

response to amine

response to amine

Enrichment in spots: response to amine

Expression of response to amine in Spot A

Expression of response to amine in Spot B

Expression of response to amine in Spot C

Expression of response to amine in Spot D

Expression of response to amine in Spot E

Expression of response to amine in Spot F

Expression of response to amine in Spot G

Expression of response to amine in Spot H

Expression of response to amine in Spot I

Expression of response to amine in Spot J

Expression of response to amine in Spot K
