

regulation of transforming growth factor beta receptor signaling pathway

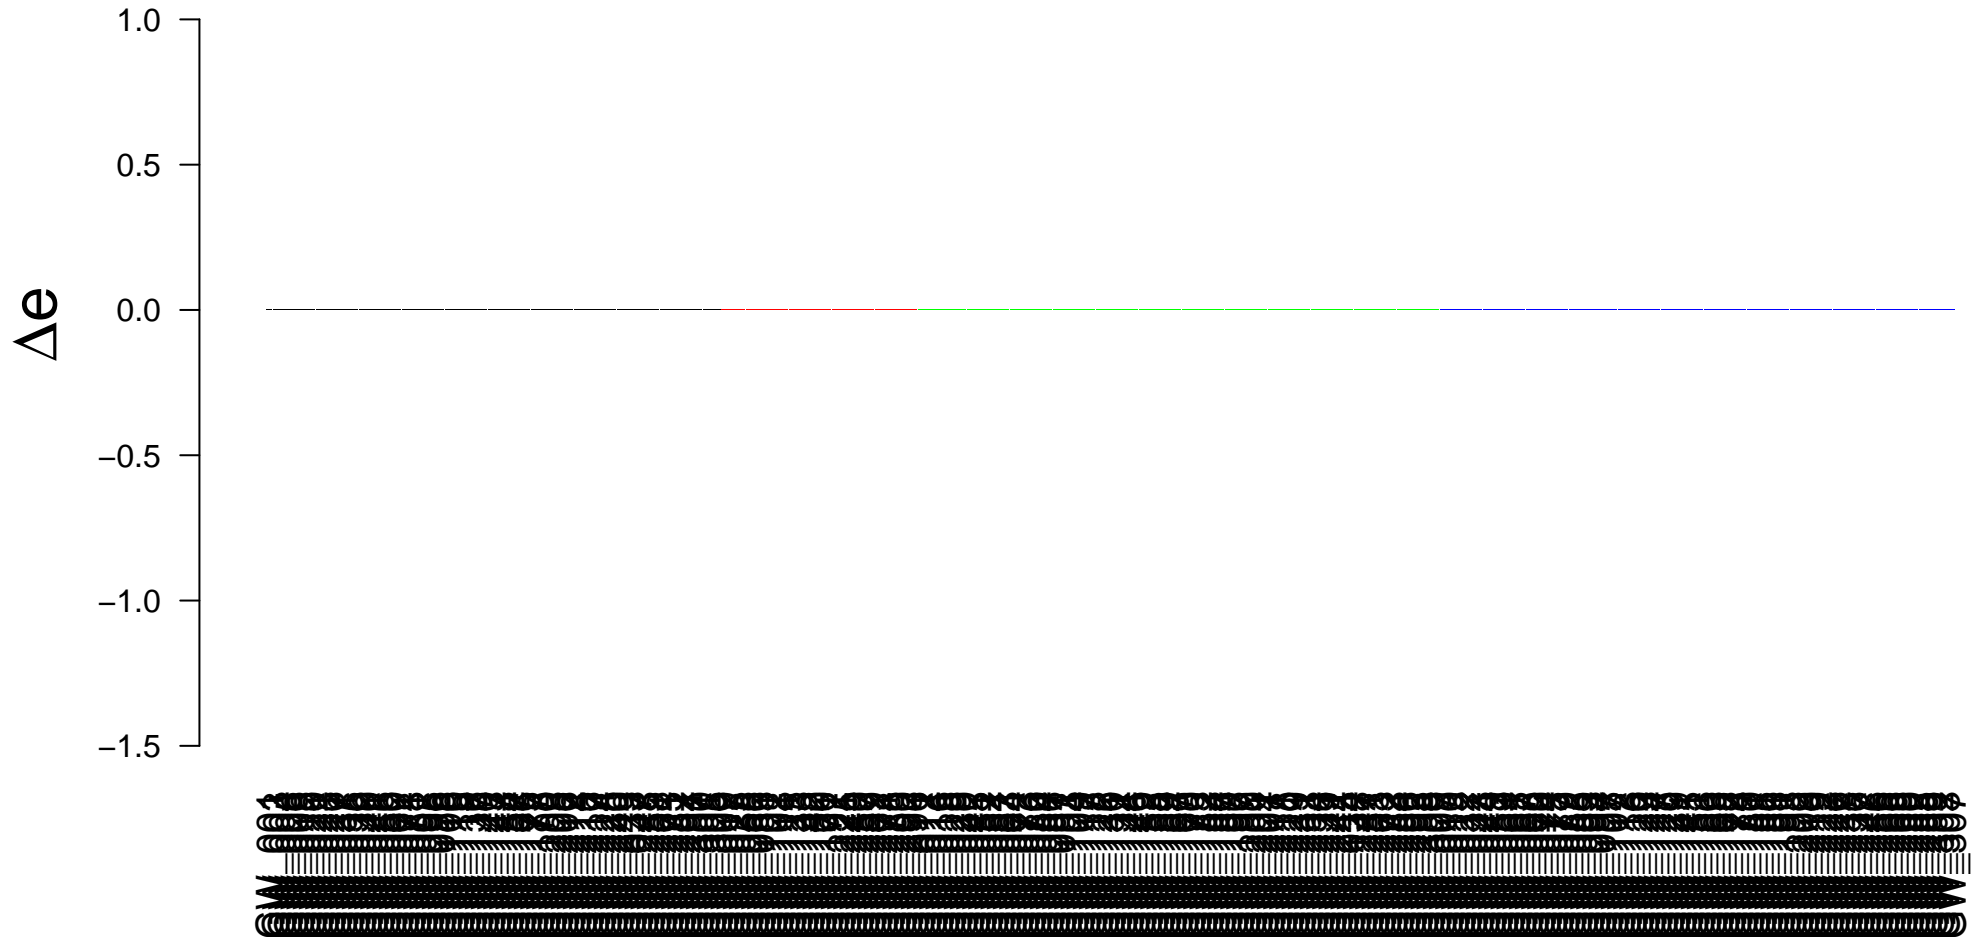

regulation of transforming growth factor beta receptor signaling pathway

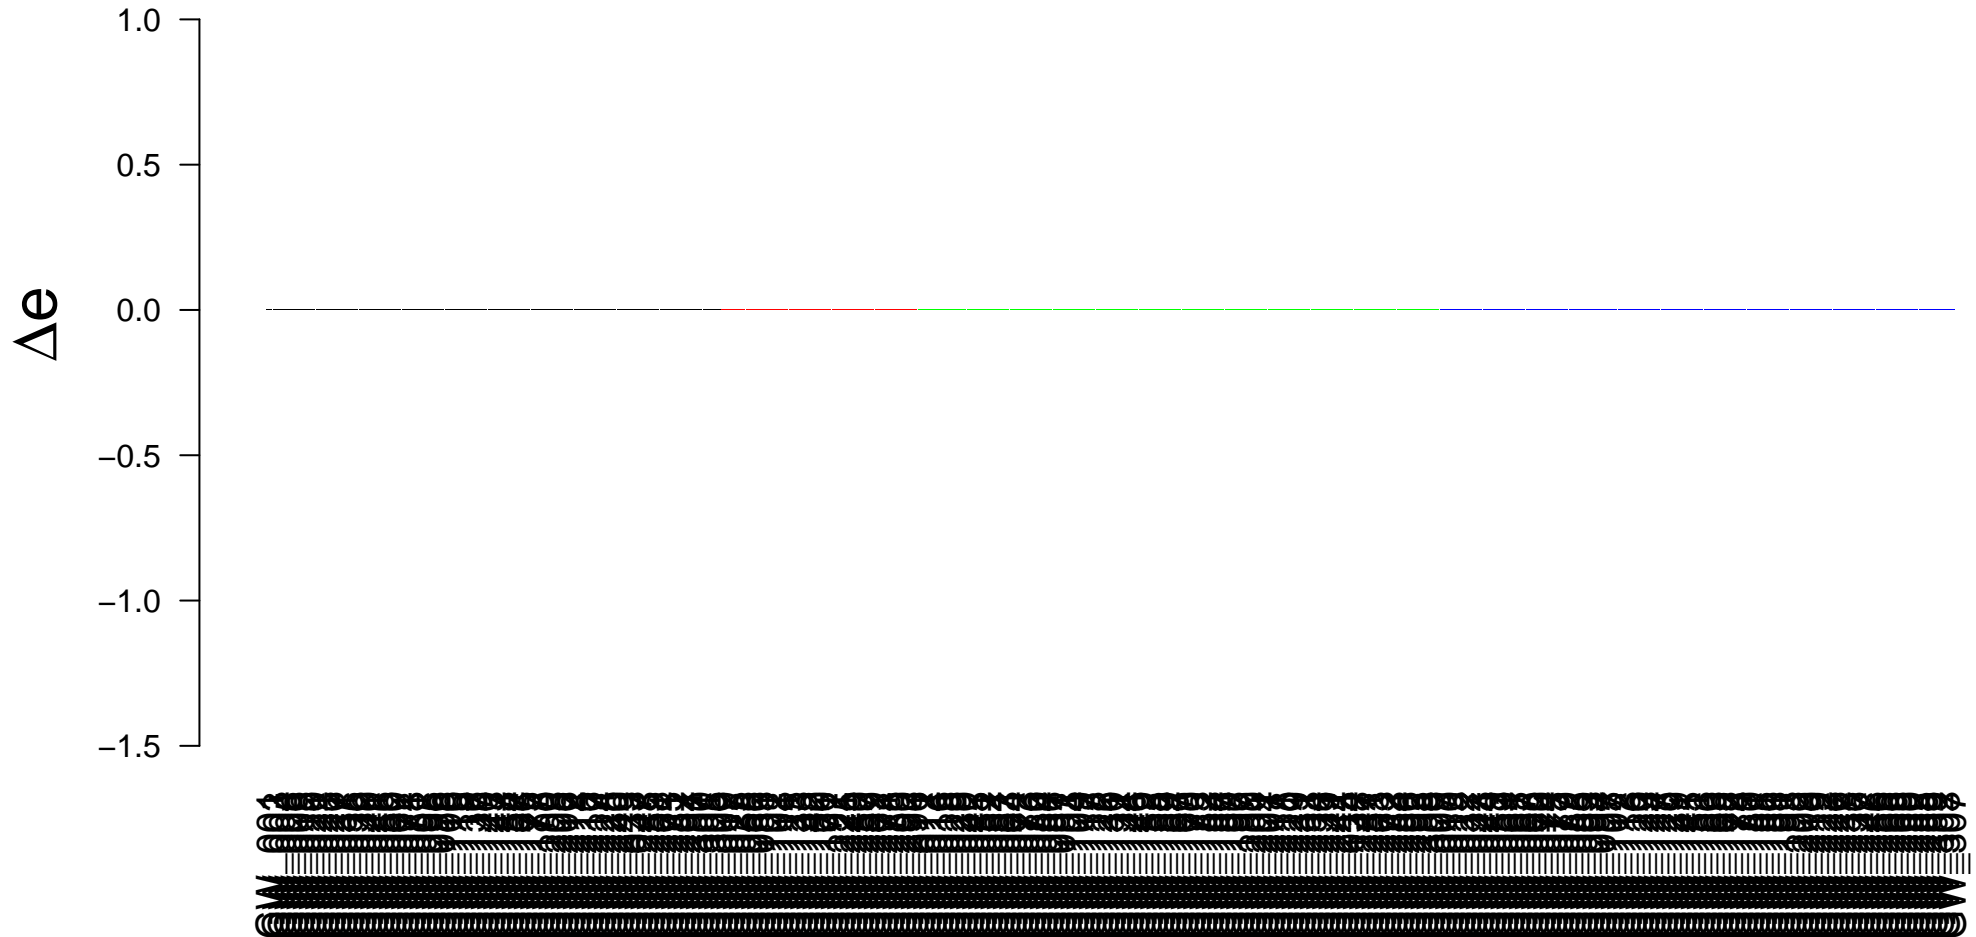

Enrichment in spots: regulation of transforming growth factor beta receptor signaling pathway

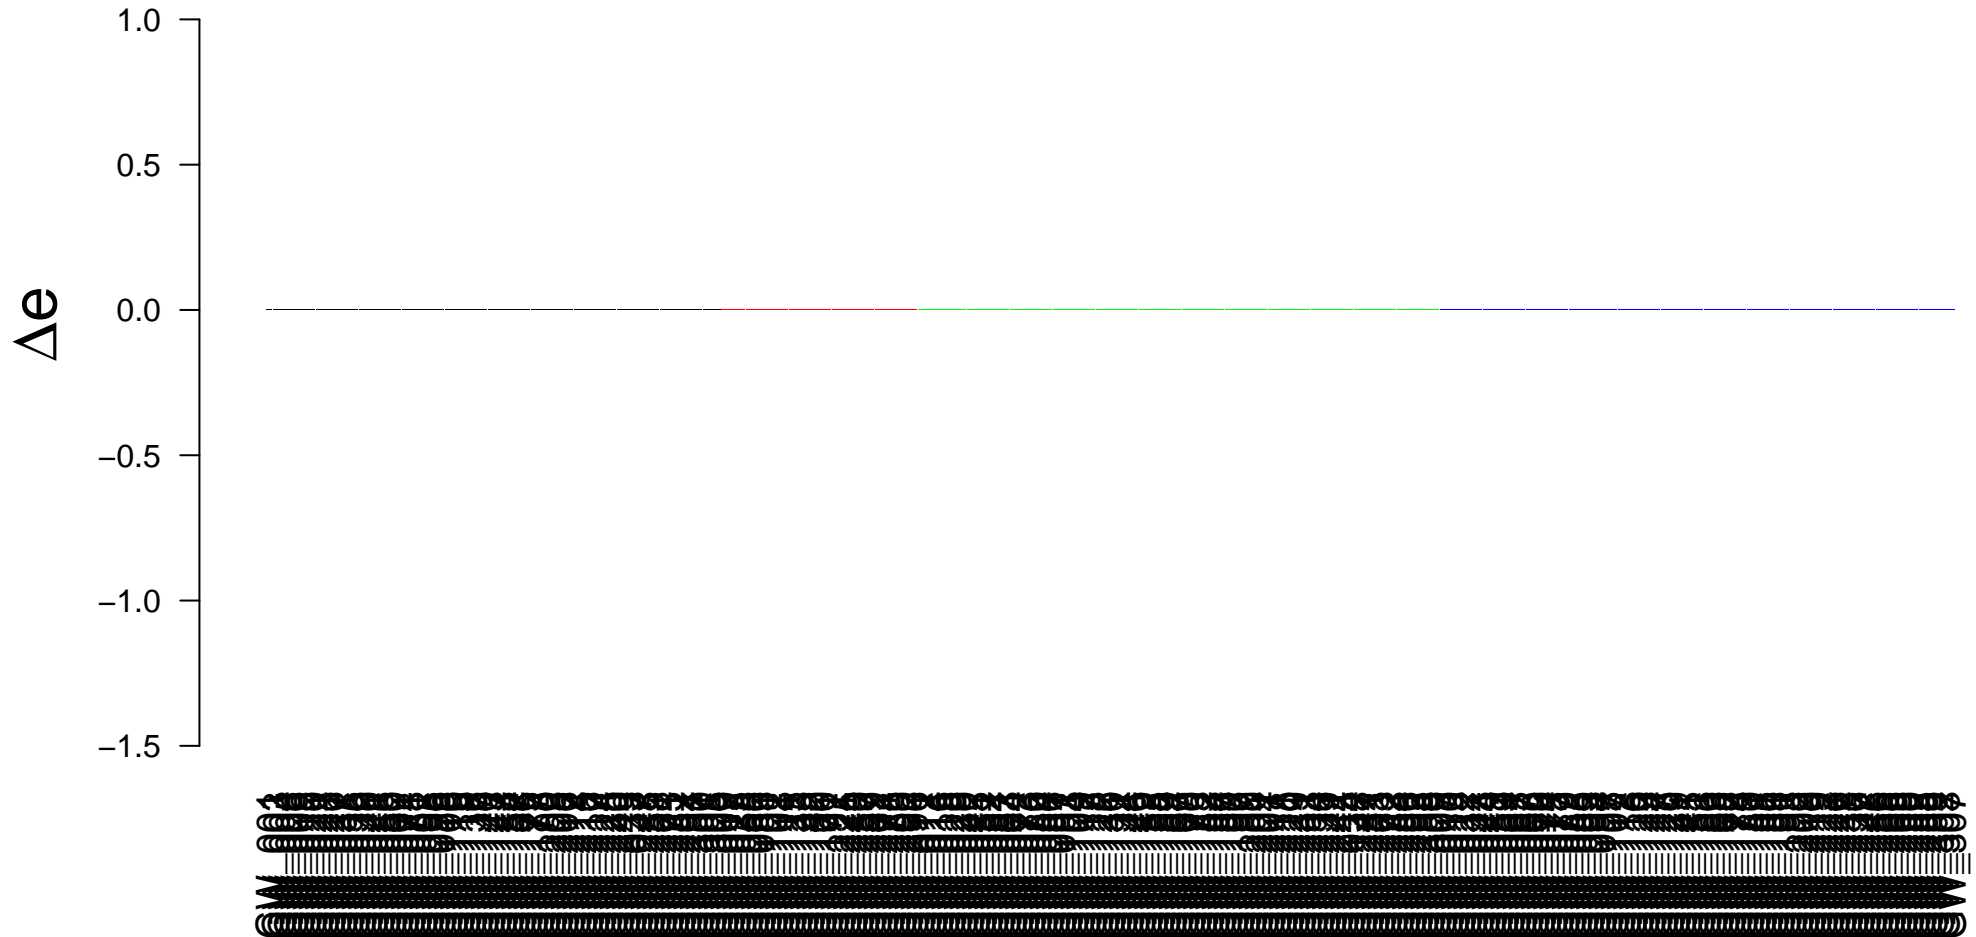

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot A

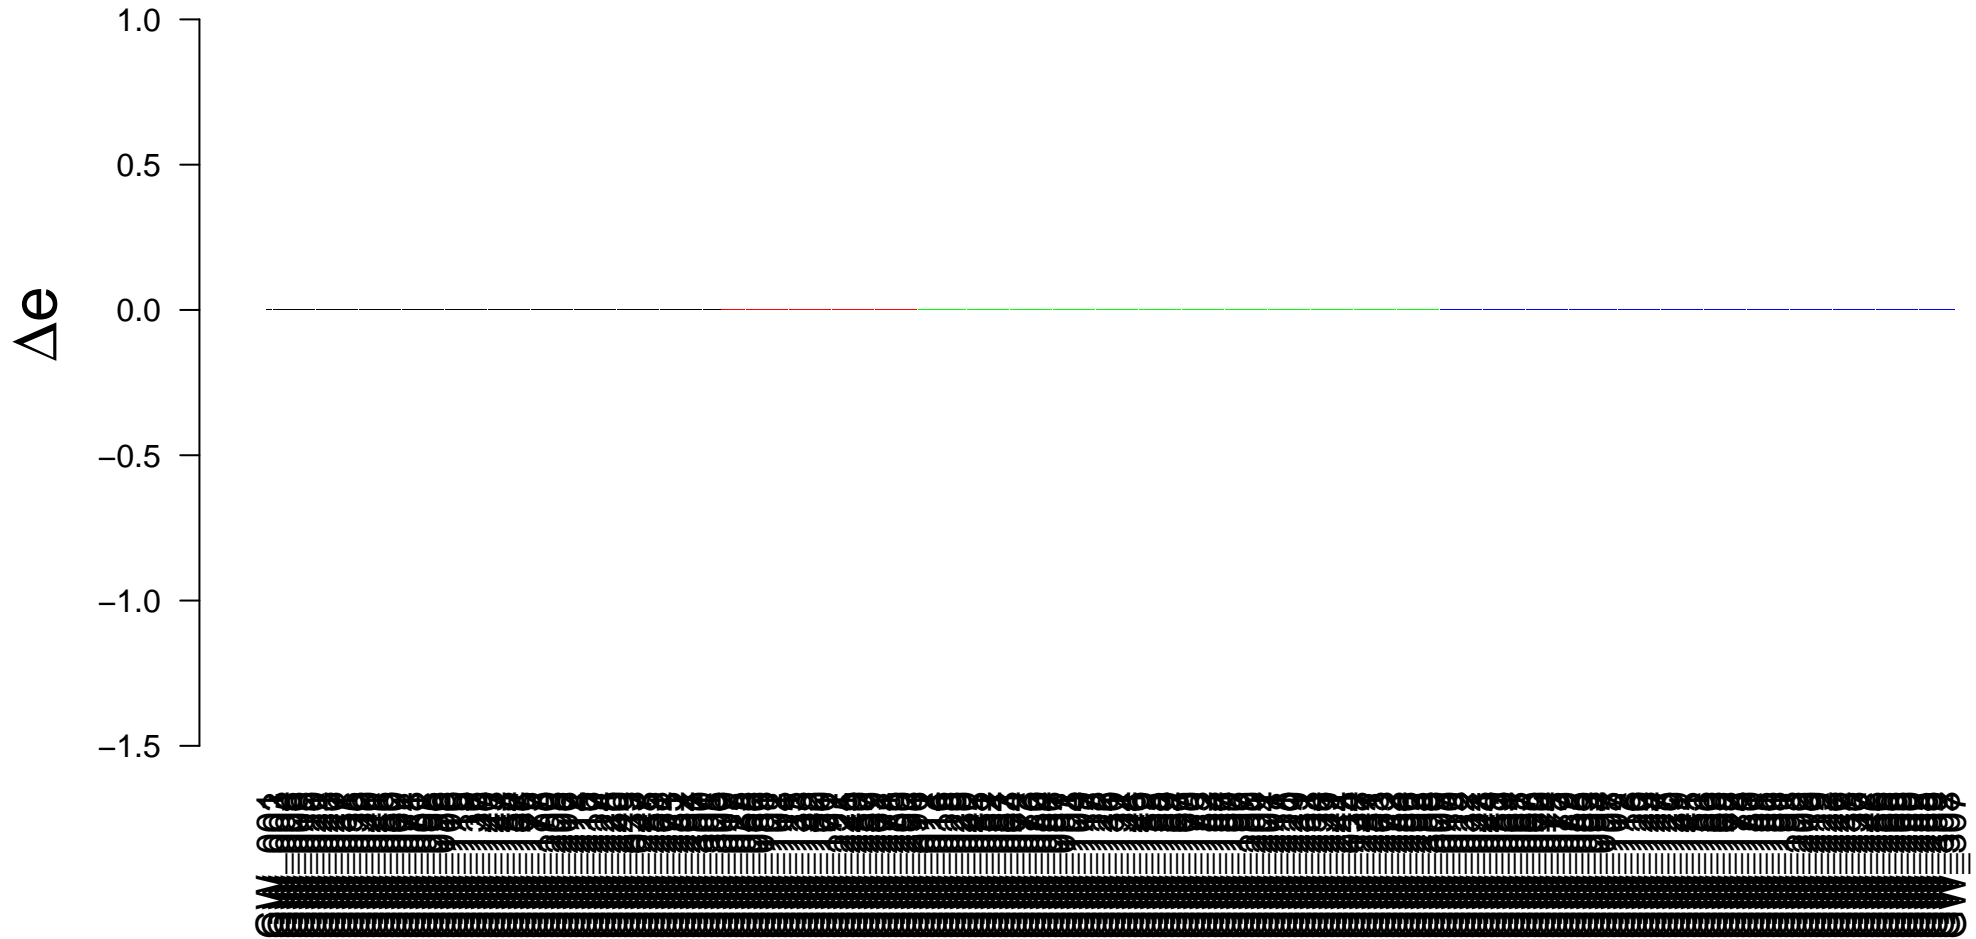

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot B

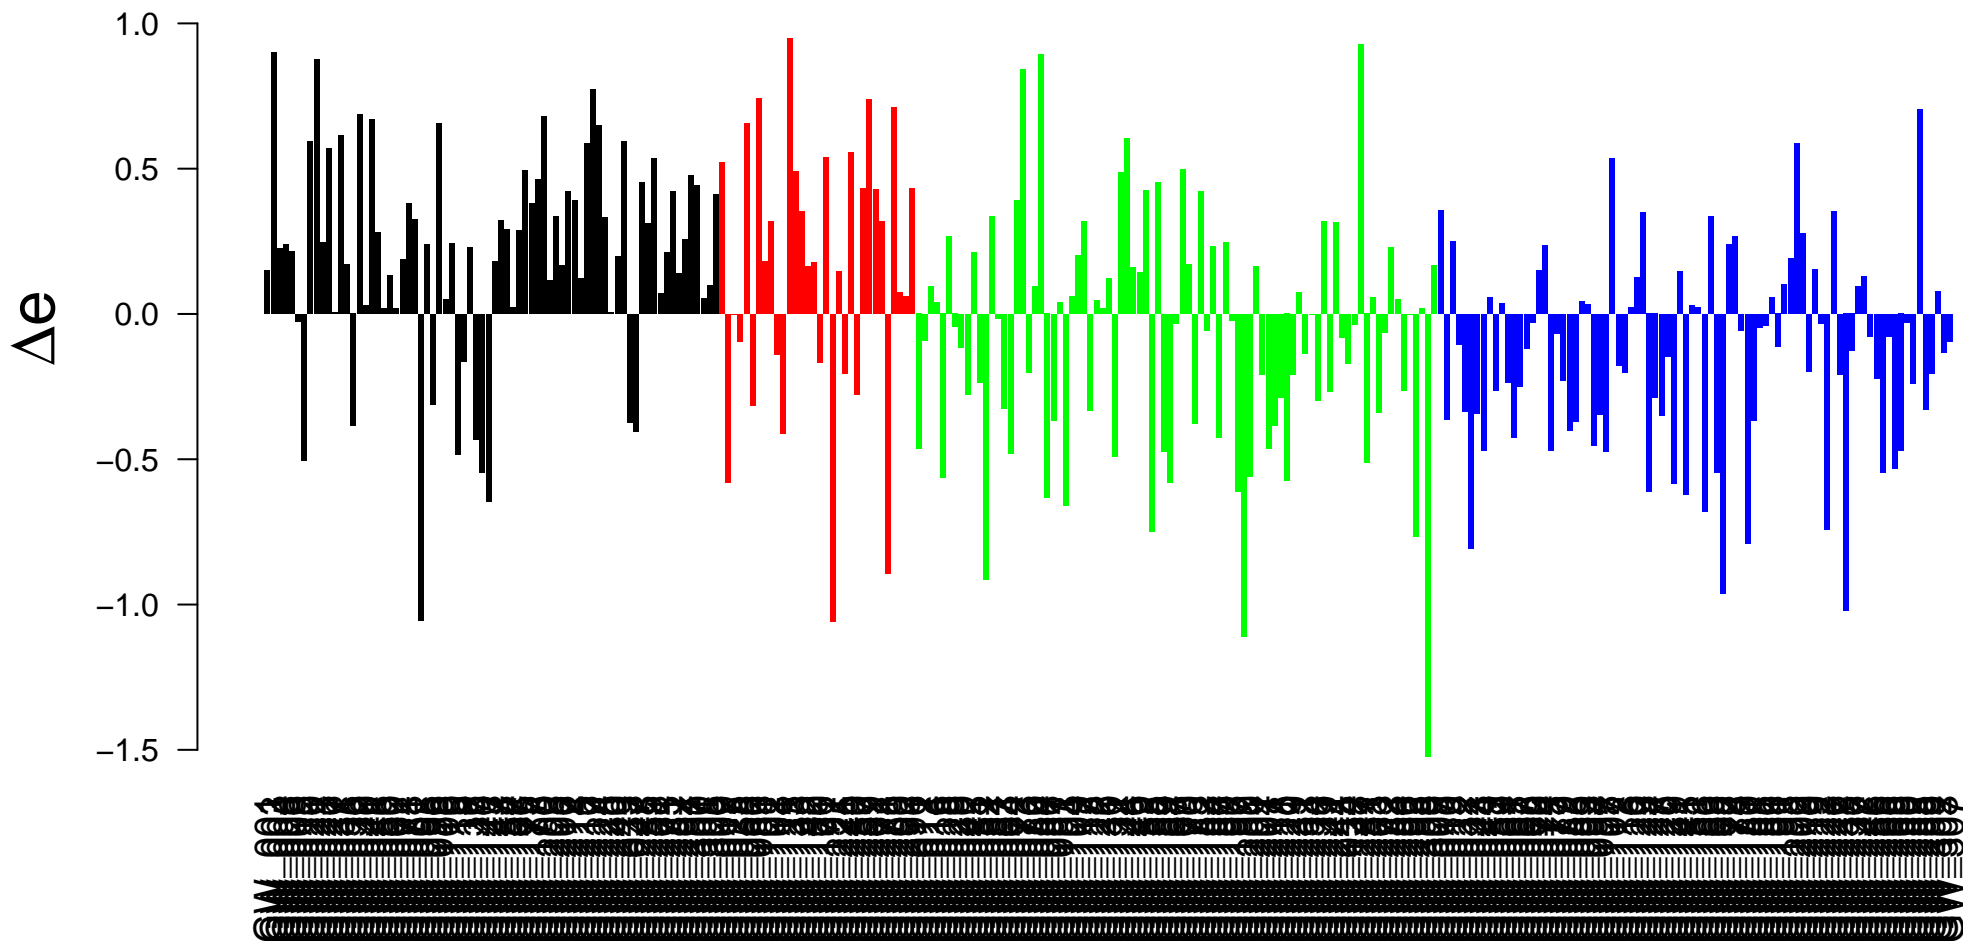

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot C

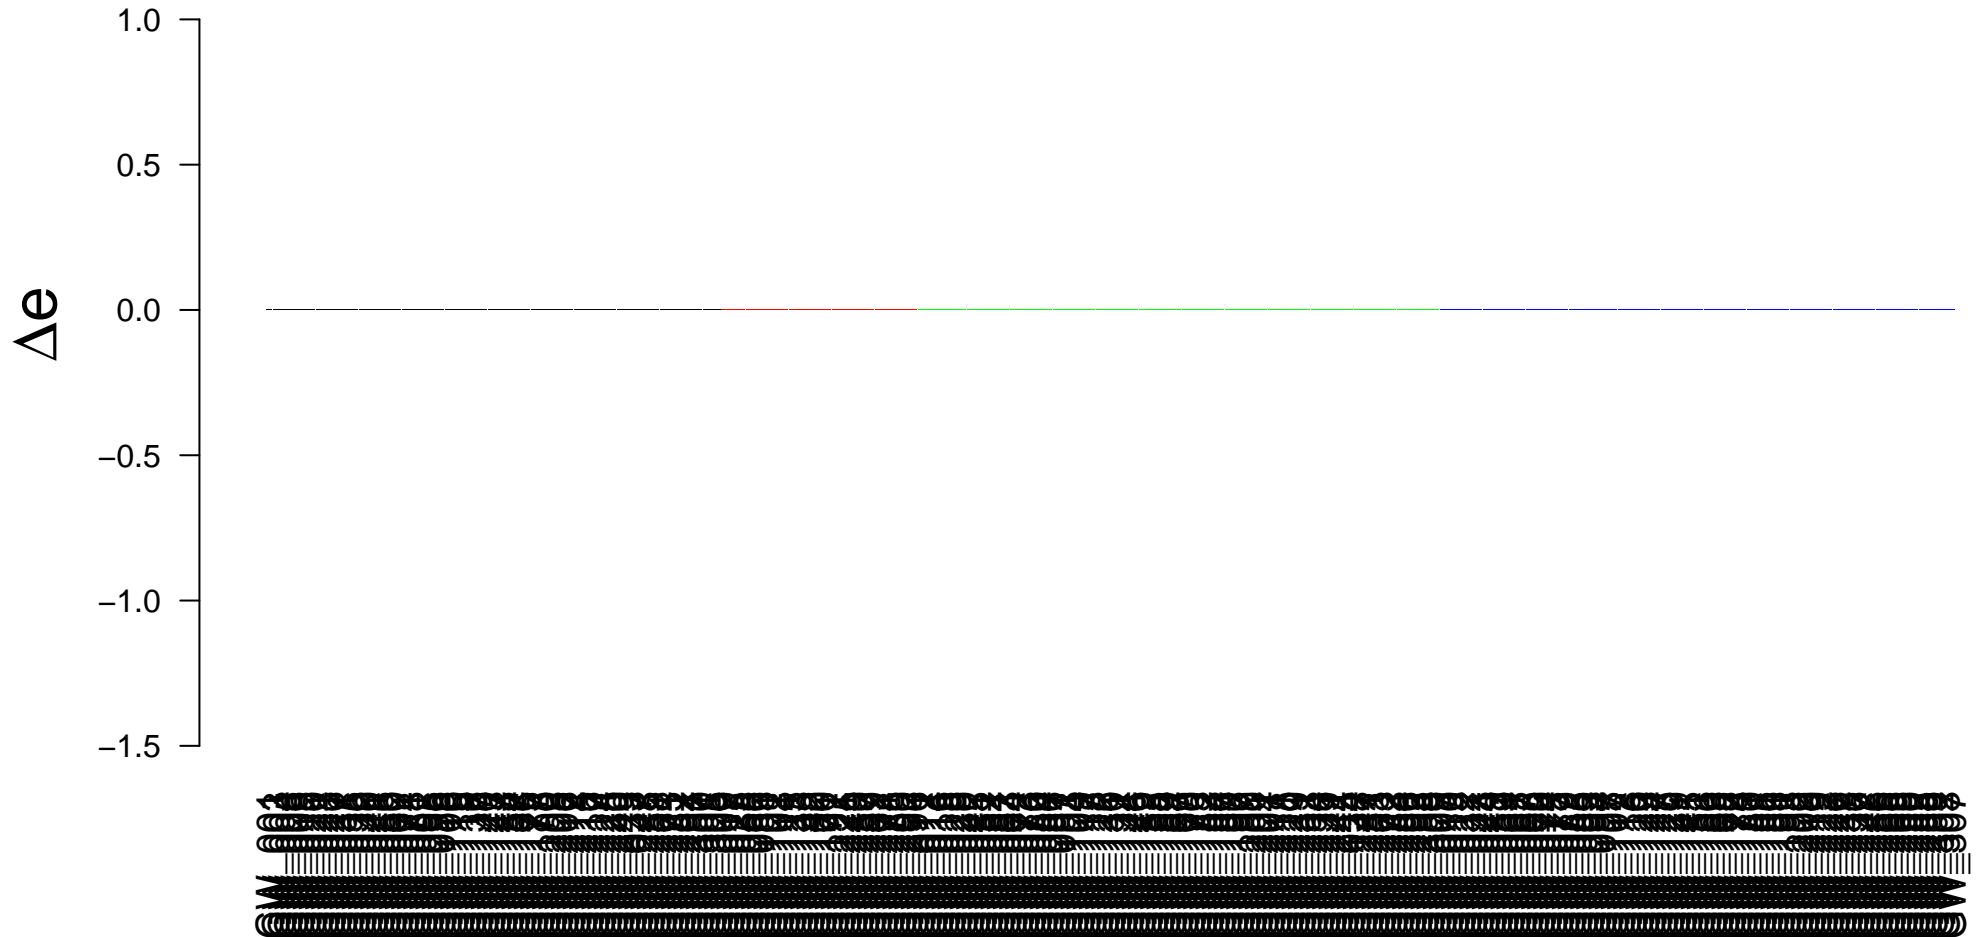

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot D

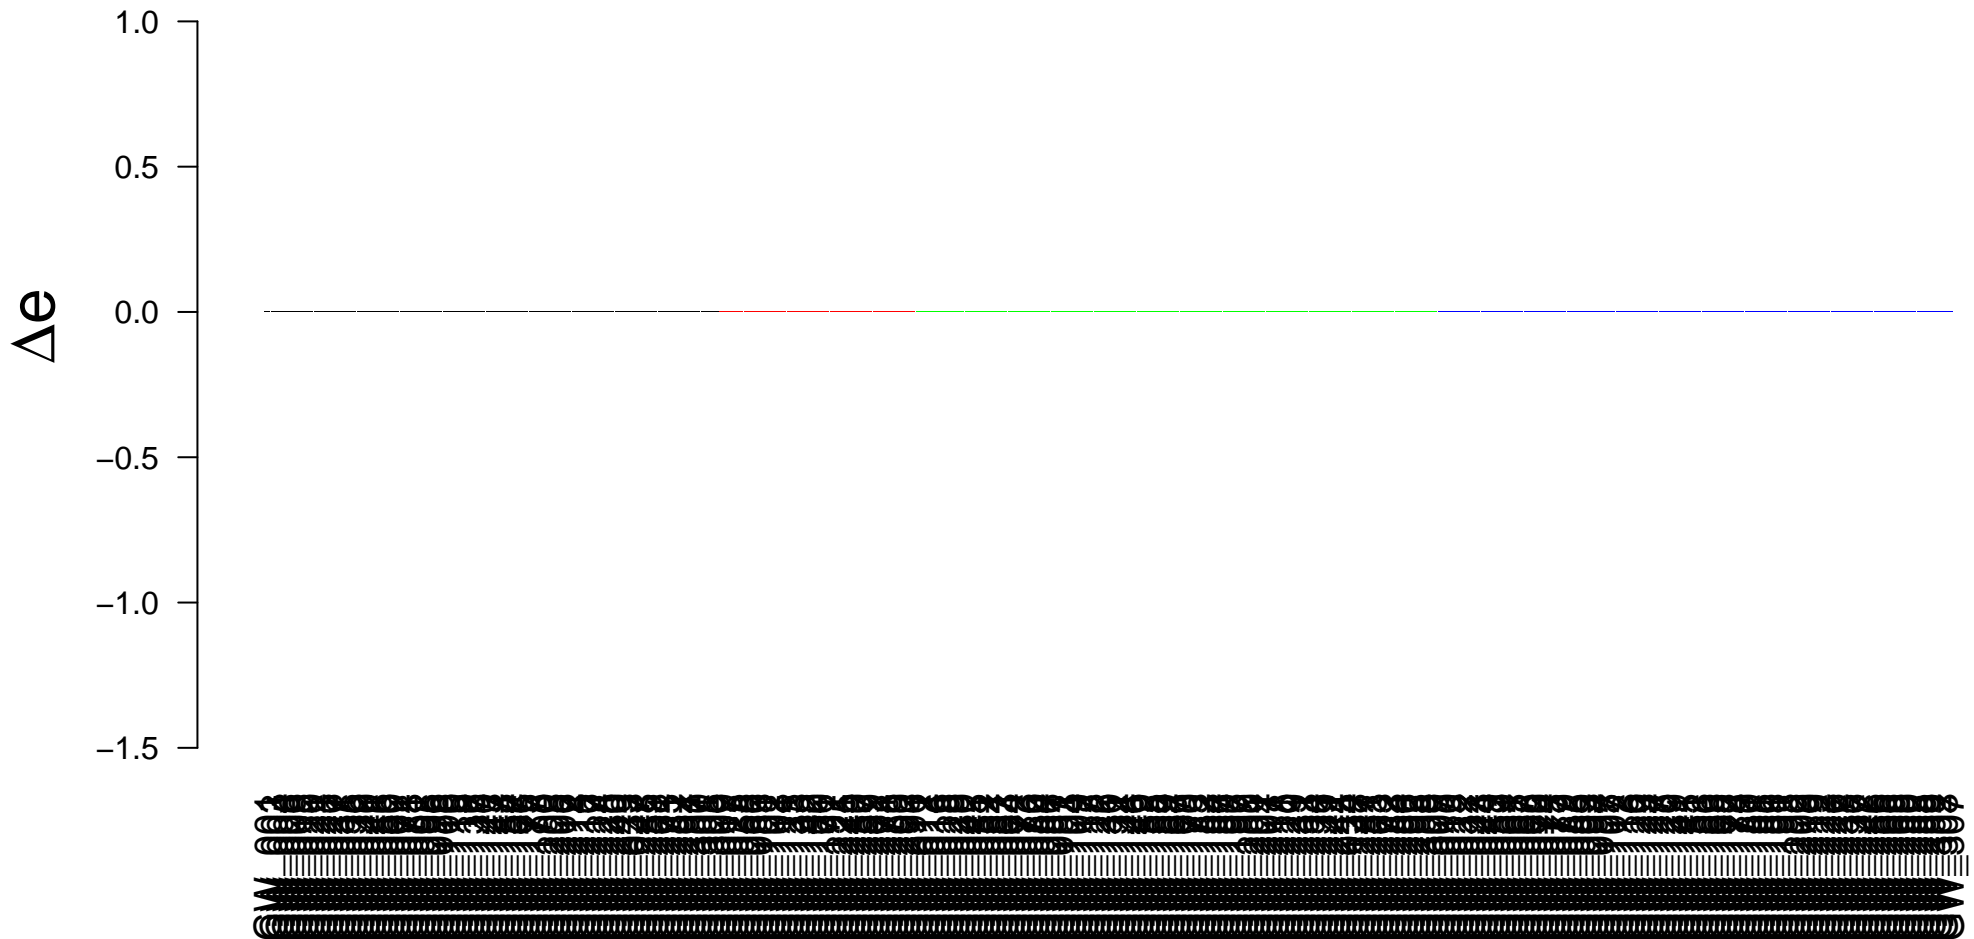

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot E

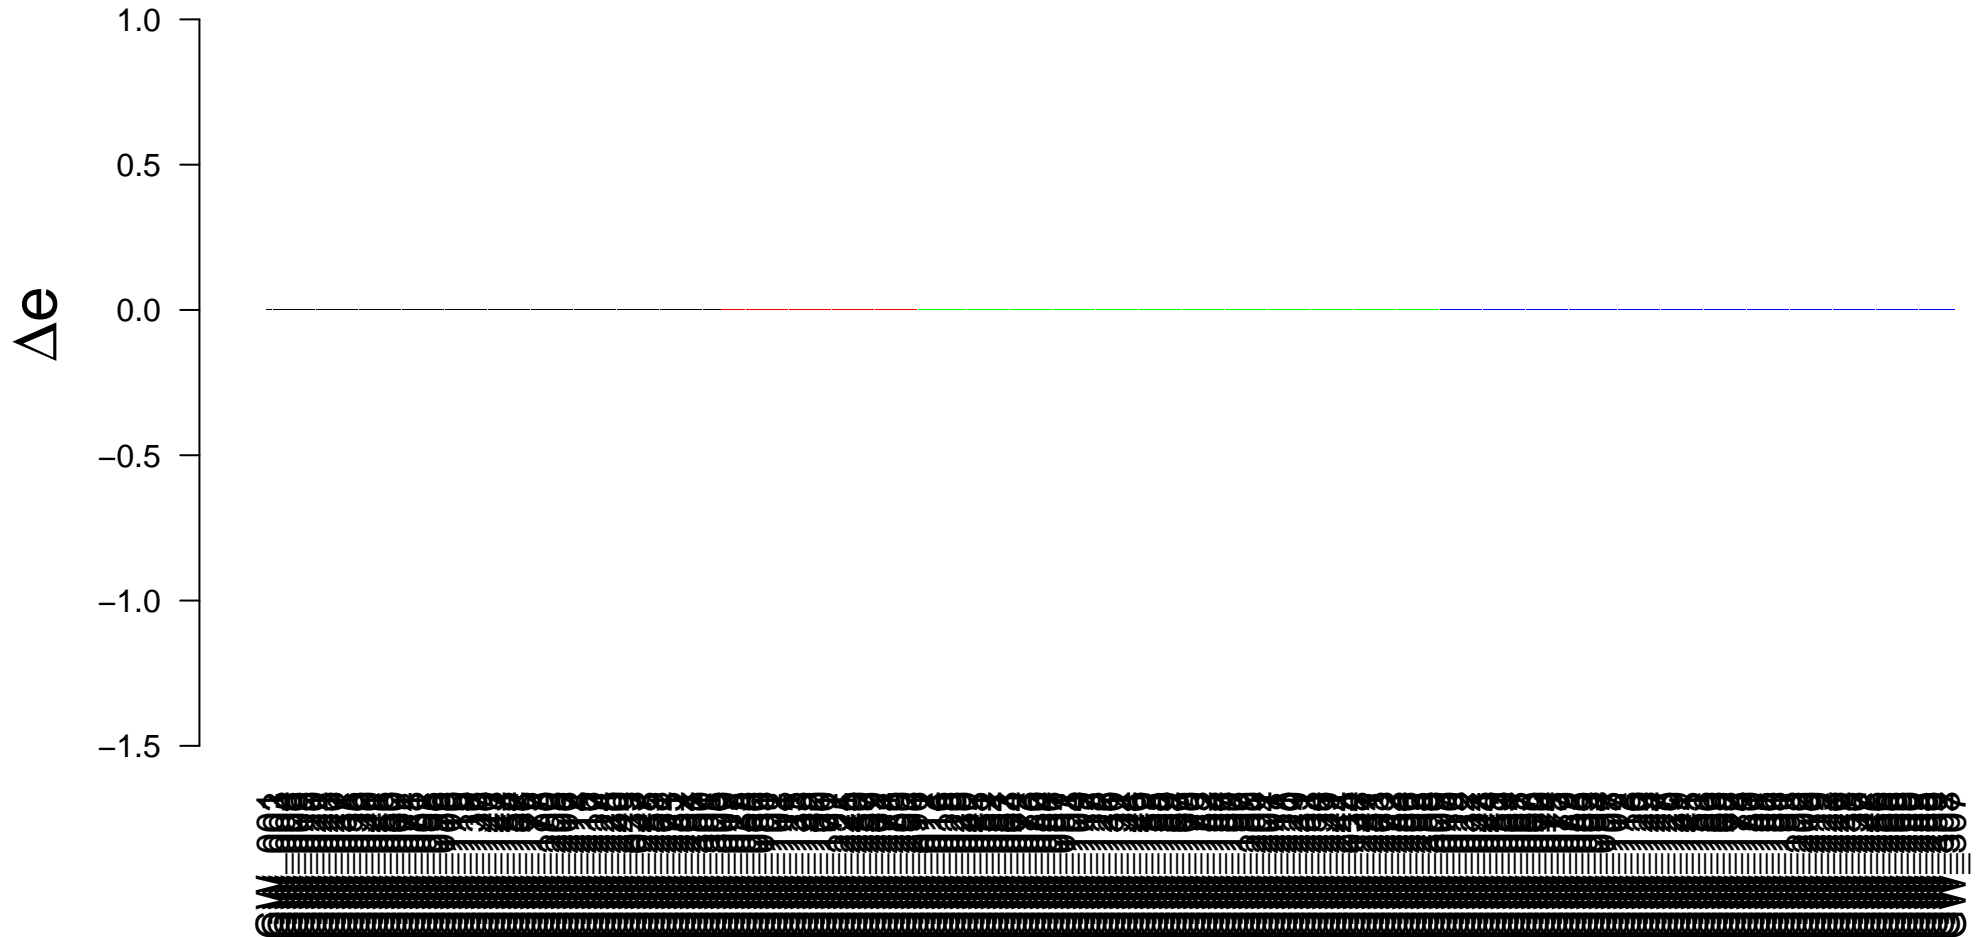

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot F

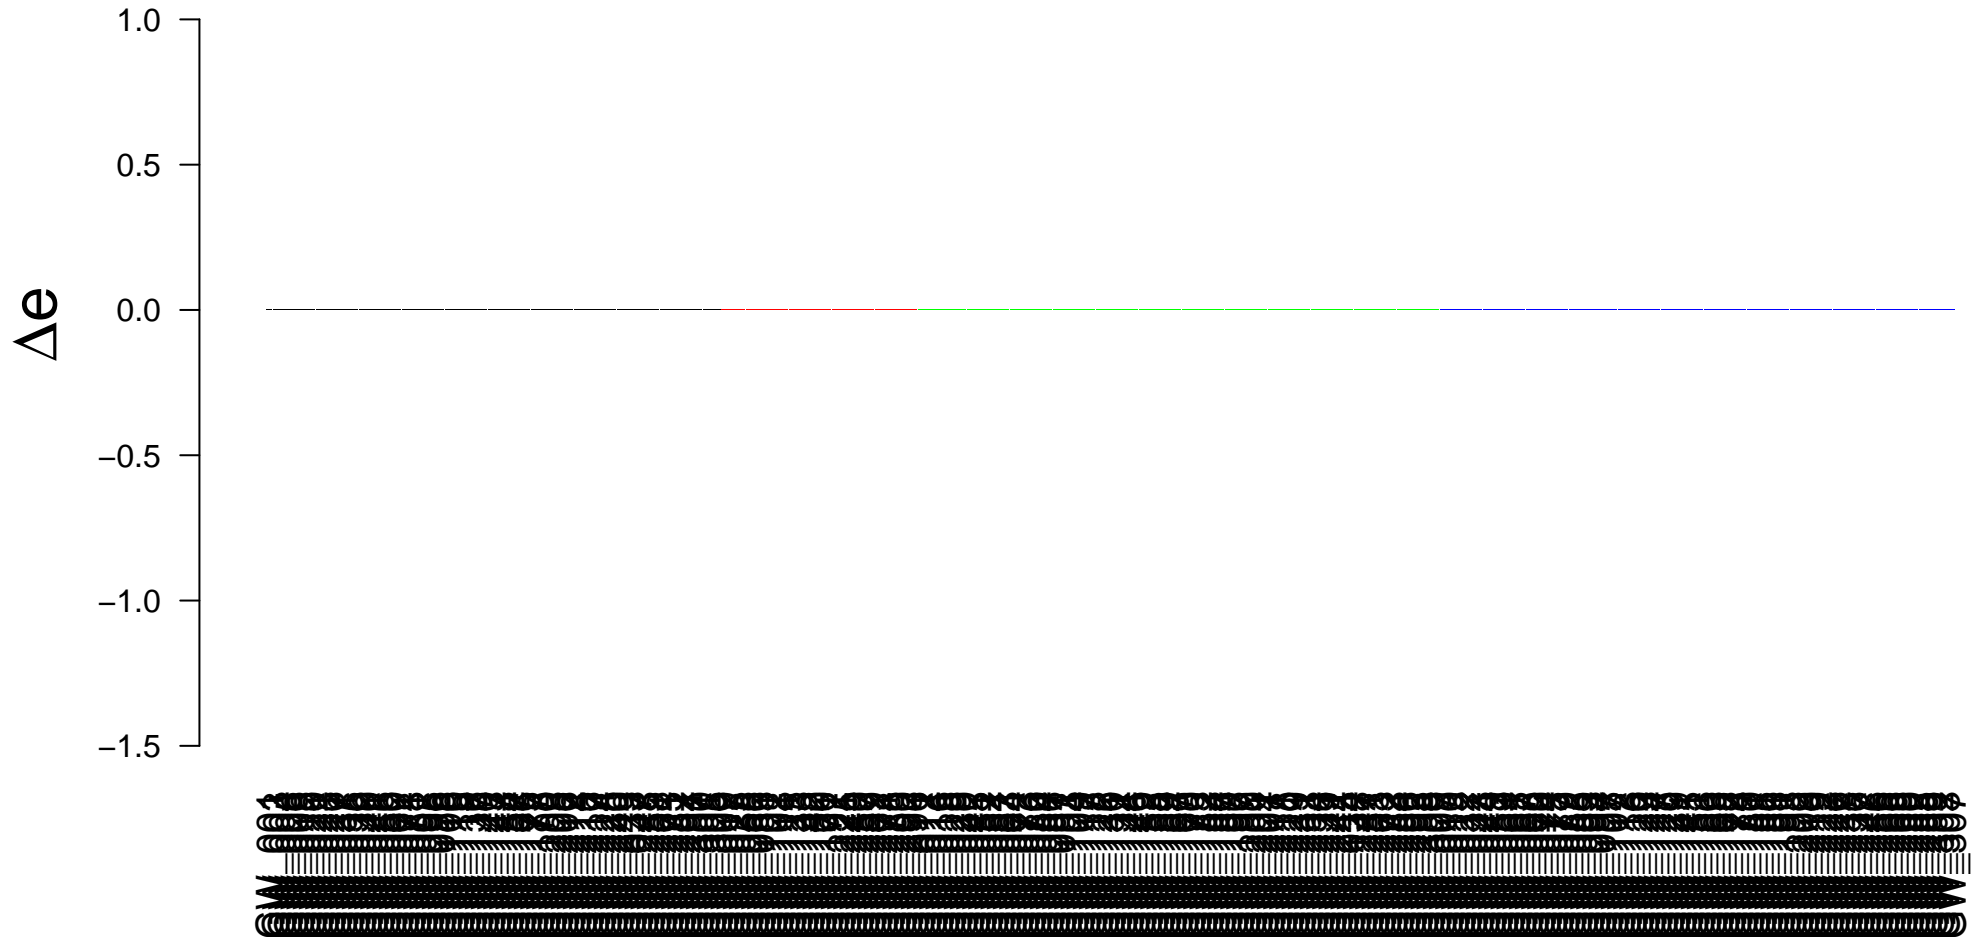

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot G

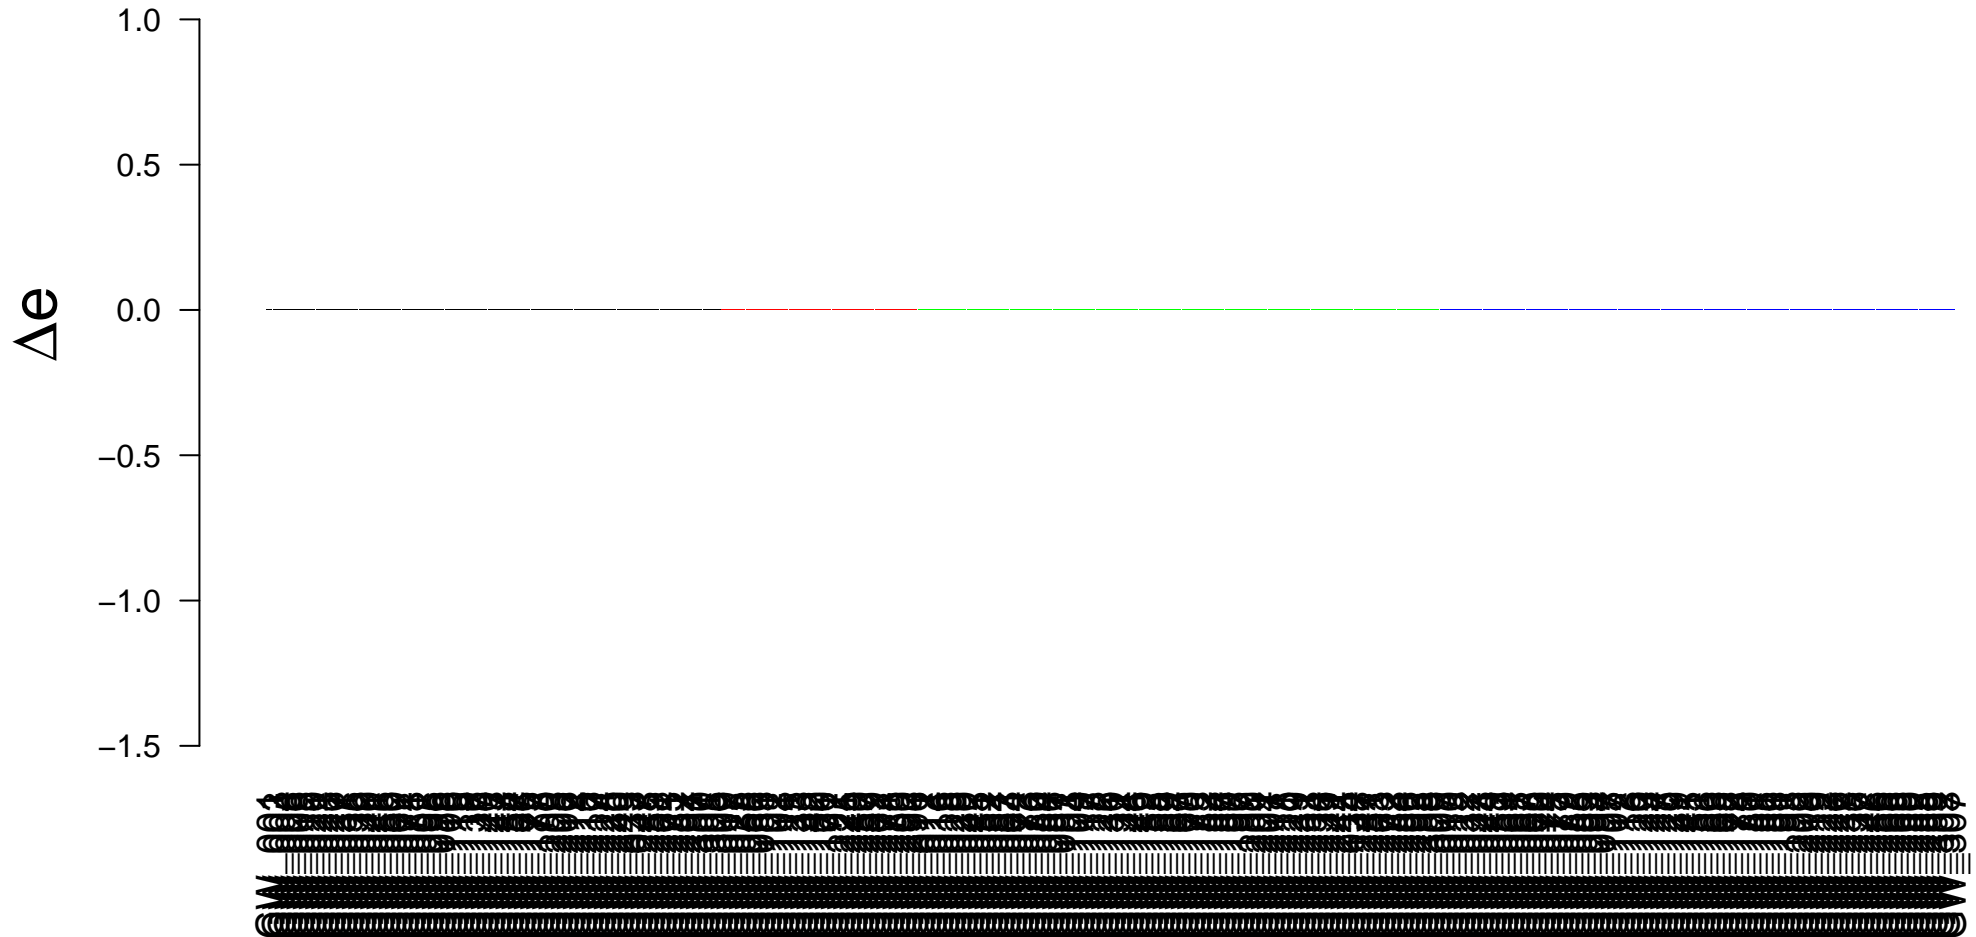

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot H

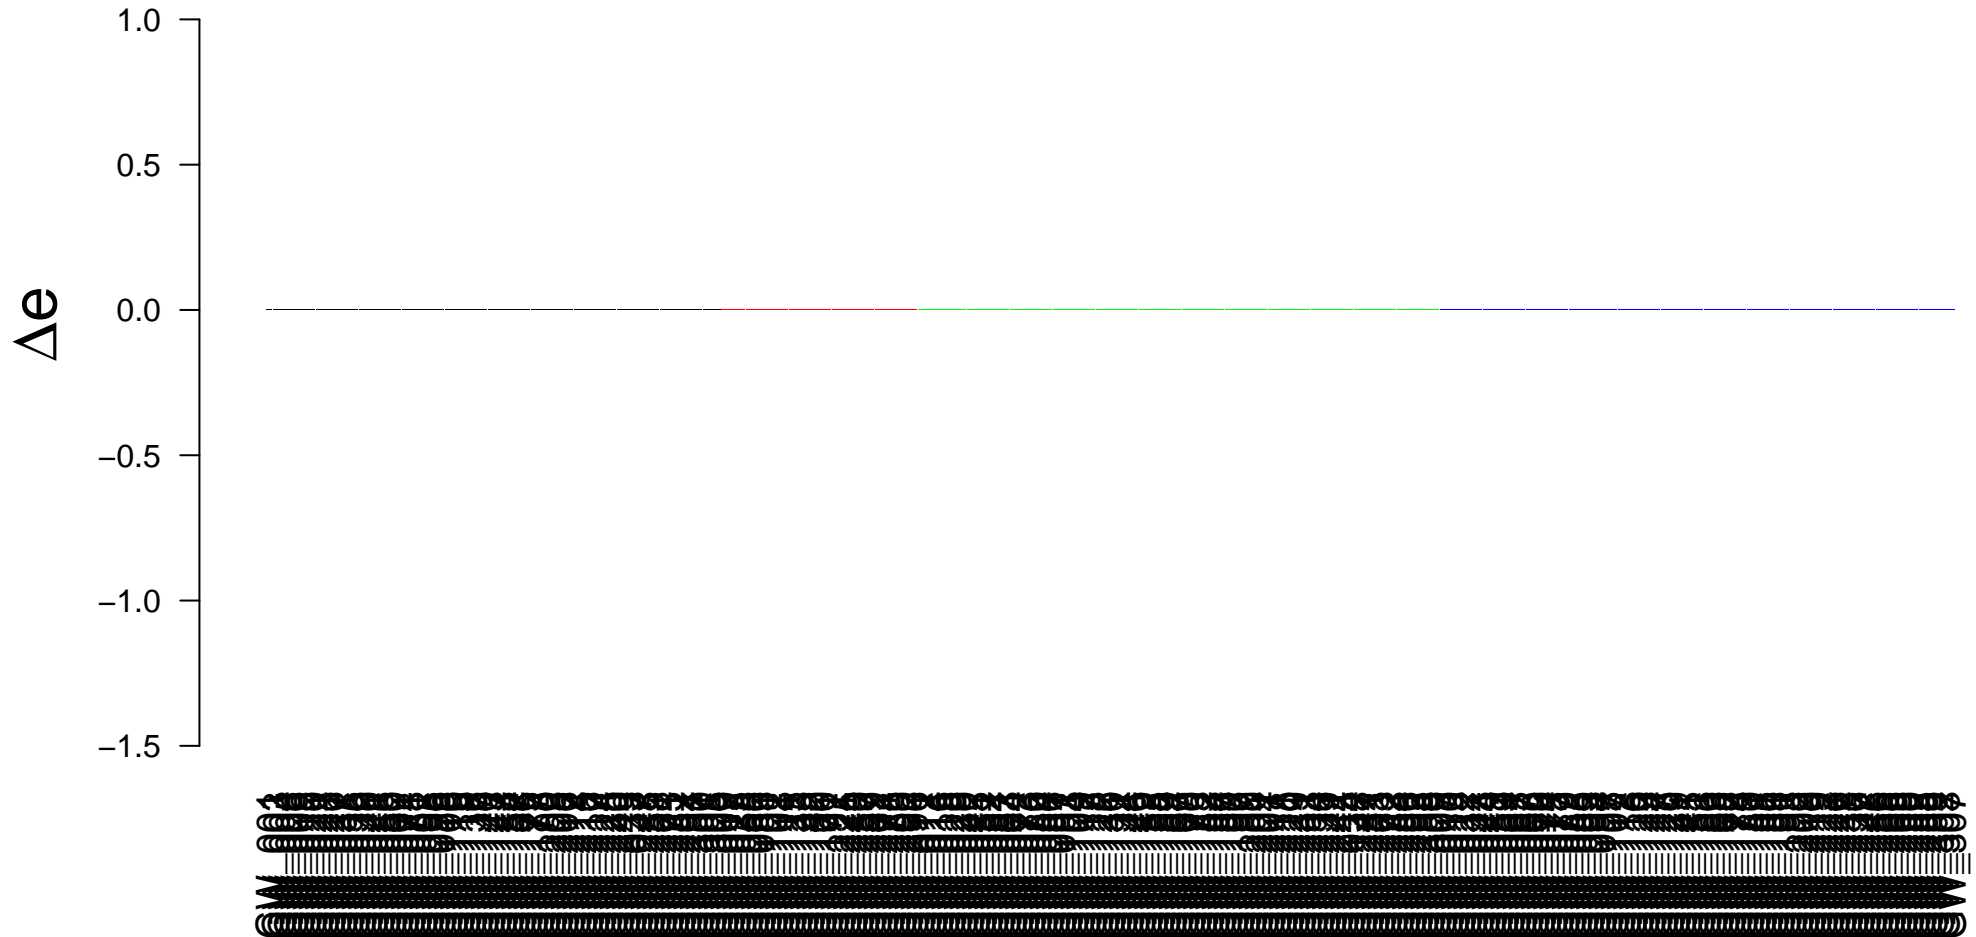

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot I

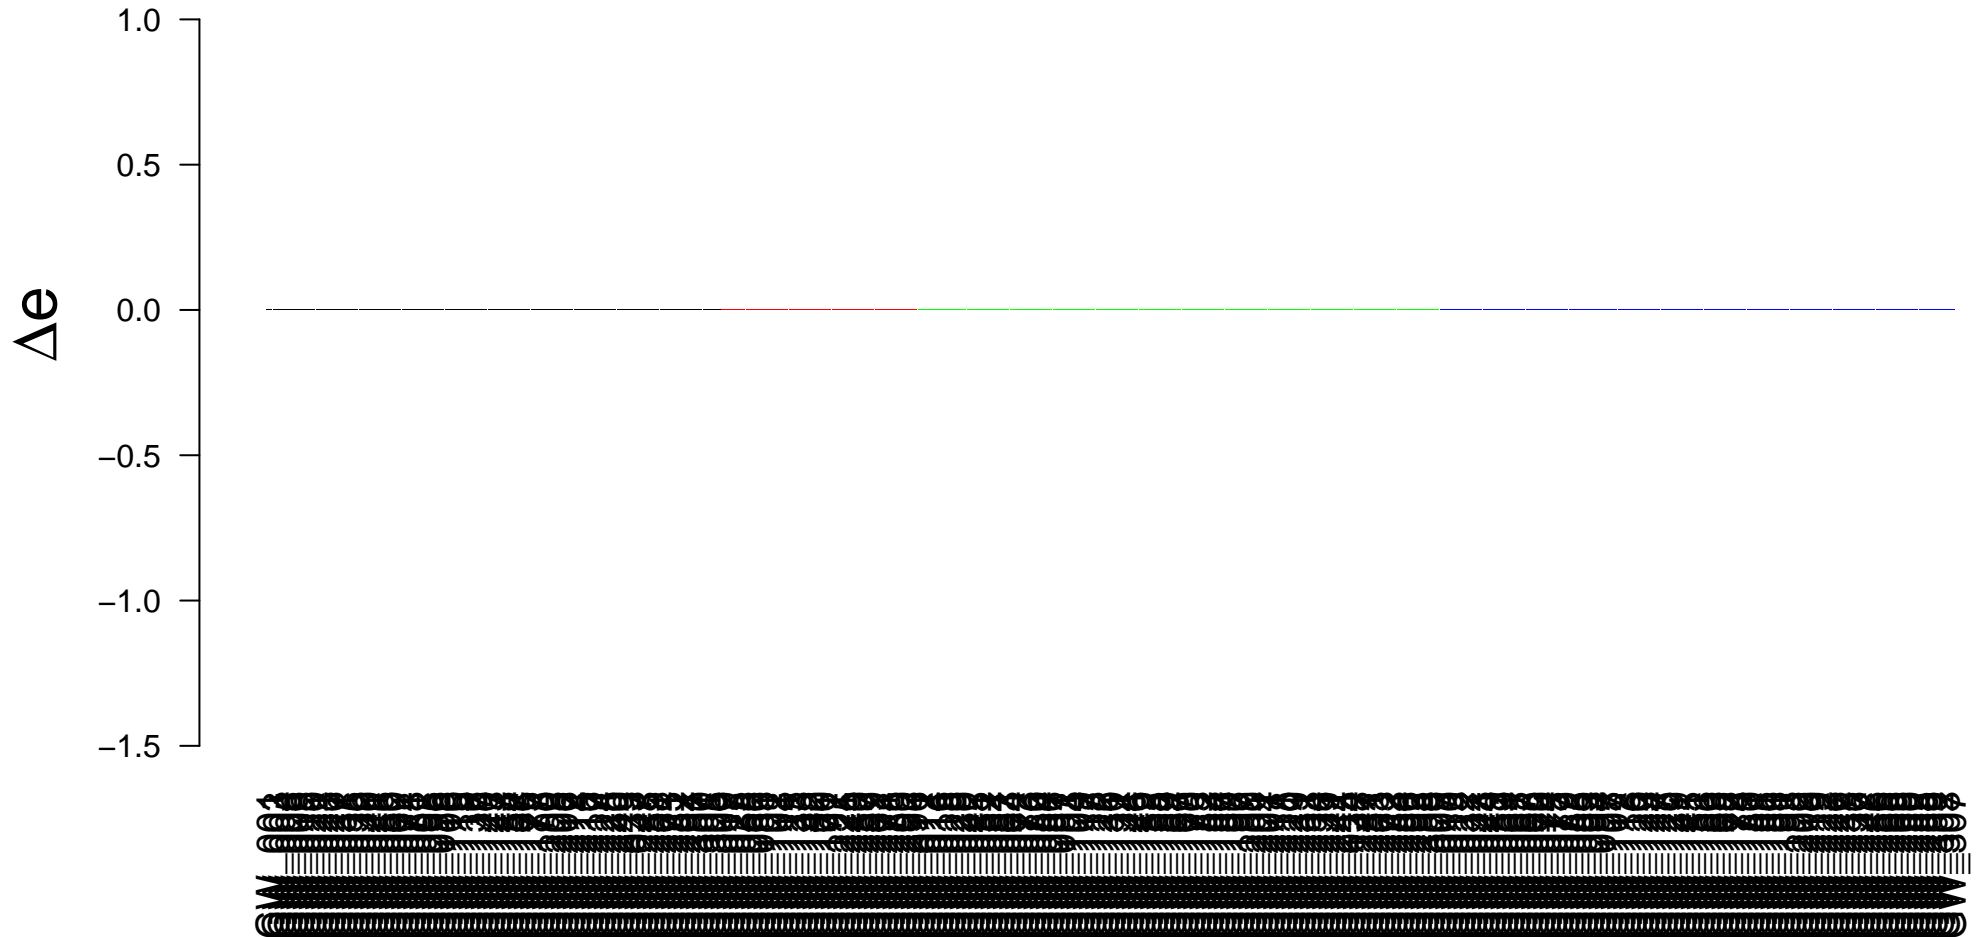

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot J

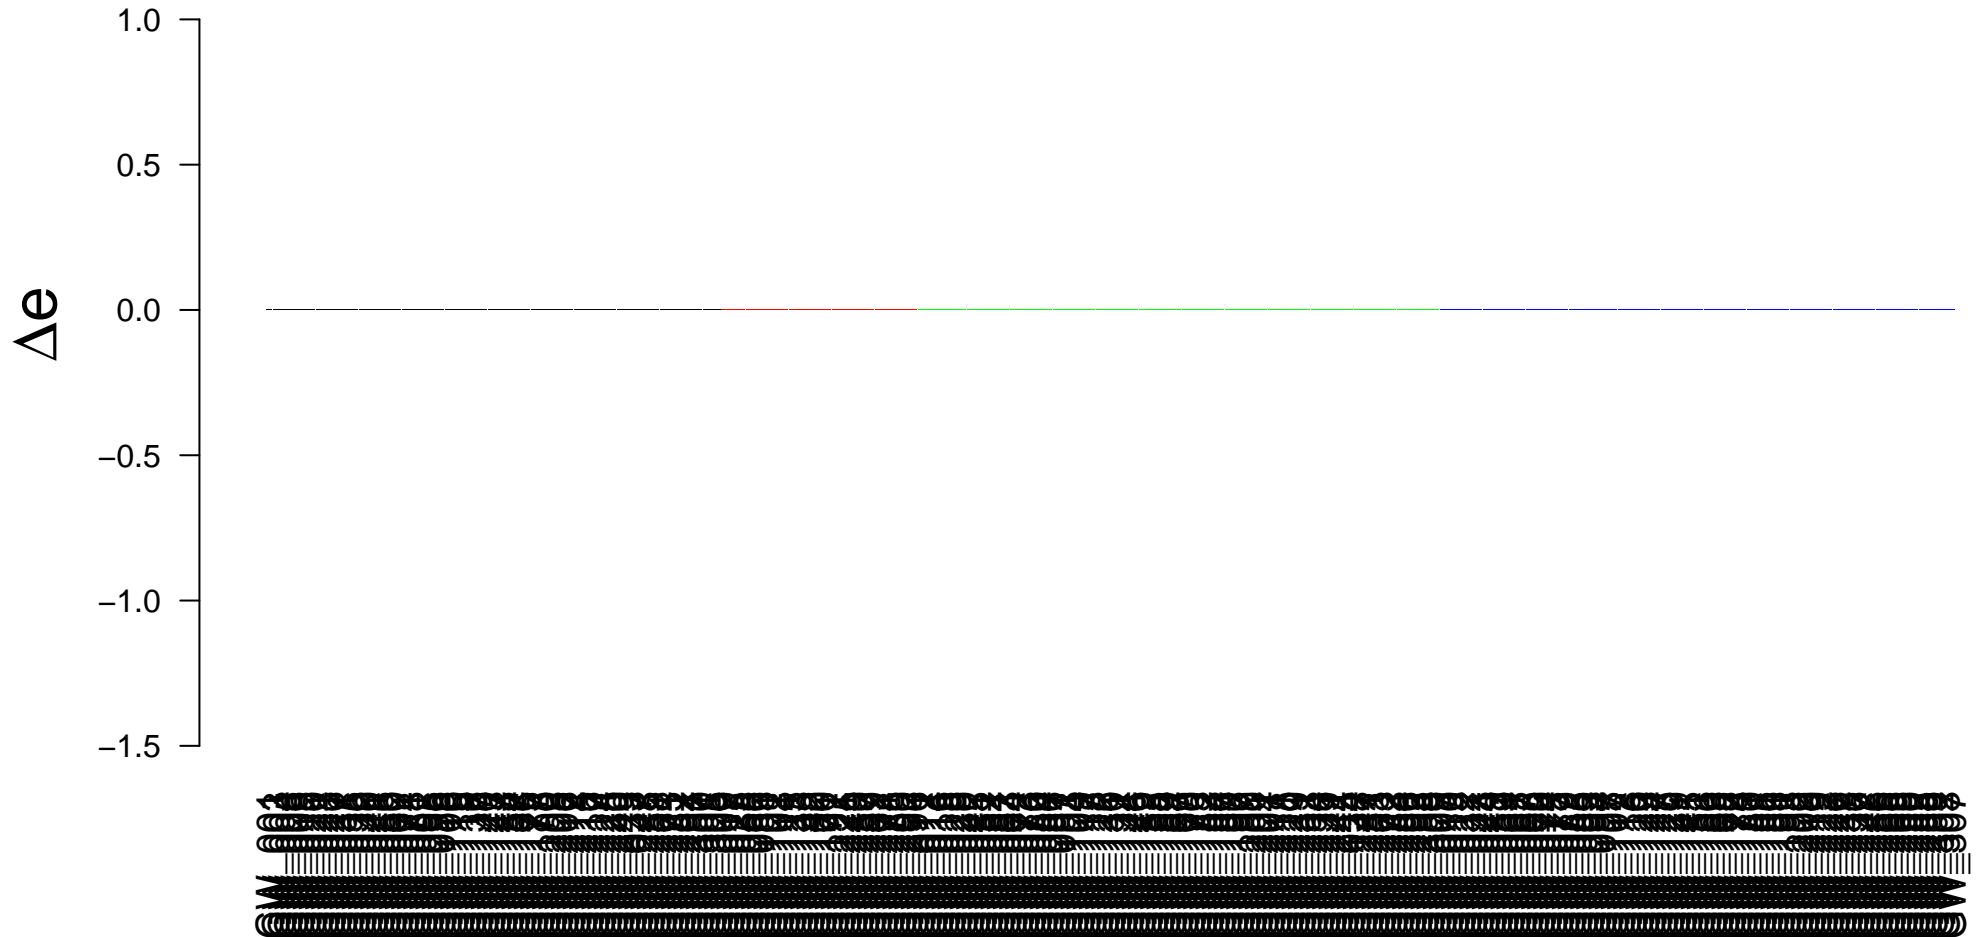

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot K

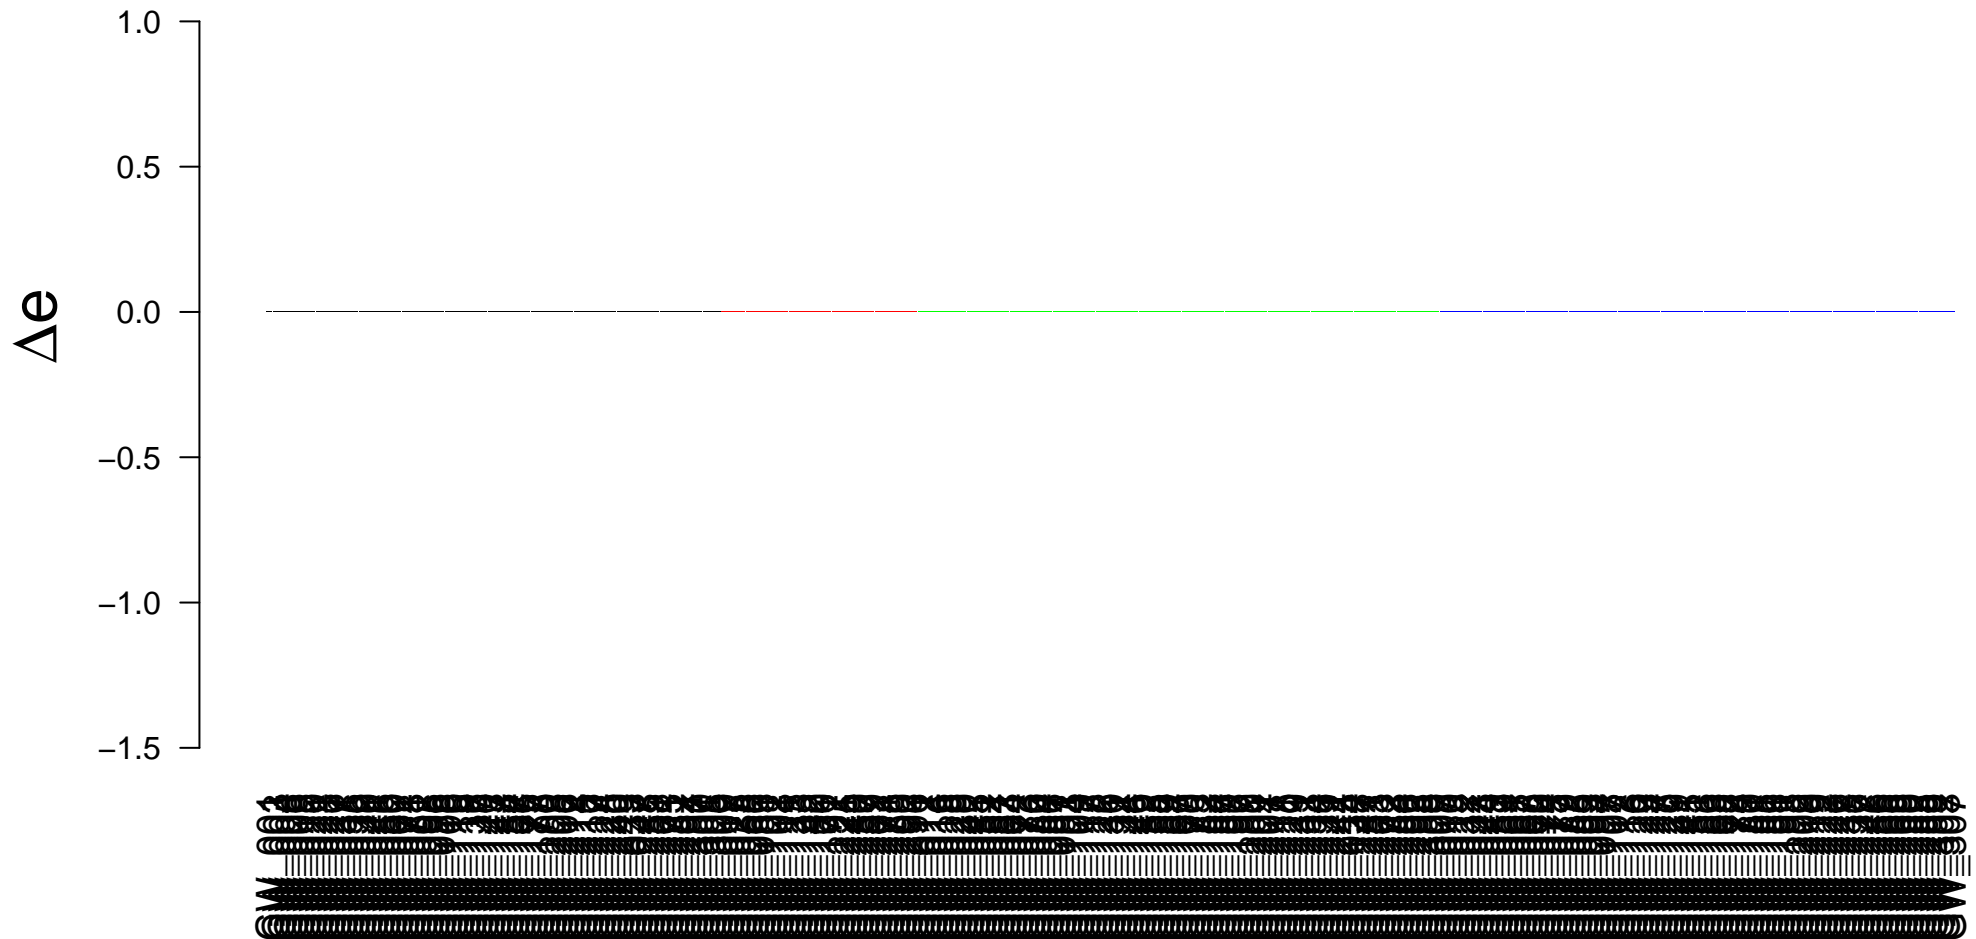

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot M

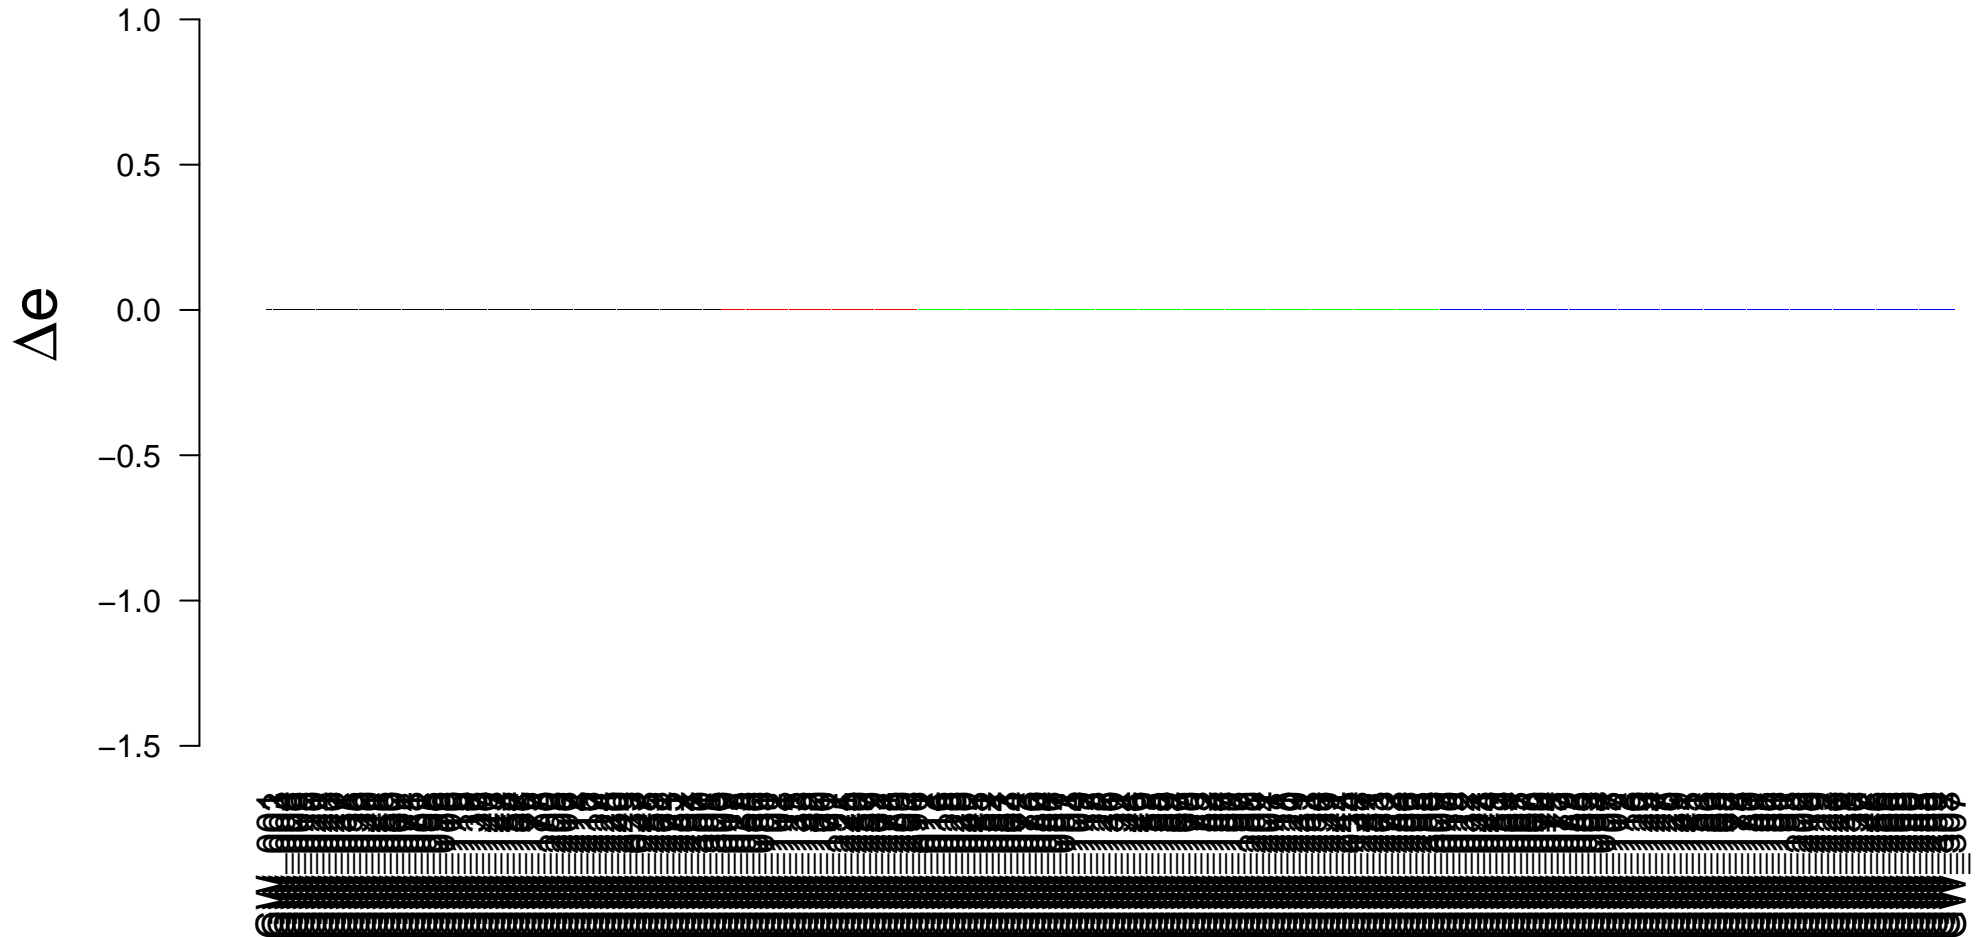

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot N

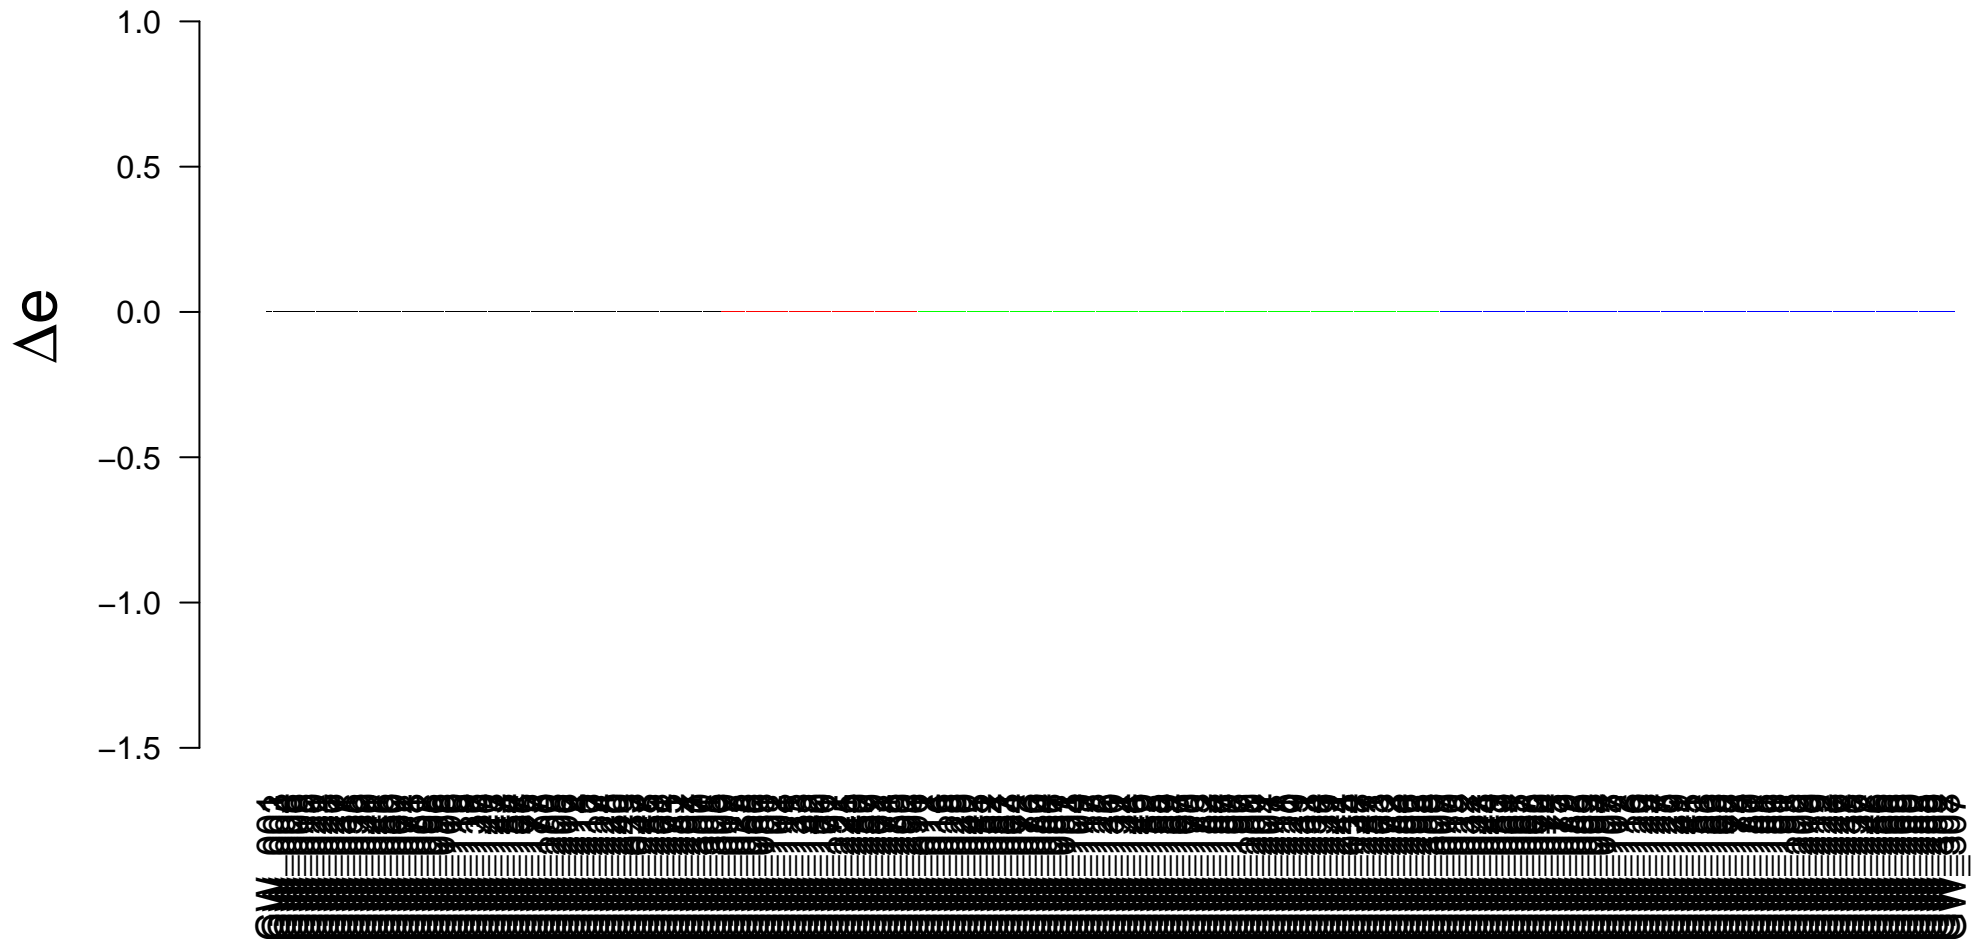

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot O

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot P

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot Q

Expression of regulation of transforming growth factor beta receptor signaling pathway in Spot R
