

regulation of synaptic transmission

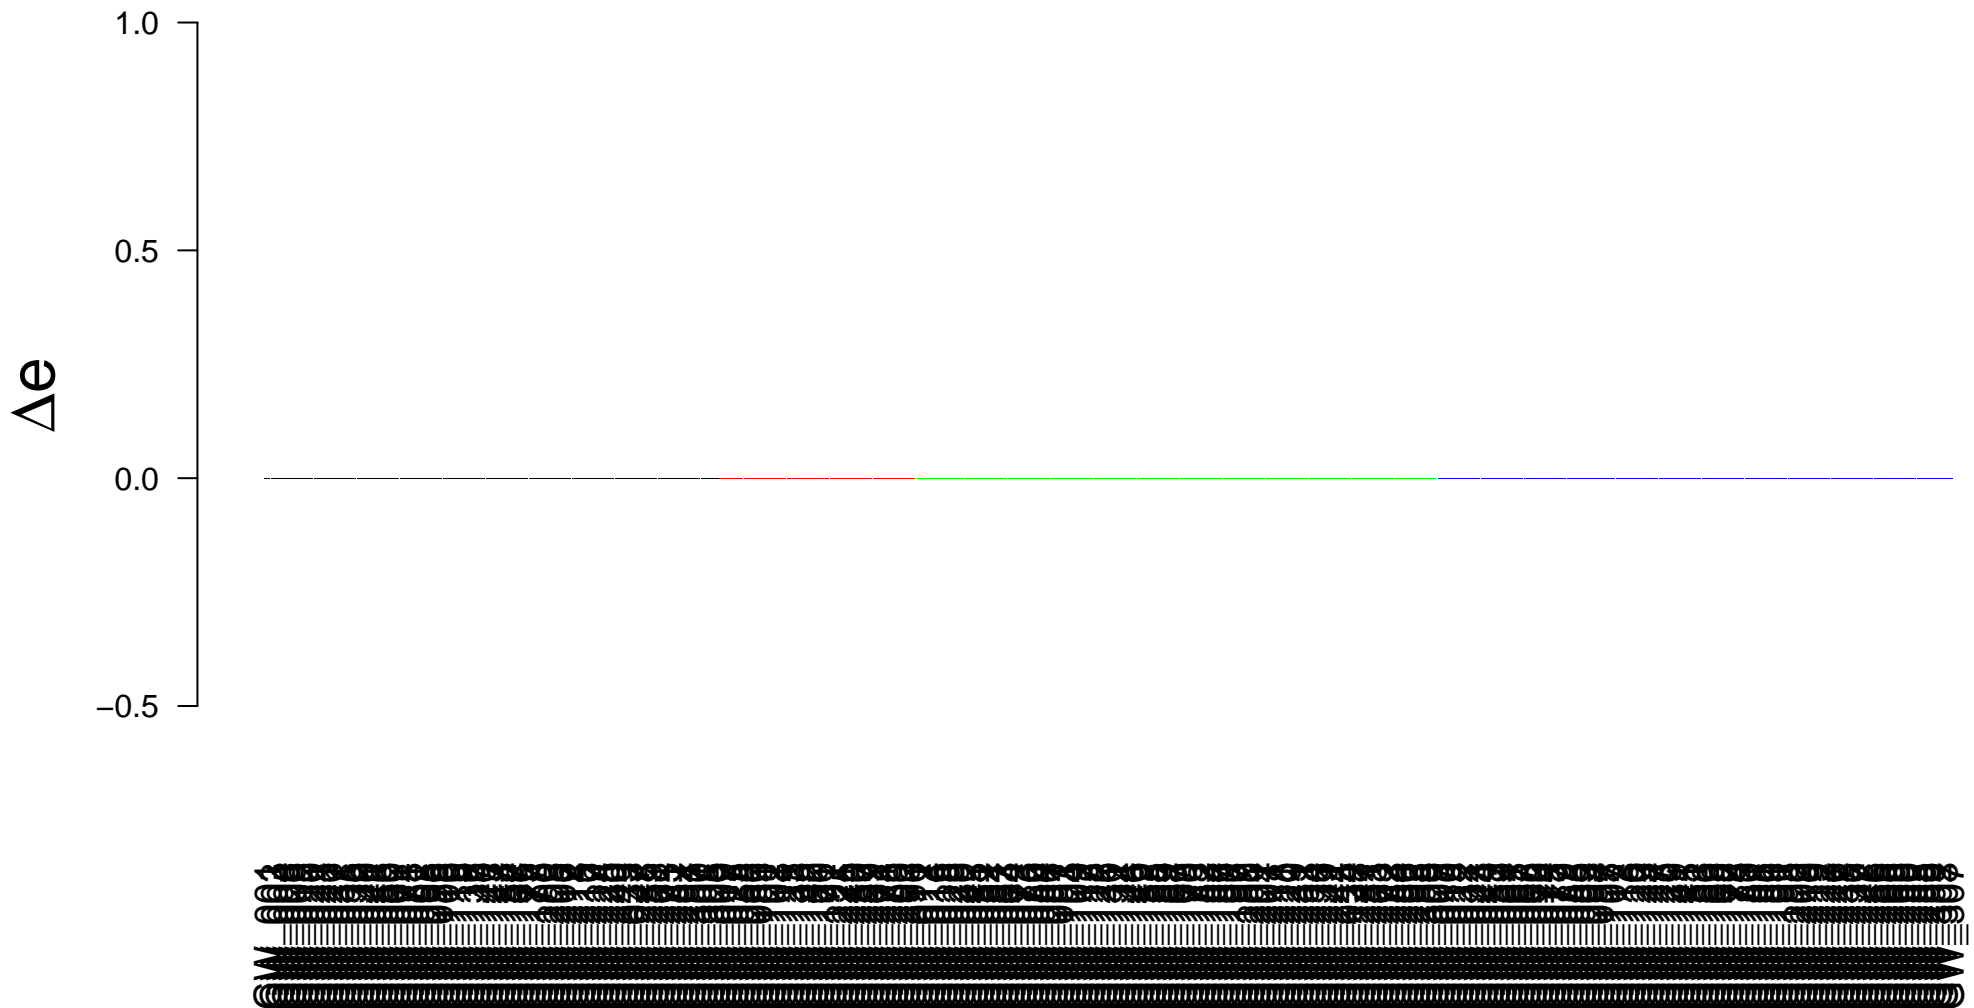

regulation of synaptic transmission

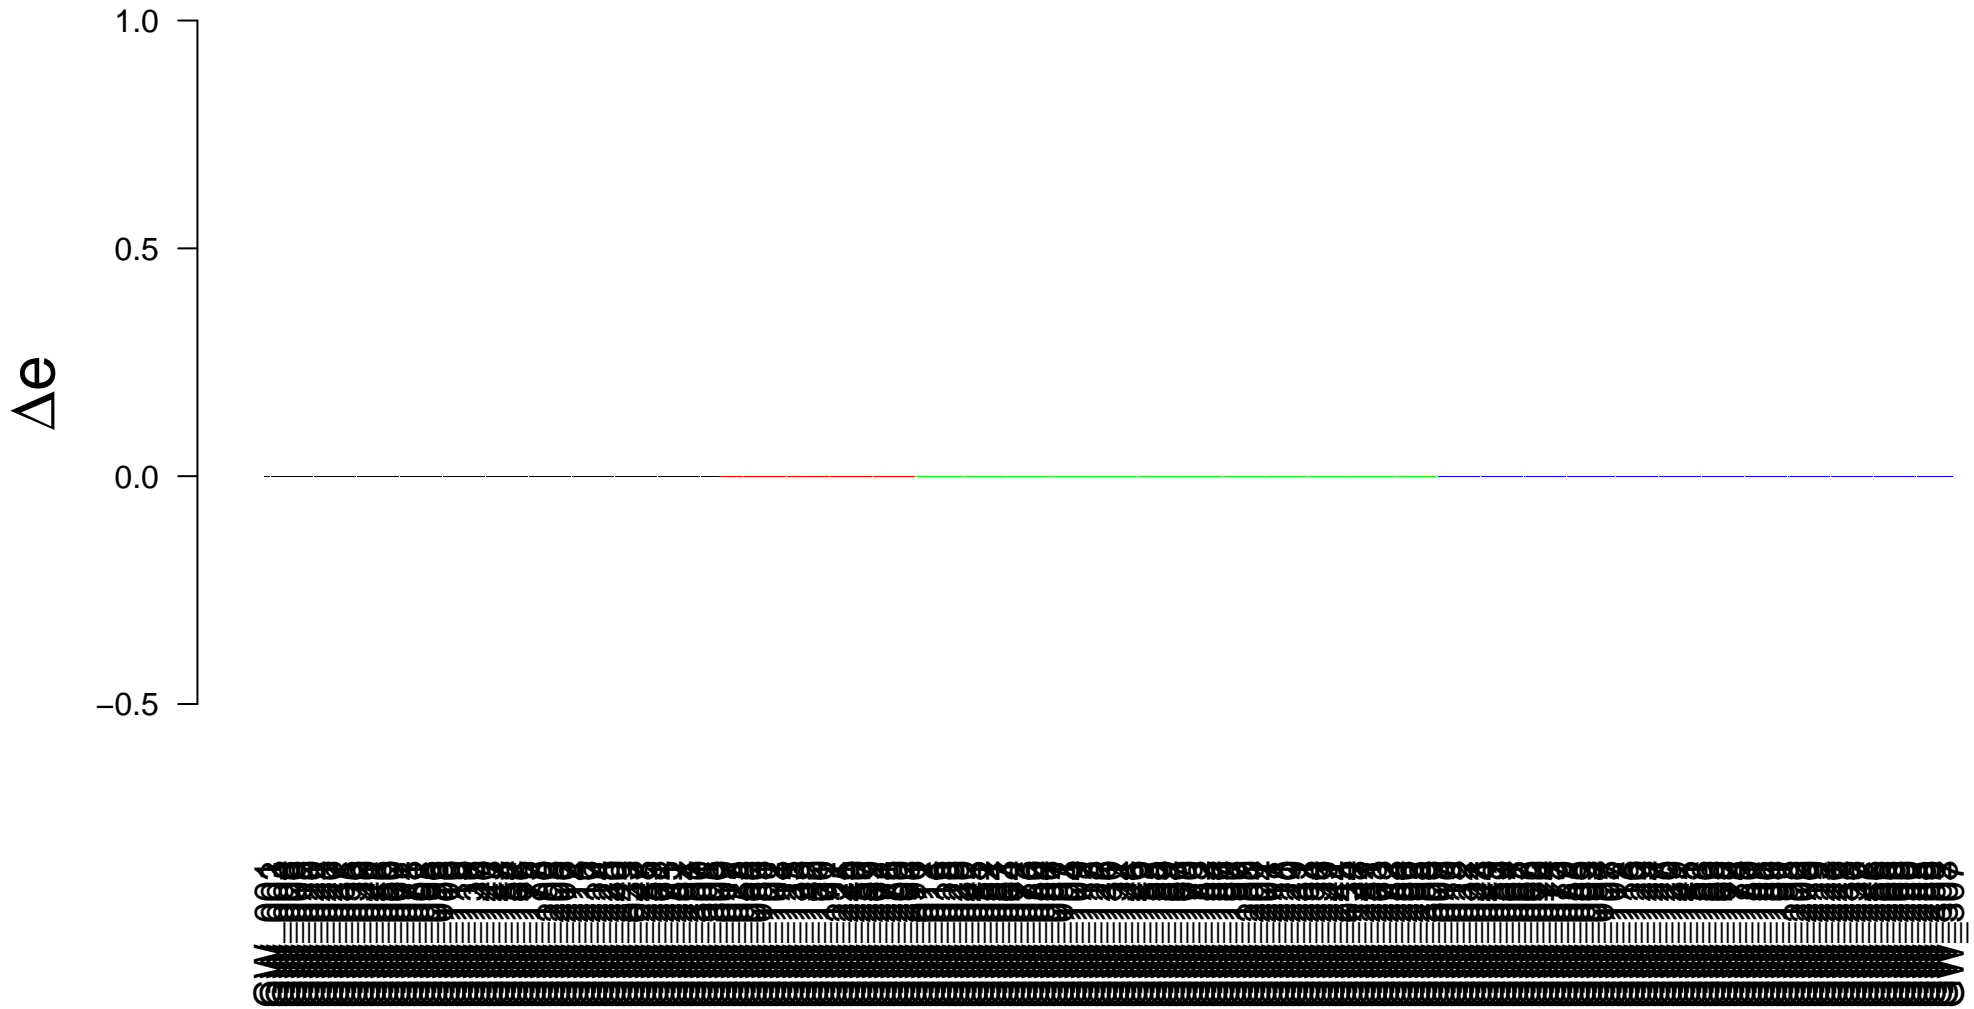

Enrichment in spots: regulation of synaptic transmission

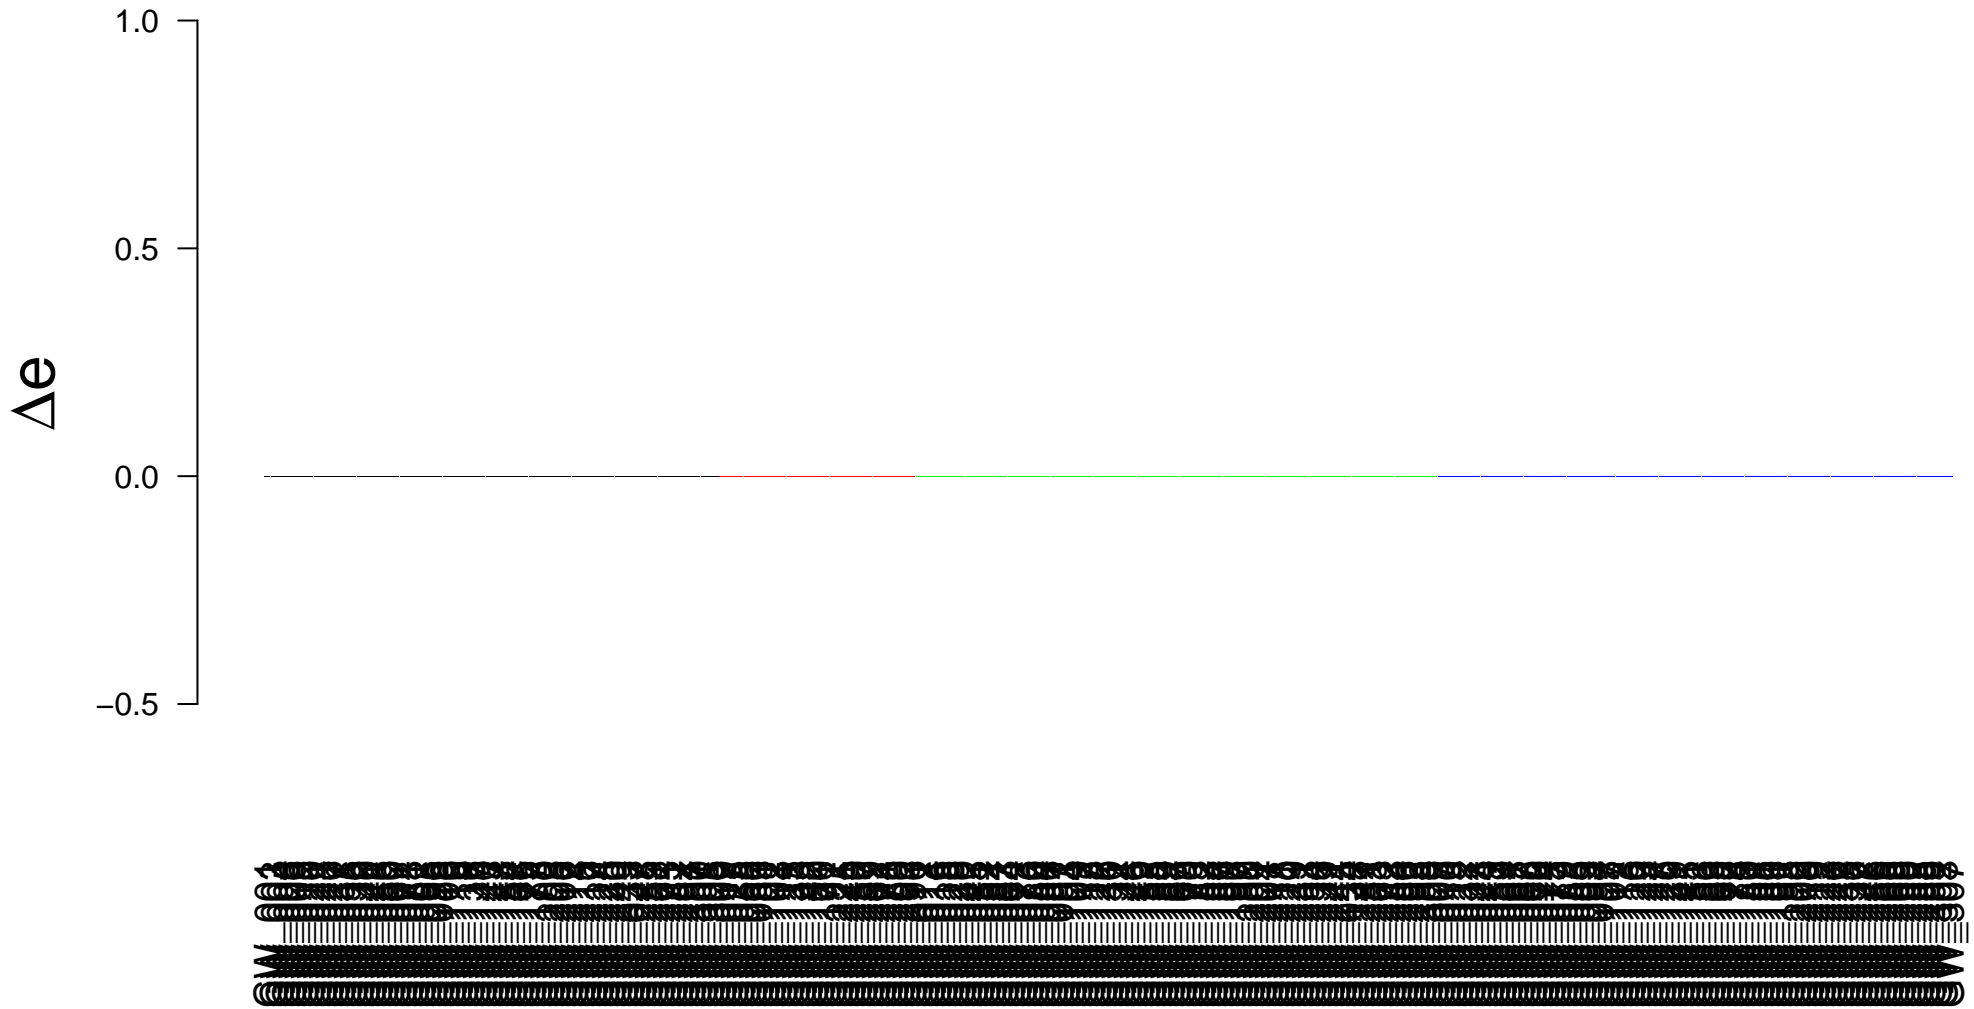

Expression of regulation of synaptic transmission in Spot A

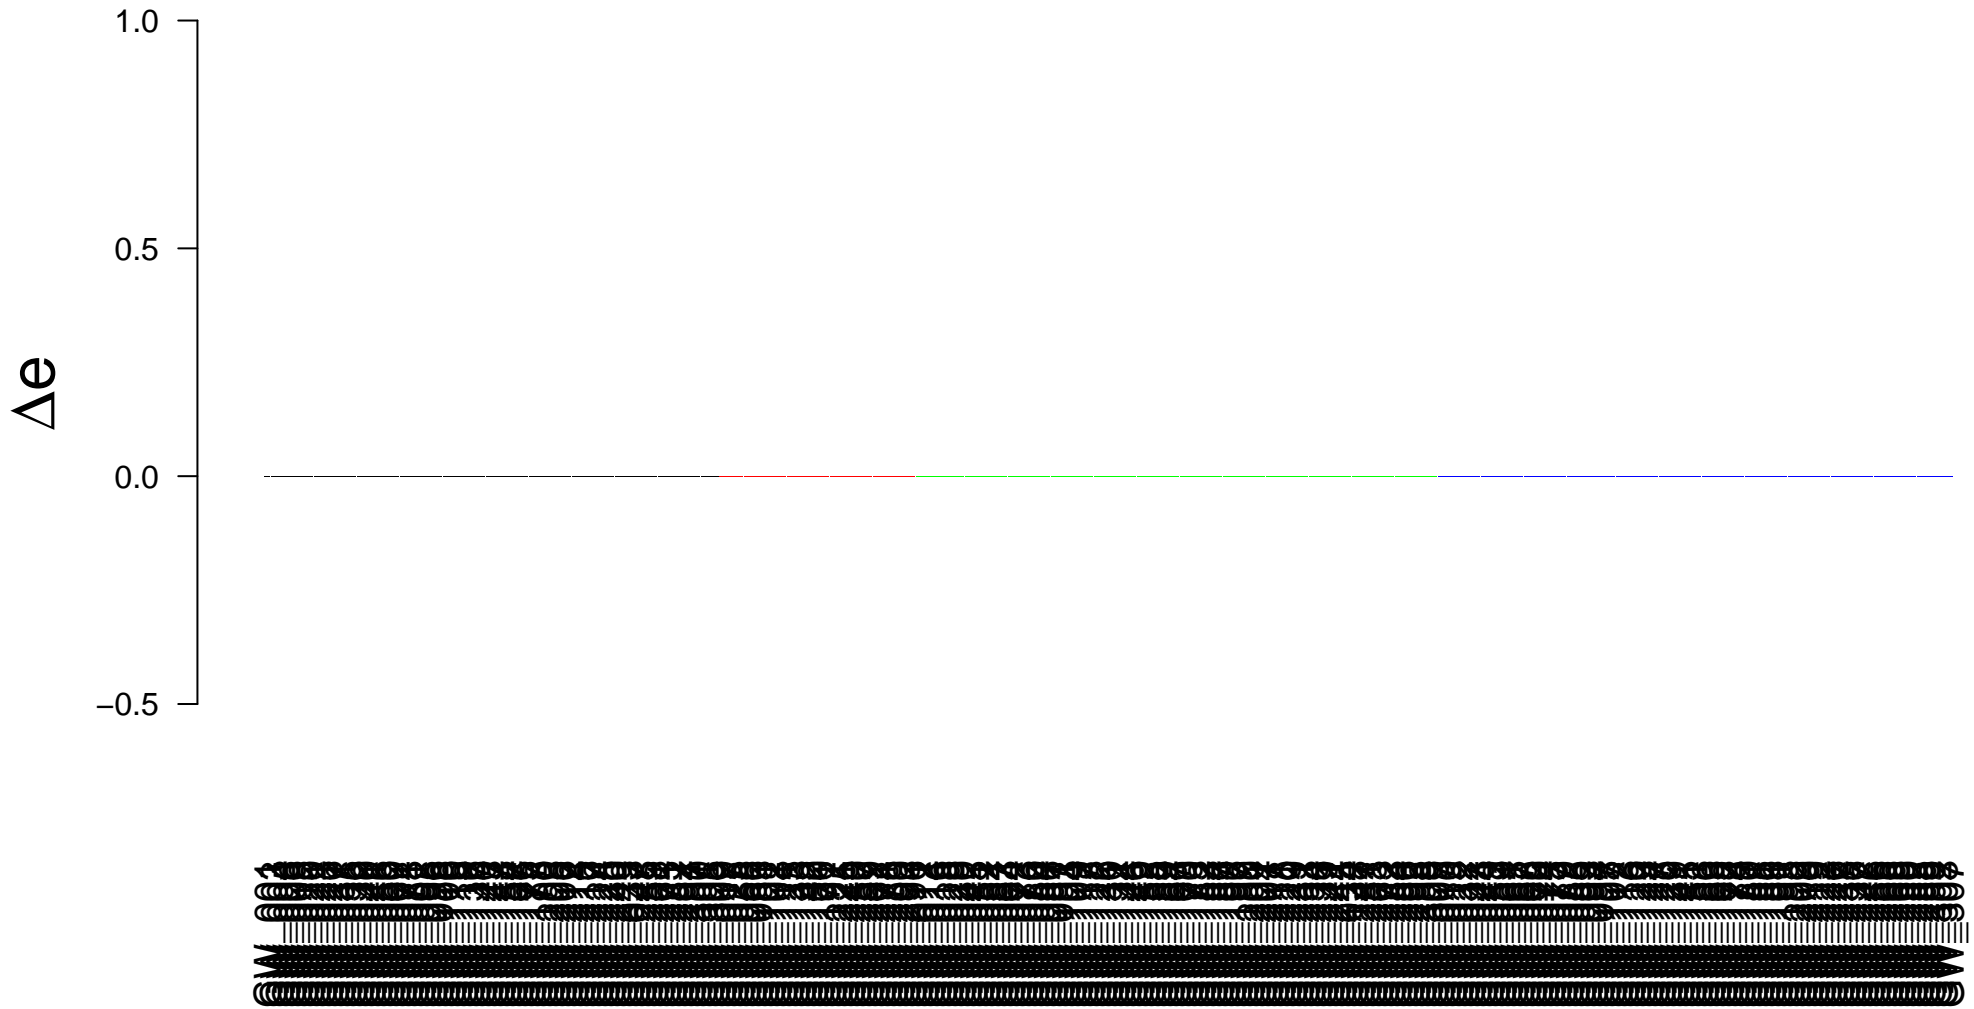

Expression of regulation of synaptic transmission in Spot B

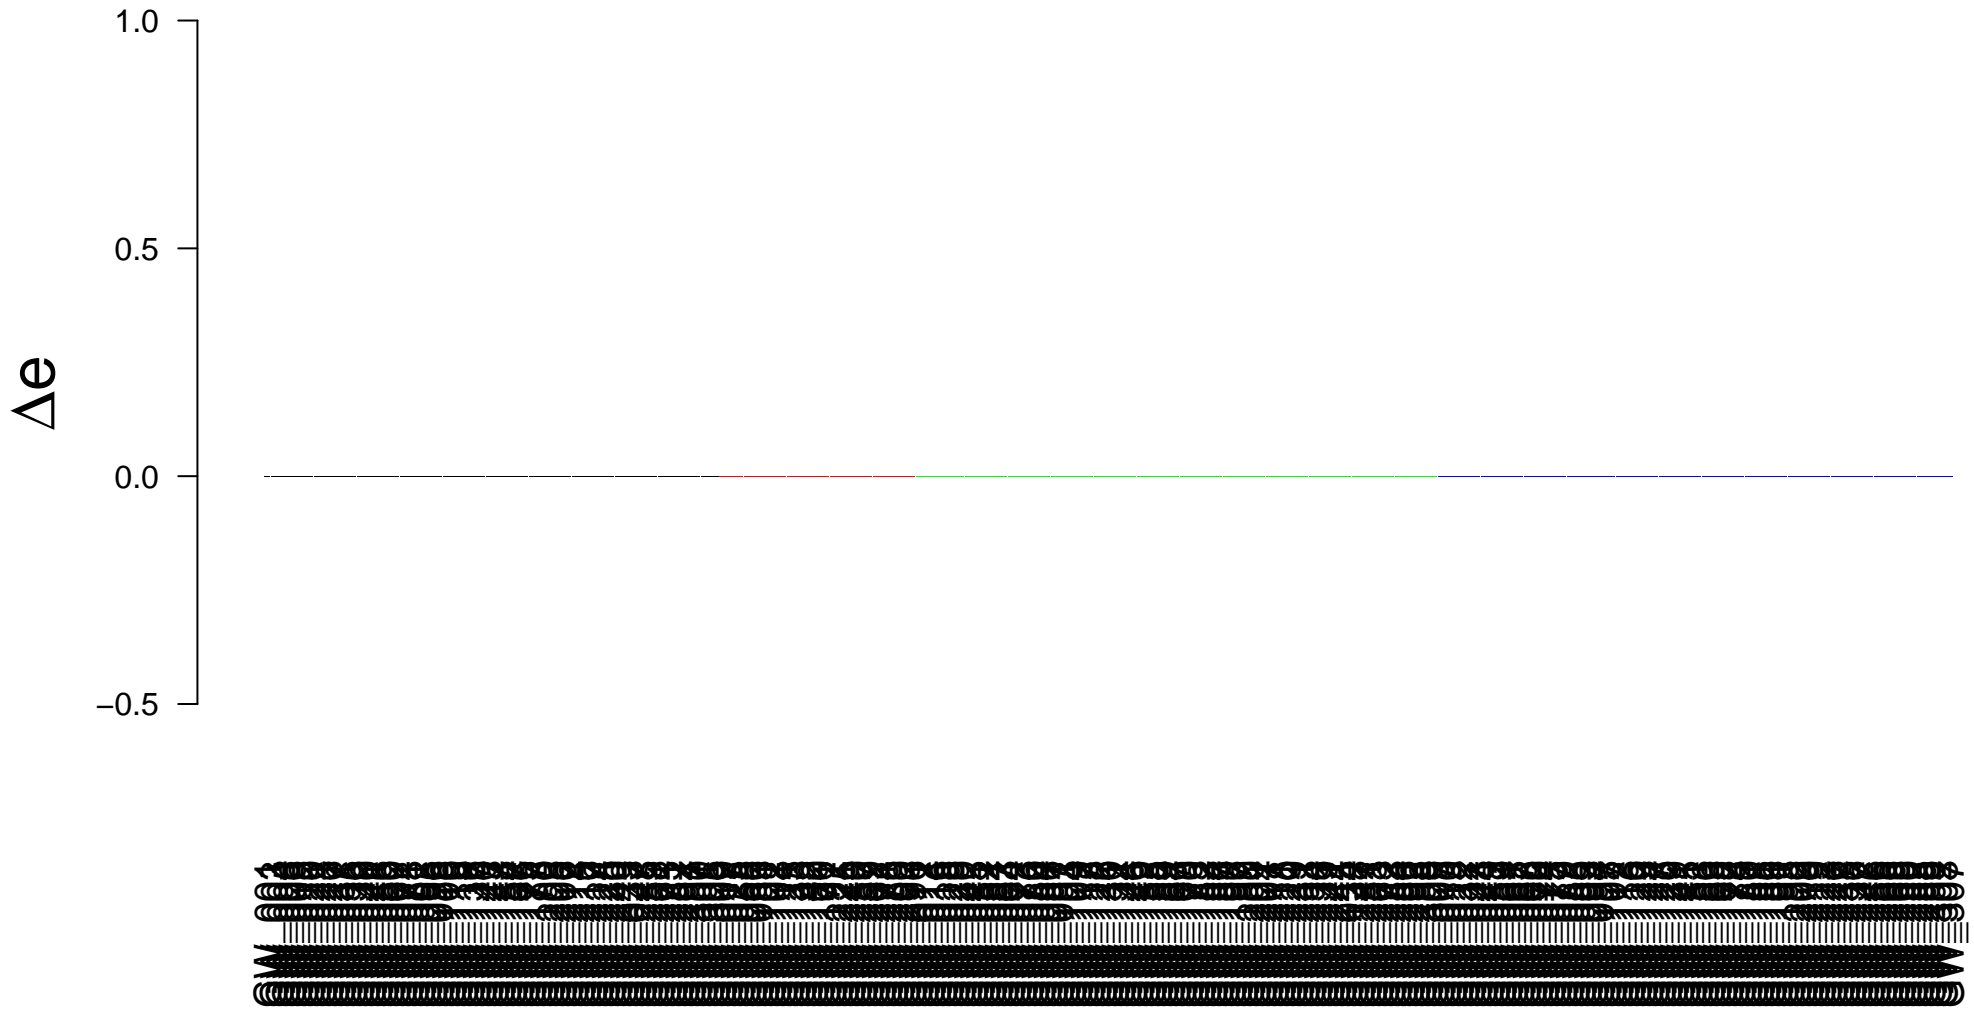

Expression of regulation of synaptic transmission in Spot C

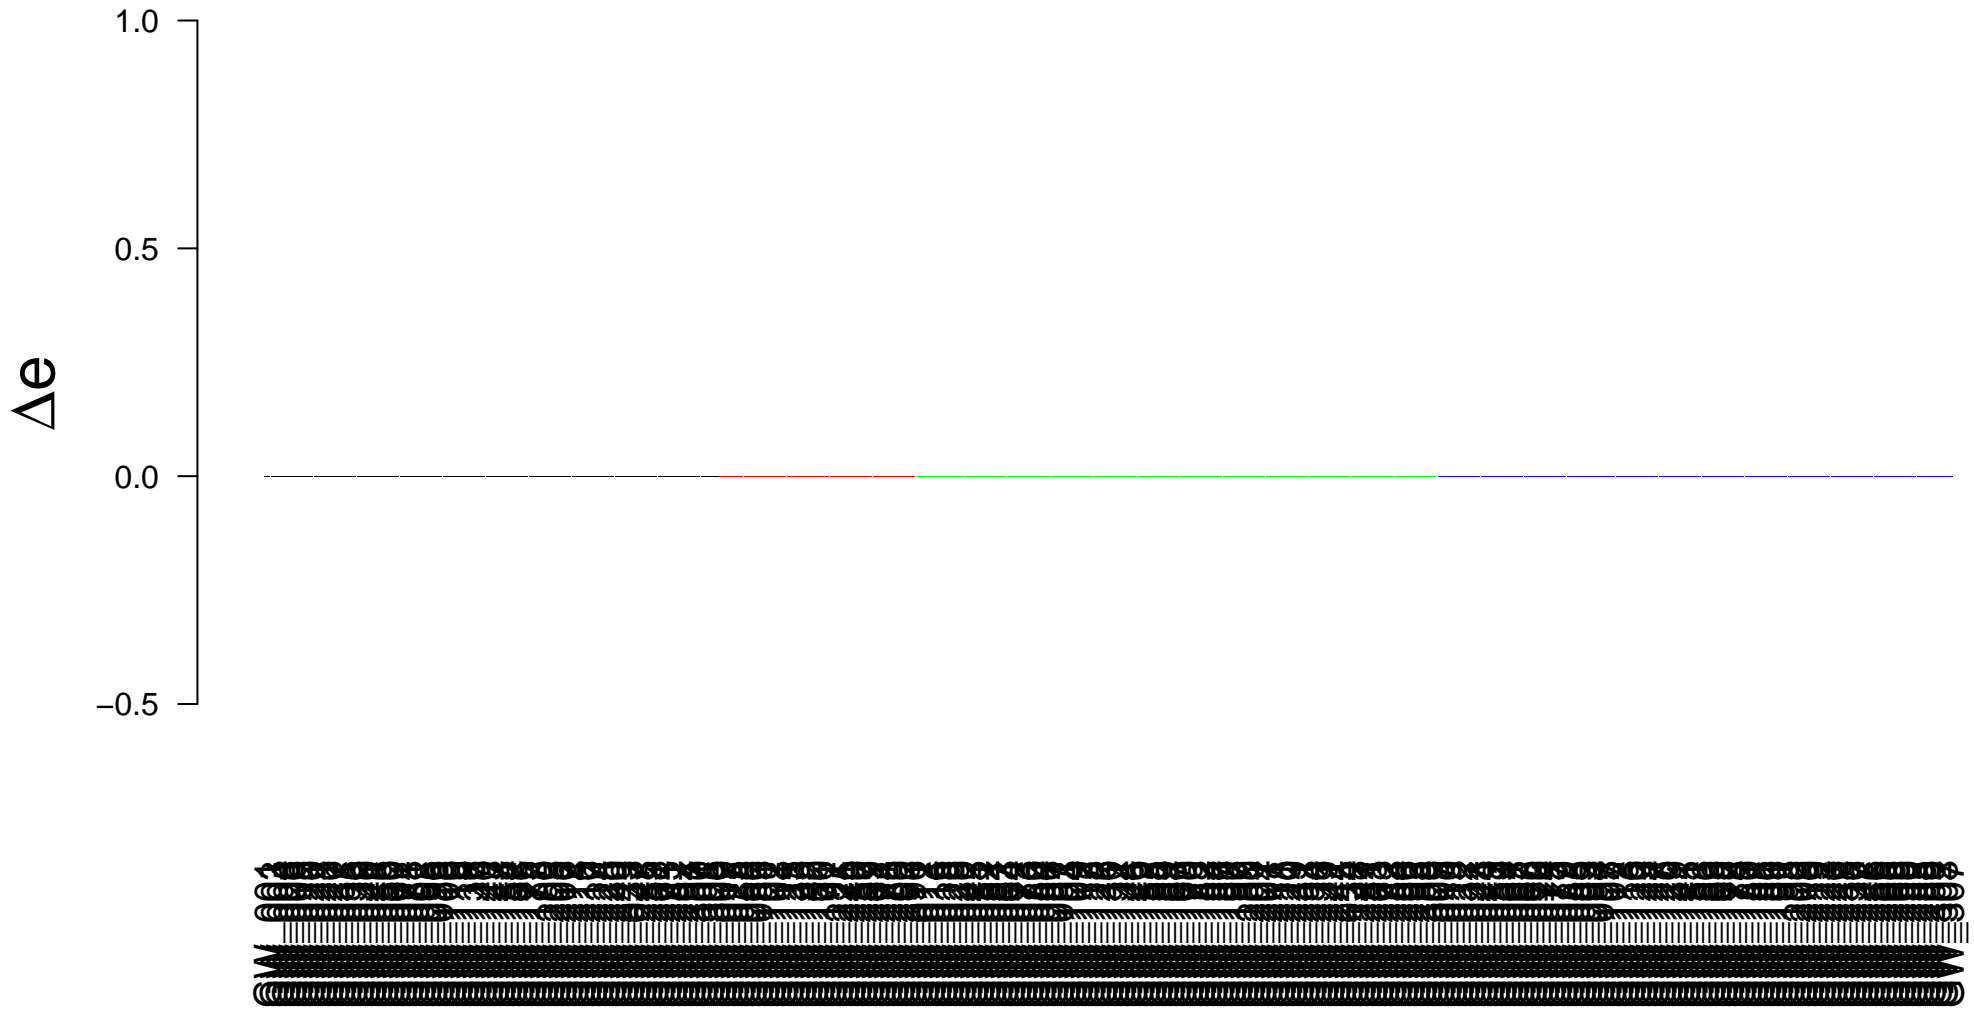

Expression of regulation of synaptic transmission in Spot D

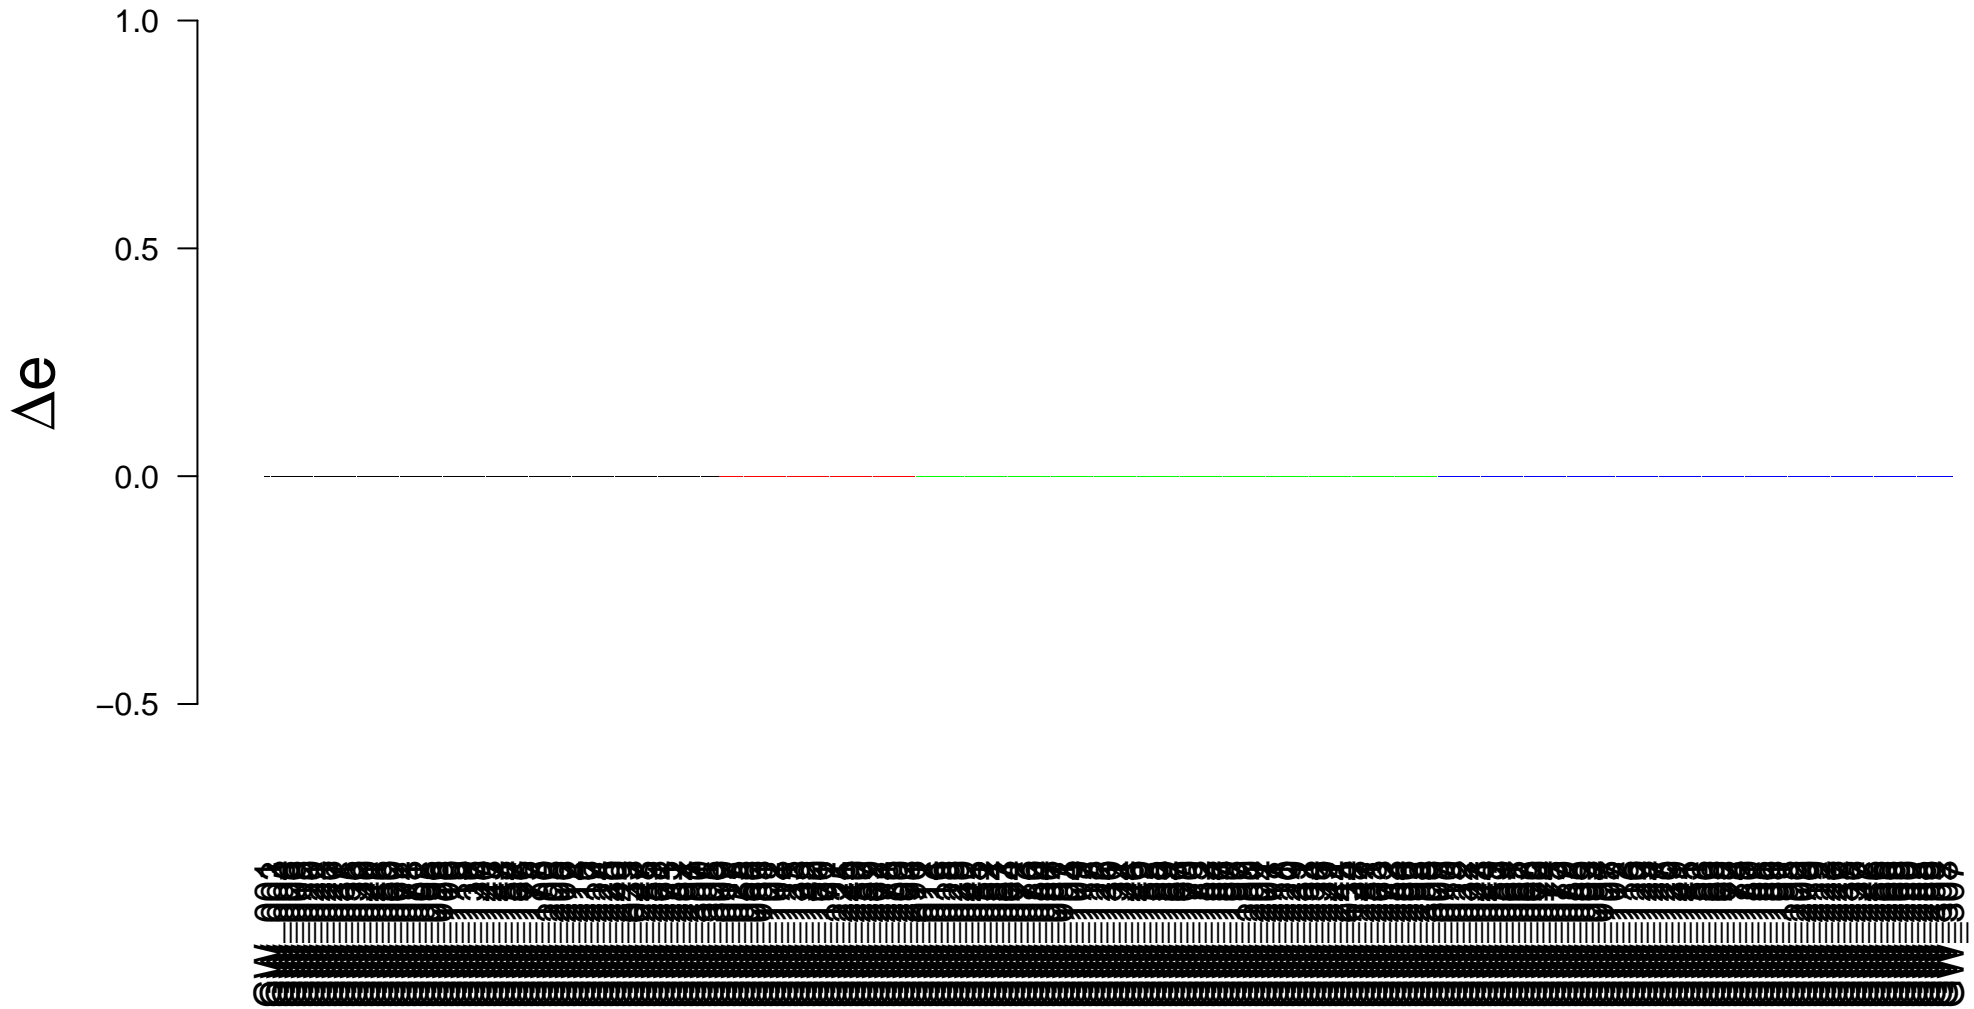

Expression of regulation of synaptic transmission in Spot E

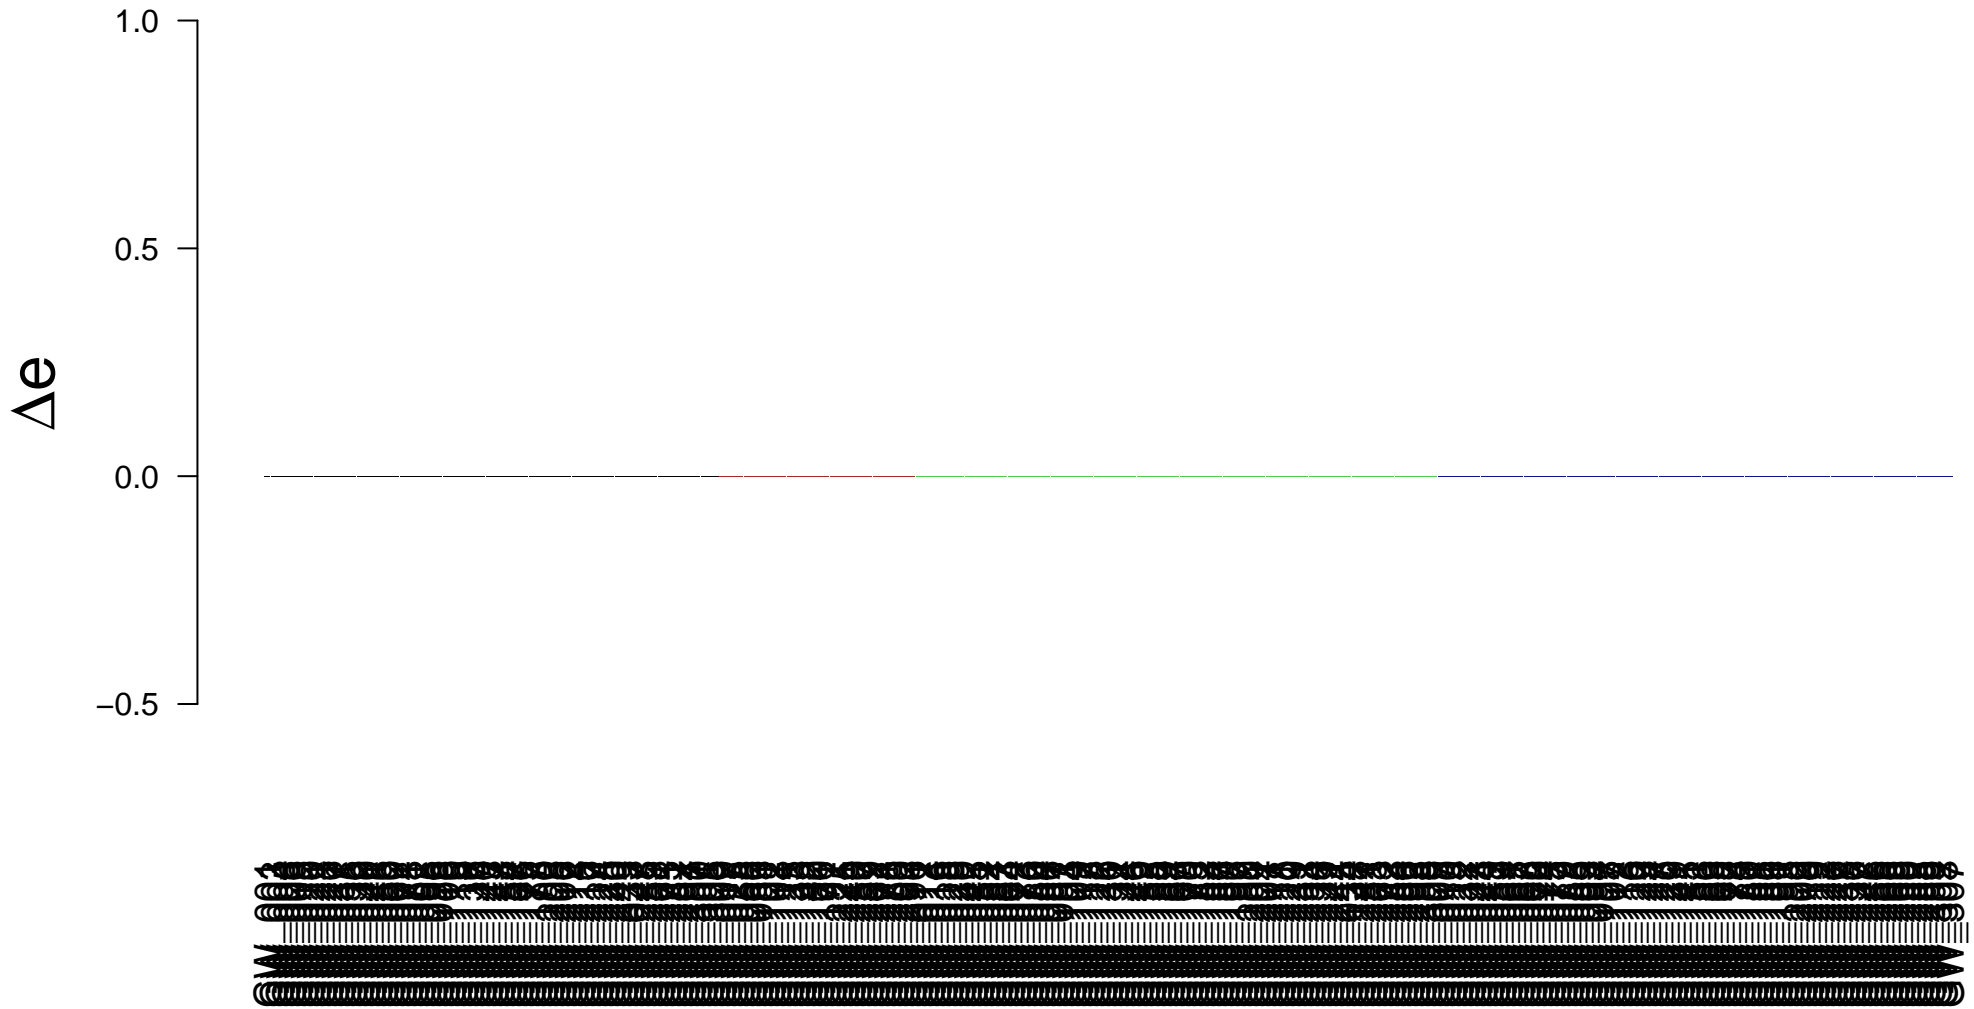

Expression of regulation of synaptic transmission in Spot F

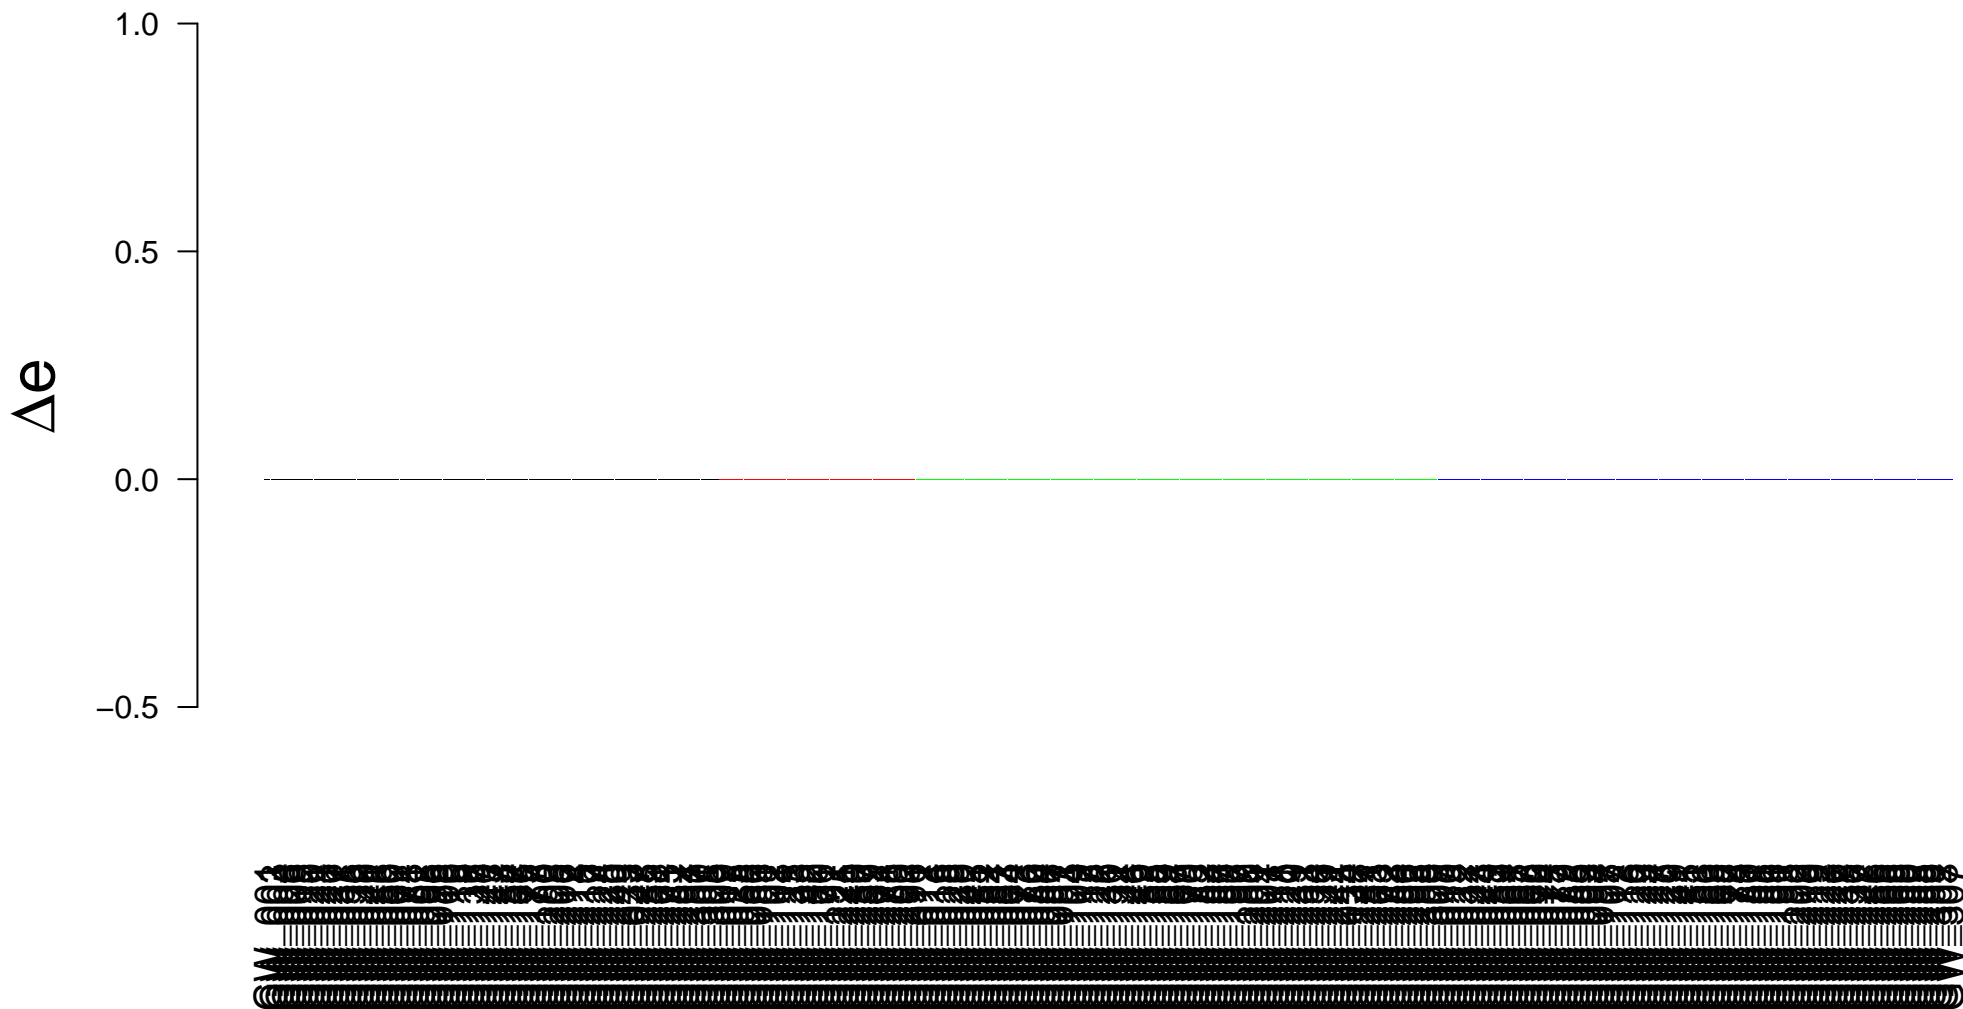

Expression of regulation of synaptic transmission in Spot G

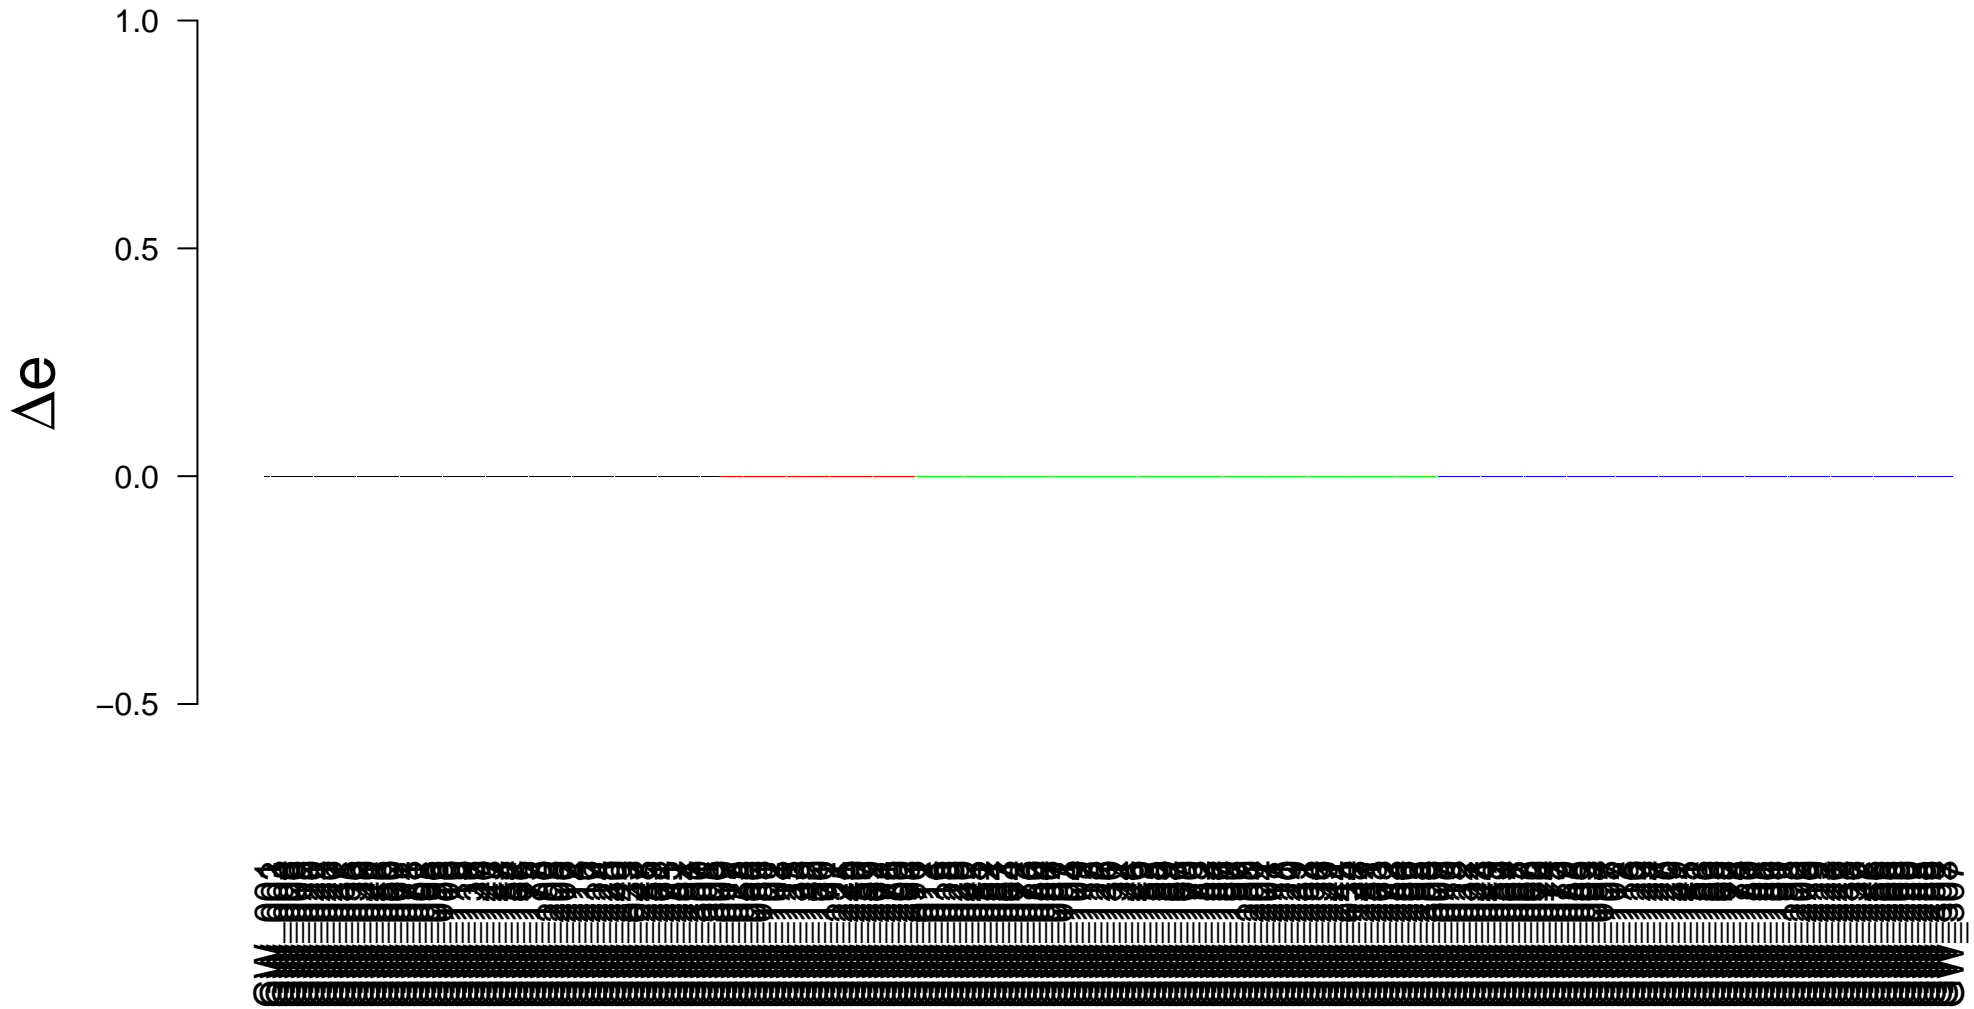

Expression of regulation of synaptic transmission in Spot H

Expression of regulation of synaptic transmission in Spot I

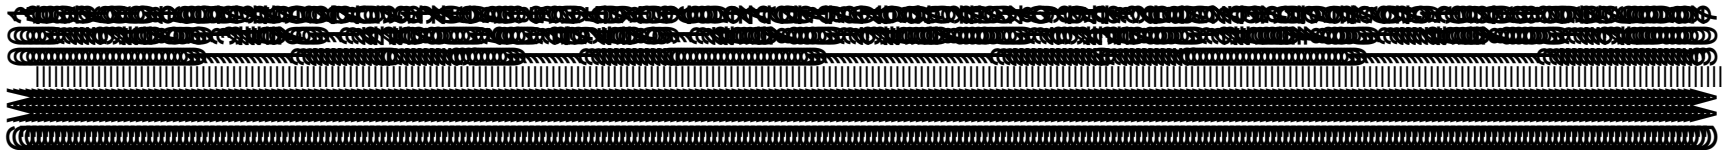

Expression of regulation of synaptic transmission in Spot J

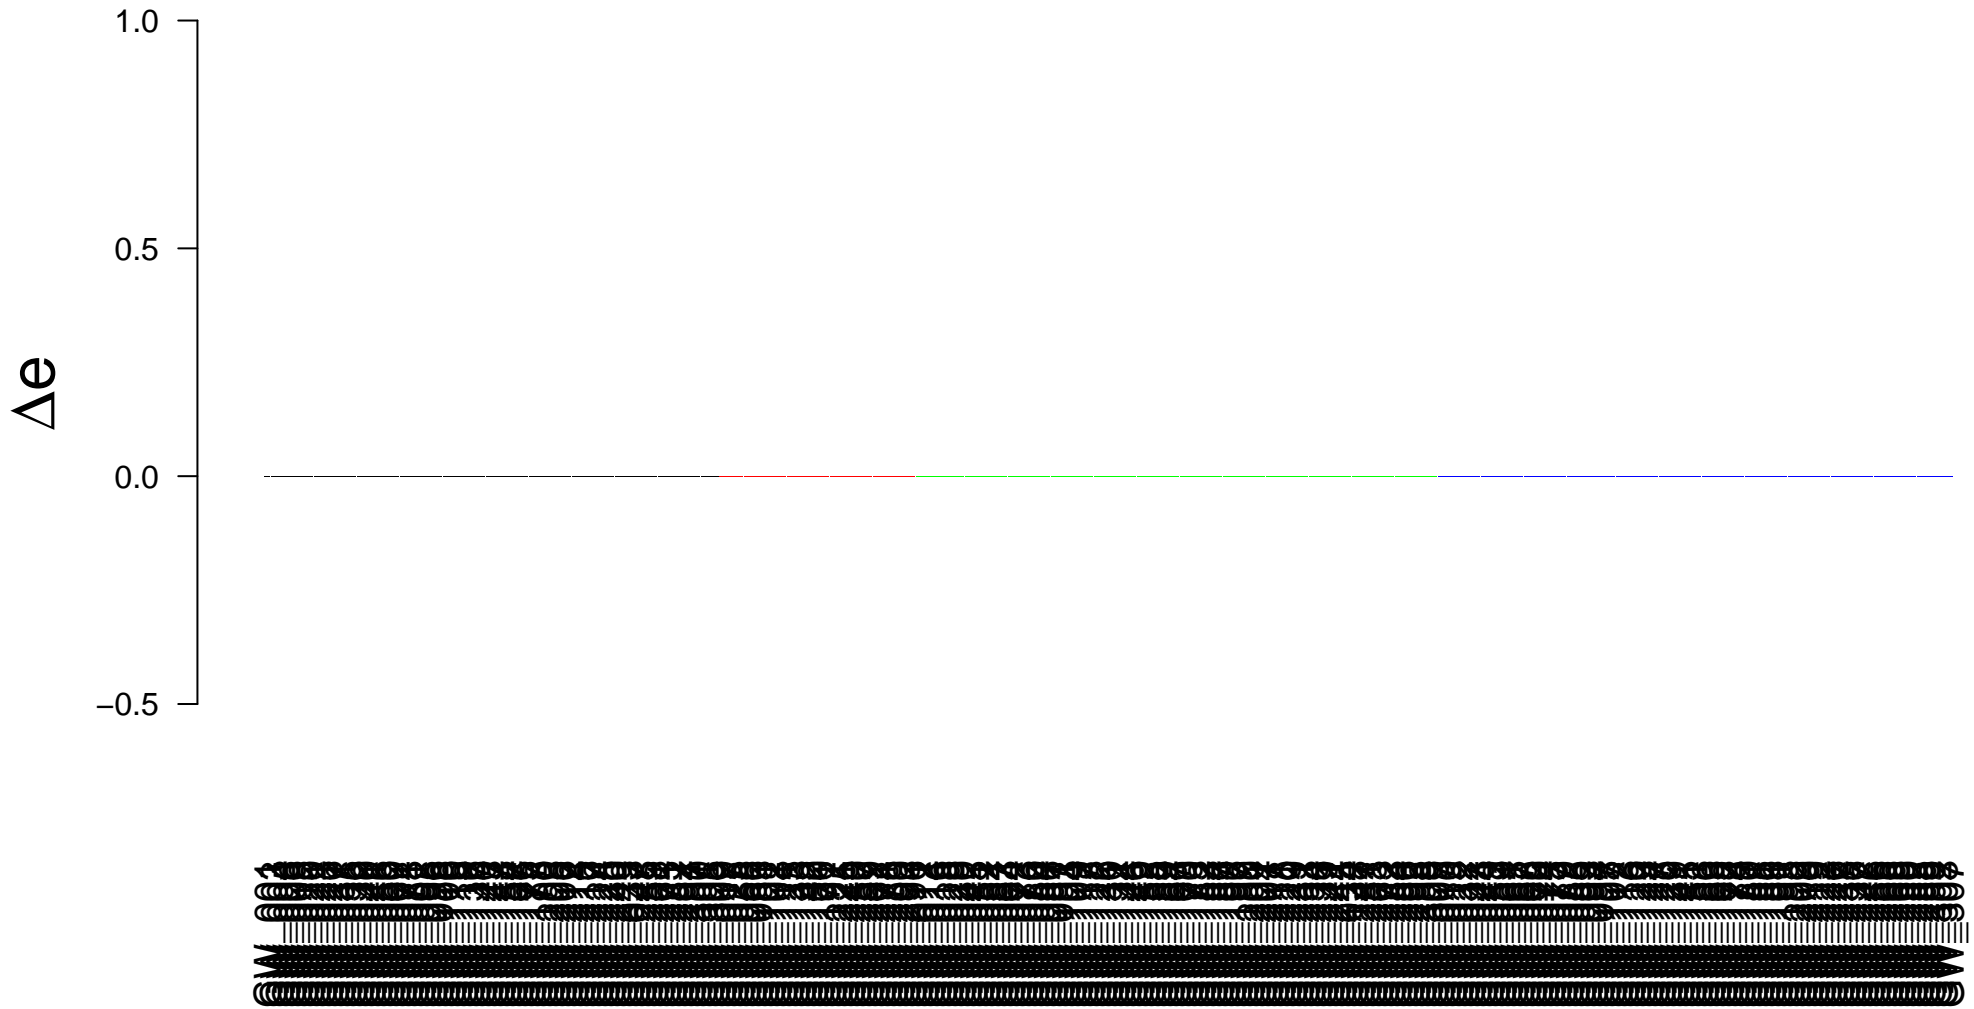

Expression of regulation of synaptic transmission in Spot K
