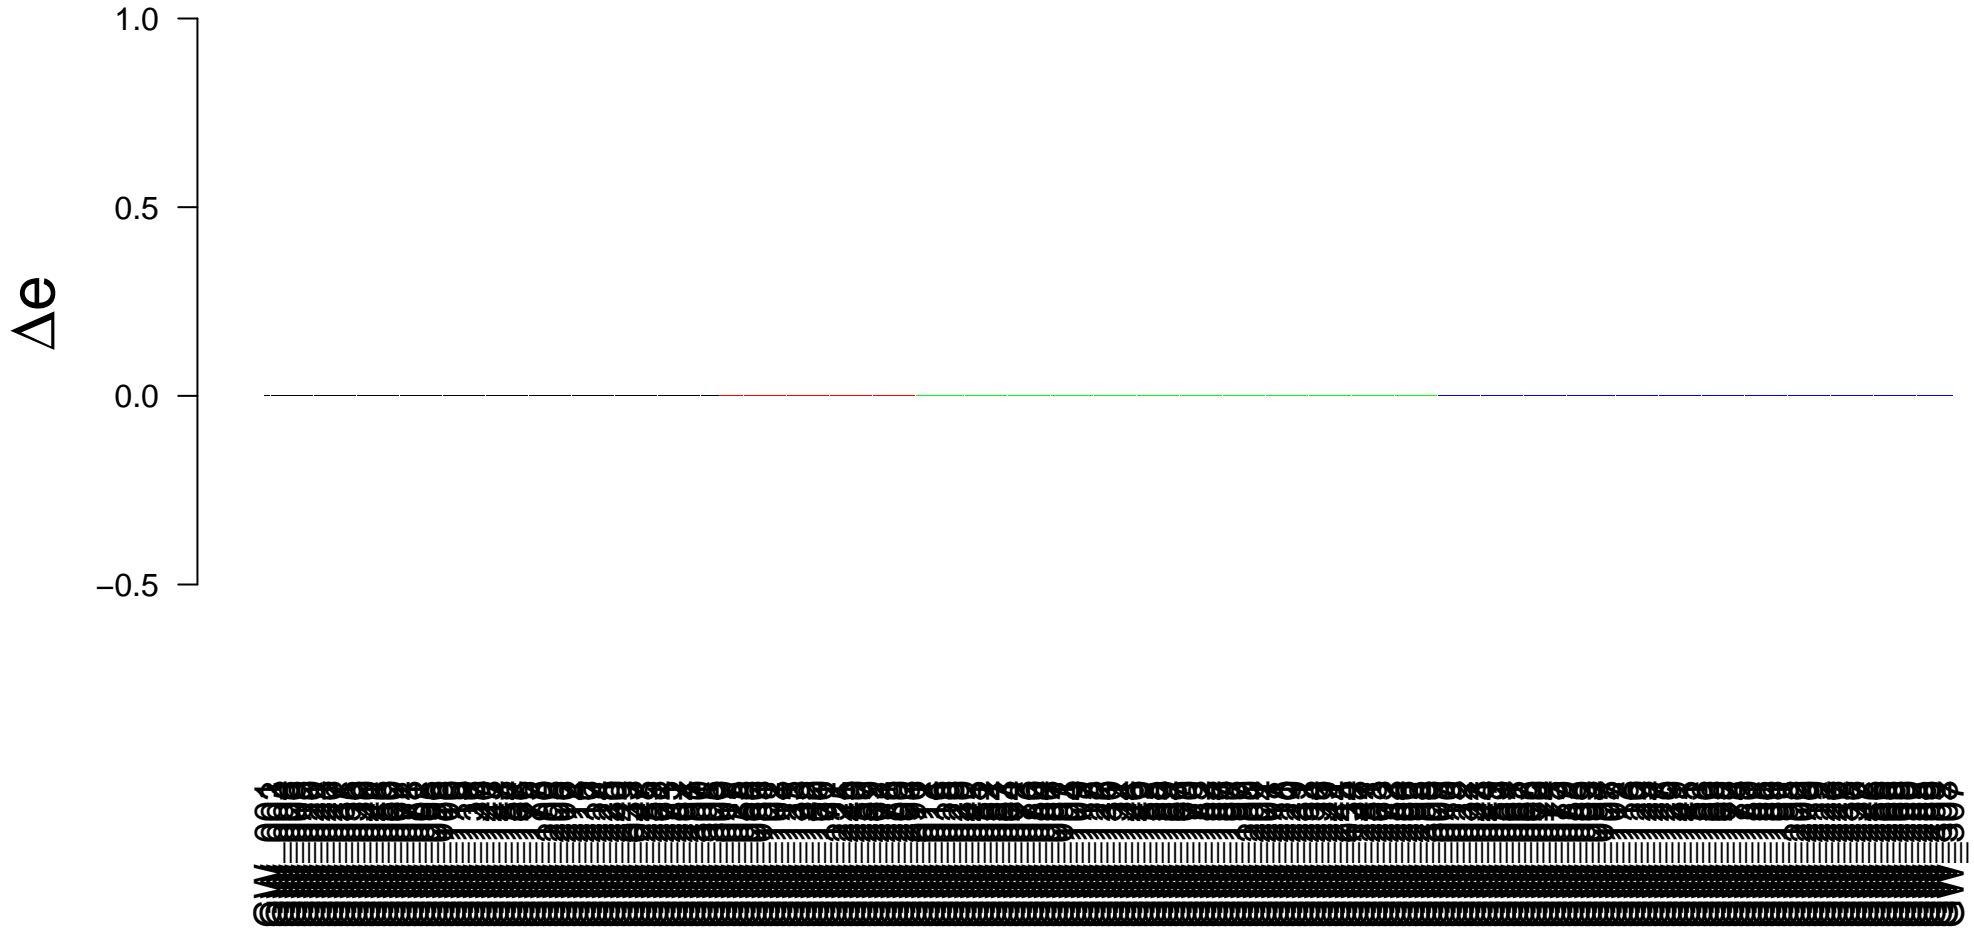

Expression of regulation of synaptic plasticity in Spot C

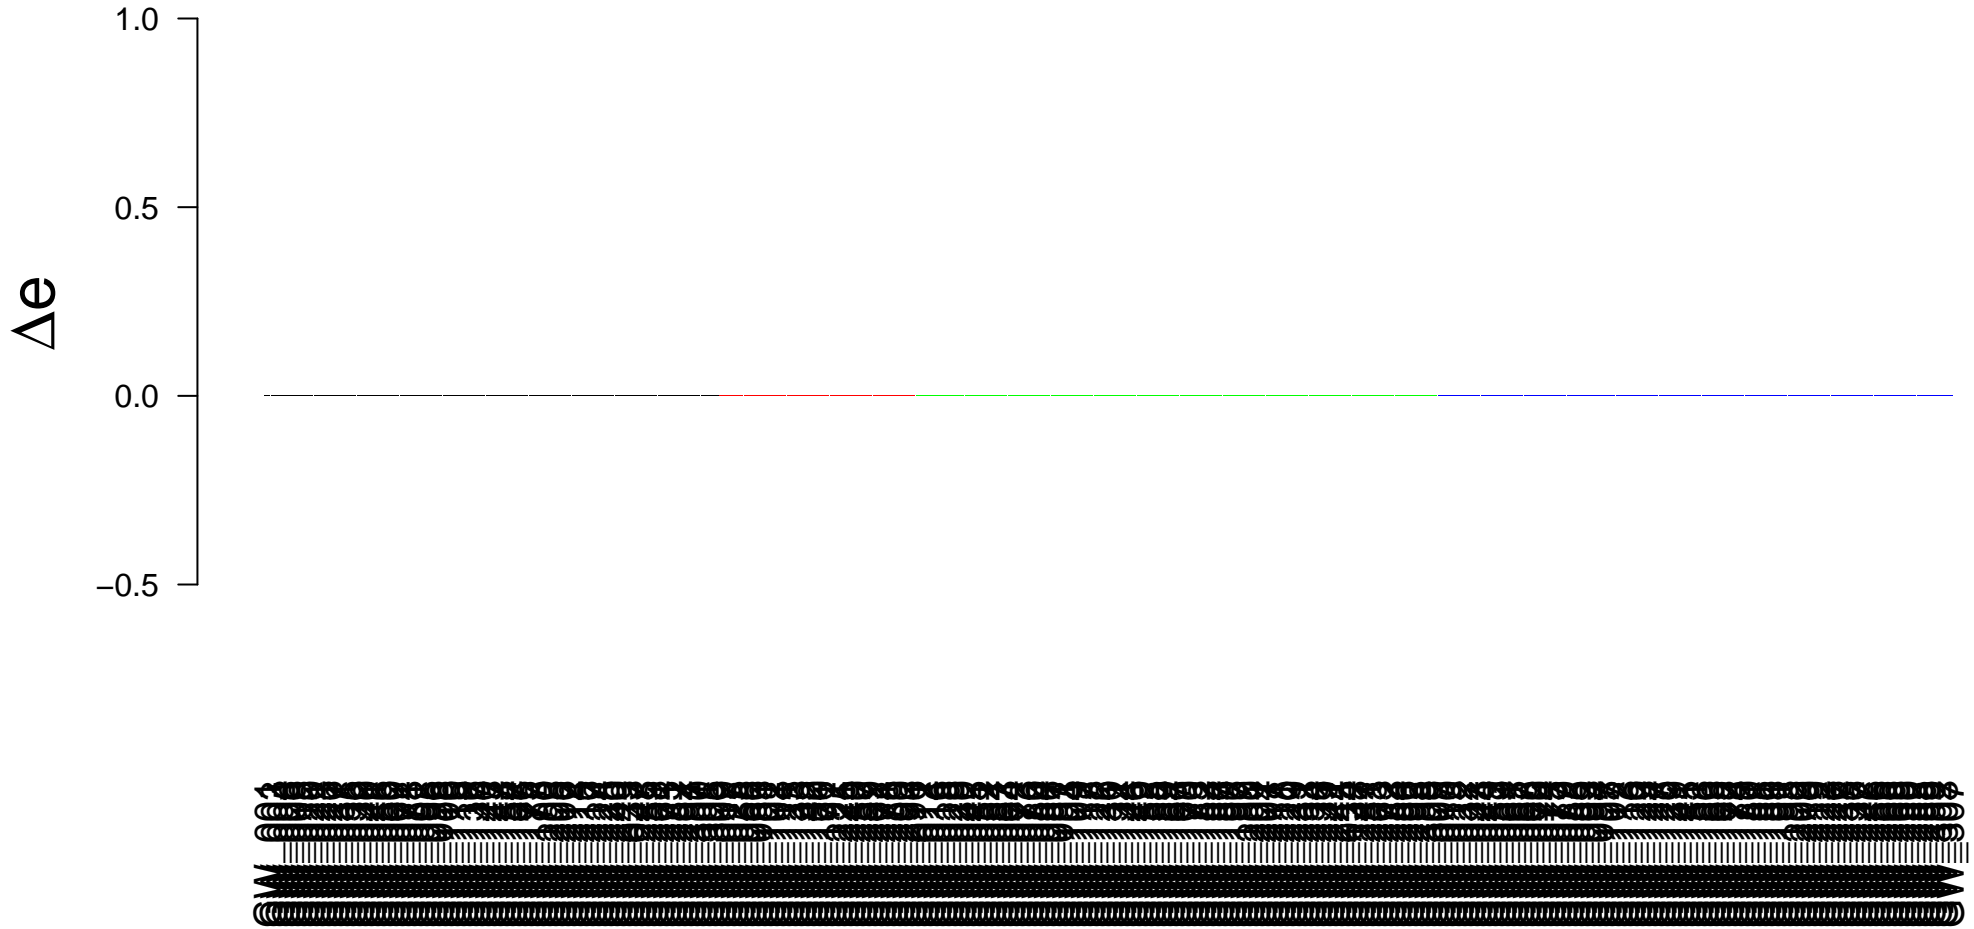

Expression of regulation of synaptic plasticity in Spot D

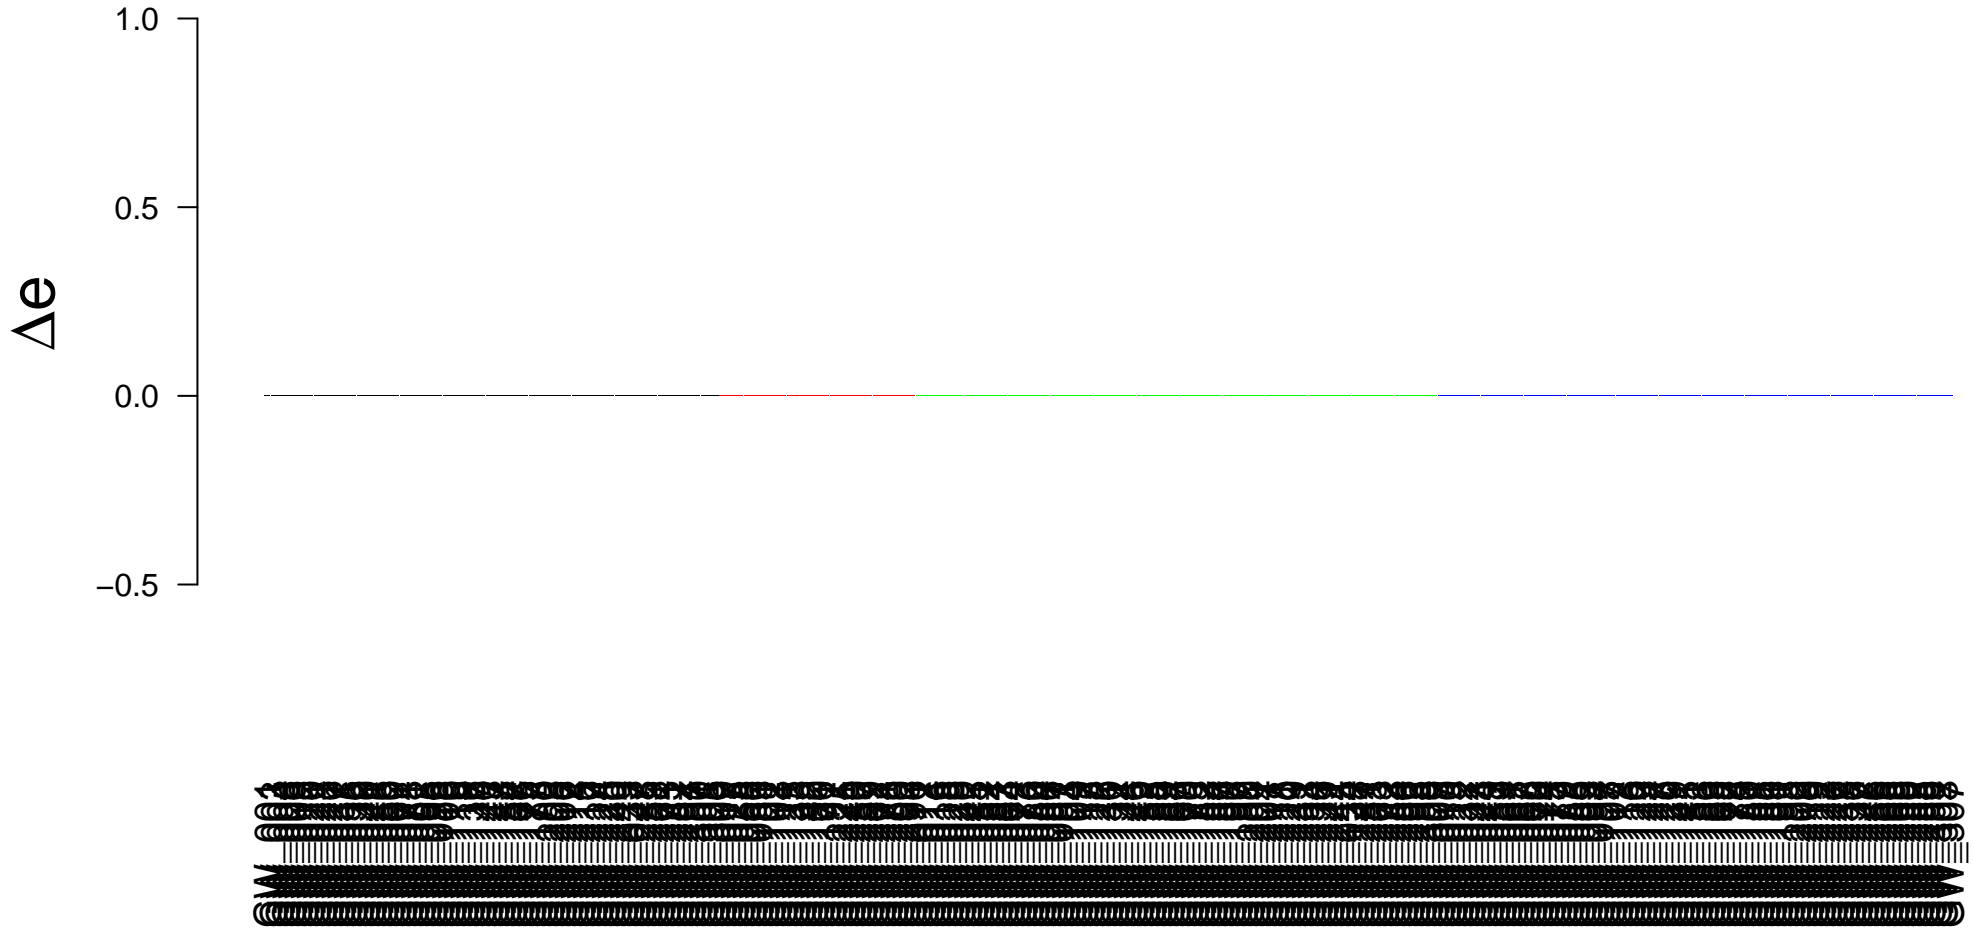

Expression of regulation of synaptic plasticity in Spot E

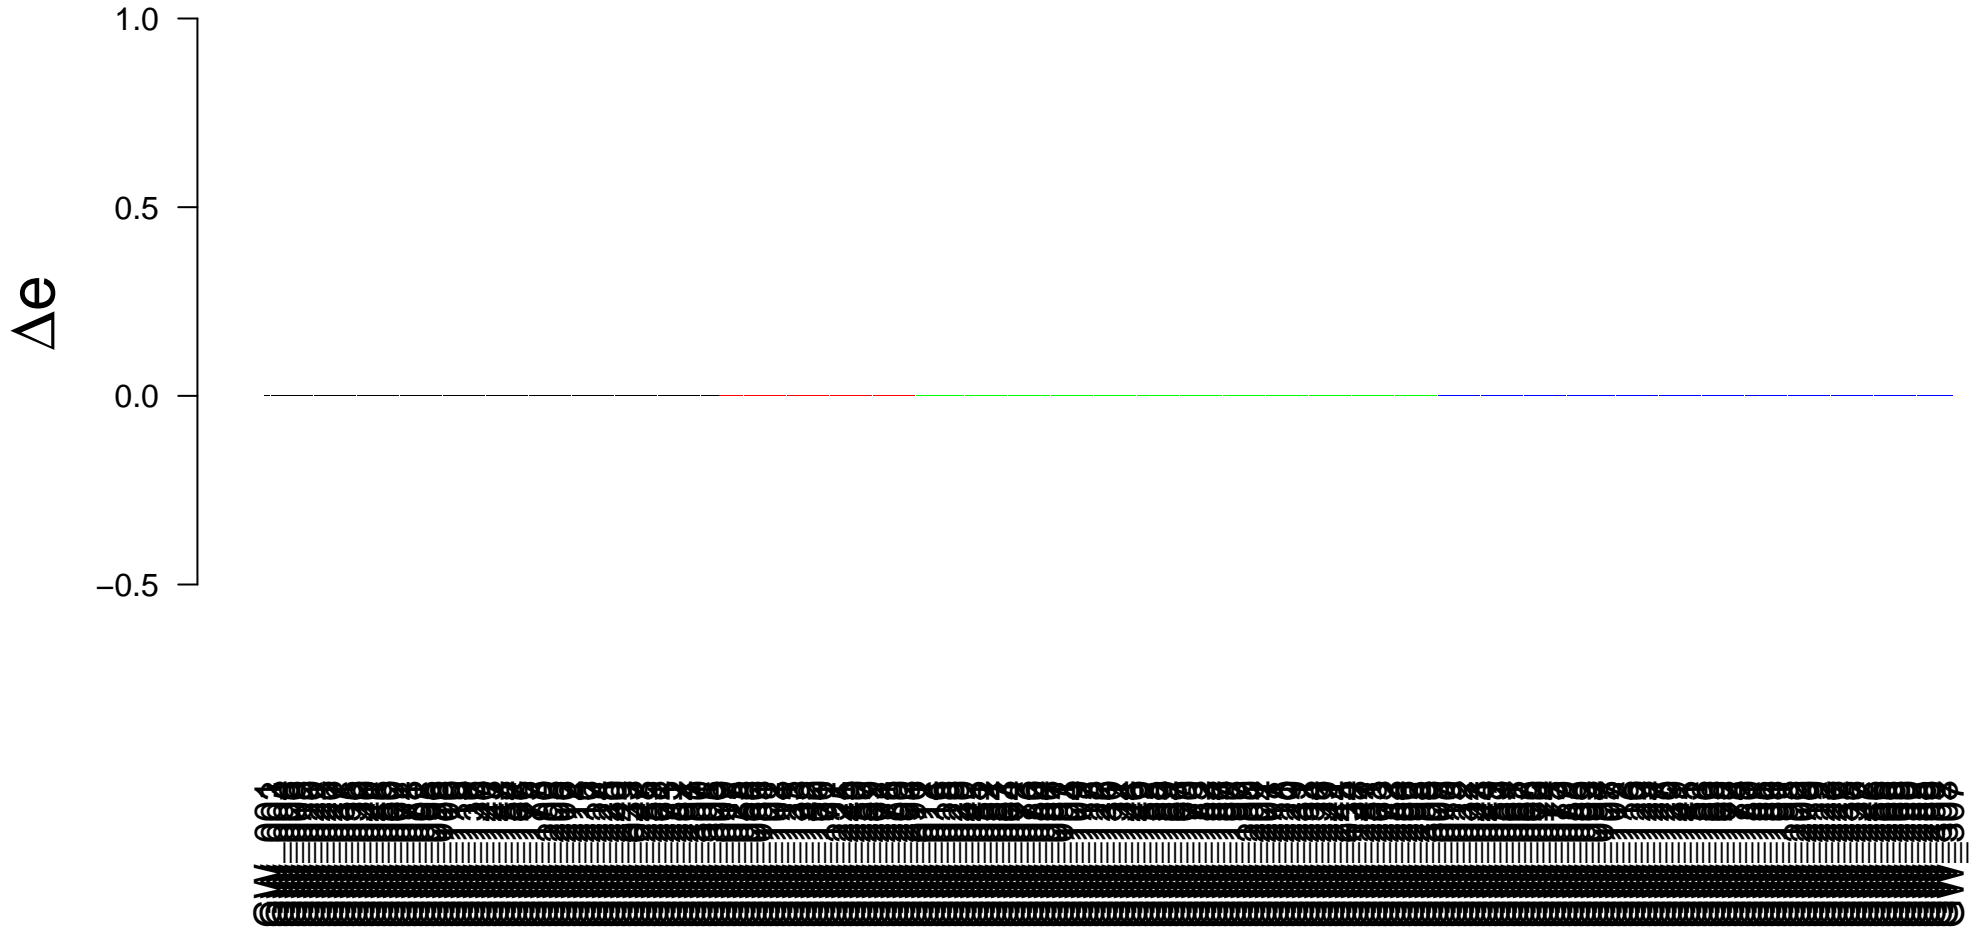

Expression of regulation of synaptic plasticity in Spot F

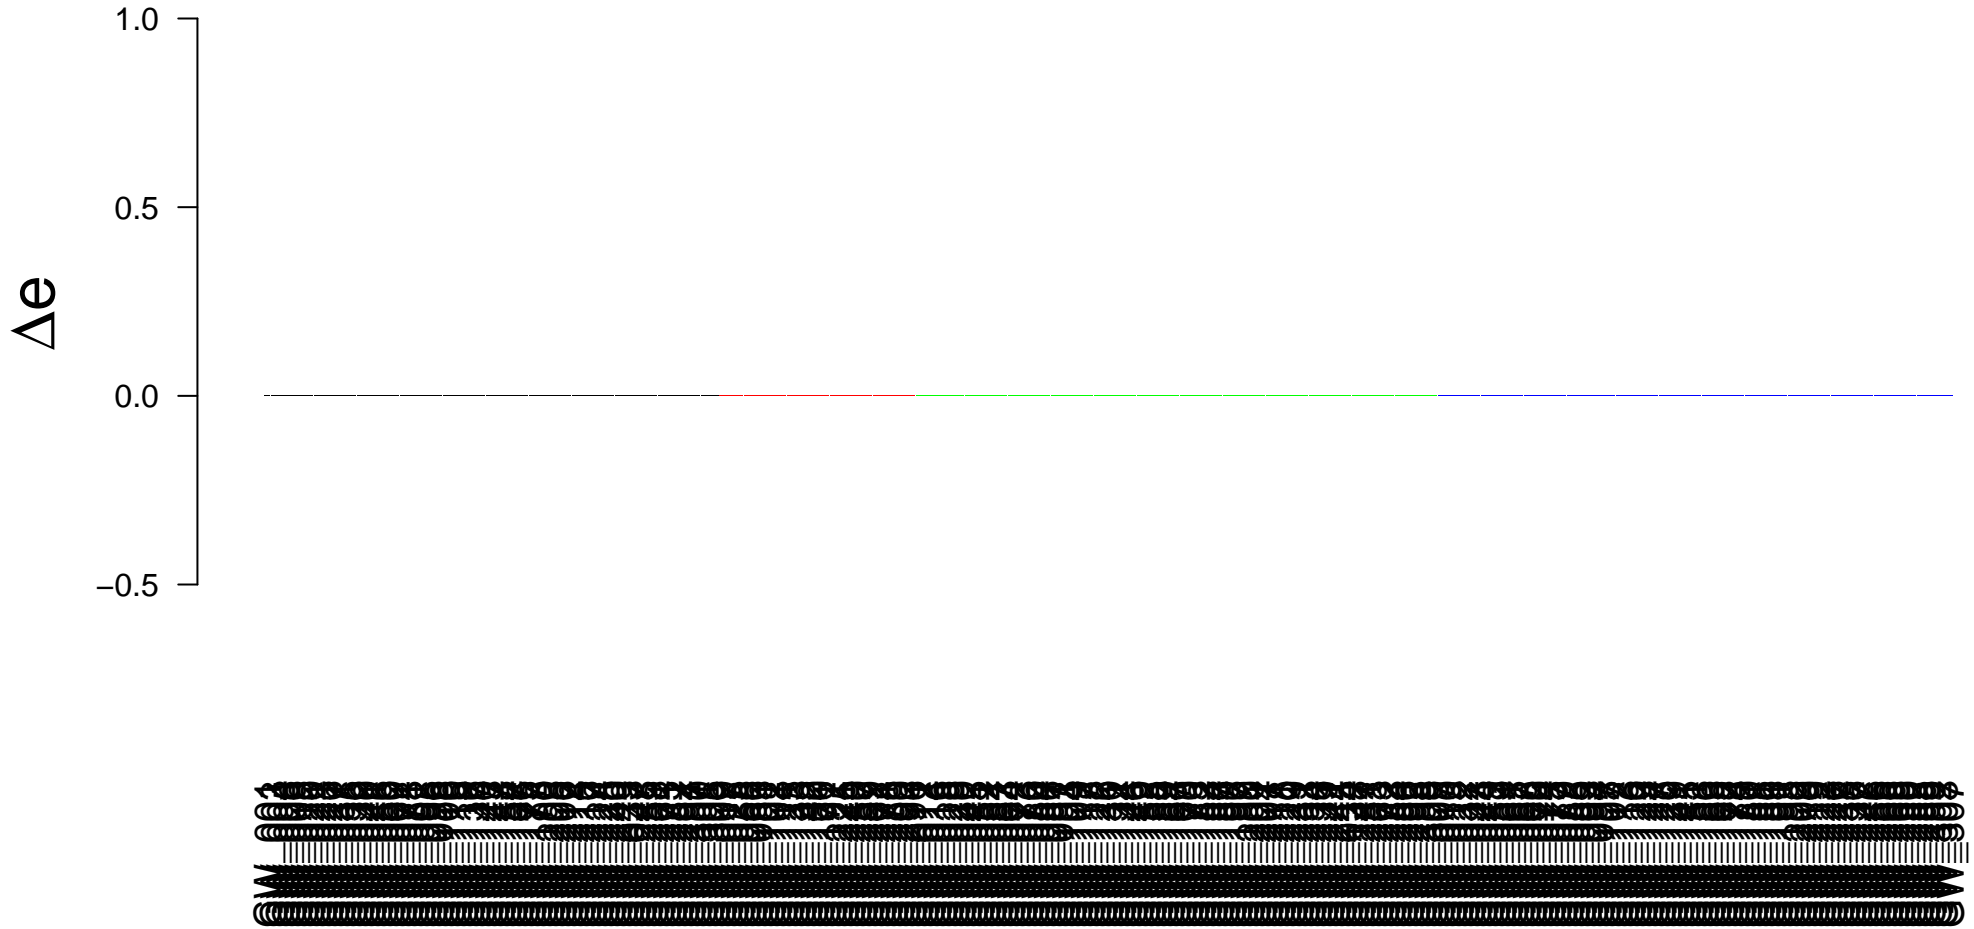

Expression of regulation of synaptic plasticity in Spot G

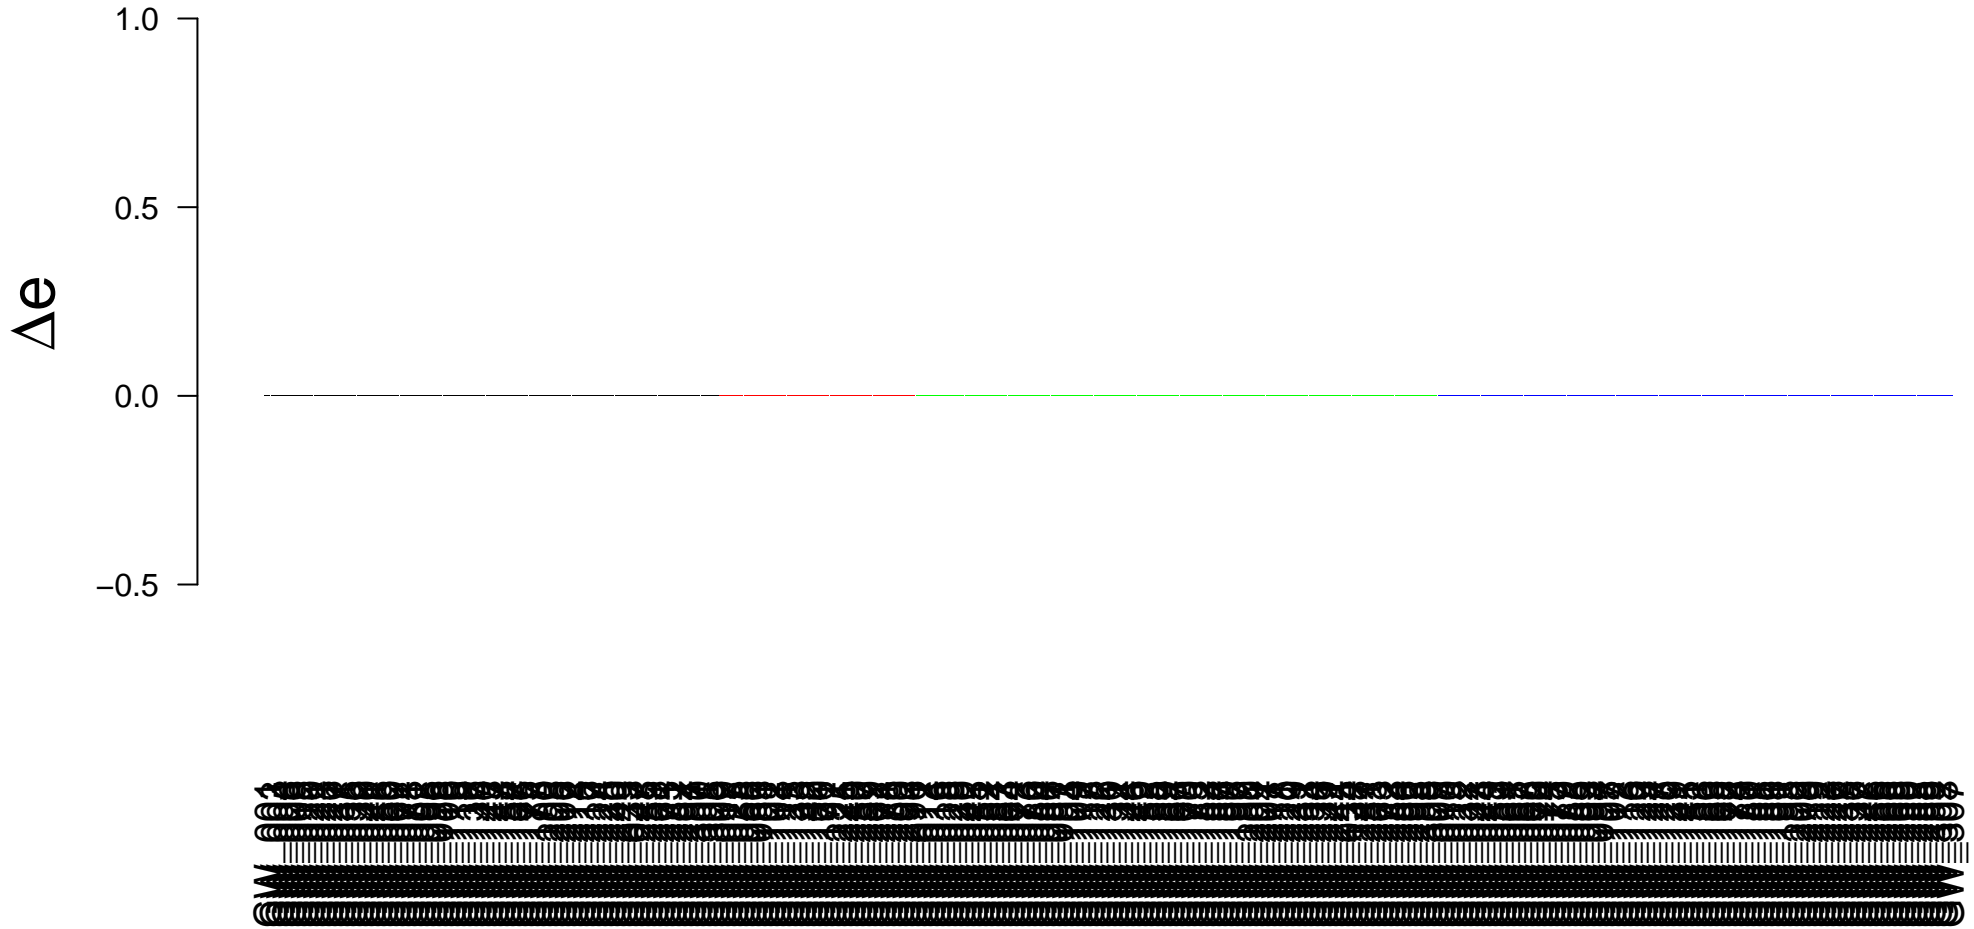

Expression of regulation of synaptic plasticity in Spot H

Expression of regulation of synaptic plasticity in Spot I

Expression of regulation of synaptic plasticity in Spot J

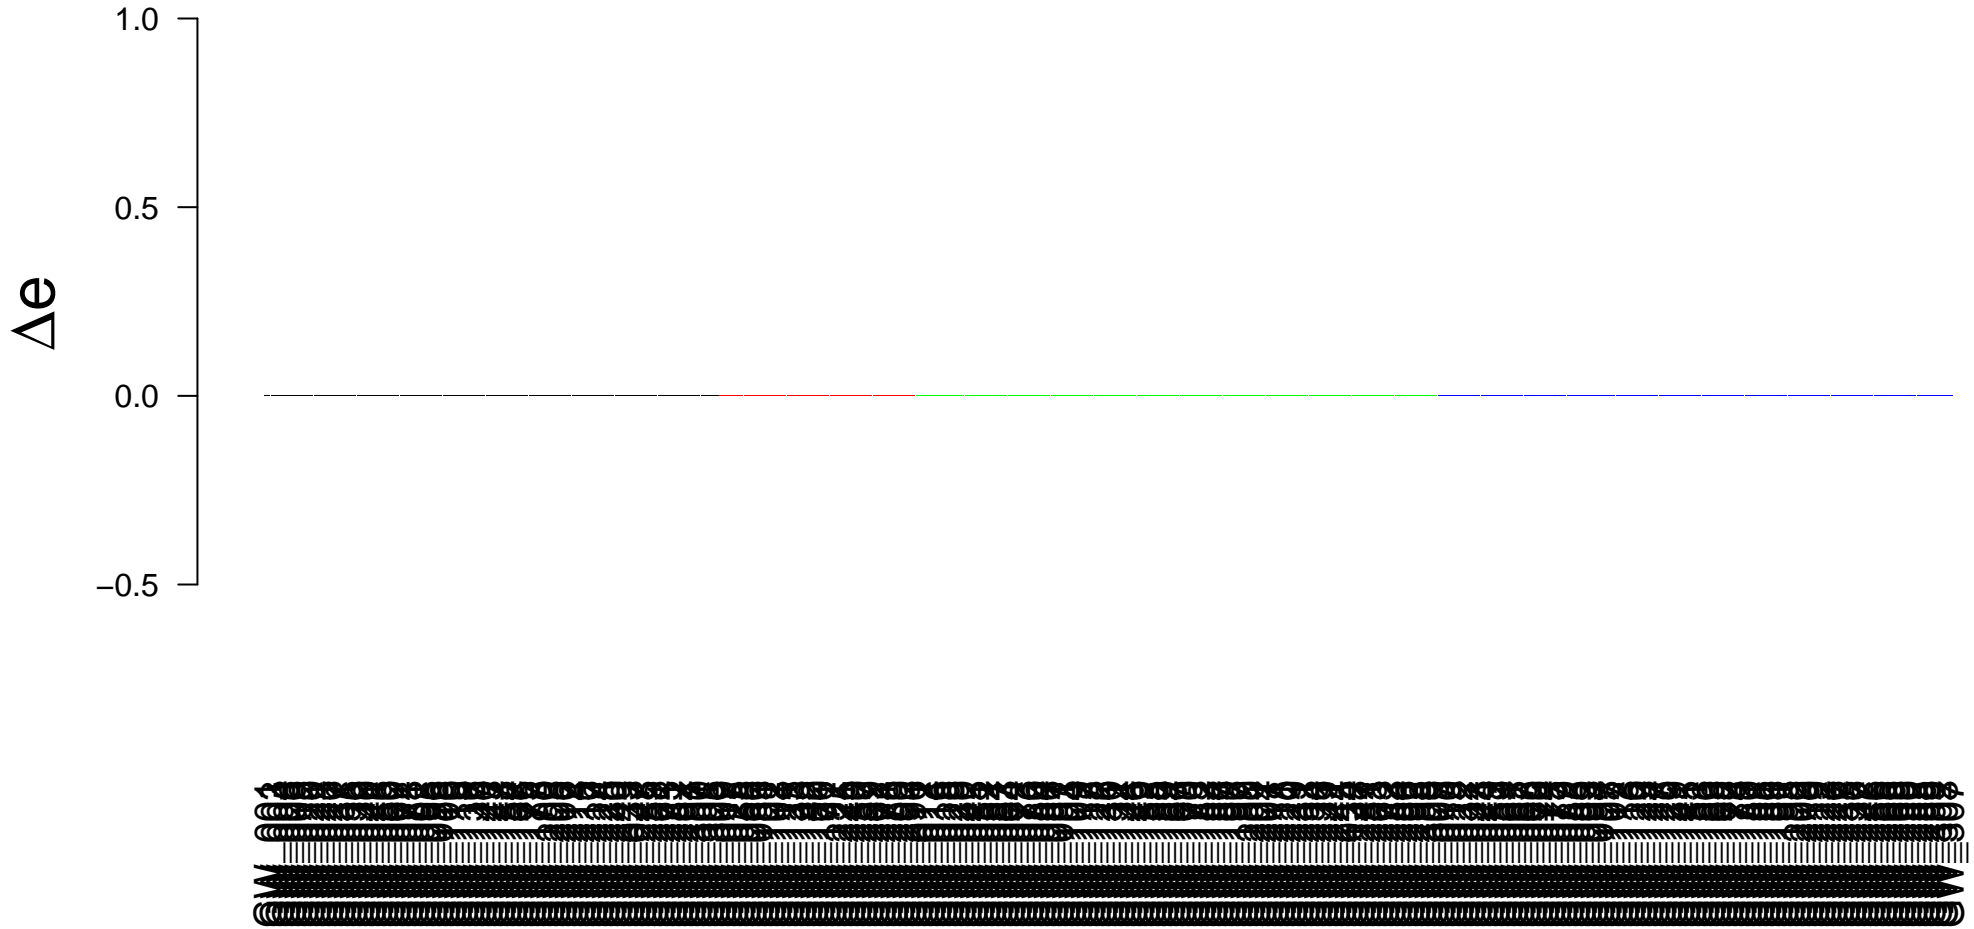

Expression of regulation of synaptic plasticity in Spot K
