

response to UV

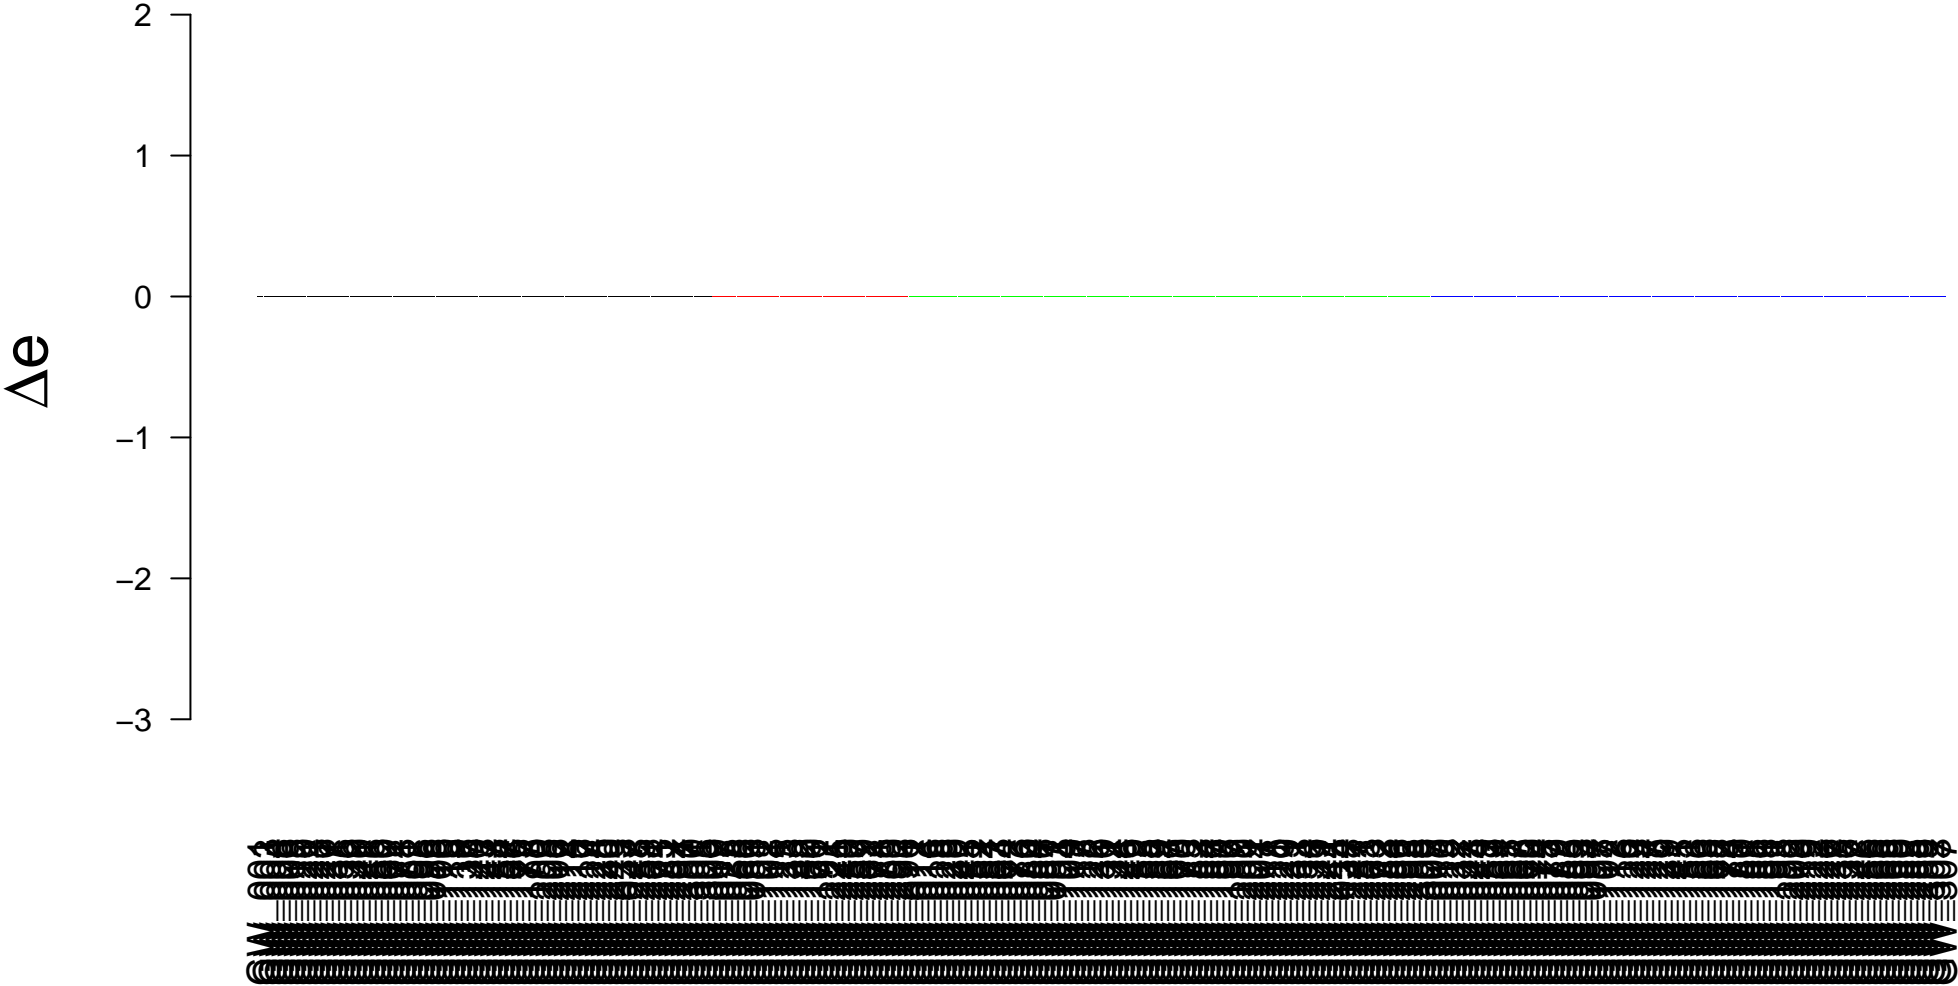

response to UV

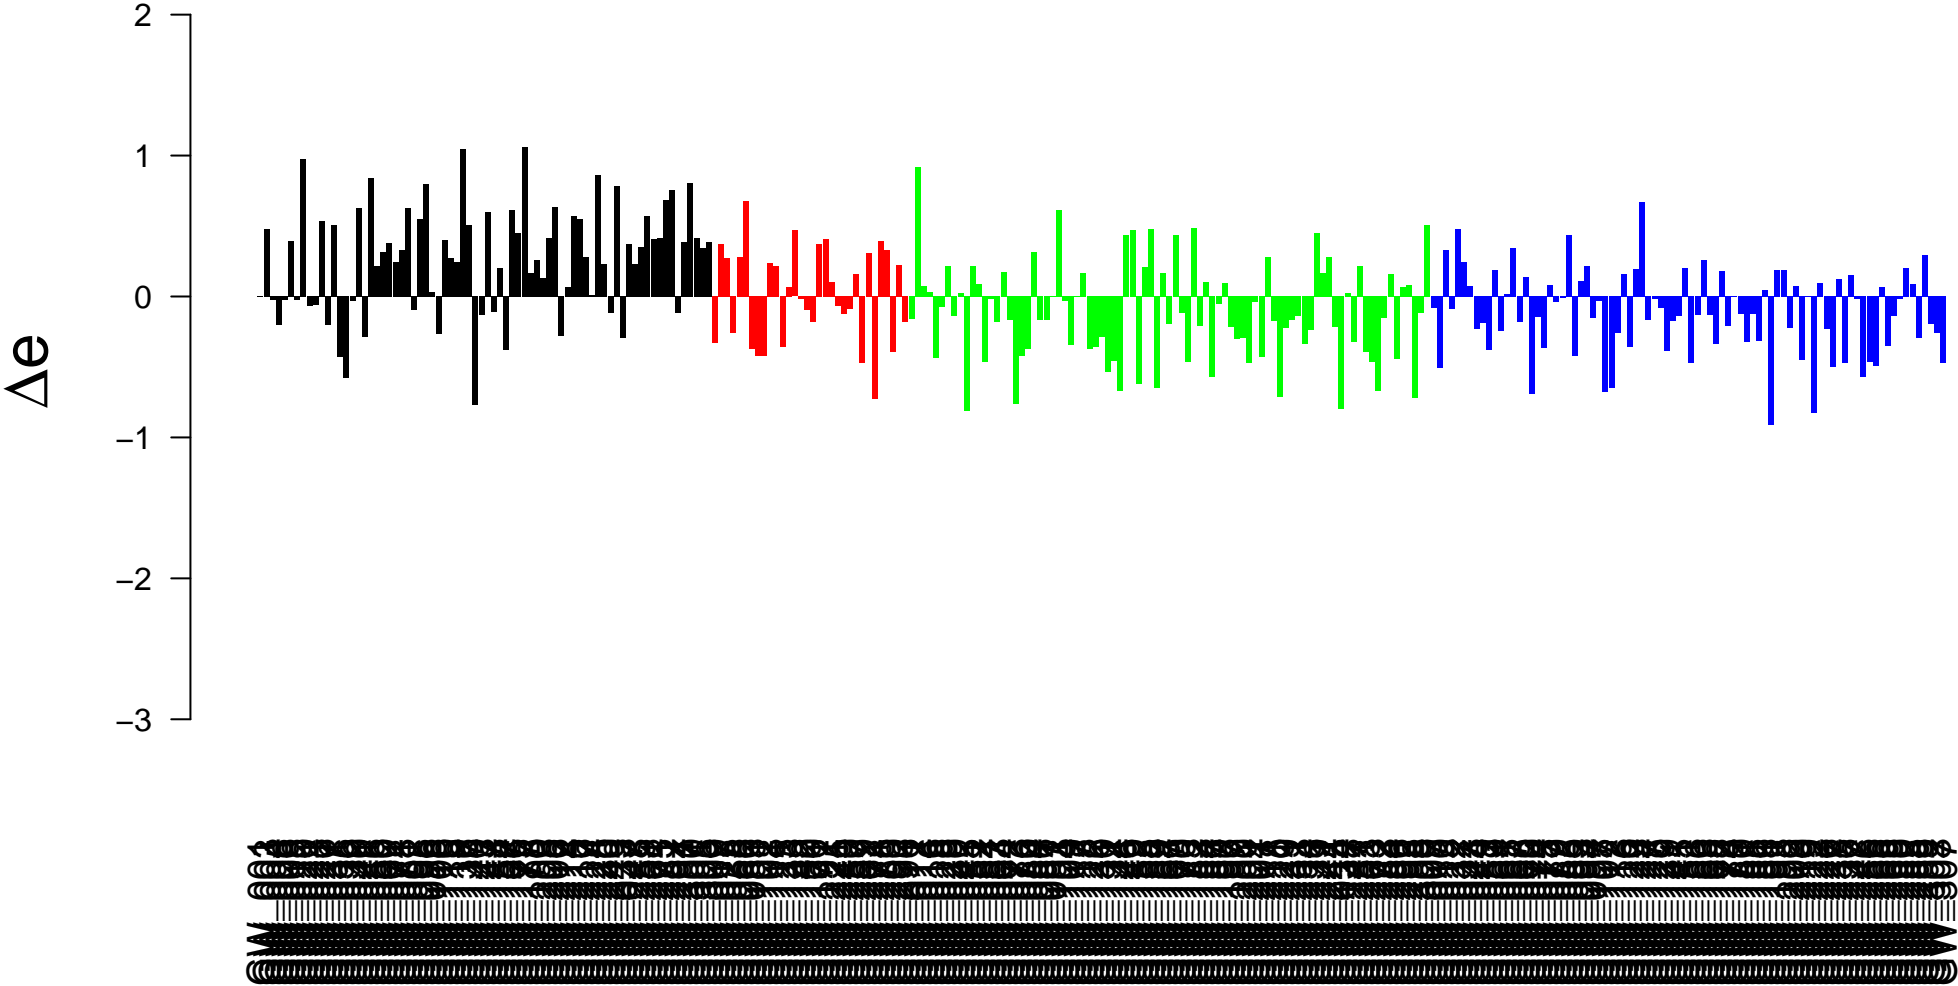

Enrichment in spots: response to UV

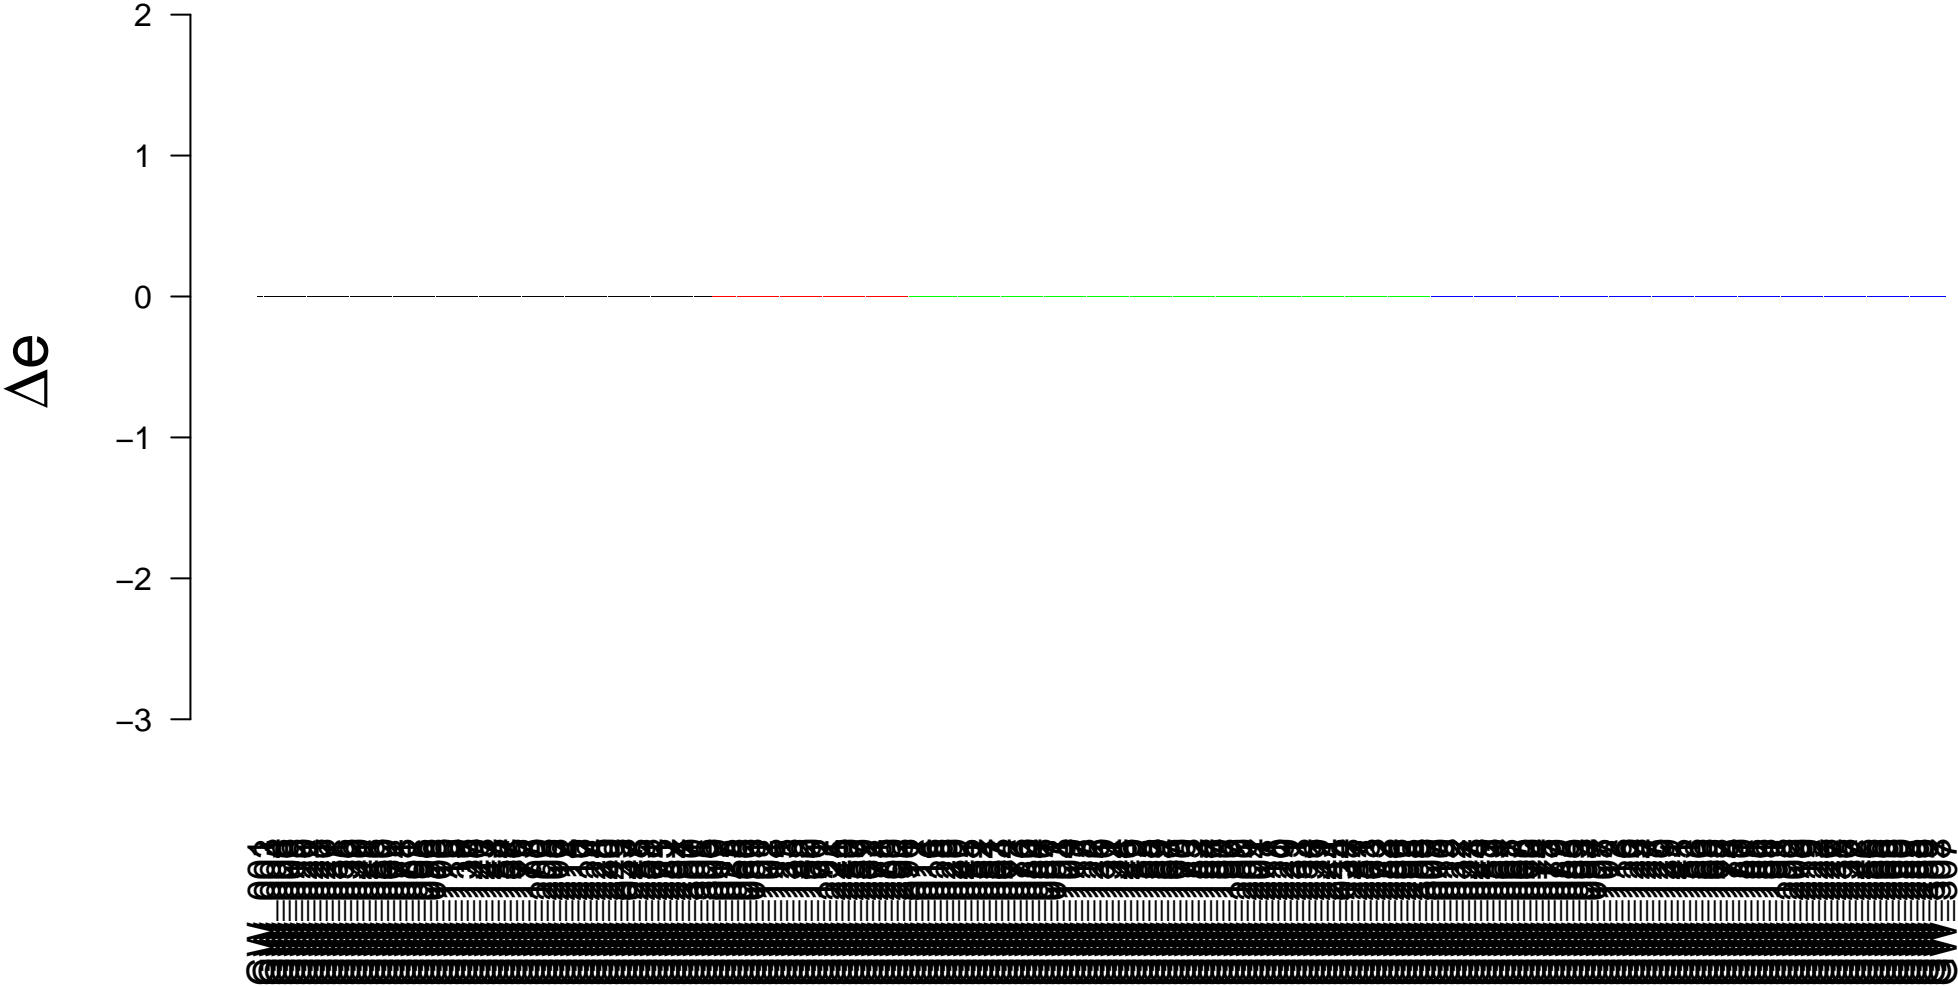

Expression of response to UV in Spot A

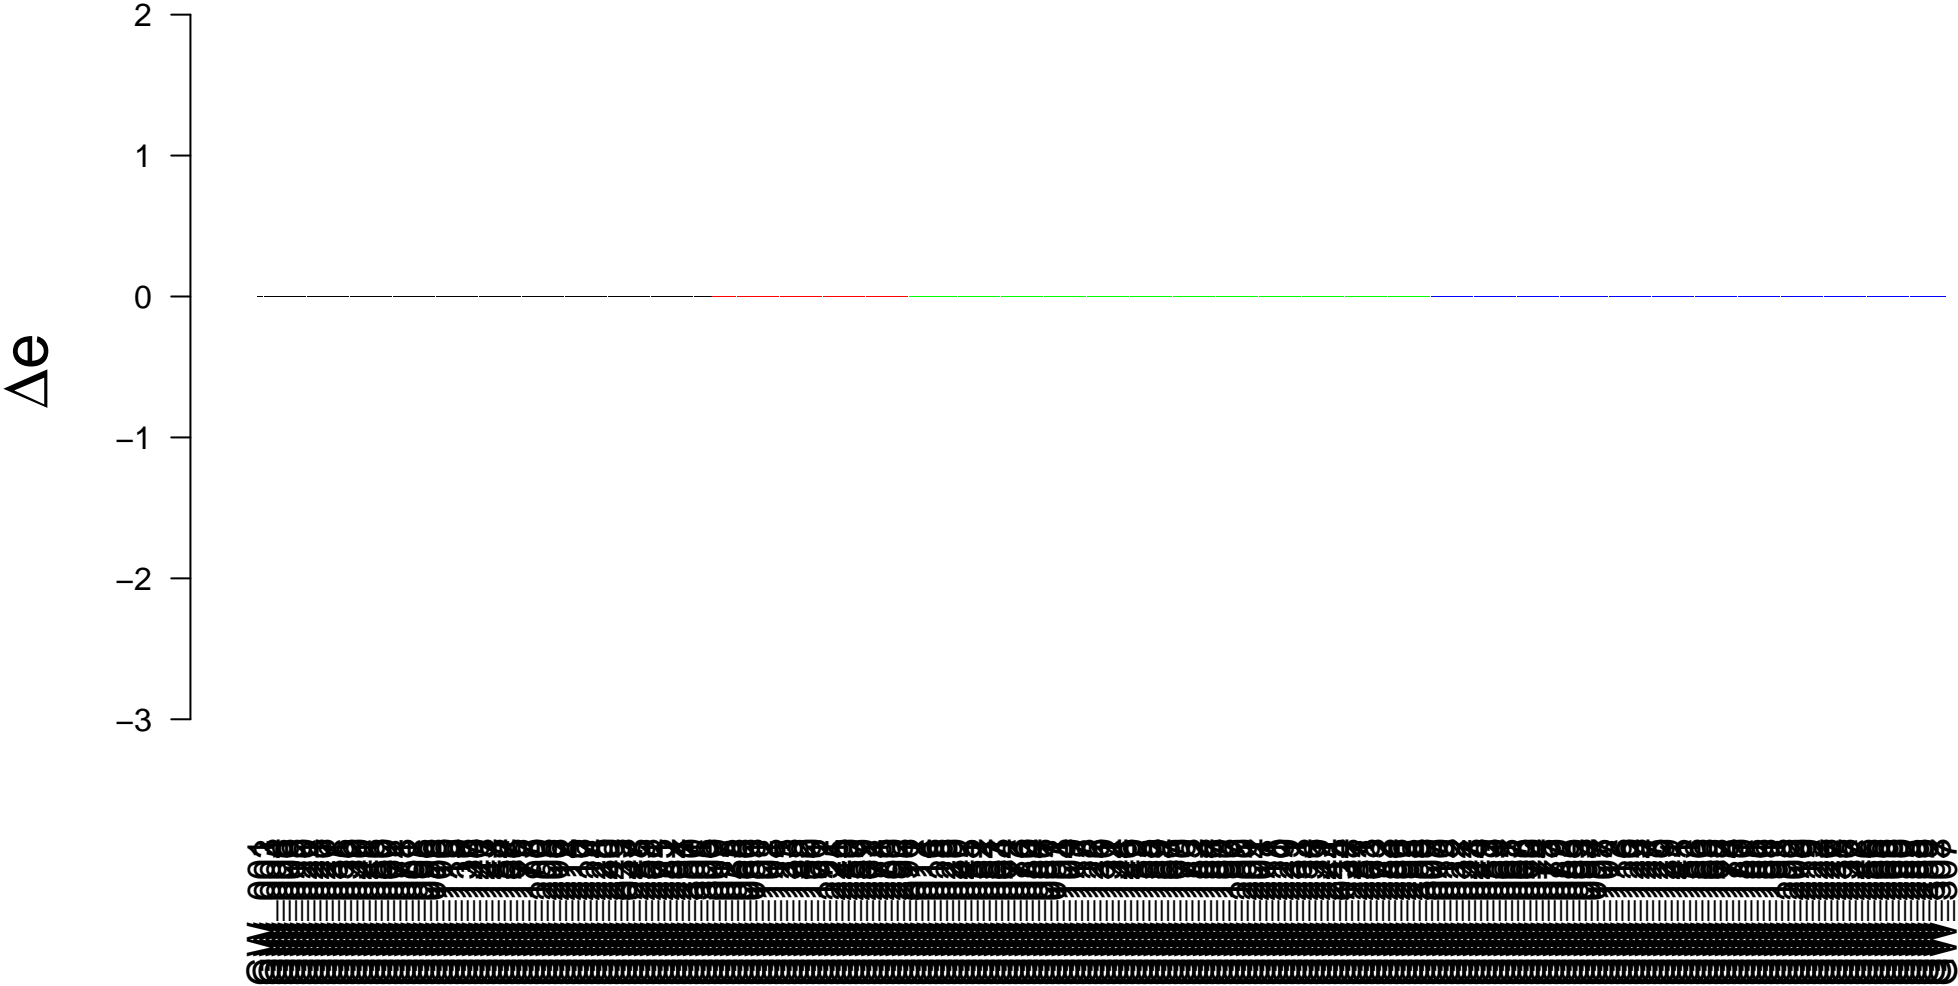

Expression of response to UV in Spot B

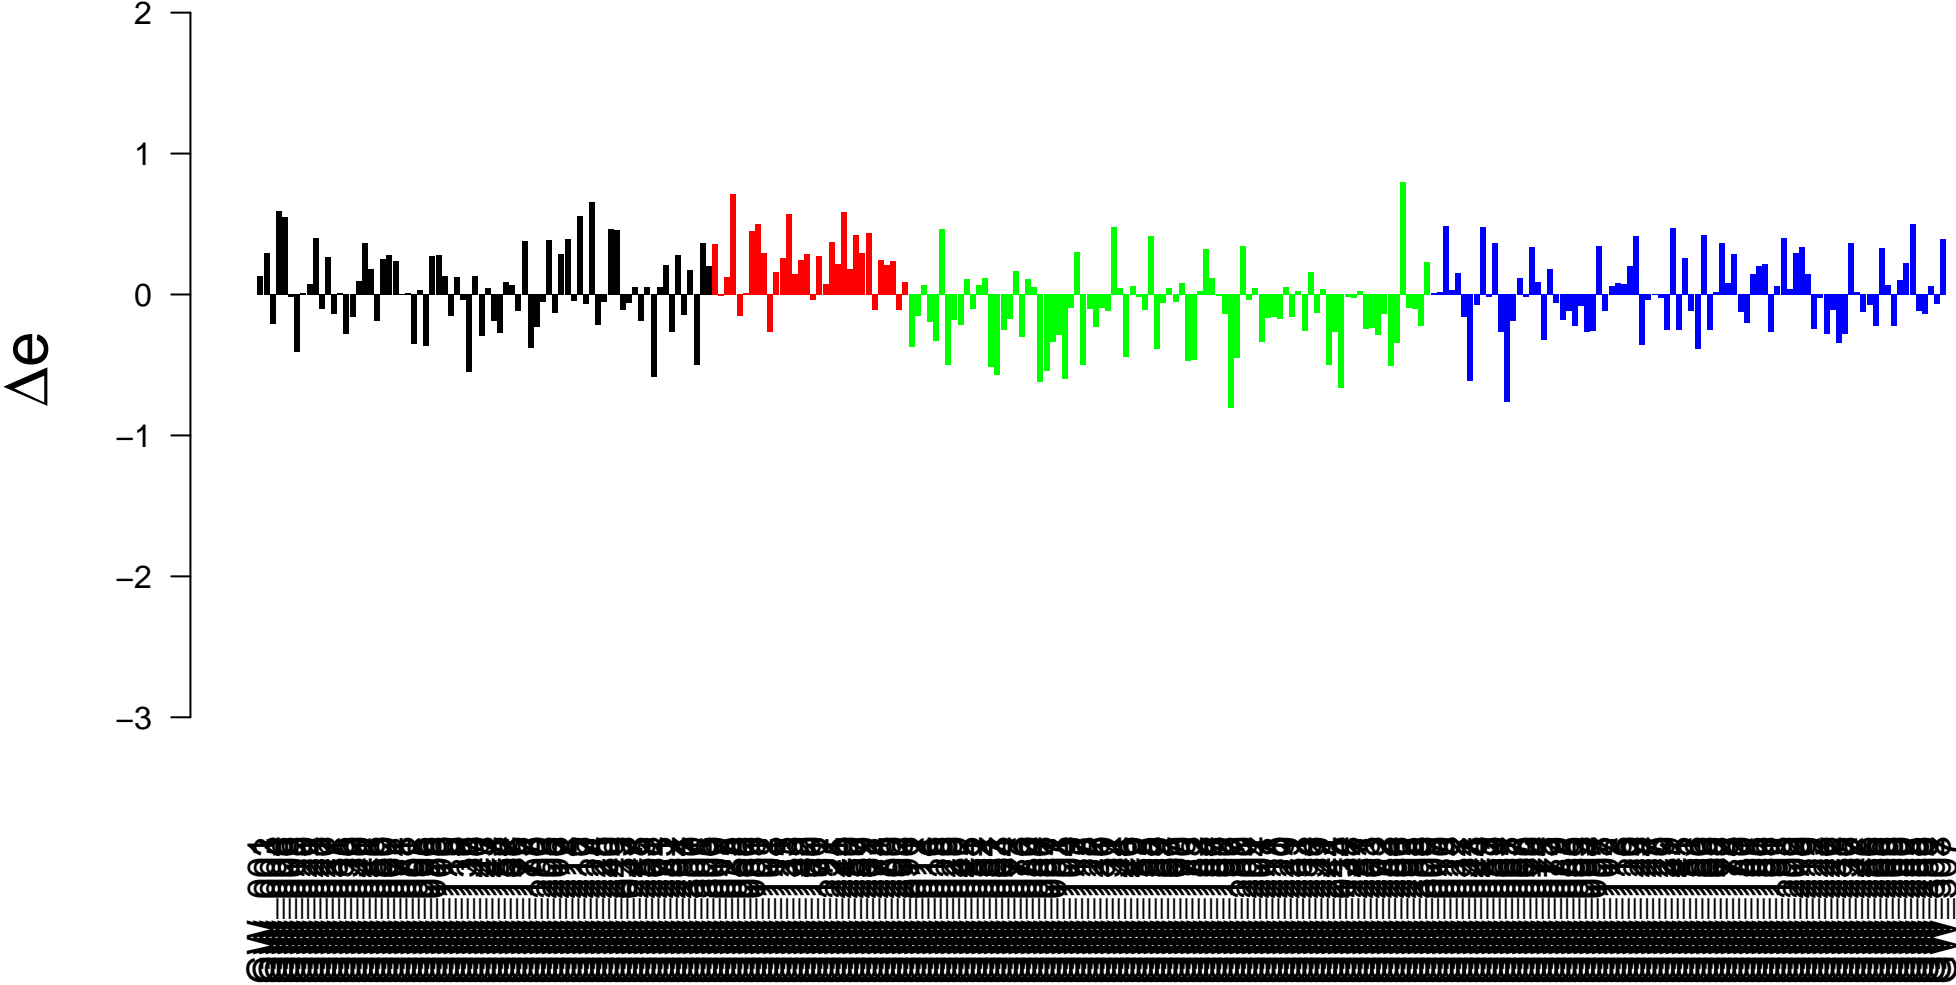

Expression of response to UV in Spot C

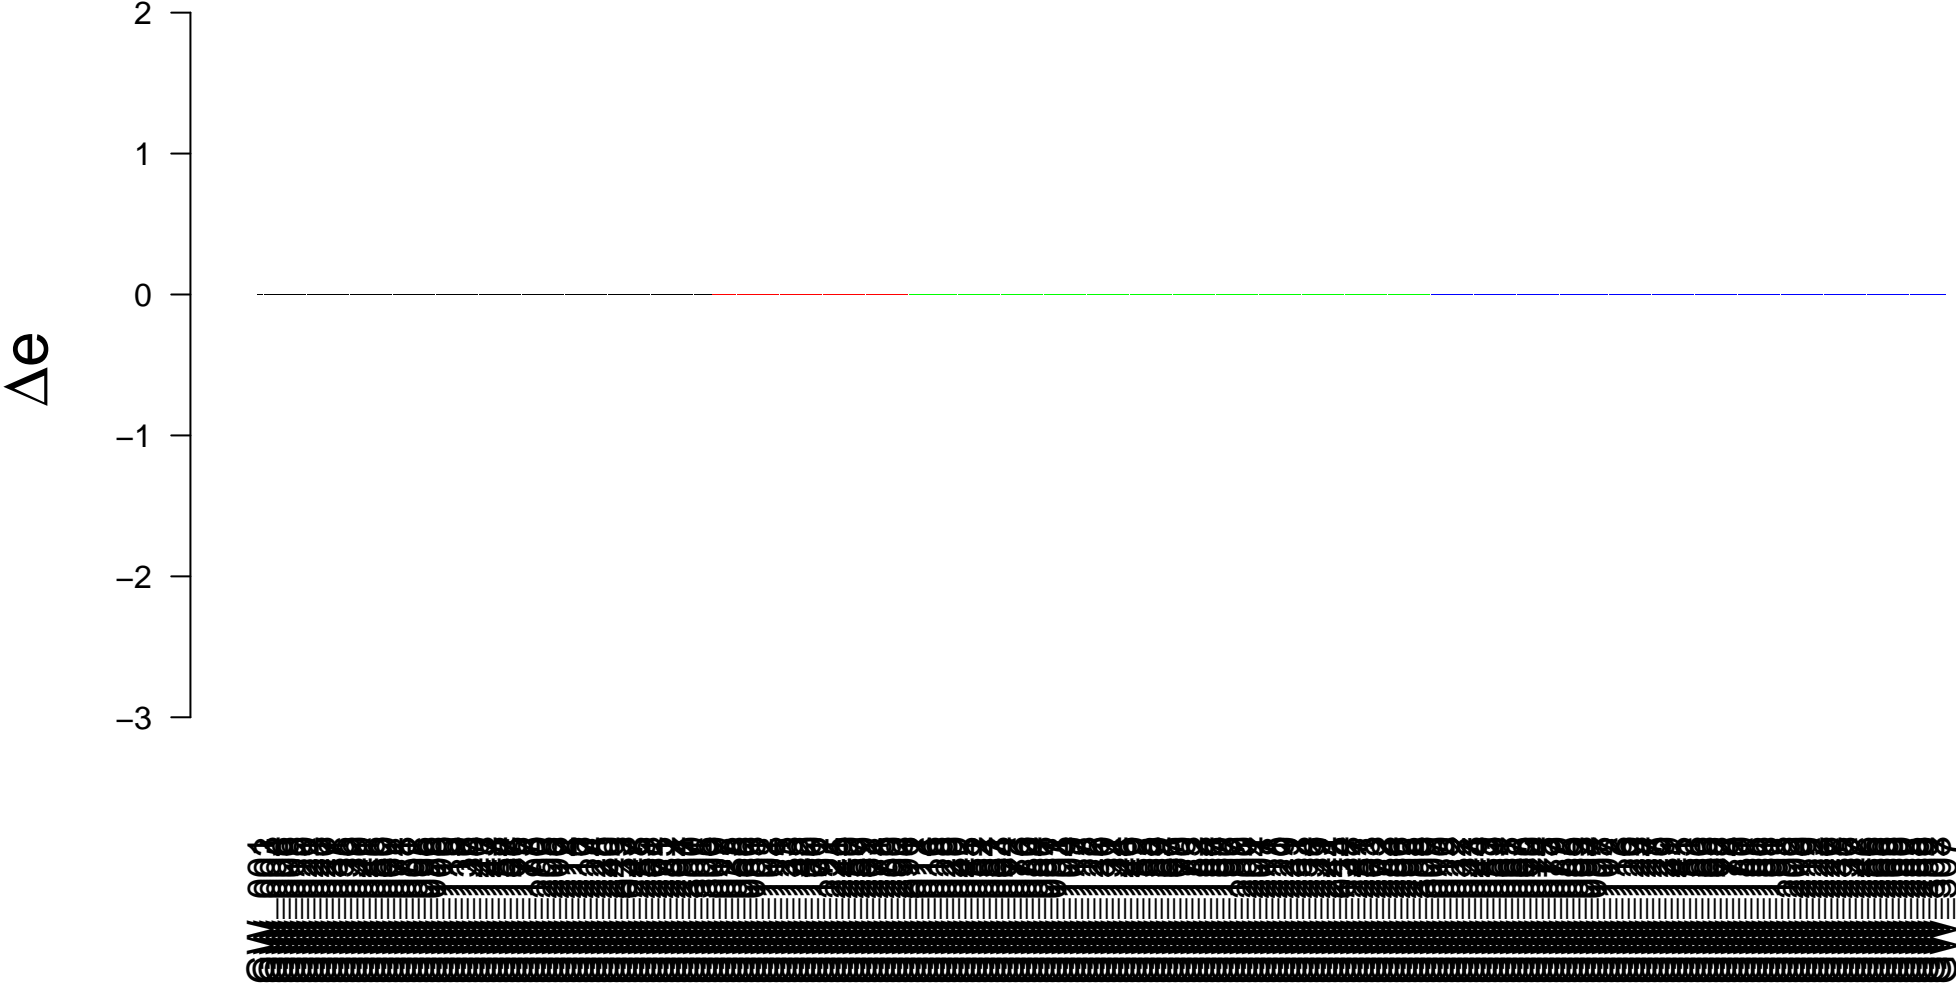

Expression of response to UV in Spot D

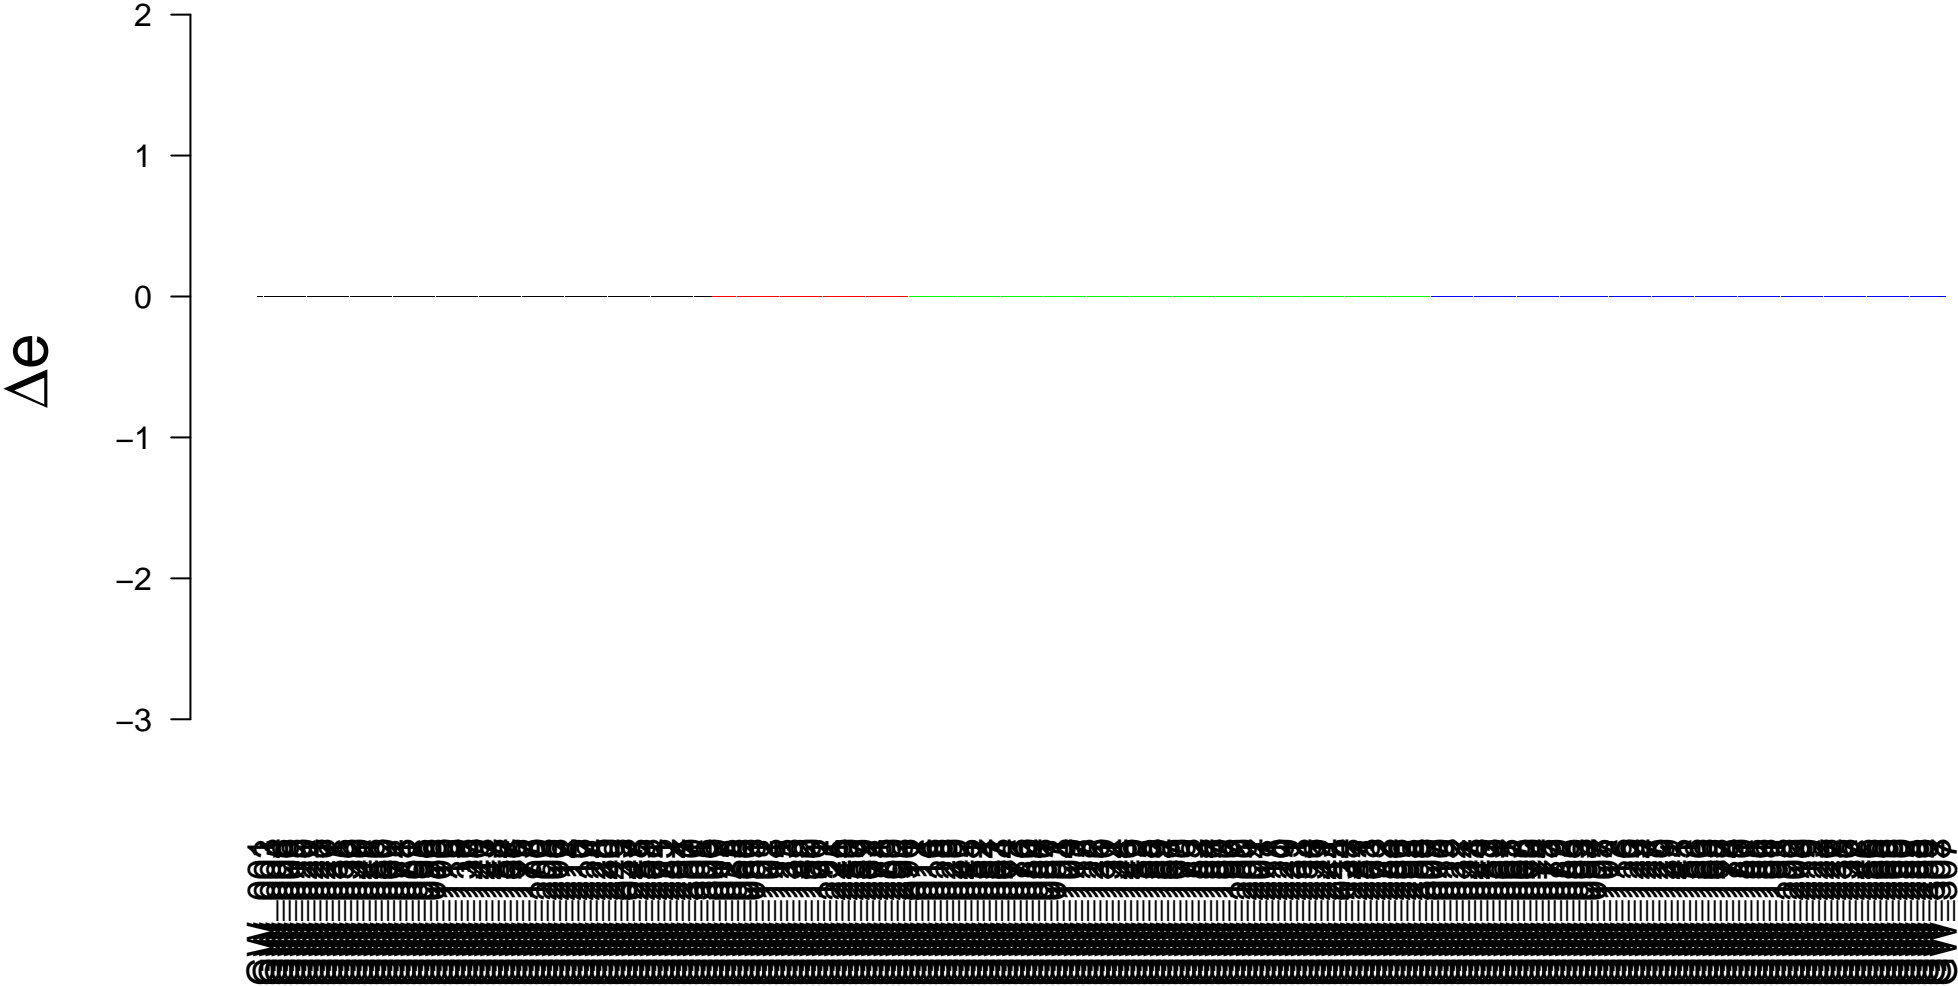

Expression of response to UV in Spot E

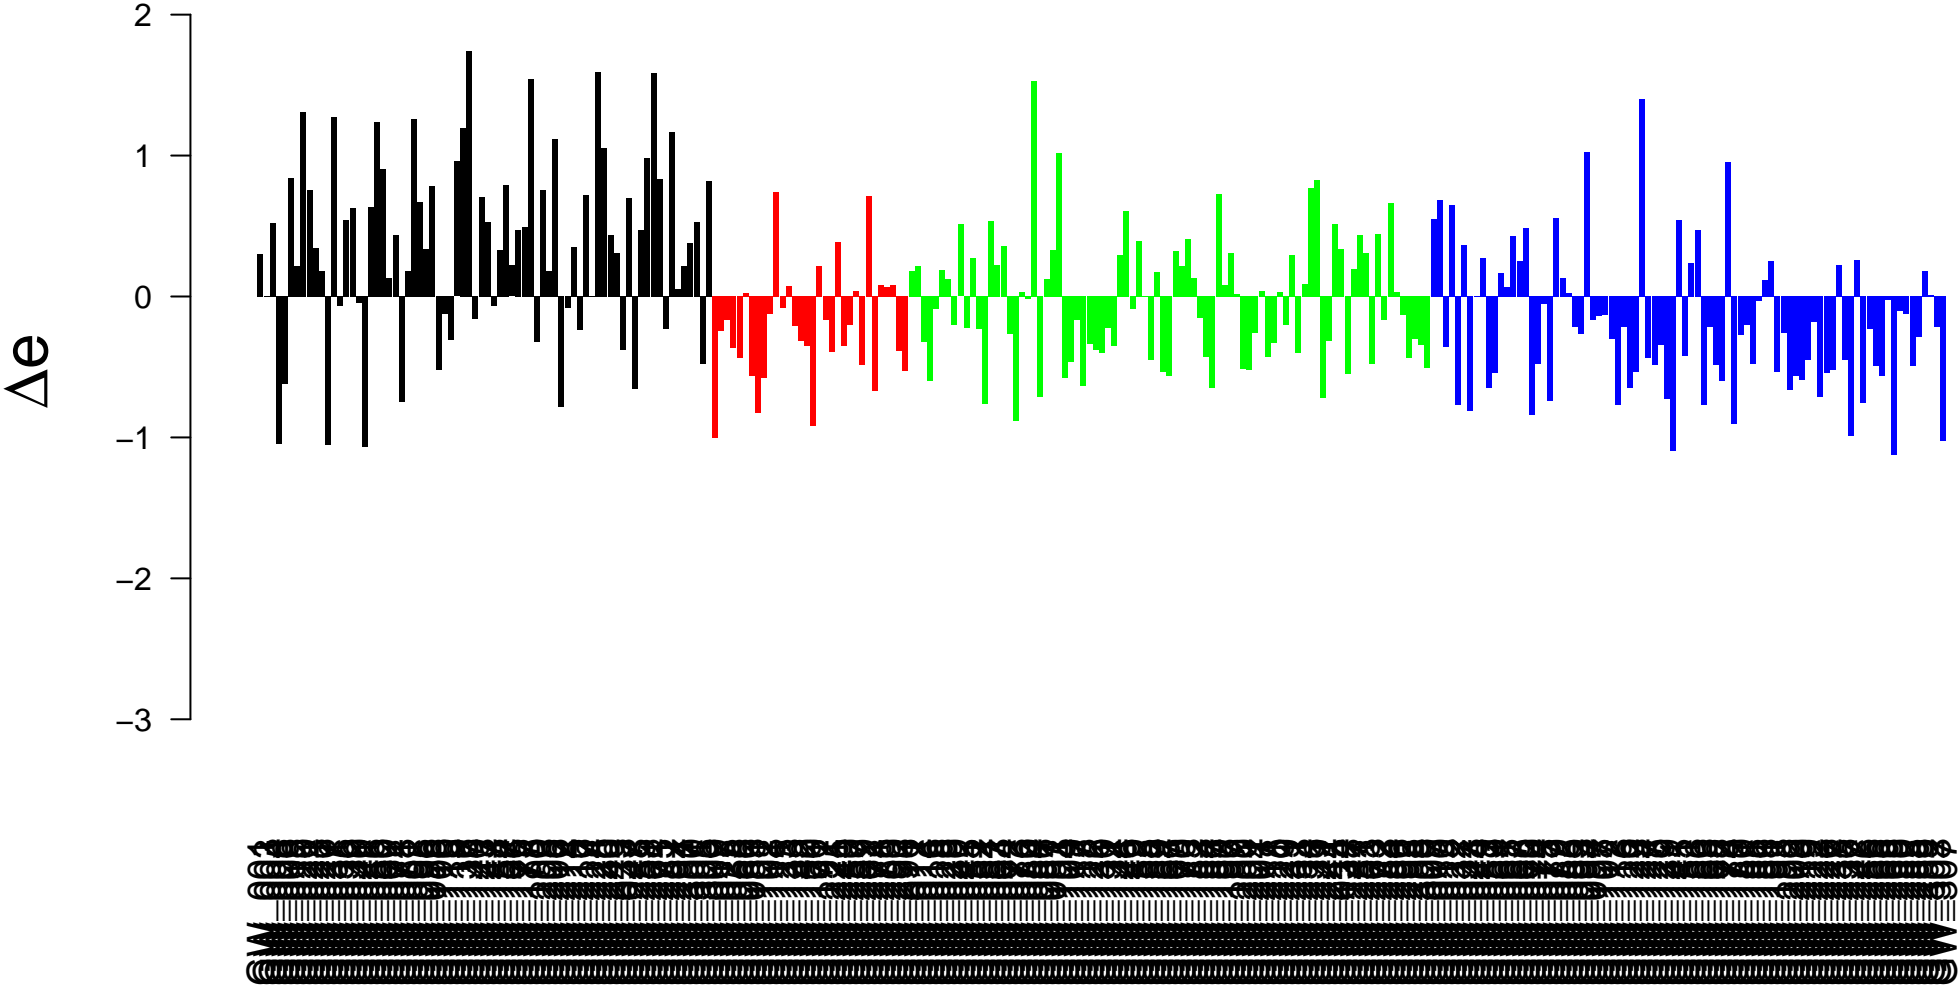

Expression of response to UV in Spot F

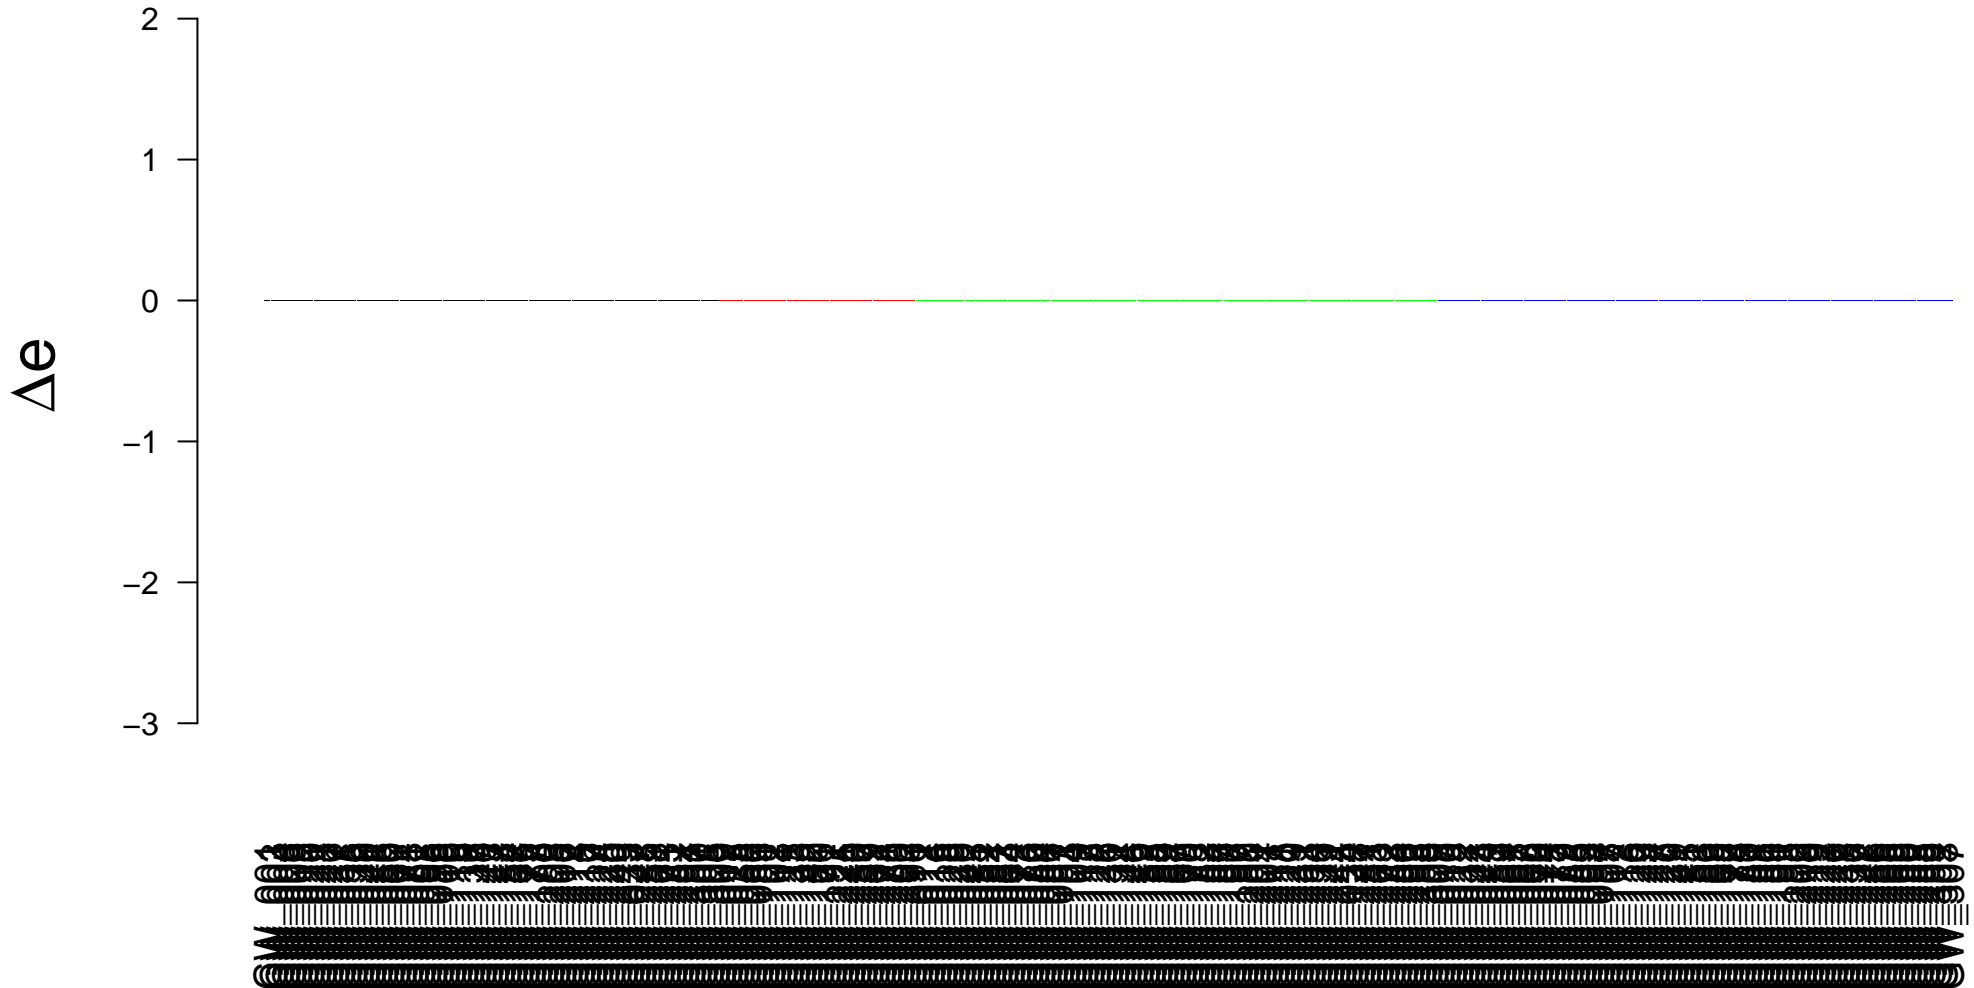

Expression of response to UV in Spot G

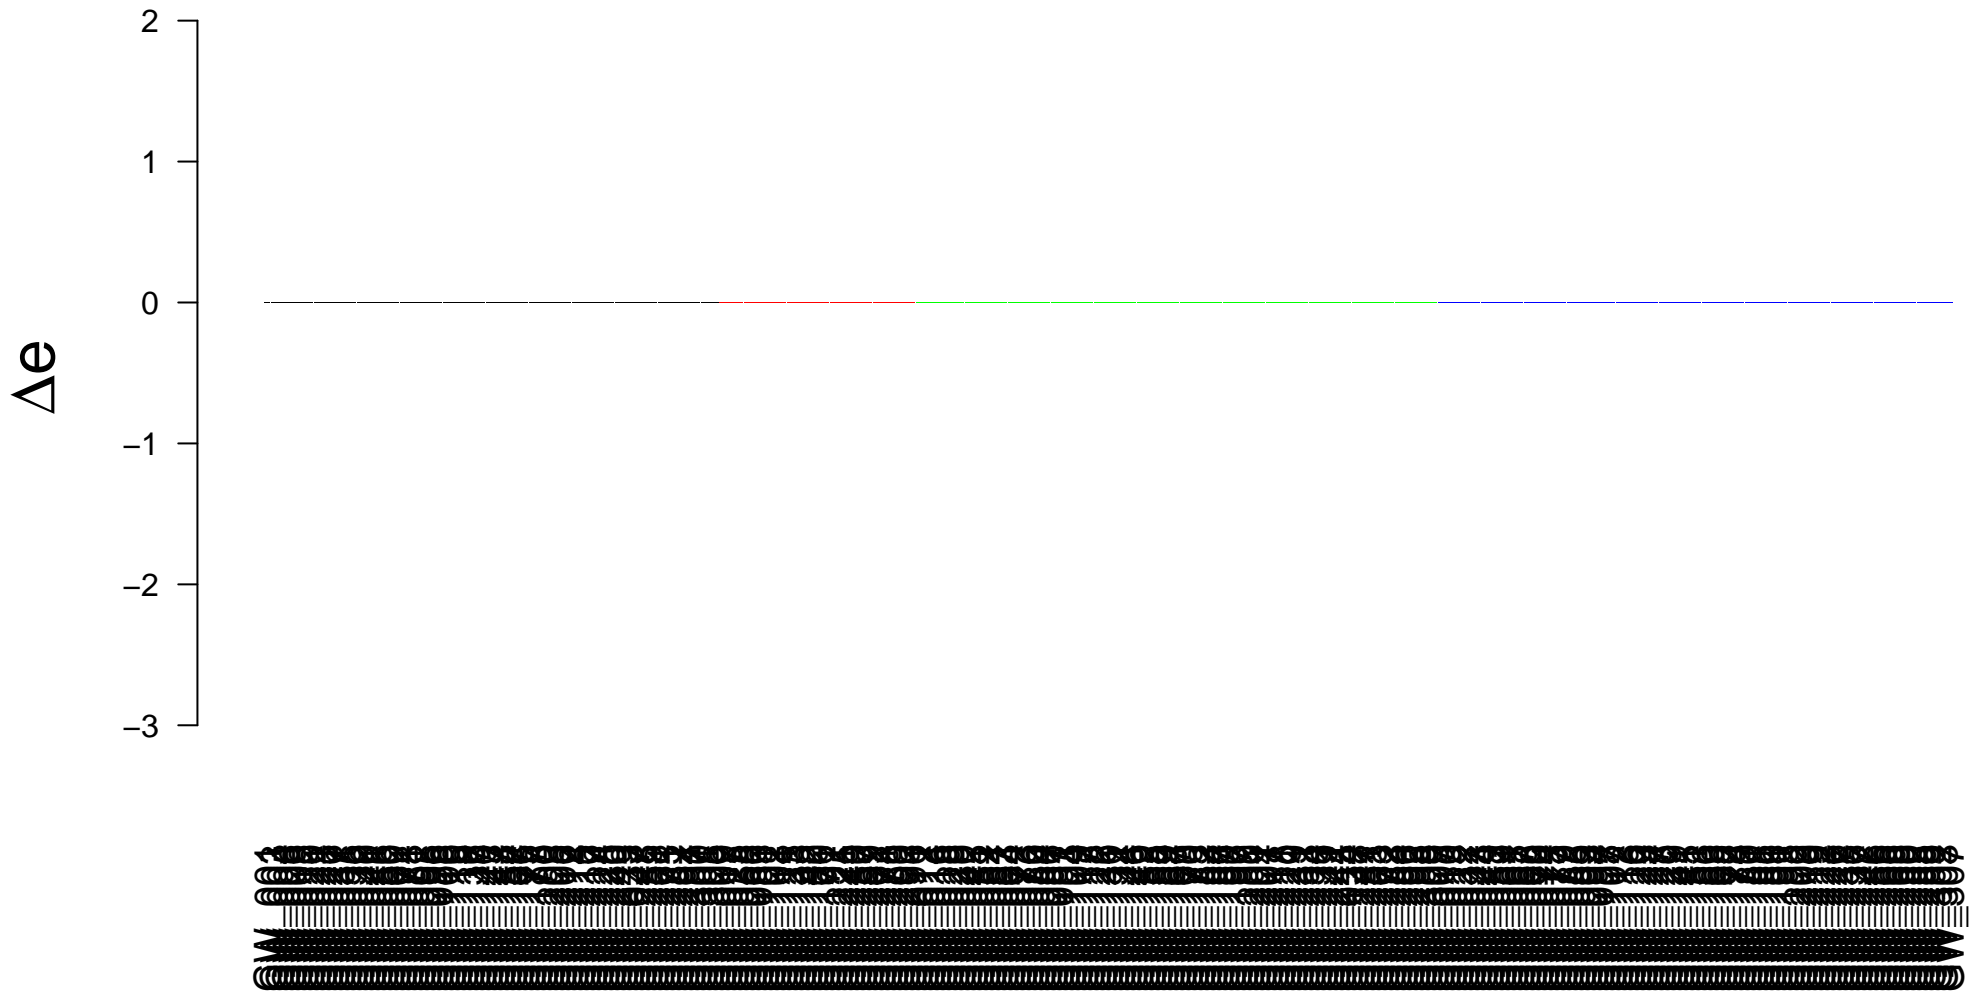

Expression of response to UV in Spot H

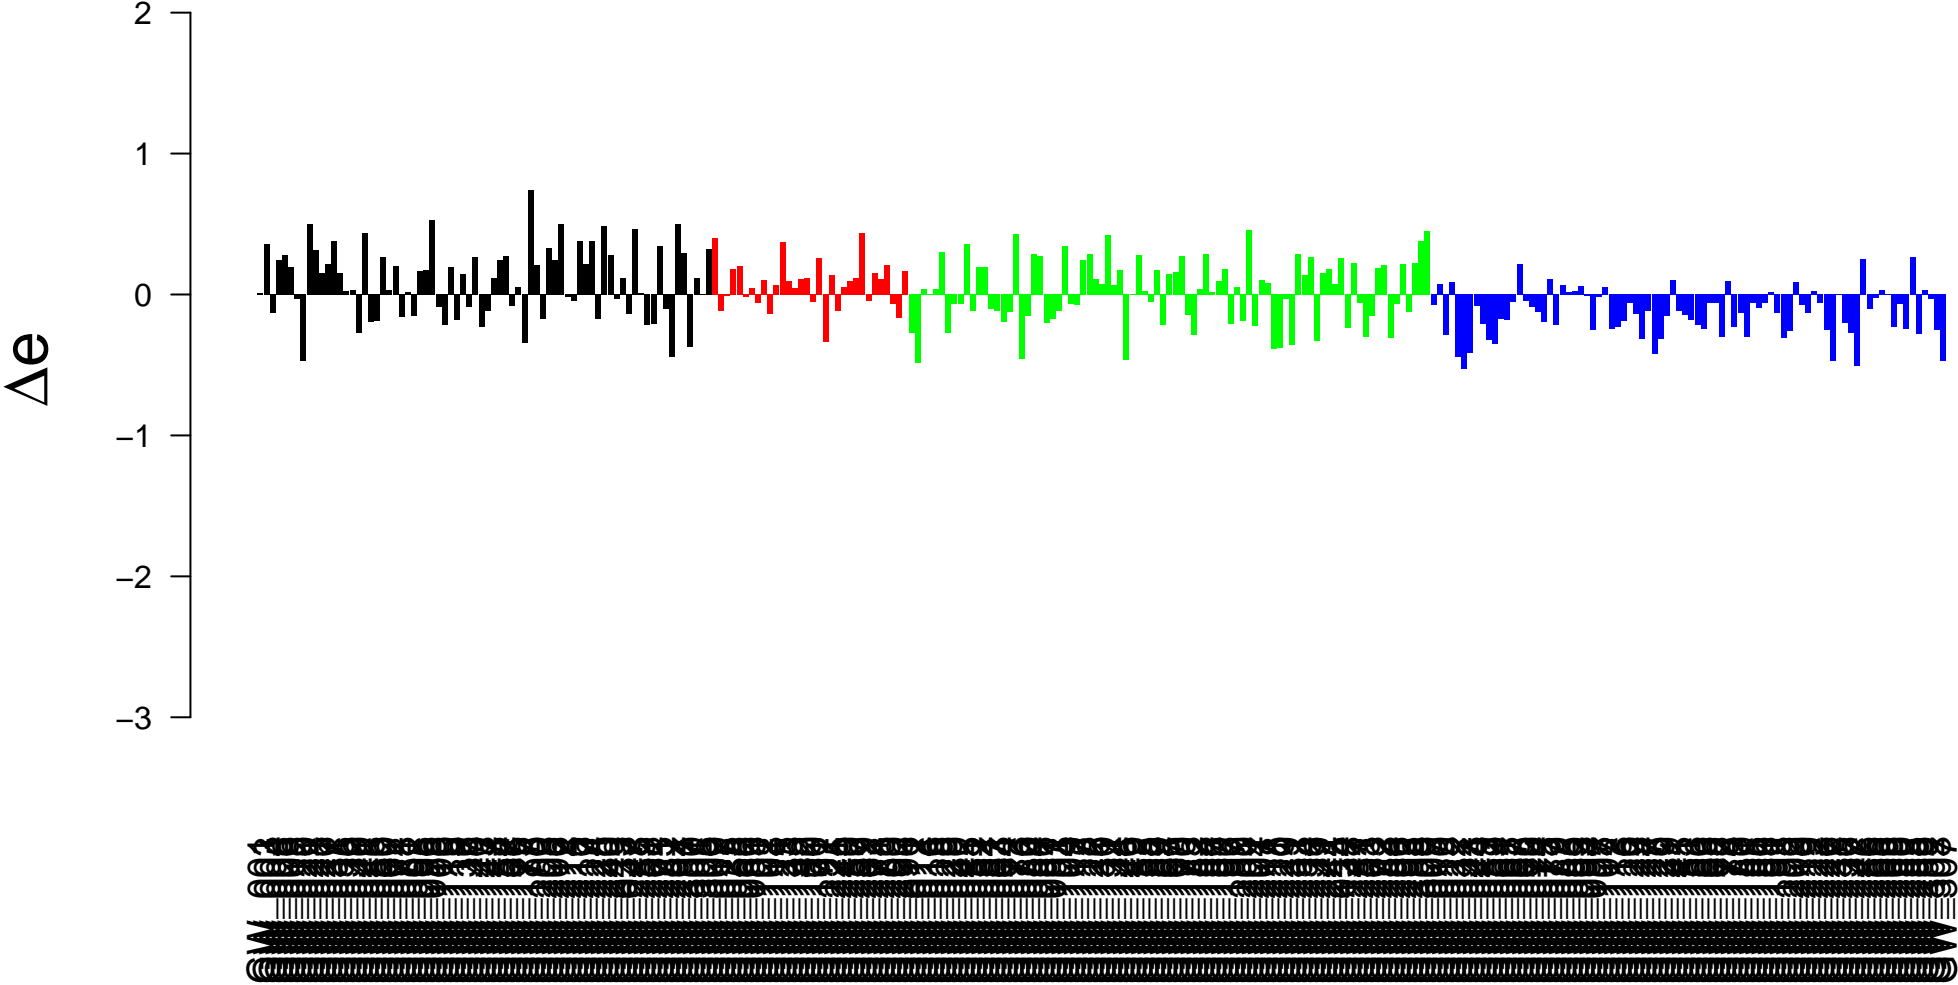

Expression of response to UV in Spot I

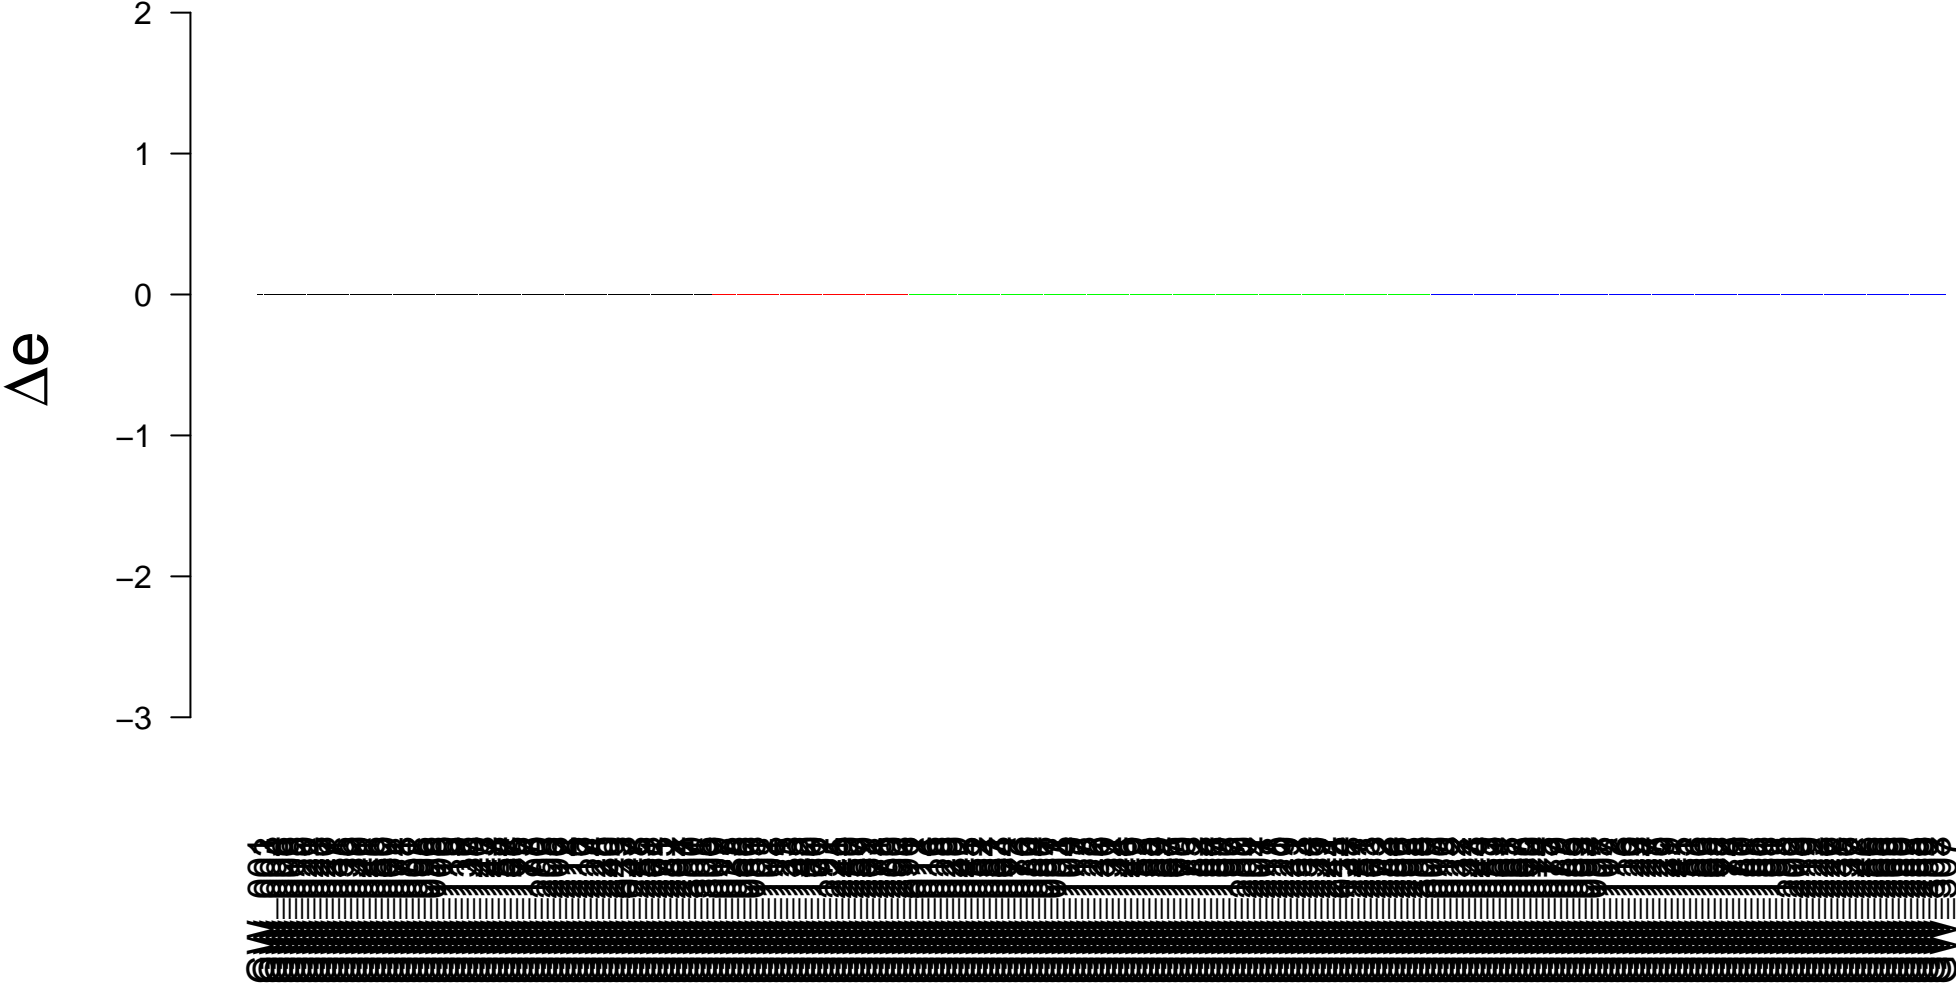

Expression of response to UV in Spot J

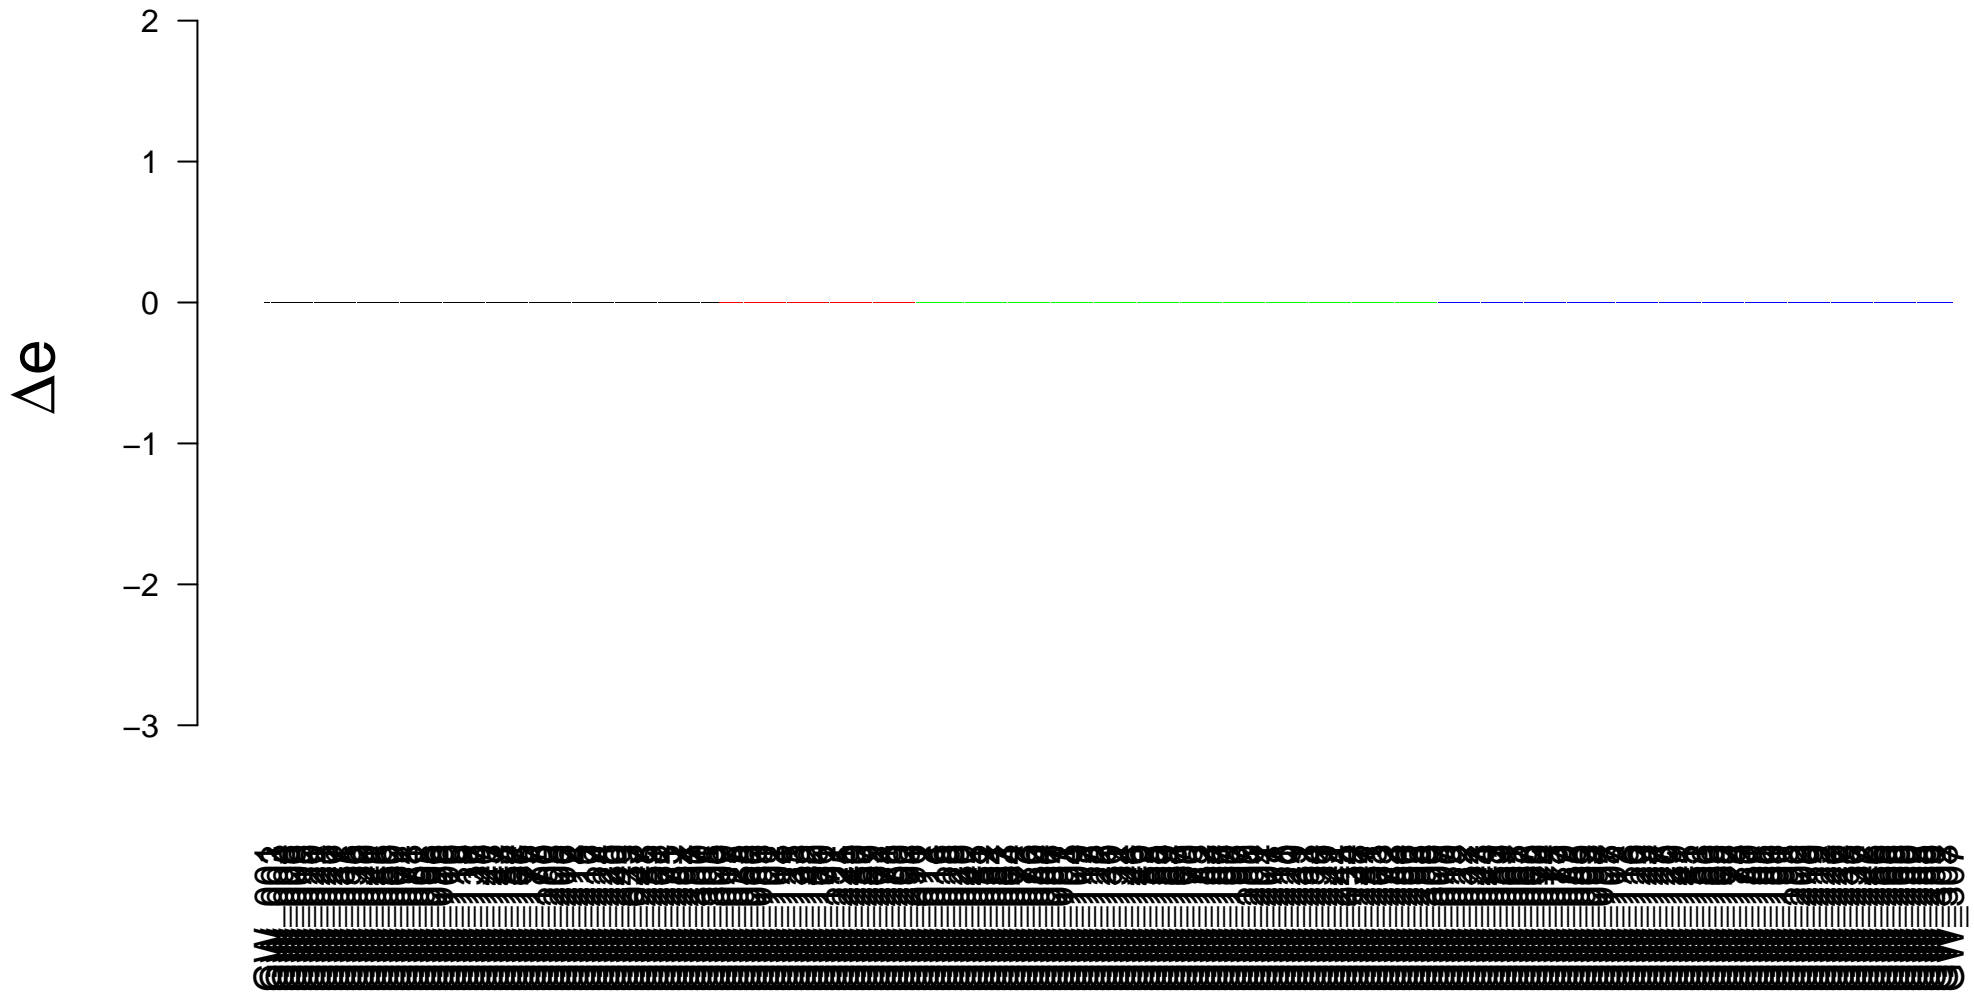

Expression of response to UV in Spot K

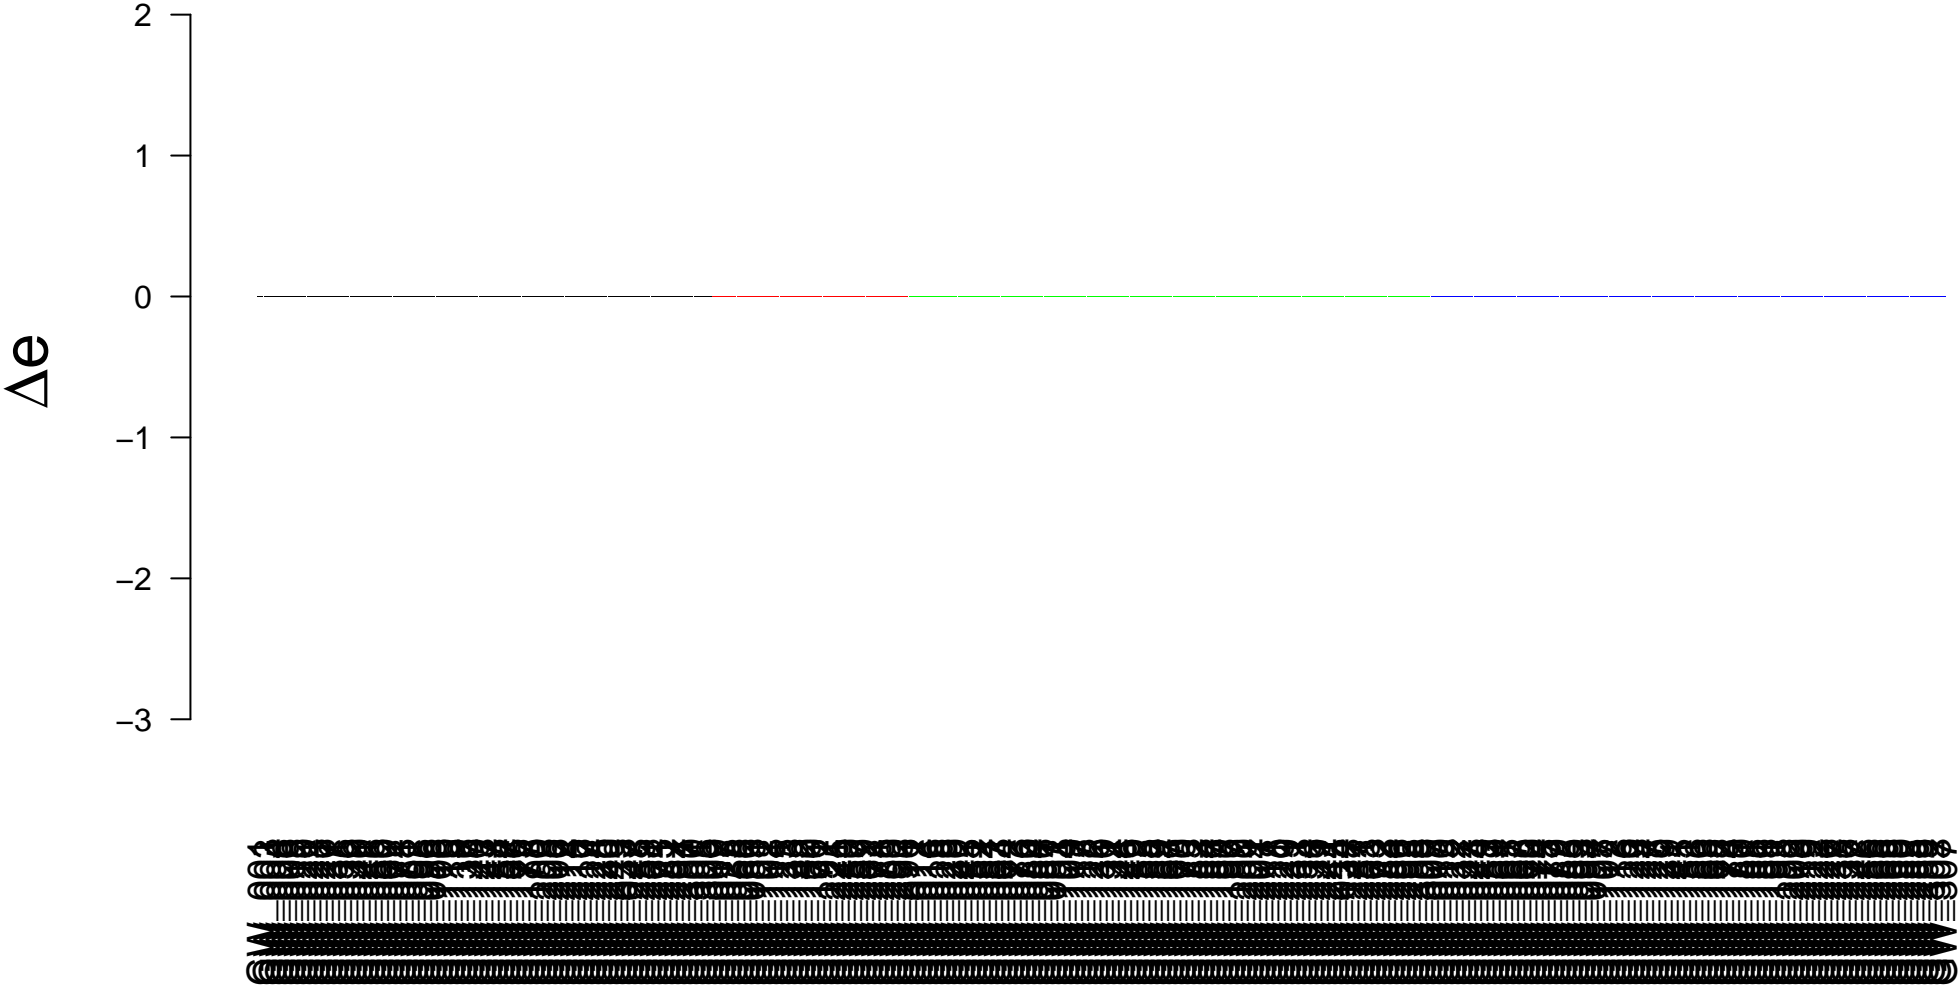

Expression of response to UV in Spot L

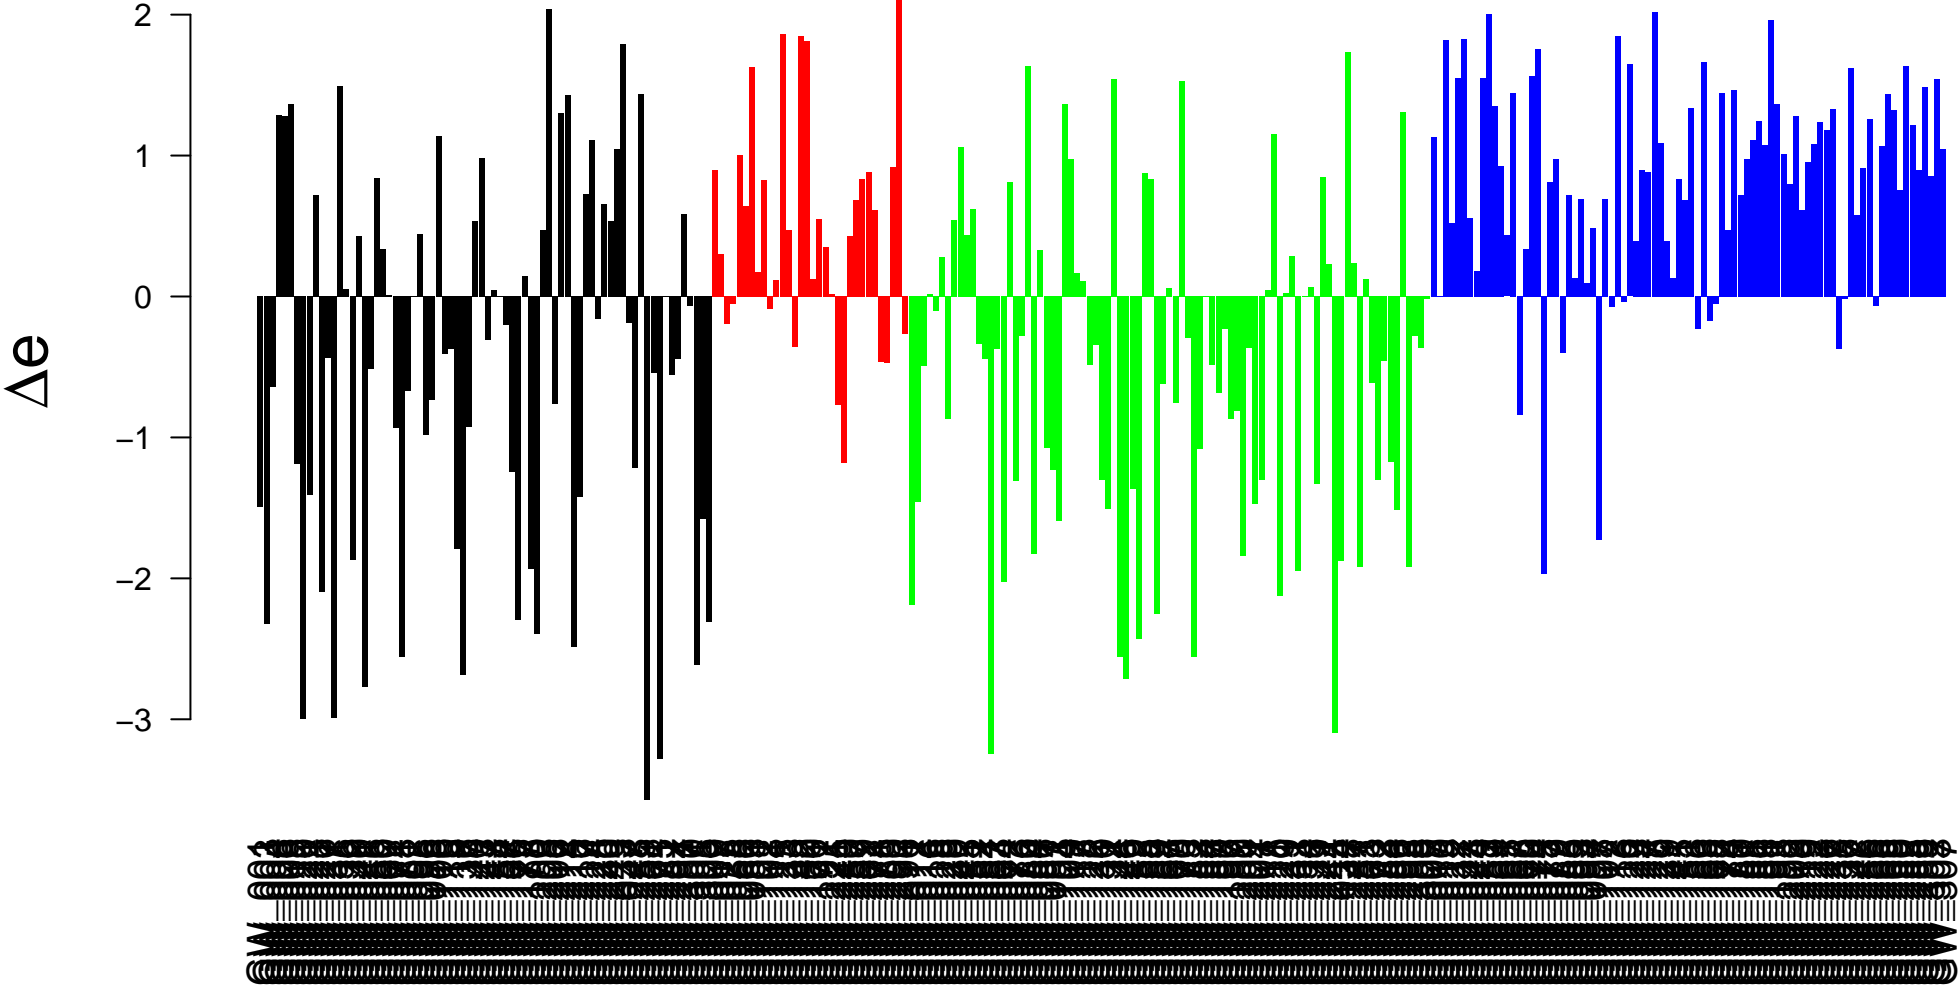

Expression of response to UV in Spot M

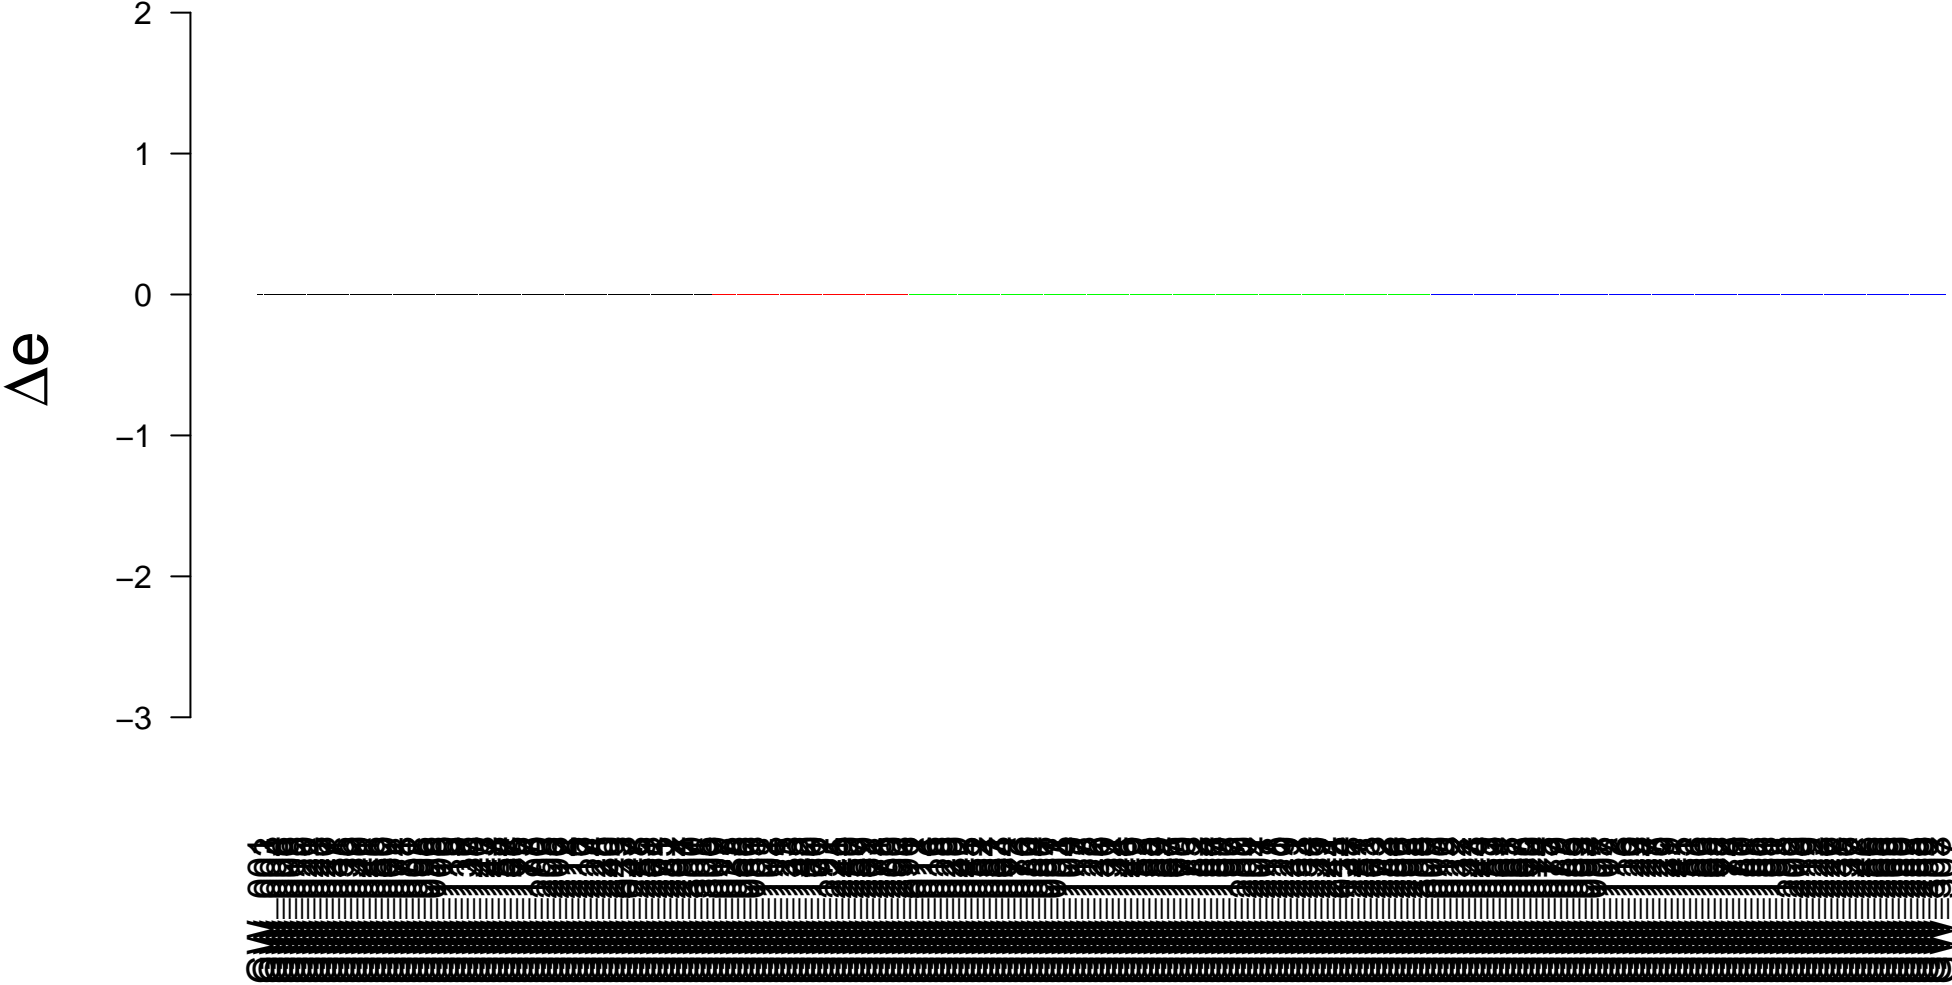

Expression of response to UV in Spot N

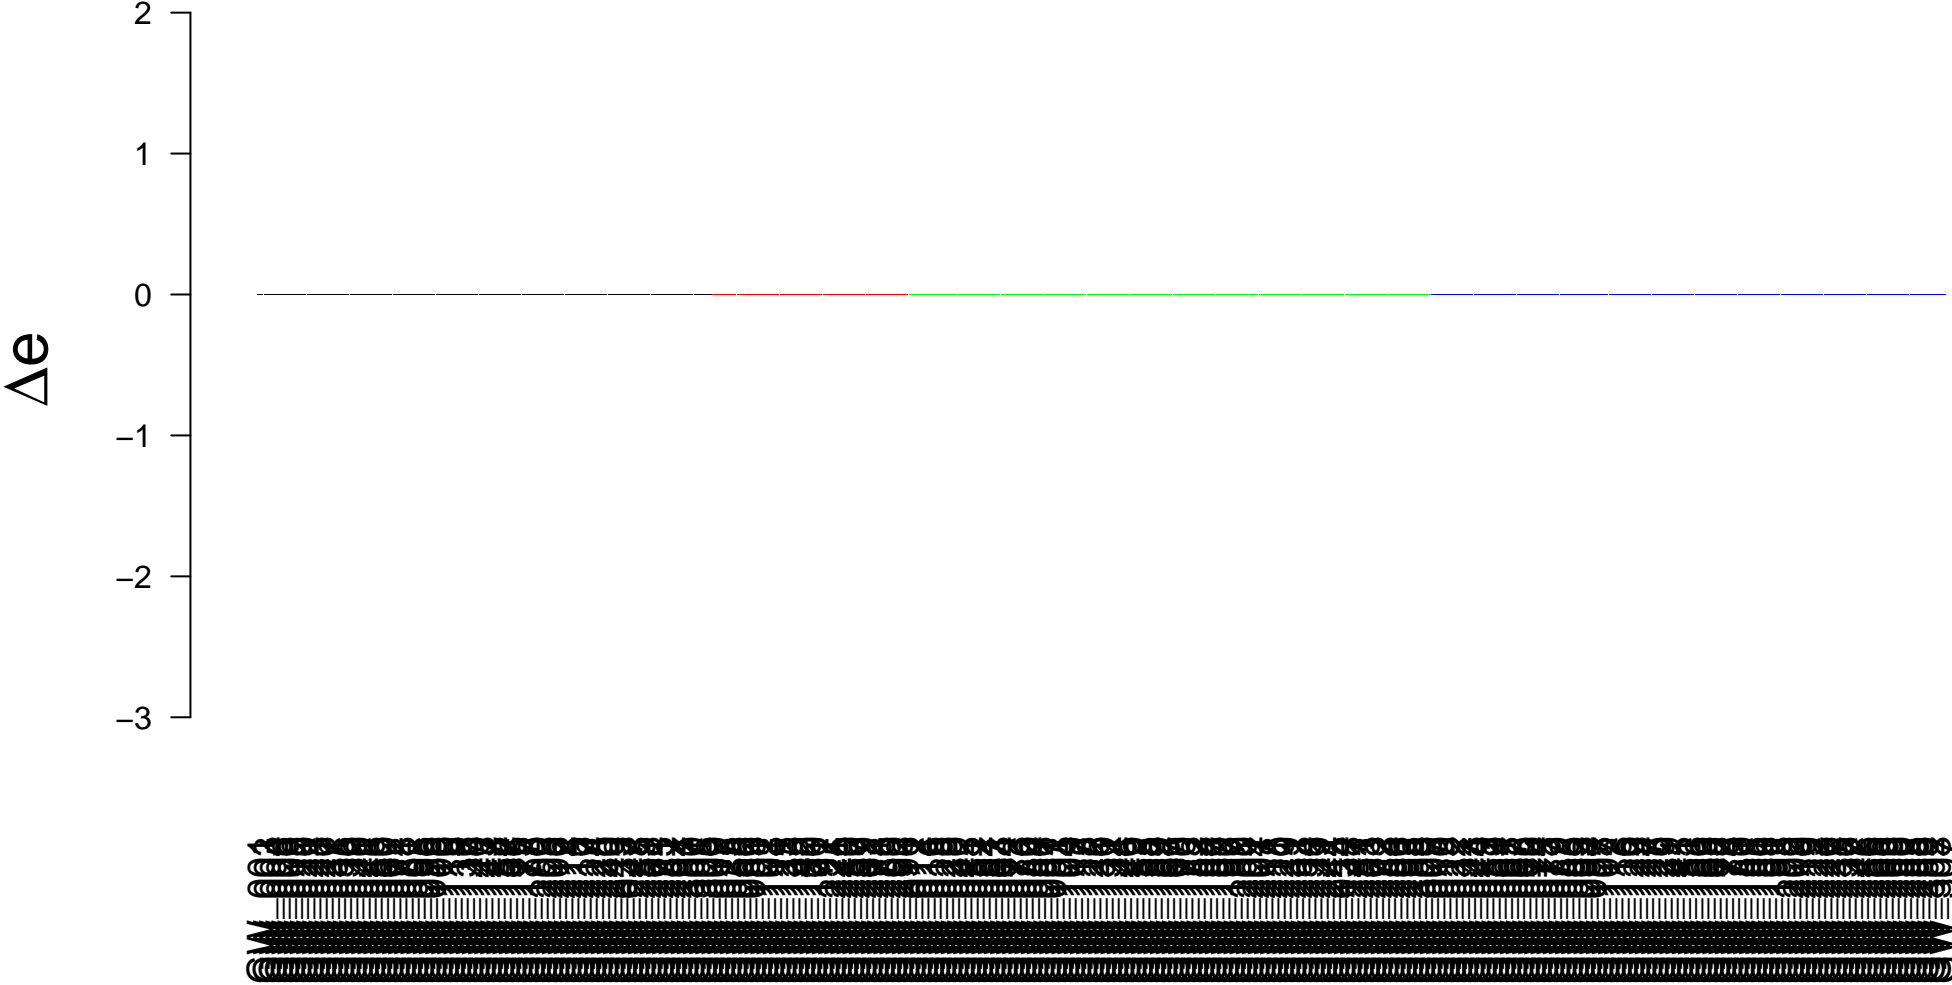

Expression of response to UV in Spot O

Expression of response to UV in Spot P

Expression of response to UV in Spot Q

Expression of response to UV in Spot R
