

regulation of the force of heart contraction

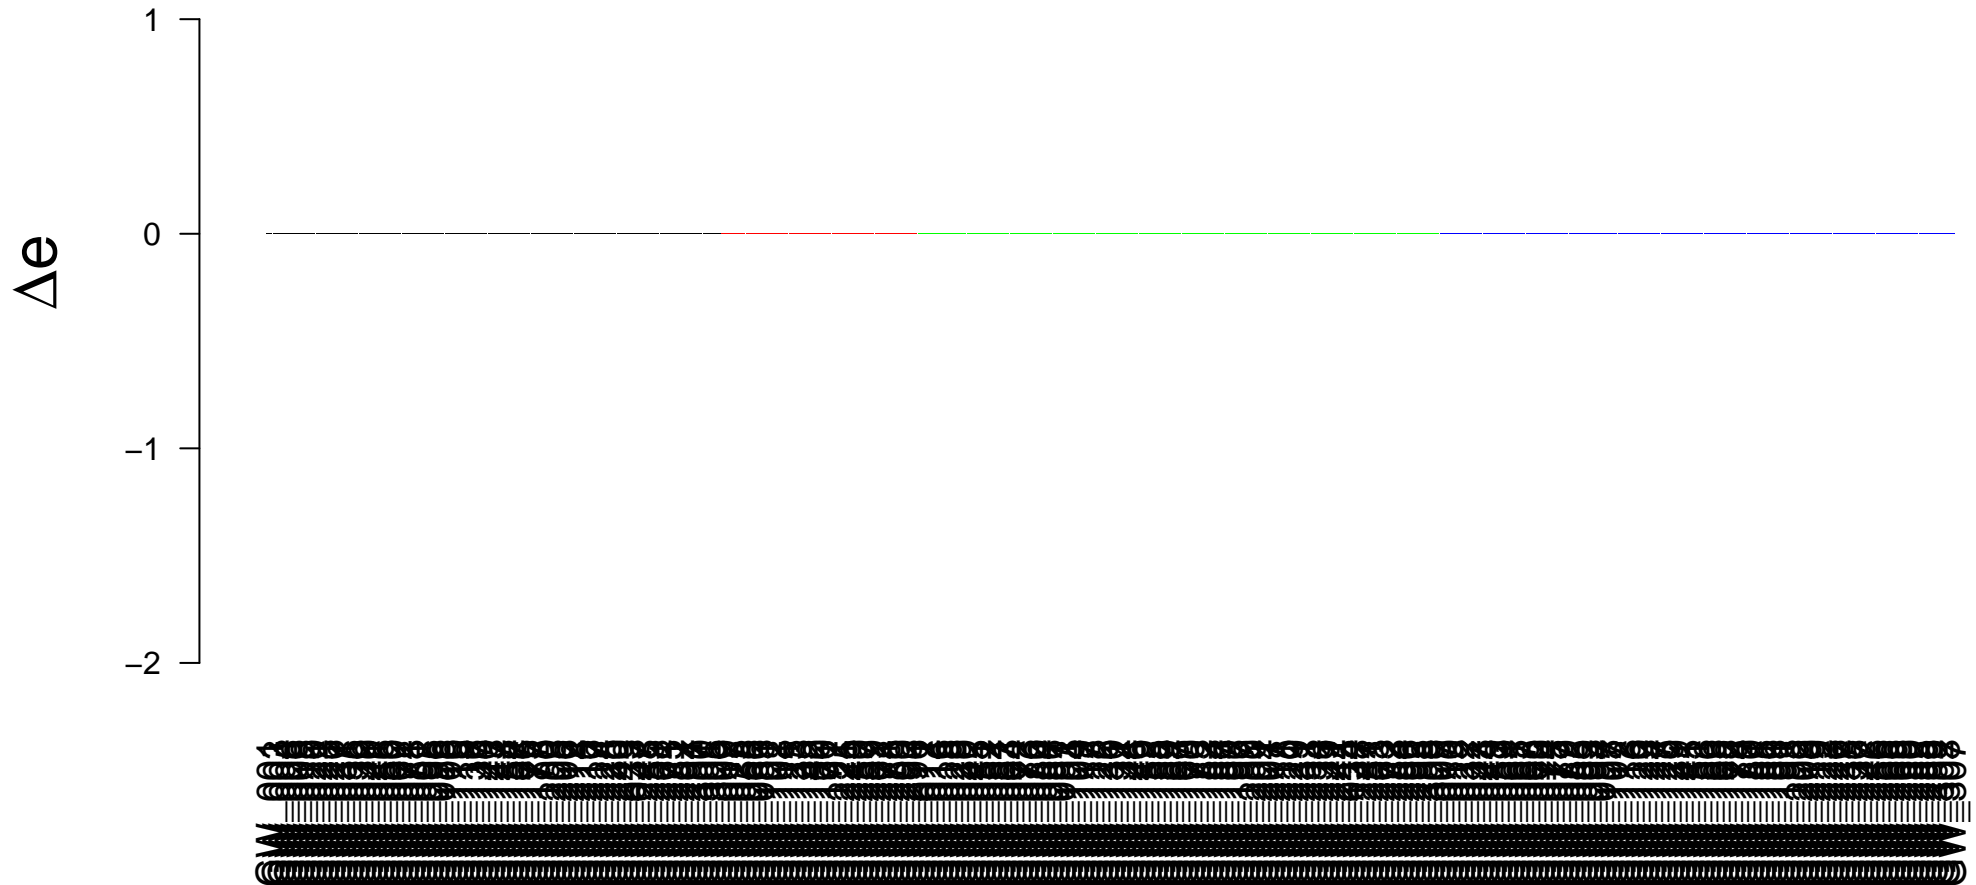

regulation of the force of heart contraction

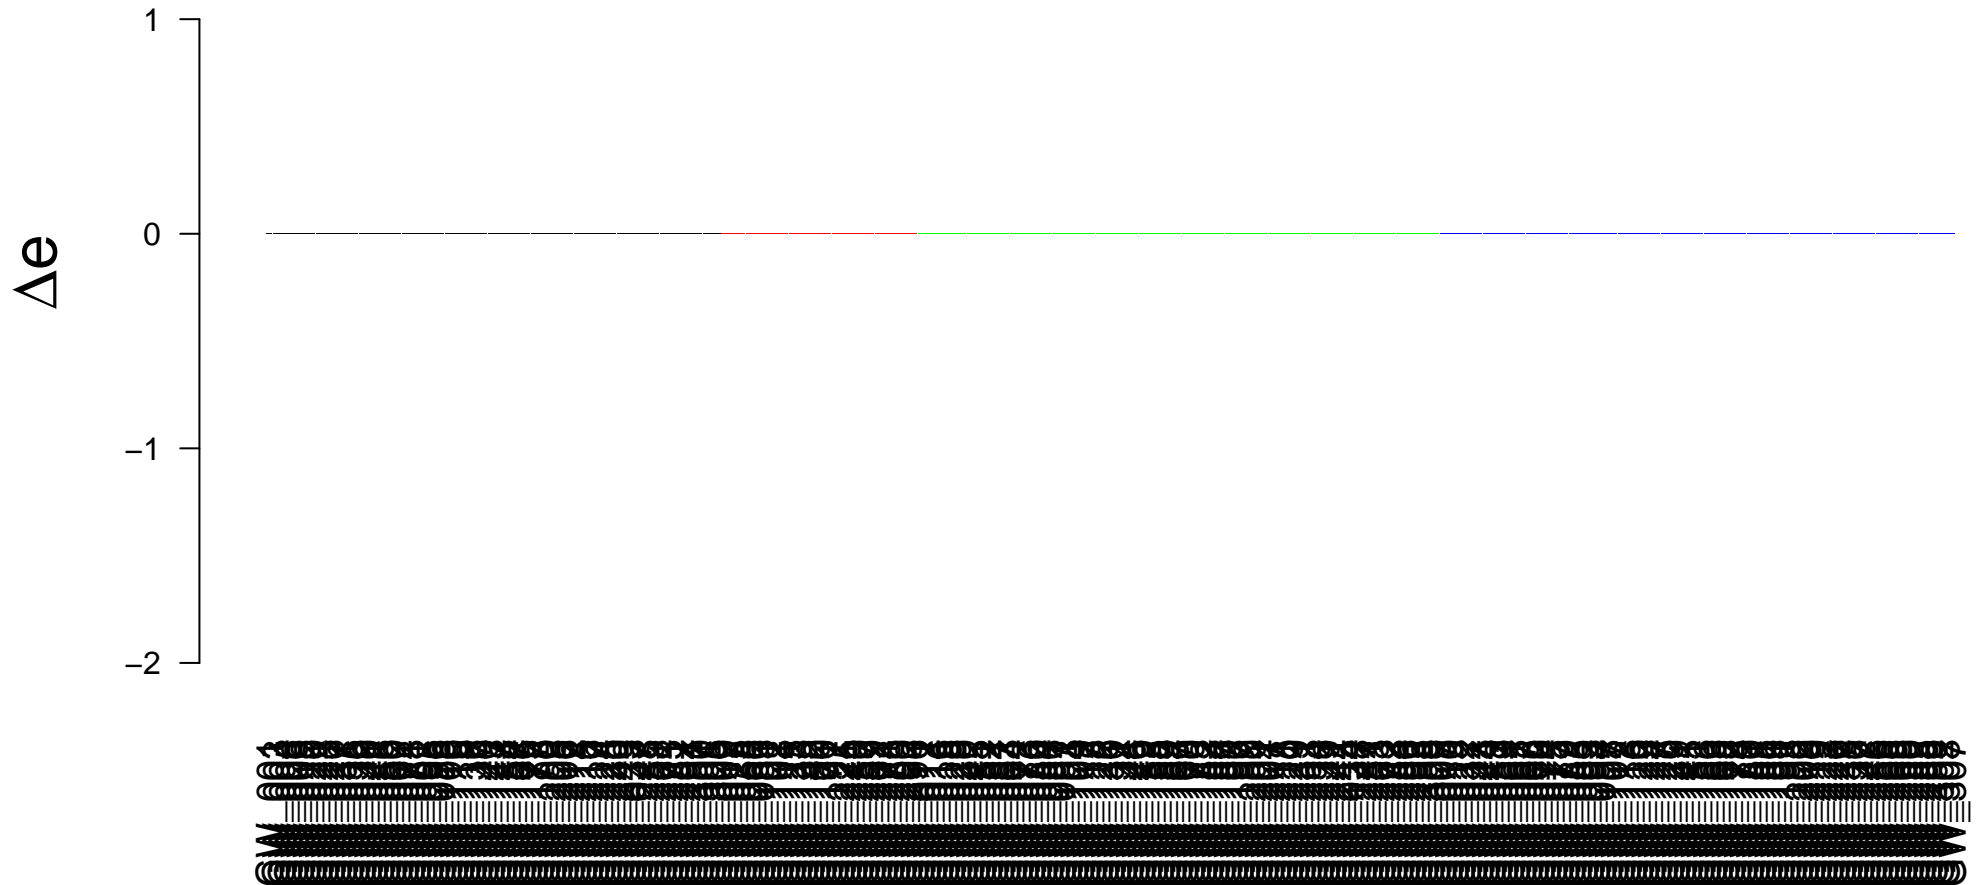

Enrichment in spots: regulation of the force of heart contraction

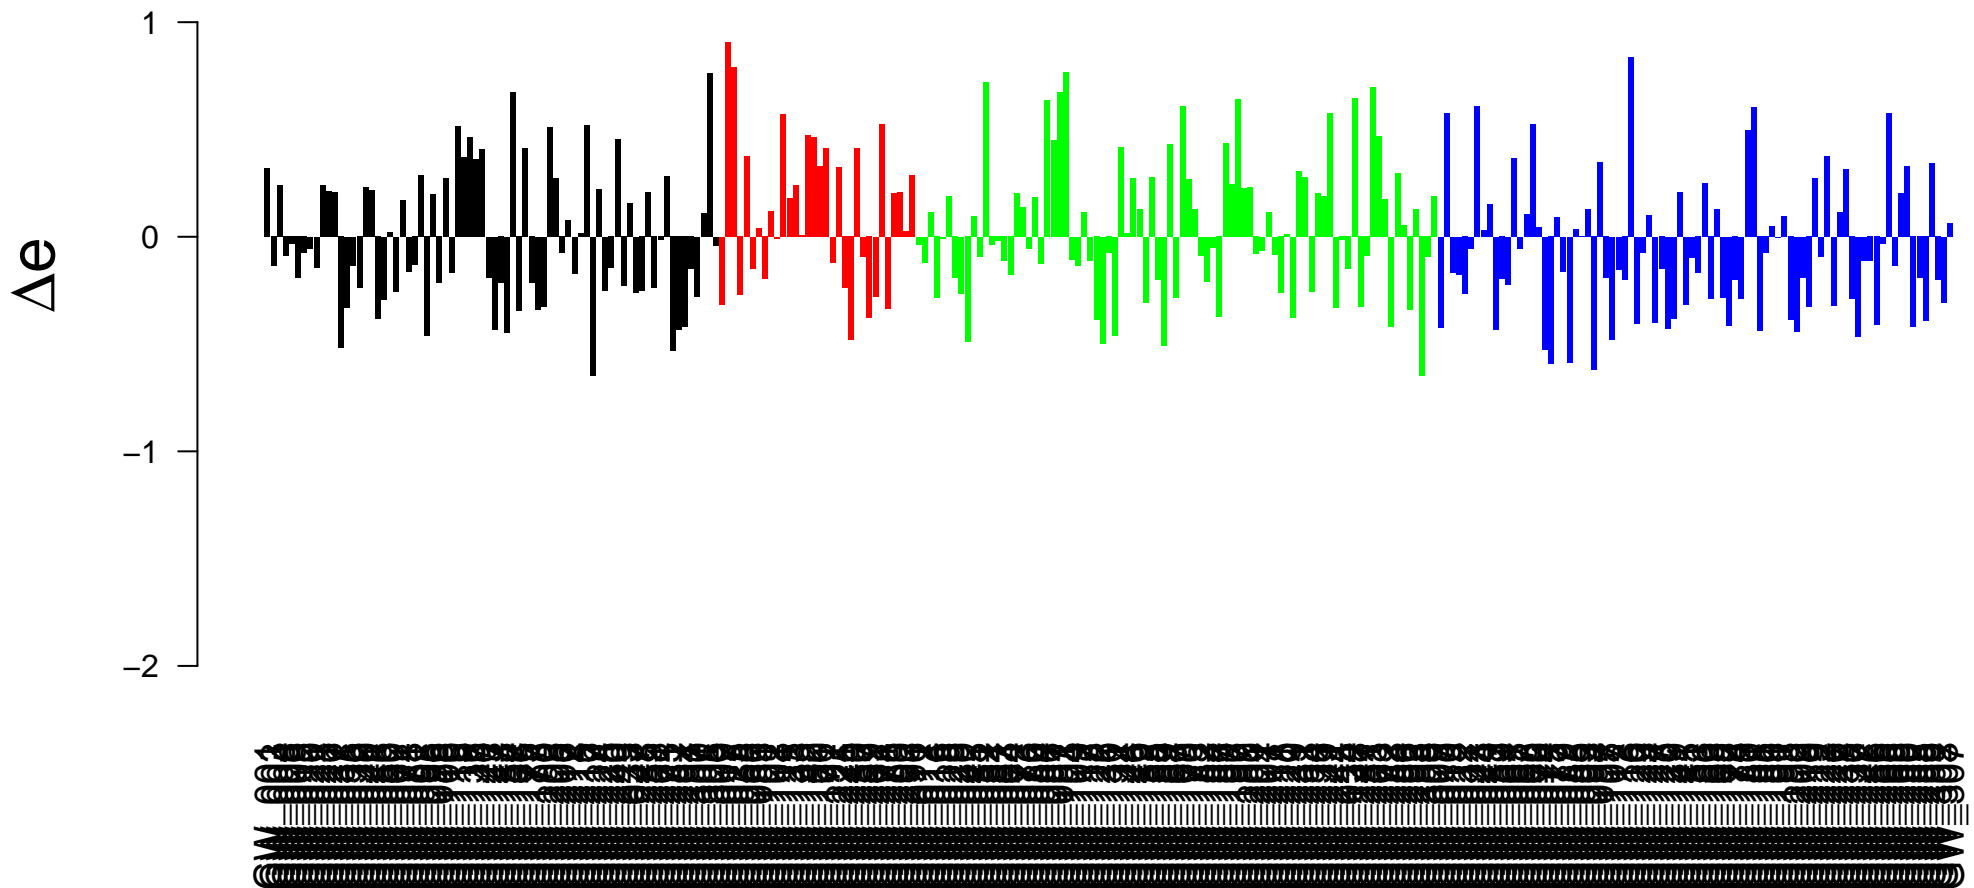

Expression of regulation of the force of heart contraction in Spot A

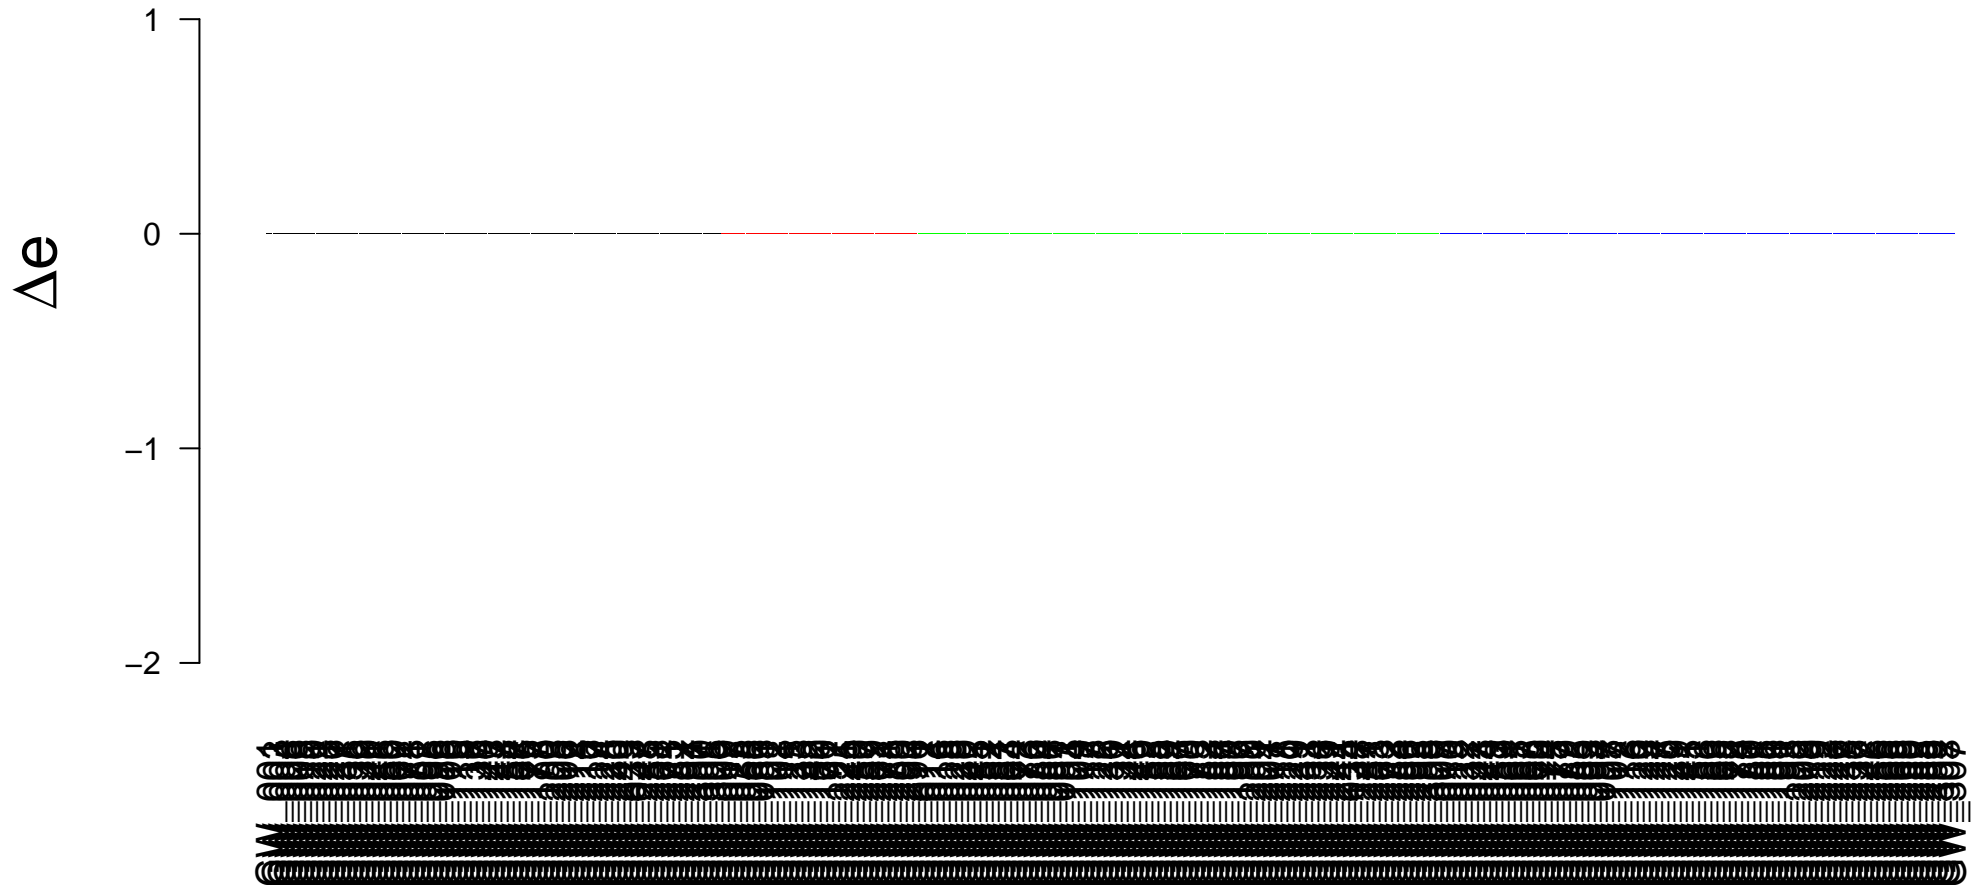

Expression of regulation of the force of heart contraction in Spot B

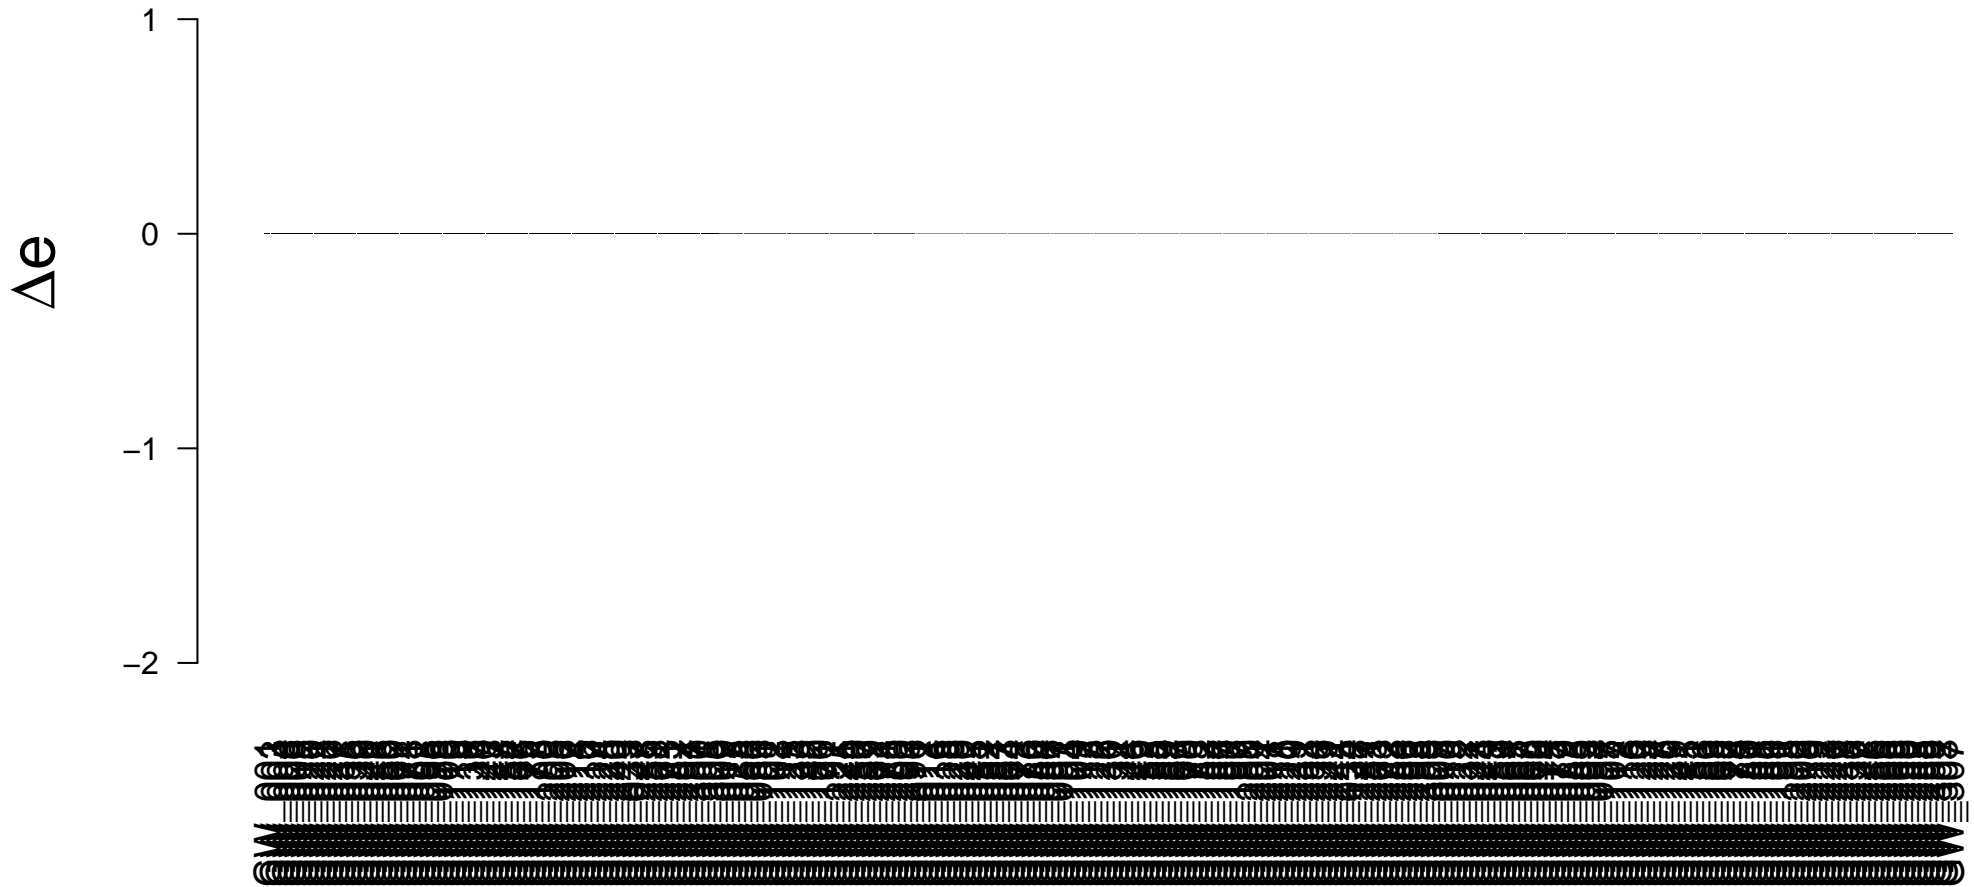

Expression of regulation of the force of heart contraction in Spot C

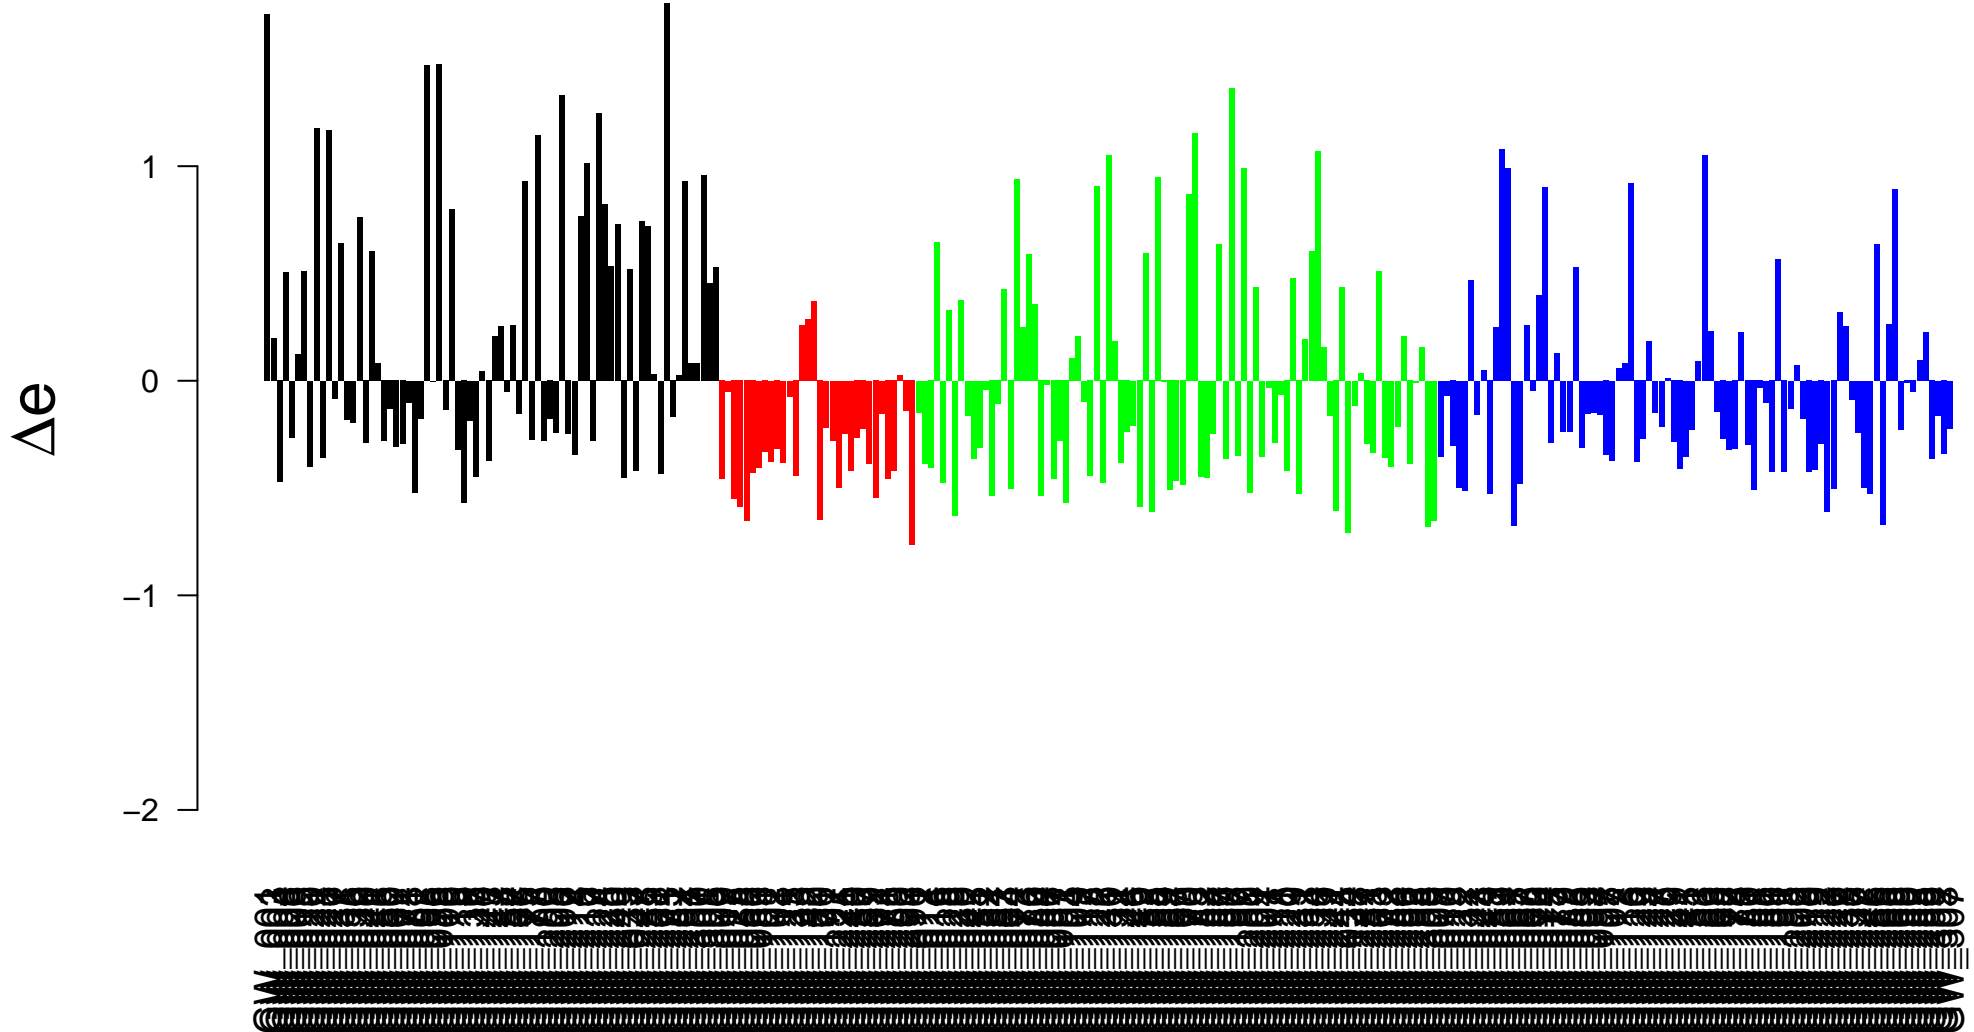

Expression of regulation of the force of heart contraction in Spot D

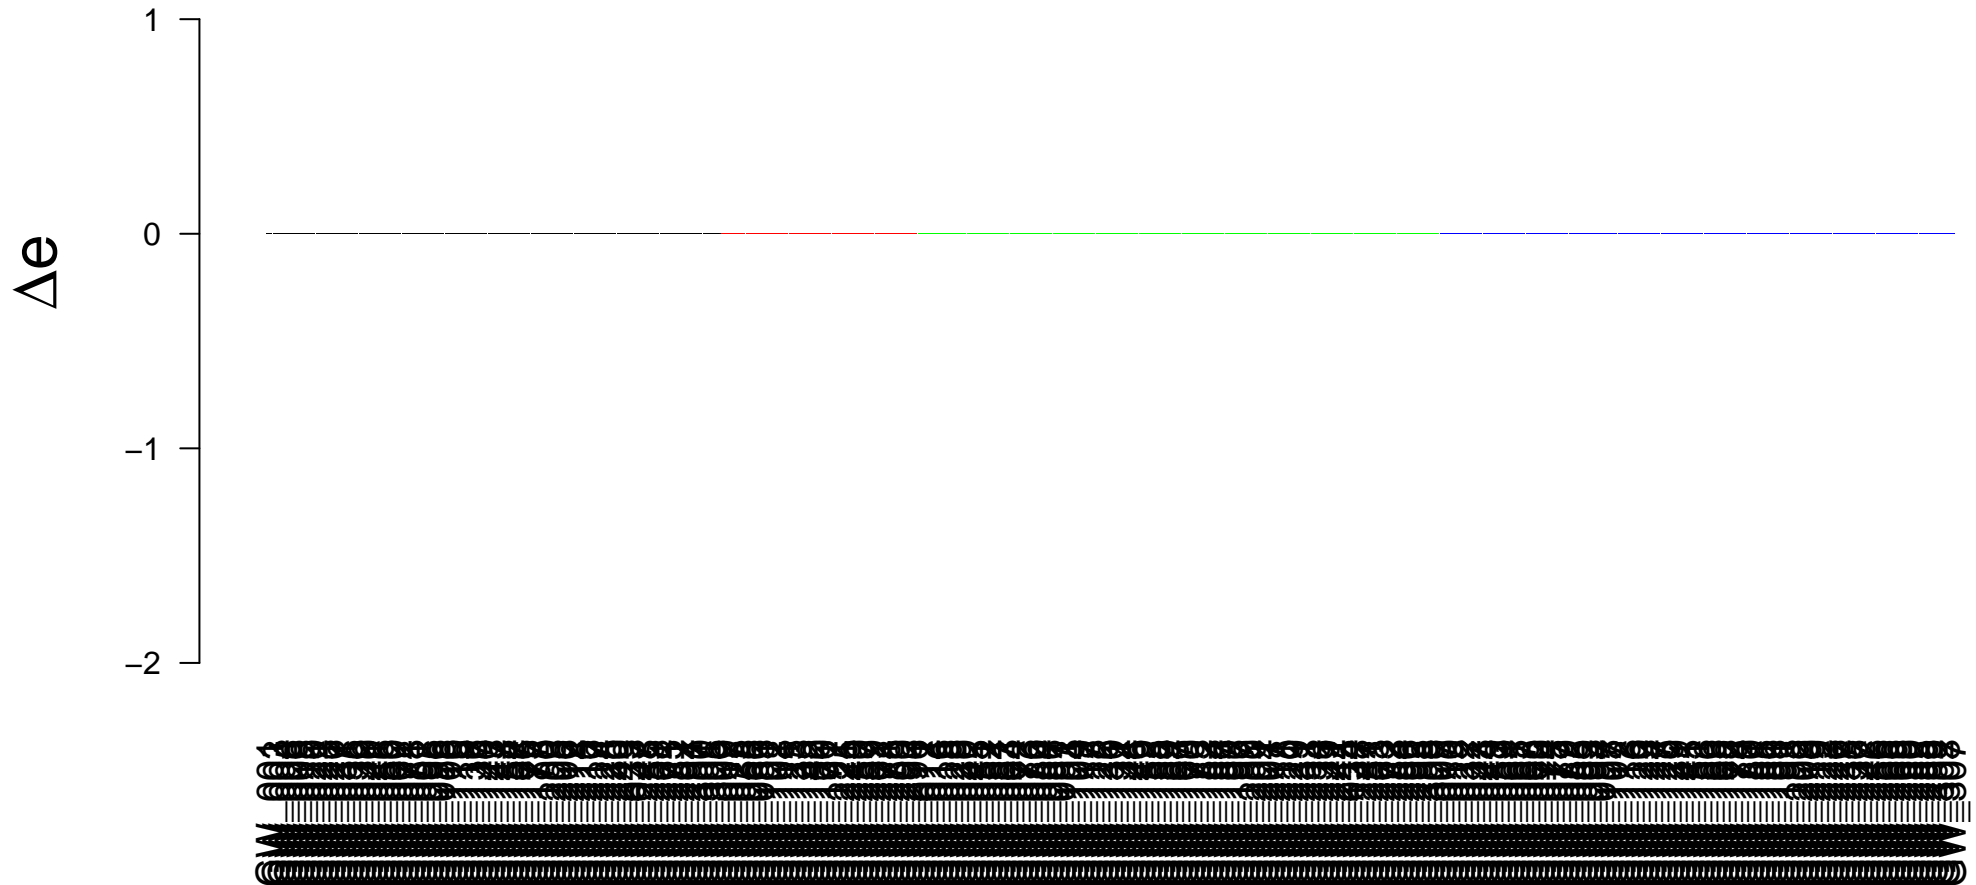

Expression of regulation of the force of heart contraction in Spot E

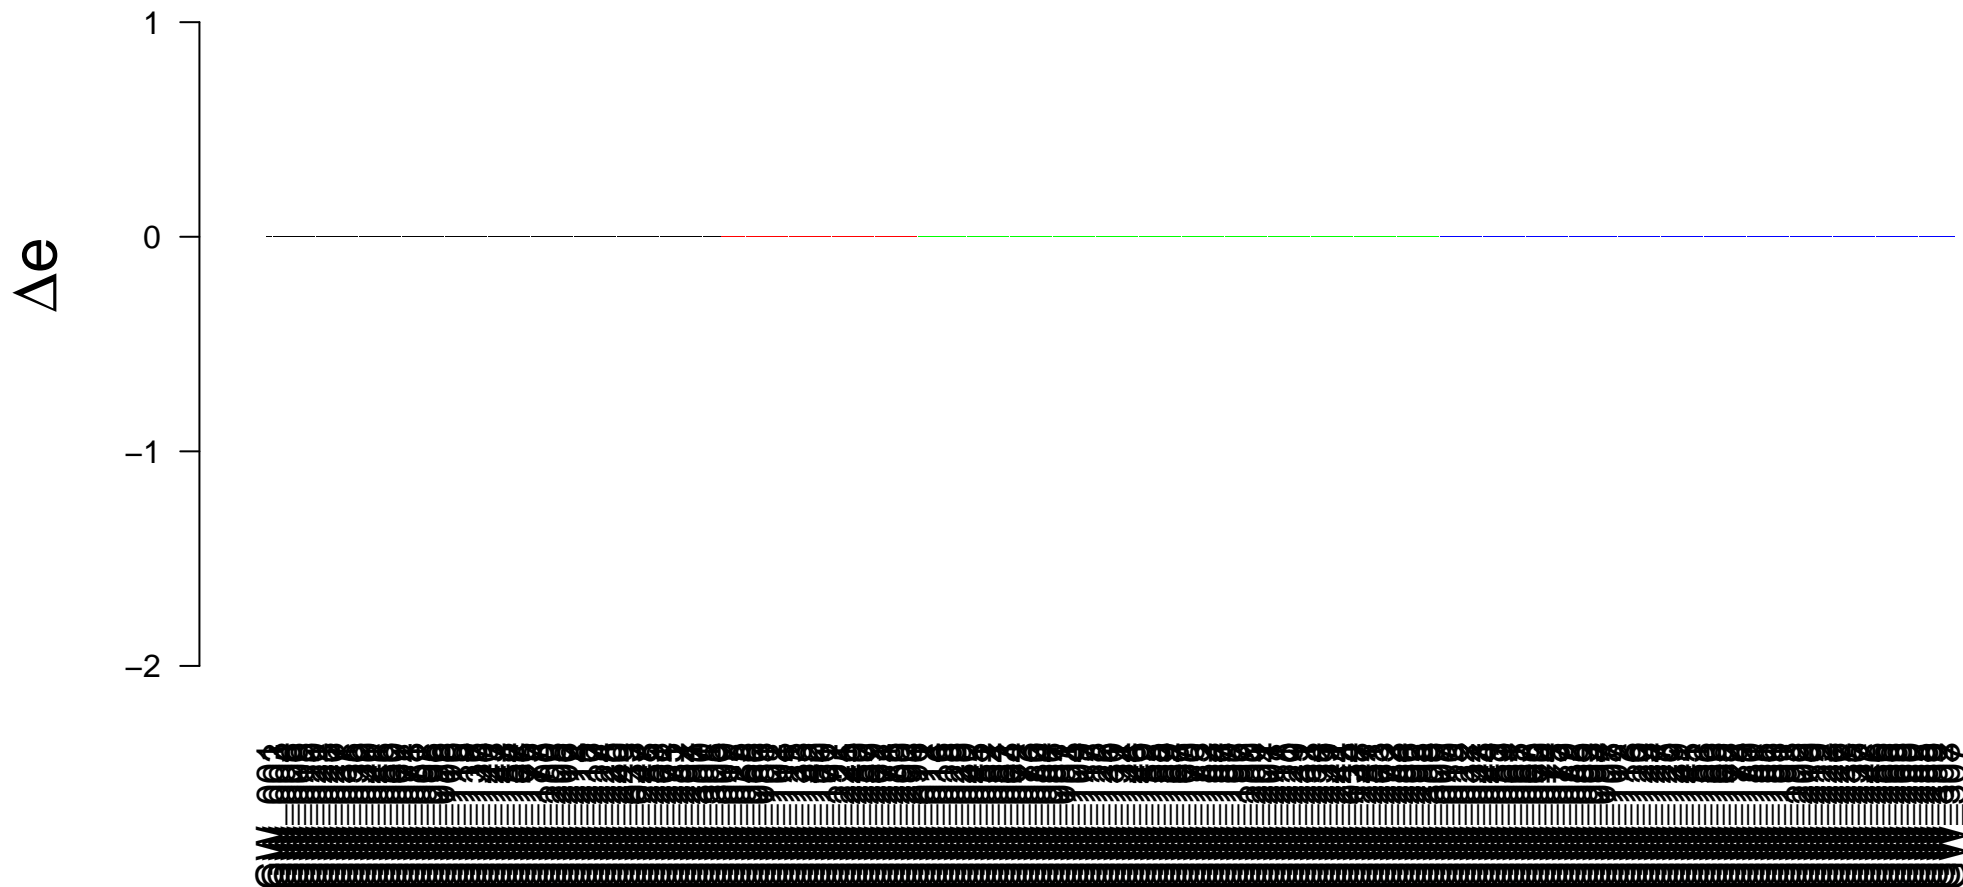

Expression of regulation of the force of heart contraction in Spot F

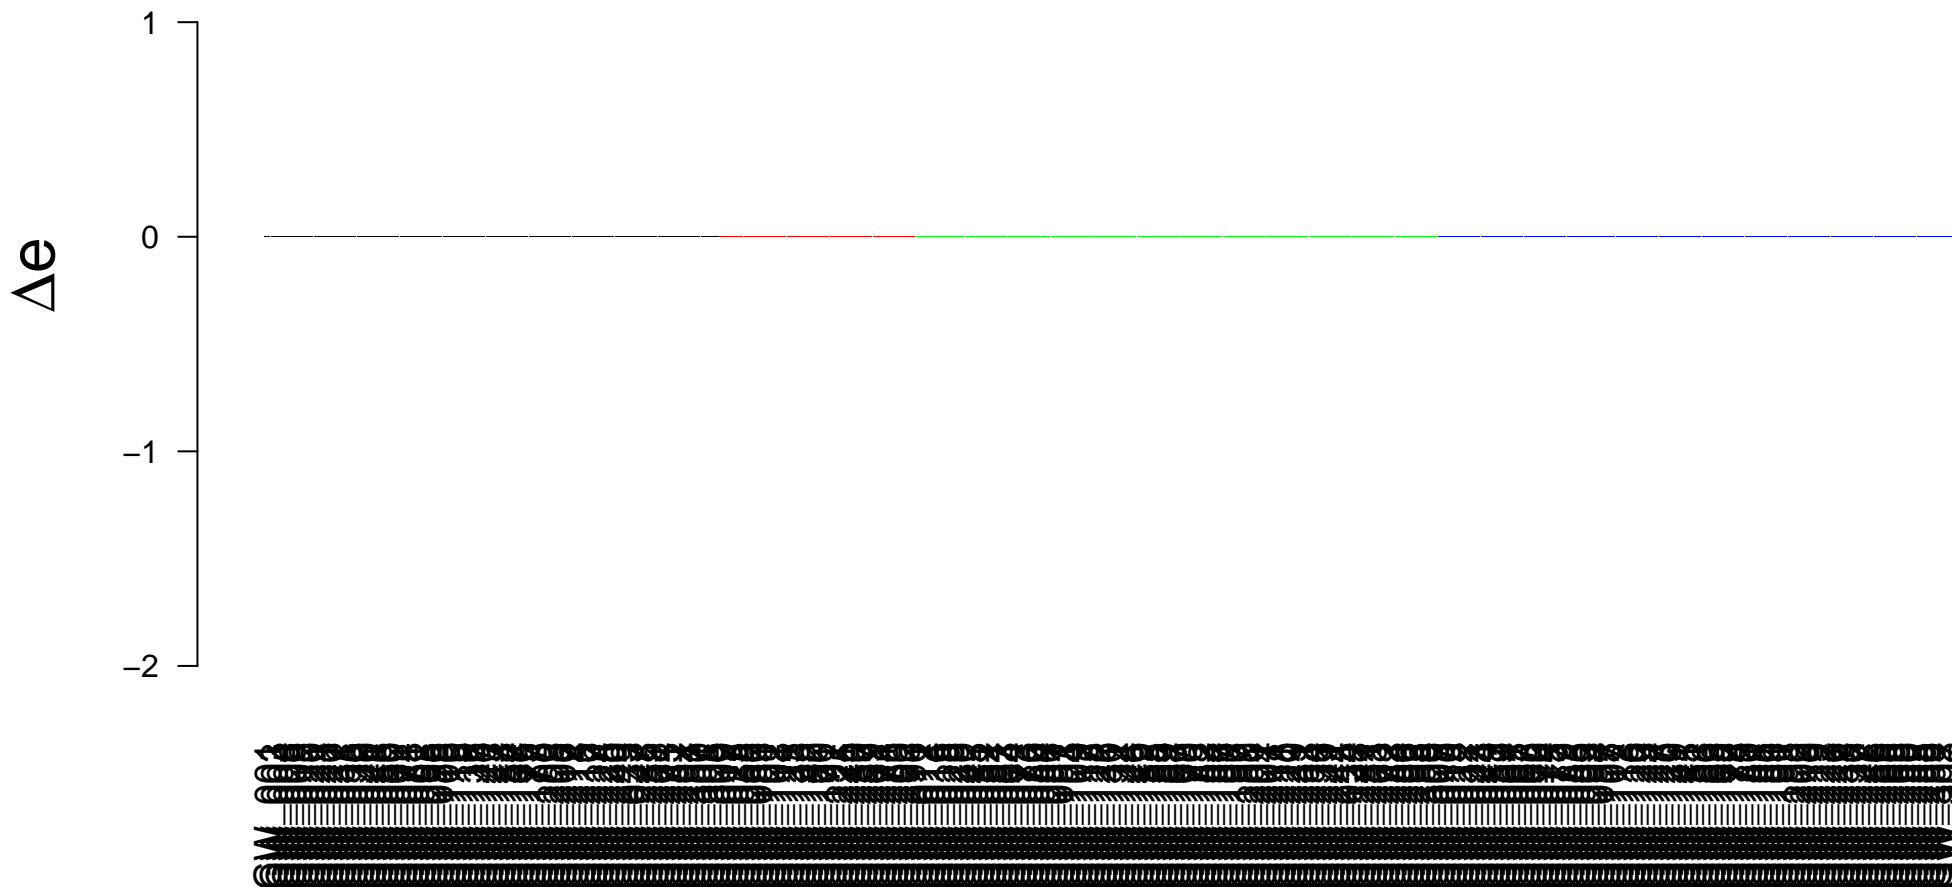

Expression of regulation of the force of heart contraction in Spot G

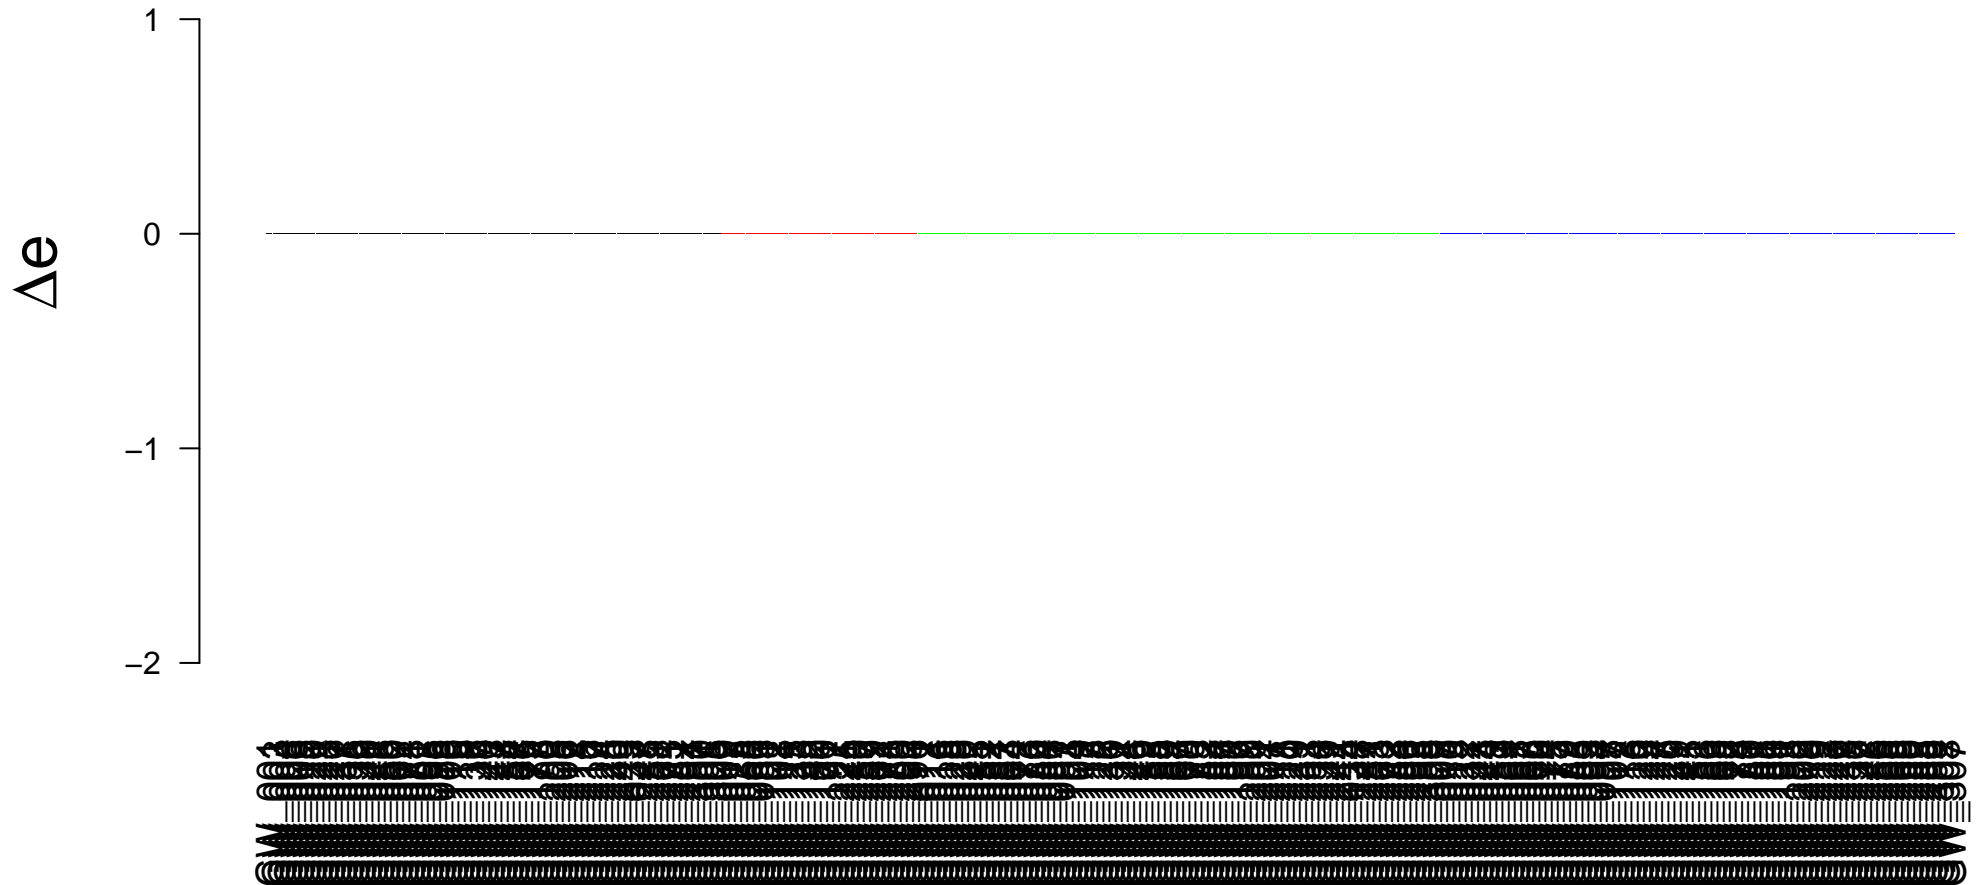

Expression of regulation of the force of heart contraction in Spot H

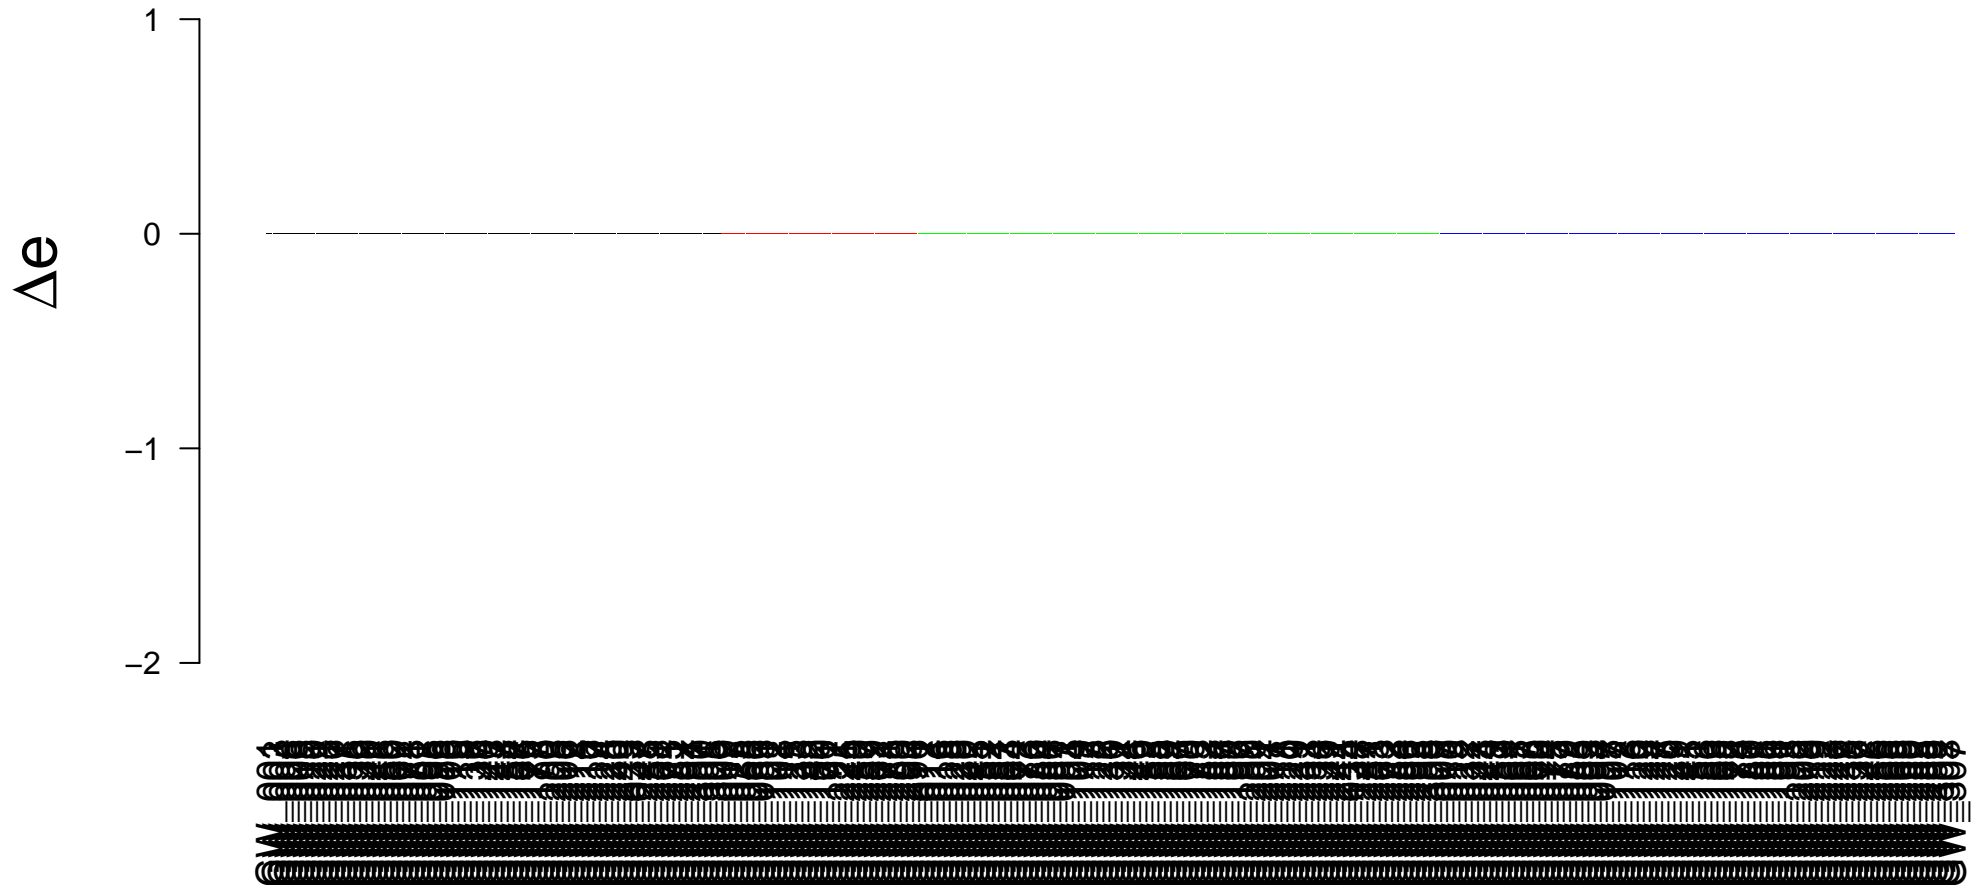

Expression of regulation of the force of heart contraction in Spot I

Expression of regulation of the force of heart contraction in Spot J

Expression of regulation of the force of heart contraction in Spot K

Expression of regulation of the force of heart contraction in Spot L
