

response to ATP

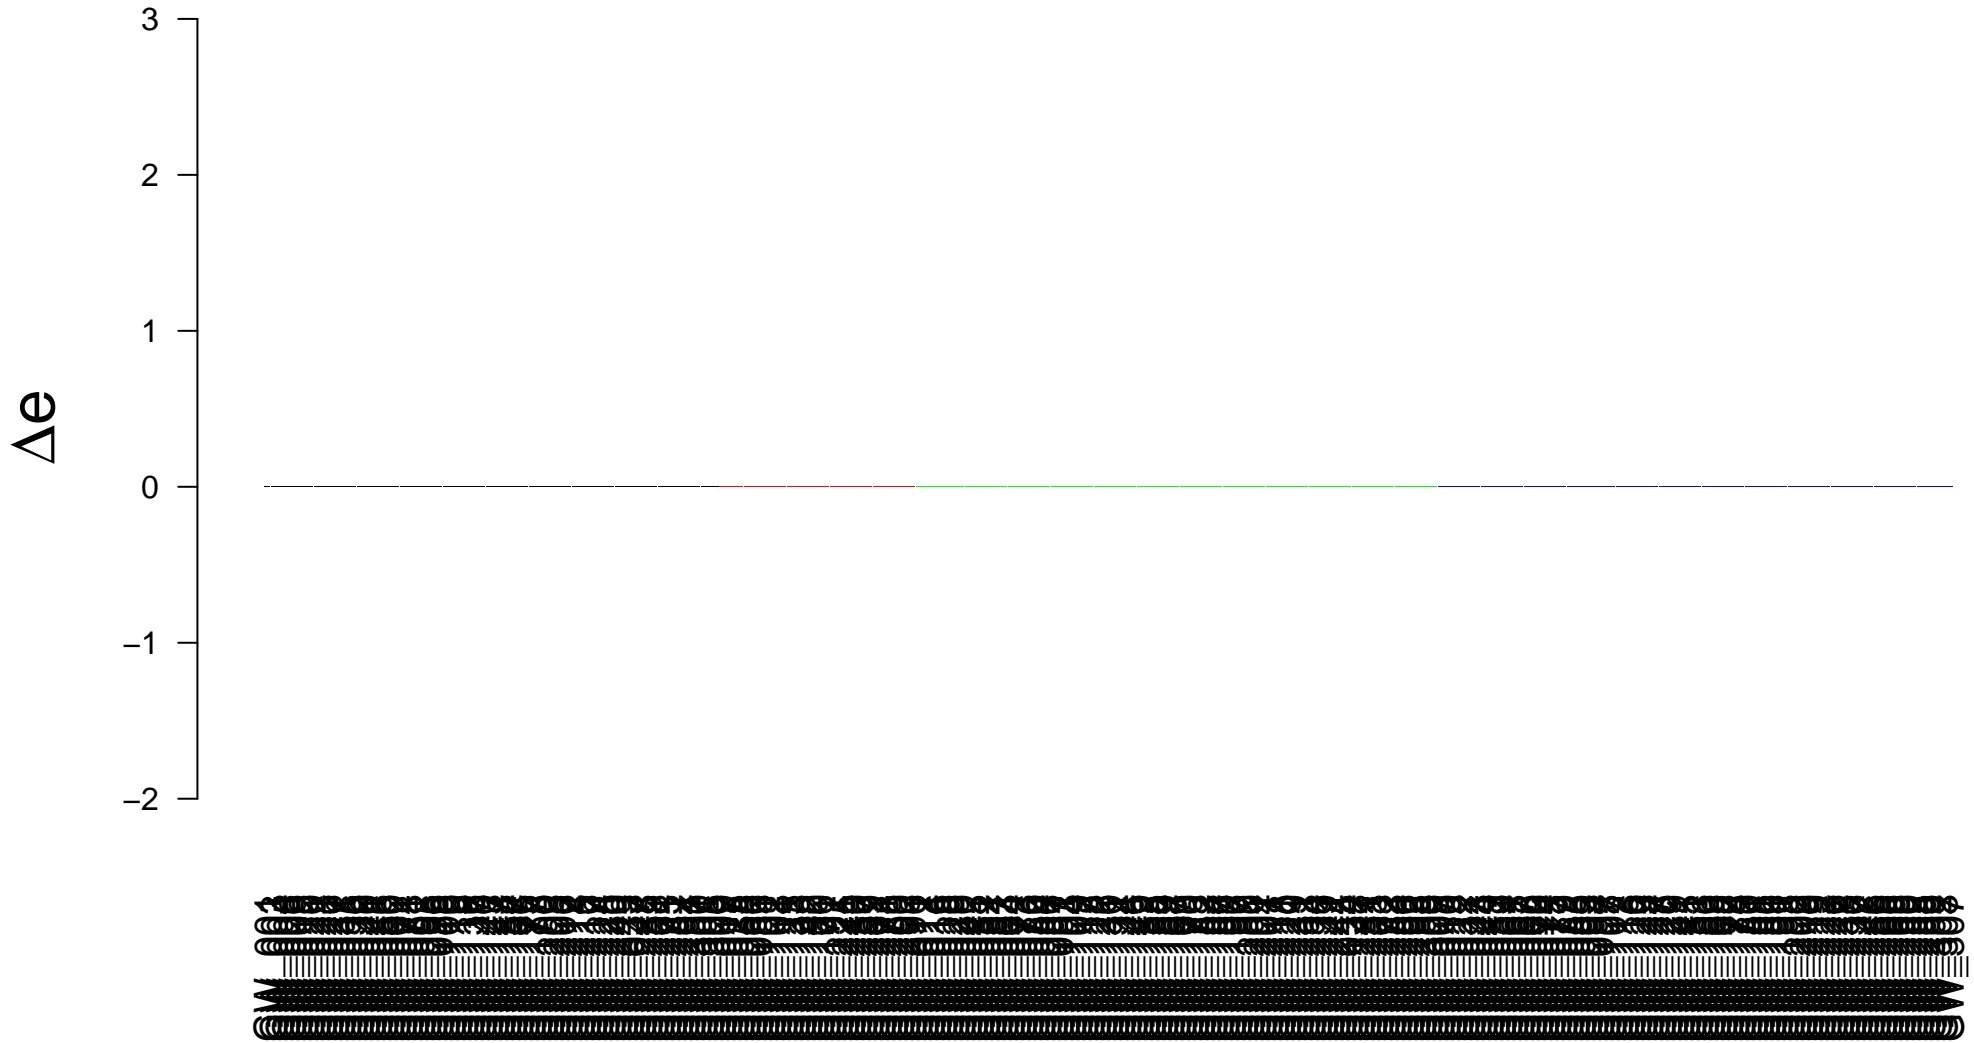

response to ATP

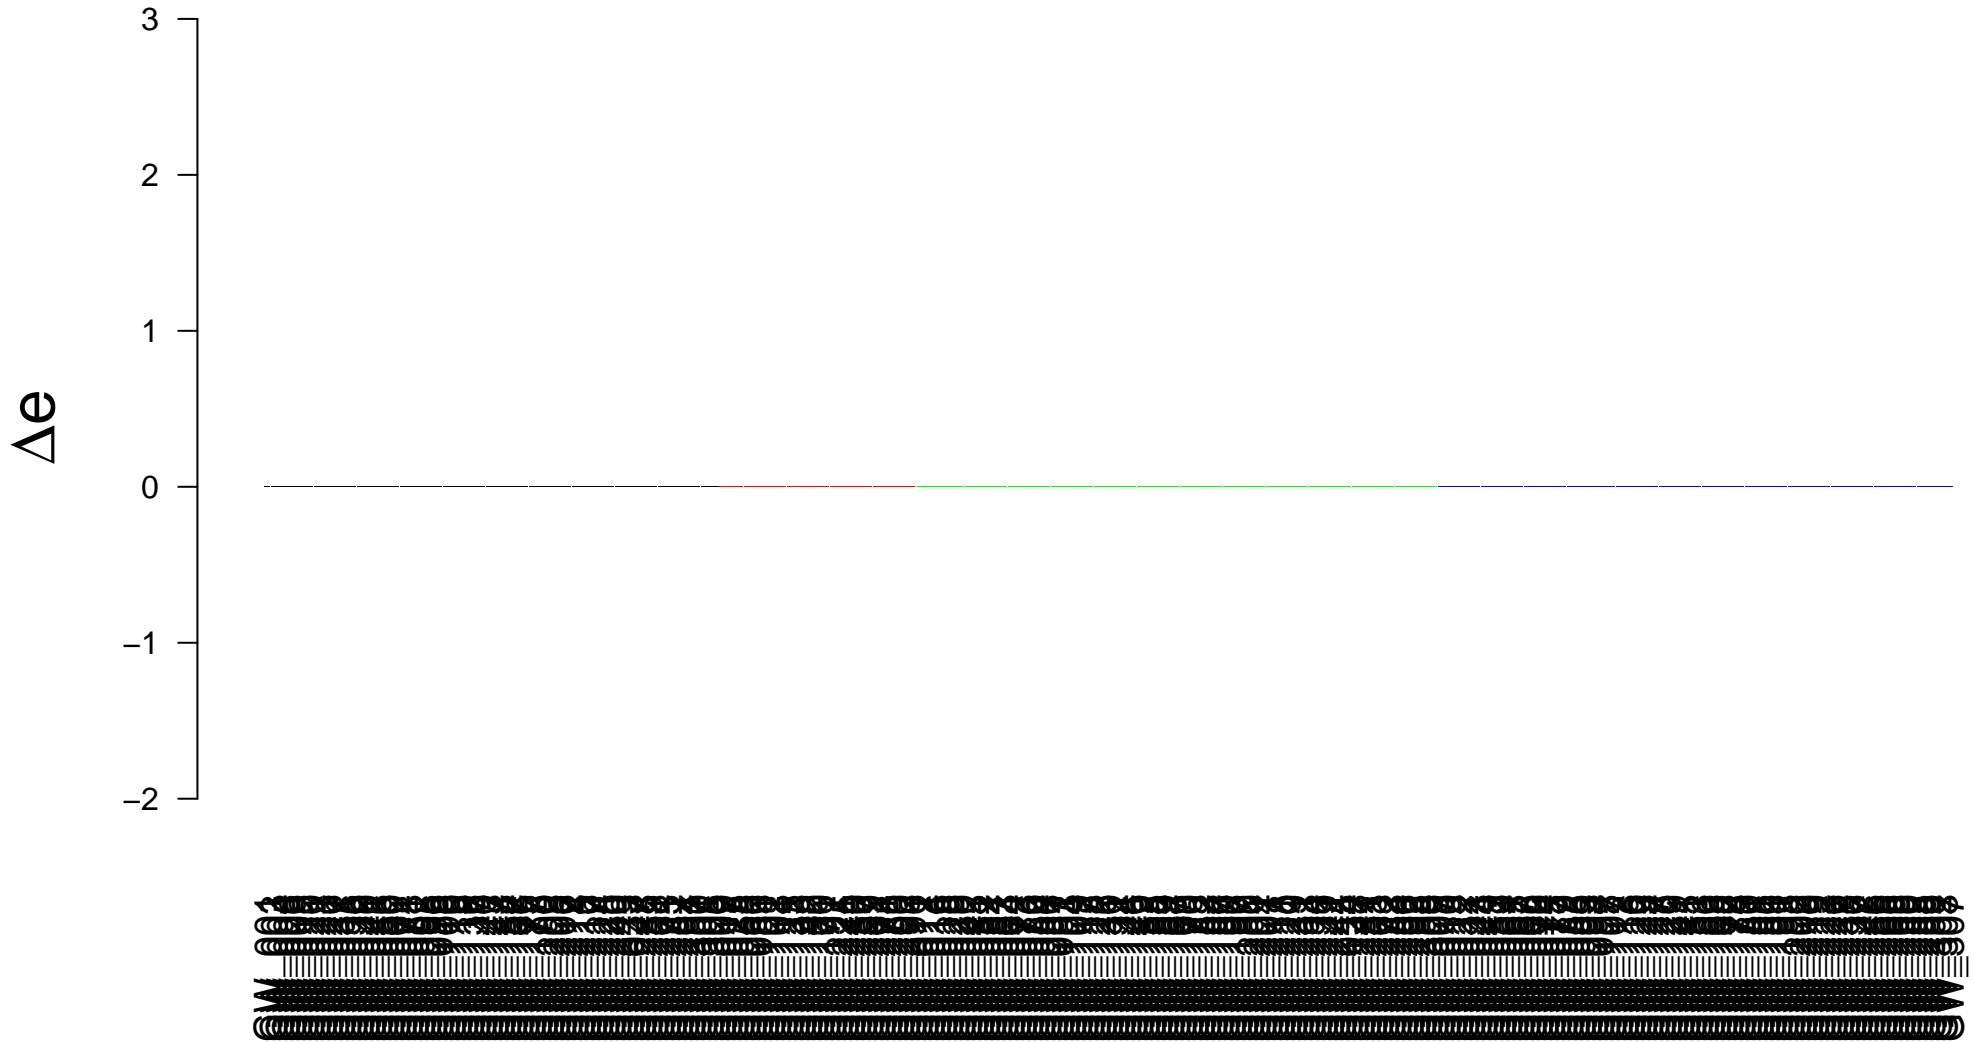

Enrichment in spots: response to ATP

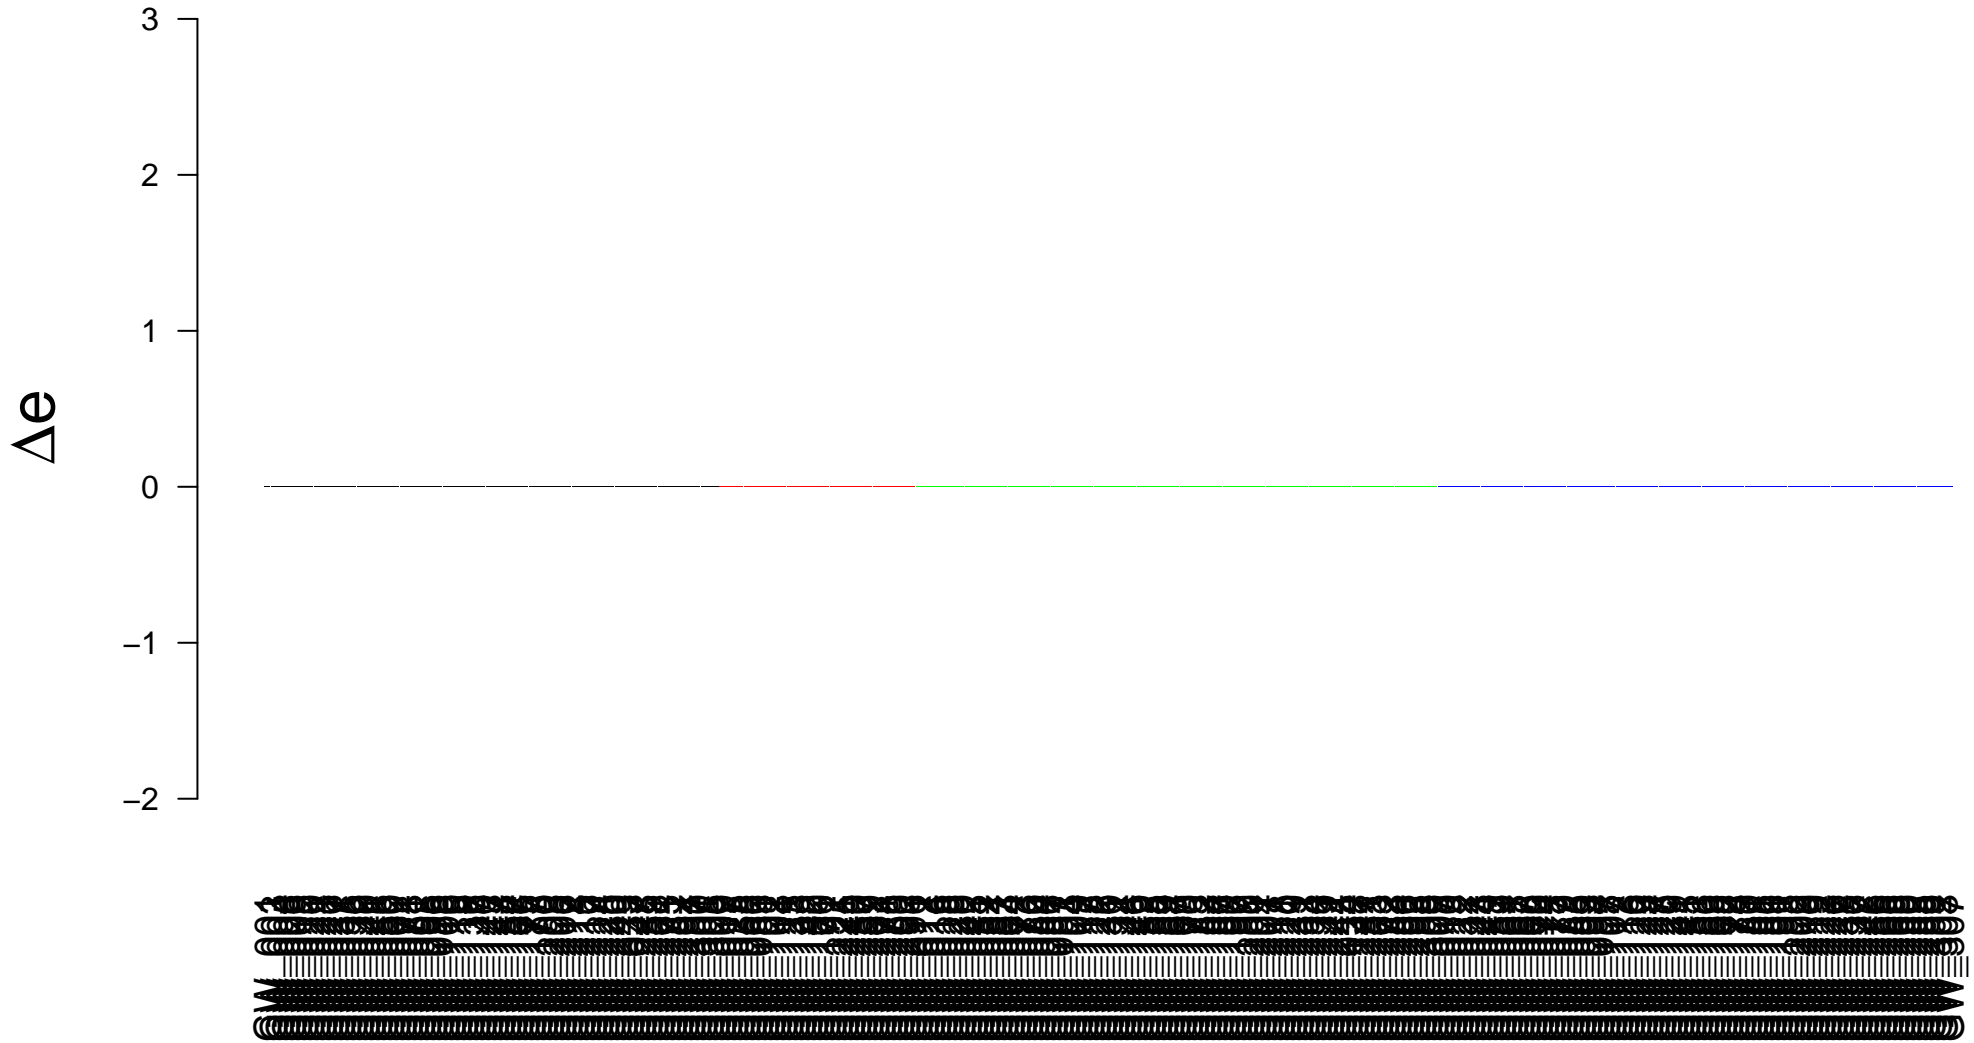

Expression of response to ATP in Spot A

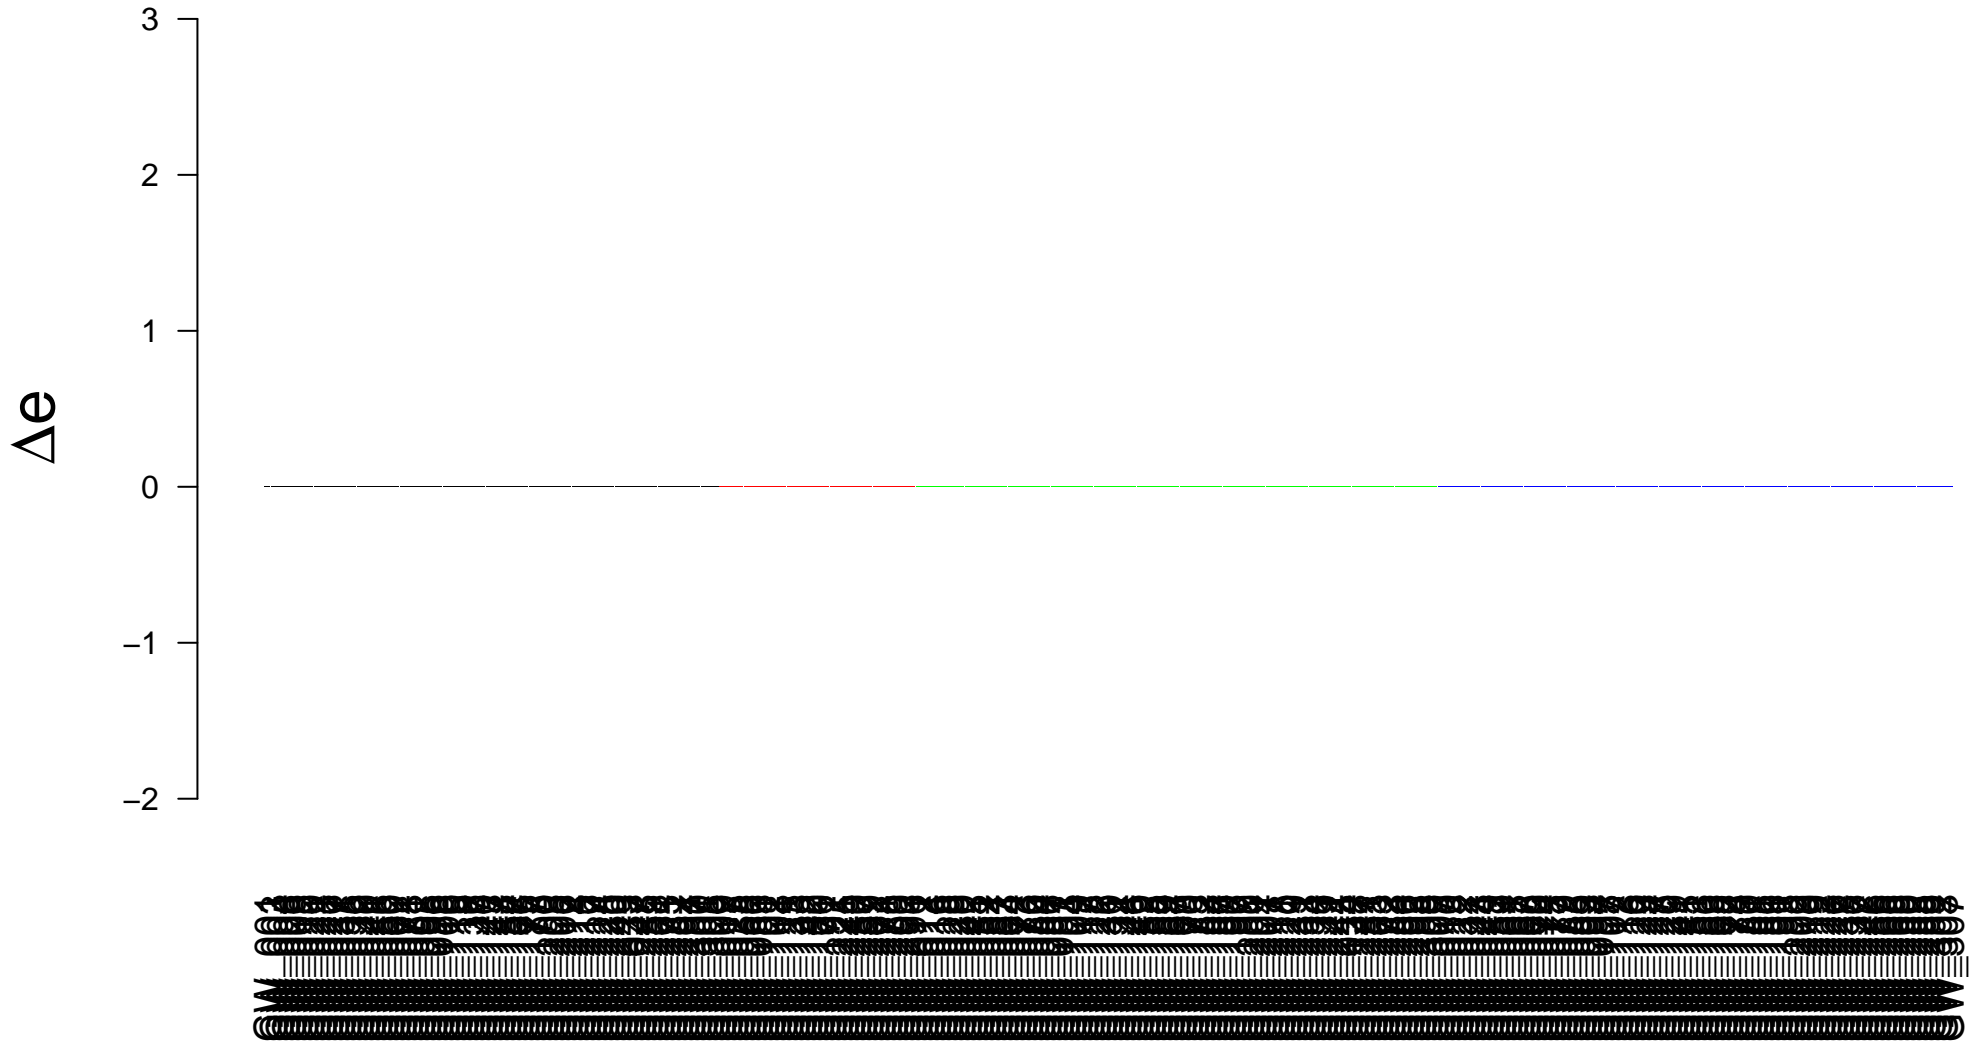

Expression of response to ATP in Spot B

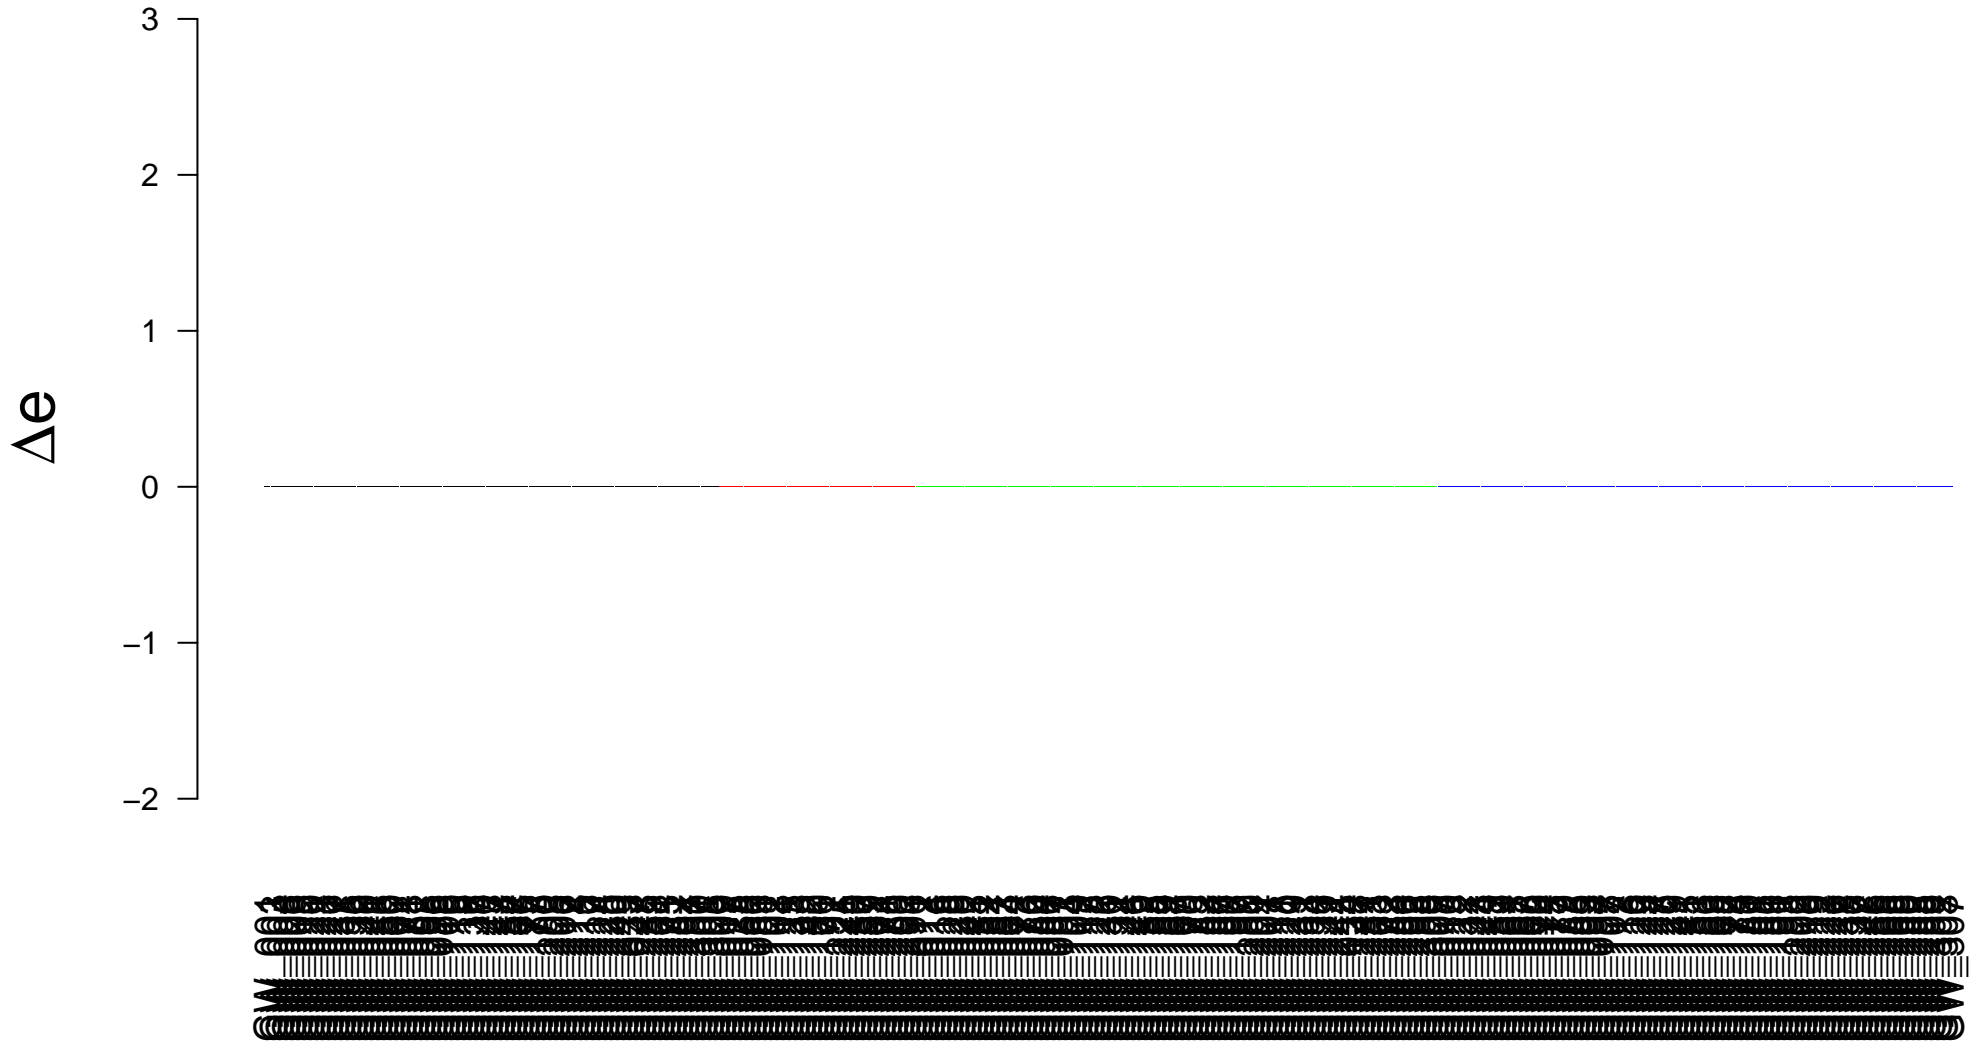

Expression of response to ATP in Spot C

Expression of response to ATP in Spot D

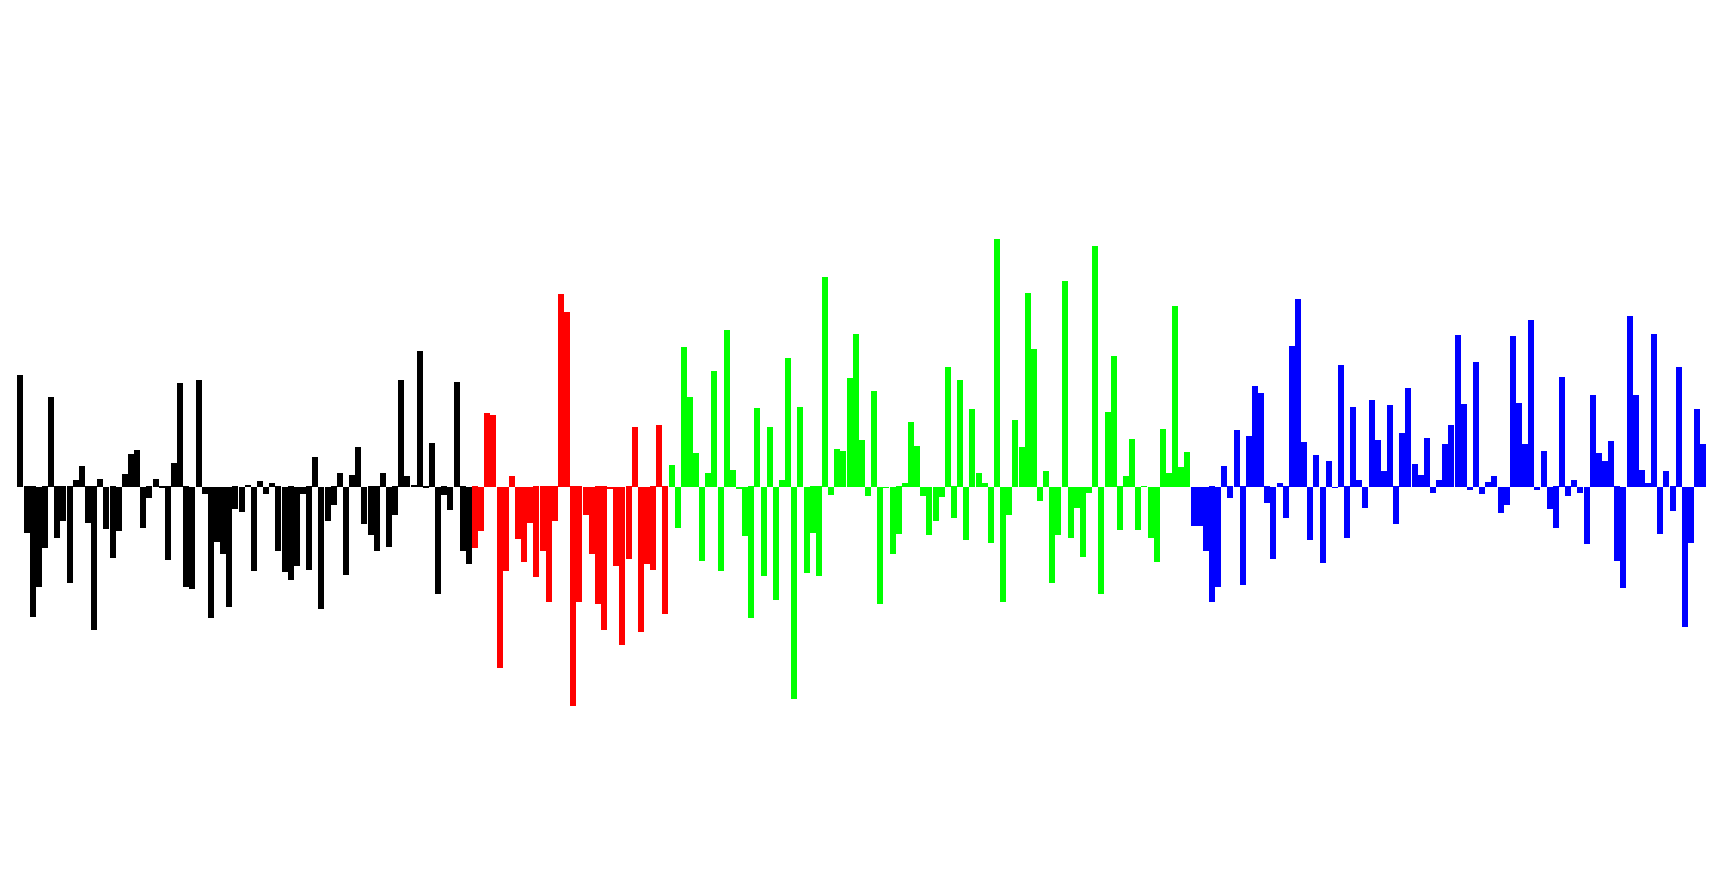

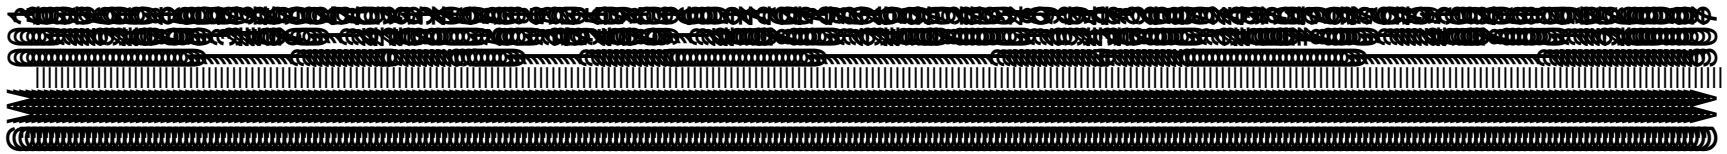

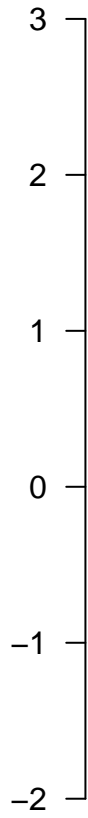

Expression of response to ATP in Spot E

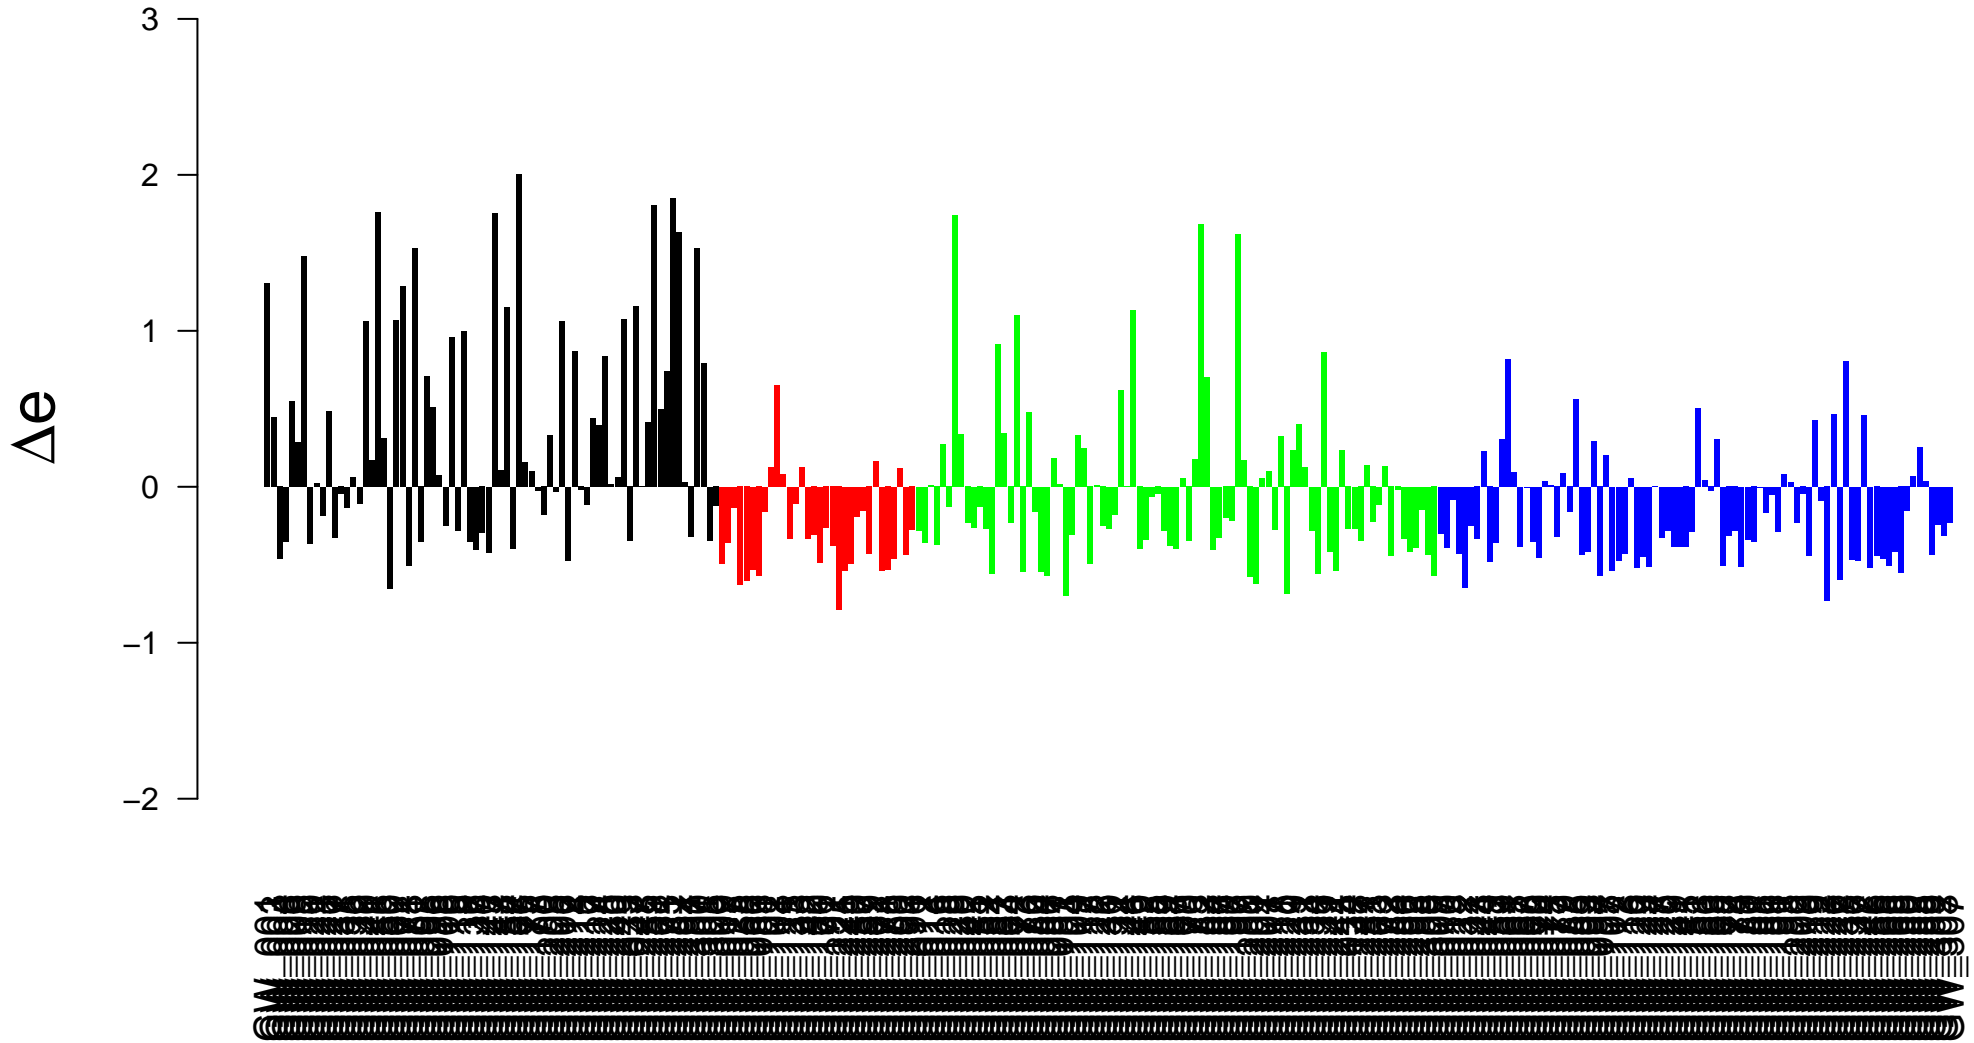

Expression of response to ATP in Spot F

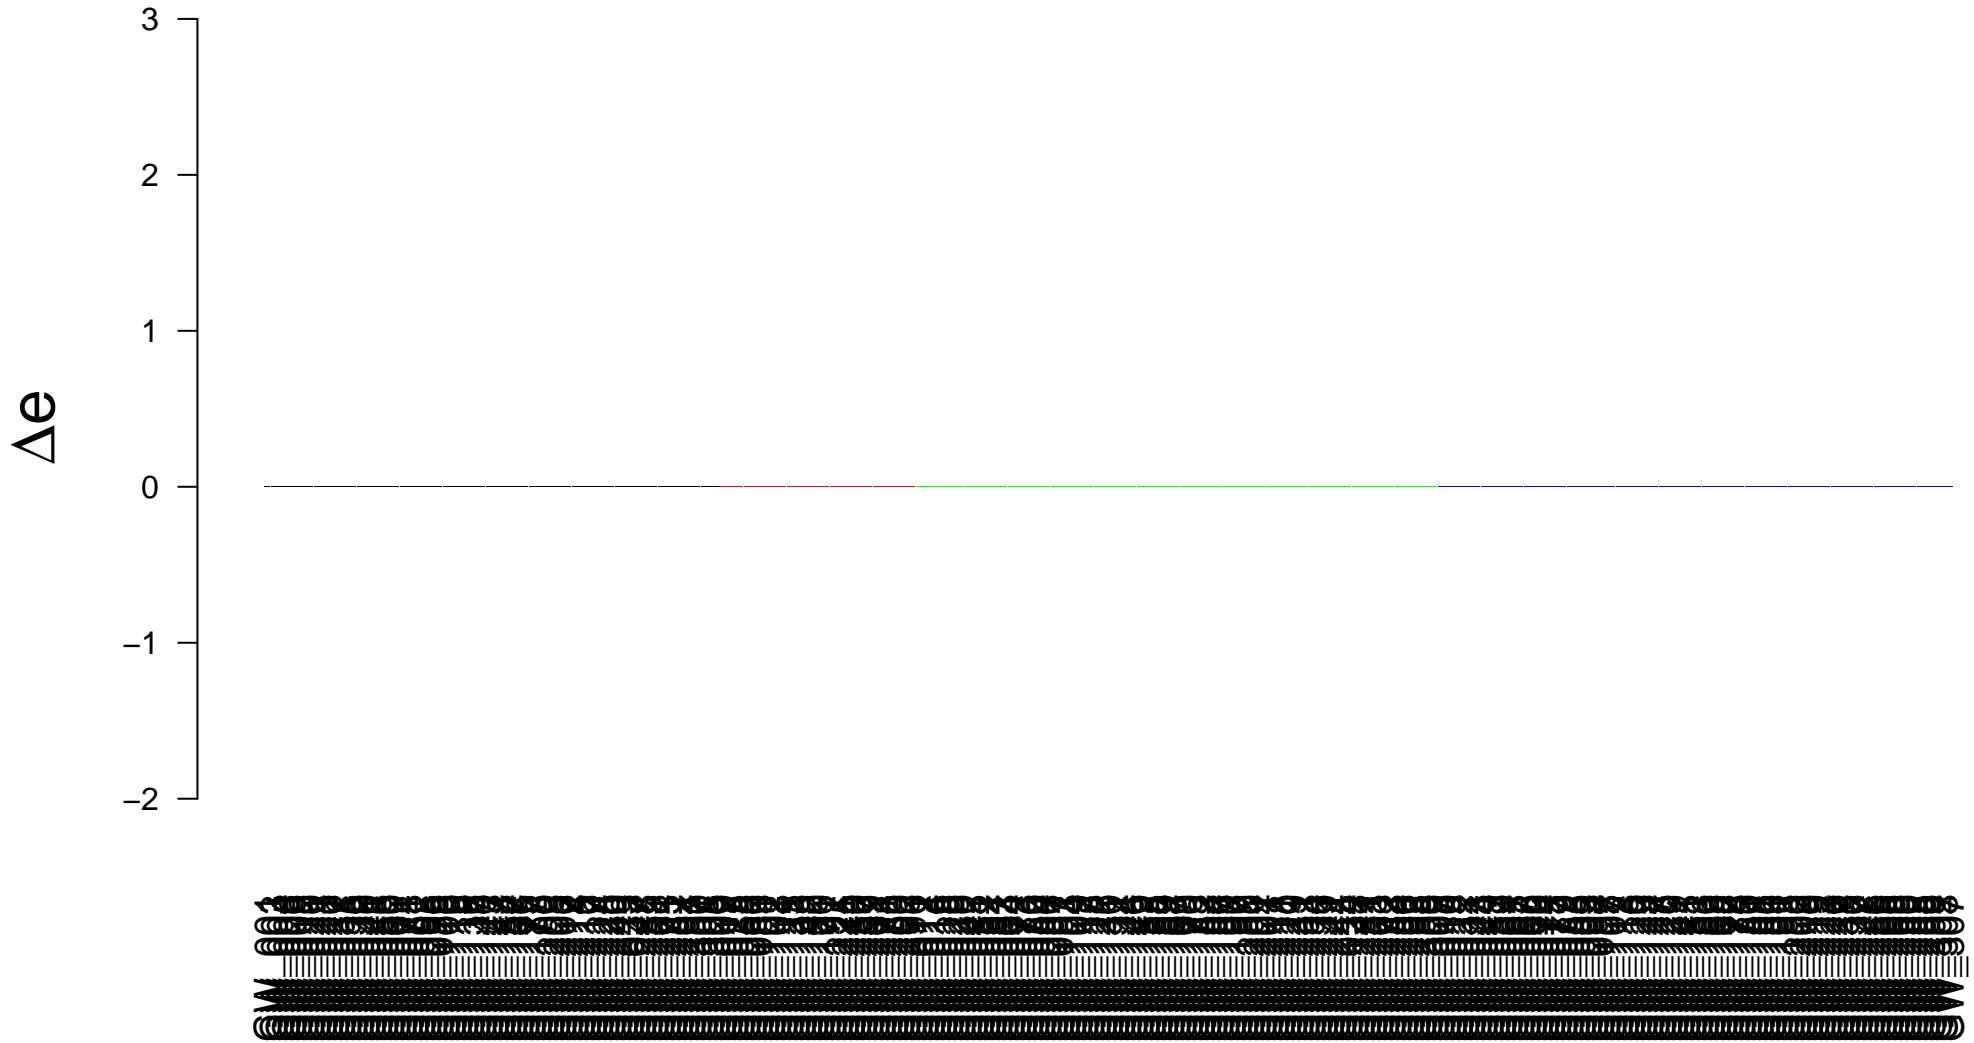

Δe

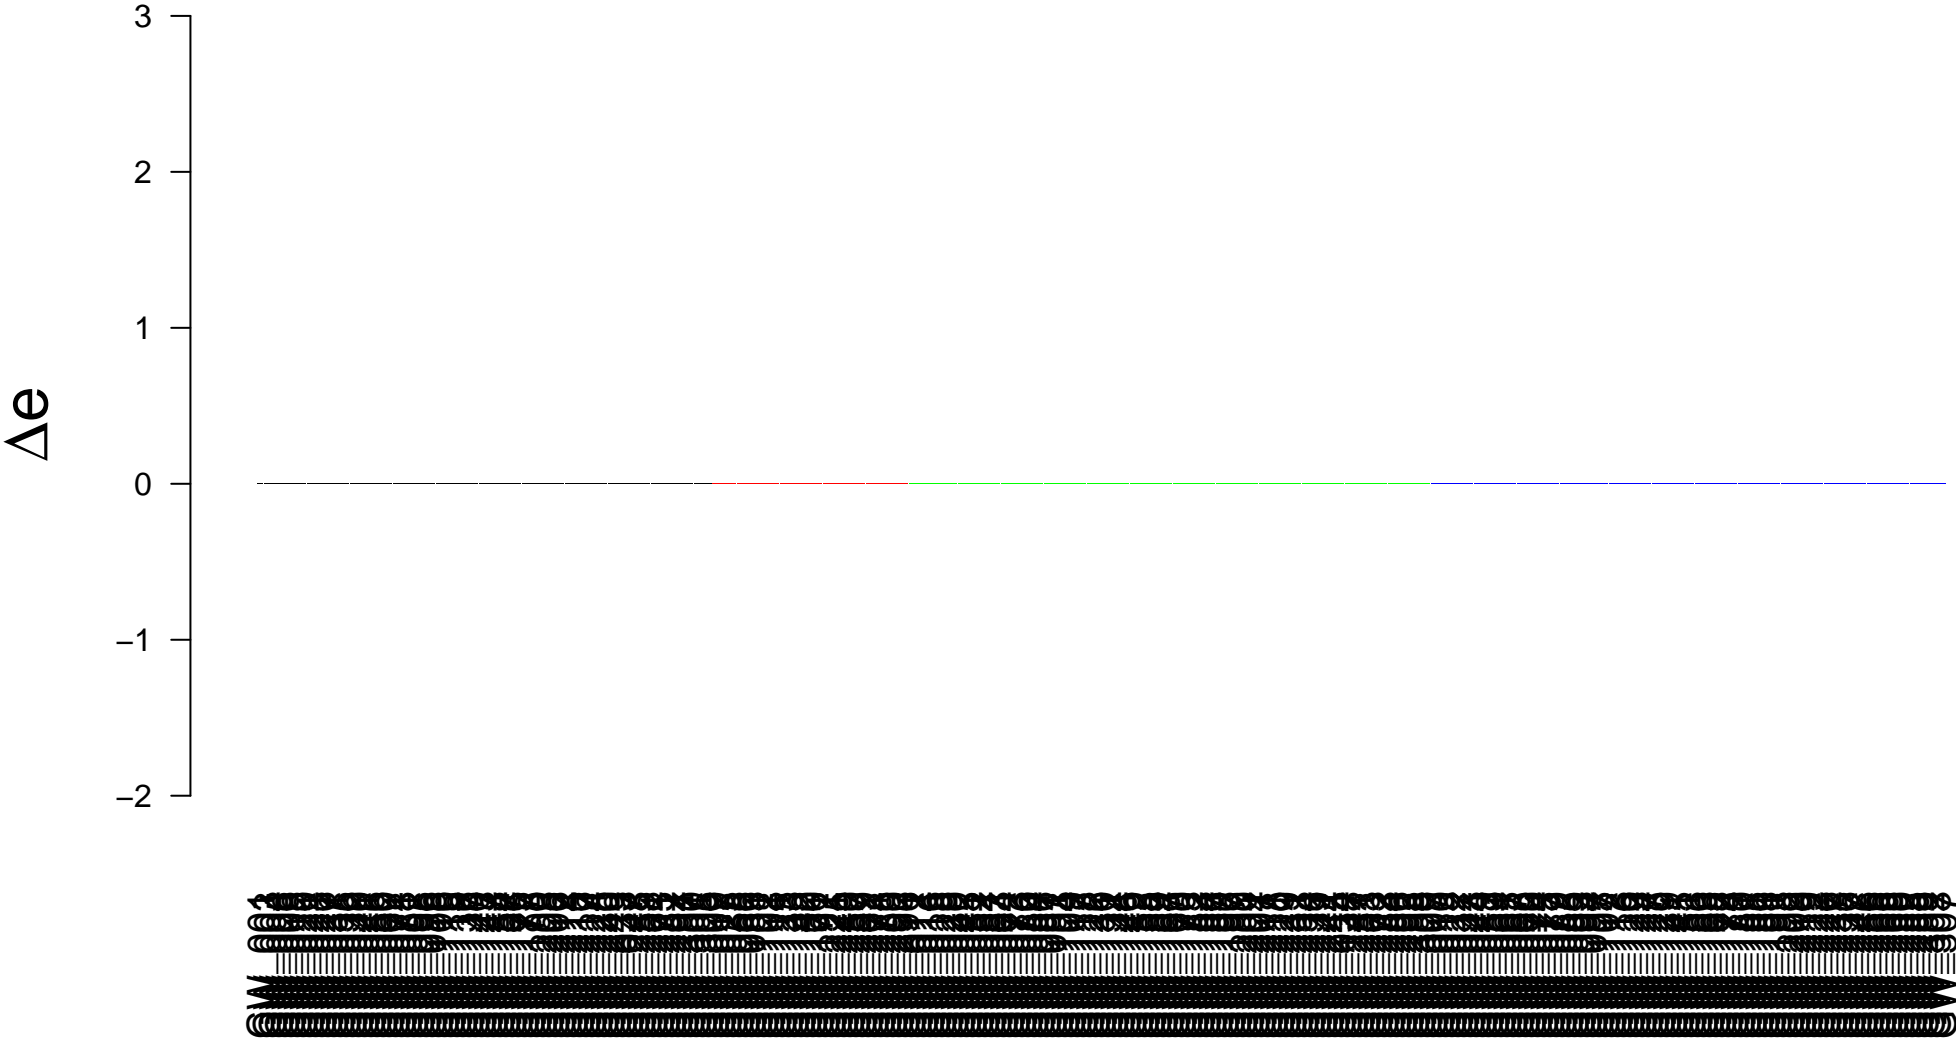

Expression of response to ATP in Spot G

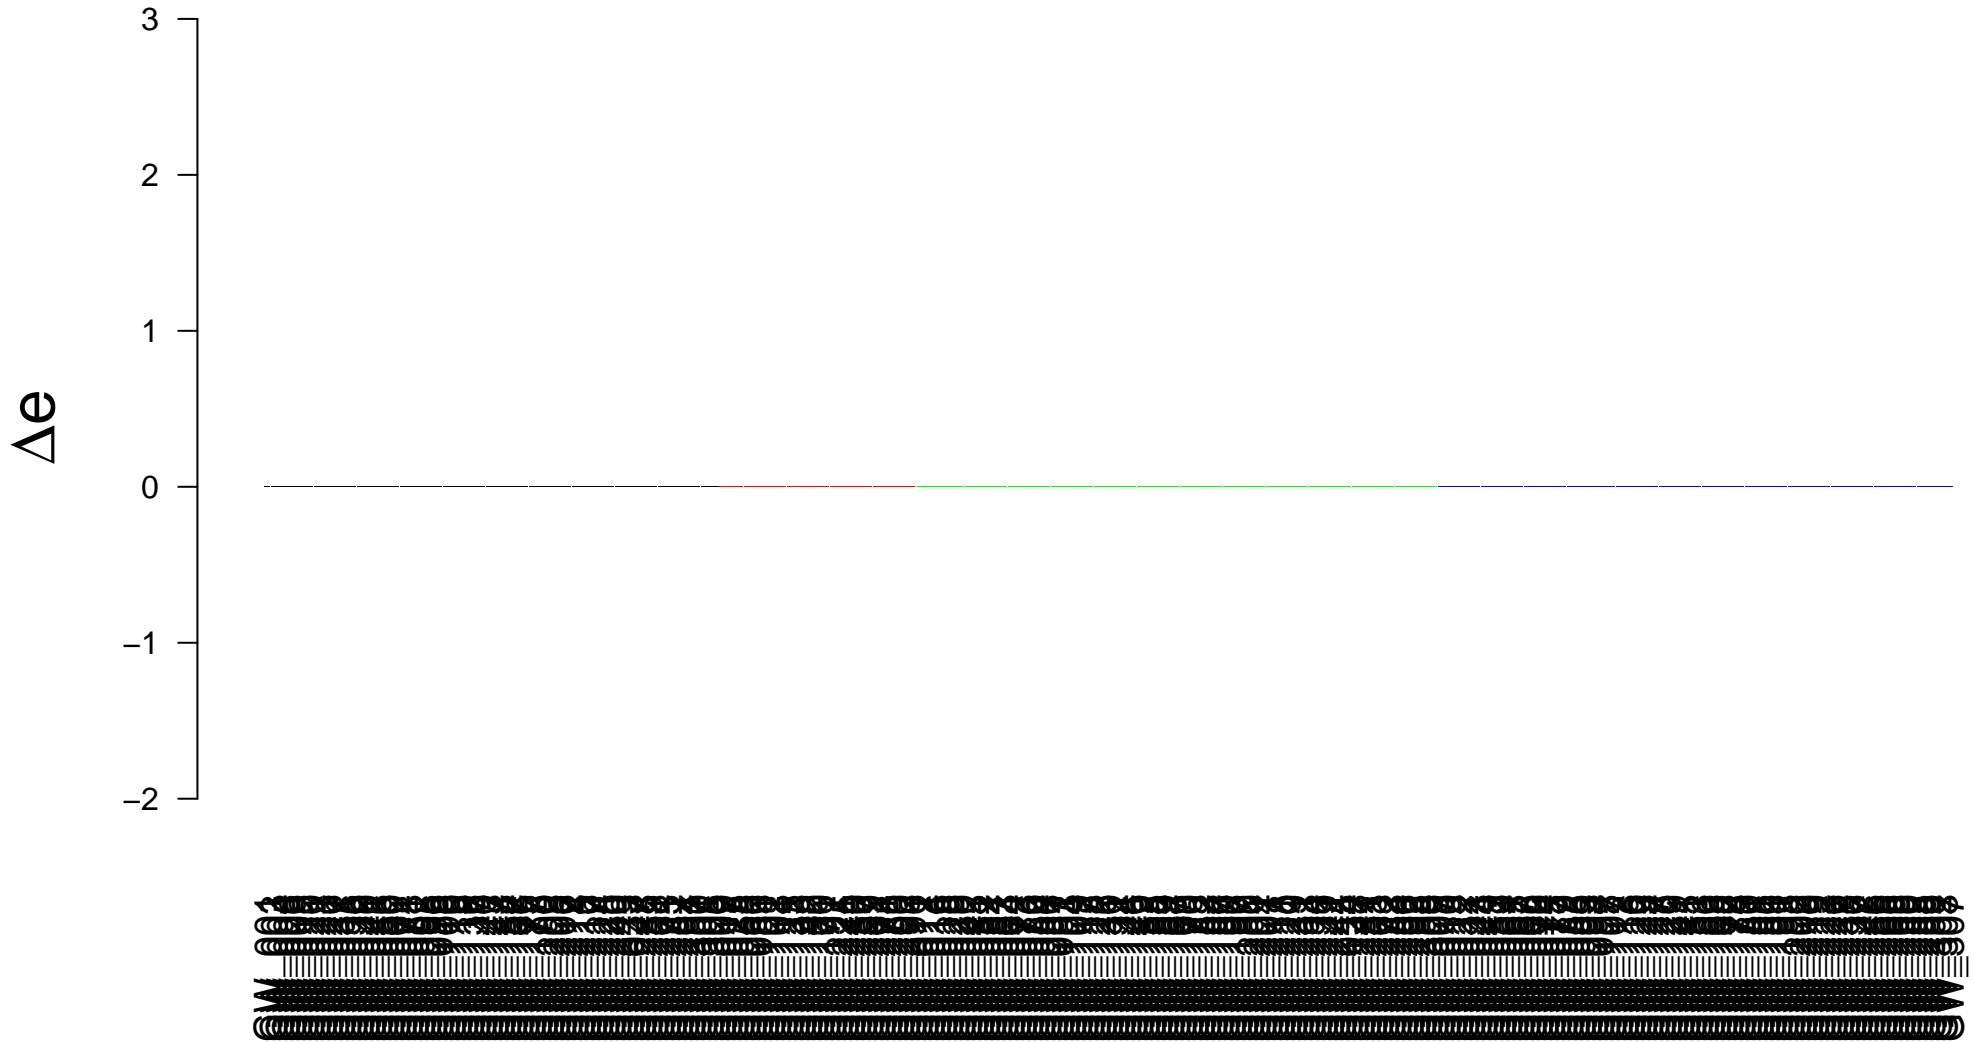

Expression of response to ATP in Spot H

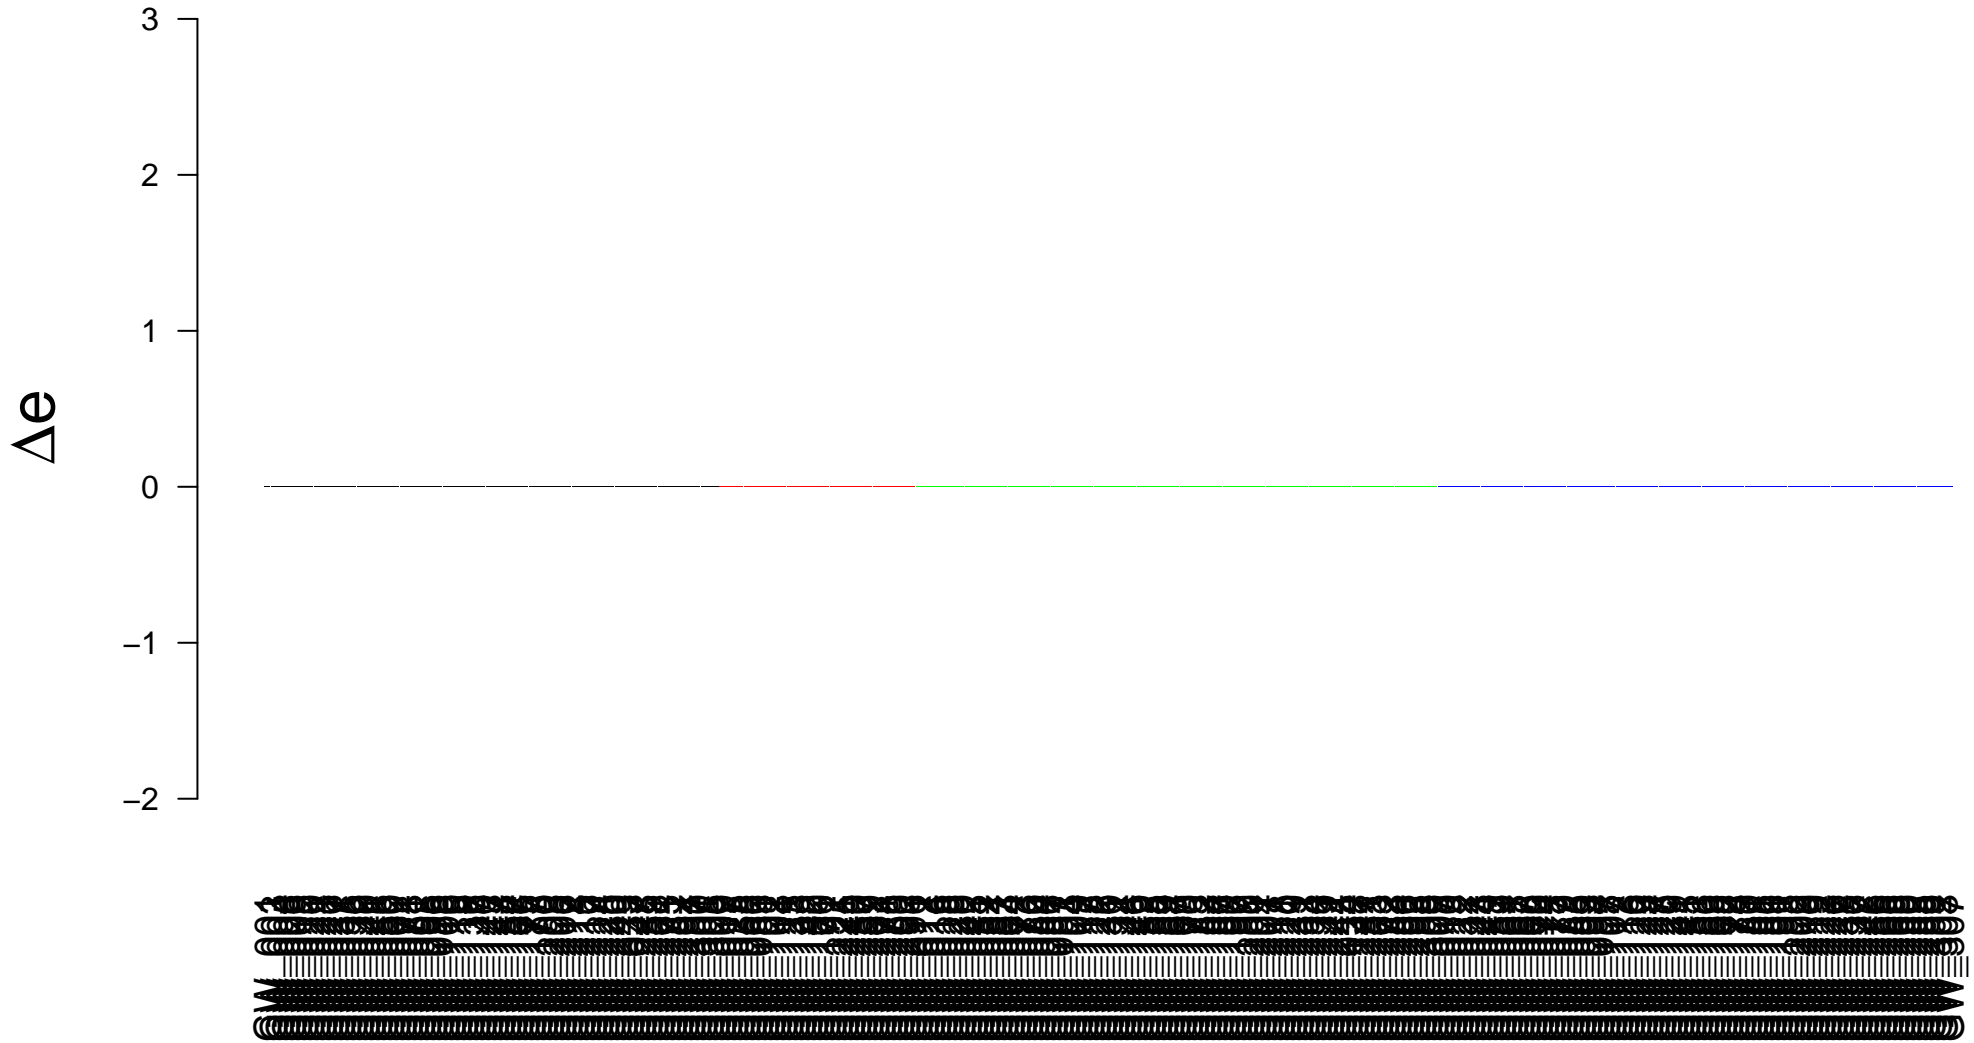

Expression of response to ATP in Spot I

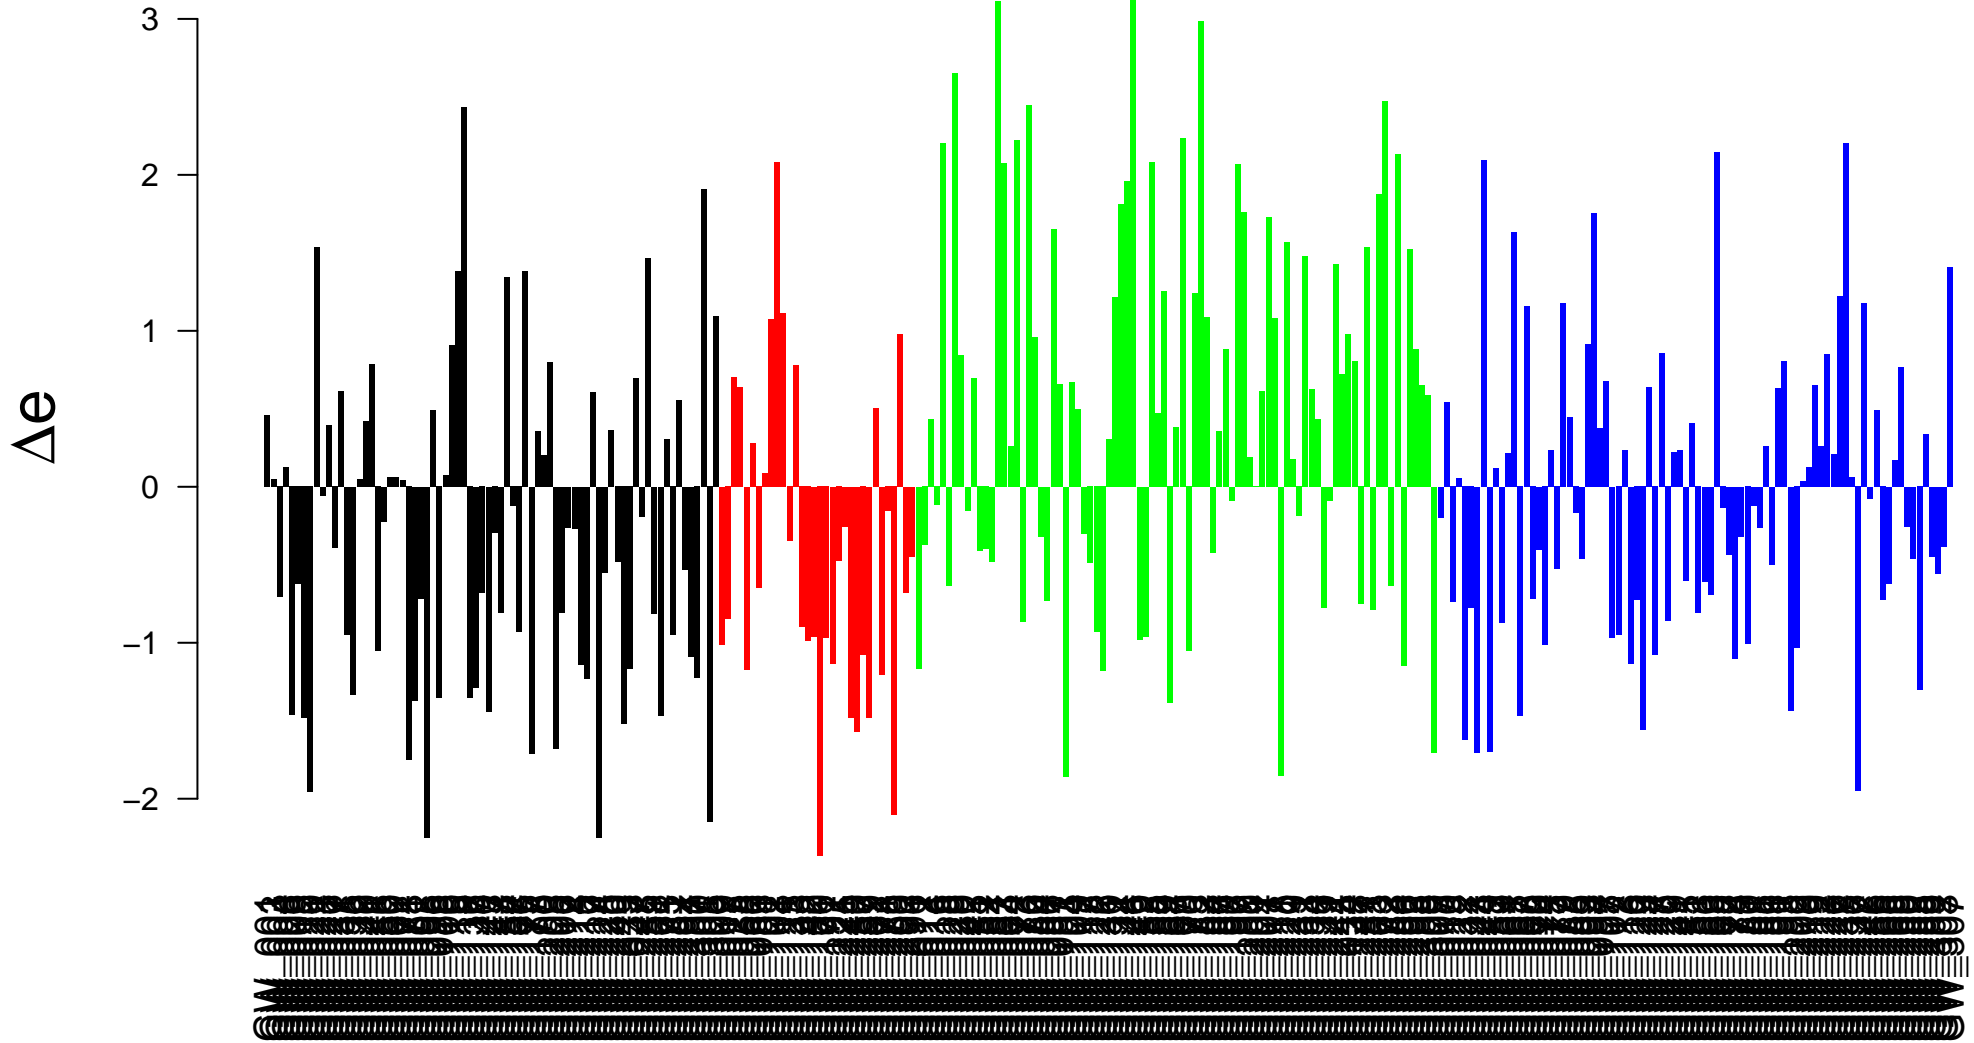

Expression of response to ATP in Spot J

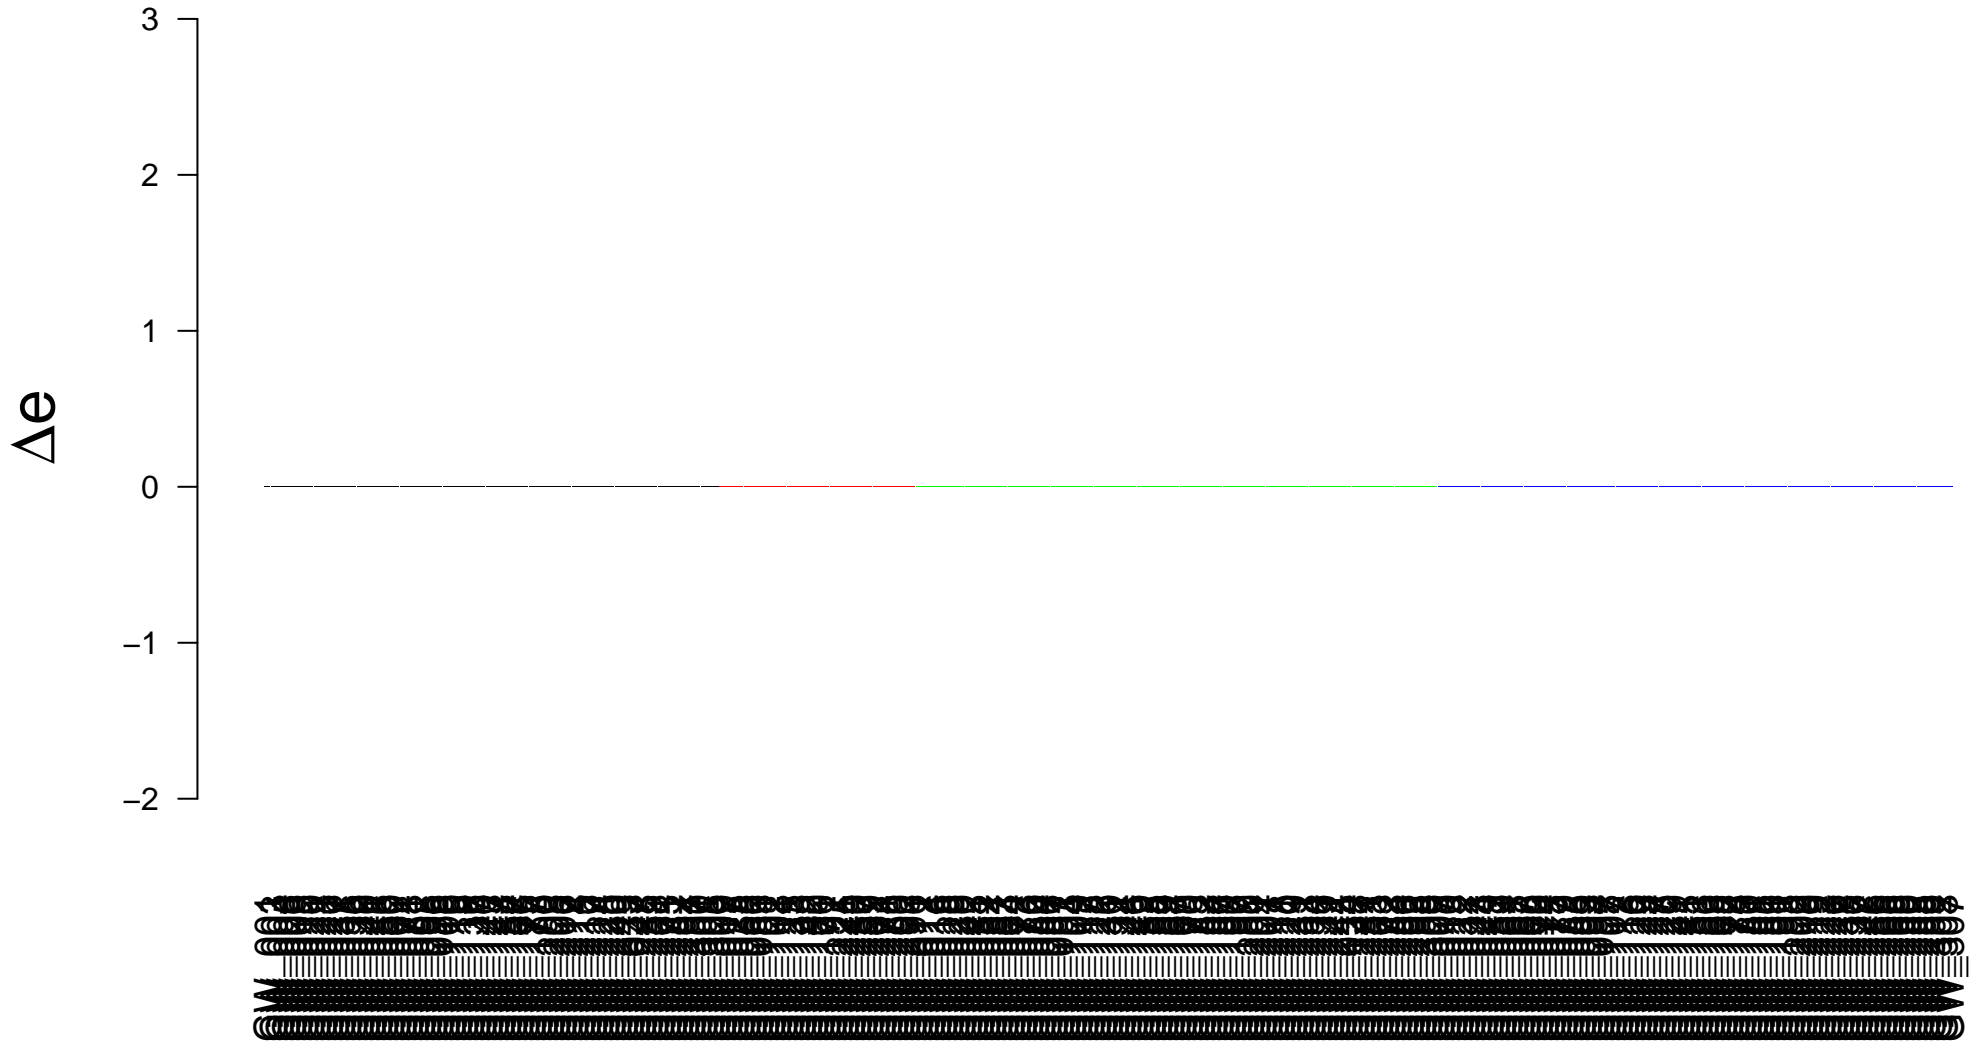

Expression of response to ATP in Spot K

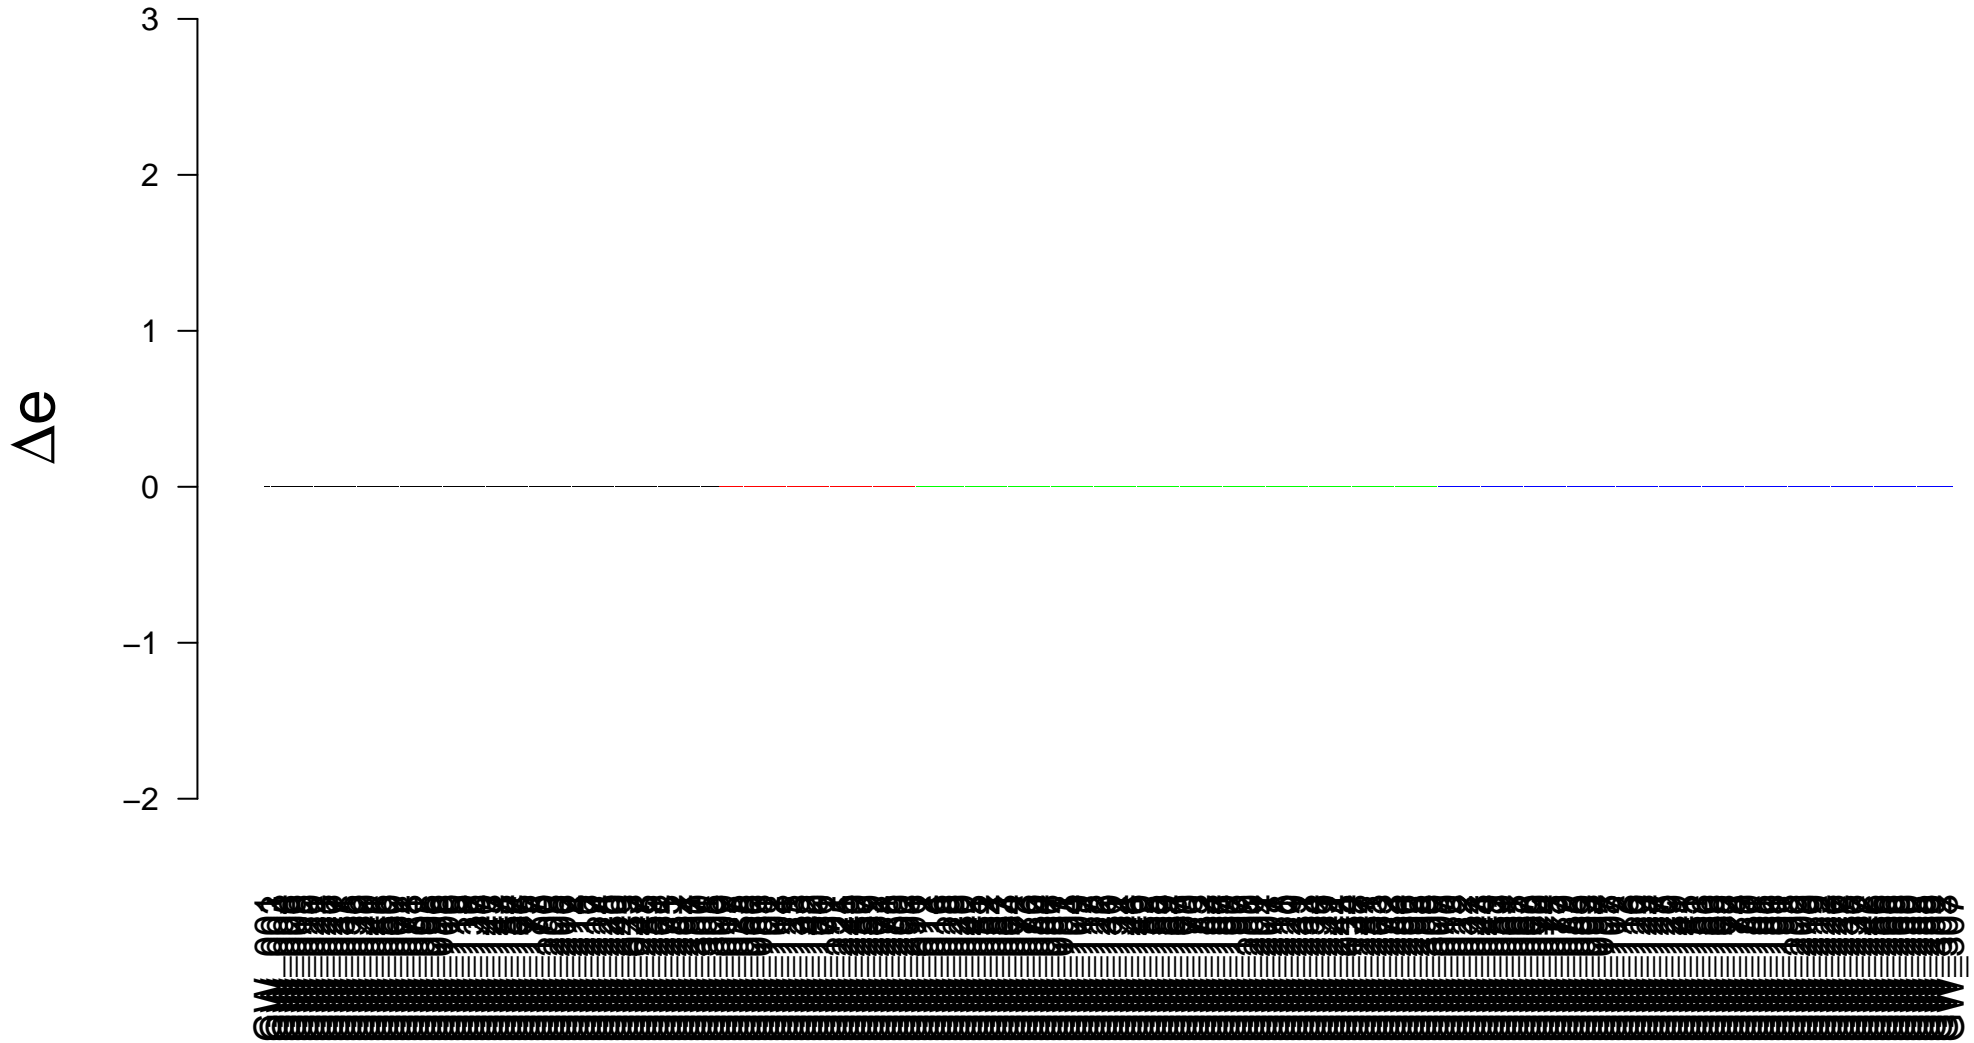

Expression of response to ATP in Spot L

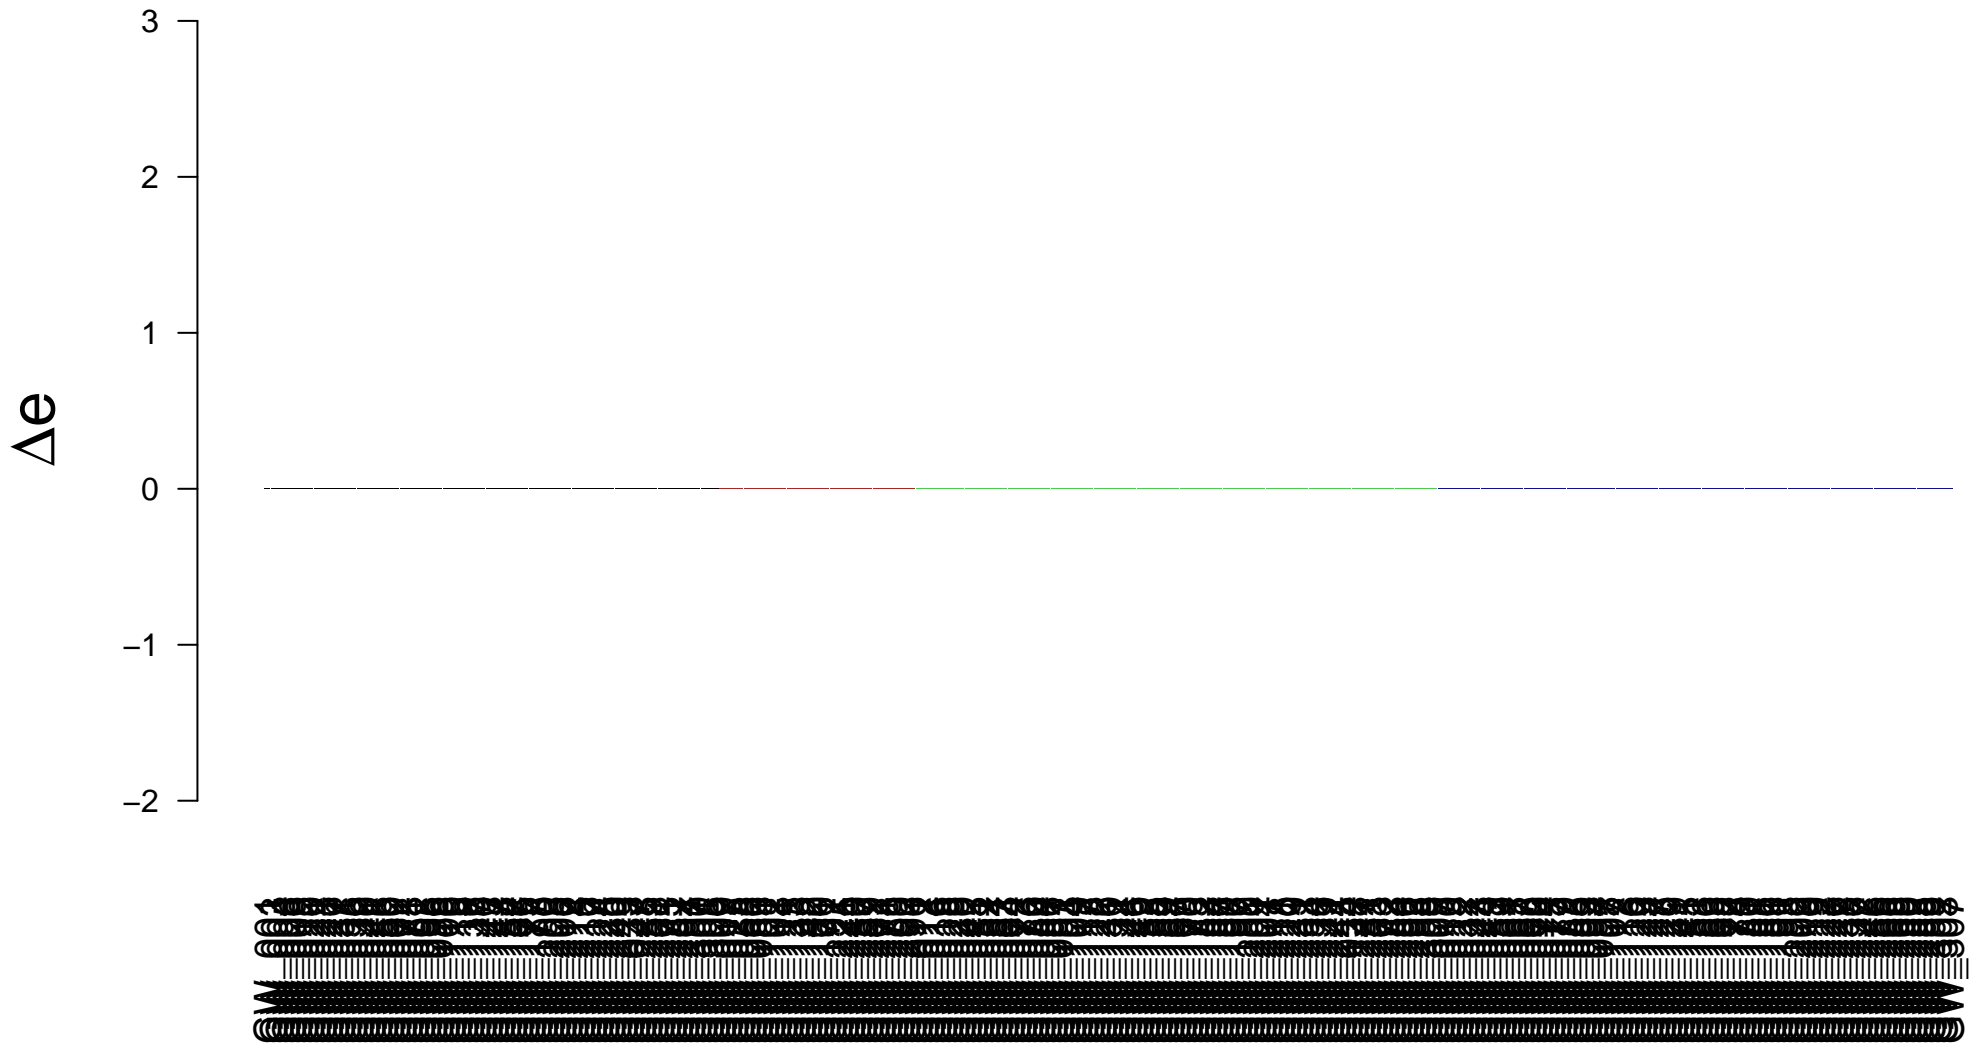

Expression of response to ATP in Spot M

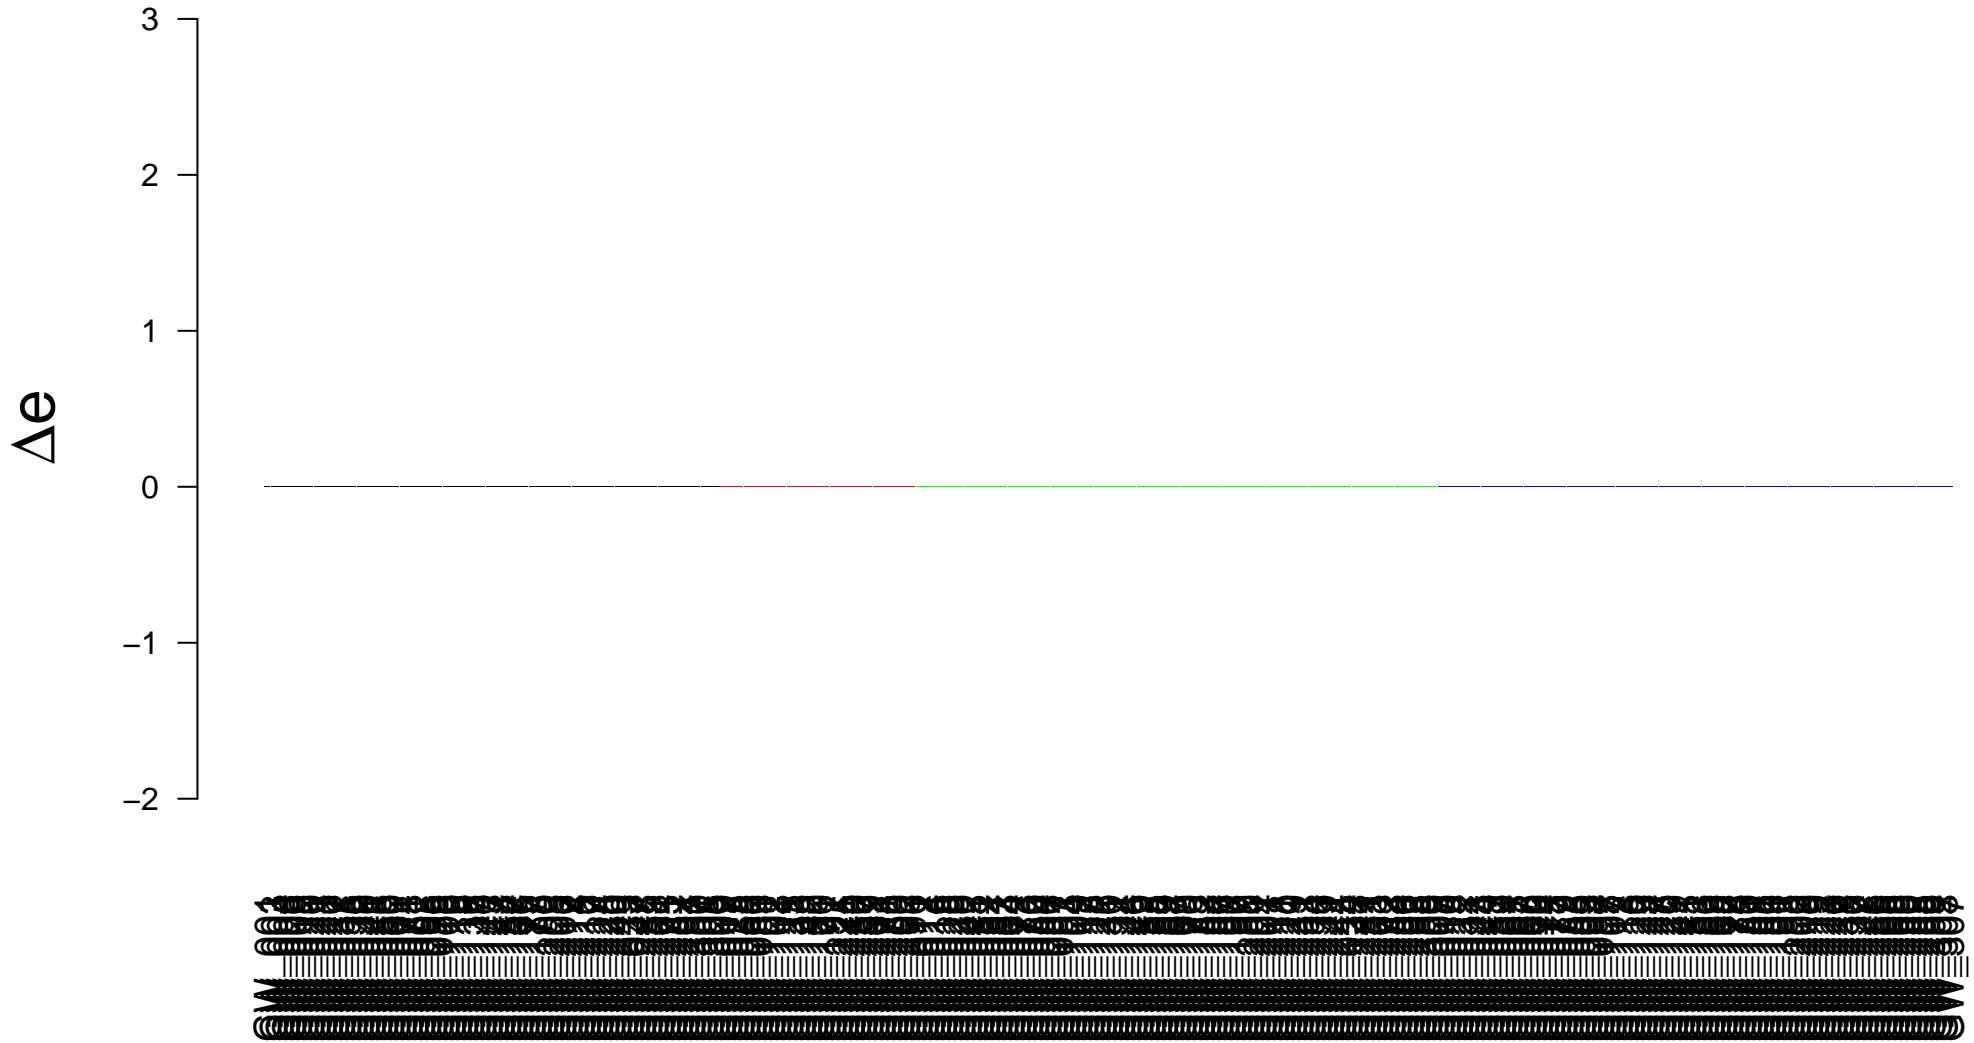

Expression of response to ATP in Spot N

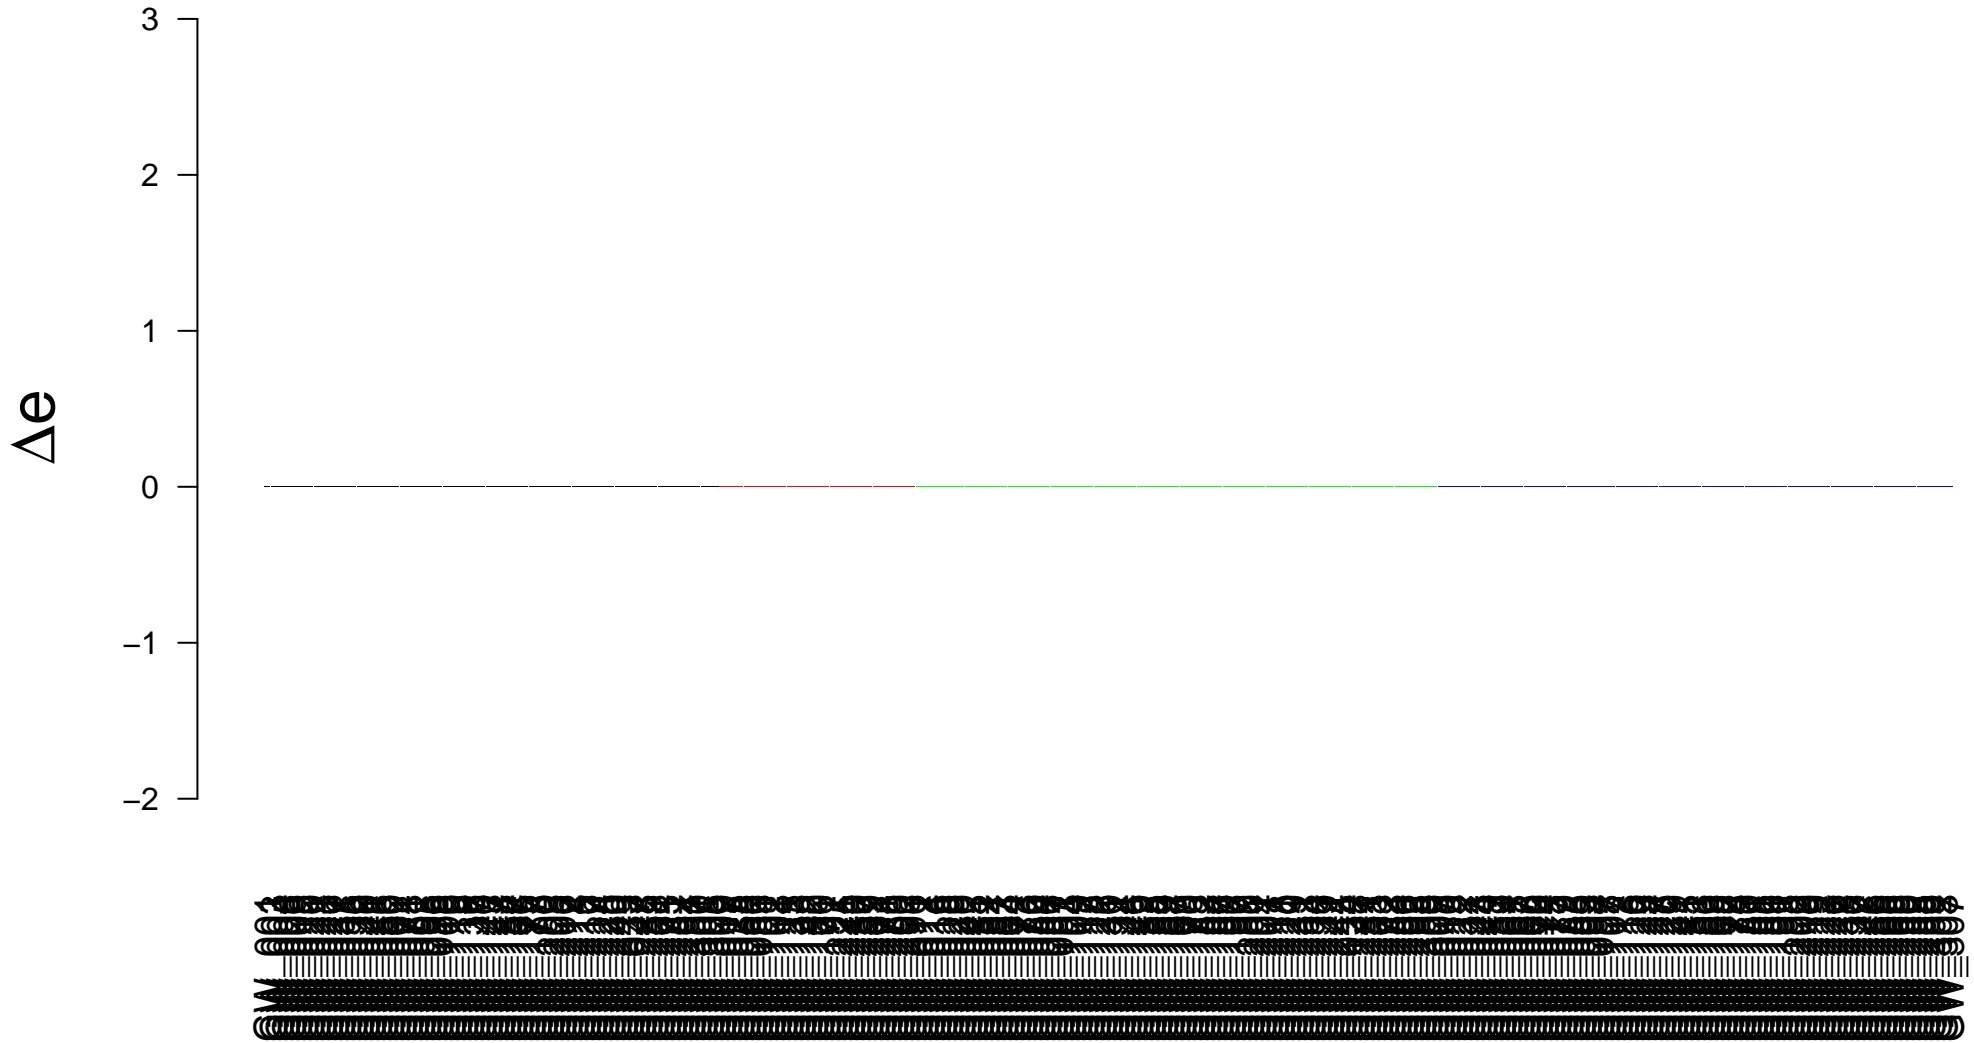

Expression of response to ATP in Spot O

Expression of response to ATP in Spot P

Expression of response to ATP in Spot Q

Expression of response to ATP in Spot R
