

replication fork

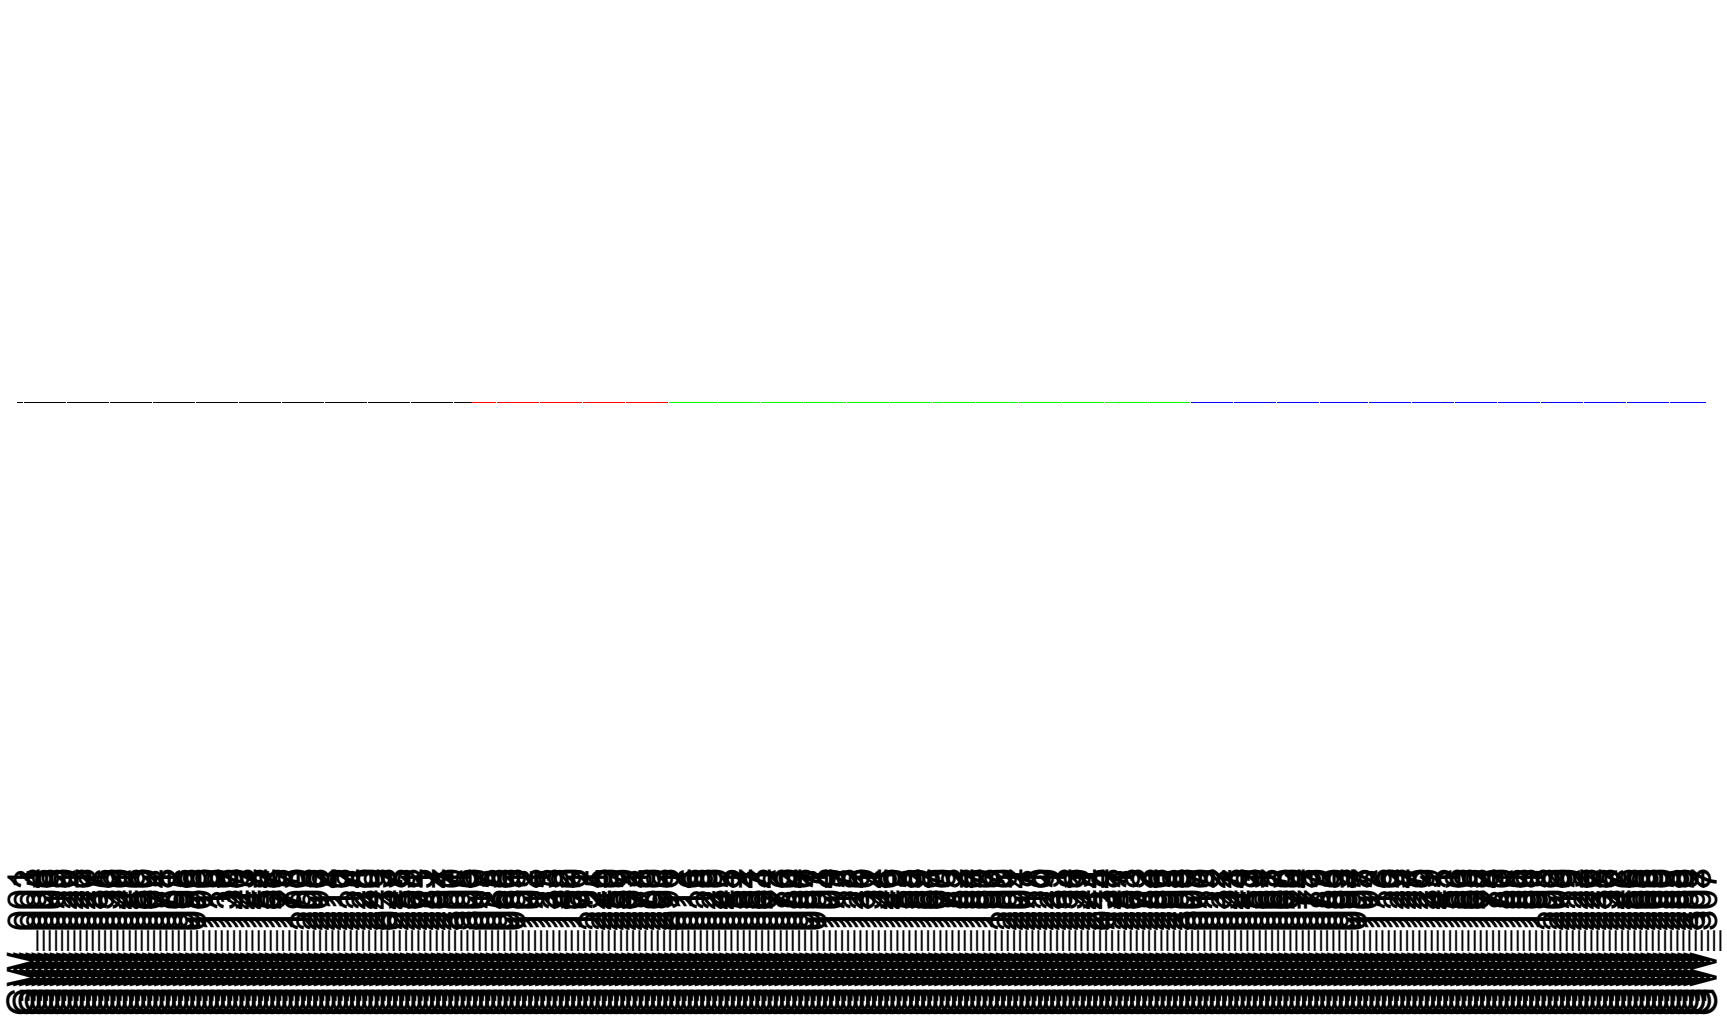

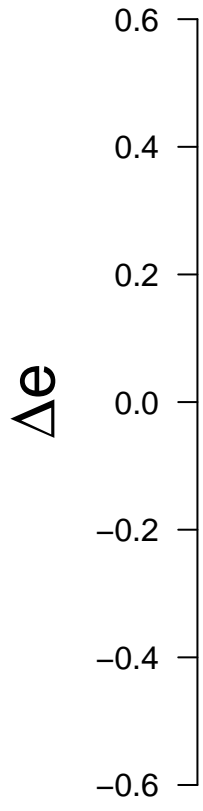

replication fork

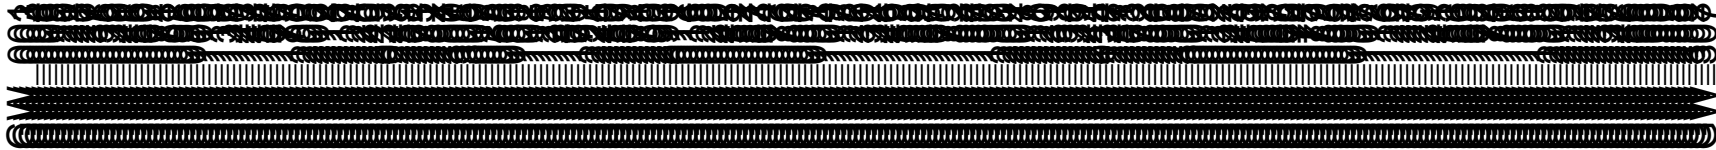

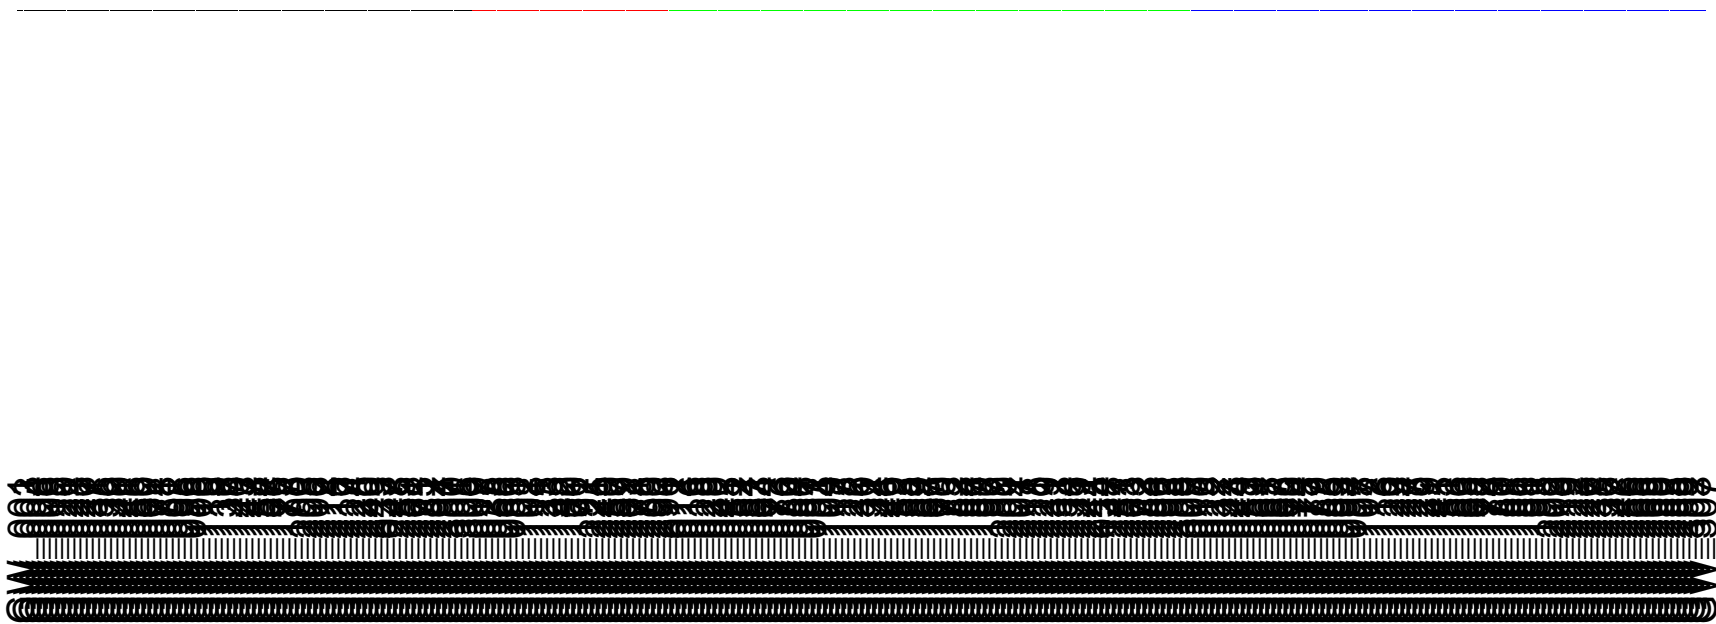

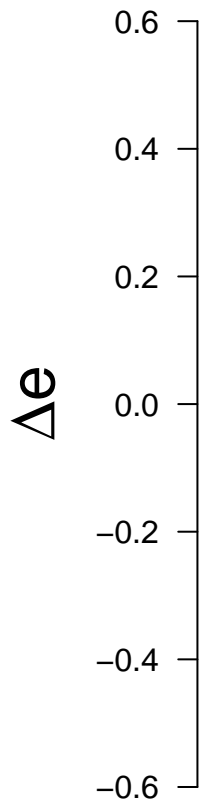

Enrichment in spots: replication fork

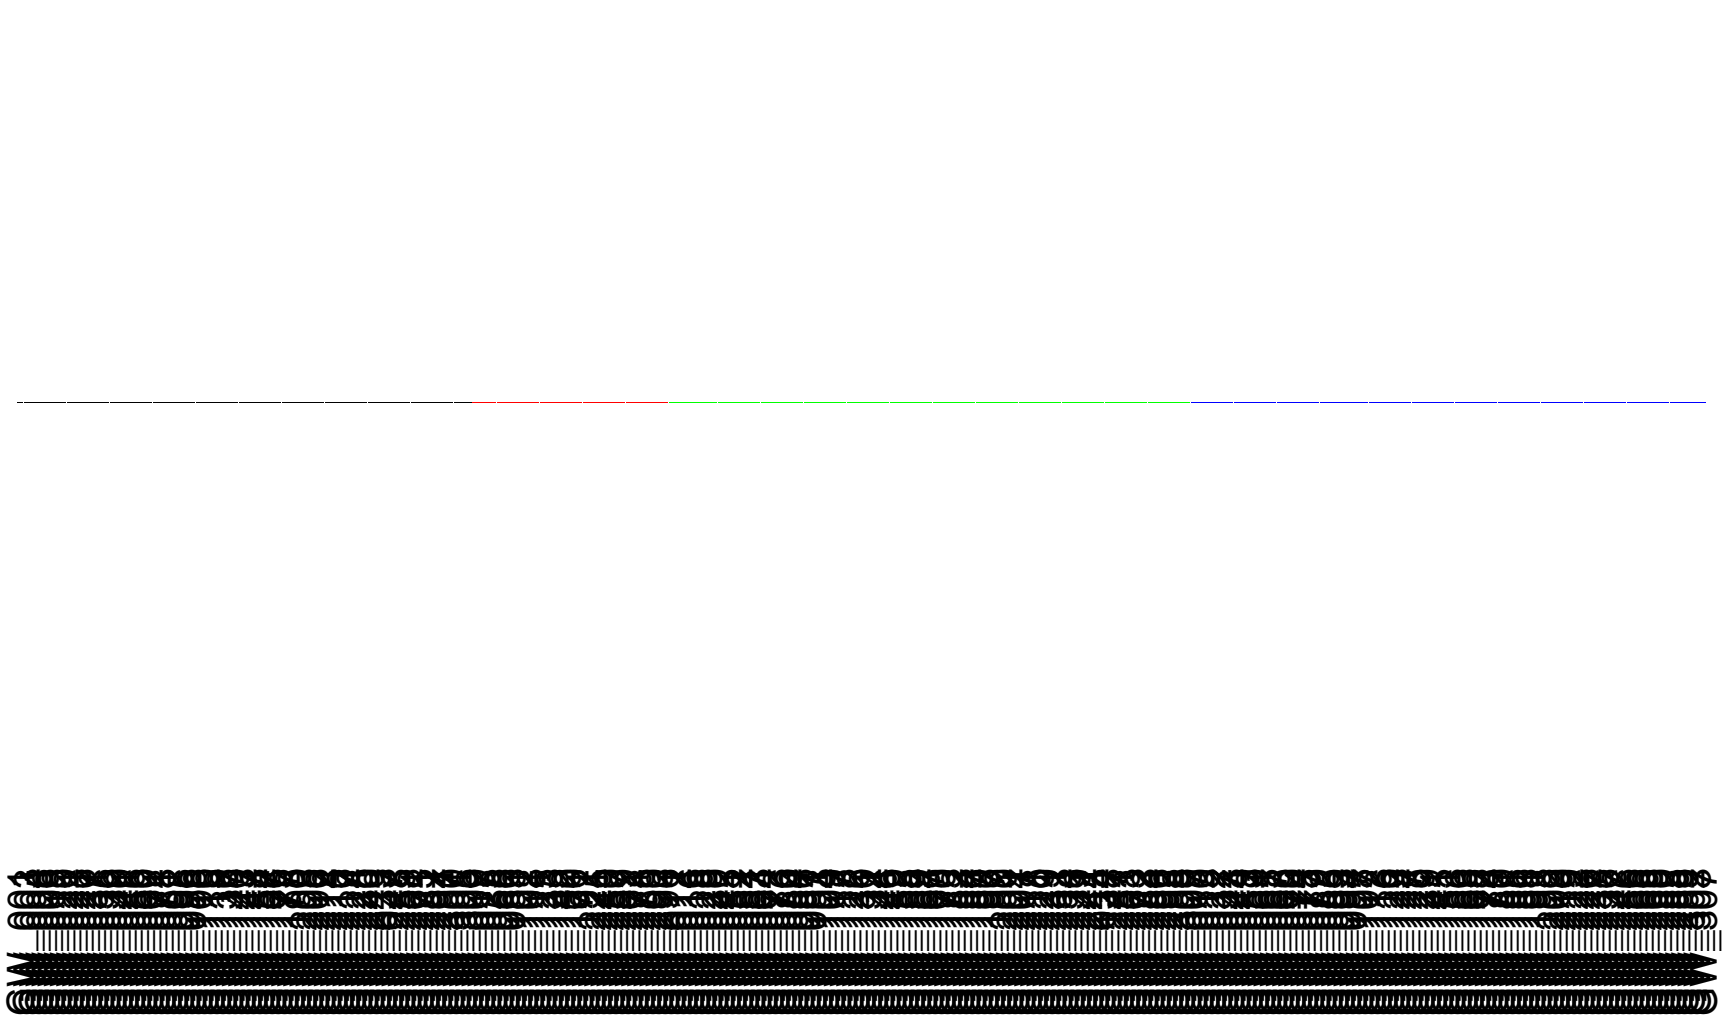

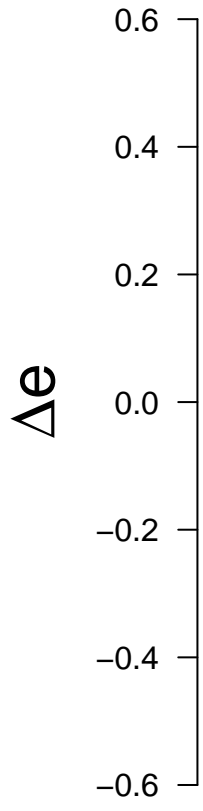

Expression of replication fork in Spot A

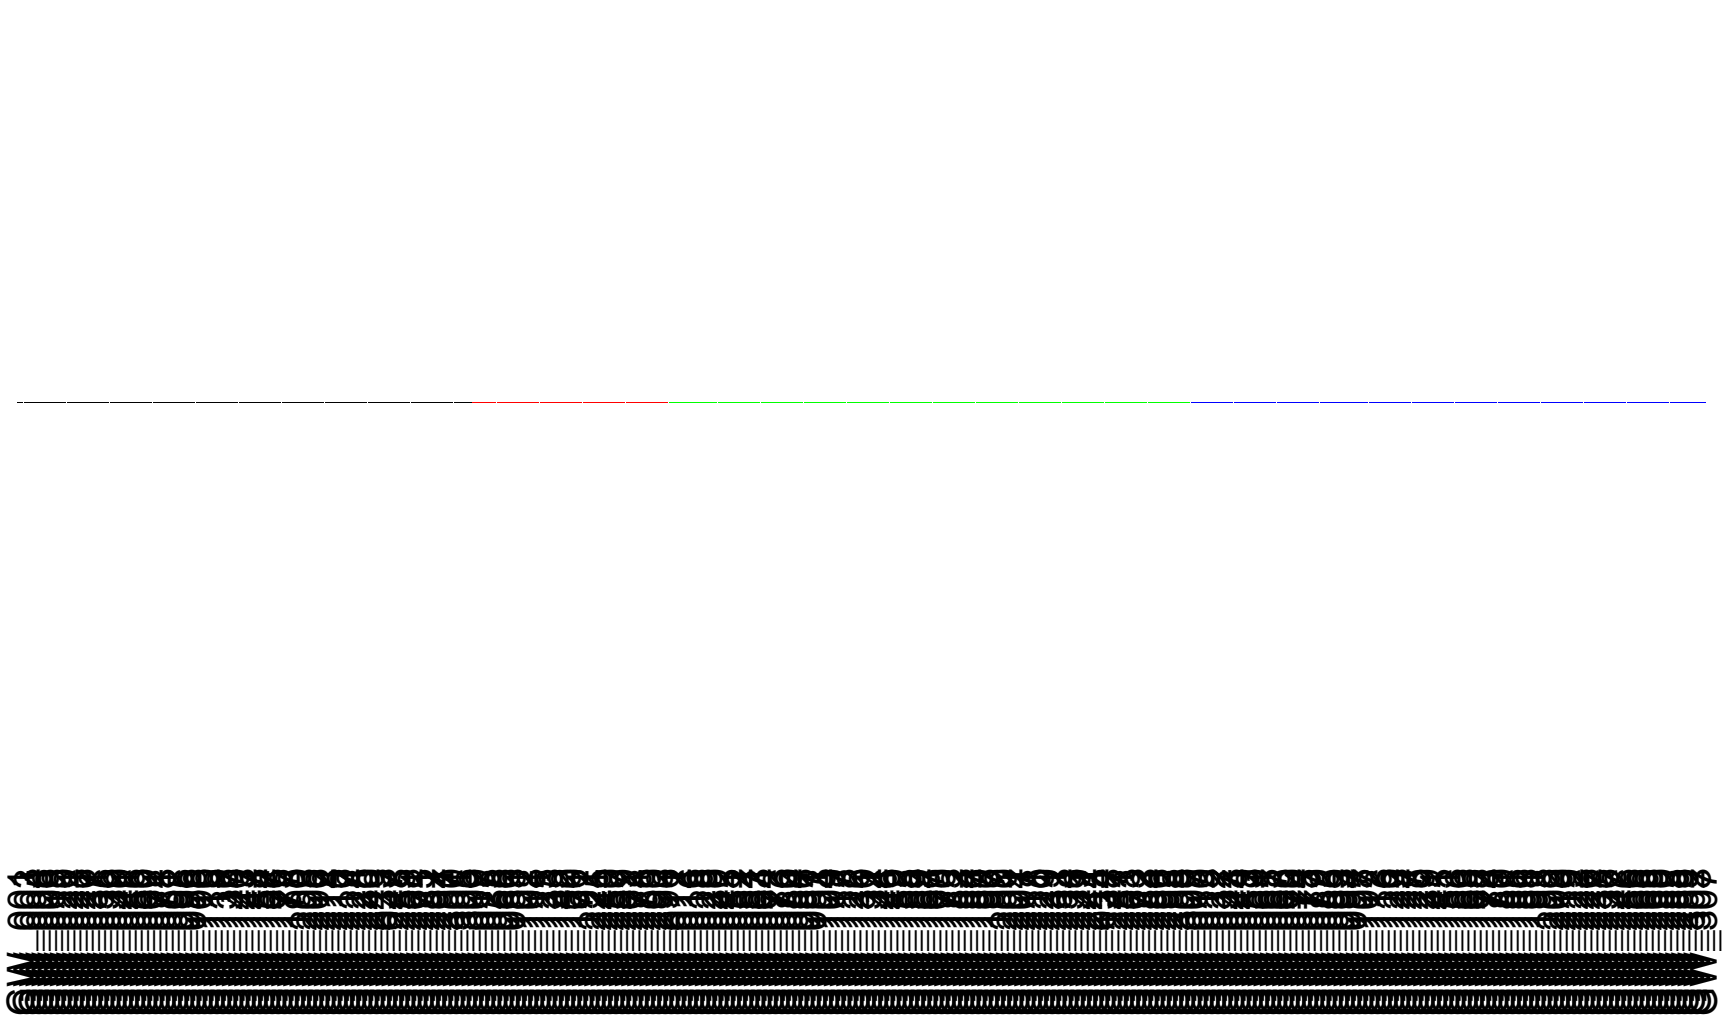

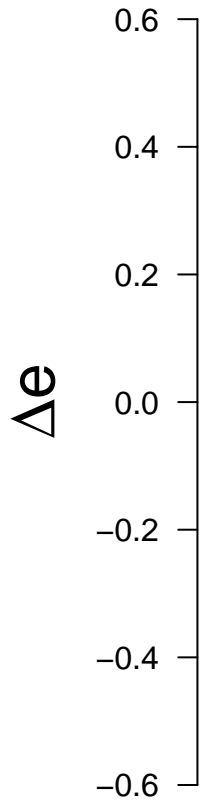

Expression of replication fork in Spot B

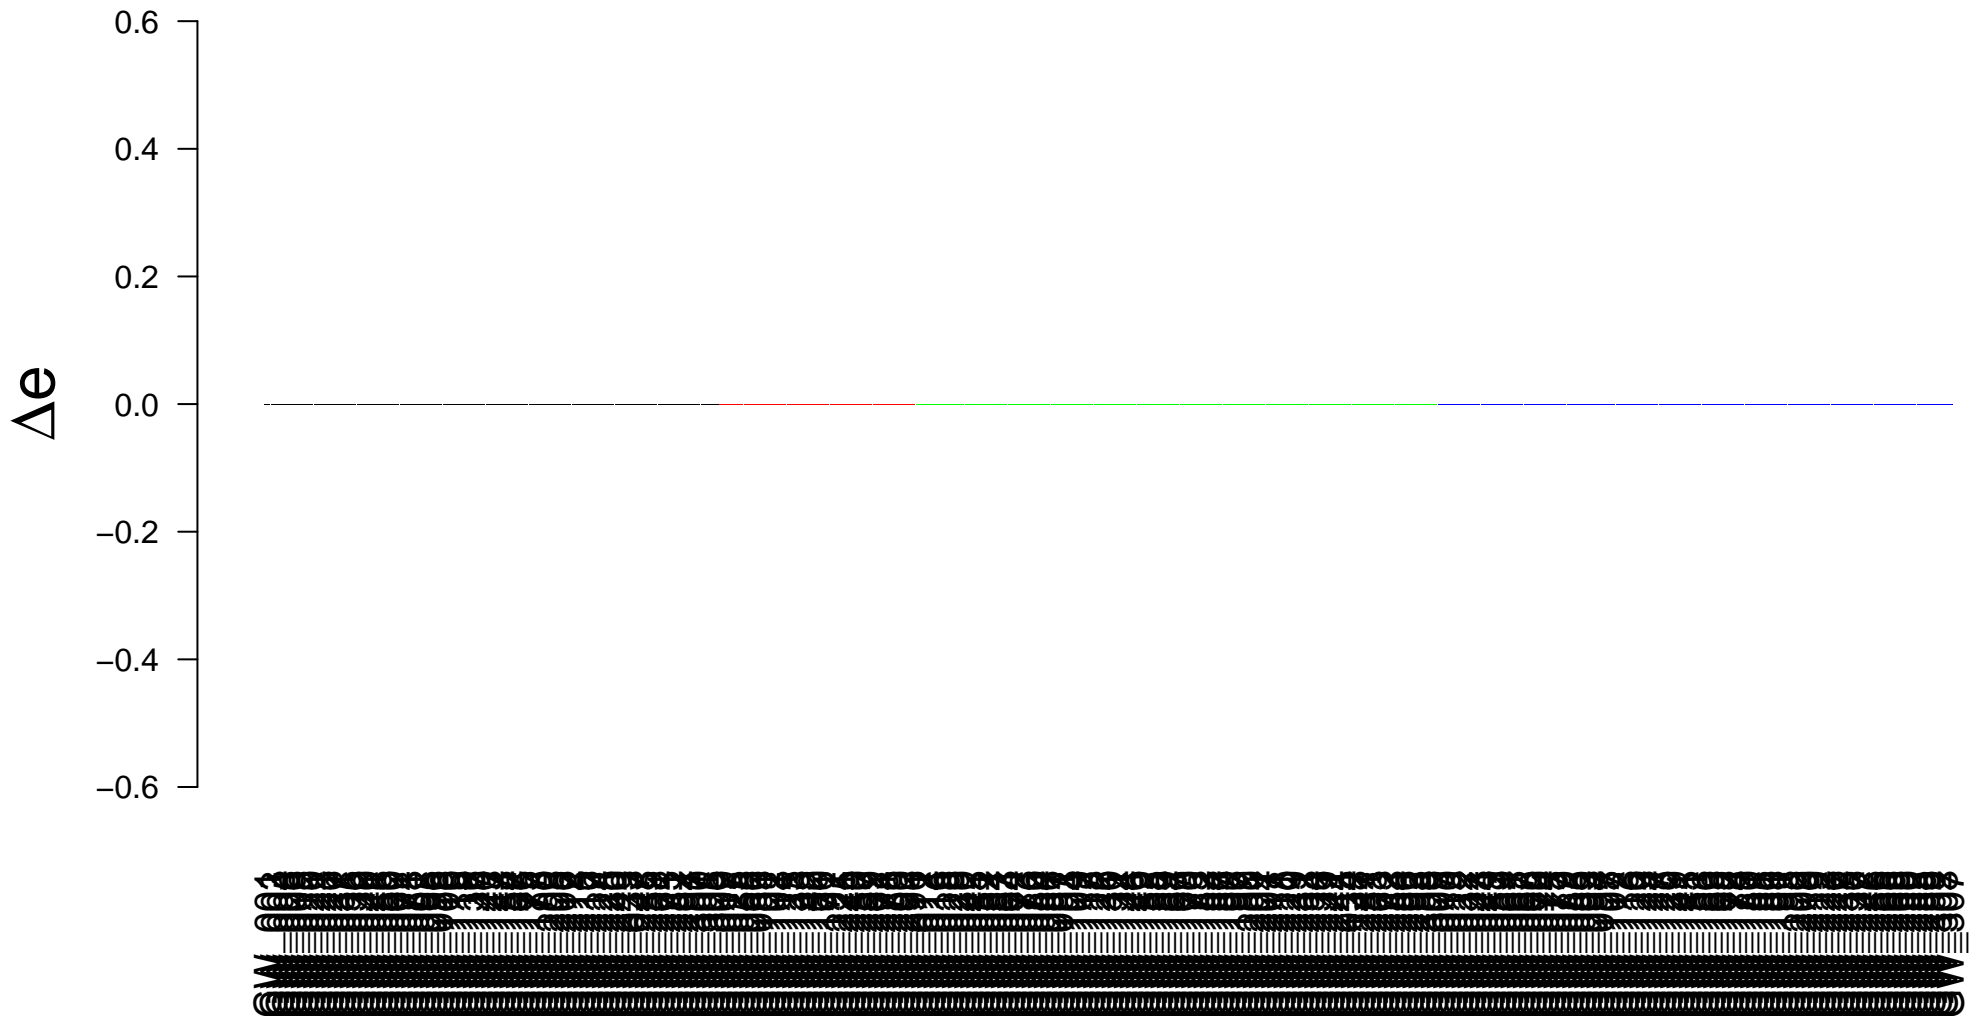

Expression of replication fork in Spot C

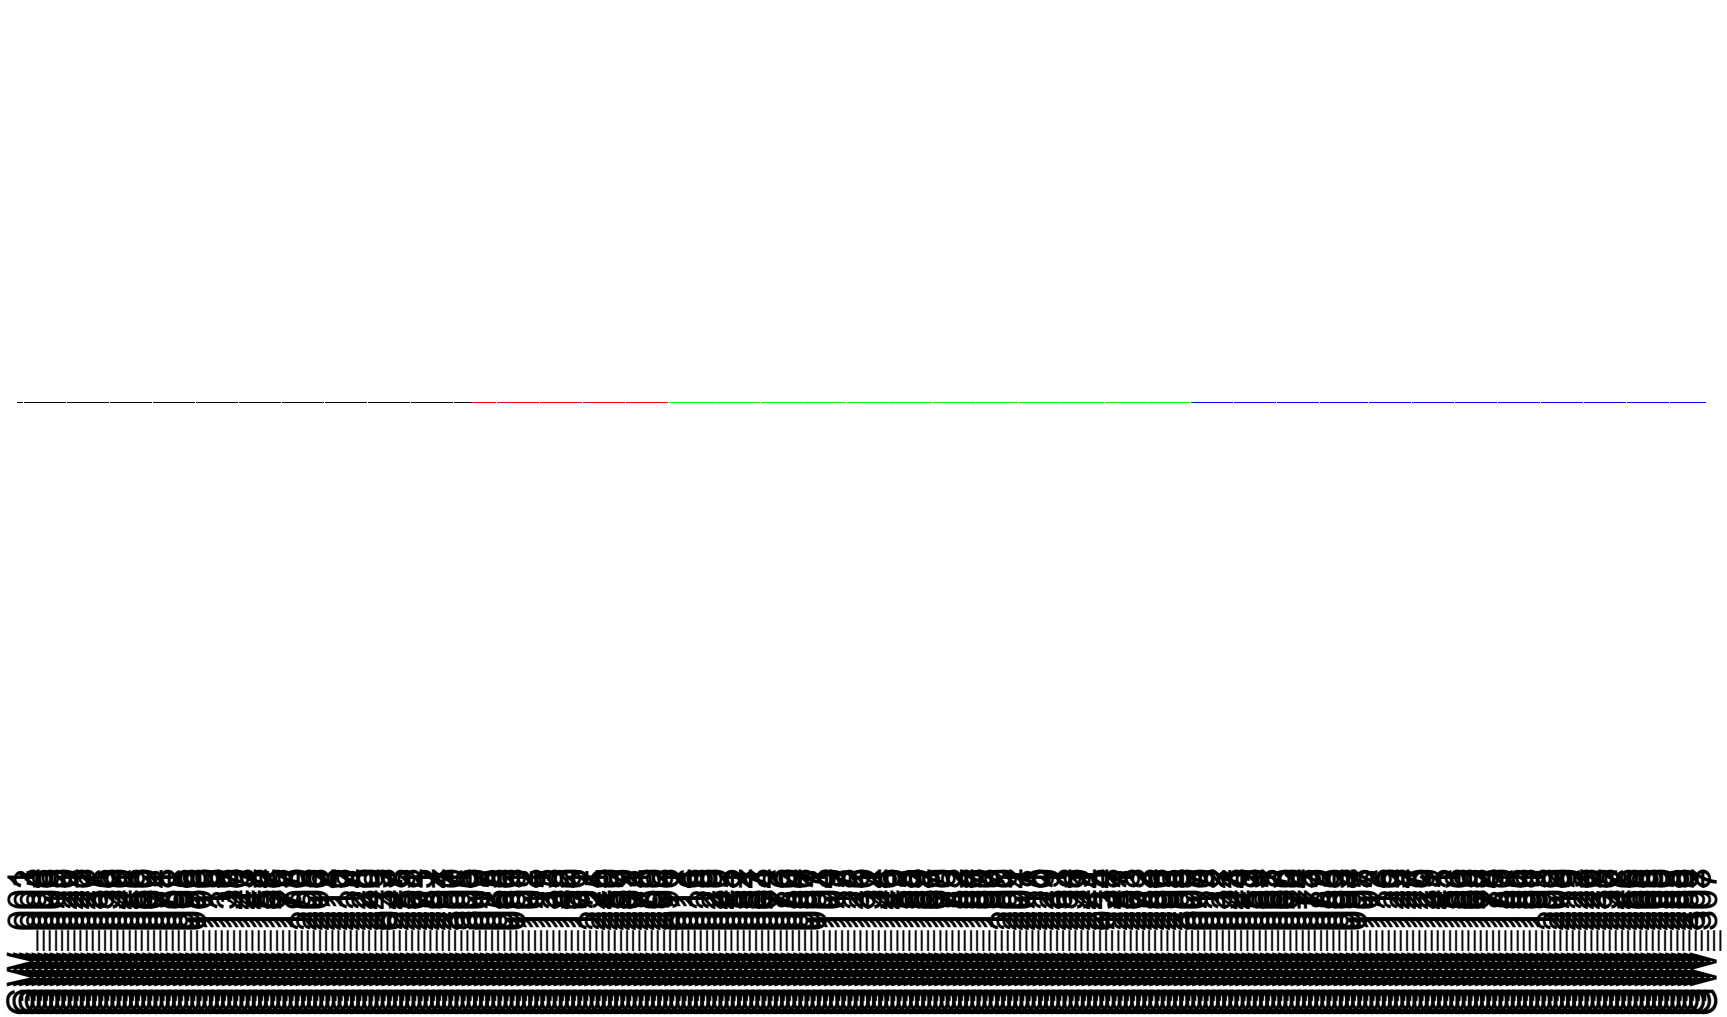

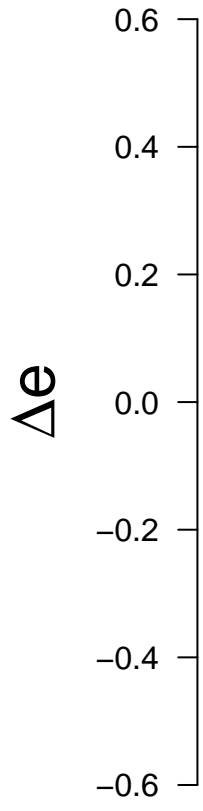

Expression of replication fork in Spot D

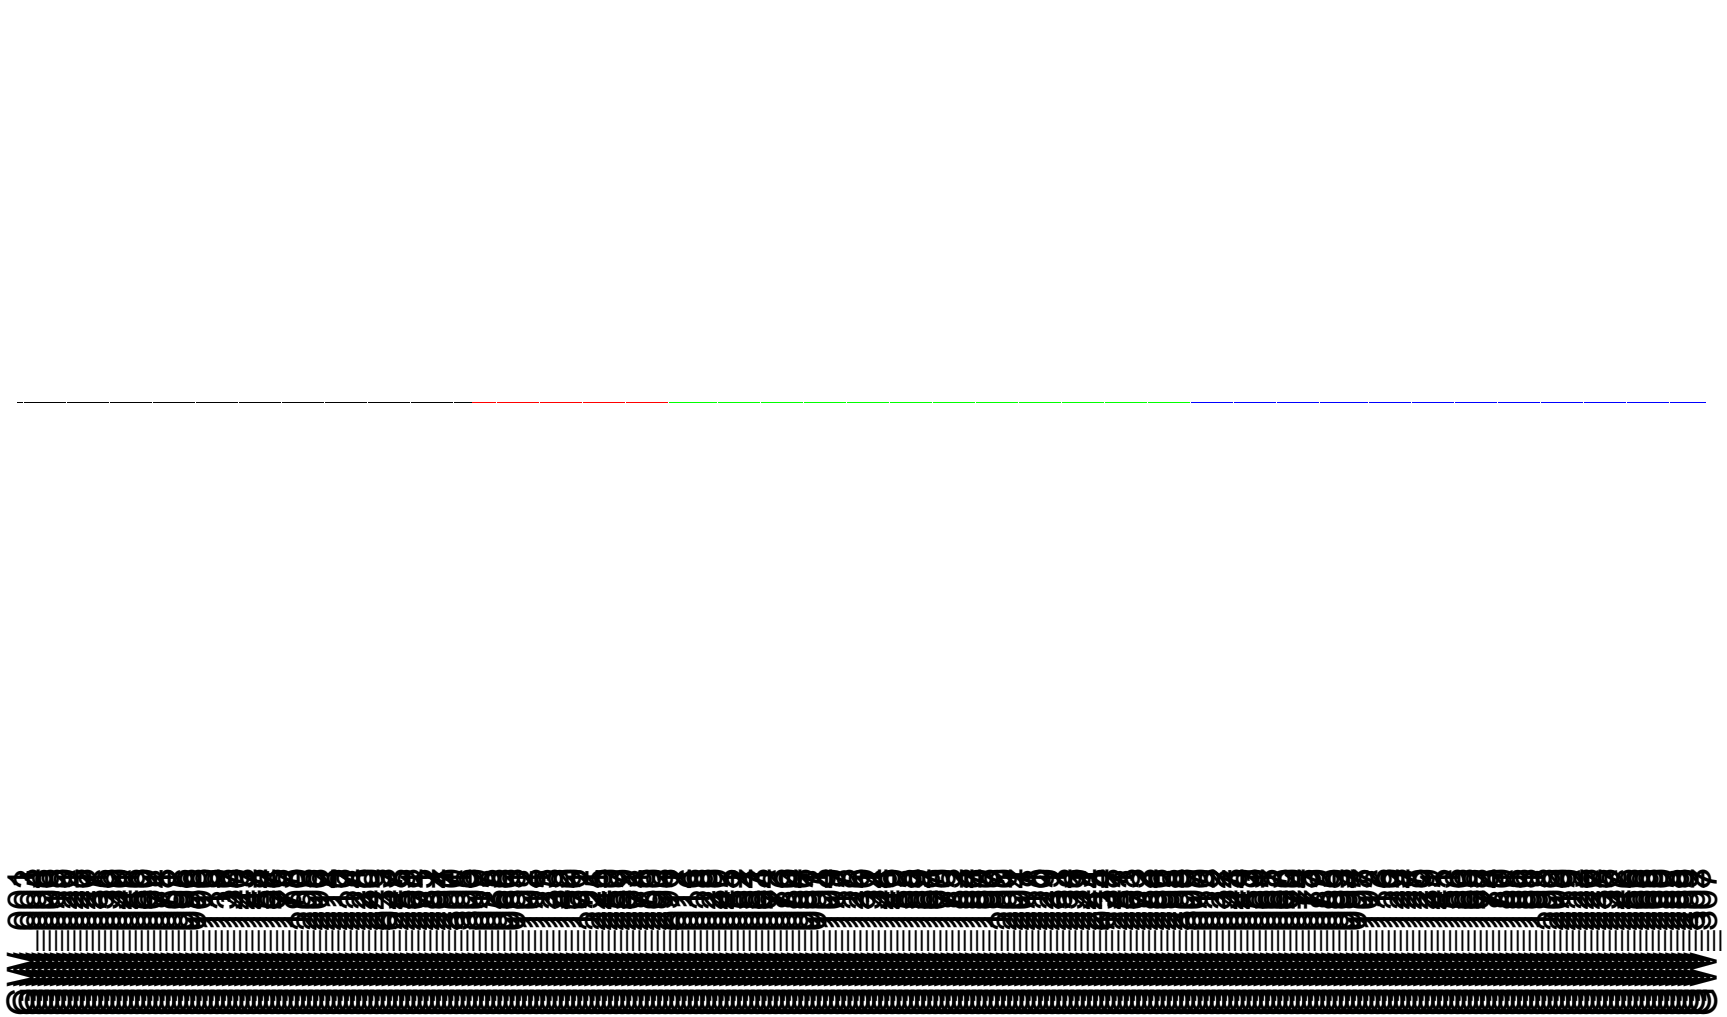

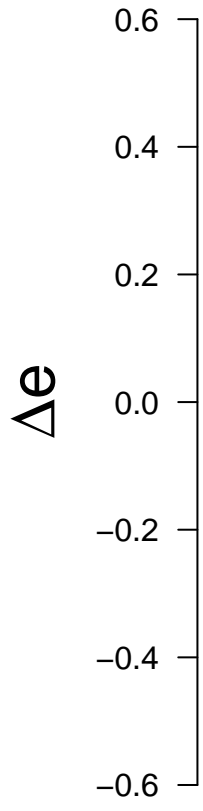

Expression of replication fork in Spot E

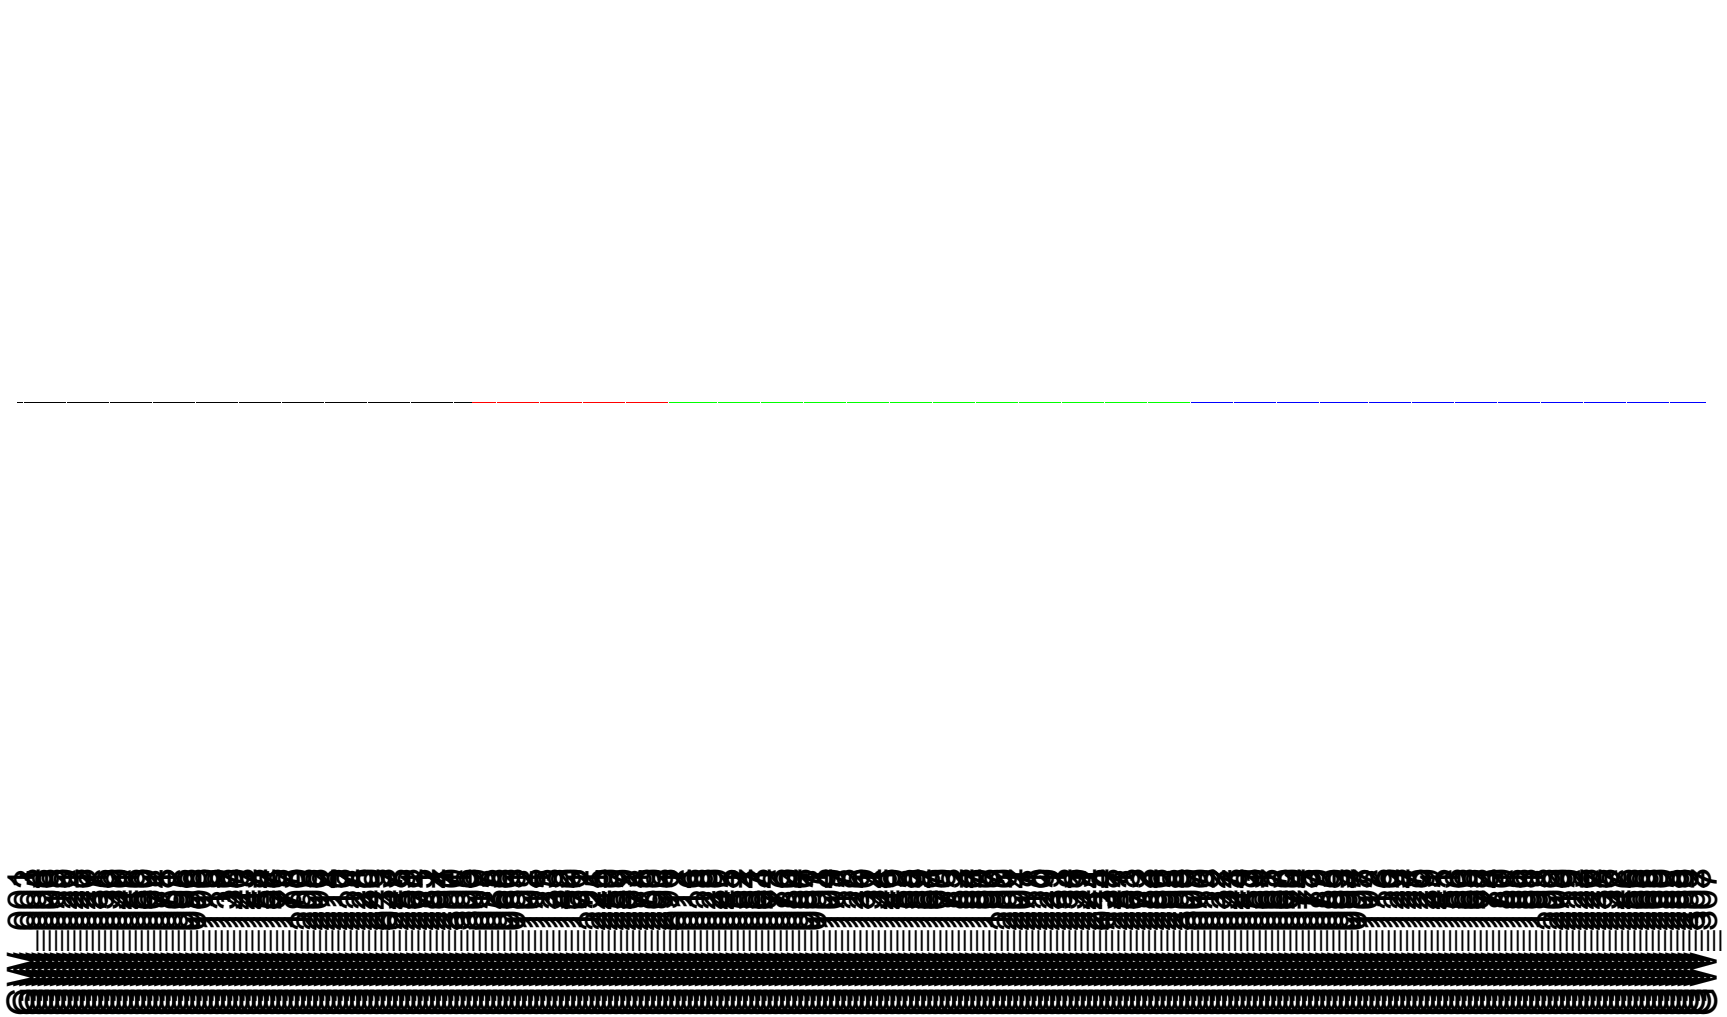

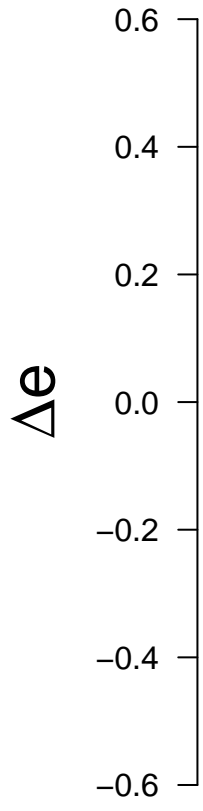

Expression of replication fork in Spot F

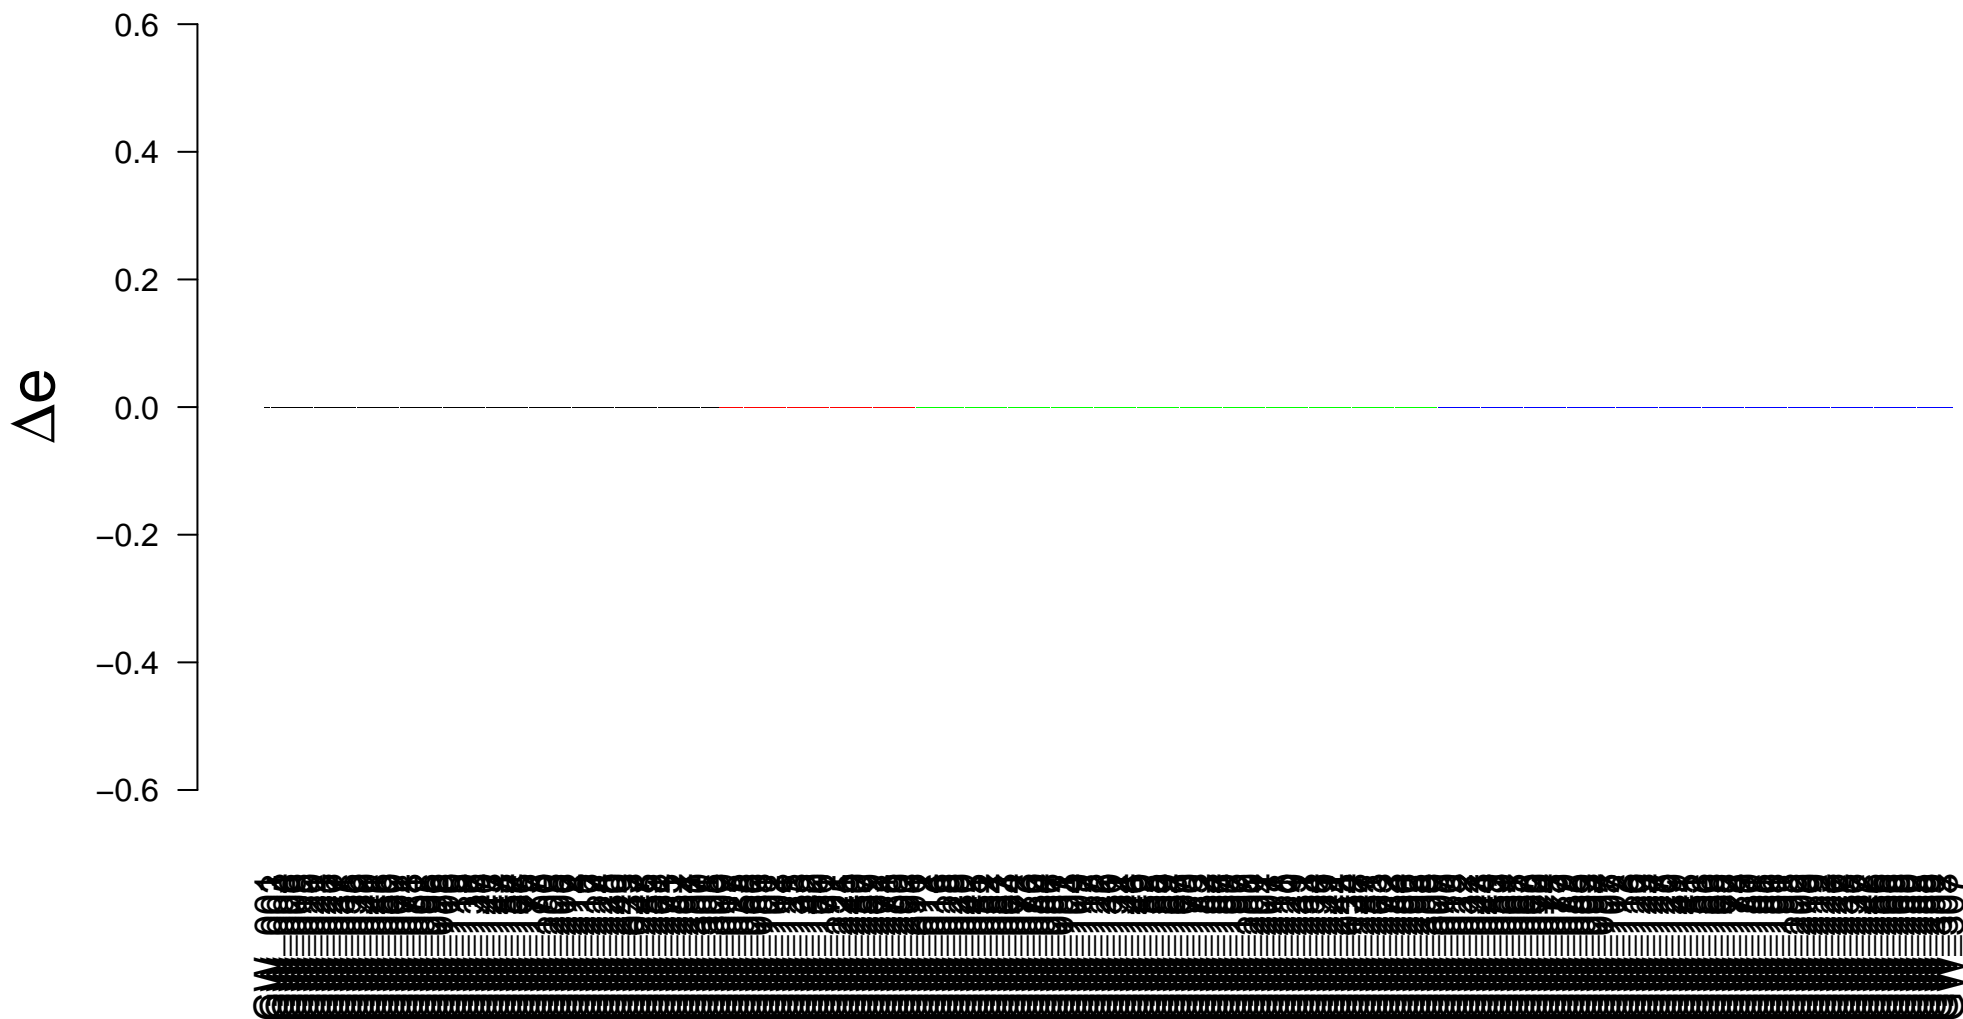

Expression of replication fork in Spot G

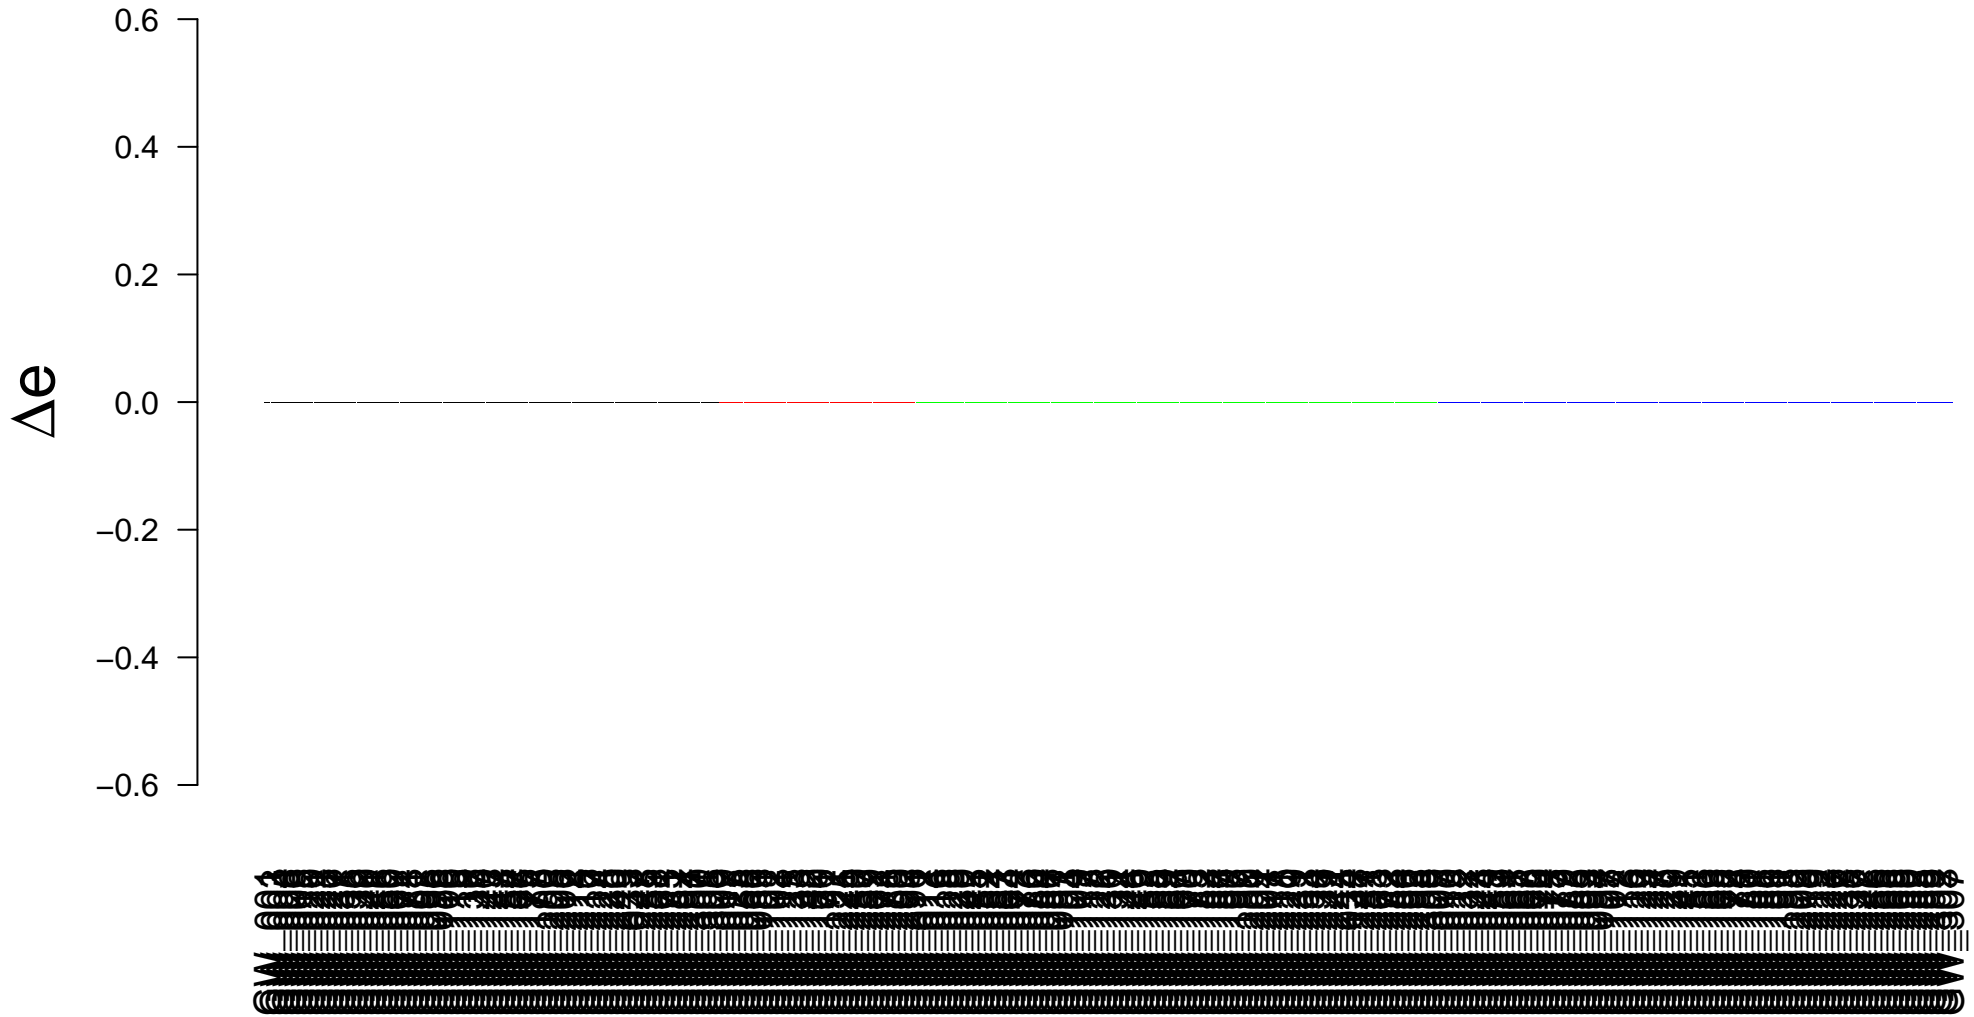

Expression of replication fork in Spot H

Expression of replication fork in Spot I

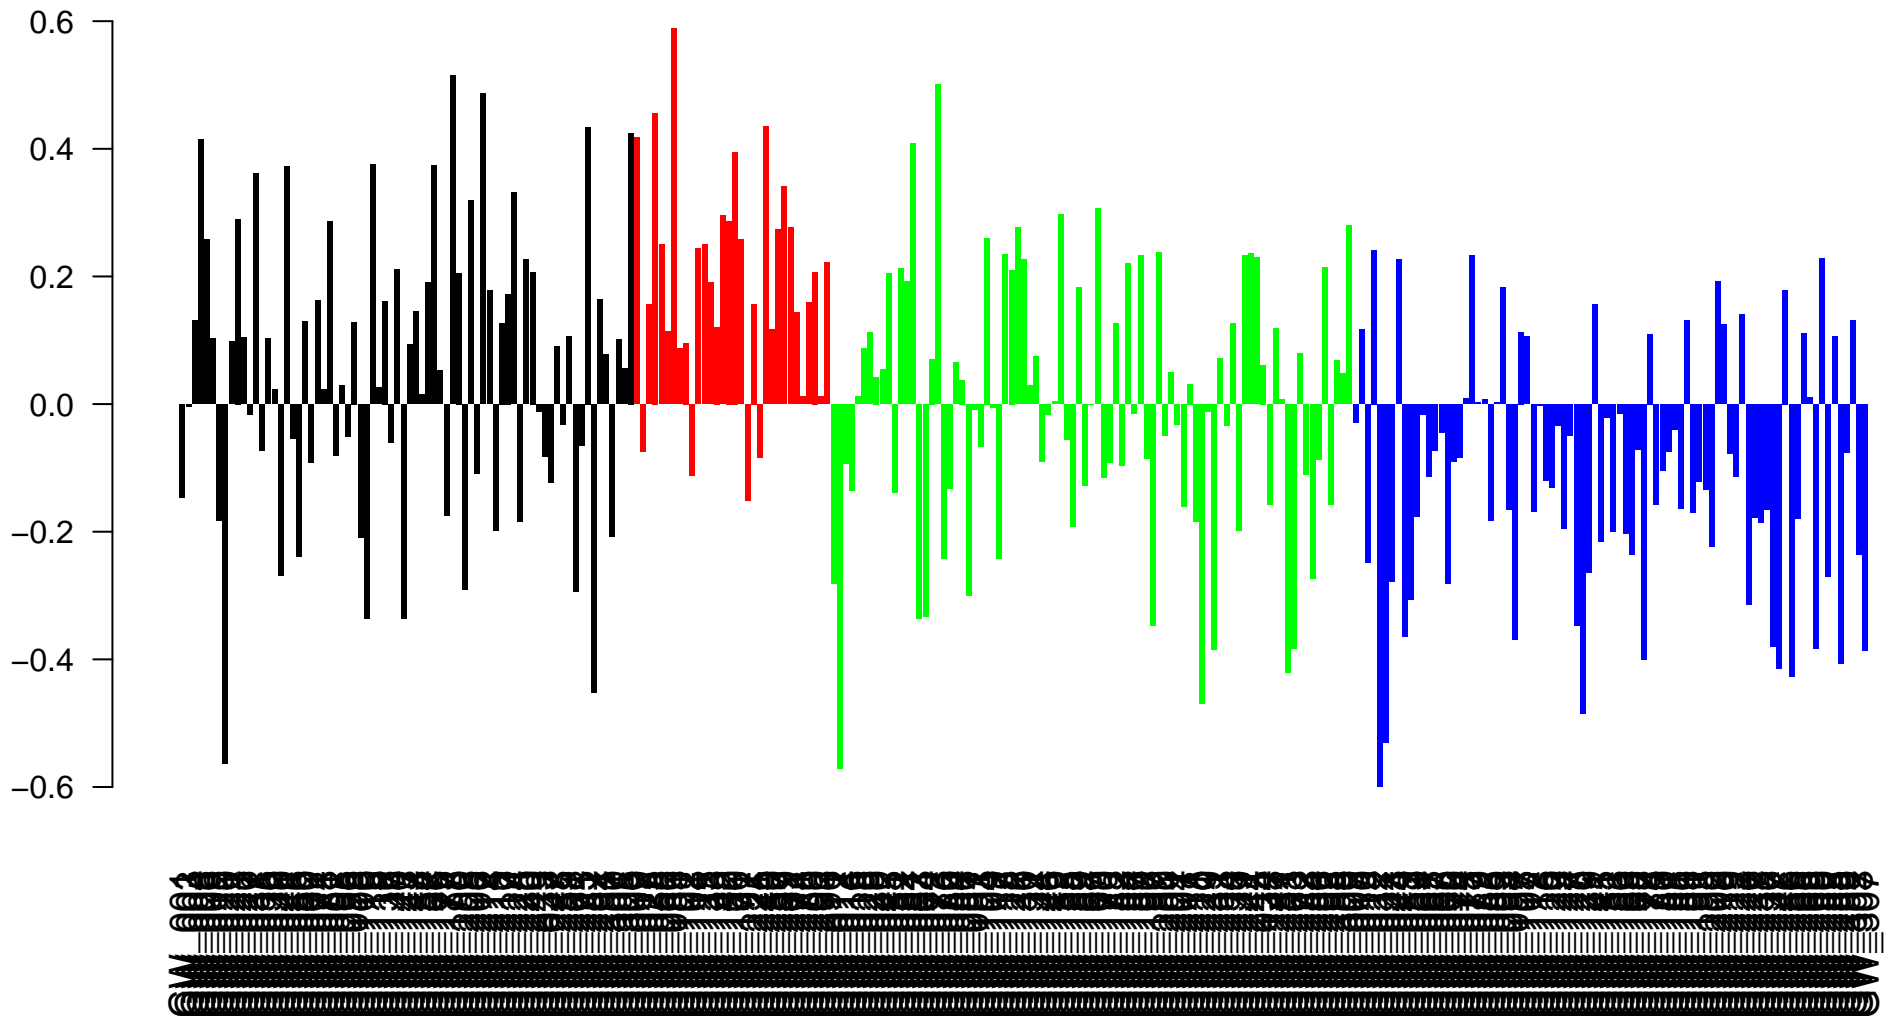

Expression of replication fork in Spot J

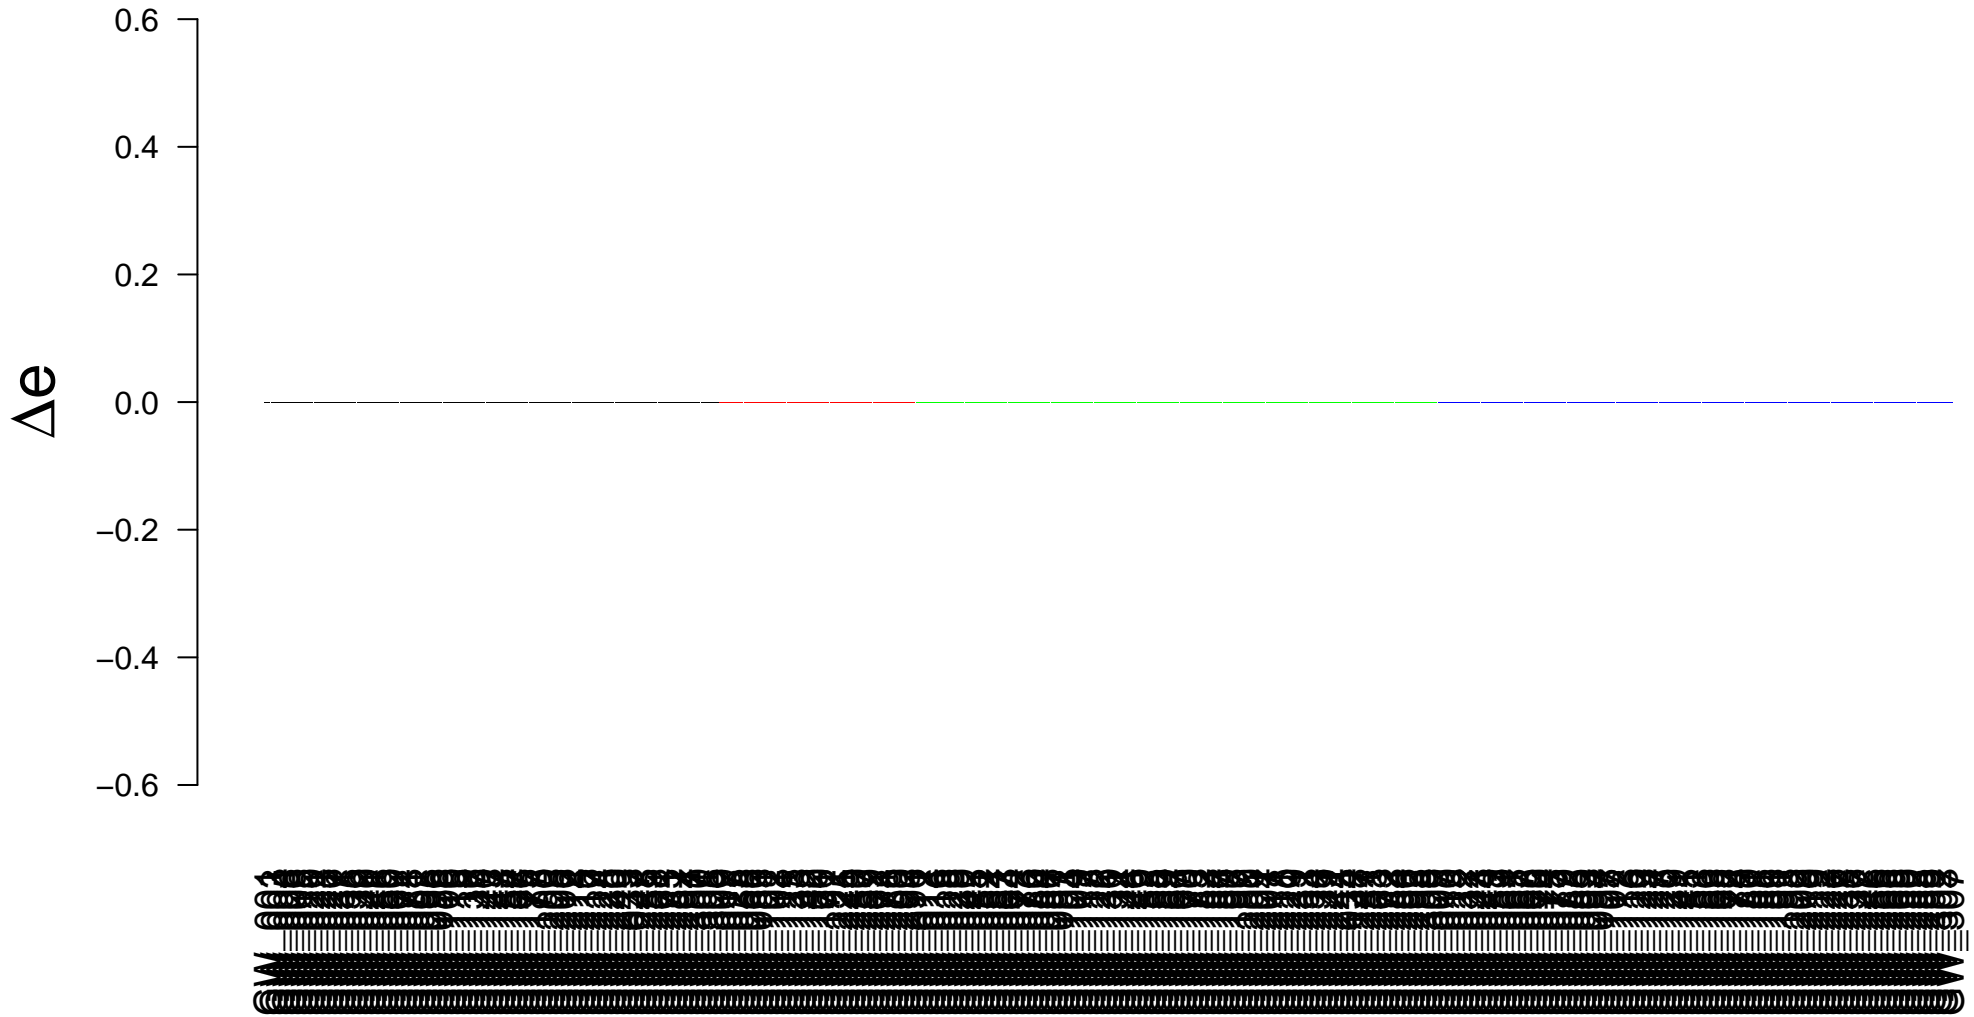

Expression of replication fork in Spot K

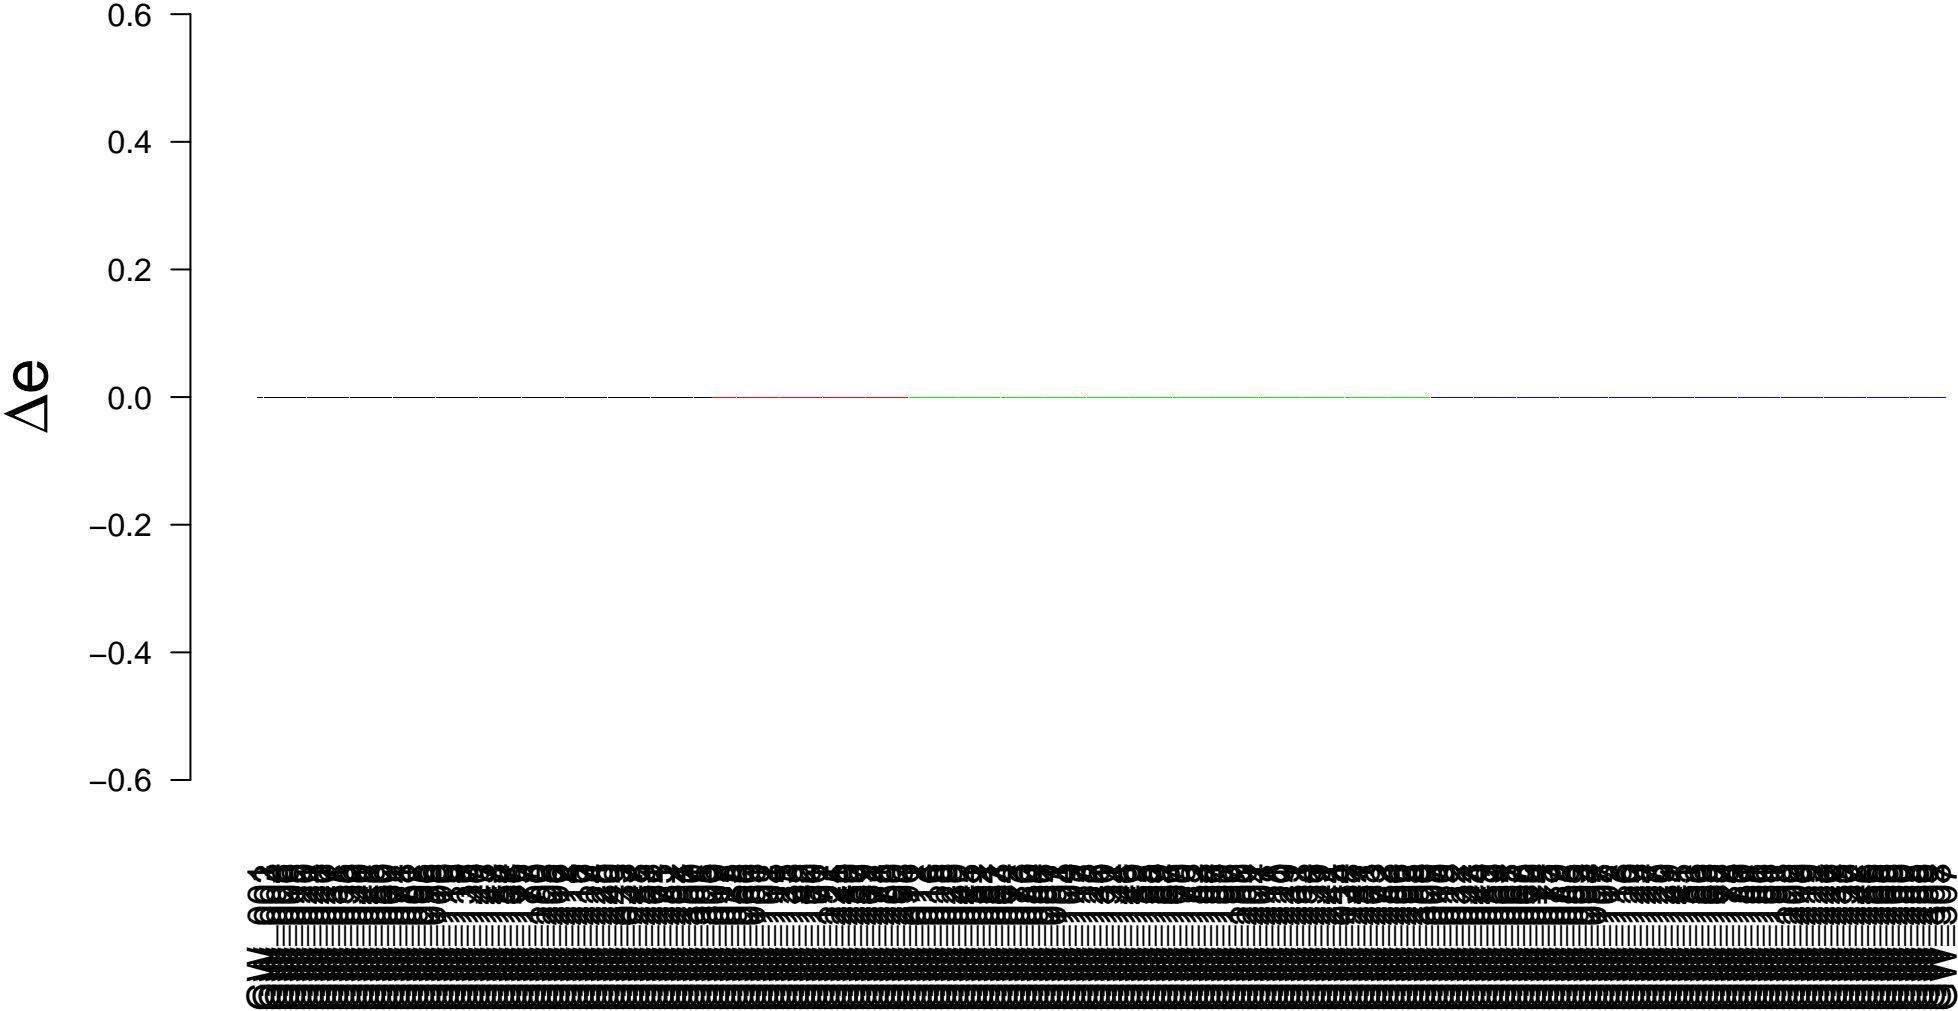

Δe

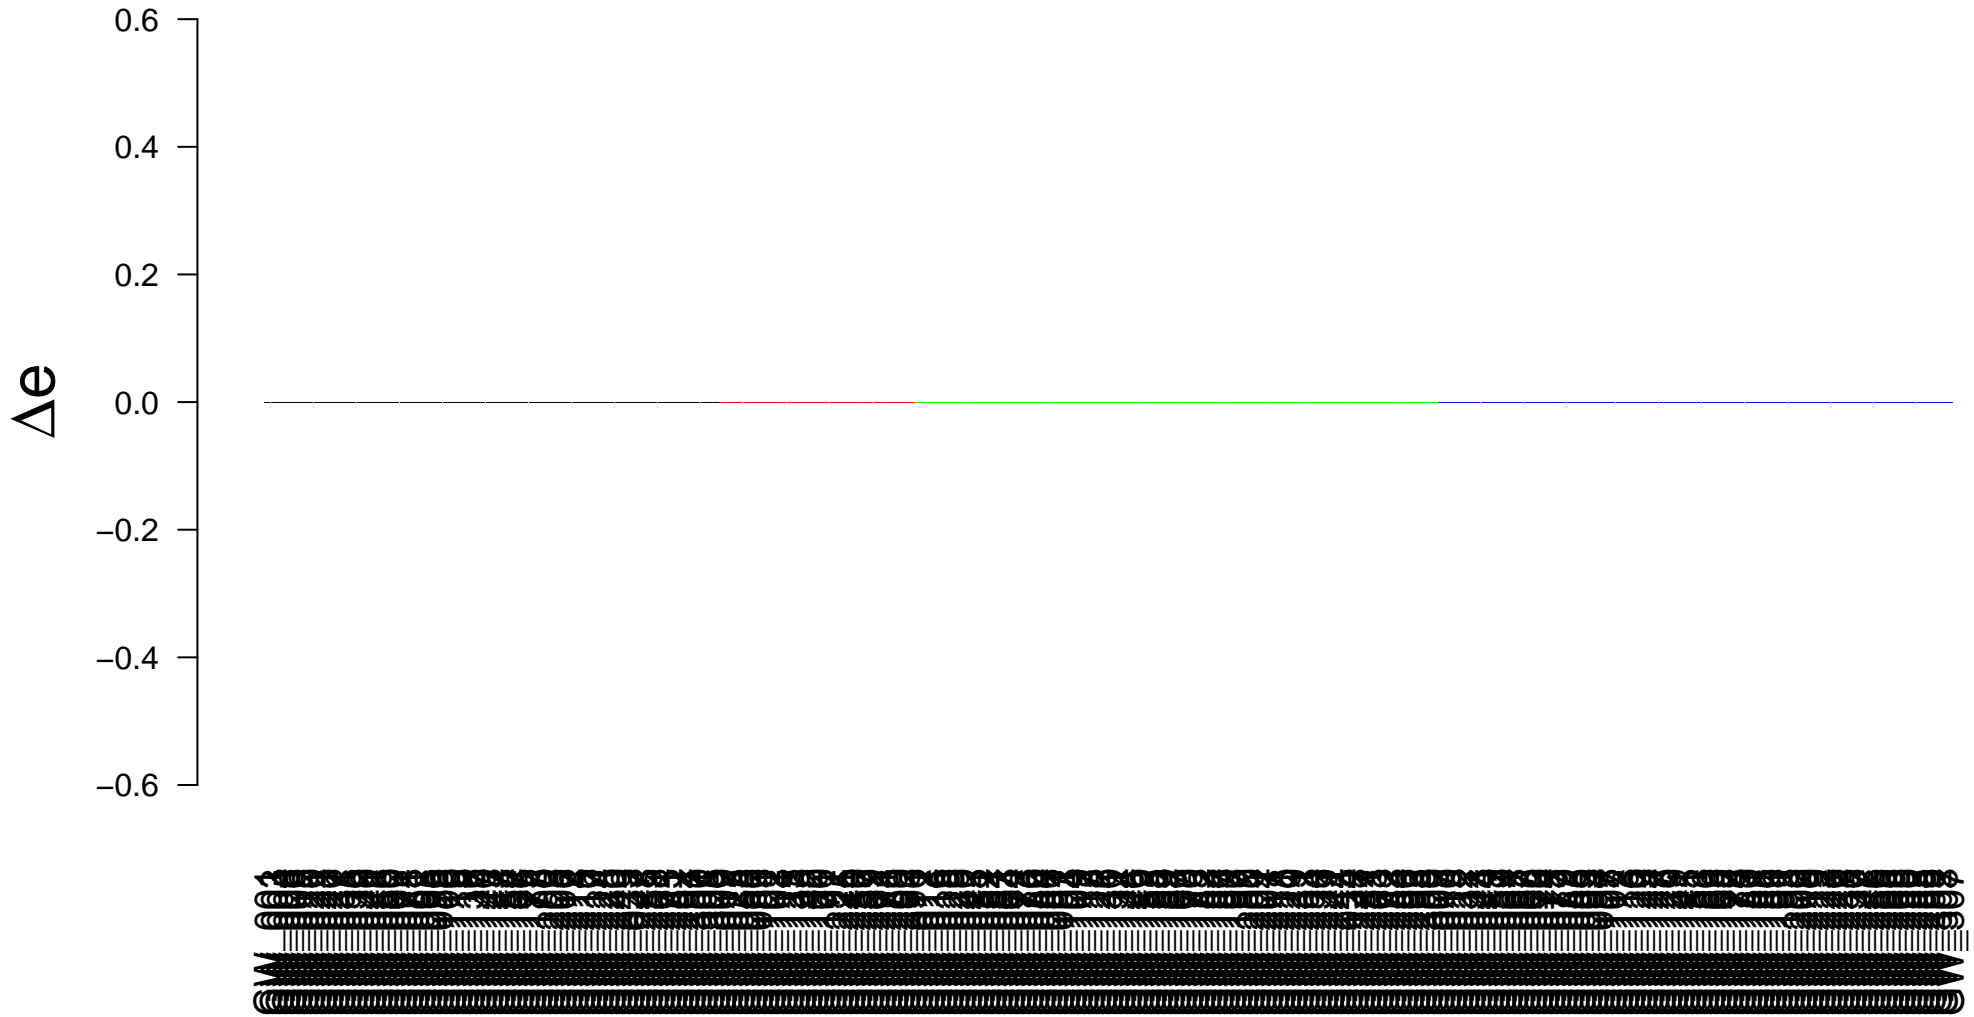

Expression of replication fork in Spot L

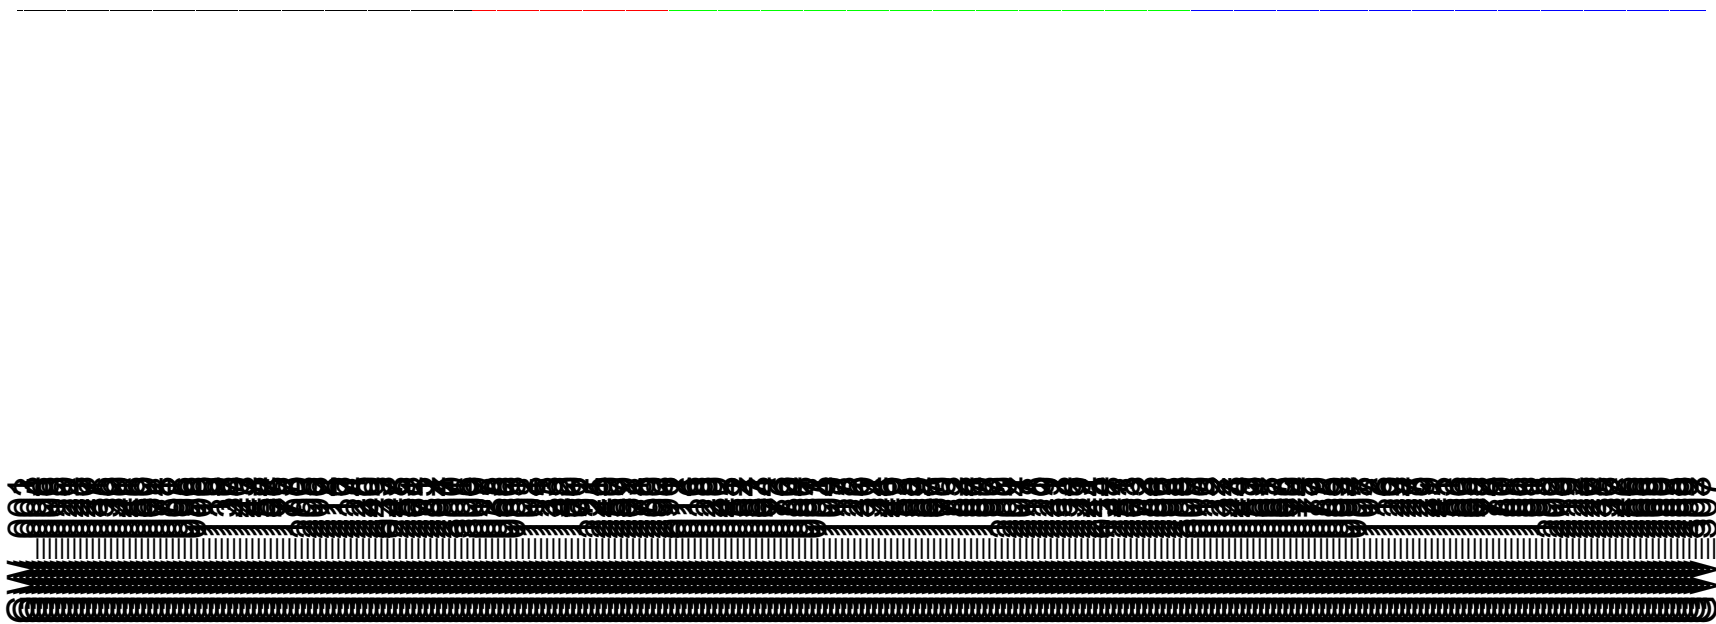

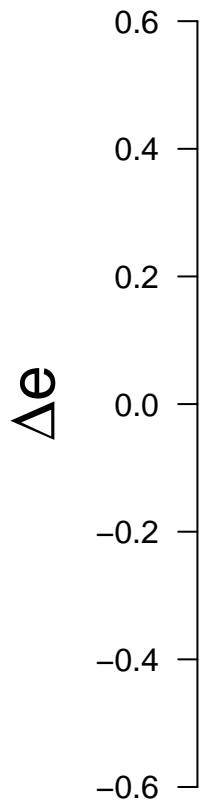

Expression of replication fork in Spot M

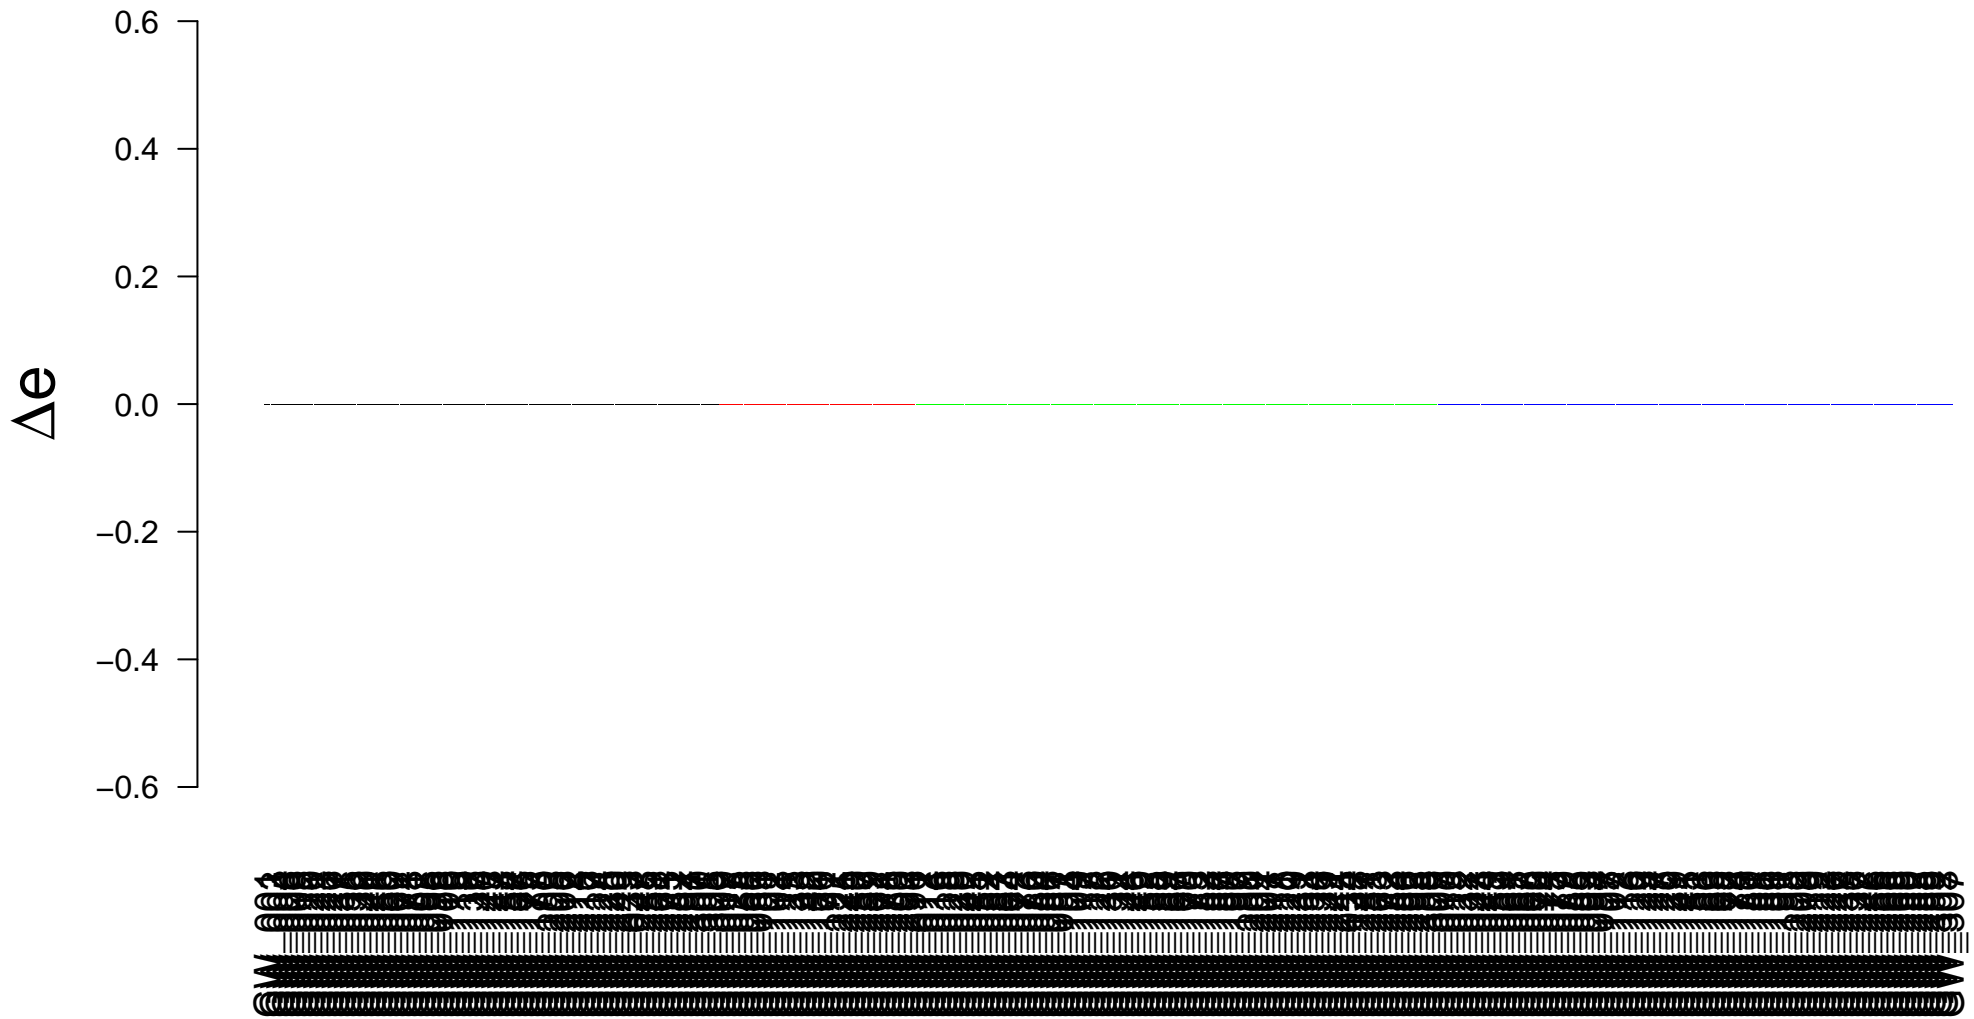

Expression of replication fork in Spot N

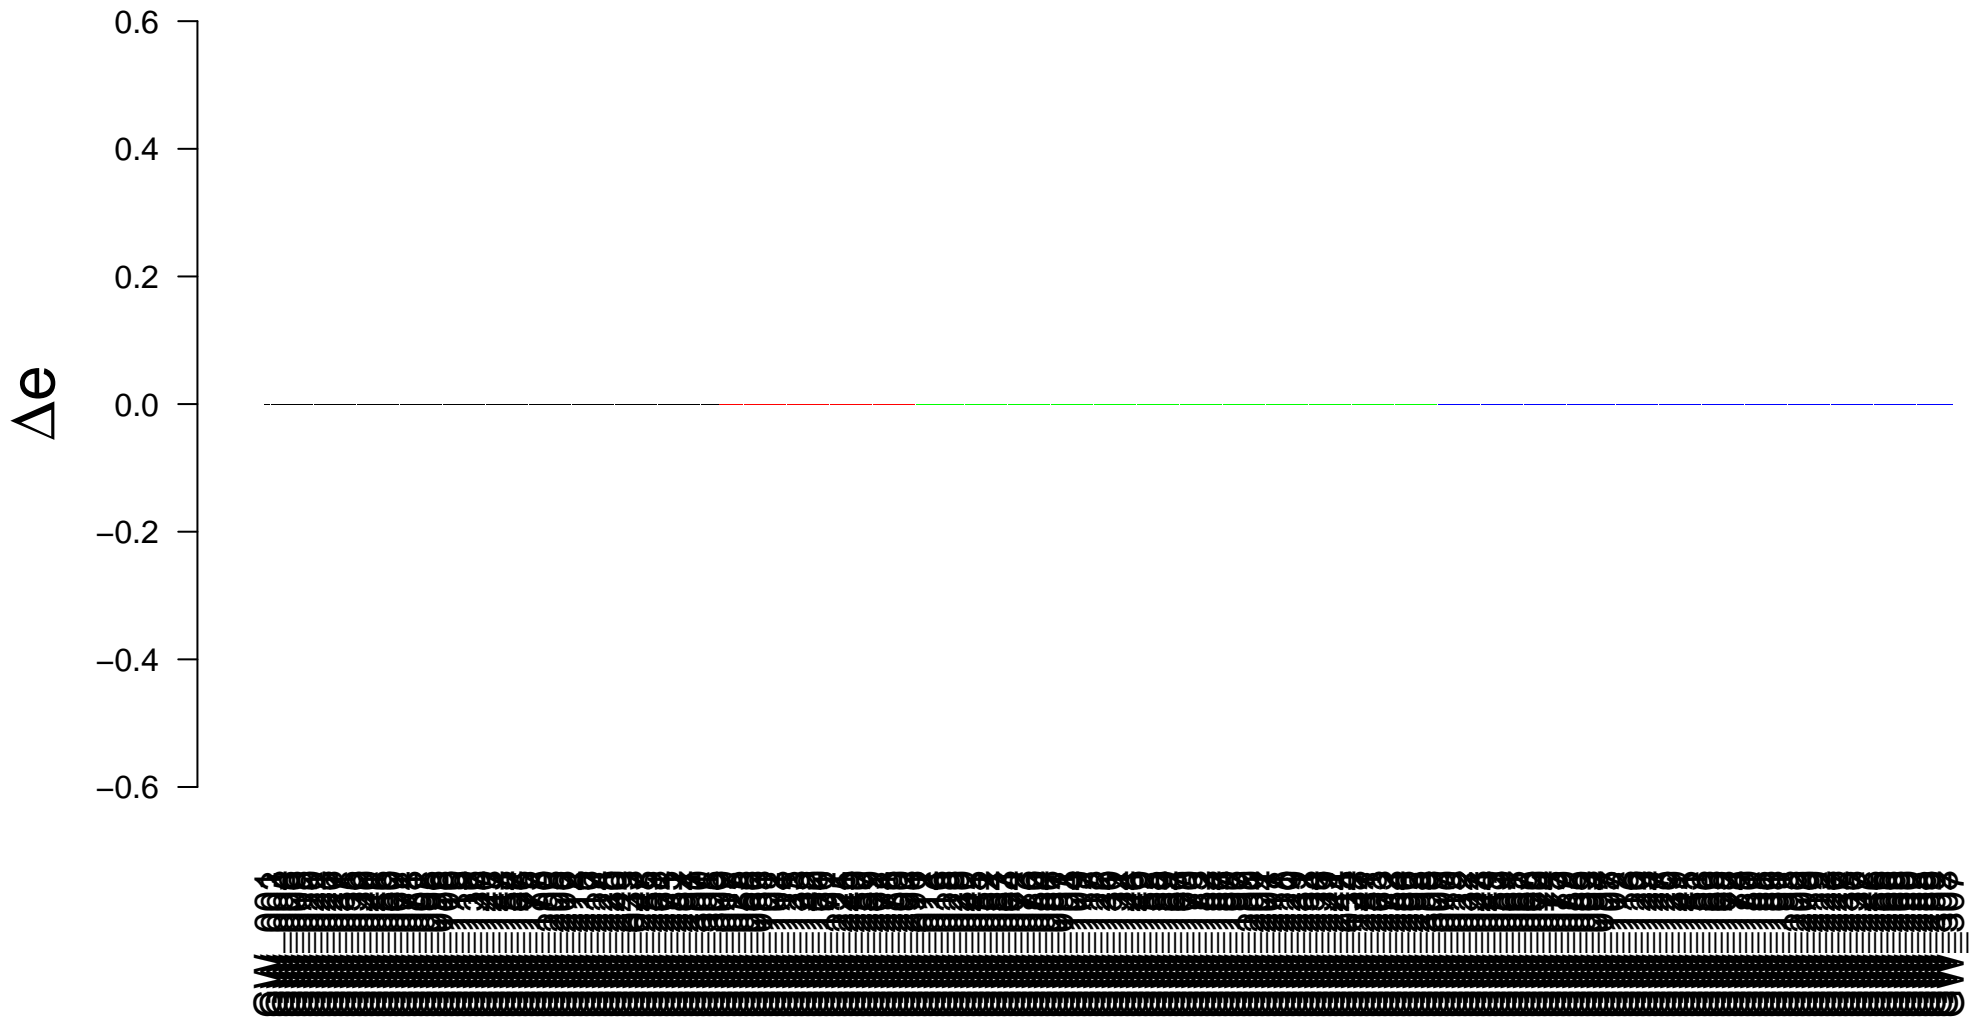

Expression of replication fork in Spot O

Expression of replication fork in Spot P

Expression of replication fork in Spot Q

Expression of replication fork in Spot R

Δe
