

repressing transcription factor binding

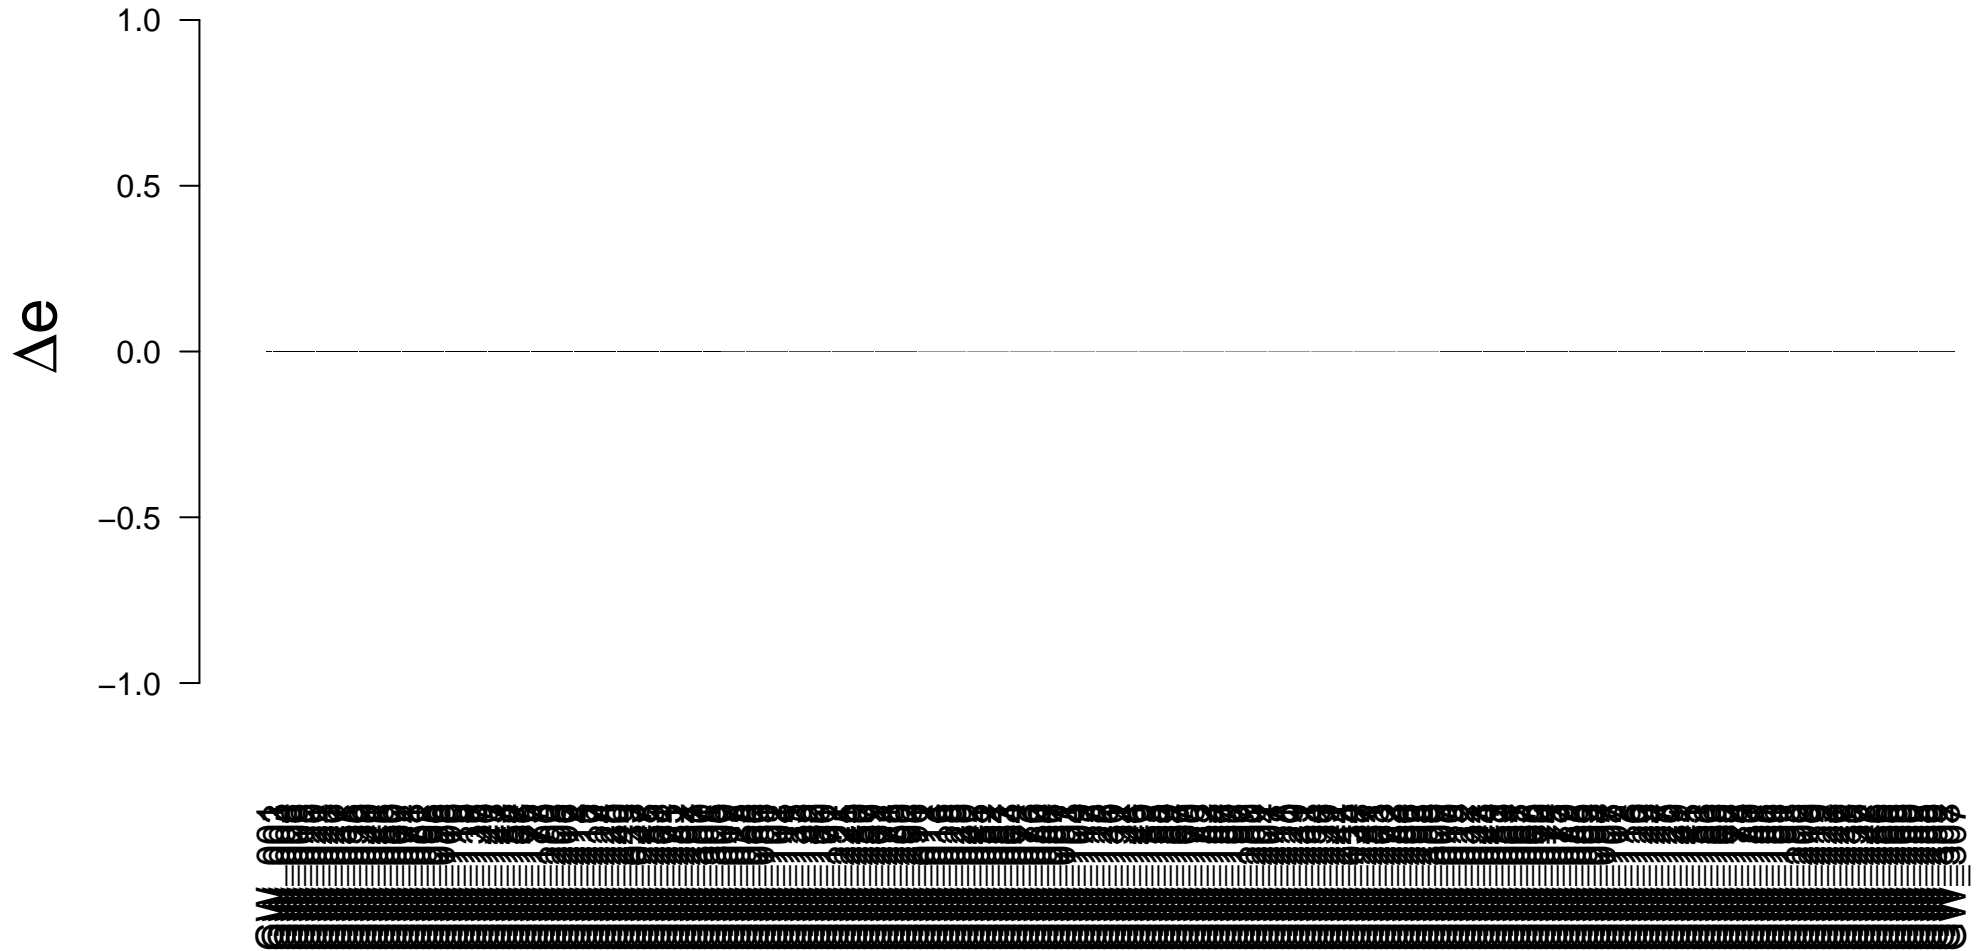

repressing transcription factor binding

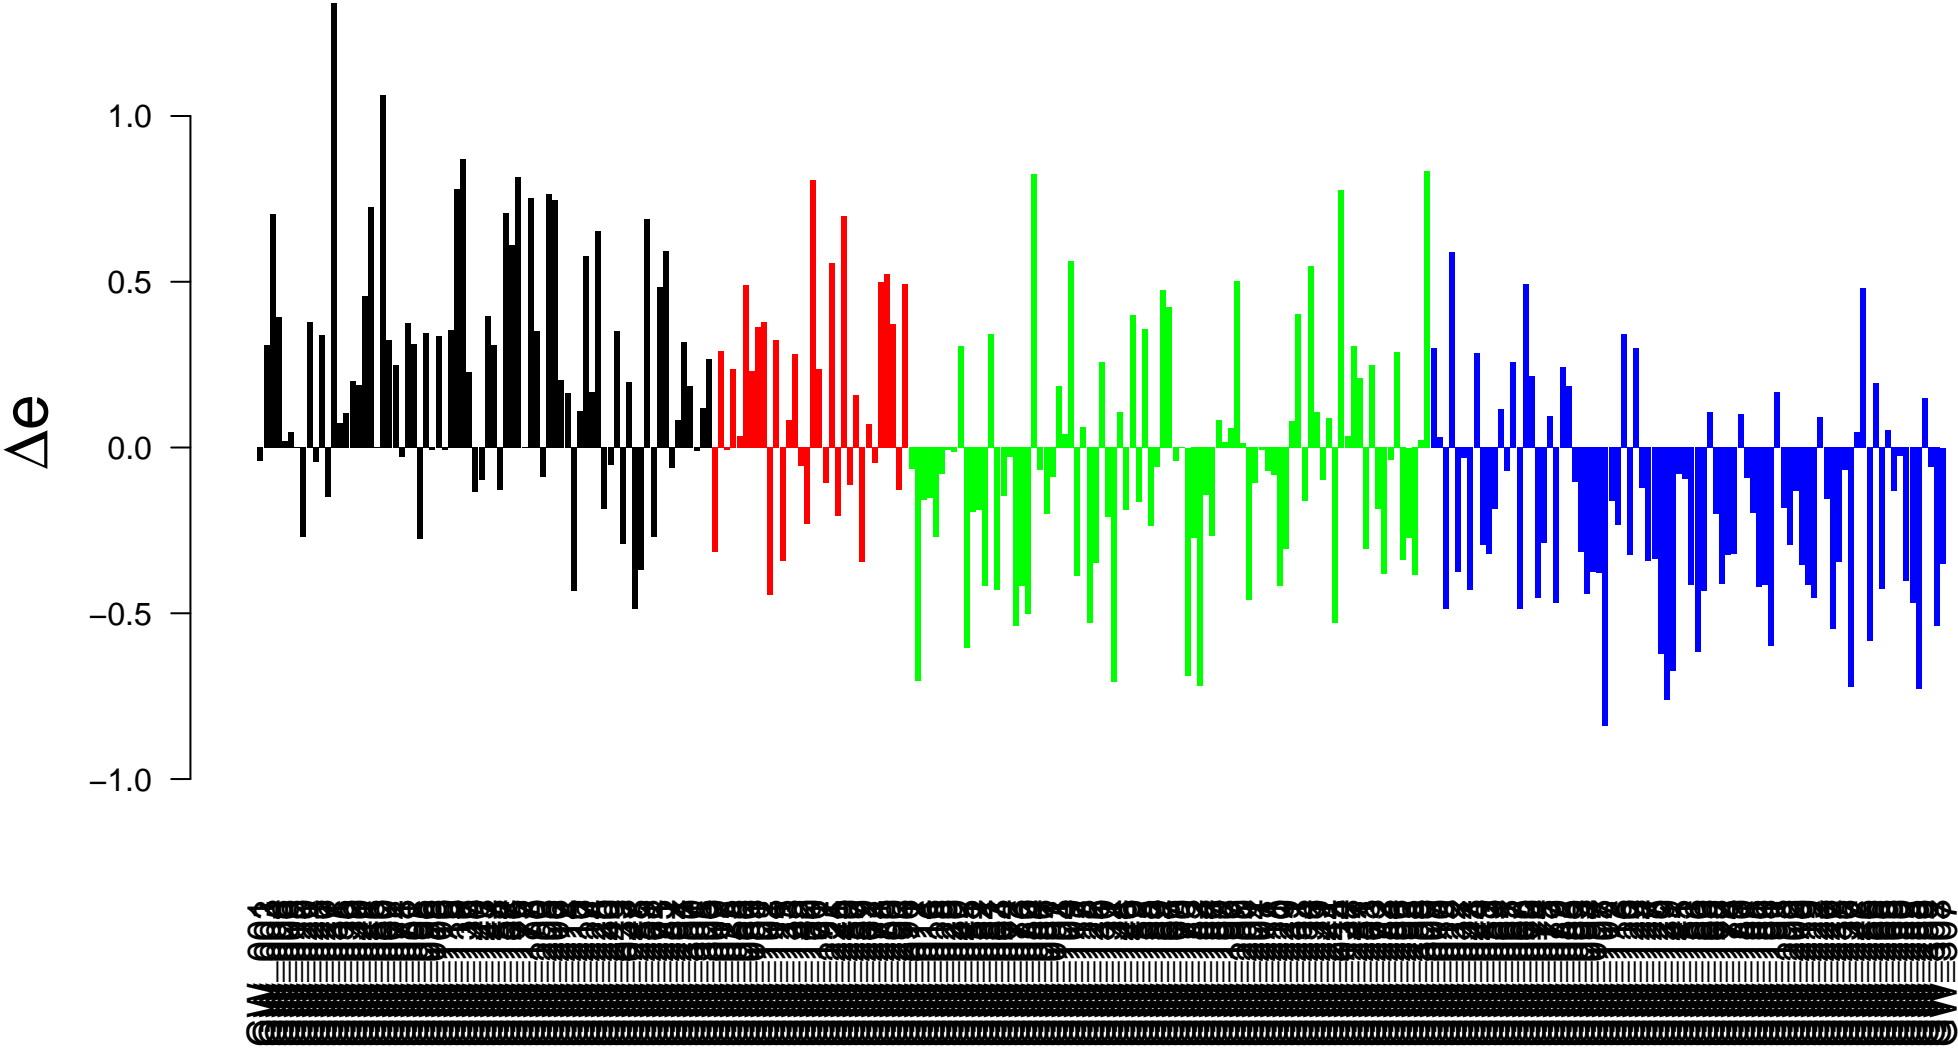

Enrichment in spots: repressing transcription factor binding

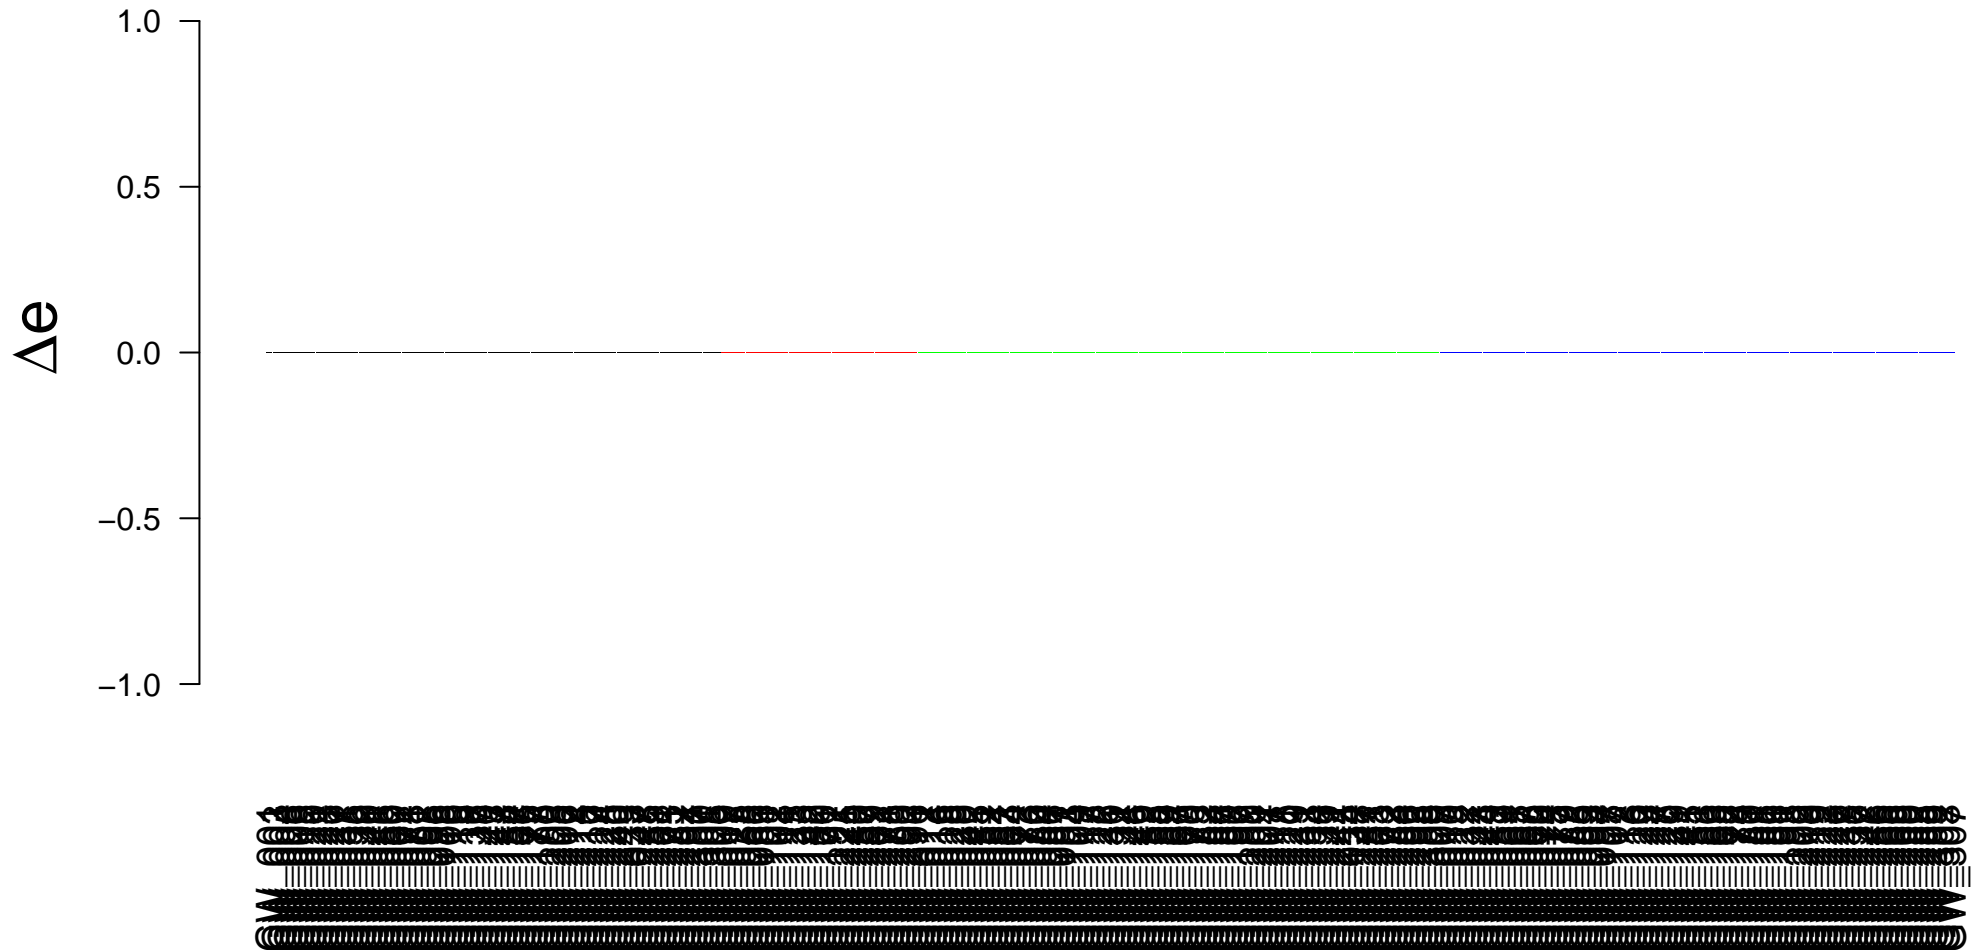

Expression of repressing transcription factor binding in Spot A

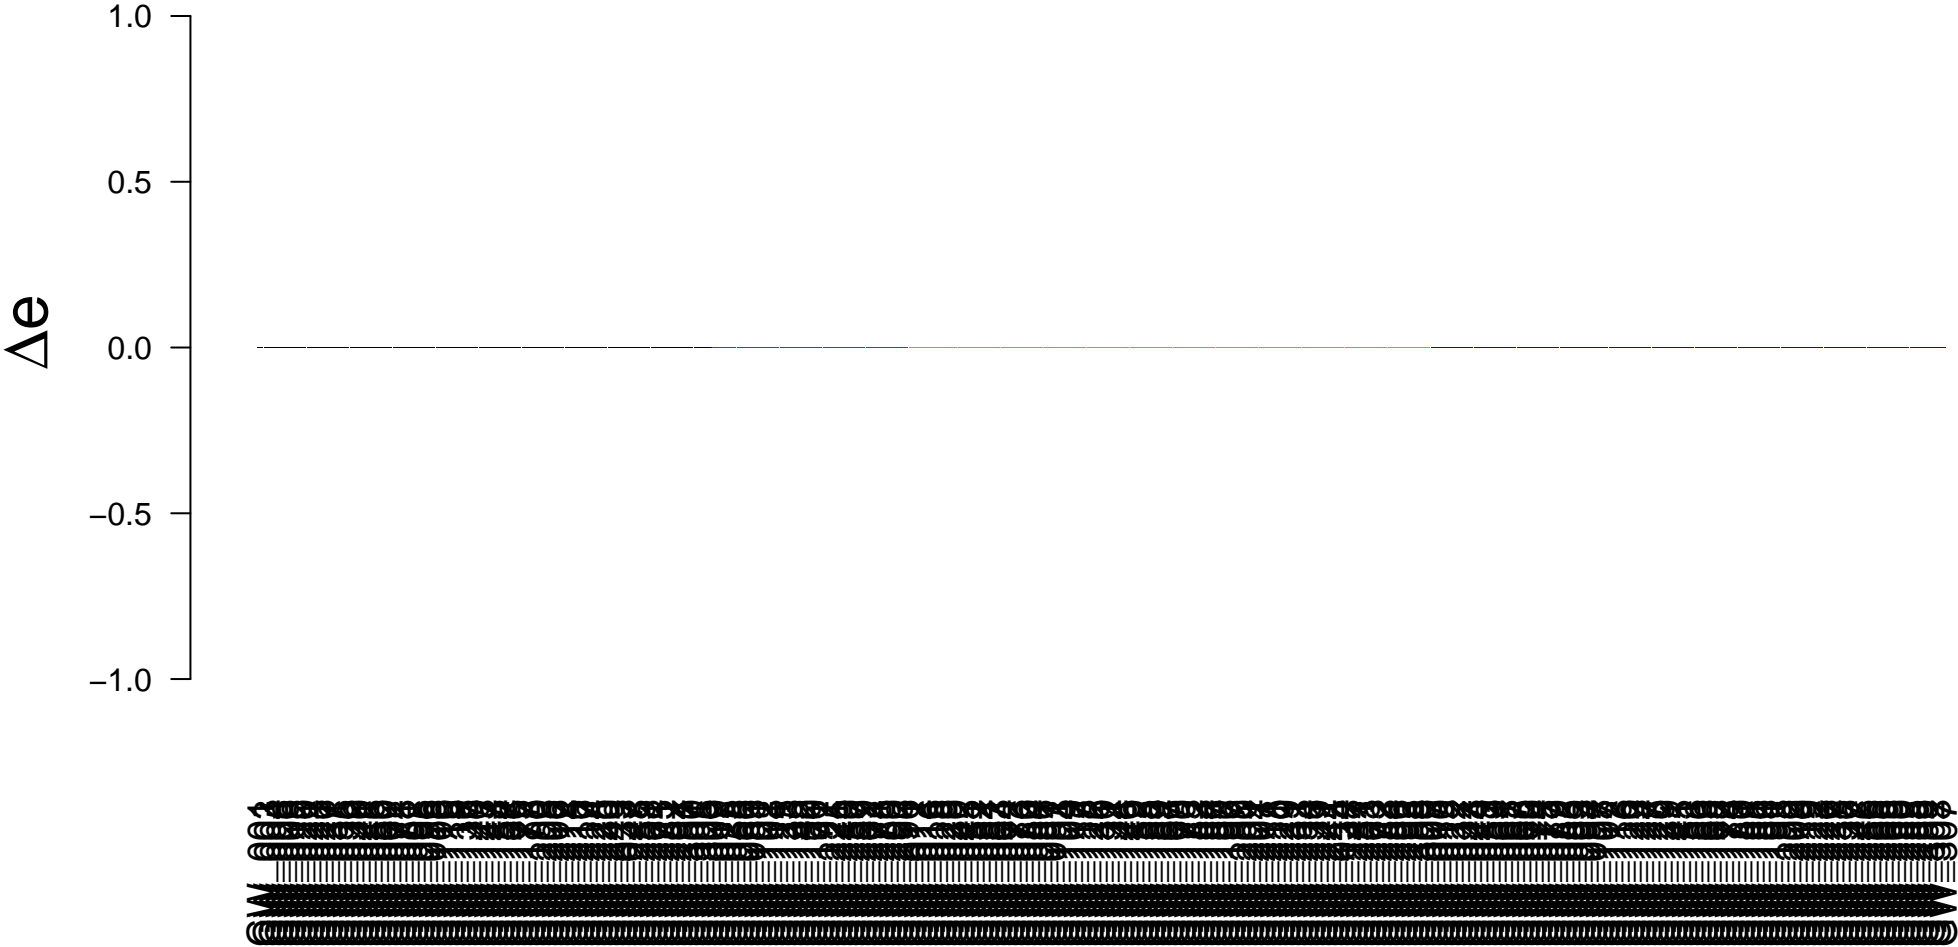

Expression of repressing transcription factor binding in Spot B

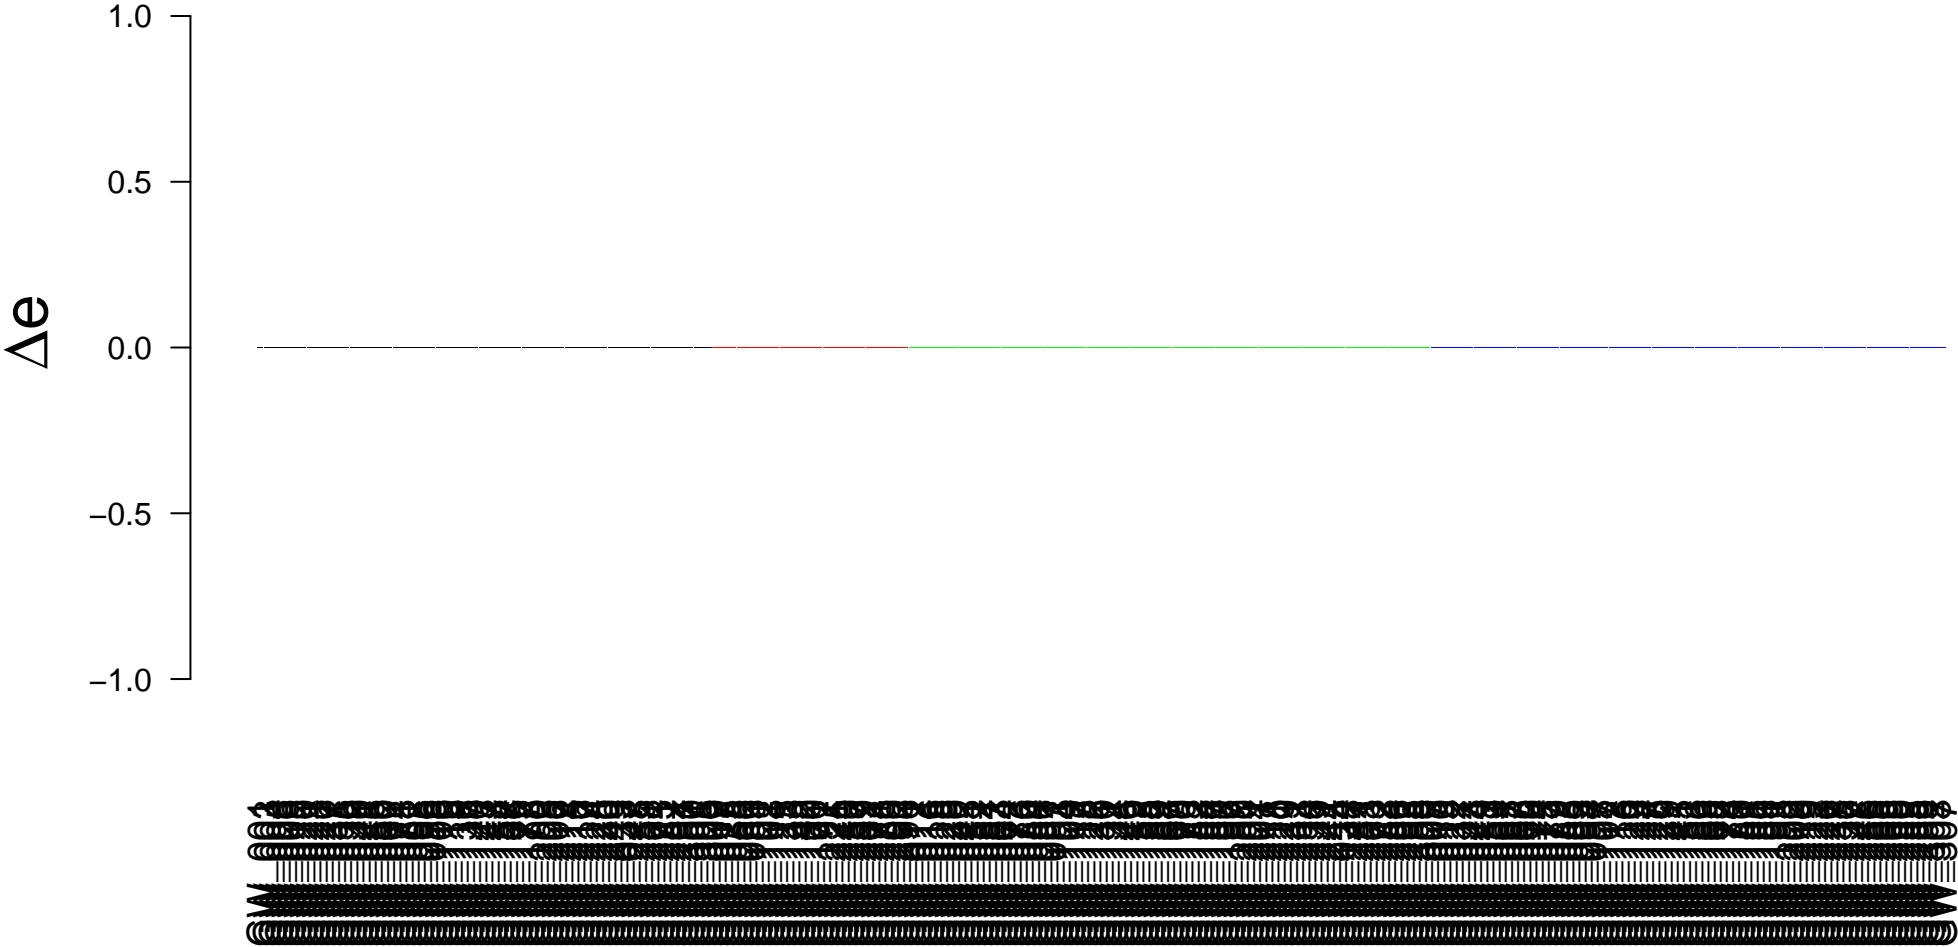

Expression of repressing transcription factor binding in Spot C

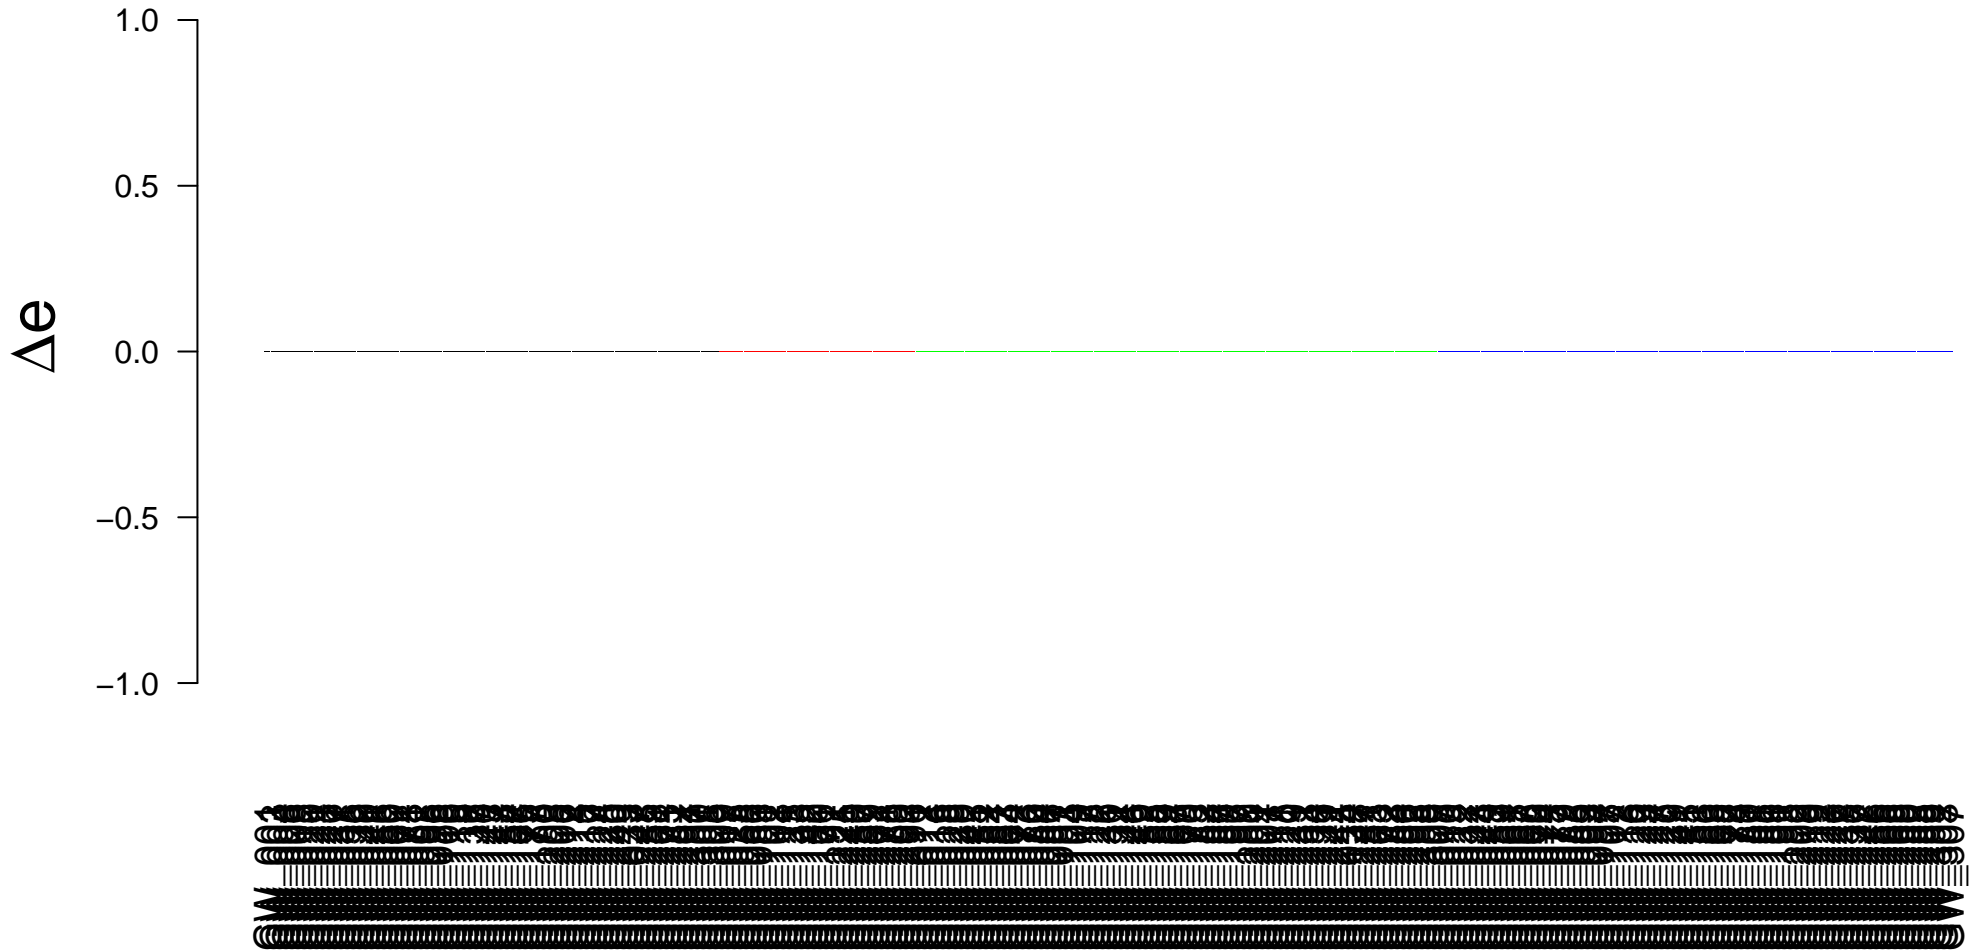

Expression of repressing transcription factor binding in Spot D

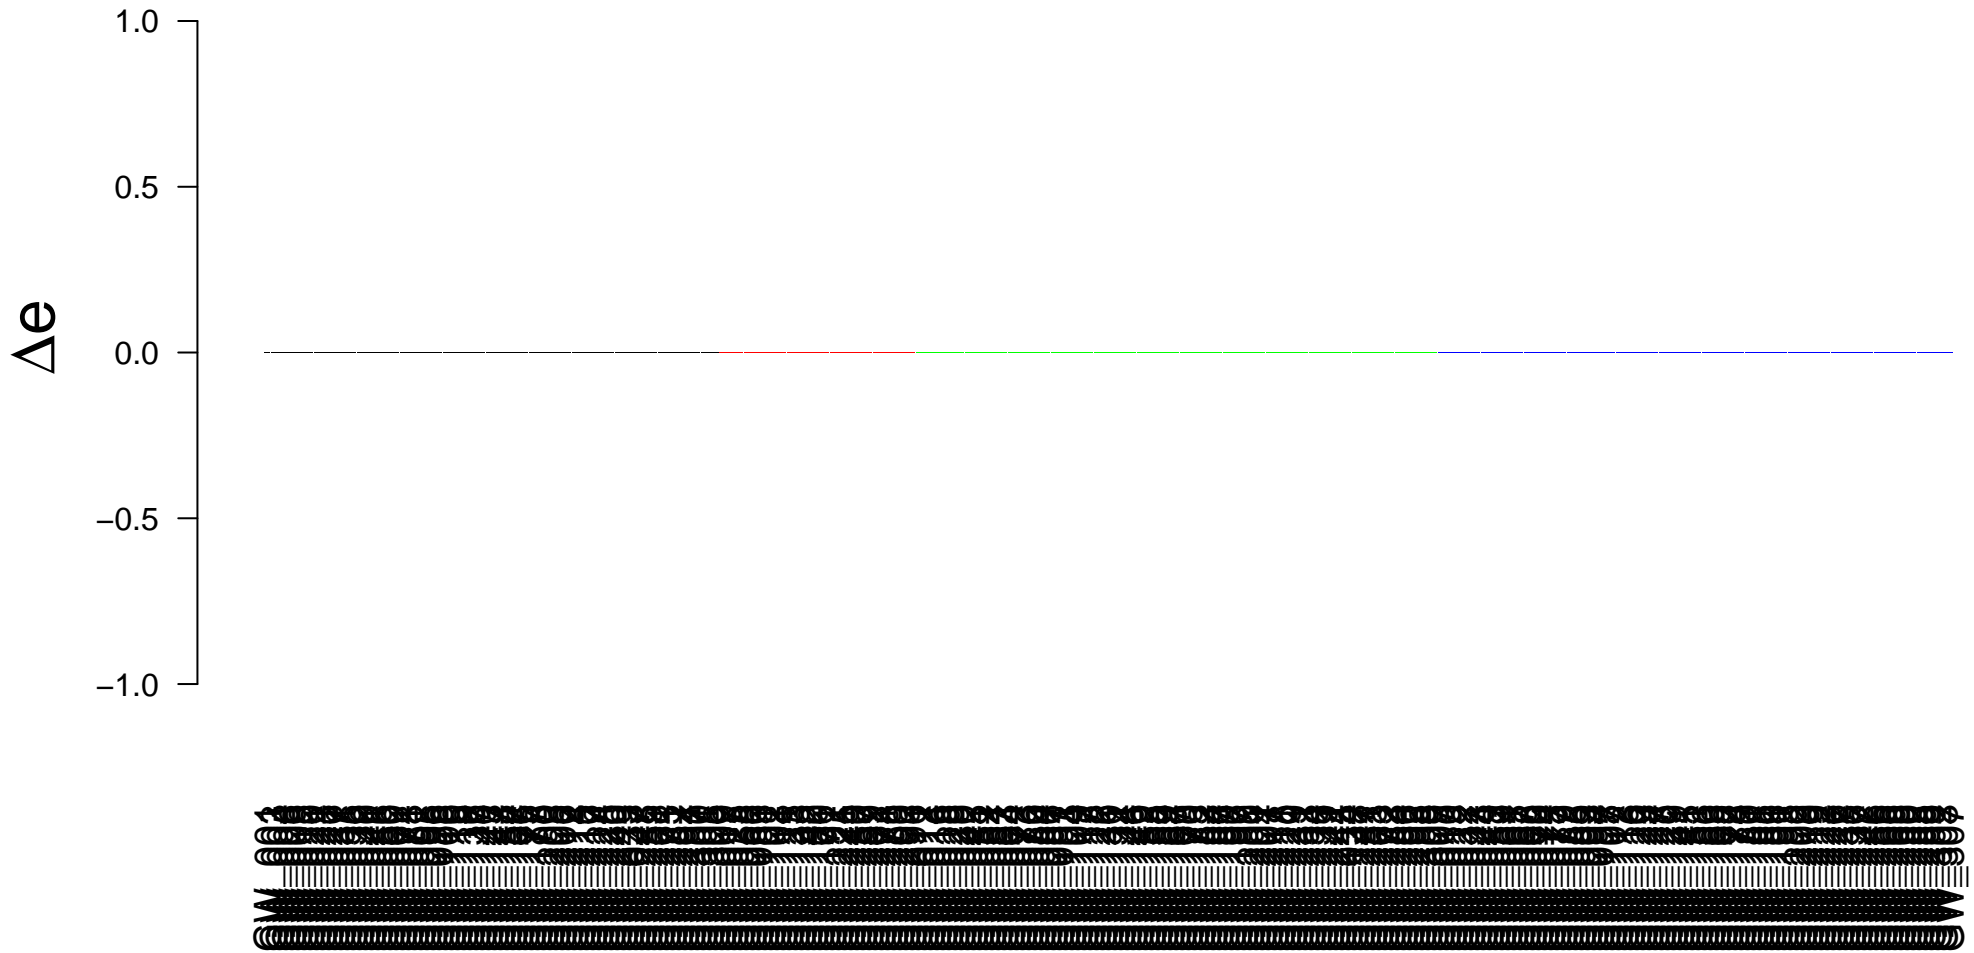

Expression of repressing transcription factor binding in Spot E

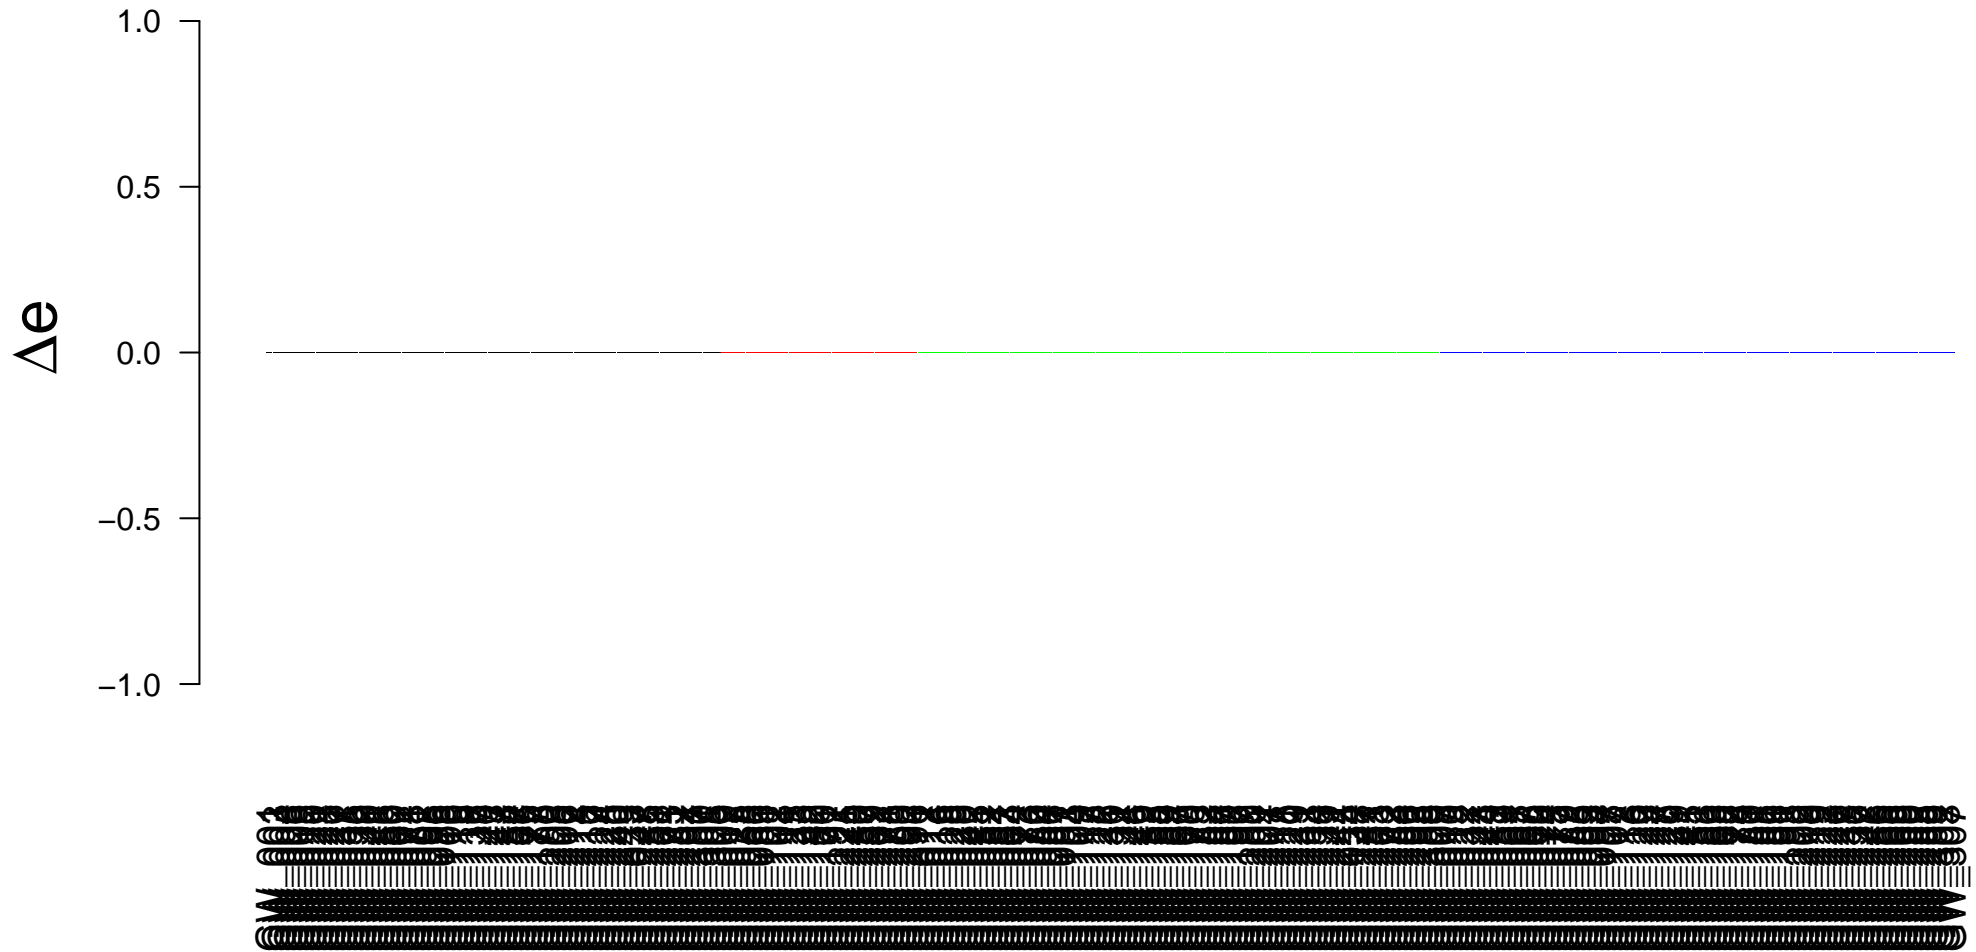

Expression of repressing transcription factor binding in Spot F

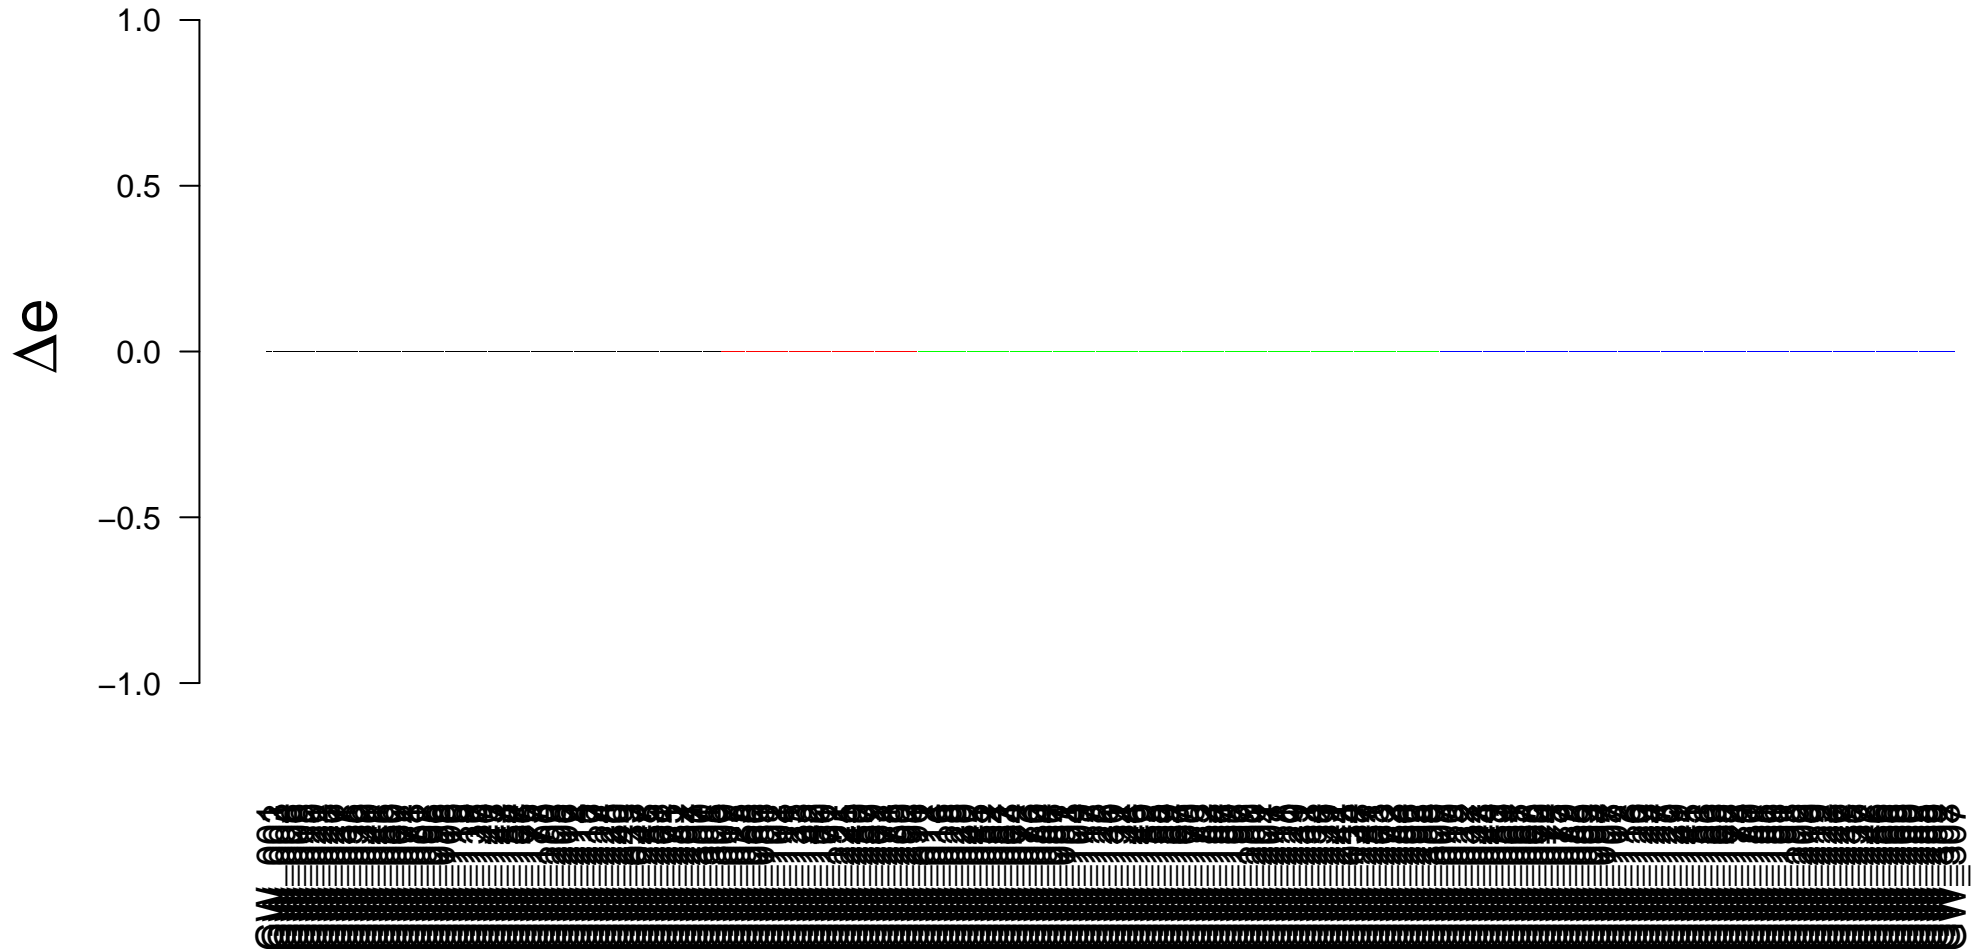

Expression of repressing transcription factor binding in Spot G

Expression of repressing transcription factor binding in Spot H

Expression of repressing transcription factor binding in Spot I

Expression of repressing transcription factor binding in Spot J
